[Music]

2  
00:00:40,549 --> 00:00:39,680

hi everybody all right thanks so much

3  
00:00:43,430 --> 00:00:40,559

bill

4  
00:00:46,630 --> 00:00:43,440

all right so the guest we have luckily

5  
00:00:49,830 --> 00:00:46,640

she got my frantic emails and and here

6  
00:00:51,430 --> 00:00:49,840

she is in the waiting in the studio i

7  
00:00:53,189 --> 00:00:51,440

think she got the emails or she just

8  
00:00:55,590 --> 00:00:53,199

happened to pop in to what she did not

9  
00:01:00,229 --> 00:00:55,600

get my emails

10  
00:01:02,709 --> 00:01:00,239

okay well surprise surprise you're up

11  
00:01:06,149 --> 00:01:02,719

how you doing um i don't even know if

12  
00:01:07,510 --> 00:01:06,159

you're ready but i uh thank you for uh

13  
00:01:09,590 --> 00:01:07,520

and you you just happened to check the

14

00:01:12,550 --> 00:01:09,600

studio out no we had uh technical

15

00:01:13,830 --> 00:01:12,560

difficulties so i i had to uh i had to

16

00:01:16,950 --> 00:01:13,840

stop in the middle of the show this is

17

00:01:18,390 --> 00:01:16,960

going to be your totally your show now

18

00:01:20,950 --> 00:01:18,400

okay

19

00:01:24,149 --> 00:01:20,960

so uh yeah thanks so much for for

20

00:01:26,710 --> 00:01:24,159

joining us uh really it's uh i i spoke

21

00:01:29,429 --> 00:01:26,720

with you the other day it's so funny

22

00:01:31,510 --> 00:01:29,439

because um the last show i'll just tell

23

00:01:33,109 --> 00:01:31,520

the audience a little bit the last show

24

00:01:34,710 --> 00:01:33,119

i um

25

00:01:36,149 --> 00:01:34,720

said reached out to everyone and said

26  
00:01:39,190 --> 00:01:36,159  
hey look i'm i want to make these three

27  
00:01:40,630 --> 00:01:39,200  
minute videos for breaks and uh would

28  
00:01:42,389 --> 00:01:40,640  
you please email me if you had an

29  
00:01:43,670 --> 00:01:42,399  
experience so you emailed me your

30  
00:01:44,870 --> 00:01:43,680  
experience that we're going to talk

31  
00:01:46,950 --> 00:01:44,880  
about

32  
00:01:48,149 --> 00:01:46,960  
and right off the bat it thought well i

33  
00:01:50,710 --> 00:01:48,159  
don't know if i can do this in three

34  
00:01:54,389 --> 00:01:50,720  
minutes but i started uh started

35  
00:01:55,670 --> 00:01:54,399  
recording and i realized um no

36  
00:01:58,789 --> 00:01:55,680  
um

37  
00:02:01,910 --> 00:01:58,799  
we're gonna we're gonna do this uh and

38  
00:02:04,550 --> 00:02:01,920

as as we recorded 30 minutes

39

00:02:06,630 --> 00:02:04,560

uh my guest this week unfortunately had

40

00:02:08,790 --> 00:02:06,640

a pet um issue

41

00:02:10,869 --> 00:02:08,800

and canceled and you said you would be

42

00:02:12,869 --> 00:02:10,879

willing to come on live so this is what

43

00:02:14,470 --> 00:02:12,879

i want to thank you very much oh thank

44

00:02:16,790 --> 00:02:14,480

you for having me

45

00:02:19,110 --> 00:02:16,800

and let's just clarify this you have

46

00:02:20,830 --> 00:02:19,120

talked about this situation

47

00:02:23,830 --> 00:02:20,840

to your family

48

00:02:25,430 --> 00:02:23,840

and that's basically it right that's

49

00:02:29,510 --> 00:02:25,440

about it yep

50

00:02:30,710 --> 00:02:29,520

yep my husband knows my two children

51  
00:02:31,110 --> 00:02:30,720  
know

52  
00:02:33,670 --> 00:02:31,120  
um

53  
00:02:35,110 --> 00:02:33,680  
[Music]

54  
00:02:38,710 --> 00:02:35,120  
actually just

55  
00:02:40,630 --> 00:02:38,720  
messed my two sisters yesterday and

56  
00:02:42,949 --> 00:02:40,640  
asked them if

57  
00:02:45,589 --> 00:02:42,959  
they remembered the incident and they

58  
00:02:47,270 --> 00:02:45,599  
did not at all it was news to them so

59  
00:02:50,229 --> 00:02:47,280  
they didn't even know

60  
00:02:53,750 --> 00:02:50,239  
wow yeah but you did talk to your your

61  
00:02:55,830 --> 00:02:53,760  
father i did yeah so let's uh let's uh

62  
00:02:57,430 --> 00:02:55,840  
let's talk about um

63  
00:02:58,630 --> 00:02:57,440

the well first

64

00:02:59,670 --> 00:02:58,640

a real quick

65

00:03:01,750 --> 00:02:59,680

um

66

00:03:03,270 --> 00:03:01,760

hello to you who you are

67

00:03:06,149 --> 00:03:03,280

um and

68

00:03:08,390 --> 00:03:06,159

where you grew up and just go ahead and

69

00:03:13,750 --> 00:03:08,400

tell us what happened okay

70

00:03:15,830 --> 00:03:13,760

um so i grew up in south africa in a

71

00:03:16,830 --> 00:03:15,840

town called bononi

72

00:03:21,270 --> 00:03:16,840

which

73

00:03:23,990 --> 00:03:21,280

um just to sort of put it on a map

74

00:03:26,550 --> 00:03:24,000

it's east of johannesburg and i think

75

00:03:28,789 --> 00:03:26,560

most people are familiar with

76

00:03:30,949 --> 00:03:28,799

just the name at any rate

77

00:03:33,990 --> 00:03:30,959

um of johannesburg which is one of the

78

00:03:35,670 --> 00:03:34,000

biggest cities in south africa

79

00:03:37,430 --> 00:03:35,680

so um

80

00:03:40,470 --> 00:03:37,440

i grew up in this

81

00:03:42,309 --> 00:03:40,480

a relatively big town but we lived sort

82

00:03:43,190 --> 00:03:42,319

of out in the sticks

83

00:03:48,309 --> 00:03:43,200

and

84

00:03:50,470 --> 00:03:48,319

building this background because i think

85

00:03:53,509 --> 00:03:50,480

it's relevant to

86

00:03:55,670 --> 00:03:53,519

the experience as a whole um

87

00:03:57,270 --> 00:03:55,680

my two sisters are much older than i am

88

00:04:00,390 --> 00:03:57,280

so

89

00:04:02,550 --> 00:04:00,400

it was almost like being an early child

90

00:04:03,589 --> 00:04:02,560

um they were already in high school when

91

00:04:06,630 --> 00:04:03,599

i was

92

00:04:08,949 --> 00:04:06,640

just not even in in

93

00:04:10,229 --> 00:04:08,959

elementary school anyway

94

00:04:12,830 --> 00:04:10,239

um

95

00:04:14,710 --> 00:04:12,840

so it was kind of

96

00:04:17,509 --> 00:04:14,720

a uh

97

00:04:20,229 --> 00:04:17,519

a quirky kid i didn't make friends very

98

00:04:22,069 --> 00:04:20,239

easily i the first few years in

99

00:04:23,510 --> 00:04:22,079

elementary school well school was pretty

100

00:04:26,830 --> 00:04:23,520

tough but the first few years in

101  
00:04:31,909 --> 00:04:29,830  
were difficult because i couldn't really

102  
00:04:34,550 --> 00:04:31,919  
connect with anybody my own age so what

103  
00:04:36,469 --> 00:04:34,560  
i would do is i would tend to go and

104  
00:04:38,629 --> 00:04:36,479  
find the kids who were a year or two

105  
00:04:41,510 --> 00:04:38,639  
younger than me and i just felt a little

106  
00:04:44,150 --> 00:04:41,520  
more comfortable with them and you know

107  
00:04:46,950 --> 00:04:44,160  
that that was my idea of friendship in

108  
00:04:48,790 --> 00:04:46,960  
the first years and so thinking about

109  
00:04:52,790 --> 00:04:48,800  
that martin sort of gave me a little

110  
00:04:55,110 --> 00:04:52,800  
more clarity as to when

111  
00:04:58,629 --> 00:04:55,120  
this experience probably happened

112  
00:05:00,870 --> 00:04:58,639  
because as i said to you previously

113  
00:05:04,390 --> 00:05:00,880

i actually cannot from i don't i can't

114

00:05:05,909 --> 00:05:04,400

put an actual date to it i can give a

115

00:05:07,590 --> 00:05:05,919

time frame

116

00:05:10,150 --> 00:05:07,600

and

117

00:05:11,180 --> 00:05:10,160

i had thought that it was somewhere

118

00:05:12,749 --> 00:05:11,190

between

119

00:05:16,950 --> 00:05:12,759

[Music]

120

00:05:20,230 --> 00:05:16,960

1975 and 1977 so i would have been

121

00:05:23,830 --> 00:05:20,240

somewhere between 8 and 10 years old

122

00:05:26,629 --> 00:05:23,840

the more i think about it and sort of my

123

00:05:31,430 --> 00:05:29,189

sort of that whole elementary school

124

00:05:34,070 --> 00:05:31,440

experience i'm thinking it must have

125

00:05:36,469 --> 00:05:34,080

been about 1975

126  
00:05:39,749 --> 00:05:36,479  
uh that it happened

127  
00:05:40,790 --> 00:05:39,759  
so i would have been eight

128  
00:05:42,310 --> 00:05:40,800  
and

129  
00:05:45,029 --> 00:05:42,320  
the school

130  
00:05:45,450 --> 00:05:45,039  
that the elementary school i went to

131  
00:05:47,189 --> 00:05:45,460  
um

132  
00:05:49,110 --> 00:05:47,199  
[Music]

133  
00:05:51,189 --> 00:05:49,120  
the way that the the

134  
00:05:52,870 --> 00:05:51,199  
the school and the playgrounds were

135  
00:05:53,990 --> 00:05:52,880  
structured

136  
00:05:57,110 --> 00:05:54,000  
was

137  
00:05:59,990 --> 00:05:57,120  
you had these

138  
00:06:02,950 --> 00:06:00,000

buildings sort of spread across

139

00:06:03,830 --> 00:06:02,960

the the length of

140

00:06:05,590 --> 00:06:03,840

the

141

00:06:07,270 --> 00:06:05,600

school grounds

142

00:06:09,830 --> 00:06:07,280

and then depending on which grade you

143

00:06:11,670 --> 00:06:09,840

were in you had

144

00:06:14,070 --> 00:06:11,680

um

145

00:06:16,870 --> 00:06:14,080

you would have

146

00:06:18,390 --> 00:06:16,880

the younger kids like the first graders

147

00:06:20,309 --> 00:06:18,400

and the second graders would have their

148

00:06:21,590 --> 00:06:20,319

own little playground

149

00:06:24,309 --> 00:06:21,600

and then

150

00:06:26,710 --> 00:06:24,319

you would move on to the next few grades

151  
00:06:27,670 --> 00:06:26,720  
and they would have access to the really

152  
00:06:28,950 --> 00:06:27,680  
big

153  
00:06:30,390 --> 00:06:28,960  
field

154  
00:06:32,469 --> 00:06:30,400  
and then the

155  
00:06:34,870 --> 00:06:32,479  
kids who were like 11 and 12 years old

156  
00:06:36,070 --> 00:06:34,880  
had their own separate little playground

157  
00:06:38,309 --> 00:06:36,080  
somewhere else

158  
00:06:39,189 --> 00:06:38,319  
so i was at an age where i should have

159  
00:06:41,029 --> 00:06:39,199  
been

160  
00:06:44,150 --> 00:06:41,039  
on the big

161  
00:06:46,629 --> 00:06:44,160  
playground with my age group

162  
00:06:48,309 --> 00:06:46,639  
i tended to hang back on the smaller one

163  
00:06:51,110 --> 00:06:48,319

that was

164

00:06:53,110 --> 00:06:51,120

divided from that big playground with a

165

00:06:55,510 --> 00:06:53,120

corridor

166

00:06:57,990 --> 00:06:55,520

and and so okay now i'm gonna get into

167

00:06:59,909 --> 00:06:58,000

the actual experience so what i remember

168

00:07:02,550 --> 00:06:59,919

of that day and

169

00:07:04,710 --> 00:07:02,560

i want to be careful because

170

00:07:08,629 --> 00:07:04,720

and we spoke about this

171

00:07:10,710 --> 00:07:08,639

um i'm fully aware that memories change

172

00:07:12,390 --> 00:07:10,720

that every time you think about

173

00:07:14,710 --> 00:07:12,400

something you're getting a slightly

174

00:07:16,629 --> 00:07:14,720

different version of the original

175

00:07:18,870 --> 00:07:16,639

right because you actually

176

00:07:21,670 --> 00:07:18,880

it's a reconstruction i've been looking

177

00:07:22,710 --> 00:07:21,680

into this a bit yeah and each and every

178

00:07:24,710 --> 00:07:22,720

time

179

00:07:27,430 --> 00:07:24,720

you recall

180

00:07:30,710 --> 00:07:27,440

something you're reconstructing it

181

00:07:33,029 --> 00:07:30,720

and and sometimes you fill in um the

182

00:07:34,950 --> 00:07:33,039

things that are unknown with something

183

00:07:37,350 --> 00:07:34,960

you're familiar with that's that's where

184

00:07:38,790 --> 00:07:37,360

things can get a little tricky because

185

00:07:40,230 --> 00:07:38,800

and that happens a lot of times when

186

00:07:42,870 --> 00:07:40,240

someone has a very

187

00:07:44,550 --> 00:07:42,880

dramatic experience

188

00:07:47,350 --> 00:07:44,560

with things they don't understand they

189

00:07:49,110 --> 00:07:47,360

kind of fill in those little tiny holes

190

00:07:51,270 --> 00:07:49,120

with something they're familiar with but

191

00:07:53,830 --> 00:07:51,280

anyway i'm i'm sorry i kind of went on a

192

00:07:55,270 --> 00:07:53,840

little too much about that so

193

00:07:57,430 --> 00:07:55,280

no but that's right and i think it's

194

00:07:59,589 --> 00:07:57,440

important to remember

195

00:08:01,990 --> 00:07:59,599

um it's it's important to keep that in

196

00:08:03,909 --> 00:08:02,000

mind and so

197

00:08:06,150 --> 00:08:03,919

i'm looking over at the

198

00:08:08,309 --> 00:08:06,160

illustration that i did

199

00:08:10,070 --> 00:08:08,319

of what i saw and i

200

00:08:25,909 --> 00:08:10,080

i

201  
00:08:26,869 --> 00:08:25,919  
or may not have been part of the craft

202  
00:08:28,950 --> 00:08:26,879  
so

203  
00:08:31,270 --> 00:08:28,960  
okay and i'll get into that in a little

204  
00:08:34,709 --> 00:08:31,280  
bit so anyway back to the experience on

205  
00:08:36,870 --> 00:08:34,719  
that particular day was it cloudy don't

206  
00:08:39,110 --> 00:08:36,880  
know was it sunny

207  
00:08:41,430 --> 00:08:39,120  
honestly can't remember those details

208  
00:08:43,029 --> 00:08:41,440  
and it's neither here nor there

209  
00:08:45,910 --> 00:08:43,039  
um i do

210  
00:08:48,150 --> 00:08:45,920  
distinctly remember standing on the

211  
00:08:50,150 --> 00:08:48,160  
corridor that divided

212  
00:08:51,990 --> 00:08:50,160  
the little kids playground

213  
00:08:53,269 --> 00:08:52,000

from the main field

214

00:08:56,150 --> 00:08:53,279

where

215

00:08:58,310 --> 00:08:56,160

kids my age were

216

00:09:00,070 --> 00:08:58,320

i was standing on the corridor facing

217

00:09:03,750 --> 00:09:00,080

out towards the main

218

00:09:07,269 --> 00:09:03,760

playground the field

219

00:09:09,750 --> 00:09:07,279

i remember the teacher who was on

220

00:09:12,230 --> 00:09:09,760

recess duty that day

221

00:09:17,590 --> 00:09:12,240

i remember her clearly

222

00:09:22,230 --> 00:09:19,509

it was it was so

223

00:09:24,790 --> 00:09:22,240

strange and so at the age of eight just

224

00:09:27,030 --> 00:09:24,800

just so that listeners know

225

00:09:29,590 --> 00:09:27,040

um we didn't get tv in south africa

226

00:09:32,150 --> 00:09:29,600

until 1976.

