who are actually seeing me on video you

6  
00:00:58,150 --> 00:00:56,480

can see behind me this is what we're

7  
00:00:59,510 --> 00:00:58,160

going to be seeing not this in

8  
00:01:00,790 --> 00:00:59,520

particular but i'm going to be on the

9  
00:01:04,469 --> 00:01:00,800

road

10  
00:01:06,390 --> 00:01:04,479

until the uh well let's see the 20 i

11  
00:01:08,310 --> 00:01:06,400

think the 19th is the last show that i'm

12  
00:01:10,230 --> 00:01:08,320

going to have on the road

13  
00:01:11,830 --> 00:01:10,240

but then i go out again i'm going to be

14

00:01:13,990 --> 00:01:11,840

on the west coast and hopefully on the

15

00:01:15,749 --> 00:01:14,000

19th it'll be with gary nolan at

16

00:01:18,550 --> 00:01:15,759

stanford

17

00:01:22,149 --> 00:01:18,560

uh let's see um and then i come back i'm

18

00:01:25,510 --> 00:01:22,159

in town for one show and then off again

19

00:01:26,870 --> 00:01:25,520

to phoenix for the mufon boot camp yes

20

00:01:28,310 --> 00:01:26,880

the investigative boot camp i'm going to

21

00:01:30,390 --> 00:01:28,320

be involved in that i just want to see

22

00:01:32,069 --> 00:01:30,400

how it works and all that and then i'm

23

00:01:34,230 --> 00:01:32,079

going to be doing a

24

00:01:36,230 --> 00:01:34,240

show right from phoenix with a couple of

25

00:01:39,990 --> 00:01:36,240

other friends added to the mix

26  
00:01:41,990 --> 00:01:40,000  
and move on people as well as i know uh

27  
00:01:44,310 --> 00:01:42,000  
matthew roberts i'm asking him to show

28  
00:01:46,149 --> 00:01:44,320  
up and a few other people in phoenix i'm

29  
00:01:49,030 --> 00:01:46,159  
going to get a group there hopefully so

30  
00:01:51,990 --> 00:01:49,040  
that'll be on the 19th next week uh we

31  
00:01:54,069 --> 00:01:52,000  
have dr bob gross he's going to be on uh

32  
00:01:56,069 --> 00:01:54,079  
again i'll be traveling you'll see me in

33  
00:01:58,870 --> 00:01:56,079  
hotel rooms and that's the way it's

34  
00:02:01,749 --> 00:01:58,880  
going to be for the next few weeks

35  
00:02:05,429 --> 00:02:01,759  
let's see our uh guest tonight

36  
00:02:08,070 --> 00:02:05,439  
uh neil nixon uh from england he is he's

37  
00:02:10,229 --> 00:02:08,080  
a a skeptic he's a clear-headed skeptic

38  
00:02:13,030 --> 00:02:10,239

and if uh you know we may disagree on a

39

00:02:15,430 --> 00:02:13,040

few things but uh but it'll should be a

40

00:02:17,270 --> 00:02:15,440

good discussion and i've never shy away

41

00:02:18,229 --> 00:02:17,280

from skepticism because i think that

42

00:02:20,630 --> 00:02:18,239

keeps

43

00:02:22,470 --> 00:02:20,640

the ufo field uh

44

00:02:26,150 --> 00:02:22,480

you know more or less straight you know

45

00:02:27,990 --> 00:02:26,160

i showed last week that i had um

46

00:02:31,110 --> 00:02:28,000

what i thought at first was the ufo i

47

00:02:32,550 --> 00:02:31,120

filmed it this was a few weeks ago

48

00:02:35,030 --> 00:02:32,560

and so

49

00:02:37,430 --> 00:02:35,040

i put the clip out there just to get

50

00:02:39,750 --> 00:02:37,440

some answers from people and send it to

51  
00:02:42,309 --> 00:02:39,760  
mark d'antonio right away

52  
00:02:45,030 --> 00:02:42,319  
he said well it looks like a drone it

53  
00:02:46,150 --> 00:02:45,040  
acts like a drone it's probably a dot

54  
00:02:47,030 --> 00:02:46,160  
dot dot

55  
00:02:49,270 --> 00:02:47,040  
drone

56  
00:02:51,110 --> 00:02:49,280  
so uh but it did do some weird flashing

57  
00:02:52,390 --> 00:02:51,120  
i'm going to see mark when i'm out in

58  
00:02:53,910 --> 00:02:52,400  
phoenix i'm going to show it to him

59  
00:02:56,309 --> 00:02:53,920  
firsthand so we can take a look right on

60  
00:02:57,750 --> 00:02:56,319  
my phone the whole footage i didn't post

61  
00:02:59,190 --> 00:02:57,760  
the whole footage online so i'm going to

62  
00:03:01,670 --> 00:02:59,200  
show them the whole footage just to get

63  
00:03:03,910 --> 00:03:01,680

one more opinion on that but anyway uh

64

00:03:06,869 --> 00:03:03,920

what i'm getting at is skepticism is

65

00:03:08,630 --> 00:03:06,879

good and it always has been good in the

66

00:03:10,149 --> 00:03:08,640

ufo field because

67

00:03:12,309 --> 00:03:10,159

um you know

68

00:03:15,350 --> 00:03:12,319

they're saying it only takes one

69

00:03:17,030 --> 00:03:15,360

real ufo to change everything so and i

70

00:03:18,710 --> 00:03:17,040

do believe that's true

71

00:03:20,070 --> 00:03:18,720

like we all that's all we really need is

72

00:03:21,270 --> 00:03:20,080

just one

73

00:03:23,430 --> 00:03:21,280

solid

74

00:03:25,350 --> 00:03:23,440

uh case of evidence

75

00:03:28,149 --> 00:03:25,360

and uh it's

76  
00:03:30,149 --> 00:03:28,159  
definitely fleeting it's hard to catch

77  
00:03:31,030 --> 00:03:30,159  
uh the videos

78  
00:03:36,869 --> 00:03:31,040  
uh

79  
00:03:38,309 --> 00:03:36,879  
we've never had an actual ufo that we

80  
00:03:39,990 --> 00:03:38,319  
could actually walk around and kick the

81  
00:03:40,789 --> 00:03:40,000  
tires on and hopefully

82  
00:03:42,070 --> 00:03:40,799  
um

83  
00:03:44,710 --> 00:03:42,080  
hopefully we'll get answers and we'll

84  
00:03:45,670 --> 00:03:44,720  
have more evidence to compel the rest of

85  
00:03:47,430 --> 00:03:45,680  
the world

86  
00:03:49,589 --> 00:03:47,440  
and the rest of the people that are

87  
00:03:51,990 --> 00:03:49,599  
interested in this topic and you know

88  
00:03:54,869 --> 00:03:52,000

try to figure out what on earth they are

89

00:03:58,070 --> 00:03:54,879

i never say as people that know me a

90

00:04:00,309 --> 00:03:58,080

long time listeners i never use i never

91

00:04:02,630 --> 00:04:00,319

say that i know what they are uh whoever

92

00:04:04,789 --> 00:04:02,640

it is that's visiting us because i don't

93

00:04:06,309 --> 00:04:04,799

have a clue and i still feel like if

94

00:04:07,110 --> 00:04:06,319

someone's out there and they're telling

95

00:04:09,990 --> 00:04:07,120

you

96

00:04:11,830 --> 00:04:10,000

who and what they are for sure um run

97

00:04:12,869 --> 00:04:11,840

the other way because i don't think that

98

00:04:15,750 --> 00:04:12,879

anyone

99

00:04:17,110 --> 00:04:15,760

as far as i know no one knows for sure

100

00:04:18,629 --> 00:04:17,120

exactly what they are possibly

101

00:04:20,629 --> 00:04:18,639

extraterrestrial

102

00:04:22,790 --> 00:04:20,639

possibly a lot of them can be explained

103

00:04:24,390 --> 00:04:22,800

but some of them can't be and that's

104

00:04:25,990 --> 00:04:24,400

what we're going to be discussing a

105

00:04:28,469 --> 00:04:26,000

little bit of that tonight as well the

106

00:04:30,310 --> 00:04:28,479

blog this week a ufo landing and a

107

00:04:33,189 --> 00:04:30,320

meeting with eisenhower another great

108

00:04:35,350 --> 00:04:33,199

one that's a very interesting story and

109

00:04:37,909 --> 00:04:35,360

uh by charles lear check that out on our

110

00:04:39,510 --> 00:04:37,919

website [podcastufo.com](http://podcastufo.com)

