

PAUL HYNEK

#488

1
00:00:38,310 --> 00:00:09,940
[Music]

2
00:00:43,030 --> 00:00:41,510
hello everyone and happy new year

3
00:00:44,470 --> 00:00:43,040
hope you had a great new year's

4
00:00:46,709 --> 00:00:44,480
celebration hope

5
00:00:49,350 --> 00:00:46,719
that 2022

6
00:00:51,830 --> 00:00:49,360
is going to be better it was actually a

7
00:00:54,470 --> 00:00:51,840
very good year for me in strange ways

8
00:00:56,470 --> 00:00:54,480
but uh i'm hoping that and i know it was

9
00:01:00,229 --> 00:00:56,480
a tough year for a lot of you out there

10
00:01:01,590 --> 00:01:00,239
and um let's hope that 2022 will be a

11
00:01:04,390 --> 00:01:01,600
better year

12
00:01:07,030 --> 00:01:04,400
for all stay healthy stay safe

13
00:01:10,070 --> 00:01:07,040

as we move forward and uh

14

00:01:12,310 --> 00:01:10,080

anyway i i do appreciate

15

00:01:14,390 --> 00:01:12,320

all the listeners to the show and as i

16

00:01:16,630 --> 00:01:14,400

mentioned before in a number of shows

17

00:01:19,190 --> 00:01:16,640

there's no new listeners contacting me

18

00:01:21,109 --> 00:01:19,200

all the time i just had someone

19

00:01:22,469 --> 00:01:21,119

contact me a couple days ago that wanted

20

00:01:23,910 --> 00:01:22,479

to know all my

21

00:01:26,390 --> 00:01:23,920

favorite youtube

22

00:01:27,830 --> 00:01:26,400

videos that's a tough one just to let

23

00:01:30,230 --> 00:01:27,840

you know because there's

24

00:01:31,910 --> 00:01:30,240

it it's i i started looking through it

25

00:01:33,590 --> 00:01:31,920

takes some time

26
00:01:36,550 --> 00:01:33,600
because there is

27
00:01:38,069 --> 00:01:36,560
a lot of youtube that you want to skip

28
00:01:39,830 --> 00:01:38,079
over there's a lot of things on there

29
00:01:42,630 --> 00:01:39,840
people are looking

30
00:01:44,230 --> 00:01:42,640
to get high ratings

31
00:01:45,590 --> 00:01:44,240
you know there are certain channels you

32
00:01:47,830 --> 00:01:45,600
want to stay away from i don't want to

33
00:01:49,510 --> 00:01:47,840
start out on a bad

34
00:01:53,030 --> 00:01:49,520
note here but there are certain channels

35
00:01:54,710 --> 00:01:53,040
you want to stay away from and uh anyway

36
00:01:57,830 --> 00:01:54,720
maybe i'll get into that at some point

37
00:02:00,950 --> 00:01:57,840
later on but um again thanks everyone

38
00:02:03,429 --> 00:02:00,960

for staying tuned all these years our

39

00:02:05,910 --> 00:02:03,439

blog this week from charles lear is a

40

00:02:08,550 --> 00:02:05,920

ufo lab in japan this is something that

41

00:02:12,229 --> 00:02:08,560

opened up on june 24th of this year

42

00:02:14,150 --> 00:02:12,239

world ufo day in japan and he's uh he's

43

00:02:16,390 --> 00:02:14,160

writing that and we do it he does an

44

00:02:19,589 --> 00:02:16,400

audio blog not we do he does an audio

45

00:02:22,630 --> 00:02:19,599

blog every week too and i can't wait

46

00:02:24,309 --> 00:02:22,640

to hear how he handles uh japanese when

47

00:02:25,350 --> 00:02:24,319

it comes to this audio blog that should

48

00:02:28,070 --> 00:02:25,360

be pretty

49

00:02:30,710 --> 00:02:28,080

interesting to say the least um we have

50

00:02:32,390 --> 00:02:30,720

a great guest tonight i really enjoy

51
00:02:35,990 --> 00:02:32,400
every time i talk to him it's a lot of

52
00:02:38,150 --> 00:02:36,000
fun he is he's got a quite a background

53
00:02:40,229 --> 00:02:38,160
and you know he probably gets tired of

54
00:02:42,309 --> 00:02:40,239
talking about his father but we're going

55
00:02:45,190 --> 00:02:42,319
to talk about his father anyway and

56
00:02:48,150 --> 00:02:45,200
that's the great paul i mean jay allen

57
00:02:49,670 --> 00:02:48,160
heineck paul heineck is our guest and

58
00:02:51,750 --> 00:02:49,680
we're going to be talking about that uh

59
00:02:54,710 --> 00:02:51,760
but paul has had quite a career on his

60
00:02:56,790 --> 00:02:54,720
own and he's been involved in all kinds

61
00:02:59,589 --> 00:02:56,800
of things his bio is up in the show

62
00:03:01,270 --> 00:02:59,599
notes so check that out and without

63
00:03:03,190 --> 00:03:01,280

further ado

64

00:03:05,509 --> 00:03:03,200

welcome to the show paul

65

00:03:08,309 --> 00:03:05,519

hello martin happy new year happy new

66

00:03:09,750 --> 00:03:08,319

year to you always always fun talking to

67

00:03:11,830 --> 00:03:09,760

you every time i always have a lot of

68

00:03:14,229 --> 00:03:11,840

fun and um

69

00:03:17,030 --> 00:03:14,239

you have a great sense of humor now when

70

00:03:18,470 --> 00:03:17,040

you were growing up in the household

71

00:03:20,390 --> 00:03:18,480

would did your dad have that type of

72

00:03:21,990 --> 00:03:20,400

sense of humor

73

00:03:25,430 --> 00:03:22,000

oh yeah you know

74

00:03:27,830 --> 00:03:25,440

people tend to think of scientists

75

00:03:31,270 --> 00:03:27,840

and i'm talking to you project blue book

76
00:03:34,710 --> 00:03:31,280
friends um as sort of you know vulcan

77
00:03:35,670 --> 00:03:34,720
type logic dominated robots

78
00:03:37,589 --> 00:03:35,680
and

79
00:03:38,789 --> 00:03:37,599
our father i'm one of five children as

80
00:03:41,110 --> 00:03:38,799
you know because you've met my brother

81
00:03:43,030 --> 00:03:41,120
joel yes um

82
00:03:46,390 --> 00:03:43,040
he had a very

83
00:03:47,509 --> 00:03:46,400
over developed fondness for puns

84
00:03:52,789 --> 00:03:47,519
um

85
00:03:55,670 --> 00:03:52,799
martin i'd love to hear it maybe yeah

86
00:03:57,830 --> 00:03:55,680
dealt to the bottom of the bowels of pun

87
00:04:00,710 --> 00:03:57,840
mountain okay so

88
00:04:03,750 --> 00:04:00,720

the pun the triple pun

89

00:04:05,350 --> 00:04:03,760

was long thought impossible by the best

90

00:04:07,350 --> 00:04:05,360

minds in

91

00:04:08,229 --> 00:04:07,360

punery

92

00:04:10,070 --> 00:04:08,239

and

93

00:04:12,869 --> 00:04:10,080

the triple pawn means

94

00:04:14,470 --> 00:04:12,879

three words three consecutive words

95

00:04:15,270 --> 00:04:14,480

three puns

96

00:04:18,629 --> 00:04:15,280

okay

97

00:04:21,349 --> 00:04:18,639

so my father undeterred by the daunting

98

00:04:23,909 --> 00:04:21,359

sicilian challenge of this decided to

99

00:04:26,629 --> 00:04:23,919

crack the code to

100

00:04:29,189 --> 00:04:26,639

untie the gordian knot and he did and he

101
00:04:31,189 --> 00:04:29,199
came back bringing the elixir to the

102
00:04:35,430 --> 00:04:31,199
village of the triple pun and it goes

103
00:04:37,350 --> 00:04:35,440
like this and the setup is not contrived

104
00:04:38,390 --> 00:04:37,360
or awkward at all

105
00:04:40,830 --> 00:04:38,400
so

106
00:04:45,510 --> 00:04:40,840
there's an astronomer father

107
00:04:47,830 --> 00:04:45,520
naturally who has a cattle farm again

108
00:04:50,550 --> 00:04:47,840
not at all contrived martin

109
00:04:52,310 --> 00:04:50,560
and he says he'll give

110
00:04:55,189 --> 00:04:52,320
the cattle farm

111
00:04:57,990 --> 00:04:55,199
that he has he's a gentleman

112
00:05:01,110 --> 00:04:58,000
you know side hustle hobbyist

113
00:05:03,270 --> 00:05:01,120

cattle farmer to his sons

114

00:05:05,670 --> 00:05:03,280

with the one condition

115

00:05:08,550 --> 00:05:05,680

that they call the farm

116

00:05:10,870 --> 00:05:08,560

solar focus

117

00:05:12,790 --> 00:05:10,880

okay again not at all awkward perfectly

118

00:05:15,189 --> 00:05:12,800

natural story that you don't even know

119

00:05:17,590 --> 00:05:15,199

is the premise for a pun

120

00:05:19,749 --> 00:05:17,600

and his son say okay

121

00:05:23,029 --> 00:05:19,759

astronomer father

122

00:05:26,150 --> 00:05:23,039

thanks and why do you require that we

123

00:05:28,070 --> 00:05:26,160

name the cattle farm from you

124

00:05:30,070 --> 00:05:28,080

solar focus

125

00:05:32,710 --> 00:05:30,080

and the father responds

126

00:05:34,710 --> 00:05:32,720

you have to name it solar focus

127

00:05:36,950 --> 00:05:34,720

because that's where the and are you

128

00:05:41,350 --> 00:05:36,960

ready i hope you're all sitting down

129

00:05:46,070 --> 00:05:41,360

the sun's s-o-n-s s-u-n-s

130

00:05:46,080 --> 00:05:50,150

meet m-e-a-t-m-e-e-t

131

00:05:50,160 --> 00:05:53,670

it's over focus

132

00:05:57,990 --> 00:05:56,230

oh my god how long did that take

133

00:06:00,629 --> 00:05:58,000

oh he would draw that out and you know

134

00:06:04,550 --> 00:06:00,639

the thing is my mom had a rule at the

135

00:06:07,590 --> 00:06:04,560

dinner table if you told three puns you

136

00:06:09,830 --> 00:06:07,600

had to leave and there was no appeal

137

00:06:12,390 --> 00:06:09,840

process you were gone you were banished

138

00:06:14,230 --> 00:06:12,400

and so like if i was up to two i would

139

00:06:16,629 --> 00:06:14,240

whisper to my brother and he would tell

140

00:06:18,070 --> 00:06:16,639

the third one but my dad came up with a

141

00:06:21,189 --> 00:06:18,080

triple pun because

142

00:06:23,909 --> 00:06:21,199

one night he had to leave to go to work

143

00:06:25,670 --> 00:06:23,919

but it was impolitic to say that so he

144

00:06:27,510 --> 00:06:25,680

busted out the triple pun and he was

145

00:06:30,870 --> 00:06:27,520

banished and i saw him smirking on the

146

00:06:33,270 --> 00:06:30,880

way out i hope he got a snack

147

00:06:35,029 --> 00:06:33,280

i'm sure he had the attic away from all

148

00:06:38,550 --> 00:06:35,039

of us bratty kids i'm sure he had it

149

00:06:39,670 --> 00:06:38,560

well provisioned oh oh wow um i spoke

150

00:06:41,670 --> 00:06:39,680

with um

151

00:06:45,029 --> 00:06:41,680

um pam i'm just trying to think her last

152

00:06:47,110 --> 00:06:45,039

name uh pam she was uh she's she was uh

153

00:06:49,749 --> 00:06:47,120

the widow of um

154

00:06:54,070 --> 00:06:49,759

tom schneider the talk show host oh sure

155

00:06:56,390 --> 00:06:54,080

and yes um and she told me that

156

00:06:58,150 --> 00:06:56,400

tom's

157

00:07:02,790 --> 00:06:58,160

favorite guest

158

00:07:04,550 --> 00:07:02,800

were was j allen heineck he said

159

00:07:07,270 --> 00:07:04,560

tomorrow so cool

160

00:07:10,070 --> 00:07:07,280

he said that he uh she said that pam

161

00:07:12,950 --> 00:07:10,080

burke that's her name she said that um

162

00:07:14,870 --> 00:07:12,960

after the show was over he would

163

00:07:16,390 --> 00:07:14,880

she would ask him to stay

164

00:07:18,790 --> 00:07:16,400

i mean he would ask

165

00:07:20,950 --> 00:07:18,800

your dad to stay so they could chat and

166

00:07:22,950 --> 00:07:20,960

that she said i don't know of any other

167

00:07:24,230 --> 00:07:22,960

i can't tell you a handful of other

168

00:07:26,309 --> 00:07:24,240

people

169

00:07:28,550 --> 00:07:26,319

that had that honor

170

00:07:30,150 --> 00:07:28,560

so that's cool i'd love to talk to her

171

00:07:31,670 --> 00:07:30,160

sometime that'd be kind of fun oh i

172

00:07:33,270 --> 00:07:31,680

could do that yeah i could i could

173

00:07:34,790 --> 00:07:33,280

certainly set that up she's very nice

174

00:07:35,990 --> 00:07:34,800

lady so

175

00:07:37,749 --> 00:07:36,000

this is uh

176

00:07:39,749 --> 00:07:37,759

it's always fun i think we're getting a

177

00:07:41,430 --> 00:07:39,759

little bit of feedback um

178

00:07:42,950 --> 00:07:41,440

from your computer i don't know if you

179

00:07:46,070 --> 00:07:42,960

can turn down your speakers just a

180

00:07:47,990 --> 00:07:46,080

little bit yeah in your speakers

181

00:07:48,790 --> 00:07:48,000

your speakers not your mic

182

00:07:49,670 --> 00:07:48,800

okay

183

00:07:50,950 --> 00:07:49,680

all right

184

00:07:52,950 --> 00:07:50,960

how's that

185

00:07:55,029 --> 00:07:52,960

uh so far

186

00:07:57,990 --> 00:07:55,039

sounds pretty good okay

187

00:08:00,790 --> 00:07:58,000

so let's talk about what you know your

188

00:08:03,110 --> 00:08:00,800

your dad i think that when i very first

189

00:08:05,670 --> 00:08:03,120

started looking into this topic one of

190

00:08:08,950 --> 00:08:05,680

the things that really fascinated me was

191

00:08:10,390 --> 00:08:08,960

when i started reading about your dad

192

00:08:12,710 --> 00:08:10,400

and how he

193

00:08:13,990 --> 00:08:12,720

you know he was like on one side project

194

00:08:16,550 --> 00:08:14,000

blue book

195

00:08:17,909 --> 00:08:16,560

and then after a while there was so much

196

00:08:18,710 --> 00:08:17,919

material

197

00:08:20,550 --> 00:08:18,720

that

198

00:08:22,469 --> 00:08:20,560

he said now wait a minute this really is

199

00:08:26,150 --> 00:08:22,479

something to this

200

00:08:28,710 --> 00:08:26,160

ufo thing ufo problem as they often say

201
00:08:30,790 --> 00:08:28,720
so do you happen to reap do you happen

202
00:08:32,550 --> 00:08:30,800
as a young kid i guess you were pretty

203
00:08:34,389 --> 00:08:32,560
young when that transition happened do

204
00:08:36,630 --> 00:08:34,399
you remember any of that his way of

205
00:08:39,269 --> 00:08:36,640
thinking back then

206
00:08:40,949 --> 00:08:39,279
you know there are five children as i

207
00:08:43,110 --> 00:08:40,959
mentioned and there are kind of two

208
00:08:43,990 --> 00:08:43,120
generations there's scott roxanne and

209
00:08:45,829 --> 00:08:44,000
joel

210
00:08:48,389 --> 00:08:45,839
then there's a 12 year gap and then

211
00:08:51,350 --> 00:08:48,399
there's me and my younger brother ross

212
00:08:53,990 --> 00:08:51,360
um so we have ross and i have different

213
00:08:56,949 --> 00:08:54,000

recollections than the older generation

214

00:08:58,230 --> 00:08:56,959

they remember project blue book and the

215

00:09:00,550 --> 00:08:58,240

air force

216

00:09:03,350 --> 00:09:00,560

and you know my father getting involved

217

00:09:05,030 --> 00:09:03,360

and being trepidatious and my parents

218

00:09:07,350 --> 00:09:05,040

wondering about how

219

00:09:10,310 --> 00:09:07,360

you know working on the ufo problem as

220

00:09:12,949 --> 00:09:10,320

you as you termed it would affect tenure

221

00:09:14,230 --> 00:09:12,959

he was an at at that point an untenured

222

00:09:16,230 --> 00:09:14,240

professor

223

00:09:18,710 --> 00:09:16,240

and you know johnning around the country

224

00:09:21,670 --> 00:09:18,720

working on flying saucers as it was

225

00:09:23,910 --> 00:09:21,680

known back then was not really a helpful

226

00:09:25,910 --> 00:09:23,920

way to get tenure

227

00:09:28,470 --> 00:09:25,920

so they remember that and you know the

228

00:09:31,910 --> 00:09:28,480

air force what ross and i remember more

229

00:09:34,630 --> 00:09:31,920

is the 70s and close encounters and you

230

00:09:36,949 --> 00:09:34,640

know after he had already made that

231

00:09:39,910 --> 00:09:36,959

conversion not from a skeptic to a

232

00:09:42,230 --> 00:09:39,920

believer i don't think scientists really

233

00:09:44,070 --> 00:09:42,240

traffic with the word belief but more as

234

00:09:46,710 --> 00:09:44,080

an uh somebody who accepted the

235

00:09:48,949 --> 00:09:46,720

accumulated weight of the data

236

00:09:52,070 --> 00:09:48,959

so he was already you know

237

00:09:54,070 --> 00:09:52,080

bathing in the kool-aid by that point um

238

00:09:56,630 --> 00:09:54,080

but to your point

239

00:09:59,670 --> 00:09:56,640

you know i i've talked a lot with our

240

00:10:00,949 --> 00:09:59,680

our dear family friend jacques valet

241

00:10:04,069 --> 00:10:00,959

and

242

00:10:05,670 --> 00:10:04,079

he says that it was the sequoia case in

243

00:10:07,670 --> 00:10:05,680

1964

244

00:10:08,949 --> 00:10:07,680

with lonnie zamora

245

00:10:11,190 --> 00:10:08,959

that

246

00:10:13,509 --> 00:10:11,200

really gave my father the

247

00:10:15,350 --> 00:10:13,519

comfort level to talk about abduction

248

00:10:18,389 --> 00:10:15,360

cases i think he had

249

00:10:20,670 --> 00:10:18,399

long come to the conclusion that the ufo

250

00:10:23,110 --> 00:10:20,680

phenomena which doesn't necessarily mean

251
00:10:25,350 --> 00:10:23,120
extraterrestrial origin but that there

252
00:10:27,030 --> 00:10:25,360
is a phenomena was real

253
00:10:28,870 --> 00:10:27,040
and it took him a while to sort of be

254
00:10:31,990 --> 00:10:28,880
comfortable as a

255
00:10:34,790 --> 00:10:32,000
nuts and bolts astrophysicist with the

256
00:10:35,829 --> 00:10:34,800
idea of abduction cases um and why is

257
00:10:38,470 --> 00:10:35,839
tomorrow it wasn't technically an

258
00:10:39,829 --> 00:10:38,480
abduction case but a a physical creature

259
00:10:40,870 --> 00:10:39,839
presence

260
00:10:45,990 --> 00:10:40,880
right

261
00:10:46,790 --> 00:10:46,000
another step you know that a lot of

262
00:10:49,030 --> 00:10:46,800
people

263
00:10:50,470 --> 00:10:49,040

do not want to take and i and i really

264

00:10:52,550 --> 00:10:50,480

think also

265

00:10:54,150 --> 00:10:52,560

um you know i say on the show all the

266

00:10:55,670 --> 00:10:54,160

time i don't know

267

00:10:58,230 --> 00:10:55,680

what they are you know for the new

268

00:11:00,470 --> 00:10:58,240

listener i i've been doing this show in

269

00:11:02,870 --> 00:11:00,480

particular over 10 years and i really

270

00:11:04,550 --> 00:11:02,880

don't have a clue

271

00:11:06,470 --> 00:11:04,560

what these things are but you know i

272

00:11:08,230 --> 00:11:06,480

have talked to many people that have

273

00:11:09,350 --> 00:11:08,240

seen beings

274

00:11:11,750 --> 00:11:09,360

and

275

00:11:13,430 --> 00:11:11,760

you know there's something

276

00:11:15,509 --> 00:11:13,440

i don't think that these people are

277

00:11:17,190 --> 00:11:15,519

making things up

278

00:11:19,750 --> 00:11:17,200

um you know especially when it comes to

279

00:11:23,430 --> 00:11:19,760

like the ariel school incident um yeah i

280

00:11:25,829 --> 00:11:23,440

had i had uh someone wayne uh

281

00:11:27,670 --> 00:11:25,839

albert wayne um

282

00:11:30,870 --> 00:11:27,680

that video i posted just a little while

283

00:11:33,190 --> 00:11:30,880

ago has about 8 000 views so far and it

284

00:11:34,710 --> 00:11:33,200

was about his sighting and you know very

285

00:11:37,350 --> 00:11:34,720

earnest people and he happened to look

286

00:11:39,190 --> 00:11:37,360

up to these amber colored windows

287

00:11:41,750 --> 00:11:39,200

windows and he saw

288

00:11:43,910 --> 00:11:41,760

you know uh humanoid type creatures

289

00:11:45,750 --> 00:11:43,920

staring down at him you know but there's

290

00:11:48,150 --> 00:11:45,760

so many people there was another girl i

291

00:11:51,590 --> 00:11:48,160

interviewed very similar

292

00:11:53,829 --> 00:11:51,600

situation you know and it's it is it

293

00:11:55,030 --> 00:11:53,839

does seem like taking a big leap

294

00:11:57,269 --> 00:11:55,040

but

295

00:11:59,430 --> 00:11:57,279

there's a lot of times you got to figure

296

00:12:00,470 --> 00:11:59,440

whatever those craft are there's

297

00:12:02,550 --> 00:12:00,480

something

298

00:12:04,710 --> 00:12:02,560

piloting them whether they're

299

00:12:06,710 --> 00:12:04,720

you know drone remote or whether they're

300

00:12:08,310 --> 00:12:06,720

right there

301
00:12:11,829 --> 00:12:08,320
right and i think

302
00:12:14,150 --> 00:12:11,839
i break down the world um into two kinds

303
00:12:16,310 --> 00:12:14,160
of people and i don't know if this quote

304
00:12:18,629 --> 00:12:16,320
came from richard feynman or well before

305
00:12:20,069 --> 00:12:18,639
him but basically there are two kinds of

306
00:12:22,069 --> 00:12:20,079
people in the world

307
00:12:23,590 --> 00:12:22,079
those who

308
00:12:26,230 --> 00:12:23,600
are comfortable

309
00:12:28,629 --> 00:12:26,240
with questions they can't answer

310
00:12:30,230 --> 00:12:28,639
and those who prefer answers they don't

311
00:12:31,269 --> 00:12:30,240
question

312
00:12:33,030 --> 00:12:31,279
and

313
00:12:34,949 --> 00:12:33,040

the ufo field

314

00:12:37,190 --> 00:12:34,959

if you're okay

315

00:12:39,269 --> 00:12:37,200

not having the answers i think you're

316

00:12:40,389 --> 00:12:39,279

more comfortable taking that next step

317

00:12:43,350 --> 00:12:40,399

because it's

318

00:12:44,310 --> 00:12:43,360

it's it's difficult for some people to

319

00:12:47,190 --> 00:12:44,320

say

320

00:12:48,949 --> 00:12:47,200

okay there's a phenomenon here and not

321

00:12:50,550 --> 00:12:48,959

have a ready-made answer like

322

00:12:54,150 --> 00:12:50,560

extraterrestrial

323

00:12:55,750 --> 00:12:54,160

to to provide the answers for it um it's

324

00:12:57,509 --> 00:12:55,760

because it's very difficult and like you

325

00:13:00,310 --> 00:12:57,519

said you've been doing this for 10 years

326

00:13:01,670 --> 00:13:00,320

i don't remember life without ufos we

327

00:13:03,750 --> 00:13:01,680

had flying

328

00:13:05,750 --> 00:13:03,760

ornaments on the christmas trees i'm not

329

00:13:07,590 --> 00:13:05,760

really that much closer although i do

330

00:13:09,350 --> 00:13:07,600

have a particular

331

00:13:11,030 --> 00:13:09,360

area of interest

332

00:13:11,910 --> 00:13:11,040

for origin

333

00:13:14,870 --> 00:13:11,920

um

334

00:13:17,590 --> 00:13:14,880

but if you are not comfortable

335

00:13:18,470 --> 00:13:17,600

having a large question that you can't

336

00:13:19,990 --> 00:13:18,480

answer

337

00:13:21,670 --> 00:13:20,000

i don't think you really want to take

338

00:13:24,870 --> 00:13:21,680

that next step i think you just keep

339

00:13:26,629 --> 00:13:24,880

saying oh i hear about these ufos

340

00:13:28,310 --> 00:13:26,639

but you know i got to pay my mortgage i

341

00:13:29,509 --> 00:13:28,320

got to do this i'm not interested i

342

00:13:30,870 --> 00:13:29,519

don't know

343

00:13:33,350 --> 00:13:30,880

but if you're a little bit more

344

00:13:35,190 --> 00:13:33,360

comfortable with ambiguity i think that

345

00:13:37,990 --> 00:13:35,200

naturally propels you a little bit more

346

00:13:40,949 --> 00:13:38,000

to add one more you know unanswered

347

00:13:42,949 --> 00:13:40,959

question to your uh quiver

348

00:13:45,269 --> 00:13:42,959

yes um so you know you're not going to

349

00:13:46,310 --> 00:13:45,279

get away with me not asking you what

350

00:13:48,710 --> 00:13:46,320

you're

351

00:13:50,310 --> 00:13:48,720

you said you have kind of an opinion

352

00:13:53,189 --> 00:13:50,320

of origin

353

00:13:54,949 --> 00:13:53,199

so yeah yeah i'd like to know what what

354

00:13:56,710 --> 00:13:54,959

that opinion is and i know it's just an

355

00:13:58,870 --> 00:13:56,720

opinion

356

00:14:03,910 --> 00:13:58,880

yeah yeah um and it's not it's not gonna

357

00:14:06,389 --> 00:14:03,920

be news to you um but so

358

00:14:08,150 --> 00:14:06,399

given a variety of factors well first

359

00:14:09,990 --> 00:14:08,160

you know i think um

360

00:14:11,590 --> 00:14:10,000

i'm not a scientist but i can pretend to

361

00:14:13,430 --> 00:14:11,600

be one sometimes

362

00:14:15,110 --> 00:14:13,440

scientists often work with a process of

363

00:14:17,670 --> 00:14:15,120

elimination so

364

00:14:19,750 --> 00:14:17,680

you start with sort of the knee-jerk

365

00:14:21,509 --> 00:14:19,760

cultural default

366

00:14:23,910 --> 00:14:21,519

idea of

367

00:14:26,150 --> 00:14:23,920

extraterrestrial origin well what are

368

00:14:28,790 --> 00:14:26,160

the problems with that and there's a

369

00:14:31,910 --> 00:14:28,800

variety of non-trivial problems with

370

00:14:34,230 --> 00:14:31,920