227

00:09:34,150 --> 00:09:32,160

and when we did get tv we had it on for

228

00:09:36,870 --> 00:09:34,160

an hour maybe two hours a day and the

229

00:09:38,710 --> 00:09:36,880

rest of the time it was test patterns

230

00:09:42,150 --> 00:09:38,720

um

231

00:09:44,389 --> 00:09:42,160

things like ufos or aliens or anything

232

00:09:47,190 --> 00:09:44,399

else were just it wasn't part of my

233

00:09:49,110 --> 00:09:47,200

vocabulary it wasn't part of my world

234

00:09:51,110 --> 00:09:49,120

my world was

235

00:09:52,949 --> 00:09:51,120

living out in the boonies running around

236

00:09:53,300 --> 00:09:52,959

with my dogs

237

00:09:54,949 --> 00:09:53,310

um

238

00:09:57,430 --> 00:09:54,959

[Music]

239

00:10:00,630 --> 00:09:57,440

yeah getting skinned knees and making

240

00:10:01,430 --> 00:10:00,640

mud pies and that was it

241

00:10:08,310 --> 00:10:01,440

so

242

00:10:09,590 --> 00:10:08,320

experience or knowledge i guess

243

00:10:12,389 --> 00:10:09,600

um

244

00:10:14,630 --> 00:10:12,399

i remember looking up and it was almost

245

00:10:16,630 --> 00:10:14,640

it was kind of like

246

00:10:19,190 --> 00:10:16,640

it wasn't there

247

00:10:20,069 --> 00:10:19,200

and then it was

248

00:10:21,750 --> 00:10:20,079

and

249

00:10:23,910 --> 00:10:21,760

it was just there

250

00:10:25,910 --> 00:10:23,920

sort of out of the blue

251  
00:10:28,550 --> 00:10:25,920  
right over the field

252  
00:10:30,949 --> 00:10:28,560  
um it seemed low it was higher than tree

253  
00:10:33,670 --> 00:10:30,959  
level

254  
00:10:36,710 --> 00:10:33,680  
and i was actually looking at a google

255  
00:10:39,430 --> 00:10:36,720  
earth image of that field today and

256  
00:10:41,990 --> 00:10:39,440  
there's a rugby pitch on it now

257  
00:10:43,910 --> 00:10:42,000  
so that sort of gave me an idea of okay

258  
00:10:45,670 --> 00:10:43,920  
because i was trying to think like how

259  
00:10:47,269 --> 00:10:45,680  
big was it

260  
00:10:49,910 --> 00:10:47,279  
you know if people want to know how big

261  
00:10:52,150 --> 00:10:49,920  
was it what how do i what do i relate it

262  
00:10:54,550 --> 00:10:52,160  
to well thankfully there's that rugby

263  
00:10:55,990 --> 00:10:54,560

pitch so that gave me some idea yeah and

264

00:10:57,750 --> 00:10:56,000

there's the field

265

00:11:01,750 --> 00:10:57,760

um the x is where i would have been

266

00:11:04,550 --> 00:11:01,760

standing um looking out to the field

267

00:11:05,750 --> 00:11:04,560

so is the little circle there is that is

268

00:11:08,790 --> 00:11:05,760

that where

269

00:11:11,509 --> 00:11:08,800

it was yeah except you know obviously

270

00:11:15,269 --> 00:11:11,519

much much higher up because that just i

271

00:11:19,269 --> 00:11:17,269

two-dimensional image but yeah that's

272

00:11:21,110 --> 00:11:19,279

about where it would have been

273

00:11:23,509 --> 00:11:21,120

um

274

00:11:26,230 --> 00:11:23,519

and i want to say

275

00:11:29,190 --> 00:11:26,240

that it could easily have been

276

00:11:30,790 --> 00:11:29,200

a hundred feet in diameter easily

277

00:11:33,110 --> 00:11:30,800

and i kept having to go over that and

278

00:11:35,190 --> 00:11:33,120

over that in my head this afternoon

279

00:11:38,790 --> 00:11:35,200

could it that's that's huge that's

280

00:11:41,590 --> 00:11:38,800

enormous but then again i do remember it

281

00:11:44,550 --> 00:11:41,600

i do remember words like big were

282

00:11:45,670 --> 00:11:44,560

popping into my pop into my head and my

283

00:11:46,630 --> 00:11:45,680

memory

284

00:11:48,550 --> 00:11:46,640

um

285

00:11:49,910 --> 00:11:48,560

it was a typical

286

00:11:52,069 --> 00:11:49,920

saucer shape

287

00:11:54,949 --> 00:11:52,079

do you mind if i put up the drawing no

288

00:11:56,389 --> 00:11:54,959

not at all okay so you did this drawing

289

00:12:00,389 --> 00:11:56,399

just recently

290

00:12:03,910 --> 00:12:00,399

yeah and this is basically what you saw

291

00:12:05,990 --> 00:12:03,920

yeah and and it's very abstract and but

292

00:12:09,430 --> 00:12:06,000

you know what that's okay because the

293

00:12:12,870 --> 00:12:09,440

things that i can honestly say that i

294

00:12:15,750 --> 00:12:12,880

know i remember about it and i kind of

295

00:12:18,550 --> 00:12:15,760

know why that is from talking to my dad

296

00:12:20,949 --> 00:12:18,560

and of things he corroborated the color

297

00:12:25,190 --> 00:12:22,790

will not leave my mind

298

00:12:27,190 --> 00:12:25,200

that craft was red now

299

00:12:28,949 --> 00:12:27,200

you know when you're a kid what does red

300

00:12:30,790 --> 00:12:28,959

mean red means

301  
00:12:34,150 --> 00:12:30,800  
a hot stove

302  
00:12:35,990 --> 00:12:34,160  
and so maybe i equated it to this thing

303  
00:12:37,350 --> 00:12:36,000  
being hot

304  
00:12:39,269 --> 00:12:37,360  
somehow

305  
00:12:41,190 --> 00:12:39,279  
but i was saying to you that the best

306  
00:12:43,750 --> 00:12:41,200  
way that i could describe it was it

307  
00:12:45,190 --> 00:12:43,760  
almost seemed to have a glow from the

308  
00:12:47,110 --> 00:12:45,200  
inside

309  
00:12:51,750 --> 00:12:47,120  
um

310  
00:12:54,470 --> 00:12:51,760  
something like a poker in a fire you

311  
00:12:57,430 --> 00:12:54,480  
know how they yeah yeah yeah right

312  
00:13:00,710 --> 00:12:57,440  
not like it wasn't yeah yeah it wasn't

313  
00:13:01,990 --> 00:13:00,720

like it had you know a red paint job

314

00:13:05,590 --> 00:13:02,000

it it

315

00:13:10,069 --> 00:13:08,150

part of yeah it was it was almost almost

316

00:13:12,710 --> 00:13:10,079

like emanating from it

317

00:13:13,670 --> 00:13:12,720

it's very hard to put into words

318

00:13:15,990 --> 00:13:13,680

so

319

00:13:20,550 --> 00:13:16,000

saucer shaped red

320

00:13:22,230 --> 00:13:20,560

um huge it stopped it just stuck right

321

00:13:24,150 --> 00:13:22,240

over the playground

322

00:13:26,629 --> 00:13:24,160

and

323

00:13:28,629 --> 00:13:26,639

there was never a feeling of fear

324

00:13:32,790 --> 00:13:28,639

i never had a feeling of fear i just

325

00:13:36,389 --> 00:13:34,710

i was awestruck

326

00:13:38,790 --> 00:13:36,399

and then at that point i remember

327

00:13:41,430 --> 00:13:38,800

looking out across the playground and

328

00:13:43,910 --> 00:13:41,440

seeing the teacher on duty

329

00:13:45,670 --> 00:13:43,920

and just noticing the children who are

330

00:13:47,910 --> 00:13:45,680

directly around her

331

00:13:50,150 --> 00:13:47,920

and they were all just staring up at it

332

00:13:55,189 --> 00:13:50,160

basically with their mouths open

333

00:13:56,710 --> 00:13:55,199

um and it's it's as if we were in

334

00:13:58,790 --> 00:13:56,720

a bubble

335

00:14:01,030 --> 00:13:58,800

with no

336

00:14:02,629 --> 00:14:01,040

sound like all the sound had been sucked

337

00:14:04,790 --> 00:14:02,639

out of the world

338

00:14:07,590 --> 00:14:04,800

the craft itself was absolutely silent

339

00:14:09,509 --> 00:14:07,600

it just showed up without

340

00:14:11,590 --> 00:14:09,519

you know there wasn't any sound that

341

00:14:12,470 --> 00:14:11,600

made us go oh look what's coming

342

00:14:14,870 --> 00:14:12,480

um

343

00:14:15,750 --> 00:14:14,880

so just just right there i mean this

344

00:14:16,949 --> 00:14:15,760

actually

345

00:14:19,189 --> 00:14:16,959

i gotta tell you this is giving me

346

00:14:21,269 --> 00:14:19,199

goosebumps but um

347

00:14:23,110 --> 00:14:21,279

when the you say the sound was like

348

00:14:25,590 --> 00:14:23,120

sucked out of the world

349

00:14:27,670 --> 00:14:25,600

did you not hear like the voices of the

350

00:14:31,750 --> 00:14:27,680

teacher or the other children nothing at

351

00:14:35,990 --> 00:14:33,750

documentaries i've watched and people

352

00:14:38,470 --> 00:14:36,000

you know watching uh videos of people's

353

00:14:41,990 --> 00:14:38,480

experiences sometimes they'll talk about

354

00:14:45,430 --> 00:14:42,000

high strangeness i don't know if that

355

00:14:48,470 --> 00:14:45,440

qualifies as high strangeness but

356

00:14:50,710 --> 00:14:48,480

close enough yeah it was it was very

357

00:14:51,670 --> 00:14:50,720

very weird it's just like for and it

358

00:14:53,750 --> 00:14:51,680

wasn't

359

00:14:56,470 --> 00:14:53,760

it was not a long sighting i mean it

360

00:14:59,110 --> 00:14:56,480

probably lasted for seconds

361

00:15:01,269 --> 00:14:59,120

but it was so profound

362

00:15:02,230 --> 00:15:01,279

um so there it was

363

00:15:03,990 --> 00:15:02,240

it

364

00:15:07,990 --> 00:15:04,000

stopped

365

00:15:11,990 --> 00:15:08,000

um

366

00:15:14,069 --> 00:15:12,000

we all you know stared in wonder

367

00:15:16,389 --> 00:15:14,079

and uh

368

00:15:19,509 --> 00:15:16,399

and then it took off it it sort of

369

00:15:20,550 --> 00:15:19,519

exited toward the west

370

00:15:22,389 --> 00:15:20,560

um

371

00:15:24,470 --> 00:15:22,399

which i mean i'm thinking about that in

372

00:15:26,389 --> 00:15:24,480

my head and it doesn't have any i don't

373

00:15:28,389 --> 00:15:26,399

think it has any real bearing that was

374

00:15:30,550 --> 00:15:28,399

in the direction of

375

00:15:33,030 --> 00:15:30,560

o.r tambo which is the international

376

00:15:35,990 --> 00:15:33,040

airport for johannesburg i don't really

377

00:15:37,430 --> 00:15:36,000

know that that has any connection

378

00:15:41,350 --> 00:15:37,440

um

379

00:15:43,350 --> 00:15:41,360

but it just it shut off and within

380

00:15:44,389 --> 00:15:43,360

literally the blink of an eye

381

00:15:46,790 --> 00:15:44,399

it was

382

00:15:48,389 --> 00:15:46,800

just a pinpoint on the horizon this is

383

00:15:50,629 --> 00:15:48,399

where you can still see it

384

00:15:52,629 --> 00:15:50,639

just a tiny dot like literally in the

385

00:15:55,509 --> 00:15:52,639

time it takes to blink

386

00:15:57,670 --> 00:15:55,519

and because because that area

387

00:15:59,829 --> 00:15:57,680

when i was in school it wasn't nearly as

388

00:16:02,389 --> 00:15:59,839

built up as it is now because it's a

389

00:16:04,389 --> 00:16:02,399

very flat area they aren't mountains

390

00:16:06,870 --> 00:16:04,399

it's not it's a plateau

391

00:16:09,030 --> 00:16:06,880

everything's just very flat

392

00:16:10,710 --> 00:16:09,040

you can see you could see pretty far out

393

00:16:11,670 --> 00:16:10,720

to the horizon

394

00:16:14,069 --> 00:16:11,680

and

395

00:16:15,990 --> 00:16:14,079

it was just this pinpoint on the horizon

396

00:16:17,749 --> 00:16:16,000

and then gone

397

00:16:19,269 --> 00:16:17,759

and then everything sort of returned to

398

00:16:20,870 --> 00:16:19,279

normal

399

00:16:22,870 --> 00:16:20,880

um

400

00:16:25,030 --> 00:16:22,880

this is just an opinion up here

401  
00:16:26,629 --> 00:16:25,040  
yeah uh being that close uh she was

402  
00:16:29,269 --> 00:16:26,639  
probably saturated with frequencies

403  
00:16:32,150 --> 00:16:29,279  
above and below human hearing uh any you

404  
00:16:34,310 --> 00:16:32,160  
know these are all good points and i a

405  
00:16:36,949 --> 00:16:34,320  
lot of these listeners that are in here

406  
00:16:39,350 --> 00:16:36,959  
um have been you know looking at this

407  
00:16:41,749 --> 00:16:39,360  
topic a long time and have yeah you know

408  
00:16:44,069 --> 00:16:41,759  
it's all just theories you know we don't

409  
00:16:47,030 --> 00:16:44,079  
really know but uh but thank you for

410  
00:16:49,030 --> 00:16:47,040  
that comment yeah absolutely it's it's

411  
00:16:50,790 --> 00:16:49,040  
really interesting to think about i mean

412  
00:16:52,949 --> 00:16:50,800  
it's interesting to think about

413  
00:16:53,990 --> 00:16:52,959

all the things that it

414

00:16:55,990 --> 00:16:54,000

could be

415

00:16:56,790 --> 00:16:56,000

and the reasons that those things could

416

00:16:57,590 --> 00:16:56,800

be

417

00:17:00,550 --> 00:16:57,600

um

418

00:17:01,990 --> 00:17:00,560

when it when it

419

00:17:04,710 --> 00:17:02,000

left

420

00:17:06,870 --> 00:17:04,720

incredibly fast and again i was only

421

00:17:10,069 --> 00:17:06,880

eight

422

00:17:14,069 --> 00:17:10,079

but it was fast it was

423

00:17:17,350 --> 00:17:14,079

i i remember just staring like

424

00:17:19,189 --> 00:17:17,360

how how you know you your mind just

425

00:17:19,990 --> 00:17:19,199

can't make sense of it

426

00:17:22,390 --> 00:17:20,000

um

427

00:17:24,710 --> 00:17:22,400

and there was absolutely no sound no

428

00:17:27,189 --> 00:17:24,720

sound and that's you know you have these

429

00:17:30,950 --> 00:17:27,199

certain commonalities

430

00:17:33,110 --> 00:17:30,960

um i think most experiences share

431

00:17:36,950 --> 00:17:33,120

things like the craft didn't make any

432

00:17:39,430 --> 00:17:36,960

sound or sort of um the high strangeness

433

00:17:41,350 --> 00:17:39,440

aspects or

434

00:17:43,190 --> 00:17:41,360

uh i don't know

435

00:17:46,150 --> 00:17:43,200

those are the things that i can connect

436

00:17:48,630 --> 00:17:46,160

to with other people's experiences

437

00:17:50,870 --> 00:17:48,640

um yeah

438

00:17:52,470 --> 00:17:50,880

now uh just just a couple of things a

439

00:17:53,750 --> 00:17:52,480

couple of questions so

440

00:17:57,909 --> 00:17:53,760

when

441

00:17:59,830 --> 00:17:57,919

do you i know and i know it was a long

442

00:18:01,510 --> 00:17:59,840

time ago and you're just a little girl

443

00:18:03,029 --> 00:18:01,520

but did you

444

00:18:05,110 --> 00:18:03,039

do you recall

445

00:18:07,350 --> 00:18:05,120

any other

446

00:18:08,070 --> 00:18:07,360

things that you remember in your senses

447

00:18:10,470 --> 00:18:08,080

like

448

00:18:11,510 --> 00:18:10,480

was there any feeling of pressure

449

00:18:14,789 --> 00:18:11,520

um

450

00:18:16,230 --> 00:18:14,799

was there any other emotions you said

451  
00:18:17,669 --> 00:18:16,240  
you weren't scared which i think is

452  
00:18:20,230 --> 00:18:17,679  
pretty interesting

453  
00:18:23,029 --> 00:18:20,240  
um did you feel

454  
00:18:24,870 --> 00:18:23,039  
calm did you feel like

455  
00:18:26,549 --> 00:18:24,880  
whatever it was that wasn't there

456  
00:18:29,110 --> 00:18:26,559  
to bother you

457  
00:18:30,789 --> 00:18:29,120  
and of course this is all

458  
00:18:32,710 --> 00:18:30,799  
uh you know i'm

459  
00:18:33,669 --> 00:18:32,720  
you've never heard of what a ufo is you

460  
00:18:36,230 --> 00:18:33,679  
didn't know

461  
00:18:40,950 --> 00:18:36,240  
so

462  
00:18:43,590 --> 00:18:40,960  
questions along this line yeah but but

463  
00:18:47,110 --> 00:18:43,600

for right now do you remember any other

464

00:18:55,350 --> 00:18:47,830

i

465

00:18:56,390 --> 00:18:55,360

aren't there

466

00:18:59,029 --> 00:18:56,400

right so

467

00:19:01,190 --> 00:18:59,039

yes um

468

00:19:03,990 --> 00:19:01,200

no pressure

469

00:19:04,360 --> 00:19:04,000

i didn't feel any sort of pressure

470

00:19:06,150 --> 00:19:04,370

um

471

00:19:09,029 --> 00:19:06,160

[Music]

