Listener's Encounters

1
00:00:21,269 --> 00:00:18,550

[Music]

2
00:00:23,750 --> 00:00:21,279

all right stu uh thank you so much for

3
00:00:26,790 --> 00:00:23,760

getting in touch with me and you just

4
00:00:31,750 --> 00:00:29,429

yeah first of all can you uh say where

5
00:00:34,069 --> 00:00:31,760

you where where are you located

6
00:00:36,790 --> 00:00:34,079

certainly so i'm located in a village

7
00:00:38,709 --> 00:00:36,800

called holbridge which is in essex the

8
00:00:40,630 --> 00:00:38,719

county of essex which is around about 30

9
00:00:43,750 --> 00:00:40,640

miles outside of london

10
00:00:45,830 --> 00:00:43,760

down on the south east coast of the uk

11
00:00:47,590 --> 00:00:45,840

uh-huh so yeah

12
00:00:48,790 --> 00:00:47,600

so you were outside let's let's hear

13
00:00:51,750 --> 00:00:48,800

what happened

14

00:00:53,750 --> 00:00:51,760

okay so um we've got a little uh cottage

15

00:00:57,430 --> 00:00:53,760

here small holding couple of acres

16

00:00:59,349 --> 00:00:57,440

and it was about 9 50 and my wife was

17

00:01:00,549 --> 00:00:59,359

doing her courses in the evening and i

18

00:01:02,630 --> 00:01:00,559

thought i'd go out and give her a hand

19

00:01:04,310 --> 00:01:02,640

like i usually do doing the waters and

20

00:01:05,270 --> 00:01:04,320

she was doing all the haze

21

00:01:06,789 --> 00:01:05,280

and

22

00:01:08,230 --> 00:01:06,799

when i'm out there i'm fascinated by the

23

00:01:11,350 --> 00:01:08,240

sky anyway so i'm always looking up and

24

00:01:13,429 --> 00:01:11,360

about and i look to my right up in the

25

00:01:15,429 --> 00:01:13,439

sky and it's the strangest thing to say

26

00:01:17,670 --> 00:01:15,439

but it was almost as if

27

00:01:20,310 --> 00:01:17,680

i was not told to look but i was drawn

28

00:01:22,870 --> 00:01:20,320

to look up there and as i look up there

29

00:01:25,350 --> 00:01:22,880

i see a shape that can only describe a

30

00:01:27,510 --> 00:01:25,360

cross between a boomerang

31

00:01:29,190 --> 00:01:27,520

a triangle and we have a chocolate over

32

00:01:31,910 --> 00:01:29,200

here called a teres chocolate orange

33

00:01:33,910 --> 00:01:31,920

which has orange segments to it almost

34

00:01:36,469 --> 00:01:33,920

this kind of a shape

35

00:01:38,630 --> 00:01:36,479

and it was like that now

36

00:01:40,950 --> 00:01:38,640

the sky was super clear but it was like

37

00:01:42,630 --> 00:01:40,960

a dark blue hue because the moon was

38

00:01:45,350 --> 00:01:42,640

quite bright

39

00:01:47,270 --> 00:01:45,360

this shape stood out against it because

40

00:01:49,190 --> 00:01:47,280

it was so black

41

00:01:52,069 --> 00:01:49,200

but within the shape itself were

42

00:01:53,510 --> 00:01:52,079

hundreds and hundreds of small lights

43

00:01:55,590 --> 00:01:53,520

now this is the really weird thing being

44

00:01:57,350 --> 00:01:55,600

a detailer the first thing for some

45

00:01:58,630 --> 00:01:57,360

reason i thought was well those lights

46

00:02:01,109 --> 00:01:58,640

aren't very bright

47

00:02:02,789 --> 00:02:01,119

um and you know what are they doing and

48

00:02:04,469 --> 00:02:02,799

they were flickering literally on and

49

00:02:07,429 --> 00:02:04,479

off almost as if

50

00:02:09,029 --> 00:02:07,439

glitching but random like this hundreds

51
