

**CHRIS
PITTMAN**

#479

1
00:00:35,030 --> 00:00:13,720

[Music]

2
00:00:39,350 --> 00:00:37,190

hello everyone and welcome to the show

3
00:00:41,350 --> 00:00:39,360

i'm martin willis your host uh we have

4
00:00:43,110 --> 00:00:41,360

someone on this evening actually as a

5
00:00:45,670 --> 00:00:43,120

crow flies we're only about

6
00:00:48,470 --> 00:00:45,680

60 miles apart he's in massachusetts i'm

7
00:00:51,590 --> 00:00:48,480

down in uh the cape right now um and

8
00:00:55,510 --> 00:00:51,600

it's chris pittman um he is basically a

9
00:00:57,670 --> 00:00:55,520

ufo historian i heard him uh back on the

10
00:01:00,229 --> 00:00:57,680

bridgewater triangle movie and then also

11
00:01:02,630 --> 00:01:00,239

on the phenomenon that uh james fox

12
00:01:05,109 --> 00:01:02,640

movie so i'm really excited to have him

13
00:01:07,190 --> 00:01:05,119

on he's looked at this subject

14

00:01:09,830 --> 00:01:07,200

since about the 1990s

15

00:01:13,830 --> 00:01:09,840

and uh great great guy

16

00:01:15,749 --> 00:01:13,840

anyway uh so next week uh this thursday

17

00:01:18,630 --> 00:01:15,759

actually i'm leaving for

18

00:01:21,429 --> 00:01:18,640

my friend and i are leaving for arizona

19

00:01:22,390 --> 00:01:21,439

we're gonna be out at the mufon boot

20

00:01:25,350 --> 00:01:22,400

camp

21

00:01:26,870 --> 00:01:25,360

and uh next week we'll be filming a

22

00:01:28,950 --> 00:01:26,880

whole bunch of us

23

00:01:30,950 --> 00:01:28,960

uh from right there it should be a lot

24

00:01:33,190 --> 00:01:30,960

of fun i think mark d'antonio might

25

00:01:36,469 --> 00:01:33,200

actually be joining us and perhaps uh

26
00:01:38,789 --> 00:01:36,479
matthew roberts might be uh past guest

27
00:01:42,069 --> 00:01:38,799
also who lives nearby might be joining

28
00:01:43,670 --> 00:01:42,079
us and uh i know alejandro shows up

29
00:01:45,190 --> 00:01:43,680
there now and then i'm not sure if he's

30
00:01:47,590 --> 00:01:45,200
going to be there that would be great if

31
00:01:49,429 --> 00:01:47,600
i could actually get him on just a

32
00:01:52,310 --> 00:01:49,439
couple of other things uh

33
00:01:54,870 --> 00:01:52,320
this week's blog uh by charles lear it's

34
00:01:56,709 --> 00:01:54,880
actually a repost and it's uh

35
00:01:59,910 --> 00:01:56,719
we put it up for halloween because it's

36
00:02:03,030 --> 00:01:59,920
the kelly kentucky ufo goblins so uh

37
00:02:06,069 --> 00:02:03,040
that's about the um the hopkinsville

38
00:02:07,749 --> 00:02:06,079

uh encounter very strange one with uh

39

00:02:10,869 --> 00:02:07,759

shooting at these things whatever they

40

00:02:14,150 --> 00:02:10,879

are and and uh scared they were scared

41

00:02:17,190 --> 00:02:14,160

all night i had um the daughter of

42

00:02:19,030 --> 00:02:17,200

someone uh that was there

43

00:02:20,630 --> 00:02:19,040

on this show at one point it's just a

44

00:02:22,710 --> 00:02:20,640

fascinating case if you haven't looked

45

00:02:24,869 --> 00:02:22,720

into that if you're new looking at this

46

00:02:28,949 --> 00:02:24,879

topic you want to google that one the

47

00:02:31,350 --> 00:02:28,959

the hopkinsville encounter ufo encounter

48

00:02:33,750 --> 00:02:31,360

and i think that said i do want to thank

49

00:02:34,710 --> 00:02:33,760

everyone that supports the show anyone

50

00:02:36,949 --> 00:02:34,720

can do that over at podcast

51

00:02:40,630 --> 00:02:36,959

podcastufo.com

52

00:02:42,869 --> 00:02:40,640

and uh let's see just one other thing on

53

00:02:45,030 --> 00:02:42,879

september i'm sorry november going

54

00:02:46,229 --> 00:02:45,040

backwards here november

55

00:02:48,150 --> 00:02:46,239

16th

56

00:02:51,910 --> 00:02:48,160

actually november 17th

57

00:02:53,990 --> 00:02:51,920

was 10 years ago was my very first show

58

00:02:56,550 --> 00:02:54,000

show number one episode number one with

59

00:02:57,830 --> 00:02:56,560

steve bassett he was the only one of all

60

00:03:00,949 --> 00:02:57,840

the people i reached out to that

61

00:03:03,430 --> 00:03:00,959

actually agreed to be on my first show

62

00:03:05,430 --> 00:03:03,440

so i'm going to repost that on the date

63

00:03:08,630 --> 00:03:05,440

on november 17th but our regular

64

00:03:10,550 --> 00:03:08,640

scheduled show is november 16

65

00:03:12,309 --> 00:03:10,560

and i'm going to have all kinds of

66

00:03:13,589 --> 00:03:12,319

guests on that uh

67

00:03:16,229 --> 00:03:13,599

luis

68

00:03:17,430 --> 00:03:16,239

gimez is uh scheduled to be the guest

69

00:03:19,430 --> 00:03:17,440

but we're going to have all kinds of

70

00:03:22,149 --> 00:03:19,440

people stop in and say hi that's on

71

00:03:24,070 --> 00:03:22,159

november 6th the 10th anniversary show

72

00:03:26,630 --> 00:03:24,080

and i hope some longtime listeners uh

73

00:03:28,869 --> 00:03:26,640

call in as well on that so for right now

74

00:03:32,630 --> 00:03:28,879

i'm going to bring in the guest tonight

75

00:03:34,390 --> 00:03:32,640

chris pittman welcome to the show chris

76

00:03:37,509 --> 00:03:34,400

whoops i'm not hearing you chris you

77

00:03:41,830 --> 00:03:38,630

uh oh

78

00:03:46,710 --> 00:03:44,949

um so try your your it shows that you're

79

00:03:49,750 --> 00:03:46,720

not muted so i'm not really sure what

80

00:03:51,670 --> 00:03:49,760

happened um whoops he's gone he will be

81

00:03:53,750 --> 00:03:51,680

back i trust the fact that he will be

82

00:03:55,830 --> 00:03:53,760

back and uh bill you might want to get

83

00:03:58,309 --> 00:03:55,840

ready just in case

84

00:04:00,309 --> 00:03:58,319

might have to bring you in so uh that's

85

00:04:01,990 --> 00:04:00,319

what i love about live shows it keeps

86

00:04:03,429 --> 00:04:02,000

keeps me on my toes i never know what's

87

00:04:04,229 --> 00:04:03,439

really going to happen chris is coming

88

00:04:05,589 --> 00:04:04,239

back

89

00:04:08,149 --> 00:04:05,599

and we're going to try to add him right

90

00:04:10,149 --> 00:04:08,159

now all right chris try you mike now can

91

00:04:12,630 --> 00:04:10,159

you hear me yeah i can hear you

92

00:04:14,550 --> 00:04:12,640

perfectly yes cool sorry about that yeah

93

00:04:15,750 --> 00:04:14,560

that's fine thank you so much for

94

00:04:17,590 --> 00:04:15,760

joining us

95

00:04:20,150 --> 00:04:17,600

like i said i've been really excited to

96

00:04:21,990 --> 00:04:20,160

have you on uh you did a great job also

97

00:04:23,830 --> 00:04:22,000

on the phenomenon that was a that was a

98

00:04:25,909 --> 00:04:23,840

really good clip your part in that as

99

00:04:28,469 --> 00:04:25,919

well and i remember reaching out to

100

00:04:31,590 --> 00:04:28,479

james fox i said james can i have

101

00:04:33,189 --> 00:04:31,600

chris chris's uh information and and uh

102

00:04:35,430 --> 00:04:33,199

but he was just so busy at the time i

103

00:04:37,350 --> 00:04:35,440

was never able to get it so if you would

104

00:04:39,110 --> 00:04:37,360

for the person that has no idea who you

105

00:04:40,629 --> 00:04:39,120

are there's a few of them out there but

106

00:04:42,390 --> 00:04:40,639

a lot of people know who you are but can

107

00:04:43,990 --> 00:04:42,400

you give your background

108

00:04:46,469 --> 00:04:44,000

basically and what got you interested in

109

00:04:48,310 --> 00:04:46,479

this topic and speaking of background i

110

00:04:50,710 --> 00:04:48,320

love your background

111

00:04:52,950 --> 00:04:50,720

oh thank you a bunker back

112

00:04:56,390 --> 00:04:52,960

yeah yeah my old stuff

113

00:04:57,909 --> 00:04:56,400

so basically um i'm 42 years old i'm

114

00:05:00,230 --> 00:04:57,919

from massachusetts i've lived in

115

00:05:02,870 --> 00:05:00,240

massachusetts most of my life

116

00:05:05,590 --> 00:05:02,880

and i got interested in ufos when i was

117

00:05:07,430 --> 00:05:05,600

a child i read

118

00:05:09,430 --> 00:05:07,440

a book that my grandfather had on his

119

00:05:11,510 --> 00:05:09,440

shelf the report on unidentified flying

120

00:05:13,830 --> 00:05:11,520

objects by edward repelt

121

00:05:16,070 --> 00:05:13,840

and that book as a child absolutely

122

00:05:17,990 --> 00:05:16,080

captivated my imagination

123

00:05:19,670 --> 00:05:18,000

and i read that book cover to cover i

124

00:05:22,150 --> 00:05:19,680

read it so many times it became

125

00:05:24,469 --> 00:05:22,160

dog-eared and the cover fell off but it

126

00:05:26,230 --> 00:05:24,479

wasn't until i was a teenager that i

127

00:05:28,390 --> 00:05:26,240

really got interested in investigating

128

00:05:29,749 --> 00:05:28,400

ufo sightings myself

129

00:05:32,870 --> 00:05:29,759

um

130

00:05:35,110 --> 00:05:32,880

it started around 1993 i became

131

00:05:39,830 --> 00:05:35,120

absolutely obsessed with the idea of

132

00:05:41,990 --> 00:05:39,840

finding out where ufos come from and i

133

00:05:44,390 --> 00:05:42,000

back this was like a pre-internet era so

134

00:05:46,870 --> 00:05:44,400

it was all snail mail i joined all of

135

00:05:48,469 --> 00:05:46,880

the ufo study organizations that would

136

00:05:52,070 --> 00:05:48,479

have me as a member

137

00:05:54,469 --> 00:05:52,080

um and i got involved with mufon and i

138

00:05:57,189 --> 00:05:54,479

became a member and an investigator for

139

00:05:59,670 --> 00:05:57,199

the local chapter of mufon and during

140

00:06:02,309 --> 00:05:59,680

the throughout the 1990s i investigated

141

00:06:03,830 --> 00:06:02,319

ufo sightings uh in many places in the

142

00:06:06,150 --> 00:06:03,840

united states and canada but mostly

143

00:06:08,710 --> 00:06:06,160

right here in new england where i live

144

00:06:09,430 --> 00:06:08,720

and after doing that for a little while

145

00:06:18,309 --> 00:06:09,440

i

146

00:06:20,629 --> 00:06:18,319

really my focus and then of course

147

00:06:22,390 --> 00:06:20,639

eventually i got involved with the

148

00:06:25,590 --> 00:06:22,400

bridgewater triangle which is kind of

149

00:06:27,110 --> 00:06:25,600

the local anomalous area a lot of ufo

150

00:06:29,990 --> 00:06:27,120

sightings and other high strangeness

151
00:06:32,390 --> 00:06:30,000
stuff reported there and um you know

152
00:06:34,629 --> 00:06:32,400
it's been uh i've kind of taken it from

153
00:06:37,189 --> 00:06:34,639
there and it's been it's been a lot of

154
00:06:39,749 --> 00:06:37,199
years of uh looking at spooky stories

155
00:06:42,629 --> 00:06:39,759
and having fun doing it

156
00:06:44,230 --> 00:06:42,639
that's right right right great stuff um

157
00:06:45,670 --> 00:06:44,240
now we are going to talk i'd like to

158
00:06:46,870 --> 00:06:45,680
talk a lot about the bridgewater

159
00:06:49,670 --> 00:06:46,880
triangle because that's such a

160
00:06:52,150 --> 00:06:49,680
fascinating area and so many things

161
00:06:55,110 --> 00:06:52,160
happening there in the huckabock swamp

162
00:06:57,749 --> 00:06:55,120
area and and all that and uh many many

163
00:07:00,790 --> 00:06:57,759

things not just ufos but

164

00:07:02,870 --> 00:07:00,800

as far as the i'm like a fan of history

165

00:07:04,629 --> 00:07:02,880

i'll put it that way and you know my

166

00:07:06,390 --> 00:07:04,639

my the business that i have is

167

00:07:08,230 --> 00:07:06,400

researching fine art and antiques that

168

00:07:10,629 --> 00:07:08,240

i've been doing all my life so it kind

169

00:07:13,350 --> 00:07:10,639

of goes hand hand and glove the the two

170

00:07:14,950 --> 00:07:13,360

things so i'm always fascinating and hit

171

00:07:18,150 --> 00:07:14,960

fascinated in history in american

172

00:07:21,029 --> 00:07:18,160

history especially and so i'd like to

173

00:07:22,230 --> 00:07:21,039

start out by talking about that in

174

00:07:24,150 --> 00:07:22,240

particular

175

00:07:27,430 --> 00:07:24,160

um

176

00:07:28,150 --> 00:07:27,440

you have searched researched way back

177

00:07:31,189 --> 00:07:28,160

are

178

00:07:33,430 --> 00:07:31,199

we talking colonial um encounters or

179

00:07:34,870 --> 00:07:33,440

anything is there anything that appears

180

00:07:36,550 --> 00:07:34,880

like it could have been an encounter in

181

00:07:38,710 --> 00:07:36,560

colonial times

182

00:07:40,790 --> 00:07:38,720

absolutely that's really how i kind of

183

00:07:43,110 --> 00:07:40,800

came to be focused on

184

00:07:44,790 --> 00:07:43,120

historical sightings because initially i

185

00:07:48,070 --> 00:07:44,800

was just interested in

186

00:07:50,790 --> 00:07:48,080

ufos in massachusetts in general

187

00:07:53,749 --> 00:07:50,800

but as i started to dig deeper and

188

00:07:56,070 --> 00:07:53,759

deeper into the past i kept finding

189

00:07:58,869 --> 00:07:56,080

examples of

190

00:08:00,869 --> 00:07:58,879

ufo sightings accounts from

191

00:08:03,110 --> 00:08:00,879

the early part of the 20th century from

192

00:08:04,710 --> 00:08:03,120

the 19th century the 18th century and

193

00:08:08,309 --> 00:08:04,720

even older than that

194

00:08:10,869 --> 00:08:08,319

that very much were you know the same as

195

00:08:14,230 --> 00:08:10,879

modern ufo sightings and to me that

196

00:08:15,909 --> 00:08:14,240

really captured my interest because um

197

00:08:17,110 --> 00:08:15,919

it seemed to me like it was kind of an

198

00:08:18,710 --> 00:08:17,120

important

199

00:08:21,830 --> 00:08:18,720

piece of information in terms of

200

00:08:24,550 --> 00:08:21,840

understanding this phenomenon if

201

00:08:27,589 --> 00:08:24,560

ufo sightings didn't really start in

202

00:08:30,550 --> 00:08:27,599

1947 if they didn't start in the space

203

00:08:32,389 --> 00:08:30,560

age or even in the 20th century

204

00:08:34,790 --> 00:08:32,399

if ufo sightings have kind of been a

205

00:08:37,110 --> 00:08:34,800

constant throughout all of

206

00:08:38,630 --> 00:08:37,120

human history

207

00:08:41,589 --> 00:08:38,640

that's important to know and i think

208

00:08:45,030 --> 00:08:41,599

that's an important clue so

209

00:08:47,509 --> 00:08:45,040

so yeah i documented or i guess other

210

00:08:48,949 --> 00:08:47,519

ufo investigators ufo historians had

211

00:08:50,630 --> 00:08:48,959

found this before i can't really take

212

00:08:52,949 --> 00:08:50,640

credit for it but

213

00:08:54,389 --> 00:08:52,959

i had written an article about a ufo

214

00:08:56,710 --> 00:08:54,399

sighting that took place

215

00:09:00,470 --> 00:08:56,720

in massachusetts in boston actually

216

00:09:03,430 --> 00:09:00,480

around 1638 or 1639

217

00:09:06,230 --> 00:09:03,440

this was a sighting where there were

218

00:09:08,070 --> 00:09:06,240

multiple witnesses they were in a boat

219

00:09:10,470 --> 00:09:08,080

they saw a great light that they

220

00:09:11,590 --> 00:09:10,480

described as being in the figure of a

221

00:09:14,070 --> 00:09:11,600

swine

222

00:09:16,389 --> 00:09:14,080

that seems to pull their boat back

223

00:09:18,630 --> 00:09:16,399

against the flow of the river

224

00:09:19,990 --> 00:09:18,640

and then when they arrived at their

225

00:09:21,509 --> 00:09:20,000

destination

226

00:09:23,350 --> 00:09:21,519

it was much later than they thought that

227

00:09:25,509 --> 00:09:23,360

it was going to be so you've got this

228

00:09:27,670 --> 00:09:25,519

this missing time case

229

00:09:30,550 --> 00:09:27,680

this physical effects case where the ufo

230

00:09:32,470 --> 00:09:30,560

seems to be drawing them backwards along

231

00:09:34,470 --> 00:09:32,480

the river plus you've got this

232

00:09:37,430 --> 00:09:34,480

description that it's the figure of a

233

00:09:40,710 --> 00:09:37,440

swine which sounds ridiculous but if we

234

00:09:43,030 --> 00:09:40,720

think about um maybe a lens shaped craft

235

00:09:44,949 --> 00:09:43,040

with four landing gear that might look

236

00:09:45,990 --> 00:09:44,959

like stubby pig legs right how would a

237

00:09:49,509 --> 00:09:46,000

person

238

00:09:50,630 --> 00:09:49,519

in 1639 describe this

239

00:09:52,230 --> 00:09:50,640

and so

240

00:09:54,470 --> 00:09:52,240

you know i had written an article about

241

00:09:57,590 --> 00:09:54,480

that that i had published on my own ufo

242

00:10:00,230 --> 00:09:57,600

website back in the 1990s and the old uh

243

00:10:02,790 --> 00:10:00,240

free website personal website days

244

00:10:04,790 --> 00:10:02,800

and that article got widely republished

245

00:10:06,710 --> 00:10:04,800

and picked up by some other

246

00:10:07,430 --> 00:10:06,720

larger websites and that kind of really

247

00:10:09,430 --> 00:10:07,440

uh

248

00:10:11,430 --> 00:10:09,440

sort of kick-started a lot of the

249

00:10:13,910 --> 00:10:11,440

historical stuff for me because i

250

00:10:16,069 --> 00:10:13,920

started to get uh information and

251

00:10:17,829 --> 00:10:16,079

contacts from other people who were

252

00:10:20,150 --> 00:10:17,839

looking at ufo sightings from hundreds

253

00:10:22,710 --> 00:10:20,160

of years ago and uh it's just

254

00:10:24,790 --> 00:10:22,720

unbelievable how rich this story is and

255

00:10:26,150 --> 00:10:24,800

how much information there really is out

256

00:10:28,069 --> 00:10:26,160

there about

257

00:10:29,590 --> 00:10:28,079

ufo sightings from hundreds of years ago

258

00:10:31,509 --> 00:10:29,600

and how similar they are to ufo

259

00:10:33,430 --> 00:10:31,519

sightings of today

260

00:10:35,990 --> 00:10:33,440

yeah i think that's all fascinating and

261

00:10:36,790 --> 00:10:36,000

i remember i had an astronomer on once

262

00:10:39,829 --> 00:10:36,800

and

263

00:10:40,949 --> 00:10:39,839

he talked about the odds of our life

264

00:10:43,670 --> 00:10:40,959

being

265

00:10:46,230 --> 00:10:43,680

kind of at the social level we're at

266

00:10:48,790 --> 00:10:46,240

and then another entity coming from

267

00:10:51,110 --> 00:10:48,800

somewhere else that happens to be alive

268

00:10:53,509 --> 00:10:51,120

at this present time the odds are he's

269

00:10:55,590 --> 00:10:53,519

the odds are even thinner i'm smaller

270

00:10:57,670 --> 00:10:55,600

because of you know we're just a little

271

00:10:58,790 --> 00:10:57,680

it's just a little tiny fraction of time

272

00:11:00,389 --> 00:10:58,800

like

273

00:11:02,150 --> 00:11:00,399

that we're at right now

274

00:11:04,150 --> 00:11:02,160

compared to what a civilization could

275

00:11:06,389 --> 00:11:04,160

have been developed you know

276

00:11:09,269 --> 00:11:06,399

uh with intelligent life

277

00:11:10,069 --> 00:11:09,279

uh millions of years ago you know so

278

00:11:11,829 --> 00:11:10,079

that

279

00:11:13,509 --> 00:11:11,839

you know it brings up the the question

280

00:11:14,389 --> 00:11:13,519

of the ancient aliens you know i mean is

281

00:11:16,069 --> 00:11:14,399

that

282

00:11:18,630 --> 00:11:16,079

i think it's very possible we could have

283

00:11:20,790 --> 00:11:18,640

been visited all through our development

284

00:11:21,590 --> 00:11:20,800

possibly you know i know it's awful hard

285

00:11:24,470 --> 00:11:21,600

to

286

00:11:26,150 --> 00:11:24,480

you know look at anything as real

287

00:11:27,509 --> 00:11:26,160

evidence of that but you know that's

288

00:11:30,389 --> 00:11:27,519

possibilities

289

00:11:33,350 --> 00:11:30,399

and you know who knows i mean it's it's

290

00:11:35,430 --> 00:11:33,360

it's fascinating but uh i love these uh

291

00:11:38,069 --> 00:11:35,440

these old cases and

292

00:11:41,350 --> 00:11:38,079

i know that a lot of times when

293

00:11:43,269 --> 00:11:41,360

you you read about the early cases they

294

00:11:46,870 --> 00:11:43,279

are explaining what they're seeing in a

295

00:11:49,350 --> 00:11:46,880

fashion whether it's a um a shield in

296

00:11:51,990 --> 00:11:49,360

the sky and you know things like that

297

00:11:53,190 --> 00:11:52,000

because it's all they're using it and

298

00:11:54,790 --> 00:11:53,200

they're kind of

299

00:11:56,710 --> 00:11:54,800

you know it's a it's a thing that your

300

00:11:59,190 --> 00:11:56,720

your mind tends to do you try to make

301
00:12:00,470 --> 00:11:59,200
sense of what you're seeing and only you

302
00:12:02,629 --> 00:12:00,480
can only make sense of what you're

303
00:12:06,069 --> 00:12:02,639
seeing with things that you know about

304
00:12:07,590 --> 00:12:06,079
not something totally unusual like uh a

305
00:12:09,350 --> 00:12:07,600
disc you know they wouldn't they

306
00:12:10,550 --> 00:12:09,360
wouldn't know how to describe that

307
00:12:11,750 --> 00:12:10,560
but um

308
00:12:13,910 --> 00:12:11,760
yeah

309
00:12:15,509 --> 00:12:13,920
you know there's this phenomenon of uh

310
00:12:19,670 --> 00:12:15,519
cultural tracking

311
00:12:23,350 --> 00:12:19,680
where we see ufo sightings over time

312
00:12:25,110 --> 00:12:23,360
uh the the ufos are described in terms

313
00:12:27,350 --> 00:12:25,120

that are

314

00:12:29,190 --> 00:12:27,360

kind of unique to that culture that's

315

00:12:31,350 --> 00:12:29,200

describing it or is a form that they can

316

00:12:33,350 --> 00:12:31,360

relate to so

317

00:12:35,910 --> 00:12:33,360

back in the age of sale you've got these

318

00:12:38,069 --> 00:12:35,920

descriptions of flying ships dropping

319

00:12:40,069 --> 00:12:38,079

anchors and then in the last years of

320

00:12:43,269 --> 00:12:40,079

the 19th century the earliest years of

321

00:12:45,350 --> 00:12:43,279

the 20th century it's phantom airships

322

00:12:48,710 --> 00:12:45,360

and then in our space age it's

323

00:12:50,470 --> 00:12:48,720

spaceships um and there's of course

324

00:12:52,069 --> 00:12:50,480

multiple ways to look at that is the

325

00:12:54,550 --> 00:12:52,079

phenomenon

326

00:12:56,629 --> 00:12:54,560

is the intelligence behind ufos

327

00:12:58,710 --> 00:12:56,639

presenting itself to people in a form in

328

00:13:01,829 --> 00:12:58,720

which they can understand or is it just

329

00:13:03,509 --> 00:13:01,839

that people are describing these things

330

00:13:04,710 --> 00:13:03,519

based on their cultural framework i

331

00:13:06,949 --> 00:13:04,720

don't know if there's really any way to

332

00:13:08,389 --> 00:13:06,959

be sure about that

333

00:13:10,470 --> 00:13:08,399

right and that kind of goes along with

334

00:13:12,790 --> 00:13:10,480

the line also of

335

00:13:15,030 --> 00:13:12,800

one people like on the ariel school

336

00:13:17,750 --> 00:13:15,040

phenomenon had talked about they're

337

00:13:18,870 --> 00:13:17,760

getting like a message like a telepathy

338

00:13:21,110 --> 00:13:18,880

message

339

00:13:23,269 --> 00:13:21,120

and it always makes you think okay so

340

00:13:25,750 --> 00:13:23,279

how would they know the language of

341

00:13:28,150 --> 00:13:25,760

english or you know people in in russia

342

00:13:30,870 --> 00:13:28,160

when that they said that they heard

343

00:13:34,069 --> 00:13:30,880

messages in russian you know i mean

344

00:13:36,230 --> 00:13:34,079

it it's so so bizarre i mean uh to try

345

00:13:38,629 --> 00:13:36,240

to visualize all that

346

00:13:39,670 --> 00:13:38,639

and speaking of you know historical

347

00:13:41,110 --> 00:13:39,680

times

348

00:13:43,670 --> 00:13:41,120

uh

349

00:13:45,269 --> 00:13:43,680

what about abductions i mean has there

350

00:13:47,030 --> 00:13:45,279

was there anything that could have that

351
00:13:49,110 --> 00:13:47,040
you've ever read about that made it

352
00:13:52,389 --> 00:13:49,120
sound like it could have been

353
00:13:53,910 --> 00:13:52,399
like an abduction type of situation

354
00:13:55,829 --> 00:13:53,920
well you know it's interesting i i have

355
00:13:57,829 --> 00:13:55,839
a lot of experience with people who

356
00:13:59,990 --> 00:13:57,839
believe that they've been you know

357
00:14:03,590 --> 00:14:00,000
abducted by aliens or the term that that

358
00:14:04,629 --> 00:14:03,600
i came to use more often is experiencers

359
00:14:06,949 --> 00:14:04,639
and

360
00:14:09,110 --> 00:14:06,959
i participated in hypnosis regression

361
00:14:11,110 --> 00:14:09,120
sessions where we

362
00:14:13,509 --> 00:14:11,120
we hypnotized

363
00:14:15,910 --> 00:14:13,519

experiencers and and i watched them

364

00:14:18,550 --> 00:14:15,920

relive their experiences under hypnosis

365

00:14:22,230 --> 00:14:18,560

and it was extremely frightening

366

00:14:24,150 --> 00:14:22,240

i felt that what people told me

367

00:14:26,310 --> 00:14:24,160

without leading them

368

00:14:28,829 --> 00:14:26,320

differed in many ways in some ways

369

00:14:31,030 --> 00:14:28,839

anyway from kind of the mainstream

370

00:14:33,110 --> 00:14:31,040

narrative that i think a lot of people

371

00:14:35,990 --> 00:14:33,120

are familiar with from from best-selling

372

00:14:39,030 --> 00:14:36,000

books and from movies it was a lot

373

00:14:41,350 --> 00:14:39,040

stranger what they said it was

374

00:14:43,990 --> 00:14:41,360

it was not a straightforward narrative

375

00:14:44,790 --> 00:14:44,000

about people being snatched in the night

376

00:14:47,670 --> 00:14:44,800

and

377

00:14:49,430 --> 00:14:47,680

harvesting their genetic material it was

378

00:14:51,030 --> 00:14:49,440

there was aspect there were aspects of

379

00:14:52,870 --> 00:14:51,040

it that were almost spiritual or

380

00:14:54,629 --> 00:14:52,880

metaphysical really kind of difficult to

381

00:14:55,990 --> 00:14:54,639

describe

382

00:14:57,590 --> 00:14:56,000

but we see

383

00:15:00,230 --> 00:14:57,600

echoes of that

384

00:15:02,470 --> 00:15:00,240

in all of human history i mean religious

385

00:15:06,629 --> 00:15:02,480

texts are often

386

00:15:08,870 --> 00:15:06,639

full of encounters with aliens or demons

387

00:15:10,470 --> 00:15:08,880

that have extremely strong parallels to

388

00:15:13,430 --> 00:15:10,480

what people told me when they said that

389

00:15:15,110 --> 00:15:13,440

they had been on board a ufo

390

00:15:18,870 --> 00:15:15,120

and even the case that i just mentioned

391

00:15:20,790 --> 00:15:18,880

with its you know missing time attribute

392

00:15:22,949 --> 00:15:20,800

if we looked at that case in a 21st

393

00:15:25,430 --> 00:15:22,959

century framework i think we would

394

00:15:27,030 --> 00:15:25,440

certainly label that so-called abduction

395

00:15:29,430 --> 00:15:27,040

case um

396

00:15:31,990 --> 00:15:29,440

there's really no end to it because the

397

00:15:33,829 --> 00:15:32,000

the nature of these experiences where

398

00:15:35,030 --> 00:15:33,839

people said that they were on board the

399

00:15:37,509 --> 00:15:35,040

ufo

400

00:15:39,670 --> 00:15:37,519

they were so varied

401
00:15:40,870 --> 00:15:39,680
and so complex

402
00:15:43,749 --> 00:15:40,880
that

403
00:15:46,710 --> 00:15:43,759
you can find echoes of this in in many

404
00:15:50,230 --> 00:15:46,720
other aspects of human experience in

405
00:15:52,550 --> 00:15:50,240
spiritualism and seances

406
00:15:54,949 --> 00:15:52,560
so you almost have to draw arbitrary

407
00:15:56,870 --> 00:15:54,959
lines and say okay this this certainly

408
00:15:59,430 --> 00:15:56,880
couldn't be the same

409
00:16:01,910 --> 00:15:59,440
as a ufo abduction but this other story

410
00:16:03,829 --> 00:16:01,920
maybe it could be

411
00:16:06,069 --> 00:16:03,839
right right we have uh every once in a

412
00:16:07,990 --> 00:16:06,079
while i'll put up a questions in the

413
00:16:10,310 --> 00:16:08,000

chat and uh if you do want to ask a

414

00:16:11,910 --> 00:16:10,320

question please um and you're in chat

415

00:16:12,790 --> 00:16:11,920

please do make all caps so i don't miss

416

00:16:14,949 --> 00:16:12,800

them

417

00:16:17,670 --> 00:16:14,959

what case do you feel holds the most

418

00:16:20,470 --> 00:16:17,680

evidence or is the most compelling that

419

00:16:21,430 --> 00:16:20,480

you've come across in your research

420

00:16:24,150 --> 00:16:21,440

well

421

00:16:27,189 --> 00:16:24,160

look there's no proof of really anything

422

00:16:28,310 --> 00:16:27,199

that i'm talking about here if ufos were

423

00:16:31,030 --> 00:16:28,320

proven

424

00:16:32,069 --> 00:16:31,040

if there was proof for what i'm saying

425

00:16:33,749 --> 00:16:32,079

um

426

00:16:36,230 --> 00:16:33,759

we wouldn't call them ufos right it

427

00:16:39,990 --> 00:16:36,240

wouldn't be unidentified the whole the

428

00:16:42,310 --> 00:16:40,000

whole subject is couched in this

429

00:16:45,350 --> 00:16:42,320

in this kind of twilight where it is a

430

00:16:46,069 --> 00:16:45,360

mystery it really remains a mystery

431

00:16:47,670 --> 00:16:46,079

so

432

00:16:50,629 --> 00:16:47,680

just to get out get that out there that

433

00:16:53,030 --> 00:16:50,639

there's there is no proof there is tons

434

00:16:56,150 --> 00:16:53,040

and tons and tons of evidence this

435

00:16:58,230 --> 00:16:56,160

tremendous body of evidence uh most of

436

00:16:59,509 --> 00:16:58,240

it you know in in recent decades but

437

00:17:01,110 --> 00:16:59,519

stuff that goes back hundreds and

438

00:17:04,549 --> 00:17:01,120

hundreds of years

439

00:17:07,110 --> 00:17:04,559

if i had to point at one story that to

440

00:17:09,029 --> 00:17:07,120

me is the most compelling now i

441

00:17:10,150 --> 00:17:09,039

understand this that this isn't a proven

442

00:17:12,549 --> 00:17:10,160

thing so

443

00:17:14,390 --> 00:17:12,559

some people may scoff at this

444

00:17:17,990 --> 00:17:14,400

but i think it it's the paul trent

445

00:17:18,870 --> 00:17:18,000

photos from mcmanville oregon in 1950.

