

**Denise | 1973 Cigar Shaped UFO Sighting**

1  
00:00:24,310 --> 00:00:21,670

[Music]

2  
00:00:26,790 --> 00:00:24,320  
so denise has been nice meeting you here

3  
00:00:28,630 --> 00:00:26,800  
um at the boot camp the mufon boot camp

4  
00:00:33,990 --> 00:00:28,640  
but i want to hear about your ufo

5  
00:00:36,630 --> 00:00:34,000  
sighting you had in 1973 in 1973 yes i

6  
00:00:39,350 --> 00:00:36,640  
was 14 years old and this occurred in

7  
00:00:42,310 --> 00:00:39,360  
upstate new york

8  
00:00:44,549 --> 00:00:42,320  
in a town called greece

9  
00:00:46,630 --> 00:00:44,559  
and it occurred at the end of the summer

10  
00:00:48,229 --> 00:00:46,640  
towards uh the beginning of the school

11  
00:00:50,630 --> 00:00:48,239  
year probably the end of august

12  
00:00:53,350 --> 00:00:50,640  
beginning of september and i was riding

13  
00:00:56,229 --> 00:00:53,360

my bicycle with my girlfriend from my

14

00:00:58,389 --> 00:00:56,239

house to her house and it was twilight

15

00:01:02,069 --> 00:00:58,399

or approaching twilight

16

00:01:04,469 --> 00:01:02,079

and as we came up to a path that cut

17

00:01:07,750 --> 00:01:04,479

through the back of the high school and

18

00:01:12,550 --> 00:01:07,760

through the like the football field

19

00:01:14,950 --> 00:01:12,560

i felt compelled to look to my right and

20

00:01:16,710 --> 00:01:14,960

to my right there were a

21

00:01:20,310 --> 00:01:16,720

bank of trees

22

00:01:22,789 --> 00:01:20,320

and i saw a very large craft rise from

23

00:01:24,390 --> 00:01:22,799

behind the trees and almost right about

24

00:01:28,350 --> 00:01:24,400

tree top level

25

00:01:31,270 --> 00:01:28,360

it was quiet it there was like no

26

00:01:34,069 --> 00:01:31,280

perturbation of the of the air or

27

00:01:36,550 --> 00:01:34,079

anything it was just like silent and it

28

00:01:37,990 --> 00:01:36,560

came over the trees and started moving

29

00:01:41,590 --> 00:01:38,000

in our direction

30

00:01:44,149 --> 00:01:41,600

and she and i um got off our bikes and

31

00:01:45,670 --> 00:01:44,159

leaned them up against the uh the

32

00:01:48,469 --> 00:01:45,680

bleachers

33

00:01:51,510 --> 00:01:48,479

and the craft came towards us

34

00:01:53,510 --> 00:01:51,520

and very very close i can't tell how

35

00:01:55,429 --> 00:01:53,520

many feet but it was just a little bit

36

00:01:56,469 --> 00:01:55,439

above the bleachers

37

00:01:57,830 --> 00:01:56,479

um

38

00:01:59,749 --> 00:01:57,840

and

39

00:02:01,749 --> 00:01:59,759

i can describe the craft to you yeah i'd

40

00:02:04,630 --> 00:02:01,759

love to hear it if there were some

41

00:02:06,950 --> 00:02:04,640

symbols on the bottom of it the um the

42

00:02:09,749 --> 00:02:06,960

central part of the body was like cigar

43

00:02:12,229 --> 00:02:09,759

shaped and there were three

44

00:02:14,550 --> 00:02:12,239

appendages coming out from one side and

45

00:02:16,229 --> 00:02:14,560

from the other and they ran parallel to

46

00:02:19,430 --> 00:02:16,239

each other and there were lights at the

47

00:02:22,229 --> 00:02:19,440

end of each of those appendages wow um

48

00:02:25,830 --> 00:02:22,239

the craft was very large as large as the

49

00:02:27,430 --> 00:02:25,840

football field if maybe not even bigger

50

00:02:28,390 --> 00:02:27,440

and so there were these symbols on the

51

00:02:30,200 --> 00:02:28,400

bottom

52

00:02:31,589 --> 00:02:30,210

that looked like they um

53

00:02:32,390 --> 00:02:31,599

[Music]

