

A portrait of Peter Maxwell Slattery, a man with short grey hair, wearing a dark blue blazer over a white t-shirt. He is sitting with his hands clasped in front of him. The background is a dark, blurred outdoor scene with some lights.

PETER MAXWELL SLATTERY

#483

1
00:00:48,150 --> 00:00:18,930

[Music]

2
00:00:52,549 --> 00:00:50,069

hello and welcome to the show i'm martin

3
00:00:54,549 --> 00:00:52,559

willis your host and i hope for all of

4
00:00:57,350 --> 00:00:54,559

you in the united states you had a great

5
00:00:59,430 --> 00:00:57,360

thanksgiving a few days ago it was uh

6
00:01:00,549 --> 00:00:59,440

pretty awesome on my end

7
00:01:01,990 --> 00:01:00,559

and uh

8
00:01:04,710 --> 00:01:02,000

always like again like i said my

9
00:01:06,230 --> 00:01:04,720

favorite holiday it was great uh meeting

10
00:01:07,590 --> 00:01:06,240

up with family talking to family all

11
00:01:09,670 --> 00:01:07,600

that stuff so

12
00:01:11,429 --> 00:01:09,680

this week we have something going on

13
00:01:13,270 --> 00:01:11,439

just a little bit different it's a

14

00:01:14,550 --> 00:01:13,280

pre-recorded show

15

00:01:17,190 --> 00:01:14,560

and uh

16

00:01:19,109 --> 00:01:17,200

it's just ahead of when the show airs

17

00:01:21,830 --> 00:01:19,119

live it had to do with a scheduling

18

00:01:23,670 --> 00:01:21,840

conflict from our guests uh so we we

19

00:01:25,910 --> 00:01:23,680

figured that we'd do this first and

20

00:01:28,550 --> 00:01:25,920

record and it's just like it will be

21

00:01:30,149 --> 00:01:28,560

live there's absolutely no editing and

22

00:01:32,789 --> 00:01:30,159

the good thing i think it's a good thing

23

00:01:35,670 --> 00:01:32,799

if you're watching live on youtube

24

00:01:37,190 --> 00:01:35,680

or on facebook then i will be in the

25

00:01:40,390 --> 00:01:37,200

chat room so

26

00:01:44,389 --> 00:01:40,400

interacting there so uh peter maxwell

27

00:01:47,030 --> 00:01:44,399

slatterly he was first on back in 2013

28

00:01:49,350 --> 00:01:47,040

and we welcome him back um he has a film

29

00:01:52,870 --> 00:01:49,360

out that's called multi-dimensional

30

00:01:54,389 --> 00:01:52,880

um he has some great footage i've looked

31

00:01:57,429 --> 00:01:54,399

at it when he was on here he was on here

32

00:01:59,030 --> 00:01:57,439

two times over the past several years

33

00:02:01,190 --> 00:01:59,040

and so we'll be running the trailer of

34

00:02:02,550 --> 00:02:01,200

the movie coming up in just a bit and

35

00:02:04,870 --> 00:02:02,560

we're gonna find out when that's going

36

00:02:08,790 --> 00:02:04,880

to be available and all that uh peter's

37

00:02:11,430 --> 00:02:08,800

from australia and uh we do have a large

38

00:02:13,190 --> 00:02:11,440

listening audience there i think it's

39

00:02:14,309 --> 00:02:13,200

either second or third in the entire

40

00:02:17,430 --> 00:02:14,319

world out of

41

00:02:19,350 --> 00:02:17,440

uh and for kind of a small population 26

42

00:02:22,630 --> 00:02:19,360

million people or so somewhere around

43

00:02:25,589 --> 00:02:22,640

there so uh it's it's always amazed me

44

00:02:28,150 --> 00:02:25,599

how uh you know really big into the ufo

45

00:02:29,830 --> 00:02:28,160

topic people in australia are

46

00:02:32,070 --> 00:02:29,840

so big news i heard about this on

47

00:02:35,030 --> 00:02:32,080

thanksgiving day is the defense

48

00:02:36,710 --> 00:02:35,040

department uh at the pentagon has a new

49

00:02:39,670 --> 00:02:36,720

office and it's dedicated to

50

00:02:41,430 --> 00:02:39,680

investigating ufos uips whatever you'd

51
00:02:43,830 --> 00:02:41,440
like to call them it's called the

52
00:02:46,630 --> 00:02:43,840
airborne object identification and

53
00:02:47,589 --> 00:02:46,640
management synchronization group

54
00:02:53,030 --> 00:02:47,599
so

55
00:02:56,150 --> 00:02:53,040
the acronym for it is a o i m s g

56
00:02:58,630 --> 00:02:56,160
why i guess you call it a sumaga

57
00:03:01,190 --> 00:02:58,640
something like that but uh i'm wondering

58
00:03:03,270 --> 00:03:01,200
if they made it that long just so people

59
00:03:05,110 --> 00:03:03,280
would get tired of reading it over and

60
00:03:06,229 --> 00:03:05,120
over again or something or it's kind of

61
00:03:08,550 --> 00:03:06,239
a strange

62
00:03:10,710 --> 00:03:08,560
kind of overkill on the name there but

63
00:03:13,830 --> 00:03:10,720

so osama gah

64

00:03:16,309 --> 00:03:13,840

will specifically photo focus on

65

00:03:18,869 --> 00:03:16,319

um unexplained phenomena that pass

66

00:03:20,550 --> 00:03:18,879

through military airspace

67

00:03:22,070 --> 00:03:20,560

and it's kind of a shame that's all

68

00:03:23,830 --> 00:03:22,080

they're going to focus on but i think it

69

00:03:25,830 --> 00:03:23,840

probably has to do with the data that

70

00:03:26,869 --> 00:03:25,840

they can collect

71

00:03:29,589 --> 00:03:26,879

so

72

00:03:31,670 --> 00:03:29,599

much much more efficiently through

73

00:03:33,910 --> 00:03:31,680

military airspace i suppose that's what

74

00:03:35,030 --> 00:03:33,920

it is and it's uh the group will be

75

00:03:37,830 --> 00:03:35,040

directed

76
00:03:40,789 --> 00:03:37,840
by and unders the secretary of defense

77
00:03:43,270 --> 00:03:40,799
for intelligence and security osamuga

78
00:03:44,390 --> 00:03:43,280
will be the successor to the navy

79
00:03:46,390 --> 00:03:44,400
department

80
00:03:49,190 --> 00:03:46,400
called the unidentified

81
00:03:51,670 --> 00:03:49,200
phenomenon task force so that's what is

82
00:03:53,830 --> 00:03:51,680
going on there uh we have a blog up this

83
00:03:56,550 --> 00:03:53,840
week i didn't get to hear from charles

84
00:03:58,309 --> 00:03:56,560
before i'm recording to figure out what

85
00:04:00,429 --> 00:03:58,319
that is about what the title is and all

86
00:04:03,990 --> 00:04:00,439
that but check it out over at

87
00:04:06,390 --> 00:04:04,000
podcastufo.com it'll be on our website

88
00:04:08,229 --> 00:04:06,400

and along with that there's also our

89

00:04:10,470 --> 00:04:08,239

patreon page and i want to thank those

90

00:04:13,110 --> 00:04:10,480

who reached out from

91

00:04:14,949 --> 00:04:13,120

last week and are support now supporting

92

00:04:16,150 --> 00:04:14,959

the show means a very much to me thank

93

00:04:18,390 --> 00:04:16,160

you very much

94

00:04:20,870 --> 00:04:18,400

and that is also there's a link on our

95

00:04:23,990 --> 00:04:20,880

website at podcastufo.com

96

00:04:25,749 --> 00:04:24,000

we're also on facebook there's uh i

97

00:04:28,150 --> 00:04:25,759

think 20 somewhat thousand people over

98

00:04:30,950 --> 00:04:28,160

there at our facebook page and about the

99

00:04:33,110 --> 00:04:30,960

same amount i believe on our twitter i'm

100

00:04:36,310 --> 00:04:33,120

not really too active when it comes to

101
00:04:38,230 --> 00:04:36,320
social media of any kind these days uh

102
00:04:40,469 --> 00:04:38,240
sorry about that but a lot of people

103
00:04:43,350 --> 00:04:40,479
have contacted me through social media

104
00:04:46,230 --> 00:04:43,360
and that's that's uh always a useful

105
00:04:47,990 --> 00:04:46,240
tool but i just don't go on the platform

106
00:04:50,230 --> 00:04:48,000
too much at all these days and there's a

107
00:04:52,150 --> 00:04:50,240
lot of ufo stuff on occasionally someone

108
00:04:54,310 --> 00:04:52,160
will send me something that's linked on

109
00:04:56,710 --> 00:04:54,320
facebook and of course i will check it

110
00:04:58,629 --> 00:04:56,720
out there but anyway here's our guest

111
00:05:00,629 --> 00:04:58,639
i'm bringing in peter right now peter

112
00:05:02,710 --> 00:05:00,639
welcome to the show

113
00:05:04,629 --> 00:05:02,720

great to connect again martin

114

00:05:05,670 --> 00:05:04,639

i know it's been i can't remember the

115

00:05:07,350 --> 00:05:05,680

last time you were on it but i think it

116

00:05:08,550 --> 00:05:07,360

was four or five years

117

00:05:10,390 --> 00:05:08,560

something like that

118

00:05:12,870 --> 00:05:10,400

a couple of times like you're saying

119

00:05:14,550 --> 00:05:12,880

was it 2013 was the first time so yeah

120

00:05:15,749 --> 00:05:14,560

it's been a couple of times in since

121

00:05:18,790 --> 00:05:15,759

then yeah

122

00:05:21,590 --> 00:05:18,800

yeah yeah and you have a new film out um

123

00:05:23,029 --> 00:05:21,600

and what inspired you to was it your

124

00:05:24,710 --> 00:05:23,039

idea to come up with this film or does

125

00:05:25,909 --> 00:05:24,720

someone approach you how did that oh

126

00:05:28,790 --> 00:05:25,919

work out

127

00:05:31,430 --> 00:05:28,800

i did it myself and funny enough it's on

128

00:05:34,390 --> 00:05:31,440

myself but what how this came into

129

00:05:37,670 --> 00:05:34,400

fruition was i was i've done contact has

130

00:05:39,189 --> 00:05:37,680

begun to for james gili land um

131

00:05:41,270 --> 00:05:39,199

i've done a couple of other films as

132

00:05:43,189 --> 00:05:41,280

well and i don't see firstly i've got to

133

00:05:45,189 --> 00:05:43,199

say i don't see myself as a filmmaker i

134

00:05:47,110 --> 00:05:45,199

was trying to tell a story

135

00:05:49,029 --> 00:05:47,120

i don't think i'm a filmmaker though i

136

00:05:50,790 --> 00:05:49,039

can just put it together

137

00:05:52,950 --> 00:05:50,800

and it was in a period of a week i

138

00:05:54,790 --> 00:05:52,960

actually had uh john vivanco who's in

139

00:05:56,710 --> 00:05:54,800

the movie he's a professional remote

140

00:05:58,629 --> 00:05:56,720

builder he's done work for the uh for a

141

00:06:00,710 --> 00:05:58,639

think tank for the fbi

142

00:06:04,230 --> 00:06:00,720

nasa a lot of different intelligence

143

00:06:07,110 --> 00:06:04,240

agencies as well as uh corporations

144

00:06:10,309 --> 00:06:07,120

so on and so on and jason gleaves who's

145

00:06:12,230 --> 00:06:10,319

from ufo uh uf only he's a image

146

00:06:15,430 --> 00:06:12,240

analysis expert

147

00:06:16,710 --> 00:06:15,440

uh ex uk air force and aerospace and

148

00:06:17,590 --> 00:06:16,720

james

149

00:06:19,270 --> 00:06:17,600

john

150

00:06:21,270 --> 00:06:19,280

and jason within a week said you should

151
00:06:23,990 --> 00:06:21,280
just make your own film and there was

152
00:06:25,909 --> 00:06:24,000
other opportunities in the past but

153
00:06:28,230 --> 00:06:25,919
i thought having different people's

154
00:06:30,550 --> 00:06:28,240
perspectives and looking at it from a

155
00:06:33,270 --> 00:06:30,560
remote viewing perspective

156
00:06:35,270 --> 00:06:33,280
and also having the image analysis done

157
00:06:36,790 --> 00:06:35,280
and then bringing in somebody like mary

158
00:06:38,550 --> 00:06:36,800
rodwell as well who's been at this for

159
00:06:40,469 --> 00:06:38,560
over 25 years

160
00:06:42,629 --> 00:06:40,479
it was going to bring just a take on my

161
00:06:45,029 --> 00:06:42,639
case in my story to where i talk a

162
00:06:47,430 --> 00:06:45,039
little bit about the experiences and i

163
00:06:49,589 --> 00:06:47,440

try to go into the consciousness aspect

164

00:06:51,670 --> 00:06:49,599

but mainly i wanted to to make this for

165

00:06:54,150 --> 00:06:51,680

some uh for basically

166

00:06:56,150 --> 00:06:54,160

a family or anyone that's got nothing to

167

00:06:59,189 --> 00:06:56,160

do with the topic to to be able to watch

168

00:07:03,510 --> 00:06:59,199

it but also go into the deeper aspect

169

00:07:05,510 --> 00:07:03,520

of where this topic leads which

170

00:07:07,270 --> 00:07:05,520

i don't know about yourself but i've i

171

00:07:08,710 --> 00:07:07,280

know a lot of researchers in this

172

00:07:10,629 --> 00:07:08,720

community that have been at it longer

173

00:07:11,990 --> 00:07:10,639

than i've been alive

174

00:07:14,870 --> 00:07:12,000

and we can even look at somebody like

175

00:07:16,790 --> 00:07:14,880

jln hynek that eventually it shifted to

176
00:07:18,390 --> 00:07:16,800
the conscious aspect it wasn't the nuts

177
00:07:20,710 --> 00:07:18,400
and bolts anymore it was the the

178
00:07:23,029 --> 00:07:20,720
conscious aspect of the phenomena

179
00:07:24,870 --> 00:07:23,039
but also how these

180
00:07:26,629 --> 00:07:24,880
beings and their crafts not only is

181
00:07:28,230 --> 00:07:26,639
there a physical aspect to it but they

182
00:07:31,189 --> 00:07:28,240
can also go multi-dimensional and what i

183
00:07:32,550 --> 00:07:31,199
mean by that is and hundreds of people

184
00:07:34,309 --> 00:07:32,560
have experienced this with me it's on

185
00:07:35,749 --> 00:07:34,319
video it's in the film

186
00:07:37,189 --> 00:07:35,759
the bangs

187
00:07:38,550 --> 00:07:37,199
they can be extraterrestrial but what i

188
00:07:40,390 --> 00:07:38,560

say is extraterrestrials are the bottom

189

00:07:42,550 --> 00:07:40,400

five percent of what's out there from my

190

00:07:44,230 --> 00:07:42,560

own experience once you get past

191

00:07:46,950 --> 00:07:44,240

extraterrestrials you start to go into

192

00:07:49,350 --> 00:07:46,960

realms and places that have no planets

193

00:07:50,550 --> 00:07:49,360

no stars it's completely different

194

00:07:52,469 --> 00:07:50,560

ballpark

195

00:07:53,749 --> 00:07:52,479

but the same mechanism whether it's

196

00:07:55,350 --> 00:07:53,759

trans-dimensional beings

197

00:07:57,350 --> 00:07:55,360

extraterrestrials we could say the

198

00:07:59,350 --> 00:07:57,360

paranormal phenomena

199

00:08:00,230 --> 00:07:59,360

they're using a mechanism in some cases

200

00:08:01,749 --> 00:08:00,240

depending on their level of

201
00:08:04,230 --> 00:08:01,759
consciousness to where they can appear

202
00:08:05,670 --> 00:08:04,240
like a ghost and before i was known for

203
00:08:07,990 --> 00:08:05,680
this

204
00:08:09,990 --> 00:08:08,000
i was somebody that was called to the

205
00:08:11,510 --> 00:08:10,000
most haunted places in australia to work

206
00:08:14,469 --> 00:08:11,520
out what was going on and what i found

207
00:08:15,909 --> 00:08:14,479
in some cases especially in house calls

208
00:08:17,909 --> 00:08:15,919
is that some people that thought they

209
00:08:20,070 --> 00:08:17,919
were having hauntings happening they

210
00:08:21,110 --> 00:08:20,080
were actually having at contact

211
00:08:23,430 --> 00:08:21,120
and some people that thought they were

212
00:08:25,029 --> 00:08:23,440
having at contact had residual or

213
00:08:26,950 --> 00:08:25,039

intelligent hauntings because they can

214

00:08:29,270 --> 00:08:26,960

appear as apparitions they can even land

215

00:08:30,950 --> 00:08:29,280

the craft on you like a ghost so i'm

216

00:08:33,110 --> 00:08:30,960

going a bit ahead here

217

00:08:35,110 --> 00:08:33,120

but this is the basis that i wanted to

218

00:08:36,630 --> 00:08:35,120

bring to the world because when i'm

219

00:08:38,070 --> 00:08:36,640

talking behind the scenes with a lot of

220

00:08:40,389 --> 00:08:38,080

researchers and people in military and

221

00:08:41,750 --> 00:08:40,399

what have you they understand this they

222

00:08:43,190 --> 00:08:41,760

don't know how it works but they

223

00:08:45,110 --> 00:08:43,200

understand that this is a main part of

224

00:08:47,030 --> 00:08:45,120

the phenomena and that's what i wanted

225

00:08:49,190 --> 00:08:47,040

to bring in bring to light in a very

226

00:08:51,190 --> 00:08:49,200

digestible way with evidence that i

227

00:08:53,829 --> 00:08:51,200

could produce to sort of give people a

228

00:08:56,070 --> 00:08:53,839

reference point for that

229

00:08:59,030 --> 00:08:56,080

wow interesting i

230

00:09:02,310 --> 00:08:59,040

um i'm i have to be open-minded to about

231

00:09:04,230 --> 00:09:02,320

anything for what these things are and

232

00:09:05,590 --> 00:09:04,240

i would say that this is the first time

233

00:09:06,470 --> 00:09:05,600

i've heard what you're saying but it's

234

00:09:09,430 --> 00:09:06,480

not

235

00:09:11,190 --> 00:09:09,440

um there is a researcher a long time

236

00:09:14,310 --> 00:09:11,200

researcher and a friend

237

00:09:16,389 --> 00:09:14,320

uh paul eno and he's been talking about

238

00:09:18,630 --> 00:09:16,399

this type of thing for oh i don't know

239

00:09:22,550 --> 00:09:18,640

maybe four years he's

240

00:09:23,590 --> 00:09:22,560

um he runs a radio show out on rhode

241

00:09:26,389 --> 00:09:23,600

island

242

00:09:29,030 --> 00:09:26,399

and it's mostly you know uh terrestrial

243

00:09:31,430 --> 00:09:29,040

radio it and but his his podcasts are

244

00:09:34,389 --> 00:09:31,440

available but i was kind of shocked when

245

00:09:36,870 --> 00:09:34,399

he first said along those lines where he

246

00:09:38,550 --> 00:09:36,880

thought you know this whole ball of wax

247

00:09:41,670 --> 00:09:38,560

that people are seeing

248

00:09:44,550 --> 00:09:41,680

meaning ghosts meaning ufos

249

00:09:46,389 --> 00:09:44,560

uh beings and all these things that are

250

00:09:47,990 --> 00:09:46,399

happening uh might be a

251
00:09:49,509 --> 00:09:48,000
multi-dimensional

252
00:09:50,790 --> 00:09:49,519
type of thing

253
00:09:53,750 --> 00:09:50,800
every bit of it might be

254
00:09:54,550 --> 00:09:53,760
multi-dimensional now i i tend to think

255
00:09:56,389 --> 00:09:54,560
that

256
00:09:58,630 --> 00:09:56,399
and i just heard you say this

257
00:10:01,670 --> 00:09:58,640
that whatever it is may be coming from

258
00:10:04,389 --> 00:10:01,680
other places as well not just that

259
00:10:05,269 --> 00:10:04,399
that's kind of you know whatever it is

260
00:10:06,870 --> 00:10:05,279
that

261
00:10:08,310 --> 00:10:06,880
i i guess i want to say whatever the

262
00:10:11,030 --> 00:10:08,320
flavor of

263
00:10:13,110 --> 00:10:11,040

the day is with what these things may or

264

00:10:14,550 --> 00:10:13,120

may not be when people are discussing it

265

00:10:16,870 --> 00:10:14,560

i think it's

266

00:10:20,310 --> 00:10:16,880

many things you know and it's just it's

267

00:10:23,190 --> 00:10:20,320

a theory um that's all we really have

268

00:10:25,910 --> 00:10:23,200

is theories anyway to begin with but um

269

00:10:27,590 --> 00:10:25,920

now that's that's interesting i i wasn't

270

00:10:29,670 --> 00:10:27,600

able to watch the uh

271

00:10:30,870 --> 00:10:29,680

the video but however i do have the

272

00:10:33,030 --> 00:10:30,880

trailer here would you like me to play

273

00:10:36,150 --> 00:10:33,040

that now i can just yeah

274

00:10:38,069 --> 00:10:36,160

okay so here is the trailer to the film

275

00:10:39,910 --> 00:10:38,079

going right now

276

00:10:43,110 --> 00:10:39,920

what is this all about

277

00:10:46,310 --> 00:10:43,120

why are we being interacted with by this

278

00:10:49,030 --> 00:10:46,320

range of physical and non-physical

279

00:10:51,190 --> 00:10:49,040

intelligences

280

00:10:53,030 --> 00:10:51,200

my experiences started at a young age

281

00:10:55,110 --> 00:10:53,040

and typically what people refer to as

282

00:10:57,269 --> 00:10:55,120

like the grey alien and his evidence

283

00:11:00,069 --> 00:10:57,279

speaks for itself the evidence that

284

00:11:02,870 --> 00:11:00,079

peter was showing there his video

285

00:11:05,750 --> 00:11:02,880

footage of craft of all different kinds

286

00:11:07,509 --> 00:11:05,760

of craft it's almost like they are being

287

00:11:07,830 --> 00:11:07,519

told it's time to come out because we're

288

00:11:11,829 --> 00:11:07,840

here

289

00:11:14,230 --> 00:11:11,839

[Music]

290

00:11:16,550 --> 00:11:14,240

pete's genetics you know they've been

291

00:11:18,230 --> 00:11:16,560

manipulated and they're different than a

292

00:11:20,069 --> 00:11:18,240

normal human this has been happening to

293

00:11:23,030 --> 00:11:20,079

him since he was a child when it got

294

00:11:25,350 --> 00:11:23,040

pretty serious was when i started seeing

295

00:11:27,030 --> 00:11:25,360

what i could term as like blue orbs

296

00:11:28,470 --> 00:11:27,040

coming into the house floating around

297

00:11:31,509 --> 00:11:28,480

doing whatever they do

298

00:11:33,990 --> 00:11:31,519

applying enhanced filters to the footage

299

00:11:36,949 --> 00:11:34,000

engraved with large heads

300

00:11:39,910 --> 00:11:36,959

large dark eyes almond shaped

301
00:11:43,110 --> 00:11:39,920
small nose and mouth we saw that this

302
00:11:45,110 --> 00:11:43,120
was indeed an alien in his house and

303
00:11:47,110 --> 00:11:45,120
there wasn't just one though there was

304
00:11:48,630 --> 00:11:47,120
basically a whole crew of them we know

305
00:11:50,870 --> 00:11:48,640
who's on the ships

306
00:11:53,509 --> 00:11:50,880
you know begs the question is why is

307
00:11:57,030 --> 00:11:53,519
this not available to the public it's

308
00:11:59,110 --> 00:11:57,040
crazy but it is what it is the one we

309
00:12:01,190 --> 00:11:59,120
know is pete is not so much one

310
00:12:02,470 --> 00:12:01,200
individual of course the data reflects

311
00:12:06,150 --> 00:12:02,480
somewhat of a

312
00:12:08,230 --> 00:12:06,160
rotation of beings that can and do go in

313
00:12:10,550 --> 00:12:08,240

and out of pete's body frankly he's

314

00:12:12,470 --> 00:12:10,560

described as being an experiment being a

315

00:12:14,940 --> 00:12:12,480

multi-dimensional

316

00:12:22,620 --> 00:12:14,950

alien type experiment

317

00:12:28,230 --> 00:12:25,430

[Music]

318

00:12:30,949 --> 00:12:28,240

wow hey well there's a lot of a lot to

319

00:12:33,190 --> 00:12:30,959

unpack right there peter first of all

320

00:12:34,790 --> 00:12:33,200

was uh is it james the one that we had

321

00:12:38,550 --> 00:12:34,800

the glasses

322

00:12:40,949 --> 00:12:38,560

no that was john vavanco oh

323

00:12:42,949 --> 00:12:40,959

john the one that works for the fbi

324

00:12:44,389 --> 00:12:42,959

he's worked he he's worked for them in a

325

00:12:46,550 --> 00:12:44,399

think tank so it's like they've

326

00:12:48,310 --> 00:12:46,560

outsourced a group of remote viewers and

327

00:12:52,310 --> 00:12:48,320

i think to back in the day that was to

328

00:12:54,310 --> 00:12:52,320

do with homeland security um after 9 11.

