#486

1  
00:00:51,430 --> 00:00:23,160

[Music]

2  
00:00:56,069 --> 00:00:53,270

hi everyone welcome to the show this is

3  
00:00:57,990 --> 00:00:56,079

martin willis your host and for all of

4  
00:00:59,670 --> 00:00:58,000

those out there who celebrate christmas

5  
00:01:02,069 --> 00:00:59,680

it's coming up in a few days merry

6  
00:01:03,910 --> 00:01:02,079

christmas to you all

7  
00:01:05,910 --> 00:01:03,920

and uh we are running a show next week

8  
00:01:07,990 --> 00:01:05,920

too someone asked me if i'm running

9  
00:01:10,070 --> 00:01:08,000

christmas and new year's

10  
00:01:12,390 --> 00:01:10,080

week and yes to that we're running both

11  
00:01:13,750 --> 00:01:12,400

weeks and here our guest tonight is

12  
00:01:15,990 --> 00:01:13,760

jonathan

13  
00:01:17,190 --> 00:01:16,000

dover he's a veteran law enforcement

14

00:01:19,510 --> 00:01:17,200

officer

15

00:01:20,630 --> 00:01:19,520

he was also a navajo nation

16

00:01:21,510 --> 00:01:20,640

ranger

17

00:01:22,870 --> 00:01:21,520

and

18

00:01:26,070 --> 00:01:22,880

he did a lot of paranormal

19

00:01:27,670 --> 00:01:26,080

investigations in the last many years

20

00:01:29,990 --> 00:01:27,680

that involved all kinds of weird

21

00:01:33,270 --> 00:01:30,000

phenomenon so we may touch on some of

22

00:01:35,749 --> 00:01:33,280

those besides our usual topic of ufos

23

00:01:37,830 --> 00:01:35,759

speaking of other topics uh we will be

24

00:01:40,630 --> 00:01:37,840

running the everything else show

25

00:01:42,310 --> 00:01:40,640

randomly so if you'd like to

26  
00:01:43,990 --> 00:01:42,320  
find out when those shows are going to

27  
00:01:46,069 --> 00:01:44,000  
pop up they're going to be on youtube

28  
00:01:47,350 --> 00:01:46,079  
only so you want to subscribe to this

29  
00:01:49,429 --> 00:01:47,360  
channel and click the little

30  
00:01:50,870 --> 00:01:49,439  
notification button that's really the

31  
00:01:52,069 --> 00:01:50,880  
only way you're going to know about

32  
00:01:57,429 --> 00:01:52,079  
those

33  
00:01:59,749 --> 00:01:57,439  
on varying and top varying topics uh

34  
00:02:01,190 --> 00:01:59,759  
maybe some paranormal but all different

35  
00:02:03,270 --> 00:02:01,200  
types of topics

36  
00:02:04,789 --> 00:02:03,280  
just uh conversations about

37  
00:02:07,190 --> 00:02:04,799  
things that i personally find

38  
00:02:08,869 --> 00:02:07,200

interesting you may not but anyway if

39

00:02:10,630 --> 00:02:08,879

you want to again if you want to uh

40

00:02:13,430 --> 00:02:10,640

subscribe and click the notification

41

00:02:14,710 --> 00:02:13,440

bell you'll get those notices so we had

42

00:02:16,790 --> 00:02:14,720

trouble with our guest that's why we're

43

00:02:19,510 --> 00:02:16,800

a couple minutes late we had trouble uh

44

00:02:21,350 --> 00:02:19,520

getting him on video and audio so he's

45

00:02:22,630 --> 00:02:21,360

gonna be on the phone the entire

46

00:02:24,550 --> 00:02:22,640

time tonight

47

00:02:26,470 --> 00:02:24,560

with us that means that we will not be

48

00:02:28,229 --> 00:02:26,480

able to take calls unfortunately

49

00:02:30,710 --> 00:02:28,239

actually i do have a way to do that

50

00:02:32,710 --> 00:02:30,720

myself i got myself an extra number so i

51

00:02:34,229 --> 00:02:32,720

may try to do that tonight

52

00:02:36,229 --> 00:02:34,239

if possible if a lot of people are

53

00:02:38,150 --> 00:02:36,239

putting in the chat that they'd like to

54

00:02:40,390 --> 00:02:38,160

talk to him and ask him a question if

55

00:02:42,309 --> 00:02:40,400

you are going to ask a question in chat

56

00:02:44,229 --> 00:02:42,319

if you would put it in all caps so i do

57

00:02:46,070 --> 00:02:44,239

not miss it if it's an interesting

58

00:02:48,229 --> 00:02:46,080

question and the timing is right i will

59

00:02:50,869 --> 00:02:48,239

ask those questions you post

60

00:02:52,550 --> 00:02:50,879

uh our blog this week uh by charles lear

61

00:02:54,070 --> 00:02:52,560

i got to meet charles a couple days ago

62

00:02:57,270 --> 00:02:54,080

it was a lot of fun down in new york

63

00:03:00,149 --> 00:02:57,280

city and uh the blog that he wrote he

64

00:03:02,149 --> 00:03:00,159

wrote this week is a ufo and bigfoot

65

00:03:05,030 --> 00:03:02,159

like creatures in pennsylvania a lot of

66

00:03:07,750 --> 00:03:05,040

this has to do with uh past guests stan

67

00:03:09,750 --> 00:03:07,760

gordon who's been at it uh this

68

00:03:11,990 --> 00:03:09,760

investigating since he was young very

69

00:03:15,110 --> 00:03:12,000

young a very nice guy he's been on the

70

00:03:16,830 --> 00:03:15,120

show several times great blog so check

71

00:03:18,790 --> 00:03:16,840

that out over at

72

00:03:20,630 --> 00:03:18,800

podcastufo.com and while you're there if

73

00:03:22,470 --> 00:03:20,640

you'd like to support the show you'll

74

00:03:25,430 --> 00:03:22,480

see the link that says support the show

75

00:03:27,910 --> 00:03:25,440

how about that and that's on patreon for

76

00:03:29,589 --> 00:03:27,920

two or more dollars a month and we do

77

00:03:32,869 --> 00:03:29,599

appreciate every everyone that listens

78

00:03:34,550 --> 00:03:32,879

to the show and uh we do also appreciate

79

00:03:37,190 --> 00:03:34,560

all our supporters thanks so much we

80

00:03:39,830 --> 00:03:37,200

couldn't do this show without you

81

00:03:41,990 --> 00:03:39,840

so uh we are going to jump right in

82

00:03:43,509 --> 00:03:42,000

again thank you all for listening and i

83

00:03:45,509 --> 00:03:43,519

hope you have a wonderful christmas if

84

00:03:48,149 --> 00:03:45,519

you celebrate christmas have a wonderful

85

00:03:49,750 --> 00:03:48,159

safe and a great time and here we go

86

00:03:52,229 --> 00:03:49,760

with our guest jonathan welcome to the

87

00:03:55,910 --> 00:03:54,070

thank you there you are

88

00:03:58,630 --> 00:03:55,920

i almost panicked again because you were

89

00:04:01,030 --> 00:03:58,640

uh you were just not there earlier but

90

00:04:02,789 --> 00:04:01,040

um thank you so much for for uh coming

91

00:04:05,110 --> 00:04:02,799

on the show it was a pleasure to meet

92

00:04:08,390 --> 00:04:05,120

you out in arizona

93

00:04:10,470 --> 00:04:08,400

and uh so if you would uh can you i mean

94

00:04:12,710 --> 00:04:10,480

i think it's really fascinating that you

95

00:04:14,470 --> 00:04:12,720

probably had no idea that you were gonna

96

00:04:15,830 --> 00:04:14,480

get involved in these weird type of

97

00:04:17,830 --> 00:04:15,840

situations

98

00:04:21,110 --> 00:04:17,840

when you first got into law enforcement

99

00:04:26,550 --> 00:04:24,710

i i had no idea we uh although

100

00:04:28,230 --> 00:04:26,560

throughout my whole career

101  
00:04:29,510 --> 00:04:28,240  
like a lot of other law enforcement

102  
00:04:33,430 --> 00:04:29,520  
officers

103  
00:04:36,390 --> 00:04:33,440  
experienced cases of high strangeness

104  
00:04:38,390 --> 00:04:36,400  
ufo sightings and the like but back in

105  
00:04:40,950 --> 00:04:38,400  
those days you didn't say anything about

106  
00:04:42,870 --> 00:04:40,960  
it you just kept it to yourself because

107  
00:04:44,790 --> 00:04:42,880  
you didn't want to be ridiculed by the

108  
00:04:47,510 --> 00:04:44,800  
other officers

109  
00:04:48,710 --> 00:04:47,520  
so i'm actually not the only one but i

110  
00:04:53,189 --> 00:04:48,720  
am one of the

111  
00:04:55,350 --> 00:04:53,199  
one of the only two on the navajo that

112  
00:04:56,469 --> 00:04:55,360  
we were assigned to investigate these

113  
00:04:59,270 --> 00:04:56,479

cases

114

00:05:04,150 --> 00:04:59,280

so in in other words to put it uh in an

115

00:05:10,710 --> 00:05:06,710

now um from what i understand from what

116

00:05:13,270 --> 00:05:10,720

i've heard you say in the past is that

117

00:05:15,270 --> 00:05:13,280

uh regular police officers were sent out

118

00:05:17,909 --> 00:05:15,280

to investigate and they sort of there

119

00:05:19,749 --> 00:05:17,919

was sort of a ridicule thing going on

120

00:05:21,990 --> 00:05:19,759

um is that is that basically what

121

00:05:24,390 --> 00:05:22,000

happened

122

00:05:25,510 --> 00:05:24,400

well uh they wouldn't ridicule people

123

00:05:28,790 --> 00:05:25,520

outright

124

00:05:30,629 --> 00:05:28,800

but the cases were taken lightly and you

125

00:05:32,790 --> 00:05:30,639

have to understand that

126

00:05:35,590 --> 00:05:32,800

if somebody gets punched in the nose

127

00:05:37,830 --> 00:05:35,600

that takes precedence over

128

00:05:39,510 --> 00:05:37,840

uh there's a bigfoot in my backyard

129

00:05:40,950 --> 00:05:39,520

that's scaring me

130

00:05:43,189 --> 00:05:40,960

and so

131

00:05:45,189 --> 00:05:43,199

and they're not they're not equipped for

132

00:05:47,110 --> 00:05:45,199

that kind of investigation

133

00:05:49,670 --> 00:05:47,120

uh there's no

134

00:05:51,590 --> 00:05:49,680

uh within police agencies they have

135

00:05:53,670 --> 00:05:51,600

number systems

136

00:05:55,430 --> 00:05:53,680

so you're going to get a maybe a four

137

00:05:56,469 --> 00:05:55,440

digit number to describe what you're

138

00:05:57,670 --> 00:05:56,479

doing

139

00:06:00,070 --> 00:05:57,680

and for

140

00:06:02,150 --> 00:06:00,080

bigfoot cases we would describe them in

141

00:06:04,790 --> 00:06:02,160

the the number series

142

00:06:05,749 --> 00:06:04,800

as a wild animal complaint

143

00:06:07,590 --> 00:06:05,759

ah

144

00:06:10,790 --> 00:06:07,600

wow because you just didn't have any

145

00:06:13,270 --> 00:06:10,800

place to file it basically right

146

00:06:15,670 --> 00:06:13,280

that's right and that's how the majority

147

00:06:16,870 --> 00:06:15,680

of agencies actually across the united

148

00:06:18,710 --> 00:06:16,880

states are

149

00:06:20,390 --> 00:06:18,720

there there's nothing in their system

150

00:06:22,950 --> 00:06:20,400

that allows for

151

00:06:23,830 --> 00:06:22,960

uh paranormal investigations

152

00:06:26,070 --> 00:06:23,840

right

153

00:06:27,830 --> 00:06:26,080

so before we get into all this just

154

00:06:29,909 --> 00:06:27,840

another

155

00:06:31,430 --> 00:06:29,919

uh thought you know comes to mind is the

156

00:06:35,830 --> 00:06:31,440

oral traditions

157

00:06:38,230 --> 00:06:35,840

of the navajo um the navajo people um

158

00:06:40,629 --> 00:06:38,240

over the years i i heard you also say

159

00:06:42,870 --> 00:06:40,639

that they had these oral histories were

160

00:06:45,350 --> 00:06:42,880

discounted because they were not written

161

00:06:48,230 --> 00:06:45,360

histories however the oral histories

162

00:06:50,070 --> 00:06:48,240

were very very carefully carried down

163

00:06:51,510 --> 00:06:50,080

from one generation to the next

164

00:06:52,790 --> 00:06:51,520

generation

165

00:06:55,189 --> 00:06:52,800

and that

166

00:06:56,629 --> 00:06:55,199

every word had to be spoken

167

00:06:59,510 --> 00:06:56,639

exactly

168

00:07:03,430 --> 00:06:59,520

the same or similar without any uh

169

00:07:05,510 --> 00:07:03,440

mix-ups is that is that how that worked

170

00:07:06,710 --> 00:07:05,520

uh yeah it's it's called an oral

171

00:07:10,710 --> 00:07:06,720

tradition

172

00:07:12,469 --> 00:07:10,720

and the navajo are very very

173

00:07:15,350 --> 00:07:12,479

rigid about

174

00:07:16,710 --> 00:07:15,360

maintaining those type of traditions so

175

00:07:19,270 --> 00:07:16,720

when we talk

176  
00:07:20,390 --> 00:07:19,280  
in navajo history about what happened in

177  
00:07:22,390 --> 00:07:20,400  
the past

178  
00:07:24,230 --> 00:07:22,400  
you're not allowed to embellish it and

179  
00:07:25,589 --> 00:07:24,240  
you're not allowed to leave anything out

180  
00:07:27,589 --> 00:07:25,599  
you have to

181  
00:07:29,510 --> 00:07:27,599  
say it exactly the way it was told to

182  
00:07:35,670 --> 00:07:29,520  
you

183  
00:07:38,629 --> 00:07:35,680  
necessarily navajo but i've heard of

184  
00:07:39,990 --> 00:07:38,639  
other people term as sky people was that

185  
00:07:43,510 --> 00:07:40,000  
ever part of

186  
00:07:49,270 --> 00:07:46,230  
uh navajo does have a definite

187  
00:07:50,150 --> 00:07:49,280  
connection to what we would loosely

188  
00:07:55,189 --> 00:07:50,160

uh

189

00:07:58,869 --> 00:07:55,199

long tradition in fact

190

00:08:01,110 --> 00:07:58,879

uh a lot of the uh yevichy dancers that

191

00:08:02,230 --> 00:08:01,120

you see are depictions

192

00:08:04,469 --> 00:08:02,240

of

193

00:08:05,990 --> 00:08:04,479

beings that have come to the earth

194

00:08:10,469 --> 00:08:06,000

to

195

00:08:14,390 --> 00:08:12,950

in what i do i do a lot of appraising

196

00:08:16,150 --> 00:08:14,400

and for

197

00:08:19,670 --> 00:08:16,160

you know any basically any personal

198

00:08:21,749 --> 00:08:19,680

property and a lot of the hopi um things

199

00:08:25,670 --> 00:08:21,759

are very interesting to me the kachina

200

00:08:28,150 --> 00:08:25,680

dolls and figures um and is i don't know

201  
00:08:29,749 --> 00:08:28,160  
what what the depictions are exactly and

202  
00:08:31,510 --> 00:08:29,759  
what the stories are that go with them

203  
00:08:34,230 --> 00:08:31,520  
but there's certainly some very

204  
00:08:38,310 --> 00:08:34,240  
interesting uh creatures that they

205  
00:08:44,389 --> 00:08:41,190  
uh yeah the most of the kachinas that

206  
00:08:46,230 --> 00:08:44,399  
you're referring to are depictions of of

207  
00:08:49,110 --> 00:08:46,240  
gods that have come to earth

208  
00:08:50,150 --> 00:08:49,120  
to uh meet with the hopi in in the hopi

209  
00:08:51,670 --> 00:08:50,160  
culture

210  
00:08:54,870 --> 00:08:51,680  
and um

211  
00:08:56,870 --> 00:08:54,880  
it seems like this is very universal

212  
00:08:58,310 --> 00:08:56,880  
amongst all indian tribes across the

213  
00:09:01,509 --> 00:08:58,320

united states

214

00:09:05,350 --> 00:09:01,519

uh today you're talking greater than 500

215

00:09:08,790 --> 00:09:05,360

around 570 recognized indian tribes

216

00:09:11,430 --> 00:09:08,800

uh just in the united states alone

217

00:09:13,750 --> 00:09:11,440

wow that's amazing and what um do you

218

00:09:14,790 --> 00:09:13,760

know what that is down from over the

219

00:09:18,630 --> 00:09:14,800

years

220

00:09:21,110 --> 00:09:18,640

of you know for instance any any idea of

221

00:09:25,509 --> 00:09:21,120

say when this country was

222

00:09:27,430 --> 00:09:25,519

kind of taken over by uh from england um

223

00:09:28,550 --> 00:09:27,440

you know when we landed here let's say

224

00:09:32,070 --> 00:09:28,560

200

225

00:09:34,630 --> 00:09:32,080

30 40 50 years ago uh um when we found

226

00:09:36,389 --> 00:09:34,640

it as a country i should say uh when

227

00:09:37,910 --> 00:09:36,399

when we uh the declaration of

228

00:09:39,430 --> 00:09:37,920

independence we were separate from

229

00:09:42,470 --> 00:09:39,440

england um

230

00:09:45,110 --> 00:09:42,480

is that way down from them or were there

231

00:09:46,230 --> 00:09:45,120

about that same many

232

00:09:48,470 --> 00:09:46,240

do you know

233

00:09:51,509 --> 00:09:48,480

uh they don't know the exact numbers but

234

00:09:54,150 --> 00:09:51,519

there's estimates that run anywhere from

235

00:09:55,110 --> 00:09:54,160

three thousand to five thousand separate

236

00:09:57,829 --> 00:09:55,120

tribes

237

00:10:00,310 --> 00:09:57,839

that were in the united states

238

00:10:02,870 --> 00:10:00,320

and uh wow and what's

239

00:10:05,590 --> 00:10:02,880

and and from a native perspective

240

00:10:08,310 --> 00:10:05,600

uh one of the reasons that we are not

241

00:10:09,829 --> 00:10:08,320

very distrustful of the government

242

00:10:13,110 --> 00:10:09,839

uh well we are actually really

243

00:10:16,150 --> 00:10:13,120

distrustful is that um

244

00:10:18,470 --> 00:10:16,160

over the period that columbus first came

245

00:10:20,710 --> 00:10:18,480

and they started writing treaties there

246

00:10:23,670 --> 00:10:20,720

have been over 6 000

247

00:10:25,670 --> 00:10:23,680

written treaties with indian tribes

248

00:10:26,630 --> 00:10:25,680

in the united states alone

249

00:10:29,670 --> 00:10:26,640

and

250

00:10:33,110 --> 00:10:29,680

out of all those 6 000 plus treaties not

251

00:10:34,710 --> 00:10:33,120

one was ever kept that's really sad

252

00:10:38,069 --> 00:10:34,720

that's really sad

253

00:10:40,230 --> 00:10:38,079

um yes i know uh i where i i grew up

254

00:10:43,110 --> 00:10:40,240

mostly in the state of maine

255

00:10:44,389 --> 00:10:43,120

and there was something some type of

256

00:10:46,870 --> 00:10:44,399

land grant

257

00:10:48,710 --> 00:10:46,880

that was found in the last i don't know

258

00:10:51,190 --> 00:10:48,720

40 or 50 years ago

259

00:10:52,790 --> 00:10:51,200

where basically all all of northern

260

00:10:54,870 --> 00:10:52,800

maine belonged to

261

00:10:55,750 --> 00:10:54,880

uh i think the mick max or some tribe up

262

00:11:01,750 --> 00:10:55,760

there

263

00:11:03,590 --> 00:11:01,760

a monetary exchange

264

00:11:05,509 --> 00:11:03,600

for that once again

265

00:11:09,030 --> 00:11:05,519

all these uh you know

266

00:11:11,430 --> 00:11:09,040

uh kind of miniscule monetary

267

00:11:12,949 --> 00:11:11,440

things to make up have never really uh

268

00:11:15,829 --> 00:11:12,959

really accounted for

269

00:11:16,790 --> 00:11:15,839

what what happened for sure

270

00:11:17,590 --> 00:11:16,800

yeah

271

00:11:23,030 --> 00:11:17,600

right

272

00:11:24,069 --> 00:11:23,040

the oral traditions

273

00:11:26,150 --> 00:11:24,079

um

274

00:11:27,190 --> 00:11:26,160

you say the sky gods

275

00:11:29,590 --> 00:11:27,200

um

276

00:11:31,750 --> 00:11:29,600

is it in was that also as far as you

277

00:11:34,150 --> 00:11:31,760

know was that other besides navajo was

278

00:11:36,150 --> 00:11:34,160

it the other kachina dolls was all the

279

00:11:38,790 --> 00:11:36,160

same thing i mean that that's kind of

280

00:11:40,829 --> 00:11:38,800

interesting if it was tribe to tribe a

281

00:11:44,310 --> 00:11:40,839

very similar

282

00:11:46,150 --> 00:11:44,320

thing uh yeah they there were um

283

00:11:49,030 --> 00:11:46,160

a lot of similarities

284

00:11:51,990 --> 00:11:49,040

in the tribes and in fact the navajos

285

00:11:54,150 --> 00:11:52,000

and the hopies uh often intermarried and

286

00:11:56,310 --> 00:11:54,160

spoke their their uh

287

00:11:57,350 --> 00:11:56,320

they spoke different languages but they

288

00:12:00,069 --> 00:11:57,360

were

289

00:12:01,750 --> 00:12:00,079

bilingual in those languages the hopies

290

00:12:03,190 --> 00:12:01,760

could speak navajo and navajos could

291

00:12:05,269 --> 00:12:03,200

speak hopi

292

00:12:08,790 --> 00:12:05,279

oh how about that

293

00:12:10,470 --> 00:12:08,800

so uh i know that you have had a lot of

294

00:12:12,790 --> 00:12:10,480

really strange things happen i don't

295

00:12:15,269 --> 00:12:12,800

know if you want to jump right in but i

296

00:12:17,990 --> 00:12:15,279

i would like to find out um basically

297

00:12:21,269 --> 00:12:18,000

what happened in the first the first

298

00:12:25,509 --> 00:12:21,279

call that you ever got from anyone where

299

00:12:31,509 --> 00:12:28,949

well the the first call that i got

300

00:12:33,509 --> 00:12:31,519

that me and stan worked on stan was my

301  
00:12:37,030 --> 00:12:33,519  
buddy during the time and and he's the

302  
00:12:42,470 --> 00:12:40,710  
we received a call

303  
00:12:44,790 --> 00:12:42,480  
uh well

304  
00:12:49,350 --> 00:12:44,800  
let me back up here the first call that

305  
00:12:52,790 --> 00:12:49,360  
was taken was involving a bigfoot case

306  
00:12:54,710 --> 00:12:52,800  
and this was up in the uh shiprock area

307  
00:12:57,910 --> 00:12:54,720  
shiprock new mexico

308  
00:13:00,230 --> 00:12:57,920  
and it's along the san juan river there

309  
00:13:01,030 --> 00:13:00,240  
in a place called bloomfield

310  
00:13:02,629 --> 00:13:01,040  
and

311  
00:13:03,590 --> 00:13:02,639  
there's a lot of farming communities

312  
00:13:05,350 --> 00:13:03,600  
there

313  
00:13:08,870 --> 00:13:05,360

the

314

00:13:11,829 --> 00:13:08,880

and

315

00:13:14,949 --> 00:13:11,839

we had over 30 witnesses that came

316

00:13:15,829 --> 00:13:14,959

forward to the local police department

317

00:13:17,910 --> 00:13:15,839

and

318

00:13:19,910 --> 00:13:17,920

said there's a bigfoot

319

00:13:20,629 --> 00:13:19,920

in this area we've seen it we've heard

320

00:13:21,590 --> 00:13:20,639

it

321

00:13:24,230 --> 00:13:21,600

and

322

00:13:25,030 --> 00:13:24,240

the police lieutenant there laughed at

323

00:13:27,430 --> 00:13:25,040

them

324

00:13:30,150 --> 00:13:27,440

and actually put in the papers i wonder

325

00:13:31,590 --> 00:13:30,160

how much these people have had to drink

326

00:13:33,430 --> 00:13:31,600

and

327

00:13:34,870 --> 00:13:33,440

so they didn't want anything to do with

328

00:13:36,870 --> 00:13:34,880

the police department

329

00:13:38,710 --> 00:13:36,880

they contacted

330

00:13:43,110 --> 00:13:38,720

the navajo rangers

331

00:13:45,509 --> 00:13:43,120

and we sent a six-person crew up there

332

00:13:47,189 --> 00:13:45,519

with night vision equipment ford lumke

333

00:13:49,990 --> 00:13:47,199

infrared systems

334

00:13:51,829 --> 00:13:50,000

and we stayed there for three days and

335

00:13:53,750 --> 00:13:51,839

two nights

336

00:13:56,150 --> 00:13:53,760

scouring the area

337

00:13:58,150 --> 00:13:56,160

on stakeout at night

338

00:14:01,269 --> 00:13:58,160

tracking and

339

00:14:03,350 --> 00:14:01,279

interviewing witnesses

340

00:14:05,910 --> 00:14:03,360

wow so you really took that seriously

341

00:14:07,829 --> 00:14:05,920

right away and and what what what

342

00:14:11,430 --> 00:14:07,839

happened what was what were the results

343

00:14:13,189 --> 00:14:12,310

we

344

00:14:15,030 --> 00:14:13,199

found

345

00:14:18,310 --> 00:14:15,040

foot track evidence

346

00:14:19,750 --> 00:14:18,320

we found evidence of in one case the the

347

00:14:22,629 --> 00:14:19,760

thing had stepped

348

00:14:23,509 --> 00:14:22,639

over a five strand barbed wire fence

349

00:14:26,310 --> 00:14:23,519

which

350

00:14:29,509 --> 00:14:26,320

sits about maybe five feet tall

351  
00:14:33,110 --> 00:14:29,519  
and it just stepped over it

352  
00:14:38,150 --> 00:14:36,150  
so we had we found hair evidence caught

353  
00:14:41,350 --> 00:14:38,160  
in the barbed wire

354  
00:14:43,350 --> 00:14:41,360  
the foot track evidence was about

355  
00:14:44,710 --> 00:14:43,360  
18 to 20 inches

356  
00:14:46,069 --> 00:14:44,720  
in length

357  
00:14:46,870 --> 00:14:46,079  
of the foot

358  
00:14:49,750 --> 00:14:46,880  
um

359  
00:14:51,350 --> 00:14:49,760  
the stride distances were five foot from

360  
00:14:55,189 --> 00:14:51,360  
heel to heel

361  