472

00:19:10,470 --> 00:19:09,039

it was it's very it's very weird and i

473

00:19:11,590 --> 00:19:10,480

think other people have talked about

474

00:19:13,270 --> 00:19:11,600

this too

475

00:19:16,150 --> 00:19:13,280

but you

476  
00:19:18,630 --> 00:19:16,160  
he almost always did have the sense that

477  
00:19:21,510 --> 00:19:18,640  
something was looking at us i could stop

478  
00:19:22,630 --> 00:19:21,520  
to take a peek for whatever reason

479  
00:19:23,590 --> 00:19:22,640  
you know

480  
00:19:24,549 --> 00:19:23,600  
um

481  
00:19:26,549 --> 00:19:24,559  
before

482  
00:19:28,789 --> 00:19:26,559  
as you've looked

483  
00:19:31,190 --> 00:19:28,799  
i know that you've looked into this

484  
00:19:33,430 --> 00:19:31,200  
um the schoolyard sightings

485  
00:19:35,990 --> 00:19:33,440  
yeah and there's uh you know preston

486  
00:19:39,029 --> 00:19:36,000  
dennett did a book on them

487  
00:19:40,310 --> 00:19:39,039  
um i think he said there was 120 i

488  
00:19:41,830 --> 00:19:40,320

believe maybe i have that number

489

00:19:45,029 --> 00:19:41,840

terribly wrong

490

00:19:48,070 --> 00:19:45,039

but of schoolyard encounters and you

491

00:19:49,750 --> 00:19:48,080

know you can speculate on why you know

492

00:19:51,029 --> 00:19:49,760

children are impressionable they're

493

00:19:53,029 --> 00:19:51,039

open-minded

494

00:19:54,390 --> 00:19:53,039

you know why are these things showing up

495

00:19:57,270 --> 00:19:54,400

in schoolyards

496

00:19:59,110 --> 00:19:57,280

um i don't know but um

497

00:20:00,630 --> 00:19:59,120

so so there was no

498

00:20:03,510 --> 00:20:00,640

um

499

00:20:04,630 --> 00:20:03,520

none of none of the feelings of

500

00:20:07,909 --> 00:20:04,640

uh

501  
00:20:08,950 --> 00:20:07,919  
scared or exhilarating would you say

502  
00:20:11,430 --> 00:20:08,960  
you're

503  
00:20:14,470 --> 00:20:11,440  
not even not even exhilarating and when

504  
00:20:17,270 --> 00:20:14,480  
i looked over after it left and all the

505  
00:20:18,470 --> 00:20:17,280  
sounds seemed to almost flood back in

506  
00:20:20,630 --> 00:20:18,480  
um

507  
00:20:23,669 --> 00:20:20,640  
i was still just standing on the car

508  
00:20:26,310 --> 00:20:23,679  
door looking out and the teacher and the

509  
00:20:28,390 --> 00:20:26,320  
kids around who were all talking

510  
00:20:30,630 --> 00:20:28,400  
and i guess they were probably all

511  
00:20:32,710 --> 00:20:30,640  
saying to each other what was that or

512  
00:20:35,590 --> 00:20:32,720  
something and

513  
00:20:38,310 --> 00:20:35,600

i was not the kind of child who felt

514

00:20:41,990 --> 00:20:40,470

never mind around my peers

515

00:20:44,070 --> 00:20:42,000

but there's no way i would have gone up

516

00:20:45,669 --> 00:20:44,080

to a teacher and said teacher

517

00:20:48,789 --> 00:20:45,679

what was that

518

00:20:52,230 --> 00:20:48,799

so i just hung back and observed

519

00:20:55,669 --> 00:20:52,240

and then you know you're eight and when

520

00:20:55,920 --> 00:20:55,679

you're eight you're on to the next thing

521

00:20:57,510 --> 00:20:55,930

um

522

00:20:59,909 --> 00:20:57,520

[Music]