111

00:04:42,230 --> 00:04:39,520

anyone can support the show you can do

112

00:04:44,310 --> 00:04:42,240

that over there as well it's on our our

113

00:04:46,230 --> 00:04:44,320

patreon page is linked and for two

114

00:04:48,150 --> 00:04:46,240

dollars or more a month you can help us

115

00:04:50,950 --> 00:04:48,160

out help us continue

116

00:04:52,629 --> 00:04:50,960

and i think uh that

117

00:04:54,710 --> 00:04:52,639

seems like i had something else to say

118

00:04:57,189 --> 00:04:54,720

but i can't remember what that is so for

119

00:04:59,350 --> 00:04:57,199

now i'm going to bring in our guest

120

00:05:01,909 --> 00:04:59,360

welcome to the show neil

121

00:05:03,350 --> 00:05:01,919

hello martin um yeah we will

122

00:05:05,590 --> 00:05:03,360

i was listening to your introductory

123

00:05:06,629 --> 00:05:05,600

remarks there martin so clear-eyed

124

00:05:09,189 --> 00:05:06,639

skeptics

125

00:05:11,270 --> 00:05:09,199

somebody i can't remember that was about

126

00:05:12,950 --> 00:05:11,280

20 years ago that was a book review on

127

00:05:15,270 --> 00:05:12,960

the second ufo book i did somebody

128

00:05:16,870 --> 00:05:15,280

described me as that so uh yeah if we

129

00:05:18,230 --> 00:05:16,880

could agree with that that suggests that

130

00:05:21,270 --> 00:05:18,240

i'm saying so that's probably a good

131

00:05:24,990 --> 00:05:21,280

start in it um and i'm with you totally

132

00:05:26,950 --> 00:05:25,000

on the other thing as well the um one

133

00:05:28,310 --> 00:05:26,960

incontrovertible case would change

134

00:05:30,070 --> 00:05:28,320

everything and

135

00:05:33,029 --> 00:05:30,080

i'd be as excited as you if that

136

00:05:34,550 --> 00:05:33,039

happened i mean it's

137

00:05:37,830 --> 00:05:34,560

we'll explore this later on it's

138

00:05:39,749 --> 00:05:37,840

skepticism in the sense that um

139

00:05:41,390 --> 00:05:39,759

i'm very much of the opinion that a lot

140

00:05:44,310 --> 00:05:41,400

of answers that are not to do with

141

00:05:46,469 --> 00:05:44,320

extraterrestrials are undervalued and

142

00:05:48,550 --> 00:05:46,479

i'm also of the opinion that some of the

143

00:05:50,710 --> 00:05:48,560

the best cases some of the biggest cases

144

00:05:53,830 --> 00:05:50,720

in the past which crashed and burned

145

00:05:56,550 --> 00:05:53,840

probably have taught us a lesson

146

00:05:57,590 --> 00:05:56,560

oh yes uh we've have i've witnessed a

147

00:06:01,189 --> 00:05:57,600

couple of

148

00:06:03,189 --> 00:06:01,199

crashing and burning so to speak um on

149

00:06:05,909 --> 00:06:03,199

things that were to be revealed you know

150

00:06:08,309 --> 00:06:05,919

one comes quickly to mind is the

151

00:06:11,110 --> 00:06:08,319

so-called roswell slides

152

00:06:12,390 --> 00:06:11,120

uh i you know that was crazy

153

00:06:14,870 --> 00:06:12,400

and

154

00:06:16,469 --> 00:06:14,880

you know everyone is waiting with

155

00:06:19,029 --> 00:06:16,479

you know baited breath to see what this

156

00:06:21,510 --> 00:06:19,039

is and it's a mummy uh you know it's a

157

00:06:23,749 --> 00:06:21,520

yeah i mean south american mummy yeah

158

00:06:25,590 --> 00:06:23,759

yeah and that was that was a shame and

159

00:06:27,670 --> 00:06:25,600

as soon as i saw a clear enough picture

160

00:06:29,270 --> 00:06:27,680

just from my background and

161

00:06:30,629 --> 00:06:29,280

all the museums i've gone to and

162

00:06:32,390 --> 00:06:30,639

everything you know i mean just right

163

00:06:33,430 --> 00:06:32,400

away it's like oh my god that's like a

164

00:06:34,870 --> 00:06:33,440

museum

165

00:06:37,350 --> 00:06:34,880

thing or something you know right off

166

00:06:39,430 --> 00:06:37,360

the bat uh the clearer it got and i i

167

00:06:40,870 --> 00:06:39,440

think you know there were some people

168

00:06:42,469 --> 00:06:40,880

that made some big mistakes and there

169

00:06:44,790 --> 00:06:42,479

were some people that were deceiving i

170

00:06:46,309 --> 00:06:44,800

think that's what that case is about and

171

00:06:49,110 --> 00:06:46,319

and some people are trying to make some

172

00:06:51,430 --> 00:06:49,120

money off of it and yeah well

173

00:06:53,350 --> 00:06:51,440

a biggie for us which um i've got to be

174

00:06:54,150 --> 00:06:53,360

honest by the time this happened i'd i'd

175

00:06:55,909 --> 00:06:54,160

seen

176  
00:06:57,029 --> 00:06:55,919  
you know things like mj 12 had come and

177  
00:06:58,550 --> 00:06:57,039  
gone so

178  
00:07:00,070 --> 00:06:58,560  
the longer you're in it well the longer

179  
00:07:03,430 --> 00:07:00,080  
i've been in it the more skeptical i've

180  
00:07:05,270 --> 00:07:03,440  
got but when the the alien autopsy movie

181  
00:07:07,510 --> 00:07:05,280  
the oh yes that's another one yeah

182  
00:07:09,029 --> 00:07:07,520  
exactly race antilles thing which which

183  
00:07:10,469 --> 00:07:09,039  
still does the rounds and it still gets

184  
00:07:12,710 --> 00:07:10,479  
shown on um

185  
00:07:15,749 --> 00:07:12,720  
to this day it still gets shown on like

186  
00:07:17,909 --> 00:07:15,759  
ufo documentaries but i went to a ufo

187  
00:07:19,430 --> 00:07:17,919  
conference in pontiff in yorkshire well

188  
00:07:21,270 --> 00:07:19,440

phil mantle that you've interviewed

189

00:07:23,990 --> 00:07:21,280

right it was

190

00:07:25,670 --> 00:07:24,000

one of his conferences and and um

191

00:07:27,830 --> 00:07:25,680

one of the star turns was the guy that

192

00:07:29,670 --> 00:07:27,840

hoaxed it

193

00:07:31,670 --> 00:07:29,680

but that was that was when they showed

194

00:07:33,909 --> 00:07:31,680

that they i the first time i saw it it

195

00:07:36,710 --> 00:07:33,919

was at ufo conference in sheffield in

196

00:07:38,710 --> 00:07:36,720

the year it came out in 1995 and it was

197

00:07:41,670 --> 00:07:38,720

a truly surreal experience because the

198

00:07:44,550 --> 00:07:41,680

guy sat like literally one seat in front

199

00:07:46,150 --> 00:07:44,560

of me was any british

200

00:07:48,070 --> 00:07:46,160

people listening in will remember roy

201  
00:07:50,710 --> 00:07:48,080  
hattersley that was at that point he was

202  
00:07:52,869 --> 00:07:50,720  
the deputy leader of the opposing party

203  
00:07:54,710 --> 00:07:52,879  
in the british parliament um and there

204  
00:07:56,469 --> 00:07:54,720  
were a few odd people in the in the the

205  
00:07:57,670 --> 00:07:56,479  
audience and somebody tapped him on the

206  
00:08:00,150 --> 00:07:57,680  
shoulder and said well i didn't know

207  
00:08:01,430 --> 00:08:00,160  
you're interested in ufos and he turned

208  
00:08:03,749 --> 00:08:01,440  
around and he said well i'm not but i'm

209  
00:08:05,909 --> 00:08:03,759  
a journalist as in he couldn't you know

210  
00:08:08,070 --> 00:08:05,919  
he couldn't turn down the invitation

211  
00:08:10,550 --> 00:08:08,080  
just in case and i guess he was about a

212  
00:08:13,110 --> 00:08:10,560  
skeptical as myself and you know you do

213  
00:08:15,990 --> 00:08:13,120

have that i mean you you hear stories

214

00:08:18,710 --> 00:08:16,000

you hear amazing things and

215

00:08:20,390 --> 00:08:18,720

i get a sense of hope as well but it's

216

00:08:22,790 --> 00:08:20,400

probably not as simple as thinking right

217

00:08:25,670 --> 00:08:22,800

this is the one that's going to prove it

218

00:08:28,309 --> 00:08:25,680

right yeah and you know while we're on

219

00:08:30,629 --> 00:08:28,319

the alien autopsy you know i had philip

220

00:08:33,029 --> 00:08:30,639

mantle on the show early on

221

00:08:35,670 --> 00:08:33,039

um you know uh talking about that that

222

00:08:36,790 --> 00:08:35,680

case and and how he he did a lot to

223

00:08:39,430 --> 00:08:36,800

uncover

224

00:08:41,829 --> 00:08:39,440

you know the the falsities and that and

225

00:08:43,829 --> 00:08:41,839

uh you know it's the behind the scenes

226  
00:08:45,590 --> 00:08:43,839  
on what they did and then the damaged

227  
00:08:47,350 --> 00:08:45,600  
leg how that actually was an accident

228  
00:08:50,389 --> 00:08:47,360  
and they made it look like

229  
00:08:52,870 --> 00:08:50,399  
the alien had you know an injury uh you

230  
00:08:54,389 --> 00:08:52,880  
know all that stuff um but

231  
00:08:57,030 --> 00:08:54,399  
uh it

232  
00:08:59,110 --> 00:08:57,040  
it is convincing you know for if you're

233  
00:09:01,350 --> 00:08:59,120  
if you just saw that film

234  
00:09:03,269 --> 00:09:01,360  
you would think oh my you know that

235  
00:09:05,269 --> 00:09:03,279  
that's got to be real i can understand

236  
00:09:07,509 --> 00:09:05,279  
why people fall for that and it is a

237  
00:09:09,430 --> 00:09:07,519  
shame when someone doesn't research

238  
00:09:11,350 --> 00:09:09,440

yeah putting together a documentary and

239

00:09:13,190 --> 00:09:11,360

they put that little clip in like it's

240

00:09:15,350 --> 00:09:13,200

something real you know and that that

241

00:09:16,630 --> 00:09:15,360

does bug me in a lot of documentaries

242

00:09:21,350 --> 00:09:16,640

they'll put

243

00:09:23,350 --> 00:09:21,360

be fake ufos

244

00:09:26,630 --> 00:09:23,360

uh in in a documentary that has a

245

00:09:28,630 --> 00:09:26,640

serious um look at ufos it's they don't

246

00:09:30,150 --> 00:09:28,640

get enough research there's a couple of

247

00:09:32,630 --> 00:09:30,160

things there first of all with the alien

248

00:09:34,470 --> 00:09:32,640

autopsy thing if i'm honest

249

00:09:36,550 --> 00:09:34,480

the first time i saw it and i hadn't

250

00:09:38,870 --> 00:09:36,560

seen anything of it until that

251  
00:09:39,750 --> 00:09:38,880  
particular showing at the conference

252  
00:09:41,990 --> 00:09:39,760  
um

253  
00:09:44,630 --> 00:09:42,000  
and there's

254  
00:09:46,790 --> 00:09:44,640  
at one point the word video almost

255  
00:09:47,990 --> 00:09:46,800  
appears on the screen yeah it's almost

256  
00:09:50,550 --> 00:09:48,000  
like they couldn't resist putting

257  
00:09:51,509 --> 00:09:50,560  
something like that in there um

258  
00:09:56,310 --> 00:09:51,519  
and

259  
00:09:57,829 --> 00:09:56,320  
there were a few well i'll confess i was

260  
00:09:59,509 --> 00:09:57,839  
joining in there there were a few

261  
00:10:00,870 --> 00:09:59,519  
suppressed laughs at that point in the

262  
00:10:02,150 --> 00:10:00,880  
audience there are a few people at that

263  
00:10:03,509 --> 00:10:02,160

point thought

264

00:10:04,389 --> 00:10:03,519

you know anything else now we're not

265

00:10:05,509 --> 00:10:04,399

convinced

266

00:10:10,150 --> 00:10:05,519

and

267

00:10:12,150 --> 00:10:10,160

documentaries well bottom line is

268

00:10:13,750 --> 00:10:12,160

the the job of most of the documentaries

269

00:10:15,829 --> 00:10:13,760

that are out there and most of the

270

00:10:17,509 --> 00:10:15,839

channels that are screening them is to

271

00:10:19,350 --> 00:10:17,519

deliver an audience to the advertisers

272

00:10:20,949 --> 00:10:19,360

isn't it so

273

00:10:24,310 --> 00:10:20,959

they'll go with something that's going

274

00:10:25,829 --> 00:10:24,320

to get more viewers than than just

275

00:10:27,509 --> 00:10:25,839

something that's that's

276

00:10:28,790 --> 00:10:27,519

that they can prove that or that stands

277

00:10:31,030 --> 00:10:28,800

up to peer review because that's not

278

00:10:33,030 --> 00:10:31,040

their job it's it's it's

279

00:10:35,030 --> 00:10:33,040

infotainment which is you know it's an

280

00:10:37,910 --> 00:10:35,040

old word now but you know the use of in

281

00:10:39,829 --> 00:10:37,920

information as partly as entertainment

282

00:10:41,910 --> 00:10:39,839

as well so that's that's never really

283

00:10:43,110 --> 00:10:41,920

gone away with ufos

284

00:10:46,790 --> 00:10:43,120

i don't know if you had a chance to

285

00:10:49,190 --> 00:10:46,800

watch um channel seven australia's

286

00:10:52,230 --> 00:10:49,200

documentary on called the phenomenon

287

00:10:53,910 --> 00:10:52,240

that ross colt had cold heart did

288

00:10:56,230 --> 00:10:53,920

did you get a chance to watch that one

289

00:10:58,310 --> 00:10:56,240

that is a very well done

290

00:11:00,550 --> 00:10:58,320

program it's free it's free on youtube

291

00:11:02,230 --> 00:11:00,560

three million views

292

00:11:04,550 --> 00:11:02,240

because you had him on a few weeks ago

293

00:11:05,509 --> 00:11:04,560

and i i was really impressed

294

00:11:09,350 --> 00:11:05,519

he's

295

00:11:11,190 --> 00:11:09,360

i think you complimented him on his

296

00:11:13,350 --> 00:11:11,200

wonderful broadcast books didn't you at

297

00:11:15,190 --> 00:11:13,360

one point yeah yeah i think so

298

00:11:17,350 --> 00:11:15,200

he has that thing when you listen to him

299

00:11:18,470 --> 00:11:17,360

he just sounds like such a

300

00:11:20,389 --> 00:11:18,480

smooth

301  
00:11:22,230 --> 00:11:20,399  
consummate professional broadcaster that

302  
00:11:24,630 --> 00:11:22,240  
there's times you might disregard his

303  
00:11:26,949 --> 00:11:24,640  
journalism but he is in that group of

304  
00:11:29,190 --> 00:11:26,959  
international investigative journalists

305  
00:11:31,430 --> 00:11:29,200  
who um well currently the big story in

306  
00:11:32,790 --> 00:11:31,440  
the uk as i'm talking to you

307  
00:11:34,550 --> 00:11:32,800  
that they've uncovered is the thing that

308  
00:11:36,630 --> 00:11:34,560  
they're calling the pandora papers where

309  
00:11:38,630 --> 00:11:36,640  
they've just there's just

310  
00:11:40,069 --> 00:11:38,640  
terabytes of information and millions of

311  
00:11:42,389 --> 00:11:40,079  
documents about

312  
00:11:44,550 --> 00:11:42,399  
um you know highly influential people

313  
00:11:46,550 --> 00:11:44,560

politicians and business people and

314

00:11:48,389 --> 00:11:46,560

stuff like that and

315

00:11:49,670 --> 00:11:48,399

the money that they're moving around and

316

00:11:52,150 --> 00:11:49,680

the way that

317

00:11:54,470 --> 00:11:52,160

they're avoiding tax usually legally but

318

00:11:56,870 --> 00:11:54,480

quite unethically and russ cortez a lot

319

00:11:58,470 --> 00:11:56,880

of that group

320

00:11:59,670 --> 00:11:58,480

the thing i found most convincing about

321

00:12:01,030 --> 00:11:59,680

him was that

322

00:12:03,110 --> 00:12:01,040

he was basically saying at one point

323

00:12:04,949 --> 00:12:03,120

wasn't he that as a journalist he's

324

00:12:07,030 --> 00:12:04,959

involved in loads of things and he's got

325

00:12:08,550 --> 00:12:07,040

that prime position in australia where

326

00:12:10,230 --> 00:12:08,560

he's presenting that you know he's

327

00:12:12,710 --> 00:12:10,240

presenting basically their flagship news

328

00:12:15,430 --> 00:12:12,720

show and yet when he was faced with all

329

00:12:17,269 --> 00:12:15,440

the ufo things that were coming his way

330

00:12:18,710 --> 00:12:17,279

a bit like alan heineck before him there

331

00:12:20,069 --> 00:12:18,720

came a point when he thought well this

332

00:12:22,150 --> 00:12:20,079

is just

333

00:12:25,910 --> 00:12:22,160

so bizarre and so interesting i can't

334

00:12:27,030 --> 00:12:25,920

deny what i'm seeing yeah yeah

335

00:12:28,470 --> 00:12:27,040

sorry yeah

336

00:12:31,509 --> 00:12:28,480

i was just going to say he did a deep

337

00:12:33,110 --> 00:12:31,519

dive for two years and yeah he was even

338

00:12:35,190 --> 00:12:33,120

listening to my show

339

00:12:41,350 --> 00:12:35,200

yeah

340

00:12:44,629 --> 00:12:42,949

you get enough good people on there that

341

00:12:45,670 --> 00:12:44,639

quite a few of us just download it and

342

00:12:47,509 --> 00:12:45,680

you know it'll

343

00:12:49,269 --> 00:12:47,519

they're quite long shows so i can i can

344

00:12:50,790 --> 00:12:49,279

quite happily listen to it often on over

345

00:12:52,790 --> 00:12:50,800

a week and then get another one the

346

00:12:54,629 --> 00:12:52,800

following week that's right yeah they

347

00:12:55,990 --> 00:12:54,639

are pretty long uh two hours that's

348

00:12:57,829 --> 00:12:56,000

enough um

349

00:12:59,590 --> 00:12:57,839

now one thing i i usually do right off

350

00:13:00,870 --> 00:12:59,600

the bat but i didn't do this time and

351  
00:13:02,949 --> 00:13:00,880  
that is uh

352  
00:13:04,550 --> 00:13:02,959  
what gets you interested in this topic

353  
00:13:06,710 --> 00:13:04,560  
to take a look at it

354  
00:13:07,829 --> 00:13:06,720  
all right well did this there's two

355  
00:13:09,190 --> 00:13:07,839  
answers to that

356  
00:13:10,310 --> 00:13:09,200  
i'll give you the answer that makes

357  
00:13:11,829 --> 00:13:10,320  
sense to me that i'll give you the

358  
00:13:13,430 --> 00:13:11,839  
answer that somebody gave me one time

359  
00:13:15,190 --> 00:13:13,440  
that made sense to them

360  
00:13:17,110 --> 00:13:15,200  
um i mean basically i can't remember a

361  
00:13:20,949 --> 00:13:17,120  
time before i was

362  
00:13:22,710 --> 00:13:20,959  
interested in ufos so um and i think

363  
00:13:24,389 --> 00:13:22,720

possibly it's to do with just the time

364

00:13:26,470 --> 00:13:24,399

in which i grew up you know when space

365

00:13:28,310 --> 00:13:26,480

was really exciting and there were a lot

366

00:13:30,230 --> 00:13:28,320

of stories about what might be out there

367

00:13:31,670 --> 00:13:30,240

in the cosmos and it wasn't really known

368

00:13:34,230 --> 00:13:31,680

and you know i'm old enough to remember

369

00:13:36,069 --> 00:13:34,240

the moon landings and whatever and then

370

00:13:38,629 --> 00:13:36,079

the other thing i think which is central

371

00:13:40,470 --> 00:13:38,639

to this is that i was very interested in

372

00:13:42,230 --> 00:13:40,480

it and you know my folks were pretty

373

00:13:44,470 --> 00:13:42,240

broad-minded and quite encouraged me to

374

00:13:45,990 --> 00:13:44,480

just follow any interest i'd got and my

375

00:13:48,310 --> 00:13:46,000

dad actually had a copy of flying

376

00:13:50,550 --> 00:13:48,320

sources of landed by george adamski and

377

00:13:52,949 --> 00:13:50,560

desmond leslie which he bought before i

378

00:13:54,389 --> 00:13:52,959

was born and i read that when i was i

379

00:13:56,389 --> 00:13:54,399

think 13

380

00:13:57,670 --> 00:13:56,399

and that book is widely misunderstood

381

00:13:59,189 --> 00:13:57,680

because everybody remembers george

382

00:14:01,110 --> 00:13:59,199

adamski and the whole thing about him

383

00:14:02,870 --> 00:14:01,120

claiming to meet somebody from venus but

384

00:14:04,470 --> 00:14:02,880

actually if you look at the book

385

00:14:06,470 --> 00:14:04,480

the bulk of the book isn't that it's the

386

00:14:08,069 --> 00:14:06,480

bit that desmond leslie wrote and

387

00:14:10,069 --> 00:14:08,079

desmond leslie

388

00:14:11,670 --> 00:14:10,079

he's underrated i mean he didn't die

389

00:14:13,829 --> 00:14:11,680

that long ago he was really old and he

390

00:14:15,430 --> 00:14:13,839

lived in ireland and he'd done a lot of

391

00:14:17,189 --> 00:14:15,440

really good research

392

00:14:18,710 --> 00:14:17,199

and that book was amazing because it

393

00:14:20,310 --> 00:14:18,720

just lined up a lot of historical

394

00:14:22,550 --> 00:14:20,320

mysteries some of the stuff that still

395

00:14:25,189 --> 00:14:22,560

makes ancient astronauts to this day but

396

00:14:27,030 --> 00:14:25,199

that book was written in 1953 so that's

397

00:14:28,629 --> 00:14:27,040

what got me into it plus when i started

398

00:14:29,990 --> 00:14:28,639

buying other books the kind of cheaper

399

00:14:31,189 --> 00:14:30,000

paperback things that were out in the

400

00:14:32,710 --> 00:14:31,199

70s

401  
00:14:34,150 --> 00:14:32,720  
to be brutally honest they were all kind

402  
00:14:36,389 --> 00:14:34,160  
of luridly written they were always

403  
00:14:38,230 --> 00:14:36,399  
vivid stories and i mean i know now some

404  
00:14:40,230 --> 00:14:38,240  
of the stories that are in there things

405  
00:14:41,990 --> 00:14:40,240  
the the kind of go-to stories then with

406  
00:14:44,069 --> 00:14:42,000  
things like kelly hopkins villain stuff

407  
00:14:45,430 --> 00:14:44,079  
and when you read that you know these

408  
00:14:47,110 --> 00:14:45,440  
people in the middle of nowhere that are

409  
00:14:49,030 --> 00:14:47,120  
assaulted by aliens and then they just

410  
00:14:50,629 --> 00:14:49,040  
open up with firearms on the aliens and

411  
00:14:52,949 --> 00:14:50,639  
the aliens just keep coming so they just

412  
00:14:55,509 --> 00:14:52,959  
make a run for it i mean

413  
00:14:57,750 --> 00:14:55,519

those stories grabbed me and anyway

414

00:15:00,150 --> 00:14:57,760

years later i was done a i think it was

415

00:15:01,910 --> 00:15:00,160

a 40 and timezone convention i'd done a

416

00:15:03,910 --> 00:15:01,920

talk at one of those and that i was

417

00:15:06,310 --> 00:15:03,920

backstage talking to somebody just you

418

00:15:08,710 --> 00:15:06,320

know just having a cup of coffee and

419

00:15:09,910 --> 00:15:08,720

just sort of saying hello to people and

420

00:15:11,269 --> 00:15:09,920

somebody asked me

421

00:15:12,949 --> 00:15:11,279

you know how long have i been interested

422

00:15:15,269 --> 00:15:12,959

in ufos and i said i couldn't remember a

423

00:15:17,350 --> 00:15:15,279

time before i was and some total

424

00:15:18,870 --> 00:15:17,360

stranger who was also

425

00:15:20,629 --> 00:15:18,880

there having a coffee came over to me

426

00:15:22,870 --> 00:15:20,639

and said well i can explain that he said

427

00:15:25,590 --> 00:15:22,880

you're abducted as a baby

428

00:15:28,550 --> 00:15:27,110

i don't remember

429

00:15:30,710 --> 00:15:28,560

and i don't think they'd come light

430

00:15:32,310 --> 00:15:30,720

years to west cumbria which most of your

431

00:15:33,509 --> 00:15:32,320

american listeners couldn't find on a

432

00:15:34,790 --> 00:15:33,519

map

433

00:15:37,749 --> 00:15:34,800

but

434

00:15:39,749 --> 00:15:37,759

i mean who knows well speaking of that

435

00:15:43,030 --> 00:15:39,759

while we're on the while we're on this

436

00:15:43,829 --> 00:15:43,040

subject since we haphazardly landed

437

00:15:47,910 --> 00:15:43,839

there

438

00:15:50,710 --> 00:15:47,920

um what is the alien you know so so

439

00:15:53,430 --> 00:15:50,720

called experiencer or abduction

440

00:15:55,030 --> 00:15:53,440

rate like in australia i'm sure you're

441

00:15:57,110 --> 00:15:55,040

aware that it's

442

00:15:58,069 --> 00:15:57,120

quite high here i mean people claiming

443

00:16:00,550 --> 00:15:58,079

that they're

444

00:16:02,949 --> 00:16:00,560

being abducted in australia

445

00:16:05,269 --> 00:16:04,470

i'm sorry you're not in australia you're

446

00:16:06,389 --> 00:16:05,279

in brit

447

00:16:09,110 --> 00:16:06,399

did you just

448

00:16:10,790 --> 00:16:09,120

oh i thought

449

00:16:12,389 --> 00:16:10,800

you're in the uk but i thought you just

450

00:16:15,030 --> 00:16:12,399

mentioned a place in australia did you

451  
00:16:16,949 --> 00:16:15,040  
not will you grow up um

452  
00:16:18,629 --> 00:16:16,959  
i did before we came on i i was i was

453  
00:16:20,870 --> 00:16:18,639  
telling you that my son and

454  
00:16:22,949 --> 00:16:20,880  
daughter-in-law live in australia

455  
00:16:25,030 --> 00:16:22,959  
i'm sorry sorry got that but

456  
00:16:26,790 --> 00:16:25,040  
in england it's

457  
00:16:29,430 --> 00:16:26,800  
you must have seen this there is a map

458  
00:16:31,590 --> 00:16:29,440  
that shows um

459  
00:16:33,910 --> 00:16:31,600  
it just basically lights up where more

460  
00:16:35,189 --> 00:16:33,920  
ufo activity has been reported it's a

461  
00:16:37,670 --> 00:16:35,199  
bit i've seen it on the internet i don't

462  
00:16:39,110 --> 00:16:37,680  
know who produced it but america is on

463  
00:16:39,910 --> 00:16:39,120

fire yeah

464

00:16:42,310 --> 00:16:39,920

um

465

00:16:45,509 --> 00:16:42,320

and and the uk

466

00:16:48,069 --> 00:16:45,519

is pretty warm so we have

467

00:16:49,749 --> 00:16:48,079

we produce in terms of ufo sightings on

468

00:16:52,150 --> 00:16:49,759

a slow year we produce maybe two or

469

00:16:53,189 --> 00:16:52,160

three hundred on a very busy year we

470

00:16:55,110 --> 00:16:53,199

produce

471

00:16:56,790 --> 00:16:55,120

nearer a thousand so

472

00:16:58,310 --> 00:16:56,800

if you look at us historically some of

473

00:17:00,389 --> 00:16:58,320

it is quite predictable the year that

474

00:17:02,310 --> 00:17:00,399

close encounters came out in the uk the

475

00:17:05,510 --> 00:17:02,320

sightings spiked

476  
00:17:06,949 --> 00:17:05,520  
noticeably for example um in terms of

477  
00:17:10,549 --> 00:17:06,959  
abductions

478  
00:17:12,549 --> 00:17:10,559  
don't really want to go into this but

479  
00:17:14,870 --> 00:17:12,559  
just

480  
00:17:17,510 --> 00:17:14,880  
apropos of nothing i was shopping for

481  
00:17:19,510 --> 00:17:17,520  
ufo books in a secondhand bookshop a few

482  
00:17:21,029 --> 00:17:19,520  
weeks ago and just got talking to the

483  
00:17:22,949 --> 00:17:21,039  
other person who was

484  
00:17:24,390 --> 00:17:22,959  
in the same place

485  
00:17:26,150 --> 00:17:24,400  
took her about two minutes to tell me

486  
00:17:27,990 --> 00:17:26,160  
that she'd been abducted

487  
00:17:29,350 --> 00:17:28,000  
i mean no names no pack drill here but

488  
00:17:31,750 --> 00:17:29,360

you know it

489

00:17:34,390 --> 00:17:31,760

there are abductees and and i know i put

490

00:17:35,990 --> 00:17:34,400

her in touch i've no idea what went on

491

00:17:37,110 --> 00:17:36,000

there and i'm not making any judgments

492

00:17:37,909 --> 00:17:37,120

at all but

493

00:17:39,590 --> 00:17:37,919

um

494

00:17:41,190 --> 00:17:39,600

i kind of made

495

00:17:43,110 --> 00:17:41,200

contact with her and i put her in touch

496

00:17:45,270 --> 00:17:43,120

with the british abductee

497

00:17:46,950 --> 00:17:45,280

support group and there are about 300

498

00:17:47,750 --> 00:17:46,960

people in that group

499

00:17:49,909 --> 00:17:47,760

so

500

00:17:52,310 --> 00:17:49,919

we've you know we've

501  
00:17:54,470 --> 00:17:52,320  
we've got the same beliefs and the same

502  
00:17:56,070 --> 00:17:54,480  
experiences reported as you would be

503  
00:17:58,230 --> 00:17:56,080  
familiar with

504  
00:18:00,390 --> 00:17:58,240  
how about that you know i mean uh the

505  
00:18:03,110 --> 00:18:00,400  
blog this week as i mentioned

506  
00:18:05,029 --> 00:18:03,120  
earlier is a ufo landing and a meeting

507  
00:18:08,230 --> 00:18:05,039  
with eisenhower and there are some

508  
00:18:09,750 --> 00:18:08,240  
people that have carried along

509  
00:18:11,669 --> 00:18:09,760  
i don't know if you've ever heard of the

510  
00:18:13,590 --> 00:18:11,679  
arrangement supposedly

511  
00:18:15,990 --> 00:18:13,600  
that was made between eisenhower you

512  
00:18:17,270 --> 00:18:16,000  
know saying that uh you can as you give

513  
00:18:19,350 --> 00:18:17,280

us some

514

00:18:21,029 --> 00:18:19,360

uh you know technology new technology

515

00:18:22,310 --> 00:18:21,039

that we can use and with that you have

516

00:18:27,029 --> 00:18:22,320

permission to

517

00:18:31,990 --> 00:18:29,430

and capitalism people and kettle yeah

518

00:18:33,990 --> 00:18:32,000

i'm familiar with my own opinion um i i

519

00:18:37,029 --> 00:18:34,000

think it's a bunch of

520

00:18:38,390 --> 00:18:37,039

uh baloney myself but you know i mean

521

00:18:40,390 --> 00:18:38,400

there are some people that think that

522

00:18:43,190 --> 00:18:40,400

really happened and uh you know it's

523

00:18:44,870 --> 00:18:43,200

it's interesting uh you know to say

524

00:18:46,630 --> 00:18:44,880

that's the skeptical opinion martin

525

00:18:48,470 --> 00:18:46,640

you'll be bringing hate down on yourself

526

00:18:49,350 --> 00:18:48,480

now

527

00:18:51,590 --> 00:18:49,360

well

528

00:18:53,830 --> 00:18:51,600

uh yeah uh let's see let's see what

529

00:18:55,750 --> 00:18:53,840

happens but anyway i i think that you

530

00:18:57,830 --> 00:18:55,760

know i mean

531

00:18:59,990 --> 00:18:57,840

i don't know what this what the answer

532

00:19:01,669 --> 00:19:00,000

is to all these people that are claiming

533

00:19:04,789 --> 00:19:01,679

these things are happening to them i

534

00:19:06,390 --> 00:19:04,799

mean uh i do believe that they believe

535

00:19:07,590 --> 00:19:06,400

that something is happening to them you

536

00:19:10,390 --> 00:19:07,600

know i mean there's there's a lot of

537

00:19:11,990 --> 00:19:10,400

very sane people and intelligent people

538

00:19:15,110 --> 00:19:12,000

that are claiming these things are

539

00:19:17,430 --> 00:19:15,120

happening happening to them and well

540

00:19:18,870 --> 00:19:17,440

you introduced me as a skeptic but

541

00:19:23,350 --> 00:19:18,880

that's

542

00:19:24,789 --> 00:19:23,360

all the years as my opinions about the

543

00:19:26,470 --> 00:19:24,799

whole thing have changed i mean if you

544

00:19:29,029 --> 00:19:26,480

if you'd interviewed me when i was about

545

00:19:30,470 --> 00:19:29,039

13 it was obvious

546

00:19:32,070 --> 00:19:30,480