446

00:17:19,829 --> 00:17:18,880

this

447

00:17:21,909 --> 00:17:19,839

farmer

448

00:17:24,549 --> 00:17:21,919

in oregon

449

00:17:27,189 --> 00:17:24,559

in a rural area long ago

450

00:17:28,230 --> 00:17:27,199

took a photograph of something that is

451
00:17:31,110 --> 00:17:28,240
either

452
00:17:33,909 --> 00:17:31,120
a structured craft in the sky

453
00:17:36,230 --> 00:17:33,919
or it's it's a fake he either faked it

454
00:17:38,789 --> 00:17:36,240
or it's a ufo there's no way that the

455
00:17:43,029 --> 00:17:38,799
object in these photographs could be

456
00:17:45,190 --> 00:17:43,039
um a bird or the planet venus or an

457
00:17:48,310 --> 00:17:45,200
airplane or anything else that you might

458
00:17:49,430 --> 00:17:48,320
mistake for a spaceship in the sky

459
00:17:51,350 --> 00:17:49,440
and

460
00:17:53,830 --> 00:17:51,360
he took the photos

461
00:17:56,230 --> 00:17:53,840
he showed them to some local people

462
00:17:59,190 --> 00:17:56,240
but he wasn't even like motivated really

463
00:18:01,830 --> 00:17:59,200

to publish these photos a newspaper

464

00:18:03,190 --> 00:18:01,840

reporter heard about the photos came to

465

00:18:05,750 --> 00:18:03,200

his house

466

00:18:08,390 --> 00:18:05,760

looked at the photos and said uh where

467

00:18:10,470 --> 00:18:08,400

are the negatives and at that moment

468

00:18:13,430 --> 00:18:10,480

their child was playing with the

469

00:18:15,270 --> 00:18:13,440

negatives sitting under a desk it wasn't

470

00:18:16,390 --> 00:18:15,280

something that they deemed yeah there's

471

00:18:17,590 --> 00:18:16,400

the photo

472

00:18:18,630 --> 00:18:17,600

um

473

00:18:21,350 --> 00:18:18,640

and

474

00:18:24,230 --> 00:18:21,360

you know they're as far to my knowledge

475

00:18:26,470 --> 00:18:24,240

there has never been any analysis of

476

00:18:28,710 --> 00:18:26,480

this photograph i i think the original

477

00:18:30,630 --> 00:18:28,720

negatives are now missing so it limits

478

00:18:32,630 --> 00:18:30,640

what analysis can be done but there's

479

00:18:33,990 --> 00:18:32,640

never been any analysis of this

480

00:18:35,830 --> 00:18:34,000

photograph

481

00:18:38,390 --> 00:18:35,840

that has um

482

00:18:40,950 --> 00:18:38,400

shown it to be some kind of a fake and

483

00:18:42,950 --> 00:18:40,960

paul trent the photographer went to his

484

00:18:45,190 --> 00:18:42,960

grave saying that it was real and that

485

00:18:47,990 --> 00:18:45,200

it wasn't a fake so this is kind of

486

00:18:49,830 --> 00:18:48,000

where we're at with ufos you know if

487

00:18:52,549 --> 00:18:49,840

there's going to you know what what even

488

00:18:55,190 --> 00:18:52,559

could be proof do they have to land and

489

00:18:58,310 --> 00:18:55,200

and talk to newspaper reporters if there

490

00:18:59,990 --> 00:18:58,320

are photographs of structured craft in

491

00:19:02,310 --> 00:19:00,000

our atmosphere

492

00:19:04,630 --> 00:19:02,320

that are not anything made by a person

493

00:19:06,390 --> 00:19:04,640

or not anything that we can understand

494

00:19:08,710 --> 00:19:06,400

i mean that's then that then they're

495

00:19:10,950 --> 00:19:08,720

real right and that's kind of what the

496

00:19:15,270 --> 00:19:10,960

mcmenville photograph means to me if

497

00:19:17,669 --> 00:19:15,280

that photo is real then ufos are real

498

00:19:18,950 --> 00:19:17,679

yeah yep i mean like you said it only

499

00:19:20,630 --> 00:19:18,960

takes one

500

00:19:23,029 --> 00:19:20,640

you know one real

501
00:19:25,990 --> 00:19:23,039
ufo and what what will it take i mean

502
00:19:29,750 --> 00:19:26,000
how how would you think the world

503
00:19:31,510 --> 00:19:29,760
like if say for instance all of a sudden

504
00:19:34,470 --> 00:19:31,520
there was this great sighting there was

505
00:19:36,789 --> 00:19:34,480
multiple witnesses and great video and

506
00:19:39,430 --> 00:19:36,799
photos do you still think that

507
00:19:41,590 --> 00:19:39,440
um and and the government actually came

508
00:19:42,710 --> 00:19:41,600
forward and said or whatever part of the

509
00:19:45,029 --> 00:19:42,720
government

510
00:19:45,909 --> 00:19:45,039
would say we have no idea what this is

511
00:19:47,830 --> 00:19:45,919
um

512
00:19:49,830 --> 00:19:47,840
how many people would did you think it

513
00:19:51,909 --> 00:19:49,840

would just be exactly the same

514

00:19:54,390 --> 00:19:51,919

what what do you think would be the

515

00:19:57,110 --> 00:19:54,400

proof that we would need before

516

00:19:58,310 --> 00:19:57,120

most of society would buy that

517

00:20:00,230 --> 00:19:58,320

this is

518

00:20:02,630 --> 00:20:00,240

otherworldly

519

00:20:05,270 --> 00:20:02,640

it would almost have to be like you know

520

00:20:07,510 --> 00:20:05,280

every city in the world had ufos

521

00:20:09,669 --> 00:20:07,520

hovering in the sky that people could

522

00:20:12,470 --> 00:20:09,679

see i mean if i'll be honest with you if

523

00:20:15,190 --> 00:20:12,480

our government came forward and said

524

00:20:16,630 --> 00:20:15,200

all right we've got proof of ufos and we

525

00:20:18,950 --> 00:20:16,640

don't know what they are you know kind

526

00:20:20,549 --> 00:20:18,960

of along the lines of what has been

527

00:20:22,789 --> 00:20:20,559

coming out lately

528

00:20:25,270 --> 00:20:22,799

um i'm still distrustful of that i'm

529

00:20:27,350 --> 00:20:25,280

just trustful of our government i

530

00:20:29,990 --> 00:20:27,360

understand that our government will use

531

00:20:31,270 --> 00:20:30,000

ufo hype as cover for their secret

532

00:20:32,870 --> 00:20:31,280

projects

533

00:20:34,789 --> 00:20:32,880

and so

534

00:20:35,830 --> 00:20:34,799

you know i i don't even know what would

535

00:20:37,750 --> 00:20:35,840

like

536

00:20:39,590 --> 00:20:37,760

i'm convinced that ufos are real because

537

00:20:40,789 --> 00:20:39,600

of my own personal experiences because

538

00:20:43,110 --> 00:20:40,799

of what i

539

00:20:44,950 --> 00:20:43,120

learned doing the investigations because

540

00:20:47,110 --> 00:20:44,960

of things that happened to me because of

541

00:20:50,789 --> 00:20:47,120

witnesses who i talked to so many of

542

00:20:52,950 --> 00:20:50,799

whom seemed so absolutely sincere and if

543

00:20:55,590 --> 00:20:52,960

even one of those people was telling the

544

00:20:57,990 --> 00:20:55,600

truth then that means that somebody had

545

00:21:01,830 --> 00:20:58,000

an encounter with some non-human

546

00:21:05,190 --> 00:21:01,840

intelligence that we can't explain

547

00:21:07,750 --> 00:21:05,200

that's proof enough for me but

548

00:21:09,669 --> 00:21:07,760

and i do think that society in general

549

00:21:13,510 --> 00:21:09,679

is becoming more accepting of the fact

550

00:21:15,430 --> 00:21:13,520

that ufos represent a reality um

551

00:21:17,669 --> 00:21:15,440

especially like i alluded to earlier

552

00:21:18,710 --> 00:21:17,679

with the kind of disclosures or whatever

553

00:21:20,710 --> 00:21:18,720

you want to call them that have been

554

00:21:22,630 --> 00:21:20,720

coming out but there are always going to

555

00:21:24,390 --> 00:21:22,640

be people that say well absolutely no

556

00:21:25,590 --> 00:21:24,400

way and i don't think that's ever going

557

00:21:28,390 --> 00:21:25,600

to change

558

00:21:30,149 --> 00:21:28,400

yeah i i just heard

559

00:21:31,510 --> 00:21:30,159

neil degrasse tyson again on another

560

00:21:33,350 --> 00:21:31,520

interview and

561

00:21:35,110 --> 00:21:33,360

wailing away how it has to be you know

562

00:21:37,669 --> 00:21:35,120

software glitches and things like that

563

00:21:39,510 --> 00:21:37,679

and uh there's there's always gonna be

564

00:21:43,669 --> 00:21:39,520

those people there have you yourself

565

00:21:47,110 --> 00:21:43,679

ever had any any type of ufo sighting

566

00:21:48,070 --> 00:21:47,120

that's a tough question for me to answer

567

00:21:51,110 --> 00:21:48,080

um

568

00:21:52,950 --> 00:21:51,120

when i was a ufo investigator

569

00:21:54,630 --> 00:21:52,960

actively

570

00:21:56,950 --> 00:21:54,640

rather than kind of where i'm at now

571

00:21:58,870 --> 00:21:56,960

which is mostly looking at it almost as

572

00:22:00,630 --> 00:21:58,880

a folklore perspective and collecting

573

00:22:02,390 --> 00:22:00,640

stories and legends

574

00:22:04,870 --> 00:22:02,400

um i had a lot of really weird things

575

00:22:06,070 --> 00:22:04,880

happen to me all the time very many

576
00:22:07,990 --> 00:22:06,080
and

577
00:22:09,909 --> 00:22:08,000
some of those things were

578
00:22:11,029 --> 00:22:09,919
seeing lights in the sky

579
00:22:14,310 --> 00:22:11,039
um

580
00:22:16,070 --> 00:22:14,320
sometimes it even got to the point where

581
00:22:17,590 --> 00:22:16,080
i felt like i could predict where these

582
00:22:19,110 --> 00:22:17,600
things were going to appear and then i

583
00:22:21,990 --> 00:22:19,120
could see them

584
00:22:23,029 --> 00:22:22,000
i know it sounds crazy it was really a

585
00:22:24,630 --> 00:22:23,039
strange

586
00:22:27,510 --> 00:22:24,640
time it was a

587
00:22:29,750 --> 00:22:27,520
very frightening experience but the

588
00:22:32,149 --> 00:22:29,760

thing is is that when i was a ufo

589

00:22:34,789 --> 00:22:32,159

investigator if people came to me and

590

00:22:36,549 --> 00:22:34,799

said well i saw a light in the sky

591

00:22:38,630 --> 00:22:36,559

and i don't think it was an airplane i

592

00:22:39,590 --> 00:22:38,640

saw it at night and it moved in a way

593

00:22:41,350 --> 00:22:39,600

that

594

00:22:43,270 --> 00:22:41,360

seemed really strange to me or it

595

00:22:45,590 --> 00:22:43,280

suddenly appeared or

596

00:22:47,909 --> 00:22:45,600

suddenly vanished i didn't investigate

597

00:22:50,230 --> 00:22:47,919

those kind of cases because there are so

598

00:22:53,110 --> 00:22:50,240

many things in the night sky that can

599

00:22:55,110 --> 00:22:53,120

appear as a point source of light

600

00:22:57,350 --> 00:22:55,120

yeah there's so many things that can be

601
00:22:59,430 --> 00:22:57,360
confusing or surprising if you really

602
00:23:01,669 --> 00:22:59,440
look at the night sky

603
00:23:03,270 --> 00:23:01,679
that i didn't feel like those things

604
00:23:06,149 --> 00:23:03,280
really could be

605
00:23:09,830 --> 00:23:06,159
um put in one category or another as

606
00:23:12,390 --> 00:23:09,840
strange as a report of a of a light in

607
00:23:14,789 --> 00:23:12,400
the night might have sounded

608
00:23:16,870 --> 00:23:14,799
i didn't feel like there was a way to

609
00:23:19,909 --> 00:23:16,880
absolutely rule out the possibility that

610
00:23:21,510 --> 00:23:19,919
it was a helicopter or a lantern that

611
00:23:24,950 --> 00:23:21,520
someone had settled off or something

612
00:23:26,310 --> 00:23:24,960
like that i was interested in

613
00:23:28,230 --> 00:23:26,320

investigating

614

00:23:30,870 --> 00:23:28,240

sightings of structured craft

615

00:23:33,190 --> 00:23:30,880

particularly made during the day and i

616

00:23:35,510 --> 00:23:33,200

never had any ufo sighting like that i

617

00:23:37,590 --> 00:23:35,520

never saw anything like that myself

618

00:23:40,390 --> 00:23:37,600

but i did have i would say almost

619

00:23:42,310 --> 00:23:40,400

countless experiences during the time

620

00:23:44,710 --> 00:23:42,320

that i was going out and investigating

621

00:23:47,350 --> 00:23:44,720

ufo sightings i would go to places where

622

00:23:49,510 --> 00:23:47,360

ufos had just recently been seen and i

623

00:23:51,590 --> 00:23:49,520

would be watching the skies and i saw

624

00:23:53,830 --> 00:23:51,600

things there i saw things that despite

625

00:23:56,149 --> 00:23:53,840

all my training as a ufo investigator

626
00:23:57,990 --> 00:23:56,159
despite my understanding of how things

627
00:23:59,029 --> 00:23:58,000
look in the sky i couldn't explain those

628
00:23:59,990 --> 00:23:59,039
things

629
00:24:01,590 --> 00:24:00,000
um

630
00:24:04,149 --> 00:24:01,600
but it's like i say it's very

631
00:24:06,710 --> 00:24:04,159
tantalizing again it becomes a matter of

632
00:24:08,310 --> 00:24:06,720
of evidence but not proof you know it's

633
00:24:11,029 --> 00:24:08,320
so tantalizing

634
00:24:12,870 --> 00:24:11,039
right right i had uh

635
00:24:14,630 --> 00:24:12,880
a sighting is how i got interested in

636
00:24:18,149 --> 00:24:14,640
you know this this topic and doing the

637
00:24:19,909 --> 00:24:18,159
show but uh back in september 24th i i

638
00:24:21,830 --> 00:24:19,919

filmed something as i was coming back

639

00:24:23,830 --> 00:24:21,840

from restaurant i'm pretty sure it's a

640

00:24:25,750 --> 00:24:23,840

drone and i showed this on one of my

641

00:24:44,310 --> 00:24:25,760

shows before but why not show it now i'm

642

00:24:44,320 --> 00:24:48,390

actually filming

643

00:24:53,269 --> 00:24:51,110

that's a light reflect a reflection

644

00:25:01,190 --> 00:24:53,279

lens reflection or whatever but that's

645

00:25:04,549 --> 00:25:03,190

jeez

646

00:25:06,789 --> 00:25:04,559

this is

647

00:25:08,710 --> 00:25:06,799

unbelievable

648

00:25:10,070 --> 00:25:08,720

those little things moving around that's

649

00:25:12,230 --> 00:25:10,080

just the

650

00:25:15,029 --> 00:25:12,240

street lights and the lens

651
00:25:22,070 --> 00:25:15,039
but this red thing which turns white is

652
00:25:26,549 --> 00:25:23,990
well it's it's a lot longer than that

653
00:25:28,549 --> 00:25:26,559
but that's that's just a little clip

654
00:25:29,909 --> 00:25:28,559
of it and pretty much

655
00:25:32,870 --> 00:25:29,919
i'm pretty much thinking that was

656
00:25:36,390 --> 00:25:32,880
probably a drone but it was very windy

657
00:25:38,070 --> 00:25:36,400
that night and uh i never saw where it

658
00:25:38,870 --> 00:25:38,080
landed i ran over to where it should

659
00:25:41,669 --> 00:25:38,880
have

660
00:25:42,950 --> 00:25:41,679
anyway

661
00:25:44,630 --> 00:25:42,960
so when you see something like that

662
00:25:46,070 --> 00:25:44,640
that's just another light in the sky

663
00:25:49,669 --> 00:25:46,080

right

664

00:25:52,149 --> 00:25:49,679

well we don't know what kind of aircraft

665

00:25:54,789 --> 00:25:52,159

our military are flying right now you

666

00:25:57,750 --> 00:25:54,799

know they have a tremendous black budget

667

00:25:59,830 --> 00:25:57,760

we know that they have secret projects

668

00:26:03,830 --> 00:25:59,840

that that we don't know about there

669

00:26:05,750 --> 00:26:03,840

hasn't been a major disclosure of a new

670

00:26:07,909 --> 00:26:05,760

aircraft technology

671

00:26:09,909 --> 00:26:07,919

from the military in a long time but we

672

00:26:11,830 --> 00:26:09,919

know that their technology has advanced

673

00:26:13,990 --> 00:26:11,840

past that point so

674

00:26:16,710 --> 00:26:14,000

that really kind of muddies the waters i

675

00:26:20,310 --> 00:26:16,720

think nowadays especially of

676
00:26:21,269 --> 00:26:20,320
ufo research we just there's technology

677
00:26:23,190 --> 00:26:21,279
that

678
00:26:24,549 --> 00:26:23,200
we know about but aren't familiar with

679
00:26:27,029 --> 00:26:24,559
and there's technology that we don't

680
00:26:28,310 --> 00:26:27,039
even know about um so to try to

681
00:26:31,350 --> 00:26:28,320
determine

682
00:26:34,710 --> 00:26:31,360
uh okay this represents an encounter of

683
00:26:36,710 --> 00:26:34,720
with a non-human intelligence versus

684
00:26:38,870 --> 00:26:36,720
uh this represents an encounter with

685
00:26:41,350 --> 00:26:38,880
unfamiliar unknown human technology it

686
00:26:42,630 --> 00:26:41,360
becomes a real challenge

687
00:26:44,310 --> 00:26:42,640
right there's a

688
00:26:46,549 --> 00:26:44,320

someone asked me the other day and i i

689

00:26:49,350 --> 00:26:46,559

had always heard that it was

690

00:26:52,149 --> 00:26:49,360

unfounded about the tr-3b

691

00:26:53,510 --> 00:26:52,159

do you know anything that that that was

692

00:26:55,669 --> 00:26:53,520

never something that never really

693

00:26:57,350 --> 00:26:55,679

existed is that do you know anything

694

00:26:59,190 --> 00:26:57,360

about that by chance i don't know i

695

00:27:01,110 --> 00:26:59,200

don't know if it existed or not i mean

696

00:27:04,390 --> 00:27:01,120

we've had um

697

00:27:07,350 --> 00:27:04,400

over the last 20 30 years

698

00:27:10,149 --> 00:27:07,360

uh countless stories about project

699

00:27:11,510 --> 00:27:10,159

aurora and all of these other uh kind of

700

00:27:14,470 --> 00:27:11,520

hinted at

701
00:27:15,350 --> 00:27:14,480
secret projects black budget stuff but

702
00:27:17,269 --> 00:27:15,360
um

703
00:27:18,789 --> 00:27:17,279
i think there's still just a lot of

704
00:27:20,950 --> 00:27:18,799
question marks about this stuff and

705
00:27:22,870 --> 00:27:20,960
frankly i do believe that our government

706
00:27:26,389 --> 00:27:22,880
does take advantage of

707
00:27:28,389 --> 00:27:26,399
ufo hype in order to yeah give them some

708
00:27:31,269 --> 00:27:28,399
cover for testing these things

709
00:27:33,029 --> 00:27:31,279
i i agree with that and you know you

710
00:27:35,029 --> 00:27:33,039
hear you know we talked

711
00:27:35,909 --> 00:27:35,039
earlier about mcminnville

712
00:27:37,750 --> 00:27:35,919
and

713
00:27:41,669 --> 00:27:37,760

you know it seems like the flavor of the

714

00:27:43,190 --> 00:27:41,679

day is triangles now and you know i've

715

00:27:46,070 --> 00:27:43,200

had people on the show that think every

716

00:27:48,950 --> 00:27:46,080

single triangle is a black project you

717

00:27:50,230 --> 00:27:48,960

know being tested or whatever but um but

718

00:27:53,669 --> 00:27:50,240

it doesn't account for the ones that

719

00:27:55,350 --> 00:27:53,679

happened back in the 1970s you know 1978

720

00:27:58,230 --> 00:27:55,360

there was you know quite a triangle

721

00:28:00,549 --> 00:27:58,240

sighting uh lee spiegel had an encounter

722

00:28:01,669 --> 00:28:00,559

you know around that time as well

723

00:28:03,830 --> 00:28:01,679

and so

724

00:28:05,830 --> 00:28:03,840

the the thing that i always like to

725

00:28:07,909 --> 00:28:05,840

argue is okay so we do have these

726

00:28:11,029 --> 00:28:07,919

anti-gravity let's just say we do

727

00:28:13,590 --> 00:28:11,039

anti-gravity triangles uh and we've had

728

00:28:15,350 --> 00:28:13,600

them since the 1970s wouldn't that be

729

00:28:17,510 --> 00:28:15,360

such an advantage over other countries

730

00:28:19,909 --> 00:28:17,520

why wouldn't we be using that and say

731

00:28:21,029 --> 00:28:19,919

warfare or something like that

732

00:28:23,430 --> 00:28:21,039

i mean have you ever thought about all

733

00:28:25,110 --> 00:28:23,440

that stuff we we could be using them in

734

00:28:27,909 --> 00:28:25,120

warfare and i think we wouldn't

735

00:28:29,269 --> 00:28:27,919

necessarily know about it i mean

736

00:28:32,070 --> 00:28:29,279

we've seen

737

00:28:33,430 --> 00:28:32,080

through some leaks that have come out

738

00:28:36,310 --> 00:28:33,440

um

739

00:28:37,909 --> 00:28:36,320

stuff that's happened in our wars

740

00:28:39,990 --> 00:28:37,919

that um

741

00:28:42,149 --> 00:28:40,000

you know was not supposed to be how it

742

00:28:43,590 --> 00:28:42,159

was i mean and there basically there are

743

00:28:45,350 --> 00:28:43,600

secrets that have been revealed and i

744

00:28:47,350 --> 00:28:45,360

think there are secrets that haven't

745

00:28:49,269 --> 00:28:47,360

been revealed the point that you're

746

00:28:53,350 --> 00:28:49,279

making about the shift towards

747

00:28:55,510 --> 00:28:53,360

triangular craft is definitely real um

748

00:28:59,110 --> 00:28:55,520

even in the 1990s

749

00:29:01,590 --> 00:28:59,120

um relatively few people were telling me

750

00:29:03,190 --> 00:29:01,600

that they saw a disc shaped craft i

751

00:29:05,190 --> 00:29:03,200

talked to a lot of people including

752

00:29:08,070 --> 00:29:05,200

military pilots other trained witnesses

753

00:29:10,389 --> 00:29:08,080

who saw the triangles um of course there

754

00:29:12,389 --> 00:29:10,399

are reports of triangular craft that go

755

00:29:15,029 --> 00:29:12,399

back for a long time but i think any

756

00:29:17,990 --> 00:29:15,039

explanation of what ufos are and

757

00:29:21,110 --> 00:29:18,000

represent needs to explain why in the

758

00:29:22,789 --> 00:29:21,120

1950s and 60s the disc shape was so

759

00:29:25,590 --> 00:29:22,799

predominant and then

760

00:29:27,830 --> 00:29:25,600

in the 1970s and especially in the 80s

761

00:29:30,070 --> 00:29:27,840

and the 90s the triangles became

762

00:29:33,029 --> 00:29:30,080

predominant to the point that today

763

00:29:35,830 --> 00:29:33,039

i think uh triangles are are really

764

00:29:41,430 --> 00:29:39,190

i think that any explanation of ufo

765

00:29:43,669 --> 00:29:41,440

sightings has to take into account other

766

00:29:46,230 --> 00:29:43,679

ways that this phenomenon has changed

767

00:29:48,389 --> 00:29:46,240

over time as well

768

00:29:49,990 --> 00:29:48,399

the reports that i see

769

00:29:52,310 --> 00:29:50,000

now or that people

770

00:29:54,310 --> 00:29:52,320

tell me about of sightings that were

771

00:29:56,630 --> 00:29:54,320

relatively recent they're they're

772

00:30:00,149 --> 00:29:56,640

different even from the 1990s sightings

773

00:30:03,350 --> 00:30:00,159

you know in the 90s i was investigating

774

00:30:06,870 --> 00:30:03,360

landing cases i was investigating a lot

775

00:30:09,350 --> 00:30:06,880

of daylight structured craft cases um

776

00:30:10,230 --> 00:30:09,360

and we used to talk about how oh man if

777

00:30:11,669 --> 00:30:10,240

only

778

00:30:13,430 --> 00:30:11,679

there was some way that we could put a

779

00:30:15,510 --> 00:30:13,440

phone a camera right if we could put a

780

00:30:16,950 --> 00:30:15,520

camera in everybody's pocket then we

781

00:30:18,549 --> 00:30:16,960

maybe we would have so much better

782

00:30:19,430 --> 00:30:18,559

evidence maybe we would finally have

783

00:30:21,350 --> 00:30:19,440

proof

784

00:30:23,750 --> 00:30:21,360

well now here we are

785

00:30:25,990 --> 00:30:23,760

decades later and everybody does have a

786

00:30:28,549 --> 00:30:26,000

camera in their pocket and sure there's

787

00:30:32,070 --> 00:30:28,559

new ufo photos and video that come out

788

00:30:33,269 --> 00:30:32,080

all the time but but it's not like the

789

00:30:34,870 --> 00:30:33,279

for the most part it's not like the

790

00:30:36,470 --> 00:30:34,880

structured craft sightings that i used

791

00:30:38,149 --> 00:30:36,480

to investigate it's certainly not the

792

00:30:40,789 --> 00:30:38,159

landing type stuff

793

00:30:43,430 --> 00:30:40,799

um so why did that change you know it

794

00:30:45,510 --> 00:30:43,440

that's a question that that i ask myself

795

00:30:48,389 --> 00:30:45,520

a lot

796

00:30:52,310 --> 00:30:48,399

yeah yeah well for for the record what i

797

00:30:55,029 --> 00:30:52,320

saw was a a perfect disc shape in

798

00:30:58,070 --> 00:30:55,039

2007. i mean it looked exactly like the

799

00:30:59,669 --> 00:30:58,080

old the old-fashioned flying saucers

800

00:31:00,950 --> 00:30:59,679

maybe because i'm an antiques guy i

801
00:31:02,710 --> 00:31:00,960
don't know but

802
00:31:04,710 --> 00:31:02,720
anyway that's what i saw here's a

803
00:31:07,430 --> 00:31:04,720
question that just popped up uh what do

804
00:31:10,549 --> 00:31:07,440
you think they're here for i i always

805
00:31:12,710 --> 00:31:10,559
like that question and well

806
00:31:15,190 --> 00:31:12,720
look the thing the thing about this is

807
00:31:16,630 --> 00:31:15,200
is that um

808
00:31:19,750 --> 00:31:16,640
this is a really difficult question for

809
00:31:21,669 --> 00:31:19,760
me to answer and

810
00:31:23,350 --> 00:31:21,679
there's not an easy way for me to say

811
00:31:24,870 --> 00:31:23,360
this and there's not a way for me to say

812
00:31:25,830 --> 00:31:24,880
this that's going to come across as

813
00:31:27,590 --> 00:31:25,840

being

814

00:31:29,990 --> 00:31:27,600

convincing but i'm going to give you the

815

00:31:32,470 --> 00:31:30,000

honest conclusion that i came up with

816

00:31:33,509 --> 00:31:32,480

after years of investigating ufo

817

00:31:35,430 --> 00:31:33,519

sightings

818

00:31:37,029 --> 00:31:35,440

i came to the conclusion that these

819

00:31:39,110 --> 00:31:37,039

sightings represent encounters with a

820

00:31:40,389 --> 00:31:39,120

non-human intelligence that's based on

821

00:31:42,870 --> 00:31:40,399

this planet

822

00:31:45,909 --> 00:31:42,880

i didn't come up with evidence

823