that hypothesis one is that the vast

371

00:14:35,590 --> 00:14:34,240

distances that they have to go through

372

00:14:37,590 --> 00:14:35,600

and you kind of alluded to this whether

373

00:14:40,310 --> 00:14:37,600

there might be drones or synthetic

374

00:14:41,910 --> 00:14:40,320

beings or biological beings etc but in

375

00:14:44,470 --> 00:14:41,920

any case they have to come from a very

376

00:14:46,870 --> 00:14:44,480

long way away if they're doing it

377

00:14:48,949 --> 00:14:46,880

through conventional propulsion or

378

00:14:50,949 --> 00:14:48,959

you know wormholes or something else

379

00:14:51,910 --> 00:14:50,959

don't know but they come from a long way

380

00:14:53,030 --> 00:14:51,920

away

381

00:14:56,710 --> 00:14:53,040

and

382

00:14:59,430 --> 00:14:56,720

first of all how do they even find us

383

00:15:01,990 --> 00:14:59,440

yes we've been beaming episodes of i

384

00:15:04,870 --> 00:15:02,000

love lucy into the admin into the

385

00:15:06,790 --> 00:15:04,880

universe low these many decades but it's

386

00:15:09,910 --> 00:15:06,800

non-trivial just to find us in the

387

00:15:13,030 --> 00:15:09,920

vastness of space and then if they come

388

00:15:14,550 --> 00:15:13,040

from so far away by whatever means they

389

00:15:19,110 --> 00:15:14,560

do

390

00:15:21,350 --> 00:15:19,120

sky or scare farmer jones at night and

391

00:15:24,069 --> 00:15:21,360

leave why not the signal

392

00:15:27,829 --> 00:15:24,079

you know white house landing with walter

393

00:15:30,150 --> 00:15:27,839

cronkite narrating it we also have

394

00:15:32,310 --> 00:15:30,160

very sensitive instruments to detect

395

00:15:34,550 --> 00:15:32,320

their entrance or objects entering and

396

00:15:36,550 --> 00:15:34,560

leaving the atmosphere and we don't seem

397

00:15:38,629 --> 00:15:36,560

to have associated reports of that

398

00:15:41,749 --> 00:15:38,639

although i have a fun anecdote about

399

00:15:43,910 --> 00:15:41,759

that if you like and then they exhibit a

400

00:15:45,350 --> 00:15:43,920

lot of comfort in our gravity and our

401

00:15:47,269 --> 00:15:45,360

atmosphere

402

00:15:49,350 --> 00:15:47,279

so those are interesting

403

00:15:51,430 --> 00:15:49,360

things you have to consider if you want

404

00:15:54,550 --> 00:15:51,440

the extraterrestrial hypothesis

405

00:15:56,230 --> 00:15:54,560

but even beyond that my father and

406

00:15:59,030 --> 00:15:56,240

jacques and others

407

00:16:01,509 --> 00:15:59,040

long ago started thinking that

408

00:16:04,069 --> 00:16:01,519

the extraterrestrial hypothesis could

409

00:16:07,269 --> 00:16:04,079

will be part of the phenomena but

410

00:16:09,749 --> 00:16:07,279

doesn't seem to explain the totality

411

00:16:11,269 --> 00:16:09,759

of the phenomena i think that's one of

412

00:16:13,670 --> 00:16:11,279

the reasons my father

413

00:16:16,150 --> 00:16:13,680

called his first book the ufo experience

414

00:16:18,150 --> 00:16:16,160

as opposed to the ufo sighting or you

415

00:16:20,069 --> 00:16:18,160

know

416

00:16:21,189 --> 00:16:20,079

just focusing on the object because as

417

00:16:22,389 --> 00:16:21,199

you know

418

00:16:25,829 --> 00:16:22,399

a lot of

419

00:16:27,749 --> 00:16:25,839

experiencers contactees witnesses what

420

00:16:30,470 --> 00:16:27,759

have you

421

00:16:32,550 --> 00:16:30,480

don't often place the visual sighting of

422

00:16:34,389 --> 00:16:32,560

a craft as the

423

00:16:37,350 --> 00:16:34,399

sort of the largest element of the

424

00:16:39,110 --> 00:16:37,360

overall experience so there seems to be

425

00:16:40,230 --> 00:16:39,120

more to it

426

00:16:42,230 --> 00:16:40,240

so

427

00:16:45,670 --> 00:16:42,240

uh many before me have thought well

428

00:16:47,910 --> 00:16:45,680

there may be an inter-dimensional aspect

429

00:16:48,870 --> 00:16:47,920

and there are some interesting reasons

430

00:16:50,949 --> 00:16:48,880

for that

431

00:16:53,749 --> 00:16:50,959

for me that explains the two biggest

432

00:16:56,550 --> 00:16:53,759

questions of how would they know about

433

00:16:58,470 --> 00:16:56,560

us well they're you know in la we say

434

00:17:00,389 --> 00:16:58,480

you're somewhere adjacent they're earth

435

00:17:03,350 --> 00:17:00,399

adjacent right there and there may be

436

00:17:05,429 --> 00:17:03,360

our cousins or maybe our future cells so

437

00:17:08,870 --> 00:17:05,439

that would help explain

438

00:17:10,069 --> 00:17:08,880

how they know about us and why they care

439

00:17:12,470 --> 00:17:10,079

so

440

00:17:13,429 --> 00:17:12,480

to me that's a really intriguing path

441

00:17:15,189 --> 00:17:13,439

and

442

00:17:17,270 --> 00:17:15,199

i was having lunch with a friend of mine

443

00:17:19,189 --> 00:17:17,280

who by the way crash landed tardigrades

444

00:17:21,750 --> 00:17:19,199

on the moon a couple years ago

445

00:17:23,829 --> 00:17:21,760

and he knew about my father and asked me

446

00:17:25,909 --> 00:17:23,839

where does your father think ufos come

447

00:17:28,309 --> 00:17:25,919

from i said oh i don't know maybe

448

00:17:32,870 --> 00:17:28,319

interdimensionally oh you should read a

449

00:17:35,430 --> 00:17:32,880

book called alien information theory

450

00:17:38,470 --> 00:17:35,440

and i said alien information theory

451
00:17:41,190 --> 00:17:38,480
sexiest book title ever

452
00:17:42,789 --> 00:17:41,200
so of course i read that and

453
00:17:45,750 --> 00:17:42,799
you know it's

454
00:17:47,830 --> 00:17:45,760
it what it posits the

455
00:17:50,070 --> 00:17:47,840
the theory that

456
00:17:52,150 --> 00:17:50,080
when you take dmt

457
00:17:54,230 --> 00:17:52,160
which is the most powerful psychedelic

458
00:17:56,549 --> 00:17:54,240
drug known on earth

459
00:17:57,830 --> 00:17:56,559
sort of the big brother of its better

460
00:18:00,630 --> 00:17:57,840
known

461
00:18:02,390 --> 00:18:00,640
little sister ayahuasca

462
00:18:03,750 --> 00:18:02,400
that it's it

463
00:18:06,549 --> 00:18:03,760

and

464

00:18:09,830 --> 00:18:06,559

the experiences you have there may

465

00:18:11,909 --> 00:18:09,840

not be hallucinations but they may

466

00:18:15,590 --> 00:18:11,919

actually be

467

00:18:19,430 --> 00:18:15,600

different realities that dmt

468

00:18:20,310 --> 00:18:19,440

allows you to sort of filter and receive

469

00:18:21,830 --> 00:18:20,320

um

470

00:18:23,990 --> 00:18:21,840

while doing that

471

00:18:26,150 --> 00:18:24,000

and so i read and i read that book and i

472

00:18:29,669 --> 00:18:26,160

read the spirit molecule by rick

473

00:18:31,669 --> 00:18:29,679

strassman and i was struck martin by

474

00:18:34,230 --> 00:18:31,679

what seemed to me to be the similarities

475

00:18:36,310 --> 00:18:34,240

between the data he was collecting

476
00:18:38,549 --> 00:18:36,320
and the patterns from the early days of

477
00:18:40,549 --> 00:18:38,559
ufology i thought well that's

478
00:18:42,950 --> 00:18:40,559
interesting so

479
00:18:45,029 --> 00:18:42,960
purely in the interest of science martin

480
00:18:47,029 --> 00:18:45,039
i started taking dmt

481
00:18:49,669 --> 00:18:47,039
and the first time i took it

482
00:18:51,590 --> 00:18:49,679
like many others i felt

483
00:18:53,270 --> 00:18:51,600
transported through a

484
00:18:54,230 --> 00:18:53,280
vividly colored

485
00:18:56,549 --> 00:18:54,240
tunnel

486
00:18:58,070 --> 00:18:56,559
to this other realm

487
00:19:00,870 --> 00:18:58,080
and um

488
00:19:03,830 --> 00:19:00,880

it was overwhelming and amazing and by

489

00:19:05,669 --> 00:19:03,840

the time i got i i got my sea legs

490

00:19:09,350 --> 00:19:05,679

and i then

491

00:19:12,630 --> 00:19:09,360

sort of communicated to the

492

00:19:14,390 --> 00:19:12,640

like mostly feminine intelligence all

493

00:19:17,590 --> 00:19:14,400

around me

494

00:19:18,789 --> 00:19:17,600

are you what we perceive to be ufos and

495

00:19:20,070 --> 00:19:18,799

aliens

496

00:19:22,470 --> 00:19:20,080

and i felt

497

00:19:25,669 --> 00:19:22,480

millions of miles of synapses and

498

00:19:27,590 --> 00:19:25,679

neurons firing as i felt the fabric of

499

00:19:29,909 --> 00:19:27,600

the universe being created and the

500

00:19:32,630 --> 00:19:29,919

answer bubbled down to me

501
00:19:34,070 --> 00:19:32,640
we can't explain in a way that you would

502
00:19:35,590 --> 00:19:34,080
understand

503
00:19:38,390 --> 00:19:35,600
well i believe that

504
00:19:40,070 --> 00:19:38,400
i totally believe that and i thought

505
00:19:42,710 --> 00:19:40,080
well um

506
00:19:44,150 --> 00:19:42,720
i understand no so it seems like there's

507
00:19:46,070 --> 00:19:44,160
something here

508
00:19:48,310 --> 00:19:46,080
it goes like a preliminary confirmation

509
00:19:50,390 --> 00:19:48,320
and i'm now actually

510
00:19:54,950 --> 00:19:50,400
working on a way

511
00:19:57,190 --> 00:19:54,960
with both dmt users and ufo experiencers

512
00:19:59,830 --> 00:19:57,200
to try to verify

513
00:20:01,270 --> 00:19:59,840

that those experiences might actually be

514

00:20:04,070 --> 00:20:01,280

real

515

00:20:06,549 --> 00:20:04,080

how about that um you know

516

00:20:08,070 --> 00:20:06,559

the way this whole show went together uh

517

00:20:11,590 --> 00:20:08,080

behind the scenes the person that

518

00:20:13,830 --> 00:20:11,600

doesn't know what happened um

519

00:20:15,990 --> 00:20:13,840

you got pulled in just before the show

520

00:20:17,830 --> 00:20:16,000

because with this streaming platform

521

00:20:20,149 --> 00:20:17,840

that i'm using for some reason the links

522

00:20:21,830 --> 00:20:20,159

have been wrong a couple different shows

523

00:20:23,830 --> 00:20:21,840

as long as yours you were waiting for me

524

00:20:26,549 --> 00:20:23,840

and i'm waiting for you

525

00:20:28,789 --> 00:20:26,559

but um i do i'm kind of putting you on

526

00:20:32,070 --> 00:20:28,799

the spot but you can

527

00:20:35,510 --> 00:20:32,080

bow out very easily i

528

00:20:38,149 --> 00:20:35,520

um i've been watching uh you are a

529

00:20:41,590 --> 00:20:38,159

historic person in a way

530

00:20:42,789 --> 00:20:41,600

um uh we're talking i'm talking about um

531

00:20:46,789 --> 00:20:42,799

the youth

532

00:20:49,990 --> 00:20:46,799

thing that um you have been tested yeah

533

00:20:51,350 --> 00:20:50,000

so the only person that's ever regressed

534

00:20:54,230 --> 00:20:51,360

in age

535

00:20:57,909 --> 00:20:54,240

uh do i have that correct or or or is it

536

00:21:00,390 --> 00:20:57,919

the mind what is what's the part of that

537

00:21:02,390 --> 00:21:00,400

my mind has not stayed youthful my mind

538

00:21:04,070 --> 00:21:02,400

has deteriorated but

539

00:21:06,549 --> 00:21:04,080

yeah i would i would you want that to

540

00:21:08,070 --> 00:21:06,559

say i can make the claim

541

00:21:10,230 --> 00:21:08,080

that um

542

00:21:12,710 --> 00:21:10,240

i'm not the only person but in the

543

00:21:14,230 --> 00:21:12,720

history of the world

544

00:21:16,549 --> 00:21:14,240

based on

545

00:21:17,750 --> 00:21:16,559

evidence published in a scientific

546

00:21:21,110 --> 00:21:17,760

journal

547

00:21:23,590 --> 00:21:21,120

i have the most success in reversing my

548

00:21:24,470 --> 00:21:23,600

age that's what i'm trying to say

549

00:21:27,909 --> 00:21:24,480

um

550

00:21:29,990 --> 00:21:27,919

i do another show called the everything

551
00:21:31,750 --> 00:21:30,000
else show i would love to do a show just

552
00:21:32,789 --> 00:21:31,760
entirely on that and you don't have to

553
00:21:34,950 --> 00:21:32,799
say anything

554
00:21:37,110 --> 00:21:34,960
oh you already said sure okay i'll be

555
00:21:39,350 --> 00:21:37,120
talking about that i'm free that day i

556
00:21:41,270 --> 00:21:39,360
checked my schedule

557
00:21:43,110 --> 00:21:41,280
i think that is totally fascinating you

558
00:21:45,270 --> 00:21:43,120
know this show will talk about ufos but

559
00:21:47,270 --> 00:21:45,280
for those of you that just heard that

560
00:21:49,190 --> 00:21:47,280
whole thing i'm going to do an entire

561
00:21:51,909 --> 00:21:49,200
show on this because there's a lot to

562
00:21:52,710 --> 00:21:51,919
say about it and it's fascinating

563
00:21:55,110 --> 00:21:52,720

and

564

00:21:57,750 --> 00:21:55,120

it's a viable way for everybody to

565

00:22:01,430 --> 00:21:57,760

actually reverse their age

566

00:22:03,590 --> 00:22:01,440

in a in a medically documented fashion

567

00:22:05,350 --> 00:22:03,600

it's crazy it's really amazing really

568

00:22:08,710 --> 00:22:05,360

amazing all right so we're going to go

569

00:22:13,669 --> 00:22:10,870

safer ground

570

00:22:16,630 --> 00:22:13,679

no not necessarily but uh

571

00:22:18,710 --> 00:22:16,640

so i i know that i talked with you and

572

00:22:20,470 --> 00:22:18,720

calvin parker together that was great

573

00:22:22,549 --> 00:22:20,480

and and uh

574

00:22:25,270 --> 00:22:22,559

you you were actually took his phone

575

00:22:26,470 --> 00:22:25,280

call wit and wrote it on the chalkboard

576

00:22:29,270 --> 00:22:26,480

at home so

577

00:22:32,470 --> 00:22:29,280

i i think that that's back in 1973 is

578

00:22:35,669 --> 00:22:32,480

that what yeah yeah right so so what

579

00:22:38,310 --> 00:22:35,679

let's talk about what was it like

580

00:22:40,950 --> 00:22:38,320

just just paint a picture of a a day in

581

00:22:42,710 --> 00:22:40,960

the life of your your your youth growing

582

00:22:44,950 --> 00:22:42,720

up and what was it like being

583

00:22:46,549 --> 00:22:44,960

in that household

584

00:22:49,669 --> 00:22:46,559

i'm talking about ufos you know for the

585

00:22:50,710 --> 00:22:49,679

most part but uh yeah yeah so

586

00:22:52,710 --> 00:22:50,720

you know

587

00:22:55,029 --> 00:22:52,720

um

588

00:22:57,110 --> 00:22:55,039

how

589

00:22:59,830 --> 00:22:57,120

unless there's some reason for you at a

590

00:23:01,510 --> 00:22:59,840

very young age to compare your

591

00:23:03,669 --> 00:23:01,520

circumstances either

592

00:23:05,110 --> 00:23:03,679

really good or really bad

593

00:23:06,710 --> 00:23:05,120

to others

594

00:23:09,190 --> 00:23:06,720

i think for most people however you're

595

00:23:11,830 --> 00:23:09,200

raised seems normal that's the default

596

00:23:15,270 --> 00:23:11,840

and the normal for you so yes

597

00:23:16,470 --> 00:23:15,280

growing up i don't think any of us felt

598

00:23:18,950 --> 00:23:16,480

that it was

599

00:23:21,029 --> 00:23:18,960

that much different you know most of our

600

00:23:23,029 --> 00:23:21,039

life was pretty similar i remember i

601
00:23:25,909 --> 00:23:23,039
talked about playing kickball when you

602
00:23:27,990 --> 00:23:25,919
and i and um calvin talked and so we had

603
00:23:29,110 --> 00:23:28,000
a lot of things that were quite normal

604
00:23:30,950 --> 00:23:29,120
um

605
00:23:34,149 --> 00:23:30,960
but then we would have you know phone

606
00:23:36,950 --> 00:23:34,159
calls from calvin parker and our father

607
00:23:38,149 --> 00:23:36,960
gill or travis walton over for dinner

608
00:23:40,549 --> 00:23:38,159
and our

609
00:23:42,549 --> 00:23:40,559
dinner time conversations would be

610
00:23:45,590 --> 00:23:42,559
you know how we did at school

611
00:23:47,830 --> 00:23:45,600
what's going on and what exactly did you

612
00:23:48,870 --> 00:23:47,840
see at 6 p.m last night to our dinner

613
00:23:52,390 --> 00:23:48,880

guest

614

00:23:55,510 --> 00:23:52,400

so it was a mix of normal

615

00:23:57,430 --> 00:23:55,520

suburban americana and

616

00:23:59,669 --> 00:23:57,440

overall scientific discussions because

617

00:24:01,269 --> 00:23:59,679

my father was an astronomer he was a

618

00:24:03,909 --> 00:24:01,279

scientist

619

00:24:06,710 --> 00:24:03,919

and his later in life side hustle was

620

00:24:09,750 --> 00:24:06,720

ufo so he wasn't he didn't

621

00:24:11,430 --> 00:24:09,760

self-identify as a ufo guy but more as a

622

00:24:14,549 --> 00:24:11,440

scientist and i think he wanted to

623

00:24:17,350 --> 00:24:14,559

impart upon us kids the sort of

624

00:24:19,350 --> 00:24:17,360

wonder and magic of science and that way

625

00:24:22,710 --> 00:24:19,360

of looking at the world

626

00:24:24,710 --> 00:24:22,720

accented often by ufos

627

00:24:25,430 --> 00:24:24,720

amazing amazing and i'm sure you had

628

00:24:27,510 --> 00:24:25,440

some

629

00:24:29,110 --> 00:24:27,520

quite astounding dinner guests over the

630

00:24:30,149 --> 00:24:29,120

years

631

00:24:31,990 --> 00:24:30,159

um

632

00:24:36,870 --> 00:24:32,000

what was that like i mean did did people

633

00:24:42,789 --> 00:24:40,149

yeah uh all sorts of people and

634

00:24:43,590 --> 00:24:42,799

one series of meals that i can recount

635

00:24:46,630 --> 00:24:43,600

that

636

00:24:49,750 --> 00:24:46,640

super cool

637

00:24:51,830 --> 00:24:49,760

was in again in 1973

638

00:24:53,110 --> 00:24:51,840

there was an eclipse crews that left

639

00:24:55,110 --> 00:24:53,120

from new york

640

00:24:59,110 --> 00:24:55,120

that want to go see

641

00:25:01,510 --> 00:24:59,120

the point of totality off the

642

00:25:02,470 --> 00:25:01,520

western coast of africa by the canary

643

00:25:03,510 --> 00:25:02,480

islands

644

00:25:06,070 --> 00:25:03,520

and so

645

00:25:06,870 --> 00:25:06,080

our family ross and me and my mom and

646

00:25:08,710 --> 00:25:06,880

dad

647

00:25:10,710 --> 00:25:08,720

went on there and we went for free

648

00:25:13,350 --> 00:25:10,720

because my father was lecturing

649

00:25:16,149 --> 00:25:13,360

and the really cool thing was that

650

00:25:18,390 --> 00:25:16,159

for those two weeks our family and one

651
00:25:19,510 --> 00:25:18,400
other family shared one table for all

652
00:25:21,590 --> 00:25:19,520
our meals

653
00:25:22,549 --> 00:25:21,600
and that was neil armstrong and his

654
00:25:24,630 --> 00:25:22,559
family

655
00:25:26,549 --> 00:25:24,640
wow and this is four years after the

656
00:25:28,549 --> 00:25:26,559
moon launch martin i mean there's nobody

657
00:25:31,110 --> 00:25:28,559
in the world that uh you know

658
00:25:33,269 --> 00:25:31,120
persnickety astronomers

659
00:25:34,470 --> 00:25:33,279
kid would rather have met than neil

660
00:25:35,190 --> 00:25:34,480
armstrong

661
00:25:36,870 --> 00:25:35,200
and

662
00:25:39,350 --> 00:25:36,880
you know there's a story that came out

663
00:25:41,190 --> 00:25:39,360

in the sun in the uk

664

00:25:42,470 --> 00:25:41,200

about two years ago and you can search

665

00:25:43,510 --> 00:25:42,480

for it just search like heineken

666

00:25:47,990 --> 00:25:43,520

armstrong

667

00:25:49,029 --> 00:25:48,000

to sit with our family

668

00:25:50,549 --> 00:25:49,039

now

669

00:25:52,710 --> 00:25:50,559

at the time i thought maybe he was a fan

670

00:25:54,950 --> 00:25:52,720

of my father's prior astronomical

671

00:25:58,390 --> 00:25:54,960

exploits but no he was very interested

672

00:26:01,190 --> 00:25:58,400

in ufos and almost joined with my father

673

00:26:02,070 --> 00:26:01,200

to do some public efforts but you know

674

00:26:05,510 --> 00:26:02,080

he was

675

00:26:07,669 --> 00:26:05,520

also

676

00:26:08,630 --> 00:26:07,679

especially in the 70s

677

00:26:12,149 --> 00:26:08,640

the

678

00:26:14,070 --> 00:26:12,159

ufos and he wasn't comfortable but

679

00:26:15,590 --> 00:26:14,080

behind the scenes he was fascinated by

680

00:26:17,510 --> 00:26:15,600

ufos so

681

00:26:19,029 --> 00:26:17,520

for us as kids

682

00:26:20,149 --> 00:26:19,039

um

683

00:26:21,909 --> 00:26:20,159

you know

684

00:26:23,590 --> 00:26:21,919

meeting his kids being friends with them

685

00:26:25,430 --> 00:26:23,600

and being with neil armstrong for two

686

00:26:27,990 --> 00:26:25,440

weeks was just a dream

687

00:26:30,870 --> 00:26:28,000

um and neil degrasse tyson was a kid on

688

00:26:32,310 --> 00:26:30,880

the ship isaac asimov was on the ship

689

00:26:34,470 --> 00:26:32,320

and i remember

690

00:26:36,870 --> 00:26:34,480

two girls maybe 20 years old asking for

691

00:26:39,269 --> 00:26:36,880

his autograph he wrote on their thighs

692

00:26:40,390 --> 00:26:39,279

isaac asimov was here and i thought that

693

00:26:42,630 --> 00:26:40,400

was the best thing i've ever seen in my

694

00:26:45,909 --> 00:26:42,640

life

695

00:26:47,830 --> 00:26:45,919

yeah yeah uh wow and

696

00:26:49,909 --> 00:26:47,840

as far as uh

697

00:26:53,990 --> 00:26:49,919

astronomers other astronomers did you

698

00:26:56,630 --> 00:26:54,000

ever meet carl sagan for one

699

00:26:58,070 --> 00:26:56,640

uh i didn't i don't know about my other

700

00:27:00,390 --> 00:26:58,080

siblings but

701
00:27:02,230 --> 00:27:00,400
you know i mentioned an anecdote related

702
00:27:04,070 --> 00:27:02,240
to

703
00:27:06,149 --> 00:27:04,080
detecting objects entering the

704
00:27:08,390 --> 00:27:06,159
atmosphere and i could bring out carl

705
00:27:11,269 --> 00:27:08,400
sagan in relation to that so as you know

706
00:27:13,590 --> 00:27:11,279
my father and carl sagan were kind of um

707
00:27:16,149 --> 00:27:13,600
i'd say friendly respectful foes they

708
00:27:17,669 --> 00:27:16,159
they had some debates on television and

709
00:27:19,110 --> 00:27:17,679
actually one day i think what was on the

710
00:27:21,110 --> 00:27:19,120
tonight show

711
00:27:23,110 --> 00:27:21,120
before they went on stage carl sagan

712
00:27:25,190 --> 00:27:23,120
actually admitted that privately he had

713
00:27:28,230 --> 00:27:25,200

somewhat different opinion than his kind

714

00:27:30,310 --> 00:27:28,240

of public poo pooing

715

00:27:33,510 --> 00:27:30,320

but as i as i learned from jacques valet

716

00:27:35,430 --> 00:27:33,520

just a couple weeks ago

717

00:27:37,750 --> 00:27:35,440

my father was talking with carl sagan

718

00:27:39,669 --> 00:27:37,760

and about well

719

00:27:42,070 --> 00:27:39,679

shouldn't norad and i don't remember

720

00:27:44,230 --> 00:27:42,080

what it stands for but it's like

721

00:27:46,549 --> 00:27:44,240

the the american i think installation in

722

00:27:48,789 --> 00:27:46,559

wyoming maybe colorado that has the

723

00:27:50,230 --> 00:27:48,799

responsibility of of you know checking

724

00:27:51,350 --> 00:27:50,240

for missiles coming in the atmosphere

725

00:27:53,669 --> 00:27:51,360

etc

726

00:27:56,149 --> 00:27:53,679

um they should have reports

727

00:27:57,990 --> 00:27:56,159

and so carl sagan said well alan i know

728

00:27:58,950 --> 00:27:58,000

somebody there i'll go there so he went

729

00:28:01,029 --> 00:27:58,960

there

730

00:28:02,870 --> 00:28:01,039

and he talked with them

731

00:28:05,590 --> 00:28:02,880

and he asked them hey

732

00:28:07,190 --> 00:28:05,600

do you guys have reports of

733

00:28:08,950 --> 00:28:07,200

i don't know if he used unidentified

734

00:28:11,590 --> 00:28:08,960

because that's kind of a charged term

735

00:28:14,230 --> 00:28:11,600

for the military of objects entering the

736

00:28:15,190 --> 00:28:14,240

atmosphere that you don't know about

737

00:28:17,190 --> 00:28:15,200

and

738

00:28:18,389 --> 00:28:17,200

apparently the people he talked to said

739

00:28:21,990 --> 00:28:18,399

yes

740

00:28:22,870 --> 00:28:22,000

we call those uncorrelated targets huh

741

00:28:25,269 --> 00:28:22,880

and

742

00:28:27,110 --> 00:28:25,279

we dismiss them we discard them because

