

A portrait of a young woman with dark hair pulled back, smiling warmly. She is wearing a black top. The background is dark with a blue horizontal band across the middle. The text 'CRISTINA GOMEZ' is overlaid on the blue band in yellow, and '#489' is overlaid on the dark background below it in blue.

**CRISTINA  
GOMEZ**

**#489**

1  
00:00:04,870 --> 00:00:02,550  
hello everyone and welcome to the show

2  
00:00:07,349 --> 00:00:04,880  
i'm martin willis your host i there was

3  
00:00:08,870 --> 00:00:07,359  
a button i forgot to push so i was i

4  
00:00:11,270 --> 00:00:08,880  
already did my monologue i'm doing it

5  
00:00:12,789 --> 00:00:11,280  
all over again so for those of you over

6  
00:00:15,030 --> 00:00:12,799  
at kgra

7  
00:00:17,109 --> 00:00:15,040  
sorry about that be patient um i'm

8  
00:00:19,670 --> 00:00:17,119  
really excited about my guest tonight i

9  
00:00:21,510 --> 00:00:19,680  
had uh dr michael masters on a while ago

10  
00:00:23,509 --> 00:00:21,520  
on my anniversary show

11  
00:00:25,109 --> 00:00:23,519  
and i mentioned that i didn't think

12  
00:00:27,509 --> 00:00:25,119  
there were a lot of young people getting

13  
00:00:29,029 --> 00:00:27,519

into this and that was this topic that

14

00:00:32,310 --> 00:00:29,039

is and that's because that's what i was

15

00:00:35,110 --> 00:00:32,320

seeing when i was going to conferences

16

00:00:36,229 --> 00:00:35,120

and he said oh you're totally wrong

17

00:00:37,190 --> 00:00:36,239

about that

18

00:00:40,869 --> 00:00:37,200

and

19

00:00:43,590 --> 00:00:40,879

are some young people that are really

20

00:00:45,430 --> 00:00:43,600

taking this topic seriously

21

00:00:48,470 --> 00:00:45,440

um they know how to use this thing

22

00:00:50,790 --> 00:00:48,480

called the internet which uh us older

23

00:00:52,869 --> 00:00:50,800

folk uh are not quite so good at and

24

00:00:56,150 --> 00:00:52,879

social media the right way and

25

00:00:57,830 --> 00:00:56,160

and uh search engine optimization all

26

00:00:59,349 --> 00:00:57,840

that stuff so

27

00:01:02,549 --> 00:00:59,359

i'm really excited to have christina

28

00:01:04,950 --> 00:01:02,559

gomez on um she is a gen z and she'll be

29

00:01:07,670 --> 00:01:04,960

coming on in just a minute our blog this

30

00:01:08,789 --> 00:01:07,680

week is a ufo occupant in wheeling west

31

00:01:11,350 --> 00:01:08,799

virginia

32

00:01:12,870 --> 00:01:11,360

uh this is about the

33

00:01:15,190 --> 00:01:12,880

the uh

34

00:01:17,109 --> 00:01:15,200

braxton county the flatwoods monster a

35

00:01:19,510 --> 00:01:17,119

very strange occurrence

36

00:01:21,990 --> 00:01:19,520

um and i don't really ever know if they

37

00:01:24,469 --> 00:01:22,000

know exactly what that was but

38

00:01:26,789 --> 00:01:24,479

so that from charles lear as usual

39  
00:01:28,310 --> 00:01:26,799  
welcome i mean thank you so much charles

40  
00:01:30,469 --> 00:01:28,320  
for all the work you do

41  
00:01:32,870 --> 00:01:30,479  
and again welcome everyone and we are

42  
00:01:35,270 --> 00:01:32,880  
bringing in christina right now welcome

43  
00:01:37,910 --> 00:01:35,280  
to the show christina hello thank you

44  
00:01:40,149 --> 00:01:37,920  
for having me i'm so excited yeah thank

45  
00:01:42,630 --> 00:01:40,159  
you very much i know you you have a show

46  
00:01:45,270 --> 00:01:42,640  
tonight right you do your show

47  
00:01:47,109 --> 00:01:45,280  
it starts when this one ends right

48  
00:01:49,429 --> 00:01:47,119  
so we'll have to steer people to that

49  
00:01:51,590 --> 00:01:49,439  
put a link in um after this this show's

50  
00:01:53,670 --> 00:01:51,600  
done but but thank you very much for

51  
00:01:56,310 --> 00:01:53,680  
being willing to come on and you've done

52  
00:01:58,789 --> 00:01:56,320  
quite a bit in a short time but first of

53  
00:02:01,670 --> 00:01:58,799  
all before we get started i want to know

54  
00:02:03,429 --> 00:02:01,680  
what got you fascinated in this topic to

55  
00:02:07,190 --> 00:02:03,439  
start with

56  
00:02:09,669 --> 00:02:07,200  
well i think as someone that has

57  
00:02:12,949 --> 00:02:09,679  
a very very loving father he was the one

58  
00:02:15,830 --> 00:02:12,959  
that got me interested in the topic

59  
00:02:16,630 --> 00:02:15,840  
and he was a huge twilight zone fan i

60  
00:02:18,710 --> 00:02:16,640  
think

61  
00:02:21,270 --> 00:02:18,720  
obviously by now my favorite tv show of

62  
00:02:23,550 --> 00:02:21,280  
all time but for those that don't know

63  
00:02:26,869 --> 00:02:23,560

it's a very old

64

00:02:29,990 --> 00:02:26,879

1950s early 1960s tv show still in black

65

00:02:31,670 --> 00:02:30,000

and white and it covers topics all

66

00:02:33,670 --> 00:02:31,680

things that are strange and mysterious

67

00:02:36,470 --> 00:02:33,680

and especially during that time where it

68

00:02:39,589 --> 00:02:36,480

was very taboo to talk about

69

00:02:40,470 --> 00:02:39,599

this show in particular it never really

70

00:02:43,110 --> 00:02:40,480

gave you

71

00:02:46,550 --> 00:02:43,120

a definitive answer on to what was going

72

00:02:48,550 --> 00:02:46,560

on and the show always ended and

73

00:02:51,190 --> 00:02:48,560

it always ended in a way that was very

74

00:02:53,110 --> 00:02:51,200

open that you had so many more questions

75

00:02:56,710 --> 00:02:53,120

like what actually happened or what

76

00:02:59,509 --> 00:02:56,720

could happen next so because of that

77

00:03:02,630 --> 00:02:59,519

particular tv show i became so

78

00:03:05,030 --> 00:03:02,640

interested in the topic but also into

79

00:03:08,710 --> 00:03:05,040

starting to ask questions and

80

00:03:10,869 --> 00:03:08,720

for those that um remember being very

81

00:03:12,790 --> 00:03:10,879

young or for those that have children

82

00:03:15,110 --> 00:03:12,800

you might know that when they hit the

83

00:03:19,110 --> 00:03:15,120

age of like five or six they start

84

00:03:21,589 --> 00:03:19,120

asking why but they ask why all the time

85

00:03:24,470 --> 00:03:21,599

mommy ami why is the sky blue

86

00:03:25,990 --> 00:03:24,480

daddy daddy why can't fish uh breathe

87

00:03:28,710 --> 00:03:26,000

when they're out of the water and things

88

00:03:31,190 --> 00:03:28,720

of this nature and i think we need to

89

00:03:34,710 --> 00:03:31,200

constantly have that curiosity we need

90

00:03:35,589 --> 00:03:34,720

to constantly ask those questions

91

00:03:37,990 --> 00:03:35,599

why

92

00:03:40,949 --> 00:03:38,000

even though they might be asked so many

93

00:03:43,190 --> 00:03:40,959

times if you don't hear the answer go

94

00:03:45,910 --> 00:03:43,200

ahead and ask that question regardless

95

00:03:48,070 --> 00:03:45,920

of how many times it's been asked you

96

00:03:50,470 --> 00:03:48,080

need to go ahead and find those answers

97

00:03:51,910 --> 00:03:50,480

for yourself and

98

00:03:54,070 --> 00:03:51,920

when

99

00:03:54,869 --> 00:03:54,080

with that kind of passion

100

00:03:57,350 --> 00:03:54,879

i

101  
00:04:00,229 --> 00:03:57,360  
moved far away from home to go and study

102  
00:04:02,630 --> 00:04:00,239  
in university and i had a lot of time in

103  
00:04:04,869 --> 00:04:02,640  
my hands but you know i'm i'm no one

104  
00:04:08,149 --> 00:04:04,879  
special i'm just a young person with a

105  
00:04:10,070 --> 00:04:08,159  
lot of questions and enthusiasm to find

106  
00:04:12,789 --> 00:04:10,080  
the truth and i decided to do something

107  
00:04:15,110 --> 00:04:12,799  
constructive with it which led me to my

108  
00:04:17,830 --> 00:04:15,120  
youtube channel which is why i'm here

109  
00:04:20,229 --> 00:04:17,840  
today yeah excellent well you know i say

110  
00:04:22,469 --> 00:04:20,239  
the same thing i'm no one special either

111  
00:04:25,749 --> 00:04:22,479  
you know i had a sighting i had a

112  
00:04:28,390 --> 00:04:25,759  
curiosity and i think um you know i saw

113  
00:04:31,990 --> 00:04:28,400

that you interviewed avi loeb

114

00:04:34,070 --> 00:04:32,000

and one of his things that he says is

115

00:04:36,870 --> 00:04:34,080

about the questions have have questions

116

00:04:38,870 --> 00:04:36,880

like a child he says that um and that's

117

00:04:42,070 --> 00:04:38,880

how science you know moves forward to

118

00:04:43,590 --> 00:04:42,080

have these questions and curiosity and

119

00:04:45,909 --> 00:04:43,600

and that's true and i'm not sure if

120

00:04:48,150 --> 00:04:45,919

we'll ever find out what that's going on

121

00:04:50,310 --> 00:04:48,160

but there's certainly a lot of of

122

00:04:51,670 --> 00:04:50,320

questions and i remember talking to my

123

00:04:53,510 --> 00:04:51,680

friend dean out in

124

00:04:56,230 --> 00:04:53,520

california um

125

00:04:58,550 --> 00:04:56,240

and he said maybe it's we gotta find out

126

00:05:00,310 --> 00:04:58,560

what is the right question to ask

127

00:05:01,990 --> 00:05:00,320

you know so

128

00:05:03,749 --> 00:05:02,000

it's great i remember my son when he was

129

00:05:05,909 --> 00:05:03,759

about

130

00:05:08,310 --> 00:05:05,919

three or four he said to me one day we

131

00:05:10,950 --> 00:05:08,320

were driving in the car and he said

132

00:05:13,749 --> 00:05:10,960

paw what makes clouds stay up

133

00:05:15,590 --> 00:05:13,759

and i was like well

134

00:05:18,550 --> 00:05:15,600

you know i don't know

135

00:05:21,990 --> 00:05:18,560

they do that's why they do

136

00:05:23,430 --> 00:05:22,000

so so you're uh gen z a question i

137

00:05:25,350 --> 00:05:23,440

always had is

138

00:05:29,029 --> 00:05:25,360

all right what's the generation behind

139

00:05:31,189 --> 00:05:29,039

you is it like zzz like zz top tell me

140

00:05:34,070 --> 00:05:31,199

you know who zz top is right you know i

141

00:05:37,110 --> 00:05:34,080

know the name but i'm not familiar with

142

00:05:39,189 --> 00:05:37,120

his music i thought so yeah

143

00:05:41,670 --> 00:05:39,199

but i think the generation before mine

144

00:05:42,550 --> 00:05:41,680

is generation y

145

00:05:44,629 --> 00:05:42,560

oh

146

00:05:46,390 --> 00:05:44,639

and then it's millennials um before that

147

00:05:49,110 --> 00:05:46,400

but i could be wrong no i mean after

148

00:05:51,749 --> 00:05:49,120

what's the next one after z it's x

149

00:05:54,710 --> 00:05:51,759

generation x

150

00:05:56,469 --> 00:05:54,720

but please in the live chat um yeah yeah

151  
00:05:58,710 --> 00:05:56,479  
let us know

152  
00:06:00,950 --> 00:05:58,720  
google it we can't google it oh see and

153  
00:06:04,070 --> 00:06:00,960  
that's that's the interesting thing in

154  
00:06:05,510 --> 00:06:04,080  
today's world is uh now children they

155  
00:06:07,830 --> 00:06:05,520  
don't ask their parents questions

156  
00:06:10,469 --> 00:06:07,840  
anymore now they ask alexa they ask

157  
00:06:11,830 --> 00:06:10,479  
google they ask they ask their friends i

158  
00:06:13,830 --> 00:06:11,840  
have one in the room so we got to be

159  
00:06:16,230 --> 00:06:13,840  
careful

160  
00:06:17,430 --> 00:06:16,240  
i've had that happen a couple of times

161  
00:06:19,270 --> 00:06:17,440  
but anyway

162  
00:06:23,189 --> 00:06:19,280  
you're right i mean you know and it's

163  
00:06:25,350 --> 00:06:23,199

the same thing i you know i as a joke i

164

00:06:27,749 --> 00:06:25,360

say our um

165

00:06:29,430 --> 00:06:27,759

our smartphones are making us dumber

166

00:06:30,390 --> 00:06:29,440

and it's just that we don't have to

167

00:06:31,670 --> 00:06:30,400

spell

168

00:06:32,950 --> 00:06:31,680

you know you don't really have to learn

169

00:06:34,469 --> 00:06:32,960

how to spell you don't have to learn how

170

00:06:37,510 --> 00:06:34,479

to add i know i'm sounding like an old

171

00:06:38,790 --> 00:06:37,520

geezer but um it's true like we have all

172

00:06:41,189 --> 00:06:38,800

this

173

00:06:43,189 --> 00:06:41,199

everything so optimal that we don't

174

00:06:46,150 --> 00:06:43,199

really need to think all that much

175

00:06:49,110 --> 00:06:46,160

about certain things you know like like

176

00:06:51,189 --> 00:06:49,120

adding or or um or trying to research

177

00:06:53,270 --> 00:06:51,199

now being an appraiser

178

00:06:55,670 --> 00:06:53,280

um with antiques and things like that

179

00:06:57,270 --> 00:06:55,680

and history i've had i did my research

180

00:06:59,110 --> 00:06:57,280

at library have you heard of you've

181

00:07:01,189 --> 00:06:59,120

heard of libraries right yeah i grew up

182

00:07:03,110 --> 00:07:01,199

in a library i love them so much all

183

00:07:05,670 --> 00:07:03,120

right but that's what the only place i

184

00:07:07,350 --> 00:07:05,680

could get my information that and um you

185

00:07:09,110 --> 00:07:07,360

know like historical societies things

186

00:07:11,670 --> 00:07:09,120

like that that was it

187

00:07:12,870 --> 00:07:11,680

and now there's all kinds of

188

00:07:13,830 --> 00:07:12,880

information

189

00:07:16,230 --> 00:07:13,840

so

190

00:07:17,510 --> 00:07:16,240

there there is and you know with with

191

00:07:21,110 --> 00:07:17,520

the internet

192

00:07:23,909 --> 00:07:21,120

i i feel like i see our global society

193

00:07:26,070 --> 00:07:23,919

as having all the tools available to

194

00:07:28,790 --> 00:07:26,080

really advance ourselves towards

195

00:07:31,990 --> 00:07:28,800

becoming a type one civilization on the

196

00:07:34,469 --> 00:07:32,000

kardashev scale so and you know what i

197

00:07:36,790 --> 00:07:34,479

think we take internet

198

00:07:38,390 --> 00:07:36,800

for granted it wasn't even a concept

199

00:07:40,629 --> 00:07:38,400

that could even been imagined as a

200

00:07:42,469 --> 00:07:40,639

reality 40 years ago

201  
00:07:44,150 --> 00:07:42,479  
all of the wealth of knowledge at our

202  
00:07:47,830 --> 00:07:44,160  
fingertips the history of our

203  
00:07:50,150 --> 00:07:47,840  
civilization um to to the discoveries

204  
00:07:53,510 --> 00:07:50,160  
the science the journals the shared

205  
00:07:55,189 --> 00:07:53,520  
collective human experience all in one

206  
00:07:58,629 --> 00:07:55,199  
place but what do we do with the

207  
00:08:02,070 --> 00:07:58,639  
internet instead we squabble we let our

208  
00:08:05,189 --> 00:08:02,080  
egos run amok and compete for social

209  
00:08:08,629 --> 00:08:05,199  
standing we obsess over entertainment

210  
00:08:10,950 --> 00:08:08,639  
and so-called icons and celebrities and

211  
00:08:13,189 --> 00:08:10,960  
you know what if if we knew how to

212  
00:08:15,589 --> 00:08:13,199  
really manage the internet

213  
00:08:19,110 --> 00:08:15,599

we wouldn't be in this situation that we

214

00:08:21,110 --> 00:08:19,120

are now in this entertainment malaise we

215

00:08:23,110 --> 00:08:21,120

could all be very well educated if we

216

00:08:27,029 --> 00:08:23,120

used it properly

217

00:08:30,869 --> 00:08:27,039

wow um i like that stump you're on

218

00:08:33,509 --> 00:08:30,879

because uh i i personally i i get kind

219

00:08:36,949 --> 00:08:33,519

of discouraged with social media myself

220

00:08:39,509 --> 00:08:36,959

and so i just do it as bare bones and

221

00:08:41,190 --> 00:08:39,519

and i'm on it for you know like to

222

00:08:43,029 --> 00:08:41,200

promote the show or

223

00:08:44,870 --> 00:08:43,039

uh you know that that type of thing or

224

00:08:46,630 --> 00:08:44,880

to connect to people

225

00:08:49,590 --> 00:08:46,640

like guests and things like that a lot

226  
00:08:52,630 --> 00:08:49,600  
of people is use facebook messenger i i

227  
00:08:54,230 --> 00:08:52,640  
do that type of thing but as far as like

228  
00:08:55,670 --> 00:08:54,240  
you know i have people that contact me

229  
00:08:58,710 --> 00:08:55,680  
all the time and they say

230  
00:09:00,389 --> 00:08:58,720  
oh you know the ufo world is in turmoil

231  
00:09:02,870 --> 00:09:00,399  
and there's you know this person against

232  
00:09:04,389 --> 00:09:02,880  
this faction against that faction and

233  
00:09:06,310 --> 00:09:04,399  
you know lou wells on those

234  
00:09:07,990 --> 00:09:06,320  
disinformation and you know on and on

235  
00:09:08,790 --> 00:09:08,000  
and on you hear all these these type of

236  
00:09:10,230 --> 00:09:08,800  
things

237  
00:09:12,550 --> 00:09:10,240  
um and

238  
00:09:15,590 --> 00:09:12,560

so i don't i don't get involved in any

239

00:09:18,230 --> 00:09:15,600

of that because i'm not in that realm so

240

00:09:20,829 --> 00:09:18,240

i mean i i get i get you know i do get

241

00:09:23,030 --> 00:09:20,839

some hate mail that's okay you

242

00:09:25,350 --> 00:09:23,040

know we have certain opinions

243

00:09:26,070 --> 00:09:25,360

and uh but anyway um

244

00:09:28,230 --> 00:09:26,080

so

245

00:09:30,470 --> 00:09:28,240

you know if we can handle

246

00:09:32,710 --> 00:09:30,480

this socially

247

00:09:35,350 --> 00:09:32,720

to move forward instead of backward

248

00:09:37,509 --> 00:09:35,360

that's that's what kind of worries me

249

00:09:40,870 --> 00:09:37,519

you know in the future uh which way we

250

00:09:42,230 --> 00:09:40,880

go with our our technology i had um i've

251  
00:09:43,310 --> 00:09:42,240  
talked about this a number of times i

252  
00:09:46,790 --> 00:09:43,320  
had a

253  
00:09:48,230 --> 00:09:46,800  
astrophysicist that was a visiting nasa

254  
00:09:49,750 --> 00:09:48,240  
scientist

255  
00:09:51,110 --> 00:09:49,760  
on my show and he said that his

256  
00:09:53,190 --> 00:09:51,120  
colleagues

257  
00:09:54,150 --> 00:09:53,200  
um along with himself

258  
00:09:58,230 --> 00:09:54,160  
uh

259  
00:10:00,230 --> 00:09:58,240  
any civilization that can get through

260  
00:10:02,069 --> 00:10:00,240  
the bottleneck of technology without

261  
00:10:03,190 --> 00:10:02,079  
blowing themselves up will travel the

262  
00:10:05,430 --> 00:10:03,200  
stars

263  
00:10:06,949 --> 00:10:05,440

so i think it's true it's a bottleneck

264

00:10:09,670 --> 00:10:06,959

of technology

265

00:10:12,710 --> 00:10:09,680

you know we're seeing that right now

266

00:10:14,949 --> 00:10:12,720

it is and he's he's not wrong and though

267

00:10:16,870 --> 00:10:14,959

the way i see it if we don't destroy

268

00:10:20,230 --> 00:10:16,880

ourselves as a species

269

00:10:23,110 --> 00:10:20,240

then our future will inevitably lead us

270

00:10:25,910 --> 00:10:23,120

humans placing foot in our solar system

271

00:10:28,790 --> 00:10:25,920

and then beyond to other star systems

272

00:10:30,230 --> 00:10:28,800

but the question is how far away is that

273

00:10:31,350 --> 00:10:30,240

in our future

274

00:10:34,069 --> 00:10:31,360

well if

275

00:10:37,350 --> 00:10:34,079

if by our own natural technological

276

00:10:39,590 --> 00:10:37,360

development maybe a long time

277

00:10:42,790 --> 00:10:39,600

but if we're being visited by other

278

00:10:45,110 --> 00:10:42,800

space-faring species and open full

279

00:10:49,430 --> 00:10:45,120

contact uh is coming

280

00:10:52,710 --> 00:10:49,440

maybe in my lifetime we could be there

281

00:10:56,310 --> 00:10:52,720

in space and the biggest thing is having

282

00:10:58,630 --> 00:10:56,320

that curiosity that imagination but also

283

00:11:02,949 --> 00:10:58,640

having the basic knowledge

284

00:11:03,829 --> 00:11:02,959

on how to use the internet and the best

285

00:11:06,150 --> 00:11:03,839

way

286

00:11:08,949 --> 00:11:06,160

to share the information

287

00:11:11,509 --> 00:11:08,959

that we acquire this is why we have

288

00:11:14,389 --> 00:11:11,519

these ufo podcasts these youtube

289

00:11:17,110 --> 00:11:14,399

channels so on and so forth we have to

290

00:11:19,590 --> 00:11:17,120

fill in those gaps into where the

291

00:11:21,030 --> 00:11:19,600

mainstream media falls short and i i

292

00:11:23,190 --> 00:11:21,040

think we're

293

00:11:25,829 --> 00:11:23,200

we're doing so much

294

00:11:28,550 --> 00:11:25,839

for our civilization as a whole by

295

00:11:30,949 --> 00:11:28,560

talking about this amazing and

296

00:11:34,069 --> 00:11:30,959

mysterious phenomenon

297

00:11:35,590 --> 00:11:34,079

yes yeah and it's and it's changed so

298

00:11:38,710 --> 00:11:35,600

much one of the questions i was going to

299

00:11:42,630 --> 00:11:38,720

ask you tonight was

300

00:11:44,949 --> 00:11:42,640

did you happen to catch when the 2017

301  
00:11:47,829 --> 00:11:44,959  
new york times article came out december

302  
00:11:49,750 --> 00:11:47,839  
16 when that came out the pentagon is

303  
00:11:51,910 --> 00:11:49,760  
studying ufos and that uh

304  
00:11:52,870 --> 00:11:51,920  
aurora's i forget what it was called

305  
00:11:55,430 --> 00:11:52,880  
um

306  
00:11:57,670 --> 00:11:55,440  
but did you happen to catch that or or

307  
00:12:00,150 --> 00:11:57,680  
start hearing about it you know what

308  
00:12:02,069 --> 00:12:00,160  
made you feel more comfortable in and

309  
00:12:04,550 --> 00:12:02,079  
looking into this topic

310  
00:12:06,710 --> 00:12:04,560  
so in when this article came out i was

311  
