1
00:00:03,110 --> 00:00:09,110
[Music]

2
00:00:09,120 --> 00:00:18,740
so

3
00:00:56,310 --> 00:00:27,840
[Music]

4
00:00:59,990 --> 00:00:58,630
hello and welcome to the show i'm martin

5
00:01:02,310 --> 00:01:00,000
willis your host

6
00:01:04,789 --> 00:01:02,320
and another exciting show for you this

7
00:01:06,870 --> 00:01:04,799
evening just a couple of things um next

8
00:01:08,630 --> 00:01:06,880
week i'm still i'm back on the east

9
00:01:10,149 --> 00:01:08,640
coast by the way had a wonderful time

10
00:01:12,230 --> 00:01:10,159
out on the west coast

11
00:01:13,510 --> 00:01:12,240
and going to be here for next week we

12
00:01:16,390 --> 00:01:13,520
have a great guest

13
00:01:19,429 --> 00:01:16,400

um chris pittman um he's been on a lot

14

00:01:20,950 --> 00:01:19,439

of tv shows he's a ufo historian a real

15

00:01:22,310 --> 00:01:20,960

nice guy i'm really looking forward to

16

00:01:25,350 --> 00:01:22,320

that show i'm going to be doing that

17

00:01:27,270 --> 00:01:25,360

show um from new england and then the

18

00:01:30,310 --> 00:01:27,280

following week

19

00:01:32,630 --> 00:01:30,320

my friend and i are heading out to

20

00:01:35,030 --> 00:01:32,640

arizona we're going to be at the mufon

21

00:01:36,469 --> 00:01:35,040

boot camp i'm going to be filming uh

22

00:01:37,590 --> 00:01:36,479

during the boot camp i actually have

23

00:01:38,630 --> 00:01:37,600

permission

24

00:01:41,990 --> 00:01:38,640

and

25

00:01:45,670 --> 00:01:42,000

we're going to be doing a show right

26
00:01:49,350 --> 00:01:45,680
from uh one of the um mufon members

27
00:01:52,149 --> 00:01:49,360
homes out there with uh i think matthew

28
00:01:53,830 --> 00:01:52,159
roberts who is a a guest that a lot of

29
00:01:55,429 --> 00:01:53,840
people really liked on this show before

30
00:01:58,870 --> 00:01:55,439
he lives here he's going to be joining

31
00:02:00,069 --> 00:01:58,880
us as far as i know that should work out

32
00:02:02,630 --> 00:02:00,079
this week

33
00:02:04,389 --> 00:02:02,640
we have a blog by charles lear again

34
00:02:06,469 --> 00:02:04,399
hats off to him he does a lot of really

35
00:02:10,389 --> 00:02:06,479
good work this title to this one's

36
00:02:11,750 --> 00:02:10,399
called ufos nycap and the cia nycap is

37
00:02:14,390 --> 00:02:11,760
the national

38
00:02:15,910 --> 00:02:14,400

investigations committee for aerial

39

00:02:19,030 --> 00:02:15,920

phenomena

40

00:02:22,150 --> 00:02:19,040

that was founded back in 1956 it was

41

00:02:24,309 --> 00:02:22,160

actually it appears to be that it was

42

00:02:26,309 --> 00:02:24,319

founded by a

43

00:02:27,910 --> 00:02:26,319

cia

44

00:02:30,710 --> 00:02:27,920

member or had something to do in the

45

00:02:34,070 --> 00:02:30,720

past with the cia and so it's a it's a

46

00:02:35,990 --> 00:02:34,080

bit uh of a cloudy uh area whether the

47

00:02:38,630 --> 00:02:36,000

cia well they actually admitted they

48

00:02:39,910 --> 00:02:38,640

were overt and uh was putting it out

49

00:02:42,710 --> 00:02:39,920

there that they were

50

00:02:44,869 --> 00:02:42,720

part of it in the very beginning and uh

51
00:02:46,790 --> 00:02:44,879
and then later on as well i know jack

52
00:02:49,430 --> 00:02:46,800
brewer has done a lot of

53
00:02:52,470 --> 00:02:49,440
investigations on this and i'm not

54
00:02:55,430 --> 00:02:52,480
really sure if it can be um a hundred

55
00:02:57,270 --> 00:02:55,440
percent sure that there was cia

56
00:02:59,350 --> 00:02:57,280
involvement all the way along but i do

57
00:03:00,869 --> 00:02:59,360
believe that they wanted to find out

58
00:03:02,550 --> 00:03:00,879
some information

59
00:03:04,630 --> 00:03:02,560
and there was also something about

60
00:03:06,790 --> 00:03:04,640
propulsion at one time that was very

61
00:03:09,270 --> 00:03:06,800
interesting that someone involved in

62
00:03:12,070 --> 00:03:09,280
icap was involved in great article over

63
00:03:14,550 --> 00:03:12,080

there and as always they're made into

64

00:03:16,710 --> 00:03:14,560

audio blogs that come out about um

65

00:03:19,430 --> 00:03:16,720

during the weekend every week that also

66

00:03:22,710 --> 00:03:19,440

pops up on youtube and also on our

67

00:03:24,710 --> 00:03:22,720

podcast feed and by the way if you are

68

00:03:28,470 --> 00:03:24,720

new and you want to join the podcast

69

00:03:31,750 --> 00:03:28,480

feed the rss link is right on our

70

00:03:34,070 --> 00:03:31,760

website which is podcastufo.com

71

00:03:36,789 --> 00:03:34,080

anyone can support the show for two

72

00:03:39,509 --> 00:03:36,799

dollars or more a month and that link is

73

00:03:41,830 --> 00:03:39,519

over again on podcastufo.com

74

00:03:43,589 --> 00:03:41,840

also on the sidebar you can join the

75

00:03:46,149 --> 00:03:43,599

mailing list so you can find out who's

76
00:03:48,630 --> 00:03:46,159
on our show every week and also a link

77
00:03:50,710 --> 00:03:48,640
to the blog you only get one newsletter

78
00:03:53,509 --> 00:03:50,720
a week i don't inundate people with

79
00:03:55,670 --> 00:03:53,519
anything else but just who the guest is

80
00:03:58,390 --> 00:03:55,680
and if there's a sudden change that may

81
00:04:00,390 --> 00:03:58,400
come up other than that i will leave

82
00:04:02,550 --> 00:04:00,400
everyone alone and

83
00:04:05,509 --> 00:04:02,560
you can join all you have to do is drop

84
00:04:07,750 --> 00:04:05,519
in your email address and confirm it and

85
00:04:10,869 --> 00:04:07,760
that's it um so

86
00:04:11,910 --> 00:04:10,879
anyway our guest this evening dr irina

87
00:04:15,270 --> 00:04:11,920
scott

88
00:04:17,990 --> 00:04:15,280

she was on about four or five years ago

89

00:04:19,749 --> 00:04:18,000

and she has been doing a lot of work

90

00:04:22,950 --> 00:04:19,759

good work in this field

91

00:04:25,030 --> 00:04:22,960

she has a dia background

92

00:04:26,310 --> 00:04:25,040

she i believe went to veterinarian

93

00:04:28,469 --> 00:04:26,320

school i can talk to her a little bit

94

00:04:29,350 --> 00:04:28,479

more about that she has her phd

95

00:04:32,870 --> 00:04:29,360

and

96

00:04:35,030 --> 00:04:32,880

she is a wonderful guest i remember her

97

00:04:36,870 --> 00:04:35,040

from last time very enjoyable

98

00:04:39,510 --> 00:04:36,880

and it gives me great pleasure to bring

99

00:04:41,590 --> 00:04:39,520

her on the show this evening and here

100

00:04:43,270 --> 00:04:41,600

she is welcome to the show

101
00:04:45,430 --> 00:04:43,280
do you want to be called irena or what

102
00:04:46,469 --> 00:04:45,440
would you like to be called irena that's

103
00:04:47,350 --> 00:04:46,479
my name

104
00:04:49,670 --> 00:04:47,360
okay

105
00:04:51,670 --> 00:04:49,680
all right now i remember irena thanks so

106
00:04:53,510 --> 00:04:51,680
much for uh your willingness to be on i

107
00:04:55,590 --> 00:04:53,520
tried to get uh calvin parker i'm not

108
00:04:58,310 --> 00:04:55,600
sure he's had some health health issues

109
00:05:00,710 --> 00:04:58,320
i'm trying to get him to join us uh um

110
00:05:02,629 --> 00:05:00,720
but i wasn't able to reach him but that

111
00:05:04,230 --> 00:05:02,639
would uh but he still has time i mean if

112
00:05:06,230 --> 00:05:04,240
he sends me an email or whatever during

113
00:05:08,629 --> 00:05:06,240

the show i can still uh try to bring him

114

00:05:12,150 --> 00:05:08,639

in but anyway uh

115

00:05:14,710 --> 00:05:12,160

i remember you telling me uh about your

116

00:05:17,590 --> 00:05:14,720

background but you um

117

00:05:20,390 --> 00:05:17,600

if i if i have this right you grew up

118

00:05:22,390 --> 00:05:20,400

kind of on the poor side and uh i don't

119

00:05:24,629 --> 00:05:22,400

i believe you only had a radio when you

120

00:05:26,870 --> 00:05:24,639

were growing up and you didn't have a tv

121

00:05:30,550 --> 00:05:26,880

and you had some type of strange

122

00:05:32,550 --> 00:05:30,560

ufo encounter but it was a small thing

123

00:05:33,909 --> 00:05:32,560

and let's start out with that when you

124

00:05:35,990 --> 00:05:33,919

were really young

125

00:05:39,110 --> 00:05:36,000

this thing came into your room and i

126

00:05:40,710 --> 00:05:39,120

want to i want to rule out the the the

127

00:05:43,270 --> 00:05:40,720

obvious things that it could have been

128

00:05:44,710 --> 00:05:43,280

first of all firefly um so i'm going to

129

00:05:47,189 --> 00:05:44,720

ask you a couple questions you thought

130

00:05:50,230 --> 00:05:47,199

it was more like a orange glowing

131

00:05:51,749 --> 00:05:50,240

thing it was small like the size of a i

132

00:05:52,790 --> 00:05:51,759

don't know a few inches or something

133

00:05:55,270 --> 00:05:52,800

like that

134

00:05:57,510 --> 00:05:55,280

um and it was like an orange glowing

135

00:05:59,189 --> 00:05:57,520

thing did it blink at all is it a steady

136

00:06:01,909 --> 00:05:59,199

a steady light

137

00:06:04,150 --> 00:06:01,919

well since the tic-tac has come out it

138

00:06:06,230 --> 00:06:04,160

was just about like that it was

139

00:06:08,309 --> 00:06:06,240

small and shaped sort of like a cough

140

00:06:10,150 --> 00:06:08,319

drop or a tic tac

141

00:06:11,909 --> 00:06:10,160

how about that

142

00:06:12,790 --> 00:06:11,919

so i have something to describe it with

143

00:06:13,830 --> 00:06:12,800

now

144

00:06:15,189 --> 00:06:13,840

um

145

00:06:17,590 --> 00:06:15,199

it was

146

00:06:20,710 --> 00:06:17,600

yeah it um

147

00:06:21,749 --> 00:06:20,720

looked like a little piece of metal it

148

00:06:26,230 --> 00:06:21,759

looked like

149

00:06:31,990 --> 00:06:29,909

and um we were very poor at the time

150

00:06:34,469 --> 00:06:32,000

my father had been my parents had been

151

00:06:36,950 --> 00:06:34,479

farming with horses almost

152

00:06:38,550 --> 00:06:36,960

before that and they electrified and we

153

00:06:40,629 --> 00:06:38,560

got a radio

154

00:06:42,150 --> 00:06:40,639

but we didn't we weren't exposed to the

155

00:06:44,950 --> 00:06:42,160

media at all

156

00:06:47,430 --> 00:06:44,960

and um we never heard of ufos or flying

157

00:06:49,430 --> 00:06:47,440

saucers or even space travel or anything

158

00:06:51,189 --> 00:06:49,440

else

159

00:06:54,309 --> 00:06:51,199

it happened to my sister and i and we

160

00:06:56,950 --> 00:06:54,319

were sleeping in opposite sides of a

161

00:06:58,230 --> 00:06:56,960

attic room

162

00:06:59,909 --> 00:06:58,240

and um

163

00:07:02,550 --> 00:06:59,919

it was

164

00:07:04,870 --> 00:07:02,560

summer and nice weather

165

00:07:08,550 --> 00:07:04,880

and dark at night

166

00:07:11,270 --> 00:07:09,670

woke up

167

00:07:12,230 --> 00:07:11,280

and this thing was flying around the

168

00:07:15,110 --> 00:07:12,240

room

169

00:07:17,350 --> 00:07:15,120

and it was nothing like a firefly which

170

00:07:20,150 --> 00:07:17,360

we were quite familiar with from

171

00:07:23,110 --> 00:07:20,160

um living on a farm

172

00:07:29,110 --> 00:07:25,430

like nothing i'd ever seen before but it

173

00:07:31,909 --> 00:07:29,120

was just sort of buzzing around like it

174

00:07:33,909 --> 00:07:31,919

just a browsing motion like it was

175

00:07:34,710 --> 00:07:33,919

looking around or something

176

00:07:37,110 --> 00:07:34,720

but

177

00:07:39,189 --> 00:07:37,120

i soon know i was about six years old my

178

00:07:40,870 --> 00:07:39,199

sister was about four and i didn't know

179

00:07:43,270 --> 00:07:40,880

she was awake

180

00:07:45,350 --> 00:07:43,280

but um we apparently had both woke up

181

00:07:47,350 --> 00:07:45,360

about the same time

182

00:07:49,990 --> 00:07:47,360

um

183

00:07:51,749 --> 00:07:50,000

i noticed pretty soon that

184

00:07:53,350 --> 00:07:51,759

it didn't run into anything it would

185

00:07:56,550 --> 00:07:53,360

just fly around if it came to an

186

00:07:58,390 --> 00:07:56,560

obstacle it would veer off it didn't it

187

00:07:59,830 --> 00:07:58,400

deflected from walls and the furniture

188

00:08:02,469 --> 00:07:59,840

and everything else

189

00:08:04,629 --> 00:08:02,479

and so i couldn't understand it because

190

00:08:07,430 --> 00:08:04,639

it looked like something dead

191

00:08:10,629 --> 00:08:07,440

but it was behaving like something alive

192

00:08:12,950 --> 00:08:10,639

and i thought this was very very strange

193

00:08:14,309 --> 00:08:12,960

and it kept flying around it got close

194

00:08:16,070 --> 00:08:14,319

to both of us

195

00:08:17,430 --> 00:08:16,080

and i wasn't especially scared or

196

00:08:18,629 --> 00:08:17,440

anything i just didn't have any idea

197

00:08:20,390 --> 00:08:18,639

what it was

198

00:08:23,350 --> 00:08:20,400

because i'd never seen anything like it

199

00:08:25,510 --> 00:08:23,360

it didn't blink it didn't make any sound

200

00:08:29,029 --> 00:08:25,520

um

201
00:08:31,029 --> 00:08:29,039
after

202
00:08:33,430 --> 00:08:31,039
just sort of

203
00:08:35,750 --> 00:08:33,440
just a random motion like browsing but

204
00:08:38,230 --> 00:08:35,760
it came close to us a couple times both

205
00:08:40,389 --> 00:08:38,240
of us it flopped to the ceiling

206
00:08:42,709 --> 00:08:40,399
but it didn't hit the ceiling it uh

207
00:08:44,949 --> 00:08:42,719
turned and veered off

208
00:08:47,269 --> 00:08:44,959
and there was a um

209
00:08:49,190 --> 00:08:47,279
it was an attic room and the walls came

210
00:08:50,070 --> 00:08:49,200
together at the top there was about

211
00:08:51,670 --> 00:08:50,080
three

212
00:08:53,350 --> 00:08:51,680
feet in between them

213
00:08:55,990 --> 00:08:53,360

with a

214

00:08:57,590 --> 00:08:56,000

chandelier in the middle of the room

215

00:09:01,110 --> 00:08:57,600

and it um

216

00:09:03,750 --> 00:09:01,120

flew around under the um

217

00:09:05,110 --> 00:09:03,760

it flew from where it was to the

218

00:09:07,030 --> 00:09:05,120

chandelier

219

00:09:09,030 --> 00:09:07,040

and it seemed to know where it was and

220

00:09:10,790 --> 00:09:09,040

it seemed to know how to get between it

221

00:09:12,310 --> 00:09:10,800

and the walls

222

00:09:14,710 --> 00:09:12,320

and it just began to circle the

223

00:09:16,070 --> 00:09:14,720

chandelier between the chandelier and

224

00:09:17,190 --> 00:09:16,080

the walls

225

00:09:21,910 --> 00:09:17,200

and then

226

00:09:23,509 --> 00:09:21,920

it came down just in a perfect spiral

227

00:09:25,190 --> 00:09:23,519

just like if you put a

228

00:09:27,430 --> 00:09:25,200

line right straight down from the

229

00:09:30,550 --> 00:09:27,440

chandelier and when it got just about

230

00:09:33,110 --> 00:09:30,560

directly below the chandelier

231

00:09:35,190 --> 00:09:33,120

we both became terrified

232

00:09:37,350 --> 00:09:35,200

and started running out of the room and

233

00:09:39,990 --> 00:09:37,360

screaming and everything

234

00:09:41,430 --> 00:09:40,000

and we were so terrified we

235

00:09:42,710 --> 00:09:41,440

ran to each other and fell down the

236

00:09:44,070 --> 00:09:42,720

stairs and then we couldn't get the

237

00:09:46,550 --> 00:09:44,080

stair door open

238

00:09:48,310 --> 00:09:46,560

and we ran to our parents shrieking and

239

00:09:50,870 --> 00:09:48,320

they told us it was that nothing had

240

00:09:51,670 --> 00:09:50,880

happened that we were just imagining it

241

00:09:53,990 --> 00:09:51,680

and

242

00:09:56,790 --> 00:09:54,000

obviously we weren't because two of us

243

00:09:59,269 --> 00:09:56,800

saw it but they sort of kept on saying

244

00:10:00,949 --> 00:09:59,279

that you know we were lying or imagining

245

00:10:02,230 --> 00:10:00,959

it so that was

246

00:10:04,550 --> 00:10:02,240

what happened

247

00:10:06,710 --> 00:10:04,560

yeah yeah i i know who

248

00:10:11,190 --> 00:10:06,720

i remember i had a bat come in my room

249

00:10:14,870 --> 00:10:12,790

i got a video of it and put it on

250

00:10:17,990 --> 00:10:14,880

youtube

251
00:10:19,910 --> 00:10:18,000
well and i remember also the other

252
00:10:22,150 --> 00:10:19,920
sighting you had we talked about this

253
00:10:25,829 --> 00:10:22,160
too the other sighting you had

254
00:10:27,350 --> 00:10:25,839
was um really weird because a trucker

255
00:10:28,310 --> 00:10:27,360
stopped when you were trying to take a

256
00:10:30,389 --> 00:10:28,320
picture

257
00:10:32,389 --> 00:10:30,399
and you were pointing to the object and

258
00:10:34,470 --> 00:10:32,399
he kept turning and looking the opposite

259
00:10:36,230 --> 00:10:34,480
way of the way you were pointing that's

260
00:10:38,230 --> 00:10:36,240
what i remember you told me from the

261
00:10:39,829 --> 00:10:38,240
last time you were on which is the most

262
00:10:41,350 --> 00:10:39,839
bizarre thing and then the thing got

263
00:10:42,630 --> 00:10:41,360

away and you didn't get a picture of it

264

00:10:44,710 --> 00:10:42,640

or you didn't get a good picture or

265

00:10:47,990 --> 00:10:44,720

something right

266

00:10:51,430 --> 00:10:49,990

it should have been obvious my sister

267

00:10:53,670 --> 00:10:51,440

was there too

268

00:10:56,150 --> 00:10:53,680

and we he came up and started talking to

269

00:10:58,470 --> 00:10:56,160

us at first i thought we had another

270

00:11:00,389 --> 00:10:58,480

witness because the thing was close

271

00:11:01,750 --> 00:11:00,399

and you could see in the windows and we

272

00:11:04,150 --> 00:11:01,760

thought there were windows instead of

273

00:11:06,150 --> 00:11:04,160

panels and we'd seen blimps with you

274

00:11:07,829 --> 00:11:06,160

know lighted sides and things

275

00:11:09,350 --> 00:11:07,839

and he came up and said what are you

276

00:11:11,509 --> 00:11:09,360

looking at

277

00:11:13,350 --> 00:11:11,519

and i pointed and

278

00:11:15,269 --> 00:11:13,360

acted like it was an airplane i didn't

279

00:11:16,069 --> 00:11:15,279

say ufo

280

00:11:16,949 --> 00:11:16,079

and

281

00:11:19,509 --> 00:11:16,959

he just

282

00:11:22,069 --> 00:11:19,519

rotated around looked the exact opposite

283

00:11:24,310 --> 00:11:22,079

direction and said i don't see anything

284

00:11:26,470 --> 00:11:24,320

then he turned back around

285

00:11:28,710 --> 00:11:26,480

and looked at me and said i don't you

286

00:11:30,630 --> 00:11:28,720

know and said what are you looking at

287

00:11:32,630 --> 00:11:30,640

and i pointed again at it

288

00:11:35,110 --> 00:11:32,640

and he turned around

289

00:11:39,269 --> 00:11:35,120

and right before that i was just ready

290

00:11:43,829 --> 00:11:42,150

but then he turned he turned around just

291

00:11:45,590 --> 00:11:43,839

exactly the opposite of where it was so

292

00:11:48,069 --> 00:11:45,600

he must have known where it was said i

293

00:11:49,910 --> 00:11:48,079

don't see anything he turned back around

294

00:11:52,790 --> 00:11:49,920

and then he did a motion like pointing

295

00:11:56,470 --> 00:11:52,800

his head or something like i was insane

296

00:11:58,629 --> 00:11:56,480

and then he went back to his truck and i

297

00:12:01,829 --> 00:11:58,639

found out some more about that recently

298

00:12:03,430 --> 00:12:01,839

too but he went back to his truck and

299

00:12:05,269 --> 00:12:03,440

but i did get a picture and it turned

300

00:12:06,389 --> 00:12:05,279

out good and i published in a scientific

301
00:12:08,230 --> 00:12:06,399

journal

302
00:12:11,670 --> 00:12:08,240

but um

303
00:12:13,430 --> 00:12:11,680

then i decided to get on the freeway

304
00:12:15,430 --> 00:12:13,440

and turn my car around so it'd be going

305
00:12:16,470 --> 00:12:15,440

the opposite direction

306
00:12:19,350 --> 00:12:16,480

where he

307
00:12:21,590 --> 00:12:19,360

got right behind me right on my bumper

308
00:12:23,430 --> 00:12:21,600

turned his bright lights on showing him

309
00:12:25,750 --> 00:12:23,440

in my mirror so that i couldn't i was

310
00:12:28,470 --> 00:12:25,760

just blinded because trucks have higher

311
00:12:31,430 --> 00:12:28,480

lights i think yeah worse do

312
00:12:32,949 --> 00:12:31,440

and i slowed down and speeded up and

313
00:12:34,550 --> 00:12:32,959

everything else he just stayed on my

314

00:12:35,509 --> 00:12:34,560

bumper and i thought he was going to

315

00:12:36,949 --> 00:12:35,519

kill us

316

00:12:39,030 --> 00:12:36,959

and i finally thought well he's a truck

317

00:12:40,949 --> 00:12:39,040

he must be heavier and i floored it well

318

00:12:43,590 --> 00:12:40,959

he stayed right behind me

319

00:12:46,069 --> 00:12:43,600

and so i couldn't get rid of him

320

00:12:48,310 --> 00:12:46,079

and finally i decided what to do would

321

00:12:50,470 --> 00:12:48,320

be to go on the left-hand side of the

322

00:12:52,629 --> 00:12:50,480

road and then when i saw an intersection

323

00:12:55,509 --> 00:12:52,639

just suddenly veer off

324

00:12:58,150 --> 00:12:55,519

and i did that and got rid of him but he

325

00:12:59,030 --> 00:12:58,160

could have killed us and so it was a

326

00:13:00,470 --> 00:12:59,040

pretty

327

00:13:01,670 --> 00:13:00,480

suspenseful

328

00:13:04,470 --> 00:13:01,680

yeah

329

00:13:08,069 --> 00:13:04,480

much more horrific than the ufo sighting

330

00:13:11,430 --> 00:13:08,079

itself he wasn't wearing black was he

331

00:13:13,110 --> 00:13:11,440

black no it was dark um

332

00:13:16,230 --> 00:13:13,120

and i didn't you know i didn't know he

333

00:13:18,389 --> 00:13:16,240

was going to chase us beforehand i just

334

00:13:20,230 --> 00:13:18,399

i mean so bizarre

335

00:13:22,389 --> 00:13:20,240

i would have observed him more i guess

336

00:13:23,430 --> 00:13:22,399

but we were pretty busy watching the

337

00:13:27,030 --> 00:13:23,440

object

338

00:13:28,949 --> 00:13:27,040

too so i know your training is uh

339

00:13:31,110 --> 00:13:28,959

are you actually a veterinarian or did

340

00:13:33,430 --> 00:13:31,120

you train to be one

341

00:13:35,829 --> 00:13:33,440

well i wanted to get in astronomy and i

342

00:13:37,590 --> 00:13:35,839

tried that right i was going to go there

343

00:13:40,230 --> 00:13:37,600

yeah and

344

00:13:42,389 --> 00:13:40,240