743

00:28:31,350 --> 00:28:27,120

they're not part of our of our mission

744

00:28:34,149 --> 00:28:31,360

prerogative or our emission purview and

745

00:28:36,149 --> 00:28:34,159

you know i'm not sure how much

746

00:28:39,029 --> 00:28:36,159

my father and carl sagan thought that

747

00:28:40,549 --> 00:28:39,039

that was deliberate to

748

00:28:44,310 --> 00:28:40,559

tamp down

749

00:28:46,630 --> 00:28:44,320

but to me i think it's equally possible

750

00:28:49,029 --> 00:28:46,640

that this is a

751
00:28:51,110 --> 00:28:49,039
innocuous

752
00:28:53,750 --> 00:28:51,120
government agency

753
00:28:57,190 --> 00:28:53,760
discarding what could be

754
00:28:59,110 --> 00:28:57,200
really important ufo information because

755
00:29:00,710 --> 00:28:59,120
it's not their job right they've got it

756
00:29:02,310 --> 00:29:00,720
they've got a lot to do

757
00:29:04,470 --> 00:29:02,320
they've got to correlate these targets

758
00:29:06,310 --> 00:29:04,480
and do whatever procedures they have

759
00:29:08,549 --> 00:29:06,320
and so they're looking for a quick no

760
00:29:11,110 --> 00:29:08,559
it's like if you're interviewing 100

761
00:29:13,830 --> 00:29:11,120
people for your for a job you want to

762
00:29:15,190 --> 00:29:13,840
rule out people right away so i think

763
00:29:17,510 --> 00:29:15,200

you know people think that the

764

00:29:20,310 --> 00:29:17,520

government is one big monolithic block

765

00:29:22,870 --> 00:29:20,320

that has orders from on high to rule out

766

00:29:25,110 --> 00:29:22,880

ufos i think it's much more multivariate

767

00:29:27,029 --> 00:29:25,120

and much more complicated and not always

768

00:29:28,230 --> 00:29:27,039

as sinister and it's just i think in

769

00:29:30,630 --> 00:29:28,240

this case

770

00:29:31,909 --> 00:29:30,640

that's not their job so they don't keep

771

00:29:33,350 --> 00:29:31,919

those records and i found that

772

00:29:35,830 --> 00:29:33,360

fascinating

773

00:29:38,710 --> 00:29:35,840

you know i was uh i was just on a shout

774

00:29:40,630 --> 00:29:38,720

out to lou over at the unidentified

775

00:29:42,470 --> 00:29:40,640

celebrity reviewer i was on his show

776

00:29:44,789 --> 00:29:42,480

last night on his live stream a lot of

777

00:29:47,510 --> 00:29:44,799

fun and that was one of the questions

778

00:29:49,990 --> 00:29:47,520

that um i was actually throwing out

779

00:29:52,149 --> 00:29:50,000

there was is you know when the

780

00:29:54,630 --> 00:29:52,159

government's looking into these

781

00:29:56,310 --> 00:29:54,640

you know into ufos as they they should

782

00:29:58,549 --> 00:29:56,320

be coming up

783

00:30:00,230 --> 00:29:58,559

really looking into it wouldn't they

784

00:30:02,710 --> 00:30:00,240

contact i mean

785

00:30:04,950 --> 00:30:02,720

norad is one place but there's also a

786

00:30:07,190 --> 00:30:04,960

lot of satellites that should be able to

787

00:30:09,669 --> 00:30:07,200

detect something coming in toward our

788

00:30:12,230 --> 00:30:09,679

orbit um and it just seems like that

789

00:30:15,350 --> 00:30:12,240

would be a logical place for them to

790

00:30:16,549 --> 00:30:15,360

look like are there things coming in and

791

00:30:18,310 --> 00:30:16,559

um but

792

00:30:20,149 --> 00:30:18,320

like you said it's a you have an

793

00:30:23,190 --> 00:30:20,159

interesting theory

794

00:30:25,990 --> 00:30:23,200

and it does um it's it's one of the

795

00:30:27,110 --> 00:30:26,000

things that i don't discount that

796

00:30:30,310 --> 00:30:27,120

possibly

797

00:30:31,110 --> 00:30:30,320

um some of whatever it is that comes

798

00:30:35,190 --> 00:30:31,120

here

799

00:30:37,510 --> 00:30:35,200

another dimension or

800

00:30:40,149 --> 00:30:37,520

or it's all

801
00:30:41,029 --> 00:30:40,159
you know we don't know but i i really do

802
00:30:45,110 --> 00:30:41,039
like

803
00:30:47,190 --> 00:30:45,120
probably a lot of different things

804
00:30:47,990 --> 00:30:47,200
and uh right

805
00:30:49,669 --> 00:30:48,000
right

806
00:30:51,110 --> 00:30:49,679
and also i like

807
00:30:53,269 --> 00:30:51,120
what you said

808
00:30:55,669 --> 00:30:53,279
that um it's probably something we

809
00:30:56,870 --> 00:30:55,679
wouldn't understand i think that's

810
00:30:57,990 --> 00:30:56,880
i think that's

811
00:31:01,669 --> 00:30:58,000
probably

812
00:31:03,830 --> 00:31:01,679
uh pretty accurate for some of it anyway

813
00:31:06,549 --> 00:31:03,840

yeah you know nasa on sort of a more

814

00:31:08,950 --> 00:31:06,559

prosaic level has talked about

815

00:31:11,509 --> 00:31:08,960

one of the challenges in recognizing

816

00:31:12,389 --> 00:31:11,519

life elsewhere in the universe and one

817

00:31:14,310 --> 00:31:12,399

of the

818

00:31:15,190 --> 00:31:14,320

you know things they have to consider is

819

00:31:18,230 --> 00:31:15,200

that

820

00:31:20,549 --> 00:31:18,240

we may not even recognize it as life as

821

00:31:22,549 --> 00:31:20,559

we know it it could be such a you know

822

00:31:24,070 --> 00:31:22,559

not only not carbon-based but it could

823

00:31:26,070 --> 00:31:24,080

be such a different

824

00:31:28,149 --> 00:31:26,080

format of life that we wouldn't even

825

00:31:30,070 --> 00:31:28,159

recognize it right it could be

826

00:31:32,870 --> 00:31:30,080

silicone-based too there's that's

827

00:31:35,430 --> 00:31:32,880

another one and but you know

828

00:31:37,430 --> 00:31:35,440

some have surmised right right but you

829

00:31:40,549 --> 00:31:37,440

know i mean there there is a lot to be

830

00:31:42,230 --> 00:31:40,559

said for the bipedal bifocal you know i

831

00:31:43,990 --> 00:31:42,240

mean you look at all the species on this

832

00:31:46,870 --> 00:31:44,000

planet there's so many

833

00:31:48,470 --> 00:31:46,880

that have that trait but um

834

00:31:50,389 --> 00:31:48,480

you know this is also a conversation i

835

00:31:53,590 --> 00:31:50,399

got into last night was uh

836

00:31:56,870 --> 00:31:53,600

you know gravity uh if there's a binary

837

00:31:59,990 --> 00:31:56,880

solar system that could change evolution

838

00:32:01,990 --> 00:32:00,000

um a tide a tidal moon that could change

839

00:32:04,470 --> 00:32:02,000

evolution there's so many

840

00:32:06,549 --> 00:32:04,480

variables auction oxygen levels or

841

00:32:09,430 --> 00:32:06,559

whatever it is the level they need to

842

00:32:11,669 --> 00:32:09,440

survive all of those things food

843

00:32:14,070 --> 00:32:11,679

um you know things that make

844

00:32:17,029 --> 00:32:14,080

things that in our development developed

845

00:32:19,830 --> 00:32:17,039

our brains more like uh you know

846

00:32:22,310 --> 00:32:19,840

fire fire for cooking food you know that

847

00:32:24,310 --> 00:32:22,320

that's another another thing so this all

848

00:32:26,149 --> 00:32:24,320

these variables it would be kind of

849

00:32:28,789 --> 00:32:26,159

shocking

850

00:32:31,430 --> 00:32:28,799

if a humanoid look just like us

851
00:32:34,310 --> 00:32:31,440
you know a thousand light years away but

852
00:32:37,029 --> 00:32:34,320
it's also possible too you know it's you

853
00:32:39,029 --> 00:32:37,039
know i i came across something recently

854
00:32:41,190 --> 00:32:39,039
in our early

855
00:32:42,710 --> 00:32:41,200
development um

856
00:32:45,269 --> 00:32:42,720
our ancestors at one time were

857
00:32:46,470 --> 00:32:45,279
coexisting with two other hominoid

858
00:32:49,669 --> 00:32:46,480
species

859
00:32:54,230 --> 00:32:49,679
bigger

860
00:32:57,669 --> 00:32:54,240
stronger and smarter than us

861
00:33:01,190 --> 00:32:57,679
and yet we survived and they didn't

862
00:33:04,710 --> 00:33:01,200
and it was fascinating and what they

863
00:33:08,230 --> 00:33:04,720

they what they sort of theorized is that

864

00:33:09,750 --> 00:33:08,240

those bigger smarter stronger entities

865

00:33:11,430 --> 00:33:09,760

had their pick of the litter they could

866

00:33:13,590 --> 00:33:11,440

eat whatever they want and we were kind

867

00:33:15,590 --> 00:33:13,600

of like hyenas coming in for seconds on

868

00:33:17,909 --> 00:33:15,600

the food and eating whatever we could

869

00:33:19,590 --> 00:33:17,919

and foraging and just basically just

870

00:33:21,430 --> 00:33:19,600

barely scraping by

871

00:33:23,509 --> 00:33:21,440

and that at some point there was an

872

00:33:26,310 --> 00:33:23,519

environmental change

873

00:33:29,750 --> 00:33:26,320

and that led everybody to have to move

874

00:33:31,269 --> 00:33:29,760

and to have different diets well these

875

00:33:33,990 --> 00:33:31,279

you know big strong things that have

876

00:33:37,269 --> 00:33:34,000

been used to eating whatever they wanted

877

00:33:39,830 --> 00:33:37,279

they were less able to adapt quickly to

878

00:33:42,470 --> 00:33:39,840

a different diet now us being foragers

879

00:33:43,830 --> 00:33:42,480

and scrappers ate whatever we wanted so

880

00:33:47,590 --> 00:33:43,840

it was our

881

00:33:49,750 --> 00:33:47,600

slightly higher ability to adapt to a

882

00:33:52,149 --> 00:33:49,760

different diet and different environment

883

00:33:55,110 --> 00:33:52,159

that led us to proliferate after that

884

00:33:56,149 --> 00:33:55,120

environmental change otherwise you know

885

00:33:59,110 --> 00:33:56,159

it could have been very different and

886

00:34:00,389 --> 00:33:59,120

that's just such a razor thin margin for

887

00:34:02,710 --> 00:34:00,399

evolution

888

00:34:03,350 --> 00:34:02,720

right right and you know like right now

889

00:34:06,149 --> 00:34:03,360

if

890

00:34:09,030 --> 00:34:06,159

our power grid was completely gone you

891

00:34:11,349 --> 00:34:09,040

know it's a real high number of our

892

00:34:13,430 --> 00:34:11,359

population would be wiped out but think

893

00:34:15,990 --> 00:34:13,440

of those who survive are the people that

894

00:34:19,190 --> 00:34:16,000

are barely surviving now you know that

895

00:34:20,869 --> 00:34:19,200

um grow their own food that you know

896

00:34:22,230 --> 00:34:20,879

those may be the ones that end up

897

00:34:24,869 --> 00:34:22,240

surviving not to say that they have

898

00:34:26,710 --> 00:34:24,879

lesser intelligence i'm just saying you

899

00:34:29,030 --> 00:34:26,720

know we're kind of uh we've had it kind

900

00:34:31,270 --> 00:34:29,040

of easy and it would be awful hard

901
00:34:33,430 --> 00:34:31,280
to go back without power or anything

902
00:34:36,550 --> 00:34:33,440
like that i mean the average meal comes

903
00:34:39,030 --> 00:34:36,560
from something like 1500 miles away you

904
00:34:42,310 --> 00:34:39,040
know um we would have a real tough time

905
00:34:44,470 --> 00:34:42,320
if everything went down well i mean i'd

906
00:34:46,069 --> 00:34:44,480
be fine martin i'd last a good 12 hours

907
00:34:47,750 --> 00:34:46,079
then my laptop dies and then it's just

908
00:34:51,750 --> 00:34:47,760
chaos

909
00:34:54,069 --> 00:34:51,760
yeah um so

910
00:34:56,149 --> 00:34:54,079
as far as um i want to get back just a

911
00:34:57,270 --> 00:34:56,159
little before we go into other things

912
00:34:59,349 --> 00:34:57,280
um

913
00:35:00,150 --> 00:34:59,359

so your idea

914

00:35:03,430 --> 00:35:00,160

is

915

00:35:05,829 --> 00:35:03,440

that possibly that these things could be

916

00:35:08,230 --> 00:35:05,839

interdimensional possibly that is really

917

00:35:10,550 --> 00:35:08,240

a really good theory um

918

00:35:11,990 --> 00:35:10,560

but then there's also the really strange

919

00:35:13,990 --> 00:35:12,000

things that

920

00:35:15,990 --> 00:35:14,000

um you know there's never a sound

921

00:35:18,470 --> 00:35:16,000

barrier broken when these things speed

922

00:35:20,630 --> 00:35:18,480

off uh they go into water and out of

923

00:35:22,470 --> 00:35:20,640

water and through water really fast i

924

00:35:25,190 --> 00:35:22,480

mean all these really strange things and

925

00:35:27,589 --> 00:35:25,200

i don't know how another dimension would

926

00:35:29,109 --> 00:35:27,599

would make that any you know coming from

927

00:35:31,349 --> 00:35:29,119

and going to

928

00:35:32,310 --> 00:35:31,359

uh if that's all part of it

929

00:35:34,550 --> 00:35:32,320

um

930

00:35:36,870 --> 00:35:34,560

had your father ever looked or talked

931

00:35:39,430 --> 00:35:36,880

about anything that you're aware of when

932

00:35:41,270 --> 00:35:39,440

it came to things like uh being seen on

933

00:35:43,990 --> 00:35:41,280

radar at high speeds and no sound

934

00:35:45,670 --> 00:35:44,000

barrier broken things like that

935

00:35:47,109 --> 00:35:45,680

i don't remember

936

00:35:49,430 --> 00:35:47,119

specifically

937

00:35:52,630 --> 00:35:49,440

sound barriers but he had something he

938

00:35:55,349 --> 00:35:52,640

talked about the cheshire cat phenomena

939

00:35:57,589 --> 00:35:55,359

where you'd see an object here and then

940

00:35:58,470 --> 00:35:57,599

without seeing it move you'd see it over

941

00:35:59,430 --> 00:35:58,480

here

942

00:36:01,670 --> 00:35:59,440

so

943

00:36:03,030 --> 00:36:01,680

one of the examples of of violating you

944

00:36:04,950 --> 00:36:03,040

know are

945

00:36:07,109 --> 00:36:04,960

known laws of physics

946

00:36:09,510 --> 00:36:07,119

and there's a there's several of those

947

00:36:10,470 --> 00:36:09,520

that he remarked that led him again to

948

00:36:12,150 --> 00:36:10,480

think

949

00:36:14,470 --> 00:36:12,160

this nuts and bolts thing of crafts

950

00:36:15,829 --> 00:36:14,480

coming here just doesn't seem to wash

951
00:36:18,550 --> 00:36:15,839
um

952
00:36:20,390 --> 00:36:18,560
the interdimensional hypothesis

953
00:36:21,589 --> 00:36:20,400
seems to me to explain some of the

954
00:36:24,790 --> 00:36:21,599
questions but

955
00:36:26,870 --> 00:36:24,800
i'm not convinced that even if that is

956
00:36:28,870 --> 00:36:26,880
real that it explains everything like

957
00:36:29,829 --> 00:36:28,880
you said i think there could be multiple

958
00:36:32,550 --> 00:36:29,839
explanations it could be

959
00:36:34,790 --> 00:36:32,560
extraterrestrial it could be

960
00:36:36,710 --> 00:36:34,800
manifestations of collective unconscious

961
00:36:38,470 --> 00:36:36,720
and we're talking about the good reports

962
00:36:40,510 --> 00:36:38,480
right the reports that that bear

963
00:36:43,430 --> 00:36:40,520

scrutiny not the hoaxes and

964

00:36:46,550 --> 00:36:43,440

misidentifications of venus etc

965

00:36:48,470 --> 00:36:46,560

but i wouldn't be surprised if

966

00:36:51,109 --> 00:36:48,480

you know even if we find out that there

967

00:36:53,750 --> 00:36:51,119

is an extraterrestrial component we

968

00:36:55,510 --> 00:36:53,760

still are peeling back onion layers for

969

00:36:56,310 --> 00:36:55,520

decades after that

970

00:37:02,310 --> 00:36:56,320

right

971

00:37:05,030 --> 00:37:02,320

i also like what you said about you know

972

00:37:07,190 --> 00:37:05,040

the the vast distances i mean it's it's

973

00:37:09,829 --> 00:37:07,200

even hard to fathom you know how far

974

00:37:12,630 --> 00:37:09,839

away a light year is and the near star

975

00:37:15,190 --> 00:37:12,640

is four over four light years away

976

00:37:16,310 --> 00:37:15,200

uh how the travel could be possible

977

00:37:21,589 --> 00:37:16,320

maybe there's

978

00:37:23,589 --> 00:37:21,599

that they know about physics that we

979

00:37:25,670 --> 00:37:23,599

haven't figured out yet you know there's

980

00:37:26,790 --> 00:37:25,680

all kinds of things like that but um

981

00:37:28,550 --> 00:37:26,800

also

982

00:37:30,390 --> 00:37:28,560

um i've said this

983

00:37:32,150 --> 00:37:30,400

you know a number of times on the show

984

00:37:33,430 --> 00:37:32,160

why would we be so special if there's

985

00:37:35,589 --> 00:37:33,440

life everywhere

986

00:37:37,349 --> 00:37:35,599

you know and but i've had people that

987

00:37:39,510 --> 00:37:37,359

had pretty good answers

988

00:37:41,589 --> 00:37:39,520

for that too you know

989

00:37:44,150 --> 00:37:41,599

you know because uh you know our planet

990

00:37:46,310 --> 00:37:44,160

is thriving with life you know and and

991

00:37:48,630 --> 00:37:46,320

the signals are out there that we're

992

00:37:51,349 --> 00:37:48,640

we're here not just i'm talking about

993

00:37:53,910 --> 00:37:51,359

biological signals here's a a question

994

00:37:55,349 --> 00:37:53,920

and i think it's a decent one so if you

995

00:37:58,710 --> 00:37:55,359

want to ask a question in chat just put

996

00:38:01,430 --> 00:37:58,720

it in all caps like joni did um during

997

00:38:03,109 --> 00:38:01,440

blue book was uh 1965 the kecksburg

998

00:38:04,950 --> 00:38:03,119

crashed do you know if that was

999

00:38:07,670 --> 00:38:04,960

investigated by blue book

1000

00:38:10,069 --> 00:38:07,680

your father i believe so but i don't

1001
00:38:13,109 --> 00:38:10,079
have any more information about it i'm

1002
00:38:14,790 --> 00:38:13,119
familiar with the case but i don't know

1003
00:38:17,270 --> 00:38:14,800
like the official blue book or my

1004
00:38:19,510 --> 00:38:17,280
father's sort of determination about it

1005
00:38:21,670 --> 00:38:19,520
yeah yeah there's uh there's there's

1006
00:38:23,750 --> 00:38:21,680
controversy about keksburg

1007
00:38:26,230 --> 00:38:23,760
you know whether it possibly could have

1008
00:38:28,310 --> 00:38:26,240
been you know something that we put up

1009
00:38:29,990 --> 00:38:28,320
there that came down but you know there

1010
00:38:31,990 --> 00:38:30,000
but it is kind of bizarre how it did

1011
00:38:34,230 --> 00:38:32,000
shoot off in another direction or a

1012
00:38:37,109 --> 00:38:34,240
change change directions or something on

1013
00:38:38,069 --> 00:38:37,119

the path uh that's always an interesting

1014

00:38:39,589 --> 00:38:38,079

um

1015

00:38:41,750 --> 00:38:39,599

interesting one so again if you want to

1016

00:38:43,589 --> 00:38:41,760

ask questions just to let everyone know

1017

00:38:45,109 --> 00:38:43,599

that uh we're going to a break at the

1018

00:38:47,190 --> 00:38:45,119

top of the hour

1019

00:38:48,950 --> 00:38:47,200

and we're going to be taking calls the

1020

00:38:50,630 --> 00:38:48,960

last half hour screen calls with bill is

1021

00:38:51,990 --> 00:38:50,640

going to be screening your calls so if

1022

00:38:54,069 --> 00:38:52,000

you have a question you can either put

1023

00:38:57,349 --> 00:38:54,079

it in chat or save it for a call

1024

00:38:59,910 --> 00:38:57,359

um later on uh what are some of the

1025

00:39:02,069 --> 00:38:59,920

cases that you heard about at the subway

1026

00:39:04,630 --> 00:39:02,079

table supper table

1027

00:39:06,870 --> 00:39:04,640

talk that was really fascinating

1028

00:39:09,589 --> 00:39:06,880

let's go back to uh calvin parker and

1029

00:39:11,109 --> 00:39:09,599

pascagoula um

1030

00:39:13,190 --> 00:39:11,119

and that's a case

1031

00:39:16,630 --> 00:39:13,200

that that you know quite well

1032

00:39:19,430 --> 00:39:16,640

has sort of gotten even stronger

1033

00:39:20,950 --> 00:39:19,440

over the passing years with more

1034

00:39:22,790 --> 00:39:20,960

witnesses

1035

00:39:24,630 --> 00:39:22,800

coming to the fore

1036

00:39:26,230 --> 00:39:24,640

attesting to what they saw in a

1037

00:39:29,430 --> 00:39:26,240

consistent way

1038

00:39:31,829 --> 00:39:29,440

with calvin and charlie's um

1039

00:39:32,950 --> 00:39:31,839

uh account yeah and

1040

00:39:34,870 --> 00:39:32,960

you know one of the things i learned

1041

00:39:35,829 --> 00:39:34,880

about in our interview that we did with

1042

00:39:37,510 --> 00:39:35,839

you

1043

00:39:38,950 --> 00:39:37,520

was that

1044

00:39:40,310 --> 00:39:38,960

you know they saw

1045

00:39:41,990 --> 00:39:40,320

the the

1046

00:39:43,270 --> 00:39:42,000

they had the sighting i think maybe on a

1047

00:39:44,310 --> 00:39:43,280

friday

1048

00:39:46,390 --> 00:39:44,320

um

1049

00:39:49,030 --> 00:39:46,400

and over the weekend and they were in

1050

00:39:51,109 --> 00:39:49,040

the personnel office of the shipyard at

1051

00:39:53,349 --> 00:39:51,119

like seven o'clock the next morning

1052

00:39:55,589 --> 00:39:53,359

which i thought was remarkable and

1053

00:39:58,550 --> 00:39:55,599

calvin said that my father was in the

1054

00:40:01,829 --> 00:39:58,560

office there like 7 a.m the next morning

1055

00:40:05,109 --> 00:40:01,839

amazing and he never understood

1056

00:40:06,630 --> 00:40:05,119

how he was there that quickly

1057

00:40:09,270 --> 00:40:06,640

i think he must have been in the gulf

1058

00:40:10,470 --> 00:40:09,280

coast already on some other kind of

1059

00:40:11,510 --> 00:40:10,480

business

1060

00:40:14,950 --> 00:40:11,520

and

1061

00:40:16,390 --> 00:40:14,960

again as you know

1062

00:40:18,069 --> 00:40:16,400

one of the interesting things about the

1063

00:40:19,990 --> 00:40:18,079

case was that

1064

00:40:22,470 --> 00:40:20,000

calvin and charlie were in the police

1065

00:40:23,510 --> 00:40:22,480

room being you know interrogated

1066

00:40:24,550 --> 00:40:23,520

actually

1067

00:40:26,790 --> 00:40:24,560

and

1068

00:40:27,910 --> 00:40:26,800

the police left the room

1069

00:40:29,750 --> 00:40:27,920

and

1070

00:40:32,550 --> 00:40:29,760

inadvertently left the tape recorder

1071

00:40:34,550 --> 00:40:32,560

recording and it's pretty clear that

1072

00:40:36,870 --> 00:40:34,560

charlie and calvin who were not you know

1073

00:40:39,270 --> 00:40:36,880

trained actors didn't know that was

1074

00:40:41,109 --> 00:40:39,280

happening right and they were it was

1075

00:40:43,390 --> 00:40:41,119

left recording them and what really

1076

00:40:45,190 --> 00:40:43,400

seemed to be

1077

00:40:47,030 --> 00:40:45,200

traumatized

1078

00:40:48,069 --> 00:40:47,040

uh honest

1079

00:40:50,150 --> 00:40:48,079

you know

1080

00:40:53,510 --> 00:40:50,160

trying to cope with the situation and my

1081

00:40:55,430 --> 00:40:53,520

father found that very compelling um

1082

00:40:56,950 --> 00:40:55,440

somebody asked him once is that a good

1083

00:40:59,829 --> 00:40:56,960

case he said yeah that's a very strong

1084

00:41:02,470 --> 00:40:59,839

case they said is it real but my father

1085

00:41:05,030 --> 00:41:02,480

being a scientist and no you know

1086

00:41:07,430 --> 00:41:05,040

beast merchant meant to my friend calvin

1087

00:41:08,230 --> 00:41:07,440

said how the hell should i know i wasn't

1088

00:41:11,190 --> 00:41:08,240

there

1089

00:41:13,430 --> 00:41:11,200

but i believe that calvin believes it

1090

00:41:15,510 --> 00:41:13,440

happened and there's good evidence to

1091

00:41:18,150 --> 00:41:15,520

support that that's what a scientist

1092

00:41:20,309 --> 00:41:18,160

will say yes and that case

1093

00:41:22,790 --> 00:41:20,319

is just very strong and it's one of many

1094

00:41:25,910 --> 00:41:22,800

where you know you talked about how

1095

00:41:26,790 --> 00:41:25,920

people don't want to believe accounts

1096

00:41:28,309 --> 00:41:26,800

you're

1097

00:41:30,390 --> 00:41:28,319

at some point

1098

00:41:33,510 --> 00:41:30,400

you either have to embrace that you know

1099

00:41:35,670 --> 00:41:33,520

unanswerable question that i mentioned

1100

00:41:37,190 --> 00:41:35,680

or just keep

1101
00:41:40,470 --> 00:41:37,200
denying

1102
00:41:42,790 --> 00:41:40,480
the accounts of increasingly of a larger

1103
