

EPISODE #1 REPLAY 10 YEAR ANNIVERSARY

STEPHEN
BASSETT

1
00:00:12,870 --> 00:00:11,030

[Music]

2
00:00:15,749 --> 00:00:12,880

hey everyone my name is martin willis

3
00:00:17,590 --> 00:00:15,759

and i'm the host of podcast ufo this is

4
00:00:19,830 --> 00:00:17,600

our first show welcome thank you for

5
00:00:21,910 --> 00:00:19,840

joining us my hopes are is that this

6
00:00:24,150 --> 00:00:21,920

site will be interactive you're welcome

7
00:00:26,550 --> 00:00:24,160

to contact me to see if you can have an

8
00:00:28,830 --> 00:00:26,560

interview with me or you can submit all

9
00:00:31,750 --> 00:00:28,840

the information is on our website

10
00:00:35,030 --> 00:00:31,760

podcastufo.com and my email address is

11
00:00:36,470 --> 00:00:35,040

info at podcastufo.com

12
00:00:38,549 --> 00:00:36,480

thank you for listening our first guest

13
00:00:42,150 --> 00:00:38,559

today is stephen bassett and here's our

14

00:00:44,630 --> 00:00:42,160

show on skype with me in la i have the

15

00:00:45,590 --> 00:00:44,640

executive director of paradigm research

16

00:00:48,470 --> 00:00:45,600

group

17

00:00:49,990 --> 00:00:48,480

stephen bassett how you doing stephen

18

00:00:52,310 --> 00:00:50,000

i'm doing fine martin i'm glad to be

19

00:00:53,590 --> 00:00:52,320

with you yeah thanks for joining us and

20

00:00:57,029 --> 00:00:53,600

also you

21

00:00:58,790 --> 00:00:57,039

are a political um activist

22

00:00:59,590 --> 00:00:58,800

can you kind of explain exactly what

23

00:01:03,670 --> 00:00:59,600

your

24

00:01:05,990 --> 00:01:03,680

uh position is on that well i'm not uh

25

00:01:08,630 --> 00:01:06,000

involved in the phenomenology

26

00:01:11,750 --> 00:01:08,640

of ufos i'm involved in the politics of

27

00:01:13,109 --> 00:01:11,760

extraterrestrial phenomena

28

00:01:14,710 --> 00:01:13,119

so

29

00:01:17,590 --> 00:01:14,720

i'm not a researcher

30

00:01:19,109 --> 00:01:17,600

i'm advocating for

31

00:01:21,109 --> 00:01:19,119

policy change

32

00:01:23,109 --> 00:01:21,119

uh from the government

33

00:01:25,030 --> 00:01:23,119

with respect to this phenomenon the

34

00:01:27,109 --> 00:01:25,040

current policy of the united states

35

00:01:29,030 --> 00:01:27,119

government which was actually put in

36

00:01:32,469 --> 00:01:29,040

print for the first time

37

00:01:34,230 --> 00:01:32,479

frankly uh on november 4th is that there

38

00:01:35,749 --> 00:01:34,240

is no evidence at all

39

00:01:37,270 --> 00:01:35,759

for

40

00:01:39,510 --> 00:01:37,280

an extraterrestrial not human

41

00:01:42,069 --> 00:01:39,520

intelligence engaging us

42

00:01:43,429 --> 00:01:42,079

which is of course not true

43

00:01:45,510 --> 00:01:43,439

in fact the government has been

44

00:01:47,350 --> 00:01:45,520

deliberately withholding

45

00:01:50,310 --> 00:01:47,360

information and any formal

46

00:01:52,870 --> 00:01:50,320

acknowledgement of this reality

47

00:01:55,590 --> 00:01:52,880

since the late 1940s

48

00:01:57,510 --> 00:01:55,600

as a national security policy so my job

49

00:01:58,870 --> 00:01:57,520

is to change that policy i'm part of a

50

00:02:01,190 --> 00:01:58,880

movement which is often called the

51
00:02:02,469 --> 00:02:01,200
disclosure movement and a goal of the

52
00:02:03,830 --> 00:02:02,479
goal is

53
00:02:05,670 --> 00:02:03,840
the formal acknowledgement of the

54
00:02:06,870 --> 00:02:05,680
extraterrestrial presence

55
00:02:09,589 --> 00:02:06,880
by government that would be the

56
00:02:11,110 --> 00:02:09,599
disclosure event capital d until we get

57
00:02:13,110 --> 00:02:11,120
that we have not succeeded in the

58
00:02:15,910 --> 00:02:13,120
meantime we'll continue to raise public

59
00:02:17,830 --> 00:02:15,920
awareness and pursue that goal yes uh

60
00:02:20,070 --> 00:02:17,840
the one question i have

61
00:02:22,390 --> 00:02:20,080
on this thing that came to mind before i

62
00:02:24,309 --> 00:02:22,400
talked to you was if the government did

63
00:02:26,630 --> 00:02:24,319

go ahead and admit

64

00:02:29,110 --> 00:02:26,640

basically that they've been covering up

65

00:02:30,229 --> 00:02:29,120

and lying all these years

66

00:02:31,509 --> 00:02:30,239

how would they

67

00:02:34,869 --> 00:02:31,519

justify

68

00:02:37,750 --> 00:02:34,879

the tax money they've spent on say seti

69

00:02:40,229 --> 00:02:37,760

and kepler and things uh you know in

70

00:02:42,150 --> 00:02:40,239

regard of searching for extraterrestrial

71

00:02:44,550 --> 00:02:42,160

life if they've known it's been here all

72

00:02:46,949 --> 00:02:44,560

along the government has a great deal to

73

00:02:49,350 --> 00:02:46,959

answer for clearly

74

00:02:51,589 --> 00:02:49,750

there are disclosure

75

00:02:52,550 --> 00:02:51,599

huge number of questions that could be

76

00:02:53,509 --> 00:02:52,560

raised

77

00:02:56,150 --> 00:02:53,519

about

78

00:02:58,149 --> 00:02:56,160

that policy that's one of them but

79

00:03:01,509 --> 00:02:58,159

there's plenty more but the truth of the

80

00:03:03,830 --> 00:03:01,519

matter is that they will justify this

81

00:03:05,509 --> 00:03:03,840

policy on the basis of national security

82

00:03:07,509 --> 00:03:05,519

period right

83

00:03:10,470 --> 00:03:07,519

and uh

84

00:03:12,229 --> 00:03:10,480

the reason i don't call it a cover-up

85

00:03:14,470 --> 00:03:12,239

but rather have

86

00:03:16,710 --> 00:03:14,480

insisted that or made the effort to call

87

00:03:18,550 --> 00:03:16,720

it a truth embargo is that a cover-up

88

00:03:20,070 --> 00:03:18,560

implies illegality and criminality and

89

00:03:22,630 --> 00:03:20,080

it wasn't illegal

90

00:03:24,869 --> 00:03:22,640

the policy to withhold the e.t

91

00:03:25,750 --> 00:03:24,879

and acknowledgement of the e.t issue as

92

00:03:27,509 --> 00:03:25,760

real

93

00:03:29,670 --> 00:03:27,519

was perfectly legal

94

00:03:32,149 --> 00:03:29,680

even without a national security act of

95

00:03:34,789 --> 00:03:32,159

1947 and still would have been legal

96

00:03:35,670 --> 00:03:34,799

this is clearly national security matter

97

00:03:37,270 --> 00:03:35,680

and

98

00:03:39,350 --> 00:03:37,280

they were faced with some very tough

99

00:03:40,949 --> 00:03:39,360

decisions to make back in the 40s and

100

00:03:43,030 --> 00:03:40,959

the 50s with respect to this and they

101
00:03:45,589 --> 00:03:43,040
decided it had to be withheld

102
00:03:46,390 --> 00:03:45,599
so it's uh not illegal

103
00:03:47,910 --> 00:03:46,400
and

104
00:03:49,830 --> 00:03:47,920
if we

105
00:03:50,630 --> 00:03:49,840
and if seti

106
00:03:55,030 --> 00:03:50,640
was

107
00:03:55,990 --> 00:03:55,040
help divert pressure away from the

108
00:03:58,710 --> 00:03:56,000
government

109
00:03:59,990 --> 00:03:58,720
by providing a sort of front a program

110
00:04:01,830 --> 00:04:00,000
to give the appearance the government

111
00:04:03,190 --> 00:04:01,840
does care about the issue and is looking

112
00:04:04,789 --> 00:04:03,200
for it

113
00:04:06,470 --> 00:04:04,799

uh then that would be money spent in

114

00:04:08,309 --> 00:04:06,480

service of national security if

115

00:04:11,190 --> 00:04:08,319

technology is being withheld it could be

116

00:04:13,030 --> 00:04:11,200

very beneficial to us

117

00:04:14,710 --> 00:04:13,040

then they will justify that in the basis

118

00:04:17,030 --> 00:04:14,720

of national security

119

00:04:19,909 --> 00:04:17,040

so it's that simple now to the extent

120

00:04:22,550 --> 00:04:19,919

that the public accepts that explanation

121