00:31:48,549 --> 00:31:45,919

that suggested that ufos were from space

824

00:31:50,870 --> 00:31:48,559

the evidence that i was confronted with

825

00:31:52,470 --> 00:31:50,880

suggested that they are from here

826
00:31:53,430 --> 00:31:52,480
and so

827
00:31:55,110 --> 00:31:53,440
um

828
00:31:56,789 --> 00:31:55,120
not only do i believe that they're from

829
00:31:58,310 --> 00:31:56,799
here but i believe that they basically

830
00:32:00,149 --> 00:31:58,320
have always been here that they have

831
00:32:01,029 --> 00:32:00,159
been here for as long as we have been

832
00:32:02,230 --> 00:32:01,039
here

833
00:32:03,669 --> 00:32:02,240
um

834
00:32:05,190 --> 00:32:03,679
and

835
00:32:07,669 --> 00:32:05,200
i think that they

836
00:32:10,070 --> 00:32:07,679
interact with human beings

837
00:32:12,230 --> 00:32:10,080
in a deliberate way i think that what

838
00:32:15,190 --> 00:32:12,240

what we might perceive as a bunch of

839

00:32:16,310 --> 00:32:15,200

random chance encounters

840

00:32:18,070 --> 00:32:16,320

actually

841

00:32:21,430 --> 00:32:18,080

is part of a strategy that they have

842

00:32:23,590 --> 00:32:21,440

it's part of a deliberate plan that we

843

00:32:25,110 --> 00:32:23,600

can't really understand that maybe we

844

00:32:27,430 --> 00:32:25,120

aren't equipped to understand or that we

845

00:32:28,310 --> 00:32:27,440

can only guess that but i think that

846

00:32:32,230 --> 00:32:28,320

their

847

00:32:35,590 --> 00:32:32,240

interactions with us is all a part of a

848

00:32:37,190 --> 00:32:35,600

deliberate design and that um i think

849

00:32:39,750 --> 00:32:37,200

that it is negative

850

00:32:42,310 --> 00:32:39,760

for human beings and um so there are

851
00:32:44,950 --> 00:32:42,320
people in this field that i respect

852
00:32:46,710 --> 00:32:44,960
tremendously who totally disagree with

853
00:32:49,590 --> 00:32:46,720
me and there are people who've had

854
00:32:51,269 --> 00:32:49,600
personal experiences that i really

855
00:32:53,350 --> 00:32:51,279
believe and that i i think that they

856
00:32:56,389 --> 00:32:53,360
have insight into this and they believe

857
00:32:58,470 --> 00:32:56,399
that this is a positive thing for people

858
00:33:00,870 --> 00:32:58,480
but that's not what that's not what i

859
00:33:04,470 --> 00:33:00,880
found and that's not where the evidence

860
00:33:05,750 --> 00:33:04,480
eventually led me so um i think that ufo

861
00:33:07,350 --> 00:33:05,760
settings represent a non-human

862
00:33:08,950 --> 00:33:07,360
intelligence based on this planet and i

863
00:33:11,590 --> 00:33:08,960

think that they that they want to

864

00:33:13,909 --> 00:33:11,600

control us and i think that they want to

865

00:33:15,990 --> 00:33:13,919

affect us in a negative way as crazy as

866

00:33:18,070 --> 00:33:16,000

that sounds i i know well i don't i

867

00:33:21,190 --> 00:33:18,080

don't think it's absolutely crazy and

868

00:33:22,549 --> 00:33:21,200

i'm gonna tell you why um that i don't

869

00:33:24,389 --> 00:33:22,559

think it's crazy

870

00:33:26,389 --> 00:33:24,399

i just listened to

871

00:33:27,909 --> 00:33:26,399

the theory of everything as a youtube

872

00:33:29,669 --> 00:33:27,919

channel with kurt

873

00:33:32,149 --> 00:33:29,679

i i can't pronounce his last name and by

874

00:33:34,630 --> 00:33:32,159

the way he'll be on this show sometime

875

00:33:37,110 --> 00:33:34,640

next year kurt will be but um he

876

00:33:39,909 --> 00:33:37,120

interviewed lou elizondo

877

00:33:41,669 --> 00:33:39,919

and um it was a great interview i one of

878

00:33:43,509 --> 00:33:41,679

the best interviews i've heard of

879

00:33:44,630 --> 00:33:43,519

louel's hondo and there's a part in

880

00:33:45,750 --> 00:33:44,640

there

881

00:33:48,950 --> 00:33:45,760

where

882

00:33:50,630 --> 00:33:48,960

lou brings up uh what if

883

00:33:52,310 --> 00:33:50,640

uh we've always thought that we're the

884

00:33:55,029 --> 00:33:52,320

top of the food chain the smartest

885

00:33:57,029 --> 00:33:55,039

beings on the earth but what if the

886

00:33:59,110 --> 00:33:57,039

reality is that

887

00:34:00,950 --> 00:33:59,120

was not true

888

00:34:03,750 --> 00:34:00,960

and the way he puts it he's going to be

889

00:34:05,750 --> 00:34:03,760

on next month on this show and i'm going

890

00:34:07,110 --> 00:34:05,760

to get him to expand into that but he

891

00:34:09,190 --> 00:34:07,120

was kind of

892

00:34:11,349 --> 00:34:09,200

leading along the lines of what you're

893

00:34:14,470 --> 00:34:11,359

talking about so i find this really

894

00:34:16,629 --> 00:34:14,480

fascinating um he didn't go into much

895

00:34:19,349 --> 00:34:16,639

detail but what he kind of posed the

896

00:34:21,190 --> 00:34:19,359

question what if we find out

897

00:34:23,669 --> 00:34:21,200

that we are not

898

00:34:26,550 --> 00:34:23,679

the highest thing on the food chain

899

00:34:27,750 --> 00:34:26,560

so to speak um so i think it's an

900

00:34:29,030 --> 00:34:27,760

interesting i don't think it's

901
00:34:31,349 --> 00:34:29,040
outlandish

902
00:34:33,030 --> 00:34:31,359
i think um and and i like to have

903
00:34:35,270 --> 00:34:33,040
i like to pose

904
00:34:36,950 --> 00:34:35,280
or hear that question

905
00:34:39,270 --> 00:34:36,960
because it's really

906
00:34:41,349 --> 00:34:39,280
an important question to hear different

907
00:34:42,869 --> 00:34:41,359
people's opinions so i'm going to ask

908
00:34:43,589 --> 00:34:42,879
you this

909
00:34:49,909 --> 00:34:43,599
the

910
00:34:50,710 --> 00:34:49,919
evidence would lead you to think that

911
00:34:51,909 --> 00:34:50,720
well

912
00:34:53,589 --> 00:34:51,919
uh

913
00:34:55,669 --> 00:34:53,599

first of all there was my own personal

914

00:34:57,670 --> 00:34:55,679

experience where

915

00:35:00,550 --> 00:34:57,680

i had a lot of really frightening and

916

00:35:02,710 --> 00:35:00,560

negative things happen to my own life

917

00:35:05,349 --> 00:35:02,720

and to people very close to me

918

00:35:06,870 --> 00:35:05,359

when i started to sort of

919

00:35:09,030 --> 00:35:06,880

what what i believe was i was getting

920

00:35:11,670 --> 00:35:09,040

closer to the truth about this thing

921

00:35:14,150 --> 00:35:11,680

during the time that i believed that

922

00:35:16,069 --> 00:35:14,160

ufos were aliens from space

923

00:35:18,550 --> 00:35:16,079

i did have some strange experiences but

924

00:35:20,550 --> 00:35:18,560

they were more in line with you know i

925

00:35:22,069 --> 00:35:20,560

thought that the government was tapping

926
00:35:23,670 --> 00:35:22,079
my phone for example i thought that the

927
00:35:25,990 --> 00:35:23,680
government was taking

928
00:35:27,589 --> 00:35:26,000
files that disappeared out of my filing

929
00:35:28,950 --> 00:35:27,599
cabinet and were later replaced with

930
00:35:31,750 --> 00:35:28,960
photocopies

931
00:35:32,550 --> 00:35:31,760
only later did i really start to realize

932
00:35:33,990 --> 00:35:32,560
okay

933
00:35:35,670 --> 00:35:34,000
i don't think that our government really

934
00:35:37,990 --> 00:35:35,680
knows what this stuff is and i don't

935
00:35:40,630 --> 00:35:38,000
think our government is um

936
00:35:43,190 --> 00:35:40,640
bothering with intimidating a teenage

937
00:35:46,710 --> 00:35:43,200
boy who has joined mufon and is

938
00:35:49,430 --> 00:35:46,720

subscribed to a ufo magazine

939

00:35:51,750 --> 00:35:49,440

when i started to kind of i think have a

940

00:35:53,510 --> 00:35:51,760

more clear picture and a better

941

00:35:56,470 --> 00:35:53,520

understanding of what was really going

942

00:35:58,150 --> 00:35:56,480

on i started to have extremely uh

943

00:36:00,310 --> 00:35:58,160

negative things happening to me in my

944

00:36:02,710 --> 00:36:00,320

own life and to people around me

945

00:36:04,870 --> 00:36:02,720

there were people that i knew that uh

946

00:36:08,230 --> 00:36:04,880

got institutionalized there were people

947

00:36:10,790 --> 00:36:08,240

that i knew who died and um i can't

948

00:36:13,190 --> 00:36:10,800

remember exactly who it was but there is

949

00:36:15,910 --> 00:36:13,200

a famous quote about ufo research that

950

00:36:17,990 --> 00:36:15,920

if you want to find the truth about ufos

951
00:36:19,829 --> 00:36:18,000
follow the trail of bodies i mean there

952
00:36:21,950 --> 00:36:19,839
have been a lot of people who have lost

953
00:36:23,510 --> 00:36:21,960
their lives in really unusual

954
00:36:26,390 --> 00:36:23,520
circumstances

955
00:36:27,270 --> 00:36:26,400
um that were i think maybe getting close

956
00:36:29,190 --> 00:36:27,280
to

957
00:36:31,670 --> 00:36:29,200
the reality of this thing and then if we

958
00:36:34,150 --> 00:36:31,680
kind of zoom out even from that if we

959
00:36:35,670 --> 00:36:34,160
look at the history of ufo sightings

960
00:36:37,990 --> 00:36:35,680
particularly

961
00:36:40,790 --> 00:36:38,000
reports of people who believe that they

962
00:36:43,510 --> 00:36:40,800
were on board the ufos or who were in

963
00:36:46,069 --> 00:36:43,520

contact with the ufo occupants we see

964

00:36:48,950 --> 00:36:46,079

again and again um

965

00:36:50,470 --> 00:36:48,960

people being ruined people dying

966

00:36:54,870 --> 00:36:50,480

um

967

00:36:57,109 --> 00:36:54,880

some interviews about it where i kind of

968

00:36:59,829 --> 00:36:57,119

talked about um

969

00:37:02,310 --> 00:36:59,839

my conclusions and i got i got some

970

00:37:04,069 --> 00:37:02,320

emails from somebody who was i thought

971

00:37:06,069 --> 00:37:04,079

really well informed there was a name

972

00:37:07,910 --> 00:37:06,079

that i didn't recognize but he had some

973

00:37:11,270 --> 00:37:07,920

questions that i thought were really on

974

00:37:13,589 --> 00:37:11,280

point and uh really kind of in line with

975

00:37:16,470 --> 00:37:13,599

with where my research has led me so i

976
00:37:19,349 --> 00:37:16,480
enjoyed corresponding with this person

977
00:37:21,430 --> 00:37:19,359
until one day i asked him i said listen

978
00:37:23,109 --> 00:37:21,440
um you know i gotta ask what's your

979
00:37:23,990 --> 00:37:23,119
background on this stuff what is your

980
00:37:25,750 --> 00:37:24,000
angle

981
00:37:27,190 --> 00:37:25,760
and he said well i was afraid of the day

982
00:37:29,349 --> 00:37:27,200
that you were going to ask me that

983
00:37:32,069 --> 00:37:29,359
question because the reality is is that

984
00:37:34,630 --> 00:37:32,079
uh i'm a baptist minister

985
00:37:36,550 --> 00:37:34,640
and i think that ufos are the demons

986
00:37:40,310 --> 00:37:36,560
that are described in the bible

987
00:37:42,630 --> 00:37:40,320
and i use material that you provide me

988
00:37:44,710 --> 00:37:42,640

for sermons to my congregation

989

00:37:46,230 --> 00:37:44,720

and i didn't respond to his email and i

990

00:37:48,550 --> 00:37:46,240

never talked to him again because that

991

00:37:50,230 --> 00:37:48,560

was the most ridiculous thing i'd ever

992

00:37:51,430 --> 00:37:50,240

heard i personally am not a religious

993

00:37:53,670 --> 00:37:51,440

person

994

00:37:55,829 --> 00:37:53,680

um and at the time

995

00:37:58,390 --> 00:37:55,839

it just sounded so ridiculous and i

996

00:38:01,349 --> 00:37:58,400

dismissed it out of hand as being absurd

997

00:38:03,670 --> 00:38:01,359

but looking back on it years later

998

00:38:05,349 --> 00:38:03,680

you know i'm not saying that i

999

00:38:07,589 --> 00:38:05,359

i'm not saying that i believe that ufos

1000

00:38:11,270 --> 00:38:07,599

are demons to be clear but there are

1001
00:38:14,150 --> 00:38:11,280
parallels there there absolutely are and

1002
00:38:16,630 --> 00:38:14,160
the parallels that are there are really

1003
00:38:18,630 --> 00:38:16,640
no less compelling than any other part

1004
00:38:21,030 --> 00:38:18,640
of the ufo narrative than anything about

1005
00:38:22,069 --> 00:38:21,040
ufos being from space and so

1006
00:38:23,670 --> 00:38:22,079
um

1007
00:38:26,310 --> 00:38:23,680
you know i think that

1008
00:38:28,230 --> 00:38:26,320
it can be very easy for for i understand

1009
00:38:30,310 --> 00:38:28,240
i obviously i'm a human being i have my

1010
00:38:32,550 --> 00:38:30,320
own biases

1011
00:38:34,150 --> 00:38:32,560
everybody does and it can be easy to

1012
00:38:35,510 --> 00:38:34,160
pick and choose

1013
00:38:37,190 --> 00:38:35,520

information

1014

00:38:39,430 --> 00:38:37,200

that fits your

1015

00:38:41,510 --> 00:38:39,440

proposal but i never wanted to do that i

1016

00:38:42,710 --> 00:38:41,520

always viewed myself as being a

1017

00:38:45,190 --> 00:38:42,720

scientist

1018

00:38:47,030 --> 00:38:45,200

objectivity was so important to me and

1019

00:38:49,270 --> 00:38:47,040

looking at things objectively and not

1020

00:38:51,109 --> 00:38:49,280

trying to prove any one hypothesis or

1021

00:38:52,950 --> 00:38:51,119

another that's

1022

00:38:55,910 --> 00:38:52,960

you know that's what i came up with and

1023

00:38:58,069 --> 00:38:55,920

uh and in fact i eventually

1024

00:39:01,270 --> 00:38:58,079

took a a pretty big step away from

1025

00:39:02,630 --> 00:39:01,280

active ufo investigation for a long time

1026

00:39:04,069 --> 00:39:02,640

partially because it became too

1027

00:39:06,150 --> 00:39:04,079

frightening for me

1028

00:39:08,150 --> 00:39:06,160

but also because i felt that i couldn't

1029

00:39:09,750 --> 00:39:08,160

be objective anymore because i had to

1030

00:39:11,829 --> 00:39:09,760

come to terms with what was happening to

1031

00:39:14,310 --> 00:39:11,839

me and realize

1032

00:39:17,670 --> 00:39:14,320

some of this is about me some of this is

1033

00:39:21,030 --> 00:39:17,680

about things that that i'm experiencing

1034

00:39:23,349 --> 00:39:21,040

and that really changed things for me

1035

00:39:24,470 --> 00:39:23,359

well i do remember when i first started

1036

00:39:26,950 --> 00:39:24,480

this

1037

00:39:29,829 --> 00:39:26,960

someone i was talking to said if you

1038

00:39:31,990 --> 00:39:29,839

look deeply into the ufo topic it will

1039

00:39:33,349 --> 00:39:32,000

look deeply back at you have you ever

1040

00:39:35,190 --> 00:39:33,359

heard that expression

1041

00:39:36,630 --> 00:39:35,200

i have and i believe that a hundred

1042

00:39:39,030 --> 00:39:36,640

percent and you know it's really

1043

00:39:40,870 --> 00:39:39,040

interesting because uh

1044

00:39:42,630 --> 00:39:40,880

i'm not going to drop names because i

1045

00:39:44,710 --> 00:39:42,640

don't want to speak on behalf of anybody

1046

00:39:47,910 --> 00:39:44,720

but there's somebody who

1047

00:39:49,270 --> 00:39:47,920

i worked with um as an investigator for

1048

00:39:51,510 --> 00:39:49,280

years who i have

1049

00:39:54,550 --> 00:39:51,520

tremendous respect for

1050

00:39:56,870 --> 00:39:54,560

and he has since moved away and i fell

1051
00:39:59,750 --> 00:39:56,880
out of touch with him for a long time

1052
00:40:01,349 --> 00:39:59,760
and more recently i have taken a more

1053
00:40:02,950 --> 00:40:01,359
active interest in kind of coming to

1054
00:40:04,550 --> 00:40:02,960
grips with some of the crazy stuff that

1055
00:40:05,990 --> 00:40:04,560
happened to me and what my life was like

1056
00:40:08,390 --> 00:40:06,000
in those years

1057
00:40:11,670 --> 00:40:08,400
and so i reached out to him and he was

1058
00:40:13,589 --> 00:40:11,680
thrilled to hear from me and i said

1059
00:40:15,349 --> 00:40:13,599
you know we never really talked about

1060
00:40:19,589 --> 00:40:15,359
this we never talked about the really

1061
00:40:21,270 --> 00:40:19,599
strange things that happened to us

1062
00:40:22,390 --> 00:40:21,280
and he was like i don't know what you're

1063
00:40:24,470 --> 00:40:22,400

talking about

1064

00:40:26,790 --> 00:40:24,480

and i started to kind of list some of

1065

00:40:28,630 --> 00:40:26,800

the really strange things that he and i

1066

00:40:30,309 --> 00:40:28,640

had experienced together

1067

00:40:32,309 --> 00:40:30,319

and his response was kind of like well i

1068

00:40:34,150 --> 00:40:32,319

don't i don't remember it that way i

1069

00:40:35,990 --> 00:40:34,160

don't remember it at all in some cases

1070

00:40:38,470 --> 00:40:36,000

but i know that these things happen i

1071

00:40:40,390 --> 00:40:38,480

have notes from the 1990s that describe

1072

00:40:41,829 --> 00:40:40,400

these things there were other people

1073

00:40:43,190 --> 00:40:41,839

that this stuff happened to there were

1074

00:40:44,550 --> 00:40:43,200

other people that were there and that

1075

00:40:48,309 --> 00:40:44,560

saw this stuff

1076

00:40:51,270 --> 00:40:48,319

and uh i wonder if cause i told him i

1077

00:40:54,230 --> 00:40:51,280

said you know i think that i became so

1078

00:40:56,710 --> 00:40:54,240

focused on ufos and put so much mental

1079

00:40:58,950 --> 00:40:56,720

energy into it that i popped up on the

1080

00:41:00,950 --> 00:40:58,960

radar of whatever this thing is and he

1081

00:41:03,349 --> 00:41:00,960

said well why didn't that happen to me

1082

00:41:05,430 --> 00:41:03,359

and i think that it did

1083

00:41:07,589 --> 00:41:05,440

but i wonder if maybe he

1084

00:41:09,589 --> 00:41:07,599

isn't on some level

1085

00:41:11,589 --> 00:41:09,599

not willing to admit it to himself or

1086

00:41:14,150 --> 00:41:11,599

he's not ready to

1087

00:41:15,030 --> 00:41:14,160

come to grips with what that would mean

1088

00:41:16,790 --> 00:41:15,040

um

1089

00:41:18,069 --> 00:41:16,800

because it is really hard you know it

1090

00:41:21,190 --> 00:41:18,079

took it took me

1091

00:41:22,790 --> 00:41:21,200

a long time to make any sense of it at

1092

00:41:24,470 --> 00:41:22,800

all in my mind

1093

00:41:25,670 --> 00:41:24,480

and

1094

00:41:27,349 --> 00:41:25,680

you know i think

1095

00:41:29,190 --> 00:41:27,359

everybody who

1096

00:41:31,589 --> 00:41:29,200

most of the people that i know who have

1097

00:41:33,829 --> 00:41:31,599

been active in ufo investigation they

1098

00:41:36,870 --> 00:41:33,839

have their own stories of the time that

1099

00:41:38,790 --> 00:41:36,880

um you know my phone died or all the

1100

00:41:40,470 --> 00:41:38,800

photographs didn't come out or whatever

1101

00:41:42,790 --> 00:41:40,480

it is you know everybody has these

1102

00:41:45,109 --> 00:41:42,800

stories and these stories add up to

1103

00:41:46,710 --> 00:41:45,119

something you know they mean something

1104

00:41:49,670 --> 00:41:46,720

and

1105

00:41:51,589 --> 00:41:49,680

ufo ufos as space aliens doesn't give us

1106

00:41:52,710 --> 00:41:51,599

an explanation for that kind of stuff i

1107

00:41:55,030 --> 00:41:52,720

don't think

1108

00:41:57,589 --> 00:41:55,040

right you know what i talked about or i

1109

00:41:59,829 --> 00:41:57,599

just mentioned lou elizondo another

1110

00:42:00,790 --> 00:41:59,839

interview i listened to him uh talk

1111

00:42:02,390 --> 00:42:00,800

about

1112

00:42:03,829 --> 00:42:02,400

that a superior

1113

00:42:06,150 --> 00:42:03,839

at the pentagon

1114

00:42:07,670 --> 00:42:06,160

told him that he thought that it was

1115

00:42:09,829 --> 00:42:07,680

demonic

1116

00:42:12,150 --> 00:42:09,839

which is really bizarre i mean you know

1117

00:42:14,150 --> 00:42:12,160

to hear that someone on that level would

1118

00:42:16,870 --> 00:42:14,160

think you know but i do i do realize a

1119

00:42:20,069 --> 00:42:16,880

lot of people do have religious beliefs

1120

00:42:21,910 --> 00:42:20,079

and it's probably like the catch-all for

1121

00:42:23,750 --> 00:42:21,920

not understanding something and being

1122

00:42:25,670 --> 00:42:23,760

scared of something is that it's demonic

1123

00:42:27,430 --> 00:42:25,680

maybe that's that's why it's used that

1124

00:42:30,950 --> 00:42:27,440

term is used

1125

00:42:34,710 --> 00:42:30,960

i don't know look demons could represent

1126

00:42:37,670 --> 00:42:34,720

another attempt at an explanation

1127

00:42:39,829 --> 00:42:37,680

for for what we call ufos you know or

1128

00:42:41,990 --> 00:42:39,839

what we call aliens or whatever it is

1129

00:42:44,309 --> 00:42:42,000

that aliens and demons could be two

1130

00:42:47,190 --> 00:42:44,319

different interpretations

1131

00:42:49,750 --> 00:42:47,200

of the same stimulus

1132

00:42:51,750 --> 00:42:49,760

and maybe neither of those

1133

00:42:54,470 --> 00:42:51,760

are really right right or maybe one or

1134

00:42:57,750 --> 00:42:54,480

the other is is more correct than the

1135

00:42:59,990 --> 00:42:57,760

other but i think we might just have to

1136

00:43:02,150 --> 00:43:00,000

understand that there's no explanation

1137

00:43:04,710 --> 00:43:02,160

for a lot of this stuff human beings are

1138

00:43:08,390 --> 00:43:04,720

having experiences that i think are

1139

00:43:11,270 --> 00:43:08,400

founded in objective reality that are

1140

00:43:13,750 --> 00:43:11,280

real that they are able to remember and

1141

00:43:16,390 --> 00:43:13,760

recount sincerely

1142

00:43:17,910 --> 00:43:16,400

and and we don't know what it is and uh

1143

00:43:20,230 --> 00:43:17,920

and i don't think we're going to know

1144

00:43:22,550 --> 00:43:20,240

you know i personally have become

1145

00:43:24,150 --> 00:43:22,560

really disheartened

1146

00:43:25,990 --> 00:43:24,160

i don't think that we're ever going to

1147

00:43:27,750 --> 00:43:26,000

have an answer for this stuff you know

1148

00:43:30,230 --> 00:43:27,760

we're even if we talk about

1149

00:43:32,630 --> 00:43:30,240

interdimensional or or demonic these

1150

00:43:35,030 --> 00:43:32,640

terms are really an attempt to explain a

1151
00:43:36,150 --> 00:43:35,040
mystery i think with another mystery and

1152
00:43:38,230 --> 00:43:36,160
in the end

1153
00:43:39,829 --> 00:43:38,240
it's just question marks something that

1154
00:43:41,349 --> 00:43:39,839
i wanted to to get in here while i'm

1155
00:43:42,470 --> 00:43:41,359
thinking about it

1156
00:43:44,309 --> 00:43:42,480
something that i think is really

1157
00:43:46,550 --> 00:43:44,319
important and that is mirrored by things

1158
00:43:48,630 --> 00:43:46,560
that happened to me is an experience

1159
00:43:51,190 --> 00:43:48,640
that was related by john keel in his

1160
00:43:55,430 --> 00:43:51,200
book the mothman prophecies he's talking

1161
00:43:56,870 --> 00:43:55,440
about seeing ufos hovering up in the sky

1162
00:44:00,710 --> 00:43:56,880
in the uh

1163
00:44:02,470 --> 00:44:00,720

in the hills over west virginia and he

1164

00:44:04,870 --> 00:44:02,480

he is trying to signal to them with his

1165

00:44:07,750 --> 00:44:04,880

flashlight and so he signals to them in

1166

00:44:09,910 --> 00:44:07,760

morse code i think the letter l and they

1167

00:44:12,150 --> 00:44:09,920

move to the left and he signals to them

1168

00:44:14,550 --> 00:44:12,160

in morse code r and they move to the

1169

00:44:16,390 --> 00:44:14,560

right so how could they understand the

1170

00:44:18,550 --> 00:44:16,400

language how could they understand the

1171

00:44:20,790 --> 00:44:18,560

spelling morse code it's all so

1172

00:44:23,109 --> 00:44:20,800

ridiculous so it occurred to him i'm

1173

00:44:25,109 --> 00:44:23,119

going to come up with an arbitrary code

1174

00:44:26,950 --> 00:44:25,119

where if i shine the light in a triangle

1175

00:44:28,950 --> 00:44:26,960

it means go left and if i shine it in a

1176

00:44:30,309 --> 00:44:28,960

circle it means go right and he did that

1177

00:44:31,990 --> 00:44:30,319

and they moved

1178

00:44:34,550 --> 00:44:32,000

so he realized

1179

00:44:36,550 --> 00:44:34,560

it wasn't that they understood

1180

00:44:37,990 --> 00:44:36,560

morse code or anything like that it was

1181

00:44:40,309 --> 00:44:38,000

that they were reading his mind they

1182

00:44:41,270 --> 00:44:40,319

were in contact with his mind and that

1183

00:44:43,109 --> 00:44:41,280

is

1184

00:44:46,309 --> 00:44:43,119

i believe

1185

00:44:49,270 --> 00:44:46,319

you know to put it in in his honest and

1186

00:44:53,190 --> 00:44:49,280

blunt terms as possible i believe that i

1187

00:44:55,589 --> 00:44:53,200

focused so heavily on ufos so much

1188

00:44:56,950 --> 00:44:55,599

that i eventually became in mental

1189

00:44:59,030 --> 00:44:56,960

communication with whatever this

1190

00:45:01,349 --> 00:44:59,040

intelligence is and i think that they

1191

00:45:03,349 --> 00:45:01,359

were they were trying to harm me and i

1192

00:45:06,710 --> 00:45:03,359

think they were trying to control me

1193

00:45:08,470 --> 00:45:06,720

and i'm glad and relieved that i made a

1194

00:45:11,270 --> 00:45:08,480

decision to to back away from some of

1195