00:14:57,110 --> 00:14:55,199  
uh for me to do a five foot stride i

362  
00:15:00,710 --> 00:14:57,120  
would have to do the splits

363  
00:15:01,910 --> 00:15:00,720

yeah right and i can't do the split

364

00:15:03,110 --> 00:15:01,920

yeah

365

00:15:04,550 --> 00:15:03,120

and what about

366

00:15:07,110 --> 00:15:04,560

the imperfections

367

00:15:13,590 --> 00:15:09,590

oh so we we tracked this thing through

368

00:15:14,470 --> 00:15:13,600

the brush and um we even found places

369

00:15:18,230 --> 00:15:14,480

where

370

00:15:19,670 --> 00:15:18,240

there were marshy boggy areas that were

371

00:15:21,910 --> 00:15:19,680

had a

372

00:15:22,710 --> 00:15:21,920

maybe a half inch of water on the on the

373

00:15:24,310 --> 00:15:22,720

top

374

00:15:27,189 --> 00:15:24,320

and you could see where this thing had

375

00:15:29,670 --> 00:15:27,199

picked up big logs maybe 30 inches in

376

00:15:31,829 --> 00:15:29,680

diameter and just picked them pick these

377

00:15:32,949 --> 00:15:31,839

waterlogged things up and tossed them

378

00:15:35,910 --> 00:15:32,959

aside

379

00:15:38,389 --> 00:15:35,920

and the uh the guy that was with us that

380

00:15:40,550 --> 00:15:38,399

knew more about bigfoot

381

00:15:43,189 --> 00:15:40,560

actually told us that it was looking for

382

00:15:46,389 --> 00:15:43,199

grubs underneath the logs or some kind

383

00:15:49,110 --> 00:15:46,399

of food food source

384

00:15:51,030 --> 00:15:49,120

wow and what about the impressions were

385

00:15:52,150 --> 00:15:51,040

they deep enough or

386

00:15:54,069 --> 00:15:52,160

where it would look like it would have

387

00:15:56,710 --> 00:15:54,079

the weight of whatever would be that

388

00:16:01,829 --> 00:15:59,269

uh yeah yeah it did

389

00:16:04,550 --> 00:16:01,839

um and a lot of them were in sandy areas

390

00:16:06,430 --> 00:16:04,560

but we tracked it we got into the brush

391

00:16:09,670 --> 00:16:06,440

where the brush was so thick the

392

00:16:11,350 --> 00:16:09,680

tamarack uh russian olives and stuff

393

00:16:13,030 --> 00:16:11,360

that uh

394

00:16:14,550 --> 00:16:13,040

you couldn't even get through there on

395

00:16:16,629 --> 00:16:14,560

your hands and your knees

396

00:16:19,189 --> 00:16:16,639

and yet this thing just pushed through

397

00:16:22,949 --> 00:16:19,199

that stuff and and the material just

398

00:16:24,949 --> 00:16:22,959

came back and closed it up again so

399

00:16:27,509 --> 00:16:24,959

did would you say that whatever this

400

00:16:30,550 --> 00:16:27,519

thing was it it like like walked through

401  
00:16:33,590 --> 00:16:30,560  
the area and that was it it didn't there

402  
00:16:36,310 --> 00:16:33,600  
was no signs of it being or no um

403  
00:16:40,629 --> 00:16:36,320  
accounts of witnesses that said this

404  
00:16:44,949 --> 00:16:43,030  
uh we've had reports off and on

405  
00:16:47,749 --> 00:16:44,959  
throughout the years

406  
00:16:48,829 --> 00:16:47,759  
in fact one just recently

407  
00:16:52,710 --> 00:16:48,839  
that

408  
00:16:54,230 --> 00:16:52,720  
uh a group of bigfoot were coming into a

409  
00:16:56,870 --> 00:16:54,240  
field

410  
00:17:00,069 --> 00:16:56,880  
they were had corn planted there

411  
00:17:01,910 --> 00:17:00,079  
and the family uh would leave piles of

412  
00:17:05,110 --> 00:17:01,920  
corn

413  
00:17:07,590 --> 00:17:05,120

at the edge near the river for the

414

00:17:09,750 --> 00:17:07,600

bigfoot to come and and eat it

415

00:17:12,150 --> 00:17:09,760

kind of like an offering

416

00:17:15,189 --> 00:17:12,160

they said that after a while

417

00:17:17,270 --> 00:17:15,199

uh these bigfoot were chased away by a

418

00:17:19,990 --> 00:17:17,280

uh what they called an alpha bigfoot a

419

00:17:22,789 --> 00:17:20,000

male and

420

00:17:25,189 --> 00:17:22,799

chased these bigfoot away and then

421

00:17:27,829 --> 00:17:25,199

proceeded to kill two of their horses

422

00:17:30,150 --> 00:17:27,839

that were in the corral

423

00:17:31,510 --> 00:17:30,160

they ended up selling the third horse

424

00:17:33,110 --> 00:17:31,520

because

425

00:17:34,789 --> 00:17:33,120

they were afraid that that one was gonna

426

00:17:36,950 --> 00:17:34,799

get killed too

427

00:17:40,230 --> 00:17:36,960

and uh since then they haven't seen

428

00:17:42,390 --> 00:17:40,240

anything more on it but uh they they

429

00:17:44,470 --> 00:17:42,400

showed us the the area

430

00:17:47,110 --> 00:17:44,480

uh we're we're over there

431

00:17:48,870 --> 00:17:47,120

with the film crew looking at all that

432

00:17:50,789 --> 00:17:48,880

stuff

433

00:17:53,510 --> 00:17:50,799

wow wow and

434

00:17:57,990 --> 00:17:53,520

when the horses were killed

435

00:18:03,430 --> 00:18:01,029

they had scratch marks uh all large

436

00:18:05,270 --> 00:18:03,440

scratch marks from what the

437

00:18:07,830 --> 00:18:05,280

witnesses described

438

00:18:09,430 --> 00:18:07,840

and uh they said that it was it was

439

00:18:12,070 --> 00:18:09,440

pretty horrific

440

00:18:15,270 --> 00:18:12,080

uh they said early on when the other

441

00:18:16,230 --> 00:18:15,280

bigfoots were there they were friendly

442

00:18:17,590 --> 00:18:16,240

and

443

00:18:19,909 --> 00:18:17,600

they actually

444

00:18:21,990 --> 00:18:19,919

went to the horses and believe it or not

445

00:18:23,270 --> 00:18:22,000

they said that they would take the hair

446

00:18:25,830 --> 00:18:23,280

from the mane

447

00:18:26,630 --> 00:18:25,840

and braid it

448

00:18:28,630 --> 00:18:26,640

and

449

00:18:32,230 --> 00:18:28,640

i've never heard of that

450

00:18:33,990 --> 00:18:32,240

so um that that was interesting

451  
00:18:34,870 --> 00:18:34,000  
yeah another another

452  
00:18:36,630 --> 00:18:34,880  
another

453  
00:18:39,270 --> 00:18:36,640  
strange mystery

454  
00:18:40,710 --> 00:18:39,280  
in this whole thing so but there were

455  
00:18:43,590 --> 00:18:40,720  
um you know one of the reasons you're

456  
00:18:46,310 --> 00:18:43,600  
here is because there's also ufo

457  
00:18:47,990 --> 00:18:46,320  
happenings that you were involved in and

458  
00:18:50,870 --> 00:18:48,000  
and i've heard you you talk about them

459  
00:18:52,470 --> 00:18:50,880  
before um but i want to continue on if

460  
00:18:55,190 --> 00:18:52,480  
that's okay so

461  
00:18:57,190 --> 00:18:55,200  
uh with this case in particular i mean

462  
00:18:59,909 --> 00:18:57,200  
you really can't solve anything like

463  
00:19:02,390 --> 00:18:59,919

this because you can't you never found

464

00:19:04,630 --> 00:19:02,400

this creature but did you get the

465

00:19:08,870 --> 00:19:04,640

the first samples that you found in the

466

00:19:12,549 --> 00:19:11,510

uh we the the bigfoot expert that was

467

00:19:15,430 --> 00:19:12,559

with us

468

00:19:17,190 --> 00:19:15,440

sent it to a lab uh he never disclosed

469

00:19:19,350 --> 00:19:17,200

where the lab was for

470

00:19:22,150 --> 00:19:19,360

obvious reasons that the lab would be

471

00:19:25,110 --> 00:19:22,160

inited with uh with calls asking them

472

00:19:27,190 --> 00:19:25,120

their opinions and stuff so he sent it

473

00:19:29,830 --> 00:19:27,200

to a lab for analysis

474

00:19:31,029 --> 00:19:29,840

uh later on he told us that the analysis

475

00:19:35,270 --> 00:19:31,039

came back

476  
00:19:37,590 --> 00:19:35,280  
and all it said was unknown carnivore

477  
00:19:39,510 --> 00:19:37,600  
unknown carnivore

478  
00:19:42,070 --> 00:19:39,520  
boy you know a lot of times you've

479  
00:19:43,510 --> 00:19:42,080  
you've hear that people speculate

480  
00:19:45,990 --> 00:19:43,520  
whatever their

481  
00:19:48,710 --> 00:19:46,000  
bigfoot are that they're not they're

482  
00:19:50,070 --> 00:19:48,720  
they're more um you know omnivore but

483  
00:19:53,029 --> 00:19:50,080  
they're saying this was uh they thought

484  
00:19:55,830 --> 00:19:53,039  
it was carnivore that's pretty scary

485  
00:19:58,310 --> 00:19:55,840  
uh that's correct yeah yeah i mean you

486  
00:20:00,470 --> 00:19:58,320  
look at the ape family they're all

487  
00:20:02,870 --> 00:20:00,480  
omnivores you know they're they're not

488  
00:20:06,390 --> 00:20:02,880

not not one is a carnivore

489

00:20:07,909 --> 00:20:06,400

wow bizarre but any anyway um yeah you

490

00:20:09,669 --> 00:20:07,919

know i have been i've always had mixed

491

00:20:12,230 --> 00:20:09,679

feelings about

492

00:20:14,950 --> 00:20:12,240

bigfoot and i don't know why i just it

493

00:20:16,549 --> 00:20:14,960

seems like some things you know like i i

494

00:20:19,669 --> 00:20:16,559

know people are seeing ufos there's so

495

00:20:22,390 --> 00:20:19,679

much material um

496

00:20:25,669 --> 00:20:22,400

evidence and you know backed up

497

00:20:27,830 --> 00:20:25,679

data to to corroborate that but when it

498

00:20:29,669 --> 00:20:27,840

comes to bigfoot we

499

00:20:32,390 --> 00:20:29,679

seems like there's only one really

500

00:20:35,110 --> 00:20:32,400

interesting film the patterson

501  
00:20:37,430 --> 00:20:35,120  
gimbal film whatever it's called i i

502  
00:20:40,230 --> 00:20:37,440  
can't think of the name of it yeah um

503  
00:20:42,630 --> 00:20:40,240  
but you really don't it just seems like

504  
00:20:45,270 --> 00:20:42,640  
at this time if people are still seeing

505  
00:20:47,909 --> 00:20:45,280  
bigfoot we'd really get some conclusive

506  
00:20:48,789 --> 00:20:47,919  
i know i sound like a ufo debunker in a

507  
00:20:51,110 --> 00:20:48,799  
way

508  
00:20:54,149 --> 00:20:51,120  
but it seems like we'd see some video

509  
00:20:56,549 --> 00:20:54,159  
out there at this point in time of a

510  
00:20:58,470 --> 00:20:56,559  
bigfoot by now it just seems

511  
00:21:01,110 --> 00:20:58,480  
strange that we don't have anything that

512  
00:21:04,789 --> 00:21:01,120  
i know of unless you know different

513  
00:21:06,870 --> 00:21:04,799

well well me and stan have investigated

514

00:21:08,310 --> 00:21:06,880

a lot of bigfoot cases

515

00:21:11,669 --> 00:21:08,320

and um

516

00:21:13,430 --> 00:21:11,679

we've actually tracked bigfoot

517

00:21:16,230 --> 00:21:13,440

both me and stan are

518

00:21:17,270 --> 00:21:16,240

what you would consider combat trackers

519

00:21:18,149 --> 00:21:17,280

uh we

520

00:21:19,510 --> 00:21:18,159

track

521

00:21:21,909 --> 00:21:19,520

man

522

00:21:24,230 --> 00:21:21,919

uh when in the back country when

523

00:21:26,390 --> 00:21:24,240

somebody commits a crime and they're on

524

00:21:29,590 --> 00:21:26,400

the run uh we're the ones that go after

525

00:21:33,430 --> 00:21:29,600

them and and you you learn how to track

526

00:21:38,230 --> 00:21:35,909

to this day i do not

527

00:21:41,430 --> 00:21:38,240

do any deer hunting

528

00:21:45,669 --> 00:21:41,440

no small game hunting because man is by

529

00:21:46,789 --> 00:21:45,679

far the most interesting thing to hunt

530

00:21:49,750 --> 00:21:46,799

so

531

00:21:51,909 --> 00:21:49,760

what happens is we've tracked it

532

00:21:54,870 --> 00:21:51,919

for for miles

533

00:21:56,149 --> 00:21:54,880

and the tracks disappear in trackable

534

00:21:58,070 --> 00:21:56,159

ground

535

00:21:59,830 --> 00:21:58,080

so there's there's earth all around

536

00:22:00,870 --> 00:21:59,840

there if he would have taken another

537

00:22:03,270 --> 00:22:00,880

step

538

00:22:06,070 --> 00:22:03,280

he would have left a track

539

00:22:09,110 --> 00:22:06,080

and the tracks just suddenly stop

540

00:22:12,230 --> 00:22:09,120

as if he just got jerked into the sky

541

00:22:15,190 --> 00:22:12,240

we backtrack it the other direction

542

00:22:16,470 --> 00:22:15,200

and to see where he's coming from

543

00:22:18,630 --> 00:22:16,480

and

544

00:22:19,909 --> 00:22:18,640

we run into the same thing the tracks

545

00:22:22,390 --> 00:22:19,919

appear

546

00:22:23,350 --> 00:22:22,400

in trackable ground

547

00:22:25,510 --> 00:22:23,360

and

548

00:22:26,630 --> 00:22:25,520

it's just like he was just dropped there

549

00:22:28,549 --> 00:22:26,640

suddenly

550

00:22:31,110 --> 00:22:28,559

so

551  
00:22:33,350 --> 00:22:31,120  
we have a theory that we've uh

552  
00:22:35,830 --> 00:22:33,360  
we've come up with over a lot of years

553  
00:22:37,830 --> 00:22:35,840  
of doing paranormal cases

554  
00:22:40,710 --> 00:22:37,840  
uh of course we're just like everybody

555  
00:22:42,549 --> 00:22:40,720  
else we're looking at

556  
00:22:44,390 --> 00:22:42,559  
things that connect

557  
00:22:46,549 --> 00:22:44,400  
and the one thing that connects all of

558  
00:22:50,390 --> 00:22:46,559  
these cases hauntings

559  
00:22:55,350 --> 00:22:50,400  
ufos bigfoot even the navajo skinwalker

560  
00:22:56,630 --> 00:22:55,360  
is that this idea of multi-dimensions

561  
00:23:00,470 --> 00:22:56,640  
and

562  
00:23:06,070 --> 00:23:00,480  
being a pan-dimensional

563  
00:23:09,830 --> 00:23:08,230

even up in the pacific northwest they

564

00:23:11,750 --> 00:23:09,840

had a gentleman that

565

00:23:13,990 --> 00:23:11,760

was looking at a bigfoot that was

566

00:23:16,310 --> 00:23:14,000

crouched down near a tree and he said

567

00:23:19,909 --> 00:23:16,320

that this thing just vanished right in

568

00:23:23,909 --> 00:23:22,950

and then you have the skinwalker ranch

569

00:23:25,350 --> 00:23:23,919

um

570

00:23:27,510 --> 00:23:25,360

incident where

571

00:23:29,029 --> 00:23:27,520

a bigfoot was seen

572

00:23:31,830 --> 00:23:29,039

a hole appeared

573

00:23:32,630 --> 00:23:31,840

yes big time and there was a blue sky

574

00:23:34,789 --> 00:23:32,640

and

575

00:23:37,510 --> 00:23:34,799

came crawling through fell on the ground

576

00:23:40,070 --> 00:23:37,520

stood up and walked off that's right

577

00:23:41,990 --> 00:23:40,080

so great and that was that was witnessed

578

00:23:43,029 --> 00:23:42,000

by several people

579

00:23:44,230 --> 00:23:43,039

science

580

00:23:46,470 --> 00:23:44,240

scientists

581

00:23:48,830 --> 00:23:46,480

uh one of them uh that was just sitting

582

00:23:52,470 --> 00:23:48,840

there and observing that

583

00:23:53,909 --> 00:23:52,480

bizarre right right so we think that

584

00:23:55,990 --> 00:23:53,919

these things are

585

00:23:57,190 --> 00:23:56,000

appearing they're popping in and out of

586

00:24:00,149 --> 00:23:57,200

our dimension

587

00:24:02,789 --> 00:24:00,159

whether by accident or on purpose we

588

00:24:04,950 --> 00:24:02,799

have no idea and we we really can't

589

00:24:07,350 --> 00:24:04,960

speculate that direction

590

00:24:09,269 --> 00:24:07,360

but um

591

00:24:11,830 --> 00:24:09,279

if you know we have this idea of

592

00:24:14,390 --> 00:24:11,840

dimensions as these walled structures

593

00:24:16,549 --> 00:24:14,400

there's a wall here and a wall on the

594

00:24:18,230 --> 00:24:16,559

other side and

595

00:24:20,390 --> 00:24:18,240

you know we're in our dimension and the

596

00:24:22,630 --> 00:24:20,400

other dimensions are next to us

597

00:24:24,549 --> 00:24:22,640

um but these dimensions are actually

598

00:24:25,510 --> 00:24:24,559

overlapping

599

00:24:29,350 --> 00:24:25,520

and

600

00:24:30,950 --> 00:24:29,360

to me they're more like uh clouds that

601  
00:24:32,789 --> 00:24:30,960  
are intermixed

602  
00:24:34,789 --> 00:24:32,799  
and every now and then something can

603  
00:24:35,669 --> 00:24:34,799  
actually pop through

604  
00:24:38,149 --> 00:24:35,679  
and

605  
00:24:41,990 --> 00:24:38,159  
appear in our dimension uh

606  
00:24:43,990 --> 00:24:42,000  
we had a haunting case where coins were

607  
00:24:44,710 --> 00:24:44,000  
what they call a porting

608  
00:24:46,870 --> 00:24:44,720  
or

609  
00:24:48,149 --> 00:24:46,880  
appearing in our dimension and falling

610  
00:24:52,549 --> 00:24:48,159  
to the floor

611  
00:24:55,190 --> 00:24:52,559  
uh stan did a case where 65 coins over

612  
00:24:57,430 --> 00:24:55,200  
two days appeared

613  
00:24:59,190 --> 00:24:57,440

fell to the floor flew across the room

614

00:25:01,110 --> 00:24:59,200

hit people in the back

615

00:25:03,430 --> 00:25:01,120

and when they landed he had to

616

00:25:04,549 --> 00:25:03,440

photograph everyone and collect it as

617

00:25:05,990 --> 00:25:04,559

evidence

618

00:25:15,430 --> 00:25:06,000

and

619

00:25:17,510 --> 00:25:15,440

which is a statistical impossibility

620

00:25:19,510 --> 00:25:17,520

is that uh are these like an american

621

00:25:21,590 --> 00:25:19,520

coins international coins what were

622

00:25:25,430 --> 00:25:21,600

these

623

00:25:29,190 --> 00:25:25,440

were uh

624

00:25:31,909 --> 00:25:29,200

pennies nickels dimes quarters uh

625

00:25:34,070 --> 00:25:31,919

14 of them were wheat cent pennies oh

626  
00:25:35,350 --> 00:25:34,080  
yeah uh

627  
00:25:36,310 --> 00:25:35,360  
none of them

628  
00:25:37,750 --> 00:25:36,320  
uh

629  
00:25:41,190 --> 00:25:37,760  
you know i i need to go back through

630  
00:25:43,669 --> 00:25:41,200  
those wheat cents maybe there's a 1943

631  
00:25:45,590 --> 00:25:43,679  
um you know copper

632  
00:25:48,230 --> 00:25:45,600  
right when there were there were tank

633  
00:25:50,630 --> 00:25:48,240  
pennies then yeah

634  
00:25:53,430 --> 00:25:50,640  
yeah yeah they call them steel and steel

635  
00:25:54,830 --> 00:25:53,440  
pennies but they're zinc yeah

636  
00:25:59,669 --> 00:25:54,840  
wow

637  
00:26:02,230 --> 00:25:59,679  
um and stan had one that was a a two

638  
00:26:05,269 --> 00:26:02,240

taiwanese two u.n coin

639

00:26:07,110 --> 00:26:05,279

that fell in his kitchen

640

00:26:09,510 --> 00:26:07,120

that is so bizarre

641

00:26:10,870 --> 00:26:09,520

yeah uh one of the things about

642

00:26:13,830 --> 00:26:10,880

when

643

00:26:15,990 --> 00:26:13,840

people talk about that theory and i i

644

00:26:19,029 --> 00:26:16,000

hear it often you know when it comes to

645

00:26:20,470 --> 00:26:19,039

the ufo topic the possibility of the

646

00:26:22,710 --> 00:26:20,480

dimensions

647

00:26:23,510 --> 00:26:22,720

and but the thought i always have is

648

00:26:25,990 --> 00:26:23,520

well

649

00:26:28,070 --> 00:26:26,000

if that's the case are we going into and

650

00:26:29,669 --> 00:26:28,080

you know can we possibly

651  
00:26:31,830 --> 00:26:29,679  
slip into another

652  
00:26:32,950 --> 00:26:31,840  
dimension if they can slip into in and

653  
00:26:35,590 --> 00:26:32,960  
out of ours

654  
00:26:36,789 --> 00:26:35,600  
and something that seems primitive like

655  
00:26:38,470 --> 00:26:36,799  
a

656  
00:26:40,470 --> 00:26:38,480  
bigfoot not

657  
00:26:41,990 --> 00:26:40,480  
not knowingly highly intelligent i'm not

658  
00:26:43,830 --> 00:26:42,000  
sure i mean i've never had a

659  
00:26:46,789 --> 00:26:43,840  
conversation with one but

660  
00:26:48,470 --> 00:26:46,799  
anyway just the fact that uh you know i

661  
00:26:50,630 --> 00:26:48,480  
mean it's not like a machine or

662  
00:26:52,789 --> 00:26:50,640  
something like that or how it could

663  
00:26:54,710 --> 00:26:52,799

dip into this dimension

664

00:26:57,510 --> 00:26:54,720

so it's it's another you know big

665

00:26:59,029 --> 00:26:57,520

curiosity could we actually go into

666

00:27:01,669 --> 00:26:59,039

another dimension

667

00:27:03,830 --> 00:27:01,679

and if so how and how would something

668

00:27:07,350 --> 00:27:03,840

get back how would something come back

669

00:27:09,190 --> 00:27:07,360

if a bigfoot pops in comes through that

670

00:27:11,110 --> 00:27:09,200

that portal or whatever it came through

671

00:27:13,669 --> 00:27:11,120

on skinwalker ranch

672

00:27:15,350 --> 00:27:13,679

uh that was witnessed um how does it get

673

00:27:17,029 --> 00:27:15,360

back to where it came from you know all

674

00:27:18,710 --> 00:27:17,039

that stuff and how did this thing when

675

00:27:20,549 --> 00:27:18,720

you were tracking it how did it appear

676  
00:27:21,750 --> 00:27:20,559  
and then how did it disappear in another

677  
00:27:23,190 --> 00:27:21,760  
location

678  
00:27:25,510 --> 00:27:23,200  
it's strange

679  
00:27:28,389 --> 00:27:25,520  
yeah yeah

680  
00:27:30,389 --> 00:27:28,399  
so no answer is just speculation really

681  
00:27:32,310 --> 00:27:30,399  
right

682  
00:27:34,470 --> 00:27:32,320  
well yeah but we're gonna you know no

683  
00:27:35,909 --> 00:27:34,480  
matter what we're going to try to

684  
00:27:39,110 --> 00:27:35,919  
you know

685  
00:27:40,870 --> 00:27:39,120  
put it in a box that we can understand

686  
00:27:41,669 --> 00:27:40,880  
and that's that's what we do you know

687  
00:27:47,190 --> 00:27:41,679  
that's

688  
00:27:50,549 --> 00:27:47,200

to find why it happened

689

00:27:53,269 --> 00:27:50,559

not only why but how where when who

690

00:27:56,070 --> 00:27:53,279

uh you try to find out the answers

691

00:27:57,909 --> 00:27:56,080

and so this is something that you know

692

00:27:59,190 --> 00:27:57,919

you think about all the time

693

00:28:01,430 --> 00:27:59,200

wake up in the middle of the night at

694

00:28:03,350 --> 00:28:01,440

two in the morning and go yeah oh how

695

00:28:04,149 --> 00:28:03,360

about that you know that's a possibility

696

00:28:06,950 --> 00:28:04,159

too

697

00:28:09,269 --> 00:28:06,960

so you know you do

698

00:28:11,590 --> 00:28:09,279

just like any criminal investigator

699

00:28:12,950 --> 00:28:11,600

um you you think about these things a

700

00:28:15,990 --> 00:28:12,960

lot

701  
00:28:17,909 --> 00:28:16,000  
i bet i bet you do and

702  
00:28:19,750 --> 00:28:17,919  
like you just said when you can't sleep

703  
00:28:21,269 --> 00:28:19,760  
you think about things in the middle of

704  
00:28:23,430 --> 00:28:21,279  
the night but

705  
00:28:25,269 --> 00:28:23,440  
what about when you speak with other

706  
00:28:28,230 --> 00:28:25,279  
people that may help you with the

707  
00:28:30,070 --> 00:28:28,240  
investigation i mean is it

708  
00:28:32,070 --> 00:28:30,080  
i'm just going back again to the time

709  
00:28:33,669 --> 00:28:32,080  
when you're you're going through

710  
00:28:35,350 --> 00:28:33,679  
these uh

711  
00:28:37,029 --> 00:28:35,360  
looking at these tracks and you see them

712  
00:28:38,710 --> 00:28:37,039  
go into nothing and

713  
00:28:40,470 --> 00:28:38,720

then appear in another when you

714

00:28:41,430 --> 00:28:40,480

backtrack it see it appear all of a

715

00:28:43,510 --> 00:28:41,440

sudden

716

00:28:45,990 --> 00:28:43,520

you know what is your first thought i

717

00:28:48,789 --> 00:28:46,000

mean how can how can this happen i mean

718

00:28:50,710 --> 00:28:48,799

that that must be something that boggles

719

00:28:52,070 --> 00:28:50,720

people when you're in a group

720

00:28:56,470 --> 00:28:52,080

and you're looking at something like

721

00:29:01,110 --> 00:28:58,549

well we um

722

00:29:03,830 --> 00:29:01,120

you know we just accept it we

723

00:29:05,669 --> 00:29:03,840

we look around we we do what what they