00:02:11,350 --> 00:02:09,039
and hundreds and hundreds of them within

52
00:02:13,270 --> 00:02:11,360
the shape itself the shape was moving

53
00:02:15,670 --> 00:02:13,280
the second i saw it the object was

54
00:02:18,070 --> 00:02:15,680
moving the second i saw it i screamed at

55
00:02:19,350 --> 00:02:18,080
my wife to say look look look look and

56
00:02:22,229 --> 00:02:19,360
while she's looking around trying to

57
00:02:24,390 --> 00:02:22,239
catch it i couldn't take my eyes off it

58
00:02:26,309 --> 00:02:24,400
and literally i had my hand in my pocket

59
00:02:28,630 --> 00:02:26,319
on my phone and i'm thinking almost what

60
00:02:30,229 --> 00:02:28,640
you say in one of your podcasts i can't

61
00:02:32,229 --> 00:02:30,239
risk taking my phone out of my pocket

62
00:02:33,430 --> 00:02:32,239
because if i take my eye off it

63
00:02:36,150 --> 00:02:33,440

it's going to go it's going to do

64

00:02:37,830 --> 00:02:36,160

something so i just my eye on it while

65

00:02:40,470 --> 00:02:37,840

saying to my wife it's there it's there

66

00:02:42,229 --> 00:02:40,480

and it came across us the silent asylum

67

00:02:45,589 --> 00:02:42,239

with all these stars and lights going on

68

00:02:47,589 --> 00:02:45,599

it and then it it almost

69

00:02:50,150 --> 00:02:47,599

it almost like changed shape to a point

70

00:02:52,229 --> 00:02:50,160

almost like like it looked like a giant

71

00:02:54,630 --> 00:02:52,239

kind of a kite

72

00:02:56,470 --> 00:02:54,640

still with angular edges a kite and then

73

00:02:59,110 --> 00:02:56,480

it changed back into its shape again of

74

00:03:00,309 --> 00:02:59,120

this boomerang and it continued directly

75

00:03:01,990 --> 00:03:00,319

in front of me with all these lights

76

00:03:04,229 --> 00:03:02,000

going but it was so

77

00:03:07,190 --> 00:03:04,239

presented against the night sky it was

78

00:03:09,030 --> 00:03:07,200

so clear i mean it was just so so clear

79

00:03:11,030 --> 00:03:09,040

and then we just watched it disappear

80

00:03:13,030 --> 00:03:11,040

off float in front of us and then it did

81

00:03:14,790 --> 00:03:13,040

a curve to the right and then it just

82

00:03:16,790 --> 00:03:14,800

carried on and carried on and carried on

83

00:03:18,869 --> 00:03:16,800

and you could see the outline suddenly

84

00:03:20,229 --> 00:03:18,879

the lights were now the outline of it

85

00:03:22,390 --> 00:03:20,239

and the ones in the middle were starting

86

00:03:24,789 --> 00:03:22,400

to fade even more almost as if

87

00:03:26,390 --> 00:03:24,799

it couldn't quite work out how bright to

88

00:03:28,630 --> 00:03:26,400

be or the color it couldn't get the

89

00:03:30,390 --> 00:03:28,640

color correctly as if it was trying to

90

00:03:31,910 --> 00:03:30,400

cloak itself or something but it just

91

00:03:33,990 --> 00:03:31,920

couldn't he just couldn't do it he just

92

00:03:36,390 --> 00:03:34,000

couldn't do it but wow

93

00:03:38,149 --> 00:03:36,400

silent and it didn't speed off it just

94

00:03:38,869 --> 00:03:38,159

it was one speed

95

00:03:41,750 --> 00:03:38,879

but

96

00:03:44,309 --> 00:03:41,760

it just reminded me of a cartoon or not

97

00:03:46,470 --> 00:03:44,319

like a ghost floating by

98

00:03:48,630 --> 00:03:46,480

like you see your movie just silent and

99

00:03:50,630 --> 00:03:48,640

