00:00:29,589 --> 00:00:08,410

[Music]

2
00:00:34,229 --> 00:00:31,269

hey everyone welcome to the show i'm

3
00:00:36,630 --> 00:00:34,239

martin willis your host and another i'm

4
00:00:38,869 --> 00:00:36,640

excited about the show tonight we have

5
00:00:40,709 --> 00:00:38,879

robert salas coming up he he was

6
00:00:43,270 --> 00:00:40,719

involved in an incident

7
00:00:46,389 --> 00:00:43,280

in maelstrom air force base that

8
00:00:48,150 --> 00:00:46,399

involved nuclear warheads and this is

9
00:00:50,069 --> 00:00:48,160

back

10
00:00:51,910 --> 00:00:50,079

in 1967

11
00:00:53,670 --> 00:00:51,920

and he's doing a fundraiser he's really

12
00:00:56,069 --> 00:00:53,680

close to meeting his goal of his

13
00:00:57,910 --> 00:00:56,079

fundraiser i hope this podcast can help

14

00:01:01,349 --> 00:00:57,920

push that over the edge i donated and i

15

00:01:03,670 --> 00:01:01,359

know that not everyone is able to to

16

00:01:05,429 --> 00:01:03,680

donate a lot of people are still having

17

00:01:07,270 --> 00:01:05,439

you know issues out of work things like

18

00:01:09,750 --> 00:01:07,280

that but if you happen to have the means

19

00:01:11,830 --> 00:01:09,760

and you want to help a good cause that

20

00:01:14,870 --> 00:01:11,840

information is down in the show links

21

00:01:16,469 --> 00:01:14,880

and down in youtube or facebook wherever

22

00:01:18,310 --> 00:01:16,479

you're watching this show you can see

23

00:01:19,429 --> 00:01:18,320

how to how to participate if you would

24

00:01:22,550 --> 00:01:19,439

like to

25

00:01:24,230 --> 00:01:22,560

so uh what a week i'm going to share

26

00:01:29,510 --> 00:01:24,240

this

27

00:01:31,190 --> 00:01:29,520

a congressional bill passed with an

28

00:01:32,870 --> 00:01:31,200

amendment

29

00:01:34,789 --> 00:01:32,880

that was actually pushed through by

30

00:01:38,710 --> 00:01:34,799

ruben gallego

31

00:01:43,670 --> 00:01:39,670

act

32

00:01:45,109 --> 00:01:43,680

that was uh is involving the uaps and

33

00:01:48,710 --> 00:01:45,119

basically what's going to happen is the

34

00:01:51,109 --> 00:01:48,720

uap task force is going to uh terminate

35

00:01:52,230 --> 00:01:51,119

i think immediately or within 180 days

36

00:01:55,990 --> 00:01:52,240

from now

37

00:01:57,429 --> 00:01:56,000

and then but there is a permanent um

38

00:01:59,030 --> 00:01:57,439

there's going to be a permanent office

39

00:02:01,270 --> 00:01:59,040

that's going to be set up

40

00:02:05,270 --> 00:02:01,280

and this is all involved

41

00:02:08,389 --> 00:02:05,280

our government looking hard at this

42

00:02:10,869 --> 00:02:08,399

situation of uaps ufos whatever you want

43

00:02:13,110 --> 00:02:10,879

to call them uh i think it's a major

44

00:02:15,910 --> 00:02:13,120

major deal now we haven't heard i know

45

00:02:18,470 --> 00:02:15,920

uh lou ella hunt uh luella hondo

46

00:02:20,550 --> 00:02:18,480

elizondo that is is absolutely thrilled

47

00:02:23,110 --> 00:02:20,560

i watched a video with him that this has

48

00:02:24,470 --> 00:02:23,120

happened i think you know he indeed had

49

00:02:27,190 --> 00:02:24,480

a part of it

50

00:02:29,270 --> 00:02:27,200

and by the way lou is actually uh he's

51
00:02:30,550 --> 00:02:29,280
actually writing a book he announced

52
00:02:33,589 --> 00:02:30,560
that the other day i've been in touch

53
00:02:35,589 --> 00:02:33,599
with his wife about this and um he is

54
00:02:37,110 --> 00:02:35,599
like i mentioned before is coming up in

55
00:02:38,550 --> 00:02:37,120
december

56
00:02:40,309 --> 00:02:38,560
but he's been working really hard on a

57
00:02:41,589 --> 00:02:40,319
book and i think that's great that he's

58
00:02:44,630 --> 00:02:41,599
doing that

59
00:02:46,790 --> 00:02:44,640
i'm really uh an advocate for uh lou

60
00:02:48,710 --> 00:02:46,800
elizondo i think he's done a lot

61
00:02:50,790 --> 00:02:48,720
a lot for the field he's given up a lot

62
00:02:53,750 --> 00:02:50,800
and given a lot of himself

63
00:02:54,630 --> 00:02:53,760

to help things like this congressional

64

00:02:57,030 --> 00:02:54,640

bill

65

00:02:58,710 --> 00:02:57,040

um to getting to get past uh robert

66

00:03:00,790 --> 00:02:58,720

salus is going to be talking about his

67

00:03:02,470 --> 00:03:00,800

efforts as well to move the needle

68

00:03:06,390 --> 00:03:02,480

forward we'll be bringing him in a

69

00:03:08,229 --> 00:03:06,400

minute in in a minute and uh i didn't

70

00:03:11,350 --> 00:03:08,239

mention this but last

71

00:03:13,750 --> 00:03:11,360

uh well two weekends ago now a friend of

72

00:03:15,750 --> 00:03:13,760

mine and i went to pine bush we had a

73

00:03:18,790 --> 00:03:15,760

blast we met bill there

74

00:03:20,390 --> 00:03:18,800

um i was on a panel with richard dolan

75

00:03:23,350 --> 00:03:20,400

and uh

76

00:03:26,309 --> 00:03:23,360

lee spiegel and mark d'antonio and we

77

00:03:28,869 --> 00:03:26,319

had we had a really fun time and on the

78

00:03:31,270 --> 00:03:28,879

break um if you're watching live i'm

79

00:03:33,110 --> 00:03:31,280

going to play a little clip by linda

80

00:03:35,830 --> 00:03:33,120

zimmerman about what she thinks about

81

00:03:37,350 --> 00:03:35,840

what's going on in the pine bush area

82

00:03:39,990 --> 00:03:37,360

so make sure you check out that

83

00:03:42,229 --> 00:03:40,000

congressional bill um i have links on my

84

00:03:43,830 --> 00:03:42,239

website when it um that will take you

85

00:03:46,550 --> 00:03:43,840

right to the pdf

86

00:03:49,589 --> 00:03:46,560

and also write to uh representative

87

00:03:51,589 --> 00:03:49,599

ruben gallagher's uh website about his

88

00:03:54,229 --> 00:03:51,599

announcement his press release about

89

00:03:56,470 --> 00:03:54,239

getting that thing passed which i'm

90

00:03:57,670 --> 00:03:56,480

absolutely thrilled about again

91

00:03:59,270 --> 00:03:57,680

you don't hear much about it in the

92

00:04:00,710 --> 00:03:59,280

media but

93

00:04:03,750 --> 00:04:00,720

we should be getting

94

00:04:06,550 --> 00:04:03,760

a an annual report i did reach out to

95

00:04:10,390 --> 00:04:06,560

find out if that is going to be a

96

00:04:12,309 --> 00:04:10,400

public report i'm sure i sure hope it is

97

00:04:13,990 --> 00:04:12,319

and uh hopefully we'll find

98

00:04:16,870 --> 00:04:14,000

that information out once i find that

99

00:04:18,150 --> 00:04:16,880

out i will of course announce that but i

100

00:04:20,789 --> 00:04:18,160

want to thank everyone that helps out

101
00:04:22,870 --> 00:04:20,799
with the show anyone can do that if you

102
00:04:24,110 --> 00:04:22,880
choose to that information is over

103
00:04:26,310 --> 00:04:24,120
on

104
00:04:27,990 --> 00:04:26,320
podcastufo.com you'll see a

105
00:04:28,870 --> 00:04:28,000
on the menu bar it'll say support the

106
00:04:33,590 --> 00:04:28,880
show

107
00:04:35,830 --> 00:04:33,600
and our uh blog this weekend i mean uh

108
00:04:36,790 --> 00:04:35,840
came up this weekend uh from charles

109
00:04:40,310 --> 00:04:36,800
lear

110
00:04:43,350 --> 00:04:40,320
is called a ufo invasion in england and

111
00:04:44,230 --> 00:04:43,360
this is a he talks about um what has

112
00:04:47,830 --> 00:04:44,240
happened

113
00:04:50,710 --> 00:04:47,840

uh starting back in 1967 some amazing

114

00:04:54,150 --> 00:04:50,720

you know saucer-shaped objects and etc

115

00:04:56,310 --> 00:04:54,160

etc as always i thank charles a lot for

116

00:04:59,189 --> 00:04:56,320

all his hard work he does on a weekly

117

00:05:02,070 --> 00:04:59,199

basis those are audio blogs as well

118

00:05:05,110 --> 00:05:02,080

and our facebook page is still uh

119

00:05:07,830 --> 00:05:05,120

active with people we are uh we need to

120

00:05:11,189 --> 00:05:07,840

post more on that we had peggy has semi

121

00:05:13,510 --> 00:05:11,199

retired from that so i'm looking to

122

00:05:15,830 --> 00:05:13,520

probably uh get some more posting done

123

00:05:18,390 --> 00:05:15,840

on that in the future

124

00:05:20,230 --> 00:05:18,400

now i would like to also uh announce i

125

00:05:22,710 --> 00:05:20,240

just said a minute ago that

126

00:05:25,029 --> 00:05:22,720

about uh the during the break there's

127

00:05:27,670 --> 00:05:25,039

about a three minute break or so

128

00:05:29,909 --> 00:05:27,680

and i had this idea where

129

00:05:32,310 --> 00:05:29,919

i think i would like to talk to

130

00:05:35,270 --> 00:05:32,320

some of you listeners out there who have

131

00:05:37,909 --> 00:05:35,280

had ufo sightings and kind of fill in

132

00:05:40,550 --> 00:05:37,919

those three minute gaps each week and

133

00:05:42,150 --> 00:05:40,560

record prior to and

134

00:05:45,430 --> 00:05:42,160

so if you're interested in that just

135

00:05:48,390 --> 00:05:45,440

email me at martin at podcastufo.com

136

00:05:51,029 --> 00:05:48,400

and we'll go from there but it i think

137

00:05:52,710 --> 00:05:51,039

would be a good idea to post up some ufo

138

00:05:54,790 --> 00:05:52,720

incidents i'm trying to get

139

00:05:56,870 --> 00:05:54,800

a friend from australia that had an

140

00:05:58,790 --> 00:05:56,880

incident when she was a child i talk

141

00:06:01,350 --> 00:05:58,800

about it it's a triangle that went

142

00:06:02,870 --> 00:06:01,360

overhead that uh

143

00:06:05,029 --> 00:06:02,880

she felt like there was pressure her and

144

00:06:07,749 --> 00:06:05,039

her grandmother was almost like forced

145

00:06:10,150 --> 00:06:07,759

down to the ground this is a while back

146

00:06:11,909 --> 00:06:10,160

and a very interesting one at that so

147

00:06:14,790 --> 00:06:11,919

enough of me blabbering away here we're

148

00:06:16,950 --> 00:06:14,800

going to bring robert salison

149

00:06:19,590 --> 00:06:16,960

hi robert welcome to the show

150

00:06:20,870 --> 00:06:19,600

hi martin uh it's great to be with you i

151
00:06:23,110 --> 00:06:20,880
think uh

152
00:06:24,950 --> 00:06:23,120
we met uh what uh

153
00:06:26,950 --> 00:06:24,960
seven years ago something like this

154
00:06:28,390 --> 00:06:26,960
something like that yes i remember the

155
00:06:29,990 --> 00:06:28,400
last time you were on my show you said

156
00:06:31,990 --> 00:06:30,000
well i think i'm not going to do a show

157
00:06:33,350 --> 00:06:32,000
for a while i remember

158
00:06:36,469 --> 00:06:33,360
i think that was the attitude you know

159
00:06:39,430 --> 00:06:36,479
what you had at the time but

160
00:06:40,870 --> 00:06:39,440
i've said that many times

161
00:06:43,670 --> 00:06:40,880
and

162
00:06:45,909 --> 00:06:43,680
well as soon as i'm off air my wife

163
00:06:47,590 --> 00:06:45,919

kicks me in the butt and says uh get

164

00:06:49,270 --> 00:06:47,600

back on there

165

00:06:52,150 --> 00:06:49,280

oh

166

00:06:54,790 --> 00:06:52,160

yeah that's a good lady you got there i

167

00:06:56,309 --> 00:06:54,800

have to take orders from the boss that's

168

00:06:59,110 --> 00:06:56,319

right that's right

169

00:07:00,950 --> 00:06:59,120

now i'd like to uh well first of all i'd

170

00:07:03,670 --> 00:07:00,960

like to say to you that um before we get

171

00:07:06,710 --> 00:07:03,680

into what you're trying to accomplish

172

00:07:08,790 --> 00:07:06,720

uh there are uh new listeners constantly

173

00:07:11,270 --> 00:07:08,800

that may not be familiar with your story

174

00:07:14,230 --> 00:07:11,280

so um you know we got a half hour here

175

00:07:16,469 --> 00:07:14,240

if you wanna uh go over exactly what

176
00:07:19,029 --> 00:07:16,479
happened it's a fascinating story and i

177
00:07:20,390 --> 00:07:19,039
i never get tired of hearing it so if

178
00:07:21,990 --> 00:07:20,400
you would a little bit about your

179
00:07:24,309 --> 00:07:22,000
background and what happened back in

180
00:07:31,990 --> 00:07:24,319
1967

181
00:07:33,270 --> 00:07:32,000
i was uh what's called a missile combat

182
00:07:35,430 --> 00:07:33,280
crew

183
00:07:37,510 --> 00:07:35,440
on missile combat i was a

184
00:07:39,270 --> 00:07:37,520
deputy at first uh when this incident i

185
00:07:43,510 --> 00:07:39,280
was a deputy and then

186
00:07:50,230 --> 00:07:43,520
later became a commander of the crew but

187
00:07:56,390 --> 00:07:53,510
i was on alert status with my commander

188
00:07:59,270 --> 00:07:56,400

fred mywald

189

00:08:01,110 --> 00:07:59,280

we are underground facility

190

00:08:03,110 --> 00:08:01,120

about 60 feet underground and then we

191

00:08:03,830 --> 00:08:03,120

had about six guards

192

00:08:05,510 --> 00:08:03,840

up

193

00:08:08,469 --> 00:08:05,520

top side

194

00:08:10,950 --> 00:08:08,479

we were locked in for 24 hours and our

195

00:08:13,189 --> 00:08:10,960

our job was basically to

196

00:08:16,790 --> 00:08:13,199

make sure the missiles were

197

00:08:18,230 --> 00:08:16,800

operating and on alert status and

198

00:08:21,589 --> 00:08:18,240

we would uh

199

00:08:23,909 --> 00:08:21,599

launch if given the order

200

00:08:26,550 --> 00:08:23,919

so uh we had 10 missiles under our

201
00:08:29,189 --> 00:08:26,560
command these were men of man one

202
00:08:31,990 --> 00:08:29,199
uh it was

203
00:08:34,149 --> 00:08:32,000
uh well i won't go into details of the

204
00:08:35,829 --> 00:08:34,159
missile other was an intercontinental

205
00:08:37,509 --> 00:08:35,839
ballistic missile

206
00:08:39,589 --> 00:08:37,519
um

207
00:08:41,350 --> 00:08:39,599
so first i get a call from my top side

208
00:08:43,670 --> 00:08:41,360
guard saying that there's strange lights

209
00:08:45,509 --> 00:08:43,680
in the sky

210
00:08:47,590 --> 00:08:45,519
flying very fast

211
00:08:49,750 --> 00:08:47,600
not making any sound

212
00:08:52,949 --> 00:08:49,760
stopping on a dime

213
00:08:59,829 --> 00:08:55,829

almost instantaneously

214

00:09:03,350 --> 00:08:59,839

making right angle turns uh

215

00:09:06,230 --> 00:09:03,360

and he couldn't explain them as aircraft

216

00:09:08,550 --> 00:09:06,240

he just wanted to report this

217

00:09:10,230 --> 00:09:08,560

they were still quite high up but

218

00:09:12,389 --> 00:09:10,240

uh he could

219

00:09:14,389 --> 00:09:12,399

easily see them he and the other

220

00:09:17,430 --> 00:09:14,399

uh security guards

221

00:09:19,190 --> 00:09:17,440

were out there watching him

222

00:09:21,750 --> 00:09:19,200

and i even said you mean something like

223

00:09:24,310 --> 00:09:21,760

ufos and

224

00:09:25,990 --> 00:09:24,320

i just have joking and he uh he said

225

00:09:29,110 --> 00:09:26,000

well i can't explain it sir there are

226

00:09:31,829 --> 00:09:29,120

not airplanes uh no

227

00:09:33,670 --> 00:09:31,839

nothing like i've ever seen so

228

00:09:35,590 --> 00:09:33,680

i kind of uh

229

00:09:39,509 --> 00:09:35,600

i didn't take it too seriously at that

230

00:09:42,470 --> 00:09:39,519

time i was not interested in the subject

231

00:09:46,550 --> 00:09:42,480

even though we have had have

232

00:09:48,070 --> 00:09:46,560

reports in the great falls tribune

233

00:09:50,470 --> 00:09:48,080

from

234

00:09:52,949 --> 00:09:50,480

citizens reporting lights in the sky and

235

00:09:55,829 --> 00:09:52,959

uh these were reports or

236

00:09:58,790 --> 00:09:55,839

that had been in the newspapers

237

00:10:02,230 --> 00:09:58,800

anyway i i simply discounted it thanked

238

00:10:03,670 --> 00:10:02,240

him and hung up the phone

239

00:10:05,509 --> 00:10:03,680

and then about five minutes later he

240

00:10:08,230 --> 00:10:05,519

calls back this time he's extremely

241

00:10:10,630 --> 00:10:08,240

frightened uh he's shouting into the

242

00:10:12,710 --> 00:10:10,640

phone he was uh

243

00:10:14,790 --> 00:10:12,720

i couldn't make out what he was saying

244

00:10:17,030 --> 00:10:14,800

at first uh he was just

245

00:10:18,790 --> 00:10:17,040

blabbering um

246

00:10:20,630 --> 00:10:18,800

and frightened

247

00:10:22,150 --> 00:10:20,640

said he had all the guards finally

248

00:10:23,990 --> 00:10:22,160

calmed him down he said

249

00:10:25,350 --> 00:10:24,000

i've got all the guards on here sir

250

00:10:27,990 --> 00:10:25,360

there there's a

251

00:10:30,230 --> 00:10:28,000

glowing red object

252

00:10:32,710 --> 00:10:30,240

pulsating and

253

00:10:35,350 --> 00:10:32,720

hovering right above us uh right above

254

00:10:36,870 --> 00:10:35,360

the front gate

255

00:10:38,389 --> 00:10:36,880

uh he wanted me to tell him what to do

256

00:10:39,829 --> 00:10:38,399

next

257

00:10:42,550 --> 00:10:39,839

um

258

00:10:43,990 --> 00:10:42,560

by this time i i realized we were under

259

00:10:47,030 --> 00:10:44,000

some sort of uh

260

00:10:50,790 --> 00:10:47,040

attack because of uh

261

00:10:52,630 --> 00:10:50,800

how he presented the situation

262

00:10:54,949 --> 00:10:52,640

all the guards had their weapons drawn

263

00:10:56,550 --> 00:10:54,959

and this thing was just frightening to

264

00:10:58,870 --> 00:10:56,560

them

265

00:10:59,990 --> 00:10:58,880

i simply said make sure nothing comes in

266

00:11:03,990 --> 00:11:00,000

the

267

00:11:06,630 --> 00:11:04,000

um

268

00:11:07,509 --> 00:11:06,640

then he hung up the phone

269

00:11:09,750 --> 00:11:07,519

uh

270

00:11:11,750 --> 00:11:09,760

i went over to tell my commander about

271

00:11:14,550 --> 00:11:11,760

the phone calls he was taking a rest

272

00:11:16,150 --> 00:11:14,560

break we had a little cut down there

273

00:11:17,110 --> 00:11:16,160

uh then all of a sudden the missiles

274

00:11:19,509 --> 00:11:17,120

started

275

00:11:22,630 --> 00:11:19,519

going off alert got

276

00:11:23,350 --> 00:11:22,640

lots of bells and whistles going off and

277

00:11:25,190 --> 00:11:23,360

the

278

00:11:28,470 --> 00:11:25,200

lights on our control panel were turning

279

00:11:30,630 --> 00:11:28,480

from green to red meaning no go they

280

00:11:33,750 --> 00:11:30,640

could not be launched

281

00:11:35,030 --> 00:11:33,760

i went through our procedures

282

00:11:36,389 --> 00:11:35,040

and

283

00:11:37,910 --> 00:11:36,399

had a way of determining what the

284

00:11:40,310 --> 00:11:37,920

problem was

285

00:11:43,910 --> 00:11:40,320

uh and all the missiles were reading out

286

00:11:46,389 --> 00:11:43,920

a guidance and control system failure

287

00:11:48,710 --> 00:11:46,399

so without proper guidance

288

00:11:50,310 --> 00:11:48,720

this the missiles could not be launched

289

00:11:51,670 --> 00:11:50,320

um

290

00:11:55,110 --> 00:11:51,680

man that

291

00:11:57,430 --> 00:11:55,120

then he we also had two

292

00:12:00,550 --> 00:11:57,440

launch facilities that had incursion

293

00:12:06,150 --> 00:12:03,269

possibility of security breach

294

00:12:09,509 --> 00:12:06,160

at two of the launch facilities

295

00:12:11,509 --> 00:12:09,519

so i had to call back and send guards

296

00:12:13,590 --> 00:12:11,519

first of course i asked if the object

297

00:12:15,670 --> 00:12:13,600

was still up there he said no it just

298

00:12:18,710 --> 00:12:15,680

flown off

299

00:12:20,150 --> 00:12:18,720

but the object was up there when these

300

00:12:23,670 --> 00:12:20,160

missiles

301
00:12:29,509 --> 00:12:26,870
so i ordered them out to the these two

302
00:12:31,910 --> 00:12:29,519
facilities where we had these

303
00:12:34,230 --> 00:12:31,920
uh security lights

304
00:12:36,230 --> 00:12:34,240
uh and they reported back to my

305
00:12:38,389 --> 00:12:36,240
commander that um

306
00:12:40,069 --> 00:12:38,399
i actually reported back to the security

307
00:12:42,230 --> 00:12:40,079
guard that um

308
00:12:44,949 --> 00:12:42,240
they'd seen the objects again

309
00:12:46,150 --> 00:12:44,959
over the launch facilities

310
00:12:47,509 --> 00:12:46,160
so

311
00:12:49,670 --> 00:12:47,519
and then

312
00:12:51,350 --> 00:12:49,680
after i got rid of

313
00:12:53,590 --> 00:12:51,360

hung up from that phone call my

314

00:12:55,269 --> 00:12:53,600

commander turns to me and says

315

00:12:56,470 --> 00:12:55,279

the same thing happened then another

316

00:12:59,350 --> 00:12:56,480

flight

317

00:13:03,350 --> 00:12:59,360

now i thought he meant that evening but

318

00:13:05,829 --> 00:13:03,360

in fact later on i realized it was

319

00:13:08,230 --> 00:13:05,839

uh it happened

320

00:13:10,949 --> 00:13:08,240

about eight days earlier

321

00:13:13,509 --> 00:13:10,959

and that was the echo flight incident

322

00:13:17,750 --> 00:13:13,519

so we were at oscar flight

323

00:13:20,710 --> 00:13:17,760

echo flight went down march 16th

324

00:13:23,670 --> 00:13:20,720

essentially the same thing happened and

325

00:13:26,949 --> 00:13:23,680

they had the same failure modes

326

00:13:29,350 --> 00:13:26,959

guidance and control system

327

00:13:31,110 --> 00:13:29,360

so within the span of eight days we lost

328

00:13:33,430 --> 00:13:31,120

20

329

00:13:38,550 --> 00:13:33,440

nuclear tipped

330

00:13:42,550 --> 00:13:40,870

that is such an incredible story and

331

00:13:44,550 --> 00:13:42,560

and

332

00:13:45,990 --> 00:13:44,560

the thing of note here is

333

00:13:47,430 --> 00:13:46,000

you know this this thing you're trying

334

00:13:50,069 --> 00:13:47,440

to put together

335

00:13:52,069 --> 00:13:50,079

if if that's not

336

00:13:59,110 --> 00:13:52,079

national security

337

00:14:01,030 --> 00:13:59,120

i mean i can't believe that that would

338

00:14:02,629 --> 00:14:01,040

you know not have a continuous

339

00:14:05,110 --> 00:14:02,639

investigation

340

00:14:07,750 --> 00:14:05,120

until something was solved but let me

341

00:14:09,350 --> 00:14:07,760

let me just uh something comes to mind

342

00:14:11,910 --> 00:14:09,360

as i remember

343

00:14:13,430 --> 00:14:11,920

this and tell me if i'm wrong these

344

00:14:14,949 --> 00:14:13,440

these warheads

345

00:14:16,389 --> 00:14:14,959

were

346

00:14:18,470 --> 00:14:16,399

independently

347

00:14:20,550 --> 00:14:18,480

operated in other words there wasn't one

