2
00:00:45,270 --> 00:00:41,670

a woman transported by a ufo in

3
00:00:46,790 --> 00:00:45,280

argentina by charles lear just weeks ago

4
00:00:49,270 --> 00:00:46,800

there was an intriguing incident

5
00:00:51,270 --> 00:00:49,280

reported in argentina involving a woman

6
00:00:53,750 --> 00:00:51,280

who went missing and was found a day

7
00:00:56,069 --> 00:00:53,760

later 65 kilometers from where she was

8
00:00:57,910 --> 00:00:56,079

seen last she had no memory of how she

9
00:01:00,869 --> 00:00:57,920

got there and local residents and

10
00:01:03,110 --> 00:01:00,879

argentinian officials were mystified the

11
00:01:05,590 --> 00:01:03,120

case aroused the interest of a local ufo

12
00:01:08,149 --> 00:01:05,600

researcher who noted a similarity to an

13
00:01:09,910 --> 00:01:08,159

earlier alien abduction case in the area

14

00:01:12,390 --> 00:01:09,920

the story first appeared on november

15

00:01:15,429 --> 00:01:12,400

17th in the pompous newspaper

16

00:01:19,270 --> 00:01:15,439

la arena in an article headlined buscan

17

00:01:21,190 --> 00:01:19,280

amaya cadesa baracio and jacinto arrayos

18

00:01:24,149 --> 00:01:21,200

looking for a woman that disappeared in

19

00:01:26,310 --> 00:01:24,159

jacinto arrios reports that police and

20

00:01:28,710 --> 00:01:26,320

volunteer firefighters were involved in

21

00:01:30,789 --> 00:01:28,720

an extensive search the night before for

22

00:01:33,030 --> 00:01:30,799

a woman in her 50s who had been reported

23

00:01:35,510 --> 00:01:33,040

missing by her husband a relative of the

24

00:01:36,950 --> 00:01:35,520

woman told la arena that several calls

25

00:01:38,789 --> 00:01:36,960

were made from the missing woman's

26
00:01:41,030 --> 00:01:38,799
mobile phone to her relatives and

27
00:01:43,030 --> 00:01:41,040
children but only the sound of wind was

28
00:01:45,030 --> 00:01:43,040
heard when they answered a follow-up

29
00:01:47,590 --> 00:01:45,040
article appears in the november 19th

30
00:01:51,190 --> 00:01:47,600
edition of la reina headlined el

31
00:01:53,910 --> 00:01:51,200
mysterio de la moyer de arreos e el caso

32
00:01:56,310 --> 00:01:53,920
platner the mystery of the woman of eras

33
00:01:58,230 --> 00:01:56,320
and the platner case after the first

34
00:02:00,230 --> 00:01:58,240
sentence reports that the woman had been

35
00:02:02,389 --> 00:02:00,240
found and was resting the second

36
00:02:05,749 --> 00:02:02,399
sentence announces that the renowned

37
00:02:07,990 --> 00:02:05,759
pompous ufologist oscar [h__h] mario would

38
00:02:09,669 --> 00:02:08,000

be investigating the case and that he'd

39

00:02:12,710 --> 00:02:09,679

already interviewed relatives of the

40

00:02:15,190 --> 00:02:12,720

woman the woman was found in catrache a

41

00:02:17,430 --> 00:02:15,200

town in la pampa province argentina

42

00:02:20,550 --> 00:02:17,440

about 65 kilometers from the town of

43

00:02:22,949 --> 00:02:20,560

asito arreos she was found by a gatrache

44

00:02:25,110 --> 00:02:22,959

police patrol and taken to a hospital

45

00:02:27,510 --> 00:02:25,120

she was unable to speak and communicated

46

00:02:29,430 --> 00:02:27,520

by writing when she regained her speech

47

00:02:31,990 --> 00:02:29,440

she was able to tell what happened to

48

00:02:33,990 --> 00:02:32,000

her according to her she heard a noise

49

00:02:35,750 --> 00:02:34,000

she went outside where she saw a bright

50

00:02:38,949 --> 00:02:35,760

light and then she found herself in a

51
00:02:40,630 --> 00:02:38,959
new location as described by mario she

52
00:02:42,630 --> 00:02:40,640
said that she woke up sitting on the

53
00:02:45,030 --> 00:02:42,640
road that she had her cell phone in her

54
00:02:47,110 --> 00:02:45,040
hand looks for a signal and sends a

55
00:02:49,830 --> 00:02:47,120
photo of the place where she was because

56
00:02:52,630 --> 00:02:49,840
she knew the area of meridiano quinto de

57