uh it was me lonely for a long time and

345

00:13:43,910 --> 00:13:42,399

so finally i was working my way through

346

00:13:45,030 --> 00:13:43,920

school i didn't have a lot of money so

347

00:13:47,990 --> 00:13:45,040

eventually

348

00:13:49,590 --> 00:13:48,000

i went to vet school and got a phd but i

349

00:13:52,230 --> 00:13:49,600

didn't really want to be a vet i wanted

350

00:13:53,750 --> 00:13:52,240

to do research so i got a phd instead of

351
00:13:56,069 --> 00:13:53,760
the

352
00:13:57,189 --> 00:13:56,079
vet degree although phd is probably just

353
00:13:59,350 --> 00:13:57,199
as well

354
00:14:00,629 --> 00:13:59,360
right and i know your first level is

355
00:14:02,629 --> 00:14:00,639
astronomy

356
00:14:05,269 --> 00:14:02,639
and so why don't you talk about that and

357
00:14:06,790 --> 00:14:05,279
you did some work in the dia uh through

358
00:14:08,150 --> 00:14:06,800
that right

359
00:14:09,750 --> 00:14:08,160
yeah when i was trying to get into

360
00:14:12,389 --> 00:14:09,760
astronomy

361
00:14:14,069 --> 00:14:12,399
i applied to jobs and

362
00:14:15,750 --> 00:14:14,079
they just said no females and i didn't

363
00:14:17,350 --> 00:14:15,760

have any success at all and i wasn't

364

00:14:18,870 --> 00:14:17,360

allowed to lie

365

00:14:20,069 --> 00:14:18,880

so um

366

00:14:21,910 --> 00:14:20,079

i tried to

367

00:14:23,990 --> 00:14:21,920

get into mapping at first into

368

00:14:26,150 --> 00:14:24,000

cartography because they hired females

369

00:14:27,509 --> 00:14:26,160

and they were also mapping the moon in

370

00:14:29,750 --> 00:14:27,519

other places

371

00:14:31,030 --> 00:14:29,760

but i wound up with a real high security

372

00:14:34,150 --> 00:14:31,040

clearance

373

00:14:36,870 --> 00:14:34,160

and eventually wound up at the dia

374

00:14:39,590 --> 00:14:36,880

and my one one part of my job where

375

00:14:41,189 --> 00:14:39,600

there was in air order of battle and

376

00:14:43,670 --> 00:14:41,199

that was from using satellite

377

00:14:45,990 --> 00:14:43,680

photography and looking down and

378

00:14:50,069 --> 00:14:46,000

identifying airplanes

379

00:14:51,670 --> 00:14:50,079

uh at a pic a particular um location on

380

00:14:54,550 --> 00:14:51,680

the world in the world they had

381

00:14:55,670 --> 00:14:54,560

different people in different places

382

00:14:56,470 --> 00:14:55,680

and so

383

00:14:57,430 --> 00:14:56,480

um

384

00:14:59,829 --> 00:14:57,440

i was

385

00:15:03,509 --> 00:14:59,839

in photogrammetry

386

00:15:09,910 --> 00:15:06,629

i see wow that so um and that's pretty

387

00:15:12,949 --> 00:15:09,920

interesting that you got involved

388

00:15:14,230 --> 00:15:12,959

um with ufos after having that that

389

00:15:17,189 --> 00:15:14,240

background that's that's pretty

390

00:15:19,590 --> 00:15:17,199

interesting but um and all the time that

391

00:15:21,269 --> 00:15:19,600

you were doing that type of work i bet

392

00:15:22,230 --> 00:15:21,279

you were probably never really talked

393

00:15:24,710 --> 00:15:22,240

about

394

00:15:26,949 --> 00:15:24,720

ufos did you

395

00:15:30,310 --> 00:15:26,959

definitely not i was there were only two

396

00:15:32,550 --> 00:15:30,320

females on the whole floor and it was

397

00:15:34,310 --> 00:15:32,560

weird enough to be a female but um i

398

00:15:36,790 --> 00:15:34,320

definitely didn't go around saying i see

399

00:15:39,110 --> 00:15:36,800

ufos

400

00:15:41,910 --> 00:15:39,120

we had real high security clearances and

401
00:15:44,949 --> 00:15:41,920
ufos weren't supposed to exist even

402
00:15:46,550 --> 00:15:44,959
so it's not something you talked about

403
00:15:48,069 --> 00:15:46,560
right right well you know there have

404
00:15:49,910 --> 00:15:48,079
been some women

405
00:15:53,749 --> 00:15:49,920
in astronomy over the years that have

406
00:15:54,870 --> 00:15:53,759
really made um some big breakthroughs i

407
00:15:56,629 --> 00:15:54,880
um

408
00:15:58,150 --> 00:15:56,639
let's see herschel was one of them i'm

409
00:16:00,230 --> 00:15:58,160
just trying to remember who

410
00:16:03,030 --> 00:16:00,240
um some other ones were but there have

411
00:16:04,550 --> 00:16:03,040
been people in but you know they you're

412
00:16:05,910 --> 00:16:04,560
right they they start out with a

413
00:16:07,590 --> 00:16:05,920

disadvantage

414

00:16:09,350 --> 00:16:07,600

like you know what does a woman know

415

00:16:10,710 --> 00:16:09,360

that's the thinking then which is kind

416

00:16:11,590 --> 00:16:10,720

of ridiculous

417

00:16:22,870 --> 00:16:11,600

um

418

00:16:24,629 --> 00:16:22,880

is really too bad why and you're during

419

00:16:27,189 --> 00:16:24,639

our time in your time

420

00:16:30,389 --> 00:16:27,199

that um it was looked down upon that's

421

00:16:31,590 --> 00:16:30,399

that's really sad because um um your

422

00:16:32,870 --> 00:16:31,600

your life could have taken a whole

423

00:16:34,550 --> 00:16:32,880

different turn and you've been doing

424

00:16:37,110 --> 00:16:34,560

something you really loved

425

00:16:38,150 --> 00:16:37,120

yeah i'm disappointed with that my whole

426

00:16:39,590 --> 00:16:38,160

life

427

00:16:42,150 --> 00:16:39,600

right right

428

00:16:43,670 --> 00:16:42,160

so um let's let's talk about you've

429

00:16:45,189 --> 00:16:43,680

already you've written a book before

430

00:16:46,389 --> 00:16:45,199

that's what you talked about last time

431

00:16:48,310 --> 00:16:46,399

you were on

432

00:16:50,629 --> 00:16:48,320

and uh you have a new book let's talk

433

00:16:53,110 --> 00:16:50,639

about that one

434

00:16:55,509 --> 00:16:53,120

um my new book is

435

00:16:58,790 --> 00:16:55,519

beyond pascagoula

436

00:17:05,909 --> 00:17:01,269

pascagoula

437

00:17:07,669 --> 00:17:05,919

the epascogula abduction is very famous

438

00:17:10,470 --> 00:17:07,679

throughout it's one of the most famous

439

00:17:11,990 --> 00:17:10,480

abductions ever

440

00:17:13,350 --> 00:17:12,000

and what i wrote about was everything

441

00:17:16,549 --> 00:17:13,360

else besides

442

00:17:19,909 --> 00:17:16,559

the um pascagoula abduction should i go

443

00:17:22,069 --> 00:17:19,919

into what the pascagoula objection was

444

00:17:23,669 --> 00:17:22,079

uh yeah i mean i've had kelvin on a few

445

00:17:24,710 --> 00:17:23,679

times and actually he

446

00:17:25,590 --> 00:17:24,720

um

447

00:17:40,230 --> 00:17:25,600

i

448

00:17:42,789 --> 00:17:40,240

for many many years and he actually uh

449

00:17:45,270 --> 00:17:42,799

i had a blog up on my website he read

450

00:17:48,310 --> 00:17:45,280

the blog emailed me this is going back

451
00:17:50,630 --> 00:17:48,320
about six or seven years ago

452
00:17:52,630 --> 00:17:50,640
and when he did that i i was so excited

453
00:17:54,630 --> 00:17:52,640
that it was actually him i said is this

454
00:17:56,470 --> 00:17:54,640
the calvin parker

455
00:17:58,230 --> 00:17:56,480
he said yes and so he was on the show

456
00:18:01,510 --> 00:17:58,240
and and he decided to talk about it

457
00:18:04,310 --> 00:18:01,520
again and uh so i'm and it's come quite

458
00:18:07,510 --> 00:18:04,320
a long way from there it's always been a

459
00:18:09,029 --> 00:18:07,520
fascinating case but um yes for the we

460
00:18:10,870 --> 00:18:09,039
do have a lot of new listeners so why

461
00:18:13,669 --> 00:18:10,880
don't we go quickly into that

462
00:18:17,110 --> 00:18:13,679
about uh what what him and uh

463
00:18:19,510 --> 00:18:17,120

hixon experienced back then in uh

464

00:18:21,830 --> 00:18:19,520

and uh

465

00:18:23,350 --> 00:18:21,840

on this on the dock right the fishing

466

00:18:24,789 --> 00:18:23,360

dock

467

00:18:26,310 --> 00:18:24,799

so go ahead if you wouldn't mind doing

468

00:18:27,990 --> 00:18:26,320

the nutshell of that

469

00:18:29,750 --> 00:18:28,000

well i think philip mantle said you were

470

00:18:33,110 --> 00:18:29,760

who connected um

471

00:18:36,390 --> 00:18:33,120

calvin and him right so that's pretty

472

00:18:38,789 --> 00:18:36,400

fantastic yeah yeah he's done a lot

473

00:18:40,789 --> 00:18:38,799

yeah phillip has done a really good job

474

00:18:43,830 --> 00:18:40,799

with what he's done with uh with this

475

00:18:45,590 --> 00:18:43,840

and and also you as well

476
00:18:47,270 --> 00:18:45,600
well what um

477
00:18:50,710 --> 00:18:47,280
happened was to

478
00:18:52,310 --> 00:18:50,720
cover quickly was that um

479
00:18:54,310 --> 00:18:52,320
calvin and

480
00:18:57,510 --> 00:18:54,320
charles hickson

481
00:18:59,990 --> 00:18:57,520
were co-workers at a um

482
00:19:03,430 --> 00:19:00,000
ship building facility

483
00:19:05,830 --> 00:19:03,440
and uh after work they decided to go

484
00:19:07,590 --> 00:19:05,840
fishing and so they went one place and

485
00:19:10,310 --> 00:19:07,600
didn't catch a fish and went someplace

486
00:19:11,909 --> 00:19:10,320
else and so on finally they wound up at

487
00:19:13,990 --> 00:19:11,919
this place where

488
00:19:15,990 --> 00:19:14,000

charles wanted to go

489

00:19:17,510 --> 00:19:16,000

that was kind of posted like no fishing

490

00:19:19,830 --> 00:19:17,520

or something

491

00:19:21,909 --> 00:19:19,840

and he said it's okay to go and calvin

492

00:19:23,190 --> 00:19:21,919

was nervous about it and

493

00:19:25,430 --> 00:19:23,200

say the police will get us and

494

00:19:27,270 --> 00:19:25,440

everything so they went on out to the

495

00:19:30,070 --> 00:19:27,280

pier fishing

496

00:19:32,789 --> 00:19:30,080

and then they saw blue lights

497

00:19:34,950 --> 00:19:32,799

and he was afraid the police were after

498

00:19:36,710 --> 00:19:34,960

him and so he looked for cops and he was

499

00:19:39,430 --> 00:19:36,720

going to tell charles it's your fault

500

00:19:41,110 --> 00:19:39,440

you can go to jail but it was much much

501
00:19:42,470 --> 00:19:41,120
much worse than

502
00:19:46,150 --> 00:19:42,480
the police

503
00:19:49,029 --> 00:19:46,160
because this um object came down

504
00:19:50,870 --> 00:19:49,039
um it didn't land it just kind of

505
00:19:53,909 --> 00:19:50,880
hovered over the ground

506
00:19:55,909 --> 00:19:53,919
and these three things came out

507
00:19:57,909 --> 00:19:55,919
and two of them grabbed charles and one

508
00:20:00,310 --> 00:19:57,919
of them grabbed calvin

509
00:20:01,909 --> 00:20:00,320
and took him inside the

510
00:20:05,270 --> 00:20:01,919
object

511
00:20:07,029 --> 00:20:05,280
and apparently did some measurements on

512
00:20:09,669 --> 00:20:07,039
them and that sort of thing and then

513
00:20:11,350 --> 00:20:09,679

release them well they were terrified

514

00:20:13,270 --> 00:20:11,360

beyond anybody

515

00:20:15,190 --> 00:20:13,280

you could even imagine

516

00:20:17,110 --> 00:20:15,200

and apparently

517

00:20:18,549 --> 00:20:17,120

um

518

00:20:19,830 --> 00:20:18,559

calvin

519

00:20:21,430 --> 00:20:19,840

after they released him was just

520

00:20:22,470 --> 00:20:21,440

standing there with his arms up in the

521

00:20:23,270 --> 00:20:22,480

air

522

00:20:24,950 --> 00:20:23,280

and

523

00:20:27,270 --> 00:20:24,960

um charles

524

00:20:28,149 --> 00:20:27,280

kind of woke him up

525

00:20:30,470 --> 00:20:28,159

and

526

00:20:39,990 --> 00:20:32,070

they

527

00:20:42,549 --> 00:20:40,000

and then charles who was the older man

528

00:20:45,029 --> 00:20:42,559

and who had been in the war and

529

00:20:48,070 --> 00:20:45,039

had been through real bad experiences

530

00:20:49,270 --> 00:20:48,080

said yeah we have to

531

00:20:50,870 --> 00:20:49,280

tell somebody

532

00:20:53,110 --> 00:20:50,880

and calvin didn't want to he didn't want

533

00:20:54,710 --> 00:20:53,120

to talk about he just wanted to get away

534

00:20:58,230 --> 00:20:54,720

and not think about

535

00:20:59,909 --> 00:20:58,240

but they first contacted

536

00:21:01,750 --> 00:20:59,919

the newspaper and the newspaper was

537

00:21:04,710 --> 00:21:01,760

closed and then they

538

00:21:07,110 --> 00:21:04,720

contacted kessler air force base

539

00:21:08,950 --> 00:21:07,120

and they said we don't the air force

540

00:21:10,950 --> 00:21:08,960

doesn't take ufo reports and told them

541

00:21:12,310 --> 00:21:10,960

to go to somebody

542

00:21:14,230 --> 00:21:12,320

local

543

00:21:16,789 --> 00:21:14,240

so they

544

00:21:18,549 --> 00:21:16,799

contacted the police and you can imagine

545

00:21:21,510 --> 00:21:18,559

what it'd be like to contact the police

546

00:21:23,430 --> 00:21:21,520

with that i mean these um

547

00:21:25,510 --> 00:21:23,440

charles called and said

548

00:21:27,590 --> 00:21:25,520

you won't believe this but we were

549

00:21:29,110 --> 00:21:27,600

abducted by a ufo

550

00:21:30,789 --> 00:21:29,120

and

551
00:21:32,390 --> 00:21:30,799
you know the police

552
00:21:33,750 --> 00:21:32,400
probably thought they were crazy except

553
00:21:34,950 --> 00:21:33,760
that they could the person that talked

554
00:21:37,430 --> 00:21:34,960
to him could hear calvin in the

555
00:21:39,029 --> 00:21:37,440
background crying and pleading not to

556
00:21:40,870 --> 00:21:39,039
say anything

557
00:21:43,029 --> 00:21:40,880
and so they um

558
00:21:45,110 --> 00:21:43,039
had him come to the police department

559
00:21:46,710 --> 00:21:45,120
and they interviewed him separately then

560
00:21:49,270 --> 00:21:46,720
they put him in a room together and

561
00:21:51,590 --> 00:21:49,280
somebody interviewed him and the person

562
00:21:53,110 --> 00:21:51,600
was interviewing left

563
00:21:57,590 --> 00:21:53,120

and they didn't tell him but they had a

564

00:22:02,630 --> 00:22:00,070

and um

565

00:22:04,710 --> 00:22:02,640

so they were the police were planning to

566

00:22:06,390 --> 00:22:04,720

um trap them and they figured when they

567

00:22:09,590 --> 00:22:06,400

left the room that they would joke and

568

00:22:10,870 --> 00:22:09,600

say haha we really put one over on them

569

00:22:13,110 --> 00:22:10,880

but instead they were both just

570

00:22:14,630 --> 00:22:13,120

absolutely terrified and just beyond

571

00:22:17,430 --> 00:22:14,640

anything

572

00:22:18,470 --> 00:22:17,440

and so then the police began

573

00:22:20,630 --> 00:22:18,480

um

574

00:22:22,630 --> 00:22:20,640

believing them

575

00:22:25,270 --> 00:22:22,640

and um

576
00:22:26,870 --> 00:22:25,280
now and due to the fact that there were

577
00:22:28,630 --> 00:22:26,880
two of them

578
00:22:31,029 --> 00:22:28,640
and they had a lot of credibility on

579
00:22:32,549 --> 00:22:31,039
account of the tape and everything

580
00:22:34,870 --> 00:22:32,559
it's one of the top

581
00:22:37,909 --> 00:22:34,880
and they reported it immediately too

582
00:22:40,230 --> 00:22:37,919
it's one of the top ufo abduction cases

583
00:22:41,830 --> 00:22:40,240
ever

584
00:22:43,029 --> 00:22:41,840
it really is and there's

585
00:22:45,190 --> 00:22:43,039
there is

586
00:22:48,149 --> 00:22:45,200
the funny thing about

587
00:22:51,029 --> 00:22:48,159
that is the beings you know the the

588
00:22:53,430 --> 00:22:51,039

description because calvin doesn't

589

00:22:56,870 --> 00:22:53,440

remember what charles

590

00:22:58,230 --> 00:22:56,880

um hixson did as far as when i mean i

591

00:23:00,070 --> 00:22:58,240

could pull this up in a minute i'll take

592

00:23:01,029 --> 00:23:00,080

me a minute to find it and put it in

593

00:23:01,830 --> 00:23:01,039

there

594

00:23:04,390 --> 00:23:01,840

but

595

00:23:07,110 --> 00:23:04,400

calvin's drawing is from

596

00:23:09,830 --> 00:23:07,120

i'm not calvin's um i'm sorry dick uh

597

00:23:11,029 --> 00:23:09,840

hixson's drawing of this thing has cones

598

00:23:13,350 --> 00:23:11,039

on its head

599

00:23:15,990 --> 00:23:13,360

and that's not what calvin remembers

600

00:23:17,270 --> 00:23:16,000

and uh but he also remembers one that

601
00:23:19,510 --> 00:23:17,280
looked like a

602
00:23:20,830 --> 00:23:19,520
a woman he called it the woman

603
00:23:23,590 --> 00:23:20,840
and

604
00:23:25,909 --> 00:23:23,600
um you know there was uh the way he was

605
00:23:27,909 --> 00:23:25,919
examined and all that is is pretty

606
00:23:29,669 --> 00:23:27,919
bizarre he you know he had actually had

607
00:23:32,230 --> 00:23:29,679
some pain too

608
00:23:34,070 --> 00:23:32,240
so um

609
00:23:37,190 --> 00:23:34,080
you know i i know that really affected

610
00:23:38,789 --> 00:23:37,200
him in a lot of ways

611
00:23:41,669 --> 00:23:38,799
so i'm trying to pull up the picture now

612
00:23:43,590 --> 00:23:41,679
but um so there were other people that

613
00:23:45,590 --> 00:23:43,600

actually saw this thing you know not

614

00:23:47,510 --> 00:23:45,600

exactly at the same time

615

00:23:50,230 --> 00:23:47,520

but um but people

616

00:23:52,390 --> 00:23:50,240

they're they they think that some people

617

00:23:54,710 --> 00:23:52,400

are two witnesses i believe is that

618

00:23:57,269 --> 00:23:54,720

right that think they saw something that

619

00:23:58,070 --> 00:23:57,279

very same night is that is that how that

620

00:24:00,549 --> 00:23:58,080

goes

621

00:24:01,750 --> 00:24:00,559

there were more than one um

622

00:24:05,830 --> 00:24:01,760

the

623

00:24:07,669 --> 00:24:05,840

said that actually

624

00:24:10,870 --> 00:24:07,679

there were

625

00:24:12,149 --> 00:24:10,880

50 formal reports that night of people

626
00:24:14,710 --> 00:24:12,159
seeing things

627
00:24:17,590 --> 00:24:14,720
and a lot of other ones that didn't get

628
00:24:19,830 --> 00:24:17,600
actually recorded so there were a huge

629
00:24:21,990 --> 00:24:19,840
number of sightings of people

630
00:24:23,909 --> 00:24:22,000
return of people reporting something

631
00:24:27,190 --> 00:24:23,919
that same night

632
00:24:32,549 --> 00:24:30,149
yes they he thought they thought the

633
00:24:34,549 --> 00:24:32,559
whatever the things were that got them

634
00:24:35,669 --> 00:24:34,559
were kind of mechanical

635
00:24:36,710 --> 00:24:35,679
right

636
00:24:38,870 --> 00:24:36,720
three that

637
00:24:41,350 --> 00:24:38,880
got a hold of them were kind of like

638
00:24:44,230 --> 00:24:41,360

mechanical things they're robots

639

00:24:46,390 --> 00:24:44,240

and like floating off of not quite

640

00:24:49,190 --> 00:24:46,400

touching the ground which is something

641

00:24:50,870 --> 00:24:49,200

that you do hear a bit about on some of

642

00:24:53,110 --> 00:24:50,880

the other cases too

643

00:24:54,870 --> 00:24:53,120

for instance the arielle school they

644

00:24:56,870 --> 00:24:54,880

didn't actually see this thing standing

645

00:24:58,950 --> 00:24:56,880

on the ground this being or there were

646

00:25:01,909 --> 00:24:58,960

three or four beings whatever they were

647

00:25:02,870 --> 00:25:01,919

um like they floated along that's what

648

00:25:05,350 --> 00:25:02,880

they

649

00:25:07,750 --> 00:25:05,360

calvin remembers

650

00:25:10,710 --> 00:25:07,760

now i never got to speak with with uh

651
00:25:12,230 --> 00:25:10,720
hixson he passed away a while you know

652
00:25:15,110 --> 00:25:12,240
quite a while ago but

653
00:25:17,029 --> 00:25:15,120
um but according to calvin

654
00:25:18,710 --> 00:25:17,039
you know these robotic things came out

655
00:25:20,710 --> 00:25:18,720
and as soon as they touched them they

656
00:25:22,950 --> 00:25:20,720
kind of he feels as though they floated

657
00:25:25,590 --> 00:25:22,960
it's a wild story

658
00:25:28,630 --> 00:25:25,600
but it's it's uh

659
00:25:30,230 --> 00:25:28,640
the best part of this whole entire story

660
00:25:32,230 --> 00:25:30,240
in my opinion

661
00:25:33,669 --> 00:25:32,240
is the tape you mentioned

662
00:25:34,789 --> 00:25:33,679
when they didn't know they were being

663
00:25:36,310 --> 00:25:34,799

recorded

664

00:25:37,510 --> 00:25:36,320

they had no clue they were being

665

00:25:39,750 --> 00:25:37,520

recorded

666

00:25:42,549 --> 00:25:39,760

in in that police station

667

00:25:44,789 --> 00:25:42,559

and uh you know calvin was horrified

668

00:25:47,029 --> 00:25:44,799

you know and and it came across and that

669

00:25:49,350 --> 00:25:47,039

tape is available i was actually able to

670

00:25:52,630 --> 00:25:49,360

listen to part of it it's not very clear

671

00:25:53,909 --> 00:25:52,640

you can hear it but it's i do believe

672

00:25:55,110 --> 00:25:53,919

i may have this right that it's on

673

00:25:56,870 --> 00:25:55,120

youtube i don't know if you've ever

674

00:26:00,630 --> 00:25:56,880

listened to it

675

00:26:02,789 --> 00:26:00,640

remember where i listened to that yeah i

676

00:26:04,630 --> 00:26:02,799

could probably look it up but i couldn't

677

00:26:06,390 --> 00:26:04,640

right now

678

00:26:08,950 --> 00:26:06,400

so what was the genesis of you writing

679

00:26:12,149 --> 00:26:08,960

this book let's let's get into that

680

00:26:14,549 --> 00:26:12,159

well the genesis was for two things

681

00:26:16,870 --> 00:26:14,559

one is is that um

682

00:26:18,789 --> 00:26:16,880

philip mantle there were actually a lot

683

00:26:20,789 --> 00:26:18,799

of other witnesses and nobody had come

684

00:26:22,630 --> 00:26:20,799

forth much

685

00:26:24,470 --> 00:26:22,640

but he was finding people that will talk

686

00:26:26,870 --> 00:26:24,480

about it now

687

00:26:28,950 --> 00:26:26,880

and so he wanted somebody united states

688

00:26:31,110 --> 00:26:28,960

to interview people

689

00:26:33,510 --> 00:26:31,120

and record the interviews and that sort

690

00:26:35,909 --> 00:26:33,520

of thing and he was you know over and

691

00:26:38,789 --> 00:26:35,919

um had an english accent and everything

692

00:26:41,110 --> 00:26:38,799

i think he won an american do it so

693

00:26:43,430 --> 00:26:41,120

i was interviewing the other witnesses

694

00:26:45,190 --> 00:26:43,440

but i had actually

695

00:26:48,549 --> 00:26:45,200

started on

696

00:26:50,310 --> 00:26:48,559

the investigation of that

697

00:26:53,269 --> 00:26:50,320

years ago

698

00:26:54,710 --> 00:26:53,279

because something at the same time as

699

00:26:57,029 --> 00:26:54,720