348

00:14:23,509 --> 00:14:20,560

shutdown system that could shut all them

349

00:14:24,790 --> 00:14:23,519

down they each individually had to be

350

00:14:27,030 --> 00:14:24,800

reset

351
00:14:27,990 --> 00:14:27,040
or they could not be um they could not

352
00:14:29,269 --> 00:14:28,000
be

353
00:14:31,910 --> 00:14:29,279
tapped into

354
00:14:35,030 --> 00:14:31,920
on a group basis is that is that right

355
00:14:37,350 --> 00:14:35,040
oh that's correct uh we had uh

356
00:14:40,310 --> 00:14:37,360
these very thick um

357
00:14:42,310 --> 00:14:40,320
cabling systems uh but the cables went

358
00:14:45,110 --> 00:14:42,320
directly from the capsule to each

359
00:14:47,269 --> 00:14:45,120
missile separately it's not like the

360
00:14:49,269 --> 00:14:47,279
missiles had

361
00:14:51,350 --> 00:14:49,279
were interconnected

362
00:14:54,150 --> 00:14:51,360
now

363
00:14:57,269 --> 00:14:54,160

so what this object would have had to do

364

00:15:00,470 --> 00:14:57,279

was send a particular signal

365

00:15:02,150 --> 00:15:00,480

through 60 feet of earth and concrete

366

00:15:04,069 --> 00:15:02,160

penetrate these

367

00:15:05,590 --> 00:15:04,079

huge cables which were

368

00:15:08,150 --> 00:15:05,600

i'd say

369

00:15:12,069 --> 00:15:08,160

eight inches in diameter

370

00:15:17,030 --> 00:15:12,079

uh which were triply shielded from emi

371

00:15:22,389 --> 00:15:19,030

and send that signal to a particular

372

00:15:25,189 --> 00:15:22,399

part of the guidance system

373

00:15:27,670 --> 00:15:25,199

called the logic coupler

374

00:15:29,509 --> 00:15:27,680

so we had an inertial guidance system uh

375

00:15:32,629 --> 00:15:29,519

meaning um

376

00:15:33,749 --> 00:15:32,639

we didn't have gps time obviously

377

00:15:36,550 --> 00:15:33,759

so

378

00:15:38,790 --> 00:15:36,560

uh we had gyroscopes we had a level

379

00:15:42,310 --> 00:15:38,800

platform

380

00:15:43,910 --> 00:15:42,320

and those gyros of course would uh

381

00:15:44,710 --> 00:15:43,920

send data

382

00:15:55,030 --> 00:15:44,720

uh

383

00:15:56,870 --> 00:15:55,040

large this piece of hardware

384

00:16:01,670 --> 00:15:56,880

would determine the

385

00:16:06,150 --> 00:16:03,670

essentially calculate where the missile

386

00:16:08,389 --> 00:16:06,160

was during flight

387

00:16:10,069 --> 00:16:08,399

and determine uh whether or not any

388

00:16:11,910 --> 00:16:10,079

adjustments need to be made

389

00:16:15,110 --> 00:16:11,920

to go on target so

390

00:16:20,230 --> 00:16:15,120

that was an inertial guidance system and

391

00:16:26,310 --> 00:16:23,110

the result of their interference did was

392

00:16:28,470 --> 00:16:26,320

to upset uh the level

393

00:16:31,749 --> 00:16:28,480

platform of

394

00:16:33,910 --> 00:16:31,759

the inertial guidance system

395

00:16:37,749 --> 00:16:33,920

so that

396

00:16:40,550 --> 00:16:37,759

because of that upset um

397

00:16:43,030 --> 00:16:40,560

this calculation could not be made

398

00:16:44,550 --> 00:16:43,040

so that's why the missile shut down

399

00:16:46,629 --> 00:16:44,560

amazing

400

00:16:48,069 --> 00:16:46,639

there was no damage to the systems no

401

00:16:49,350 --> 00:16:48,079

damage

402

00:16:51,590 --> 00:16:49,360

really wow

403

00:16:54,710 --> 00:16:51,600

you know if that's not like someone

404

00:16:56,310 --> 00:16:54,720

saying hey pay attention here

405

00:16:59,189 --> 00:16:56,320

you know you know

406

00:17:00,310 --> 00:16:59,199

i don't i don't know yeah i mean

407

00:17:02,230 --> 00:17:00,320

of course

408

00:17:05,429 --> 00:17:02,240

you can only think like a human can

409

00:17:07,270 --> 00:17:05,439

think so you try to figure things out

410

00:17:11,110 --> 00:17:07,280

the only way we know how

411

00:17:13,750 --> 00:17:11,120

and that is you know why was this done

412

00:17:15,429 --> 00:17:13,760

um if if let's just say they're

413

00:17:18,630 --> 00:17:15,439

extraterrestrial because

414

00:17:20,630 --> 00:17:18,640

i don't know what they are but still we

415

00:17:21,990 --> 00:17:20,640

currently probably do not have the

416

00:17:25,029 --> 00:17:22,000

technology

417

00:17:28,069 --> 00:17:25,039

right now to bring back to 1967 to do

418

00:17:30,150 --> 00:17:28,079

that same exact thing to it like to the

419

00:17:31,110 --> 00:17:30,160

russians or to china or something like

420

00:17:34,870 --> 00:17:31,120

that

421

00:17:38,390 --> 00:17:34,880

no um you know again my argument is if

422

00:17:40,390 --> 00:17:38,400

if we had that technology then in 1967

423

00:17:42,230 --> 00:17:40,400

or the russians had that

424

00:17:44,470 --> 00:17:42,240

technology they would certainly have

425

00:17:46,230 --> 00:17:44,480

advertised that

426

00:17:47,190 --> 00:17:46,240

as a way of uh

427

00:17:48,950 --> 00:17:47,200

you know

428

00:17:49,990 --> 00:17:48,960

saying that

429

00:17:52,150 --> 00:17:50,000

uh

430

00:17:54,070 --> 00:17:52,160

you know we could shut you down anytime

431

00:17:55,590 --> 00:17:54,080

yeah that mean that's that's second best

432

00:17:57,350 --> 00:17:55,600

to having

433

00:17:59,110 --> 00:17:57,360

nuclear arms in the first place is to

434

00:18:01,430 --> 00:17:59,120

being able to shut down

435

00:18:04,549 --> 00:18:01,440

your opponent you know

436

00:18:08,070 --> 00:18:04,559

yeah so it's totally this this it's

437

00:18:10,870 --> 00:18:08,080

still from the first time i ever heard

438

00:18:13,110 --> 00:18:10,880

about this it's it totally fascinated me

439

00:18:14,390 --> 00:18:13,120

and it's not just you you said you know

440

00:18:15,190 --> 00:18:14,400

eight days earlier there was something

441

00:18:16,630 --> 00:18:15,200

else

442

00:18:18,230 --> 00:18:16,640

and uh

443

00:18:20,630 --> 00:18:18,240

i mentioned off air that i had something

444

00:18:21,909 --> 00:18:20,640

to tell you and it's it's not going too

445

00:18:23,590 --> 00:18:21,919

far but

446

00:18:24,950 --> 00:18:23,600

we had a guest on

447

00:18:28,150 --> 00:18:24,960

two weeks ago

448

00:18:30,150 --> 00:18:28,160

uh david marceau and he was involved in

449

00:18:32,870 --> 00:18:30,160

the reservists up in

450

00:18:35,270 --> 00:18:32,880

canada he told a story and then

451
00:18:37,990 --> 00:18:35,280
in conversation he said oh by the way i

452
00:18:39,029 --> 00:18:38,000
have a friend whose aunt said that her

453
00:18:40,630 --> 00:18:39,039
husband

454
00:18:45,830 --> 00:18:40,640
his friend's uncle

455
00:18:50,630 --> 00:18:47,909
interruption by a ufo

456
00:18:53,590 --> 00:18:50,640
in the 1960s and he's too scared to talk

457
00:18:55,270 --> 00:18:53,600
about it so um which i think is really

458
00:18:57,909 --> 00:18:55,280
interesting i've been

459
00:18:59,990 --> 00:18:57,919
i've been in contact with david and kind

460
00:19:01,909 --> 00:19:00,000
of trying to push him

461
00:19:04,630 --> 00:19:01,919
to see if he could push

462
00:19:05,750 --> 00:19:04,640
this guy could push his uncle to talk

463
00:19:07,590 --> 00:19:05,760

and um

464

00:19:10,390 --> 00:19:07,600

well because not and i said not not to

465

00:19:12,870 --> 00:19:10,400

me necessarily or not on air but to talk

466

00:19:14,470 --> 00:19:12,880

to someone like you know robert hastings

467

00:19:17,190 --> 00:19:14,480

who i understand is not doing all that

468

00:19:19,590 --> 00:19:17,200

well right now unfortunately but um but

469

00:19:21,110 --> 00:19:19,600

to talk to someone like that to get this

470

00:19:24,150 --> 00:19:21,120

information out there i think is very

471

00:19:27,350 --> 00:19:24,160

important and to speak to you of course

472

00:19:29,750 --> 00:19:27,360

you know well i could uh

473

00:19:31,590 --> 00:19:29,760

i could name about 10 others in the same

474

00:19:33,669 --> 00:19:31,600

boat

475

00:19:36,150 --> 00:19:33,679

that do not want to talk about it do not

476

00:19:38,870 --> 00:19:36,160

want to talk about it

477

00:19:40,390 --> 00:19:38,880

no for various reasons uh one of course

478

00:19:42,390 --> 00:19:40,400

is ridicule but

479

00:19:45,750 --> 00:19:42,400

uh other reasons like uh

480

00:19:47,909 --> 00:19:45,760

you know losing employment or um

481

00:19:50,070 --> 00:19:47,919

affecting it's a it would affect their

482

00:19:52,150 --> 00:19:50,080

families uh who are trying to develop

483

00:19:53,830 --> 00:19:52,160

their own careers and

484

00:19:56,549 --> 00:19:53,840

things like that

485

00:19:58,070 --> 00:19:56,559

this is a difficult thing

486

00:20:00,390 --> 00:19:58,080

now if

487

00:20:01,830 --> 00:20:00,400

if and when there is disclosure and the

488

00:20:03,990 --> 00:20:01,840

government

489

00:20:06,470 --> 00:20:04,000

starts releasing some of the secrets we

490

00:20:08,549 --> 00:20:06,480

have open hearings which is the

491

00:20:10,789 --> 00:20:08,559

objective of

492

00:20:12,950 --> 00:20:10,799

my uh press conference

493

00:20:15,590 --> 00:20:12,960

uh then i think some of these other

494

00:20:18,390 --> 00:20:15,600

people will come forward for sure

495

00:20:21,270 --> 00:20:18,400

well you know i think i think as time

496

00:20:24,789 --> 00:20:21,280

i'm this is a time that it's becoming

497

00:20:27,830 --> 00:20:24,799

more and more okay um which is

498

00:20:29,110 --> 00:20:27,840

i think is really wonderful um where i

499

00:20:30,789 --> 00:20:29,120

think people are going to start feeling

500

00:20:33,110 --> 00:20:30,799

comfortable we're going to see it's kind

501
00:20:35,590 --> 00:20:33,120
of like slowly breaking everything is

502
00:20:36,870 --> 00:20:35,600
kind of like breaking opening

503
00:20:40,710 --> 00:20:36,880
open to

504
00:20:43,270 --> 00:20:40,720
to uh this not being such a you know

505
00:20:44,789 --> 00:20:43,280
fringe so to speak topic now let's talk

506
00:20:46,390 --> 00:20:44,799
about what you're trying to do here

507
00:20:48,149 --> 00:20:46,400
because you're only

508
00:20:49,590 --> 00:20:48,159
wow you're really close to meeting your

509
00:20:51,510 --> 00:20:49,600
thirteen thousand

510
00:20:53,590 --> 00:20:51,520
dollar goal you're up to eleven thousand

511
00:20:55,510 --> 00:20:53,600
six hundred there's been some uh some

512
00:20:57,350 --> 00:20:55,520
names i looked through the the the

513
00:20:58,789 --> 00:20:57,360

donors in there and you know people have

514

00:21:01,029 --> 00:20:58,799

donated

515

00:21:02,870 --> 00:21:01,039

nice nice chunks of money and but you're

516

00:21:04,310 --> 00:21:02,880

close to it so why don't you talk about

517

00:21:07,029 --> 00:21:04,320

that and what your

518

00:21:08,870 --> 00:21:07,039

you know what your end goal is to

519

00:21:10,549 --> 00:21:08,880

getting this done

520

00:21:12,310 --> 00:21:10,559

right

521

00:21:13,669 --> 00:21:12,320

one of the reasons i started this is

522

00:21:15,830 --> 00:21:13,679

because

523

00:21:20,149 --> 00:21:15,840

of course after the

524

00:21:21,830 --> 00:21:20,159

release of of the report by the uh

525

00:21:24,070 --> 00:21:21,840

chief of intelligence director of

526

00:21:25,270 --> 00:21:24,080

national intelligence

527

00:21:27,669 --> 00:21:25,280

report

528

00:21:30,390 --> 00:21:27,679

even though they mentioned possible

529

00:21:32,950 --> 00:21:30,400

national security implications

530

00:21:34,149 --> 00:21:32,960

they said nothing about

531

00:21:37,750 --> 00:21:34,159

the

532

00:21:41,830 --> 00:21:37,760

many many instances where ufos have been

533

00:21:43,909 --> 00:21:41,840

have interfered with nuclear weapons

534

00:21:45,430 --> 00:21:43,919

the two instances i just talked about

535

00:21:47,909 --> 00:21:45,440

were were just

536

00:21:50,070 --> 00:21:47,919

two of many in fact there was another

537

00:21:52,710 --> 00:21:50,080

one in 66

538

00:21:55,669 --> 00:21:52,720

at minot where all 10 missiles went down

539

00:21:56,950 --> 00:21:55,679

during a ufo encounter so

540

00:22:00,149 --> 00:21:56,960

but

541

00:22:01,990 --> 00:22:00,159

uh so my purpose really

542

00:22:04,549 --> 00:22:02,000

is to bring

543

00:22:07,190 --> 00:22:04,559

forward uh they're gonna be four of us

544

00:22:09,669 --> 00:22:07,200

uh at the national press club

545

00:22:12,549 --> 00:22:09,679

uh on october 19th that's definite it's

546

00:22:14,630 --> 00:22:12,559

a definite date um starting at nine

547

00:22:17,830 --> 00:22:14,640

o'clock in the morning

548

00:22:19,830 --> 00:22:17,840

and we will be streaming live

549

00:22:21,029 --> 00:22:19,840

and we made sure that

550

00:22:22,549 --> 00:22:21,039

um

551
00:22:24,470 --> 00:22:22,559
so everybody

552
00:22:26,470 --> 00:22:24,480
who's got access to a computer will be

553
00:22:27,590 --> 00:22:26,480
able to see it

554
00:22:30,070 --> 00:22:27,600
and

555
00:22:32,549 --> 00:22:30,080
each of us are going to talk about

556
00:22:34,789 --> 00:22:32,559
our various encounters

557
00:22:35,830 --> 00:22:34,799
with ufos

558
00:22:37,669 --> 00:22:35,840
and

559
00:22:41,190 --> 00:22:37,679
hopefully we'll have

560
00:22:42,149 --> 00:22:41,200
plenty of press there

561
00:22:43,830 --> 00:22:42,159
and

562
00:22:47,350 --> 00:22:43,840
we'll answer their questions of course

563
00:22:49,510 --> 00:22:47,360

we'll provide evidence we'll we'll

564

00:22:51,510 --> 00:22:49,520

provide what evidence we have

565

00:22:53,430 --> 00:22:51,520

in my case i think we've got a

566

00:22:54,950 --> 00:22:53,440

substantial amount of evidence that will

567

00:22:58,230 --> 00:22:54,960

support

568

00:23:02,870 --> 00:23:00,470

and the objective of course is to put

569

00:23:04,630 --> 00:23:02,880

pressure on congress to have open

570

00:23:06,830 --> 00:23:04,640

hearings where

571

00:23:08,549 --> 00:23:06,840

more witnesses come forward

572

00:23:09,909 --> 00:23:08,559

um

573

00:23:13,510 --> 00:23:09,919

and

574

00:23:15,990 --> 00:23:13,520

speak in front of the public uh on

575

00:23:18,789 --> 00:23:16,000

national tv in in

576
00:23:19,510 --> 00:23:18,799
in the chambers of congress

577
00:23:22,870 --> 00:23:19,520
so

578
00:23:24,789 --> 00:23:22,880
part of our objective is to go after our

579
00:23:27,590 --> 00:23:24,799
press conference to go visit other

580
00:23:28,789 --> 00:23:27,600
congressmen and senators

581
00:23:30,950 --> 00:23:28,799
and again

582
00:23:33,430 --> 00:23:30,960
urge them

583
00:23:35,510 --> 00:23:33,440
of course brief them on our our stories

584
00:23:38,070 --> 00:23:35,520
but urge them to

585
00:23:40,789 --> 00:23:38,080
hold open hearings

586
00:23:44,630 --> 00:23:40,799
so that's that's the idea

587
00:23:45,830 --> 00:23:44,640
um i was flabbergasted to see so much

588
00:23:48,950 --> 00:23:45,840

support

589

00:23:53,510 --> 00:23:50,470

in in uh

590

00:23:55,750 --> 00:23:53,520

donating money for for this cause and

591

00:23:57,990 --> 00:23:55,760

believe me it's it sounds like a large

592

00:23:59,590 --> 00:23:58,000

sum of money but uh

593

00:24:05,269 --> 00:23:59,600

uh

594

00:24:06,950 --> 00:24:05,279

sum of

595

00:24:08,070 --> 00:24:06,960

uh my goal

596

00:24:09,510 --> 00:24:08,080

um

597

00:24:12,230 --> 00:24:09,520

and

598

00:24:13,990 --> 00:24:12,240

all that money will be spent on on the

599

00:24:15,990 --> 00:24:14,000

press conference so

600

00:24:18,070 --> 00:24:16,000

if anyone does

601
00:24:20,390 --> 00:24:18,080
i want to donate uh

602
00:24:22,230 --> 00:24:20,400
it would be much appreciated and you're

603
00:24:26,070 --> 00:24:22,240
right there have been so many

604
00:24:29,029 --> 00:24:26,080
people that have given generously um

605
00:24:32,070 --> 00:24:29,039
well i think we've had um

606
00:24:34,789 --> 00:24:32,080
uh well over 104

607
00:24:37,669 --> 00:24:34,799
150 donors

608
00:24:40,549 --> 00:24:37,679
and and some have uh

609
00:24:42,149 --> 00:24:40,559
have gone the extra mile i i really

610
00:24:45,190 --> 00:24:42,159
really appreciate that

611
00:24:48,710 --> 00:24:45,200
yeah you guys i noticed a lot of the 500

612
00:24:50,549 --> 00:24:48,720
donors were anonymous which is yeah yeah

613
00:24:51,909 --> 00:24:50,559

and an extra nice

614

00:24:53,750 --> 00:24:51,919

thing if someone's giving without

615

00:24:56,549 --> 00:24:53,760

needing any recognition that's that's

616

00:24:58,630 --> 00:24:56,559

pretty nice and um i'm not saying anyone

617

00:25:00,390 --> 00:24:58,640

has to do that but i mean um i mean i

618

00:25:02,310 --> 00:25:00,400

put my name there

619

00:25:04,470 --> 00:25:02,320

yes thank you thank you for your

620

00:25:07,830 --> 00:25:04,480

contribution martin thank you

621

00:25:09,909 --> 00:25:07,840

yeah that my pleasure and um i'm really

622

00:25:12,390 --> 00:25:09,919

excited about this now during

623

00:25:14,630 --> 00:25:12,400

that particular day that evening i do

624

00:25:16,149 --> 00:25:14,640

have a show and i'm wondering if there's

625

00:25:17,269 --> 00:25:16,159

uh and i'm actually going to be out

626

00:25:18,950 --> 00:25:17,279

where you are i'm going to be on the

627

00:25:20,149 --> 00:25:18,960

west coast you're going to be back here

628

00:25:21,909 --> 00:25:20,159

but um

629

00:25:24,310 --> 00:25:21,919

i'm going to try to see if i can get any

630

00:25:25,350 --> 00:25:24,320

type of uh feedback

631

00:25:26,470 --> 00:25:25,360

i don't know if you'll be able to

632

00:25:28,230 --> 00:25:26,480

commute you probably won't be able to

633

00:25:29,990 --> 00:25:28,240

communicate at all but it's still i'd

634

00:25:32,710 --> 00:25:30,000

like to check into what's going on that

635

00:25:35,029 --> 00:25:32,720

day can anyone see this live stream

636

00:25:36,390 --> 00:25:35,039

during the day

637

00:25:38,470 --> 00:25:36,400

well uh

638

00:25:40,630 --> 00:25:38,480

i don't know the exact arrangements i'm

639

00:25:43,909 --> 00:25:40,640

assured by the national press club that

640

00:25:46,310 --> 00:25:43,919

it it will be done live stream uh it may

641

00:25:48,710 --> 00:25:46,320

go through my youtube channel

642

00:25:50,470 --> 00:25:48,720

i do have a youtube channel so it may be

643

00:25:52,710 --> 00:25:50,480

uh

644

00:25:55,029 --> 00:25:52,720

processed through there i'm not certain

645

00:25:57,430 --> 00:25:55,039

about that yet but i will uh i will

646

00:25:58,630 --> 00:25:57,440

inform the public i will inform everyone

647

00:26:04,470 --> 00:25:58,640

uh

648

00:26:05,510 --> 00:26:04,480

that live stream

649

00:26:08,870 --> 00:26:05,520

um

650

00:26:11,990 --> 00:26:08,880

i will be sending out a press release uh

651
00:26:14,870 --> 00:26:12,000
i think october the 7th

652
00:26:16,789 --> 00:26:14,880
uh and that'll identify the four

653
00:26:18,870 --> 00:26:16,799
individuals that will be involved in

654
00:26:21,110 --> 00:26:18,880
this and

655
00:26:21,990 --> 00:26:21,120
provide more information on

656
00:26:25,269 --> 00:26:22,000
on

657
00:26:28,630 --> 00:26:25,279
where and when and how it'll take place

658
00:26:32,230 --> 00:26:28,640
excellent uh before you go i i have one

659
00:26:34,789 --> 00:26:32,240
last question for you and it's a it's a

660
00:26:36,230 --> 00:26:34,799
speculation and some people don't like

661
00:26:40,230 --> 00:26:36,240
to speculate but

662
00:26:43,190 --> 00:26:40,240
i'm gonna ask you what do you think

663
00:26:47,110 --> 00:26:43,200

the whole thing was about

664

00:26:49,510 --> 00:26:47,120

when that happened in 1967

665

00:26:51,350 --> 00:26:49,520

well this is speculation but

666

00:26:53,590 --> 00:26:51,360

because

667

00:26:57,110 --> 00:26:53,600

this has happened so many places in so

668

00:26:57,909 --> 00:26:57,120

many uh locations of the world uh i i

669

00:27:00,149 --> 00:26:57,919

could

670

00:27:02,789 --> 00:27:00,159

name at least ten

671

00:27:05,590 --> 00:27:02,799

uh where ufos have come over simply uh

672

00:27:08,789 --> 00:27:05,600

showing a beam of light on uh on the

673

00:27:10,230 --> 00:27:08,799

nuclear weapons or nuclear storage areas

674

00:27:11,110 --> 00:27:10,240

or

675

00:27:13,669 --> 00:27:11,120

uh

676

00:27:15,110 --> 00:27:13,679

interfered with them like such in my

677

00:27:17,830 --> 00:27:15,120

case

678

00:27:20,149 --> 00:27:17,840

where no damage was done it was simply a

679

00:27:21,750 --> 00:27:20,159

show uh was

680

00:27:24,389 --> 00:27:21,760

i think i think they're trying to send

681

00:27:28,070 --> 00:27:24,399

us a message very simply

682

00:27:31,350 --> 00:27:28,080

uh get rid of your nuclear weapons and

683

00:27:33,029 --> 00:27:31,360

i think that's the message and

684

00:27:35,830 --> 00:27:33,039

i don't know if you heard the

685

00:27:39,350 --> 00:27:35,840

latest report that

686

00:27:42,630 --> 00:27:39,360

i think is general milly who had to

687

00:27:45,430 --> 00:27:42,640

kind of adjust things because we had uh

688

00:27:49,190 --> 00:27:45,440

president trump was out of control or at

689

00:27:52,070 --> 00:27:49,200

least he felt he was and i might take

690

00:27:54,549 --> 00:27:52,080

some action with regard to nukes

691

00:27:56,549 --> 00:27:54,559

but not only that there's um

692

00:28:00,149 --> 00:27:56,559

a war going on now between india and

693

00:28:02,549 --> 00:28:00,159

pakistan they're both nuclear powers

694

00:28:04,310 --> 00:28:02,559

we also have the taliban that just

695

00:28:07,350 --> 00:28:04,320

took over afghanistan which has

696

00:28:10,789 --> 00:28:07,360

relationships with uh pakistan

697

00:28:13,350 --> 00:28:10,799

uh and who's to know who's to

698

00:28:17,110 --> 00:28:13,360

yeah what what would happen if uh the

699

00:28:19,350 --> 00:28:17,120

taliban got a hold of nukes somehow

700

00:28:21,269 --> 00:28:19,360

so we still live in a very dangerous

701
00:28:23,350 --> 00:28:21,279
world with regard to nuclear war i think

702
00:28:25,590 --> 00:28:23,360
people underestimate the dangers of

703
00:28:28,630 --> 00:28:25,600
nuclear war and uh

704
