2
00:00:40,470 --> 00:00:37,430
a ufo in bigfoot like creatures in

3
00:00:41,830 --> 00:00:40,480
pennsylvania by charles lear these days

4
00:00:43,590 --> 00:00:41,840
more and more researchers are

5
00:00:46,310 --> 00:00:43,600
considering the idea that there is a

6
00:00:49,750 --> 00:00:46,320
unified theory for all things paranormal

7
00:00:51,830 --> 00:00:49,760
from bigfoot to ghosts to ufos the idea

8
00:00:54,389 --> 00:00:51,840
that all or at least many things

9
00:00:56,950 --> 00:00:54,399
paranormal derived from a common source

10
00:00:58,549 --> 00:00:56,960
was considered as early as the 1940s by

11
00:01:01,430 --> 00:00:58,559
mead lane and other members of the

12
00:01:03,590 --> 00:01:01,440
borderland sciences research association

13
00:01:06,390 --> 00:01:03,600

this has been popularized in more recent

14

00:01:08,149 --> 00:01:06,400

times by john keel and jack fillet there

15

00:01:09,750 --> 00:01:08,159

is a great deal of resistance to this

16

00:01:12,070 --> 00:01:09,760

way of thinking among paranormal

17

00:01:15,350 --> 00:01:12,080

enthusiasts but a case in pennsylvania

18

00:01:17,830 --> 00:01:15,360

from 1973 has elements to it that likely

19

00:01:20,230 --> 00:01:17,840

cause many to reconsider their positions

20

00:01:23,670 --> 00:01:20,240

the case is described by bertolt eric

21

00:01:26,149 --> 00:01:23,680

schwartz md in the july 1974 issue of

22

00:01:28,550 --> 00:01:26,159

flying saucer review in his article

23

00:01:30,870 --> 00:01:28,560

berserk a ufo creature encounter

24

00:01:32,870 --> 00:01:30,880

according to schwartz he got a call on a

25

00:01:34,870 --> 00:01:32,880

sunday in september from alan know of

26

00:01:36,710 --> 00:01:34,880

the society for the investigation of the

27

00:01:39,429 --> 00:01:36,720

unexplained a new jersey-based

28

00:01:41,270 --> 00:01:39,439

organization founded by ivan t sanderson

29

00:01:43,590 --> 00:01:41,280

and stan gordon director of the

30

00:01:45,830 --> 00:01:43,600

pennsylvania-based westmoreland county

31

00:01:47,749 --> 00:01:45,840

ufo study group they told them they were

32

00:01:50,550 --> 00:01:47,759

in the midst of a great deal of activity

33

00:01:52,550 --> 00:01:50,560

involving ufos and creatures gordon in

34

00:01:54,950 --> 00:01:52,560

the documentary invasion on chestnut

35

00:01:57,510 --> 00:01:54,960

ridge describes the activity as a major

36

00:01:59,749 --> 00:01:57,520

ufo bigfoot wave new jersey-based

37

00:02:01,350 --> 00:01:59,759

schwartz made plans to visit the area

38

00:02:04,870 --> 00:02:01,360

and these were moved forward when he got

39

00:02:07,190 --> 00:02:04,880

a call on october 27 1973 from his

40

00:02:09,589 --> 00:02:07,200

office he was a psychiatrist in new

41

00:02:12,309 --> 00:02:09,599

jersey he was told to get in touch with

42

00:02:13,910 --> 00:02:12,319

gordon immediately according to schwartz

43

00:02:15,990 --> 00:02:13,920

gordon had called about a multiple

44

00:02:18,710 --> 00:02:16,000

witness landing creature case with

45

00:02:20,710 --> 00:02:18,720

dangerous overtones schwartz contacted

46

00:02:22,790 --> 00:02:20,720

gordon and gordon told him about the

47

00:02:25,589 --> 00:02:22,800

case and said that an episode where the

48

00:02:27,350 --> 00:02:25,599

primary witness went into a fugue state

49

00:02:29,430 --> 00:02:27,360

had been caught on tape during a field

50

00:02:32,150 --> 00:02:29,440

investigation schwartz says in the

51
00:02:33,990 --> 00:02:32,160
article i gave first aid advice and made

52
00:02:36,229 --> 00:02:34,000
arrangements for my first visit the

53
00:02:38,470 --> 00:02:36,239
following week schwartz says he was in

54
00:02:41,270 --> 00:02:38,480
pennsylvania from november 1st through

55
00:02:43,030 --> 00:02:41,280
the 3rd 1973 that he listened to the

56
00:02:44,949 --> 00:02:43,040
tapes that were made interviewed the

57
00:02:47,110 --> 00:02:44,959
study group members who were involved

58
00:02:49,509 --> 00:02:47,120
interviewed the witnesses and conducted

59
00:02:52,390 --> 00:02:49,519
a psychiatric interview with the primary

60
00:02:54,390 --> 00:02:52,400
witness schwartz also spoke by telephone

61
00:02:56,550 --> 00:02:54,400
to a pennsylvania state trooper who was

62
00:02:59,190 --> 00:02:56,560
there and read gordon's excellent

63
00:03:01,750 --> 00:02:59,200

written collations according to schwartz

64