724

00:29:07,990 --> 00:29:05,679

call cutting for sign

725

00:29:10,389 --> 00:29:08,000

uh which is usually working

726

00:29:11,669 --> 00:29:10,399

from the last track in a spiral

727

00:29:15,190 --> 00:29:11,679

uh of

728

00:29:17,110 --> 00:29:15,200

widening circles to see if you can see

729

00:29:19,269 --> 00:29:17,120

maybe

730

00:29:21,269 --> 00:29:19,279

it jumped and you're just not seeing the

731

00:29:23,350 --> 00:29:21,279

next track uh

732

00:29:25,430 --> 00:29:23,360

maybe it's rocky and you have to go

733

00:29:27,590 --> 00:29:25,440

further to pick up the next track where

734

00:29:29,430 --> 00:29:27,600

it went

735

00:29:31,830 --> 00:29:29,440

or maybe there's something a pebble in

736

00:29:33,510 --> 00:29:31,840

the ground that's pushed down

737

00:29:34,470 --> 00:29:33,520

you're looking for all kinds of little

738

00:29:35,350 --> 00:29:34,480

things

739

00:29:37,990 --> 00:29:35,360

and

740

00:29:39,430 --> 00:29:38,000

when you don't find that next track

741

00:29:41,269 --> 00:29:39,440

then it gets

742

00:29:43,110 --> 00:29:41,279

weird

743

00:29:45,190 --> 00:29:43,120

the other thing that we've noticed over

744

00:29:48,149 --> 00:29:45,200

a lot of years of doing this

745

00:29:50,870 --> 00:29:48,159

is that any time we had

746

00:29:54,149 --> 00:29:50,880

reports of bigfoot

747

00:29:56,070 --> 00:29:54,159

we had corresponding reports of ufo

748

00:29:57,510 --> 00:29:56,080

sightings that were increasing at the

749

00:30:01,269 --> 00:29:57,520

same time

750

00:30:03,190 --> 00:30:01,279

so we saw correlations between

751  
00:30:05,750 --> 00:30:03,200  
the sightings of bigfoot and ufo

752  
00:30:07,669 --> 00:30:05,760  
sightings in the same areas

753  
00:30:09,430 --> 00:30:07,679  
yeah i've heard that

754  
00:30:11,269 --> 00:30:09,440  
there's there's one

755  
00:30:14,149 --> 00:30:11,279  
there's one incredible story that a

756  
00:30:15,830 --> 00:30:14,159  
witness told one time where she saw

757  
00:30:18,549 --> 00:30:15,840  
this one is

758  
00:30:19,510 --> 00:30:18,559  
really uh uh one that's hard to hard to

759  
00:30:22,789 --> 00:30:19,520  
believe

760  
00:30:24,070 --> 00:30:22,799  
but it was like a large orange orb

761  
00:30:26,070 --> 00:30:24,080  
and it kind of popped and all of a

762  
00:30:28,149 --> 00:30:26,080  
sudden there was a bigfoot there

763  
00:30:30,710 --> 00:30:28,159

that's another i shouldn't be laughing

764

00:30:33,269 --> 00:30:30,720

that's another uh one that i've heard a

765

00:30:36,389 --> 00:30:33,279

witness talk about a question that comes

766

00:30:38,470 --> 00:30:36,399

up from mary grace is how do how

767

00:30:41,029 --> 00:30:38,480

do you investigate these things what

768

00:30:42,789 --> 00:30:41,039

avenue do you go down to

769

00:30:45,029 --> 00:30:42,799

and totally investigate something like

770

00:30:47,909 --> 00:30:46,710

okay uh

771

00:30:51,510 --> 00:30:47,919

the

772

00:30:52,950 --> 00:30:51,520

usually

773

00:30:55,350 --> 00:30:52,960

what would happen is we'd get it through

774

00:30:57,590 --> 00:30:55,360

our dispatch they would call in they

775

00:31:01,350 --> 00:30:57,600

talked to our dispatcher they'd assign

776

00:31:05,590 --> 00:31:03,669

what happens in our case is we would

777

00:31:09,190 --> 00:31:05,600

make arrangements to go

778

00:31:11,110 --> 00:31:09,200

speak directly with that person

779

00:31:13,350 --> 00:31:11,120

in the days of covet of course you're

780

00:31:14,950 --> 00:31:13,360

doing more and more phone interviews

781

00:31:16,830 --> 00:31:14,960

but

782

00:31:20,149 --> 00:31:16,840

we don't have good communication on the

783

00:31:22,389 --> 00:31:20,159

reservation in fact right now i'm i'm 50

784

00:31:25,190 --> 00:31:22,399

miles away from home in flagstaff

785

00:31:26,950 --> 00:31:25,200

arizona talking to you because i get

786

00:31:28,789 --> 00:31:26,960

good cell connection

787

00:31:29,909 --> 00:31:28,799

but apparently not good enough to get on

788

00:31:31,669 --> 00:31:29,919

the video

789

00:31:33,350 --> 00:31:31,679

so

790

00:31:36,070 --> 00:31:33,360

i appreciate that really that was very

791

00:31:39,110 --> 00:31:36,080

nice to do that

792

00:31:40,950 --> 00:31:39,120

what what we do is we

793

00:31:44,950 --> 00:31:40,960

interview the person now

794

00:31:47,029 --> 00:31:44,960

we start by looking at body language at

795

00:31:48,630 --> 00:31:47,039

micro expressions

796

00:31:51,269 --> 00:31:48,640

everything that you're doing in a

797

00:31:53,350 --> 00:31:51,279

criminal case we're

798

00:31:55,350 --> 00:31:53,360

replicating

799

00:31:57,430 --> 00:31:55,360

we're going to be asking you a lot of

800

00:31:58,549 --> 00:31:57,440

embarrassing questions

801  
00:32:01,669 --> 00:31:58,559  
such as

802  
00:32:04,070 --> 00:32:01,679  
do you use recreational drugs if you do

803  
00:32:05,350 --> 00:32:04,080  
when was the last time you used some

804  
00:32:07,590 --> 00:32:05,360  
have you

805  
00:32:09,269 --> 00:32:07,600  
do you use prescription medication and

806  
00:32:11,430 --> 00:32:09,279  
if so what kind of prescription

807  
00:32:13,110 --> 00:32:11,440  
medication and have you taken any

808  
00:32:15,909 --> 00:32:13,120  
recently

809  
00:32:17,430 --> 00:32:15,919  
you drink alcohol if you have when was

810  
00:32:18,310 --> 00:32:17,440  
your last drink

811  
00:32:21,029 --> 00:32:18,320  
we're

812  
00:32:23,190 --> 00:32:21,039  
going through this progression

813  
00:32:25,190 --> 00:32:23,200

of seeing where you are

814

00:32:26,470 --> 00:32:25,200

in your mental state

815

00:32:29,669 --> 00:32:26,480

and

816

00:32:31,669 --> 00:32:29,679

anything that could uh possibly

817

00:32:32,470 --> 00:32:31,679

impede your perception

818

00:32:35,350 --> 00:32:32,480

of

819

00:32:36,470 --> 00:32:35,360

what you may have saw

820

00:32:37,590 --> 00:32:36,480

from there

821

00:32:40,310 --> 00:32:37,600

uh

822

00:32:43,990 --> 00:32:40,320

we'll ask you to relate your story

823

00:32:46,549 --> 00:32:44,000

and we generally will not comment

824

00:32:49,190 --> 00:32:46,559

uh one person does the interview

825

00:32:50,950 --> 00:32:49,200

the other person if they uh if stan has

826

00:32:53,190 --> 00:32:50,960

questions and i'm talking

827

00:32:55,509 --> 00:32:53,200

uh he'll slip me a note

828

00:32:56,549 --> 00:32:55,519

uh saying ask this or how about this or

829

00:32:58,149 --> 00:32:56,559

whatever

830

00:33:00,230 --> 00:32:58,159

so um

831

00:33:02,470 --> 00:33:00,240

and if we can we were some of the first

832

00:33:05,190 --> 00:33:02,480

officers to have body cameras

833

00:33:07,430 --> 00:33:05,200

uh that were recording in video uh with

834

00:33:11,110 --> 00:33:07,440

a lot of our interviews

835

00:33:12,549 --> 00:33:11,120

so uh this was back in the in the early

836

00:33:14,310 --> 00:33:12,559

2000s

837

00:33:15,029 --> 00:33:14,320

before any departments were carrying

838

00:33:17,669 --> 00:33:15,039

them

839

00:33:21,110 --> 00:33:19,190

so you know

840

00:33:22,389 --> 00:33:21,120

i mean we were buying them off of ebay

841

00:33:25,350 --> 00:33:22,399

so they were

842

00:33:26,870 --> 00:33:25,360

not very good quality but you know we're

843

00:33:27,990 --> 00:33:26,880

more interested in getting the story

844

00:33:30,070 --> 00:33:28,000

correct

845

00:33:31,909 --> 00:33:30,080

um

846

00:33:34,470 --> 00:33:31,919

after that comes what they call

847

00:33:37,590 --> 00:33:34,480

ancillary subjective ancillary we would

848

00:33:40,389 --> 00:33:37,600

go back and ask them can you describe

849

00:33:42,470 --> 00:33:40,399

in more detail about this or about that

850

00:33:45,110 --> 00:33:42,480

or you said this can you elaborate on

851  
00:33:47,190 --> 00:33:45,120  
this you know you go back and forth and

852  
00:33:49,110 --> 00:33:47,200  
you're trying to

853  
00:33:51,190 --> 00:33:49,120  
be you know

854  
00:33:53,509 --> 00:33:51,200  
get as much detail about the

855  
00:33:54,789 --> 00:33:53,519  
investigations you can you're looking

856  
00:33:57,509 --> 00:33:54,799  
for evidence

857  
00:34:00,630 --> 00:33:57,519  
so anything that can be marked down or

858  
00:34:03,190 --> 00:34:00,640  
tagged as evidence is very important

859  
00:34:05,590 --> 00:34:03,200  
and we treat it just as any criminal

860  
00:34:07,669 --> 00:34:05,600  
case it has to be

861  
00:34:10,869 --> 00:34:07,679  
able to be

862  
00:34:11,669 --> 00:34:10,879  
presented in a court of law

863  
00:34:14,710 --> 00:34:11,679

and

864

00:34:16,710 --> 00:34:14,720

accepted by the court

865

00:34:19,430 --> 00:34:16,720

so that's how we go about doing this

866

00:34:22,389 --> 00:34:19,440

investigation we

867

00:34:25,510 --> 00:34:22,399

pretty much stay real thorough on them

868

00:34:27,750 --> 00:34:25,520

uh and then each case is uh

869

00:34:29,510 --> 00:34:27,760

put in a uh

870

00:34:32,310 --> 00:34:29,520

their reports are done

871

00:34:34,950 --> 00:34:32,320

and they're put in a computerized file

872

00:34:36,869 --> 00:34:34,960

and these files are locked up only the

873

00:34:38,790 --> 00:34:36,879

director of the department had access to

874

00:34:41,589 --> 00:34:38,800

them

875

00:34:45,190 --> 00:34:43,829

so are they always put in as inc

876  
00:34:47,669 --> 00:34:45,200  
inconclusive

877  
00:34:49,750 --> 00:34:47,679  
on these or did you ever have can you

878  
00:34:51,750 --> 00:34:49,760  
talk about any of them that you were

879  
00:34:54,389 --> 00:34:51,760  
ever able to figure out

880  
00:34:55,829 --> 00:34:54,399  
you know what happened and and it had

881  
00:34:57,190 --> 00:34:55,839  
nothing to do with what you thought it

882  
00:34:59,750 --> 00:34:57,200  
was

883  
00:35:01,430 --> 00:34:59,760  
um like oh sure yeah

884  
00:35:02,790 --> 00:35:01,440  
so let's talk a little bit about that

885  
00:35:11,990 --> 00:35:02,800  
yeah

886  
00:35:13,349 --> 00:35:12,000  
lights that come up over the horizon

887  
00:35:16,069 --> 00:35:13,359  
and they're

888  
00:35:18,390 --> 00:35:16,079

they're blinking and and

889

00:35:20,710 --> 00:35:18,400

moving around and and

890

00:35:22,069 --> 00:35:20,720

every evening at the same time in this

891

00:35:24,550 --> 00:35:22,079

direction

892

00:35:27,829 --> 00:35:24,560

and stan went out there

893

00:35:30,870 --> 00:35:27,839

and he set up a tripod he put his uh he

894

00:35:32,069 --> 00:35:30,880

had a night vision equipment

895

00:35:34,150 --> 00:35:32,079

he had a

896

00:35:36,069 --> 00:35:34,160

quad sheet of the area

897

00:35:37,109 --> 00:35:36,079

and a compass

898

00:35:39,750 --> 00:35:37,119

and

899

00:35:41,349 --> 00:35:39,760

what he did is uh we we you know he

900

00:35:42,710 --> 00:35:41,359

waited until dark

901  
00:35:44,870 --> 00:35:42,720  
and then sure enough here come the

902  
00:35:46,390 --> 00:35:44,880  
lights you know they all started rising

903  
00:35:48,870 --> 00:35:46,400  
from the horizon

904  
00:35:52,230 --> 00:35:48,880  
and uh they started blinking

905  
00:35:55,030 --> 00:35:52,240  
off and on you know in random deals

906  
00:35:58,950 --> 00:35:55,040  
and uh scan shot an azimuth with the

907  
00:36:01,109 --> 00:35:58,960  
compass he marked the azimuth on the map

908  
00:36:03,829 --> 00:36:01,119  
and it turned out that what the guy was

909  
00:36:06,150 --> 00:36:03,839  
seeing was a temperature inversion

910  
00:36:07,990 --> 00:36:06,160  
where you have a layer of hot air in a

911  
00:36:10,870 --> 00:36:08,000  
layer of cold air

912  
00:36:13,589 --> 00:36:10,880  
and what was happening is the lights

913  
00:36:15,990 --> 00:36:13,599

over the next ridge

914

00:36:18,390 --> 00:36:16,000

of a small community

915

00:36:20,950 --> 00:36:18,400

where because of that inversion were

916

00:36:22,230 --> 00:36:20,960

rising up like a mirage

917

00:36:25,109 --> 00:36:22,240

and

918

00:36:27,030 --> 00:36:25,119

because these lights were seen behind

919

00:36:29,750 --> 00:36:27,040

these uh

920

00:36:32,310 --> 00:36:29,760

pinyon juniper trees and the wind was

921

00:36:33,990 --> 00:36:32,320

blowing uh the trees were blowing and

922

00:36:35,670 --> 00:36:34,000

moving so it looked like the lights were

923

00:36:39,910 --> 00:36:35,680

blinking off and on

924

00:36:43,109 --> 00:36:39,920

yeah and so that was one case that uh

925

00:36:43,829 --> 00:36:43,119

that we we solved because of that

926  
00:36:46,550 --> 00:36:43,839  
yeah

927  
00:36:49,510 --> 00:36:46,560  
another case we we had

928  
00:36:49,520 --> 00:36:52,870  
was that

929  
00:37:00,630 --> 00:36:56,870  
we had we had a a lady that came back

930  
00:37:02,069 --> 00:37:00,640  
uh to her to her home

931  
00:37:05,270 --> 00:37:02,079  
and um

932  
00:37:06,069 --> 00:37:05,280  
she had lived uh in other states all her

933  
00:37:08,550 --> 00:37:06,079  
life

934  
00:37:11,030 --> 00:37:08,560  
but her mother had passed away

935  
00:37:13,510 --> 00:37:11,040  
and uh she

936  
00:37:16,390 --> 00:37:13,520  
was having visitations by

937  
00:37:18,150 --> 00:37:16,400  
uh what she determined were skin walkers

938  
00:37:20,550 --> 00:37:18,160

that were um

939

00:37:23,750 --> 00:37:20,560

and she was trying to fix up this hogan

940

00:37:26,550 --> 00:37:23,760

this little house uh eight-sided house

941

00:37:28,870 --> 00:37:26,560

that the navajos traditionally live in

942

00:37:30,870 --> 00:37:28,880

she's uh replacing the windows the

943

00:37:33,670 --> 00:37:30,880

door's not there just the roof is on the

944

00:37:36,550 --> 00:37:33,680

place and it's right on the ridgeline

945

00:37:38,069 --> 00:37:36,560

near a border town

946

00:37:39,349 --> 00:37:38,079

she called the

947

00:37:41,829 --> 00:37:39,359

county

948

00:37:45,030 --> 00:37:41,839

she called the state police she called

949

00:37:46,630 --> 00:37:45,040

the city she called navajo police nobody

950

00:37:48,310 --> 00:37:46,640

wanted to take her

951  
00:37:52,630 --> 00:37:48,320  
her call

952  
00:37:54,790 --> 00:37:52,640  
because she sounded like a crazy person

953  
00:37:57,430 --> 00:37:54,800  
so she called us and me and stan went

954  
00:38:01,030 --> 00:37:57,440  
over there and we started tracking

955  
00:38:03,829 --> 00:38:01,040  
we came up with at least six individuals

956  
00:38:06,550 --> 00:38:03,839  
uh now they were leaving little bundles

957  
00:38:08,310 --> 00:38:06,560  
of feathers and uh leather you know

958  
00:38:09,109 --> 00:38:08,320  
buckskin wrap stuff

959  
00:38:11,190 --> 00:38:09,119  
uh

960  
00:38:12,069 --> 00:38:11,200  
little bundles here and there

961  
00:38:13,829 --> 00:38:12,079  
uh

962  
00:38:15,990 --> 00:38:13,839  
making it look like something was trying

963  
00:38:17,430 --> 00:38:16,000

to curse her and drive her out

964

00:38:19,910 --> 00:38:17,440

what we determine

965

00:38:21,430 --> 00:38:19,920

uh we found a trail going down the back

966

00:38:23,349 --> 00:38:21,440

side of the ridge

967

00:38:25,030 --> 00:38:23,359

and you could see where all six of them

968

00:38:26,230 --> 00:38:25,040

were standing around talking with each

969

00:38:28,069 --> 00:38:26,240

other

970

00:38:30,630 --> 00:38:28,079

and what we determined

971

00:38:32,470 --> 00:38:30,640

was that these were the local drunks

972

00:38:34,870 --> 00:38:32,480

that had been using the mother's

973

00:38:38,230 --> 00:38:34,880

abandoned house for years

974

00:38:41,109 --> 00:38:38,240

as a crash pad to drink in town and then

975

00:38:43,109 --> 00:38:41,119

sleep it off at that location

976  
00:38:45,030 --> 00:38:43,119  
when she moved back and started fixing

977  
00:38:48,470 --> 00:38:45,040  
up the house they tried to scare her

978  
00:38:49,990 --> 00:38:48,480  
away so we told her that these are just

979  
00:38:51,430 --> 00:38:50,000  
the local drunks they're trying to

980  
00:38:52,710 --> 00:38:51,440  
they're navajo drunk so they're trying

981  
00:38:55,030 --> 00:38:52,720  
to scare you

982  
00:38:57,190 --> 00:38:55,040  
but you know don't don't worry about it

983  
00:38:58,310 --> 00:38:57,200  
there they can't hurt you

984  
00:38:59,750 --> 00:38:58,320  
and

985  
00:39:01,750 --> 00:38:59,760  
a month later

986  
00:39:03,349 --> 00:39:01,760  
our dispatcher got a phone call from the

987  
00:39:04,150 --> 00:39:03,359  
same lady

988  
00:39:06,310 --> 00:39:04,160

and

989

00:39:07,349 --> 00:39:06,320

she was in tears she was crying on the

990

00:39:09,670 --> 00:39:07,359

phone

991

00:39:11,670 --> 00:39:09,680

and she said that she called just

992

00:39:14,390 --> 00:39:11,680

because

993

00:39:17,589 --> 00:39:14,400

we had helped her and her house was all

994

00:39:19,670 --> 00:39:17,599

fixed and she has no more issues

995

00:39:21,109 --> 00:39:19,680

and she just wanted to call us and thank

996

00:39:23,109 --> 00:39:21,119

us

997

00:39:24,069 --> 00:39:23,119

wow isn't that nice well

998

00:39:27,349 --> 00:39:24,079

um

999

00:39:29,589 --> 00:39:27,359

yeah so i imagine you always have to you

1000

00:39:32,790 --> 00:39:29,599

know like anyone else especially with

1001  
00:39:34,710 --> 00:39:32,800  
your background you have to look for

1002  
00:39:36,630 --> 00:39:34,720  
you have to follow the facts and just

1003  
00:39:38,630 --> 00:39:36,640  
wherever they lead

1004  
00:39:40,390 --> 00:39:38,640  
and uh i'm sure there are a lot of

1005  
00:39:45,030 --> 00:39:40,400  
people that are just very scared at

1006  
00:39:51,270 --> 00:39:48,390  
we found out early on that

1007  
00:39:53,349 --> 00:39:51,280  
especially in hauntings if you allow

1008  
00:39:56,790 --> 00:39:53,359  
fear to come in

1009  
00:39:59,990 --> 00:39:56,800  
you actually lend it energy to manifest

1010  
00:40:01,589 --> 00:40:00,000  
more sure and um

1011  
00:40:03,589 --> 00:40:01,599  
so we would approach these things just

1012  
00:40:05,829 --> 00:40:03,599  
like going into

1013  
00:40:07,589 --> 00:40:05,839

a gunfight where you know bullets are

1014

00:40:09,510 --> 00:40:07,599

flying and things like that we've been

1015

00:40:11,750 --> 00:40:09,520

shot at numerous times

1016

00:40:13,910 --> 00:40:11,760

and you do what you have to do and then

1017

00:40:15,990 --> 00:40:13,920

later on you take a deep breath

1018

00:40:17,990 --> 00:40:16,000

and you go wow you know

1019

00:40:22,390 --> 00:40:18,000

now for both me and stan when we do

1020

00:40:27,750 --> 00:40:24,550

smoke ourselves afterwards

1021

00:40:30,790 --> 00:40:27,760

and and uh do our prayers and and you

1022

00:40:33,030 --> 00:40:30,800

know for cleansing and protection

1023

00:40:34,390 --> 00:40:33,040

now have you or stan

1024

00:40:38,550 --> 00:40:34,400

actually

1025

00:40:43,430 --> 00:40:40,790

uh both of us have

1026

00:40:47,349 --> 00:40:43,440

uh for for ufos yeah

1027

00:40:53,109 --> 00:40:47,359

can you talk yeah talk about that

1028

00:40:55,270 --> 00:40:53,990

and

1029

00:40:57,030 --> 00:40:55,280

i had just

1030

00:40:59,430 --> 00:40:57,040

left the tribe at the time and i was

1031

00:41:01,670 --> 00:40:59,440

working for the city of winslow arizona

1032

00:41:04,230 --> 00:41:01,680

police department and i was doing

1033

00:41:07,510 --> 00:41:04,240

graveyards

1034

00:41:09,190 --> 00:41:07,520

i was heading home with my uh

1035

00:41:10,630 --> 00:41:09,200

my then wife

1036

00:41:11,750 --> 00:41:10,640

um

1037

00:41:13,510 --> 00:41:11,760

and

1038

00:41:14,870 --> 00:41:13,520

we're on a dirt road on the middle of

1039

00:41:16,390 --> 00:41:14,880

nowhere

1040

00:41:18,309 --> 00:41:16,400

um

1041

00:41:20,510 --> 00:41:18,319

and i see

1042

00:41:22,870 --> 00:41:20,520

what looks like a large

1043

00:41:25,829 --> 00:41:22,880

cigar-shaped craft

1044

00:41:27,349 --> 00:41:25,839

uh flying from east to west toward

1045

00:41:29,589 --> 00:41:27,359

flagstaff

1046

00:41:31,270 --> 00:41:29,599

uh out in the middle of the desert

1047

00:41:33,910 --> 00:41:31,280

it's about uh

1048

00:41:36,630 --> 00:41:33,920

less than a quarter mile away from me

1049

00:41:38,870 --> 00:41:36,640

and what i notice is that it has a

1050

00:41:40,950 --> 00:41:38,880

bright light in the front of it

1051  
00:41:42,870 --> 00:41:40,960  
that's there's no marker lights on the

1052  
00:41:44,309 --> 00:41:42,880  
whole thing but there's a bright light

1053  
00:41:46,630 --> 00:41:44,319  
shining down

1054  
00:41:48,950 --> 00:41:46,640  
almost like a pencil beam

1055  
00:41:51,190 --> 00:41:48,960  
uh that's

1056  
00:41:54,309 --> 00:41:51,200  
how would you say coherent light

1057  
00:41:55,910 --> 00:41:54,319  
it's uh it's fine it's rigidly defined

1058  
00:41:58,710 --> 00:41:55,920  
along its edges

1059  
00:42:00,790 --> 00:41:58,720  
and um all the way to the ground

1060  
00:42:02,870 --> 00:42:00,800  
it's going about 15

1061  
00:42:06,470 --> 00:42:02,880  
20 miles an hour tops

1062  
00:42:10,950 --> 00:42:07,670  
now

1063  
00:42:12,630 --> 00:42:10,960

in those days x-files was real big on tv

1064

00:42:14,630 --> 00:42:12,640

so i remember getting out of i was

1065

00:42:15,750 --> 00:42:14,640

driving a volkswagen bug

1066

00:42:17,829 --> 00:42:15,760

and

1067

00:42:20,950 --> 00:42:17,839

i stopped the car turned off the engine

1068

00:42:23,030 --> 00:42:20,960

i looked at my time on my watch

1069

00:42:26,470 --> 00:42:23,040

and marked the time

1070

00:42:28,390 --> 00:42:26,480

and i got out and watched this thing

1071

00:42:30,150 --> 00:42:28,400

uh i think if it would have stopped i

1072

00:42:32,150 --> 00:42:30,160

would have walked up to it and asked if

1073

00:42:34,950 --> 00:42:32,160

i could get a ride

1074

00:42:37,589 --> 00:42:34,960

um i was so curious

1075

00:42:40,069 --> 00:42:37,599

and uh meanwhile my ex-wife was

1076  
00:42:42,230 --> 00:42:40,079  
screaming bloody murder get get in the

1077  
00:42:44,230 --> 00:42:42,240  
car get in the car you know

1078  
00:42:46,069 --> 00:42:44,240  
and um

1079  
00:42:49,109 --> 00:42:46,079  
i just i just watched it until it went

1080  
00:42:51,349 --> 00:42:49,119  
out of sight and this thing was had a

1081  
00:42:54,390 --> 00:42:51,359  
really really heavy noise

1082  
00:42:58,069 --> 00:42:54,400  
it was this heavy uh metallic

1083  
00:42:59,910 --> 00:42:58,079  
rum rum rum rum like that just just

1084  
00:43:01,829 --> 00:42:59,920  
really loud

1085  
00:43:04,870 --> 00:43:01,839  
and um

1086  
00:43:07,190 --> 00:43:04,880  
but but other than that it just drifted

1087  
00:43:09,349 --> 00:43:07,200  
uh toward toward the west

1088  
00:43:11,190 --> 00:43:09,359

uh toward a bunch of cinder cones that

1089

00:43:13,109 --> 00:43:11,200

are around flagstaff

1090

00:43:15,510 --> 00:43:13,119

and

1091

00:43:18,309 --> 00:43:15,520

i got back in the car started it back up

1092

00:43:20,150 --> 00:43:18,319

we went back to the house we lived at

1093

00:43:22,710 --> 00:43:20,160