00:02:54,630 --> 00:02:52,640
catrace that allowed them to find her

58
00:02:56,710 --> 00:02:54,640
according to mario the woman's shoes and

59
00:02:59,509 --> 00:02:56,720
clothes showed no signs that she'd

60
00:03:01,750 --> 00:02:59,519
walked so many kilometers she was obese

61
00:03:04,390 --> 00:03:01,760
and given her age it was odd that she

62
00:03:06,550 --> 00:03:04,400
showed no signs of fatigue as for

63
00:03:08,869 --> 00:03:06,560

possibly having been transported by a

64

00:03:11,430 --> 00:03:08,879

conventional vehicle police found no

65

00:03:13,430 --> 00:03:11,440

tracks in the area mario noted that she

66

00:03:16,070 --> 00:03:13,440

had a laceration on her temple and a

67

00:03:18,309 --> 00:03:16,080

headache according to the article mario

68

00:03:20,550 --> 00:03:18,319

called the area hot he is quoted as

69

00:03:22,869 --> 00:03:20,560

saying since 1980 i've been working

70

00:03:24,789 --> 00:03:22,879

there because at that time we found some

71

00:03:27,910 --> 00:03:24,799

very strange traces there were

72

00:03:30,550 --> 00:03:27,920

mutilations ufos and beings with red

73

00:03:33,509 --> 00:03:30,560

eyes he added that the woman's neighbors

74

00:03:36,070 --> 00:03:33,519

observed triangular objects flying over

75

00:03:38,550 --> 00:03:36,080

mario compared this case to a 1983

76
00:03:40,869 --> 00:03:38,560
abduction in the area reported by julio

77
00:03:42,470 --> 00:03:40,879
plattner mario pointed out that the

78
00:03:44,550 --> 00:03:42,480
difference between them was that

79
00:03:46,949 --> 00:03:44,560
plattner was able to consciously recall

80
00:03:49,149 --> 00:03:46,959
what happened to him platner's case was

81
00:03:52,309 --> 00:03:49,159
investigated by the organization

82
00:03:54,710 --> 00:03:52,319
investigacion vita extraterrestre which

83
00:03:57,429 --> 00:03:54,720
translates in english to alien life

84
00:04:00,149 --> 00:03:57,439
investigation his story starts with him

85
00:04:03,589 --> 00:04:00,159
leaving the ranch of antonio fisher at 7

86
00:04:05,670 --> 00:04:03,599
30 pm on august 9th after a day's work

87
00:04:07,670 --> 00:04:05,680
he got out of his pickup truck to open

88
00:04:09,589 --> 00:04:07,680

the gate and he was hit by a blinding

89

00:04:11,589 --> 00:04:09,599

light he then found himself in a

90

00:04:13,350 --> 00:04:11,599

spherical room and sitting in what

91

00:04:15,670 --> 00:04:13,360

reminded him of a dentist chair that

92

00:04:17,830 --> 00:04:15,680

seemed to be floating the walls were not

93

00:04:20,229 --> 00:04:17,840

smooth seemed to be covered with a beige

94

00:04:22,469 --> 00:04:20,239

fabric and there were opaque glass cases

95

00:04:24,629 --> 00:04:22,479

of a lighter beige color up against them

96

00:04:26,710 --> 00:04:24,639

the room was lit with white light but

97

00:04:28,870 --> 00:04:26,720

plattner couldn't see any source there

98

00:04:31,110 --> 00:04:28,880

were four creatures around him a male

99

00:04:33,030 --> 00:04:31,120

and female in front of him and a male on

100

00:04:35,189 --> 00:04:33,040

either side of him he wasn't sure if

101
00:04:37,030 --> 00:04:35,199
they were wearing uniforms or if it was

102
00:04:39,189 --> 00:04:37,040
their skin he was looking at but they

103
00:04:41,030 --> 00:04:39,199
were the same color as the walls he

104
00:04:43,350 --> 00:04:41,040
could however clearly make out that they

105
00:04:47,670 --> 00:04:43,360
were wearing boots he described them as

106
00:04:49,830 --> 00:04:47,680
being about 1.67 meters tall 5.47 feet

107
00:04:51,350 --> 00:04:49,840
and that they had five fingered hands he

108
00:04:53,350 --> 00:04:51,360
determined the height based on the

109
00:04:54,870 --> 00:04:53,360
height of a friend of his he was struck

110
00:04:56,870 --> 00:04:54,880
by their protruding eyes which he

111
00:04:59,189 --> 00:04:56,880
described as being large opaque and

112