54

00:02:33,509 --> 00:02:32,400

they

55

00:02:36,150 --> 00:02:33,519

kind of

56

00:02:37,509 --> 00:02:36,160

looked like hieroglyphics or maybe

57

00:02:38,949 --> 00:02:37,519

russian

58

00:02:41,830 --> 00:02:38,959

letters

59

00:02:43,830 --> 00:02:41,840

um but i was 14 so my interpretation of

60

00:02:45,110 --> 00:02:43,840

what i was seeing was limited based on

61

00:02:46,790 --> 00:02:45,120

that because i don't really have any

62

00:02:48,710 --> 00:02:46,800

true recollection of what they look like

63

00:02:53,190 --> 00:02:48,720

now i just remember what my impression

64

00:02:55,910 --> 00:02:53,200

was then um so the next thing i know

65

00:02:57,509 --> 00:02:55,920

she and i um

66

00:03:00,229 --> 00:02:57,519

we're standing there and next thing i

67

00:03:01,589 --> 00:03:00,239

know it's dark

68

00:03:03,190 --> 00:03:01,599

not too much later couldn't have been

69

00:03:04,630 --> 00:03:03,200

too much later because we both had a

70

00:03:07,030 --> 00:03:04,640

curfew

71

00:03:09,990 --> 00:03:07,040

okay let me ask this did you

72

00:03:12,149 --> 00:03:10,000

did you remember seeing it leave and

73

00:03:13,830 --> 00:03:12,159

then or or was it just all of a sudden

74

00:03:15,990 --> 00:03:13,840

it was dark

75

00:03:18,070 --> 00:03:16,000

well we

76

00:03:19,190 --> 00:03:18,080

it was dark and the craft was still

77

00:03:23,910 --> 00:03:19,200

there

78

00:03:27,110 --> 00:03:23,920

it

79

00:03:29,830 --> 00:03:27,120

and from our vantage point

80

00:03:32,869 --> 00:03:29,840

we could see these these went

81

00:03:34,949 --> 00:03:32,879

look like windows um square-shaped and

82

00:03:38,309 --> 00:03:34,959

there was like an amber glow to them

83

00:03:41,670 --> 00:03:38,319

coming from the inside and i could see

84

00:03:44,869 --> 00:03:43,509

occupants

85

00:03:47,190 --> 00:03:44,879

did they look

86

00:03:49,110 --> 00:03:47,200

humanoid in a way would you say or

87

00:03:51,270 --> 00:03:49,120

larger heads i mean i don't want to lead

88

00:03:54,149 --> 00:03:51,280

you by saying the larger heads things

89

00:03:56,789 --> 00:03:54,159

but did they look like normal-sized

90

00:04:00,309 --> 00:03:56,799

heads than humanoids it's very hard for

91

00:04:01,509 --> 00:04:00,319

me to tell yeah you know at this

92

00:04:04,070 --> 00:04:01,519

right i can just tell you what my

93

00:04:06,149 --> 00:04:04,080

impressions were at the moment yeah and

94

00:04:08,630 --> 00:04:06,159

there were no details it was just a

95

00:04:10,869 --> 00:04:08,640

black silhouette and there was movement

96

00:04:16,150 --> 00:04:10,879

you could tell that they were moving

97

00:04:18,069 --> 00:04:16,160

and then um yeah and the ship silently

98

00:04:20,390 --> 00:04:18,079

just drifted

99

00:04:21,990 --> 00:04:20,400

towards our left i don't know what

100

00:04:24,070 --> 00:04:22,000

direction that was

101  
00:04:26,830 --> 00:04:24,080  
and she and i got on our bikes and we

102  
00:04:28,950 --> 00:04:26,840  
rode to her house and when we got to her

103  
00:04:30,469 --> 00:04:28,960  
neighborhood there were a lot of people

104  
00:04:31,590 --> 00:04:30,479  
standing on their driveways looking at

105  
00:04:34,310 --> 00:04:31,600  
the lights

106  
00:04:37,189 --> 00:04:34,320  
and talking about it um

107  
00:04:39,749 --> 00:04:37,199  
she and i never spoke of it again

108  
00:04:42,390 --> 00:04:39,759  
really and i've heard that so many times

109  
00:04:44,950 --> 00:04:42,400  
i ran into her about i don't know a few

110  
00:04:47,590 --> 00:04:44,960  
years ago at the gym and asked her about

111  
00:04:49,909 --> 00:04:47,600  
it and she refused to discuss that did

112  
00:04:52,230 --> 00:04:49,919  
she seem scared

113  
00:04:55,030 --> 00:04:52,240

uh the shades went down she was like i

114

00:04:58,150 --> 00:04:55,040

don't want to talk about that wow yeah

115

00:05:00,950 --> 00:04:58,160

right um my recollection is

116

00:05:03,110 --> 00:05:00,960

fairly positive um i don't have any

117

00:05:05,670 --> 00:05:03,120

feelings that i was all right we're just

118

00:05:07,110 --> 00:05:05,680

about out of time here do you

119

00:05:10,230 --> 00:05:07,120

are you ever thinking about doing

120

00:05:11,990 --> 00:05:10,240

regression just real quickly no okay all

121

00:05:21,940 --> 00:05:12,000

right thank you so much that was very