00:41:45,030 --> 00:41:42,800
and larger number of witnesses

1104
00:41:46,710 --> 00:41:45,040
some of them very credible by any way

1105
00:41:49,109 --> 00:41:46,720
that you measure it you know my father

1106
00:41:52,230 --> 00:41:49,119
would say that it got very awkward for

1107
00:41:55,190 --> 00:41:52,240
the air force to deny accounts

1108
00:41:56,630 --> 00:41:55,200
of air force pilots who they themselves

1109
00:41:58,710 --> 00:41:56,640
had trained

1110
00:42:01,750 --> 00:41:58,720
and now we've got you know remarkably

1111
00:42:03,910 --> 00:42:01,760
more open public posture on the part of

1112
00:42:06,710 --> 00:42:03,920
the navy and the pentagon thanks in part

1113
00:42:09,030 --> 00:42:06,720

to chris mellon and lou elizondo

1114

00:42:10,790 --> 00:42:09,040

saying hey yes

1115

00:42:13,190 --> 00:42:10,800

they don't call them ufos they call them

1116

00:42:15,990 --> 00:42:13,200

uaps they exist

1117

00:42:18,870 --> 00:42:16,000

they're out there we're studying them

1118

00:42:20,309 --> 00:42:18,880

we're concerned for the safety of our

1119

00:42:22,390 --> 00:42:20,319

aviators

1120

00:42:25,109 --> 00:42:22,400

and they may pose a risk to national

1121

00:42:27,910 --> 00:42:25,119

security so here you have the official

1122

00:42:30,390 --> 00:42:27,920

organs and knowledgeable departments of

1123

00:42:31,270 --> 00:42:30,400

the us government saying uh yeah they're

1124

00:42:33,910 --> 00:42:31,280

real

1125

00:42:35,270 --> 00:42:33,920

published now in the paper of record the

1126

00:42:38,710 --> 00:42:35,280

new york times

1127

00:42:40,870 --> 00:42:38,720

so it's really hard to deny them

1128

00:42:42,829 --> 00:42:40,880

in in general and then you have when you

1129

00:42:46,710 --> 00:42:42,839

dig into cases like

1130

00:42:49,109 --> 00:42:46,720

pascagoula or lonnie zamora in socorro

1131

00:42:51,990 --> 00:42:49,119

or father gill in

1132

00:42:53,030 --> 00:42:52,000

papua new guinea and many other cases

1133

00:42:54,150 --> 00:42:53,040

yes

1134

00:42:56,230 --> 00:42:54,160

gerald

1135

00:42:58,790 --> 00:42:56,240

my father did believe father gill's

1136

00:43:01,349 --> 00:42:58,800

sighting and father gill came to dinner

1137

00:43:03,430 --> 00:43:01,359

and i remember you saying that yeah yeah

1138

00:43:05,750 --> 00:43:03,440

and one of the things that struck me was

1139

00:43:08,230 --> 00:43:05,760

here was a guy who was very intelligent

1140

00:43:10,630 --> 00:43:08,240

he was an anglican priest in papua new

1141

00:43:13,190 --> 00:43:10,640

guinea who had an amazing sighting where

1142

00:43:15,670 --> 00:43:13,200

they're waving to the you know apparent

1143

00:43:17,109 --> 00:43:15,680

reportedly waving to the

1144

00:43:19,910 --> 00:43:17,119

the creatures

1145

00:43:21,190 --> 00:43:19,920

who wave back and father gill was very

1146

00:43:23,589 --> 00:43:21,200

intelligent

1147

00:43:25,990 --> 00:43:23,599

he you know he came to chicago where we

1148

00:43:27,829 --> 00:43:26,000

lived for an ecumenical religious

1149

00:43:30,790 --> 00:43:27,839

conference not for

1150

00:43:31,589 --> 00:43:30,800

to sell a ufo book and

1151

00:43:33,910 --> 00:43:31,599

but

1152

00:43:36,309 --> 00:43:33,920

he came to dinner at our house

1153

00:43:37,430 --> 00:43:36,319

and he didn't sort of launch into his

1154

00:43:40,390 --> 00:43:37,440

account

1155

00:43:42,710 --> 00:43:40,400

but if you're a fairly well-known ufo

1156

00:43:44,470 --> 00:43:42,720

witness and you come to dinner at the

1157

00:43:47,910 --> 00:43:44,480

heineck house

1158

00:43:50,390 --> 00:43:47,920

that's kind of the quid pro quo right so

1159

00:43:53,349 --> 00:43:50,400

and i thought it'd be very intelligent

1160

00:43:55,270 --> 00:43:53,359

very comfortable in his skin

1161

00:43:57,670 --> 00:43:55,280

nothing to gain by reporting this it

1162

00:43:59,990 --> 00:43:57,680

didn't help him in his you know

1163

00:44:02,870 --> 00:44:00,000

in his priestly career

1164

00:44:04,550 --> 00:44:02,880

and just very consistent over the years

1165

00:44:06,309 --> 00:44:04,560

which is something that struck my father

1166

00:44:08,069 --> 00:44:06,319

my father would ask people

1167

00:44:10,309 --> 00:44:08,079

questions from slightly different points

1168

00:44:12,150 --> 00:44:10,319

of view to see if he could find like

1169

00:44:13,990 --> 00:44:12,160

some daylight between their their

1170

00:44:16,230 --> 00:44:14,000

varying accounts but he found him to be

1171

00:44:18,950 --> 00:44:16,240

remarkably consistent and thought that

1172

00:44:20,069 --> 00:44:18,960

was a wonderful case that had multiple

1173

00:44:23,750 --> 00:44:20,079

witnesses

1174

00:44:26,950 --> 00:44:23,760

right right and i had heard someone talk

1175

00:44:28,230 --> 00:44:26,960

about a similar case where they had this

1176
00:44:30,390 --> 00:44:28,240
flashlight

1177
00:44:31,349 --> 00:44:30,400
and they went made the signal up and

1178
00:44:33,430 --> 00:44:31,359
down

1179
00:44:35,510 --> 00:44:33,440
like that and the thing made a reaction

1180
00:44:36,550 --> 00:44:35,520
up and down just like the father gill

1181
00:44:38,710 --> 00:44:36,560
case

1182
00:44:41,030 --> 00:44:38,720
and then the person was doing this and

1183
00:44:42,309 --> 00:44:41,040
the thing made a re action like that

1184
00:44:44,390 --> 00:44:42,319
and then all of a sudden he put his

1185
00:44:46,069 --> 00:44:44,400
flashlight down and he started thinking

1186
00:44:48,069 --> 00:44:46,079
up and down and the thing went up and

1187
00:44:49,349 --> 00:44:48,079
down

1188
00:44:52,790 --> 00:44:49,359

wow that's like

1189

00:44:54,950 --> 00:44:52,800

three layers of super cool ufo remote

1190

00:44:57,510 --> 00:44:54,960

control

1191

00:45:00,230 --> 00:44:57,520

flashlight

1192

00:45:02,230 --> 00:45:00,240

yeah so um what the point was that he

1193

00:45:03,589 --> 00:45:02,240

was saying that it was it was

1194

00:45:04,870 --> 00:45:03,599

had nothing to do with him moving the

1195

00:45:06,470 --> 00:45:04,880

flashlight

1196

00:45:07,750 --> 00:45:06,480

had to do with his thoughts of moving

1197

00:45:10,470 --> 00:45:07,760

the flashlight

1198

00:45:13,670 --> 00:45:10,480

so right i think at first

1199

00:45:15,109 --> 00:45:13,680

for him it was probably far out enough

1200

00:45:16,710 --> 00:45:15,119

that there happened seems to be a

1201

00:45:19,030 --> 00:45:16,720

correlation between

1202

00:45:20,230 --> 00:45:19,040

a tool that he has and some object in

1203

00:45:22,309 --> 00:45:20,240

the sky

1204

00:45:24,630 --> 00:45:22,319

and took him a little bit to realize

1205

00:45:27,190 --> 00:45:24,640

that the tool was incidental

1206

00:45:28,790 --> 00:45:27,200

right right and for those of you have

1207

00:45:30,870 --> 00:45:28,800

who have not looked into the father gill

1208

00:45:33,829 --> 00:45:30,880

case there's a great video of him

1209

00:45:35,510 --> 00:45:33,839

talking about the whole case on youtube

1210

00:45:37,910 --> 00:45:35,520

and that is one that i find you know

1211

00:45:39,750 --> 00:45:37,920

very very good well i've not seen that i

1212

00:45:41,990 --> 00:45:39,760

would love to see that oh i'll make a

1213

00:45:44,230 --> 00:45:42,000

note uh please uh over there secretary

1214

00:45:46,870 --> 00:45:44,240

can you please make a note of that yes

1215

00:45:47,990 --> 00:45:46,880

my secretary's on top of that so

1216

00:45:51,430 --> 00:45:48,000

uh

1217

00:45:53,270 --> 00:45:51,440

allagash is another one um i i love that

1218

00:45:55,109 --> 00:45:53,280

that case i don't know how much you know

1219

00:45:58,150 --> 00:45:55,119

about that case in particular but that

1220

00:46:01,030 --> 00:45:58,160

was in the 70s did your father happen to

1221

00:46:02,309 --> 00:46:01,040

look into that and you know post blue

1222

00:46:04,069 --> 00:46:02,319

book

1223

00:46:06,790 --> 00:46:04,079

you know i'm not familiar with that case

1224

00:46:09,030 --> 00:46:06,800

so i i don't know i'm sorry yeah okay

1225

00:46:12,790 --> 00:46:09,040

it's a it's an it's up in up in maine

1226
00:46:16,390 --> 00:46:12,800
and it it was for four guys art students

1227
00:46:18,790 --> 00:46:16,400
and uh quite a very convincing

1228
00:46:21,589 --> 00:46:18,800
um encounter that they didn't remember

1229
00:46:23,030 --> 00:46:21,599
until years later they all forgot where

1230
00:46:25,109 --> 00:46:23,040
do you know where in maine that was

1231
00:46:27,030 --> 00:46:25,119
because i was just in maine last week

1232
00:46:29,910 --> 00:46:27,040
oh you should come visit me that's where

1233
00:46:32,870 --> 00:46:29,920
i live yeah so i was in i was in bethel

1234
00:46:34,710 --> 00:46:32,880
for two days in western maine oh so

1235
00:46:35,990 --> 00:46:34,720
that's ski country up there

1236
00:46:38,309 --> 00:46:36,000
yeah right

1237
00:46:42,150 --> 00:46:38,319
sunday river all that right exactly

1238
00:46:43,829 --> 00:46:42,160

right oh anyway um it's it's up further

1239

00:46:46,710 --> 00:46:43,839

it's in the middle of nowhere called the

1240

00:46:48,630 --> 00:46:46,720

allagash the allagash is is an area

1241

00:46:50,870 --> 00:46:48,640

there's several lakes there's eagle lake

1242

00:46:53,270 --> 00:46:50,880

and several lakes uh they had a sighting

1243

00:46:55,829 --> 00:46:53,280

there they went out on their canoe they

1244

00:46:58,069 --> 00:46:55,839

built a great big bonfire this light

1245

00:46:59,030 --> 00:46:58,079

came over him and uh

1246

00:47:00,150 --> 00:46:59,040

chuck

1247

00:47:02,230 --> 00:47:00,160

uh

1248

00:47:03,670 --> 00:47:02,240

flashed his flashlight at the

1249

00:47:04,790 --> 00:47:03,680

at the craft

1250

00:47:06,870 --> 00:47:04,800

and

1251

00:47:08,309 --> 00:47:06,880

supposedly the thing went right over

1252

00:47:10,470 --> 00:47:08,319

them and then they kind of didn't

1253

00:47:11,990 --> 00:47:10,480

remember anything for years but it was

1254

00:47:14,230 --> 00:47:12,000

really funny because they rode back to

1255

00:47:16,230 --> 00:47:14,240

the shore and the fire was almost out

1256

00:47:17,990 --> 00:47:16,240

and they built this big blazing bonfire

1257

00:47:19,990 --> 00:47:18,000

so they could find it and it was just a

1258

00:47:21,510 --> 00:47:20,000

couple minutes later then they all were

1259

00:47:23,190 --> 00:47:21,520

having dreams about this thing it's a

1260

00:47:26,309 --> 00:47:23,200

really a great case

1261

00:47:27,270 --> 00:47:26,319

to look into they had dreams and and um

1262

00:47:28,710 --> 00:47:27,280

then

1263

00:47:29,910 --> 00:47:28,720

um

1264

00:47:36,870 --> 00:47:29,920

jim

1265

00:47:38,390 --> 00:47:36,880

he was injured in the hospital and they

1266

00:47:39,990 --> 00:47:38,400

were bringing around books

1267

00:47:41,510 --> 00:47:40,000

and one day they brought around whitley

1268

00:47:43,030 --> 00:47:41,520

strieber's book with the alien on the

1269

00:47:43,990 --> 00:47:43,040

front of it and he saw it and he freaked

1270

00:47:45,829 --> 00:47:44,000

out

1271

00:47:47,829 --> 00:47:45,839

and he and then he had the whole memory

1272

00:47:50,230 --> 00:47:47,839

come back and they were interviewed

1273

00:47:52,309 --> 00:47:50,240

separately and they all had the memory

1274

00:47:54,710 --> 00:47:52,319

of being up on the craft and being uh

1275

00:47:56,630 --> 00:47:54,720

scanned and you know moved their arms

1276

00:47:59,510 --> 00:47:56,640

and joints moved all over the you know

1277

00:48:02,069 --> 00:47:59,520

things like that so it and they're all

1278

00:48:04,710 --> 00:48:02,079

all their artwork changed you know and

1279

00:48:06,309 --> 00:48:04,720

one of them became a nasa scientist and

1280

00:48:08,390 --> 00:48:06,319

he wasn't even good at math and became

1281

00:48:12,150 --> 00:48:08,400

really good at math afterwards really

1282

00:48:14,150 --> 00:48:12,160

yeah so yeah it's fascinating story one

1283

00:48:15,910 --> 00:48:14,160

another another one that i can i

1284

00:48:17,109 --> 00:48:15,920

personally consider up there is one of

1285

00:48:21,910 --> 00:48:17,119

the really great

1286

00:48:24,710 --> 00:48:21,920

great uh ufos uh encounters out there

1287

00:48:25,510 --> 00:48:24,720

so yeah one one one to check out for

1288

00:48:26,470 --> 00:48:25,520

sure

1289

00:48:28,630 --> 00:48:26,480

so

1290

00:48:30,710 --> 00:48:28,640

um other other stories that you can

1291

00:48:32,150 --> 00:48:30,720

remember and you know i did i did say uh

1292

00:48:33,670 --> 00:48:32,160

we're going into break here in about

1293

00:48:35,670 --> 00:48:33,680

seven minutes or so

1294

00:48:37,750 --> 00:48:35,680

but um are there other stories that you

1295

00:48:40,150 --> 00:48:37,760

remember at the table besides like

1296

00:48:41,910 --> 00:48:40,160

calvin or were you kind of at the end of

1297

00:48:43,270 --> 00:48:41,920

when your was your father slowing down

1298

00:48:45,349 --> 00:48:43,280

in these cases

1299

00:48:47,670 --> 00:48:45,359

um and no

1300

00:48:50,549 --> 00:48:47,680

no he was still going strong

1301

00:48:53,510 --> 00:48:50,559

you know my father was born in 1910

1302

00:48:57,109 --> 00:48:53,520

and he died in 1986

1303

00:48:58,710 --> 00:48:57,119

so he came and went with halley's comet

1304

00:49:01,349 --> 00:48:58,720

which is a nice sort of

1305

00:49:03,750 --> 00:49:01,359

book and life for an astronomer

1306

00:49:07,589 --> 00:49:03,760

and until

1307

00:49:10,069 --> 00:49:07,599

maybe late 1985 he was vibrant he was

1308

00:49:12,950 --> 00:49:10,079

very healthy he had a very short

1309

00:49:14,950 --> 00:49:12,960

fortunately morbidity period but he was

1310

00:49:20,069 --> 00:49:14,960

he was very sharp and and still

1311

00:49:21,990 --> 00:49:20,079

fascinated by ufos into 1985. wow wow

1312

00:49:23,270 --> 00:49:22,000

and there was uh

1313

00:49:26,069 --> 00:49:23,280

there was a

1314

00:49:28,790 --> 00:49:26,079

um there had been a lot of waves do you

1315

00:49:30,950 --> 00:49:28,800

remember when there were like waves uh

1316

00:49:32,390 --> 00:49:30,960

you know i'm trying yeah flaps right

1317

00:49:35,270 --> 00:49:32,400

flaps yes

1318

00:49:37,349 --> 00:49:35,280

yeah so that that must have been pretty

1319

00:49:39,750 --> 00:49:37,359

exciting during those times

1320

00:49:41,510 --> 00:49:39,760

and yeah you know the 70s was

1321

00:49:45,109 --> 00:49:41,520

interesting time

1322

00:49:46,870 --> 00:49:45,119

the national enquirer was all over ufos

1323

00:49:48,710 --> 00:49:46,880

and we had the movie close encounters

1324

00:49:50,230 --> 00:49:48,720

which was really a

1325

00:49:53,910 --> 00:49:50,240

a bellwether

1326

00:49:56,309 --> 00:49:53,920

or a milestone right because it really

1327

00:49:57,349 --> 00:49:56,319

gave a lot of people permission i think

1328

00:49:59,430 --> 00:49:57,359

to

1329

00:50:00,549 --> 00:49:59,440

talk about the subject

1330

00:50:02,549 --> 00:50:00,559

more

1331

00:50:03,589 --> 00:50:02,559

seriously and honestly than before

1332

00:50:05,430 --> 00:50:03,599

because

1333

00:50:07,750 --> 00:50:05,440

most of

1334

00:50:10,069 --> 00:50:07,760

the hollywood portrayals of aliens and

1335

00:50:11,910 --> 00:50:10,079

all that before were evil ray guns and

1336

00:50:12,870 --> 00:50:11,920

things like that and body snatchers and

1337

00:50:16,470 --> 00:50:12,880

all that

1338

00:50:18,710 --> 00:50:16,480

and you know this was a big

1339

00:50:21,430 --> 00:50:18,720

you know tent pole movie

1340

00:50:23,430 --> 00:50:21,440

that portrayed aliens in a very friendly

1341

00:50:24,630 --> 00:50:23,440

way a little bit mysterious but very

1342

00:50:28,309 --> 00:50:24,640

friendly

1343

00:50:30,710 --> 00:50:28,319

and really focused on again the sort of

1344

00:50:32,069 --> 00:50:30,720

aspects of an experience that are not

1345

00:50:34,309 --> 00:50:32,079

the actual sighting but this

1346

00:50:37,030 --> 00:50:34,319

communication and this obsession

1347

00:50:39,829 --> 00:50:37,040

of you know ongoing communication before

1348

00:50:40,950 --> 00:50:39,839

during and after the sighting so that

1349

00:50:42,390 --> 00:50:40,960

really

1350

00:50:45,430 --> 00:50:42,400

i think helped

1351

00:50:48,309 --> 00:50:45,440

move the needle a lot on the level

1352

00:50:51,349 --> 00:50:48,319

of and the quality of public discourse

1353

00:50:54,309 --> 00:50:51,359

right right and did you ever personally

1354

00:50:55,190 --> 00:50:54,319

meet steven spielberg oh yes yeah okay

1355

00:50:58,549 --> 00:50:55,200

um

1356

00:51:00,309 --> 00:50:58,559

both during filming of close encounters

1357

00:51:01,670 --> 00:51:00,319

and then later

1358

00:51:03,829 --> 00:51:01,680

you know i worked on a bunch of movies

1359

00:51:05,109 --> 00:51:03,839

and one of the movies was tintin which

1360

00:51:06,390 --> 00:51:05,119

he directed

1361

00:51:10,950 --> 00:51:06,400

and

1362

00:51:13,910 --> 00:51:10,960

our studio

1363

00:51:15,990 --> 00:51:13,920

and we had name tags with our pictures

1364

00:51:18,870 --> 00:51:16,000

and michael kahn who was steven

1365

00:51:21,270 --> 00:51:18,880

spielberg's long time editor

1366

00:51:24,230 --> 00:51:21,280

is just walking down the hallway and

1367

00:51:26,069 --> 00:51:24,240

glances and sees my name tag and says hi

1368

00:51:28,870 --> 00:51:26,079

nick hi nick

1369

00:51:30,870 --> 00:51:28,880

are you related to jay allen heineck i

1370

00:51:33,589 --> 00:51:30,880

said that's my fault and he goes

1371

00:51:35,670 --> 00:51:33,599

oh my gosh he was a technical advisor on

1372

00:51:38,630 --> 00:51:35,680

close encounters and steven loved him

1373

00:51:41,030 --> 00:51:38,640

does steven know if you're here i said i

1374

00:51:43,430 --> 00:51:41,040

i really don't know if stephen knows a

1375

00:51:45,750 --> 00:51:43,440

lot about me or where or my whereabouts

1376

00:51:47,510 --> 00:51:45,760

he said i'll tell him so that was a

1377

00:51:50,309 --> 00:51:47,520

friday afternoon

1378

00:51:52,470 --> 00:51:50,319

and bright and early monday morning uh a

1379

00:51:54,549 --> 00:51:52,480

pa comes to me and says uh paula stephen

1380

00:51:55,750 --> 00:51:54,559

would like to talk to you

1381

00:51:58,230 --> 00:51:55,760

so okay

1382

00:52:02,230 --> 00:51:58,240

so i go to the set and i talk with

1383

00:52:04,069 --> 00:52:02,240

stephen and kathy kennedy his long time

1384

00:52:06,230 --> 00:52:04,079

producing partner who's also the twin

1385

00:52:09,270 --> 00:52:06,240

sister of connie kennedy who i've worked

1386

00:52:11,910 --> 00:52:09,280

with for years um about ufos and close

1387

00:52:14,710 --> 00:52:11,920

encounters and we had a grand old time

1388

00:52:17,109 --> 00:52:14,720

and then i said hey uh my brother joel

1389

00:52:18,790 --> 00:52:17,119

is in town could i come back on the set

1390

00:52:19,750 --> 00:52:18,800

and bring joel this afternoon they said

1391

00:52:21,750 --> 00:52:19,760

of course

1392

00:52:24,710 --> 00:52:21,760

so we reconvened for another hour or so

1393

00:52:27,349 --> 00:52:24,720

that afternoon with joel

1394

00:52:30,549 --> 00:52:27,359

and joel told steven what i think is a

1395

00:52:33,030 --> 00:52:30,559

really heartwarming story about how

1396

00:52:35,430 --> 00:52:33,040

when he won his oscar

1397

00:52:37,109 --> 00:52:35,440

for what dreams may come and was very

1398

00:52:38,710 --> 00:52:37,119

nervous on stage

1399

00:52:41,670 --> 00:52:38,720

looked down in the audience and the

1400

00:52:43,990 --> 00:52:41,680

front row sees steven spielberg smiling

1401
00:52:47,510 --> 00:52:44,000
at him and that really helped sort of

1402
00:52:48,870 --> 00:52:47,520
ground and center him how about that wow

1403
00:52:51,589 --> 00:52:48,880
wow that's great

1404
00:52:53,750 --> 00:52:51,599
that um that

1405
00:52:56,150 --> 00:52:53,760
close encounters are the third kind

1406
00:52:58,470 --> 00:52:56,160
um your your father really coined that

1407
00:53:01,910 --> 00:52:58,480
phrase close encounters

1408
00:53:03,829 --> 00:53:01,920
and did was there ever other awards did

1409
00:53:06,150 --> 00:53:03,839
he ever have other terms

1410
00:53:08,150 --> 00:53:06,160
before that or or

1411
00:53:09,990 --> 00:53:08,160
that he used prior to that

1412
00:53:13,510 --> 00:53:10,000
oh like yeah like when he was

1413
00:53:16,549 --> 00:53:13,520

workshopping the concept i don't know

1414

00:53:18,630 --> 00:53:16,559

if he had ones before that um

1415

00:53:20,950 --> 00:53:18,640

i think he'd be gratified to know that

1416

00:53:22,549 --> 00:53:20,960

people still use that classification

1417

00:53:24,630 --> 00:53:22,559

they've added you know four five six

1418

00:53:27,670 --> 00:53:24,640

seven eight nine who knows what else

1419

00:53:29,109 --> 00:53:27,680

um because you know for for my father's

1420

00:53:31,589 --> 00:53:29,119

a scientist

1421

00:53:36,150 --> 00:53:33,670

what he wanted to do

1422

00:53:39,270 --> 00:53:36,160

even before ufos was sort of take a

1423

00:53:41,190 --> 00:53:39,280

flashlight to the edges of known science

1424

00:53:43,030 --> 00:53:41,200

and just push the bubble a little bit

1425

00:53:46,390 --> 00:53:43,040

further and

1426

00:53:50,150 --> 00:53:46,400

to do that with ufos he had what i think

1427

00:53:52,230 --> 00:53:50,160

is the crucial insight that he wasn't

1428

00:53:55,030 --> 00:53:52,240

studying ufos

1429

00:53:58,630 --> 00:53:55,040

he was studying ufo reports

1430

00:54:00,829 --> 00:53:58,640

and part of that meant that he wasn't

1431

00:54:04,150 --> 00:54:00,839

spending so much time on

1432

00:54:07,430 --> 00:54:04,160

astrophysical concepts but actually

1433

00:54:10,470 --> 00:54:07,440

touchy feely talking to people which he

1434

00:54:12,230 --> 00:54:10,480

was not trained for as an astrophysicist

1435

00:54:13,109 --> 00:54:12,240

sure so there's a whole different sort

1436

00:54:15,670 --> 00:54:13,119

of

1437

00:54:18,870 --> 00:54:15,680

uh branch for him to go down but when he

1438

00:54:20,549 --> 00:54:18,880

realized that sort of

1439

00:54:22,950 --> 00:54:20,559

level of remove

1440

00:54:25,030 --> 00:54:22,960

that he's dealing with reports that's

1441

00:54:27,109 --> 00:54:25,040

when he realized it would be very

1442

00:54:30,230 --> 00:54:27,119

helpful to come up with a

1443

00:54:32,470 --> 00:54:30,240

lingua franca a classification system

1444

00:54:34,069 --> 00:54:32,480

that people could use around the world

1445

00:54:37,270 --> 00:54:34,079

to better compare

1446

00:54:39,030 --> 00:54:37,280

you know interstellar apples to apples

1447

00:54:41,910 --> 00:54:39,040

and um

1448

00:54:43,109 --> 00:54:41,920

so that seems to have stuck and and and

1449

00:54:45,030 --> 00:54:43,119

been useful

1450

00:54:47,750 --> 00:54:45,040

he coined other phrases as well and one

1451

00:54:49,589 --> 00:54:47,760

of my favorites is high strangeness

1452

00:54:52,230 --> 00:54:49,599

which is one of that one

1453

00:54:54,470 --> 00:54:52,240

yeah strangers i love that which is a me

1454

00:54:55,589 --> 00:54:54,480

too and you can you know you immediately

1455

00:54:57,190 --> 00:54:55,599

understand

1456

00:54:59,190 --> 00:54:57,200

what it means

1457

00:55:00,789 --> 00:54:59,200

but he had a lot of very interesting

1458

00:55:03,589 --> 00:55:00,799

turns of phrase