00:12:10,310 --> 00:12:06,720  
still in high school i was just 17 years

312  
00:12:11,910 --> 00:12:10,320  
old so i wasn't very interested in like

313  
00:12:13,829 --> 00:12:11,920

reading the new york times and being

314

00:12:15,829 --> 00:12:13,839

involved in politics and and being

315

00:12:18,470 --> 00:12:15,839

incredibly serious about the topic and i

316

00:12:21,269 --> 00:12:18,480

see you laughing but um it's true it

317

00:12:24,310 --> 00:12:21,279

really is true so i didn't get very

318

00:12:27,110 --> 00:12:24,320

serious about it until until college and

319

00:12:29,670 --> 00:12:27,120

i had a lot to catch up on starting from

320

00:12:31,750 --> 00:12:29,680

2017 and then making my way through to

321

00:12:34,790 --> 00:12:31,760

all the more modern knowledge but then

322

00:12:37,190 --> 00:12:34,800

also the history of all the ufo

323

00:12:39,670 --> 00:12:37,200

sightings all these bits and pieces the

324

00:12:42,230 --> 00:12:39,680

the science aspect the abductions and so

325

00:12:44,949 --> 00:12:42,240

on and so forth so when 20 when this

326

00:12:47,430 --> 00:12:44,959

article hit in 2017 i was oblivious to

327

00:12:49,590 --> 00:12:47,440

it i didn't even know it existed because

328

00:12:51,990 --> 00:12:49,600

it wasn't it wasn't the talk in school

329

00:12:53,670 --> 00:12:52,000

right in in high school for you that

330

00:12:55,509 --> 00:12:53,680

have kids or for those that are

331

00:12:58,629 --> 00:12:55,519

listening um they talk about really

332

00:13:01,030 --> 00:12:58,639

boring things and ufos is usually never

333

00:13:03,190 --> 00:13:01,040

a topic unless it's related to maybe a

334

00:13:06,230 --> 00:13:03,200

tv show or a new movie that came out but

335

00:13:08,629 --> 00:13:06,240

other than that the actual uh politics

336

00:13:10,230 --> 00:13:08,639

to it i guess in this sense no i i

337

00:13:11,030 --> 00:13:10,240

didn't know anything about it at the

338

00:13:13,350 --> 00:13:11,040

time

339

00:13:15,829 --> 00:13:13,360

i was only laughing because i thought

340

00:13:16,790 --> 00:13:15,839

you were so much better off not

341

00:13:21,269 --> 00:13:16,800

not

342

00:13:22,230 --> 00:13:21,279

anyway here's a here's a question that

343

00:13:24,550 --> 00:13:22,240

popped up

344

00:13:26,069 --> 00:13:24,560

oh um lee spiegel just put in it's

345

00:13:28,310 --> 00:13:26,079

glowing oh

346

00:13:28,949 --> 00:13:28,320

i'll just pull up his text the title to

347

00:13:30,790 --> 00:13:28,959

it

348

00:13:31,670 --> 00:13:30,800

is and thank you lee

349

00:13:37,110 --> 00:13:31,680

is

350

00:13:39,670 --> 00:13:37,120

and black money yeah a lot i think there

351  
00:13:41,269 --> 00:13:39,680  
was one more but anyway here's a message

352  
00:13:43,030 --> 00:13:41,279  
and thank you for putting that in caps

353  
00:13:46,389 --> 00:13:43,040  
if you have a question you want me to

354  
00:13:48,870 --> 00:13:46,399  
ask put in caps so what do you think

355  
00:13:50,790 --> 00:13:48,880  
the generational procession perceptions

356  
00:13:52,389 --> 00:13:50,800  
affect the phenomenon i don't know

357  
00:13:55,350 --> 00:13:52,399  
exactly what he means do you understand

358  
00:13:57,990 --> 00:13:55,360  
that question um to my understanding i

359  
00:14:00,470 --> 00:13:58,000  
think he means how does my how does my

360  
00:14:03,910 --> 00:14:00,480  
generation the perspectives affect the

361  
00:14:05,350 --> 00:14:03,920  
phenomenon in the sense of um for

362  
00:14:08,069 --> 00:14:05,360  
firm okay

363  
00:14:11,110 --> 00:14:08,079

my mini backtrack so

364

00:14:13,990 --> 00:14:11,120

how i see my generation

365

00:14:15,590 --> 00:14:14,000

handling the subject it's kind of like

366

00:14:17,430 --> 00:14:15,600

they shrug their shoulders like this

367

00:14:20,470 --> 00:14:17,440

yeah i already know that but they don't

368

00:14:22,629 --> 00:14:20,480

understand the history and the the

369

00:14:25,509 --> 00:14:22,639

amount of effort that is being placed

370

00:14:27,990 --> 00:14:25,519

into it you know um we grew up with the

371

00:14:31,189 --> 00:14:28,000

internet we grew up with a phone in our

372

00:14:32,870 --> 00:14:31,199

cell phones as suit a phone in our hands

373

00:14:35,350 --> 00:14:32,880

as soon as we left the womb all right we

374

00:14:37,350 --> 00:14:35,360

were like i'm ready i'm already addicted

375

00:14:39,910 --> 00:14:37,360

so for for us getting that information

376

00:14:42,389 --> 00:14:39,920

isn't difficult it's not even a question

377

00:14:45,269 --> 00:14:42,399

it's like yeah obviously but when it

378

00:14:47,509 --> 00:14:45,279

comes to you know project blue book when

379

00:14:50,629 --> 00:14:47,519

it comes to that article in 2017 when it

380

00:14:53,430 --> 00:14:50,639

comes to the the push for a uap

381

00:14:56,470 --> 00:14:53,440

office the preliminary report

382

00:14:58,389 --> 00:14:56,480

these are things that aren't necessarily

383

00:15:01,350 --> 00:14:58,399

considered or even i guess in some

384

00:15:03,590 --> 00:15:01,360

respects classified as important for

385

00:15:05,990 --> 00:15:03,600

some of people in my generation

386

00:15:06,790 --> 00:15:06,000

just because it might be a little bit

387

00:15:09,269 --> 00:15:06,800

too

388

00:15:12,710 --> 00:15:09,279

complex because there isn't really any

389

00:15:14,470 --> 00:15:12,720

foundation to build on and with my

390

00:15:16,870 --> 00:15:14,480

channel specifically shifting the

391

00:15:19,590 --> 00:15:16,880

paradigm paradigm shifts and mysteries

392

00:15:21,509 --> 00:15:19,600

with the history it's all about building

393

00:15:23,670 --> 00:15:21,519

that foundation for those that don't

394

00:15:26,550 --> 00:15:23,680

know anything about the topic either

395

00:15:29,269 --> 00:15:26,560

from my generation or for any age that

396

00:15:31,430 --> 00:15:29,279

is just now jumping in

397

00:15:34,629 --> 00:15:31,440

really after

398

00:15:37,430 --> 00:15:34,639

last year when the mainstream media was

399

00:15:40,230 --> 00:15:37,440

really placing serious coverage on the

400

00:15:42,389 --> 00:15:40,240

topic leading up to the uap preliminary

401  
00:15:45,350 --> 00:15:42,399  
report in june

402  
00:15:47,910 --> 00:15:45,360  
and i think that was a really big

403  
00:15:50,310 --> 00:15:47,920  
eye-opener for a lot of people in

404  
00:15:52,710 --> 00:15:50,320  
general to start asking questions like

405  
00:15:54,470 --> 00:15:52,720  
what the government what are they doing

406  
00:15:57,269 --> 00:15:54,480  
what's going on we're gonna be getting

407  
00:16:00,389 --> 00:15:57,279  
reports every six months what like what

408  
00:16:04,230 --> 00:16:00,399  
i want to know more about this and

409  
00:16:07,030 --> 00:16:04,240  
there are a lot of ufo podcasts and i

410  
00:16:09,509 --> 00:16:07,040  
think that when i was first starting i

411  
00:16:11,030 --> 00:16:09,519  
would try to listen in but they were so

412  
00:16:13,590 --> 00:16:11,040  
advanced at the time talking about

413  
00:16:15,910 --> 00:16:13,600

topics that i didn't even understand or

414

00:16:17,590 --> 00:16:15,920

stories that they would kind of touch on

415

00:16:20,150 --> 00:16:17,600

and then like jump to another thing and

416

00:16:23,829 --> 00:16:20,160

i'm thinking hold on what's roswell what

417

00:16:26,069 --> 00:16:23,839

happened yeah and and so for me

418

00:16:27,189 --> 00:16:26,079

my biggest

419

00:16:31,030 --> 00:16:27,199

purpose

420

00:16:33,749 --> 00:16:31,040

is one to learn with my audience because

421

00:16:36,230 --> 00:16:33,759

i i am learning every single day i

422

00:16:37,350 --> 00:16:36,240

didn't i didn't wake up one day knowing

423

00:16:39,110 --> 00:16:37,360

everything

424

00:16:39,829 --> 00:16:39,120

i don't think that'll ever happen

425

00:16:45,749 --> 00:16:39,839

but

426

00:16:48,710 --> 00:16:45,759

helping others just to have a solid

427

00:16:50,550 --> 00:16:48,720

foundation to to build on from there or

428

00:16:52,310 --> 00:16:50,560

they can start reading articles they can

429

00:16:53,670 --> 00:16:52,320

start reading the political the new york

430

00:16:56,069 --> 00:16:53,680

times when they talk about the ufo

431

00:16:59,269 --> 00:16:56,079

phenomenon they can go to someone else's

432

00:17:01,749 --> 00:16:59,279

podcast and like get what they're saying

433

00:17:04,870 --> 00:17:01,759

versus going in blind and saying

434

00:17:08,230 --> 00:17:04,880

uh i've i have no idea what's going on

435

00:17:08,949 --> 00:17:08,240

i i agree with that and i do apologize

436

00:17:12,949 --> 00:17:08,959

to

437

00:17:14,870 --> 00:17:12,959

show and i apologize because i'm guilty

438

00:17:16,949 --> 00:17:14,880

of jumping right into a topic that i

439

00:17:19,350 --> 00:17:16,959

assume everyone knows about i've done

440

00:17:21,029 --> 00:17:19,360

that a number of times and my friend

441

00:17:23,829 --> 00:17:21,039

alejandro rojas

442

00:17:26,390 --> 00:17:23,839

and i i'm not sure if you know him he's

443

00:17:28,549 --> 00:17:26,400

been a little bit quiet last year or so

444

00:17:29,350 --> 00:17:28,559

but he and i've had many conversations

445

00:17:31,350 --> 00:17:29,360

where

446

00:17:33,110 --> 00:17:31,360

okay so it's roswell but we got to give

447

00:17:34,630 --> 00:17:33,120

the nutshell because there's new people

448

00:17:36,789 --> 00:17:34,640

listening and they'll go away if they

449

00:17:38,950 --> 00:17:36,799

don't understand and that's that's

450

00:17:41,270 --> 00:17:38,960

really that's really the truth

451  
00:17:42,870 --> 00:17:41,280  
it's a catch-22 because you have

452  
00:17:46,470 --> 00:17:42,880  
listeners that have been in the field

453  
00:17:48,470 --> 00:17:46,480  
for decades like oh roswell again click

454  
00:17:50,710 --> 00:17:48,480  
off but then you have new people that

455  
00:17:53,990 --> 00:17:50,720  
are brand new and they're saying what's

456  
00:17:56,390 --> 00:17:54,000  
roswell i want to know so it's it's it's

457  
00:17:58,710 --> 00:17:56,400  
this balance that you have to play with

458  
00:18:01,190 --> 00:17:58,720  
but i think you know

459  
00:18:02,950 --> 00:18:01,200  
everyone every person that has their own

460  
00:18:03,909 --> 00:18:02,960  
show or podcast or

461  
00:18:06,310 --> 00:18:03,919  
um

462  
00:18:07,830 --> 00:18:06,320  
news article know knows who their

463  
00:18:10,310 --> 00:18:07,840

audience are and then

464

00:18:11,909 --> 00:18:10,320

from there it can kind of gauge

465

00:18:13,990 --> 00:18:11,919

what they need to do and how they need

466

00:18:16,230 --> 00:18:14,000

to approach it but in my case i'm just

467

00:18:18,150 --> 00:18:16,240

dealing with brand new people that don't

468

00:18:19,990 --> 00:18:18,160

know much about the topic just like how

469

00:18:22,630 --> 00:18:20,000

i was when i first started

470

00:18:24,630 --> 00:18:22,640

so how do you how do you rope them in

471

00:18:25,350 --> 00:18:24,640

what what is the the catch that gets

472

00:18:27,190 --> 00:18:25,360

them

473

00:18:29,190 --> 00:18:27,200

like i'm going to

474

00:18:32,470 --> 00:18:29,200

check out this youtube channel or or

475

00:18:36,150 --> 00:18:35,029

for myself what

476

00:18:52,310 --> 00:18:36,160

i

477

00:18:55,110 --> 00:18:52,320

tell you the truth the whole truth and

478

00:18:57,190 --> 00:18:55,120

nothing but the truth um yeah i i can't

479

00:18:59,430 --> 00:18:57,200

say that because i am learning every

480

00:19:02,870 --> 00:18:59,440

single day and my audience

481

00:19:05,110 --> 00:19:02,880

i i try to say that as often as i can

482

00:19:07,510 --> 00:19:05,120

because i don't want people want to

483

00:19:09,830 --> 00:19:07,520

place me in a high pedestal thinking

484

00:19:11,909 --> 00:19:09,840

christina gomez notices everything oh my

485

00:19:13,830 --> 00:19:11,919

goodness i need to ask her i need her i

486

00:19:16,310 --> 00:19:13,840

need her to write a book or something

487

00:19:19,750 --> 00:19:16,320

which i i am writing one but um that's

488

00:19:23,350 --> 00:19:19,760

besides the point but it's it's

489

00:19:24,390 --> 00:19:23,360

it's really just telling people i have a

490

00:19:27,750 --> 00:19:24,400

lot of questions

491

00:19:29,510 --> 00:19:27,760

i want answers and let's go through this

492

00:19:32,150 --> 00:19:29,520

together

493

00:19:34,390 --> 00:19:32,160

that's it and do you use you must use

494

00:19:35,669 --> 00:19:34,400

like social media to

495

00:19:38,390 --> 00:19:35,679

get people

496

00:19:40,549 --> 00:19:38,400

i mean that is a really good tool

497

00:19:42,630 --> 00:19:40,559

to to get people your own age i mean

498

00:19:43,270 --> 00:19:42,640

everyone's on social media of some kind

499

00:19:46,310 --> 00:19:43,280

and

500

00:19:48,549 --> 00:19:46,320

i i've heard of instagram

501

00:19:51,029 --> 00:19:48,559

i don't know what it is i've never been

502

00:19:53,909 --> 00:19:51,039

on it you know that type of thing so a

503

00:19:56,470 --> 00:19:53,919

dinosaur yeah the dinosaurs were we were

504

00:19:58,390 --> 00:19:56,480

kind of trying to get into this in ways

505

00:19:59,510 --> 00:19:58,400

that we can

506

00:20:02,149 --> 00:19:59,520

yes

507

00:20:03,990 --> 00:20:02,159

well with social media and um i just

508

00:20:05,590 --> 00:20:04,000

want to say i'm noticing people are

509

00:20:07,430 --> 00:20:05,600

saying that there's an echo in the live

510

00:20:10,470 --> 00:20:07,440

stream so maybe i'm coming through too

511

00:20:13,190 --> 00:20:10,480

loud on your speakers um

512

00:20:15,350 --> 00:20:13,200

so let me kind of like back up unless

513

00:20:16,630 --> 00:20:15,360

unless you have headphones maybe that

514

00:20:18,870 --> 00:20:16,640

can like

515

00:20:20,630 --> 00:20:18,880

block the echo how's that that should be

516

00:20:22,390 --> 00:20:20,640

better thank you for those in the chat

517

00:20:24,630 --> 00:20:22,400

sorry about that yeah yeah i couldn't

518

00:20:26,630 --> 00:20:24,640

hear it on this side so uh yeah i moved

519

00:20:27,750 --> 00:20:26,640

my mic closer to me that should do it

520

00:20:31,590 --> 00:20:27,760

perfect

521

00:20:32,470 --> 00:20:31,600

so when it comes to social media

522

00:20:38,950 --> 00:20:32,480

it's

523

00:20:40,830 --> 00:20:38,960

of worms in itself and um for those that

524

00:20:43,110 --> 00:20:40,840

don't know much about it it can be

525

00:20:45,750 --> 00:20:43,120

incredibly overwhelming when there are

526  
00:20:47,190 --> 00:20:45,760  
so many platforms you have twitter you

527  
00:20:50,070 --> 00:20:47,200  
have facebook you have instagram you

528  
00:20:51,590 --> 00:20:50,080  
have pinterest you have all these other

529  
00:20:53,830 --> 00:20:51,600  
video streaming

530  
00:20:56,230 --> 00:20:53,840  
channels as well like uh platforms like

531  
00:20:57,270 --> 00:20:56,240  
twitch and vimeo and and all of these

532  
00:20:58,870 --> 00:20:57,280  
things

533  
00:21:02,630 --> 00:20:58,880  
at linkedin

534  
00:21:03,750 --> 00:21:02,640  
so it's a lot it is a lot but i feel

535  
00:21:06,149 --> 00:21:03,760  
like

536  
00:21:08,950 --> 00:21:06,159  
once you have your basic formula once

537  
00:21:11,830 --> 00:21:08,960  
you have a nice framework

538  
00:21:14,710 --> 00:21:11,840

going and just posting write your show

539

00:21:16,950 --> 00:21:14,720

everywhere it becomes a little bit

540

00:21:20,070 --> 00:21:16,960

easier and a little bit less stressful

541

00:21:23,270 --> 00:21:20,080

along with every platform also has their

542

00:21:29,029 --> 00:21:25,110

like foundation uh

543

00:21:31,270 --> 00:21:29,039

formula as well in the sense of some

544

00:21:33,430 --> 00:21:31,280

social media platforms like hashtags

545

00:21:35,350 --> 00:21:33,440

some don't depends on how many you do

546

00:21:37,510 --> 00:21:35,360

this side and the other how like the

547

00:21:40,070 --> 00:21:37,520

word requirement you need like for for

548

00:21:42,950 --> 00:21:40,080

youtube being a certain word requirement

549

00:21:44,950 --> 00:21:42,960

so with all of it it requires a good

550

00:21:47,590 --> 00:21:44,960

amount of research but once you have

551  
00:21:50,470 --> 00:21:47,600  
your foundation down it becomes a lot

552  
00:21:53,510 --> 00:21:50,480  
easier now when you're dealing with like

553  
00:21:56,230 --> 00:21:53,520  
private messages or like comments then

554  
00:21:58,630 --> 00:21:56,240  
yeah it it can be that part i think is

555  
00:22:00,630 --> 00:21:58,640  
the most overwhelming blasting out the

556  
00:22:02,630 --> 00:22:00,640  
show is easy

557  
00:22:04,310 --> 00:22:02,640  
it's i think i think it's the little

558  
00:22:06,710 --> 00:22:04,320  
details a little paying attention to

559  
00:22:08,950 --> 00:22:06,720  
details that are the most difficult but

560  
00:22:11,430 --> 00:22:08,960  
as long as for those that are listening

561  
00:22:13,190 --> 00:22:11,440  
that want to start their own podcast for

562  
00:22:14,950 --> 00:22:13,200  
whatever whatever

563  
00:22:17,190 --> 00:22:14,960

niche that may be

564

00:22:19,590 --> 00:22:17,200

just put yourself out there put yourself

565

00:22:21,669 --> 00:22:19,600

on every single social media that you

566

00:22:23,830 --> 00:22:21,679

can and then go from there because if

567

00:22:24,830 --> 00:22:23,840

you just do one platform like let's just

568

00:22:27,750 --> 00:22:24,840

say

569

00:22:30,310 --> 00:22:27,760

facebook yeah you might do well but you

570

00:22:32,789 --> 00:22:30,320

won't do great

571

00:22:34,149 --> 00:22:32,799

right right just uh i don't know why i

572

00:22:35,990 --> 00:22:34,159

thought of this now but i want to

573

00:22:38,310 --> 00:22:36,000

announce it is next

574

00:22:39,430 --> 00:22:38,320

wednesday a week from tomorrow on the

575

00:22:43,110 --> 00:22:39,440

19th

576

00:22:45,270 --> 00:22:43,120

at 11 p.m eastern time 8 p.m

577

00:22:46,549 --> 00:22:45,280

um pacific time i have two people from

578

00:22:48,310 --> 00:22:46,559

the west coast

579

00:22:50,310 --> 00:22:48,320

that are i'm going to be on the

580

00:22:52,470 --> 00:22:50,320

everything else show this another show i

581

00:22:54,789 --> 00:22:52,480

do on this youtube channel where it's

582

00:22:56,710 --> 00:22:54,799

topics that i'm interested in

583

00:22:58,950 --> 00:22:56,720

my listeners may not be interested in

584

00:23:01,190 --> 00:22:58,960

them at all but this one in particular

585

00:23:03,669 --> 00:23:01,200

is on climate change

586

00:23:05,270 --> 00:23:03,679

professor rebecca newman

587

00:23:07,190 --> 00:23:05,280

she's a

588

00:23:09,350 --> 00:23:07,200

mit

589

00:23:10,870 --> 00:23:09,360

phd and she

590

00:23:13,590 --> 00:23:10,880

is um

591

00:23:16,390 --> 00:23:13,600

really involved in climate so is uh

592

00:23:19,110 --> 00:23:16,400

megan colleen um with her master's

593

00:23:23,029 --> 00:23:19,120

degree um and also we're gonna be

594

00:23:25,350 --> 00:23:23,039

talking about the climate change and um

595

00:23:28,950 --> 00:23:25,360

the science of it and the interesting

596

00:23:31,029 --> 00:23:28,960

things that maybe um we don't know

597

00:23:32,149 --> 00:23:31,039

and i'm taking questions for that that's

598

00:23:34,390 --> 00:23:32,159

the reason i'm putting that out there

599

00:23:35,750 --> 00:23:34,400

now so if anyone wants to email me

600

00:23:38,230 --> 00:23:35,760

questions for them

601  
00:23:40,149 --> 00:23:38,240  
my email address is martin at podcast

602  
00:23:43,750 --> 00:23:40,159  
ufo.com

603  
00:23:44,549 --> 00:23:43,760  
so where were we um

604  
00:23:45,830 --> 00:23:44,559  
so

605  
00:23:46,789 --> 00:23:45,840  
i want to know

606  
00:23:48,870 --> 00:23:46,799  
what

607  
00:23:50,950 --> 00:23:48,880  
your very first video when you did

608  
00:23:53,029 --> 00:23:50,960  
analysis

609  
00:23:55,350 --> 00:23:53,039  
did you have a youtube channel already

610  
00:23:56,789 --> 00:23:55,360  
established and you said okay i'm going

611  
00:23:59,029 --> 00:23:56,799  
to put this up i'm going to go through

612  
00:24:01,430 --> 00:23:59,039  
this video i'm going to enhance it

613  
00:24:04,470 --> 00:24:01,440

how did that all happen

614

00:24:07,190 --> 00:24:04,480

for for me i kind of wanted to

615

00:24:08,710 --> 00:24:07,200

ease in to the to the whole youtube

616

00:24:09,590 --> 00:24:08,720

thing and i originally used to make

617

00:24:11,909 --> 00:24:09,600

music

618

00:24:13,750 --> 00:24:11,919

so i used a program called acid pro and

619

00:24:17,190 --> 00:24:13,760

i would just kind of make music that i

620

00:24:20,149 --> 00:24:17,200

liked or or even kind of like asmr sleep

621

00:24:21,909 --> 00:24:20,159

music because i don't sleep very well so

622

00:24:24,230 --> 00:24:21,919

i wanted to create something that i

623

00:24:25,510 --> 00:24:24,240

could go ahead and really enjoy and

624

00:24:28,549 --> 00:24:25,520

sleep to

625

00:24:30,149 --> 00:24:28,559

