whole bunch of people here we're live

7
00:01:15,109 --> 00:01:12,400

from the phoenix area um i was at boot

8
00:01:16,630 --> 00:01:15,119

camp and observed what was going on

9
00:01:18,630 --> 00:01:16,640

there is fascinating we're going to be

10
00:01:19,830 --> 00:01:18,640

talking about that and a whole bunch of

11
00:01:22,230 --> 00:01:19,840

other things here i have a whole bunch

12
00:01:24,390 --> 00:01:22,240

of people with me here today we're going

13
00:01:26,870 --> 00:01:24,400

to be um each one is going to do a

14

00:01:29,749 --> 00:01:26,880

little quick blurb about themselves

15

00:01:31,510 --> 00:01:29,759

if you go to my website podcast ufo.com

16

00:01:33,990 --> 00:01:31,520

you'll see the blog this week is a

17

00:01:36,870 --> 00:01:34,000

country singer ufo occupants and men in

18

00:01:38,310 --> 00:01:36,880

black and that's about johnny c stanz i

19

00:01:40,789 --> 00:01:38,320

think it is johnny sands a country

20

00:01:43,990 --> 00:01:40,799

western singer had a sighting back in

21

00:01:47,109 --> 00:01:44,000

1976 very interesting with these strange

22

00:01:50,149 --> 00:01:47,119

looking uh angry mean looking

23

00:01:52,950 --> 00:01:50,159

beings and uh men in black it's a great

24

00:01:55,190 --> 00:01:52,960

story by charles lear check that out so

25

00:01:56,389 --> 00:01:55,200

here in phoenix it's uh everywhere in

26

00:01:58,310 --> 00:01:56,399

the country

27

00:01:59,670 --> 00:01:58,320

change time we have missing time here

28

00:02:01,670 --> 00:01:59,680

right

29

00:02:03,270 --> 00:02:01,680

so we have our missing time it never

30

00:02:05,190 --> 00:02:03,280

changes it never changes except the

31

00:02:07,350 --> 00:02:05,200

navajo nation right

32

00:02:09,190 --> 00:02:07,360

so anyway uh

33

00:02:11,830 --> 00:02:09,200

so it's been great out here i've been

34

00:02:14,229 --> 00:02:11,840

out here um almost a week

35

00:02:16,390 --> 00:02:14,239

really enjoying the nice warmth and it's

36

00:02:18,790 --> 00:02:16,400

a lot of fun and i have a bunch of great

37

00:02:20,949 --> 00:02:18,800

41

00:02:27,990 --> 00:02:25,520

42

00:02:31,830 --> 00:02:28,000

00:03:22,309 --> 00:03:20,959
oh and my name is mark antonio and i'm

00:03:23,350 --> 00:03:22,319
the chief photo and video analyst for

58
00:03:26,229 --> 00:03:23,360

60
00:03:30,229 --> 00:03:28,480
two sides of the country and we we bring

61
00:03:32,550 --> 00:03:30,239
the night sky to people all over the

62
00:03:34,949 --> 00:03:32,560
world

63
00:03:38,309 --> 00:03:34,959

i'm earl door i'm a field investigator

64

00:03:40,470 --> 00:03:38,319

for phoenix mufon also

65

00:03:42,309 --> 00:03:40,480

hi i'm jennifer i live in tucson i

66

00:03:43,509 --> 00:03:42,319

attended the event this past weekend so

67

00:03:47,509 --> 00:03:43,519

i'm a future

68

00:03:51,910 --> 00:03:50,470

hi i'm matthew roberts

69

00:03:55,110 --> 00:03:51,920

former guest

70

00:03:58,789 --> 00:03:55,120

previous guest on the show and uh

71

00:04:02,789 --> 00:04:00,550

all right so

72

00:04:04,789 --> 00:04:02,799

first of all before we i want the focus

73

00:04:06,470 --> 00:04:04,799

to be on stacy for a minute because i

74

00:04:07,750 --> 00:04:06,480

want to talk about

75

00:04:09,990 --> 00:04:07,760

um

76

00:04:11,750 --> 00:04:10,000

i want to talk about how you read

77

00:04:14,470 --> 00:04:11,760

you were kind of instrumental in

78

00:04:15,750 --> 00:04:14,480

reviving phoenix mufon which was dormant

79

00:04:18,069 --> 00:04:15,760

for many years

80

00:04:22,310 --> 00:04:18,079

and so let's let's hear how that how

81

00:04:25,670 --> 00:04:22,320

that all came about okay well i just

82

00:04:27,830 --> 00:04:25,680

got this insane interest in ufos uh

83

00:04:30,469 --> 00:04:27,840

after being just a fan of astronomy all

84

00:04:31,830 --> 00:04:30,479

my life all of a sudden one day ufo

85

00:04:33,189 --> 00:04:31,840

thing happened and i thought you know

86

00:04:34,150 --> 00:04:33,199

we've got to look into this maybe

87

00:04:37,189 --> 00:04:34,160

there's

88

00:04:38,310 --> 00:04:37,199

some great wacky ufo meeting here in

89

00:04:39,990 --> 00:04:38,320

phoenix

90

00:04:42,150 --> 00:04:40,000

in this big world-class city there's got

91

00:04:44,870 --> 00:04:42,160

to be something that i found out by

92

00:04:46,230 --> 00:04:44,880

looking at this crazy group called mufon

93

00:04:47,510 --> 00:04:46,240

that there had been nothing going on

94

00:04:49,909 --> 00:04:47,520

here for

95

00:04:52,150 --> 00:04:49,919

about eight years which was also strange

96

00:04:54,629 --> 00:04:52,160

because it was just after the phoenix

97

00:04:56,550 --> 00:04:54,639

lights incident in 1997. so for eight

98

00:04:57,430 --> 00:04:56,560

years there was nothing

99

00:04:59,430 --> 00:04:57,440

um

100

00:05:01,510 --> 00:04:59,440

i wrote to the executive director of

101
00:05:03,270 --> 00:05:01,520
mufon and asked why don't we have

102
00:05:05,110 --> 00:05:03,280
anything going on here

103
00:05:07,270 --> 00:05:05,120
and he said well let's start something

104
00:05:10,469 --> 00:05:07,280
so in two weeks there was a meeting

105
00:05:12,870 --> 00:05:10,479
and i raised my hand to volunteer to

106
00:05:15,830 --> 00:05:12,880
start up a new chapter for phoenix

107
00:05:17,590 --> 00:05:15,840
so that's how it all got started in 2007

108
00:05:18,870 --> 00:05:17,600
and it was just uh

109
00:05:21,110 --> 00:05:18,880
i don't think it was really anything

110
00:05:22,710 --> 00:05:21,120
that i did it was just prime time for

111
00:05:24,390 --> 00:05:22,720
this area people were ready for

112
00:05:26,550 --> 00:05:24,400
something like this

113
00:05:28,469 --> 00:05:26,560

they just flocked to it and it has just

114

00:05:31,110 --> 00:05:28,479

been a real success ever since then and

115

00:05:33,350 --> 00:05:31,120

a lot of fun in the world in the country

116

00:05:36,550 --> 00:05:33,360

yeah we have one of the best chapters

117

00:05:38,790 --> 00:05:36,560

around i will say that

118

00:05:41,830 --> 00:05:38,800

our very first speaker when we started

119

00:05:44,230 --> 00:05:41,840

this up was actually stanton friedman

120

00:05:47,270 --> 00:05:44,240

the godfather of ufology so

121

00:05:49,350 --> 00:05:47,280

um he came in and and uh was our guest

122

00:05:50,870 --> 00:05:49,360

speaker for that very first meeting

123

00:05:52,550 --> 00:05:50,880

and he did this free of charge because

124

00:05:54,310 --> 00:05:52,560

he's a great guy he just wanted to see

125

00:05:56,629 --> 00:05:54,320

it start up again

126

00:05:58,390 --> 00:05:56,639

and it did with a vengeance

127

00:05:59,189 --> 00:05:58,400

so we're really happy to still be doing

128

00:06:02,070 --> 00:05:59,199

it

129

00:06:04,710 --> 00:06:02,080

now i'm surprised that

130

00:06:07,350 --> 00:06:04,720

that lagged 1997

131

00:06:09,029 --> 00:06:07,360

march 13th the phoenix slice lights

132

00:06:10,230 --> 00:06:09,039

event happened

133

00:06:12,469 --> 00:06:10,240

and

134

00:06:13,670 --> 00:06:12,479

it just seemed it's unbelievable that

135

00:06:15,749 --> 00:06:13,680

something like

136

00:06:16,790 --> 00:06:15,759

mufon in this area would stagnate after

137

00:06:19,510 --> 00:06:16,800

all those

138

00:06:21,590 --> 00:06:19,520

thousands of witnesses it is uncanny

139

00:06:23,830 --> 00:06:21,600

that that would happen i think there was

140

00:06:25,189 --> 00:06:23,840

some investigations going on after the

141

00:06:27,189 --> 00:06:25,199

event

142

00:06:29,350 --> 00:06:27,199

but there was a lot of infighting also

143

00:06:30,710 --> 00:06:29,360

going on a bunch of stuff happened i

144

00:06:33,029 --> 00:06:30,720

wasn't part of it then so i don't know

145

00:06:35,430 --> 00:06:33,039

exactly but it sounded like it was a

146

00:06:36,469 --> 00:06:35,440

real mess and i believe that one of the

147

00:06:38,230 --> 00:06:36,479

mufon

148

00:06:40,070 --> 00:06:38,240

directors may have passed away during

149

00:06:42,870 --> 00:06:40,080

that time as well so it just all felt

150

00:06:45,430 --> 00:06:42,880

hard right is there anyone in this room

151
00:06:47,110 --> 00:06:45,440
that was here when the phoenix like

152
00:06:50,790 --> 00:06:47,120
lights happened and

153
00:06:52,870 --> 00:06:50,800
and you knew about it happening and

154
00:06:55,110 --> 00:06:52,880
i had only heard about it you know but i

155
00:06:57,350 --> 00:06:55,120
i seized on it immediately

156
00:06:59,350 --> 00:06:57,360
to do an analysis yeah yeah

157
00:07:01,029 --> 00:06:59,360
but what was released was not what

158
00:07:03,909 --> 00:07:01,039
people saw

159
00:07:04,950 --> 00:07:03,919
so that right there said okay this is

160
00:07:07,110 --> 00:07:04,960
not

161
00:07:08,950 --> 00:07:07,120
what you see in the sky you see those

162
00:07:10,790 --> 00:07:08,960
those those the famous photographers the

163
00:07:12,230 --> 00:07:10,800

famous video

164

00:07:13,589 --> 00:07:12,240

over there

165

00:07:15,749 --> 00:07:13,599

that was probably the flare event that

166

00:07:17,110 --> 00:07:15,759

occurred after the actual event and the

167

00:07:18,629 --> 00:07:17,120

actual event was something very

168

00:07:22,230 --> 00:07:18,639

different

169

00:07:23,350 --> 00:07:22,240

i i ran into a guy in new zealand on a

170

00:07:26,070 --> 00:07:23,360

cruise

171

00:07:28,070 --> 00:07:26,080

told him enough from queen creek he said

172

00:07:29,510 --> 00:07:28,080

i was there when it was one stoplight so

173

00:07:31,510 --> 00:07:29,520

i asked him

174

00:07:33,350 --> 00:07:31,520

one stoplight so you're a farmer or your

175

00:07:34,710 --> 00:07:33,360

military there's military said where

176

00:07:38,070 --> 00:07:34,720

were you stationed

177

00:07:39,749 --> 00:07:38,080

he said luke air force base and i said

178

00:07:41,589 --> 00:07:39,759

back then so you saw phoenix flights you

179

00:07:45,510 --> 00:07:41,599

could so you just gave him goosebumps he

180

00:07:46,869 --> 00:07:45,520

goes i saw that and it was not ours and

181

00:07:48,950 --> 00:07:46,879

uh

182

00:07:50,550 --> 00:07:48,960

i got his number but i still gotta hook

183

00:07:52,230 --> 00:07:50,560

up and chat with him a little more so we

184

00:07:54,390 --> 00:07:52,240

didn't connie coming down and talking

185

00:07:56,550 --> 00:07:54,400

more about it but you run into firsthand

186

00:07:58,469 --> 00:07:56,560

people all the time when you're talking

187

00:08:00,550 --> 00:07:58,479

about different things and that was my

188

00:08:02,869 --> 00:08:00,560

deal with the phoenix lights and i lived

189

00:08:04,390 --> 00:08:02,879

here at the time but i never saw it i

190

00:08:05,670 --> 00:08:04,400

had someone from out of state calling

191

00:08:08,309 --> 00:08:05,680

the next day and said hey you guys had a

192

00:08:11,350 --> 00:08:08,319

ufo last night and i'm like we did

193

00:08:12,629 --> 00:08:11,360

so i didn't see it but my kids did they

194

00:08:15,589 --> 00:08:12,639

were out in the desert with their dad

195

00:08:17,670 --> 00:08:15,599

and they saw it and uh

196

00:08:20,150 --> 00:08:17,680

now there are some people that like

197

00:08:21,350 --> 00:08:20,160

peter davenport was flooded with calls

198

00:08:22,150 --> 00:08:21,360

that night

199

00:08:24,230 --> 00:08:22,160

and

200

00:08:25,670 --> 00:08:24,240

he was saying that

201
00:08:28,469 --> 00:08:25,680
there could be this thing could have

202
00:08:30,710 --> 00:08:28,479
been estimated at miles wide

203
00:08:32,709 --> 00:08:30,720
and i don't know do you still hear that

204
00:08:33,589 --> 00:08:32,719
feedback i mean from from people that

205
00:08:35,909 --> 00:08:33,599
were

206
00:08:37,269 --> 00:08:35,919
that talk about it yeah oh yeah we hear

207
00:08:49,190 --> 00:08:37,279
all sizes

208
00:08:53,110 --> 00:08:51,030
and the problem is that whenever someone

209
00:08:54,949 --> 00:08:53,120
tries to estimate the size here i go mr

210
00:08:57,269 --> 00:08:54,959
science okay whenever someone tries to

211
00:08:59,269 --> 00:08:57,279
estimate size of something in the sky

212
00:09:01,910 --> 00:08:59,279
they're going to be remarkably wrong

213
00:09:03,670 --> 00:09:01,920

okay and the stanford university the eye

214

00:09:05,350 --> 00:09:03,680

institute that studies to show that

215

00:09:07,430 --> 00:09:05,360

exact thing that they don't know if it's

216

00:09:09,509 --> 00:09:07,440

a large thing far away or a small thing

217

00:09:11,829 --> 00:09:09,519

up close and they don't have the depth

218

00:09:13,750 --> 00:09:11,839

perception because we didn't evolve

219

00:09:15,590 --> 00:09:13,760

eyes to be able to detect

220

00:09:18,310 --> 00:09:15,600

things like that in the sky we detect

221

00:09:19,750 --> 00:09:18,320

predators within 250 feet of us

222

00:09:21,350 --> 00:09:19,760

that's what our binocular vision is good

223

00:09:22,710 --> 00:09:21,360

at it's not good at estimating sizes

224

00:09:24,470 --> 00:09:22,720

especially where there's no reference

225

00:09:26,470 --> 00:09:24,480

points in the sky and that's exactly

226

00:09:27,670 --> 00:09:26,480

what the phoenix lights represented no

227

00:09:29,269 --> 00:09:27,680

reference points

228

00:09:31,190 --> 00:09:29,279

and one thing about how people say oh

229

00:09:33,509 --> 00:09:31,200

it's just flares yes the picture they

230

00:09:35,030 --> 00:09:33,519

put out was flares nobody really got a

231

00:09:36,710 --> 00:09:35,040

good picture of what was actually

232

00:09:39,110 --> 00:09:36,720

happening for some reason

233

00:09:41,110 --> 00:09:39,120

but the fact that peter danfort got tons

234

00:09:42,630 --> 00:09:41,120

of calls which we have flares all the

235

00:09:44,230 --> 00:09:42,640

time we don't he doesn't get tons of

236

00:09:45,829 --> 00:09:44,240

flares every time i mean tons of calls

237

00:09:47,590 --> 00:09:45,839

every time there's a flare because that

238

00:09:49,590 --> 00:09:47,600

would be every weekend you know that's

239

00:09:51,269 --> 00:09:49,600

right it was different it was different

240

00:09:52,470 --> 00:09:51,279

so people who say oh it was just flares

241

00:09:56,230 --> 00:09:52,480

no

242

00:09:58,070 --> 00:09:56,240

don't get calls for ufos every time

243

00:09:59,030 --> 00:09:58,080

there's a flare account but they did

244

00:10:00,790 --> 00:09:59,040

you know

245

00:10:02,949 --> 00:10:00,800

on that day they had i mean it was just

246

00:10:04,870 --> 00:10:02,959

weird and unusual and

247

00:10:06,550 --> 00:10:04,880

it wasn't it wasn't just females over

248

00:10:08,870 --> 00:10:06,560

people's heads yeah it wasn't just

249

00:10:10,630 --> 00:10:08,880

phoenix that i mean this thing traveled

250

00:10:13,750 --> 00:10:10,640

didn't it go right into

251
00:10:16,470 --> 00:10:13,760
other states new mexico went into mexico

252
00:10:17,590 --> 00:10:16,480
mexico over the border into mexico yeah

253
00:10:20,550 --> 00:10:17,600
and what about

254
00:10:21,829 --> 00:10:20,560
uh previous or since have there been

255
00:10:24,470 --> 00:10:21,839
other

256
00:10:26,150 --> 00:10:24,480
sightings of similar crap four or five

257
00:10:28,389 --> 00:10:26,160
different times that it's been on the

258
00:10:30,310 --> 00:10:28,399
news here in the phoenix area

259
00:10:32,790 --> 00:10:30,320
i was witness to one of them and this

260
00:10:35,590 --> 00:10:32,800
was back in 2009

261
00:10:38,389 --> 00:10:35,600
and we just seemed to have this you know

262
00:10:40,790 --> 00:10:38,399
thing about four or five lights at an

263
00:10:43,269 --> 00:10:40,800

angle equidistant

264

00:10:45,110 --> 00:10:43,279

that go out one at a time and what i saw

265

00:10:47,110 --> 00:10:45,120

was not pointing toward

266

00:10:49,590 --> 00:10:47,120

barry goldwater range

267

00:10:51,030 --> 00:10:49,600

it was somewhere else so um they are all

268

00:10:52,949 --> 00:10:51,040

over the valley and we do see them

269

00:10:55,350 --> 00:10:52,959

they're on the news we have footage of

270

00:10:57,750 --> 00:10:55,360

them and sometimes

271

00:11:00,550 --> 00:10:57,760

they get captured in the most

272

00:11:02,630 --> 00:11:00,560

unexpected places for instance our

273

00:11:05,110 --> 00:11:02,640

observatory in the desert i have an

274

00:11:06,550 --> 00:11:05,120

all-sky camera on it all right well i

275

00:11:08,310 --> 00:11:06,560

started up the all-sky camera before the

276

00:11:09,910 --> 00:11:08,320

observatory was even finished

277

00:11:10,949 --> 00:11:09,920

and i was capturing nightly what was

278

00:11:13,030 --> 00:11:10,959

going on

279

00:11:15,509 --> 00:11:13,040

and i would do videos all night long you

280

00:11:17,509 --> 00:11:15,519

know every 20 seconds image is captured

281

00:11:19,350 --> 00:11:17,519

so 20 seconds long all night long so

282

00:11:20,710 --> 00:11:19,360

there's no gaps and you see lots of

283

00:11:22,949 --> 00:11:20,720

trails of things like meteorites

284

00:11:24,870 --> 00:11:22,959

satellites planes okay

285

00:11:27,110 --> 00:11:24,880

well i caught something

286

00:11:29,910 --> 00:11:27,120

which was very strange

287

00:11:31,990 --> 00:11:29,920

even for me all right it was a

288

00:11:33,910 --> 00:11:32,000

semicircular pattern

289

00:11:35,509 --> 00:11:33,920

on a frame and i thought wow well if

290

00:11:38,389 --> 00:11:35,519

that's a jet from luke you're seeing the

291

00:11:40,150 --> 00:11:38,399

exhaust of the jet all right so in the

292

00:11:42,230 --> 00:11:40,160

next frame or the previous frame i would

293

00:11:43,990 --> 00:11:42,240

have expected not to see it because the

294

00:11:45,430 --> 00:11:44,000

jet would have been facing the other way

295

00:11:47,269 --> 00:11:45,440

so here you see the exhaust when it

296

00:11:48,870 --> 00:11:47,279

comes around you don't see it

297

00:11:49,910 --> 00:11:48,880

but on the previous frame it was there

298

00:11:51,430 --> 00:11:49,920

too

299

00:11:52,389 --> 00:11:51,440

so it was all the way around a complete

300

00:11:54,389 --> 00:11:52,399

circle

301
00:11:55,350 --> 00:11:54,399
that did not make any sense it couldn't

302
00:11:57,990 --> 00:11:55,360
have been

303
00:12:00,150 --> 00:11:58,000
a military jet doing that so

304
00:12:02,230 --> 00:12:00,160
there's anomalies beyond

305
00:12:03,990 --> 00:12:02,240
the triangles and the strings of lights

306
00:12:06,389 --> 00:12:04,000
i mean strings of lights now what do

307
00:12:08,230 --> 00:12:06,399
people think starlink yeah right

308
00:12:10,310 --> 00:12:08,240
starling we saw one the other night

309
00:12:11,509 --> 00:12:10,320
right there's starlink trains okay we

310
00:12:13,030 --> 00:12:11,519
capture them all the time in the

311
00:12:15,190 --> 00:12:13,040
telescope and it's like oh they ruined

312
00:12:18,150 --> 00:12:15,200
this exposure okay but

313
00:12:19,190 --> 00:12:18,160

the fact is that is a linear line of

314

00:12:21,030 --> 00:12:19,200

satellites that you're going to see in

315

00:12:23,190 --> 00:12:21,040

the sky okay you're not going to see a

316

00:12:24,949 --> 00:12:23,200

triangle all right a triangle is one

317

00:12:25,829 --> 00:12:24,959

thing all right singular light is

318

00:12:27,829 --> 00:12:25,839

another

319

00:12:31,750 --> 00:12:27,839

but the circular thing i couldn't

320

00:12:33,829 --> 00:12:31,760

explain i have no idea what that was

321

00:12:36,470 --> 00:12:33,839

yeah well i want to talk just a little

322

00:12:38,389 --> 00:12:36,480

bit uh of course one of the reasons the

323

00:12:41,190 --> 00:12:38,399

reason i'm here is the boot camp

324

00:12:42,710 --> 00:12:41,200

uh that happened for field investigators

325

00:12:45,030 --> 00:12:42,720

and marion do you want to just touch

326

00:12:46,949 --> 00:12:45,040

bases on that that was uh that was very

327

00:12:49,590 --> 00:12:46,959

interesting i got to sit through

328

00:12:51,430 --> 00:12:49,600

i only missed one thing but uh it was

329

00:12:53,430 --> 00:12:51,440

really very interesting well i'm glad

330

00:12:56,710 --> 00:12:53,440

you were there it was an honor to have

331

00:12:57,750 --> 00:12:56,720

you part of this and to see what we do

332

00:12:59,990 --> 00:12:57,760

um

333

00:13:01,990 --> 00:13:00,000

boot camp stacy wright did an

334

00:13:02,949 --> 00:13:02,000

outstanding job putting this whole thing

335

00:13:03,829 --> 00:13:02,959

together

336

00:13:05,910 --> 00:13:03,839

um

337

00:13:08,230 --> 00:13:05,920

the boot camp started basically friday

338

00:13:10,389 --> 00:13:08,240

night we did a meet and greet with all

339

00:13:13,350 --> 00:13:10,399

of the participants that came in from

340

00:13:15,509 --> 00:13:13,360

all over the country i know florida

341

00:13:18,870 --> 00:13:15,519

pennsylvania new york

342

00:13:21,670 --> 00:13:18,880

michigan um michigan virginia virginia

343

00:13:23,110 --> 00:13:21,680

wisconsin texas oh my gosh um i know a

344

00:13:25,350 --> 00:13:23,120

couple years ago we actually had people

345

00:13:27,990 --> 00:13:25,360

from canada that came in

346

00:13:29,750 --> 00:13:28,000

but we still it starts friday at the the

347

00:13:32,150 --> 00:13:29,760

meet and greet and then eight o'clock

348

00:13:34,790 --> 00:13:32,160

saturday morning is the first class and

349

00:13:37,110 --> 00:13:34,800

i got to teach the first class which was

350

00:13:39,829 --> 00:13:37,120

advanced interviewing techniques

351

00:13:41,750 --> 00:13:39,839

um that's really a big one for these new

352

00:13:45,030 --> 00:13:41,760

field investigators with your background

353

00:13:46,550 --> 00:13:45,040

as a police officer right right um

354

00:13:49,030 --> 00:13:46,560