1459

00:55:06,630 --> 00:55:03,599

and ways to sort of classify

1460

00:55:08,789 --> 00:55:06,640

this you know really bizarre phenomena

1461

00:55:10,230 --> 00:55:08,799

great maybe we'll talk a little bit more

1462

00:55:12,309 --> 00:55:10,240

about that on the other side of the

1463

00:55:14,870 --> 00:55:12,319

break it's time for us to go into it

1464

00:55:15,750 --> 00:55:14,880

right now we'll be back in exactly three

1465

00:55:19,030 --> 00:55:15,760

minutes

1466

00:55:21,270 --> 00:55:19,040

so hang in there over at kg r a radio

1467

00:55:24,150 --> 00:55:21,280

with the commercials and we'll be right

1468

00:55:28,230 --> 00:55:26,630

all right joe welcome to the show and uh

1469

00:55:30,950 --> 00:55:28,240

i'm excited to hear about your sighting

1470

00:55:33,109 --> 00:55:30,960

you have called into my show in the past

1471

00:55:36,150 --> 00:55:33,119

but this is yeah yeah this is something

1472

00:55:39,190 --> 00:55:36,160

that's happened since that time right

1473

00:55:41,510 --> 00:55:39,200

yeah so i had called in um early in

1474

00:55:43,430 --> 00:55:41,520

august and a few days later i had this

1475

00:55:45,829 --> 00:55:43,440

sighting uh coincidentally i was in

1476

00:55:47,670 --> 00:55:45,839

mammoth lakes california

1477

00:55:49,750 --> 00:55:47,680

just got done with a backpacking trip

1478

00:55:51,829 --> 00:55:49,760

and this is over the eastern sierra

1479

00:55:53,990 --> 00:55:51,839

nevada mountains um

1480

00:55:55,190 --> 00:55:54,000

kind of up towards yosemite

1481

00:55:57,190 --> 00:55:55,200

so

1482

00:55:59,030 --> 00:55:57,200

uh it was the last day that we were out

1483

00:56:00,789 --> 00:55:59,040

there i decided i was going to do some

1484

00:56:03,109 --> 00:56:00,799

stargazing because you can see the milky

1485

00:56:05,589 --> 00:56:03,119

way galaxy and everything and turned off

1486

00:56:08,069 --> 00:56:05,599

all the lights went outside and i

1487

00:56:09,750 --> 00:56:08,079

noticed immediately this bright

1488

00:56:12,150 --> 00:56:09,760

green blue

1489

00:56:13,990 --> 00:56:12,160

star below saturn

1490

00:56:15,750 --> 00:56:14,000

and that was looking out i would say

1491

00:56:16,870 --> 00:56:15,760

probably like south

1492

00:56:18,470 --> 00:56:16,880

west

1493

00:56:21,430 --> 00:56:18,480

um

1494

00:56:23,670 --> 00:56:21,440

approximately 9 30 p.m

1495

00:56:25,589 --> 00:56:23,680

so pretty dark outside and it was bright

1496

00:56:27,510 --> 00:56:25,599

if you're looking at jupiter or venus in

1497

00:56:28,870 --> 00:56:27,520

the night sky right now it was brighter

1498

00:56:31,430 --> 00:56:28,880

than that

1499

00:56:32,470 --> 00:56:31,440

and uh it was green and it was not

1500

00:56:34,390 --> 00:56:32,480

moving

1501
00:56:36,309 --> 00:56:34,400
and i watched it for about a minute and

1502
00:56:38,870 --> 00:56:36,319
then it started to move slowly to the

1503
00:56:41,030 --> 00:56:38,880
left and then it sped up and the

1504
00:56:42,710 --> 00:56:41,040
brightness increased in intensity and it

1505
00:56:45,430 --> 00:56:42,720
shot what i would describe as like a

1506
00:56:47,430 --> 00:56:45,440
small star out of the bottom of it

1507
00:56:49,430 --> 00:56:47,440
so it just like shot this little light

1508
00:56:51,910 --> 00:56:49,440
that just went straight down

1509
00:56:53,990 --> 00:56:51,920
behind the mountain range and then

1510
00:56:56,230 --> 00:56:54,000
it kind of slowed down

1511
00:56:57,990 --> 00:56:56,240
and it would start to move left a little

1512
00:56:59,750 --> 00:56:58,000
bit and then kind of drift to the right

1513
00:57:02,390 --> 00:56:59,760

and then we kind of jump upwards and

1514

00:57:04,230 --> 00:57:02,400

then drift back down so it did that i

1515

00:57:05,270 --> 00:57:04,240

would say for

1516

00:57:07,030 --> 00:57:05,280

i don't know

1517

00:57:08,950 --> 00:57:07,040

four to five minutes and at that point

1518

00:57:11,990 --> 00:57:08,960

my mom came outside and she was looking

1519

00:57:13,829 --> 00:57:12,000

at it with me so she was solid too too

1520

00:57:15,750 --> 00:57:13,839

and then i actually went up the stairs

1521

00:57:17,829 --> 00:57:15,760

of the condo above us there was no one

1522

00:57:21,190 --> 00:57:17,839

in there luckily but it had kind of

1523

00:57:22,470 --> 00:57:21,200

drifted below the um like horizon below

1524

00:57:24,470 --> 00:57:22,480

the tree line so i had to go up the

1525

00:57:25,750 --> 00:57:24,480

stairs to look at it and then i watched

1526

00:57:27,109 --> 00:57:25,760

it get

1527

00:57:28,309 --> 00:57:27,119

dimmer to the point where you almost

1528

00:57:30,390 --> 00:57:28,319

couldn't see it

1529

00:57:32,150 --> 00:57:30,400

and then it would get bright again

1530

00:57:33,829 --> 00:57:32,160

uh to the point where it was like

1531

00:57:35,670 --> 00:57:33,839

brighter than jupiter again it would get

1532

00:57:37,430 --> 00:57:35,680

dimmer again and did that for i don't

1533

00:57:40,069 --> 00:57:37,440

know i watched it for maybe 10 15 more

1534

00:57:41,910 --> 00:57:40,079

minutes and i just got bored

1535

00:57:43,589 --> 00:57:41,920

you know yeah but i talked about that

1536

00:57:45,750 --> 00:57:43,599

you probably heard me talk about that

1537

00:57:47,910 --> 00:57:45,760

there's a number of people that

1538

00:57:50,870 --> 00:57:47,920

uh a friend that are visiting with right

1539

00:57:53,510 --> 00:57:50,880

now her mother got bored watching this

1540

00:57:55,990 --> 00:57:53,520

amazing ufo outside after a while

1541

00:57:57,589 --> 00:57:56,000

yeah this thing take off

1542

00:57:59,430 --> 00:57:57,599

yeah i know it's it's quite

1543

00:58:01,670 --> 00:57:59,440

interesting i didn't notice it take off

1544

00:58:04,950 --> 00:58:01,680

or do anything crazy i'm not sure if it

1545

00:58:05,829 --> 00:58:04,960

was getting farther away or just getting

1546

00:58:07,430 --> 00:58:05,839

you know

1547

00:58:09,190 --> 00:58:07,440

dimmer and dimmer i

1548

00:58:10,789 --> 00:58:09,200

couldn't really tell but it definitely

1549

00:58:23,109 --> 00:58:10,799

seemed like it was getting farther and

1550

00:58:27,270 --> 00:58:25,750

all right welcome back that uh if you

1551
00:58:28,950 --> 00:58:27,280
check our

1552
00:58:31,190 --> 00:58:28,960
youtube channel tomorrow there'll be the

1553
00:58:32,069 --> 00:58:31,200
the full interview talking about some

1554
00:58:34,870 --> 00:58:32,079
other

1555
00:58:36,549 --> 00:58:34,880
um encounters that he had over the years

1556
00:58:38,470 --> 00:58:36,559
there we go again encounters i'm not

1557
00:58:40,630 --> 00:58:38,480
sure what type of encounters but i'm

1558
00:58:43,190 --> 00:58:40,640
with paul heineck and i'll bring him

1559
00:58:45,910 --> 00:58:43,200
back in uh paul um

1560
00:58:48,549 --> 00:58:45,920
so this is pretty exciting i i do want

1561
00:58:51,349 --> 00:58:48,559
to say uh this also about

1562
00:58:52,309 --> 00:58:51,359
that last um video what made me think

1563
00:58:57,670 --> 00:58:52,319

that

1564

00:58:59,910 --> 00:58:57,680

just now

1565

00:59:02,309 --> 00:58:59,920

is fascinating i i would have kind of

1566

00:59:05,109 --> 00:59:02,319

discounted the whole thing until he said

1567

00:59:06,150 --> 00:59:05,119

this light dropped from the bottom from

1568

00:59:07,750 --> 00:59:06,160

this

1569

00:59:10,150 --> 00:59:07,760

object and went down and that that's

1570

00:59:12,309 --> 00:59:10,160

something you hear about or i've

1571

00:59:14,309 --> 00:59:12,319

actually seen online and you know when i

1572

00:59:15,589 --> 00:59:14,319

see these videos again on youtube i

1573

00:59:17,910 --> 00:59:15,599

don't know what to trust and not to

1574

00:59:19,990 --> 00:59:17,920

trust but there are a number of videos

1575

00:59:21,990 --> 00:59:20,000

on youtube where something drops or

1576

00:59:23,190 --> 00:59:22,000

sometimes multiple things come out of

1577

00:59:25,270 --> 00:59:23,200

these

1578

00:59:27,349 --> 00:59:25,280

things yeah right

1579

00:59:29,510 --> 00:59:27,359

so drones who knows what the heck they

1580

00:59:31,430 --> 00:59:29,520

are i mean i don't know if a drone can

1581

00:59:33,190 --> 00:59:31,440

do that but um further on in the

1582

00:59:36,069 --> 00:59:33,200

conversation he does talk that he was in

1583

00:59:37,990 --> 00:59:36,079

a very remote area and it would be um

1584

00:59:39,990 --> 00:59:38,000

very strange if someone had a drone in

1585

00:59:41,430 --> 00:59:40,000

that area in particular

1586

00:59:43,829 --> 00:59:41,440

but

1587

00:59:47,270 --> 00:59:43,839

so we we have to deal with a lot these

1588

00:59:49,829 --> 00:59:47,280

days as you know paul that it's not just

1589

00:59:52,390 --> 00:59:49,839

like the simple ufos that are flying

1590

00:59:54,630 --> 00:59:52,400

around we have um you know there's the

1591

00:59:56,549 --> 00:59:54,640

drone issue that's one i mean i had a

1592

00:59:58,710 --> 00:59:56,559

sighting that i thought for sure was the

1593

01:00:01,030 --> 00:59:58,720

ufo for a while i sent it off to uh

1594

01:00:03,190 --> 01:00:01,040

photo analyst mark the antonio friend

1595

01:00:05,829 --> 01:00:03,200

astronomer and uh

1596

01:00:07,910 --> 01:00:05,839

he said well it acts like a drone it

1597

01:00:09,589 --> 01:00:07,920

looks like a drone it might be a drone

1598

01:00:11,430 --> 01:00:09,599

type of thing

1599

01:00:13,270 --> 01:00:11,440

um

1600

01:00:15,829 --> 01:00:13,280

but it was doing a couple weird things

1601
01:00:17,510 --> 01:00:15,839
but you know you can be deceived by

1602
01:00:19,910 --> 01:00:17,520
whatever it is it's very windy that

1603
01:00:21,990 --> 01:00:19,920
night you know the light was really

1604
01:00:23,109 --> 01:00:22,000
bright and then dark and it zigzagged

1605
01:00:24,870 --> 01:00:23,119
all over the place but it was most

1606
01:00:27,190 --> 01:00:24,880
likely a drone that's one thing we have

1607
01:00:29,349 --> 01:00:27,200
to deal with chinese lanterns there are

1608
01:00:32,230 --> 01:00:29,359
so many people that think they see ufos

1609
01:00:34,710 --> 01:00:32,240
when there's chinese chinese lanterns um

1610
01:00:36,950 --> 01:00:34,720
these things weren't around when your

1611
01:00:38,630 --> 01:00:36,960
father was looking in to this

1612
01:00:40,549 --> 01:00:38,640
topic

1613
01:00:43,109 --> 01:00:40,559

but there were some

1614

01:00:44,950 --> 01:00:43,119

strange encounters you know people i i

1615

01:00:46,390 --> 01:00:44,960

actually really like the ones that are

1616

01:00:48,630 --> 01:00:46,400

really different

1617

01:00:50,309 --> 01:00:48,640

i don't know how you feel about that but

1618

01:00:52,470 --> 01:00:50,319

when they're like they don't sound like

1619

01:00:54,710 --> 01:00:52,480

anything else i love those

1620

01:00:57,750 --> 01:00:54,720

those type of encounters well you know i

1621

01:00:59,670 --> 01:00:57,760

do dmt so no kind of ufo experience is

1622

01:01:02,710 --> 01:00:59,680

going to throw me for a loop

1623

01:01:05,030 --> 01:01:02,720

yeah well that's right that's right and

1624

01:01:06,549 --> 01:01:05,040

do you have people like that will

1625

01:01:09,349 --> 01:01:06,559

approach you now

1626
01:01:11,430 --> 01:01:09,359
and say oh i know your father who he was

1627
01:01:13,670 --> 01:01:11,440
or whatever and let me tell you about

1628
01:01:14,870 --> 01:01:13,680
what i saw

1629
01:01:16,950 --> 01:01:14,880
so yeah

1630
01:01:17,750 --> 01:01:16,960
you heard some good ones

1631
01:01:20,710 --> 01:01:17,760
well

1632
01:01:22,710 --> 01:01:20,720
you know all of us kids

1633
01:01:25,270 --> 01:01:22,720
are our ports of entry for people who

1634
01:01:27,589 --> 01:01:25,280
feel compelled to reach out because

1635
01:01:30,470 --> 01:01:27,599
you know my father was a

1636
01:01:31,990 --> 01:01:30,480
sympathetic person who who understood

1637
01:01:33,510 --> 01:01:32,000
that

1638
01:01:35,430 --> 01:01:33,520

for a lot of people he's talking to

1639

01:01:37,510 --> 01:01:35,440

whether the experience was objectively

1640

01:01:38,549 --> 01:01:37,520

real or not

1641

01:01:41,030 --> 01:01:38,559

felt

1642

01:01:44,470 --> 01:01:41,040

that it was real and had gone through a

1643

01:01:45,750 --> 01:01:44,480

very traumatic experience so he was very

1644

01:01:47,829 --> 01:01:45,760

patient

1645

01:01:50,230 --> 01:01:47,839

and understanding

1646

01:01:53,030 --> 01:01:50,240

i would say sympathetic not empathetic

1647

01:01:54,309 --> 01:01:53,040

with them and they and they felt that

1648

01:01:55,750 --> 01:01:54,319

they felt that he was kind of like a

1649

01:01:57,270 --> 01:01:55,760

safe harbor

1650

01:01:59,750 --> 01:01:57,280

that they could

1651

01:02:02,309 --> 01:01:59,760

bring forth this deep dark secret that

1652

01:02:03,910 --> 01:02:02,319

they have you know buried for years

1653

01:02:14,549 --> 01:02:03,920

and

1654

01:02:16,549 --> 01:02:14,559

the first time it was maybe at an alien

1655

01:02:18,150 --> 01:02:16,559

con conference which is massive you know

1656

01:02:19,190 --> 01:02:18,160

thousands of people

1657

01:02:21,750 --> 01:02:19,200

and

1658

01:02:25,270 --> 01:02:21,760

after i was done on stage i was walking

1659

01:02:27,349 --> 01:02:25,280

off stage and 30 40 people rush up to me

1660

01:02:29,029 --> 01:02:27,359

um from the audience

1661

01:02:30,789 --> 01:02:29,039

and

1662

01:02:31,910 --> 01:02:30,799

i really didn't know what to make of it

1663

01:02:35,190 --> 01:02:31,920

and

1664

01:02:36,549 --> 01:02:35,200

it was because they saw me as a conduit

1665

01:02:39,510 --> 01:02:36,559

to my father

1666

01:02:41,029 --> 01:02:39,520

and that here is permission

1667

01:02:43,270 --> 01:02:41,039

and

1668

01:02:46,230 --> 01:02:43,280

somebody that they they believed would

1669

01:02:48,950 --> 01:02:46,240

give them a you know a sympathetic ear

1670

01:02:51,109 --> 01:02:48,960

that they could talk about it in comfort

1671

01:02:53,029 --> 01:02:51,119

and i could see what it must have been

1672

01:02:54,789 --> 01:02:53,039

like for my father

1673

01:02:56,549 --> 01:02:54,799

to sort of broadcast hey i'm an

1674

01:02:57,430 --> 01:02:56,559

astrophysicist

1675

01:02:58,309 --> 01:02:57,440

and

1676

01:03:05,190 --> 01:02:58,319

i

1677

01:03:08,390 --> 01:03:05,200

so we've had a lot of people come up to

1678

01:03:11,190 --> 01:03:08,400

us um emailing telephoning

1679

01:03:12,710 --> 01:03:11,200

mailing and and in person

1680

01:03:14,829 --> 01:03:12,720

really feeling

1681

01:03:16,950 --> 01:03:14,839

uh comfortable and also sometimes

1682

01:03:18,710 --> 01:03:16,960

compelled to share

1683

01:03:19,510 --> 01:03:18,720

one story or another

1684

01:03:21,750 --> 01:03:19,520

yeah

1685

01:03:23,750 --> 01:03:21,760

i i love i love the stories that's why

1686

01:03:26,150 --> 01:03:23,760

i'm recording with people now

1687

01:03:27,670 --> 01:03:26,160

um that listen to the show there's their

1688

01:03:29,750 --> 01:03:27,680

story some of them have been really

1689

01:03:32,309 --> 01:03:29,760

really amazing

1690

01:03:33,910 --> 01:03:32,319

so this one this uh text i'm putting up

1691

01:03:36,710 --> 01:03:33,920

here we already we already talked about

1692

01:03:38,470 --> 01:03:36,720

that um earlier on um if you didn't

1693

01:03:39,990 --> 01:03:38,480

catch it but you think it was around the

1694

01:03:42,230 --> 01:03:40,000

socorro case

1695

01:03:45,029 --> 01:03:42,240

when your father really kind of went

1696

01:03:46,870 --> 01:03:45,039

over to the other side so to speak

1697

01:03:48,950 --> 01:03:46,880

yeah i i would

1698

01:03:51,910 --> 01:03:48,960

narrow the parameters a little bit by

1699

01:03:53,349 --> 01:03:51,920

that point i think he had already

1700

01:03:56,470 --> 01:03:53,359

accepted

1701
01:03:58,549 --> 01:03:56,480
the ufo phenomena as legitimate right

1702
01:04:01,349 --> 01:03:58,559
we've been working on it for

1703
01:04:04,470 --> 01:04:01,359
maybe 14 years or so

1704
01:04:06,710 --> 01:04:04,480
but it was the zamora case

1705
01:04:08,309 --> 01:04:06,720
that made him feel comfortable

1706
01:04:11,829 --> 01:04:08,319
with the

1707
01:04:13,910 --> 01:04:11,839
alien beings aspect not just an object

1708
01:04:14,870 --> 01:04:13,920
so that in particular

1709
01:04:16,230 --> 01:04:14,880
jacques

1710
01:04:18,470 --> 01:04:16,240
points to

1711
01:04:20,309 --> 01:04:18,480
as the sort of signal case or the straw

1712
01:04:22,230 --> 01:04:20,319
that broke the camel's back

1713
01:04:25,029 --> 01:04:22,240

that made my father much more

1714

01:04:27,750 --> 01:04:25,039

comfortable talking about such cases

1715

01:04:30,710 --> 01:04:27,760

and you know i think part of is that

1716

01:04:34,309 --> 01:04:30,720

i i think my father viewed the world

1717

01:04:36,950 --> 01:04:34,319

in terms of ufos as having three main

1718

01:04:39,510 --> 01:04:36,960

constituencies one is

1719

01:04:41,990 --> 01:04:39,520

the military and the government

1720

01:04:43,510 --> 01:04:42,000

another is mainstream science which is

1721

01:04:45,430 --> 01:04:43,520

really his

1722

01:04:46,390 --> 01:04:45,440

you know wheelhouse

1723

01:04:48,950 --> 01:04:46,400

and then

1724

01:04:51,829 --> 01:04:48,960

call them ufo believers

1725

01:04:52,950 --> 01:04:51,839

and i challenge you to think of three

1726

01:04:55,829 --> 01:04:52,960

more

1727

01:04:59,270 --> 01:04:55,839

different entities or groups than

1728

01:05:00,069 --> 01:04:59,280

military say astronomers and ufo fans

1729

01:05:02,309 --> 01:05:00,079

right

1730

01:05:03,510 --> 01:05:02,319

he felt he had to keep each of these

1731

01:05:06,789 --> 01:05:03,520

groups

1732

01:05:09,270 --> 01:05:06,799

mildly displeased and then he's probably

1733

01:05:11,109 --> 01:05:09,280

doing about the right balancing act

1734

01:05:12,950 --> 01:05:11,119

between three groups who want very

1735

01:05:15,349 --> 01:05:12,960

different things

1736

01:05:18,470 --> 01:05:15,359

isn't that funny that's pretty funny uh

1737

01:05:21,190 --> 01:05:18,480

the book that just came out a re-release

1738

01:05:23,349 --> 01:05:21,200

of the high neck ufo report i'm not sure

1739

01:05:25,270 --> 01:05:23,359

was that the original title of that book

1740

01:05:26,230 --> 01:05:25,280

in 1977

1741

01:05:29,109 --> 01:05:26,240

yes

1742

01:05:30,150 --> 01:05:29,119

okay and did it also have

1743

01:05:32,950 --> 01:05:30,160

um

1744

01:05:35,029 --> 01:05:32,960

the line the sub line of the project

1745

01:05:37,430 --> 01:05:35,039

blue book cover up was that in in there

1746

01:05:41,349 --> 01:05:37,440

as well at that time no that

1747

01:05:42,230 --> 01:05:41,359

that is a a new addition to the cover

1748

01:05:45,829 --> 01:05:42,240

okay

1749

01:05:47,430 --> 01:05:45,839

and so this is being re-released uh a

1750

01:05:48,829 --> 01:05:47,440

book that i have not read that i really

1751

01:05:50,789 --> 01:05:48,839

would love to read

1752

01:05:53,430 --> 01:05:50,799

um

1753

01:05:55,589 --> 01:05:53,440

did your did did your father actually

1754

01:05:57,750 --> 01:05:55,599

say that um

1755

01:06:00,630 --> 01:05:57,760

come out and say this was there was a

1756

01:06:02,950 --> 01:06:00,640

lot of covers up cover-ups in project

1757

01:06:04,950 --> 01:06:02,960

blue book

1758

01:06:06,390 --> 01:06:04,960

yeah you know

1759

01:06:08,230 --> 01:06:06,400

i don't think it was my father but i

1760

01:06:11,190 --> 01:06:08,240

think he liked this phrase

1761

01:06:13,510 --> 01:06:11,200

that someone once called project blue

1762

01:06:15,190 --> 01:06:13,520

book which was the air force's

1763

01:06:17,349 --> 01:06:15,200

official

1764

01:06:18,549 --> 01:06:17,359

department to study ufo reports which

1765

01:06:20,390 --> 01:06:18,559

was really not

1766

01:06:22,150 --> 01:06:20,400

looking to get at the bottom of things

1767

01:06:26,309 --> 01:06:22,160

but really more of a

1768

01:06:28,549 --> 01:06:26,319

pr exercise to tamp down public hysteria

1769

01:06:29,349 --> 01:06:28,559

and they because you know project blue

1770

01:06:31,510 --> 01:06:29,359

book

1771

01:06:32,870 --> 01:06:31,520

as as reflected in the tv show of the

1772

01:06:34,630 --> 01:06:32,880

same name

1773

01:06:36,870 --> 01:06:34,640

really wasn't about

1774

01:06:38,150 --> 01:06:36,880

reverse engineering propulsion systems

1775

01:06:39,510 --> 01:06:38,160

or

1776

01:06:41,029 --> 01:06:39,520

getting to the bottom of the phenomena

1777

01:06:44,549 --> 01:06:41,039

they just wanted to

1778

01:06:47,349 --> 01:06:44,559

calm people down and explain every case

1779

01:06:48,549 --> 01:06:47,359

and even with that very strong mandate

1780

01:06:49,670 --> 01:06:48,559

from the top

1781

01:06:52,309 --> 01:06:49,680

of the

1782

01:06:54,950 --> 01:06:52,319

12 000 or so cases that they officially

1783

01:06:57,510 --> 01:06:54,960

investigated they still couldn't explain

1784

01:06:59,750 --> 01:06:57,520

5 which is about the same batting

1785

01:07:01,829 --> 01:06:59,760

average around the world and i find that

1786

01:07:03,190 --> 01:07:01,839

fascinating so

1787

01:07:05,270 --> 01:07:03,200

somebody once

1788

01:07:07,510 --> 01:07:05,280

and because they would always explain

1789

01:07:09,910 --> 01:07:07,520

things and that was the tension between

1790

01:07:12,630 --> 01:07:09,920

most of the air force directors and my

1791

01:07:14,630 --> 01:07:12,640

father being the scientific consultant

1792

01:07:17,349 --> 01:07:14,640

of the air force just wanted

1793

01:07:19,270 --> 01:07:17,359

explanations they didn't want him to

1794

01:07:22,870 --> 01:07:19,280

get to the bottom of it they wanted this

1795

01:07:24,630 --> 01:07:22,880

professor with his academic gravitas to

1796

01:07:27,270 --> 01:07:24,640

explain things away

1797

01:07:30,789 --> 01:07:27,280

and so someone referred to project blue

1798

01:07:33,829 --> 01:07:30,799

book as the society for the explanation

1799

01:07:37,349 --> 01:07:33,839

of the uninvestigated yeah

1800

01:07:39,510 --> 01:07:37,359

yeah yeah how about that and well do you

1801
01:07:41,349 --> 01:07:39,520
think that's what the former programs

1802
01:07:44,309 --> 01:07:41,359
were doing to grunge

1803
01:07:45,190 --> 01:07:44,319
and uh what was the other one sign

1804
01:07:47,750 --> 01:07:45,200
yeah

1805
01:07:49,910 --> 01:07:47,760
project so i think i think it sort of

1806
01:07:50,789 --> 01:07:49,920
shifted the earliest one was project

1807
01:07:53,109 --> 01:07:50,799
sign

1808
01:07:56,470 --> 01:07:53,119
and that was actually

1809
01:07:58,470 --> 01:07:56,480
more open and there is the controversial

1810
01:08:01,910 --> 01:07:58,480
you know estimate of the situation from

1811
01:08:04,549 --> 01:08:01,920
1948 that purports to be

1812
01:08:06,470 --> 01:08:04,559
um a report that says yes this is real

1813
01:08:08,470 --> 01:08:06,480

we don't know what to do about it

1814

01:08:10,390 --> 01:08:08,480

project grudge kind of went back and

1815

01:08:11,430 --> 01:08:10,400

said no no nothing to see here folks go

1816

01:08:13,510 --> 01:08:11,440

away

1817

01:08:16,630 --> 01:08:13,520

and project blue book was

1818

01:08:19,269 --> 01:08:16,640

just a little bit better than that um

1819

01:08:21,590 --> 01:08:19,279

again especially after 1953 with the

1820

01:08:24,630 --> 01:08:21,600