but as time progressed

626

00:24:32,710 --> 00:24:30,159

i wanted to

627

00:24:34,549 --> 00:24:32,720

well i also experienced with with music

628

00:24:36,149 --> 00:24:34,559

and space ambient music as well and that

629

00:24:37,990 --> 00:24:36,159

was a lot of fun now i don't have time

630

00:24:40,789 --> 00:24:38,000

for that and i wish i did

631

00:24:43,269 --> 00:24:40,799

but as as time progressed and i was

632

00:24:45,990 --> 00:24:43,279

getting interested in the topic i wasn't

633

00:24:48,310 --> 00:24:46,000

prepared to just kind of like jump in

634

00:24:49,990 --> 00:24:48,320

completely blind and being like talking

635

00:24:53,350 --> 00:24:50,000

to people that i didn't even know what

636

00:24:55,750 --> 00:24:53,360

to talk about so i started with doing

637

00:24:57,990 --> 00:24:55,760

ufo analysis videos where i would

638

00:25:01,510 --> 00:24:58,000

collect um

639

00:25:03,750 --> 00:25:01,520

collect videos from youtube from mufon

640

00:25:06,630 --> 00:25:03,760

and other platforms and go ahead and

641

00:25:08,789 --> 00:25:06,640

zoom it in stabilize it add filters if

642

00:25:10,870 --> 00:25:08,799

it needed it and then place it on

643

00:25:13,430 --> 00:25:10,880

youtube and allow people to decipher for

644

00:25:16,710 --> 00:25:13,440

themselves what they considered these

645

00:25:19,830 --> 00:25:16,720

ufos to be because as we know ufos mean

646

00:25:21,990 --> 00:25:19,840

unidentified flying object that's all it

647

00:25:23,830 --> 00:25:22,000

means right but so when someone sees

648

00:25:26,149 --> 00:25:23,840

something in the sky

649

00:25:28,630 --> 00:25:26,159

maybe it could be a drone but simply

650

00:25:31,990 --> 00:25:28,640

because i don't know what it is to them

651  
00:25:33,750 --> 00:25:32,000  
it is classified as a ufo

652  
00:25:36,070 --> 00:25:33,760  
and i feel like

653  
00:25:38,789 --> 00:25:36,080  
when you zoom in attempt to stabilize

654  
00:25:40,950 --> 00:25:38,799  
and do the things that i did it could

655  
00:25:41,669 --> 00:25:40,960  
have been easier for some people to kind

656  
00:25:44,630 --> 00:25:41,679  
of

657  
00:25:47,110 --> 00:25:44,640  
see if it did look man-made or didn't if

658  
00:25:49,110 --> 00:25:47,120  
it did look maybe controlled by ai

659  
00:25:52,149 --> 00:25:49,120  
intelligence or not things of this

660  
00:25:53,029 --> 00:25:52,159  
nature and from there i was like okay

661  
00:25:54,390 --> 00:25:53,039  
i'm feeling a little bit more

662  
00:25:56,870 --> 00:25:54,400  
comfortable

663  
00:25:58,630 --> 00:25:56,880

with this topic i'm doing my research

664

00:26:00,390 --> 00:25:58,640

behind the scenes

665

00:26:01,750 --> 00:26:00,400

to to really because i really want to

666

00:26:03,830 --> 00:26:01,760

start getting involved i really want to

667

00:26:06,789 --> 00:26:03,840

start having this conversation with my

668

00:26:08,149 --> 00:26:06,799

peers in in college and with with those

669

00:26:10,390 --> 00:26:08,159

on the streets

670

00:26:13,190 --> 00:26:10,400

doesn't matter but whenever i would

671

00:26:14,310 --> 00:26:13,200

bring up this topic in school

672

00:26:15,830 --> 00:26:14,320

they would just kind of look at me and

673

00:26:17,430 --> 00:26:15,840

they're like really you really want to

674

00:26:19,510 --> 00:26:17,440

do this right here right now well let me

675

00:26:21,990 --> 00:26:19,520

have a few drinks first and then maybe

676

00:26:23,830 --> 00:26:22,000

we can talk about the ufo topic and i'm

677

00:26:25,909 --> 00:26:23,840

thinking no i i want to talk about this

678

00:26:29,190 --> 00:26:25,919

right here right now i i want to do this

679

00:26:30,870 --> 00:26:29,200

completely with the proper mindset but

680

00:26:31,830 --> 00:26:30,880

people weren't on that bandwagon at the

681

00:26:33,830 --> 00:26:31,840

time

682

00:26:35,510 --> 00:26:33,840

so from there i decided okay you know

683

00:26:38,710 --> 00:26:35,520

what i'm gonna i'm gonna really start

684

00:26:40,950 --> 00:26:38,720

talking to people and try to get my

685

00:26:43,590 --> 00:26:40,960

questions answered to the best of their

686

00:26:46,390 --> 00:26:43,600

ability whoever i speak to and then it

687

00:26:48,310 --> 00:26:46,400

slowly evolved to shifting the paradigm

688

00:26:51,029 --> 00:26:48,320

where i started interviewing ufo

689

00:26:53,350 --> 00:26:51,039

researchers and enthusiasts my very

690

00:26:55,590 --> 00:26:53,360

first guest was alien girl one one one

691

00:26:57,750 --> 00:26:55,600

amy and um

692

00:26:59,590 --> 00:26:57,760

she because of her we're here we're here

693

00:27:01,909 --> 00:26:59,600

today but

694

00:27:04,310 --> 00:27:01,919

it it was hard i i think when you're

695

00:27:06,870 --> 00:27:04,320

podcasting or when you're talking to

696

00:27:08,070 --> 00:27:06,880

anyone right especially on camera it's

697

00:27:10,230 --> 00:27:08,080

not easy

698

00:27:12,630 --> 00:27:10,240

i don't think anyone's just born to do

699

00:27:14,549 --> 00:27:12,640

it and you're like amazing

700

00:27:17,269 --> 00:27:14,559

there are

701

00:27:19,190 --> 00:27:17,279

as as one of my friends has told me

702

00:27:20,389 --> 00:27:19,200

who's been in the podcasting world for

703

00:27:22,870 --> 00:27:20,399

quite a few years

704

00:27:24,789 --> 00:27:22,880

he says your last show is always going

705

00:27:26,710 --> 00:27:24,799

to be your worst your next show is

706

00:27:28,630 --> 00:27:26,720

always going to be your best because

707

00:27:31,830 --> 00:27:28,640

you're constantly evolving and you're

708

00:27:34,789 --> 00:27:31,840

constantly as time progresses feeling

709

00:27:38,230 --> 00:27:34,799

more comfortable with your thoughts your

710

00:27:40,310 --> 00:27:38,240

opinions and how to go ahead and present

711

00:27:42,630 --> 00:27:40,320

yourself to people that

712

00:27:43,830 --> 00:27:42,640

want to know more about what you're

713

00:27:45,269 --> 00:27:43,840

researching

714

00:27:47,510 --> 00:27:45,279

and

715

00:27:49,830 --> 00:27:47,520

that's that's really how it all started

716

00:27:52,230 --> 00:27:49,840

and then it evolved to another show

717

00:27:54,710 --> 00:27:52,240

called mysteries with the history

718

00:27:56,389 --> 00:27:54,720

where i talk about

719

00:27:57,990 --> 00:27:56,399

all the topics that fall under the

720

00:28:00,389 --> 00:27:58,000

umbrella of the unexplained and the

721

00:28:02,470 --> 00:28:00,399

mysterious and with my co-host jimmy

722

00:28:06,549 --> 00:28:02,480

church from fade to black and we just

723

00:28:08,149 --> 00:28:06,559

kind of we just kind of talk about

724

00:28:09,510 --> 00:28:08,159

each each week is a different it's a

725

00:28:11,669 --> 00:28:09,520

different topic

726

00:28:15,190 --> 00:28:11,679

last week was um

727

00:28:16,950 --> 00:28:15,200

extra dimensionals and i just feel like

728

00:28:18,470 --> 00:28:16,960

for those that again that are new to the

729

00:28:21,269 --> 00:28:18,480

topic that don't know anything that need

730

00:28:23,190 --> 00:28:21,279

a foundation that's a great place to go

731

00:28:25,350 --> 00:28:23,200

ahead and

732

00:28:28,149 --> 00:28:25,360

start from the ground up because we are

733

00:28:30,950 --> 00:28:28,159

hitting every single topic

734

00:28:32,470 --> 00:28:30,960

with the mindset that maybe the people

735

00:28:34,149 --> 00:28:32,480

that are listening don't know anything

736

00:28:36,310 --> 00:28:34,159

about it let's start from the from the

737

00:28:37,990 --> 00:28:36,320

very beginning and then make our way

738

00:28:39,510 --> 00:28:38,000

through through all the stories or

739

00:28:42,070 --> 00:28:39,520

through the people that have encountered

740

00:28:43,990 --> 00:28:42,080

that have um go ahead and documented

741

00:28:45,990 --> 00:28:44,000

these stories researchers and things of

742

00:28:48,389 --> 00:28:46,000

that nature

743

00:28:49,830 --> 00:28:48,399

yeah well that's that's great um that's

744

00:28:52,789 --> 00:28:49,840

great that you're doing that

745

00:28:54,870 --> 00:28:52,799

and i i think it it is you know one of

746

00:28:55,909 --> 00:28:54,880

the things i noticed that you did when

747

00:28:59,909 --> 00:28:55,919

you were

748

00:29:02,789 --> 00:28:59,919

analyzing those videos is you also said

749

00:29:04,389 --> 00:29:02,799

um you didn't give an opinion

750

00:29:05,510 --> 00:29:04,399

you just kind of well here it is and

751  
00:29:09,110 --> 00:29:05,520  
here it is

752  
00:29:10,389 --> 00:29:09,120  
enhanced and i appreciate that um

753  
00:29:13,669 --> 00:29:10,399  
because

754  
00:29:15,350 --> 00:29:13,679  
i think opinions you know you just you

755  
00:29:16,870 --> 00:29:15,360  
see something visually

756  
00:29:18,710 --> 00:29:16,880  
and you you know that everyone's going

757  
00:29:20,789 --> 00:29:18,720  
to make up their own mind like one of

758  
00:29:22,950 --> 00:29:20,799  
the videos i saw i thought well that

759  
00:29:23,750 --> 00:29:22,960  
looked like a white and a black balloon

760  
00:29:26,389 --> 00:29:23,760  
maybe

761  
00:29:29,269 --> 00:29:26,399  
twirling but there was one video you had

762  
00:29:31,430 --> 00:29:29,279  
i think you caught up the triangle video

763  
00:29:33,350 --> 00:29:31,440

south carolina maybe or north carolina

764

00:29:35,029 --> 00:29:33,360

or something like that that looked

765

00:29:35,909 --> 00:29:35,039

pretty amazing

766

00:29:41,669 --> 00:29:35,919

so

767

00:29:43,269 --> 00:29:41,679

videos as well yes yes i i had people

768

00:29:45,430 --> 00:29:43,279

sending me in videos but i would also go

769

00:29:47,190 --> 00:29:45,440

ahead and try to find them but didn't

770

00:29:50,149 --> 00:29:47,200

really have very good descriptions on

771

00:29:53,430 --> 00:29:50,159

youtube or even there have been some

772

00:29:56,149 --> 00:29:53,440

people on youtube specifically where

773

00:29:57,430 --> 00:29:56,159

they'll post their ufo sighting and they

774

00:30:00,070 --> 00:29:57,440

don't have any subscribers they don't

775

00:30:03,510 --> 00:30:00,080

have any views so it's also bringing

776  
00:30:04,389 --> 00:30:03,520  
those videos to a bigger audience as

777  
00:30:06,630 --> 00:30:04,399  
well

778  
00:30:09,510 --> 00:30:06,640  
for again for people to make up their

779  
00:30:13,430 --> 00:30:09,520  
own minds on what they think this topic

780  
00:30:14,630 --> 00:30:13,440  
or or what that video is and with this

781  
00:30:18,710 --> 00:30:14,640  
topic

782  
00:30:20,389 --> 00:30:18,720  
it is riddled with opinions and bias and

783  
00:30:22,149 --> 00:30:20,399  
and people saying that they have all the

784  
00:30:23,350 --> 00:30:22,159  
answers when that simply might not be

785  
00:30:24,470 --> 00:30:23,360  
the case

786  
00:30:27,029 --> 00:30:24,480  
and

787  
00:30:30,789 --> 00:30:27,039  
with that i didn't want to fall into

788  
00:30:34,630 --> 00:30:30,799

that mud pit where i i think that

789

00:30:36,470 --> 00:30:34,640

my opinion my bias is not important it

790

00:30:38,230 --> 00:30:36,480

shouldn't it shouldn't affect the data

791

00:30:40,230 --> 00:30:38,240

that i provide to people that are

792

00:30:43,029 --> 00:30:40,240

listening i should

793

00:30:45,669 --> 00:30:43,039

provide all of the information that i

794

00:30:48,310 --> 00:30:45,679

can get my hands on regardless of if

795

00:30:50,870 --> 00:30:48,320

it's a hoax or if it's real and allow

796

00:30:54,230 --> 00:30:50,880

people to make up their own assumptions

797

00:30:56,789 --> 00:30:54,240

on the topic the project the experiment

798

00:30:59,110 --> 00:30:56,799

whatever it may be because

799

00:31:03,029 --> 00:30:59,120

in all due respect

800

00:31:04,630 --> 00:31:03,039

we do not really have all of the answers

801

00:31:07,830 --> 00:31:04,640

we don't really know what's

802

00:31:11,110 --> 00:31:07,840

misinformation and what's truth for

803

00:31:13,590 --> 00:31:11,120

years for decades there have been people

804

00:31:16,149 --> 00:31:13,600

writing books telling stories that

805

00:31:20,230 --> 00:31:16,159

weren't necessarily true you have

806

00:31:22,789 --> 00:31:20,240

richard doty bill moore okay who were

807

00:31:24,789 --> 00:31:22,799

disinformation agents and what their

808

00:31:27,190 --> 00:31:24,799

protocol practically was

809

00:31:29,509 --> 00:31:27,200

specifically with richard dodie was

810

00:31:31,669 --> 00:31:29,519

we're gonna tell you a certain amount of

811

00:31:32,950 --> 00:31:31,679

truth and a little bit of just a little

812

00:31:34,870 --> 00:31:32,960

bit of uh

813

00:31:36,789 --> 00:31:34,880

fiction and then you can go ahead and

814

00:31:39,430 --> 00:31:36,799

decide what you think is what and then

815

00:31:41,190 --> 00:31:39,440

go from there and that that has been the

816

00:31:43,509 --> 00:31:41,200

case with this topic

817

00:31:45,110 --> 00:31:43,519

for as long for as long as probably it's

818

00:31:49,110 --> 00:31:45,120

been documented

819

00:31:51,350 --> 00:31:49,120

so with myself i do not want to place my

820

00:31:53,190 --> 00:31:51,360

opinion or my bias because i could be

821

00:31:55,269 --> 00:31:53,200

wrong i could very well think that

822

00:31:57,669 --> 00:31:55,279

something that's true could end up not

823

00:31:59,669 --> 00:31:57,679

being true or vice versa

824

00:32:06,950 --> 00:31:59,679

and

825

00:32:09,909 --> 00:32:06,960

need to think for themselves what they

826

00:32:11,750 --> 00:32:09,919

believe these things to be

827

00:32:14,549 --> 00:32:11,760

you know uh

828

00:32:16,070 --> 00:32:14,559

you brought up richard doughty and bill

829

00:32:19,269 --> 00:32:16,080

moore um

830

00:32:22,230 --> 00:32:19,279

and a friend of mine was at the

831

00:32:24,389 --> 00:32:22,240

ufo conference when bill moore came out

832

00:32:27,669 --> 00:32:24,399

and said what he was doing and

833

00:32:30,389 --> 00:32:27,679

and the crowd was pretty upset

834

00:32:31,430 --> 00:32:30,399

richard dodie is getting a lot of air

835

00:32:34,789 --> 00:32:31,440

time

836

00:32:37,269 --> 00:32:34,799

and i think it's kind of a shame um

837

00:32:39,590 --> 00:32:37,279

i did invite him on this show once but i

838

00:32:42,149 --> 00:32:39,600

told him i wanted to talk about

839

00:32:44,389 --> 00:32:42,159

paul benowitz paul benowitz case and i

840

00:32:45,750 --> 00:32:44,399

said i wanted to be able to have

841

00:32:47,590 --> 00:32:45,760

everything on the table i want to be

842

00:32:49,029 --> 00:32:47,600

able to talk about everything

843

00:32:52,310 --> 00:32:49,039

and he

844

00:32:55,269 --> 00:32:52,320

changed his mind about coming on my show

845

00:32:57,669 --> 00:32:55,279

the bottom line is he's on all these tv

846

00:33:01,350 --> 00:32:57,679

programs now and

847

00:33:02,310 --> 00:33:01,360

and um there was on a stephen greer no

848

00:33:05,590 --> 00:33:02,320

comment

849

00:33:08,230 --> 00:33:05,600

uh movie where he's talking about

850

00:33:09,669 --> 00:33:08,240

um actually seeing aliens on an

851  
00:33:12,070 --> 00:33:09,679  
underground bunker or something like

852  
00:33:14,149 --> 00:33:12,080  
that i was quite shocked that um they

853  
00:33:15,909 --> 00:33:14,159  
would give him the air time

854  
00:33:17,909 --> 00:33:15,919  
so

855  
00:33:20,470 --> 00:33:17,919  
i don't know but that's a good a good

856  
00:33:22,870 --> 00:33:20,480  
point you you said exactly right they

857  
00:33:26,149 --> 00:33:22,880  
put a little truth a little truth mixed

858  
00:33:27,750 --> 00:33:26,159  
in there and then go um with um i mean

859  
00:33:29,669 --> 00:33:27,760  
look what happened to poor

860  
00:33:31,990 --> 00:33:29,679  
paul benowitz you know i mean

861  
00:33:33,029 --> 00:33:32,000  
basically was driven mad

862  
00:33:36,310 --> 00:33:33,039  
you know

863  
00:33:38,630 --> 00:33:36,320

eventually and not all of it was due to

864

00:33:40,389 --> 00:33:38,640

what dodie was doing but it didn't help

865

00:33:43,430 --> 00:33:40,399

any at all

866

00:33:45,590 --> 00:33:43,440

so but i'm i think that's really great

867

00:33:47,669 --> 00:33:45,600

that you seem to

868

00:33:50,470 --> 00:33:47,679

know a little bit about the history so

869

00:33:52,549 --> 00:33:50,480

early on in doing this and one of the

870

00:33:55,830 --> 00:33:52,559

things i heard about

871

00:33:59,509 --> 00:33:55,840

the um uap task force was they were not

872

00:34:00,870 --> 00:33:59,519

going to look at anything prior to 2004

873

00:34:03,350 --> 00:34:00,880

and i think that's

874

00:34:06,470 --> 00:34:03,360

terrible and their their excuse was that

875

00:34:09,270 --> 00:34:06,480

their um the

876

00:34:10,950 --> 00:34:09,280

let's see what did it say the equipment

877

00:34:14,550 --> 00:34:10,960

um the data

878

00:34:16,550 --> 00:34:14,560

was not good before 2004 which is i

879

00:34:18,790 --> 00:34:16,560

think kind of baloney but uh what are

880

00:34:20,869 --> 00:34:18,800

your thoughts on that you know as far as

881

00:34:23,430 --> 00:34:20,879

don't you think the history is important

882

00:34:24,790 --> 00:34:23,440

to this topic the history is incredibly

883

00:34:26,950 --> 00:34:24,800

important and i'm going to share with

884

00:34:29,430 --> 00:34:26,960

you my favorite quote of all time and

885

00:34:30,869 --> 00:34:29,440

it's actually by micah hanks and he

886

00:34:34,790 --> 00:34:30,879

stated

887

00:34:36,950 --> 00:34:34,800

the only threat to the uap phenomenon

888

00:34:38,230 --> 00:34:36,960

is not knowing the history

889

00:34:40,550 --> 00:34:38,240

and i and

890

00:34:43,990 --> 00:34:40,560

so yes it is incredibly important to

891

00:34:47,270 --> 00:34:44,000

know as all the documented data

892

00:34:49,109 --> 00:34:47,280

that we can get our hands on however

893

00:34:52,310 --> 00:34:49,119

however even though they're not going

894

00:34:54,310 --> 00:34:52,320

before 2003 or four

895

00:34:56,710 --> 00:34:54,320

at least they're touching the topic at

896

00:34:59,270 --> 00:34:56,720

least they're doing all of that

897

00:35:01,510 --> 00:34:59,280

all of that time since and

898

00:35:02,470 --> 00:35:01,520

we know that

899

00:35:04,790 --> 00:35:02,480

after

900

00:35:06,550 --> 00:35:04,800

covid right during covet people are

901  
00:35:09,030 --> 00:35:06,560  
seeing more ufos

902  
00:35:11,670 --> 00:35:09,040  
but i wonder

903  
00:35:13,910 --> 00:35:11,680  
if they are saying that because there

904  
00:35:16,310 --> 00:35:13,920  
are so many smoking guns in the past

905  
00:35:19,670 --> 00:35:16,320  
that they don't want to dig up as well

906  
00:35:22,630 --> 00:35:19,680  
and so it's it makes you question why

907  
00:35:24,069 --> 00:35:22,640  
why don't they want to hit before that

908  
00:35:25,990 --> 00:35:24,079  
is there something that they're hiding

909  
00:35:26,870 --> 00:35:26,000  
that they're not ready to tell us

910  
00:35:30,870 --> 00:35:26,880  
but

911  
00:35:32,230 --> 00:35:30,880  
still 2004 and onward there i i think

912  
00:35:35,109 --> 00:35:32,240  
there is still

913  
00:35:38,230 --> 00:35:35,119

a decent amount of data to cover and to

914

00:35:40,710 --> 00:35:38,240

share with the public again to just open

915

00:35:42,710 --> 00:35:40,720

their minds to the phenomenon and to

916

00:35:44,470 --> 00:35:42,720

have them ask their own questions and

917

00:35:45,270 --> 00:35:44,480

then from there when they see these

918

00:35:48,790 --> 00:35:45,280

little

919

00:35:50,630 --> 00:35:48,800

they're going to

920

00:35:52,310 --> 00:35:50,640

reach out to our podcast they're going

921

00:35:53,589 --> 00:35:52,320

to read all the books and get their

922

00:35:55,430 --> 00:35:53,599

hands on they're going to go to the

923

00:35:58,150 --> 00:35:55,440

library they're going to scroll they're

924

00:36:00,150 --> 00:35:58,160

going to go through the internet and try

925

00:36:02,630 --> 00:36:00,160

to find more answers that they're simply

926  
00:36:04,230 --> 00:36:02,640  
not being provided by the government so

927  
00:36:05,190 --> 00:36:04,240  
i don't think it's necessarily a bad

928  
00:36:06,790 --> 00:36:05,200  
thing

929  
00:36:08,550 --> 00:36:06,800  
and the the

930  
00:36:11,910 --> 00:36:08,560  
with that

931  
00:36:13,349 --> 00:36:11,920  
we are i don't think anytime soon we

932  
00:36:15,270 --> 00:36:13,359  
will be getting disclosure from the

933  
00:36:17,670 --> 00:36:15,280  
government the disclosure is going to be

934  
00:36:20,150 --> 00:36:17,680  
coming from us from keeping putting our

935  
00:36:22,470 --> 00:36:20,160  
eyes to the skies looking for things

936  
00:36:23,910 --> 00:36:22,480  
that we cannot explain talking to other

937  
00:36:26,550 --> 00:36:23,920  
people that are having the same

938  
00:36:28,950 --> 00:36:26,560

questions as us or that might be

939

00:36:30,550 --> 00:36:28,960

been been in the field for decades that

940

00:36:32,230 --> 00:36:30,560

might have a little bit more information