329

00:12:56,389 --> 00:12:54,320

so it was to prevent looking at

330

00:12:58,470 --> 00:12:56,399

potential events i don't know how much

331

00:12:59,190 --> 00:12:58,480

more i can say on that but yeah

332

00:13:04,230 --> 00:12:59,200

yeah

333

00:13:05,590 --> 00:13:04,240

that's kind of just taking a little side

334

00:13:06,949 --> 00:13:05,600

step here

335

00:13:09,269 --> 00:13:06,959

are they still

336

00:13:11,350 --> 00:13:09,279

working with remote viewing i mean is

337

00:13:13,509 --> 00:13:11,360

that something that they're here

338

00:13:15,750 --> 00:13:13,519

they've been working with remote viewing

339

00:13:17,990 --> 00:13:15,760

i even found out recently

340

00:13:19,509 --> 00:13:18,000

in the australian military that soldiers

341

00:13:21,430 --> 00:13:19,519

are being trained with remote viewing

342

00:13:23,110 --> 00:13:21,440

before going out and they're fully

343

00:13:25,269 --> 00:13:23,120

trained to go out

344

00:13:27,110 --> 00:13:25,279

i had this towards me personally by two

345

00:13:28,870 --> 00:13:27,120

two people

346

00:13:31,269 --> 00:13:28,880

see i thought that was that was done

347

00:13:33,750 --> 00:13:31,279

with in the uh seventies when

348

00:13:35,350 --> 00:13:33,760

uh we had project stargate to start off

349

00:13:37,030 --> 00:13:35,360

with but what i was told was after it

350

00:13:39,110 --> 00:13:37,040

was revealed in 90 i think it was

351
00:13:40,790 --> 00:13:39,120
mid-90s don't quote me

352
00:13:42,310 --> 00:13:40,800
what happened was then they started to

353
00:13:44,470 --> 00:13:42,320
outsource it

354
00:13:46,150 --> 00:13:44,480
and then i think it started to go under

355
00:13:47,750 --> 00:13:46,160
the nsa

356
00:13:50,150 --> 00:13:47,760
i can't say much more on that but that's

357
00:13:52,150 --> 00:13:50,160
what i've personally been told by people

358
00:13:53,670 --> 00:13:52,160
that were part of it

359
00:13:57,430 --> 00:13:53,680
yeah

360
00:13:59,189 --> 00:13:57,440
were in the trailer

361
00:14:01,590 --> 00:13:59,199
um that looked like

362
00:14:02,389 --> 00:14:01,600
uh you know aliens you know gray aliens

363
00:14:04,710 --> 00:14:02,399

or whatever

364

00:14:05,829 --> 00:14:04,720

is there is that possible have you had

365

00:14:07,110 --> 00:14:05,839

someone

366

00:14:09,750 --> 00:14:07,120

we have this thing that we call

367

00:14:13,269 --> 00:14:09,760

peridolia where we look at things and

368

00:14:15,350 --> 00:14:13,279

things we make them into faces

369

00:14:17,110 --> 00:14:15,360

that's called mitrixin that's called

370

00:14:18,870 --> 00:14:17,120

matrixing where you will matrix it

371

00:14:20,310 --> 00:14:18,880

that's the term i've heard it i haven't

372

00:14:22,389 --> 00:14:20,320

heard that term but yeah i know it is

373

00:14:24,310 --> 00:14:22,399

matrices matrixing so

374

00:14:25,670 --> 00:14:24,320

the original photo is a lot clearer than

375

00:14:27,829 --> 00:14:25,680

that the only reason you're seeing that

376

00:14:29,189 --> 00:14:27,839

version there is to enhance the contrast

377

00:14:30,790 --> 00:14:29,199

and everything to bring it out so people

378

00:14:31,910 --> 00:14:30,800

don't have to look for it

379

00:14:33,910 --> 00:14:31,920

um

380

00:14:35,829 --> 00:14:33,920

but there is nothing that was there i

381

00:14:38,310 --> 00:14:35,839

can tell you that 100 without a doubt

382

00:14:40,949 --> 00:14:38,320

like meaning there's nothing there that

383

00:14:43,189 --> 00:14:40,959

could matrix that in the mind to see

384

00:14:45,350 --> 00:14:43,199

that image plus the other one is a video

385

00:14:46,389 --> 00:14:45,360

of it blinking

386

00:14:50,550 --> 00:14:46,399

a video

387

00:14:52,629 --> 00:14:50,560

it's already been on youtube for since

388

00:14:54,470 --> 00:14:52,639

2017 there's a video of a grey head

389

00:14:55,750 --> 00:14:54,480

popping out that you can see the eyes

390

00:14:58,310 --> 00:14:55,760

blink

391

00:14:59,829 --> 00:14:58,320

ah wow and that's on your youtube

392

00:15:01,829 --> 00:14:59,839

channel yeah

393

00:15:04,550 --> 00:15:01,839

that's my idea i missed that one i

394

00:15:06,629 --> 00:15:04,560

looked at a few of them uh in the past

395

00:15:09,990 --> 00:15:06,639

but i did miss that one in particular

396

00:15:11,430 --> 00:15:10,000

but so these things i don't know

397

00:15:14,310 --> 00:15:11,440

first of all there was one other thing i

398

00:15:17,430 --> 00:15:14,320

want to talk about that trailer and that

399

00:15:18,150 --> 00:15:17,440

is your genetics have changed

400

00:15:20,710 --> 00:15:18,160

that

401

00:15:23,670 --> 00:15:20,720

what i heard

402

00:15:26,470 --> 00:15:23,680

yeah so there are there's been up to 40

403

00:15:28,310 --> 00:15:26,480

remote viewers work with john on

404

00:15:30,790 --> 00:15:28,320

about who i am and some of the

405

00:15:32,470 --> 00:15:30,800

experiences totally blind

406

00:15:34,310 --> 00:15:32,480

and that's what they've all come up with

407

00:15:35,910 --> 00:15:34,320

as well as there is some anomalous stuff

408

00:15:37,749 --> 00:15:35,920

as well

409

00:15:39,189 --> 00:15:37,759

oh but you haven't been tested to see if

410

00:15:41,030 --> 00:15:39,199

you're you're

411

00:15:43,509 --> 00:15:41,040

well what i can tell you my creatine

412

00:15:45,110 --> 00:15:43,519

levels are extremely high very similar

413

00:15:47,269 --> 00:15:45,120

readings to what we could see with ufo

414

00:15:48,389 --> 00:15:47,279

hunters with uh tyrell and michael lee

415

00:15:49,990 --> 00:15:48,399

hill

416

00:15:53,030 --> 00:15:50,000

my eyesight i should have been wearing

417

00:15:54,710 --> 00:15:53,040

glasses full time in my 20s for the rest

418

00:15:57,269 --> 00:15:54,720

of my life and i don't need glasses

419

00:15:58,790 --> 00:15:57,279

anymore there's a few i i would go into

420

00:16:02,230 --> 00:15:58,800

more but there's just things that i need

421

00:16:05,749 --> 00:16:02,240

to keep somewhat privacy for myself

422

00:16:07,430 --> 00:16:05,759

huh how about that so okay so let's uh

423

00:16:09,670 --> 00:16:07,440

let's rewind

424

00:16:11,110 --> 00:16:09,680

for the person that hasn't it's been a

425

00:16:14,069 --> 00:16:11,120

long time since you've been

426

00:16:17,189 --> 00:16:14,079

on this show and so let's go back to the

427

00:16:19,509 --> 00:16:17,199

beginning of how these things began

428

00:16:21,350 --> 00:16:19,519

with you how long ago

429

00:16:24,710 --> 00:16:21,360

can you talk about where you were living

430

00:16:27,829 --> 00:16:24,720

and and and all of that if you would

431

00:16:29,430 --> 00:16:27,839

yes so i'm from a town called aubry uh

432

00:16:30,790 --> 00:16:29,440

it's on the border of new south wales

433

00:16:32,310 --> 00:16:30,800

and victoria's together they're known as

434

00:16:34,829 --> 00:16:32,320

twin cities aubry we're dongle but i was

435

00:16:37,990 --> 00:16:34,839

on the new south wales side

436

00:16:39,670 --> 00:16:38,000

uh what i can tell what i can say there

437

00:16:40,949 --> 00:16:39,680

was experiences at a young age which i

438

00:16:43,269 --> 00:16:40,959

don't talk about because they're very

439

00:16:45,110 --> 00:16:43,279

they're not 100 sort of they're very

440

00:16:47,269 --> 00:16:45,120

vague just imagery but

441

00:16:48,710 --> 00:16:47,279

the way i describe it and i've talked

442

00:16:50,150 --> 00:16:48,720

about this in later years never at the

443

00:16:51,829 --> 00:16:50,160

start but there was forms of what i

444

00:16:53,829 --> 00:16:51,839

could say is telepathy which i

445

00:16:56,389 --> 00:16:53,839

understand now i didn't back then from

446

00:16:58,870 --> 00:16:56,399

the age of seven and this was a female

447

00:17:00,389 --> 00:16:58,880

energy or a voice speaking to me

448

00:17:02,150 --> 00:17:00,399

that would be telling me things before

449

00:17:04,390 --> 00:17:02,160

they happen things to do with the family

450

00:17:06,390 --> 00:17:04,400

sometimes with different events

451

00:17:08,630 --> 00:17:06,400

uh i can remember going to the doctors

452

00:17:09,669 --> 00:17:08,640

with my uh mother one time about it and

453

00:17:11,429 --> 00:17:09,679

the doctor said well there's nothing

454

00:17:13,189 --> 00:17:11,439

negative so don't worry about it so it

455

00:17:15,029 --> 00:17:13,199

will sort of just blow it off but what

456

00:17:17,270 --> 00:17:15,039

he's saying was happening

457

00:17:19,990 --> 00:17:17,280

or it would eventually happen

458

00:17:21,909 --> 00:17:20,000

it was between the ages of 8 and 12 with

459

00:17:24,710 --> 00:17:21,919

strong memories of what i could describe

460

00:17:27,750 --> 00:17:24,720

as sometimes a grey alien or aliens but

461

00:17:29,270 --> 00:17:27,760

they weren't grey they were white

462

00:17:31,590 --> 00:17:29,280

they

463

00:17:32,789 --> 00:17:31,600

would have skin

464

00:17:34,549 --> 00:17:32,799

that

465

00:17:36,070 --> 00:17:34,559

if you got cigarette ash and you dabbed

466

00:17:38,150 --> 00:17:36,080

it with your finger that texture it was

467

00:17:40,710 --> 00:17:38,160

like that and they were white pure black

468

00:17:42,710 --> 00:17:40,720

armored eyes but they were more sort of

469

00:17:44,870 --> 00:17:42,720

they weren't as up they were sort of

470

00:17:47,510 --> 00:17:44,880

more like ours but they'll still on a

471

00:17:49,430 --> 00:17:47,520

tilt not super big

472

00:17:51,510 --> 00:17:49,440

and there was a recurring experience

473

00:17:52,870 --> 00:17:51,520

with them on a regular basis basis

474

00:17:54,230 --> 00:17:52,880

between the ages eight and twelve i

475

00:17:56,630 --> 00:17:54,240

remember that because i was living with

476

00:17:58,470 --> 00:17:56,640

my mother at the time in a certain new

477

00:18:00,549 --> 00:17:58,480

house that they had built and then i

478

00:18:04,230 --> 00:18:00,559

went to my father's later on

479

00:18:06,150 --> 00:18:04,240

so that was a reoccurring experience

480

00:18:07,990 --> 00:18:06,160

it wasn't until

481

00:18:09,990 --> 00:18:08,000

i just dropped you right there did you

482

00:18:12,070 --> 00:18:10,000

feel like you were what people are

483

00:18:12,870 --> 00:18:12,080

calling abducted

484

00:18:16,230 --> 00:18:12,880

no

485

00:18:17,830 --> 00:18:16,240

didn't think they were angels demons i

486

00:18:19,430 --> 00:18:17,840

didn't know what they were i had no

487

00:18:20,950 --> 00:18:19,440

record for it

488

00:18:22,150 --> 00:18:20,960

it scared the crap out of me two at

489

00:18:23,350 --> 00:18:22,160

times i'd pull the sheet up i can

490

00:18:24,789 --> 00:18:23,360

remember and turning and sometimes

491

00:18:26,549 --> 00:18:24,799

there'll be light coming from the

492

00:18:28,230 --> 00:18:26,559

peripheral or the curtain now whether

493

00:18:29,190 --> 00:18:28,240

the sun up was up in the morning whether

494

00:18:31,190 --> 00:18:29,200

it was the middle of the morning and

495

00:18:33,669 --> 00:18:31,200

there was a craft outside what was

496

00:18:35,510 --> 00:18:33,679

responsible for that i've got no idea

497

00:18:37,270 --> 00:18:35,520

all i can tell you is i was like what

498

00:18:38,950 --> 00:18:37,280

the hell am i saying what i haven't

499

00:18:40,950 --> 00:18:38,960

spoken about only a couple of times with

500

00:18:43,029 --> 00:18:40,960

whitley street and others was what i

501
00:18:44,870 --> 00:18:43,039
originally saw was something appearing

502
00:18:46,390 --> 00:18:44,880
as kirkebane i'm not saying it was

503
00:18:47,909 --> 00:18:46,400
kirkobay and the singer of nirvana but i

504
00:18:49,510 --> 00:18:47,919
was into nirvana

505
00:18:51,750 --> 00:18:49,520
and looking back i feel that they were

506
00:18:53,510 --> 00:18:51,760
projecting that image to try and

507
00:18:54,870 --> 00:18:53,520
wean me into it but it actually scared

508
00:18:57,510 --> 00:18:54,880
the crap out of me more than what they

509
00:19:00,549 --> 00:18:57,520
look like in their original state

510
00:19:02,630 --> 00:19:00,559
so that's the weird phenomena with you

511
00:19:04,630 --> 00:19:02,640
know how this works and there's a lot of

512
00:19:06,470 --> 00:19:04,640
stuff i've sat on over the years just

513
00:19:08,230 --> 00:19:06,480

because some of it's strange strangely

514

00:19:09,510 --> 00:19:08,240

enough so far out

515

00:19:10,870 --> 00:19:09,520

besides what we're talking about with

516

00:19:12,549 --> 00:19:10,880

the topic but this is the stuff that

517

00:19:14,950 --> 00:19:12,559

needs to be spoken about and before i go

518

00:19:17,190 --> 00:19:14,960

further what i have to say is

519

00:19:19,110 --> 00:19:17,200

to understand or to start to understand

520

00:19:21,430 --> 00:19:19,120

this phenomenon i don't think anyone

521

00:19:23,110 --> 00:19:21,440

does a hundred percent

522

00:19:24,390 --> 00:19:23,120

you have to throw linear thinking out

523

00:19:26,549 --> 00:19:24,400

the window

524

00:19:28,150 --> 00:19:26,559

a hundred percent linear thinking has to

525

00:19:30,390 --> 00:19:28,160

go completely out the window doesn't

526
00:19:32,710 --> 00:19:30,400
mean don't be discerning and don't use

527
00:19:34,710 --> 00:19:32,720
logic at times but you have to look at

528
00:19:37,510 --> 00:19:34,720
things in a way of 360 degree

529
00:19:39,110 --> 00:19:37,520
unboundedly all possibility to start

530
00:19:40,950 --> 00:19:39,120
getting to this because

531
00:19:42,789 --> 00:19:40,960
a lot of the researchers they've had a

532
00:19:44,789 --> 00:19:42,799
strange experience themselves but what

533
00:19:46,710 --> 00:19:44,799
happens is it's ridiculed and it's

534
00:19:47,510 --> 00:19:46,720
looked down upon the really strange

535
00:19:48,870 --> 00:19:47,520
stuff

536
00:19:51,750 --> 00:19:48,880
and when you get to know experiences

537
00:19:54,230 --> 00:19:51,760
like i have spoke to thousands now

538
00:19:57,029 --> 00:19:54,240

you find these common weird high

539

00:19:58,470 --> 00:19:57,039

strangeness things that they'll go

540

00:19:59,750 --> 00:19:58,480

all right i haven't told anyone this

541

00:20:01,110 --> 00:19:59,760

part of the experience and then they

542

00:20:03,029 --> 00:20:01,120

tell you

543

00:20:06,230 --> 00:20:03,039

and you find these sort of repeated

544

00:20:08,470 --> 00:20:06,240

patterns of very strange things but with

545

00:20:10,390 --> 00:20:08,480

that said my first ufo sighting was at

546

00:20:12,789 --> 00:20:10,400

the age of 12.

547

00:20:15,350 --> 00:20:12,799

and that was also in aubry but it was in

548

00:20:16,789 --> 00:20:15,360

lavington it was a suburb where we were

549

00:20:17,909 --> 00:20:16,799

lavington

550

00:20:21,029 --> 00:20:17,919

and

551

00:20:22,870 --> 00:20:21,039

i remember it was a hot day in summer

552

00:20:24,390 --> 00:20:22,880

from what i can remember

553

00:20:25,990 --> 00:20:24,400

and i had one of the you know the slush

554

00:20:27,909 --> 00:20:26,000

puppies

555

00:20:30,789 --> 00:20:27,919

it was a bottle

556

00:20:33,510 --> 00:20:30,799

where if you put the slush puppy into it

557

00:20:35,430 --> 00:20:33,520

the bottle would change colors

558

00:20:36,710 --> 00:20:35,440

so it was like one that you kept and you

559

00:20:39,510 --> 00:20:36,720

watched at home and you take it back to

560

00:20:41,110 --> 00:20:39,520

fill up so i remember walking down to

561

00:20:42,470 --> 00:20:41,120

the gas or the you call it the gas

562

00:20:46,310 --> 00:20:42,480

station

563

00:20:48,870 --> 00:20:46,320

at the time of road pantries on the

564

00:20:51,029 --> 00:20:48,880

corner of dick road and the hume highway

565

00:20:53,110 --> 00:20:51,039

which is like the main at the at the

566

00:20:55,510 --> 00:20:53,120

time it will cut through albury

567

00:20:57,669 --> 00:20:55,520

it's the main sort of freeway or highway

568

00:20:59,990 --> 00:20:57,679

between melbourne and sydney

569

00:21:02,630 --> 00:21:00,000

so a major major

570

00:21:05,190 --> 00:21:02,640

road or highway but i was on a side road

571

00:21:06,789 --> 00:21:05,200

to that walking up to the gas station

572

00:21:09,350 --> 00:21:06,799

and what i saw

573

00:21:11,669 --> 00:21:09,360

slightly it would have been

574

00:21:13,110 --> 00:21:11,679

probably to the north or slightly

575

00:21:14,870 --> 00:21:13,120

northeast

576
00:21:16,149 --> 00:21:14,880
was the only way i can describe this it

577
00:21:18,070 --> 00:21:16,159
looked like if you pulled a weight off

578
00:21:20,070 --> 00:21:18,080
the end of a bar put it sideways like

579
00:21:22,470 --> 00:21:20,080
the actual weight itself like a disc but

580
00:21:24,549 --> 00:21:22,480
it wasn't it was more like a weight

581
00:21:26,950 --> 00:21:24,559
so it was curvature perfect on the sides

582
00:21:28,549 --> 00:21:26,960
but this thing was a matte grey broad

583
00:21:30,549 --> 00:21:28,559
daylight three four o'clock in the

584
00:21:32,390 --> 00:21:30,559
afternoon something like that and it was

585
00:21:34,070 --> 00:21:32,400
three times the size of a football field

586
00:21:35,350 --> 00:21:34,080
because i saw it in later years and

587
00:21:37,029 --> 00:21:35,360
looking at things when you're young when

588
00:21:40,390 --> 00:21:37,039

you get older they look different in

589

00:21:42,070 --> 00:21:40,400

size this craft is absolutely gigantic

590

00:21:43,750 --> 00:21:42,080

and all it did was cut in front of this

591

00:21:45,909 --> 00:21:43,760

hill called red light hill

592

00:21:48,630 --> 00:21:45,919

until it went away in a distance and i

593

00:21:50,789 --> 00:21:48,640

couldn't see it anymore and to this day

594

00:21:53,750 --> 00:21:50,799

i've not heard anyone else talk about

595

00:21:56,310 --> 00:21:53,760

seeing that in the town but there was

596

00:21:58,789 --> 00:21:56,320

other ufo sightings around that time

597

00:22:01,669 --> 00:21:58,799

later that i found out about

598

00:22:03,510 --> 00:22:01,679

wow so that was the starting phase of

599

00:22:05,430 --> 00:22:03,520

what we could say my introduction to

600

00:22:08,710 --> 00:22:05,440

this phenomena

601
00:22:11,350 --> 00:22:08,720
and when you have seen these you know i

602
00:22:12,710 --> 00:22:11,360
just look albert is uh it's like forty

603
00:22:14,470 --> 00:22:12,720
seven thousand people i don't know how

604
00:22:15,430 --> 00:22:14,480
many there were when you were young that

605
00:22:17,669 --> 00:22:15,440
literally

606
00:22:20,870 --> 00:22:17,679
it's pretty tight

607
00:22:23,669 --> 00:22:20,880
yeah it's it's it's so it's it's fairly

608
00:22:26,070 --> 00:22:23,679
populated will you write in the like the

609
00:22:26,870 --> 00:22:26,080
downtown area where you would be

610
00:22:28,950 --> 00:22:26,880
sure

611
00:22:31,029 --> 00:22:28,960
if you look up lavington on a map it's

612
00:22:33,430 --> 00:22:31,039
sort of just north of aubrey so it's

613
00:22:35,830 --> 00:22:33,440

like an outer suburb

614

00:22:37,430 --> 00:22:35,840

of aubry and then you go into the humor

615

00:22:39,350 --> 00:22:37,440

in areas like that which funny enough

616

00:22:41,750 --> 00:22:39,360

when i was on the news years ago when my

617

00:22:44,230 --> 00:22:41,760

story started coming out here publicly

618

00:22:45,510 --> 00:22:44,240

i had truck drivers and a lot of people

619

00:22:47,669 --> 00:22:45,520

from albury

620

00:22:49,270 --> 00:22:47,679

uh teachers contacted me saying that

621

00:22:51,669 --> 00:22:49,280

they've seen similar stuff in the areas

622

00:22:53,669 --> 00:22:51,679

where i was reporting it as well i even

623

00:22:56,070 --> 00:22:53,679

contact in later years which we'll get

624

00:22:58,390 --> 00:22:56,080

to i even contacted the air services

625

00:23:00,230 --> 00:22:58,400

which is like your faa

626

00:23:02,470 --> 00:23:00,240

about these sightings that i had the

627

00:23:03,990 --> 00:23:02,480

footage i had witnesses and i was just

628

00:23:05,750 --> 00:23:04,000

asking if there was anything in the

629

00:23:07,110 --> 00:23:05,760

skies at that time and they they told me

630

00:23:09,590 --> 00:23:07,120

back then

631

00:23:11,430 --> 00:23:09,600

that the air aubrey airport was shut i

632

00:23:13,990 --> 00:23:11,440

think at that time don't quote me but i

633

00:23:15,430 --> 00:23:14,000

believe if i remember correctly 6 30

634

00:23:17,190 --> 00:23:15,440

at night onwards because it was such a

635

00:23:18,789 --> 00:23:17,200

small town

636

00:23:21,190 --> 00:23:18,799

and these things were happening after

637

00:23:23,110 --> 00:23:21,200

that at that time and they said nothing

638

00:23:24,950 --> 00:23:23,120

was in your airspace at that time when i

639

00:23:26,390 --> 00:23:24,960

reported the site there was two or three

640

00:23:28,310 --> 00:23:26,400

sightings i reported to them within a

641

00:23:30,310 --> 00:23:28,320

month which is when all this started

642

00:23:33,590 --> 00:23:30,320

getting uh pretty full on in 2000

643

00:23:35,270 --> 00:23:33,600

october of 2010.