00:04:23,510 --> 00:04:22,560

remains to be seen but the vast majority

122

00:04:24,870 --> 00:04:23,520

of people

123

00:04:26,710 --> 00:04:24,880

who are not

124

00:04:28,710 --> 00:04:26,720

aware of these

125

00:04:31,189 --> 00:04:28,720

how would you say

126

00:04:33,030 --> 00:04:31,199

um awkward

127

00:04:34,870 --> 00:04:33,040

uh aspects

128

00:04:36,150 --> 00:04:34,880

the public relations issues are only

129

00:04:38,070 --> 00:04:36,160

going to really be interested in what

130

00:04:39,110 --> 00:04:38,080

can you tell us now and what's going on

131

00:04:44,550 --> 00:04:39,120

and

132

00:04:46,070 --> 00:04:44,560

think that they will be addressed in

133

00:04:48,150 --> 00:04:46,080

various ways

134

00:04:51,189 --> 00:04:48,160

they will not pose initially a major

135

00:04:53,430 --> 00:04:51,199

issue for the united states government

136

00:04:54,950 --> 00:04:53,440

and and

137

00:04:57,909 --> 00:04:54,960

people will be looking

138

00:04:59,430 --> 00:04:57,919

forward not so much backward

139

00:05:00,550 --> 00:04:59,440

that's my belief that doesn't mean that

140

00:05:02,230 --> 00:05:00,560

it won't be awkward and it won't have

141

00:05:03,670 --> 00:05:02,240

there won't be a problem it is a serious

142

00:05:05,350 --> 00:05:03,680

public relations issue and there are

143

00:05:07,830 --> 00:05:05,360

questions to be asked but

144

00:05:10,950 --> 00:05:07,840

overall the disclosure event kind of

145

00:05:14,150 --> 00:05:10,960

overwhelms these concerns

146

00:05:16,070 --> 00:05:14,160

now do you think if if this disclosure

147

00:05:17,430 --> 00:05:16,080

uh came to fruition that it would have

148

00:05:18,629 --> 00:05:17,440

to be

149

00:05:20,150 --> 00:05:18,639

uh

150

00:05:22,310 --> 00:05:20,160

and there would have to be a lot of

151
00:05:24,950 --> 00:05:22,320
countries involved all at the same time

152
00:05:26,629 --> 00:05:24,960
i know that france has come out with

153
00:05:28,710 --> 00:05:26,639
something and recently the mexican

154
00:05:31,189 --> 00:05:28,720
government

155
00:05:32,310 --> 00:05:31,199
the air force actually showed video

156
00:05:34,070 --> 00:05:32,320
which was the first time that was

157
00:05:35,990 --> 00:05:34,080
actually released

158
00:05:38,150 --> 00:05:36,000
to the public

159
00:05:40,070 --> 00:05:38,160
so do you think that like all countries

160
00:05:41,909 --> 00:05:40,080
would have to come

161
00:05:44,629 --> 00:05:41,919
forward with us all at the same time for

162
00:05:47,590 --> 00:05:44,639
it to work properly

163
00:05:49,110 --> 00:05:47,600

no and that's not likely to happen

164

00:05:50,550 --> 00:05:49,120

many governments have been taking some

165

00:05:52,390 --> 00:05:50,560

actions which are

166

00:05:54,629 --> 00:05:52,400

advancing the disclosure process and

167

00:05:56,309 --> 00:05:54,639

putting pressure on the united states by

168

00:05:57,749 --> 00:05:56,319

not the least of which is releasing

169

00:05:59,990 --> 00:05:57,759

thousands of files into the public

170

00:06:01,670 --> 00:06:00,000

domain um there are probably been about

171

00:06:03,270 --> 00:06:01,680

30 countries that have taken one action

172

00:06:06,150 --> 00:06:03,280

or another but there's about 12 that

173

00:06:08,950 --> 00:06:06,160

have really done quite a bit in the last

174

00:06:12,150 --> 00:06:08,960

10 years including france the united

175

00:06:13,350 --> 00:06:12,160

kingdom canada denmark sweden

176

00:06:14,870 --> 00:06:13,360

and others some of the ones you

177

00:06:17,350 --> 00:06:14,880

mentioned but

178

00:06:18,870 --> 00:06:17,360

it's likely that disclosure

179

00:06:20,790 --> 00:06:18,880

this formal event this formal

180

00:06:22,309 --> 00:06:20,800

announcement will start with a single

181

00:06:24,390 --> 00:06:22,319

country

182

00:06:27,749 --> 00:06:24,400

the reason is is that

183

00:06:29,830 --> 00:06:27,759

it will be very difficult to coordinate

184

00:06:32,870 --> 00:06:29,840

say some sort of group

185

00:06:34,550 --> 00:06:32,880

announcement without risking a leak and

186

00:06:36,870 --> 00:06:34,560

i'm sure the united states government is

187

00:06:39,189 --> 00:06:36,880

very concerned that this might leak out

188

00:06:40,790 --> 00:06:39,199

ahead of time and create a kind of media

189

00:06:42,870 --> 00:06:40,800

frenzy

190

00:06:45,430 --> 00:06:42,880

uh which would force their hand they

191

00:06:47,670 --> 00:06:45,440

want to do it they want to do it clean

192

00:06:49,510 --> 00:06:47,680

they want to come forward yes this is it

193

00:06:51,510 --> 00:06:49,520

here is what's going on

194

00:06:52,870 --> 00:06:51,520

or we acknowledge the ct presence we'll

195

00:06:54,390 --> 00:06:52,880

be answering questions over time

196

00:06:55,909 --> 00:06:54,400

whatever but they don't want this thing

197

00:06:57,589 --> 00:06:55,919

to sort of be messy

198

00:07:00,309 --> 00:06:57,599

and to try to coordinate a number of

199

00:07:02,070 --> 00:07:00,319

nations on on an event of this magnitude

200

00:07:03,589 --> 00:07:02,080

without it suddenly getting out would be

201
00:07:06,070 --> 00:07:03,599
very hard

202
00:07:07,270 --> 00:07:06,080
so i anticipate a single country will

203
00:07:08,230 --> 00:07:07,280
act

204
00:07:10,150 --> 00:07:08,240
first

205
00:07:11,350 --> 00:07:10,160
the most likely one is still the united

206
00:07:13,430 --> 00:07:11,360
states but

207
00:07:15,270 --> 00:07:13,440
with the passage of time

208
00:07:17,510 --> 00:07:15,280
there's there's increasing prospect that

209
00:07:19,990 --> 00:07:17,520
another country will act first the

210
00:07:21,909 --> 00:07:20,000
united nations could do it but i do not

211
00:07:25,029 --> 00:07:21,919
think the united nations will be allowed

212
00:07:28,070 --> 00:07:25,039
to to do it it's also possible a major

213
00:07:30,710 --> 00:07:28,080

religious group like the catholic church

214

00:07:32,950 --> 00:07:30,720

could trigger this but again i don't

215

00:07:34,710 --> 00:07:32,960

think so because there are

216

00:07:37,670 --> 00:07:34,720

some reasons why that's probably not a

217

00:07:39,589 --> 00:07:37,680

good idea so the most likely scenario is

218

00:07:41,350 --> 00:07:39,599

a single country probably the united

219

00:07:42,830 --> 00:07:41,360

states will go before the public will

220

00:07:45,670 --> 00:07:42,840

acknowledge this

221

00:07:46,950 --> 00:07:45,680

reality probably present i don't know if

222

00:07:48,629 --> 00:07:46,960

they have to but they probably will

223

00:07:49,589 --> 00:07:48,639

present some evidence and cooperating

224

00:07:52,230 --> 00:07:49,599

evidence

225

00:07:55,270 --> 00:07:52,240

to make the point and then other nations

226

00:07:57,990 --> 00:07:55,280

will follow very quickly um

227

00:07:59,589 --> 00:07:58,000

the press will immediately on put

228

00:08:00,869 --> 00:07:59,599

questions before

229

00:08:03,270 --> 00:08:00,879

the uh

230

00:08:04,710 --> 00:08:03,280

the leaders of other nations within

231

00:08:07,270 --> 00:08:04,720

their own countries

232

00:08:09,189 --> 00:08:07,280

and they will have to respond and with

233

00:08:10,629 --> 00:08:09,199

the issue now out particularly if it's a

234

00:08:12,309 --> 00:08:10,639

major country like the us these other

235

00:08:14,309 --> 00:08:12,319

nations will follow and you'll just have

236

00:08:16,710 --> 00:08:14,319

one after another confirming that

237

00:08:19,270 --> 00:08:16,720

acknowledgement

238

00:08:21,990 --> 00:08:19,280

until there's 10 or 12 or 13.