00:45:13,270 --> 00:45:11,280

the things that i was doing so that

1196

00:45:16,230 --> 00:45:13,280

i wouldn't have this hanging over me

1197

00:45:20,069 --> 00:45:17,510

and i think that everybody who's

1198

00:45:21,430 --> 00:45:20,079

involved in ufo research i know that

1199

00:45:23,349 --> 00:45:21,440

people are going to scoff and listen to

1200

00:45:25,430 --> 00:45:23,359

this but i think it's very dangerous and

1201

00:45:27,190 --> 00:45:25,440

i think that everybody who's involved

1202

00:45:29,589 --> 00:45:27,200

needs to be very careful and needs to be

1203

00:45:31,190 --> 00:45:29,599

cognizant of the fact that there can be

1204

00:45:32,790 --> 00:45:31,200

really negative things that can happen

1205

00:45:36,470 --> 00:45:32,800

to people as a result of looking at this

1206

00:45:40,150 --> 00:45:36,480

stuff i'm convinced of that certainly

1207

00:45:41,430 --> 00:45:40,160

well you know uh so this this thought

1208

00:45:44,390 --> 00:45:41,440

that you have

1209

00:45:45,109 --> 00:45:44,400

that they're possibly already here

1210

00:45:50,150 --> 00:45:45,119

it

1211

00:45:52,550 --> 00:45:50,160

mentioned earlier about telepathy that

1212

00:45:55,589 --> 00:45:52,560

these school children but not only them

1213

00:45:58,150 --> 00:45:55,599

many people claim to have had with

1214

00:45:59,349 --> 00:45:58,160

these entities and that is take care of

1215

00:46:02,710 --> 00:45:59,359

the planet

1216

00:46:07,589 --> 00:46:02,720

then

1217

00:46:10,150 --> 00:46:07,599

even make more sense or

1218

00:46:11,670 --> 00:46:10,160

michael masters says he thinks that dr

1219

00:46:13,829 --> 00:46:11,680

michael masters thinks that they're from

1220

00:46:17,190 --> 00:46:13,839

the future and that would make sense in

1221

00:46:19,990 --> 00:46:17,200

that case as well possibly i don't know

1222

00:46:22,150 --> 00:46:20,000

look i i agree with you that um there

1223

00:46:24,150 --> 00:46:22,160

are elements of their messages that can

1224

00:46:26,870 --> 00:46:24,160

be used to

1225

00:46:28,470 --> 00:46:26,880

um try to extrapolate maybe what these

1226
00:46:31,349 --> 00:46:28,480
things could be but

1227
00:46:33,670 --> 00:46:31,359
i really think that

1228
00:46:34,790 --> 00:46:33,680
for me looking at all of the people that

1229
00:46:37,430 --> 00:46:34,800
have been

1230
00:46:38,870 --> 00:46:37,440
in communication with this stuff and all

1231
00:46:41,589 --> 00:46:38,880
of the

1232
00:46:43,430 --> 00:46:41,599
messages that they've conveyed and how

1233
00:46:45,510 --> 00:46:43,440
this has affected people and what the

1234
00:46:47,829 --> 00:46:45,520
actual practical effects and

1235
00:46:49,109 --> 00:46:47,839
ramifications have been on people from

1236
00:46:50,710 --> 00:46:49,119
this stuff

1237
00:46:53,030 --> 00:46:50,720
i think that they are deceptive i think

1238
00:46:55,030 --> 00:46:53,040

that they're lying and i i don't take

1239

00:46:57,030 --> 00:46:55,040

what they say at face value i think that

1240

00:46:58,630 --> 00:46:57,040

they want us to think

1241

00:47:00,950 --> 00:46:58,640

that they're aliens you know i think

1242

00:47:04,390 --> 00:47:00,960

that they want us to think certain

1243

00:47:06,950 --> 00:47:04,400

things and that they act somehow

1244

00:47:09,270 --> 00:47:06,960

in some way that we can't understand as

1245

00:47:11,109 --> 00:47:09,280

a control mechanism you know i i

1246

00:47:14,230 --> 00:47:11,119

personally have given up on trying to

1247

00:47:17,030 --> 00:47:14,240

understand their motivations i think

1248

00:47:19,670 --> 00:47:17,040

this is a metaphor that a lot of people

1249

00:47:22,069 --> 00:47:19,680

have probably used in the past but

1250

00:47:24,390 --> 00:47:22,079

that of ants in an ant farm trying to

1251
00:47:26,390 --> 00:47:24,400
guess at the motivation of the person

1252
00:47:27,990 --> 00:47:26,400
who puts the sugar water in there

1253
00:47:30,150 --> 00:47:28,000
they're never going to figure it out

1254
00:47:32,470 --> 00:47:30,160
because it's just a total other level of

1255
00:47:35,270 --> 00:47:32,480
being that they just can't grasp and i

1256
00:47:37,750 --> 00:47:35,280
think that's where we're at here

1257
00:47:39,589 --> 00:47:37,760
very well could be very well could be

1258
00:47:41,829 --> 00:47:39,599
what why but

1259
00:47:44,790 --> 00:47:41,839
using your thought process again here

1260
00:47:46,549 --> 00:47:44,800
why would they need a structured craft

1261
00:47:49,829 --> 00:47:46,559
i think that the appearance of the

1262
00:47:51,589 --> 00:47:49,839
structured craft is a deliberate ruse i

1263
00:47:54,150 --> 00:47:51,599

think that

1264

00:47:56,549 --> 00:47:54,160

they appear in various guises they

1265

00:47:59,750 --> 00:47:56,559

manifest themselves in various different

1266

00:48:01,990 --> 00:47:59,760

forms in order to get people to think

1267

00:48:04,069 --> 00:48:02,000

one thing or another about them

1268

00:48:05,510 --> 00:48:04,079

we alluded earlier to the bridgewater

1269

00:48:07,510 --> 00:48:05,520

triangle which is this area in

1270

00:48:10,390 --> 00:48:07,520

massachusetts which has a lot of ufo

1271

00:48:12,549 --> 00:48:10,400

sightings it also has had a lot of

1272

00:48:15,030 --> 00:48:12,559

bigfoot sightings over time and there's

1273

00:48:17,030 --> 00:48:15,040

a lot of haunted houses there and

1274

00:48:18,630 --> 00:48:17,040

there's all kinds of monster sightings

1275

00:48:20,870 --> 00:48:18,640

and creepy creatures and stuff that

1276

00:48:23,589 --> 00:48:20,880

people see out there in the swamp and

1277

00:48:25,750 --> 00:48:23,599

when i started to look at ufo sightings

1278

00:48:28,950 --> 00:48:25,760

there i was only interested in the ufo

1279

00:48:30,790 --> 00:48:28,960

sightings and so many times people would

1280

00:48:32,390 --> 00:48:30,800

report to me oh you know there was

1281

00:48:34,549 --> 00:48:32,400

another weird thing that happened to me

1282

00:48:35,990 --> 00:48:34,559

you know my house is haunted or the

1283

00:48:38,309 --> 00:48:36,000

neighbor said they saw a bigfoot

1284

00:48:40,230 --> 00:48:38,319

creature out in the back 40 or whatever

1285

00:48:42,230 --> 00:48:40,240

it is and i would sweep that stuff under

1286

00:48:43,750 --> 00:48:42,240

the rug i thought it was embarrassing

1287

00:48:47,270 --> 00:48:43,760

i thought it detracted from the

1288

00:48:53,510 --> 00:48:50,630

eventually i was forced to

1289

00:48:55,030 --> 00:48:53,520

to kind of admit to myself okay well

1290

00:48:56,790 --> 00:48:55,040

you know look there's not better

1291

00:48:58,630 --> 00:48:56,800

evidence for the ufo stuff in this

1292

00:49:00,710 --> 00:48:58,640

region than for the

1293

00:49:03,430 --> 00:49:00,720

the bigfoot stuff in this region or the

1294

00:49:05,270 --> 00:49:03,440

ghosts or whatever and and i can't

1295

00:49:07,349 --> 00:49:05,280

really

1296

00:49:09,030 --> 00:49:07,359

be claimed to be looking at this in a

1297

00:49:12,390 --> 00:49:09,040

scientific way

1298

00:49:14,150 --> 00:49:12,400

and and just forget about the fact that

1299

00:49:15,829 --> 00:49:14,160

what are the chances that's a this is a

1300

00:49:17,430 --> 00:49:15,839

coincidence that when i go to

1301

00:49:19,030 --> 00:49:17,440

investigate a ufo sighting there's a

1302

00:49:20,950 --> 00:49:19,040

bigfoot sighting that's associated with

1303

00:49:22,710 --> 00:49:20,960

it in some way or the many people who

1304

00:49:24,710 --> 00:49:22,720

told me they saw ufo and bigfoot at the

1305

00:49:26,390 --> 00:49:24,720

same time you know i'm using the term

1306

00:49:28,470 --> 00:49:26,400

bigfoot here as a as kind of a

1307

00:49:31,270 --> 00:49:28,480

colloquial term right people know what

1308

00:49:34,950 --> 00:49:31,280

i'm talking about it's just hairy

1309

00:49:36,069 --> 00:49:34,960

monster giant whatever it is um and so i

1310

00:49:37,510 --> 00:49:36,079

came to the conclusion all right well

1311

00:49:39,430 --> 00:49:37,520

i'd better start looking at this stuff

1312

00:49:40,710 --> 00:49:39,440

too and i looked at that stuff and came

1313

00:49:42,390 --> 00:49:40,720

to the conclusion that there is

1314

00:49:43,270 --> 00:49:42,400

absolutely a link between these two

1315

00:49:47,190 --> 00:49:43,280

things

1316

00:49:49,910 --> 00:49:47,200

and

1317

00:49:51,829 --> 00:49:49,920

what if there's an intelligence

1318

00:49:53,670 --> 00:49:51,839

that's trying to control how we think

1319

00:49:56,230 --> 00:49:53,680

about things we're trying to control how

1320

00:49:58,069 --> 00:49:56,240

we act in some way that we can't grasp

1321

00:50:00,549 --> 00:49:58,079

at because it's so alien to our human

1322

00:50:01,990 --> 00:50:00,559

intelligence that we can't figure out

1323

00:50:03,430 --> 00:50:02,000

what their motivation could possibly be

1324

00:50:05,349 --> 00:50:03,440

we just can't guess it

1325

00:50:07,990 --> 00:50:05,359

what if this intelligence

1326

00:50:10,150 --> 00:50:08,000

can use energy somehow to manifest

1327

00:50:13,109 --> 00:50:10,160

itself in different ways what if that

1328

00:50:16,390 --> 00:50:13,119

structured craft isn't really a metal

1329

00:50:20,150 --> 00:50:16,400

craft what if that bigfoot isn't really

1330

00:50:23,109 --> 00:50:20,160

a hairy monster that lives in the woods

1331

00:50:26,069 --> 00:50:23,119

but is a manifestation of something that

1332

00:50:28,309 --> 00:50:26,079

is presented to you that is in contact

1333

00:50:30,309 --> 00:50:28,319

with your mind that's responding to how

1334

00:50:33,349 --> 00:50:30,319

you're responding to it and that is what

1335

00:50:35,030 --> 00:50:33,359

i think is happening here

1336

00:50:37,510 --> 00:50:35,040

you know it's uh

1337

00:50:40,870 --> 00:50:37,520

it makes me wonder do you think that

1338

00:50:44,549 --> 00:50:40,880

these whatever they are are organic or

1339

00:50:47,030 --> 00:50:44,559

do you think it's like an energy instead

1340

00:50:48,390 --> 00:50:47,040

well i think that it's i think that it's

1341

00:50:49,510 --> 00:50:48,400

using energy

1342

00:50:52,150 --> 00:50:49,520

to

1343

00:50:54,390 --> 00:50:52,160

show itself and i don't think it's a

1344

00:50:57,270 --> 00:50:54,400

coin it's coincidence that we have so

1345

00:50:59,589 --> 00:50:57,280

many ufo sightings that are in the

1346

00:51:01,190 --> 00:50:59,599

vicinity of high tension power lines i

1347

00:51:03,030 --> 00:51:01,200

also don't think

1348

00:51:04,309 --> 00:51:03,040

that it's a coincidence that there are

1349

00:51:07,190 --> 00:51:04,319

so many

1350

00:51:08,390 --> 00:51:07,200

ufo sightings that are

1351
00:51:10,630 --> 00:51:08,400
that take place

1352
00:51:13,589 --> 00:51:10,640
adjacent to places that were important

1353
00:51:14,710 --> 00:51:13,599
to prehistoric people um i'll give you

1354
00:51:16,710 --> 00:51:14,720
kind of a

1355
00:51:18,470 --> 00:51:16,720
sort of a really quick overview of kind

1356
00:51:22,630 --> 00:51:18,480
of what i'm talking about here

1357
00:51:24,069 --> 00:51:22,640
um i'm really interested in these uh

1358
00:51:25,829 --> 00:51:24,079
man-made

1359
00:51:27,510 --> 00:51:25,839
stone constructions that are all over

1360
00:51:29,109 --> 00:51:27,520
new england that i think were built by

1361
00:51:30,790 --> 00:51:29,119
prehistoric native americans these

1362
00:51:33,270 --> 00:51:30,800
structures take many forms there are

1363
00:51:35,670 --> 00:51:33,280

stone rose like what we would call a

1364

00:51:37,270 --> 00:51:35,680

stone wall there are piles of stone and

1365

00:51:39,990 --> 00:51:37,280

there are also chambers which are

1366

00:51:42,069 --> 00:51:40,000

man-made underground caves of various

1367

00:51:45,349 --> 00:51:42,079

size they are very old

1368

00:51:47,109 --> 00:51:45,359

um i have uh you know i've visited many

1369

00:51:49,510 --> 00:51:47,119

many of these things over the years i'm

1370

00:51:52,390 --> 00:51:49,520

really interested in this aspect of

1371

00:51:54,710 --> 00:51:52,400

what i believe to be pre-history in new

1372

00:51:58,230 --> 00:51:54,720

england it is a fact that nobody really

1373

00:51:59,910 --> 00:51:58,240

knows how old these things are

1374

00:52:01,510 --> 00:51:59,920

that is to say there are there are

1375

00:52:03,510 --> 00:52:01,520

archaeologists that believe all of these

1376

00:52:05,430 --> 00:52:03,520

things date from colonial or

1377

00:52:07,750 --> 00:52:05,440

post-colonial time

1378

00:52:09,589 --> 00:52:07,760

there's not you know a parallel to ufos

1379

00:52:12,790 --> 00:52:09,599

here is that i don't think that there is

1380

00:52:14,390 --> 00:52:12,800

really any absolute proof that these are

1381

00:52:16,549 --> 00:52:14,400

pre-colonial but i think there's a

1382

00:52:17,430 --> 00:52:16,559

tremendous amount of evidence that they

1383

00:52:23,030 --> 00:52:17,440

are

1384

00:52:25,270 --> 00:52:23,040

detected at these places um just holding

1385

00:52:27,030 --> 00:52:25,280

a simple compass in your hand and

1386

00:52:28,870 --> 00:52:27,040

entering one of these structures you can

1387

00:52:31,670 --> 00:52:28,880

often see that compass needle start to

1388

00:52:32,870 --> 00:52:31,680

move sometimes really dramatically so

1389

00:52:34,390 --> 00:52:32,880

there's there's some kind of

1390

00:52:36,549 --> 00:52:34,400

electromagnetic

1391

00:52:38,710 --> 00:52:36,559

situation of some kind happening there

1392

00:52:41,030 --> 00:52:38,720

that we can measure with simple

1393

00:52:45,109 --> 00:52:41,040

instruments and i believe that in

1394

00:52:48,549 --> 00:52:45,119

prehistoric times before tv before 4g

1395

00:52:50,150 --> 00:52:48,559

before radio before electricity you know

1396

00:52:52,470 --> 00:52:50,160

i'm sitting in a room right now full of

1397

00:52:54,549 --> 00:52:52,480

electric lights in my phone and if i had

1398

00:52:57,589 --> 00:52:54,559

a meter i could read all of this stuff

1399

00:52:58,950 --> 00:52:57,599

now well people in prehistoric times

1400

00:53:00,790 --> 00:52:58,960

they didn't have any of that energy

1401
00:53:03,670 --> 00:53:00,800
around but i believe that they could

1402
00:53:05,430 --> 00:53:03,680
detect subtle changes in

1403
00:53:07,349 --> 00:53:05,440
the earth's energy in the earth's

1404
00:53:09,829 --> 00:53:07,359
electromagnetic field and that they

1405
00:53:12,390 --> 00:53:09,839
chose these places to be sacred and that

1406
00:53:14,630 --> 00:53:12,400
they made these places into places of

1407
00:53:17,109 --> 00:53:14,640
ritual and then today

1408
00:53:20,230 --> 00:53:17,119
um we see ufo sightings taking place in

1409
00:53:21,510 --> 00:53:20,240
these places and why if they're aliens

1410
00:53:23,270 --> 00:53:21,520
from space

1411
00:53:24,950 --> 00:53:23,280
why is there a correlation between

1412
00:53:27,030 --> 00:53:24,960
places where they're seen in places that

1413
00:53:28,950 --> 00:53:27,040

were important to prehistoric people but

1414

00:53:31,270 --> 00:53:28,960

if they're using energy

1415

00:53:32,870 --> 00:53:31,280

to show themselves then maybe there is

1416

00:53:35,829 --> 00:53:32,880

something about the energy that was

1417

00:53:38,230 --> 00:53:35,839

important to prehistoric people

1418

00:53:40,829 --> 00:53:38,240

that can be used by this phenomenon in

1419

00:53:45,430 --> 00:53:40,839

order to manifest itself or maybe

1420

00:53:47,670 --> 00:53:45,440

um prehistoric people created these uh

1421

00:53:49,510 --> 00:53:47,680

constructions at their sacred sites at

1422

00:53:51,109 --> 00:53:49,520

places that were sacred because they had

1423

00:53:53,430 --> 00:53:51,119

encounters there with some kind of

1424

00:53:55,190 --> 00:53:53,440

intelligence like the encounters that we

1425

00:53:57,190 --> 00:53:55,200

have there with some kind of

1426

00:53:58,870 --> 00:53:57,200

intelligence only in a different form

1427

00:54:01,190 --> 00:53:58,880

you know we can

1428

00:54:03,910 --> 00:54:01,200

so much of this there's there's no proof

1429

00:54:05,670 --> 00:54:03,920

of it and it's just all speculation but

1430

00:54:08,150 --> 00:54:05,680

but i think like i say i think there's

1431

00:54:09,510 --> 00:54:08,160

evidence for it and um you know that

1432

00:54:11,030 --> 00:54:09,520

those are kind of the conclusions that i

1433

00:54:12,790 --> 00:54:11,040

came up with

1434

00:54:15,270 --> 00:54:12,800

very very interesting we're going to be

1435

00:54:18,230 --> 00:54:15,280

going into break in just a second i when

1436

00:54:20,150 --> 00:54:18,240

i was i was in russia a few times and

1437

00:54:21,750 --> 00:54:20,160

got to look at the early dolmens they're

1438

00:54:23,910 --> 00:54:21,760

called dolmens and they're stone

1439

00:54:24,630 --> 00:54:23,920

structures with a little hole in them

1440

00:54:27,349 --> 00:54:24,640

that

1441

00:54:29,589 --> 00:54:27,359

it a body unless it's a real you know a

1442

00:54:30,950 --> 00:54:29,599

child couldn't really fit into them very

1443

00:54:32,549 --> 00:54:30,960

curious things and you're right about

1444

00:54:34,470 --> 00:54:32,559

stone they have absolutely no way to

1445

00:54:35,990 --> 00:54:34,480

date it you know the stone is a million

1446

00:54:37,109 --> 00:54:36,000

years old and it's not like pottery

1447

00:54:38,870 --> 00:54:37,119

where you can

1448

00:54:40,230 --> 00:54:38,880

or or would or something like that

1449

00:54:41,349 --> 00:54:40,240

something organic where you can get a

1450

00:54:43,670 --> 00:54:41,359

date on it

1451
00:54:45,430 --> 00:54:43,680
um we are ready to go into break it's a

1452
00:54:49,190 --> 00:54:45,440
four minute break

1453
00:54:50,789 --> 00:54:49,200
and uh the break of is over at kg r a

1454
00:54:53,109 --> 00:54:50,799
radio but i'm going to be going to be

1455
00:54:56,150 --> 00:54:53,119
playing a video and this is elton i

1456
00:54:59,589 --> 00:54:56,160
talked to he had a schoolyard um

1457
00:55:01,829 --> 00:54:59,599
ufo sighting in the 1960s in oakland

1458
00:55:03,190 --> 00:55:01,839
california and we're going to roll with

1459
00:55:05,510 --> 00:55:03,200
that so

1460
00:55:12,950 --> 00:55:05,520
over at kgra radio we'll be back in

1461
00:55:17,670 --> 00:55:14,270
the year is

1462
00:55:19,430 --> 00:55:17,680
1963 i'm in the third grade at franklin

1463
00:55:22,150 --> 00:55:19,440

grammar school

1464

00:55:25,109 --> 00:55:22,160

we're at recess and uh

1465

00:55:28,150 --> 00:55:25,119

i played marbles the entire half hour

1466

00:55:30,789 --> 00:55:28,160

and we were all waiting for the uh

1467

00:55:32,150 --> 00:55:30,799

the recess beltering to go back into

1468

00:55:34,069 --> 00:55:32,160

class

1469

00:55:36,069 --> 00:55:34,079

and i'm playing with my marbles with a

1470

00:55:38,630 --> 00:55:36,079

big pocketful of them and talking to a

1471

00:55:40,470 --> 00:55:38,640

buddy of mine and the bell rings and

1472

00:55:41,990 --> 00:55:40,480

everybody starts piling into their

1473

00:55:43,990 --> 00:55:42,000

classes

1474

00:55:45,829 --> 00:55:44,000

and i wasn't in a huge rush to go back

1475

00:55:47,670 --> 00:55:45,839

to class because i know we had an exam

1476

00:55:48,630 --> 00:55:47,680

of some kind

1477

00:55:53,750 --> 00:55:48,640

so

1478

00:55:55,030 --> 00:55:53,760

was a bright sunny day about 11 o'clock

1479

00:55:56,150 --> 00:55:55,040

uh before

1480

00:55:59,910 --> 00:55:56,160

noon

1481

00:56:00,870 --> 00:55:59,920

and i see this huge golden

1482

00:56:02,710 --> 00:56:00,880

thing

1483

00:56:04,789 --> 00:56:02,720

just sitting in the air

1484

00:56:07,270 --> 00:56:04,799

making no noise

1485

00:56:09,349 --> 00:56:07,280

and it's it's so bright i could only

1486

00:56:11,670 --> 00:56:09,359

look at it for two or three seconds

1487

00:56:13,910 --> 00:56:11,680

maybe not even that long at a time

1488

00:56:15,910 --> 00:56:13,920

and i noticed the guy was with couldn't

1489

00:56:17,349 --> 00:56:15,920

look at it it was too bright for him so

1490

00:56:20,309 --> 00:56:17,359

he went and

1491

00:56:21,910 --> 00:56:20,319

after about 20 or 30 minutes i i

1492

00:56:23,030 --> 00:56:21,920

couldn't bear to look at it it was so

1493

00:56:26,230 --> 00:56:23,040

painful

1494

00:56:28,870 --> 00:56:26,240

and i looked around and i noticed it was

1495

00:56:30,549 --> 00:56:28,880

so huge the craft itself was blocking

1496

00:56:32,309 --> 00:56:30,559

the sun so i could

1497

00:56:34,789 --> 00:56:32,319

remember thinking to myself how could it

1498

00:56:35,829 --> 00:56:34,799

be so bright under there it was solid

1499

00:56:40,789 --> 00:56:35,839

gold

1500

00:56:41,750 --> 00:56:40,799

very convoluted and sculptured from

1501
00:56:44,789 --> 00:56:41,760
below

1502
00:56:47,270 --> 00:56:44,799
and it seemed like the height it seemed

1503
00:56:50,069 --> 00:56:47,280
like i could throw a marble and hit it

1504
00:56:51,589 --> 00:56:50,079
it was probably a hundred feet up

1505
00:56:53,190 --> 00:56:51,599
and so let me just ask you a couple

1506
00:56:54,950 --> 00:56:53,200
things first of all this is in oakland

1507
00:56:55,990 --> 00:56:54,960
california for

1508
00:56:58,390 --> 00:56:56,000
example

1509
00:56:59,750 --> 00:56:58,400
and when you saw this

1510
00:57:01,430 --> 00:56:59,760
uh you were out on the playground you

1511
00:57:02,309 --> 00:57:01,440
wanted to go in how many kids would you

1512
00:57:04,150 --> 00:57:02,319
say

1513
00:57:06,789 --> 00:57:04,160

uh were out there at the time and how

1514

00:57:08,710 --> 00:57:06,799

many were was there yelling and anything

1515

00:57:12,150 --> 00:57:08,720

else going on yeah there was must have

1516

00:57:13,670 --> 00:57:12,160

been a hundred kids on the lot and uh

1517

00:57:15,910 --> 00:57:13,680

the bell rang

1518

00:57:17,270 --> 00:57:15,920

everybody started piling into class and

1519

00:57:19,750 --> 00:57:17,280

by the time

1520

00:57:22,470 --> 00:57:19,760

i got to class i was the only one on the

1521

00:57:23,190 --> 00:57:22,480

uh on the pavement

1522

00:57:24,549 --> 00:57:23,200

because

1523

00:57:26,230 --> 00:57:24,559

i just couldn't believe it it was the

1524

00:57:29,190 --> 00:57:26,240

most beautiful thing i've ever seen in

1525

00:57:32,069 --> 00:57:29,200

my life there's no way in the world i

1526

00:57:34,230 --> 00:57:32,079

could have imagined something like that

1527

00:57:36,069 --> 00:57:34,240

it was so bright and beautiful but it

1528

00:57:37,349 --> 00:57:36,079

was frustrating because i could only

1529

00:57:39,670 --> 00:57:37,359

look at it for

1530

00:57:41,190 --> 00:57:39,680

two or three seconds at a time then i

1531

00:57:43,030 --> 00:57:41,200

had to look down

1532

00:57:44,309 --> 00:57:43,040

and rest my eyes for a second you know

1533

00:57:46,870 --> 00:57:44,319

what i mean

1534

00:57:48,789 --> 00:57:46,880

yeah and uh did you tell teachers your

1535

00:57:50,789 --> 00:57:48,799

parents or anyone

1536

00:57:53,109 --> 00:57:50,799

gosh you know to be honest with you i

1537

00:57:55,030 --> 00:57:53,119

didn't tell anybody for four or five

1538

00:57:57,270 --> 00:57:55,040

years

1539

00:57:58,870 --> 00:57:57,280

and then i looked uh to see if i could

1540

00:58:01,910 --> 00:57:58,880

find if there were any other sightings

1541

00:58:04,710 --> 00:58:01,920

that year because it was just incredible

1542

00:58:06,710 --> 00:58:04,720

it was just incredible so then i finally

1543

00:58:08,390 --> 00:58:06,720

i said man this thing is frustrating and

1544

00:58:09,910 --> 00:58:08,400

i never felt scared

1545

00:58:12,549 --> 00:58:09,920

because it was just sitting there and i

1546

00:58:14,549 --> 00:58:12,559

kept thinking how could it possibly just

1547

00:58:16,150 --> 00:58:14,559

sit there and not make any sounds let's

1548

00:58:17,109 --> 00:58:16,160

hold it up

1549

00:58:18,549 --> 00:58:17,119

and uh

1550

00:58:20,870 --> 00:58:18,559

did you see it leave

1551

00:58:23,829 --> 00:58:20,880

no i didn't i had to get back to class

1552

00:58:25,589 --> 00:58:23,839

because um i i think i might have spent

1553

00:58:27,510 --> 00:58:25,599

seven or eight minutes i was late to

1554

00:58:30,630 --> 00:58:27,520

class

1555

00:58:32,950 --> 00:58:30,640

yeah yeah well uh that this is all

1556

00:58:34,710 --> 00:58:32,960

really fascinating and uh so we're at

1557

00:58:36,390 --> 00:58:34,720

the end of our time but thank you so

1558

00:58:37,829 --> 00:58:36,400

much elton i really appreciate you

1559

00:58:39,430 --> 00:58:37,839

talking about it and now maybe we can

1560

00:58:41,270 --> 00:58:39,440

talk about this more sometime because it

1561

00:58:43,589 --> 00:58:41,280