everybody was

547

00:19:33,669 --> 00:19:32,080

reporting the truth and anybody that

548

00:19:36,230 --> 00:19:33,679

denied it was now reminded and i've

549

00:19:37,590 --> 00:19:36,240

moved on a little bit since then um and

550

00:19:38,710 --> 00:19:37,600

actually funnily enough some of the

551

00:19:40,150 --> 00:19:38,720

earlier books with some of the more

552

00:19:41,430 --> 00:19:40,160

bizarre stories

553

00:19:43,029 --> 00:19:41,440

in the end convinced me that they

554

00:19:44,549 --> 00:19:43,039

couldn't all be true

555

00:19:46,310 --> 00:19:44,559

but

556

00:19:47,669 --> 00:19:46,320

one thing that's always kept me going is

557

00:19:49,590 --> 00:19:47,679

that whenever i meet people who are

558

00:19:52,390 --> 00:19:49,600

reporting things

559

00:19:54,789 --> 00:19:52,400

and particularly with abductees i'm

560

00:19:56,390 --> 00:19:54,799

absolutely convinced if you linked them

561

00:19:57,750 --> 00:19:56,400

up to a polygraph

562

00:19:59,510 --> 00:19:57,760

it would say that they're telling you

563

00:20:02,870 --> 00:19:59,520

the truth i mean but people have real

564

00:20:05,270 --> 00:20:02,880

experiences and um i'm doing a gig in

565

00:20:06,870 --> 00:20:05,280

like a speaking engagement in essex in a

566

00:20:08,789 --> 00:20:06,880

few weeks time which is another part of

567

00:20:11,110 --> 00:20:08,799

the uk and i used to work there and i

568

00:20:13,990 --> 00:20:11,120

was in a research group for a number of

569

00:20:16,870 --> 00:20:14,000

years in essex and i remember that

570

00:20:19,029 --> 00:20:16,880

in terms of i often tell this story that

571

00:20:21,590 --> 00:20:19,039

in terms of just proving the sincerity

572

00:20:23,350 --> 00:20:21,600

of people who have experiences

573

00:20:25,510 --> 00:20:23,360

i wasn't involved in the investigation

574

00:20:27,430 --> 00:20:25,520

on one guy that came to us but i

575

00:20:29,190 --> 00:20:27,440

remember him coming and the interesting

576

00:20:30,710 --> 00:20:29,200

thing without going into the story which

577

00:20:32,870 --> 00:20:30,720

resembled actually quite a famous

578

00:20:35,270 --> 00:20:32,880

british case um

579

00:20:37,190 --> 00:20:35,280

was that the first request he made to

580

00:20:39,510 --> 00:20:37,200

the group was that we wouldn't tell

581

00:20:41,270 --> 00:20:39,520

anybody and by that he didn't mean

582

00:20:43,190 --> 00:20:41,280

i don't want you to tell the media the

583

00:20:45,510 --> 00:20:43,200

person he most wanted to keep the story

584

00:20:46,310 --> 00:20:45,520

from was his own wife right

585

00:20:48,950 --> 00:20:46,320

and

586

00:20:51,029 --> 00:20:48,960

it was to do with the fact that he was

587

00:20:53,350 --> 00:20:51,039

he did a kind of manly job like in a

588

00:20:55,430 --> 00:20:53,360

technical sort of area and he'd been on

589

00:20:56,870 --> 00:20:55,440

an emergency call out so

590

00:20:58,789 --> 00:20:56,880

he'd been out in the middle of the night

591

00:21:00,789 --> 00:20:58,799

on his own and the experience he'd had

592

00:21:02,710 --> 00:21:00,799

had left him so traumatized he had no

593

00:21:03,990 --> 00:21:02,720

clue what happened to him and i don't

594

00:21:05,590 --> 00:21:04,000

know either but

595

00:21:07,510 --> 00:21:05,600

um

596

00:21:08,390 --> 00:21:07,520

you know if for people listening in who

597

00:21:11,270 --> 00:21:08,400

are

598

00:21:13,590 --> 00:21:11,280

truly skeptical that as a skeptic about

599

00:21:15,430 --> 00:21:13,600

a lot of the cases i hear i mean no

600

00:21:17,190 --> 00:21:15,440

doubt people have real experiences and

601  
00:21:19,430 --> 00:21:17,200  
if you were going to gauge it really

602  
00:21:20,870 --> 00:21:19,440  
crudely in terms of how traumatic those

603  
00:21:22,789 --> 00:21:20,880  
experiences are

604  
00:21:24,710 --> 00:21:22,799  
um i'd say the people that i've met that

605  
00:21:26,710 --> 00:21:24,720  
have had the most intense experiences

606  
00:21:28,630 --> 00:21:26,720  
it's it's on a par with having had like

607  
00:21:31,110 --> 00:21:28,640  
a bad car accident or something you

608  
00:21:34,149 --> 00:21:31,120  
don't forget it the initial trauma might

609  
00:21:36,310 --> 00:21:34,159  
go away but you can still recall it and

610  
00:21:38,870 --> 00:21:36,320  
you know it's just obviously if

611  
00:21:40,950 --> 00:21:38,880  
because people in my

612  
00:21:42,710 --> 00:21:40,960  
you know have met me in various ways

613  
00:21:45,190 --> 00:21:42,720

have known that i'm interested in in

614

00:21:46,950 --> 00:21:45,200

this kind of thing they just randomly

615

00:21:49,110 --> 00:21:46,960

come and report if you go and talk to a

616

00:21:50,870 --> 00:21:49,120

group on this sort of subject somebody

617

00:21:53,029 --> 00:21:50,880

will come and report an experience to

618

00:21:54,950 --> 00:21:53,039

you um yeah you know i had a i had a

619

00:21:57,510 --> 00:21:54,960

holiday last week and

620

00:22:00,230 --> 00:21:57,520

randomly met somebody who told me i

621

00:22:01,750 --> 00:22:00,240

truly surreal story and absolutely no

622

00:22:04,230 --> 00:22:01,760

doubt he was telling me the truth is he

623

00:22:05,990 --> 00:22:04,240

experienced it um

624

00:22:07,750 --> 00:22:06,000

as to what the actual truth was and

625

00:22:09,110 --> 00:22:07,760

whether if you or i had been stood next

626  
00:22:11,510 --> 00:22:09,120  
to him we'd have seen the same thing

627  
00:22:13,909 --> 00:22:11,520  
that's a completely different question

628  
00:22:15,750 --> 00:22:13,919  
yes i think that's interesting because

629  
00:22:18,789 --> 00:22:15,760  
that does

630  
00:22:20,310 --> 00:22:18,799  
happen a lot where two people will be

631  
00:22:22,149 --> 00:22:20,320  
side by side

632  
00:22:23,510 --> 00:22:22,159  
um you know i've even heard of several

633  
00:22:25,029 --> 00:22:23,520  
times where

634  
00:22:26,789 --> 00:22:25,039  
someone will be right next they'll be

635  
00:22:29,029 --> 00:22:26,799  
right next to each other and one person

636  
00:22:31,750 --> 00:22:29,039  
sees something the other person doesn't

637  
00:22:33,430 --> 00:22:31,760  
yeah you know absolutely and

638  
00:22:35,669 --> 00:22:33,440

this is one thing in terms of say the

639

00:22:37,110 --> 00:22:35,679

skepticism i've got so

640

00:22:39,350 --> 00:22:37,120

i'm

641

00:22:41,110 --> 00:22:39,360

one bunch of cases i find really

642

00:22:43,350 --> 00:22:41,120

interesting perhaps more than most

643

00:22:45,510 --> 00:22:43,360

people are you know the so-called high

644

00:22:46,549 --> 00:22:45,520

strangeness cases where

645

00:22:48,710 --> 00:22:46,559

um

646

00:22:51,350 --> 00:22:48,720

people report things in

647

00:22:53,750 --> 00:22:51,360

good faith that just don't seem to add

648

00:22:55,350 --> 00:22:53,760

up in terms of the logic so

649

00:22:59,190 --> 00:22:55,360

there's

650

00:23:01,430 --> 00:22:59,200

there are two chapters one's called

651  
00:23:02,710 --> 00:23:01,440  
astounding tales and one's called

652  
00:23:04,630 --> 00:23:02,720  
cautionary tales right and the

653  
00:23:07,029 --> 00:23:04,640  
astounding tales are

654  
00:23:09,830 --> 00:23:07,039  
things i can't easily disprove which are

655  
00:23:11,750 --> 00:23:09,840  
amazing stories to do with ufology and

656  
00:23:13,350 --> 00:23:11,760  
one of those is it's probably not

657  
00:23:14,470 --> 00:23:13,360  
particularly known in america and it's

658  
00:23:15,990 --> 00:23:14,480  
it's known

659  
00:23:17,990 --> 00:23:16,000  
more in this country because it turned

660  
00:23:20,870 --> 00:23:18,000  
up in a best-selling book and it

661  
00:23:24,149 --> 00:23:20,880  
concerns a guy called alfred berto

662  
00:23:25,669 --> 00:23:24,159  
and in 1983 alfred berto in in august of

663  
00:23:28,070 --> 00:23:25,679

1983

664

00:23:29,430 --> 00:23:28,080

he was fishing by a canal bank in the

665

00:23:30,950 --> 00:23:29,440

early hours of the morning in a place

666

00:23:32,549 --> 00:23:30,960

called aldershot which is quite a

667

00:23:34,310 --> 00:23:32,559

well-known town in the uk and it's a

668

00:23:36,710 --> 00:23:34,320

garrison town it's famous for its

669

00:23:38,470 --> 00:23:36,720

military connections and alfred burton

670

00:23:41,190 --> 00:23:38,480

was ex-military and also he'd done

671

00:23:42,789 --> 00:23:41,200

things like he'd he'd worked in you know

672

00:23:44,950 --> 00:23:42,799

he'd been a trapper he'd caught wild

673

00:23:46,870 --> 00:23:44,960

animals in the woods so he was a

674

00:23:49,269 --> 00:23:46,880

he was an old man but he had a pretty

675

00:23:51,510 --> 00:23:49,279

tough life he wasn't easily scared

676

00:23:53,350 --> 00:23:51,520

and what happened according to his

677

00:23:55,830 --> 00:23:53,360

report was that

678

00:23:57,190 --> 00:23:55,840

as he was fishing he saw a ufo land near

679

00:23:59,669 --> 00:23:57,200

the canal

680

00:24:01,830 --> 00:23:59,679

and then two beings came towards him and

681

00:24:04,310 --> 00:24:01,840

gestured him towards the ufo and he

682

00:24:06,470 --> 00:24:04,320

walked into the ufo at which point these

683

00:24:09,110 --> 00:24:06,480

beings were no longer there but

684

00:24:11,350 --> 00:24:09,120

he heard a voice and the voice asked him

685

00:24:13,029 --> 00:24:11,360

how old he was at which point he pointed

686

00:24:15,350 --> 00:24:13,039

out that he was going to be 78 on his

687

00:24:17,029 --> 00:24:15,360

next birthday and the voice told him

688

00:24:19,350 --> 00:24:17,039

that he was too old and infirm for their

689

00:24:21,269 --> 00:24:19,360

purposes so

690

00:24:23,590 --> 00:24:21,279

he kind of walked back started fishing

691

00:24:25,029 --> 00:24:23,600

again and watched the ufo take off

692

00:24:25,990 --> 00:24:25,039

now

693

00:24:27,909 --> 00:24:26,000

that

694

00:24:29,430 --> 00:24:27,919

it's surreal i mean

695

00:24:31,350 --> 00:24:29,440

you come light years and you can't tell

696

00:24:33,830 --> 00:24:31,360

a pensioner apart from a young specimen

697

00:24:34,630 --> 00:24:33,840

you know how weird is that yeah

698

00:24:35,669 --> 00:24:34,640

um

699

00:24:37,590 --> 00:24:35,679

we could

700

00:24:39,269 --> 00:24:37,600

if we were sneaking up on people now we

701

00:24:41,029 --> 00:24:39,279

can tell old apart from young i mean

702

00:24:43,909 --> 00:24:41,039

these are super intelligent aliens they

703

00:24:46,870 --> 00:24:43,919

can get here but they can't do that um

704

00:24:48,789 --> 00:24:46,880

and but on the other hand the case was

705

00:24:51,190 --> 00:24:48,799

dismissed as a hoax and it isn't there's

706

00:24:52,870 --> 00:24:51,200

absolutely no doubt about that he didn't

707

00:24:54,470 --> 00:24:52,880

live that much longer afterwards but his

708

00:24:56,070 --> 00:24:54,480

wife lived a bit longer she was adamant

709

00:24:57,909 --> 00:24:56,080

until the day she died as well that he

710

00:25:00,070 --> 00:24:57,919

hadn't made it up and he wasn't a

711

00:25:01,830 --> 00:25:00,080

publicity seeker it had made the local

712

00:25:04,390 --> 00:25:01,840

paper but the only reason it went in the

713

00:25:05,510 --> 00:25:04,400

local paper was that

714

00:25:07,350 --> 00:25:05,520

he was

715

00:25:09,350 --> 00:25:07,360

keen to find anybody who'd seen the

716

00:25:11,990 --> 00:25:09,360

thing take off because he wanted a

717

00:25:14,149 --> 00:25:12,000

witness that would back him up

718

00:25:17,110 --> 00:25:14,159

and then he he was dead by the time that

719

00:25:19,269 --> 00:25:17,120

he came out in um above top secret which

720

00:25:21,350 --> 00:25:19,279

was a best-selling ufo book in the uk

721

00:25:23,190 --> 00:25:21,360

and i think it did quite well in america

722

00:25:24,710 --> 00:25:23,200

um but by that point alfred bertie had

723

00:25:26,549 --> 00:25:24,720

already died

724

00:25:28,310 --> 00:25:26,559

now he's typical of a number of kind of

725

00:25:30,470 --> 00:25:28,320

witnesses and i find those cases really

726

00:25:33,110 --> 00:25:30,480

interesting my guess and it's only a

727

00:25:34,950 --> 00:25:33,120

guess is that had you or i been stood

728

00:25:37,830 --> 00:25:34,960

next to him while he was fishing we

729

00:25:38,710 --> 00:25:37,840

might have seen an old guy fall asleep

730

00:25:40,789 --> 00:25:38,720

yeah

731

00:25:42,549 --> 00:25:40,799

and i don't think we'd have seen a ufo

732

00:25:45,350 --> 00:25:42,559

land and it's just to do with the kind

733

00:25:46,230 --> 00:25:45,360

of bizarre logic of that being

734

00:25:48,390 --> 00:25:46,240

kind of

735

00:25:50,950 --> 00:25:48,400

it's a collision between a sort of

736

00:25:53,190 --> 00:25:50,960

clined science fiction movie scene

737

00:25:55,590 --> 00:25:53,200

and a little bit of an old guy's dream

738

00:25:57,669 --> 00:25:55,600

in my humble opinion i mean obviously it

739

00:25:59,510 --> 00:25:57,679

needs explaining in some way and i think

740

00:26:01,350 --> 00:25:59,520

that's a likelier explanation than

741

00:26:03,190 --> 00:26:01,360

people traveling light years and then

742

00:26:04,149 --> 00:26:03,200

making a basic mistake when they get

743

00:26:06,870 --> 00:26:04,159

here

744

00:26:08,950 --> 00:26:06,880

yeah well yeah that's that's one i don't

745

00:26:11,590 --> 00:26:08,960

know anything about but it's one that i

746

00:26:12,710 --> 00:26:11,600

would say um

747

00:26:16,630 --> 00:26:12,720

your

748

00:26:20,230 --> 00:26:16,640

and his idea of what happened neither

749

00:26:23,190 --> 00:26:20,240

one can be proven or disproven no really

750

00:26:24,710 --> 00:26:23,200

but but he's he's typical of

751

00:26:26,789 --> 00:26:24,720

i think a type of witness that's

752

00:26:29,830 --> 00:26:26,799

undervalued really somebody who is

753

00:26:31,830 --> 00:26:29,840

totally sincere um but who tells a story

754

00:26:34,710 --> 00:26:31,840

that doesn't completely correspond to

755

00:26:36,390 --> 00:26:34,720

everybody else and yet makes total sense

756

00:26:38,630 --> 00:26:36,400

to them and you can't shift them from

757

00:26:39,750 --> 00:26:38,640

the story because

758

00:26:41,190 --> 00:26:39,760

they were there and they know what

759

00:26:43,029 --> 00:26:41,200

happened and

760

00:26:44,310 --> 00:26:43,039

i've always found those cases quite

761

00:26:46,390 --> 00:26:44,320

interesting and i think you know when

762

00:26:48,710 --> 00:26:46,400

you add those up

763

00:26:50,870 --> 00:26:48,720

they hint at other explanations apart

764

00:26:53,269 --> 00:26:50,880

from the obvious

765

00:26:55,669 --> 00:26:53,279

extraterrestrial abduction thing because

766

00:26:59,830 --> 00:26:57,750

they resemble those stories but at the

767

00:27:01,750 --> 00:26:59,840

same time they have their own kind of

768

00:27:04,789 --> 00:27:01,760

idiosyncrasies they have their own kind

769

00:27:07,269 --> 00:27:04,799

of individual elements that are not kind

770

00:27:10,230 --> 00:27:07,279

of logical i mean

771

00:27:11,669 --> 00:27:10,240

the eisenhower deal right

772

00:27:13,510 --> 00:27:11,679

they didn't make

773

00:27:15,590 --> 00:27:13,520

i don't i've never heard a variant of

774

00:27:17,269 --> 00:27:15,600

that that says well eisenhower said yeah

775

00:27:22,870 --> 00:27:17,279

that's fine but you can only take them

776

00:27:25,190 --> 00:27:23,750

well

777

00:27:27,269 --> 00:27:25,200

it's a bit death race though isn't it

778

00:27:27,990 --> 00:27:27,279

but it's you know it's um

779

00:27:29,350 --> 00:27:28,000

uh

780

00:27:32,070 --> 00:27:29,360

you know so it's it

781

00:27:33,909 --> 00:27:32,080

it just the the bur2 case and several

782

00:27:35,590 --> 00:27:33,919

others i could mention you know they

783

00:27:37,750 --> 00:27:35,600

intrigued me for that reason because

784

00:27:40,070 --> 00:27:37,760

they it suggests that

785

00:27:42,310 --> 00:27:40,080

we possibly have in a lot of people have

786

00:27:44,630 --> 00:27:42,320

in their heads a kind of basic

787

00:27:47,190 --> 00:27:44,640

ufo experience that they would expect if

788

00:27:49,350 --> 00:27:47,200

it have happened to them and then that's

789

00:27:51,029 --> 00:27:49,360

if something triggers that

790

00:27:53,029 --> 00:27:51,039

that's what they actually experience and

791

00:27:56,230 --> 00:27:53,039

that's what they report

792

00:27:57,830 --> 00:27:56,240

well i i guess uh i i'll tell you my ufo

793

00:27:59,110 --> 00:27:57,840

a lot of people on this show have heard

794

00:28:01,669 --> 00:27:59,120

it many times

795

00:28:03,590 --> 00:28:01,679

and it's nothing extraordinary

796

00:28:05,750 --> 00:28:03,600

but uh

797

00:28:08,710 --> 00:28:05,760

what happened to me was

798

00:28:10,230 --> 00:28:08,720

you know i was sitting in a hot tub in a

799

00:28:12,070 --> 00:28:10,240

caramel valley

800

00:28:14,830 --> 00:28:12,080

back in

801

00:28:17,909 --> 00:28:14,840

i always get this wrong

802

00:28:19,830 --> 00:28:17,919

2007 and uh the exact date or whatever i

803

00:28:21,590 --> 00:28:19,840

i don't even remember exactly where this

804

00:28:23,590 --> 00:28:21,600

is in california

805

00:28:25,830 --> 00:28:23,600

and something caught my eye

806

00:28:27,430 --> 00:28:25,840

and so i followed

807

00:28:29,029 --> 00:28:27,440

watching this thing

808

00:28:31,990 --> 00:28:29,039

it was a blue

809

00:28:34,149 --> 00:28:32,000

like a a perfectly shaped disc

810

00:28:36,549 --> 00:28:34,159

uh no other way to explain it

811

00:28:39,590 --> 00:28:36,559

it went over my head but quite far up it

812

00:28:41,830 --> 00:28:39,600

seemed to be quite far up uh nice steady

813

00:28:43,269 --> 00:28:41,840

slow and the thing that freaked me out

814

00:28:44,630 --> 00:28:43,279

the most was there was absolutely no

815

00:28:46,710 --> 00:28:44,640

sound at all

816

00:28:48,549 --> 00:28:46,720

and it just stopped

817

00:28:50,710 --> 00:28:48,559

and then it went on an angle toward

818

00:28:53,510 --> 00:28:50,720

monterey and there's like a navy

819

00:28:55,110 --> 00:28:53,520

training base or something but that you

820

00:28:55,909 --> 00:28:55,120

know that didn't come to mind at the

821

00:28:58,070 --> 00:28:55,919

time

822

00:29:00,230 --> 00:28:58,080

but all of a sudden i'm looking up at

823

00:29:03,590 --> 00:29:00,240

this thing and i'm thinking what

824

00:29:05,190 --> 00:29:03,600

am i seeing you know like everything

825

00:29:07,190 --> 00:29:05,200

in that one moment

826

00:29:08,230 --> 00:29:07,200

it's like i can't explain what i'm

827

00:29:10,230 --> 00:29:08,240

seeing

828

00:29:12,470 --> 00:29:10,240

and i and i can't understand what

829

00:29:14,389 --> 00:29:12,480

technology that we would have that this

830

00:29:16,310 --> 00:29:14,399

was you know i mean it didn't do

831

00:29:18,630 --> 00:29:16,320

anything extraordinary like shooting off

832

00:29:20,310 --> 00:29:18,640

like most people talk about

833

00:29:23,750 --> 00:29:20,320

i didn't see it land

834

00:29:25,830 --> 00:29:23,760

uh but i did that was why i'm doing this

835

00:29:27,750 --> 00:29:25,840

show currently you know i mean it did

836

00:29:29,590 --> 00:29:27,760

really interest me

837

00:29:31,510 --> 00:29:29,600

so

838

00:29:33,269 --> 00:29:31,520

there are one or two cases like that

839

00:29:35,029 --> 00:29:33,279

what you're describing is an object in

840

00:29:36,230 --> 00:29:35,039

the sky and you're looking at it and

841

00:29:37,269 --> 00:29:36,240

there's nothing between you and the

842

00:29:39,110 --> 00:29:37,279

object

843

00:29:40,789 --> 00:29:39,120

right right yeah

844

00:29:42,310 --> 00:29:40,799

so and again i'm i'm gonna get my

845

00:29:44,710 --> 00:29:42,320

skeptic head on here which will probably

846

00:29:45,750 --> 00:29:44,720

fire up a few of your listeners but

847

00:29:48,230 --> 00:29:45,760

one thing

848

00:29:49,750 --> 00:29:48,240

if you've investigated ufos or you know

849

00:29:51,909 --> 00:29:49,760

you know anything about this one thing

850

00:29:54,950 --> 00:29:51,919

that's that's known to a a bunch of

851

00:29:57,590 --> 00:29:54,960

people who've done this for a while

852

00:29:59,750 --> 00:29:57,600

is that it's very difficult if you see

853

00:30:01,750 --> 00:29:59,760

something in the air

854

00:30:03,750 --> 00:30:01,760

and you've got an idea of how far away

855

00:30:05,029 --> 00:30:03,760

it is it's very difficult actually to

856

00:30:07,430 --> 00:30:05,039

estimate the distance unless there's

857

00:30:09,350 --> 00:30:07,440

something between you and that and you

858

00:30:10,070 --> 00:30:09,360

you can misperceive it from the start

859

00:30:11,990 --> 00:30:10,080

and

860

00:30:13,269 --> 00:30:12,000

i mean it's it's

861

00:30:15,510 --> 00:30:13,279

you know your listeners could google a

862

00:30:16,310 --> 00:30:15,520

thing called paradolia which is um yeah

863

00:30:17,909 --> 00:30:16,320

it's

864

00:30:19,830 --> 00:30:17,919

you know well you know like your mind

865

00:30:21,269 --> 00:30:19,840

does this and it makes the pattern and

866

00:30:22,470 --> 00:30:21,279

it's funny because

867

00:30:24,310 --> 00:30:22,480

as i've got

868

00:30:26,070 --> 00:30:24,320

particularly this year as i've been

869

00:30:27,909 --> 00:30:26,080

talking about ufos and you know i've

870

00:30:29,750 --> 00:30:27,919

been doing interviews in the uk but the

871

00:30:30,630 --> 00:30:29,760

book came out in june in the uk and then

872

00:30:34,470 --> 00:30:30,640

it's

873

00:30:37,029 --> 00:30:34,480

came out in the 1st of october in your

874

00:30:38,870 --> 00:30:37,039

country that the hard copies and

875

00:30:40,470 --> 00:30:38,880

a couple of things just coincidentally a

876  
00:30:42,710 --> 00:30:40,480  
couple of weird things happened in terms

877  
00:30:44,149 --> 00:30:42,720  
of sightings that strange sightings i've

878  
00:30:45,590 --> 00:30:44,159  
had this year

879  
00:30:48,070 --> 00:30:45,600  
um

880  
00:30:50,630 --> 00:30:48,080  
so one of them was i was on a nature

881  
00:30:51,510 --> 00:30:50,640  
reserve not far from where i live

882  
00:30:52,470 --> 00:30:51,520  
and

883  
00:30:55,990 --> 00:30:52,480  
there was

884  
00:30:58,310 --> 00:30:56,000  
a brilliant white light up in the sky

885  
00:30:59,750 --> 00:30:58,320  
and it wasn't moving and it didn't look

886  
00:31:01,269 --> 00:30:59,760  
like a plane i mean i'm quite used to

887  
00:31:03,430 --> 00:31:01,279  
seeing planes and it just it just didn't

888  
00:31:05,509 --> 00:31:03,440

look like anything right it just like a

889

00:31:07,110 --> 00:31:05,519

little white dot in the sky and it

890

00:31:08,950 --> 00:31:07,120

wasn't moving it just seemed to be sort

891

00:31:13,110 --> 00:31:08,960

of hovering there

892

00:31:14,710 --> 00:31:13,120

and i was with my youngest son and um

893

00:31:16,630 --> 00:31:14,720

i kind of pointed it out to him and i

894

00:31:17,669 --> 00:31:16,640

got some binoculars in the rucksack so i

895

00:31:19,590 --> 00:31:17,679

dropped the rucksack and got the

896

00:31:20,789 --> 00:31:19,600

binoculars out but i couldn't find this

897

00:31:22,149 --> 00:31:20,799

thing with the binoculars and when i

898

00:31:24,310 --> 00:31:22,159

looked it had gone

899

00:31:25,830 --> 00:31:24,320

and

900

00:31:27,350 --> 00:31:25,840

i didn't know what the hell it was i'd

901  
00:31:29,909 --> 00:31:27,360  
seen it definitely was not a line it

902  
00:31:31,830 --> 00:31:29,919  
wasn't it was in an area near where a

903  
00:31:33,830 --> 00:31:31,840  
flight path into london but there

904  
00:31:35,990 --> 00:31:33,840  
weren't that many planes beautifully

905  
00:31:37,669 --> 00:31:36,000  
clear sky and it took me a while and

906  
00:31:41,029 --> 00:31:37,679  
that kind of investigated a few things

907  
00:31:42,630 --> 00:31:41,039  
on this and the what i think i saw

908  
00:31:44,870 --> 00:31:42,640  
sort of brought it home to me about the

909  
00:31:46,549 --> 00:31:44,880  
distance in the sky i was perceiving

910  
00:31:48,149 --> 00:31:46,559  
this thing as being like way way up in

911  
00:31:49,110 --> 00:31:48,159  
the sky about as high as an aircraft

912  
00:31:51,590 --> 00:31:49,120  
right

913  
00:31:53,830 --> 00:31:51,600

um and it was a bird watcher this is a

914

00:31:56,070 --> 00:31:53,840

nature reserve and i got talking to a

915

00:31:58,389 --> 00:31:56,080

bird watcher down there who without me

916

00:32:00,549 --> 00:31:58,399

going into all the details he explained

917

00:32:03,430 --> 00:32:00,559

some peculiarities about that particular

918

00:32:05,990 --> 00:32:03,440

time with just to do with

919

00:32:07,669 --> 00:32:06,000

strange weather this year in the uk took

920

00:32:09,750 --> 00:32:07,679

it took a while for the sea to heat up

921

00:32:11,830 --> 00:32:09,760

the land heated up faster than

922

00:32:14,549 --> 00:32:11,840

you know and the air currents in that

923

00:32:16,789 --> 00:32:14,559

area were different and cutting a long

924

00:32:18,789 --> 00:32:16,799

story short he convinced me that what i

925

00:32:21,110 --> 00:32:18,799

probably saw was much lower and closer

926  
00:32:22,950 --> 00:32:21,120  
and it was a seagull hovering

927  
00:32:24,789 --> 00:32:22,960  
um and i hadn't really thought about

928  
00:32:26,549 --> 00:32:24,799  
this and it

929  
00:32:28,470 --> 00:32:26,559  
led me to looking at seagulls and i

930  
00:32:29,430 --> 00:32:28,480  
hadn't realized quite how different they

931  
00:32:32,149 --> 00:32:29,440  
all are

932  
00:32:32,789 --> 00:32:32,159  
yeah i mean as in you know it's just

933  
00:32:35,509 --> 00:32:32,799  
and

934  
00:32:37,909 --> 00:32:35,519  
the point being that that strikes me now

935  
00:32:39,830 --> 00:32:37,919  
was a much more logical explanation and

936  
00:32:41,750 --> 00:32:39,840  
i had to investigate that to the point

937  
00:32:43,990 --> 00:32:41,760  
of actually realizing that there are

938  
00:32:45,669 --> 00:32:44,000

girls of different colors and this was

939

00:32:47,350 --> 00:32:45,679

probably a very white one that was

940

00:32:49,029 --> 00:32:47,360

facing out to sea and i was basically

941

00:32:52,070 --> 00:32:49,039

looking at it's boom

942

00:32:54,710 --> 00:32:52,080

it's backside with the sun on it yeah

943

00:32:56,470 --> 00:32:54,720

um as it sort of hovered there and it's

944

00:32:58,149 --> 00:32:56,480

far enough away that it's wings would be

945

00:32:59,990 --> 00:32:58,159

kind of invisible against the sky but

946

00:33:01,029 --> 00:33:00,000

the big body of it wasn't

947

00:33:01,750 --> 00:33:01,039

um

948

00:33:04,470 --> 00:33:01,760

and

949

00:33:05,830 --> 00:33:04,480

that sort of it just it just reminded me

950

00:33:07,350 --> 00:33:05,840

of how far

951  
00:33:08,870 --> 00:33:07,360  
the whole distance thing you misjudge

952  
00:33:10,630 --> 00:33:08,880  
you sometimes and then i had another

953  
00:33:13,029 --> 00:33:10,640  
weird experience a few weeks after that

954  
00:33:16,389 --> 00:33:13,039  
just maybe just i'm thinking about ufos

955  
00:33:18,630 --> 00:33:16,399  
too much but near where i live

956  
00:33:20,230 --> 00:33:18,640  
just there are some old aircraft that

957  
00:33:21,509 --> 00:33:20,240  
fly around down here just to do with the

958  
00:33:23,430 --> 00:33:21,519  
history of the place and whatever

959  
00:33:25,350 --> 00:33:23,440  
there's one in particular which is a

960  
00:33:26,870 --> 00:33:25,360  
spitfire that we see quite a lot that

961  
00:33:28,389 --> 00:33:26,880  
flies up and down the county and it

962  
00:33:29,990 --> 00:33:28,399  
often comes quite near my home because

963  
00:33:32,230 --> 00:33:30,000

it flies over an old airfield when it

964

00:33:34,789 --> 00:33:32,240

does that and i heard it coming you can

965

00:33:36,470 --> 00:33:34,799

the engine noise is very distinctive so

966

00:33:37,669 --> 00:33:36,480

when you hear it you know it's it's the

967

00:33:39,350 --> 00:33:37,679

spitfire

968

00:33:41,110 --> 00:33:39,360

and i was just sitting out in my garden

969

00:33:42,630 --> 00:33:41,120

in the sun and i looked it and i saw

970

00:33:44,630 --> 00:33:42,640

this thing but it wasn't flying its

971

00:33:46,070 --> 00:33:44,640

normal pattern it was coming right

972

00:33:47,830 --> 00:33:46,080

towards me you know like it like in a

973

00:33:50,630 --> 00:33:47,840

world war two movie when you see it head

974

00:33:52,549 --> 00:33:50,640

on before it opens up the guns yeah

975

00:33:53,909 --> 00:33:52,559

it was like this thing was about to it

976  
00:33:55,269 --> 00:33:53,919  
was a long way away but it was doing a

977  
00:33:56,630 --> 00:33:55,279  
run and it was going to come it looked

978  
00:33:59,029 --> 00:33:56,640  
like it was coming straight over my

979  
00:33:59,750 --> 00:33:59,039  
garden like it was going to strafe me

980  
00:34:01,909 --> 00:33:59,760  
and

981  
00:34:03,350 --> 00:34:01,919  
i did a kind of double take for a second

982  
00:34:05,830 --> 00:34:03,360  
and then i realized what i was looking

983  
00:34:08,550 --> 00:34:05,840  
at which wasn't the spitfire at all it

984  
00:34:10,230 --> 00:34:08,560  
was a mosquito as in the little insect

985  