the time out on the res so there's no

1094

00:43:24,550 --> 00:43:22,720

electricity there's no running water

1095

00:43:26,630 --> 00:43:24,560

and

1096

00:43:28,390 --> 00:43:26,640

as we pulled up to the house

1097

00:43:30,390 --> 00:43:28,400

a shooting star

1098

00:43:33,349 --> 00:43:30,400

flew across the sky

1099

00:43:36,230 --> 00:43:33,359

and i remember she said she says they're

1100

00:43:38,230 --> 00:43:36,240

coming back and she

1101  
00:43:39,510 --> 00:43:38,240  
the door flew open and she was inside

1102  
00:43:40,470 --> 00:43:39,520  
the house

1103  
00:43:44,630 --> 00:43:40,480  
and

1104  
00:43:48,790 --> 00:43:47,030  
years later i asked her

1105  
00:43:50,309 --> 00:43:48,800  
you know i ran into her and i said hey

1106  
00:43:51,670 --> 00:43:50,319  
do you remember that

1107  
00:43:53,829 --> 00:43:51,680  
what happened

1108  
00:43:58,470 --> 00:43:53,839  
and she looked me dead in the eye and

1109  
00:44:02,550 --> 00:44:00,150  
that's not enough i'm sure you probably

1110  
00:44:05,510 --> 00:44:02,560  
know that's not an uncommon

1111  
00:44:07,910 --> 00:44:05,520  
theme when it comes to this topic

1112  
00:44:09,829 --> 00:44:07,920  
a lot of people don't are just don't

1113  
00:44:12,309 --> 00:44:09,839

want to talk about it or or it never

1114

00:44:16,309 --> 00:44:13,349

yeah

1115

00:44:18,309 --> 00:44:16,319

so that was uh one of the first ones uh

1116

00:44:23,510 --> 00:44:18,319

from then i've seen discs

1117

00:44:25,030 --> 00:44:23,520

i've seen triangles i've seen orbs

1118

00:44:27,030 --> 00:44:25,040

me and stan were together we were

1119

00:44:30,550 --> 00:44:27,040

talking about

1120

00:44:32,870 --> 00:44:30,560

a case that i had worked on near loop

1121

00:44:35,910 --> 00:44:32,880

and i was pointing to a

1122

00:44:36,630 --> 00:44:35,920

cinder hill where this orb had come down

1123

00:44:38,390 --> 00:44:36,640

and

1124

00:44:40,630 --> 00:44:38,400

gone along the side of this girl that

1125

00:44:41,990 --> 00:44:40,640

was driving home late at night

1126  
00:44:43,589 --> 00:44:42,000  
and um

1127  
00:44:46,069 --> 00:44:43,599  
and then it shot in front of her and

1128  
00:44:48,390 --> 00:44:46,079  
then made a right angle turn

1129  
00:44:51,510 --> 00:44:48,400  
uh went up in the sky and shot across

1130  
00:44:53,349 --> 00:44:51,520  
the sky like a shooting star

1131  
00:44:55,829 --> 00:44:53,359  
and

1132  
00:44:57,910 --> 00:44:55,839  
i was pointing to the area where this

1133  
00:44:59,270 --> 00:44:57,920  
thing had come down the hill

1134  
00:45:02,710 --> 00:44:59,280  
just then

1135  
00:45:05,109 --> 00:45:02,720  
a round white ball of light appeared

1136  
00:45:06,550 --> 00:45:05,119  
a little bigger than a basketball

1137  
00:45:08,790 --> 00:45:06,560  
and uh

1138  
00:45:10,630 --> 00:45:08,800

it was you could see a cone of light

1139

00:45:12,630 --> 00:45:10,640

shining down to the ground

1140

00:45:13,990 --> 00:45:12,640

and you could see the ground illuminated

1141

00:45:15,510 --> 00:45:14,000

underneath it

1142

00:45:17,750 --> 00:45:15,520

and then it just

1143

00:45:20,550 --> 00:45:17,760

you know we looked at each other and it

1144

00:45:23,750 --> 00:45:20,560

just as i had pointed at it

1145

00:45:25,829 --> 00:45:23,760

it showed up and then it blinked out

1146

00:45:27,990 --> 00:45:25,839

and man we slammed on the brakes turned

1147

00:45:30,150 --> 00:45:28,000

around went back over there we were out

1148

00:45:32,230 --> 00:45:30,160

with our flashlights looking around

1149

00:45:33,589 --> 00:45:32,240

because it was just maybe about 50 feet

1150

00:45:36,150 --> 00:45:33,599

off the road

1151

00:45:38,790 --> 00:45:36,160

and we didn't see anything

1152

00:45:40,950 --> 00:45:38,800

wow amazing saw that one

1153

00:45:42,309 --> 00:45:40,960

you know you see when i noticed i was

1154

00:45:43,510 --> 00:45:42,319

when i was out there i don't know what

1155

00:45:45,430 --> 00:45:43,520

is it

1156

00:45:47,510 --> 00:45:45,440

four or five weeks ago whenever it was i

1157

00:45:49,270 --> 00:45:47,520

was out there i noticed

1158

00:45:50,630 --> 00:45:49,280

wow you can really see the sky

1159

00:45:53,510 --> 00:45:50,640

especially if you get away from the

1160

00:45:55,109 --> 00:45:53,520

light pollution it's just such wide open

1161

00:45:57,109 --> 00:45:55,119

country and

1162

00:45:59,430 --> 00:45:57,119

beautiful sky so

1163

00:46:01,109 --> 00:45:59,440

that is probably one of the reasons that

1164

00:46:03,589 --> 00:46:01,119

arizona has

1165

00:46:04,710 --> 00:46:03,599

some of the highest amount of ufo

1166

00:46:06,870 --> 00:46:04,720

sightings

1167

00:46:08,790 --> 00:46:06,880

you know in this country

1168

00:46:10,470 --> 00:46:08,800

i think it's right up there third

1169

00:46:11,349 --> 00:46:10,480

a lot of times california usually is

1170

00:46:13,190 --> 00:46:11,359

first

1171

00:46:17,270 --> 00:46:13,200

but i think arizona's usually second or

1172

00:46:24,390 --> 00:46:20,870

and so yeah it's uh

1173

00:46:28,150 --> 00:46:24,400

what type of what type of land

1174

00:46:30,150 --> 00:46:28,160

yeah okay i was gonna say on navajo

1175

00:46:33,349 --> 00:46:30,160

we even have less light pollution

1176

00:46:35,510 --> 00:46:33,359

because there's there's communities

1177

00:46:37,109 --> 00:46:35,520

that outside of the communities i mean

1178

00:46:38,710 --> 00:46:37,119

you can look up in the sky and see the

1179

00:46:41,910 --> 00:46:38,720

milky way

1180

00:46:44,950 --> 00:46:41,920

right it's just beautiful what kind of

1181

00:46:46,470 --> 00:46:44,960

land coverage does the navajo nation

1182

00:46:48,710 --> 00:46:46,480

have as far as

1183

00:46:51,190 --> 00:46:48,720

um square miles

1184

00:46:52,870 --> 00:46:51,200

where you're involved

1185

00:46:56,710 --> 00:46:52,880

we're involved uh

1186

00:47:01,270 --> 00:46:56,720

we're we're i was involved there's 27

1187

00:47:03,670 --> 00:47:02,710

yeah

1188

00:47:06,470 --> 00:47:03,680

so

1189

00:47:09,030 --> 00:47:06,480

it's a lot of land to cover

1190

00:47:11,589 --> 00:47:09,040

essentially from if you look north of

1191

00:47:13,349 --> 00:47:11,599

flagstaff all the way across to near

1192

00:47:14,710 --> 00:47:13,359

albuquerque

1193

00:47:16,069 --> 00:47:14,720

new mexico

1194

00:47:19,430 --> 00:47:16,079

and

1195

00:47:22,710 --> 00:47:19,440

up north all the way to into utah

1196

00:47:24,390 --> 00:47:22,720

and up to the colorado border

1197

00:47:25,990 --> 00:47:24,400

yeah so it's it's a lot of land it'll

1198

00:47:27,589 --> 00:47:26,000

take you about five hours to drive

1199

00:47:29,829 --> 00:47:27,599

across it

1200

00:47:32,230 --> 00:47:29,839

just out of curiosity this has nothing

1201  
00:47:34,230 --> 00:47:32,240  
to do with the topic but

1202  
00:47:36,069 --> 00:47:34,240  
other i just don't understand how these

1203  
00:47:38,950 --> 00:47:36,079  
things work

1204  
00:47:40,549 --> 00:47:38,960  
is the navajo nation basically under

1205  
00:47:44,150 --> 00:47:40,559  
their own

1206  
00:47:45,510 --> 00:47:44,160  
um governing laws or is it follow the

1207  
00:47:48,150 --> 00:47:45,520  
states like for instance you're

1208  
00:47:50,790 --> 00:47:48,160  
partially in arizona you're partially in

1209  
00:47:53,270 --> 00:47:50,800  
new mexico um do you have to follow the

1210  
00:47:54,549 --> 00:47:53,280  
guidelines of that state or is it your

1211  
00:47:57,270 --> 00:47:54,559  
own

1212  
00:47:59,750 --> 00:47:57,280  
conditions uh i i just don't know how

1213  
00:48:01,430 --> 00:47:59,760

that works

1214

00:48:03,670 --> 00:48:01,440

well the

1215

00:48:05,109 --> 00:48:03,680

the navajo nation along with a lot of

1216

00:48:07,589 --> 00:48:05,119

other tribes

1217

00:48:10,150 --> 00:48:07,599

have a

1218

00:48:11,349 --> 00:48:10,160

a sovereign government

1219

00:48:14,150 --> 00:48:11,359

yeah

1220

00:48:16,309 --> 00:48:14,160

the u.s government deals with us on a

1221

00:48:19,670 --> 00:48:16,319

state department level

1222

00:48:21,109 --> 00:48:19,680

um we are basically a country within a

1223

00:48:25,270 --> 00:48:21,119

country

1224

00:48:27,670 --> 00:48:25,280

so we have our own laws that apply to uh

1225

00:48:28,710 --> 00:48:27,680

natives that live out here

1226

00:48:31,270 --> 00:48:28,720

but

1227

00:48:33,349 --> 00:48:31,280

uh in the case of anglos when i went to

1228

00:48:34,790 --> 00:48:33,359

the police academy my academy was six

1229

00:48:37,750 --> 00:48:34,800

months long

1230

00:48:40,390 --> 00:48:37,760

i had to be certified in new mexico and

1231

00:48:41,990 --> 00:48:40,400

in arizona and with the federal

1232

00:48:44,390 --> 00:48:42,000

government

1233

00:48:46,630 --> 00:48:44,400

as a law enforcement officer

1234

00:48:50,309 --> 00:48:46,640

and i carried a federal citation book

1235

00:48:52,710 --> 00:48:50,319

and i carried a tribal citation book

1236

00:48:54,950 --> 00:48:52,720

in the case of people

1237

00:48:57,109 --> 00:48:54,960

speeding on on navajo nation i would

1238

00:48:59,109 --> 00:48:57,119

write them a federal citation

1239

00:49:00,630 --> 00:48:59,119

under the what they call the assimilate

1240

00:49:03,670 --> 00:49:00,640

of crimes act

1241

00:49:05,430 --> 00:49:03,680

and specify the state statute that they

1242

00:49:06,790 --> 00:49:05,440

broke in speeding

1243

00:49:08,630 --> 00:49:06,800

and uh

1244

00:49:13,829 --> 00:49:08,640

send the send that citation in the

1245

00:49:17,270 --> 00:49:15,510

i said wow

1246

00:49:19,910 --> 00:49:17,280

that so that can get pretty complicated

1247

00:49:24,630 --> 00:49:22,309

uh it can be um

1248

00:49:27,270 --> 00:49:24,640

you know we we maintain in a lot of

1249

00:49:29,829 --> 00:49:27,280

cases you have concurrent jurisdiction

1250

00:49:31,510 --> 00:49:29,839

which is the uh

1251

00:49:33,750 --> 00:49:31,520

the county officers would be

1252

00:49:35,990 --> 00:49:33,760

commissioned under the navajo nation

1253

00:49:38,069 --> 00:49:36,000

and the naval nation officers would

1254

00:49:39,829 --> 00:49:38,079

commission under the county

1255

00:49:41,510 --> 00:49:39,839

and uh that seemed to work out pretty

1256

00:49:43,750 --> 00:49:41,520

nicely too

1257

00:49:46,150 --> 00:49:43,760

yeah um we have just uh three minutes

1258

00:49:49,190 --> 00:49:46,160

until we go into the break so if you get

1259

00:49:51,109 --> 00:49:49,200

just part way into answering my question

1260

00:49:54,309 --> 00:49:51,119

we'll continue it on the other side of

1261

00:49:56,630 --> 00:49:54,319

the break but i'm gonna ask you what is

1262

00:49:59,270 --> 00:49:56,640

the strangest thing that you ever had to

1263

00:50:04,390 --> 00:49:59,280

investigate when you were doing these

1264

00:50:08,630 --> 00:50:07,109

well uh the strangest thing that ever

1265

00:50:10,829 --> 00:50:08,640

happened to me and it happened to me

1266

00:50:12,950 --> 00:50:10,839

directly so it wasn't

1267

00:50:15,750 --> 00:50:12,960

investigated per se

1268

00:50:16,470 --> 00:50:15,760

okay much is just recorded

1269

00:50:19,510 --> 00:50:16,480

but

1270

00:50:22,630 --> 00:50:19,520

i was on a drive to get my oil changed

1271

00:50:27,510 --> 00:50:23,430

the

1272

00:50:30,549 --> 00:50:27,520

miles

1273

00:50:34,470 --> 00:50:30,559

to 264 state route to

1274

00:50:37,270 --> 00:50:34,480

tuba city that's 58 miles

1275

00:50:38,309 --> 00:50:37,280

and i made this trip once a month for

1276

00:50:39,510 --> 00:50:38,319

years

1277

00:50:42,790 --> 00:50:39,520

and

1278

00:50:44,870 --> 00:50:42,800

on the way over i'm driving by the

1279

00:50:46,870 --> 00:50:44,880

nebato dam

1280

00:50:49,510 --> 00:50:46,880

and i'm on a straight section of road

1281

00:50:52,309 --> 00:50:49,520

and i'm looking in front the sun's

1282

00:50:53,829 --> 00:50:52,319

it's pre-dawn the sun's just barely on

1283

00:50:55,109 --> 00:50:53,839

the other side of the horizon and it's

1284

00:50:57,670 --> 00:50:55,119

getting light

1285

00:50:59,750 --> 00:50:57,680

and i looked in front of me and

1286

00:51:01,430 --> 00:50:59,760

it's it's like miles and miles of

1287

00:51:04,230 --> 00:51:01,440

straight road i look behind me in my

1288

00:51:05,829 --> 00:51:04,240

rear view mirror same thing

1289

00:51:07,990 --> 00:51:05,839

i blinked

1290

00:51:09,589 --> 00:51:08,000

when i opened my eyes i was coming to a

1291

00:51:12,549 --> 00:51:09,599

sharp turn

1292

00:51:15,270 --> 00:51:12,559

that turn was at coal mine mesa 15 miles

1293

00:51:20,829 --> 00:51:18,309

so i thought wow you know did i just

1294

00:51:23,510 --> 00:51:20,839

go to sleep and go on

1295

00:51:25,910 --> 00:51:23,520

autopilot uh when i got to the city i

1296

00:51:28,069 --> 00:51:25,920

usually have about 15 minutes to stop at

1297

00:51:30,470 --> 00:51:28,079

mcdonald's and get myself a breakfast

1298

00:51:32,630 --> 00:51:30,480

cup of coffee go drive over to the fleet

1299

00:51:35,990 --> 00:51:32,640

management and wait at the gate and i'll

1300

00:51:38,150 --> 00:51:36,000

be the first one in to get my oil change

1301  
00:51:39,430 --> 00:51:38,160  
on this particular date i stopped at the

1302  
00:51:40,950 --> 00:51:39,440  
mcdonald's

1303  
00:51:42,230 --> 00:51:40,960  
i went to

1304  
00:51:43,670 --> 00:51:42,240  
the uh

1305  
00:51:44,710 --> 00:51:43,680  
the gate

1306  
00:51:51,910 --> 00:51:44,720  
and

1307  
00:51:54,870 --> 00:51:51,920  
yep so i don't i don't know that's

1308  
00:51:56,150 --> 00:51:54,880  
opposite of missing time

1309  
00:51:59,190 --> 00:51:56,160  
right

1310  
00:52:01,190 --> 00:51:59,200  
and i mean you gain time aliens abducted

1311  
00:52:04,150 --> 00:52:01,200  
you you know and put you down in the

1312  
00:52:04,950 --> 00:52:04,160  
wrong time i even had one person tell me

1313  
00:52:05,990 --> 00:52:04,960

that

1314

00:52:08,790 --> 00:52:06,000

um

1315

00:52:11,589 --> 00:52:08,800

i hit the event horizon of a microscopic

1316

00:52:14,549 --> 00:52:11,599

black hole and it changed time for me

1317

00:52:16,390 --> 00:52:14,559

oh that that would work

1318

00:52:18,470 --> 00:52:16,400

well very interesting so we'll talk a

1319

00:52:19,990 --> 00:52:18,480

little bit more about um

1320

00:52:21,829 --> 00:52:20,000

we'll talk a little bit more about that

1321

00:52:22,710 --> 00:52:21,839

when we come back we have to go into the

1322

00:52:24,150 --> 00:52:22,720

break

1323

00:52:25,030 --> 00:52:24,160

and i do want to

1324

00:52:28,790 --> 00:52:25,040

hear

1325

00:52:31,510 --> 00:52:28,800

this quickly uh the gentleman's name is

1326

00:52:32,710 --> 00:52:31,520

um who's who's on

1327

00:52:33,670 --> 00:52:32,720

this video that i'm going to be

1328

00:52:35,910 --> 00:52:33,680

recording

1329

00:52:37,750 --> 00:52:35,920

that i am going to be posting

1330

00:52:41,030 --> 00:52:37,760

his name is stuart

1331

00:52:43,910 --> 00:52:41,040

seymour and he commented he contacted me

1332

00:52:45,910 --> 00:52:43,920

and commented about a ufo sighting and

1333

00:52:48,230 --> 00:52:45,920

i'm going to have the full

1334

00:52:50,470 --> 00:52:48,240

video is going to break at midnight like

1335

00:52:53,190 --> 00:52:50,480

i did the last one with albert wayne

1336

00:52:55,589 --> 00:52:53,200

this is a one that happened

1337

00:52:57,750 --> 00:52:55,599

and just recently so we're going to go

1338

00:53:02,790 --> 00:52:57,760

into the break at kgra radio we'll be

1339

00:53:07,990 --> 00:53:05,589

all right stu uh thank you so much for

1340

00:53:11,109 --> 00:53:08,000

getting in touch with me and you just

1341

00:53:15,030 --> 00:53:13,270

yeah first of all can you

1342

00:53:17,990 --> 00:53:15,040

say where you where where are you

1343

00:53:20,470 --> 00:53:18,000

located certainly so i'm located in a

1344

00:53:22,150 --> 00:53:20,480

village called holbridge which is in

1345

00:53:24,790 --> 00:53:22,160

essex the county of essex which is

1346

00:53:27,910 --> 00:53:24,800

around about 30 miles outside of london

1347

00:53:29,990 --> 00:53:27,920

down on the south east coast of the uk

1348

00:53:31,750 --> 00:53:30,000

uh-huh so yeah

1349

00:53:32,950 --> 00:53:31,760

so you were outside let's let's hear

1350

00:53:35,910 --> 00:53:32,960

what happened

1351

00:53:37,990 --> 00:53:35,920

okay so um we've got a little uh cottage

1352

00:53:41,589 --> 00:53:38,000

here small holding couple of acres

1353

00:53:43,589 --> 00:53:41,599

and it was about 9 50 and my wife was

1354

00:53:44,710 --> 00:53:43,599

doing her horses in the evening and i

1355

00:53:46,790 --> 00:53:44,720

thought i'd go out and give her a hand

1356

00:53:48,549 --> 00:53:46,800

like i usually do doing the waters and

1357

00:53:49,430 --> 00:53:48,559

she was doing all the haze

1358

00:53:50,950 --> 00:53:49,440

and

1359

00:53:52,390 --> 00:53:50,960

when i'm out there i'm fascinated by the

1360

00:53:55,510 --> 00:53:52,400

sky anyway so i'm always looking up and

1361

00:53:57,670 --> 00:53:55,520

about and i look to my right up in the

1362

00:53:59,589 --> 00:53:57,680

sky and it's the strangest thing to say

1363

00:54:01,829 --> 00:53:59,599

but it was almost as if

1364

00:54:04,549 --> 00:54:01,839

i was not told to look but i was drawn

1365

00:54:07,109 --> 00:54:04,559

to look up there and as i look up there

1366

00:54:09,510 --> 00:54:07,119

i see a shape that can only describe a

1367

00:54:11,670 --> 00:54:09,520

cross between a boomerang

1368

00:54:13,349 --> 00:54:11,680

a triangle and we have a chocolate over

1369

00:54:16,069 --> 00:54:13,359

here called a teres chocolate orange

1370

00:54:18,069 --> 00:54:16,079

which has orange segments to it almost

1371

00:54:20,630 --> 00:54:18,079

this kind of a shape

1372

00:54:22,870 --> 00:54:20,640

and it was like that now

1373

00:54:25,109 --> 00:54:22,880

the sky was super clear but it was like

1374

00:54:26,870 --> 00:54:25,119

a dark blue hue because the moon was

1375

00:54:29,510 --> 00:54:26,880

quite bright

1376  
00:54:31,430 --> 00:54:29,520  
this shape stood out against it because

1377  
00:54:33,349 --> 00:54:31,440  
it was so black

1378  
00:54:36,230 --> 00:54:33,359  
but within the shape itself were

1379  
00:54:37,670 --> 00:54:36,240  
hundreds and hundreds of small lights

1380  
00:54:39,750 --> 00:54:37,680  
now this is the really weird thing being

1381  
00:54:41,589 --> 00:54:39,760  
a detailer the first thing for some

1382  
00:54:44,630 --> 00:54:41,599  
reason i thought was well those lights

1383  
00:54:46,150 --> 00:54:44,640  
aren't very bright um and you know what

1384  
00:54:48,630 --> 00:54:46,160  
are they doing and they were flickering

1385  
00:54:51,589 --> 00:54:48,640  
literally on and off almost as if

1386  
00:54:53,270 --> 00:54:51,599  
glitching but random like this hundreds

1387  
00:54:55,510 --> 00:54:53,280  
and hundreds and hundreds of them within

1388  
00:54:57,430 --> 00:54:55,520

the shape itself the shape was moving

1389

00:54:59,829 --> 00:54:57,440

the second i saw it the object was

1390

00:55:02,470 --> 00:54:59,839

moving the second i saw it i screamed at

1391

00:55:04,470 --> 00:55:02,480

my wife to say look look look and while

1392

00:55:06,870 --> 00:55:04,480

she's looking around trying to catch it

1393

00:55:08,630 --> 00:55:06,880

i couldn't take my eyes off it and

1394

00:55:10,309 --> 00:55:08,640

literally i had my hand in my pocket on

1395

00:55:12,309 --> 00:55:10,319

my phone and i'm thinking almost like

1396

00:55:14,390 --> 00:55:12,319

what you say in one of your podcasts i

1397

00:55:16,470 --> 00:55:14,400

can't risk taking my phone out my pocket

1398

00:55:18,549 --> 00:55:16,480

cause if i take my eye off it

1399

00:55:20,710 --> 00:55:18,559

it's gonna go it's gonna do something so

1400

00:55:22,630 --> 00:55:20,720

i just my eye on it while saying to my

1401

00:55:25,190 --> 00:55:22,640

wife it's there it's there and it came

1402

00:55:27,589 --> 00:55:25,200

across us silent asylum with all these

1403

00:55:29,829 --> 00:55:27,599

stars and lights going on it and then it

1404

00:55:34,390 --> 00:55:29,839

it almost

1405

00:55:36,470 --> 00:55:34,400

almost like like it looked like a giant

1406

00:55:38,870 --> 00:55:36,480

kind of a kite

1407

00:55:40,630 --> 00:55:38,880

still with angular edges a kite and then

1408

00:55:43,270 --> 00:55:40,640

it changed back into its shape again of

1409

00:55:44,549 --> 00:55:43,280

this boomerang and it continued directly

1410

00:55:46,230 --> 00:55:44,559

in front of me with all these lights

1411

00:55:48,390 --> 00:55:46,240

going but it was so

1412

00:55:51,349 --> 00:55:48,400

presented against the night sky it was

1413

00:55:53,270 --> 00:55:51,359

so clear i mean it was just so so clear

1414

00:55:55,190 --> 00:55:53,280

and then we just watched it disappear

1415

00:55:57,190 --> 00:55:55,200

off float in front of us and then it did

1416

00:55:59,030 --> 00:55:57,200

a curve to the right and then it just

1417

00:56:00,950 --> 00:55:59,040

carried on and carried on and carried on

1418

00:56:03,030 --> 00:56:00,960

and you could see the outline suddenly

1419

00:56:04,390 --> 00:56:03,040

the lights were now the outline of it

1420

00:56:06,549 --> 00:56:04,400

and the ones in the middle were starting

1421

00:56:08,950 --> 00:56:06,559

to fade even more almost as if

1422

00:56:10,549 --> 00:56:08,960

it couldn't quite work out how bright to

1423

00:56:11,750 --> 00:56:10,559

be or the color it couldn't get the

1424

00:56:13,750 --> 00:56:11,760

color correctly

1425

00:56:15,109 --> 00:56:13,760

as if it was trying to cloak itself or

1426  
00:56:16,870 --> 00:56:15,119  
something but it just couldn't he just

1427  
00:56:18,150 --> 00:56:16,880  
couldn't do it he just couldn't do it

1428  
00:56:20,549 --> 00:56:18,160  
but wow

1429  
00:56:22,309 --> 00:56:20,559  
silent and it didn't speed off it just

1430  
00:56:23,030 --> 00:56:22,319  
it was one speed

1431  
00:56:25,990 --> 00:56:23,040  
but

1432  
00:56:28,470 --> 00:56:26,000  
it just reminded me of a cartoon or not

1433  
00:56:30,710 --> 00:56:28,480  
like a ghost floating by

1434  
00:56:33,030 --> 00:56:30,720  
like you see on movie just silent and it

1435  
00:56:35,190 --> 00:56:33,040  
did this and then it was gone

1436  
00:56:36,150 --> 00:56:35,200  
did it did it did it never change speed

1437  
00:56:40,549 --> 00:56:36,160  
at all

1438  
00:56:42,470 --> 00:56:40,559

other thing it was silent

1439

00:56:44,710 --> 00:56:42,480

not only the craft was silent

1440

00:56:47,030 --> 00:56:44,720

but the atmosphere as it was going on

1441

00:56:48,950 --> 00:56:47,040

with me shouting

1442

00:56:50,630 --> 00:56:48,960

oh sorry excuse me

1443

00:56:54,230 --> 00:56:50,640

with me

1444

00:57:06,789 --> 00:56:54,240

that music's actually perfect for

1445

00:57:06,799 --> 00:57:10,830

me

1446

00:57:10,840 --> 00:57:15,589

[Music]