00:28:31,430 --> 00:28:28,640
and so i think uh the message from e.t

705
00:28:33,190 --> 00:28:31,440
if that's what it was uh is is well

706
00:28:35,990 --> 00:28:33,200
taken we ought to

707
00:28:38,549 --> 00:28:36,000
work hard now to try to

708
00:28:40,549 --> 00:28:38,559
uh reduce the world stockpiles of

709
00:28:41,510 --> 00:28:40,559
nuclear weapons and uh

710
00:28:43,669 --> 00:28:41,520
and

711
00:28:45,669 --> 00:28:43,679
have our own goal of trying to abolish

712
00:28:48,230 --> 00:28:45,679
them completely

713
00:28:50,310 --> 00:28:48,240

yeah that would you know it's it's the

714

00:28:52,789 --> 00:28:50,320

old saying you can't unring a bell you

715

00:28:54,470 --> 00:28:52,799

know i mean it would be awful

716

00:28:57,110 --> 00:28:54,480

hard to

717

00:28:59,190 --> 00:28:57,120

get commitments to actually

718

00:29:00,149 --> 00:28:59,200

eliminate them but you know it's it's

719

00:29:02,149 --> 00:29:00,159

really

720

00:29:04,549 --> 00:29:02,159

uh we're in that bottleneck of

721

00:29:05,990 --> 00:29:04,559

technology where we could easily in

722

00:29:08,470 --> 00:29:06,000

several different ways

723

00:29:12,950 --> 00:29:08,480

um be removed from the planet you know

724

00:29:15,269 --> 00:29:12,960

by ourselves so um yeah um

725

00:29:16,950 --> 00:29:15,279

i'm i'm surprised that

726

00:29:17,990 --> 00:29:16,960

one just one more thing but i'm also

727

00:29:18,870 --> 00:29:18,000

surprised

728

00:29:21,990 --> 00:29:18,880

that

729

00:29:23,750 --> 00:29:22,000

like for instance the uap task force

730

00:29:26,389 --> 00:29:23,760

this whole thing with

731

00:29:28,630 --> 00:29:26,399

the nukes i'm wondering i mean that's

732

00:29:30,149 --> 00:29:28,640

very important i think you know yes

733

00:29:31,990 --> 00:29:30,159

these happened a long time you know

734

00:29:34,070 --> 00:29:32,000

these things happened a long time ago do

735

00:29:37,110 --> 00:29:34,080

you happen to know when the latest

736

00:29:37,830 --> 00:29:37,120

event was where there was a ufo involved

737

00:29:41,350 --> 00:29:37,840

in

738

00:29:42,389 --> 00:29:41,360

any type of over nuclear uh

739

00:29:43,909 --> 00:29:42,399

well

740

00:29:45,750 --> 00:29:43,919

uh

741

00:29:48,310 --> 00:29:45,760

there i think there have been recent

742

00:29:52,710 --> 00:29:48,320

events uh but those

743

00:29:57,430 --> 00:29:52,720

details are yet to develop i heard

744

00:29:58,710 --> 00:29:57,440

recently that as late as 2018 there was

745

00:30:02,149 --> 00:29:58,720

an incident

746

00:30:03,590 --> 00:30:02,159

at one of the bases uh uh in regarding

747

00:30:07,510 --> 00:30:03,600

uh

748

00:30:09,510 --> 00:30:07,520

so

749

00:30:11,110 --> 00:30:09,520

but again that

750

00:30:13,430 --> 00:30:11,120

that sort of thing would require

751
00:30:16,070 --> 00:30:13,440
witnesses to come forward that uh right

752
00:30:16,950 --> 00:30:16,080
now do not want to talk about it

753
00:30:19,750 --> 00:30:16,960
um

754
00:30:22,950 --> 00:30:19,760
but if we have these open hearings

755
00:30:24,950 --> 00:30:22,960
more people come will come forward and

756
00:30:27,110 --> 00:30:24,960
and then

757
00:30:29,110 --> 00:30:27,120
congress will find out about other

758
00:30:31,830 --> 00:30:29,120
witnesses that could

759
00:30:32,710 --> 00:30:31,840

777
00:31:11,190 --> 00:31:08,960
thanks

778
00:31:12,070 --> 00:31:11,200
excellent all right take care

779
00:31:15,190 --> 00:31:12,080

all right so our next guest is uh let me

781
00:31:19,029 --> 00:31:16,480
put this up

782
00:31:21,430 --> 00:31:19,039
we have uh martin keller

783
00:31:22,630 --> 00:31:21,440
and uh he is a former pop culture

784
00:31:25,509 --> 00:31:22,640
journalist

785
00:31:27,350 --> 00:31:25,519
and he has written um a book that we're

786
00:31:29,830 --> 00:31:27,360
going to be talking about

787
00:31:31,669 --> 00:31:29,840
tonight and i i was wondering what this

788
00:31:33,029 --> 00:31:31,679

pen club thing was about

789

00:31:34,710 --> 00:31:33,039

i started reading a little bit about it

790

00:31:37,909 --> 00:31:34,720

but i'm going to bring him in

791

00:31:40,789 --> 00:31:37,919

right now and uh we are

792

00:31:43,750 --> 00:31:40,799

going to discuss what his

793

00:31:48,389 --> 00:31:43,760

book is about welcome to the show martin

794

00:31:51,350 --> 00:31:49,430

okay

795

00:31:53,350 --> 00:31:51,360

there you go welcome to the show it's

796

00:31:54,870 --> 00:31:53,360

martin and martin i think i've done this

797

00:31:56,870 --> 00:31:54,880

one other time

798

00:31:59,669 --> 00:31:56,880

guys you can call me marty if you want

799

00:32:02,070 --> 00:31:59,679

to avoid confusion for uh listeners

800

00:32:04,230 --> 00:32:02,080

yeah that's my childhood my childhood

801
00:32:06,389 --> 00:32:04,240
name people still call me that but

802
00:32:09,590 --> 00:32:06,399
anyway welcome to the show thank you for

803
00:32:13,110 --> 00:32:09,600
uh happy to be here yeah so you you had

804
00:32:15,190 --> 00:32:13,120
uh quite an interesting career in uh and

805
00:32:18,549 --> 00:32:15,200
pop culture journalism

806
00:32:21,590 --> 00:32:18,559
and uh could you give the listener your

807
00:32:24,630 --> 00:32:21,600
background and also i want to find out

808
00:32:26,149 --> 00:32:24,640
how you got interested in this topic

809
00:32:28,070 --> 00:32:26,159
well that's

810
00:32:31,269 --> 00:32:28,080
a lively discussion that's covered

811
00:32:34,149 --> 00:32:31,279
pretty extensively in the book i uh

812
00:32:36,789 --> 00:32:34,159
covered pop culture for about uh

813
00:32:38,870 --> 00:32:36,799

15 or so years

814

00:32:42,389 --> 00:32:38,880

here in the twin cities

815

00:32:45,029 --> 00:32:42,399

uh from the late 70s to the early 90s i

816

00:32:47,110 --> 00:32:45,039

still occasionally write a piece about

817

00:32:50,630 --> 00:32:47,120

something in pop culture

818

00:32:53,269 --> 00:32:50,640

or individuals or artists etc

819

00:32:55,990 --> 00:32:53,279

and then i got tired of of the subject i

820

00:32:58,389 --> 00:32:56,000

moved into public relations

821

00:33:00,470 --> 00:32:58,399

i worked at one agency for two years we

822

00:33:03,509 --> 00:33:00,480

had clients like federal express

823

00:33:05,590 --> 00:33:03,519

metropolitan sports commission etc some

824

00:33:07,509 --> 00:33:05,600

fairly high profile stuff i learned a

825

00:33:11,029 --> 00:33:07,519

bunch of new tricks

826

00:33:12,230 --> 00:33:11,039

and i eventually went out on my own as a

827

00:33:14,710 --> 00:33:12,240

freelance

828

00:33:17,750 --> 00:33:14,720

publicist and then established a

829

00:33:18,950 --> 00:33:17,760

consulting pr consultancy called media

830

00:33:21,110 --> 00:33:18,960

savant

831

00:33:23,190 --> 00:33:21,120

communications but i've been interested

832

00:33:24,789 --> 00:33:23,200

in in space

833

00:33:27,350 --> 00:33:24,799

since i was a kid

834

00:33:29,590 --> 00:33:27,360

you know i used to make my mother get up

835

00:33:31,430 --> 00:33:29,600

with me at 4 30 in the morning to watch

836

00:33:33,830 --> 00:33:31,440

the early launches of the mercury and

837

00:33:37,029 --> 00:33:33,840

gemini programs and later

838

00:33:39,350 --> 00:33:37,039

apollo and you know concurrently i also

839

00:33:41,190 --> 00:33:39,360

became interested in ufos because guess

840

00:33:42,870 --> 00:33:41,200

what ufos

841

00:33:45,350 --> 00:33:42,880

are in space

842

00:33:47,509 --> 00:33:45,360

and there were reports that they were

843

00:33:49,750 --> 00:33:47,519

there were site astronauts were having

844

00:33:52,549 --> 00:33:49,760

sightings you know i was such a space

845

00:33:54,470 --> 00:33:52,559

geek then that i wrote to nasa

846

00:33:56,470 --> 00:33:54,480

and asked them for more information and

847

00:33:59,350 --> 00:33:56,480

they sent me uh

848

00:34:02,070 --> 00:33:59,360

reams of documents public documents

849

00:34:04,950 --> 00:34:02,080

about each program and also autographed

850

00:34:06,870 --> 00:34:04,960

pictures of astronauts so

851

00:34:09,190 --> 00:34:06,880

i was really into it i even wrote to

852

00:34:11,510 --> 00:34:09,200

john glenn after his uh three orbits

853

00:34:12,550 --> 00:34:11,520

around the earth i got a

854

00:34:14,629 --> 00:34:12,560

i got a

855

00:34:16,629 --> 00:34:14,639

letter from his office and then a signed

856

00:34:19,589 --> 00:34:16,639

photograph from him

857

00:34:22,069 --> 00:34:19,599

turns out according to senator

858

00:34:23,990 --> 00:34:22,079

harry reid from nevada that john glenn

859

00:34:25,750 --> 00:34:24,000

has been interested in the subject for a

860

00:34:27,669 --> 00:34:25,760

long time and

861

00:34:29,349 --> 00:34:27,679

that was reported in the new york times

862

00:34:31,829 --> 00:34:29,359

a couple of years ago when all this

863

00:34:33,510 --> 00:34:31,839

public information came out but you know

864

00:34:36,550 --> 00:34:33,520

i also had some

865

00:34:38,069 --> 00:34:36,560

sightings in high school as a kid

866

00:34:41,430 --> 00:34:38,079

and then later

867

00:34:44,149 --> 00:34:41,440

in the early 90s after i i had you know

868

00:34:46,069 --> 00:34:44,159

a dry spell of not really

869

00:34:48,470 --> 00:34:46,079

paying attention to the whole ufo

870

00:34:49,829 --> 00:34:48,480

discussion or anything transpiring in

871

00:34:51,430 --> 00:34:49,839

ufology

872

00:34:54,149 --> 00:34:51,440

i had a bunch of strange high

873

00:34:55,909 --> 00:34:54,159

strangeness events in my home

874

00:34:57,589 --> 00:34:55,919

that

875

00:35:01,109 --> 00:34:57,599

really opened

876

00:35:02,470 --> 00:35:01,119

the whole realm to me again and

877

00:35:06,069 --> 00:35:02,480

subsequently

878

00:35:10,470 --> 00:35:06,079

took a a freelance offer to

879

00:35:13,829 --> 00:35:10,480

um profile dr steven greer at seasetti

880

00:35:16,870 --> 00:35:13,839

um but you know this was six months into

881

00:35:17,829 --> 00:35:16,880

a period in my life in south minneapolis

882

00:35:19,510 --> 00:35:17,839

where

883

00:35:21,510 --> 00:35:19,520

i was

884

00:35:23,870 --> 00:35:21,520

having some really strange dreams there

885

00:35:25,510 --> 00:35:23,880

were lights on in the house

886

00:35:28,470 --> 00:35:25,520

consecutively

887

00:35:30,950 --> 00:35:28,480

that my wife and i could not discern you

888

00:35:33,109 --> 00:35:30,960

know why this was happening and

889

00:35:34,390 --> 00:35:33,119

there was one particular precognitive

890

00:35:36,550 --> 00:35:34,400

dream that

891

00:35:39,910 --> 00:35:36,560

in may of that year

892

00:35:41,829 --> 00:35:39,920

that was realized in boston in july and

893

00:35:43,670 --> 00:35:41,839

that kind of blew my mind and that's

894

00:35:45,270 --> 00:35:43,680

deal detailed pretty heavily in the

895

00:35:47,030 --> 00:35:45,280

first chapter so

896

00:35:51,430 --> 00:35:47,040

there's kind of a long answer to your

897

00:35:51,440 --> 00:35:55,349

and now i think you're on on mute

898

00:35:59,910 --> 00:35:56,829

yes i

899

00:36:01,510 --> 00:35:59,920

was i and there was a little this little

900

00:36:03,750 --> 00:36:01,520

background noise here so i have to mute

901
00:36:06,390 --> 00:36:03,760
every now and then uh in my studio

902
00:36:09,430 --> 00:36:06,400
outside of my studio so

903
00:36:12,870 --> 00:36:09,440
yeah um i like long answers by the way

904
00:36:14,550 --> 00:36:12,880
um and no it's it's interesting i always

905
00:36:15,430 --> 00:36:14,560
you know there's always a story why

906
00:36:17,430 --> 00:36:15,440
someone

907
00:36:19,670 --> 00:36:17,440
gets interested in the topic can you

908
00:36:22,470 --> 00:36:19,680
describe you do you think you actually

909
00:36:24,950 --> 00:36:22,480
saw a ufo or was it

910
00:36:28,069 --> 00:36:24,960
something else

911
00:36:30,550 --> 00:36:28,079
well in high school uh

912
00:36:32,069 --> 00:36:30,560
some high school friends and i saw a

913
00:36:35,750 --> 00:36:32,079

white

914

00:36:37,190 --> 00:36:35,760

object oval shaped about 30 feet in

915

00:36:39,109 --> 00:36:37,200

diameter

916

00:36:40,870 --> 00:36:39,119

hovering out over the edge of town by

917

00:36:42,790 --> 00:36:40,880

our high school

918

00:36:44,710 --> 00:36:42,800

one very cold night in western north

919

00:36:46,950 --> 00:36:44,720

dakota where i grew up

920

00:36:49,670 --> 00:36:46,960

the same week in which there had been

921

00:36:52,230 --> 00:36:49,680

numerous sightings of ufos

922

00:36:54,069 --> 00:36:52,240

across the western part of the state in

923

00:36:57,670 --> 00:36:54,079

the mainstream media at that time you

924

00:37:00,310 --> 00:36:57,680

know radio television newspaper

925

00:37:01,190 --> 00:37:00,320

but uh that was that was witness with

926
00:37:02,150 --> 00:37:01,200
three

927
00:37:04,069 --> 00:37:02,160
um

928
00:37:06,069 --> 00:37:04,079
other friends of mine including my best

929
00:37:07,190 --> 00:37:06,079
friend who i've known since fifth grade

930
00:37:08,870 --> 00:37:07,200
he's

931
00:37:11,109 --> 00:37:08,880
still a pretty

932
00:37:13,190 --> 00:37:11,119
good friend of mine he's my attorney in

933
00:37:16,069 --> 00:37:13,200
fact we used to debate together in high

934
00:37:19,990 --> 00:37:18,069
prior to that sighting we had another

935
00:37:21,589 --> 00:37:20,000
sighting in the park

936
00:37:24,710 --> 00:37:21,599
while we were walking to a student

937
00:37:25,990 --> 00:37:24,720
council meeting one night that same week

938
00:37:28,870 --> 00:37:26,000

where a

939

00:37:31,109 --> 00:37:28,880

small red orb about that size about the

940

00:37:33,430 --> 00:37:31,119

size of a ping-pong ball came down from

941

00:37:35,990 --> 00:37:33,440

the top of the butte

942

00:37:38,630 --> 00:37:36,000

uh that was behind his parents house it

943

00:37:40,710 --> 00:37:38,640

was a it was a city park

944

00:37:43,510 --> 00:37:40,720

and it hovered in front of us at about

945

00:37:45,270 --> 00:37:43,520

10 feet and

946

00:37:47,829 --> 00:37:45,280

didn't make any noise

947

00:37:51,349 --> 00:37:47,839

scared the hell out i i can't say it

948

00:37:53,430 --> 00:37:51,359

scared the hell out of us but it uh it

949

00:37:54,230 --> 00:37:53,440

really baffled us we didn't know what it

950

00:37:56,390 --> 00:37:54,240

was

951
00:37:57,910 --> 00:37:56,400
uh we didn't have much conversation

952
00:38:00,950 --> 00:37:57,920
about it other than

953
00:38:02,150 --> 00:38:00,960
my friend jim uh saying what the hell is

954
00:38:04,390 --> 00:38:02,160
this and

955
00:38:06,310 --> 00:38:04,400
i replied being a good kid you know we

956
00:38:08,230 --> 00:38:06,320
were good catholic boys

957
00:38:09,430 --> 00:38:08,240
i replied it's the devil because it's

958
00:38:12,310 --> 00:38:09,440
red

959
00:38:14,950 --> 00:38:12,320
and it's and it's weird and

960
00:38:16,790 --> 00:38:14,960
it seems supernatural uh you know to

961
00:38:20,470 --> 00:38:16,800
this day i still don't know what it is

962
00:38:23,589 --> 00:38:20,480
but i'll tell you uh in the early 90s

963
00:38:26,030 --> 00:38:23,599

during these periods of high strangeness

964

00:38:29,190 --> 00:38:26,040

in the fall of that of that year

965

00:38:31,349 --> 00:38:29,200

1992 i believe

966

00:38:33,750 --> 00:38:31,359

five little red orbs showed up in my

967

00:38:35,829 --> 00:38:33,760

bedroom at 403 in the morning and i and

968

00:38:37,270 --> 00:38:35,839

i know it was 403 because i looked at

969

00:38:39,510 --> 00:38:37,280

the clock twice

970

00:38:42,069 --> 00:38:39,520

to make sure i wasn't

971

00:38:43,109 --> 00:38:42,079

wasn't dreaming this up and there were

972

00:38:45,030 --> 00:38:43,119

some

973

00:38:47,190 --> 00:38:45,040

fairly disturbing

974

00:38:49,990 --> 00:38:47,200

residual side effects from

975

00:38:52,150 --> 00:38:50,000

from that incident and one of the

976
00:38:54,630 --> 00:38:52,160
you know threads in the book is trying

977
00:38:56,550 --> 00:38:54,640
to unravel what what the hell are these

978
00:38:59,589 --> 00:38:56,560
are these extraterrestrial are these

979
00:39:01,670 --> 00:38:59,599
some sort of spiritual manifestations

980
00:39:04,069 --> 00:39:01,680
or are they just you know some something

981
00:39:06,150 --> 00:39:04,079
completely unknown that that we're not

982
00:39:08,470 --> 00:39:06,160
aware of yet so

983
00:39:10,870 --> 00:39:08,480
uh those were my early

984
00:39:13,589 --> 00:39:10,880
sightings and my personal high

985
00:39:15,349 --> 00:39:13,599
strangeness experiences that that i

986
00:39:17,510 --> 00:39:15,359
detail pretty thoroughly in the first

987
00:39:20,150 --> 00:39:17,520
two chapters of the book

988
00:39:21,990 --> 00:39:20,160

you know uh i've heard a number of times

989

00:39:25,430 --> 00:39:22,000

what people will talk

990

00:39:26,550 --> 00:39:25,440

about well first having ufo sighting

991

00:39:28,870 --> 00:39:26,560

and then

992

00:39:31,829 --> 00:39:28,880

orbs in the house i i think i've heard

993

00:39:33,109 --> 00:39:31,839

that 10 times over the years

994

00:39:36,230 --> 00:39:33,119

and and

995

00:39:38,230 --> 00:39:36,240

and by the way just uh for the listener

996

00:39:40,630 --> 00:39:38,240

we're coming up in just a couple months

997

00:39:42,950 --> 00:39:40,640

on 10 years of doing this show which is

998

00:39:45,030 --> 00:39:42,960

pretty amazing i'm still enthralled with

999

00:39:47,670 --> 00:39:45,040

doing it i still really enjoy doing it

1000

00:39:48,550 --> 00:39:47,680

let me ask you this first object you

1001
00:39:50,230 --> 00:39:48,560
mentioned

1002
00:39:51,750 --> 00:39:50,240
i'm going to show you something up on

1003
00:39:53,670 --> 00:39:51,760
the screen and for the person that's

1004
00:39:55,430 --> 00:39:53,680
only listening to audio it's a the

1005
00:39:58,150 --> 00:39:55,440
soccorso incident

1006
00:39:59,589 --> 00:39:58,160
uh shape did it have a shape similar to

1007
00:40:01,910 --> 00:39:59,599
this

1008
00:40:03,589 --> 00:40:01,920
i think it did although my friend jim

1009
00:40:06,950 --> 00:40:03,599
says that he couldn't make out any

1010
00:40:09,190 --> 00:40:06,960
structural elements but you know it was

1011
00:40:11,510 --> 00:40:09,200
it was night it was about 20 below and

1012
00:40:13,349 --> 00:40:11,520
we were outside there outside the school

1013
00:40:14,870 --> 00:40:13,359

high school building without our coats

1014

00:40:16,470 --> 00:40:14,880

on

1015

00:40:18,870 --> 00:40:16,480

we've been attending a high school

1016

00:40:21,430 --> 00:40:18,880

varsity basketball game

1017

00:40:24,390 --> 00:40:21,440

and uh i think one of our four

1018

00:40:26,790 --> 00:40:24,400

friends that witnessed this

1019

00:40:28,790 --> 00:40:26,800

said hey let's get in in my car and go

1020

00:40:30,950 --> 00:40:28,800

see it and i'm the guy that pooh-poohed

1021

00:40:32,950 --> 00:40:30,960

and i said nah you know it's

1022

00:40:34,630 --> 00:40:32,960

we don't have our coats it's 20 below

1023

00:40:37,109 --> 00:40:34,640

there's a good game that's about to

1024

00:40:39,430 --> 00:40:37,119

resume but you know if i if i had that

1025

00:40:41,030 --> 00:40:39,440

moment to do over we we would have gone

1026
00:40:43,589 --> 00:40:41,040
out there was only about a quarter of a

1027
00:40:46,150 --> 00:40:43,599
mile away from us

1028
00:40:48,390 --> 00:40:46,160
wow interesting well and you know it

1029
00:40:50,710 --> 00:40:48,400
sounds to me like uh you know some

1030
00:40:52,470 --> 00:40:50,720
people just move on but it sounds to me

1031
00:40:53,589 --> 00:40:52,480
like this impacted your life and then

1032
00:40:55,190 --> 00:40:53,599
later on

1033
00:40:57,750 --> 00:40:55,200
you know those things coming in your

1034
00:41:00,710 --> 00:40:57,760
room uh that's

1035
00:41:03,990 --> 00:41:00,720
that would scare the heck out of me

1036
00:41:04,790 --> 00:41:04,000
and and uh you mentioned the possible

1037
00:41:07,990 --> 00:41:04,800
like

1038
00:41:09,829 --> 00:41:08,000

uh the devil or or something you know

1039

00:41:11,910 --> 00:41:09,839

satanic or whatever

1040

00:41:13,510 --> 00:41:11,920

that's that's not on you probably know

1041

00:41:15,589 --> 00:41:13,520

this but that's not an uncommon

1042

00:41:17,750 --> 00:41:15,599

statement too for people trying to

1043

00:41:19,750 --> 00:41:17,760

explain these type of things

1044

00:41:21,910 --> 00:41:19,760

yeah but i also think it's a it's kind

1045

00:41:24,230 --> 00:41:21,920

of a knee-jerk reaction especially if

1046

00:41:25,910 --> 00:41:24,240

you have any sort of religious

1047

00:41:27,990 --> 00:41:25,920

grounding and i know at that point i'd

1048

00:41:29,510 --> 00:41:28,000

been in catholic schools my whole life

1049

00:41:31,990 --> 00:41:29,520

in fact they even went to a catholic

1050

00:41:32,829 --> 00:41:32,000

university subsequently

1051
00:41:35,589 --> 00:41:32,839
but

1052
00:41:38,069 --> 00:41:35,599
um um

1053
00:41:39,750 --> 00:41:38,079
i can't say

1054
00:41:43,349 --> 00:41:39,760
you know that's a discussion that needs

1055
00:41:45,270 --> 00:41:43,359
to be held i think as an ongoing

1056
00:41:47,750 --> 00:41:45,280
topic of interest

1057
00:41:50,470 --> 00:41:47,760
because you know throughout my little

1058
00:41:52,069 --> 00:41:50,480
adventures in the ufo community during

1059
00:41:53,670 --> 00:41:52,079
the 90s i would

1060
00:41:57,109 --> 00:41:53,680
occasionally run

1061
00:41:59,589 --> 00:41:57,119
these stories these sightings of these

1062
00:42:01,829 --> 00:41:59,599
little red objects by people

1063
00:42:04,309 --> 00:42:01,839

who were researchers and and knew more

1064

00:42:06,630 --> 00:42:04,319

about the subject than i did

1065

00:42:09,270 --> 00:42:06,640

and invariably they would all say it's

1066

00:42:11,510 --> 00:42:09,280

e.t but you know i always thought well

1067

00:42:13,589 --> 00:42:11,520

how do you know for sure

1068