644

00:23:37,190 --> 00:23:35,280

wow um

645

00:23:39,750 --> 00:23:37,200

so yeah

646

00:23:41,110 --> 00:23:39,760

i was wondering i just heard you say it

647

00:23:43,190 --> 00:23:41,120

that you've had

648

00:23:44,470 --> 00:23:43,200

uh there are some cases that do have

649

00:23:47,510 --> 00:23:44,480

some witnesses

650

00:23:49,590 --> 00:23:47,520

and what type of witnesses have you had

651
00:23:52,390 --> 00:23:49,600
over the years that can cooperate the

652
00:23:54,630 --> 00:23:52,400
different things that you've seen

653
00:23:55,750 --> 00:23:54,640
neighbors family

654
00:23:57,909 --> 00:23:55,760
friends

655
00:23:59,750 --> 00:23:57,919
uh when i was in melbourne

656
00:24:02,230 --> 00:23:59,760
i've actually got a sanctuary now where

657
00:24:04,549 --> 00:24:02,240
i'm at uh near aubrey i'm not in auburn

658
00:24:07,669 --> 00:24:04,559
i'm about 40 minutes away but what i can

659
00:24:09,350 --> 00:24:07,679
tell you i've aerospace engineers

660
00:24:11,510 --> 00:24:09,360
um

661
00:24:14,630 --> 00:24:11,520
that that's like pretty recent in the

662
00:24:16,950 --> 00:24:14,640
last few years just people that i meet

663
00:24:18,630 --> 00:24:16,960

it's just i've had over 300 people in my

664

00:24:20,710 --> 00:24:18,640

home that have experienced this let

665

00:24:22,230 --> 00:24:20,720

alone a few thousand around the world

666

00:24:23,909 --> 00:24:22,240

when i've held skywatching events and

667

00:24:25,029 --> 00:24:23,919

things like that whether in america or

668

00:24:27,190 --> 00:24:25,039

italy or

669

00:24:30,310 --> 00:24:27,200

um mexico wherever i've been it's

670

00:24:33,269 --> 00:24:30,320

especially in america

671

00:24:35,430 --> 00:24:33,279

well uh i wanted to see if i could play

672

00:24:37,110 --> 00:24:35,440

one of these things i can share one of

673

00:24:39,029 --> 00:24:37,120

these videos that i'm just taking right

674

00:24:39,830 --> 00:24:39,039

now from your

675

00:24:41,909 --> 00:24:39,840

uh

676

00:24:42,950 --> 00:24:41,919

let's see if i can do that i'm gonna try

677

00:24:45,430 --> 00:24:42,960

to

678

00:24:47,190 --> 00:24:45,440

share a screen and pull up your

679

00:24:50,950 --> 00:24:47,200

video here

680

00:24:54,470 --> 00:24:53,190

looks like looks like i sort of can so

681

00:25:05,909 --> 00:24:54,480

what i'm going to do is i'm going to try

682

00:25:10,870 --> 00:25:08,230

and i think we can talk over this

683

00:25:12,149 --> 00:25:10,880

so this was uh this was recent

684

00:25:13,909 --> 00:25:12,159

yeah well there's actually a couple of

685

00:25:15,350 --> 00:25:13,919

daytime ones that you might want to show

686

00:25:17,510 --> 00:25:15,360

that are a lot better quality with the

687

00:25:20,149 --> 00:25:17,520

4k camera this is with the

688

00:25:21,669 --> 00:25:20,159

psionics color night shot camera

689

00:25:23,750 --> 00:25:21,679

you can't see the way that this thing

690

00:25:25,269 --> 00:25:23,760

maneuvers and goes away and it did blink

691

00:25:26,549 --> 00:25:25,279

out and i didn't capture that part

692

00:25:28,149 --> 00:25:26,559

because i'm filming this stuff on a

693

00:25:30,230 --> 00:25:28,159

regular basis and sometimes you just

694

00:25:32,230 --> 00:25:30,240

want to enjoy the experience so

695

00:25:33,590 --> 00:25:32,240

um there's a good daytime one which

696

00:25:36,070 --> 00:25:33,600

actually whitley street was going on

697

00:25:37,430 --> 00:25:36,080

about recently where that was uh very

698

00:25:40,470 --> 00:25:37,440

similar to a sighting i think back in

699

00:25:42,630 --> 00:25:40,480

2004 that he was gobsmacked with the

700

00:25:45,669 --> 00:25:42,640

quality and the similarity to another

701
00:25:47,830 --> 00:25:45,679
sighting uh so this is night time

702
00:25:50,310 --> 00:25:47,840
daytime phenomena it really doesn't

703
00:25:52,789 --> 00:25:50,320
matter but this is recent um as you can

704
00:25:54,789 --> 00:25:52,799
see the 22nd of october

705
00:25:57,110 --> 00:25:54,799
right right and i'll i'll try to search

706
00:25:59,190 --> 00:25:57,120
for what you're talking about and see if

707
00:26:01,029 --> 00:25:59,200
i can uh pull that up

708
00:26:02,470 --> 00:26:01,039
can i send you it in the link i can send

709
00:26:03,909 --> 00:26:02,480
that just to you straight away from the

710
00:26:05,510 --> 00:26:03,919
youtube in the link if you actually you

711
00:26:07,029 --> 00:26:05,520
can just pull it up and share your

712
00:26:09,110 --> 00:26:07,039
screen you'll see right on the bottom of

713
00:26:10,390 --> 00:26:09,120

your screen there it'll say share screen

714

00:26:11,669 --> 00:26:10,400

you can actually

715

00:26:13,269 --> 00:26:11,679

share the video

716

00:26:15,110 --> 00:26:13,279

if you want to try to figure that out as

717

00:26:17,269 --> 00:26:15,120

we we go along

718

00:26:18,149 --> 00:26:17,279

i'll put it here now if you want to say

719

00:26:20,630 --> 00:26:18,159

it

720

00:26:21,909 --> 00:26:20,640

yeah sure uh yeah i think uh i think all

721

00:26:24,470 --> 00:26:21,919

i have to do is

722

00:26:26,630 --> 00:26:24,480

um let's see go ahead and try to try to

723

00:26:30,710 --> 00:26:26,640

bring it in do share screen and i'll

724

00:26:32,549 --> 00:26:31,590

um

725

00:26:35,269 --> 00:26:32,559

anyway

726

00:26:37,190 --> 00:26:35,279

working this tech stuff on the fly here

727

00:26:39,909 --> 00:26:37,200

um

728

00:26:41,750 --> 00:26:39,919

i do have to ask you if you are you not

729

00:26:43,990 --> 00:26:41,760

able to pull that up right now

730

00:26:45,430 --> 00:26:44,000

no for some reason it's asking me to go

731

00:26:47,269 --> 00:26:45,440

into settings and do a heap of different

732

00:26:49,990 --> 00:26:47,279

things i can just send it to you it's uh

733

00:26:51,510 --> 00:26:50,000

it's just called ufo of australia uh

734

00:26:54,070 --> 00:26:51,520

october 2nd

735

00:26:57,750 --> 00:26:54,080

2021 so yeah

736

00:26:59,750 --> 00:26:57,760

oh 2020 october 22nd 2021

737

00:27:02,870 --> 00:26:59,760

yep i thought

738

00:27:04,549 --> 00:27:02,880

no october 2nd october 2nd all right

739

00:27:06,630 --> 00:27:04,559

okay so i'll look for that while while

740

00:27:08,390 --> 00:27:06,640

we're talking but um

741

00:27:10,789 --> 00:27:08,400

have you

742

00:27:13,190 --> 00:27:10,799

ever wondered why

743

00:27:15,669 --> 00:27:13,200

you must have wondered why why you why

744

00:27:17,830 --> 00:27:15,679

are you seeing all these things

745

00:27:20,230 --> 00:27:17,840

or is it just where you live what is it

746

00:27:22,630 --> 00:27:20,240

that's going on there

747

00:27:24,149 --> 00:27:22,640

i think this stuff's going on everywhere

748

00:27:25,789 --> 00:27:24,159

i think

749

00:27:28,710 --> 00:27:25,799

from the evidence over time and my

750

00:27:30,630 --> 00:27:28,720

experiences that i'm open to these types

751

00:27:31,909 --> 00:27:30,640

of things and i think there's a there's

752

00:27:33,510 --> 00:27:31,919

these types of people out there i think

753

00:27:34,950 --> 00:27:33,520

anyone can experience it but the way i

754

00:27:36,710 --> 00:27:34,960

describe it is

755

00:27:39,029 --> 00:27:36,720

we don't see with our eyes and we don't

756

00:27:40,510 --> 00:27:39,039

see with our pineal gland our eyes only

757

00:27:42,710 --> 00:27:40,520

pick up a fraction of

758

00:27:44,789 --> 00:27:42,720

0.005 percent of physical matter which

759

00:27:47,990 --> 00:27:44,799

is the visible light spectrum we've got

760

00:27:49,669 --> 00:27:48,000

infrared uv gamma rays what have you and

761

00:27:51,590 --> 00:27:49,679

i think this stuff can be seen at any

762

00:27:53,669 --> 00:27:51,600

time but some people are more receptive

763

00:27:55,350 --> 00:27:53,679

than others and again it doesn't matter

764

00:27:56,950 --> 00:27:55,360

what country i'm in

765

00:27:58,549 --> 00:27:56,960

i see this

766

00:28:01,110 --> 00:27:58,559

all around the world

767

00:28:02,950 --> 00:28:01,120

uh there is stuff that i could go into

768

00:28:05,430 --> 00:28:02,960

but this is where it gets really deep in

769

00:28:07,029 --> 00:28:05,440

terms of like i say the et phenomena is

770

00:28:09,029 --> 00:28:07,039

not even five percent of what this is

771

00:28:11,029 --> 00:28:09,039

really a part of in my opinion

772

00:28:12,870 --> 00:28:11,039

and this goes into

773

00:28:15,029 --> 00:28:12,880

other aspects higher aspects of our

774

00:28:17,269 --> 00:28:15,039

consciousness other aspects of who and

775

00:28:18,950 --> 00:28:17,279

what we all are individually and part of

776

00:28:20,870 --> 00:28:18,960

a collective as well

777

00:28:24,470 --> 00:28:20,880

so that this is where it does get pretty

778

00:28:27,269 --> 00:28:24,480

laid yeah this is the video here

779

00:28:29,110 --> 00:28:27,279

and run it now for everyone to see and

780

00:28:30,310 --> 00:28:29,120

i will link these things in the show

781

00:28:33,350 --> 00:28:30,320

notes for those of you that are

782

00:28:36,389 --> 00:28:33,360

listening to just the audio podcast

783

00:28:37,990 --> 00:28:36,399

um so i'm assuming we'll see something

784

00:28:40,149 --> 00:28:38,000

there it is okay

785

00:28:41,669 --> 00:28:40,159

i see it now so what were you using for

786

00:28:44,070 --> 00:28:41,679

equipment right there

787

00:28:48,070 --> 00:28:44,080

oh usually i just use this the panasonic

788

00:28:49,029 --> 00:28:48,080

4k camera uh i think this one's i've had

789

00:28:50,870 --> 00:28:49,039

a couple over the years i think this

790

00:28:51,909 --> 00:28:50,880

one's got the 30 times zoom but it does

791

00:28:53,430 --> 00:28:51,919

go up to

792

00:28:55,750 --> 00:28:53,440

that's optical zoom and then it goes up

793

00:28:57,190 --> 00:28:55,760

to 1500 digital zoom

794

00:29:05,110 --> 00:28:57,200

so

795

00:29:08,549 --> 00:29:05,120

the psionics as well

796

00:29:11,430 --> 00:29:08,559

so the um the sony a7 is a really good

797

00:29:13,190 --> 00:29:11,440

camera it's what a lot of the tv

798

00:29:14,789 --> 00:29:13,200

crews use for night stuff like ancient

799

00:29:16,549 --> 00:29:14,799

aliens when i was on aliens and we

800

00:29:19,269 --> 00:29:16,559

filmed the craft uh they were using that

801
00:29:20,549 --> 00:29:19,279
type of camera as well

802
00:29:23,029 --> 00:29:20,559
yeah and

803
00:29:25,190 --> 00:29:23,039
oh so that's it for that one

804
00:29:26,389 --> 00:29:25,200
well that was uh that was definitely

805
00:29:29,510 --> 00:29:26,399
interesting

806
00:29:31,430 --> 00:29:29,520
and you've had uh so many of these

807
00:29:33,590 --> 00:29:31,440
things over the years i just think it's

808
00:29:34,870 --> 00:29:33,600
uncanny i remember you know back when

809
00:29:37,750 --> 00:29:34,880
you were on

810
00:29:40,310 --> 00:29:37,760
the first time you had many

811
00:29:41,669 --> 00:29:40,320
and and uh what about pictures do you

812
00:29:46,070 --> 00:29:41,679
take

813
00:29:49,350 --> 00:29:46,080

haven't you yeah sometimes like with the

814

00:29:50,950 --> 00:29:49,360

alien photo in the um in the trailer i

815

00:29:52,950 --> 00:29:50,960

didn't say anything at the time but what

816

00:29:54,230 --> 00:29:52,960

happened was those footsteps on the roof

817

00:29:56,389 --> 00:29:54,240

while i was in my cabin then i could

818

00:29:57,669 --> 00:29:56,399

hear something go from that to outside

819

00:30:00,389 --> 00:29:57,679

the lounge room when i went outside and

820

00:30:02,549 --> 00:30:00,399

took that photo there is some photos if

821

00:30:04,470 --> 00:30:02,559

you go to my youtube page again go down

822

00:30:07,029 --> 00:30:04,480

to investigations i think it's the first

823

00:30:09,190 --> 00:30:07,039

video on the home page you'll see one of

824

00:30:11,510 --> 00:30:09,200

the clearest photos ever

825

00:30:13,110 --> 00:30:11,520

of a disc and that was analyzed by jason

826

00:30:14,710 --> 00:30:13,120

gleaves

827

00:30:17,590 --> 00:30:14,720

straight away

828

00:30:19,269 --> 00:30:17,600

so there's many photos i can say that

829

00:30:21,590 --> 00:30:19,279

there's over three thousand photos and

830

00:30:22,950 --> 00:30:21,600

videos a lot of it i haven't produced a

831

00:30:24,710 --> 00:30:22,960

lot of it's been up and i've pulled down

832

00:30:27,350 --> 00:30:24,720

because i'm reintroducing a lot of stuff

833

00:30:29,430 --> 00:30:27,360

to to present with analyzations that

834

00:30:31,750 --> 00:30:29,440

jason gleaves has done so much work for

835

00:30:33,510 --> 00:30:31,760

me over i think a four year period of

836

00:30:36,230 --> 00:30:33,520

analyzing it's been analyzed by heimi

837

00:30:39,350 --> 00:30:36,240

massan's group uh to millennia uh

838

00:30:41,190 --> 00:30:39,360

japanese tv they did a featured piece

839

00:30:42,950 --> 00:30:41,200

um even here with the news and that

840

00:30:44,630 --> 00:30:42,960

they've all been handed the original

841

00:30:47,110 --> 00:30:44,640

data and seen the metadata and they've

842

00:30:49,669 --> 00:30:47,120

just got their footage as well over the

843

00:30:51,830 --> 00:30:49,679

years but this is the point now i'm over

844

00:30:53,750 --> 00:30:51,840

it i don't care it doesn't change

845

00:30:55,029 --> 00:30:53,760

anything i'm somebody that's telling a

846

00:30:56,789 --> 00:30:55,039

story and i think

847

00:30:58,870 --> 00:30:56,799

no matter how much stuff i've got and

848

00:31:00,149 --> 00:30:58,880

how much people see with me people are

849

00:31:02,230 --> 00:31:00,159

going to believe people aren't going to

850

00:31:04,149 --> 00:31:02,240

believe and i think unfortunately

851
00:31:05,830 --> 00:31:04,159
this community has become more an

852
00:31:08,149 --> 00:31:05,840
entertainment industry and that's why

853
00:31:09,590 --> 00:31:08,159
i'm shipping away from it and going more

854
00:31:11,750 --> 00:31:09,600
into the spiritual consciousness

855
00:31:13,430 --> 00:31:11,760
connection because

856
00:31:15,750 --> 00:31:13,440
if we look at jail and heineken duck

857
00:31:17,830 --> 00:31:15,760
filet great work not putting them down i

858
00:31:19,750 --> 00:31:17,840
admire what they've done but the same

859
00:31:21,830 --> 00:31:19,760
theories that they've had since then

860
00:31:22,950 --> 00:31:21,840
stand now nothing's evolved in this

861
00:31:25,110 --> 00:31:22,960
community

862
00:31:27,350 --> 00:31:25,120
nothing the technology might have got

863
00:31:28,389 --> 00:31:27,360

better for analyzation

864

00:31:30,549 --> 00:31:28,399

but

865

00:31:31,669 --> 00:31:30,559

people are sticking

866

00:31:33,669 --> 00:31:31,679

with

867

00:31:37,590 --> 00:31:33,679

what they can prove and what they can't

868

00:31:39,269 --> 00:31:37,600

prove and they entwine their own

869

00:31:40,710 --> 00:31:39,279

we could say view of the lens of the

870

00:31:43,269 --> 00:31:40,720

world into that

871

00:31:44,870 --> 00:31:43,279

and this is where it's getting nowhere

872

00:31:46,710 --> 00:31:44,880

same with the disclosure stuff great

873

00:31:47,990 --> 00:31:46,720

work dr graham stephen bus that many

874

00:31:49,509 --> 00:31:48,000

others have done

875

00:31:50,950 --> 00:31:49,519

not putting it down

876
00:31:52,630 --> 00:31:50,960
but what we're seeing is a controlled

877
00:31:55,669 --> 00:31:52,640
narrative and i've talked to people in

878
00:31:57,750 --> 00:31:55,679
military even with the latest footage

879
00:32:00,789 --> 00:31:57,760
i know that the camera footage that

880
00:32:02,230 --> 00:32:00,799
we're being given the flu imagery is

881
00:32:04,470 --> 00:32:02,240
downgraded

882
00:32:07,029 --> 00:32:04,480
then handed out and that there's another

883
00:32:09,669 --> 00:32:07,039
two cameras on those planes that are

884
00:32:11,830 --> 00:32:09,679
actually filming our crafts only one

885
00:32:14,710 --> 00:32:11,840
craft will say is extraterrestrial and

886
00:32:16,710 --> 00:32:14,720
that is the tic tac ufo everything else

887
00:32:18,789 --> 00:32:16,720
is our stuff whether it's got the

888
00:32:20,389 --> 00:32:18,799

navigation lights on it

889

00:32:21,990 --> 00:32:20,399

whether they've distorted the footage

890

00:32:23,909 --> 00:32:22,000

and you can see that it's doing stuff

891

00:32:26,070 --> 00:32:23,919

that not extraterrestrial vehicles will

892

00:32:27,990 --> 00:32:26,080

do because i've seen so many now and i'm

893

00:32:29,750 --> 00:32:28,000

interacting with these beings and i know

894

00:32:31,590 --> 00:32:29,760

who some of them are i don't know

895

00:32:32,950 --> 00:32:31,600

everything but what i can tell you is i

896

00:32:34,470 --> 00:32:32,960

know a lot more than most but it's only

897

00:32:35,830 --> 00:32:34,480

one percent out of a trillion percent of

898

00:32:38,549 --> 00:32:35,840

what i would know

899

00:32:41,269 --> 00:32:38,559

but i don't see this going anywhere

900

00:32:43,669 --> 00:32:41,279

from where it has if we go back to the

901
00:32:44,710 --> 00:32:43,679
old school researchers we seem to be on

902
00:32:46,710 --> 00:32:44,720
a loop

903
00:32:48,310 --> 00:32:46,720
and that's because nobody's making moves

904
00:32:50,070 --> 00:32:48,320
we can talk about all this all we want

905
00:32:52,470 --> 00:32:50,080
but this is where now we've got to get

906
00:32:54,549 --> 00:32:52,480
into the nitty-gritty of consciousness

907
00:32:55,509 --> 00:32:54,559
and i think work like joe dispenza greg

908
00:32:57,830 --> 00:32:55,519
braden

909
00:32:59,590 --> 00:32:57,840
people that are doing stuff that we've

910
00:33:01,110 --> 00:32:59,600
thought was a load of crap or fairy tale

911
00:33:02,789 --> 00:33:01,120
for years and now they're able to come

912
00:33:04,710 --> 00:33:02,799
in and measure people's consciousness

913
00:33:06,710 --> 00:33:04,720

and their heart and their energy and

914

00:33:08,070 --> 00:33:06,720

things like that and it's because a lot

915

00:33:10,630 --> 00:33:08,080

of researchers don't want to go there

916

00:33:12,389 --> 00:33:10,640

because it sounds airy fairy well this

917

00:33:14,870 --> 00:33:12,399

is how a lot of the crafts are piloted

918

00:33:16,549 --> 00:33:14,880

they're piloted through consciousness

919

00:33:17,909 --> 00:33:16,559

and this is what they've been doing in

920

00:33:19,909 --> 00:33:17,919

the projects

921

00:33:21,750 --> 00:33:19,919

and i can even remember remember hearing

922

00:33:23,110 --> 00:33:21,760

years ago david adair talking about a

923

00:33:25,669 --> 00:33:23,120

situation

924

00:33:28,310 --> 00:33:25,679

he's a famous american rocket scientist

925

00:33:30,549 --> 00:33:28,320

where he was part of a university

926

00:33:31,990 --> 00:33:30,559

uh thing where he had to go in

927

00:33:33,750 --> 00:33:32,000

because they'll

928

00:33:36,549 --> 00:33:33,760

shooting the missiles in the fighter

929

00:33:38,470 --> 00:33:36,559

jets through thought wearing a helmet

930

00:33:40,389 --> 00:33:38,480

and this bloke had come home this pilot

931

00:33:41,750 --> 00:33:40,399

found his wife sleeping with another man

932

00:33:44,710 --> 00:33:41,760

went back to work and because he was

933

00:33:46,070 --> 00:33:44,720

frustrated it was shooting

934

00:33:47,269 --> 00:33:46,080

through thought and he wasn't even

935

00:33:48,470 --> 00:33:47,279

trying to do it so they had to put a

936

00:33:50,230 --> 00:33:48,480

block on it

937

00:33:52,230 --> 00:33:50,240

so this is stuff that's been worked on

938

00:33:54,789 --> 00:33:52,240

for many years but it's all got to do

939

00:33:56,870 --> 00:33:54,799

with consciousness and no matter

940

00:33:59,110 --> 00:33:56,880

how many photos or videos i show and

941

00:34:00,870 --> 00:33:59,120

other people show

942

00:34:01,830 --> 00:34:00,880

that's all child's play for what this is

943

00:34:04,070 --> 00:34:01,840

about

944

00:34:05,830 --> 00:34:04,080

it is it's repeated and this is where i

945

00:34:08,470 --> 00:34:05,840

say to people what's the fruit of the

946

00:34:10,310 --> 00:34:08,480

information is it benefiting you is it

947

00:34:12,310 --> 00:34:10,320

helping your life or is it just

948

00:34:13,909 --> 00:34:12,320

entertainment for you because if that's

949

00:34:15,510 --> 00:34:13,919

just entertainment

950

00:34:17,030 --> 00:34:15,520

you might as well just be watching a tv

951
00:34:19,829 --> 00:34:17,040
show about this because i've been shot

952
00:34:22,230 --> 00:34:19,839
at over this i've had stuff stolen from

953
00:34:24,790 --> 00:34:22,240
me i've been in situations that i don't

954
00:34:26,550 --> 00:34:24,800
wish upon anybody and this stuff is a

955
00:34:29,349 --> 00:34:26,560
very serious

956
00:34:31,270 --> 00:34:29,359
topic in life that i'm living

957
00:34:33,109 --> 00:34:31,280
among many others in this community that

958
00:34:34,629 --> 00:34:33,119
have gone through similar things that

959
00:34:37,190 --> 00:34:34,639
this is the stuff that people don't see

960
00:34:39,349 --> 00:34:37,200
behind the scenes and this is a serious

961
00:34:41,669 --> 00:34:39,359
topic and it's not to be taken lightly

962
00:34:43,750 --> 00:34:41,679
or just for armchair researchers to just

963
00:34:46,230 --> 00:34:43,760

be flicking through things

964

00:34:49,030 --> 00:34:46,240

well i've heard i've heard a number of

965

00:34:51,270 --> 00:34:49,040

people talk about this consciousness

966

00:34:55,030 --> 00:34:51,280

thing over the years but i need it

967

00:34:56,869 --> 00:34:55,040

explain to me better i don't understand

968

00:34:58,710 --> 00:34:56,879

exactly

969

00:35:00,630 --> 00:34:58,720

what it means

970

00:35:03,270 --> 00:35:00,640

can you break it down

971

00:35:05,030 --> 00:35:03,280

to make so someone like myself and maybe

972

00:35:08,550 --> 00:35:05,040

my listeners can understand what you

973

00:35:09,750 --> 00:35:08,560

think that this consciousness connection

974

00:35:11,589 --> 00:35:09,760

or

975

00:35:13,270 --> 00:35:11,599

something that we're doing

976

00:35:14,950 --> 00:35:13,280

uh how that works

977

00:35:16,470 --> 00:35:14,960

all right so this is where again like i

978

00:35:18,069 --> 00:35:16,480

said at the start to understand where

979

00:35:19,589 --> 00:35:18,079

i'm at these days you have to throw

980

00:35:22,069 --> 00:35:19,599

linear thinking out the window again it

981

00:35:23,270 --> 00:35:22,079

doesn't mean don't be discerning

982

00:35:26,069 --> 00:35:23,280

but when we're talking about this

983

00:35:27,510 --> 00:35:26,079

consciousness is awareness

984

00:35:32,550 --> 00:35:27,520

now

985

00:35:34,870 --> 00:35:32,560

shut your senses off

986

00:35:37,349 --> 00:35:34,880

and think about how you're perceiving

987

00:35:39,109 --> 00:35:37,359

and observing my voice

988

00:35:40,470 --> 00:35:39,119

this is where it leads into meditation

989

00:35:42,550 --> 00:35:40,480

and consciousness states because what i

990

00:35:44,390 --> 00:35:42,560

can tell you is when i'm filming a lot

991

00:35:46,630 --> 00:35:44,400

of those crafts i'm on the crafts

992

00:35:48,230 --> 00:35:46,640

interfacing in my mind's eye my pineal

993

00:35:49,990 --> 00:35:48,240

gland where people have dreams with my

994

00:35:52,550 --> 00:35:50,000

eyes open filming the craft and i'm on

995

00:35:54,710 --> 00:35:52,560

the craft with the beans

996

00:35:57,190 --> 00:35:54,720

now this is where a lot of people will

997

00:35:59,750 --> 00:35:57,200

not say stuff like that because that

998

00:36:01,510 --> 00:35:59,760

goes all right these guys just lost me

999

00:36:03,109 --> 00:36:01,520

and why have they have i lost them

1000

00:36:04,390 --> 00:36:03,119

because i haven't experienced so one

1001
00:36:06,870 --> 00:36:04,400
thing is

1002
00:36:08,550 --> 00:36:06,880
i can explain this to you but you aren't

1003
00:36:11,190 --> 00:36:08,560
going to get it unless you've had an

1004
00:36:13,270 --> 00:36:11,200
experience at that depth that's opened

1005
00:36:15,910 --> 00:36:13,280
you full wide open to something like

1006
00:36:17,670 --> 00:36:15,920
that to where it seems to be an ongoing

1007
00:36:19,750 --> 00:36:17,680
thing because once you open up like that

1008
00:36:21,190 --> 00:36:19,760
you never get shut down

1009
00:36:23,190 --> 00:36:21,200
but what's happening is the way i

1010
00:36:25,109 --> 00:36:23,200
describe this

1011
00:36:27,670 --> 00:36:25,119
is imagine your human body is a

1012
00:36:29,829 --> 00:36:27,680
biological computer

1013
00:36:31,990 --> 00:36:29,839

your consciousness your soul is the

1014

00:36:34,390 --> 00:36:32,000

software operating that

1015

00:36:36,390 --> 00:36:34,400

and that interfaces let's say with god

1016

00:36:38,550 --> 00:36:36,400

source created whatever you want to term

1017

00:36:41,030 --> 00:36:38,560

term it and i'm going to go there

1018

00:36:42,630 --> 00:36:41,040

because this is where it goes

1019

00:36:44,790 --> 00:36:42,640

this is where it goes with many

1020

00:36:46,550 --> 00:36:44,800

experiences so many experiences go into

1021

00:36:48,630 --> 00:36:46,560

this kicking and screaming

1022

00:36:49,829 --> 00:36:48,640

and they eventually get there

1023

00:36:51,109 --> 00:36:49,839

all of them

1024

00:36:52,310 --> 00:36:51,119

and that's what i'll say they don't some

1025

00:36:54,310 --> 00:36:52,320

of them don't want to admit that because

1026

00:36:55,510 --> 00:36:54,320

they lose people but what's happening is

1027

00:36:57,349 --> 00:36:55,520

your body

1028

00:36:58,230 --> 00:36:57,359

interfaces or what's connected with your

1029

00:37:03,510 --> 00:36:58,240

soul

1030

00:37:05,910 --> 00:37:03,520

say is the wireless internet

1031

00:37:08,230 --> 00:37:05,920

now this is where the way i can explain

1032

00:37:10,390 --> 00:37:08,240

it is that everything is a cell of one

1033

00:37:11,670 --> 00:37:10,400

consciousness that encompasses all

1034

00:37:13,990 --> 00:37:11,680

consciousness

1035

00:37:15,510 --> 00:37:14,000

that through thought this is why i say

1036

00:37:17,270 --> 00:37:15,520

to people be very careful of what you

1037

00:37:18,630 --> 00:37:17,280

say what you do and what you think

1038

00:37:20,630 --> 00:37:18,640

especially when you think about this

1039

00:37:21,829 --> 00:37:20,640

phenomena because so many people they

1040

00:37:23,030 --> 00:37:21,839

think about it want to experience

1041

00:37:25,829 --> 00:37:23,040

something and then they experience

1042

00:37:28,069 --> 00:37:25,839

something and what's happening is

1043

00:37:30,550 --> 00:37:28,079

your brain decodes like i was saying

1044

00:37:32,310 --> 00:37:30,560

before about the fraction of 0.005

1045

00:37:33,670 --> 00:37:32,320

percent of physical matter science you

1046

00:37:35,750 --> 00:37:33,680

can look it up that's what we perceive

1047

00:37:37,829 --> 00:37:35,760

which is the visible light spectrum

1048

00:37:40,310 --> 00:37:37,839

now if your brain

1049

00:37:41,750 --> 00:37:40,320

can't decode it or isn't open to it you

1050

00:37:44,630 --> 00:37:41,760

are not going to experience what i'm

1051
00:37:46,230 --> 00:37:44,640
talking about it is not going to happen

1052
00:37:47,990 --> 00:37:46,240
because you need to be open to the

1053
00:37:51,430 --> 00:37:48,000
possibility first for the brain to be

1054
00:37:53,349 --> 00:37:51,440
open to experience it so this is why so

1055
00:37:55,910 --> 00:37:53,359
many times i'll have somebody with me

1056
00:37:58,710 --> 00:37:55,920
they can't see the craft but yet i go

1057
00:38:00,069 --> 00:37:58,720
look at the viewfinder

1058
00:38:01,589 --> 00:38:00,079
they can see the craft then they look

1059
00:38:03,109 --> 00:38:01,599
back up and now they can see the craft

1060
00:38:04,470 --> 00:38:03,119
because they didn't know what to expect

1061
00:38:05,750 --> 00:38:04,480
it wasn't what they were expecting in

1062
00:38:07,109 --> 00:38:05,760
some cases so when we look at

1063
00:38:12,150 --> 00:38:07,119

consciousness

1064

00:38:14,870 --> 00:38:12,160

world it's the awareness

1065

00:38:16,790 --> 00:38:14,880

and that's the point from that state

1066

00:38:18,310 --> 00:38:16,800

that even these beings are operating in

1067

00:38:20,069 --> 00:38:18,320

these beings are no better than us some

1068

00:38:22,390 --> 00:38:20,079

of them might be appear to be more

1069

00:38:23,670 --> 00:38:22,400

technologically advanced

1070

00:38:25,910 --> 00:38:23,680

but they're all trying to go through

1071

00:38:27,109 --> 00:38:25,920

their own conscious evolution

1072

00:38:29,270 --> 00:38:27,119

um

1073

00:38:31,270 --> 00:38:29,280

their their own civilizations are still

1074

00:38:33,270 --> 00:38:31,280

trying to develop as well

1075

00:38:35,349 --> 00:38:33,280

so this is where we could say with this

1076

00:38:37,109 --> 00:38:35,359

again

1077

00:38:38,790 --> 00:38:37,119

the paranormal is included because

1078

00:38:40,069 --> 00:38:38,800

what's happening is

1079

00:38:42,550 --> 00:38:40,079

i'll give you an example of

1080

00:38:45,109 --> 00:38:42,560

consciousness and how it interfaces with

1081

00:38:46,870 --> 00:38:45,119

these beings

1082

00:38:49,190 --> 00:38:46,880

you have a thought like somebody has a

1083

00:38:50,950 --> 00:38:49,200

ufo sighting and i'll ask them a

1084

00:38:53,030 --> 00:38:50,960

question

1085

00:38:54,310 --> 00:38:53,040

as an example this has happened numerous

1086

00:38:55,829 --> 00:38:54,320

times

1087

00:38:57,349 --> 00:38:55,839

did you just think you had to go outside

1088

00:38:58,550 --> 00:38:57,359

and check the mail or was the car you

1089

00:39:00,470 --> 00:38:58,560

know check if the car was locked i'm

1090

00:39:02,069 --> 00:39:00,480

just giving an analogy here

1091

00:39:03,670 --> 00:39:02,079

they're going yeah i just i thought i'd

1092

00:39:05,430 --> 00:39:03,680

go and check the mail go outside and

1093

00:39:07,589 --> 00:39:05,440

when i went outside check the mailbox i

1094

00:39:09,430 --> 00:39:07,599

looked up and there it was

1095

00:39:13,190 --> 00:39:09,440

that thought

1096

00:39:15,030 --> 00:39:13,200

and check the mailbox that was actually