00:03:02,830 --> 00:03:01,760

at around 10 30 p.m on thursday october

65

00:03:05,350 --> 00:03:02,840

25th

66

00:03:07,910 --> 00:03:05,360

1973 gordon got a call from trooper

67

00:03:10,149 --> 00:03:07,920

byrne pseudonym who told him something

68

00:03:12,790 --> 00:03:10,159

unusual had taken place on a farm near

69

00:03:15,750 --> 00:03:12,800

greenberg the primary witness stephen

70

00:03:17,350 --> 00:03:15,760

pulaski pseudonym was at the station and

71

00:03:19,350 --> 00:03:17,360

said over the phone that byrne had

72

00:03:21,750 --> 00:03:19,360

witnessed evidence that backed up what

73

00:03:23,990 --> 00:03:21,760

he had seen before burn arrived the

74

00:03:26,229 --> 00:03:24,000

study group went out to meet 22 year old

75

00:03:27,910 --> 00:03:26,239

pulaski and his father and they all went

76

00:03:29,910 --> 00:03:27,920

to the site where they arrived after

77

00:03:32,630 --> 00:03:29,920

midnight there were six study group

78

00:03:35,190 --> 00:03:32,640

members a photographer a physics teacher

79

00:03:37,830 --> 00:03:35,200

a radiation expert a sociologist a

80

00:03:39,910 --> 00:03:37,840

former air force pilot and gordon once

81

00:03:42,710 --> 00:03:39,920

they were assembled pulaski told his

82

00:03:45,350 --> 00:03:42,720

story according to pulaski he and about

83

00:03:47,830 --> 00:03:45,360

15 witnesses who included relatives and

84

00:03:50,710 --> 00:03:47,840

neighbors watched as a large red ball of

85

00:03:53,030 --> 00:03:50,720

light hovered over a field pulaski armed

86

00:03:55,190 --> 00:03:53,040

with a thirty-odd six rifle got in his

87

00:03:57,830 --> 00:03:55,200

car to drive up to the area and a pair

88

00:04:00,309 --> 00:03:57,840

of twin neighbor boys went along as they

89

00:04:02,390 --> 00:04:00,319

approached the car's headlights dimmed

90

00:04:04,229 --> 00:04:02,400

the object was slowly descending into

91

00:04:06,149 --> 00:04:04,239

the field and the three got out of the

92

00:04:08,070 --> 00:04:06,159

car and walked towards it as they came

93

00:04:10,229 --> 00:04:08,080

over a hillcrest they saw what they

94

00:04:12,229 --> 00:04:10,239

described as a dome-shaped object about

95

00:04:14,869 --> 00:04:12,239

a hundred feet in diameter making a

96

00:04:16,469 --> 00:04:14,879

sound like a lawn mower one of the twins

97

00:04:19,189 --> 00:04:16,479

yelled out that he could see something

98

00:04:21,509 --> 00:04:19,199

moving along the fence pulaski had two

99

00:04:23,749 --> 00:04:21,519

tracer bullets loaded and fired one over

100

00:04:26,070 --> 00:04:23,759

the heads of what were described as two

101
00:04:28,070 --> 00:04:26,080
creatures one about eight feet tall and

102
00:04:30,310 --> 00:04:28,080
the other about seven feet their height

103
00:04:32,550 --> 00:04:30,320
was determined by the six foot posts of

104
00:04:34,390 --> 00:04:32,560
the fence they were slowly walking along

105
00:04:36,950 --> 00:04:34,400
both creatures were covered with dark

106
00:04:39,510 --> 00:04:36,960
gray hair had greenish yellow eyes and

107
00:04:41,430 --> 00:04:39,520
had arms and hung almost to the ground

108
00:04:43,670 --> 00:04:41,440
the large creature was touching the

109
00:04:45,430 --> 00:04:43,680
fence posts as it passed them and the

110
00:04:47,749 --> 00:04:45,440
smaller creature seemed to be taking

111
00:04:50,150 --> 00:04:47,759
extra long strides to keep up they

112
00:04:52,950 --> 00:04:50,160
seemed to be communicating making noises

113
00:04:54,870 --> 00:04:52,960

like that of a crying baby pulaski fired

114

00:04:57,030 --> 00:04:54,880

his remaining tracer over their heads

115

00:04:59,430 --> 00:04:57,040

and the creatures kept walking he then

116

00:05:01,590 --> 00:04:59,440

shot three live rounds into the chest of

117

00:05:03,990 --> 00:05:01,600

the larger creature as one of the twins

118

00:05:05,909 --> 00:05:04,000

ran scared back to the house the large

119

00:05:08,150 --> 00:05:05,919

creature made a whining noise and

120

00:05:10,390 --> 00:05:08,160

reached out to the smaller creature at

121

00:05:12,710 --> 00:05:10,400

that moment the dome blinked out and the

122

00:05:14,469 --> 00:05:12,720

noise it seemed to be making stopped the

123

00:05:16,790 --> 00:05:14,479

creatures then turned around and walked

124

00:05:18,710 --> 00:05:16,800

slowly towards the woods the area where

125

