00:00:40,310 --> 00:00:37,350

a ufo lab in japan by charles lear on

3  
00:00:42,790 --> 00:00:40,320

june 24th of this year world ufo day the

4  
00:00:45,990 --> 00:00:42,800

international ufo lab was established in

5  
00:00:48,549 --> 00:00:46,000

japan it is housed in the ufo freiakin

6  
00:00:51,029 --> 00:00:48,559

ufo friendship center a ufo center and

7  
00:00:53,029 --> 00:00:51,039

museum that was built in 1992 in the

8  
00:00:55,750 --> 00:00:53,039

town of linomachi which is now a

9  
00:00:57,670 --> 00:00:55,760

prefecture of fukushima the facility is

10  
00:01:00,069 --> 00:00:57,680

city owned and run by the linomachi

11  
00:01:02,150 --> 00:01:00,079

promotion corporation it was built using

12  
00:01:04,310 --> 00:01:02,160

money from a regional development fund

13  
00:01:06,950 --> 00:01:04,320

in an effort to help promote the area as

14

00:01:09,670 --> 00:01:06,960

a ufo hotspot after numerous sightings

15

00:01:11,990 --> 00:01:09,680

starting in the 1970s around nearby

16

00:01:13,750 --> 00:01:12,000

mount singh and maury the lab is part of

17

00:01:15,510 --> 00:01:13,760

a new revitalization effort for

18

00:01:17,990 --> 00:01:15,520

fukushima as a whole

19

00:01:20,550 --> 00:01:18,000

japan's history of private ufo research

20

00:01:23,590 --> 00:01:20,560

goes back to the 1950s but the official

21

00:01:26,070 --> 00:01:23,600

stance until 2020 was that ufos weren't

22

00:01:28,469 --> 00:01:26,080

worthy of consideration the material

23

00:01:30,630 --> 00:01:28,479

housed in the ufo free aiken comes from

24

00:01:33,030 --> 00:01:30,640

a donation of over three thousand items

25

00:01:35,749 --> 00:01:33,040

from early japanese ufo researcher

26

00:01:38,310 --> 00:01:35,759

kenichi arai arai ran a bookstore in the

27

00:01:40,390 --> 00:01:38,320

early 1950s and developed an interest in

28

00:01:42,389 --> 00:01:40,400

flying saucers while reading books on

29

00:01:44,789 --> 00:01:42,399

the subject that were increasingly being

30

00:01:46,630 --> 00:01:44,799

published at that time arai felt there

31

00:01:49,510 --> 00:01:46,640

was a need for serious discussion of the

32

00:01:52,149 --> 00:01:49,520

phenomenon and formed japan's first ufo

33

00:01:56,310 --> 00:01:52,159

organization the japanese flying saucer

34

00:01:58,709 --> 00:01:56,320

research association in 1955 arai was a

35

00:02:00,870 --> 00:01:58,719

pacifist and according to him i told

36

00:02:02,870 --> 00:02:00,880

myself that if we knew for sure that the

37

00:02:05,510 --> 00:02:02,880

aliens were watching us we would no

38

00:02:07,190 --> 00:02:05,520

longer fight therefore i decided to see

39

00:02:09,029 --> 00:02:07,200

if i could prove that the aliens were

40

00:02:10,949 --> 00:02:09,039

real something that might be

41

00:02:13,030 --> 00:02:10,959

particularly of interest to ufo

42

00:02:15,110 --> 00:02:13,040

researchers and possibly american

43

00:02:18,070 --> 00:02:15,120

authorities is a collection of purported

44

00:02:20,550 --> 00:02:18,080

classified ufo-related cia documents

45

00:02:22,470 --> 00:02:20,560

held at the museum awry claimed to have

46

00:02:24,790 --> 00:02:22,480

gotten them from an american friend who

47

00:02:26,949 --> 00:02:24,800

had access the curators value the

48

00:02:29,030 --> 00:02:26,959

documents to the degree that they keep

49

00:02:31,750 --> 00:02:29,040