00:42:15,990 --> 00:42:13,599

where's the man where's the handbook you

1069

00:42:18,390 --> 00:42:16,000

know show me the manual that that

1070

00:42:21,670 --> 00:42:18,400

verifies that statement

1071

00:42:23,829 --> 00:42:21,680

that's right that's right um the space

1072

00:42:24,870 --> 00:42:23,839

pen club the name of your book first of

1073

00:42:26,870 --> 00:42:24,880

all

1074

00:42:28,390 --> 00:42:26,880

i always think of space pen as the one

1075

00:42:30,390 --> 00:42:28,400

that can write upside down and

1076
00:42:31,430 --> 00:42:30,400
everything else is that what a space pen

1077
00:42:38,710 --> 00:42:31,440
is

1078
00:42:40,710 --> 00:42:38,720
out in nevada

1079
00:42:43,270 --> 00:42:40,720
excuse me it's been around for about 60

1080
00:42:45,990 --> 00:42:43,280
some years it was invented by paul

1081
00:42:51,270 --> 00:42:49,430
during my sophomore year at college one

1082
00:42:53,030 --> 00:42:51,280
of my friends who worked in the college

1083
00:42:55,030 --> 00:42:53,040
bookstore

1084
00:42:57,349 --> 00:42:55,040
found this pen

1085
00:42:59,270 --> 00:42:57,359
the first pen to write in space i mean

1086
00:43:00,870 --> 00:42:59,280
that's the that was kind of the branding

1087
00:43:03,109 --> 00:43:00,880
they had around it

1088
00:43:06,309 --> 00:43:03,119

and uh sorry my dog is barking

1089

00:43:09,510 --> 00:43:07,910

he brought it back to the dorms and

1090

00:43:12,790 --> 00:43:09,520

everyone thought well this is pretty

1091

00:43:15,349 --> 00:43:12,800

weird this is pretty cool and at first

1092

00:43:17,589 --> 00:43:15,359

it was kind of a joke among uh among a

1093

00:43:18,710 --> 00:43:17,599

small group of friends and then

1094

00:43:21,349 --> 00:43:18,720

it later

1095

00:43:24,870 --> 00:43:21,359

you know as things developed uh it

1096

00:43:28,069 --> 00:43:24,880

became this symbolic icon and

1097

00:43:29,589 --> 00:43:28,079

and to me it it ultimately represented

1098

00:43:32,550 --> 00:43:29,599

self-exploration

1099

00:43:34,950 --> 00:43:32,560

cosmic consciousness and communication

1100

00:43:38,069 --> 00:43:34,960

transcendence and the occasional quest

1101
00:43:40,630 --> 00:43:38,079
for beer girls tunes and controlled

1102
00:43:43,670 --> 00:43:40,640
substances i mean come on this was these

1103
00:43:45,270 --> 00:43:43,680
were our college years back in the 70s

1104
00:43:47,349 --> 00:43:45,280
uh but the guy

1105
00:43:49,910 --> 00:43:47,359
the guy that uh

1106
00:43:52,390 --> 00:43:49,920
discovered the pen and and we call him

1107
00:43:55,829 --> 00:43:52,400
our accidental founder

1108
00:43:58,150 --> 00:43:55,839
we built uh we built different uh events

1109
00:44:00,550 --> 00:43:58,160
around the space pen

1110
00:44:04,150 --> 00:44:00,560
and it was always sort of an odd

1111
00:44:06,230 --> 00:44:04,160
ad hoc organization the space bank club

1112
00:44:09,270 --> 00:44:06,240
uh we'd have spring rights and peak with

1113
00:44:11,109 --> 00:44:09,280

the leaves and then but you know our

1114

00:44:12,470 --> 00:44:11,119

founder denny

1115

00:44:14,390 --> 00:44:12,480

lynch

1116

00:44:16,790 --> 00:44:14,400

really said that the space pen

1117

00:44:19,910 --> 00:44:16,800

represented possibilities

1118

00:44:22,230 --> 00:44:19,920

and i think the whole ufo discussion

1119

00:44:23,990 --> 00:44:22,240

represents possibilities what are the

1120

00:44:26,550 --> 00:44:24,000

possibilities if we had a true

1121

00:44:27,829 --> 00:44:26,560

disclosure event worldwide

1122

00:44:29,990 --> 00:44:27,839

if we had

1123

00:44:32,150 --> 00:44:30,000

established relationships with whatever

1124

00:44:34,870 --> 00:44:32,160

these machines and or

1125

00:44:37,670 --> 00:44:34,880

visitors are doing here i mean the

1126

00:44:39,030 --> 00:44:37,680

possibility it's blue sky and and the

1127

00:44:41,589 --> 00:44:39,040

space pen

1128

00:44:43,349 --> 00:44:41,599

club has come to represent

1129

00:44:45,109 --> 00:44:43,359

um

1130

00:44:47,990 --> 00:44:45,119

at least in my thinking anyone that

1131

00:44:50,390 --> 00:44:48,000

seeks you know interaction with a with

1132

00:44:53,030 --> 00:44:50,400

another consciousness another you know

1133

00:44:55,589 --> 00:44:53,040

other beings other um

1134

00:44:57,829 --> 00:44:55,599

situations like this that are you know

1135

00:45:00,470 --> 00:44:57,839

outside the box of of everyday

1136

00:45:02,390 --> 00:45:00,480

experience so the club is actually still

1137

00:45:04,550 --> 00:45:02,400

around the uh

1138

00:45:06,710 --> 00:45:04,560

the core group of the space pen club

1139

00:45:08,790 --> 00:45:06,720

still meets over zoom

1140

00:45:10,870 --> 00:45:08,800

they get together a couple time years a

1141

00:45:12,390 --> 00:45:10,880

couple times a year to golf and fish and

1142

00:45:14,550 --> 00:45:12,400

stuff like that i

1143

00:45:17,349 --> 00:45:14,560

i've never been that uh

1144

00:45:19,990 --> 00:45:17,359

that ardent of a member i suppose i

1145

00:45:23,270 --> 00:45:20,000

haven't paid my dues or something but

1146

00:45:25,270 --> 00:45:23,280

um they're still around and uh they were

1147

00:45:27,190 --> 00:45:25,280

obviously all pretty

1148

00:45:29,430 --> 00:45:27,200

fascinated i would write a book called

1149

00:45:31,510 --> 00:45:29,440

the space pen club the subtitle we

1150

00:45:34,870 --> 00:45:31,520

should point out martin is

1151

00:45:37,349 --> 00:45:34,880

is uh close encounters of the fifth kind

1152

00:45:40,950 --> 00:45:37,359

ufo disclosure

1153

00:45:43,109 --> 00:45:40,960

consciousness and other mind zoomers so

1154

00:45:45,670 --> 00:45:43,119

it's a it's a long subtitle but i think

1155

00:45:47,750 --> 00:45:45,680

it it underscores what the book is is

1156

00:45:49,750 --> 00:45:47,760

really about ultimately

1157

00:45:51,750 --> 00:45:49,760

yeah yeah we'll we'll go through we'll

1158

00:45:53,910 --> 00:45:51,760

go through that and this is the first

1159

00:45:55,829 --> 00:45:53,920

time you really dove into this topic

1160

00:45:56,950 --> 00:45:55,839

right have you have you written any

1161

00:45:58,390 --> 00:45:56,960

articles

1162

00:46:00,870 --> 00:45:58,400

i know you write written a lot of

1163

00:46:04,470 --> 00:46:00,880

articles in general but

1164

00:46:07,030 --> 00:46:04,480

you know i wrote a story about the media

1165

00:46:10,230 --> 00:46:07,040

media's failure to really

1166

00:46:12,309 --> 00:46:10,240

report honestly on this subject for a

1167

00:46:16,069 --> 00:46:12,319

special issue of

1168

00:46:17,349 --> 00:46:16,079

the utne reader which was produced here

1169

00:46:20,069 --> 00:46:17,359

from the

1170

00:46:23,670 --> 00:46:20,079

i think the early 80s and then uh

1171

00:46:26,150 --> 00:46:23,680

through the arts i think they folded

1172

00:46:28,710 --> 00:46:26,160

during the economic crisis but i think

1173

00:46:29,910 --> 00:46:28,720

it was 1998

1174

00:46:31,589 --> 00:46:29,920

maybe

1175

00:46:34,309 --> 00:46:31,599

i wrote a piece

1176

00:46:36,950 --> 00:46:34,319

um talking about the the failures of

1177

00:46:39,829 --> 00:46:36,960

media to cover this subject

1178

00:46:41,990 --> 00:46:39,839

without a wink and a nod and also

1179

00:46:44,630 --> 00:46:42,000

touched on how the secrecy might work

1180

00:46:46,790 --> 00:46:44,640

around it and why the secrecy

1181

00:46:49,510 --> 00:46:46,800

uh so i wrote that and also in the

1182

00:46:52,390 --> 00:46:49,520

run-up to the release of the june 25th

1183

00:46:54,790 --> 00:46:52,400

report this past summer

1184

00:46:57,109 --> 00:46:54,800

i wrote an op-ed piece for the star

1185

00:46:58,630 --> 00:46:57,119

tribune which is the paper record here

1186

00:47:01,430 --> 00:46:58,640

in minnesota

1187

00:47:02,630 --> 00:47:01,440

uh kind of outlining different scenarios

1188

00:47:04,710 --> 00:47:02,640

as to

1189

00:47:05,990 --> 00:47:04,720

what we should expect from the the

1190

00:47:08,069 --> 00:47:06,000

report and

1191

00:47:10,470 --> 00:47:08,079

and what different uh

1192

00:47:11,589 --> 00:47:10,480

viewpoints were on it from different uh

1193

00:47:13,190 --> 00:47:11,599

folks that

1194

00:47:15,349 --> 00:47:13,200

follow this topic

1195

00:47:20,309 --> 00:47:15,359

uh such as yourself

1196

00:47:26,390 --> 00:47:23,990

well um yeah you know you you were uh

1197

00:47:28,630 --> 00:47:26,400

actually writing early on you know but

1198

00:47:31,349 --> 00:47:28,640

you talk about 1990s

1199

00:47:34,950 --> 00:47:31,359

writing about how the media handled

1200

00:47:36,710 --> 00:47:34,960

handles this topic um you know i've only

1201

00:47:39,349 --> 00:47:36,720

been really seriously

1202

00:47:41,430 --> 00:47:39,359

in this topic for you know the ten years

1203

00:47:43,829 --> 00:47:41,440

that i've been doing the show basically

1204

00:47:45,750 --> 00:47:43,839

so i'm a newbie when it comes to that

1205

00:47:49,510 --> 00:47:45,760

but it sounds to me like you you've been

1206

00:47:53,829 --> 00:47:50,390

uh

1207

00:47:57,430 --> 00:47:53,839

is it all i'll set there

1208

00:48:04,230 --> 00:48:00,230

yeah well that happens

1209

00:48:07,270 --> 00:48:04,240

but really it's really something that uh

1210

00:48:09,109 --> 00:48:07,280

you know the media's finally

1211

00:48:10,549 --> 00:48:09,119

i want to say a good portion of the

1212

00:48:12,390 --> 00:48:10,559

media is finally

1213

00:48:14,069 --> 00:48:12,400

treating the subject a little bit better

1214

00:48:17,030 --> 00:48:14,079

but it it took

1215

00:48:18,549 --> 00:48:17,040

a a paper of such magnitude as the new

1216

00:48:21,670 --> 00:48:18,559

york times

1217

00:48:23,750 --> 00:48:21,680

to write a front page article to start

1218

00:48:25,430 --> 00:48:23,760

that ball rolling and there was a lot of

1219

00:48:26,549 --> 00:48:25,440

things behind the scenes that made that

1220

00:48:28,870 --> 00:48:26,559

happen too

1221

00:48:30,150 --> 00:48:28,880

yeah that 2017

1222

00:48:32,710 --> 00:48:30,160

excuse me that

1223

00:48:34,870 --> 00:48:32,720

december 2017

1224

00:48:38,790 --> 00:48:34,880

first new york times story

1225

00:48:41,670 --> 00:48:38,800

by leslie kane and robert blumenthal and

1226

00:48:44,470 --> 00:48:41,680

helena cooper i think yeah i mean that

1227

00:48:46,790 --> 00:48:44,480

that really uh that created the sea

1228

00:48:48,549 --> 00:48:46,800

change and then subsequently

1229

00:48:51,510 --> 00:48:48,559

the times i think

1230

00:48:54,630 --> 00:48:51,520

those same uh reporters they weren't

1231

00:48:56,230 --> 00:48:54,640

staffers but they were freelancers

1232

00:49:00,829 --> 00:48:56,240

they

1233

00:49:04,390 --> 00:49:00,839

and then of course

1234

00:49:07,030 --> 00:49:04,400

uh when uh all the uh when

1235

00:49:09,829 --> 00:49:07,040

harry reid exposed the the whole uh

1236

00:49:11,910 --> 00:49:09,839

organizational structure

1237

00:49:14,390 --> 00:49:11,920

that was handed off to bob bigelow to

1238

00:49:16,950 --> 00:49:14,400

look at these things out in vegas

1239

00:49:19,510 --> 00:49:16,960
with a 22 million dollar

1240

00:49:22,309 --> 00:49:19,520
uh budget uh when that

1241

00:49:24,710 --> 00:49:22,319
when that story really became widespread

1242

00:49:28,790 --> 00:49:24,720
then i think it got the attention of

1243

00:49:32,870 --> 00:49:31,030
and it's and it's kind of snowballed

1244

00:49:35,109 --> 00:49:32,880
from there while the

1245

00:49:37,670 --> 00:49:35,119
i think while the the government report

1246

00:49:40,230 --> 00:49:37,680
of june 25th was a huge disappointment

1247

00:49:42,870 --> 00:49:40,240
and it was nine pages of disappointment

1248

00:49:45,109 --> 00:49:42,880
i downloaded the damn thing nine times

1249

00:49:47,829 --> 00:49:45,119
about five times thinking my computer

1250

00:49:51,430 --> 00:49:47,839
was glitching because i i was expecting

1251

00:49:53,990 --> 00:49:51,440

you know 20 to 50 to 70 pages

1252

00:49:55,910 --> 00:49:54,000

as i you know i'd read rumors in the in

1253

00:49:58,150 --> 00:49:55,920

the media that that it was going to be

1254

00:50:00,390 --> 00:49:58,160

that long and i think maybe perhaps the

1255

00:50:02,309 --> 00:50:00,400

classified section was

1256

00:50:05,270 --> 00:50:02,319

right now i've got my fingers crossed

1257

00:50:11,270 --> 00:50:08,549

that that classified section will be

1258

00:50:12,790 --> 00:50:11,280

will be leaked or somebody will blow the

1259

00:50:14,870 --> 00:50:12,800

whistle on it

1260

00:50:16,870 --> 00:50:14,880

and and that that subject about

1261

00:50:19,109 --> 00:50:16,880

disclosure is is covered pretty

1262

00:50:22,069 --> 00:50:19,119

extensively in the final two chapters of

1263

00:50:23,750 --> 00:50:22,079

the book chapters nine and ten

1264

00:50:26,069 --> 00:50:23,760

well you know we

1265

00:50:28,870 --> 00:50:26,079

uh i've said on this show and reminding

1266

00:50:31,910 --> 00:50:28,880

people that's the preliminary report but

1267

00:50:34,710 --> 00:50:31,920

now that this this has changed with this

1268

00:50:36,630 --> 00:50:34,720

bill that just passed um

1269

00:50:38,150 --> 00:50:36,640

i think you're going to see

1270

00:50:39,990 --> 00:50:38,160

that you know we're going to get an

1271

00:50:41,910 --> 00:50:40,000

annual report i'm hoping it's going to

1272

00:50:43,190 --> 00:50:41,920

be public i'd like to find

1273

00:50:44,470 --> 00:50:43,200

that out but you're right there is

1274

00:50:47,430 --> 00:50:44,480

certainly a difference between what's

1275

00:50:50,069 --> 00:50:47,440

classified and what's not classified and

1276

00:50:52,790 --> 00:50:50,079

you know i do believe

1277

00:50:55,349 --> 00:50:52,800

we have the right to know

1278

00:50:57,030 --> 00:50:55,359

what is going on and you know i mean i

1279

00:50:58,150 --> 00:50:57,040

totally do understand when something

1280

00:51:01,109 --> 00:50:58,160

would

1281

00:51:03,270 --> 00:51:01,119

you know jeopardize national security

1282

00:51:06,230 --> 00:51:03,280

in any type of way they can't release it

1283

00:51:08,790 --> 00:51:06,240

but we we should still be able to know

1284

00:51:10,549 --> 00:51:08,800

whatever they know barring anything that

1285

00:51:13,109 --> 00:51:10,559

would actually hurt

1286

00:51:15,510 --> 00:51:13,119

uh you know the integrity of our

1287

00:51:16,630 --> 00:51:15,520

our systems or anything like that

1288

00:51:18,470 --> 00:51:16,640

well

1289

00:51:20,230 --> 00:51:18,480

to your point into

1290

00:51:23,109 --> 00:51:20,240

you know some of the observations that

1291

00:51:25,109 --> 00:51:23,119

your previous guest bob salas just

1292

00:51:27,910 --> 00:51:25,119

shared with everyone

1293

00:51:29,910 --> 00:51:27,920

you know the national security

1294

00:51:32,309 --> 00:51:29,920

has been uh

1295

00:51:35,430 --> 00:51:32,319

interrupted or penetrated by these

1296

00:51:36,390 --> 00:51:35,440

objects as he described in maelstrom

1297

00:51:39,750 --> 00:51:36,400

and also

1298

00:51:41,589 --> 00:51:39,760

minot 1966 minots like you know 100

1299

00:51:43,030 --> 00:51:41,599

miles from where i grew up in dickinson

1300

00:51:46,309 --> 00:51:43,040

north dakota

1301
00:51:50,630 --> 00:51:48,390
does a pretty deep dive into that whole

1302
00:51:53,910 --> 00:51:50,640
minot air force base

1303
00:51:54,790 --> 00:51:53,920
incident as researched by a guy named

1304
00:51:59,990 --> 00:51:54,800
tom

1305
00:52:02,309 --> 00:52:00,000
you know a mile from me here in south

1306
00:52:04,870 --> 00:52:02,319
minneapolis we've become very good

1307
00:52:05,750 --> 00:52:04,880
friends over this issue tom did a hell

1308
00:52:10,549 --> 00:52:05,760
of a

1309
00:52:13,109 --> 00:52:10,559
minot incident

1310
00:52:15,190 --> 00:52:13,119
talked to not only uh

1311
00:52:17,190 --> 00:52:15,200
servicemen who were on the ground and

1312
00:52:18,630 --> 00:52:17,200
saw it but also the guys who are

1313
00:52:21,589 --> 00:52:18,640

actually

1314

00:52:23,030 --> 00:52:21,599

up in the air uh flying i forget what it

1315

00:52:25,670 --> 00:52:23,040

was a

1316

00:52:28,630 --> 00:52:25,680

a bomber aircraft of some kind

1317

00:52:31,270 --> 00:52:28,640

uh that also witnessed it and they were

1318

00:52:33,349 --> 00:52:31,280

you know reporting their radar

1319

00:52:36,309 --> 00:52:33,359

sightings on it and

1320

00:52:37,270 --> 00:52:36,319

that was a fairly dramatic incident

1321

00:52:39,430 --> 00:52:37,280

uh

1322

00:52:41,990 --> 00:52:39,440

left a couple of guys in a jeep on the

1323

00:52:44,069 --> 00:52:42,000

ground unconscious there were what

1324

00:52:45,510 --> 00:52:44,079

appeared to be radiation burns on the

1325

00:52:47,910 --> 00:52:45,520

hood of their jeep

1326
00:52:48,790 --> 00:52:47,920
they passed these two individuals passed

1327
00:52:52,470 --> 00:52:48,800
out

1328
00:52:56,390 --> 00:52:52,480
nobody seems to know why exactly and uh

1329
00:52:58,549 --> 00:52:56,400
as what happened in maelstrom

1330
00:53:00,790 --> 00:52:58,559
the codes were scrambled on the silo

1331
00:53:02,230 --> 00:53:00,800
that this object was hovering over and

1332
00:53:06,549 --> 00:53:02,240
apparently

1333
00:53:09,750 --> 00:53:06,559
the 20-ton concrete block that that sat

1334
00:53:11,750 --> 00:53:09,760
up you know sat over the silo was moved

1335
00:53:14,309 --> 00:53:11,760
some sort of energy

1336
00:53:16,390 --> 00:53:14,319
i mean fantastic stuff but well

1337
00:53:18,470 --> 00:53:16,400
researched and uh

1338
00:53:21,270 --> 00:53:18,480

i excerpt quite a bit of that research

1339

00:53:23,349 --> 00:53:21,280

in in chapter four of the space pen club

1340

00:53:24,790 --> 00:53:23,359

book

1341

00:53:26,309 --> 00:53:24,800

yeah wow

1342

00:53:28,790 --> 00:53:26,319

all good stuff we're going to continue

1343

00:53:31,109 --> 00:53:28,800

this conversation we're going into break

1344

00:53:34,790 --> 00:53:31,119

now so if you're over at

1345

00:53:37,190 --> 00:53:34,800

uh kg r a radio uh hang in there for

1346

00:53:39,670 --> 00:53:37,200

after these messages everywhere else

1347

00:53:41,430 --> 00:53:39,680

you're gonna get to hear my friend linda

1348

00:53:43,750 --> 00:53:41,440

zimmerman talk about

1349

00:53:49,030 --> 00:53:43,760

what is happening in pine bush we'll be

1350

00:53:53,829 --> 00:53:50,870

why do you think they're here and what

1351
00:53:55,109 --> 00:53:53,839
do they want in pine bush in particular

1352
00:53:58,230 --> 00:53:55,119
okay

1353
00:54:00,549 --> 00:53:58,240
i think from the records that they have

1354
00:54:01,750 --> 00:54:00,559
been here for hundreds if not thousands

1355
00:54:04,470 --> 00:54:01,760
of years

1356
00:54:07,670 --> 00:54:04,480
and native americans have stories about

1357
00:54:10,390 --> 00:54:07,680
strange lights and objects

1358
00:54:13,589 --> 00:54:10,400
why the hudson valley

1359
00:54:15,829 --> 00:54:13,599
we have very unusual magnetic fields we

1360
00:54:18,549 --> 00:54:15,839
have fault lines we have unusual

1361
00:54:20,069 --> 00:54:18,559
minerals perhaps it's something they can

1362
00:54:22,470 --> 00:54:20,079
utilize

1363
00:54:27,990 --> 00:54:22,480

would that fall under

1364

00:54:30,309 --> 00:54:28,000

here what they want

1365

00:54:33,349 --> 00:54:30,319

i think it might fall under

1366

00:54:34,710 --> 00:54:33,359

what they want is to

1367

00:54:37,190 --> 00:54:34,720

study us

1368

00:54:40,150 --> 00:54:37,200

and perhaps utilize the natural

1369

00:54:42,549 --> 00:54:40,160

resources of the earth in this area

1370

00:54:44,470 --> 00:54:42,559

and for all the sightings that have been

1371

00:54:46,710 --> 00:54:44,480

in this particular area let's just say

1372

00:54:47,589 --> 00:54:46,720

the pine bush area not hudson valley in

1373

00:54:49,270 --> 00:54:47,599

general

1374

00:54:51,670 --> 00:54:49,280

what do you think is the most well

1375

00:54:54,470 --> 00:54:51,680

documented of all the

1376

00:54:55,589 --> 00:54:54,480

the ufo encounters here

1377

00:54:58,150 --> 00:54:55,599

uh

1378

00:55:01,109 --> 00:54:58,160

probably some of the mass sightings of

1379

00:55:04,630 --> 00:55:01,119

triangles which would be seen

1380

00:55:06,950 --> 00:55:04,640

from one end of town to the other by

1381

00:55:09,750 --> 00:55:06,960

hundreds of people and this happened

1382

00:55:12,950 --> 00:55:09,760

quite often in the 1990s

1383

00:55:15,589 --> 00:55:12,960

so we have not one event

1384

00:55:17,750 --> 00:55:15,599

we have multiple events of multiple

1385

00:55:19,349 --> 00:55:17,760

witnesses

1386

00:55:21,510 --> 00:55:19,359

and what about

1387

00:55:24,710 --> 00:55:21,520

what about beings if it's anyone ever

1388

00:55:28,710 --> 00:55:24,720

talked about beings of any kind

1389

00:55:31,349 --> 00:55:28,720

a lot of grave sightings uh in this area

1390

00:55:33,829 --> 00:55:31,359

some very unusual cryptids but you know

1391

00:55:36,710 --> 00:55:33,839

you take all those with a grain of salt

1392

00:55:39,829 --> 00:55:36,720

um but people who didn't know what an

1393

00:55:42,710 --> 00:55:39,839

alien was have described to me and you

1394

00:55:44,390 --> 00:55:42,720

know i saw this small gray being with

1395

00:55:46,549 --> 00:55:44,400

big black eyes

1396

00:55:49,750 --> 00:55:46,559

and you hear that

1397

00:55:52,710 --> 00:55:49,760

20 30 100 times

1398

00:55:53,510 --> 00:55:52,720

it's it makes an impression

1399

00:55:56,390 --> 00:55:53,520

and

1400

00:55:58,549 --> 00:55:56,400

what about the abduction part of this

1401
00:56:01,589 --> 00:55:58,559
are there people reporting abductions

1402
00:56:04,549 --> 00:56:01,599
and the second part of the question is

1403
00:56:06,510 --> 00:56:04,559
is it a another family lineage type of

1404
00:56:09,270 --> 00:56:06,520
situation

1405
00:56:10,309 --> 00:56:09,280
multi-generational for sure

1406