just teach them

355

00:13:52,230 --> 00:13:49,040

what good questions or not questions but

356

00:13:55,030 --> 00:13:52,240

what how to ask a good question and also

357

00:13:57,030 --> 00:13:55,040

to see about deception can you

358

00:13:59,430 --> 00:13:57,040

sit there look at someone ask them a

359

00:14:02,150 --> 00:13:59,440

question and see are they going to be uh

360

00:14:04,629 --> 00:14:02,160

answering that question honestly or they

361

00:14:05,670 --> 00:14:04,639

may be giving you a little deception on

362

00:14:08,550 --> 00:14:05,680

that just

363

00:14:10,629 --> 00:14:08,560

just here i want to hear just what

364

00:14:14,389 --> 00:14:10,639

what are the keys

365

00:14:15,590 --> 00:14:14,399

to the red flags red flags ask somebody

366

00:14:17,269 --> 00:14:15,600

hey um

367

00:14:19,910 --> 00:14:17,279

were you standing on your front porch

368

00:14:20,790 --> 00:14:19,920

last night when you saw this object

369

00:14:24,150 --> 00:14:20,800

um

370

00:14:26,470 --> 00:14:24,160

yeah i think i was

371

00:14:28,069 --> 00:14:26,480

okay so couple of uh little deceptions

372

00:14:30,069 --> 00:14:28,079

there one if you're standing on your

373

00:14:32,230 --> 00:14:30,079

front porch last night which was maybe

374

00:14:34,150 --> 00:14:32,240

less than 12 hours ago it should be a

375

00:14:36,069 --> 00:14:34,160

quick yes or no yeah you don't need to

376

00:14:37,590 --> 00:14:36,079

him haul around

377

00:14:39,750 --> 00:14:37,600

yeah because you're thinking you're

378

00:14:41,670 --> 00:14:39,760

probably thinking yourself of um how did

379

00:14:44,069 --> 00:14:41,680

i put it in the report am i telling the

380

00:14:46,389 --> 00:14:44,079

truth plus i kind of close my arms which

381

00:14:48,389 --> 00:14:46,399

i'm closing myself off to you yeah i

382

00:14:51,910 --> 00:14:48,399

don't really want to tell you the truth

383

00:14:53,189 --> 00:14:51,920

um those types of deception um covering

384

00:14:55,430 --> 00:14:53,199

your mouth

385

00:14:58,389 --> 00:14:55,440

uh when you're answering a question

386

00:15:00,629 --> 00:14:58,399

or uh basically you're standing there

387

00:15:02,310 --> 00:15:00,639

like you're doing you're you're open but

388

00:15:04,629 --> 00:15:02,320

if i ask you a question all of a sudden

389

00:15:06,550 --> 00:15:04,639

you close you you close yourself off you

390

00:15:08,389 --> 00:15:06,560

close your legs you crush your legs you

391

00:15:09,590 --> 00:15:08,399

um cross your arms

392

00:15:12,629 --> 00:15:09,600

that's telling me you're closing

393

00:15:14,069 --> 00:15:12,639

yourself off yeah

394

00:15:17,509 --> 00:15:14,079

well that's true too and there's a good

395

00:15:19,910 --> 00:15:17,519

possibility well you're good at that

396

00:15:21,509 --> 00:15:19,920

but that's that's kind of what as um as

397

00:15:23,030 --> 00:15:21,519

a field investigator if you're doing an

398

00:15:24,310 --> 00:15:23,040

in-person interview that's what we're

399

00:15:25,110 --> 00:15:24,320

looking for

400

00:15:28,069 --> 00:15:25,120

just

401
00:15:28,790 --> 00:15:28,079
your body language changing when we ask

402
00:15:31,430 --> 00:15:28,800
you

403
00:15:33,430 --> 00:15:31,440
a simple question yeah i started taking

404
00:15:35,910 --> 00:15:33,440
the body language courses

405
00:15:37,189 --> 00:15:35,920
it's very interesting oh it is it is

406
00:15:41,189 --> 00:15:37,199
really amazing

407
00:15:42,870 --> 00:15:41,199
so after um i finished talking um um i

408
00:15:45,910 --> 00:15:42,880
kind of have to leave for a few minutes

409
00:15:48,069 --> 00:15:45,920
but we do have a psychiatrist that comes

410
00:15:48,949 --> 00:15:48,079
in and talks about the mental health of

411
00:15:52,069 --> 00:15:48,959
these

412
00:15:54,470 --> 00:15:52,079
um witnesses you know what to look for

413
00:15:56,710 --> 00:15:54,480

on mental health and also just because

414

00:15:58,230 --> 00:15:56,720

they might have some issues with uh

415

00:16:00,069 --> 00:15:58,240

their mental health

416

00:16:00,949 --> 00:16:00,079

uh that

417

00:16:04,069 --> 00:16:00,959

you

418

00:16:05,670 --> 00:16:04,079

don't say oh well he has mental health

419

00:16:08,550 --> 00:16:05,680

problems and you dismiss him you can

420

00:16:11,990 --> 00:16:08,560

never dismiss anyone whatsoever that was

421

00:16:12,790 --> 00:16:12,000

dr anthony yes uh that that spoke about

422

00:16:15,829 --> 00:16:12,800

that

423

00:16:17,670 --> 00:16:15,839

um we had marc d'antonio here our

424

00:16:19,990 --> 00:16:17,680

wonderful astronomer talking about

425

00:16:22,310 --> 00:16:20,000

different things uh in astronomy

426

00:16:24,230 --> 00:16:22,320

um different anomalies that you might

427

00:16:27,350 --> 00:16:24,240

see up in the sky

428

00:16:31,110 --> 00:16:27,360

uh let's see we've had katie grabowski

429

00:16:33,910 --> 00:16:31,120

talk about um

430

00:16:37,189 --> 00:16:33,920

um doing a cms doing a

431

00:16:40,310 --> 00:16:37,199

a cms is a case management system is a

432

00:16:42,470 --> 00:16:40,320

report that people fill out and send in

433

00:16:44,790 --> 00:16:42,480

to move on so she talks about that about

434

00:16:46,710 --> 00:16:44,800

filling out reports and what is what is

435

00:16:47,829 --> 00:16:46,720

to be you know what to look at in the

436

00:16:51,269 --> 00:16:47,839

report

437

00:16:54,069 --> 00:16:51,279

um we've also had let's see

438

00:16:57,269 --> 00:16:54,079

um we also had uh our chief investigator

439

00:16:59,749 --> 00:16:57,279

dennis fearmouth uh do photo analysis

440

00:17:01,269 --> 00:16:59,759

which is really a big one mark is really

441

00:17:03,829 --> 00:17:01,279

good at the photo analysis being the

442

00:17:04,949 --> 00:17:03,839

chief investigator uh for all of phoenix

443

00:17:05,829 --> 00:17:04,959

mufon

444

00:17:06,630 --> 00:17:05,839

and

445

00:17:09,350 --> 00:17:06,640

what

446

00:17:10,710 --> 00:17:09,360

you might see this big orb oh my gosh

447

00:17:11,590 --> 00:17:10,720

there's an orb

448

00:17:16,630 --> 00:17:11,600

in

449

00:17:19,029 --> 00:17:16,640

course mark or dennis or somebody can

450

00:17:21,429 --> 00:17:19,039

explain it that no it's a lens flare or

451

00:17:24,710 --> 00:17:21,439

it's the sun or something

452

00:17:26,789 --> 00:17:24,720

um we've done that we also have a couple

453

00:17:28,630 --> 00:17:26,799

of uh field investigators that talk

454

00:17:31,110 --> 00:17:28,640

about interesting cases that they've

455

00:17:33,190 --> 00:17:31,120

done from the start to the end which was

456

00:17:34,710 --> 00:17:33,200

really cool and the navajo rangers and

457

00:17:37,750 --> 00:17:34,720

the navajo rangers oh my goodness

458

00:17:39,750 --> 00:17:37,760

gracious uh stan milford jr john dover

459

00:17:45,110 --> 00:17:39,760

what they did was uh talk about the

460

00:17:50,710 --> 00:17:48,310

yeah and also of course the um um

461

00:17:54,789 --> 00:17:50,720

eot is not emergency

462

00:17:56,870 --> 00:17:54,799

experencer resource team that um

463

00:17:59,350 --> 00:17:56,880

and gwen farrell did that and they

464

00:18:01,350 --> 00:17:59,360

talked about what the erts do

465

00:18:04,310 --> 00:18:01,360

which is great

466

00:18:06,390 --> 00:18:04,320

so yeah and then yeah and then we did a

467

00:18:07,990 --> 00:18:06,400

star watch which was a lot of fun yeah

468

00:18:09,190 --> 00:18:08,000

we that was pretty good you know you she

469

00:18:11,190 --> 00:18:09,200

actually remembered quite a lot that

470

00:18:12,870 --> 00:18:11,200

didn't yeah i did that i was very

471

00:18:15,350 --> 00:18:12,880

impressed with that

472

00:18:17,750 --> 00:18:15,360

the best part i guess of the whole thing

473

00:18:19,270 --> 00:18:17,760

was when we went out sunday afternoon

474

00:18:20,070 --> 00:18:19,280

and we did

475

00:18:23,110 --> 00:18:20,080

the

476

00:18:25,029 --> 00:18:23,120

training we had a mock crash

477

00:18:27,590 --> 00:18:25,039

and all of the field investigators that

478

00:18:29,029 --> 00:18:27,600

went through the class all day saturday

479

00:18:32,789 --> 00:18:29,039

and all day sunday

480

00:18:35,190 --> 00:18:32,799

went out to um what we call need let's

481

00:18:36,070 --> 00:18:35,200

try again needle vista

482

00:18:38,630 --> 00:18:36,080

and

483

00:18:40,950 --> 00:18:38,640

they found a crash site

484

00:18:42,870 --> 00:18:40,960

and they did some training they

485

00:18:43,990 --> 00:18:42,880

interviewed the witness they collected

486

00:18:46,549 --> 00:18:44,000

evidence

487

00:18:49,830 --> 00:18:46,559

they did everything out there at the

488

00:18:51,909 --> 00:18:49,840

site that they learned in the classroom

489

00:18:53,750 --> 00:18:51,919

and that was really cool to see them in

490

00:18:55,350 --> 00:18:53,760

action that was really neat oh by the

491

00:18:57,750 --> 00:18:55,360

way we're going to be taking calls at

492

00:19:00,230 --> 00:18:57,760

the last half of the hour so anyone can

493

00:19:03,669 --> 00:19:00,240

call in and ask any of these people

494

00:19:05,190 --> 00:19:03,679

some questions stacy okay go ahead

495

00:19:06,390 --> 00:19:05,200

if you want to go to boot camp you have

496

00:19:08,789 --> 00:19:06,400

to be

497

00:19:14,390 --> 00:19:08,799

a that's what i was going to ask

498

00:19:19,029 --> 00:19:17,029

no you do not this is for prospective

499

00:19:20,789 --> 00:19:19,039

field investigators people who are just

500

00:19:22,390 --> 00:19:20,799

curious about what we do

501
00:19:23,510 --> 00:19:22,400
or for

502
00:19:25,029 --> 00:19:23,520
uh

503
00:19:27,110 --> 00:19:25,039
you know field investigators that just

504
00:19:30,789 --> 00:19:27,120
want to come in and hone some of their

505
00:19:34,230 --> 00:19:31,909
um

506
00:19:36,630 --> 00:19:34,240
someone wanted to know your back give

507
00:19:39,909 --> 00:19:36,640
your background marianne if you would

508
00:19:41,830 --> 00:19:39,919
well um i was police officer uh state of

509
00:19:45,029 --> 00:19:41,840
arizona for 34 years

510
00:19:47,830 --> 00:19:45,039
uh as of today i have been retired for

511
00:19:52,789 --> 00:19:49,830
that's why she's smiling and oh yes been

512
00:19:54,950 --> 00:19:52,799
busier ever since i've retired um again

513
00:19:56,470 --> 00:19:54,960

i'm a field investigator for phoenix

514

00:19:57,669 --> 00:19:56,480

mufon i've been doing that for about six

515

00:20:00,549 --> 00:19:57,679

years now

516

00:20:04,310 --> 00:20:00,559

um little plug for my show i also do a

517

00:20:06,470 --> 00:20:04,320

radio show here on kgra db on wednesday

518

00:20:09,270 --> 00:20:06,480

night at six o'clock uh called eye

519

00:20:11,590 --> 00:20:09,280

detective which is uh four police

520

00:20:13,350 --> 00:20:11,600

officers just talking about police work

521

00:20:16,149 --> 00:20:13,360

that's what that's inferno yep that's

522

00:20:17,830 --> 00:20:16,159

with chris deferna and it is it is a

523

00:20:19,110 --> 00:20:17,840

great um

524

00:20:22,070 --> 00:20:19,120

it's a great show

525

00:20:25,510 --> 00:20:22,080

um but that's what i do um

526

00:20:27,350 --> 00:20:25,520

uh what else do i do uh i teach again uh

527

00:20:29,590 --> 00:20:27,360

one of the things i do teach is the

528

00:20:32,310 --> 00:20:29,600

advanced interviewing techniques

529

00:20:33,510 --> 00:20:32,320

uh at the mufon symposium and also at

530

00:20:35,510 --> 00:20:33,520

the boot camp

531

00:20:37,029 --> 00:20:35,520

now has anyone ever given you grief in

532

00:20:38,870 --> 00:20:37,039

the department about

533

00:20:40,230 --> 00:20:38,880

your interest in ufos that's a very good

534

00:20:41,510 --> 00:20:40,240

question

535

00:20:44,630 --> 00:20:41,520

no

536

00:20:45,909 --> 00:20:44,640

um it is absolutely amazing my team that

537

00:20:48,070 --> 00:20:45,919

i um

538

00:20:50,310 --> 00:20:48,080

i was on in gilbert i worked for gilbert

539

00:20:52,789 --> 00:20:50,320

pd the team when they found out what i

540

00:20:55,110 --> 00:20:52,799

did i had more people tell me

541

00:20:57,270 --> 00:20:55,120

uh stories of sightings that they might

542

00:20:59,909 --> 00:20:57,280

have had experiences they've had i've

543

00:21:02,710 --> 00:20:59,919

had mark ride with me in a patrol car

544

00:21:05,270 --> 00:21:02,720

i've had stacy ride with me uh peter

545

00:21:07,350 --> 00:21:05,280

robbins rode with me

546

00:21:10,070 --> 00:21:07,360

it was so fantastic but i actually had a

547

00:21:11,110 --> 00:21:10,080

lieutenant not too long ago i figured he

548

00:21:12,070 --> 00:21:11,120

was gonna

549

00:21:14,870 --> 00:21:12,080

kind of

550

00:21:17,110 --> 00:21:14,880

snicker when i told him what i did and

551
00:21:18,950 --> 00:21:17,120
he sat down and told me it's great

552
00:21:21,590 --> 00:21:18,960
that's what you do because i have a

553
00:21:24,549 --> 00:21:21,600
story that i've been keeping inside for

554
00:21:26,789 --> 00:21:24,559
many years he worked graveyard shift as

555
00:21:29,669 --> 00:21:26,799
he's coming into the station he sees a

556
00:21:31,990 --> 00:21:29,679
fireball fireball huge and i mean he

557
00:21:33,270 --> 00:21:32,000
said it was just amazingly huge he says

558
00:21:35,750 --> 00:21:33,280
it went from

559
00:21:37,909 --> 00:21:35,760
the east all the way to the west all the

560
00:21:40,390 --> 00:21:37,919
way through the sky and he said he'd

561
00:21:42,390 --> 00:21:40,400
never told anybody anywhere whether it

562
00:21:44,549 --> 00:21:42,400
was his family or the pd or anything

563
00:21:46,230 --> 00:21:44,559

because he didn't want to get laughed at

564

00:21:48,149 --> 00:21:46,240

or you know

565

00:21:50,070 --> 00:21:48,159

what are they going to think of him so

566

00:21:51,750 --> 00:21:50,080

he finally was able to share that story

567

00:21:53,669 --> 00:21:51,760

with me and kind of just get it off his

568

00:21:54,950 --> 00:21:53,679

chest but it was a fireball i mean

569

00:21:57,190 --> 00:21:54,960

they're seen

570

00:21:59,510 --> 00:21:57,200

they are but it's

571

00:22:02,070 --> 00:21:59,520

i don't know it's it's unexplainable uh

572

00:22:04,630 --> 00:22:02,080

i don't i can't describe what a fireball

573

00:22:06,950 --> 00:22:04,640

i know that that is one of um i think

574

00:22:10,789 --> 00:22:06,960

it's cheryl costa that does

575

00:22:13,510 --> 00:22:10,799

um reports yeah and uh status how do you

576

00:22:14,789 --> 00:22:13,520

say that statistics thank you of

577

00:22:17,830 --> 00:22:14,799

fireballs

578

00:22:20,070 --> 00:22:17,840

versus say a cigar looking craft or a

579

00:22:22,710 --> 00:22:20,080

cylinder or cylinder

580

00:22:24,149 --> 00:22:22,720

uh disc whatever and fireballs is one of

581

00:22:26,070 --> 00:22:24,159

the things so

582

00:22:27,990 --> 00:22:26,080

what actually it is i couldn't tell you

583

00:22:29,430 --> 00:22:28,000

so mark because you're an astronomer i

584

00:22:31,350 --> 00:22:29,440

want to tell you i don't know if i've

585

00:22:34,950 --> 00:22:31,360

ever told you about my fireball that i

586

00:22:36,310 --> 00:22:34,960

saw in the 1980s well let's hear it yeah

587

00:22:39,190 --> 00:22:36,320

so now

588

00:22:41,510 --> 00:22:39,200

um i know that memory can be distorted

589

00:22:44,310 --> 00:22:41,520

and i've told this on this on this show

590

00:22:45,669 --> 00:22:44,320

before my fireball experience to me was

591

00:22:48,470 --> 00:22:45,679

more dramatic

592

00:22:50,549 --> 00:22:48,480

than my ufo experience okay um i was in

593

00:22:52,149 --> 00:22:50,559

a hot tub of course i was in the hot tub

594

00:22:55,270 --> 00:22:52,159

when i saw my user it's already too much

595

00:22:57,270 --> 00:22:55,280

information here i was out on my back

596

00:22:59,190 --> 00:22:57,280

deck and i lived about three miles from

597

00:23:02,549 --> 00:22:59,200

the ocean okay

598

00:23:03,830 --> 00:23:02,559

and all of a sudden just this thing came

599

00:23:05,190 --> 00:23:03,840

by the roof

600

00:23:06,950 --> 00:23:05,200

and it looked

601
00:23:09,510 --> 00:23:06,960

it looked really big

602
00:23:11,590 --> 00:23:09,520

and it looked it looked perfectly round

603
00:23:13,510 --> 00:23:11,600

and it had orange cracks in it and it

604
00:23:14,470 --> 00:23:13,520

was rotating and sparks were coming off

605
00:23:16,870 --> 00:23:14,480

of it

606
00:23:19,750 --> 00:23:16,880

i didn't hear any sound i think was and

607
00:23:21,990 --> 00:23:19,760

my ex-wife was with me in the hot tub

608
00:23:22,950 --> 00:23:22,000

and i yelled to her three times look

609
00:23:26,789 --> 00:23:22,960

look

610
00:23:28,710 --> 00:23:26,799

and i thought for sure was going into

611
00:23:31,590 --> 00:23:28,720

the atlantic ocean

612
00:23:33,750 --> 00:23:31,600

and uh because it seemed really low

613
00:23:35,430 --> 00:23:33,760

and it was big like i said i mean but it

614

00:23:37,830 --> 00:23:35,440

wasn't like the flame behind it or

615

00:23:38,950 --> 00:23:37,840

anything it was just sparks coming off

616

00:23:41,269 --> 00:23:38,960

of it

617

00:23:42,710 --> 00:23:41,279

and then so i told a friend about it he

618

00:23:45,669 --> 00:23:42,720

said cnn

619

00:23:47,029 --> 00:23:45,679

said that a large something landed in

620

00:23:48,830 --> 00:23:47,039

china

621

00:23:51,430 --> 00:23:48,840

and i don't know if it was related or

622

00:23:53,750 --> 00:23:51,440

not that could have been but is that is

623

00:23:57,350 --> 00:23:53,760

that a possibility that i'm remembering

624

00:23:59,350 --> 00:23:57,360

that sort of correctly yeah i mean

625

00:24:00,630 --> 00:23:59,360

see fireballs are obviously chunks of

626
00:24:01,909 --> 00:24:00,640
space rock that are re-entering earth's

627
00:24:03,510 --> 00:24:01,919
atmosphere but when they first start to

628
00:24:04,390 --> 00:24:03,520
enter the earth's atmosphere

629
00:24:06,149 --> 00:24:04,400
they're not

630
00:24:08,149 --> 00:24:06,159
okay now

631
00:24:09,510 --> 00:24:08,159
karen says allegedly well you know what

632
00:24:12,470 --> 00:24:09,520
okay i mean

633
00:24:14,789 --> 00:24:12,480
we are investigating ufos okay but in

634
00:24:16,950 --> 00:24:14,799
general okay when fireballs enter the

635
00:24:18,390 --> 00:24:16,960
earth's atmosphere they encounter a

636
00:24:19,269 --> 00:24:18,400
little bit of the air and they start to

637
00:24:21,350 --> 00:24:19,279
burn

638
00:24:24,230 --> 00:24:21,360

and that's where you start to see them

639

00:24:26,549 --> 00:24:24,240

right so you won't hear a sound

640

00:24:28,630 --> 00:24:26,559

uh until minutes later when the sound

641

00:24:29,590 --> 00:24:28,640

finally gets to you from 90 miles away

642

00:24:30,390 --> 00:24:29,600

or so

643

00:24:34,710 --> 00:24:30,400

and

644

00:24:37,750 --> 00:24:34,720

they go long distance to the point where

645

00:24:40,390 --> 00:24:37,760

you can say look look look

646

00:24:42,470 --> 00:24:40,400

that means that they're moving uh

647

00:24:45,110 --> 00:24:42,480

across the atmosphere and probably gonna

648

00:24:47,669 --> 00:24:45,120

skip off the atmosphere it seemed very

649

00:24:49,909 --> 00:24:47,679

big yeah that's probably because it was

650

00:24:51,110 --> 00:24:49,919

large and as it came into the atmosphere

651
00:24:52,630 --> 00:24:51,120
started to burn

652
00:24:55,430 --> 00:24:52,640
and when they burn they're going to make

653
00:24:57,190 --> 00:24:55,440
a large glow around them so you can't

654
00:24:59,269 --> 00:24:57,200
tell the actual size

655
00:25:01,110 --> 00:24:59,279
because they have a bigger glow around

656
00:25:03,190 --> 00:25:01,120
the burning core the core that's

657
00:25:04,950 --> 00:25:03,200
actually it's called ablation that's a

658
00:25:06,870 --> 00:25:04,960
blading away that's it's it's uh you

659
00:25:09,990 --> 00:25:06,880
know vaporizing and falling away there's

660
00:25:12,230 --> 00:25:10,000
a big bright coma basically around it

661
00:25:14,149 --> 00:25:12,240
and that stuff can go on that can go all

662
00:25:15,669 --> 00:25:14,159
the way across horizon horizon what

663
00:25:17,750 --> 00:25:15,679

about the sparks

664

00:25:20,230 --> 00:25:17,760

uh the sparks could be pieces of the

665

00:25:22,630 --> 00:25:20,240

thing that are just drifting back as

666

00:25:23,830 --> 00:25:22,640

it's vaporizing falling apart and

667

00:25:25,990 --> 00:25:23,840

um

668

00:25:28,789 --> 00:25:26,000

luckily it didn't decide to hit the what

669

00:25:30,390 --> 00:25:28,799

we call the wall of the atmosphere um

670

00:25:31,669 --> 00:25:30,400

over your house because it would have

671

00:25:33,510 --> 00:25:31,679

blown out

672

00:25:35,029 --> 00:25:33,520

tell your banks in russia that was the

673

00:25:37,510 --> 00:25:35,039

one that that a lot of people were

674

00:25:39,350 --> 00:25:37,520

injured yeah i mean

675

00:25:40,950 --> 00:25:39,360

you know thank thank heavens for the for

676

00:25:43,350 --> 00:25:40,960

all the security cameras the russians

677

00:25:46,149 --> 00:25:43,360

have on their businesses because you see

678

00:25:47,669 --> 00:25:46,159

dash cam security cams door cams window

679

00:25:49,350 --> 00:25:47,679

camp you see all these cameras and you

680

00:25:51,510 --> 00:25:49,360

see all the windows blow out you see a

681

00:25:54,470 --> 00:25:51,520

security door that's steel

682

00:25:56,870 --> 00:25:54,480

peen inward and just bent and just go in

683

00:25:59,110 --> 00:25:56,880

okay and people fly to the ground inside

684

00:26:00,630 --> 00:25:59,120

so that's kind of a really um

685

00:26:02,789 --> 00:26:00,640

important thing here you didn't get the

686