00:05:21,270 --> 00:05:18,720

the lit dome had been was glowing

126
00:05:23,590 --> 00:05:21,280
brightly pulaski reported the incident

127
00:05:25,909 --> 00:05:23,600
to the police and byrne got to the house

128
00:05:28,629 --> 00:05:25,919
at about 9 45 pm

129
00:05:30,710 --> 00:05:28,639
in the police car ian pulaski went up to

130
00:05:33,510 --> 00:05:30,720
the field and burned saw the glowing

131
00:05:36,070 --> 00:05:33,520
area he speculated that if one bent down

132
00:05:37,749 --> 00:05:36,080
there one could read a newspaper byrne

133
00:05:40,070 --> 00:05:37,759
maintained he couldn't be sure that the

134
00:05:41,990 --> 00:05:40,080
glow wasn't caused by his headlights but

135
00:05:44,230 --> 00:05:42,000
schwartz reports that byrne moved the

136
00:05:46,469 --> 00:05:44,240
car so that the light shone elsewhere

137
00:05:48,390 --> 00:05:46,479
and that he still saw the glow they got

138
00:05:50,550 --> 00:05:48,400

out of the car and looked around they

139

00:05:52,790 --> 00:05:50,560

then heard a noise from the woods as if

140

00:05:54,310 --> 00:05:52,800

a large animal was walking towards them

141

00:05:56,550 --> 00:05:54,320

they moved and the noise seemed to

142

00:05:58,870 --> 00:05:56,560

follow them when they stopped the noise

143

00:06:01,350 --> 00:05:58,880

stopped burn wanted to get closer to the

144

00:06:03,430 --> 00:06:01,360

circle of light but pulaski told him i

145

00:06:05,350 --> 00:06:03,440

don't get paid for being brave i'm not

146

00:06:07,670 --> 00:06:05,360

going any further burn thought about

147

00:06:09,990 --> 00:06:07,680

going on alone but thought better of it

148

00:06:11,909 --> 00:06:10,000

in light of pulaskis being armed and in

149

00:06:13,670 --> 00:06:11,919

a scared state of excitement as they

150

00:06:15,990 --> 00:06:13,680

headed back to the car they heard more

151
00:06:18,309 --> 00:06:16,000
noise and pulaski said he saw something

152
00:06:20,629 --> 00:06:18,319
brown coming towards them he asked burn

153
00:06:23,510 --> 00:06:20,639
for permission to shoot bern said yes

154
00:06:24,950 --> 00:06:23,520
and pulaski shot his last bullet pulaski

155
00:06:26,710 --> 00:06:24,960
again yelled that there was something

156
00:06:29,189 --> 00:06:26,720
coming towards them and they jumped into

157
00:06:31,270 --> 00:06:29,199
the car and sped off burn got a hold of

158
00:06:33,270 --> 00:06:31,280
himself and turned the car around he's

159
00:06:35,590 --> 00:06:33,280
shown his high beams into the woods and

160
00:06:37,830 --> 00:06:35,600
according to pulaski the glowing area

161
00:06:39,909 --> 00:06:37,840
had vanished the sound was no longer

162
00:06:42,390 --> 00:06:39,919
heard at this point the study group

163
00:06:44,629 --> 00:06:42,400

arrived at around 1 30 am and went to

164

00:06:46,390 --> 00:06:44,639

the field with pulaski and his father

165

00:06:48,550 --> 00:06:46,400

when they got to the field there was no

166

00:06:50,390 --> 00:06:48,560

glowing ring they attacked pulaski

167

00:06:52,230 --> 00:06:50,400

earlier for radiation and they checked

168

00:06:54,390 --> 00:06:52,240

the field as well and there were no

169

00:06:56,550 --> 00:06:54,400

unusual readings while the group went

170

00:06:58,790 --> 00:06:56,560

into the field pulaski and his father

171

00:07:00,550 --> 00:06:58,800

stayed by the truck the pulaskis yelled

172

00:07:02,469 --> 00:07:00,560

out to the group that they saw a glow

173

00:07:04,309 --> 00:07:02,479

that lit up the farmhouse but it was

174

00:07:06,230 --> 00:07:04,319

gone by the time the group came back to

175

00:07:08,950 --> 00:07:06,240

sea two group members went to

176

00:07:11,189 --> 00:07:08,960

investigate and found nothing the group

177

00:07:13,270 --> 00:07:11,199

and the pulaskis went up into the field

178

00:07:15,510 --> 00:07:13,280

stephen had his dog with him and the dog

179

00:07:17,990 --> 00:07:15,520

became alert and started tracking the

180

00:07:20,230 --> 00:07:18,000

dog then became focused on a spot at the

181

00:07:22,309 --> 00:07:20,240

edge of the woods then stephen started

182

00:07:24,309 --> 00:07:22,319

rubbing his head and face and started

183

00:07:26,309 --> 00:07:24,319

weaving as if he were going to faint his

184

00:07:27,990 --> 00:07:26,319

father went to support him and stephen

185

00:07:30,550 --> 00:07:28,000

started growling and threw his father

186