00:56:12,630 --> 00:56:10,319
and

1407
00:56:13,829 --> 00:56:12,640
i was stunned when i first started my

1408
00:56:15,910 --> 00:56:13,839
research

1409
00:56:18,230 --> 00:56:15,920
i didn't expect to come across a single

1410
00:56:19,589 --> 00:56:18,240
abduction they're the largest chapters

1411
00:56:20,789 --> 00:56:19,599
in my book

1412
00:56:24,309 --> 00:56:20,799
it's

1413
00:56:25,910 --> 00:56:24,319

i call a hudson valley abduction alley

1414

00:56:27,510 --> 00:56:25,920

really

1415

00:56:29,510 --> 00:56:27,520

well thank you so much linda it's always

1416

00:56:31,349 --> 00:56:29,520

a pleasure and great to see you here

1417

00:56:46,309 --> 00:56:31,359

thank you i'm glad you finally made it

1418

00:56:46,319 --> 00:56:57,750

stand by martin

1419

00:57:03,510 --> 00:57:01,510

1423

00:57:11,670 --> 00:57:09,520

um you heard or if you listen darty or

1428

00:57:23,589 --> 00:57:20,720

you heard that clip three minute clip um

1429

00:57:25,910 --> 00:57:23,599

so i would love to uh interview someone

1430

00:57:28,150 --> 00:57:25,920

1431

00:57:31,589 --> 00:57:28,160

emails martin podcast ufo.com i'll talk

1433

00:57:35,829 --> 00:57:34,240

to you first and see how uh how i think

1434

00:57:37,910 --> 00:57:35,839

it would work and then

1435

00:57:40,309 --> 00:57:37,920

would be glad to to

1436

00:57:42,710 --> 00:57:40,319

1438

00:57:45,829 --> 00:57:43,599

happens

1439

00:57:48,470 --> 00:57:45,839

welcome back martin

1440

00:57:49,670 --> 00:57:48,480

thank you the martin and martin again

1441

00:57:53,510 --> 00:57:49,680

um

1442

00:57:58,470 --> 00:57:56,150

well yes and uh so in a half hour we're

1443

00:58:01,349 --> 00:57:58,480

going to be taking calls so those of you

1444

00:58:03,910 --> 00:58:01,359

who are in chat if you're uh leaving

1445

00:58:05,589 --> 00:58:03,920

comments that i missed uh

1446

00:58:07,190 --> 00:58:05,599

you're welcome to call in that number

1447

00:58:08,950 --> 00:58:07,200

will be posted in about a half hour or

1448

00:58:10,549 --> 00:58:08,960

so so we're taking calls bill will be

1449

00:58:11,270 --> 00:58:10,559

screening those calls

1450

00:58:13,750 --> 00:58:11,280

and

1451

00:58:15,349 --> 00:58:13,760

so how how's your book being received by

1452

00:58:17,270 --> 00:58:15,359

the way

1453

00:58:19,910 --> 00:58:17,280

well it's hard to know it's been out

1454

00:58:23,510 --> 00:58:19,920

since about mid-june uh it's getting

1455

00:58:26,069 --> 00:58:23,520

some great reviews on amazon where you

1456

00:58:28,549 --> 00:58:26,079

can purchase it and

1457

00:58:30,309 --> 00:58:28,559

you know i've yet to really crack the

1458

00:58:32,870 --> 00:58:30,319

the mainstream

1459

00:58:35,589 --> 00:58:32,880

media in terms of coverage and or future

1460

00:58:38,150 --> 00:58:35,599

stories but i think the social media

1461

00:58:39,670 --> 00:58:38,160

buzz on it is good the personal buzz on

1462

00:58:41,829 --> 00:58:39,680

it is good

1463

00:58:44,230 --> 00:58:41,839

um i don't think there's re you know

1464

00:58:46,150 --> 00:58:44,240

there's been hundreds of ufo books

1465

00:58:47,990 --> 00:58:46,160

written but i i don't think there's been

1466

00:58:50,390 --> 00:58:48,000

a book like mine

1467

00:58:53,589 --> 00:58:50,400

that that's ever been published i mean

1468

00:58:56,710 --> 00:58:53,599

it's it really goes inside the ufo

1469

00:58:58,549 --> 00:58:56,720

subculture where we meet ufo researchers

1470

00:59:01,030 --> 00:58:58,559

and they're debunkers we meet

1471

00:59:03,510 --> 00:59:01,040

individuals from the aviary who i'm sure

1472

00:59:06,470 --> 00:59:03,520

you've talked about on this program

1473

00:59:07,990 --> 00:59:06,480

if not we can clarify what what that who

1474

00:59:09,990 --> 00:59:08,000

that group is

1475

00:59:12,150 --> 00:59:10,000

you know there's also close interactions

1476

00:59:15,430 --> 00:59:12,160

with media and government officials

1477

00:59:18,150 --> 00:59:15,440

celebrated astronauts like uh

1478

00:59:22,230 --> 00:59:18,160

ed mitchell six men to walk on the on

1479

00:59:25,589 --> 00:59:22,240

the moon part of the apollo 14 crew

1480

00:59:28,630 --> 00:59:25,599

uh brian o'leary who was designated for

1481

00:59:31,190 --> 00:59:28,640

the mars missions uh when the when the

1482

00:59:33,750 --> 00:59:31,200

mars program was first announced at nasa

1483

00:59:35,589 --> 00:59:33,760

and then subsequent subsequently

1484

00:59:38,630 --> 00:59:35,599

scrubbed

1485

00:59:42,870 --> 00:59:38,640

also a funny anecdote in the book about

1486

00:59:47,030 --> 00:59:44,829

about the same i met him at

1487

00:59:49,270 --> 00:59:47,040

a had a

1488

00:59:51,109 --> 00:59:49,280

benefit a gala

1489

00:59:53,270 --> 00:59:51,119

occasion for the starkey hearing

1490

00:59:55,430 --> 00:59:53,280

foundation that i was doing some public

1491

00:59:56,630 --> 00:59:55,440

relations work for

1492

00:59:59,109 --> 00:59:56,640

and uh

1493

01:00:01,670 --> 00:59:59,119

philip corso's book had just come out

1494

01:00:03,670 --> 01:00:01,680

the day after roswell the controversial

1495

01:00:04,789 --> 01:00:03,680

book corso wrote

1496

01:00:08,390 --> 01:00:04,799

and uh

1497

01:00:10,150 --> 01:00:08,400

i had a i had a quiet moment with buzz

1498

01:00:12,950 --> 01:00:10,160

on on a couch

1499

01:00:14,710 --> 01:00:12,960

as we were sipping cocktails and i asked

1500

01:00:16,950 --> 01:00:14,720

him i said you know this book just came

1501

01:00:19,589 --> 01:00:16,960

out by a guy named colonel phil of

1502

01:00:20,870 --> 01:00:19,599

course who has a really renowned

1503

01:00:23,349 --> 01:00:20,880

uh

1504

01:00:26,230 --> 01:00:23,359

history of service dating back to world

1505

01:00:28,069 --> 01:00:26,240

war ii and the liberation of italy and

1506

01:00:30,150 --> 01:00:28,079

you know his decorated colonel

1507

01:00:32,710 --> 01:00:30,160

lieutenant colonel and uh

1508

01:00:35,589 --> 01:00:32,720

he says that that roswell happened and

1509

01:00:38,150 --> 01:00:35,599

then all the technology was

1510

01:00:39,990 --> 01:00:38,160

was seated to private enterprise and

1511

01:00:42,309 --> 01:00:40,000

they hold the patents on a lot of this

1512

01:00:44,390 --> 01:00:42,319

stuff and what do you think of that buzz

1513

01:00:48,150 --> 01:00:44,400

and buzz

1514

01:00:49,829 --> 01:00:48,160

buzz put his hands together like this

1515

01:00:51,030 --> 01:00:49,839

look me straight in the eye and he goes

1516

01:00:53,270 --> 01:00:51,040

son

1517

01:00:54,069 --> 01:00:53,280

i don't know anything about that

1518

01:00:57,109 --> 01:00:54,079

and

1519

01:00:59,190 --> 01:00:57,119

that's the complete subtext was uh don't

1520

01:01:01,510 --> 01:00:59,200

ever ask me a question like that again

1521

01:01:03,349 --> 01:01:01,520

and it's funny because about it ten days

1522

01:01:05,349 --> 01:01:03,359

later i read in the newspaper where he

1523

01:01:08,069 --> 01:01:05,359

slugged somebody on the street who had

1524

01:01:10,309 --> 01:01:08,079

approached him and asked him about the

1525

01:01:12,630 --> 01:01:10,319

quote-unquote fake moon landing and he

1526

01:01:14,390 --> 01:01:12,640

didn't even respond with a with a quote

1527

01:01:16,309 --> 01:01:14,400

like the one he gave me just slugged the

1528

01:01:19,670 --> 01:01:16,319

guy and kept moving

1529

01:01:23,430 --> 01:01:19,680

wow yeah no i i saw an interview with

1530

01:01:25,510 --> 01:01:23,440

buzz where someone was asking him about

1531

01:01:28,150 --> 01:01:25,520

they they said well let's talk about

1532

01:01:30,069 --> 01:01:28,160

your ufo psych and he got really angry

1533

01:01:32,870 --> 01:01:30,079

he didn't he didn't talk didn't talk

1534

01:01:35,670 --> 01:01:32,880

about it and i i had spoken i played the

1535

01:01:39,030 --> 01:01:35,680

clip on this show at some point where i

1536

01:01:41,670 --> 01:01:39,040

had spoke many years ago

1537

01:01:44,069 --> 01:01:41,680

to alan bean the fourth man on the moon

1538

01:01:46,950 --> 01:01:44,079

and uh he

1539

01:01:48,549 --> 01:01:46,960

he says as far as people saying

1540

01:01:50,309 --> 01:01:48,559

that they never landed on the moon he

1541

01:01:52,870 --> 01:01:50,319

says you can't change people's mind just

1542

01:01:54,950 --> 01:01:52,880

let them think what they want you know

1543

01:01:56,630 --> 01:01:54,960

just move on uh yeah if you're gonna

1544

01:01:58,789 --> 01:01:56,640

take it personal like that you know i

1545

01:02:01,109 --> 01:01:58,799

mean uh you're not gonna change anyone's

1546

01:02:03,190 --> 01:02:01,119

mind a slug in the slug in the nose

1547

01:02:06,470 --> 01:02:03,200

isn't gonna change anyone's mind either

1548

01:02:09,109 --> 01:02:06,480

they're gonna say that's proof

1549

01:02:11,589 --> 01:02:09,119

yeah yeah uh so yeah he could he can be

1550

01:02:13,029 --> 01:02:11,599

a little bit rough and i know that uh he

1551

01:02:14,470 --> 01:02:13,039

definitely at that one particular

1552

01:02:15,990 --> 01:02:14,480

interview that i saw him and he did not

1553

01:02:17,430 --> 01:02:16,000

want to talk about

1554

01:02:19,589 --> 01:02:17,440

um

1555

01:02:23,270 --> 01:02:19,599

a supposed encounter that he may or may

1556

01:02:24,870 --> 01:02:23,280

not have had i'm not really sure

1557

01:02:27,349 --> 01:02:24,880

what the story was on that you know

1558

01:02:30,549 --> 01:02:27,359

those guys were i'm sure

1559

01:02:32,630 --> 01:02:30,559

had signed a bunch of uh

1560

01:02:34,870 --> 01:02:32,640

the military equivalent of an nda

1561

01:02:37,029 --> 01:02:34,880

non-disclosure agreements i mean i i

1562

01:02:40,309 --> 01:02:37,039

think they were all paper

1563

01:02:42,789 --> 01:02:40,319

papered over with uh security clearances

1564

01:02:43,829 --> 01:02:42,799

and secrecy oaths and you know they're

1565

01:02:48,069 --> 01:02:43,839

not

1566

01:02:51,910 --> 01:02:48,079

they could have lost their pensions and

1567

01:02:53,910 --> 01:02:51,920

and some of their stripes so

1568

01:02:56,950 --> 01:02:53,920

it's not surprising really that that

1569

01:03:00,390 --> 01:02:56,960

generation of astronauts would would

1570

01:03:01,190 --> 01:03:00,400

feel that way or or hold that persona

1571

01:03:03,750 --> 01:03:01,200

out

1572

01:03:06,950 --> 01:03:03,760

to the public so it's

1573

01:03:09,670 --> 01:03:06,960

but you know i think it's a new day

1574

01:03:11,829 --> 01:03:09,680

i wanted to i wanted to circle back to

1575

01:03:13,109 --> 01:03:11,839

something that that we touched on

1576

01:03:14,870 --> 01:03:13,119

earlier that

1577

01:03:17,430 --> 01:03:14,880

and also that

1578

01:03:19,190 --> 01:03:17,440

bob sells his upcoming disclosure event

1579

01:03:21,029 --> 01:03:19,200

in washington you know

1580

01:03:24,069 --> 01:03:21,039

andrea carson

1581

01:03:26,230 --> 01:03:24,079

the democrat from indiana uh

1582

01:03:27,990 --> 01:03:26,240

called for hearings open hearings on

1583

01:03:31,029 --> 01:03:28,000

this in the congress

1584

01:03:33,349 --> 01:03:31,039

at the time the report came out so

1585

01:03:37,109 --> 01:03:33,359

it's gonna be an interesting next six to

1586

01:03:37,910 --> 01:03:37,119

nine months i think in this in this area

1587

01:03:39,750 --> 01:03:37,920

uh

1588

01:03:42,710 --> 01:03:39,760

again though i think a lot of that will

1589

01:03:45,270 --> 01:03:42,720

depend on on what else is jamming up the

1590

01:03:47,109 --> 01:03:45,280

news cycle

1591

01:03:49,190 --> 01:03:47,119

it's going to be hard to top the run up

1592

01:03:51,510 --> 01:03:49,200

to that report though i mean i was i was

1593

01:03:53,029 --> 01:03:51,520

just astounded at the amount of media

1594

01:03:54,549 --> 01:03:53,039

coverage

1595

01:03:56,710 --> 01:03:54,559

in my book you know i

1596

01:04:00,150 --> 01:03:56,720

i talked pretty extensively in one of

1597

01:04:01,990 --> 01:04:00,160

the chapters about the failure of media

1598

01:04:04,789 --> 01:04:02,000

and i use a

1599

01:04:06,870 --> 01:04:04,799

real life experience

1600

01:04:08,390 --> 01:04:06,880

with greer's organization when we were

1601
01:04:10,309 --> 01:04:08,400
in mexico

1602
01:04:14,630 --> 01:04:10,319
in the volcano zone

1603
01:04:17,190 --> 01:04:14,640
and we were shadowed by a cbs news crew

1604
01:04:20,069 --> 01:04:17,200
from 48 hours and they were doing an

1605
01:04:24,710 --> 01:04:20,079
entire show dedicated to the ufo issue

1606
01:04:30,309 --> 01:04:27,109
and

1607
01:04:32,309 --> 01:04:30,319
they basically made us look like

1608
01:04:34,710 --> 01:04:32,319
gringo rubes

1609
01:04:37,589 --> 01:04:34,720
wandering around this pretty rugged

1610
01:04:40,150 --> 01:04:37,599
terrain under the volcano it's an active

1611
01:04:43,270 --> 01:04:40,160
volcano in mexico second largest in

1612
01:04:45,750 --> 01:04:43,280
north america it's called mount popo by

1613
01:04:47,950 --> 01:04:45,760

the locals it's it's an old

1614

01:04:50,470 --> 01:04:47,960

the aztecs named it uh

1615

01:04:53,270 --> 01:04:50,480

popocatepetl which i'm sure i'm not

1616

01:04:55,589 --> 01:04:53,280

pronouncing that right but

1617

01:04:57,589 --> 01:04:55,599

that little adventure uh

1618

01:05:03,990 --> 01:04:57,599

really

1619

01:05:05,190 --> 01:05:04,000

other ufo enthusiasts about what a lousy

1620

01:05:08,069 --> 01:05:05,200

job

1621

01:05:09,510 --> 01:05:08,079

media did in handling this but i i also

1622

01:05:10,710 --> 01:05:09,520

in that chapter

1623

01:05:13,190 --> 01:05:10,720

delved pretty

1624

01:05:15,670 --> 01:05:13,200

extensively into terry hansen's book i

1625

01:05:19,430 --> 01:05:15,680

don't know if you're familiar with that

1626
01:05:21,670 --> 01:05:19,440
yes in times fantastic book i mean

1627
01:05:23,990 --> 01:05:21,680
if you want an introduction to how

1628
01:05:26,470 --> 01:05:24,000
number one how the news media works or

1629
01:05:29,589 --> 01:05:26,480
doesn't work especially on marginalized

1630
01:05:30,630 --> 01:05:29,599
subjects like ufos they're paranormal

1631
01:05:34,309 --> 01:05:30,640
this is

1632
01:05:37,349 --> 01:05:34,319
out of print but the last time i looked

1633
01:05:40,470 --> 01:05:37,359
you could buy used copies

1634
01:05:41,829 --> 01:05:40,480
hansen did a fabulous job of of

1635
01:05:42,710 --> 01:05:41,839
researching

1636
01:05:44,150 --> 01:05:42,720
different

1637
01:05:46,390 --> 01:05:44,160
instances

1638
01:05:47,670 --> 01:05:46,400

of major ufo sightings including

1639

01:05:51,029 --> 01:05:47,680

maelstrom

1640

01:05:54,069 --> 01:05:51,039

and really lays out a case that uh

1641

01:05:56,789 --> 01:05:54,079

the news media has infiltrated with

1642

01:05:59,109 --> 01:05:56,799

either former or current cia agents and

1643

01:05:59,990 --> 01:05:59,119

other you know information operatives

1644

01:06:03,109 --> 01:06:00,000

who

1645

01:06:05,349 --> 01:06:03,119

have colored or and or prevented

1646

01:06:08,069 --> 01:06:05,359

true coverage or investigation of this

1647

01:06:09,430 --> 01:06:08,079

subject probably on national security

1648

01:06:11,670 --> 01:06:09,440

grounds and

1649

01:06:14,230 --> 01:06:11,680

and you know i get into this discussion

1650

01:06:16,549 --> 01:06:14,240

with friends and uh interviewers like

1651

01:06:19,510 --> 01:06:16,559

yourself on occasion about

1652

01:06:21,829 --> 01:06:19,520

you know why is it why has it been such

1653

01:06:24,390 --> 01:06:21,839

such poor reporting on this when you've

1654

01:06:26,630 --> 01:06:24,400

got all these citizens groups who are

1655

01:06:28,069 --> 01:06:26,640

constantly doing great research in the

1656

01:06:29,910 --> 01:06:28,079

field and you've

1657

01:06:32,710 --> 01:06:29,920

you know you've got foia documents

1658

01:06:35,109 --> 01:06:32,720

coming out and stuff like that and i

1659

01:06:37,270 --> 01:06:35,119

said well look on the one hand

1660

01:06:37,990 --> 01:06:37,280

uh i agree with you but on the other

1661

01:06:39,910 --> 01:06:38,000

hand

1662

01:06:43,430 --> 01:06:39,920

you know i'm a little sympathetic to

1663

01:06:45,190 --> 01:06:43,440

toward the media because only because

1664

01:06:46,710 --> 01:06:45,200

they don't have any official sources

1665

01:06:48,309 --> 01:06:46,720

they can go to

1666

01:06:49,510 --> 01:06:48,319

and they have not had any official

1667

01:06:51,430 --> 01:06:49,520

sources

1668

01:06:54,549 --> 01:06:51,440

you know they've had to rely on major

1669

01:06:56,150 --> 01:06:54,559

events like the washington dc flyover in

1670

01:06:58,150 --> 01:06:56,160

52 where

1671

01:07:00,230 --> 01:06:58,160

the big brass had to come out and hold

1672

01:07:02,230 --> 01:07:00,240

their largest press conference ever

1673

01:07:04,789 --> 01:07:02,240

since world war ii

1674

01:07:07,109 --> 01:07:04,799

and say you know uh we have this under

1675

01:07:09,589 --> 01:07:07,119

control we we don't know what it is

1676

01:07:12,870 --> 01:07:09,599

probably a weather inversion so yeah

1677

01:07:17,670 --> 01:07:15,109

but i'm thinking with the establishment

1678

01:07:21,029 --> 01:07:17,680

of this new office that that maybe now

1679

01:07:24,230 --> 01:07:21,039

there will be a media point person

1680

01:07:26,309 --> 01:07:24,240

who can address this with with uh

1681

01:07:28,069 --> 01:07:26,319

at least some candor if not some real

1682

01:07:29,430 --> 01:07:28,079

information

1683

01:07:32,789 --> 01:07:29,440

that would be

1684

01:07:36,069 --> 01:07:32,799

wonderful if if there they would

1685

01:07:38,630 --> 01:07:36,079

assign you know a press person

1686

01:07:40,789 --> 01:07:38,640

and i mean it it seems to me

1687

01:07:43,510 --> 01:07:40,799

that it's important enough to keep the

1688

01:07:45,670 --> 01:07:43,520

relations between the people

1689

01:07:47,589 --> 01:07:45,680

and their office

1690

01:07:49,109 --> 01:07:47,599

those channels open because there's

1691

01:07:50,870 --> 01:07:49,119

actually going to be you know there's

1692

01:07:52,630 --> 01:07:50,880

people that can assist too there's

1693

01:07:54,230 --> 01:07:52,640

plenty of people that are very

1694

01:07:56,390 --> 01:07:54,240

interested in this topic

1695

01:07:58,230 --> 01:07:56,400

that really give a lot of themselves and

1696

01:08:00,470 --> 01:07:58,240

their time and information

1697

01:08:02,549 --> 01:08:00,480

you know and uh there there's also

1698

01:08:04,950 --> 01:08:02,559

factions that kind of go off on each

1699

01:08:06,390 --> 01:08:04,960

other too but still you know there's a

1700

01:08:08,950 --> 01:08:06,400

lot of people that wouldn't mind helping

1701

01:08:11,589 --> 01:08:08,960

out in in my opinion

1702

01:08:13,510 --> 01:08:11,599

but um now one of the reasons i wrote

1703

01:08:15,829 --> 01:08:13,520

the book aside from the fact that i'm

1704

01:08:18,550 --> 01:08:15,839

getting up in years and i i didn't want

1705

01:08:20,550 --> 01:08:18,560

to lose my memories or my research

1706

01:08:23,590 --> 01:08:20,560

to time um

1707

01:08:26,390 --> 01:08:23,600

you know the the ufo community or or the

1708

01:08:29,269 --> 01:08:26,400

ghetto as greer famously calls it

1709

01:08:31,829 --> 01:08:29,279

uh is a fascinating place where these

1710

01:08:33,910 --> 01:08:31,839

factions do exist and

1711

01:08:36,229 --> 01:08:33,920

the interactions among them are are

1712

01:08:38,630 --> 01:08:36,239

sometimes really eye-opening but they're

1713

01:08:41,110 --> 01:08:38,640

also sometimes very amusing

1714

01:08:43,349 --> 01:08:41,120

and to a former journalist i mean

1715

01:08:45,189 --> 01:08:43,359

these are i had some great stories to

1716

01:08:47,269 --> 01:08:45,199

tell and a lot of them are in this book

1717

01:08:48,990 --> 01:08:47,279

about about the

1718

01:08:51,990 --> 01:08:49,000

sort of uh

1719

01:08:53,749 --> 01:08:52,000

territorial uh

1720

01:08:56,550 --> 01:08:53,759

ground that's staked out by different

1721

01:08:58,870 --> 01:08:56,560

groups and you know trying to determine

1722

01:09:01,269 --> 01:08:58,880

what's real and what's not and

1723

01:09:02,229 --> 01:09:01,279

whose disclosure is better than yours i

1724

01:09:04,390 --> 01:09:02,239

mean it's

1725

01:09:06,390 --> 01:09:04,400

it's kind of never-ending i

1726

01:09:09,269 --> 01:09:06,400

i joke in the book

1727

01:09:11,910 --> 01:09:09,279

but i'm also half serious that this book

1728

01:09:14,709 --> 01:09:11,920

the space pen club book is

1729

01:09:18,149 --> 01:09:14,719

is my farewell to ufology but as i'm

1730

01:09:19,749 --> 01:09:18,159

finding out it's it's probably not

1731

01:09:21,749 --> 01:09:19,759

because i've had a couple of high

1732

01:09:24,550 --> 01:09:21,759

strangeness events

1733

01:09:26,229 --> 01:09:24,560

uh since it's been published and we

1734

01:09:28,189 --> 01:09:26,239

don't need to go into those today i

1735

01:09:30,390 --> 01:09:28,199

might blog about it on

1736

01:09:32,229 --> 01:09:30,400

thespacepenclub.com where i'm trying to

1737

01:09:34,550 --> 01:09:32,239

blog at least once a week and stay

1738

01:09:36,950 --> 01:09:34,560

current on on issues

1739

01:09:39,110 --> 01:09:36,960

breaking news like this uh

1740

01:09:42,229 --> 01:09:39,120

recent bill passed by

1741

01:09:46,470 --> 01:09:42,239

galio is a galilego is that his name

1742

01:09:51,749 --> 01:09:49,110

you mentioned uh terry hansen

1743

01:09:54,070 --> 01:09:51,759

earlier just a few minutes ago and and

1744

01:09:56,470 --> 01:09:54,080

terry hansen was a really nice guy he

1745

01:09:58,870 --> 01:09:56,480

was on this show a couple of times years

1746

01:10:00,470 --> 01:09:58,880

ago and unfortunately he passed away

1747

01:10:03,110 --> 01:10:00,480

young he was young when he passed away

1748

01:10:06,149 --> 01:10:03,120

and yeah 2014.