really yeah i have the other siding too

1562

00:58:45,030 --> 00:58:43,599

i can tell you about i don't know if you

1563

00:58:46,710 --> 00:58:45,040

i think you might have

1564

00:58:49,109 --> 00:58:46,720

mentioned it yeah we talked about on the

1565

00:59:11,030 --> 00:58:49,119

phone we'll we'll have you back on again

1566

00:59:18,309 --> 00:59:12,630

and we should be coming back in about 10

1567

00:59:21,589 --> 00:59:19,430

in three

1568

00:59:23,750 --> 00:59:21,599

two one go

1569

00:59:26,470 --> 00:59:23,760

all right welcome back my guest uh

1570

00:59:28,230 --> 00:59:26,480

fascinating conversation is uh with uh

1571

00:59:30,150 --> 00:59:28,240

chris pittman

1572

00:59:31,430 --> 00:59:30,160

welcome back chris

1573

00:59:33,829 --> 00:59:31,440

thanks

1574

00:59:36,069 --> 00:59:33,839

uh yeah so this is uh this is all

1575

00:59:37,430 --> 00:59:36,079

fascinating that's why i like to have i

1576

00:59:39,990 --> 00:59:37,440

didn't know you're gonna go into this

1577

00:59:43,190 --> 00:59:40,000

direction and i think it's

1578

00:59:44,870 --> 00:59:43,200

very interesting and i don't discount

1579

00:59:45,829 --> 00:59:44,880

anything because i certainly don't

1580

00:59:48,150 --> 00:59:45,839

believe

1581

00:59:50,069 --> 00:59:48,160

that anyone out there really truly has

1582

00:59:51,990 --> 00:59:50,079

an answer and the theories are all we

1583

00:59:52,870 --> 00:59:52,000

can really rely on

1584

00:59:55,829 --> 00:59:52,880

but

1585

00:59:58,309 --> 00:59:55,839

so let's just say that it's possible

1586

01:00:00,390 --> 00:59:58,319

whatever these things are

1587

01:00:02,950 --> 01:00:00,400

are just some type of energy and they

1588

01:00:05,589 --> 01:00:02,960

have way ways of uh

1589

01:00:06,710 --> 01:00:05,599

of cloaking and ways of

1590

01:00:09,030 --> 01:00:06,720

um

1591

01:00:10,309 --> 01:00:09,040

of making us think that they are

1592

01:00:12,549 --> 01:00:10,319

something else

1593

01:00:15,589 --> 01:00:12,559

um

1594

01:00:17,910 --> 01:00:15,599

where would they you know this is again

1595

01:00:19,750 --> 01:00:17,920

nothing you can prove it's all just you

1596

01:00:21,750 --> 01:00:19,760

know your theories and thoughts on this

1597

01:00:23,990 --> 01:00:21,760

but where would something like that i

1598

01:00:26,150 --> 01:00:24,000

don't know if the right word is called

1599

01:00:27,270 --> 01:00:26,160

housed where would they be housed where

1600

01:00:31,829 --> 01:00:27,280

would they

1601

01:00:33,190 --> 01:00:31,839

you know that's that's it's a tough

1602

01:00:35,270 --> 01:00:33,200

question it's i don't really have an

1603

01:00:37,990 --> 01:00:35,280

answer for it um

1604

01:00:39,910 --> 01:00:38,000

i don't think that these things

1605

01:00:41,670 --> 01:00:39,920

you know again

1606

01:00:42,630 --> 01:00:41,680

like you say

1607

01:00:44,069 --> 01:00:42,640

look

1608

01:00:45,349 --> 01:00:44,079

i don't think anybody has an answer

1609

01:00:47,829 --> 01:00:45,359

nobody has an answer these things are

1610

01:00:49,430 --> 01:00:47,839

unidentified so um

1611

01:00:52,069 --> 01:00:49,440

there's also there's a possibility that

1612

01:00:53,670 --> 01:00:52,079

some of these things could be uh aliens

1613

01:00:55,270 --> 01:00:53,680

from space and structured craft it is

1614

01:00:57,750 --> 01:00:55,280

certainly possible

1615

01:00:59,430 --> 01:00:57,760

that some percentage of ufo sightings

1616

01:01:02,309 --> 01:00:59,440

represent that and and some of them

1617

01:01:03,829 --> 01:01:02,319

could also represent this um based on

1618

01:01:05,030 --> 01:01:03,839

this planet intelligence that i'm

1619

01:01:07,270 --> 01:01:05,040

talking about

1620

01:01:08,230 --> 01:01:07,280

but i think i don't think it's possible

1621

01:01:09,670 --> 01:01:08,240

i don't think it's ever going to be

1622

01:01:11,349 --> 01:01:09,680

possible for us

1623

01:01:13,670 --> 01:01:11,359

to walk up to

1624

01:01:15,510 --> 01:01:13,680

the ufos that are responsible for

1625

01:01:17,190 --> 01:01:15,520

abducting people that are responsible

1626
01:01:19,829 --> 01:01:17,200
for the majority of the sightings that

1627
01:01:22,390 --> 01:01:19,839
i've investigated

1628
01:01:23,750 --> 01:01:22,400
and just kick the tires and take a piece

1629
01:01:25,910 --> 01:01:23,760
of metal off

1630
01:01:28,789 --> 01:01:25,920
i don't think that these things exist in

1631
01:01:30,549 --> 01:01:28,799
our they exist in an objective reality

1632
01:01:32,549 --> 01:01:30,559
and that we can see them we can record

1633
01:01:35,349 --> 01:01:32,559
them we can measure them but i don't

1634
01:01:37,430 --> 01:01:35,359
think they exist in our physical reality

1635
01:01:41,510 --> 01:01:37,440
in the sense of

1636
01:01:42,870 --> 01:01:41,520
that we could fly a ufo into a hangar

1637
01:01:44,309 --> 01:01:42,880
and take it apart and find out what

1638
01:01:46,549 --> 01:01:44,319

makes it go

1639

01:01:48,950 --> 01:01:46,559

you know there there are certainly

1640

01:01:50,950 --> 01:01:48,960

things that we don't know about there's

1641

01:01:53,430 --> 01:01:50,960

we don't know what's at the bottom of a

1642

01:01:54,470 --> 01:01:53,440

lot of the ocean we don't know

1643

01:01:56,630 --> 01:01:54,480

um

1644

01:01:58,950 --> 01:01:56,640

you know there's what might be under the

1645

01:02:01,109 --> 01:01:58,960

ground in some places so there's always

1646

01:02:04,069 --> 01:02:01,119

the possibility that

1647

01:02:05,750 --> 01:02:04,079

there could be some kind of terrestrial

1648

01:02:08,069 --> 01:02:05,760

race that we don't know about is

1649

01:02:09,109 --> 01:02:08,079

absolutely laughable is that sound i i

1650

01:02:13,430 --> 01:02:09,119

wouldn't

1651

01:02:15,910 --> 01:02:13,440

that was somehow found and confirmed to

1652

01:02:18,950 --> 01:02:15,920

be real but i think the stuff that i'm

1653

01:02:21,510 --> 01:02:18,960

talking about it exists in some realm

1654

01:02:23,430 --> 01:02:21,520

you know like i say interdimensional or

1655

01:02:25,910 --> 01:02:23,440

pick whatever other term you want to

1656

01:02:28,710 --> 01:02:25,920

describe something that nobody knows

1657

01:02:31,270 --> 01:02:28,720

what it is or what it really means

1658

01:02:33,029 --> 01:02:31,280

yes we're we're actually in the uh

1659

01:02:34,710 --> 01:02:33,039

another half hour so i'm going to be

1660

01:02:36,470 --> 01:02:34,720

opening the phone lines we're having a

1661

01:02:37,670 --> 01:02:36,480

couple of questions pop in here and i'm

1662

01:02:39,510 --> 01:02:37,680

sure people

1663

01:02:41,990 --> 01:02:39,520

want to talk to you uh that is a screen

1664

01:02:43,430 --> 01:02:42,000

call would be coming in um so anyway

1665

01:02:45,670 --> 01:02:43,440

here's another question that pops up

1666

01:02:48,150 --> 01:02:45,680

here and i believe i talked about this

1667

01:02:49,750 --> 01:02:48,160

myself just a minute ago michael masters

1668

01:02:51,589 --> 01:02:49,760

is thinking about

1669

01:02:55,349 --> 01:02:51,599

this question here do you think some of

1670

01:02:57,670 --> 01:02:55,359

these are us from the future

1671

01:03:00,829 --> 01:02:57,680

if there is ever going to be time travel

1672

01:03:03,589 --> 01:03:00,839

then time travelers would be here now

1673

01:03:05,270 --> 01:03:03,599

yeah and and i had another thought on

1674

01:03:07,349 --> 01:03:05,280

that and i actually threw this at

1675

01:03:09,349 --> 01:03:07,359

michael masters the other day kind of in

1676

01:03:10,309 --> 01:03:09,359

a joking way we were kind of joking back

1677

01:03:13,109 --> 01:03:10,319

and forth

1678

01:03:16,309 --> 01:03:13,119

but i said well you know perhaps

1679

01:03:18,309 --> 01:03:16,319

we get totally wiped out from ai or say

1680

01:03:19,270 --> 01:03:18,319

we get wiped out from nuclear war or

1681

01:03:20,789 --> 01:03:19,280

whatever

1682

01:03:24,069 --> 01:03:20,799

and um

1683

01:03:25,990 --> 01:03:24,079

millions of years from now but not so

1684

01:03:28,069 --> 01:03:26,000

far into the future where the earth i

1685

01:03:29,109 --> 01:03:28,079

mean the sun is going to expand and you

1686

01:03:31,829 --> 01:03:29,119

know

1687

01:03:34,390 --> 01:03:31,839

it'll be over then anyway but uh

1688

01:03:36,789 --> 01:03:34,400

before that perhaps a new species

1689

01:03:38,950 --> 01:03:36,799

develops from scratch

1690

01:03:40,630 --> 01:03:38,960

that is traveling back to see what this

1691

01:03:42,309 --> 01:03:40,640

species was like

1692

01:03:44,549 --> 01:03:42,319

you know i mean why why couldn't it be

1693

01:03:48,150 --> 01:03:44,559

that you know if time is time and you

1694

01:03:52,630 --> 01:03:51,109

up we lost our audio chris chris we

1695

01:03:54,230 --> 01:03:52,640

can't hear you

1696

01:03:56,069 --> 01:03:54,240

um you may have to do whatever you did

1697

01:03:58,870 --> 01:03:56,079

last time

1698

01:04:00,150 --> 01:03:58,880

and that might be mean going out so uh

1699

01:04:02,309 --> 01:04:00,160

and if you have to go out and come back

1700

01:04:04,150 --> 01:04:02,319

and go ahead keep talking still can't

1701

01:04:06,870 --> 01:04:04,160

hear you

1702

01:04:09,270 --> 01:04:06,880

all right and if worse comes to worse um

1703

01:04:12,470 --> 01:04:09,280

i'm going to uh text you the phone

1704

01:04:15,270 --> 01:04:12,480

number here so i'm going to pop up this

1705

01:04:18,069 --> 01:04:15,280

other question here that um i will post

1706

01:04:21,510 --> 01:04:18,079

to him when he comes back

1707

01:04:24,309 --> 01:04:21,520

and that question is from esoteric gold

1708

01:04:27,270 --> 01:04:24,319

has our guest ever had an increase or

1709

01:04:28,549 --> 01:04:27,280

decrease in health issues during a ufo

1710

01:04:31,109 --> 01:04:28,559

experience

1711

01:04:32,710 --> 01:04:31,119

hey can you hear me i can hear you now

1712

01:04:35,109 --> 01:04:32,720

so this is really weird because i didn't

1713

01:04:37,750 --> 01:04:35,119

do anything so obviously as you can tell

1714

01:04:38,870 --> 01:04:37,760

this is the demonic ufo aliens it has to

1715

01:04:40,470 --> 01:04:38,880

be

1716

01:04:41,829 --> 01:04:40,480

all right are men in black or the

1717

01:04:43,430 --> 01:04:41,839

government it could be the government

1718

01:04:45,270 --> 01:04:43,440

could be the government they don't want

1719

01:04:46,630 --> 01:04:45,280

this information getting out that's the

1720

01:04:50,470 --> 01:04:46,640

that's right that's right they're going

1721

01:04:52,309 --> 01:04:50,480

to mess with my audio visual can stay

1722

01:04:54,390 --> 01:04:52,319

so uh here's a question up here you can

1723

01:04:56,309 --> 01:04:54,400

see it in the chat i just read it have

1724

01:04:57,750 --> 01:04:56,319

you ever had any increase or decrease in

1725

01:05:00,230 --> 01:04:57,760

health

1726

01:05:03,910 --> 01:05:00,240

experiences during ufo

1727

01:05:04,950 --> 01:05:03,920

well here's a here's a fun one

1728

01:05:08,230 --> 01:05:04,960

so

1729

01:05:11,270 --> 01:05:08,240

it was in the year 2000 that things kind

1730

01:05:13,430 --> 01:05:11,280

of came to a head for me with ufo study

1731

01:05:14,870 --> 01:05:13,440

um i had gotten to the point where i was

1732

01:05:18,230 --> 01:05:14,880

convinced that i was in mental

1733

01:05:20,630 --> 01:05:18,240

communication with ufo occupants i could

1734

01:05:22,710 --> 01:05:20,640

predict where ufos were going to appear

1735

01:05:25,670 --> 01:05:22,720

and then other people in some cases

1736

01:05:28,150 --> 01:05:25,680

would see them everybody in my life at

1737

01:05:31,029 --> 01:05:28,160

that time was having absolutely

1738

01:05:33,270 --> 01:05:31,039

bizarre encounters my my girl my

1739

01:05:34,549 --> 01:05:33,280

girlfriend at the time kind of had some

1740

01:05:37,029 --> 01:05:34,559

things happen to her that caused her

1741

01:05:38,710 --> 01:05:37,039

life to change forever in some ways

1742

01:05:39,829 --> 01:05:38,720

um

1743

01:05:42,150 --> 01:05:39,839

and

1744

01:05:44,789 --> 01:05:42,160

i i was like all right enough is enough

1745

01:05:46,789 --> 01:05:44,799

and i stu i basically was like i'm not

1746

01:05:48,230 --> 01:05:46,799

going to read about ufos anymore i'm not

1747

01:05:49,910 --> 01:05:48,240

going to think about ufos anymore i'm

1748

01:05:51,510 --> 01:05:49,920

going to stop talking to my friends i'm

1749

01:05:54,309 --> 01:05:51,520

gonna um

1750

01:05:56,230 --> 01:05:54,319

basically start a new ufo free life for

1751

01:05:57,910 --> 01:05:56,240

a while anyway

1752

01:05:59,829 --> 01:05:57,920

and i was still

1753

01:06:01,349 --> 01:05:59,839

waking up in the morning knowing things

1754

01:06:02,950 --> 01:06:01,359

that i hadn't known the night before

1755

01:06:05,349 --> 01:06:02,960

about ufos

1756

01:06:08,069 --> 01:06:05,359

and so i felt that i was still

1757

01:06:10,069 --> 01:06:08,079

getting communications from these ufo

1758

01:06:11,190 --> 01:06:10,079

occupants

1759

01:06:13,750 --> 01:06:11,200

and uh

1760

01:06:16,630 --> 01:06:13,760

they started to become fewer and fewer

1761

01:06:18,870 --> 01:06:16,640

in frequency and then i got what i felt

1762

01:06:20,309 --> 01:06:18,880

was a final communication

1763

01:06:22,789 --> 01:06:20,319

and the message of the final

1764

01:06:25,670 --> 01:06:22,799
communication was

1765

01:06:28,630 --> 01:06:25,680
you need to give up materialism you need

1766

01:06:31,029 --> 01:06:28,640
to give up all of your belongings and

1767

01:06:33,589 --> 01:06:31,039
you need to study

1768

01:06:36,549 --> 01:06:33,599
like eastern religions and spirituality

1769

01:06:38,230 --> 01:06:36,559
and if you don't do it you will die in

1770

01:06:39,270 --> 01:06:38,240
2012

1771

01:06:40,470 --> 01:06:39,280
and

1772

01:06:42,950 --> 01:06:40,480
um

1773

01:06:47,109 --> 01:06:45,349
i thought about it and i decided that

1774

01:06:48,470 --> 01:06:47,119
i'm not going to give up all of my stuff

1775

01:06:50,069 --> 01:06:48,480
and i'm not going to jump through their

1776

01:06:51,750 --> 01:06:50,079

hoop i'm not going to do what they want

1777

01:06:54,150 --> 01:06:51,760

me to do and i'm not going to start

1778

01:06:56,870 --> 01:06:54,160

studying eastern religions so

1779

01:06:59,270 --> 01:06:56,880

so be it maybe i'll die in 2012 right

1780

01:07:00,390 --> 01:06:59,280

so in 2011

1781

01:07:02,069 --> 01:07:00,400

i gave

1782

01:07:04,150 --> 01:07:02,079

a lecture

1783

01:07:05,990 --> 01:07:04,160

at a local

1784

01:07:07,029 --> 01:07:06,000

to a local paranormal

1785

01:07:09,349 --> 01:07:07,039

club

1786

01:07:11,829 --> 01:07:09,359

people that were interested in ufos as

1787

01:07:13,190 --> 01:07:11,839

well as a host of other things some of

1788

01:07:14,630 --> 01:07:13,200

which i think are interesting and some

1789

01:07:16,150 --> 01:07:14,640

of which i thought were

1790

01:07:18,309 --> 01:07:16,160

ridiculous

1791

01:07:20,150 --> 01:07:18,319

and at the end of my talk some people

1792

01:07:21,029 --> 01:07:20,160

who were in the audience wanted to talk

1793

01:07:23,750 --> 01:07:21,039

to me

1794

01:07:25,430 --> 01:07:23,760

and there was a woman who uh identified

1795

01:07:27,589 --> 01:07:25,440

herself as a psychic

1796

01:07:30,870 --> 01:07:27,599

and she told me that there was a spot on

1797

01:07:33,190 --> 01:07:30,880

my aura which sounded so absurd and

1798

01:07:35,510 --> 01:07:33,200

laughable but these people had been very

1799

01:07:37,750 --> 01:07:35,520

nice to me and so i was going to be

1800

01:07:39,029 --> 01:07:37,760

polite and i said oh well geez i don't i

1801
01:07:41,190 --> 01:07:39,039
don't really know anything about that i

1802
01:07:42,549 --> 01:07:41,200
don't know about a spot on my aura

1803
01:07:43,990 --> 01:07:42,559
and they said well think about it is

1804
01:07:46,630 --> 01:07:44,000
there anything that you can think of

1805
01:07:47,430 --> 01:07:46,640
maybe something even related to your ufo

1806
01:07:50,309 --> 01:07:47,440
work

1807
01:07:51,990 --> 01:07:50,319
where you felt that maybe

1808
01:07:54,710 --> 01:07:52,000
there was some

1809
01:07:56,870 --> 01:07:54,720
negative thing a curse or something you

1810
01:07:58,470 --> 01:07:56,880
know i can't remember the exact wording

1811
01:08:00,870 --> 01:07:58,480
but i said well you know it is funny

1812
01:08:02,710 --> 01:08:00,880
that you say that because um i felt like

1813
01:08:04,870 --> 01:08:02,720

aliens told me that i was going to die

1814

01:08:07,349 --> 01:08:04,880

next year and i'm saying this in the

1815

01:08:09,670 --> 01:08:07,359

most light-hearted way possible because

1816

01:08:12,710 --> 01:08:09,680

this is all such an absurd

1817

01:08:14,870 --> 01:08:12,720

thing right i'm not trying to discount

1818

01:08:15,829 --> 01:08:14,880

you know before you freak out listen to

1819

01:08:17,430 --> 01:08:15,839

the end of the story because i'm not

1820

01:08:18,550 --> 01:08:17,440

trying to discount anything that anybody

1821

01:08:19,749 --> 01:08:18,560

said here

1822

01:08:21,749 --> 01:08:19,759

and so

1823

01:08:24,630 --> 01:08:21,759

the woman said well i can remove spots

1824

01:08:25,990 --> 01:08:24,640

from from human auras and i would if

1825

01:08:27,910 --> 01:08:26,000

you're okay with it i would like to

1826

01:08:29,990 --> 01:08:27,920

remove the spot from your aura and i

1827

01:08:31,349 --> 01:08:30,000

said all right sure go for it

1828

01:08:32,870 --> 01:08:31,359

she said well i've got someone else here

1829

01:08:34,709 --> 01:08:32,880

that i'm training how to do this do you

1830

01:08:35,829 --> 01:08:34,719

do you mind if she works with us on this

1831

01:08:36,950 --> 01:08:35,839

and i was like how long is this going to

1832

01:08:38,789 --> 01:08:36,960

take she's like it's not going to take

1833

01:08:40,470 --> 01:08:38,799

very long it's very fast i said okay

1834

01:08:42,950 --> 01:08:40,480

sure go for it whatever

1835

01:08:44,789 --> 01:08:42,960

so the woman took my hand into her hand

1836

01:08:47,189 --> 01:08:44,799

and i was feeling so awkward that my

1837

01:08:48,789 --> 01:08:47,199

skin was crawling i was like this is

1838

01:08:51,030 --> 01:08:48,799

madness

1839

01:08:53,430 --> 01:08:51,040

she took my hand and she started to

1840

01:08:56,229 --> 01:08:53,440

press with her thumb into the palm of my

1841

01:08:58,789 --> 01:08:56,239

hand and she started to say something

1842

01:08:59,910 --> 01:08:58,799

and it's like i went into a trance and

1843

01:09:01,829 --> 01:08:59,920

the next

1844

01:09:03,749 --> 01:09:01,839

moment that i remember she was like okay

1845

01:09:04,829 --> 01:09:03,759

it's done it was a success your spot is

1846

01:09:08,630 --> 01:09:04,839

gone

1847

01:09:10,950 --> 01:09:08,640

and i have never felt so good in my

1848

01:09:13,349 --> 01:09:10,960

entire life i felt like i could run

1849

01:09:15,990 --> 01:09:13,359

through walls i felt like i mean i can't

1850

01:09:18,390 --> 01:09:16,000

even describe how good this thing made

1851

01:09:21,749 --> 01:09:18,400

me feel i thanked the woman profusely

1852

01:09:24,470 --> 01:09:21,759

never knew her name um and i had been

1853

01:09:25,829 --> 01:09:24,480

planning that night to go out go home

1854

01:09:27,829 --> 01:09:25,839

and go to sleep because i was feeling

1855

01:09:29,030 --> 01:09:27,839

worn out and instead i like went and

1856

01:09:30,709 --> 01:09:29,040

hung out with my friends and like

1857

01:09:32,709 --> 01:09:30,719

partied all night long and had a

1858

01:09:34,950 --> 01:09:32,719

fantastic time because i had never had

1859

01:09:36,630 --> 01:09:34,960

so much energy in my whole life so what

1860

01:09:38,390 --> 01:09:36,640

the heck was that you know i don't have

1861

01:09:39,510 --> 01:09:38,400

an answer to what that represents or

1862

01:09:40,950 --> 01:09:39,520

means

1863

01:09:43,189 --> 01:09:40,960

wow do you have her number you said you

1864

01:09:44,630 --> 01:09:43,199

know what i know right like it's like

1865

01:09:47,430 --> 01:09:44,640

where's that woman now i could use that

1866

01:09:49,189 --> 01:09:47,440

woman right now but the whole you know i

1867

01:09:51,510 --> 01:09:49,199

i don't know i don't there are things

1868

01:09:53,749 --> 01:09:51,520

about this that i don't want to know and

1869

01:09:56,229 --> 01:09:53,759

i don't want to become

1870

01:09:57,189 --> 01:09:56,239

an expert on spots on human auras you

1871

01:09:58,630 --> 01:09:57,199

know but

1872

01:10:00,950 --> 01:09:58,640

but maybe that's the answer maybe

1873

01:10:02,550 --> 01:10:00,960

there's something about spot if you if

1874

01:10:05,030 --> 01:10:02,560

you researched enough about removal of

1875

01:10:06,709 --> 01:10:05,040

spots on human auras you could you could

1876

01:10:09,270 --> 01:10:06,719

to develop some next level of

1877

01:10:10,870 --> 01:10:09,280

understanding about uh ufo abductions

1878

01:10:11,590 --> 01:10:10,880

right i'll leave that for someone else

1879

01:10:13,830 --> 01:10:11,600

to

1880

01:10:16,470 --> 01:10:13,840

follow up uh it's just this whole thing

1881

01:10:17,990 --> 01:10:16,480

is so insane really it's so bizarre well

1882

01:10:19,590 --> 01:10:18,000

you know if i hadn't heard something

1883

01:10:21,590 --> 01:10:19,600

similar to that i would think is it

1884

01:10:23,990 --> 01:10:21,600

would be a little way out there but i

1885

01:10:26,229 --> 01:10:24,000

have heard uh actually something very

1886

01:10:28,550 --> 01:10:26,239

similar to that which is uh

1887

01:10:30,149 --> 01:10:28,560

quite quite amazing really now this

1888

01:10:32,470 --> 01:10:30,159

question here you've never said that

1889

01:10:34,870 --> 01:10:32,480

there's like living species

1890

01:10:36,790 --> 01:10:34,880

this person want to know how many uh

1891

01:10:38,630 --> 01:10:36,800

different species are currently live

1892

01:10:41,110 --> 01:10:38,640

underground we never really talked about

1893

01:10:41,910 --> 01:10:41,120

that um is that well

1894

01:10:44,310 --> 01:10:41,920

yeah

1895

01:10:46,070 --> 01:10:44,320

you know there are people that that get

1896

01:10:47,669 --> 01:10:46,080

into this um

1897

01:10:50,950 --> 01:10:47,679

sort of uh

1898

01:10:53,990 --> 01:10:50,960

how to even call this thing you know uh

1899

01:10:55,750 --> 01:10:54,000

where you're assigning specific names to

1900

01:10:58,310 --> 01:10:55,760

different types of aliens i mean this

1901

01:11:00,950 --> 01:10:58,320

has been done with ufos where there's

1902

01:11:02,470 --> 01:11:00,960

names for different shapes of craft

1903

01:11:04,950 --> 01:11:02,480

i think it's very interesting to look at

1904

01:11:07,350 --> 01:11:04,960

stuff from the early days of what we now

1905

01:11:08,229 --> 01:11:07,360

see kind of as formal ufology where you

1906

01:11:09,590 --> 01:11:08,239

had

1907

01:11:12,390 --> 01:11:09,600

people who were getting into the

1908

01:11:14,950 --> 01:11:12,400

taxonomy of the shapes looking at the

1909

01:11:16,790 --> 01:11:14,960

shapes trying to identify similarities

1910

01:11:18,709 --> 01:11:16,800

basically almost trying to figure out

1911

01:11:20,550 --> 01:11:18,719

like models of these things you know the

1912

01:11:21,990 --> 01:11:20,560

way that somebody might if you were

1913

01:11:23,669 --> 01:11:22,000

looking at cars

1914

01:11:27,189 --> 01:11:23,679

in a certain area find out what kind of

1915

01:11:28,390 --> 01:11:27,199

cars people drive and all of this stuff

1916

01:11:30,870 --> 01:11:28,400

has

1917

01:11:32,470 --> 01:11:30,880

basically i think resulted in more

1918

01:11:34,070 --> 01:11:32,480

questions and answers i don't think we

1919

01:11:36,790 --> 01:11:34,080

know any more

1920

01:11:39,270 --> 01:11:36,800

or or less about ufos if we could

1921

01:11:42,950 --> 01:11:39,280

categorize these entities as grays or

1922

01:11:45,750 --> 01:11:42,960

the mantis types or um you know

1923

01:11:47,590 --> 01:11:45,760

d rose that live underground right the

1924

01:11:50,870 --> 01:11:47,600

the shaver mystery stuff i mean it's

1925

01:11:53,350 --> 01:11:50,880

just there's so much lore

1926

01:11:54,950 --> 01:11:53,360

but it's and the lore can be fun i enjoy

1927

01:11:56,870 --> 01:11:54,960

talking about this stuff and i enjoy

1928

01:11:58,709 --> 01:11:56,880

thinking about it but at some point you

1929

01:12:01,110 --> 01:11:58,719

have to ask yourself

1930

01:12:04,070 --> 01:12:01,120

or you have to ask i guess in general

1931

01:12:07,110 --> 01:12:04,080