it did this and then it was gone

100

00:03:51,910 --> 00:03:50,640

now did it did it did it never change

101
00:03:56,390 --> 00:03:51,920
speed at all

102
00:03:58,229 --> 00:03:56,400
other thing it was silent

103
00:04:00,470 --> 00:03:58,239
not only the craft was silent

104
00:04:02,869 --> 00:04:00,480
but the atmosphere as it was going on

105
00:04:04,789 --> 00:04:02,879
with me shouting

106
00:04:06,149 --> 00:04:04,799
oh sorry excuse me

107
00:04:10,070 --> 00:04:06,159
with me shout

108
00:04:12,630 --> 00:04:10,080
that that music's actually perfect for

109
00:04:14,470 --> 00:04:12,640
this yeah okay

110
00:04:16,550 --> 00:04:14,480
but the atmosphere

111
00:04:17,990 --> 00:04:16,560
i heard nothing else other than me

112
00:04:19,430 --> 00:04:18,000
talking to my wife

113
00:04:21,030 --> 00:04:19,440

there was no other there was no other

114

00:04:22,469 --> 00:04:21,040

noises it was silent and i know it was

115

00:04:23,670 --> 00:04:22,479

quite a quiet night

116

00:04:25,909 --> 00:04:23,680

but there was there was nothing it was

117

00:04:27,189 --> 00:04:25,919

eerily quiet but one of my horses

118

00:04:30,950 --> 00:04:27,199

freaked out

119

00:04:33,110 --> 00:04:30,960

a very sensitive horse very sensitive

120

00:04:36,070 --> 00:04:33,120

horse just did not like it knew

121

00:04:38,150 --> 00:04:36,080

something was up and went to his stables

122

00:04:40,790 --> 00:04:38,160

so the horse was freaking out that that

123

00:04:42,550 --> 00:04:40,800

is really an amazing story wow

124

00:04:44,629 --> 00:04:42,560

thank you and thank you so thank you so

125

00:04:46,150 --> 00:04:44,639

much for sharing that my pleasure my

126
00:04:48,469 --> 00:04:46,160
absolutely

127
00:04:50,629 --> 00:04:48,479
and uh for the people that are watching

128
00:04:51,990 --> 00:04:50,639
the the full video we're going to get

129
00:04:54,469 --> 00:04:52,000
into

130
00:04:57,590 --> 00:04:54,479
a past sighting that you had yes

131
00:05:00,550 --> 00:04:57,600
so my interest in ufos is what your ufos

132
00:05:02,070 --> 00:05:00,560
um whatever you call anomalies

133
00:05:03,990 --> 00:05:02,080
has been uh

134
00:05:06,870 --> 00:05:04,000
over many many years uh since i was

135
00:05:08,230 --> 00:05:06,880
around about 14 years old uh when i had

136
00:05:09,590 --> 00:05:08,240
a sighting

137
00:05:11,270 --> 00:05:09,600
and it was actually i won't say who but

138
00:05:13,430 --> 00:05:11,280

a family member

139

00:05:15,749 --> 00:05:13,440

uh sauce that we we were sitting at the

140

00:05:17,270 --> 00:05:15,759

table for dinner and family member

141

00:05:19,029 --> 00:05:17,280

literally whose

142

00:05:21,110 --> 00:05:19,039

would not react like this at all

143

00:05:23,590 --> 00:05:21,120

literally shouted for us to look at

144

00:05:26,310 --> 00:05:23,600

something in the garden

145

00:05:27,990 --> 00:05:26,320

my other two brothers didn't move i got

146

00:05:29,510 --> 00:05:28,000

up like a whippet and got outside as

147

00:05:31,110 --> 00:05:29,520

fast as i could just

148

00:05:34,550 --> 00:05:31,120

out of interest

149

00:05:37,670 --> 00:05:34,560

now i remember it as being a silver

150

00:05:40,070 --> 00:05:37,680

metallic ball that was hovering above

151

00:05:41,110 --> 00:05:40,080

the garden and rotating

152