1447

00:57:18,710 --> 00:57:17,670

all right welcome back this is martin

1448

00:57:22,230 --> 00:57:18,720

willis

1449

00:57:25,270 --> 00:57:22,240

and let me just take this down i'm gonna

1450

00:57:27,109 --> 00:57:25,280

bring our guests back in uh so i just i

1451

00:57:30,710 --> 00:57:27,119

just wanted to say

1452

00:57:32,950 --> 00:57:30,720

uh when it comes to these ufo sightings

1453

00:57:34,150 --> 00:57:32,960

they seem to be very popular

1454

00:57:36,549 --> 00:57:34,160

um

1455

00:57:38,630 --> 00:57:36,559

as far as you know people are really

1456

00:57:41,510 --> 00:57:38,640

loving them trying to make the automatic

1457

00:57:43,109 --> 00:57:41,520

adjusting camera to work here

1458

00:57:46,630 --> 00:57:43,119

it doesn't seem to be working that's

1459

00:57:48,549 --> 00:57:46,640

okay um anyway so these have been really

1460

00:57:51,510 --> 00:57:48,559

popular and

1461

00:57:53,270 --> 00:57:51,520

uh i would like to say if you had a

1462

00:57:55,430 --> 00:57:53,280

sighting you'd like to talk about

1463

00:57:57,670 --> 00:57:55,440

just send me an email at martin podcast

1464

00:58:00,150 --> 00:57:57,680

ufo.com i'll talk to you on the phone

1465

00:58:02,390 --> 00:58:00,160

see if it works out and uh if it was

1466

00:58:04,309 --> 00:58:02,400

something that i think we should post we

1467

00:58:06,630 --> 00:58:04,319

will during the commercial breaks as

1468

00:58:09,109 --> 00:58:06,640

i've been doing and that will the full

1469

00:58:11,750 --> 00:58:09,119

video of this it gets into uh other

1470

00:58:13,670 --> 00:58:11,760

things too as it goes along uh that'll

1471

00:58:15,510 --> 00:58:13,680

come out tonight at midnight

1472

00:58:17,109 --> 00:58:15,520

and um

1473

00:58:20,789 --> 00:58:17,119

there was one other thing i wanted to

1474

00:58:23,270 --> 00:58:20,799

say about this oh yes stu uh stuart

1475

00:58:26,870 --> 00:58:23,280

seymour who uh had this sighting he just

1476

00:58:29,990 --> 00:58:26,880

sent me today this morning a uh video of

1477

00:58:32,549 --> 00:58:30,000

something else he he uh videoed over

1478

00:58:33,510 --> 00:58:32,559

the uh property where he lives at and it

1479

00:58:36,150 --> 00:58:33,520

was uh

1480

00:58:38,950 --> 00:58:36,160

like a strange like a triangular

1481

00:58:40,470 --> 00:58:38,960

craft there it goes triangular craft and

1482

00:58:43,349 --> 00:58:40,480

to me it looked like it was dropping

1483

00:58:46,150 --> 00:58:43,359

something out of the the bottom of it so

1484

00:58:48,390 --> 00:58:46,160

weird goings on there in uh hillbridge

1485

00:58:50,710 --> 00:58:48,400

uh where he lives but anyway i do

1486

00:58:53,750 --> 00:58:50,720

appreciate that and our guest is back uh

1487

00:58:58,230 --> 00:58:56,150

ah thank you yes jonathan so when you

1488

00:59:00,870 --> 00:58:58,240

were talking about you know

1489

00:59:03,109 --> 00:59:00,880

the speculation you went into some micro

1490

00:59:05,430 --> 00:59:03,119

a black hole or something like that um

1491

00:59:06,950 --> 00:59:05,440

so you actually gained 45 minutes

1492

00:59:09,030 --> 00:59:06,960

usually as you know i'm sure you've

1493

00:59:11,670 --> 00:59:09,040

heard many times people talk about

1494

00:59:14,230 --> 00:59:11,680

missing time but you actually gained

1495

00:59:16,710 --> 00:59:14,240

45 minutes which is an another weird

1496

00:59:19,270 --> 00:59:16,720

that's almost seems weirder than

1497

00:59:20,470 --> 00:59:19,280

much weirder than missing time

1498

00:59:21,910 --> 00:59:20,480

pretty bizarre

1499

00:59:24,710 --> 00:59:21,920

yeah

1500

00:59:27,270 --> 00:59:24,720

and and i i have gone through

1501  
00:59:28,710 --> 00:59:27,280  
places where i've had missing time

1502  
00:59:31,270 --> 00:59:28,720  
um

1503  
00:59:32,789 --> 00:59:31,280  
it's very disconcerting because you're

1504  
00:59:35,109 --> 00:59:32,799  
going down the road

1505  
00:59:37,670 --> 00:59:35,119  
usually at night

1506  
00:59:40,230 --> 00:59:37,680  
you pass a location that that you know

1507  
00:59:41,349 --> 00:59:40,240  
it's a kind of a landmark location

1508  
00:59:45,270 --> 00:59:41,359  
and

1509  
00:59:47,430 --> 00:59:45,280  
i've just got a few more miles before i

1510  
00:59:50,069 --> 00:59:47,440  
get home

1511  
00:59:52,789 --> 00:59:50,079  
and then your seems like you're going

1512  
00:59:54,230 --> 00:59:52,799  
forever another 10 15 minutes

1513  
00:59:56,470 --> 00:59:54,240

you should have been home

1514

00:59:57,829 --> 00:59:56,480

and suddenly you pass the same landmark

1515

00:59:59,510 --> 00:59:57,839

again

1516

01:00:00,789 --> 00:59:59,520

and

1517

01:00:02,230 --> 01:00:00,799

you know you're sitting there going what

1518

01:00:03,910 --> 01:00:02,240

the heck you know

1519

01:00:06,230 --> 01:00:03,920

i i thought i was almost home you know

1520

01:00:08,549 --> 01:00:06,240

how come i'm passing this thing a second

1521

01:00:09,910 --> 01:00:08,559

time that's happened to me on several

1522

01:00:10,710 --> 01:00:09,920

occasions

1523

01:00:13,109 --> 01:00:10,720

and

1524

01:00:15,030 --> 01:00:13,119

it got to the point where it actually

1525

01:00:17,030 --> 01:00:15,040

got annoying enough

1526

01:00:20,470 --> 01:00:17,040

that uh i put a

1527

01:00:22,870 --> 01:00:20,480

dashcam camera

1528

01:00:25,750 --> 01:00:22,880

under my mirror in the front

1529

01:00:29,030 --> 01:00:25,760

and uh i just got a new one it's it's

1530

01:00:31,349 --> 01:00:29,040

now 4k uh camera in the front and i've

1531

01:00:32,870 --> 01:00:31,359

got a rear facing camera

1532

01:00:35,349 --> 01:00:32,880

in the back

1533

01:00:37,030 --> 01:00:35,359

so uh ever since i put camera in the

1534

01:00:39,430 --> 01:00:37,040

front of my vehicle

1535

01:00:40,950 --> 01:00:39,440

i haven't had any sightings and that's

1536

01:00:43,510 --> 01:00:40,960

okay with me

1537

01:00:45,270 --> 01:00:43,520

yeah yeah well they know

1538

01:00:49,510 --> 01:00:45,280

they know the camera's there just

1539

01:00:51,510 --> 01:00:49,520

kidding but uh yeah interesting um and

1540

01:00:53,510 --> 01:00:51,520

what are there other people

1541

01:00:55,990 --> 01:00:53,520

that you there i know there's a lot of

1542

01:00:57,750 --> 01:00:56,000

cases that you've investigated um but

1543

01:00:59,349 --> 01:00:57,760

there are other other people that talk

1544

01:01:04,549 --> 01:00:59,359

about missing

1545

01:01:09,910 --> 01:01:07,270

uh yeah we've we've actually talked to

1546

01:01:12,150 --> 01:01:09,920

uh other people

1547

01:01:14,470 --> 01:01:12,160

some of them have said that they don't

1548

01:01:17,510 --> 01:01:14,480

know what happened or maybe they weren't

1549

01:01:20,870 --> 01:01:17,520

aware but there were circumstances

1550

01:01:23,190 --> 01:01:20,880

in their encounters where they appear to

1551

01:01:25,510 --> 01:01:23,200

be missing time but they're they're not

1552

01:01:28,069 --> 01:01:25,520

aware of it at all

1553

01:01:30,789 --> 01:01:28,079

but during their interviews it comes up

1554

01:01:32,630 --> 01:01:30,799

that hey this is you you start keying

1555

01:01:36,390 --> 01:01:32,640

into that stuff you don't ask them about

1556

01:01:38,789 --> 01:01:36,400

it uh you let them relate what they know

1557

01:01:39,750 --> 01:01:38,799

uh you don't have a meeting question you

1558

01:01:40,470 --> 01:01:39,760

don't

1559

01:01:41,750 --> 01:01:40,480

yeah

1560

01:01:44,390 --> 01:01:41,760

you know you just

1561

01:01:46,470 --> 01:01:44,400

get get the facts as they know it

1562

01:01:48,390 --> 01:01:46,480

but it's always interesting to run into

1563

01:01:50,069 --> 01:01:48,400

situations like that where you say hey

1564

01:01:52,789 --> 01:01:50,079

they could have

1565

01:01:54,549 --> 01:01:52,799

there's something there that you know

1566

01:01:56,230 --> 01:01:54,559

could have happened but you know you

1567

01:01:57,750 --> 01:01:56,240

just leave it in the realm of

1568

01:02:00,390 --> 01:01:57,760

speculation

1569

01:02:02,950 --> 01:02:00,400

right right and what about some let's

1570

01:02:06,710 --> 01:02:02,960

talk about some other encounters

1571

01:02:09,109 --> 01:02:06,720

that involve ufos some of the stories um

1572

01:02:12,230 --> 01:02:09,119

that you can tell that you've had to

1573

01:02:14,150 --> 01:02:12,240

you know investigate again is it is it

1574

01:02:15,430 --> 01:02:14,160

always with your partner at that when

1575

01:02:17,510 --> 01:02:15,440

you were doing i know you're not doing

1576

01:02:21,109 --> 01:02:17,520

that now but when you were doing it was

1577

01:02:22,549 --> 01:02:21,119

it always with uh stan

1578

01:02:25,109 --> 01:02:22,559

uh

1579

01:02:26,069 --> 01:02:25,119

a lot of times he would take cases on

1580

01:02:28,789 --> 01:02:26,079

his own

1581

01:02:31,109 --> 01:02:28,799

and i would take cases on my own

1582

01:02:32,950 --> 01:02:31,119

and if we were in a position or the case

1583

01:02:34,390 --> 01:02:32,960

was a big enough case

1584

01:02:36,789 --> 01:02:34,400

we would both do them

1585

01:02:40,789 --> 01:02:36,799

so he's investigated bigfoot cases on

1586

01:02:43,589 --> 01:02:40,799

his own and i've done some on my own um

1587

01:02:46,309 --> 01:02:43,599

and and haunting cases are the same way

1588

01:02:48,950 --> 01:02:46,319

so you know we we split up or we may

1589

01:02:50,630 --> 01:02:48,960

come together to collaborate

1590

01:02:52,230 --> 01:02:50,640

because we had such a large area of

1591

01:02:53,750 --> 01:02:52,240

ground cover

1592

01:02:55,910 --> 01:02:53,760

right right

1593

01:02:57,029 --> 01:02:55,920

so let's go into some of the other

1594

01:02:59,910 --> 01:02:57,039

the other

1595

01:03:04,789 --> 01:03:02,870

okay so um

1596

01:03:06,630 --> 01:03:04,799

this this one

1597

01:03:07,510 --> 01:03:06,640

we would consider it probably the most

1598

01:03:09,829 --> 01:03:07,520

uh

1599

01:03:12,069 --> 01:03:09,839

well-known case that we worked on we

1600

01:03:13,029 --> 01:03:12,079

call it the old man case

1601  
01:03:17,190 --> 01:03:13,039  
uh

1602  
01:03:18,630 --> 01:03:17,200  
in his in his eighties

1603  
01:03:21,430 --> 01:03:18,640  
and um

1604  
01:03:22,390 --> 01:03:21,440  
he's an elderly navajo man that contacts

1605  
01:03:23,990 --> 01:03:22,400  
us

1606  
01:03:27,190 --> 01:03:24,000  
um

1607  
01:03:28,230 --> 01:03:27,200  
he says that he had a craft come over

1608  
01:03:31,349 --> 01:03:28,240  
his house

1609  
01:03:33,670 --> 01:03:31,359  
in the middle of the night and it lands

1610  
01:03:35,109 --> 01:03:33,680  
up on the ridge uh about a quarter mile

1611  
01:03:36,390 --> 01:03:35,119  
away

1612  
01:03:38,789 --> 01:03:36,400  
and um

1613  
01:03:41,349 --> 01:03:38,799

he has uh

1614

01:03:43,109 --> 01:03:41,359

in the navajo language there is no word

1615

01:03:45,029 --> 01:03:43,119

for alien

1616

01:03:46,150 --> 01:03:45,039

so he's referring to them as little

1617

01:03:48,309 --> 01:03:46,160

children

1618

01:03:50,549 --> 01:03:48,319

come around his house about 12 30 1

1619

01:03:52,710 --> 01:03:50,559

o'clock in the morning

1620

01:03:54,549 --> 01:03:52,720

he's got no electricity

1621

01:03:56,630 --> 01:03:54,559

no running water

1622

01:03:59,750 --> 01:03:56,640

got an outhouse in the back

1623

01:04:01,270 --> 01:03:59,760

and he's got these solar lights around

1624

01:04:03,910 --> 01:04:01,280

his house

1625

01:04:06,789 --> 01:04:03,920

and he says that four little kids came

1626

01:04:08,470 --> 01:04:06,799

to his house after that landing

1627

01:04:10,390 --> 01:04:08,480

and

1628

01:04:13,589 --> 01:04:10,400

they're walking around outside he

1629

01:04:16,549 --> 01:04:13,599

describes them as having big heads

1630

01:04:22,710 --> 01:04:19,670

they're wearing a light colored

1631

01:04:24,950 --> 01:04:22,720

outfit either light gray or white that's

1632

01:04:27,510 --> 01:04:24,960

skin tight

1633

01:04:29,029 --> 01:04:27,520

and he says that they're walking around

1634

01:04:32,069 --> 01:04:29,039

shining these

1635

01:04:33,589 --> 01:04:32,079

uh what he calls a flashlight uh

1636

01:04:36,470 --> 01:04:33,599

something in their hand

1637

01:04:40,069 --> 01:04:36,480

that's shooting out of a beam a pencil

1638

01:04:41,829 --> 01:04:40,079

beam of of about a half inch to one inch

1639

01:04:45,829 --> 01:04:41,839

and

1640

01:04:48,549 --> 01:04:45,839

is red

1641

01:04:51,270 --> 01:04:48,559

blue yellow and green

1642

01:04:53,270 --> 01:04:51,280

and uh so each one is has a different

1643

01:04:54,950 --> 01:04:53,280

color and they're shining it looking

1644

01:04:56,630 --> 01:04:54,960

like they're looking for something on

1645

01:04:59,430 --> 01:04:56,640

the ground

1646

01:05:02,950 --> 01:04:59,440

and he watches them out of the window

1647

01:05:07,349 --> 01:05:04,870

earlier he had been standing outside

1648

01:05:08,470 --> 01:05:07,359

when when this thing landed or or

1649

01:05:12,470 --> 01:05:08,480

hovered

1650

01:05:14,630 --> 01:05:12,480

and he says that his his dog which was a

1651

01:05:16,710 --> 01:05:14,640

pup is a blue healer

1652

01:05:19,190 --> 01:05:16,720

uh takes off running

1653

01:05:20,870 --> 01:05:19,200

and barking toward where the things are

1654

01:05:24,230 --> 01:05:20,880

coming down the hill

1655

01:05:25,829 --> 01:05:24,240

and he hears it in the dark you go yay

1656

01:05:26,710 --> 01:05:25,839

and then it comes running back to the

1657

01:05:28,870 --> 01:05:26,720

house

1658

01:05:31,670 --> 01:05:28,880

lays down by the front doorstep curls

1659

01:05:33,829 --> 01:05:31,680

into a ball and doesn't move

1660

01:05:36,069 --> 01:05:33,839

uh there was another dog there that had

1661

01:05:37,349 --> 01:05:36,079

just had pups that was a pit bull on a

1662

01:05:38,870 --> 01:05:37,359

chain

1663

01:05:41,670 --> 01:05:38,880

and when we were there doing the

1664

01:05:43,349 --> 01:05:41,680

investigation this pit bull was

1665

01:05:44,789 --> 01:05:43,359

coming off the

1666

01:05:46,549 --> 01:05:44,799

you know like it was going to break the

1667

01:05:48,630 --> 01:05:46,559

chain seriously

1668

01:05:49,750 --> 01:05:48,640

and

1669

01:05:51,430 --> 01:05:49,760

you know it looked like it could have

1670

01:05:52,150 --> 01:05:51,440

taken us all on

1671

01:05:56,950 --> 01:05:52,160

and

1672

01:05:58,789 --> 01:05:56,960

uh to the house

1673

01:06:01,029 --> 01:05:58,799

he said that that dog stayed in its

1674

01:06:02,630 --> 01:06:01,039

house and would not come out and didn't

1675

01:06:03,589 --> 01:06:02,640

make us down

1676

01:06:05,589 --> 01:06:03,599

um

1677

01:06:08,230 --> 01:06:05,599

so

1678

01:06:09,670 --> 01:06:08,240

we we get there to do the investigation

1679

01:06:12,950 --> 01:06:09,680

and um

1680

01:06:15,029 --> 01:06:12,960

that pup the blue healer is jumping all

1681

01:06:17,270 --> 01:06:15,039

over us with muddy paws

1682

01:06:18,870 --> 01:06:17,280

and if you're in uniform you don't like

1683

01:06:20,789 --> 01:06:18,880

mud all over your uniform so we're

1684

01:06:23,589 --> 01:06:20,799

trying to push it away and you know get

1685

01:06:24,789 --> 01:06:23,599

away from us that kind of thing

1686

01:06:26,710 --> 01:06:24,799

we had a

1687

01:06:29,589 --> 01:06:26,720

crew there that was taking background

1688

01:06:31,349 --> 01:06:29,599

radiation readings and one of the girls

1689

01:06:33,510 --> 01:06:31,359

real dog lover

1690

01:06:34,710 --> 01:06:33,520

she's wearing a white tyvek

1691

01:06:36,470 --> 01:06:34,720

suit

1692

01:06:38,390 --> 01:06:36,480

and

1693

01:06:40,549 --> 01:06:38,400

she's calling the dog saying come here

1694

01:06:42,710 --> 01:06:40,559

come here come here boy you know and it

1695

01:06:44,549 --> 01:06:42,720

saw that white suit it ran to the front

1696

01:06:46,950 --> 01:06:44,559

of the house and curled up in a ball and

1697

01:06:49,109 --> 01:06:46,960

wouldn't come

1698

01:06:52,069 --> 01:06:49,119

so obviously you have some kind of an

1699

01:06:53,910 --> 01:06:52,079

association with a light-colored suit

1700

01:06:56,950 --> 01:06:53,920

um

1701

01:06:59,990 --> 01:06:56,960

we interviewed him a total of three

1702

01:07:05,029 --> 01:07:00,000

times over four years

1703

01:07:07,750 --> 01:07:05,039

uh once uh on our own once with uh mufon

1704

01:07:11,349 --> 01:07:07,760

investigator out of phoenix

1705

01:07:13,750 --> 01:07:11,359

and once with a couple of investigators

1706

01:07:15,109 --> 01:07:13,760

that were working for bigelow aerospace

1707

01:07:16,470 --> 01:07:15,119

research

1708

01:07:18,390 --> 01:07:16,480

and

1709

01:07:19,990 --> 01:07:18,400

in those three interviews which were all

1710

01:07:22,470 --> 01:07:20,000

taped

1711

01:07:26,789 --> 01:07:22,480

he talked about the navajo oral

1712

01:07:29,589 --> 01:07:26,799

tradition his story never changed

1713

01:07:32,470 --> 01:07:29,599

it was just the same matter of factly

1714

01:07:34,390 --> 01:07:32,480

and uh he said that he

1715

01:07:36,390 --> 01:07:34,400

actually got upset because these little

1716

01:07:38,950 --> 01:07:36,400

kids were around his house he was going

1717

01:07:40,870 --> 01:07:38,960

to go outside and confront them

1718

01:07:43,109 --> 01:07:40,880

so he grabs

1719

01:07:45,109 --> 01:07:43,119

one of these dry cell flashlights kind

1720

01:07:45,829 --> 01:07:45,119

of a big square one

1721

01:07:48,630 --> 01:07:45,839

and

1722

01:07:50,150 --> 01:07:48,640

as he's going down the steps

1723

01:07:52,390 --> 01:07:50,160

of the house

1724

01:07:55,029 --> 01:07:52,400

he tripped and fell

1725

01:07:57,270 --> 01:07:55,039

now you know 80 years plus

1726

01:07:58,549 --> 01:07:57,280

if you fall that could be serious

1727

01:08:01,270 --> 01:07:58,559

business

1728

01:08:03,270 --> 01:08:01,280

and he says that when he fell he broke

1729

01:08:04,870 --> 01:08:03,280

his flashlight

1730

01:08:07,670 --> 01:08:04,880

and as he

1731

01:08:10,630 --> 01:08:07,680

looked up he saw these things

1732

01:08:13,109 --> 01:08:10,640

they were in line with each other

1733

01:08:16,550 --> 01:08:13,119

drifting back up the hill like they were

1734

01:08:19,030 --> 01:08:16,560

almost astride something and and just

1735

01:08:21,349 --> 01:08:19,040

literally hovering and going back up the

1736

01:08:26,070 --> 01:08:23,349

so and he said that it didn't make it

1737

01:08:27,669 --> 01:08:26,080

they didn't make any sound

1738

01:08:30,309 --> 01:08:27,679

well yeah

1739

01:08:33,269 --> 01:08:30,319

he called us out there and we

1740

01:08:35,430 --> 01:08:33,279

you know looked around for evidence uh

1741

01:08:37,269 --> 01:08:35,440

interviewed you know interviewed him

1742

01:08:39,110 --> 01:08:37,279

rather meticulously

1743

01:08:40,950 --> 01:08:39,120

um

1744

01:08:42,950 --> 01:08:40,960

and uh

1745

01:08:45,189 --> 01:08:42,960

at the end you know we we wrote our

1746

01:08:46,149 --> 01:08:45,199

reports on it and locked them up

1747

01:08:48,950 --> 01:08:46,159

uh

1748

01:08:50,470 --> 01:08:48,960

as an aside to this case a little bit on

1749

01:08:51,669 --> 01:08:50,480

the humorous side

1750

01:08:57,749 --> 01:08:51,679

we

1751

01:09:00,630 --> 01:08:57,759

and um

1752

01:09:02,309 --> 01:09:00,640

it was a a production company

1753

01:09:03,749 --> 01:09:02,319

that wanted to interview him and they

1754

01:09:05,749 --> 01:09:03,759

said they're willing to pay him a lot of

1755

01:09:09,510 --> 01:09:05,759

money could we contact him

1756

01:09:10,789 --> 01:09:09,520

and see if he'd be willing to be on tv

1757

01:09:15,430 --> 01:09:10,799

and

1758

01:09:16,630 --> 01:09:15,440

not i didn't do this for

1759

01:09:18,950 --> 01:09:16,640

for

1760

01:09:21,430 --> 01:09:18,960

notoriety or to be well known or

1761

01:09:23,590 --> 01:09:21,440

anything and i don't want money he says

1762

01:09:25,430 --> 01:09:23,600

i just reported it

1763

01:09:27,030 --> 01:09:25,440

and so we went back and told the

1764

01:09:29,669 --> 01:09:27,040

production company

1765

01:09:32,309 --> 01:09:29,679

that he didn't want to talk to them

1766

01:09:33,110 --> 01:09:32,319

and they told us

1767

01:09:36,149 --> 01:09:33,120

that

1768

01:09:39,189 --> 01:09:36,159

we saw your cms report the first time it

1769

01:09:41,590 --> 01:09:39,199

was uh submitted to mufon before before

1770

01:09:43,189 --> 01:09:41,600

they took it down the next morning

1771

01:09:45,829 --> 01:09:43,199

and uh we're going to go out there and

1772

01:09:47,749 --> 01:09:45,839

talk to them anyway

1773

01:09:50,950 --> 01:09:47,759

so me and stan looked at each other and

1774

01:09:53,590 --> 01:09:50,960

we said okay you know go ahead have fun

1775

01:09:55,270 --> 01:09:53,600

and hung up on them

1776

01:09:57,510 --> 01:09:55,280

we didn't tell them that when we

1777

01:10:00,790 --> 01:09:57,520

submitted our cms report

1778

01:10:03,170 --> 01:10:00,800

that we had put the location 100 miles

1779

01:10:07,189 --> 01:10:03,180

away from where it actually occurred

1780

01:10:10,310 --> 01:10:07,199

[Laughter]

