MARDEN**

#473A

1
00:00:02,520 --> 00:00:15,150
foreign

2
00:01:04,609 --> 00:00:32,640
[Music]

3
00:01:04,619 --> 00:01:09,370
foreign

4
00:01:15,890 --> 00:01:12,469
here we are I'm going to be bringing in

5
00:01:19,490 --> 00:01:15,900
both uh Kathy Martin for about 15

6
00:01:22,910 --> 00:01:19,500
minutes and Bryce zabel welcome thanks

7
00:01:25,190 --> 00:01:22,920
so much for uh being on board for this

8
00:01:26,030 --> 00:01:25,200
uh this show I really appreciate both of

9
00:01:27,770 --> 00:01:26,040
you here

10
00:01:31,429 --> 00:01:27,780
well we're on board because it's the

11
00:01:33,710 --> 00:01:31,439
60th anniversary yeah so I Bryce you

12
00:01:36,230 --> 00:01:33,720
wanna well first of all uh you've been

13
00:01:37,850 --> 00:01:36,240

on several times I have to ask this

14

00:01:40,429 --> 00:01:37,860

every time because I have so many new

15

00:01:43,069 --> 00:01:40,439

listeners every single week just if you

16

00:01:46,609 --> 00:01:43,079

both can do just a real quick

17

00:01:50,770 --> 00:01:46,619

um nutshell of who you are I'll let

18

00:01:53,149 --> 00:01:50,780

Kathy go first on that who are you Kathy

19

00:01:55,370 --> 00:01:53,159

well to begin with I'm the niece of

20

00:01:59,469 --> 00:01:55,380

Betty and Barney Hill and the major

21

00:02:03,469 --> 00:01:59,479

researcher on the case uh have done

22

00:02:05,810 --> 00:02:03,479

years and years of research and with

23

00:02:08,029 --> 00:02:05,820

Stanton Friedman wrote captured the

24

00:02:10,010 --> 00:02:08,039

Betty and Barney Hill UFO experience

25

00:02:13,670 --> 00:02:10,020

I've written four additional books and

26

00:02:16,190 --> 00:02:13,680

I'm working on another one uh I was

27

00:02:20,570 --> 00:02:16,200

mufons director of experience or

28

00:02:24,170 --> 00:02:20,580

research for 10 years and have recently

29

00:02:26,470 --> 00:02:24,180

stepped down and continue with my

30

00:02:29,750 --> 00:02:26,480

research and investigate

31

00:02:33,290 --> 00:02:29,760

yeah and you do a wonderful job and you

32

00:02:36,050 --> 00:02:33,300

just received an award so yes yeah I did

33

00:02:38,890 --> 00:02:36,060

I received a Lifetime Achievement Award

34

00:02:41,690 --> 00:02:38,900

from the international UFO Congress

35

00:02:43,790 --> 00:02:41,700

congratulations that was awesome yeah

36

00:02:45,410 --> 00:02:43,800

and Bryce Sable

37

00:02:48,170 --> 00:02:45,420

from California

38

00:02:49,850 --> 00:02:48,180

I listen I'm jealous of Kathy getting a

39

00:02:52,190 --> 00:02:49,860

lifetime award because I'm no spring

40

00:02:54,470 --> 00:02:52,200

chicken anymore and I still don't have a

41

00:02:56,030 --> 00:02:54,480

Lifetime Achievement Award so you know

42

00:02:56,990 --> 00:02:56,040

put in a good word for you someday

43

00:02:59,570 --> 00:02:57,000

listen

44

00:03:01,369 --> 00:02:59,580

um well I started out as a CNN

45

00:03:05,089 --> 00:03:01,379

correspondent became an investigative

46

00:03:06,649 --> 00:03:05,099

reporter for PBS and then uh sort of

47

00:03:10,070 --> 00:03:06,659

flipped over to the dark side and went

48

00:03:12,710 --> 00:03:10,080

to work in Hollywood uh where I've on

49

00:03:15,890 --> 00:03:12,720

the ufological Paranormal point of view

50

00:03:19,369 --> 00:03:15,900

I created the NBC series Dark Skies

51
00:03:21,589 --> 00:03:19,379
which is uh uh on Tuesday the 21st of

52
00:03:23,690 --> 00:03:21,599
September celebrating its 25-year

53
00:03:25,490 --> 00:03:23,700
anniversary I worked on the crow

54
00:03:28,610 --> 00:03:25,500
Stairway to Heaven which is about the

55
00:03:31,009 --> 00:03:28,620
afterlife of course I wrote the first uh

56
00:03:33,229 --> 00:03:31,019
original film for the Sci-Fi channel

57
00:03:36,710 --> 00:03:33,239
something called official denial which

58
00:03:38,809 --> 00:03:36,720
was about the UFO cover-up and the fact

59
00:03:43,009 --> 00:03:38,819
that the aliens and that weren't aliens

60
00:03:46,309 --> 00:03:43,019
but were humans from the future and uh

61
00:03:49,550 --> 00:03:46,319
worked on taken with Steven Spielberg

62
00:03:51,350 --> 00:03:49,560
um have several projects uh under option

63
00:03:53,570 --> 00:03:51,360

but the one that's most relevant to

64

00:03:55,429 --> 00:03:53,580

today of course is

65

00:03:57,770 --> 00:03:55,439

um Kathy's wonderful book captured is

66

00:03:59,809 --> 00:03:57,780

under option by my production company

67

00:04:01,729 --> 00:03:59,819

and my wife and I have been developing

68

00:04:03,949 --> 00:04:01,739

it and we are out in the market with it

69

00:04:07,369 --> 00:04:03,959

right now trying to turn that uh

70

00:04:10,009 --> 00:04:07,379

terrific book into a 10-part television

71

00:04:11,509 --> 00:04:10,019

series a one-hour Drama Series so lots

72

00:04:14,330 --> 00:04:11,519

of things going on but that's kind of

73

00:04:15,589 --> 00:04:14,340

the short uh short spin although I

74

00:04:16,849 --> 00:04:15,599

actually have one other thing that I

75

00:04:20,090 --> 00:04:16,859

think is kind of since we're talking

76

00:04:22,670 --> 00:04:20,100

anniversaries and you've got the 60th of

77

00:04:25,249 --> 00:04:22,680

the Betty and Barney abduction and you

78

00:04:26,870 --> 00:04:25,259

got the 25th of Dark Skies this year I

79

00:04:28,610 --> 00:04:26,880

also kind of went through something that

80

00:04:32,150 --> 00:04:28,620

was very personal which was the 20th

81

00:04:35,090 --> 00:04:32,160

anniversary of the 911 attacks and I was

82

00:04:37,430 --> 00:04:35,100

the I just been elected chairman and CEO

83

00:04:40,670 --> 00:04:37,440

of the television academy uh just a few

84

00:04:42,950 --> 00:04:40,680

weeks before so literally a job that I

85

00:04:46,129 --> 00:04:42,960

thought was going to be some easy gig to

86

00:04:48,590 --> 00:04:46,139

turned into a very very difficult one

87

00:04:50,330 --> 00:04:48,600

and and probably one of the more extreme

88

00:04:52,370 --> 00:04:50,340

things I've ever experienced in my

89

00:04:54,290 --> 00:04:52,380

professional life now if I remember

90

00:04:56,469 --> 00:04:54,300

right Bryce maybe I have this wrong but

91

00:04:59,870 --> 00:04:56,479

were they actually canceled that year

92

00:05:02,689 --> 00:04:59,880

yeah listen there have been 49 Emmys up

93

00:05:05,390 --> 00:05:02,699

until 2001 and they had never been

94

00:05:07,310 --> 00:05:05,400

canceled or postponed in my first two

95

00:05:09,370 --> 00:05:07,320

months on the job I canceled and

96

00:05:11,990 --> 00:05:09,380

postponed them twice

97

00:05:14,150 --> 00:05:12,000

the interesting part of it of of course

98

00:05:17,090 --> 00:05:14,160

is that the first Emmys were supposed to

99

00:05:19,670 --> 00:05:17,100

take place on September 16 2001 which

100

00:05:22,909 --> 00:05:19,680

seemed outrageous and impossible after

101
00:05:25,249 --> 00:05:22,919
the 9 11 attacks so we postponed them we

102
00:05:26,990 --> 00:05:25,259
picked a date frankly just based on the

103
00:05:28,969 --> 00:05:27,000
ability availability of the Shrine

104
00:05:31,969 --> 00:05:28,979
Auditorium which turned out to be

105
00:05:35,570 --> 00:05:31,979
October 7th on that morning we invaded

106
00:05:37,670 --> 00:05:35,580
Afghanistan so we had to postpone them a

107
00:05:40,550 --> 00:05:37,680
second time and then we finally did them

108
00:05:43,189 --> 00:05:40,560
on November 4th of 2001 and they ran

109
00:05:45,770 --> 00:05:43,199
against the seventh game of a very

110
00:05:48,050 --> 00:05:45,780
exciting World Series so they they were

111
00:05:50,029 --> 00:05:48,060
not the Emmys that they were not my

112
00:05:52,430 --> 00:05:50,039
grandfather's Emmys they were certainly

113
00:05:55,129 --> 00:05:52,440

new and unusual yeah you got through it

114

00:05:58,249 --> 00:05:55,139

though right yeah wow amazing well all

115

00:06:01,309 --> 00:05:58,259

right let's talk about uh Kathleen can

116

00:06:03,529 --> 00:06:01,319

you believe it's been 60 years I

117

00:06:05,570 --> 00:06:03,539

remember you remember that event

118

00:06:08,689 --> 00:06:05,580

incredible

119

00:06:11,029 --> 00:06:08,699

it's really really something and

120

00:06:13,370 --> 00:06:11,039

um Bryce let's talk quickly I read your

121

00:06:14,330 --> 00:06:13,380

articles or Breeze through them

122

00:06:17,510 --> 00:06:14,340

um I

123

00:06:19,309 --> 00:06:17,520

I I'm surprised and and I I don't know

124

00:06:21,650 --> 00:06:19,319

if you probably knew every single thing

125

00:06:24,469 --> 00:06:21,660

that's in that one of the Articles yeah

126

00:06:26,029 --> 00:06:24,479

um uh Kathleen I'm talking to you um

127

00:06:28,249 --> 00:06:26,039

because but

128

00:06:31,670 --> 00:06:28,259

I was the way you wrote that it is

129

00:06:33,529 --> 00:06:31,680

surprising that it took that long 1965

130

00:06:36,529 --> 00:06:33,539

before the first article was written

131

00:06:38,809 --> 00:06:36,539

because they were talking about it you

132

00:06:40,909 --> 00:06:38,819

know I mean it did you know just it's

133

00:06:42,409 --> 00:06:40,919

amazing because the way things go like a

134

00:06:43,670 --> 00:06:42,419

neighbor can I mean just you say

135

00:06:45,650 --> 00:06:43,680

something to one neighbor and the

136

00:06:47,930 --> 00:06:45,660

neighbor can blab and then it gets into

137

00:06:50,330 --> 00:06:47,940

the Press somehow so it is quite amazing

138

00:06:53,510 --> 00:06:50,340

it took that that long well it's they

139

00:06:56,830 --> 00:06:53,520

talked to the family and we were sworn

140

00:07:01,189 --> 00:06:56,840

to secrecy to UFO investigators

141

00:07:05,629 --> 00:07:01,199

confidentially to uh members of the Air

142

00:07:08,510 --> 00:07:05,639

Force and the Navy uh and to people at

143

00:07:10,969 --> 00:07:08,520

their church and their close friends but

144

00:07:14,150 --> 00:07:10,979

they hadn't well also scientists but

145

00:07:17,210 --> 00:07:14,160

they had never intended to have this

146

00:07:19,210 --> 00:07:17,220

story go public because of their

147

00:07:22,730 --> 00:07:19,220

positions in the state of New Hampshire

148

00:07:25,610 --> 00:07:22,740

and also because they had an interracial

149

00:07:26,770 --> 00:07:25,620

marriage and they were very committed to

150

00:07:31,070 --> 00:07:26,780

working

151

00:07:34,010 --> 00:07:31,080

on equal rights and human rights

152

00:07:36,710 --> 00:07:34,020

and and Bryce so why don't you talk

153

00:07:38,990 --> 00:07:36,720

about how it was a left trial how do you

154

00:07:41,749 --> 00:07:39,000

say his the trail John Latrell senior

155

00:07:44,689 --> 00:07:41,759

yeah uh you know listen one of the

156

00:07:46,730 --> 00:07:44,699

things that has happened is by optioning

157

00:07:49,369 --> 00:07:46,740

uh Kathy's book and then trying to

158

00:07:52,850 --> 00:07:49,379

develop for a television series

159

00:07:55,550 --> 00:07:52,860

would be in success a minimum of say 10

160

00:07:57,890 --> 00:07:55,560

hours of Television so uh there has to

161

00:08:00,110 --> 00:07:57,900

be a story that exists outside of the

162

00:08:01,610 --> 00:08:00,120

Betty and Barney abduction because that

163

00:08:04,010 --> 00:08:01,620

can be handled in a relatively

164

00:08:05,749 --> 00:08:04,020

expeditious way there has to be the

165

00:08:07,790 --> 00:08:05,759

aftermath to it and of course there's a

166

00:08:10,850 --> 00:08:07,800

lot of aftermath to it

167

00:08:12,469 --> 00:08:10,860

um but I started kind of doing a deep

168

00:08:14,270 --> 00:08:12,479

dive into it I started reading

169

00:08:16,369 --> 00:08:14,280