239

00:08:24,150 --> 00:08:22,000

that's all it's really going to take

240

00:08:26,070 --> 00:08:24,160

right and it'll unfold that way this is

241

00:08:29,749 --> 00:08:26,080

the most likely scenario that i see

242

00:08:31,830 --> 00:08:29,759

happening okay now wikileaks um you know

243

00:08:34,230 --> 00:08:31,840

i've found online there's

244

00:08:36,310 --> 00:08:34,240

some correlation between wikileaks and

245

00:08:37,589 --> 00:08:36,320

ufo documents and things like that but i

246

00:08:39,670 --> 00:08:37,599

don't know

247

00:08:41,909 --> 00:08:39,680

what is true and what is not have you do

248

00:08:44,230 --> 00:08:41,919

you have any take on that nothing of any

249

00:08:45,990 --> 00:08:44,240

consequence regarding the et issue has

250

00:08:47,350 --> 00:08:46,000

come out of wikileaks there is

251
00:08:49,509 --> 00:08:47,360
speculation

252
00:08:51,590 --> 00:08:49,519
that they have received documents or

253
00:08:53,430 --> 00:08:51,600
they've received information

254
00:08:55,190 --> 00:08:53,440
it's very possible they have

255
00:08:57,670 --> 00:08:55,200
there were a couple of communiques that

256
00:08:59,509 --> 00:08:57,680
were included in the

257
00:09:02,630 --> 00:08:59,519
one of the major releases that they did

258
00:09:04,389 --> 00:09:02,640
that alluded to ufos in the context of i

259
00:09:06,829 --> 00:09:04,399
forget the nation involved but they were

260
00:09:09,750 --> 00:09:06,839
hardly significant

261
00:09:12,310 --> 00:09:09,760
wikileaks certainly has the potential to

262
00:09:14,070 --> 00:09:12,320
impact this issue now a great deal of

263
00:09:16,389 --> 00:09:14,080

information and documents and everything

264

00:09:19,269 --> 00:09:16,399

else has been out there for some time on

265

00:09:21,110 --> 00:09:19,279

websites all around the world um

266

00:09:23,509 --> 00:09:21,120

so wikileaks would have to come up with

267

00:09:26,310 --> 00:09:23,519

something new

268

00:09:28,550 --> 00:09:26,320

uh and and a good deal of it

269

00:09:30,070 --> 00:09:28,560

and publish it if they did

270

00:09:35,750 --> 00:09:30,080

it would

271

00:09:38,070 --> 00:09:35,760

closer to boiling without question

272

00:09:40,630 --> 00:09:38,080

but so far they haven't done it and

273

00:09:43,670 --> 00:09:40,640

i think mickey wikileaks knew that it

274

00:09:47,750 --> 00:09:43,680

was already in deep controversy of water

275

00:09:51,030 --> 00:09:47,760

from the outset and quickly made enemies

276

00:09:52,790 --> 00:09:51,040

amongst the major nations so their their

277

00:09:54,630 --> 00:09:52,800

plate was pretty full and i think that

278

00:09:56,389 --> 00:09:54,640

they probably were very concerned that

279

00:09:58,230 --> 00:09:56,399

if they were to bring out e.t stuff

280

00:10:00,150 --> 00:09:58,240

ufo-related stuff that it would

281

00:10:02,710 --> 00:10:00,160

undermine their

282

00:10:04,550 --> 00:10:02,720

overall credibility amongst the general

283

00:10:06,710 --> 00:10:04,560

population it would be a liability not

284

00:10:07,990 --> 00:10:06,720

an asset and there was plenty to to

285

00:10:10,069 --> 00:10:08,000

release so

286

00:10:12,389 --> 00:10:10,079

they have stayed away from this

287

00:10:14,870 --> 00:10:12,399

now of course the the governments were

288

00:10:16,949 --> 00:10:14,880

extremely angry about this and they've

289

00:10:19,910 --> 00:10:16,959

already made their counter-attacks

290

00:10:22,069 --> 00:10:19,920

against julian assange

291

00:10:24,310 --> 00:10:22,079

and they have tied wikileaks up a bit

292

00:10:26,550 --> 00:10:24,320

it's not getting the press it got it's

293

00:10:27,750 --> 00:10:26,560

not as active as it got they've created

294

00:10:31,670 --> 00:10:27,760

division

295

00:10:34,230 --> 00:10:31,680

uh by charging uh him with uh

296

00:10:36,150 --> 00:10:34,240

sex sexual misconduct in sweden right i

297

00:10:38,069 --> 00:10:36,160

believe those charges are utterly bogus

298

00:10:40,230 --> 00:10:38,079

and and that

299

00:10:43,110 --> 00:10:40,240

the other stuff being uh pressed at him

300

00:10:45,030 --> 00:10:43,120

or bogus that this is hardball this is

301
00:10:46,790 --> 00:10:45,040
nasty business

302
00:10:48,389 --> 00:10:46,800
in another time someone like julian

303
00:10:49,750 --> 00:10:48,399
assange would have been assassinated

304
00:10:52,389 --> 00:10:49,760
extremely

305
00:10:54,389 --> 00:10:52,399
quickly oh sure yeah but this is a

306
00:10:55,590 --> 00:10:54,399
different time and he he has gone very

307
00:10:56,790 --> 00:10:55,600
public so

308
00:10:59,990 --> 00:10:56,800
uh

309
00:11:01,750 --> 00:11:00,000
i am sure that that the ufo et issue is

310
00:11:03,269 --> 00:11:01,760
something that

311
00:11:04,389 --> 00:11:03,279
a lot of nations including the us

312
00:11:06,389 --> 00:11:04,399
government

313
00:11:08,150 --> 00:11:06,399

are very concerned could turn up on

314

00:11:09,190 --> 00:11:08,160

wikileaks but in order for that to

315

00:11:10,790 --> 00:11:09,200

happen

316

00:11:12,870 --> 00:11:10,800

some people are going to have to provide

317

00:11:14,550 --> 00:11:12,880

him a lot of or provide with illegal

318

00:11:16,389 --> 00:11:14,560

substantial documents that have not been

319

00:11:18,550 --> 00:11:16,399

seen before and if and if that would

320

00:11:20,389 --> 00:11:18,560

happen and they were then published

321

00:11:23,430 --> 00:11:20,399

there would be a

322

00:11:25,910 --> 00:11:23,440

definite effect uh is wikileaks capable

323

00:11:28,790 --> 00:11:25,920

of triggering disclosure outright not

324

00:11:30,949 --> 00:11:28,800

likely but they could set in motion

325

00:11:33,910 --> 00:11:30,959

uh some media activity that could lead

326

00:11:35,269 --> 00:11:33,920

to disclosure in in a period of time uh

327

00:11:36,710 --> 00:11:35,279

what one of the things going on right

328

00:11:38,230 --> 00:11:36,720

now is that

329

00:11:39,430 --> 00:11:38,240

documents

330

00:11:40,790 --> 00:11:39,440

uh

331

00:11:42,949 --> 00:11:40,800

relevant to the

332

00:11:45,509 --> 00:11:42,959

clinton administration are now

333

00:11:47,350 --> 00:11:45,519

accessible and are being accessed

334

00:11:49,670 --> 00:11:47,360

uh particularly by grant cameron the

335

00:11:53,030 --> 00:11:49,680

canadian researcher who has an important

336

00:11:54,949 --> 00:11:53,040

website presidential ufo.com

337

00:11:56,230 --> 00:11:54,959

uh and some of these documents could be

338

00:11:57,350 --> 00:11:56,240

could be helpful and relevant

339

00:12:00,069 --> 00:11:57,360

particularly with respect to the

340

00:12:04,150 --> 00:12:00,079

rockefeller initiative and

341

00:12:06,710 --> 00:12:04,160

foias are continuing to be filed but uh

342

00:12:09,269 --> 00:12:06,720

right now nothing major has come out

343

00:12:12,870 --> 00:12:09,279

that i'm aware of recently

344

00:12:15,430 --> 00:12:12,880

and the foia law is such that the

345

00:12:17,829 --> 00:12:15,440

government has not required to release

346

00:12:19,509 --> 00:12:17,839

anything it doesn't want to release

347

00:12:22,870 --> 00:12:19,519

so the fia

348

00:12:24,790 --> 00:12:22,880

is mostly just a procedural or a process

349

00:12:26,870 --> 00:12:24,800

law that that

350

00:12:28,310 --> 00:12:26,880

gives you an avenue to possibly to get

351

00:12:29,829 --> 00:12:28,320

some documents

352

00:12:32,150 --> 00:12:29,839

from government

353

00:12:34,629 --> 00:12:32,160

that you could also possibly get simply

354

00:12:37,030 --> 00:12:34,639

by going to the agency in question but

355

00:12:39,590 --> 00:12:37,040

the idea that the foia allows us to

356

00:12:42,710 --> 00:12:39,600

really get it get some some secret

357

00:12:45,030 --> 00:12:42,720

material and and and and uh

358

00:12:46,949 --> 00:12:45,040

controversial documents that would raise

359

00:12:48,710 --> 00:12:46,959

all kinds of important questions is

360

00:12:50,629 --> 00:12:48,720

bogus uh

361

00:12:52,949 --> 00:12:50,639

they can withhold at will under the

362

00:12:55,030 --> 00:12:52,959

under the guise of national security but

363

00:12:57,110 --> 00:12:55,040

it's better than nothing and it has been

364

00:12:58,470 --> 00:12:57,120

used and it has gotten documents from

365

00:13:01,110 --> 00:12:58,480

time to time

366

00:13:04,310 --> 00:13:01,120

uh there's been so many thousands of ufo

367

00:13:06,389 --> 00:13:04,320

fia filings that occasionally an

368

00:13:07,350 --> 00:13:06,399

agency will make a mistake

369

00:13:09,829 --> 00:13:07,360

and some will get released that

370

00:13:13,670 --> 00:13:09,839

shouldn't get released

371

00:13:16,550 --> 00:13:13,680

but the foia law to be truly a

372

00:13:19,190 --> 00:13:16,560

a public asset needs to be strengthened

373

00:13:21,990 --> 00:13:19,200

uh and i don't expect that anytime soon

374

00:13:24,470 --> 00:13:22,000

my normal co-host that's on the show

375

00:13:25,670 --> 00:13:24,480

couldn't be here today and he had a

376

00:13:28,629 --> 00:13:25,680

question

377

00:13:31,990 --> 00:13:28,639

for you he's more or less a skeptic but

378

00:13:34,550 --> 00:13:32,000

his question was based on if they

379

00:13:37,110 --> 00:13:34,560

if the government did disclose uh

380

00:13:39,110 --> 00:13:37,120

wouldn't there be panic as his question

381

00:13:43,829 --> 00:13:39,120

and another thing you know what would

382

00:13:46,389 --> 00:13:43,839

the religious implications be etc etc um

383

00:13:49,350 --> 00:13:46,399

what's your take on all that it's

384

00:13:50,629 --> 00:13:49,360

there's two things one a lot of this

385

00:13:52,710 --> 00:13:50,639

um

386

00:13:54,150 --> 00:13:52,720

concept of

387

00:13:55,990 --> 00:13:54,160

disclosure leading to panic and

388

00:13:58,069 --> 00:13:56,000

destruction of religion

389

00:13:59,750 --> 00:13:58,079

and economic systems what have you is

390

00:14:02,629 --> 00:13:59,760

propaganda that the government

391

00:14:04,150 --> 00:14:02,639

encouraged and probably even disbursed

392