941

00:36:33,510 --> 00:36:32,240

than we currently do

942

00:36:35,589 --> 00:36:33,520

so

943

00:36:37,910 --> 00:36:35,599

we are the disclosure

944

00:36:41,190 --> 00:36:37,920

yeah eyes to the sky is mine you know i

945

00:36:44,550 --> 00:36:41,200

have that copy written i know

946

00:36:46,870 --> 00:36:44,560

um but no no you're right i think that i

947

00:36:49,430 --> 00:36:46,880

don't i don't really foresee there's

948

00:36:52,230 --> 00:36:49,440

gonna be disclosure any time soon quote

949

00:36:53,990 --> 00:36:52,240

unquote but i i do think there

950

00:36:56,550 --> 00:36:54,000

uh i do think we're in some type of

951  
00:36:58,870 --> 00:36:56,560  
forward motion like i've never seen

952  
00:37:00,950 --> 00:36:58,880  
before um but you know a lot of people

953  
00:37:03,349 --> 00:37:00,960  
that have been around for decades and

954  
00:37:04,470 --> 00:37:03,359  
decades are saying well we've been here

955  
00:37:06,230 --> 00:37:04,480  
before

956  
00:37:08,310 --> 00:37:06,240  
and you know it only leads to

957  
00:37:09,190 --> 00:37:08,320  
disappointment you don't have that type

958  
00:37:10,630 --> 00:37:09,200  
of thing

959  
00:37:12,950 --> 00:37:10,640  
in some respects but then it makes you

960  
00:37:15,190 --> 00:37:12,960  
question what does disclosure mean what

961  
00:37:17,670 --> 00:37:15,200  
does it really really mean and i think

962  
00:37:19,829 --> 00:37:17,680  
everyone has their own

963  
00:37:21,030 --> 00:37:19,839

perspective on what disclosure means

964

00:37:23,349 --> 00:37:21,040

some thinks

965

00:37:26,550 --> 00:37:23,359

it means the government's going to admit

966

00:37:28,230 --> 00:37:26,560

the word aliens that aliens are here and

967

00:37:30,230 --> 00:37:28,240

then you have some that are going to say

968

00:37:31,750 --> 00:37:30,240

oh it's going to be a mass sighting then

969

00:37:34,470 --> 00:37:31,760

you have some that are going to say well

970

00:37:37,270 --> 00:37:34,480

maybe the government is going to

971

00:37:39,910 --> 00:37:37,280

place all of their documents

972

00:37:41,670 --> 00:37:39,920

and make it on uh declassified and so

973

00:37:43,990 --> 00:37:41,680

everyone kind of has their own

974

00:37:46,710 --> 00:37:44,000

understanding of what disclosure means

975

00:37:49,270 --> 00:37:46,720

it's a very vague term yet it's it's a

976

00:37:51,510 --> 00:37:49,280

very weighted word as well

977

00:37:55,750 --> 00:37:51,520

but i think in the long run regardless

978

00:37:58,310 --> 00:37:55,760

of how you define the word disclosure

979

00:38:00,790 --> 00:37:58,320

the underlining behind it is to know the

980

00:38:03,510 --> 00:38:00,800

truth to know the truth are we being

981

00:38:05,990 --> 00:38:03,520

visited or not are they already here

982

00:38:08,710 --> 00:38:06,000

what are they what are they doing

983

00:38:11,270 --> 00:38:08,720

yeah speaking of that do you think

984

00:38:13,109 --> 00:38:11,280

the government knows

985

00:38:14,950 --> 00:38:13,119

any more than we know

986

00:38:16,550 --> 00:38:14,960

that's a good question that's a really

987

00:38:18,710 --> 00:38:16,560

really good question

988

00:38:21,430 --> 00:38:18,720

in some respects

989

00:38:23,750 --> 00:38:21,440

i think obviously i want to say yes but

990

00:38:26,550 --> 00:38:23,760

in other respects you know

991

00:38:28,790 --> 00:38:26,560

everything is decompartmentalized

992

00:38:30,150 --> 00:38:28,800

in the government and the the biggest

993

00:38:32,550 --> 00:38:30,160

thing is

994

00:38:36,230 --> 00:38:32,560

i i can suspect someone

995

00:38:37,109 --> 00:38:36,240

some somewhere someone knows the answer

996

00:38:38,390 --> 00:38:37,119

but

997

00:38:40,950 --> 00:38:38,400

if they would come out with that

998

00:38:43,349 --> 00:38:40,960

information i i doubt it

999

00:38:45,190 --> 00:38:43,359

and and now with the government

1000

00:38:48,310 --> 00:38:45,200

constantly contracting private

1001  
00:38:50,630 --> 00:38:48,320  
organizations it seems like maybe

1002  
00:38:54,069 --> 00:38:50,640  
private companies might have more

1003  
00:38:55,829 --> 00:38:54,079  
information than the government does so

1004  
00:38:58,310 --> 00:38:55,839  
kind of pointing our pitchforks of the

1005  
00:39:00,790 --> 00:38:58,320  
government saying give us disclosure i

1006  
00:39:02,870 --> 00:39:00,800  
don't i mean yes we need to constantly

1007  
00:39:04,950 --> 00:39:02,880  
push for that transparency to the best

1008  
00:39:07,190 --> 00:39:04,960  
of our ability but that doesn't mean

1009  
00:39:08,790 --> 00:39:07,200  
that they'll have all of the answers

1010  
00:39:11,510 --> 00:39:08,800  
that we're looking for

1011  
00:39:13,990 --> 00:39:11,520  
right uh so this is the question that i

1012  
00:39:15,109 --> 00:39:14,000  
basically just more or less asks thank

1013  
00:39:18,069 --> 00:39:15,119

you for that

1014

00:39:22,470 --> 00:39:20,150

you're right about the private

1015

00:39:24,790 --> 00:39:22,480

you know the private like the the black

1016

00:39:26,790 --> 00:39:24,800

money and the private uh companies and

1017

00:39:29,109 --> 00:39:26,800

things like that i remember i was a i

1018

00:39:31,270 --> 00:39:29,119

had chris mellon on my show he was i was

1019

00:39:32,470 --> 00:39:31,280

the first one to interview him and by

1020

00:39:34,630 --> 00:39:32,480

the way

1021

00:39:36,870 --> 00:39:34,640

um he may be on

1022

00:39:40,710 --> 00:39:36,880

uh gary nolan is definitely coming on

1023

00:39:43,510 --> 00:39:40,720

march 15 and chris mellon tentatively is

1024

00:39:45,750 --> 00:39:43,520

coming on if he's not um traveling at

1025

00:39:48,790 --> 00:39:45,760

that time so that'll be a great show but

1026

00:39:50,390 --> 00:39:48,800

anyway he was saying that is the way

1027

00:39:52,390 --> 00:39:50,400

that you keep it

1028

00:39:54,710 --> 00:39:52,400

you know hidden under lock and key as

1029

00:39:56,550 --> 00:39:54,720

you get it into the private sector and

1030

00:39:59,829 --> 00:39:56,560

he said uh because

1031

00:40:01,829 --> 00:39:59,839

if any president along the line

1032

00:40:05,190 --> 00:40:01,839

says that they want to know

1033

00:40:08,550 --> 00:40:05,200

are there aliens or what are ufos

1034

00:40:10,950 --> 00:40:08,560

that um they have to tell the president

1035

00:40:13,109 --> 00:40:10,960

whatever it is that they know

1036

00:40:15,349 --> 00:40:13,119

and the only way to stop that from

1037

00:40:17,349 --> 00:40:15,359

happening is to put it in the private

1038

00:40:18,390 --> 00:40:17,359

hand private hands

1039

00:40:20,710 --> 00:40:18,400

and then

1040

00:40:23,270 --> 00:40:20,720

it's exempt from that

1041

00:40:25,510 --> 00:40:23,280

so uh i appreciate the questions

1042

00:40:28,150 --> 00:40:25,520

um yes it will be phone in questions

1043

00:40:30,550 --> 00:40:28,160

later on um so if you would like to ask

1044

00:40:32,069 --> 00:40:30,560

our guest a question on chat just put it

1045

00:40:32,950 --> 00:40:32,079

in all caps

1046

00:40:34,470 --> 00:40:32,960

and

1047

00:40:37,109 --> 00:40:34,480

we have quite a few there's a lot of

1048

00:40:39,589 --> 00:40:37,119

activity in there

1049

00:40:42,870 --> 00:40:39,599

well we we know

1050

00:40:45,670 --> 00:40:42,880

while we're on the topic we know ufos

1051  
00:40:47,109 --> 00:40:45,680  
are real because they are unidentified

1052  
00:40:50,950 --> 00:40:47,119  
is it aliens

1053  
00:40:53,270 --> 00:40:50,960  
i don't know i want to know and i wonder

1054  
00:40:55,670 --> 00:40:53,280  
if they've been here for a long time you

1055  
00:40:58,870 --> 00:40:55,680  
know are they deep in the oceans

1056  
00:40:59,750 --> 00:40:58,880  
observing our development i don't

1057  
00:41:03,430 --> 00:40:59,760  
know

1058  
00:41:04,630 --> 00:41:03,440  
but when i interviewed ross coldheart he

1059  
00:41:07,510 --> 00:41:04,640  
said that

1060  
00:41:10,550 --> 00:41:07,520  
a private uh contracting company on the

1061  
00:41:12,870 --> 00:41:10,560  
west coast is monitoring these exact

1062  
00:41:15,349 --> 00:41:12,880  
things and it makes me question

1063  
00:41:18,150 --> 00:41:15,359

what community is in the ocean

1064

00:41:19,990 --> 00:41:18,160

seems like it yes wow it was very vague

1065

00:41:23,670 --> 00:41:20,000

the way he said it but to my

1066

00:41:25,349 --> 00:41:23,680

understanding that is what he meant so

1067

00:41:26,309 --> 00:41:25,359

what we're getting at is there are

1068

00:41:28,550 --> 00:41:26,319

people

1069

00:41:31,910 --> 00:41:28,560

specifically private companies that are

1070

00:41:34,150 --> 00:41:31,920

looking into this now when it's private

1071

00:41:36,309 --> 00:41:34,160

we know that the public will not be

1072

00:41:37,190 --> 00:41:36,319

getting that information

1073

00:41:41,829 --> 00:41:37,200

right

1074

00:41:43,430 --> 00:41:41,839

is this a question okay questions are

1075

00:41:45,990 --> 00:41:43,440

kept

1076

00:41:47,349 --> 00:41:46,000

um no sorry about that now the

1077

00:41:49,829 --> 00:41:47,359

um

1078

00:41:51,349 --> 00:41:49,839

the usos that's another topic all by

1079

00:41:53,349 --> 00:41:51,359

itself it's really

1080

00:41:55,349 --> 00:41:53,359

fascinating now i remember your your

1081

00:41:57,589 --> 00:41:55,359

buddy jimmy church

1082

00:42:00,710 --> 00:41:57,599

had this thing about the malibu

1083

00:42:02,950 --> 00:42:00,720

um i'm trying to the anomaly off malibu

1084

00:42:04,550 --> 00:42:02,960

and that ended up being a rock formation

1085

00:42:06,150 --> 00:42:04,560

i'm wondering if if that's all

1086

00:42:08,309 --> 00:42:06,160

completely solved has he ever talked

1087

00:42:11,750 --> 00:42:08,319

about that when you two were together

1088

00:42:13,910 --> 00:42:11,760

not to my knowledge when it comes to ufo

1089

00:42:15,589 --> 00:42:13,920

such as i think such a great topic

1090

00:42:18,630 --> 00:42:15,599

someone that's very knowledgeable in it

1091

00:42:21,829 --> 00:42:18,640

is um preston dennett but

1092

00:42:24,710 --> 00:42:21,839

what we understand is that yes they're

1093

00:42:26,710 --> 00:42:24,720

unidentified submerged objects but in

1094

00:42:28,550 --> 00:42:26,720

reality they're still trans medium

1095

00:42:30,870 --> 00:42:28,560

objects that can travel through the

1096

00:42:31,750 --> 00:42:30,880

water through the air and through space

1097

00:42:33,670 --> 00:42:31,760

so

1098

00:42:37,109 --> 00:42:33,680

even though it has its own title as a

1099

00:42:39,829 --> 00:42:37,119

ufo in in many respects it's still just

1100

00:42:42,550 --> 00:42:39,839

a regular kind of ufo because it seems

1101

00:42:44,470 --> 00:42:42,560

that a lot of these craft that we see a

1102

00:42:46,870 --> 00:42:44,480

great example is a tic tac that it can

1103

00:42:49,589 --> 00:42:46,880

travel through air and water in an

1104

00:42:52,150 --> 00:42:49,599

instance with no issues and there have

1105

00:42:54,230 --> 00:42:52,160

been a few um

1106

00:42:56,950 --> 00:42:54,240

television shows that kind of ask the

1107

00:43:00,790 --> 00:42:56,960

question and we even had some pronoun

1108

00:43:04,870 --> 00:43:00,800

researchers in the in the ufo field ask

1109

00:43:07,349 --> 00:43:04,880

could they be ai drones but manufactured

1110

00:43:10,550 --> 00:43:07,359

by non-human intelligence because if we

1111

00:43:12,950 --> 00:43:10,560

look at tic tacs or or the speed that

1112

00:43:16,309 --> 00:43:12,960

they go at the maneuvers that they make

1113

00:43:19,190 --> 00:43:16,319

it would be impossible to our current

1114

00:43:22,309 --> 00:43:19,200

understanding as humans it would be

1115

00:43:24,309 --> 00:43:22,319

impossible for anyone to survive in that

1116

00:43:26,630 --> 00:43:24,319

oh yeah so it makes it makes you

1117

00:43:28,390 --> 00:43:26,640

question could they simply be ai drones

1118

00:43:30,390 --> 00:43:28,400

because

1119

00:43:32,950 --> 00:43:30,400

here's a good example

1120

00:43:35,829 --> 00:43:32,960

we are right now discovering our solar

1121

00:43:37,829 --> 00:43:35,839

system as we speak nasa is constantly

1122

00:43:40,230 --> 00:43:37,839

sending drones okay rovers the

1123

00:43:43,750 --> 00:43:40,240

perseverance rover just hit mars

1124

00:43:47,270 --> 00:43:43,760

obviously people were not sent first

1125

00:43:50,069 --> 00:43:47,280

they sent ai technology to go ahead and

1126  
00:43:52,230 --> 00:43:50,079  
sniff out what's going on understand the

1127  
00:43:54,870 --> 00:43:52,240  
composition of the atmosphere things of

1128  
00:43:58,870 --> 00:43:54,880  
that nature because that is safer

1129  
00:44:02,710 --> 00:43:58,880  
because that is logical to do before you

1130  
00:44:04,390 --> 00:44:02,720  
send a living being in what if these

1131  
00:44:06,390 --> 00:44:04,400  
craft that we're seeing in the sky are

1132  
00:44:08,470 --> 00:44:06,400  
doing the exact same thing what if they

1133  
00:44:10,870 --> 00:44:08,480  
are just merely

1134  
00:44:13,190 --> 00:44:10,880  
controlled by

1135  
00:44:16,230 --> 00:44:13,200  
by by entities

1136  
00:44:18,790 --> 00:44:16,240  
of not of terrestrial origin but that

1137  
00:44:21,430 --> 00:44:18,800  
that they're ai drones with no living

1138  
00:44:24,150 --> 00:44:21,440

beings inside of them that would just

1139

00:44:26,790 --> 00:44:24,160

simply make sense

1140

00:44:29,349 --> 00:44:26,800

the one thing about in

1141

00:44:31,750 --> 00:44:29,359

in particular about the tic tac though

1142

00:44:34,950 --> 00:44:31,760

is that we don't have any technology

1143

00:44:38,710 --> 00:44:34,960

that could take that g-force and i not

1144

00:44:40,230 --> 00:44:38,720

not only a a being but but any type of

1145

00:44:41,349 --> 00:44:40,240

missile or anything that we've ever

1146

00:44:42,790 --> 00:44:41,359

created

1147

00:44:43,829 --> 00:44:42,800

with that type of g-force would

1148

00:44:44,950 --> 00:44:43,839

completely

1149

00:44:46,710 --> 00:44:44,960

um

1150

00:44:48,230 --> 00:44:46,720

shatter fall apart

1151

00:44:50,950 --> 00:44:48,240

not work

1152

00:44:53,109 --> 00:44:50,960

so yeah that's that's that one is a a

1153

00:44:55,910 --> 00:44:53,119

real big mystery so i have a question

1154

00:44:57,190 --> 00:44:55,920

for you how does someone like you that

1155

00:45:03,190 --> 00:44:57,200

is

1156

00:45:05,190 --> 00:45:03,200

how do you avoid going down the rabbit

1157

00:45:07,990 --> 00:45:05,200

hole and

1158

00:45:08,950 --> 00:45:08,000

and getting involved in

1159

00:45:10,150 --> 00:45:08,960

say

1160

00:45:13,829 --> 00:45:10,160

thinking

1161

00:45:14,790 --> 00:45:13,839

certain ufo unnamed ufo channels

1162

00:45:16,550 --> 00:45:14,800

um

1163

00:45:19,109 --> 00:45:16,560

all their stuff is real

1164

00:45:21,510 --> 00:45:19,119

um you know that how do you how did you

1165

00:45:23,190 --> 00:45:21,520

keep yourself from going the wrong place

1166

00:45:25,750 --> 00:45:23,200

or did you go i did a little bit in the

1167

00:45:27,510 --> 00:45:25,760

beginning you know and uh but luckily i

1168

00:45:28,230 --> 00:45:27,520

had people around that would would help

1169

00:45:31,510 --> 00:45:28,240

me

1170

00:45:33,589 --> 00:45:31,520

um so what was that experience like

1171

00:45:36,069 --> 00:45:33,599

well what i'm what i'm saying here and

1172

00:45:38,790 --> 00:45:36,079

what i'm suggesting is and things that i

1173

00:45:41,349 --> 00:45:38,800

that i muse about often but i'm not

1174

00:45:42,470 --> 00:45:41,359

opinionated i just want the answers and

1175

00:45:45,190 --> 00:45:42,480

i do

1176  
00:45:47,349 --> 00:45:45,200  
go down those rabbit holes i analyze the

1177  
00:45:50,069 --> 00:45:47,359  
information i look for the facts i look

1178  
00:45:52,630 --> 00:45:50,079  
for the data that's the biggest thing

1179  
00:45:55,430 --> 00:45:52,640  
when people tell stories or when people

1180  
00:45:58,309 --> 00:45:55,440  
say well it's written here i go ahead

1181  
00:45:59,910 --> 00:45:58,319  
and i look for that information um for

1182  
00:46:02,150 --> 00:45:59,920  
those for things that have been

1183  
00:46:03,829 --> 00:46:02,160  
documented because there are a lot of

1184  
00:46:06,309 --> 00:46:03,839  
anecdotal accounts there's a lot of

1185  
00:46:09,109 --> 00:46:06,319  
alleged accounts but if there isn't

1186  
00:46:12,950 --> 00:46:09,119  
anything to back it up it can be a lot

1187  
00:46:15,430 --> 00:46:12,960  
more difficult to go ahead and agree

1188  
00:46:18,150 --> 00:46:15,440

with it but i i don't

1189

00:46:21,270 --> 00:46:18,160

i don't subscribe belief especially to

1190

00:46:23,589 --> 00:46:21,280

anecdotal narratives i have i i stay on

1191

00:46:25,910 --> 00:46:23,599

the fence always i stay balanced to the

1192

00:46:28,390 --> 00:46:25,920

best of my ability but

1193

00:46:30,630 --> 00:46:28,400

you can't avoid jumping into a rabbit

1194

00:46:32,630 --> 00:46:30,640

hole it's impossible

1195

00:46:35,990 --> 00:46:32,640

that's right um

1196

00:46:41,750 --> 00:46:36,000

hang on just one second here

1197

00:46:45,349 --> 00:46:43,990

um so there's this question here

1198

00:46:47,910 --> 00:46:45,359

are you

1199

00:46:49,750 --> 00:46:47,920

maybe yeah okay down a little bit

1200

00:46:52,870 --> 00:46:49,760

sorry my my camera's going out of focus

1201  
00:46:55,750 --> 00:46:52,880  
there right there perfect thank you

1202  
00:46:59,510 --> 00:46:55,760  
not ai drones but laser plasma filaments

1203  
00:47:01,190 --> 00:46:59,520  
projected up to 50 kilometers are you

1204  
00:47:03,589 --> 00:47:01,200  
familiar with this topic what this

1205  
00:47:08,550 --> 00:47:03,599  
person put in there michael put in there

1206  
00:47:10,150 --> 00:47:08,560  
um no i'm not i'm not interesting yeah

1207  
00:47:11,910 --> 00:47:10,160  
thank you for that michael i'm not

1208  
00:47:14,150 --> 00:47:11,920  
really sure about that now what about

1209  
00:47:15,589 --> 00:47:14,160  
this question here that i'll look into

1210  
00:47:18,069 --> 00:47:15,599  
when it comes to michael i'll look into

1211  
00:47:22,069 --> 00:47:18,079  
that yeah so how do you feel young

1212  
00:47:23,430 --> 00:47:22,079  
people would react to real contact

1213  
00:47:26,549 --> 00:47:23,440

i think they would just shrug their

1214

00:47:28,950 --> 00:47:26,559

shoulders like cool all right take me to

1215

00:47:30,870 --> 00:47:28,960

take me over i'm fine

1216

00:47:32,549 --> 00:47:30,880

that that's honestly how i think it

1217

00:47:34,549 --> 00:47:32,559

would go

1218

00:47:37,750 --> 00:47:34,559

and i i would be on the same boat if i

1219

00:47:39,670 --> 00:47:37,760

saw a craft come down i would hijack it

1220

00:47:42,390 --> 00:47:39,680

kick the people out the entities out and

1221

00:47:44,710 --> 00:47:42,400

then just travel the galaxy without

1222

00:47:46,309 --> 00:47:44,720

without a sense of like a

1223

00:47:49,430 --> 00:47:46,319

sprinkle of guilt or anything i'd be

1224

00:47:52,870 --> 00:47:49,440

like yes this craft is mine but when it

1225

00:47:54,470 --> 00:47:52,880

comes to my generation and open contact

1226

00:47:55,990 --> 00:47:54,480

um i don't think it'll be a question i

1227

00:47:58,230 --> 00:47:56,000

think many people

1228

00:48:00,630 --> 00:47:58,240

from my understanding at least i think

1229

00:48:02,630 --> 00:48:00,640

many people are are expecting it

1230

00:48:05,589 --> 00:48:02,640

at some point in time either in their

1231

00:48:08,870 --> 00:48:05,599

lifetime or their children's lifetime so

1232

00:48:11,670 --> 00:48:08,880

it's it's not really a stretch of any

1233

00:48:13,589 --> 00:48:11,680

kind now how would society change as a

1234

00:48:16,069 --> 00:48:13,599

whole that is something that i simply

1235

00:48:17,430 --> 00:48:16,079

cannot answer but as for my generation

1236

00:48:19,589 --> 00:48:17,440

just because i have a very similar

1237

00:48:22,790 --> 00:48:19,599

mindset as many of them do

1238

00:48:25,349 --> 00:48:22,800

it would just be another day

1239

00:48:27,270 --> 00:48:25,359

interesting wow yeah there used to be i

1240

00:48:29,030 --> 00:48:27,280

remember hearing as long as i've been

1241

00:48:31,510 --> 00:48:29,040

looking at this topic

1242

00:48:34,630 --> 00:48:31,520

that you know the world would basically

1243

00:48:37,190 --> 00:48:34,640

go into major turmoil all the stock

1244

00:48:42,069 --> 00:48:37,200

market would crash the religions would

1245

00:48:43,670 --> 00:48:42,079

all have you know traumatic um you know

1246

00:48:45,270 --> 00:48:43,680

whatever it is that would ever happen

1247

00:48:48,069 --> 00:48:45,280

with them i don't know what people were

1248

00:48:50,309 --> 00:48:48,079

suggesting would happen but um but

1249

00:48:52,150 --> 00:48:50,319

basically society would fall apart i

1250

00:48:55,589 --> 00:48:52,160

don't think that's the case anymore and

1251  
00:48:57,349 --> 00:48:55,599  
i think i think part of it is is we are