everything I could get my hands on and

170

00:08:18,409 --> 00:08:16,379

and and sort of asking myself how did

171

00:08:19,969 --> 00:08:18,419

this come to pass and what are the

172

00:08:22,249 --> 00:08:19,979

things that I could uh that would

173

00:08:24,350 --> 00:08:22,259

provide Grist for good uh storytelling

174

00:08:27,650 --> 00:08:24,360

in a dramatic series and one of the

175

00:08:29,749 --> 00:08:27,660

things I I came across is that uh many

176

00:08:32,329 --> 00:08:29,759

people believe that the Betty and Barney

177

00:08:34,250 --> 00:08:32,339

Hill story began with the interrupted

178

00:08:36,469 --> 00:08:34,260

journey book that John Fuller wrote and

179

00:08:39,709 --> 00:08:36,479

then that became of course the UFO

180

00:08:41,750 --> 00:08:39,719

experience movie in 1975. well the

181

00:08:43,250 --> 00:08:41,760

Fuller book came out in 66 but that's

182

00:08:44,810 --> 00:08:43,260

not really where it started and of

183

00:08:47,269 --> 00:08:44,820

course Kathy knows this and she was just

184

00:08:50,990 --> 00:08:47,279

referencing that what happened is that

185

00:08:52,850 --> 00:08:51,000

in 1965 this uh John Fuller who was an

186

00:08:55,009 --> 00:08:52,860

investment award-winning investigative

187

00:08:57,530 --> 00:08:55,019

reporter for a paper called the Boston

188

00:09:00,350 --> 00:08:57,540

traveler uh published a series of

189

00:09:02,990 --> 00:09:00,360

articles about the hill case uh that

190

00:09:05,150 --> 00:09:03,000

broke in the Boston traveler and uh and

191

00:09:08,210 --> 00:09:05,160

a full year before the Fuller book came

192

00:09:10,610 --> 00:09:08,220

out a RICO shade around the world and

193

00:09:12,230 --> 00:09:10,620

got everybody's attention now obviously

194

00:09:14,389 --> 00:09:12,240

the book The interrupted Journey a year

195

00:09:16,790 --> 00:09:14,399

later got even more attention but it

196

00:09:20,329 --> 00:09:16,800

started with John Fuller and I know

197

00:09:22,850 --> 00:09:20,339

Kathy and I we've if we agree on like 99

198

00:09:24,230 --> 00:09:22,860

of of things but on this one we sort of

199

00:09:27,050 --> 00:09:24,240

come at it from a slightly different

200

00:09:29,030 --> 00:09:27,060

point of view I guess my take is that

201
00:09:30,110 --> 00:09:29,040
while I know Betty and Barney wanted to

202
00:09:32,690 --> 00:09:30,120
remain

203
00:09:34,490 --> 00:09:32,700
um uh you know they wanted this to

204
00:09:37,250 --> 00:09:34,500
remain among them and the people they

205
00:09:39,110 --> 00:09:37,260
chose it to be with I know as an

206
00:09:41,329 --> 00:09:39,120
investigative reporter myself that

207
00:09:43,850 --> 00:09:41,339
that's a good intention but I can see

208
00:09:46,250 --> 00:09:43,860
very easily how John Latrell managed to

209
00:09:47,690 --> 00:09:46,260
get the story I mean you talk about uh

210
00:09:50,810 --> 00:09:47,700
telling the family not to talk to

211
00:09:55,910 --> 00:09:50,820
anybody except Kathy your own mother uh

212
00:09:57,829 --> 00:09:55,920
spoke to uh you know um the I'm trying

213
00:09:59,389 --> 00:09:57,839

to think she oh yeah she's talked to the

214

00:10:01,630 --> 00:09:59,399

Newton New Hampshire Chief of Police

215

00:10:05,090 --> 00:10:01,640

within a day or two

216

00:10:07,130 --> 00:10:05,100

in a day or two yeah he was my father's

217

00:10:09,170 --> 00:10:07,140

best friend and stuff that's what I'm

218

00:10:12,590 --> 00:10:09,180

saying and I'm just following up on what

219

00:10:15,410 --> 00:10:12,600

Martin said so let's just I just ask

220

00:10:17,509 --> 00:10:15,420

your listeners to believe to consider

221

00:10:20,509 --> 00:10:17,519

this for a second Martin I walk up to

222

00:10:22,069 --> 00:10:20,519

you and I go man do I have a story I

223

00:10:23,990 --> 00:10:22,079

need to tell you and you go what is it

224

00:10:26,030 --> 00:10:24,000

and I go all right well look and then I

225

00:10:28,250 --> 00:10:26,040

tell you the story and I say whatever

226

00:10:31,730 --> 00:10:28,260

you do man this has got to stay between

227

00:10:33,650 --> 00:10:31,740

you and me and you say okay of course

228

00:10:35,630 --> 00:10:33,660

then you go home that night and you say

229

00:10:37,670 --> 00:10:35,640

to your wife I got to tell you this

230

00:10:40,069 --> 00:10:37,680

story that Bryce Abel just laid on me it

231

00:10:41,930 --> 00:10:40,079

was pretty amazing and you tell her and

232

00:10:43,970 --> 00:10:41,940

you say but whatever you do you can't

233

00:10:45,829 --> 00:10:43,980

tell anybody else and she goes of course

234

00:10:48,050 --> 00:10:45,839

I won't and then of course she does

235

00:10:51,350 --> 00:10:48,060

that's how stories kind of get out there

236

00:10:53,810 --> 00:10:51,360

and so it began with Betty and Barney uh

237

00:10:55,790 --> 00:10:53,820

talking to the family uh I believe they

238

00:10:58,009 --> 00:10:55,800

also told the upstairs renters on that

239

00:11:00,230 --> 00:10:58,019

same day but they filed uh reports as

240

00:11:01,790 --> 00:11:00,240

Kathy properly mentioned first with the

241

00:11:04,430 --> 00:11:01,800

peace Air Force people that became

242

00:11:06,290 --> 00:11:04,440

Project Blue Book And just because you

243

00:11:08,569 --> 00:11:06,300

file a report some with someone doesn't

244

00:11:10,610 --> 00:11:08,579

guarantee it confidentiality everybody a

245

00:11:13,250 --> 00:11:10,620

Blue Book of course and peace Air Force

246

00:11:15,829 --> 00:11:13,260

Base we're trying to track down whether

247

00:11:17,690 --> 00:11:15,839

this was an accurate description of the

248

00:11:20,030 --> 00:11:17,700

event and what it might mean so other

249

00:11:22,250 --> 00:11:20,040

people were spoken to they also filed a

250

00:11:24,470 --> 00:11:22,260

report with nicap the

251
00:11:26,930 --> 00:11:24,480
um National investigations committee for

252
00:11:28,910 --> 00:11:26,940
aerial phenomena and of course many

253
00:11:31,069 --> 00:11:28,920
people from nycat found out about it

254
00:11:33,410 --> 00:11:31,079
several of them besides the people they

255
00:11:35,750 --> 00:11:33,420
filed it with came to the the hill house

256
00:11:37,850 --> 00:11:35,760
and talked to them about it Betty talked

257
00:11:40,430 --> 00:11:37,860
to many of not many but several of her

258
00:11:43,190 --> 00:11:40,440
co-workers at appears they also spoke to

259
00:11:46,190 --> 00:11:43,200
a number of medical professionals on

260
00:11:48,650 --> 00:11:46,200
November 23 1962 this is just one year

261
00:11:50,569 --> 00:11:48,660
after the event the hill spoke to a

262
00:11:53,329 --> 00:11:50,579
discussion group at their Church which

263
00:11:57,410 --> 00:11:53,339

was a number of people they spoke again

264

00:11:59,150 --> 00:11:57,420

on September 7 1963 and then the big one

265

00:12:00,650 --> 00:11:59,160

for why it broke and why an

266

00:12:04,090 --> 00:12:00,660

investigative reporter would have got

267

00:12:06,470 --> 00:12:04,100

his hands on it is on November 3rd 1963

268

00:12:08,870 --> 00:12:06,480

this is two years before he would

269

00:12:10,850 --> 00:12:08,880

actually break the story The Hills told

270

00:12:13,250 --> 00:12:10,860

their story in public before 200

271

00:12:16,970 --> 00:12:13,260

different people at a public gathering

272

00:12:19,850 --> 00:12:16,980

of a UFO research group a working group

273

00:12:21,769 --> 00:12:19,860

so I guess my point is there was this

274

00:12:24,290 --> 00:12:21,779

story out there in the in the in the

275

00:12:26,389 --> 00:12:24,300

world and John Latrell being an

276
00:12:29,090 --> 00:12:26,399
award-winning investigative reporter had

277
00:12:31,610 --> 00:12:29,100
heard about it and he tried to track it

278
00:12:33,590 --> 00:12:31,620
down and so what's been unfair to his

279
00:12:35,870 --> 00:12:33,600
work over the years in my opinion is

280
00:12:37,550 --> 00:12:35,880
simply that people don't know about it

281
00:12:40,069 --> 00:12:37,560
or if they know about it they sort of

282
00:12:42,949 --> 00:12:40,079
make it feel like he was some kind of

283
00:12:45,590 --> 00:12:42,959
unethical guy that leaked this story

284
00:12:47,509 --> 00:12:45,600
well he didn't leak a story reporters do

285
00:12:50,389 --> 00:12:47,519
not leak stories reporters report

286
00:12:53,090 --> 00:12:50,399
stories if anybody leaked the story it

287
00:12:55,790 --> 00:12:53,100
might be the friends the family the the

288
00:12:57,530 --> 00:12:55,800

people who wrote the reports uh the

289

00:12:58,970 --> 00:12:57,540

people who were at these public events

290

00:13:01,129 --> 00:12:58,980

they might have leaked it to John

291

00:13:03,829 --> 00:13:01,139

Latrell but Latrell was just doing his

292

00:13:05,569 --> 00:13:03,839

job he was he was telling a story about

293

00:13:08,629 --> 00:13:05,579

something that he felt was a public

294

00:13:10,670 --> 00:13:08,639

interest and I'll close with this uh the

295

00:13:12,590 --> 00:13:10,680

public interest aspect of of Journalism

296

00:13:14,690 --> 00:13:12,600

which is something I was taught at

297

00:13:17,329 --> 00:13:14,700

journalism school at the University of

298

00:13:19,730 --> 00:13:17,339

Oregon was you know is it is it

299

00:13:21,769 --> 00:13:19,740

important it you know does he it Trump

300

00:13:24,290 --> 00:13:21,779

does the public interest Trump the right

301
00:13:26,569 --> 00:13:24,300
of privacy in some cases and of course

302
00:13:28,009 --> 00:13:26,579
it does in this case because let's say

303
00:13:30,829 --> 00:13:28,019
that Betty and Barney were the first

304
00:13:32,690 --> 00:13:30,839
people ever to be abducted uh or at

305
00:13:33,769 --> 00:13:32,700
least in the United States to report on

306
00:13:34,670 --> 00:13:33,779
it

307
00:13:36,650 --> 00:13:34,680
um

308
00:13:38,750 --> 00:13:36,660
and that this was part of something

309
00:13:40,850 --> 00:13:38,760
nefarious I mean who knows at the time

310
00:13:42,290 --> 00:13:40,860
but it certainly didn't seem right that

311
00:13:44,150 --> 00:13:42,300
people were being taken out of their

312
00:13:46,189 --> 00:13:44,160
cars and and brought on more to

313
00:13:49,250 --> 00:13:46,199

spacecraft for some kind of uh in

314

00:13:51,650 --> 00:13:49,260

medical exam that I would say John

315

00:13:53,750 --> 00:13:51,660

Latrell did the world a favor by

316

00:13:55,490 --> 00:13:53,760

breaking that story because it's a

317

00:13:59,269 --> 00:13:55,500

matter of public interest to all of us

318

00:14:01,850 --> 00:13:59,279

today our our UFO abductions real and if

319

00:14:05,150 --> 00:14:01,860

they are real what is the intent of them

320

00:14:08,509 --> 00:14:05,160

because we want to know if we're safe so

321

00:14:10,310 --> 00:14:08,519

I look at John Latrell as kind of a a

322

00:14:12,350 --> 00:14:10,320

character that's been sort of discarded

323

00:14:14,210 --> 00:14:12,360

in the history of ufology but who

324

00:14:16,970 --> 00:14:14,220

shouldn't have been I look at him as a

325

00:14:19,670 --> 00:14:16,980

guy who did uh who did strong good work

326

00:14:22,310 --> 00:14:19,680

and should be remembered for it

327

00:14:26,050 --> 00:14:22,320

uh Kathy do you have anything to uh

328

00:14:29,329 --> 00:14:26,060

comment on about that I do I I want to

329

00:14:34,370 --> 00:14:29,339

uh state that in that

330

00:14:37,030 --> 00:14:34,380

presentation on November 3rd 1963. uh

331

00:14:41,150 --> 00:14:37,040

Betty and Barney had not even begun

332

00:14:43,790 --> 00:14:41,160

their hypnosis with Dr Simon that began

333

00:14:47,329 --> 00:14:43,800

in 1964.