00:14:07,030 --> 00:14:04,160

over the years to help maintain the

393

00:14:09,750 --> 00:14:07,040

truth embargo to help keep people

394

00:14:11,189 --> 00:14:09,760

satisfied with not wanting to know more

395

00:14:13,110 --> 00:14:11,199

the press from not

396

00:14:15,350 --> 00:14:13,120

engaging the issue and certainly for

397

00:14:17,829 --> 00:14:15,360

insiders not to go public

398

00:14:19,590 --> 00:14:17,839

to honor their agreements to not violate

399

00:14:21,509 --> 00:14:19,600

their their national security oaths and

400

00:14:23,829 --> 00:14:21,519

confidentiality agreements

401
00:14:25,430 --> 00:14:23,839
uh out of moral conscience because well

402
00:14:27,670 --> 00:14:25,440
look if you tell the truth you know

403
00:14:30,069 --> 00:14:27,680
civilization will collapse

404
00:14:32,870 --> 00:14:30,079
good strategy and i think it worked the

405
00:14:34,710 --> 00:14:32,880
second point is is that i think that

406
00:14:36,550 --> 00:14:34,720
certainly if the extraterrestrial

407
00:14:39,350 --> 00:14:36,560
presence had been

408
00:14:41,990 --> 00:14:39,360
acknowledged and almost was acknowledged

409
00:14:43,590 --> 00:14:42,000
uh in 47

410
00:14:45,110 --> 00:14:43,600
the roswell

411
00:14:46,069 --> 00:14:45,120
and people

412
00:14:48,389 --> 00:14:46,079
may not

413
00:14:49,750 --> 00:14:48,399

realize most people don't know all these

414

00:14:52,629 --> 00:14:49,760

most people do not know the details of

415

00:14:54,790 --> 00:14:52,639

roswell but the fact is is that

416

00:14:57,110 --> 00:14:54,800

if only

417

00:14:59,590 --> 00:14:57,120

another 24 hours had passed before they

418

00:15:01,430 --> 00:14:59,600

were able to get the second story out

419

00:15:04,710 --> 00:15:01,440

i think the roswell event would have led

420

00:15:06,310 --> 00:15:04,720

to disclosure right then in 1947 because

421

00:15:07,509 --> 00:15:06,320

quite a few reporters would have made

422

00:15:08,629 --> 00:15:07,519

their way to roswell and started

423

00:15:10,550 --> 00:15:08,639

interviewing witnesses and there were

424

00:15:11,910 --> 00:15:10,560

quite a few and

425

00:15:15,350 --> 00:15:11,920

i don't think they could have contained

426

00:15:18,710 --> 00:15:15,360

the story so it was a very close call

427

00:15:20,310 --> 00:15:18,720

if this had come out in 47 it would have

428

00:15:21,590 --> 00:15:20,320

been a challenge

429

00:15:23,509 --> 00:15:21,600

to

430

00:15:25,670 --> 00:15:23,519

amer american society let's just let's

431

00:15:26,710 --> 00:15:25,680

just focus on the united states uh

432

00:15:29,110 --> 00:15:26,720

clearly

433

00:15:31,030 --> 00:15:29,120

it would have been stunning uh it would

434

00:15:33,110 --> 00:15:31,040

have been concerning plus would just

435

00:15:34,629 --> 00:15:33,120

come out of a war

436

00:15:37,590 --> 00:15:34,639

and people would have been in that

437

00:15:38,550 --> 00:15:37,600

mindset okay well is this the new enemy

438

00:15:40,870 --> 00:15:38,560

are we gonna have to fight the

439

00:15:42,389 --> 00:15:40,880

extraterrestrials now uh it would have

440

00:15:44,389 --> 00:15:42,399

been a bit more challenging on the other

441

00:15:45,350 --> 00:15:44,399

hand the american people had just gone

442

00:15:46,550 --> 00:15:45,360

through

443

00:15:48,389 --> 00:15:46,560

a long

444

00:15:50,790 --> 00:15:48,399

massive war

445

00:15:54,870 --> 00:15:51,910

stood up

446

00:15:55,670 --> 00:15:54,880

they handled that um

447

00:15:57,269 --> 00:15:55,680

so

448

00:15:58,790 --> 00:15:57,279

i i you know they're pretty resilient

449

00:16:00,470 --> 00:15:58,800

this was a time in america was pretty

450

00:16:02,710 --> 00:16:00,480

resilient in my view

451
00:16:04,150 --> 00:16:02,720
a little less complicated i i i think

452
00:16:06,150 --> 00:16:04,160
that frankly they would have handled it

453
00:16:08,470 --> 00:16:06,160
a fine religion

454
00:16:10,790 --> 00:16:08,480
is going to be fine it's it's not going

455
00:16:13,189 --> 00:16:10,800
anywhere uh it's been around a long time

456
00:16:14,470 --> 00:16:13,199
and it's very it's somewhat adaptable

457
00:16:16,790 --> 00:16:14,480
certainly

458
00:16:18,470 --> 00:16:16,800
so i've always stated that i think

459
00:16:19,590 --> 00:16:18,480
religious memberships will go up after

460
00:16:21,670 --> 00:16:19,600
disclosure

461
00:16:22,389 --> 00:16:21,680
but at the time that the truth embargo

462
00:16:27,030 --> 00:16:22,399
was

463
00:16:29,189 --> 00:16:27,040

it would given the fact that this this

464

00:16:30,470 --> 00:16:29,199

idea of extraterrestrials was

465

00:16:33,110 --> 00:16:30,480

very much

466

00:16:34,949 --> 00:16:33,120

and i make the pun deliberately alien to

467

00:16:36,949 --> 00:16:34,959

the vast majority of people in this

468

00:16:39,189 --> 00:16:36,959

country i mean they just simply off the

469

00:16:41,269 --> 00:16:39,199

outside their their spectrum would have

470

00:16:43,749 --> 00:16:41,279

been a shock uh but i would make the

471

00:16:45,189 --> 00:16:43,759

case that we would have adapted pretty

472

00:16:46,949 --> 00:16:45,199

quickly and

473

00:16:48,150 --> 00:16:46,959

and we would have accepted it

474

00:16:49,509 --> 00:16:48,160

and uh

475

00:16:52,870 --> 00:16:49,519

and we would have asked our government

476
00:16:54,710 --> 00:16:52,880
to address it and keep us informed and

477
00:16:56,069 --> 00:16:54,720
we would start to start educating

478
00:16:57,910 --> 00:16:56,079
ourselves but of course the government

479
00:17:00,069 --> 00:16:57,920
had another problem it wasn't just what

480
00:17:02,150 --> 00:17:00,079
the american people's reaction would be

481
00:17:05,270 --> 00:17:02,160
they had the the they were in the early

482
00:17:06,710 --> 00:17:05,280
stages of what would be the cold war and

483
00:17:08,789 --> 00:17:06,720
they were very much concerned that there

484
00:17:10,470 --> 00:17:08,799
could be a nuclear war with the soviet

485
00:17:12,390 --> 00:17:10,480
union there was certainly concern there

486
00:17:14,230 --> 00:17:12,400
would be a war with the soviet union in

487
00:17:16,710 --> 00:17:14,240
fact there were quite a few american

488
00:17:19,189 --> 00:17:16,720

military people that wanted to go to war

489

00:17:21,270 --> 00:17:19,199

with the soviet union immediately

490

00:17:23,029 --> 00:17:21,280

and it would very well be nuclear

491

00:17:24,150 --> 00:17:23,039

because they knew about the soviet

492

00:17:27,510 --> 00:17:24,160

nuclear

493

00:17:29,029 --> 00:17:27,520

uh research how far the how the the

494

00:17:31,270 --> 00:17:29,039

progress they made

495

00:17:33,110 --> 00:17:31,280

both in nuclear weapons as well as

496

00:17:35,190 --> 00:17:33,120

ballistic missiles so

497

00:17:37,350 --> 00:17:35,200

they had a real tough situation but this

498

00:17:38,950 --> 00:17:37,360

is now 60 years later

499

00:17:40,230 --> 00:17:38,960

and uh

500

00:17:41,669 --> 00:17:40,240

hundreds of films about

501
00:17:43,830 --> 00:17:41,679
extraterrestrials

502
00:17:44,870 --> 00:17:43,840
have been made some of the most popular

503
00:17:46,630 --> 00:17:44,880
ever

504
00:17:48,070 --> 00:17:46,640
produced

505
00:17:49,350 --> 00:17:48,080
the awareness of the issue is almost

506
00:17:52,310 --> 00:17:49,360
universal

507
00:17:53,590 --> 00:17:52,320
the idea of an extraterrestrial is is

508
00:17:56,390 --> 00:17:53,600
not even a

509
00:17:58,070 --> 00:17:56,400
most people don't give a second thought

510
00:17:59,750 --> 00:17:58,080
half the american people and most of the

511
00:18:02,549 --> 00:17:59,760
industrialized nations

512
00:18:03,350 --> 00:18:02,559
believe that the et's are here in fact

513
00:18:06,310 --> 00:18:03,360

so

514

00:18:10,070 --> 00:18:06,320

again i do not think the

515

00:18:15,430 --> 00:18:12,470

or there will be any massive

516

00:18:16,549 --> 00:18:15,440

disruption of our major institutions you

517

00:18:19,750 --> 00:18:16,559

know

518

00:18:22,150 --> 00:18:19,760

the thing i believe is also there's a

519

00:18:24,789 --> 00:18:22,160

lot of people that have had a situation

520

00:18:26,150 --> 00:18:24,799

like myself where i actually saw

521

00:18:29,909 --> 00:18:26,160

something

522

00:18:31,990 --> 00:18:29,919

and my first thought is i have this fear

523

00:18:32,630 --> 00:18:32,000

of ridicule so i don't really talk about

524

00:18:34,630 --> 00:18:32,640

it

525

00:18:36,549 --> 00:18:34,640

and i'm wondering you know how many

526

00:18:37,510 --> 00:18:36,559

people out there have had a situation

527

00:18:39,510 --> 00:18:37,520

happen

528

00:18:41,669 --> 00:18:39,520

that they're they feel the same way

529

00:18:43,350 --> 00:18:41,679

because it's uh it just follows well

530

00:18:45,029 --> 00:18:43,360

certainly uh

531

00:18:46,950 --> 00:18:45,039

one of the key aspects of the truth

532

00:18:49,190 --> 00:18:46,960

embargo was to

533

00:18:51,190 --> 00:18:49,200

ridicule the phenomena

534

00:18:53,350 --> 00:18:51,200

ridicule the people that that addressed

535

00:18:56,070 --> 00:18:53,360

the phenomena to literally ghettoize it

536

00:18:58,150 --> 00:18:56,080

i call it an intellectual ghettoization

537

00:18:59,750 --> 00:18:58,160

which was very effective so that people

538

00:19:03,750 --> 00:18:59,760

would be embarrassed to talk about it

539

00:19:05,830 --> 00:19:03,760

embarrassed to certainly put money into

540

00:19:08,150 --> 00:19:05,840

research or activism

541

00:19:09,990 --> 00:19:08,160

the press would be reluctant to cover it

542

00:19:12,150 --> 00:19:10,000

this is this happens all the time in

543

00:19:13,350 --> 00:19:12,160

societies uh it's a very effective tool

544

00:19:15,110 --> 00:19:13,360

of government

545

00:19:17,990 --> 00:19:15,120

uh they can ghettoize people they can

546

00:19:20,230 --> 00:19:18,000

ghettoize ideas organizations

547

00:19:21,990 --> 00:19:20,240

they can even get otherwise uh

548

00:19:23,510 --> 00:19:22,000

a whole area of science if they want to

549

00:19:25,270 --> 00:19:23,520