what's the reality here what is real

1932

01:12:08,470 --> 01:12:07,120

what is really going on and once you

1933

01:12:09,990 --> 01:12:08,480

enter that

1934

01:12:13,030 --> 01:12:10,000

realm

1935

01:12:15,189 --> 01:12:13,040

the uh all of the neatly tied up answers

1936

01:12:17,189 --> 01:12:15,199

just vanish and you're just left with

1937

01:12:20,070 --> 01:12:17,199

questions

1938

01:12:23,189 --> 01:12:20,080

yeah um i think sometimes we don't know

1939

01:12:25,910 --> 01:12:23,199

the right questions to ask um here's uh

1940

01:12:27,669 --> 01:12:25,920

here's an interesting question i also

1941

01:12:30,470 --> 01:12:27,679

thought about this too there has been

1942

01:12:32,070 --> 01:12:30,480

talk about crash retrieval

1943

01:12:34,630 --> 01:12:32,080

you know even

1944

01:12:37,189 --> 01:12:34,640

at the upper level supposedly people

1945

01:12:39,350 --> 01:12:37,199

have been talking about that uh but i um

1946

01:12:42,070 --> 01:12:39,360

that would that's just kind of another

1947

01:12:43,750 --> 01:12:42,080

thing along the line here but what about

1948

01:12:45,590 --> 01:12:43,760

um let's see belinda wanted to know what

1949

01:12:49,350 --> 01:12:45,600

about the high level of radioactivity

1950

01:12:51,350 --> 01:12:49,360

emerging from ufos at the landing sites

1951

01:12:53,669 --> 01:12:51,360

well there's um there are some great

1952

01:12:56,630 --> 01:12:53,679

documented cases of that i'm sure that

1953

01:12:59,510 --> 01:12:56,640

um people are familiar with the cash

1954

01:13:00,790 --> 01:12:59,520

landrum case where a person

1955

01:13:03,350 --> 01:13:00,800

was really

1956

01:13:04,790 --> 01:13:03,360

made gravely ill apparently by radiation

1957

01:13:09,270 --> 01:13:04,800

being emitted from one of these things

1958

01:13:14,870 --> 01:13:12,630

then again there are a lot of great ufo

1959

01:13:17,430 --> 01:13:14,880

landing cases where there was no radio

1960

01:13:20,470 --> 01:13:17,440

activity reported so

1961

01:13:22,870 --> 01:13:20,480

are some of these things spacecraft with

1962

01:13:25,430 --> 01:13:22,880

aliens in them that maybe use a

1963

01:13:27,030 --> 01:13:25,440

radioactive propulsion and then

1964

01:13:29,669 --> 01:13:27,040

maybe or are some of these things

1965

01:13:32,310 --> 01:13:29,679

government craft that have radiation

1966

01:13:34,310 --> 01:13:32,320

traces left behind

1967

01:13:35,990 --> 01:13:34,320

unfortunately

1968

01:13:36,950 --> 01:13:36,000

you know it would be great if we could

1969

01:13:37,910 --> 01:13:36,960

make

1970

01:13:40,470 --> 01:13:37,920

this

1971

01:13:42,870 --> 01:13:40,480

strong link a one-to-one

1972

01:13:45,510 --> 01:13:42,880

link where every time there is a ufo on

1973

01:13:47,510 --> 01:13:45,520

the ground every time a person

1974

01:13:49,910 --> 01:13:47,520

gets within a certain number of feet of

1975

01:13:51,910 --> 01:13:49,920

a landed ufo there's radiation effects

1976

01:13:53,030 --> 01:13:51,920

but that's not really how it works

1977

01:13:54,229 --> 01:13:53,040

so

1978

01:13:56,149 --> 01:13:54,239

um

1979

01:13:58,070 --> 01:13:56,159

you know so it's it's again there's

1980

01:14:00,070 --> 01:13:58,080

evidence there and i certainly think

1981

01:14:04,070 --> 01:14:00,080

that the radiation that's been detected

1982

01:14:06,229 --> 01:14:04,080

in some of these high profile cases

1983

01:14:08,709 --> 01:14:06,239

is a very strong indicator that there's

1984

01:14:11,350 --> 01:14:08,719

something going on here strong evidence

1985

01:14:14,229 --> 01:14:11,360

but it's not necessarily

1986

01:14:15,110 --> 01:14:14,239

proof of any one theory or another it's

1987

01:14:20,870 --> 01:14:15,120

just

1988

01:14:23,830 --> 01:14:20,880

doesn't really lead us to a final answer

1989

01:14:26,790 --> 01:14:23,840

yes i agree on that so let's jump right

1990

01:14:29,910 --> 01:14:26,800

into the bridgewater triangle

1991

01:14:32,709 --> 01:14:29,920

and for the person that has never heard

1992

01:14:34,790 --> 01:14:32,719

of it can you explain the geographical

1993

01:14:37,750 --> 01:14:34,800

area and then we'll get into

1994

01:14:39,350 --> 01:14:37,760

what happens uh what people are claiming

1995

01:14:42,630 --> 01:14:39,360

we touched on a little bit but i'd like

1996

01:14:45,270 --> 01:14:42,640

to talk on that more if we can

1997

01:14:47,510 --> 01:14:45,280

okay um basically the bridgewater

1998

01:14:50,149 --> 01:14:47,520

triangle is an area of southeastern

1999

01:14:54,709 --> 01:14:50,159

massachusetts that was rather strictly

2000

01:14:56,950 --> 01:14:54,719

defined by lauren coleman around 1978 as

2001
01:14:58,630 --> 01:14:56,960
an area of several hundred square miles

2002
01:15:00,870 --> 01:14:58,640
uh between

2003
01:15:04,149 --> 01:15:00,880
certain towns um

2004
01:15:05,430 --> 01:15:04,159
but i'm just gonna kind of say honestly

2005
01:15:07,510 --> 01:15:05,440
like

2006
01:15:09,350 --> 01:15:07,520
i appreciate that lauren coleman gave a

2007
01:15:11,750 --> 01:15:09,360
name to this thing and i appreciate that

2008
01:15:14,229 --> 01:15:11,760
he created some boundaries but i don't

2009
01:15:16,950 --> 01:15:14,239
necessarily think that the boundaries

2010
01:15:19,590 --> 01:15:16,960
that he drew are really the boundaries

2011
01:15:21,910 --> 01:15:19,600
of the area that we're talking about so

2012
01:15:23,990 --> 01:15:21,920
um i would kind of like to sort of get

2013
01:15:25,350 --> 01:15:24,000

away from that definition and sort of

2014

01:15:26,870 --> 01:15:25,360

propose my own definition that the

2015

01:15:29,430 --> 01:15:26,880

bridgewater triangle is an area of

2016

01:15:32,070 --> 01:15:29,440

southeastern massachusetts that centers

2017

01:15:34,390 --> 01:15:32,080

around a place called the hakkemok swamp

2018

01:15:37,910 --> 01:15:34,400

and radiates out from there the hakkamak

2019

01:15:40,229 --> 01:15:37,920

swamp is this massive massive wilderness

2020

01:15:42,070 --> 01:15:40,239

area that's really kind of unique it's

2021

01:15:43,910 --> 01:15:42,080

the largest one of the largest swamps of

2022

01:15:46,070 --> 01:15:43,920

its kind in the entire northeastern part

2023

01:15:47,830 --> 01:15:46,080

of the united states one of very few

2024

01:15:50,310 --> 01:15:47,840

places in massachusetts where there are

2025

01:15:52,149 --> 01:15:50,320

still old growth trees simply because

2026

01:15:55,270 --> 01:15:52,159

people were never able really to get in

2027

01:15:56,950 --> 01:15:55,280

there with machinery to cut them down

2028

01:15:58,870 --> 01:15:56,960

it's got billions and billions of

2029

01:15:59,669 --> 01:15:58,880

gallons of water flowing through it it's

2030

01:16:05,669 --> 01:15:59,679

this

2031

01:16:09,189 --> 01:16:05,679

diverse ecological

2032

01:16:11,030 --> 01:16:09,199

place and it's also sort of ground zero

2033

01:16:14,709 --> 01:16:11,040

for all kinds of

2034

01:16:17,270 --> 01:16:14,719

uh really weird stories um

2035

01:16:20,870 --> 01:16:17,280

where you know as mentioned the ufo

2036

01:16:22,550 --> 01:16:20,880

stuff bigfoot ghosts uh people seeing

2037

01:16:25,750 --> 01:16:22,560

aliens people

2038

01:16:28,149 --> 01:16:25,760

um you know having every kind of strange

2039

01:16:31,189 --> 01:16:28,159

encounter that you can think of satanic

2040

01:16:34,709 --> 01:16:31,199

cults and cattle mutilations and

2041

01:16:37,110 --> 01:16:34,719

um you know the whole gamut of of weird

2042

01:16:41,510 --> 01:16:37,120

experience that people can have yeah you

2043

01:16:43,830 --> 01:16:41,520

can see here um a map that kind of shows

2044

01:16:45,590 --> 01:16:43,840

where it is in massachusetts in general

2045

01:16:47,669 --> 01:16:45,600

but i think there are areas that are

2046

01:16:49,350 --> 01:16:47,679

adjacent to those triangular boundaries

2047

01:16:51,430 --> 01:16:49,360

that have a very high level of

2048

01:16:52,870 --> 01:16:51,440

paranormal activity and other areas that

2049

01:16:55,430 --> 01:16:52,880

are within them that have a very low

2050

01:16:57,510 --> 01:16:55,440

level and to to be clear for people this

2051

01:17:00,070 --> 01:16:57,520

is an area that uh outside of the

2052

01:17:01,910 --> 01:17:00,080

hakamak swamp there are rural areas but

2053

01:17:04,229 --> 01:17:01,920

there are also there's a city of taunton

2054

01:17:05,990 --> 01:17:04,239

in there there's very densely built up

2055

01:17:09,110 --> 01:17:06,000

suburban areas and there's a lot a lot

2056

01:17:11,270 --> 01:17:09,120

of people that live there um and so it's

2057

01:17:13,990 --> 01:17:11,280

not like you can just go there and

2058

01:17:16,950 --> 01:17:14,000

suddenly you're in some kind of uh

2059

01:17:18,790 --> 01:17:16,960

tv show twilight zone where um you know

2060

01:17:21,110 --> 01:17:18,800

bigfoot is chasing you and there's

2061

01:17:21,990 --> 01:17:21,120

there's lights in the sky you know but

2062

01:17:24,790 --> 01:17:22,000

um

2063

01:17:28,070 --> 01:17:24,800

there is this body of citing reports

2064

01:17:30,070 --> 01:17:28,080

that have taken place over time

2065

01:17:31,590 --> 01:17:30,080

um

2066

01:17:33,830 --> 01:17:31,600

there's definitely something going on

2067

01:17:36,149 --> 01:17:33,840

there i'm i'm convinced of it

2068

01:17:38,709 --> 01:17:36,159

right i do remember there was wasn't the

2069

01:17:40,870 --> 01:17:38,719

police involved in like investigating

2070

01:17:42,870 --> 01:17:40,880

satanic rituals there

2071

01:17:45,189 --> 01:17:42,880

there was one uh police officer in

2072

01:17:47,030 --> 01:17:45,199

particular alan alves who kind of

2073

01:17:50,790 --> 01:17:47,040

specialized in

2074

01:17:52,950 --> 01:17:50,800

investigating satanic stuff um

2075

01:17:55,189 --> 01:17:52,960

i think that's a very complex story the

2076

01:17:56,390 --> 01:17:55,199

the satanic stuff in particular where

2077

01:17:59,750 --> 01:17:56,400

you had

2078

01:18:02,470 --> 01:17:59,760

probably like real satanists who were

2079

01:18:05,590 --> 01:18:02,480

maybe harmless uh active in there in the

2080

01:18:08,149 --> 01:18:05,600

1980s and then you maybe had some

2081

01:18:10,709 --> 01:18:08,159

very dangerous uh people and and

2082

01:18:12,790 --> 01:18:10,719

criminals that were maybe adjacent to

2083

01:18:15,590 --> 01:18:12,800

the satanic stuff there was also the

2084

01:18:17,270 --> 01:18:15,600

whole satanic panic of the 80s which i

2085

01:18:19,590 --> 01:18:17,280

think we now realize that some of what

2086

01:18:21,910 --> 01:18:19,600

people were afraid of with regard to

2087

01:18:24,390 --> 01:18:21,920

satanism at that time wasn't real but

2088

01:18:25,830 --> 01:18:24,400

some of it was and certainly there were

2089

01:18:27,590 --> 01:18:25,840

there were murders that took place in

2090

01:18:30,470 --> 01:18:27,600

that area and there's somebody who's in

2091

01:18:32,950 --> 01:18:30,480

prison uh even today it's a it's a very

2092

01:18:35,510 --> 01:18:32,960

complex story

2093

01:18:38,070 --> 01:18:35,520

right and am i confusing this place

2094

01:18:39,030 --> 01:18:38,080

where there were lights that were seen

2095

01:18:41,590 --> 01:18:39,040

like

2096

01:18:43,590 --> 01:18:41,600

um on a path or something is that was

2097

01:18:45,750 --> 01:18:43,600

that also in the bridgewater oh

2098

01:18:47,030 --> 01:18:45,760

absolutely there are uh i think you're

2099

01:18:49,270 --> 01:18:47,040

probably thinking of a scene in the

2100

01:18:51,990 --> 01:18:49,280

bridgewater triangle documentary uh

2101
01:18:53,510 --> 01:18:52,000
where a witness describes seeing sort of

2102
01:18:55,510 --> 01:18:53,520
these orbs

2103
01:18:58,870 --> 01:18:55,520
that's it yeah over

2104
01:19:01,910 --> 01:18:58,880
a bridge in in bridgewater but there are

2105
01:19:04,950 --> 01:19:01,920
so many of these lights stories there

2106
01:19:08,229 --> 01:19:04,960
are so many of these orbs stories these

2107
01:19:10,070 --> 01:19:08,239
phantom uh glowing lights very commonly

2108
01:19:11,030 --> 01:19:10,080
reported in this region

2109
01:19:13,030 --> 01:19:11,040
um

2110
01:19:14,470 --> 01:19:13,040
and you know again

2111
01:19:16,390 --> 01:19:14,480
the area where

2112
01:19:19,030 --> 01:19:16,400
in the bridgewater triangle documentary

2113
01:19:22,709 --> 01:19:19,040

where that witness reported seeing

2114

01:19:26,229 --> 01:19:22,719

those orbs i had somebody report to me

2115

01:19:28,310 --> 01:19:26,239

relatively recently uh seeing uh

2116

01:19:30,950 --> 01:19:28,320

a structured craft type ufo right in

2117

01:19:32,310 --> 01:19:30,960

that same area you know so you and uh

2118

01:19:34,630 --> 01:19:32,320

additionally

2119

01:19:36,390 --> 01:19:34,640

there were uh there were sightings of

2120

01:19:38,630 --> 01:19:36,400

bigfoot side creatures right across the

2121

01:19:41,189 --> 01:19:38,640

street from there so you've got this

2122

01:19:42,070 --> 01:19:41,199

area that is smaller than a city block

2123

01:19:44,070 --> 01:19:42,080

where

2124

01:19:46,070 --> 01:19:44,080

around the same time in the same span of

2125

01:19:47,910 --> 01:19:46,080

years not on the same day or in the same

2126
01:19:49,990 --> 01:19:47,920
week but in the same years you could

2127
01:19:51,990 --> 01:19:50,000
have a structured craft type ufo

2128
01:19:54,390 --> 01:19:52,000
sightings or more than one sightings of

2129
01:19:56,310 --> 01:19:54,400
these orbs glowing lights uh close to

2130
01:19:58,709 --> 01:19:56,320
the surface of the ground seen at close

2131
01:20:00,390 --> 01:19:58,719
range and then uh people seeing bigfoot

2132
01:20:02,550 --> 01:20:00,400
creatures so it's like what what is

2133
01:20:05,510 --> 01:20:02,560
going on here

2134
01:20:08,149 --> 01:20:05,520
i got from what i understand it's like

2135
01:20:09,270 --> 01:20:08,159
the the heaviest area for the so-called

2136
01:20:10,550 --> 01:20:09,280
bigfoot

2137
01:20:11,990 --> 01:20:10,560
sightings

2138
01:20:14,229 --> 01:20:12,000

yeah there are there are some other

2139

01:20:15,430 --> 01:20:14,239

areas in uh in massachusetts and

2140

01:20:17,350 --> 01:20:15,440

elsewhere in new england where people

2141

01:20:19,030 --> 01:20:17,360

say that they see these things but there

2142

01:20:22,470 --> 01:20:19,040

certainly has been a very dense

2143

01:20:24,870 --> 01:20:22,480

concentration of bigfoot type sightings

2144

01:20:27,270 --> 01:20:24,880

in the bridgewater triangle dating back

2145

01:20:29,590 --> 01:20:27,280

to the early 1970s and and probably

2146

01:20:32,790 --> 01:20:29,600

older than that as well

2147

01:20:35,270 --> 01:20:32,800

earlier you mentioned that um near these

2148

01:20:36,709 --> 01:20:35,280

stone structures like there's that uh

2149

01:20:38,870 --> 01:20:36,719

that one i'm trying to think where it is

2150

01:20:41,030 --> 01:20:38,880

in massachusetts that's could be very

2151

01:20:43,110 --> 01:20:41,040

early there's a lot going on in that one

2152

01:20:45,750 --> 01:20:43,120

underground little like stone structures

2153

01:20:47,189 --> 01:20:45,760

and things what's it called

2154

01:20:48,550 --> 01:20:47,199

you're thinking about the stone chamber

2155

01:20:49,430 --> 01:20:48,560

in like uh

2156

01:20:51,510 --> 01:20:49,440

yeah

2157

01:20:53,110 --> 01:20:51,520

it's starting to massachusetts new

2158

01:20:54,470 --> 01:20:53,120

england stonehenge i think they call it

2159

01:20:55,669 --> 01:20:54,480

or something oh america stonehenge in

2160

01:20:56,629 --> 01:20:55,679

north salem new hampshire it's in new

2161

01:20:58,390 --> 01:20:56,639

hampshire

2162

01:21:00,470 --> 01:20:58,400

it's just over the line

2163

01:21:01,990 --> 01:21:00,480

yeah uh that place is great i would

2164

01:21:03,830 --> 01:21:02,000

encourage people to go there and check

2165

01:21:05,750 --> 01:21:03,840

it out that's actually how

2166

01:21:07,669 --> 01:21:05,760

um i kind of got interested in this

2167

01:21:10,070 --> 01:21:07,679

subject when i was a child i watched an

2168

01:21:11,669 --> 01:21:10,080

episode of the 1970s tv show in search

2169

01:21:13,590 --> 01:21:11,679

of that talked about america's

2170

01:21:15,990 --> 01:21:13,600

stonehenge and i went there when i was a

2171

01:21:19,510 --> 01:21:16,000

teenager was absolutely fascinated about

2172

01:21:21,430 --> 01:21:19,520

it um and knowing uh america's

2173

01:21:23,110 --> 01:21:21,440

stonehenge

2174

01:21:24,470 --> 01:21:23,120

it's it's a really interesting place

2175

01:21:25,990 --> 01:21:24,480

there's a lot to learn there there's a

2176

01:21:27,590 --> 01:21:26,000

lot to see there's also a lot of

2177

01:21:29,030 --> 01:21:27,600

questions there's there's understanding

2178

01:21:31,350 --> 01:21:29,040

that a lot of the stonework there was

2179

01:21:34,229 --> 01:21:31,360

moved around in the 19th century and

2180

01:21:36,709 --> 01:21:34,239

later as well and people who maybe

2181

01:21:37,830 --> 01:21:36,719

excavated there um

2182

01:21:39,510 --> 01:21:37,840

some of those people might have done

2183

01:21:41,669 --> 01:21:39,520

more harm than good building things that

2184

01:21:44,149 --> 01:21:41,679

they thought were there based on their

2185

01:21:46,790 --> 01:21:44,159

ideas that this stuff was built by irish

2186

01:21:50,149 --> 01:21:46,800

monks in the year 1000 or whatever it

2187

01:21:52,870 --> 01:21:50,159

was but there are very very many similar

2188

01:21:56,149 --> 01:21:52,880

places in massachusetts and elsewhere in

2189

01:21:59,350 --> 01:21:56,159

new england where you can see these

2190

01:22:01,669 --> 01:21:59,360

underground stone chambers or other

2191

01:22:03,430 --> 01:22:01,679

enigmatic stone structures that that i

2192

01:22:05,430 --> 01:22:03,440

believe were built by prehistoric native

2193

01:22:09,110 --> 01:22:05,440

americans i've become really interested

2194

01:22:11,110 --> 01:22:09,120

in archaeology and in

2195

01:22:13,669 --> 01:22:11,120

the story of the people that were here

2196

01:22:15,910 --> 01:22:13,679

before the colonists arrived in the 10

2197

01:22:17,110 --> 01:22:15,920

000 years about which we really know

2198

01:22:18,229 --> 01:22:17,120

very little

2199

01:22:20,470 --> 01:22:18,239

and

2200

01:22:22,310 --> 01:22:20,480

there's been a lot of focus on that with

2201

01:22:25,270 --> 01:22:22,320

regard to the bridgewater triangle and

2202

01:22:26,229 --> 01:22:25,280

some of that i think is totally valid

2203

01:22:27,910 --> 01:22:26,239

because

2204

01:22:30,470 --> 01:22:27,920

there are areas

2205

01:22:31,910 --> 01:22:30,480

uh in and adjacent to the bridgewater

2206

01:22:34,070 --> 01:22:31,920

triangle

2207

01:22:35,990 --> 01:22:34,080

where there were as many people living

2208

01:22:38,149 --> 01:22:36,000

there five thousand years ago as there

2209

01:22:40,390 --> 01:22:38,159

are now some of these places were among

2210

01:22:42,629 --> 01:22:40,400

the most densely habited

2211

01:22:44,709 --> 01:22:42,639

um areas in the northeastern part of

2212

01:22:47,110 --> 01:22:44,719

what is now the united states hundreds

2213

01:22:48,709 --> 01:22:47,120

or thousands of years ago and and i

2214

01:22:50,550 --> 01:22:48,719

think that that

2215

01:22:52,950 --> 01:22:50,560

is something that is worth looking at

2216

01:22:54,629 --> 01:22:52,960

when it comes to the paranormal stuff

2217

01:22:57,430 --> 01:22:54,639

but unfortunately i think a lot of

2218

01:23:00,950 --> 01:22:57,440

attention goes to king philip's war

2219

01:23:03,350 --> 01:23:00,960

which was a conflict between

2220

01:23:06,550 --> 01:23:03,360

the colonists and some native groups

2221

01:23:08,070 --> 01:23:06,560

against other native groups in 1675 in

2222

01:23:10,470 --> 01:23:08,080

1676

2223

01:23:13,830 --> 01:23:10,480

it was a very bloody war that wound up

2224

01:23:16,149 --> 01:23:13,840

basically spelling the end

2225

01:23:18,390 --> 01:23:16,159

for people who lived in massachusetts of

2226

01:23:19,750 --> 01:23:18,400

a life way that had existed for for

2227

01:23:21,750 --> 01:23:19,760

thousands of years

2228

01:23:23,910 --> 01:23:21,760

and so people look at that time and

2229

01:23:25,750 --> 01:23:23,920

think okay well um there were maybe

2230

01:23:28,790 --> 01:23:25,760

battles in the area the bridgewater

2231

01:23:30,629 --> 01:23:28,800

triangle there was a genocide that

2232

01:23:32,390 --> 01:23:30,639

happened um

2233

01:23:35,430 --> 01:23:32,400

this may

2234

01:23:37,030 --> 01:23:35,440

have a bearing on the ufo stuff but i

2235

01:23:39,590 --> 01:23:37,040

think it's important to remember that

2236

01:23:41,350 --> 01:23:39,600

there were there were 10 000 years and

2237

01:23:43,110 --> 01:23:41,360

in those years there were population

2238

01:23:45,510 --> 01:23:43,120

collapses we know this from the

2239

01:23:47,189 --> 01:23:45,520

archaeological record where it went from

2240

01:23:50,149 --> 01:23:47,199

being very densely settled to nobody

2241

01:23:52,390 --> 01:23:50,159

living there anymore at certain times um

2242

01:23:54,310 --> 01:23:52,400

and there must have been wars and there

2243

01:23:56,229 --> 01:23:54,320

must have been famines and there must

2244

01:23:58,629 --> 01:23:56,239

have been all of the horrible things and

2245

01:24:01,189 --> 01:23:58,639

all the good things that human beings do

2246

01:24:03,430 --> 01:24:01,199

in their in their cultures

2247

01:24:04,550 --> 01:24:03,440

and so we just don't know you know it's

2248

01:24:05,910 --> 01:24:04,560

uh

2249

01:24:07,990 --> 01:24:05,920

it's certainly something something

2250

01:24:09,350 --> 01:24:08,000

interesting to look at but

2251

01:24:10,950 --> 01:24:09,360

right you know i don't i don't know that

2252

01:24:12,950 --> 01:24:10,960

we can make a link between that and the

2253

01:24:14,709 --> 01:24:12,960

paranormal stuff really

2254

01:24:17,510 --> 01:24:14,719

yes and another thing that kind of

2255

01:24:19,270 --> 01:24:17,520

fascinates me on all that too is if you

2256

01:24:21,910 --> 01:24:19,280

think about the ice age

2257

01:24:23,990 --> 01:24:21,920

how could you know maybe there was uh

2258

01:24:26,310 --> 01:24:24,000

maybe there was a settle you know

2259

01:24:28,790 --> 01:24:26,320

settlements long before the ice age 20

2260

01:24:30,950 --> 01:24:28,800

000 years ago that were wiped out during

2261

01:24:33,189 --> 01:24:30,960

the ice age and and you know and maybe

2262

01:24:34,790 --> 01:24:33,199

that's why we only have records in the

2263

01:24:37,430 --> 01:24:34,800

new england area

2264

01:24:38,790 --> 01:24:37,440

of uh you know 14 000 years i believe it

2265

01:24:42,070 --> 01:24:38,800

is something like that

2266

01:24:44,629 --> 01:24:42,080

um of of beings here and they say you

2267

01:24:45,430 --> 01:24:44,639

know possibly came over from

2268

01:24:46,950 --> 01:24:45,440

uh

2269

01:24:49,350 --> 01:24:46,960

i forget the

2270

01:24:51,990 --> 01:24:49,360

exactly the land mass however they

2271

01:24:54,149 --> 01:24:52,000

got here um perhaps uh we just don't

2272

01:24:55,990 --> 01:24:54,159

know a lot about our real our history

2273

01:24:57,110 --> 01:24:56,000

when it goes back much further than 10

2274

01:24:58,709 --> 01:24:57,120

000 years

2275

01:25:00,470 --> 01:24:58,719

you really don't know much

2276

01:25:02,229 --> 01:25:00,480

you can find books that were written

2277

01:25:04,870 --> 01:25:02,239

within human memory you know a few

2278

01:25:07,110 --> 01:25:04,880

generations ago saying that uh native

2279

01:25:08,950 --> 01:25:07,120

americans arrived in new england 3000

2280

01:25:10,390 --> 01:25:08,960

years ago and that number has been

2281

01:25:12,790 --> 01:25:10,400

pushed back and pushed back and pushed

2282

01:25:15,430 --> 01:25:12,800

back and now it's at 14 000 years but i

2283

01:25:16,709 --> 01:25:15,440

believe that even that is far too soon i

2284

01:25:21,669 --> 01:25:16,719

think that

2285

01:25:22,870 --> 01:25:21,679

archaeology will yield information that

2286

01:25:24,550 --> 01:25:22,880

people have been here for tens of

2287

01:25:27,270 --> 01:25:24,560

thousands of years

2288

01:25:30,390 --> 01:25:27,280

i do i do amateur archaeology as a hobby

2289

01:25:32,709 --> 01:25:30,400

i do uh surface collecting of native

2290

01:25:34,870 --> 01:25:32,719

american artifacts so it's

2291

01:25:38,550 --> 01:25:34,880

on private property with permission

2292

01:25:40,149 --> 01:25:38,560

i study these stone tools and i learn

2293

01:25:43,030 --> 01:25:40,159

from them about the life ways of the

2294