1097

00:39:17,030 --> 00:39:15,040

what i call thought transfer commonly

1098

00:39:19,430 --> 00:39:17,040

known as telepathy it was a thought

1099

00:39:21,510 --> 00:39:19,440

projected to the subject they think to

1100

00:39:22,950 --> 00:39:21,520

go outside because if they're just going

1101

00:39:24,550 --> 00:39:22,960

to get a thought go outside look up in

1102

00:39:26,069 --> 00:39:24,560

the sky there's ufo they're not going to

1103

00:39:28,150 --> 00:39:26,079

digest that it's something that's got to

1104

00:39:29,190 --> 00:39:28,160

be through their own thought so these

1105

00:39:30,790 --> 00:39:29,200

beings

1106

00:39:33,109 --> 00:39:30,800

communicate through thought so what's

1107

00:39:35,349 --> 00:39:33,119

happening with me for example

1108

00:39:36,950 --> 00:39:35,359

i'm getting thoughts i'm getting visions

1109

00:39:38,950 --> 00:39:36,960

with my eyes open and i'm getting

1110

00:39:40,870 --> 00:39:38,960

feelings and emotions to everything that

1111

00:39:43,030 --> 00:39:40,880

they're projecting to me conscious wise

1112

00:39:45,670 --> 00:39:43,040

of what they're trying to communicate

1113

00:39:47,670 --> 00:39:45,680

it's literally like shoving a usb stick

1114

00:39:49,109 --> 00:39:47,680

into into your brain

1115

00:39:51,510 --> 00:39:49,119

data transfer going on it's just

1116

00:39:53,910 --> 00:39:51,520

flickers of stuff and you're coherent

1117

00:39:55,270 --> 00:39:53,920

you're with it you've got everything but

1118

00:39:56,630 --> 00:39:55,280

sometimes what's happening is the body

1119

00:39:59,109 --> 00:39:56,640

computer's got to catch up for you to

1120

00:40:00,870 --> 00:39:59,119

fully articulate the information

1121

00:40:03,270 --> 00:40:00,880

and what i can tell you now is that most

1122

00:40:05,670 --> 00:40:03,280

of the interfacing that's going on

1123

00:40:08,950 --> 00:40:05,680

with the consciousness aspect

1124

00:40:13,109 --> 00:40:08,960

has got to about who i am and i'm not

1125

00:40:15,990 --> 00:40:13,119

special i find with all experiences

1126
00:40:17,829 --> 00:40:16,000
is twofold one aspect is about who and

1127
00:40:20,150 --> 00:40:17,839
what they truly are

1128
00:40:21,910 --> 00:40:20,160
and the second aspect is about

1129
00:40:23,829 --> 00:40:21,920
playing their part

1130
00:40:25,430 --> 00:40:23,839
the best that they can to be a part of

1131
00:40:27,109 --> 00:40:25,440
the awakening healing and uplifting

1132
00:40:28,470 --> 00:40:27,119
human consciousness

1133
00:40:29,750 --> 00:40:28,480
that's what we find across the board now

1134
00:40:32,069 --> 00:40:29,760
it's not to say all these beings are

1135
00:40:34,309 --> 00:40:32,079
positives i can tell you they're not all

1136
00:40:35,589 --> 00:40:34,319
positive there's a small fraction which

1137
00:40:37,190 --> 00:40:35,599
i would probably say is around five

1138
00:40:38,790 --> 00:40:37,200

percent of my interactions have been

1139

00:40:42,069 --> 00:40:38,800

extremely negative

1140

00:40:44,550 --> 00:40:42,079

and then there's other beings that

1141

00:40:45,990 --> 00:40:44,560

it's not positive or negative but i

1142

00:40:47,589 --> 00:40:46,000

could even say it's the tricks to top

1143

00:40:49,589 --> 00:40:47,599

energy where there is no substance to

1144

00:40:50,829 --> 00:40:49,599

the communication or the experience

1145

00:40:53,510 --> 00:40:50,839

except it's just an

1146

00:40:56,309 --> 00:40:53,520

experience and then the rest of it

1147

00:40:59,750 --> 00:40:56,319

what i would say is there is a

1148

00:41:01,589 --> 00:40:59,760

transfer of euphoric bliss

1149

00:41:03,430 --> 00:41:01,599

enlightenment

1150

00:41:05,750 --> 00:41:03,440

and knowingness and remembrance of the

1151

00:41:07,190 --> 00:41:05,760

intelligence that i'm interacting with

1152

00:41:08,710 --> 00:41:07,200

and that's well that's what it wasn't

1153

00:41:09,990 --> 00:41:08,720

years later now it's different it's more

1154

00:41:11,270 --> 00:41:10,000

like their friends because that's what

1155

00:41:12,470 --> 00:41:11,280

it is

1156

00:41:14,870 --> 00:41:12,480

but

1157

00:41:17,109 --> 00:41:14,880

this is where it comes into us

1158

00:41:18,950 --> 00:41:17,119

having multiple lenses in multiple

1159

00:41:21,109 --> 00:41:18,960

realms experiencing things from a higher

1160

00:41:23,750 --> 00:41:21,119

state of consciousness

1161

00:41:25,910 --> 00:41:23,760

and like i'll say if you really delve

1162

00:41:28,390 --> 00:41:25,920

into

1163

00:41:29,990 --> 00:41:28,400

most contact cases which are ongoing

1164

00:41:31,430 --> 00:41:30,000

that i've spoken to a lot of these

1165

00:41:33,670 --> 00:41:31,440

people

1166

00:41:36,309 --> 00:41:33,680

they're telling me the same information

1167

00:41:37,990 --> 00:41:36,319

i've got but from a different angle

1168

00:41:39,910 --> 00:41:38,000

adding to what i've got and when you

1169

00:41:41,990 --> 00:41:39,920

start putting it together

1170

00:41:43,589 --> 00:41:42,000

there's either a huge hoax going on i

1171

00:41:46,710 --> 00:41:43,599

say to people

1172

00:41:49,349 --> 00:41:46,720

or there's something to it

1173

00:41:50,790 --> 00:41:49,359

that's the bottom line of it but this

1174

00:41:53,349 --> 00:41:50,800

i've spoken to people in the air force

1175

00:41:56,230 --> 00:41:53,359

in america here

1176
00:41:59,190 --> 00:41:56,240
and the thing that we're at now is they

1177
00:42:00,150 --> 00:41:59,200
say like i that i think the population

1178
00:42:02,550 --> 00:42:00,160
can handle that there's an

1179
00:42:04,470 --> 00:42:02,560
extraterrestrial presence at times

1180
00:42:06,550 --> 00:42:04,480
but what they can't handle maybe at this

1181
00:42:08,069 --> 00:42:06,560
time is that some of these beings living

1182
00:42:09,990 --> 00:42:08,079
right next to us and we can't perceive

1183
00:42:11,589 --> 00:42:10,000
them they're living in the earth and

1184
00:42:13,829 --> 00:42:11,599
some of them are from completely

1185
00:42:15,349 --> 00:42:13,839
different realms that aren't got

1186
00:42:17,510 --> 00:42:15,359
anything to do with planets or stars the

1187
00:42:19,190 --> 00:42:17,520
way that we know it and that is the part

1188
00:42:20,870 --> 00:42:19,200

they probably can't integrate yet

1189

00:42:22,150 --> 00:42:20,880

because they've got to yet integrate

1190

00:42:23,349 --> 00:42:22,160

there's extraterrestrials and they're

1191

00:42:25,510 --> 00:42:23,359

not going to get the conscious aspect

1192

00:42:26,550 --> 00:42:25,520

like you're saying it's a big leap to go

1193

00:42:28,069 --> 00:42:26,560

there

1194

00:42:29,349 --> 00:42:28,079

but this is where it leads whether

1195

00:42:31,430 --> 00:42:29,359

people want to go kicking or screaming

1196

00:42:33,670 --> 00:42:31,440

or not that's where it goes

1197

00:42:35,270 --> 00:42:33,680

well you know it's uh

1198

00:42:37,670 --> 00:42:35,280

i i would

1199

00:42:40,069 --> 00:42:37,680

you know it it's pretty far out there

1200

00:42:41,670 --> 00:42:40,079

but i i gotta tell you this

1201
00:42:44,309 --> 00:42:41,680
that

1202
00:42:46,150 --> 00:42:44,319
i heard you know with you you mentioned

1203
00:42:49,030 --> 00:42:46,160
you know the the videos and things like

1204
00:42:50,470 --> 00:42:49,040
that um and i've heard you know

1205
00:42:52,710 --> 00:42:50,480
different things about

1206
00:42:54,630 --> 00:42:52,720
people's opinions on those videos

1207
00:42:56,470 --> 00:42:54,640
um but

1208
00:42:59,109 --> 00:42:56,480
i heard uh

1209
00:43:01,510 --> 00:42:59,119
louis lou elizondo

1210
00:43:03,270 --> 00:43:01,520
uh who is supposed to be on this show um

1211
00:43:05,990 --> 00:43:03,280
in a few weeks but unfortunately he's

1212
00:43:10,829 --> 00:43:06,000
not uh he's he's not gonna be on until

1213
00:43:13,190 --> 00:43:10,839

march but he said on another podcast

1214

00:43:15,589 --> 00:43:13,200

that what if

1215

00:43:17,190 --> 00:43:15,599

what we're encountering or some of what

1216

00:43:19,910 --> 00:43:17,200

we're encountering

1217

00:43:21,109 --> 00:43:19,920

is something that is on a different

1218

00:43:23,109 --> 00:43:21,119

level

1219

00:43:25,910 --> 00:43:23,119

then now this is uh

1220

00:43:28,069 --> 00:43:25,920

i'm paraphrasing but he said something

1221

00:43:30,470 --> 00:43:28,079

along the lines with what if we're not

1222

00:43:32,790 --> 00:43:30,480

the top of the food chain here on this

1223

00:43:34,710 --> 00:43:32,800

planet what if something right next to

1224

00:43:36,069 --> 00:43:34,720

us is above us

1225

00:43:38,470 --> 00:43:36,079

and uh

1226
00:43:41,349 --> 00:43:38,480
so he was saying something almost in a

1227
00:43:42,870 --> 00:43:41,359
way similar to what you were saying and

1228
00:43:44,309 --> 00:43:42,880
i do understand what you're talking

1229
00:43:47,109 --> 00:43:44,319
about i've talked about it many times

1230
00:43:49,750 --> 00:43:47,119
about the spectrum that we actually see

1231
00:43:51,910 --> 00:43:49,760
we only know a very small part of what

1232
00:43:53,950 --> 00:43:51,920
is actually going on around us

1233
00:43:56,470 --> 00:43:53,960
does that mean that things have to be

1234
00:43:58,790 --> 00:43:56,480
multi-dimensional to be

1235
00:44:00,790 --> 00:43:58,800
uh crossing through

1236
00:44:07,349 --> 00:44:00,800
everything's crossing through and the

1237
00:44:11,589 --> 00:44:09,670
these experiences right what's happening

1238
00:44:13,349 --> 00:44:11,599

is the human brain can't process a lot

1239

00:44:15,670 --> 00:44:13,359

of it again it comes back to what i was

1240

00:44:17,349 --> 00:44:15,680

saying linear thinking

1241

00:44:18,790 --> 00:44:17,359

how we communicate with the world

1242

00:44:21,910 --> 00:44:18,800

predominantly is through the five sense

1243

00:44:23,750 --> 00:44:21,920

reality sight sound touch taste smell

1244

00:44:25,750 --> 00:44:23,760

but there's other components here

1245

00:44:27,430 --> 00:44:25,760

there's the mind's eye

1246

00:44:29,510 --> 00:44:27,440

there's thought transfer

1247

00:44:31,190 --> 00:44:29,520

there's feelings and emotions

1248

00:44:32,870 --> 00:44:31,200

and that's what you've got to include

1249

00:44:33,910 --> 00:44:32,880

with those and we've been shut down from

1250

00:44:35,750 --> 00:44:33,920

that

1251

00:44:37,190 --> 00:44:35,760

we've been shut down it's been in

1252

00:44:39,349 --> 00:44:37,200

process for thousands of years to shut

1253

00:44:41,990 --> 00:44:39,359

it down you're born into the world you

1254

00:44:43,430 --> 00:44:42,000

get vaccinated you go to primary school

1255

00:44:45,349 --> 00:44:43,440

you're told what to wear when you start

1256

00:44:46,550 --> 00:44:45,359

going to school uh well here in

1257

00:44:48,230 --> 00:44:46,560

australia you do anyway you've got to

1258

00:44:49,670 --> 00:44:48,240

wear certain uniforms you're told when

1259

00:44:51,190 --> 00:44:49,680

you can go to the toilet you go and get

1260

00:44:52,790 --> 00:44:51,200

a job you've got to go and pay a

1261

00:44:55,430 --> 00:44:52,800

mortgage or you've got to go to universe

1262

00:44:57,349 --> 00:44:55,440

you're told and you're programmed

1263

00:44:59,030 --> 00:44:57,359

what's that what that has done has shut

1264

00:45:01,829 --> 00:44:59,040

us down and kept us in a five sense

1265

00:45:04,870 --> 00:45:01,839

reality to where our emotions our and

1266

00:45:07,349 --> 00:45:04,880

our our imagination

1267

00:45:09,510 --> 00:45:07,359

is fairy tale but what i can tell you is

1268

00:45:11,670 --> 00:45:09,520

imagination is not fairy tale they can

1269

00:45:13,750 --> 00:45:11,680

meet you in the realm of imagination the

1270

00:45:15,430 --> 00:45:13,760

mind's eye that dream state which

1271

00:45:17,430 --> 00:45:15,440

happens to me in a waking state now i'll

1272

00:45:19,430 --> 00:45:17,440

give you an example of this where

1273

00:45:20,790 --> 00:45:19,440

what's happening is again thoughts

1274

00:45:22,150 --> 00:45:20,800

feelings and visions coming in when i'm

1275

00:45:23,670 --> 00:45:22,160

interfacing with them i can project

1276

00:45:25,589 --> 00:45:23,680

thoughts back back and forth it took me

1277

00:45:28,069 --> 00:45:25,599

years to develop that with them

1278

00:45:30,470 --> 00:45:28,079

but what i'm doing is i'm communicating

1279

00:45:31,670 --> 00:45:30,480

through thoughts feelings

1280

00:45:33,109 --> 00:45:31,680

visions

1281

00:45:34,630 --> 00:45:33,119

all the stuff that we're told that's

1282

00:45:37,349 --> 00:45:34,640

fairy tale it's not part of the five

1283

00:45:39,430 --> 00:45:37,359

sense reality so it don't exist

1284

00:45:41,829 --> 00:45:39,440

and so this is where we need to develop

1285

00:45:43,750 --> 00:45:41,839

that as a species individually if people

1286

00:45:45,190 --> 00:45:43,760

don't want to do it that's fine but it's

1287

00:45:46,870 --> 00:45:45,200

developed naturally through me this is

1288

00:45:48,870 --> 00:45:46,880

why people develop it naturally through

1289

00:45:50,630 --> 00:45:48,880

meditation they can go into altered

1290

00:45:52,150 --> 00:45:50,640

states of consciousness

1291

00:45:54,390 --> 00:45:52,160

so

1292

00:45:55,670 --> 00:45:54,400

we've got this aspect

1293

00:45:57,829 --> 00:45:55,680

that

1294

00:46:00,069 --> 00:45:57,839

what i can tell you is

1295

00:46:01,589 --> 00:46:00,079

and it wasn't on ancient aliens but

1296

00:46:04,470 --> 00:46:01,599

there's witnesses to this james

1297

00:46:07,030 --> 00:46:04,480

gilliland and myself independently

1298

00:46:08,950 --> 00:46:07,040

and john vavanco

1299

00:46:10,790 --> 00:46:08,960

as a remote viewer he did it

1300

00:46:13,109 --> 00:46:10,800

we all predicted the time and the

1301
00:46:14,470 --> 00:46:13,119
location a craft would rock up at east

1302
00:46:15,990 --> 00:46:14,480
city ranch

1303
00:46:17,430 --> 00:46:16,000
it happened

1304
00:46:18,950 --> 00:46:17,440
not only once

1305
00:46:21,109 --> 00:46:18,960
but we've done this

1306
00:46:22,630 --> 00:46:21,119
over the years there's times i will just

1307
00:46:23,910 --> 00:46:22,640
walk out i'll be with friends and family

1308
00:46:25,430 --> 00:46:23,920
i'll go there's a craft outside and i'll

1309
00:46:27,270 --> 00:46:25,440
be like you haven't even gone outside we

1310
00:46:29,750 --> 00:46:27,280
walk out look up there's a craft broad

1311
00:46:31,510 --> 00:46:29,760
daylight sitting there above the house

1312
00:46:33,270 --> 00:46:31,520
so repeatedly

1313
00:46:36,710 --> 00:46:33,280

myself and others

1314

00:46:39,670 --> 00:46:36,720

have said what time what location they

1315

00:46:41,430 --> 00:46:39,680

had for example with h9s there was

1316

00:46:43,190 --> 00:46:41,440

there was flight apps there was

1317

00:46:46,150 --> 00:46:43,200

satellite trackers these things were

1318

00:46:47,990 --> 00:46:46,160

disappearing reappearing on demand when

1319

00:46:50,470 --> 00:46:48,000

we said

1320

00:46:52,950 --> 00:46:50,480

now this is where that's been repeated

1321

00:46:55,109 --> 00:46:52,960

more than three times by me

1322

00:46:57,990 --> 00:46:55,119

that's been probably repeated over 100

1323

00:47:01,510 --> 00:46:59,910

that's science isn't it

1324

00:47:03,430 --> 00:47:01,520

you repeat it

1325

00:47:05,510 --> 00:47:03,440

you do it three times you have witnesses

1326

00:47:07,109 --> 00:47:05,520

you get them to test it out

1327

00:47:08,309 --> 00:47:07,119

this isn't what's being looked at now

1328

00:47:10,390 --> 00:47:08,319

and it's because there's a controlled

1329

00:47:12,150 --> 00:47:10,400

narrative within the ufo community and

1330

00:47:14,390 --> 00:47:12,160

within the governments to set things to

1331

00:47:16,150 --> 00:47:14,400

a certain state and we want it to be to

1332

00:47:18,069 --> 00:47:16,160

this agenda and this is where it's going

1333

00:47:20,150 --> 00:47:18,079

now this gets into conspiracy and other

1334

00:47:22,470 --> 00:47:20,160

things but if we look over and over the

1335

00:47:24,309 --> 00:47:22,480

last few years how many conspiracy

1336

00:47:25,910 --> 00:47:24,319

theories have ended up being conspiracy

1337

00:47:27,750 --> 00:47:25,920

fact

1338

00:47:28,710 --> 00:47:27,760

this gets really deep and that's why

1339

00:47:31,829 --> 00:47:28,720

they we

1340

00:47:33,990 --> 00:47:31,839

we are out of time as a human species to

1341

00:47:36,150 --> 00:47:34,000

go to this next level we need to start

1342

00:47:37,349 --> 00:47:36,160

opening up and start getting out of just

1343

00:47:38,950 --> 00:47:37,359

operating in

1344

00:47:40,470 --> 00:47:38,960

the five sense reality and looking at

1345

00:47:41,670 --> 00:47:40,480

things in black and white because the

1346

00:47:43,510 --> 00:47:41,680

answers

1347

00:47:44,950 --> 00:47:43,520

a lot of them i don't have they're in

1348

00:47:46,790 --> 00:47:44,960

the gray area between the white and the

1349

00:47:48,710 --> 00:47:46,800

black that's the problem

1350

00:47:50,230 --> 00:47:48,720

and everyone wants it this way or they

1351
00:47:52,710 --> 00:47:50,240
want it this way or they expect it this

1352
00:47:54,230 --> 00:47:52,720
way they expect that way once you give

1353
00:47:55,829 --> 00:47:54,240
in and surrender and despair the

1354
00:47:57,750 --> 00:47:55,839
observer that's where stuff will start

1355
00:48:00,870 --> 00:47:57,760
to come and that's why we're on this

1356
00:48:02,710 --> 00:48:00,880
loop within the ufo community

1357
00:48:04,309 --> 00:48:02,720
why would they we're going to be going

1358
00:48:07,349 --> 00:48:04,319
into a break in about six minutes here

1359
00:48:10,230 --> 00:48:07,359
but why would these

1360
00:48:13,109 --> 00:48:10,240
things appear in the sky what makes the

1361
00:48:14,950 --> 00:48:13,119
sky the place where they want to appear

1362
00:48:16,790 --> 00:48:14,960
they don't just appear in the sky i

1363
00:48:18,470 --> 00:48:16,800

think some of it's a safety thing some

1364

00:48:20,230 --> 00:48:18,480

of it's to because they can feel your

1365

00:48:22,230 --> 00:48:20,240

energy and if you're too freaked out it

1366

00:48:23,910 --> 00:48:22,240

actually is like john verbanko says it's

1367

00:48:25,670 --> 00:48:23,920

like throwing a brick at them and he's

1368

00:48:27,589 --> 00:48:25,680

right

1369

00:48:29,270 --> 00:48:27,599

there's been there's been dark energies

1370

00:48:30,630 --> 00:48:29,280

when i've shown them love and compassion

1371

00:48:31,990 --> 00:48:30,640

they've actually turned into smoke and

1372

00:48:34,230 --> 00:48:32,000

dissolved

1373

00:48:35,670 --> 00:48:34,240

so this is where i'm not saying most of

1374

00:48:37,109 --> 00:48:35,680

it's in the sky most of it's actually

1375

00:48:38,710 --> 00:48:37,119

happening right in front of me just half

1376

00:48:40,950 --> 00:48:38,720

of the time i'm not thinking about

1377

00:48:42,470 --> 00:48:40,960

getting a camera out and filming it

1378

00:48:43,910 --> 00:48:42,480

because you're experiencing it but what

1379

00:48:45,270 --> 00:48:43,920

i can say is i've got a lot more than

1380

00:48:47,030 --> 00:48:45,280

most in the community to be able to

1381

00:48:49,190 --> 00:48:47,040

provide whether it's orbs whether it's

1382

00:48:51,589 --> 00:48:49,200

apparitions whatever it is that's

1383

00:48:54,309 --> 00:48:51,599

appearing down low because like i said

1384

00:48:55,589 --> 00:48:54,319

they can land a craft on you

1385

00:48:57,109 --> 00:48:55,599

so a lot of people in bed when i've

1386

00:48:59,030 --> 00:48:57,119

talked to them about their experiences

1387

00:49:01,349 --> 00:48:59,040

they finally get it where they'll have a

1388

00:49:03,190 --> 00:49:01,359

hum there'll be a sensation

1389

00:49:04,950 --> 00:49:03,200

i spoke to native american elders about

1390

00:49:06,390 --> 00:49:04,960

this and aboriginal elders hear about

1391

00:49:08,230 --> 00:49:06,400

this where you sometimes you're not

1392

00:49:09,910 --> 00:49:08,240

going to another planet or you're not

1393

00:49:12,710 --> 00:49:09,920

going into space

1394

00:49:14,470 --> 00:49:12,720

if you can imagine an et vehicle let's

1395

00:49:15,910 --> 00:49:14,480

just say a flying source for a moment

1396

00:49:17,750 --> 00:49:15,920

and i've got this actually on video at

1397

00:49:20,069 --> 00:49:17,760

the a city ranch of a cigar craft three

1398

00:49:23,430 --> 00:49:20,079

foot off the ground

1399

00:49:25,349 --> 00:49:23,440

imagine an at vehicle as an apparition

1400

00:49:26,630 --> 00:49:25,359

as a ghost you can see through it it

1401

00:49:28,470 --> 00:49:26,640

looks a bit smokey but you can

1402

00:49:31,510 --> 00:49:28,480

definitely see definition to it depth

1403

00:49:33,910 --> 00:49:31,520

what have you they can land that on you

1404

00:49:36,150 --> 00:49:33,920

it can go through your home land on you

1405

00:49:37,750 --> 00:49:36,160

and be overlapping different rooms

1406

00:49:39,349 --> 00:49:37,760

and if your eyes are closed and if

1407

00:49:41,270 --> 00:49:39,359

you're in touch enough you'll actually

1408

00:49:42,470 --> 00:49:41,280

start to see visions sometimes you might

1409

00:49:44,630 --> 00:49:42,480

see a light

1410

00:49:46,309 --> 00:49:44,640

some what they can do in that state

1411

00:49:47,750 --> 00:49:46,319

is they can put you physically on board

1412

00:49:49,349 --> 00:49:47,760

the craft that way

1413

00:49:50,630 --> 00:49:49,359

or you can just have a mind's eye

1414

00:49:51,910 --> 00:49:50,640

experience where you can see it like as

1415

00:49:54,390 --> 00:49:51,920

if you're lying down in the craft and

1416

00:49:56,150 --> 00:49:54,400

you can see the bangs or your light body

1417

00:49:57,589 --> 00:49:56,160

can be pulled out of the physical vessel

1418

00:49:58,790 --> 00:49:57,599

and you can experience it from what we

1419

00:50:01,270 --> 00:49:58,800

could say an unbounded state of

1420

00:50:03,510 --> 00:50:01,280

consciousness in board the craft

1421

00:50:05,510 --> 00:50:03,520

this is how what i'll tell you most

1422

00:50:07,430 --> 00:50:05,520

experiences are happening that way

1423

00:50:10,150 --> 00:50:07,440

and because

1424

00:50:12,390 --> 00:50:10,160

what people formally called abductions

1425

00:50:14,069 --> 00:50:12,400

well not just abductions very small

1426

00:50:15,349 --> 00:50:14,079

amount of my stuff subductions i think

1427

00:50:17,589 --> 00:50:15,359

in some cases they think it's

1428

00:50:19,349 --> 00:50:17,599

subductions but they don't

1429

00:50:20,630 --> 00:50:19,359

all right what i can tell you is and

1430

00:50:21,990 --> 00:50:20,640

maybe think about this for your own

1431

00:50:23,589 --> 00:50:22,000

research

1432

00:50:25,430 --> 00:50:23,599

so many times people will start out

1433

00:50:26,870 --> 00:50:25,440

calling them abductions and then 10

1434

00:50:29,990 --> 00:50:26,880

years later they're not abductions

1435

00:50:31,829 --> 00:50:30,000

anymore it's an experience right

1436

00:50:33,430 --> 00:50:31,839

yeah experiences

1437

00:50:35,670 --> 00:50:33,440

yeah they're just not understanding it

1438

00:50:37,109 --> 00:50:35,680

at the time and again there's a point on

1439

00:50:38,950 --> 00:50:37,119

that that might not make that right what

1440

00:50:40,870 --> 00:50:38,960

did i tell you at the start i used to

1441

00:50:42,549 --> 00:50:40,880

freak out

1442

00:50:43,990 --> 00:50:42,559

scared the absolute living crap out of

1443

00:50:45,670 --> 00:50:44,000

me to where i'll pull the sheets up and

1444

00:50:47,510 --> 00:50:45,680

turn around because i didn't know what

1445

00:50:49,030 --> 00:50:47,520

the hell it was that i was experiencing

1446

00:50:51,430 --> 00:50:49,040

i didn't know what it was again i didn't

1447

00:50:53,190 --> 00:50:51,440

think it was alien demonic angelic i had

1448

00:50:55,270 --> 00:50:53,200

no idea what it was

1449

00:50:57,190 --> 00:50:55,280

so this is where if this isn't talked

1450

00:50:59,430 --> 00:50:57,200

about and put on the plate people

1451

00:51:00,390 --> 00:50:59,440

experience it and they fold it off

1452

00:51:02,230 --> 00:51:00,400

but

1453

00:51:04,950 --> 00:51:02,240

there is more and more people more than

1454

00:51:06,230 --> 00:51:04,960

ever talking about it in a way that i'm

1455

00:51:08,710 --> 00:51:06,240

talking about it or from a different

1456

00:51:11,030 --> 00:51:08,720

perspective that this is where it lies

1457

00:51:12,470 --> 00:51:11,040

and i believe everyone's an experiencer

1458

00:51:13,829 --> 00:51:12,480

but because they're not taking notice of

1459

00:51:16,630 --> 00:51:13,839

their thoughts their feelings their

1460

00:51:18,069 --> 00:51:16,640

emotions and sometimes those things are

1461

00:51:20,309 --> 00:51:18,079

guiding them in a certain way and then

1462

00:51:24,069 --> 00:51:20,319

it turns out to be right they just fob

1463

00:51:26,150 --> 00:51:24,079

it off as um a coincidence

1464

00:51:27,510 --> 00:51:26,160

but that gets to a point where it starts

1465

00:51:29,109 --> 00:51:27,520

getting beyond a coincidence and we

1466

00:51:31,190 --> 00:51:29,119

start saying synchronicities which lead

1467

00:51:32,870 --> 00:51:31,200

on to other things

1468

00:51:34,230 --> 00:51:32,880

well i had

1469

00:51:37,030 --> 00:51:34,240

you know one

1470

00:51:38,230 --> 00:51:37,040

real solid ufo sighting

1471

00:51:41,190 --> 00:51:38,240

and that's it

1472

00:51:43,910 --> 00:51:41,200

you know and so i i wonder how that

1473

00:51:46,230 --> 00:51:43,920

works in your in your thoughts like

1474

00:51:48,950 --> 00:51:46,240

shouldn't i have more be because i had

1475

00:51:51,030 --> 00:51:48,960

that one and then another question we're

1476

00:51:52,870 --> 00:51:51,040

going to be just about out of time here

1477

00:51:55,589 --> 00:51:52,880

but another question is what about mass

1478

00:51:57,190 --> 00:51:55,599

sightings when say all these people

1479

00:51:59,190 --> 00:51:57,200

let's just say the phoenix lights for

1480

00:52:01,270 --> 00:51:59,200

one all these people were outside uh

1481

00:52:02,150 --> 00:52:01,280

looking up at a comet

1482

00:52:05,109 --> 00:52:02,160

and

1483

00:52:06,950 --> 00:52:05,119

then they saw this craft go over lots

1484

00:52:09,109 --> 00:52:06,960

and lots and lots of people

1485

00:52:11,990 --> 00:52:09,119

um so

1486

00:52:13,910 --> 00:52:12,000

and i don't know did some people see it

1487

00:52:15,109 --> 00:52:13,920

and standing next to people that didn't

1488

00:52:16,390 --> 00:52:15,119

see it

1489

00:52:18,069 --> 00:52:16,400

you know

1490

00:52:19,589 --> 00:52:18,079

oh there's probably some people that

1491

00:52:21,109 --> 00:52:19,599

will look i haven't got an answer for

1492

00:52:23,030 --> 00:52:21,119

that i haven't got an answer for that

1493

00:52:24,390 --> 00:52:23,040

i've got theories about that there would

1494

00:52:26,390 --> 00:52:24,400

have been some people that were there

1495

00:52:27,670 --> 00:52:26,400

during those sightings that just

1496

00:52:29,109 --> 00:52:27,680

probably didn't say a thing or they

1497

00:52:30,549 --> 00:52:29,119

weren't perceiving it as something

1498

00:52:33,829 --> 00:52:30,559

anomalous

1499

00:52:35,030 --> 00:52:33,839

100 percent um with you having a siding

1500

00:52:37,190 --> 00:52:35,040

and never having

1501

00:52:37,990 --> 00:52:37,200

you haven't had a siding since

1502

00:52:39,910 --> 00:52:38,000

right

1503

00:52:42,230 --> 00:52:39,920

well i had what i thought was one but i

1504

00:52:44,470 --> 00:52:42,240

don't you know turns out it was probably

1505

00:52:46,549 --> 00:52:44,480

not yeah i i think these things just

1506

00:52:48,390 --> 00:52:46,559

happened sometimes people just

1507

00:52:49,990 --> 00:52:48,400

experience it sometimes like i think

1508

00:52:51,829 --> 00:52:50,000

whatever happens is meant to be but

1509

00:52:53,430 --> 00:52:51,839

sometimes people just have an experience

1510

00:52:55,349 --> 00:52:53,440

and that's it

1511

00:52:56,710 --> 00:52:55,359

that's what it is it's like it's

1512

00:52:59,109 --> 00:52:56,720

life-changing because you've seen

1513

00:53:00,950 --> 00:52:59,119

something defies the physics and law of

1514

00:53:02,470 --> 00:53:00,960

things that you know

1515

00:53:04,230 --> 00:53:02,480

but

1516

00:53:05,750 --> 00:53:04,240

some people if they experience it and

1517

00:53:06,870 --> 00:53:05,760

they're not opening up enough and that

1518

00:53:08,230 --> 00:53:06,880

was part of their journey that's what

1519

00:53:09,430 --> 00:53:08,240

they'll experience sometimes that's all

1520

00:53:10,470 --> 00:53:09,440

your mental experience like this is

1521

00:53:11,910 --> 00:53:10,480

where i say

1522

00:53:13,589 --> 00:53:11,920

you're asking me a question that might

1523

00:53:15,270 --> 00:53:13,599

be yes or no but i've got to tell you

1524

00:53:17,190 --> 00:53:15,280

again the answers are sitting in the

1525

00:53:19,430 --> 00:53:17,200

gray area which are

1526
00:53:21,510 --> 00:53:19,440
there's many sort of ways you could look

1527
00:53:23,990 --> 00:53:21,520
at this and theorize about it

1528
00:53:25,270 --> 00:53:24,000
all i know is what's happening for me

1529
00:53:26,790 --> 00:53:25,280
and what seems to be coming from the

1530
00:53:28,790 --> 00:53:26,800
research and the researchers that i've

1531
00:53:30,790 --> 00:53:28,800
been working with

1532
00:53:33,190 --> 00:53:30,800
yeah very good well we're ready to go on

1533
00:53:35,750 --> 00:53:33,200
the break so if you're over at kgra

1534
00:53:37,270 --> 00:53:35,760
radio we'll be back

1535
00:53:40,150 --> 00:53:37,280
in three minutes

1536
00:53:42,069 --> 00:53:40,160
and if you're watching live right now uh

1537
00:53:43,430 --> 00:53:42,079
we will be going into a three-minute

1538
00:54:01,100 --> 00:53:43,440

music break and we'll be back right

1539

00:55:26,150 --> 00:54:25,450

[Music]

1540

00:55:26,160 --> 00:56:10,500

so

1541

00:56:47,030 --> 00:56:22,270

[Music]