334

00:14:50,389 --> 00:14:47,339

and so they were not on the speaking

335

00:14:52,910 --> 00:14:50,399

docket at that meeting they were trying

336

00:14:55,250 --> 00:14:52,920

to learn more from people who knew

337

00:14:58,310 --> 00:14:55,260

something and so they went to this

338

00:15:01,310 --> 00:14:58,320

meeting and then people who knew them

339

00:15:04,670 --> 00:15:01,320

asked them to stand up and and say a few

340

00:15:07,189 --> 00:15:04,680

words about their UFO sighting and then

341

00:15:10,129 --> 00:15:07,199

from what I have read Betty spoke

342

00:15:13,250 --> 00:15:10,139

briefly about her dreams

343

00:15:15,230 --> 00:15:13,260

some of her dreams and and that was it

344

00:15:17,930 --> 00:15:15,240

so

345

00:15:22,129 --> 00:15:17,940

in John latrell's article

346

00:15:24,970 --> 00:15:22,139

he somehow acquired the information that

347

00:15:28,850 --> 00:15:24,980

was on Betty's and Barney's confidential

348

00:15:30,769 --> 00:15:28,860

hypnosis tapes this was uh these were

349

00:15:34,730 --> 00:15:30,779

medical records

350

00:15:39,470 --> 00:15:34,740

for held by their psychiatrist Dr

351

00:15:42,650 --> 00:15:39,480

Benjamin Simon who had uh seen Barney as

352

00:15:45,949 --> 00:15:42,660

a primary patient because Barney had

353

00:15:48,949 --> 00:15:45,959

developed psychogenically induced

354

00:15:51,670 --> 00:15:48,959

um bleeding ulcers high blood pressure

355

00:15:55,790 --> 00:15:51,680

he had been hospitalized

356

00:15:58,009 --> 00:15:55,800

because of this and his

357

00:16:01,490 --> 00:15:58,019

symptoms would not recede with

358

00:16:06,710 --> 00:16:01,500

traditional medical treatment Dr Simon

359

00:16:09,350 --> 00:16:06,720

had in invented a new way of dealing

360

00:16:12,470 --> 00:16:09,360

with the psychogenically induced

361

00:16:15,590 --> 00:16:12,480

traumatic experiences that result in

362

00:16:18,889 --> 00:16:15,600

physiological problems during his work

363

00:16:21,530 --> 00:16:18,899

with soldiers during World War II he was

364

00:16:24,290 --> 00:16:21,540

a lieutenant colonel in the Army and he

365

00:16:27,410 --> 00:16:24,300

set up the psychiatric unit at the Mason

366

00:16:29,870 --> 00:16:27,420

General Hospital on Long Island and this

367

00:16:32,749 --> 00:16:29,880

is where he developed this technique

368

00:16:35,629 --> 00:16:32,759

that he used very successfully in fact

369

00:16:38,449 --> 00:16:35,639

the movie Let there be light a John

370

00:16:41,810 --> 00:16:38,459

Houston movie was made about Dr Simon's

371

00:16:45,310 --> 00:16:41,820

work and it showed him working with

372

00:16:48,470 --> 00:16:45,320

soldiers and how they

373

00:16:53,150 --> 00:16:48,480

improved and finally got on the bus and

374

00:16:56,749 --> 00:16:53,160

and went home to their families so he

375

00:17:01,129 --> 00:16:56,759

was the perfect person for Barney to see

376

00:17:07,250 --> 00:17:01,139

these tapes were to remain uh medical

377

00:17:10,569 --> 00:17:07,260

records in in Dr Simons uh possession

378

00:17:14,750 --> 00:17:10,579

Betty and Barney at some point ended up

379

00:17:17,029 --> 00:17:14,760

with the real some real to real tapes

380

00:17:20,630 --> 00:17:17,039

and

381

00:17:24,409 --> 00:17:20,640

so but they had not released this

382

00:17:26,029 --> 00:17:24,419

information to anyone except for

383

00:17:29,570 --> 00:17:26,039

uh

384

00:17:33,049 --> 00:17:29,580

maybe Laurie D'Alessandro who John

385

00:17:34,870 --> 00:17:33,059

Latrell named in a letter that he wrote

386

00:17:39,770 --> 00:17:34,880

in August of

387

00:17:42,470 --> 00:17:39,780

1965. saying to Betty and Barney that if

388

00:17:45,590 --> 00:17:42,480

they were nearly as nice as their friend

389

00:17:49,850 --> 00:17:45,600

Lori delisandro was that he would love

390

00:17:51,430 --> 00:17:49,860

to meet them and that

391

00:17:55,850 --> 00:17:51,440

um this

392

00:17:58,549 --> 00:17:55,860

would was probably the the best UFO

393

00:18:03,590 --> 00:17:58,559

sighting case that had ever occurred

394

00:18:07,669 --> 00:18:03,600

well Betty and Barney uh did not want to

395

00:18:10,789 --> 00:18:07,679

meet him in fact uh he went up to their

396

00:18:13,070 --> 00:18:10,799

house and they left that house they went

397

00:18:15,770 --> 00:18:13,080

to my grandparents house and I was there

398

00:18:18,650 --> 00:18:15,780

because I lived across the street and my

399

00:18:20,450 --> 00:18:18,660

parents were there and they were

400

00:18:24,010 --> 00:18:20,460

distressed because there was a new

401

00:18:28,270 --> 00:18:24,020

newspaper reporter on their Trail

402

00:18:32,990 --> 00:18:28,280

then uh good for him yeah good for him

403

00:18:35,930 --> 00:18:33,000

well then uh he published these five

404

00:18:38,690 --> 00:18:35,940

articles in the Boston traveler and this

405

00:18:40,730 --> 00:18:38,700

was devastating to Betty and Barney they

406

00:18:43,330 --> 00:18:40,740

went to my grandparents house again and

407

00:18:47,210 --> 00:18:43,340

we met as a family what should they do

408

00:18:50,090 --> 00:18:47,220

this I mean they had no idea when they

409

00:18:54,590 --> 00:18:50,100

were confiding in people that this would

410

00:18:58,310 --> 00:18:54,600

ever be made public in 1965 Barney had

411

00:19:00,590 --> 00:18:58,320

been uh elected to the U.S Commission on

412

00:19:03,049 --> 00:19:00,600

civil rights state advisory committee

413

00:19:05,450 --> 00:19:03,059

they'd been invited to Lyndon Johnson's

414

00:19:07,789 --> 00:19:05,460

inauguration Barney had received an

415

00:19:11,930 --> 00:19:07,799

award from Sergeant Shriver for his work

416

00:19:14,270 --> 00:19:11,940

on the federal poverty program and he

417

00:19:16,310 --> 00:19:14,280

had received an award from the

418

00:19:19,730 --> 00:19:16,320

Archdiocese of Manchester New Hampshire

419

00:19:22,130 --> 00:19:19,740

for setting up a literacy program where

420

00:19:24,890 --> 00:19:22,140

people in New Hampshire because you had

421

00:19:26,930 --> 00:19:24,900

to take a literacy test to vote oh Betty

422

00:19:29,450 --> 00:19:26,940

was a social worker for the State of New

423

00:19:31,909 --> 00:19:29,460

Hampshire she was working with Barney on

424

00:19:35,090 --> 00:19:31,919

all of these things and he was the

425

00:19:38,090 --> 00:19:35,100

director of the NAACP in his area as

426

00:19:41,570 --> 00:19:38,100

well this is something that was terribly

427

00:19:43,789 --> 00:19:41,580

shocking to them when this occurred they

428

00:19:45,110 --> 00:19:43,799

didn't see it coming

429

00:19:47,990 --> 00:19:45,120

and

430

00:19:51,289 --> 00:19:48,000

you know maybe John Latrell was a great

431

00:19:54,110 --> 00:19:51,299

uh reporter but in that letter he said

432

00:19:57,830 --> 00:19:54,120

to Betty and Barney he wrote If you will

433

00:20:00,650 --> 00:19:57,840

talk to me about this I promise you that

434

00:20:03,230 --> 00:20:00,660

I will not commercialize on your story

435

00:20:05,450 --> 00:20:03,240

in any way how is reporting a story

436

00:20:07,970 --> 00:20:05,460

commercializing it he didn't make a dime

437

00:20:09,890 --> 00:20:07,980

from it uh Kathy the person who made

438

00:20:11,570 --> 00:20:09,900

money from it was John Fuller who wrote

439

00:20:14,690 --> 00:20:11,580

a book and got paid for the book and got

440

00:20:16,730 --> 00:20:14,700

paid for the movie so uh and so he

441

00:20:18,830 --> 00:20:16,740

didn't John Latrell simply did his job

442

00:20:22,909 --> 00:20:18,840

as a reporter anyway I'll let you finish

443

00:20:26,930 --> 00:20:23,690

um

444

00:20:29,390 --> 00:20:26,940

this is what he said it it appeared in

445

00:20:31,909 --> 00:20:29,400

the Boston traveler for five days it was

446

00:20:34,909 --> 00:20:31,919

terribly shocking to Betty and Barney

447

00:20:36,590 --> 00:20:34,919

and that is when we met as a family this

448

00:20:38,450 --> 00:20:36,600

was going to have an impact on the

449

00:20:40,669 --> 00:20:38,460

entire family and a lot of people in the

450

00:20:41,990 --> 00:20:40,679

family were very upset of course they

451
00:20:44,870 --> 00:20:42,000
were like

452
00:20:48,289 --> 00:20:44,880
listen to the public being devastated or

453
00:20:50,990 --> 00:20:48,299
upset is not the standard of whether a a

454
00:20:53,570 --> 00:20:51,000
reporter can report something

455
00:20:55,490 --> 00:20:53,580
um many people are devastated when

456
00:20:58,190 --> 00:20:55,500
somebody reports about them whether they

457
00:21:00,350 --> 00:20:58,200
are mob figures or just the person down

458
00:21:03,590 --> 00:21:00,360
the street who pulled a cat out of a

459
00:21:06,289 --> 00:21:03,600
tree they may not want it to be reported

460
00:21:09,169 --> 00:21:06,299
on I mean so that's not the standard and

461
00:21:11,210 --> 00:21:09,179
Betty and Barney uh well I totally

462
00:21:13,130 --> 00:21:11,220
sympathize with them I'm writing a very

463
00:21:16,549 --> 00:21:13,140

sympathetic treatment about these people

464

00:21:18,770 --> 00:21:16,559

but while I I sympathize with them you

465

00:21:20,930 --> 00:21:18,780

know they don't control confidentiality

466

00:21:22,850 --> 00:21:20,940

all right if you tell somebody something

467

00:21:25,610 --> 00:21:22,860

you control the confidence you know

468

00:21:27,470 --> 00:21:25,620

obviously you have an expectation that

469

00:21:29,990 --> 00:21:27,480

conversations you have with your lawyer

470

00:21:31,909 --> 00:21:30,000

or with your doctor are probably not

471

00:21:35,810 --> 00:21:31,919

going to go out but let's remember this

472

00:21:38,270 --> 00:21:35,820

all right the big complaint here is that

473

00:21:40,669 --> 00:21:38,280

um you know that those hypnosis tapes

474

00:21:43,130 --> 00:21:40,679

weren't uh something that he should have

475

00:21:45,409 --> 00:21:43,140

had access to and so therefore that's

476

00:21:47,930 --> 00:21:45,419

why it's implied that he leaked it he

477

00:21:51,409 --> 00:21:47,940

didn't leak anything he didn't steal

478

00:21:54,049 --> 00:21:51,419

hypnosis tapes I mean someone gave John

479

00:21:56,090 --> 00:21:54,059

Latrell access to those tapes or

480

00:21:58,070 --> 00:21:56,100

transcripts that's the only way he would

481

00:21:59,750 --> 00:21:58,080

have had it to include in that article

482

00:22:02,330 --> 00:21:59,760

and I'll point out one other thing that

483

00:22:03,950 --> 00:22:02,340

I found in my investigation the nicap

484

00:22:06,169 --> 00:22:03,960

report the national investigations

485

00:22:09,110 --> 00:22:06,179

committee on aerial phenomena

486

00:22:11,149 --> 00:22:09,120

that had the 60 page version not the

487

00:22:14,630 --> 00:22:11,159

initial shorter one but the 60 page

488

00:22:17,090 --> 00:22:14,640

version that did include hypnosis and

489

00:22:19,730 --> 00:22:17,100

discussions about the hypnosis came out

490

00:22:23,330 --> 00:22:19,740

several months before the article and