1749

01:10:08,790 --> 01:10:06,159

um yeah that was a sad day but he also

1750

01:10:11,669 --> 01:10:08,800

looked really deeply into the robertson

1751

01:10:12,709 --> 01:10:11,679

panel of 1953. right and that's

1752

01:10:14,630 --> 01:10:12,719

basically

1753

01:10:16,630 --> 01:10:14,640

the initiation of

1754

01:10:18,550 --> 01:10:16,640

of the fringe

1755

01:10:20,870 --> 01:10:18,560

uh element added

1756

01:10:22,229 --> 01:10:20,880

to this topic to keep people from taking

1757

01:10:23,669 --> 01:10:22,239

it seriously

1758

01:10:24,950 --> 01:10:23,679

so uh

1759

01:10:26,310 --> 01:10:24,960

the new listener out there that's

1760

01:10:28,709 --> 01:10:26,320

there's a really good book that terry

1761

01:10:30,550 --> 01:10:28,719

hansen wrote on that you know i'm not

1762

01:10:32,550 --> 01:10:30,560

100 sure if you wrote a book on that he

1763

01:10:33,990 --> 01:10:32,560

used to talk on my show about it but i'm

1764

01:10:37,350 --> 01:10:34,000

not sure if he wrote i think he

1765

01:10:39,110 --> 01:10:37,360

referenced the robertson panel uh and

1766

01:10:40,790 --> 01:10:39,120

for those not familiar with that the

1767

01:10:43,030 --> 01:10:40,800

panel really

1768

01:10:45,830 --> 01:10:43,040

established the uh

1769

01:10:49,030 --> 01:10:45,840

the ground rules for dealing publicly

1770

01:10:52,229 --> 01:10:49,040

with media and and ufo

1771

01:10:53,189 --> 01:10:52,239

reports and those who reported them

1772

01:11:00,390 --> 01:10:53,199

their

1773

01:11:01,669 --> 01:11:00,400

secondly to ridicule those who who uh

1774

01:11:04,070 --> 01:11:01,679

who made these

1775

01:11:06,390 --> 01:11:04,080

these reports of sightings and that's

1776

01:11:07,510 --> 01:11:06,400

been very effective it's very effective

1777

01:11:10,310 --> 01:11:07,520

through

1778

01:11:11,510 --> 01:11:10,320

many decades and

1779

01:11:14,390 --> 01:11:11,520

when i was

1780

01:11:17,669 --> 01:11:14,400

you know working on the book

1781

01:11:20,550 --> 01:11:17,679

i discovered that a lot of the uh

1782

01:11:23,350 --> 01:11:20,560

robertson panel history is now posted i

1783

01:11:26,149 --> 01:11:23,360

think on the cia's website so

1784

01:11:27,350 --> 01:11:26,159

there's little disclosures going on from

1785

01:11:30,310 --> 01:11:27,360

these

1786

01:11:32,790 --> 01:11:30,320

you know ironclad towers where

1787

01:11:34,390 --> 01:11:32,800

where the secrets are kept

1788

01:11:36,070 --> 01:11:34,400

um

1789

01:11:38,709 --> 01:11:36,080

and you don't have to look that hard to

1790

01:11:44,630 --> 01:11:41,669

yeah yeah um yes i know a lot of it like

1791

01:11:46,790 --> 01:11:44,640

you said his books uh that are are out

1792

01:11:47,590 --> 01:11:46,800

of print um

1793

01:11:49,590 --> 01:11:47,600

now

1794

01:11:50,470 --> 01:11:49,600

uh as far as

1795

01:11:53,669 --> 01:11:50,480

the

1796

01:11:56,149 --> 01:11:53,679

uh dr greer i know i i talked a little

1797

01:11:58,709 --> 01:11:56,159

bit offline about this i have

1798

01:12:01,430 --> 01:11:58,719

uh many times criticized him on the show

1799

01:12:04,070 --> 01:12:01,440

to be honest with you but but you had

1800

01:12:06,149 --> 01:12:04,080

some dealings uh with his

1801
01:12:08,070 --> 01:12:06,159
seasetti

1802
01:12:10,070 --> 01:12:08,080
uh

1803
01:12:11,510 --> 01:12:10,080
situation now

1804
01:12:12,790 --> 01:12:11,520
you want to fill us in a little bit on

1805
01:12:15,669 --> 01:12:12,800
that

1806
01:12:18,790 --> 01:12:15,679
yeah and and in our offline discussion i

1807
01:12:20,950 --> 01:12:18,800
i uh said you know steve greer is a

1808
01:12:23,110 --> 01:12:20,960
highly polarizing

1809
01:12:24,229 --> 01:12:23,120
uh figure

1810
01:12:26,229 --> 01:12:24,239
uh

1811
01:12:28,870 --> 01:12:26,239
when i first met him

1812
01:12:30,390 --> 01:12:28,880
he had just formed sea city and i i was

1813
01:12:33,590 --> 01:12:30,400

coming

1814

01:12:34,830 --> 01:12:33,600

at him and his organization to profile

1815

01:12:38,470 --> 01:12:34,840

and

1816

01:12:40,550 --> 01:12:38,480

um the more time i spent around him

1817

01:12:42,470 --> 01:12:40,560

in writing the article and researching

1818

01:12:45,590 --> 01:12:42,480

the article

1819

01:12:47,270 --> 01:12:45,600

i thought well this whole ce5 business

1820

01:12:48,550 --> 01:12:47,280

close encounters of the fifth kind

1821

01:12:50,470 --> 01:12:48,560

initiative

1822

01:12:52,470 --> 01:12:50,480

human initiated contact with the

1823

01:12:53,910 --> 01:12:52,480

visitors

1824

01:12:55,350 --> 01:12:53,920

using uh

1825

01:12:56,149 --> 01:12:55,360

you know the

1826

01:12:59,110 --> 01:12:56,159

the

1827

01:13:01,510 --> 01:12:59,120

three modalities sound light and

1828

01:13:03,590 --> 01:13:01,520

consciousness or mind

1829

01:13:05,590 --> 01:13:03,600

i thought it was fascinating and i still

1830

01:13:07,270 --> 01:13:05,600

think it's fascinating and and i don't

1831

01:13:10,550 --> 01:13:07,280

know that anyone

1832

01:13:12,709 --> 01:13:10,560

in the field has has bested him

1833

01:13:15,830 --> 01:13:12,719

in that realm now i know he's got a lot

1834

01:13:18,709 --> 01:13:15,840

of detractors a lot of people

1835

01:13:20,630 --> 01:13:18,719

feel like he's a con artist

1836

01:13:23,430 --> 01:13:20,640

on the other hand a lot of people think

1837

01:13:25,350 --> 01:13:23,440

things think he walks on water and you

1838

01:13:25,990 --> 01:13:25,360

know the truth is always in the middle

1839

01:13:29,430 --> 01:13:26,000

in

1840

01:13:34,070 --> 01:13:31,830

you know grier also made a big effort to

1841

01:13:35,350 --> 01:13:34,080

do two disclosure

1842

01:13:37,669 --> 01:13:35,360

projects

1843

01:13:40,790 --> 01:13:37,679

the first one in 97

1844

01:13:43,750 --> 01:13:42,550

oh i forget the name of the hotel in

1845

01:13:45,990 --> 01:13:43,760

washington

1846

01:13:48,149 --> 01:13:46,000

where we had about 15 witnesses and then

1847

01:13:50,149 --> 01:13:48,159

of course his more famous

1848

01:13:52,310 --> 01:13:50,159

internationally covered disclosure

1849

01:13:55,350 --> 01:13:52,320

effort at the press club

1850

01:13:58,310 --> 01:13:55,360

in 2000 or 2001

1851

01:14:00,709 --> 01:13:58,320

which i was not involved in but

1852

01:14:03,110 --> 01:14:00,719

i i write about that pretty extensively

1853

01:14:05,590 --> 01:14:03,120

in chapter nine the uh

1854

01:14:07,270 --> 01:14:05,600

the road to disclosure the barriers to

1855

01:14:08,390 --> 01:14:07,280

truth i think that's the name of that

1856

01:14:09,510 --> 01:14:08,400

chapter

1857

01:14:11,990 --> 01:14:09,520

um

1858

01:14:15,750 --> 01:14:12,000

steve grier's a you know he's

1859

01:14:18,470 --> 01:14:15,760

he's a brilliant uh thinker

1860

01:14:21,110 --> 01:14:18,480

but i know uh he speaks with such

1861

01:14:22,630 --> 01:14:21,120

authority that people often mistaken for

1862

01:14:25,510 --> 01:14:22,640

arrogance and

1863

01:14:28,390 --> 01:14:25,520

self-importance and you know

1864

01:14:31,110 --> 01:14:28,400

i i'm not gonna say

1865

01:14:33,830 --> 01:14:31,120

that isn't true i spent a lot of time

1866

01:14:36,070 --> 01:14:33,840

around him i i

1867

01:14:37,669 --> 01:14:36,080

learned quite a bit from him just on the

1868

01:14:39,990 --> 01:14:37,679

consciousness front

1869

01:14:41,510 --> 01:14:40,000

hence the the word consciousness and the

1870

01:14:43,510 --> 01:14:41,520

subtitle

1871

01:14:46,950 --> 01:14:43,520

but you know i saw

1872

01:14:49,189 --> 01:14:46,960

steve in action time and again where he

1873

01:14:51,830 --> 01:14:49,199

either tipped people off or totally

1874

01:14:53,830 --> 01:14:51,840

alienated them or they became totally

1875

01:14:56,149 --> 01:14:53,840

enamored of him and

1876

01:14:58,630 --> 01:14:56,159

and his initiative and

1877

01:15:00,950 --> 01:14:58,640

his organization but

1878

01:15:02,709 --> 01:15:00,960

his credit you know he made three films

1879

01:15:04,550 --> 01:15:02,719

in the last four or five years that are

1880

01:15:06,790 --> 01:15:04,560

pretty damn interesting

1881

01:15:09,430 --> 01:15:06,800

i hadn't talked to the guy in about 25

1882

01:15:11,830 --> 01:15:09,440

years i sent him a book and he called

1883

01:15:14,550 --> 01:15:11,840

and we chatted recently

1884

01:15:15,990 --> 01:15:14,560

the same old steve greer

1885

01:15:17,990 --> 01:15:16,000

but you know the films speak for

1886

01:15:20,470 --> 01:15:18,000

themselves and there's some interesting

1887

01:15:22,950 --> 01:15:20,480

controversial stuff in there that's

1888

01:15:25,030 --> 01:15:22,960

that's pure stephen greer and

1889

01:15:28,470 --> 01:15:25,040

there's some stuff that that bears

1890

01:15:30,149 --> 01:15:28,480

further discussion and exploration

1891

01:15:31,910 --> 01:15:30,159

well uh

1892

01:15:33,830 --> 01:15:31,920

well thank you thank you for that you

1893

01:15:36,310 --> 01:15:33,840

know it's it's uh

1894

01:15:39,430 --> 01:15:36,320

the one thing i have always said when i

1895

01:15:41,830 --> 01:15:39,440

have to or talk about him

1896

01:15:43,110 --> 01:15:41,840

a lot is and i think in the beginning he

1897

01:15:47,270 --> 01:15:43,120

was very

1898

01:15:49,910 --> 01:15:47,280

really meant something

1899

01:15:51,590 --> 01:15:49,920

you know uh you talk about that first

1900

01:15:52,709 --> 01:15:51,600

thing back i can't remember the year it

1901

01:15:58,310 --> 01:15:52,719

was

1902

01:16:01,030 --> 01:15:58,320

i've seen this happen a few times where

1903

01:16:02,630 --> 01:16:01,040

well someone starts out

1904

01:16:04,870 --> 01:16:02,640

with something really fascinating when

1905

01:16:08,630 --> 01:16:04,880

it comes to this topic they have really

1906

01:16:10,550 --> 01:16:08,640

good goals and then uh then some type of

1907

01:16:11,830 --> 01:16:10,560

factor along the way

1908

01:16:13,270 --> 01:16:11,840

may change

1909

01:16:15,189 --> 01:16:13,280

their approach

1910

01:16:16,870 --> 01:16:15,199

and you know i mean i don't know if this

1911

01:16:18,870 --> 01:16:16,880

is true or not

1912

01:16:22,550 --> 01:16:18,880

but i've had two different people tell

1913

01:16:24,630 --> 01:16:22,560

me that he was charging people to take a

1914

01:16:25,750 --> 01:16:24,640

picture with him inside an invisible

1915

01:16:28,950 --> 01:16:25,760

spaceship

1916

01:16:31,189 --> 01:16:28,960

you know and another thing in one of his

1917

01:16:33,350 --> 01:16:31,199

conferences that he had he supposedly

1918

01:16:34,870 --> 01:16:33,360

had locked the door so nobody could get

1919

01:16:37,110 --> 01:16:34,880

out with bodyguards in front of it you

1920

01:16:39,350 --> 01:16:37,120

know things like that well kind of over

1921

01:16:40,870 --> 01:16:39,360

the top that sounds like hearsay to me

1922

01:16:45,590 --> 01:16:40,880

but um

1923

01:16:47,590 --> 01:16:45,600

i never saw that kind of behavior and uh

1924

01:16:49,990 --> 01:16:47,600

you know for anyone that's ever worked

1925

01:16:52,390 --> 01:16:50,000

in the nonprofit world and see seti has

1926

01:16:54,950 --> 01:16:52,400

been a non-profit since the day it was

1927

01:16:58,709 --> 01:16:56,790

that's a hard thing to run you're always

1928

01:17:00,310 --> 01:16:58,719

in fundraising mode you're always

1929

01:17:02,550 --> 01:17:00,320

looking for new

1930

01:17:04,470 --> 01:17:02,560

channels to raise money new ways to

1931

01:17:06,149 --> 01:17:04,480

raise money i mean having your picture

1932

01:17:08,149 --> 01:17:06,159

taken with him and

1933

01:17:09,990 --> 01:17:08,159

being charged for it i don't know i

1934

01:17:11,510 --> 01:17:10,000

think that happens all the time out into

1935

01:17:14,070 --> 01:17:11,520

hollywood and other

1936

01:17:16,870 --> 01:17:14,080

at other non-profits with whenever you

1937

01:17:19,030 --> 01:17:16,880

have a high profile person in the room i

1938

01:17:21,590 --> 01:17:19,040

know it happens at rock concerts in

1939

01:17:25,990 --> 01:17:21,600

those golden circles where you pay

1940

01:17:28,550 --> 01:17:26,000

500 to go backstage and and eat the uh

1941

01:17:30,950 --> 01:17:28,560

eat the orange m m's with the rock stars

1942

01:17:32,950 --> 01:17:30,960

and have your photo taken so

1943

01:17:35,110 --> 01:17:32,960

i you know i think all that stuff's

1944

01:17:37,110 --> 01:17:35,120

petty at the end of the day i'm more

1945

01:17:39,910 --> 01:17:37,120

interested in the thinking behind the

1946

01:17:43,830 --> 01:17:39,920

ce5 initiative and the whole

1947

01:17:48,709 --> 01:17:47,030

yeah um i had told bill uh earlier we're

1948

01:17:50,790 --> 01:17:48,719

going to just kind of take a little jag

1949

01:17:53,350 --> 01:17:50,800

here for a couple of minutes uh if you

1950

01:17:55,270 --> 01:17:53,360

would bear with me martin um

1951

01:17:57,189 --> 01:17:55,280

because i'd like to bring

1952

01:17:59,510 --> 01:17:57,199

bill in to talk about

1953

01:18:01,430 --> 01:17:59,520

this uh release that

1954

01:18:03,030 --> 01:18:01,440

of course i'd rather have john greenwald

1955

01:18:04,070 --> 01:18:03,040

in but uh in short notice that's not

1956

01:18:06,149 --> 01:18:04,080

going to happen

1957

01:18:08,390 --> 01:18:06,159

uh bill uh you looked into this can you

1958

01:18:10,470 --> 01:18:08,400

talk a little bit about this uh document

1959

01:18:12,630 --> 01:18:10,480

that just came out yeah this came out on

1960

01:18:15,110 --> 01:18:12,640

the black vault which uh john greenwald

1961

01:18:16,390 --> 01:18:15,120

does amazing work with the foyer request

1962

01:18:18,070 --> 01:18:16,400

that he puts in

1963

01:18:19,590 --> 01:18:18,080

now if you scroll down a little bit this

1964

01:18:22,229 --> 01:18:19,600

is department of defense

1965

01:18:24,790 --> 01:18:22,239

these are media cards on how they were

1966

01:18:26,790 --> 01:18:24,800

going to deal with the public when at

1967

01:18:30,550 --> 01:18:26,800

certain points in time

1968

01:18:33,430 --> 01:18:30,560

um dealing with the report the uaps

1969

01:18:34,630 --> 01:18:33,440

it's incredible how they had this all

1970

01:18:36,070 --> 01:18:34,640

outlined

1971

01:18:38,310 --> 01:18:36,080

in preparation of when they were going

1972

01:18:41,189 --> 01:18:38,320

to go to the public and address uh

1973

01:18:43,189 --> 01:18:41,199

certain points regarding the uap report

1974

01:18:44,709 --> 01:18:43,199

now if you scroll down martin go all the

1975

01:18:46,390 --> 01:18:44,719

way down to the bottom of this pdf and

1976

01:18:48,630 --> 01:18:46,400

folks this pdf is available at

1977

01:18:51,030 --> 01:18:48,640

blackvault.com

1978

01:18:52,830 --> 01:18:51,040

it's all the last date i'm looking at is

1979

01:18:56,790 --> 01:18:52,840

june 25th

1980

01:18:58,630 --> 01:18:56,800

2021 and it has it briefing card it

1981

01:19:00,550 --> 01:18:58,640

gives you the summary

1982

01:19:01,590 --> 01:19:00,560

in different times you know the timeline

1983

01:19:04,630 --> 01:19:01,600

is different

1984

01:19:06,390 --> 01:19:04,640

uh top line messages talking points

1985

01:19:07,750 --> 01:19:06,400

of how they're going to interact with

1986

01:19:09,350 --> 01:19:07,760

the media

1987

01:19:11,990 --> 01:19:09,360

some of the q and a's

1988

01:19:14,310 --> 01:19:12,000

it's an incredible this to me

1989

01:19:15,430 --> 01:19:14,320

reveals exactly what was going on behind

1990

01:19:17,990 --> 01:19:15,440

the scenes

1991

01:19:20,229 --> 01:19:18,000

because they had that such concern

1992

01:19:22,550 --> 01:19:20,239

when that uap report came on when it

1993

01:19:24,470 --> 01:19:22,560

came out the uap report really didn't

1994

01:19:25,910 --> 01:19:24,480

have much substance i mean we know that

1995

01:19:28,470 --> 01:19:25,920

i think most of us would agree that it

1996

01:19:30,390 --> 01:19:28,480

didn't have but when you look at this

1997

01:19:31,590 --> 01:19:30,400

and how they were going to address uh

1998

01:19:33,830 --> 01:19:31,600

certain points that were going to be

1999

01:19:35,990 --> 01:19:33,840

brought up this tells you tells you how

2000

01:19:37,750 --> 01:19:36,000

concerned they were when uh it was going

2001

01:19:40,229 --> 01:19:37,760

to get out to the public and the media

2002

01:19:41,590 --> 01:19:40,239

was going to be asking questions um and

2003

01:19:44,390 --> 01:19:41,600

they had they even mentioned louis

2004

01:19:46,870 --> 01:19:44,400

alexander in here and his role

2005

01:19:48,390 --> 01:19:46,880

there you i really suggest that folks go

2006

01:19:51,189 --> 01:19:48,400

to the black vault

2007

01:19:53,350 --> 01:19:51,199

website john greenwald and download this

2008

01:19:55,430 --> 01:19:53,360

pdf and just read it for yourselves

2009

01:19:57,750 --> 01:19:55,440

because it's it's extensive you know

2010

01:20:00,709 --> 01:19:57,760

it's i don't know how many pages but

2011

01:20:02,310 --> 01:20:00,719

um it's it's it's extensive like the

2012

01:20:04,070 --> 01:20:02,320

martin are you did you go to the bottom

2013

01:20:06,149 --> 01:20:04,080

has the apartment on any evidence of

2014

01:20:07,990 --> 01:20:06,159

extraterrestrial technology

2015

01:20:09,910 --> 01:20:08,000

um are there classified unclassified

2016

01:20:12,390 --> 01:20:09,920

versions of the report substantially

2017

01:20:14,709 --> 01:20:12,400

different what did the deputy deputy

2018

01:20:15,669 --> 01:20:14,719

deputy secretary replacing the uap task

2019

01:20:17,590 --> 01:20:15,679

force

2020

01:20:19,270 --> 01:20:17,600

it's incredible when you see how they

2021

01:20:22,149 --> 01:20:19,280

had this

2022

01:20:24,229 --> 01:20:22,159

in preparation to deal with these

2023

01:20:26,149 --> 01:20:24,239

questions that were going to be asked of

2024

01:20:28,470 --> 01:20:26,159

them so these are the actual briefing

2025

01:20:31,669 --> 01:20:28,480

cards of the department of defense

2026

01:20:33,910 --> 01:20:31,679

i highly suggest that people

2027

01:20:36,709 --> 01:20:33,920

check this out and as far as what martin

2028

01:20:37,910 --> 01:20:36,719

said i agree well let's be clear martin

2029

01:20:39,430 --> 01:20:37,920

keller

2030

01:20:41,830 --> 01:20:39,440

um

2031

01:20:43,990 --> 01:20:41,840

you know we don't agree that's for sure

2032

01:20:45,270 --> 01:20:44,000

it is about the consciousness of the ce5

2033

01:20:46,629 --> 01:20:45,280

experiences

2034

01:20:48,070 --> 01:20:46,639

there are a lot of people out there that

2035

01:20:50,709 --> 01:20:48,080

claim that they can

2036

01:20:52,390 --> 01:20:50,719

uh to see they can do the ce5 events

2037

01:20:53,990 --> 01:20:52,400

call in call them in

2038

01:20:55,270 --> 01:20:54,000

and i think that everybody as an

2039

01:20:58,950 --> 01:20:55,280

individual has

2040

01:21:01,189 --> 01:20:58,960

their right to choose who they want to

2041

01:21:02,629 --> 01:21:01,199

agree or disagree with that's what makes

2042

01:21:05,110 --> 01:21:02,639

us all individuals

2043

01:21:07,750 --> 01:21:05,120

um maybe do we agree or disagree on some

2044

01:21:09,830 --> 01:21:07,760

of the methods the methodology

2045

01:21:12,310 --> 01:21:09,840

definitely because like i'm subscribed

2046

01:21:15,110 --> 01:21:12,320

to dr stephen grier's thing and when i

2047

01:21:17,110 --> 01:21:15,120

see first what strikes me and martin

2048

01:21:20,390 --> 01:21:17,120

you're right when he did the 2001

2049

01:21:22,870 --> 01:21:20,400

national club uh the disclosure thing

2050

01:21:24,709 --> 01:21:22,880

what what strikes me is first and i'm

2051

01:21:26,070 --> 01:21:24,719

being honest the price

2052

01:21:26,870 --> 01:21:26,080

to attend one of these i think it's for

2053

01:21:29,830 --> 01:21:26,880

a week

2054

01:21:31,110 --> 01:21:29,840

and then there are guidelines

2055

01:21:33,189 --> 01:21:31,120

you must

2056

01:21:35,110 --> 01:21:33,199

follow those guidelines a schedule if

2057

01:21:37,110 --> 01:21:35,120

you don't they can say you're out of

2058

01:21:38,950 --> 01:21:37,120

here

2059

01:21:41,510 --> 01:21:38,960

i don't know if you know that

2060

01:21:43,830 --> 01:21:41,520

when you when you go to participate in

2061

01:21:46,950 --> 01:21:43,840

some of these events that dr gria does

2062

01:21:49,990 --> 01:21:46,960

there is a schedule if you don't meet

2063

01:21:52,149 --> 01:21:50,000

that schedule um as required by them

2064

01:21:54,390 --> 01:21:52,159

they can simply say okay you're out of

2065

01:21:55,750 --> 01:21:54,400

here you're gone

2066

01:21:57,590 --> 01:21:55,760

because i

2067

01:21:59,430 --> 01:21:57,600

i received them i think that's

2068

01:22:01,189 --> 01:21:59,440

understandable i mean there were ground

2069

01:22:03,430 --> 01:22:01,199

rules in place

2070

01:22:05,030 --> 01:22:03,440

early on for anybody that was doing

2071

01:22:07,990 --> 01:22:05,040

night watches

2072

01:22:11,350 --> 01:22:08,000

during the ce5 thing and i mean those

2073

01:22:13,830 --> 01:22:11,360

those ground rules are in place uh

2074

01:22:16,550 --> 01:22:13,840

not only to protect the organization but

2075

01:22:18,470 --> 01:22:16,560

to protect the people participating

2076

01:22:20,790 --> 01:22:18,480

i mean we i've seen

2077

01:22:23,430 --> 01:22:20,800

stuff happen at some of these

2078

01:22:25,350 --> 01:22:23,440

uh events skywatch events in the evening

2079

01:22:28,550 --> 01:22:25,360

you know where you know there was heavy

2080

01:22:31,030 --> 01:22:28,560

petting and maybe sex off in a cornfield

2081

01:22:33,830 --> 01:22:31,040

with participants who were there to to

2082

01:22:36,550 --> 01:22:33,840

to do the ce5 initiative and

2083

01:22:39,110 --> 01:22:36,560

uh i have to go back to our my mexican

2084

01:22:40,550 --> 01:22:39,120

my story said in mexico in the volcano

2085

01:22:42,629 --> 01:22:40,560

zone the uh

2086

01:22:46,070 --> 01:22:42,639

the reporter from cbs showed up the

2087

01:22:48,470 --> 01:22:46,080

second night on you know at our site

2088

01:22:51,189 --> 01:22:48,480

where we had seen a ufo come in

2089

01:22:54,149 --> 01:22:51,199

previously at about 11 o'clock in the

2090

01:22:56,629 --> 01:22:54,159

evening and it interacted with us as we

2091

01:22:59,270 --> 01:22:56,639

signaled back and forth with it this guy

2092

01:23:01,189 --> 01:22:59,280

showed up harold dow showed up

2093

01:23:03,510 --> 01:23:01,199

carrying a can of beer and drinking it

2094

01:23:05,270 --> 01:23:03,520

like you know he's going to some little

2095

01:23:08,390 --> 01:23:05,280

boy scout

2096

01:23:10,229 --> 01:23:08,400

campfire out out in the in the thules in

2097

01:23:13,270 --> 01:23:10,239

the volcano zone

2098

01:23:15,750 --> 01:23:13,280

so i can't get too excited about that i

2099

01:23:18,310 --> 01:23:15,760

know they're expensive but as i said you

2100

01:23:20,790 --> 01:23:18,320

know like getting non-profited

2101
01:23:22,629 --> 01:23:20,800
it has to uh raise money every year and

2102
01:23:25,590 --> 01:23:22,639
this is i'm sure this is one of greer's

2103
01:23:27,750 --> 01:23:25,600
biggest fundraisers as to this document

2104
01:23:29,669 --> 01:23:27,760
this looks pretty fascinating

2105
01:23:31,830 --> 01:23:29,679
but i have to say as someone who's made

2106
01:23:34,790 --> 01:23:31,840
a living in public relations for 30

2107
01:23:37,350 --> 01:23:34,800
years this looks like your standard

2108
01:23:39,830 --> 01:23:37,360
uh background material that you generate

2109
01:23:40,950 --> 01:23:39,840
in advance of any sort of public policy

2110
01:23:42,870 --> 01:23:40,960
event

2111
01:23:45,270 --> 01:23:42,880
or uh

2112
01:23:47,830 --> 01:23:45,280
information that you're that's that's

2113
01:23:49,030 --> 01:23:47,840

coming out attached to a to a news

2114

01:23:52,229 --> 01:23:49,040

release

2115

01:23:54,070 --> 01:23:52,239

in fact uh you know these q and a's are

2116

01:23:56,149 --> 01:23:54,080

are typical of anything you would do to

2117

01:23:57,430 --> 01:23:56,159

prepare a client to go in front of the

2118

01:23:59,189 --> 01:23:57,440

media so

2119

01:24:01,110 --> 01:23:59,199

you know they don't look like a deer in

2120

01:24:03,590 --> 01:24:01,120

the headlights or they're not blindsided

2121

01:24:05,430 --> 01:24:03,600

by any questions

2122

01:24:07,750 --> 01:24:05,440

that they you know won't be able to

2123

01:24:09,990 --> 01:24:07,760

answer and therefore not not be on

2124

01:24:12,790 --> 01:24:10,000

message so i'm going to take a harder

2125

01:24:14,390 --> 01:24:12,800

look at this but thanks for sharing it

2126

01:24:16,790 --> 01:24:14,400

well gentlemen have a great rest of your

2127

01:24:18,149 --> 01:24:16,800

show and i am getting ready to take some

2128

01:24:20,229 --> 01:24:18,159

callers so

2129

01:24:21,990 --> 01:24:20,239

i am going to depart now so call in

2130

01:24:24,149 --> 01:24:22,000

eight five five four seven two five four

2131

01:24:26,070 --> 01:24:24,159

eight three i'll be waiting on this end

2132

01:24:28,229 --> 01:24:26,080

so gentlemen have a great rest of the

2133

01:24:30,470 --> 01:24:28,239

show i'll put that i'll put that number

2134

01:24:32,790 --> 01:24:30,480

up in a minute i just want to read for

2135

01:24:36,310 --> 01:24:32,800

those people that are just listening to

2136

01:24:39,030 --> 01:24:36,320

audio only question 12 on these uh on

2137

01:24:41,030 --> 01:24:39,040

these questions and answers question 12.