00:26:04,870 --> 00:26:02,799

shockwave because i didn't even never

687

00:26:06,470 --> 00:26:04,880

even heard the sound yeah well you may

688

00:26:08,149 --> 00:26:06,480

have it might have come later because i

689

00:26:09,510 --> 00:26:08,159

saw the same thing

690

00:26:10,870 --> 00:26:09,520

they're called earth grazers when they

691

00:26:13,830 --> 00:26:10,880

actually cross the earth's atmosphere

692

00:26:15,990 --> 00:26:13,840

and just leave the atmosphere uh and i

693

00:26:17,750 --> 00:26:16,000

saw an earth grazer up in maine

694

00:26:18,630 --> 00:26:17,760

actually uh just outside of farmington

695

00:26:21,830 --> 00:26:18,640

maine

696

00:26:22,510 --> 00:26:21,840

farmington

697

00:26:24,230 --> 00:26:22,520

oh

698

00:26:26,390 --> 00:26:24,240

farmington badminton yeah you can't get

699

00:26:29,029 --> 00:26:26,400

there from here that's right but

700

00:26:31,669 --> 00:26:29,039

farmington up in farmington farmington

701
00:26:34,630 --> 00:26:31,679
maine uh i saw this earth grazer and i

702
00:26:37,350 --> 00:26:34,640
had time to say to scott okay i said

703
00:26:38,710 --> 00:26:37,360
scott look there's a there's a meteor

704
00:26:39,590 --> 00:26:38,720
coming in and it was just crossing the

705
00:26:41,590 --> 00:26:39,600
air

706
00:26:43,269 --> 00:26:41,600
crossing the horizon like this and it

707
00:26:43,909 --> 00:26:43,279
was leaving a slight smoke trail behind

708
00:26:47,510 --> 00:26:43,919
it

709
00:26:49,510 --> 00:26:47,520
atmosphere and had been burning for a

710
00:26:51,510 --> 00:26:49,520
bit and so it crossed all the way across

711
00:26:53,990 --> 00:26:51,520
the atmosphere and he had time to take

712
00:26:56,470 --> 00:26:54,000
the binoculars from me and look at it

713
00:26:58,789 --> 00:26:56,480

okay as it passed and hand it back to me

714

00:27:00,390 --> 00:26:58,799

and i get to see the tail end

715

00:27:02,149 --> 00:27:00,400

i want him to see it so but you could

716

00:27:04,230 --> 00:27:02,159

see cracks in that now we saw one that

717

00:27:06,390 --> 00:27:04,240

actually was breaking apart and i

718

00:27:08,310 --> 00:27:06,400

watched one actually come across the sky

719

00:27:10,390 --> 00:27:08,320

in another incident and it broke into

720

00:27:12,310 --> 00:27:10,400

three distinct segments and minutes

721

00:27:14,470 --> 00:27:12,320

later you heard

722

00:27:15,669 --> 00:27:14,480

oh wow as it broke apart how about that

723

00:27:17,830 --> 00:27:15,679

because the sound takes time to get

724

00:27:21,750 --> 00:27:17,840

there yeah that's right yeah so yeah

725

00:27:26,070 --> 00:27:23,269

it was fantastic

726

00:27:27,990 --> 00:27:26,080

um so before i'm gonna eventually ask

727

00:27:30,549 --> 00:27:28,000

everyone how they got interest in this

728

00:27:33,590 --> 00:27:30,559

topic but for now let's talk more about

729

00:27:35,909 --> 00:27:33,600

phoenix this is an area of high

730

00:27:37,029 --> 00:27:35,919

sightings right does anyone want to talk

731

00:27:38,950 --> 00:27:37,039

about

732

00:27:40,870 --> 00:27:38,960

that part of it the amount of sightings

733

00:27:42,149 --> 00:27:40,880

and that come in i think tara should

734

00:27:44,710 --> 00:27:42,159

take care of it

735

00:27:46,789 --> 00:27:44,720

well i i would first think that it has a

736

00:27:48,710 --> 00:27:46,799

lot to do with the wonderful weather we

737

00:27:50,710 --> 00:27:48,720

have here yeah

738

00:27:53,269 --> 00:27:50,720

you know we have big skies and blue

739

00:27:55,669 --> 00:27:53,279

skies and mostly clear skies with some

740

00:27:58,230 --> 00:27:55,679

likely clouds here and there but

741

00:28:00,389 --> 00:27:58,240

people are outside a lot they're outside

742

00:28:02,149 --> 00:28:00,399

during the day and at night and they're

743

00:28:04,230 --> 00:28:02,159

looking up especially now since the

744

00:28:06,630 --> 00:28:04,240

phoenix lights have happened there's

745

00:28:08,389 --> 00:28:06,640

more people aware and so i think that's

746

00:28:10,470 --> 00:28:08,399

might be why we get a lot more sightings

747

00:28:12,950 --> 00:28:10,480

reported because there's more people

748

00:28:15,110 --> 00:28:12,960

around outside more and wider states

749

00:28:16,549 --> 00:28:15,120

have more exciting lots

750

00:28:19,269 --> 00:28:16,559

most of our

751

00:28:22,230 --> 00:28:19,279

reports that we get the cms we get

752

00:28:24,950 --> 00:28:22,240

uh here they start off either one way or

753

00:28:27,510 --> 00:28:24,960

the other either i was walking the dog

754

00:28:29,750 --> 00:28:27,520

and looked up or i was outside smoking a

755

00:28:31,990 --> 00:28:29,760

cigarette on my back patio and i looked

756

00:28:34,310 --> 00:28:32,000

up they are about the two

757

00:28:37,430 --> 00:28:34,320

ways or the hot tub

758

00:28:39,750 --> 00:28:37,440

they are the the most common starting uh

759

00:28:41,190 --> 00:28:39,760

of the report that started september

760

00:28:43,990 --> 00:28:41,200

people still smoking cigarettes and

761

00:28:46,149 --> 00:28:44,000

walking dogs yeah

762

00:28:47,909 --> 00:28:46,159

and but but see then there's then

763

00:28:49,110 --> 00:28:47,919

there's then there's other sightings

764

00:28:51,269 --> 00:28:49,120

that occur

765

00:28:52,149 --> 00:28:51,279

now i had not had a sighting in my adult

766

00:28:54,630 --> 00:28:52,159

life

767

00:28:56,630 --> 00:28:54,640

all right until i was standing in this

768

00:29:00,789 --> 00:28:56,640

backyard behind this house we're in

769

00:29:03,350 --> 00:29:00,799

right now and remember that oh boy i do

770

00:29:06,470 --> 00:29:03,360

we actually did a police chase

771

00:29:09,029 --> 00:29:06,480

of this ufo that we saw and it was three

772

00:29:11,669 --> 00:29:09,039

round objects and i said

773

00:29:13,110 --> 00:29:11,679

that looks like a cluster of balloons

774

00:29:14,710 --> 00:29:13,120

and there were three round objects they

775

00:29:16,070 --> 00:29:14,720

looked big enough so that when they came

776
00:29:17,269 --> 00:29:16,080
to the roof of a house they were

777
00:29:19,430 --> 00:29:17,279
approaching

778
00:29:20,950 --> 00:29:19,440
i was absolutely certain

779
00:29:21,909 --> 00:29:20,960
that they were going to bounce off the

780
00:29:25,350 --> 00:29:21,919
roof

781
00:29:27,590 --> 00:29:25,360
nothing and emerged from the other side

782
00:29:30,310 --> 00:29:27,600
and say whoa those have to be

783
00:29:31,990 --> 00:29:30,320
many feet across because that house was

784
00:29:33,909 --> 00:29:32,000
hundreds of feet away

785
00:29:36,070 --> 00:29:33,919
and that roof was that much further away

786
00:29:38,789 --> 00:29:36,080
right so this is why

787
00:29:40,710 --> 00:29:38,799
you know you observe and the thing is

788
00:29:43,029 --> 00:29:40,720

when we looked we couldn't really see it

789

00:29:45,190 --> 00:29:43,039

because the light was very very dim on

790

00:29:47,669 --> 00:29:45,200

it it was a shadow i mean it was almost

791

00:29:49,510 --> 00:29:47,679

what it did is as it was going

792

00:29:50,950 --> 00:29:49,520

right back here as it was going from one

793

00:29:52,630 --> 00:29:50,960

house uh

794

00:29:55,510 --> 00:29:52,640

rooftop to the other

795

00:29:57,510 --> 00:29:55,520

it actually was blacking out the stars

796

00:30:00,549 --> 00:29:57,520

that were in the sky and it was like

797

00:30:02,630 --> 00:30:00,559

this big blob and all you can see it was

798

00:30:04,230 --> 00:30:02,640

just moving it was a solid object so

799

00:30:06,070 --> 00:30:04,240

whatever it was was solid it was

800

00:30:08,630 --> 00:30:06,080

definitely like three round objects and

801
00:30:10,310 --> 00:30:08,640
it looked like

802
00:30:11,909 --> 00:30:10,320
no it was it was dark but it was

803
00:30:13,190 --> 00:30:11,919
reflecting some light from the ground

804
00:30:15,029 --> 00:30:13,200
which is how we saw it the only way you

805
00:30:17,190 --> 00:30:15,039
could see it was by blocking out the

806
00:30:19,510 --> 00:30:17,200
street lights how did you happen to how

807
00:30:21,269 --> 00:30:19,520
did it happen to catch your attention uh

808
00:30:23,029 --> 00:30:21,279
well actually i was standing in the

809
00:30:24,950 --> 00:30:23,039
backyard probably with the assault gun

810
00:30:26,310 --> 00:30:24,960
to shoot flies or something

811
00:30:27,990 --> 00:30:26,320
at night right just get them while

812
00:30:29,669 --> 00:30:28,000
they're sleeping

813
00:30:31,110 --> 00:30:29,679

and she says

814

00:30:31,990 --> 00:30:31,120

marianne said

815

00:30:33,350 --> 00:30:32,000

um

816

00:30:35,830 --> 00:30:33,360

what's that

817

00:30:37,110 --> 00:30:35,840

i'm like what i look in there i see this

818

00:30:38,630 --> 00:30:37,120

thing in a dim light but you had to

819

00:30:39,350 --> 00:30:38,640

block out other lights in order to see

820

00:30:44,950 --> 00:30:39,360

it

821

00:30:47,430 --> 00:30:44,960

why i said oh those guys those have to

822

00:30:48,950 --> 00:30:47,440

be balloons yeah but if they're balloons

823

00:30:51,269 --> 00:30:48,960

they were each the size of weather

824

00:30:52,549 --> 00:30:51,279

balloons and i mean

825

00:30:54,710 --> 00:30:52,559

now you might i just finished telling

826

00:30:56,950 --> 00:30:54,720

you that you can't gauge scale right

827

00:30:59,110 --> 00:30:56,960

but yeah we did have reference points

828

00:31:00,630 --> 00:30:59,120

okay the reference points were the

829

00:31:02,070 --> 00:31:00,640

distant house that's right karen there

830

00:31:04,310 --> 00:31:02,080

was this distant house the slope of the

831

00:31:05,990 --> 00:31:04,320

roof we knew how far that house was

832

00:31:08,710 --> 00:31:06,000

because we measured it

833

00:31:10,310 --> 00:31:08,720

and that distance made those balloons if

834

00:31:12,149 --> 00:31:10,320

that's what they were

835

00:31:13,990 --> 00:31:12,159

something that had to be at least four

836

00:31:16,630 --> 00:31:14,000

feet in diameter each

837

00:31:19,669 --> 00:31:16,640

wow at that distance for that angular

838

00:31:21,509 --> 00:31:19,679

size in the sky and unless there was

839

00:31:23,669 --> 00:31:21,519

some kind of big party going on that we

840

00:31:26,070 --> 00:31:23,679

didn't know about with you know three

841

00:31:29,110 --> 00:31:26,080

giant four foot each balloons that were

842

00:31:31,190 --> 00:31:29,120

attached in a triplet like that

843

00:31:34,630 --> 00:31:31,200

uh we uh we grabbed the keys i ran in

844

00:31:36,470 --> 00:31:34,640

here grabbed the keys off the uh counter

845

00:31:39,909 --> 00:31:36,480

jumped in the expedition and started

846

00:31:41,750 --> 00:31:39,919

just hauling buns around town or around

847

00:31:43,590 --> 00:31:41,760

the community here the neighborhood

848

00:31:46,070 --> 00:31:43,600

there was nobody out there was no

849

00:31:48,070 --> 00:31:46,080

parties there was it was a very quiet

850

00:31:49,990 --> 00:31:48,080

area we tried it yeah we tried to find

851
00:31:51,669 --> 00:31:50,000
we tried to find uh the activity that

852
00:31:53,750 --> 00:31:51,679
could have caused it because

853
00:31:55,190 --> 00:31:53,760
i don't you know i don't easily believe

854
00:31:56,789 --> 00:31:55,200
in something like that i'm skeptical

855
00:31:57,669 --> 00:31:56,799
because i have to be right

856
00:31:58,630 --> 00:31:57,679
um

857
00:32:02,630 --> 00:31:58,640
so

858
00:32:04,630 --> 00:32:02,640
right

859
00:32:08,070 --> 00:32:04,640
racing at above the speed limit

860
00:32:13,190 --> 00:32:09,029
the

861
00:32:15,350 --> 00:32:13,200
road completely blocked out any

862
00:32:17,430 --> 00:32:15,360
possibility of seeing this thing

863
00:32:18,870 --> 00:32:17,440

so we actually i tried and tried and

864

00:32:20,470 --> 00:32:18,880

tried to actually see where this thing

865

00:32:21,990 --> 00:32:20,480

was we had a path

866

00:32:23,110 --> 00:32:22,000

we could see the path

867

00:32:24,549 --> 00:32:23,120

but then

868

00:32:25,909 --> 00:32:24,559

when we got out into the road we

869

00:32:26,710 --> 00:32:25,919

couldn't see it anymore it was almost

870

00:32:28,070 --> 00:32:26,720

like

871

00:32:29,590 --> 00:32:28,080

you wouldn't be able to see it if it was

872

00:32:32,149 --> 00:32:29,600

actually uh

873

00:32:33,190 --> 00:32:32,159

something that was going to be

874

00:32:34,230 --> 00:32:33,200

i guess

875

00:32:35,509 --> 00:32:34,240

if it was going to be something that was

876

00:32:37,269 --> 00:32:35,519

going to be like a

877

00:32:39,669 --> 00:32:37,279

illuminated event it was illuminated by

878

00:32:41,590 --> 00:32:39,679

itself if it wasn't then you you would

879

00:32:43,430 --> 00:32:41,600

have been able to

880

00:32:44,710 --> 00:32:43,440

see it in the sky but we we are not

881

00:32:45,990 --> 00:32:44,720

seeing this guy

882

00:32:47,269 --> 00:32:46,000

but the lights from below were

883

00:32:49,990 --> 00:32:47,279

illuminating and the thing that was

884

00:32:51,269 --> 00:32:50,000

different was there were street lights

885

00:32:52,950 --> 00:32:51,279

and as something approaches street

886

00:32:54,789 --> 00:32:52,960

lights it gets illuminated from here and

887

00:32:57,190 --> 00:32:54,799

that illumination changes as it moves

888

00:33:00,230 --> 00:32:57,200

across the sky right

889

00:33:02,149 --> 00:33:00,240

this didn't change it stayed constant

890

00:33:05,430 --> 00:33:02,159

so that meant that it was

891

00:33:07,590 --> 00:33:05,440

and again this is a a perspective and a

892

00:33:09,669 --> 00:33:07,600

a a reference point thing

893

00:33:11,909 --> 00:33:09,679

it was further than the street lights on

894

00:33:14,789 --> 00:33:11,919

the other side of those houses as well

895

00:33:16,230 --> 00:33:14,799

because those lights did not change when

896

00:33:17,590 --> 00:33:16,240

they when they if they were playing on

897

00:33:19,269 --> 00:33:17,600

it you didn't see them change you'd see

898

00:33:20,710 --> 00:33:19,279

the angle change the light we did not

899

00:33:22,710 --> 00:33:20,720

see any of that

900

00:33:24,549 --> 00:33:22,720

now i'm going to ask you something

901
00:33:25,909 --> 00:33:24,559
did you report it

902
00:33:29,750 --> 00:33:25,919
of course

903
00:33:29,760 --> 00:33:34,630
don't look at me that way stacy

904
00:33:39,110 --> 00:33:37,430
well the thing is okay

905
00:33:40,630 --> 00:33:39,120
if we reported it we would report the

906
00:33:42,230 --> 00:33:40,640
sighting we wouldn't be able to report

907
00:33:43,830 --> 00:33:42,240
any evidence so i was really

908
00:33:45,750 --> 00:33:43,840
disappointed we couldn't get evidence i

909
00:33:47,190 --> 00:33:45,760
actually took out the phone and we had

910
00:33:49,269 --> 00:33:47,200
time to actually look and see if we

911
00:33:51,190 --> 00:33:49,279
could see it i said i can't see it and i

912
00:33:53,269 --> 00:33:51,200
have a manual application for the for

913
00:33:55,590 --> 00:33:53,279

the iphone where you can use your camera

914

00:33:57,509 --> 00:33:55,600

in a manual banner and i just couldn't

915

00:33:59,350 --> 00:33:57,519

get that thing to to come up and be able

916

00:34:01,269 --> 00:33:59,360

to do this in time

917

00:34:02,710 --> 00:34:01,279

were they in like in a row or there was

918

00:34:04,710 --> 00:34:02,720

no they were like this there was there

919

00:34:06,710 --> 00:34:04,720

was three one here one here one so it's

920

00:34:07,830 --> 00:34:06,720

like a triangular like an equilateral

921

00:34:10,230 --> 00:34:07,840

triangle

922

00:34:12,629 --> 00:34:10,240

of three objects that were round

923

00:34:14,230 --> 00:34:12,639

and but

924

00:34:15,589 --> 00:34:14,240

yeah there's no light in there we could

925

00:34:17,430 --> 00:34:15,599

not see anything yeah they were close

926

00:34:19,909 --> 00:34:17,440

and they were close together

927

00:34:21,430 --> 00:34:19,919

and again i i didn't i didn't did not

928

00:34:23,190 --> 00:34:21,440

discount that they could just be really

929

00:34:24,950 --> 00:34:23,200

big balloons

930

00:34:26,069 --> 00:34:24,960

but i didn't expect them to act like

931

00:34:28,230 --> 00:34:26,079

balloons

932

00:34:29,669 --> 00:34:28,240

the light should have changed as they

933

00:34:31,270 --> 00:34:29,679

moved across the landscape and they

934

00:34:32,550 --> 00:34:31,280

would have been huge

935

00:34:34,069 --> 00:34:32,560

that would have been bad

936

00:34:36,149 --> 00:34:34,079

never i don't know if i've ever seen a

937

00:34:39,589 --> 00:34:36,159

four foot balloon

938

00:34:42,230 --> 00:34:39,599

i have okay i guess unless it's a okay

939

00:34:44,389 --> 00:34:42,240

no it was crazy not not to give you too

940

00:34:45,669 --> 00:34:44,399

much of a hard time youtube but

941

00:34:47,510 --> 00:34:45,679

reporting

942

00:34:49,349 --> 00:34:47,520

something like this could find other

943

00:34:52,470 --> 00:34:49,359

witnesses that

944

00:34:56,149 --> 00:34:52,480

i know i know uh we did i did leave it

945

00:35:01,190 --> 00:34:58,870

but no i drove around and everything and

946

00:35:02,790 --> 00:35:01,200

uh there was nobody out at least not

947

00:35:04,950 --> 00:35:02,800

driving around

948

00:35:06,470 --> 00:35:04,960

and nobody i did not see anybody walking

949

00:35:07,829 --> 00:35:06,480

on the street so

950

00:35:10,310 --> 00:35:07,839

but yeah you never know who could have

951

00:35:11,910 --> 00:35:10,320

been in the backyard or smoking

952

00:35:14,230 --> 00:35:11,920

no job yes they could have been doing

953

00:35:15,589 --> 00:35:14,240

that yeah and like people report like

954

00:35:17,190 --> 00:35:15,599

sometimes some people can see them and

955

00:35:19,349 --> 00:35:17,200

other people can't so maybe it was just

956

00:35:22,550 --> 00:35:19,359

for your benefit yeah yeah you know i

957

00:35:24,069 --> 00:35:22,560

mean no i think to just say that i think

958

00:35:25,589 --> 00:35:24,079

this was something that was a missed

959

00:35:26,470 --> 00:35:25,599

opportunity to be honest we should have

960

00:35:28,870 --> 00:35:26,480

probably

961

00:35:30,630 --> 00:35:28,880

reported it you know

962

00:35:33,109 --> 00:35:30,640

you know every time i'm on a plane emma

963

00:35:34,870 --> 00:35:33,119

don't give me the finger i know i know

964

00:35:36,550 --> 00:35:34,880

it's just not the finger sorry that's

965

00:35:39,910 --> 00:35:36,560

that's not quite well it's just pointing

966

00:35:42,550 --> 00:35:39,920

like this yeah the index finger

967

00:35:43,990 --> 00:35:42,560

okay okay move on with another story

968

00:35:46,069 --> 00:35:44,000

here i'm gonna really get yelled at

969

00:35:48,310 --> 00:35:46,079

later on here

970

00:35:50,470 --> 00:35:48,320

oh this isn't public oh no

971

00:35:53,190 --> 00:35:50,480

i think um well

972

00:35:55,109 --> 00:35:53,200

i didn't report and i i could still

973

00:35:58,150 --> 00:35:55,119

report what i saw

974

00:36:01,430 --> 00:35:58,160

back in 2007 you know i mean it doesn't

975

00:36:03,430 --> 00:36:01,440

matter and i have looked online about

976

00:36:05,829 --> 00:36:03,440

the area where i was at

977

00:36:07,589 --> 00:36:05,839

and there was something that sounded

978

00:36:08,950 --> 00:36:07,599

that you know very similar to what i saw

979

00:36:10,230 --> 00:36:08,960

it might have been the same night see i

980

00:36:12,390 --> 00:36:10,240

don't even remember

981

00:36:13,910 --> 00:36:12,400

the date i really don't remember the

982

00:36:16,230 --> 00:36:13,920

time of year

983

00:36:17,990 --> 00:36:16,240

in california every the seasons are

984

00:36:20,550 --> 00:36:18,000

mostly alike our mufon field

985

00:36:21,670 --> 00:36:20,560

investigators are so skilled at what

986

00:36:23,349 --> 00:36:21,680

they do

987

00:36:25,430 --> 00:36:23,359

that they can look up this information

988

00:36:27,349 --> 00:36:25,440

and they can compare it and see what was

989

00:36:28,870 --> 00:36:27,359

in the area at the time they can tell

990

00:36:30,630 --> 00:36:28,880

you there's other people that saw things

991

00:36:32,470 --> 00:36:30,640

that were similar to that yeah well

992

00:36:34,550 --> 00:36:32,480

someone did report a puzzle go into the

993

00:36:37,750 --> 00:36:34,560

database and help every little bit yeah

994

00:36:41,270 --> 00:36:37,760

someone did report seeing a cigar shaped

995

00:36:43,589 --> 00:36:41,280

object that's not what i saw but however

996

00:36:45,190 --> 00:36:43,599

as someone pointed out to me once at an

997

00:36:47,510 --> 00:36:45,200

angle

998

00:36:49,670 --> 00:36:47,520

a disc can look like a disc which i saw

999

00:36:51,910 --> 00:36:49,680

could look like a cigar shape

1000

00:36:53,190 --> 00:36:51,920

which is all interesting and speaking of

1001
00:36:54,950 --> 00:36:53,200
shapes

1002
00:36:56,790 --> 00:36:54,960
um

1003
00:36:59,270 --> 00:36:56,800
david who's behind the camera

1004
00:37:02,470 --> 00:36:59,280
his uh mother had a

1005
00:37:03,670 --> 00:37:02,480
about a 1948 triangle ufo sight you

1006
00:37:05,270 --> 00:37:03,680
don't hear

1007
00:37:08,310 --> 00:37:05,280
too much of them

1008
00:37:10,150 --> 00:37:08,320
um you know happening back then but a

1009
00:37:11,190 --> 00:37:10,160
lot of people talk about

1010
00:37:14,870 --> 00:37:11,200
why

1011
00:37:16,870 --> 00:37:14,880
now is there more triangle ufos than

1012
00:37:19,510 --> 00:37:16,880
ever and what happened to the good

1013
00:37:21,910 --> 00:37:19,520

old-fashioned discs does anyone want to

1014

00:37:22,350 --> 00:37:21,920

the triangle nation took over the disc

1015

00:37:24,550 --> 00:37:22,360

nation

1016

00:37:26,870 --> 00:37:24,560

[Laughter]