1252  
00:49:00,390 --> 00:48:57,359  
um you know some people call are calling

1253  
00:49:03,109 --> 00:49:00,400  
this a soft disclosure you know we are

1254  
00:49:05,510 --> 00:49:03,119  
being acclimated a little bit to the

1255  
00:49:07,910 --> 00:49:05,520  
possibilities we have so much going on

1256  
00:49:09,349 --> 00:49:07,920  
right now james webb telescope just

1257  
00:49:11,589 --> 00:49:09,359  
launched recently

1258  
00:49:14,390 --> 00:49:11,599  
we can be uh optimistic about what might

1259  
00:49:16,470 --> 00:49:14,400  
happen with that um and then you know

1260  
00:49:18,470 --> 00:49:16,480  
when the kepler went up we started

1261  
00:49:21,270 --> 00:49:18,480  
realizing that there was some

1262  
00:49:24,710 --> 00:49:21,280  
um possibility of earth like you know

1263  
00:49:27,270 --> 00:49:24,720

planets out there and so i think i think

1264

00:49:28,630 --> 00:49:27,280

we would certainly i don't think it's

1265

00:49:30,950 --> 00:49:28,640

going to fall apart

1266

00:49:32,950 --> 00:49:30,960

um i would be i'm very interested to

1267

00:49:33,910 --> 00:49:32,960

know exactly what would happen you know

1268

00:49:37,190 --> 00:49:33,920

would it be

1269

00:49:39,270 --> 00:49:37,200

news quickly i hope not because it's

1270

00:49:41,270 --> 00:49:39,280

pretty major in my opinion oh it is but

1271

00:49:44,069 --> 00:49:41,280

you know it's it's coming that the kids

1272

00:49:45,910 --> 00:49:44,079

are are primed and ready and it makes

1273

00:49:47,910 --> 00:49:45,920

sense that with all the planets being

1274

00:49:51,750 --> 00:49:47,920

discovered and all the tv shows movies

1275

00:49:55,910 --> 00:49:51,760

etc i i think it would be well accepted

1276

00:49:59,829 --> 00:49:55,920

now that's if it was friendly first

1277

00:50:01,990 --> 00:49:59,839

contact but if it was something dark and

1278

00:50:05,270 --> 00:50:02,000

uh

1279

00:50:07,589 --> 00:50:05,280

bad right like awful afoot then well we

1280

00:50:08,630 --> 00:50:07,599

we would come together as a species we

1281

00:50:13,670 --> 00:50:08,640

would

1282

00:50:16,630 --> 00:50:13,680

finally realize that we are one species

1283

00:50:18,790 --> 00:50:16,640

i would hope so i would hope so i know

1284

00:50:21,109 --> 00:50:18,800

uh president ronald reagan used to say

1285

00:50:22,950 --> 00:50:21,119

that many times he said that many times

1286

00:50:24,549 --> 00:50:22,960

if we are ever attacked from space we

1287

00:50:26,790 --> 00:50:24,559

would all join together

1288

00:50:28,870 --> 00:50:26,800

um something i'm paraphrasing not sure

1289

00:50:29,670 --> 00:50:28,880

exactly what he said something like that

1290

00:50:31,910 --> 00:50:29,680

so

1291

00:50:34,549 --> 00:50:31,920

how do you see the future of this topic

1292

00:50:37,670 --> 00:50:34,559

in mainstream academic research

1293

00:50:40,390 --> 00:50:37,680

will it gain prestige uh greetings from

1294

00:50:42,069 --> 00:50:40,400

signapore thank you i'd like to say your

1295

00:50:43,510 --> 00:50:42,079

first name but um

1296

00:50:46,710 --> 00:50:43,520

i would butcher it but thank you for

1297

00:50:52,069 --> 00:50:49,349

so when it comes to the

1298

00:50:53,750 --> 00:50:52,079

mainstream media and the academic

1299

00:50:55,910 --> 00:50:53,760

research behind it

1300

00:50:58,470 --> 00:50:55,920

i think it will come in time you have

1301

00:51:01,349 --> 00:50:58,480

the galileo project run by harvard

1302

00:51:03,910 --> 00:51:01,359

professor avi loeb and i think he is

1303

00:51:06,710 --> 00:51:03,920

going to be a great primer to go ahead

1304

00:51:09,670 --> 00:51:06,720

and bring more scientists into the

1305

00:51:12,950 --> 00:51:09,680

subject and not have this feeling of

1306

00:51:14,390 --> 00:51:12,960

being ridiculed or or feeling ashamed

1307

00:51:17,670 --> 00:51:14,400

we know

1308

00:51:19,109 --> 00:51:17,680

that for scientists to go ahead and

1309

00:51:26,870 --> 00:51:19,119

conduct

1310

00:51:29,670 --> 00:51:26,880

funded and the people that fund you need

1311

00:51:30,950 --> 00:51:29,680

to agree with your vision so scientists

1312

00:51:33,109 --> 00:51:30,960

are very

1313

00:51:34,470 --> 00:51:33,119

cautious on the

1314

00:51:36,470 --> 00:51:34,480

on the uh

1315

00:51:38,150 --> 00:51:36,480

the things that they want to research

1316

00:51:39,829 --> 00:51:38,160

because if they don't have the funding

1317

00:51:41,750 --> 00:51:39,839

that can't happen or they could very

1318

00:51:44,230 --> 00:51:41,760

well just kind of be pushed aside be

1319

00:51:46,309 --> 00:51:44,240

ridiculed and then never kind of have

1320

00:51:48,790 --> 00:51:46,319

those credentials that they had prior to

1321

00:51:51,990 --> 00:51:48,800

go ahead and explaining yes i want to

1322

00:51:54,150 --> 00:51:52,000

study aliens like absolutely it can make

1323

00:51:57,670 --> 00:51:54,160

it look a little crazy avi loeb has

1324

00:52:00,150 --> 00:51:57,680

taken a great

1325

00:52:03,109 --> 00:52:00,160

aspect to it where he's saying look i

1326

00:52:05,670 --> 00:52:03,119

just want the data the data doesn't lie

1327

00:52:07,910 --> 00:52:05,680

that's what i want nothing more nothing

1328

00:52:11,109 --> 00:52:07,920

less so with

1329

00:52:14,470 --> 00:52:11,119

with him being very public about it

1330

00:52:17,270 --> 00:52:14,480

he is going to go ahead and start

1331

00:52:20,390 --> 00:52:17,280

more scientists coming through and

1332

00:52:22,470 --> 00:52:20,400

searching for extraterrestrial life but

1333

00:52:24,870 --> 00:52:22,480

in a more scientific manner than just

1334

00:52:26,549 --> 00:52:24,880

going on um plain faith or just

1335

00:52:28,309 --> 00:52:26,559

anecdotal accounts

1336

00:52:30,790 --> 00:52:28,319

so i i think i think when it comes to

1337

00:52:32,950 --> 00:52:30,800

the mainstream media academic research

1338

00:52:35,589 --> 00:52:32,960

it will come in time and hopefully

1339

00:52:36,710 --> 00:52:35,599

sooner than later yeah i think you know

1340

00:52:38,549 --> 00:52:36,720

just uh

1341

00:52:39,270 --> 00:52:38,559

one person

1342

00:52:41,829 --> 00:52:39,280

uh

1343

00:52:44,150 --> 00:52:41,839

kevin knuth was on a number of people

1344

00:52:48,309 --> 00:52:44,160

that are involved in the scu

1345

00:52:51,349 --> 00:52:48,319

which is the scientific coalition for

1346

00:52:53,670 --> 00:52:51,359

uap studies i believe anyway um

1347

00:52:54,549 --> 00:52:53,680

so there these are scientists

1348

00:52:58,470 --> 00:52:54,559

that

1349

00:53:01,270 --> 00:52:58,480

started before avilobe but as well as

1350

00:53:04,150 --> 00:53:01,280

you know there are many that are getting

1351

00:53:06,790 --> 00:53:04,160

involved with avi as well which i with

1352

00:53:08,150 --> 00:53:06,800

that whole galileo look galileo project

1353

00:53:09,430 --> 00:53:08,160

i think it's a wonderful step in the

1354

00:53:11,670 --> 00:53:09,440

right direction

1355

00:53:13,670 --> 00:53:11,680

and you're right it's really hard to

1356

00:53:15,990 --> 00:53:13,680

you know to get the funding

1357

00:53:17,750 --> 00:53:16,000

and uh for people to take take you

1358

00:53:19,990 --> 00:53:17,760

serious but a lot more people are taking

1359

00:53:22,630 --> 00:53:20,000

it serious now the reason i brought up

1360

00:53:24,790 --> 00:53:22,640

kevin knuth is because he said he wanted

1361

00:53:27,670 --> 00:53:24,800

to be in on the ground floor

1362

00:53:30,150 --> 00:53:27,680

to the greatest discovery of mankind and

1363

00:53:31,190 --> 00:53:30,160

so that's why he's he's putting his neck

1364

00:53:32,549 --> 00:53:31,200

out there

1365

00:53:34,069 --> 00:53:32,559

all right we're going to go into a three

1366

00:53:43,510 --> 00:53:34,079

minute break we'll be right back right

1367

00:53:47,430 --> 00:53:45,589

hello and welcome back and i'm not sure

1368

00:53:48,390 --> 00:53:47,440

what the heck happened to my camera it

1369

00:53:50,309 --> 00:53:48,400

just

1370

00:53:51,670 --> 00:53:50,319

there it is i think

1371

00:53:53,990 --> 00:53:51,680

there it goes

1372

00:53:56,950 --> 00:53:54,000

i'm back hey i don't know what that was

1373

00:53:58,950 --> 00:53:56,960

about but anyway uh thank you for

1374

00:54:01,190 --> 00:53:58,960

uh watching our show tonight listening

1375

00:54:03,109 --> 00:54:01,200

to our show we have christina gomez and

1376

00:54:04,230 --> 00:54:03,119

i'm gonna bring her right back in hello

1377

00:54:05,510 --> 00:54:04,240

hello

1378

00:54:07,910 --> 00:54:05,520

hey there

1379

00:54:11,030 --> 00:54:07,920

so um i can't remember the topic we were

1380

00:54:12,870 --> 00:54:11,040

on when we were oh i saw a question and

1381

00:54:14,630 --> 00:54:12,880

that was uh someone wanted to know if

1382

00:54:15,990 --> 00:54:14,640

you had your own ufo sighting have you

1383

00:54:17,190 --> 00:54:16,000

ever had one

1384

00:54:18,549 --> 00:54:17,200

i have

1385

00:54:20,390 --> 00:54:18,559

oh dear

1386

00:54:22,230 --> 00:54:20,400

into it

1387

00:54:26,390 --> 00:54:22,240

it's it's not one that i've actually

1388

00:54:28,150 --> 00:54:26,400

talked about often it's um when i

1389

00:54:30,150 --> 00:54:28,160

when i think about it i still kind of

1390

00:54:32,230 --> 00:54:30,160

clam up so please forgive me if i if i

1391

00:54:33,670 --> 00:54:32,240

stutter a little bit here and there but

1392

00:54:37,510 --> 00:54:33,680

um

1393

00:54:39,990 --> 00:54:37,520

pretty much a few years back i while on

1394

00:54:42,789 --> 00:54:40,000

a vacation field trip as was a small

1395

00:54:44,710 --> 00:54:42,799

group of people and we went to um india

1396

00:54:46,789 --> 00:54:44,720

for a few days to go visit some ancient

1397

00:54:48,390 --> 00:54:46,799

ruins and it was it was a very very

1398

00:54:50,069 --> 00:54:48,400

private deal it wasn't a commercial

1399

00:54:52,549 --> 00:54:50,079

package or anything

1400

00:54:54,870 --> 00:54:52,559

and we just had this really spontaneous

1401

00:54:56,150 --> 00:54:54,880

idea to see this one temple in

1402

00:54:58,230 --> 00:54:56,160

particular

1403

00:55:01,589 --> 00:54:58,240

so we're walking through the streets and

1404

00:55:04,549 --> 00:55:01,599

we see this uh sadhu this holy man and

1405

00:55:07,190 --> 00:55:04,559

we said hey you know do you know where

1406

00:55:09,109 --> 00:55:07,200

this this temple is and he says you know

1407

00:55:11,349 --> 00:55:09,119

what i'll take you i'll go ahead and

1408

00:55:13,109 --> 00:55:11,359

i'll take you there and i said yeah okay

1409

00:55:15,030 --> 00:55:13,119

well what can go wrong some stranger

1410

00:55:17,829 --> 00:55:15,040

taking us to a random place in a foreign

1411

00:55:18,710 --> 00:55:17,839

land not a problem everything's gonna be

1412

00:55:22,230 --> 00:55:18,720

fine

1413

00:55:23,990 --> 00:55:22,240

so um we travel by bus like a few a few

1414

00:55:24,950 --> 00:55:24,000

miles and then we walk the rest of the

1415

00:55:28,069 --> 00:55:24,960

way

1416

00:55:31,190 --> 00:55:28,079

and we get to this to this um

1417

00:55:33,270 --> 00:55:31,200

it was a shivan temple

1418

00:55:35,349 --> 00:55:33,280

and

1419

00:55:36,630 --> 00:55:35,359

when we got there we kind of roamed

1420

00:55:38,630 --> 00:55:36,640

around and then we kind of just sat

1421

00:55:42,069 --> 00:55:38,640

there the rest of the day and the holy

1422

00:55:44,390 --> 00:55:42,079

man the the guru the sadhu said

1423

00:55:46,390 --> 00:55:44,400

um you can go ahead you know lay on the

1424

00:55:49,910 --> 00:55:46,400

grass look at the clouds meditate do

1425

00:55:52,309 --> 00:55:49,920

whatever you like um and just wait until

1426  
00:55:54,390 --> 00:55:52,319  
later in the evening so we're like okay

1427  
00:55:56,630 --> 00:55:54,400  
no problem a lot of the people i was

1428  
00:55:58,630 --> 00:55:56,640  
with started meditating and stuff but i

1429  
00:56:00,150 --> 00:55:58,640  
kind of just like went ahead and just

1430  
00:56:02,069 --> 00:56:00,160  
enjoyed looking at the clouds you know

1431  
00:56:03,270 --> 00:56:02,079  
like a child when when you see all these

1432  
00:56:05,109 --> 00:56:03,280  
different figures and you're like well

1433  
00:56:07,349 --> 00:56:05,119  
that one looks like a dragon eating a

1434  
00:56:08,789 --> 00:56:07,359  
lollipop and that one looks like so i

1435  
00:56:10,789 --> 00:56:08,799  
was really enjoying myself because i was

1436  
00:56:12,549 --> 00:56:10,799  
still rather young

1437  
00:56:14,470 --> 00:56:12,559  
and

1438  
00:56:17,030 --> 00:56:14,480

as the

1439

00:56:20,309 --> 00:56:17,040

it got darker outside right

1440

00:56:22,309 --> 00:56:20,319

the um the the holy man said okay for

1441

00:56:24,150 --> 00:56:22,319

those that are meditating go ahead and

1442

00:56:26,470 --> 00:56:24,160

open your eyes and look up in the sky

1443

00:56:29,510 --> 00:56:26,480

okay just look up in the sky and then he

1444

00:56:30,789 --> 00:56:29,520

goes into a very deep meditation at this

1445

00:56:33,190 --> 00:56:30,799

time

1446

00:56:35,349 --> 00:56:33,200

when this happens or like okay well this

1447

00:56:37,030 --> 00:56:35,359

guy's in the meditation it's not a

1448

00:56:38,789 --> 00:56:37,040

all right whatever

1449

00:56:42,309 --> 00:56:38,799

and then all of a sudden i hear this

1450

00:56:44,150 --> 00:56:42,319

person next to me oh my god what is that

1451

00:56:46,230 --> 00:56:44,160

and we all look up we're like what are

1452

00:56:47,990 --> 00:56:46,240

you what are you looking at what is it

1453

00:56:50,789 --> 00:56:48,000

and um

1454

00:56:53,349 --> 00:56:50,799

we saw these three because rather far

1455

00:56:56,870 --> 00:56:53,359

away we saw like these three kind of

1456

00:56:59,349 --> 00:56:56,880

orange yellow glowing worms

1457

00:57:00,710 --> 00:56:59,359

and one of them just kept getting bigger

1458

00:57:03,349 --> 00:57:00,720

and bigger and bigger because it was

1459

00:57:04,710 --> 00:57:03,359

getting closer to us

1460

00:57:06,230 --> 00:57:04,720

and

1461

00:57:07,670 --> 00:57:06,240

it got it got pretty close that you

1462

00:57:10,230 --> 00:57:07,680

could kind of see

1463

00:57:13,270 --> 00:57:10,240

in a sense what it looked like and i

1464

00:57:15,030 --> 00:57:13,280

don't know if you've seen the carlos

1465

00:57:16,870 --> 00:57:15,040

diaz lights

1466

00:57:19,829 --> 00:57:16,880

but it was pr

1467

00:57:21,670 --> 00:57:19,839

if i had to compare it to something it

1468

00:57:24,150 --> 00:57:21,680

would be similar to that like it didn't

1469

00:57:27,349 --> 00:57:24,160

look fully nuts and bolts it looked kind

1470

00:57:29,109 --> 00:57:27,359

of organic it was glowing in like

1471

00:57:30,150 --> 00:57:29,119

orange and yellow and a little bit of

1472

00:57:32,309 --> 00:57:30,160

red

1473

00:57:34,390 --> 00:57:32,319

and it's it's actually really hard to

1474

00:57:37,430 --> 00:57:34,400

explain

1475

00:57:40,150 --> 00:57:37,440

but it it just it just wasn't fully

1476

00:57:42,069 --> 00:57:40,160

metallic and it wasn't fully organic it

1477

00:57:43,589 --> 00:57:42,079

was kind of a mixture

1478

00:57:45,910 --> 00:57:43,599

of the two

1479

00:57:47,910 --> 00:57:45,920

and so it's only happened for a few

1480

00:57:50,230 --> 00:57:47,920

seconds like this was not a long enough

1481

00:57:53,349 --> 00:57:50,240

period of time to pull out your phone

1482

00:57:55,910 --> 00:57:53,359

your camera and snap a picture record it

1483

00:57:58,470 --> 00:57:55,920

uh for those that i've had that have had

1484

00:58:00,789 --> 00:57:58,480

ufo sightings for the first time

1485

00:58:03,349 --> 00:58:00,799

you can't you're just in shock you're

1486

00:58:08,870 --> 00:58:06,630

and and your brain does not even process

1487

00:58:11,109 --> 00:58:08,880

to go ahead and take a picture to

1488

00:58:13,670 --> 00:58:11,119

estimate the size and be like if i

1489

00:58:16,309 --> 00:58:13,680

compare it to that light stand it has to

1490

00:58:18,950 --> 00:58:16,319

be about 200 meters in length like

1491

00:58:21,430 --> 00:58:18,960

obviously these things you do not cross

1492

00:58:23,670 --> 00:58:21,440

your mind you're just in pure shock

1493

00:58:26,789 --> 00:58:23,680

because it's something that is not

1494

00:58:28,710 --> 00:58:26,799

explainable from your past experiences

1495

00:58:30,470 --> 00:58:28,720

or from anything that you have seen

1496

00:58:32,789 --> 00:58:30,480

prior right so

1497

00:58:34,950 --> 00:58:32,799

your brain is just trying to understand

1498

00:58:37,990 --> 00:58:34,960

yeah what the heck am i seeing

1499

00:58:39,829 --> 00:58:38,000

so so with

1500

00:58:42,069 --> 00:58:39,839

with that

1501  
00:58:44,950 --> 00:58:42,079  
um

1502  
00:58:49,109 --> 00:58:47,750  
it it really activated my interest after

1503  
00:58:51,349 --> 00:58:49,119  
that but

1504  
00:58:53,030 --> 00:58:51,359  
what ended up happening

1505  
00:58:54,309 --> 00:58:53,040  
after all of this

1506  
00:58:56,630 --> 00:58:54,319  
was

1507  
00:58:59,190 --> 00:58:56,640  
the craft ended up leaving and it went

1508  
00:59:02,309 --> 00:58:59,200  
with this other two orbs and it just

1509  
00:59:06,150 --> 00:59:02,319  
disappeared really fast and then the

1510  
00:59:08,230 --> 00:59:06,160  
um sadhu got out of meditation

1511  
00:59:11,829 --> 00:59:08,240  
and um this is kind of where it sounds

1512  
00:59:13,910 --> 00:59:11,839  
really woowoo right here but he he goes

1513  
00:59:17,109 --> 00:59:13,920

ahead and and he says and and i'm

1514

00:59:19,589 --> 00:59:17,119

paraphrasing here he practically says

1515

00:59:21,750 --> 00:59:19,599

the thing that you saw

1516

00:59:24,390 --> 00:59:21,760

it's very similar

1517

00:59:27,670 --> 00:59:24,400

um to us you can practically call it

1518

00:59:29,670 --> 00:59:27,680

family and at that time

1519

00:59:30,950 --> 00:59:29,680

uh we're all like talking amongst

1520

00:59:33,190 --> 00:59:30,960

ourselves we're like what the heck did

1521

00:59:36,230 --> 00:59:33,200

we just see like what's going on

1522

00:59:38,069 --> 00:59:36,240

but we also had promised the whole group

1523

00:59:41,589 --> 00:59:38,079

had promised that we wouldn't really

1524

00:59:43,430 --> 00:59:41,599

talk about it um just because it's it's

1525

00:59:45,270 --> 00:59:43,440

as you can tell you're like

1526

00:59:48,309 --> 00:59:45,280

what is this girl saying it's it's so

1527

00:59:51,349 --> 00:59:48,319

difficult to explain and no matter

1528

00:59:53,030 --> 00:59:51,359

no matter how well i explain it um

1529

00:59:54,950 --> 00:59:53,040

you wouldn't get it unless you were

1530

00:59:57,430 --> 00:59:54,960

there so it's not something that i talk

1531

00:59:59,910 --> 00:59:57,440

about often because it's it's very

1532

01:00:01,670 --> 00:59:59,920

difficult to do so but that wasn't the

1533

01:00:04,789 --> 01:00:01,680

reason to why i started my youtube

1534

01:00:06,630 --> 01:00:04,799

channel in all reality it was a memory

1535

01:00:08,710 --> 01:00:06,640

that i kind of suppressed and i put in

1536

01:00:09,990 --> 01:00:08,720

the back of my mind that i didn't really

1537

01:00:12,549 --> 01:00:10,000

consider

1538

01:00:16,230 --> 01:00:12,559

the years following up to

1539

01:00:18,630 --> 01:00:16,240

talking about this publicly but as

1540

01:00:20,630 --> 01:00:18,640

as the channel started and things of and

1541

01:00:22,710 --> 01:00:20,640

and i started talking to more people

1542

01:00:25,030 --> 01:00:22,720

that's when that memory began to arise

1543

01:00:27,109 --> 01:00:25,040

once again and i'm like oh yeah

1544

01:00:29,349 --> 01:00:27,119

i did have that sighting oh my gosh that

1545

01:00:30,309 --> 01:00:29,359

was really profound

1546

01:00:31,510 --> 01:00:30,319

but

1547

01:00:37,270 --> 01:00:31,520

it

1548

01:00:39,430 --> 01:00:37,280

interest afterwards

1549

01:00:42,630 --> 01:00:39,440

after i had already started the channel

1550

01:00:45,030 --> 01:00:42,640

and overall it really opened my mind to

1551

01:00:46,789 --> 01:00:45,040

all the possibilities of what it could

1552

01:00:49,670 --> 01:00:46,799

have been and what it could not be at

1553

01:00:52,630 --> 01:00:49,680

the same time just because looking at

1554

01:00:55,750 --> 01:00:52,640

the carlos diaz lights the only story so

1555

01:00:57,589 --> 01:00:55,760

far that i have found being similar

1556

01:00:59,670 --> 01:00:57,599

it could also

1557

01:01:01,349 --> 01:00:59,680

it also led me to look at so many other

1558

01:01:03,910 --> 01:01:01,359

cases to go ahead and find something

1559

01:01:06,309 --> 01:01:03,920

that was similar to what i had seen

1560

01:01:11,030 --> 01:01:06,319

yeah how about that now i'm going to ask

1561

01:01:12,710 --> 01:01:11,040

you this what if that guy was right

1562

01:01:14,549 --> 01:01:12,720

have you ever thought what guy

1563

01:01:17,510 --> 01:01:14,559

the one who said it might be like more

1564