1781

01:10:13,310 --> 01:10:11,750

i thought i thought i was going to hear

1782

01:10:15,430 --> 01:10:13,320

a story about the pit bull

1783

01:10:17,430 --> 01:10:15,440

[Laughter]

1784

01:10:19,030 --> 01:10:17,440

so uh attacking them or something like

1785

01:10:23,510 --> 01:10:19,040

that but

1786

01:10:25,750 --> 01:10:23,520

anyway well serve them right but um

1787

01:10:28,550 --> 01:10:25,760

that is that is that something you would

1788

01:10:32,630 --> 01:10:28,560

often do just so you you're just wanted

1789

01:10:37,830 --> 01:10:35,350

uh yeah we would uh tell people that we

1790

01:10:39,750 --> 01:10:37,840

guaranteed their anonymity

1791

01:10:41,750 --> 01:10:39,760

and that was one of the reasons why a

1792

01:10:44,870 --> 01:10:41,760

lot of people came forward to speak to

1793

01:10:45,990 --> 01:10:44,880

us about these cases

1794

01:10:49,350 --> 01:10:46,000

they

1795

01:10:51,350 --> 01:10:49,360

not want

1796

01:10:53,430 --> 01:10:51,360

people to be

1797

01:10:55,910 --> 01:10:53,440

laughing at them or family members to

1798

01:10:57,189 --> 01:10:55,920

know about it

1799

01:10:58,870 --> 01:10:57,199

when you were investigating that

1800

01:11:00,470 --> 01:10:58,880

particular case

1801

01:11:02,470 --> 01:11:00,480

i i don't know what the

1802

01:11:04,229 --> 01:11:02,480

what the ground is like there i know a

1803

01:11:06,229 --> 01:11:04,239

lot of um

1804

01:11:08,950 --> 01:11:06,239

where i walked you wouldn't really see

1805

01:11:11,270 --> 01:11:08,960

footprints but some places you you had

1806

01:11:12,550 --> 01:11:11,280

mentioned you know like where you

1807

01:11:14,390 --> 01:11:12,560

cast those

1808

01:11:16,070 --> 01:11:14,400

uh bigfoot

1809

01:11:17,990 --> 01:11:16,080

prints and things like that but did you

1810

01:11:19,990 --> 01:11:18,000

look in this particular case

1811

01:11:21,270 --> 01:11:20,000

to see if you could find any evidence of

1812

01:11:23,110 --> 01:11:21,280

tracks

1813

01:11:24,830 --> 01:11:23,120

leading down from the hill where this

1814

01:11:28,149 --> 01:11:24,840

supposedly

1815

01:11:29,590 --> 01:11:28,159

was yes we did we hiked that entire

1816

01:11:32,709 --> 01:11:29,600

ridge line

1817

01:11:35,030 --> 01:11:32,719

uh we even uh went up there with uh

1818

01:11:35,669 --> 01:11:35,040

dissimeter looking at radiation readings

1819

01:11:39,750 --> 01:11:35,679

and

1820

01:11:40,950 --> 01:11:39,760

readings to see if there was a an

1821

01:11:42,790 --> 01:11:40,960

increase

1822

01:11:45,750 --> 01:11:42,800

uh we were looking for ground effects

1823

01:11:47,830 --> 01:11:45,760

left left over we didn't find any so we

1824

01:11:49,110 --> 01:11:47,840

assumed that whatever it was is probably

1825

01:11:50,390 --> 01:11:49,120

hovering

1826

01:11:52,630 --> 01:11:50,400

um

1827

01:11:54,630 --> 01:11:52,640

on the ground at the bottom we found a

1828

01:11:56,390 --> 01:11:54,640

series of

1829

01:11:58,470 --> 01:11:56,400

uh small

1830

01:12:00,149 --> 01:11:58,480

circular marks

1831

01:12:02,310 --> 01:12:00,159

in the snow

1832

01:12:05,110 --> 01:12:02,320

that were in a straight line oh and

1833

01:12:05,910 --> 01:12:05,120

there's no there was snow there

1834

01:12:09,030 --> 01:12:05,920

yeah

1835

01:12:12,630 --> 01:12:09,040

there was it was patches of snow

1836

01:12:14,550 --> 01:12:12,640

and and uh and mud

1837

01:12:16,550 --> 01:12:14,560

oh wow and these tracks were all in a

1838

01:12:21,030 --> 01:12:16,560

straight line going for

1839

01:12:24,709 --> 01:12:22,709

so when you when you're interviewing

1840

01:12:27,030 --> 01:12:24,719

someone like this i i have talked to

1841

01:12:28,310 --> 01:12:27,040

other you know policemen that i've known

1842

01:12:30,310 --> 01:12:28,320

over the years and stuff like that but

1843

01:12:31,270 --> 01:12:30,320

they really watch the body language is

1844

01:12:37,830 --> 01:12:31,280

that

1845

01:12:39,830 --> 01:12:37,840

gentleman was

1846

01:12:41,910 --> 01:12:39,840

you know uh

1847

01:12:44,470 --> 01:12:41,920

straight with you and

1848

01:12:48,070 --> 01:12:44,480

uh did what did you also think that did

1849

01:12:55,110 --> 01:12:52,070

uh we noticed that there was no fear

1850

01:12:57,430 --> 01:12:55,120

uh he was very concerned

1851

01:12:59,990 --> 01:12:57,440

when he heard the dog yelp

1852

01:13:02,709 --> 01:13:00,000

and the dog came running back in fact

1853

01:13:04,630 --> 01:13:02,719

several weeks later after we did our

1854

01:13:08,709 --> 01:13:04,640

initial investigation

1855

01:13:10,950 --> 01:13:08,719

that blue healer pup died

1856

01:13:12,070 --> 01:13:10,960

the family didn't tell us about it

1857

01:13:13,510 --> 01:13:12,080

otherwise we would have had it

1858

01:13:15,430 --> 01:13:13,520

necropsied

1859

01:13:19,189 --> 01:13:15,440

that

1860

01:13:20,470 --> 01:13:19,199

but we think it might have had something

1861

01:13:23,030 --> 01:13:20,480

to do with the

1862

01:13:25,110 --> 01:13:23,040

with the contact with the uh

1863

01:13:27,590 --> 01:13:25,120

with the occupants of that uh vehicle

1864

01:13:29,350 --> 01:13:27,600

that was up on top of the ridge so

1865

01:13:31,590 --> 01:13:29,360

that's actually the same dog that went

1866

01:13:34,310 --> 01:13:31,600

after whatever it was and then came back

1867

01:13:36,630 --> 01:13:34,320

yelped and came back

1868

01:13:39,750 --> 01:13:36,640

yeah yeah that's just damn dog

1869

01:13:41,510 --> 01:13:39,760

wow yeah that's too bad that's sad

1870

01:13:43,590 --> 01:13:41,520

oh interesting

1871

01:13:45,189 --> 01:13:43,600

so in a case like this

1872

01:13:47,910 --> 01:13:45,199

and we

1873

01:13:48,790 --> 01:13:47,920

we would rate him as far as being a

1874

01:13:50,709 --> 01:13:48,800

witness

1875

01:13:54,390 --> 01:13:50,719

and putting him on the stand

1876

01:13:56,950 --> 01:13:54,400

as a very reliable witness

1877

01:13:57,910 --> 01:13:56,960

we he actually spoke in navajo the whole

1878

01:13:59,910 --> 01:13:57,920

time

1879

01:14:02,149 --> 01:13:59,920

we brought in a

1880

01:14:03,350 --> 01:14:02,159

federal court interpreter

1881

01:14:05,750 --> 01:14:03,360

that was

1882

01:14:07,189 --> 01:14:05,760

interpreting doing simultaneous

1883

01:14:08,229 --> 01:14:07,199

translation

1884

01:14:10,229 --> 01:14:08,239

for us

1885

01:14:11,270 --> 01:14:10,239

so this is somebody who has gone through

1886

01:14:12,149 --> 01:14:11,280

a course

1887

01:14:13,910 --> 01:14:12,159

to

1888

01:14:15,830 --> 01:14:13,920

interpret for navajo people at the

1889

01:14:17,430 --> 01:14:15,840

federal court level

1890

01:14:19,350 --> 01:14:17,440

and um

1891

01:14:21,910 --> 01:14:19,360

simultaneous translation is very

1892

01:14:23,350 --> 01:14:21,920

difficult to do you as they're speaking

1893

01:14:26,070 --> 01:14:23,360

you're speaking and

1894

01:14:30,390 --> 01:14:26,080

relating exactly what they're saying

1895

01:14:33,189 --> 01:14:30,400

wow wow interesting and so when you

1896

01:14:35,990 --> 01:14:33,199

in a situation like that how do you

1897

01:14:38,390 --> 01:14:36,000

how do you how are you alerted to this

1898

01:14:41,510 --> 01:14:38,400

particular situation when something like

1899

01:14:46,550 --> 01:14:44,630

well in this case uh it was a ranger

1900

01:14:48,790 --> 01:14:46,560

that worked in that area

1901

01:14:50,229 --> 01:14:48,800

that had heard about it and had talked

1902

01:14:52,870 --> 01:14:50,239

to the old man

1903

01:14:55,110 --> 01:14:52,880

and uh relayed that information to us

1904

01:14:57,590 --> 01:14:55,120

and says hey

1905

01:14:58,709 --> 01:14:57,600

we got this thing going on over here

1906

01:15:00,870 --> 01:14:58,719

um

1907

01:15:03,750 --> 01:15:00,880

after we did the investigation we

1908

01:15:05,990 --> 01:15:03,760

maintained contact with that family

1909

01:15:07,510 --> 01:15:06,000

for about four years checking in on them

1910

01:15:09,750 --> 01:15:07,520

every now and then to see if they were

1911

01:15:12,070 --> 01:15:09,760

doing okay

1912

01:15:16,070 --> 01:15:12,080

and no we know in this particular case

1913

01:15:16,080 --> 01:15:19,350

no no reoccurrence

1914

01:15:23,590 --> 01:15:20,390

interesting

1915

01:15:25,270 --> 01:15:23,600

and so uh you know you hear of someone

1916

01:15:27,590 --> 01:15:25,280

that doesn't have any

1917

01:15:28,550 --> 01:15:27,600

electricity or running water

1918

01:15:31,030 --> 01:15:28,560

and

1919

01:15:32,550 --> 01:15:31,040

i'm assuming that means no telephone any

1920

01:15:34,790 --> 01:15:32,560

way to communicate

1921

01:15:37,270 --> 01:15:34,800

um you're kind of isolated that's that

1922

01:15:39,830 --> 01:15:37,280

could be a scary situation for most

1923

01:15:43,910 --> 01:15:39,840

people but i imagine um they're just

1924

01:15:49,590 --> 01:15:46,870

oh yeah yeah in fact uh we've gone on

1925

01:15:52,390 --> 01:15:49,600

rescue operations during uh like winter

1926

01:15:54,229 --> 01:15:52,400

snow lifts or mud lifts where people

1927

01:15:55,270 --> 01:15:54,239

can't get out on the roads on the dirt

1928

01:15:56,709 --> 01:15:55,280

roads

1929

01:15:59,510 --> 01:15:56,719

and

1930

01:16:01,270 --> 01:15:59,520

we go in on snowmobiles or on four-wheel

1931

01:16:03,910 --> 01:16:01,280

atvs and stuff

1932

01:16:06,870 --> 01:16:03,920

and or six-wheel uh

1933

01:16:08,149 --> 01:16:06,880

six by six uh truck

1934

01:16:09,270 --> 01:16:08,159

deuce and a half

1935

01:16:11,189 --> 01:16:09,280

and

1936

01:16:13,270 --> 01:16:11,199

meet with the families back there to see

1937

01:16:15,590 --> 01:16:13,280

if you know they need food water

1938

01:16:18,709 --> 01:16:15,600

supplies whatever

1939

01:16:20,390 --> 01:16:18,719

the 20 something year olds are in dire

1940

01:16:22,149 --> 01:16:20,400

need because they can't get out that

1941

01:16:23,030 --> 01:16:22,159

night to get pizza

1942

01:16:27,750 --> 01:16:23,040

uh

1943

01:16:29,590 --> 01:16:27,760

grandma and grandpa

1944

01:16:31,270 --> 01:16:29,600

we ask them do you have enough water and

1945

01:16:33,510 --> 01:16:31,280

they just point to all the snow and they

1946

01:16:34,630 --> 01:16:33,520

say yeah there's plenty of water here

1947

01:16:43,270 --> 01:16:34,640

and

1948

01:16:44,709 --> 01:16:43,280

everything else in there that could last

1949

01:16:46,790 --> 01:16:44,719

them all winter

1950

01:16:48,709 --> 01:16:46,800

they've got a big wood pile

1951

01:16:49,990 --> 01:16:48,719

uh they're they're sad they say we don't

1952

01:16:52,470 --> 01:16:50,000

need any help

1953

01:16:53,910 --> 01:16:52,480

but uh 20-something year olds yeah they

1954

01:16:55,510 --> 01:16:53,920

need help

1955

01:16:57,910 --> 01:16:55,520

yeah that's right if we ever lost our

1956

01:17:00,070 --> 01:16:57,920

power or something those people would

1957

01:17:02,310 --> 01:17:00,080

survive and we wouldn't

1958

01:17:05,350 --> 01:17:02,320

that's how that would go that's right

1959

01:17:08,070 --> 01:17:05,360

yeah yeah interesting um so

1960

01:17:09,510 --> 01:17:08,080

yeah that case is really fascinating and

1961

01:17:10,630 --> 01:17:09,520

and um

1962

01:17:13,110 --> 01:17:10,640

and

1963

01:17:14,870 --> 01:17:13,120

you mentioned that you took some

1964

01:17:17,030 --> 01:17:14,880

equipment out and you checked to see if

1965

01:17:18,229 --> 01:17:17,040

there was any radiation or anything like

1966

01:17:20,870 --> 01:17:18,239

that is that

1967

01:17:23,669 --> 01:17:20,880

typical um do you have that equipment

1968

01:17:25,910 --> 01:17:23,679

for other types of cases or is it just

1969

01:17:29,510 --> 01:17:25,920

for when you're doing these type of uh

1970

01:17:32,310 --> 01:17:29,520

when you were doing these type of cases

1971

01:17:33,910 --> 01:17:32,320

uh mainly for what we call ground

1972

01:17:35,270 --> 01:17:33,920

occupant sightings

1973

01:17:37,510 --> 01:17:35,280

um

1974

01:17:38,790 --> 01:17:37,520

if if we have something that is

1975

01:17:42,070 --> 01:17:38,800

considered

1976

01:17:45,110 --> 01:17:42,080

uh out of the ordinary um

1977

01:17:48,149 --> 01:17:45,120

that might need a closer look at it

1978

01:17:49,030 --> 01:17:48,159

uh will will bring more

1979

01:17:50,630 --> 01:17:49,040

uh

1980

01:17:53,030 --> 01:17:50,640

outside

1981

01:17:55,430 --> 01:17:53,040

uh interest to bear on it

1982

01:17:56,470 --> 01:17:55,440

like the environmental protection agency

1983

01:17:59,590 --> 01:17:56,480

or whatever

1984

01:18:00,950 --> 01:17:59,600

but for normal cases uh we would have

1985

01:18:04,229 --> 01:18:00,960

flybys

1986

01:18:06,709 --> 01:18:04,239

uh which is you know i saw this object

1987

01:18:08,310 --> 01:18:06,719

you know appear here and disappeared

1988

01:18:09,350 --> 01:18:08,320

over there and they're pointing at the

1989

01:18:10,950 --> 01:18:09,360

sky

1990

01:18:17,669 --> 01:18:10,960

uh

1991

01:18:19,990 --> 01:18:17,679

correlate it with other reports

1992

01:18:22,390 --> 01:18:20,000

but uh the chances are is you're not

1993

01:18:23,350 --> 01:18:22,400

going to go any further than that

1994

01:18:25,189 --> 01:18:23,360

right

1995

01:18:27,110 --> 01:18:25,199

yeah yeah

1996

01:18:28,709 --> 01:18:27,120

now you mentioned

1997

01:18:32,229 --> 01:18:28,719

uh the other things that you've

1998

01:18:34,390 --> 01:18:32,239

investigated uh witchcraft which is uh

1999

01:18:36,950 --> 01:18:34,400

fascinating and also

2000

01:18:40,630 --> 01:18:36,960

hauntings i don't know if you if there's

2001

01:18:43,030 --> 01:18:40,640

uh other ufo i mean this show of course

2002

01:18:46,070 --> 01:18:43,040

is about ufos so i'd rather you know

2003

01:18:49,189 --> 01:18:46,080

mostly stick to that topic but um if you

2004

01:18:51,590 --> 01:18:49,199

do you have other ufo uh cases you can

2005

01:18:53,430 --> 01:18:51,600

talk about

2006

01:18:55,750 --> 01:18:53,440

oh sure sure

2007

01:18:57,110 --> 01:18:55,760

um i talked about that case up in the

2008

01:18:58,950 --> 01:18:57,120

ship rock where we were doing the

2009

01:19:00,229 --> 01:18:58,960

bigfoot investigation

2010

01:19:01,590 --> 01:19:00,239

uh

2011

01:19:03,669 --> 01:19:01,600

after that

2012

01:19:07,030 --> 01:19:03,679

we left in the evening

2013

01:19:08,550 --> 01:19:07,040

uh by the time i'm getting home

2014

01:19:10,470 --> 01:19:08,560

it's about

2015

01:19:13,189 --> 01:19:10,480

two o'clock in the morning

2016

01:19:15,030 --> 01:19:13,199

and i'm on the road in my in my vehicle

2017

01:19:15,910 --> 01:19:15,040

and my tribal vehicle

2018

01:19:17,910 --> 01:19:15,920

um

2019

01:19:19,990 --> 01:19:17,920

so it's it's a law enforcement vehicle

2020

01:19:21,669 --> 01:19:20,000

we've got red and blue lights on it and

2021

01:19:23,430 --> 01:19:21,679

all that kind of good stuff

2022

01:19:27,350 --> 01:19:23,440

and

2023

01:19:29,750 --> 01:19:27,360

i'm in a place called uh indian wells

2024

01:19:31,750 --> 01:19:29,760

arizona which is uh

2025

01:19:35,189 --> 01:19:31,760

near delcon

2026

01:19:38,070 --> 01:19:35,199

about 15 miles away from delcon

2027

01:19:40,550 --> 01:19:38,080

and as i'm driving i drive through this

2028

01:19:42,070 --> 01:19:40,560

area on naval route 15 called the sugar

2029

01:19:47,510 --> 01:19:42,080

bowl

2030

01:19:48,229 --> 01:19:47,520

valley where the highway goes down into

2031

01:19:50,790 --> 01:19:48,239

it

2032

01:19:52,310 --> 01:19:50,800

and then you climb up and out the other

2033

01:19:53,590 --> 01:19:52,320

side

2034

01:19:55,510 --> 01:19:53,600

and um

2035

01:19:57,110 --> 01:19:55,520

so the the officers and everybody just

2036

01:19:58,630 --> 01:19:57,120

call it sugar bowl

2037

01:20:00,709 --> 01:19:58,640

and

2038

01:20:03,669 --> 01:20:00,719

as i came out of it

2039

01:20:06,229 --> 01:20:03,679

on the right hand side of the road i see

2040

01:20:07,030 --> 01:20:06,239

what looks like a green ball

2041

01:20:09,110 --> 01:20:07,040

and

2042

01:20:10,950 --> 01:20:09,120

it's lit up pretty brightly

2043

01:20:12,070 --> 01:20:10,960

but i'm thinking it's probably

2044

01:20:13,830 --> 01:20:12,080

somebody's

2045

01:20:16,149 --> 01:20:13,840

street light that you know they have

2046

01:20:18,870 --> 01:20:16,159

near their house

2047

01:20:21,510 --> 01:20:18,880

something like a mercury vapor light

2048

01:20:23,669 --> 01:20:21,520

so i keep driving down the road

2049

01:20:26,070 --> 01:20:23,679

and pretty soon i keep seeing this this

2050

01:20:28,229 --> 01:20:26,080

green ball behind me maybe about a

2051

01:20:31,110 --> 01:20:28,239

couple of hundred yards and then it

2052

01:20:33,510 --> 01:20:31,120

approaches to about a hundred yards

2053

01:20:35,430 --> 01:20:33,520

now i'm watching it pretty intently in

2054

01:20:38,390 --> 01:20:35,440

my rearview mirror

2055

01:20:41,590 --> 01:20:38,400

and uh i'm thinking to myself

2056

01:20:43,910 --> 01:20:41,600

should i turn around and

2057

01:20:45,669 --> 01:20:43,920

head on with it and see what it is

2058

01:20:48,149 --> 01:20:45,679

or should i pull over to the side of the

2059

01:20:50,629 --> 01:20:48,159

road and let it catch up and pass me

2060

01:20:53,669 --> 01:20:50,639

you know and i've just got all these

2061

01:20:54,950 --> 01:20:53,679

thoughts going through my head

2062

01:20:57,430 --> 01:20:54,960

and

2063

01:20:59,590 --> 01:20:57,440

one of the things that

2064

01:21:01,510 --> 01:20:59,600

i don't do is i don't think you know

2065

01:21:03,189 --> 01:21:01,520

should i get out and shoot at it

2066

01:21:04,790 --> 01:21:03,199

because obviously that could be the

2067

01:21:07,350 --> 01:21:04,800

wrong thing to do

2068

01:21:09,510 --> 01:21:07,360

and uh but that's what we do right we we

2069

01:21:11,350 --> 01:21:09,520

poke at things with a stick and

2070

01:21:13,030 --> 01:21:11,360

throw rocks at it

2071

01:21:15,350 --> 01:21:13,040

so

2072

01:21:17,990 --> 01:21:15,360

as i'm as i'm watching this thing it

2073

01:21:19,669 --> 01:21:18,000

veered off the road to the left or to

2074

01:21:22,149 --> 01:21:19,679

the south of the road

2075

01:21:24,870 --> 01:21:22,159

uh just before i get to delecon

2076  
01:21:27,189 --> 01:21:24,880  
and goes out through where there's no

2077  
01:21:28,390 --> 01:21:27,199  
dirt roads it's just drifting over the

2078  
01:21:30,629 --> 01:21:28,400  
grass

2079  
01:21:33,430 --> 01:21:30,639  
and i can see

2080  
01:21:34,629 --> 01:21:33,440  
the ground lit up under it

2081  
01:21:37,669 --> 01:21:34,639  
and

2082  
01:21:39,830 --> 01:21:37,679  
as i watch it it goes up on top of about

2083  
01:21:41,590 --> 01:21:39,840  
a mile off the road it goes on top this

2084  
01:21:44,390 --> 01:21:41,600  
little mesa

2085  
01:21:46,149 --> 01:21:44,400  
and from there it started to parallel

2086  
01:21:48,870 --> 01:21:46,159  
my course

2087  
01:21:51,669 --> 01:21:48,880  
and as it started doing that the light

2088  
01:21:54,310 --> 01:21:51,679

turned from green to red

2089

01:21:57,030 --> 01:21:54,320

and now i'm thinking i'm getting this

2090

01:21:59,350 --> 01:21:57,040

weird weird feeling uh and i've never

2091

01:22:02,229 --> 01:21:59,360

had it before or since

2092

01:22:03,590 --> 01:22:02,239

that there's uh there's a malevolent

2093

01:22:07,350 --> 01:22:03,600

intent

2094

01:22:10,229 --> 01:22:07,360

that this thing does not mean me well

2095

01:22:12,870 --> 01:22:10,239

and so now i'm watching it quite a bit

2096

01:22:17,830 --> 01:22:12,880

but i'm still going down the road

2097

01:22:20,629 --> 01:22:17,840

and i went a total of let's see 15

2098

01:22:23,110 --> 01:22:20,639

20 about 25 miles

2099

01:22:25,430 --> 01:22:23,120

total with this thing following me and

2100

01:22:27,350 --> 01:22:25,440

then going along the side of me

2101  
01:22:29,830 --> 01:22:27,360  
and um

2102  
01:22:33,830 --> 01:22:29,840  
it just and it stayed on top of the mesa

2103  
01:22:36,550 --> 01:22:33,840  
tops uh to my left as i'm driving

2104  
01:22:38,790 --> 01:22:36,560  
and it suddenly just faded out and

2105  
01:22:39,910 --> 01:22:38,800  
disappeared

2106  
01:22:42,950 --> 01:22:39,920  
wow

2107  
01:22:44,310 --> 01:22:42,960  
so that that was a real weird one for me

2108  
01:22:46,149 --> 01:22:44,320  
i always wonder what would have happened

2109  
01:22:48,070 --> 01:22:46,159  
if i had turned around and

2110  
01:22:49,270 --> 01:22:48,080  
and gone head-on with it to see what it

2111  
01:22:52,709 --> 01:22:49,280  
was

2112  
01:22:54,870 --> 01:22:52,719  
but very very very interesting wow

2113  
01:22:56,149 --> 01:22:54,880

uh i i have something that i'm going to

2114

01:22:57,990 --> 01:22:56,159

share with you that someone out there

2115

01:22:59,590 --> 01:22:58,000

told me a story about but

2116

01:23:02,390 --> 01:22:59,600

you just reminded me when you said about

2117

01:23:05,270 --> 01:23:02,400

the mesa but um someone in chat wanted

2118

01:23:09,110 --> 01:23:05,280

me to ask you about a giant rabbit are

2119

01:23:14,229 --> 01:23:11,750

yeah yeah i do know uh it's it's

2120

01:23:15,030 --> 01:23:14,239

involving another case uh a young lady

2121

01:23:16,229 --> 01:23:15,040

was

2122

01:23:17,510 --> 01:23:16,239

coming

2123

01:23:19,110 --> 01:23:17,520

home

2124

01:23:20,709 --> 01:23:19,120

in the middle of the night she she

2125

01:23:22,390 --> 01:23:20,719

worked late nights

2126

01:23:25,189 --> 01:23:22,400

and

2127

01:23:26,310 --> 01:23:25,199

she has an encounter with uh with a red

2128

01:23:28,629 --> 01:23:26,320

orb

2129

01:23:30,870 --> 01:23:28,639

and as she's going down the road this

2130

01:23:33,750 --> 01:23:30,880

this orb changed from something about

2131

01:23:35,510 --> 01:23:33,760

the size of a say a beach ball

2132