1542

00:56:51,990 --> 00:56:49,510

all right we're back uh by the way all

1543

00:56:53,510 --> 00:56:52,000

music that is played here on the show is

1544

00:56:55,670 --> 00:56:53,520

by carrie lloyd

1545

00:56:57,430 --> 00:56:55,680

whitehouse he lives in ireland he makes

1546

00:57:00,470 --> 00:56:57,440

music for movies that one sounded like

1547

00:57:03,430 --> 00:57:00,480

he came out of a movie somehow uh my

1548

00:57:05,670 --> 00:57:03,440

guest today is peter maxwell slatterly

1549

00:57:08,630 --> 00:57:05,680

and bringing him right back in peter one

1550

00:57:11,190 --> 00:57:08,640

of the things you said uh that i

1551
00:57:13,589 --> 00:57:11,200
really it really hit home just because

1552
00:57:17,190 --> 00:57:13,599
it was just last week i played a clip

1553
00:57:18,549 --> 00:57:17,200
from a woman that i met out in phoenix

1554
00:57:19,349 --> 00:57:18,559
recently

1555
00:57:21,990 --> 00:57:19,359
where

1556
00:57:24,390 --> 00:57:22,000
she was only 14 years old when she had

1557
00:57:26,230 --> 00:57:24,400
the sighting back in 1973

1558
00:57:27,190 --> 00:57:26,240
and that video is up on my youtube

1559
00:57:28,150 --> 00:57:27,200
channel

1560
00:57:31,670 --> 00:57:28,160
and

1561
00:57:34,309 --> 00:57:31,680
she said that she was compelled

1562
00:57:37,349 --> 00:57:34,319
to look up over her shoulder

1563
00:57:39,349 --> 00:57:37,359

and there it was like something

1564

00:57:40,630 --> 00:57:39,359

made her look over her shoulder she it

1565

00:57:43,109 --> 00:57:40,640

wasn't

1566

00:57:45,109 --> 00:57:43,119

you know she felt like she had to do it

1567

00:57:47,190 --> 00:57:45,119

uh maybe i'm putting words in her mouth

1568

00:57:48,630 --> 00:57:47,200

but that's what she was getting at when

1569

00:57:50,390 --> 00:57:48,640

she said that

1570

00:57:51,910 --> 00:57:50,400

and and by the way before i move on from

1571

00:57:53,990 --> 00:57:51,920

that i i have

1572

00:57:56,150 --> 00:57:54,000

a lot of people have emailed me wow she

1573

00:57:57,829 --> 00:57:56,160

was great uh

1574

00:57:59,829 --> 00:57:57,839

why did you have her on such a short

1575

00:58:03,030 --> 00:57:59,839

time well i have people on for real

1576

00:58:05,430 --> 00:58:03,040

short clips so i can put them on during

1577

00:58:07,030 --> 00:58:05,440

during commercial breaks and but she

1578

00:58:09,510 --> 00:58:07,040

will be back on some people a lot of

1579

00:58:11,270 --> 00:58:09,520

people have asked uh if she can be on

1580

00:58:12,789 --> 00:58:11,280

and talk about it more so she will be a

1581

00:58:13,510 --> 00:58:12,799

guest on the show at some point next

1582

00:58:15,270 --> 00:58:13,520

year

1583

00:58:17,589 --> 00:58:15,280

but anyway

1584

00:58:20,390 --> 00:58:17,599

the compelling part that's not the first

1585

00:58:22,390 --> 00:58:20,400

time i've heard that uh you know i know

1586

00:58:24,870 --> 00:58:22,400

someone that's had a lot of sightings

1587

00:58:27,910 --> 00:58:24,880

and filmed a lot of sightings that he

1588

00:58:28,710 --> 00:58:27,920

said the same thing like he just

1589

00:58:30,870 --> 00:58:28,720

knew

1590

00:58:33,270 --> 00:58:30,880

that he had to look out the window of

1591

00:58:35,349 --> 00:58:33,280

the jet airplane at that certain time

1592

00:58:38,710 --> 00:58:35,359

and there this thing was and he filmed

1593

00:58:40,230 --> 00:58:38,720

it so it's it's pretty uh

1594

00:58:42,150 --> 00:58:40,240

it's compelling

1595

00:58:43,990 --> 00:58:42,160

it's just hard because if you tell that

1596

00:58:45,589 --> 00:58:44,000

to somebody

1597

00:58:47,030 --> 00:58:45,599

because again this community's been

1598

00:58:48,950 --> 00:58:47,040

trying to keep it nuts and bolts and

1599

00:58:50,710 --> 00:58:48,960

don't get me wrong we need the nuts and

1600

00:58:52,069 --> 00:58:50,720

bolts component just as we need just as

1601
00:58:53,349 --> 00:58:52,079
much as we need the consciousness

1602
00:58:56,230 --> 00:58:53,359
component

1603
00:58:58,309 --> 00:58:56,240
looking at things from that that way but

1604
00:59:00,309 --> 00:58:58,319
it's repeated like you said you've

1605
00:59:01,510 --> 00:59:00,319
mentioned a few people and that's the

1606
00:59:03,510 --> 00:59:01,520
part that i'm trying to say is to

1607
00:59:05,270 --> 00:59:03,520
communication but because you can't see

1608
00:59:06,950 --> 00:59:05,280
touch taste smell anyone will see them

1609
00:59:08,549 --> 00:59:06,960
physically

1610
00:59:10,150 --> 00:59:08,559
we we're doubting it but that's the way

1611
00:59:11,910 --> 00:59:10,160
that telepathy work it's the way that

1612
00:59:13,430 --> 00:59:11,920
psychics work it's the way that remote

1613
00:59:14,870 --> 00:59:13,440

viewers work though they work in a

1614

00:59:16,710 --> 00:59:14,880

different way that they'll articulate

1615

00:59:19,109 --> 00:59:16,720

and get the information out

1616

00:59:21,190 --> 00:59:19,119

but it's a very um i think it's

1617

00:59:23,349 --> 00:59:21,200

worthwhile for very in-depth

1618

00:59:26,789 --> 00:59:23,359

investigation and even more studies in

1619

00:59:28,549 --> 00:59:26,799

that realm of we could say intuition

1620

00:59:29,990 --> 00:59:28,559

psychic development what i call thought

1621

00:59:33,270 --> 00:59:30,000

transfer

1622

00:59:34,789 --> 00:59:33,280

because not only is it how i see it as

1623

00:59:37,349 --> 00:59:34,799

the main mechanism with most of these

1624

00:59:39,510 --> 00:59:37,359

other races or beings but also it can

1625

00:59:40,870 --> 00:59:39,520

work with spirits ghosts it could work

1626

00:59:43,190 --> 00:59:40,880

with what would say other types of

1627

00:59:44,549 --> 00:59:43,200

phenomena uh that are out there as well

1628

00:59:47,349 --> 00:59:44,559

i believe that that is the main

1629

00:59:49,670 --> 00:59:47,359

mechanism that the communication is done

1630

00:59:51,349 --> 00:59:49,680

universally it's not through muscle mass

1631

00:59:52,549 --> 00:59:51,359

we could say with geometry and things

1632

00:59:55,510 --> 00:59:52,559

like that that

1633

00:59:57,589 --> 00:59:55,520

it's a part of um universal language

1634

00:59:59,750 --> 00:59:57,599

mathematics is but this is taking it to

1635

01:00:02,150 --> 00:59:59,760

an entire new way that can't be

1636

01:00:05,510 --> 01:00:02,160

i guess as tangible as would like it to

1637

01:00:08,630 --> 01:00:05,520

be something that we can get on paper

1638

01:00:10,390 --> 01:00:08,640

yeah so there is that problem of

1639

01:00:12,390 --> 01:00:10,400

you know i mean

1640

01:00:14,150 --> 01:00:12,400

i i guess

1641

01:00:16,870 --> 01:00:14,160

we've been i don't if you want to use

1642

01:00:19,190 --> 01:00:16,880

the word fighting we've been

1643

01:00:21,829 --> 01:00:19,200

trying to get evidence uh people in the

1644

01:00:22,870 --> 01:00:21,839

ufo community that take it seriously

1645

01:00:25,349 --> 01:00:22,880

and

1646

01:00:26,950 --> 01:00:25,359

uh i'm sure the government too

1647

01:00:29,349 --> 01:00:26,960

you know our government maybe your

1648

01:00:31,589 --> 01:00:29,359

government who knows uh are would love

1649

01:00:33,430 --> 01:00:31,599

to have like real evidence of these

1650

01:00:34,470 --> 01:00:33,440

things there's rumors about evidence and

1651
01:00:37,190 --> 01:00:34,480
all that but

1652
01:00:39,030 --> 01:00:37,200
uh but how could there be

1653
01:00:41,270 --> 01:00:39,040
any evidence of

1654
01:00:42,549 --> 01:00:41,280
of this whole thing of what you're

1655
01:00:44,390 --> 01:00:42,559
saying

1656
01:00:47,510 --> 01:00:44,400
well like i said

1657
01:00:49,270 --> 01:00:47,520
repeatable times not just myself but

1658
01:00:51,109 --> 01:00:49,280
james gilliland i could probably name 10

1659
01:00:52,630 --> 01:00:51,119
other people that i know

1660
01:00:54,630 --> 01:00:52,640
that know when the crafts are there what

1661
01:00:57,030 --> 01:00:54,640
time location what they're going to do

1662
01:00:58,870 --> 01:00:57,040
and then you go there and you film it

1663
01:01:00,309 --> 01:00:58,880

and it happens that's repeatable that's

1664

01:01:01,270 --> 01:01:00,319

the form of science just because they

1665

01:01:04,150 --> 01:01:01,280

can't

1666

01:01:05,670 --> 01:01:04,160

get onto the object and interface with

1667

01:01:06,549 --> 01:01:05,680

the object themselves i'll doubt it but

1668

01:01:08,549 --> 01:01:06,559

how

1669

01:01:10,470 --> 01:01:08,559

isn't it beyond a coincidence that i

1670

01:01:11,829 --> 01:01:10,480

might say a date time

1671

01:01:13,589 --> 01:01:11,839

location

1672

01:01:15,589 --> 01:01:13,599

then the craft appears

1673

01:01:17,829 --> 01:01:15,599

and i've repeated it isn't that science

1674

01:01:19,270 --> 01:01:17,839

as well

1675

01:01:20,789 --> 01:01:19,280

it might not be in the way again that

1676

01:01:22,829 --> 01:01:20,799

you can test materials you can talk to

1677

01:01:25,990 --> 01:01:22,839

the beings and whatnot

1678

01:01:27,510 --> 01:01:26,000

but usually you've got an aim method and

1679

01:01:29,270 --> 01:01:27,520

conclusion

1680

01:01:30,309 --> 01:01:29,280

the aim

1681

01:01:32,470 --> 01:01:30,319

crafts

1682

01:01:34,470 --> 01:01:32,480

let's say a method the communication

1683

01:01:36,829 --> 01:01:34,480

conclusion is it actually happens and

1684

01:01:43,030 --> 01:01:40,470

repeatable well it's also elusive at the

1685

01:01:45,750 --> 01:01:43,040

same time you know i mean you say it's

1686

01:01:48,950 --> 01:01:45,760

repeatable but and and you know perhaps

1687

01:01:50,789 --> 01:01:48,960

it is but um it's

1688

01:01:53,589 --> 01:01:50,799

that's been the problem all along is

1689

01:01:55,029 --> 01:01:53,599

that it's it's not something that

1690

01:01:57,029 --> 01:01:55,039

you know you know you mentioned a couple

1691

01:01:58,950 --> 01:01:57,039

of times that you can go out and

1692

01:02:02,069 --> 01:01:58,960

whatever it is right there or whatever

1693

01:02:03,829 --> 01:02:02,079

and and i have heard that before but

1694

01:02:05,270 --> 01:02:03,839

you know you can't really

1695

01:02:07,750 --> 01:02:05,280

no one really knows when these things

1696

01:02:09,990 --> 01:02:07,760

are going to show up basically

1697

01:02:12,470 --> 01:02:10,000

in other cases no and sometimes i don't

1698

01:02:14,309 --> 01:02:12,480

as well but sometimes you do

1699

01:02:16,150 --> 01:02:14,319

so

1700

01:02:17,589 --> 01:02:16,160

we could say it's almost like a tornado

1701

01:02:18,950 --> 01:02:17,599

they're trying to use sinus for that in

1702

01:02:21,190 --> 01:02:18,960

some ways that they can predict it

1703

01:02:22,950 --> 01:02:21,200

within 15 minutes but other times you

1704

01:02:24,549 --> 01:02:22,960

get these freak f5s to come out

1705

01:02:25,910 --> 01:02:24,559

absolutely nowhere in an area that they

1706

01:02:27,029 --> 01:02:25,920

weren't expecting and it does a lot of

1707

01:02:29,270 --> 01:02:27,039

damage

1708

01:02:31,109 --> 01:02:29,280

so this is where it's a continuous thing

1709

01:02:34,150 --> 01:02:31,119

in work again i don't have all the

1710

01:02:35,829 --> 01:02:34,160

answers but what i am telling you and i

1711

01:02:37,430 --> 01:02:35,839

think it needs to just start to be

1712

01:02:38,710 --> 01:02:37,440

noticed by the community is that this

1713

01:02:41,510 --> 01:02:38,720

does have

1714

01:02:42,950 --> 01:02:41,520

a consciousness awareness aspect to it

1715

01:02:43,670 --> 01:02:42,960

and unfortunately a lot of people like

1716

01:02:45,510 --> 01:02:43,680

me

1717

01:02:47,029 --> 01:02:45,520

who've been speaking about this since

1718

01:02:48,950 --> 01:02:47,039

i've been born have got a lot of crap

1719

01:02:51,510 --> 01:02:48,960

for it but it's where it eventually lays

1720

01:02:55,349 --> 01:02:53,349

interesting i have a clip here i'm going

1721

01:02:56,710 --> 01:02:55,359

to try to play it and i would like for

1722

01:02:59,190 --> 01:02:56,720

you to tell me

1723

01:03:01,670 --> 01:02:59,200

if you hear the audio once this starts

1724

01:03:03,270 --> 01:03:01,680

i'm not sure if it's going to be set up

1725

01:03:06,549 --> 01:03:03,280

for it or not but tell me if you hear

1726

01:03:09,829 --> 01:03:08,549

i can just hear it

1727

01:03:10,710 --> 01:03:09,839

but a brave

1728

01:03:11,910 --> 01:03:10,720

man

1729

01:03:14,549 --> 01:03:11,920

who

1730

01:03:16,630 --> 01:03:14,559

simply made a choice to operate on his

1731

01:03:19,270 --> 01:03:16,640

personal convictions based on the

1732

01:03:23,990 --> 01:03:22,470

so uh why i'm playing this

1733

01:03:25,670 --> 01:03:24,000

came to the scene to work with the

1734

01:03:28,230 --> 01:03:25,680

children he's here parents and the

1735

01:03:29,589 --> 01:03:28,240

teachers still suffering from shock john

1736

01:03:31,750 --> 01:03:29,599

who essentially

1737

01:03:34,789 --> 01:03:31,760

in child psychiatry devoted a great deal

1738

01:03:37,910 --> 01:03:34,799

of time to interviewing the children

1739

01:03:40,549 --> 01:03:37,920

something scared you was that right

1740

01:03:41,990 --> 01:03:40,559

look what scared you the voice what

1741

01:03:53,000 --> 01:03:42,000

noise

1742

01:04:00,789 --> 01:03:56,870

[Music]

1743

01:04:00,799 --> 01:04:03,910

i saw

1744

01:04:08,549 --> 01:04:06,549

this object hovering it was quite big

1745

01:04:20,150 --> 01:04:08,559

actually and then there were little ones

1746

01:04:22,870 --> 01:04:21,829

how many of the strange things did you

1747

01:04:25,270 --> 01:04:22,880

see

1748

01:04:27,029 --> 01:04:25,280

i saw one over here they

1749

01:04:27,829 --> 01:04:27,039

they had eyes like that

1750

01:04:29,670 --> 01:04:27,839

and

1751

01:04:32,549 --> 01:04:29,680

they were kind of just like looking at

1752

01:04:33,750 --> 01:04:32,559

us they were like kind of astonished

1753

01:04:35,910 --> 01:04:33,760

the eyes were

1754

01:04:40,040 --> 01:04:35,920

like more pointed as they came in toward

1755

01:04:40,050 --> 01:04:50,390

[Music]

1756

01:04:54,549 --> 01:04:53,270

was he near the silver object or was he

1757

01:04:57,430 --> 01:04:54,559

fought

1758

01:04:58,870 --> 01:04:57,440

on top of the silver object okay

1759

01:05:00,150 --> 01:04:58,880

and

1760

01:05:01,910 --> 01:05:00,160

um

1761

01:05:03,510 --> 01:05:01,920

did you look at him

1762

01:05:05,270 --> 01:05:03,520

did he look at you

1763

01:05:07,029 --> 01:05:05,280

he gave me the crease there

1764

01:05:08,630 --> 01:05:07,039

creeps actually in your drawing you

1765

01:05:10,150 --> 01:05:08,640

showed him standing up didn't you he

1766

01:05:18,150 --> 01:05:10,160

said i'm standing up because i couldn't

1767

01:05:21,190 --> 01:05:19,990

what i thought was maybe

1768

01:05:23,190 --> 01:05:21,200

the world was going to end and

1769

01:05:25,430 --> 01:05:23,200

everything telling us the world's gonna

1770

01:05:27,430 --> 01:05:25,440

end i can tell i mean i know this is

1771

01:05:29,670 --> 01:05:27,440

something that a person wants me to

1772

01:05:31,430 --> 01:05:29,680

believe or they're frightened or they're

1773

01:05:33,910 --> 01:05:31,440

distorting reality in some way there's

1774

01:05:36,549 --> 01:05:33,920

nothing like that here these are people

1775

01:05:39,510 --> 01:05:36,559

of sound mind by and large

1776

01:05:41,829 --> 01:05:39,520

telling me something that's very

1777

01:05:43,430 --> 01:05:41,839

they know that i might

1778

01:05:46,309 --> 01:05:43,440

think they're crazy and so they're a

1779

01:05:47,910 --> 01:05:46,319

little concerned about telling me and

1780

01:05:50,549 --> 01:05:47,920

and they they're very full of

1781

01:05:51,349 --> 01:05:50,559

questioning themselves and doubt and

1782

01:05:53,270 --> 01:05:51,359

i mean

1783

01:05:55,349 --> 01:05:53,280

and then they describe something very

1784

01:05:57,510 --> 01:05:55,359

real and intense and light or something

1785

01:05:59,829 --> 01:05:57,520

happened to the body or

1786

01:06:02,069 --> 01:05:59,839

it's the whole quality of the way they

1787

01:06:03,430 --> 01:06:02,079

talk about it is the way a person

1788

01:06:06,230 --> 01:06:03,440

talks about

1789

01:06:11,190 --> 01:06:09,670

so i wanted to to play that because uh

1790

01:06:13,589 --> 01:06:11,200

basically

1791

01:06:15,990 --> 01:06:13,599

there there's it kind of

1792

01:06:17,670 --> 01:06:16,000

dovetails into what we're talking about

1793

01:06:19,349 --> 01:06:17,680

now these are young impressionable

1794

01:06:21,190 --> 01:06:19,359

children

1795

01:06:23,270 --> 01:06:21,200

this is the arielle school incident back

1796

01:06:25,750 --> 01:06:23,280

in 1994.

1797

01:06:30,829 --> 01:06:25,760

to me i think it's the most intriguing

1798

01:06:34,870 --> 01:06:33,430

but there was

1799

01:06:37,029 --> 01:06:34,880

some of these children saying they were

1800

01:06:38,309 --> 01:06:37,039

getting messages

1801
01:06:40,789 --> 01:06:38,319
and

1802
01:06:43,510 --> 01:06:40,799
a lot of the messages that they

1803
01:06:44,630 --> 01:06:43,520
were saying they were getting had to do

1804
01:06:47,750 --> 01:06:44,640
with

1805
01:06:49,829 --> 01:06:47,760
taking care of this planet

1806
01:06:51,029 --> 01:06:49,839
and so i guess the question have you

1807
01:06:52,549 --> 01:06:51,039
ever had

1808
01:06:54,630 --> 01:06:52,559
any thoughts

1809
01:06:55,510 --> 01:06:54,640
transferred or whatever you're talking

1810
01:06:59,029 --> 01:06:55,520
about

1811
01:07:00,710 --> 01:06:59,039
um that are along those lines of of uh

1812
01:07:01,990 --> 01:07:00,720
you know taking care of this planet has

1813
01:07:03,670 --> 01:07:02,000

that ever been

1814

01:07:05,750 --> 01:07:03,680

part of it yeah

1815

01:07:07,829 --> 01:07:05,760

yeah i think not just that but how we

1816

01:07:09,750 --> 01:07:07,839

treat each other what we do the planet

1817

01:07:11,750 --> 01:07:09,760

how we could be more eco-friendly and

1818

01:07:15,270 --> 01:07:11,760

self-sufficient in a way that's not so

1819

01:07:16,470 --> 01:07:15,280

um unproductive to to mother earth and

1820

01:07:19,670 --> 01:07:16,480

and the environment and the things that

1821

01:07:21,190 --> 01:07:19,680

we're doing so this is a very uh

1822

01:07:22,870 --> 01:07:21,200

this has been part of the messages but

1823

01:07:24,230 --> 01:07:22,880

you also see it's a common theme when

1824

01:07:26,630 --> 01:07:24,240

i've talked to other people that there's

1825

01:07:28,950 --> 01:07:26,640

been messages for them

1826
01:07:31,270 --> 01:07:28,960
as well and i think i'm glad you showed

1827
01:07:32,789 --> 01:07:31,280
that mary rodwell quotes john mack in

1828
01:07:34,870 --> 01:07:32,799
the movie

1829
01:07:36,549 --> 01:07:34,880
and i think for the people that

1830
01:07:38,390 --> 01:07:36,559
again i don't i don't want anyone

1831
01:07:39,829 --> 01:07:38,400
watching this to believe me i've got to

1832
01:07:42,470 --> 01:07:39,839
say that to start off with i think the

1833
01:07:44,710 --> 01:07:42,480
problem that we've got is blind belief

1834
01:07:46,470 --> 01:07:44,720
that's what's got us in a predicament in

1835
01:07:48,390 --> 01:07:46,480
all the areas that we need to work on is

1836
01:07:49,589 --> 01:07:48,400
blind belief whether it's religion

1837
01:07:52,069 --> 01:07:49,599
whether it's the government whether it's

1838
01:07:54,069 --> 01:07:52,079

politicians whether it's whatever

1839

01:07:56,230 --> 01:07:54,079

i want people to investigate and i think

1840

01:07:58,309 --> 01:07:56,240

something great to start to get into

1841

01:07:59,349 --> 01:07:58,319

what i'm talking about today

1842

01:08:01,190 --> 01:07:59,359

would be

1843

01:08:03,829 --> 01:08:01,200

somebody with an outstanding background

1844

01:08:06,630 --> 01:08:03,839

like professor john mack because he he

1845

01:08:09,029 --> 01:08:06,640

went into what i'm talking about

1846

01:08:12,309 --> 01:08:09,039

from a psychological point of view

1847

01:08:14,069 --> 01:08:12,319

of how these cannot be something that's

1848

01:08:15,270 --> 01:08:14,079

made up of course there's mentally ill

1849

01:08:17,829 --> 01:08:15,280

people and there's

1850

01:08:19,590 --> 01:08:17,839

there's there's always an if

1851
01:08:21,349 --> 01:08:19,600
but when you look at this and especially

1852
01:08:23,269 --> 01:08:21,359
his case studies you start to see that

1853
01:08:24,950 --> 01:08:23,279
this has got substance to what the

1854
01:08:26,789 --> 01:08:24,960
person has experienced and i think

1855
01:08:28,630 --> 01:08:26,799
that's something that from a medical

1856
01:08:30,789 --> 01:08:28,640
background standpoint and even some of

1857
01:08:33,269 --> 01:08:30,799
the ways that he studied and researched

1858
01:08:35,030 --> 01:08:33,279
this phenomena over the years is a great

1859
01:08:37,669 --> 01:08:35,040
footing for some people to get into the

1860
01:08:38,390 --> 01:08:37,679
stuff that i'm talking about

1861
01:08:43,829 --> 01:08:38,400
right

1862
01:08:45,910 --> 01:08:43,839
he did get in there and interview those

1863
01:08:46,870 --> 01:08:45,920

kids you know within that short period

1864

01:08:48,709 --> 01:08:46,880

of time

1865

01:08:50,630 --> 01:08:48,719

and so

1866

01:08:51,669 --> 01:08:50,640

there are a lot

1867

01:08:53,269 --> 01:08:51,679

of

1868

01:08:55,749 --> 01:08:53,279

children

1869

01:08:56,870 --> 01:08:55,759

that have sightings a lot of schoolyard

1870

01:08:59,030 --> 01:08:56,880

sightings

1871

01:09:01,510 --> 01:08:59,040

preston dennett wrote a book and and

1872

01:09:03,110 --> 01:09:01,520

came up with i think it was 120 of them

1873

01:09:05,349 --> 01:09:03,120

or something like that

1874

01:09:06,950 --> 01:09:05,359

and there's a lot more because i keep

1875

01:09:08,550 --> 01:09:06,960

hearing about

1876

01:09:11,430 --> 01:09:08,560

you know people are contacting me oh

1877

01:09:12,550 --> 01:09:11,440

yeah that happened at my school

1878

01:09:14,229 --> 01:09:12,560

so

1879

01:09:15,829 --> 01:09:14,239

would you think that

1880

01:09:18,870 --> 01:09:15,839

in the thoughts that you're having of

1881

01:09:22,950 --> 01:09:18,880

what's going on that children are more

1882

01:09:24,390 --> 01:09:22,960

open-minded or more impressionable what

1883

01:09:27,030 --> 01:09:24,400

what would be the connection why there's

1884

01:09:28,789 --> 01:09:27,040

so many of those

1885

01:09:30,390 --> 01:09:28,799

i think there's a few aspects to it i

1886

01:09:32,789 --> 01:09:30,400

think the children these days are

1887

01:09:35,430 --> 01:09:32,799

operating on a different bandwidth

1888

01:09:37,030 --> 01:09:35,440

highly intelligent in a lot of cases

1889

01:09:38,550 --> 01:09:37,040

they're seeing the world in a different

1890

01:09:40,470 --> 01:09:38,560

way but they're

1891

01:09:42,390 --> 01:09:40,480

they're less programmed like i was

1892

01:09:45,030 --> 01:09:42,400

speaking about earlier

1893

01:09:48,229 --> 01:09:45,040

a lot of kids are divine not just to be

1894

01:09:49,990 --> 01:09:48,239

not to be um disrespectful

1895

01:09:51,829 --> 01:09:50,000

they just see practical different ways

1896

01:09:54,390 --> 01:09:51,839

of doing things that are more productive

1897

01:09:55,270 --> 01:09:54,400

and then they go about it so

1898

01:09:57,350 --> 01:09:55,280

whether

1899

01:09:59,350 --> 01:09:57,360

it's a mixture of that mixed within

1900

01:10:02,149 --> 01:09:59,360

they're less what i call socially

1901

01:10:03,590 --> 01:10:02,159

engineered because they're young

1902

01:10:04,709 --> 01:10:03,600

they're they're pretty much a blank

1903

01:10:06,709 --> 01:10:04,719

slate and they're open to all

1904

01:10:07,830 --> 01:10:06,719

possibility and so they're less filtered

1905

01:10:09,189 --> 01:10:07,840

through the lens that they're viewing

1906

01:10:11,830 --> 01:10:09,199

this reality when there is something

1907

01:10:13,510 --> 01:10:11,840

like this if they experience this

1908

01:10:15,669 --> 01:10:13,520

then you have the flip side that you got

1909

01:10:17,510 --> 01:10:15,679

some parents that are very spiritual and

1910

01:10:19,510 --> 01:10:17,520

the kids can be influenced by that as

1911

01:10:21,430 --> 01:10:19,520

well

1912

01:10:22,950 --> 01:10:21,440

and this is where i've worked with a lot

1913

01:10:25,350 --> 01:10:22,960

of children over the years and some

1914

01:10:27,110 --> 01:10:25,360

children that i've met with the parents

1915

01:10:28,630 --> 01:10:27,120

very impressionable in terms of you know

1916

01:10:30,870 --> 01:10:28,640

that that's their experience and then

1917

01:10:32,470 --> 01:10:30,880

sometimes you think well it might be a

1918

01:10:33,830 --> 01:10:32,480

bit either way here because the parents

1919

01:10:35,350 --> 01:10:33,840

are into the spiritual stuff and they

1920

01:10:36,630 --> 01:10:35,360

talk about it in front of their children

1921

01:10:37,990 --> 01:10:36,640

and they're watching youtube on

1922

01:10:40,149 --> 01:10:38,000

spiritual stuff and all that so you

1923

01:10:41,910 --> 01:10:40,159

wonder are they influenced by that or is

1924

01:10:44,149 --> 01:10:41,920

it really their only information that

1925

01:10:46,790 --> 01:10:44,159

they're getting at the same time so it's

1926

01:10:48,390 --> 01:10:46,800

a bit of a mixed bag there but i think

1927

01:10:49,669 --> 01:10:48,400

were you bringing up this topic one

1928

01:10:53,350 --> 01:10:49,679

great case that a lot of people are

1929

01:10:54,470 --> 01:10:53,360

unaware of is west hall 66 oh yes

1930

01:10:56,709 --> 01:10:54,480

yeah

1931

01:10:58,470 --> 01:10:56,719

200 students school teachers i've even

1932

01:10:59,750 --> 01:10:58,480

gone to the spot and there's still the

1933

01:11:01,750 --> 01:10:59,760

there's an impression from one of the

1934

01:11:03,430 --> 01:11:01,760

crafts to this day

1935

01:11:05,110 --> 01:11:03,440

in the grange at the back of the grange

1936

01:11:06,070 --> 01:11:05,120

area from where one of these crafts

1937

01:11:07,990 --> 01:11:06,080

landed

1938

01:11:09,910 --> 01:11:08,000

that's a very intriguing case with 200

1939

01:11:11,590 --> 01:11:09,920

students and teachers that have

1940

01:11:13,430 --> 01:11:11,600

experienced these two crafts from what i

1941

01:11:15,189 --> 01:11:13,440

remember in broad daylight

1942

01:11:17,510 --> 01:11:15,199

right so then you they were locked in a

1943

01:11:20,310 --> 01:11:17,520

hall with american personnel and and uh

1944

01:11:21,830 --> 01:11:20,320

australian i think military and and

1945

01:11:23,669 --> 01:11:21,840

personnel going there telling them that

1946

01:11:24,550 --> 01:11:23,679

this did not happen

1947

01:11:26,470 --> 01:11:24,560

so

1948

01:11:28,870 --> 01:11:26,480

but at the same time the same year you

1949

01:11:31,669 --> 01:11:28,880

had the inception of pine gap which is a

1950

01:11:33,910 --> 01:11:31,679

joint space to fill facility between

1951

01:11:36,709 --> 01:11:33,920

america and australia but really it had

1952

01:11:38,950 --> 01:11:36,719

a cia backing to it as well

1953

01:11:40,390 --> 01:11:38,960

and also our i can't remember the prime

1954

01:11:41,990 --> 01:11:40,400

minister's name he went missing that

1955

01:11:44,950 --> 01:11:42,000

year as well and was never found again

1956

01:11:47,430 --> 01:11:44,960

so you had a lot happen in 1966.