00:05:43,909 --> 00:05:41,120

humming

153

00:05:45,830 --> 00:05:43,919

almost like a chrome ball bearing now

154

00:05:47,670 --> 00:05:45,840

there was a puppet show many years ago

155

00:05:48,870 --> 00:05:47,680

over here in the uk called terra hawks

156

00:05:52,310 --> 00:05:48,880

of all things

157

00:05:55,430 --> 00:05:52,320

and there were these little uh metal

158

00:05:57,110 --> 00:05:55,440

ball soldiers um one of them was voiced

159

00:05:59,189 --> 00:05:57,120

by a very famous uh actor over here

160

00:06:01,189 --> 00:05:59,199

called windsor davis and immediately it

161

00:06:03,830 --> 00:06:01,199

made me think it's a terror hawksball it

162

00:06:06,950 --> 00:06:03,840

was like a chrome football

163

00:06:08,870 --> 00:06:06,960

rotating now as it rotated we watched it

164

00:06:12,309 --> 00:06:08,880

for a few minutes

165

00:06:14,070 --> 00:06:12,319

and then it did this

166

00:06:15,590 --> 00:06:14,080

just like that out towards the estuary

167

00:06:17,189 --> 00:06:15,600

where where we live

168

00:06:18,150 --> 00:06:17,199

or where we used to live

169

00:06:20,469 --> 00:06:18,160

literally

170

00:06:22,150 --> 00:06:20,479

like that but it didn't it didn't vanish

171

00:06:25,270 --> 00:06:22,160

out it didn't disappear

172

00:06:26,230 --> 00:06:25,280

it just went it just absolutely went

173

00:06:27,110 --> 00:06:26,240

when

174

00:06:27,990 --> 00:06:27,120

so

175

00:06:28,790 --> 00:06:28,000

the

176
00:06:30,550 --> 00:06:28,800
now

177
00:06:32,390 --> 00:06:30,560
the the family member doesn't really

178
00:06:33,749 --> 00:06:32,400
like talking about it

179
00:06:35,189 --> 00:06:33,759
but when i mentioned i was gonna be

180
00:06:36,870 --> 00:06:35,199
coming on your show

181
00:06:39,430 --> 00:06:36,880
i begged them look i'll ask one more

182
00:06:42,150 --> 00:06:39,440
time please tell me what you remember

183
00:06:44,469 --> 00:06:42,160
now they remember it exactly as i do

184
00:06:46,150 --> 00:06:44,479
but from what they say

185
00:06:48,870 --> 00:06:46,160
they thought it was more of a goldish

186
00:06:50,550 --> 00:06:48,880
color as opposed to a silver color

187
00:06:53,350 --> 00:06:50,560
and they thought it had like

188
00:06:55,029 --> 00:06:53,360

like a burning hue around it almost like

189

00:06:58,309 --> 00:06:55,039

a plasmay hue

190

00:07:00,390 --> 00:06:58,319

that then faded out to then show it as a

191

00:07:02,950 --> 00:07:00,400

chrome or sorry a gold

192

00:07:04,390 --> 00:07:02,960

chrome style ball but it did exactly the

193

00:07:05,990 --> 00:07:04,400

same move they remember the movement

194

00:07:08,309 --> 00:07:06,000

they remember the rotating they remember

195

00:07:10,150 --> 00:07:08,319

the humming exactly the same

196

00:07:12,629 --> 00:07:10,160

wow and what year would you say this was

197

00:07:16,550 --> 00:07:12,639

about uh okay so i would probably say

198

00:07:18,550 --> 00:07:16,560

about 1980 between 1986 1988

199

00:07:19,749 --> 00:07:18,560

yeah because i was around about 13 14

200

00:07:21,510 --> 00:07:19,759

years old

201
00:07:24,390 --> 00:07:21,520
well as far as i know they didn't have

202
00:07:25,830 --> 00:07:24,400
any craft that the government had

203
00:07:27,029 --> 00:07:25,840
probably at that point that would do

204
00:07:29,749 --> 00:07:27,039
