00:00:40,790 --> 00:00:38,000
a ufo landing in a meeting with

3
00:00:45,110 --> 00:00:40,800
eisenhower by charles lear

4
00:00:47,190 --> 00:00:45,120
from february 17 to february 24 1954

5
00:00:49,430 --> 00:00:47,200
president dwight d eisenhower was in

6
00:00:52,470 --> 00:00:49,440
palm springs california on what was

7
00:00:54,709 --> 00:00:52,480
described to the public as a vacation on

8
00:00:56,790 --> 00:00:54,719
february 20th he disappeared from public

9
00:00:59,110 --> 00:00:56,800
view and rumors spread to the point that

10
00:01:00,709 --> 00:00:59,120
the headline president eisenhower died

11
00:01:03,189 --> 00:01:00,719
tonight of a heart attack in palm

12
00:01:05,670 --> 00:01:03,199
springs appeared on the associated press

13
00:01:07,670 --> 00:01:05,680

newswire the story was removed two

14

00:01:10,230 --> 00:01:07,680

minutes later and the ap reported that

15

00:01:12,550 --> 00:01:10,240

he was still alive ufologists have

16

00:01:14,789 --> 00:01:12,560

speculated on where he was that day and

17

00:01:17,030 --> 00:01:14,799

some have come to the conclusion that

18

00:01:19,510 --> 00:01:17,040

eisenhower went to murak air force base

19

00:01:21,270 --> 00:01:19,520

for a secret meeting with alien visitors

20

00:01:23,190 --> 00:01:21,280

the earliest mention of eisenhower and

21

00:01:25,270 --> 00:01:23,200

aliens being at murak appears in a

22

00:01:27,030 --> 00:01:25,280

the date on the link is april 16 1954

28

00:01:43,429 --> 00:01:41,119

the letter opens with this my dear

29

00:01:46,469 --> 00:01:43,439

friend i've just returned from muric the

30

00:01:48,149 --> 00:01:46,479

report is true devastatingly true i made

31

00:01:50,149 --> 00:01:48,159

the journey in company with franklin

32

00:01:52,310 --> 00:01:50,159

erstwhile financial advisor and bishop

mcintyre of los angeles confidential

36

00:02:02,230 --> 00:01:59,600

names for the present please the mention

37

00:02:04,709 --> 00:02:02,240

of aliens referred to as ethereans and

38

00:02:07,030 --> 00:02:04,719

their craft is as follows during my two

39

00:02:09,190 --> 00:02:07,040

days visit i saw five separate and

40

00:02:11,350 --> 00:02:09,200

distinct types of aircraft being studied

41

00:02:13,190 --> 00:02:11,360

and handled by our air force officials

42

00:02:15,830 --> 00:02:13,200

with the assistance and permission of

43

00:02:17,910 --> 00:02:15,840

the ethereans i have no words to express

44

00:02:20,949 --> 00:02:17,920

my reactions and the reference to

45

00:02:23,030 --> 00:02:20,959

eisenhower is this president eisenhower

46

00:02:25,030 --> 00:02:23,040

as you may already know was spirited

47

00:02:27,589 --> 00:02:25,040

over to murak one night during his visit

48

00:02:30,229 --> 00:02:27,599

to palm springs recently lane commented

49

00:02:32,070 --> 00:02:30,239

on the letter in 1958 with this the

50

00:02:34,309 --> 00:02:32,080

matter of an alleged visit by president

51
00:02:36,550 --> 00:02:34,319
eisenhower to muric base is clearly

52
00:02:38,949 --> 00:02:36,560
reported simply as a personal inference

53
00:02:40,390 --> 00:02:38,959
in belief in fact the probert controls

54
00:02:42,630 --> 00:02:40,400
have said that the president sent a

55
00:02:44,550 --> 00:02:42,640
personal representative but did not go

56
00:02:46,150 --> 00:02:44,560
to the base himself there's much

57
00:02:47,910 --> 00:02:46,160
guesswork also where the writer of the

58
00:02:50,869 --> 00:02:47,920
letter quoted talks about future

59
00:02:52,790 --> 00:02:50,879
policies public reaction etc is not a

60
00:02:54,869 --> 00:02:52,800
profit and i quote him only for the

61
00:02:57,030 --> 00:02:54,879
interest of the murak affair concerning

62
00:02:59,589 --> 00:02:57,040
which i still get many inquiries the

63
00:03:01,830 --> 00:02:59,599

probert controls were the entities bsra

64
00:03:03,670 --> 00:03:01,840
member mark probert channeled as a trans

65
00:03:06,390 --> 00:03:03,680
medium he is referred to as the

66
00:03:07,430 --> 00:03:06,400
telegnostic from san diego on the bsrf

67
00:03:09,350 --> 00:03:07,440
website

68
00:03:10,949 --> 00:03:09,360
michael sala explored the matter in a

69
00:03:14,790 --> 00:03:10,959
research study published on the

70
00:03:16,710 --> 00:03:14,800
exopolitics website on january 28 2004.