01:01:19,829 --> 01:01:17,520

like us than you know

1565

01:01:22,309 --> 01:01:19,839

it you know what i'm so open-minded to

1566

01:01:25,430 --> 01:01:22,319

the possibility that

1567

01:01:26,710 --> 01:01:25,440

i i wouldn't be surprised there are so

1568

01:01:29,349 --> 01:01:26,720

many

1569

01:01:31,190 --> 01:01:29,359

theories on what these entities would be

1570

01:01:33,750 --> 01:01:31,200

could be what these craft could be some

1571

01:01:34,549 --> 01:01:33,760

say it's us from the future some say

1572

01:01:37,829 --> 01:01:34,559

it's

1573

01:01:39,990 --> 01:01:37,839

um it could be something just in our

1574

01:01:41,270 --> 01:01:40,000

galaxy some say it's an extra

1575

01:01:42,390 --> 01:01:41,280

dimensional

1576

01:01:44,390 --> 01:01:42,400

and

1577

01:01:46,390 --> 01:01:44,400

then you have those that could say well

1578

01:01:48,390 --> 01:01:46,400

maybe it's it's a broken off

1579

01:01:52,069 --> 01:01:48,400

civilization

1580

01:01:54,789 --> 01:01:52,079

there are so many theories

1581

01:01:56,390 --> 01:01:54,799

there are so many sightings people have

1582

01:01:58,630 --> 01:01:56,400

people that have gotten close to these

1583

01:02:00,549 --> 01:01:58,640

entities describe them differently as if

1584

01:02:03,029 --> 01:02:00,559

they are different races

1585

01:02:06,069 --> 01:02:03,039

that it would be really hard to say to

1586

01:02:08,710 --> 01:02:06,079

place all of my eggs in one basket and

1587

01:02:09,990 --> 01:02:08,720

state that like yes every single one of

1588

01:02:12,470 --> 01:02:10,000

them is

1589

01:02:15,029 --> 01:02:12,480

closer to us than we could ever imagine

1590

01:02:16,870 --> 01:02:15,039

i i feel like just in the same sense

1591

01:02:19,750 --> 01:02:16,880

that we have so many different cars we

1592

01:02:21,349 --> 01:02:19,760

have trucks we have those cars that like

1593

01:02:24,069 --> 01:02:21,359

plow the snow i don't know what those

1594

01:02:27,190 --> 01:02:24,079

are called um we have 18 wheelers plow

1595

01:02:28,549 --> 01:02:27,200

trucks thank you um they all have they

1596

01:02:32,710 --> 01:02:28,559

all

1597

01:02:35,270 --> 01:02:32,720

different things some of them take

1598

01:02:38,230 --> 01:02:35,280

diesel sometimes take gasoline

1599

01:02:40,150 --> 01:02:38,240

and we simply cannot place

1600

01:02:42,630 --> 01:02:40,160

all of those things in the exact same

1601  
01:02:45,670 --> 01:02:42,640  
category doing the exact same thing

1602  
01:02:49,589 --> 01:02:45,680  
run by the exact same people or entities

1603  
01:02:51,670 --> 01:02:49,599  
right so so it would be hard to say that

1604  
01:02:53,910 --> 01:02:51,680  
the things that we're seeing in the sky

1605  
01:02:56,069 --> 01:02:53,920  
or in the oceans

1606  
01:02:58,789 --> 01:02:56,079  
all of them are closer to us than we

1607  
01:03:01,109 --> 01:02:58,799  
know yeah i i couldn't i couldn't say

1608  
01:03:02,710 --> 01:03:01,119  
yes no to that no you know basically

1609  
01:03:04,950 --> 01:03:02,720  
what i was getting at

1610  
01:03:05,750 --> 01:03:04,960  
is kind of what you just said is like to

1611  
01:03:08,470 --> 01:03:05,760  
me

1612  
01:03:09,349 --> 01:03:08,480  
one theory is almost as good as all the

1613  
01:03:11,910 --> 01:03:09,359

others

1614

01:03:14,470 --> 01:03:11,920

because there are you know with all the

1615

01:03:17,430 --> 01:03:14,480

shows i've done on this i've heard

1616

01:03:18,950 --> 01:03:17,440

countless ideas and they're

1617

01:03:21,670 --> 01:03:18,960

um

1618

01:03:23,510 --> 01:03:21,680

most of them are very fascinating to me

1619

01:03:25,349 --> 01:03:23,520

and it's kind of what keeps me going too

1620

01:03:27,589 --> 01:03:25,359

i really like i like the thought of that

1621

01:03:29,190 --> 01:03:27,599

i think you more or less answered this

1622

01:03:31,589 --> 01:03:29,200

in a way um

1623

01:03:34,230 --> 01:03:31,599

but is this phenomenon a big deal with

1624

01:03:37,109 --> 01:03:34,240

your generation how important is it to

1625

01:03:38,789 --> 01:03:37,119

your generation is it even talked about

1626

01:03:40,230 --> 01:03:38,799

like if you

1627

01:03:41,910 --> 01:03:40,240

you know with you mentioned being in

1628

01:03:45,109 --> 01:03:41,920

high school you didn't know when the new

1629

01:03:47,670 --> 01:03:45,119

york times article came out but was the

1630

01:03:50,789 --> 01:03:47,680

topic of ufos or possible

1631

01:03:53,270 --> 01:03:50,799

extraterrestrial visitations or

1632

01:03:55,670 --> 01:03:53,280

extraterrestrial life in general

1633

01:03:58,549 --> 01:03:55,680

you know kind of a topic or not

1634

01:04:01,829 --> 01:03:58,559

it is and a really good example is uh

1635

01:04:03,190 --> 01:04:01,839

actually last semester in my um

1636

01:04:06,390 --> 01:04:03,200

college courses

1637

01:04:09,109 --> 01:04:06,400

four times ufos came up

1638

01:04:11,670 --> 01:04:09,119

in in my assignments in my actual

1639

01:04:13,349 --> 01:04:11,680

assignments one of them being in my

1640

01:04:15,910 --> 01:04:13,359

geology class

1641

01:04:20,150 --> 01:04:15,920

bringing up um extraterrestrial life on

1642

01:04:21,190 --> 01:04:20,160

mars and stating um how how how would

1643

01:04:25,029 --> 01:04:21,200

they

1644

01:04:28,710 --> 01:04:25,039

ahead and react to a different

1645

01:04:31,589 --> 01:04:28,720

atmosphere and then i also had it in my

1646

01:04:33,270 --> 01:04:31,599

philosophy class as well

1647

01:04:36,470 --> 01:04:33,280

which came up twice in two different

1648

01:04:39,829 --> 01:04:36,480

assignments talking about

1649

01:04:40,789 --> 01:04:39,839

how would you react if you went ahead

1650

01:04:43,829 --> 01:04:40,799

and

1651  
01:04:45,750 --> 01:04:43,839  
interacted with a being not from this

1652  
01:04:46,950 --> 01:04:45,760  
earth and there were a few other

1653  
01:04:48,950 --> 01:04:46,960  
examples as well that are kind of

1654  
01:04:52,829 --> 01:04:48,960  
escaping me at this moment

1655  
01:04:56,230 --> 01:04:52,839  
but it seems like it's becoming a more

1656  
01:04:58,710 --> 01:04:56,240  
mainstream topic to go ahead and

1657  
01:05:01,190 --> 01:04:58,720  
converse about to to even just consider

1658  
01:05:02,870 --> 01:05:01,200  
and allow your imagination to run now

1659  
01:05:04,870 --> 01:05:02,880  
when it comes to my generation and

1660  
01:05:08,549 --> 01:05:04,880  
bringing in the science the politics the

1661  
01:05:09,510 --> 01:05:08,559  
history in it maybe not as much

1662  
01:05:10,230 --> 01:05:09,520  
yet

1663  
01:05:12,470 --> 01:05:10,240

but

1664

01:05:14,390 --> 01:05:12,480

i think the first step and the biggest

1665

01:05:16,069 --> 01:05:14,400

step is just having the conversation and

1666

01:05:18,870 --> 01:05:16,079

then going from there and then having

1667

01:05:21,750 --> 01:05:18,880

that once that mind is open once someone

1668

01:05:23,910 --> 01:05:21,760

asks that first question the bulls the

1669

01:05:25,589 --> 01:05:23,920

ball starts rolling and then from there

1670

01:05:28,549 --> 01:05:25,599

these people can go ahead and do their

1671

01:05:30,150 --> 01:05:28,559

own research see what aspect they like

1672

01:05:31,750 --> 01:05:30,160

that they want to go ahead and do more

1673

01:05:33,029 --> 01:05:31,760

research on because with the ufo

1674

01:05:35,029 --> 01:05:33,039

phenomenon

1675

01:05:37,750 --> 01:05:35,039

there are so many

1676

01:05:39,750 --> 01:05:37,760

paths you can take you can take just the

1677

01:05:42,069 --> 01:05:39,760

science path the history path the

1678

01:05:44,630 --> 01:05:42,079

spiritual path so on and so forth there

1679

01:05:47,029 --> 01:05:44,640

are so many that you can that you can go

1680

01:05:48,950 --> 01:05:47,039

to but they're all gonna take you

1681

01:05:51,109 --> 01:05:48,960

at the same destination they're so gonna

1682

01:05:51,990 --> 01:05:51,119

make you ask you the question what's the

1683

01:05:54,309 --> 01:05:52,000

truth

1684

01:05:57,029 --> 01:05:54,319

what is going to happen

1685

01:05:59,029 --> 01:05:57,039

but you know with

1686

01:06:01,349 --> 01:05:59,039

when talking about

1687

01:06:03,990 --> 01:06:01,359

all of this and having my channel and

1688

01:06:06,309 --> 01:06:04,000

and talking to people about it either in

1689

01:06:08,470 --> 01:06:06,319

person or like we're doing here

1690

01:06:12,150 --> 01:06:08,480

one of my biggest challenges

1691

01:06:14,309 --> 01:06:12,160

is um having battled verbal dyslexia now

1692

01:06:15,029 --> 01:06:14,319

i wha for those who don't know what that

1693

01:06:17,190 --> 01:06:15,039

is

1694

01:06:19,910 --> 01:06:17,200

it's very similar to regular dyslexia

1695

01:06:22,309 --> 01:06:19,920

like when you're reading but my brain it

1696

01:06:24,470 --> 01:06:22,319

will think something and then my words

1697

01:06:27,270 --> 01:06:24,480

will say something completely different

1698

01:06:29,750 --> 01:06:27,280

and so what to me makes perfect sense

1699

01:06:33,029 --> 01:06:29,760

i'm like yes i'm gonna talk about for

1700

01:06:34,950 --> 01:06:33,039

example um elephants okay like elephants

1701

01:06:36,950 --> 01:06:34,960

are great but then my words will come

1702

01:06:38,630 --> 01:06:36,960

out and they'll say like eggplant or

1703

01:06:40,950 --> 01:06:38,640

something and i'm thinking that doesn't

1704

01:06:43,670 --> 01:06:40,960

make literally any sense but i can't

1705

01:06:46,630 --> 01:06:43,680

catch it uh other people can and they're

1706

01:06:47,750 --> 01:06:46,640

like what the heck is she saying so when

1707

01:06:59,109 --> 01:06:47,760

i

1708

01:07:03,589 --> 01:06:59,119

clearly and a sentence won't come out

1709

01:07:06,710 --> 01:07:03,599

all jumbled up and so doing my channel

1710

01:07:09,670 --> 01:07:06,720

um doing the shows and and this has kind

1711

01:07:11,829 --> 01:07:09,680

of in a sense been a therapy for me and

1712

01:07:14,390 --> 01:07:11,839

i challenged myself over and over again

1713

01:07:15,270 --> 01:07:14,400

to do so so

1714

01:07:20,309 --> 01:07:15,280

when

1715

01:07:22,630 --> 01:07:20,319

dandy and great in in the inside behind

1716

01:07:24,630 --> 01:07:22,640

the scenes all of us have our struggles

1717

01:07:27,510 --> 01:07:24,640

all of us have our own little battles

1718

01:07:29,510 --> 01:07:27,520

that we need to go ahead and and

1719

01:07:31,910 --> 01:07:29,520

release and go ahead and

1720

01:07:32,950 --> 01:07:31,920

fix them and i i don't know i wanted to

1721

01:07:35,910 --> 01:07:32,960

bring that up to you it's not something

1722

01:07:37,430 --> 01:07:35,920

that i bring up very often but um it's

1723

01:07:39,109 --> 01:07:37,440

it's been it's been a really big

1724

01:07:41,349 --> 01:07:39,119

struggle and when i get really nervous

1725

01:07:42,710 --> 01:07:41,359

i'll talk really fast and then i'll

1726

01:07:44,789 --> 01:07:42,720

stutter and then i'll get really

1727

01:07:46,950 --> 01:07:44,799

embarrassed and i'll just stop talking

1728

01:07:48,870 --> 01:07:46,960

oh poor thing well you know what you're

1729

01:07:52,390 --> 01:07:48,880

doing really wonderful and good for you

1730

01:07:54,470 --> 01:07:52,400

to to face whatever it is to to work

1731

01:07:57,910 --> 01:07:54,480

through that that's really great

1732

01:07:59,910 --> 01:07:57,920

thank you that's that's inspiring and

1733

01:08:02,710 --> 01:07:59,920

maybe inspire other people that that

1734

01:08:04,630 --> 01:08:02,720

hear that too um i love this question

1735

01:08:08,069 --> 01:08:04,640

dave allen what's the first question

1736

01:08:10,789 --> 01:08:08,079

christina would ask if she met an alien

1737

01:08:13,430 --> 01:08:10,799

i i'd like to answer that myself too so

1738

01:08:16,789 --> 01:08:13,440

go ahead well i would ask if they had

1739

01:08:19,590 --> 01:08:16,799

ramen noodles and vanilla ice cream and

1740

01:08:21,590 --> 01:08:19,600

if they did i would classify them as

1741

01:08:24,309 --> 01:08:21,600

being intelligent

1742

01:08:27,269 --> 01:08:24,319

that's close enough but but in all in

1743

01:08:29,590 --> 01:08:27,279

all seriousness to be serious um i i

1744

01:08:32,070 --> 01:08:29,600

would ask do you know if there's a

1745

01:08:33,510 --> 01:08:32,080

continuum of consciousness after bodily

1746

01:08:35,990 --> 01:08:33,520

death or

1747

01:08:39,110 --> 01:08:36,000

do you know if there is a supreme being

1748

01:08:41,110 --> 01:08:39,120

that created everything and and that's

1749

01:08:43,349 --> 01:08:41,120

that would be what i would want to know

1750

01:08:46,309 --> 01:08:43,359

now because i'm so fascinated by those

1751

01:08:48,709 --> 01:08:46,319

mysteries not just ufos

1752

01:08:50,870 --> 01:08:48,719

well i i think that those are really

1753

01:08:54,229 --> 01:08:50,880

great and if the question was asked of

1754

01:08:57,110 --> 01:08:54,239

me david if i may um

1755

01:08:59,669 --> 01:08:57,120

i would like to ask what is the question

1756

01:09:03,189 --> 01:08:59,679

that i should ask

1757

01:09:06,550 --> 01:09:05,430

but they would also assume based off of

1758

01:09:09,030 --> 01:09:06,560

your

1759

01:09:11,510 --> 01:09:09,040

perceived intelligence that maybe you're

1760

01:09:13,030 --> 01:09:11,520

maybe the question that they might want

1761

01:09:16,229 --> 01:09:13,040

you to ask

1762

01:09:18,070 --> 01:09:16,239

might be ready for you at that moment

1763

01:09:21,189 --> 01:09:18,080

yeah that probably would not understand

1764

01:09:23,590 --> 01:09:21,199

a single thing uh lee spiegel just put

1765

01:09:27,749 --> 01:09:23,600

in a question to you what would you like

1766

01:09:32,870 --> 01:09:30,630

do you have a preference

1767

01:09:34,789 --> 01:09:32,880

no i don't have a preference i i think i

1768

01:09:36,870 --> 01:09:34,799

think all of them are exciting and the

1769

01:09:38,789 --> 01:09:36,880

biggest thing is to understand their

1770

01:09:41,749 --> 01:09:38,799

knowledge

1771

01:09:43,590 --> 01:09:41,759

that regardless of what they are that

1772

01:09:44,789 --> 01:09:43,600

would be complete discrimination right

1773

01:09:48,709 --> 01:09:44,799

that would be

1774

01:09:52,309 --> 01:09:48,719

want them to be

1775

01:09:54,709 --> 01:09:52,319

ramen lovers that look like vanilla ice

1776

01:09:57,350 --> 01:09:54,719

cream yeah

1777

01:09:59,990 --> 01:09:57,360

exactly so i i have i haven't even i

1778

01:10:00,790 --> 01:10:00,000

haven't even considered that

1779

01:10:03,270 --> 01:10:00,800

but

1780

01:10:05,510 --> 01:10:03,280

i i think that the universe is teeming

1781

01:10:07,590 --> 01:10:05,520

with life and all of these beings can

1782

01:10:09,910 --> 01:10:07,600

look different ones that we can possibly

1783

01:10:12,709 --> 01:10:09,920

expect that could look somewhat humanoid

1784

01:10:14,550 --> 01:10:12,719

and ones that we couldn't even

1785

01:10:17,750 --> 01:10:14,560

imagine what they would look like until

1786

01:10:21,110 --> 01:10:17,760

after we see it so

1787

01:10:21,910 --> 01:10:21,120

but you know if if they if these beings

1788

01:10:24,070 --> 01:10:21,920

are

1789

01:10:25,590 --> 01:10:24,080

do come to earth right and they do have

1790

01:10:26,630 --> 01:10:25,600

contact

1791

01:10:31,510 --> 01:10:26,640

if

1792

01:10:35,110 --> 01:10:31,520

help us defeat cancer could they teach

1793

01:10:38,310 --> 01:10:35,120

us how to not destroy ourselves and what

1794

01:10:39,910 --> 01:10:38,320

is our place as a species in the

1795

01:10:41,990 --> 01:10:39,920

universe

1796

01:10:44,070 --> 01:10:42,000

are we that consequential

1797

01:10:46,229 --> 01:10:44,080

you know but we are to our own planet

1798

01:10:48,310 --> 01:10:46,239

how much we're affecting out there i

1799

01:10:50,630 --> 01:10:48,320

have no idea going back to your sighting

1800

01:10:52,229 --> 01:10:50,640

this the other people that saw

1801  
01:10:53,830 --> 01:10:52,239  
this is from michael that other people

1802  
01:10:55,830 --> 01:10:53,840  
that saw the

1803  
01:10:56,870 --> 01:10:55,840  
whatever it is you saw in the sky did

1804  
01:11:01,030 --> 01:10:56,880  
they

1805  
01:11:02,870 --> 01:11:01,040  
the same way that's a really good

1806  
01:11:05,189 --> 01:11:02,880  
question and but i want to hear your

1807  
01:11:06,630 --> 01:11:05,199  
answer did you ask them did they see the

1808  
01:11:09,110 --> 01:11:06,640  
same thing

1809  
01:11:10,950 --> 01:11:09,120  
yes yes um absolutely it's something

1810  
01:11:12,630 --> 01:11:10,960  
that we talked about amongst ourselves

1811  
01:11:14,229 --> 01:11:12,640  
but didn't really talk about to other

1812  
01:11:15,430 --> 01:11:14,239  
people that didn't see it

1813  
01:11:16,790 --> 01:11:15,440

but

1814

01:11:19,430 --> 01:11:16,800

yes they

1815

01:11:21,830 --> 01:11:19,440

they did but you know everyone was kind

1816

01:11:24,950 --> 01:11:21,840

of embarrassed i mean like

1817

01:11:26,950 --> 01:11:24,960

there was a shock in the group um a

1818

01:11:28,950 --> 01:11:26,960

total a total shock to like what the

1819

01:11:31,750 --> 01:11:28,960

heck did we see and none of us at the

1820

01:11:34,310 --> 01:11:31,760

time were interested in the topic right

1821

01:11:35,990 --> 01:11:34,320

so it's it kind of just like

1822

01:11:38,149 --> 01:11:36,000

led at that time the sense of

1823

01:11:41,110 --> 01:11:38,159

embarrassment but to my understanding

1824

01:11:44,310 --> 01:11:41,120

when we had all spoken about it um

1825

01:11:45,270 --> 01:11:44,320

we all did see the same thing

1826

01:11:46,390 --> 01:11:45,280

there's

1827

01:11:48,149 --> 01:11:46,400

the reason i think that's a good

1828

01:11:50,870 --> 01:11:48,159

question is because there are many times

1829

01:11:52,630 --> 01:11:50,880

where people that i've talked to where

1830

01:11:54,950 --> 01:11:52,640

other people that witness the exact

1831

01:11:55,830 --> 01:11:54,960

thing at the same time saw something

1832

01:11:58,310 --> 01:11:55,840

else

1833

01:12:00,470 --> 01:11:58,320

which i think is another fascinating

1834

01:12:03,030 --> 01:12:00,480

uh another fascinating thing

1835

01:12:05,110 --> 01:12:03,040

and you were describing exactly what i

1836

01:12:07,510 --> 01:12:05,120

was feeling when i had my ufo sighting

1837

01:12:09,990 --> 01:12:07,520

like what is my brain

1838

01:12:12,229 --> 01:12:10,000

seeing what is that uh you know mine

1839

01:12:14,630 --> 01:12:12,239

wasn't spectacular in any type of way

1840

01:12:17,030 --> 01:12:14,640

but it was like it didn't fit it didn't

1841

01:12:18,709 --> 01:12:17,040

fit i wasn't ready for that and if i had

1842

01:12:20,550 --> 01:12:18,719

my cell phone right next to me i

1843

01:12:22,870 --> 01:12:20,560

wouldn't have thought to pick it up to

1844

01:12:24,229 --> 01:12:22,880

take a picture or just or video it never

1845

01:12:27,110 --> 01:12:24,239

would have thought

1846

01:12:28,870 --> 01:12:27,120

um yeah i i totally i totally get what

1847

01:12:31,669 --> 01:12:28,880

you mean i mean obviously we we share

1848

01:12:32,709 --> 01:12:31,679

the same kind of story and with those

1849

01:12:35,750 --> 01:12:32,719

groups of people with that group of

1850

01:12:37,990 --> 01:12:35,760

people i was with um we didn't really

1851

01:12:40,070 --> 01:12:38,000

dive deep into it you know we we all

1852

01:12:43,510 --> 01:12:40,080

kind of agreed not to not talk about it

1853

01:12:46,149 --> 01:12:43,520

again it was a really strange situation

1854

01:12:49,510 --> 01:12:46,159

and it still sounds kind of crazy to me

1855

01:12:50,550 --> 01:12:49,520

because i even still i haven't processed

1856

01:12:53,030 --> 01:12:50,560

it yet

1857

01:12:55,030 --> 01:12:53,040

it's one of those things that

1858

01:12:57,350 --> 01:12:55,040

it's very difficult to go ahead and be

1859

01:13:01,350 --> 01:12:57,360

like i know exactly what that was it's

1860

01:13:02,870 --> 01:13:01,360

it's difficult to process yeah yeah

1861

01:13:05,030 --> 01:13:02,880

you know you can always say i saw

1862

01:13:06,630 --> 01:13:05,040

something i have no idea what it was you

1863

01:13:09,189 --> 01:13:06,640

know i mean that's basically

1864

01:13:10,870 --> 01:13:09,199

what i saw oh you know my my thing that

1865

01:13:12,870 --> 01:13:10,880

i was saying is that there's no way it

1866

01:13:15,030 --> 01:13:12,880

was something we had

1867

01:13:16,470 --> 01:13:15,040

you know i mean with the characteristics

1868

01:13:18,790 --> 01:13:16,480

and the look of it

1869

01:13:20,070 --> 01:13:18,800

and the way it moved uh this question i

1870

01:13:21,990 --> 01:13:20,080

have no idea if you look at other

1871

01:13:25,110 --> 01:13:22,000

people's youtube channels

1872

01:13:26,630 --> 01:13:25,120

but ivan00135

1873

01:13:27,750 --> 01:13:26,640

do you do you check out other people's

1874

01:13:28,950 --> 01:13:27,760

channels i guess that's what the

1875

01:13:30,950 --> 01:13:28,960

question is

1876