2138

01:24:43,590 --> 01:24:41,040

why now why did the department establish

2139

01:24:44,470 --> 01:24:43,600

the task force why did you announce it

2140

01:24:46,550 --> 01:24:44,480

now

2141

01:24:48,470 --> 01:24:46,560

the answer to 12 the task force was

2142

01:24:50,470 --> 01:24:48,480

established to meet congressional

2143

01:24:53,110 --> 01:24:50,480

guidance including the report directed

2144

01:24:55,189 --> 01:24:53,120

by senate select committee intelligence

2145

01:24:57,189 --> 01:24:55,199

over the last year the dod undertook

2146

01:25:00,629 --> 01:24:57,199

efforts to formalize the good work done

2147

01:25:04,149 --> 01:25:00,639

by the navy for dod in leading

2148

01:25:06,709 --> 01:25:04,159

assessments of uap incursions into dod

2149

01:25:09,350 --> 01:25:06,719

training rangers and designated airspace

2150

01:25:11,669 --> 01:25:09,360

deputy secretary norquist approved the

2151

01:25:15,189 --> 01:25:11,679

established establishment of the

2152

01:25:16,470 --> 01:25:15,199

uap task force on august 4th 2020 but

2153

01:25:18,709 --> 01:25:16,480

you go through all these questions

2154

01:25:20,870 --> 01:25:18,719

there's 12 here there's some on another

2155

01:25:22,390 --> 01:25:20,880

page but anyway it's fascinating check

2156

01:25:24,550 --> 01:25:22,400

it out that uh

2157

01:25:26,709 --> 01:25:24,560

i don't think i can i can't really link

2158

01:25:28,390 --> 01:25:26,719

that particular i should be able to link

2159

01:25:29,750 --> 01:25:28,400

it somehow to john

2160

01:25:31,350 --> 01:25:29,760

greenwald's

2161

01:25:33,990 --> 01:25:31,360

uh

2162

01:25:36,070 --> 01:25:34,000

page but we we have actually we do have

2163

01:25:38,390 --> 01:25:36,080

i'm going to bring bill back in here

2164

01:25:40,470 --> 01:25:38,400

because we actually do have

2165

01:25:41,910 --> 01:25:40,480

someone calling already even though i

2166

01:25:43,750 --> 01:25:41,920

don't have the number up there joanie

2167

01:25:45,189 --> 01:25:43,760

from pennsylvania welcome to the show

2168

01:25:46,310 --> 01:25:45,199

you're live

2169

01:25:47,110 --> 01:25:46,320

all right

2170

01:25:49,270 --> 01:25:47,120

hi

2171

01:25:51,750 --> 01:25:49,280

all right i'd like to know what your

2172

01:25:54,149 --> 01:25:51,760

guest thinks about

2173

01:25:58,550 --> 01:25:54,159

about stan gordon and the textbook

2174

01:26:03,110 --> 01:26:00,550

i'm familiar with

2175

01:26:05,830 --> 01:26:03,120

the kecksburg thing mostly because of

2176

01:26:09,750 --> 01:26:05,840

the reporting that leslie kane did on it

2177

01:26:12,229 --> 01:26:09,760

many years ago uh i'm not that familiar

2178

01:26:14,470 --> 01:26:12,239

what's what's the guy's name stan gordon

2179

01:26:17,430 --> 01:26:14,480

stan gordon's a researcher

2180

01:26:19,110 --> 01:26:17,440

okay yeah i don't know much about stan

2181

01:26:21,669 --> 01:26:19,120

in fact this might be the first time

2182

01:26:22,790 --> 01:26:21,679

i've heard his name but uh i am familiar

2183

01:26:27,910 --> 01:26:22,800

with that

2184

01:26:30,310 --> 01:26:27,920

i can i can add a little bit stan's been

2185

01:26:32,709 --> 01:26:30,320

on this show probably four or five times

2186

01:26:34,790 --> 01:26:32,719

a really nice gentleman i really enjoy

2187

01:26:37,270 --> 01:26:34,800

him he doesn't i don't think he has a

2188

01:26:39,830 --> 01:26:37,280

computer he still is on the on the on

2189

01:26:43,110 --> 01:26:39,840

the landline phone every time i have him

2190

01:26:45,270 --> 01:26:43,120

on but um he has looked deeply into this

2191

01:26:48,390 --> 01:26:45,280

i actually had him debating

2192

01:26:52,149 --> 01:26:48,400

of someone that was trying to consider

2193

01:26:54,950 --> 01:26:52,159

that a a dropped satellite of some

2194

01:26:55,750 --> 01:26:54,960

sort i believe uh

2195

01:27:01,189 --> 01:26:55,760

uh

2196

01:27:04,550 --> 01:27:01,199

i i don't really know there's there's

2197

01:27:07,350 --> 01:27:04,560

kind of funny rumors about a being and i

2198

01:27:09,430 --> 01:27:07,360

don't know how much validity validity

2199

01:27:11,590 --> 01:27:09,440

there is to any of that but you know the

2200

01:27:13,990 --> 01:27:11,600

case itself was pretty amazing you know

2201

01:27:15,910 --> 01:27:14,000

the military did get involved but maybe

2202

01:27:17,510 --> 01:27:15,920

they got involved for

2203

01:27:20,229 --> 01:27:17,520

you know national security reasons that

2204

01:27:21,830 --> 01:27:20,239

had to do with something dangerous on

2205

01:27:23,830 --> 01:27:21,840

something that dropped that wasn't

2206

01:27:25,510 --> 01:27:23,840

supposed to the one thing about that

2207

01:27:27,590 --> 01:27:25,520

whole story is

2208

01:27:30,470 --> 01:27:27,600

this thing changed directions

2209

01:27:31,110 --> 01:27:30,480

before it like crashed and um i don't

2210

01:27:34,390 --> 01:27:31,120

know

2211

01:27:35,910 --> 01:27:34,400

that we'd put up there that would

2212

01:27:38,390 --> 01:27:35,920

actually do that

2213

01:27:40,870 --> 01:27:38,400

uh but unless it was something you know

2214

01:27:42,470 --> 01:27:40,880

misfiring or or whatever it is

2215

01:27:44,709 --> 01:27:42,480

that happened but anything else you'd

2216

01:27:46,790 --> 01:27:44,719

like to ask our guest joni

2217

01:27:49,270 --> 01:27:46,800

yes i'd like to also know what does he

2218

01:27:51,750 --> 01:27:49,280

think about the press the pendulum in

2219

01:27:56,550 --> 01:27:51,760

incident

2220

01:27:59,430 --> 01:27:57,510

uh

2221

01:28:02,709 --> 01:27:59,440

i'm could you could you say that one

2222

01:28:07,110 --> 01:28:05,270

pandersome

2223

01:28:10,229 --> 01:28:07,120

okay

2224

01:28:11,110 --> 01:28:10,239

it's in england in england yeah oh oh

2225

01:28:13,669 --> 01:28:11,120

okay

2226

01:28:15,270 --> 01:28:13,679

um you know i've read quite a bit about

2227

01:28:18,629 --> 01:28:15,280

that

2228

01:28:22,149 --> 01:28:18,639

it seems like a real incident the

2229

01:28:23,830 --> 01:28:22,159

officers involved on that who who have

2230

01:28:25,830 --> 01:28:23,840

come forward over the years have some

2231

01:28:29,750 --> 01:28:25,840

pretty amazing stories especially the

2232

01:28:31,750 --> 01:28:29,760

one individual who claims he received a

2233

01:28:34,390 --> 01:28:31,760

download after he

2234

01:28:38,070 --> 01:28:34,400

put his hands out toward the craft jane

2235

01:28:40,709 --> 01:28:38,080

peniston yeah pennison thank you

2236

01:28:42,790 --> 01:28:40,719

thank you martin

2237

01:28:43,669 --> 01:28:42,800

that's a fascinating case and again you

2238

01:28:44,870 --> 01:28:43,679

know

2239

01:28:46,149 --> 01:28:44,880

uh

2240

01:28:48,870 --> 01:28:46,159

that part of

2241

01:28:51,830 --> 01:28:48,880

of uh of england

2242

01:28:54,070 --> 01:28:51,840

is notorious for having a huge atomic

2243

01:28:56,950 --> 01:28:54,080

stockpile so there might have been some

2244

01:28:59,910 --> 01:28:56,960

surveillance aspect going on with that

2245

01:29:01,990 --> 01:28:59,920

incident uh it's certainly

2246

01:29:03,750 --> 01:29:02,000

you know the brits certainly and the

2247

01:29:05,590 --> 01:29:03,760

americans certainly went to great

2248

01:29:07,669 --> 01:29:05,600

lengths and provided some really

2249

01:29:09,270 --> 01:29:07,679

outrageous stories

2250

01:29:11,910 --> 01:29:09,280

to just you know

2251

01:29:14,470 --> 01:29:11,920

debunk it and and to try to convince

2252

01:29:16,950 --> 01:29:14,480

people it was not a big deal it was

2253

01:29:19,750 --> 01:29:16,960

it was a lighthouse light that they saw

2254

01:29:21,350 --> 01:29:19,760

and it was obscured by the trees and the

2255

01:29:24,149 --> 01:29:21,360

forest and

2256

01:29:27,510 --> 01:29:24,159

it is all kinds of nonsense but pretty

2257

01:29:30,390 --> 01:29:27,520

transparent effort to cover it up

2258

01:29:32,550 --> 01:29:30,400

yeah that was to me that was one of the

2259

01:29:33,990 --> 01:29:32,560

major cases it's in what i consider at

2260

01:29:36,629 --> 01:29:34,000

least the top ten

2261

01:29:38,470 --> 01:29:36,639

of all the cases military was involved

2262

01:29:40,470 --> 01:29:38,480

beam came down on was probably the

2263

01:29:43,030 --> 01:29:40,480

weapon storage area where there may have

2264

01:29:46,229 --> 01:29:43,040

been may or may not been have been nukes

2265

01:29:48,070 --> 01:29:46,239

in there most likely was but um

2266

01:29:50,470 --> 01:29:48,080

colonel charles halt

2267

01:29:52,310 --> 01:29:50,480

commander charles hall would not um

2268

01:29:53,510 --> 01:29:52,320

verify that he does not like being asked

2269

01:29:56,229 --> 01:29:53,520

that question

2270

01:29:58,149 --> 01:29:56,239

so uh but it's all it's all such a

2271

01:30:00,790 --> 01:29:58,159

fascinating case there was a there were

2272

01:30:03,430 --> 01:30:00,800

the people were interrogated afterwards

2273

01:30:05,910 --> 01:30:03,440

and kind of monkeyed with i believe

2274

01:30:07,669 --> 01:30:05,920

and so that's why there's convoluted

2275

01:30:10,390 --> 01:30:07,679

stories about what happened there but a

2276

01:30:12,149 --> 01:30:10,400

fascinating case back in 1980 for those

2277

01:30:14,229 --> 01:30:12,159

new listeners that want to check it out

2278

01:30:18,229 --> 01:30:14,239

the rendelsham forest case thank you

2279

01:30:23,590 --> 01:30:21,510

all right next we have bert he is on the

2280

01:30:26,550 --> 01:30:23,600

line from los angeles bert

2281

01:30:28,790 --> 01:30:26,560

you are live on the air

2282

01:30:31,590 --> 01:30:28,800

uh yes you know i've been uh hearing a

2283

01:30:32,870 --> 01:30:31,600

lot about or after the tic tac videos

2284

01:30:34,870 --> 01:30:32,880

came out

2285

01:30:36,790 --> 01:30:34,880

uh i've heard a lot of reports that the

2286

01:30:39,270 --> 01:30:36,800

military especially the navy has been

2287

01:30:40,870 --> 01:30:39,280

running into these ufos pretty much on a

2288

01:30:44,870 --> 01:30:40,880

daily basis

2289

01:30:46,470 --> 01:30:44,880

and i've also read um reports where um

2290

01:30:48,709 --> 01:30:46,480

back in the roman times you know they

2291

01:30:50,629 --> 01:30:48,719

were seeing these ufos

2292

01:30:52,550 --> 01:30:50,639

so i've come to the conclusion that

2293

01:30:55,270 --> 01:30:52,560

they're not all visiting that you know

2294

01:30:56,870 --> 01:30:55,280

there must be several advanced species

2295

01:30:58,950 --> 01:30:56,880

that live in our oceans and deep earth

2296

01:31:01,030 --> 01:30:58,960

caverns and i think that's the secret

2297

01:31:04,070 --> 01:31:01,040

that the government and the military

2298

01:31:09,189 --> 01:31:06,950

that we're not alone on the planet

2299

01:31:11,110 --> 01:31:09,199

and we never have been

2300

01:31:12,550 --> 01:31:11,120

do you want to comment on that

2301

01:31:13,830 --> 01:31:12,560

well

2302

01:31:16,310 --> 01:31:13,840

yeah that's

2303

01:31:18,070 --> 01:31:16,320

those submersible sightings are pretty

2304

01:31:20,709 --> 01:31:18,080

fascinating and that you know i've read

2305

01:31:22,310 --> 01:31:20,719

a fair amount of the literature about

2306

01:31:24,709 --> 01:31:22,320

bases

2307

01:31:26,310 --> 01:31:24,719

deep in the mariana trenches or where

2308

01:31:29,430 --> 01:31:26,320

you know wherever

2309

01:31:31,990 --> 01:31:29,440

in the oceans and quite a few sightings

2310

01:31:34,390 --> 01:31:32,000

seen around the world of objects

2311

01:31:36,310 --> 01:31:34,400

entering the water and coming out of the

2312

01:31:38,470 --> 01:31:36,320

water at high speeds

2313

01:31:41,350 --> 01:31:38,480

it's quite possible that

2314

01:31:43,830 --> 01:31:41,360

there could be another civilization

2315

01:31:46,470 --> 01:31:43,840

hiding in plain sight but it's also

2316

01:31:48,030 --> 01:31:46,480

quite possible that there are bases

2317

01:31:49,830 --> 01:31:48,040

established by

2318

01:31:51,750 --> 01:31:49,840

space-faring

2319

01:31:54,870 --> 01:31:51,760

civilizations that have

2320

01:31:57,189 --> 01:31:54,880

long ago figured out ways to get here

2321

01:31:59,510 --> 01:31:57,199

in my book i talk about the

2322

01:32:02,070 --> 01:31:59,520

rand report that was written in the in

2323

01:32:03,590 --> 01:32:02,080

the late 60s it was never peer reviewed

2324

01:32:05,990 --> 01:32:03,600

and it was kept

2325

01:32:08,390 --> 01:32:06,000

it was held close by rand and for those

2326

01:32:11,350 --> 01:32:08,400

not familiar rand is a

2327

01:32:12,550 --> 01:32:11,360

rand corporation is a

2328

01:32:14,790 --> 01:32:12,560

long longtime

2329

01:32:17,590 --> 01:32:14,800

conservative think tank kind of on the

2330

01:32:20,550 --> 01:32:17,600

tucker carlson side of the world and

2331

01:32:22,870 --> 01:32:20,560

and uh eventually after years of

2332

01:32:25,510 --> 01:32:22,880

pressure from the ufo community they

2333

01:32:26,550 --> 01:32:25,520

finally released it in the early 90s i

2334

01:32:28,790 --> 01:32:26,560

believe

2335

01:32:31,430 --> 01:32:28,800

and i quote that report fairly

2336

01:32:33,430 --> 01:32:31,440

extensively and

2337

01:32:35,430 --> 01:32:33,440

some of the things the report

2338

01:32:36,310 --> 01:32:35,440

relays is that

2339

01:32:39,030 --> 01:32:36,320

there's

2340

01:32:41,030 --> 01:32:39,040

the possibility of probably

2341

01:32:44,390 --> 01:32:41,040

15 i think i think their number at the

2342

01:32:46,550 --> 01:32:44,400

time was 1500 advanced civilizations

2343

01:32:49,830 --> 01:32:46,560

scattered just throughout

2344

01:32:51,430 --> 01:32:49,840

the milky way galaxy and they actually

2345

01:32:53,830 --> 01:32:51,440

get into

2346

01:32:55,990 --> 01:32:53,840

the incursions at different atomic sites

2347

01:32:57,750 --> 01:32:56,000

since the dawn of the atomic age in the

2348

01:33:01,189 --> 01:32:57,760

40s

2349

01:33:03,830 --> 01:33:01,199

it's a fascinating report and it's been

2350

01:33:05,030 --> 01:33:03,840

corroborated i think in large part

2351
01:33:07,350 --> 01:33:05,040
through

2352
01:33:09,510 --> 01:33:07,360
other research that individual ufo

2353
01:33:11,910 --> 01:33:09,520
researchers have done and that are you

2354
01:33:15,110 --> 01:33:11,920
know is readily available in different

2355
01:33:18,550 --> 01:33:16,470
i think

2356
01:33:21,189 --> 01:33:18,560
you know you can probably find that

2357
01:33:24,310 --> 01:33:21,199
document online too i i think i even had

2358
01:33:27,110 --> 01:33:24,320
an interview with somebody who from rand

2359
01:33:29,830 --> 01:33:27,120
who was uh on their pr desk at the time

2360
01:33:31,430 --> 01:33:29,840
it was released

2361
01:33:36,390 --> 01:33:31,440
well you know my people have also

2362
01:33:40,470 --> 01:33:38,550
say that again bert

2363
01:33:41,910 --> 01:33:40,480

i said uh robert bigelow in his

2364

01:33:44,709 --> 01:33:41,920

interview he has said that you know

2365

01:33:47,270 --> 01:33:44,719

they're right under our noses

2366

01:33:50,550 --> 01:33:47,280

yeah that's a that was a classic bigelow

2367

01:33:53,510 --> 01:33:50,560

moment on uh 60 minutes when when he

2368

01:33:55,830 --> 01:33:53,520

said there's a ufo presence on earth and

2369

01:33:57,750 --> 01:33:55,840

and the reporter i think was pretty

2370

01:33:58,550 --> 01:33:57,760

shocked to

2371

01:34:01,030 --> 01:33:58,560

uh

2372

01:34:03,110 --> 01:34:01,040

have had him say that on camera and he's

2373

01:34:05,189 --> 01:34:03,120

and she says what it what if no one

2374

01:34:06,870 --> 01:34:05,199

believes you and he said he just point

2375

01:34:07,910 --> 01:34:06,880

blank looked at her and he said i don't

2376

01:34:10,790 --> 01:34:07,920

care

2377

01:34:14,550 --> 01:34:10,800

yeah bob bigelow's all about business

2378

01:34:18,390 --> 01:34:14,560

and always has been i tried to get a uh

2379

01:34:20,629 --> 01:34:18,400

a pr uh freelance gig with with nids

2380

01:34:22,550 --> 01:34:20,639

which he ran for a time

2381

01:34:25,110 --> 01:34:22,560

in the

2382

01:34:27,189 --> 01:34:25,120

early 2000s national institute for

2383

01:34:29,430 --> 01:34:27,199

discovery sciences there's

2384

01:34:31,189 --> 01:34:29,440

kind of an amusing story there that's in

2385

01:34:33,669 --> 01:34:31,199

the book

2386

01:34:35,830 --> 01:34:33,679

but you know bob bigelow obviously got

2387

01:34:39,750 --> 01:34:35,840

the big contract from

2388

01:34:42,709 --> 01:34:39,760

from the government to investigate uh

2389

01:34:45,990 --> 01:34:42,719

all the information that

2390

01:34:47,030 --> 01:34:46,000

that was inside the military and he also

2391

01:34:49,590 --> 01:34:47,040

apparently

2392

01:34:51,910 --> 01:34:49,600

even had uh hardware

2393

01:34:54,390 --> 01:34:51,920

that that's being researched or has been

2394

01:34:57,590 --> 01:34:54,400

researched i mean that program

2395

01:34:59,669 --> 01:34:57,600

was set up in 2012 and wasn't revealed

2396

01:35:00,470 --> 01:34:59,679

until 2017

2397

01:35:02,790 --> 01:35:00,480

so

2398

01:35:05,030 --> 01:35:02,800

there's a lot we don't know about that

2399

01:35:07,830 --> 01:35:05,040

whole um

2400

01:35:09,669 --> 01:35:07,840

bigelow investigation

2401

01:35:11,910 --> 01:35:09,679

harry reid in fact told new york

2402

01:35:14,550 --> 01:35:11,920

magazine like that you know i don't know

2403

01:35:17,590 --> 01:35:14,560

what's wrong with the media we have

2404

01:35:20,470 --> 01:35:17,600

eighty percent of this uh

2405

01:35:24,470 --> 01:35:20,480

written report that that we

2406

01:35:26,310 --> 01:35:24,480

that bigelow's researchers generated

2407

01:35:29,590 --> 01:35:26,320

it's available and nobody's come out

2408

01:35:31,270 --> 01:35:29,600

here to look at it and

2409

01:35:32,550 --> 01:35:31,280

you know that's the kind of puzzling

2410

01:35:34,550 --> 01:35:32,560

thing that

2411

01:35:36,790 --> 01:35:34,560

you think well why didn't the new york

2412

01:35:39,030 --> 01:35:36,800

times follow up and actually really get

2413

01:35:41,189 --> 01:35:39,040

into the guts of this thing

2414

01:35:43,990 --> 01:35:41,199

why didn't they look at the hardware

2415

01:35:47,109 --> 01:35:44,000

providing bigelow would have uh allowed

2416

01:35:49,109 --> 01:35:47,119

access etc etc so

2417

01:35:51,430 --> 01:35:49,119

it's a you know it's it's a

2418

01:35:52,629 --> 01:35:51,440

fascinating area and it's a frustrating

2419

01:35:53,990 --> 01:35:52,639

area

2420

01:35:56,870 --> 01:35:54,000

and that's that's kind of my

2421

01:35:58,390 --> 01:35:56,880

organization

2422

01:36:00,310 --> 01:35:58,400

what's that

2423

01:36:01,990 --> 01:36:00,320

i said the job of the mainstream media

2424

01:36:05,270 --> 01:36:02,000

to make sure we don't know the truth

2425

01:36:07,430 --> 01:36:05,280

it's all about distraction with them

2426

01:36:09,430 --> 01:36:07,440

well i think it's all about selling cars

2427

01:36:12,470 --> 01:36:09,440

and facial cream and

2428

01:36:13,590 --> 01:36:12,480

it's all about you know the bottom line

2429

01:36:15,109 --> 01:36:13,600

i forget

2430

01:36:17,109 --> 01:36:15,119

i need to have a chart in front of me

2431

01:36:19,910 --> 01:36:17,119

when i do these interviews because i

2432

01:36:22,629 --> 01:36:19,920

forget the number of corporations that

2433

01:36:24,470 --> 01:36:22,639

that own uh you know the major networks

2434

01:36:27,189 --> 01:36:24,480

now and

2435

01:36:29,270 --> 01:36:27,199

it's it's pretty disturbing

2436

01:36:31,669 --> 01:36:29,280

well we used to have a time where

2437

01:36:35,109 --> 01:36:31,679

you know there was like four channels on

2438

01:36:37,030 --> 01:36:35,119

tv and you know news came on for an hour

2439

01:36:38,390 --> 01:36:37,040

at seven and now you know cable has to

2440

01:36:41,430 --> 01:36:38,400

fill the time

2441

01:36:44,790 --> 01:36:41,440

uh you know with with news and

2442

01:36:45,990 --> 01:36:44,800

uh you know so i don't know uh

2443

01:36:48,070 --> 01:36:46,000

uh

2444

01:36:53,030 --> 01:36:48,080

there's a lot of

2445

01:36:56,470 --> 01:36:53,040

there compared to facts is what i'm

2446

01:37:00,070 --> 01:36:56,480

getting uh getting at uh and also bert

2447

01:37:02,950 --> 01:37:00,080

just uh you mentioned the possibility of

2448

01:37:06,070 --> 01:37:02,960

them being you know planet bound uh you

2449

01:37:07,910 --> 01:37:06,080

know the earth is 70 ocean and we know

2450

01:37:10,070 --> 01:37:07,920

more about the moon surface than we do

2451

01:37:12,629 --> 01:37:10,080

about the ocean floor

2452

01:37:14,709 --> 01:37:12,639

i i have an open mind you know there are

2453

01:37:17,030 --> 01:37:14,719

people that have seen you know a friend

2454

01:37:17,990 --> 01:37:17,040

of mine mark d'antonio saw something

2455

01:37:20,550 --> 01:37:18,000

going

2456

01:37:23,510 --> 01:37:20,560

you know over 200 knots when he was out

2457

01:37:25,830 --> 01:37:23,520

on a test in a submarine uh years ago

2458

01:37:27,510 --> 01:37:25,840

and they said oh yeah that's a fast fast

2459

01:37:28,229 --> 01:37:27,520

walk or a fast mover or something like

2460

01:37:32,470 --> 01:37:28,239

that

2461

01:37:35,990 --> 01:37:34,470

it makes more sense if you start with

2462

01:37:38,470 --> 01:37:36,000

that premise that they're from this

2463

01:37:39,430 --> 01:37:38,480

planet as opposed to visiting

2464

01:37:40,310 --> 01:37:39,440

yeah

2465

01:37:43,270 --> 01:37:40,320

and then

2466

01:37:45,750 --> 01:37:43,280

but if so i mean what kind i think of

2467

01:37:47,030 --> 01:37:45,760

these things like what kind of life

2468

01:37:49,910 --> 01:37:47,040

could

2469

01:37:51,350 --> 01:37:49,920

whatever it is have under the ocean or

2470

01:37:52,870 --> 01:37:51,360

you know some people say they're in the

2471

01:37:53,990 --> 01:37:52,880

planet you know on underground or

2472

01:37:56,070 --> 01:37:54,000

whatever

2473

01:37:57,270 --> 01:37:56,080

but what type of life would anything

2474

01:37:59,270 --> 01:37:57,280

have

2475

01:38:01,590 --> 01:37:59,280

in just uh

2476

01:38:02,709 --> 01:38:01,600

you know the elements of of water you

2477

01:38:04,550 --> 01:38:02,719

know

2478

01:38:06,550 --> 01:38:04,560

don't think like a human try to think

2479

01:38:08,070 --> 01:38:06,560

like a civilization that has existed for

2480

01:38:08,870 --> 01:38:08,080

thousands of years

2481

01:38:14,070 --> 01:38:08,880

yeah

2482

01:38:16,550 --> 01:38:14,080