71
00:03:18,630 --> 00:03:16,720
in his abstract he tells the story of

72
00:03:20,630 --> 00:03:18,640
eisenhower's disappearance and how

73
00:03:22,470 --> 00:03:20,640
reporters were told that eisenhower had

74
00:03:24,630 --> 00:03:22,480
gone off to have emergency dental

75
00:03:27,030 --> 00:03:24,640
treatment sela then tells the reader

76

00:03:29,430 --> 00:03:27,040

that his paper will explore evidence of

77

00:03:31,509 --> 00:03:29,440

first contact with nordic et's an

78

00:03:33,509 --> 00:03:31,519

agreement made with them and a series of

79

00:03:35,110 --> 00:03:33,519

meetings leading up to a contract being

80

00:03:36,949 --> 00:03:35,120

signed with the greys

81

00:03:39,350 --> 00:03:36,959

sallam brings up one fact that has

82

00:03:41,589 --> 00:03:39,360

helped fuel the alien meeting theory and

83

00:03:43,589 --> 00:03:41,599

that is that eisenhower had just gone on

84

00:03:46,070 --> 00:03:43,599

a quail hunting vacation in georgia a

85

00:03:48,550 --> 00:03:46,080

week before he credits the letter from

86

00:03:49,710 --> 00:03:48,560

light as the first public source

87

00:03:51,910 --> 00:03:49,720

alleging a meeting with

88

00:03:54,309 --> 00:03:51,920

extraterrestrials but he doesn't include

89

00:03:55,990 --> 00:03:54,319

lane's comment he cites an essay by

90

00:03:58,070 --> 00:03:56,000

william cooper as his source for the

91

00:04:00,470 --> 00:03:58,080

letter and includes cooper in his list

92

00:04:02,710 --> 00:04:00,480

of whistleblowers supporting the story

93

00:04:04,070 --> 00:04:02,720

the others are john lear robert dean and

94

00:04:05,910 --> 00:04:04,080

phil schneider

95

00:04:07,350 --> 00:04:05,920

what these men have in common is that

96

00:04:09,270 --> 00:04:07,360

they use their backgrounds in the

97

00:04:11,270 --> 00:04:09,280

military and intelligence communities

98

00:04:13,910 --> 00:04:11,280

both real and invented to give

99

00:04:16,069 --> 00:04:13,920

credibility to outlandish tales of alien

100

00:04:18,949 --> 00:04:16,079

interactions with government entities

101
00:04:22,390 --> 00:04:18,959
cooper's essay is a vivid example also

102
00:04:24,189 --> 00:04:22,400
in 2004 saleh published exopolitics

103
00:04:26,550 --> 00:04:24,199
political implications of the

104
00:04:28,469 --> 00:04:26,560
extraterrestrial presence and peter

105
00:04:30,310 --> 00:04:28,479
carlson of the washington post

106
00:04:32,469 --> 00:04:30,320
interviewed salah about the eisenhower

107
00:04:35,350 --> 00:04:32,479
and alien story and looked into it

108
00:04:38,070 --> 00:04:35,360
himself after presenting salad's version

109
00:04:40,150 --> 00:04:38,080
carlson explores the dentist theory

110
00:04:43,150 --> 00:04:40,160
carlson talked with eisenhower library

111
00:04:45,590 --> 00:04:43,160
archivist herv pancratz a specialist in

112
00:04:47,670 --> 00:04:45,600
transportation-related archival matters

113
00:04:50,070 --> 00:04:47,680

because ufos are considered by some to

114

00:04:52,150 --> 00:04:50,080

be transportation pancratz became the

115

00:04:54,230 --> 00:04:52,160

person who dealt with the many questions

116

00:04:56,070 --> 00:04:54,240

about the alien meeting as the story

117

00:04:58,950 --> 00:04:56,080

entered the popular imagination in the

118

00:05:01,110 --> 00:04:58,960

1980s and 90s pancratz believes the

119

00:05:03,670 --> 00:05:01,120

dennis theory and cites an article by

120

00:05:05,990 --> 00:05:03,680

dental historian james mixon a history