523

00:21:05,190 --> 00:21:02,310

remember telling my father well i don't

524

00:21:08,149 --> 00:21:05,200

remember actually telling him

525

00:21:10,070 --> 00:21:08,159

but clearly i told him

526  
00:21:13,029 --> 00:21:10,080  
you know maybe that evening or within a

527  
00:21:14,470 --> 00:21:13,039  
few days of the incident because i do

528  
00:21:17,110 --> 00:21:14,480  
remember

529  
00:21:18,950 --> 00:21:17,120  
him asking me multiple times to describe

530  
00:21:23,270 --> 00:21:18,960  
what i'd seen

531  
00:21:26,789 --> 00:21:23,280  
for him

532  
00:21:28,470 --> 00:21:26,799  
and he was he absolutely believed me

533  
00:21:29,830 --> 00:21:28,480  
um

534  
00:21:32,630 --> 00:21:29,840  
i think

535  
00:21:36,230 --> 00:21:32,640  
him asking me to describe it

536  
00:21:38,870 --> 00:21:36,240  
over and over and draw it for him

537  
00:21:40,310 --> 00:21:38,880  
is part of what helped to really

538  
00:21:42,470 --> 00:21:40,320

solidify

539

00:21:44,310 --> 00:21:42,480

that information in my head even though

540

00:21:46,870 --> 00:21:44,320

it's been so many years i feel like i

541

00:21:48,549 --> 00:21:46,880

can count on that information

542

00:21:51,029 --> 00:21:48,559

that part of it to be true like for

543

00:21:53,830 --> 00:21:51,039

example if i look at this craft

544

00:21:56,710 --> 00:21:53,840

and i go okay red stands out for me the

545

00:21:59,270 --> 00:21:56,720

shape absolutely you know did it also

546

00:22:01,350 --> 00:21:59,280

have like a little bump on the bottom

547

00:22:04,950 --> 00:22:01,360

i don't know did it have a row of

548

00:22:05,669 --> 00:22:04,960

windows up here i i can't say whether

549

00:22:36,470 --> 00:22:05,679

i

550

00:22:37,909 --> 00:22:36,480

um

551  
00:22:39,750 --> 00:22:37,919  
and my family went the kind of family

552  
00:22:41,430 --> 00:22:39,760  
would be like hey we've got gotta

553  
00:22:43,029 --> 00:22:41,440  
get hold of the newspaper we gotta

554  
00:22:45,190 --> 00:22:43,039  
contact the school

555  
00:22:47,029 --> 00:22:45,200  
and find out more about this they just

556  
00:22:48,149 --> 00:22:47,039  
that wasn't my family

557  
00:22:51,430 --> 00:22:48,159  
and so

558  
00:22:54,630 --> 00:22:51,440  
it just sort of went quiet

559  
00:22:56,390 --> 00:22:54,640  
but a couple of months ago i thought you

560  
00:22:57,669 --> 00:22:56,400  
know i'm gonna ask my dad

561  
00:22:59,830 --> 00:22:57,679  
and

562  
00:23:02,630 --> 00:22:59,840  
i had texted him to ask me if he'd heard

563  
00:23:05,029 --> 00:23:02,640

about the whole pentagon

564

00:23:06,870 --> 00:23:05,039

report that was coming out

565

00:23:09,270 --> 00:23:06,880

and he said no he hadn't and i was

566

00:23:11,190 --> 00:23:09,280

telling him about it

567

00:23:13,029 --> 00:23:11,200

and

568

00:23:14,710 --> 00:23:13,039

then about a month or so later i called

569

00:23:16,950 --> 00:23:14,720

him on the phone and i said hey dad i

570

00:23:18,549 --> 00:23:16,960

just i want to ask you about that you

571

00:23:20,789 --> 00:23:18,559

because he said to me in the text he

572

00:23:22,950 --> 00:23:20,799

said didn't you have a ufo sighting when

573

00:23:26,230 --> 00:23:22,960

you were in school and i was like yes

574

00:23:27,190 --> 00:23:26,240

okay i wasn't imagining it it really did

575

00:23:30,310 --> 00:23:27,200

happen

576

00:23:31,909 --> 00:23:30,320

and i said yes i did and i'll never

577

00:23:34,070 --> 00:23:31,919

forget it

578

00:23:35,510 --> 00:23:34,080

and then about a month or so later we

579

00:23:37,590 --> 00:23:35,520

got on the phone with each other and i

580

00:23:40,390 --> 00:23:37,600

said i just want to ask you

581

00:23:42,230 --> 00:23:40,400

what do you remember me telling you and

582

00:23:43,590 --> 00:23:42,240

i thought i'm not going to put anything

583

00:23:44,789 --> 00:23:43,600

in his head

584

00:23:48,310 --> 00:23:44,799

because

585

00:23:51,669 --> 00:23:48,320

i want to know exactly what he remembers

586

00:23:53,430 --> 00:23:51,679

great and outside of the color he didn't

587

00:23:56,710 --> 00:23:53,440

mention the color red

588

00:23:59,029 --> 00:23:56,720

but he basically described exactly what

589

00:24:02,710 --> 00:23:59,039

i have told you and again it was

590

00:24:07,669 --> 00:24:05,110

you know every other day

591

00:24:10,310 --> 00:24:07,679

you're thinking to yourself did i just

592

00:24:11,669 --> 00:24:10,320

did i imagine this whole thing i think

593

00:24:13,909 --> 00:24:11,679

francis

594

00:24:16,470 --> 00:24:13,919

who was one of the witnesses of ariel

595

00:24:17,269 --> 00:24:16,480

had said that and i mean

596

00:24:18,870 --> 00:24:17,279

yes

597

00:24:21,190 --> 00:24:18,880

if you can feel that way after

598

00:24:22,950 --> 00:24:21,200

experiencing something like the ariel

599

00:24:24,710 --> 00:24:22,960

encounter

600

00:24:26,549 --> 00:24:24,720

then if you're just an

601  
00:24:28,630 --> 00:24:26,559  
eight-year-old on the you know on the

602  
00:24:30,070 --> 00:24:28,640  
playground and nobody else is

603  
00:24:33,029 --> 00:24:30,080  
corroborating it you're definitely going

604  
00:24:35,350 --> 00:24:33,039  
to feel like that a lot like i just make

605  
00:24:37,430 --> 00:24:35,360  
it up but as soon as you start to say

606  
00:24:39,350 --> 00:24:37,440  
those words to yourself

607  
00:24:41,029 --> 00:24:39,360  
the next thing out of your

608  
00:24:43,269 --> 00:24:41,039  
in your head is

609  
00:24:45,590 --> 00:24:43,279  
no i know what i saw

610  
00:24:47,510 --> 00:24:45,600  
which i think is probably

611  
00:24:49,990 --> 00:24:47,520  
the reason that

612  
00:24:51,909 --> 00:24:50,000  
james fox has that as a title for one of

613  
00:24:54,390 --> 00:24:51,919

his documentaries because those words

614

00:24:59,430 --> 00:24:56,630

they're profound i know

615

00:25:01,510 --> 00:24:59,440

what i saw you cannot change my mind you

616

00:25:02,549 --> 00:25:01,520

cannot convince me otherwise i saw

617

00:25:04,470 --> 00:25:02,559

something

618

00:25:06,710 --> 00:25:04,480

extraordinary

619

00:25:09,029 --> 00:25:06,720

is what that says to me

620

00:25:10,870 --> 00:25:09,039

i just um i just text

621

00:25:13,350 --> 00:25:10,880

uh james um

622

00:25:16,310 --> 00:25:13,360

yes yesterday the day before he's in

623

00:25:17,510 --> 00:25:16,320

brazil and i told him about your

624

00:25:19,909 --> 00:25:17,520

encounter

625

00:25:21,590 --> 00:25:19,919

and that we're talking about his film i

626

00:25:24,390 --> 00:25:21,600

know i know what i saw

627

00:25:27,269 --> 00:25:24,400

um he was uh he was threatened by

628

00:25:29,510 --> 00:25:27,279

gunfire uh do it during some filming

629

00:25:31,909 --> 00:25:29,520

down there so but he's safe

630

00:25:34,950 --> 00:25:31,919

um he's safe and he's going to be coming

631

00:25:37,110 --> 00:25:34,960

home but anyway yeah yeah that that

632

00:25:38,789 --> 00:25:37,120

of all the films that

633

00:25:41,190 --> 00:25:38,799

james fox made

634

00:25:43,110 --> 00:25:41,200

i know the last one the phenomenon was

635

00:25:45,350 --> 00:25:43,120

really good but that

636

00:25:47,269 --> 00:25:45,360

i know what i saw i really like that

637

00:25:48,710 --> 00:25:47,279

yeah movie

638

00:25:50,710 --> 00:25:48,720

i've watched that several times over the

639

00:25:52,470 --> 00:25:50,720

years and that's that's available for

640

00:25:53,590 --> 00:25:52,480

free for anyone if it's a new listener

641

00:25:55,430 --> 00:25:53,600

out there

642

00:25:57,190 --> 00:25:55,440

on youtube you can find it on youtube or

643

00:25:59,110 --> 00:25:57,200

it used to be anyway i'm not sure if it

644

00:26:00,070 --> 00:25:59,120

still is but

645

00:26:01,830 --> 00:26:00,080

yeah

646

00:26:03,590 --> 00:26:01,840

um so

647

00:26:05,750 --> 00:26:03,600

what is let's

648

00:26:08,630 --> 00:26:05,760

what has happened over the years here

649

00:26:10,870 --> 00:26:08,640

you are an eight-year-old girl uh

650

00:26:13,110 --> 00:26:10,880

now you're growing up um a lot of things

651  
00:26:13,990 --> 00:26:13,120  
people will ask

652  
00:26:16,070 --> 00:26:14,000  
is

653  
00:26:17,909 --> 00:26:16,080  
um did it change

654  
00:26:20,630 --> 00:26:17,919  
um you know someone's gonna ask you this

655  
00:26:22,710 --> 00:26:20,640  
sooner or later so i might as well yeah

656  
00:26:25,110 --> 00:26:22,720  
um do you think it affected any of your

657  
00:26:27,510 --> 00:26:25,120  
abilities in any type of way

658  
00:26:29,350 --> 00:26:27,520  
that's something encounters seem to

659  
00:26:31,830 --> 00:26:29,360  
people that have encounters seem to say

660  
00:26:32,950 --> 00:26:31,840  
that quite often

661  
00:26:37,269 --> 00:26:32,960  
um

662  
00:26:41,430 --> 00:26:37,279  
no i you know i don't i don't think so

663  
00:26:44,310 --> 00:26:41,440

i can't point to anything

664

00:26:45,750 --> 00:26:44,320

that i can say oh yeah that's

665

00:26:47,590 --> 00:26:45,760

that comes from

666

00:26:50,070 --> 00:26:47,600

somewhere else

667

00:26:53,029 --> 00:26:51,669

no i mean i wish i could that'd be kind

668

00:26:55,430 --> 00:26:53,039

of cool

669

00:26:57,190 --> 00:26:55,440

but i can't say that no

670

00:26:58,870 --> 00:26:57,200

yeah um

671

00:27:01,430 --> 00:26:58,880

yeah it's just

672

00:27:04,310 --> 00:27:01,440

after it happens and after you've you

673

00:27:05,510 --> 00:27:04,320

know i've told my dad about it you pack

674

00:27:07,669 --> 00:27:05,520

it away

675

00:27:09,669 --> 00:27:07,679

it never leaves you and you think about

676

00:27:12,149 --> 00:27:09,679

it you think about it from time to time

677

00:27:14,230 --> 00:27:12,159

because how can you not it's just a part

678

00:27:16,630 --> 00:27:14,240

of you now

679

00:27:19,190 --> 00:27:16,640

but and what did and and how when you

680

00:27:20,710 --> 00:27:19,200

come to grips with this over the years

681

00:27:22,789 --> 00:27:20,720

um

682

00:27:24,230 --> 00:27:22,799

when you hear people say

683

00:27:26,789 --> 00:27:24,240

things like

684

00:27:29,190 --> 00:27:26,799

oh you know the tinfoil hatters you know

685

00:27:31,190 --> 00:27:29,200

the people that talk about ufos are just

686

00:27:32,830 --> 00:27:31,200

nut cases and why do only crazy people

687

00:27:34,389 --> 00:27:32,840

see ufos and

688

00:27:35,750 --> 00:27:34,399

and

689

00:27:37,830 --> 00:27:35,760

um

690

00:27:39,669 --> 00:27:37,840

but but what it how did you feel about

691

00:27:42,470 --> 00:27:39,679

all that you know like the ridiculous

692

00:27:44,950 --> 00:27:42,480

side did that make you keep it quiet

693

00:27:46,630 --> 00:27:44,960

even more like you actually have been i

694

00:27:49,190 --> 00:27:46,640

mean is that part of the reason you've

695

00:27:50,630 --> 00:27:49,200

never really talked about it

696

00:27:51,750 --> 00:27:50,640

definitely

697

00:27:54,149 --> 00:27:51,760

um

698

00:27:55,909 --> 00:27:54,159

yeah you you just get on with your life

699

00:27:57,430 --> 00:27:55,919

you know you get on with

700

00:27:58,710 --> 00:27:57,440

growing up

701  
00:28:00,830 --> 00:27:58,720  
and

702  
00:28:03,510 --> 00:28:00,840  
you know all the

703  
00:28:05,669 --> 00:28:03,520  
just growing up i mean that's a lot

704  
00:28:09,110 --> 00:28:05,679  
right there and then

705  
00:28:12,789 --> 00:28:11,190  
you know i came over here i met my

706  
00:28:14,230 --> 00:28:12,799  
husband

707  
00:28:19,750 --> 00:28:14,240  
and

708  
00:28:23,110 --> 00:28:19,760  
that he's he's not

709  
00:28:26,389 --> 00:28:23,120  
it's not that he doesn't believe

710  
00:28:27,510 --> 00:28:26,399  
that your ufos exist

711  
00:28:30,230 --> 00:28:27,520  
it's just

712  
00:28:32,630 --> 00:28:30,240  
as he said to me once he said he

713  
00:28:34,630 --> 00:28:32,640

absolutely believes my experience and he

714

00:28:35,830 --> 00:28:34,640

said you know the thing is deb

715

00:28:38,070 --> 00:28:35,840

um

716

00:28:40,230 --> 00:28:38,080

i still have a job to go to every day

717

00:28:42,149 --> 00:28:40,240

and a mortgage to pay it's not part of

718

00:28:46,310 --> 00:28:42,159

my

719

00:28:47,029 --> 00:28:46,320

devote much time to it because i've got

720

00:28:48,630 --> 00:28:47,039

it

721

00:28:50,230 --> 00:28:48,640

so many other things

722

00:28:51,990 --> 00:28:50,240

that are

723

00:28:54,470 --> 00:28:52,000

right in front of me on a day-to-day

724

00:28:57,510 --> 00:28:54,480

basis to think about and i get it that

725

00:28:59,510 --> 00:28:57,520

makes absolute sense um unless you've

726

00:29:04,389 --> 00:28:59,520

had an experience like this i think it

727

00:29:10,149 --> 00:29:05,510

ha

728

00:29:11,909 --> 00:29:10,159

and and energy into thinking about it

729

00:29:12,870 --> 00:29:11,919

and

730

00:29:15,269 --> 00:29:12,880

yeah

731

00:29:17,269 --> 00:29:15,279

you know i mean i i said to quick hi to

732

00:29:19,510 --> 00:29:17,279

him and from things you said he's very

733

00:29:22,549 --> 00:29:19,520

very supportive which is yeah which is

734

00:29:24,870 --> 00:29:22,559

great to have that it absolutely is and

735

00:29:26,389 --> 00:29:24,880

my kids have always known about it i

736

00:29:28,789 --> 00:29:26,399

remember reading

737

00:29:30,470 --> 00:29:28,799

books with my son when he was little i

738

00:29:33,110 --> 00:29:30,480

must have wear them with my daughter too

739

00:29:36,070 --> 00:29:33,120

but my son really got interested i think

740

00:29:38,630 --> 00:29:36,080

the betty and barney hills story and i

741

00:29:41,190 --> 00:29:38,640

mean he he's always

742

00:29:42,310 --> 00:29:41,200

been very interested

743

00:29:44,870 --> 00:29:42,320

um

744

00:29:47,669 --> 00:29:44,880

and my kids are very supportive

745

00:29:48,789 --> 00:29:47,679

and absolutely believe me and don't feel

746

00:29:51,350 --> 00:29:48,799

like oh

747

00:29:52,549 --> 00:29:51,360

you know i can't let anybody know that

748

00:29:54,630 --> 00:29:52,559

my mom's

749

00:29:56,549 --> 00:29:54,640

an experencer because that's too weird

750

00:29:58,470 --> 00:29:56,559

they've never been like that

751

00:30:00,549 --> 00:29:58,480

but you definitely feel like that in

752

00:30:01,830 --> 00:30:00,559

relation to the rest of your life you

753

00:30:03,430 --> 00:30:01,840

know um

754

00:30:04,950 --> 00:30:03,440

it's not something i could share with my

755

00:30:07,110 --> 00:30:04,960

friends and i've got some really good

756

00:30:09,190 --> 00:30:07,120

friends that i can

757

00:30:11,029 --> 00:30:09,200

have heart to hearts with but that isn't

758

00:30:12,389 --> 00:30:11,039

something i feel comfortable sharing

759

00:30:14,789 --> 00:30:12,399

because

760

00:30:16,710 --> 00:30:14,799

it has always been

761

00:30:18,389 --> 00:30:16,720

it's always had the stigma attached to

762

00:30:20,710 --> 00:30:18,399