uh their abduction something had

700

00:27:00,870 --> 00:26:57,039

happened in my family that it caused me

701
00:27:02,950 --> 00:27:00,880
to uh be curious and start

702
00:27:04,710 --> 00:27:02,960
well do you want to talk up i want to

703
00:27:06,710 --> 00:27:04,720
just take a little sidestep and talk

704
00:27:08,630 --> 00:27:06,720
about that

705
00:27:10,149 --> 00:27:08,640
what happened in your family

706
00:27:12,230 --> 00:27:10,159
yeah

707
00:27:14,870 --> 00:27:12,240
what had happened was is that i was at

708
00:27:16,789 --> 00:27:14,880
the university of missouri at that time

709
00:27:19,590 --> 00:27:16,799
working on my phd

710
00:27:21,669 --> 00:27:19,600
and i got a phone call from my mother

711
00:27:24,789 --> 00:27:21,679
who was in ohio

712
00:27:27,430 --> 00:27:24,799
and she said did you hear this sound

713
00:27:29,269 --> 00:27:27,440

and i started kidding her because she

714

00:27:30,710 --> 00:27:29,279

always said if she had dementia we

715

00:27:32,870 --> 00:27:30,720

should tell her and things and so i

716

00:27:35,190 --> 00:27:32,880

started joking with her and telling her

717

00:27:37,590 --> 00:27:35,200

you know get the straight jacket and

718

00:27:39,990 --> 00:27:37,600

turn yourself in and everything

719

00:27:41,990 --> 00:27:40,000

and she still seemed to be curious about

720

00:27:44,149 --> 00:27:42,000

whether i heard a sound and i thought it

721

00:27:46,470 --> 00:27:44,159

was weird because she's a real skeptic

722

00:27:49,269 --> 00:27:46,480

several days later she called and said

723

00:27:50,310 --> 00:27:49,279

that there was a real big ufo wave there

724

00:27:52,870 --> 00:27:50,320

and that

725

00:27:55,990 --> 00:27:52,880

everybody was seeing him and a ufo had

726

00:27:57,909 --> 00:27:56,000

chased one of her friends in a car

727

00:27:59,190 --> 00:27:57,919

and that people were keeping their kids

728

00:28:00,310 --> 00:27:59,200

in it

729

00:28:06,389 --> 00:28:00,320

and

730

00:28:08,470 --> 00:28:06,399

afterwards i just forgot about it for

731

00:28:10,549 --> 00:28:08,480

many many years

732

00:28:12,310 --> 00:28:10,559

and then i was working at ohio state

733

00:28:14,630 --> 00:28:12,320

university

734

00:28:16,470 --> 00:28:14,640

and um they had a newspaper room with

735

00:28:18,470 --> 00:28:16,480

actual newspapers

736

00:28:20,230 --> 00:28:18,480

and so one day just for a while i

737

00:28:21,669 --> 00:28:20,240

decided to go in and see if i could find

738

00:28:24,230 --> 00:28:21,679

a date on

739

00:28:25,990 --> 00:28:24,240

when that sounded happened

740

00:28:27,909 --> 00:28:26,000

and i didn't expect to find anything and

741

00:28:30,230 --> 00:28:27,919

i walked in the newspaper room there

742

00:28:32,149 --> 00:28:30,240

were thousands millions of newspapers

743

00:28:34,470 --> 00:28:32,159

and i thought i'd never find this but i

744

00:28:37,110 --> 00:28:34,480

thought it was 1973 and i thought it was

745

00:28:38,470 --> 00:28:37,120

in the middle of october but that was

746

00:28:40,630 --> 00:28:38,480

just a guess

747

00:28:43,430 --> 00:28:40,640

but i found it real fast

748

00:28:45,350 --> 00:28:43,440

and it told about a real big noise

749

00:28:47,510 --> 00:28:45,360

and i

750

00:28:49,669 --> 00:28:47,520

uh looked at more and

751
00:28:51,590 --> 00:28:49,679
it wasn't it was never explained there

752
00:28:55,190 --> 00:28:51,600
was this huge noise

753
00:28:56,310 --> 00:28:55,200
it was just heard over this huge area

754
00:29:00,549 --> 00:28:56,320
and

755
00:29:03,510 --> 00:29:00,559
for something to do i started doing some

756
00:29:09,029 --> 00:29:05,909
and um

757
00:29:11,110 --> 00:29:09,039
i was i submitted it to a

758
00:29:13,269 --> 00:29:11,120
peer-reviewed

759
00:29:15,590 --> 00:29:13,279
scientific journal

760
00:29:18,870 --> 00:29:15,600
and the

761
00:29:21,350 --> 00:29:18,880
state of ohio seismologist contacted me

762
00:29:23,669 --> 00:29:21,360
and he helped me do some more research

763
00:29:25,430 --> 00:29:23,679

and i did publish it in the

764

00:29:28,310 --> 00:29:25,440

scientific journal

765

00:29:29,269 --> 00:29:28,320

but what was interesting was is that

766

00:29:31,430 --> 00:29:29,279

that

767

00:29:33,350 --> 00:29:31,440

sound had happened just about

768

00:29:36,310 --> 00:29:33,360

as well she could

769

00:29:39,590 --> 00:29:36,320

time it at exactly the same time as the

770

00:29:41,510 --> 00:29:39,600

pascagouli abduction had happened

771

00:29:43,350 --> 00:29:41,520

and so i don't know how it was tied

772

00:29:46,389 --> 00:29:43,360

together but that

773

00:29:49,029 --> 00:29:46,399

it after a while some people i wasn't in

774

00:29:51,510 --> 00:29:49,039

ufology or at that time but some people

775

00:29:53,029 --> 00:29:51,520

in ohio that were in ufology asked me to

776

00:29:55,029 --> 00:29:53,039

give a talk about it and i called the

777

00:29:56,149 --> 00:29:55,039

big bang and gave it and that's what

778

00:29:57,750 --> 00:29:56,159

actually

779

00:30:01,190 --> 00:29:57,760

pulled me into

780

00:30:03,510 --> 00:30:01,200

ufos was into

781

00:30:05,350 --> 00:30:03,520

the organizations was that

782

00:30:09,029 --> 00:30:05,360

so it had

783

00:30:11,909 --> 00:30:09,039

something that happened at the same time

784

00:30:14,470 --> 00:30:11,919

as their abduction had happened and

785

00:30:16,710 --> 00:30:14,480

that was sort of my start into getting

786

00:30:17,830 --> 00:30:16,720

into ufos

787

00:30:19,990 --> 00:30:17,840

oh so

788

00:30:21,350 --> 00:30:20,000

it actually proceeded

789

00:30:23,669 --> 00:30:21,360

long before

790

00:30:24,710 --> 00:30:23,679

um you actually were able to actually

791

00:30:26,710 --> 00:30:24,720

speaking with

792

00:30:29,350 --> 00:30:26,720

calvin parker then

793

00:30:31,430 --> 00:30:29,360

yeah i mean um i hadn't even paid

794

00:30:34,830 --> 00:30:31,440

attention to that because what i paid

795

00:30:37,269 --> 00:30:36,389

um

796

00:30:38,870 --> 00:30:37,279

and

797

00:30:41,350 --> 00:30:38,880

um

798

00:30:42,789 --> 00:30:41,360

then i didn't pay too much attention to

799

00:30:44,630 --> 00:30:42,799

it until

800

00:30:47,990 --> 00:30:44,640

just a few years ago when

801
00:30:50,070 --> 00:30:48,000
uh phillip told me to ask me to um

802
00:30:52,470 --> 00:30:50,080
start interviewing people and i haven't

803
00:30:54,310 --> 00:30:52,480
even read too much about it then but

804
00:30:57,190 --> 00:30:54,320
it the two things happened about the

805
00:31:02,870 --> 00:30:59,669
yeah and there was a

806
00:31:06,470 --> 00:31:02,880
there was a flap back in 1973

807
00:31:07,590 --> 00:31:06,480
right there was a huge flap

808
00:31:09,269 --> 00:31:07,600
it was

809
00:31:11,190 --> 00:31:09,279
a lot of people consider it the biggest

810
00:31:13,909 --> 00:31:11,200
flap they ever had

811
00:31:18,950 --> 00:31:16,710
a lot of it was a pasagul a lot but a

812
00:31:21,350 --> 00:31:18,960
lot of it was in ohio too

813
00:31:23,590 --> 00:31:21,360

and all over the country

814

00:31:25,350 --> 00:31:23,600

um

815

00:31:26,070 --> 00:31:25,360

and maybe i think it was the world it

816

00:31:34,470 --> 00:31:26,080

was

817

00:31:38,070 --> 00:31:36,549

it seems to me that i remember about

818

00:31:39,430 --> 00:31:38,080

that time

819

00:31:42,710 --> 00:31:39,440

um i was

820

00:31:45,509 --> 00:31:42,720

actually in in high school i remember

821

00:31:47,830 --> 00:31:45,519

that there was a lot of things locally

822

00:31:50,310 --> 00:31:47,840

now i grew up in southern maine right

823

00:31:52,710 --> 00:31:50,320

near the border of new hampshire and um

824

00:31:55,029 --> 00:31:52,720

i remember that there was a lot of talk

825

00:31:57,269 --> 00:31:55,039

about ufos

826

00:31:59,190 --> 00:31:57,279

early when i was in high school

827

00:32:01,029 --> 00:31:59,200

so it's about that same time and that

828

00:32:04,230 --> 00:32:01,039

was also the year of when they had the

829

00:32:05,669 --> 00:32:04,240

major gas shortage the fuel shortage if

830

00:32:08,710 --> 00:32:05,679

you remember that

831

00:32:11,029 --> 00:32:08,720

there was a whole lot going on then um

832

00:32:11,750 --> 00:32:11,039

there was the fuel shortage there was

833

00:32:16,470 --> 00:32:11,760

the

834

00:32:18,950 --> 00:32:16,480

um

835

00:32:21,430 --> 00:32:18,960

they got rid of spyro agnew and put in a

836

00:32:23,590 --> 00:32:21,440

new vice president yeah agreement was a

837

00:32:26,630 --> 00:32:23,600

big criminal well next never got a

838

00:32:29,669 --> 00:32:26,640

chance to get impeached he resigned

839

00:32:31,509 --> 00:32:29,679

he knew what was coming up yeah yeah

840

00:32:32,470 --> 00:32:31,519

yeah there was a lot of turmoil a lot of

841

00:32:34,470 --> 00:32:32,480

uh

842

00:32:37,190 --> 00:32:34,480

but um i do remember at the same time

843

00:32:39,590 --> 00:32:37,200

though that was a very active time

844

00:32:42,789 --> 00:32:39,600

and you know i i really wasn't paying

845

00:32:44,789 --> 00:32:42,799

that much attention to ufos uh for most

846

00:32:48,070 --> 00:32:44,799

of my life but i do remember people were

847

00:32:50,950 --> 00:32:48,080

talking about it and there was also um

848

00:32:52,230 --> 00:32:50,960

someone that tried to create a hoax i do

849

00:32:54,950 --> 00:32:52,240

remember that

850

00:32:57,990 --> 00:32:54,960

in in my in my area someone from high

851
00:33:00,870 --> 00:32:58,000
school got caught trying to put

852
00:33:02,549 --> 00:33:00,880
lights on motorcycles and something i

853
00:33:03,590 --> 00:33:02,559
can't remember what it was something

854
00:33:05,590 --> 00:33:03,600
bizarre

855
00:33:09,509 --> 00:33:05,600
and some sandpit or something like that

856
00:33:11,190 --> 00:33:09,519
but uh yeah but interesting and so

857
00:33:12,470 --> 00:33:11,200
um

858
00:33:14,230 --> 00:33:12,480
there were

859
00:33:16,149 --> 00:33:14,240
there was a lot going on in the

860
00:33:17,509 --> 00:33:16,159
pascagoula area too is that what you

861
00:33:18,549 --> 00:33:17,519
found out when you were doing the

862
00:33:21,029 --> 00:33:18,559
research

863
00:33:21,830 --> 00:33:21,039

there was a whole lot going on and

864

00:33:23,990 --> 00:33:21,840

um

865

00:33:27,190 --> 00:33:24,000

people didn't report back then one

866

00:33:32,789 --> 00:33:29,990

charlie and calvin were harassed so much

867

00:33:34,630 --> 00:33:32,799

that nobody even wanted to say anything

868

00:33:36,870 --> 00:33:34,640

but now a number of people are coming

869

00:33:39,430 --> 00:33:36,880

forward there were a lot of reports back

870

00:33:40,870 --> 00:33:39,440

then and also

871

00:33:42,630 --> 00:33:40,880

in the papers

872

00:33:44,149 --> 00:33:42,640

and so i've been

873

00:33:45,669 --> 00:33:44,159

um

874

00:33:50,470 --> 00:33:45,679

interviewing a lot of people that are

875

00:33:54,149 --> 00:33:52,710

why would why do you think they would

876

00:33:55,669 --> 00:33:54,159

take all this

877

00:33:57,509 --> 00:33:55,679

time and and

878

00:33:59,350 --> 00:33:57,519

what what kind of witness can you find

879

00:34:01,190 --> 00:33:59,360

this many years after i one of the

880

00:34:03,190 --> 00:34:01,200

things that people

881

00:34:04,470 --> 00:34:03,200

like to complain about is why do i

882

00:34:06,149 --> 00:34:04,480

always talk about

883

00:34:09,510 --> 00:34:06,159

why'd i always have guests to talk about

884

00:34:12,069 --> 00:34:09,520

old cases and usually the reason i say

885

00:34:13,909 --> 00:34:12,079

it's important is because a lot of times

886

00:34:15,190 --> 00:34:13,919

people finally feel comfortable in

887

00:34:17,829 --> 00:34:15,200

coming forward

888

00:34:19,990 --> 00:34:17,839

and talking about it is uh

889

00:34:21,990 --> 00:34:20,000

is that what you find is has happened in

890

00:34:24,550 --> 00:34:22,000

this particular case

891

00:34:26,389 --> 00:34:24,560

yeah because um they didn't want to talk

892

00:34:28,550 --> 00:34:26,399

about it back then because

893

00:34:31,909 --> 00:34:28,560

um several a number of people just told

894

00:34:33,990 --> 00:34:31,919

me how they were harassed and um

895

00:34:35,829 --> 00:34:34,000

they were called drunks and crazy people

896

00:34:37,030 --> 00:34:35,839

and everything else and so they didn't

897

00:34:39,829 --> 00:34:37,040

say anything

898

00:34:41,829 --> 00:34:39,839

well now the um

899

00:34:44,389 --> 00:34:41,839

especially since the government in 60

900

00:34:46,389 --> 00:34:44,399

minutes and other things have said yeah

901
00:34:50,710 --> 00:34:46,399
something's going on well they feel more

902
00:34:53,430 --> 00:34:50,720
secure about talking about it and

903
00:34:54,790 --> 00:34:53,440
they don't get harassed as much so a num

904
00:34:56,869 --> 00:34:54,800
quite a number of people have come

905
00:35:00,870 --> 00:34:56,879
forward

906
00:35:03,910 --> 00:35:00,880
so 1973 is a long time ago

907
00:35:05,990 --> 00:35:03,920
of these are these people very elderly

908
00:35:08,790 --> 00:35:06,000
at this point or were there some people

909
00:35:10,390 --> 00:35:08,800
that were young at the time

910
00:35:11,670 --> 00:35:10,400
a lot of them were young

911
00:35:14,150 --> 00:35:11,680
um

912
00:35:17,829 --> 00:35:14,160
but i you know somebody just said what

913
00:35:19,190 --> 00:35:17,839

did you do on october the 11th 1973 we

914

00:35:22,310 --> 00:35:19,200

wouldn't know

915

00:35:23,829 --> 00:35:22,320

but a lot of them saw ufos then

916

00:35:24,870 --> 00:35:23,839

and then they heard about

917

00:35:26,950 --> 00:35:24,880

um

918

00:35:29,829 --> 00:35:26,960

the pascual abduction

919

00:35:32,230 --> 00:35:29,839

well that made them remember that this

920

00:35:34,150 --> 00:35:32,240

was when they saw it this is when this

921

00:35:36,230 --> 00:35:34,160

happened and so they have something to

922

00:35:37,670 --> 00:35:36,240

lodge in their memory

923

00:35:39,349 --> 00:35:37,680

to hook it to

924

00:35:41,910 --> 00:35:39,359

so i think that's why

925

00:35:42,829 --> 00:35:41,920

a lot of people you know they they saw

926
00:35:45,109 --> 00:35:42,839
something

927
00:35:47,349 --> 00:35:45,119
strange and if

928
00:35:49,030 --> 00:35:47,359
nothing like that had happened

929
00:35:52,630 --> 00:35:49,040
they wouldn't have said anything but

930
00:35:54,790 --> 00:35:52,640
instead um charlie and calvin came forth

931
00:35:57,030 --> 00:35:54,800
and said something or charlie did i'm

932
00:35:59,750 --> 00:35:57,040
not too sure if calvin wanted to

933
00:36:02,790 --> 00:35:59,760
but um and it made the newspapers and

934
00:36:03,750 --> 00:36:02,800
everything and so people remembered that

935
00:36:05,270 --> 00:36:03,760
and

936
00:36:07,270 --> 00:36:05,280
a lot of people wanted to report what

937
00:36:09,270 --> 00:36:07,280
they were to chicken to and finally

938
00:36:10,390 --> 00:36:09,280

they're coming out of the coop

939

00:36:13,030 --> 00:36:10,400

yeah well

940

00:36:14,390 --> 00:36:13,040

calvin has been on several news stations

941

00:36:15,190 --> 00:36:14,400

in the area

942

00:36:17,910 --> 00:36:15,200

um

943

00:36:20,069 --> 00:36:17,920

talking freely about it now and i'm i'm

944

00:36:22,870 --> 00:36:20,079

sure that that is making

945

00:36:24,870 --> 00:36:22,880

uh has made a change in the whole thing

946

00:36:26,950 --> 00:36:24,880

as far as people like saying oh yeah i

947

00:36:28,790 --> 00:36:26,960

remember something

948

00:36:30,470 --> 00:36:28,800

well um

949

00:36:32,790 --> 00:36:30,480

one of the

950

00:36:34,310 --> 00:36:32,800

two of the people we talked to

951
00:36:36,550 --> 00:36:34,320
were the blair

952
00:36:40,150 --> 00:36:36,560
mr mrs blair

953
00:36:41,030 --> 00:36:40,160
and um

954
00:36:44,230 --> 00:36:41,040
how

955
00:36:46,470 --> 00:36:44,240
philip mano heard about him was is that

956
00:36:49,829 --> 00:36:46,480
calvin gave a presentation i think at

957
00:36:50,950 --> 00:36:49,839
the library or something passagula

958
00:36:52,870 --> 00:36:50,960
and

959
00:36:56,950 --> 00:36:52,880
they heard about it on

960
00:36:59,589 --> 00:36:56,960
youtube and a daughter of the couple

961
00:37:03,430 --> 00:36:59,599
wrote some room to youtube saying yeah

962
00:37:04,230 --> 00:37:03,440
my parents were there and saw it and so

963
00:37:07,750 --> 00:37:04,240

um

964

00:37:09,750 --> 00:37:07,760

philip contacted them and asked me to

965

00:37:12,790 --> 00:37:09,760

interview him

966

00:37:15,190 --> 00:37:12,800

and so anyway i called up mrs blair and

967

00:37:16,310 --> 00:37:15,200

i first of all talked to mr blair for a

968

00:37:17,750 --> 00:37:16,320

short time

969

00:37:20,069 --> 00:37:17,760

and then her

970

00:37:21,750 --> 00:37:20,079

and she said that

971

00:37:23,349 --> 00:37:21,760

and her daughters

972

00:37:26,310 --> 00:37:23,359

confirmed that

973

00:37:28,550 --> 00:37:26,320

that they had been on the

974

00:37:29,589 --> 00:37:28,560

opposite side of the pascagoula from

975

00:37:30,710 --> 00:37:29,599

where

976
00:37:33,270 --> 00:37:30,720
um

977
00:37:35,670 --> 00:37:33,280
calvin and charlie were

978
00:37:37,589 --> 00:37:35,680
on the day they were abducted

979
00:37:38,550 --> 00:37:37,599
on the night

980
00:37:39,829 --> 00:37:38,560
and

981
00:37:41,190 --> 00:37:39,839
they were

982
00:37:43,270 --> 00:37:41,200
by a pair

983
00:37:45,349 --> 00:37:43,280
and he was waiting for his supervisor

984
00:37:47,190 --> 00:37:45,359
because he and a supervisor going out on

985
00:37:49,589 --> 00:37:47,200
a boat to do some work but the

986
00:37:51,990 --> 00:37:49,599
supervisor was late and so they were in

987
00:37:55,510 --> 00:37:52,000
their car and he was sleeping

988
00:37:57,510 --> 00:37:55,520

and um maria said that

989

00:37:59,589 --> 00:37:57,520

she began to see this what she thought

990

00:38:02,630 --> 00:37:59,599

was an airplane it was flying around

991

00:38:04,470 --> 00:38:02,640

pascagoula river just randomly

992

00:38:05,750 --> 00:38:04,480

and up and down and back and forth and

993

00:38:07,670 --> 00:38:05,760

everything

994

00:38:09,589 --> 00:38:07,680

and she kept saying

995

00:38:12,150 --> 00:38:09,599

the pilot doesn't know where he's going

996

00:38:14,069 --> 00:38:12,160

the pilot seems to be lost the pilot

997

00:38:16,069 --> 00:38:14,079

seems strange

998

00:38:18,230 --> 00:38:16,079

and then her husband decided to take her

999

00:38:19,349 --> 00:38:18,240

to take their his clothes down to the

1000

00:38:21,430 --> 00:38:19,359

ship

1001

00:38:23,829 --> 00:38:21,440

and it was about nine o'clock

1002

00:38:25,270 --> 00:38:23,839

and he walked down and she walked down

1003

00:38:26,790 --> 00:38:25,280

and she said as she was walking down the

1004

00:38:28,630 --> 00:38:26,800

pier this thing

1005

00:38:31,270 --> 00:38:28,640

that looked like a person

1006

00:38:32,790 --> 00:38:31,280

came up um

1007

00:38:34,630 --> 00:38:32,800

to the pier

1008

00:38:37,430 --> 00:38:34,640

and she thought it was a person

1009

00:38:40,390 --> 00:38:37,440

and she seemed to be very very very

1010

00:38:41,910 --> 00:38:40,400

uh upset about it and then they went on

1011

00:38:43,990 --> 00:38:41,920

down to the

1012

00:38:47,430 --> 00:38:44,000

ship

1013

00:38:48,950 --> 00:38:47,440

and then she said she came back about 12

1014

00:38:51,829 --> 00:38:48,960

to the car

1015

00:38:53,829 --> 00:38:51,839

and she was so scared she ran back

1016

00:38:56,870 --> 00:38:53,839

and so i could tell she was real upset

1017

00:38:58,790 --> 00:38:56,880

about this thing that came out of the

1018

00:39:01,589 --> 00:38:58,800

water

1019

00:39:03,670 --> 00:39:01,599

and so i uh interviewed her several more

1020

00:39:05,910 --> 00:39:03,680

times and she was just really stressed

1021

00:39:07,349 --> 00:39:05,920

about it

1022

00:39:10,069 --> 00:39:07,359

and there was also

1023

00:39:11,670 --> 00:39:10,079

seem to be missing time too

1024

00:39:13,910 --> 00:39:11,680

but anyway

1025

00:39:15,190 --> 00:39:13,920

are you able to go more into details on

1026

00:39:18,069 --> 00:39:15,200

this

1027

00:39:19,030 --> 00:39:18,079

yeah well um they were on the opposite

1028

00:39:21,030 --> 00:39:19,040

side of

1029

00:39:22,870 --> 00:39:21,040

the pascuala river

1030

00:39:23,670 --> 00:39:22,880

at the same time as

1031

00:39:25,589 --> 00:39:23,680

the

1032

00:39:26,710 --> 00:39:25,599

abduction took place

1033

00:39:28,230 --> 00:39:26,720

and so

1034

00:39:31,109 --> 00:39:28,240

the thing they were saying might have

1035

00:39:32,710 --> 00:39:31,119

been the same thing that abducted

1036

00:39:36,150 --> 00:39:32,720

the two

1037

00:39:40,230 --> 00:39:38,150

her husband died

1038

00:39:43,510 --> 00:39:40,240

last year

1039

00:39:45,030 --> 00:39:43,520

and her husband had been a um debunker

1040

00:39:46,630 --> 00:39:45,040

and he had always told her not to talk

1041

00:39:48,150 --> 00:39:46,640

about it that

1042

00:39:50,069 --> 00:39:48,160

you know people make fun of them don't

1043

00:39:52,230 --> 00:39:50,079

say a word about it and

1044

00:39:53,910 --> 00:39:52,240

she didn't see anything

1045

00:39:57,109 --> 00:39:53,920

and finally

1046

00:39:58,230 --> 00:39:57,119

um he got real sick and before he died

1047

00:40:00,710 --> 00:39:58,240

he told

1048

00:40:03,190 --> 00:40:00,720

maria that they had been abducted

1049

00:40:05,349 --> 00:40:03,200

but that he didn't want to ever talk

1050

00:40:06,950 --> 00:40:05,359

about it because of the harassment and

1051
00:40:08,390 --> 00:40:06,960
everything i mean he was a man he had a

1052
00:40:09,510 --> 00:40:08,400
job and he didn't want to you know look

1053
00:40:11,829 --> 00:40:09,520
crazy

1054
00:40:12,950 --> 00:40:11,839
and so he said he remembered being

1055
00:40:15,829 --> 00:40:12,960
abducted

1056
00:40:17,560 --> 00:40:15,839
that they had taken him aboard

1057
00:40:18,710 --> 00:40:17,570
at taking him a board and

1058
00:40:20,630 --> 00:40:18,720
[Music]