00:05:01,189 --> 00:04:59,199
black he said the female had features

113
00:05:03,510 --> 00:05:01,199

like those of a human female and that

114

00:05:05,830 --> 00:05:03,520

she was more slender than the males the

115

00:05:08,310 --> 00:05:05,840

female came up to him as if gliding and

116

00:05:10,390 --> 00:05:08,320

put her right hand on his left hand he

117

00:05:12,710 --> 00:05:10,400

could see there was contact but had no

118

00:05:14,710 --> 00:05:12,720

sensation of being touched the male on

119

00:05:16,790 --> 00:05:14,720

the right placed his hand on platner's

120

00:05:18,950 --> 00:05:16,800

right shoulder and the male on the left

121

00:05:20,550 --> 00:05:18,960

produced a tube platner didn't know if

122

00:05:22,550 --> 00:05:20,560

the creature had been holding the tube

123

00:05:25,110 --> 00:05:22,560

the whole time or had gotten it from one

124

00:05:27,110 --> 00:05:25,120

of the cases part of the tube was rigid

125

00:05:29,189 --> 00:05:27,120

and this was placed on plattner's left

126

00:05:31,270 --> 00:05:29,199

wrist while the flexible part was used

127

00:05:32,870 --> 00:05:31,280

to draw blood from the crook of his arm

128

00:05:35,510 --> 00:05:32,880

he could see the blood flowing through

129

00:05:37,510 --> 00:05:35,520

the tube again he felt no sensation of

130

00:05:39,270 --> 00:05:37,520

contact by the hand on his shoulder the

131

00:05:41,510 --> 00:05:39,280

part of the tube on his wrist and the

132

00:05:43,590 --> 00:05:41,520

part taking blood he tried to touch the

133

00:05:45,830 --> 00:05:43,600

creature on his right and then to stand

134

00:05:48,070 --> 00:05:45,840

up both times he was blocked by an

135

00:05:50,790 --> 00:05:48,080

invisible force he was then told to

136

00:05:52,710 --> 00:05:50,800

stand up and was able to do so he went

137

00:05:54,870 --> 00:05:52,720

to walk and suddenly found himself in

138

00:05:57,350 --> 00:05:54,880

his truck he turned on the headlights

139

00:05:59,749 --> 00:05:57,360

and recognized that he was in an area 19

140

00:06:01,430 --> 00:05:59,759

kilometers away from the gate concerned

141

00:06:03,590 --> 00:06:01,440

that he'd left the gate open he felt

142

00:06:05,749 --> 00:06:03,600

obligated to drive back and close it

143

00:06:07,990 --> 00:06:05,759

before leaving however he noted that

144

00:06:10,469 --> 00:06:08,000

there was a scab on the crook of his arm

145

00:06:12,950 --> 00:06:10,479

as he drove off he wondered whether he'd

146

00:06:14,870 --> 00:06:12,960

had some sort of dream hallucination or

147

00:06:16,790 --> 00:06:14,880

if what he'd seem to have experienced

148

00:06:18,790 --> 00:06:16,800

actually happened when he got to the

149

00:06:20,950 --> 00:06:18,800

gate he saw that he'd indeed left it

150

00:06:23,029 --> 00:06:20,960

open and he closed it the next day

151
00:06:25,270 --> 00:06:23,039
platner returned to the gate and noted

152
00:06:28,790 --> 00:06:25,280
that his distinctive tire marks he had

153
00:06:30,790 --> 00:06:28,800
one bald tire abruptly ended 1.5 meters

154
00:06:33,350 --> 00:06:30,800
from the gate this was confirmed for

155
00:06:36,230 --> 00:06:33,360
investigators by fisher in addition

156
00:06:38,550 --> 00:06:36,240
platner's arm was examined by dr adolfo

157
00:06:40,309 --> 00:06:38,560
pizzaro and he found holes in the arm's

158
00:06:42,230 --> 00:06:40,319
crook that were smaller than those

159
00:06:44,790 --> 00:06:42,240
produced by needles he believed that

160
00:06:47,110 --> 00:06:44,800
blood had indeed been drawn whether the

161
00:06:48,870 --> 00:06:47,120
woman from jacinto arrias will be able

162
00:06:50,629 --> 00:06:48,880
to recall what happened to her during

163
00:06:52,710 --> 00:06:50,639

the period between her memory of seeing

164

00:06:55,510 --> 00:06:52,720

the light outside her house and finding

165

00:07:08,750 --> 00:06:55,520

herself in getrache time will tell if