them locked in a vault year round and

50

00:02:34,309 --> 00:02:31,760

only display them on world ufo day the

51  
00:02:36,949 --> 00:02:34,319  
director of the international ufo lab is

52  
00:02:39,990 --> 00:02:36,959  
takahara mikami who is the editor of the

53  
00:02:42,229 --> 00:02:40,000  
japanese for tian magazine mew according

54  
00:02:44,550 --> 00:02:42,239  
to him the lab will be a research

55  
00:02:47,110 --> 00:02:44,560  
institute that will attract worldwide

56  
00:02:49,589 --> 00:02:47,120  
attention he added we'd like people to

57  
00:02:51,750 --> 00:02:49,599  
provide us with a lot of information

58  
00:02:54,070 --> 00:02:51,760  
part of the lab's mission is to attract

59  
00:02:55,990 --> 00:02:54,080  
researchers from all over the world to

60  
00:02:58,070 --> 00:02:56,000  
help in the staff's efforts to shed

61  
00:03:00,309 --> 00:02:58,080  
light on the ufo mystery there is a

62  
00:03:02,470 --> 00:03:00,319  
website where those interested can apply

63  
00:03:04,550 --> 00:03:02,480

for membership someone could perhaps

64

00:03:06,790 --> 00:03:04,560

suggest to mikami that it might help the

65

00:03:09,589 --> 00:03:06,800

lab's international efforts if the site

66

00:03:12,390 --> 00:03:09,599

wasn't almost entirely in japanese until

67

00:03:16,710 --> 00:03:12,400

recently japan had no publicly stated

68

00:03:19,509 --> 00:03:16,720

official policy on ufos in 2018 japanese

69

00:03:22,470 --> 00:03:19,519

defense minister taro kono stated that

70

00:03:24,149 --> 00:03:22,480

the official view on ufos was that no

71

00:03:26,630 --> 00:03:24,159

confirmation has been made of their

72

00:03:28,869 --> 00:03:26,640

existence and that the government had

73

00:03:31,190 --> 00:03:28,879

not considered in any specific manner

74

00:03:33,990 --> 00:03:31,200

what will be done should a ufo be cited

75

00:03:36,550 --> 00:03:34,000

flying toward japan then in september of

76

00:03:38,949 --> 00:03:36,560

2020 kono announced that japan's

77

00:03:41,350 --> 00:03:38,959

self-defense forces would make efforts

78

00:03:43,509 --> 00:03:41,360

to record and photograph ufos and

79

00:03:45,750 --> 00:03:43,519

analyze reports from all sources

80

00:03:47,430 --> 00:03:45,760

including the japanese public this

81

00:03:49,990 --> 00:03:47,440

announcement came after a meeting with

82

00:03:52,470 --> 00:03:50,000

u.s defense secretary mark esper where

83

00:03:54,869 --> 00:03:52,480

the two discussed ufos as an area where

84

00:03:57,190 --> 00:03:54,879

the two countries could cooperate just

85

00:03:59,350 --> 00:03:57,200

prior to this in august the us had

86

00:04:02,229 --> 00:03:59,360

announced the creation of a task force

87

00:04:04,550 --> 00:04:02,239

that would detect analyze and catalog

88

00:04:06,550 --> 00:04:04,560

unidentified aerial phenomena that could

89

00:04:08,789 --> 00:04:06,560

potentially pose a threat to u.s

90

00:04:10,869 --> 00:04:08,799

national security besides the

91

00:04:13,270 --> 00:04:10,879

international ufo lab and the museum

92

00:04:15,270 --> 00:04:13,280

exhibits the ufo free aiken offers

93

00:04:17,270 --> 00:04:15,280

something else to attract tourists

94

00:04:19,349 --> 00:04:17,280

according to the travel site japan

95

00:04:21,030 --> 00:04:19,359

journeys there is a resting room and a

96

00:04:23,749 --> 00:04:21,040

bath house on the second floor