1059
00:40:22,309 --> 00:40:20,640
done measurements on him

1060
00:40:24,309 --> 00:40:22,319
and

1061
00:40:26,950 --> 00:40:24,319
he seemed to be kind of repressed about

1062
00:40:29,030 --> 00:40:26,960
talking about it i mean he was

1063
00:40:30,790 --> 00:40:29,040

for many many years

1064

00:40:33,030 --> 00:40:30,800

but then um

1065

00:40:35,750 --> 00:40:33,040

unfortunately he died and she couldn't

1066

00:40:37,270 --> 00:40:35,760

get too much more information from him

1067

00:40:40,150 --> 00:40:37,280

but she said she remembered the thing

1068

00:40:42,550 --> 00:40:40,160

coming down she remembered the beings

1069

00:40:45,670 --> 00:40:42,560

or the one that came that she saw but

1070

00:40:47,030 --> 00:40:45,680

she didn't remember being

1071

00:40:48,390 --> 00:40:47,040

in the object or anything she just

1072

00:40:50,950 --> 00:40:48,400

remembered that it was

1073

00:40:53,349 --> 00:40:50,960

really brightly lit

1074

00:40:57,109 --> 00:40:53,359

and so um

1075

00:40:59,190 --> 00:40:57,119

she thinks she has repressed memories

1076
00:41:01,990 --> 00:40:59,200
and this happened way back right when

1077
00:41:04,390 --> 00:41:02,000
they were first married and they just

1078
00:41:06,870 --> 00:41:04,400
started talking about it

1079
00:41:08,950 --> 00:41:06,880
um just last year and then he

1080
00:41:11,190 --> 00:41:08,960
unfortunately died and she didn't find

1081
00:41:14,230 --> 00:41:11,200
out any more from him

1082
00:41:16,630 --> 00:41:14,240
but he talked to her into um

1083
00:41:18,150 --> 00:41:16,640
to her and the philip both

1084
00:41:19,910 --> 00:41:18,160
before he went on the ventilator but

1085
00:41:22,630 --> 00:41:19,920
after he went on the ballot later he

1086
00:41:25,670 --> 00:41:24,309
wow that's a shame

1087
00:41:27,990 --> 00:41:25,680
did uh

1088
00:41:29,910 --> 00:41:28,000

now this this would be a prime case for

1089

00:41:32,950 --> 00:41:29,920

someone like her

1090

00:41:35,270 --> 00:41:32,960

um to try you know i know it's all not

1091

00:41:38,230 --> 00:41:35,280

always doesn't always work but it might

1092

00:41:39,750 --> 00:41:38,240

to have a hypnotherapy regression

1093

00:41:41,750 --> 00:41:39,760

you know and try to

1094

00:41:43,430 --> 00:41:41,760

recall some more of those memories i

1095

00:41:44,710 --> 00:41:43,440

wonder if she'd ever be up for something

1096

00:41:46,710 --> 00:41:44,720

like that

1097

00:41:49,109 --> 00:41:46,720

oh yeah i think she's interested i think

1098

00:41:51,430 --> 00:41:49,119

she wants to be but she's

1099

00:41:52,870 --> 00:41:51,440

pretty upset after his death oh of

1100

00:41:54,150 --> 00:41:52,880

course

1101

00:41:56,230 --> 00:41:54,160

i don't think they've moved ahead on

1102

00:41:56,950 --> 00:41:56,240

that because of that i mean she's still

1103

00:42:00,630 --> 00:41:56,960

get

1104

00:42:01,990 --> 00:42:00,640

married to him ever since she was really

1105

00:42:04,230 --> 00:42:02,000

young and

1106

00:42:06,309 --> 00:42:04,240

he's just adjusting that now

1107

00:42:08,309 --> 00:42:06,319

right right right

1108

00:42:10,550 --> 00:42:08,319

and are there other

1109

00:42:12,950 --> 00:42:10,560

are these the the two

1110

00:42:14,069 --> 00:42:12,960

i would consider that pretty major but

1111

00:42:17,270 --> 00:42:14,079

um

1112

00:42:18,470 --> 00:42:17,280

is there other people that actually

1113

00:42:20,390 --> 00:42:18,480

witnessed

1114

00:42:23,030 --> 00:42:20,400

something similar to that or was it all

1115

00:42:24,390 --> 00:42:23,040

just people that had seen things that

1116

00:42:26,309 --> 00:42:24,400

around that time

1117

00:42:28,150 --> 00:42:26,319

well this was a

1118

00:42:29,510 --> 00:42:28,160

uh first that

1119

00:42:31,670 --> 00:42:29,520

i don't i don't think it's ever been

1120

00:42:33,750 --> 00:42:31,680

reported before because they might have

1121

00:42:35,349 --> 00:42:33,760

been abducted by the same

1122

00:42:37,030 --> 00:42:35,359

object that

1123

00:42:38,710 --> 00:42:37,040

uh had

1124

00:42:39,990 --> 00:42:38,720

charlie and calvin

1125

00:42:42,790 --> 00:42:40,000

they don't know

1126
00:42:44,630 --> 00:42:42,800
but anyway it was a it seemed to be

1127
00:42:45,990 --> 00:42:44,640
the reported abductions were the same

1128
00:42:47,030 --> 00:42:46,000
time and place

1129
00:42:49,510 --> 00:42:47,040
which was

1130
00:42:51,270 --> 00:42:49,520
has never been reported before

1131
00:42:53,430 --> 00:42:51,280
but there was another

1132
00:42:54,550 --> 00:42:53,440
during that same flap there was another

1133
00:42:56,790 --> 00:42:54,560
instance

1134
00:43:00,710 --> 00:42:56,800
it wasn't it was in utah not the same

1135
00:43:03,190 --> 00:43:00,720
time just a few weeks later another

1136
00:43:06,470 --> 00:43:03,200
instance of

1137
00:43:08,470 --> 00:43:06,480
a object abducting several people once

1138
00:43:09,430 --> 00:43:08,480

that were different groups and so that

1139

00:43:11,510 --> 00:43:09,440

was a

1140

00:43:13,589 --> 00:43:11,520

very first

1141

00:43:16,870 --> 00:43:13,599

reported that sort of thing

1142

00:43:18,470 --> 00:43:16,880

and then there were other people um

1143

00:43:21,510 --> 00:43:18,480

calvin and charlie had always been

1144

00:43:23,510 --> 00:43:21,520

criticized because they were close to a

1145

00:43:24,870 --> 00:43:23,520

big freeway

1146

00:43:26,470 --> 00:43:24,880

and they thought

1147

00:43:27,349 --> 00:43:26,480

people should have seen that

1148

00:43:29,270 --> 00:43:27,359

but

1149

00:43:31,829 --> 00:43:29,280

back then nobody said anything

1150

00:43:33,510 --> 00:43:31,839

but another um

1151

00:43:35,030 --> 00:43:33,520

person was

1152

00:43:37,109 --> 00:43:35,040

that there were crane operators and

1153

00:43:39,030 --> 00:43:37,119

things like that and people criticized

1154

00:43:41,349 --> 00:43:39,040

well the crane operator and all these

1155

00:43:43,510 --> 00:43:41,359

people should have seen it well so i

1156

00:43:46,550 --> 00:43:43,520

interviewed a crane operator

1157

00:43:47,990 --> 00:43:46,560

who did see something at that time

1158

00:43:49,990 --> 00:43:48,000

and um

1159

00:43:51,030 --> 00:43:50,000

he was in one of these big cranes and

1160

00:43:52,550 --> 00:43:51,040

actually

1161

00:43:57,270 --> 00:43:52,560

his crane

1162

00:43:59,349 --> 00:43:57,280

um the book that um

1163

00:44:02,150 --> 00:43:59,359

the calvin wrote

1164

00:44:04,710 --> 00:44:02,160

uh he was in a crane at that time

1165

00:44:05,990 --> 00:44:04,720

and he saw this blue thing

1166

00:44:09,589 --> 00:44:06,000

and he said it looked like it was kind

1167

00:44:11,829 --> 00:44:09,599

of transparent or like um

1168

00:44:13,430 --> 00:44:11,839

transparent plastic or something

1169

00:44:14,470 --> 00:44:13,440

and he saw they wondered what on earth

1170

00:44:16,950 --> 00:44:14,480

it was

1171

00:44:19,109 --> 00:44:16,960

and then his supervisor

1172

00:44:21,430 --> 00:44:19,119

the crane wasn't working and he was had

1173

00:44:22,790 --> 00:44:21,440

to pull levers and things and when he

1174

00:44:25,109 --> 00:44:22,800

looked back the next time it wasn't

1175

00:44:26,710 --> 00:44:25,119

there but this was

1176

00:44:28,630 --> 00:44:26,720

and then you know the next day he heard

1177

00:44:30,550 --> 00:44:28,640

about the abduction

1178

00:44:34,550 --> 00:44:30,560

and so that would have been the same

1179

00:44:38,470 --> 00:44:36,950

and um there were several other people

1180

00:44:39,670 --> 00:44:38,480

that had that

1181

00:44:40,870 --> 00:44:39,680

um

1182

00:44:42,790 --> 00:44:40,880

usually

1183

00:44:44,470 --> 00:44:42,800

when you get ufo reports somebody says

1184

00:44:46,230 --> 00:44:44,480

oh i saw something you know a long ways

1185

00:44:47,109 --> 00:44:46,240

away that just flew away

1186

00:44:49,589 --> 00:44:47,119

well

1187

00:44:52,309 --> 00:44:49,599

with these there were a number of

1188

00:44:53,430 --> 00:44:52,319

real close ufo reports

1189

00:44:54,870 --> 00:44:53,440

that were

1190

00:44:58,470 --> 00:44:54,880

different from

1191

00:44:58,480 --> 00:45:01,910

another person

1192

00:45:05,109 --> 00:45:02,829

let me

1193

00:45:06,390 --> 00:45:05,119

see there were

1194

00:45:10,470 --> 00:45:06,400

um

1195

00:45:12,230 --> 00:45:10,480

some people on dauphin island which was

1196

00:45:13,750 --> 00:45:12,240

out um

1197

00:45:14,710 --> 00:45:13,760

somewhere from

1198

00:45:16,390 --> 00:45:14,720

um

1199

00:45:19,430 --> 00:45:16,400

the pascagoula river goes out and then

1200

00:45:21,349 --> 00:45:19,440

the islands sort of toward the end of it

1201
00:45:23,750 --> 00:45:21,359
and they were there

1202
00:45:25,990 --> 00:45:23,760
and um

1203
00:45:27,430 --> 00:45:26,000
they had a dune buggy

1204
00:45:30,870 --> 00:45:27,440
and i forget what they were doing but

1205
00:45:33,030 --> 00:45:30,880
anyway they got the dune baggies stuck

1206
00:45:35,109 --> 00:45:33,040
and um

1207
00:45:37,270 --> 00:45:35,119
they were trying to get it out well they

1208
00:45:39,270 --> 00:45:37,280
said this big thing came over and

1209
00:45:41,030 --> 00:45:39,280
stopped right above them and it was

1210
00:45:42,630 --> 00:45:41,040
shining this bright light down it was so

1211
00:45:43,910 --> 00:45:42,640
bright they could see all kinds of color

1212
00:45:46,069 --> 00:45:43,920
in the sand

1213
00:45:48,870 --> 00:45:46,079

and they were absolutely terrified and

1214

00:45:50,870 --> 00:45:48,880

they were so terrified that instead of

1215

00:45:53,510 --> 00:45:50,880

trying to push the dune buggy out i

1216

00:45:55,910 --> 00:45:53,520

guess they lifted it out some way

1217

00:45:58,470 --> 00:45:55,920

and got it out of there real fast

1218

00:46:00,630 --> 00:45:58,480

and they told this man about it

1219

00:46:02,710 --> 00:46:00,640

and he i guess he joked about him said

1220

00:46:05,990 --> 00:46:02,720

yeah and then the very next day they

1221

00:46:07,109 --> 00:46:06,000

heard about the paschal abduction

1222

00:46:09,750 --> 00:46:07,119

and so

1223

00:46:11,910 --> 00:46:09,760

after that he believed him

1224

00:46:14,309 --> 00:46:11,920

and so that had happened that same night

1225

00:46:18,069 --> 00:46:14,319

too

1226
00:46:21,670 --> 00:46:19,589
these

1227
00:46:24,790 --> 00:46:21,680
three men that were going toward new

1228
00:46:28,950 --> 00:46:26,470
i interviewed them too

1229
00:46:30,390 --> 00:46:28,960
and um one of them was kind of famous

1230
00:46:31,430 --> 00:46:30,400
but dead now

1231
00:46:34,309 --> 00:46:31,440
um

1232
00:46:35,829 --> 00:46:34,319
they were on the freeway

1233
00:46:38,069 --> 00:46:35,839
and

1234
00:46:39,589 --> 00:46:38,079
they saw this object

1235
00:46:42,790 --> 00:46:39,599
coming over them

1236
00:46:46,390 --> 00:46:45,109
flew down from it

1237
00:46:48,870 --> 00:46:46,400
and was right in front of their

1238
00:46:50,950 --> 00:46:48,880

windshield when they were driving

1239

00:46:52,630 --> 00:46:50,960

and it was like it was taking pictures

1240

00:46:54,150 --> 00:46:52,640

of them or something

1241

00:46:55,670 --> 00:46:54,160

and the man said it was like they were

1242

00:46:57,190 --> 00:46:55,680

all hypnotized that they couldn't they

1243

00:46:58,630 --> 00:46:57,200

didn't say anything and they just

1244

00:47:00,950 --> 00:46:58,640

watched this thing

1245

00:47:03,270 --> 00:47:00,960

and then it flew away

1246

00:47:06,150 --> 00:47:03,280

and they didn't talk for a while

1247

00:47:07,750 --> 00:47:06,160

and then they turned around went back

1248

00:47:09,670 --> 00:47:07,760

and it was about a month before they

1249

00:47:12,870 --> 00:47:09,680

went to wherever they were going and

1250

00:47:14,069 --> 00:47:12,880

they seemed to be confused and

1251
00:47:16,630 --> 00:47:14,079
um

1252
00:47:18,390 --> 00:47:16,640
not knowing what was going on it seemed

1253
00:47:19,829 --> 00:47:18,400
like they were sort of paralyzed when

1254
00:47:21,109 --> 00:47:19,839
the thing was there so there were a

1255
00:47:22,710 --> 00:47:21,119
number of

1256
00:47:24,950 --> 00:47:22,720
other thing and then you know they heard

1257
00:47:26,390 --> 00:47:24,960
about the abduction the next day so they

1258
00:47:28,390 --> 00:47:26,400
remembered it

1259
00:47:30,630 --> 00:47:28,400
but um

1260
00:47:33,829 --> 00:47:30,640
there seemed to be a number of really

1261
00:47:36,069 --> 00:47:33,839
strange reports for that same

1262
00:47:38,870 --> 00:47:36,079
day and night

1263
00:47:40,549 --> 00:47:38,880

wow and what did you say was if

1264

00:47:43,190 --> 00:47:40,559

i believe you said something like a few

1265

00:47:44,950 --> 00:47:43,200

weeks later something happened in

1266

00:47:46,790 --> 00:47:44,960

another state

1267

00:47:49,589 --> 00:47:46,800

where there were several people

1268

00:47:53,109 --> 00:47:49,599

abducted did you say that yeah um there

1269

00:47:54,870 --> 00:47:53,119

was one in utah

1270

00:47:57,670 --> 00:47:54,880

and um

1271

00:48:01,109 --> 00:47:57,680

this was a woman that had

1272

00:48:01,910 --> 00:48:01,119

a bunch of kids five or six kids

1273

00:48:03,990 --> 00:48:01,920

and

1274

00:48:05,589 --> 00:48:04,000

um

1275

00:48:08,309 --> 00:48:05,599

there was some kind of a disturbance and

1276

00:48:11,190 --> 00:48:08,319

she called the police about it and

1277

00:48:12,390 --> 00:48:11,200

there was a about a prowler or something

1278

00:48:14,230 --> 00:48:12,400

and her kids had said there was a

1279

00:48:15,510 --> 00:48:14,240

spaceman there and she didn't pay

1280

00:48:17,829 --> 00:48:15,520

attention to him

1281

00:48:19,190 --> 00:48:17,839

but about a year later she read about

1282

00:48:20,950 --> 00:48:19,200

ufos

1283

00:48:23,910 --> 00:48:20,960

and she

1284

00:48:26,390 --> 00:48:23,920

asked the kids again

1285

00:48:27,190 --> 00:48:26,400

and they said there had been a space man

1286

00:48:29,510 --> 00:48:27,200

in the

1287

00:48:33,670 --> 00:48:31,270

well i guess after

1288

00:48:35,750 --> 00:48:33,680

um that night

1289

00:48:38,630 --> 00:48:35,760

she heard there was a prowler and she

1290

00:48:40,150 --> 00:48:38,640

took her kids and went to a neighbor's

1291

00:48:42,470 --> 00:48:40,160

and then came back

1292

00:48:44,470 --> 00:48:42,480

and the kids had said that um when they

1293

00:48:46,150 --> 00:48:44,480

were there in their house

1294

00:48:48,390 --> 00:48:46,160

some a couple of them said there was

1295

00:48:49,910 --> 00:48:48,400

space man there or something and she

1296

00:48:50,790 --> 00:48:49,920

didn't pay attention to it for another

1297

00:48:53,349 --> 00:48:50,800

year

1298

00:48:55,750 --> 00:48:53,359

and then she heard about ufos

1299

00:48:58,470 --> 00:48:55,760

and then um

1300

00:49:00,230 --> 00:48:58,480

so ufo people began to investigate and

1301
00:49:02,470 --> 00:49:00,240
hypnotize them

1302
00:49:04,790 --> 00:49:02,480
and they talked about that

1303
00:49:08,870 --> 00:49:04,800
all the kids except one remembered being

1304
00:49:11,430 --> 00:49:08,880
on board and she remembered it um

1305
00:49:13,430 --> 00:49:11,440
under hypnosis too

1306
00:49:15,430 --> 00:49:13,440
and one thing they remembered that was

1307
00:49:19,270 --> 00:49:15,440
strange was they remembered being lined

1308
00:49:20,230 --> 00:49:19,280
up to get onto the ufo to be abducted i

1309
00:49:21,990 --> 00:49:20,240
guess

1310
00:49:23,349 --> 00:49:22,000
and they saw neighbors

1311
00:49:24,710 --> 00:49:23,359
and i think that was about the only

1312
00:49:26,870 --> 00:49:24,720
other time when

1313
00:49:27,670 --> 00:49:26,880

there was any reports of

1314

00:49:29,109 --> 00:49:27,680

two

1315

00:49:30,950 --> 00:49:29,119

different groups of people being

1316

00:49:31,910 --> 00:49:30,960

abducted about the same time and that

1317

00:49:35,270 --> 00:49:31,920

was

1318

00:49:37,750 --> 00:49:35,280

um also during the flap of 73.

1319

00:49:40,710 --> 00:49:37,760

well back in 1969

1320

00:49:41,990 --> 00:49:40,720

the berkshires um abduction there were

1321

00:49:43,990 --> 00:49:42,000

people that

1322

00:49:46,230 --> 00:49:44,000

it was all from the same area they were

1323

00:49:48,549 --> 00:49:46,240

talking about knowing

1324

00:49:51,510 --> 00:49:48,559

um you know the other pete the other

1325

00:49:53,109 --> 00:49:51,520

children that they saw on on board

1326

00:49:54,069 --> 00:49:53,119

whatever this thing was

1327

00:49:55,829 --> 00:49:54,079

um

1328

00:49:56,950 --> 00:49:55,839

yeah so that's the only other time i've

1329

00:49:58,950 --> 00:49:56,960

ever heard of

1330

00:50:00,230 --> 00:49:58,960

something like that that's that's really

1331

00:50:02,549 --> 00:50:00,240

fascinating

1332

00:50:04,630 --> 00:50:02,559

so all this happens i remember when i

1333

00:50:07,270 --> 00:50:04,640

was speaking with calvin about

1334

00:50:09,990 --> 00:50:07,280

how um it kind of made his whole life a

1335

00:50:11,990 --> 00:50:10,000

mess you know he went into hiding for a

1336

00:50:13,030 --> 00:50:12,000

couple of weeks he had just started that

1337

00:50:14,950 --> 00:50:13,040

job

1338

00:50:17,829 --> 00:50:14,960

and the phone was ringing off the hook

1339

00:50:20,069 --> 00:50:17,839

he was told to leave and

1340

00:50:21,030 --> 00:50:20,079

and it was it was kind of a mess for him

1341

00:50:23,589 --> 00:50:21,040

for

1342

00:50:25,430 --> 00:50:23,599

a long time and he never wanted to talk

1343

00:50:27,829 --> 00:50:25,440

about it

1344

00:50:29,190 --> 00:50:27,839

you know and uh

1345

00:50:30,549 --> 00:50:29,200

and it was pretty obvious in the

1346

00:50:31,990 --> 00:50:30,559

beginning he didn't want to talk about

1347

00:50:33,349 --> 00:50:32,000

it because he said that

1348

00:50:36,790 --> 00:50:33,359

he wanted

1349

00:50:39,430 --> 00:50:36,800

passed out

1350

00:50:41,109 --> 00:50:39,440

just so we didn't have to talk about it

1351
00:50:43,589 --> 00:50:41,119
which uh

1352
00:50:44,950 --> 00:50:43,599
you know he was only 18 at the time

1353
00:50:46,710 --> 00:50:44,960
so

1354
00:50:48,950 --> 00:50:46,720
yeah it was he's he's gone through quite

1355
00:50:50,950 --> 00:50:48,960
a challenge with this thing

1356
00:50:54,069 --> 00:50:50,960
well he really has

1357
00:50:57,109 --> 00:50:54,079
and um

1358
00:50:59,990 --> 00:50:57,119
so i've interviewed two people that were

1359
00:51:01,829 --> 00:51:00,000
the wives of two people just i mean

1360
00:51:03,510 --> 00:51:01,839
i interviewed um

1361
00:51:06,230 --> 00:51:03,520
calvin's wife

1362
00:51:07,589 --> 00:51:06,240
and i interviewed

1363
00:51:08,470 --> 00:51:07,599

maria

1364

00:51:09,910 --> 00:51:08,480

blair

1365

00:51:11,750 --> 00:51:09,920

and both of

1366

00:51:13,190 --> 00:51:11,760

both had husbands that refused to talk

1367

00:51:15,990 --> 00:51:13,200

about the thing for

1368

00:51:17,349 --> 00:51:16,000

many many many years

1369

00:51:19,510 --> 00:51:17,359

and um

1370

00:51:21,910 --> 00:51:19,520

so you know if you just if you'd won

1371

00:51:23,589 --> 00:51:21,920

maybe strange but i interviewed two of

1372

00:51:25,829 --> 00:51:23,599

them and i guess it's

1373

00:51:28,150 --> 00:51:25,839

it you know my theory is it's just so

1374

00:51:29,990 --> 00:51:28,160

traumatic that they just it was like

1375

00:51:32,870 --> 00:51:30,000

post-traumatic stress and they just

1376

00:51:34,630 --> 00:51:32,880

didn't want to think about it

1377

00:51:37,670 --> 00:51:34,640

and there might be more that

1378

00:51:39,589 --> 00:51:37,680

you know they don't even remember too

1379

00:51:41,030 --> 00:51:39,599

right and how

1380

00:51:42,630 --> 00:51:41,040

you know i've talked about this on the

1381

00:51:44,309 --> 00:51:42,640

show a bit

1382

00:51:46,309 --> 00:51:44,319

how well

1383

00:51:48,470 --> 00:51:46,319

do you think people's i know this is

1384

00:51:50,390 --> 00:51:48,480

such a traumatic event you feel like

1385

00:51:51,829 --> 00:51:50,400

you're going to remember

1386

00:51:53,349 --> 00:51:51,839

the details

1387

00:51:55,670 --> 00:51:53,359

but it is

1388

00:51:57,589 --> 00:51:55,680

things get changed your your thoughts

1389

00:51:59,589 --> 00:51:57,599

get changed there's just no way around

1390

00:52:01,750 --> 00:51:59,599

that so when you're getting an interview

1391

00:52:04,230 --> 00:52:01,760

with someone that

1392

00:52:06,470 --> 00:52:04,240

had this experience back in 1973 and the

1393

00:52:08,549 --> 00:52:06,480

first time blair i think you said it is

1394

00:52:11,030 --> 00:52:08,559

first time they're talking about it

1395

00:52:13,829 --> 00:52:11,040

after all this time how reliable is

1396

00:52:17,510 --> 00:52:15,829

i don't know because like with

1397

00:52:19,109 --> 00:52:17,520

calvin and charlie

1398

00:52:20,950 --> 00:52:19,119

everything they said

1399

00:52:22,790 --> 00:52:20,960

um was a report in the newspaper

1400

00:52:25,030 --> 00:52:22,800

immediately i mean their tape and

1401
00:52:27,829 --> 00:52:25,040
everything well they've never changed it

1402
00:52:28,790 --> 00:52:27,839
since then they've said the same thing

1403
00:52:30,950 --> 00:52:28,800
you know

1404
00:52:35,030 --> 00:52:30,960
many many years later

1405
00:52:39,190 --> 00:52:38,390
seeing a ufo is pretty traumatic

1406
00:52:41,030 --> 00:52:39,200
that

1407
00:52:42,230 --> 00:52:41,040
if they heard if people heard the next

1408
00:52:43,990 --> 00:52:42,240
day that

1409
00:52:46,630 --> 00:52:44,000
about the abduction that they probably

1410
00:52:47,430 --> 00:52:46,640
remembered it and they also told people

1411
00:52:49,349 --> 00:52:47,440
and i

1412
00:52:50,870 --> 00:52:49,359
i asked everybody

1413
00:52:52,150 --> 00:52:50,880

if they told people

1414

00:52:54,309 --> 00:52:52,160

and

1415

00:52:56,710 --> 00:52:54,319

most of them told a few people like

1416

00:52:58,790 --> 00:52:56,720

family members and things

1417

00:53:00,309 --> 00:52:58,800

and i have names

1418

00:53:02,870 --> 00:53:00,319

you know with some of them i can check

1419

00:53:06,230 --> 00:53:02,880

but with others i can't but

1420

00:53:37,430 --> 00:53:07,750

i

1421

00:53:39,270 --> 00:53:37,440

um

1422

00:53:41,589 --> 00:53:39,280

that her husband had said something to

1423

00:53:43,829 --> 00:53:41,599

me oh you you do something on ufos and

1424

00:53:44,950 --> 00:53:43,839

how interesting or whatever so they had

1425

00:54:04,630 --> 00:53:44,960

a

1426
00:54:06,470 --> 00:54:04,640
this show

1427
00:54:07,430 --> 00:54:06,480
at least briefly for one of my breaks

1428
00:54:10,230 --> 00:54:07,440
that i have

1429
00:54:12,710 --> 00:54:10,240
um and speaking of breaks we're uh we're

1430
00:54:14,870 --> 00:54:12,720
going into the break here it's it's time

1431
00:54:17,349 --> 00:54:14,880
for us to go in and um

1432
00:54:20,230 --> 00:54:17,359
uh but before i just uh saw this

1433
00:54:22,150 --> 00:54:20,240
question pop up dr scott what did the

1434
00:54:25,030 --> 00:54:22,160
alien maria blair

1435
00:54:28,230 --> 00:54:25,040
saw look like and if you can answer that

1436
00:54:30,150 --> 00:54:28,240
quickly we'll go into break after that

1437
00:54:32,150 --> 00:54:30,160
well she thought it looked like a human

1438
00:54:35,270 --> 00:54:32,160

but it came out of the water and i asked

1439

00:54:37,589 --> 00:54:35,280

her if it was a fish and she said no

1440

00:54:41,109 --> 00:54:37,599

i guess it wasn't a dolphin she thought

1441

00:54:44,390 --> 00:54:41,119

it looked very human but that's the only

1442

00:54:47,430 --> 00:54:44,400

thing she remembered but her husband

1443

00:54:48,950 --> 00:54:47,440

saw beings or things or whatever

1444

00:54:52,309 --> 00:54:48,960

but i don't

1445

00:54:54,630 --> 00:54:52,319

know exactly if she described them and

1446

00:54:55,589 --> 00:54:54,640

like he went i don't know ventilator

1447

00:54:57,750 --> 00:54:55,599

but there

1448

00:54:59,750 --> 00:54:57,760

first of their he saw a different group

1449

00:55:01,349 --> 00:54:59,760

and one of them was like six feet tall

1450

00:55:03,910 --> 00:55:01,359

and then the other group that i think

1451
00:55:05,670 --> 00:55:03,920
abducted him was like five feet tall or

1452
00:55:07,109 --> 00:55:05,680
something

1453
00:55:08,710 --> 00:55:07,119
it's really amazing

1454
00:55:11,109 --> 00:55:08,720
when you think about you know

1455
00:55:13,510 --> 00:55:11,119
scientifically all the changes that

1456
00:55:15,990 --> 00:55:13,520
gravity can make on a being growing

1457
00:55:18,789 --> 00:55:16,000
evolving and all that you know all kinds

1458
00:55:20,789 --> 00:55:18,799
of factors make uh make up what a height

1459
00:55:21,829 --> 00:55:20,799
is uh food

1460
00:55:23,349 --> 00:55:21,839
you know the

1461
00:55:25,670 --> 00:55:23,359
availability of foods and things like

1462
00:55:28,390 --> 00:55:25,680
that so uh we're ready to go into the

1463
00:55:29,750 --> 00:55:28,400

break so if you're over at kg r a radio

1464

00:55:32,230 --> 00:55:29,760

we'll be back in about three and a half

1465

00:55:33,510 --> 00:55:32,240

minutes and for those of you on youtube

1466

00:55:37,430 --> 00:55:33,520

and

1467

00:55:39,430 --> 00:55:37,440

smith coming up now this

1468

00:55:42,630 --> 00:55:39,440

this little clip that i did here she

1469

00:55:44,470 --> 00:55:42,640

will freeze uh um on the video but her

1470

00:55:47,030 --> 00:55:44,480

the audio keeps going it was because we

1471

00:55:49,349 --> 00:55:47,040

had bad internet where we were re

1472

00:55:51,750 --> 00:55:49,359

recording in newport beach out in

1473

00:55:53,910 --> 00:55:51,760

california and here it goes so over at

1474

00:56:02,309 --> 00:55:53,920

kg r a radio we'll be right back right

1475

00:56:07,430 --> 00:56:04,630

all right i'm in newport beach

1476

00:56:09,670 --> 00:56:07,440

with yvonne smith hi yvonne hi martin

1477

00:56:11,829 --> 00:56:09,680

thank you for having me on yeah nice to

1478

00:56:13,829 --> 00:56:11,839

see you as always thank you can you

1479

00:56:17,270 --> 00:56:13,839

explain what you're doing out here

1480

00:56:20,230 --> 00:56:17,280

well i just finished two days of

1481

00:56:23,270 --> 00:56:20,240

abduction therapist training

1482

00:56:25,109 --> 00:56:23,280

that i this is this is was one of my

1483

00:56:27,589 --> 00:56:25,119

main goals i was trying to do this for

1484

00:56:30,150 --> 00:56:27,599

four years and finally it happened this

1485

00:56:33,190 --> 00:56:30,160

weekend and i had therapists coming in

1486

00:56:36,150 --> 00:56:33,200

from massachusetts from new mexico

1487

00:56:39,510 --> 00:56:36,160

new york and minnesota and my goal is to

1488

00:56:41,829 --> 00:56:39,520

have a trained abduction therapist in

1489

00:56:44,950 --> 00:56:41,839

all 50 states because it's very needed

1490

00:56:46,710 --> 00:56:44,960

now now what is what is the criteria of

1491

00:56:49,589 --> 00:56:46,720

the people that you will accept in your

1492

00:56:51,349 --> 00:56:49,599

training they must already be certified

1493

00:56:53,510 --> 00:56:51,359

in hypnotherapy so they must be a

1494

00:56:54,549 --> 00:56:53,520

certified hypnotherapist because i'm not

1495

00:56:56,870 --> 00:56:54,559

teaching

1496

00:56:59,750 --> 00:56:56,880

the mechanics of hypnosis

1497

00:57:02,150 --> 00:56:59,760

and these are therapists who have a

1498

00:57:04,150 --> 00:57:02,160

practice a functioning practice and they

1499

00:57:05,990 --> 00:57:04,160

want to just bring in

1500

00:57:07,750 --> 00:57:06,000

abduction cases but they're very

1501
00:57:08,710 --> 00:57:07,760
interested in they know there's a need

1502
00:57:09,589 --> 00:57:08,720
for it

1503
00:57:11,750 --> 00:57:09,599
so

1504
00:57:13,829 --> 00:57:11,760
i'm just teaching them from

1505
00:57:17,109 --> 00:57:13,839
you know from their what they're

1506
00:57:19,430 --> 00:57:17,119
normally practicing where you're using

1507
00:57:20,230 --> 00:57:19,440
hypnotic regression

1508
00:57:22,870 --> 00:57:20,240
and

1509
00:57:24,069 --> 00:57:22,880
going through case studies i did four

1510
00:57:26,789 --> 00:57:24,079
live

1511
00:57:28,789 --> 00:57:26,799
uh regressions with four actual

1512
00:57:30,390 --> 00:57:28,799
abductees this weekend

1513
00:57:32,789 --> 00:57:30,400

so they could see

1514

00:57:35,190 --> 00:57:32,799

what happens during an actual regression

1515

00:57:38,309 --> 00:57:35,200

and what i do every day

1516

00:57:40,630 --> 00:57:38,319

right well what is what in your opinion

1517

00:57:43,030 --> 00:57:40,640

what's the most important thing that

1518

00:57:44,789 --> 00:57:43,040

you're teaching

1519

00:57:48,470 --> 00:57:44,799

well the most important thing first and

1520

00:57:51,430 --> 00:57:48,480

foremost is to help the individual

1521

00:57:53,990 --> 00:57:51,440

relieve them from ptsd post-traumatic

1522

00:57:56,710 --> 00:57:54,000

stress disorder because when they trust

1523

00:58:00,069 --> 00:57:56,720

anyone any one of us we suffer a trauma

1524

00:58:02,230 --> 00:58:00,079

we will have ptsd symptoms they're not

1525

00:58:04,230 --> 00:58:02,240

able to function it's interfering with

1526

00:58:06,470 --> 00:58:04,240

their everyday life you know we have to

1527

00:58:07,430 --> 00:58:06,480

go to work we have to pay bills

1528

00:58:09,910 --> 00:58:07,440

and

1529

00:58:12,710 --> 00:58:09,920

we get them put them in regression to

1530

00:58:15,030 --> 00:58:12,720

bring up the buried memories

1531

00:58:18,230 --> 00:58:15,040

whatever was buried in there

1532

00:58:21,270 --> 00:58:18,240

of their uh ufo sighting or their

1533

00:58:23,430 --> 00:58:21,280

missing time and as we bring it forward

1534

00:58:25,910 --> 00:58:23,440

to a conscious level

1535

00:58:27,670 --> 00:58:25,920

then they're able to deal with you know

1536

00:58:29,990 --> 00:58:27,680

intellectually okay

1537

00:58:33,430 --> 00:58:30,000

this happened to me but i came back and

1538

00:58:35,670 --> 00:58:33,440

i'm all right and there we teach them

1539

00:58:38,150 --> 00:58:35,680

how to integrate it into their lives

1540

00:58:41,030 --> 00:58:38,160

that's why i created my support group

1541

00:58:43,829 --> 00:58:41,040

close encounter resource organization

1542

00:58:45,349 --> 00:58:43,839

where we meet every month so i'm hoping

1543

00:58:48,230 --> 00:58:45,359

that

1544

00:58:50,950 --> 00:58:48,240

my new therapist will also start support

1545

00:58:53,430 --> 00:58:50,960

groups around the country excellent well

1546

00:58:55,270 --> 00:58:53,440

thank you so much thank you martin very

1547

00:58:56,370 --> 00:58:55,280

much always nice talking to you thank

1548

00:59:05,810 --> 00:58:56,380

you

1549

00:59:28,309 --> 00:59:15,740

[Music]