00:34:11,909 --> 00:34:10,240  
and it was about

986  
00:34:14,069 --> 00:34:11,919  
feet away from me it was hovering over a

987  
00:34:15,430 --> 00:34:14,079  
bush in front of me and the whole thing

988  
00:34:17,270 --> 00:34:15,440

is that obviously my mind it's the

989

00:34:19,510 --> 00:34:17,280

paradigma thing my mind had done that

990

00:34:21,909 --> 00:34:19,520

just in that split second right

991

00:34:24,069 --> 00:34:21,919

um and you know

992

00:34:25,909 --> 00:34:24,079

predictably about 30 seconds later this

993

00:34:29,270 --> 00:34:25,919

spitfire turned up in its usual place

994

00:34:30,310 --> 00:34:29,280

and flew its usual course up the road um

995

00:34:31,750 --> 00:34:30,320

but

996

00:34:32,950 --> 00:34:31,760

again it was

997

00:34:35,510 --> 00:34:32,960

just because i've got a certain

998

00:34:38,790 --> 00:34:35,520

expectation in that split second

999

00:34:40,629 --> 00:34:38,800

i saw kind of what i expected to see and

1000

00:34:42,310 --> 00:34:40,639

the point being

1001  
00:34:43,750 --> 00:34:42,320  
they're both objects in the air there's

1002  
00:34:45,909 --> 00:34:43,760  
nothing between me and them i'm

1003  
00:34:47,669 --> 00:34:45,919  
misperceiving the distance and i'm

1004  
00:34:50,230 --> 00:34:47,679  
trying to make sense of something when i

1005  
00:34:52,869 --> 00:34:50,240  
do yeah and that happens all the time

1006  
00:34:55,270 --> 00:34:52,879  
yeah no i do agree i mean i don't

1007  
00:34:58,069 --> 00:34:55,280  
i can't explain that i mean i can't

1008  
00:35:00,390 --> 00:34:58,079  
explain what i saw a way in that manner

1009  
00:35:02,150 --> 00:35:00,400  
but i do agree that you know that what

1010  
00:35:03,030 --> 00:35:02,160  
you're talking about is an instinctual

1011  
00:35:05,430 --> 00:35:03,040  
thing

1012  
00:35:08,230 --> 00:35:05,440  
basically for our survival how we've

1013  
00:35:10,310 --> 00:35:08,240

survived as a species by being able to

1014

00:35:11,750 --> 00:35:10,320

identify you know someone that's going

1015

00:35:13,990 --> 00:35:11,760

to something that's going to eat us

1016

00:35:15,430 --> 00:35:14,000

alive you know that type of thing um so

1017

00:35:17,109 --> 00:35:15,440

that's why our brain is constantly

1018

00:35:18,310 --> 00:35:17,119

trying to form something into something

1019

00:35:21,190 --> 00:35:18,320

we know

1020

00:35:23,829 --> 00:35:21,200

and yeah i i had enough time to look at

1021

00:35:26,310 --> 00:35:23,839

this thing and and watch it move and and

1022

00:35:28,390 --> 00:35:26,320

see that it was a perfectly shaped disc

1023

00:35:30,630 --> 00:35:28,400

and like i said it had like a

1024

00:35:32,230 --> 00:35:30,640

it looks silvery with a light blue glow

1025

00:35:35,109 --> 00:35:32,240

over the whole thing i've only heard one

1026

00:35:36,790 --> 00:35:35,119

other person say describe what they saw

1027

00:35:38,390 --> 00:35:36,800

uh similar i've only heard one other

1028

00:35:40,550 --> 00:35:38,400

time yeah

1029

00:35:42,550 --> 00:35:40,560

but it's a funny thing because

1030

00:35:44,470 --> 00:35:42,560

what was probably a seagull i had enough

1031

00:35:46,310 --> 00:35:44,480

time to look at that and it was a little

1032

00:35:47,910 --> 00:35:46,320

round

1033

00:35:49,750 --> 00:35:47,920

white ball

1034

00:35:51,349 --> 00:35:49,760

well

1035

00:35:52,550 --> 00:35:51,359

if it was a sequel it wasn't perfectly

1036

00:35:54,069 --> 00:35:52,560

round but

1037

00:35:56,230 --> 00:35:54,079

i think

1038

00:35:57,670 --> 00:35:56,240

my best guess is my brain made it the

1039

00:35:59,109 --> 00:35:57,680

shape i thought it was going to be

1040

00:36:00,950 --> 00:35:59,119

because i thought it was thousands of

1041

00:36:02,870 --> 00:36:00,960

feet in the air i didn't think it was a

1042

00:36:04,870 --> 00:36:02,880

bird hovering over the coast

1043

00:36:07,109 --> 00:36:04,880

right you know so

1044

00:36:09,270 --> 00:36:07,119

i mean

1045

00:36:12,470 --> 00:36:09,280

get 12 people show them something there

1046

00:36:14,950 --> 00:36:12,480

are lots of experiments on this that

1047

00:36:16,870 --> 00:36:14,960

psychology experiments you can show 12

1048

00:36:18,550 --> 00:36:16,880

people the same thing and they don't all

1049

00:36:21,190 --> 00:36:18,560

report the same thing if you split them

1050

00:36:22,150 --> 00:36:21,200

up and if you lead them with questions

1051  
00:36:26,710 --> 00:36:22,160  
yeah

1052  
00:36:27,829 --> 00:36:26,720  
thing that you're mentioning is so so

1053  
00:36:30,550 --> 00:36:27,839  
many different

1054  
00:36:31,510 --> 00:36:30,560  
ways is when people are led or when

1055  
00:36:33,670 --> 00:36:31,520  
someone

1056  
00:36:35,829 --> 00:36:33,680  
you know um what i've said on this show

1057  
00:36:36,950 --> 00:36:35,839  
and it's not my idea it's

1058  
00:36:39,589 --> 00:36:36,960  
um

1059  
00:36:41,670 --> 00:36:39,599  
other people's ideas if you do have

1060  
00:36:43,589 --> 00:36:41,680  
something you see or record it as

1061  
00:36:45,589 --> 00:36:43,599  
quickly as you can you know write it

1062  
00:36:46,790 --> 00:36:45,599  
down draw it whatever you need to do

1063  
00:36:49,349 --> 00:36:46,800

here's a question for you i'm going to

1064

00:36:51,270 --> 00:36:49,359

put it up on on right on the screen

1065

00:36:53,750 --> 00:36:51,280

and this is from richard do you think

1066

00:36:56,390 --> 00:36:53,760

that any ufos are

1067

00:37:01,910 --> 00:36:59,190

cutting right to the chase here

1068

00:37:06,630 --> 00:37:05,030

right any ufos

1069

00:37:08,630 --> 00:37:06,640

if um

1070

00:37:11,190 --> 00:37:08,640

the to good answer richard i think you

1071

00:37:12,550 --> 00:37:11,200

and i might agree is that we don't know

1072

00:37:15,750 --> 00:37:12,560

um

1073

00:37:17,750 --> 00:37:15,760

so my best candidate for a ufo that is

1074

00:37:19,510 --> 00:37:17,760

an otherworldly device is probably not

1075

00:37:21,109 --> 00:37:19,520

one that you would think of

1076

00:37:22,870 --> 00:37:21,119

it's the emu

1077

00:37:25,109 --> 00:37:22,880

object that

1078

00:37:28,550 --> 00:37:25,119

came through the solar system back into

1079

00:37:31,910 --> 00:37:28,560

2017 wasn't it and the reason i think

1080

00:37:34,310 --> 00:37:31,920

that is the best candidate is because

1081

00:37:35,030 --> 00:37:34,320

abby lowe who's no slouch on this he's

1082

00:37:36,790 --> 00:37:35,040

the

1083

00:37:38,470 --> 00:37:36,800

professor of astronomy at harvard so

1084

00:37:40,150 --> 00:37:38,480

it's not a job you would get by accident

1085

00:37:43,510 --> 00:37:40,160

isn't it um

1086

00:37:46,069 --> 00:37:43,520

and uh he wrote a book extraterrestrial

1087

00:37:48,230 --> 00:37:46,079

where he argues that now if you google

1088

00:37:50,470 --> 00:37:48,240

it he's not convinced a lot of other

1089

00:37:52,230 --> 00:37:50,480

people but he's in pretty good company i

1090

00:37:54,230 --> 00:37:52,240

mean when he's not talking about that

1091

00:37:55,589 --> 00:37:54,240

object in the book he mentions a few of

1092

00:37:56,870 --> 00:37:55,599

the things like the fact that he had his

1093

00:37:58,790 --> 00:37:56,880

friend stephen hawking around

1094

00:38:00,470 --> 00:37:58,800

occasionally you know so he was he was

1095

00:38:02,230 --> 00:38:00,480

in quite good company

1096

00:38:04,230 --> 00:38:02,240

so the truth of the matter is i don't

1097

00:38:06,550 --> 00:38:04,240

know i think if if you were going to go

1098

00:38:07,910 --> 00:38:06,560

for a best case it would be that one and

1099

00:38:10,550 --> 00:38:07,920

that's because

1100

00:38:13,030 --> 00:38:10,560

it's at the moment you can't explain it

1101

00:38:14,470 --> 00:38:13,040

any other way but it it never came to

1102

00:38:17,349 --> 00:38:14,480

earth it just came through the solar

1103

00:38:19,270 --> 00:38:17,359

system and passed back out of it again

1104

00:38:21,829 --> 00:38:19,280

all right well um

1105

00:38:23,990 --> 00:38:21,839

so right now since you just you just

1106

00:38:25,270 --> 00:38:24,000

call called that as one that you think

1107

00:38:26,470 --> 00:38:25,280

is

1108

00:38:29,030 --> 00:38:26,480

compelling

1109

00:38:31,910 --> 00:38:29,040

uh what about

1110

00:38:33,270 --> 00:38:31,920

other ones that you must have seen like

1111

00:38:34,870 --> 00:38:33,280

for instance let's talk quickly about

1112

00:38:36,630 --> 00:38:34,880

the three videos

1113

00:38:39,030 --> 00:38:36,640

that the government says they that our

1114

00:38:42,630 --> 00:38:39,040

u.s government says they have no clue

1115

00:38:43,990 --> 00:38:42,640

on their unidentified to the government

1116

00:38:46,870 --> 00:38:44,000

and so what do you think about those

1117

00:38:50,390 --> 00:38:46,880

three videos

1118

00:38:53,829 --> 00:38:52,150

i don't think you can answer that simply

1119

00:38:55,510 --> 00:38:53,839

so the bottom line is i'm less convinced

1120

00:38:56,470 --> 00:38:55,520

than most people

1121

00:38:57,829 --> 00:38:56,480

and

1122

00:38:59,589 --> 00:38:57,839

i think they're impressive if you look

1123

00:39:01,270 --> 00:38:59,599

at the videos they're what you expect to

1124

00:39:03,270 --> 00:39:01,280

see they're the sort of clips that look

1125

00:39:06,230 --> 00:39:03,280

really good on a news program

1126

00:39:08,310 --> 00:39:06,240

the more you read and investigate the

1127

00:39:10,150 --> 00:39:08,320

more you might suspect that they're not

1128

00:39:12,230 --> 00:39:10,160

what they seem to be

1129

00:39:13,589 --> 00:39:12,240

so

1130

00:39:15,510 --> 00:39:13,599

i'm not convinced they're extra

1131

00:39:17,109 --> 00:39:15,520

terrestrial and the main reason i'm not

1132

00:39:18,390 --> 00:39:17,119

convinced of that is well there's a

1133

00:39:19,589 --> 00:39:18,400

number of reasons if i was going to

1134

00:39:21,829 --> 00:39:19,599

rattle them out

1135

00:39:22,710 --> 00:39:21,839

number one we've been here before we've

1136

00:39:25,829 --> 00:39:22,720

had

1137

00:39:27,109 --> 00:39:25,839

the perfect case for the time

1138

00:39:29,670 --> 00:39:27,119

and it's

1139

00:39:31,430 --> 00:39:29,680

proven it's not being proven and

1140

00:39:32,950 --> 00:39:31,440

when i was talking about this in the uk

1141

00:39:35,589 --> 00:39:32,960

so

1142

00:39:37,829 --> 00:39:35,599

my book came out 24th of june in the uk

1143

00:39:38,630 --> 00:39:37,839

the 25th of june was the pentagon thing

1144

00:39:39,670 --> 00:39:38,640

yeah

1145

00:39:41,910 --> 00:39:39,680

i mean

1146

00:39:43,829 --> 00:39:41,920

we planned the book months in advance

1147

00:39:45,349 --> 00:39:43,839

you don't get that lucky normally do you

1148

00:39:49,270 --> 00:39:45,359

and it was all over the news so

1149

00:39:53,109 --> 00:39:50,790

if you break those videos down there's a

1150

00:39:54,630 --> 00:39:53,119

few things to say about him first of all

1151

00:39:57,190 --> 00:39:54,640

for my when i was talking about in the

1152

00:39:59,589 --> 00:39:57,200

uk i was saying well most in my mind it

1153

00:40:01,030 --> 00:39:59,599

most resembles the 1952 sightings in

1154

00:40:03,349 --> 00:40:01,040

washington which were the perfect

1155

00:40:05,430 --> 00:40:03,359

sightings over flights of ufos two

1156

00:40:07,670 --> 00:40:05,440

saturdays running over the white house

1157

00:40:09,430 --> 00:40:07,680

yeah um and it's never been

1158

00:40:11,190 --> 00:40:09,440

satisfactorily explained but the weird

1159

00:40:12,150 --> 00:40:11,200

thing about it is it's never recurred

1160

00:40:15,829 --> 00:40:12,160

either

1161

00:40:17,510 --> 00:40:15,839

so you would suspect and also

1162

00:40:19,190 --> 00:40:17,520

if they're going to come light years why

1163

00:40:21,270 --> 00:40:19,200

did they come on two consecutive

1164

00:40:22,309 --> 00:40:21,280

saturdays over washington

1165

00:40:23,589 --> 00:40:22,319

yeah

1166

00:40:25,190 --> 00:40:23,599

you know and it just so happens your

1167

00:40:27,349 --> 00:40:25,200

local air base is stood down as well

1168

00:40:28,870 --> 00:40:27,359

it's also all a bit bizarre so

1169

00:40:30,950 --> 00:40:28,880

i think there is something in those

1170

00:40:31,990 --> 00:40:30,960

videos that smacks of almost a perfect

1171

00:40:34,790 --> 00:40:32,000

case

1172

00:40:36,710 --> 00:40:34,800

and also bear in mind that

1173

00:40:38,550 --> 00:40:36,720

there's a whole

1174

00:40:39,990 --> 00:40:38,560

history of these you know they they they

1175

00:40:42,390 --> 00:40:40,000

span a number of years so they've been

1176

00:40:44,550 --> 00:40:42,400

cherry-picked for the best ones um

1177

00:40:46,150 --> 00:40:44,560

there's a book by sarah scholes called

1178

00:40:47,910 --> 00:40:46,160

they're already here i don't know if it

1179

00:40:50,550 --> 00:40:47,920

probably hasn't sold very well she was

1180

00:40:53,270 --> 00:40:50,560

on she was on the show yeah sorry i

1181

00:40:54,069 --> 00:40:53,280

missed that one my bad but

1182

00:41:01,270 --> 00:40:54,079

she

1183

00:41:05,030 --> 00:41:01,280

one of those videos

1184

00:41:08,230 --> 00:41:05,040

actually comes provably from a lab in

1185

00:41:11,030 --> 00:41:08,240

germany that is a special effects

1186

00:41:12,630 --> 00:41:11,040

you know that this it's a noted

1187

00:41:14,309 --> 00:41:12,640

site for special effects so in other

1188

00:41:16,390 --> 00:41:14,319

words her implication is that you can't

1189

00:41:18,470 --> 00:41:16,400

trust one of those videos because

1190

00:41:20,390 --> 00:41:18,480

well that's true that's i i don't want

1191

00:41:23,510 --> 00:41:20,400

to call that disinformation but that's a

1192

00:41:25,109 --> 00:41:23,520

little bit of misinformation

1193

00:41:27,109 --> 00:41:25,119

because that

1194

00:41:29,109 --> 00:41:27,119

uh that

1195

00:41:32,870 --> 00:41:29,119

that is partially true

1196

00:41:34,710 --> 00:41:32,880

um they had that video um but that's not

1197

00:41:36,470 --> 00:41:34,720

where it originated

1198

00:41:39,670 --> 00:41:36,480

they had that video and they didn't

1199

00:41:41,109 --> 00:41:39,680

release it but the version originated

1200

00:41:43,190 --> 00:41:41,119

yeah but the version we see is where it

1201

00:41:45,030 --> 00:41:43,200

originated so it's i mean

1202

00:41:46,630 --> 00:41:45,040

that's where we see it but it did that

1203

00:41:48,390 --> 00:41:46,640

the government is saying that is one of

1204

00:41:50,230 --> 00:41:48,400

their videos they're not they're not

1205

00:41:52,309 --> 00:41:50,240

shying away from that

1206

00:41:53,750 --> 00:41:52,319

okay of course it was originally but

1207

00:41:55,109 --> 00:41:53,760

that's not the version we're seeing and

1208

00:41:57,270 --> 00:41:55,119

we don't know what they did to it and

1209

00:41:59,030 --> 00:41:57,280

nobody's explained that and if if you

1210

00:42:00,550 --> 00:41:59,040

could see the original and you could see

1211

00:42:02,309 --> 00:42:00,560

their

1212

00:42:04,150 --> 00:42:02,319

doctored version then you'd know what

1213

00:42:05,430 --> 00:42:04,160

was actually added wouldn't you and

1214

00:42:07,349 --> 00:42:05,440

that's not been

1215

00:42:08,710 --> 00:42:07,359

so would you think that

1216

00:42:11,750 --> 00:42:08,720

do you think that our government would

1217

00:42:14,069 --> 00:42:11,760

give their thumbs up to that video and

1218

00:42:15,750 --> 00:42:14,079

say we don't know what it is and not say

1219

00:42:17,910 --> 00:42:15,760

that's not our video that's not the

1220

00:42:18,950 --> 00:42:17,920

video we released

1221

00:42:20,150 --> 00:42:18,960

well

1222

00:42:22,069 --> 00:42:20,160

they wouldn't

1223

00:42:23,670 --> 00:42:22,079

look the honest-to-god answer to that

1224

00:42:25,349 --> 00:42:23,680

martini is i don't know and you don't

1225

00:42:28,069 --> 00:42:25,359

know but i could give you a reason why

1226

00:42:30,790 --> 00:42:28,079

that might happen yeah which would be to

1227

00:42:33,270 --> 00:42:30,800

do with a number of things so again

1228

00:42:37,430 --> 00:42:35,430

skeptical history of ufology there are

1229

00:42:40,390 --> 00:42:37,440

cases where

1230

00:42:42,309 --> 00:42:40,400

for one reason or another ufo reports

1231

00:42:45,589 --> 00:42:42,319

have been used by the government for

1232

00:42:49,030 --> 00:42:45,599

various we have for for understandable

1233

00:42:50,870 --> 00:42:49,040

purposes which might be to

1234

00:42:51,910 --> 00:42:50,880

the case of the washington sightings and

1235

00:42:54,630 --> 00:42:51,920

also

1236

00:42:56,630 --> 00:42:54,640

the ufo scares in the 1950s it's it's

1237

00:42:59,510 --> 00:42:56,640

now widely recognized that the united

1238

00:43:01,510 --> 00:42:59,520

states for example was worried about

1239

00:43:03,510 --> 00:43:01,520

development of arms in the soviet union

1240

00:43:05,030 --> 00:43:03,520

and was particularly concerned about the

1241

00:43:06,790 --> 00:43:05,040

fact that on

1242

00:43:09,109 --> 00:43:06,800

the more rural areas of the american

1243

00:43:11,349 --> 00:43:09,119

coast you didn't have blanket radar

1244

00:43:13,109 --> 00:43:11,359

coverage so if people were watching the

1245

00:43:14,870 --> 00:43:13,119

skies for whatever reason it would be

1246

00:43:15,670 --> 00:43:14,880

quite useful right

1247

00:43:17,190 --> 00:43:15,680

um

1248

00:43:19,430 --> 00:43:17,200

so

1249

00:43:21,190 --> 00:43:19,440

it may be that what you're looking at

1250

00:43:22,950 --> 00:43:21,200

there is cutting edge technology from

1251

00:43:25,349 --> 00:43:22,960

earth i think that's quite i mean you

1252

00:43:28,550 --> 00:43:25,359

know entirely possible um

1253

00:43:29,670 --> 00:43:28,560

the us again you know phil patton who i

1254

00:43:31,829 --> 00:43:29,680

don't know if you've had him on in the

1255

00:43:34,710 --> 00:43:31,839

past but he wrote an amazing book um

1256

00:43:36,550 --> 00:43:34,720

travels in dreamland about area 51 which

1257

00:43:37,990 --> 00:43:36,560

includes a number of frank discussions

1258

00:43:39,750 --> 00:43:38,000

of how

1259

00:43:41,030 --> 00:43:39,760

occasionally

1260

00:43:43,030 --> 00:43:41,040

covertly

1261

00:43:45,109 --> 00:43:43,040

cutting-edge hardware was used in the

1262

00:43:47,510 --> 00:43:45,119

united states and

1263

00:43:49,829 --> 00:43:47,520

was actually flown within sight of other

1264

00:43:52,309 --> 00:43:49,839

people the pilots who had ufo sightings

1265

00:43:54,710 --> 00:43:52,319

or um you know was sometimes used to

1266

00:43:56,630 --> 00:43:54,720

test the readiness of of your own

1267

00:43:57,750 --> 00:43:56,640

military but they didn't know that they

1268

00:44:00,150 --> 00:43:57,760

were looking at

1269

00:44:02,309 --> 00:44:00,160

technology from the same country yes i

1270

00:44:04,630 --> 00:44:02,319

understand that i understand yeah and

1271

00:44:07,030 --> 00:44:04,640

like the stealth airplane for one

1272

00:44:09,349 --> 00:44:07,040

yeah exactly it's and there's a there's

1273

00:44:12,710 --> 00:44:09,359

a an early test of stealth technology

1274

00:44:15,750 --> 00:44:12,720

was it 1976 of los angeles there was a

1275

00:44:17,750 --> 00:44:15,760

bizarre radar report of a ufo and it's

1276

00:44:19,670 --> 00:44:17,760

it's now known it was an early stealth

1277

00:44:21,349 --> 00:44:19,680

test and the whole point was

1278

00:44:22,950 --> 00:44:21,359

they wanted to see whether by flying it

1279

00:44:25,910 --> 00:44:22,960

in certain ways they could make it

1280

00:44:27,990 --> 00:44:25,920

disappear from radar um

1281

00:44:29,430 --> 00:44:28,000

you know so that so if a civilian radar

1282

00:44:30,870 --> 00:44:29,440

reported an object that was there and

1283

00:44:31,910 --> 00:44:30,880

then suddenly disappeared that was

1284

00:44:33,670 --> 00:44:31,920

actually telling them something

1285

00:44:35,910 --> 00:44:33,680

important and that you know so they

1286

00:44:37,670 --> 00:44:35,920

tested it

1287

00:44:40,470 --> 00:44:37,680

and and similarly

1288

00:44:43,589 --> 00:44:40,480

when i was first reading ufo books

1289

00:44:45,190 --> 00:44:43,599

standard story in the ufo books was

1290

00:44:46,790 --> 00:44:45,200

there are objects flying so high we

1291

00:44:48,790 --> 00:44:46,800

can't see them and so fast they can't

1292

00:44:50,790 --> 00:44:48,800

possibly be hours right

1293

00:44:54,309 --> 00:44:50,800

now one of the objects that was flying

1294

00:44:57,750 --> 00:44:54,319

like that was the blackbird um and it

1295

00:44:59,829 --> 00:44:57,760

was just it was so far ahead as an

1296

00:45:01,510 --> 00:44:59,839

aircraft when it was first developed

1297

00:45:03,430 --> 00:45:01,520

there were one or two revolutionary

1298

00:45:05,349 --> 00:45:03,440

things about the blackbird which even to

1299

00:45:06,870 --> 00:45:05,359

this day are actually a bit bizarre so

1300

00:45:09,349 --> 00:45:06,880

when you see it on the ground you know

1301

00:45:12,309 --> 00:45:09,359

the the

1302

00:45:14,230 --> 00:45:12,319

early 7 early 60s airplane but when you

1303

00:45:15,910 --> 00:45:14,240

see it on the ground it the fuel just

1304

00:45:17,349 --> 00:45:15,920

floods out of it doesn't it so when it's

1305

00:45:19,510 --> 00:45:17,359

when it's taxing on the runway it's

1306

00:45:21,270 --> 00:45:19,520

pouring fuel out because it has to get

1307

00:45:23,190 --> 00:45:21,280

up to speed for the body work to

1308

00:45:25,510 --> 00:45:23,200

actually work properly you know it needs

1309

00:45:27,190 --> 00:45:25,520

the heat of the and

1310

00:45:29,829 --> 00:45:27,200

that was that was absolutely

1311

00:45:32,390 --> 00:45:29,839

revolutionary for its time and

1312

00:45:34,710 --> 00:45:32,400

it was tracked on radar and radar

1313

00:45:37,589 --> 00:45:34,720

operators couldn't it obviously wasn't a

1314

00:45:39,349 --> 00:45:37,599

missile um and radar operators didn't

1315

00:45:40,710 --> 00:45:39,359

know what they were seeing but the

1316

00:45:42,470 --> 00:45:40,720

american

1317

00:45:43,910 --> 00:45:42,480

military who were covering it up at that

1318

00:45:46,630 --> 00:45:43,920

point were not about to tell them that

1319

00:45:48,710 --> 00:45:46,640

it was one of theirs so

1320

00:45:50,390 --> 00:45:48,720

if you come to the pentagon videos it

1321

00:45:52,470 --> 00:45:50,400

may well be that the same thing is

1322

00:45:54,309 --> 00:45:52,480

happening and there is a history of this

1323

00:45:55,910 --> 00:45:54,319

that that this cutting-edge technology

1324

00:45:58,309 --> 00:45:55,920

that people see

1325

00:46:00,390 --> 00:45:58,319

and occasionally it's used against

1326

00:46:02,150 --> 00:46:00,400

you know you it's tested against the

1327

00:46:03,670 --> 00:46:02,160

things that you would your own military

1328

00:46:04,710 --> 00:46:03,680

and your own civilian radars and

1329

00:46:07,109 --> 00:46:04,720

whatever

1330

00:46:08,790 --> 00:46:07,119

um and another meta bunk site with one

1331

00:46:10,470 --> 00:46:08,800

of the videos actually claimed that if

1332

00:46:11,910 --> 00:46:10,480

you freeze frame it at the end you can

1333

00:46:14,950 --> 00:46:11,920

begin to see the

1334

00:46:18,390 --> 00:46:14,960

fighter plane shape emerging so no no no

1335

00:46:20,309 --> 00:46:18,400

that uh i i want you to after we're done

1336

00:46:21,030 --> 00:46:20,319

the show and tomorrow i know it's very

1337

00:46:22,710 --> 00:46:21,040

late

1338

00:46:26,870 --> 00:46:22,720

i want you to check out

1339

00:46:30,230 --> 00:46:26,880

chris chris lado's site l-e-h

1340

00:46:33,030 --> 00:46:30,240

he definitely uh debunks the debunking

1341

00:46:34,790 --> 00:46:33,040

of that and okay so uh well it's

1342

00:46:37,109 --> 00:46:34,800

interesting but i do want to say i do

1343

00:46:38,630 --> 00:46:37,119

want to say so what do you think about

1344

00:46:42,230 --> 00:46:38,640

the testimony

1345

00:46:45,430 --> 00:46:42,240

of alex dietrich and uh david fravor on

1346

00:46:47,750 --> 00:46:45,440

the uss nimitz uh case when they saw

1347

00:46:49,030 --> 00:46:47,760

this thing visually not only on radar

1348

00:46:49,829 --> 00:46:49,040

all the radar

1349

00:46:53,109 --> 00:46:49,839

uh

1350

00:46:55,750 --> 00:46:53,119

and we're talking about 1300

1351  
00:46:58,230 --> 00:46:55,760  
g's this thing uh supposedly done when

1352  
00:46:59,910 --> 00:46:58,240  
it dropped uh to near just above the

1353  
00:47:01,829 --> 00:46:59,920  
ocean floor

1354  
00:47:04,069 --> 00:47:01,839  
um

1355  
00:47:05,990 --> 00:47:04,079  
if it's doing that it doesn't have to be

1356  
00:47:07,990 --> 00:47:06,000  
piloted so

1357  
00:47:09,670 --> 00:47:08,000  
you know it's yeah but no we don't have

1358  
00:47:11,510 --> 00:47:09,680  
any technology that would stay together

1359  
00:47:13,430 --> 00:47:11,520  
with that many g-force

1360  
00:47:15,270 --> 00:47:13,440  
the missiles nothing would stay together

1361  
00:47:17,510 --> 00:47:15,280  
with that g-force

1362  
00:47:20,069 --> 00:47:17,520  
we don't have any technology we know of

1363  
00:47:21,670 --> 00:47:20,079

but when people when radar operators

1364

00:47:23,349 --> 00:47:21,680

were reporting something that was flying

1365

00:47:25,829 --> 00:47:23,359

too high and fast to be a plane in the

1366

00:47:27,670 --> 00:47:25,839

early 1960s we

1367

00:47:29,589 --> 00:47:27,680

didn't have any technology that would do

1368

00:47:31,270 --> 00:47:29,599

that we did it's just the blackbird was

1369

00:47:33,910 --> 00:47:31,280

a secret all right well here's my other

1370

00:47:35,910 --> 00:47:33,920

argument they've been

1371

00:47:38,390 --> 00:47:35,920

they've been seeing these type of things

1372

00:47:41,349 --> 00:47:38,400

and this type of reaction of craft you

1373

00:47:45,670 --> 00:47:41,359

know for 70 years you know i mean uh

1374

00:47:47,829 --> 00:47:45,680

recorded in the 1960s 25 000 miles an

1375

00:47:49,910 --> 00:47:47,839

hour you know an object you know so i

1376

00:47:51,430 --> 00:47:49,920

mean i don't think that's the thing

1377

00:47:53,670 --> 00:47:51,440

that's always gets thrown out when

1378

00:47:56,630 --> 00:47:53,680

people are talking that this might be

1379

00:47:58,150 --> 00:47:56,640

our technology now well possibly some of

1380

00:48:00,150 --> 00:47:58,160

it could be but

1381

00:48:01,670 --> 00:48:00,160

they've been talking about the same

1382

00:48:03,750 --> 00:48:01,680

you know uh

1383

00:48:05,349 --> 00:48:03,760

type of technology

1384

00:48:09,510 --> 00:48:05,359

and

1385

00:48:11,910 --> 00:48:09,520

for decades

1386

00:48:13,190 --> 00:48:11,920

so and you know i've i've talked to a

1387

00:48:15,430 --> 00:48:13,200

lot of people i've seen some pretty

1388

00:48:17,030 --> 00:48:15,440

strange things and again i'm not saying

1389

00:48:19,109 --> 00:48:17,040

that i know what they are

1390

00:48:21,589 --> 00:48:19,119

but all i'm saying it just seems like it

1391

00:48:22,630 --> 00:48:21,599

would defy anything that the we could

1392

00:48:25,349 --> 00:48:22,640

have

1393

00:48:27,829 --> 00:48:25,359

uh for our own technology in my opinion

1394

00:48:32,630 --> 00:48:30,470

i i don't know

1395

00:48:33,829 --> 00:48:32,640

i'd fall back on what i said before so

1396

00:48:35,109 --> 00:48:33,839

whoops i don't know how that got up

1397

00:48:37,510 --> 00:48:35,119

there sorry

1398

00:48:39,190 --> 00:48:37,520

it's all right

1399

00:48:40,549 --> 00:48:39,200

but i feel back on what i said before

1400

00:48:42,630 --> 00:48:40,559

that that

1401  
00:48:44,470 --> 00:48:42,640  
it just

1402  
00:48:45,670 --> 00:48:44,480  
i'm

1403  
00:48:48,710 --> 00:48:45,680  
unconvinced that this is

1404  
00:48:51,910 --> 00:48:48,720  
extraterrestrial because for me the

1405  
00:48:53,750 --> 00:48:51,920  
release of this fits a pattern the uh oh

1406  
00:48:55,430 --> 00:48:53,760  
okay again

1407  
00:48:57,670 --> 00:48:55,440  
this is the american government who are

1408  
00:48:59,349 --> 00:48:57,680  
releasing this yeah

1409  
00:49:00,790 --> 00:48:59,359  
but it's

1410  
00:49:03,750 --> 00:49:00,800  
the american government are working

1411  
00:49:06,309 --> 00:49:03,760  
through i don't know what you call them

1412  
00:49:08,230 --> 00:49:06,319  
in in the united states but we have

1413  
00:49:09,750 --> 00:49:08,240

things over here called quangos which

1414

00:49:11,430 --> 00:49:09,760

are not quite government and they're not

1415

00:49:13,990 --> 00:49:11,440

quite private yeah

1416

00:49:15,510 --> 00:49:14,000

it's when you know

1417

00:49:17,670 --> 00:49:15,520

you give people a certain amount of

1418

00:49:20,470 --> 00:49:17,680

money you subcontract the job of doing

1419

00:49:23,910 --> 00:49:20,480

an investigation yeah um and there's

1420

00:49:26,150 --> 00:49:23,920

this whole history of you know the the

1421

00:49:28,069 --> 00:49:26,160

the same people robert bigelow and and

1422

00:49:31,670 --> 00:49:28,079

you know the the the various

1423

00:49:33,020 --> 00:49:31,680

organizations that have been there and

1424

00:49:34,150 --> 00:49:33,030

they're linked to

1425

00:49:36,230 --> 00:49:34,160

[Music]