1957

01:11:48,470 --> 01:11:47,440

wow i'd never heard that part wow

1958

01:11:50,550 --> 01:11:48,480

interesting

1959

01:11:52,550 --> 01:11:50,560

yeah um

1960

01:11:55,910 --> 01:11:52,560

i probably should have brought up that

1961

01:11:57,590 --> 01:11:55,920

case instead of the ariel school

1962

01:11:58,790 --> 01:11:57,600

from what i know i think there was one

1963

01:12:00,390 --> 01:11:58,800

person at west store that had

1964

01:12:01,910 --> 01:12:00,400

interactions with the intelligence and

1965

01:12:04,070 --> 01:12:01,920

they actually went missing they were

1966

01:12:06,070 --> 01:12:04,080

taken away not by the craft of buyer

1967

01:12:07,270 --> 01:12:06,080

military personnel from what i remember

1968

01:12:09,510 --> 01:12:07,280

but were there

1969

01:12:11,270 --> 01:12:09,520

was it the young girl

1970

01:12:12,870 --> 01:12:11,280

from what i remember now i don't know if

1971

01:12:14,310 --> 01:12:12,880

she was seen again in later years or if

1972

01:12:15,830 --> 01:12:14,320

it was just for a short period of time

1973

01:12:17,669 --> 01:12:15,840

but i remember that one person that

1974

01:12:19,270 --> 01:12:17,679

apparently touched the craft they were

1975

01:12:21,350 --> 01:12:19,280

whisked away

1976

01:12:22,950 --> 01:12:21,360

um separated from the school but the

1977

01:12:24,310 --> 01:12:22,960

zimbabwe case is very interesting

1978

01:12:25,750 --> 01:12:24,320

because you've got multiple children

1979

01:12:27,270 --> 01:12:25,760

telling the same story and they're also

1980

01:12:29,270 --> 01:12:27,280

describing not just the craft but the

1981

01:12:30,950 --> 01:12:29,280

beings as well so

1982

01:12:32,070 --> 01:12:30,960

and the messages as well you know you've

1983

01:12:34,390 --> 01:12:32,080

got the message component and the

1984

01:12:37,590 --> 01:12:34,400

communication going on

1985

01:12:40,149 --> 01:12:37,600

when i spoke with selma siddik who is

1986

01:12:41,430 --> 01:12:40,159

one of the people that was she was right

1987

01:12:44,870 --> 01:12:41,440

there she said

1988

01:12:45,830 --> 01:12:44,880

she was within four feet of the being

1989

01:12:47,270 --> 01:12:45,840

and

1990

01:12:49,270 --> 01:12:47,280

she said that

1991

01:12:51,750 --> 01:12:49,280

you know i asked her to describe the

1992

01:12:54,550 --> 01:12:51,760

being you know the black eyes she said

1993

01:12:56,070 --> 01:12:54,560

the skin was white she said almost look

1994

01:12:57,669 --> 01:12:56,080

like porcelain

1995

01:12:59,830 --> 01:12:57,679

she said that the best way she could

1996

01:13:01,110 --> 01:12:59,840

describe it is the skin look like

1997

01:13:03,110 --> 01:13:01,120

porcelain

1998

01:13:05,430 --> 01:13:03,120

and she also said that

1999

01:13:07,830 --> 01:13:05,440

breaking eye contact with this being to

2000

01:13:10,470 --> 01:13:07,840

go check on her siblings was one of the

2001

01:13:13,590 --> 01:13:10,480

hardest things she ever did in her life

2002

01:13:16,709 --> 01:13:13,600

is to break away at that point

2003

01:13:18,709 --> 01:13:16,719

um so i guess i'll ask you have you had

2004

01:13:20,149 --> 01:13:18,719

like these type of encounters do you

2005

01:13:22,709 --> 01:13:20,159

think you've had these type of

2006

01:13:25,590 --> 01:13:22,719

encounters i don't think i know just

2007

01:13:29,510 --> 01:13:25,600

like i'm talking to you now

2008

01:13:30,950 --> 01:13:29,520

and and what is is that are these verbal

2009

01:13:32,950 --> 01:13:30,960

encounters or

2010

01:13:34,870 --> 01:13:32,960

is it all just

2011

01:13:36,709 --> 01:13:34,880

things you can i mean

2012

01:13:37,430 --> 01:13:36,719

are you communicating i mean is that

2013

01:13:43,669 --> 01:13:37,440

yeah

2014

01:13:45,669 --> 01:13:43,679

early stages of this

2015

01:13:48,310 --> 01:13:45,679

there's two parts it's thought and the

2016

01:13:51,270 --> 01:13:48,320

other component is there was at times

2017

01:13:53,030 --> 01:13:51,280

and still it almost sounds like

2018

01:13:54,550 --> 01:13:53,040

have you right so for anyone listening

2019

01:13:56,390 --> 01:13:54,560

if they're a musician or a guitarist

2020

01:13:58,149 --> 01:13:56,400

especially

2021

01:14:00,630 --> 01:13:58,159

it works better on an acoustic guitar

2022

01:14:01,990 --> 01:14:00,640

but if you put your chin on the acoustic

2023

01:14:03,590 --> 01:14:02,000

guitar and hit a string you actually

2024

01:14:06,070 --> 01:14:03,600

feel like it's vibrating into your

2025

01:14:07,590 --> 01:14:06,080

conscious like into your head yeah

2026

01:14:10,390 --> 01:14:07,600

yeah right so

2027

01:14:12,229 --> 01:14:10,400

i've had it where i've had voices like

2028

01:14:14,470 --> 01:14:12,239

that that it was it's nothing to do with

2029

01:14:16,550 --> 01:14:14,480

the eardrums nothing to do with the like

2030

01:14:18,310 --> 01:14:16,560

me hearing an external voice is within

2031

01:14:21,110 --> 01:14:18,320

me with the vibration that i would hear

2032

01:14:23,910 --> 01:14:21,120

words with a neutral accent that would

2033

01:14:25,590 --> 01:14:23,920

be in english other times predominantly

2034

01:14:27,430 --> 01:14:25,600

is purely through thought and the

2035

01:14:30,070 --> 01:14:27,440

thoughts will have visions and there

2036

01:14:32,390 --> 01:14:30,080

will be feelings associated with it so

2037

01:14:34,630 --> 01:14:32,400

very early on that's how it was more

2038

01:14:37,750 --> 01:14:34,640

like an acoustic at times it wasn't very

2039

01:14:39,350 --> 01:14:37,760

often at all i feel that that was more

2040

01:14:41,110 --> 01:14:39,360

for me to be receptive because it was

2041

01:14:43,110 --> 01:14:41,120

thoughts at times coming with it but i

2042

01:14:44,709 --> 01:14:43,120

wasn't understanding it like it took me

2043

01:14:46,149 --> 01:14:44,719

years to understand when i'm getting the

2044

01:14:47,750 --> 01:14:46,159

thought to go outside and look up the

2045

01:14:49,910 --> 01:14:47,760

crafts there

2046

01:14:51,510 --> 01:14:49,920

it was actually communication

2047

01:14:53,270 --> 01:14:51,520

but because i wasn't having somebody

2048

01:14:55,830 --> 01:14:53,280

stand in front of me saying right we've

2049

01:14:57,110 --> 01:14:55,840

got a craft outside and i didn't have an

2050

01:14:58,709 --> 01:14:57,120

external source telling me i was

2051
01:14:59,910 --> 01:14:58,719
doubting the thoughts and the feelings

2052
01:15:02,070 --> 01:14:59,920
that were being

2053
01:15:04,149 --> 01:15:02,080
uh of the form of

2054
01:15:05,990 --> 01:15:04,159
communication

2055
01:15:08,630 --> 01:15:06,000
well let's just say this

2056
01:15:15,030 --> 01:15:13,110
um you have an encounter or whatever

2057
01:15:17,350 --> 01:15:15,040
i'm just trying to picture everything

2058
01:15:21,350 --> 01:15:17,360
okay so let's just say

2059
01:15:23,750 --> 01:15:21,360
if there is another dimension do

2060
01:15:26,390 --> 01:15:23,760
does someone like you go into their

2061
01:15:27,669 --> 01:15:26,400
dimension and if so

2062
01:15:29,669 --> 01:15:27,679
are you

2063
01:15:33,189 --> 01:15:29,679

scaring people like we would be scared

2064

01:15:36,950 --> 01:15:33,199

of a ghost or scaring people like

2065

01:15:38,550 --> 01:15:36,960

a ufo or whatever

2066

01:15:40,790 --> 01:15:38,560

there is that component but this is

2067

01:15:42,470 --> 01:15:40,800

where i'll say it's not black and white

2068

01:15:45,030 --> 01:15:42,480

there is other frequencies that the

2069

01:15:46,790 --> 01:15:45,040

physical body can go to very minimal so

2070

01:15:49,350 --> 01:15:46,800

what will happen sometimes is i might be

2071

01:15:51,590 --> 01:15:49,360

taken physically or teleported

2072

01:15:52,470 --> 01:15:51,600

or dematerialized and put somewhere else

2073

01:15:55,510 --> 01:15:52,480

and then

2074

01:15:57,030 --> 01:15:55,520

my body can't go up further from that so

2075

01:15:59,030 --> 01:15:57,040

my body stays where it is and the

2076

01:16:00,390 --> 01:15:59,040

consciousness goes out and it interfaces

2077

01:16:02,709 --> 01:16:00,400

and goes up

2078

01:16:03,990 --> 01:16:02,719

it goes up to another frequency to such

2079

01:16:05,669 --> 01:16:04,000

a frequency where the body computer

2080

01:16:07,350 --> 01:16:05,679

cannot operate

2081

01:16:09,910 --> 01:16:07,360

so

2082

01:16:11,430 --> 01:16:09,920

there is an overlap of that can be

2083

01:16:14,149 --> 01:16:11,440

happening this is what we see with

2084

01:16:15,910 --> 01:16:14,159

hauntings for example that sometimes

2085

01:16:18,790 --> 01:16:15,920

you've got a residual haunting what's a

2086

01:16:20,709 --> 01:16:18,800

residual haunting

2087

01:16:22,790 --> 01:16:20,719

a residual horning is like an event

2088

01:16:25,270 --> 01:16:22,800

playing over and over like a tape that

2089

01:16:27,750 --> 01:16:25,280

no matter what you do it's the event's

2090

01:16:30,550 --> 01:16:27,760

going to happen it might be um

2091

01:16:31,990 --> 01:16:30,560

you hear a voice at the same time

2092

01:16:33,750 --> 01:16:32,000

every week

2093

01:16:35,110 --> 01:16:33,760

and it's saying the same thing but

2094

01:16:37,350 --> 01:16:35,120

nothing's there and you could record it

2095

01:16:39,030 --> 01:16:37,360

with an electronic uh it's not a it's a

2096

01:16:40,470 --> 01:16:39,040

disembodied voice electronic voice

2097

01:16:41,990 --> 01:16:40,480

phenomenon is where you don't hear it

2098

01:16:44,709 --> 01:16:42,000

but it's being recorded but you actually

2099

01:16:46,630 --> 01:16:44,719

hear this so you can't interface with

2100

01:16:48,149 --> 01:16:46,640

that but then there's other hauntings

2101
01:16:50,550 --> 01:16:48,159
you've got where you're actually able to

2102
01:16:52,709 --> 01:16:50,560
interface and even reports of where

2103
01:16:55,110 --> 01:16:52,719
people are hearing an argument or an

2104
01:16:56,870 --> 01:16:55,120
event happen that was actually them and

2105
01:16:59,030 --> 01:16:56,880
their partner let's say

2106
01:17:00,830 --> 01:16:59,040
but it could be from years ago or it

2107
01:17:03,189 --> 01:17:00,840
could be from in the future that's

2108
01:17:04,709 --> 01:17:03,199
overlapping that space time that they're

2109
01:17:07,030 --> 01:17:04,719
experiencing

2110
01:17:08,709 --> 01:17:07,040
so this is why i say the paranormal the

2111
01:17:10,950 --> 01:17:08,719
ufo community and the conscious

2112
01:17:12,310 --> 01:17:10,960
community should actually be all working

2113
01:17:14,070 --> 01:17:12,320

together because i would find that a lot

2114

01:17:15,910 --> 01:17:14,080

of things are overlapping in this

2115

01:17:18,070 --> 01:17:15,920

in different scenarios that are coming

2116

01:17:19,990 --> 01:17:18,080

from different sources so it's a yes but

2117

01:17:22,310 --> 01:17:20,000

it's also but

2118

01:17:25,669 --> 01:17:22,320

like i'm saying it's you can't look at

2119

01:17:27,270 --> 01:17:25,679

this topic in this situation with yes no

2120

01:17:28,950 --> 01:17:27,280

there is so many different things that

2121

01:17:31,030 --> 01:17:28,960

even one of the bangs i'm interfacing

2122

01:17:33,350 --> 01:17:31,040

with is another aspect of me

2123

01:17:34,390 --> 01:17:33,360

that's not human it's from somewhere

2124

01:17:36,229 --> 01:17:34,400

else

2125

01:17:38,470 --> 01:17:36,239

and i've talked to others and there's

2126

01:17:39,750 --> 01:17:38,480

been other reports of this as well

2127

01:17:41,350 --> 01:17:39,760

that they're interfacing with other

2128

01:17:43,669 --> 01:17:41,360

aspects of their what would you say

2129

01:17:45,510 --> 01:17:43,679

oversoul that's coming through and you

2130

01:17:48,709 --> 01:17:45,520

can portray it and it may even be

2131

01:17:50,550 --> 01:17:48,719

extraterrestrial but it's operating out

2132

01:17:52,870 --> 01:17:50,560

it's another aspect of shooting from

2133

01:17:54,310 --> 01:17:52,880

what we could say the same cell of your

2134

01:17:55,990 --> 01:17:54,320

higher self which is a cell of god's

2135

01:17:57,510 --> 01:17:56,000

body the way that it's been articulated

2136

01:17:59,430 --> 01:17:57,520

to me

2137

01:18:01,350 --> 01:17:59,440

you uh you do

2138

01:18:03,750 --> 01:18:01,360

probably realize that a lot of people

2139

01:18:06,070 --> 01:18:03,760

are going to think this is like way out

2140

01:18:08,630 --> 01:18:06,080

there compared to you know a lot of the

2141

01:18:11,510 --> 01:18:08,640

nuts and bolts ufos that i talk about on

2142

01:18:13,750 --> 01:18:11,520

this show so uh so we'll probably get a

2143

01:18:15,110 --> 01:18:13,760

little bit of that for feedback just so

2144

01:18:17,350 --> 01:18:15,120

you remember

2145

01:18:18,390 --> 01:18:17,360

yeah i've been putting up with this for

2146

01:18:19,750 --> 01:18:18,400

years

2147

01:18:21,910 --> 01:18:19,760

and that's why the community is going

2148

01:18:23,669 --> 01:18:21,920

nowhere it's not that i'm right but what

2149

01:18:25,350 --> 01:18:23,679

i'll tell you is people have a right for

2150

01:18:27,830 --> 01:18:25,360

a difference of opinion

2151

01:18:30,070 --> 01:18:27,840

what i'm fed up with is people being

2152

01:18:30,950 --> 01:18:30,080

a-s-s about it

2153

01:18:33,430 --> 01:18:30,960

yeah

2154

01:18:35,350 --> 01:18:33,440

right they have no right to do that this

2155

01:18:37,270 --> 01:18:35,360

is this is a very important topic and

2156

01:18:39,510 --> 01:18:37,280

that's why when i see the comments in

2157

01:18:41,189 --> 01:18:39,520

the way people put me down that's why

2158

01:18:42,390 --> 01:18:41,199

the world's the way it is

2159

01:18:43,750 --> 01:18:42,400

doesn't mean you've got to agree with

2160

01:18:46,070 --> 01:18:43,760

somebody but when people are totally

2161

01:18:47,910 --> 01:18:46,080

disrespectful where it's not

2162

01:18:49,990 --> 01:18:47,920

i've been being mean to them in any way

2163

01:18:52,229 --> 01:18:50,000

and i get hate mail but i'll tell you

2164

01:18:53,910 --> 01:18:52,239

what just as much respect from this

2165

01:18:54,950 --> 01:18:53,920

community than i do disrespect and

2166

01:18:56,950 --> 01:18:54,960

that's why it's getting nowhere because

2167

01:18:59,110 --> 01:18:56,960

of the way we that we treat each other

2168

01:19:02,790 --> 01:18:59,120

yeah yeah well you know no matter what i

2169

01:19:05,590 --> 01:19:02,800

do i i get the same mail you know uh

2170

01:19:09,110 --> 01:19:05,600

often and uh criticized a lot and uh but

2171

01:19:11,030 --> 01:19:09,120

i just you know uh advice from my son

2172

01:19:14,870 --> 01:19:11,040

when i started this show

2173

01:19:16,229 --> 01:19:14,880

years ago was take all the um gratitude

2174

01:19:18,790 --> 01:19:16,239

and all the

2175

01:19:20,709 --> 01:19:18,800

uh criticism with the same grain of salt

2176

01:19:23,669 --> 01:19:20,719

just be happy with what you're doing and

2177

01:19:25,990 --> 01:19:23,679

uh so i i just keep plugging in

2178

01:19:27,110 --> 01:19:26,000

and uh happily celebrated 10 years of

2179

01:19:30,149 --> 01:19:27,120

doing this as i mentioned

2180

01:19:31,830 --> 01:19:30,159

congratulations that's amazing yeah so

2181

01:19:33,990 --> 01:19:31,840

but anyway uh

2182

01:19:36,790 --> 01:19:34,000

it's another thought now i i will tell

2183

01:19:39,910 --> 01:19:36,800

you that probably about 15

2184

01:19:43,510 --> 01:19:39,920

years maybe 10 years prior to my ufo

2185

01:19:45,669 --> 01:19:43,520

sighting i had a a poltergeist situation

2186

01:19:48,310 --> 01:19:45,679

i don't know what else to call it uh

2187

01:19:51,270 --> 01:19:48,320

something was moving something

2188

01:19:54,709 --> 01:19:51,280

it happened i witnessed it firsthand it

2189

01:19:57,990 --> 01:19:54,719

was uh scared the heck out of me because

2190

01:19:59,590 --> 01:19:58,000

i was alone in a house uh door slamming

2191

01:20:01,350 --> 01:19:59,600

a broom leaning up against the door

2192

01:20:02,229 --> 01:20:01,360

after the door slams you know all this

2193

01:20:05,990 --> 01:20:02,239

weird

2194

01:20:07,510 --> 01:20:06,000

witnessed it firsthand and for a long

2195

01:20:09,270 --> 01:20:07,520

time i didn't tell anyone i thought no

2196

01:20:11,430 --> 01:20:09,280

one would ever believe me

2197

01:20:13,270 --> 01:20:11,440

um but so

2198

01:20:15,350 --> 01:20:13,280

you you're saying that it's possible

2199

01:20:16,709 --> 01:20:15,360

that i encountered this

2200

01:20:18,550 --> 01:20:16,719

and then

2201

01:20:20,149 --> 01:20:18,560

later was

2202

01:20:22,390 --> 01:20:20,159

maybe i was open up

2203

01:20:24,229 --> 01:20:22,400

oh open-minded enough i i don't feel

2204

01:20:27,030 --> 01:20:24,239

like i was i wasn't expecting anything

2205

01:20:29,189 --> 01:20:27,040

to happen and it came in in some cases

2206

01:20:31,510 --> 01:20:29,199

but i'm not saying in these cases like

2207

01:20:32,709 --> 01:20:31,520

with you but that is in some cases that

2208

01:20:34,229 --> 01:20:32,719

could be the possibility that they've

2209

01:20:35,350 --> 01:20:34,239

opened up to an experience and then

2210

01:20:37,110 --> 01:20:35,360

other things

2211

01:20:39,430 --> 01:20:37,120

they start to experience and it could

2212

01:20:41,110 --> 01:20:39,440

take years i know some experiences that

2213

01:20:43,110 --> 01:20:41,120

will not talk about their experiences

2214

01:20:44,550 --> 01:20:43,120

and as soon as they do they might not

2215

01:20:46,390 --> 01:20:44,560

talk about anything for 10 years then

2216

01:20:47,990 --> 01:20:46,400

they'll have another experience so this

2217

01:20:50,310 --> 01:20:48,000

is where

2218

01:20:51,830 --> 01:20:50,320

the these intelligences in some cases

2219

01:20:53,990 --> 01:20:51,840

can pick up on your thought on your

2220

01:20:55,510 --> 01:20:54,000

intentions and it's very not

2221

01:20:57,510 --> 01:20:55,520

acknowledgeable on their part but we're

2222

01:21:01,189 --> 01:20:57,520

not sort of understanding that

2223

01:21:03,669 --> 01:21:01,199

so whether that was the case i can't say

2224

01:21:05,910 --> 01:21:03,679

um but it is interesting how many people

2225

01:21:07,590 --> 01:21:05,920

have had we could say ufo sighting but

2226

01:21:10,149 --> 01:21:07,600

also they've had a paranormal experience

2227

01:21:13,430 --> 01:21:10,159

or vice versa over it could be years

2228

01:21:15,830 --> 01:21:13,440

span in between that amount of time

2229

01:21:16,790 --> 01:21:15,840

yeah yeah well i'm going to pull up

2230

01:21:18,390 --> 01:21:16,800

another

2231

01:21:20,470 --> 01:21:18,400

video of yours i want to ask you about

2232

01:21:23,270 --> 01:21:20,480

and i'm going to share that again i will

2233

01:21:25,030 --> 01:21:23,280

link up things too

2234

01:21:26,790 --> 01:21:25,040

let's not let me do that for some reason

2235

01:21:28,550 --> 01:21:26,800

maybe here it is okay

2236

01:21:29,669 --> 01:21:28,560

i will link things to

2237

01:21:40,790 --> 01:21:29,679

this

2238

01:21:42,390 --> 01:21:40,800

remember the exact

2239

01:21:44,229 --> 01:21:42,400

date at the moment there was actually

2240

01:21:46,470 --> 01:21:44,239

two days of experiences where i had

2241

01:21:49,830 --> 01:21:46,480

missing time at a pine forest where my

2242

01:21:52,870 --> 01:21:51,990

yeah that's a photo that is a photo i

2243

01:21:54,229 --> 01:21:52,880

actually

2244

01:21:56,709 --> 01:21:54,239

oh sort of

2245

01:21:59,189 --> 01:21:56,719

embarrassing to say this i i was in

2246

01:22:00,870 --> 01:21:59,199

america and i bought this easy camera to

2247

01:22:03,510 --> 01:22:00,880

keep on me from walmart when i was in

2248

01:22:04,629 --> 01:22:03,520

washington so i was actually hood river

2249

01:22:06,550 --> 01:22:04,639

and

2250

01:22:08,709 --> 01:22:06,560

i charged it up i hadn't used it for

2251

01:22:10,310 --> 01:22:08,719

probably a year or so

2252

01:22:11,510 --> 01:22:10,320

but i thought i might start using this

2253

01:22:12,950 --> 01:22:11,520

than the other cameras that i got

2254

01:22:14,790 --> 01:22:12,960

because they're a bit bulkier just to

2255

01:22:18,629 --> 01:22:14,800

keep a camera on me

2256

01:22:20,470 --> 01:22:18,639

and that camera had no sd card in it but

2257

01:22:22,229 --> 01:22:20,480

it would take i think two or three

2258

01:22:23,830 --> 01:22:22,239

photos without the card in it so i would

2259

01:22:24,790 --> 01:22:23,840

have got video or would have got more

2260

01:22:27,110 --> 01:22:24,800

pics

2261

01:22:28,709 --> 01:22:27,120

but i was so and it was two days in a

2262

01:22:29,910 --> 01:22:28,719

row at the same time the next day i

2263

01:22:31,830 --> 01:22:29,920

totally forgot because i'm used to just

2264

01:22:33,510 --> 01:22:31,840

having a card in my camera and i

2265

01:22:35,430 --> 01:22:33,520

remember telling john verbanko and jason

2266

01:22:37,590 --> 01:22:35,440

gleaves when i sent them the photo and

2267

01:22:39,830 --> 01:22:37,600

uh james about this as well and i was

2268

01:22:42,870 --> 01:22:39,840

just angry at myself for not putting a

2269

01:22:44,310 --> 01:22:42,880

frigging card in that camera but um

2270

01:22:47,030 --> 01:22:44,320

yeah we wouldn't have those snaps if

2271

01:22:48,790 --> 01:22:47,040

that camera didn't allow um

2272

01:22:50,310 --> 01:22:48,800

yeah i found out there is a function

2273

01:22:51,510 --> 01:22:50,320

where some cameras will take one two

2274

01:22:54,629 --> 01:22:51,520

three picks but that's all they've got

2275

01:22:57,590 --> 01:22:54,639

without an sd card and that was taken

2276

01:23:00,229 --> 01:22:57,600

yeah yeah oh i've i'm i'm king of doing

2277

01:23:02,310 --> 01:23:00,239

things like that you know

2278

01:23:05,990 --> 01:23:02,320

when it happens watch this it's

2279

01:23:09,430 --> 01:23:06,000

frustrating yeah i went to phoenix and i

2280

01:23:11,189 --> 01:23:09,440

had my camera a video camera there and i

2281

01:23:14,390 --> 01:23:11,199

had a video card

2282

01:23:18,629 --> 01:23:14,400

whoops i i don't know what i did here

2283

01:23:22,229 --> 01:23:20,470

i don't know what uh let me just see

2284

01:23:24,070 --> 01:23:22,239

what happened here

2285

01:23:26,390 --> 01:23:24,080

here we go i'm not sure what exactly

2286

01:23:28,310 --> 01:23:26,400

happened there but anyway i

2287

01:23:30,629 --> 01:23:28,320

i

2288

01:23:33,030 --> 01:23:30,639

had everyone look through my back

2289

01:23:35,350 --> 01:23:33,040

to find this because i couldn't find it

2290

01:23:38,550 --> 01:23:35,360

it's it's a small card it's you know i

2291

01:23:41,830 --> 01:23:38,560

don't know maybe this big it's like

2292

01:23:43,030 --> 01:23:41,840

three by say two uh or four by two

2293

01:23:44,870 --> 01:23:43,040

something like that

2294

01:23:47,270 --> 01:23:44,880

anyway we all look through the bag it

2295

01:23:47,990 --> 01:23:47,280

wasn't there i had to use my

2296

01:23:49,669 --> 01:23:48,000

my

2297

01:23:52,870 --> 01:23:49,679

cam uh

2298

01:23:54,310 --> 01:23:52,880

my webcam on a tripod and had someone

2299

01:23:56,470 --> 01:23:54,320

you know

2300

01:23:57,189 --> 01:23:56,480

had someone behind the camera doing it

2301

01:23:58,790 --> 01:23:57,199

that

2302

01:24:01,030 --> 01:23:58,800

we made it happen

2303

01:24:02,470 --> 01:24:01,040

but i got back and i'm thinking wonder

2304

01:24:04,310 --> 01:24:02,480

where this thing is

2305

01:24:06,870 --> 01:24:04,320

looking all over my office

2306

01:24:09,270 --> 01:24:06,880

and then i i look at the bag that i

2307

01:24:10,790 --> 01:24:09,280

brought with me arizona and and there it

2308

01:24:12,550 --> 01:24:10,800

is right there i grabbed it right away

2309

01:24:14,870 --> 01:24:12,560

right in the bag it was there all along

2310

01:24:17,510 --> 01:24:14,880

and i never saw it these things happened

2311

01:24:19,350 --> 01:24:17,520

to me i haven't yeah yeah

2312

01:24:20,790 --> 01:24:19,360

the other flick authorities are i have

2313

01:24:22,070 --> 01:24:20,800

another experience of something like

2314

01:24:23,270 --> 01:24:22,080

that with the card happening but

2315

01:24:26,149 --> 01:24:23,280

different

2316

01:24:27,910 --> 01:24:26,159

i was in the same area about

2317

01:24:29,830 --> 01:24:27,920

three or four years before that footage

2318

01:24:31,350 --> 01:24:29,840

you saw there in the photo and i

2319

01:24:34,070 --> 01:24:31,360

actually had james gilliland with me

2320

01:24:35,350 --> 01:24:34,080

from america and a family member

2321

01:24:37,030 --> 01:24:35,360

and

2322

01:24:40,950 --> 01:24:37,040

there was something about it was an orb

2323

01:24:42,870 --> 01:24:40,960

about the size of a two-story house

2324

01:24:44,629 --> 01:24:42,880

probably about 30 foot off the ground

2325

01:24:46,629 --> 01:24:44,639

and i filmed it and it blinked out on it

2326

01:24:48,870 --> 01:24:46,639

so i had about a minute and a half worth

2327

01:24:50,470 --> 01:24:48,880

of footage

2328

01:24:52,070 --> 01:24:50,480

and we're thinking this is amazing

2329

01:24:55,270 --> 01:24:52,080

footage this is going to be epic and

2330

01:24:57,350 --> 01:24:55,280

i've gone to put it into the computer

2331

01:24:59,189 --> 01:24:57,360

and nothing was on there and i know it

2332

01:25:00,229 --> 01:24:59,199

was recording but nothing was on the

2333

01:25:02,149 --> 01:25:00,239

card

2334

01:25:03,669 --> 01:25:02,159

yeah and that would have been amazing

2335

01:25:04,790 --> 01:25:03,679

footage to be able to show but that's

2336

01:25:07,669 --> 01:25:04,800

yeah

2337

01:25:09,350 --> 01:25:07,679

technology in sometimes the story

2338

01:25:12,229 --> 01:25:09,360

a lot of people have talked about

2339

01:25:14,870 --> 01:25:12,239

filming ufos and their camera didn't

2340

01:25:16,709 --> 01:25:14,880

work or the battery died instantly

2341

01:25:17,830 --> 01:25:16,719

you know there's there's a there's a lot

2342

01:25:23,030 --> 01:25:17,840

of weird

2343

01:25:25,030 --> 01:25:23,040

uh you mentioned that you've had some

2344

01:25:26,470 --> 01:25:25,040

experiences that were not so good i

2345

01:25:28,390 --> 01:25:26,480

don't know if that's something you'd

2346

01:25:30,149 --> 01:25:28,400

want to talk about

2347

01:25:32,950 --> 01:25:30,159

i don't want to focus on it too much but

2348

01:25:37,590 --> 01:25:32,960

there has been entities one entity i'll

2349

01:25:41,910 --> 01:25:38,790

and

2350

01:25:43,990 --> 01:25:41,920

this was an experience that was

2351

01:25:46,229 --> 01:25:44,000

the only way i could describe it is i i

2352

01:25:48,470 --> 01:25:46,239

went to bed one night

2353

01:25:50,709 --> 01:25:48,480

and i used to sleep in this place i had

2354

01:25:52,229 --> 01:25:50,719

at the time with i had these french

2355

01:25:53,669 --> 01:25:52,239

horizontal blinds that i would leave

2356

01:25:54,870 --> 01:25:53,679

slightly open so the street light would

2357

01:25:57,669 --> 01:25:54,880

come in so if i had to get up or

2358

01:25:59,430 --> 01:25:57,679

anything was going on i could just see

2359

01:26:01,510 --> 01:25:59,440

and as soon as i got into bed one night

2360

01:26:03,110 --> 01:26:01,520

there was an entity now his head was

2361

01:26:05,270 --> 01:26:03,120

slightly above my head when i'm lying

2362

01:26:06,310 --> 01:26:05,280

down so this this thing had to have been

2363

01:26:07,350 --> 01:26:06,320

short

2364

01:26:09,189 --> 01:26:07,360

and when i

2365

01:26:11,030 --> 01:26:09,199

what i first felt was like an energy

2366

01:26:13,669 --> 01:26:11,040

where it felt like my heart was being

2367

01:26:15,510 --> 01:26:13,679

pulled into my stomach almost like the a

2368

01:26:17,430 --> 01:26:15,520

g-force from a roller coaster if that's

2369

01:26:18,870 --> 01:26:17,440

what you'd call it that sort of

2370

01:26:21,030 --> 01:26:18,880

that's what i felt like but i was just

2371

01:26:23,750 --> 01:26:21,040

sitting there and when i opened my eye i

2372

01:26:25,910 --> 01:26:23,760

could see an eye this big this far from

2373

01:26:27,270 --> 01:26:25,920

my head and i've sort of taken a back

2374

01:26:29,990 --> 01:26:27,280

bite

2375

01:26:31,590 --> 01:26:30,000

and i could see scales all over this

2376

01:26:33,350 --> 01:26:31,600

massive eye

2377

01:26:35,669 --> 01:26:33,360

and i was just

2378

01:26:37,270 --> 01:26:35,679

it was the worst feeling

2379

01:26:39,350 --> 01:26:37,280

but then something kicked into my

2380

01:26:41,590 --> 01:26:39,360

consciousness to where i felt sorry for

2381

01:26:44,070 --> 01:26:41,600

this being if this is how it felt or if

2382

01:26:47,189 --> 01:26:44,080

it was generating that

2383

01:26:49,270 --> 01:26:47,199

and at that time it was almost how i was

2384

01:26:50,790 --> 01:26:49,280

responding it now is responding that way

2385

01:26:51,990 --> 01:26:50,800

and i had the upper hand where i was

2386

01:26:54,070 --> 01:26:52,000

calm

2387

01:26:56,149 --> 01:26:54,080

the only way i can describe it is that

2388

01:26:57,750 --> 01:26:56,159

this entity

2389

01:27:00,629 --> 01:26:57,760

it turned into smoke and just

2390

01:27:04,470 --> 01:27:02,870

like a ghost like that apparition sort

2391

01:27:06,470 --> 01:27:04,480

of

2392

01:27:07,990 --> 01:27:06,480

substance whatever you want to call it

2393

01:27:09,430 --> 01:27:08,000

is what happened and then it was gone

2394

01:27:11,990 --> 01:27:09,440

but the feeling was like the most

2395

01:27:12,790 --> 01:27:12,000

dreaded feeling i've ever had

2396

01:27:16,950 --> 01:27:12,800

wow

2397

01:27:19,110 --> 01:27:16,960

people say negative

2398

01:27:21,510 --> 01:27:19,120

i was uh i was on someone else's show

2399

01:27:24,310 --> 01:27:21,520

recently and you know they

2400

01:27:26,229 --> 01:27:24,320

they when i said it

2401
01:27:28,709 --> 01:27:26,239
you know they the question always comes

2402
01:27:31,110 --> 01:27:28,719
up of course it's kind of what our topic

2403
01:27:32,950 --> 01:27:31,120
is today and what do you think they are

2404
01:27:34,950 --> 01:27:32,960
what are they what do they want that

2405
01:27:37,110 --> 01:27:34,960
type of thing and i mentioned something

2406
01:27:38,310 --> 01:27:37,120
well whatever is going on

2407
01:27:40,950 --> 01:27:38,320
you know where

2408
01:27:42,790 --> 01:27:40,960
it's not harmful and they said well you

2409
01:27:44,229 --> 01:27:42,800
know what about brazil and you know

2410
01:27:46,390 --> 01:27:44,239
there's been a lot of

2411
01:27:48,629 --> 01:27:46,400
harmful things that have happened

2412
01:27:49,430 --> 01:27:48,639
over the years but for the most part

2413
01:27:51,750 --> 01:27:49,440

like

2414

01:27:53,669 --> 01:27:51,760

i've always thought whatever technology

2415

01:27:57,669 --> 01:27:53,679

it is they have to get here they could

2416

01:27:58,870 --> 01:27:57,679

do a lot more harm than they're doing

2417

01:28:01,189 --> 01:27:58,880

so

2418

01:28:03,189 --> 01:28:01,199

that like i've said if if they wanted

2419

01:28:05,270 --> 01:28:03,199

this gone we wouldn't be here lodging

2420

01:28:08,470 --> 01:28:05,280

that some of these beings have

2421

01:28:12,830 --> 01:28:08,480

uh but i think there is almost

2422

01:28:14,550 --> 01:28:12,840

a chain of evolution of consciousness

2423

01:28:16,470 --> 01:28:14,560

that

2424

01:28:17,990 --> 01:28:16,480

in a way the negative beings serve a

2425

01:28:20,390 --> 01:28:18,000

purpose that i look at things

2426

01:28:22,390 --> 01:28:20,400

consciously now in life now what i've

2427

01:28:23,669 --> 01:28:22,400

got to tell you i'm still young i'm 38

2428

01:28:25,990 --> 01:28:23,679

years old a lot of people think i'm a

2429

01:28:28,629 --> 01:28:26,000

lot older i'm 38.