1550

00:59:33,750 --> 00:59:30,069

stand by martin

1551

00:59:35,750 --> 00:59:33,760

in three two one go

1552

00:59:38,390 --> 00:59:35,760

all right welcome back this is martin

1553

00:59:39,270 --> 00:59:38,400

willis and my guest tonight is dr irina

1554

00:59:40,390 --> 00:59:39,280

scott

1555

00:59:42,630 --> 00:59:40,400

and uh

1556

00:59:46,230 --> 00:59:42,640

always fascinating uh guest

1557

00:59:47,109 --> 00:59:46,240

uh i love the the uh the work she does

1558

00:59:51,910 --> 00:59:47,119

in this

1559

00:59:54,309 --> 00:59:51,920

field and um welcome back irina and

1560

00:59:56,789 --> 00:59:54,319

let me ask you this have you

1561

00:59:59,190 --> 00:59:56,799

have you ever interacted with this topic

1562

01:00:01,190 --> 00:59:59,200

with people that you had

1563

01:00:03,349 --> 01:00:01,200

done previous work with

1564

01:00:05,750 --> 01:00:03,359

in your field in any type of way i mean

1565

01:00:08,150 --> 01:00:05,760

were you did you ever make friends

1566

01:00:11,109 --> 01:00:08,160

and say when you work for the dia or any

1567

01:00:13,109 --> 01:00:11,119

other organization in the past where

1568

01:00:14,789 --> 01:00:13,119

you kind of came out of the closet on

1569

01:00:16,870 --> 01:00:14,799

this hey look i'm doing this book on

1570

01:00:19,430 --> 01:00:16,880

ufos or anything have you ever had that

1571

01:00:21,990 --> 01:00:19,440

experience

1572

01:00:23,589 --> 01:00:22,000

yeah and people make fun of me

1573

01:00:24,390 --> 01:00:23,599

they do really

1574

01:00:27,270 --> 01:00:24,400

yeah

1575

01:00:29,270 --> 01:00:27,280

so you see a ufos today and things like

1576

01:00:32,150 --> 01:00:29,280

that i didn't really go around talking

1577

01:00:33,190 --> 01:00:32,160

about but people found out i was

1578

01:00:34,549 --> 01:00:33,200

um

1579

01:00:36,950 --> 01:00:34,559

interested

1580

01:00:38,630 --> 01:00:36,960

they would you know joke with me and

1581

01:00:39,589 --> 01:00:38,640

things well they just joke they're not

1582

01:00:41,190 --> 01:00:39,599

really

1583

01:00:42,870 --> 01:00:41,200

it's not like you wouldn't consider it

1584

01:00:44,950 --> 01:00:42,880

ridicule would you i mean it's more like

1585

01:00:46,549 --> 01:00:44,960

joking around

1586

01:00:49,190 --> 01:00:46,559

yeah it was

1587

01:00:52,710 --> 01:00:49,200

being ridiculed my sister wouldn't talk

1588

01:00:54,829 --> 01:00:52,720

about it much either uh even our family

1589

01:00:57,990 --> 01:00:54,839

we talked about this oh no that can't

1590

01:01:00,630 --> 01:00:58,000

happen um but she did she was kind

1591

01:01:03,109 --> 01:01:00,640

enough to fill out reports and my mother

1592

01:01:04,950 --> 01:01:03,119

was a real skeptic but she found she

1593

01:01:06,789 --> 01:01:04,960

filled out reports too

1594

01:01:08,870 --> 01:01:06,799

so um

1595

01:01:10,390 --> 01:01:08,880

i didn't have anybody you know not tell

1596

01:01:11,430 --> 01:01:10,400

the truth or anything

1597

01:01:14,150 --> 01:01:11,440

but

1598

01:01:16,150 --> 01:01:14,160

there was some inhibition which i had a

1599

01:01:17,589 --> 01:01:16,160

lot of too until i finally came out of

1600

01:01:19,589 --> 01:01:17,599

the closet

1601

01:01:22,630 --> 01:01:19,599

well i spent about four or five days in

1602

01:01:25,109 --> 01:01:22,640

seattle a few weeks ago visiting my

1603

01:01:27,750 --> 01:01:25,119

sister and her husband now her husband

1604

01:01:31,109 --> 01:01:27,760

my brother-in-law worked at los alamos

1605

01:01:33,190 --> 01:01:31,119

labs in new mexico and uh he's a chemist

1606

01:01:35,349 --> 01:01:33,200

and i i believe he worked in the weapons

1607

01:01:37,190 --> 01:01:35,359

he was it was top secret exactly what he

1608

01:01:39,910 --> 01:01:37,200

did i remember when he was getting his

1609

01:01:41,589 --> 01:01:39,920

clearance and all that um so the funny

1610

01:01:44,789 --> 01:01:41,599

conversation is uh

1611

01:01:46,789 --> 01:01:44,799

uh selma siddiq um she is one of the

1612

01:01:48,870 --> 01:01:46,799

people uh that

1613

01:01:51,190 --> 01:01:48,880

has uh is in the film that's will be

1614

01:01:52,390 --> 01:01:51,200

coming out we'll see it this year i'm

1615

01:01:54,150 --> 01:01:52,400

pretty sure

1616

01:01:56,230 --> 01:01:54,160

before the year's end

1617

01:01:59,029 --> 01:01:56,240

on a major streaming platform the ariel

1618

01:02:01,430 --> 01:01:59,039

school phenomenon by uh by randall

1619

01:02:03,750 --> 01:02:01,440

nickerson that's coming out well i've

1620

01:02:04,710 --> 01:02:03,760

kept in touch with selma siddik who

1621

01:02:06,549 --> 01:02:04,720

lives in

1622

01:02:08,069 --> 01:02:06,559

seattle unfortunately i didn't get a

1623

01:02:10,549 --> 01:02:08,079

chance to visit with her i didn't have

1624

01:02:12,630 --> 01:02:10,559

enough time when i was up there uh

1625

01:02:14,789 --> 01:02:12,640

because of other things we're doing but

1626
01:02:17,270 --> 01:02:14,799
so i brought up to my my sister and my

1627
01:02:19,589 --> 01:02:17,280
brother-in-law this whole thing about

1628
01:02:21,750 --> 01:02:19,599
um the arielle school and how

1629
01:02:23,990 --> 01:02:21,760
you know to me is i think it's the most

1630
01:02:26,309 --> 01:02:24,000
fascinating case of them all my own

1631
01:02:27,990 --> 01:02:26,319
personal opinion someone asked me that's

1632
01:02:29,910 --> 01:02:28,000
what i would say

1633
01:02:31,990 --> 01:02:29,920
and so i told them about

1634
01:02:33,029 --> 01:02:32,000
all these school children seeing these

1635
01:02:35,990 --> 01:02:33,039
beings

1636
01:02:38,390 --> 01:02:36,000
and some of them getting messages

1637
01:02:40,789 --> 01:02:38,400
like telepathic messages you know take

1638
01:02:42,549 --> 01:02:40,799

care of the world and and you know of

1639

01:02:44,710 --> 01:02:42,559

the earth and all that and some of them

1640

01:02:45,430 --> 01:02:44,720

not but their description of the beings

1641

01:02:50,390 --> 01:02:45,440

was

1642

01:02:52,230 --> 01:02:50,400

it's it's pretty remarkable these are

1643

01:02:54,549 --> 01:02:52,240

young uh children that are

1644

01:02:56,150 --> 01:02:54,559

impressionable so many of them saw it

1645

01:02:57,670 --> 01:02:56,160

their accounts their drawings right

1646

01:02:59,750 --> 01:02:57,680

after a teacher had the foresight to

1647

01:03:02,470 --> 01:02:59,760

have them all draw pictures of what they

1648

01:03:04,069 --> 01:03:02,480

saw it's fascinating but anyway my

1649

01:03:05,750 --> 01:03:04,079

sister's like

1650

01:03:07,589 --> 01:03:05,760

sitting there she was in the back i was

1651
01:03:09,829 --> 01:03:07,599
in the front we were driving somewhere

1652
01:03:12,549 --> 01:03:09,839
and she's she's sitting there like a

1653
01:03:14,950 --> 01:03:12,559
deer in the headlights and like her eyes

1654
01:03:16,870 --> 01:03:14,960
are glazing over i said are are you are

1655
01:03:19,109 --> 01:03:16,880
you are you actually listening to me are

1656
01:03:22,630 --> 01:03:19,119
you listening to me about this and she

1657
01:03:25,430 --> 01:03:22,640
uh uh yeah yeah and i said

1658
01:03:27,589 --> 01:03:25,440
so tell me do you just think it's all

1659
01:03:30,150 --> 01:03:27,599
bs and you think that i'm just doing

1660
01:03:31,990 --> 01:03:30,160
this show and it's all just bs and means

1661
01:03:33,990 --> 01:03:32,000
nothing i mean she's never

1662
01:03:38,069 --> 01:03:34,000
um watched one of my shows or looked at

1663
01:03:40,710 --> 01:03:38,079

any of it and she goes no i

1664

01:03:43,109 --> 01:03:40,720

i just don't know i just don't know and

1665

01:03:46,710 --> 01:03:43,119

i said well that's a good answer and

1666

01:03:49,589 --> 01:03:46,720

then i look to mr scientist uh

1667

01:03:51,270 --> 01:03:49,599

her his name is wilbur actually um and

1668

01:03:52,230 --> 01:03:51,280

he gets the joke from

1669

01:03:54,549 --> 01:03:52,240

um

1670

01:03:56,069 --> 01:03:54,559

mr ed talking horse saying wilbur and

1671

01:03:58,150 --> 01:03:56,079

all that stuff but anyway

1672

01:04:00,390 --> 01:03:58,160

uh so wilbur takes everything he's a

1673

01:04:02,470 --> 01:04:00,400

real statistical guy takes everything

1674

01:04:04,230 --> 01:04:02,480

about statistics and very very

1675

01:04:05,670 --> 01:04:04,240

scientific or whatever

1676

01:04:07,270 --> 01:04:05,680

and uh

1677

01:04:08,870 --> 01:04:07,280

so i said hey wilbur what do you think

1678

01:04:10,230 --> 01:04:08,880

about this what do you think about it

1679

01:04:13,670 --> 01:04:10,240

all

1680

01:04:17,430 --> 01:04:13,680

and he goes i think it's very possible

1681

01:04:20,150 --> 01:04:17,440

and i was i was shocked and i i said hey

1682

01:04:23,270 --> 01:04:20,160

from someone that's totally a science

1683

01:04:25,349 --> 01:04:23,280

guy you know all you do is think science

1684

01:04:26,950 --> 01:04:25,359

thank you for saying that you know thank

1685

01:04:28,549 --> 01:04:26,960

you for being open-minded that it's

1686

01:04:31,190 --> 01:04:28,559

possible

1687

01:04:32,870 --> 01:04:31,200

and um and i do see that

1688

01:04:34,789 --> 01:04:32,880

you know i'm going off my own tangent

1689

01:04:37,029 --> 01:04:34,799

here has nothing to do with our topic

1690

01:04:38,309 --> 01:04:37,039

tonight but um

1691

01:04:41,029 --> 01:04:38,319

just maybe think about it when you

1692

01:04:43,510 --> 01:04:41,039

talked about people joking or you know

1693

01:04:46,230 --> 01:04:43,520

making fun of you for for taking this

1694

01:04:49,190 --> 01:04:46,240

seriously but i think that we are seeing

1695

01:04:52,549 --> 01:04:49,200

a shift that people of science

1696

01:04:55,510 --> 01:04:52,559

are actually looking into this more than

1697

01:04:57,109 --> 01:04:55,520

ever since the 10 years and by the way

1698

01:04:59,270 --> 01:04:57,119

in just a couple weeks it'll be 10 years

1699

01:05:00,470 --> 01:04:59,280

that i've done this show

1700

01:05:03,510 --> 01:05:00,480

and uh

1701

01:05:05,109 --> 01:05:03,520

so i should have a 10th anniversary show

1702

01:05:06,549 --> 01:05:05,119

or something coming up

1703

01:05:08,309 --> 01:05:06,559

it's actually another week and a half or

1704

01:05:11,750 --> 01:05:08,319

so i believe it was the 11th of uh

1705

01:05:14,069 --> 01:05:11,760

november was the first time i did a show

1706

01:05:16,950 --> 01:05:14,079

um but anyway that was quite a rant i

1707

01:05:19,430 --> 01:05:16,960

went on what do you think about all that

1708

01:05:20,870 --> 01:05:19,440

well we're always saying science

1709

01:05:23,910 --> 01:05:20,880

cfos

1710

01:05:26,069 --> 01:05:23,920

and all that well i have scientific

1711

01:05:28,309 --> 01:05:26,079

background i mean i have a phd from

1712

01:05:30,950 --> 01:05:28,319

perfectly good school veterinary

1713

01:05:33,109 --> 01:05:30,960

medicine and i worked at a

1714

01:05:35,510 --> 01:05:33,119

in research at cornell which is ivy

1715

01:05:37,829 --> 01:05:35,520

league and wow i was a professor and

1716

01:05:40,309 --> 01:05:37,839

things like that so i and plus i have

1717

01:05:43,029 --> 01:05:40,319

lots of research papers published and so

1718

01:05:46,069 --> 01:05:43,039

i think i have a background in science

1719

01:05:49,190 --> 01:05:47,349

i mean you know

1720

01:05:51,670 --> 01:05:49,200

they say you know females aren't

1721

01:05:53,829 --> 01:05:51,680

scientists but i think i have the same

1722

01:05:55,990 --> 01:05:53,839

qualifications as a male

1723

01:05:58,789 --> 01:05:56,000

but um

1724

01:06:00,470 --> 01:05:58,799

i think that um sinus are coming out of

1725

01:06:01,349 --> 01:06:00,480

the woodwork too

1726

01:06:03,750 --> 01:06:01,359

and

1727

01:06:05,670 --> 01:06:03,760

some of the very best research has been

1728

01:06:07,430 --> 01:06:05,680

done by scientists

1729

01:06:09,510 --> 01:06:07,440

um

1730

01:06:11,349 --> 01:06:09,520

like for example

1731

01:06:14,230 --> 01:06:11,359

i worked at battelle and i knew people

1732

01:06:15,670 --> 01:06:14,240

worked there but mattel did a study for

1733

01:06:17,589 --> 01:06:15,680

project blue book

1734

01:06:20,390 --> 01:06:17,599

it was special report number 14 and it

1735

01:06:22,230 --> 01:06:20,400

was just an excellent study done in the

1736

01:06:23,270 --> 01:06:22,240

best scientific way

1737

01:06:25,349 --> 01:06:23,280

and

1738

01:06:26,630 --> 01:06:25,359

dr harley rutledge

1739

01:06:30,230 --> 01:06:26,640

who was a

1740

01:06:32,150 --> 01:06:30,240

um he had a physics department in

1741

01:06:33,829 --> 01:06:32,160

the university of southern missouri

1742

01:06:35,990 --> 01:06:33,839

missouri i think

1743

01:06:37,670 --> 01:06:36,000

just did an excellent study field study

1744

01:06:39,109 --> 01:06:37,680

of ufos

1745

01:06:40,710 --> 01:06:39,119

and i think some of the very best

1746

01:06:43,510 --> 01:06:40,720

studies have been done for scientists

1747

01:06:45,190 --> 01:06:43,520

and i was sort of emphasizing that in my

1748

01:06:47,990 --> 01:06:45,200

previous book

1749

01:06:50,069 --> 01:06:48,000

to say that yes scientists do say see

1750

01:06:53,589 --> 01:06:50,079

ufos and some of them have done very

1751

01:06:55,990 --> 01:06:53,599

good work on ufos too

1752

01:06:56,789 --> 01:06:56,000

that's right

1753

01:07:01,190 --> 01:06:56,799

i

1754

01:07:03,829 --> 01:07:01,200

of feedback from your speakers

1755

01:07:06,630 --> 01:07:03,839

so if you could turn down your audio i

1756

01:07:08,630 --> 01:07:06,640

have your microphone on mute right now

1757

01:07:11,589 --> 01:07:08,640

uh while i'm talking it only happens

1758

01:07:13,029 --> 01:07:11,599

when i'm talking um but yeah if you

1759

01:07:16,549 --> 01:07:13,039

could just turn that down just a little

1760

01:07:18,710 --> 01:07:16,559

bit that'd be that would be good um so

1761

01:07:20,390 --> 01:07:18,720

yeah i mean i'm seeing there's there's

1762

01:07:22,789 --> 01:07:20,400

uh

1763

01:07:23,829 --> 01:07:22,799

there's a lot of scientists

1764

01:07:26,549 --> 01:07:23,839

that are

1765

01:07:28,390 --> 01:07:26,559

actually feeling comfortable enough and

1766

01:07:30,309 --> 01:07:28,400

it's about time that's how i feel about

1767

01:07:32,150 --> 01:07:30,319

that whole thing

1768

01:07:36,150 --> 01:07:32,160

now um

1769

01:07:37,109 --> 01:07:36,160

you did i hear you um

1770

01:07:42,069 --> 01:07:37,119

where

1771

01:07:46,309 --> 01:07:44,230

i'm not sure what that noise is another

1772

01:07:49,670 --> 01:07:46,319

strange noise across here that's from

1773

01:07:51,750 --> 01:07:49,680

here oh tonight yeah um um i listened

1774

01:07:53,829 --> 01:07:51,760

for a few minutes to uh

1775

01:07:55,829 --> 01:07:53,839

uh luis uh

1776

01:07:57,829 --> 01:07:55,839

his uh the

1777

01:07:58,789 --> 01:07:57,839

unidentified celebrity review podcast

1778

01:08:01,349 --> 01:07:58,799

with you

1779

01:08:03,029 --> 01:08:01,359

and uh you worked or had something to do

1780

01:08:05,750 --> 01:08:03,039

with the window the place with the wow

1781

01:08:08,710 --> 01:08:05,760

signal the city is that did you talk

1782

01:08:11,270 --> 01:08:08,720

about that on his show

1783

01:08:13,270 --> 01:08:11,280

yeah i used to work at the um

1784

01:08:15,910 --> 01:08:13,280

as an astronomer at a volunteer

1785

01:08:16,789 --> 01:08:15,920

astronomer at the ohio state university

1786

01:08:20,229 --> 01:08:16,799

um

1787

01:08:22,070 --> 01:08:20,239

radio telescope and it was where they

1788

01:08:23,910 --> 01:08:22,080

had the wow signal i didn't have

1789

01:08:26,070 --> 01:08:23,920

anything to do with that but i worked at

1790

01:08:28,789 --> 01:08:26,080

the same place and knew all the people

1791

01:08:30,470 --> 01:08:28,799

and it still hasn't been explained it's

1792

01:08:33,430 --> 01:08:30,480

um

1793

01:08:35,749 --> 01:08:33,440

one that they consider might be a signal

1794

01:08:38,709 --> 01:08:35,759

from e.t and it's about the only one

1795

01:08:40,870 --> 01:08:38,719

they've ever found through setting

1796

01:08:41,829 --> 01:08:40,880

yeah and

1797

01:08:44,630 --> 01:08:41,839

after

1798

01:08:47,590 --> 01:08:44,640

all these years and all the you know 24

1799

01:08:48,950 --> 01:08:47,600

hours a day pointed out there somewhere

1800

01:08:51,110 --> 01:08:48,960

um do you think

1801

01:08:52,390 --> 01:08:51,120

uh there's a couple of my thoughts is um

1802

01:08:55,189 --> 01:08:52,400

you know

1803

01:08:57,510 --> 01:08:55,199

maybe that's uh maybe radio signals is

1804

01:08:58,390 --> 01:08:57,520

very primitive to whatever beings are

1805

01:09:00,229 --> 01:08:58,400

out there

1806

01:09:02,630 --> 01:09:00,239

that's also a possibility and by the

1807

01:09:04,149 --> 01:09:02,640

time they reach here

1808

01:09:06,470 --> 01:09:04,159

um

1809

01:09:09,269 --> 01:09:06,480

a civilization could be extinct all that

1810

01:09:10,950 --> 01:09:09,279

type of thing but do you think it's also

1811

01:09:12,470 --> 01:09:10,960

kind of bizarre that all these years

1812

01:09:13,749 --> 01:09:12,480

have gone by and there's only been that

1813

01:09:16,070 --> 01:09:13,759

one

1814

01:09:18,550 --> 01:09:16,080

strange signal

1815

01:09:20,630 --> 01:09:18,560

yeah and um

1816

01:09:22,870 --> 01:09:20,640

i interviewed uh

1817

01:09:25,349 --> 01:09:22,880

the person that was

1818

01:09:27,749 --> 01:09:25,359

in charge of the telescope

1819

01:09:30,630 --> 01:09:27,759

on tape and i think i put it on youtube

1820

01:09:33,590 --> 01:09:30,640

and asked him and he said that maybe

1821

01:09:34,630 --> 01:09:33,600

you know we're pretty primitive and

1822

01:09:35,510 --> 01:09:34,640

you know

1823

01:09:38,309 --> 01:09:35,520

uh

1824

01:09:41,590 --> 01:09:38,319

a few or steps up they are communicating

1825

01:09:43,590 --> 01:09:41,600

but that we don't quite get it yet

1826
01:09:44,950 --> 01:09:43,600
and i think

1827
01:09:47,749 --> 01:09:44,960
the um

1828
01:09:50,470 --> 01:09:47,759
the experi the physics experiment such

1829
01:09:53,110 --> 01:09:50,480
as in quantum mechanics things like that

1830
01:09:54,149 --> 01:09:53,120
to me they're weirder than ufos

1831
01:09:55,189 --> 01:09:54,159
and maybe

1832
01:09:58,070 --> 01:09:55,199
um

1833
01:10:02,630 --> 01:09:58,080
we're sort of plowing along through you

1834
01:10:04,470 --> 01:10:02,640
know 1500s clockwork newtonian physics

1835
01:10:05,750 --> 01:10:04,480
and

1836
01:10:07,830 --> 01:10:05,760
quantum mechanics is a whole lot

1837
01:10:09,830 --> 01:10:07,840
different

1838
01:10:12,070 --> 01:10:09,840

and so we may just

1839

01:10:14,870 --> 01:10:12,080

be pretty primitive

1840

01:10:17,510 --> 01:10:14,880

yeah i know um i've said this a number

1841

01:10:20,470 --> 01:10:17,520

of times on the show that you know

1842

01:10:22,550 --> 01:10:20,480

wherever we are in existence in society

1843

01:10:24,790 --> 01:10:22,560

we think we're at the top of our game

1844

01:10:26,950 --> 01:10:24,800

and that there's you know and that we

1845

01:10:28,229 --> 01:10:26,960

know everything that

1846

01:10:30,470 --> 01:10:28,239

you know we never say that we know

1847

01:10:31,270 --> 01:10:30,480

everything but we think we know mostly

1848

01:10:33,669 --> 01:10:31,280

about

1849

01:10:35,430 --> 01:10:33,679

physics or whatever but i i believe that

1850

01:10:36,630 --> 01:10:35,440

we pro may have only scratched the

1851

01:10:37,990 --> 01:10:36,640

surface of

1852

01:10:39,669 --> 01:10:38,000

you know because there are so many

1853

01:10:42,310 --> 01:10:39,679

things we especially at the quantum

1854

01:10:46,390 --> 01:10:42,320

level that we have no idea

1855

01:10:49,350 --> 01:10:46,400

yeah i think quantum level is um

1856

01:10:52,950 --> 01:10:49,360

quantum mechanics is very very different

1857

01:10:55,590 --> 01:10:52,960

from anything we understand now

1858

01:10:57,110 --> 01:10:55,600

and it

1859

01:11:00,070 --> 01:10:57,120

the experiments in a lot of ways just

1860

01:11:04,550 --> 01:11:00,080

point out that we don't know anything

1861

01:11:06,870 --> 01:11:04,560

right in cern you know the that uh the

1862

01:11:08,709 --> 01:11:06,880

the collider there i mean

1863

01:11:11,830 --> 01:11:08,719

they're they're they're coming up with

1864

01:11:13,990 --> 01:11:11,840

just amazing things and how small can

1865

01:11:16,229 --> 01:11:14,000

small be you know it's

1866

01:11:18,229 --> 01:11:16,239

it's uh is it infinite you know i mean

1867

01:11:20,070 --> 01:11:18,239

it seems like it could almost be in a

1868

01:11:21,750 --> 01:11:20,080

way but it's all fascinating all that

1869

01:11:24,550 --> 01:11:21,760

stuff is fascinating but

1870

01:11:26,070 --> 01:11:24,560

anyway um so

1871

01:11:27,430 --> 01:11:26,080

i'll i'll just ask you a couple of

1872

01:11:28,950 --> 01:11:27,440

questions

1873

01:11:33,669 --> 01:11:28,960

if you

1874

01:11:34,709 --> 01:11:33,679

even with your science background and

1875

01:11:36,470 --> 01:11:34,719

all that

1876

01:11:39,669 --> 01:11:36,480

where do you think these things could be

1877

01:11:41,590 --> 01:11:39,679

coming from i mean do you think it's

1878

01:11:43,149 --> 01:11:41,600

possible that they're extraterrestrial

1879

01:11:45,110 --> 01:11:43,159

or that could it be they're

1880

01:11:47,110 --> 01:11:45,120

multi-dimensional or

1881

01:11:50,550 --> 01:11:47,120

or time travelers so what what are your

1882

01:11:55,270 --> 01:11:52,310

i don't think they've given us too much

1883

01:11:56,709 --> 01:11:55,280

information like in thinking about that

1884

01:11:59,990 --> 01:11:56,719

very first thing that happened to my

1885

01:12:01,590 --> 01:12:00,000

sister and i back when we were tiny kids

1886

01:12:02,950 --> 01:12:01,600

we still remember it

1887

01:12:04,390 --> 01:12:02,960

even though we didn't talk about it for

1888

01:12:06,149 --> 01:12:04,400

years because

1889

01:12:08,390 --> 01:12:06,159

we didn't even know it had anything to

1890

01:12:09,750 --> 01:12:08,400

ufos for a long time

1891

01:12:11,030 --> 01:12:09,760

but um

1892

01:12:13,110 --> 01:12:11,040

it was like there was some kind of

1893

01:12:15,510 --> 01:12:13,120

thought control i mean

1894

01:12:17,030 --> 01:12:15,520

like i remember i wake i woke up and i

1895

01:12:19,350 --> 01:12:17,040

saw this thing flying around well i

1896

01:12:21,669 --> 01:12:19,360

didn't know my sister was awake seeing

1897

01:12:23,830 --> 01:12:21,679

the same thing but for some reason we

1898

01:12:25,990 --> 01:12:23,840

woke up at the same time

1899

01:12:28,550 --> 01:12:26,000

and the room had two doors that were

1900

01:12:29,510 --> 01:12:28,560

both closed and a window that had a

1901

01:12:31,270 --> 01:12:29,520

screen

1902

01:12:33,110 --> 01:12:31,280

and so we don't know how the thing got

1903

01:12:34,390 --> 01:12:33,120

in there we don't know why we woke up at

1904

01:12:37,110 --> 01:12:34,400

the same time

1905

01:12:39,350 --> 01:12:37,120

and then we watched it but suddenly both

1906

01:12:40,550 --> 01:12:39,360

became terrified at the same time well

1907

01:12:42,630 --> 01:12:40,560

it was like there was some kind of

1908

01:12:44,310 --> 01:12:42,640

thought control going through it

1909

01:12:46,070 --> 01:12:44,320

and also the thing just looked like a

1910

01:12:49,030 --> 01:12:46,080

tiny piece of metal

1911

01:12:51,189 --> 01:12:49,040

but it behaved like something alive

1912

01:12:53,669 --> 01:12:51,199

and there was also

1913

01:12:55,189 --> 01:12:53,679

you know a suggestion of some kind of

1914

01:12:57,110 --> 01:12:55,199

mind control

1915

01:12:59,510 --> 01:12:57,120

and so it just seemed like that

1916

01:13:01,910 --> 01:12:59,520

just way way back that

1917

01:13:03,350 --> 01:13:01,920

if i if my brain would be working when i

1918

01:13:06,470 --> 01:13:03,360

was a kid

1919

01:13:10,390 --> 01:13:08,229

it it seemed like

1920

01:13:11,510 --> 01:13:10,400

um that something

1921

01:13:13,750 --> 01:13:11,520

that seemed

1922

01:13:15,830 --> 01:13:13,760

just looked like a piece of metal seemed

1923

01:13:18,390 --> 01:13:15,840

alive in some ways

1924

01:13:20,470 --> 01:13:18,400

and it also seemed like that

1925

01:13:21,669 --> 01:13:20,480

we were experiencing some kind of mind

1926

01:13:22,870 --> 01:13:21,679

control

1927

01:13:24,550 --> 01:13:22,880

and that's

1928

01:13:26,149 --> 01:13:24,560

something that's made me wonder ever

1929

01:13:28,390 --> 01:13:26,159

since

1930

01:13:30,070 --> 01:13:28,400

if there's mind control involved in the

1931

01:13:32,070 --> 01:13:30,080

whole thing

1932

01:13:33,430 --> 01:13:32,080

which makes also makes it very very

1933

01:13:35,750 --> 01:13:33,440

complicated

1934

01:13:38,310 --> 01:13:35,760

besides the

1935

01:13:40,709 --> 01:13:38,320

quantum mechanic aspect

1936

01:13:41,990 --> 01:13:40,719

and um

1937

01:13:43,110 --> 01:13:42,000

maybe

1938

01:13:44,310 --> 01:13:43,120

the

1939

01:13:45,590 --> 01:13:44,320

um

1940

01:13:47,590 --> 01:13:45,600

maybe

1941

01:13:49,669 --> 01:13:47,600

the phenomenon is giving us clues but i

1942

01:13:50,390 --> 01:13:49,679

don't think we're really picking it up i

1943

01:13:52,310 --> 01:13:50,400

don't

1944

01:13:53,590 --> 01:13:52,320

they say you know well this couldn't be

1945

01:13:56,229 --> 01:13:53,600

done by us therefore it's

1946

01:13:58,470 --> 01:13:56,239

extraterrestrial well maybe we're not

1947

01:14:01,030 --> 01:13:58,480

very sensitive and maybe there's a lot

1948