1017

00:37:29,910 --> 00:37:26,880

well i mean from from a point of view of

1018

00:37:32,390 --> 00:37:29,920

just what people are seeing i guess

1019

00:37:34,790 --> 00:37:32,400

from the outside you can say well

1020

00:37:37,430 --> 00:37:34,800

maybe there's more human-made things in

1021

00:37:38,630 --> 00:37:37,440

the sky that form triangle formations

1022

00:37:41,510 --> 00:37:38,640

for instance

1023

00:37:42,710 --> 00:37:41,520

uh and this is meant to add to this not

1024

00:37:44,790 --> 00:37:42,720

subtraction

1025

00:37:47,190 --> 00:37:44,800

uh there are certain satellites that

1026
00:37:49,270 --> 00:37:47,200
have been put up by the navy that travel

1027
00:37:51,030 --> 00:37:49,280
in triplets they're like an equilateral

1028
00:37:53,109 --> 00:37:51,040
triangle in the sky when they move

1029
00:37:55,109 --> 00:37:53,119
through the sky if you see them

1030
00:37:58,150 --> 00:37:55,119
you might think that you're not seeing

1031
00:38:00,310 --> 00:37:58,160
stars between the end points of these

1032
00:38:02,310 --> 00:38:00,320
satellites because your brain

1033
00:38:04,390 --> 00:38:02,320
mentally subtracts uh subtracts those

1034
00:38:05,829 --> 00:38:04,400
sometimes and so it might look like a

1035
00:38:06,950 --> 00:38:05,839
solid object and you might say oh that's

1036
00:38:09,270 --> 00:38:06,960
a triangle

1037
00:38:11,990 --> 00:38:09,280
but in 1948 they didn't have

1038
00:38:14,710 --> 00:38:12,000

these types of things in the sky right

1039

00:38:16,550 --> 00:38:14,720

so it wouldn't be that um

1040

00:38:18,790 --> 00:38:16,560

but then again

1041

00:38:20,550 --> 00:38:18,800

there are uh

1042

00:38:22,230 --> 00:38:20,560

other options right there are other

1043

00:38:23,829 --> 00:38:22,240

possibilities maybe

1044

00:38:26,069 --> 00:38:23,839

uh if you want to look at it from an

1045

00:38:28,630 --> 00:38:26,079

extraterrestrial point of view maybe

1046

00:38:30,710 --> 00:38:28,640

there are several races that have found

1047

00:38:33,109 --> 00:38:30,720

this kind of like wow

1048

00:38:37,589 --> 00:38:35,349

this other you know planner when he

1049

00:38:39,829 --> 00:38:37,599

finally reached us and they like us so

1050

00:38:40,950 --> 00:38:39,839

they're hanging around where the disc

1051
00:38:41,750 --> 00:38:40,960
you know wherever they from you know

1052
00:38:44,230 --> 00:38:41,760
they

1053
00:38:45,670 --> 00:38:44,240
like

1054
00:38:47,349 --> 00:38:45,680
well don't don't forget people are still

1055
00:38:49,270 --> 00:38:47,359
seeing discs you know right but i mean

1056
00:38:51,190 --> 00:38:49,280
it's like there could be thousands of

1057
00:38:53,349 --> 00:38:51,200
different shapes yeah that's correct and

1058
00:38:55,109 --> 00:38:53,359
it depends on what kind of technology an

1059
00:38:57,510 --> 00:38:55,119
advanced race might actually choose to

1060
00:38:59,750 --> 00:38:57,520
exploit in order to apply that vast

1061
00:39:01,750 --> 00:38:59,760
sculpt between the stars and

1062
00:39:03,430 --> 00:39:01,760
in all cases one of the interesting

1063
00:39:05,270 --> 00:39:03,440

things is you know

1064

00:39:08,150 --> 00:39:05,280

people are saying that these these uh

1065

00:39:10,310 --> 00:39:08,160

flying saucers are actually

1066

00:39:12,230 --> 00:39:10,320

particle accelerators which is why

1067

00:39:13,910 --> 00:39:12,240

they're round and the same thing with

1068

00:39:14,870 --> 00:39:13,920

triangles the triangles are triangular

1069

00:39:17,589 --> 00:39:14,880

shaped because they're particle

1070

00:39:18,870 --> 00:39:17,599

accelerators and uh a good friend of

1071

00:39:21,030 --> 00:39:18,880

mine

1072

00:39:22,790 --> 00:39:21,040

yeah and and that the whole point of

1073

00:39:25,910 --> 00:39:22,800

these flying saucers if you call them

1074

00:39:28,470 --> 00:39:25,920

that is that they exploit

1075

00:39:31,829 --> 00:39:28,480

a hole not a whole but but a

1076

00:39:32,630 --> 00:39:31,839

opportunity in physics to be able to

1077

00:39:35,589 --> 00:39:32,640

move

1078

00:39:37,190 --> 00:39:35,599

through uh dimensions in a way that

1079

00:39:39,349 --> 00:39:37,200

require the use of a particle

1080

00:39:42,150 --> 00:39:39,359

accelerator to generate certain types of

1081

00:39:44,470 --> 00:39:42,160

particles so you can extract yourself

1082

00:39:45,510 --> 00:39:44,480

right from our dimensional space

1083

00:39:46,870 --> 00:39:45,520

there's a lot of evidence pointing

1084

00:39:49,109 --> 00:39:46,880

towards that because people who have no

1085

00:39:50,630 --> 00:39:49,119

idea of science describe the movements

1086

00:39:53,670 --> 00:39:50,640

in exactly the same way like they kind

1087

00:39:55,349 --> 00:39:53,680

of wobble and things like that which

1088

00:39:57,109 --> 00:39:55,359

would make sense you know from the

1089

00:39:59,030 --> 00:39:57,119

scientific point of view in fact it does

1090

00:40:01,349 --> 00:39:59,040

because bob schroeder a friend of mine

1091

00:40:02,630 --> 00:40:01,359

he wrote solving enigma you know bob

1092

00:40:05,030 --> 00:40:02,640

yeah okay

1093

00:40:06,470 --> 00:40:05,040

bob's a great guy and and he's not prone

1094

00:40:09,510 --> 00:40:06,480

to flights of fancy

1095

00:40:10,470 --> 00:40:09,520

and bob discusses this in his book and

1096

00:40:11,829 --> 00:40:10,480

uh

1097

00:40:13,270 --> 00:40:11,839

that's probably one of the few books i

1098

00:40:14,790 --> 00:40:13,280

read because it had a lot of equations

1099

00:40:16,390 --> 00:40:14,800

in it which i and not because i like

1100

00:40:19,030 --> 00:40:16,400

equations okay i'm not that much of a

1101
00:40:20,150 --> 00:40:19,040
geek but maybe i am well yeah

1102
00:40:25,510 --> 00:40:20,160
but

1103
00:40:27,589 --> 00:40:25,520
understand the science that he was

1104
00:40:29,109 --> 00:40:27,599
suspecting was there and you know what

1105
00:40:33,270 --> 00:40:29,119
it's sound

1106
00:40:35,109 --> 00:40:33,280
interesting is that

1107
00:40:38,069 --> 00:40:35,119
when you talk about

1108
00:40:39,990 --> 00:40:38,079
alien races traveling through space

1109
00:40:41,589 --> 00:40:40,000
that's where you leave you know most

1110
00:40:43,910 --> 00:40:41,599
modern astrophysics people behind

1111
00:40:46,230 --> 00:40:43,920
because they're like yeah that knob

1112
00:40:48,790 --> 00:40:46,240
that can't happen the distances the

1113
00:40:51,510 --> 00:40:48,800

distances are so fast they can't

1114

00:40:54,150 --> 00:40:51,520

possibly do it but the fact is

1115

00:40:55,750 --> 00:40:54,160

they're not traveling those distances

1116

00:40:57,829 --> 00:40:55,760

they're traveling and it's not like

1117

00:41:00,069 --> 00:40:57,839

wormholes but it's like folding space

1118

00:41:01,910 --> 00:41:00,079

yeah we see that now

1119

00:41:03,109 --> 00:41:01,920

and we see how to do that now we just

1120

00:41:06,230 --> 00:41:03,119

can't do it because we don't have the

1121

00:41:08,230 --> 00:41:06,240

technology so if we see that you know

1122

00:41:10,230 --> 00:41:08,240

only 5 000 years into our written

1123

00:41:11,750 --> 00:41:10,240

history from ancient samaria well then

1124

00:41:12,790 --> 00:41:11,760

i'm sure there's a race out there that's

1125

00:41:14,950 --> 00:41:12,800

done it

1126

00:41:16,710 --> 00:41:14,960

because if we look at the way planets

1127

00:41:19,030 --> 00:41:16,720

are formed that's my specialty in

1128

00:41:20,470 --> 00:41:19,040

astronomy is exoplanets right so if we

1129

00:41:21,430 --> 00:41:20,480

look at the way these planets are being

1130

00:41:23,589 --> 00:41:21,440

formed

1131

00:41:25,670 --> 00:41:23,599

it's a sliding window we see planets

1132

00:41:28,230 --> 00:41:25,680

that are 12 billion years old

1133

00:41:29,910 --> 00:41:28,240

the universe is 13.8 so planets have

1134

00:41:31,589 --> 00:41:29,920

been around for quite a while so along

1135

00:41:32,950 --> 00:41:31,599

that sliding window planetary formation

1136

00:41:34,950 --> 00:41:32,960

there's certainly going to be an alien

1137

00:41:36,550 --> 00:41:34,960

race that's managed to find something

1138

00:41:38,630 --> 00:41:36,560

somewhere to find some way to get to

1139

00:41:40,470 --> 00:41:38,640

advancement you know and they're not

1140

00:41:43,990 --> 00:41:40,480

going to look like us

1141

00:41:45,990 --> 00:41:44,000

because we look exactly the way we do

1142

00:41:48,470 --> 00:41:46,000

because of five major extinction events

1143

00:41:50,390 --> 00:41:48,480

and changes in biodiversity on our

1144

00:41:53,670 --> 00:41:50,400

planet but that's not

1145

00:41:55,750 --> 00:41:53,680

to say that it didn't happen another way

1146

00:41:57,349 --> 00:41:55,760

to reach intelligence we only know how

1147

00:41:58,470 --> 00:41:57,359

intelligence can be reached from this

1148

00:41:59,589 --> 00:41:58,480

planet

1149

00:42:00,710 --> 00:41:59,599

we don't know how it would work

1150

00:42:02,550 --> 00:42:00,720

elsewhere

1151
00:42:03,430 --> 00:42:02,560
right so they can be here i have no

1152
00:42:05,270 --> 00:42:03,440
doubt and they could be here from

1153
00:42:08,630 --> 00:42:05,280
multiple places

1154
00:42:10,710 --> 00:42:08,640
but but also you just say that that well

1155
00:42:11,910 --> 00:42:10,720
we're a binocular vision

1156
00:42:15,190 --> 00:42:11,920
bipedal

1157
00:42:16,870 --> 00:42:15,200
uh that yep and and bilateral porter

1158
00:42:18,630 --> 00:42:16,880
pets but i mean there's a lot of

1159
00:42:19,589 --> 00:42:18,640
similarities to our species on this

1160
00:42:22,470 --> 00:42:19,599
planet

1161
00:42:26,710 --> 00:42:22,480
symmetric

1162
00:42:29,349 --> 00:42:26,720
radial symmetry like a tulip or a

1163
00:42:31,190 --> 00:42:29,359

dandelion or whatever or bilaterally

1164

00:42:32,390 --> 00:42:31,200

symmetric like most of the upper life

1165

00:42:34,150 --> 00:42:32,400

forms

1166

00:42:36,550 --> 00:42:34,160

starfish are odd because starfish start

1167

00:42:38,309 --> 00:42:36,560

off as bilateral symmetric larvae and

1168

00:42:39,829 --> 00:42:38,319

they become penta

1169

00:42:41,109 --> 00:42:39,839

tamers they become the

1170

00:42:43,270 --> 00:42:41,119

pentamerism

1171

00:42:45,829 --> 00:42:43,280

organisms where it's five-sided kind of

1172

00:42:47,670 --> 00:42:45,839

a weird radial thing right but but still

1173

00:42:49,349 --> 00:42:47,680

they're they've got to be alien

1174

00:42:50,550 --> 00:42:49,359

they might be i think the octopus is

1175

00:42:51,829 --> 00:42:50,560

alien to be honest yeah you know what

1176

00:42:53,990 --> 00:42:51,839

they actually goes to me is the most

1177

00:42:55,990 --> 00:42:54,000

intelligent uh animal and animal in the

1178

00:42:58,790 --> 00:42:56,000

uh ocean amazing yeah i love those

1179

00:43:00,710 --> 00:42:58,800

things yeah i don't want them on me

1180

00:43:02,710 --> 00:43:00,720

but i love those things i'll watch them

1181

00:43:05,270 --> 00:43:02,720

from a distance okay you can play with

1182

00:43:07,910 --> 00:43:05,280

them all right i have yeah oh

1183

00:43:09,829 --> 00:43:07,920

stupid yeah not really one scared that

1184

00:43:11,109 --> 00:43:09,839

guy

1185

00:43:13,750 --> 00:43:11,119

um so

1186

00:43:15,829 --> 00:43:13,760

does anyone here would anyone here be up

1187

00:43:19,190 --> 00:43:15,839

for talking about a personal ufo

1188

00:43:22,710 --> 00:43:20,150

well

1189

00:43:24,790 --> 00:43:22,720

you saw the gimbal yeah do you want to

1190

00:43:27,349 --> 00:43:24,800

talk about that i know you had before

1191

00:43:31,109 --> 00:43:27,359

but yeah we'd love to hear it again

1192

00:43:33,910 --> 00:43:31,119

um yeah so you know i was in the navy um

1193

00:43:36,950 --> 00:43:33,920

i worked in intelligence

1194

00:43:38,790 --> 00:43:36,960

for 16 years and

1195

00:43:41,190 --> 00:43:38,800

i was stationed on board the theater

1196

00:43:43,270 --> 00:43:41,200

roosevelt in 2015. we're gonna have to

1197

00:43:45,349 --> 00:43:43,280

talk a little bit loud oh okay sorry

1198

00:43:49,990 --> 00:43:45,359

that's right so uh i've stationed aboard

1199

00:43:52,069 --> 00:43:50,000

the uss theater roosevelt in 2015 and um

1200

00:43:55,510 --> 00:43:52,079

uh obviously working in intel i was kind

1201
00:43:58,630 --> 00:43:55,520
of privy to what was happening

1202
00:44:00,470 --> 00:43:58,640
on the ship and

1203
00:44:13,270 --> 00:44:00,480
i

1204
00:44:14,790 --> 00:44:13,280
because they announced that

1205
00:44:16,470 --> 00:44:14,800
and so i called up to my shop and i said

1206
00:44:17,430 --> 00:44:16,480
hey is there is there anything i need to

1207
00:44:21,270 --> 00:44:17,440
know about

1208
00:44:23,670 --> 00:44:21,280
do i need to come upstairs i said no

1209
00:44:25,510 --> 00:44:23,680
so the next day i go up to my shop and

1210
00:44:27,270 --> 00:44:25,520
uh one of the buddy of mine

1211
00:44:29,109 --> 00:44:27,280
uh from another part of the intel works

1212
00:44:30,630 --> 00:44:29,119
more closely with the pilots came in

1213
00:44:32,950 --> 00:44:30,640

with shock and said

1214

00:44:34,230 --> 00:44:32,960

hey look at this pull it up

1215

00:44:37,750 --> 00:44:34,240

um

1216

00:44:38,550 --> 00:44:37,760

so i i got on my computer and i pulled

1217

00:44:40,630 --> 00:44:38,560

up

1218

00:44:41,990 --> 00:44:40,640

uh what is now

1219

00:44:43,510 --> 00:44:42,000

the gimbal

1220

00:44:51,109 --> 00:44:43,520

video

1221

00:44:54,069 --> 00:44:51,119

same

1222

00:44:56,550 --> 00:44:54,079

incident but this was an incident that

1223

00:44:59,430 --> 00:44:56,560

went on for four nights so they came

1224

00:45:01,430 --> 00:44:59,440

back every night for four minutes

1225

00:45:04,470 --> 00:45:01,440

but those those two the gimbal and the

1226

00:45:06,630 --> 00:45:04,480

go fast i believe are from two um

1227

00:45:07,589 --> 00:45:06,640

different nights

1228

00:45:10,309 --> 00:45:07,599

yeah

1229

00:45:11,829 --> 00:45:10,319

and that's what started you on your

1230

00:45:14,710 --> 00:45:11,839

whole path

1231

00:45:15,750 --> 00:45:14,720

to uh things that other things happened

1232

00:45:17,589 --> 00:45:15,760

you know we don't have to talk about

1233

00:45:19,270 --> 00:45:17,599

that now but i mean that's what really

1234

00:45:21,349 --> 00:45:19,280

got you involved in

1235

00:45:23,349 --> 00:45:21,359

i love your book by the way and i'm i'm

1236

00:45:26,069 --> 00:45:23,359

into your book a good part of the way

1237

00:45:29,109 --> 00:45:26,079

and throw the name of it uh it's it's

1238

00:45:30,630 --> 00:45:29,119

called initiated that's right yeah yeah

1239

00:45:33,190 --> 00:45:30,640

here i am reading i can't even throw the

1240

00:45:34,710 --> 00:45:33,200

title up there well you've probably read

1241

00:45:36,630 --> 00:45:34,720

so many

1242

00:45:38,550 --> 00:45:36,640

a few yeah

1243

00:45:40,069 --> 00:45:38,560

not as many as i should anyone else want

1244

00:45:41,589 --> 00:45:40,079

to feel up to talking about a personal

1245

00:45:43,349 --> 00:45:41,599

sighting and if not

1246

00:45:45,829 --> 00:45:43,359

i have another thing to throw

1247

00:45:47,910 --> 00:45:45,839

so i started talking to other people

1248

00:45:51,510 --> 00:45:47,920

like i talked to an investigator in the

1249

00:45:52,550 --> 00:45:51,520

academy that i went to he saw the hudson

1250

00:45:53,829 --> 00:45:52,560

valley

1251

00:45:55,910 --> 00:45:53,839

the boomerang

1252

00:45:58,790 --> 00:45:55,920

and when he's a teenager and i'm finding

1253

00:46:00,790 --> 00:45:58,800

everybody's got personal interest

1254

00:46:04,309 --> 00:46:00,800

and i i shared it with stacy and i've

1255

00:46:07,589 --> 00:46:04,319

shared it here with these two but um

1256

00:46:09,109 --> 00:46:07,599

so so it was summer late summer of 89

1257

00:46:11,109 --> 00:46:09,119

and when you're talking about trying to

1258

00:46:12,870 --> 00:46:11,119

go back and work things back

1259

00:46:16,630 --> 00:46:12,880

um kind of have to do a little bit of

1260

00:46:19,910 --> 00:46:16,640

that so we're up in a cabin uh pine

1261

00:46:21,829 --> 00:46:19,920

mountain lake groveland and uh

1262

00:46:23,670 --> 00:46:21,839

i'm an attorney general investigator for

1263

00:46:24,950 --> 00:46:23,680

the state of california for department

1264

00:46:27,270 --> 00:46:24,960

of justice

1265

00:46:28,550 --> 00:46:27,280

and my buddy is a homicide i think he

1266

00:46:30,069 --> 00:46:28,560

was in homicide at the time he's

1267

00:46:32,390 --> 00:46:30,079

detected with fremont so we've been

1268

00:46:34,630 --> 00:46:32,400

buddies since we're 26 we hang around

1269

00:46:37,109 --> 00:46:34,640

together the families

1270

00:46:38,550 --> 00:46:37,119

so we have both families at the cabin

1271

00:46:39,430 --> 00:46:38,560

and uh

1272

00:46:41,750 --> 00:46:39,440

so

1273

00:46:43,510 --> 00:46:41,760

it's just a nice place to go for the for

1274

00:46:44,950 --> 00:46:43,520

the summer and his in-laws bonus was

1275

00:46:45,829 --> 00:46:44,960

free

1276

00:46:47,829 --> 00:46:45,839

so

1277

00:46:49,589 --> 00:46:47,839

we're up there and it's basically a

1278

00:46:52,790 --> 00:46:49,599

rectangular cabin

1279

00:46:54,950 --> 00:46:52,800

and uh on this side of the room we have

1280

00:46:57,109 --> 00:46:54,960

my room on one side bing's room thing

1281

00:46:57,990 --> 00:46:57,119

was his name on the other side of the

1282

00:46:59,109 --> 00:46:58,000

cabin

1283

00:47:00,790 --> 00:46:59,119

uh

1284

00:47:02,710 --> 00:47:00,800

the kids were in the front room area

1285

00:47:05,510 --> 00:47:02,720

stacked my daughter

1286

00:47:08,230 --> 00:47:05,520

about 14 at the time my son was 12 and

1287

00:47:09,990 --> 00:47:08,240

then his son was about three

1288

00:47:12,630 --> 00:47:10,000

and then on the right hand side of the

1289

00:47:14,710 --> 00:47:12,640

room we have a half wall for the kitchen

1290

00:47:17,589 --> 00:47:14,720

in front of that we had kimmy's crib

1291

00:47:19,589 --> 00:47:17,599

kimmy was born in may so she stole an

1292

00:47:21,829 --> 00:47:19,599

infant late summer

1293

00:47:23,910 --> 00:47:21,839

and uh

1294

00:47:25,990 --> 00:47:23,920

i just uh wake up in the middle of the

1295

00:47:28,470 --> 00:47:26,000

night and i uh

1296

00:47:32,150 --> 00:47:28,480

the door to my bedrooms to my left

1297

00:47:34,630 --> 00:47:32,160

around the bed and my wife was

1298

00:47:37,109 --> 00:47:34,640

facing away from me with her sleeping

1299

00:47:39,109 --> 00:47:37,119

with her back to me and i hear something

1300

00:47:41,430 --> 00:47:39,119

and i don't know what it is so i wake up

1301
00:47:44,309 --> 00:47:41,440
and i look at the doorway and you got a

1302
00:47:46,870 --> 00:47:44,319
little gray there and uh you're having

1303
00:47:48,790 --> 00:47:46,880
that wtf moment uh because it's like

1304
00:47:50,630 --> 00:47:48,800
that really um

1305
00:47:53,990 --> 00:47:50,640
vivid bad dream

1306
00:47:55,510 --> 00:47:54,000
and uh i look at that thing

1307
00:47:57,670 --> 00:47:55,520
and we're talking

1308
00:47:59,829 --> 00:47:57,680
do you remember uh they had those really

1309
00:48:01,430 --> 00:47:59,839
tight black almost like a shark skin

1310
00:48:02,950 --> 00:48:01,440
swimsuit that they were trying to during

1311
00:48:05,829 --> 00:48:02,960
the olympics when

1312
00:48:07,829 --> 00:48:05,839
uh uh i think china but anyway i was

1313
00:48:08,790 --> 00:48:07,839

looking at those it's a skin-tight black

1314

00:48:10,470 --> 00:48:08,800

suit

1315

00:48:11,670 --> 00:48:10,480

um it comes up to about the middle of

1316

00:48:13,030 --> 00:48:11,680

his neck

1317

00:48:15,109 --> 00:48:13,040

um

1318

00:48:16,630 --> 00:48:15,119

and you know when people talk about hand

1319

00:48:19,510 --> 00:48:16,640

stuff i couldn't even tell you but he's

1320

00:48:20,790 --> 00:48:19,520

got like little pecks little little buys

1321

00:48:22,390 --> 00:48:20,800

um

1322

00:48:25,670 --> 00:48:22,400

the long neck

1323

00:48:28,150 --> 00:48:25,680

and those eyes are uh like big bug eyes

1324

00:48:30,790 --> 00:48:28,160

and they're not there's no pupil there's

1325

00:48:32,390 --> 00:48:30,800

no blinking it's like a pair of lenses

1326

00:48:33,510 --> 00:48:32,400

it's almost like they just like their

1327

00:48:35,910 --> 00:48:33,520

goggles

1328

00:48:38,230 --> 00:48:35,920

and uh

1329

00:48:39,109 --> 00:48:38,240

the the i think it's called the amco it

1330

00:48:41,750 --> 00:48:39,119

was an

1331

00:48:43,510 --> 00:48:41,760

advertisement amco alien it was in one

1332

00:48:46,309 --> 00:48:43,520

of the aerospace magazines that's

1333

00:48:48,390 --> 00:48:46,319

probably the closest i saw to it um and

1334

00:48:50,549 --> 00:48:48,400

his eyes are a little bit uh bigger than

1335

00:48:51,750 --> 00:48:50,559

on the one that i was looking at but i'm

1336

00:48:53,670 --> 00:48:51,760

looking at it

1337

00:48:56,870 --> 00:48:53,680

and i'm thinking bedroom

1338

00:48:59,030 --> 00:48:56,880

and then uh it says to me but not

1339

00:49:00,790 --> 00:48:59,040

verbally telepathically

1340

00:49:04,069 --> 00:49:00,800

it says you can't move and i couldn't

1341

00:49:06,790 --> 00:49:04,079

move and uh

1342

00:49:09,349 --> 00:49:06,800

okay i'm a copper i don't take orders

1343

00:49:10,470 --> 00:49:09,359

from people i give orders and i was

1344

00:49:12,710 --> 00:49:10,480

thinking

1345

00:49:14,870 --> 00:49:12,720

i couldn't move and then i went to moon

1346

00:49:17,510 --> 00:49:14,880

again and it said to me and this is in

1347

00:49:18,950 --> 00:49:17,520

english you can't move

1348

00:49:20,390 --> 00:49:18,960

and i thought

1349

00:49:23,030 --> 00:49:20,400

i almost kind of panicked a little bit

1350

00:49:25,670 --> 00:49:23,040

there's like i can't move and then

1351

00:49:27,430 --> 00:49:25,680

i can hear him uh they're not speaking

1352

00:49:28,549 --> 00:49:27,440

in english but i went there's two more i

1353

00:49:29,589 --> 00:49:28,559

just knew there were two more in the

1354

00:49:31,910 --> 00:49:29,599

front room

1355

00:49:34,069 --> 00:49:31,920

and uh the that my kids are out

1356

00:49:36,230 --> 00:49:34,079

there so uh

1357

00:49:37,750 --> 00:49:36,240

i hit the floor and when i hit the floor

1358

00:49:39,349 --> 00:49:37,760

and i looked at him i thought i'm gonna

1359

00:49:42,630 --> 00:49:39,359

twist that big bulbous head off you're

1360

00:49:44,230 --> 00:49:42,640

seeing a little neck and uh and he's

1361

00:49:46,390 --> 00:49:44,240

telling me i can't move as i'm hitting

1362

00:49:47,109 --> 00:49:46,400

the floor and then he turns the run from

1363

00:49:49,030 --> 00:49:47,119

me

1364

00:49:51,589 --> 00:49:49,040

when he goes out of the room

1365

00:49:54,150 --> 00:49:51,599

um their syntax on their little jerbling

1366

00:49:57,109 --> 00:49:54,160

goes up a really rapid and when he goes

1367

00:49:59,990 --> 00:49:57,119

out of the room with me on his ass uh

1368

00:50:01,910 --> 00:50:00,000

he hits face to face with the other one

1369

00:50:03,510 --> 00:50:01,920

and then they take off through my the

1370

00:50:05,349 --> 00:50:03,520

front room and this is probably not much

1371

00:50:07,510 --> 00:50:05,359

bigger than this room here and as

1372

00:50:09,430 --> 00:50:07,520

they're going into the front room

1373

00:50:13,030 --> 00:50:09,440

i'm thinking i'm going to tackle both

1374

00:50:14,870 --> 00:50:13,040

these boys and then i look and to the uh

1375

00:50:16,150 --> 00:50:14,880

to my right is the crib and one of them

1376

00:50:18,230 --> 00:50:16,160

has kimmy

1377

00:50:20,630 --> 00:50:18,240

and he just looks at me and when he

1378

00:50:22,069 --> 00:50:20,640

looked back at me i went after him

1379

00:50:23,510 --> 00:50:22,079

instead of

1380

00:50:25,349 --> 00:50:23,520

the other two

1381

00:50:27,910 --> 00:50:25,359

he said he only had her

1382

00:50:29,430 --> 00:50:27,920

inch or two off the bed so and he

1383

00:50:31,750 --> 00:50:29,440

just sets her down

1384

00:50:33,670 --> 00:50:31,760

he starts going with those other three i

1385

00:50:35,349 --> 00:50:33,680

got i know i'm the owner because it's

1386

00:50:38,390 --> 00:50:35,359

like you know 10 feet to the end of the

1387

00:50:40,710 --> 00:50:38,400

cabin white light comes down

1388

00:50:42,470 --> 00:50:40,720

bright white light uh you have shadows

1389

00:50:43,829 --> 00:50:42,480

in here you guys can see them

1390

00:50:46,309 --> 00:50:43,839

but

1391

00:50:47,910 --> 00:50:46,319

the light went it started as bright

1392

00:50:49,990 --> 00:50:47,920

light and then it just went through

1393

00:50:52,950 --> 00:50:50,000

everything there's no shadows underneath

1394

00:50:55,910 --> 00:50:52,960

there's uh i mean and it's loud humming

1395

00:50:58,390 --> 00:50:55,920

and then i'm just by myself and white

1396

00:50:59,349 --> 00:50:58,400

light and it's

1397

00:51:01,270 --> 00:50:59,359

um

1398

00:51:03,109 --> 00:51:01,280

loud and then

1399

00:51:05,109 --> 00:51:03,119

boom it's gone and it's like you're in a

1400

00:51:07,030 --> 00:51:05,119

bar and when the music's really played

1401
00:51:08,870 --> 00:51:07,040
and the music goes and you're screaming

1402
00:51:11,190 --> 00:51:08,880
well now i'm standing in the front room

1403
00:51:13,030 --> 00:51:11,200
but i'm looking back toward my bedroom

1404
00:51:14,549 --> 00:51:13,040
and my kids are on my right

1405
00:51:15,589 --> 00:51:14,559
and they're looking at me like really

1406
00:51:17,990 --> 00:51:15,599
bad

1407
00:51:19,190 --> 00:51:18,000
and uh they're in sleeping bags and

1408
00:51:21,510 --> 00:51:19,200
they're just there with their mouths

1409
00:51:24,230 --> 00:51:21,520
open watching me and i uh

1410
00:51:25,589 --> 00:51:24,240
i look at them and i think uh

1411
00:51:27,349 --> 00:51:25,599
i thought okay

1412
00:51:29,190 --> 00:51:27,359
then i hear my buddy and his wife

1413
00:51:30,790 --> 00:51:29,200

they're crying they're wailing i thought

1414

00:51:33,030 --> 00:51:30,800

maybe they got into a ball i don't know

1415

00:51:34,790 --> 00:51:33,040

usually with you know coppers if your

1416

00:51:37,030 --> 00:51:34,800

buddy's in another room he's gonna come

1417

00:51:39,030 --> 00:51:37,040

out he didn't come out so i asked him

1418

00:51:41,829 --> 00:51:39,040

twice if he's okay he goes i'm fine just

1419

00:51:44,150 --> 00:51:41,839

go to bed so then i thought okay i just

1420

00:51:46,309 --> 00:51:44,160

embarrassed myself in front of all my

1421

00:51:47,270 --> 00:51:46,319

friends and had a super graphic bad

1422

00:51:48,829 --> 00:51:47,280

drink

1423

00:51:51,750 --> 00:51:48,839

so then

1424

00:51:54,230 --> 00:51:51,760

um at that point uh

1425

00:51:55,990 --> 00:51:54,240

we just bing and i being kind of hit me

1426

00:51:58,390 --> 00:51:56,000

up about it like he can't tell people

1427

00:52:00,630 --> 00:51:58,400

you know we gotta go okay whatever so

1428

00:52:03,109 --> 00:52:00,640

i'm just assuming it was an embarrassing

1429

00:52:06,630 --> 00:52:03,119

moment for me so my son was 12. he goes

1430

00:52:08,950 --> 00:52:06,640

in the navy's uh uh he was uh a.z

1431

00:52:11,270 --> 00:52:08,960

and uh he comes home on leave he's 18.

1432

00:52:12,470 --> 00:52:11,280

he goes can i ask you a question i go

1433

00:52:14,390 --> 00:52:12,480

what's that because when those little

1434

00:52:15,990 --> 00:52:14,400

grey guys came in the cabin how can we

1435

00:52:18,309 --> 00:52:16,000

never talk about that

1436

00:52:20,790 --> 00:52:18,319

and i go you saw him too he goes well i

1437

00:52:23,430 --> 00:52:20,800

saw the big bolt of light that hit you

1438

00:52:25,829 --> 00:52:23,440

and um but he said sis has gone to

1439

00:52:28,549 --> 00:52:25,839

counseling and everything else she saw

1440

00:52:30,870 --> 00:52:28,559

mom saw but she was playing um

1441

00:52:33,030 --> 00:52:30,880

blossom because they scared her

1442

00:52:37,109 --> 00:52:33,040

and uh ben would still want to talk to

1443

00:52:40,549 --> 00:52:38,630

putting all that together i was trying

1444

00:52:41,510 --> 00:52:40,559

to think uh so bing

1445

00:52:43,270 --> 00:52:41,520

later

1446

00:52:45,030 --> 00:52:43,280

uh just before he died we're on the

1447

00:52:46,470 --> 00:52:45,040

beach down in

1448

00:52:49,030 --> 00:52:46,480

san diego i was down there for half

1449

00:52:51,510 --> 00:52:49,040

marathon he was down there for his uh

1450

00:52:54,230 --> 00:52:51,520

new newest grand baby so where the beach

1451
00:52:55,349 --> 00:52:54,240
sums it by that giggle that he goes like

1452
00:52:57,190 --> 00:52:55,359
you don't remember any of that he

1453
00:52:59,109 --> 00:52:57,200
doesn't remember all of it but you can't

1454
00:53:01,670 --> 00:52:59,119
tell people about this are jobs about

1455
00:53:03,990 --> 00:53:01,680
credibility and i'm like we're retired

1456
00:53:06,549 --> 00:53:04,000
because i don't care so uh

1457
00:53:08,150 --> 00:53:06,559
so then genie said his wife says all i

1458
00:53:10,150 --> 00:53:08,160
remember is sitting on the side of the

1459
00:53:11,670 --> 00:53:10,160
bed crying with a big bright white like

1460
00:53:12,710 --> 00:53:11,680
a landing light over me that's all i

1461
00:53:14,549 --> 00:53:12,720
remember

1462
00:53:16,630 --> 00:53:14,559
so um

1463
00:53:18,710 --> 00:53:16,640

so

1464

00:53:20,790 --> 00:53:18,720

when it comes to memories um that's why

1465

00:53:22,630 --> 00:53:20,800

i read uh that book uh forbidden

1466

00:53:24,150 --> 00:53:22,640

questions i've read books since i mean i

1467

00:53:26,710 --> 00:53:24,160

can't tell you how many books i've read

1468

00:53:28,710 --> 00:53:26,720

on this thing uh for many years i was

1469

00:53:30,790 --> 00:53:28,720

trying to sort out with the regression i

1470

00:53:31,990 --> 00:53:30,800

liked elon smith

1471

00:53:34,630 --> 00:53:32,000

uh

1472

00:53:35,910 --> 00:53:34,640

watching videos and because i was a

1473

00:53:38,950 --> 00:53:35,920

copper for

1474

00:53:41,030 --> 00:53:38,960

you know 25 years and i kind of read

1475

00:53:43,109 --> 00:53:41,040

people or i kind of wait and let it

1476

00:53:45,750 --> 00:53:43,119

settled in i kind of liked

1477

00:53:47,430 --> 00:53:45,760

talking to her but then again

1478

00:53:48,950 --> 00:53:47,440

i talked to my daughter i said do you

1479

00:53:50,950 --> 00:53:48,960

want to do something like that and she

1480

00:53:53,589 --> 00:53:50,960

does it i remember parts of it but if i

1481

00:53:55,589 --> 00:53:53,599

don't remember all of it my brain knows

1482

00:53:57,910 --> 00:53:55,599

what's best for me i don't want to i

1483

00:53:59,270 --> 00:53:57,920

don't want to deal with it anymore uh

1484

00:54:01,670 --> 00:53:59,280

and i don't want to do something like

1485

00:54:02,710 --> 00:54:01,680

that so then i tried to sort it out so

1486

00:54:05,510 --> 00:54:02,720

there

1487

00:54:07,430 --> 00:54:05,520

my wife's my this is my first wife her

1488

00:54:09,829 --> 00:54:07,440

father was a

1489

00:54:11,510 --> 00:54:09,839

minuteman missile he did patent advising

1490

00:54:12,630 --> 00:54:11,520

mechanical drawing he's a high-end

1491

00:54:15,430 --> 00:54:12,640

little guy

1492

00:54:17,589 --> 00:54:15,440

and uh then bing's family bing's half

1493

00:54:19,589 --> 00:54:17,599

cherokee he's a 300 pound guy he's good

1494

00:54:21,190 --> 00:54:19,599

for backup when he comes

1495

00:54:24,630 --> 00:54:21,200

when he comes charging it's going to

1496

00:54:26,309 --> 00:54:24,640

happen um so i'm thinking i know they

1497

00:54:27,510 --> 00:54:26,319

from reading they say they follow

1498

00:54:33,190 --> 00:54:27,520

families

1499

00:54:36,069 --> 00:54:33,200

thinking well maybe it's my wife's side

1500

00:54:37,829 --> 00:54:36,079

of the family because of uh the minimum

1501

00:54:40,230 --> 00:54:37,839

missile and

1502

00:54:41,829 --> 00:54:40,240

kids are extremely bright

1503

00:54:43,430 --> 00:54:41,839

and then maybe it's bank side because

1504

00:54:45,829 --> 00:54:43,440

he's american indian and he seems to

1505

00:54:47,750 --> 00:54:45,839

want to just kiss it right off so i

1506

00:54:50,390 --> 00:54:47,760

don't know but uh

1507

00:54:51,990 --> 00:54:50,400

that's what got me interested yeah

1508

00:54:54,230 --> 00:54:52,000

great by the way i don't think we're

1509

00:54:55,670 --> 00:54:54,240

supposed to say the word oh excuse

1510

00:54:56,470 --> 00:54:55,680

me that's okay

1511

00:54:58,789 --> 00:54:56,480

um

1512

00:55:01,190 --> 00:54:58,799

oh did i just say that all right sorry

1513

00:55:04,470 --> 00:55:01,200

um all right so we're going into break

1514

00:55:06,309 --> 00:55:04,480

for those of you over at kg r a radio uh

1515

00:55:08,549 --> 00:55:06,319

we have about a four minute break for

1516

00:55:11,430 --> 00:55:08,559

those of you watching uh check out this

1517

00:55:13,930 --> 00:55:11,440

clip on the boot camp going right now

1518

00:55:24,470 --> 00:55:13,940

hang in there we'll be right back

1519

00:55:36,870 --> 00:55:26,350

so

1520

00:55:43,910 --> 00:55:40,870

what not to do very very very important

1521

00:55:44,950 --> 00:55:43,920

do not be biased okay

1522

00:55:47,910 --> 00:55:44,960

um

1523

00:55:50,390 --> 00:55:47,920

don't go in an interview and think god

1524

00:55:52,470 --> 00:55:50,400

this guy or this gal

1525

00:55:53,430 --> 00:55:52,480

um this is going to be kind of a rep

1526

00:55:55,270 --> 00:55:53,440

case

1527

00:55:56,230 --> 00:55:55,280

uh i'm just going to go do what i have

1528

00:55:57,829 --> 00:55:56,240

to do

1529

00:55:59,270 --> 00:55:57,839

and

1530

00:56:01,349 --> 00:55:59,280

not even pay attention to it because

1531

00:56:03,829 --> 00:56:01,359

this is going to be perfect

1532

00:56:05,510 --> 00:56:03,839

don't be biased on that person

1533

00:56:11,349 --> 00:56:05,520

stay impartial

1534

00:56:15,349 --> 00:56:13,829

suggestibility

1535

00:56:17,109 --> 00:56:15,359

there are a lot of people and there are

1536

00:56:20,710 --> 00:56:17,119

some mental illnesses that really

1537

00:56:23,030 --> 00:56:20,720

increase this are highly successful

1538

00:56:24,789 --> 00:56:23,040

meaning that

1539

00:56:26,789 --> 00:56:24,799

they're impressionable

1540

00:56:28,870 --> 00:56:26,799

they'll take other people's viewpoints

1541

00:56:32,230 --> 00:56:28,880

into consideration and sometimes even to

1542

00:56:33,829 --> 00:56:32,240

the point of countering their own

1543

00:56:36,950 --> 00:56:33,839

memory out of

1544

00:56:39,829 --> 00:56:36,960

an event and then bias

1545

00:56:41,190 --> 00:56:39,839

this is basically after the fact

1546

00:56:44,069 --> 00:56:41,200

incorporating

1547

00:56:46,870 --> 00:56:44,079

new feelings new information and kind of

1548

00:56:47,670 --> 00:56:46,880

coloring and changing your memory

1549

00:56:49,750 --> 00:56:47,680

uh

1550

00:56:57,510 --> 00:56:49,760

based on things

1551
00:57:02,630 --> 00:57:00,549
if it costs money it's worth it you know

1552
00:57:03,910 --> 00:57:02,640
why it's because it does augmented

1553
00:57:05,750 --> 00:57:03,920
reality you pull it up and there's

1554
00:57:09,430 --> 00:57:05,760
others that do this but this one is

1555
00:57:11,589 --> 00:57:09,440
better and the reason is because

1556
00:57:14,950 --> 00:57:11,599
because this is what it looks like when

1557
00:57:17,430 --> 00:57:14,960
you zoom in and say orion okay you see

1558
00:57:19,910 --> 00:57:17,440
everything that's in that constellation

1559
00:57:21,190 --> 00:57:19,920
information okay and you can even

1560
00:57:23,670 --> 00:57:21,200
subscribe to something called

1561
00:57:26,630 --> 00:57:23,680
supermassive which allows you to zoom in

1562
00:57:29,109 --> 00:57:26,640
to the orion nebula so far that it's

1563
00:57:30,470 --> 00:57:29,119

just a pink haze you're so close you can

1564

00:57:33,349 --> 00:57:30,480

see everything

1565

00:57:38,069 --> 00:57:35,910

and in the desert you can step on any

1566

00:57:40,710 --> 00:57:38,079

piece of ground you're always going to

1567

00:57:42,309 --> 00:57:40,720

leave some evidence of your passing that

1568

00:57:44,549 --> 00:57:42,319

area

1569

00:57:46,230 --> 00:57:44,559

it could be just a pebble that's pushed

1570

00:57:47,349 --> 00:57:46,240

into the ground a little deeper than the

1571

00:57:49,349 --> 00:57:47,359

rest of it

1572

00:57:51,270 --> 00:57:49,359

could be a whole footprint or even a

1573

00:57:53,750 --> 00:57:51,280

heel mark

1574

00:57:56,309 --> 00:57:53,760

might be something really really small

1575

00:57:57,670 --> 00:57:56,319

but you have to be aware of them

1576

00:57:59,670 --> 00:57:57,680

and

1577

00:58:02,150 --> 00:57:59,680

in the case of hoaxes

1578

00:58:03,750 --> 00:58:02,160

this is going to come to the forefront

1579

00:58:06,230 --> 00:58:03,760

if you go around and you see this

1580

00:58:07,990 --> 00:58:06,240

evidence but you see footprints around

1581

00:58:11,670 --> 00:58:08,000

everything you're gonna start to wonder

1582

00:58:12,950 --> 00:58:11,680

is this stuff planted here

1583

00:58:14,630 --> 00:58:12,960

you know are they trying to make a

1584

00:58:19,610 --> 00:58:14,640

poodle out of me or are they trying to

1585

00:58:23,510 --> 00:58:19,620

gain some kind of notoriety or attention

1586

00:58:39,360 --> 00:58:23,520

[Applause]