it's a nasty business we should never

550

00:19:27,430 --> 00:19:25,280

have that happen in the united states uh

551
00:19:29,430 --> 00:19:27,440
we should never have it happen again

552
00:19:30,870 --> 00:19:29,440
but that's up to the people if they if

553
00:19:32,710 --> 00:19:30,880
they want to see that stop they need to

554
00:19:35,510 --> 00:19:32,720
make their their

555
00:19:39,110 --> 00:19:35,520
intentions the desires heard but

556
00:19:39,909 --> 00:19:39,120
uh it was very effective so ridicule

557
00:19:41,510 --> 00:19:39,919
kept

558
00:19:42,710 --> 00:19:41,520
a great number of people pretty much

559
00:19:46,630 --> 00:19:42,720
contained

560
00:19:49,029 --> 00:19:46,640
uh but that's changing rapidly about

561
00:19:50,710 --> 00:19:49,039
20 of the american people when polled

562
00:19:52,789 --> 00:19:50,720
say they've had some a sighting of some

563
00:19:53,750 --> 00:19:52,799

consequence

564

00:19:59,110 --> 00:19:53,760

and

565

00:20:01,669 --> 00:19:59,120

percent depending upon the nature of the

566

00:20:03,350 --> 00:20:01,679

question indicate again anonymously that

567

00:20:05,350 --> 00:20:03,360

they they believe they've had contact

568

00:20:07,909 --> 00:20:05,360

with extraterrestrials extraordinary

569

00:20:10,549 --> 00:20:07,919

number uh and of course everybody knows

570

00:20:12,710 --> 00:20:10,559

uh what we're talking about there's 100

571

00:20:13,830 --> 00:20:12,720

cultural

572

00:20:16,390 --> 00:20:13,840

awareness

573

00:20:18,470 --> 00:20:16,400

of the idea of extraterrestrials and of

574

00:20:22,789 --> 00:20:18,480

ufos so

575

00:20:25,909 --> 00:20:22,799

given that it's less and less of a of a

576

00:20:28,070 --> 00:20:25,919

peer pressure issue to come forward

577

00:20:30,070 --> 00:20:28,080

however within a person's

578

00:20:31,909 --> 00:20:30,080

personal life

579

00:20:34,390 --> 00:20:31,919

uh one can definitely get some ridicule

580

00:20:35,909 --> 00:20:34,400

from some family members or a friend or

581

00:20:37,669 --> 00:20:35,919

two

582

00:20:40,390 --> 00:20:37,679

and so uh

583

00:20:43,190 --> 00:20:40,400

you can experience it but

584

00:20:46,149 --> 00:20:43,200

even then i don't think it's it's of a

585

00:20:48,310 --> 00:20:46,159

of a drastic nature because the issue is

586

00:20:50,070 --> 00:20:48,320

simply too much in play now so somebody

587

00:20:51,110 --> 00:20:50,080

might kid you about it they might joke a

588

00:20:52,549 --> 00:20:51,120

little bit

589

00:20:54,950 --> 00:20:52,559

but the idea that they would kind of

590

00:20:57,190 --> 00:20:54,960

dismiss you as being crazy or or really

591

00:20:59,590 --> 00:20:57,200

look down on you this is really just

592

00:21:00,470 --> 00:20:59,600

less the case there are people coming

593

00:21:02,070 --> 00:21:00,480

forward

594

00:21:04,390 --> 00:21:02,080

in the entertainment industry that are

595

00:21:05,830 --> 00:21:04,400

now talking about it more often uh in

596

00:21:06,870 --> 00:21:05,840

addressing it you'll see much more of

597

00:21:08,149 --> 00:21:06,880

that

598

00:21:09,750 --> 00:21:08,159

and of course there have been many

599

00:21:11,750 --> 00:21:09,760

witnesses

600

00:21:13,750 --> 00:21:11,760

and government people such as astronauts

601
00:21:16,070 --> 00:21:13,760
mitchell and cooper and others who are

602
00:21:18,470 --> 00:21:16,080
speaking directly to it their view their

603
00:21:20,870 --> 00:21:18,480
videos are all over youtube

604
00:21:23,590 --> 00:21:20,880
uh so and other politics politicians and

605
00:21:24,950 --> 00:21:23,600
others so again we're coming out of the

606
00:21:26,870 --> 00:21:24,960
truth we're coming out of the

607
00:21:28,950 --> 00:21:26,880
intellectual ghetto process we're coming

608
00:21:31,750 --> 00:21:28,960
out of the truth embargo process

609
00:21:33,830 --> 00:21:31,760
uh the truth embargo is coming apart and

610
00:21:35,669 --> 00:21:33,840
so i i just don't think there's much

611
00:21:37,909 --> 00:21:35,679
risk to anybody addressing this issue

612
00:21:40,149 --> 00:21:37,919
now there are aspects of this phenomena

613
00:21:43,029 --> 00:21:40,159

and there are theories uh

614

00:21:45,510 --> 00:21:43,039

embedded in this phenomena or related to

615

00:21:46,390 --> 00:21:45,520

it that are really outrageous and out

616

00:21:53,190 --> 00:21:46,400

there

617

00:21:55,270 --> 00:21:53,200

far enough out of the box if you get far

618

00:21:57,029 --> 00:21:55,280

enough outside the box even with this

619

00:21:58,310 --> 00:21:57,039

issue or any other issue

620

00:22:00,870 --> 00:21:58,320

yeah you're going to get some negative

621

00:22:02,470 --> 00:22:00,880

feedback and you could be ridiculed

622

00:22:03,990 --> 00:22:02,480

but

623

00:22:06,390 --> 00:22:04,000

the fundamental issue is are there

624

00:22:09,190 --> 00:22:06,400

extraterrestrials here or not

625

00:22:10,789 --> 00:22:09,200

right and that is that's pretty basic

626
00:22:12,549 --> 00:22:10,799
it's not complicated they're here

627
00:22:14,390 --> 00:22:12,559
they're not and the evidence is

628
00:22:17,510 --> 00:22:14,400
overwhelming that they are

629
00:22:20,149 --> 00:22:17,520
so if one stays close to home there and

630
00:22:21,029 --> 00:22:20,159
speaks in those terms i had a sighting

631
00:22:24,230 --> 00:22:21,039
uh

632
00:22:27,990 --> 00:22:24,240
i i i may be a contact he by and large

633
00:22:30,310 --> 00:22:28,000
again it's it's less less of an issue

634
00:22:32,070 --> 00:22:30,320
now the the one thing that always seems

635
00:22:34,470 --> 00:22:32,080
to come up in this

636
00:22:36,870 --> 00:22:34,480
when people talk about this is okay you

637
00:22:39,590 --> 00:22:36,880
know the nearest star

638
00:22:41,270 --> 00:22:39,600

you know is what four four and a half

639

00:22:43,909 --> 00:22:41,280

light years away

640

00:22:45,270 --> 00:22:43,919

how how on earth you know do they get

641

00:22:49,350 --> 00:22:45,280

here and i know there's all kinds of

642

00:22:52,470 --> 00:22:49,360

theories on that um but um and also

643

00:22:54,390 --> 00:22:52,480

uh we're thinking in the terms that we

644

00:22:55,909 --> 00:22:54,400

know of course

645

00:22:58,070 --> 00:22:55,919

uh you know where and these

646

00:23:00,870 --> 00:22:58,080

civilizations and other

647

00:23:03,590 --> 00:23:00,880

planets and other galaxies even you know

648

00:23:05,830 --> 00:23:03,600

could possibly be a billion years

649

00:23:08,230 --> 00:23:05,840

advanced because we're such a young

650

00:23:09,830 --> 00:23:08,240

solar system in a young planet that

651

00:23:11,350 --> 00:23:09,840

doesn't have to be a billion a thousand

652

00:23:13,350 --> 00:23:11,360

would be more than enough yeah that's

653

00:23:15,990 --> 00:23:13,360

true right this situation is exactly

654

00:23:18,070 --> 00:23:16,000

analogous to someone making a statement

655

00:23:19,590 --> 00:23:18,080

say back in 1850

656

00:23:20,470 --> 00:23:19,600

that how could we possibly go to the

657

00:23:21,990 --> 00:23:20,480

moon

658

00:23:23,590 --> 00:23:22,000

right or even how could how could

659

00:23:27,029 --> 00:23:23,600

someone fly

660

00:23:29,029 --> 00:23:27,039

at high speeds hundreds of miles an hour

661

00:23:30,710 --> 00:23:29,039

uh the fact is they couldn't back then

662

00:23:32,230 --> 00:23:30,720

because they didn't have the technology

663

00:23:33,669 --> 00:23:32,240

and we don't know how we could go to

664

00:23:36,070 --> 00:23:33,679

another star because we don't have the

665

00:23:37,590 --> 00:23:36,080

technology and these ets do it's this

666

00:23:39,110 --> 00:23:37,600

that simple

667

00:23:41,269 --> 00:23:39,120

um

668

00:23:42,950 --> 00:23:41,279

it is the case that our current

669

00:23:44,870 --> 00:23:42,960

understanding of

670

00:23:48,149 --> 00:23:44,880

time and space is heavily relativistic

671

00:23:49,350 --> 00:23:48,159

relativity dominated and the relativity

672

00:23:52,950 --> 00:23:49,360

theory

673

00:23:55,029 --> 00:23:52,960

uh seems to preclude uh travel between

674

00:23:58,549 --> 00:23:55,039

uh two star systems

675

00:24:01,110 --> 00:23:58,559

and any reasonable length of time

676
00:24:05,190 --> 00:24:01,120
but even our own physics is starting to

677
00:24:07,909 --> 00:24:05,200
show that that ain't necessarily so

678
00:24:09,430 --> 00:24:07,919
so yeah we don't know the full we don't

679
00:24:11,590 --> 00:24:09,440
have a full understanding of the physics

680
00:24:12,470 --> 00:24:11,600
of the cosmos

681
00:24:15,029 --> 00:24:12,480
uh

682
00:24:16,630 --> 00:24:15,039
and so the idea that it could be

683
00:24:19,830 --> 00:24:16,640
physically possible to go between two

684
00:24:22,950 --> 00:24:19,840
stars absolutely cannot be precluded

685
00:24:25,510 --> 00:24:22,960
and if you if you want to test

686
00:24:27,590 --> 00:24:25,520
that that assertion that is possible to

687
00:24:28,870 --> 00:24:27,600
go you would to one star to another in a

688
00:24:30,710 --> 00:24:28,880

reason amount of time the first thing

689

00:24:33,269 --> 00:24:30,720

you do would be look for evidence of of

690

00:24:35,190 --> 00:24:33,279

any anyone doing that uh that would be

691

00:24:36,470 --> 00:24:35,200

pretty obvious i mean

692

00:24:38,390 --> 00:24:36,480

it's one you know you don't you don't

693

00:24:40,789 --> 00:24:38,400

necessarily have to prove how it's done

694

00:24:43,110 --> 00:24:40,799

just see if it is being done and that

695

00:24:46,310 --> 00:24:43,120

that makes the case and when you look

696

00:24:48,789 --> 00:24:46,320

for evidence of visitation uh it's all

697

00:24:51,909 --> 00:24:48,799

over the place now that just because

698

00:24:53,750 --> 00:24:51,919

et's are here doesn't necessarily mean

699

00:24:55,269 --> 00:24:53,760

that they are start that they have got

700

00:24:56,390 --> 00:24:55,279

the ability to travel between star

701
00:24:58,310 --> 00:24:56,400
systems

702
00:25:00,149 --> 00:24:58,320
in a reasonable amount of time

703
00:25:02,390 --> 00:25:00,159
there is a possibility that they're