01:25:45,669 --> 01:25:43,040

people that lived here in the past

2295

01:25:48,149 --> 01:25:45,679

and i correspond with other people who

2296

01:25:51,030 --> 01:25:48,159

do the same thing in in other spots

2297

01:25:53,669 --> 01:25:51,040

and the spots where i find stone tools

2298

01:25:56,070 --> 01:25:53,679

the ages of those stone tools range from

2299

01:25:58,470 --> 01:25:56,080

maybe a thousand years old to

2300

01:26:00,149 --> 01:25:58,480

seven or eight thousand years old but i

2301
01:26:02,790 --> 01:26:00,159
know people who have other spots that

2302
01:26:03,910 --> 01:26:02,800
are still older and i know other people

2303
01:26:06,950 --> 01:26:03,920
who

2304
01:26:10,070 --> 01:26:06,960
find what certainly appear to be stone

2305
01:26:11,669 --> 01:26:10,080
tools with wear on them

2306
01:26:13,990 --> 01:26:11,679
uh in

2307
01:26:16,229 --> 01:26:14,000
deposits that were left behind when the

2308
01:26:18,709 --> 01:26:16,239
glacier receded suggesting that these

2309
01:26:20,070 --> 01:26:18,719
things pre-date the glacier predate the

2310
01:26:21,669 --> 01:26:20,080
ice age

2311
01:26:23,110 --> 01:26:21,679
i would think so i would think that's

2312
01:26:26,550 --> 01:26:23,120
very possible

2313
01:26:28,550 --> 01:26:26,560

yeah when i was a little kid in maine a

2314

01:26:30,470 --> 01:26:28,560

friend of mine and and i were running

2315

01:26:31,990 --> 01:26:30,480

through a field and he tripped and i

2316

01:26:33,430 --> 01:26:32,000

don't know why he even thought to do

2317

01:26:35,830 --> 01:26:33,440

this but he went back to see what he

2318

01:26:38,390 --> 01:26:35,840

tripped on and it ended up being a a

2319

01:26:40,470 --> 01:26:38,400

stone axe axe head

2320

01:26:42,470 --> 01:26:40,480

and he sent it off to the university of

2321

01:26:44,310 --> 01:26:42,480

uh new hampshire to have him you know

2322

01:26:46,070 --> 01:26:44,320

they said it was indeed you know an

2323

01:26:48,149 --> 01:26:46,080

early stone hit

2324

01:26:49,990 --> 01:26:48,159

a stone accident

2325

01:26:52,149 --> 01:26:50,000

here's a question i was thinking about

2326

01:26:54,950 --> 01:26:52,159

in my mind but i almost didn't dare to

2327

01:26:56,229 --> 01:26:54,960

ask it uh diane asked this question were

2328

01:26:58,070 --> 01:26:56,239

you concerned about negative

2329

01:27:00,709 --> 01:26:58,080

repercussions from speaking about this

2330

01:27:02,310 --> 01:27:00,719

topic tonight i was thinking about that

2331

01:27:09,990 --> 01:27:02,320

yes i am

2332

01:27:13,270 --> 01:27:11,270

you know i'm concerned about negative

2333

01:27:16,070 --> 01:27:13,280

repercussions for you and for everybody

2334

01:27:17,669 --> 01:27:16,080

listening to this because um

2335

01:27:19,830 --> 01:27:17,679

there have been there have been

2336

01:27:21,270 --> 01:27:19,840

absolutely times

2337

01:27:24,709 --> 01:27:21,280

when i have

2338

01:27:26,790 --> 01:27:24,719

um confided in people years ago

2339

01:27:29,669 --> 01:27:26,800

about things that happened to me and

2340

01:27:31,189 --> 01:27:29,679

then the next day a phone call from them

2341

01:27:32,070 --> 01:27:31,199

and they'd say hey chris

2342

01:27:33,350 --> 01:27:32,080

you're never going to believe what

2343

01:27:34,790 --> 01:27:33,360

happened to me last night but i felt

2344

01:27:36,070 --> 01:27:34,800

like there was something in my room or

2345

01:27:37,270 --> 01:27:36,080

something like that and i'm not talking

2346

01:27:39,669 --> 01:27:37,280

about

2347

01:27:41,910 --> 01:27:39,679

people that i knew who were

2348

01:27:44,229 --> 01:27:41,920

prone to flights of fancy i'm talking

2349

01:27:46,950 --> 01:27:44,239

about like people that i knew who viewed

2350

01:27:48,870 --> 01:27:46,960

themselves as uh macho you know

2351
01:27:51,750 --> 01:27:48,880
masculine figures who

2352
01:27:52,790 --> 01:27:51,760
expressed fear after something happens

2353
01:27:57,189 --> 01:27:52,800
to them

2354
01:28:00,709 --> 01:27:57,199
is a fact that i didn't talk about this

2355
01:28:02,709 --> 01:28:00,719
with anybody for a span of close to 10

2356
01:28:03,910 --> 01:28:02,719
years of my life

2357
01:28:05,830 --> 01:28:03,920
you know there was

2358
01:28:07,510 --> 01:28:05,840
there was a time when i just swore off

2359
01:28:11,590 --> 01:28:07,520
talking about this stuff

2360
01:28:13,590 --> 01:28:11,600
altogether um but eventually i

2361
01:28:15,830 --> 01:28:13,600
finally sort of came up with that okay

2362
01:28:17,669 --> 01:28:15,840
well if i just look at this stuff as

2363
01:28:19,830 --> 01:28:17,679

sort of a folklore stuff if i just

2364

01:28:22,390 --> 01:28:19,840

collect these stories i can still

2365

01:28:23,270 --> 01:28:22,400

participate in all of this i can still

2366

01:28:25,590 --> 01:28:23,280

um

2367

01:28:27,750 --> 01:28:25,600

speculate about this with people and you

2368

01:28:30,470 --> 01:28:27,760

know enjoy the aspects of this that i

2369

01:28:32,470 --> 01:28:30,480

enjoy the what-if aspects and

2370

01:28:36,229 --> 01:28:32,480

you know but

2371

01:28:38,790 --> 01:28:36,239

i i am leery about discussing the

2372

01:28:40,709 --> 01:28:38,800

reality of my you know findings and

2373

01:28:42,470 --> 01:28:40,719

certainly i could i could come out a

2374

01:28:44,149 --> 01:28:42,480

program like this and you and i could

2375

01:28:46,629 --> 01:28:44,159

just have a talk about

2376

01:28:48,149 --> 01:28:46,639

um oh you know aliens ancient aliens are

2377

01:28:49,830 --> 01:28:48,159

they real you know or like stuff i've

2378

01:28:52,310 --> 01:28:49,840

done on tv before

2379

01:28:54,470 --> 01:28:52,320

um i like all that stuff it's fun you

2380

01:28:56,310 --> 01:28:54,480

know but i had kind of resolved when

2381

01:28:58,070 --> 01:28:56,320

when you asked me to come on the podcast

2382

01:29:00,629 --> 01:28:58,080

that if i was going to come on

2383

01:29:02,709 --> 01:29:00,639

i was going to be honest and

2384

01:29:04,629 --> 01:29:02,719

tell people what i really

2385

01:29:07,189 --> 01:29:04,639

what my conclusions are and people are

2386

01:29:08,390 --> 01:29:07,199

free to to totally dismiss everything

2387

01:29:09,830 --> 01:29:08,400

that i'm saying and it doesn't hurt my

2388

01:29:11,910 --> 01:29:09,840

feelings at all because i can't prove

2389

01:29:15,030 --> 01:29:11,920

any of it and i and i know how crazy it

2390

01:29:16,390 --> 01:29:15,040

sounds but that is you know for people

2391

01:29:18,790 --> 01:29:16,400

out there who

2392

01:29:20,790 --> 01:29:18,800

i think are really trying to get some

2393

01:29:22,790 --> 01:29:20,800

insight into this this is the insight

2394

01:29:23,669 --> 01:29:22,800

that i can maybe

2395

01:29:27,350 --> 01:29:23,679

give

2396

01:29:29,669 --> 01:29:27,360

something to think about or an alley to

2397

01:29:32,149 --> 01:29:29,679

look at but but like i say be careful

2398

01:29:33,990 --> 01:29:32,159

you know it is dangerous it is negative

2399

01:29:36,950 --> 01:29:34,000

it is harmful i don't think that there

2400

01:29:39,750 --> 01:29:36,960

is going to be an answer and uh the

2401

01:29:40,950 --> 01:29:39,760

closer you get to whatever it is

2402

01:29:45,830 --> 01:29:40,960

the more

2403

01:29:47,990 --> 01:29:45,840

yeah well that's

2404

01:29:50,070 --> 01:29:48,000

we're going to stay in touch okay

2405

01:29:52,709 --> 01:29:50,080

sure i want to let you know yeah

2406

01:29:55,910 --> 01:29:52,719

yeah i i definitely will uh the lines

2407

01:29:57,669 --> 01:29:55,920

are open and bill is standing by uh to

2408

01:30:00,470 --> 01:29:57,679

screen your call and remember when you

2409

01:30:01,990 --> 01:30:00,480

call in you have to mute your uh your

2410

01:30:04,470 --> 01:30:02,000

media whatever you're listening to the

2411

01:30:09,430 --> 01:30:04,480

show on that number is up on the screen

2412

01:30:13,910 --> 01:30:11,510

i see dave's in the chat hi dave thanks

2413

01:30:17,590 --> 01:30:13,920

for doing that um so yeah bill is

2414

01:30:19,590 --> 01:30:17,600

standing by uh so the line is open and

2415

01:30:23,030 --> 01:30:19,600

i'm sure we should get some calls after

2416

01:30:25,510 --> 01:30:23,040

all these messages came in and

2417

01:30:28,070 --> 01:30:25,520

um no this so this whole thing is

2418

01:30:30,390 --> 01:30:28,080

fascinating this whole thing about

2419

01:30:32,470 --> 01:30:30,400

um your thoughts on it and

2420

01:30:34,709 --> 01:30:32,480

i love archaeology myself too i mean

2421

01:30:37,189 --> 01:30:34,719

this is uh uh i might want to hang out

2422

01:30:38,950 --> 01:30:37,199

with you and maybe we'll both get

2423

01:30:41,110 --> 01:30:38,960

run over or something

2424

01:30:43,189 --> 01:30:41,120

by a minute where you live where you

2425

01:30:45,510 --> 01:30:43,199

live there's a lot of stuff to study and

2426

01:30:47,110 --> 01:30:45,520

to find and uh we could go out and look

2427

01:30:48,790 --> 01:30:47,120

at that stuff certainly

2428

01:30:50,470 --> 01:30:48,800

now there isn't there a tower did i hear

2429

01:30:53,189 --> 01:30:50,480

about a tower somewhere

2430

01:30:55,350 --> 01:30:53,199

stone tower in newport maybe that's

2431

01:30:57,510 --> 01:30:55,360

right that's in newport

2432

01:30:59,270 --> 01:30:57,520

that probably was built in the 17th

2433

01:31:00,870 --> 01:30:59,280

century

2434

01:31:03,189 --> 01:31:00,880

it's that's another one of these there

2435

01:31:04,870 --> 01:31:03,199

are so many of these and

2436

01:31:07,110 --> 01:31:04,880

you know this is kind of tangential to

2437

01:31:09,910 --> 01:31:07,120

to the ufo stuff right but there are so

2438

01:31:11,270 --> 01:31:09,920

many enigmas with stonework in

2439

01:31:13,590 --> 01:31:11,280

um

2440

01:31:15,430 --> 01:31:13,600

in massachusetts and when i when i took

2441

01:31:17,189 --> 01:31:15,440

a big step back away from ufo

2442

01:31:18,310 --> 01:31:17,199

investigation because it had become too

2443

01:31:21,110 --> 01:31:18,320

frightening

2444

01:31:23,270 --> 01:31:21,120

i um i really dove headfirst into the

2445

01:31:26,629 --> 01:31:23,280

archaeological mystery stuff

2446

01:31:28,870 --> 01:31:26,639

it it had kind of the mysterious aspect

2447

01:31:29,669 --> 01:31:28,880

that ufos had it had maybe the promise

2448

01:31:31,350 --> 01:31:29,679

of

2449

01:31:34,870 --> 01:31:31,360

finding out something that no one else

2450

01:31:37,510 --> 01:31:34,880

had been able to find out um but a a big

2451

01:31:39,590 --> 01:31:37,520

difference was was that a uh a stone

2452

01:31:43,030 --> 01:31:39,600

chamber was still going to be there the

2453

01:31:44,709 --> 01:31:43,040

next day and uh you know the ufo stuff

2454

01:31:46,470 --> 01:31:44,719

was uh

2455

01:31:47,270 --> 01:31:46,480

didn't have that kind of repeatability

2456

01:31:54,149 --> 01:31:47,280

right

2457

01:31:56,310 --> 01:31:54,159

it has been all along we have john uh

2458

01:31:59,270 --> 01:31:56,320

from new mexico it's on the line john

2459

01:32:00,550 --> 01:31:59,280

you are live on the air

2460

01:32:03,669 --> 01:32:00,560

hi how are you

2461

01:32:06,149 --> 01:32:03,679

hi welcome to the show

2462

01:32:08,229 --> 01:32:06,159

hey it's an honor to speak with you and

2463

01:32:09,669 --> 01:32:08,239

uh talk with you guys and

2464

01:32:10,870 --> 01:32:09,679

i'm pretty excited i've been watching

2465

01:32:13,110 --> 01:32:10,880

your show and

2466

01:32:15,270 --> 01:32:13,120

listening to it a lot and

2467

01:32:16,390 --> 01:32:15,280

i'm all about it

2468

01:32:18,550 --> 01:32:16,400

thank you i have a question for our

2469

01:32:21,270 --> 01:32:18,560

guest tonight

2470

01:32:22,790 --> 01:32:21,280

yeah um it's um hopefully it has

2471

01:32:24,870 --> 01:32:22,800

something to do with what you were just

2472

01:32:27,830 --> 01:32:24,880

talking about what do you think about

2473

01:32:28,709 --> 01:32:27,840

underground bases

2474

01:32:30,470 --> 01:32:28,719

well

2475

01:32:32,229 --> 01:32:30,480

that that's a good question and i i

2476

01:32:35,270 --> 01:32:32,239

wouldn't rule out the possibility of

2477

01:32:37,830 --> 01:32:35,280

something like an underground base um

2478

01:32:40,229 --> 01:32:37,840

there's a book called silent invasion by

2479

01:32:43,510 --> 01:32:40,239

ellen crystal it's one of the best books

2480

01:32:46,550 --> 01:32:43,520

that i ever read about ufos and in this

2481

01:32:49,030 --> 01:32:46,560

book she's discussing a wave of ufo

2482

01:32:51,350 --> 01:32:49,040

sightings in pine bush new york

2483

01:32:54,870 --> 01:32:51,360

and there is this this kind of

2484

01:32:57,189 --> 01:32:54,880

undercurrent of okay there seems to be

2485

01:32:59,430 --> 01:32:57,199

a bunch of ufos seen entering and

2486

01:33:01,830 --> 01:32:59,440

exiting the ground and there are areas

2487

01:33:03,990 --> 01:33:01,840

that seem to mysteriously be off limits

2488

01:33:06,229 --> 01:33:04,000

and that are that are connected to this

2489

01:33:09,350 --> 01:33:06,239

ufo stuff um

2490

01:33:11,510 --> 01:33:09,360

do i think that there is literally a

2491

01:33:13,750 --> 01:33:11,520

hollow space underneath the surface of

2492

01:33:16,149 --> 01:33:13,760

the earth somewhere in north america

2493

01:33:18,149 --> 01:33:16,159

where there's ufos and hangars

2494

01:33:21,189 --> 01:33:18,159

i'm inclined to say i don't think that's

2495

01:33:24,149 --> 01:33:21,199

the case i i don't know if it's the case

2496

01:33:25,830 --> 01:33:24,159

um but i do think that

2497

01:33:27,669 --> 01:33:25,840

for there is a

2498

01:33:29,750 --> 01:33:27,679

there is like a connection between ufo

2499

01:33:31,669 --> 01:33:29,760

sightings and and the underground and

2500

01:33:33,669 --> 01:33:31,679

openings in the ground and and the

2501

01:33:36,950 --> 01:33:33,679

openings in the grounds do

2502

01:33:39,030 --> 01:33:36,960

um have a connection with uh prehistoric

2503

01:33:39,910 --> 01:33:39,040

native american ethnography too where

2504

01:33:41,990 --> 01:33:39,920

they

2505

01:33:44,950 --> 01:33:42,000

seem to have venerated these places or

2506

01:33:46,950 --> 01:33:44,960

regarded them as special places um

2507

01:33:47,990 --> 01:33:46,960

you know there is

2508

01:33:50,229 --> 01:33:48,000

there is

2509

01:33:53,590 --> 01:33:50,239

kind of a interplay here between like

2510

01:33:56,870 --> 01:33:53,600

reality and folklore and myth and and

2511

01:33:59,189 --> 01:33:56,880

the possibility that some folklores and

2512

01:34:01,590 --> 01:33:59,199

myths are based on things that take

2513

01:34:04,229 --> 01:34:01,600

place in objective reality and that that

2514

01:34:05,590 --> 01:34:04,239

has a connection to ufo sightings um

2515

01:34:07,590 --> 01:34:05,600

there are

2516

01:34:09,669 --> 01:34:07,600

parallels between

2517

01:34:11,910 --> 01:34:09,679

european myths of little people and

2518

01:34:13,430 --> 01:34:11,920

fairies and and what would happen to

2519

01:34:15,350 --> 01:34:13,440

people if they got captured by the

2520

01:34:17,270 --> 01:34:15,360

fairies um

2521

01:34:18,390 --> 01:34:17,280

there are parallels between that and and

2522

01:34:20,310 --> 01:34:18,400

people who say that they've been

2523

01:34:22,390 --> 01:34:20,320

abducted by aliens and what happened to

2524

01:34:24,870 --> 01:34:22,400

them when they were on board the ufos

2525

01:34:27,990 --> 01:34:24,880

and these parallels are are remarkable

2526
01:34:29,430 --> 01:34:28,000
and they're compelling and um you know

2527
01:34:32,229 --> 01:34:29,440
it's it's just

2528
01:34:32,950 --> 01:34:32,239
you get into these aspects of ufo study

2529
01:34:34,950 --> 01:34:32,960
and

2530
01:34:36,550 --> 01:34:34,960
i think i just probably like lose a lot

2531
01:34:37,750 --> 01:34:36,560
of people right with this crazy stuff

2532
01:34:39,750 --> 01:34:37,760
but

2533
01:34:41,750 --> 01:34:39,760
it's just uh

2534
01:34:45,030 --> 01:34:41,760
you know i hate to repeat myself but

2535
01:34:48,550 --> 01:34:47,510
no it's it's interesting and

2536
01:34:51,590 --> 01:34:48,560
and i

2537
01:34:53,109 --> 01:34:51,600
it's it's not something to be discounted

2538
01:34:55,830 --> 01:34:53,119

you know like

2539

01:34:57,030 --> 01:34:55,840

like the farther i guess down the rabbit

2540

01:34:59,830 --> 01:34:57,040

hole you go

2541

01:35:01,830 --> 01:34:59,840

the more out there things can seem but

2542

01:35:03,270 --> 01:35:01,840

the more interconnected they can be as

2543

01:35:04,390 --> 01:35:03,280

well

2544

01:35:05,830 --> 01:35:04,400

and um

2545

01:35:08,709 --> 01:35:05,840

no i think that's cool that you said

2546

01:35:11,030 --> 01:35:08,719

about the ancient caves and

2547

01:35:12,950 --> 01:35:11,040

possibly modern caves and

2548

01:35:15,189 --> 01:35:12,960

and all that stuff because i've heard

2549

01:35:17,109 --> 01:35:15,199

about things like that too i mean i'm

2550

01:35:19,910 --> 01:35:17,119

i'm in the area of northern new mexico

2551
01:35:22,390 --> 01:35:19,920
kind of by los alamos and i grew up out

2552
01:35:23,990 --> 01:35:22,400
here and there's a lot of

2553
01:35:26,149 --> 01:35:24,000
i guess you could say folklore it's a

2554
01:35:29,270 --> 01:35:26,159
part of the it's a part of the culture

2555
01:35:32,390 --> 01:35:29,280
out here um ufos and everything

2556
01:35:33,910 --> 01:35:32,400
and i've always been fascinated by why

2557
01:35:36,390 --> 01:35:33,920
that is

2558
01:35:39,350 --> 01:35:36,400
and how it's kind of interconnected with

2559
01:35:42,310 --> 01:35:39,360
you know the manhattan project and

2560
01:35:43,990 --> 01:35:42,320
and everything else and it's all i find

2561
01:35:44,870 --> 01:35:44,000
really interesting but like you've also

2562
01:35:47,189 --> 01:35:44,880
said

2563
01:35:49,750 --> 01:35:47,199

sometimes when you get too close

2564

01:35:51,270 --> 01:35:49,760

it's not so fun anymore and it can get

2565

01:35:52,870 --> 01:35:51,280

pretty real

2566

01:35:55,510 --> 01:35:52,880

sure

2567

01:35:58,070 --> 01:35:55,520

so it's good to be careful too because

2568

01:35:59,669 --> 01:35:58,080

it isn't a joke in a lot of aspects if

2569

01:36:01,750 --> 01:35:59,679

you get

2570

01:36:02,950 --> 01:36:01,760

close to certain situations like people

2571

01:36:04,070 --> 01:36:02,960

won't talk

2572

01:36:08,870 --> 01:36:04,080

and

2573

01:36:10,950 --> 01:36:08,880

they won't say

2574

01:36:12,870 --> 01:36:10,960

and may know other people and

2575

01:36:15,030 --> 01:36:12,880

that's when it starts to get a little

2576

01:36:17,189 --> 01:36:15,040

you got to be careful i guess but

2577

01:36:19,910 --> 01:36:17,199

i've always found it to be really really

2578

01:36:21,350 --> 01:36:19,920

fascinating and amazing and

2579

01:36:22,950 --> 01:36:21,360

interesting

2580

01:36:24,390 --> 01:36:22,960

i think you're making some great points

2581

01:36:26,470 --> 01:36:24,400

there i like the

2582

01:36:28,629 --> 01:36:26,480

um i like you know kind of what you're

2583

01:36:29,990 --> 01:36:28,639

saying about this sort of rabbit hole

2584

01:36:31,830 --> 01:36:30,000

that you can go down where you're

2585

01:36:35,030 --> 01:36:31,840

getting into more and more

2586

01:36:36,629 --> 01:36:35,040

esoteric stuff and um people will i

2587

01:36:39,270 --> 01:36:36,639

think some people will maybe want to

2588

01:36:41,830 --> 01:36:39,280

push back against that and and discount

2589

01:36:43,270 --> 01:36:41,840

these really kind of far out ideas but i

2590

01:36:44,709 --> 01:36:43,280

i would kind of put it to people this

2591

01:36:46,870 --> 01:36:44,719

way where it's like

2592

01:36:48,229 --> 01:36:46,880

okay it's it's easy to envision aliens

2593

01:36:49,669 --> 01:36:48,239

from space coming here and doing

2594

01:36:50,709 --> 01:36:49,679

experiments

2595

01:36:53,669 --> 01:36:50,719

um

2596

01:36:56,790 --> 01:36:53,679

there's really no more evidence for that

2597

01:36:59,510 --> 01:36:56,800

than there is for the parallels between

2598

01:37:01,430 --> 01:36:59,520

ufos and fairies right like like if

2599

01:37:03,510 --> 01:37:01,440

we're just gonna look specifically at

2600

01:37:06,470 --> 01:37:03,520

the evidence you know what is the

2601
01:37:08,629 --> 01:37:06,480
evidence and and there's just as much

2602
01:37:11,750 --> 01:37:08,639
evidence for this

2603
01:37:12,590 --> 01:37:11,760
maybe more complex maybe more confusing

2604
01:37:14,629 --> 01:37:12,600
or

2605
01:37:17,030 --> 01:37:14,639
outlandish-sounding stuff as there is

2606
01:37:19,510 --> 01:37:17,040
for the extraterrestrial hypothesis or

2607
01:37:21,189 --> 01:37:19,520
other narratives that are that are a lot

2608
01:37:22,709 --> 01:37:21,199
easier to grasp i also like that you

2609
01:37:24,229 --> 01:37:22,719
mentioned that there are people who know

2610
01:37:27,030 --> 01:37:24,239
things and won't say things because that

2611
01:37:29,750 --> 01:37:27,040
is so true you know there is more that

2612
01:37:30,950 --> 01:37:29,760
is known than is discussed and i did

2613
01:37:33,590 --> 01:37:30,960

want to throw out there we've been

2614

01:37:34,390 --> 01:37:33,600

talking about this native american stuff

2615

01:37:46,790 --> 01:37:34,400

i

2616

01:37:49,109 --> 01:37:46,800

and uh

2617

01:37:50,310 --> 01:37:49,119

you know i i can't speak for them and i

2618

01:37:52,629 --> 01:37:50,320

think that there

2619

01:37:54,229 --> 01:37:52,639

are people with that perspective who

2620

01:37:56,149 --> 01:37:54,239

maybe have more insight on this than i

2621

01:37:58,470 --> 01:37:56,159

do

2622

01:38:01,109 --> 01:37:58,480

yeah yeah no and i've been hearing a lot

2623

01:38:03,910 --> 01:38:01,119

or more recently too on your show martin

2624

01:38:06,229 --> 01:38:03,920

about that kind of connection

2625

01:38:08,950 --> 01:38:06,239

with the metaphysical between different

2626

01:38:11,830 --> 01:38:08,960

mediums or aspects of it

2627

01:38:13,669 --> 01:38:11,840

and how it's all kind of seems connected

2628

01:38:16,149 --> 01:38:13,679

and i believe in that and i think what's

2629

01:38:19,189 --> 01:38:16,159

interesting is that before

2630

01:38:21,669 --> 01:38:19,199

modern times before the um

2631

01:38:24,629 --> 01:38:21,679

industrial revolution and all that

2632

01:38:25,990 --> 01:38:24,639

people were more prone to believe in the

2633

01:38:28,470 --> 01:38:26,000

mystical

2634

01:38:32,070 --> 01:38:28,480

and now because we have imperial

2635

01:38:34,470 --> 01:38:32,080

thought and you know like matter-based

2636

01:38:35,830 --> 01:38:34,480

science and evidence and all that stuff

2637

01:38:37,430 --> 01:38:35,840

based on you know

2638

01:38:39,270 --> 01:38:37,440

you know put it in a test tube it isn't

2639

01:38:41,750 --> 01:38:39,280

real a lot of people started to

2640

01:38:43,830 --> 01:38:41,760

disbelieve in that but

2641

01:38:46,070 --> 01:38:43,840

what i've learned and what i think also

2642

01:38:48,070 --> 01:38:46,080

exists in um

2643

01:38:51,030 --> 01:38:48,080

secret projects is that there is an

2644

01:38:51,910 --> 01:38:51,040

awareness of that of the metaphysical

2645

01:38:56,310 --> 01:38:51,920

and

2646

01:38:59,030 --> 01:38:56,320

can maybe

2647

01:39:01,030 --> 01:38:59,040

go in between and

2648

01:39:03,030 --> 01:39:01,040

go into different planes and all kinds

2649

01:39:04,229 --> 01:39:03,040

of stuff like that but

2650

01:39:06,470 --> 01:39:04,239

it's all

2651

01:39:08,629 --> 01:39:06,480

it's not separate we're not

2652

01:39:12,149 --> 01:39:08,639

it's it's not like we're just living in

2653

01:39:14,550 --> 01:39:12,159

an empire imperial imperial or whatever

2654

01:39:16,550 --> 01:39:14,560

version of reality based on modern

2655

01:39:18,790 --> 01:39:16,560

science i think that there's a whole

2656

01:39:21,830 --> 01:39:18,800

other area of science that's been

2657

01:39:24,229 --> 01:39:21,840

classified or that isn't encouraged to

2658

01:39:26,390 --> 01:39:24,239

the general public that explains these

2659

01:39:27,109 --> 01:39:26,400

things more in the interconnectedness of

2660

01:39:28,950 --> 01:39:27,119

it

2661

01:39:31,189 --> 01:39:28,960

and people that do the research will

2662

01:39:33,270 --> 01:39:31,199

find that there is a relation

2663

01:39:36,470 --> 01:39:33,280

between these things and maybe that's

2664

01:39:38,870 --> 01:39:36,480

why these myths have always existed

2665

01:39:41,030 --> 01:39:38,880

and older cultures accepted accepted it

2666

01:39:43,910 --> 01:39:41,040

more

2667

01:39:46,229 --> 01:39:43,920