something like that that's a really

205
00:07:31,350 --> 00:07:29,759
bizarre it is it's a very strange thing

206
00:07:33,029 --> 00:07:31,360
it's one of those things that's it's in

207
00:07:36,230 --> 00:07:33,039
your head the second you've seen it it's

208
00:07:38,390 --> 00:07:36,240
in your head forever but for me

209
00:07:40,309 --> 00:07:38,400
it was just so clear and it could only

210
00:07:42,710 --> 00:07:40,319
have been about 50 feet above the ground

211
00:07:46,150 --> 00:07:42,720
so we were really locked onto it really

212
00:07:48,070 --> 00:07:46,160
any idea approximately the size of it

213
00:07:49,350 --> 00:07:48,080

yeah i would say probably the size of a

214

00:07:55,110 --> 00:07:49,360

beach ball

215

00:07:56,469 --> 00:07:55,120

this size

216

00:07:57,749 --> 00:07:56,479

this side

217

00:08:00,710 --> 00:07:57,759

it hummed

218

00:08:01,589 --> 00:08:00,720

and it it was beautiful and then it just

219

00:08:02,710 --> 00:08:01,599

went

220

00:08:03,510 --> 00:08:02,720

it just

221

00:08:05,510 --> 00:08:03,520

went

222

00:08:07,990 --> 00:08:05,520

so that kind of started my interest and

223

00:08:10,550 --> 00:08:08,000

fascination in the topic really

224

00:08:11,990 --> 00:08:10,560

and um over the years obviously i've

225

00:08:13,990 --> 00:08:12,000

looked into it a lot i was even

226

00:08:14,869 --> 00:08:14,000

fortunate enough at one point

227

00:08:17,350 --> 00:08:14,879

uh

228

00:08:18,950 --> 00:08:17,360

to have a friend that was um to do with

229

00:08:21,510 --> 00:08:18,960

the raf

230

00:08:24,550 --> 00:08:21,520

and years and years and years i tried to

231

00:08:27,189 --> 00:08:24,560

twist his arm and find out anything

232

00:08:28,629 --> 00:08:27,199

anything but nothing he wouldn't tell me

233

00:08:29,990 --> 00:08:28,639

but i could tell from the look in his

234

00:08:31,350 --> 00:08:30,000

eye there was something but he just

235

00:08:32,870 --> 00:08:31,360

would never tell me

236

00:08:34,389 --> 00:08:32,880

because signed to the official secrets

237

00:08:36,310 --> 00:08:34,399

act and things like that and i respected

238

00:08:38,310 --> 00:08:36,320

that but no matter how drunk we used to

239

00:08:40,230 --> 00:08:38,320

get him he wouldn't tell me

240

00:08:42,149 --> 00:08:40,240

he wouldn't budge

241

00:08:44,630 --> 00:08:42,159

but i i can read people quite well and i

242

00:08:45,590 --> 00:08:44,640

know when there's something

243

00:08:47,509 --> 00:08:45,600

there's something there's something

244

00:08:49,269 --> 00:08:47,519

there but i searched and i've searched

245

00:08:50,630 --> 00:08:49,279

through so many youtube videos almost

246

00:08:52,949 --> 00:08:50,640

trying to search for the thing that we

247

00:08:55,509 --> 00:08:52,959

saw and i found one video that is very

248

00:08:56,389 --> 00:08:55,519

very similar again a silver metallic

249

00:08:57,829 --> 00:08:56,399

ball

250

00:08:59,509 --> 00:08:57,839

that was

251
00:09:01,030 --> 00:08:59,519
doing this and it was one movement it

252
00:09:03,910 --> 00:09:01,040
wasn't darting around

253
00:09:05,509 --> 00:09:03,920
it was just it was there it was humming

254
00:09:07,670 --> 00:09:05,519
and then it was just gone

255
00:09:09,190 --> 00:09:07,680
it was gone it went quick

256
00:09:09,990 --> 00:09:09,200