704
00:25:05,350 --> 00:25:02,400
coming from another dimension another

705
00:25:07,750 --> 00:25:05,360
parallel reality that is

706
00:25:09,510 --> 00:25:07,760
nearby that doesn't even involve

707
00:25:11,590 --> 00:25:09,520
star travel or they could come from the

708
00:25:12,789 --> 00:25:11,600
future or the past it could be time

709
00:25:14,870 --> 00:25:12,799
travelers

710
00:25:19,269 --> 00:25:14,880
these are possibilities but they happen

711
00:25:20,870 --> 00:25:19,279
to just be very low uh possibilities and

712
00:25:22,630 --> 00:25:20,880
the most logical

713
00:25:24,549 --> 00:25:22,640

the most

714

00:25:26,830 --> 00:25:24,559

straightforward explanation is they come

715

00:25:30,149 --> 00:25:26,840

from other planets i mean this is

716

00:25:31,669 --> 00:25:30,159

straightforward and so either

717

00:25:35,110 --> 00:25:31,679

they

718

00:25:37,669 --> 00:25:35,120

spend enormous amounts of time in space

719

00:25:39,190 --> 00:25:37,679

and move around over huge numbers of

720

00:25:40,630 --> 00:25:39,200

years and centuries and millennia

721

00:25:42,950 --> 00:25:40,640

between places

722

00:25:44,549 --> 00:25:42,960

or they're able to get back and forth

723

00:25:46,149 --> 00:25:44,559

using a different kind of physics that's

724

00:25:47,430 --> 00:25:46,159

about what you're left with

725

00:25:50,630 --> 00:25:47,440

and

726

00:25:51,430 --> 00:25:50,640

i have pretty i do have some scientific

727

00:25:53,029 --> 00:25:51,440

uh

728

00:25:55,510 --> 00:25:53,039

training i do have a degree in physics

729

00:25:59,269 --> 00:25:55,520

i'm not alien to that kind of thinking

730

00:26:01,190 --> 00:25:59,279

uh and i i have high confidence my my

731

00:26:02,789 --> 00:26:01,200

view my model for this is pretty

732

00:26:04,310 --> 00:26:02,799

straightforward i believe there are

733

00:26:07,029 --> 00:26:04,320

other planets that have other

734

00:26:09,350 --> 00:26:07,039

civilizations like ours and that they

735

00:26:11,590 --> 00:26:09,360

are more advanced with better technology

736

00:26:14,390 --> 00:26:11,600

and they are in fact able to travel to

737

00:26:15,669 --> 00:26:14,400

stars between stars and do so in a

738

00:26:17,750 --> 00:26:15,679

manner that

739

00:26:18,870 --> 00:26:17,760

is

740

00:26:20,710 --> 00:26:18,880

functional

741

00:26:22,630 --> 00:26:20,720

and useful

742

00:26:24,470 --> 00:26:22,640

and that some of them are engaging us

743

00:26:28,390 --> 00:26:24,480

they are visiting here

744

00:26:31,269 --> 00:26:28,400

it's that straightforward uh and

745

00:26:32,710 --> 00:26:31,279

uh beyond that

746

00:26:34,870 --> 00:26:32,720

you know that's about as far as we can

747

00:26:37,350 --> 00:26:34,880

go right now right i don't think it'll

748

00:26:39,430 --> 00:26:37,360

be that long before we will know even if

749

00:26:42,470 --> 00:26:39,440

we don't have disclosure even if the

750

00:26:44,630 --> 00:26:42,480

et's don't provide us the explanation if

751
00:26:47,350 --> 00:26:44,640
they haven't already i believe on our

752
00:26:49,510 --> 00:26:47,360
own we will probably figure out

753
00:26:51,669 --> 00:26:49,520
interstellar travel

754
00:26:52,390 --> 00:26:51,679
within 50 years

755
00:26:54,070 --> 00:26:52,400
wow

756
00:26:56,149 --> 00:26:54,080
that would be something and i don't

757
00:26:58,390 --> 00:26:56,159
doubt that the way technology

758
00:27:00,470 --> 00:26:58,400
is just uh you know like a snowball

759
00:27:01,750 --> 00:27:00,480
rolling downhill you know gathering all

760
00:27:03,590 --> 00:27:01,760
the time

761
00:27:06,390 --> 00:27:03,600
i want to talk a little bit about i

762
00:27:07,990 --> 00:27:06,400
about 20 years ago i had an insurance

763
00:27:09,909 --> 00:27:08,000

life insurance agent

764

00:27:12,630 --> 00:27:09,919

and he was

765

00:27:14,710 --> 00:27:12,640

hanging on my house one day and he i

766

00:27:16,950 --> 00:27:14,720

don't know how we got on the subject but

767

00:27:19,190 --> 00:27:16,960

he brought up the fact that he was

768

00:27:21,750 --> 00:27:19,200

involved in a special

769

00:27:22,870 --> 00:27:21,760

task in the air force during vietnam and

770

00:27:30,630 --> 00:27:22,880

it was

771

00:27:32,549 --> 00:27:30,640

blue book but i think that was

772

00:27:34,789 --> 00:27:32,559

i think that stopped in the 60s didn't

773

00:27:36,630 --> 00:27:34,799

it i'm not i'm not clear that was an

774

00:27:39,190 --> 00:27:36,640

investigation program when they were in

775

00:27:41,669 --> 00:27:39,200

quote investigating sightings

776

00:27:44,310 --> 00:27:41,679

okay well he was involved in

777

00:27:45,110 --> 00:27:44,320

he was involved in vietnam itself

778

00:27:47,990 --> 00:27:45,120

and

779

00:27:49,750 --> 00:27:48,000

his uh he was saying that anywhere he

780

00:27:51,029 --> 00:27:49,760

said when they were when there was

781

00:27:52,549 --> 00:27:51,039

napalming i don't know if you've ever

782

00:27:54,470 --> 00:27:52,559

heard this before if anyone else has

783

00:27:56,470 --> 00:27:54,480

ever said it but he told me when they

784

00:27:57,830 --> 00:27:56,480

were napalming that there were sightings

785

00:27:59,830 --> 00:27:57,840

all the time

786

00:28:01,110 --> 00:27:59,840

during the napalming which is

787

00:28:02,950 --> 00:28:01,120

unusual and he said that they were

788

00:28:04,549 --> 00:28:02,960

attracted to you know he

789

00:28:06,070 --> 00:28:04,559

that was the first time i had ever heard

790

00:28:08,950 --> 00:28:06,080

of anything about them being attracted

791

00:28:09,909 --> 00:28:08,960

to like nuclear arms weapons and things

792

00:28:11,990 --> 00:28:09,919

like that

793

00:28:14,789 --> 00:28:12,000

and he said you know i asked him the

794

00:28:17,110 --> 00:28:14,799

question i said so you were part of this

795

00:28:19,909 --> 00:28:17,120

task force or whatever it was

796

00:28:21,269 --> 00:28:19,919

um and i says what's what's the bottom

797

00:28:23,190 --> 00:28:21,279

line are they really here and he says

798

00:28:25,430 --> 00:28:23,200

yes and the government knows that and

799

00:28:26,950 --> 00:28:25,440

this was you know 20 years ago he told

800

00:28:29,750 --> 00:28:26,960

me that and

801
00:28:31,669 --> 00:28:29,760
you know i've recently just got more

802
00:28:34,070 --> 00:28:31,679
interested in this since i had a

803
00:28:35,990 --> 00:28:34,080
situation happen a number of years ago

804
00:28:38,470 --> 00:28:36,000
and one of the questions that comes to

805
00:28:40,710 --> 00:28:38,480
mind for me is when you get

806
00:28:41,990 --> 00:28:40,720
let's see in bent waters in england in

807
00:28:43,590 --> 00:28:42,000
1980

808
00:28:46,549 --> 00:28:43,600
when you get such

809
00:28:48,950 --> 00:28:46,559
you get all these air force personnel

810
00:28:51,510 --> 00:28:48,960
uh and you all actually have a staff

811
00:28:54,310 --> 00:28:51,520
sergeant i think it's uh james penning

812
00:28:56,789 --> 00:28:54,320
pennington or something like that

813
00:28:57,510 --> 00:28:56,799

actually walked around the craft touched

814

00:28:59,190 --> 00:28:57,520

it

815

00:29:01,269 --> 00:28:59,200

he would as far as i know he'd probably

816

00:29:03,269 --> 00:29:01,279

be the only one that ever touched one uh

817

00:29:05,590 --> 00:29:03,279

and then wrote down the hieroglyphics

818

00:29:07,750 --> 00:29:05,600

that were on it and and all that now

819

00:29:09,909 --> 00:29:07,760

these are these are not just you know

820

00:29:12,070 --> 00:29:09,919

random people for reciting there was

821

00:29:13,669 --> 00:29:12,080

something like 80 people that saw this

822

00:29:15,990 --> 00:29:13,679

within a three-day

823

00:29:17,669 --> 00:29:16,000

time period and then you know again it

824

00:29:19,830 --> 00:29:17,679

swept under the rug the whole thing is

825

00:29:24,389 --> 00:29:19,840

swept under the rug

826

00:29:27,029 --> 00:29:24,399

a precise enough phrase

827

00:29:29,990 --> 00:29:27,039

the fact is is that a substantial number

828

00:29:33,110 --> 00:29:30,000

of people that serve the military

829

00:29:36,789 --> 00:29:33,120

and also agencies have come forward

830

00:29:37,669 --> 00:29:36,799

uh to testify to events and evidence

831

00:29:40,149 --> 00:29:37,679

that

832

00:29:41,909 --> 00:29:40,159

all of which is confirmatory of the et

833

00:29:44,630 --> 00:29:41,919

presence

834

00:29:45,990 --> 00:29:44,640

uh including a number of of uh air force

835

00:29:47,750 --> 00:29:46,000

personnel who were involved in our

836

00:29:49,029 --> 00:29:47,760

nuclear

837

00:29:50,630 --> 00:29:49,039

deterrence

838

00:29:52,149 --> 00:29:50,640

with high classification including

839

00:29:55,430 --> 00:29:52,159

people that worked at

840

00:29:57,990 --> 00:29:55,440

sac nuclear bases uh talking about the

841

00:29:59,510 --> 00:29:58,000

uh these craft interfering coming down

842

00:30:01,110 --> 00:29:59,520

and then interference taking place with

843

00:30:02,470 --> 00:30:01,120

our nuclear weapons which is a pretty

844

00:30:04,389 --> 00:30:02,480

big deal

845

00:30:05,909 --> 00:30:04,399

yeah recently there was a recently there

846

00:30:09,430 --> 00:30:05,919

was a press conference that effect in

847

00:30:11,990 --> 00:30:09,440

washington uh and the major press

848

00:30:13,029 --> 00:30:12,000

again skirted it they didn't

849

00:30:15,110 --> 00:30:13,039

there was some press there was some

850

00:30:16,789 --> 00:30:15,120

media coverage but it wasn't anywhere

851
00:30:17,669 --> 00:30:16,799
near the appropriate

852
00:30:19,990 --> 00:30:17,679
uh

853
00:30:22,710 --> 00:30:20,000
amount and and intensity that you would

854
00:30:24,230 --> 00:30:22,720
expect on a story like this and the

855
00:30:25,750 --> 00:30:24,240
bentwater's case there are quite a few

856
00:30:28,549 --> 00:30:25,760
witnesses that have testified there that

857
00:30:29,510 --> 00:30:28,559
was another very likely another nuclear

858
00:30:35,909 --> 00:30:29,520
uh

859
00:30:38,070 --> 00:30:35,919