robertson panel right and the air

1821

01:08:26,390 --> 01:08:24,640

intelligence service squadron which was

1822

01:08:28,789 --> 01:08:26,400

if any

1823

01:08:31,590 --> 01:08:28,799

the entity that would go out to crash

1824

01:08:34,870 --> 01:08:31,600

sites to really find what's going on and

1825

01:08:36,390 --> 01:08:34,880

what probably in my mind spawned the

1826

01:08:38,149 --> 01:08:36,400

men in black

1827

01:08:41,590 --> 01:08:38,159

but at that point project blue book

1828

01:08:44,950 --> 01:08:41,600

really was just a

1829

01:08:47,749 --> 01:08:44,960

an awareness and a belief

1830

01:08:49,829 --> 01:08:47,759

engine as opposed to a

1831

01:08:52,709 --> 01:08:49,839

bona fide scientific

1832

01:08:53,470 --> 01:08:52,719

investigation department so at the very

1833

01:08:56,870 --> 01:08:53,480

end

1834

01:08:57,669 --> 01:08:56,880

1969 or 19 was it 1969

1835

01:08:59,990 --> 01:08:57,679

well

1836

01:09:03,269 --> 01:09:00,000

the actual official date was 1970 but

1837

01:09:05,669 --> 01:09:03,279

the real practical unwinding was 1969

1838

01:09:07,510 --> 01:09:05,679

yeah was was your dad there to the

1839

01:09:08,950 --> 01:09:07,520

bitter end

1840

01:09:10,149 --> 01:09:08,960

yeah bitter egg is a good way to put it

1841

01:09:12,070 --> 01:09:10,159

and it was

1842

01:09:13,430 --> 01:09:12,080

you know it was the condom committee and

1843

01:09:15,669 --> 01:09:13,440

yeah you know

1844

01:09:18,630 --> 01:09:15,679

it was the

1845

01:09:21,749 --> 01:09:18,640

the the the swamp gas case

1846

01:09:24,470 --> 01:09:21,759

in michigan in 1966

1847

01:09:25,269 --> 01:09:24,480

not my father's you know favorite time

1848

01:09:29,030 --> 01:09:25,279

where

1849

01:09:30,630 --> 01:09:29,040

the press ran with a quote of his

1850

01:09:33,590 --> 01:09:30,640

partially explained in case of swamp

1851

01:09:36,470 --> 01:09:33,600

gases that it's all swamp gas well that

1852

01:09:38,229 --> 01:09:36,480

rankled the local congressman gerald

1853

01:09:40,390 --> 01:09:38,239

ford who of course went on to be

1854

01:09:42,229 --> 01:09:40,400

president who pulled strings and said

1855

01:09:43,110 --> 01:09:42,239

you know i'm tired of this we need you

1856

01:09:44,950 --> 01:09:43,120

know

1857

01:09:48,070 --> 01:09:44,960

something to happen here and that

1858

01:09:50,229 --> 01:09:48,080

indirectly led to the condon committee

1859

01:09:51,910 --> 01:09:50,239

in 1969

1860

01:09:55,910 --> 01:09:51,920

you know the air force always wanted to

1861

01:09:58,709 --> 01:09:55,920

sort of hide under air cover of academic

1862

01:10:00,070 --> 01:09:58,719

you know credibility so they had this

1863

01:10:02,630 --> 01:10:00,080

panel of professors like with the

1864

01:10:03,430 --> 01:10:02,640

robertson panel and

1865

01:10:05,270 --> 01:10:03,440

what's

1866

01:10:07,830 --> 01:10:05,280

and that basically put an end to project

1867

01:10:09,430 --> 01:10:07,840

bluebook by saying there's nothing here

1868

01:10:11,990 --> 01:10:09,440

but the

1869

01:10:14,709 --> 01:10:12,000

conclusion of the report

1870

01:10:16,950 --> 01:10:14,719

doesn't even match the data in the

1871

01:10:19,750 --> 01:10:16,960

report the data in the report that was

1872

01:10:21,750 --> 01:10:19,760

cherry picked is fairly convincing

1873

01:10:23,510 --> 01:10:21,760

but the conclusion of the report because

1874

01:10:25,910 --> 01:10:23,520

it was jerry-rigged

1875

01:10:28,310 --> 01:10:25,920

doesn't even reflect the strength of the

1876

01:10:29,110 --> 01:10:28,320

data in their own report but that was

1877

01:10:32,390 --> 01:10:29,120

the

1878

01:10:34,550 --> 01:10:32,400

decided to

1879

01:10:35,669 --> 01:10:34,560

disband project blue book although as we

1880

01:10:37,830 --> 01:10:35,679

know now

1881

01:10:39,189 --> 01:10:37,840

with atip and others there's been

1882

01:10:40,630 --> 01:10:39,199

ongoing

1883

01:10:42,950 --> 01:10:40,640

admitted

1884

01:10:45,510 --> 01:10:42,960

investigations of ufos

1885

01:10:47,110 --> 01:10:45,520

right and

1886

01:10:49,590 --> 01:10:47,120

what do you think about what's going on

1887

01:10:51,669 --> 01:10:49,600

now do you think that this is more

1888

01:10:53,430 --> 01:10:51,679

serious or do you think it's partially

1889

01:10:55,590 --> 01:10:53,440

window dressing and maybe more of the

1890

01:10:57,669 --> 01:10:55,600

same will happen

1891

01:11:01,110 --> 01:10:57,679

probably both um

1892

01:11:02,149 --> 01:11:01,120

you know at this point

1893

01:11:04,870 --> 01:11:02,159

having

1894

01:11:09,590 --> 01:11:04,880

seen so many freedom of information act

1895

01:11:11,990 --> 01:11:09,600

requests and heard so many stories and

1896

01:11:14,630 --> 01:11:12,000

waited with baited breath upon what this

1897

01:11:17,189 --> 01:11:14,640

or that government agency would do

1898

01:11:19,350 --> 01:11:17,199

i really just don't care anymore um

1899

01:11:22,790 --> 01:11:19,360

you know you and i and probably

1900

01:11:25,270 --> 01:11:22,800

all or most of the people watching

1901

01:11:27,510 --> 01:11:25,280

accept the phenomena as real

1902

01:11:30,310 --> 01:11:27,520

we don't need the us government to tell

1903

01:11:31,350 --> 01:11:30,320

us anything that we don't know

1904

01:11:32,149 --> 01:11:31,360

and

1905

01:11:35,189 --> 01:11:32,159

so

1906

01:11:37,110 --> 01:11:35,199

what they choose to admit and why

1907

01:11:38,790 --> 01:11:37,120

and the subterfuge and the

1908

01:11:40,709 --> 01:11:38,800

disinformation

1909

01:11:42,950 --> 01:11:40,719

i just

1910

01:11:44,630 --> 01:11:42,960

stopped really caring much about what

1911

01:11:48,229 --> 01:11:44,640

they do because

1912

01:11:50,630 --> 01:11:48,239

i don't think that they are going to

1913

01:11:52,390 --> 01:11:50,640

i'd be surprised if they release

1914

01:11:54,790 --> 01:11:52,400
information any more compelling than

1915

01:11:57,110 --> 01:11:54,800
they already have i don't think it's in

1916

01:11:59,270 --> 01:11:57,120
their interest and frankly if i was in

1917

01:12:01,110 --> 01:11:59,280
the pentagon i don't think i would

1918

01:12:05,110 --> 01:12:01,120
release information i think i would hold

1919

01:12:06,790 --> 01:12:05,120
on to it for military advantage and also

1920

01:12:09,110 --> 01:12:06,800
in my perception

1921

01:12:12,310 --> 01:12:09,120
as a general to protect the

1922

01:12:15,350 --> 01:12:12,320
fabric of national security overall

1923

01:12:17,110 --> 01:12:15,360
my my thoughts are and it's just just an

1924

01:12:19,590 --> 01:12:17,120
opinion

1925

01:12:21,910 --> 01:12:19,600
and i've said this before is that

1926

01:12:23,510 --> 01:12:21,920

they prob possibly know a little bit

1927

01:12:25,189 --> 01:12:23,520

more than we do but they're probably

1928

01:12:28,630 --> 01:12:25,199

just as baffled

1929

01:12:30,470 --> 01:12:28,640

as everyone else um yeah

1930

01:12:31,910 --> 01:12:30,480

yeah i i don't

1931

01:12:33,510 --> 01:12:31,920

i don't know i don't think it's a given

1932

01:12:35,830 --> 01:12:33,520

that they have

1933

01:12:37,590 --> 01:12:35,840

reverse engineered crafts for years and

1934

01:12:39,910 --> 01:12:37,600

have bodies i i don't know those are

1935

01:12:42,790 --> 01:12:39,920

hard secrets to keep but i think you're

1936

01:12:44,870 --> 01:12:42,800

right that no matter what they have

1937

01:12:47,350 --> 01:12:44,880

they're probably even more baffled than

1938

01:12:50,149 --> 01:12:47,360

we are because they see even more

1939

01:12:52,709 --> 01:12:50,159

stranger things and look if the us

1940

01:12:55,510 --> 01:12:52,719

government had

1941

01:12:57,270 --> 01:12:55,520

successfully reverse engineered

1942

01:13:00,470 --> 01:12:57,280

propulsion systems

1943

01:13:03,110 --> 01:13:00,480

since san antonio 1945 and roswell in

1944

01:13:05,030 --> 01:13:03,120

1947 in other cases

1945

01:13:07,390 --> 01:13:05,040

you'd think they'd have used it by now

1946

01:13:10,709 --> 01:13:07,400

but we don't see that kind of

1947

01:13:13,430 --> 01:13:10,719

overwhelming military superiority and

1948

01:13:15,669 --> 01:13:13,440

it's hard for me to think that

1949

01:13:18,550 --> 01:13:15,679

a military like the us

1950

01:13:20,390 --> 01:13:18,560

is going to just sit there and not use

1951

01:13:22,390 --> 01:13:20,400

something that would just sort of you

1952

01:13:24,470 --> 01:13:22,400

know be game over

1953

01:13:27,669 --> 01:13:24,480

uh yeah i've heard someone claim that

1954

01:13:30,830 --> 01:13:27,679

fiber optics came from the roswell crash

1955

01:13:32,790 --> 01:13:30,840

that's a that's a good theory

1956

01:13:33,910 --> 01:13:32,800

yeah i don't know

1957

01:13:35,830 --> 01:13:33,920

you know okay

1958

01:13:38,550 --> 01:13:35,840

at least they're commercializing it but

1959

01:13:40,790 --> 01:13:38,560

not you know using it to pound the the

1960

01:13:42,630 --> 01:13:40,800

russians and chinese into submission

1961

01:13:44,390 --> 01:13:42,640

well of course that's what we do first

1962

01:13:46,070 --> 01:13:44,400

thing that's what we'd want to do that's

1963

01:13:48,709 --> 01:13:46,080

what i would do right if i'm a general

1964

01:13:51,910 --> 01:13:48,719

and you tell me hey uh general we've got

1965

01:13:54,630 --> 01:13:51,920

anti-gravity i'm going to use that stuff

1966

01:13:55,990 --> 01:13:54,640

of course yeah and so that kind of goes

1967

01:13:58,630 --> 01:13:56,000

against the argument you hear all the

1968

01:13:59,350 --> 01:13:58,640

time a lot of people skeptics are and i

1969

01:14:08,470 --> 01:13:59,360

i

1970

01:14:10,070 --> 01:14:08,480

they're you know black projects that we

1971

01:14:12,070 --> 01:14:10,080

don't know about or whatever

1972

01:14:13,350 --> 01:14:12,080

anti-gravity but they always

1973

01:14:15,110 --> 01:14:13,360

forget about

1974

01:14:17,750 --> 01:14:15,120

people seeing these things you know 50

1975

01:14:20,310 --> 01:14:17,760

years ago and if something was

1976

01:14:22,229 --> 01:14:20,320

out there 50 years ago there's no way

1977

01:14:24,630 --> 01:14:22,239

that it could be under wraps all all

1978

01:14:27,189 --> 01:14:24,640

those years in my opinion right i mean

1979

01:14:29,350 --> 01:14:27,199

it's certainly possible um but

1980

01:14:31,990 --> 01:14:29,360

for the secrets not to come out

1981

01:14:34,550 --> 01:14:32,000

and for that technology not to be

1982

01:14:36,070 --> 01:14:34,560

demonstrably used to our national

1983

01:14:37,830 --> 01:14:36,080

advantage

1984

01:14:39,990 --> 01:14:37,840

either way you look at it it's hard to

1985

01:14:42,870 --> 01:14:40,000

understand um

1986

01:14:44,790 --> 01:14:42,880

yes there are some great cases

1987

01:14:47,430 --> 01:14:44,800

where the government seems to have

1988

01:14:49,030 --> 01:14:47,440

swooped in and collected

1989

01:14:50,790 --> 01:14:49,040

artifacts

1990

01:14:53,510 --> 01:14:50,800

saucers etc

1991

01:14:56,229 --> 01:14:53,520

but we just don't see what would seem to

1992

01:14:58,870 --> 01:14:56,239

be the inevitable

1993

01:15:00,870 --> 01:14:58,880

consequences of that

1994

01:15:02,310 --> 01:15:00,880

right exactly we talked a little bit

1995

01:15:04,470 --> 01:15:02,320

about jacques vallee before here's

1996

01:15:06,870 --> 01:15:04,480

another question was he someone that

1997

01:15:08,229 --> 01:15:06,880

your dad called to talk over cases is

1998

01:15:14,630 --> 01:15:08,239

that

1999

01:15:15,830 --> 01:15:14,640

okay absolutely they co-authored a book

2000

01:15:21,110 --> 01:15:15,840

and

2001

01:15:23,350 --> 01:15:21,120

there were few if any people

2002

01:15:25,510 --> 01:15:23,360

with whom my father would confide more

2003

01:15:28,149 --> 01:15:25,520

and jacques would go to project you know

2004

01:15:31,110 --> 01:15:28,159

blue book and dayton um

2005

01:15:32,709 --> 01:15:31,120

and pour over the cases and use his

2006

01:15:35,669 --> 01:15:32,719

artificial intelligence prowess because

2007

01:15:38,149 --> 01:15:35,679

he had a phd in ai from northwestern

2008

01:15:39,830 --> 01:15:38,159

uh to go over the cases to sort of tease

2009

01:15:42,149 --> 01:15:39,840

out patterns

2010

01:15:44,070 --> 01:15:42,159

from the cases so they they talked all

2011

01:15:45,910 --> 01:15:44,080

the time absolutely

2012

01:15:48,709 --> 01:15:45,920

well the follow-up question that you

2013

01:15:51,110 --> 01:15:48,719

sort of answered it um but i was going

2014

01:15:52,950 --> 01:15:51,120

to ask was there other people as well as

2015

01:15:55,110 --> 01:15:52,960

chocolate that your father you know

2016

01:15:56,950 --> 01:15:55,120

leaned on for opinions

2017

01:15:59,750 --> 01:15:56,960

yeah i'm sure you're familiar with the

2018

01:16:01,830 --> 01:15:59,760

invisible college which is sort of

2019

01:16:04,950 --> 01:16:01,840

jacques and my father's resuscitation of

2020

01:16:05,750 --> 01:16:04,960

a old sort of renaissance area concept

2021

01:16:07,830 --> 01:16:05,760

of

2022

01:16:10,149 --> 01:16:07,840

scientists

2023

01:16:13,270 --> 01:16:10,159

confiding in private

2024

01:16:15,270 --> 01:16:13,280

in sort of a safe room environment

2025

01:16:17,750 --> 01:16:15,280

about a taboo topic

2026

01:16:18,709 --> 01:16:17,760

so you know carl sagan and and others

2027

01:16:20,470 --> 01:16:18,719

and

2028

01:16:22,310 --> 01:16:20,480

arthur c clarke i have

2029

01:16:25,270 --> 01:16:22,320

you know a letter

2030

01:16:27,669 --> 01:16:25,280

from arthur c clarke to my father

2031

01:16:31,110 --> 01:16:27,679

right about the time that he was the the

2032

01:16:33,669 --> 01:16:31,120

movie 2001 was going to be released

2033

01:16:36,310 --> 01:16:33,679

saying that professor heineck um

2034

01:16:38,709 --> 01:16:36,320

you know in public i i you know dismiss

2035

01:16:40,229 --> 01:16:38,719

ufos but in private i really respect

2036

01:16:41,830 --> 01:16:40,239

your approach

2037

01:16:43,830 --> 01:16:41,840

and so they had a correspondence going

2038

01:16:45,270 --> 01:16:43,840

back and forth and there were a lot of

2039

01:16:48,149 --> 01:16:45,280

other people who would say that and

2040

01:16:50,870 --> 01:16:48,159

astronomers and others who would say i

2041

01:16:51,910 --> 01:16:50,880

can't say this publicly but hey you know

2042

01:16:53,669 --> 01:16:51,920

you go

2043

01:16:55,590 --> 01:16:53,679

in private

2044

01:16:57,590 --> 01:16:55,600

wow yeah i just put up this from arthur

2045

01:17:00,390 --> 01:16:57,600

c clarke i love this

2046

01:17:01,990 --> 01:17:00,400

for this uh quote two possibilities

2047

01:17:04,950 --> 01:17:02,000

exist either we are alone in the

2048

01:17:06,310 --> 01:17:04,960

universe or we are not both are equally

2049

01:17:07,590 --> 01:17:06,320

terrifying

2050

01:17:08,709 --> 01:17:07,600

i love that one

2051

01:17:11,270 --> 01:17:08,719

yeah i didn't see that before i like

2052

01:17:13,030 --> 01:17:11,280

that yeah yeah uh let's see we had a

2053

01:17:16,550 --> 01:17:13,040

comment up here i was going to

2054

01:17:19,350 --> 01:17:16,560

uh so this right here i i get uh this is

2055

01:17:21,830 --> 01:17:19,360

from over on facebook thank you jay um

2056

01:17:22,790 --> 01:17:21,840

did he ever have anything to do with hal

2057

01:17:25,590 --> 01:17:22,800

put off

2058

01:17:27,830 --> 01:17:25,600

uh targ and other the conscious

2059

01:17:29,750 --> 01:17:27,840

the conscious aspect of the phenomenon

2060

01:17:30,470 --> 01:17:29,760

is it is this kind of new agey these

2061

01:17:32,709 --> 01:17:30,480

days

2062

01:17:34,870 --> 01:17:32,719

or was there ever anything talked about

2063

01:17:36,790 --> 01:17:34,880

when it comes to consciousness and

2064

01:17:39,910 --> 01:17:36,800

the phenomenon

2065

01:17:42,709 --> 01:17:39,920

yeah and you know that gets back to

2066

01:17:45,270 --> 01:17:42,719

that's a great question about

2067

01:17:47,110 --> 01:17:45,280

the extraterrestrial hypothesis

2068

01:17:50,709 --> 01:17:47,120

kind of lacking

2069

01:17:53,430 --> 01:17:50,719

this is the kind of meat on the bones

2070

01:17:55,669 --> 01:17:53,440

that the et hypothesis doesn't readily

2071

01:17:58,630 --> 01:17:55,679

address there

2072

01:18:02,630 --> 01:17:58,640

there seems to be a deeper call it

2073

01:18:04,790 --> 01:18:02,640

psychic or consciousness or other

2074

01:18:06,149 --> 01:18:04,800

layer to the phenomena

2075

01:18:08,470 --> 01:18:06,159

that is really the most fascinating i

2076

01:18:10,229 --> 01:18:08,480

mean if you study ufos as my father did

2077

01:18:11,750 --> 01:18:10,239

you know going around the world and

2078

01:18:14,070 --> 01:18:11,760

looking at you know

2079

01:18:16,070 --> 01:18:14,080

trace elements in the earth and

2080

01:18:17,990 --> 01:18:16,080

you know examining radar reports and all

2081

01:18:19,990 --> 01:18:18,000

that okay that's great but after a while

2082

01:18:22,870 --> 01:18:20,000

you get convinced and it's just more the

2083

01:18:26,070 --> 01:18:22,880

same and what propelled him and jacques

2084

01:18:28,390 --> 01:18:26,080

and you and others is this sort of extra

2085

01:18:30,149 --> 01:18:28,400

this sort of bonus round

2086

01:18:32,950 --> 01:18:30,159

about the phenomena

2087

01:18:35,030 --> 01:18:32,960

of consciousness and

2088

01:18:37,270 --> 01:18:35,040

you know are these you know i mentioned

2089

01:18:38,709 --> 01:18:37,280

interdimensional but i also mentioned in

2090

01:18:41,430 --> 01:18:38,719

passing the

2091

01:18:42,870 --> 01:18:41,440

potential manifestations of collective

2092

01:18:44,950 --> 01:18:42,880

unconscious

2093

01:18:46,790 --> 01:18:44,960

um and

2094

01:18:49,110 --> 01:18:46,800

you know one of the things that the

2095

01:18:51,990 --> 01:18:49,120

jacques has pointed out is that

2096

01:18:55,189 --> 01:18:52,000

if you look at ufo reports

2097

01:18:56,790 --> 01:18:55,199

they tend to take on

2098

01:18:59,990 --> 01:18:56,800

the appearance

2099

01:19:02,310 --> 01:19:00,000

of the current scientific awareness

2100

01:19:05,750 --> 01:19:02,320

so in the 1890s you had these sort of

2101
01:19:07,590 --> 01:19:05,760
steampunk type airships floating around

2102
01:19:09,510 --> 01:19:07,600
with like flaps and things like that

2103
01:19:10,630 --> 01:19:09,520
right because that's what we understood

2104
01:19:12,229 --> 01:19:10,640
now

2105
01:19:15,350 --> 01:19:12,239
you can interpret that in different ways

2106
01:19:16,390 --> 01:19:15,360
but it is a part of the phenomena

2107
01:19:19,590 --> 01:19:16,400
so

2108
01:19:21,270 --> 01:19:19,600
the notion of consciousness and and you

2109
01:19:23,350 --> 01:19:21,280
mentioned you know

2110
01:19:25,350 --> 01:19:23,360
the guy i think in allagash right you

2111
01:19:26,790 --> 01:19:25,360
know the flashlight or this

2112
01:19:28,630 --> 01:19:26,800
communication or

2113
01:19:30,229 --> 01:19:28,640

close encounters of the fifth kind of

2114

01:19:32,390 --> 01:19:30,239

this ability to

2115

01:19:33,990 --> 01:19:32,400

apparently summon them

2116

01:19:36,950 --> 01:19:34,000

to come

2117

01:19:39,430 --> 01:19:36,960

is part of the most

2118

01:19:41,270 --> 01:19:39,440

i don't say elusive but most compelling

2119

01:19:42,870 --> 01:19:41,280

aspect of the phenomena that there is

2120

01:19:45,270 --> 01:19:42,880

this

2121

01:19:46,550 --> 01:19:45,280

communication which is part of

2122

01:19:48,070 --> 01:19:46,560

consciousness

2123

01:19:49,669 --> 01:19:48,080

between

2124

01:19:50,550 --> 01:19:49,679

experiencers

2125

01:19:52,950 --> 01:19:50,560

and

2126

01:19:56,229 --> 01:19:52,960

say the aliens

2127

01:19:58,950 --> 01:19:56,239

on a sometimes a continual basis so that

2128

01:20:00,550 --> 01:19:58,960

that notion of consciousness

2129

01:20:02,709 --> 01:20:00,560

and communication

2130

01:20:05,030 --> 01:20:02,719

is about the most fascinating aspect of

2131

01:20:06,149 --> 01:20:05,040

all i think

2132

01:20:08,870 --> 01:20:06,159

really fat

2133

01:20:10,790 --> 01:20:08,880

uh yeah i mean this is again all all

2134

01:20:11,750 --> 01:20:10,800

part of it or it could be one of the

2135

01:20:15,189 --> 01:20:11,760

parts

2136

01:20:15,990 --> 01:20:15,199

um so this this email just came into me

2137

01:20:17,350 --> 01:20:16,000

and

2138

01:20:19,990 --> 01:20:17,360

i would like to

2139

01:20:21,350 --> 01:20:20,000

read it to you it's from a leonard he

2140

01:20:23,430 --> 01:20:21,360

says thanks to both of you for the

2141

01:20:25,910 --> 01:20:23,440

interview i had the privilege of being

2142

01:20:28,470 --> 01:20:25,920

one of the handful of students taking an

2143

01:20:31,189 --> 01:20:28,480

astronomy astronomy class at the

2144

01:20:34,390 --> 01:20:31,199

university of waterloo that attended a

2145

01:20:37,830 --> 01:20:34,400

presentation by dr heineck around 1969

2146

01:20:39,510 --> 01:20:37,840

1970. that ignited an interest in the

2147

01:20:41,910 --> 01:20:39,520

phenomenon

2148

01:20:44,629 --> 01:20:41,920

as well as just trust for the official

2149

01:20:47,510 --> 01:20:44,639

quote unquote drive both of which i have

2150

01:20:49,830 --> 01:20:47,520

increased over the years since

2151
01:20:51,510 --> 01:20:49,840
currently working on channel 5

2152
01:20:53,189 --> 01:20:51,520
of his book

2153
01:20:55,189 --> 01:20:53,199
i would like to know the thoughts of

2154
01:20:57,110 --> 01:20:55,199
both you with respect to those

2155
01:20:59,910 --> 01:20:57,120
scientists that seem to completely

2156
01:21:02,709 --> 01:20:59,920
disregard if not discredit the

2157
01:21:05,030 --> 01:21:02,719
phenomenon in contrast to that these

2158
01:21:07,030 --> 01:21:05,040
have been those who are advocating that

2159
01:21:09,270 --> 01:21:07,040
serious science be applied

2160
01:21:11,430 --> 01:21:09,280
perhaps the other hominid species were

2161
01:21:13,510 --> 01:21:11,440
more advanced ethically and not

2162
01:21:15,990 --> 01:21:13,520
aggressive and warlike

2163
01:21:17,189 --> 01:21:16,000

um so i don't know what you have any

2164

01:21:18,950 --> 01:21:17,199

comments about

2165

01:21:19,910 --> 01:21:18,960

that comment

2166

01:21:22,709 --> 01:21:19,920

well

2167

01:21:24,149 --> 01:21:22,719

for some reason it wasn't a waterloo but

2168

01:21:26,830 --> 01:21:24,159

my father gave a

2169

01:21:31,030 --> 01:21:26,840

a presentation in canada

2170

01:21:33,590 --> 01:21:31,040

um and he had you know slides and you

2171

01:21:35,750 --> 01:21:33,600

know his calling his stump speech at the

2172

01:21:38,470 --> 01:21:35,760

ready but apparently he forgot them in

2173

01:21:39,910 --> 01:21:38,480

the hotel so he had nothing to do

2174

01:21:41,430 --> 01:21:39,920

and so

2175

01:21:43,990 --> 01:21:41,440

you know being an accomplished professor

2176
01:21:46,229 --> 01:21:44,000
you know you have to go on in any case

2177
01:21:48,310 --> 01:21:46,239
and so what he did was he walked up on

2178
01:21:50,390 --> 01:21:48,320
the dais and to the lectern and said

2179
01:21:52,709 --> 01:21:50,400
hello my name is jay allen heineck and

2180
01:21:55,510 --> 01:21:52,719
i'm here to talk about ufos

2181
01:21:57,040 --> 01:21:55,520
ufos are a fascinating subject

2182
01:21:58,870 --> 01:21:57,050
and now i'll take questions

2183
01:22:00,709 --> 01:21:58,880
[Laughter]