hey bert thank you anything else i think

2483

01:38:18,870 --> 01:38:16,560

that's where we get trip very much

2484

01:38:20,550 --> 01:38:18,880

bird i think that's where we we humans

2485

01:38:22,870 --> 01:38:20,560

get tripped up a lot we're very

2486

01:38:24,870 --> 01:38:22,880

anthropocentric we

2487

01:38:27,189 --> 01:38:24,880

tend to do it everything

2488

01:38:29,990 --> 01:38:27,199

through the lens of the human

2489

01:38:32,950 --> 01:38:30,000

mind such as it is and the thing that

2490

01:38:36,310 --> 01:38:32,960

intrigued me initially about steve greer

2491

01:38:38,629 --> 01:38:36,320

was that he he often held a uf uh

2492

01:38:40,390 --> 01:38:38,639

perspective an et perspective that i

2493

01:38:42,709 --> 01:38:40,400

hadn't heard anywhere else

2494

01:38:44,790 --> 01:38:42,719

among researchers and i thought

2495

01:38:47,990 --> 01:38:44,800

early on before i went to work as his

2496

01:38:49,590 --> 01:38:48,000

publicist in the 90s early on

2497

01:38:53,189 --> 01:38:49,600

i thought well this this could be the

2498

01:38:57,270 --> 01:38:53,199

next level of ufology and uh i think to

2499

01:38:58,390 --> 01:38:57,280

date that's withstood the test of time

2500

01:39:00,470 --> 01:38:58,400

thanks for the call

2501

01:39:02,550 --> 01:39:00,480

um the line is open and again that

2502

01:39:04,950 --> 01:39:02,560

number is eight five five four seven two

2503

01:39:07,109 --> 01:39:04,960

five four eight three i'll call in for

2504

01:39:09,270 --> 01:39:07,119

your questions also if you're going to

2505

01:39:11,430 --> 01:39:09,280

uh you don't feel like calling in and

2506

01:39:14,070 --> 01:39:11,440

you'd rather post a question on chat

2507

01:39:16,790 --> 01:39:14,080

just please do put that in caps so i i

2508

01:39:18,709 --> 01:39:16,800

do i do not miss it um

2509

01:39:21,109 --> 01:39:18,719

let me ask you in your

2510

01:39:21,990 --> 01:39:21,119

the topic of you probably saw during the

2511

01:39:24,070 --> 01:39:22,000

break

2512

01:39:25,990 --> 01:39:24,080

i asked you know like

2513

01:39:27,830 --> 01:39:26,000

other abductions are there people that

2514

01:39:30,229 --> 01:39:27,840

claim they see beings and

2515

01:39:32,550 --> 01:39:30,239

that part is that like

2516

01:39:34,629 --> 01:39:32,560

in your book at all or is that

2517

01:39:36,790 --> 01:39:34,639

too far out there for

2518

01:39:39,430 --> 01:39:36,800

for you to to go

2519

01:39:41,590 --> 01:39:39,440

no in fact uh chapter three is

2520

01:39:46,229 --> 01:39:41,600

completely dedicated to the so-called

2521

01:39:52,550 --> 01:39:48,870

kind of bouncing off my experience of

2522

01:39:54,790 --> 01:39:52,560

the five little red orbs in the room

2523

01:39:57,750 --> 01:39:54,800

because i had some side effects from

2524

01:39:59,669 --> 01:39:57,760

that event that lasted two or three days

2525

01:40:00,950 --> 01:39:59,679

physical and mental

2526

01:40:03,669 --> 01:40:00,960

and uh

2527

01:40:05,990 --> 01:40:03,679

it was disturbing like i said earlier i

2528

01:40:07,270 --> 01:40:06,000

went searching for answers and

2529

01:40:10,550 --> 01:40:07,280

um

2530

01:40:13,590 --> 01:40:10,560

a sea city member from california uh

2531

01:40:16,550 --> 01:40:13,600

in that same period sent me a uh

2532

01:40:18,070 --> 01:40:16,560

a monogram by a guy a guy named martin

2533

01:40:22,149 --> 01:40:18,080

cannon

2534

01:40:25,590 --> 01:40:22,159

who talks about the ability of

2535

01:40:28,070 --> 01:40:25,600

abductions to be staged

2536

01:40:31,910 --> 01:40:28,080

through human means through technologies

2537

01:40:33,990 --> 01:40:31,920

etc it's a fascinating 60-some page

2538

01:40:36,390 --> 01:40:34,000

document

2539

01:40:38,870 --> 01:40:36,400

that i quote pretty extensively from and

2540

01:40:41,590 --> 01:40:38,880

there's been subsequent books written on

2541

01:40:44,870 --> 01:40:41,600

it by uh

2542

01:40:48,229 --> 01:40:44,880

about military abductions uh i'm

2543

01:40:51,350 --> 01:40:48,239

blanking on the guy's name

2544

01:40:53,590 --> 01:40:51,360

lambert lambert uh

2545

01:40:55,990 --> 01:40:53,600

it'll come to me in a second so

2546

01:40:58,790 --> 01:40:56,000

i delved pretty deeply into this into

2547

01:41:01,350 --> 01:40:58,800

this martin cannon work

2548

01:41:03,669 --> 01:41:01,360

which is interesting because it it makes

2549

01:41:06,229 --> 01:41:03,679

a very strong case that you can

2550

01:41:08,470 --> 01:41:06,239

manufacture an abduction and an

2551
01:41:11,270 --> 01:41:08,480
abduction experience

2552
01:41:13,510 --> 01:41:11,280
using these technological tools these

2553
01:41:14,870 --> 01:41:13,520
psychotronic weapons

2554
01:41:17,030 --> 01:41:14,880
which are

2555
01:41:19,350 --> 01:41:17,040
initially came out of the mkultra

2556
01:41:21,750 --> 01:41:19,360
program and i think probably some of

2557
01:41:23,910 --> 01:41:21,760
your listeners in martin you might be

2558
01:41:27,750 --> 01:41:23,920
familiar with that because the congress

2559
01:41:30,470 --> 01:41:27,760
busted the the cia back in the late 70s

2560
01:41:33,270 --> 01:41:30,480
when it was exposed that they had been

2561
01:41:34,550 --> 01:41:33,280
conducting drug experiments on military

2562
01:41:37,310 --> 01:41:34,560
men and women

2563
01:41:39,109 --> 01:41:37,320

using lsd and other uh other

2564

01:41:42,149 --> 01:41:39,119

hallucinogens

2565

01:41:44,629 --> 01:41:42,159

mostly for behavior modification but you

2566

01:41:47,109 --> 01:41:44,639

know the disability and manufacturing

2567

01:41:49,510 --> 01:41:47,119

abduction experience came out of that

2568

01:41:50,550 --> 01:41:49,520

same mindset and maybe even that same

2569

01:41:53,350 --> 01:41:50,560

program

2570

01:41:54,550 --> 01:41:53,360

cannon time and again in his research

2571

01:41:56,790 --> 01:41:54,560

says this

2572

01:41:59,189 --> 01:41:56,800

needs to be looked into more thoroughly

2573

01:42:01,910 --> 01:41:59,199

and this whole abduction thing needs

2574

01:42:06,229 --> 01:42:01,920

needs to be put to bed uh we need to

2575

01:42:10,310 --> 01:42:08,229

the interesting thing about

2576

01:42:13,430 --> 01:42:10,320

cannon's work which he subsequently

2577

01:42:16,070 --> 01:42:13,440

turned into a book 300 page book which

2578

01:42:19,109 --> 01:42:16,080

is now also out of print

2579

01:42:20,390 --> 01:42:19,119

is that at some point canon disavowed

2580

01:42:21,430 --> 01:42:20,400

his whole

2581

01:42:23,510 --> 01:42:21,440

theory

2582

01:42:26,629 --> 01:42:23,520

that he had presented in the book and in

2583

01:42:28,629 --> 01:42:26,639

the 60 page monogram saying that this

2584

01:42:30,550 --> 01:42:28,639

damn thing has got me in more trouble

2585

01:42:31,830 --> 01:42:30,560

than i ever imagined which to me just

2586

01:42:34,310 --> 01:42:31,840

says hey you

2587

01:42:35,270 --> 01:42:34,320

you touch some very raw nerves there pal

2588

01:42:37,590 --> 01:42:35,280

and and

2589

01:42:38,790 --> 01:42:37,600

you protest too much this is probably

2590

01:42:41,270 --> 01:42:38,800

all very

2591

01:42:43,430 --> 01:42:41,280

factual and reliable research that

2592

01:42:46,390 --> 01:42:43,440

you've created in this

2593

01:42:48,950 --> 01:42:46,400

yet another fascinating sort of blind

2594

01:42:51,910 --> 01:42:48,960

alley that ufology

2595

01:42:56,550 --> 01:42:53,910

it it is and you know when i first

2596

01:42:57,350 --> 01:42:56,560

started the show i was i was totally

2597

01:42:59,750 --> 01:42:57,360

like

2598

01:43:02,390 --> 01:42:59,760

on the fence and

2599

01:43:04,709 --> 01:43:02,400

uh i do believe that

2600

01:43:05,990 --> 01:43:04,719

you know something is happening

2601
01:43:09,430 --> 01:43:06,000
i don't know

2602
01:43:11,430 --> 01:43:09,440
exactly what it is and i i think

2603
01:43:13,109 --> 01:43:11,440
you know even though there purportedly

2604
01:43:15,510 --> 01:43:13,119
is so many

2605
01:43:17,990 --> 01:43:15,520
people saying in this country that

2606
01:43:20,070 --> 01:43:18,000
they're having these experiences

2607
01:43:23,590 --> 01:43:20,080
i still think something like this has to

2608
01:43:25,430 --> 01:43:23,600
be done on a case-by-case basis and

2609
01:43:27,910 --> 01:43:25,440
to try to figure out

2610
01:43:30,629 --> 01:43:27,920
you know i mean you know it has the one

2611
01:43:33,590 --> 01:43:30,639
thing about ufos there's there's

2612
01:43:35,510 --> 01:43:33,600
multiple witnesses often times

2613
01:43:37,750 --> 01:43:35,520

in the abduction thing every once in a

2614

01:43:40,390 --> 01:43:37,760

while you'll hear about another witness

2615

01:43:42,470 --> 01:43:40,400

but i have never heard i've never spoke

2616

01:43:44,629 --> 01:43:42,480

to someone that witnessed one

2617

01:43:46,149 --> 01:43:44,639

i've never had anyone like that on the

2618

01:43:48,870 --> 01:43:46,159

show discuss

2619

01:43:51,109 --> 01:43:48,880

actually witnessing one except for you

2620

01:43:53,430 --> 01:43:51,119

know there was the one case

2621

01:43:56,229 --> 01:43:53,440

that's uh i've really covered heavily on

2622

01:43:58,310 --> 01:43:56,239

this the berkshires ufo incident when

2623

01:43:59,270 --> 01:43:58,320

when tom warner like disappeared in a

2624

01:44:02,550 --> 01:43:59,280

beam

2625

01:44:04,790 --> 01:44:02,560

a by witness saw that and then was uh

2626

01:44:07,270 --> 01:44:04,800

placed back down you know i mean

2627

01:44:09,590 --> 01:44:07,280

that's another really bizarre thing but

2628

01:44:12,390 --> 01:44:09,600

uh and the travis walton case i think is

2629

01:44:14,390 --> 01:44:12,400

pretty strong out of arizona yes

2630

01:44:16,709 --> 01:44:14,400

yeah they made a movie out of that fire

2631

01:44:18,790 --> 01:44:16,719

in the sky it's worth watching

2632

01:44:22,790 --> 01:44:18,800

right uh the whole abduction thing is

2633

01:44:28,149 --> 01:44:22,800

very fascinating i think john mack

2634

01:44:32,310 --> 01:44:29,750

looking into the

2635

01:44:35,109 --> 01:44:32,320

the prospect that maybe these weren't

2636

01:44:36,790 --> 01:44:35,119

physical abductions per se

2637

01:44:39,990 --> 01:44:36,800

that they were that

2638

01:44:42,550 --> 01:44:40,000

beings or or some sort of force had

2639

01:44:43,910 --> 01:44:42,560

figured out a way to to hack human

2640

01:44:45,590 --> 01:44:43,920

consciousness

2641

01:44:47,270 --> 01:44:45,600

and these things were taking place

2642

01:44:49,430 --> 01:44:47,280

inside the mind

2643

01:44:51,270 --> 01:44:49,440

rather than inside of a spaceship

2644

01:44:53,350 --> 01:44:51,280

hovering over your house at three in the

2645

01:44:54,709 --> 01:44:53,360

morning

2646

01:44:56,550 --> 01:44:54,719

you know that's

2647

01:44:58,310 --> 01:44:56,560

that's the kind of stuff that gets me

2648

01:45:01,669 --> 01:44:58,320

intellectually

2649

01:45:04,950 --> 01:45:01,679

excited to learn more about this uh of

2650

01:45:07,590 --> 01:45:04,960

course whitley strieber you know he

2651
01:45:09,669 --> 01:45:07,600
he would characterize his experiences i

2652
01:45:12,310 --> 01:45:09,679
think as abductions

2653
01:45:13,910 --> 01:45:12,320
i just saw a quote from him recently

2654
01:45:17,030 --> 01:45:13,920
though saying he doesn't know if they're

2655
01:45:19,910 --> 01:45:17,040
space men or women or beings

2656
01:45:21,510 --> 01:45:19,920
he says that's a that's a big tbd but he

2657
01:45:24,310 --> 01:45:21,520
definitely had

2658
01:45:25,270 --> 01:45:24,320
uh these experiences time and again that

2659
01:45:28,790 --> 01:45:25,280
he

2660
01:45:31,430 --> 01:45:28,800
obviously had written communion about

2661
01:45:33,430 --> 01:45:31,440
and uh

2662
01:45:35,669 --> 01:45:33,440
you know i like i like to think of it

2663
01:45:38,149 --> 01:45:35,679

these days as the close encounters of

2664

01:45:39,830 --> 01:45:38,159

the fourth kind the interaction with

2665

01:45:42,709 --> 01:45:39,840

being spotted

2666

01:45:45,270 --> 01:45:42,719

you know either in or outside of a craft

2667

01:45:48,390 --> 01:45:45,280

those are probably the real deal whereas

2668

01:45:49,270 --> 01:45:48,400

the so-called hardcore abductions that

2669

01:45:51,189 --> 01:45:49,280

we're

2670

01:45:55,750 --> 01:45:51,199

familiar with that the media really

2671

01:45:58,550 --> 01:45:55,760

seized on in the 90s and early 2000s

2672

01:46:00,229 --> 01:45:58,560

those are those are likely manufactured

2673

01:46:02,310 --> 01:46:00,239

events and

2674

01:46:04,629 --> 01:46:02,320

i think

2675

01:46:08,229 --> 01:46:04,639

they happen or they do happen because

2676

01:46:10,790 --> 01:46:08,239

they they want to pollute the

2677

01:46:12,629 --> 01:46:10,800

the real thing they want to uh

2678

01:46:13,430 --> 01:46:12,639

you know it's a it's another way for

2679

01:46:15,990 --> 01:46:13,440

them

2680

01:46:18,070 --> 01:46:16,000

to put people off the the game to put

2681

01:46:19,270 --> 01:46:18,080

them off the research to put the math

2682

01:46:24,709 --> 01:46:19,280

off the

2683

01:46:27,350 --> 01:46:24,719

what stephen bassett calls the the truth

2684

01:46:29,830 --> 01:46:27,360

embargo all these

2685

01:46:36,310 --> 01:46:32,950

all these situations that that may

2686

01:46:39,109 --> 01:46:36,320

extend from the mk ultra program i mean

2687

01:46:40,709 --> 01:46:39,119

it's it's almost more disturbing to

2688

01:46:43,430 --> 01:46:40,719

think that that

2689

01:46:46,070 --> 01:46:43,440

this is a reality that we live with

2690

01:46:47,990 --> 01:46:46,080

versus the reality of extraterrestrial

2691

01:46:50,390 --> 01:46:48,000

visitors i mean i think

2692

01:46:52,149 --> 01:46:50,400

that's more disturbing than anything

2693

01:46:55,750 --> 01:46:52,159

that that

2694

01:46:58,070 --> 01:46:55,760

the military or psyops or black programs

2695

01:46:59,990 --> 01:46:58,080

would have these uh

2696

01:47:02,390 --> 01:47:00,000

abduction

2697

01:47:04,229 --> 01:47:02,400

episodes executed in the name of

2698

01:47:06,229 --> 01:47:04,239

national security or whatever they want

2699

01:47:08,310 --> 01:47:06,239

to call it

2700

01:47:10,149 --> 01:47:08,320

and i you know i explore that pretty

2701

01:47:12,870 --> 01:47:10,159

heavily in the book

2702

01:47:14,629 --> 01:47:12,880

uh-huh uh mary grace is asking this

2703

01:47:16,310 --> 01:47:14,639

question and uh just to let you know

2704

01:47:18,070 --> 01:47:16,320

mary grace the reason i didn't ask the

2705

01:47:20,550 --> 01:47:18,080

one above you

2706

01:47:23,669 --> 01:47:20,560

uh because this happened when he was

2707

01:47:26,310 --> 01:47:23,679

young about the orbs in his home but

2708

01:47:27,510 --> 01:47:26,320

about the latest paranormal things that

2709

01:47:29,750 --> 01:47:27,520

have happened

2710

01:47:31,750 --> 01:47:29,760

uh can you talk at all about those i

2711

01:47:34,390 --> 01:47:31,760

know you said you wanted to put those in

2712

01:47:35,669 --> 01:47:34,400

your next book but can you discuss any

2713

01:47:37,270 --> 01:47:35,679

part of that do you feel comfortable

2714

01:47:39,590 --> 01:47:37,280

talking about it well i don't think

2715

01:47:40,550 --> 01:47:39,600

there'll be a next book but uh you know

2716

01:47:42,629 --> 01:47:40,560

what i'm going to do

2717

01:47:45,430 --> 01:47:42,639

might be on it might be in the blog i'll

2718

01:47:47,510 --> 01:47:45,440

give you one um

2719

01:47:50,229 --> 01:47:47,520

i'll give you one there were there were

2720

01:47:53,350 --> 01:47:50,239

two that were pretty

2721

01:47:57,109 --> 01:47:54,950

trying to decide which

2722

01:48:02,470 --> 01:47:57,119

which one is a shorter story watching

2723

01:48:10,070 --> 01:48:05,350

i'll have to i think i'm gonna

2724

01:48:12,629 --> 01:48:10,080

relate the uh incident in march

2725

01:48:14,550 --> 01:48:12,639

kind of right on the edge of

2726

01:48:16,830 --> 01:48:14,560

the end of winter the beginning of

2727

01:48:20,229 --> 01:48:16,840

spring in minnesota late

2728

01:48:22,950 --> 01:48:20,239

march and i was

2729

01:48:25,830 --> 01:48:22,960

finishing the book or almost finishing

2730

01:48:27,750 --> 01:48:25,840

it i actually was revising this book

2731

01:48:29,030 --> 01:48:27,760

right up until the publication date

2732

01:48:30,229 --> 01:48:29,040

because there was so much new

2733

01:48:32,709 --> 01:48:30,239

information

2734

01:48:35,590 --> 01:48:32,719

coming out in the run-up to this uh

2735

01:48:37,030 --> 01:48:35,600

government report in late june

2736

01:48:39,270 --> 01:48:37,040

but i uh

2737

01:48:41,350 --> 01:48:39,280

had been thinking about a lot of the you

2738

01:48:42,550 --> 01:48:41,360

know the shape of how to end the book

2739

01:48:48,470 --> 01:48:42,560

and

2740

01:48:50,790 --> 01:48:48,480

long time since i i've had any

2741

01:48:54,550 --> 01:48:50,800

high strangeness stuff or

2742

01:48:57,030 --> 01:48:54,560

even a sighting or anything and i i

2743

01:48:59,750 --> 01:48:57,040

ran over to pick up some chinese food at

2744

01:49:02,629 --> 01:48:59,760

a chinese restaurant about a quarter of

2745

01:49:05,910 --> 01:49:02,639

a mile from our house

2746

01:49:07,910 --> 01:49:05,920

and coming back i was on uh for anyone

2747

01:49:10,070 --> 01:49:07,920

that's familiar with the

2748

01:49:13,189 --> 01:49:10,080

the major thoroughfares in in

2749

01:49:16,310 --> 01:49:13,199

minneapolis hiawatha avenue otherwise

2750

01:49:18,870 --> 01:49:16,320

known as highway 55 it runs from

2751

01:49:21,189 --> 01:49:18,880

downtown to the airport and then

2752

01:49:22,310 --> 01:49:21,199

over into st paul

2753

01:49:23,430 --> 01:49:22,320

and on

2754

01:49:25,589 --> 01:49:23,440

south

2755

01:49:28,149 --> 01:49:25,599

anyway i'm at the

2756

01:49:29,510 --> 01:49:28,159

stoplight after having just picked up

2757

01:49:31,910 --> 01:49:29,520

the food

2758

01:49:33,750 --> 01:49:31,920

and i'm at the stoplight waiting for the

2759

01:49:36,070 --> 01:49:33,760

green arrow

2760

01:49:37,189 --> 01:49:36,080

to make a left turn

2761

01:49:38,550 --> 01:49:37,199

and

2762

01:49:41,350 --> 01:49:38,560

in the uh

2763

01:49:43,910 --> 01:49:41,360

the near distances i can see the skyline

2764

01:49:45,990 --> 01:49:43,920

of minneapolis you know we're about

2765

01:49:47,270 --> 01:49:46,000

where i live we're about 10 minutes from

2766

01:49:50,629 --> 01:49:47,280

downtown

2767

01:49:53,510 --> 01:49:50,639

skylines always visible from that road

2768

01:49:56,390 --> 01:49:53,520

and almost it seemed like almost out of

2769

01:49:57,270 --> 01:49:56,400

nowhere i saw

2770

01:50:05,990 --> 01:49:57,280

a

2771

01:50:08,830 --> 01:50:06,000

uh

2772

01:50:13,189 --> 01:50:08,840

my line of vision it seemed to cross

2773

01:50:15,750 --> 01:50:13,199

the hiawatha avenue or highway 55 it it

2774

01:50:17,990 --> 01:50:15,760

was about maybe

2775

01:50:20,870 --> 01:50:18,000

300 feet above the ground and my first

2776

01:50:22,709 --> 01:50:20,880

reaction was to look around at the cars

2777

01:50:25,270 --> 01:50:22,719

surrounding me to see if they had

2778

01:50:27,189 --> 01:50:25,280

noticed this because it was i mean it

2779

01:50:29,189 --> 01:50:27,199

was visible and they were quite that's a

2780

01:50:30,790 --> 01:50:29,199

very high traffic area

2781

01:50:33,109 --> 01:50:30,800

and there were quite a few cars there

2782

01:50:35,910 --> 01:50:33,119

waiting for the light to change and i

2783

01:50:38,950 --> 01:50:35,920

saw this thing move across off

2784

01:50:40,790 --> 01:50:38,960

into the distance i tried to follow it

2785

01:50:42,950 --> 01:50:40,800

as long as i could but then the light

2786

01:50:45,589 --> 01:50:42,960

changed green and i had to turn

2787

01:50:47,750 --> 01:50:45,599

now that's interesting in and of itself

2788

01:50:49,750 --> 01:50:47,760

but especially since i've been thinking

2789

01:50:51,830 --> 01:50:49,760

about not having any

2790

01:50:53,189 --> 01:50:51,840

sightings or anything for for a very

2791

01:50:55,990 --> 01:50:53,199

long time

2792

01:50:59,430 --> 01:50:56,000

but three days later i went over to a

2793

01:51:01,270 --> 01:50:59,440

friend of mine's house curtis a who's

2794

01:51:03,910 --> 01:51:01,280

discussed in the book a couple different

2795

01:51:05,669 --> 01:51:03,920

places he's a legendary

2796

01:51:07,189 --> 01:51:05,679

rock and roll guy here in the twin

2797

01:51:08,790 --> 01:51:07,199

cities

2798

01:51:10,870 --> 01:51:08,800

he's got his own

2799

01:51:13,589 --> 01:51:10,880

what sounds like real abduction story

2800

01:51:16,550 --> 01:51:13,599

that took place in wisconsin

2801
01:51:18,629 --> 01:51:16,560
when he was a young man

2802
01:51:21,430 --> 01:51:18,639
anyway i was going over to kurt's house

2803
01:51:24,229 --> 01:51:21,440
just to visit him in st paul

2804
01:51:28,149 --> 01:51:24,239
and of course kurt has probably more ufo

2805
01:51:30,629 --> 01:51:28,159
books than you and i put together martin

2806
01:51:33,270 --> 01:51:30,639
and he's always got the latest ones

2807
01:51:36,070 --> 01:51:33,280
on his coffee table so i'm sitting there

2808
01:51:39,589 --> 01:51:36,080
chatting with him about something else

2809
01:51:41,910 --> 01:51:39,599
and i noticed a photo book and he goes

2810
01:51:43,990 --> 01:51:41,920
oh yeah that's new so i'm just kind of

2811
01:51:47,030 --> 01:51:44,000
nonchalantly paging through it and all

2812
01:51:49,430 --> 01:51:47,040
of a sudden i open up a page and there's

2813
01:51:52,550 --> 01:51:49,440

an image of the same sort of craft i had

2814

01:51:53,510 --> 01:51:52,560

seen three days earlier over highway 55

2815

01:51:55,589 --> 01:51:53,520

and i

2816

01:51:58,310 --> 01:51:55,599

and then of course i said you see this

2817

01:52:00,550 --> 01:51:58,320

kurt i said i just saw this

2818

01:52:02,470 --> 01:52:00,560

this object three nights ago

2819

01:52:05,189 --> 01:52:02,480

after picking up chinese food and he

2820

01:52:06,229 --> 01:52:05,199

goes yeah man cool

2821

01:52:09,030 --> 01:52:06,239

wow

2822

01:52:11,350 --> 01:52:09,040

so that's one the other one is

2823

01:52:13,510 --> 01:52:11,360

is even stranger and and i'm not even

2824

01:52:14,229 --> 01:52:13,520

sure it's related to et's

2825

01:52:16,390 --> 01:52:14,239

it's

2826
01:52:17,270 --> 01:52:16,400
yeah well we we have actually run out of

2827
01:52:20,070 --> 01:52:17,280
time

2828
01:52:22,310 --> 01:52:20,080
so uh if you would you're you're give

2829
01:52:26,870 --> 01:52:22,320

2830