it like you know people are going to

763

00:30:23,350 --> 00:30:20,720

laugh at you people are going to go what

764

00:30:25,350 --> 00:30:23,360

what are you talking about you know

765

00:30:26,630 --> 00:30:25,360

um so you don't share it with your

766

00:30:28,230 --> 00:30:26,640

friends

767

00:30:30,149 --> 00:30:28,240

um

768

00:30:31,909 --> 00:30:30,159

i've got something to

769

00:30:33,269 --> 00:30:31,919

uh to say about this because you just

770

00:30:34,230 --> 00:30:33,279

kind of brought something up that kind

771

00:30:36,470 --> 00:30:34,240

of

772

00:30:39,430 --> 00:30:36,480

touched me in a way and that is and i've

773

00:30:42,950 --> 00:30:39,440

never talked about this but i was doing

774

00:30:44,070 --> 00:30:42,960

this show for like four or five years

775

00:30:47,269 --> 00:30:44,080

um

776

00:30:48,710 --> 00:30:47,279

i had never told my son that i had a ufo

777

00:30:51,350 --> 00:30:48,720

sighting wow

778

00:30:52,470 --> 00:30:51,360

in 2007. so we were out to dinner one

779

00:30:53,430 --> 00:30:52,480

night

780

00:30:57,190 --> 00:30:53,440

and

781

00:30:58,149 --> 00:30:57,200

i told him uh hey son guess what i do a

782

00:30:58,870 --> 00:30:58,159

show

783

00:31:04,230 --> 00:30:58,880

on

784

00:31:05,750 --> 00:31:04,240

because he you know we had the

785

00:31:07,509 --> 00:31:05,760

conversations over the years you know he

786

00:31:08,950 --> 00:31:07,519

didn't he didn't think that was

787

00:31:10,070 --> 00:31:08,960

happening

788

00:31:11,830 --> 00:31:10,080

and so

789

00:31:13,509 --> 00:31:11,840

he wanted to hear about

790

00:31:15,350 --> 00:31:13,519

well what did you see

791

00:31:17,590 --> 00:31:15,360

when i got done telling my story he says

792

00:31:19,430 --> 00:31:17,600

you know i never really

793

00:31:22,070 --> 00:31:19,440

believed

794

00:31:23,029 --> 00:31:22,080

ufos but he says you know what i believe

795

00:31:27,350 --> 00:31:23,039

you

796

00:31:28,950 --> 00:31:27,360

just told him what i saw and what

797

00:31:31,110 --> 00:31:28,960

happened and

798

00:31:33,830 --> 00:31:31,120

from that point on he's had an open mind

799

00:31:35,110 --> 00:31:33,840

but it is really

800

00:31:36,389 --> 00:31:35,120

it's nice to have the support of your

801  
00:31:38,870 --> 00:31:36,399

family

802  
00:31:41,350 --> 00:31:38,880

it really is it it

803  
00:31:43,830 --> 00:31:41,360

means a whole lot when you know that you

804  
00:31:45,590 --> 00:31:43,840

have that because on the other side of

805  
00:31:47,909 --> 00:31:45,600

it you know that you can't it's not

806  
00:31:50,070 --> 00:31:47,919

something you can just go out and

807  
00:31:51,830 --> 00:31:50,080

you don't feel comfortable telling

808  
00:31:54,310 --> 00:31:51,840

everybody or having people know about

809  
00:31:56,950 --> 00:31:54,320

you i mean i worked in

810  
00:32:00,950 --> 00:31:59,190

and that was what i did i worked in

811  
00:32:01,990 --> 00:32:00,960

different schools and so you're not

812  
00:32:03,909 --> 00:32:02,000

gonna

813  
00:32:05,750 --> 00:32:03,919

talk about it there

814

00:32:07,789 --> 00:32:05,760

um i've always

815

00:32:10,310 --> 00:32:07,799

thought of myself as a very very

816

00:32:12,870 --> 00:32:10,320

science-minded person i love

817

00:32:14,310 --> 00:32:12,880

astrophysics in fact my son and i love

818

00:32:16,389 --> 00:32:14,320

getting into conversations about

819

00:32:19,509 --> 00:32:16,399

astrophysics because

820

00:32:22,870 --> 00:32:19,519

he's that's his thing as well

821

00:32:24,870 --> 00:32:22,880

and i appreciate the scientific method i

822

00:32:26,310 --> 00:32:24,880

i appreciate

823

00:32:34,549 --> 00:32:26,320

that

824

00:32:36,549 --> 00:32:34,559

having i'm grateful for this experience

825

00:32:39,909 --> 00:32:36,559

if for nothing for no other reason then

826

00:32:41,669 --> 00:32:39,919

it's it's given me perhaps a broader

827

00:32:42,630 --> 00:32:41,679

mind than i maybe otherwise would have

828

00:32:44,630 --> 00:32:42,640

had

829

00:32:47,830 --> 00:32:44,640

yeah um it's helped me to really think

830

00:32:49,909 --> 00:32:47,840

outside the box and go you know you just

831

00:32:51,909 --> 00:32:49,919

we don't know we just don't know

832

00:32:53,350 --> 00:32:51,919

a tenth of what's going on we just don't

833

00:32:55,110 --> 00:32:53,360

know

834

00:32:57,509 --> 00:32:55,120

what's out there

835

00:32:59,110 --> 00:32:57,519

that's right yeah i recently was on a

836

00:33:00,870 --> 00:32:59,120

panel with uh richard dole and lee

837

00:33:02,549 --> 00:33:00,880

spiegel mark d'antonio and all that we

838

00:33:04,470 --> 00:33:02,559

were sitting around the table and i

839

00:33:07,269 --> 00:33:04,480

think it was richard said

840

00:33:10,789 --> 00:33:07,279

like um you know we don't know what this

841

00:33:12,149 --> 00:33:10,799

stuff is but isn't it great

842

00:33:14,710 --> 00:33:12,159

and it's like

843

00:33:15,750 --> 00:33:14,720

yeah you know it makes

844

00:33:18,630 --> 00:33:15,760

you know

845

00:33:20,549 --> 00:33:18,640

without it i mean if you don't have that

846

00:33:22,630 --> 00:33:20,559

in your life the thought that there may

847

00:33:25,430 --> 00:33:22,640

be something else

848

00:33:26,630 --> 00:33:25,440

you know it's it's a much smaller world

849

00:33:28,149 --> 00:33:26,640

i mean it just

850

00:33:30,070 --> 00:33:28,159

it just seems to

851  
00:33:32,950 --> 00:33:30,080  
open it up if you if you really look

852  
00:33:35,110 --> 00:33:32,960  
into this you know and um definitely and

853  
00:33:37,750 --> 00:33:35,120  
we're such a people that look into this

854  
00:33:39,590 --> 00:33:37,760  
or people like you myself that have had

855  
00:33:41,029 --> 00:33:39,600  
you know an experience

856  
00:33:42,710 --> 00:33:41,039  
and then there's other people that

857  
00:33:45,750 --> 00:33:42,720  
haven't that are really interested in it

858  
00:33:47,350 --> 00:33:45,760  
but it's a very small segment of society

859  
00:33:49,669 --> 00:33:47,360  
but i do believe

860  
00:33:51,110 --> 00:33:49,679  
by the growth of this show over the last

861  
00:33:53,110 --> 00:33:51,120  
few years and

862  
00:33:54,149 --> 00:33:53,120  
um i do believe that it's growing all

863  
00:33:54,950 --> 00:33:54,159

the time

864

00:33:56,710 --> 00:33:54,960

yeah

865

00:33:59,110 --> 00:33:56,720

and and i can see that and i think

866

00:34:01,669 --> 00:33:59,120

really that's what changed for me

867

00:34:03,350 --> 00:34:01,679

um you know within the past few years

868

00:34:06,789 --> 00:34:03,360

i've

869

00:34:07,909 --> 00:34:06,799

youtube has become my tv of choice

870

00:34:10,629 --> 00:34:07,919

and

871

00:34:13,510 --> 00:34:10,639

i think my topics of choice have always

872

00:34:15,669 --> 00:34:13,520

been the the science predominantly the

873

00:34:17,909 --> 00:34:15,679

science channels

874

00:34:19,589 --> 00:34:17,919

i do have other interests but the

875

00:34:21,510 --> 00:34:19,599

science channels and then i was starting

876  
00:34:24,470 --> 00:34:21,520  
to find james

877  
00:34:26,470 --> 00:34:24,480  
fox's documentaries

878  
00:34:28,230 --> 00:34:26,480  
and thought oh you know what i want to

879  
00:34:30,389 --> 00:34:28,240  
watch these i want to know what other

880  
00:34:31,589 --> 00:34:30,399  
people have experienced i want to see if

881  
00:34:34,790 --> 00:34:31,599  
i can

882  
00:34:35,909 --> 00:34:34,800  
sort of connect with their experiences

883  
00:34:37,669 --> 00:34:35,919  
and from there it just sort of

884  
00:34:39,510 --> 00:34:37,679  
snowballed for me

885  
00:34:41,430 --> 00:34:39,520  
and i kept having more and more

886  
00:34:43,669 --> 00:34:41,440  
suggestions on youtube because that's

887  
00:34:44,790 --> 00:34:43,679  
what it does which is how i found your

888  
00:34:45,909 --> 00:34:44,800

channel

889

00:34:47,589 --> 00:34:45,919

and

890

00:34:50,629 --> 00:34:47,599

but it was

891

00:34:52,470 --> 00:34:50,639

i became more and more excited and my

892

00:34:54,230 --> 00:34:52,480

son would say to me mom

893

00:34:57,430 --> 00:34:54,240

have you never spoken to any of your

894

00:34:59,510 --> 00:34:57,440

classmates and like well first of all

895

00:35:02,470 --> 00:34:59,520

there are maybe a handful that i'm still

896

00:35:04,950 --> 00:35:02,480

in touch with not even a handful who may

897

00:35:07,270 --> 00:35:04,960

or may not have seen something who were

898

00:35:09,030 --> 00:35:07,280

at the same elementary school

899

00:35:10,790 --> 00:35:09,040

and

900

00:35:13,829 --> 00:35:10,800

i don't i don't know what other people's

901  
00:35:16,150 --> 00:35:13,839  
experiences are but i've only recently

902  
00:35:17,190 --> 00:35:16,160  
just just recently reached out to one of

903  
00:35:18,550 --> 00:35:17,200  
them

904  
00:35:20,550 --> 00:35:18,560  
because every time i thought about

905  
00:35:22,950 --> 00:35:20,560  
reaching out to them

906  
00:35:24,870 --> 00:35:22,960  
i had two fears the fear that they would

907  
00:35:26,310 --> 00:35:24,880  
say i have no idea what you're talking

908  
00:35:28,829 --> 00:35:26,320  
about sounds like you made the whole

909  
00:35:31,670 --> 00:35:28,839  
thing up and then you're kind of

910  
00:35:32,630 --> 00:35:31,680  
going maybe maybe i did did i i don't

911  
00:35:34,550 --> 00:35:32,640  
know

912  
00:35:35,670 --> 00:35:34,560  
and then the other reaction is them

913  
00:35:37,589 --> 00:35:35,680

saying

914

00:35:39,109 --> 00:35:37,599

yeah i remember well then what do you do

915

00:35:42,150 --> 00:35:39,119

with that that starts a whole new

916

00:35:44,230 --> 00:35:42,160

conversation so i just thought to myself

917

00:35:45,990 --> 00:35:44,240

it was that whole thing of i'm not even

918

00:35:47,670 --> 00:35:46,000

going to go there it's not worth it

919

00:35:50,550 --> 00:35:47,680

there's no point

920

00:35:52,230 --> 00:35:50,560

i'm i'm not even going there

921

00:35:54,710 --> 00:35:52,240

um

922

00:35:56,950 --> 00:35:54,720

but then

923

00:35:58,390 --> 00:35:56,960

i saw the documentary where you

924

00:36:00,710 --> 00:35:58,400

interviewed

925

00:36:02,470 --> 00:36:00,720

selma siddik

926  
00:36:05,190 --> 00:36:02,480  
and that

927  
00:36:06,390 --> 00:36:05,200  
that was when i was like you know what

928  
00:36:08,630 --> 00:36:06,400  
enough

929  
00:36:10,550 --> 00:36:08,640  
maybe maybe it's time to stop sort of

930  
00:36:13,270 --> 00:36:10,560  
keeping this

931  
00:36:15,349 --> 00:36:13,280  
to myself because so many people feel

932  
00:36:18,150 --> 00:36:15,359  
that way you know and people talk about

933  
00:36:20,069 --> 00:36:18,160  
it all the time oh you have x amount of

934  
00:36:22,470 --> 00:36:20,079  
cases that are reported but who knows

935  
00:36:24,470 --> 00:36:22,480  
how many cases are never reported how

936  
00:36:27,430 --> 00:36:24,480  
many cases are there that we don't know

937  
00:36:30,470 --> 00:36:27,440  
anything about because people

938  
00:36:32,069 --> 00:36:30,480

have concerns about coming forward

939

00:36:32,870 --> 00:36:32,079

and hundreds of thousands i would guess

940

00:36:35,829 --> 00:36:32,880

yeah

941

00:36:38,069 --> 00:36:35,839

fraction of

942

00:36:39,349 --> 00:36:38,079

you know um

943

00:36:41,589 --> 00:36:39,359

right

944

00:36:43,190 --> 00:36:41,599

i mean it's almost

945

00:36:45,349 --> 00:36:43,200

it's almost like

946

00:36:47,430 --> 00:36:45,359

whenever i feel safe enough to bring up

947

00:36:48,550 --> 00:36:47,440

the topic when there's a few people

948

00:36:50,470 --> 00:36:48,560

around

949

00:36:53,109 --> 00:36:50,480

there's one of those people that said oh

950

00:36:54,790 --> 00:36:53,119

yeah well this happened to me

951  
00:36:56,790 --> 00:36:54,800  
you know um

952  
00:36:58,150 --> 00:36:56,800  
you know and people i've known

953  
00:37:00,710 --> 00:36:58,160  
all my life

954  
00:37:03,030 --> 00:37:00,720  
you know this author i've known

955  
00:37:05,030 --> 00:37:03,040  
when she found out that i did

956  
00:37:06,310 --> 00:37:05,040  
a show on ufo she goes oh you can't

957  
00:37:07,270 --> 00:37:06,320  
believe what happened to me when i was

958  
00:37:09,190 --> 00:37:07,280  
hiking

959  
00:37:11,589 --> 00:37:09,200  
um you know this thing came right over

960  
00:37:13,430 --> 00:37:11,599  
us and you know i mean

961  
00:37:15,030 --> 00:37:13,440  
there's so many

962  
00:37:17,190 --> 00:37:15,040  
and you're right you know the people

963  
00:37:19,030 --> 00:37:17,200

keep it to themselves

964

00:37:21,030 --> 00:37:19,040

yeah and i get it

965

00:37:24,230 --> 00:37:21,040

i totally get that i mean i only just

966

00:37:26,069 --> 00:37:24,240

mentioned to my sisters my sisters

967

00:37:28,710 --> 00:37:26,079

and both of them said

968

00:37:31,670 --> 00:37:28,720

wow we had no idea mom and dad never

969

00:37:33,430 --> 00:37:31,680

told us anything and they were teenagers

970

00:37:34,950 --> 00:37:33,440

they were you know one sister was

971

00:37:36,390 --> 00:37:34,960

heading out into the working world the

972

00:37:38,470 --> 00:37:36,400

other sister was finishing up high

973

00:37:39,990 --> 00:37:38,480

school and my parents must not have

974

00:37:41,270 --> 00:37:40,000

thought it was anything they needed to

975

00:37:42,710 --> 00:37:41,280

know which

976

00:37:44,230 --> 00:37:42,720

fine whatever

977

00:37:47,190 --> 00:37:44,240

um

978

00:37:49,750 --> 00:37:47,200

but my oldest sister said i need to know

979

00:37:53,910 --> 00:37:49,760

all about it you tell me about it you

980

00:37:55,190 --> 00:37:53,920

know what did you see what was it like

981

00:37:58,710 --> 00:37:55,200

yeah

982

00:38:02,470 --> 00:38:00,390

i don't know i

983

00:38:04,790 --> 00:38:02,480

i would like to think that going forward

984

00:38:07,670 --> 00:38:04,800

i'm going to have the courage to reach

985

00:38:09,670 --> 00:38:07,680

out to the classmates that i'm still in

986

00:38:11,510 --> 00:38:09,680

touch with and say

987

00:38:13,750 --> 00:38:11,520

i've got kind of a weird question for

988

00:38:17,589 --> 00:38:15,589

and and be okay with whatever answer

989

00:38:18,390 --> 00:38:17,599

they give me because again i know what i

990

00:38:19,670 --> 00:38:18,400

saw

991

00:38:22,870 --> 00:38:19,680

yeah

992

00:38:25,430 --> 00:38:22,880

to me i think that's a really good

993

00:38:27,270 --> 00:38:25,440

attitude you know uh let go of the

994

00:38:29,349 --> 00:38:27,280

outcome and right

995

00:38:31,270 --> 00:38:29,359

and uh

996

00:38:32,790 --> 00:38:31,280

i don't mean to sound kind of cruel but

997

00:38:35,750 --> 00:38:32,800

what are you waiting for

998

00:38:36,350 --> 00:38:35,760

i mean it it's a good time it's been a

999

00:38:39,589 --> 00:38:36,360

while

1000

00:38:42,710 --> 00:38:39,599

[Laughter]