01:14:01,910 --> 01:14:01,040

more in earth that we don't understand

1949

01:14:04,229 --> 01:14:01,920

either

1950

01:14:05,030 --> 01:14:04,239

so i don't know if we really

1951

01:14:07,510 --> 01:14:05,040

know

1952

01:14:09,750 --> 01:14:07,520

anything about it except that

1953

01:14:11,110 --> 01:14:09,760

in my opinion it might involve mind

1954

01:14:13,830 --> 01:14:11,120

control

1955

01:14:16,149 --> 01:14:13,840

that's really interesting and

1956

01:14:18,310 --> 01:14:16,159

uh i've said a number of times lately it

1957

01:14:21,350 --> 01:14:18,320

seems that i do believe that we know

1958

01:14:24,390 --> 01:14:21,360

very little about what what is going on

1959

01:14:27,030 --> 01:14:24,400

uh around us now um i remember you said

1960

01:14:29,110 --> 01:14:27,040

it didn't make any sound and i know that

1961

01:14:31,350 --> 01:14:29,120

you and your sister were terrified and

1962

01:14:33,510 --> 01:14:31,360

ran down the stairs of actually fell

1963

01:14:35,830 --> 01:14:33,520

down the stairs when you're going down

1964

01:14:37,270 --> 01:14:35,840

um but one of the things i i don't think

1965

01:14:38,870 --> 01:14:37,280

you mentioned

1966

01:14:40,630 --> 01:14:38,880

did you ever see this thing actually

1967

01:14:43,270 --> 01:14:40,640

leave

1968

01:14:46,149 --> 01:14:43,280

we didn't i don't know how it came in

1969

01:14:48,070 --> 01:14:46,159

and it just seemed to disappear

1970

01:14:50,550 --> 01:14:48,080

uh we both became terrified and ran out

1971

01:14:51,910 --> 01:14:50,560

of the room so i

1972

01:14:53,910 --> 01:14:51,920

um

1973

01:14:55,669 --> 01:14:53,920

it i suppose it just disappeared i don't

1974

01:14:57,430 --> 01:14:55,679

know

1975

01:14:58,709 --> 01:14:57,440

and did you go back to that room that

1976

01:15:00,870 --> 01:14:58,719

night

1977

01:15:02,310 --> 01:15:00,880

yes my father said he would beat us up

1978

01:15:03,990 --> 01:15:02,320

if we didn't go back in the room our

1979

01:15:06,390 --> 01:15:04,000

parents didn't believe us

1980

01:15:07,910 --> 01:15:06,400

and so we both refused to budge even

1981

01:15:09,669 --> 01:15:07,920

though he threatened us

1982

01:15:11,189 --> 01:15:09,679

and finally my mother told him to go up

1983

01:15:12,790 --> 01:15:11,199

and look and he went up and look and

1984

01:15:15,270 --> 01:15:12,800

said there's nothing in there

1985

01:15:17,030 --> 01:15:15,280

and we very very reluctantly

1986

01:15:18,550 --> 01:15:17,040

back in the room we weren't thrilled

1987

01:15:20,310 --> 01:15:18,560

about it

1988

01:15:23,110 --> 01:15:20,320

but um

1989

01:15:26,310 --> 01:15:23,120

he turned on the light and

1990

01:15:29,510 --> 01:15:26,320

there wasn't anything there but um

1991

01:15:31,510 --> 01:15:29,520

it was still pretty scary

1992

01:15:33,990 --> 01:15:31,520

and i'm sure there were days that went

1993

01:15:35,030 --> 01:15:34,000

by where you kept like looking for this

1994

01:15:37,189 --> 01:15:35,040

thing and

1995

01:15:39,990 --> 01:15:37,199

uh probably didn't get a lot of sleep i

1996

01:15:43,270 --> 01:15:41,350

yeah and

1997

01:15:44,149 --> 01:15:43,280

another thing was kind of funny was is

1998

01:15:45,189 --> 01:15:44,159

that

1999

01:15:47,350 --> 01:15:45,199

um

2000

01:15:48,630 --> 01:15:47,360

my mother was a skeptic and she told us

2001

01:15:51,510 --> 01:15:48,640

that you know that didn't happen and

2002

01:15:53,270 --> 01:15:51,520

everything but many years later

2003

01:15:54,550 --> 01:15:53,280

the whole family remembered it believe

2004

01:15:56,229 --> 01:15:54,560

it or not

2005

01:15:58,630 --> 01:15:56,239

and many years later

2006

01:15:59,990 --> 01:15:58,640

when i reported ufos i asked her to

2007

01:16:00,790 --> 01:16:00,000

write it up

2008

01:16:02,950 --> 01:16:00,800

and

2009

01:16:05,830 --> 01:16:02,960

like i said she just had heard from us

2010

01:16:08,630 --> 01:16:05,840

but what she wrote up was that she said

2011

01:16:10,790 --> 01:16:08,640

something had come in through the window

2012

01:16:12,630 --> 01:16:10,800

and that we were terrified

2013

01:16:13,750 --> 01:16:12,640

and it flew then something came in

2014

01:16:15,430 --> 01:16:13,760

through the window then this little

2015

01:16:17,750 --> 01:16:15,440

thing flew around the room

2016

01:16:19,669 --> 01:16:17,760

and then when it stopped that we were i

2017

01:16:21,590 --> 01:16:19,679

mean that when it was flying around the

2018

01:16:23,590 --> 01:16:21,600

room we were terrified then we

2019

01:16:26,470 --> 01:16:23,600

ran out when it stopped

2020

01:16:28,390 --> 01:16:26,480

it was like something released our minds

2021

01:16:31,590 --> 01:16:28,400

and that wasn't what either of us

2022

01:16:33,510 --> 01:16:31,600

remembered but it was so funny because

2023

01:16:35,990 --> 01:16:33,520

she had an explanation for how the thing

2024

01:16:37,830 --> 01:16:36,000

got in the room and we had no idea how

2025

01:16:39,669 --> 01:16:37,840

it got in the room neither of us saw it

2026

01:16:41,990 --> 01:16:39,679

get in the room so it was a little bit

2027

01:16:44,310 --> 01:16:42,000

full of the whole thing

2028

01:16:48,790 --> 01:16:44,320

and can you give me your idea of what

2029

01:16:50,470 --> 01:16:48,800

you consider mind control would be

2030

01:16:52,070 --> 01:16:50,480

well in

2031

01:16:53,669 --> 01:16:52,080

that case

2032

01:16:56,790 --> 01:16:53,679

there were two of us and like if there

2033

01:16:58,310 --> 01:16:56,800

was just one of if i was there by myself

2034

01:17:00,470 --> 01:16:58,320

you know they would say this didn't

2035

01:17:03,430 --> 01:17:00,480

happen you dreamed it

2036

01:17:05,110 --> 01:17:03,440

but um in that case

2037

01:17:07,110 --> 01:17:05,120

my sister and i weren't communicating

2038

01:17:09,030 --> 01:17:07,120

with each other at all but we both

2039

01:17:11,270 --> 01:17:09,040

observed the same thing

2040

01:17:12,630 --> 01:17:11,280

and so it was like

2041

01:17:14,550 --> 01:17:12,640

um

2042

01:17:16,870 --> 01:17:14,560

there could have been some form of mind

2043

01:17:17,910 --> 01:17:16,880

control because we both saw the same

2044

01:17:21,590 --> 01:17:17,920

thing that was

2045

01:17:22,950 --> 01:17:21,600

sort of impossible what we saw in a way

2046

01:17:23,830 --> 01:17:22,960

in the same way

2047

01:17:29,189 --> 01:17:23,840

um

2048

01:17:33,030 --> 01:17:29,199

later when

2049

01:17:36,709 --> 01:17:34,630

there's

2050

01:17:39,830 --> 01:17:36,719

jenny randles wrote a book

2051
01:17:42,709 --> 01:17:39,840
that said that

2052
01:17:44,470 --> 01:17:42,719
kids sometimes see

2053
01:17:45,270 --> 01:17:44,480
small ufos in their bedroom and then

2054
01:17:47,590 --> 01:17:45,280
they

2055
01:17:49,669 --> 01:17:47,600
grow up later and see

2056
01:17:51,189 --> 01:17:49,679
large ufos

2057
01:17:53,430 --> 01:17:51,199
well that's sort of

2058
01:17:55,590 --> 01:17:53,440
that was written many many years after

2059
01:17:57,030 --> 01:17:55,600
that happened to us but that was kind of

2060
01:17:58,709 --> 01:17:57,040
what happened to us

2061
01:18:00,870 --> 01:17:58,719
except that there were two of us and

2062
01:18:03,510 --> 01:18:00,880
then all the other instances i know of

2063
01:18:04,950 --> 01:18:03,520

there was just one person at a time

2064

01:18:08,950 --> 01:18:04,960

so we both have

2065

01:18:09,750 --> 01:18:08,960

um you know independent another observer

2066

01:18:11,990 --> 01:18:09,760

but

2067

01:18:12,870 --> 01:18:12,000

what i just found out very recently

2068

01:18:15,030 --> 01:18:12,880

about

2069

01:18:17,510 --> 01:18:15,040

the um

2070

01:18:19,910 --> 01:18:17,520

the weird man

2071

01:18:22,229 --> 01:18:19,920

when we had that sighting was is that

2072

01:18:23,590 --> 01:18:22,239

i told you that he didn't he said he

2073

01:18:26,950 --> 01:18:23,600

didn't see it

2074

01:18:27,910 --> 01:18:26,960

and then he gave me like the crazy sign

2075

01:18:29,750 --> 01:18:27,920

well

2076

01:18:31,990 --> 01:18:29,760

my sister just a couple of months ago

2077

01:18:32,950 --> 01:18:32,000

found a letter that she wrote to my

2078

01:18:35,510 --> 01:18:32,960

mother

2079

01:18:37,750 --> 01:18:35,520

that happened

2080

01:18:41,510 --> 01:18:37,760

that she wrote to my mother

2081

01:18:43,750 --> 01:18:41,520

that day the next day after we got home

2082

01:18:46,149 --> 01:18:43,760

and i asked her

2083

01:18:48,390 --> 01:18:46,159

um what she thought that man

2084

01:18:51,110 --> 01:18:48,400

and she said she didn't see him

2085

01:18:53,350 --> 01:18:51,120

she knew she saw him chases

2086

01:18:55,430 --> 01:18:53,360

but when he was talking to me she said

2087

01:18:57,990 --> 01:18:55,440

he didn't she'd know he was there

2088

01:19:00,390 --> 01:18:58,000

and she wondered why i took so long to

2089

01:19:02,709 --> 01:19:00,400

get my camera ready and take a picture

2090

01:19:03,990 --> 01:19:02,719

and that was pretty scary because he was

2091

01:19:05,830 --> 01:19:04,000

saying they're pointing at his head and

2092

01:19:07,990 --> 01:19:05,840

saying i don't see this

2093

01:19:09,030 --> 01:19:08,000

and she apparently didn't know he was

2094

01:19:10,950 --> 01:19:09,040

there

2095

01:19:13,910 --> 01:19:10,960

now were you you were sitting inside the

2096

01:19:15,990 --> 01:19:13,920

car though right no we were

2097

01:19:21,350 --> 01:19:16,000

um when we saw the thing we both got out

2098

01:19:23,590 --> 01:19:21,360

of the car oh i got it and i um had a

2099

01:19:25,350 --> 01:19:23,600

camera with high speed film and i

2100

01:19:28,070 --> 01:19:25,360

grabbed the film and started loading the

2101
01:19:29,510 --> 01:19:28,080
camera and that's when the man came and

2102
01:19:33,430 --> 01:19:29,520
i was just ready to take this wonderful

2103
01:19:35,510 --> 01:19:33,440
picture and so he started talking to me

2104
01:19:38,790 --> 01:19:35,520
but um we were both standing behind the

2105
01:19:40,630 --> 01:19:38,800
car and he was standing beside me

2106
01:19:41,910 --> 01:19:40,640
but she apparently didn't know he was

2107
01:19:44,630 --> 01:19:41,920
there

2108
01:19:46,390 --> 01:19:44,640
and so that's pretty scary too and

2109
01:19:47,830 --> 01:19:46,400
makes you wonder especially since he was

2110
01:19:48,630 --> 01:19:47,840
pulling to his head

2111
01:19:50,630 --> 01:19:48,640
and

2112
01:19:52,870 --> 01:19:50,640
i thought she knew he was there but

2113
01:19:54,390 --> 01:19:52,880

apparently she didn't

2114

01:19:56,390 --> 01:19:54,400

wow

2115

01:19:57,270 --> 01:19:56,400

so

2116

01:19:59,669 --> 01:19:57,280

and

2117

01:20:02,070 --> 01:19:59,679

in that case you talk about memory well

2118

01:20:04,149 --> 01:20:02,080

like i was working for the dia then

2119

01:20:05,350 --> 01:20:04,159

i had a very high security clearance and

2120

01:20:07,830 --> 01:20:05,360

i was in

2121

01:20:10,229 --> 01:20:07,840

aircraft identification so i was sort of

2122

01:20:11,350 --> 01:20:10,239

qualified for having a ufo sighting in a

2123

01:20:13,750 --> 01:20:11,360

way

2124

01:20:16,870 --> 01:20:13,760

but i knew i couldn't report it then

2125

01:20:19,030 --> 01:20:16,880

but that night i wrote down everything

2126
01:20:21,030 --> 01:20:19,040
and i don't have to rely on my memory

2127
01:20:24,149 --> 01:20:21,040
because i just wrote down in detail

2128
01:20:27,430 --> 01:20:24,159
every little detail that happened

2129
01:20:30,070 --> 01:20:27,440
because i intended to report it sometime

2130
01:20:32,229 --> 01:20:30,080
well uh there's there's a guy that i met

2131
01:20:34,790 --> 01:20:32,239
of a

2132
01:20:36,790 --> 01:20:34,800
i think he's a filmographer and actually

2133
01:20:38,950 --> 01:20:36,800
doing something for warner brothers i

2134
01:20:40,310 --> 01:20:38,960
met him out and had a nice conversation

2135
01:20:42,229 --> 01:20:40,320
with him nice guy

2136
01:20:43,750 --> 01:20:42,239
um he's a friend of a friend dean

2137
01:20:45,350 --> 01:20:43,760
aliotto's friend

2138
01:20:47,270 --> 01:20:45,360

name is charlie and i'm sitting there in

2139

01:20:48,550 --> 01:20:47,280

newport beach had a long conversation

2140

01:20:50,870 --> 01:20:48,560

with him

2141

01:20:52,470 --> 01:20:50,880

but he'll he said something kind of

2142

01:20:54,310 --> 01:20:52,480

disturbing i actually want him on the

2143

01:20:55,750 --> 01:20:54,320

show because i like to have

2144

01:20:57,750 --> 01:20:55,760

people on the show they have different

2145

01:20:59,910 --> 01:20:57,760

opinions

2146

01:21:02,310 --> 01:20:59,920

he doesn't here he is he thinks there's

2147

01:21:04,629 --> 01:21:02,320

something definitely to the abduction

2148

01:21:06,070 --> 01:21:04,639

uh you know what is happening in

2149

01:21:08,470 --> 01:21:06,080

abductions

2150

01:21:10,709 --> 01:21:08,480

but he doesn't think there's anything

2151
01:21:11,750 --> 01:21:10,719
solid out there for ufos

2152
01:21:13,430 --> 01:21:11,760
and

2153
01:21:16,310 --> 01:21:13,440
one of the things he said

2154
01:21:18,790 --> 01:21:16,320
that no person out there is a better

2155
01:21:20,390 --> 01:21:18,800
observer than another i said well what

2156
01:21:22,629 --> 01:21:20,400
about an astronaut he said no i said

2157
01:21:25,830 --> 01:21:22,639
what about in the military he said no

2158
01:21:28,870 --> 01:21:25,840
and he went on and on about that so i'm

2159
01:21:34,149 --> 01:21:28,880
asking you do you think you are a better

2160
01:21:37,590 --> 01:21:35,510
um

2161
01:21:39,189 --> 01:21:37,600
i think probably

2162
01:21:44,310 --> 01:21:39,199
that

2163
01:21:45,270 --> 01:21:44,320

are evenly distributed around in the

2164

01:21:46,870 --> 01:21:45,280

people

2165

01:21:48,470 --> 01:21:46,880

but that

2166

01:21:51,270 --> 01:21:48,480

scientists are more inhibited from

2167

01:21:54,390 --> 01:21:51,280

talking about than other people

2168

01:21:56,550 --> 01:21:54,400

or a lot of you know people in authority

2169

01:21:59,189 --> 01:21:56,560

and things because they would get more

2170

01:22:01,830 --> 01:21:59,199

trouble if they talked about it

2171

01:22:04,470 --> 01:22:01,840

and so i think probably scientists see

2172

01:22:05,990 --> 01:22:04,480

as many ufos as anybody else

2173

01:22:07,350 --> 01:22:06,000

but um

2174

01:22:09,669 --> 01:22:07,360

and i think

2175

01:22:11,189 --> 01:22:09,679

you know

2176

01:22:14,149 --> 01:22:11,199

like when this happened to me i wrote

2177

01:22:16,709 --> 01:22:14,159

everything down to make sure i had it

2178

01:22:18,310 --> 01:22:16,719

so that i could report it later

2179

01:22:21,110 --> 01:22:18,320

um

2180

01:22:22,870 --> 01:22:21,120

but i think you know it depends on your

2181

01:22:26,310 --> 01:22:22,880

eyesight and your memory and everything

2182

01:22:28,229 --> 01:22:26,320

else but i think it's i've said this on

2183

01:22:29,430 --> 01:22:28,239

the show before i think it's very

2184

01:22:30,709 --> 01:22:29,440

important

2185

01:22:32,709 --> 01:22:30,719

i was kind of surprised that my friend

2186

01:22:34,470 --> 01:22:32,719

did this immediately wrote something

2187

01:22:36,310 --> 01:22:34,480

down about it like you just said i think

2188

01:22:39,110 --> 01:22:36,320

that's very important freshen your

2189

01:22:41,270 --> 01:22:39,120

memory and doing it right then

2190

01:22:43,030 --> 01:22:41,280

yeah because i don't have to worry about

2191

01:22:45,430 --> 01:22:43,040

whether i'm

2192

01:22:46,390 --> 01:22:45,440

right now because i wrote it down right

2193

01:22:48,070 --> 01:22:46,400

then

2194

01:22:51,189 --> 01:22:48,080

and you know

2195

01:22:55,990 --> 01:22:51,199

if i had errors back then i had them but

2196

01:22:58,709 --> 01:22:56,000

um i wrote it down that next night

2197

01:23:00,470 --> 01:22:58,719

and if we could can you go over

2198

01:23:02,470 --> 01:23:00,480

i know we're not talking exactly like we

2199

01:23:04,310 --> 01:23:02,480

were before we went into break here but

2200

01:23:06,950 --> 01:23:04,320

could you please go over

2201

01:23:09,910 --> 01:23:06,960

the um details of that of that

2202

01:23:10,720 --> 01:23:09,920

particular sighting and what you saw

2203

01:23:12,310 --> 01:23:10,730

yeah um

2204

01:23:13,110 --> 01:23:12,320

[Music]

2205

01:23:15,669 --> 01:23:13,120

uh

2206

01:23:17,910 --> 01:23:15,679

my sister and i were in our 20s then

2207

01:23:19,990 --> 01:23:17,920

and we had never talked about ufos

2208

01:23:21,350 --> 01:23:20,000

because our parents were

2209

01:23:23,510 --> 01:23:21,360

and everybody else you weren't supposed

2210

01:23:24,790 --> 01:23:23,520

to talk about things like that

2211

01:23:26,629 --> 01:23:24,800

but we

2212

01:23:28,229 --> 01:23:26,639

were both on the eastern seacoast i was

2213

01:23:30,550 --> 01:23:28,239

working for the dia

2214

01:23:32,390 --> 01:23:30,560

and she was

2215

01:23:37,750 --> 01:23:32,400

in

2216

01:23:39,669 --> 01:23:37,760

graduate courses or

2217

01:23:41,350 --> 01:23:39,679

more advanced courses

2218

01:23:43,350 --> 01:23:41,360

and we decided to go and see the new

2219

01:23:44,950 --> 01:23:43,360

england stage just for a

2220

01:23:46,390 --> 01:23:44,960

trip

2221

01:23:48,950 --> 01:23:46,400

vacation

2222

01:23:49,990 --> 01:23:48,960

and went up and we were going to stay in

2223

01:23:54,870 --> 01:23:50,000

boston

2224

01:23:57,270 --> 01:23:54,880

daylight so i went up to new hampshire

2225

01:23:58,790 --> 01:23:57,280

and drove around there a while and

2226

01:24:06,229 --> 01:23:58,800

interesting enough i think we were in

2227

01:24:06,239 --> 01:24:09,350

that abduction

2228

01:24:14,229 --> 01:24:12,390

in new hampshire took place but anyway

2229

01:24:16,390 --> 01:24:14,239

betty and barney hill yeah that's what i

2230

01:24:18,070 --> 01:24:16,400

meant to say i'm sorry and

2231

01:24:20,790 --> 01:24:18,080

then we came back

2232

01:24:22,709 --> 01:24:20,800

and it was dark

2233

01:24:24,870 --> 01:24:22,719

and we were going to stay in

2234

01:24:26,390 --> 01:24:24,880

boston and i looked around and i

2235

01:24:28,310 --> 01:24:26,400

couldn't find a place to stay everything

2236

01:24:29,990 --> 01:24:28,320

was crowded so i was going to drive out

2237

01:24:31,510 --> 01:24:30,000

to the

2238

01:24:33,590 --> 01:24:31,520

outer butt look around

2239

01:24:35,830 --> 01:24:33,600

and i was driving out

2240

01:24:39,830 --> 01:24:35,840

and

2241

01:24:42,149 --> 01:24:39,840

south of us we could see

2242

01:24:44,229 --> 01:24:42,159

an airport i think it was norwood

2243

01:24:46,870 --> 01:24:44,239

memorial airport and we could see

2244

01:24:48,550 --> 01:24:46,880

airplanes coming in and

2245

01:24:49,830 --> 01:24:48,560

um landing and things and they would

2246

01:24:53,030 --> 01:24:49,840

come in with their

2247

01:24:54,550 --> 01:24:53,040

red and green uh wing lights and their

2248

01:24:56,229 --> 01:24:54,560

landing lights and everything we were

2249

01:24:59,110 --> 01:24:56,239

watching them there was this thing that

2250

01:25:00,709 --> 01:24:59,120

was a whole lot lower was real white and

2251

01:25:03,270 --> 01:25:00,719

blinking

2252

01:25:05,430 --> 01:25:03,280

and my sister started saying

2253

01:25:08,070 --> 01:25:05,440

she thought this was a ufo

2254

01:25:09,590 --> 01:25:08,080

and i started saying oh you're crazy

2255

01:25:11,990 --> 01:25:09,600

and i kept telling her it was a

2256

01:25:13,910 --> 01:25:12,000

helicopter and we were arguing about

2257

01:25:16,229 --> 01:25:13,920

both of us at that time admitted to each

2258

01:25:17,990 --> 01:25:16,239

other that we'd seen ufos which is

2259

01:25:19,990 --> 01:25:18,000

something we didn't talk about

2260

01:25:21,910 --> 01:25:20,000

but anyway um

2261

01:25:23,910 --> 01:25:21,920

then i kept on driving and we were kind

2262

01:25:26,470 --> 01:25:23,920

of arguing about it

2263

01:25:29,590 --> 01:25:26,480

and i got on the um outer belt and came

2264

01:25:32,790 --> 01:25:29,600

on down to route 95

2265

01:25:34,550 --> 01:25:32,800

and there was a woods uh to the west of

2266

01:25:37,030 --> 01:25:34,560

us

2267

01:25:39,030 --> 01:25:37,040

and i saw this

2268

01:25:42,149 --> 01:25:39,040

ball

2269

01:25:43,270 --> 01:25:42,159

um it was like glass it had

2270

01:25:44,950 --> 01:25:43,280

uh

2271

01:25:47,110 --> 01:25:44,960

a light inside of it that was going

2272

01:25:49,910 --> 01:25:47,120

through a spectrum of all shades of

2273

01:25:52,709 --> 01:25:49,920

green of all shades of

2274

01:25:54,629 --> 01:25:52,719

um blue and all shades of red and all

2275

01:25:55,430 --> 01:25:54,639

kinds of shades red and blue and then

2276

01:25:56,709 --> 01:25:55,440

red

2277

01:25:58,629 --> 01:25:56,719

and i couldn't figure out what on earth

2278

01:26:00,950 --> 01:25:58,639

this was

2279

01:26:05,350 --> 01:26:04,229

the inside of the car lit up in green

2280

01:26:06,790 --> 01:26:05,360

and i couldn't figure out what was

2281

01:26:08,390 --> 01:26:06,800

happening

2282

01:26:09,750 --> 01:26:08,400

i looked around there was no green any

2283

01:26:11,750 --> 01:26:09,760

place else and the only place i could

2284

01:26:14,550 --> 01:26:11,760

think it could come from was this ball

2285

01:26:15,590 --> 01:26:14,560

of light and it wasn't green

2286

01:26:23,510 --> 01:26:15,600

and

2287

01:26:25,030 --> 01:26:23,520

was close to the ground

2288

01:26:28,310 --> 01:26:25,040

it was some distance away and it was in

2289

01:26:30,070 --> 01:26:28,320

the woods so the green light left the

2290

01:26:31,910 --> 01:26:30,080

edge the inside of the car just lit up

2291

01:26:35,189 --> 01:26:31,920

for a while and then it wasn't green

2292

01:26:36,629 --> 01:26:35,199

anymore and we kept on driving

2293

01:26:38,709 --> 01:26:36,639

um

2294

01:26:41,110 --> 01:26:38,719

and then my sister started yelling at me

2295

01:26:41,990 --> 01:26:41,120

to pull over because she said

2296

01:26:43,990 --> 01:26:42,000

this

2297

01:26:45,189 --> 01:26:44,000

light we'd been watching which was a

2298

01:26:47,750 --> 01:26:45,199

different light

2299

01:26:50,629 --> 01:26:47,760

was gonna go across the road

2300

01:26:52,550 --> 01:26:50,639

and so anyway she started yelling at me

2301

01:26:54,870 --> 01:26:52,560

and so finally i pulled over

2302

01:26:56,950 --> 01:26:54,880

and i was going to say i was going to

2303

01:26:59,590 --> 01:26:56,960

point my hand out the window and say

2304

01:27:02,550 --> 01:26:59,600

dingbat see it's a helicopter

2305

01:27:04,950 --> 01:27:02,560

and i pointed my hand out and i saw

2306

01:27:07,030 --> 01:27:04,960

a um

2307

01:27:09,110 --> 01:27:07,040

a meteor way off

2308

01:27:11,270 --> 01:27:09,120

and apparently in my sister's write-up

2309

01:27:13,030 --> 01:27:11,280

she said that at that time that the

2310

01:27:13,910 --> 01:27:13,040

inside of the car lit up and that she

2311

01:27:15,590 --> 01:27:13,920

thought

2312

01:27:17,669 --> 01:27:15,600

the big object had

2313

01:27:19,990 --> 01:27:17,679

shown a light in our car

2314

01:27:21,910 --> 01:27:20,000

which i didn't see but then i was on the

2315

01:27:22,870 --> 01:27:21,920

uh by the window too

2316

01:27:26,390 --> 01:27:22,880

and so

2317

01:27:28,790 --> 01:27:26,400

um the thing came over the road and

2318

01:27:29,750 --> 01:27:28,800

i realized that she was right and i was

2319

01:27:30,950 --> 01:27:29,760

wrong

2320

01:27:33,350 --> 01:27:30,960

it was a

2321

01:27:35,990 --> 01:27:33,360

we could see it real plain it was it had

2322

01:27:37,910 --> 01:27:36,000

like it had seven windows

2323

01:27:41,030 --> 01:27:37,920

and they blinked in a sequence like the

2324

01:27:43,270 --> 01:27:41,040

first three it went twice and then it

2325

01:27:44,550 --> 01:27:43,280

all blinked and then the last four blink

2326
01:27:45,590 --> 01:27:44,560
once and then to go through the cycle

2327
01:27:46,950 --> 01:27:45,600
again

2328
01:27:48,790 --> 01:27:46,960
they were big

2329
01:27:50,950 --> 01:27:48,800
square windows

2330
01:27:53,990 --> 01:27:50,960
and we asked each other

2331
01:27:55,030 --> 01:27:54,000
is this a blimp with lighted sides

2332
01:27:57,590 --> 01:27:55,040
and

2333
01:27:59,510 --> 01:27:57,600
no because um it didn't look anything

2334
01:28:01,270 --> 01:27:59,520
like it had we'd seen blimps with

2335
01:28:03,430 --> 01:28:01,280
lighted sides

2336
01:28:05,430 --> 01:28:03,440
and this was soundless it was going very

2337
01:28:07,350 --> 01:28:05,440
slow it had one

2338
01:28:09,110 --> 01:28:07,360

red light on one end it was real small

2339

01:28:11,350 --> 01:28:09,120

and non-blinking and one

2340

01:28:12,790 --> 01:28:11,360

green light on the other end it made no

2341

01:28:16,229 --> 01:28:12,800

sound at all

2342

01:28:17,270 --> 01:28:16,239

and we could see it real plain

2343

01:28:19,590 --> 01:28:17,280

um

2344

01:28:20,550 --> 01:28:19,600

and that's so i started loading my

2345

01:28:23,669 --> 01:28:20,560

camera

2346

01:28:25,350 --> 01:28:23,679

because i was in photography for the dia

2347

01:28:26,310 --> 01:28:25,360

and i thought this would make amazing

2348

01:28:28,390 --> 01:28:26,320

shot

2349

01:28:30,149 --> 01:28:28,400

because not only does it look like we're

2350

01:28:31,270 --> 01:28:30,159

seeing the inside of the thing if i

2351
01:28:33,110 --> 01:28:31,280
could get

2352
01:28:34,590 --> 01:28:33,120
like um

2353
01:28:36,470 --> 01:28:34,600
several shots in stereo

2354
01:28:38,149 --> 01:28:36,480
[Music]