1426

00:49:37,430 --> 00:49:36,240

this report coming out and

1427

00:49:40,630 --> 00:49:37,440

you know the

1428

00:49:42,710 --> 00:49:40,640

the extreme skeptical take on that um

1429

00:49:44,549 --> 00:49:42,720

skeptoid devoted two episodes didn't

1430

00:49:46,150 --> 00:49:44,559

they to the whole history of the the

1431

00:49:48,150 --> 00:49:46,160

different groups that they've had and

1432

00:49:51,109 --> 00:49:48,160

the years in which they've operated and

1433

00:49:52,950 --> 00:49:51,119

the way people like hal put off and

1434

00:49:54,790 --> 00:49:52,960

you know jack valley and people like

1435

00:49:56,230 --> 00:49:54,800

that have contributed to it

1436

00:49:58,150 --> 00:49:56,240

um

1437

00:50:00,950 --> 00:49:58,160

and

1438

00:50:02,630 --> 00:50:00,960

it's come from that source so it's not

1439

00:50:04,549 --> 00:50:02,640

whilst whilst there are senators and

1440

00:50:07,030 --> 00:50:04,559

people in your government who

1441

00:50:09,829 --> 00:50:07,040

want this information out there

1442

00:50:11,990 --> 00:50:09,839

um the people collating it recently have

1443

00:50:14,950 --> 00:50:12,000

been by and large have been in a

1444

00:50:16,390 --> 00:50:14,960

particular mindset so

1445

00:50:18,870 --> 00:50:16,400

these are the greatest hits that they've

1446

00:50:20,470 --> 00:50:18,880

put out there it's and

1447

00:50:21,589 --> 00:50:20,480

you know they're not showing us a lot of

1448

00:50:23,829 --> 00:50:21,599

other things that are a lot less

1449

00:50:25,510 --> 00:50:23,839

conclusive and

1450

00:50:27,190 --> 00:50:25,520

from my point of view if you do good

1451

00:50:29,190 --> 00:50:27,200

investigation

1452

00:50:31,349 --> 00:50:29,200

you add up everything you add up the

1453

00:50:34,069 --> 00:50:31,359

stuff that you thought was and you

1454

00:50:35,589 --> 00:50:34,079

discovered wasn't bizarre because that's

1455

00:50:36,470 --> 00:50:35,599

going to teach you something as well

1456

00:50:37,430 --> 00:50:36,480

yeah

1457

00:50:39,190 --> 00:50:37,440

so

1458

00:50:40,470 --> 00:50:39,200

from my point of view we have been here

1459

00:50:42,470 --> 00:50:40,480

before because

1460

00:50:45,349 --> 00:50:42,480

it is almost the perfect case at the

1461

00:50:47,030 --> 00:50:45,359

perfect time yeah and we've had those

1462

00:50:49,030 --> 00:50:47,040

you know the the washington overflight

1463

00:50:50,870 --> 00:50:49,040

was definitely that it

1464

00:50:53,270 --> 00:50:50,880

bear in mind the washington overflight

1465

00:50:56,710 --> 00:50:53,280

occurred about a year after the day the

1466

00:50:58,549 --> 00:50:56,720

earth stood still movie came out yeah

1467

00:51:00,390 --> 00:50:58,559

yeah but are you so are you saying our

1468

00:51:02,069 --> 00:51:00,400

government actually

1469

00:51:03,510 --> 00:51:02,079

faked it

1470

00:51:05,829 --> 00:51:03,520

is that what you're saying no i'm trying

1471

00:51:08,870 --> 00:51:05,839

to no no but okay the

1472

00:51:11,589 --> 00:51:08,880

the report came from the

1473

00:51:13,190 --> 00:51:11,599

it's the report was subcontracted it's

1474

00:51:15,030 --> 00:51:13,200

it's a government report because they

1475

00:51:16,710 --> 00:51:15,040

funded it not because it was government

1476

00:51:19,270 --> 00:51:16,720

people that did it

1477

00:51:21,910 --> 00:51:19,280

the the people that the nine page report

1478

00:51:23,829 --> 00:51:21,920

was was a a subcontracted job wasn't it

1479

00:51:25,829 --> 00:51:23,839

that um

1480

00:51:27,829 --> 00:51:25,839

you know the and it's those people i

1481

00:51:30,470 --> 00:51:27,839

mentioned that have been involved in in

1482

00:51:32,309 --> 00:51:30,480

ufo investigation for years

1483

00:51:33,910 --> 00:51:32,319

so

1484

00:51:37,190 --> 00:51:33,920

in a sense it's the it's the answers

1485

00:51:38,790 --> 00:51:37,200

you'd have expected them to give you and

1486

00:51:41,430 --> 00:51:38,800

like i say it

1487

00:51:43,910 --> 00:51:41,440

it fits a pattern where we've had

1488

00:51:45,829 --> 00:51:43,920

you part of the history of ufology is

1489

00:51:48,069 --> 00:51:45,839

that we've had the perfect case come

1490

00:51:50,630 --> 00:51:48,079

forward at the perfect time so for

1491

00:51:52,710 --> 00:51:50,640

example the mj12 documents made perfect

1492

00:51:54,630 --> 00:51:52,720

sense in the wake of watergate and the

1493

00:51:56,870 --> 00:51:54,640

whole idea about you know government

1494

00:51:59,430 --> 00:51:56,880

existing in a way that it was never

1495

00:52:02,390 --> 00:51:59,440

honest and and whatever yeah

1496

00:52:05,589 --> 00:52:02,400

and that just crashed and burned

1497

00:52:06,470 --> 00:52:05,599

so i we could talk around the houses on

1498

00:52:07,829 --> 00:52:06,480

this

1499

00:52:09,829 --> 00:52:07,839

perhaps a better way of looking at it

1500

00:52:11,750 --> 00:52:09,839

would be this martin

1501  
00:52:13,829 --> 00:52:11,760  
if we had this conversation in three

1502  
00:52:15,270 --> 00:52:13,839  
years time i wonder if anything more

1503  
00:52:17,910 --> 00:52:15,280  
will have developed from those three

1504  
00:52:19,510 --> 00:52:17,920  
videos or whether they will just go down

1505  
00:52:22,710 --> 00:52:19,520  
in history the way the washington over

1506  
00:52:23,990 --> 00:52:22,720  
flights did and mj-12 did and so on and

1507  
00:52:26,950 --> 00:52:24,000  
so on

1508  
00:52:27,829 --> 00:52:26,960  
well according to lou elizondo

1509  
00:52:29,430 --> 00:52:27,839  
there

1510  
00:52:30,950 --> 00:52:29,440  
at some point

1511  
00:52:35,030 --> 00:52:30,960  
um he thinks

1512  
00:52:37,750 --> 00:52:35,040  
it's going to be released as a 23-minute

1513  
00:52:40,630 --> 00:52:37,760

video that actually has multiple crafts

1514

00:52:42,950 --> 00:52:40,640

and that supposedly he has some type of

1515

00:52:43,990 --> 00:52:42,960

inside where that

1516

00:52:48,390 --> 00:52:44,000

he hasn't

1517

00:52:50,390 --> 00:52:48,400

said has come you know come along so

1518

00:52:51,910 --> 00:52:50,400

we'll see when that happens uh hopefully

1519

00:52:54,790 --> 00:52:51,920

that will

1520

00:52:57,030 --> 00:52:54,800

i would love i would love

1521

00:52:59,829 --> 00:52:57,040

to be wrong on this one yeah just think

1522

00:53:01,990 --> 00:52:59,839

about this for a second

1523

00:53:04,390 --> 00:53:02,000

there's a certain irony in

1524

00:53:06,230 --> 00:53:04,400

a lot of pro et people and whatever in

1525

00:53:08,069 --> 00:53:06,240

ufology

1526

00:53:11,030 --> 00:53:08,079

what they want is full disclosure the

1527

00:53:13,030 --> 00:53:11,040

whole time yeah well

1528

00:53:15,510 --> 00:53:13,040

if we got one bit of full disclosure and

1529

00:53:17,430 --> 00:53:15,520

it proved that e.t existed

1530

00:53:19,349 --> 00:53:17,440

it might put ufologists it might put a

1531

00:53:21,990 --> 00:53:19,359

lot of jobbing ufologists who go and do

1532

00:53:24,870 --> 00:53:22,000

talks and stuff out of a job

1533

00:53:26,630 --> 00:53:24,880

uh i don't care i'll still talk about it

1534

00:53:28,230 --> 00:53:26,640

well yeah but

1535

00:53:29,589 --> 00:53:28,240

if everybody knows what the answer is

1536

00:53:32,309 --> 00:53:29,599

who wants to keep me talking about the

1537

00:53:35,030 --> 00:53:32,319

possibilities i i this is not a money

1538

00:53:36,470 --> 00:53:35,040

thing for me it's not a passion

1539

00:53:38,470 --> 00:53:36,480

but i do understand there are some

1540

00:53:41,109 --> 00:53:38,480

circuit people and there are people that

1541

00:53:43,670 --> 00:53:41,119

yeah yeah but it might it might take a

1542

00:53:44,390 --> 00:53:43,680

lot of the business out of it um and i'm

1543

00:53:48,069 --> 00:53:44,400

not

1544

00:53:49,750 --> 00:53:48,079

that sounds a bit facetious but

1545

00:53:52,150 --> 00:53:49,760

you know i've been following this for

1546

00:53:54,309 --> 00:53:52,160

long enough and talking about it and and

1547

00:53:55,750 --> 00:53:54,319

going to conferences and all the things

1548

00:53:57,430 --> 00:53:55,760

that people should be doing if they want

1549

00:53:58,790 --> 00:53:57,440

to get involved in it

1550

00:54:01,670 --> 00:53:58,800

um

1551  
00:54:03,510 --> 00:54:01,680  
and it's blindingly obvious to me i mean

1552  
00:54:05,349 --> 00:54:03,520  
my academic background was teaching

1553  
00:54:07,349 --> 00:54:05,359  
people to write for a living and you

1554  
00:54:08,390 --> 00:54:07,359  
know media and getting them into those

1555  
00:54:11,270 --> 00:54:08,400  
areas

1556  
00:54:13,589 --> 00:54:11,280  
so you see how culture in inverted

1557  
00:54:15,589 --> 00:54:13,599  
commerce develops and it's blindingly

1558  
00:54:18,790 --> 00:54:15,599  
bloody obvious that that

1559  
00:54:20,710 --> 00:54:18,800  
ufos and the whole reality of ufos has

1560  
00:54:22,790 --> 00:54:20,720  
developed along with time and belief

1561  
00:54:24,950 --> 00:54:22,800  
systems and everything like that and

1562  
00:54:26,630 --> 00:54:24,960  
that's inescapable and a lot of what

1563  
00:54:29,190 --> 00:54:26,640

people talk about and a lot of what

1564

00:54:31,670 --> 00:54:29,200

people pay to consume is to do with

1565

00:54:33,910 --> 00:54:31,680

certain fashionable things yeah so you

1566

00:54:35,510 --> 00:54:33,920

would be struggling now george adamski

1567

00:54:37,910 --> 00:54:35,520

coming back now and saying well actually

1568

00:54:39,910 --> 00:54:37,920

i met a guy from venus i think he's on a

1569

00:54:42,230 --> 00:54:39,920

loser isn't he yeah

1570

00:54:44,150 --> 00:54:42,240

yeah well with milking it

1571

00:54:46,150 --> 00:54:44,160

yeah i mean yeah you know there's enough

1572

00:54:47,829 --> 00:54:46,160

out there about him but it's time for us

1573

00:54:49,910 --> 00:54:47,839

to go into break we have a four minute

1574

00:54:52,230 --> 00:54:49,920

break and this is one of the uh

1575

00:54:54,549 --> 00:54:52,240

recordings uh i've been getting a lot of

1576

00:54:56,789 --> 00:54:54,559

recordings for for uh some great ufo

1577

00:54:59,349 --> 00:54:56,799

sightings coming up and this one here is

1578

00:55:01,589 --> 00:54:59,359

by tony he's a flight controller just

1579

00:55:03,990 --> 00:55:01,599

outside of detroit and for those of you

1580

00:55:08,470 --> 00:55:04,000

over at kgra radio we'll be right back

1581

00:55:12,789 --> 00:55:11,670

all righty i have tony on the line tony

1582

00:55:15,030 --> 00:55:12,799

welcome

1583

00:55:17,430 --> 00:55:15,040

hi there martin um now you sent me an

1584

00:55:18,630 --> 00:55:17,440

email saying you had a strange

1585

00:55:23,270 --> 00:55:18,640

ufo

1586

00:55:26,710 --> 00:55:23,280

uh sighting and it's it's one that

1587

00:55:28,549 --> 00:55:26,720

it's so bizarre because a few days ago

1588

00:55:29,510 --> 00:55:28,559

someone wrote me

1589

00:55:31,030 --> 00:55:29,520

um

1590

00:55:33,910 --> 00:55:31,040

that's in the military that said they

1591

00:55:35,510 --> 00:55:33,920

had a cylinder vertical cylinder

1592

00:55:37,990 --> 00:55:35,520

sighting just like what you're talking

1593

00:55:40,150 --> 00:55:38,000

about but let's go into the details

1594

00:55:42,069 --> 00:55:40,160

uh what uh when did how long ago did

1595

00:55:45,430 --> 00:55:42,079

this happen and where and all that all

1596

00:55:47,190 --> 00:55:45,440

that this was in march of uh 2018 is

1597

00:55:49,750 --> 00:55:47,200

when it happened

1598

00:55:52,390 --> 00:55:49,760

and i mean months passed before i ever

1599

00:55:54,309 --> 00:55:52,400

reported that to mufon

1600

00:55:56,309 --> 00:55:54,319

or anything i never even researched it

1601  
00:55:58,230 --> 00:55:56,319  
just it bothered me that i didn't know

1602  
00:56:00,470 --> 00:55:58,240  
what i saw that day i

1603  
00:56:02,950 --> 00:56:00,480  
looked at it myself and a coworker

1604  
00:56:04,950 --> 00:56:02,960  
through binoculars and couldn't

1605  
00:56:06,549 --> 00:56:04,960  
understand what we were looking at

1606  
00:56:08,870 --> 00:56:06,559  
now i should i should point out to the

1607  
00:56:11,109 --> 00:56:08,880  
person watching on on youtube or

1608  
00:56:13,030 --> 00:56:11,119  
facebook or wherever it is that this is

1609  
00:56:15,349 --> 00:56:13,040  
a picture of something you found that

1610  
00:56:16,870 --> 00:56:15,359  
looked very similar but did you not have

1611  
00:56:19,109 --> 00:56:16,880  
a chance to take a picture of it when

1612  
00:56:21,109 --> 00:56:19,119  
you saw it or was it so small you could

1613  
00:56:23,589 --> 00:56:21,119

only see it in the binoculars yeah

1614

00:56:25,510 --> 00:56:23,599

absolutely it was so it was it was pro

1615

00:56:27,349 --> 00:56:25,520

my guess is somewhere around 20 000 feet

1616

00:56:29,430 --> 00:56:27,359

at altitude it was it was up there a

1617

00:56:31,750 --> 00:56:29,440

little ways my phone i did take some

1618

00:56:33,990 --> 00:56:31,760

pictures with my phone but the image at

1619

00:56:36,630 --> 00:56:34,000

that point it just looks like a star

1620

00:56:39,349 --> 00:56:36,640

it gave off so much light so much glint

1621

00:56:41,510 --> 00:56:39,359

uh that it it that's basically all it

1622

00:56:44,150 --> 00:56:41,520

showed up as on my phone what time of

1623

00:56:46,069 --> 00:56:44,160

day or was it in the evening nope 2 30

1624

00:56:48,470 --> 00:56:46,079

in the afternoon broad daylight

1625

00:56:50,230 --> 00:56:48,480

uh aircraft landing at metro airport

1626  
00:56:52,069 --> 00:56:50,240  
directly underneath it

1627  
00:56:53,190 --> 00:56:52,079  
but the facility i'm a plant manager at

1628  
00:56:55,430 --> 00:56:53,200  
a facility

1629  
00:56:56,630 --> 00:56:55,440  
about four miles from metro airport in

1630  
00:56:58,950 --> 00:56:56,640  
detroit

1631  
00:56:59,990 --> 00:56:58,960  
and the airport's actually in romulus

1632  
00:57:02,470 --> 00:57:00,000  
and uh

1633  
00:57:03,829 --> 00:57:02,480  
it was directly over top of landing

1634  
00:57:06,390 --> 00:57:03,839  
aircraft

1635  
00:57:08,150 --> 00:57:06,400  
um i watched it come from the north

1636  
00:57:11,270 --> 00:57:08,160  
slowly make a

1637  
00:57:13,349 --> 00:57:11,280  
uh heading kind of southwest

1638  
00:57:15,510 --> 00:57:13,359

and i've we watched this thing for

1639

00:57:18,150 --> 00:57:15,520

probably 30 minutes

1640

00:57:20,150 --> 00:57:18,160

and i i stared out edit out my office

1641

00:57:21,430 --> 00:57:20,160

window originally and i i just couldn't

1642

00:57:23,349 --> 00:57:21,440

understand what i was looking at so i

1643

00:57:24,390 --> 00:57:23,359

grabbed my binoculars and i keep next to

1644

00:57:26,069 --> 00:57:24,400

my desk

1645

00:57:27,589 --> 00:57:26,079

and walked out took a look at it

1646

00:57:28,630 --> 00:57:27,599

co-worker came over he was looking at it

1647

00:57:29,510 --> 00:57:28,640

with me

1648

00:57:31,510 --> 00:57:29,520

and

1649

00:57:33,670 --> 00:57:31,520

i remember putting the binoculars

1650

00:57:34,950 --> 00:57:33,680

multiple times to my eyes and

1651  
00:57:37,109 --> 00:57:34,960  
i just kept putting them down going what

1652  
00:57:39,430 --> 00:57:37,119  
if i didn't understand what i was seeing

1653  
00:57:40,870 --> 00:57:39,440  
it made no sense to me because the wind

1654  
00:57:42,950 --> 00:57:40,880  
was blowing

1655  
00:57:45,270 --> 00:57:42,960  
directly to the east

1656  
00:57:47,030 --> 00:57:45,280  
the aircraft were landing into the wind

1657  
00:57:49,510 --> 00:57:47,040  
heading west and when they do that they

1658  
00:57:52,069 --> 00:57:49,520  
passed directly over our facility

1659  
00:57:53,990 --> 00:57:52,079  
and i couldn't we we both couldn't

1660  
00:57:55,510 --> 00:57:54,000  
understand what we were seeing and it

1661  
00:57:56,630 --> 00:57:55,520  
looked fairly large it looked like it

1662  
00:57:59,349 --> 00:57:56,640  
may have been

1663  
00:58:01,829 --> 00:57:59,359

my guess is 100 foot in length at least

1664

00:58:03,910 --> 00:58:01,839

oh so that's probably not a typical

1665

00:58:06,069 --> 00:58:03,920

balloon uh one last thing do you think

1666

00:58:08,470 --> 00:58:06,079

the airplanes that were landing actually

1667

00:58:09,589 --> 00:58:08,480

saw this thing oh absolutely

1668

00:58:11,270 --> 00:58:09,599

yep

1669

00:58:13,990 --> 00:58:11,280

it was much higher in altitude but i bet

1670

00:58:15,190 --> 00:58:14,000

they saw it and what i didn't add in was

1671

00:58:17,030 --> 00:58:15,200

there was

1672

00:58:19,910 --> 00:58:17,040

uh once i took down the binoculars when

1673

00:58:21,750 --> 00:58:19,920

it was almost directly over our facility

1674

00:58:23,990 --> 00:58:21,760

at probably 20 000 feet in altitude

1675

00:58:25,109 --> 00:58:24,000

there was an f-16 that flew right next

1676

00:58:27,589 --> 00:58:25,119

to it

1677

00:58:29,109 --> 00:58:27,599

from the north to the south and i

1678

00:58:31,990 --> 00:58:29,119

watched that thing go out to the south

1679

00:58:33,670 --> 00:58:32,000

f-16 until i couldn't see it anymore

1680

00:58:35,109 --> 00:58:33,680

and it passed right next to it so

1681

00:58:37,510 --> 00:58:35,119

something was interested in what that

1682

00:58:41,540 --> 00:58:37,520

was yeah interesting well thank you so

1683

00:59:10,710 --> 00:58:41,550

much tony i appreciate that no problem

1684

00:59:10,720 --> 00:59:17,750

stand by martin

1685

00:59:23,510 --> 00:59:21,829

in three two one go

1686

00:59:25,670 --> 00:59:23,520

all right welcome back

1687

00:59:27,589 --> 00:59:25,680

uh i'm martin willis and my guest

1688

00:59:30,390 --> 00:59:27,599

tonight is neil nixon

1689

00:59:32,870 --> 00:59:30,400

and gonna bring him right back in

1690

00:59:35,109 --> 00:59:32,880

i think i am there he is

1691

00:59:35,910 --> 00:59:35,119

all right welcome back yeah

1692

00:59:38,309 --> 00:59:35,920

uh

1693

00:59:40,470 --> 00:59:38,319

yeah well

1694

00:59:42,950 --> 00:59:40,480

i have the feeling that so

1695

00:59:44,630 --> 00:59:42,960

for the most part um

1696

00:59:46,549 --> 00:59:44,640

it seems like you've really looked

1697

00:59:48,630 --> 00:59:46,559

pretty deeply into the topic but what do

1698

00:59:50,069 --> 00:59:48,640

you make of things like the ariel school

1699

00:59:51,030 --> 00:59:50,079

incident

1700

00:59:52,950 --> 00:59:51,040

siri

1701  
00:59:55,670 --> 00:59:52,960  
are you familiar with the ariel school

1702  
00:59:58,789 --> 00:59:55,680  
incident well the one in in africa

1703  
01:00:01,430 --> 00:59:58,799  
yeah yeah um

1704  
01:00:04,390 --> 01:00:01,440  
again i i don't know so you're right in

1705  
01:00:05,670 --> 01:00:04,400  
terms of looking into it deeply

1706  
01:00:08,069 --> 01:00:05,680  
um

1707  
01:00:09,829 --> 01:00:08,079  
i've probably looked

1708  
01:00:11,109 --> 01:00:09,839  
way more into

1709  
01:00:13,190 --> 01:00:11,119  
kind of the

1710  
01:00:14,950 --> 01:00:13,200  
psychological sociological all the other

1711  
01:00:17,030 --> 01:00:14,960  
explanations that people tend not to

1712  
01:00:19,349 --> 01:00:17,040  
touch on very much and i've got a few

1713  
01:00:21,990 --> 01:00:19,359

kind of things that i've

1714

01:00:24,150 --> 01:00:22,000

you know my own kind of insights into it

1715

01:00:25,829 --> 01:00:24,160

which aren't in the literature and you

1716

01:00:28,390 --> 01:00:25,839

know which i'll eventually get around to

1717

01:00:30,710 --> 01:00:28,400

writing up but um

1718

01:00:32,950 --> 01:00:30,720

that one very much resembles a case in

1719

01:00:35,109 --> 01:00:32,960

the uk and again

1720

01:00:36,870 --> 01:00:35,119

let's be clear about this because alan

1721

01:00:39,109 --> 01:00:36,880

heineck said the same thing that we

1722

01:00:42,710 --> 01:00:39,119

don't by and large we don't study ufos

1723

01:00:44,309 --> 01:00:42,720

we study reports of ufos right um that's

1724

01:00:46,309 --> 01:00:44,319

one of the more convincing ones there is

1725

01:00:47,750 --> 01:00:46,319

a skill report from wales in this

1726

01:00:50,390 --> 01:00:47,760

country

1727

01:00:53,109 --> 01:00:50,400

which is very very similar where

1728

01:00:54,710 --> 01:00:53,119

a lot fewer children saw something land

1729

01:00:56,710 --> 01:00:54,720

and

1730

01:00:59,109 --> 01:00:56,720

were again quite rightly sort of

1731

01:01:01,589 --> 01:00:59,119

separated and asked to draw it and came

1732

01:01:02,309 --> 01:01:01,599

up with very very similar drawings

1733

01:01:03,109 --> 01:01:02,319

and

1734

01:01:16,150 --> 01:01:03,119

i

1735

01:01:18,870 --> 01:01:16,160

so

1736

01:01:20,710 --> 01:01:18,880

i don't know i'm hugely intrigued kids

1737

01:01:22,710 --> 01:01:20,720

in some ways are the best witnesses

1738

01:01:24,390 --> 01:01:22,720

because they're often very matter of

1739

01:01:25,589 --> 01:01:24,400

fact about things that the rest of us

1740

01:01:27,190 --> 01:01:25,599

would find

1741

01:01:27,990 --> 01:01:27,200

truly bizarre

1742

01:01:29,349 --> 01:01:28,000

right

1743

01:01:30,150 --> 01:01:29,359

so

1744

01:01:34,390 --> 01:01:30,160

the

1745

01:01:36,390 --> 01:01:34,400

and this is this is my heart i did

1746

01:01:38,710 --> 01:01:36,400

skepticism again which will wind some of

1747

01:01:40,150 --> 01:01:38,720

your listeners up i know but

1748

01:01:41,829 --> 01:01:40,160

there are two things that occur to me

1749

01:01:44,390 --> 01:01:41,839

when we're dealing with these cases

1750

01:01:45,589 --> 01:01:44,400

first of all if they're true

1751

01:01:47,829 --> 01:01:45,599

then they're

1752

01:01:49,430 --> 01:01:47,839

it's a one-off or it's a two-off you

1753

01:01:50,710 --> 01:01:49,440

know and there's one or two other cases

1754

01:01:51,589 --> 01:01:50,720

like that

1755

01:01:53,990 --> 01:01:51,599

so

1756

01:01:57,270 --> 01:01:54,000

it doesn't make sense to me that all

1757

01:02:00,470 --> 01:01:57,280

that effort from one place to another to

1758

01:02:01,990 --> 01:02:00,480

come to us if this is space travelers

1759

01:02:03,270 --> 01:02:02,000

just results in them presenting

1760

01:02:06,069 --> 01:02:03,280

themselves in front of a bunch of

1761

01:02:08,630 --> 01:02:06,079

skilled kids and disappearing again

1762

01:02:09,510 --> 01:02:08,640

here's my here's my thoughts on that

1763

01:02:11,190 --> 01:02:09,520

um

1764

01:02:14,069 --> 01:02:11,200

who's more malleable

1765

01:02:14,870 --> 01:02:14,079

than a young child um you know a lot of

1766

01:02:18,470 --> 01:02:14,880

these

1767

01:02:20,710 --> 01:02:18,480

students have claimed that they had

1768

01:02:21,750 --> 01:02:20,720

telepathic messages to take care of the

1769

01:02:23,829 --> 01:02:21,760

earth i mean

1770

01:02:25,829 --> 01:02:23,839

it's i think that's all fascinating

1771

01:02:28,950 --> 01:02:25,839

there's a lot of schoolyard

1772

01:02:31,190 --> 01:02:28,960

sightings and and also i think whoever

1773

01:02:33,589 --> 01:02:31,200

this is traveling you're trying to put

1774

01:02:35,670 --> 01:02:33,599

them in a box of how we think

1775

01:02:36,549 --> 01:02:35,680

this is what i see i'm being skeptical

1776

01:02:37,750 --> 01:02:36,559

of you

1777

01:02:39,829 --> 01:02:37,760

because

1778

01:02:41,829 --> 01:02:39,839

you know you're you're trying to

1779

01:02:43,670 --> 01:02:41,839

whatever it is

1780

01:02:46,230 --> 01:02:43,680

how can they possibly think and

1781

01:02:48,150 --> 01:02:46,240

rationalize like we do and that's what i

1782

01:02:50,150 --> 01:02:48,160

think you're trying to

1783

01:02:52,069 --> 01:02:50,160

i'm being skeptical of you then

1784

01:02:54,630 --> 01:02:52,079

um all right

1785

01:02:56,870 --> 01:02:54,640

no this is this is a proper interview

1786

01:02:58,470 --> 01:02:56,880

two views colliding will yeah come to

1787

01:03:00,230 --> 01:02:58,480

some conclusions point camera points

1788

01:03:01,349 --> 01:03:00,240

it's trotting out the greatest hits

1789

01:03:03,190 --> 01:03:01,359

isn't it

1790

01:03:04,470 --> 01:03:03,200

i'm not trying to put them in a box the

1791

01:03:08,390 --> 01:03:04,480

problem

1792

01:03:12,309 --> 01:03:09,990

fairly skeptically minded person who's

1793

01:03:14,630 --> 01:03:12,319

interested in ufos is that i'm often

1794

01:03:18,390 --> 01:03:14,640

asked questions in the context of a ufo

1795

01:03:20,470 --> 01:03:18,400

podcast or a ufo mindset

1796

01:03:22,710 --> 01:03:20,480

and why does it have to be to do with

1797

01:03:24,870 --> 01:03:22,720

ufos so

1798

01:03:26,150 --> 01:03:24,880

if i just throw out

1799

01:03:29,589 --> 01:03:26,160

a couple of other suggestions with

1800

01:03:31,510 --> 01:03:29,599

regard to the skill things or whatever

1801  
01:03:34,230 --> 01:03:31,520  
if we assume for one second that there

1802  
01:03:36,710 --> 01:03:34,240  
are truly bizarre things happening

1803  
01:03:38,750 --> 01:03:36,720  
and that they've always been happening

1804  
01:03:41,109 --> 01:03:38,760  
and that we experience them as

1805  
01:03:42,630 --> 01:03:41,119  
extraterrestrial then it might simply be

1806  
01:03:45,029 --> 01:03:42,640  
that that's the way that we understand

1807  
01:03:47,910 --> 01:03:45,039  
them now and it might have nothing to do

1808  
01:03:50,230 --> 01:03:47,920  
with people traveling light years so you

1809  
01:03:52,150 --> 01:03:50,240  
know the whole thing about the seti guys

1810  
01:03:54,309 --> 01:03:52,160  
when they started off and you know

1811  
01:03:55,750 --> 01:03:54,319  
enrico fermi's question about where are

1812  
01:03:57,270 --> 01:03:55,760  
they all then if there's that many

1813  
01:03:59,109 --> 01:03:57,280

inhabited planets

1814

01:04:01,109 --> 01:03:59,119

well it may be that

1815

01:04:03,430 --> 01:04:01,119

and this is something i'd be open to

1816

01:04:06,069 --> 01:04:03,440

that if there are intelligences

1817

01:04:08,870 --> 01:04:06,079

contacting us they may be struggling to

1818

01:04:11,109 --> 01:04:08,880

get in touch with us and that's it might

1819

01:04:12,630 --> 01:04:11,119

not be extraterrestrials in the way that

1820

01:04:14,150 --> 01:04:12,640

we present it

1821

01:04:15,990 --> 01:04:14,160

right and

1822

01:04:17,109 --> 01:04:16,000

in that case who's more malleable than

1823

01:04:18,710 --> 01:04:17,119

kids

1824

01:04:20,950 --> 01:04:18,720

they might all have the same experience

1825

01:04:22,069 --> 01:04:20,960

but what they're experiencing might be

1826

01:04:24,870 --> 01:04:22,079

it's almost like it might be a

1827

01:04:26,710 --> 01:04:24,880

manifestation of something it might be

1828

01:04:28,549 --> 01:04:26,720

they might be led to the experience but

1829

01:04:30,309 --> 01:04:28,559

actually that what's if you and i had

1830

01:04:33,029 --> 01:04:30,319

stood there if you'd filmed it you might

1831

01:04:34,309 --> 01:04:33,039

not have seen the same thing right and

1832

01:04:35,829 --> 01:04:34,319

you know again

1833

01:04:37,589 --> 01:04:35,839

more than we haven't got the time to go

1834

01:04:40,069 --> 01:04:37,599

into this but if people wanted to google

1835

01:04:42,710 --> 01:04:40,079

various people there's a gun there's a

1836

01:04:44,710 --> 01:04:42,720

physicist called gerard tuft i mentioned

1837

01:04:47,750 --> 01:04:44,720

his name at doing a talk once and people

1838

01:04:49,910 --> 01:04:47,760

started laughing like it was funny but

1839

01:04:52,069 --> 01:04:49,920

he's dutch so it's a dutch name he

1840

01:04:53,990 --> 01:04:52,079

believes in a deterministic universe

1841

01:04:55,349 --> 01:04:54,000

basically he's an expert on quantum

1842

01:04:57,029 --> 01:04:55,359

theory

1843

01:04:58,630 --> 01:04:57,039

so he's one of these people who's open

1844

01:05:00,230 --> 01:04:58,640

to the fact that there may be it's

1845

01:05:01,510 --> 01:05:00,240

almost like the universe will be leading

1846

01:05:03,349 --> 01:05:01,520

us on and

1847

01:05:04,710 --> 01:05:03,359

the cosmos is leading us and we're

1848

01:05:06,309 --> 01:05:04,720

becoming

1849

01:05:07,829 --> 01:05:06,319

aware at the rate at which we can be

1850

01:05:09,990 --> 01:05:07,839

aware and clearly we're limited by the

1851

01:05:11,109 --> 01:05:10,000

fact that we're human beings and it's

1852

01:05:13,510 --> 01:05:11,119

questionable whether we're the most

1853

01:05:14,950 --> 01:05:13,520

intelligent animals on the planet anyway

1854

01:05:15,750 --> 01:05:14,960

um

1855

01:05:17,670 --> 01:05:15,760

but

1856

01:05:19,270 --> 01:05:17,680

in that case

1857

01:05:21,029 --> 01:05:19,280

his theater and

1858

01:05:23,829 --> 01:05:21,039

he's no slouch i mean he's got a nobel

1859

01:05:25,430 --> 01:05:23,839

prize so he must know what he's doing um

1860

01:05:27,109 --> 01:05:25,440

a lot although he's a bit of an outlier

1861

01:05:28,789 --> 01:05:27,119

but the the

1862

01:05:31,029 --> 01:05:28,799

the point is that

1863

01:05:32,630 --> 01:05:31,039

he's got a quantum theory argument that

1864

01:05:34,870 --> 01:05:32,640

begins to address something that has

1865

01:05:36,470 --> 01:05:34,880

been addressed by people who study

1866

01:05:39,670 --> 01:05:36,480

related things which are not to do with

1867

01:05:42,710 --> 01:05:39,680

ufos so william james i think it was

1868

01:05:44,470 --> 01:05:42,720

1902 his book on the um

1869

01:05:47,109 --> 01:05:44,480

basically the varieties of religious

1870

01:05:49,990 --> 01:05:47,119

experience he codified a mystical

1871

01:05:51,910 --> 01:05:50,000

experience that far back right except he

1872

01:05:53,270 --> 01:05:51,920

was not talking about ufos he was

1873

01:05:55,670 --> 01:05:53,280

talking about people who have

1874

01:05:57,670 --> 01:05:55,680

experiences

1875

01:05:59,670 --> 01:05:57,680

to do with god manifesting themselves

1876  
01:06:01,190 --> 01:05:59,680  
himself to them or you know those kind

1877  
01:06:02,789 --> 01:06:01,200  
of things but the point he was making

1878  
01:06:04,950 --> 01:06:02,799  
was that there's there's almost like a

1879  
01:06:06,630 --> 01:06:04,960  
commonality of experience and that is

1880  
01:06:08,789 --> 01:06:06,640  
the same regardless of which god

1881  
01:06:10,549 --> 01:06:08,799  
manifests himself to you or whether

1882  
01:06:12,549 --> 01:06:10,559  
you're encountering a like a nature

1883  
01:06:14,150 --> 01:06:12,559  
spirit now that was written in that book

1884  
01:06:15,430 --> 01:06:14,160  
came out in the early years of the 20th

1885  
01:06:19,990 --> 01:06:15,440  
century

1886  
01:06:21,589 --> 01:06:20,000  
talking about flying sources

1887  
01:06:23,430 --> 01:06:21,599  
those things where we might be having

1888  
01:06:25,750 --> 01:06:23,440

some kind of mystical experience and

1889

01:06:29,109 --> 01:06:25,760

contacting something that we don't

1890

01:06:30,870 --> 01:06:29,119

understand make more sense to me as

1891

01:06:33,190 --> 01:06:30,880

for example the school

1892

01:06:35,589 --> 01:06:33,200

sightings than

1893

01:06:37,270 --> 01:06:35,599

intelligent aliens flying light years to

1894

01:06:40,549 --> 01:06:37,280

land in africa and then they'll go to

1895

01:06:41,750 --> 01:06:40,559

wales a bit later yeah um so it you know

1896

01:06:43,109 --> 01:06:41,760

it's

1897

01:06:44,950 --> 01:06:43,119

if you take the if you take the

1898

01:06:47,029 --> 01:06:44,960

experience and say well let's take it

1899

01:06:48,870 --> 01:06:47,039

out of the context of ufos for a bit

1900

01:06:51,029 --> 01:06:48,880

there are probably other explanations

1901

01:06:52,630 --> 01:06:51,039

that you could apply to it and again i

1902

01:06:55,029 --> 01:06:52,640

don't know i just those are the cutting

1903

01:06:57,109 --> 01:06:55,039

edge ideas you know there are one or two

1904

01:06:58,710 --> 01:06:57,119

notable scientists if you look into it

1905

01:07:01,029 --> 01:06:58,720

who are tend to be disregarded by the

1906

01:07:03,349 --> 01:07:01,039

ufo community

1907

01:07:05,270 --> 01:07:03,359

brian josephson is another one who

1908

01:07:07,109 --> 01:07:05,280

having won a nobel prize looked into

1909

01:07:09,510 --> 01:07:07,119

quite mystical things and they're

1910

01:07:11,750 --> 01:07:09,520

uncovering amazing possibilities which

1911

01:07:13,670 --> 01:07:11,760

they can't prove but they can

1912

01:07:16,789 --> 01:07:13,680

line up logical physics that suggests

1913

01:07:17,990 --> 01:07:16,799

that it might be and that that we might

1914

01:07:19,990 --> 01:07:18,000

you know we might interpret the

1915

01:07:21,750 --> 01:07:20,000

experiences in our own way but actually

1916

01:07:25,109 --> 01:07:21,760

we might be being led forward the whole

1917

01:07:28,870 --> 01:07:25,119

time okay rant over on that one

1918

01:07:30,230 --> 01:07:28,880

well you know i i believe that

1919

01:07:32,309 --> 01:07:30,240

uh

1920

01:07:34,470 --> 01:07:32,319

you you've mentioned a number of times

1921

01:07:37,750 --> 01:07:34,480

tonight that you know they've traveled

1922

01:07:40,309 --> 01:07:37,760

light years to get here and this is just

1923

01:07:42,789 --> 01:07:40,319

you know speculation on my point uh

1924

01:07:46,230 --> 01:07:42,799

maybe not uh maybe

1925

01:07:48,230 --> 01:07:46,240

uh it's not light years to them maybe

1926

01:07:49,750 --> 01:07:48,240

let's just say i'm throwing this out

1927

01:07:51,750 --> 01:07:49,760

there i'm not saying i believe it i'm

1928

01:07:53,589 --> 01:07:51,760

just throwing this out there

1929

01:07:57,270 --> 01:07:53,599

say there is an advanced

1930

01:07:58,710 --> 01:07:57,280

civil civilization that has a half a

1931

01:08:00,470 --> 01:07:58,720

billion years

1932

01:08:01,829 --> 01:08:00,480

technology advancement on us they've

1933

01:08:03,750 --> 01:08:01,839

been around that long they made it

1934

01:08:05,430 --> 01:08:03,760

without killing themselves like

1935

01:08:06,789 --> 01:08:05,440

we might possibly do

1936

01:08:08,789 --> 01:08:06,799

but uh

1937

01:08:10,470 --> 01:08:08,799

just say they made it through all

1938

01:08:13,349 --> 01:08:10,480

the technology and they're so far

1939

01:08:14,789 --> 01:08:13,359

advanced that they figured things out in

1940

01:08:16,789 --> 01:08:14,799

physics that we

1941

01:08:19,030 --> 01:08:16,799

couldn't even dream of and there's no

1942

01:08:21,510 --> 01:08:19,040