491

00:22:25,190 --> 00:22:23,340

again someone gave that nycap report to

492

00:22:28,130 --> 00:22:25,200

John Latrell that doesn't make him

493

00:22:31,549 --> 00:22:28,140

unethical it doesn't make his work

494

00:22:33,830 --> 00:22:31,559

improper he did a a stellar job of

495

00:22:35,510 --> 00:22:33,840

Journalism because people gave it to him

496

00:22:36,770 --> 00:22:35,520

and you say well I don't know they

497

00:22:38,630 --> 00:22:36,780

shouldn't have given it to him well you

498

00:22:41,330 --> 00:22:38,640

know what what about the Pentagon papers

499

00:22:43,610 --> 00:22:41,340

they were not supposed to be given for

500

00:22:45,710 --> 00:22:43,620

publication but they were and the public

501
00:22:50,149 --> 00:22:45,720
interest in having the Pentagon papers

502
00:22:52,430 --> 00:22:50,159
actually printed has been demonstrated

503
00:22:56,270 --> 00:22:52,440
time and again in in American history

504
00:22:58,370 --> 00:22:56,280
the intent uh of the of the people who

505
00:22:59,930 --> 00:22:58,380
had access to them probably wasn't that

506
00:23:03,169 --> 00:22:59,940
it should show up in the New York Times

507
00:23:05,390 --> 00:23:03,179
but but that's what happened so I just

508
00:23:08,330 --> 00:23:05,400
uh I just I think I just look at this

509
00:23:10,669 --> 00:23:08,340
look I under understand the family would

510
00:23:12,730 --> 00:23:10,679
be upset I would be upset I understand

511
00:23:15,890 --> 00:23:12,740
that Betty and Barney

512
00:23:17,990 --> 00:23:15,900
certainly if if they hoped that this

513
00:23:20,270 --> 00:23:18,000

would never ever get out they were naive

514

00:23:22,010 --> 00:23:20,280

and let's face it why should they not be

515

00:23:23,390 --> 00:23:22,020

naive about that because they you know

516

00:23:25,190 --> 00:23:23,400

it's not their light I mean that wasn't

517

00:23:28,310 --> 00:23:25,200

their life up to that point of course

518

00:23:30,950 --> 00:23:28,320

they're gonna uh hope for the best but

519

00:23:34,450 --> 00:23:30,960

many many many many people knew about

520

00:23:37,730 --> 00:23:34,460

their case enough to get John Latrell

521

00:23:39,169 --> 00:23:37,740

looking into it and he did go to Betty

522

00:23:41,750 --> 00:23:39,179

and Barney and ask them to participate

523

00:23:43,490 --> 00:23:41,760

they said no we we prefer not to well

524

00:23:44,870 --> 00:23:43,500

that's not the end of it the fact that

525

00:23:47,149 --> 00:23:44,880

the person you're trying to write a

526

00:23:49,070 --> 00:23:47,159

story about says I prefer you not write

527

00:23:50,930 --> 00:23:49,080

a story about me if that was the

528

00:23:53,029 --> 00:23:50,940

standard of Journalism then there'd be a

529

00:23:55,970 --> 00:23:53,039

lot less journalistic articles that had

530

00:23:59,090 --> 00:23:55,980

ever been written what John Latrell did

531

00:24:00,289 --> 00:23:59,100

is say well I wish you'd reconsider that

532

00:24:02,149 --> 00:24:00,299

um you know I'd love to talk to you

533

00:24:03,830 --> 00:24:02,159

about this case and then since they

534

00:24:05,690 --> 00:24:03,840

didn't want to talk to him he went out

535

00:24:07,549 --> 00:24:05,700

and started talking to the friends that

536

00:24:10,310 --> 00:24:07,559

that he Jim Barney had told their story

537

00:24:13,310 --> 00:24:10,320

to he went out and tracked down he had

538

00:24:15,710 --> 00:24:13,320

copies for those articles of both the

539

00:24:18,590 --> 00:24:15,720

peace Air Force Base Project Blue Brook

540

00:24:20,990 --> 00:24:18,600

report he had a copy of the nycap report

541

00:24:24,710 --> 00:24:21,000

and he had copies of the transcripts

542

00:24:28,010 --> 00:24:24,720

from uh the hypnosis sessions

543

00:24:31,070 --> 00:24:28,020

he did not go out and steal those in the

544

00:24:32,269 --> 00:24:31,080

dark of night people gave them access to

545

00:24:34,610 --> 00:24:32,279

those things

546

00:24:36,890 --> 00:24:34,620

knowing that him as a reporter who was

547

00:24:38,750 --> 00:24:36,900

working on the story would would pull

548

00:24:42,110 --> 00:24:38,760

from them in the writing of his story

549

00:24:44,990 --> 00:24:42,120

and I would argue looking back on it now

550

00:24:47,210 --> 00:24:45,000

the John Latrell articles have one

551
00:24:50,630 --> 00:24:47,220
standard the guy is applying he's saying

552
00:24:53,269 --> 00:24:50,640
well what happened and what what facts

553
00:24:55,310 --> 00:24:53,279
do I have before me that I can Marshal

554
00:24:57,350 --> 00:24:55,320
into this story and again writing a

555
00:24:59,390 --> 00:24:57,360
story is not commercializing on it all

556
00:25:01,490 --> 00:24:59,400
right that's journalism so he didn't

557
00:25:03,890 --> 00:25:01,500
commercialize it he wrote a story about

558
00:25:06,169 --> 00:25:03,900
it based on the facts that he had now

559
00:25:07,549 --> 00:25:06,179
what did John Fuller do this is the

560
00:25:10,370 --> 00:25:07,559
second guy the guy that wrote the

561
00:25:12,529 --> 00:25:10,380
interrupted Journey he left things out

562
00:25:14,149 --> 00:25:12,539
of the interrupted Journey specifically

563
00:25:16,250 --> 00:25:14,159

because he didn't want to offend people

564

00:25:18,409 --> 00:25:16,260

in some cases he didn't want to offend

565

00:25:20,810 --> 00:25:18,419

uh Barney in some cases he didn't want

566

00:25:23,570 --> 00:25:20,820

to offend the psychiatrist in some cases

567

00:25:26,149 --> 00:25:23,580

he his Publishers said don't put these

568

00:25:28,070 --> 00:25:26,159

things in the book so he left out facts

569

00:25:31,070 --> 00:25:28,080

so I would argue if you're going to put

570

00:25:33,289 --> 00:25:31,080

John Latrell up there and John Fuller as

571

00:25:36,830 --> 00:25:33,299

a journalist I'm voting for John Latrell

572

00:25:39,769 --> 00:25:36,840

John Latrell went after the story did

573

00:25:42,830 --> 00:25:39,779

his damned best to report it as

574

00:25:45,470 --> 00:25:42,840

accurately as he possibly could and

575

00:25:47,090 --> 00:25:45,480

given that it went out you know it's

576

00:25:48,590 --> 00:25:47,100

just a shame that those articles aren't

577

00:25:50,630 --> 00:25:48,600

collected for more people to read

578

00:25:52,490 --> 00:25:50,640

because they were the first time people

579

00:25:54,289 --> 00:25:52,500

got to read about Betty and Barney's

580

00:25:56,450 --> 00:25:54,299

case and he did nothing wrong he wasn't

581

00:25:59,210 --> 00:25:56,460

unethical he should get an award for it

582

00:26:01,789 --> 00:25:59,220

and in fact if we ever name an award for

583

00:26:03,529 --> 00:26:01,799

UFO journalism I would submit it should

584

00:26:05,930 --> 00:26:03,539

be called the John Latrell UFO

585

00:26:10,669 --> 00:26:05,940

journalism award because he did a great

586

00:26:13,730 --> 00:26:10,679

job and and I sail that with with uh you

587

00:26:15,890 --> 00:26:13,740

know great respect for Kathy who I I

588

00:26:18,470 --> 00:26:15,900

Adore You Kathy you're a fantastic

589

00:26:20,149 --> 00:26:18,480

person I enjoy your book and I've I've

590

00:26:22,970 --> 00:26:20,159

optioned it I'm trying to bring it to

591

00:26:24,830 --> 00:26:22,980

life but the fact that Betty and Barney

592

00:26:28,010 --> 00:26:24,840

were upset that the story came out in

593

00:26:30,730 --> 00:26:28,020

1965 is not the controlling fact of

594

00:26:34,070 --> 00:26:30,740

Journalism it's just not

595

00:26:37,970 --> 00:26:34,080

I was very angry with John Latrell for

596

00:26:41,690 --> 00:26:37,980

many many years but recently before

597

00:26:44,510 --> 00:26:41,700

Stanton passed away he gave me a letter

598

00:26:49,070 --> 00:26:44,520

that he had written to John Latrell and

599

00:26:51,649 --> 00:26:49,080

John had responded to where he said that

600

00:26:55,130 --> 00:26:51,659

he had investigated that case in the

601
00:26:58,669 --> 00:26:55,140
White Mountains and he had found 12 at

602
00:27:00,590 --> 00:26:58,679
least 12 12. 14 Witnesses which has

603
00:27:03,830 --> 00:27:00,600
helped you over the years hasn't it to

604
00:27:06,950 --> 00:27:03,840
forgive him over that because he did do

605
00:27:09,950 --> 00:27:06,960
the investigation he did find witnesses

606
00:27:13,190 --> 00:27:09,960
and this is very important yeah Kathy

607
00:27:14,930 --> 00:27:13,200
that I I I I I think that's a point of

608
00:27:17,210 --> 00:27:14,940
commonality for us here to be honest

609
00:27:19,190 --> 00:27:17,220
with you I again know how it hurts I

610
00:27:21,649 --> 00:27:19,200
mean I'd be hurt if it was my family I

611
00:27:23,990 --> 00:27:21,659
get it I mean I totally totally get it

612
00:27:26,630 --> 00:27:24,000
but the commonality here is if you're

613
00:27:28,669 --> 00:27:26,640

trying to find I know that it is your

614

00:27:31,970 --> 00:27:28,679

interest to get the truth about the

615

00:27:34,850 --> 00:27:31,980

Betty and Barney case out there and you

616

00:27:36,950 --> 00:27:34,860

know something that uh Latrell did that

617

00:27:39,289 --> 00:27:36,960

John Fuller did not do is exactly what

618

00:27:41,750 --> 00:27:39,299

you pointed out John Latrell put on a

619

00:27:44,510 --> 00:27:41,760

pair of solid shoes and went out an

620

00:27:46,850 --> 00:27:44,520

expended shoe leather to try to find out

621

00:27:49,549 --> 00:27:46,860

what happened and he found active

622

00:27:52,490 --> 00:27:49,559

Witnesses now those Witnesses were not

623

00:27:54,889 --> 00:27:52,500

uh quoted in his articles ironically

624

00:27:56,570 --> 00:27:54,899

which I it's a huge irony to me but they

625

00:27:59,210 --> 00:27:56,580

weren't quoted because the newspaper

626
00:28:01,310 --> 00:27:59,220
thought well the witnesses that he found

627
00:28:03,649 --> 00:28:01,320
don't aren't actually saying

628
00:28:05,210 --> 00:28:03,659
you know anything about what happened to

629
00:28:07,850 --> 00:28:05,220
Betty and Barney and that's what we want

630
00:28:09,769 --> 00:28:07,860
the the Articles to be about but those

631
00:28:11,750 --> 00:28:09,779
Witnesses have been very useful to you

632
00:28:13,850 --> 00:28:11,760
over the years even just knowing that

633
00:28:15,470 --> 00:28:13,860
they exist and they're interesting I see

634
00:28:17,029 --> 00:28:15,480
you're scrolling this first article I

635
00:28:19,370 --> 00:28:17,039
wrote about it I mean one of the things

636
00:28:21,049 --> 00:28:19,380
I do in there is say you know what if

637
00:28:22,970 --> 00:28:21,059
you're one of those Witnesses or you're

638
00:28:25,130 --> 00:28:22,980

the the son or daughter of one of those

639

00:28:27,350 --> 00:28:25,140

Witnesses or a grandson or granddaughter

640

00:28:29,029 --> 00:28:27,360

of one of those Witnesses you would help

641

00:28:31,010 --> 00:28:29,039

the world right now if you came forward

642

00:28:32,330 --> 00:28:31,020

and told us what you know and I'm sure

643

00:28:36,830 --> 00:28:32,340

that you've been doing the same thing

644

00:28:37,930 --> 00:28:36,840