2184
01:22:02,390 --> 01:22:00,719
so i don't know that just popped in my

2185
01:22:04,709 --> 01:22:02,400
head but yeah

2186
01:22:07,430 --> 01:22:04,719
and how's that did that work

2187
01:22:10,870 --> 01:22:07,440
yes it did it did um because he could

2188
01:22:12,550 --> 01:22:10,880

obviously expound for hours and and go

2189

01:22:14,629 --> 01:22:12,560

down very interesting paths based on

2190

01:22:16,550 --> 01:22:14,639

questions and he'd heard every question

2191

01:22:17,750 --> 01:22:16,560

probably in the world until that point

2192

01:22:19,350 --> 01:22:17,760

um

2193

01:22:21,830 --> 01:22:19,360

in terms of

2194

01:22:23,270 --> 01:22:21,840

mainstream science and

2195

01:22:27,110 --> 01:22:23,280

you know perception like sort of

2196

01:22:29,990 --> 01:22:27,120

dogmatic refusal of the heresy

2197

01:22:31,750 --> 01:22:30,000

of things outside that flashlight that

2198

01:22:34,470 --> 01:22:31,760

my father took to the

2199

01:22:35,590 --> 01:22:34,480

fringier areas of science

2200

01:22:37,350 --> 01:22:35,600

you know

2201

01:22:40,070 --> 01:22:37,360

to me again

2202

01:22:42,229 --> 01:22:40,080

i'll draw the parallel to the

2203

01:22:44,830 --> 01:22:42,239

incident we were talking about at norad

2204

01:22:47,590 --> 01:22:44,840

where it may not be

2205

01:22:50,070 --> 01:22:47,600

conspiratorial orders from your superior

2206

01:22:51,590 --> 01:22:50,080

to dismiss this but just it's not part

2207

01:22:55,430 --> 01:22:51,600

of what you're doing

2208

01:22:57,830 --> 01:22:55,440

i i think for a lot of scientists

2209

01:22:59,350 --> 01:22:57,840

ufos are intriguing

2210

01:23:00,870 --> 01:22:59,360

let's say astronomers right where

2211

01:23:03,270 --> 01:23:00,880

there's roughly

2212

01:23:05,350 --> 01:23:03,280

you know a relation to a ufo

2213

01:23:06,790 --> 01:23:05,360

a phenomenon but

2214

01:23:09,430 --> 01:23:06,800

they're very busy

2215

01:23:11,510 --> 01:23:09,440

they're maybe looking for tenure as well

2216

01:23:13,110 --> 01:23:11,520

they have to publish a new paper they

2217

01:23:14,149 --> 01:23:13,120

have to grade the papers of their

2218

01:23:16,470 --> 01:23:14,159

students

2219

01:23:18,870 --> 01:23:16,480

they may be a department chair they're

2220

01:23:23,189 --> 01:23:18,880

very busy and they're going for a grant

2221

01:23:25,350 --> 01:23:23,199

and they hear about ufos but

2222

01:23:27,189 --> 01:23:25,360

okay that doesn't help them in their

2223

01:23:28,390 --> 01:23:27,199

career they're very career focused and

2224

01:23:30,870 --> 01:23:28,400

they have to write a book and they've

2225

01:23:34,070 --> 01:23:30,880

got family or whatever else going on

2226

01:23:37,030 --> 01:23:34,080

so to me it's almost just

2227

01:23:39,510 --> 01:23:37,040

there's no perhaps connective tissue of

2228

01:23:41,830 --> 01:23:39,520

conspiracy driving them all to

2229

01:23:44,709 --> 01:23:41,840

you know have like that roman shield

2230

01:23:47,430 --> 01:23:44,719

wall against this newcomer

2231

01:23:49,189 --> 01:23:47,440

it's just a very prozac situation of a

2232

01:23:50,950 --> 01:23:49,199

lot of them being busy

2233

01:23:53,990 --> 01:23:50,960

and not seeing

2234

01:23:55,669 --> 01:23:54,000

enough to really intrigue them

2235

01:23:57,510 --> 01:23:55,679

on a personal level

2236

01:23:59,830 --> 01:23:57,520

and they just have other stuff to do i

2237

01:24:02,629 --> 01:23:59,840

think that's a lot of what it is

2238

01:24:04,629 --> 01:24:02,639

in science that keeps

2239

01:24:06,310 --> 01:24:04,639

new phenomena

2240

01:24:08,070 --> 01:24:06,320

at bay for some time just because

2241

01:24:09,910 --> 01:24:08,080

they're all busy doing what they're

2242

01:24:12,149 --> 01:24:09,920

already thinking about

2243

01:24:14,470 --> 01:24:12,159

that's a that is a really really good

2244

01:24:16,470 --> 01:24:14,480

point by the way did your

2245

01:24:18,390 --> 01:24:16,480

father get tenure

2246

01:24:20,709 --> 01:24:18,400

oh yes he um

2247

01:24:22,950 --> 01:24:20,719

he was the chairman of department of

2248

01:24:24,229 --> 01:24:22,960

astronomy at northwestern for 20 years

2249

01:24:25,590 --> 01:24:24,239

or so

2250

01:24:28,149 --> 01:24:25,600

it's funny

2251

01:24:30,709 --> 01:24:28,159

at the same time northwestern hated they

2252

01:24:31,669 --> 01:24:30,719

absolutely hated my father's ufo work

2253

01:24:34,070 --> 01:24:31,679

but

2254

01:24:34,910 --> 01:24:34,080

fortunately he had enough standing in

2255

01:24:37,030 --> 01:24:34,920

the

2256

01:24:38,790 --> 01:24:37,040

astronomical community

2257

01:24:40,470 --> 01:24:38,800

by having worked on the proximity fuse

2258

01:24:43,030 --> 01:24:40,480

in world war ii

2259

01:24:46,070 --> 01:24:43,040

by leading operation moonwatch you know

2260

01:24:48,310 --> 01:24:46,080

placing observatories around the world

2261

01:24:50,550 --> 01:24:48,320

in the late 50s to track what were then

2262

01:24:52,709 --> 01:24:50,560

known as artificial satellites

2263

01:24:54,950 --> 01:24:52,719

and you know his other astronomical work

2264

01:24:57,350 --> 01:24:54,960

to be a bona fide astronomer

2265

01:24:58,950 --> 01:24:57,360

so northwestern you know kind of just

2266

01:25:00,709 --> 01:24:58,960

put up with his

2267

01:25:01,910 --> 01:25:00,719

ufo antics

2268

01:25:04,470 --> 01:25:01,920

how about that

2269

01:25:06,390 --> 01:25:04,480

um i had the pleasure of oh we have a

2270

01:25:08,550 --> 01:25:06,400

couple of questions in chat i'll put up

2271

01:25:11,590 --> 01:25:08,560

there i had the pleasure of hanging out

2272

01:25:14,629 --> 01:25:11,600

with bryce sable and dave o'leary out in

2273

01:25:16,709 --> 01:25:14,639

california um a few weeks ago maybe a

2274

01:25:18,070 --> 01:25:16,719

month ago or something i was out there

2275

01:25:20,070 --> 01:25:18,080

where you were and you were out here

2276

01:25:22,310 --> 01:25:20,080

where i am and uh too bad we didn't meet

2277

01:25:24,629 --> 01:25:22,320

up but anyway uh

2278

01:25:26,950 --> 01:25:24,639

what did you and i think dave o'leary is

2279

01:25:30,149 --> 01:25:26,960

a great guy i really think he's a real

2280

01:25:32,709 --> 01:25:30,159

real fine guy but um

2281

01:25:35,750 --> 01:25:32,719

overall were you okay with

2282

01:25:38,229 --> 01:25:35,760

how project blue book history channels

2283

01:25:41,270 --> 01:25:38,239

project blue book series went or do you

2284

01:25:42,390 --> 01:25:41,280

think it was uh do you think it kind of

2285

01:25:46,390 --> 01:25:42,400

hurt

2286

01:25:48,870 --> 01:25:46,400

anything or do you think it was okay

2287

01:25:50,870 --> 01:25:48,880

well and and first let me say for the

2288

01:25:52,149 --> 01:25:50,880

record that

2289

01:25:55,830 --> 01:25:52,159

having the

2290

01:25:59,110 --> 01:25:55,840

super villain from game of thrones

2291

01:26:01,830 --> 01:25:59,120

play your tv father little finger

2292

01:26:04,629 --> 01:26:01,840

super freaky at all

2293

01:26:07,189 --> 01:26:04,639

um actually he's a fine guy and i count

2294

01:26:08,790 --> 01:26:07,199

as a friend now um

2295

01:26:10,629 --> 01:26:08,800

you know i

2296

01:26:13,910 --> 01:26:10,639

my brother joel and i were consultants

2297

01:26:17,350 --> 01:26:13,920

on the show project blue book and

2298

01:26:19,669 --> 01:26:17,360

uh i i think the show was great um you

2299

01:26:22,950 --> 01:26:19,679

know dave o'leary the creator and sean

2300

01:26:25,110 --> 01:26:22,960

jablonski the show runner um arturo

2301
01:26:27,430 --> 01:26:25,120
antarian the initial

2302
01:26:29,030 --> 01:26:27,440
you know exec studio executive and the

2303
01:26:34,229 --> 01:26:29,040
cast and the crew

2304
01:26:41,830 --> 01:26:35,030
they

2305
01:26:43,350 --> 01:26:41,840
wanted to get stories across

2306
01:26:46,310 --> 01:26:43,360
the the

2307
01:26:49,430 --> 01:26:46,320
the gist of the show you know portrays

2308
01:26:52,950 --> 01:26:49,440
my my father and my mother

2309
01:26:54,950 --> 01:26:52,960
and has lens sort of bases

2310
01:26:56,550 --> 01:26:54,960
especially in season one

2311
01:26:58,870 --> 01:26:56,560
upon

2312
01:27:01,590 --> 01:26:58,880
actual reports doesn't actually mean

2313
01:27:02,870 --> 01:27:01,600

that there are actual events

2314

01:27:04,790 --> 01:27:02,880

but

2315

01:27:06,470 --> 01:27:04,800

the show is about

2316

01:27:09,510 --> 01:27:06,480

authenticity

2317

01:27:11,350 --> 01:27:09,520

you take two characters you understand

2318

01:27:13,510 --> 01:27:11,360

what makes them tick and we talked with

2319

01:27:15,990 --> 01:27:13,520

aiden and laura who played my dad and

2320

01:27:18,709 --> 01:27:16,000

mom respectively quite a lot

2321

01:27:20,870 --> 01:27:18,719

and you place him in stretched

2322

01:27:22,390 --> 01:27:20,880

circumstances

2323

01:27:24,790 --> 01:27:22,400

and

2324

01:27:27,350 --> 01:27:24,800

the the

2325

01:27:29,030 --> 01:27:27,360

the importance for joel and i and we

2326

01:27:30,790 --> 01:27:29,040

would read pre-production scripts

2327

01:27:32,470 --> 01:27:30,800

because as a consultant on a show you

2328

01:27:35,590 --> 01:27:32,480

don't control it you don't

2329

01:27:37,189 --> 01:27:35,600

dictate what happens you can influence

2330

01:27:38,709 --> 01:27:37,199

and since both joel and i worked in

2331

01:27:39,910 --> 01:27:38,719

hollywood a lot

2332

01:27:41,910 --> 01:27:39,920

i asked if we could read the

2333

01:27:43,990 --> 01:27:41,920

pre-production scripts and go to the set

2334

01:27:46,390 --> 01:27:44,000

and they said sure so we were able to

2335

01:27:47,910 --> 01:27:46,400

review each script beforehand and give

2336

01:27:49,030 --> 01:27:47,920

input and they did accept a lot of it

2337

01:27:50,950 --> 01:27:49,040

and you know you got to pick your

2338

01:27:53,350 --> 01:27:50,960

battles and it's a function of the

2339

01:27:54,390 --> 01:27:53,360

relationship that you establish the

2340

01:27:56,390 --> 01:27:54,400

trust

2341

01:27:57,590 --> 01:27:56,400

and you know the quality of the comments

2342

01:27:58,470 --> 01:27:57,600

that you give

2343

01:28:00,950 --> 01:27:58,480

um

2344

01:28:03,830 --> 01:28:00,960

and so our family

2345

01:28:06,550 --> 01:28:03,840

was was very happy that they portrayed

2346

01:28:08,790 --> 01:28:06,560

our parents in a respectful way

2347

01:28:11,270 --> 01:28:08,800

and it's understood and they even

2348

01:28:13,110 --> 01:28:11,280

mentioned the beginning of the show look

2349

01:28:15,430 --> 01:28:13,120

click you know click on the website

2350

01:28:17,590 --> 01:28:15,440

afterwards to learn more about the real

2351

01:28:20,149 --> 01:28:17,600

report of this case that's right i think

2352

01:28:22,229 --> 01:28:20,159

the show had an interesting premise of

2353

01:28:25,590 --> 01:28:22,239

starting with

2354

01:28:27,669 --> 01:28:25,600

actual reports and real people

2355

01:28:29,830 --> 01:28:27,679

and then taking it a little bit farther

2356

01:28:32,229 --> 01:28:29,840

so yeah very comfortable with the show

2357

01:28:35,430 --> 01:28:32,239

and i think like close encounters

2358

01:28:37,830 --> 01:28:35,440

it had enough fictional elements to draw

2359

01:28:40,390 --> 01:28:37,840

more people into the tent as opposed to

2360

01:28:42,629 --> 01:28:40,400

just an echo chamber of already

2361

01:28:44,550 --> 01:28:42,639

converted ufo diehards

2362

01:28:46,310 --> 01:28:44,560

right i just want to know did you grow

2363

01:28:48,070 --> 01:28:46,320

up with all that great mid-century

2364

01:28:49,189 --> 01:28:48,080

modern decor

2365

01:28:51,510 --> 01:28:49,199

furniture

2366

01:28:53,669 --> 01:28:51,520

oh the production value was fantastic

2367

01:28:55,510 --> 01:28:53,679

you know i love some of these pieces

2368

01:28:57,350 --> 01:28:55,520

robert is a cinematographer so i had a

2369

01:28:59,189 --> 01:28:57,360

very filmic feel

2370

01:29:01,030 --> 01:28:59,199

and the sets and the wardrobe were

2371

01:29:03,270 --> 01:29:01,040

fantastic

2372

01:29:07,110 --> 01:29:03,280

you know the

2373

01:29:09,669 --> 01:29:07,120

last episode of season one

2374

01:29:11,990 --> 01:29:09,679

uh laura my tv mom

2375

01:29:13,189 --> 01:29:12,000

is wearing a coat and this turquoise

2376

01:29:14,790 --> 01:29:13,199

brooch

2377

01:29:17,990 --> 01:29:14,800

and i remember looking at that saying

2378

01:29:20,950 --> 01:29:18,000

wow that looks familiar

2379

01:29:23,189 --> 01:29:20,960

i forgot that i had given that to laura

2380

01:29:25,030 --> 01:29:23,199

before the show started and that was

2381

01:29:27,510 --> 01:29:25,040

actually from my mom

2382

01:29:29,510 --> 01:29:27,520

isn't that amazing that's awesome we

2383

01:29:31,830 --> 01:29:29,520

have someone that uh actually called in

2384

01:29:33,669 --> 01:29:31,840

i guess he remembered that the uh the

2385

01:29:36,629 --> 01:29:33,679

phone number here we haven't even posted

2386

01:29:39,350 --> 01:29:36,639

the number yet we have uh let me pull in

2387

01:29:40,950 --> 01:29:39,360

kgro radio on the phone line so we have

2388

01:29:44,629 --> 01:29:40,960

ronald from

2389

01:29:47,270 --> 01:29:44,639

uh minnesota is it minnesota hey martin

2390

01:29:48,950 --> 01:29:47,280

happy new year hello to paul

2391

01:29:50,950 --> 01:29:48,960

happy new year

2392

01:29:53,189 --> 01:29:50,960

very interesting guest and very

2393

01:29:55,830 --> 01:29:53,199

interesting show thank you for your uh

2394

01:29:58,470 --> 01:29:55,840

doing so so early to the holiday and and

2395

01:29:59,910 --> 01:29:58,480

uh getting right back to work

2396

01:30:01,430 --> 01:29:59,920

yeah

2397

01:30:03,189 --> 01:30:01,440

hopefully things will open up and we'll

2398

01:30:04,149 --> 01:30:03,199

get back to some more conferences this

2399

01:30:05,189 --> 01:30:04,159

year

2400

01:30:07,189 --> 01:30:05,199

um

2401

01:30:09,110 --> 01:30:07,199

but i have a question for both of you

2402

01:30:11,750 --> 01:30:09,120

about concerning

2403

01:30:13,590 --> 01:30:11,760

not not the craft necessarily

2404

01:30:16,149 --> 01:30:13,600

but the

2405

01:30:20,149 --> 01:30:16,159

aliens that are in the craft

2406

01:30:22,310 --> 01:30:20,159

i've talked to religious people you know

2407

01:30:24,870 --> 01:30:22,320

and they all say oh they're fallen

2408

01:30:27,189 --> 01:30:24,880

angels or the demons and god couldn't

2409

01:30:29,350 --> 01:30:27,199

create anything else out there

2410

01:30:32,229 --> 01:30:29,360

he only created human beings and it's

2411

01:30:34,149 --> 01:30:32,239

like well that's kind of you know

2412

01:30:35,669 --> 01:30:34,159

kind of selfish in my opinion for

2413

01:30:37,750 --> 01:30:35,679

somebody to think that way

2414

01:30:40,149 --> 01:30:37,760

and uh in in my opinion i think god can

2415

01:30:42,149 --> 01:30:40,159

create anything anywhere i'm saying god

2416

01:30:44,870 --> 01:30:42,159

in general you know for anybody you know

2417

01:30:45,590 --> 01:30:44,880

source or what are going on anyway the

2418

01:30:47,430 --> 01:30:45,600

the

2419

01:30:50,470 --> 01:30:47,440

grand creator of everything i think he

2420

01:30:51,590 --> 01:30:50,480

could create life of any kind anywhere

2421

01:30:52,709 --> 01:30:51,600

okay

2422

01:30:54,790 --> 01:30:52,719

um

2423

01:30:56,870 --> 01:30:54,800

i i do believe that there is aliens i

2424

01:30:59,590 --> 01:30:56,880

don't think they're demons or fallen

2425

01:31:00,830 --> 01:30:59,600

angels i think some of them could be

2426

01:31:03,430 --> 01:31:00,840

but at the same

2427

01:31:05,990 --> 01:31:03,440

time what do you think and then also

2428

01:31:09,350 --> 01:31:06,000

what is their message to us why are they

2429

01:31:09,360 --> 01:31:12,550

you can take that martin

2430

01:31:16,550 --> 01:31:13,510

well

2431

01:31:18,470 --> 01:31:16,560

thank you thank you paul yeah um

2432

01:31:20,229 --> 01:31:18,480

i think you know i mean

2433

01:31:23,350 --> 01:31:20,239

i think uh

2434

01:31:26,470 --> 01:31:23,360

i like the the observation

2435

01:31:28,390 --> 01:31:26,480

part you know theory or whatever um you

2436

01:31:31,270 --> 01:31:28,400

know one of the the people that i

2437

01:31:33,750 --> 01:31:31,280

interviewed for his ufo sighting he sort

2438

01:31:34,790 --> 01:31:33,760

of got a message and and he he was

2439

01:31:36,470 --> 01:31:34,800

saying i

2440

01:31:38,229 --> 01:31:36,480

he it gives him

2441

01:31:40,709 --> 01:31:38,239

chills when people say you know that

2442

01:31:43,350 --> 01:31:40,719

they had to uh telepathy but he said

2443

01:31:45,189 --> 01:31:43,360

that this thought came into his mind

2444

01:31:47,910 --> 01:31:45,199

when he looked up and saw these hominid

2445

01:31:49,910 --> 01:31:47,920

type things in the window that uh don't

2446

01:31:51,590 --> 01:31:49,920

worry we're just you know we're just

2447

01:31:54,870 --> 01:31:51,600

observing you

2448

01:31:57,110 --> 01:31:54,880

and you know i i would think you know

2449

01:31:59,430 --> 01:31:57,120

we are we must be interesting to

2450

01:32:01,910 --> 01:31:59,440

something out there um you know perhaps

2451

01:32:05,910 --> 01:32:01,920

that that is part of it you know uh

2452

01:32:09,270 --> 01:32:07,430

i don't presume to know much more than

2453

01:32:11,669 --> 01:32:09,280

anybody else i i like what you said

2454

01:32:14,550 --> 01:32:11,679

ronald about how

2455

01:32:16,310 --> 01:32:14,560

not demons and how it seems pretty

2456

01:32:18,149 --> 01:32:16,320

limiting to think that

2457

01:32:20,229 --> 01:32:18,159

we're the only

2458

01:32:22,229 --> 01:32:20,239

to go back to your work martin bipedal

2459

01:32:23,030 --> 01:32:22,239

creatures around

2460

01:32:25,030 --> 01:32:23,040

um

2461

01:32:27,270 --> 01:32:25,040

it's an awful lot to overkill you know

2462

01:32:30,149 --> 01:32:27,280

nature is very efficient right and it

2463

01:32:32,070 --> 01:32:30,159

seems like a lot of sloppy overkill

2464

01:32:35,350 --> 01:32:32,080

that we're the only life force that we

2465

01:32:37,830 --> 01:32:35,360

know of or that god however you worship

2466

01:32:38,870 --> 01:32:37,840

a god would have created universe so

2467

01:32:40,629 --> 01:32:38,880

vast

2468

01:32:42,390 --> 01:32:40,639

and we're the only

2469

01:32:44,950 --> 01:32:42,400

amount of life on this tiny

2470

01:32:46,310 --> 01:32:44,960

insignificant orb so that just seems

2471

01:32:47,350 --> 01:32:46,320

really

2472

01:32:48,709 --> 01:32:47,360

un

2473

01:32:50,229 --> 01:32:48,719

um

2474

01:32:52,830 --> 01:32:50,239

unlikely to me

2475

01:32:54,310 --> 01:32:52,840

a waste of space as they say

2476

01:32:55,750 --> 01:32:54,320

yeah i think i mean if you're gonna just

2477

01:32:57,590 --> 01:32:55,760

make life here

2478

01:32:59,110 --> 01:32:57,600

you know make this planet make about 20

2479

01:33:02,149 --> 01:32:59,120

000 others so we could see in the sky

2480

01:33:04,310 --> 01:33:02,159

and call it a day there you go

2481

01:33:06,709 --> 01:33:04,320

good plan good plan well thank you again

2482

01:33:09,030 --> 01:33:06,719

for a great show and we'll see you later

2483

01:33:10,950 --> 01:33:09,040

on in a year and i'll be watching for

2484

01:33:12,390 --> 01:33:10,960

all of your work that you put out there

2485

01:33:17,590 --> 01:33:12,400

thank you

2486

01:33:19,830 --> 01:33:17,600

uh yeah i met i met ron ronald he came

2487

01:33:23,030 --> 01:33:19,840

to pine bush drove all the way out from

2488

01:33:25,270 --> 01:33:23,040

minnesota um at pine bush i'm sure

2489

01:33:26,310 --> 01:33:25,280

you've heard of pine bush the ufo in new

2490

01:33:30,870 --> 01:33:26,320

york

2491

01:33:32,629 --> 01:33:30,880

so the line is open

2492

01:33:33,669 --> 01:33:32,639

that number is eight five five four

2493

01:33:36,390 --> 01:33:33,679

seven two

2494

01:33:37,830 --> 01:33:36,400

five four eight three another question

2495

01:33:40,390 --> 01:33:37,840

came in email i don't really like to

2496

01:33:41,430 --> 01:33:40,400

have questions um on email while i'm

2497

01:33:44,149 --> 01:33:41,440

doing a show

2498

01:33:46,709 --> 01:33:44,159

because i'm going to miss them but why

2499

01:33:47,830 --> 01:33:46,719

are experiencers so compelled to pursue

2500

01:33:49,270 --> 01:33:47,840

the issue

2501
01:33:51,590 --> 01:33:49,280
through life

2502
01:33:53,830 --> 01:33:51,600
and uh i guess you could

2503
01:33:57,189 --> 01:33:53,840
take that in a few different ways

2504
01:34:00,390 --> 01:33:59,110
i don't know

2505
01:34:03,270 --> 01:34:00,400
you know i mean

2506
01:34:06,709 --> 01:34:03,280
let me just put it this way if if i was

2507
01:34:08,310 --> 01:34:06,719
being abducted like people talk about

2508
01:34:10,790 --> 01:34:08,320
that happened to them

2509
01:34:12,870 --> 01:34:10,800
i don't know how it even functioned

2510
01:34:14,629 --> 01:34:12,880
you know it'd be such a part of my life

2511
01:34:18,229 --> 01:34:14,639
i don't know how i could go through

2512
01:34:19,430 --> 01:34:18,239
day-to-day life and and be semi-normal

2513
01:34:21,990 --> 01:34:19,440

you know

2514

01:34:25,189 --> 01:34:22,000

it's it's uh

2515

01:34:26,629 --> 01:34:25,199

any thoughts on that

2516

01:34:29,030 --> 01:34:26,639

yeah you know it goes back to this

2517

01:34:30,310 --> 01:34:29,040

notion that

2518

01:34:33,510 --> 01:34:30,320

let's let's

2519

01:34:34,390 --> 01:34:33,520

step back from ufos in particular and

2520

01:34:35,750 --> 01:34:34,400

just

2521

01:34:38,310 --> 01:34:35,760

sketch out

2522

01:34:39,189 --> 01:34:38,320

an experience that you have

2523

01:34:40,470 --> 01:34:39,199

where

2524

01:34:42,709 --> 01:34:40,480

you see

2525

01:34:45,830 --> 01:34:42,719

an entity and it can be it could be a

2526
01:34:47,669 --> 01:34:45,840
ufo experience or a dmt or a dream or

2527
01:34:49,990 --> 01:34:47,679
you're walking down the street

2528
01:34:52,550 --> 01:34:50,000
and you see an entity

2529
01:34:54,070 --> 01:34:52,560
and that entity appears hyper real to

2530
01:34:56,310 --> 01:34:54,080
you

2531
01:34:58,550 --> 01:34:56,320
super intelligent

2532
01:35:00,709 --> 01:34:58,560
may possess some kind of communication

2533
01:35:03,189 --> 01:35:00,719
that they give to you a warning or a

2534
01:35:05,590 --> 01:35:03,199
hello or anything

2535
01:35:07,430 --> 01:35:05,600
how do you not

2536
01:35:08,790 --> 01:35:07,440
when they they say obsess or feel

2537
01:35:10,149 --> 01:35:08,800
compelled

2538
01:35:11,669 --> 01:35:10,159

about that

2539

01:35:12,790 --> 01:35:11,679

it'd be such a

2540

01:35:14,550 --> 01:35:12,800

signal

2541

01:35:16,709 --> 01:35:14,560

event in your life

2542

01:35:17,910 --> 01:35:16,719

so atypical

2543

01:35:19,910 --> 01:35:17,920

and

2544

01:35:22,550 --> 01:35:19,920

how how do you

2545

01:35:24,149 --> 01:35:22,560

stop sort of attempting to process

2546

01:35:26,830 --> 01:35:24,159

something

2547

01:35:29,590 --> 01:35:26,840

that is so

2548

01:35:32,550 --> 01:35:29,600

overwhelming in terms of its uniqueness

2549

01:35:35,189 --> 01:35:32,560

and perceived significance

2550

01:35:36,870 --> 01:35:35,199

um and i think you know we are pattern

2551

01:35:40,070 --> 01:35:36,880

seeking mammals

2552

01:35:43,430 --> 01:35:40,080

so it's natural it's evolved in us to

2553

01:35:45,990 --> 01:35:43,440

try to find meaning in that and perhaps

2554

01:35:47,990 --> 01:35:46,000

you sense meaning because you feel that

2555

01:35:50,310 --> 01:35:48,000

you've had a communication

2556

01:35:53,350 --> 01:35:50,320

and that communication would be perhaps

2557

01:35:55,030 --> 01:35:53,360

life changing or on the other hand

2558

01:35:57,109 --> 01:35:55,040

you don't feel

2559

01:35:59,109 --> 01:35:57,119

a clear communication or you feel it was

2560

01:36:01,990 --> 01:35:59,119

dark and hostile

2561

01:36:04,550 --> 01:36:02,000

and now you're seeking for meaning

2562

01:36:06,629 --> 01:36:04,560

in this event that's unlike anything

2563

01:36:09,350 --> 01:36:06,639

else that's ever happened at night like

2564

01:36:11,350 --> 01:36:09,360

you said martin i think either way

2565

01:36:13,030 --> 01:36:11,360

it's just not something that you say

2566

01:36:15,510 --> 01:36:13,040

yeah that was super cool i met the alien

2567

01:36:18,550 --> 01:36:15,520

that day um hey what's for dinner

2568

01:36:21,350 --> 01:36:18,560

yeah yeah and and also i think it's

2569

01:36:22,790 --> 01:36:21,360

really bizarre that

2570

01:36:25,590 --> 01:36:22,800

these things happen

2571

01:36:27,910 --> 01:36:25,600

supposedly happen repeatedly

2572

01:36:29,590 --> 01:36:27,920

and to family members and you know

2573

01:36:30,950 --> 01:36:29,600

there's there's thoughts on that

2574

01:36:32,790 --> 01:36:30,960

different thoughts of that you know the

2575

01:36:34,870 --> 01:36:32,800

bloodlines or whatever and

2576

01:36:36,310 --> 01:36:34,880

progress but i mean for these things for

2577

01:36:38,629 --> 01:36:36,320

these people

2578

01:36:40,709 --> 01:36:38,639

to claim this is happening over and over

2579

01:36:43,270 --> 01:36:40,719

and over and over again and then to

2580

01:36:45,669 --> 01:36:43,280

their daughter and to their i mean it's

2581

01:36:47,750 --> 01:36:45,679

it's all really something else another

2582

01:36:49,590 --> 01:36:47,760

big huge question mark

2583

01:36:51,510 --> 01:36:49,600

yeah there's a sort of hoarding all the

2584

01:36:54,070 --> 01:36:51,520

great ufo encounters for themselves and

2585

01:36:56,790 --> 01:36:54,080

their bloodline not fair that's not

2586

01:36:59,590 --> 01:36:56,800

right cut me in on some of that

2587

01:37:02,310 --> 01:36:59,600

yo better watch what you wish for

2588

01:37:05,270 --> 01:37:02,320

all right so we have francisco uh from

2589

01:37:08,310 --> 01:37:05,280

new mexico on the line francisco you are

2590

01:37:10,149 --> 01:37:08,320

live on the air welcome to the show

2591

01:37:11,750 --> 01:37:10,159

hello hello welcome uh happy new year

2592

01:37:13,910 --> 01:37:11,760

palmetto martin thank you for the time

2593

01:37:15,830 --> 01:37:13,920

uh quick question i guess um

2594

01:37:18,070 --> 01:37:15,840

if you were flying the wall in the

2595

01:37:20,709 --> 01:37:18,080

heineken you know growing up what would

2596

01:37:22,870 --> 01:37:20,719

you say is like the more common

2597

01:37:25,030 --> 01:37:22,880

type of encounters or experiences like

2598

01:37:26,550 --> 01:37:25,040

you would hear like you know someone all

2599

01:37:28,070 --> 01:37:26,560

alone in the desert you know in the

2600

01:37:29,830 --> 01:37:28,080

desert by themselves or someone around

2601

01:37:31,910 --> 01:37:29,840

the water that type of thing like

2602

01:37:34,390 --> 01:37:31,920

something we don't all hear

2603

01:37:41,270 --> 01:37:34,400

uh you know in the mainstream

2604

01:37:45,189 --> 01:37:43,109

i i think the question is i couldn't

2605

01:37:47,109 --> 01:37:45,199

hear that well but the question is what

2606

01:37:51,910 --> 01:37:47,119

kind of

2607

01:37:55,590 --> 01:37:53,350

so like

2608

01:37:57,750 --> 01:37:55,600

hearing people like like being there and

2609

01:37:59,430 --> 01:37:57,760

and just kind of growing up in the home

2610

01:38:00,470 --> 01:37:59,440

what comes to mind like what comes to

2611

01:38:02,950 --> 01:38:00,480

your mind

2612