01:13:32,630 --> 01:13:30,960

i haven't seen that one no

1877

01:13:33,430 --> 01:13:32,640

yeah but i'll look at it

1878

01:13:35,110 --> 01:13:33,440

yeah

1879

01:13:38,310 --> 01:13:35,120

is that something you do do you see what

1880

01:13:40,470 --> 01:13:38,320

other people are doing and if so um are

1881

01:13:47,830 --> 01:13:40,480

you

1882

01:13:48,630 --> 01:13:47,840

with that

1883

01:13:50,229 --> 01:13:48,640

um

1884

01:13:51,990 --> 01:13:50,239

what do you mean by that

1885

01:13:53,830 --> 01:13:52,000

there are some that are just doing it

1886

01:13:55,910 --> 01:13:53,840

for click and money

1887

01:13:58,149 --> 01:13:55,920

for the views and money there's a couple

1888

01:13:59,669 --> 01:13:58,159

channels out there

1889

01:14:02,070 --> 01:13:59,679

that are

1890

01:14:05,830 --> 01:14:02,080

making a lot of money

1891

01:14:07,990 --> 01:14:05,840

and they're doing it by hoaxing videos

1892

01:14:09,110 --> 01:14:08,000

for anyone that invites me to their

1893

01:14:11,669 --> 01:14:09,120

channel and wants to have this

1894

01:14:12,950 --> 01:14:11,679

conversation for the most part i will go

1895

01:14:14,709 --> 01:14:12,960

ahead and

1896

01:14:17,030 --> 01:14:14,719

approach their channel and and talk

1897

01:14:18,870 --> 01:14:17,040

about this and for those that

1898

01:14:21,030 --> 01:14:18,880

write might feel like their channel

1899

01:14:23,110 --> 01:14:21,040

might be a hoax or they're not feeling

1900

01:14:25,590 --> 01:14:23,120

too good about it

1901

01:14:27,750 --> 01:14:25,600

what i want to do is just bring this

1902

01:14:29,110 --> 01:14:27,760

conversation to more people regardless

1903

01:14:31,590 --> 01:14:29,120

of who it is regardless of their

1904

01:14:34,470 --> 01:14:31,600

mindsets their bias their opinions just

1905

01:14:36,550 --> 01:14:34,480

having this conversation asking that one

1906

01:14:39,030 --> 01:14:36,560

question can change someone's

1907

01:14:41,110 --> 01:14:39,040

perspective for the rest of their lives

1908

01:14:43,669 --> 01:14:41,120

so there hasn't been a moment there

1909

01:14:45,990 --> 01:14:43,679

hasn't been any times where someone has

1910

01:14:47,750 --> 01:14:46,000

said oh don't go to that channel and and

1911

01:14:49,030 --> 01:14:47,760

if and if they did they never invited me

1912

01:14:50,470 --> 01:14:49,040

over

1913

01:14:52,390 --> 01:14:50,480

so yeah so

1914

01:14:54,310 --> 01:14:52,400

why i meant by that is they're they're

1915

01:14:55,590 --> 01:14:54,320

getting a lot of traffic because they're

1916

01:14:58,950 --> 01:14:55,600

posting

1917

01:15:00,709 --> 01:14:58,960

so they're getting a lot of traffic

1918

01:15:03,669 --> 01:15:00,719

they're making a lot of money

1919

01:15:06,070 --> 01:15:03,679

and they're doing it as a business

1920

01:15:08,630 --> 01:15:06,080

very spectacular cgi

1921

01:15:10,470 --> 01:15:08,640

well and then in that case yeah i i

1922

01:15:12,390 --> 01:15:10,480

steer clear of that because i know there

1923

01:15:14,709 --> 01:15:12,400

are there are a handful of clickbait

1924

01:15:17,030 --> 01:15:14,719

channels yeah and i i don't watch their

1925

01:15:19,270 --> 01:15:17,040

stuff but i am open to talking to anyone

1926

01:15:20,709 --> 01:15:19,280

really unless they are trolls or unless

1927

01:15:22,709 --> 01:15:20,719

they're hostile

1928

01:15:23,510 --> 01:15:22,719

but it

1929

01:15:28,390 --> 01:15:23,520

yeah

1930

01:15:30,470 --> 01:15:28,400

louise is saying hi

1931

01:15:32,870 --> 01:15:30,480

the unidentified celebrity reviewer are

1932

01:15:35,030 --> 01:15:32,880

you there oh and by the way for the

1933

01:15:36,950 --> 01:15:35,040

person that asked about that specific

1934

01:15:39,830 --> 01:15:36,960

channel and i i

1935

01:15:42,470 --> 01:15:39,840

am i lost it yeah um

1936

01:15:43,669 --> 01:15:42,480

it says here i just went ahead and

1937

01:15:46,950 --> 01:15:43,679

looked

1938

01:15:49,510 --> 01:15:46,960

it uh it's the ruins of ancient shiva

1939

01:15:51,430 --> 01:15:49,520

worship oh okay so it's an ancient icy

1940

01:15:54,149 --> 01:15:51,440

uh-huh yeah so i haven't looked into it

1941

01:15:56,070 --> 01:15:54,159

but i i i will i'll look i have it i

1942

01:15:57,669 --> 01:15:56,080

have it opened now what was the

1943

01:15:59,110 --> 01:15:57,679

particular temple where you had your

1944

01:16:01,430 --> 01:15:59,120

sighting

1945

01:16:03,910 --> 01:16:01,440

it isn't one that's documented it was

1946

01:16:05,510 --> 01:16:03,920

just a shiva temple yeah and it was like

1947

01:16:08,390 --> 01:16:05,520

it was in ruins i mean it was a very

1948

01:16:09,510 --> 01:16:08,400

very very old temple

1949

01:16:11,750 --> 01:16:09,520

yeah

1950

01:16:13,669 --> 01:16:11,760

and so i guess that leads me to the

1951

01:16:15,750 --> 01:16:13,679

thought of

1952

01:16:18,229 --> 01:16:15,760

um

1953

01:16:20,630 --> 01:16:18,239

ancient aliens you know i mean i think

1954

01:16:22,390 --> 01:16:20,640

that the show there's a lot of stuff

1955

01:16:24,950 --> 01:16:22,400

that really reaches out there and i

1956

01:16:27,350 --> 01:16:24,960

think i've only watched two episodes i'm

1957

01:16:29,270 --> 01:16:27,360

so i can't really judge it too well but

1958

01:16:30,790 --> 01:16:29,280

i know that when i was watching and i

1959

01:16:33,350 --> 01:16:30,800

thought well that's kind of a stretch

1960

01:16:34,470 --> 01:16:33,360

this is kind of a stretch but my own

1961

01:16:37,030 --> 01:16:34,480

personal

1962

01:16:39,110 --> 01:16:37,040

thoughts is it's possible that we could

1963

01:16:41,030 --> 01:16:39,120

have always been visited but what are

1964

01:16:44,229 --> 01:16:41,040

your thoughts on that

1965

01:16:45,830 --> 01:16:44,239

that was one of the very first alien tv

1966

01:16:48,630 --> 01:16:45,840

shows that kind of went mainstream it

1967

01:16:51,669 --> 01:16:48,640

was one of the first shows that made

1968

01:16:55,189 --> 01:16:51,679

people think outside of the box now

1969

01:16:57,110 --> 01:16:55,199

while we might not all agree to their

1970

01:16:59,750 --> 01:16:57,120

i guess sometimes outlandish

1971

01:17:03,189 --> 01:16:59,760

explanations or theories

1972

01:17:05,669 --> 01:17:03,199

that show all together is to bring the

1973

01:17:08,470 --> 01:17:05,679

to bring this profound topic to the

1974

01:17:10,790 --> 01:17:08,480

mainstream to make them think and to ask

1975

01:17:12,950 --> 01:17:10,800

questions because ancient aliens they

1976

01:17:14,630 --> 01:17:12,960

give you all these theories but that

1977

01:17:16,229 --> 01:17:14,640

doesn't mean that they actually have the

1978

01:17:17,350 --> 01:17:16,239

answer they're just kind of saying well

1979

01:17:19,830 --> 01:17:17,360

i think

1980

01:17:21,990 --> 01:17:19,840

this based off of this which is what

1981

01:17:22,790 --> 01:17:22,000

we're doing here today we're just kind

1982

01:17:29,189 --> 01:17:22,800

of

1983

01:17:31,510 --> 01:17:29,199

mean

1984

01:17:34,310 --> 01:17:31,520

there there is a lot of big stretches

1985

01:17:36,950 --> 01:17:34,320

and i think i i like how it has such

1986

01:17:40,310 --> 01:17:36,960

longevity and it stimulates people's

1987

01:17:42,790 --> 01:17:40,320

minds i mean as a trigger it exposes

1988

01:17:46,390 --> 01:17:42,800

people to these concepts and gets people

1989

01:17:48,950 --> 01:17:46,400

to ask the questions so overall

1990

01:17:51,189 --> 01:17:48,960

i'm rather pleased with

1991

01:17:53,030 --> 01:17:51,199

what they've done with with the audience

1992

01:17:55,030 --> 01:17:53,040

that they have gained from it the

1993

01:17:58,070 --> 01:17:55,040

traction as well

1994

01:17:59,510 --> 01:17:58,080

yeah i i agree in that way that it's

1995

01:18:00,709 --> 01:17:59,520

definitely

1996

01:18:03,750 --> 01:18:00,719

made

1997

01:18:05,669 --> 01:18:03,760

people be more open to the topic overall

1998

01:18:07,430 --> 01:18:05,679

someone that may have kind of fallen in

1999

01:18:09,510 --> 01:18:07,440

or may have a history

2000

01:18:11,189 --> 01:18:09,520

type you know passion that might watch

2001

01:18:13,030 --> 01:18:11,199

it just to see the old

2002

01:18:14,709 --> 01:18:13,040

you know the old ruins or whatever it is

2003

01:18:16,070 --> 01:18:14,719

they're exploring there

2004

01:18:18,470 --> 01:18:16,080

and uh

2005

01:18:21,590 --> 01:18:18,480

so i agree that it it has

2006

01:18:23,430 --> 01:18:21,600

opened up some eyes the phone line is

2007

01:18:25,669 --> 01:18:23,440

open if you'd like to call in

2008

01:18:27,430 --> 01:18:25,679

that's eight five five

2009

01:18:29,669 --> 01:18:27,440

two

2010

01:18:31,270 --> 01:18:29,679

and bill is standing by

2011

01:18:33,030 --> 01:18:31,280

so if you'd like to call in with a

2012

01:18:34,070 --> 01:18:33,040

question for our guest tonight

2013

01:18:36,229 --> 01:18:34,080

um

2014

01:18:37,430 --> 01:18:36,239

do call in we have several lines

2015

01:18:39,030 --> 01:18:37,440

available

2016

01:18:40,870 --> 01:18:39,040

so have you ever been on the show when

2017

01:18:44,630 --> 01:18:40,880

someone's called in

2018

01:18:46,630 --> 01:18:44,640

uh i have i have so you're wow you are

2019

01:18:49,750 --> 01:18:46,640

yeah you're you're a pro

2020

01:18:53,910 --> 01:18:49,760

i don't know but um for the time being

2021

01:18:57,110 --> 01:18:53,920

james asks do you think bigfoots are

2022

01:18:59,350 --> 01:18:57,120

connected to ufos and i just want to say

2023

01:19:01,430 --> 01:18:59,360

i am looking into that and i will do a

2024

01:19:02,950 --> 01:19:01,440

show on that on the future because it's

2025

01:19:05,189 --> 01:19:02,960

a fascinating

2026

01:19:06,709 --> 01:19:05,199

concept to think about are they because

2027

01:19:08,070 --> 01:19:06,719

there are so many stories well there are

2028

01:19:10,550 --> 01:19:08,080

not so many but there are quite a few

2029

01:19:12,070 --> 01:19:10,560

stories where people have seen a ufo

2030

01:19:14,630 --> 01:19:12,080

sighting and then a bigfoot sighting

2031

01:19:16,390 --> 01:19:14,640

like back to back or sometimes at the

2032

01:19:20,709 --> 01:19:16,400

exact same time when they're looking in

2033

01:19:23,270 --> 01:19:20,719

one direction so it's it's one that i

2034

01:19:25,270 --> 01:19:23,280

think about and looking forward to doing

2035

01:19:26,870 --> 01:19:25,280

a show on in the near future

2036

01:19:29,430 --> 01:19:26,880

yes i actually have

2037

01:19:31,030 --> 01:19:29,440

can you believe it i have two shows

2038

01:19:34,229 --> 01:19:31,040

that involved

2039

01:19:36,790 --> 01:19:34,239

and one is uh with alan mur gaggle and

2040

01:19:40,709 --> 01:19:36,800

that's coming up february 1st he's a

2041

01:19:43,510 --> 01:19:40,719

uh he is a filmmaker uh wrote wrote a

2042

01:19:45,270 --> 01:19:43,520

movie in particular about about that and

2043

01:19:47,590 --> 01:19:45,280

then i have stan gordon all the way at

2044

01:19:50,390 --> 01:19:47,600

the end of march who did some research

2045

01:19:52,070 --> 01:19:50,400

into that um a long time ago speaking of

2046

01:19:55,510 --> 01:19:52,080

upcoming guests

2047

01:19:57,350 --> 01:19:55,520

next week is pretty exciting i have

2048

01:19:58,229 --> 01:19:57,360

and i want to pronounce this monroe

2049

01:20:02,630 --> 01:19:58,239

neville

2050

01:20:05,189 --> 01:20:02,640

was involved in rendelsham forest he's

2051

01:20:06,709 --> 01:20:05,199

never talked about it uh he's he's

2052

01:20:08,950 --> 01:20:06,719

talked about it i think on one other

2053

01:20:10,390 --> 01:20:08,960

show he's ready to talk about it and he

2054

01:20:13,110 --> 01:20:10,400

says he's not going to hold back with

2055

01:20:15,750 --> 01:20:13,120

anything so he'll be on next week here

2056

01:20:16,550 --> 01:20:15,760

uh at the same time as always

2057

01:20:18,870 --> 01:20:16,560

so

2058

01:20:20,229 --> 01:20:18,880

that'll that'll be interesting that is i

2059

01:20:22,870 --> 01:20:20,239

don't know how much you've looked into

2060

01:20:25,110 --> 01:20:22,880

the rendel shim forest but it's such a

2061

01:20:26,070 --> 01:20:25,120

convoluted case with the different

2062

01:20:29,030 --> 01:20:26,080

people

2063

01:20:32,629 --> 01:20:29,040

the infighting in between them all and

2064

01:20:35,669 --> 01:20:32,639

some things that didn't make sense um so

2065

01:20:37,430 --> 01:20:35,679

yeah i'm i'm interested to see

2066

01:20:39,510 --> 01:20:37,440

you know what that what that show is

2067

01:20:42,070 --> 01:20:39,520

going to be like it should be good

2068

01:20:43,590 --> 01:20:42,080

um i hope the guy has can get on the

2069

01:20:45,910 --> 01:20:43,600

internet it might be just a telephone

2070

01:20:48,790 --> 01:20:45,920

interview i'm trying to find out at this

2071

01:20:50,550 --> 01:20:48,800

point so anyway the lines are open and

2072

01:20:52,390 --> 01:20:50,560

there's something wrong with the private

2073

01:20:54,390 --> 01:20:52,400

check because it's not showing up like

2074

01:20:55,590 --> 01:20:54,400

it's supposed to we actually do have a

2075

01:20:57,430 --> 01:20:55,600

caller

2076

01:20:59,350 --> 01:20:57,440

and

2077

01:21:01,669 --> 01:20:59,360

we have hector from puerto rico hector

2078

01:21:04,550 --> 01:21:01,679

welcome to the show

2079

01:21:06,070 --> 01:21:04,560

oh thank you thank you very much

2080

01:21:08,070 --> 01:21:06,080

thanks welcome you have a question for

2081

01:21:10,550 --> 01:21:08,080

our guest tonight

2082

01:21:12,950 --> 01:21:10,560

yeah sure

2083

01:21:14,550 --> 01:21:12,960

thank you uh i have the question for

2084

01:21:16,870 --> 01:21:14,560

christina

2085

01:21:21,030 --> 01:21:16,880

okay

2086

01:21:24,149 --> 01:21:21,040

my first question my first question is

2087

01:21:27,189 --> 01:21:24,159

uh what will be your reaction if

2088

01:21:30,229 --> 01:21:27,199

there is a i start to have your presence

2089

01:21:34,629 --> 01:21:31,590

i'm sorry you broke up can you repeat

2090

01:21:39,350 --> 01:21:36,070

okay

2091

01:21:42,550 --> 01:21:39,360

what will be your reaction if you know

2092

01:21:43,830 --> 01:21:42,560

everybody knows that there's

2093

01:21:48,470 --> 01:21:43,840

this uh

2094

01:21:51,189 --> 01:21:48,480

exothermic presence here on earth

2095

01:21:54,790 --> 01:21:51,199

oh okay so what would my reaction be

2096

01:21:57,590 --> 01:21:54,800

if we knew there was an extraterrestrial

2097

01:21:59,910 --> 01:21:57,600

presence on earth well i would be very

2098

01:22:02,629 --> 01:21:59,920

open to it and i in a sense i would kind

2099

01:22:06,390 --> 01:22:02,639

of expect it i mean it makes sense that

2100

01:22:09,270 --> 01:22:08,229

um okay so we're having a little bit of

2101

01:22:12,709 --> 01:22:09,280

feedback

2102

01:22:14,709 --> 01:22:12,719

hector anything follow up on that

2103

01:22:17,270 --> 01:22:14,719

yeah uh

2104

01:22:20,790 --> 01:22:17,280

my other question is uh

2105

01:22:21,830 --> 01:22:20,800

if she is following any particular

2106

01:22:23,030 --> 01:22:21,840

exotic

2107

01:22:38,709 --> 01:22:23,040

case

2108

01:22:40,390 --> 01:22:38,719

quite a few that i really enjoy

2109

01:22:43,270 --> 01:22:40,400

that i have um

2110

01:22:46,629 --> 01:22:43,280

done a bit of research on one of them is

2111

01:22:48,950 --> 01:22:46,639

the one in colorado's brazil um now i i

2112

01:22:50,390 --> 01:22:48,960

don't know if that is a necessarily a

2113

01:22:53,350 --> 01:22:50,400

true story it has a lot of alleged

2114

01:22:55,990 --> 01:22:53,360

accounts um like several thousand

2115

01:22:59,510 --> 01:22:56,000

witnesses as well it's rather insane but

2116

01:23:02,790 --> 01:22:59,520

that one at this current time

2117

01:23:03,990 --> 01:23:02,800

is my favorite story and kind of to go

2118

01:23:05,910 --> 01:23:04,000

back to

2119

01:23:08,629 --> 01:23:05,920

your first question which both of these

2120

01:23:12,629 --> 01:23:08,639

kind of coexist which is

2121

01:23:15,750 --> 01:23:12,639

when when we go out into the stars we

2122

01:23:19,110 --> 01:23:15,760

will be watching other species on other

2123

01:23:21,030 --> 01:23:19,120

worlds so it wouldn't it wouldn't boggle

2124

01:23:23,270 --> 01:23:21,040

my mind if that's already happening for

2125

01:23:25,350 --> 01:23:23,280

example with the kolaris event

2126  
01:23:27,350 --> 01:23:25,360  
that happened in brazil in the 1970s

2127  
01:23:29,830 --> 01:23:27,360  
1980s

2128  
01:23:32,709 --> 01:23:29,840  
in that story in particular you're

2129  
01:23:35,990 --> 01:23:32,719  
having multiple different craft during

2130  
01:23:38,629 --> 01:23:36,000  
six months going ahead and terrorizing

2131  
01:23:40,070 --> 01:23:38,639  
the town folk in caloris brazil

2132  
01:23:43,350 --> 01:23:40,080  
so it it's

2133  
01:23:44,790 --> 01:23:43,360  
some of these stories i think um would

2134  
01:23:48,310 --> 01:23:44,800  
just make

2135  
01:23:51,510 --> 01:23:48,320  
it it wouldn't make me question if it's

2136  
01:23:53,990 --> 01:23:51,520  
not possible i believe that

2137  
01:23:57,110 --> 01:23:54,000  
us being visited by extraterrestrials is

2138  
01:24:02,310 --> 01:23:59,430

well um is that the case where the the

2139

01:24:04,390 --> 01:24:02,320

guy was burned

2140

01:24:06,950 --> 01:24:04,400

am i thinking of the right one one of

2141

01:24:10,709 --> 01:24:06,960

the people were burned

2142

01:24:12,070 --> 01:24:10,719

there were a few people yes yes and

2143

01:24:14,070 --> 01:24:12,080

there they were they also got like

2144

01:24:15,590 --> 01:24:14,080

puncture wounds as well by the lights

2145

01:24:16,470 --> 01:24:15,600

they had like these kinds of needles in

2146

01:24:18,550 --> 01:24:16,480

a sense

2147

01:24:20,550 --> 01:24:18,560

um where it went ahead and punctured the

2148

01:24:23,030 --> 01:24:20,560

women in the chest and the

2149

01:24:25,270 --> 01:24:23,040

men in the jugular area so there were

2150

01:24:27,510 --> 01:24:25,280

multiple people burned over a period of

2151  
01:24:29,830 --> 01:24:27,520  
time over six months

2152  
01:24:34,149 --> 01:24:29,840  
and it's it's a really fascinating story

2153  
01:24:36,709 --> 01:24:34,159  
it's totally a sci-fi movie story and

2154  
01:24:37,510 --> 01:24:36,719  
for several thousand people

2155  
01:24:39,510 --> 01:24:37,520  
they

2156  
01:24:40,950 --> 01:24:39,520  
classified it as being true like it

2157  
01:24:43,510 --> 01:24:40,960  
really did happen it really did

2158  
01:24:46,310 --> 01:24:43,520  
terrorize a small fishing town

2159  
01:24:48,070 --> 01:24:46,320  
right yes um so we

2160  
01:24:49,910 --> 01:24:48,080  
stephen i guess just hung up we do have

2161  
01:24:52,229 --> 01:24:49,920  
the line open if someone would like to

2162  
01:24:54,709 --> 01:24:52,239  
call in so what are some of the other

2163  
01:24:56,790 --> 01:24:54,719

ones that i mean i have my favorites i

2164

01:24:58,310 --> 01:24:56,800

can't help it but what are some of the

2165

01:25:00,629 --> 01:24:58,320

other ones that you really think are

2166

01:25:02,470 --> 01:25:00,639

fascinating you mentioned the tic tac is

2167

01:25:05,189 --> 01:25:02,480

that one of them the tic tac is is

2168

01:25:08,229 --> 01:25:05,199

definitely one just because

2169

01:25:10,229 --> 01:25:08,239

it has been recorded by

2170

01:25:12,950 --> 01:25:10,239

government cameras and i think that's a

2171

01:25:15,430 --> 01:25:12,960

really big deal for a lot of people

2172

01:25:17,510 --> 01:25:15,440

but the the chorus by far is my favorite

2173

01:25:19,750 --> 01:25:17,520

and then i think one that i just really

2174

01:25:21,750 --> 01:25:19,760

enjoy musing about

2175

01:25:23,189 --> 01:25:21,760

one that

2176

01:25:26,310 --> 01:25:23,199

just it really just kind of makes me

2177

01:25:28,229 --> 01:25:26,320

smile in a sense is the one at the

2178

01:25:31,030 --> 01:25:28,239

holloman air force base where president

2179

01:25:33,990 --> 01:25:31,040

eisenhower had a meeting with ufos like

2180

01:25:35,669 --> 01:25:34,000

with a certain kind of entity and even

2181

01:25:37,350 --> 01:25:35,679

though we do not know if that's true

2182

01:25:39,189 --> 01:25:37,360

these are simply alleged accounts of

2183

01:25:41,830 --> 01:25:39,199

certain military officials that said

2184

01:25:44,310 --> 01:25:41,840

well president eisenhower did enter a

2185

01:25:47,510 --> 01:25:44,320

craft when we were flying the plane

2186

01:25:49,430 --> 01:25:47,520

there was a craft above the airplane

2187

01:25:52,709 --> 01:25:49,440

when entering into the holloman air

2188

01:25:55,110 --> 01:25:52,719

force base and that one i i just find so

2189

01:25:57,990 --> 01:25:55,120

exciting like it makes me it just makes

2190

01:26:00,709 --> 01:25:58,000

me smile thinking like oh my gosh a u.s

2191

01:26:03,189 --> 01:26:00,719

president could be in contact with

2192

01:26:05,510 --> 01:26:03,199

aliens what happens next

2193