Kathy as well you should and um I I say

645

00:28:40,549 --> 00:28:37,940

um

646

00:28:43,250 --> 00:28:40,559

Witnesses whether they came from John

647

00:28:45,230 --> 00:28:43,260

Latrell or yourself or someone out of

648

00:28:48,710 --> 00:28:45,240

the blue right now are the bread and

649

00:28:52,190 --> 00:28:48,720

butter of of testimony and I'm I'm glad

650

00:28:54,110 --> 00:28:52,200

that that those were provided I I sleep

651
00:28:55,610 --> 00:28:54,120
better at night on this story knowing

652
00:28:57,950 --> 00:28:55,620
that you've been following them up and

653
00:29:01,190 --> 00:28:57,960
and I think that is a point where we are

654
00:29:04,970 --> 00:29:01,200
solid as a rock on

655
00:29:07,310 --> 00:29:04,980
I agree with that Bryce and uh I have

656
00:29:10,430 --> 00:29:07,320
looked for Witnesses over many many

657
00:29:12,649 --> 00:29:10,440
years uh there were people who in

658
00:29:16,010 --> 00:29:12,659
Upstate New Hampshire who spoke with me

659
00:29:19,310 --> 00:29:16,020
who had UFO sightings in the same time

660
00:29:22,909 --> 00:29:19,320
frame but I wasn't able to pin them down

661
00:29:26,029 --> 00:29:22,919
to knowing that it was the same night I

662
00:29:29,330 --> 00:29:26,039
had even one individual tell me that a

663
00:29:31,430 --> 00:29:29,340

craft had landed on their farm that

664

00:29:35,450 --> 00:29:31,440

night but that wasn't the area where

665

00:29:38,810 --> 00:29:35,460

Betty and Barney were taken I

666

00:29:42,470 --> 00:29:38,820

spoke to a man who was in the Navy he's

667

00:29:45,169 --> 00:29:42,480

retired now but he was in the Navy

668

00:29:48,350 --> 00:29:45,179

during that time frame he was in Maine

669

00:29:51,649 --> 00:29:48,360

as a young man on that night and he has

670

00:29:55,370 --> 00:29:51,659

written testimony and signed and sworn

671

00:29:58,430 --> 00:29:55,380

to it that he saw the craft he had a

672

00:30:01,610 --> 00:29:58,440

friend with him both of them saw a craft

673

00:30:04,549 --> 00:30:01,620

that night moving in the direction of

674

00:30:06,409 --> 00:30:04,559

where Betty and Barney were so that is

675

00:30:08,510 --> 00:30:06,419

at the University of New Hampshire in

676

00:30:10,909 --> 00:30:08,520

the archival collection now

677

00:30:14,450 --> 00:30:10,919

and and frankly it's it's incredible

678

00:30:16,490 --> 00:30:14,460

because it does help both I mean look uh

679

00:30:18,350 --> 00:30:16,500

we've taken a little diversionary path

680

00:30:20,510 --> 00:30:18,360

down here on the Latrell thing but the

681

00:30:22,730 --> 00:30:20,520

truth of the matter is we're here right

682

00:30:26,330 --> 00:30:22,740

now on your show Martin for one reason

683

00:30:28,610 --> 00:30:26,340

it was 60 years ago on September 19th

684

00:30:30,350 --> 00:30:28,620

going into the morning of September 20th

685

00:30:32,570 --> 00:30:30,360

that Betty and Barney had something

686

00:30:34,490 --> 00:30:32,580

extraordinary happened to them and to

687

00:30:36,590 --> 00:30:34,500

the extent that anybody was taking it

688

00:30:38,510 --> 00:30:36,600

seriously and trying to uh get that

689

00:30:40,909 --> 00:30:38,520

information uh was probably a good thing

690

00:30:43,610 --> 00:30:40,919

so I would just let me just try to bring

691

00:30:44,990 --> 00:30:43,620

a little closure here and so that

692

00:30:46,730 --> 00:30:45,000

because I don't the last thing I would

693

00:30:48,590 --> 00:30:46,740

want anybody to think is that Kathy and

694

00:30:50,630 --> 00:30:48,600

I are anything other than on the same

695

00:30:53,090 --> 00:30:50,640

team here because here's the here's the

696

00:30:55,970 --> 00:30:53,100

thing I'm willing to stipulate for for

697

00:30:59,210 --> 00:30:55,980

Kathy quite clearly that if I was Betty

698

00:31:01,250 --> 00:30:59,220

or Barney or herself or her family or

699

00:31:02,870 --> 00:31:01,260

her friends or anybody it wouldn't have

700

00:31:05,990 --> 00:31:02,880

been a great thing to wake up on the

701
00:31:08,029 --> 00:31:06,000
morning of October 25th 1965 and read

702
00:31:09,830 --> 00:31:08,039
those articles that would be hard okay

703
00:31:12,529 --> 00:31:09,840
and we have all been through hard times

704
00:31:13,730 --> 00:31:12,539
in our lives with our families and when

705
00:31:17,029 --> 00:31:13,740
you've gone through something that's

706
00:31:19,009 --> 00:31:17,039
particularly shocking such as this to to

707
00:31:21,110 --> 00:31:19,019
have to read about it and realize okay

708
00:31:24,470 --> 00:31:21,120
this has now changed my life okay

709
00:31:26,389 --> 00:31:24,480
because now it's not a secret to to

710
00:31:28,190 --> 00:31:26,399
anybody anymore it's out there that

711
00:31:29,750 --> 00:31:28,200
would be tough and I'm sure Kathy it

712
00:31:31,669 --> 00:31:29,760
seems like Kathy is saying the same

713
00:31:35,450 --> 00:31:31,679

thing on the other side which is

714

00:31:38,090 --> 00:31:35,460

you know while we didn't love it and and

715

00:31:40,730 --> 00:31:38,100

all that that the contribution that he

716

00:31:43,490 --> 00:31:40,740

made if if we're only applying truth as

717

00:31:45,590 --> 00:31:43,500

a standard is he actually tried a little

718

00:31:48,889 --> 00:31:45,600

more to be a truth teller than even the

719

00:31:50,930 --> 00:31:48,899

guys that the guy that did the book so I

720

00:31:53,029 --> 00:31:50,940

feel like we're we're not we're not a

721

00:31:54,830 --> 00:31:53,039

part we're not really that far apart are

722

00:31:56,990 --> 00:31:54,840

we Kathy I think we're pretty that far

723

00:31:59,590 --> 00:31:57,000

apart but I'm speaking from the point of

724

00:32:03,649 --> 00:31:59,600

view of a family member who lived it

725

00:32:05,750 --> 00:32:03,659

right you as a journalist yes see that's

726

00:32:07,610 --> 00:32:05,760

the thing and you know what I think it's

727

00:32:10,310 --> 00:32:07,620

right and proper

728

00:32:13,370 --> 00:32:10,320

um on any major issue and this is

729

00:32:15,110 --> 00:32:13,380

certainly when you talk about ufology I

730

00:32:18,070 --> 00:32:15,120

mean the reason you and I even know each

731

00:32:20,870 --> 00:32:18,080

other is because I I am so profoundly

732

00:32:24,409 --> 00:32:20,880

impacted by this story that I wanted to

733

00:32:26,210 --> 00:32:24,419

know more about it so uh there are a lot

734

00:32:27,950 --> 00:32:26,220

of different ways to look at these

735

00:32:30,470 --> 00:32:27,960

things but when you get into a big story

736

00:32:33,710 --> 00:32:30,480

like the Betty and Barney story

737

00:32:35,930 --> 00:32:33,720

um it's important to put it all on the

738

00:32:39,710 --> 00:32:35,940

table at this point in fact the way I

739

00:32:41,810 --> 00:32:39,720

look at it is it's 60 years later so you

740

00:32:45,409 --> 00:32:41,820

know we're not offending anybody 60

741

00:32:47,450 --> 00:32:45,419

years later now is the time to say olly

742

00:32:49,909 --> 00:32:47,460

olly income free if there's if there's

743

00:32:54,649 --> 00:32:49,919

Witnesses or family members of witnesses

744

00:32:56,990 --> 00:32:54,659

and it's also time to say you know um

745

00:32:59,570 --> 00:32:57,000

the hard feelings of of the past about

746

00:33:03,110 --> 00:32:59,580

anything the the people who are feeling

747

00:33:05,269 --> 00:33:03,120

them are are passed you know so now the

748

00:33:08,450 --> 00:33:05,279

question is is the Betty and Barney case

749

00:33:11,630 --> 00:33:08,460

which is now 60 years in the past

750

00:33:14,330 --> 00:33:11,640

does it have a relevance for today and

751

00:33:16,549 --> 00:33:14,340

is it aiming toward the future and I I

752

00:33:19,190 --> 00:33:16,559

think it is and that is the number one

753

00:33:21,110 --> 00:33:19,200

reason why I'm so passionate to bring

754

00:33:23,210 --> 00:33:21,120

this story to another group of people

755

00:33:25,130 --> 00:33:23,220

because I feel like it should not be

756

00:33:27,049 --> 00:33:25,140

forgotten and then I'll close with this

757

00:33:29,090 --> 00:33:27,059

about why it should not be forgotten and

758

00:33:31,549 --> 00:33:29,100

why I hope we make it

759

00:33:33,230 --> 00:33:31,559

um as bet as Kathy just pointed out

760

00:33:36,230 --> 00:33:33,240

Betty and Barney are an interracial

761

00:33:38,870 --> 00:33:36,240

couple in 1961 and Martin that's pretty

762

00:33:40,190 --> 00:33:38,880

crazy because everywhere they went even

763

00:33:42,529 --> 00:33:40,200

though it was better in New Hampshire

764

00:33:44,750 --> 00:33:42,539

than Selma Alabama it doesn't mean that

765

00:33:46,549 --> 00:33:44,760

people didn't look at them weird and and

766

00:33:49,789 --> 00:33:46,559

and that they did and Barney didn't

767

00:33:51,769 --> 00:33:49,799

encounter racism and so forth so I think

768

00:33:54,230 --> 00:33:51,779

that the the thing that's interesting

769

00:33:56,330 --> 00:33:54,240

about their case now is not only is it a

770

00:33:58,970 --> 00:33:56,340

it's a first it's the first UFO

771

00:34:00,950 --> 00:33:58,980

Abduction reported in America it's the

772

00:34:03,350 --> 00:34:00,960

first case of missing time it's the

773

00:34:05,509 --> 00:34:03,360

first use of hypnosis and it's the first

774

00:34:07,549 --> 00:34:05,519

description of the grace that makes it a

775

00:34:11,030 --> 00:34:07,559

pretty great case but at the same time

776

00:34:13,129 --> 00:34:11,040

it is also a story about America a story

777

00:34:14,930 --> 00:34:13,139

about race in America at a time when

778

00:34:18,169 --> 00:34:14,940

we've been having the black lives matter

779

00:34:20,389 --> 00:34:18,179

protests and so it really takes the UFO

780

00:34:22,730 --> 00:34:20,399

issue and the race issue which nobody

781

00:34:25,609 --> 00:34:22,740

ever thought belonged in the same thing

782

00:34:27,649 --> 00:34:25,619

and put him in an atom collider to take

783

00:34:30,409 --> 00:34:27,659

a look at them and when we finally make

784

00:34:32,930 --> 00:34:30,419

this 10 parts series if we're if we're

785

00:34:34,669 --> 00:34:32,940

knocking on wood if we're lucky enough

786

00:34:36,470 --> 00:34:34,679

to make it that's how we're going to

787

00:34:40,010 --> 00:34:36,480

look at it that at a Time in America

788

00:34:42,649 --> 00:34:40,020

where everybody saw the color of their

789

00:34:45,290 --> 00:34:42,659

skin the only people who seem not to see

790

00:34:47,510 --> 00:34:45,300

the color of their skin were these

791

00:34:51,050 --> 00:34:47,520

aliens that abducted them

792

00:34:52,369 --> 00:34:51,060

pretty crazy yeah yeah about that

793

00:34:55,250 --> 00:34:52,379

um Kathy I know you've stayed a lot

794

00:34:57,530 --> 00:34:55,260

longer than you are planning to yes and

795

00:35:01,490 --> 00:34:57,540

I'd just like to mention Martin to you

796

00:35:04,310 --> 00:35:01,500

the listening audience that captured has

797

00:35:07,550 --> 00:35:04,320

been updated there's a 30 a 60th

