

Linda Zimmermann

1  
00:00:09,350 --> 00:00:06,389  
why do you think they're here and what

2  
00:00:10,549 --> 00:00:09,360  
do they want in pine bush in particular

3  
00:00:13,749 --> 00:00:10,559  
okay

4  
00:00:15,910 --> 00:00:13,759  
i think from the records that they have

5  
00:00:17,109 --> 00:00:15,920  
been here for hundreds if not thousands

6  
00:00:19,910 --> 00:00:17,119  
of years

7  
00:00:23,109 --> 00:00:19,920  
and native americans have stories about

8  
00:00:25,750 --> 00:00:23,119  
strange lights and objects

9  
00:00:28,950 --> 00:00:25,760  
why the hudson valley

10  
00:00:31,189 --> 00:00:28,960  
we have very unusual magnetic fields we

11  
00:00:33,910 --> 00:00:31,199  
have fault lines we have unusual

12  
00:00:35,510 --> 00:00:33,920  
minerals perhaps it's something they can

13  
00:00:37,910 --> 00:00:35,520

utilize

14

00:00:43,350 --> 00:00:37,920

would that fall under

15

00:00:45,670 --> 00:00:43,360

why they're here what they want

16

00:00:48,709 --> 00:00:45,680

i think it might fall under

17

00:00:50,069 --> 00:00:48,719

what they want is to

18

00:00:52,630 --> 00:00:50,079

study us

19

00:00:55,590 --> 00:00:52,640

and perhaps utilize the natural

20

00:00:57,990 --> 00:00:55,600

resources of the earth in this area

21

00:00:59,910 --> 00:00:58,000

and for all the sightings that have been

22

00:01:02,069 --> 00:00:59,920

in this particular area let's just say

23

00:01:04,310 --> 00:01:02,079

the pine bush area not hudson valley in

24

00:01:07,030 --> 00:01:04,320

general what do you think is the most

25

00:01:09,910 --> 00:01:07,040

well documented of all the

26

00:01:10,950 --> 00:01:09,920

the ufo encounters here

27

00:01:13,590 --> 00:01:10,960

uh

28

00:01:16,469 --> 00:01:13,600

probably some of the mass sightings of

29

00:01:20,070 --> 00:01:16,479

triangles which would be seen

30

00:01:22,390 --> 00:01:20,080

from one end of town to the other by

31

00:01:25,109 --> 00:01:22,400

hundreds of people and this happened

32

00:01:26,550 --> 00:01:25,119

quite often in the 1990s

33

00:01:28,390 --> 00:01:26,560

so we have

34

00:01:30,950 --> 00:01:28,400

not one event

35

00:01:33,109 --> 00:01:30,960

we have multiple events of multiple

36

00:01:36,069 --> 00:01:33,119

witnesses

37

00:01:38,630 --> 00:01:36,079

and what about um what about beings if

38

00:01:40,149 --> 00:01:38,640

it's anyone ever talked about beings of

39

00:01:44,149 --> 00:01:40,159

any kind

40

00:01:46,789 --> 00:01:44,159

a lot of grave sightings uh in this area

41

00:01:49,190 --> 00:01:46,799

some very unusual cryptids but you know

42

00:01:52,069 --> 00:01:49,200

you take all those with a grain of salt

43

00:01:55,270 --> 00:01:52,079

um but people who didn't know what an

44

00:01:58,149 --> 00:01:55,280

alien was have described to me and you

45

00:01:59,830 --> 00:01:58,159

know i saw this small gray being with

46

00:02:01,990 --> 00:01:59,840

big black eyes

47

00:02:05,109 --> 00:02:02,000

and you hear that

48

00:02:05,910 --> 00:02:05,119

20 30 100 times

49

00:02:08,150 --> 00:02:05,920

it's

50

00:02:08,869 --> 00:02:08,160

it makes an impression

51  
00:02:11,830 --> 00:02:08,879  
and

52  
00:02:13,990 --> 00:02:11,840  
what about the abduction part of this

53  
00:02:16,949 --> 00:02:14,000  
are there people reporting abductions

54  
00:02:19,910 --> 00:02:16,959  
and the second part of the question is

55  
00:02:21,949 --> 00:02:19,920  
is it a another family lineage type of

56  
00:02:24,630 --> 00:02:21,959  
situation

57  
00:02:25,750 --> 00:02:24,640  
multi-generational for sure

58  
00:02:27,990 --> 00:02:25,760  
and

59  
00:02:29,190 --> 00:02:28,000  
i was stunned when i first started my

60  
00:02:31,270 --> 00:02:29,200  
research

61  
00:02:33,589 --> 00:02:31,280  
i didn't expect to come across a single

62  
00:02:35,030 --> 00:02:33,599  
abduction they're the largest chapters

63  
00:02:38,470 --> 00:02:35,040

in my book

64

00:02:39,750 --> 00:02:38,480

it's i call a hudson valley abduction

65

00:02:41,350 --> 00:02:39,760

alley

66

00:02:42,949 --> 00:02:41,360

really

67

00:02:44,949 --> 00:02:42,959

well thank you so much linda it's always

68

00:02:46,790 --> 00:02:44,959

a pleasure and great to see you here