really really quick

257
00:09:12,230 --> 00:09:10,000
yeah

258
00:09:15,110 --> 00:09:12,240
now i've heard of sightings where people

259
00:09:17,509 --> 00:09:15,120
have seen things that are spinning like

260
00:09:19,829 --> 00:09:17,519
for instance there was one in russia

261
00:09:22,150 --> 00:09:19,839
where someone said it was about the size

262
00:09:25,670 --> 00:09:22,160
of a a washing machine and it was just

263
00:09:27,829 --> 00:09:25,680

sitting there spinning yeah for like so

264

00:09:29,990 --> 00:09:27,839

long that the people got bored and went

265

00:09:31,910 --> 00:09:30,000

inside and

266

00:09:33,590 --> 00:09:31,920

they got bored watching it but it never

267

00:09:35,430 --> 00:09:33,600

they never saw it move off you know and

268

00:09:37,430 --> 00:09:35,440

eventually it moved off but

269

00:09:39,350 --> 00:09:37,440

but yeah it's strange and and you know

270

00:09:40,470 --> 00:09:39,360

it almost would seem like that would be

271

00:09:42,470 --> 00:09:40,480

some type of

272

00:09:44,710 --> 00:09:42,480

now i may be going a little far out

273

00:09:45,829 --> 00:09:44,720

there but some type of drone from

274

00:09:48,230 --> 00:09:45,839

another

275

00:09:49,910 --> 00:09:48,240

craft possibly you know i mean

276

00:09:51,670 --> 00:09:49,920

who knows

277

00:09:53,829 --> 00:09:51,680

now the strange thing was with that

278

00:09:55,110 --> 00:09:53,839

sighting it it was quite exciting now

279

00:09:56,470 --> 00:09:55,120

being back in the 80s there was no

280

00:09:58,790 --> 00:09:56,480

internet or anything like this so the

281

00:10:00,230 --> 00:09:58,800

only thing we had um the family member

282

00:10:02,389 --> 00:10:00,240

and i looked at the back of our local

283

00:10:04,550 --> 00:10:02,399

newspaper and there was a little advert

284

00:10:06,470 --> 00:10:04,560

there have you seen anything strange so

285

00:10:07,910 --> 00:10:06,480

we um called this number and the next

286

00:10:09,829 --> 00:10:07,920

you know we had these three guys come

287

00:10:11,990 --> 00:10:09,839

around with clipboards and asking us

288

00:10:13,670 --> 00:10:12,000

everything to do with it like absolutely

289

00:10:15,430 --> 00:10:13,680

everything really yeah they were they

290

00:10:17,110 --> 00:10:15,440

were fast this was back then they were

291

00:10:18,470 --> 00:10:17,120

fascinated and i was in school the next

292

00:10:20,150 --> 00:10:18,480

day telling everybody

293

00:10:22,470 --> 00:10:20,160

no one was interested no one was

294

00:10:24,389 --> 00:10:22,480

interested at all but strangely enough

295

00:10:25,910 --> 00:10:24,399

around about a year after that a friend

296

00:10:27,829 --> 00:10:25,920

of mine who lives around about eight

297

00:10:30,710 --> 00:10:27,839

miles away from me in a place called

298

00:10:33,030 --> 00:10:30,720

hadley in essex

299

00:10:35,590 --> 00:10:33,040

he and his sister and the whole high

300

00:10:37,590 --> 00:10:35,600

street on a saturday afternoon

301
00:10:41,269 --> 00:10:37,600
were stuck watching what they described

302
00:10:42,710 --> 00:10:41,279
as a ice cream cone shape

303
00:10:44,710 --> 00:10:42,720
triangle

304
00:10:46,069 --> 00:10:44,720
in the sky but with multi colors this is

305
00:10:47,990 --> 00:10:46,079
in the day so these colors were bright