01:23:37,910 --> 01:23:35,520

to something about

2133

01:23:39,990 --> 01:23:37,920

a little bit bigger than a softball

2134

01:23:42,229 --> 01:23:40,000

that's smaller than a volleyball

2135

01:23:44,790 --> 01:23:42,239

and now it's white and it's flying right

2136

01:23:46,870 --> 01:23:44,800

along the left side of her car as she's

2137

01:23:48,470 --> 01:23:46,880

driving down the road

2138

01:23:49,830 --> 01:23:48,480

um

2139

01:23:52,470 --> 01:23:49,840

this thing

2140

01:23:54,310 --> 01:23:52,480

speeds up zips in front of her and then

2141

01:23:57,270 --> 01:23:54,320

makes a right angle turn

2142

01:23:59,590 --> 01:23:57,280

and goes over the horizon uh like a

2143

01:24:02,310 --> 01:23:59,600

shooting star she said she's looking

2144

01:24:03,590 --> 01:24:02,320

over the top of your steering wheel at

2145

01:24:05,430 --> 01:24:03,600

it

2146

01:24:08,470 --> 01:24:05,440

when she gets home

2147

01:24:13,590 --> 01:24:08,480

she pulls into her driveway

2148

01:24:14,950 --> 01:24:13,600

uh on there's a dirt area uh on the side

2149

01:24:18,149 --> 01:24:14,960

uh because there's another vehicle

2150

01:24:18,950 --> 01:24:18,159

parked on the on the concrete driveway

2151

01:24:21,350 --> 01:24:18,960

and

2152

01:24:23,830 --> 01:24:21,360

in front of her is a

2153

01:24:25,430 --> 01:24:23,840

large rabbit she says three and a half

2154

01:24:27,430 --> 01:24:25,440

to four feet tall

2155

01:24:29,189 --> 01:24:27,440

to the top head

2156

01:24:32,390 --> 01:24:29,199

and the ears

2157

01:24:34,790 --> 01:24:32,400

are together and straight back at an

2158

01:24:40,310 --> 01:24:37,990

she says this thing has black eyes

2159

01:24:42,310 --> 01:24:40,320

the fur she knows what a jackrabbit

2160

01:24:44,950 --> 01:24:42,320

looks like and what a cotton tail looks

2161

01:24:46,390 --> 01:24:44,960

like and she says the fur on this is

2162

01:24:47,350 --> 01:24:46,400

speckled

2163

01:24:49,430 --> 01:24:47,360

uh

2164

01:24:51,590 --> 01:24:49,440

almost like a pepper look

2165

01:24:53,430 --> 01:24:51,600

brown and black

2166

01:24:56,310 --> 01:24:53,440

all over

2167

01:24:57,510 --> 01:24:56,320

uh no no marks on it you know defining

2168

01:25:01,669 --> 01:24:57,520

marks

2169

01:25:04,310 --> 01:25:01,679

and she says as she watches it

2170

01:25:06,149 --> 01:25:04,320

it doesn't move it doesn't blink

2171

01:25:08,390 --> 01:25:06,159

and she

2172

01:25:10,310 --> 01:25:08,400

stopped her car

2173

01:25:12,870 --> 01:25:10,320

just short of where she usually parks

2174

01:25:15,270 --> 01:25:12,880

because this thing was in the way

2175

01:25:18,149 --> 01:25:15,280

and she's talking to her she calls her

2176  
01:25:19,270 --> 01:25:18,159  
brother who's in phoenix on the phone

2177  
01:25:21,030 --> 01:25:19,280  
and

2178  
01:25:22,870 --> 01:25:21,040  
uh says okay i'm going to make a run for

2179  
01:25:23,590 --> 01:25:22,880  
the door if you don't hear from me you

2180  
01:25:25,669 --> 01:25:23,600  
know

2181  
01:25:27,030 --> 01:25:25,679  
call somebody else that can come look

2182  
01:25:29,430 --> 01:25:27,040  
for me

2183  
01:25:31,270 --> 01:25:29,440  
and she opens the door

2184  
01:25:33,270 --> 01:25:31,280  
backs out of the car and goes around the

2185  
01:25:34,470 --> 01:25:33,280  
back of the car heads for the door of

2186  
01:25:37,030 --> 01:25:34,480  
the house

2187  
01:25:39,030 --> 01:25:37,040  
gets in locks the door she didn't sleep

2188  
01:25:41,510 --> 01:25:39,040

that night obviously

2189

01:25:43,270 --> 01:25:41,520

and the next day she had a migraine

2190

01:25:45,669 --> 01:25:43,280

headache all day and she's never had a

2191

01:25:48,229 --> 01:25:45,679

migraine in her life

2192

01:25:53,830 --> 01:25:51,590

when i did the investigation on it

2193

01:25:55,430 --> 01:25:53,840

we looked at where her vehicle was

2194

01:25:56,790 --> 01:25:55,440

parked

2195

01:25:59,430 --> 01:25:56,800

and

2196

01:26:03,590 --> 01:25:59,440

in front of it the the ground is that

2197

01:26:09,189 --> 01:26:05,990

about three inches or so under his

2198

01:26:11,350 --> 01:26:09,199

limestone base so it's very very hard

2199

01:26:13,430 --> 01:26:11,360

ground you you'd kick it with a boot and

2200

01:26:15,430 --> 01:26:13,440

you couldn't break the soil until you

2201

01:26:16,870 --> 01:26:15,440

kicked it several times

2202

01:26:18,629 --> 01:26:16,880

and uh

2203

01:26:20,390 --> 01:26:18,639

in the evening or late in the evening i

2204

01:26:22,470 --> 01:26:20,400

went back out there with a flashlight

2205

01:26:24,870 --> 01:26:22,480

because you could see disturbance to the

2206

01:26:26,870 --> 01:26:24,880

soil in front of her car

2207

01:26:29,270 --> 01:26:26,880

and i shined a

2208

01:26:31,270 --> 01:26:29,280

put a flashlight on the ground and took

2209

01:26:33,110 --> 01:26:31,280

pictures of it

2210

01:26:35,110 --> 01:26:33,120

and you could see where something had

2211

01:26:38,709 --> 01:26:35,120

been sitting there

2212

01:26:40,950 --> 01:26:38,719

uh so obviously something was was there

2213

01:26:43,110 --> 01:26:40,960

that broke that ground

2214

01:26:45,510 --> 01:26:43,120

and made some marks they were indistinct

2215

01:26:47,189 --> 01:26:45,520

but there there were marks

2216

01:26:51,110 --> 01:26:47,199

um

2217

01:26:52,709 --> 01:26:51,120

i contacted uh mufon and they said pull

2218

01:26:54,229 --> 01:26:52,719

the oil filter

2219

01:26:55,669 --> 01:26:54,239

i was put in

2220

01:26:57,030 --> 01:26:55,679

in touch with

2221

01:26:59,350 --> 01:26:57,040

chuck moldlin

2222

01:27:00,470 --> 01:26:59,360

who is was the star team member at that

2223

01:27:01,910 --> 01:27:00,480

time

2224

01:27:10,310 --> 01:27:01,920

and

2225

01:27:13,750 --> 01:27:10,320

look for magnetic anomalies

2226

01:27:16,950 --> 01:27:13,760

what we found was a magnetic

2227

01:27:18,229 --> 01:27:16,960

area in front of the front door about

2228

01:27:20,070 --> 01:27:18,239

metal

2229

01:27:22,550 --> 01:27:20,080

and

2230

01:27:23,590 --> 01:27:22,560

the other area that where the needle

2231

01:27:26,390 --> 01:27:23,600

pinned

2232

01:27:28,229 --> 01:27:26,400

was just behind the driver's door

2233

01:27:30,709 --> 01:27:28,239

on the side of the vehicle

2234

01:27:33,669 --> 01:27:30,719

if you took a string and

2235

01:27:37,590 --> 01:27:33,679

put a string between those two places

2236

01:27:41,830 --> 01:27:38,870

so

2237

01:27:43,910 --> 01:27:41,840

whatever it was must have

2238

01:27:45,110 --> 01:27:43,920

flashed something at her that that went

2239

01:27:48,550 --> 01:27:45,120

through her

2240

01:27:50,470 --> 01:27:48,560

and created magnetic anomalies on the on

2241

01:27:52,950 --> 01:27:50,480

the surface of the vehicle

2242

01:27:55,830 --> 01:27:52,960

uh shortly after that her alternator

2243

01:27:57,590 --> 01:27:55,840

went out her water pump had gone out

2244

01:28:00,870 --> 01:27:57,600

she ended up getting rid of the car

2245

01:28:03,270 --> 01:28:00,880

because of the electronic problems

2246

01:28:05,110 --> 01:28:03,280

ah how about that i'm going to try and

2247

01:28:07,830 --> 01:28:05,120

experiment i have a

2248

01:28:10,229 --> 01:28:07,840

a phone line here that i have

2249

01:28:11,350 --> 01:28:10,239

i have now for i'm going to put the

2250

01:28:12,550 --> 01:28:11,360

number up

2251

01:28:17,270 --> 01:28:12,560

um

2252

01:28:19,910 --> 01:28:17,280

everything else show uh taking calls

2253

01:28:21,510 --> 01:28:19,920

when i'm not on kgra radio with bill

2254

01:28:22,950 --> 01:28:21,520

helping me out which is a case tonight

2255

01:28:25,510 --> 01:28:22,960

because you're actually on that phone

2256

01:28:26,950 --> 01:28:25,520

line so i have a new number posted it's

2257

01:28:30,149 --> 01:28:26,960

207

2258

01:28:32,870 --> 01:28:31,590

so here's the thing if you're going to

2259

01:28:34,790 --> 01:28:32,880

call in

2260

01:28:35,830 --> 01:28:34,800

i'm going to have to put you on hold and

2261

01:28:37,270 --> 01:28:35,840

then i'm going to put you on

2262

01:28:39,590 --> 01:28:37,280

speakerphone i'm not going to be able to

2263

01:28:42,870 --> 01:28:39,600

screen the call so be nice

2264

01:28:46,990 --> 01:28:42,880

and i will take calls at this point if

2265

01:28:49,590 --> 01:28:47,000

someone wants to call in at 207

2266

01:28:50,709 --> 01:28:49,600

482-056 i actually hope someone calls in

2267

01:28:52,550 --> 01:28:50,719

because i want to

2268

01:28:53,990 --> 01:28:52,560

i haven't been able to test this out

2269

01:28:55,030 --> 01:28:54,000

you're going to be my guinea pig whoever

2270

01:28:57,669 --> 01:28:55,040

calls in

2271

01:28:58,550 --> 01:28:57,679

and the number's up on the screen and so

2272

01:29:00,870 --> 01:28:58,560

that

2273

01:29:01,750 --> 01:29:00,880

line is open and ready for you to call

2274

01:29:03,910 --> 01:29:01,760

in

2275

01:29:05,350 --> 01:29:03,920

and uh so

2276

01:29:08,070 --> 01:29:05,360

this is uh

2277

01:29:10,470 --> 01:29:08,080

that that story is you know the weird

2278

01:29:12,709 --> 01:29:10,480

stories like that

2279

01:29:14,470 --> 01:29:12,719

um i heard greg bishop say this i'm kind

2280

01:29:15,990 --> 01:29:14,480

of parroting what he says but i've i

2281

01:29:18,229 --> 01:29:16,000

kind of agree with him

2282

01:29:19,669 --> 01:29:18,239

that i love the strange stories because

2283

01:29:22,470 --> 01:29:19,679

they seem

2284

01:29:25,430 --> 01:29:22,480

in some way more credible as

2285

01:29:27,590 --> 01:29:25,440

how could you make something up

2286

01:29:29,189 --> 01:29:27,600

like that you know it's such a bizarre

2287

01:29:30,790 --> 01:29:29,199

thing i do want to tell you what i was

2288

01:29:33,830 --> 01:29:30,800

told out there

2289

01:29:36,390 --> 01:29:33,840

um from a woman that uh i was out

2290

01:29:37,669 --> 01:29:36,400

walking my dog at the time

2291

01:29:39,030 --> 01:29:37,679

and

2292

01:29:55,510 --> 01:29:39,040

i

2293

01:29:57,510 --> 01:29:55,520

caller

2294

01:29:59,030 --> 01:29:57,520

so i'm gonna go back into that thought

2295

01:30:00,550 --> 01:29:59,040

because i really have to try this out

2296

01:30:02,709 --> 01:30:00,560

see how it works

2297

01:30:04,470 --> 01:30:02,719

but and i will finish that story in just

2298

01:30:07,030 --> 01:30:04,480

a minute um

2299

01:30:09,350 --> 01:30:07,040

caller you are live on the air right now

2300

01:30:10,550 --> 01:30:09,360

um and just keep in mind you have to

2301

01:30:14,629 --> 01:30:10,560

mute your

2302

01:30:18,310 --> 01:30:16,709

so

2303

01:30:21,590 --> 01:30:18,320

there you are caller your name and where

2304

01:30:26,950 --> 01:30:23,830

i'm right and this is uh bob gross i'm

2305

01:30:29,590 --> 01:30:26,960

calling from the chicago area hi there

2306

01:30:31,350 --> 01:30:29,600

how are you welcome good how are you

2307

01:30:33,510 --> 01:30:31,360

good thanks for being my guinea pig i

2308

01:30:36,229 --> 01:30:33,520

hope the people can hear

2309

01:30:38,390 --> 01:30:36,239

i hope that people can hear on on the uh

2310

01:30:40,870 --> 01:30:38,400

on this show so you have a question for

2311

01:30:42,390 --> 01:30:40,880

our guest tonight

2312

01:30:44,790 --> 01:30:42,400

yes

2313

01:30:47,350 --> 01:30:44,800

as you know i used to live on the navajo

2314

01:30:48,950 --> 01:30:47,360

reservation that's right and i wanted to

2315

01:30:52,629 --> 01:30:48,960

ask him if he

2316

01:30:55,189 --> 01:30:52,639

uh heard any of the stories that uh the

2317

01:30:57,750 --> 01:30:55,199

native americans lived in greecewood

2318

01:31:05,030 --> 01:30:57,760

springs arizona used to tell about the

2319

01:31:10,870 --> 01:31:09,110

yeah about ufo sightings in greecewood

2320

01:31:12,149 --> 01:31:10,880

we have a lot of

2321

01:31:14,550 --> 01:31:12,159

tribal members there and they were

2322

01:31:17,189 --> 01:31:14,560

describing that they were regularly

2323

01:31:19,990 --> 01:31:17,199

seeing these ufos

2324

01:31:22,550 --> 01:31:20,000

in the greasewood springs area

2325

01:31:25,270 --> 01:31:22,560

i don't want to know if you heard

2326

01:31:31,189 --> 01:31:28,390

yeah we investigated a case where we had

2327

01:31:34,310 --> 01:31:31,199

ufos actually flying into

2328

01:31:35,350 --> 01:31:34,320

satan butte which is in that greasewood

2329

01:31:36,390 --> 01:31:35,360

area

2330

01:31:39,430 --> 01:31:36,400

and

2331

01:31:43,270 --> 01:31:39,440

they were actually flying into the butte

2332

01:31:44,470 --> 01:31:43,280

um right we also found out that satan

2333

01:31:47,590 --> 01:31:44,480

butte

2334

01:31:49,830 --> 01:31:47,600

is on the same longitude that skinwalker

2335

01:31:50,790 --> 01:31:49,840

ranch is located at

2336

01:31:52,950 --> 01:31:50,800

so

2337

01:31:56,149 --> 01:31:52,960

we had a lot of the same kind of things

2338

01:32:01,910 --> 01:31:59,110

yes but uh the people the elders from

2339

01:32:04,709 --> 01:32:01,920

the tribe were telling me

2340

01:32:07,270 --> 01:32:04,719

uh that they would it was so regular

2341

01:32:09,350 --> 01:32:07,280

regular that they were taking their lawn

2342

01:32:12,950 --> 01:32:09,360

chairs and they would sit out in their

2343

01:32:16,229 --> 01:32:12,960

lawns and watch the ufos fly in

2344

01:32:24,830 --> 01:32:19,510

uh yeah some of them look like tuna fish

2345

01:32:29,990 --> 01:32:29,110

wow yep yeah uh that whole area there

2346

01:32:32,390 --> 01:32:30,000

um

2347

01:32:33,430 --> 01:32:32,400

from the transwestern station up toward

2348

01:32:37,910 --> 01:32:33,440

uh

2349

01:32:42,310 --> 01:32:37,920

down through greecewood springs down

2350

01:32:44,470 --> 01:32:42,320

toward tanner wash and no water mesa

2351

01:32:46,709 --> 01:32:44,480

we've seen a lot of activity and we've

2352

01:32:50,550 --> 01:32:46,719

seen a lot of military activity

2353

01:32:53,910 --> 01:32:50,560

with helicopter flyovers in that area

2354

01:32:56,229 --> 01:32:53,920

and decided to work with young jeff tom

2355

01:32:58,870 --> 01:32:56,239

and back when joe shirley

2356

01:33:01,110 --> 01:32:58,880

was with the tribe and there were a lot

2357

01:33:02,950 --> 01:33:01,120

of strange things that happened there

2358

01:33:05,669 --> 01:33:02,960

all the time especially with the working

2359

01:33:09,189 --> 01:33:05,679

with the medicine men and borrego pass

2360

01:33:12,629 --> 01:33:09,199

is where i used to live

2361

01:33:16,629 --> 01:33:12,639

okay i'm familiar with that area too

2362

01:33:18,310 --> 01:33:16,639

yeah all all over the whole place

2363

01:33:20,830 --> 01:33:18,320

we actually had a

2364

01:33:23,030 --> 01:33:20,840

a young girl who was visiting her

2365

01:33:25,430 --> 01:33:23,040

grandmother and

2366

01:33:26,310 --> 01:33:25,440

in front of the hogan there's a shadow

2367

01:33:28,550 --> 01:33:26,320

that's

2368

01:33:30,870 --> 01:33:28,560

locked out the light and the young girl

2369

01:33:33,669 --> 01:33:30,880

is looking out and she says grandma

2370

01:33:36,390 --> 01:33:33,679

grandma look look and there was a seven

2371

01:33:38,550 --> 01:33:36,400

or eight foot disc hovering right in

2372

01:33:40,390 --> 01:33:38,560

front of the hogan door

2373

01:33:42,229 --> 01:33:40,400

and the grandmother

2374

01:33:44,390 --> 01:33:42,239

looked at her and she says uh don't

2375

01:33:47,110 --> 01:33:44,400

worry about them she says they're always

2376

01:33:47,120 --> 01:33:56,790

interesting

2377

01:34:03,990 --> 01:33:59,669

hi thanks for the call dr bob gross

2378

01:34:06,709 --> 01:34:04,000

thanks for the call take care thank you

2379

01:34:08,950 --> 01:34:06,719

um he was a guest uh previously on the

2380

01:34:10,070 --> 01:34:08,960

on this show um

2381

01:34:12,310 --> 01:34:10,080

well that's

2382

01:34:14,229 --> 01:34:12,320

the the as i was continuing this so i

2383

01:34:16,629 --> 01:34:14,239

met this this girl that when i was

2384

01:34:19,669 --> 01:34:16,639

walking my dog she worked at the casino

2385

01:34:22,709 --> 01:34:19,679

and she said so what's going on uh next

2386

01:34:24,229 --> 01:34:22,719

door and i said well it's a ufo

2387

01:34:26,550 --> 01:34:24,239

um you know it's basically a ufo

2388

01:34:29,350 --> 01:34:26,560

convention the international

2389

01:34:31,189 --> 01:34:29,360

ufo congress and she said oh well i

2390

01:34:33,350 --> 01:34:31,199

should check that out because you know i

2391

01:34:35,750 --> 01:34:33,360

i i had a ufo sighting

2392

01:34:38,070 --> 01:34:35,760

and so i asked her i said well you know

2393

01:34:40,149 --> 01:34:38,080

i always love when this happens because

2394

01:34:41,590 --> 01:34:40,159

you hear a fresh story that you've never

2395

01:34:44,070 --> 01:34:41,600

heard before

2396

01:34:45,430 --> 01:34:44,080

and she said that she was driving along

2397

01:34:47,910 --> 01:34:45,440

with her friend

2398

01:34:50,310 --> 01:34:47,920

um through um

2399

01:34:53,189 --> 01:34:50,320

you know in that area but she said

2400

01:34:56,149 --> 01:34:53,199

something they saw something black um

2401

01:34:57,990 --> 01:34:56,159

off the coming off the top of a mesa

2402

01:35:01,350 --> 01:34:58,000

and heading over toward their car and it

2403

01:35:03,830 --> 01:35:01,360

was something really big and it followed

2404

01:35:06,550 --> 01:35:03,840

them they she closed she got scared

2405

01:35:09,270 --> 01:35:06,560

close the sunroof wouldn't look up and

2406

01:35:10,870 --> 01:35:09,280

so her friend hit the gas and they were

2407

01:35:12,870 --> 01:35:10,880

doing you know

2408

01:35:16,229 --> 01:35:12,880

about 100 miles an hour or so for many

2409

01:35:16,950 --> 01:35:16,239

many miles and then she said well the

2410

01:35:18,709 --> 01:35:16,960

that

2411

01:35:20,870 --> 01:35:18,719

i guess we got away from it she said but

2412

01:35:23,030 --> 01:35:20,880

the strangest thing happened she said

2413

01:35:25,350 --> 01:35:23,040

the biggest owl i've ever seen or ever

2414

01:35:26,950 --> 01:35:25,360

could believe in my life all of a sudden

2415

01:35:28,709 --> 01:35:26,960

was right there in front of the car we

2416

01:35:30,390 --> 01:35:28,719

almost hit it

2417

01:35:31,669 --> 01:35:30,400

and it's kind of like a bizarre story

2418

01:35:33,350 --> 01:35:31,679

like

2419

01:35:34,709 --> 01:35:33,360

you know

2420

01:35:37,750 --> 01:35:34,719

well we

2421

01:35:38,790 --> 01:35:37,760

uh we're told by ufo investigators with

2422

01:35:40,790 --> 01:35:38,800

mufon

2423

01:35:44,629 --> 01:35:40,800

that these could be

2424

01:35:46,790 --> 01:35:44,639

what they call screenshot memories yeah

2425

01:35:47,590 --> 01:35:46,800

yeah of aliens

2426

01:35:49,189 --> 01:35:47,600

being

2427

01:35:53,109 --> 01:35:49,199

revealed to us

2428

01:35:56,629 --> 01:35:53,119

uh they actually manipulate our minds

2429

01:35:57,510 --> 01:35:56,639

to think of other things like a deer an

2430

01:35:58,550 --> 01:35:57,520

owl

2431

01:36:00,070 --> 01:35:58,560

yeah

2432

01:36:01,910 --> 01:36:00,080

a butterfly

2433

01:36:02,790 --> 01:36:01,920

uh something

2434

01:36:05,510 --> 01:36:02,800

that

2435

01:36:08,149 --> 01:36:05,520

would not normally hurt us

2436

01:36:10,390 --> 01:36:08,159

so we're not gonna be fearful of it but

2437

01:36:12,390 --> 01:36:10,400

the proportions are wrong

2438

01:36:13,510 --> 01:36:12,400

huh yeah isn't that something i mean

2439

01:36:19,270 --> 01:36:13,520

that really is

2440

01:36:21,350 --> 01:36:19,280

thought and to this can you explain to

2441

01:36:22,229 --> 01:36:21,360

um i've heard it talked about before and

2442

01:36:25,910 --> 01:36:22,239

i read

2443

01:36:27,590 --> 01:36:25,920

the book um that uh george knapp or

2444

01:36:29,750 --> 01:36:27,600

first wrote not his latest one but the

2445

01:36:32,149 --> 01:36:29,760

first one in the skinwalker ranch but

2446

01:36:36,390 --> 01:36:32,159

what is what is the tradition of what a

2447

01:36:44,310 --> 01:36:39,669

a skinwalker is a person

2448

01:36:47,750 --> 01:36:44,320

um who chooses to learn how to do this

2449

01:36:50,470 --> 01:36:47,760

um there are groups of people

2450

01:36:53,189 --> 01:36:50,480

that have been taught this stuff

2451

01:36:55,270 --> 01:36:53,199

from medicine men uh my i had a

2452

01:36:57,910 --> 01:36:55,280

grandfather that was trained to be a

2453

01:36:59,750 --> 01:36:57,920

medicine man from a very young uh maybe

2454

01:37:02,229 --> 01:36:59,760

eight or ten years old

2455

01:37:05,109 --> 01:37:02,239

and um he became a christian and later

2456

01:37:08,229 --> 01:37:05,119

on became a pastor of a church

2457

01:37:10,070 --> 01:37:08,239

and his testimony was about you know the

2458

01:37:12,229 --> 01:37:10,080

things that uh

2459

01:37:13,510 --> 01:37:12,239

you know that he turned down being a

2460

01:37:15,030 --> 01:37:13,520

medicine man

2461

01:37:16,470 --> 01:37:15,040

um

2462

01:37:17,430 --> 01:37:16,480

he told me

2463

01:37:19,430 --> 01:37:17,440

that

2464

01:37:21,669 --> 01:37:19,440

when you're a medicine man you're taught

2465

01:37:22,629 --> 01:37:21,679

all of these things including the black

2466

01:37:25,030 --> 01:37:22,639

arts

2467

01:37:26,310 --> 01:37:25,040

because you have to know how to heal

2468

01:37:28,870 --> 01:37:26,320

people

2469

01:37:32,870 --> 01:37:28,880

that have been cursed and you have to

2470

01:37:35,189 --> 01:37:32,880

know how the uh the curses are are done

2471

01:37:36,950 --> 01:37:35,199

in order to help them

2472

01:37:39,669 --> 01:37:36,960

so it's up to you to have social

2473

01:37:41,430 --> 01:37:39,679

responsibility about using that kind of

2474

01:37:43,750 --> 01:37:41,440

knowledge

2475

01:37:46,950 --> 01:37:43,760

likewise there are others

2476

01:37:49,590 --> 01:37:46,960

that practice witchcraft that don't know