2430

01:28:30,229 --> 01:28:28,639

i'm still a child in a way in many ways

2431

01:28:31,990 --> 01:28:30,239

i'm not putting myself down but what i

2432

01:28:33,910 --> 01:28:32,000

can tell you is

2433

01:28:35,750 --> 01:28:33,920

having years to reflect on this is

2434

01:28:37,669 --> 01:28:35,760

almost like even in life when something

2435

01:28:39,350 --> 01:28:37,679

negative happens to us

2436

01:28:41,030 --> 01:28:39,360

we either have an opportunity to learn

2437

01:28:42,950 --> 01:28:41,040

and grow from it and not repeat that

2438

01:28:45,430 --> 01:28:42,960

mistake if it was on our part or put

2439

01:28:46,950 --> 01:28:45,440

ourselves into a situation or we can

2440

01:28:48,629 --> 01:28:46,960

repeat it and we can

2441

01:28:50,070 --> 01:28:48,639

it's like albert einstein used to say he

2442

01:28:51,430 --> 01:28:50,080

can't afford to see the effect of you

2443

01:28:53,110 --> 01:28:51,440

can't solve a problem with the same

2444

01:28:54,149 --> 01:28:53,120

level of consciousness that created it

2445

01:28:55,590 --> 01:28:54,159

basically

2446

01:28:57,189 --> 01:28:55,600

but there is a point with the negative

2447

01:28:58,550 --> 01:28:57,199

experiences of what i call negative

2448

01:29:00,470 --> 01:28:58,560

entities

2449

01:29:03,270 --> 01:29:00,480

demonic iconic

2450

01:29:04,390 --> 01:29:03,280

um what i call lower light predominantly

2451

01:29:06,070 --> 01:29:04,400

because they're void of light and

2452

01:29:07,910 --> 01:29:06,080

they're distorted forms of energy when i

2453

01:29:10,149 --> 01:29:07,920

when i've experienced these energies at

2454

01:29:13,030 --> 01:29:10,159

the hierarchy or echelon of that this

2455

01:29:14,229 --> 01:29:13,040

this force in my opinion

2456

01:29:15,750 --> 01:29:14,239

that

2457

01:29:17,270 --> 01:29:15,760

it almost

2458

01:29:18,790 --> 01:29:17,280

shows you how you don't want to be or

2459

01:29:20,310 --> 01:29:18,800

how you don't want to experience things

2460

01:29:21,669 --> 01:29:20,320

so it shows you what you don't want and

2461

01:29:23,990 --> 01:29:21,679

then you can focus on what you do and

2462

01:29:26,470 --> 01:29:24,000

almost gives you an experience to raise

2463

01:29:27,590 --> 01:29:26,480

your level so you you reach a higher

2464

01:29:29,110 --> 01:29:27,600

state to where these things can no

2465

01:29:30,390 --> 01:29:29,120

longer affect you

2466

01:29:32,870 --> 01:29:30,400

it's something that took many years to

2467

01:29:34,790 --> 01:29:32,880

have that insight and guidance

2468

01:29:37,750 --> 01:29:34,800

and uh mary rodwell said something to me

2469

01:29:39,590 --> 01:29:37,760

very interesting years ago which was

2470

01:29:40,790 --> 01:29:39,600

she said pete if there's a parasitic

2471

01:29:43,910 --> 01:29:40,800

weed

2472

01:29:46,070 --> 01:29:43,920

and it sucks the life of off of a tree

2473

01:29:50,310 --> 01:29:46,080

is the weed really that bad if the only

2474

01:29:54,709 --> 01:29:52,950

so it's like a cup half empty cup half

2475

01:29:56,149 --> 01:29:54,719

full it depends on one's perspective in

2476

01:29:58,390 --> 01:29:56,159

the way that we want to perceive and

2477

01:29:59,510 --> 01:29:58,400

look at things in life

2478

01:30:01,990 --> 01:29:59,520

so

2479

01:30:03,110 --> 01:30:02,000

this the connections that you feel like

2480

01:30:06,070 --> 01:30:03,120

you've had

2481

01:30:09,030 --> 01:30:06,080

with whatever it is that they are are

2482

01:30:11,110 --> 01:30:09,040

they looking to connect

2483

01:30:12,390 --> 01:30:11,120

here are they purposely looking to

2484

01:30:17,910 --> 01:30:12,400

connect

2485

01:30:20,229 --> 01:30:17,920

well some of the ones that are

2486

01:30:22,709 --> 01:30:20,239

interacting with me is purposely to

2487

01:30:25,270 --> 01:30:22,719

connect with me

2488

01:30:27,510 --> 01:30:25,280

sometimes it isn't the case

2489

01:30:30,229 --> 01:30:27,520

but when we look at agendas

2490

01:30:32,470 --> 01:30:30,239

and how this unfolds i used this on an

2491

01:30:34,709 --> 01:30:32,480

another analogy with another podcast

2492

01:30:36,310 --> 01:30:34,719

recently with your genders

2493

01:30:37,750 --> 01:30:36,320

what i'll say to you is just imagine

2494

01:30:39,830 --> 01:30:37,760

you're in a car and you're on the

2495

01:30:43,430 --> 01:30:39,840

outskirts and you can see the city of

2496

01:30:47,189 --> 01:30:45,430

what's the agenda and motive of every

2497

01:30:49,030 --> 01:30:47,199

person in the city it's going to be

2498

01:30:52,950 --> 01:30:49,040

different

2499

01:30:57,830 --> 01:30:55,750

and is it is it out there i mean are

2500

01:30:59,750 --> 01:30:57,840

these we're not

2501
01:31:01,750 --> 01:30:59,760
we're not sharing the planet with these

2502
01:31:04,550 --> 01:31:01,760
things or are we or

2503
01:31:06,550 --> 01:31:04,560
do they pop in and out of i mean i'm

2504
01:31:08,709 --> 01:31:06,560
just trying to picture the whole

2505
01:31:10,629 --> 01:31:08,719
the whole theory here all right to get

2506
01:31:12,950 --> 01:31:10,639
to get into that and it's not to plug my

2507
01:31:15,590 --> 01:31:12,960
books but i've got five books to delve

2508
01:31:17,510 --> 01:31:15,600
into this i've got seven out

2509
01:31:19,910 --> 01:31:17,520
five books to delve into this that it is

2510
01:31:22,070 --> 01:31:19,920
so convoluted that it would take many

2511
01:31:23,669 --> 01:31:22,080
two hours two hour conversations just to

2512
01:31:25,430 --> 01:31:23,679
cover the groundwork but what i can tell

2513
01:31:28,390 --> 01:31:25,440

you is there are some ancient

2514

01:31:30,790 --> 01:31:28,400
civilizations that still reside here

2515

01:31:33,110 --> 01:31:30,800
inside certain areas where they've got

2516

01:31:35,030 --> 01:31:33,120
you'd call them bases but really

2517

01:31:35,750 --> 01:31:35,040
they're just ancient remnant or we call

2518

01:31:36,870 --> 01:31:35,760
them

2519

01:31:38,709 --> 01:31:36,880
ancient

2520

01:31:41,669 --> 01:31:38,719
civilizations but they've got facilities

2521

01:31:43,030 --> 01:31:41,679
within certain mountains and places

2522

01:31:44,870 --> 01:31:43,040
there are banks that are coming back

2523

01:31:47,110 --> 01:31:44,880
from the future

2524

01:31:48,790 --> 01:31:47,120
there are bangs from other star systems

2525

01:31:51,110 --> 01:31:48,800
and other galaxies and even other

2526

01:31:51,990 --> 01:31:51,120

complete different universes

2527

01:31:54,709 --> 01:31:52,000

and

2528

01:31:57,110 --> 01:31:54,719

there is predominantly what i call the

2529

01:31:59,990 --> 01:31:57,120

ninety percent the ninety percent of

2530

01:32:02,470 --> 01:32:00,000

realms that don't have planets and stars

2531

01:32:04,229 --> 01:32:02,480

when i've had when i have when i started

2532

01:32:05,750 --> 01:32:04,239

having these experiences it was more of

2533

01:32:07,350 --> 01:32:05,760

a physical thing

2534

01:32:08,550 --> 01:32:07,360

and it's very small percentage now

2535

01:32:10,550 --> 01:32:08,560

physical thing it used to be a lot

2536

01:32:12,950 --> 01:32:10,560

people had seen shiji one of the bangs i

2537

01:32:15,110 --> 01:32:12,960

interact with in other banks

2538

01:32:16,229 --> 01:32:15,120

but then there was this period years ago

2539

01:32:18,870 --> 01:32:16,239

where i started to go through these

2540

01:32:21,110 --> 01:32:18,880

experiences where they were

2541

01:32:22,790 --> 01:32:21,120

i was taken into high states of

2542

01:32:24,950 --> 01:32:22,800

consciousness to where

2543

01:32:27,590 --> 01:32:24,960

there's certain levels of other

2544

01:32:29,189 --> 01:32:27,600

realms that everybody's where

2545

01:32:31,030 --> 01:32:29,199

where in one frequency there's other

2546

01:32:32,709 --> 01:32:31,040

realms that could even be occupying the

2547

01:32:34,550 --> 01:32:32,719

same space as earth but it's a different

2548

01:32:36,550 --> 01:32:34,560

time or just a complete different

2549

01:32:38,229 --> 01:32:36,560

vibration realm

2550

01:32:40,470 --> 01:32:38,239

then you hit what i call the other 90

2551
01:32:41,910 --> 01:32:40,480
percent which are pure thought-form

2552
01:32:44,070 --> 01:32:41,920
realms

2553
01:32:45,990 --> 01:32:44,080
that there's no planets there's no stars

2554
01:32:47,590 --> 01:32:46,000
almost like realms of imagination is the

2555
01:32:49,270 --> 01:32:47,600
only way i can describe it and then you

2556
01:32:50,790 --> 01:32:49,280
hit what i call a realm that's like a

2557
01:32:52,790 --> 01:32:50,800
kaleidoscope

2558
01:32:54,790 --> 01:32:52,800
and i call this the angelic or celestial

2559
01:32:56,390 --> 01:32:54,800
realms or the angelic kingdom

2560
01:32:58,390 --> 01:32:56,400
to where there is all these different

2561
01:33:00,070 --> 01:32:58,400
forms of intelligence that can come and

2562
01:33:02,470 --> 01:33:00,080
go and almost like looks like you're

2563
01:33:03,830 --> 01:33:02,480

living in a living kaleidoscope this

2564

01:33:06,709 --> 01:33:03,840

everything's going fractal when you're

2565

01:33:08,550 --> 01:33:06,719

within it and you're a part of it

2566

01:33:10,149 --> 01:33:08,560

and then you hit this void and then

2567

01:33:12,229 --> 01:33:10,159

you're plugged into what i call source

2568

01:33:13,110 --> 01:33:12,239

god created these the the main i call it

2569

01:33:15,750 --> 01:33:13,120

it's like

2570

01:33:19,590 --> 01:33:15,760

i could even describe it as a samadhi

2571

01:33:21,189 --> 01:33:19,600

uh nevadac nirvana type state

2572

01:33:24,070 --> 01:33:21,199

but the way i describe it is that

2573

01:33:25,910 --> 01:33:24,080

there's the body computer cannot even

2574

01:33:27,270 --> 01:33:25,920

integrate what's going on at that state

2575

01:33:28,709 --> 01:33:27,280

of consciousness because you're in a

2576

01:33:30,070 --> 01:33:28,719

higher state of consciousness that part

2577

01:33:31,270 --> 01:33:30,080

of it can be filtering through to the

2578

01:33:32,790 --> 01:33:31,280

visions and that connected with the

2579

01:33:34,550 --> 01:33:32,800

human brain

2580

01:33:36,550 --> 01:33:34,560

but what's really going on is that

2581

01:33:38,870 --> 01:33:36,560

you're hitting such a high realm from

2582

01:33:40,470 --> 01:33:38,880

the spirit or soul part of you that

2583

01:33:42,229 --> 01:33:40,480

you're plugged into the mainframe of all

2584

01:33:43,750 --> 01:33:42,239

that is that that's the all-knowing part

2585

01:33:45,350 --> 01:33:43,760

you know everything that has ever will

2586

01:33:46,629 --> 01:33:45,360

happen you know everything but when you

2587

01:33:47,990 --> 01:33:46,639

come back to the body it's like all

2588

01:33:50,070 --> 01:33:48,000

these filters are put back on because

2589

01:33:52,229 --> 01:33:50,080

the human brain can't decode what you

2590

01:33:54,550 --> 01:33:52,239

experienced in that state and that's why

2591

01:33:56,870 --> 01:33:54,560

i say the extraterrestrials the very

2592

01:33:58,470 --> 01:33:56,880

bottom part of it including us because

2593

01:34:00,470 --> 01:33:58,480

they're trying to reach these higher

2594

01:34:01,910 --> 01:34:00,480

states of consciousness as well if

2595

01:34:02,950 --> 01:34:01,920

they're in a body they're trying to

2596

01:34:04,629 --> 01:34:02,960

reach the highest states of

2597

01:34:07,110 --> 01:34:04,639

consciousness where you're more in a

2598

01:34:09,350 --> 01:34:07,120

shapeless formless energetic

2599

01:34:12,310 --> 01:34:09,360

body is the only way i could describe it

2600

01:34:13,910 --> 01:34:12,320

no arms no legs you're just a a gaseous

2601
01:34:15,189 --> 01:34:13,920
plasma-ish

2602
01:34:16,629 --> 01:34:15,199
i don't even know if that's what it is

2603
01:34:19,590 --> 01:34:16,639
but the only way i can describe it it's

2604
01:34:22,070 --> 01:34:19,600
almost like shapeless formless energy

2605
01:34:24,629 --> 01:34:22,080
and that's what i believe is what is us

2606
01:34:26,950 --> 01:34:24,639
our true form that overlaps the body

2607
01:34:28,550 --> 01:34:26,960
when we come to incarnate even though

2608
01:34:29,590 --> 01:34:28,560
reincarnation's illusionary because the

2609
01:34:32,390 --> 01:34:29,600
way it's been shown to me is

2610
01:34:33,430 --> 01:34:32,400
everything's happening at once

2611
01:34:35,510 --> 01:34:33,440
yeah

2612
01:34:38,070 --> 01:34:35,520
this is a lot of this is way over my

2613
01:34:40,070 --> 01:34:38,080

head to to understand and and i i think

2614

01:34:44,070 --> 01:34:40,080

it will be for some of my listeners but

2615

01:34:46,790 --> 01:34:44,080

i i find it fascinating you know i mean

2616

01:34:49,189 --> 01:34:46,800

of course you know i mean we can't say

2617

01:34:52,149 --> 01:34:49,199

for sure any of these things

2618

01:34:53,750 --> 01:34:52,159

um you know i mean we have no way to say

2619

01:34:55,430 --> 01:34:53,760

100

2620

01:34:58,149 --> 01:34:55,440

that you're right or someone else is

2621

01:34:59,910 --> 01:34:58,159

right or you're wrong or you know

2622

01:35:02,070 --> 01:34:59,920

and so i i think it's it's very

2623

01:35:03,990 --> 01:35:02,080

fascinating this this whole this is why

2624

01:35:06,149 --> 01:35:04,000

i don't do much interviews anymore i

2625

01:35:07,430 --> 01:35:06,159

really don't because there's people i

2626

01:35:10,149 --> 01:35:07,440

can talk to about this and it's not

2627

01:35:11,750 --> 01:35:10,159

about being right or wrong

2628

01:35:13,990 --> 01:35:11,760

it's probably more about can it be

2629

01:35:16,870 --> 01:35:14,000

fathomed can it be can it's going to be

2630

01:35:18,310 --> 01:35:16,880

digestible right that's the hard thing

2631

01:35:19,910 --> 01:35:18,320

because like i say you're not going to

2632

01:35:21,669 --> 01:35:19,920

understand there's not no disrespect to

2633

01:35:23,189 --> 01:35:21,679

you or any of the listeners but a lot of

2634

01:35:24,550 --> 01:35:23,199

people just aren't going to get it

2635

01:35:25,510 --> 01:35:24,560

unless they've had an experience to do

2636

01:35:27,669 --> 01:35:25,520

with it

2637

01:35:29,270 --> 01:35:27,679

that may go right well maybe it was like

2638

01:35:30,790 --> 01:35:29,280

that could sound similar to what i've

2639

01:35:33,910 --> 01:35:30,800

experienced and that's why i do what i

2640

01:35:35,990 --> 01:35:33,920

do now is i i just want to help people

2641

01:35:38,550 --> 01:35:36,000

help themselves

2642

01:35:40,870 --> 01:35:38,560

find the truth in them not from me not

2643

01:35:43,350 --> 01:35:40,880

from you not from anyone else is is

2644

01:35:45,109 --> 01:35:43,360

something where you just

2645

01:35:47,510 --> 01:35:45,119

tell your story tell your experience

2646

01:35:49,910 --> 01:35:47,520

your insight your knowledge your wisdom

2647

01:35:52,470 --> 01:35:49,920

and everyone is a part of what's going

2648

01:35:53,990 --> 01:35:52,480

on but everyone's at a different

2649

01:35:55,669 --> 01:35:54,000

not even just a different level it's

2650

01:35:56,709 --> 01:35:55,679

just everyone has

2651

01:35:59,669 --> 01:35:56,719

are different so everyone brings

2652

01:36:03,030 --> 01:35:59,679

something different to the plate

2653

01:36:04,070 --> 01:36:03,040

so how was how would one open themselves

2654

01:36:04,870 --> 01:36:04,080

up

2655

01:36:09,270 --> 01:36:04,880

to

2656

01:36:11,590 --> 01:36:09,280

things i mean

2657

01:36:13,109 --> 01:36:11,600

it sounds like you worked on this for

2658

01:36:17,030 --> 01:36:13,119

years

2659

01:36:18,870 --> 01:36:17,040

and all i did was remote view or

2660

01:36:20,709 --> 01:36:18,880

meditate eight to twelve hours a day and

2661

01:36:23,270 --> 01:36:20,719

i still do that between an hour to four

2662

01:36:25,669 --> 01:36:23,280

hours a day now my practices that's it

2663

01:36:27,669 --> 01:36:25,679

that's where it led me i had to own it i

2664

01:36:29,270 --> 01:36:27,679

really had to own it because most of my

2665

01:36:30,310 --> 01:36:29,280

experiences starting out were physical

2666

01:36:31,430 --> 01:36:30,320

and then i started to get all this

2667

01:36:32,550 --> 01:36:31,440

non-physical stuff and i had to

2668

01:36:35,510 --> 01:36:32,560

backtrack

2669

01:36:38,149 --> 01:36:35,520

to understand how this worked for me

2670

01:36:42,709 --> 01:36:38,159

so

2671

01:36:43,750 --> 01:36:42,719

basically how would one open themselves

2672

01:36:44,470 --> 01:36:43,760

up

2673

01:36:48,229 --> 01:36:44,480

to

2674

01:36:50,470 --> 01:36:48,239

say

2675

01:36:52,149 --> 01:36:50,480

one thing is don't open yourself up to

2676
01:36:54,709 --> 01:36:52,159
anything and everything i've seen lives

2677
01:36:57,270 --> 01:36:54,719
ruined from that where we could say

2678
01:36:59,030 --> 01:36:57,280
demonic iconic negative

2679
01:37:01,270 --> 01:36:59,040
things can start to happen or people

2680
01:37:02,790 --> 01:37:01,280
experience no i'll tell you something i

2681
01:37:04,629 --> 01:37:02,800
know some of the people in the big ghost

2682
01:37:06,070 --> 01:37:04,639
hunting shows are on telly

2683
01:37:07,510 --> 01:37:06,080
what a lot of people aren't aware of

2684
01:37:08,709 --> 01:37:07,520
what they're doing before and after the

2685
01:37:11,350 --> 01:37:08,719
show is they're doing what we call a

2686
01:37:13,189 --> 01:37:11,360
clearing like a prayer intention

2687
01:37:15,030 --> 01:37:13,199
and they do that so when they go in

2688
01:37:17,669 --> 01:37:15,040

they've got some form of protection when

2689

01:37:19,189 --> 01:37:17,679

they leave nothing's following them home

2690

01:37:20,870 --> 01:37:19,199

so unfortunately a lot of people in this

2691

01:37:21,990 --> 01:37:20,880

community they go out for sky watches

2692

01:37:23,350 --> 01:37:22,000

and they're setting an intention and

2693

01:37:25,669 --> 01:37:23,360

they're opening up but they're opening

2694

01:37:27,910 --> 01:37:25,679

up to anything which in some cases

2695

01:37:29,430 --> 01:37:27,920

starts to cause uh

2696

01:37:31,270 --> 01:37:29,440

detrimental

2697

01:37:33,830 --> 01:37:31,280

experiences to happen in their life and

2698

01:37:36,310 --> 01:37:33,840

ramifications so i say one's the

2699

01:37:38,709 --> 01:37:36,320

intention of wanting to be open to the

2700

01:37:40,149 --> 01:37:38,719

experience two is making sure there's

2701

01:37:41,830 --> 01:37:40,159

what you'd be connected to on a soul

2702

01:37:43,910 --> 01:37:41,840

level or that is in line with the

2703

01:37:45,669 --> 01:37:43,920

awakening healing of humanity the earth

2704

01:37:47,830 --> 01:37:45,679

that's there for peaceful

2705

01:37:49,910 --> 01:37:47,840

for a peaceful experience to help us

2706

01:37:51,350 --> 01:37:49,920

learn more about us and them

2707

01:37:53,109 --> 01:37:51,360

and then it's all about being the

2708

01:37:55,270 --> 01:37:53,119

observer from that point it's nothing

2709

01:37:56,070 --> 01:37:55,280

that is that hard

2710

01:37:59,669 --> 01:37:56,080

but

2711

01:38:01,430 --> 01:37:59,679

sometimes patience is called for and

2712

01:38:02,870 --> 01:38:01,440

i know that some people expect you just

2713

01:38:04,229 --> 01:38:02,880

go out and it might happen straight away

2714

01:38:05,669 --> 01:38:04,239

and it doesn't a few times so they just

2715

01:38:07,189 --> 01:38:05,679

throw it out the baby with the bath

2716

01:38:08,870 --> 01:38:07,199

water and go that's it but sometimes it

2717

01:38:10,470 --> 01:38:08,880

might be to get into a meditative state

2718

01:38:12,790 --> 01:38:10,480

to relax your mind so you can be open to

2719

01:38:13,750 --> 01:38:12,800

perceiving these things that it seems to

2720

01:38:17,510 --> 01:38:13,760

be

2721

01:38:19,270 --> 01:38:17,520

your feelings and your emotions and

2722

01:38:20,950 --> 01:38:19,280

almost be the observer than a

2723

01:38:22,709 --> 01:38:20,960

reactionary mode that you can start to

2724

01:38:24,229 --> 01:38:22,719

experience things through just purely

2725

01:38:25,430 --> 01:38:24,239

being the observer

2726

01:38:27,030 --> 01:38:25,440

because i think what blocks a lot of

2727

01:38:28,709 --> 01:38:27,040

people out when they try to go into

2728

01:38:30,709 --> 01:38:28,719

these consciousness type of experiments

2729

01:38:32,390 --> 01:38:30,719

to see the crafts and what have you is

2730

01:38:34,070 --> 01:38:32,400

they're trying to control what they're

2731

01:38:35,510 --> 01:38:34,080

going to see when it's going to happen

2732

01:38:36,550 --> 01:38:35,520

how it's going to happen

2733

01:38:37,910 --> 01:38:36,560

where

2734

01:38:40,390 --> 01:38:37,920

it's not like

2735

01:38:42,149 --> 01:38:40,400

they're a dog on anyone's leash

2736

01:38:44,310 --> 01:38:42,159

but if you've reasoned to the occasion

2737

01:38:46,310 --> 01:38:44,320

and you're open to these types of

2738

01:38:48,550 --> 01:38:46,320

experiences with positive beings you

2739

01:38:49,990 --> 01:38:48,560

might be surprised what might come even

2740

01:38:53,189 --> 01:38:50,000

if you've got to sit there for some time

2741

01:38:55,030 --> 01:38:53,199

and wait for something to happen

2742

01:38:57,510 --> 01:38:55,040

there's been some crazy experiments i've

2743

01:38:58,790 --> 01:38:57,520

done where i had a scientist for the

2744

01:38:59,990 --> 01:38:58,800

australian government i won't go into

2745

01:39:02,629 --> 01:39:00,000

too much more detail because i don't

2746

01:39:03,510 --> 01:39:02,639

want to pinpoint it onto the person

2747

01:39:07,830 --> 01:39:03,520

and

2748

01:39:09,510 --> 01:39:07,840

said all we're going to do is we're just

2749

01:39:12,790 --> 01:39:09,520

going to stare at that tree

2750

01:39:15,350 --> 01:39:12,800

for five minutes so all we're gonna do

2751

01:39:17,430 --> 01:39:15,360

well within about two minutes

2752

01:39:20,229 --> 01:39:17,440

smoke came in

2753

01:39:22,790 --> 01:39:20,239

and an aboriginal

2754

01:39:27,270 --> 01:39:22,800

human australiano aboriginal manifested

2755

01:39:29,669 --> 01:39:27,280

wearing a red cloth around it and it had

2756

01:39:33,750 --> 01:39:31,590

four white dots

2757

01:39:37,189 --> 01:39:33,760

paint on the on the chest and the

2758

01:39:39,350 --> 01:39:37,199

stomach and two squiggly lines

2759

01:39:41,189 --> 01:39:39,360

down the middle and then a day material

2760

01:39:42,390 --> 01:39:41,199

it was there probably for like

2761

01:39:44,629 --> 01:39:42,400

a few seconds and then a day

2762

01:39:46,149 --> 01:39:44,639

materialized again

2763

01:39:48,709 --> 01:39:46,159

and he goes did you see that and i said

2764

01:39:49,990 --> 01:39:48,719

yeah and he goes what did you see and i

2765

01:39:52,790 --> 01:39:50,000

told him what i saw which i just

2766

01:39:55,109 --> 01:39:52,800

described and he's like what the hell

2767

01:39:56,870 --> 01:39:55,119

how does that work

2768

01:39:58,790 --> 01:39:56,880

and it was just the intention to do

2769

01:40:00,550 --> 01:39:58,800

we're in the middle of absolutely

2770

01:40:03,270 --> 01:40:00,560

nowhere

2771

01:40:05,109 --> 01:40:03,280

but we were open to experience it and

2772

01:40:06,550 --> 01:40:05,119

like i said don't control it all we're

2773

01:40:07,590 --> 01:40:06,560

going to do is stare at this tree it

2774

01:40:08,950 --> 01:40:07,600

could have been anything it could have

2775

01:40:10,310 --> 01:40:08,960

been a craft come it could have been an

2776

01:40:12,709 --> 01:40:10,320

orb it could have been

2777

01:40:14,149 --> 01:40:12,719

uh anything happen

2778

01:40:15,350 --> 01:40:14,159

um

2779

01:40:17,669 --> 01:40:15,360

and then another time we did an

2780

01:40:20,229 --> 01:40:17,679

intention experiment we actually had

2781

01:40:24,870 --> 01:40:20,239

i think seven of us there

2782

01:40:28,709 --> 01:40:24,880

and what was crazy was that we saw

2783

01:40:31,350 --> 01:40:28,719

a square it was like a rectangular craft

2784

01:40:33,350 --> 01:40:31,360

that was sharp on the edges

2785

01:40:36,709 --> 01:40:33,360

probably about nine foot long about a

2786

01:40:38,229 --> 01:40:36,719

foot high and it came out of gum trees

2787

01:40:40,790 --> 01:40:38,239

turned like that and it went straight

2788

01:40:42,390 --> 01:40:40,800

into the earth and everyone saw it and

2789

01:40:44,310 --> 01:40:42,400

what was weird is at that time were

2790

01:40:46,310 --> 01:40:44,320

walking to leave that area

2791

01:40:48,070 --> 01:40:46,320

and the person who had this big