2355
01:28:40,790 --> 01:28:38,159
maybe i could

2356
01:28:42,629 --> 01:28:40,800
sort of improve ufos exist or something

2357
01:28:44,950 --> 01:28:42,639
i couldn't but you know i thought i

2358
01:28:46,470 --> 01:28:44,960
could get a wonderful picture

2359
01:28:47,669 --> 01:28:46,480
well that's when the truck driver came

2360
01:28:49,110 --> 01:28:47,679
up just when i was ready to get the

2361
01:28:52,470 --> 01:28:49,120
picture

2362
01:28:54,790 --> 01:28:52,480
and started asking me what are you doing

2363
01:28:57,430 --> 01:28:54,800

and interrupted well

2364

01:28:58,950 --> 01:28:57,440

he laughed and i had missed a real good

2365

01:29:00,550 --> 01:28:58,960

picture

2366

01:29:02,709 --> 01:29:00,560

and the thing went over the airport and

2367

01:29:05,590 --> 01:29:02,719

it started circling and it would

2368

01:29:07,990 --> 01:29:05,600

it blinked twice going north and then

2369

01:29:11,990 --> 01:29:08,000

from north to south it goes so fast you

2370

01:29:13,350 --> 01:29:12,000

couldn't see it and then

2371

01:29:15,830 --> 01:29:13,360

i wanted to get the picture but i was

2372

01:29:19,030 --> 01:29:15,840

afraid of lens flares because i was on a

2373

01:29:19,990 --> 01:29:19,040

freeway and so i ran up a hill beside

2374

01:29:21,910 --> 01:29:20,000

the car

2375

01:29:23,189 --> 01:29:21,920

and i got a picture and

2376

01:29:26,229 --> 01:29:23,199

it

2377

01:29:27,270 --> 01:29:26,239

picture later

2378

01:29:28,870 --> 01:29:27,280

but i

2379

01:29:31,110 --> 01:29:28,880

uh wrote that up and published a

2380

01:29:33,750 --> 01:29:31,120

scientific paper and

2381

01:29:35,590 --> 01:29:33,760

what i thought was is that

2382

01:29:37,669 --> 01:29:35,600

this object had

2383

01:29:38,629 --> 01:29:37,679

um was shining a light that wasn't in

2384

01:29:41,669 --> 01:29:38,639

the

2385

01:29:42,629 --> 01:29:41,679

uh visible range and i had evidence for

2386

01:29:44,149 --> 01:29:42,639

that

2387

01:29:46,070 --> 01:29:44,159

but anyway then

2388

01:29:47,430 --> 01:29:46,080

the um

2389

01:29:50,070 --> 01:29:47,440

like i said

2390

01:29:52,790 --> 01:29:50,080

the truck driver chased us

2391

01:29:53,510 --> 01:29:52,800

and then um after i got rid of the truck

2392

01:29:55,830 --> 01:29:53,520

i

2393

01:29:56,629 --> 01:29:55,840

drove on back up

2394

01:29:59,590 --> 01:29:56,639

the

2395

01:30:02,229 --> 01:29:59,600

object started going northwest

2396

01:30:04,470 --> 01:30:02,239

and i was trying to follow it

2397

01:30:07,030 --> 01:30:04,480

and i went past that light in the woods

2398

01:30:09,189 --> 01:30:07,040

again the inside of the car lit up in

2399

01:30:12,629 --> 01:30:09,199

green again and finally i was just on

2400

01:30:13,990 --> 01:30:12,639

this real old bad gravel road that was

2401
01:30:15,750 --> 01:30:14,000
um

2402
01:30:16,629 --> 01:30:15,760
had all kinds of potholes and the houses

2403
01:30:18,070 --> 01:30:16,639
were

2404
01:30:20,229 --> 01:30:18,080
miles apart

2405
01:30:21,910 --> 01:30:20,239
and everything and i couldn't catch up

2406
01:30:23,189 --> 01:30:21,920
thing and finally i just gave up and

2407
01:30:24,950 --> 01:30:23,199
turned around

2408
01:30:27,350 --> 01:30:24,960
and came back

2409
01:30:29,830 --> 01:30:27,360
and then the next night i went

2410
01:30:32,390 --> 01:30:29,840
back to washington

2411
01:30:35,910 --> 01:30:32,400
i had a poltergeist experience

2412
01:30:39,189 --> 01:30:35,920
that night um

2413
01:30:40,790 --> 01:30:39,199

and so that was it was a very long

2414

01:30:43,189 --> 01:30:40,800

um

2415

01:30:46,390 --> 01:30:43,199

ufo experience

2416

01:30:47,830 --> 01:30:46,400

okay well if you think i'm gonna let you

2417

01:30:49,430 --> 01:30:47,840

get away without telling your

2418

01:30:51,270 --> 01:30:49,440

poltergeist story

2419

01:30:52,550 --> 01:30:51,280

you're wrong i'm gonna have to hear that

2420

01:30:54,870 --> 01:30:52,560

too

2421

01:30:56,390 --> 01:30:54,880

well i was in science and i never heard

2422

01:30:57,830 --> 01:30:56,400

of poltergeist and i didn't know

2423

01:31:03,510 --> 01:30:57,840

anything about it but

2424

01:31:06,709 --> 01:31:04,550

i went to

2425

01:31:08,390 --> 01:31:06,719

bed and it was dark

2426

01:31:10,390 --> 01:31:08,400

and i kept hearing

2427

01:31:13,110 --> 01:31:10,400

something like a man with

2428

01:31:15,189 --> 01:31:13,120

shoes on walking in the room and he'd be

2429

01:31:17,189 --> 01:31:15,199

someplace and walk a few steps and stop

2430

01:31:18,870 --> 01:31:17,199

and then be someplace else there was a

2431

01:31:20,870 --> 01:31:18,880

little bit of light coming through the

2432

01:31:22,229 --> 01:31:20,880

window from street lights i couldn't see

2433

01:31:24,950 --> 01:31:22,239

anybody

2434

01:31:27,030 --> 01:31:24,960

and if you got close to the

2435

01:31:28,629 --> 01:31:27,040

bed i'd try to feel it and i was

2436

01:31:30,790 --> 01:31:28,639

terrified

2437

01:31:33,030 --> 01:31:30,800

but i went to sleep

2438

01:31:34,709 --> 01:31:33,040

then the alarm went off and i thought it

2439

01:31:37,350 --> 01:31:34,719

was morning i got up and i was going to

2440

01:31:40,950 --> 01:31:37,360

fix breakfast and i realized it was dark

2441

01:31:43,030 --> 01:31:40,960

i looked at the time and it was 1 30.