2477

01:37:51,510 --> 01:37:49,600

anything about the medicine men but they

2478

01:37:52,950 --> 01:37:51,520

know how to make poisons and they know

2479

01:37:55,270 --> 01:37:52,960

how to change

2480

01:37:56,550 --> 01:37:55,280

and they're they're uh they're shape

2481

01:37:59,270 --> 01:37:56,560

shifters

2482

01:38:02,070 --> 01:37:59,280

uh they can shift shape-shift into

2483

01:38:03,990 --> 01:38:02,080

anything that they have the dna

2484

01:38:06,550 --> 01:38:04,000

in their possession of

2485

01:38:07,990 --> 01:38:06,560

which includes you and me

2486

01:38:10,070 --> 01:38:08,000

so

2487

01:38:11,910 --> 01:38:10,080

navajo children are taught from a very

2488

01:38:13,830 --> 01:38:11,920

young age you don't leave your

2489

01:38:16,390 --> 01:38:13,840

fingernail clippings laying around you

2490

01:38:18,470 --> 01:38:16,400

don't leave your hair laying around

2491

01:38:21,430 --> 01:38:18,480

you know like you take it out of the

2492

01:38:23,430 --> 01:38:21,440

brush dispose of it

2493

01:38:25,590 --> 01:38:23,440

don't leave your

2494

01:38:28,629 --> 01:38:25,600

your

2495

01:38:31,270 --> 01:38:28,639

any bodily fluids or anything

2496

01:38:32,470 --> 01:38:31,280

where somebody else can get a hold of it

2497

01:38:33,750 --> 01:38:32,480

so

2498

01:38:34,709 --> 01:38:33,760

that's what you're taught when you're

2499

01:38:35,750 --> 01:38:34,719

small

2500

01:38:38,390 --> 01:38:35,760

and you

2501  
01:38:40,629 --> 01:38:38,400  
take that into your adult life because

2502  
01:38:41,669 --> 01:38:40,639  
of the witchcraft they can take that

2503  
01:38:43,510 --> 01:38:41,679  
stuff

2504  
01:38:45,510 --> 01:38:43,520  
and mimic you

2505  
01:38:46,790 --> 01:38:45,520  
and get close to somebody you know to

2506  
01:38:48,470 --> 01:38:46,800  
poison them

2507  
01:38:51,109 --> 01:38:48,480  
or to harm them

2508  
01:38:55,109 --> 01:38:52,790  
and they can

2509  
01:38:56,830 --> 01:38:55,119  
they can change shape into animals into

2510  
01:38:58,550 --> 01:38:56,840  
birds

2511  
01:39:01,510 --> 01:38:58,560  
um

2512  
01:39:02,950 --> 01:39:01,520  
and it there it's mainly used for evil

2513  
01:39:05,830 --> 01:39:02,960

purposes

2514

01:39:07,910 --> 01:39:05,840

uh to become one you have to know

2515

01:39:11,189 --> 01:39:07,920

somebody that can teach you

2516

01:39:12,550 --> 01:39:11,199

and you have to kill somebody who's very

2517

01:39:13,430 --> 01:39:12,560

dear to you

2518

01:39:14,390 --> 01:39:13,440

oh

2519

01:39:15,910 --> 01:39:14,400

wow

2520

01:39:17,510 --> 01:39:15,920

and that's not a club i want to be part

2521

01:39:19,189 --> 01:39:17,520

of initiation

2522

01:39:21,510 --> 01:39:19,199

yeah right

2523

01:39:23,910 --> 01:39:21,520

so i wonder you know for instance they

2524

01:39:25,990 --> 01:39:23,920

talk about skinwalker ranch what why did

2525

01:39:29,350 --> 01:39:26,000

that do you have any idea at all why

2526

01:39:33,750 --> 01:39:30,709

yeah i do

2527

01:39:35,910 --> 01:39:33,760

the the you into basin up there

2528

01:39:37,510 --> 01:39:35,920

um it's said

2529

01:39:38,950 --> 01:39:37,520

that uh and

2530

01:39:41,669 --> 01:39:38,960

and um

2531

01:39:44,390 --> 01:39:41,679

i had my own opinion about this but in

2532

01:39:46,390 --> 01:39:44,400

historically it said that the utes

2533

01:39:48,310 --> 01:39:46,400

uh when

2534

01:39:51,189 --> 01:39:48,320

uh kit carson

2535

01:39:54,629 --> 01:39:51,199

and the cavalry came to the reservation

2536

01:39:56,790 --> 01:39:54,639

to round up the navajos it wasn't like a

2537

01:39:58,790 --> 01:39:56,800

cattle around it where you just corral

2538

01:39:59,590 --> 01:39:58,800

everybody and round them up and push

2539

01:40:01,750 --> 01:39:59,600

them

2540

01:40:04,310 --> 01:40:01,760

uh this was war

2541

01:40:06,550 --> 01:40:04,320

and this was war on the scale of

2542

01:40:10,070 --> 01:40:06,560

sherman's march to the sea

2543

01:40:13,030 --> 01:40:10,080

where uh fields were pulled up salted

2544

01:40:15,830 --> 01:40:13,040

uh homes were burned to the ground

2545

01:40:17,990 --> 01:40:15,840

everything was destroyed

2546

01:40:20,310 --> 01:40:18,000

in order to round up the navajos and a

2547

01:40:23,109 --> 01:40:20,320

lot of navajos died

2548

01:40:25,830 --> 01:40:23,119

when they're rounded up uh their march

2549

01:40:27,109 --> 01:40:25,840

force marched to bosque redondo

2550

01:40:29,910 --> 01:40:27,119

uh

2551  
01:40:32,149 --> 01:40:29,920  
in new mexico a distance of some 300

2552  
01:40:32,950 --> 01:40:32,159  
miles

2553  
01:40:35,590 --> 01:40:32,960  
and

2554  
01:40:38,709 --> 01:40:35,600  
if you fell out you were killed

2555  
01:40:39,669 --> 01:40:38,719  
so a lot of navajos died on the way over

2556  
01:40:42,709 --> 01:40:39,679  
there

2557  
01:40:44,550 --> 01:40:42,719  
and this is 1864.

2558  
01:40:47,430 --> 01:40:44,560  
so

2559  
01:40:50,870 --> 01:40:47,440  
because the utes had provided military

2560  
01:40:54,629 --> 01:40:50,880  
scouts for the cavalry troops it said

2561  
01:40:55,830 --> 01:40:54,639  
that upon return in 1868

2562  
01:40:58,870 --> 01:40:55,840  
that the

2563  
01:41:01,189 --> 01:40:58,880

a lot of the navajo medicine men cursed

2564

01:41:02,070 --> 01:41:01,199

the ute land up there

2565

01:41:04,550 --> 01:41:02,080

uh

2566

01:41:06,310 --> 01:41:04,560

with skinwalkers

2567

01:41:09,430 --> 01:41:06,320

now

2568

01:41:10,629 --> 01:41:09,440

it sounds like a rather interesting

2569

01:41:13,030 --> 01:41:10,639

story

2570

01:41:14,310 --> 01:41:13,040

however in looking at the petroglyphs up

2571

01:41:15,270 --> 01:41:14,320

there

2572

01:41:18,950 --> 01:41:15,280

uh

2573

01:41:22,390 --> 01:41:18,960

in that area and on skinwalker ranch i

2574

01:41:24,550 --> 01:41:22,400

believe in my it's my opinion

2575

01:41:25,430 --> 01:41:24,560

based on evidence that i see

2576

01:41:27,990 --> 01:41:25,440

that

2577

01:41:29,270 --> 01:41:28,000

these things were going on long before

2578

01:41:30,950 --> 01:41:29,280

that time

2579

01:41:33,270 --> 01:41:30,960

uh and that's

2580

01:41:35,990 --> 01:41:33,280

700 900 years ago

2581

01:41:37,510 --> 01:41:36,000

that they were seeing high strangeness

2582

01:41:45,830 --> 01:41:37,520

in that area

2583

01:41:49,030 --> 01:41:45,840

were doing offerings and prayers

2584

01:41:51,189 --> 01:41:49,040

at these locations to stem off the evil

2585

01:41:53,510 --> 01:41:51,199

in that area

2586

01:41:56,950 --> 01:41:53,520

so i think it's always been there

2587

01:41:59,350 --> 01:41:56,960

yeah yeah uh that that's i've always you

2588

01:42:01,750 --> 01:41:59,360

know wondered why certain things

2589

01:42:04,950 --> 01:42:01,760

seem to happen you know in certain areas

2590

01:42:07,669 --> 01:42:04,960

but it's it seems to me that there

2591

01:42:09,109 --> 01:42:07,679

the area that you have been involved in

2592

01:42:11,750 --> 01:42:09,119

seems like there's a heck of a lot of

2593

01:42:15,030 --> 01:42:11,760

activity going on there

2594

01:42:16,149 --> 01:42:15,040

besides ufos i heard you say the word

2595

01:42:18,470 --> 01:42:16,159

haunting

2596

01:42:22,149 --> 01:42:18,480

um so what what has happened in that

2597

01:42:28,709 --> 01:42:25,030

well um i can give you a very recent

2598

01:42:30,950 --> 01:42:28,719

case that that was actually um

2599

01:42:35,109 --> 01:42:30,960

told to me just just like a couple of

2600

01:42:37,750 --> 01:42:35,119

weeks ago sure and um this involves uh

2601

01:42:40,149 --> 01:42:37,760

in in window rock window rock is the

2602

01:42:42,709 --> 01:42:40,159

capital of the navajo nation

2603

01:42:46,709 --> 01:42:42,719

and so there's a lot of buildings there

2604

01:42:49,590 --> 01:42:46,719

from the uh 1930s 1920s

2605

01:42:51,510 --> 01:42:49,600

um that were built out of stone

2606

01:42:53,669 --> 01:42:51,520

and not only that but along

2607

01:42:56,470 --> 01:42:53,679

from say benito window rock all the way

2608

01:42:59,350 --> 01:42:56,480

to fort defiance was where the navajos

2609

01:43:01,910 --> 01:42:59,360

were held by the military before the

2610

01:43:04,709 --> 01:43:01,920

march to bosque redondo

2611

01:43:07,990 --> 01:43:04,719

so a lot of people died there

2612

01:43:11,510 --> 01:43:10,470

at an office there i won't say which

2613

01:43:13,430 --> 01:43:11,520

office

2614

01:43:15,669 --> 01:43:13,440

uh some uh

2615

01:43:16,629 --> 01:43:15,679

housekeeping people were coming in at

2616

01:43:18,229 --> 01:43:16,639

night

2617

01:43:19,270 --> 01:43:18,239

to clean

2618

01:43:23,030 --> 01:43:19,280

and

2619

01:43:25,990 --> 01:43:23,040

walked down the hallway to the end

2620

01:43:27,669 --> 01:43:26,000

office and as they opened the door

2621

01:43:29,189 --> 01:43:27,679

the the girl

2622

01:43:32,149 --> 01:43:29,199

saw

2623

01:43:33,990 --> 01:43:32,159

a tall dark figure

2624

01:43:36,629 --> 01:43:34,000

standing there

2625

01:43:38,870 --> 01:43:36,639

in the corner of the room

2626

01:43:41,510 --> 01:43:38,880

and that figure

2627

01:43:45,109 --> 01:43:41,520

as it looked at her put its finger up to

2628

01:43:47,990 --> 01:43:45,119

its lips to say be quiet

2629

01:43:49,750 --> 01:43:48,000

she in turn turned around and ran down

2630

01:43:51,590 --> 01:43:49,760

the hallway she had turned on the lights

2631

01:43:55,669 --> 01:43:51,600

there but she says this things still

2632

01:43:59,430 --> 01:43:57,590

she runs down and gets the other two

2633

01:44:02,149 --> 01:43:59,440

housekeeping staff

2634

01:44:03,270 --> 01:44:02,159

they all go back there

2635

01:44:13,669 --> 01:44:03,280

and

2636

01:44:15,189 --> 01:44:13,679

ducked into the room turned out the

2637

01:44:17,270 --> 01:44:15,199

lights and they all ran back down the

2638

01:44:19,590 --> 01:44:17,280

hallway and from then on they wouldn't

2639

01:44:21,189 --> 01:44:19,600

clean that building until uh while it

2640

01:44:23,030 --> 01:44:21,199

was dark

2641

01:44:24,149 --> 01:44:23,040

they would only go there when it was

2642

01:44:27,109 --> 01:44:24,159

light

2643

01:44:29,189 --> 01:44:27,119

can't says i blame them

2644

01:44:31,430 --> 01:44:29,199

yeah wow yeah well that was just that

2645

01:44:34,870 --> 01:44:31,440

was just recently like that

2646

01:44:37,189 --> 01:44:34,880

yeah that was just recently yes yeah and

2647

01:44:38,950 --> 01:44:37,199

when you when you say the the

2648

01:44:40,709 --> 01:44:38,960

the witchcraft is that what you were

2649

01:44:41,510 --> 01:44:40,719

talking about like

2650

01:44:43,510 --> 01:44:41,520

the

2651  
01:44:44,550 --> 01:44:43,520  
traditions of you know you don't leave

2652  
01:44:45,590 --> 01:44:44,560  
any

2653  
01:44:48,470 --> 01:44:45,600  
well

2654  
01:44:50,629 --> 01:44:48,480  
you know anything dna around

2655  
01:44:53,030 --> 01:44:50,639  
is that is that mostly that or is that

2656  
01:44:55,430 --> 01:44:53,040  
did you have you had to investigate

2657  
01:44:57,910 --> 01:44:55,440  
you know uh happenings that involved

2658  
01:45:05,030 --> 01:45:01,270  
well uh we did one case where

2659  
01:45:06,390 --> 01:45:05,040  
a family came to us and they said that

2660  
01:45:08,709 --> 01:45:06,400  
they had come home and there was a

2661  
01:45:10,149 --> 01:45:08,719  
coyote trying to get into the

2662  
01:45:12,550 --> 01:45:10,159  
sheep pen

2663  
01:45:14,229 --> 01:45:12,560

and uh so that everybody out there

2664

01:45:17,030 --> 01:45:14,239

carries 22.

2665

01:45:18,870 --> 01:45:17,040

so the the man and his wife you know are

2666

01:45:22,229 --> 01:45:18,880

coming home they see this

2667

01:45:24,070 --> 01:45:22,239

man jumps out grabs his rifle and bang

2668

01:45:25,270 --> 01:45:24,080

shoots the coyote

2669

01:45:27,669 --> 01:45:25,280

in the side

2670

01:45:30,870 --> 01:45:27,679

hit it back back in the hips

2671

01:45:33,430 --> 01:45:30,880

and the coyote went down and started

2672

01:45:35,350 --> 01:45:33,440

dragging itself with his front feet into

2673

01:45:36,950 --> 01:45:35,360

the tumbleweeds

2674

01:45:39,750 --> 01:45:36,960

and

2675

01:45:42,310 --> 01:45:39,760

he went up there this is in late in the

2676  
01:45:44,790 --> 01:45:42,320  
evening he went up there and and holding

2677  
01:45:46,310 --> 01:45:44,800  
the rifle in his right hand reach down

2678  
01:45:49,109 --> 01:45:46,320  
with his left hand

2679  
01:45:51,030 --> 01:45:49,119  
grabs the hind leg and drags it out and

2680  
01:45:52,870 --> 01:45:51,040  
he's walking with it

2681  
01:45:54,790 --> 01:45:52,880  
to drag it out into the open so he can

2682  
01:45:57,510 --> 01:45:54,800  
shoot it again

2683  
01:45:58,870 --> 01:45:57,520  
as he was dragging it out he says that

2684  
01:46:04,470 --> 01:45:58,880  
this

2685  
01:46:07,510 --> 01:46:04,480  
in his hand

2686  
01:46:10,310 --> 01:46:07,520  
and he looked down and there was a

2687  
01:46:15,030 --> 01:46:12,950  
if you were to take a sponge and dip it

2688  
01:46:17,910 --> 01:46:15,040

in white paint and blotch it all over

2689

01:46:21,510 --> 01:46:19,669

and then the paint dried and started

2690

01:46:22,870 --> 01:46:21,520

cracking that's what this guy looked

2691

01:46:26,470 --> 01:46:22,880

like

2692

01:46:29,030 --> 01:46:26,480

and he says even his hair was painted he

2693

01:46:31,109 --> 01:46:29,040

had blotch watch paint on it

2694

01:46:33,990 --> 01:46:31,119

and he was in a loincloth

2695

01:46:35,910 --> 01:46:34,000

and he says that he dropped the leg and

2696

01:46:38,390 --> 01:46:35,920

he looked at this thing

2697

01:46:41,350 --> 01:46:38,400

and his wife says you know what do we do

2698

01:46:43,189 --> 01:46:41,360

now you know you already shot it do we

2699

01:46:46,229 --> 01:46:43,199

do we kill it you know because they knew

2700

01:46:48,790 --> 01:46:46,239

what it was it was a skinwalker

2701

01:46:53,430 --> 01:46:51,270

he said or do we call an ambulance

2702

01:46:55,109 --> 01:46:53,440

so they ended up calling an ambulance

2703

01:46:57,270 --> 01:46:55,119

and they called the police

2704

01:46:59,430 --> 01:46:57,280

the police showed up at their residence

2705

01:47:02,149 --> 01:46:59,440

and the naval officers didn't want

2706

01:47:04,550 --> 01:47:02,159

anything to do with this thing

2707

01:47:06,790 --> 01:47:04,560

the ambulance showed up and it's it's a

2708

01:47:08,629 --> 01:47:06,800

navajo ambulance

2709

01:47:10,310 --> 01:47:08,639

and the crew looked at it and you could

2710

01:47:12,550 --> 01:47:10,320

tell that i guess

2711

01:47:14,390 --> 01:47:12,560

they were fearful of it too but they put

2712

01:47:17,030 --> 01:47:14,400

it on the gurney strapped it on and they

2713

01:47:19,430 --> 01:47:17,040

took it into the hospital

2714

01:47:22,390 --> 01:47:19,440

uh at the local hospital

2715

01:47:25,189 --> 01:47:22,400

the anglo doctors chased all the navajo

2716

01:47:28,709 --> 01:47:25,199

staff out of the emergency room

2717

01:47:31,350 --> 01:47:28,719

and did emergency surgery on this guy

2718

01:47:33,590 --> 01:47:31,360

and they saved him

2719

01:47:34,709 --> 01:47:33,600

so the family was asking us what do we

2720

01:47:37,350 --> 01:47:34,719

do now

2721

01:47:38,390 --> 01:47:37,360

you know it's gonna come back and get

2722

01:47:41,030 --> 01:47:38,400

revenge

2723

01:47:43,030 --> 01:47:41,040

and they were very fearful

2724

01:47:44,550 --> 01:47:43,040

and uh then they just happened to

2725

01:47:47,270 --> 01:47:44,560

mention

2726

01:47:50,070 --> 01:47:47,280

that oh and by the way we know who this

2727

01:47:53,189 --> 01:47:50,080

guy is he's he lives in as our our

2728

01:47:56,629 --> 01:47:55,189

and uh we're

2729

01:47:59,030 --> 01:47:56,639

we're able to tell them according to

2730

01:48:01,590 --> 01:47:59,040

navajo tradition that if you

2731

01:48:02,709 --> 01:48:01,600

know the identity of one of these things

2732

01:48:04,390 --> 01:48:02,719

um

2733

01:48:05,990 --> 01:48:04,400

you can go up there knock on their door

2734

01:48:06,709 --> 01:48:06,000

and tell them i know who and what you

2735

01:48:09,350 --> 01:48:06,719

are

2736

01:48:12,550 --> 01:48:09,360

and within three days in a traditional

2737

01:48:14,629 --> 01:48:12,560

sense they will die suddenly

2738

01:48:16,950 --> 01:48:14,639

and i've actually seen that that happen

2739

01:48:20,149 --> 01:48:16,960

with some some of these things

2740

01:48:24,149 --> 01:48:22,550

the emily said okay you know they they

2741

01:48:26,470 --> 01:48:24,159

went away feeling

2742

01:48:28,390 --> 01:48:26,480

feeling like they had an ace in their

2743

01:48:30,950 --> 01:48:28,400

sleeve now and they didn't they weren't

2744

01:48:33,430 --> 01:48:30,960

fearful anymore

2745

01:48:36,470 --> 01:48:33,440

oh geez

2746

01:48:38,550 --> 01:48:36,480

that's one crazy story i'll tell you

2747

01:48:40,950 --> 01:48:38,560

that's really something and stan

2748

01:48:42,790 --> 01:48:40,960

actually uh knew

2749

01:48:45,350 --> 01:48:42,800

some people that worked at the hospital

2750

01:48:48,070 --> 01:48:45,360

and they verified that that incident did

2751

01:48:51,510 --> 01:48:49,590

wow

2752

01:48:54,950 --> 01:48:51,520

that's really something well you know we

2753

01:48:56,629 --> 01:48:54,960

have about three minutes uh left here

2754

01:48:58,149 --> 01:48:56,639

and we have to we have to stop right at

2755

01:49:01,430 --> 01:48:58,159

the um

2756

01:49:02,870 --> 01:49:01,440

at that time but um so

2757

01:49:04,229 --> 01:49:02,880

as far as

2758

01:49:06,950 --> 01:49:04,239

you know what you're doing now you're

2759

01:49:08,790 --> 01:49:06,960

basically retired are you still looking

2760

01:49:10,390 --> 01:49:08,800

into these type of things in any type of

2761

01:49:15,109 --> 01:49:10,400

way at all as

2762

01:49:17,750 --> 01:49:15,119

or or assisting stan in any type of way

2763

01:49:20,470 --> 01:49:17,760

uh stan is no longer with the rangers he

2764

01:49:22,629 --> 01:49:20,480

has moved back in the world he is he is

2765

01:49:24,149 --> 01:49:22,639

now working for the office of the chief

2766

01:49:26,629 --> 01:49:24,159

prosecutor

2767

01:49:28,790 --> 01:49:26,639

as a senior investigator doing

2768

01:49:31,510 --> 01:49:28,800

white-collar crime

2769

01:49:32,790 --> 01:49:31,520

and so he's got a plateful with some new

2770

01:49:34,470 --> 01:49:32,800

cases

2771

01:49:37,030 --> 01:49:34,480

um

2772

01:49:39,270 --> 01:49:37,040

but he's getting paid a little more so

2773

01:49:40,310 --> 01:49:39,280

that's good for him for for retirement

2774

01:49:41,189 --> 01:49:40,320

purposes

2775

01:49:44,790 --> 01:49:41,199

right

2776

01:49:46,870 --> 01:49:44,800

me i just retired from the uh from a

2777

01:49:48,229 --> 01:49:46,880

medical uh manufacturing company in

2778

01:49:50,229 --> 01:49:48,239

flagstaff

2779

01:49:54,229 --> 01:49:50,239

and uh

2780

01:49:56,629 --> 01:49:54,239

so i'm i call myself retired retired

2781

01:49:59,030 --> 01:49:56,639

and i'm getting ready to to look into

2782

01:50:00,790 --> 01:49:59,040

drawing my social security

2783

01:50:01,669 --> 01:50:00,800

so uh yeah

2784

01:50:04,629 --> 01:50:01,679

yeah

2785

01:50:07,430 --> 01:50:04,639

now when you uh so if you're about that

2786

01:50:10,310 --> 01:50:07,440

age then you did you ever hear about

2787

01:50:11,910 --> 01:50:10,320

the socorro incident when that happened

2788

01:50:13,669 --> 01:50:11,920

or were you too young

2789

01:50:15,589 --> 01:50:13,679

yeah

2790

01:50:18,629 --> 01:50:15,599

no i i heard about it because i read

2791

01:50:21,830 --> 01:50:18,639

about it in in books at that time

2792

01:50:22,950 --> 01:50:21,840

uh the lonnie zamora incident right and

2793

01:50:25,510 --> 01:50:22,960

um

2794

01:50:29,189 --> 01:50:25,520

so i am familiar with it

2795

01:50:30,629 --> 01:50:29,199

yeah so that was i think 1966 i believe

2796

01:50:31,430 --> 01:50:30,639

right

2797

01:50:32,229 --> 01:50:31,440

yes

2798

01:50:33,669 --> 01:50:32,239

yeah

2799

01:50:35,910 --> 01:50:33,679

um

2800

01:50:38,229 --> 01:50:35,920

yeah i actually when when we got into

2801  
01:50:39,109 --> 01:50:38,239  
this type of work i had to do a lot of

2802  
01:50:39,830 --> 01:50:39,119  
reading

2803  
01:50:46,709 --> 01:50:39,840  
to

2804  
01:50:48,629 --> 01:50:46,719  
that could

2805  
01:50:50,390 --> 01:50:48,639  
steer me in the right direction

2806  
01:50:53,270 --> 01:50:50,400  
on investigations

2807  
01:50:54,070 --> 01:50:53,280  
so uh yeah i did a lot of reading

2808  
01:51:00,790 --> 01:50:54,080  
yeah

2809  
01:51:05,510 --> 01:51:03,669  
i appreciate all your your time and

2810  
01:51:08,229 --> 01:51:05,520  
very very interesting stories thank you

2811  
01:51:11,189 --> 01:51:10,310  
okay and thank you everybody for

2812  
01:51:13,270 --> 01:51:11,199  
listening

2813  
01:51:14,709 --> 01:51:13,280

and i also want to thank you too for

2814

01:51:16,229 --> 01:51:14,719

driving all the way over to where you

2815

01:51:18,550 --> 01:51:16,239

are so you had a better signal that

2816

01:51:21,109 --> 01:51:18,560

really uh was very thoughtful of you

2817

01:51:22,149 --> 01:51:21,119

take care now

2818

01:51:24,149 --> 01:51:22,159

okay

2819

01:51:25,669 --> 01:51:24,159

merry christmas yeah

2820

01:51:27,350 --> 01:51:25,679

all right everyone so that's it for the

2821

01:51:31,270 --> 01:51:27,360

show tonight thank you so much we'll be

2822

01:51:32,870 --> 01:51:31,280

back with graham randell next week and

2823

01:51:34,550 --> 01:51:32,880

for those again that are celebrating

2824

01:51:36,470 --> 01:51:34,560

christmas have a wonderful one and

2825

01:51:39,080 --> 01:51:36,480

remember to keep your eyes to the sky

2826

01:51:50,320 --> 01:51:39,090

you might even see santa