such thing as is light travel it doesn't

1943

01:08:22,789 --> 01:08:21,520

mean anything just like okay i'm gonna

1944

01:08:24,789 --> 01:08:22,799

go there and they go there you know

1945

01:08:26,550 --> 01:08:24,799

somehow

1946

01:08:29,430 --> 01:08:26,560

that we can't even imagine how they do

1947

01:08:31,590 --> 01:08:29,440

it so when you keep throwing out this

1948

01:08:33,910 --> 01:08:31,600

light years away it to us it's light

1949

01:08:35,749 --> 01:08:33,920

years away maybe it's not to wherever

1950

01:08:39,030 --> 01:08:35,759

they're coming from somehow the way

1951

01:08:40,149 --> 01:08:39,040

they're getting here um so

1952

01:08:43,590 --> 01:08:40,159

you know i mean

1953

01:08:45,910 --> 01:08:43,600

i'm speculating i realize that but um

1954

01:08:47,990 --> 01:08:45,920

but but maybe that's and the things you

1955

01:08:50,709 --> 01:08:48,000

mentioned about uh okay they showed up

1956

01:08:53,110 --> 01:08:50,719

two saturdays in a row or they showed up

1957

01:08:55,590 --> 01:08:53,120

in any year anniversary i know none of

1958

01:08:57,349 --> 01:08:55,600

that makes any sense because why would

1959

01:08:58,470 --> 01:08:57,359

they use our years and why would they

1960

01:08:59,990 --> 01:08:58,480

use

1961

01:09:02,390 --> 01:09:00,000

our week and why would they you know

1962

01:09:04,390 --> 01:09:02,400

what i mean so uh so i don't know what

1963

01:09:05,749 --> 01:09:04,400

the answers are to that

1964

01:09:07,910 --> 01:09:05,759

okay so

1965

01:09:10,229 --> 01:09:07,920

we're not as far apart as you'd think

1966

01:09:11,189 --> 01:09:10,239

it's just when i speculate i suppose

1967

01:09:13,510 --> 01:09:11,199

it's it's

1968

01:09:15,590 --> 01:09:13,520

it's the career academic in me i've

1969

01:09:17,749 --> 01:09:15,600

spent

1970

01:09:19,749 --> 01:09:17,759

most of my academic work in life was in

1971

01:09:21,430 --> 01:09:19,759

what we call the humanities in the uk

1972

01:09:23,510 --> 01:09:21,440

like i said i used to teach people to

1973

01:09:25,590 --> 01:09:23,520

write for a living so

1974

01:09:29,269 --> 01:09:25,600

you can't

1975

01:09:30,950 --> 01:09:29,279

arguments in those areas what you you

1976

01:09:32,789 --> 01:09:30,960

you can't have deductive arguments where

1977

01:09:34,309 --> 01:09:32,799

that plus that plus that means the

1978

01:09:35,749 --> 01:09:34,319

following thing is definitely true so

1979

01:09:37,910 --> 01:09:35,759

they're always the best amplitude of

1980

01:09:39,590 --> 01:09:37,920

arguments in other words you can you

1981

01:09:42,229 --> 01:09:39,600

know you can line up

1982

01:09:44,470 --> 01:09:42,239

the most logical things you can david

1983

01:09:46,550 --> 01:09:44,480

clark who's a famous british ufologist

1984

01:09:49,189 --> 01:09:46,560

he's fondly

1985

01:09:51,110 --> 01:09:49,199

yeah right yeah okay and

1986

01:09:53,829 --> 01:09:51,120

he mentions occam's razor quite a lot

1987

01:09:55,669 --> 01:09:53,839

but dave's uh you know he's an academic

1988

01:09:56,709 --> 01:09:55,679

as well and it's kind of how we end up

1989

01:09:57,830 --> 01:09:56,719

thinking

1990

01:10:01,110 --> 01:09:57,840

so

1991

01:10:03,110 --> 01:10:01,120

because the whole thing is just massive

1992

01:10:04,790 --> 01:10:03,120

and mystifying the whole ufo thing is

1993

01:10:06,630 --> 01:10:04,800

massive and mystifying

1994

01:10:07,910 --> 01:10:06,640

i suppose i've just defaulted over the

1995

01:10:09,669 --> 01:10:07,920

years to

1996

01:10:11,830 --> 01:10:09,679

trying to use whatever logic is

1997

01:10:13,910 --> 01:10:11,840

available and where you can line things

1998

01:10:16,550 --> 01:10:13,920

up that make sense and you could prove

1999

01:10:18,390 --> 01:10:16,560

them to a certain extent that's probably

2000

01:10:20,870 --> 01:10:18,400

the best way to go because

2001  
01:10:22,870 --> 01:10:20,880  
if you gradually disassemble the whole

2002  
01:10:24,950 --> 01:10:22,880  
thing and say well we can line all of

2003  
01:10:26,550 --> 01:10:24,960  
these up and

2004  
01:10:29,270 --> 01:10:26,560  
we can look in that area and we might

2005  
01:10:31,030 --> 01:10:29,280  
have the beginnings of an explanation

2006  
01:10:34,310 --> 01:10:31,040  
then what you're left with are the true

2007  
01:10:35,830 --> 01:10:34,320  
mysteries now my guess is if let's just

2008  
01:10:38,070 --> 01:10:35,840  
say for the sake of argument that

2009  
01:10:40,870 --> 01:10:38,080  
everybody in the ufo business suddenly

2010  
01:10:42,149 --> 01:10:40,880  
decided to agree with each other yeah

2011  
01:10:44,950 --> 01:10:42,159  
it's really going to happen it's not

2012  
01:10:46,390 --> 01:10:44,960  
going to happen yeah you know

2013  
01:10:49,189 --> 01:10:46,400

around about the time that you know

2014

01:10:50,790 --> 01:10:49,199

donald trump and um joe biden go bowling

2015

01:10:53,430 --> 01:10:50,800

together probably the same day right

2016

01:10:58,630 --> 01:10:56,390

but if they did if if some look if

2017

01:11:00,709 --> 01:10:58,640

somebody just lined weapons up and said

2018

01:11:02,630 --> 01:11:00,719

right you're gonna sort this

2019

01:11:04,709 --> 01:11:02,640

then i think a lot of the most

2020

01:11:06,390 --> 01:11:04,719

celebrated cases would

2021

01:11:08,070 --> 01:11:06,400

they'd fall apart the ones that just get

2022

01:11:09,430 --> 01:11:08,080

trotted out on the you know the the

2023

01:11:11,510 --> 01:11:09,440

documentaries that the popular

2024

01:11:13,669 --> 01:11:11,520

documentaries and stuff but i think we'd

2025

01:11:15,750 --> 01:11:13,679

be left with a handful which would not

2026

01:11:17,510 --> 01:11:15,760

be the ones we'd necessarily expect

2027

01:11:19,990 --> 01:11:17,520

which would be truly

2028

01:11:21,830 --> 01:11:20,000

would remain truly mysterious and

2029

01:11:23,350 --> 01:11:21,840

so i

2030

01:11:25,590 --> 01:11:23,360

you know obviously if you do it on your

2031

01:11:26,390 --> 01:11:25,600

own you end up trying to make sense

2032

01:11:29,030 --> 01:11:26,400

trying to

2033

01:11:31,110 --> 01:11:29,040

do that but in a very limited way so the

2034

01:11:32,229 --> 01:11:31,120

whole thing about the Saturdays

2035

01:11:35,910 --> 01:11:32,239

when

2036

01:11:38,870 --> 01:11:35,920

in particular places and there might be

2037

01:11:40,950 --> 01:11:38,880

good reasons good human reasons for them

2038

01:11:42,790 --> 01:11:40,960

happening i think we have to take that

2039

01:11:46,470 --> 01:11:42,800

into the equation so the washington

2040

01:11:49,030 --> 01:11:46,480

sightings in 1952 unexplained

2041

01:11:50,870 --> 01:11:49,040

utterly bizarre or the perfect sightings

2042

01:11:52,790 --> 01:11:50,880

for that particular time

2043

01:11:55,270 --> 01:11:52,800

but they've never been repeated and they

2044

01:11:58,470 --> 01:11:55,280

just did happen to occur on two

2045

01:12:00,630 --> 01:11:58,480

consecutive saturdays yeah i think it's

2046

01:12:02,630 --> 01:12:00,640

i i think it's bizarre that it's ever

2047

01:12:04,550 --> 01:12:02,640

repeated in the first place i mean

2048

01:12:08,149 --> 01:12:04,560

that's one of the things that always is

2049

01:12:09,030 --> 01:12:08,159

curious to me like for instance uh when

2050

01:12:11,590 --> 01:12:09,040

there's

2051

01:12:13,430 --> 01:12:11,600

well uh my friend lee spiegel that was

2052

01:12:15,189 --> 01:12:13,440

on last week for a little while

2053

01:12:17,590 --> 01:12:15,199

you know he was told to go to north

2054

01:12:20,550 --> 01:12:17,600

carolina by jay allen heineck back in

2055

01:12:22,790 --> 01:12:20,560

1978 because everyone was seeing a

2056

01:12:23,669 --> 01:12:22,800

triangle in the same place over and over

2057

01:12:25,430 --> 01:12:23,679

again

2058

01:12:27,110 --> 01:12:25,440

so he flies down there and sure enough

2059

01:12:29,189 --> 01:12:27,120

he's with a bunch of police officers in

2060

01:12:31,510 --> 01:12:29,199

this big triangle

2061

01:12:33,270 --> 01:12:31,520

with uh lights on the corners and one

2062

01:12:35,669 --> 01:12:33,280

under the center comes floating right

2063

01:12:36,390 --> 01:12:35,679

over him and shoots down a beam by his

2064

01:12:37,350 --> 01:12:36,400

feet

2065

01:12:39,510 --> 01:12:37,360

um

2066

01:12:41,270 --> 01:12:39,520

you know why why would they be in the

2067

01:12:43,510 --> 01:12:41,280

same place i mean that's another big

2068

01:12:44,709 --> 01:12:43,520

question mark why are they

2069

01:12:46,310 --> 01:12:44,719

they if they

2070

01:12:47,669 --> 01:12:46,320

like you said earlier if they happen to

2071

01:12:48,790 --> 01:12:47,679

travel light years if that's how they

2072

01:12:51,430 --> 01:12:48,800

got here

2073

01:12:55,189 --> 01:12:51,440

why would they focus on one

2074

01:12:57,030 --> 01:12:55,199

place that's not remarkable

2075

01:12:59,590 --> 01:12:57,040

you know it's another question to me

2076

01:13:00,950 --> 01:12:59,600

well it is but but like i said because

2077

01:13:03,510 --> 01:13:00,960

the whole thing is so massive and

2078

01:13:05,669 --> 01:13:03,520

mystifying it it makes sense to me to

2079

01:13:07,430 --> 01:13:05,679

kind of break things down

2080

01:13:09,510 --> 01:13:07,440

i don't know why they'd

2081

01:13:11,910 --> 01:13:09,520

focus on that place a lot of the best

2082

01:13:14,390 --> 01:13:11,920

ufo sightings occur in the most unlikely

2083

01:13:17,110 --> 01:13:14,400

places but you know

2084

01:13:19,750 --> 01:13:17,120

if you apply a certain amount of logic

2085

01:13:22,870 --> 01:13:19,760

well it would make sense to us

2086

01:13:25,350 --> 01:13:22,880

that any alien race would probably be

2087

01:13:26,709 --> 01:13:25,360

concerned about our ability to defend

2088

01:13:28,229 --> 01:13:26,719

ourselves therefore the military

2089

01:13:29,990 --> 01:13:28,239

sightings you know

2090

01:13:31,830 --> 01:13:30,000

but

2091

01:13:35,030 --> 01:13:31,840

it also makes sense to me that some of

2092

01:13:36,070 --> 01:13:35,040

the most celebrated military sightings

2093

01:13:37,590 --> 01:13:36,080

um

2094

01:13:39,110 --> 01:13:37,600

just to deal with the nature of when and

2095

01:13:40,310 --> 01:13:39,120

where they occurred

2096

01:13:42,390 --> 01:13:40,320

just

2097

01:13:44,229 --> 01:13:42,400

almost yeah there seemed to be plausible

2098

01:13:46,470 --> 01:13:44,239

explanations as well i mean the famous

2099

01:13:48,070 --> 01:13:46,480

one in the uk is rendushan forest which

2100

01:13:50,310 --> 01:13:48,080

is right i was going to bring that up in

2101  
01:13:53,350 --> 01:13:50,320  
a minute but go ahead yeah well it's our

2102  
01:13:54,550 --> 01:13:53,360  
roswell isn't it um

2103  
01:13:56,870 --> 01:13:54,560  
but

2104  
01:13:58,310 --> 01:13:56,880  
you and i would say if i say sal roswell

2105  
01:13:59,750 --> 01:13:58,320  
you and i would say yes we're probably

2106  
01:14:01,990 --> 01:13:59,760  
thinking totally different things when

2107  
01:14:04,310 --> 01:14:02,000  
we say yes martin yeah

2108  
01:14:07,350 --> 01:14:04,320  
um i think it's our roswell because it's

2109  
01:14:10,310 --> 01:14:07,360  
got everything roswell has got um

2110  
01:14:11,830 --> 01:14:10,320  
it's very near a military base it's

2111  
01:14:13,669 --> 01:14:11,840  
you know there is there is a leak of

2112  
01:14:16,630 --> 01:14:13,679  
information from a significant military

2113  
01:14:19,510 --> 01:14:16,640

source charles holt for um reynolds

2114

01:14:22,310 --> 01:14:19,520

forest and walter hall for for roswell

2115

01:14:23,910 --> 01:14:22,320

um you've got eyewitnesses who totally

2116

01:14:25,910 --> 01:14:23,920

disagree with each other you've got

2117

01:14:28,550 --> 01:14:25,920

multiple landing sites when people claim

2118

01:14:30,950 --> 01:14:28,560

there was only one landing yeah um now

2119

01:14:33,270 --> 01:14:30,960

in renfrewshire forest is a little bit

2120

01:14:35,910 --> 01:14:33,280

different in the sense that you can

2121

01:14:37,590 --> 01:14:35,920

you can visit all three landing sites in

2122

01:14:39,350 --> 01:14:37,600

a matter of

2123

01:14:40,950 --> 01:14:39,360

minutes because they're they're hundreds

2124

01:14:41,669 --> 01:14:40,960

of yards apart not

2125

01:14:45,430 --> 01:14:41,679

the

2126

01:14:48,070 --> 01:14:45,440

um

2127

01:14:49,590 --> 01:14:48,080

i mean i'm i'm a raven hypocrite where

2128

01:14:51,750 --> 01:14:49,600

rendering forest is concerned because

2129

01:14:53,669 --> 01:14:51,760

i've had a hunch about it for a while

2130

01:14:56,470 --> 01:14:53,679

um

2131

01:14:57,510 --> 01:14:56,480

the skeptical explanation says that

2132

01:14:59,830 --> 01:14:57,520

the

2133

01:15:01,590 --> 01:14:59,840

military personnel that when if if your

2134

01:15:03,830 --> 01:15:01,600

listeners are not familiar with this

2135

01:15:05,110 --> 01:15:03,840

really really simply there was a middle

2136

01:15:07,750 --> 01:15:05,120

of the night middle of the christmas

2137

01:15:09,030 --> 01:15:07,760

holidays there were strange lights seen

2138

01:15:10,550 --> 01:15:09,040

you're not going to say the lighthouse

2139

01:15:12,390 --> 01:15:10,560

are you

2140

01:15:13,910 --> 01:15:12,400

that's one of the skeptical explanations

2141

01:15:15,669 --> 01:15:13,920

yeah right

2142

01:15:17,510 --> 01:15:15,679

nick redfern went public with a book

2143

01:15:19,030 --> 01:15:17,520

last year that basically which which

2144

01:15:21,990 --> 01:15:19,040

does tie up all the loose ends to be

2145

01:15:24,709 --> 01:15:22,000

fair to nick redfern which is that um it

2146

01:15:27,270 --> 01:15:24,719

was a an experiment carried out by the

2147

01:15:28,870 --> 01:15:27,280

american military on their own personnel

2148

01:15:31,189 --> 01:15:28,880

and that they gave them psychedelic

2149

01:15:33,669 --> 01:15:31,199

drugs and led them into the experience

2150

01:15:36,149 --> 01:15:33,679

to see how they would cope with it

2151

01:15:38,870 --> 01:15:36,159

yeah now that makes that does tie up all

2152

01:15:40,390 --> 01:15:38,880

the logic because that that ties up jim

2153

01:15:41,910 --> 01:15:40,400

peniston who doesn't agree with adrian

2154

01:15:44,070 --> 01:15:41,920

bustinza who doesn't agree with larry

2155

01:15:45,030 --> 01:15:44,080

warren yeah are you they're all tripping

2156

01:15:48,070 --> 01:15:45,040

and they're all having their own

2157

01:15:50,550 --> 01:15:48,080

experience yeah well larry warren it was

2158

01:15:53,110 --> 01:15:50,560

it was proven that larry warren had was

2159

01:15:55,030 --> 01:15:53,120

not even there he just was repeating

2160

01:15:56,390 --> 01:15:55,040

what he heard

2161

01:15:58,790 --> 01:15:56,400

yeah i don't know if you know that part

2162

01:16:00,709 --> 01:15:58,800

of it but that's not new with a big ufo

2163

01:16:01,910 --> 01:16:00,719

case either is it i mean that was one of

2164

01:16:04,790 --> 01:16:01,920

the things when we're looking at right

2165

01:16:07,430 --> 01:16:04,800

when when when roswell went mega

2166

01:16:09,590 --> 01:16:07,440

in you know in the late 1990s

2167

01:16:11,430 --> 01:16:09,600

um i remember listening to something i

2168

01:16:12,950 --> 01:16:11,440

can't read just one of the talks that

2169

01:16:15,110 --> 01:16:12,960

came to a conference and i'm thinking

2170

01:16:18,229 --> 01:16:15,120

well this is amazing stuff but why

2171

01:16:19,990 --> 01:16:18,239

didn't jim ragsdale see frank

2172

01:16:22,070 --> 01:16:20,000

the witnesses saw a lot of the same

2173

01:16:23,350 --> 01:16:22,080

things but they didn't see each other

2174

01:16:25,669 --> 01:16:23,360

yeah

2175

01:16:27,189 --> 01:16:25,679

well let's not stare away too far from

2176  
01:16:29,030 --> 01:16:27,199  
rendelsham because i want to all right

2177  
01:16:31,350 --> 01:16:29,040  
yeah i want some surrender

2178  
01:16:35,990 --> 01:16:33,510  
when you boil it down

2179  
01:16:38,229 --> 01:16:36,000  
beyond all doubt the whole memo is true

2180  
01:16:40,870 --> 01:16:38,239  
the thing about the lights

2181  
01:16:42,390 --> 01:16:40,880  
um it is unquestionable that the british

2182  
01:16:44,870 --> 01:16:42,400  
police were called out in the middle of

2183  
01:16:46,870 --> 01:16:44,880  
the night because some of the locals

2184  
01:16:49,669 --> 01:16:46,880  
reported strange lights and the police

2185  
01:16:50,470 --> 01:16:49,679  
actually attended this and if you stand

2186  
01:16:52,550 --> 01:16:50,480  
at

2187  
01:16:54,149 --> 01:16:52,560  
vic bost's house i mean he's long gone

2188  
01:16:56,470 --> 01:16:54,159

but if you stand at his house who was

2189

01:16:57,990 --> 01:16:56,480

one of the civilian witnesses

2190

01:16:59,910 --> 01:16:58,000

you're only looking across one field

2191

01:17:02,390 --> 01:16:59,920

into the forest where

2192

01:17:03,990 --> 01:17:02,400

now the ufo trail has a cut out area of

2193

01:17:06,790 --> 01:17:04,000

the landing site so you're practically

2194

01:17:09,590 --> 01:17:06,800

looking at the most commonly accepted

2195

01:17:15,350 --> 01:17:12,709

if you wanted a best guess

2196

01:17:17,110 --> 01:17:15,360

i wonder if

2197

01:17:18,790 --> 01:17:17,120

they were having their christmas party

2198

01:17:21,189 --> 01:17:18,800

the night this happened the base was

2199

01:17:22,390 --> 01:17:21,199

having his christmas party yeah

2200

01:17:25,110 --> 01:17:22,400

again if you're looking

2201

01:17:27,189 --> 01:17:25,120

for the third on the third night yes

2202

01:17:28,790 --> 01:17:27,199

was it the third or second night no no

2203

01:17:31,030 --> 01:17:28,800

anyway the first

2204

01:17:32,390 --> 01:17:31,040

the the first night was the christmas

2205

01:17:33,750 --> 01:17:32,400

party yeah

2206

01:17:36,630 --> 01:17:33,760

um

2207

01:17:39,910 --> 01:17:36,640

i don't think so i don't think so

2208

01:17:42,830 --> 01:17:39,920

anyway 28th weren't they they they did

2209

01:17:45,030 --> 01:17:42,840

the the two nights

2210

01:17:46,790 --> 01:17:45,040

and it i don't know what you call it in

2211

01:17:50,310 --> 01:17:46,800

the united states but it's boxing day in

2212

01:17:52,470 --> 01:17:50,320

the uk the the 26th of uh december yeah

2213

01:17:54,950 --> 01:17:52,480

and

2214

01:17:57,590 --> 01:17:54,960

the the most of the base personnel were

2215

01:18:00,390 --> 01:17:57,600

at a party so the the actual manning of

2216

01:18:02,149 --> 01:18:00,400

the base was down to a skeleton crew

2217

01:18:03,990 --> 01:18:02,159

you've got practically the longest night

2218

01:18:06,550 --> 01:18:04,000

of the year

2219

01:18:07,990 --> 01:18:06,560

just to guess if you wanted to do

2220

01:18:09,669 --> 01:18:08,000

something quite

2221

01:18:11,590 --> 01:18:09,679

undemanding but

2222

01:18:13,189 --> 01:18:11,600

covert it might be a very good time to

2223

01:18:13,990 --> 01:18:13,199

stage an operation

2224

01:18:16,229 --> 01:18:14,000

so

2225

01:18:19,110 --> 01:18:16,239

okay at this point

2226

01:18:21,750 --> 01:18:19,120

two and two makes five but

2227

01:18:23,669 --> 01:18:21,760

it may or may not be coincid

2228

01:18:26,709 --> 01:18:23,679

linked to the fact that

2229

01:18:30,070 --> 01:18:26,719

not long after that we had in the uk we

2230

01:18:31,590 --> 01:18:30,080

had cruise missiles stationed here right

2231

01:18:33,669 --> 01:18:31,600

and

2232

01:18:36,709 --> 01:18:33,679

it was a hugely controversial thing the

2233

01:18:38,470 --> 01:18:36,719

american air force as part of nato put

2234

01:18:40,310 --> 01:18:38,480

missiles in britain and these were on

2235

01:18:41,669 --> 01:18:40,320

mobile launches so there was military

2236

01:18:43,830 --> 01:18:41,679

sense to it because the whole point of

2237

01:18:45,990 --> 01:18:43,840

these cruise missiles was they could go

2238

01:18:46,870 --> 01:18:46,000

to any random launch site on any given

2239

01:18:49,830 --> 01:18:46,880

day

2240

01:18:51,030 --> 01:18:49,840

you would change the plans all the time

2241

01:18:52,950 --> 01:18:51,040

so if

2242

01:18:54,870 --> 01:18:52,960

an enemy i.e the russians had an

2243

01:18:56,950 --> 01:18:54,880

incoming strike was trying to take out

2244

01:18:58,390 --> 01:18:56,960

britain's new nato's nuclear defense

2245

01:18:59,910 --> 01:18:58,400

based in britain

2246

01:19:01,750 --> 01:18:59,920

they wouldn't know where these missiles

2247

01:19:03,110 --> 01:19:01,760

were going to you could guarantee that

2248

01:19:04,870 --> 01:19:03,120

there would be enough warning to get the

2249

01:19:06,630 --> 01:19:04,880

missiles out of the bases take them to

2250

01:19:09,110 --> 01:19:06,640

their launch launch sites that day and

2251  
01:19:10,310 --> 01:19:09,120  
strike back so it was mutually assured

2252  
01:19:13,030 --> 01:19:10,320  
destruction

2253  
01:19:14,870 --> 01:19:13,040  
now they were in the uk not long after

2254  
01:19:16,149 --> 01:19:14,880  
renders from forest and

2255  
01:19:17,590 --> 01:19:16,159  
what

2256  
01:19:19,830 --> 01:19:17,600  
it was always going to be controversial

2257  
01:19:22,310 --> 01:19:19,840  
but what nobody saw coming was that we

2258  
01:19:24,310 --> 01:19:22,320  
had peace camps outside the two bases

2259  
01:19:26,390 --> 01:19:24,320  
where they were stationed up

2260  
01:19:28,070 --> 01:19:26,400  
hayford and greenham common so actually

2261  
01:19:30,550 --> 01:19:28,080  
there were protesters there the whole

2262  
01:19:32,630 --> 01:19:30,560  
time to stop these things moving

2263  
01:19:34,630 --> 01:19:32,640

but just to guess

2264

01:19:36,070 --> 01:19:34,640

it may well be that

2265

01:19:38,229 --> 01:19:36,080

if you were going to test that

2266

01:19:39,910 --> 01:19:38,239

technology and i'm not saying a nuclear

2267

01:19:41,669 --> 01:19:39,920

missile here i'm saying just simply like

2268

01:19:43,669 --> 01:19:41,679

if you wanted to give a test drive to

2269

01:19:44,790 --> 01:19:43,679

one of these mobile launchers

2270

01:19:46,709 --> 01:19:44,800

then

2271

01:19:48,470 --> 01:19:46,719

i can't think of anywhere more perfect

2272

01:19:50,550 --> 01:19:48,480

than renglisham forest in the middle of

2273

01:19:52,149 --> 01:19:50,560

the christmas holidays right

2274

01:19:53,270 --> 01:19:52,159

and if you look at

2275

01:19:59,110 --> 01:19:53,280

today

2276

01:20:00,709 --> 01:19:59,120

so in other words now in the forest

2277

01:20:01,590 --> 01:20:00,719

there is a tourist trail that you can

2278

01:20:03,830 --> 01:20:01,600

walk

2279

01:20:05,590 --> 01:20:03,840

and it goes from a car park but the big

2280

01:20:07,350 --> 01:20:05,600

loop covers

2281

01:20:09,830 --> 01:20:07,360

where the american personnel apparently

2282

01:20:12,470 --> 01:20:09,840

went yeah so it passes the east gate of

2283

01:20:14,950 --> 01:20:12,480

the base i.e they left the base from the

2284

01:20:16,629 --> 01:20:14,960

smaller of the two gates went east into

2285

01:20:19,350 --> 01:20:16,639

the forest and then it goes out to the

2286

01:20:22,550 --> 01:20:19,360

edge of the forest and rants almost over

2287

01:20:25,270 --> 01:20:23,750

if you're looking for a plausible

2288

01:20:27,430 --> 01:20:25,280

explanation

2289

01:20:28,870 --> 01:20:27,440

maybe it was nothing more complicated

2290

01:20:29,990 --> 01:20:28,880

than they had one of these mobile

2291

01:20:31,430 --> 01:20:30,000

launchers

2292

01:20:33,270 --> 01:20:31,440

that they could drive out of the gate

2293

01:20:35,030 --> 01:20:33,280

and all they wanted to do was drive it

2294

01:20:37,350 --> 01:20:35,040

into the forest and just

2295

01:20:38,950 --> 01:20:37,360

check the deployment so you'd probably

2296

01:20:40,790 --> 01:20:38,960

do it when nobody was going to see you

2297

01:20:41,990 --> 01:20:40,800

you'd have two or three you know trusted

2298

01:20:43,590 --> 01:20:42,000

personnel

2299

01:20:44,950 --> 01:20:43,600

when better to try that than when the

2300

01:20:48,070 --> 01:20:44,960

rest of the base is having a christmas

2301  
01:20:50,950 --> 01:20:48,080  
party um now interestingly when you walk

2302  
01:20:54,149 --> 01:20:50,960  
the ufo trail you go from the east gate

2303  
01:20:55,590 --> 01:20:54,159  
you head due east um to the landing site

2304  
01:20:57,350 --> 01:20:55,600  
and the landing site the one that

2305  
01:20:59,110 --> 01:20:57,360  
they've the most commonly accepted

2306  
01:21:01,270 --> 01:20:59,120  
landing site from all the reports is the

2307  
01:21:03,830 --> 01:21:01,280  
one that's actually it's cut out into a

2308  
01:21:07,030 --> 01:21:03,840  
big circle in the forest now as part of

2309  
01:21:08,790 --> 01:21:07,040  
the tourist trail and it's right next to

2310  
01:21:11,270 --> 01:21:08,800  
the edge of the forest so if you were

2311  
01:21:13,350 --> 01:21:11,280  
going to take the quickest way to fire a

2312  
01:21:15,590 --> 01:21:13,360  
missile and get it off to russia would

2313  
01:21:17,750 --> 01:21:15,600

be to get it to the

2314

01:21:19,510 --> 01:21:17,760

out of the east gate to the edge of the

2315

01:21:21,510 --> 01:21:19,520

forest so that you could fire it without

2316

01:21:22,870 --> 01:21:21,520

it hitting the trees on its way out at

2317

01:21:24,070 --> 01:21:22,880

which point it's just going to fly off

2318

01:21:25,910 --> 01:21:24,080

isn't it

2319

01:21:28,550 --> 01:21:25,920

i don't think anybody moved a missile i

2320

01:21:31,270 --> 01:21:28,560

just i just wonder if they did they took

2321

01:21:32,629 --> 01:21:31,280

like just basically the mobile launcher

2322

01:21:35,189 --> 01:21:32,639

out into the forest in the middle of the

2323

01:21:36,470 --> 01:21:35,199

night had some technical mishap possibly

2324

01:21:39,110 --> 01:21:36,480

something as simple as just getting

2325

01:21:40,950 --> 01:21:39,120

stuck in the mud at which point

2326

01:21:42,709 --> 01:21:40,960

they needed other personnel there quite

2327

01:21:43,750 --> 01:21:42,719

quickly and light so they can see what

2328

01:21:46,390 --> 01:21:43,760

they're doing

2329

01:21:49,030 --> 01:21:46,400

and if that explains what people saw

2330

01:21:51,189 --> 01:21:49,040

from the nearby farms

2331

01:21:52,790 --> 01:21:51,199

that was reported to the police okay

2332

01:21:54,149 --> 01:21:52,800

well what about the what about the

2333

01:21:55,590 --> 01:21:54,159

tracks

2334

01:21:58,149 --> 01:21:55,600

it's going to leave for something like

2335

01:22:01,030 --> 01:21:58,159

that it's going to be leaving big deep

2336

01:22:02,709 --> 01:22:01,040

tracks but there are foreign well yes

2337

01:22:05,750 --> 01:22:02,719

but there are forestry vehicles moving

2338

01:22:08,070 --> 01:22:05,760

around there anyway yeah nobody disputes

2339

01:22:09,030 --> 01:22:08,080

that there were other military

2340

01:22:13,590 --> 01:22:09,040

what about

2341

01:22:15,270 --> 01:22:13,600

testimony on what he saw now i've stood

2342

01:22:17,430 --> 01:22:15,280

face to face with him and heard him tell

2343

01:22:19,750 --> 01:22:17,440

the story and i don't believe that he's

2344

01:22:21,110 --> 01:22:19,760

not i don't believe that he's lying when

2345

01:22:23,110 --> 01:22:21,120

he said this thing looked like an

2346

01:22:26,709 --> 01:22:23,120

eyeball that was kind of bouncing in the

2347

01:22:29,030 --> 01:22:26,719

woods and dripping magma like substance

2348

01:22:30,229 --> 01:22:29,040

and then burst into five lights

2349

01:22:31,910 --> 01:22:30,239

you know that's something why did the

2350

01:22:34,229 --> 01:22:31,920

other eyewitnesses penniston and

2351

01:22:35,750 --> 01:22:34,239

bustinza and everybody have

2352

01:22:37,430 --> 01:22:35,760

what they saw

2353

01:22:39,110 --> 01:22:37,440

they saw they were seeing something in a

2354

01:22:41,669 --> 01:22:39,120

different area they weren't seeing this

2355

01:22:42,629 --> 01:22:41,679

the penis and saw the triangle according

2356

01:22:45,110 --> 01:22:42,639

to him

2357

01:22:47,110 --> 01:22:45,120

um but i when you mention the drugs or

2358

01:22:50,229 --> 01:22:47,120

the possibility that uh

2359

01:22:53,430 --> 01:22:50,239

um nick redfern his idea of all the

2360

01:22:54,950 --> 01:22:53,440

drugs uh are you saying or is he saying

2361

01:22:57,350 --> 01:22:54,960

i didn't read his book

2362

01:22:59,189 --> 01:22:57,360

that charles halt himself was under the

2363

01:23:00,629 --> 01:22:59,199

influence of this

2364

01:23:02,870 --> 01:23:00,639

also

2365

01:23:06,629 --> 01:23:05,189

so what about the tape when charles hall

2366

01:23:08,310 --> 01:23:06,639

was talking about this thing right over

2367

01:23:10,070 --> 01:23:08,320

their head and beaming down the light by

2368

01:23:11,830 --> 01:23:10,080

their feet which he said doesn't look

2369

01:23:13,430 --> 01:23:11,840

like a normal light which is i always

2370

01:23:14,870 --> 01:23:13,440

thought was interesting

2371

01:23:16,870 --> 01:23:14,880

yeah

2372

01:23:19,270 --> 01:23:16,880

interesting

2373

01:23:21,350 --> 01:23:19,280

so there are a number of possibilities

2374

01:23:23,270 --> 01:23:21,360

okay and again this is this is just me

2375

01:23:24,470 --> 01:23:23,280

saying well

2376

01:23:28,310 --> 01:23:24,480

if you can

2377

01:23:29,590 --> 01:23:28,320

what they're doing and why they might be

2378

01:23:32,310 --> 01:23:29,600

doing it then you may have an

2379

01:23:35,030 --> 01:23:32,320

explanation okay

2380

01:23:37,750 --> 01:23:35,040

there are covert operations that have

2381

01:23:39,510 --> 01:23:37,760

been covered up with ufo stories that's

2382

01:23:42,870 --> 01:23:39,520

not

2383

01:23:44,950 --> 01:23:42,880

because things have been declassified

2384

01:23:47,030 --> 01:23:44,960

later on so

2385

01:23:48,629 --> 01:23:47,040

i don't know possibly

2386

01:23:50,310 --> 01:23:48,639

yeah possibly there's something being

2387

01:23:52,629 --> 01:23:50,320

covered up

2388

01:23:54,550 --> 01:23:52,639

charles hall is covering that

2389

01:23:55,270 --> 01:23:54,560

it would be controversial and you would

2390

01:23:56,950 --> 01:23:55,280

still

2391

01:23:59,189 --> 01:23:56,960

if psychedelic drugs were used on

2392

01:24:01,590 --> 01:23:59,199

american service personnel in at the

2393

01:24:03,270 --> 01:24:01,600

back end of 1980 these people were young

2394

01:24:04,550 --> 01:24:03,280

then they're only middle age now you

2395

01:24:08,470 --> 01:24:04,560

know

2396

01:24:10,390 --> 01:24:08,480

where you've misused things and you

2397

01:24:12,629 --> 01:24:10,400

might get sued you'd probably keep quiet

2398

01:24:14,790 --> 01:24:12,639

if you possibly could yeah most cases

2399

01:24:17,270 --> 01:24:14,800

when there's huge lawsuits coming for

2400

01:24:18,790 --> 01:24:17,280

malpractice of any kind if the people

2401

01:24:20,550 --> 01:24:18,800

who are responsible can just keep

2402

01:24:22,629 --> 01:24:20,560

kicking the can down the road eventually

2403

01:24:23,830 --> 01:24:22,639

a lot of the claimants will die yeah and

2404

01:24:25,510 --> 01:24:23,840

then they can settle when they can

2405

01:24:26,629 --> 01:24:25,520

afford it and that's happened with me

2406

01:24:29,270 --> 01:24:26,639

you know

2407

01:24:31,590 --> 01:24:29,280

military things or whatever yeah okay

2408

01:24:35,030 --> 01:24:31,600

um so i i just think that's a

2409

01:24:37,110 --> 01:24:35,040

possibility with with regard to

2410

01:24:38,310 --> 01:24:37,120

the renders from forest case

2411

01:24:39,910 --> 01:24:38,320

i know what you're saying about the

2412

01:24:41,189 --> 01:24:39,920

different eyewitnesses saying different

2413

01:24:42,950 --> 01:24:41,199

things but

2414

01:24:44,550 --> 01:24:42,960

then we have the same thing with roswell

2415

01:24:46,950 --> 01:24:44,560

you know that you have a number of

2416

01:24:49,030 --> 01:24:46,960

claimants coming forward some of them

2417

01:24:51,030 --> 01:24:49,040

more credible than others

2418

01:24:52,709 --> 01:24:51,040

they kind of agree and they kind of

2419

01:24:54,390 --> 01:24:52,719

don't and then when you actually look at

2420

01:24:56,790 --> 01:24:54,400

every fact and line it up and literally

2421

01:24:59,990 --> 01:24:56,800

do it um like with the rendelsham thing

2422

01:25:02,229 --> 01:25:00,000

for example if you look at it on if you

2423

01:25:04,870 --> 01:25:02,239

almost map it out in the forest they

2424

01:25:06,709 --> 01:25:04,880

don't all correspond yeah it's a similar

2425

01:25:09,270 --> 01:25:06,719

story and it makes sense when you listen

2426  
01:25:10,790 --> 01:25:09,280  
to one person line up one load of facts

2427  
01:25:12,229 --> 01:25:10,800  
then somebody else comes forward and

2428  
01:25:13,350 --> 01:25:12,239  
they were clearly there but they don't

2429  
01:25:14,390 --> 01:25:13,360  
quite agree

2430  
01:25:16,870 --> 01:25:14,400  
and so

2431  
01:25:18,550 --> 01:25:16,880  
when that starts to happen you wonder

2432  
01:25:20,709 --> 01:25:18,560  
whether the whole thing is based on

2433  
01:25:23,350 --> 01:25:20,719  
truth or whether actually

2434  
01:25:24,830 --> 01:25:23,360  
um there's another explanation a much

2435  
01:25:26,870 --> 01:25:24,840  
more mundane

2436  
01:25:28,390 --> 01:25:26,880  
one well

2437  
01:25:30,629 --> 01:25:28,400  
that's maybe just me

2438  
01:25:34,070 --> 01:25:30,639

well this is this is a case where we're

2439

01:25:37,990 --> 01:25:34,080

not we can agree to disagree yeah um

2440

01:25:40,550 --> 01:25:38,000

that i i i would i would never bunch

2441

01:25:42,550 --> 01:25:40,560

roswell or any other case in with

2442

01:25:44,550 --> 01:25:42,560

another case myself

2443

01:25:47,110 --> 01:25:44,560

in other words uh because i don't see

2444

01:25:48,149 --> 01:25:47,120

any comparison or any way you'd compare

2445

01:25:49,510 --> 01:25:48,159

the two

2446

01:25:51,350 --> 01:25:49,520

um but

2447

01:25:53,510 --> 01:25:51,360

um

2448

01:25:55,590 --> 01:25:53,520

we don't need to get into roswell

2449

01:25:58,390 --> 01:25:55,600

you know people are so sick of hearing

2450

01:26:00,470 --> 01:25:58,400

uh about no it will it'll go no pun

2451

01:26:01,390 --> 01:26:00,480

intended it will go nuclear if we do

2452

01:26:03,669 --> 01:26:01,400

yeah

2453

01:26:05,590 --> 01:26:03,679

[Laughter]