798

00:35:10,730 --> 00:35:07,560

anniversary edition with new scientific

799

00:35:14,210 --> 00:35:10,740

evidence and new information

800

00:35:16,370 --> 00:35:14,220

yeah excellent all right thank you so

801
00:35:20,329 --> 00:35:16,380
much for joining us it's been a real

802
00:35:23,930 --> 00:35:20,339
pleasure thank you bye Kathy

803
00:35:27,530 --> 00:35:23,940
um yeah and very interesting and uh it

804
00:35:29,569 --> 00:35:27,540
is I I totally get how you can have two

805
00:35:33,109 --> 00:35:29,579
different perspectives of this she's

806
00:35:34,730 --> 00:35:33,119
there's the emotional aspect of it yeah

807
00:35:37,370 --> 00:35:34,740
and then you're seeing it you know from

808
00:35:39,410 --> 00:35:37,380
the journalist aspect aspect of it one

809
00:35:41,089 --> 00:35:39,420
of the things I want to ask you Bryce

810
00:35:44,750 --> 00:35:41,099
um we'll talk about other things as well

811
00:35:49,490 --> 00:35:44,760
we have uh I think about 20 minutes left

812
00:35:51,170 --> 00:35:49,500
um but you mentioned that Fuller spoke

813
00:35:53,270 --> 00:35:51,180

um you you know had to leave some things

814

00:35:56,030 --> 00:35:53,280

out is what I mean in the book can you

815

00:35:58,370 --> 00:35:56,040

give do you have any examples yeah yes

816

00:36:01,849 --> 00:35:58,380

uh and by the way I just want to make

817

00:36:04,010 --> 00:36:01,859

one thing clear I am speaking as a

818

00:36:07,490 --> 00:36:04,020

trained journalist about the journalism

819

00:36:09,530 --> 00:36:07,500

aspect but in many respects it's Kathy's

820

00:36:12,109 --> 00:36:09,540

uh ability

821

00:36:14,210 --> 00:36:12,119

to feel the inner family emotion that is

822

00:36:16,430 --> 00:36:14,220

what's driving me as a dramatist I mean

823

00:36:19,370 --> 00:36:16,440

if I'm lucky enough to get to write 10

824

00:36:21,410 --> 00:36:19,380

hours of uh of a television a limited

825

00:36:23,270 --> 00:36:21,420

series it isn't going to just be about

826

00:36:25,130 --> 00:36:23,280

the journalism so in other words it

827

00:36:27,890 --> 00:36:25,140

wouldn't be just about you know I mean

828

00:36:29,930 --> 00:36:27,900

even if there is a storyline where John

829

00:36:31,790 --> 00:36:29,940

Fuller is putting the heat on them and

830

00:36:33,710 --> 00:36:31,800

trying to break their story it's the

831

00:36:35,870 --> 00:36:33,720

emotional part that would impact me in

832

00:36:37,490 --> 00:36:35,880

other words I would imagine that Betty

833

00:36:38,630 --> 00:36:37,500

and Barney while that was going on were

834

00:36:41,450 --> 00:36:38,640

freaking out

835

00:36:43,190 --> 00:36:41,460

uh knowing that that this thing that

836

00:36:44,930 --> 00:36:43,200

they thought was contained wasn't going

837

00:36:48,349 --> 00:36:44,940

to stay contained all right so now

838

00:36:50,569 --> 00:36:48,359

examples of what Fuller uh did

839

00:36:52,250 --> 00:36:50,579

um I don't have them all in front of me

840

00:36:55,310 --> 00:36:52,260

at this point

841

00:36:58,970 --> 00:36:55,320

um but I think actually I do um have I

842

00:37:01,069 --> 00:36:58,980

if you'll bear with me for just a second

843

00:37:02,930 --> 00:37:01,079

um I think I have them right here in

844

00:37:04,130 --> 00:37:02,940

front of me now you and I have talked

845

00:37:06,109 --> 00:37:04,140

while you're looking you and I have

846

00:37:09,349 --> 00:37:06,119

talked about this when you were on in

847

00:37:10,970 --> 00:37:09,359

the past and so if I remember right it

848

00:37:12,950 --> 00:37:10,980

seemed like you you and I were talking

849

00:37:15,589 --> 00:37:12,960

about this three years ago maybe even

850

00:37:17,690 --> 00:37:15,599

longer yeah you've been on this thing

851

00:37:20,690 --> 00:37:17,700

pretty pretty deeply I'm on the hunt

852

00:37:22,910 --> 00:37:20,700

Okay I actually I do have uh an example

853

00:37:23,630 --> 00:37:22,920

for example

854

00:37:25,970 --> 00:37:23,640

um

855

00:37:29,329 --> 00:37:25,980

Betty and Barney had a gun in the car

856

00:37:32,089 --> 00:37:29,339

right and um and that's now fact that's

857

00:37:33,349 --> 00:37:32,099

established fact Kathy it's in her book

858

00:37:35,210 --> 00:37:33,359

Etc

859

00:37:38,270 --> 00:37:35,220

um but that's not what Fuller reported

860

00:37:40,730 --> 00:37:38,280

he said Barney went and got a tire iron

861

00:37:43,310 --> 00:37:40,740

out of the car because right that's in

862

00:37:46,730 --> 00:37:43,320

the movie right to report about a gun

863

00:37:48,890 --> 00:37:46,740

well you know what I'm sorry it was a

864

00:37:52,069 --> 00:37:48,900

gun you should have written gun not tire

865

00:37:54,470 --> 00:37:52,079

iron that's a factor right and I don't I

866

00:38:00,290 --> 00:37:54,480

don't approve of that here's another one

867

00:38:03,410 --> 00:38:00,300

um he didn't want to admit that Barney

868

00:38:05,210 --> 00:38:03,420

all we know that Betty was looked at to

869

00:38:08,030 --> 00:38:05,220

see if she was pregnant right so there

870

00:38:09,829 --> 00:38:08,040

was that sexual aspect of that and he

871

00:38:13,130 --> 00:38:09,839

didn't want to because I don't know if

872

00:38:17,810 --> 00:38:13,140

it was race or sex or whatever but he

873

00:38:19,790 --> 00:38:17,820

didn't want to say that Barney had had a

874

00:38:23,630 --> 00:38:19,800

sperm sample taken

875

00:38:26,569 --> 00:38:23,640

all right and so he left it out he wrote

876

00:38:28,430 --> 00:38:26,579

around it okay but to me if you're

877

00:38:30,170 --> 00:38:28,440

trying to understand why would an alien

878

00:38:32,630 --> 00:38:30,180

take two people and conduct a medical

879

00:38:35,390 --> 00:38:32,640

experiment if the male had been

880

00:38:37,490 --> 00:38:35,400

ejaculated which is what happened I'm

881

00:38:40,190 --> 00:38:37,500

sorry if it's offensive to talk about it

882

00:38:42,530 --> 00:38:40,200

but that's what happened and he left it

883

00:38:45,710 --> 00:38:42,540

out when that's a pretty major thing

884

00:38:49,370 --> 00:38:45,720

then there was also a letter

885

00:38:51,290 --> 00:38:49,380

um that was written to nicap I believe

886

00:38:54,109 --> 00:38:51,300

it's nicap

887

00:38:56,270 --> 00:38:54,119

um that discusses the possibility of

888

00:38:58,310 --> 00:38:56,280

hypnosis and he decided Well I don't

889

00:39:00,589 --> 00:38:58,320

want to I don't want to ruin my lead so

890

00:39:02,569 --> 00:39:00,599

I'm going to take that out right so

891

00:39:06,050 --> 00:39:02,579

there's some three examples of things

892

00:39:08,450 --> 00:39:06,060

now uh John Fuller uh because he was

893

00:39:10,730 --> 00:39:08,460

commercial okay as opposed to

894

00:39:12,829 --> 00:39:10,740

the opposite he was trying to write a

895

00:39:15,950 --> 00:39:12,839

commercially successful book right and

896

00:39:18,109 --> 00:39:15,960

so he had a publisher uh dial press and

897

00:39:19,849 --> 00:39:18,119

those Publishers were all over him about

898

00:39:22,130 --> 00:39:19,859

well don't say this and don't say that

899

00:39:23,810 --> 00:39:22,140

plus he was trying to keep Betty and

900

00:39:25,849 --> 00:39:23,820

Barney happy and of course they probably

901
00:39:27,890 --> 00:39:25,859
had their own feelings about what should

902
00:39:29,630 --> 00:39:27,900
or should not be in the book and he had

903
00:39:31,849 --> 00:39:29,640
to keep Benjamin Simon the

904
00:39:35,210 --> 00:39:31,859
hypnotherapist the psychiatrist happy

905
00:39:36,710 --> 00:39:35,220
and so I can only imagine because I'm a

906
00:39:38,329 --> 00:39:36,720
person who's had to write a lot of

907
00:39:40,190 --> 00:39:38,339
things over the years with network notes

908
00:39:43,310 --> 00:39:40,200
and Studio notes and I know what it's

909
00:39:45,829 --> 00:39:43,320
like to get notes right it's not fun and

910
00:39:48,170 --> 00:39:45,839
it's difficult to reconcile them and get

911
00:39:50,210 --> 00:39:48,180
everybody on the same page so what

912
00:39:52,069 --> 00:39:50,220
happened when John Fuller was writing

913
00:39:54,950 --> 00:39:52,079

that book The interrupted Journey that

914

00:39:56,810 --> 00:39:54,960

became what most people think is how the

915

00:39:59,329 --> 00:39:56,820

whole thing started

916

00:40:01,310 --> 00:39:59,339

um he had a hell of a time reconciling

917

00:40:03,710 --> 00:40:01,320

all the different ways that people were

918

00:40:06,589 --> 00:40:03,720

seeing this so anyway that's that's one

919

00:40:10,849 --> 00:40:06,599

take oh interesting

920

00:40:14,150 --> 00:40:10,859

um you know when when the I I I can sort

921

00:40:17,510 --> 00:40:14,160

of you know I'm not giving him a pass by

922

00:40:20,930 --> 00:40:17,520

saying this but I can see back in the

923

00:40:22,910 --> 00:40:20,940

time in the 60s you know when this book

924

00:40:25,010 --> 00:40:22,920

was written where those things were

925

00:40:28,849 --> 00:40:25,020

those things were more controversial

926
00:40:32,030 --> 00:40:28,859
than I think they are now of course I

927
00:40:34,130 --> 00:40:32,040
mean but and in fact I only I don't

928
00:40:36,170 --> 00:40:34,140
bring it up in a condemning context for

929
00:40:37,910 --> 00:40:36,180
the guy I bring it up in trying to set

930
00:40:39,349 --> 00:40:37,920
the record straight these two articles

931
00:40:41,990 --> 00:40:39,359
that you've been kind enough to scroll

932
00:40:43,910 --> 00:40:42,000
and I hope somehow if there's a place to

933
00:40:45,410 --> 00:40:43,920
put the URLs in for people yeah they're

934
00:40:46,550 --> 00:40:45,420
in the they're in the show awesome

935
00:40:49,069 --> 00:40:46,560
because

936
00:40:51,530 --> 00:40:49,079
what I tried to do is just say look

937
00:40:53,510 --> 00:40:51,540
we're it's the 60th anniversary we're

938
00:40:57,589 --> 00:40:53,520

getting to the end of the of the line

939

00:40:59,329 --> 00:40:57,599

here for new discoveries right and and I

940

00:41:01,910 --> 00:40:59,339

think it's time to put things into as

941

00:41:04,490 --> 00:41:01,920

much context as we can so I tried to do

942

00:41:07,069 --> 00:41:04,500

that with each article I mean

943

00:41:09,710 --> 00:41:07,079

uh I'll give you an example

944

00:41:11,809 --> 00:41:09,720

um for 60 years people have sort of

945

00:41:14,990 --> 00:41:11,819

looked at the Betty and Barney case as a

946

00:41:17,329 --> 00:41:15,000

duality as a binary choice either they

947

00:41:18,710 --> 00:41:17,339

were abducted by aliens or they're big

948

00:41:22,550 --> 00:41:18,720

fat Liars

949

00:41:24,650 --> 00:41:22,560

okay pick one but what if it wasn't that

950

00:41:26,390 --> 00:41:24,660

you know what if they were targeted who

951

00:41:28,970 --> 00:41:26,400

might have targeted them

952

00:41:30,710 --> 00:41:28,980

um are there other explanations for how

953

00:41:33,050 --> 00:41:30,720

somebody could think that they were

954

00:41:35,870 --> 00:41:33,060

abducted that didn't involve aliens I