reflects the truth embargo the the media

860
00:30:39,350 --> 00:30:38,080
went along with the truth embargo

861
00:30:41,909 --> 00:30:39,360
without i think

862
00:30:44,470 --> 00:30:41,919
any resistance or much resistance in the

863
00:30:45,750 --> 00:30:44,480

40s and 50s when the media as we know it

864

00:30:47,909 --> 00:30:45,760

was

865

00:30:49,190 --> 00:30:47,919

infant dissidents infants

866

00:30:50,789 --> 00:30:49,200

incipient

867

00:30:52,710 --> 00:30:50,799

the three networks haven't been around

868

00:30:55,029 --> 00:30:52,720

for very long when roswell happens the

869

00:30:56,950 --> 00:30:55,039

first network news broadcast of 15

870

00:30:59,830 --> 00:30:56,960

minutes occurred about two weeks before

871

00:31:02,230 --> 00:30:59,840

roswell really wow we had our dependence

872

00:31:03,750 --> 00:31:02,240

was primarily on major newspaper dailies

873

00:31:05,350 --> 00:31:03,760

and there were a number of papers that

874

00:31:07,110 --> 00:31:05,360

were papers of records so if they got

875

00:31:09,669 --> 00:31:07,120

the papers of record like the washington

876

00:31:11,430 --> 00:31:09,679

post new york times early times on board

877

00:31:13,590 --> 00:31:11,440

and the networks on board they they were

878

00:31:15,350 --> 00:31:13,600

able to maintain a media containment

879

00:31:17,990 --> 00:31:15,360

without any problem

880

00:31:20,470 --> 00:31:18,000

uh the cold war ensured that the media

881

00:31:23,350 --> 00:31:20,480

would continue to play along with the

882

00:31:24,230 --> 00:31:23,360

truth embargo uh you know it wasn't hard

883

00:31:29,350 --> 00:31:24,240

to

884

00:31:30,830 --> 00:31:29,360

uh this issue was highly

885

00:31:35,190 --> 00:31:30,840

uh

886

00:31:37,750 --> 00:31:35,200

implicative that it were to come out it

887

00:31:39,990 --> 00:31:37,760

would clearly be destabilizing for a

888

00:31:42,870 --> 00:31:40,000

while and we have thousands of nuclear

889

00:31:44,710 --> 00:31:42,880

warheads pointed over the poles

890

00:31:46,870 --> 00:31:44,720

that go off at any time not to mention

891

00:31:48,950 --> 00:31:46,880

the submarines and and so we just can't

892

00:31:50,549 --> 00:31:48,960

risk it and so

893

00:31:52,870 --> 00:31:50,559

while the cold war was underway the

894

00:31:55,029 --> 00:31:52,880

media was totally on board

895

00:31:57,430 --> 00:31:55,039

by whatever mechanisms

896

00:32:01,590 --> 00:31:57,440

some of it was simply institutionalized

897

00:32:02,950 --> 00:32:01,600

or status quo but

898

00:32:04,549 --> 00:32:02,960

that the truth embargo was going to be

899

00:32:06,389 --> 00:32:04,559

maintained and so by the time the cold

900

00:32:08,950 --> 00:32:06,399

war ends in 91

901
00:32:11,430 --> 00:32:08,960
it's really over by end of 91

902
00:32:13,350 --> 00:32:11,440
it's it's virtually institutionalized

903
00:32:15,029 --> 00:32:13,360
and and the media

904
00:32:16,070 --> 00:32:15,039
which of course is a full generation

905
00:32:17,909 --> 00:32:16,080
later

906
00:32:19,509 --> 00:32:17,919
of reporters and editors and so forth

907
00:32:21,110 --> 00:32:19,519
they just sort of that was the way it

908
00:32:23,350 --> 00:32:21,120
was you just didn't cover this you just

909
00:32:25,669 --> 00:32:23,360
didn't treat this seriously and so from

910
00:32:29,750 --> 00:32:25,679
91 forward the media

911
00:32:31,830 --> 00:32:29,760
was going along with it

912
00:32:34,630 --> 00:32:31,840
as a matter of

913
00:32:36,070 --> 00:32:34,640

of standard operating procedure

914

00:32:39,110 --> 00:32:36,080

that really doesn't start to change

915

00:32:40,470 --> 00:32:39,120

until after 2000 and then since 2000 the

916

00:32:41,590 --> 00:32:40,480

media

917

00:32:44,389 --> 00:32:41,600

under a

918

00:32:47,750 --> 00:32:44,399

constant onslaught of new events new

919

00:32:50,710 --> 00:32:47,760

research new documents new witnesses

920

00:32:51,990 --> 00:32:50,720

slowly are coming out of their

921

00:32:52,950 --> 00:32:52,000

embargo

922

00:32:54,549 --> 00:32:52,960

uh

923

00:32:56,789 --> 00:32:54,559

mode and and

924

00:32:58,470 --> 00:32:56,799

are covering the issue

925

00:33:00,789 --> 00:32:58,480

with uh

926

00:33:01,990 --> 00:33:00,799

a little more intensity not to the point

927

00:33:04,630 --> 00:33:02,000

that it should be covered without

928

00:33:06,950 --> 00:33:04,640

question they have not broken through

929

00:33:07,990 --> 00:33:06,960

but they could at any time and and right

930

00:33:11,190 --> 00:33:08,000

now

931

00:33:13,350 --> 00:33:11,200

one of the major uh factors in ensuring

932

00:33:15,350 --> 00:33:13,360

that the truth embargo ends

933

00:33:18,149 --> 00:33:15,360

is the fact that any and there's any

934

00:33:19,269 --> 00:33:18,159

number of points in the in the media

935

00:33:22,470 --> 00:33:19,279

spectrum

936

00:33:24,070 --> 00:33:22,480

where a breakout could occur and a a

937

00:33:25,750 --> 00:33:24,080

certain particular newspaper a

938

00:33:27,669 --> 00:33:25,760

particular network

939

00:33:29,909 --> 00:33:27,679

particular investigative group

940

00:33:31,350 --> 00:33:29,919

would really plunge into the issue and

941

00:33:33,509 --> 00:33:31,360

start asking

942

00:33:36,789 --> 00:33:33,519

questions that are

943

00:33:38,470 --> 00:33:36,799

been known for years decades even but

944

00:33:39,990 --> 00:33:38,480

actually forcing those questions on to

945

00:33:42,230 --> 00:33:40,000

government

946

00:33:43,350 --> 00:33:42,240

and in the truth embargo fairly quickly

947

00:33:46,149 --> 00:33:43,360

so

948

00:33:49,590 --> 00:33:46,159

that's where we are right now um

949

00:33:51,750 --> 00:33:49,600

and my my one of my principal uh

950

00:33:53,509 --> 00:33:51,760

tasks from the beginning from 1996 when

951
00:33:55,509 --> 00:33:53,519
prg was formed

952
00:33:57,509 --> 00:33:55,519
is to keep pushing the media constantly

953
00:33:58,630 --> 00:33:57,519
relentlessly

954
00:34:00,310 --> 00:33:58,640
and letting them know that we're not

955
00:34:02,230 --> 00:34:00,320
going away that the issue's not going

956
00:34:03,669 --> 00:34:02,240
away and that they have not done their

957
00:34:05,269 --> 00:34:03,679
job they have not

958
00:34:06,710 --> 00:34:05,279
acted in the proper

959
00:34:08,550 --> 00:34:06,720
fashion with respect to the most

960
00:34:09,829 --> 00:34:08,560
important issue in the world

961
00:34:11,109 --> 00:34:09,839
and that

962
00:34:12,230 --> 00:34:11,119
one way or another they're going to have

963
00:34:14,230 --> 00:34:12,240

to deal with it

964

00:34:16,069 --> 00:34:14,240

and the sooner the better they're there

965

00:34:17,750 --> 00:34:16,079

the war rewards will be great there will

966

00:34:20,310 --> 00:34:17,760

be pulitzer prizes

967

00:34:22,629 --> 00:34:20,320

there will be ratings increases there

968

00:34:24,629 --> 00:34:22,639

will be plenty of benefits to the

969

00:34:26,230 --> 00:34:24,639

to the media if they finally take this

970

00:34:27,270 --> 00:34:26,240

issue on but

971

00:34:29,510 --> 00:34:27,280

they haven't

972

00:34:31,669 --> 00:34:29,520

fully engaged it yet but that could

973

00:34:34,310 --> 00:34:31,679

happen at any time

974

00:34:36,550 --> 00:34:34,320

i was watching a youtube that you were

975

00:34:37,750 --> 00:34:36,560

on i i can't remember if it's fox news

976
00:34:39,190 --> 00:34:37,760
or what

977
00:34:41,190 --> 00:34:39,200
it was a

978
00:34:43,430 --> 00:34:41,200
female commentator and at the end she

979
00:34:45,430 --> 00:34:43,440
said something like after

980
00:34:47,990 --> 00:34:45,440
they you were off

981
00:34:50,470 --> 00:34:48,000
camera she said and he's never seen a

982
00:34:52,629 --> 00:34:50,480
ufo himself you know like that

983
00:34:54,869 --> 00:34:52,639
kind of like almost debunking everything

984
00:34:55,909 --> 00:34:54,879
you just stood for and said

985
00:34:57,910 --> 00:34:55,919
uh

986
00:35:00,470 --> 00:34:57,920
and yeah the media is just not on the

987
00:35:04,150 --> 00:35:00,480
side i think you know but i have seen a

988
00:35:07,349 --> 00:35:04,160

few clips that the commentator at least

989

00:35:09,750 --> 00:35:07,359

certainly is involved in it yeah

990

00:35:11,829 --> 00:35:09,760

television is a little more

991

00:35:13,430 --> 00:35:11,839

sensitive uh they're a little more

992

00:35:15,750 --> 00:35:13,440

worried that

993

00:35:16,870 --> 00:35:15,760

they might be tainted if they show a

994

00:35:18,069 --> 00:35:16,880

serious

995

00:35:19,190 --> 00:35:18,079

uh

996

00:35:20,870 --> 00:35:19,200

approach

997

00:35:23,109 --> 00:35:20,880

but there are exceptions i think larry

998

00:35:26,230 --> 00:35:23,119

king did a number of shows which treated

999

00:35:28,390 --> 00:35:26,240

this issue seriously right uh but

1000

00:35:30,470 --> 00:35:28,400

did cnn did the rest of the cnn news

1001

00:35:33,190 --> 00:35:30,480

operation follow suit did they

1002

00:35:34,870 --> 00:35:33,200

follow up no no i was contained to king

1003

00:35:36,390 --> 00:35:34,880

so cnn had his foot in the door but

1004

00:35:37,829 --> 00:35:36,400

that's it wouldn't it wouldn't walk all

1005

00:35:40,230 --> 00:35:37,839

the way in

1006

00:35:42,069 --> 00:35:40,240

paradigm research group has had its

1007

00:35:44,870 --> 00:35:42,079

activities covered by

1008

00:35:47,589 --> 00:35:44,880

scores of media

1009

00:35:51,069 --> 00:35:47,599

and if you go to the media archive well

1010

00:35:52,790 --> 00:35:51,079

the the our articles archive uh at

1011

00:35:55,190 --> 00:35:52,800

paradigmresearchgroup.org

1012

00:35:57,510 --> 00:35:55,200

in the main prg site you can read those

1013

00:35:59,750 --> 00:35:57,520

and you can follow them and overall

1014

00:36:02,390 --> 00:35:59,760

they're it's not bad coverage is

1015

00:36:03,589 --> 00:36:02,400

reasonable there are some there are some

1016

00:36:04,630 --> 00:36:03,599

uh

1017

00:36:05,330 --> 00:36:04,640

flippant

1018

00:36:06,710 --> 00:36:05,340

uh

1019

00:36:08,950 --> 00:36:06,720

[Music]