121

00:05:08,950 --> 00:05:06,000

of dwight d eisenhower's oral health

122

00:05:11,270 --> 00:05:08,960

published in the november 1995 issue of

123

00:05:13,510 --> 00:05:11,280

the bulletin of the history of dentistry

124

00:05:15,670 --> 00:05:13,520

using the u.s surgeon general's records

125

00:05:18,150 --> 00:05:15,680

of eisenhower's oral history mixon

126

00:05:20,150 --> 00:05:18,160

determined that on the night in question

127

00:05:22,629 --> 00:05:20,160

eisenhower chipped the cap on his upper

128

00:05:25,029 --> 00:05:22,639

right central incisor the cap was

129

00:05:28,469 --> 00:05:25,039

reportedly repaired by dr francis a

130

00:05:30,950 --> 00:05:28,479

purcell purcell died in 1974 and no

131

00:05:32,790 --> 00:05:30,960

record of the repair remains so belief

132

00:05:35,189 --> 00:05:32,800

that the dental emergency was a cover

133

00:05:38,310 --> 00:05:35,199

story remains the story hit the news

134

00:05:40,710 --> 00:05:38,320

again in 2010 when retired new hampshire

135

00:05:42,629 --> 00:05:40,720

state representative henry mcelroy

136

00:05:44,390 --> 00:05:42,639

posted a youtube video where he claims

137

00:05:47,189 --> 00:05:44,400

to have seen a document that supports

138

00:05:49,430 --> 00:05:47,199

the alien theory he says this the

139

00:05:51,749 --> 00:05:49,440

document i saw was an official brief to

140

00:05:54,070 --> 00:05:51,759

president eisenhower to the best of my

141

00:05:56,230 --> 00:05:54,080

memory viagra's sans ordinance this

142

00:05:58,309 --> 00:05:56,240

brief was pervaded with a sense of hope

143

00:05:59,830 --> 00:05:58,319

and it informed president eisenhower of

144

00:06:01,670 --> 00:05:59,840

the continued presence of

145

00:06:03,830 --> 00:06:01,680

extraterrestrial beings here in the

146

00:06:05,270 --> 00:06:03,840

united states of america the brief

147

00:06:06,870 --> 00:06:05,280

seemed to indicate that a meeting

148

00:06:08,870 --> 00:06:06,880

between the president and some of these

149

00:06:11,270 --> 00:06:08,880

visitors could be arranged as

150

00:06:13,350 --> 00:06:11,280

appropriate if desired and why would a

151
00:06:15,590 --> 00:06:13,360
state representative have access to what

152
00:06:17,990 --> 00:06:15,600
would likely be a classified document

153
00:06:20,230 --> 00:06:18,000
that originated in a federal office

154
00:06:22,390 --> 00:06:20,240
mcelroy claims that as a member of the

155
00:06:24,390 --> 00:06:22,400
state federal relations and veterans

156
00:06:26,550 --> 00:06:24,400
affairs committee it was important that

157
00:06:28,469 --> 00:06:26,560
he be updated on a large number of

158
00:06:31,110 --> 00:06:28,479
topics related to the affairs of our

159
00:06:33,990 --> 00:06:31,120
people and our nation this tale like

160
00:06:37,350 --> 00:06:34,000
many ufo tales will likely be repeatedly

161
00:06:40,189 --> 00:06:37,360
resurrected and retold and like many ufo

162
00:06:43,510 --> 00:06:40,199
tales this one has been added to around

163
00:06:45,510 --> 00:06:43,520

2007 researcher art campbell claimed

164

00:06:47,510 --> 00:06:45,520

that a witness identified only by a

165

00:06:49,830 --> 00:06:47,520

pseudonym wrote him a seven seven-page

166

00:06:51,909 --> 00:06:49,840

letter saying that eisenhower landed at

167

00:06:54,309 --> 00:06:51,919

holloman air force base and met with

168

00:06:56,230 --> 00:06:54,319

aliens there during his hunting vacation

169

00:07:12,920 --> 00:06:56,240

in georgia hmm