2454

01:26:07,910 --> 01:26:05,600

well uh i'm going to open the lines and

2455

01:26:09,669 --> 01:26:07,920

now someone did ask about this uh i'm

2456

01:26:11,030 --> 01:26:09,679

sorry uh david i didn't post this up

2457

01:26:13,030 --> 01:26:11,040

earlier but

2458

01:26:15,350 --> 01:26:13,040

what do you think about the phoenix

2459

01:26:18,870 --> 01:26:15,360

lights

2460

01:26:21,270 --> 01:26:18,880

i think i've seen the same

2461

01:26:22,790 --> 01:26:21,280

documentary programs as you have ufo

2462

01:26:25,270 --> 01:26:22,800

hunters did a big thing about it didn't

2463

01:26:26,470 --> 01:26:25,280

they um

2464

01:26:28,149 --> 01:26:26,480

there's

2465

01:26:29,990 --> 01:26:28,159

there is one explanation

2466

01:26:31,830 --> 01:26:30,000

to be honest again because it's a

2467

01:26:33,510 --> 01:26:31,840

one-off event and it's it's you know

2468

01:26:35,110 --> 01:26:33,520

it's a bit unusual

2469

01:26:36,709 --> 01:26:35,120

and there is an explanation that

2470

01:26:38,470 --> 01:26:36,719

actually they're much further away than

2471

01:26:39,669 --> 01:26:38,480

you think and they drop their flyers

2472

01:26:41,910 --> 01:26:39,679

dropped by an a

2473

01:26:43,590 --> 01:26:41,920

a group of a tents and there are people

2474

01:26:45,430 --> 01:26:43,600

have come forward to

2475

01:26:46,149 --> 01:26:45,440

you know verify that from the military

2476

01:26:47,990 --> 01:26:46,159

so

2477

01:26:49,910 --> 01:26:48,000

i think that's a plausible explanation

2478

01:26:52,070 --> 01:26:49,920

and i think it goes back to something we

2479

01:26:54,070 --> 01:26:52,080

talked about earlier which is that

2480

01:26:55,750 --> 01:26:54,080

um

2481

01:26:57,270 --> 01:26:55,760

the judging distance when there's

2482

01:26:58,390 --> 01:26:57,280

nothing between you and the object in

2483

01:27:00,629 --> 01:26:58,400

the sky

2484

01:27:02,390 --> 01:27:00,639

is actually very very subjective and a

2485

01:27:03,270 --> 01:27:02,400

lot of people get it wrong a lot of the

2486

01:27:05,590 --> 01:27:03,280

time

2487

01:27:07,590 --> 01:27:05,600

well what about i have to say this about

2488

01:27:09,590 --> 01:27:07,600

that because i i understand part of what

2489

01:27:12,390 --> 01:27:09,600

you're saying and i do agree that there

2490

01:27:15,270 --> 01:27:12,400

was flares that were dropped but i

2491

01:27:16,870 --> 01:27:15,280

believe those i believe that wasn't a

2492

01:27:18,790 --> 01:27:16,880

training exercise i think that was to

2493

01:27:21,030 --> 01:27:18,800

distract the public and to have a reason

2494

01:27:22,870 --> 01:27:21,040

for all these reports of the thousands

2495

01:27:25,750 --> 01:27:22,880

of reports that were coming in

2496

01:27:27,590 --> 01:27:25,760

um much earlier in the evening starting

2497

01:27:29,830 --> 01:27:27,600

about eight o'clock something like that

2498

01:27:31,910 --> 01:27:29,840

way before the flares were ever seen

2499

01:27:32,950 --> 01:27:31,920

um these people were seeing the craft go

2500

01:27:34,790 --> 01:27:32,960

over them

2501

01:27:38,070 --> 01:27:34,800

and miles wide

2502

01:27:42,550 --> 01:27:38,080

yeah but a lot of those reports

2503

01:27:45,110 --> 01:27:42,560

came in after the lights were seen okay

2504

01:27:48,229 --> 01:27:45,120

and at this point let's go to roswell

2505

01:27:49,990 --> 01:27:48,239

sort of one year but

2506

01:27:53,110 --> 01:27:50,000

wait let just one second i just want to

2507

01:27:55,669 --> 01:27:53,120

say that um the phone line is open um

2508

01:27:57,110 --> 01:27:55,679

uh just because you're skeptical be a

2509

01:28:00,149 --> 01:27:57,120

gentle person

2510

01:28:01,910 --> 01:28:00,159

woman or man uh on the line but uh that

2511

01:28:03,110 --> 01:28:01,920

number is eight five five four seven two

2512

01:28:04,950 --> 01:28:03,120

five four eight three if you'd like to

2513

01:28:06,310 --> 01:28:04,960

call in bill is standing by go ahead

2514

01:28:09,350 --> 01:28:06,320

sorry

2515

01:28:11,590 --> 01:28:09,360

no well just one point about roswell

2516

01:28:14,070 --> 01:28:11,600

i'm old enough to have read all the ufo

2517

01:28:15,350 --> 01:28:14,080

books that came out in the 50s and 60s

2518

01:28:17,350 --> 01:28:15,360

you know when i was really really young

2519

01:28:19,669 --> 01:28:17,360

they were around

2520

01:28:22,070 --> 01:28:19,679

something people forget about roswell is

2521

01:28:24,550 --> 01:28:22,080

it was nowhere in the ufo literature

2522

01:28:26,830 --> 01:28:24,560

until the late 1970s right the thing

2523

01:28:28,709 --> 01:28:26,840

that blew it open was the the charles

2524

01:28:30,870 --> 01:28:28,719

burlitz and bill muer book

2525

01:28:32,390 --> 01:28:30,880

and prior to that jesse marcel went to

2526

01:28:33,669 --> 01:28:32,400

the national enquirer didn't he to

2527

01:28:36,870 --> 01:28:33,679

report it

2528

01:28:38,310 --> 01:28:36,880

about 1978 and he did this when the

2529

01:28:40,229 --> 01:28:38,320

national enquirer were offering a

2530

01:28:42,149 --> 01:28:40,239

hundred thousand dollars to anybody who

2531

01:28:44,870 --> 01:28:42,159

could come up with a conclusive ufo

2532

01:28:46,229 --> 01:28:44,880

story because travis walton went to them

2533

01:28:48,149 --> 01:28:46,239

as well and

2534

01:28:49,830 --> 01:28:48,159

had he not failed the polygraph that the

2535

01:28:50,709 --> 01:28:49,840

national enquirer gave him he might have

2536

01:28:53,350 --> 01:28:50,719

been

2537

01:28:54,709 --> 01:28:53,360

in for some of that money um i know he

2538

01:28:55,990 --> 01:28:54,719

passed a subsequent polygraph and

2539

01:28:58,149 --> 01:28:56,000

everything i don't want to get into that

2540

01:28:59,510 --> 01:28:58,159

one but the the

2541

01:29:00,950 --> 01:28:59,520

the guy that did the polygraph of the

2542

01:29:02,229 --> 01:29:00,960

national inquiry was absolutely

2543

01:29:04,229 --> 01:29:02,239

convinced that he wasn't telling the

2544

01:29:05,669 --> 01:29:04,239

truth um

2545

01:29:08,149 --> 01:29:05,679

and

2546

01:29:10,550 --> 01:29:08,159

i i think it's significant because one

2547

01:29:13,350 --> 01:29:10,560

thing that happens with big cases is

2548

01:29:16,629 --> 01:29:13,360

that loads of subsequent reports come in

2549

01:29:18,470 --> 01:29:16,639

and completely complicate them yeah

2550

01:29:19,270 --> 01:29:18,480

certainly the case with roswell because

2551

01:29:21,030 --> 01:29:19,280

um

2552

01:29:22,470 --> 01:29:21,040

you know philip corso for example his

2553

01:29:24,229 --> 01:29:22,480

entire best-selling book which sold

2554

01:29:26,070 --> 01:29:24,239

about a million and a half copies the

2555

01:29:28,550 --> 01:29:26,080

whole premise of that book is that he

2556

01:29:29,430 --> 01:29:28,560

was involved after the event wasn't it

2557

01:29:30,790 --> 01:29:29,440

yeah

2558

01:29:33,189 --> 01:29:30,800

you know so he was involved with the

2559

01:29:34,870 --> 01:29:33,199

dead aliens and everything like that and

2560

01:29:36,229 --> 01:29:34,880

you know these people came forward much

2561

01:29:39,030 --> 01:29:36,239

later and

2562

01:29:40,870 --> 01:29:39,040

that to me is

2563

01:29:42,870 --> 01:29:40,880

it just sort of beggars belief really

2564

01:29:44,470 --> 01:29:42,880

how did you keep that quiet for that

2565

01:29:46,390 --> 01:29:44,480

long and then suddenly all these people

2566

01:29:48,390 --> 01:29:46,400

come out of the woodwork

2567

01:29:50,390 --> 01:29:48,400

well let me ask you this um

2568

01:29:51,590 --> 01:29:50,400

and it brings me back to

2569

01:29:53,110 --> 01:29:51,600

we were talking just a few minutes

2570

01:29:55,270 --> 01:29:53,120

earlier about

2571

01:29:57,270 --> 01:29:55,280

uh randall shrimp forest have you ever

2572

01:29:59,669 --> 01:29:57,280

spoken to someone like charles hall

2573

01:30:01,110 --> 01:29:59,679

directly or

2574

01:30:02,709 --> 01:30:01,120

travis walton

2575

01:30:04,470 --> 01:30:02,719

directly or

2576

01:30:06,870 --> 01:30:04,480

people like that have you spoken to them

2577

01:30:08,950 --> 01:30:06,880

directly

2578

01:30:09,910 --> 01:30:08,960

yes

2579

01:30:13,270 --> 01:30:09,920

and

2580

01:30:15,350 --> 01:30:13,280

are you uh all right just uh an example

2581

01:30:17,750 --> 01:30:15,360

of someone that you spoke to about a a

2582

01:30:20,229 --> 01:30:17,760

case can you well widely strive it i

2583

01:30:21,350 --> 01:30:20,239

interviewed him a willie streamer yeah

2584

01:30:22,790 --> 01:30:21,360

yeah so

2585

01:30:27,189 --> 01:30:22,800

um

2586

01:30:28,790 --> 01:30:27,199

i don't know

2587

01:30:30,229 --> 01:30:28,800

why this but he doesn't know either does

2588

01:30:32,550 --> 01:30:30,239

he um

2589

01:30:35,669 --> 01:30:32,560

no i mean crudely i've spoken to people

2590

01:30:37,030 --> 01:30:35,679

who've um

2591

01:30:39,350 --> 01:30:37,040

i've spoken to people i've had the most

2592

01:30:41,430 --> 01:30:39,360

bizarre experiences you know

2593

01:30:42,950 --> 01:30:41,440

people who've been abducted and in some

2594

01:30:45,350 --> 01:30:42,960

cases

2595

01:30:46,550 --> 01:30:45,360

don't want to go public with that but

2596

01:30:49,590 --> 01:30:46,560

and i'm

2597

01:30:51,430 --> 01:30:49,600

i'm where i was originally and i think

2598

01:30:53,750 --> 01:30:51,440

i'm convinced of the sincerity of these

2599

01:30:55,590 --> 01:30:53,760

people reporting an experience i'm not

2600

01:30:57,430 --> 01:30:55,600

necessarily sure what it was that they

2601  
01:30:59,350 --> 01:30:57,440  
experienced and like i say it's you know

2602  
01:31:02,470 --> 01:30:59,360  
it happens to me quite a lot you know if

2603  
01:31:03,990 --> 01:31:02,480  
i do a live talk or

2604  
01:31:05,189 --> 01:31:04,000  
just occasionally if you meet people and

2605  
01:31:07,270 --> 01:31:05,199  
they know that i'm interested in this

2606  
01:31:08,709 --> 01:31:07,280  
they come and report things to me so

2607  
01:31:10,310 --> 01:31:08,719  
i've spoken to

2608  
01:31:12,709 --> 01:31:10,320  
i don't doubt the sincerity of the

2609  
01:31:14,229 --> 01:31:12,719  
witnesses i'm just i'm not completely

2610  
01:31:15,590 --> 01:31:14,239  
sure that

2611  
01:31:17,590 --> 01:31:15,600  
to be honest i sometimes think that

2612  
01:31:19,189 --> 01:31:17,600  
ufology is not doing them any favors

2613  
01:31:20,870 --> 01:31:19,199

because

2614

01:31:23,350 --> 01:31:20,880

i saw when i was in a research group

2615

01:31:25,189 --> 01:31:23,360

people would come to us with stories and

2616

01:31:27,510 --> 01:31:25,199

they would the investigator they would

2617

01:31:29,590 --> 01:31:27,520

meet would sometimes be absolutely

2618

01:31:32,229 --> 01:31:29,600

convinced that you know zeta reticuli

2619

01:31:33,270 --> 01:31:32,239

and all the rest of it um

2620

01:31:35,350 --> 01:31:33,280

and

2621

01:31:37,110 --> 01:31:35,360

it doesn't necessarily mean that they

2622

01:31:39,030 --> 01:31:37,120

would always get a fair

2623

01:31:41,270 --> 01:31:39,040

you know they weren't investigated by

2624

01:31:44,709 --> 01:31:41,280

professional medical people or

2625

01:31:47,430 --> 01:31:44,719

psychologists or anything like that so

2626

01:31:49,030 --> 01:31:47,440

i've met a lot of sincere people i'm not

2627

01:31:50,790 --> 01:31:49,040

sure that they've always been served

2628

01:31:52,870 --> 01:31:50,800

well by the people who investigated the

2629

01:31:54,870 --> 01:31:52,880

cases afterwards and i think some of

2630

01:31:56,629 --> 01:31:54,880

that combination explains the stories

2631

01:31:59,510 --> 01:31:56,639

that we read in the best-selling books

2632

01:32:00,870 --> 01:31:59,520

that are out there

2633

01:32:02,470 --> 01:32:00,880

what uh

2634

01:32:03,990 --> 01:32:02,480

what would you say

2635

01:32:05,830 --> 01:32:04,000

uh well

2636

01:32:07,350 --> 01:32:05,840

let me put it this way

2637

01:32:09,030 --> 01:32:07,360

what do you think the most

2638

01:32:12,470 --> 01:32:09,040

we might have a call let me just see yes

2639

01:32:14,470 --> 01:32:12,480

we do we have a call i'm going to

2640

01:32:15,590 --> 01:32:14,480

we have two lines i'm going to remember

2641

01:32:16,550 --> 01:32:15,600

that thought

2642

01:32:18,229 --> 01:32:16,560

um

2643

01:32:20,790 --> 01:32:18,239

and and i'll get back to you with that

2644

01:32:23,590 --> 01:32:20,800

thought if that comes up and we have uh

2645

01:32:26,310 --> 01:32:23,600

ken calling from los angeles ken you are

2646

01:32:28,870 --> 01:32:26,320

live on the air

2647

01:32:30,950 --> 01:32:28,880

uh yeah i just want to say you know um

2648

01:32:33,430 --> 01:32:30,960

that at this point

2649

01:32:36,229 --> 01:32:33,440

uh with all of the revelations with the

2650

01:32:38,870 --> 01:32:36,239

military and the fact that

2651  
01:32:41,110 --> 01:32:38,880  
people have been seeing these objects in

2652  
01:32:44,550 --> 01:32:41,120  
our skies for literally thousands of

2653  
01:32:47,030 --> 01:32:44,560  
years i think we have gone so far beyond

2654  
01:32:48,709 --> 01:32:47,040  
whether they're real or whether or not

2655  
01:32:51,590 --> 01:32:48,719  
you know they're um

2656  
01:32:53,750 --> 01:32:51,600  
some um another government we you know

2657  
01:32:55,270 --> 01:32:53,760  
again it's something that

2658  
01:32:56,790 --> 01:32:55,280  
we as a public

2659  
01:32:58,390 --> 01:32:56,800  
don't really know what it is but we know

2660  
01:33:00,870 --> 01:32:58,400  
that there are people in our government

2661  
01:33:03,590 --> 01:33:00,880  
who do know what it is so i think we we

2662  
01:33:06,149 --> 01:33:03,600  
should move past morons like this guy

2663  
01:33:08,790 --> 01:33:06,159

here and only bring in people who are

2664

01:33:12,470 --> 01:33:08,800

going to expand our knowledge as opposed

2665

01:33:16,149 --> 01:33:12,480

to um hindering you know and and hanging

2666

01:33:17,990 --> 01:33:16,159

on to this ridiculous notion that that

2667

01:33:19,750 --> 01:33:18,000

what people are seeing isn't what

2668

01:33:21,990 --> 01:33:19,760

they're seeing

2669

01:33:24,310 --> 01:33:22,000

the holy catholic okay so just be just

2670

01:33:25,510 --> 01:33:24,320

be respectful though ken okay

2671

01:33:29,750 --> 01:33:25,520

no no

2672

01:33:32,149 --> 01:33:29,760

because with this guy he never respects

2673

01:33:34,790 --> 01:33:32,159

the other witnesses he wants to try and

2674

01:33:37,189 --> 01:33:34,800

tell people that what they saw isn't

2675

01:33:40,310 --> 01:33:37,199

what they saw so so yeah i have no

2676

01:33:43,350 --> 01:33:40,320

respect for morons for

2677

01:33:45,189 --> 01:33:43,360

all right well uh that's i'll i'll take

2678

01:33:47,350 --> 01:33:45,199

that one martin because i'm well aware

2679

01:33:48,709 --> 01:33:47,360

that i'm talking to you know i'm well

2680

01:33:50,709 --> 01:33:48,719

aware that i'm talking to your audience

2681

01:33:52,709 --> 01:33:50,719

and i listen to enough of your podcast

2682

01:33:54,950 --> 01:33:52,719

to know what that's about so first of

2683

01:33:56,790 --> 01:33:54,960

all i'm not i

2684

01:33:58,470 --> 01:33:56,800

i've said a few times

2685

01:34:00,790 --> 01:33:58,480

i'm probably one of the people who would

2686

01:34:03,189 --> 01:34:00,800

say more often than not i genuinely

2687

01:34:05,750 --> 01:34:03,199

don't know we have we don't have ufos to

2688

01:34:07,750 --> 01:34:05,760

study we have reports of ufos reports

2689

01:34:10,229 --> 01:34:07,760

come from people okay

2690

01:34:12,709 --> 01:34:10,239

and i'm not trying to fact

2691

01:34:13,669 --> 01:34:12,719

again i would say the complete opposite

2692

01:34:17,350 --> 01:34:13,679

i'm

2693

01:34:19,270 --> 01:34:17,360

arguments about this and that's the

2694

01:34:21,270 --> 01:34:19,280

whole reason i'm throwing in

2695

01:34:23,189 --> 01:34:21,280

go and google these people you know look

2696

01:34:25,669 --> 01:34:23,199

at gerard tuft and his ideas about a

2697

01:34:27,910 --> 01:34:25,679

deterministic universe i.e

2698

01:34:29,669 --> 01:34:27,920

we're being led towards understanding

2699

01:34:31,430 --> 01:34:29,679

things but sometimes the way that we're

2700

01:34:34,070 --> 01:34:31,440

being led doesn't make sense to us

2701

01:34:36,310 --> 01:34:34,080

beyond just what we can see

2702

01:34:38,629 --> 01:34:36,320

that that's a possibility and you know i

2703

01:34:40,870 --> 01:34:38,639

think that's a debate that you follow

2704

01:34:43,030 --> 01:34:40,880

you should take on board a lot more um

2705

01:34:45,270 --> 01:34:43,040

there are some amazing books that go and

2706

01:34:47,030 --> 01:34:45,280

look at different areas of this you know

2707

01:34:48,950 --> 01:34:47,040

reframing the debate which came out

2708

01:34:51,109 --> 01:34:48,960

recently is a book where a bunch of

2709

01:34:53,189 --> 01:34:51,119

academics throw ideas in and they're not

2710

01:34:55,030 --> 01:34:53,199

being skeptical and you know i'm open to

2711

01:34:57,830 --> 01:34:55,040

a lot of those ideas

2712

01:34:59,750 --> 01:34:57,840

so i'm not telling people that i that

2713

01:35:01,750 --> 01:34:59,760

they didn't see what they saw i've said

2714

01:35:05,030 --> 01:35:01,760

that a few times i've met witnesses i've

2715

01:35:07,669 --> 01:35:05,040

met abductees i've met sincere people

2716

01:35:10,310 --> 01:35:07,679

um and i'm not disputing the sincerity

2717

01:35:12,229 --> 01:35:10,320

of it i'm just not sure

2718

01:35:13,990 --> 01:35:12,239

that

2719

01:35:15,669 --> 01:35:14,000

i suppose the simple explanations where

2720

01:35:17,590 --> 01:35:15,679

you try to put these all into a basket

2721

01:35:20,070 --> 01:35:17,600

i'm just not sure that they all fit and

2722

01:35:21,910 --> 01:35:20,080

i think sometimes when when we try to do

2723

01:35:23,590 --> 01:35:21,920

that actually what we do

2724

01:35:25,669 --> 01:35:23,600

in the end it becomes a cropper because

2725

01:35:27,350 --> 01:35:25,679

they don't all all these experiences

2726

01:35:28,950 --> 01:35:27,360

don't fit in the same place and i'm not

2727

01:35:31,350 --> 01:35:28,960

doubting for a second that people see

2728

01:35:32,870 --> 01:35:31,360

lights in the sky um you know if you

2729

01:35:34,310 --> 01:35:32,880

look at project hesterlin i don't know

2730

01:35:36,149 --> 01:35:34,320

how well that's known in the united

2731

01:35:38,709 --> 01:35:36,159

states for example pretty well yeah

2732

01:35:40,790 --> 01:35:38,719

pretty well yeah but i met one of the

2733

01:35:42,390 --> 01:35:40,800

researchers from that odd gunner road

2734

01:35:44,550 --> 01:35:42,400

ages ago and he's actually mentioned in

2735

01:35:46,790 --> 01:35:44,560

my book and

2736

01:35:48,790 --> 01:35:46,800

i mean how in one sense they were very

2737

01:35:51,270 --> 01:35:48,800

lucky these were ufologists who went to

2738

01:35:53,590 --> 01:35:51,280

investigate lights and they could expect

2739

01:35:55,830 --> 01:35:53,600

to have sightings when they were there

2740

01:35:57,750 --> 01:35:55,840

there's no doubt you know the

2741

01:35:59,510 --> 01:35:57,760

lights have been seen all sorts of

2742

01:36:01,669 --> 01:35:59,520

strange things have been seen but

2743

01:36:04,149 --> 01:36:01,679

the ufo debate often

2744

01:36:07,430 --> 01:36:04,159

excludes now the things that were widely

2745

01:36:09,990 --> 01:36:07,440

seen and sincerely seen in the past like

2746

01:36:12,709 --> 01:36:10,000

nature spirits prairies stuff like that

2747

01:36:15,270 --> 01:36:12,719

and yet a lot of those reports actually

2748

01:36:16,790 --> 01:36:15,280

correspond very closely with what people

2749

01:36:19,270 --> 01:36:16,800

are now explaining

2750

01:36:22,310 --> 01:36:19,280

coming forward with this ufo report

2751

01:36:24,070 --> 01:36:22,320

so um joe simmons and his

2752

01:36:26,550 --> 01:36:24,080

pancakes at eagle rock i don't know if

2753

01:36:27,590 --> 01:36:26,560

people know that case particularly

2754

01:36:30,070 --> 01:36:27,600

yeah

2755

01:36:32,950 --> 01:36:30,080

now that is utterly bizarre it actually

2756

01:36:34,629 --> 01:36:32,960

has a lot more correspondence with the

2757

01:36:37,030 --> 01:36:34,639

kind of nature spirits and stuff that

2758

01:36:39,669 --> 01:36:37,040

people saw before and it has that weird

2759

01:36:41,430 --> 01:36:39,679

thing that something some object that

2760

01:36:42,790 --> 01:36:41,440

appears to have magical properties when

2761

01:36:44,149 --> 01:36:42,800

you're dealing with the entity that

2762

01:36:46,310 --> 01:36:44,159

gives it to you it turns out to be

2763

01:36:47,990 --> 01:36:46,320

really mundane afterwards yeah

2764

01:36:49,590 --> 01:36:48,000

um so

2765

01:36:52,550 --> 01:36:49,600

i would disagree that i'm trying to shut

2766

01:36:53,830 --> 01:36:52,560

the debate down i'm i'm actually saying

2767

01:36:56,390 --> 01:36:53,840

when you look at how these things

2768

01:36:57,510 --> 01:36:56,400

correspond to other strange events and

2769

01:36:59,350 --> 01:36:57,520

you look at how those other strange

2770

01:37:01,189 --> 01:36:59,360

events have been

2771

01:37:02,790 --> 01:37:01,199

understood actually there's probably a

2772

01:37:05,830 --> 01:37:02,800

lot more you can pour into this debate

2773

01:37:08,629 --> 01:37:05,840

that will help us to understand

2774

01:37:10,950 --> 01:37:08,639

right okay well we have jeff

2775

01:37:12,709 --> 01:37:10,960

jeff from indiana you're on the air jeff

2776

01:37:15,510 --> 01:37:12,719

welcome to the show

2777

01:37:18,229 --> 01:37:15,520

right okay well

2778

01:37:23,030 --> 01:37:20,870

come on you are on

2779

01:37:26,070 --> 01:37:23,040

as i said yes

2780

01:37:29,350 --> 01:37:26,080

okay i just want to say uh

2781

01:37:31,270 --> 01:37:29,360

i just can't believe that uh

2782

01:37:34,310 --> 01:37:31,280

the majority of the ufo shows we spend

2783

01:37:37,669 --> 01:37:34,320

more time being skeptics than we are

2784

01:37:39,590 --> 01:37:37,679

examining the facts you know and

2785

01:37:41,350 --> 01:37:39,600

this man here i have respect for him and

2786

01:37:42,790 --> 01:37:41,360

everything but if uh

2787

01:37:44,709 --> 01:37:42,800

one thing i got to say right off the bat

2788

01:37:47,430 --> 01:37:44,719

is a few of this

2789

01:37:49,669 --> 01:37:47,440

mistaking a mosquito for spitfire and a

2790

01:37:51,270 --> 01:37:49,679

seagulls rear end for any sort of an

2791

01:37:52,950 --> 01:37:51,280

aircraft you need

2792

01:37:54,629 --> 01:37:52,960

glasses

2793

01:37:57,109 --> 01:37:54,639

i have to tell you that a lot of people

2794

01:37:59,830 --> 01:37:57,119

i will tell you this jeff that uh it's

2795

01:38:02,070 --> 01:37:59,840

very common that birds and seagulls

2796

01:38:03,750 --> 01:38:02,080

flying at night that are catching light

2797

01:38:04,950 --> 01:38:03,760

uh people have reported that many many

2798

01:38:08,950 --> 01:38:04,960

times just

2799

01:38:08,960 --> 01:38:13,750

spitfires okay that's that's nonsense

2800

01:38:17,750 --> 01:38:16,229

these things as you possibly can have in

2801

01:38:19,990 --> 01:38:17,760

broad daylight

2802

01:38:22,390 --> 01:38:20,000

40 feet from my face

2803

01:38:24,629 --> 01:38:22,400

i could have hit them with a rock

2804

01:38:27,590 --> 01:38:24,639

they are machines

2805

01:38:31,350 --> 01:38:27,600

they are engulfed in a plasma field

2806

01:38:32,790 --> 01:38:31,360

some sort of a plasma extreme voltage

2807

01:38:35,830 --> 01:38:32,800

you can if you see them from right

2808

01:38:38,709 --> 01:38:35,840

underneath the force field is as

2809

01:38:40,870 --> 01:38:38,719

intense you can see the components of a

2810

01:38:43,030 --> 01:38:40,880

machine inside

2811

01:38:44,550 --> 01:38:43,040

and

2812

01:38:45,910 --> 01:38:44,560

they're real

2813

01:38:47,430 --> 01:38:45,920

i i'm not saying they're

2814

01:38:49,109 --> 01:38:47,440

extraterrestrial

2815

01:38:51,109 --> 01:38:49,119

but i can tell you they're machines now

2816

01:38:53,510 --> 01:38:51,119

if they're our government

2817

01:38:55,590 --> 01:38:53,520

uh boy are we

2818

01:38:56,950 --> 01:38:55,600

really being lied to and being kept in

2819

01:38:58,950 --> 01:38:56,960

the stone age

2820

01:39:00,870 --> 01:38:58,960

that they have machinery like this and

2821

01:39:03,510 --> 01:39:00,880

we're still riding around with the

2822

01:39:05,830 --> 01:39:03,520

cars and internal combustion engines

2823

01:39:08,550 --> 01:39:05,840

but they're totally silent

2824

01:39:10,470 --> 01:39:08,560

i saw four of these

2825

01:39:12,149 --> 01:39:10,480

uh crafts

2826

01:39:13,830 --> 01:39:12,159  
machines

2827

01:39:15,910 --> 01:39:13,840  
uh

2828

01:39:17,990 --> 01:39:15,920  
for quite a while in broad daylight

2829

01:39:20,470 --> 01:39:18,000  
there was a tree

2830

01:39:22,470 --> 01:39:20,480  
a tree right there uh that i uh

2831

01:39:23,910 --> 01:39:22,480  
estimated the next day when i went back

2832

01:39:25,270 --> 01:39:23,920  
and thought about the whole situation it

2833

01:39:27,270 --> 01:39:25,280  
was about

2834

01:39:29,030 --> 01:39:27,280  
30 feet tall and the they cleared this

2835

01:39:31,430 --> 01:39:29,040  
tree about 10 feet

2836

01:39:33,750 --> 01:39:31,440  
so this is how close they were

2837

01:39:36,550 --> 01:39:33,760  
and uh

2838

01:39:38,310 --> 01:39:36,560

the most eerie point of it is that

2839

01:39:39,669 --> 01:39:38,320

they're totally

2840

01:39:41,189 --> 01:39:39,679

silent if you wouldn't have looked up

2841

01:39:42,870 --> 01:39:41,199

you'd never know they knew they went

2842

01:39:44,629 --> 01:39:42,880

over you but they are brilliantly

2843