1020

00:36:11,510 --> 00:36:08,960

approaches there's some some negatives

1021

00:36:12,630 --> 00:36:11,520

but in general it covered what prg's

1022

00:36:13,829 --> 00:36:12,640

been doing

1023

00:36:16,470 --> 00:36:13,839

could they have covered it more

1024

00:36:17,910 --> 00:36:16,480

absolutely and they will there will be

1025

00:36:21,190 --> 00:36:17,920

more covered

1026

00:36:23,349 --> 00:36:21,200

so it we're sort of in a

1027

00:36:25,190 --> 00:36:23,359

we're in the tran wind transition

1028

00:36:28,710 --> 00:36:25,200

the media is coming out of the truth

1029

00:36:30,470 --> 00:36:28,720

embargo they are slowly coming out of it

1030

00:36:33,190 --> 00:36:30,480

and i think once that process has

1031

00:36:35,190 --> 00:36:33,200

started once that process did start it's

1032

00:36:36,710 --> 00:36:35,200

almost irreversible it can't go

1033

00:36:38,470 --> 00:36:36,720

backwards

1034

00:36:39,750 --> 00:36:38,480

so while it's easy to get angry at the

1035

00:36:41,670 --> 00:36:39,760

media

1036

00:36:43,190 --> 00:36:41,680

ultimately we need them

1037

00:36:44,630 --> 00:36:43,200

and they could end the truth embargo at

1038

00:36:46,950 --> 00:36:44,640

any time so

1039

00:36:47,990 --> 00:36:46,960

i try to be optimistic i encourage your

1040

00:36:50,470 --> 00:36:48,000

readers

1041

00:36:52,310 --> 00:36:50,480

there is only one book that

1042

00:36:53,510 --> 00:36:52,320

specifically addressed

1043

00:36:54,550 --> 00:36:53,520

the immediate connection of the truth

1044

00:36:56,470 --> 00:36:54,560

embargo

1045

00:36:59,349 --> 00:36:56,480

and it's uh terry hands by terry hanson

1046

00:37:00,630 --> 00:36:59,359

he's a he's a he's a journalist

1047

00:37:01,829 --> 00:37:00,640

um

1048

00:37:03,750 --> 00:37:01,839

and he addressed the issue in a book

1049

00:37:05,430 --> 00:37:03,760

called missing times

1050

00:37:07,190 --> 00:37:05,440

news media complicity in the ufo

1051
00:37:09,270 --> 00:37:07,200
cover-up

1052
00:37:11,349 --> 00:37:09,280
so there's a

1053
00:37:12,390 --> 00:37:11,359
but somebody wants to to get a look at

1054
00:37:13,510 --> 00:37:12,400
this

1055
00:37:15,829 --> 00:37:13,520
uh

1056
00:37:18,390 --> 00:37:15,839
read that book and

1057
00:37:20,470 --> 00:37:18,400
just to make the point

1058
00:37:22,470 --> 00:37:20,480
pamela the point home

1059
00:37:24,230 --> 00:37:22,480
one of the cool

1060
00:37:26,230 --> 00:37:24,240
and not

1061
00:37:28,630 --> 00:37:26,240
properly understood

1062
00:37:30,870 --> 00:37:28,640
stories out there is the as how the

1063
00:37:33,750 --> 00:37:30,880

national enquirer was founded

1064

00:37:34,950 --> 00:37:33,760

and the weekly world news

1065

00:37:38,950 --> 00:37:34,960

and

1066

00:37:40,470 --> 00:37:38,960

putting this out i mean we're going prg

1067

00:37:41,430 --> 00:37:40,480

is going to be making

1068

00:37:43,510 --> 00:37:41,440

uh

1069

00:37:44,470 --> 00:37:43,520

a point to

1070

00:37:47,589 --> 00:37:44,480

to

1071

00:37:50,150 --> 00:37:47,599

get it out there the point is the

1072

00:37:50,950 --> 00:37:50,160

national enquirer was founded by a young

1073

00:37:52,950 --> 00:37:50,960

man

1074

00:37:54,790 --> 00:37:52,960

who was able to get enough money and

1075

00:37:55,829 --> 00:37:54,800

it's not clear from where

1076

00:37:58,470 --> 00:37:55,839

to buy

1077

00:38:02,390 --> 00:37:58,480

the new york inquirer

1078

00:38:05,670 --> 00:38:02,400

uh rejigger it and then republish it as

1079

00:38:07,109 --> 00:38:05,680

the national enquirer as a tabloid uh

1080

00:38:09,510 --> 00:38:07,119

and

1081

00:38:11,510 --> 00:38:09,520

very not that long after that founded

1082

00:38:13,030 --> 00:38:11,520

the weekly world news and these two

1083

00:38:15,109 --> 00:38:13,040

tabloids

1084

00:38:17,109 --> 00:38:15,119

very early on started putting stories

1085

00:38:19,430 --> 00:38:17,119

out about the ufo issue

1086

00:38:21,589 --> 00:38:19,440

uh and particularly the weekly world

1087

00:38:23,589 --> 00:38:21,599

news wild and crazy stuff and bizarre

1088

00:38:25,589 --> 00:38:23,599

photos and these were turning up the

1089

00:38:27,270 --> 00:38:25,599

news the in the news sections of the

1090

00:38:28,310 --> 00:38:27,280

grocery store stands all over the

1091

00:38:30,790 --> 00:38:28,320

country

1092

00:38:32,790 --> 00:38:30,800

ubiquitous and rudy oso pope was the

1093

00:38:36,310 --> 00:38:32,800

gentleman that did this and rudy also

1094

00:38:39,190 --> 00:38:36,320

pope did it after spending a year

1095

00:38:40,790 --> 00:38:39,200

at the psychological ops program at the

1096

00:38:42,150 --> 00:38:40,800

cia

1097

00:38:44,710 --> 00:38:42,160

this is something people need to

1098

00:38:47,030 --> 00:38:44,720

understand the national enquirer was

1099

00:38:50,390 --> 00:38:47,040

created as a disinformation tool for the

1100

00:38:52,069 --> 00:38:50,400

cia as was the weekly world news

1101

00:38:54,069 --> 00:38:52,079

i don't know to what to the if the

1102

00:38:55,030 --> 00:38:54,079

connection is still there remember

1103

00:38:56,710 --> 00:38:55,040

they've started closed they've

1104

00:38:58,310 --> 00:38:56,720

consolidated some of these papers the

1105

00:39:02,069 --> 00:38:58,320

weekly world news was shut down though

1106

00:39:04,230 --> 00:39:02,079

it has a internet presence

1107

00:39:05,670 --> 00:39:04,240

but for a good period there

1108

00:39:07,829 --> 00:39:05,680

these were tools of the cia

1109

00:39:09,589 --> 00:39:07,839

disinformation programs which is

1110

00:39:11,270 --> 00:39:09,599

another matter that the american people

1111

00:39:13,670 --> 00:39:11,280

need to address do they ever want that

1112

00:39:16,470 --> 00:39:13,680

to happen again in the united states

1113

00:39:18,790 --> 00:39:16,480

i encourage your listeners to check into

1114

00:39:20,950 --> 00:39:18,800

a very important process that's going on

1115

00:39:22,310 --> 00:39:20,960

it is a petition process operating out

1116

00:39:26,230 --> 00:39:22,320

of the white house website

1117

00:39:31,349 --> 00:39:28,470

the paradigm research group

1118

00:39:33,510 --> 00:39:31,359

submitted a disclosure petition

1119

00:39:35,270 --> 00:39:33,520

to this program it received enough votes

1120

00:39:37,109 --> 00:39:35,280

to get a formal response from the white

1121

00:39:39,510 --> 00:39:37,119

house and that came out on november the

1122

00:39:41,430 --> 00:39:39,520

4th you can follow this at the

1123

00:39:44,870 --> 00:39:41,440

information site which is disclosure

1124

00:39:46,790 --> 00:39:44,880

petition dot info uh that response was

1125

00:39:48,470 --> 00:39:46,800

the first formal position ever put in

1126

00:39:50,230 --> 00:39:48,480

print by the executive branch of the

1127

00:39:52,069 --> 00:39:50,240

united states government

1128

00:39:54,790 --> 00:39:52,079

it claims that there is no evidence at

1129

00:39:57,589 --> 00:39:54,800

all at all for non-human intelligence

1130

00:39:59,190 --> 00:39:57,599

engaging the uh the earth the america

1131

00:40:00,870 --> 00:39:59,200

the human race

1132

00:40:02,870 --> 00:40:00,880

this is a major project of paradigm

1133

00:40:04,069 --> 00:40:02,880

research group and i can assure you

1134

00:40:05,589 --> 00:40:04,079

we're going to be pursuing this

1135

00:40:06,950 --> 00:40:05,599

intensely there's already been an

1136

00:40:08,470 --> 00:40:06,960

international press release on this

1137

00:40:09,750 --> 00:40:08,480

there will be much more

1138

00:40:13,349 --> 00:40:09,760

there will be a new petition that will

1139

00:40:14,309 --> 00:40:13,359

go up in a few weeks disclosure petition

1140

00:40:18,630 --> 00:40:14,319

2

1141

00:40:20,550 --> 00:40:18,640

signatures for that in the meantime

1142

00:40:22,790 --> 00:40:20,560

there is also another site i encourage

1143

00:40:25,190 --> 00:40:22,800

you to go to uh paradigm research groups

1144

00:40:27,910 --> 00:40:25,200

world worlddisclosureday.org

1145

00:40:30,309 --> 00:40:27,920

and endorse uh

1146

00:40:32,550 --> 00:40:30,319

the attempt to get july 8 designated as

1147

00:40:33,589 --> 00:40:32,560

world disclosure day or it is designated

1148

00:40:36,069 --> 00:40:33,599

as such

1149

00:40:37,109 --> 00:40:36,079

to endorse this idea as a way of drawing

1150

00:40:39,829 --> 00:40:37,119

attention to the issue

1151
00:40:41,829 --> 00:40:39,839
worlddisclosureday.org

1152
00:40:42,950 --> 00:40:41,839
these are two important referenda that

1153
00:40:45,589 --> 00:40:42,960
are out there

1154
00:40:47,190 --> 00:40:45,599
for people to put their name behind

1155
00:40:49,990 --> 00:40:47,200
moving forward to get disclosure of the

1156
00:40:51,829 --> 00:40:50,000
ut presence uh finally done and i

1157
00:40:54,390 --> 00:40:51,839
appreciate uh talking with you this

1158
00:40:56,950 --> 00:40:54,400
evening great thank you so much and that

1159
00:40:59,030 --> 00:40:56,960
was all very fascinating

1160
00:41:02,710 --> 00:40:59,040
and that was stephen bassett

1161
00:41:04,790 --> 00:41:02,720
and below this podcast on the website

1162
00:41:08,790 --> 00:41:04,800
podcastufo.com

1163
00:41:11,430 --> 00:41:08,800

you will see two links one two paradigm

1164

00:41:13,109 --> 00:41:11,440

research group website and one to world

1165

00:41:15,750 --> 00:41:13,119

disclosure day

1166

00:41:17,670 --> 00:41:15,760

dot org is right below this podcast

1167

00:41:19,829 --> 00:41:17,680

thank you for listening and i hope to

1168

00:41:21,069 --> 00:41:19,839

hear from you again our email address is