1001

00:38:46,150 --> 00:38:42,720

yeah wow uh yeah it can't really

1002

00:38:48,470 --> 00:38:46,160

uh it can't hurt i mean right you know

1003

00:38:50,470 --> 00:38:48,480

if this was three years ago

1004

00:38:52,710 --> 00:38:50,480

um before

1005

00:38:54,950 --> 00:38:52,720

it seems much more acceptable to talk

1006

00:38:57,030 --> 00:38:54,960

about it you know

1007

00:38:58,390 --> 00:38:57,040

of course everyone was having caution i

1008

00:39:00,390 --> 00:38:58,400

just feel like it's more and more

1009

00:39:01,910 --> 00:39:00,400

comfortable now these people i don't

1010

00:39:03,190 --> 00:39:01,920

know where they you know you were in

1011

00:39:06,390 --> 00:39:03,200

south africa i don't know where they

1012

00:39:09,270 --> 00:39:06,400

landed where they are now but um

1013

00:39:12,069 --> 00:39:09,280

in the world maybe wherever they are

1014

00:39:13,430 --> 00:39:12,079

it's not so much acceptable as it is

1015

00:39:15,270 --> 00:39:13,440

here in the states right now i don't

1016

00:39:16,950 --> 00:39:15,280

know

1017

00:39:19,109 --> 00:39:16,960

yeah i

1018

00:39:21,910 --> 00:39:19,119

the one friend that i reached out to

1019

00:39:24,150 --> 00:39:21,920

i've not heard back and it's

1020

00:39:26,390 --> 00:39:24,160

been a little bit

1021

00:39:30,230 --> 00:39:26,400

which is interesting to me because i

1022

00:39:31,589 --> 00:39:30,240

doubt that she hasn't seen my message

1023

00:39:33,349 --> 00:39:31,599

and

1024

00:39:36,230 --> 00:39:33,359

yeah i don't know that's that's

1025

00:39:38,870 --> 00:39:36,240

interesting that she has not yet

1026  
00:39:39,910 --> 00:39:38,880  
said anything to me one way or the other

1027  
00:39:41,750 --> 00:39:39,920  
um

1028  
00:39:42,950 --> 00:39:41,760  
and she doesn't have to say anything at

1029  
00:39:45,190 --> 00:39:42,960  
all but

1030  
00:39:49,190 --> 00:39:45,200  
that's just interesting to me

1031  
00:39:51,430 --> 00:39:49,200  
okay besides besides um watching

1032  
00:39:54,069 --> 00:39:51,440  
youtube like you say

1033  
00:39:56,630 --> 00:39:54,079  
and and and catching up on you know what

1034  
00:39:58,230 --> 00:39:56,640  
other people are saying about this topic

1035  
00:39:59,910 --> 00:39:58,240  
and i'm glad that you're doing that i

1036  
00:40:01,670 --> 00:39:59,920  
did i did the same thing

1037  
00:40:04,150 --> 00:40:01,680  
um

1038  
00:40:05,430 --> 00:40:04,160

what else has happened

1039

00:40:08,550 --> 00:40:05,440

in your life

1040

00:40:11,910 --> 00:40:08,560

in regards to this the effects that this

1041

00:40:15,349 --> 00:40:11,920

has had um on your life

1042

00:40:18,950 --> 00:40:17,190

well

1043

00:40:21,030 --> 00:40:18,960

honestly like

1044

00:40:22,870 --> 00:40:21,040

at this moment in time just

1045

00:40:26,790 --> 00:40:22,880

sitting here and talking to you about

1046

00:40:28,470 --> 00:40:26,800

this this for me this is really big

1047

00:40:32,390 --> 00:40:28,480

because

1048

00:40:38,630 --> 00:40:35,510

just naturally very anxious person i'm

1049

00:40:40,870 --> 00:40:38,640

very introverted i don't

1050

00:40:42,150 --> 00:40:40,880

i have a very small group of friends and

1051  
00:40:45,030 --> 00:40:42,160  
honestly

1052  
00:40:47,109 --> 00:40:45,040  
the part of the pandemic that suited me

1053  
00:40:48,309 --> 00:40:47,119  
just fine was being stuck in was being

1054  
00:40:49,829 --> 00:40:48,319  
in my house

1055  
00:40:51,670 --> 00:40:49,839  
and not having to

1056  
00:40:53,829 --> 00:40:51,680  
interact with people because i kind of

1057  
00:40:55,829 --> 00:40:53,839  
like that that's just who i am

1058  
00:40:57,990 --> 00:40:55,839  
i don't feel comfortable putting myself

1059  
00:41:01,030 --> 00:40:58,000  
out there so this

1060  
00:41:03,030 --> 00:41:01,040  
this is kind of huge

1061  
00:41:06,470 --> 00:41:03,040  
and

1062  
00:41:09,510 --> 00:41:06,480  
a lot of it has to do with as you said

1063  
00:41:11,829 --> 00:41:09,520

you do feel that

1064

00:41:13,190 --> 00:41:11,839

the scientific community is definitely

1065

00:41:15,829 --> 00:41:13,200

there are people in the scientific

1066

00:41:17,990 --> 00:41:15,839

community who are taking

1067

00:41:20,390 --> 00:41:18,000

more of a stand

1068

00:41:23,030 --> 00:41:20,400

and saying you know what

1069

00:41:26,069 --> 00:41:23,040

how are we not looking at this

1070

00:41:29,270 --> 00:41:26,079

this is happening to and unfortunately i

1071

00:41:32,230 --> 00:41:29,280

mean i get it but it's unfortunate that

1072

00:41:34,630 --> 00:41:32,240

it had to get to the point where

1073

00:41:37,190 --> 00:41:34,640

um the military

1074

00:41:39,589 --> 00:41:37,200

and and uh

1075

00:41:42,150 --> 00:41:39,599

you know professional pilots and

1076

00:41:44,069 --> 00:41:42,160

whatnot we're reporting it for it to be

1077

00:41:46,829 --> 00:41:44,079

even considered

1078

00:41:48,870 --> 00:41:46,839

um it's unfortunate that

1079

00:41:51,190 --> 00:41:48,880

regular people

1080

00:41:54,630 --> 00:41:51,200

experiencing it

1081

00:41:58,870 --> 00:41:56,790

that their experiences aren't validated

1082

00:42:01,510 --> 00:41:58,880

in the same way but having said that i

1083

00:42:02,790 --> 00:42:01,520

get it i mean i i do

1084

00:42:04,630 --> 00:42:02,800

um

1085

00:42:06,309 --> 00:42:04,640

well but you're right that's that's a

1086

00:42:08,230 --> 00:42:06,319

really good point and you know we're

1087

00:42:09,990 --> 00:42:08,240

talking not just

1088

00:42:12,390 --> 00:42:10,000

the average person but we're also

1089

00:42:13,990 --> 00:42:12,400

talking you know police officers people

1090

00:42:15,910 --> 00:42:14,000

with credibility

1091

00:42:18,069 --> 00:42:15,920

that had these settings there's been

1092

00:42:19,670 --> 00:42:18,079

plenty of those there's so many police

1093

00:42:21,750 --> 00:42:19,680

sightings right

1094

00:42:23,510 --> 00:42:21,760

yeah here here's a question

1095

00:42:27,349 --> 00:42:23,520

um have you had any other odd

1096

00:42:29,829 --> 00:42:27,359

experiences before or since

1097

00:42:34,230 --> 00:42:31,430

richard

1098

00:42:36,950 --> 00:42:34,240

just one and

1099

00:42:37,910 --> 00:42:36,960

it was more odd in my mind than anything

1100

00:42:40,950 --> 00:42:37,920

else

1101

00:42:42,630 --> 00:42:40,960

um so the town that i currently live in

1102

00:42:46,390 --> 00:42:42,640

within oh

1103

00:42:47,910 --> 00:42:46,400

gosh within the past couple of decades

1104

00:42:49,670 --> 00:42:47,920

at least and i know that's sort of a

1105

00:42:52,710 --> 00:42:49,680

long time but again

1106

00:42:54,710 --> 00:42:52,720

sometime in the past 20 years and then

1107

00:42:57,349 --> 00:42:54,720

i'm saying that because that's

1108

00:42:58,630 --> 00:42:57,359

when we moved to this house and i

1109

00:43:00,950 --> 00:42:58,640

remember

1110

00:43:03,030 --> 00:43:00,960

it happened when we were in this house

1111

00:43:05,829 --> 00:43:03,040

but there was a report in our local

1112

00:43:07,910 --> 00:43:05,839

paper about a family who'd been

1113

00:43:09,829 --> 00:43:07,920

traveling home it was dark

1114

00:43:10,870 --> 00:43:09,839

as they passed one of the schools in

1115

00:43:12,950 --> 00:43:10,880

town

1116

00:43:15,190 --> 00:43:12,960

they saw something on one of the fields

1117

00:43:17,109 --> 00:43:15,200

the playing fields and so the dad pulled

1118

00:43:19,030 --> 00:43:17,119

the car into the parking lot and shot

1119

00:43:21,270 --> 00:43:19,040

his lights on it and there was this

1120

00:43:24,150 --> 00:43:21,280

landed craft

1121

00:43:26,309 --> 00:43:24,160

and it was just a brief newspaper

1122

00:43:28,150 --> 00:43:26,319

article and my husband was reading it to

1123

00:43:32,950 --> 00:43:28,160

me

1124

00:43:34,630 --> 00:43:32,960

i told him until many years later but as

1125

00:43:38,230 --> 00:43:34,640

he was reading

1126  
00:43:43,349 --> 00:43:38,240  
about these other people's experience

1127  
00:43:44,790 --> 00:43:43,359  
i suddenly had this like flash of fear

1128  
00:43:46,630 --> 00:43:44,800  
um

1129  
00:43:50,630 --> 00:43:46,640  
and all i could think was

1130  
00:43:53,589 --> 00:43:50,640  
oh no they found me they know where i am

1131  
00:43:55,430 --> 00:43:53,599  
and it was i actually like went cold

1132  
00:43:58,309 --> 00:43:55,440  
with with fear

1133  
00:44:00,470 --> 00:43:58,319  
and then almost as suddenly as that

1134  
00:44:03,589 --> 00:44:00,480  
feeling came over me

1135  
00:44:06,550 --> 00:44:03,599  
my next thought was like

1136  
00:44:09,030 --> 00:44:06,560  
this you know don't be ridiculous

1137  
00:44:11,349 --> 00:44:09,040  
that that absolutely isn't the case but

1138  
00:44:13,430 --> 00:44:11,359

that feeling of fear still lingered a

1139

00:44:16,230 --> 00:44:13,440

bit and i'm i

1140

00:44:18,550 --> 00:44:16,240

am not saying in any way shape or form

1141

00:44:21,030 --> 00:44:18,560

that whatever that family

1142

00:44:23,349 --> 00:44:21,040

experience was here for me absolutely

1143

00:44:29,510 --> 00:44:23,359

not

1144

00:44:31,589 --> 00:44:29,520

example of how

1145

00:44:33,829 --> 00:44:31,599

how much of an impact that origin that

1146

00:44:37,190 --> 00:44:33,839

sighting of mine had on me that

1147

00:44:39,030 --> 00:44:37,200

that's sort of where my mind went to

1148

00:44:40,630 --> 00:44:39,040

sure and

1149

00:44:42,390 --> 00:44:40,640

that is

1150

00:44:44,550 --> 00:44:42,400

i know

1151  
00:44:45,670 --> 00:44:44,560  
that this might be hard to understand

1152  
00:44:47,349 --> 00:44:45,680  
but that is

1153  
00:44:49,030 --> 00:44:47,359  
that's a common

1154  
00:44:51,270 --> 00:44:49,040  
thing not a comment but something i've

1155  
00:44:52,230 --> 00:44:51,280  
heard before

1156  
00:44:54,150 --> 00:44:52,240  
and

1157  
00:44:56,150 --> 00:44:54,160  
uh you know there was uh someone that

1158  
00:44:58,470 --> 00:44:56,160  
was on this show not that long ago that

1159  
00:45:00,790 --> 00:44:58,480  
kind of talked about that

1160  
00:45:03,349 --> 00:45:00,800  
when he saw a ufo over him he hadn't

1161  
00:45:05,829 --> 00:45:03,359  
experienced before

1162  
00:45:07,349 --> 00:45:05,839  
and he knew it was there i mean it's not

1163  
00:45:08,630 --> 00:45:07,359

like he thought it was there he knew it

1164

00:45:09,670 --> 00:45:08,640

was there

1165

00:45:11,349 --> 00:45:09,680

uh

1166

00:45:13,109 --> 00:45:11,359

you know and it's not a self-centered

1167

00:45:15,670 --> 00:45:13,119

thing it it's just

1168

00:45:17,910 --> 00:45:15,680

it's a feeling it's a feeling and and

1169

00:45:19,270 --> 00:45:17,920

you can't can't deny you can't control

1170

00:45:22,470 --> 00:45:19,280

those

1171

00:45:23,990 --> 00:45:22,480

absolutely right and um

1172

00:45:26,069 --> 00:45:24,000

years later

1173

00:45:28,790 --> 00:45:26,079

when i happened to mention it to my

1174

00:45:29,829 --> 00:45:28,800

husband in some conversation again he

1175

00:45:33,510 --> 00:45:29,839

didn't

1176

00:45:37,190 --> 00:45:33,520

well that's silly you know why did you

1177

00:45:39,190 --> 00:45:37,200

think that he went yeah i get it

1178

00:45:40,790 --> 00:45:39,200

which

1179

00:45:45,109 --> 00:45:40,800

yeah

1180

00:45:46,950 --> 00:45:45,119

a good man there

1181

00:45:48,710 --> 00:45:46,960

yeah i'm i'm

1182

00:45:50,870 --> 00:45:48,720

very very grateful to have such a

1183

00:45:53,270 --> 00:45:50,880

supportive family yeah

1184

00:45:56,790 --> 00:45:53,280

who who don't see it as a bunch of just

1185

00:45:58,470 --> 00:45:56,800

you know silly mumbo jumbo

1186

00:46:05,510 --> 00:45:58,480

um

1187

00:46:07,270 --> 00:46:05,520

let's see we open the lines

1188

00:46:10,069 --> 00:46:07,280

and uh we actually have someone on the

1189

00:46:11,829 --> 00:46:10,079

line right now so i'm gonna bring uh

1190

00:46:13,670 --> 00:46:11,839

bill in and

1191

00:46:16,230 --> 00:46:13,680

um we have

1192

00:46:19,589 --> 00:46:16,240

jeff from indiana on the line welcome to

1193

00:46:23,910 --> 00:46:22,230

you're on the line you're over here

1194

00:46:25,270 --> 00:46:23,920

hi uh

1195

00:46:27,190 --> 00:46:25,280

i can't see your name here i got it

1196

00:46:29,510 --> 00:46:27,200

muted uh

1197

00:46:33,190 --> 00:46:29,520

i think the uh

1198

00:46:35,750 --> 00:46:33,200

uh ridicule was waning now that the uh

1199

00:46:39,190 --> 00:46:37,910

uh the pentagon has announced that

1200

00:46:40,950 --> 00:46:39,200

announced that you know these things

1201

00:46:43,109 --> 00:46:40,960

actually exist don't worry about that

1202

00:46:45,990 --> 00:46:43,119

anymore i never did worry about it

1203

00:46:47,589 --> 00:46:46,000

i uh i'm an experiercer my wife and i we

1204

00:46:48,710 --> 00:46:47,599

had four of these crafts in a daylight

1205

00:46:50,470 --> 00:46:48,720

thing

1206

00:46:53,190 --> 00:46:50,480

and i could have hit him with a rock and

1207

00:46:54,470 --> 00:46:53,200

uh i told everybody i didn't care

1208

00:46:57,510 --> 00:46:54,480

because it really doesn't matter what

1209

00:47:00,069 --> 00:46:57,520

people think we saw it

1210

00:47:01,750 --> 00:47:00,079

um and that's all there is to it and i

1211

00:47:03,670 --> 00:47:01,760

told everybody

1212

00:47:05,030 --> 00:47:03,680

good responses bad responses didn't

1213

00:47:09,030 --> 00:47:05,040

matter

1214

00:47:14,950 --> 00:47:12,150

the sound they make no sound but i think

1215

00:47:17,430 --> 00:47:14,960

what the thing is when it's happening

1216

00:47:19,910 --> 00:47:17,440

it is so riveting

1217

00:47:22,630 --> 00:47:19,920

and so

1218

00:47:24,790 --> 00:47:22,640

that's a visual experience

1219

00:47:27,670 --> 00:47:24,800

you're so

1220

00:47:29,910 --> 00:47:27,680

drawn to it and so mesmerized by at

1221

00:47:32,069 --> 00:47:29,920

least i was at my wife i was like a

1222

00:47:33,670 --> 00:47:32,079

video game in my mind

1223

00:47:34,710 --> 00:47:33,680

and you kind of block everything else

1224

00:47:36,150 --> 00:47:34,720

out

1225

00:47:38,069 --> 00:47:36,160

there were some cars that went by and

1226

00:47:41,030 --> 00:47:38,079

stuff i remember the sound it didn't i

1227

00:47:43,030 --> 00:47:41,040

don't believe they block out the sound

1228

00:47:44,870 --> 00:47:43,040

but um

1229

00:47:47,589 --> 00:47:44,880

now you know what you saw

1230

00:47:49,430 --> 00:47:47,599

i know what i saw and learned what he

1231

00:47:53,030 --> 00:47:49,440

saw and when you know

1232

00:47:55,190 --> 00:47:53,040

it's really disheartening when

1233

00:47:57,190 --> 00:47:55,200

people you try to honestly tell the

1234

00:47:59,190 --> 00:47:57,200

story to

1235

00:48:00,710 --> 00:47:59,200

you know roll their eyes it's a really

1236

00:48:02,710 --> 00:48:00,720

hard thing to do but it really doesn't

1237

00:48:04,790 --> 00:48:02,720

matter what they think anyway

1238

00:48:10,470 --> 00:48:04,800

yeah the only last thing i'd like to say

1239

00:48:15,910 --> 00:48:14,230

bad assumptions is that the government

1240

00:48:18,470 --> 00:48:15,920

after blue book and that said they're

1241

00:48:19,670 --> 00:48:18,480

not interested in ufos anymore

1242

00:48:22,549 --> 00:48:19,680

well i have a friend of mine who works

1243

00:48:25,670 --> 00:48:22,559

for the defense department and trust me

1244

00:48:27,430 --> 00:48:25,680

they have never dropped a ball on this

1245

00:48:30,309 --> 00:48:27,440

on this subject

1246

00:48:32,710 --> 00:48:30,319

they have spent more on

1247

00:48:35,510 --> 00:48:32,720

a cosmic top secret than they have on a

1248

00:48:37,510 --> 00:48:35,520

nuclear program because these things

1249

00:48:40,230 --> 00:48:37,520

been violating our

1250

00:48:41,829 --> 00:48:40,240

most sensitive airspace shutting down

1251  
00:48:46,069 --> 00:48:41,839  
missile banks and if you think the

1252  
00:48:47,109 --> 00:48:46,079  
pentagon wasn't driven crazy about this

1253  
00:48:48,150 --> 00:48:47,119  
uh

1254  
00:48:52,549 --> 00:48:48,160  
you're

1255  
00:48:54,549 --> 00:48:52,559  
they are very concerned about these

1256  
00:48:56,470 --> 00:48:54,559  
things and probably what they're more

1257  
00:48:57,750 --> 00:48:56,480  
worried about than the fact of aliens

1258  
00:48:59,270 --> 00:48:57,760  
themselves

1259  
00:49:00,630 --> 00:48:59,280  
what they were worried about with the

1260  
00:49:02,230 --> 00:49:00,640  
people was

1261  
00:49:03,750 --> 00:49:02,240  
if they acknowledged them then the

1262  
00:49:05,510 --> 00:49:03,760  
people were going to go say what are

1263  
00:49:06,790 --> 00:49:05,520

they well we don't really know

1264

00:49:09,190 --> 00:49:06,800

the other thing they were going to ask

1265

00:49:11,190 --> 00:49:09,200

was can you protect us against them and

1266

00:49:14,309 --> 00:49:11,200

the government was going to say

1267

00:49:17,270 --> 00:49:14,319

no we we cannot and that is more

1268

00:49:20,390 --> 00:49:17,280

terrifying than the aliens themselves

1269

00:49:21,910 --> 00:49:20,400

but um i agree i enjoyed i'm really

1270

00:49:24,950 --> 00:49:21,920