01:38:04,390 --> 01:38:02,960

that like seem to happen more often

2613

01:38:06,149 --> 01:38:04,400

i guess like if we were in your shoes

2614

01:38:09,990 --> 01:38:06,159

what would we have heard uh you know

2615

01:38:13,910 --> 01:38:11,590

yeah so

2616

01:38:18,070 --> 01:38:13,920

you know for me uh my younger brother

2617

01:38:19,910 --> 01:38:18,080

being on sort of the tail end um

2618

01:38:23,350 --> 01:38:19,920

it was already just accepted that these

2619

01:38:25,590 --> 01:38:23,360

things happened and so for me

2620

01:38:28,550 --> 01:38:25,600

it would you know

2621

01:38:30,950 --> 01:38:28,560

it might seem to be a very unique event

2622

01:38:32,790 --> 01:38:30,960

to have like a travis walton for dinner

2623

01:38:34,149 --> 01:38:32,800

but that was just kind of like tuesday

2624

01:38:37,510 --> 01:38:34,159

night it was just

2625

01:38:39,270 --> 01:38:37,520

it was we're so used to it so

2626

01:38:42,830 --> 01:38:39,280

i grew up

2627

01:38:45,669 --> 01:38:42,840

completely accepting the ufo phenomena

2628

01:38:48,070 --> 01:38:45,679

and so many aspects of it that none of

2629

01:38:50,229 --> 01:38:48,080

it seems strange it was just

2630

01:38:52,070 --> 01:38:50,239

how life was um

2631

01:38:54,390 --> 01:38:52,080

so there was very little

2632

01:38:58,470 --> 01:38:54,400

to your point francisco

2633

01:39:00,550 --> 01:38:58,480

that jumps out to me as being unusual or

2634

01:39:01,830 --> 01:39:00,560

that memorable because it was like that

2635

01:39:04,229 --> 01:39:01,840

all the time was all sort of

2636

01:39:07,510 --> 01:39:04,239

science-based we we weren't religious so

2637

01:39:10,070 --> 01:39:07,520

it was all science-based with a healthy

2638

01:39:13,109 --> 01:39:10,080

heaping of ufos on top

2639

01:39:15,430 --> 01:39:13,119

so it all just sort of fit together into

2640

01:39:17,430 --> 01:39:15,440

an accepted world view and it was

2641

01:39:19,590 --> 01:39:17,440

really came down to

2642

01:39:21,669 --> 01:39:19,600

um

2643

01:39:24,229 --> 01:39:21,679

sort of the strength oh and the

2644

01:39:26,310 --> 01:39:24,239

credibility of the witness because

2645

01:39:28,310 --> 01:39:26,320

after a while you hear so many reports

2646

01:39:29,750 --> 01:39:28,320

of a craft doing this or that you just

2647

01:39:32,149 --> 01:39:29,760

sort of accept

2648

01:39:33,030 --> 01:39:32,159

that crafts can likely do things that we

2649

01:39:34,870 --> 01:39:33,040

can't

2650

01:39:38,070 --> 01:39:34,880

and you're not really that

2651
01:39:40,390 --> 01:39:38,080
amazed anymore by yet another case of a

2652
01:39:42,550 --> 01:39:40,400
craft disappearing or going underwater

2653
01:39:43,830 --> 01:39:42,560
like you said martin but it really comes

2654
01:39:46,950 --> 01:39:43,840
down to

2655
01:39:49,830 --> 01:39:46,960
the fulcrum of examining the witness so

2656
01:39:51,109 --> 01:39:49,840
i think i became more interested

2657
01:39:59,109 --> 01:39:51,119
in

2658
01:40:00,550 --> 01:39:59,119
you could really look at

2659
01:40:03,750 --> 01:40:00,560
and that kind of

2660
01:40:05,270 --> 01:40:03,760
human psychology was i think even more

2661
01:40:09,830 --> 01:40:05,280
fascinating than

2662
01:40:11,590 --> 01:40:09,840
reports of saucers and what they did

2663
01:40:13,990 --> 01:40:11,600

right well

2664

01:40:16,070 --> 01:40:14,000

that's awesome i appreciate the time

2665

01:40:18,310 --> 01:40:16,080

again happy new year happy new year

2666

01:40:21,030 --> 01:40:18,320

francisco talk to you soon

2667

01:40:25,750 --> 01:40:23,590

all right so we have sarah on the line

2668

01:40:27,270 --> 01:40:25,760

from san rafael california where i used

2669

01:40:29,430 --> 01:40:27,280

to live uh

2670

01:40:30,790 --> 01:40:29,440

sarah my friend sarah how are you

2671

01:40:32,470 --> 01:40:30,800

welcome to the show you're live on the

2672

01:40:34,310 --> 01:40:32,480

air

2673

01:40:36,950 --> 01:40:34,320

thanks martin happy new year paul and

2674

01:40:38,709 --> 01:40:36,960

happy new year martin um i always have a

2675

01:40:40,550 --> 01:40:38,719

question thank you

2676

01:40:43,750 --> 01:40:40,560

i have a question i've been watching ben

2677

01:40:46,070 --> 01:40:43,760

hansen's ufo witness on travel channel

2678

01:40:48,550 --> 01:40:46,080

and he's always referring to this trove

2679

01:40:50,709 --> 01:40:48,560

of these project blue book is this

2680

01:40:52,629 --> 01:40:50,719

hidden filed or something like that

2681

01:40:55,030 --> 01:40:52,639

there's a trove and there was this old

2682

01:40:56,310 --> 01:40:55,040

woman there who used to take care of it

2683

01:40:58,149 --> 01:40:56,320

is there such a thing do you know

2684

01:40:59,910 --> 01:40:58,159

anything about that and she also

2685

01:41:01,510 --> 01:40:59,920

mentioned that supposedly i

2686

01:41:04,470 --> 01:41:01,520

get the impression that she

2687

01:41:05,910 --> 01:41:04,480

worked in project blue look and that she

2688

01:41:10,390 --> 01:41:05,920

mentioned too that we had been under

2689

01:41:15,669 --> 01:41:11,990

seems like

2690

01:41:17,430 --> 01:41:15,679

network hype um i don't know i've heard

2691

01:41:19,350 --> 01:41:17,440

all sorts i've had so many times people

2692

01:41:21,990 --> 01:41:19,360

tell me hey i've got

2693

01:41:22,950 --> 01:41:22,000

100 secret blue book files

2694

01:41:27,510 --> 01:41:22,960

um

2695

01:41:30,709 --> 01:41:27,520

i don't know of any secret files i think

2696

01:41:35,189 --> 01:41:32,709

it could be i i don't know but i've

2697

01:41:37,270 --> 01:41:35,199

heard that a lot and to me that seems

2698

01:41:40,470 --> 01:41:37,280

sort of couched in

2699

01:41:41,430 --> 01:41:40,480

uh ratings grabbing tv

2700

01:41:44,709 --> 01:41:41,440

lingo

2701
01:41:46,550 --> 01:41:44,719
but but paul on that um don't you think

2702
01:41:48,310 --> 01:41:46,560
that there were

2703
01:41:50,070 --> 01:41:48,320
there were reports that came in that

2704
01:41:51,270 --> 01:41:50,080
were a little too hot

2705
01:41:55,270 --> 01:41:51,280
that um

2706
01:41:57,830 --> 01:41:55,280
they had to be like handled elsewhere

2707
01:41:58,790 --> 01:41:57,840
yeah sure and i i think those would have

2708
01:41:59,669 --> 01:41:58,800
gone

2709
01:42:01,990 --> 01:41:59,679
to the

2710
01:42:05,669 --> 01:42:02,000
air intelligence service squadron which

2711
01:42:07,990 --> 01:42:05,679
was tasked with going to any kind of

2712
01:42:10,390 --> 01:42:08,000
downed

2713
01:42:12,629 --> 01:42:10,400

ship or aircraft site and they even had

2714

01:42:15,030 --> 01:42:12,639

russian speakers and they their job was

2715

01:42:16,709 --> 01:42:15,040

to get to any crash site of any kind

2716

01:42:18,470 --> 01:42:16,719

within six hours

2717

01:42:19,990 --> 01:42:18,480

so i think

2718

01:42:22,790 --> 01:42:20,000

they would have been the ones to get

2719

01:42:24,790 --> 01:42:22,800

what you're calling really hot cases so

2720

01:42:27,350 --> 01:42:24,800

i think they would have either been

2721

01:42:28,629 --> 01:42:27,360

diverted away from project blue book to

2722

01:42:31,030 --> 01:42:28,639

begin with

2723

01:42:32,709 --> 01:42:31,040

or if they had a brief landing at

2724

01:42:34,390 --> 01:42:32,719

project blue book would have been moved

2725

01:42:36,790 --> 01:42:34,400

away very quickly

2726

01:42:39,189 --> 01:42:36,800

such that project blue book

2727

01:42:41,270 --> 01:42:39,199

might well not have a lot of records

2728

01:42:43,189 --> 01:42:41,280

like that which doesn't mean they don't

2729

01:42:45,270 --> 01:42:43,199

exist i just don't think there's a whole

2730

01:42:47,570 --> 01:42:45,280

lot at project blue book because that

2731

01:42:49,830 --> 01:42:47,580

really wasn't their job

2732

01:42:51,910 --> 01:42:49,840

[Music]

2733

01:42:54,149 --> 01:42:51,920

sarah i i think i i know what you're

2734

01:42:56,870 --> 01:42:54,159

talking who you're talking about i

2735

01:42:59,350 --> 01:42:56,880

believe james fox might have interviewed

2736

01:43:01,350 --> 01:42:59,360

her at one time but anyway we have the

2737

01:43:02,229 --> 01:43:01,360

lines are full so thank you very much

2738

01:43:03,030 --> 01:43:02,239

sarah

2739

01:43:04,870 --> 01:43:03,040

sure

2740

01:43:07,030 --> 01:43:04,880

thank you one other quick thing paul is

2741

01:43:08,790 --> 01:43:07,040

the formula for age reversal or you have

2742

01:43:10,709 --> 01:43:08,800

a product put me at the top of the list

2743

01:43:11,990 --> 01:43:10,719

for it okay

2744

01:43:13,430 --> 01:43:12,000

so uh

2745

01:43:14,709 --> 01:43:13,440

if you're interested in age reversal you

2746

01:43:15,830 --> 01:43:14,719

certainly want to listen to martin's

2747

01:43:18,950 --> 01:43:15,840

other show

2748

01:43:20,070 --> 01:43:18,960

but you can go to intervene immune dot

2749

01:43:23,590 --> 01:43:20,080

com

2750

01:43:26,229 --> 01:43:23,600

and learn about the publicly available

2751
01:43:27,750 --> 01:43:26,239
technique now that we've been using to

2752
01:43:30,390 --> 01:43:27,760
reverse h

2753
01:43:32,390 --> 01:43:30,400
yeah and so i will about that i will

2754
01:43:34,550 --> 01:43:32,400
talk to paul and set up a time and and

2755
01:43:36,629 --> 01:43:34,560
let everyone know these are shows that

2756
01:43:38,390 --> 01:43:36,639
are on the youtube channel on the

2757
01:43:40,709 --> 01:43:38,400
everything else show so they'll be

2758
01:43:42,870 --> 01:43:40,719
coming uh and the way you can find out

2759
01:43:44,470 --> 01:43:42,880
when those shows are the easiest way is

2760
01:43:46,870 --> 01:43:44,480
to subscribe and it's a free

2761
01:43:49,189 --> 01:43:46,880
subscription by the way to our youtube

2762
01:43:51,270 --> 01:43:49,199
channel and just click the notification

2763
01:43:53,270 --> 01:43:51,280

button um someone made a very good point

2764

01:43:55,189 --> 01:43:53,280

people might think that there's a charge

2765

01:43:57,430 --> 01:43:55,199

to subscribe but it's free

2766

01:44:00,310 --> 01:43:57,440

anyway thank you for that sarah and we

2767

01:44:03,270 --> 01:44:00,320

have len calling from ontario len you

2768

01:44:05,109 --> 01:44:03,280

are live on the air

2769

01:44:08,070 --> 01:44:05,119

hi good evening and thanks so much for

2770

01:44:09,430 --> 01:44:08,080

your show um i emailed earlier i've had

2771

01:44:11,430 --> 01:44:09,440

the privilege of attending a

2772

01:44:13,109 --> 01:44:11,440

presentation by dr alan heineck at the

2773

01:44:16,790 --> 01:44:13,119

university of waterloo

2774

01:44:18,550 --> 01:44:16,800

uh can you hear me okay yes fine

2775

01:44:20,470 --> 01:44:18,560

okay okay good because i'm calling over

2776

01:44:22,550 --> 01:44:20,480

wi-fi um

2777

01:44:25,109 --> 01:44:22,560

and one of the questions that was asked

2778

01:44:28,550 --> 01:44:25,119

of him at the end of the show was

2779

01:44:31,109 --> 01:44:28,560

do you have with your access to you know

2780

01:44:32,390 --> 01:44:31,119

secure information or

2781

01:44:34,550 --> 01:44:32,400

that

2782

01:44:36,870 --> 01:44:34,560

much more interesting material than what

2783

01:44:39,430 --> 01:44:36,880

you've presented us with tonight and

2784

01:44:42,310 --> 01:44:39,440

his answer was uh yes i do next question

2785

01:44:46,149 --> 01:44:42,320

please and moving on away from that from

2786

01:44:48,229 --> 01:44:46,159

that topic uh you know um keeping his uh

2787

01:44:50,709 --> 01:44:48,239

his obligations to

2788

01:44:51,750 --> 01:44:50,719

to security and confidentiality but

2789

01:44:57,590 --> 01:44:51,760

um

2790

01:44:59,510 --> 01:44:57,600

what do you think of we we constantly

2791

01:45:01,590 --> 01:44:59,520

think of the ufo phenomenon in terms of

2792

01:45:03,270 --> 01:45:01,600

our own understanding of physics in the

2793

01:45:04,950 --> 01:45:03,280

universe etc

2794

01:45:06,550 --> 01:45:04,960

and we look at it from

2795

01:45:08,470 --> 01:45:06,560

you know when the question of travel

2796

01:45:10,390 --> 01:45:08,480

from that distance comes up we look at

2797

01:45:11,109 --> 01:45:10,400

it in terms of what we know

2798

01:45:13,109 --> 01:45:11,119

and

2799

01:45:15,270 --> 01:45:13,119

say that it's oh it's impossible yada

2800

01:45:18,550 --> 01:45:15,280

yada

2801
01:45:20,629 --> 01:45:18,560
but i would i've always um

2802
01:45:23,270 --> 01:45:20,639
believed that

2803
01:45:23,990 --> 01:45:23,280
a civilization that is advanced enough

2804
01:45:26,709 --> 01:45:24,000
to

2805
01:45:27,669 --> 01:45:26,719
visit us regardless of how they're doing

2806
01:45:29,990 --> 01:45:27,679
it

2807
01:45:32,390 --> 01:45:30,000
would also be advanced

2808
01:45:34,470 --> 01:45:32,400
in terms of ethical and moral terms and

2809
01:45:36,229 --> 01:45:34,480
that

2810
01:45:40,070 --> 01:45:36,239
they likely don't

2811
01:45:42,229 --> 01:45:40,080
have the need to to colonize and conquer

2812
01:45:43,510 --> 01:45:42,239
they don't have the need to go in search

2813
01:45:45,830 --> 01:45:43,520

of food because they can probably

2814

01:45:48,229 --> 01:45:45,840

synthesize everything they need

2815

01:45:51,750 --> 01:45:48,239

yadda yadda that there are many aspects

2816

01:45:54,470 --> 01:45:51,760

to to uh advancement that uh

2817

01:45:57,189 --> 01:45:54,480

that you know that come into the picture

2818

01:45:58,709 --> 01:45:57,199

and that also includes your your

2819

01:46:00,070 --> 01:45:58,719

reference to

2820

01:46:02,550 --> 01:46:00,080

what is actually

2821

01:46:05,270 --> 01:46:02,560

happening uh you know are these are

2822

01:46:08,310 --> 01:46:05,280

these communications or are these

2823

01:46:10,470 --> 01:46:08,320

these uh um is the phenomena part of of

2824

01:46:13,109 --> 01:46:10,480

something other than you know physical

2825

01:46:14,950 --> 01:46:13,119

travel

2826

01:46:16,310 --> 01:46:14,960

i i think you make a really good point

2827

01:46:18,629 --> 01:46:16,320

that

2828

01:46:21,510 --> 01:46:18,639

if they're able to

2829

01:46:22,390 --> 01:46:21,520

come here and even the word here

2830

01:46:24,070 --> 01:46:22,400

we

2831

01:46:25,430 --> 01:46:24,080

it means that they're coming from there

2832

01:46:27,590 --> 01:46:25,440

and it might be something even more

2833

01:46:30,229 --> 01:46:27,600

exotic on that but yes let's say they're

2834

01:46:32,709 --> 01:46:30,239

coming from someplace far away

2835

01:46:34,790 --> 01:46:32,719

by whatever means they do that

2836

01:46:36,790 --> 01:46:34,800

conventional or

2837

01:46:37,910 --> 01:46:36,800

you know they they travel in time and

2838

01:46:40,390 --> 01:46:37,920

space

2839

01:46:42,790 --> 01:46:40,400

if they're able to come here they're by

2840

01:46:44,149 --> 01:46:42,800

definition so far advanced from us and

2841

01:46:46,390 --> 01:46:44,159

they likely have had their own

2842

01:46:48,149 --> 01:46:46,400

singularity so

2843

01:46:50,070 --> 01:46:48,159

they're able to turn the universe into

2844

01:46:51,990 --> 01:46:50,080

computational engines and do things we

2845

01:46:53,350 --> 01:46:52,000

would regard as magic

2846

01:46:56,310 --> 01:46:53,360

that yes i

2847

01:46:59,270 --> 01:46:56,320

i quite agree they don't need our gold

2848

01:47:01,270 --> 01:46:59,280

they don't need our food our water

2849

01:47:03,950 --> 01:47:01,280

i don't believe we're exceptional enough

2850

01:47:07,669 --> 01:47:03,960

as a species that our concept of

2851
01:47:09,430 --> 01:47:07,679
non-borg like individual love is enough

2852
01:47:10,229 --> 01:47:09,440
to bring them here

2853
01:47:11,990 --> 01:47:10,239
and

2854
01:47:13,910 --> 01:47:12,000
you know along with that

2855
01:47:15,750 --> 01:47:13,920
if they were coming here

2856
01:47:18,229 --> 01:47:15,760
and meant us evil

2857
01:47:19,750 --> 01:47:18,239
it's like if you see two dogs

2858
01:47:22,550 --> 01:47:19,760
interacting

2859
01:47:23,750 --> 01:47:22,560
and you ask yourself are they fighting

2860
01:47:25,750 --> 01:47:23,760
or playing

2861
01:47:28,149 --> 01:47:25,760
you know they're playing when two dogs

2862
01:47:29,750 --> 01:47:28,159
are fighting you don't ask that if

2863
01:47:30,830 --> 01:47:29,760

aliens come here

2864

01:47:32,470 --> 01:47:30,840

with that

2865

01:47:34,790 --> 01:47:32,480

superiority

2866

01:47:36,470 --> 01:47:34,800

and they have hostile intentions

2867

01:47:38,870 --> 01:47:36,480

we would know or maybe we wouldn't

2868

01:47:39,910 --> 01:47:38,880

because we'd be gone immediately

2869

01:47:42,950 --> 01:47:39,920

and they wouldn't really need to

2870

01:47:45,030 --> 01:47:42,960

colonize us or make us batteries or

2871

01:47:47,109 --> 01:47:45,040

these are various you know dystopian

2872

01:47:49,350 --> 01:47:47,119

views of the aliens

2873

01:47:51,030 --> 01:47:49,360

so at least for me it's comforting to

2874

01:47:52,709 --> 01:47:51,040

know

2875

01:47:54,070 --> 01:47:52,719

if we're being visited which seems

2876

01:47:55,990 --> 01:47:54,080

likely

2877

01:47:57,990 --> 01:47:56,000

they're at best

2878

01:48:00,390 --> 01:47:58,000

indifferent to us or at worst

2879

01:48:03,189 --> 01:48:00,400

indifferent to us and perhaps you know

2880

01:48:08,149 --> 01:48:05,590

yeah well travis walton's experience uh

2881

01:48:09,270 --> 01:48:08,159

seems to indicate that they were caring

2882

01:48:12,229 --> 01:48:09,280

um

2883

01:48:14,470 --> 01:48:12,239

uh

2884

01:48:17,109 --> 01:48:14,480

i wonder if um

2885

01:48:19,189 --> 01:48:17,119

if their lack of

2886

01:48:20,070 --> 01:48:19,199

disclosure if you will

2887

01:48:22,149 --> 01:48:20,080

um

2888

01:48:23,669 --> 01:48:22,159

has something to do with that that they

2889

01:48:24,709 --> 01:48:23,679

won't

2890

01:48:27,270 --> 01:48:24,719

uh

2891

01:48:29,189 --> 01:48:27,280

interfere or they won't make serious

2892

01:48:32,870 --> 01:48:29,199

attempts to reveal

2893

01:48:35,910 --> 01:48:32,880

themselves until we're beyond our

2894

01:48:37,750 --> 01:48:35,920

very aggressive and war-like uh kind of

2895

01:48:39,430 --> 01:48:37,760

tendencies

2896

01:48:43,510 --> 01:48:39,440

do you think we will

2897

01:48:44,790 --> 01:48:43,520

progress beyond our bellicose nature

2898

01:48:46,550 --> 01:48:44,800

well yeah

2899

01:48:49,910 --> 01:48:46,560

that's a good question it seems to be a

2900

01:48:52,470 --> 01:48:49,920

genetic trait but uh and and that brings

2901

01:48:53,189 --> 01:48:52,480

into into question the whole question

2902

01:48:56,149 --> 01:48:53,199

the

2903

01:48:58,790 --> 01:48:56,159

uh topic of of evolution you know our

2904

01:49:00,790 --> 01:48:58,800

evolution started has its own history

2905

01:49:01,669 --> 01:49:00,800

and and evolution someplace else may

2906

01:49:03,510 --> 01:49:01,679

have

2907

01:49:05,430 --> 01:49:03,520

not only progressed differently but it

2908

01:49:07,109 --> 01:49:05,440

may have started completely differently

2909

01:49:08,950 --> 01:49:07,119

so yeah

2910

01:49:10,390 --> 01:49:08,960

obviously you know there's so many

2911

01:49:12,470 --> 01:49:10,400

possibilities

2912

01:49:14,229 --> 01:49:12,480

yeah i have to tell you you're you're

2913

01:49:16,709 --> 01:49:14,239

asking and making some really really

2914

01:49:18,629 --> 01:49:16,719

good points of len and i've really

2915

01:49:20,870 --> 01:49:18,639

enjoyed uh your thoughts and your

2916

01:49:22,550 --> 01:49:20,880

questions a lot uh but unfortunately we

2917

01:49:24,070 --> 01:49:22,560

have uh three other people waiting

2918

01:49:26,550 --> 01:49:24,080

online and only five minutes to get

2919

01:49:28,070 --> 01:49:26,560

through them so thank you very much and

2920

01:49:29,510 --> 01:49:28,080

i'm going to have to move on to the next

2921

01:49:31,910 --> 01:49:29,520

caller you can call in again though

2922

01:49:33,990 --> 01:49:31,920

anytime len thank you

2923

01:49:36,709 --> 01:49:34,000

okay thanks thanks all right we have ken

2924

01:49:40,709 --> 01:49:36,719

calling from la can you have a fairly

2925

01:49:40,719 --> 01:49:44,629

hi tan you're live on the air

2926

01:49:48,790 --> 01:49:46,790

ken are you there

2927

01:49:51,030 --> 01:49:48,800

jen you have a fairly quick question for

2928

01:49:54,390 --> 01:49:51,040

our guest all right you got a mutual

2929

01:49:56,709 --> 01:49:54,400

mutual device mute your device please

2930

01:49:57,830 --> 01:49:56,719

ken you're live in the air

2931

01:50:01,189 --> 01:49:57,840

yes we just have a question a

2932

01:50:02,950 --> 01:50:01,199

hypothetical question um if there was an

2933

01:50:04,629 --> 01:50:02,960

advanced species

2934

01:50:07,189 --> 01:50:04,639

living in our oceans

2935

01:50:09,030 --> 01:50:07,199

what do you think we would see

2936

01:50:10,390 --> 01:50:09,040

and if there was again an advanced

2937

01:50:12,470 --> 01:50:10,400

species living on the ocean do you think

2938

01:50:16,950 --> 01:50:12,480

that they would be concerned with our

2939

01:50:22,470 --> 01:50:16,960

nuclear capabilities and our military

2940

01:50:25,830 --> 01:50:24,950

is the answer yes

2941

01:50:28,709 --> 01:50:25,840

well

2942

01:50:30,390 --> 01:50:28,719

i i'm not sure um

2943

01:50:32,790 --> 01:50:30,400

you know the first part about

2944

01:50:35,510 --> 01:50:32,800

if there's an advanced

2945

01:50:36,709 --> 01:50:35,520

being or civilization underwater what do

2946

01:50:39,750 --> 01:50:36,719

we see

2947

01:50:40,709 --> 01:50:39,760

probably whatever they deigned to let us

2948

01:50:41,910 --> 01:50:40,719

see

2949

01:50:43,589 --> 01:50:41,920

and

2950

01:50:47,430 --> 01:50:43,599

in terms of

2951
01:50:49,750 --> 01:50:47,440
you know there's a lot of reports about

2952
01:50:51,350 --> 01:50:49,760
visitors concerned about nuclear

2953
01:50:54,470 --> 01:50:51,360
capabilities

2954
01:50:56,709 --> 01:50:54,480
but in the very small report put out by

2955
01:50:59,270 --> 01:50:56,719
the us government

2956
01:51:00,790 --> 01:50:59,280
in june on june 25th

2957
01:51:02,070 --> 01:51:00,800
they even mentioned something i find

2958
01:51:03,030 --> 01:51:02,080
very interesting

2959
01:51:08,229 --> 01:51:03,040
that

2960
01:51:09,109 --> 01:51:08,239
accounts for

2961
01:51:21,750 --> 01:51:09,119
a

2962
01:51:23,830 --> 01:51:21,760
so

2963
01:51:27,030 --> 01:51:23,840

again i don't think that our species is

2964

01:51:29,189 --> 01:51:27,040

viewed as that exceptional by anybody i

2965

01:51:32,229 --> 01:51:29,199

don't know if they care

2966

01:51:33,830 --> 01:51:32,239

about our nuclear capabilities or our

2967

01:51:35,990 --> 01:51:33,840

you know lens that are sort of our

2968

01:51:38,070 --> 01:51:36,000

bellicose nature but

2969

01:51:40,310 --> 01:51:38,080

i think a lot of

2970

01:51:41,830 --> 01:51:40,320

the reports around

2971

01:51:45,350 --> 01:51:41,840

nuclear facilities are because we're

2972

01:51:47,189 --> 01:51:45,360

just able to see things better there

2973

01:51:49,109 --> 01:51:47,199

oh very good um

2974

01:51:51,189 --> 01:51:49,119

i'm sorry uh that that was a great

2975

01:51:55,030 --> 01:51:51,199

question scott we have to jump to our

2976

01:51:56,149 --> 01:51:55,040

next guest which is scott uh

2977

01:51:58,149 --> 01:51:56,159

i think scott you're calling from

2978

01:52:01,270 --> 01:51:58,159

illinois i believe welcome to the show

2979

01:52:03,750 --> 01:52:01,280

scott you're live on the air

2980

01:52:06,709 --> 01:52:03,760

thanks martin uh big fan of your show

2981

01:52:09,270 --> 01:52:06,719

listen every episode uh thank you for

2982

01:52:11,270 --> 01:52:09,280

taking my call

2983

01:52:14,310 --> 01:52:11,280

um so um this is a little bit of a

2984

01:52:17,109 --> 01:52:14,320

selfish uh reason for me calling um

2985

01:52:19,669 --> 01:52:17,119

if i could just quickly

2986

01:52:20,709 --> 01:52:19,679

explain that experience and then ask if

2987

01:52:23,030 --> 01:52:20,719

uh

2988

01:52:25,350 --> 01:52:23,040

there are any cases similar just keep in

2989

01:52:28,310 --> 01:52:25,360

mind we have two minutes

2990

01:52:31,750 --> 01:52:28,320

two minutes okay so i saw uh during the

2991

01:52:33,270 --> 01:52:31,760

daytime about 10 years ago a ufo

2992

01:52:36,709 --> 01:52:33,280

that was rustic

2993

01:52:38,629 --> 01:52:36,719

and it had red dots going up and down

2994

01:52:40,950 --> 01:52:38,639

and it disappeared it cloaked from the

2995

01:52:42,149 --> 01:52:40,960

top down and literally you could only

2996

01:52:44,470 --> 01:52:42,159

see sky

2997

01:52:46,070 --> 01:52:44,480

behind it and it was completely silent

2998

01:52:48,790 --> 01:52:46,080

so i'm wondering

2999

01:52:51,510 --> 01:52:48,800

are there any cases of people seeing

3000

01:52:53,189 --> 01:52:51,520

an actual ufo cloak in front of in front

3001
01:52:54,229 --> 01:52:53,199
of them

3002
01:52:55,510 --> 01:52:54,239
like that

3003
01:52:57,830 --> 01:52:55,520
yeah

3004
01:53:00,790 --> 01:52:57,840
uh do you any i have heard one in the

3005
01:53:02,550 --> 01:53:00,800
desert that that did that in particular

3006
01:53:04,950 --> 01:53:02,560
um they could all of a sudden they saw

3007
01:53:06,070 --> 01:53:04,960
the background of the the cliff or rock

3008
01:53:08,629 --> 01:53:06,080
formation

3009
01:53:09,910 --> 01:53:08,639
just it was it was right between them

3010
01:53:11,750 --> 01:53:09,920
and the rock formation and all of a

3011
01:53:13,750 --> 01:53:11,760
sudden there was the rock formation

3012
01:53:16,310 --> 01:53:13,760
thing was gone i don't know if there's

3013
01:53:17,189 --> 01:53:16,320

any that come to mind paul yeah and i

3014

01:53:18,870 --> 01:53:17,199

think

3015

01:53:22,149 --> 01:53:18,880

that's a fascinating

3016

01:53:23,669 --> 01:53:22,159

um sighting it kind of reminds me of

3017

01:53:25,270 --> 01:53:23,679

when you go transition between

3018

01:53:27,189 --> 01:53:25,280

powerpoint slides and you have that kind

3019

01:53:29,109 --> 01:53:27,199

of white right so that's an interesting

3020

01:53:31,589 --> 01:53:29,119

one but i think also

3021

01:53:34,070 --> 01:53:31,599

it gets hard to distinguish between

3022

01:53:37,109 --> 01:53:34,080

if you're seeing something and it cloaks

3023

01:53:39,270 --> 01:53:37,119

itself or it just moves so fast that you

3024

01:53:41,030 --> 01:53:39,280

can't even see it yeah it would produce

3025

01:53:42,149 --> 01:53:41,040

the same result did you see it and now

3026

01:53:43,669 --> 01:53:42,159

it's gone

3027

01:53:46,149 --> 01:53:43,679

that's right i've heard a lot of that

3028

01:53:47,350 --> 01:53:46,159

unfortunately we're out of time so paul

3029

01:53:49,589 --> 01:53:47,360

i can't wait to have you on the

3030

01:53:51,430 --> 01:53:49,599

everything else show to talk about why

3031

01:53:52,390 --> 01:53:51,440

you're younger now than you used to be

3032

01:53:54,229 --> 01:53:52,400

but

3033

01:53:55,750 --> 01:53:54,239

thank you so much it's always a lot of

3034

01:53:57,830 --> 01:53:55,760

fun talking to you

3035

01:53:59,669 --> 01:53:57,840

all right you take care all right all

3036

01:54:03,030 --> 01:53:59,679

right bye all right everyone so we'll be

3037

01:54:05,669 --> 01:54:03,040

back next week with christina gomez and

3038

01:54:07,910 --> 01:54:05,679

thank you all for listening and watching

3039

01:54:11,630 --> 01:54:07,920

the show tonight and remember to keep

3040

01:54:20,950 --> 01:54:11,640

your eyes to the sky