2442

01:31:45,990 --> 01:31:43,040

and so anyway i had this alarm clock

2443

01:31:49,510 --> 01:31:46,000

with a broken off knob and i couldn't

2444

01:31:53,430 --> 01:31:49,520

turn it to adjust it very well i just if

2445

01:31:55,189 --> 01:31:53,440

i did it by hand i did it with

2446

01:31:57,350 --> 01:31:55,199

just plus or minus 15 minutes or

2447

01:31:59,830 --> 01:31:57,360

something i usually use the pliers to do

2448

01:32:02,310 --> 01:31:59,840

it and so anyway i tried to adjust it to

2449

01:32:03,110 --> 01:32:02,320

the time i'd get up

2450

01:32:05,669 --> 01:32:03,120

and

2451

01:32:07,990 --> 01:32:05,679

i was terrified

2452

01:32:10,229 --> 01:32:08,000

and i went back to sleep

2453

01:32:12,070 --> 01:32:10,239

and the alarm went off again

2454

01:32:14,709 --> 01:32:12,080

and each time i turned on the light and

2455

01:32:17,030 --> 01:32:14,719

it was like 100 watt bulb

2456

01:32:19,110 --> 01:32:17,040

and it was 2 30 right on the dot

2457

01:32:21,590 --> 01:32:19,120

well the light i went back to sleep i

2458

01:32:23,030 --> 01:32:21,600

think i put a chair against the door

2459

01:32:27,350 --> 01:32:23,040

which wouldn't have done any good if i

2460

01:32:30,550 --> 01:32:27,360

was somebody in the room anyway and um

2461

01:32:32,790 --> 01:32:30,560

it went off at 2 30 3 30 4 30 i think 5

2462

01:32:35,270 --> 01:32:32,800

30

2463

01:32:37,430 --> 01:32:35,280

and i was very seriously worried because

2464

01:32:39,669 --> 01:32:37,440

i didn't know what was going on

2465

01:32:41,830 --> 01:32:39,679

and i had this high security clearance

2466

01:32:43,350 --> 01:32:41,840

and here the slightest bit crazy you're

2467

01:32:45,750 --> 01:32:43,360

out of your job

2468

01:32:47,590 --> 01:32:45,760

and i thought you know if i'm going if i

2469

01:32:48,629 --> 01:32:47,600

went crazy

2470

01:32:50,310 --> 01:32:48,639

well

2471

01:32:52,470 --> 01:32:50,320

i'd lose my job and i'd be out you know

2472

01:32:55,270 --> 01:32:52,480

with a cup on the road or something

2473

01:32:57,430 --> 01:32:55,280

um begging and

2474

01:33:00,790 --> 01:32:57,440

um so i was trying to figure out how to

2475

01:33:03,270 --> 01:33:00,800

hot disguise insanity at work and how to

2476

01:33:05,189 --> 01:33:03,280

not talk to anybody

2477

01:33:06,870 --> 01:33:05,199

so um

2478

01:33:10,149 --> 01:33:06,880

then for some reason my toothbrush just

2479

01:33:12,310 --> 01:33:10,159

flew across the room and hit the wall

2480

01:33:14,070 --> 01:33:12,320

then i got up and

2481

01:33:16,149 --> 01:33:14,080

went to work and everything was normal

2482

01:33:18,310 --> 01:33:16,159

the rest of my life so

2483

01:33:20,950 --> 01:33:18,320

i found out about poltergeists and then

2484

01:33:23,030 --> 01:33:20,960

i found out later that people have ufo

2485

01:33:25,590 --> 01:33:23,040

experiences sometimes has poltergeist

2486

01:33:27,510 --> 01:33:25,600

experiences at the same time

2487

01:33:28,950 --> 01:33:27,520

so

2488

01:33:32,149 --> 01:33:28,960

pretty amazing and that was one of the

2489

01:33:35,110 --> 01:33:32,159

questions that i had um i had

2490

01:33:37,110 --> 01:33:35,120

what i guess i would call a poltergeist

2491

01:33:39,189 --> 01:33:37,120

experience i've never really figured out

2492

01:33:41,030 --> 01:33:39,199

it was something that made things happen

2493

01:33:42,870 --> 01:33:41,040

in a house that i was cleaning out you

2494

01:33:44,310 --> 01:33:42,880

know after picking things up for an

2495

01:33:46,629 --> 01:33:44,320

auction

2496

01:33:48,310 --> 01:33:46,639

that things actually really did happen i

2497

01:33:51,110 --> 01:33:48,320

actually witnessed them

2498

01:33:53,830 --> 01:33:51,120

and uh but i hadn't had a ufo experience

2499

01:33:55,189 --> 01:33:53,840

until you know many years after you know

2500

01:33:57,830 --> 01:33:55,199

uh

2501

01:33:59,189 --> 01:33:57,840

20 years after or something like that

2502

01:34:00,629 --> 01:33:59,199

but um you know that was one of the

2503

01:34:03,270 --> 01:34:00,639

questions that just popped up in the

2504

01:34:05,030 --> 01:34:03,280

chat was if you thought there may be a

2505

01:34:07,430 --> 01:34:05,040

connection there i do want to let

2506

01:34:09,030 --> 01:34:07,440

everyone know that you can call in and

2507

01:34:11,030 --> 01:34:09,040

ask our guest a question that phone

2508

01:34:13,030 --> 01:34:11,040

number's up on the screen eight five

2509

01:34:16,229 --> 01:34:13,040

five four seven two five four eight

2510

01:34:19,830 --> 01:34:16,239

three and bill skywalker watcher is uh

2511

01:34:21,910 --> 01:34:19,840

standing by to uh screen your call so uh

2512

01:34:23,189 --> 01:34:21,920

call in if you'd like and ask our guests

2513

01:34:26,229 --> 01:34:23,199

a question

2514

01:34:28,950 --> 01:34:26,239

so uh obviously you know that happened

2515

01:34:30,790 --> 01:34:28,960

the same night that is totally bizarre

2516

01:34:33,669 --> 01:34:30,800

but i want to talk to you

2517

01:34:35,910 --> 01:34:33,679

how did you handle this thing happening

2518

01:34:37,030 --> 01:34:35,920

you had this high position job high

2519

01:34:39,189 --> 01:34:37,040

security

2520

01:34:41,910 --> 01:34:39,199

and uh obviously you didn't talk about

2521

01:34:43,109 --> 01:34:41,920

it at work but did you talk about it to

2522

01:34:45,350 --> 01:34:43,119

friends or

2523

01:34:49,189 --> 01:34:45,360

family members besides your sister or

2524

01:34:53,270 --> 01:34:51,910

i thought about reporting it and

2525

01:34:55,430 --> 01:34:53,280

i looked up

2526

01:34:56,310 --> 01:34:55,440

ufo i didn't know anything about ufos

2527

01:34:58,149 --> 01:34:56,320

then

2528

01:35:00,470 --> 01:34:58,159

i looked up ufo in the phone directory

2529

01:35:01,189 --> 01:35:00,480

and found a number to call for ufos it

2530

01:35:03,510 --> 01:35:01,199

was

2531

01:35:05,189 --> 01:35:03,520

nycap i found out later

2532

01:35:07,270 --> 01:35:05,199

and

2533

01:35:08,870 --> 01:35:07,280

went to a

2534

01:35:11,510 --> 01:35:08,880

pay phone

2535

01:35:13,109 --> 01:35:11,520

and reported it but i didn't give my

2536

01:35:14,709 --> 01:35:13,119

name or anything because

2537

01:35:16,629 --> 01:35:14,719

i was afraid of

2538

01:35:17,669 --> 01:35:16,639

you know it might get back to the dia so

2539

01:35:20,550 --> 01:35:17,679

i didn't want

2540

01:35:22,550 --> 01:35:20,560

any information and it turned out that's

2541

01:35:25,109 --> 01:35:22,560

probably smart because like i think you

2542

01:35:26,950 --> 01:35:25,119

said maybe not cap had something to do

2543

01:35:29,270 --> 01:35:26,960

with the cia

2544

01:35:30,550 --> 01:35:29,280

and so i i reported it but i didn't give

2545

01:35:32,709 --> 01:35:30,560

my name so it wouldn't have been

2546

01:35:34,470 --> 01:35:32,719

official report or anything

2547

01:35:36,070 --> 01:35:34,480

but another thing funny that happened

2548

01:35:38,790 --> 01:35:36,080

was is that

2549

01:35:40,870 --> 01:35:38,800

i was pretty upset about it

2550

01:35:44,149 --> 01:35:40,880

and of course i didn't say i see ufos at

2551

01:35:47,030 --> 01:35:44,159

work but i just sometime

2552

01:35:49,590 --> 01:35:47,040

around you know a little bit later

2553

01:35:51,990 --> 01:35:49,600

i was in air ordered battle and we were

2554

01:35:54,070 --> 01:35:52,000

identifying airplanes

2555

01:35:56,390 --> 01:35:54,080

and i just mentioned something about oh

2556

01:35:58,229 --> 01:35:56,400

i read something about ufos in the net

2557

01:36:01,350 --> 01:35:58,239

paper or something and i thought

2558

01:36:03,669 --> 01:36:01,360

everybody start harassing me immediately

2559

01:36:05,750 --> 01:36:03,679

and they didn't my two supervisors said

2560

01:36:07,830 --> 01:36:05,760

that they had

2561

01:36:09,030 --> 01:36:07,840

reported a ufo

2562

01:36:10,950 --> 01:36:09,040

on our

2563

01:36:12,229 --> 01:36:10,960

classified film

2564

01:36:13,990 --> 01:36:12,239

and they had reported to their

2565

01:36:17,189 --> 01:36:14,000

supervisor

2566

01:36:19,750 --> 01:36:17,199

and they showed it to me and i saw

2567

01:36:22,790 --> 01:36:19,760

and they said their supervisor had

2568

01:36:24,470 --> 01:36:22,800

told him that it was a spot on the film

2569

01:36:26,550 --> 01:36:24,480

and it obviously wasn't because it was

2570

01:36:28,709 --> 01:36:26,560

on two different photographs so it

2571

01:36:30,790 --> 01:36:28,719

wasn't the spot on the film but they

2572

01:36:33,109 --> 01:36:30,800

said that their supervisors gave them

2573

01:36:33,990 --> 01:36:33,119

this real funny answer

2574

01:36:37,350 --> 01:36:34,000

that

2575

01:36:38,950 --> 01:36:37,360

it was a spot on the film and nothing

2576

01:36:40,390 --> 01:36:38,960

and they were both

2577

01:36:44,470 --> 01:36:40,400

surprised about that and i would be

2578

01:36:47,109 --> 01:36:44,480

pleased that they were that open-minded

2579

01:36:49,910 --> 01:36:47,119

right i mean that that's actually good

2580

01:36:53,270 --> 01:36:49,920

to hear uh we have uh we have a caller

2581

01:36:55,430 --> 01:36:53,280

we have ken on hold from massachusetts

2582

01:36:57,510 --> 01:36:55,440

ken you are live on the air welcome to

2583

01:36:59,590 --> 01:36:57,520

the show

2584

01:37:03,189 --> 01:36:59,600

thank you and it's a fascinating show

2585

01:37:05,270 --> 01:37:03,199

and um thank you dr scott for this um

2586

01:37:08,390 --> 01:37:05,280

show tonight and i think it's a

2587

01:37:09,430 --> 01:37:08,400

fascinating case the pesky uh peskaluga

2588

01:37:13,109 --> 01:37:09,440

case

2589

01:37:15,109 --> 01:37:13,119

my question is it's really uh weird how

2590

01:37:16,950 --> 01:37:15,119

it's a very believable case they had a

2591

01:37:19,350 --> 01:37:16,960

secret recording and the police were

2592

01:37:21,510 --> 01:37:19,360

interviewing them it's just strange how

2593

01:37:23,510 --> 01:37:21,520

those creatures that brought them the

2594

01:37:25,430 --> 01:37:23,520

robotic like creatures

2595

01:37:27,510 --> 01:37:25,440

never show up again in any other

2596

01:37:29,750 --> 01:37:27,520

encounters and that always blows my mind

2597

01:37:32,070 --> 01:37:29,760

because it's very credible case and then

2598

01:37:35,350 --> 01:37:32,080

it's never seen again what's your

2599

01:37:37,270 --> 01:37:35,360

opinion on that

2600

01:37:39,350 --> 01:37:37,280

i well

2601

01:37:40,629 --> 01:37:39,360

they're not um

2602

01:37:42,870 --> 01:37:40,639

saying something that agrees with the

2603

01:37:44,390 --> 01:37:42,880

media because if they did they'd

2604

01:37:47,350 --> 01:37:44,400

probably describe what everybody else

2605

01:37:49,270 --> 01:37:47,360

describes so it makes me

2606

01:37:51,590 --> 01:37:49,280

think more than ever that they're

2607

01:37:53,830 --> 01:37:51,600

sincere because they have the nerve to

2608

01:37:54,629 --> 01:37:53,840

describe something different

2609

01:37:55,830 --> 01:37:54,639

and

2610

01:37:57,270 --> 01:37:55,840

um

2611

01:37:59,350 --> 01:37:57,280

you know i sort of wonder about mind

2612

01:38:00,790 --> 01:37:59,360

control all these people see all kinds

2613

01:38:02,870 --> 01:38:00,800

of different things and they say well

2614

01:38:05,430 --> 01:38:02,880

these are different species and things

2615

01:38:06,870 --> 01:38:05,440

but it may be that

2616

01:38:09,109 --> 01:38:06,880

whatever it is that they put these

2617

01:38:13,189 --> 01:38:09,119

pictures in their minds of in people's

2618

01:38:17,590 --> 01:38:14,830

that's an interesting

2619

01:38:19,669 --> 01:38:17,600

thought anything else can thank you very

2620

01:38:20,950 --> 01:38:19,679

much no that was it i just wanted

2621

01:38:23,430 --> 01:38:20,960

because that was a really you know it's

2622

01:38:25,510 --> 01:38:23,440

such a very fascinating case and very

2623

01:38:27,510 --> 01:38:25,520

believable and it just it was just

2624

01:38:29,350 --> 01:38:27,520

strange always you know usually people

2625

01:38:32,149 --> 01:38:29,360

say oh you see the grey aliens the big

2626

01:38:34,070 --> 01:38:32,159

eyes and repeats and then this very very

2627

01:38:36,149 --> 01:38:34,080

credible case and then the creatures

2628

01:38:39,350 --> 01:38:36,159

never appear again so that's all i had

2629

01:38:42,790 --> 01:38:39,360

but great show thanks thank you

2630

01:38:45,350 --> 01:38:42,800

thank you that is a really good point um

2631

01:38:47,350 --> 01:38:45,360

also for perhaps mind control and by the

2632

01:38:50,950 --> 01:38:47,360

way the line is open eight five five

2633

01:38:52,790 --> 01:38:50,960

four seven two five four eight three um

2634

01:38:54,709 --> 01:38:52,800

it's really fascinating it makes me

2635

01:38:57,510 --> 01:38:54,719

wonder about your mind control thing

2636

01:38:59,910 --> 01:38:57,520

because in this particular case

2637

01:39:02,870 --> 01:38:59,920

you know we have uh

2638

01:39:03,830 --> 01:39:02,880

two people describing two completely

2639

01:39:04,870 --> 01:39:03,840

different

2640

01:39:06,709 --> 01:39:04,880

beings

2641

01:39:09,270 --> 01:39:06,719

you know a calvin didn't remember those

2642

01:39:12,149 --> 01:39:09,280

cones on the head at all

2643

01:39:13,669 --> 01:39:12,159

for the robotic ones you know uh it did

2644

01:39:16,550 --> 01:39:13,679

i think he said something about them

2645

01:39:18,629 --> 01:39:16,560

looking like they had one almost like a

2646

01:39:20,390 --> 01:39:18,639

um

2647

01:39:22,870 --> 01:39:20,400

a single

2648

01:39:24,550 --> 01:39:22,880

leg or like their two legs were joined

2649

01:39:27,750 --> 01:39:24,560

together

2650

01:39:28,550 --> 01:39:27,760

you know and not not bipedal um but also

2651
01:39:29,430 --> 01:39:28,560
didn't

2652
01:39:31,590 --> 01:39:29,440
move

2653
01:39:35,030 --> 01:39:31,600
their legs they just kind of

2654
01:39:37,430 --> 01:39:35,040
hovered but it is makes you wonder um

2655
01:39:38,790 --> 01:39:37,440
why so many times you do hear

2656
01:39:40,629 --> 01:39:38,800
that people

2657
01:39:43,030 --> 01:39:40,639
even though there's

2658
01:39:47,109 --> 01:39:43,040
having the same experience they remember

2659
01:39:47,119 --> 01:39:50,709
well i think um

2660
01:39:53,830 --> 01:39:52,790
if ever if somebody remembered exactly

2661
01:39:56,870 --> 01:39:53,840
the same thing i think it'd be

2662
01:39:58,310 --> 01:39:56,880
suspicious because i think you know you

2663
01:40:00,870 --> 01:39:58,320

remember things a little bit different i

2664

01:40:03,030 --> 01:40:00,880

mean like if you

2665

01:40:05,350 --> 01:40:03,040

saw a car accident

2666

01:40:06,550 --> 01:40:05,360

the next day you might remember exactly

2667

01:40:08,470 --> 01:40:06,560

what happened

2668

01:40:09,669 --> 01:40:08,480

the next month you might remember a car

2669

01:40:11,990 --> 01:40:09,679

accident

2670

01:40:13,590 --> 01:40:12,000

and you know a year later you'd remember

2671

01:40:16,470 --> 01:40:13,600

something about it

2672

01:40:18,310 --> 01:40:16,480

but um you remember less details but you

2673

01:40:19,830 --> 01:40:18,320

still might remember a car accident you

2674

01:40:20,790 --> 01:40:19,840

might remember the colors and things

2675

01:40:23,030 --> 01:40:20,800

like that

2676

01:40:24,070 --> 01:40:23,040

years later

2677

01:40:26,550 --> 01:40:24,080

um

2678

01:40:29,030 --> 01:40:26,560

so i think there's value in writing down

2679

01:40:31,270 --> 01:40:29,040

whatever happened real fast and in that

2680

01:40:33,189 --> 01:40:31,280

case they um

2681

01:40:33,990 --> 01:40:33,199

did

2682

01:40:39,669 --> 01:40:34,000

their

2683

01:40:43,030 --> 01:40:41,910

and so that was really good

2684

01:40:45,510 --> 01:40:43,040

but

2685

01:40:51,990 --> 01:40:48,709

i don't think uh i don't think calvin

2686

01:40:52,870 --> 01:40:52,000

wrote uh drew a picture of what he saw

2687

01:40:54,950 --> 01:40:52,880

um

2688

01:40:57,270 --> 01:40:54,960

not right away i know

2689

01:40:59,750 --> 01:40:57,280

hixon did but not not calvin i don't

2690

01:41:01,109 --> 01:40:59,760

believe so i mean i can ask him that

2691

01:41:04,149 --> 01:41:01,119

question

2692

01:41:07,270 --> 01:41:04,159

the next time i speak with him

2693

01:41:10,070 --> 01:41:07,280

but i'm not sure about that

2694

01:41:11,030 --> 01:41:10,080

well i think um

2695

01:41:13,109 --> 01:41:11,040

like

2696

01:41:14,310 --> 01:41:13,119

he didn't want to say anything about it

2697

01:41:16,550 --> 01:41:14,320

for

2698

01:41:17,430 --> 01:41:16,560

many many many years

2699

01:41:18,950 --> 01:41:17,440

and

2700

01:41:20,790 --> 01:41:18,960

um

2701
01:41:21,990 --> 01:41:20,800
like lots of people wanted to be famous

2702
01:41:23,910 --> 01:41:22,000
like he could be

2703
01:41:26,070 --> 01:41:23,920
world famous right then

2704
01:41:28,629 --> 01:41:26,080
and he just claimed up for you know the

2705
01:41:30,149 --> 01:41:28,639
next 40 50 years

2706
01:41:31,750 --> 01:41:30,159
until he finally

2707
01:41:33,270 --> 01:41:31,760
i interviewed his wife and she said he

2708
01:41:36,229 --> 01:41:33,280
didn't talk about it until he started

2709
01:41:37,510 --> 01:41:36,239
writing the book that's because she was

2710
01:41:39,669 --> 01:41:37,520
after him

2711
01:41:41,189 --> 01:41:39,679
and philip maddow was and he trusted

2712
01:41:42,790 --> 01:41:41,199
both of them

2713
01:41:45,270 --> 01:41:42,800

but that he didn't want to say anything

2714

01:41:48,229 --> 01:41:45,280

about it for a long time

2715

01:41:49,189 --> 01:41:48,239

right right i was uh i was thrilled when

2716

01:41:51,109 --> 01:41:49,199

um

2717

01:41:53,510 --> 01:41:51,119

uh he said he would actually talk about

2718

01:41:56,229 --> 01:41:53,520

it for the first time on this show you

2719

01:41:58,229 --> 01:41:56,239

know so that was pretty exciting uh and

2720

01:42:00,470 --> 01:41:58,239

and i was really thrilled that uh

2721

01:42:02,310 --> 01:42:00,480

i say it again i said it earlier that i

2722

01:42:05,750 --> 01:42:02,320

think philip mantle has done a wonderful

2723

01:42:07,510 --> 01:42:05,760

job um taking really good care of him

2724

01:42:10,550 --> 01:42:07,520

and so have you

2725

01:42:13,430 --> 01:42:10,560

and um between both of you

2726

01:42:15,270 --> 01:42:13,440

you brought it out having his wife

2727

01:42:19,510 --> 01:42:15,280

yeah yeah

2728

01:42:21,030 --> 01:42:19,520

thought about asking you about um the

2729

01:42:23,030 --> 01:42:21,040

line's still open if anyone would like

2730

01:42:25,669 --> 01:42:23,040

to call again we could

2731

01:42:27,830 --> 01:42:25,679

uh take uh several calls but if you'd

2732

01:42:29,430 --> 01:42:27,840

like to call we will keep the lines open

2733

01:42:30,790 --> 01:42:29,440

right up until about five minutes before

2734

01:42:32,709 --> 01:42:30,800

the end of the show

2735

01:42:34,629 --> 01:42:32,719

so one of the questions i wanted to ask

2736

01:42:36,950 --> 01:42:34,639

you is when

2737

01:42:39,189 --> 01:42:36,960

the topic came up earlier

2738

01:42:40,310 --> 01:42:39,199

today when we were talking about uh

2739

01:42:41,990 --> 01:42:40,320

possible

2740

01:42:42,870 --> 01:42:42,000

missing time and what do you think of

2741

01:42:45,030 --> 01:42:42,880

that

2742

01:42:47,030 --> 01:42:45,040

phenomenon do you think

2743

01:42:48,390 --> 01:42:47,040

i mean so many people have seemed to

2744

01:42:50,870 --> 01:42:48,400

reported

2745

01:42:51,910 --> 01:42:50,880

that they have missing time

2746

01:42:53,830 --> 01:42:51,920

and

2747

01:42:55,350 --> 01:42:53,840

you know do you think that is more like

2748

01:42:58,149 --> 01:42:55,360

a ps uh

2749

01:43:00,790 --> 01:42:58,159

ptsd type of thing or

2750

01:43:03,669 --> 01:43:00,800

what do you think that might be about

2751

01:43:05,189 --> 01:43:03,679

well like calvin um

2752

01:43:07,189 --> 01:43:05,199

apparently didn't want to talk about for

2753

01:43:09,590 --> 01:43:07,199

one reason because he was afraid the

2754

01:43:11,590 --> 01:43:09,600

beings would come back and get him

2755

01:43:13,990 --> 01:43:11,600

um

2756

01:43:14,000 --> 01:43:18,550

it seems more like the people

2757

01:43:22,310 --> 01:43:20,470

might have been sort of put into a

2758

01:43:23,590 --> 01:43:22,320

trance or something and told not to

2759

01:43:25,910 --> 01:43:23,600

remember it

2760

01:43:32,070 --> 01:43:25,920

but then eventually they do

2761

01:43:37,990 --> 01:43:35,109

it the whole thing just seems funny

2762

01:43:39,669 --> 01:43:38,000

and in a lot of cases time seems really

2763

01:43:41,830 --> 01:43:39,679

funny too

2764

01:43:43,830 --> 01:43:41,840

um

2765

01:43:46,229 --> 01:43:43,840

yes

2766

01:43:50,310 --> 01:43:47,350

sometimes

2767

01:43:53,030 --> 01:43:50,320

like people say it's like

2768

01:43:55,189 --> 01:43:53,040

everything stopped and everything just

2769

01:43:57,430 --> 01:43:55,199

stopped and then they had this abduction

2770

01:43:58,629 --> 01:43:57,440

experience and then they were back where

2771

01:44:01,109 --> 01:43:58,639

they were

2772

01:44:03,669 --> 01:44:01,119

just like a movie and it the whole thing

2773

01:44:05,430 --> 01:44:03,679

could stop and they're removed and are

2774

01:44:07,350 --> 01:44:05,440

abducted and then they're put back into

2775

01:44:09,350 --> 01:44:07,360

the same movie or something

2776

01:44:11,590 --> 01:44:09,360

and there's

2777

01:44:14,629 --> 01:44:11,600

yeah there's missing time like they've

2778

01:44:16,390 --> 01:44:14,639

forgot something and hours that you know

2779

01:44:18,390 --> 01:44:16,400

that you don't remember but in other

2780

01:44:19,430 --> 01:44:18,400

cases they'll report that everything

2781

01:44:21,430 --> 01:44:19,440

stopped

2782

01:44:23,430 --> 01:44:21,440

you know they were watching people and

2783

01:44:26,709 --> 01:44:23,440

all the cars and everything stopped

2784

01:44:29,430 --> 01:44:26,719

and then came back to reality and that's

2785

01:44:31,109 --> 01:44:29,440

um another part of missing time which is

2786

01:44:33,910 --> 01:44:31,119

mysterious

2787

01:44:34,790 --> 01:44:33,920

it is it is really uh very interesting

2788

01:44:37,590 --> 01:44:34,800

and that

2789

01:44:40,070 --> 01:44:37,600

the thing about uh you know the time

2790

01:44:42,149 --> 01:44:40,080

hold time thing you know could possibly

2791

01:44:44,550 --> 01:44:42,159

have something to do with how they get

2792

01:44:46,950 --> 01:44:44,560

here and go away too i mean that's these

2793

01:44:48,310 --> 01:44:46,960

are all possibilities i have no idea we

2794

01:44:50,709 --> 01:44:48,320

have a couple of people lined up on the

2795

01:44:53,189 --> 01:44:50,719

phone we have dave calling right now

2796

01:44:56,390 --> 01:44:53,199

from pennsylvania dave you're live on

2797

01:44:58,870 --> 01:44:56,400

the air now thank you

2798

01:45:01,189 --> 01:44:58,880

hiya uh a great show

2799

01:45:04,149 --> 01:45:01,199

i've been fascinated with the pascagoula

2800

01:45:07,350 --> 01:45:04,159

case for a long time uh ever since i

2801

01:45:09,910 --> 01:45:07,360

first read about it back in the 70s

2802

01:45:11,990 --> 01:45:09,920

and with renewed interest after the new

2803

01:45:14,070 --> 01:45:12,000

york times article

2804

01:45:17,109 --> 01:45:14,080

it seems to have given

2805

01:45:18,950 --> 01:45:17,119

a boost to looking into the phenomenon

2806

01:45:21,189 --> 01:45:18,960

and my question is

2807

01:45:23,109 --> 01:45:21,199

has academia

2808

01:45:25,109 --> 01:45:23,119

in general

2809

01:45:27,109 --> 01:45:25,119

in mass taken a good look at this

2810

01:45:29,030 --> 01:45:27,119

phenomenon and tried to get to the

2811

01:45:31,430 --> 01:45:29,040

bottom of it

2812

01:45:32,229 --> 01:45:31,440

maybe they have and i'm just not aware

2813

01:45:34,709 --> 01:45:32,239

uh

2814

01:45:35,669 --> 01:45:34,719

so that's my question what has academia

2815

01:45:37,189 --> 01:45:35,679

done

2816

01:45:39,430 --> 01:45:37,199

in studying this

2817

01:45:41,750 --> 01:45:39,440

phenomenon if anything and i'm gonna

2818

01:45:43,669 --> 01:45:41,760

hang up so i can listen to the response

2819

01:45:45,189 --> 01:45:43,679

thank you so much bye-bye all right

2820

01:45:47,189 --> 01:45:45,199

thank you dave

2821

01:45:48,950 --> 01:45:47,199

what are your thoughts on that

2822

01:45:49,750 --> 01:45:48,960

i don't think they've done much and i

2823

01:45:50,790 --> 01:45:49,760

think

2824

01:45:52,629 --> 01:45:50,800

um

2825

01:45:54,310 --> 01:45:52,639

that maybe they'll start now because

2826

01:45:55,270 --> 01:45:54,320

it's a little more

2827

01:45:56,629 --> 01:45:55,280

um

2828

01:45:58,790 --> 01:45:56,639

open

2829

01:46:00,709 --> 01:45:58,800

uh with you know 60 minutes in the

2830

01:46:03,590 --> 01:46:00,719

government saying something could be

2831

01:46:04,629 --> 01:46:03,600

going on all that which

2832

01:46:06,790 --> 01:46:04,639

um

2833

01:46:09,990 --> 01:46:06,800

makes it a little uh more official than

2834

01:46:13,750 --> 01:46:10,000

it ever had been before

2835

01:46:16,390 --> 01:46:13,760

the government in 1947 when ufos first

2836

01:46:18,790 --> 01:46:16,400

started there was project signed

2837

01:46:21,030 --> 01:46:18,800

and the government took it seriously

2838

01:46:24,229 --> 01:46:21,040

and considered maybe this is this

2839

01:46:24,950 --> 01:46:24,239

phenomena is extraterrestrial or

2840

01:46:29,510 --> 01:46:24,960

and

2841

01:46:31,910 --> 01:46:29,520

then project sign turning the project

2842

01:46:33,669 --> 01:46:31,920

grub i mean

2843

01:46:36,790 --> 01:46:33,679

where they where they

2844

01:46:39,350 --> 01:46:36,800

um grudge i'm sorry

2845

01:46:41,270 --> 01:46:39,360

yeah where they debunked everything and

2846

01:46:43,669 --> 01:46:41,280

then it turned in project blue book

2847

01:46:45,590 --> 01:46:43,679

which also debunked everything

2848

01:46:46,950 --> 01:46:45,600

and then project blue book

2849

01:46:48,070 --> 01:46:46,960

quit

2850

01:46:49,590 --> 01:46:48,080

well

2851
01:46:51,189 --> 01:46:49,600
um

2852
01:46:53,510 --> 01:46:51,199
now we're back to

2853
01:46:54,950 --> 01:46:53,520
like we were in 1947

2854
01:46:55,830 --> 01:46:54,960
when they first

2855
01:46:57,270 --> 01:46:55,840
began

2856
01:46:59,189 --> 01:46:57,280
taking a

2857
01:47:01,189 --> 01:46:59,199
objective look at it

2858
01:47:03,189 --> 01:47:01,199
and we've gone through this big cycle of

2859
01:47:05,189 --> 01:47:03,199
debunking and debunking

2860
01:47:07,350 --> 01:47:05,199
and it seems like maybe we're way back

2861
01:47:09,109 --> 01:47:07,360
to where we were in the beginning except

2862
01:47:11,830 --> 01:47:09,119
in the beginning i think they were

2863
01:47:14,070 --> 01:47:11,840

doing a more serious study than they are

2864

01:47:15,830 --> 01:47:14,080

now but some people are doing a serious

2865

01:47:18,470 --> 01:47:15,840

study

2866

01:47:19,510 --> 01:47:18,480

yes yes but we have uh

2867

01:47:23,109 --> 01:47:19,520

we have

2868

01:47:24,950 --> 01:47:23,119

rick on from texas rick you were live on

2869

01:47:27,350 --> 01:47:24,960

the air

2870

01:47:29,510 --> 01:47:27,360

uh yes thank you uh

2871

01:47:31,109 --> 01:47:29,520

yeah i'd like to ask her

2872

01:47:33,830 --> 01:47:31,119

about

2873

01:47:36,229 --> 01:47:33,840

the dr alan j hinek

2874

01:47:39,270 --> 01:47:36,239

what information

2875

01:47:42,390 --> 01:47:39,280

did he have from this and also

2876

01:47:49,109 --> 01:47:42,400

is there any notes that left to his son

2877

01:47:55,350 --> 01:47:53,030

we're still looking into that um

2878

01:47:57,270 --> 01:47:55,360

philip just gave me some

2879

01:48:03,350 --> 01:47:57,280

information from nycap that i'm reading

2880

01:48:07,669 --> 01:48:05,990

i published in my

2881

01:48:08,950 --> 01:48:07,679

um in our

2882

01:48:10,950 --> 01:48:08,960

my my

2883

01:48:12,390 --> 01:48:10,960

recent book before this

2884

01:48:14,550 --> 01:48:12,400

um

2885

01:48:18,149 --> 01:48:14,560

some of dr heineck's letters that were

2886

01:48:19,830 --> 01:48:18,159

written in longhand that he um

2887

01:48:21,750 --> 01:48:19,840

that somebody gave to me

2888

01:48:23,830 --> 01:48:21,760

but she said

2889

01:48:25,430 --> 01:48:23,840

she didn't know anything about she was a

2890

01:48:27,350 --> 01:48:25,440

good friend of his but she didn't know

2891

01:48:29,510 --> 01:48:27,360

anything about what he knew about

2892

01:48:30,310 --> 01:48:29,520

pascagoula so

2893

01:48:33,669 --> 01:48:30,320

um

2894

01:48:35,590 --> 01:48:33,679

i'm just reading now some of the

2895

01:48:38,790 --> 01:48:35,600

in it wasn't about pascagoula though it

2896

01:48:40,950 --> 01:48:38,800

was mainly about the um

2897

01:48:43,750 --> 01:48:40,960

uh

2898

01:48:45,109 --> 01:48:43,760

flap of 1973

2899

01:48:47,189 --> 01:48:45,119

but he

2900

01:48:48,790 --> 01:48:47,199

talked to

2901

01:48:50,070 --> 01:48:48,800

um

2902

01:48:51,590 --> 01:48:50,080

the two men

2903

01:48:54,470 --> 01:48:51,600

right afterwards he was right there on

2904

01:48:57,669 --> 01:48:54,480

the spot soon afterwards and discussed

2905

01:48:59,430 --> 01:48:57,679

it with them and he believed him and

2906

01:49:01,910 --> 01:48:59,440

said they were you know honorable people

2907

01:49:03,750 --> 01:49:01,920

who were honest and

2908

01:49:06,470 --> 01:49:03,760

he believed him

2909

01:49:08,870 --> 01:49:06,480

he didn't know what ufos are and nobody

2910

01:49:10,070 --> 01:49:08,880

else does either

2911

01:49:13,030 --> 01:49:10,080

yeah

2912

01:49:15,669 --> 01:49:13,040

a great great story i was

2913

01:49:18,390 --> 01:49:15,679

talking with uh paul heineck

2914

01:49:20,470 --> 01:49:18,400
and calvin together this was out in

2915

01:49:21,669 --> 01:49:20,480
phoenix a few years ago

2916

01:49:24,070 --> 01:49:21,679
and

2917

01:49:25,669 --> 01:49:24,080
paul remembered as a little kid

2918

01:49:27,430 --> 01:49:25,679
coming in from playing i think it was

2919

01:49:29,669 --> 01:49:27,440
soccer or something like that outside

2920

01:49:31,030 --> 01:49:29,679
the phone ringing it rang all the time

2921

01:49:34,310 --> 01:49:31,040
he came in

2922

01:49:36,870 --> 01:49:34,320
and calvin was on the phone to talk to

2923

01:49:39,030 --> 01:49:36,880
to his dad jaylen heineck and calvin

2924

01:49:41,030 --> 01:49:39,040
remembers writing they had a chalkboard

2925

01:49:42,390 --> 01:49:41,040
in the kitchen where he wrote down his

2926

01:49:45,510 --> 01:49:42,400

name and phone number

2927

01:49:48,229 --> 01:49:45,520

and then uh calvin actually uh they all

2928

01:49:49,589 --> 01:49:48,239

met um the family i think calvin came

2929

01:49:52,550 --> 01:49:49,599

there one time or something like that

2930

01:49:54,470 --> 01:49:52,560

but he he met him you know a year or so

2931

01:49:55,189 --> 01:49:54,480

later i believe i may have that wrong

2932

01:49:57,910 --> 01:49:55,199

but

2933

01:49:59,589 --> 01:49:57,920

interesting to hear

2934

01:50:04,149 --> 01:49:59,599

uh paul heineck's

2935

01:50:06,870 --> 01:50:04,159

take on on that particular case

2936

01:50:09,270 --> 01:50:06,880

yeah well dr heineck uh got down there

2937

01:50:12,390 --> 01:50:09,280

just real fast and questioned them right

2938

01:50:16,149 --> 01:50:13,830

now when

2939

01:50:19,750 --> 01:50:16,159

when calvin went into more or less

2940

01:50:21,350 --> 01:50:19,760

hiding did he uh did he hide from those

2941

01:50:25,589 --> 01:50:21,360

type of people as well or was it

2942

01:50:28,550 --> 01:50:25,599

basically just the press at that time

2943

01:50:29,589 --> 01:50:28,560

well he was besieged by the press at

2944

01:50:31,510 --> 01:50:29,599

work

2945

01:50:34,149 --> 01:50:31,520

um

2946

01:50:36,950 --> 01:50:34,159

he and charlie went to work the next day

2947

01:50:40,390 --> 01:50:36,960

and the press was just all over him

2948

01:50:42,390 --> 01:50:40,400

so much that um their employers said

2949

01:50:44,790 --> 01:50:42,400

to go home

2950

01:50:47,510 --> 01:50:44,800

and he lost his job

2951

01:50:49,030 --> 01:50:47,520

and had to get another job

2952

01:50:51,189 --> 01:50:49,040

on account of

2953

01:50:52,470 --> 01:50:51,199

and um the press was just following him

2954

01:50:54,470 --> 01:50:52,480

hounding him

2955

01:50:56,229 --> 01:50:54,480

all through his life

2956

01:50:57,910 --> 01:50:56,239

and he wanted to live a normal life he

2957

01:51:00,149 --> 01:50:57,920

wanted to get married and have kids and

2958

01:51:01,430 --> 01:51:00,159

things he didn't want to be a weird ufo

2959

01:51:04,149 --> 01:51:01,440

person

2960

01:51:09,510 --> 01:51:07,030

i think he kind of hit himself and used

2961

01:51:10,870 --> 01:51:09,520

other names and things like that when he

2962

01:51:11,750 --> 01:51:10,880

signed

2963

01:51:12,950 --> 01:51:11,760

um

2964

01:51:15,189 --> 01:51:12,960

things and

2965

01:51:17,990 --> 01:51:15,199

what finally brought to a head was that

2966

01:51:20,390 --> 01:51:18,000

he and his wife went to a funeral and

2967

01:51:23,030 --> 01:51:20,400

they used the real name and people came

2968

01:51:24,310 --> 01:51:23,040

up and started in a friendly way asking

2969

01:51:26,709 --> 01:51:24,320

what happened

2970

01:51:28,709 --> 01:51:26,719

yeah and then his wife

2971

01:51:29,990 --> 01:51:28,719

said it's time to start talking about

2972

01:51:31,750 --> 01:51:30,000

this

2973

01:51:33,189 --> 01:51:31,760

and that's when you know he started

2974

01:51:35,030 --> 01:51:33,199

coming out of it

2975

01:51:37,189 --> 01:51:35,040

but um

2976

01:51:38,550 --> 01:51:37,199

he just didn't want anything to do with

2977

01:51:39,990 --> 01:51:38,560

it and

2978

01:51:41,750 --> 01:51:40,000

you know maybe a lot more happened to

2979

01:51:43,350 --> 01:51:41,760

him when he was on board or something he

2980

01:51:46,550 --> 01:51:43,360

didn't know about

2981

01:51:48,550 --> 01:51:46,560

but it was very very traumatic for him

2982

01:51:50,790 --> 01:51:48,560

rick i'm so sorry i had you on mute you

2983

01:51:53,510 --> 01:51:50,800

tried to say something

2984

01:51:56,470 --> 01:51:53,520

yes uh i'm fascinated in dr alan j

2985

01:51:58,870 --> 01:51:56,480

heineck and him following up or any

2986

01:52:01,990 --> 01:51:58,880

information that he did uh

2987

01:52:04,550 --> 01:52:02,000

to further his investigation by you know

2988

01:52:07,350 --> 01:52:04,560

i i understand that they both went to an

2989

01:52:09,990 --> 01:52:07,360

air force base to be questioned and all

2990

01:52:11,910 --> 01:52:10,000

that did allen j heineck

2991

01:52:14,070 --> 01:52:11,920

question the air force on their

2992

01:52:16,870 --> 01:52:14,080

information from those two men

2993

01:52:18,870 --> 01:52:16,880

and also are there hidden notes from dr

2994

01:52:20,229 --> 01:52:18,880

alan j highneck of

2995

01:52:22,629 --> 01:52:20,239

you know

2996

01:52:26,149 --> 01:52:22,639

more information from what they've been

2997

01:52:32,229 --> 01:52:29,430

i think philip is trying to find it

2998

01:52:34,070 --> 01:52:32,239

and he's asked a number of people

2999

01:52:36,149 --> 01:52:34,080

and he hasn't

3000

01:52:37,030 --> 01:52:36,159

um so far as i know he hasn't received

3001
01:52:38,709 --> 01:52:37,040
anything

3002
01:52:40,550 --> 01:52:38,719
and i had

3003
01:52:41,830 --> 01:52:40,560
my last book was

3004
01:52:44,390 --> 01:52:41,840
from

3005
01:52:45,189 --> 01:52:44,400
jenny zeidman who was a good friend of

3006
01:52:48,149 --> 01:52:45,199
um

3007
01:52:49,350 --> 01:52:48,159
heinick and i asked her the same thing

3008
01:52:52,149 --> 01:52:49,360
do you have

3009
01:52:54,070 --> 01:52:52,159
more information from heinek and

3010
01:52:54,870 --> 01:52:54,080
she didn't

3011
01:52:56,550 --> 01:52:54,880
um

3012
01:53:00,070 --> 01:52:56,560
and so philip i think is still trying to

3013
01:53:06,149 --> 01:53:02,229

well interesting hey ken thank you very

3014

01:53:11,109 --> 01:53:08,870

and this is rick i'm rick oh i'm sorry i

3015

01:53:12,950 --> 01:53:11,119

got i got people's names mixed up sorry

3016

01:53:14,390 --> 01:53:12,960

about that rick thank you very much for

3017

01:53:16,629 --> 01:53:14,400

the call

3018

01:53:18,790 --> 01:53:16,639

great program i watch you and listen to

3019

01:53:20,390 --> 01:53:18,800

you uh good luck for finding more

3020

01:53:22,229 --> 01:53:20,400

information and exposing them what

3021

01:53:23,430 --> 01:53:22,239

you're doing thank you

3022

01:53:25,270 --> 01:53:23,440

well he's growing

3023

01:53:28,229 --> 01:53:25,280

philip is trying is making a lot of

3024

01:53:31,669 --> 01:53:28,239

effort to try to find out um

3025

01:53:35,350 --> 01:53:31,679

and we're not getting it in place

3026

01:53:37,270 --> 01:53:35,360

yeah yeah so uh anyway we are right at

3027

01:53:40,310 --> 01:53:37,280

the end of our show now i can't believe

3028

01:53:41,350 --> 01:53:40,320

it kind of went by pretty fast and uh

3029

01:53:43,990 --> 01:53:41,360

your book

3030

01:53:46,870 --> 01:53:44,000

i do have it in the show notes anyone

3031

01:53:47,750 --> 01:53:46,880

can see the link down there to it and

3032

01:53:49,990 --> 01:53:47,760

that

3033

01:53:52,550 --> 01:53:50,000

should be a fascinating

3034

01:53:54,870 --> 01:53:52,560

uh fascinating read and do you think

3035

01:53:56,629 --> 01:53:54,880

there's more we have just a minute here

3036

01:53:57,510 --> 01:53:56,639

is there more to come out about this or

3037

01:54:00,550 --> 01:53:57,520

do you think

3038

01:54:03,669 --> 01:54:00,560

it's pretty much expended

3039

01:54:05,109 --> 01:54:03,679

well a lot of my book was on the sound

3040

01:54:07,109 --> 01:54:05,119

and um

3041

01:54:08,390 --> 01:54:07,119

we didn't talk much about that

3042

01:54:10,470 --> 01:54:08,400

or at all

3043

01:54:13,109 --> 01:54:10,480

sorry about that

3044

01:54:16,310 --> 01:54:14,149

okay

3045

01:54:17,910 --> 01:54:16,320

um ufos are

3046

01:54:20,149 --> 01:54:17,920

sort of noted for not having many

3047

01:54:21,030 --> 01:54:20,159

witnesses and things well this sound was

3048

01:54:22,950 --> 01:54:21,040

heard

3049

01:54:24,149 --> 01:54:22,960

over a huge area by all kinds of

3050

01:54:26,950 --> 01:54:24,159

witnesses

3051
01:54:29,189 --> 01:54:26,960
but it's never been explained and i used

3052
01:54:32,310 --> 01:54:29,199
a lot of information from nancy

3053
01:54:34,470 --> 01:54:32,320
and things like that to try to

3054
01:54:37,030 --> 01:54:34,480
explore it mathematically and everything

3055
01:54:39,350 --> 01:54:37,040
and it's a pretty mysterious sound and

3056
01:54:41,589 --> 01:54:39,360
it had a lot of witnesses and it

3057
01:54:43,030 --> 01:54:41,599
happened the same time as the pasagula

3058
01:54:46,149 --> 01:54:43,040
thing

3059
01:54:48,390 --> 01:54:46,159
uh it was pretty interesting

3060
01:54:49,990 --> 01:54:48,400
and unexplained still

3061
01:54:51,589 --> 01:54:50,000
all right well we are at the end of our

3062
01:54:53,430 --> 01:54:51,599
time thank you so much it's been a real

3063
01:54:57,350 --> 01:54:53,440

pleasure as always

3064

01:54:58,950 --> 01:54:57,360

thank you all right you take care

3065

01:55:01,189 --> 01:54:58,960

all right everyone so that's it for our

3066

01:55:03,990 --> 01:55:01,199

show this evening thanks so much for

3067

01:55:05,830 --> 01:55:04,000

being on board and chris pittman next

3068

01:55:08,950 --> 01:55:05,840

week should be a great show

3069

01:55:13,790 --> 01:55:08,960

and thanks so much and remember as

3070

01:55:23,110 --> 01:55:13,800

always keep your eyes to the sky