enjoying the show

1271

00:49:27,430 --> 00:49:24,960

and that's all i got to say all right

1272

00:49:29,589 --> 00:49:27,440

oh sorry martin oh great

1273

00:49:32,230 --> 00:49:29,599

i hope that more people have your

1274

00:49:33,109 --> 00:49:32,240

courage to just uh

1275

00:49:37,510 --> 00:49:33,119

speak

1276

00:49:38,549 --> 00:49:37,520

back

1277

00:49:40,309 --> 00:49:38,559

yes

1278

00:49:42,309 --> 00:49:40,319

thanks thanks

1279

00:49:44,549 --> 00:49:42,319

i know that i hope uh

1280

00:49:46,790 --> 00:49:44,559

it's real it's so real they say there's

1281

00:49:48,069 --> 00:49:46,800

no evidence my god

1282

00:49:50,710 --> 00:49:48,079

there's

1283

00:49:52,950 --> 00:49:50,720

endless evidence of videos and

1284

00:49:55,109 --> 00:49:52,960

you know they always say

1285

00:49:57,270 --> 00:49:55,119

a policeman or

1286

00:50:00,069 --> 00:49:57,280

somebody is more reputable you know i'm

1287

00:50:02,470 --> 00:50:00,079

a there's doctors lawyers uh regular

1288

00:50:04,790 --> 00:50:02,480

factory workers just as reputable

1289

00:50:07,589 --> 00:50:04,800

you know an intelligent person

1290

00:50:09,190 --> 00:50:07,599

can read can tell the public or their

1291

00:50:11,109 --> 00:50:09,200

friends or whoever

1292

00:50:14,549 --> 00:50:11,119

what they saw

1293

00:50:17,589 --> 00:50:14,559

and uh everybody should just

1294

00:50:19,349 --> 00:50:17,599

and we've been seeing this for 70 years

1295

00:50:22,230 --> 00:50:19,359

and i can't believe what the government

1296

00:50:23,589 --> 00:50:22,240

has done it made us out to be idiots you

1297

00:50:24,829 --> 00:50:23,599

know

1298

00:50:27,750 --> 00:50:24,839

so uh

1299

00:50:29,349 --> 00:50:27,760

yeah these cases in africa are very

1300

00:50:31,270 --> 00:50:29,359

interesting this schoolyard i guess

1301  
00:50:32,710 --> 00:50:31,280  
yours is there's two of them that i know

1302  
00:50:34,710 --> 00:50:32,720  
of now

1303  
00:50:35,910 --> 00:50:34,720  
that have been reflected on uh here

1304  
00:50:38,069 --> 00:50:35,920  
lately

1305  
00:50:40,230 --> 00:50:38,079  
uh they reinterviewed the the other

1306  
00:50:43,589 --> 00:50:40,240  
school how many kids were there 100 and

1307  
00:50:45,750 --> 00:50:43,599  
some or 60 some kids 16 dudes after

1308  
00:50:48,230 --> 00:50:45,760  
they're grown kids now

1309  
00:50:52,630 --> 00:50:48,240  
or grown people now you know right

1310  
00:50:57,670 --> 00:50:54,950  
and the message was

1311  
00:50:59,750 --> 00:50:57,680  
you're destroying the earth

1312  
00:51:01,910 --> 00:50:59,760  
stop destroying the earth now how could

1313  
00:51:04,710 --> 00:51:01,920

they think that telling

1314

00:51:06,710 --> 00:51:04,720

some children in in south africa how

1315

00:51:09,349 --> 00:51:06,720

they would uh

1316

00:51:11,430 --> 00:51:09,359

have a bearing on on how we're treating

1317

00:51:13,670 --> 00:51:11,440

this earth you know

1318

00:51:15,750 --> 00:51:13,680

but um i've been talking too much you

1319

00:51:17,750 --> 00:51:15,760

need to get to somebody else all right

1320

00:51:18,790 --> 00:51:17,760

jeff hey thanks for the call appreciate

1321

00:51:19,829 --> 00:51:18,800

it

1322

00:51:22,870 --> 00:51:19,839

thank you

1323

00:51:25,750 --> 00:51:22,880

yeah um before i take the next caller on

1324

00:51:27,990 --> 00:51:25,760

i and we have a john uh holding in

1325

00:51:30,390 --> 00:51:28,000

oregon uh

1326

00:51:31,430 --> 00:51:30,400

have you done like a map

1327

00:51:33,270 --> 00:51:31,440

um

1328

00:51:34,390 --> 00:51:33,280

you know looked on the map to see how

1329

00:51:37,270 --> 00:51:34,400

far away

1330

00:51:40,390 --> 00:51:37,280

you are from where the ariel school

1331

00:51:43,670 --> 00:51:40,400

uh incident in zimbabwe how far away is

1332

00:51:51,030 --> 00:51:43,680

that is that like thousand miles or

1333

00:51:55,910 --> 00:51:54,549

it's a it's quite a few hours drive

1334

00:51:59,109 --> 00:51:55,920

but um

1335

00:51:59,990 --> 00:51:59,119

zimbabwe is just it's just to the north

1336

00:52:02,230 --> 00:52:00,000

of us

1337

00:52:04,150 --> 00:52:02,240

i'm not sure exactly how far though that

1338

00:52:06,150 --> 00:52:04,160

was fascinating though i actually asked

1339

00:52:07,910 --> 00:52:06,160

my sister if she'd heard about that i

1340

00:52:10,230 --> 00:52:07,920

was already living here

1341

00:52:11,670 --> 00:52:10,240

when that happened and i i did not hear

1342

00:52:14,230 --> 00:52:11,680

about it

1343

00:52:16,230 --> 00:52:14,240

um and i said to you i said apparently

1344

00:52:17,510 --> 00:52:16,240

south african broadcasting were one of

1345

00:52:19,990 --> 00:52:17,520

the first

1346

00:52:22,390 --> 00:52:20,000

there after the bbc i think

1347

00:52:25,670 --> 00:52:22,400

um i've been i think that's what

1348

00:52:27,670 --> 00:52:25,680

they said yeah bbc was there with right

1349

00:52:30,870 --> 00:52:27,680

fairly quickly and then john mack came

1350

00:52:32,150 --> 00:52:30,880

in right you know weeks later and

1351

00:52:35,190 --> 00:52:32,160

um you know if you watch those

1352

00:52:36,710 --> 00:52:35,200

interviews they're they're chilling yeah

1353

00:52:39,349 --> 00:52:36,720

yeah but

1354

00:52:41,270 --> 00:52:39,359

my sister said she doesn't remember

1355

00:52:42,870 --> 00:52:41,280

it being reported but that's the thing

1356

00:52:45,270 --> 00:52:42,880

again you know it would probably have

1357

00:52:47,990 --> 00:52:45,280

just been a blip on the news channel and

1358

00:52:50,069 --> 00:52:48,000

if you missed it well that was that well

1359

00:52:51,750 --> 00:52:50,079

the thing about that is is there was a

1360

00:52:54,069 --> 00:52:51,760

lot of people that

1361

00:52:56,549 --> 00:52:54,079

saw that it wasn't just the kids there

1362

00:52:58,710 --> 00:52:56,559

was people in the town there was a pilot

1363

00:53:00,309 --> 00:52:58,720

right you know it was a lot of people

1364

00:53:02,470 --> 00:53:00,319

yeah i can't remember exactly how many

1365

00:53:05,030 --> 00:53:02,480

and then it was a it was going on daily

1366

00:53:07,270 --> 00:53:05,040

for a while yeah not not the encounters

1367

00:53:09,750 --> 00:53:07,280

at the school but around that whole

1368

00:53:12,230 --> 00:53:09,760

general area and it's always curious to

1369

00:53:13,990 --> 00:53:12,240

me why they're in a certain area and

1370

00:53:14,870 --> 00:53:14,000

show up again in a certain area that's

1371

00:53:16,630 --> 00:53:14,880

always

1372

00:53:19,510 --> 00:53:16,640

you know it's battling

1373

00:53:21,430 --> 00:53:19,520

exactly i i was thinking after listening

1374

00:53:23,270 --> 00:53:21,440

to selma i was like

1375

00:53:25,430 --> 00:53:23,280

maybe it hovered over our school went

1376

00:53:27,670 --> 00:53:25,440

dang it there's a grown up there keep

1377

00:53:29,270 --> 00:53:27,680

moving we need to find a school where

1378

00:53:30,710 --> 00:53:29,280

they're just kids

1379

00:53:33,349 --> 00:53:30,720

but

1380

00:53:35,990 --> 00:53:33,359

funny yeah well there was actually ace

1381

00:53:39,030 --> 00:53:36,000

there was one teacher in the yard

1382

00:53:42,790 --> 00:53:39,040

i thought she was in the tech shop

1383

00:53:45,030 --> 00:53:42,800

i'm not really sure but she did see it

1384

00:53:47,829 --> 00:53:45,040

yeah and she came forward after she she

1385

00:53:50,470 --> 00:53:47,839

was quiet for many many years

1386

00:53:52,150 --> 00:53:50,480

so we have john on the line uh he's

1387

00:53:53,829 --> 00:53:52,160

calling from oregon

1388

00:53:55,670 --> 00:53:53,839

john you are live on the air welcome to

1389

00:53:57,510 --> 00:53:55,680

the show

1390

00:54:00,309 --> 00:53:57,520

okay thank you

1391

00:54:01,510 --> 00:54:00,319

uh and i have a question for your guest

1392

00:54:06,470 --> 00:54:01,520

um

1393

00:54:07,589 --> 00:54:06,480

might just quick questions my first

1394

00:54:11,829 --> 00:54:07,599

question is

1395

00:54:14,549 --> 00:54:11,839

um have you uh do you have you yourself

1396

00:54:16,230 --> 00:54:14,559

had any uh experience of missing time

1397

00:54:17,270 --> 00:54:16,240

with this episode or anyone that you

1398

00:54:18,790 --> 00:54:17,280

know

1399

00:54:20,630 --> 00:54:18,800

may i stay on the line for this one for

1400

00:54:22,829 --> 00:54:20,640

the second question yeah yeah go ahead

1401

00:54:26,230 --> 00:54:22,839

yeah all right thanks

1402

00:54:31,270 --> 00:54:27,990

you know i thought about that i've been

1403

00:54:33,910 --> 00:54:31,280

thinking about that more recently

1404

00:54:35,990 --> 00:54:33,920

and of course i haven't i haven't

1405

00:54:37,190 --> 00:54:36,000

confirmed with anybody

1406

00:54:38,950 --> 00:54:37,200

else

1407

00:54:40,069 --> 00:54:38,960

um that they even

1408

00:54:42,789 --> 00:54:40,079

saw it

1409

00:54:45,349 --> 00:54:42,799

um that'll be a whole another journey

1410

00:54:45,990 --> 00:54:45,359

but for myself

1411

00:54:57,990 --> 00:54:46,000

i

1412

00:54:59,349 --> 00:54:58,000

and

1413

00:55:01,430 --> 00:54:59,359

we weren't

1414

00:55:03,109 --> 00:55:01,440

late back to class or anything i don't

1415

00:55:05,109 --> 00:55:03,119

remember that being an issue and i feel

1416

00:55:06,710 --> 00:55:05,119

like being the kind of anxious kid i was

1417

00:55:07,910 --> 00:55:06,720

i would have known if we were late back

1418

00:55:11,910 --> 00:55:07,920

to class

1419

00:55:16,630 --> 00:55:13,510

all right then you know where i'm going

1420

00:55:16,640 --> 00:55:18,950

no

1421

00:55:23,109 --> 00:55:20,870

oh well um

1422

00:55:25,270 --> 00:55:23,119

that i'm sure martin does uh

1423

00:55:28,150 --> 00:55:25,280

there have been people who had close

1424

00:55:28,870 --> 00:55:28,160

encounters like this uh just sightings

1425

00:55:30,630 --> 00:55:28,880

and

1426

00:55:32,549 --> 00:55:30,640

they've experienced strange episodes of

1427

00:55:34,470 --> 00:55:32,559

missing time and then found out later on

1428

00:55:36,630 --> 00:55:34,480

that they had been abducted

1429

00:55:38,390 --> 00:55:36,640

and taken on board the craft

1430

00:55:39,829 --> 00:55:38,400

unbeknownst to them their memories wiped

1431

00:55:43,109 --> 00:55:39,839

for a while and they were returned where

1432

00:55:45,430 --> 00:55:43,119

they were yeah strange as it sounds

1433

00:55:47,349 --> 00:55:45,440

no not not strange at all i mean

1434

00:55:50,150 --> 00:55:47,359

considering you know

1435

00:55:52,870 --> 00:55:50,160

all the cases that you um

1436

00:55:55,109 --> 00:55:52,880

here and i mean betty and barney hill

1437

00:55:56,950 --> 00:55:55,119

they didn't know for them for quite a

1438

00:55:58,390 --> 00:55:56,960

while but

1439

00:56:00,309 --> 00:55:58,400

okay

1440

00:56:03,589 --> 00:56:00,319

yeah um

1441

00:56:06,069 --> 00:56:03,599

i don't know i mean

1442

00:56:07,829 --> 00:56:06,079

as of this right at this point in time i

1443

00:56:09,990 --> 00:56:07,839

would say no but

1444

00:56:12,630 --> 00:56:10,000

to your point

1445

00:56:15,109 --> 00:56:12,640

who really knows right i

1446

00:56:19,109 --> 00:56:15,119

unless i

1447

00:56:21,349 --> 00:56:19,119

i don't know if i did regression or

1448

00:56:23,430 --> 00:56:21,359

if i found out more from other people

1449

00:56:25,510 --> 00:56:23,440

who were there that day and may have

1450

00:56:27,430 --> 00:56:25,520

seen something

1451  
00:56:29,670 --> 00:56:27,440  
yeah

1452  
00:56:31,349 --> 00:56:29,680  
do you think that you might be up for

1453  
00:56:33,990 --> 00:56:31,359  
trying

1454  
00:56:35,990 --> 00:56:34,000  
a regression do would you feel

1455  
00:56:38,390 --> 00:56:36,000  
comfortable because i actually know

1456  
00:56:40,549 --> 00:56:38,400  
someone that i know would not lead you

1457  
00:56:43,030 --> 00:56:40,559  
in any way that's very good

1458  
00:56:45,430 --> 00:56:43,040  
um just in case i mean we can talk about

1459  
00:56:49,270 --> 00:56:45,440  
it you know off air but anyway is that

1460  
00:56:52,870 --> 00:56:51,030  
maybe i mean it would have to be the

1461  
00:56:54,870 --> 00:56:52,880  
right circumstances because i definitely

1462  
00:56:57,190 --> 00:56:54,880  
again this is where my science mind

1463  
00:56:59,430 --> 00:56:57,200

kicks in and i say

1464

00:57:02,789 --> 00:56:59,440

okay i

1465

00:57:05,750 --> 00:57:02,799

that can work if it's if it's done

1466

00:57:08,230 --> 00:57:05,760

correctly and if it's done in a way that

1467

00:57:09,109 --> 00:57:08,240

doesn't plant ideas

1468

00:57:16,630 --> 00:57:09,119

in

1469

00:57:17,910 --> 00:57:16,640

yeah that's right maybe i

1470

00:57:20,230 --> 00:57:17,920

i don't know

1471

00:57:22,870 --> 00:57:20,240

again i think i casually mentioned that

1472

00:57:25,430 --> 00:57:22,880

to my husband once sort of you know very

1473

00:57:27,990 --> 00:57:25,440

casually like you know maybe i should do

1474

00:57:30,789 --> 00:57:28,000

regression and he said damn

1475

00:57:33,270 --> 00:57:30,799

whatever you need go for it wow just

1476

00:57:35,109 --> 00:57:33,280

having that having the

1477

00:57:36,710 --> 00:57:35,119

having people say

1478

00:57:39,109 --> 00:57:36,720

yeah

1479

00:57:41,109 --> 00:57:39,119

do it if that's what you need is just

1480

00:57:42,710 --> 00:57:41,119

very freeing

1481

00:57:45,750 --> 00:57:42,720

exactly

1482

00:57:48,150 --> 00:57:45,760

do you have a follow-up with that john

1483

00:57:51,430 --> 00:57:48,160

yes martin i do thank you very much uh

1484

00:57:53,190 --> 00:57:51,440

just quickly um some uh one of the the

1485

00:57:55,910 --> 00:57:53,200

previous caller i believe mentioned

1486

00:57:57,910 --> 00:57:55,920

something about the uh the sound around

1487

00:58:00,150 --> 00:57:57,920

you suddenly suddenly being muffled

1488

00:58:01,910 --> 00:58:00,160

that's that's quite common thing too

1489

00:58:03,430 --> 00:58:01,920

i and he had a different there he had a

1490

00:58:06,870 --> 00:58:03,440

different theory than i do what mine is

1491

00:58:09,829 --> 00:58:06,880

is that possibly there's some sort of a

1492

00:58:12,069 --> 00:58:09,839

field around around you right about you

1493

00:58:13,910 --> 00:58:12,079

that this craft is projecting that

1494

00:58:15,510 --> 00:58:13,920

blocks out sounds beyond that's just a

1495

00:58:17,750 --> 00:58:15,520

theory of mine all right i just want to

1496

00:58:19,030 --> 00:58:17,760

have a really good question

1497

00:58:21,030 --> 00:58:19,040

thank you for coming on the show i

1498

00:58:23,270 --> 00:58:21,040

appreciate you protecting my quote

1499

00:58:26,230 --> 00:58:23,280

all right thank you john

1500

00:58:29,470 --> 00:58:26,240

thank you john and uh the lines are open

1501

00:58:31,670 --> 00:58:29,480

so that number is up on the screen

1502

00:58:35,430 --> 00:58:31,680

855-472-5483 you're welcome to call in

1503

00:58:37,990 --> 00:58:35,440

if you have a question for our guests

1504

00:58:40,950 --> 00:58:38,000

i think you're amazing by the way

1505

00:58:43,190 --> 00:58:40,960

uh it's it's been really uh this has

1506

00:58:45,190 --> 00:58:43,200

been really fascinating so

1507

00:58:48,150 --> 00:58:45,200

um

1508

00:58:51,109 --> 00:58:48,160

so you all right let's just talk about

1509

00:58:53,910 --> 00:58:51,119

your your travel through life

1510

00:58:56,069 --> 00:58:53,920

did this pop up here and there

1511

00:58:58,150 --> 00:58:56,079

or you saw something on tv

1512

00:59:03,270 --> 00:58:58,160

i mean were there triggers

1513

00:59:09,109 --> 00:59:05,750

you know yeah there must have been i

1514

00:59:13,349 --> 00:59:09,119

mean it stayed so alive in my

1515

00:59:15,829 --> 00:59:13,359

mind and it only got stronger over time

1516

00:59:19,510 --> 00:59:17,510

it's

1517

00:59:22,470 --> 00:59:19,520

yeah you you know sometimes i think i'm

1518

00:59:24,390 --> 00:59:22,480

like wow if i was only about eight

1519

00:59:25,750 --> 00:59:24,400

when i experienced that what do you know

1520

00:59:27,190 --> 00:59:25,760

when you're eight

1521

00:59:29,510 --> 00:59:27,200

but

1522

00:59:30,870 --> 00:59:29,520

you know about as much as what you're

1523

00:59:32,470 --> 00:59:30,880

looking at

1524

00:59:36,390 --> 00:59:32,480

as

1525

00:59:40,950 --> 00:59:36,400

anybody of any age because it's such an

1526

00:59:45,030 --> 00:59:43,270

the type of business that my dad was in

1527

00:59:47,430 --> 00:59:45,040

he was in advertising and so we had

1528

00:59:49,190 --> 00:59:47,440

opportunities to go

1529

00:59:52,549 --> 00:59:49,200

to

1530

00:59:54,390 --> 00:59:52,559

you know the airport and actually go on

1531

00:59:56,950 --> 00:59:54,400

stationary planes i remember that

1532

00:59:58,630 --> 00:59:56,960

specifically and going into a cockpit

1533

01:00:01,030 --> 00:59:58,640

and sitting with the pilots which when

1534

01:00:02,870 --> 01:00:01,040

you're a little kid that's so exciting

1535

01:00:04,549 --> 01:00:02,880

you know all those buttons and dials and

1536

01:00:06,710 --> 01:00:04,559

everything and

1537

01:00:09,030 --> 01:00:06,720