1587

00:58:39,370 --> 00:59:09,030

[Music]

1588

00:59:14,309 --> 00:59:11,910

stand by martin coming back in three

1589

00:59:16,630 --> 00:59:14,319

two one go

1590

00:59:18,470 --> 00:59:16,640

all right everyone welcome back

1591

00:59:20,950 --> 00:59:18,480

this is martin willis and we are on

1592

00:59:22,309 --> 00:59:20,960

location in mesa

1593

00:59:24,470 --> 00:59:22,319

that's how you say it right yes you're

1594

00:59:25,990 --> 00:59:24,480

right you got it all right

1595

00:59:29,270 --> 00:59:26,000

so um again we're going to be taking

1596

00:59:31,750 --> 00:59:29,280

calls and another half hour and

1597

00:59:33,750 --> 00:59:31,760

uh i that was a

1598

00:59:36,309 --> 00:59:33,760

quite an amazing story you told there

1599

00:59:38,630 --> 00:59:36,319

and i wondered if anyone else had

1600

00:59:40,069 --> 00:59:38,640

anything they'd like to share

1601
00:59:42,390 --> 00:59:40,079
and

1602
00:59:44,150 --> 00:59:42,400
ufo sighting

1603
00:59:45,430 --> 00:59:44,160
experiences

1604
00:59:47,589 --> 00:59:45,440
yeah i know that

1605
00:59:50,069 --> 00:59:47,599
you know

1606
00:59:51,990 --> 00:59:50,079
i'm a science guy right so

1607
00:59:53,270 --> 00:59:52,000
i always say it's a sort of a standard

1608
00:59:54,789 --> 00:59:53,280
line you know these things don't happen

1609
00:59:56,870 --> 00:59:54,799
to me

1610
00:59:58,630 --> 00:59:56,880
right but when they do

1611
01:00:00,470 --> 00:59:58,640
uh what do you do with that

1612
01:00:02,230 --> 01:00:00,480
you know and so

1613
01:00:03,829 --> 01:00:02,240

i've had things happen that i can't

1614

01:00:05,990 --> 01:00:03,839

explain

1615

01:00:07,990 --> 01:00:06,000

things that are so far outside of my

1616

01:00:11,829 --> 01:00:08,000

understanding

1617

01:00:13,270 --> 01:00:11,839

that uh there's just

1618

01:00:14,470 --> 01:00:13,280

you just have to say

1619

01:00:16,470 --> 01:00:14,480

this happened

1620

01:00:17,349 --> 01:00:16,480

there it is i don't know what to do with

1621

01:00:20,309 --> 01:00:17,359

it

1622

01:00:22,390 --> 01:00:20,319

you know and i had uh

1623

01:00:24,230 --> 01:00:22,400

i had three nights of terror which

1624

01:00:25,510 --> 01:00:24,240

actually caused me to move out of my old

1625

01:00:26,470 --> 01:00:25,520

house

1626
01:00:27,270 --> 01:00:26,480
where

1627
01:00:29,510 --> 01:00:27,280
uh

1628
01:00:32,230 --> 01:00:29,520
i kept hearing something knocking you

1629
01:00:35,349 --> 01:00:33,750
on my ceiling

1630
01:00:37,910 --> 01:00:35,359
um in a

1631
01:00:40,630 --> 01:00:37,920
second floor of a dormant cape

1632
01:00:43,109 --> 01:00:40,640
and uh the end result was um

1633
01:00:45,510 --> 01:00:43,119
there was on the third night of that

1634
01:00:47,270 --> 01:00:45,520
i woke up and it was 3 15 a.m each and

1635
01:00:49,589 --> 01:00:47,280
every night every every morning i should

1636
01:00:53,349 --> 01:00:49,599
say 3 15 and i look at the clock it's 3

1637
01:00:57,030 --> 01:00:55,270
what's going on my dogs were looking at

1638
01:00:58,470 --> 01:00:57,040

it okay

1639

01:01:00,309 --> 01:00:58,480

they had greyhounds

1640

01:01:01,670 --> 01:01:00,319

tycoon kepler right astronomers dogs

1641

01:01:04,069 --> 01:01:01,680

they always say

1642

01:01:04,950 --> 01:01:04,079

and so they're looking at this too

1643

01:01:05,910 --> 01:01:04,960

and

1644

01:01:07,990 --> 01:01:05,920

um

1645

01:01:08,870 --> 01:01:08,000

you know to shorten that down to you

1646

01:01:10,470 --> 01:01:08,880

know

1647

01:01:13,109 --> 01:01:10,480

digestible

1648

01:01:14,549 --> 01:01:13,119

the bottom line was on the third night

1649

01:01:16,870 --> 01:01:14,559

i woke up again

1650

01:01:18,870 --> 01:01:16,880

and like oh here we go again and i as i

1651
01:01:19,750 --> 01:01:18,880
woke up i'm sitting there and i go to

1652
01:01:21,589 --> 01:01:19,760
look

1653
01:01:23,430 --> 01:01:21,599
it's an august night it's dark the

1654
01:01:24,950 --> 01:01:23,440
windows the window i could see the it

1655
01:01:26,390 --> 01:01:24,960
was peripheral vision i could see that

1656
01:01:28,150 --> 01:01:26,400
the light outside the window the street

1657
01:01:30,950 --> 01:01:28,160
light in the distance

1658
01:01:32,549 --> 01:01:30,960
vaguely illuminates the window frame

1659
01:01:34,630 --> 01:01:32,559
and i just

1660
01:01:36,789 --> 01:01:34,640
went to look at it and i got this really

1661
01:01:39,430 --> 01:01:36,799
sharp pain in my eyes i couldn't move my

1662
01:01:41,589 --> 01:01:39,440
my head and when i went up with my eyes

1663
01:01:43,430 --> 01:01:41,599

i couldn't move my eyes my eyes wouldn't

1664

01:01:45,430 --> 01:01:43,440

move i couldn't do this

1665

01:01:47,750 --> 01:01:45,440

you know they wouldn't work

1666

01:01:49,430 --> 01:01:47,760

and i thought whoa what's going on here

1667

01:01:50,950 --> 01:01:49,440

and then i saw it

1668

01:01:53,910 --> 01:01:50,960

this object passed in front of the

1669

01:01:56,309 --> 01:01:53,920

window and it looked like it had some

1670

01:01:59,029 --> 01:01:56,319

kind of more vertical than horizontal

1671

01:02:00,390 --> 01:01:59,039

form okay it was taller than it was wide

1672

01:02:03,589 --> 01:02:00,400

and then it starts coming right toward

1673

01:02:06,309 --> 01:02:03,599

me and it's got what looks like a

1674

01:02:08,230 --> 01:02:06,319

a magic wand a magician's wand right it

1675

01:02:11,190 --> 01:02:08,240

was this long thing

1676
01:02:12,470 --> 01:02:11,200
that was clear semi-clear and glowing

1677
01:02:14,470 --> 01:02:12,480
soft white

1678
01:02:15,750 --> 01:02:14,480
and i couldn't look at it because i was

1679
01:02:16,950 --> 01:02:15,760
fixed like this my eyes were like this

1680
01:02:19,270 --> 01:02:16,960
so i only see everything in the

1681
01:02:20,710 --> 01:02:19,280
peripheral vision i couldn't look at it

1682
01:02:22,150 --> 01:02:20,720
so it comes over here and starts going

1683
01:02:24,630 --> 01:02:22,160
back and forth in front of my face and

1684
01:02:26,230 --> 01:02:24,640
then wow it's morning

1685
01:02:29,510 --> 01:02:26,240
and i can't breathe

1686
01:02:31,349 --> 01:02:29,520
and just just let me just so it sounded

1687
01:02:33,589 --> 01:02:31,359
like we first started talking about this

1688
01:02:36,470 --> 01:02:33,599

that it was outside was this inside your

1689

01:02:38,789 --> 01:02:36,480

home it was inside inside yeah yeah the

1690

01:02:39,510 --> 01:02:38,799

knockout was illuminating the windows

1691

01:02:41,190 --> 01:02:39,520

yeah

1692

01:02:43,029 --> 01:02:41,200

he passed in front of the window inside

1693

01:02:45,029 --> 01:02:43,039

my house so i saw something pass in

1694

01:02:47,270 --> 01:02:45,039

front of the window i got it and i was

1695

01:02:49,029 --> 01:02:47,280

in bed at least i thought

1696

01:02:51,589 --> 01:02:49,039

but then it came toward me as if the bed

1697

01:02:54,069 --> 01:02:51,599

wasn't there and and i've always said

1698

01:02:55,910 --> 01:02:54,079

could it be a wacky dream or maybe but

1699

01:02:58,069 --> 01:02:55,920

the problem with that

1700

01:02:59,270 --> 01:02:58,079

is as follows when i woke up in the

1701

01:03:00,950 --> 01:02:59,280

morning

1702

01:03:03,029 --> 01:03:00,960

uh i pushed off the pillow because i

1703

01:03:04,710 --> 01:03:03,039

couldn't breathe and i was lying in a

1704

01:03:06,549 --> 01:03:04,720

pool of my own blood

1705

01:03:08,630 --> 01:03:06,559

it was a i had who sleeps with their

1706

01:03:09,750 --> 01:03:08,640

face straight down on a pillow you know

1707

01:03:11,349 --> 01:03:09,760

nobody

1708

01:03:13,750 --> 01:03:11,359

you sleep on your side or on your back

1709

01:03:15,750 --> 01:03:13,760

or whatever but i was straight down

1710

01:03:17,029 --> 01:03:15,760

and making this concave hole i had been

1711

01:03:19,190 --> 01:03:17,039

bleeding into it and then trying to

1712

01:03:20,470 --> 01:03:19,200

inhale my own blood so that's what made

1713

01:03:22,950 --> 01:03:20,480

me wake up

1714

01:03:24,630 --> 01:03:22,960

so i realized that and i was like holy

1715

01:03:26,470 --> 01:03:24,640

cow and this is after three nights of

1716

01:03:29,029 --> 01:03:26,480

hearing the sound and weird stuff going

1717

01:03:31,190 --> 01:03:29,039

on so then

1718

01:03:32,630 --> 01:03:31,200

i got up felt like i'd been slammed in

1719

01:03:34,390 --> 01:03:32,640

the face couldn't breathe out of this

1720

01:03:35,349 --> 01:03:34,400

side right away right from that break

1721

01:03:37,510 --> 01:03:35,359

point

1722

01:03:39,029 --> 01:03:37,520

and i did what anyone who suffers such a

1723

01:03:41,349 --> 01:03:39,039

traumatic thing does

1724

01:03:43,109 --> 01:03:41,359

i immediately forgot about it bashar

1725

01:03:45,109 --> 01:03:43,119

went to work

1726

01:03:45,910 --> 01:03:45,119

right

1727

01:03:47,750 --> 01:03:45,920

well

1728

01:03:50,230 --> 01:03:47,760

it took me four years

1729

01:03:51,750 --> 01:03:50,240

of full blockage on this side before i

1730

01:03:53,349 --> 01:03:51,760

went to a surgeon

1731

01:03:55,510 --> 01:03:53,359

and the surgeon looked up in there and

1732

01:03:57,430 --> 01:03:55,520

he said holy cow he says you've got

1733

01:03:58,630 --> 01:03:57,440

something huge up there

1734

01:03:59,750 --> 01:03:58,640

really

1735

01:04:02,150 --> 01:03:59,760

yeah

1736

01:04:04,069 --> 01:04:02,160

so he said i think i can get it out

1737

01:04:06,150 --> 01:04:04,079

and he pulled it through this little

1738

01:04:08,630 --> 01:04:06,160

tiny nostril it was like two sizes two

1739

01:04:11,190 --> 01:04:08,640

thumbs in size okay which is and that's

1740

01:04:12,470 --> 01:04:11,200

gross and then it's just well it was

1741

01:04:14,150 --> 01:04:12,480

like you know

1742

01:04:15,430 --> 01:04:14,160

i always say this like total recall with

1743

01:04:17,670 --> 01:04:15,440

arnold schwarzenegger pulling that ball

1744

01:04:19,510 --> 01:04:17,680

out of that you get it out yeah

1745

01:04:20,870 --> 01:04:19,520

he pulls this thing out right and it

1746

01:04:23,109 --> 01:04:20,880

just feels that the nostril just

1747

01:04:25,589 --> 01:04:23,119

stretches and it pops out you know

1748

01:04:26,390 --> 01:04:25,599

well that's how it felt okay it was

1749

01:04:29,190 --> 01:04:26,400

gross

1750

01:04:31,589 --> 01:04:29,200

well anyway um i asked him a question i

1751
01:04:32,870 --> 01:04:31,599
said look i'm just curious could those

1752
01:04:34,470 --> 01:04:32,880
things

1753
01:04:36,789 --> 01:04:34,480
seed

1754
01:04:38,789 --> 01:04:36,799
around a foreign object

1755
01:04:41,910 --> 01:04:38,799
and he said you mean like a metal

1756
01:04:44,309 --> 01:04:41,920
splinter a machinist might get i go yes

1757
01:04:47,109 --> 01:04:44,319
he said sure why do you ask

1758
01:04:48,870 --> 01:04:47,119
an idiot here that's me

1759
01:04:49,829 --> 01:04:48,880
told him the story i just sort of told

1760
01:04:51,829 --> 01:04:49,839
you

1761
01:04:53,510 --> 01:04:51,839
and he laughs oh he goes i'm sure it's

1762
01:04:54,870 --> 01:04:53,520
not aliens and i really was kind of

1763
01:04:56,870 --> 01:04:54,880

surprised that he jumped to that

1764

01:04:58,950 --> 01:04:56,880

conclusion i said no of course not i

1765

01:05:01,029 --> 01:04:58,960

wouldn't think that well i did

1766

01:05:02,549 --> 01:05:01,039

you know i wasn't sure

1767

01:05:04,549 --> 01:05:02,559

and then a week later he said call me

1768

01:05:05,270 --> 01:05:04,559

i'll give you the results i call them

1769

01:05:09,349 --> 01:05:05,280

and

1770

01:05:10,950 --> 01:05:09,359

this is marc d'antonio hold on the

1771

01:05:13,349 --> 01:05:10,960

doctor has to talk to you

1772

01:05:14,549 --> 01:05:13,359

like oh no it's like head cancer or

1773

01:05:16,150 --> 01:05:14,559

something that's kind of my head's going

1774

01:05:18,069 --> 01:05:16,160

to fall off you know

1775

01:05:19,270 --> 01:05:18,079

he gets on the phone hey mr antonio just

1776

01:05:21,349 --> 01:05:19,280

won't let you know

1777

01:05:23,109 --> 01:05:21,359

i'm sure it's benign

1778

01:05:26,069 --> 01:05:23,119

oh i said so you didn't get the results

1779

01:05:28,470 --> 01:05:26,079

yet it's like

1780

01:05:29,510 --> 01:05:28,480

it's like you know was that a qriket yes

1781

01:05:31,750 --> 01:05:29,520

okay

1782

01:05:33,910 --> 01:05:31,760

and i'm saying like why why are you not

1783

01:05:34,710 --> 01:05:33,920

answering and i said

1784

01:05:37,029 --> 01:05:34,720

what

1785

01:05:38,150 --> 01:05:37,039

did you not get the results yet he goes

1786

01:05:40,630 --> 01:05:38,160

well

1787

01:05:43,029 --> 01:05:40,640

he goes this has not happened

1788

01:05:45,109 --> 01:05:43,039

in 40 years of practice they always say

1789

01:05:46,710 --> 01:05:45,119

that why why me why does that be 40

1790

01:05:47,750 --> 01:05:46,720

years of practice and to me

1791

01:05:51,109 --> 01:05:47,760

he goes

1792

01:05:54,069 --> 01:05:51,119

but we sent it to pathology they signed

1793

01:05:55,190 --> 01:05:54,079

for it and now they can't find it

1794

01:05:57,670 --> 01:05:55,200

wow

1795

01:06:00,309 --> 01:05:57,680

yes but it's benign and i just said okay

1796

01:06:01,750 --> 01:06:00,319

no problem thanks doc hung up four years

1797

01:06:04,470 --> 01:06:01,760

later i go back to him for something

1798

01:06:07,029 --> 01:06:04,480

else and this time i put on my my intake

1799

01:06:08,549 --> 01:06:07,039

form i do special projects for the navy

1800

01:06:10,309 --> 01:06:08,559

okay and

1801

01:06:11,910 --> 01:06:10,319

when he comes into the room

1802

01:06:14,069 --> 01:06:11,920

uh he says oh special projects for the

1803

01:06:16,630 --> 01:06:14,079

navy hi he goes i just gave up my top

1804

01:06:19,510 --> 01:06:16,640

secret clearance this year uh

1805

01:06:22,069 --> 01:06:19,520

what i said what are you operating on

1806

01:06:24,069 --> 01:06:22,079

top secret nasal things we wanted any

1807

01:06:26,710 --> 01:06:24,079

last no no no he goes i wasn't always a

1808

01:06:29,029 --> 01:06:26,720

surgeon and he proceeded to tell me

1809

01:06:30,870 --> 01:06:29,039

about his involvement in a project which

1810

01:06:34,069 --> 01:06:30,880

he didn't give me the name but which i

1811

01:06:35,910 --> 01:06:34,079

deduced to be project starfish

1812

01:06:36,950 --> 01:06:35,920

now do you know about project starfish

1813

01:06:39,829 --> 01:06:36,960

have you heard of it it's the one where

1814

01:06:42,309 --> 01:06:39,839

they they sent a nuclear weapon up into

1815

01:06:43,750 --> 01:06:42,319

the ionosphere to just to ostensibly

1816

01:06:46,069 --> 01:06:43,760

study what happens when the nuclear

1817

01:06:48,630 --> 01:06:46,079

weapon explodes in the upper ionosphere

1818

01:06:50,150 --> 01:06:48,640

but he he laughed when i said that okay

1819

01:06:50,950 --> 01:06:50,160

to him when he said it to me and i said

1820

01:06:52,710 --> 01:06:50,960

well

1821

01:06:54,230 --> 01:06:52,720

i said that sounds like project starfish

1822

01:06:56,069 --> 01:06:54,240

i mean that that that project lit up

1823

01:06:59,190 --> 01:06:56,079

honolulu for a split second when they

1824

01:07:02,309 --> 01:06:59,200

set it off and it was 1600 miles away

1825

01:07:05,270 --> 01:07:02,319

and he goes uh-huh he goes

1826

01:07:07,829 --> 01:07:05,280

well it it wasn't to test the nuke

1827

01:07:09,349 --> 01:07:07,839

it was to take down the satellite

1828

01:07:11,190 --> 01:07:09,359

which they did and he said it was

1829

01:07:13,750 --> 01:07:11,200

successful and he was responsible for

1830

01:07:15,670 --> 01:07:13,760

some major part of that and he held on

1831

01:07:16,710 --> 01:07:15,680

to his clearance for decades and was a

1832

01:07:17,750 --> 01:07:16,720

consultant

1833

01:07:20,150 --> 01:07:17,760

so

1834

01:07:22,309 --> 01:07:20,160

he had just given it up that year and

1835

01:07:23,910 --> 01:07:22,319

now i know exactly what happened

1836

01:07:25,190 --> 01:07:23,920

i know exactly what happened well almost

1837

01:07:26,309 --> 01:07:25,200

everybody listening knows exactly what

1838

01:07:28,230 --> 01:07:26,319

happened

1839

01:07:30,390 --> 01:07:28,240

when you have a clearance you have to

1840

01:07:32,630 --> 01:07:30,400

report anything that may jeopardize

1841

01:07:35,910 --> 01:07:32,640

national security to

1842

01:07:39,510 --> 01:07:35,920

you or whoever you communicate with okay

1843

01:07:41,190 --> 01:07:39,520

and so you have to say um yes

1844

01:07:42,630 --> 01:07:41,200

this happened and so-and-so had this

1845

01:07:43,750 --> 01:07:42,640

happen and maybe he might be interested

1846

01:07:45,190 --> 01:07:43,760

in this

1847

01:07:46,470 --> 01:07:45,200

i know how the conversation went i could

1848

01:07:48,549 --> 01:07:46,480

just feel it

1849

01:07:50,710 --> 01:07:48,559

he probably called whoever he talks to

1850

01:07:52,710 --> 01:07:50,720

whoever his local person is for

1851
01:07:54,390 --> 01:07:52,720
intelligence and he says yeah i had a

1852
01:07:56,710 --> 01:07:54,400
patient who said this weird thing

1853
01:07:58,549 --> 01:07:56,720
happened to him you know it is a strange

1854
01:07:59,430 --> 01:07:58,559
object but i don't know if i believe

1855
01:08:01,270 --> 01:07:59,440
them

1856
01:08:03,029 --> 01:08:01,280
okay what's the patient's name uh-huh

1857
01:08:04,549 --> 01:08:03,039
hospital or huh and where's it located

1858
01:08:06,710 --> 01:08:04,559
there's where it's located

1859
01:08:08,950 --> 01:08:06,720
and that's why it went away

1860
01:08:10,710 --> 01:08:08,960
and now you see that doctor has

1861
01:08:12,230 --> 01:08:10,720
plausible deniability

1862
01:08:14,309 --> 01:08:12,240
under a polygraph

1863
01:08:17,269 --> 01:08:14,319

which i've had many of

1864

01:08:19,829 --> 01:08:17,279

under a polygraph exam he would not be

1865

01:08:21,030 --> 01:08:19,839

telling a lie if he said he didn't know

1866

01:08:22,630 --> 01:08:21,040

where it went

1867

01:08:24,309 --> 01:08:22,640

he'd be truthful he wouldn't be

1868

01:08:26,789 --> 01:08:24,319

deceptive

1869

01:08:28,149 --> 01:08:26,799

so we see they that they cover all along

1870

01:08:30,630 --> 01:08:28,159

the way they have those little those

1871

01:08:32,630 --> 01:08:30,640

little outs for people who are in

1872

01:08:34,390 --> 01:08:32,640

innocent so he's out he has no knowledge

1873

01:08:35,590 --> 01:08:34,400

of where it went he sent it down a

1874

01:08:38,709 --> 01:08:35,600

pathology

1875

01:08:40,709 --> 01:08:38,719

and it wasn't there a week later now was

1876

01:08:42,070 --> 01:08:40,719

that tapping happening upstairs at the

1877

01:08:42,870 --> 01:08:42,080

same time

1878

01:08:44,870 --> 01:08:42,880

that

1879

01:08:46,550 --> 01:08:44,880

um the

1880

01:08:47,990 --> 01:08:46,560

the door opened

1881

01:08:49,349 --> 01:08:48,000

you talked about that story i don't know

1882

01:08:51,110 --> 01:08:49,359

if you want to talk about that story or

1883

01:08:52,789 --> 01:08:51,120

not like you went and you looked in the

1884

01:08:54,390 --> 01:08:52,799

attic door was open

1885

01:08:55,990 --> 01:08:54,400

well that's a very different event that

1886

01:08:58,390 --> 01:08:56,000

was um

1887

01:09:00,070 --> 01:08:58,400

this see this now we're talking about uh

1888

01:09:02,070 --> 01:09:00,080

familial things

1889

01:09:03,430 --> 01:09:02,080

right where you have families involved

1890

01:09:05,829 --> 01:09:03,440

yeah so you really want to talk about

1891

01:09:07,430 --> 01:09:05,839

that yeah that's that's a weird one okay

1892

01:09:10,149 --> 01:09:07,440

it was two in the morning and i woke up

1893

01:09:12,070 --> 01:09:10,159

because i heard little feet in my attic

1894

01:09:13,430 --> 01:09:12,080

it sounded like my youngest son walking

1895

01:09:14,390 --> 01:09:13,440

around in the attic

1896

01:09:16,470 --> 01:09:14,400

okay

1897

01:09:18,789 --> 01:09:16,480

and you could follow with your ears you

1898

01:09:20,390 --> 01:09:18,799

could follow the sound across the attic

1899

01:09:21,590 --> 01:09:20,400

floor and then you can hear the grinding

1900

01:09:23,110 --> 01:09:21,600

as you turn the ball of his foot and

1901

01:09:24,630 --> 01:09:23,120

went a different direction and he's

1902

01:09:27,110 --> 01:09:24,640

moving around like little pitter patter

1903

01:09:31,749 --> 01:09:27,120

it wasn't like

1904

01:09:36,950 --> 01:09:35,669

you could actually feel it hear it okay

1905

01:09:38,550 --> 01:09:36,960

so

1906

01:09:40,709 --> 01:09:38,560

i said what are my kids doing in the

1907

01:09:41,990 --> 01:09:40,719

attic so i went into their room turned

1908

01:09:43,590 --> 01:09:42,000

on their light

1909

01:09:45,189 --> 01:09:43,600

ready to find out that one of my kids

1910

01:09:47,269 --> 01:09:45,199

was up in the attic

1911

01:09:48,789 --> 01:09:47,279

which is hard to get to by the way

1912

01:09:50,149 --> 01:09:48,799

and they were both asleep

1913

01:09:53,510 --> 01:09:50,159

uh oh

1914

01:09:55,590 --> 01:09:53,520

there's somebody in my attic this is a a

1915

01:09:57,590 --> 01:09:55,600

a carriage house

1916

01:09:59,030 --> 01:09:57,600

style house that that would constitute

1917

01:10:00,870 --> 01:09:59,040

the the uh

1918

01:10:03,189 --> 01:10:00,880

one two three fourth floor

1919

01:10:05,189 --> 01:10:03,199

okay up in the attic and to get there

1920

01:10:08,390 --> 01:10:05,199

you got to climb a steep ladder take a

1921

01:10:10,229 --> 01:10:08,400

giant heavy wood door off to go into

1922

01:10:11,990 --> 01:10:10,239

this space which you you know put your

1923

01:10:13,830 --> 01:10:12,000

head you know stand up in

1924

01:10:15,510 --> 01:10:13,840

so i immediately called the police

1925

01:10:17,110 --> 01:10:15,520

and i told them what i'm experiencing

1926

01:10:19,669 --> 01:10:17,120

and they know the kind of work i was

1927

01:10:21,590 --> 01:10:19,679

doing for the navy so as soon as i hung

1928

01:10:22,950 --> 01:10:21,600

up you see blue lights on the horizon

1929

01:10:24,630 --> 01:10:22,960

through the window so they're already

1930

01:10:25,590 --> 01:10:24,640

coming and they i told them silent

1931

01:10:27,430 --> 01:10:25,600

approach

1932

01:10:29,590 --> 01:10:27,440

because i don't know who's up there

1933

01:10:32,149 --> 01:10:29,600

and they got here and it was a male and

1934

01:10:33,510 --> 01:10:32,159

a female police officer and they walked

1935

01:10:35,350 --> 01:10:33,520

in the house

1936

01:10:37,270 --> 01:10:35,360

and i greet them and come upstairs and

1937

01:10:39,270 --> 01:10:37,280

now we're standing in the room looking

1938

01:10:41,030 --> 01:10:39,280

at this ladder going up to the door to

1939

01:10:42,390 --> 01:10:41,040

the attic which is closed

1940

01:10:43,590 --> 01:10:42,400

okay

1941

01:10:45,910 --> 01:10:43,600

and

1942

01:10:48,229 --> 01:10:45,920

the mail officer looks at the female

1943

01:10:49,430 --> 01:10:48,239

officer looks at me and says

1944

01:10:51,750 --> 01:10:49,440

why

1945

01:10:54,390 --> 01:10:51,760

seems okay and i'm like yeah i think

1946

01:10:55,910 --> 01:10:54,400

it's okay and they left

1947

01:10:58,790 --> 01:10:55,920

not one of us decided to go up into the

1948

01:11:01,270 --> 01:10:58,800

attic to investigate the sound

1949

01:11:03,189 --> 01:11:01,280

and that made no sense to me right

1950

01:11:04,390 --> 01:11:03,199

now the following morning

1951

01:11:06,149 --> 01:11:04,400

i get up

1952

01:11:07,990 --> 01:11:06,159

and i'm hearing noise up there again i

1953

01:11:09,830 --> 01:11:08,000

go what is going on i go around the

1954

01:11:12,070 --> 01:11:09,840

corner i see that my youngest son is not

1955

01:11:12,870 --> 01:11:12,080

in his bed i go around the corner to the

1956

01:11:15,669 --> 01:11:12,880

room

1957

01:11:18,149 --> 01:11:15,679

i look up the stairs the door is open

1958

01:11:19,830 --> 01:11:18,159

i run up there and he's on the floor

1959

01:11:21,189 --> 01:11:19,840

sitting there

1960

01:11:24,550 --> 01:11:21,199

i go hunter what are you doing in here

1961

01:11:29,189 --> 01:11:27,430

and i was like whoa no so i

1962

01:11:32,070 --> 01:11:29,199

what so there's

1963

01:11:34,709 --> 01:11:32,080

and that's that's the son who said that

1964

01:11:36,870 --> 01:11:34,719

um he had a weird account that's why he

1965

01:11:38,310 --> 01:11:36,880

was sleeping in the bed in our there's

1966

01:11:41,189 --> 01:11:38,320

no way that he could have lifted that

1967

01:11:44,950 --> 01:11:42,550

that's the thing i think he could have

1968

01:11:46,550 --> 01:11:44,960

but but i don't know that he knows why

1969

01:11:47,750 --> 01:11:46,560

he went there

1970

01:11:49,590 --> 01:11:47,760

you know and he won't talk about it by

1971

01:11:50,470 --> 01:11:49,600

the way he's 23 now he won't talk about

1972

01:11:52,870 --> 01:11:50,480

this

1973

01:11:55,350 --> 01:11:52,880

you know so and so that

1974

01:11:59,030 --> 01:11:55,360

it follows family around i think

1975

01:12:00,630 --> 01:11:59,040

you know but uh i i respect his

1976

01:12:01,910 --> 01:12:00,640

privacy and not telling other stories

1977

01:12:03,270 --> 01:12:01,920

that happened to him because that's just

1978

01:12:05,590 --> 01:12:03,280

really

1979

01:12:07,750 --> 01:12:05,600

crazy you know it's when you have such

1980

01:12:09,990 --> 01:12:07,760

detailed

1981

01:12:12,310 --> 01:12:10,000

most amazing stories i've ever heard

1982

01:12:13,590 --> 01:12:12,320

where most of us have had ufo sightings

1983

01:12:15,110 --> 01:12:13,600

and the weird thing about them is that

1984

01:12:17,030 --> 01:12:15,120

they're just so quick

1985

01:12:18,470 --> 01:12:17,040

right they're like this that you almost

1986

01:12:20,149 --> 01:12:18,480

doubt like

1987

01:12:21,990 --> 01:12:20,159

what was that because i've had weird

1988

01:12:22,950 --> 01:12:22,000

i've had a sighting that literally

1989

01:12:25,590 --> 01:12:22,960

lasted

1990

01:12:27,430 --> 01:12:25,600

probably one and a half seconds yeah

1991

01:12:29,430 --> 01:12:27,440

in the daylight going down the street

1992

01:12:31,430 --> 01:12:29,440

and then all of a sudden i saw something

1993

01:12:32,630 --> 01:12:31,440

falling out of the side like it looked

1994

01:12:35,270 --> 01:12:32,640

exactly like

1995

01:12:37,430 --> 01:12:35,280

a disc a shiny disc going like that you

1996

01:12:39,669 --> 01:12:37,440

know how it would go end over and

1997

01:12:41,270 --> 01:12:39,679

like and and i thought it was going to

1998

01:12:43,189 --> 01:12:41,280

crash i mean it was

1999

01:12:44,870 --> 01:12:43,199

not that far and it was like a whole you

2000

01:12:47,189 --> 01:12:44,880

know row or the street was full of

2001

01:12:48,709 --> 01:12:47,199

traffic and i was like i saw it oh my

2002

01:12:50,790 --> 01:12:48,719

god and then i thought it was a crash

2003

01:12:51,910 --> 01:12:50,800

and then it it was gone

2004

01:12:54,470 --> 01:12:51,920

it was like you could see it for about

2005

01:12:56,229 --> 01:12:54,480

three rotations and nothing well yes and

2006

01:12:57,590 --> 01:12:56,239

it was so quick and i'm looking around

2007

01:12:59,030 --> 01:12:57,600

at the other cars to see if anyone else

2008

01:13:00,390 --> 01:12:59,040

was looking it doesn't seem like anyone

2009

01:13:03,350 --> 01:13:00,400

did but

2010

01:13:04,950 --> 01:13:03,360

things happen like that but

2011

01:13:06,070 --> 01:13:04,960

see that's the thing though see that's a

2012

01:13:08,070 --> 01:13:06,080

quick thing

2013

01:13:10,229 --> 01:13:08,080

if something is distended and drawn out

2014

01:13:12,470 --> 01:13:10,239

you tend to remember oh yeah and if you

2015

01:13:14,950 --> 01:13:12,480

if you're already a good observer like i

2016

01:13:16,870 --> 01:13:14,960

was always a good observer always

2017

01:13:18,390 --> 01:13:16,880

situationally aware i always knew what's

2018

01:13:19,510 --> 01:13:18,400

going on around me and we call it social

2019

01:13:21,030 --> 01:13:19,520

radar

2020

01:13:22,149 --> 01:13:21,040

maybe that comes from martial arts

2021

01:13:23,910 --> 01:13:22,159

background i don't know what you want to

2022

01:13:26,630 --> 01:13:23,920

call it but it does come from having

2023

01:13:28,390 --> 01:13:26,640

some kind of awareness at all times

2024

01:13:29,669 --> 01:13:28,400

so i was always a good observer that way

2025

01:13:30,870 --> 01:13:29,679

and i think that's very important

2026

01:13:33,110 --> 01:13:30,880

everybody should be

2027

01:13:34,950 --> 01:13:33,120

you know but if it was quick i think i

2028

01:13:37,270 --> 01:13:34,960

would have said the same observation as

2029

01:13:39,350 --> 01:13:37,280

you and i just recently remembered a ufo

2030

01:13:41,030 --> 01:13:39,360

signing that's just so

2031

01:13:43,430 --> 01:13:41,040

mundane that you don't even think about

2032

01:13:47,110 --> 01:13:43,440

it as yoga it was like in the

2033

01:13:49,510 --> 01:13:47,120

fifth grade we on the playground and

2034

01:13:51,110 --> 01:13:49,520

there's a ufo there's ufo and so we were

2035

01:13:52,790 --> 01:13:51,120

all trying to see it it was just like i

2036

01:13:54,229 --> 01:13:52,800

would probably call it a cigar shape it

2037

01:13:56,390 --> 01:13:54,239

was a dark

2038

01:13:57,910 --> 01:13:56,400

elongated object in the sky we were all

2039

01:13:59,750 --> 01:13:57,920

just looking it was just sitting there

2040

01:14:01,990 --> 01:13:59,760

far away but you could see it and you

2041

01:14:04,149 --> 01:14:02,000

know normally there's not anything dark

2042

01:14:06,149 --> 01:14:04,159

in the sky you can see in the day and

2043

01:14:07,669 --> 01:14:06,159

then we just i just kept remember going

2044

01:14:08,950 --> 01:14:07,679

after school looking at it and it's

2045

01:14:11,189 --> 01:14:08,960

still there

2046

01:14:13,110 --> 01:14:11,199

and it was and then

2047

01:14:15,110 --> 01:14:13,120

that was it you know next day it wasn't

2048

01:14:15,990 --> 01:14:15,120

there and we all kind of talked about it

2049

01:14:17,430 --> 01:14:16,000

but

2050

01:14:19,590 --> 01:14:17,440

just weird little

2051

01:14:22,149 --> 01:14:19,600

things that you can forget because

2052

01:14:22,870 --> 01:14:22,159

it wasn't um you know an amazing thing

2053

01:14:24,310 --> 01:14:22,880

but

2054

01:14:25,830 --> 01:14:24,320

i mean that just came to me not that

2055

01:14:28,070 --> 01:14:25,840

long ago wow

2056

01:14:29,830 --> 01:14:28,080

let's see at a playground a bit just a

2057

01:14:31,350 --> 01:14:29,840

dark object and i was like well i don't

2058

01:14:34,310 --> 01:14:31,360

know that

2059

01:14:36,950 --> 01:14:34,320

not much to it but

2060

01:14:39,110 --> 01:14:36,960

that was in uh

2061

01:14:40,310 --> 01:14:39,120

and what year was this thing i don't

2062

01:14:43,110 --> 01:14:40,320

know uh

2063

01:14:44,470 --> 01:14:43,120

fifth grade

2064

01:14:46,950 --> 01:14:44,480

interesting

2065

01:14:49,030 --> 01:14:46,960

you're asking her what her age is

2066

01:14:50,709 --> 01:14:49,040

i don't like telling my age

2067

01:14:53,350 --> 01:14:50,719

i can't do math

2068

01:14:54,630 --> 01:14:53,360

but i don't know 4063 so

2069

01:15:01,910 --> 01:14:54,640

how old are you in

2070

01:15:07,510 --> 01:15:03,590

see that's funny just like did you

2071

01:15:11,189 --> 01:15:08,950

i didn't know this is the funny thing i

2072

01:15:13,590 --> 01:15:11,199

did not know they would move on or they

2073

01:15:16,709 --> 01:15:13,600

would move on of course any ufo group

2074

01:15:17,669 --> 01:15:16,719

sure until 2011 and i didn't know it was

2075

01:15:20,709 --> 01:15:17,679

groups i didn't know there was

2076

01:15:22,390 --> 01:15:20,719

conferences yeah yeah

2077

01:15:24,550 --> 01:15:22,400

i joined

2078

01:15:27,830 --> 01:15:24,560

two years after it was founded in 1971

2079

01:15:29,350 --> 01:15:27,840

that's so crazy i was 11 years old 11.