306
00:10:50,069 --> 00:10:48,000
enough for them to see it and the police

307
00:10:51,750 --> 00:10:50,079
even sent a helicopter up to have a look

308
00:10:53,670 --> 00:10:51,760
at it and they said when the helicopter

309
00:10:55,670 --> 00:10:53,680
got near it it went straight up like

310
00:10:57,509 --> 00:10:55,680
that wow and that was that was the whole

311
00:10:59,030 --> 00:10:57,519
high street looking at that on a

312
00:11:00,790 --> 00:10:59,040
saturday afternoon

313
00:11:02,230 --> 00:11:00,800

and it is like this guy was one of the

314

00:11:04,069 --> 00:11:02,240

guys that was

315

00:11:05,990 --> 00:11:04,079

basically ridiculing me and having a go

316

00:11:07,750 --> 00:11:06,000

at me at school saying you know don't be

317

00:11:09,670 --> 00:11:07,760

stupid and he saw that and the first

318

00:11:10,949 --> 00:11:09,680

person he phoned was me to say you're

319

00:11:12,230 --> 00:11:10,959

not going to believe what we've just

320

00:11:15,190 --> 00:11:12,240

seen

321

00:11:17,190 --> 00:11:15,200

did everyone go get ice cream after that

322

00:11:19,030 --> 00:11:17,200

i don't know you heard that last

323

00:11:20,550 --> 00:11:19,040

sighting that i've had but everyone went

324

00:11:23,110 --> 00:11:20,560

to get ice cream

325

00:11:25,110 --> 00:11:23,120

i'm not sure but uh yeah yeah but um

326

00:11:28,069 --> 00:11:25,120

what was interesting after i'd seen

327

00:11:29,829 --> 00:11:28,079

after i'd seen this um the first sorry

328

00:11:31,430 --> 00:11:29,839

the second sighting the other night i

329

00:11:32,870 --> 00:11:31,440

put on my instagram because i was just

330

00:11:34,630 --> 00:11:32,880

so

331

00:11:35,670 --> 00:11:34,640

not in shock i'll be honest with you

332

00:11:36,949 --> 00:11:35,680

this is what i said the difference

333

00:11:38,710 --> 00:11:36,959

between the first one which was exciting

334

00:11:40,069 --> 00:11:38,720

to see when i was younger

335

00:11:42,949 --> 00:11:40,079

this one

336

00:11:45,269 --> 00:11:42,959

it was actually quite scary the the

337

00:11:47,990 --> 00:11:45,279

feeling i got afterwards was quite scary

338

00:11:49,590 --> 00:11:48,000

there was there was a weird atmosphere

339

00:11:50,949 --> 00:11:49,600

it was so

340

00:11:56,790 --> 00:11:50,959

so real

341

00:11:57,750 --> 00:11:56,800

so clear it i don't know it just left me

342

00:12:00,870 --> 00:11:57,760

with a

343

00:12:02,550 --> 00:12:00,880

wow seriously what was that

344

00:12:04,310 --> 00:12:02,560

what was that you know what i mean it's

345

00:12:06,790 --> 00:12:04,320

a strange thing and again the horse the

346

00:12:10,949 --> 00:12:06,800

horse freaked out and uh

347

00:12:12,389 --> 00:12:10,959

yeah it was it was it was odd well

348

00:12:14,629 --> 00:12:12,399

you you probably have to get back to

349

00:12:16,550 --> 00:12:14,639

card detailing as well

350

00:12:17,990 --> 00:12:16,560

but anyway thank you so much your

351

00:12:20,949 --> 00:12:18,000

phone's ringing off the hook there but

352

00:12:22,470 --> 00:12:20,959

thank you so much it's been a pleasure

353

00:12:24,790 --> 00:12:22,480

it's been a real pleasure and i do

354

00:12:26,629 --> 00:12:24,800

appreciate you sharing this those great

355

00:12:29,720 --> 00:12:26,639

stories thank you thank you for having