we were in the flight path

1538

01:00:10,150 --> 01:00:09,040

of the planes coming and going so i knew

1539

01:00:11,910 --> 01:00:10,160

what

1540

01:00:15,030 --> 01:00:11,920

airplanes looked like

1541

01:00:16,630 --> 01:00:15,040

and i knew what craft that you see all

1542

01:00:17,990 --> 01:00:16,640

the time

1543

01:00:20,230 --> 01:00:18,000

looks like

1544

01:00:22,230 --> 01:00:20,240

um

1545

01:00:24,470 --> 01:00:22,240

and this was not that

1546

01:00:26,710 --> 01:00:24,480

this was not that it stays with you it

1547

01:00:29,510 --> 01:00:26,720

definitely does and then as you start to

1548

01:00:30,950 --> 01:00:29,520

see and read about and

1549

01:00:33,190 --> 01:00:30,960

hear about

1550

01:00:34,630 --> 01:00:33,200

other people's experiences it really

1551  
01:00:36,230 --> 01:00:34,640  
validates

1552  
01:00:38,549 --> 01:00:36,240  
everything you've been through even if

1553  
01:00:40,309 --> 01:00:38,559  
you feel like you were sort of in a

1554  
01:00:43,270 --> 01:00:40,319  
your own little bubble when it happened

1555  
01:00:45,589 --> 01:00:43,280  
and there was nobody right there that

1556  
01:00:46,950 --> 01:00:45,599  
you could share it with which is why

1557  
01:00:48,309 --> 01:00:46,960  
when i hear

1558  
01:00:50,710 --> 01:00:48,319  
the ariel

1559  
01:00:54,630 --> 01:00:50,720  
experiences talk about

1560  
01:00:55,750 --> 01:00:54,640  
what happened to them i think about

1561  
01:00:56,950 --> 01:00:55,760  
how

1562  
01:00:59,910 --> 01:00:56,960  
wonderful

1563  
01:01:02,549 --> 01:00:59,920

it was really that they had each other

1564

01:01:03,430 --> 01:01:02,559

right um

1565

01:01:08,069 --> 01:01:03,440

yeah

1566

01:01:10,069 --> 01:01:08,079

that you don't and and hopefully

1567

01:01:11,510 --> 01:01:10,079

um you'll eventually be able to reach

1568

01:01:12,870 --> 01:01:11,520

out to someone and

1569

01:01:16,230 --> 01:01:12,880

you know i mean

1570

01:01:18,549 --> 01:01:16,240

your father validating it that must have

1571

01:01:21,510 --> 01:01:18,559

been really big for you yeah it was a

1572

01:01:23,670 --> 01:01:21,520

relief it really was a relief

1573

01:01:26,630 --> 01:01:23,680

that that he was that he came forward

1574

01:01:28,950 --> 01:01:26,640

and said didn't this happen to you and

1575

01:01:31,030 --> 01:01:28,960

yeah you told me this and this and this

1576

01:01:33,349 --> 01:01:31,040

and i went okay

1577

01:01:34,950 --> 01:01:33,359

and then to have my sister say i never

1578

01:01:36,549 --> 01:01:34,960

knew about that i wasn't sure how she

1579

01:01:39,430 --> 01:01:36,559

was gonna respond i wasn't sure she was

1580

01:01:41,670 --> 01:01:39,440

gonna say that's just a bunch of hui

1581

01:01:43,829 --> 01:01:41,680

yeah although i would have hoped not and

1582

01:01:45,910 --> 01:01:43,839

then when she said

1583

01:01:46,710 --> 01:01:45,920

please tell me about it

1584

01:01:48,470 --> 01:01:46,720

that

1585

01:01:49,910 --> 01:01:48,480

felt good too

1586

01:01:51,190 --> 01:01:49,920

right so

1587

01:01:54,230 --> 01:01:51,200

um

1588

01:01:56,150 --> 01:01:54,240

yeah it's important to

1589

01:01:58,789 --> 01:01:56,160

to hear people

1590

01:02:00,710 --> 01:01:58,799

no matter you know what

1591

01:02:02,950 --> 01:02:00,720

they do in life whether they're a

1592

01:02:04,309 --> 01:02:02,960

fighter pilot in the navy

1593

01:02:07,109 --> 01:02:04,319

or just

1594

01:02:10,470 --> 01:02:07,119

a child or anybody else it's important

1595

01:02:12,630 --> 01:02:10,480

to listen to people's stories and

1596

01:02:14,950 --> 01:02:12,640

i don't know just

1597

01:02:18,309 --> 01:02:14,960

let them tell their stories

1598

01:02:21,910 --> 01:02:18,319

right right so let's go back to um let's

1599

01:02:24,870 --> 01:02:21,920

go back to you being a child

1600

01:02:27,510 --> 01:02:24,880

and you have this experience you never

1601  
01:02:30,549 --> 01:02:27,520  
heard of the word ufo flying saucer or

1602  
01:02:33,670 --> 01:02:30,559  
any of that stuff you had no idea

1603  
01:02:34,630 --> 01:02:33,680  
what did your brain try to tell you that

1604  
01:02:39,029 --> 01:02:34,640  
you

1605  
01:02:40,549 --> 01:02:39,039  
saw was it just a mystery only

1606  
01:02:42,789 --> 01:02:40,559  
yeah i just

1607  
01:02:46,950 --> 01:02:42,799  
i just remember being

1608  
01:02:48,710 --> 01:02:46,960  
i think the part that stuck out for me

1609  
01:02:51,670 --> 01:02:48,720  
was just

1610  
01:02:53,750 --> 01:02:51,680  
how it was there this huge thing just

1611  
01:02:57,109 --> 01:02:53,760  
stopped on a dime

1612  
01:03:00,309 --> 01:02:57,119  
and then just it was gone

1613  
01:03:02,390 --> 01:03:00,319

that that was just so extraordinary okay

1614

01:03:04,069 --> 01:03:02,400

that's not supposed to happen

1615

01:03:06,069 --> 01:03:04,079

and i've gone over it over and over

1616

01:03:07,829 --> 01:03:06,079

again um

1617

01:03:09,910 --> 01:03:07,839

and i'll talk my husband zero off about

1618

01:03:11,510 --> 01:03:09,920

this and say come on because he knows a

1619

01:03:14,069 --> 01:03:11,520

lot about um

1620

01:03:15,349 --> 01:03:14,079

aircraft as well and military aircraft

1621

01:03:17,990 --> 01:03:15,359

and they'll say come on what's the

1622

01:03:20,870 --> 01:03:18,000

fastest one and when when was that

1623

01:03:24,150 --> 01:03:20,880

flying okay there is no way that

1624

01:03:25,910 --> 01:03:24,160

anything could do this in the 70s and

1625

01:03:27,829 --> 01:03:25,920

things there we don't have anything that

1626

01:03:30,549 --> 01:03:27,839

can still

1627

01:03:33,270 --> 01:03:30,559

travel that fast that you blink and it's

1628

01:03:35,829 --> 01:03:33,280

gone like well you think of just alone

1629

01:03:37,910 --> 01:03:35,839

if there was passengers if there was a

1630

01:03:39,670 --> 01:03:37,920

crew right and

1631

01:03:41,670 --> 01:03:39,680

they had to be smashed

1632

01:03:43,910 --> 01:03:41,680

i mean they would the g-force

1633

01:03:46,069 --> 01:03:43,920

uh it sounds to me like this is an

1634

01:03:46,950 --> 01:03:46,079

instant type of situation

1635

01:03:49,430 --> 01:03:46,960

yeah

1636

01:03:51,589 --> 01:03:49,440

and you know just just a thought because

1637

01:03:53,190 --> 01:03:51,599

i don't know but it's just

1638

01:03:57,430 --> 01:03:53,200

maybe a theory maybe i shouldn't

1639

01:04:00,309 --> 01:03:57,440

theorize but probably the same

1640

01:04:03,109 --> 01:04:00,319

thing that made the sound as you say

1641

01:04:04,630 --> 01:04:03,119

suck away like completely away is

1642

01:04:06,710 --> 01:04:04,640

probably the same thing that can make

1643

01:04:07,750 --> 01:04:06,720

them travel like that it's probably all

1644

01:04:11,109 --> 01:04:07,760

part of it

1645

01:04:14,549 --> 01:04:11,119

i i think it possibly could be yeah

1646

01:04:15,589 --> 01:04:14,559

um and i'm starting there were a lot of

1647

01:04:17,510 --> 01:04:15,599

well there were

1648

01:04:21,589 --> 01:04:17,520

a few uh

1649

01:04:24,309 --> 01:04:21,599

youtubers who are exploring those ideas

1650

01:04:27,750 --> 01:04:24,319

with theoretical physicists and they

1651

01:04:28,789 --> 01:04:27,760

talk about the el cubiere drive

1652

01:04:31,990 --> 01:04:28,799

and

1653

01:04:32,000 --> 01:04:36,470

if we created a time machine

1654

01:04:41,349 --> 01:04:38,950

you could actually achieve what appears

1655

01:04:43,510 --> 01:04:41,359

to be faster than light travel it

1656

01:04:45,750 --> 01:04:43,520

doesn't break those laws of physics and

1657

01:04:47,910 --> 01:04:45,760

it isn't faster than light

1658

01:04:50,789 --> 01:04:47,920

but it's it's all about like

1659

01:04:53,990 --> 01:04:50,799

manipulating the space that's directly

1660

01:04:56,710 --> 01:04:54,000

around you yeah and that is so

1661

01:04:59,109 --> 01:04:56,720

fascinating like my science mind goes oh

1662

01:04:59,990 --> 01:04:59,119

yeah that makes sense tell me more about

1663

01:05:00,870 --> 01:05:00,000

that

1664

01:05:02,789 --> 01:05:00,880

see

1665

01:05:06,549 --> 01:05:02,799

and

1666

01:05:08,870 --> 01:05:06,559

it seems outrageous until it isn't

1667

01:05:12,230 --> 01:05:08,880

you know it seems outrageous when you

1668

01:05:13,910 --> 01:05:12,240

don't really understand

1669

01:05:14,789 --> 01:05:13,920

what makes something

1670

01:05:16,870 --> 01:05:14,799

work

1671

01:05:19,029 --> 01:05:16,880

but then you figure it out and then it's

1672

01:05:19,990 --> 01:05:19,039

not outrageous anymore then it's

1673

01:05:23,510 --> 01:05:20,000

something

1674

01:05:26,390 --> 01:05:23,520

that everybody can do so i just think a

1675

01:05:28,390 --> 01:05:26,400

lot i think we just don't know how any

1676

01:05:29,910 --> 01:05:28,400  
of this works and so it's easy to

1677

01:05:31,670 --> 01:05:29,920  
dismiss it

1678

01:05:33,510 --> 01:05:31,680  
i agree and you know i've had

1679

01:05:34,549 --> 01:05:33,520  
conversations with

1680

01:05:38,150 --> 01:05:34,559  
people

1681

01:05:40,230 --> 01:05:38,160  
um like seth shawstak from the seti

1682

01:05:41,990 --> 01:05:40,240  
runs the city program

1683

01:05:43,670 --> 01:05:42,000  
uh search for extraterrestrial

1684

01:05:45,510 --> 01:05:43,680  
intelligence

1685

01:05:49,349 --> 01:05:45,520  
and

1686

01:05:52,470 --> 01:05:49,359  
just say there's no way

1687

01:05:54,710 --> 01:05:52,480  
that um they can travel from you know

1688

01:05:57,190 --> 01:05:54,720

the even the nearest star which is four

1689

01:05:59,190 --> 01:05:57,200

four and a half light years away um two

1690

01:06:00,630 --> 01:05:59,200

here it's just impossible

1691

01:06:01,589 --> 01:06:00,640

but they're not

1692

01:06:03,190 --> 01:06:01,599

thinking

1693

01:06:05,910 --> 01:06:03,200

outside of

1694

01:06:07,349 --> 01:06:05,920

normal physics that we know about right

1695

01:06:09,990 --> 01:06:07,359

you know i mean there's something that

1696

01:06:11,510 --> 01:06:10,000

we don't know about yet and and like

1697

01:06:12,710 --> 01:06:11,520

i've mentioned this a number of times on

1698

01:06:14,789 --> 01:06:12,720

the shows like

1699

01:06:16,710 --> 01:06:14,799

um all throughout time

1700

01:06:19,029 --> 01:06:16,720

the contemporary thinking is we know

1701  
01:06:20,789 --> 01:06:19,039  
everything yeah you know there's nothing

1702  
01:06:22,230 --> 01:06:20,799  
more to discover

1703  
01:06:25,029 --> 01:06:22,240  
yeah

1704  
01:06:25,829 --> 01:06:25,039  
and then it changes but i i think i

1705  
01:06:29,589 --> 01:06:25,839  
think

1706  
01:06:31,430 --> 01:06:29,599  
very little

1707  
01:06:33,670 --> 01:06:31,440  
you know that we know just a little tiny

1708  
01:06:36,150 --> 01:06:33,680  
fraction of what what is going what is

1709  
01:06:38,069 --> 01:06:36,160  
going on and and and these things fit in

1710  
01:06:39,750 --> 01:06:38,079  
there somewhere

1711  
01:06:43,270 --> 01:06:39,760  
they they have to

1712  
01:06:44,789 --> 01:06:43,280  
because it's not a figment of

1713  
01:06:46,470 --> 01:06:44,799

hundreds of thousands of people's

1714

01:06:48,549 --> 01:06:46,480

imaginations

1715

01:06:51,029 --> 01:06:48,559

um that's for sure

1716

01:06:53,750 --> 01:06:51,039

and it's not just a you know i don't

1717

01:06:55,750 --> 01:06:53,760

know a seagull

1718

01:06:57,670 --> 01:06:55,760

or a you know something wrong with the

1719

01:06:58,870 --> 01:06:57,680

technology the pilots are using or

1720

01:07:00,390 --> 01:06:58,880

whatever

1721

01:07:01,510 --> 01:07:00,400

so yeah yeah

1722

01:07:02,549 --> 01:07:01,520

when

1723

01:07:04,069 --> 01:07:02,559

so

1724

01:07:06,069 --> 01:07:04,079

when i guess i'm going to ask you when

1725

01:07:08,950 --> 01:07:06,079

is the first time

1726

01:07:09,829 --> 01:07:08,960

that you realized that you saw

1727

01:07:12,150 --> 01:07:09,839

oh

1728

01:07:14,069 --> 01:07:12,160

i must have saw ufo

1729

01:07:15,829 --> 01:07:14,079

i mean how did that occur to you all of

1730

01:07:18,309 --> 01:07:15,839

a sudden i mean did you see something

1731

01:07:21,750 --> 01:07:18,319

like on tv or

1732

01:07:22,549 --> 01:07:21,760

or or it was actually my dad

1733

01:07:24,710 --> 01:07:22,559

yeah

1734

01:07:26,789 --> 01:07:24,720

because like i said i don't actually

1735

01:07:29,029 --> 01:07:26,799

remember

1736

01:07:31,270 --> 01:07:29,039

telling him i saw something weird and i

1737

01:07:32,630 --> 01:07:31,280

wouldn't have used the word ufo because

1738

01:07:33,510 --> 01:07:32,640

i wouldn't have known what that was

1739

01:07:35,510 --> 01:07:33,520

right

1740

01:07:37,670 --> 01:07:35,520

um but i would have probably said

1741

01:07:39,349 --> 01:07:37,680

something i saw this strange thing at

1742

01:07:40,710 --> 01:07:39,359

school today and then he would have said

1743

01:07:42,230 --> 01:07:40,720

oh you know

1744

01:07:44,309 --> 01:07:42,240

what was it and i would have explained

1745

01:07:45,589 --> 01:07:44,319

it and then he got interested and so

1746

01:07:47,270 --> 01:07:45,599

he's the one

1747

01:07:49,990 --> 01:07:47,280

who put that

1748

01:07:50,710 --> 01:07:50,000

out there after the fact

1749

01:07:53,589 --> 01:07:50,720

and

1750

01:07:55,190 --> 01:07:53,599

said something to me along the lines of

1751

01:07:57,349 --> 01:07:55,200

you know

1752

01:07:59,589 --> 01:07:57,359

blah blah ufo

1753

01:08:01,750 --> 01:07:59,599

and then obviously explained it to me

1754

01:08:02,870 --> 01:08:01,760

um

1755

01:08:06,630 --> 01:08:02,880

yeah

1756

01:08:10,069 --> 01:08:06,640

so

1757

01:08:12,150 --> 01:08:10,079

this is just a note up there um

1758

01:08:14,069 --> 01:08:12,160

thousands and millions meet our people

1759

01:08:16,550 --> 01:08:14,079

they're not lying somehow

1760

01:08:19,030 --> 01:08:16,560

um you know i mean this is uh you know

1761

01:08:21,669 --> 01:08:19,040

just validation yeah that's true

1762

01:08:24,309 --> 01:08:21,679

right it's so true you know if you see

1763

01:08:27,910 --> 01:08:24,319

all the similarities across all these

1764

01:08:32,390 --> 01:08:27,920

stories and there are these things that

1765

01:08:35,430 --> 01:08:33,349

right

1766

01:08:39,030 --> 01:08:35,440

yeah it's it's it's time to start

1767

01:08:42,070 --> 01:08:39,040

believing thank you avi loeb and

1768

01:08:44,950 --> 01:08:42,080

yeah you know um

1769

01:08:46,789 --> 01:08:44,960

everybody in into the stars academy even

1770

01:08:48,149 --> 01:08:46,799

though i know that that's

1771

01:08:50,070 --> 01:08:48,159

they will go on their own ways but

1772

01:08:51,349 --> 01:08:50,080

they're still working really hard to

1773

01:08:52,789 --> 01:08:51,359

keep this

1774

01:08:54,950 --> 01:08:52,799

current

1775

01:08:57,110 --> 01:08:54,960

that's right that's right i can't

1776

01:08:58,950 --> 01:08:57,120

believe that uh we've actually run out

1777

01:09:01,189 --> 01:08:58,960

of time here

1778

01:09:04,149 --> 01:09:01,199

again this uh the show's being dedicated

1779

01:09:07,910 --> 01:09:04,159

to uh kevin childress who unfortunately

1780

01:09:10,309 --> 01:09:07,920

passed away at a young age so uh

1781

01:09:11,910 --> 01:09:10,319

deb i have to tell you i am totally

1782

01:09:14,550 --> 01:09:11,920

honored

1783

01:09:15,349 --> 01:09:14,560

that you felt comfortable to be on this

1784

01:09:17,590 --> 01:09:15,359

show

1785

01:09:19,269 --> 01:09:17,600

and you uh so

1786

01:09:20,390 --> 01:09:19,279

told your story

1787

01:09:23,189 --> 01:09:20,400

right from the heart

1788

01:09:24,070 --> 01:09:23,199

and uh it really means a lot to me

1789

01:09:28,309 --> 01:09:24,080

thank you

1790

01:09:31,110 --> 01:09:28,319

for giving me an opportunity

1791

01:09:32,829 --> 01:09:31,120

after all this time to feel comfortable

1792

01:09:35,269 --> 01:09:32,839

sharing my

1793

01:09:37,110 --> 01:09:35,279

story well you're very welcome and i

1794

01:09:39,669 --> 01:09:37,120

hope this is in a way kind of

1795

01:09:41,030 --> 01:09:39,679

therapeutic for you so yeah it totally

1796

01:09:42,630 --> 01:09:41,040

is

1797

01:09:46,229 --> 01:09:42,640

all right well you take care

1798

01:09:47,189 --> 01:09:46,239

thank you so much you too all right bye

1799

01:09:49,669 --> 01:09:47,199

good night

1800

01:09:52,550 --> 01:09:49,679

all right everyone so that is it for the

1801

01:09:55,270 --> 01:09:52,560

show and wow that was uh amazing i think

1802

01:09:57,910 --> 01:09:55,280

so um and someone says thank you deb

1803

01:10:01,030 --> 01:09:57,920

you're a champ um so we'll be back next

1804

01:10:03,669 --> 01:10:01,040

week with uh trey hudson and i can't

1805

01:10:06,149 --> 01:10:03,679

remember the topic but i'm sure it will

1806

01:10:08,870 --> 01:10:06,159

be a great show thank you everyone

1807

01:10:10,310 --> 01:10:08,880

behind the scenes and for all your help

1808

01:10:12,070 --> 01:10:10,320

everyone

1809

01:10:14,310 --> 01:10:12,080

and support

1810

01:10:17,070 --> 01:10:14,320

and remember to keep your eyes to the

1811

01:10:26,390 --> 01:10:17,080

sky