01:39:45,910 --> 01:39:44,639

colored they're absolutely beautiful to

2844

01:39:48,629 --> 01:39:45,920

look at

2845

01:39:51,189 --> 01:39:48,639

but they are a machine there are machine

2846

01:39:52,629 --> 01:39:51,199

components that you can see inside the

2847

01:39:54,709 --> 01:39:52,639

force field

2848

01:39:56,470 --> 01:39:54,719

uh most people say why are the photos

2849

01:39:58,950 --> 01:39:56,480

always blurred it's because they are

2850

01:40:00,550 --> 01:39:58,960

blurred this this uh

2851  
01:40:03,510 --> 01:40:00,560  
this ionic

2852  
01:40:05,510 --> 01:40:03,520  
or uh plasma field around this

2853  
01:40:07,990 --> 01:40:05,520  
this machine

2854  
01:40:09,830 --> 01:40:08,000  
makes it look like it's fuzzy

2855  
01:40:11,189 --> 01:40:09,840  
uh i think when they power down is when

2856  
01:40:12,950 --> 01:40:11,199  
they actually come out and you can see

2857  
01:40:14,709 --> 01:40:12,960  
the disc or whatever shape they're

2858  
01:40:17,270 --> 01:40:14,719  
actually in

2859  
01:40:19,430 --> 01:40:17,280  
but there is an absolute uh

2860  
01:40:20,390 --> 01:40:19,440  
platform force field on the outside of

2861  
01:40:23,430 --> 01:40:20,400  
them

2862  
01:40:26,470 --> 01:40:23,440  
but i just wish it just disheartens me

2863  
01:40:28,470 --> 01:40:26,480

to hear all the skepticism from people

2864

01:40:30,629 --> 01:40:28,480

when there's been thousands of people

2865

01:40:32,390 --> 01:40:30,639

thousands and thousands

2866

01:40:34,070 --> 01:40:32,400

in other words we got a bunch of people

2867

01:40:35,750 --> 01:40:34,080

out here

2868

01:40:38,550 --> 01:40:35,760

that have no idea what they're looking

2869

01:40:40,310 --> 01:40:38,560

at you know and it

2870

01:40:42,709 --> 01:40:40,320

it's it's just disheartening to

2871

01:40:43,430 --> 01:40:42,719

discredit uh

2872

01:40:44,950 --> 01:40:43,440

the

2873

01:40:47,109 --> 01:40:44,960

police officers and everybody else that

2874

01:40:48,950 --> 01:40:47,119

come out and see these things and it's

2875

01:40:51,350 --> 01:40:48,960

becoming more prevalent

2876

01:40:53,030 --> 01:40:51,360

um that's all i got to say i'd just

2877

01:40:54,790 --> 01:40:53,040

rather see more positive talk about it

2878

01:40:57,270 --> 01:40:54,800

because they're real for crying out loud

2879

01:40:58,790 --> 01:40:57,280

they're real all right thank thank you

2880

01:41:00,070 --> 01:40:58,800

for the call

2881

01:41:06,229 --> 01:41:00,080

can i just say a couple of quick things

2882

01:41:10,550 --> 01:41:08,950

when i talk about this so

2883

01:41:12,629 --> 01:41:10,560

you know you you introduce me as a

2884

01:41:14,790 --> 01:41:12,639

skeptic and and i am more skeptically

2885

01:41:16,629 --> 01:41:14,800

minded but

2886

01:41:18,870 --> 01:41:16,639

a couple of things first of all simply

2887

01:41:21,030 --> 01:41:18,880

the the mosquito and the spitfire i made

2888

01:41:22,629 --> 01:41:21,040

that clear that was a split second

2889

01:41:25,030 --> 01:41:22,639

you know that that happened and it was

2890

01:41:26,629 --> 01:41:25,040

quite a useful thing because it just

2891

01:41:27,990 --> 01:41:26,639

it just shows you that sometimes the

2892

01:41:29,990 --> 01:41:28,000

thing you're looking at if you expect to

2893

01:41:32,470 --> 01:41:30,000

see something you see what you expect

2894

01:41:34,149 --> 01:41:32,480

not what's there and you know it was

2895

01:41:35,910 --> 01:41:34,159

i spent longer talking about it than it

2896

01:41:37,189 --> 01:41:35,920

took to figure it out it was just like

2897

01:41:38,550 --> 01:41:37,199

that so

2898

01:41:39,669 --> 01:41:38,560

and those kind of things happen all the

2899

01:41:40,790 --> 01:41:39,679

time

2900

01:41:44,709 --> 01:41:40,800

secondly

2901

01:41:46,229 --> 01:41:44,719

jeff's story is interesting and i've met

2902

01:41:48,310 --> 01:41:46,239

you know just over the years i've met

2903

01:41:50,149 --> 01:41:48,320

quite a lot of people who've seen

2904

01:41:52,470 --> 01:41:50,159

structured craft

2905

01:41:54,310 --> 01:41:52,480

close to i remember i was at an event

2906

01:41:56,229 --> 01:41:54,320

once where a guy from the raelians was

2907

01:41:57,350 --> 01:41:56,239

talking and they've got a they're a

2908

01:41:59,430 --> 01:41:57,360

religious group and they've got a

2909

01:42:01,910 --> 01:41:59,440

particular view about ufos

2910

01:42:03,430 --> 01:42:01,920

and somebody got up and reported at that

2911

01:42:05,350 --> 01:42:03,440

meeting

2912

01:42:07,109 --> 01:42:05,360

sincerely that he'd basically seen the

2913

01:42:08,310 --> 01:42:07,119

same craft that's in george adamski's

2914

01:42:11,189 --> 01:42:08,320

book right

2915

01:42:14,310 --> 01:42:11,199

um which has been widely discredited and

2916

01:42:16,470 --> 01:42:14,320

i cannot explain

2917

01:42:18,950 --> 01:42:16,480

i can't make sense in my own mind about

2918

01:42:21,189 --> 01:42:18,960

we have loads of sincere reports

2919

01:42:23,590 --> 01:42:21,199

the craft of the scene resemble each

2920

01:42:25,350 --> 01:42:23,600

other but at the same time they all have

2921

01:42:28,629 --> 01:42:25,360

idiosyncrasies and they're different and

2922

01:42:30,470 --> 01:42:28,639

they change over time um that's one

2923

01:42:32,149 --> 01:42:30,480

thing that keeps me going and you know

2924

01:42:34,310 --> 01:42:32,159

if jeff were at a conference that i was

2925

01:42:36,950 --> 01:42:34,320

at i'm i'd be interested to hear the

2926

01:42:39,189 --> 01:42:36,960

story but um i

2927

01:42:40,390 --> 01:42:39,199

i don't know and and you know over the

2928

01:42:42,709 --> 01:42:40,400

years i've heard so many of those

2929

01:42:44,470 --> 01:42:42,719

stories and they correspond and yet they

2930

01:42:46,870 --> 01:42:44,480

all have slight differences so i

2931

01:42:50,310 --> 01:42:46,880

struggle to make sense of all those with

2932

01:42:54,870 --> 01:42:52,950

very good well uh thank you we have uh

2933

01:42:57,189 --> 01:42:54,880

let's see oh elton

2934

01:42:59,109 --> 01:42:57,199

elton from oakland is it this must be

2935

01:43:01,430 --> 01:42:59,119

the elton i know from oakland how are

2936

01:43:02,550 --> 01:43:01,440

you elton

2937

01:43:04,950 --> 01:43:02,560

that's right

2938

01:43:07,510 --> 01:43:04,960

it certainly is good to see you

2939

01:43:08,310 --> 01:43:07,520

yeah yeah you know one thing um

2940

01:43:12,470 --> 01:43:08,320

one

2941

01:43:14,390 --> 01:43:12,480

make sure you excuse me

2942

01:43:15,830 --> 01:43:14,400

hang on yeah just mute your mute your

2943

01:43:17,910 --> 01:43:15,840

computer or whatever you're listening to

2944

01:43:20,070 --> 01:43:17,920

please

2945

01:43:22,550 --> 01:43:20,080

oh yeah i'm sorry

2946

01:43:24,470 --> 01:43:22,560

you know the uh incident i'd like to see

2947

01:43:25,990 --> 01:43:24,480

what uh he thinks about

2948

01:43:29,750 --> 01:43:26,000

chaz clarks

2949

01:43:33,510 --> 01:43:29,760

in new south wales in 2016

2950

01:43:37,590 --> 01:43:34,870

and

2951

01:43:40,149 --> 01:43:37,600

also the west australia school

2952

01:43:43,510 --> 01:43:40,159

phenomenon incident

2953

01:43:44,950 --> 01:43:43,520

where so many witnesses

2954

01:43:47,109 --> 01:43:44,960

corroborated

2955

01:43:48,790 --> 01:43:47,119

they saw the same thing

2956

01:43:50,229 --> 01:43:48,800

yeah we're getting feedback from you

2957

01:43:51,350 --> 01:43:50,239

elton there

2958

01:43:56,470 --> 01:43:51,360

so i don't know if you got something

2959

01:44:01,189 --> 01:43:58,470

all right i'm i'm sorry i had to mute uh

2960

01:44:03,430 --> 01:44:01,199

until you get that figured out yeah

2961

01:44:04,790 --> 01:44:03,440

actually if i'm if i'm honest i didn't

2962

01:44:06,790 --> 01:44:04,800

i i got that he was talking about a

2963

01:44:09,669 --> 01:44:06,800

couple of australian cases including the

2964

01:44:13,109 --> 01:44:09,679

the famous school case in australia yeah

2965

01:44:16,550 --> 01:44:13,119

yeah west hall yeah yeah yeah

2966

01:44:18,310 --> 01:44:16,560

um i'm if i'm honest i'm not that up on

2967

01:44:19,990 --> 01:44:18,320

the australian case you still want to

2968

01:44:21,189 --> 01:44:20,000

talk about them in great detail other

2969

01:44:22,149 --> 01:44:21,199

than

2970

01:44:23,350 --> 01:44:22,159

um

2971

01:44:27,350 --> 01:44:23,360

the

2972

01:44:29,430 --> 01:44:27,360

again it's multiple witnesses isn't it

2973

01:44:31,990 --> 01:44:29,440

and you know it's yeah it's like a

2974

01:44:33,109 --> 01:44:32,000

couple hundred witnesses yeah

2975

01:44:34,070 --> 01:44:33,119

so

2976

01:44:35,910 --> 01:44:34,080

you know

2977

01:44:37,350 --> 01:44:35,920

it's up there with the miracle of fatima

2978

01:44:39,430 --> 01:44:37,360

or something like that where a lot of

2979

01:44:44,550 --> 01:44:39,440

people see that

2980

01:44:48,629 --> 01:44:46,390

on that one i don't know enough to make

2981

01:44:50,709 --> 01:44:48,639

an intelligent comment so i'd i'd rather

2982

01:44:51,910 --> 01:44:50,719

not if i'm honest with you

2983

01:44:53,430 --> 01:44:51,920

yeah

2984

01:44:56,470 --> 01:44:53,440

right than anything else if you're

2985

01:44:58,310 --> 01:44:56,480

familiar yeah one other quick one the

2986

01:45:00,229 --> 01:44:58,320

the chas clark

2987

01:45:01,030 --> 01:45:00,239

incident i think you had her on your

2988

01:45:04,550 --> 01:45:01,040

show

2989

01:45:07,109 --> 01:45:04,560

in new south wales in 2000

2990

01:45:08,950 --> 01:45:07,119

yeah it's uh i i can't pronounce the

2991

01:45:11,669 --> 01:45:08,960

name of that incident but are you

2992

01:45:12,550 --> 01:45:11,679

familiar with with her chas

2993

01:45:15,830 --> 01:45:12,560

clark

2994

01:45:17,910 --> 01:45:15,840

again i'm not if i'm

2995

01:45:20,470 --> 01:45:17,920

it happened in south wales and it was

2996

01:45:22,709 --> 01:45:20,480

it's quite a crazy

2997

01:45:24,709 --> 01:45:22,719

incredible story i don't know

2998

01:45:27,189 --> 01:45:24,719

uh you know with the military involved

2999

01:45:29,030 --> 01:45:27,199

and supposedly there was some uh

3000

01:45:31,830 --> 01:45:29,040

shooting down of some type of craft or

3001

01:45:33,350 --> 01:45:31,840

something one to really look into if if

3002

01:45:35,270 --> 01:45:33,360

you want to really look into a mystery

3003

01:45:37,030 --> 01:45:35,280

that's quite quite a story if you want

3004

01:45:40,310 --> 01:45:37,040

to check that one out okay so i'm going

3005

01:45:42,550 --> 01:45:40,320

to tell you i'm going to tell you neil

3006

01:45:45,590 --> 01:45:42,560

nice to speak to sort of disappoint you

3007

01:45:47,109 --> 01:45:45,600

on that i mean i'm i'm familiar yeah you

3008

01:45:49,669 --> 01:45:47,119

know with a lot of cases that the

3009

01:45:51,109 --> 01:45:49,679

australian wants less so i mean i'm i'm

3010

01:45:53,510 --> 01:45:51,119

quite familiar with a few australian

3011

01:45:55,270 --> 01:45:53,520

cases but not those particularly

3012

01:45:56,870 --> 01:45:55,280

yeah that one is one i'm going to tell

3013

01:45:58,950 --> 01:45:56,880

you to google you know how you told a

3014

01:46:01,669 --> 01:45:58,960

few people to google i mean

3015

01:46:03,750 --> 01:46:01,679

as we go actually so many reputable

3016

01:46:06,550 --> 01:46:03,760

witnesses on that one too and so many

3017

01:46:09,510 --> 01:46:06,560

military people involved oh my god it's

3018

01:46:10,470 --> 01:46:09,520

amazing yeah hey elton good to hear your

3019

01:46:12,550 --> 01:46:10,480

voice

3020

01:46:14,870 --> 01:46:12,560

thank you for the call thank you

3021

01:46:17,510 --> 01:46:14,880

all right yeah good night

3022

01:46:19,030 --> 01:46:17,520

all right so uh we do we could take one

3023

01:46:20,950 --> 01:46:19,040

more caller if someone would like to

3024

01:46:23,270 --> 01:46:20,960

call in that number is up on the screen

3025

01:46:25,750 --> 01:46:23,280

eight five five four seven two five four

3026

01:46:27,350 --> 01:46:25,760

eight three so uh right before i took

3027

01:46:29,270 --> 01:46:27,360

the first call i said i would remember

3028

01:46:30,390 --> 01:46:29,280

what i was going to say and it's

3029

01:46:32,709 --> 01:46:30,400

basically

3030

01:46:35,189 --> 01:46:32,719

uh what would you consider the most

3031

01:46:37,030 --> 01:46:35,199

compelling case of all the ones you've

3032

01:46:39,669 --> 01:46:37,040

looked into what what is the big

3033

01:46:41,510 --> 01:46:39,679

question mark for you

3034

01:46:43,430 --> 01:46:41,520

what the big question mark

3035

01:46:45,830 --> 01:46:43,440

yeah the biggest question mark of all

3036

01:46:48,390 --> 01:46:45,840

the cases well

3037

01:46:50,070 --> 01:46:48,400

it depends um

3038

01:46:52,229 --> 01:46:50,080

in terms of

3039

01:46:53,590 --> 01:46:52,239

everything that's ever happened um i'm

3040

01:46:55,990 --> 01:46:53,600

going to disappoint you on this one i

3041

01:46:58,310 --> 01:46:56,000

think the wow signal because there's no

3042

01:47:00,870 --> 01:46:58,320

even brian dunning can't dismantle that

3043

01:47:04,550 --> 01:47:00,880

so it must be good right um

3044

01:47:05,669 --> 01:47:04,560

i mean i wasn't expecting that one

3045

01:47:09,350 --> 01:47:05,679

no but but

3046

01:47:14,149 --> 01:47:09,360

it was like 1978 or 73 oh no

3047

01:47:16,390 --> 01:47:14,159

15th of august 1977. look i've even got

3048

01:47:18,950 --> 01:47:16,400

a joke explanation for it in my book

3049

01:47:20,470 --> 01:47:18,960

it's the day before elvis died right

3050

01:47:22,149 --> 01:47:20,480

i just wonder if the space brothers were

3051

01:47:25,669 --> 01:47:22,159

calling back their representative you

3052

01:47:29,669 --> 01:47:27,590

but the point of the joke is that that's

3053

01:47:31,590 --> 01:47:29,679

as good an explanation as any

3054

01:47:35,350 --> 01:47:31,600

42-second signal

3055

01:47:38,149 --> 01:47:35,360

we don't know what it was the

3056

01:47:40,550 --> 01:47:38,159

accidental causes on earth have largely

3057

01:47:42,870 --> 01:47:40,560

been discounted so

3058

01:47:45,109 --> 01:47:42,880

that to me is one of the more compelling

3059

01:47:45,910 --> 01:47:45,119

things and also

3060

01:47:47,590 --> 01:47:45,920

um

3061

01:47:48,950 --> 01:47:47,600

if you think about extraterrestrial life

3062

01:47:50,950 --> 01:47:48,960

the the

3063

01:47:52,550 --> 01:47:50,960

we may have discovered phosphine gas on

3064

01:47:54,629 --> 01:47:52,560

venus which might mean that there's

3065

01:47:56,950 --> 01:47:54,639

microbial life out there again i think

3066

01:47:59,030 --> 01:47:56,960

that's that yeah that's quite compelling

3067

01:48:00,310 --> 01:47:59,040

there are some amazing cases i know i

3068

01:48:02,070 --> 01:48:00,320

come over as a skeptic and i

3069

01:48:04,950 --> 01:48:02,080

deliberately kind of come on shows like

3070

01:48:06,550 --> 01:48:04,960

this and you know revv it up a bit

3071

01:48:10,390 --> 01:48:06,560

because he tends to drive traffic

3072

01:48:14,470 --> 01:48:13,189

servicing intensive self-serving skeptic

3073

01:48:16,950 --> 01:48:14,480

yeah

3074

01:48:18,709 --> 01:48:16,960

well no but it also it tends to get me

3075

01:48:19,830 --> 01:48:18,719

bookings for gigs and stuff like that i

3076

01:48:21,270 --> 01:48:19,840

mean obviously i don't do gigs in

3077

01:48:23,270 --> 01:48:21,280

america at the moment it's a bit of a

3078

01:48:25,189 --> 01:48:23,280

hike with with covet and stuff but you

3079

01:48:28,470 --> 01:48:25,199

know i've spoken to people online over

3080

01:48:32,790 --> 01:48:30,950

so in terms of great cases i was asked

3081

01:48:34,790 --> 01:48:32,800

to produce a top 10 when i did the book

3082

01:48:36,629 --> 01:48:34,800

with top 10 of british cases i think the

3083

01:48:40,229 --> 01:48:36,639

deckmont woods case in britain is the

3084

01:48:42,070 --> 01:48:40,239

best by by a mile um and that's uh

3085

01:48:44,870 --> 01:48:42,080

that's are you familiar with that one

3086

01:48:46,390 --> 01:48:44,880

nope nope i i can't say and you i may

3087

01:48:48,390 --> 01:48:46,400

once you start talking about it i mean

3088

01:48:50,310 --> 01:48:48,400

we do have someone on hold just to let

3089

01:48:51,990 --> 01:48:50,320

you know for a call but what's going on

3090

01:48:53,750 --> 01:48:52,000

jackie you know you know what i was i

3091

01:48:54,950 --> 01:48:53,760

even called elton jeff one that was a

3092

01:48:57,830 --> 01:48:54,960

i'm sorry elton if you're still

3093

01:48:59,830 --> 01:48:57,840

listening mate um but really simply with

3094

01:49:01,590 --> 01:48:59,840

it with the deckmark woods case for for

3095

01:49:03,669 --> 01:49:01,600

my money that's the best one and it's i

3096

01:49:04,950 --> 01:49:03,679

don't know the the answer on this one

3097

01:49:08,550 --> 01:49:04,960

but

3098

01:49:11,109 --> 01:49:08,560

a forester 9th of november 1979 was

3099

01:49:14,229 --> 01:49:11,119

going about his work he had a bizarre

3100

01:49:16,550 --> 01:49:14,239

experience where a ufo that was hovering

3101

01:49:18,310 --> 01:49:16,560

in front of him that was

3102

01:49:19,830 --> 01:49:18,320

translucent he could see through it but

3103

01:49:22,709 --> 01:49:19,840

it was definitely there

3104

01:49:25,990 --> 01:49:22,719

um it released two other small objects

3105

01:49:28,950 --> 01:49:26,000

that flew through the air towards him um

3106

01:49:33,109 --> 01:49:28,960

and they resembled like world war ii sea

3107

01:49:33,910 --> 01:49:33,119

mines he lost consciousness he suffered

3108

01:49:36,629 --> 01:49:33,920

some

3109

01:49:39,270 --> 01:49:36,639

physical and sort of mental damage and

3110

01:49:41,189 --> 01:49:39,280

what's great about the case is that

3111

01:49:42,870 --> 01:49:41,199

um i mean obviously it wasn't great if

3112

01:49:45,109 --> 01:49:42,880

you were him but um

3113

01:49:46,870 --> 01:49:45,119

what's great about the case is that

3114

01:49:49,109 --> 01:49:46,880

because he got home very quickly and his

3115

01:49:52,070 --> 01:49:49,119

wife reported it within

3116

01:49:53,910 --> 01:49:52,080

a short amount of time his doctor came

3117

01:49:55,750 --> 01:49:53,920

to check him out and you know confirmed

3118

01:49:57,750 --> 01:49:55,760

that he had obviously been through some

3119

01:49:59,830 --> 01:49:57,760

traumatic event and the local police

3120

01:50:01,830 --> 01:49:59,840

turned up and they treated it as an

3121

01:50:03,830 --> 01:50:01,840

assault so there was a full forensic

3122

01:50:06,790 --> 01:50:03,840

investigation and i do remember this

3123

01:50:08,550 --> 01:50:06,800

case yeah yeah and his trousers are now

3124

01:50:11,990 --> 01:50:08,560

the biggest holy relic in british

3125

01:50:15,350 --> 01:50:13,589

they belong to a guy called malcolm

3126  
01:50:17,910 --> 01:50:15,360  
robinson who did the investigation he's

3127  
01:50:19,750 --> 01:50:17,920  
now the legal owner of the trousers and

3128  
01:50:24,149 --> 01:50:19,760  
i'm not alone in having had my hands in

3129  
01:50:27,589 --> 01:50:25,990  
like splinters the true cross you know

3130  
01:50:29,990 --> 01:50:27,599  
you've got to touch him for it to really

3131  
01:50:31,910 --> 01:50:30,000  
work makes sense but yeah he's

3132  
01:50:33,030 --> 01:50:31,920  
but seriously there's

3133  
01:50:33,750 --> 01:50:33,040  
i won't bore you with the whole thing

3134  
01:50:35,589 --> 01:50:33,760  
but

3135  
01:50:37,669 --> 01:50:35,599  
the way the trousers were torn was

3136  
01:50:39,109 --> 01:50:37,679  
unusual i mean something strange

3137  
01:50:40,629 --> 01:50:39,119  
happened to him and nobody knows and

3138  
01:50:42,629 --> 01:50:40,639

what there's a brilliant book written

3139

01:50:44,149 --> 01:50:42,639

about it by malcolm robinson and what's

3140

01:50:46,229 --> 01:50:44,159

great about the book is that he gives

3141

01:50:48,950 --> 01:50:46,239

you the case he gives you 16

3142

01:50:51,189 --> 01:50:48,960

explanations that may

3143

01:50:53,030 --> 01:50:51,199

you know to a greater or lesser extent

3144

01:50:55,430 --> 01:50:53,040

may explain it and it's for my money

3145

01:50:57,189 --> 01:50:55,440

that's the best british case

3146

01:50:58,950 --> 01:50:57,199

and if you're unfamiliar in america it's

3147

01:51:01,189 --> 01:50:58,960

easily googled

3148

01:51:04,629 --> 01:51:01,199

interesting uh yeah i'm going to take

3149

01:51:07,510 --> 01:51:04,639

this uh this call really quick jack

3150

01:51:09,990 --> 01:51:07,520

from ohio you were on the line

3151  
01:51:12,550 --> 01:51:10,000  
and you're on the air

3152  
01:51:17,189 --> 01:51:12,560  
hey martin hi

3153  
01:51:22,870 --> 01:51:18,870  
okay hey martin hey neil how are you

3154  
01:51:29,350 --> 01:51:24,229  
oh okay

3155  
01:51:32,790 --> 01:51:30,950  
oh what are you asking me what i think

3156  
01:51:35,189 --> 01:51:32,800  
about him

3157  
01:51:37,589 --> 01:51:35,199  
yeah luis elizondo and what he has to

3158  
01:51:38,790 --> 01:51:37,599  
say um just his point of view and the

3159  
01:51:41,589 --> 01:51:38,800  
people that

3160  
01:51:43,109 --> 01:51:41,599  
you know study this that you know know

3161  
01:51:44,070 --> 01:51:43,119  
about aircraft

3162  
01:51:46,070 --> 01:51:44,080  
and you know

3163  
01:51:47,910 --> 01:51:46,080

just what they're seeing you know like

3164

01:51:50,229 --> 01:51:47,920

he's basically saying that what he's

3165

01:51:52,709 --> 01:51:50,239

saying is definitely not a you know

3166

01:51:54,629 --> 01:51:52,719

regular aircraft that we would have or

3167

01:51:56,870 --> 01:51:54,639

any other um

3168

01:51:59,350 --> 01:51:56,880

nation would have

3169

01:52:00,629 --> 01:51:59,360

i i spoke about that quite a bit earlier

3170

01:52:02,149 --> 01:52:00,639

on i mean so

3171

01:52:03,910 --> 01:52:02,159

given that we've only got a few minutes

3172

01:52:06,470 --> 01:52:03,920

i think possibly something we could

3173

01:52:08,870 --> 01:52:06,480

agree on here is that

3174

01:52:11,669 --> 01:52:08,880

if luis elizondo actually delivers on

3175

01:52:13,990 --> 01:52:11,679

the much longer video and the other bits

3176  
01:52:16,070 --> 01:52:14,000  
and pieces i'd be really

3177  
01:52:18,229 --> 01:52:16,080  
despite what one of the earlier callers

3178  
01:52:19,669 --> 01:52:18,239  
thought i would love that to be true i

3179  
01:52:21,510 --> 01:52:19,679  
would

3180  
01:52:22,550 --> 01:52:21,520  
i think they're presenting intriguing

3181  
01:52:24,790 --> 01:52:22,560  
evidence

3182  
01:52:27,350 --> 01:52:24,800  
i've been around and you know i've seen

3183  
01:52:28,790 --> 01:52:27,360  
the great cases in in ufology and the

3184  
01:52:31,270 --> 01:52:28,800  
ones that were always going to convince

3185  
01:52:33,750 --> 01:52:31,280  
the out and out skeptics were presented

3186  
01:52:35,510 --> 01:52:33,760  
and a lot of them crashed and burned so

3187  
01:52:37,350 --> 01:52:35,520  
that's why i'm maybe more skeptical

3188  
01:52:38,870 --> 01:52:37,360

about the three videos and and the

3189

01:52:40,870 --> 01:52:38,880

promise of other stuff and we haven't

3190

01:52:42,550 --> 01:52:40,880

talked about it tonight but uh there's a

3191

01:52:46,310 --> 01:52:42,560

guy mentioned in my book a blog called

3192

01:52:47,910 --> 01:52:46,320

ralph noyes n-o-y-e-s who was in in uk

3193

01:52:49,589 --> 01:52:47,920

ufology for years

3194

01:52:51,589 --> 01:52:49,599

i mentioned him in the context of louis

3195

01:52:53,990 --> 01:52:51,599

alexander because ralph noyes was a

3196

01:52:56,070 --> 01:52:54,000

ministry he was spent a lifetime in the

3197

01:52:57,990 --> 01:52:56,080

ministry of defense and he left with a

3198

01:53:00,870 --> 01:52:58,000

very high rank and i remember him

3199

01:53:03,430 --> 01:53:00,880

telling us it at a a research meeting

3200

01:53:05,430 --> 01:53:03,440

one time that you know he'd seen videos

3201  
01:53:07,589 --> 01:53:05,440  
that have never been made public he was

3202  
01:53:09,189 --> 01:53:07,599  
convinced of two things

3203  
01:53:11,750 --> 01:53:09,199  
number one that the british military

3204  
01:53:14,149 --> 01:53:11,760  
knew that there was strange phenomena

3205  
01:53:15,830 --> 01:53:14,159  
out there to be investigated number two

3206  
01:53:18,709 --> 01:53:15,840  
that they'd concluded they were not

3207  
01:53:20,629 --> 01:53:18,719  
extraterrestrial and ralph saw gun

3208  
01:53:22,629 --> 01:53:20,639  
camera footage which is known to exist

3209  
01:53:26,229 --> 01:53:22,639  
from a military fighter strange object

3210  
01:53:28,629 --> 01:53:26,239  
in the sky and he saw this in 1970

3211  
01:53:30,709 --> 01:53:28,639  
um and it's never been i hate to have to

3212  
01:53:33,430 --> 01:53:30,719  
do this to you but we are right out of

3213  
01:53:36,310 --> 01:53:33,440

time and another live show is coming up

3214

01:53:39,350 --> 01:53:36,320

so uh but thank you so much for your

3215

01:53:41,830 --> 01:53:39,360

participation participation tonight

3216

01:53:43,430 --> 01:53:41,840

okay all right thank you very much

3217

01:53:45,350 --> 01:53:43,440

thanks everybody even the ones that

3218

01:53:46,149 --> 01:53:45,360

weren't convinced by me all right all

3219

01:53:48,629 --> 01:53:46,159

right

3220

01:53:50,390 --> 01:53:48,639

yeah cheers martin yes take care now

3221

01:53:52,070 --> 01:53:50,400

yeah thank you

3222

01:53:53,910 --> 01:53:52,080

all right everyone so that's it for our

3223

01:53:55,350 --> 01:53:53,920

listening however you're doing it and

3225

01:54:00,790 --> 01:53:57,199

next week i'll be on the west coast but

01:54:02,470 --> 01:54:00,800

i have dr bob gross on the show and so

3227

01:54:03,910 --> 01:54:02,480

eyes to the sky