2080

01:15:30,790 --> 01:15:29,360

i mean back then there's no internet you

2081

01:15:32,390 --> 01:15:30,800

would have to like go to a store i went

2082

01:15:33,990 --> 01:15:32,400

through a store i saw a little in the

2083

01:15:35,669 --> 01:15:34,000

back of the magazine

2084

01:15:37,590 --> 01:15:35,679

not that it was actually a little a

2085

01:15:40,310 --> 01:15:37,600

little little thing on the wall that

2086

01:15:41,270 --> 01:15:40,320

said join mufon today with midwest ufo

2087

01:15:43,510 --> 01:15:41,280

group

2088

01:15:45,750 --> 01:15:43,520

okay it wasn't mutual ufo network it was

2089

01:15:48,390 --> 01:15:45,760

midwest ufo network or something have

2090

01:15:50,390 --> 01:15:48,400

you paid all your dues no no

2091

01:15:53,270 --> 01:15:50,400

well i did have my field investigator

2092

01:15:55,430 --> 01:15:53,280

badge not from when i was 11 years old i

2093

01:15:57,430 --> 01:15:55,440

carried my wallet every single new

2094

01:15:59,590 --> 01:15:57,440

wallet it would transfer it and i

2095

01:16:01,669 --> 01:15:59,600

dropped that wallet in the water about

2096

01:16:03,830 --> 01:16:01,679

six years ago seven years ago

2097

01:16:06,070 --> 01:16:03,840

and when i pulled it out i said oh good

2098

01:16:07,750 --> 01:16:06,080

the move fun my move on idea is still in

2099

01:16:09,189 --> 01:16:07,760

i could care less about the money that's

2100

01:16:11,750 --> 01:16:09,199

all wet now everything but that was

2101
01:16:13,510 --> 01:16:11,760
there so i just made sure that the money

2102
01:16:15,430 --> 01:16:13,520
dried out and i didn't do anything with

2103
01:16:16,709 --> 01:16:15,440
that when i looked in that transparent

2104
01:16:18,550 --> 01:16:16,719
little pouch

2105
01:16:21,669 --> 01:16:18,560
it had long since dissolved and all that

2106
01:16:24,790 --> 01:16:21,679
was was an imprint on the plastic of my

2107
01:16:27,270 --> 01:16:24,800
ideas oh no it's gone it's been gone for

2108
01:16:29,189 --> 01:16:27,280
years you know you mentioned that see

2109
01:16:31,430 --> 01:16:29,199
that thing in fifth grade

2110
01:16:33,990 --> 01:16:31,440
i think kids have these these things too

2111
01:16:36,310 --> 01:16:34,000
i i was in sixth grade and we were going

2112
01:16:38,950 --> 01:16:36,320
on a field trip to a pond

2113
01:16:41,030 --> 01:16:38,960

you might know the story and and

2114

01:16:42,390 --> 01:16:41,040

i didn't know what missing time was

2115

01:16:44,149 --> 01:16:42,400

until

2116

01:16:45,189 --> 01:16:44,159

it happened to me

2117

01:16:47,270 --> 01:16:45,199

i remember

2118

01:16:49,189 --> 01:16:47,280

i've said this before i got on the bus

2119

01:16:51,270 --> 01:16:49,199

with my little bag lunch my little

2120

01:16:52,870 --> 01:16:51,280

shorts it was it was like june

2121

01:16:54,950 --> 01:16:52,880

i was holding like this

2122

01:16:56,709 --> 01:16:54,960

all excited getting the bus you know

2123

01:16:59,350 --> 01:16:56,719

making little sounds with your you know

2124

01:17:01,590 --> 01:16:59,360

cheeks and the vinyl cte you know and

2125

01:17:04,149 --> 01:17:01,600

then i remember getting off the bus at

2126

01:17:05,270 --> 01:17:04,159

the at the pond where we're going

2127

01:17:07,030 --> 01:17:05,280

and then all of a sudden i remember

2128

01:17:09,189 --> 01:17:07,040

getting on the bus again with my lunch

2129

01:17:11,430 --> 01:17:09,199

still in my hand not eaten

2130

01:17:12,630 --> 01:17:11,440

and i remember asking why are we going

2131

01:17:14,709 --> 01:17:12,640

back

2132

01:17:16,550 --> 01:17:14,719

and when are we going to go to the pond

2133

01:17:18,950 --> 01:17:16,560

and they were saying you idiot because

2134

01:17:21,189 --> 01:17:18,960

kids are so you know nice to you

2135

01:17:23,750 --> 01:17:21,199

you idiot we've been here all day

2136

01:17:25,189 --> 01:17:23,760

you're stupid you know you dumb ass

2137

01:17:27,189 --> 01:17:25,199

don't worry about the words that's hard

2138

01:17:28,310 --> 01:17:27,199

but anyway

2139

01:17:30,390 --> 01:17:28,320

um so

2140

01:17:31,270 --> 01:17:30,400

i i i didn't know what was wrong i

2141

01:17:32,630 --> 01:17:31,280

thought

2142

01:17:34,310 --> 01:17:32,640

how did i miss it

2143

01:17:35,669 --> 01:17:34,320

well anyway i got home you know kids

2144

01:17:37,510 --> 01:17:35,679

they just pass it off i'm gonna just

2145

01:17:39,510 --> 01:17:37,520

play now so i'm playing out in the empty

2146

01:17:40,790 --> 01:17:39,520

lot next to my house and i remember

2147

01:17:41,990 --> 01:17:40,800

feeling

2148

01:17:44,550 --> 01:17:42,000

weird

2149

01:17:47,110 --> 01:17:44,560

and i remember falling to the ground

2150

01:17:49,110 --> 01:17:47,120

and i remember having seizures and

2151
01:17:50,709 --> 01:17:49,120
convulsions i remember my body

2152
01:17:52,950 --> 01:17:50,719
unconsciously going into these

2153
01:17:55,350 --> 01:17:52,960
contortions that i couldn't control

2154
01:17:57,830 --> 01:17:55,360
and remember distinctly

2155
01:18:00,709 --> 01:17:57,840
whacking my head on the sand and feeling

2156
01:18:03,030 --> 01:18:00,719
the sand grind against my forehead and

2157
01:18:04,470 --> 01:18:03,040
seeing little red ants moving around and

2158
01:18:06,950 --> 01:18:04,480
while this is all happening all i'm

2159
01:18:08,630 --> 01:18:06,960
thinking is oh cool ants

2160
01:18:09,830 --> 01:18:08,640
i'm not thinking anything about my

2161
01:18:11,189 --> 01:18:09,840
well-being

2162
01:18:12,790 --> 01:18:11,199
right so

2163
01:18:14,390 --> 01:18:12,800

obviously they call the ambulance i go

2164

01:18:16,070 --> 01:18:14,400

to the hospital in the ambulance and

2165

01:18:18,149 --> 01:18:16,080

while in the ambulance i say to the to

2166

01:18:20,390 --> 01:18:18,159

the guys which was actually a police car

2167

01:18:22,229 --> 01:18:20,400

station wagon back then with a gumball

2168

01:18:25,110 --> 01:18:22,239

on top okay

2169

01:18:27,110 --> 01:18:25,120

um i said can you run the siren how old

2170

01:18:27,990 --> 01:18:27,120

are you i was i was like nine just

2171

01:18:30,229 --> 01:18:28,000

kidding

2172

01:18:33,669 --> 01:18:30,239

i was nine then yeah you know what i am

2173

01:18:35,590 --> 01:18:33,679

i'm sixteen sixteen sixty one

2174

01:18:37,110 --> 01:18:35,600

yeah i'm just using yeah that's right so

2175

01:18:39,030 --> 01:18:37,120

anyway so i get in the hospital and

2176

01:18:41,510 --> 01:18:39,040

doctors see this big lump on my forehead

2177

01:18:44,630 --> 01:18:41,520

and they say oh did you fall i said yeah

2178

01:18:46,550 --> 01:18:44,640

i fell on the dock at the pond

2179

01:18:48,390 --> 01:18:46,560

you know there's no dots at the pond to

2180

01:18:49,750 --> 01:18:48,400

this day but i was lying cause i'm gonna

2181

01:18:52,149 --> 01:18:49,760

get the heck out of there

2182

01:18:54,229 --> 01:18:52,159

you know so they said the doctor said oh

2183

01:18:57,030 --> 01:18:54,239

my parents he just had a concussion just

2184

01:18:59,110 --> 01:18:57,040

take him home let him rest he'll be okay

2185

01:19:00,950 --> 01:18:59,120

so all i did was just wipe out the sand

2186

01:19:02,709 --> 01:19:00,960

that was still embedded in my forehead

2187

01:19:05,350 --> 01:19:02,719

and they brought me home and my mother's

2188

01:19:07,189 --> 01:19:05,360

like wow you're gonna have to rest now

2189

01:19:09,189 --> 01:19:07,199

all right i'm like all right that's that

2190

01:19:10,790 --> 01:19:09,199

was a better way out than you know

2191

01:19:12,229 --> 01:19:10,800

whatever else could have waited for me i

2192

01:19:14,470 --> 01:19:12,239

didn't know what i was going to get for

2193

01:19:17,270 --> 01:19:14,480

so anyway that that that was a a strange

2194

01:19:19,350 --> 01:19:17,280

event and i remember that because it was

2195

01:19:21,110 --> 01:19:19,360

a long it was a distended

2196

01:19:23,110 --> 01:19:21,120

extended period of time or what's this

2197

01:19:24,709 --> 01:19:23,120

happened you know

2198

01:19:25,990 --> 01:19:24,719

so

2199

01:19:28,149 --> 01:19:26,000

you know again you got to be a good

2200

01:19:30,229 --> 01:19:28,159

observer right yeah remember

2201

01:19:32,149 --> 01:19:30,239

definitely they've targeted you mark

2202

01:19:34,229 --> 01:19:32,159

that at all there's no doubt

2203

01:19:35,350 --> 01:19:34,239

um i just remem i know i think i just

2204

01:19:37,669 --> 01:19:35,360

remember

2205

01:19:40,390 --> 01:19:37,679

things that maybe other people don't

2206

01:19:42,229 --> 01:19:40,400

remember uh maybe i i remember things

2207

01:19:43,910 --> 01:19:42,239

differently

2208

01:19:46,070 --> 01:19:43,920

i don't think most people had aliens

2209

01:19:49,030 --> 01:19:46,080

don't forget yeah

2210

01:19:51,910 --> 01:19:49,040

maybe you have maybe yeah maybe does

2211

01:19:53,750 --> 01:19:51,920

anyone else have had experiences or

2212

01:19:55,189 --> 01:19:53,760

experience you want to talk about

2213

01:19:58,950 --> 01:19:55,199

at this point

2214

01:20:00,070 --> 01:19:58,960

you saw some amazing aircraft over the

2215

01:20:03,590 --> 01:20:00,080

right below

2216

01:20:05,110 --> 01:20:03,600

the rim here in arizona right i did

2217

01:20:06,950 --> 01:20:05,120

it was before i knew anything about

2218

01:20:09,350 --> 01:20:06,960

mufon or anything i i was taking

2219

01:20:10,950 --> 01:20:09,360

pictures off the rim and

2220

01:20:12,629 --> 01:20:10,960

if anybody's ever been on the moving

2221

01:20:15,830 --> 01:20:12,639

room in arizona it's just beautiful you

2222

01:20:18,310 --> 01:20:15,840

just you're way above um the landscape

2223

01:20:20,310 --> 01:20:18,320

and you just have these fast fast

2224

01:20:21,990 --> 01:20:20,320

mountains that just go forever

2225

01:20:24,470 --> 01:20:22,000

it's just beautiful and so

2226

01:20:25,750 --> 01:20:24,480

i had just gone in we have a cabin up

2227

01:20:27,430 --> 01:20:25,760

there and we always stop at these

2228

01:20:28,790 --> 01:20:27,440

lookout points because it's just so

2229

01:20:30,629 --> 01:20:28,800

beautiful and

2230

01:20:32,709 --> 01:20:30,639

but i take millions of pictures and i

2231

01:20:34,950 --> 01:20:32,719

have taken some pictures and i just did

2232

01:20:37,270 --> 01:20:34,960

a snap one direction one in the center

2233

01:20:39,430 --> 01:20:37,280

and one on the side and

2234

01:20:41,669 --> 01:20:39,440

later when i looked back

2235

01:20:44,550 --> 01:20:41,679

at those pictures which i don't have

2236

01:20:46,390 --> 01:20:44,560

anymore of course but

2237

01:20:49,110 --> 01:20:46,400

i saw the first picture

2238

01:20:51,350 --> 01:20:49,120

way way to way out it's in the air off

2239

01:20:54,950 --> 01:20:51,360

the rim way to the left side a little

2240

01:20:57,189 --> 01:20:54,960

tiny ball and you can see a reflection

2241

01:21:00,470 --> 01:20:57,199

and in the second picture right in front

2242

01:21:02,470 --> 01:21:00,480

of me off the rim probably maybe 30 feet

2243

01:21:04,310 --> 01:21:02,480

was this ball i would estimate to be

2244

01:21:06,070 --> 01:21:04,320

about as big as a basketball or so but

2245

01:21:07,590 --> 01:21:06,080

it was metallic

2246

01:21:09,910 --> 01:21:07,600

and

2247

01:21:11,189 --> 01:21:09,920

it had like a i would say battleship

2248

01:21:13,669 --> 01:21:11,199

gray color

2249

01:21:15,110 --> 01:21:13,679

but there were um

2250

01:21:18,149 --> 01:21:15,120

you could tell it was it was

2251
01:21:20,070 --> 01:21:18,159
manufactured somehow because there were

2252
01:21:21,270 --> 01:21:20,080
hold just one second

2253
01:21:23,110 --> 01:21:21,280
will be

2254
01:21:26,070 --> 01:21:23,120
you know exactly all right

2255
01:21:28,790 --> 01:21:26,080
sorry about that everyone we are back

2256
01:21:30,550 --> 01:21:28,800
and uh thank you for your patience bill

2257
01:21:32,229 --> 01:21:30,560
i'm not sure if you uh

2258
01:21:34,390 --> 01:21:32,239
jumped in or not but thank you everyone

2259
01:21:39,110 --> 01:21:34,400
for your patience uh we just had a

2260
01:21:42,629 --> 01:21:40,629
it would have been neat if we were all

2261
01:21:43,830 --> 01:21:42,639
disheveled their hair was monitored

2262
01:21:48,629 --> 01:21:43,840
they're all screwed up again what

2263
01:21:55,350 --> 01:21:50,709

who stuck something in my ear

2264

01:22:00,470 --> 01:21:58,390

so we we are back thank you so much for

2265

01:22:02,790 --> 01:22:00,480

your patience again everyone and i think

2266

01:22:04,629 --> 01:22:02,800

what i'm going to do um

2267

01:22:05,750 --> 01:22:04,639

throwing her in the story too

2268

01:22:07,910 --> 01:22:05,760

oh okay

2269

01:22:09,990 --> 01:22:07,920

all right yeah no that's what i want to

2270

01:22:12,390 --> 01:22:10,000

know uh you were in the middle of your

2271

01:22:15,030 --> 01:22:12,400

story do you want to cap that off

2272

01:22:17,510 --> 01:22:15,040

absolutely it was just a big look like a

2273

01:22:20,709 --> 01:22:17,520

metallic ball that i saw hovering off of

2274

01:22:22,430 --> 01:22:20,719

the mowgun room in arizona and

2275

01:22:24,390 --> 01:22:22,440

i can't explain it as a field

2276

01:22:25,590 --> 01:22:24,400

investigator i have no idea what i

2277

01:22:27,510 --> 01:22:25,600

wanted

2278

01:22:29,270 --> 01:22:27,520

but you didn't see it at the time i did

2279

01:22:31,430 --> 01:22:29,280

not see it it was in my pictures when i

2280

01:22:33,189 --> 01:22:31,440

looked back that's my common response i

2281

01:22:35,750 --> 01:22:33,199

didn't see it at the time and it was big

2282

01:22:36,790 --> 01:22:35,760

enough for me to have seen

2283

01:22:38,390 --> 01:22:36,800

so

2284

01:22:40,550 --> 01:22:38,400

unless it was moving through

2285

01:22:43,110 --> 01:22:40,560

shane had something that was uh out

2286

01:22:45,110 --> 01:22:43,120

there in the overlook over jerome it was

2287

01:22:46,870 --> 01:22:45,120

only in five frames and they're one

2288

01:22:49,270 --> 01:22:46,880

thirtieth of a second

2289

01:22:51,270 --> 01:22:49,280

and uh that thing was crystal clear and

2290

01:22:52,790 --> 01:22:51,280

then i'd uh when i was doing the move on

2291

01:22:55,030 --> 01:22:52,800

booth and pine top one of the indian

2292

01:22:56,550 --> 01:22:55,040

girls came over to me she said i saw

2293

01:22:58,390 --> 01:22:56,560

something over by seven mile mountain

2294

01:22:59,990 --> 01:22:58,400

but it was so quick she goes i'm not

2295

01:23:02,790 --> 01:23:00,000

sure if i saw it or not

2296

01:23:04,870 --> 01:23:02,800

and so i i don't know if that's uncommon

2297

01:23:08,629 --> 01:23:04,880

that's uh you start me i start you know

2298

01:23:09,830 --> 01:23:08,639

you try to listen when people talk so

2299

01:23:10,790 --> 01:23:09,840

what you got something you were saying

2300

01:23:12,950 --> 01:23:10,800

before

2301

01:23:14,229 --> 01:23:12,960

yeah i don't really see crap so much

2302

01:23:16,390 --> 01:23:14,239

we're just saying something living in

2303

01:23:18,470 --> 01:23:16,400

tucson there's a lot of activity there

2304

01:23:21,510 --> 01:23:18,480

but this particular one of many

2305

01:23:23,189 --> 01:23:21,520

experience happened june 29th 2016. i

2306

01:23:24,550 --> 01:23:23,199

work in the oil industry

2307

01:23:26,709 --> 01:23:24,560

and i work for a contractor that goes

2308

01:23:28,709 --> 01:23:26,719

through finance repairs and to get them

2309

01:23:30,709 --> 01:23:28,719

to epa standards so i get sent out to

2310

01:23:33,270 --> 01:23:30,719

the middle of nowhere this trip was from

2311

01:23:35,270 --> 01:23:33,280

i was leaving tucson to go to rollins

2312

01:23:38,070 --> 01:23:35,280

wyoming and there was a famous abduction

2313

01:23:39,430 --> 01:23:38,080

there by a hunter i think in 1974 i

2314

01:23:41,110 --> 01:23:39,440

can't remember the fella's name but that

2315

01:23:43,270 --> 01:23:41,120

was an interesting story

2316

01:23:45,110 --> 01:23:43,280

so i leave at night and i stopped in

2317

01:23:46,470 --> 01:23:45,120

truth or consequences new mexico which

2318

01:23:47,590 --> 01:23:46,480

is four and a half hours away from

2319

01:23:49,750 --> 01:23:47,600

tucson

2320

01:23:51,830 --> 01:23:49,760

uh creepy name anyway right yeah very

2321

01:23:53,750 --> 01:23:51,840

creepy i always love that yeah

2322

01:23:56,390 --> 01:23:53,760

so i'm always listening to my music i'm

2323

01:23:57,830 --> 01:23:56,400

always by myself and i get lost i'm not

2324

01:24:00,149 --> 01:23:57,840

paying attention you know but i knew i

2325

01:24:01,990 --> 01:24:00,159

need to pull over get fuel so i exit

2326

01:24:05,350 --> 01:24:02,000

and also this is important um i didn't

2327

01:24:07,990 --> 01:24:05,360

get a regular phone like normal people

2328

01:24:10,790 --> 01:24:08,000

until 2018 i had a flip phone at the

2329

01:24:13,350 --> 01:24:10,800

time and i missed it very much so i

2330

01:24:15,590 --> 01:24:13,360

still use regular maps i didn't have any

2331

01:24:17,669 --> 01:24:15,600

internet nothing i had a regular map and

2332

01:24:19,430 --> 01:24:17,679

also keep a compass just a regular basic

2333

01:24:21,830 --> 01:24:19,440

compass in my car at all times that's a

2334

01:24:23,270 --> 01:24:21,840

tip to everybody that's a good way to to

2335

01:24:25,270 --> 01:24:23,280

see if maybe there's a craft hanging

2336

01:24:28,149 --> 01:24:25,280

around if it starts spinning so always

2337

01:24:29,669 --> 01:24:28,159

just keep encompassing nearby so i go to

2338

01:24:30,470 --> 01:24:29,679

leave i fuel up and then the freeway is

2339

01:24:33,110 --> 01:24:30,480

gone

2340

01:24:34,950 --> 01:24:33,120

okay well maybe i drove down further

2341

01:24:37,830 --> 01:24:34,960

than what i thought so i start driving

2342

01:24:39,669 --> 01:24:37,840

the only road i'm going and going i said

2343

01:24:41,430 --> 01:24:39,679

i didn't go this far off the exit what's

2344

01:24:42,950 --> 01:24:41,440

what's this

2345

01:24:45,030 --> 01:24:42,960

so i just kept going and all of a sudden

2346

01:24:46,310 --> 01:24:45,040

i saw this enormous fare this you know

2347

01:24:47,910 --> 01:24:46,320

those traveling fans with all the bright

2348

01:24:48,870 --> 01:24:47,920

lights like the one we saw that was here

2349

01:24:51,430 --> 01:24:48,880

this weekend

2350

01:24:53,350 --> 01:24:51,440

really pretty what the it's 12 30 at

2351

01:24:55,990 --> 01:24:53,360

night what the heck is this fair doing

2352

01:24:59,510 --> 01:24:56,000

all the rides were moving going nobody

2353

01:25:01,430 --> 01:24:59,520

was there nobody was there it's okay

2354

01:25:03,030 --> 01:25:01,440

said all right well maybe they're just

2355

01:25:05,430 --> 01:25:03,040

running them to get the oil out or

2356

01:25:07,430 --> 01:25:05,440

something excess oil for whatever

2357

01:25:09,750 --> 01:25:07,440

so i wanted to take a picture i had a

2358

01:25:11,510 --> 01:25:09,760

regular camera on the floorboard of the

2359

01:25:13,189 --> 01:25:11,520

passenger side and i must have been down

2360

01:25:15,110 --> 01:25:13,199

30 times to try to grab my camera to

2361

01:25:17,590 --> 01:25:15,120

take a picture i couldn't do it couldn't

2362

01:25:20,470 --> 01:25:17,600

do it i got so angry i could not pick

2363

01:25:21,990 --> 01:25:20,480

the camera up so like physically i could

2364

01:25:22,870 --> 01:25:22,000

not pick it up

2365

01:25:25,189 --> 01:25:22,880

back at

2366

01:25:26,950 --> 01:25:25,199

30 at least 30 times and i got angry i

2367

01:25:28,390 --> 01:25:26,960

just oh i drove off

2368

01:25:29,669 --> 01:25:28,400

and about a mile later i slammed the

2369

01:25:31,350 --> 01:25:29,679

brakes and i said i'm going to get a

2370

01:25:32,790 --> 01:25:31,360

picture i went back same thing i

2371

01:25:33,590 --> 01:25:32,800

couldn't i couldn't i couldn't pick it

2372

01:25:34,950 --> 01:25:33,600

up

2373

01:25:36,550 --> 01:25:34,960

at all

2374

01:25:38,550 --> 01:25:36,560

i'm still there it was still there but i

2375

01:25:41,350 --> 01:25:38,560

just couldn't my fingers would not wrap

2376

01:25:43,189 --> 01:25:41,360

around the camera to pick it up

2377

01:25:45,030 --> 01:25:43,199

so then i just gave up some driving

2378

01:25:46,950 --> 01:25:45,040

still and then i saw a street to the

2379

01:25:49,030 --> 01:25:46,960

left finally a streak because i looked

2380

01:25:51,030 --> 01:25:49,040

on the map and oh yes i forgot the

2381

01:25:53,110 --> 01:25:51,040

compass was spinning like crazy

2382

01:25:55,990 --> 01:25:53,120

like crazy there's no lights i saw on

2383

01:25:58,629 --> 01:25:56,000

nobody so i took that street to the left

2384

01:25:59,590 --> 01:25:58,639

and then i went to uh a trailer park a

2385

01:26:01,910 --> 01:25:59,600

decent

2386

01:26:03,430 --> 01:26:01,920

kind of trailer park and there were cars

2387

01:26:05,110 --> 01:26:03,440

and all the the

2388

01:26:07,510 --> 01:26:05,120

parking

2389

01:26:09,510 --> 01:26:07,520

garage and then some lights were on i

2390

01:26:12,070 --> 01:26:09,520

got lost in that uh trailer park for two

2391

01:26:13,750 --> 01:26:12,080

and a half hours two and a half hours i

2392

01:26:15,510 --> 01:26:13,760

could not get out of it couldn't i

2393

01:26:17,030 --> 01:26:15,520

couldn't get out of it then i pulled

2394

01:26:19,189 --> 01:26:17,040

over and i realized okay something's not

2395

01:26:22,470 --> 01:26:19,199

quite right here i realized it i wasn't

2396

01:26:24,310 --> 01:26:22,480

afraid but i got really angry like

2397

01:26:26,470 --> 01:26:24,320

red hot anger

2398

01:26:27,990 --> 01:26:26,480

super super angry and uh to the point

2399

01:26:29,590 --> 01:26:28,000

where you just blood red and then you

2400

01:26:30,870 --> 01:26:29,600

get to your period because you're so

2401
01:26:33,510 --> 01:26:30,880
angry

2402
01:26:35,669 --> 01:26:33,520
and then there was the freeway

2403
01:26:37,030 --> 01:26:35,679
and then the rest of the journey

2404
01:26:38,390 --> 01:26:37,040
up to rollins because in the middle of

2405
01:26:40,550 --> 01:26:38,400
the night it just went on and on it

2406
01:26:43,189 --> 01:26:40,560
wouldn't end i didn't see another person

2407
01:26:45,189 --> 01:26:43,199
for 12 hours not not one person

2408
01:26:47,669 --> 01:26:45,199
sounds like a stephen king yeah it was

2409
01:26:49,350 --> 01:26:47,679