955

00:41:37,730 --> 00:41:35,880

mean the reason I'm bringing that up is

956

00:41:39,950 --> 00:41:37,740

that in the script that I'll be writing

957

00:41:41,569 --> 00:41:39,960

and the scripts that I'll be writing uh

958

00:41:43,670 --> 00:41:41,579

in in success

959

00:41:46,490 --> 00:41:43,680

um the first thing you think of is not

960

00:41:48,950 --> 00:41:46,500

in 1961 I guess we were taken by aliens

961

00:41:51,230 --> 00:41:48,960

you know Barney was a pretty pragmatic

962

00:41:52,790 --> 00:41:51,240

guy he served in World War II he'd be

963

00:41:56,150 --> 00:41:52,800

saying to himself there's got to be

964

00:41:58,609 --> 00:41:56,160

another explanation yeah right yeah so

965

00:42:00,710 --> 00:41:58,619

anyway I know we have I hope people will

966

00:42:03,770 --> 00:42:00,720

look at that enough about Betty and

967

00:42:06,530 --> 00:42:03,780

Barney and move on well before we move

968

00:42:10,309 --> 00:42:06,540

on to the Betty and Bernie Hill uh one

969

00:42:14,150 --> 00:42:10,319

one last thing is I I do believe that

970

00:42:16,609 --> 00:42:14,160

Lee Spiegel uncovered a report at Pease

971

00:42:18,950 --> 00:42:16,619

Air Force Base separately from the

972

00:42:22,130 --> 00:42:18,960

report that was given but uh something

973

00:42:23,870 --> 00:42:22,140

on radar that same evening right do you

974

00:42:27,770 --> 00:42:23,880

know anything about that

975

00:42:30,170 --> 00:42:27,780

I'm not a super expert on it people have

976

00:42:32,329 --> 00:42:30,180

claimed over the years that there is a

977

00:42:36,230 --> 00:42:32,339

corroborating radar

978

00:42:38,569 --> 00:42:36,240

um but I've also read some descriptions

979

00:42:41,030 --> 00:42:38,579

of it that make it feel like there may

980

00:42:42,950 --> 00:42:41,040

have been a radar

981

00:42:45,109 --> 00:42:42,960

sighting of something but it doesn't

982

00:42:48,230 --> 00:42:45,119

necessarily corroborate the time and

983

00:42:51,290 --> 00:42:48,240

place so it's not a Smoking Gun is you

984

00:42:52,910 --> 00:42:51,300

know Betty's dress and some of the

985

00:42:54,710 --> 00:42:52,920

scientific work done on the dress is

986

00:42:57,589 --> 00:42:54,720

probably more of a Smoking Gun than the

987

00:42:59,930 --> 00:42:57,599

the radar return yeah what about uh

988

00:43:04,849 --> 00:42:59,940

again before we move on yeah sure the

989

00:43:07,970 --> 00:43:04,859

the uh the detractors or the debunkers

990

00:43:08,750 --> 00:43:07,980

um you know saying that she saw a uh a

991

00:43:10,849 --> 00:43:08,760

light

992

00:43:13,730 --> 00:43:10,859

on top of a sign you know restaurant

993

00:43:16,309 --> 00:43:13,740

sign or yeah that I mean or something

994

00:43:20,050 --> 00:43:16,319

like you know how do you address those

995

00:43:24,589 --> 00:43:20,060

uh the debunkers I guess well

996

00:43:26,690 --> 00:43:24,599

case-by-case fact by fact uh I I there's

997

00:43:28,730 --> 00:43:26,700

nothing wrong with being skeptical I'm

998

00:43:30,349 --> 00:43:28,740

skeptical of things and you're skeptical

999

00:43:32,809 --> 00:43:30,359

and particularly when you're talking

1000

00:43:34,430 --> 00:43:32,819

about something as extraordinary as the

1001

00:43:36,890 --> 00:43:34,440

existence of other life in the universe

1002

00:43:40,130 --> 00:43:36,900

coming here to our planet you better be

1003

00:43:42,950 --> 00:43:40,140

skeptical it's a big ask for people so

1004

00:43:46,790 --> 00:43:42,960

um the way I try to deal with uh

1005

00:43:50,150 --> 00:43:46,800

Skeptics is with respect

1006

00:43:53,210 --> 00:43:50,160

um and dialogue the way I would deal

1007

00:43:56,870 --> 00:43:53,220

with debunkers is different someone who

1008

00:44:00,250 --> 00:43:56,880

appears to either be paid or just all

1009

00:44:03,530 --> 00:44:00,260

about making fun of people that have had

1010

00:44:05,329 --> 00:44:03,540

experiences or have seen things that

1011

00:44:08,329 --> 00:44:05,339

person I'm not on board with because

1012

00:44:11,089 --> 00:44:08,339

they're not approaching the case or the

1013

00:44:13,730 --> 00:44:11,099

the whole the whole Pro the whole issue

1014

00:44:15,170 --> 00:44:13,740

with respect I think respect is how you

1015

00:44:16,490 --> 00:44:15,180

decide how you're going to look at

1016

00:44:20,569 --> 00:44:16,500

something

1017

00:44:22,069 --> 00:44:20,579

right no no it's it uh you know I like I

1018

00:44:24,170 --> 00:44:22,079

liked what you know Stanton Friedman

1019

00:44:27,170 --> 00:44:24,180

used to say you know I I forget exactly

1020

00:44:29,809 --> 00:44:27,180

it was Proclamation is basically you

1021

00:44:33,650 --> 00:44:29,819

know how a lot of uh debunking is done

1022

00:44:35,569 --> 00:44:33,660

and yeah yeah I mean uh and it's still

1023

00:44:37,550 --> 00:44:35,579

the case uh you know you've shown people

1024

00:44:40,010 --> 00:44:37,560

those articles they're on my uh medium

1025

00:44:43,430 --> 00:44:40,020

publication Trail of the saucers and

1026

00:44:45,230 --> 00:44:43,440

just as a sidebar here uh the editor on

1027

00:44:49,309 --> 00:44:45,240

trail of the saucers a man named David

1028

00:44:51,410 --> 00:44:49,319

Bates a a a journalist himself has

1029

00:44:54,230 --> 00:44:51,420

tackled the new skeptical Inquirer

1030

00:44:57,290 --> 00:44:54,240

magazine that was devoted to being a

1031

00:45:00,530 --> 00:44:57,300

skeptical's look at UFOs and a debunking

1032

00:45:03,589 --> 00:45:00,540

of UFOs and he found so much to discuss

1033

00:45:05,750 --> 00:45:03,599

about their kind of lame attempt at at

1034

00:45:08,030 --> 00:45:05,760

looking into this that he's writing a

1035

00:45:10,010 --> 00:45:08,040

five or six part series on it where he's

1036

00:45:11,930 --> 00:45:10,020

just taking them apart piece by piece

1037

00:45:14,750 --> 00:45:11,940

and I urge people to look at that we

1038

00:45:16,970 --> 00:45:14,760

call it Twilight of the Sceptics and uh

1039

00:45:19,130 --> 00:45:16,980

the reason we call it that is I I'm

1040

00:45:20,990 --> 00:45:19,140

personally of the belief that the the

1041

00:45:22,190 --> 00:45:21,000

sort of the

1042

00:45:24,290 --> 00:45:22,200

um

1043

00:45:27,050 --> 00:45:24,300

you know the idea that I'm skeptical

1044

00:45:29,270 --> 00:45:27,060

because uh uh I'm just trying to well I

1045

00:45:31,190 --> 00:45:29,280

guess I guess I'm using Sceptics instead

1046

00:45:33,230 --> 00:45:31,200

of debunkers there but I do think there

1047

00:45:35,390 --> 00:45:33,240

is a twilight in the skeptical look at

1048

00:45:37,430 --> 00:45:35,400

UFOs if the government is willing to say

1049

00:45:40,190 --> 00:45:37,440

in a report that these things are real

1050

00:45:42,890 --> 00:45:40,200

and they exist then the issue isn't

1051
00:45:45,349 --> 00:45:42,900
trying to dismiss them all anymore the

1052
00:45:47,690 --> 00:45:45,359
issue is trying to have a dialogue that

1053
00:45:49,490 --> 00:45:47,700
includes well they could be this extreme

1054
00:45:51,770 --> 00:45:49,500
thing or they could be something else

1055
00:45:55,430 --> 00:45:51,780
let's see if we can Marshal the evidence

1056
00:45:59,630 --> 00:45:55,440
and the data and and learn together what

1057
00:46:01,490 --> 00:45:59,640
we're facing right and oh you know you

1058
00:46:03,349 --> 00:46:01,500
look at it this way too if if the

1059
00:46:06,109 --> 00:46:03,359
government is actually coming out and

1060
00:46:08,390 --> 00:46:06,119
saying that the three videos that you

1061
00:46:10,849 --> 00:46:08,400
know are floating around yeah the gimbal

1062
00:46:13,370 --> 00:46:10,859
the go fast and uh what is the third one

1063
00:46:14,930 --> 00:46:13,380

the Tic Tac uh if they're saying you

1064

00:46:16,730 --> 00:46:14,940

know they have no explanation for those

1065

00:46:19,849 --> 00:46:16,740

but there are people out there that

1066

00:46:21,589 --> 00:46:19,859

think they're smarter and are coming up

1067

00:46:24,050 --> 00:46:21,599

with you know stories to what these

1068

00:46:27,109 --> 00:46:24,060

things are that can also this guy named

1069

00:46:29,210 --> 00:46:27,119

Chris um lato out there who's debunking

1070

00:46:31,790 --> 00:46:29,220

the debunkers you know he's a pilot

1071

00:46:34,250 --> 00:46:31,800

himself and um you know I'm really glad

1072

00:46:36,109 --> 00:46:34,260

for his work he's still very active

1073

00:46:38,809 --> 00:46:36,119

um so I want to talk a little bit about

1074

00:46:40,970 --> 00:46:38,819

Dark Skies where we've we've got we've

1075

00:46:43,490 --> 00:46:40,980

got uh about uh less than 10 minutes

1076
00:46:46,370 --> 00:46:43,500
about nine minutes or so but uh before

1077
00:46:49,010 --> 00:46:46,380
that I wanted to uh ask you what you

1078
00:46:50,630 --> 00:46:49,020
thought about the new uh bill that

1079
00:46:53,210 --> 00:46:50,640
passed um that they're going to be

1080
00:46:55,270 --> 00:46:53,220
developing a UFO office it's pretty

1081
00:46:58,370 --> 00:46:55,280
exciting isn't it well

1082
00:47:01,730 --> 00:46:58,380
it's all iterations of the same kind of

1083
00:47:04,010 --> 00:47:01,740
news I mean the UAP task force is sent

1084
00:47:06,050 --> 00:47:04,020
you know was sort of the replacement for

1085
00:47:08,030 --> 00:47:06,060
atip and now this new thing if it comes

1086
00:47:10,010 --> 00:47:08,040
will be sort of the replacement for the

1087
00:47:13,010 --> 00:47:10,020
task force yeah so I look at the bigger

1088
00:47:16,490 --> 00:47:13,020

picture and just say it is right and

1089

00:47:18,770 --> 00:47:16,500

appropriate uh for our government to be

1090

00:47:20,750 --> 00:47:18,780

investigating

1091

00:47:23,390 --> 00:47:20,760

and if anything they need to be more

1092

00:47:26,510 --> 00:47:23,400

transparent about showing their work

1093

00:47:28,849 --> 00:47:26,520

and that's what I'm all about and so

1094

00:47:31,069 --> 00:47:28,859

yeah I think it's a good thing I don't

1095

00:47:33,349 --> 00:47:31,079

think you can ever rely any more on the

1096

00:47:34,430 --> 00:47:33,359

government doing everything you know I

1097

00:47:37,010 --> 00:47:34,440

think that we're going to have to do

1098

00:47:40,069 --> 00:47:37,020

some of this ourselves right yeah I'm

1099

00:47:41,150 --> 00:47:40,079

I'm I did try to

1100

00:47:44,450 --> 00:47:41,160

um question

1101
00:47:47,390 --> 00:47:44,460
oh someone I sent them I actually did a

1102
00:47:49,370 --> 00:47:47,400
voicemail may or may not hear back uh

1103
00:47:51,770 --> 00:47:49,380
but I want to find out how much of a

1104
00:47:53,870 --> 00:47:51,780
public report this is going to be well

1105
00:47:57,349 --> 00:47:53,880
no I you know because it's a yearly

1106
00:48:01,130 --> 00:47:57,359
report supposedly well if anything let's

1107
00:48:03,230 --> 00:48:01,140
just state that uh there seems to be a

1108
00:48:05,150 --> 00:48:03,240
growing consensus of the different

1109
00:48:06,890 --> 00:48:05,160
phases that we've been going phase one