well the line between science and uh and

2668

01:39:47,030 --> 01:39:46,239

magic is not a is not a hard and fast

2669

01:39:48,790 --> 01:39:47,040

line

2670

01:39:49,990 --> 01:39:48,800

you know someone a hundred years ago if

2671

01:39:51,750 --> 01:39:50,000

they could see

2672

01:39:53,830 --> 01:39:51,760

our technology today they would regard

2673

01:39:55,750 --> 01:39:53,840

it as magic and the technology of 100

2674

01:39:56,709 --> 01:39:55,760

years ago of 100 years from now in the

2675

01:39:58,870 --> 01:39:56,719

future

2676
01:40:00,070 --> 01:39:58,880
is something that that we would regard

2677
01:40:02,390 --> 01:40:00,080
as magic

2678
01:40:04,709 --> 01:40:02,400
um you know most people

2679
01:40:06,310 --> 01:40:04,719
people are so they get so caught up when

2680
01:40:08,950 --> 01:40:06,320
we talk about these mysteries and say

2681
01:40:11,109 --> 01:40:08,960
well i i won't believe it until i can

2682
01:40:13,430 --> 01:40:11,119
you know take it apart myself and see it

2683
01:40:15,910 --> 01:40:13,440
and it's like what percentage of people

2684
01:40:17,910 --> 01:40:15,920
know how your phone works or like the

2685
01:40:19,510 --> 01:40:17,920
electrical outlet in your house you plug

2686
01:40:21,510 --> 01:40:19,520
it in and like you know there's power

2687
01:40:22,709 --> 01:40:21,520
there do people really know

2688
01:40:23,830 --> 01:40:22,719

how that

2689

01:40:25,350 --> 01:40:23,840

what percentage of people really

2690

01:40:26,709 --> 01:40:25,360

understand how that electricity is

2691

01:40:29,350 --> 01:40:26,719

generated against your house and what

2692

01:40:31,030 --> 01:40:29,360

electricity is right you know there's

2693

01:40:33,669 --> 01:40:31,040

there's aspects of our own technology

2694

01:40:34,870 --> 01:40:33,679

that we use every day that very very few

2695

01:40:38,149 --> 01:40:34,880

people

2696

01:40:43,510 --> 01:40:40,390

that's right john thank you so much for

2697

01:40:45,750 --> 01:40:43,520

the uh call um i actually lived out in

2698

01:40:47,750 --> 01:40:45,760

los alamos for about six months years

2699

01:40:50,950 --> 01:40:47,760

ago and i used to like to go out to

2700

01:40:52,709 --> 01:40:50,960

bandelier and and also i was very

2701

01:40:55,350 --> 01:40:52,719

fascinated with the clip the cliff

2702

01:40:57,910 --> 01:40:55,360

dwelling and uh there's some actually

2703

01:40:59,189 --> 01:40:57,920

some i think there's some uh paintings

2704

01:41:01,350 --> 01:40:59,199

up in some of those

2705

01:41:02,830 --> 01:41:01,360

cliff cliff dwellings

2706

01:41:06,390 --> 01:41:02,840

is that right

2707

01:41:09,510 --> 01:41:06,400

john john is gone well thank you for the

2708

01:41:11,109 --> 01:41:09,520

call john the line is still open now and

2709

01:41:13,870 --> 01:41:11,119

that phone number is right up on the

2710

01:41:20,470 --> 01:41:16,550

855-472-5483 he was talking about

2711

01:41:22,790 --> 01:41:20,480

um underground but you know we're the

2712

01:41:25,590 --> 01:41:22,800

ocean is uh you know

2713

01:41:27,590 --> 01:41:25,600

70 um water is 70 of this planet it

2714

01:41:29,830 --> 01:41:27,600

seems like if these things can go in

2715

01:41:32,550 --> 01:41:29,840

between mediums and they actually need

2716

01:41:34,310 --> 01:41:32,560

to hide um maybe they don't need to hide

2717

01:41:37,350 --> 01:41:34,320

but maybe that is uh

2718

01:41:38,149 --> 01:41:37,360

that is a place for them but um before i

2719

01:41:39,590 --> 01:41:38,159

get

2720

01:41:42,390 --> 01:41:39,600

going in any other

2721

01:41:44,790 --> 01:41:42,400

tangent here we have spencer uh spencer

2722

01:41:46,310 --> 01:41:44,800

is calling from north carolina spencer

2723

01:41:49,590 --> 01:41:46,320

are you live on the air welcome to the

2724

01:41:52,550 --> 01:41:51,669

spencer

2725

01:41:58,870 --> 01:41:52,560

yes

2726

01:42:02,070 --> 01:41:58,880

hey how are you um i just had a question

2727

01:42:03,990 --> 01:42:02,080

about uh with all the ufo uh topics and

2728

01:42:06,229 --> 01:42:04,000

video coming out we haven't heard much

2729

01:42:08,629 --> 01:42:06,239

anything or anything else about it i was

2730

01:42:11,430 --> 01:42:08,639

curious to see what he thinks your guest

2731

01:42:12,950 --> 01:42:11,440

thinks will come from the ufo uh videos

2732

01:42:15,430 --> 01:42:12,960

or if there's anything else coming in

2733

01:42:18,470 --> 01:42:15,440

the media and why has it not been talked

2734

01:42:22,229 --> 01:42:20,149

well to be honest i i don't think

2735

01:42:23,270 --> 01:42:22,239

there's got to be more that comes out

2736

01:42:26,550 --> 01:42:23,280

and

2737

01:42:28,709 --> 01:42:26,560

look i'm not i have seen the reports

2738

01:42:31,910 --> 01:42:28,719

that have come out and the the videos

2739

01:42:33,750 --> 01:42:31,920

and um the eyewitness testimony i think

2740

01:42:35,109 --> 01:42:33,760

all of us interested in the subject have

2741

01:42:37,830 --> 01:42:35,119

seen this stuff

2742

01:42:38,629 --> 01:42:37,840

and i am a little bit skeptical about it

2743

01:43:07,990 --> 01:42:38,639

i

2744

01:43:10,470 --> 01:43:08,000

my um

2745

01:43:12,629 --> 01:43:10,480

like my social media feed i've got a lot

2746

01:43:14,229 --> 01:43:12,639

of friends on on facebook i follow a lot

2747

01:43:18,870 --> 01:43:14,239

of people on instagram and that stuff

2748

01:43:19,669 --> 01:43:18,880

isn't really full of great new ufo

2749

01:43:21,830 --> 01:43:19,679

um

2750

01:43:24,470 --> 01:43:21,840

photos and video at all you know most of

2751

01:43:26,390 --> 01:43:24,480

my friends are posting about uh you know

2752

01:43:29,189 --> 01:43:26,400

what they had for dinner or you know

2753

01:43:31,750 --> 01:43:29,199

concerns about covid they're not

2754

01:43:32,470 --> 01:43:31,760

sharing their ufo videos um

2755

01:43:34,229 --> 01:43:32,480

so

2756

01:43:36,629 --> 01:43:34,239

you know i i kind of i don't really

2757

01:43:38,390 --> 01:43:36,639

think we're living in a situation where

2758

01:43:40,229 --> 01:43:38,400

everybody is seeing this stuff all the

2759

01:43:42,629 --> 01:43:40,239

time

2760

01:43:44,950 --> 01:43:42,639

i just i think that the government uses

2761

01:43:47,750 --> 01:43:44,960

disinformation to

2762

01:43:50,390 --> 01:43:47,760

um to conceal i think they deliberately

2763

01:43:53,109 --> 01:43:50,400

propagate this information about ufos as

2764

01:43:54,950 --> 01:43:53,119

part of a uh a way to conceal what

2765

01:43:58,149 --> 01:43:54,960

they're doing and i think if ufo

2766

01:44:00,470 --> 01:43:58,159

sightings did wane if the ufo hype and

2767

01:44:02,229 --> 01:44:00,480

interest was flagging i wouldn't put it

2768

01:44:03,350 --> 01:44:02,239

past them to make something up to keep

2769

01:44:05,830 --> 01:44:03,360

it going

2770

01:44:08,390 --> 01:44:05,840

so you know i just i just really don't

2771

01:44:09,750 --> 01:44:08,400

know and of course um the future could

2772

01:44:11,990 --> 01:44:09,760

prove me wrong there could be some kind

2773

01:44:13,910 --> 01:44:12,000

of crazy disclosure tomorrow that takes

2774

01:44:14,950 --> 01:44:13,920

everybody by surprise i certainly didn't

2775

01:44:17,510 --> 01:44:14,960

predict

2776

01:44:19,669 --> 01:44:17,520

um the wave of kind of progressive

2777

01:44:21,030 --> 01:44:19,679

releases that we've seen in recent

2778

01:44:23,910 --> 01:44:21,040

months and years

2779

01:44:26,229 --> 01:44:23,920

um but you know i i think maybe they

2780

01:44:28,229 --> 01:44:26,239

feel like they've uh they've stoked the

2781

01:44:31,430 --> 01:44:28,239

flames enough and maybe they'll sit back

2782

01:44:33,109 --> 01:44:31,440

for a while and let us all uh dissect

2783

01:44:35,669 --> 01:44:33,119

and debate these sightings and and

2784

01:44:37,910 --> 01:44:35,679

videos and stuff until uh it's time to

2785

01:44:40,550 --> 01:44:37,920

throw us another bone

2786

01:44:43,270 --> 01:44:40,560

well um you know that may very well be

2787

01:44:45,830 --> 01:44:43,280

the case and uh thank you very much for

2788

01:44:47,990 --> 01:44:45,840

the call spencer we have another uh call

2789

01:44:50,390 --> 01:44:48,000

waiting uh dana from costa rica i'm

2790

01:44:51,189 --> 01:44:50,400

going to pull them up in just a second

2791

01:44:54,790 --> 01:44:51,199

um

2792

01:44:57,910 --> 01:44:54,800

but uh supposedly there's a 23-minute

2793

01:45:00,149 --> 01:44:57,920

video coming out and um i'm going to

2794

01:45:02,229 --> 01:45:00,159

grill lou alexander when i have him on

2795

01:45:04,390 --> 01:45:02,239

the show he knows about that and

2796

01:45:05,830 --> 01:45:04,400

supposedly there's several craft and all

2797

01:45:07,830 --> 01:45:05,840

that stuff which is

2798

01:45:10,550 --> 01:45:07,840

fascinating i hope we do get to see that

2799

01:45:12,550 --> 01:45:10,560

uh for right now though we have uh dan

2800

01:45:14,870 --> 01:45:12,560

on the line from costa rica dan you are

2801

01:45:16,790 --> 01:45:14,880

live on the air

2802

01:45:19,590 --> 01:45:16,800

hey chris it's crappy dan from long

2803

01:45:21,590 --> 01:45:19,600

beach clip 45 crew awesome great to hear

2804

01:45:23,990 --> 01:45:21,600

from you man how are you

2805

01:45:25,910 --> 01:45:24,000

awesome good man i'm watching i'm

2806

01:45:29,990 --> 01:45:25,920

watching you live here

2807

01:45:33,109 --> 01:45:30,000

super cool i can see your face

2808

01:45:34,470 --> 01:45:33,119

so my question is for you

2809

01:45:36,790 --> 01:45:34,480

um

2810

01:45:38,550 --> 01:45:36,800

what's your take on

2811

01:45:40,709 --> 01:45:38,560

atlantis

2812

01:45:44,310 --> 01:45:40,719

and the loomer

2813

01:45:44,320 --> 01:45:48,310

that's a good question uh

2814

01:45:51,350 --> 01:45:49,590

the uh

2815

01:45:52,790 --> 01:45:51,360

this kind of goes into

2816

01:45:54,229 --> 01:45:52,800

sort of what i was talking about earlier

2817

01:45:57,510 --> 01:45:54,239

with regard to

2818

01:46:00,790 --> 01:45:57,520

myth and folklore and method folklore

2819

01:46:02,790 --> 01:46:00,800

having a basis in in fact in historical

2820

01:46:05,109 --> 01:46:02,800

fact um

2821

01:46:07,350 --> 01:46:05,119

there is no doubt that there is

2822

01:46:08,870 --> 01:46:07,360

archaeological evidence under the

2823

01:46:10,950 --> 01:46:08,880

surface of the ocean

2824

01:46:12,790 --> 01:46:10,960

that pertains to

2825

01:46:14,790 --> 01:46:12,800

uh cities and civilizations that we

2826

01:46:16,629 --> 01:46:14,800

don't know anything about and

2827

01:46:19,270 --> 01:46:16,639

in the ancient world

2828

01:46:22,870 --> 01:46:19,280

atlantis was chronicled no differently

2829

01:46:24,870 --> 01:46:22,880

from the other great empires that we now

2830

01:46:27,030 --> 01:46:24,880

know where they were and and know you

2831

01:46:29,590 --> 01:46:27,040

know we we can dig up their cities and

2832

01:46:32,709 --> 01:46:29,600

we can go to a museum and see their art

2833

01:46:35,109 --> 01:46:32,719

and atlantis is this you know they're

2834

01:46:37,350 --> 01:46:35,119

hum i don't know how many times some

2835

01:46:39,830 --> 01:46:37,360

some tv documentary has come out and

2836

01:46:42,310 --> 01:46:39,840

it's like atlantis revealed you know we

2837

01:46:44,390 --> 01:46:42,320

found this underground city or

2838

01:46:46,709 --> 01:46:44,400

underwater city that was destroyed by a

2839

01:46:49,350 --> 01:46:46,719

tsunami or you know we believe that we

2840

01:46:52,070 --> 01:46:49,360

found in this desert somewhere the these

2841

01:46:54,629 --> 01:46:52,080

faint vestiges of some great city that

2842

01:46:56,149 --> 01:46:54,639

was abandoned because of some cataclysm

2843

01:46:56,870 --> 01:46:56,159

um

2844

01:47:02,870 --> 01:46:56,880

and

2845

01:47:04,870 --> 01:47:02,880

not sure that there ever will be because

2846

01:47:07,109 --> 01:47:04,880

with regard to human history it's just

2847

01:47:09,510 --> 01:47:07,119

there's just so much of it that we just

2848

01:47:12,390 --> 01:47:09,520

won't know anything about and um you

2849

01:47:15,990 --> 01:47:12,400

know the lemurians uh i kind of put them

2850

01:47:18,070 --> 01:47:16,000

in a category of these kind of folkloric

2851
01:47:20,390 --> 01:47:18,080
beings like i mentioned earlier the the

2852
01:47:22,149 --> 01:47:20,400
shaver mystery and the dyros which is

2853
01:47:24,149 --> 01:47:22,159
something that i i really kind of like

2854
01:47:26,229 --> 01:47:24,159
to talk about where

2855
01:47:28,870 --> 01:47:26,239
there's a lot of stories and a lot of

2856
01:47:31,189 --> 01:47:28,880
legends and a lot of folklore and then

2857
01:47:32,950 --> 01:47:31,199
there's this tantalizing

2858
01:47:34,790 --> 01:47:32,960
sort of possibility

2859
01:47:37,189 --> 01:47:34,800
that some of this stuff

2860
01:47:39,750 --> 01:47:37,199
uh represents real encounters that some

2861
01:47:42,950 --> 01:47:39,760
of this stuff is real where you might

2862
01:47:43,750 --> 01:47:42,960
find parallels between stories of people

2863
01:47:45,189 --> 01:47:43,760

who

2864

01:47:47,750 --> 01:47:45,199

never could have heard each other's

2865

01:47:49,350 --> 01:47:47,760

stories but who yet um came up with

2866

01:47:50,950 --> 01:47:49,360

something said something happened to

2867

01:47:53,590 --> 01:47:50,960

them some detail that seems oddly

2868

01:47:55,750 --> 01:47:53,600

specific that is is shared among these

2869

01:47:57,270 --> 01:47:55,760

stories and i think they're uh i think

2870

01:47:59,270 --> 01:47:57,280

it's really interesting

2871

01:48:01,350 --> 01:47:59,280

um but

2872

01:48:02,629 --> 01:48:01,360

it's it's a radical you know you really

2873

01:48:04,790 --> 01:48:02,639

can uh

2874

01:48:06,070 --> 01:48:04,800

get

2875

01:48:08,470 --> 01:48:06,080

and there's never going to be a real

2876
01:48:09,270 --> 01:48:08,480
answer

2877
01:48:11,030 --> 01:48:09,280
right

2878
01:48:14,709 --> 01:48:11,040
and it's

2879
01:48:17,109 --> 01:48:14,719
the discoveries in antarctica

2880
01:48:18,950 --> 01:48:17,119
i mean i think uh you know

2881
01:48:22,149 --> 01:48:18,960
i think there's a lot to find out about

2882
01:48:24,950 --> 01:48:22,159
antarctica there's um maps that seem to

2883
01:48:27,590 --> 01:48:24,960
show antarctica under the ice you know

2884
01:48:29,750 --> 01:48:27,600
things that no human could have known i

2885
01:48:32,709 --> 01:48:29,760
think to put it in in the most simple

2886
01:48:34,709 --> 01:48:32,719
terms possible i am convinced regardless

2887
01:48:36,950 --> 01:48:34,719
of aliens regardless of anything else i

2888
01:48:37,990 --> 01:48:36,960

am convinced that there is a tremendous

2889

01:48:40,070 --> 01:48:38,000

amount

2890

01:48:42,149 --> 01:48:40,080

of human history that we would be

2891

01:48:43,830 --> 01:48:42,159

shocked if we knew and i think that

2892

01:48:46,870 --> 01:48:43,840

there are a lot of things that we think

2893

01:48:48,629 --> 01:48:46,880

of as modern that were discovered in

2894

01:48:50,550 --> 01:48:48,639

prehistoric times and that maybe were

2895

01:48:52,870 --> 01:48:50,560

widely known about in prehistoric times

2896

01:48:54,470 --> 01:48:52,880

and we we just don't realize because so

2897

01:48:56,870 --> 01:48:54,480

much has been lost so much wasn't

2898

01:49:00,149 --> 01:48:56,880

written down or is under the ocean or

2899

01:49:02,709 --> 01:49:00,159

underground somewhere

2900

01:49:06,470 --> 01:49:03,669

chris

2901

01:49:08,229 --> 01:49:06,480

you're awesome thank you for what you do

2902

01:49:09,350 --> 01:49:08,239

it's good talking to you

2903

01:49:10,310 --> 01:49:09,360

good to talk to you man thank you for

2904

01:49:13,990 --> 01:49:10,320

calling

2905

01:49:16,070 --> 01:49:14,000

so that's going to be it for uh calls

2906

01:49:18,149 --> 01:49:16,080

for us tonight yeah all that stuff is

2907

01:49:20,629 --> 01:49:18,159

fascinating because there's there's so

2908

01:49:22,629 --> 01:49:20,639

many things that could have happened you

2909

01:49:25,350 --> 01:49:22,639

know i mentioned earlier the ice ages

2910

01:49:28,390 --> 01:49:25,360

there's been many but there's also the

2911

01:49:30,229 --> 01:49:28,400

moving of tectonic plates and um you

2912

01:49:31,669 --> 01:49:30,239

know and major earthquakes every time

2913

01:49:34,310 --> 01:49:31,679

there's you know

2914

01:49:36,229 --> 01:49:34,320

there's uh substantial movement on that

2915

01:49:40,070 --> 01:49:36,239

and you know the land mass is joining

2916

01:49:42,390 --> 01:49:40,080

together and then uh how under the ocean

2917

01:49:44,470 --> 01:49:42,400

i don't ever i've never really been able

2918

01:49:46,070 --> 01:49:44,480

to figure that out how the tectonic

2919

01:49:47,430 --> 01:49:46,080

plates moved if we were all if the

2920

01:49:49,589 --> 01:49:47,440

landmass was joined together and

2921

01:49:51,189 --> 01:49:49,599

separated then where does the ocean

2922

01:49:54,629 --> 01:49:51,199

floor come from you know that type of

2923

01:49:56,950 --> 01:49:54,639

thing is it all just churned up like a

2924

01:49:59,350 --> 01:49:56,960

you know like a rototiller uh you know

2925

01:50:00,709 --> 01:49:59,360

churning the the garden you know i mean

2926

01:50:03,109 --> 01:50:00,719

we're you know we're talking about

2927

01:50:05,270 --> 01:50:03,119

billions of years you know geologic time

2928

01:50:06,709 --> 01:50:05,280

we can't even grasp it

2929

01:50:08,870 --> 01:50:06,719

right it's uh

2930

01:50:10,070 --> 01:50:08,880

it's beyond our ability to understand

2931

01:50:12,390 --> 01:50:10,080

there was a story that you might have

2932

01:50:14,390 --> 01:50:12,400

seen in archaeology in the last month or

2933

01:50:15,910 --> 01:50:14,400

two about fossilized human footprints

2934

01:50:18,149 --> 01:50:15,920

that were found in mexico that were

2935

01:50:20,790 --> 01:50:18,159

dated much much earlier than we had

2936

01:50:22,390 --> 01:50:20,800

previously believed and this stuff is

2937

01:50:25,189 --> 01:50:22,400

just the tip of the iceberg you know the

2938

01:50:26,790 --> 01:50:25,199

more we investigate the further back

2939

01:50:29,430 --> 01:50:26,800

this number gets

2940

01:50:31,510 --> 01:50:29,440

um and i think someday even our most

2941

01:50:34,550 --> 01:50:31,520

basic ideas about where human beings

2942

01:50:36,229 --> 01:50:34,560

came from will be challenged uh i was

2943

01:50:38,229 --> 01:50:36,239

just talking about that with a friend

2944

01:50:41,030 --> 01:50:38,239

the other day you know like when you

2945

01:50:44,470 --> 01:50:41,040

hear scientists say that you know the

2946

01:50:47,030 --> 01:50:44,480

homo speci homo sapiens species us you

2947

01:50:49,189 --> 01:50:47,040

know are like 100 000 years old or 200

2948

01:50:49,990 --> 01:50:49,199

000 years old something like that to me

2949

01:50:55,589 --> 01:50:50,000

that

2950

01:50:59,189 --> 01:50:55,599

like evolution how things could develop

2951
01:51:01,189 --> 01:50:59,199
so quickly to become our species and

2952
01:51:03,030 --> 01:51:01,199
you know it's all baffling and i think

2953
01:51:05,990 --> 01:51:03,040
you're right i think we will know a lot

2954
01:51:08,229 --> 01:51:06,000
more someday and i think you know for

2955
01:51:10,149 --> 01:51:08,239
there's always going to be hesitancy to

2956
01:51:12,790 --> 01:51:10,159
rewrite history books

2957
01:51:14,310 --> 01:51:12,800
you know from the human development

2958
01:51:16,149 --> 01:51:14,320
there's always going to be

2959
01:51:17,750 --> 01:51:16,159
uh you know people fighting anything

2960
01:51:19,270 --> 01:51:17,760
that's discovered is what i'm saying

2961
01:51:20,390 --> 01:51:19,280
unfortunately they'll be part of science

2962
01:51:21,830 --> 01:51:20,400
that will

2963
01:51:25,030 --> 01:51:21,840

that's not how science is supposed to

2964

01:51:28,310 --> 01:51:25,040

work but that's how it actually can

2965

01:51:29,830 --> 01:51:28,320

the people adopt ideas in sets and you

2966

01:51:33,750 --> 01:51:29,840

know the science

2967

01:51:37,109 --> 01:51:33,760

is very sticky and it takes so much to

2968

01:51:38,709 --> 01:51:37,119

overturn these orthodoxies i mean when

2969

01:51:41,189 --> 01:51:38,719

you really start to look at some of the

2970

01:51:41,910 --> 01:51:41,199

fossil record for human ancestors and

2971

01:51:45,430 --> 01:51:41,920

for

2972

01:51:47,510 --> 01:51:45,440

where you've got

2973

01:51:50,229 --> 01:51:47,520

millions of years of time

2974

01:51:52,310 --> 01:51:50,239

represented by a single fossil fragment

2975

01:51:54,310 --> 01:51:52,320

you know a tooth or part of a cranium

2976

01:51:56,149 --> 01:51:54,320

it's like i think there's a tremendous

2977

01:51:57,350 --> 01:51:56,159

amount of hubris in thinking that we

2978

01:52:00,629 --> 01:51:57,360

know

2979

01:52:02,709 --> 01:52:00,639

are all answered and we figured it all

2980

01:52:05,189 --> 01:52:02,719

out i don't think we're there at all

2981

01:52:08,629 --> 01:52:05,199

and we do um by the way we do have

2982

01:52:11,430 --> 01:52:08,639

amnesia very you know we really don't

2983

01:52:13,669 --> 01:52:11,440

things don't seem to carry forward uh

2984

01:52:15,669 --> 01:52:13,679

very far you know you look at your own

2985

01:52:17,350 --> 01:52:15,679

ancestry you know how much do you know

2986

01:52:19,430 --> 01:52:17,360

about your great grandfather you know

2987

01:52:21,830 --> 01:52:19,440

that type of thing we we really don't

2988

01:52:24,709 --> 01:52:21,840

carry along you know thank goodness

2989

01:52:26,470 --> 01:52:24,719

there's documentation now but prior to

2990

01:52:27,830 --> 01:52:26,480

books and things like that you know

2991

01:52:29,350 --> 01:52:27,840

there were a lot of stories that were

2992

01:52:31,030 --> 01:52:29,360

never carried forward

2993

01:52:33,270 --> 01:52:31,040

and that's part of why i got into the

2994

01:52:35,510 --> 01:52:33,280

historical ufo cases because i think

2995

01:52:37,910 --> 01:52:35,520

that there's so much material there and

2996

01:52:40,470 --> 01:52:37,920

it's so important and uh

2997

01:52:41,990 --> 01:52:40,480

so little of it is kind of accessible

2998

01:52:43,430 --> 01:52:42,000

you know there's

2999

01:52:45,750 --> 01:52:43,440

there's the kind of the aspect of the

3000

01:52:47,030 --> 01:52:45,760

ufo investigator that's fun where you're

3001

01:52:49,430 --> 01:52:47,040

you're knocking on doors and saying

3002

01:52:50,870 --> 01:52:49,440

excuse me miss did you see you know an

3003

01:52:52,229 --> 01:52:50,880

alien in your yard or whatever but

3004

01:52:54,070 --> 01:52:52,239

there's this other aspect of it that's

3005

01:52:56,390 --> 01:52:54,080

maybe less glamorous where you're

3006

01:52:58,709 --> 01:52:56,400

trawling through microfilm rolls where

3007

01:53:01,589 --> 01:52:58,719

you're going through dusty newspapers

3008

01:53:03,350 --> 01:53:01,599

and finding um these clues you know i

3009

01:53:04,790 --> 01:53:03,360

it's it's not is

3010

01:53:06,550 --> 01:53:04,800

they're never going to make an x-files

3011

01:53:09,830 --> 01:53:06,560

episode about a guy who does research at

3012

01:53:11,910 --> 01:53:09,840

the library but there's so much to find

3013

01:53:14,070 --> 01:53:11,920

right chris has been fascinating i've

3014

01:53:16,790 --> 01:53:14,080

really enjoyed our conversation tonight

3015

01:53:18,229 --> 01:53:16,800

and i hope uh i hope we stay in touch

3016

01:53:20,149 --> 01:53:18,239

i would love it yeah thanks so much for

3017

01:53:21,589 --> 01:53:20,159

having me on this was great all right we

3018

01:53:23,669 --> 01:53:21,599

have to stay in touch with good we have

3019

01:53:24,950 --> 01:53:23,679

to see how things go after this

3020

01:53:26,470 --> 01:53:24,960

yeah let me know if something weird

3021

01:53:27,510 --> 01:53:26,480

happens yeah

3022

01:53:29,669 --> 01:53:27,520

oh no

3023

01:53:31,669 --> 01:53:29,679

all right thanks a lot you take care

3024

01:53:34,229 --> 01:53:31,679

thanks you too all right all right

3025

01:53:35,910 --> 01:53:34,239

everyone so that's it and next week as i

3026

01:53:37,910 --> 01:53:35,920

mentioned in the beginning of the show

3027

01:53:39,430 --> 01:53:37,920

i'll be out in arizona with a friend and

3028

01:53:41,669 --> 01:53:39,440

we're going to be

3029

01:53:43,990 --> 01:53:41,679

broadcasting our show live from there

3030

01:53:45,910 --> 01:53:44,000

with several mufon people thanks so much

3031

01:53:48,830 --> 01:53:45,920

everyone and remember to keep your eyes

3032

01:53:57,940 --> 01:53:48,840

to the sky