it was creepy it was creepy

2410
01:26:52,709 --> 01:26:49,360
did you notice at the time whether

2411
01:26:54,790 --> 01:26:52,719
everything seemed to be in the present

2412
01:26:56,390 --> 01:26:54,800
it was yeah i didn't lose any time or

2413
01:26:59,110 --> 01:26:56,400

anything like that i was aware of all of

2414

01:27:01,030 --> 01:26:59,120

it i couldn't get out there was nowhere

2415

01:27:05,270 --> 01:27:01,040

nowhere to go

2416

01:27:07,030 --> 01:27:05,280

well uh in 2019 at contact in the desert

2417

01:27:08,629 --> 01:27:07,040

i was lucky enough to have a drink with

2418

01:27:09,910 --> 01:27:08,639

whitley strieber so i told him the

2419

01:27:11,990 --> 01:27:09,920

experience and he looked at me with

2420

01:27:14,550 --> 01:27:12,000

these sad eyes and says jennifer it was

2421

01:27:16,149 --> 01:27:14,560

a screen memory the cr the fare was a

2422

01:27:18,550 --> 01:27:16,159

screen memory i

2423

01:27:20,070 --> 01:27:18,560

felt so stupid i said yeah it could

2424

01:27:21,590 --> 01:27:20,080

could have been what it was

2425

01:27:23,110 --> 01:27:21,600

you know it's also sorry for me you

2426
01:27:24,149 --> 01:27:23,120
didn't realize that and you know when

2427
01:27:25,830 --> 01:27:24,159
you're in the middle of it you don't

2428
01:27:26,950 --> 01:27:25,840
realize these things you just don't

2429
01:27:28,629 --> 01:27:26,960
think about it and you know what the

2430
01:27:30,390 --> 01:27:28,639
screen memory is in the two and a half

2431
01:27:31,430 --> 01:27:30,400
hours in the trailer in the trailer park

2432
01:27:32,550 --> 01:27:31,440
i don't know what that was about it

2433
01:27:33,590 --> 01:27:32,560
could have been another screen memory

2434
01:27:36,470 --> 01:27:33,600
could be

2435
01:27:37,910 --> 01:27:36,480
yeah yeah see that's that's something

2436
01:27:39,350 --> 01:27:37,920
i've been wondering whether

2437
01:27:40,870 --> 01:27:39,360
whether that's something that my older

2438
01:27:43,110 --> 01:27:40,880

son experienced too

2439

01:27:45,510 --> 01:27:43,120

because he was with a girl and he was

2440

01:27:47,830 --> 01:27:45,520

driving in his jeep coming back from a

2441

01:27:49,910 --> 01:27:47,840

uh a place where he had they they're out

2442

01:27:51,750 --> 01:27:49,920

somewhere on the way back they come up

2443

01:27:53,270 --> 01:27:51,760

to a roadblock a freeze roadblock state

2444

01:27:56,149 --> 01:27:53,280

police roadblock

2445

01:27:58,629 --> 01:27:56,159

and he noticed that the cars were like

2446

01:28:00,310 --> 01:27:58,639

old cars with the gumball on top instead

2447

01:28:01,830 --> 01:28:00,320

of the light bar but were there a lot of

2448

01:28:03,030 --> 01:28:01,840

lights going on at the same time a lot

2449

01:28:04,470 --> 01:28:03,040

of red and blue lights and you said

2450

01:28:06,229 --> 01:28:04,480

there were fire trucks coming they

2451

01:28:08,470 --> 01:28:06,239

mounted four trucks with a fifth one

2452

01:28:09,590 --> 01:28:08,480

coming and they had these big lights

2453

01:28:11,669 --> 01:28:09,600

looking into the woods and you think it

2454

01:28:13,669 --> 01:28:11,679

was a plane crash or something but the

2455

01:28:14,950 --> 01:28:13,679

trucks look like they were old

2456

01:28:16,149 --> 01:28:14,960

like they should be in a parade it's

2457

01:28:18,390 --> 01:28:16,159

kind of like a minute black how they

2458

01:28:19,830 --> 01:28:18,400

just don't really realize kind of dated

2459

01:28:21,830 --> 01:28:19,840

yeah

2460

01:28:23,510 --> 01:28:21,840

maybe people this is a fire truck but

2461

01:28:25,270 --> 01:28:23,520

they don't really know what age it is so

2462

01:28:28,070 --> 01:28:25,280

the state trooper tells them to go down

2463

01:28:30,390 --> 01:28:28,080

this side street okay to avoid what

2464

01:28:32,149 --> 01:28:30,400

whatever it was they wanted to avoid so

2465

01:28:33,669 --> 01:28:32,159

they do and the road's dirt and he's

2466

01:28:35,030 --> 01:28:33,679

like she's a dirt road and he's driving

2467

01:28:35,910 --> 01:28:35,040

down the third road

2468

01:28:38,070 --> 01:28:35,920

okay

2469

01:28:39,910 --> 01:28:38,080

he gets to the end he turns left then he

2470

01:28:41,669 --> 01:28:39,920

takes his next left and then another

2471

01:28:42,709 --> 01:28:41,679

left back onto the same road they run

2472

01:28:44,070 --> 01:28:42,719

originally

2473

01:28:46,149 --> 01:28:44,080

they're like oh no we're going to go by

2474

01:28:47,750 --> 01:28:46,159

this roadblock again well they get to

2475

01:28:49,990 --> 01:28:47,760

exactly that street where the roadblock

2476

01:28:52,149 --> 01:28:50,000

was and there's nothing there

2477

01:28:53,510 --> 01:28:52,159

nothing there the girl who's with him

2478

01:28:55,350 --> 01:28:53,520

started to cry

2479

01:28:57,430 --> 01:28:55,360

because she was now really freaked out

2480

01:28:58,310 --> 01:28:57,440

and my son calls me and says yeah i

2481

01:28:59,990 --> 01:28:58,320

don't know what's going on there's

2482

01:29:01,189 --> 01:29:00,000

something weird that's happened

2483

01:29:03,270 --> 01:29:01,199

he takes her to

2484

01:29:05,110 --> 01:29:03,280

her house the father sits down with him

2485

01:29:06,790 --> 01:29:05,120

it goes into google earth show me where

2486

01:29:07,910 --> 01:29:06,800

you were what happened blah blah and

2487

01:29:09,189 --> 01:29:07,920

they go through the whole thing they

2488

01:29:11,350 --> 01:29:09,199

recounted

2489

01:29:12,629 --> 01:29:11,360

and

2490

01:29:14,229 --> 01:29:12,639

they go back in the history of the

2491

01:29:16,470 --> 01:29:14,239

google earth and that road that they

2492

01:29:17,990 --> 01:29:16,480

turned on that he said was dirt

2493

01:29:19,510 --> 01:29:18,000

as far as google earth's concern was

2494

01:29:22,870 --> 01:29:19,520

always paved

2495

01:29:25,270 --> 01:29:22,880

it was never dirt road not at least in

2496

01:29:27,110 --> 01:29:25,280

the time through which that was so

2497

01:29:29,030 --> 01:29:27,120

it's amazing that

2498

01:29:31,189 --> 01:29:29,040

it's almost like there was some kind of

2499

01:29:34,870 --> 01:29:31,199

time shift they slipped into another

2500

01:29:36,709 --> 01:29:34,880

dimension or it was a screen memory

2501

01:29:37,990 --> 01:29:36,719

i think it is something

2502

01:29:40,070 --> 01:29:38,000

usually

2503

01:29:42,310 --> 01:29:40,080

when craft is involved yeah something

2504

01:29:43,350 --> 01:29:42,320

more malevolent and or

2505

01:29:45,110 --> 01:29:43,360

i mean look

2506

01:29:46,709 --> 01:29:45,120

hey what do we do when we go to study

2507

01:29:48,310 --> 01:29:46,719

elk and yukon

2508

01:29:50,390 --> 01:29:48,320

we hide behind a blind we photograph

2509

01:29:52,870 --> 01:29:50,400

with cameras we shoot them with darts

2510

01:29:54,310 --> 01:29:52,880

right now from the elk's point of view

2511

01:29:56,950 --> 01:29:54,320

what are they going to say

2512

01:29:58,229 --> 01:29:56,960

holy crap mabel like us oh when he falls

2513

01:29:59,910 --> 01:29:58,239

down on the ground next he wakes up with

2514

01:30:01,830 --> 01:29:59,920

this big thing around his neck

2515

01:30:03,110 --> 01:30:01,840

has no idea where it came from

2516

01:30:05,350 --> 01:30:03,120

you know

2517

01:30:07,270 --> 01:30:05,360

so like the radio collar so

2518

01:30:08,870 --> 01:30:07,280

who's to say that we tagging elk in the

2519

01:30:10,629 --> 01:30:08,880

same way isn't what what they're doing

2520

01:30:13,430 --> 01:30:10,639

to us but more advanced it's the

2521

01:30:15,510 --> 01:30:13,440

galactic fishing game yeah right

2522

01:30:17,510 --> 01:30:15,520

right they catch us tag us and monitor

2523

01:30:19,510 --> 01:30:17,520

us that's where the leader can just tag

2524

01:30:21,189 --> 01:30:19,520

us in monitoring we're joining samples

2525

01:30:23,189 --> 01:30:21,199

well we're a giant well i guess a

2526

01:30:24,310 --> 01:30:23,199

fishery would be a human we're a giant

2527

01:30:26,790 --> 01:30:24,320

human right

2528

01:30:29,030 --> 01:30:26,800

you know oh we lost our camera again and

2529

01:30:30,550 --> 01:30:29,040

you know what um i'm not going to panic

2530

01:30:31,750 --> 01:30:30,560

over that right now i'm just going to

2531

01:30:34,310 --> 01:30:31,760

keep going

2532

01:30:36,629 --> 01:30:34,320

and uh you know we're all here so i

2533

01:30:38,470 --> 01:30:36,639

opened up the line if anyone would like

2534

01:30:39,270 --> 01:30:38,480

to call in that number is eight five

2535

01:30:40,790 --> 01:30:39,280

five

2536

01:30:44,070 --> 01:30:40,800

four seven two

2537

01:30:47,030 --> 01:30:44,080

five four eight three

2538

01:30:49,189 --> 01:30:47,040

and uh let's see i'm gonna just continue

2539

01:30:52,149 --> 01:30:49,199

the only thing i can really do here

2540

01:30:54,229 --> 01:30:52,159

is uh open up my

2541

01:30:57,110 --> 01:30:54,239

laptop camera

2542

01:30:58,870 --> 01:30:57,120

uh which i suppose i could do

2543

01:31:00,870 --> 01:30:58,880

and uh

2544

01:31:02,390 --> 01:31:00,880

it's gonna be a little bit tricky well

2545

01:31:03,590 --> 01:31:02,400

yeah why don't you try that that camera

2546

01:31:05,110 --> 01:31:03,600

and see what happens go ahead and plug

2547

01:31:05,910 --> 01:31:05,120

that one in

2548

01:31:07,510 --> 01:31:05,920

or

2549

01:31:09,189 --> 01:31:07,520

go right up tight

2550

01:31:11,669 --> 01:31:09,199

um if you would

2551

01:31:13,350 --> 01:31:11,679

uh remove that extension because i've

2552

01:31:15,669 --> 01:31:13,360

never had any trouble before remove the

2553

01:31:17,990 --> 01:31:15,679

extension just come forward much more

2554

01:31:19,030 --> 01:31:18,000

and plug directly into this usb right

2555

01:31:21,270 --> 01:31:19,040

here

2556

01:31:23,590 --> 01:31:21,280

all right so um while we're doing this

2557

01:31:24,870 --> 01:31:23,600

and try to get the camera up

2558

01:31:26,550 --> 01:31:24,880

um

2559

01:31:30,149 --> 01:31:26,560

does anyone else want to talk about any

2560

01:31:33,189 --> 01:31:31,990

anyone here all right here's the next

2561

01:31:33,990 --> 01:31:33,199

question i was waiting for that to

2562

01:31:35,189 --> 01:31:34,000

happen

2563

01:31:37,669 --> 01:31:35,199

um

2564

01:31:40,310 --> 01:31:37,679

the next question is is uh does anyone

2565

01:31:43,510 --> 01:31:40,320

want to talk about how they had gotten

2566

01:31:46,149 --> 01:31:43,520

an interest in this topic in this ufo

2567

01:31:49,270 --> 01:31:46,159

topic what what caused them

2568

01:31:50,550 --> 01:31:49,280

i would love to all right

2569

01:31:53,910 --> 01:31:50,560

um

2570

01:31:57,750 --> 01:31:53,920

back in 2014 my late husband

2571

01:32:00,229 --> 01:31:57,760

went to his first ever international ufo

2572

01:32:01,830 --> 01:32:00,239

congress that was held in scottsdale at

2573

01:32:04,229 --> 01:32:01,840

the week apart

2574

01:32:06,390 --> 01:32:04,239

and he called me i was on duty and he

2575

01:32:08,229 --> 01:32:06,400

called me and said can i go to this i

2576
01:32:09,590 --> 01:32:08,239
says hey knock yourself out have a great

2577
01:32:10,870 --> 01:32:09,600
time

2578
01:32:12,790 --> 01:32:10,880
i was never

2579
01:32:15,910 --> 01:32:12,800
someone that wanted to i've never

2580
01:32:18,550 --> 01:32:15,920
watched ufo movies yes i've never seen

2581
01:32:21,189 --> 01:32:18,560
star wars or you know star trek movie

2582
01:32:22,470 --> 01:32:21,199
i'm sorry folks i apologize don't yell

2583
01:32:25,350 --> 01:32:22,480
at me

2584
01:32:28,310 --> 01:32:25,360
but i told my husband have a great time

2585
01:32:30,310 --> 01:32:28,320
yes do i believe that there are other

2586
01:32:32,550 --> 01:32:30,320
universes there's other people out there

2587
01:32:34,709 --> 01:32:32,560
there's other civilizations yes you have

2588
01:32:38,950 --> 01:32:34,719

to be pretty darn with all due respect

2589

01:32:41,189 --> 01:32:38,960

stupid not to think that there's other

2590

01:32:42,229 --> 01:32:41,199

worlds out there we're not the only ones

2591

01:32:46,310 --> 01:32:42,239

so

2592

01:32:50,070 --> 01:32:46,320

um fast forward a few months later um

2593

01:32:51,510 --> 01:32:50,080

my husband uh found mufon and spoke to

2594

01:32:53,350 --> 01:32:51,520

stacy wright

2595

01:32:55,350 --> 01:32:53,360

and for the phoenix move fund and he

2596

01:32:57,110 --> 01:32:55,360

started going to meetings

2597

01:32:58,950 --> 01:32:57,120

he invited me to go to one of the

2598

01:33:01,430 --> 01:32:58,960

meetings with him he says please just

2599

01:33:04,070 --> 01:33:01,440

come just see what i am

2600

01:33:06,149 --> 01:33:04,080

part of i said okay fine whatever

2601
01:33:07,750 --> 01:33:06,159
all right i'll be honest i was expecting

2602
01:33:10,229 --> 01:33:07,760
tin foil hats

2603
01:33:11,830 --> 01:33:10,239
i was expecting some weird people i'm a

2604
01:33:14,310 --> 01:33:11,840
cop i'm used to

2605
01:33:16,390 --> 01:33:14,320
you know when it comes to ufos

2606
01:33:18,070 --> 01:33:16,400
it's kind of a weird thing you know you

2607
01:33:19,750 --> 01:33:18,080
don't expect

2608
01:33:21,350 --> 01:33:19,760
wonderful people so i went to the

2609
01:33:22,790 --> 01:33:21,360
meeting met

2610
01:33:24,709 --> 01:33:22,800
stacy

2611
01:33:25,750 --> 01:33:24,719
uh met a bunch of people from phoenix

2612
01:33:28,550 --> 01:33:25,760
mufon

2613
01:33:29,830 --> 01:33:28,560

and our speaker that day was kathleen

2614

01:33:31,750 --> 01:33:29,840

martin

2615

01:33:33,830 --> 01:33:31,760

and i'm like holy cow what a perfect

2616

01:33:36,390 --> 01:33:33,840

speaker she is just the neatest lady but

2617

01:33:38,070 --> 01:33:36,400

again as a cop what am i doing i'm

2618

01:33:40,310 --> 01:33:38,080

looking for deception i'm thinking she's

2619

01:33:42,870 --> 01:33:40,320

just going to tell some outlandish story

2620

01:33:45,910 --> 01:33:42,880

and it's just going to be

2621

01:33:47,669 --> 01:33:45,920

you know a myth or or just a story and

2622

01:33:51,669 --> 01:33:47,679

she told this about betty and barney

2623

01:33:52,709 --> 01:33:51,679

hill her aunt uncle and i never saw one

2624

01:33:56,149 --> 01:33:52,719

ounce

2625

01:33:57,350 --> 01:33:56,159

of deception she was an amazing woman

2626

01:33:59,430 --> 01:33:57,360

um

2627

01:34:02,950 --> 01:33:59,440

fast forward uh

2628

01:34:05,030 --> 01:34:02,960

2000 well the end of 2014 november we

2629

01:34:07,830 --> 01:34:05,040

were having travis walton's sky fire

2630

01:34:10,390 --> 01:34:07,840

summit up in hebrew overgarden

2631

01:34:11,430 --> 01:34:10,400

and stacy asked

2632

01:34:13,669 --> 01:34:11,440

um

2633

01:34:14,870 --> 01:34:13,679

hey uh we've got a few people speakers

2634

01:34:16,310 --> 01:34:14,880

coming in they're going to stay in

2635

01:34:18,149 --> 01:34:16,320

phoenix for a couple days then we're

2636

01:34:20,390 --> 01:34:18,159

going to go back up to heber and she

2637

01:34:21,350 --> 01:34:20,400

goes would you be able to house these

2638

01:34:22,149 --> 01:34:21,360

folks

2639

01:34:24,950 --> 01:34:22,159

and

2640

01:34:26,550 --> 01:34:24,960

um until the next day i said sure who

2641

01:34:29,669 --> 01:34:26,560

who were you in the house

2642

01:34:31,590 --> 01:34:29,679

well peter robbins richard dolan

2643

01:34:33,990 --> 01:34:31,600

stanton friedman

2644

01:34:34,950 --> 01:34:34,000

and i'm like first of all i did say who

2645

01:34:35,910 --> 01:34:34,960

were they

2646

01:34:37,910 --> 01:34:35,920

yeah so

2647

01:34:40,790 --> 01:34:37,920

oh boy um

2648

01:34:42,870 --> 01:34:40,800

i got a huge lecture from stacy

2649

01:34:44,629 --> 01:34:42,880

and she also says don't ever ask that

2650

01:34:48,390 --> 01:34:44,639

question again

2651
01:34:50,470 --> 01:34:48,400
that that day uh in november of 2014

2652
01:34:52,310 --> 01:34:50,480
totally changed my life

2653
01:34:54,550 --> 01:34:52,320
um

2654
01:34:55,590 --> 01:34:54,560
i've never experienced such wonderful

2655
01:34:58,470 --> 01:34:55,600
people

2656
01:35:01,990 --> 01:34:58,480
um i've learned a lot uh

2657
01:35:04,870 --> 01:35:02,000
met karen and alejandro and um

2658
01:35:07,189 --> 01:35:04,880
just it was it was so wonderful so i

2659
01:35:08,950 --> 01:35:07,199
went from not knowing anything beginning

2660
01:35:10,629 --> 01:35:08,960
of 2014

2661
01:35:13,109 --> 01:35:10,639
to basically

2662
01:35:16,629 --> 01:35:13,119
just walking into the middle of it by

2663
01:35:19,430 --> 01:35:16,639

the beginning of 2015 and now

2664

01:35:21,430 --> 01:35:19,440

field investigator mufon being part of

2665

01:35:22,950 --> 01:35:21,440

the ufo congress

2666

01:35:26,149 --> 01:35:22,960

and just

2667

01:35:28,310 --> 01:35:26,159

knowing so many awesome wonderful people

2668

01:35:30,950 --> 01:35:28,320

so great story yeah that's how i got

2669

01:35:32,390 --> 01:35:30,960

into it awesome anyone else want to talk

2670

01:35:33,830 --> 01:35:32,400

about how they got interested in the

2671

01:35:35,430 --> 01:35:33,840

topic

2672

01:35:37,189 --> 01:35:35,440

next files

2673

01:35:37,990 --> 01:35:37,199

what's that x-files

2674

01:35:40,310 --> 01:35:38,000

yeah

2675

01:35:47,030 --> 01:35:43,990

what's that you can speak you can speak

2676

01:35:49,350 --> 01:35:47,040

blurred yeah yeah it's a self adjusting

2677

01:35:51,750 --> 01:35:49,360

so uh the lump the line is open that's

2678

01:35:53,750 --> 01:35:51,760

eight five five four seven two

2679

01:35:55,350 --> 01:35:53,760

five four eight three

2680

01:35:56,229 --> 01:35:55,360

um

2681

01:35:58,470 --> 01:35:56,239

could

2682

01:35:59,750 --> 01:35:58,480

tell you about how i got into it

2683

01:36:01,910 --> 01:35:59,760

yeah i mean i've always been interested

2684

01:36:04,629 --> 01:36:01,920

why don't you turn it around back around

2685

01:36:06,629 --> 01:36:04,639

just keep panning around see if they'll

2686

01:36:07,669 --> 01:36:06,639

address go ahead yeah um

2687

01:36:09,030 --> 01:36:07,679

i've always

2688

01:36:10,629 --> 01:36:09,040

since i was a kid been interested in the

2689

01:36:12,629 --> 01:36:10,639

subject and i would get books when i

2690

01:36:15,510 --> 01:36:12,639

could there wasn't a ton of books but

2691

01:36:17,109 --> 01:36:15,520

especially for kids um but i actually

2692

01:36:18,870 --> 01:36:17,119

saw stanton freeman when i was in san

2693

01:36:21,430 --> 01:36:18,880

diego i was married

2694

01:36:23,030 --> 01:36:21,440

with kids but so i somehow happened to

2695

01:36:24,709 --> 01:36:23,040

see this in the newspaper and i got in

2696

01:36:26,950 --> 01:36:24,719

the car and drove to

2697

01:36:28,950 --> 01:36:26,960

san diego state university and heard him

2698

01:36:31,270 --> 01:36:28,960

do a lecture there um and i didn't

2699

01:36:33,990 --> 01:36:31,280

realize it until later

2700

01:36:35,430 --> 01:36:34,000

that hui like i when i saw him like oh

2701

01:36:36,629 --> 01:36:35,440

that was the guy that i saw in san diego

2702

01:36:37,669 --> 01:36:36,639

i didn't know he was a big deal or

2703

01:36:39,590 --> 01:36:37,679

anything you know i just thought he was

2704

01:36:41,590 --> 01:36:39,600

some guy that talked about ufos and very

2705

01:36:43,430 --> 01:36:41,600

interesting but um

2706

01:36:44,790 --> 01:36:43,440

for some reason this event that i'm

2707

01:36:47,270 --> 01:36:44,800

about to tell you it was what triggered

2708

01:36:48,709 --> 01:36:47,280

me to get really really super obsessed

2709

01:36:51,669 --> 01:36:48,719

with ufos

2710

01:36:53,750 --> 01:36:51,679

and it was the dome of the rock ufo

2711

01:36:55,030 --> 01:36:53,760

because it was on the news and stuff and

2712

01:36:58,070 --> 01:36:55,040

i spent

2713

01:36:59,590 --> 01:36:58,080

like 24 hours on the internet just like

2714

01:37:00,950 --> 01:36:59,600

scouring everything i could find and

2715

01:37:02,470 --> 01:37:00,960

then you know for a week afterwards

2716

01:37:04,390 --> 01:37:02,480

there was more things coming you know

2717

01:37:05,510 --> 01:37:04,400

being released there were several videos

2718

01:37:07,109 --> 01:37:05,520

and that was like

2719

01:37:08,390 --> 01:37:07,119

analyzing them like second by second

2720

01:37:09,750 --> 01:37:08,400

because there was one where there was a

2721

01:37:11,590 --> 01:37:09,760

flash and you could see like i was

2722

01:37:13,030 --> 01:37:11,600

trying to see how much of the city that

2723

01:37:13,910 --> 01:37:13,040

it would lit up if you've never seen it

2724

01:37:15,350 --> 01:37:13,920

i don't even know if it's on the

2725

01:37:17,109 --> 01:37:15,360

internet anymore but

2726

01:37:19,109 --> 01:37:17,119

turns out like i understand it's

2727

01:37:22,629 --> 01:37:19,119

definitely a hoax by

2728

01:37:24,629 --> 01:37:22,639

some guys in israel that you know

2729

01:37:26,629 --> 01:37:24,639

something college thinkers but it was

2730

01:37:29,830 --> 01:37:26,639

just something about it just triggered

2731

01:37:31,109 --> 01:37:29,840

this entrance like crazy and i

2732

01:37:33,109 --> 01:37:31,119

saw that there was going to be this

2733

01:37:34,550 --> 01:37:33,119

conference in phoenix

2734

01:37:36,550 --> 01:37:34,560

the international ufo congress and i was

2735

01:37:39,030 --> 01:37:36,560

like wow i didn't even know

2736

01:37:41,109 --> 01:37:39,040

ufo conferences existed you know and by

2737

01:37:44,149 --> 01:37:41,119

the time i was in my 40s yeah and then

2738

01:37:45,750 --> 01:37:44,159

what not even 10 years later i'm

2739

01:37:48,310 --> 01:37:45,760

running the dang thing

2740

01:37:50,790 --> 01:37:48,320

that made sense to me yeah because you

2741

01:37:52,229 --> 01:37:50,800

had a print election for it

2742

01:37:54,229 --> 01:37:52,239

otherwise you just would have dismissed

2743

01:37:56,070 --> 01:37:54,239

it okay but you were interested in it

2744

01:37:57,109 --> 01:37:56,080

yeah the reason you're interested in is

2745

01:37:59,270 --> 01:37:57,119

because

2746

01:38:01,270 --> 01:37:59,280

something's probably happened in your

2747

01:38:03,030 --> 01:38:01,280

past that you still probably don't know

2748

01:38:04,390 --> 01:38:03,040

or still haven't recalled yeah that is

2749

01:38:05,510 --> 01:38:04,400

kind of a weird thing too because i've

2750

01:38:07,750 --> 01:38:05,520