1110
00:48:10,250 --> 00:48:06,900
is admitting they're real well that's

1111
00:48:12,650 --> 00:48:10,260
what the UAP uh report on June 25th

1112
00:48:16,730 --> 00:48:12,660
States in plain English

1113
00:48:19,370 --> 00:48:16,740

phase two is we don't make them which It

1114

00:48:20,990 --> 00:48:19,380

also says and phase three is we don't

1115

00:48:24,589 --> 00:48:21,000

think Russia or China make them either

1116

00:48:26,450 --> 00:48:24,599

so for me I'm all about phase four what

1117

00:48:28,370 --> 00:48:26,460

would phase four be it'd be like do the

1118

00:48:30,170 --> 00:48:28,380

math if they're real and we don't make

1119

00:48:33,109 --> 00:48:30,180

them and they don't make them somebody

1120

00:48:35,690 --> 00:48:33,119

else makes them yeah so let's get to

1121

00:48:37,549 --> 00:48:35,700

work on figuring that part out folks and

1122

00:48:39,290 --> 00:48:37,559

it's it's kind of I've mentioned this a

1123

00:48:41,089 --> 00:48:39,300

number of times on the show that it's

1124

00:48:43,549 --> 00:48:41,099

it's a shame that they're not looking at

1125

00:48:45,530 --> 00:48:43,559

historical facts because you think about

1126
00:48:49,010 --> 00:48:45,540
you know what these things were doing

1127
00:48:50,569 --> 00:48:49,020
you know 50 years ago and they're saying

1128
00:48:52,010 --> 00:48:50,579
well it still could be Chinese or

1129
00:48:53,990 --> 00:48:52,020
Russian or whatever and there's your

1130
00:48:56,870 --> 00:48:54,000
Segway to Dark Skies by the way the

1131
00:48:59,630 --> 00:48:56,880
historical because I it's true the UAP

1132
00:49:01,910 --> 00:48:59,640
report if you read it makes it sound

1133
00:49:04,670 --> 00:49:01,920
like well nothing was happening and then

1134
00:49:07,190 --> 00:49:04,680
in 2004 we started getting these reports

1135
00:49:08,690 --> 00:49:07,200
exactly yeah but the reality is I would

1136
00:49:11,750 --> 00:49:08,700
just ask anybody who thinks there's even

1137
00:49:12,790 --> 00:49:11,760
a modicum of Truth to that spin to go

1138
00:49:15,589 --> 00:49:12,800

read Richard

1139

00:49:17,390 --> 00:49:15,599

fantastic books UFOs in the National

1140

00:49:19,010 --> 00:49:17,400

Security State and there's several

1141

00:49:22,190 --> 00:49:19,020

others that are great or read Ross

1142

00:49:24,170 --> 00:49:22,200

coldheart's uh in plain sight uh which

1143

00:49:27,530 --> 00:49:24,180

just came out this year just the the

1144

00:49:31,069 --> 00:49:27,540

accretion of historical cases and and

1145

00:49:32,990 --> 00:49:31,079

these people uh in our past have seen

1146

00:49:34,970 --> 00:49:33,000

things with the same technical

1147

00:49:37,309 --> 00:49:34,980

capabilities as they're seeing with

1148

00:49:39,950 --> 00:49:37,319

these current ones and let me put it

1149

00:49:43,370 --> 00:49:39,960

this way I don't think in 1945 China

1150

00:49:44,809 --> 00:49:43,380

even had a had an Air Force right so

1151
00:49:46,910 --> 00:49:44,819
they certainly didn't have things that

1152
00:49:49,190 --> 00:49:46,920
could go from 80 000 feet to 50 feet

1153
00:49:51,410 --> 00:49:49,200
they didn't have things going 13 000

1154
00:49:53,390 --> 00:49:51,420
miles an hour and I'd submit not only

1155
00:49:57,049 --> 00:49:53,400
that the Russians didn't and neither did

1156
00:49:58,670 --> 00:49:57,059
we so I think uh one of the things that

1157
00:50:01,250 --> 00:49:58,680
we like to do at this Trail of the

1158
00:50:03,170 --> 00:50:01,260
saucers is write about historical cases

1159
00:50:05,270 --> 00:50:03,180
so that they don't get swept under the

1160
00:50:07,130 --> 00:50:05,280
rug and this becomes just something

1161
00:50:09,950 --> 00:50:07,140
where you say well these are the cases

1162
00:50:12,109 --> 00:50:09,960
since 2004 because man there are

1163
00:50:13,790 --> 00:50:12,119

hundreds of thousands of sightings that

1164

00:50:18,230 --> 00:50:13,800

are good site writings in the years

1165

00:50:19,970 --> 00:50:18,240

before 2004. yeah you know it's it's

1166

00:50:22,069 --> 00:50:19,980

kind of funny

1167

00:50:24,410 --> 00:50:22,079

it I feel more I don't know about you

1168

00:50:25,970 --> 00:50:24,420

but I'm because you've written about

1169

00:50:27,530 --> 00:50:25,980

this stuff so you're more comfortable

1170

00:50:30,829 --> 00:50:27,540

with already have been for a while I'm

1171

00:50:32,990 --> 00:50:30,839

sure but for me now I'm much more

1172

00:50:36,170 --> 00:50:33,000

comfortable talking to people

1173

00:50:38,210 --> 00:50:36,180

about what I do you know this UFO show

1174

00:50:39,950 --> 00:50:38,220

and you know I just talked to a guy at a

1175

00:50:41,990 --> 00:50:39,960

hot dog stand two days ago and he goes

1176
00:50:44,390 --> 00:50:42,000
you can't believe what happened to me

1177
00:50:47,089 --> 00:50:44,400
you know the more people you talk to the

1178
00:50:49,910 --> 00:50:47,099
more you hear that a lot of people have

1179
00:50:52,270 --> 00:50:49,920
a story well uh and by the way try

1180
00:50:55,910 --> 00:50:52,280
creating a television series about UFOs

1181
00:50:58,069 --> 00:50:55,920
because then people know that you're not

1182
00:51:00,049 --> 00:50:58,079
going to laugh at them and they say hey

1183
00:51:02,030 --> 00:51:00,059
uh you're the guy that did this I had

1184
00:51:03,470 --> 00:51:02,040
this thing happen to you and but in

1185
00:51:05,990 --> 00:51:03,480
terms of how we're being treated today

1186
00:51:08,270 --> 00:51:06,000
it is true I've said over the years that

1187
00:51:09,890 --> 00:51:08,280
uh for most of my adult life I've been

1188
00:51:12,049 --> 00:51:09,900

treated like the drunk uncle at the

1189

00:51:13,549 --> 00:51:12,059

wedding uh when I start talking about

1190

00:51:15,410 --> 00:51:13,559

you if those people go well there goes

1191

00:51:17,510 --> 00:51:15,420

the Bryce again he's talking about those

1192

00:51:19,849 --> 00:51:17,520

UFOs again so they don't say that

1193

00:51:21,770 --> 00:51:19,859

anymore yeah and in fact rather than

1194

00:51:24,290 --> 00:51:21,780

being the drunk uncle at the wedding I'm

1195

00:51:25,970 --> 00:51:24,300

the guy at the wedding uh but I go to

1196

00:51:27,470 --> 00:51:25,980

them any Weddings But if I was at a

1197

00:51:29,809 --> 00:51:27,480

wedding I'd be the guy people would go

1198

00:51:31,609 --> 00:51:29,819

up to and say tell me what's going on

1199

00:51:32,870 --> 00:51:31,619

with this UFO thing I was reading

1200

00:51:35,030 --> 00:51:32,880

something the other day but I know you

1201
00:51:37,309 --> 00:51:35,040
you know a lot about it tell me what you

1202
00:51:39,230 --> 00:51:37,319
think I get that all the time now yeah

1203
00:51:41,150 --> 00:51:39,240
that's pretty sweet we only got a couple

1204
00:51:42,890 --> 00:51:41,160
of minutes here so let's talk about your

1205
00:51:43,609 --> 00:51:42,900
anniversary Dark Skies by the way which

1206
00:51:47,270 --> 00:51:43,619
is

1207
00:51:49,790 --> 00:51:47,280
it anywhere well here's the interesting

1208
00:51:51,710 --> 00:51:49,800
well you you can you can't stream dorks

1209
00:51:54,589 --> 00:51:51,720
guys but let me just back up for 30

1210
00:51:56,510 --> 00:51:54,599
seconds here Dark Skies was a television

1211
00:52:00,589 --> 00:51:56,520
series that I created with Brent

1212
00:52:05,150 --> 00:52:00,599
Friedman for NBC uh and it aired in 1996

1213
00:52:07,910 --> 00:52:05,160

and 97 20 hours its premise was uh to

1214

00:52:10,490 --> 00:52:07,920

tell the story of UFOs through the 1960s

1215

00:52:14,329 --> 00:52:10,500

weaving the historical events of the 60s

1216

00:52:17,210 --> 00:52:14,339

with real people real UFO events and

1217

00:52:20,510 --> 00:52:17,220

weave them together into this Mobius

1218

00:52:22,370 --> 00:52:20,520

strip of reality uh it was it's been

1219

00:52:25,309 --> 00:52:22,380

successful among people who care about

1220

00:52:26,750 --> 00:52:25,319

UFOs and Martin your question is well

1221

00:52:28,849 --> 00:52:26,760

where can I watch it if I wanted to

1222

00:52:31,010 --> 00:52:28,859

watch it right now I wish I could say go

1223

00:52:33,650 --> 00:52:31,020

to Netflix where it's streaming uh but

1224

00:52:36,049 --> 00:52:33,660

it's not it is available in in one of

1225

00:52:37,549 --> 00:52:36,059

the greatest DVD sets I've ever seen I

1226

00:52:41,150 --> 00:52:37,559

don't make a dime by the way if you buy

1227

00:52:43,849 --> 00:52:41,160

it so there's that you can get that DVD

1228

00:52:45,589 --> 00:52:43,859

set from Shout Factory which made it you

1229

00:52:48,109 --> 00:52:45,599

can get it on Amazon I think it's about

1230

00:52:51,770 --> 00:52:48,119

30 bucks but it's got 20 hours on it

1231

00:52:53,690 --> 00:52:51,780

plus uh four hours of a documentary plus

1232

00:52:55,970 --> 00:52:53,700

a bunch of Easter eggs when they

1233

00:52:58,250 --> 00:52:55,980

actually were putting the DV DVD set

1234

00:52:59,089 --> 00:52:58,260

together I called up Shout Factory and

1235

00:53:01,609 --> 00:52:59,099

said

1236

00:53:04,190 --> 00:53:01,619

I'm not comfortable with you guys doing

1237

00:53:07,849 --> 00:53:04,200

kind of a half-assed job on this thing

1238

00:53:09,230 --> 00:53:07,859

uh just to get product out I need to

1239

00:53:11,990 --> 00:53:09,240

work with you to make sure that it's

1240

00:53:14,270 --> 00:53:12,000

right and they said absolutely and I

1241

00:53:17,089 --> 00:53:14,280

have to say they were fantastic so it's

1242

00:53:19,010 --> 00:53:17,099

good it's it's one of the best sets that

1243

00:53:22,490 --> 00:53:19,020

you could ever get and I'll tease it

1244

00:53:25,970 --> 00:53:22,500

this way as an example during Dark Skies

1245

00:53:31,370 --> 00:53:28,970

we were given a non-negotiable demand by

1246

00:53:33,950 --> 00:53:31,380

Steven Spielberg to take 19 things out

1247

00:53:36,530 --> 00:53:33,960

of the show uh because he was doing Men

1248

00:53:38,690 --> 00:53:36,540

In Black at the time so we had to

1249

00:53:41,750 --> 00:53:38,700

because he was not as important as

1250

00:53:44,870 --> 00:53:41,760

Stephen we had to go shoot 11 days on

1251
00:53:46,970 --> 00:53:44,880
our pilot that that was already done and

1252
00:53:49,190 --> 00:53:46,980
so on Dark Skies it's like going to film

1253
00:53:52,010 --> 00:53:49,200
school you can watch the two hours that

1254
00:53:53,990 --> 00:53:52,020
aired on NBC or you can watch the two

1255
00:53:56,270 --> 00:53:54,000
hours that were first produced before

1256
00:53:58,490 --> 00:53:56,280
Spielberg got his mitts into it so it's

1257
00:54:00,470 --> 00:53:58,500
kind of an interesting thing I highly

1258
00:54:02,089 --> 00:54:00,480
recommend it I hope you go find it and

1259
00:54:04,190 --> 00:54:02,099
enjoy it and tell your friends about it

1260
00:54:05,809 --> 00:54:04,200
all right Bryce thank you so much it's

1261
00:54:07,370 --> 00:54:05,819
been a real pleasure as always always

1262
00:54:12,770 --> 00:54:07,380
loved talking to you see you thanks