2792

01:40:49,750 --> 01:40:48,080

spotlight torch

2793

01:40:52,070 --> 01:40:49,760

we all captured it because we saw it

2794

01:40:53,430 --> 01:40:52,080

happen while the short torch was shining

2795

01:40:54,470 --> 01:40:53,440

in that if we didn't have the torch out

2796

01:40:56,870 --> 01:40:54,480

we would have seen it because we were in

2797

01:40:58,709 --> 01:40:56,880

darkness but that was another intention

2798

01:41:00,709 --> 01:40:58,719

experiment where we've set the intention

2799

01:41:02,390 --> 01:41:00,719

for something to happen we saw a lot but

2800

01:41:05,030 --> 01:41:02,400

the main thing we saw was that and that

2801
01:41:07,109 --> 01:41:05,040
was when we were about to leave

2802
01:41:08,550 --> 01:41:07,119
so it's the intention is the key behind

2803
01:41:10,870 --> 01:41:08,560
it

2804
01:41:12,550 --> 01:41:10,880
well what about you mentioned remote

2805
01:41:16,830 --> 01:41:12,560
viewing quite a bit

2806
01:41:25,270 --> 01:41:20,629
experience well you see remote viewing

2807
01:41:27,189 --> 01:41:25,280
the way i i talk about it again is that

2808
01:41:29,189 --> 01:41:27,199
you've got to keep you got to kick your

2809
01:41:31,270 --> 01:41:29,199
human mind to the side

2810
01:41:32,790 --> 01:41:31,280
so anything that you doubt anything that

2811
01:41:35,109 --> 01:41:32,800
you second guess sometimes you can put

2812
01:41:36,070 --> 01:41:35,119
in an aol section which is analytical

2813
01:41:37,750 --> 01:41:36,080

mind

2814

01:41:39,350 --> 01:41:37,760

an abbreviation we could say what that

2815

01:41:40,709 --> 01:41:39,360

would mean just anything analytical

2816

01:41:42,709 --> 01:41:40,719

coming in you might be second guessing

2817

01:41:43,990 --> 01:41:42,719

it the human part sometimes that

2818

01:41:46,229 --> 01:41:44,000

information be right but what you're

2819

01:41:47,990 --> 01:41:46,239

really doing is

2820

01:41:49,430 --> 01:41:48,000

now i do free flow remote viewing which

2821

01:41:51,270 --> 01:41:49,440

is sort of my own technique that i came

2822

01:41:52,790 --> 01:41:51,280

up with but very much similar to a lot

2823

01:41:54,709 --> 01:41:52,800

of people that operate the way i do

2824

01:41:56,070 --> 01:41:54,719

where they're not using the paper

2825

01:41:58,229 --> 01:41:56,080

because usually you'll be given two

2826
01:42:00,470 --> 01:41:58,239
target or eight eight numbers which are

2827
01:42:03,030 --> 01:42:00,480
two sets of four digit numbers

2828
01:42:04,950 --> 01:42:03,040
you do an idiogram which is a squiggle

2829
01:42:06,629 --> 01:42:04,960
which is like the numbers represent the

2830
01:42:09,430 --> 01:42:06,639
target which in this case let's say it

2831
01:42:11,109 --> 01:42:09,440
was a soviet base that's on a photograph

2832
01:42:12,629 --> 01:42:11,119
with a line to it with the two sets of

2833
01:42:14,390 --> 01:42:12,639
four digit numbers

2834
01:42:16,470 --> 01:42:14,400
that's putting an envelope and it's

2835
01:42:18,229 --> 01:42:16,480
handed to somebody else

2836
01:42:20,310 --> 01:42:18,239
let's say the remote viewer all the

2837
01:42:22,229 --> 01:42:20,320
remote viewers got is those two sets to

2838
01:42:25,270 --> 01:42:22,239

four digit numbers which basically the

2839

01:42:27,109 --> 01:42:25,280

way i reckon it works is that because

2840

01:42:29,910 --> 01:42:27,119

the person has allocated those numbers

2841

01:42:31,350 --> 01:42:29,920

to the photograph now in the realm of

2842

01:42:32,470 --> 01:42:31,360

consciousness

2843

01:42:33,990 --> 01:42:32,480

those numbers that would have been

2844

01:42:35,430 --> 01:42:34,000

written down are allocated to that so

2845

01:42:37,590 --> 01:42:35,440

when it's given to this person if they

2846

01:42:39,430 --> 01:42:37,600

psychically work through remote viewing

2847

01:42:41,270 --> 01:42:39,440

they're linked to

2848

01:42:42,709 --> 01:42:41,280

the object in the photo i hope i'm

2849

01:42:44,310 --> 01:42:42,719

explaining this properly like just

2850

01:42:46,629 --> 01:42:44,320

that's digestible

2851

01:42:48,070 --> 01:42:46,639

but bottom story is after they do this

2852

01:42:50,550 --> 01:42:48,080

they write down the numbers and they do

2853

01:42:51,750 --> 01:42:50,560

a squiggle they start going through

2854

01:42:52,870 --> 01:42:51,760

textures

2855

01:42:54,950 --> 01:42:52,880

colors

2856

01:42:56,229 --> 01:42:54,960

dimensions basically you're going

2857

01:42:58,070 --> 01:42:56,239

through the five sense reality and

2858

01:42:59,910 --> 01:42:58,080

beyond of what you're perceiving now you

2859

01:43:01,590 --> 01:42:59,920

might not see anything

2860

01:43:04,229 --> 01:43:01,600

but you might intuitively draw out a

2861

01:43:06,550 --> 01:43:04,239

line but there was times where i started

2862

01:43:07,590 --> 01:43:06,560

out one day i drew what looked like a

2863

01:43:09,590 --> 01:43:07,600

kettle

2864

01:43:11,990 --> 01:43:09,600

and it was a light and i've drawn a line

2865

01:43:13,590 --> 01:43:12,000

to it and gone that's a red light

2866

01:43:14,950 --> 01:43:13,600

and my father opened up the target

2867

01:43:16,950 --> 01:43:14,960

because i was getting him to do targets

2868

01:43:18,310 --> 01:43:16,960

for me for a while and it was exactly

2869

01:43:19,590 --> 01:43:18,320

what i drew out it was a kettle with a

2870

01:43:20,310 --> 01:43:19,600

red light

2871

01:43:22,709 --> 01:43:20,320

so

2872

01:43:25,270 --> 01:43:22,719

in a way remote viewing is working with

2873

01:43:26,310 --> 01:43:25,280

one's consciousness on how we perceive

2874

01:43:28,149 --> 01:43:26,320

things

2875

01:43:29,669 --> 01:43:28,159

it's a form of communication to find out

2876

01:43:30,950 --> 01:43:29,679

information but when you're using it to

2877

01:43:33,109 --> 01:43:30,960

actually really have real-time

2878

01:43:35,750 --> 01:43:33,119

communication you're not using the paper

2879

01:43:38,390 --> 01:43:35,760

or anything though some can do that

2880

01:43:40,149 --> 01:43:38,400

you're using not just your five senses

2881

01:43:43,109 --> 01:43:40,159

but your mind's eye your thoughts and

2882

01:43:45,350 --> 01:43:43,119

your feelings as extra senses

2883

01:43:47,030 --> 01:43:45,360

to go multi-dimensional to communicate

2884

01:43:48,950 --> 01:43:47,040

multi-dimensionally

2885

01:43:50,550 --> 01:43:48,960

so this is where i say the problem with

2886

01:43:52,229 --> 01:43:50,560

a lot of this is that

2887

01:43:54,470 --> 01:43:52,239

psychics and people that are developed

2888

01:43:56,950 --> 01:43:54,480

in these areas

2889

01:43:58,709 --> 01:43:56,960

they get information but really what's

2890

01:44:00,470 --> 01:43:58,719

happening is if they're not meeting them

2891

01:44:02,310 --> 01:44:00,480

halfway it's like the extraterrestrial

2892

01:44:04,390 --> 01:44:02,320

that or the spirit whatever is throwing

2893

01:44:05,830 --> 01:44:04,400

a jigsaw puzzle of information at them

2894

01:44:07,350 --> 01:44:05,840

that's coming at them multidimensionally

2895

01:44:08,790 --> 01:44:07,360

it's just bang

2896

01:44:10,149 --> 01:44:08,800

where if you're interfacing with them

2897

01:44:11,030 --> 01:44:10,159

and you can make them halfway and go

2898

01:44:12,950 --> 01:44:11,040

through a

2899

01:44:14,709 --> 01:44:12,960

question type of thing

2900

01:44:16,070 --> 01:44:14,719

what's happening is you're projecting

2901

01:44:17,590 --> 01:44:16,080

the thought what thoughts feelings

2902

01:44:18,870 --> 01:44:17,600

visions come back as an answer project

2903

01:44:20,550 --> 01:44:18,880

another thought what thoughts feelings

2904

01:44:22,390 --> 01:44:20,560

visions come back as an answer but

2905

01:44:24,470 --> 01:44:22,400

you're almost using a remote viewing

2906

01:44:27,189 --> 01:44:24,480

technique to do it in real time

2907

01:44:28,950 --> 01:44:27,199

um you could say almost like a

2908

01:44:29,990 --> 01:44:28,960

conversation but partly front loaded

2909

01:44:31,270 --> 01:44:30,000

because you're actually knowing or

2910

01:44:33,030 --> 01:44:31,280

you're seeing what you're interfacing

2911

01:44:35,030 --> 01:44:33,040

with in the form of that so

2912

01:44:37,189 --> 01:44:35,040

remote viewing is something that

2913

01:44:38,870 --> 01:44:37,199

is a very practical tool but at the same

2914

01:44:40,629 --> 01:44:38,880

time

2915

01:44:42,709 --> 01:44:40,639

the way that i'm communicating isn't

2916

01:44:44,390 --> 01:44:42,719

remote viewing remote viewing helped me

2917

01:44:46,709 --> 01:44:44,400

to get where i am to be able to use my

2918

01:44:48,950 --> 01:44:46,719

abilities in that way or to harness them

2919

01:44:51,270 --> 01:44:48,960

that i think we all have

2920

01:44:53,510 --> 01:44:51,280

because if i didn't do that meditation

2921

01:44:54,790 --> 01:44:53,520

for that number of years very intensely

2922

01:44:56,390 --> 01:44:54,800

i don't think i'd be where i am now

2923

01:44:58,550 --> 01:44:56,400

understanding what i know now which is

2924

01:45:00,470 --> 01:44:58,560

where extraterrestrial aspect and ufo

2925

01:45:03,270 --> 01:45:00,480

phenomenous child's play compared to

2926

01:45:05,669 --> 01:45:03,280

what it leads to it leads to a greater

2927

01:45:08,550 --> 01:45:05,679

understanding and sort of uh experience

2928

01:45:10,629 --> 01:45:08,560

of what we all are not just

2929

01:45:11,430 --> 01:45:10,639

are a part of but what our true nature

2930

01:45:13,430 --> 01:45:11,440

is

2931

01:45:15,270 --> 01:45:13,440

beside beyond the physical form of the

2932

01:45:17,990 --> 01:45:15,280

human experience

2933

01:45:19,750 --> 01:45:18,000

so but you've got to be really careful

2934

01:45:21,669 --> 01:45:19,760

there's remote viewers that are very

2935

01:45:24,390 --> 01:45:21,679

strongly remote viewers in the terms of

2936

01:45:25,830 --> 01:45:24,400

if you have somebody like um dr greer

2937

01:45:27,030 --> 01:45:25,840

for example he talks about remote

2938

01:45:28,950 --> 01:45:27,040

viewing

2939

01:45:31,189 --> 01:45:28,960

but he's doing it in a meditative type

2940

01:45:33,030 --> 01:45:31,199

state with groups

2941

01:45:34,790 --> 01:45:33,040

you have if you had somebody that will

2942

01:45:37,189 --> 01:45:34,800

part of the military remote viewing hear

2943

01:45:38,950 --> 01:45:37,199

that they go that's not remote viewing

2944

01:45:40,390 --> 01:45:38,960

they've staunchly that's not remote

2945

01:45:41,669 --> 01:45:40,400

viewing it's got to be done this way

2946

01:45:44,070 --> 01:45:41,679

that we're doing with project stargate

2947

01:45:45,830 --> 01:45:44,080

and the way that ed daims and um joseph

2948

01:45:47,109 --> 01:45:45,840

mcmonugal and all those guys it's got to

2949

01:45:48,550 --> 01:45:47,119

be done that way that's what remote

2950

01:45:49,590 --> 01:45:48,560

viewing is it can't be done this other

2951

01:45:51,109 --> 01:45:49,600

way

2952

01:45:53,430 --> 01:45:51,119

but i think what's happening is people

2953

01:45:55,030 --> 01:45:53,440

have been able to adapt to it to my what

2954

01:45:57,270 --> 01:45:55,040

i've got with my own technique which i

2955

01:45:58,310 --> 01:45:57,280

call flea free flowing remote viewing

2956

01:45:59,830 --> 01:45:58,320

where you're basically doing the

2957

01:46:01,990 --> 01:45:59,840

technique but you're using it to

2958

01:46:04,629 --> 01:46:02,000

interface not just with the bangs but to

2959

01:46:07,830 --> 01:46:04,639

even initiate it as well

2960

01:46:11,590 --> 01:46:07,840

interesting i remember hearing

2961

01:46:14,310 --> 01:46:11,600

lou aleszando saying that someone

2962

01:46:16,070 --> 01:46:14,320

that was involved in

2963

01:46:19,510 --> 01:46:16,080

the tsa

2964

01:46:21,510 --> 01:46:19,520

uh above his pay grade

2965

01:46:22,950 --> 01:46:21,520

claimed that he thought that things were

2966

01:46:24,830 --> 01:46:22,960

demonic

2967

01:46:28,950 --> 01:46:24,840

i just want to hear your reaction to

2968

01:46:30,790 --> 01:46:28,960

that kind what was demonic exactly ufos

2969

01:46:32,790 --> 01:46:30,800

were demonic

2970

01:46:34,070 --> 01:46:32,800

that was his that's what he told lou

2971

01:46:35,910 --> 01:46:34,080

alzondo

2972

01:46:37,830 --> 01:46:35,920

his thoughts

2973

01:46:40,470 --> 01:46:37,840

i can tell you personally demons don't

2974

01:46:42,390 --> 01:46:40,480

need a ufo most of these intelligences

2975

01:46:44,629 --> 01:46:42,400

don't even need a craft

2976

01:46:47,270 --> 01:46:44,639

no way at all they will they will just

2977

01:46:48,790 --> 01:46:47,280

appear they they can just appear that's

2978

01:46:49,750 --> 01:46:48,800

where they're dealing at so

2979

01:46:52,390 --> 01:46:49,760

that

2980

01:46:54,070 --> 01:46:52,400

might have negative intentions and

2981

01:46:56,390 --> 01:46:54,080

that's the way that he's perceived it

2982

01:46:58,390 --> 01:46:56,400

but angels and demons do exist my friend

2983

01:46:59,669 --> 01:46:58,400

and they do not need a craft

2984

01:47:02,310 --> 01:46:59,679

not at all

2985

01:47:03,350 --> 01:47:02,320

yeah so i i guess the question i have to

2986

01:47:05,189 --> 01:47:03,360

ask you

2987

01:47:06,950 --> 01:47:05,199

whatever these

2988

01:47:09,350 --> 01:47:06,960

things are

2989

01:47:11,430 --> 01:47:09,360

um are and they're you're saying that

2990

01:47:13,430 --> 01:47:11,440

some of them are not even you know a

2991

01:47:14,950 --> 01:47:13,440

physical form but

2992

01:47:19,430 --> 01:47:14,960

what do they want

2993

01:47:22,870 --> 01:47:20,629

well that's what i was saying before

2994

01:47:23,990 --> 01:47:22,880

it's like driving into la and seeing all

2995

01:47:26,950 --> 01:47:24,000

these different people and everyone's

2996

01:47:29,350 --> 01:47:26,960

got a different agenda but in my case

2997

01:47:31,590 --> 01:47:29,360

it's been a revelation of

2998

01:47:33,430 --> 01:47:31,600

who i am

2999

01:47:35,270 --> 01:47:33,440

what i'm here to experience in some way

3000

01:47:37,430 --> 01:47:35,280

that i've i find through the experiences

3001

01:47:39,590 --> 01:47:37,440

but it's really me finding that out and

3002

01:47:41,669 --> 01:47:39,600

also partly of what i'm a part of here

3003

01:47:43,430 --> 01:47:41,679

on earth with yourself and every single

3004

01:47:44,950 --> 01:47:43,440

being on this planet

3005

01:47:47,189 --> 01:47:44,960

that there is

3006

01:47:49,669 --> 01:47:47,199

a shift in consciousness a leap in

3007

01:47:51,270 --> 01:47:49,679

evolution going on and it's time to sort

3008

01:47:53,350 --> 01:47:51,280

of wake up to the full potential of what

3009

01:47:55,430 --> 01:47:53,360

we are these bangs aren't to be looked

3010

01:47:57,030 --> 01:47:55,440

up to this is the problem

3011

01:47:58,310 --> 01:47:57,040

you you either have one aspect where

3012

01:47:59,669 --> 01:47:58,320

people get into this and they get right

3013

01:48:00,950 --> 01:47:59,679

into the spiritual aspect and they think

3014

01:48:02,310 --> 01:48:00,960

that these these bangs are going to

3015

01:48:04,390 --> 01:48:02,320

solve all their problems or you go into

3016

01:48:06,149 --> 01:48:04,400

the other side and then

3017

01:48:07,430 --> 01:48:06,159

people don't want to acknowledge the the

3018

01:48:08,470 --> 01:48:07,440

consciousness aspect and you've got

3019

01:48:09,910 --> 01:48:08,480

another flip side to that where

3020

01:48:12,390 --> 01:48:09,920

everything's demonic

3021

01:48:13,270 --> 01:48:12,400

everything's negative

3022

01:48:14,550 --> 01:48:13,280

but

3023

01:48:16,470 --> 01:48:14,560

what i can tell you from my own

3024

01:48:18,790 --> 01:48:16,480

experience is there is a dark force out

3025

01:48:20,790 --> 01:48:18,800

there but there is also an amazing

3026

01:48:22,550 --> 01:48:20,800

loving force out there that loves us

3027

01:48:24,070 --> 01:48:22,560

more than anyone can possibly imagine

3028

01:48:25,430 --> 01:48:24,080

unless they've had these type of

3029

01:48:26,229 --> 01:48:25,440

experiences

3030

01:48:28,229 --> 01:48:26,239

and

3031

01:48:30,149 --> 01:48:28,239

what i say to people

3032

01:48:31,590 --> 01:48:30,159

is how you can gauge what's what is the

3033

01:48:33,109 --> 01:48:31,600

fruit of the information is the

3034

01:48:35,109 --> 01:48:33,119

information about you becoming a better

3035

01:48:36,470 --> 01:48:35,119

person being of service working on some

3036

01:48:37,750 --> 01:48:36,480

of the stuff that you may need to work

3037

01:48:39,669 --> 01:48:37,760

on yourself

3038

01:48:41,270 --> 01:48:39,679

is it the opposite of that or is it

3039

01:48:43,030 --> 01:48:41,280

nonsensical which would be the trickster

3040

01:48:45,830 --> 01:48:43,040

energy in the middle or as i said the

3041

01:48:47,270 --> 01:48:45,840

non the the opposite stuff would be the

3042

01:48:49,109 --> 01:48:47,280

dark stuff

3043

01:48:50,950 --> 01:48:49,119

and so that's where i look at the

3044

01:48:52,550 --> 01:48:50,960

information how's this helping me become

3045

01:48:54,629 --> 01:48:52,560

a better person how does it help me be

3046

01:48:56,790 --> 01:48:54,639

productive work on myself play my part

3047

01:48:58,070 --> 01:48:56,800

in humanity but at the same time they're

3048

01:49:00,149 --> 01:48:58,080

not going to solve our problems the

3049

01:49:01,590 --> 01:49:00,159

human race has to do this themselves to

3050

01:49:02,870 --> 01:49:01,600

realize what they're actually truly

3051

01:49:04,950 --> 01:49:02,880

capable of

3052

01:49:06,470 --> 01:49:04,960

and that's what that's why nothing's get

3053

01:49:08,470 --> 01:49:06,480

got fixed by the extraterrestrials

3054

01:49:10,870 --> 01:49:08,480

because it's not their place to do that

3055

01:49:13,430 --> 01:49:10,880

is for us to find that within us to rise

3056

01:49:16,870 --> 01:49:13,440

to the occasion to do it ourselves

3057

01:49:19,589 --> 01:49:16,880

right right i remember um listening to

3058

01:49:21,350 --> 01:49:19,599

uh now i've i've we had a case here in

3059

01:49:23,430 --> 01:49:21,360

maine uh we've got about four minutes

3060

01:49:25,750 --> 01:49:23,440

left to the show we had a case here in

3061

01:49:28,229 --> 01:49:25,760

maine where i live

3062

01:49:30,629 --> 01:49:28,239

and it's called the allagash incident

3063

01:49:31,350 --> 01:49:30,639

and there were four you've heard of it

3064

01:49:37,030 --> 01:49:31,360

yeah

3065

01:49:40,310 --> 01:49:37,040

uh jack uh i've interviewed jim

3066

01:49:42,629 --> 01:49:40,320

uh weiner and jack his twin brother

3067

01:49:44,950 --> 01:49:42,639

said that

3068

01:49:47,510 --> 01:49:44,960

you know the overall experience in all

3069

01:49:50,149 --> 01:49:47,520

these years have gone by and

3070

01:49:52,550 --> 01:49:50,159

and he's had things happen since then

3071

01:49:54,870 --> 01:49:52,560

and he said something pretty remarkable

3072

01:49:56,950 --> 01:49:54,880

he said it's about love

3073

01:49:59,109 --> 01:49:56,960

and you just mentioned that he said it's

3074

01:50:00,149 --> 01:49:59,119

about an incredible love

3075

01:50:03,510 --> 01:50:00,159

uh

3076

01:50:07,030 --> 01:50:03,520

that would give hope

3077

01:50:07,750 --> 01:50:07,040

to it it does it does like it's i think

3078

01:50:09,430 --> 01:50:07,760

it's

3079

01:50:11,669 --> 01:50:09,440

i think part of the human experience

3080

01:50:14,229 --> 01:50:11,679

from from my point of view is about not

3081

01:50:15,270 --> 01:50:14,239

just about love but learning

3082

01:50:17,189 --> 01:50:15,280

learning

3083

01:50:19,109 --> 01:50:17,199

from the experience in terms of why i

3084

01:50:20,629 --> 01:50:19,119

believe we're all experiencing this and

3085

01:50:22,149 --> 01:50:20,639

we have many experiences that we

3086

01:50:24,550 --> 01:50:22,159

experience in many other planets and

3087

01:50:26,229 --> 01:50:24,560

star systems galaxies and rules

3088

01:50:27,830 --> 01:50:26,239

is because we're all one consciousness

3089

01:50:29,510 --> 01:50:27,840

interacting with itself but we leave

3090

01:50:30,870 --> 01:50:29,520

that higher state to go and experience

3091

01:50:32,550 --> 01:50:30,880

and gain knowledge for the overall

3092

01:50:34,390 --> 01:50:32,560

collective and it has to be a different

3093

01:50:35,350 --> 01:50:34,400

experience for everyone

3094

01:50:36,950 --> 01:50:35,360

and

3095

01:50:38,629 --> 01:50:36,960

i think with the human experiences

3096

01:50:40,950 --> 01:50:38,639

learning things like love compassion

3097

01:50:43,109 --> 01:50:40,960

forgiveness non-judgment

3098

01:50:45,030 --> 01:50:43,119

in such a dense form that sort of

3099

01:50:46,310 --> 01:50:45,040

amplifies our soul growth because it's

3100

01:50:48,470 --> 01:50:46,320

almost like we're putting ourselves

3101
01:50:49,510 --> 01:50:48,480
through a testable test being here doing

3102
01:50:51,270 --> 01:50:49,520
this

3103
01:50:52,709 --> 01:50:51,280
i know that again i can't prove that to

3104
01:50:54,550 --> 01:50:52,719
anyone all i can tell you is that over

3105
01:50:57,589 --> 01:50:54,560
the years my experiences

3106
01:50:59,430 --> 01:50:57,599
that's the conclusion i've come to from

3107
01:51:01,430 --> 01:50:59,440
the messages the experiences the

3108
01:51:02,950 --> 01:51:01,440
knowledge and wisdom that i've sort of

3109
01:51:05,350 --> 01:51:02,960
gleaned through

3110
01:51:07,350 --> 01:51:05,360
having a life like this

3111
01:51:08,709 --> 01:51:07,360
interesting well we're just about out of

3112
01:51:10,790 --> 01:51:08,719
time can you

3113
01:51:11,830 --> 01:51:10,800

tell us when we'll be able to see this

3114

01:51:14,470 --> 01:51:11,840

movie

3115

01:51:17,189 --> 01:51:14,480

it's out right now it's on depending on

3116

01:51:19,669 --> 01:51:17,199

your country so i know that in the uk i

3117

01:51:20,870 --> 01:51:19,679

think canada and america is available on

3118

01:51:22,550 --> 01:51:20,880

amazon

3119

01:51:24,870 --> 01:51:22,560

um in other countries i might have to

3120

01:51:27,350 --> 01:51:24,880

just get it on vimeo at this time it's

3121

01:51:29,189 --> 01:51:27,360

also available on itunes

3122

01:51:30,390 --> 01:51:29,199

google play

3123

01:51:31,750 --> 01:51:30,400

um

3124

01:51:34,550 --> 01:51:31,760

yeah vimeo

3125

01:51:35,430 --> 01:51:34,560

voodoo a handful of other ones as well

3126

01:51:36,950 --> 01:51:35,440

so

3127

01:51:38,550 --> 01:51:36,960

it's pretty much yeah people can look

3128

01:51:41,109 --> 01:51:38,560

around and find it it's been out for

3129

01:51:42,870 --> 01:51:41,119

probably uh just over a month now oh i

3130

01:51:44,709 --> 01:51:42,880

didn't even know i would i would have

3131

01:51:46,709 --> 01:51:44,719

watched it ahead of the show if i known

3132

01:51:48,390 --> 01:51:46,719

i could have accessed it so you're

3133

01:51:51,910 --> 01:51:48,400

saying in the united states we can watch

3134

01:51:53,830 --> 01:51:51,920

it on amazon is that right yes

3135

01:51:56,229 --> 01:51:53,840

yeah you see this something that people

3136

01:51:58,229 --> 01:51:56,239

love or hate it's got it's got more five

3137

01:52:00,310 --> 01:51:58,239

stars than it has one stars i'll say

3138

01:52:03,750 --> 01:52:00,320

that but people either love it people

3139

01:52:06,550 --> 01:52:03,760

either hate it at why it's so good

3140

01:52:08,470 --> 01:52:06,560

all right okay peter thank you so much

3141

01:52:10,310 --> 01:52:08,480

i really appreciate it all right you

3142

01:52:11,830 --> 01:52:10,320

take care

3143

01:52:13,510 --> 01:52:11,840

all right everyone so that's it for the

3144

01:52:16,310 --> 01:52:13,520

show tonight thank you so much for

3145

01:52:18,550 --> 01:52:16,320

watching the links will be up on i'm

3146

01:52:20,550 --> 01:52:18,560

going to put those video links up in the

3147

01:52:22,470 --> 01:52:20,560

show notes so check them out there next

3148

01:52:24,790 --> 01:52:22,480

week we have kevin hale i think he's a

3149

01:52:26,550 --> 01:52:24,800

bit of a skeptic i don't really remember

3150

01:52:29,350 --> 01:52:26,560

for sure but he's going to be on the

3151

01:52:32,790 --> 01:52:29,360

show next week so tune in on next

3152

01:52:34,310 --> 01:52:32,800

tuesday at six to eight pm eastern time

3153

01:52:36,630 --> 01:52:34,320

and thanks so much everyone and remember

3154

01:52:47,880 --> 01:52:36,640

to keep your eyes to the sky