never

2751

01:38:09,669 --> 01:38:07,760

gotten regressed to this day even though

2752

01:38:10,790 --> 01:38:09,679

it's something that i think about either

2753

01:38:11,910 --> 01:38:10,800

i don't know i think you should do that

2754

01:38:13,990 --> 01:38:11,920

i should do that sometimes but i've

2755

01:38:15,669 --> 01:38:14,000

never had like what is it about me that

2756

01:38:17,750 --> 01:38:15,679

i'm avoiding it

2757

01:38:19,030 --> 01:38:17,760

or what i don't know but

2758

01:38:21,189 --> 01:38:19,040

uh

2759

01:38:22,229 --> 01:38:21,199

yeah maybe we're happy not knowing

2760

01:38:23,669 --> 01:38:22,239

yeah

2761

01:38:25,990 --> 01:38:23,679

i don't know but i mean it was kind of

2762

01:38:27,990 --> 01:38:26,000

cool because i read all these books in

2763

01:38:30,550 --> 01:38:28,000

that two-month period between january or

2764

01:38:31,350 --> 01:38:30,560

actually a month until the conference

2765

01:38:32,709 --> 01:38:31,360

and

2766

01:38:34,550 --> 01:38:32,719

all the people that i was reading their

2767

01:38:35,990 --> 01:38:34,560

books were there like in the general was

2768

01:38:37,750 --> 01:38:36,000

just a coincidence i had read john

2769

01:38:40,070 --> 01:38:37,760

alexander's book he was there i read

2770

01:38:41,750 --> 01:38:40,080

dole's book he was there um leslie

2771

01:38:43,430 --> 01:38:41,760

kane's book and she was there it was

2772

01:38:45,350 --> 01:38:43,440

like

2773

01:38:46,709 --> 01:38:45,360

this is a i'm glad you brought this

2774

01:38:49,109 --> 01:38:46,719

whole story up because i'm going to ask

2775

01:38:51,270 --> 01:38:49,119

you this um because a lot of times i i

2776

01:38:53,030 --> 01:38:51,280

get really angry at hoaxes

2777

01:38:55,990 --> 01:38:53,040

because i feel as though

2778

01:38:58,310 --> 01:38:56,000

they turn a lot of people away from

2779

01:39:00,229 --> 01:38:58,320

looking into this topic but in this

2780

01:39:01,430 --> 01:39:00,239

particular case

2781

01:39:03,430 --> 01:39:01,440

that picture

2782

01:39:04,629 --> 01:39:03,440

that's still making yeah i just i don't

2783

01:39:07,590 --> 01:39:04,639

know there's something weird about that

2784

01:39:09,189 --> 01:39:07,600

thing because i even found a security

2785

01:39:10,790 --> 01:39:09,199

support security

2786

01:39:13,590 --> 01:39:10,800

the footage from a completely different

2787

01:39:15,830 --> 01:39:13,600

angle that showed the light

2788

01:39:17,910 --> 01:39:15,840

the bright when it like flashed and shot

2789

01:39:19,430 --> 01:39:17,920

up and it lit up

2790

01:39:21,430 --> 01:39:19,440

the surrounding area so i don't know how

2791

01:39:23,189 --> 01:39:21,440

they do how they did this like how did

2792

01:39:24,950 --> 01:39:23,199

that i mean i guess just very good

2793

01:39:27,030 --> 01:39:24,960

hoaxers

2794

01:39:30,709 --> 01:39:27,040

but it really did take uh occupy a lot

2795

01:39:32,390 --> 01:39:30,719

of my time for that week or so being i

2796

01:39:34,550 --> 01:39:32,400

did a lot of cg work too which is

2797

01:39:35,350 --> 01:39:34,560

computer germany graphics and

2798

01:39:36,870 --> 01:39:35,360

um

2799

01:39:39,669 --> 01:39:36,880

the way you make something light up like

2800

01:39:41,830 --> 01:39:39,679

that is actually very straightforward

2801
01:39:43,350 --> 01:39:41,840
you don't light up the actual buildings

2802
01:39:44,950 --> 01:39:43,360
you light up what's called a standing

2803
01:39:46,950 --> 01:39:44,960
object something that's shaped like them

2804
01:39:49,350 --> 01:39:46,960
that's actually something you built

2805
01:39:51,350 --> 01:39:49,360
so if someone's doing that okay i feel

2806
01:39:53,910 --> 01:39:51,360
that that was a hoax

2807
01:39:55,430 --> 01:39:53,920
and i know i saw three different angles

2808
01:39:57,990 --> 01:39:55,440
and what i discovered in that was that

2809
01:40:00,390 --> 01:39:58,000
all three showed a different craft

2810
01:40:02,550 --> 01:40:00,400
it was supposed to be the same craft

2811
01:40:04,229 --> 01:40:02,560
and that that bothered me from the very

2812
01:40:05,910 --> 01:40:04,239
beginning so i started to analyze it and

2813
01:40:08,950 --> 01:40:05,920

figured out that the light that was

2814

01:40:11,590 --> 01:40:08,960

striking the buildings in a city that

2815

01:40:13,510 --> 01:40:11,600

never sleeps

2816

01:40:14,550 --> 01:40:13,520

should have had many more reports than

2817

01:40:16,470 --> 01:40:14,560

there were

2818

01:40:17,830 --> 01:40:16,480

why would you only get three people

2819

01:40:21,430 --> 01:40:17,840

reporting this

2820

01:40:23,510 --> 01:40:21,440

supposedly from different vantage points

2821

01:40:25,030 --> 01:40:23,520

in the course of an evening when the

2822

01:40:26,870 --> 01:40:25,040

city is lit up already because there's

2823

01:40:28,310 --> 01:40:26,880

so many people out

2824

01:40:30,390 --> 01:40:28,320

there would have been hundreds and

2825

01:40:32,790 --> 01:40:30,400

hundreds of reports that night

2826

01:40:34,950 --> 01:40:32,800

especially in the tome of the rock the

2827

01:40:35,830 --> 01:40:34,960

most religious

2828

01:40:37,350 --> 01:40:35,840

right symbol of

2829

01:40:39,109 --> 01:40:37,360

that was real i was just like this is

2830

01:40:41,270 --> 01:40:39,119

the most incredible thing ever happened

2831

01:40:43,510 --> 01:40:41,280

you know why didn't anybody and you know

2832

01:40:45,990 --> 01:40:43,520

i was just like but i believe that you

2833

01:40:47,189 --> 01:40:46,000

were you were intrigued by it probably

2834

01:40:49,030 --> 01:40:47,199

because

2835

01:40:50,790 --> 01:40:49,040

you've been intrigued by uh something

2836

01:40:51,830 --> 01:40:50,800

that maybe happened to you some point in

2837

01:40:53,830 --> 01:40:51,840

the past

2838

01:40:56,229 --> 01:40:53,840

and so you were already leaning toward

2839

01:40:58,229 --> 01:40:56,239

that to begin with

2840

01:41:00,070 --> 01:40:58,239

so that might have been a hoax but

2841

01:41:01,669 --> 01:41:00,080

something else that's buried inside your

2842

01:41:04,629 --> 01:41:01,679

head wasn't

2843

01:41:06,709 --> 01:41:04,639

yeah and that's what drew this

2844

01:41:10,790 --> 01:41:06,719

that's my feeling other weird thing that

2845

01:41:15,109 --> 01:41:12,390

i remember not like looking back i

2846

01:41:16,870 --> 01:41:15,119

remember from this time on no i remember

2847

01:41:18,709 --> 01:41:16,880

from this point in my life i moved

2848

01:41:20,470 --> 01:41:18,719

around a lot my dad was in the air force

2849

01:41:21,430 --> 01:41:20,480

but i remember

2850

01:41:23,590 --> 01:41:21,440

almost

2851

01:41:25,830 --> 01:41:23,600

coming alive

2852

01:41:27,590 --> 01:41:25,840

in a sense when we pulled into the

2853

01:41:28,950 --> 01:41:27,600

driveway of my new home

2854

01:41:30,470 --> 01:41:28,960

and i guess i was sleeping i don't know

2855

01:41:31,990 --> 01:41:30,480

and i woke up

2856

01:41:33,430 --> 01:41:32,000

and i remember thinking where the heck

2857

01:41:36,950 --> 01:41:33,440

am i and i don't remember anything

2858

01:41:42,390 --> 01:41:40,070

like then not now then

2859

01:41:43,510 --> 01:41:42,400

when i was five or nine to five four

2860

01:41:45,669 --> 01:41:43,520

thinking

2861

01:41:47,270 --> 01:41:45,679

i don't know where i am i don't know who

2862

01:41:49,189 --> 01:41:47,280

i am i don't know i don't know anything

2863

01:41:50,070 --> 01:41:49,199

before this date

2864

01:41:54,550 --> 01:41:50,080

and then

2865

01:41:55,430 --> 01:41:54,560

went on with my life and everything but

2866

01:41:57,510 --> 01:41:55,440

that is

2867

01:41:58,950 --> 01:41:57,520

really weird

2868

01:41:59,830 --> 01:41:58,960

i don't know

2869

01:42:00,629 --> 01:41:59,840

or

2870

01:42:05,350 --> 01:42:00,639

like

2871

01:42:09,270 --> 01:42:05,360

became aware or something

2872

01:42:12,870 --> 01:42:11,030

it's your dad being in the air force

2873

01:42:14,870 --> 01:42:12,880

yeah i don't know

2874

01:42:17,830 --> 01:42:14,880

hey matthew i'd like to hear some more

2875

01:42:20,390 --> 01:42:17,840

about your stories what was your duty

2876

01:42:23,430 --> 01:42:20,400

in the navy what were you doing

2877

01:42:24,629 --> 01:42:23,440

was your job so i was a cryptologist

2878

01:42:26,830 --> 01:42:24,639

um and that

2879

01:42:29,830 --> 01:42:26,840

uh that's basically

2880

01:42:32,070 --> 01:42:29,840

just so i worked in comet which is

2881

01:42:34,229 --> 01:42:32,080

communications intelligence and that's

2882

01:42:36,550 --> 01:42:34,239

about so like you trying to interpret if

2883

01:42:38,950 --> 01:42:36,560

there's any secret messages happening in

2884

01:42:41,189 --> 01:42:38,960

communications from other or perhaps no

2885

01:42:43,590 --> 01:42:41,199

i mean that's that's about all i can say

2886

01:42:50,709 --> 01:42:47,350

um you're ready and you can't tell yeah

2887

01:42:52,629 --> 01:42:50,719

yeah so that that's what i did and um

2888

01:42:55,189 --> 01:42:52,639

of course i you know i talked about the

2889

01:43:00,149 --> 01:42:55,199

book how i ended my career at the autism

2890

01:43:03,669 --> 01:43:01,990

so you were one of the very first people

2891

01:43:06,070 --> 01:43:03,679

to see the gimbal

2892

01:43:07,590 --> 01:43:06,080

you saw footage of this from just the

2893

01:43:12,070 --> 01:43:07,600

previous day

2894

01:43:13,910 --> 01:43:12,080

day or two maybe yeah

2895

01:43:15,669 --> 01:43:13,920

and the person that showed it to you was

2896

01:43:17,830 --> 01:43:15,679

the person who

2897

01:43:19,830 --> 01:43:17,840

saw it before you maybe he yeah was not

2898

01:43:21,910 --> 01:43:19,840

supposed to show it to you or

2899

01:43:31,270 --> 01:43:21,920

um i don't know that he wasn't supposed

2900

01:43:35,910 --> 01:43:32,950

and i don't i don't think anybody was

2901

01:43:37,109 --> 01:43:35,920

ever told don't say anything

2902

01:43:38,950 --> 01:43:37,119

but i think

2903

01:43:41,189 --> 01:43:38,960

i i think it was just

2904

01:43:42,149 --> 01:43:41,199

clear that you know you have a clearance

2905

01:43:48,229 --> 01:43:42,159

so

2906

01:43:49,030 --> 01:43:48,239

spoke of at all

2907

01:43:51,030 --> 01:43:49,040

um

2908

01:43:53,510 --> 01:43:51,040

and what what kind of impression did

2909

01:43:56,629 --> 01:43:53,520

that make on you when you saw that

2910

01:43:59,910 --> 01:43:56,639

uh when i saw it i mean it was just it

2911

01:44:01,990 --> 01:43:59,920

was kind of like a gut punch really

2912

01:44:04,790 --> 01:44:02,000

because

2913

01:44:06,870 --> 01:44:04,800

you know you you you you had this idea

2914

01:44:10,070 --> 01:44:06,880

of what uh

2915

01:44:13,350 --> 01:44:10,080

ufology is and what what those people

2916

01:44:15,510 --> 01:44:13,360

are like and um of course i didn't know

2917

01:44:17,990 --> 01:44:15,520

anyone who was in that field or anything

2918

01:44:20,870 --> 01:44:18,000

like that so i i kind of imagined it as

2919

01:44:22,229 --> 01:44:20,880

this like circus of tin foil hats you

2920

01:44:25,910 --> 01:44:22,239

know of course

2921

01:44:27,590 --> 01:44:25,920

uh it's not like that but um

2922

01:44:30,149 --> 01:44:27,600

you know so i

2923

01:44:32,950 --> 01:44:30,159

it was like you know here it is

2924

01:44:36,390 --> 01:44:32,960

i'm watching this footage now in inside

2925

01:44:39,270 --> 01:44:36,400

a skiff um this is government footage so

2926

01:44:40,550 --> 01:44:39,280

i know it's real i know this isn't faked

2927

01:44:43,990 --> 01:44:40,560

you know

2928

01:44:46,310 --> 01:44:44,000

and so uh i had a very kind of

2929

01:44:48,790 --> 01:44:46,320

emotional reaction to it i was unable to

2930

01:44:51,109 --> 01:44:48,800

eat for a few days

2931

01:44:53,990 --> 01:44:51,119

um because it was just like

2932

01:44:56,390 --> 01:44:54,000

oh you know this all this is real

2933

01:44:58,390 --> 01:44:56,400

you know and i didn't know that

2934

01:44:59,990 --> 01:44:58,400

so is everyone on board talking about

2935

01:45:02,310 --> 01:45:00,000

this or was it

2936

01:45:04,629 --> 01:45:02,320

hush no i mean i think i think most

2937

01:45:06,950 --> 01:45:04,639

people on the ship didn't know anything

2938

01:45:09,669 --> 01:45:06,960

was happening uh unless you worked for

2939

01:45:11,510 --> 01:45:09,679

the air wing or you worked in intel

2940

01:45:13,350 --> 01:45:11,520

uh you just

2941

01:45:15,030 --> 01:45:13,360

this wasn't something you knew about and

2942

01:45:16,390 --> 01:45:15,040

did you ask to go back and see that

2943

01:45:19,030 --> 01:45:16,400

footage again

2944

01:45:21,990 --> 01:45:19,040

and again yeah it was it was on our

2945

01:45:23,830 --> 01:45:22,000

secure network so i you know i pulled it

2946

01:45:26,070 --> 01:45:23,840

up but we deployed after this because we

2947

01:45:27,830 --> 01:45:26,080

were on our workup cycle which is to get

2948

01:45:30,310 --> 01:45:27,840

us ready for deployment

2949

01:45:33,030 --> 01:45:30,320

and so i would pull that footage up

2950

01:45:35,430 --> 01:45:33,040

every once in a while and just watch it

2951

01:45:37,510 --> 01:45:35,440

and i'm like how is this thing

2952

01:45:39,510 --> 01:45:37,520

in the air you know what is that how is

2953

01:45:41,750 --> 01:45:39,520

it doing that you know

2954

01:45:43,430 --> 01:45:41,760

so prior to that you didn't consider the

2955

01:45:45,750 --> 01:45:43,440

possibility of

2956

01:45:47,189 --> 01:45:45,760

ufos

2957

01:45:48,470 --> 01:45:47,199

it really wasn't something that i

2958

01:45:49,669 --> 01:45:48,480

thought about

2959

01:45:50,950 --> 01:45:49,679

it's not that you didn't believe you

2960

01:45:52,550 --> 01:45:50,960

just it was

2961

01:45:54,709 --> 01:45:52,560

yeah i mean it was it was just wasn't

2962

01:45:57,430 --> 01:45:54,719

there your consciousness yeah i mean i

2963

01:45:59,910 --> 01:45:57,440

and if i saw a show on tv like ancient

2964

01:46:02,310 --> 01:45:59,920

aliens come on i would kind of

2965

01:46:03,830 --> 01:46:02,320

roll my eyes and change the channel you

2966

01:46:04,629 --> 01:46:03,840

know but

2967

01:46:07,590 --> 01:46:04,639

um

2968

01:46:10,070 --> 01:46:07,600

you know now that i knew it was real

2969

01:46:10,950 --> 01:46:10,080

you know because i've seen it uh that

2970

01:46:15,990 --> 01:46:10,960

was

2971

01:46:18,070 --> 01:46:16,000

profound gut punch for me i can imagine

2972

01:46:19,510 --> 01:46:18,080

yeah it's happened to me before

2973

01:46:21,189 --> 01:46:19,520

i don't know

2974

01:46:23,270 --> 01:46:21,199

we do have a caller

2975

01:46:24,790 --> 01:46:23,280

um thank you for that matthew yeah

2976

01:46:27,189 --> 01:46:24,800

and uh

2977

01:46:29,430 --> 01:46:27,199

i i will have you back on the show again

2978

01:46:31,109 --> 01:46:29,440

someday so we talk more about that but

2979

01:46:33,910 --> 01:46:31,119

we do have a caller

2980

01:46:35,590 --> 01:46:33,920

uh we have jeannie on joni i'm sorry on

2981

01:46:37,990 --> 01:46:35,600

from pennsylvania joni you're live on

2982

01:46:38,000 --> 01:46:48,870

um i want to know

2983

01:46:52,830 --> 01:46:50,390

yeah we already talked about the phoenix

2984

01:46:56,229 --> 01:46:52,840

lights in the very beginning of the

2985

01:46:57,830 --> 01:46:56,239

show okay i'm sorry i didn't know

2986

01:47:00,790 --> 01:46:57,840

yeah okay

2987

01:47:03,669 --> 01:47:00,800

all right thank you

2988

01:47:05,910 --> 01:47:03,679

i'll have to give bill grief about that

2989

01:47:07,270 --> 01:47:05,920

anyway huh tough host

2990

01:47:09,990 --> 01:47:07,280

yeah i know

2991

01:47:11,750 --> 01:47:10,000

all right well uh we have

2992

01:47:13,350 --> 01:47:11,760

we have just four minutes left is there

2993

01:47:16,070 --> 01:47:13,360

anything else you wanted to add to that

2994

01:47:17,270 --> 01:47:16,080

i mean i kind of cut your story short

2995

01:47:18,550 --> 01:47:17,280

just uh

2996

01:47:20,550 --> 01:47:18,560

just because we have now we have four

2997

01:47:22,870 --> 01:47:20,560

minutes left i don't know if anyone else

2998

01:47:23,590 --> 01:47:22,880

wants to ask matthew a question i mean

2999

01:47:24,709 --> 01:47:23,600

it's

3000

01:47:27,590 --> 01:47:24,719

he's uh

3001

01:47:29,750 --> 01:47:27,600

you were doing really good job

3002

01:47:32,390 --> 01:47:29,760

matthew can you ever talk about you say

3003

01:47:33,270 --> 01:47:32,400

you can't talk about your what you did

3004

01:47:34,790 --> 01:47:33,280

in

3005

01:47:36,870 --> 01:47:34,800

the navy or

3006

01:47:39,189 --> 01:47:36,880

any maybe you have experiences you can't

3007

01:47:40,870 --> 01:47:39,199

talk about will there'll be ever a time

3008

01:47:42,310 --> 01:47:40,880

maybe when you're in your 60s 70s

3009

01:47:43,350 --> 01:47:42,320

wherever that you can seven or five

3010

01:47:45,830 --> 01:47:43,360

years right

3011

01:47:47,590 --> 01:47:45,840

talk about it i mean is there any time

3012

01:47:52,310 --> 01:47:47,600

three minutes um

3013

01:47:54,950 --> 01:47:52,320

you know i i i don't i don't think so um

3014

01:47:56,790 --> 01:47:54,960

i you know i certainly am not gonna take

3015

01:47:58,229 --> 01:47:56,800

anything to my grave i'll tell you that

3016

01:48:00,629 --> 01:47:58,239

right now

3017

01:48:04,550 --> 01:48:03,350

so we'll see so follow him around so on

3018

01:48:07,109 --> 01:48:04,560

your deathbed you're gonna have to i'm

3019

01:48:08,870 --> 01:48:07,119

gonna have that tape recorder ready okay

3020

01:48:11,350 --> 01:48:08,880

what's today today i don't think this is

3021

01:48:13,350 --> 01:48:11,360

all right yeah so i i think i think all

3022

01:48:14,870 --> 01:48:13,360

of this is gonna come out i mean i don't

3023

01:48:15,830 --> 01:48:14,880

i don't think i'm gonna have to say

3024

01:48:17,910 --> 01:48:15,840

anything

3025

01:48:19,910 --> 01:48:17,920

um i think it's all already coming out

3026

01:48:23,109 --> 01:48:19,920

we talked about how this follows

3027

01:48:24,629 --> 01:48:23,119

bloodlines right there's this new book

3028

01:48:30,950 --> 01:48:24,639

um

3029

01:48:36,470 --> 01:48:32,950

was some yeah or something that was just

3030

01:48:38,950 --> 01:48:36,480

drafted in the last day or two and it's

3031

01:48:40,550 --> 01:48:38,960

pretty clear that the intelligence

3032

01:48:42,470 --> 01:48:40,560

committees have seen

3033

01:48:44,390 --> 01:48:42,480

some pretty bizarre things

3034

01:48:47,510 --> 01:48:44,400

because they're talking about

3035

01:48:50,390 --> 01:48:47,520

um something like to study

3036

01:48:52,310 --> 01:48:50,400

you know above and underwater like all

3037

01:48:53,030 --> 01:48:52,320

mediums kind of thing so it's like i

3038

01:48:55,830 --> 01:48:53,040

think

3039

01:48:57,510 --> 01:48:55,840

that they do have some information that

3040

01:48:59,830 --> 01:48:57,520

has been turned over maybe by lou or

3041

01:49:02,070 --> 01:48:59,840

some of these these things that um we

3042

01:49:03,830 --> 01:49:02,080

might not ever get to but i think

3043

01:49:05,910 --> 01:49:03,840

they're convinced now

3044

01:49:07,510 --> 01:49:05,920

that's i think that's true i mean

3045

01:49:11,350 --> 01:49:07,520

you know

3046

01:49:12,790 --> 01:49:11,360

i know that uh we are all for ufos and

3047

01:49:15,030 --> 01:49:12,800

some of us are familiar with the unknown

3048

01:49:16,390 --> 01:49:15,040

suburbs optics they're very fast movers

3049

01:49:17,669 --> 01:49:16,400

as we've called them right in the past

3050

01:49:19,589 --> 01:49:17,679

that's what they were called on the boat

3051

01:49:22,229 --> 01:49:19,599

i was on i was a

3052

01:49:25,109 --> 01:49:22,239

visitor not a sailor

3053

01:49:27,589 --> 01:49:25,119

yeah and so it turns out that those

3054

01:49:29,830 --> 01:49:27,599

unknown submerged objects are very real

3055

01:49:31,270 --> 01:49:29,840

and decades ago is when this happened

3056

01:49:33,510 --> 01:49:31,280

that i had that experience where i saw

3057

01:49:35,750 --> 01:49:33,520

the several hundred knots this object

3058

01:49:37,750 --> 01:49:35,760

moving through sauna very very quickly

3059

01:49:39,750 --> 01:49:37,760

and uh they were called fast movers on

3060

01:49:41,350 --> 01:49:39,760

that boat and i did a job for the joint

3061

01:49:42,629 --> 01:49:41,360

chiefs a couple years later and the

3062

01:49:43,669 --> 01:49:42,639

chief said he couldn't tell me about the

3063

01:49:45,669 --> 01:49:43,679

program when i asked him about it

3064

01:49:46,950 --> 01:49:45,679

specifically he could have said what's

3065

01:49:47,830 --> 01:49:46,960

that program i've never heard of it but

3066

01:49:48,550 --> 01:49:47,840

he didn't

3067

01:49:49,589 --> 01:49:48,560

so

3068

01:49:51,669 --> 01:49:49,599

clearly

3069

01:49:53,830 --> 01:49:51,679

above the water below the water stuff's

3070

01:49:57,030 --> 01:49:53,840

happening and i know that they're here i

3071

01:49:57,990 --> 01:49:57,040

know i sense strongly that they're here

3072

01:50:00,629 --> 01:49:58,000

yes so

3073

01:50:02,870 --> 01:50:00,639

thank you everyone this has been a lot

3074

01:50:05,830 --> 01:50:02,880

of fun i really appreciate all the time

3075

01:50:08,149 --> 01:50:05,840

in your hospitality out here next week

3076

01:50:09,990 --> 01:50:08,159

we have our 10th anniversary show and

3077

01:50:12,070 --> 01:50:10,000

you think there's a lot of people here

3078

01:50:14,629 --> 01:50:12,080

now uh you'll see how many people will

3079

01:50:16,629 --> 01:50:14,639

be involved in that so 10 years coming

3080

01:50:18,950 --> 01:50:16,639

up next week and you're going to do some

3081

01:50:20,790 --> 01:50:18,960

math and you're going to say yeah

3082

01:50:24,390 --> 01:50:20,800

thank you gotta do some math and say

3083

01:50:27,350 --> 01:50:24,400

okay only 478 shows how that should be

3084

01:50:29,189 --> 01:50:27,360

520 shows and i used to do the show

3085

01:50:31,189 --> 01:50:29,199

every once every two weeks that's why

3086

01:50:32,950 --> 01:50:31,199

that um someone was asking me about that

3087

01:50:35,750 --> 01:50:32,960

but thank you so much everyone and

3088

01:50:38,610 --> 01:50:35,760

remember to keep your eyes to the sky

3089

01:50:49,630 --> 01:50:38,620

bye everyone