01:26:07,110 --> 01:26:05,520

but but again you know these are merely

2194

01:26:09,189 --> 01:26:07,120

alleged accounts we do not know that

2195

01:26:12,629 --> 01:26:09,199

actually happened or not

2196

01:26:15,590 --> 01:26:12,639

but it opens it opens the door to

2197

01:26:16,790 --> 01:26:15,600

asking questions to being curious

2198

01:26:18,390 --> 01:26:16,800

and

2199

01:26:20,709 --> 01:26:18,400

in all of this

2200

01:26:22,550 --> 01:26:20,719

the biggest thing is that i'm still

2201

01:26:26,070 --> 01:26:22,560

learning and i'm still reading up on the

2202

01:26:29,270 --> 01:26:26,080

history and there are so many cases to

2203

01:26:31,990 --> 01:26:29,280

go through and even recent sightings so

2204

01:26:34,629 --> 01:26:32,000

what i like is constantly changing after

2205

01:26:36,470 --> 01:26:34,639

each book i read after every encounter i

2206

01:26:38,229 --> 01:26:36,480

read just because there's so there's so

2207

01:26:39,830 --> 01:26:38,239

much to go through but what about you

2208

01:26:43,030 --> 01:26:39,840

which one's your favorite

2209

01:26:44,709 --> 01:26:43,040

um i've decided over the last

2210

01:26:47,030 --> 01:26:44,719

i don't know maybe just the last year

2211

01:26:48,870 --> 01:26:47,040

that i think it's the

2212

01:26:51,270 --> 01:26:48,880

ariel school

2213

01:26:53,510 --> 01:26:51,280

incident which i just think is is

2214

01:26:56,229 --> 01:26:53,520

fascinating because of and the the

2215

01:26:57,510 --> 01:26:56,239

school children's sightings to me

2216

01:26:59,590 --> 01:26:57,520

um

2217

01:27:02,709 --> 01:26:59,600

is fascinating and i think there's

2218

01:27:04,950 --> 01:27:02,719

really something to that more than just

2219

01:27:06,149 --> 01:27:04,960

that this thing just happened to go in a

2220

01:27:07,910 --> 01:27:06,159

schoolyard

2221

01:27:10,790 --> 01:27:07,920

um because of so many times this has

2222

01:27:12,950 --> 01:27:10,800

happened westall and um i know you

2223

01:27:15,030 --> 01:27:12,960

mentioned preston dennett earlier he did

2224

01:27:19,669 --> 01:27:15,040

a book and i think he said there was

2225

01:27:21,510 --> 01:27:19,679

like 110 120 um yeah you know schoolyard

2226

01:27:23,270 --> 01:27:21,520

sightings and i've interviewed two

2227

01:27:24,390 --> 01:27:23,280

people that have never talked about it

2228

01:27:26,790 --> 01:27:24,400

before

2229

01:27:29,830 --> 01:27:26,800

one of them was in oakland and one i had

2230

01:27:32,950 --> 01:27:29,840

an entire show on deb coyle still one of

2231

01:27:35,590 --> 01:27:32,960

my favorite shows in the last year

2232

01:27:37,110 --> 01:27:35,600

was with her because it was so heartfelt

2233

01:27:38,149 --> 01:27:37,120

and was the first time she ever spoke

2234

01:27:41,910 --> 01:27:38,159

about it

2235

01:27:44,390 --> 01:27:41,920

so i love those those type of

2236

01:27:45,990 --> 01:27:44,400

of shows talking to people

2237

01:27:46,870 --> 01:27:46,000

that are talking about it for the first

2238

01:27:47,750 --> 01:27:46,880

time

2239

01:27:50,310 --> 01:27:47,760

so

2240

01:27:51,750 --> 01:27:50,320

as far as the ones that are really

2241

01:27:54,310 --> 01:27:51,760

widely known

2242

01:27:56,550 --> 01:27:54,320

i would have to say the ariel school

2243

01:27:58,709 --> 01:27:56,560

um i have like a top five and these are

2244

01:28:01,830 --> 01:27:58,719

just my own preference i mean preference

2245

01:28:03,350 --> 01:28:01,840

it means nothing um the tic tac you know

2246

01:28:06,070 --> 01:28:03,360

that whole event

2247

01:28:08,149 --> 01:28:06,080

that's in the five the phoenix slice is

2248

01:28:09,430 --> 01:28:08,159

in the five rendel shrimp forest is in

2249

01:28:11,830 --> 01:28:09,440

the five

2250

01:28:13,669 --> 01:28:11,840

and did i go six yet

2251

01:28:15,590 --> 01:28:13,679

but no i think i did about four or five

2252

01:28:18,149 --> 01:28:15,600

but anyway those are those are all what

2253

01:28:20,070 --> 01:28:18,159

i think are very very fascinating now

2254

01:28:21,830 --> 01:28:20,080

i'd like to look a little bit more into

2255

01:28:24,149 --> 01:28:21,840

the brazil one

2256

01:28:26,709 --> 01:28:24,159

because that that i do remember i

2257

01:28:28,070 --> 01:28:26,719

haven't looked deeply into that but you

2258

01:28:30,709 --> 01:28:28,080

really think there's something to it as

2259

01:28:31,830 --> 01:28:30,719

far as eisenhower i don't know i think

2260

01:28:33,669 --> 01:28:31,840

that was

2261

01:28:36,790 --> 01:28:33,679

i think that's kind of a fable but i

2262

01:28:38,870 --> 01:28:36,800

it's it's so it's so hard to know or

2263

01:28:40,950 --> 01:28:38,880

could very well be yeah you know we we

2264

01:28:43,270 --> 01:28:40,960

don't know and that's that's the whole

2265

01:28:46,390 --> 01:28:43,280

thing with this ufo phenomenon all

2266

01:28:48,149 --> 01:28:46,400

together it's difficult to decipher

2267

01:28:50,790 --> 01:28:48,159

what's a hoax what's a fable and what's

2268

01:28:51,750 --> 01:28:50,800

not it's it's not an easy feat

2269

01:28:53,669 --> 01:28:51,760

but

2270

01:28:56,229 --> 01:28:53,679

again it's just having these

2271

01:28:58,229 --> 01:28:56,239

conversations just to even consider it

2272

01:28:59,270 --> 01:28:58,239

that opens the door to so many more

2273

01:29:01,110 --> 01:28:59,280

questions

2274

01:29:03,510 --> 01:29:01,120

and in some respects to go ahead and

2275

01:29:06,070 --> 01:29:03,520

push forward just to hopefully get those

2276

01:29:07,990 --> 01:29:06,080

answers yeah um lee spiegel just

2277

01:29:09,669 --> 01:29:08,000

mentioned the larry coin

2278

01:29:11,189 --> 01:29:09,679

case which is a helicopter case that's a

2279

01:29:13,110 --> 01:29:11,199

heck of a case for anyone that wants to

2280

01:29:15,149 --> 01:29:13,120

do a little googling on that coin i

2281

01:29:18,070 --> 01:29:15,159

believe is

2282

01:29:19,910 --> 01:29:18,080

c-o-y-n-e i believe we have another

2283

01:29:22,950 --> 01:29:19,920

we have another caller

2284

01:29:26,790 --> 01:29:22,960

and that's uh leilani from california

2285

01:29:26,800 --> 01:29:31,750

hello you're live on the air leilani

2286

01:29:38,629 --> 01:29:34,310

are you there

2287

01:29:41,189 --> 01:29:38,639

i guess you there lolani

2288

01:29:42,149 --> 01:29:41,199

last call

2289

01:29:44,390 --> 01:29:42,159

okay

2290

01:29:46,070 --> 01:29:44,400

maybe she'll be back maybe she won't

2291

01:29:48,390 --> 01:29:46,080

um

2292

01:29:50,790 --> 01:29:48,400

yeah the larry coin case was really

2293

01:29:52,229 --> 01:29:50,800

quite amazing i don't know if you've

2294

01:29:54,470 --> 01:29:52,239

ever heard about it but i think it was

2295

01:29:57,669 --> 01:29:54,480

in the 70s at some point

2296

01:29:58,790 --> 01:29:57,679

and a military helicopter

2297

01:30:00,870 --> 01:29:58,800

um

2298

01:30:03,750 --> 01:30:00,880

i think there was five or six maybe more

2299

01:30:06,470 --> 01:30:03,760

people and it would raise up i think

2300

01:30:08,149 --> 01:30:06,480

like a thousand feet instantly above the

2301

01:30:09,350 --> 01:30:08,159

um toward this object that was above

2302

01:30:11,990 --> 01:30:09,360

them

2303

01:30:14,149 --> 01:30:12,000

so 1973 is when that happened but yeah

2304

01:30:16,470 --> 01:30:14,159

that's a real fascinating case

2305

01:30:17,990 --> 01:30:16,480

and um that was military there's a lot

2306

01:30:20,550 --> 01:30:18,000

of military

2307

01:30:21,830 --> 01:30:20,560

interaction one way or the other

2308

01:30:24,950 --> 01:30:21,840

there are

2309

01:30:27,350 --> 01:30:24,960

all right we're gonna try one more time

2310

01:30:30,629 --> 01:30:27,360

and let's give it another try melania

2311

01:30:34,870 --> 01:30:32,790

hello

2312

01:30:36,470 --> 01:30:34,880

i guess it's uh we're having trouble

2313

01:30:38,709 --> 01:30:36,480

with the

2314

01:30:40,390 --> 01:30:38,719

the sound apparently when it comes to

2315

01:30:41,910 --> 01:30:40,400

the bill i don't know if you can fix

2316

01:30:45,750 --> 01:30:41,920

anything with that but uh we're gonna

2317

01:30:51,430 --> 01:30:49,590

so yeah um it doesn't mean

2318

01:30:53,430 --> 01:30:51,440

that cases that i like have any more

2319

01:30:55,030 --> 01:30:53,440

credence and other ones you know it's

2320

01:30:57,669 --> 01:30:55,040

just that i

2321

01:31:00,550 --> 01:30:57,679

personally find those fascinating

2322

01:31:02,709 --> 01:31:00,560

especially the arielle school and i get

2323

01:31:04,390 --> 01:31:02,719

at least an email a week

2324

01:31:06,790 --> 01:31:04,400

people asking me when that movie is

2325

01:31:08,229 --> 01:31:06,800

coming out the ariel phenomenon and i

2326

01:31:10,229 --> 01:31:08,239

don't know

2327

01:31:12,310 --> 01:31:10,239

um i know it's going to be on a major

2328

01:31:14,149 --> 01:31:12,320

streaming platform it was supposed to be

2329

01:31:15,270 --> 01:31:14,159

out before the end of the year

2330

01:31:17,189 --> 01:31:15,280

now i

2331

01:31:18,870 --> 01:31:17,199

have my update is sometime the first

2332

01:31:20,390 --> 01:31:18,880

part of this year let's try it again

2333

01:31:21,350 --> 01:31:20,400

with a different caller see if this

2334

01:31:23,270 --> 01:31:21,360

works

2335

01:31:25,910 --> 01:31:23,280

ken you are live on the air welcome to

2336

01:31:30,790 --> 01:31:28,390

yeah we're having audio

2337

01:31:32,470 --> 01:31:30,800

there we go ken you're there

2338

01:31:33,110 --> 01:31:32,480

yes i am yes i am yeah i'd like to just

2339

01:31:34,629 --> 01:31:33,120

say

2340

01:31:35,990 --> 01:31:34,639

okay

2341

01:31:38,709 --> 01:31:36,000

you know

2342

01:31:40,950 --> 01:31:38,719

we know right i've heard lou elizondo

2343

01:31:44,229 --> 01:31:40,960

talk about reading documents that were

2344

01:31:46,470 --> 01:31:44,239

written in latin of soldiers um

2345

01:31:47,750 --> 01:31:46,480

discussing seeing these luminous objects

2346

01:31:51,030 --> 01:31:47,760

in the sky

2347

01:31:54,390 --> 01:31:51,040

and you know we our history is filled

2348

01:31:55,990 --> 01:31:54,400

with uh sailors seeing underwater lights

2349

01:31:59,590 --> 01:31:56,000

you know we know the russians have

2350

01:32:02,470 --> 01:31:59,600

encountered fleets of usos underwater

2351

01:32:06,229 --> 01:32:02,480

there are literally thousands of videos

2352

01:32:09,110 --> 01:32:06,239

and reports of uf us ufos entering and

2353

01:32:11,590 --> 01:32:09,120

exiting our oceans entering and exiting

2354

01:32:13,350 --> 01:32:11,600

our volcanoes entering and exiting our

2355

01:32:14,390 --> 01:32:13,360

deepest lakes

2356

01:32:16,870 --> 01:32:14,400

right

2357

01:32:19,350 --> 01:32:16,880

why wouldn't you think that there's

2358

01:32:21,110 --> 01:32:19,360

already a presence on this earth the

2359

01:32:23,990 --> 01:32:21,120

evidence is there

2360

01:32:26,550 --> 01:32:24,000

and this idea that um like we don't know

2361

01:32:28,870 --> 01:32:26,560

what it is or we can't say that you know

2362

01:32:31,430 --> 01:32:28,880

we for sure what it is but we know it's

2363

01:32:33,669 --> 01:32:31,440

something i mean we know for sure that

2364

01:32:35,189 --> 01:32:33,679

it's not like minnie mouse you know

2365

01:32:38,070 --> 01:32:35,199

in those crafts

2366

01:32:41,189 --> 01:32:38,080

when i see a plane or a helicopter right

2367

01:32:43,910 --> 01:32:41,199

in the sky i intuitively know that there

2368

01:32:46,470 --> 01:32:43,920

is somebody in there or if it's a

2369

01:32:49,030 --> 01:32:46,480

drone then someone built it so when i

2370

01:32:51,350 --> 01:32:49,040

see these crafts that are doing these

2371

01:32:53,590 --> 01:32:51,360

moves that that we we don't know how to

2372

01:32:55,910 --> 01:32:53,600

do we don't have the technology to do it

2373

01:32:58,629 --> 01:32:55,920

right and then we there's all of these

2374

01:33:01,990 --> 01:32:58,639

anecdotal stories about

2375

01:33:04,149 --> 01:33:02,000

about these advanced beings so yeah why

2376

01:33:07,750 --> 01:33:04,159

wouldn't or why couldn't you accept the

2377

01:33:10,070 --> 01:33:07,760

idea that there are these advanced

2378

01:33:11,590 --> 01:33:10,080

beings that already live in our oceans

2379

01:33:16,310 --> 01:33:11,600

and have lived in our oceans for

2380

01:33:21,510 --> 01:33:18,870

well first off ken i want to say you

2381

01:33:22,629 --> 01:33:21,520

have a radio voice

2382

01:33:24,310 --> 01:33:22,639

so amazing

2383

01:33:27,750 --> 01:33:24,320

so um

2384

01:33:30,070 --> 01:33:27,760

i to to answer your question i don't

2385

01:33:32,950 --> 01:33:30,080

have the evidence we have lots of cases

2386

01:33:34,629 --> 01:33:32,960

and reports and anecdotal tales but do i

2387

01:33:37,590 --> 01:33:34,639

have the evidence

2388

01:33:39,270 --> 01:33:37,600

no i am open-minded to them being here

2389

01:33:40,229 --> 01:33:39,280

under the oceans

2390

01:33:43,430 --> 01:33:40,239

but

2391

01:33:46,149 --> 01:33:43,440

still i i think we really need the

2392

01:33:48,709 --> 01:33:46,159

objects in our hands or to to have

2393

01:33:51,430 --> 01:33:48,719

public contact with these things and for

2394

01:33:52,870 --> 01:33:51,440

the majority of the public they don't

2395

01:33:55,030 --> 01:33:52,880

know about that

2396

01:33:56,550 --> 01:33:55,040

so let's get the data out there that's

2397

01:33:58,310 --> 01:33:56,560

the biggest thing

2398

01:34:00,310 --> 01:33:58,320

well do you think that those videos that

2399

01:34:02,870 --> 01:34:00,320

the military released or fake or

2400

01:34:07,990 --> 01:34:05,270

how is that not evidence

2401

01:34:09,830 --> 01:34:08,000

it's it's still rather new for a lot

2402

01:34:12,310 --> 01:34:09,840

of people a lot of people haven't even

2403

01:34:14,950 --> 01:34:12,320

seen these videos

2404

01:34:17,590 --> 01:34:14,960

but you know you you have a point ken

2405

01:34:20,470 --> 01:34:17,600

don't get me wrong you do have a point

2406

01:34:22,709 --> 01:34:20,480

but i still i i still think we need even

2407

01:34:25,669 --> 01:34:22,719

more evidence from that because yes we

2408

01:34:27,990 --> 01:34:25,679

have the tic tac to go fast the gimbal

2409

01:34:30,709 --> 01:34:28,000

but then people are still gonna complain

2410

01:34:34,470 --> 01:34:30,719

oh well it's blurry oh well it's not

2411

01:34:37,830 --> 01:34:34,480

good enough and again i am open-minded

2412

01:34:39,990 --> 01:34:37,840

to them being non-human intelligence but

2413

01:34:41,750 --> 01:34:40,000

has the world change has there been

2414

01:34:44,310 --> 01:34:41,760

contact

2415

01:34:46,470 --> 01:34:44,320

not yet christina there's nothing no

2416

01:34:49,510 --> 01:34:46,480

right that the majority of people on

2417

01:34:51,990 --> 01:34:49,520

planet earth are idiots all right

2418

01:34:54,390 --> 01:34:52,000

and if you just go back to copernicus go

2419

01:34:56,070 --> 01:34:54,400

back to galileo right these people when

2420

01:34:58,229 --> 01:34:56,080

they were trying to tell the rest of the

2421

01:35:00,870 --> 01:34:58,239

world that the earth was not the center

2422

01:35:03,590 --> 01:35:00,880

of our solar system they were ridiculed

2423

01:35:06,550 --> 01:35:03,600

right one one one person was trying to

2424

01:35:08,709 --> 01:35:06,560

tell the everyone else the fact or or uh

2425

01:35:11,669 --> 01:35:08,719

jay harlan brent with his missoula flood

2426  
01:35:13,669 --> 01:35:11,679  
theory right all these other people

2427  
01:35:15,910 --> 01:35:13,679  
disagreed with him and but when they

2428  
01:35:18,149 --> 01:35:15,920  
were presenting facts

2429  
01:35:20,390 --> 01:35:18,159  
but yet all these idiots

2430  
01:35:23,510 --> 01:35:20,400  
right the majority of humans are idiot

2431  
01:35:24,629 --> 01:35:23,520  
they're stupid okay all right full of

2432  
01:35:26,950 --> 01:35:24,639  
people

2433  
01:35:28,709 --> 01:35:26,960  
that actually speak the truth so why

2434  
01:35:29,669 --> 01:35:28,719  
would you rely on all the idiots in the

2435  
01:35:33,350 --> 01:35:29,679  
world

2436  
01:35:37,189 --> 01:35:35,030  
did you have such a since you have such

2437  
01:35:39,830 --> 01:35:37,199  
a great voice i'm looking forward to

2438  
01:35:41,510 --> 01:35:39,840

your own show when you start it

2439

01:35:43,990 --> 01:35:41,520

oh i have a channel it's called ufo

2440

01:35:45,350 --> 01:35:44,000

video addicts and here you know

2441

01:35:47,270 --> 01:35:45,360

i've been doing these videos for two and

2442

01:35:49,750 --> 01:35:47,280

a half years so that's why i know

2443

01:35:52,149 --> 01:35:49,760

i don't believe i know that we are not

2444

01:35:54,470 --> 01:35:52,159

alone on this planet

2445

01:35:57,109 --> 01:35:54,480

yes thank you i've been making videos

2446

01:35:58,070 --> 01:35:57,119

about it yeah all right ken we have uh

2447

01:35:59,990 --> 01:35:58,080

we have

2448

01:36:02,550 --> 01:36:00,000

some people lined up on the phone thank

2449

01:36:03,750 --> 01:36:02,560

you very much

2450

01:36:08,310 --> 01:36:03,760

thank you

2451

01:36:10,470 --> 01:36:08,320

leilani i want to apologize for you i

2452

01:36:11,430 --> 01:36:10,480

apologize to you thank you for coming

2453

01:36:13,270 --> 01:36:11,440

back

2454

01:36:15,510 --> 01:36:13,280

and i forgot you're from california as

2455

01:36:17,750 --> 01:36:15,520

well welcome to the show

2456

01:36:18,950 --> 01:36:17,760

i am thank you um i had it muted so i

2457

01:36:21,030 --> 01:36:18,960

don't know what you guys have been

2458

01:36:22,470 --> 01:36:21,040

talking about i didn't want any feedback

2459

01:36:25,510 --> 01:36:22,480

but i just want to say

2460

01:36:27,669 --> 01:36:25,520

thank you for both of you uh to talk

2461

01:36:29,990 --> 01:36:27,679

about this because um

2462

01:36:32,709 --> 01:36:30,000

christina you're refreshing the fact

2463

01:36:34,070 --> 01:36:32,719

that you're young and so smart and so

2464

01:36:34,950 --> 01:36:34,080

open-minded

2465

01:36:36,790 --> 01:36:34,960

is

2466

01:36:39,830 --> 01:36:36,800

um

2467

01:36:42,070 --> 01:36:39,840

i guess uh reassuring to me i'm an older

2468

01:36:43,990 --> 01:36:42,080

generation and martin this is i

2469

01:36:45,830 --> 01:36:44,000

apologize this is only the second show

2470

01:36:47,430 --> 01:36:45,840

of yours that i've watched um i'm not

2471

01:36:50,470 --> 01:36:47,440

even really familiar

2472

01:36:54,149 --> 01:36:50,480

we're forgiven yes

2473

01:36:55,590 --> 01:36:54,159

i hate to admit that out loud but um

2474

01:37:11,510 --> 01:36:55,600

i

2475

01:37:13,189 --> 01:37:11,520

uh

2476  
01:37:15,830 --> 01:37:13,199  
found out

2477  
01:37:16,709 --> 01:37:15,840  
that i have an ability to communicate

2478  
01:37:17,990 --> 01:37:16,719  
and

2479  
01:37:19,990 --> 01:37:18,000  
um

2480  
01:37:22,149 --> 01:37:20,000  
i don't know how to explain this kind of

2481  
01:37:24,229 --> 01:37:22,159  
like when christina was relating her

2482  
01:37:26,790 --> 01:37:24,239  
story about india

2483  
01:37:28,229 --> 01:37:26,800  
and her encounter

2484  
01:37:30,070 --> 01:37:28,239  
i can

2485  
01:37:32,149 --> 01:37:30,080  
communicate with

2486  
01:37:33,270 --> 01:37:32,159  
multi-dimensional beings

2487  
01:37:37,189 --> 01:37:33,280  
and

2488  
01:37:39,109 --> 01:37:37,199

um communicate actually telepathically

2489

01:37:41,510 --> 01:37:39,119

with et's

2490

01:37:42,390 --> 01:37:41,520

i know i just said that out loud

2491

01:37:43,669 --> 01:37:42,400

um

2492

01:37:46,470 --> 01:37:43,679

but anyway

2493

01:37:47,669 --> 01:37:46,480

it's reassuring to me that we're able to

2494

01:37:50,470 --> 01:37:47,679

communicate

2495

01:37:51,910 --> 01:37:50,480

and talk about this more openly

2496

01:37:56,149 --> 01:37:51,920

and

2497

01:37:59,750 --> 01:37:57,030

but

2498

01:38:00,950 --> 01:37:59,760

i was told three years ago

2499

01:38:03,109 --> 01:38:00,960

that

2500

01:38:05,669 --> 01:38:03,119

within three years

2501  
01:38:06,550 --> 01:38:05,679  
there will be very few people on this

2502  
01:38:10,149 --> 01:38:06,560  
earth

2503  
01:38:12,629 --> 01:38:10,159  
who would not believe in ufos

2504  
01:38:16,550 --> 01:38:12,639  
and i'm watching this over the three

2505  
01:38:17,430 --> 01:38:16,560  
years unfold right before my very eyes

2506  
01:38:19,430 --> 01:38:17,440  
and

2507  
01:38:21,750 --> 01:38:19,440  
my personal experience

2508  
01:38:24,149 --> 01:38:21,760  
when i was younger i remember when the

2509  
01:38:26,229 --> 01:38:24,159  
movie fire in the sky came out with

2510  
01:38:28,310 --> 01:38:26,239  
travis walton

2511  
01:38:29,430 --> 01:38:28,320  
and i went to the movie i saw it with my

2512  
01:38:32,070 --> 01:38:29,440  
friends

2513  
01:38:33,750 --> 01:38:32,080

and thought oh that's a good movie

2514

01:38:35,109 --> 01:38:33,760

do you think much of it just thought it

2515

01:38:37,350 --> 01:38:35,119

was hollywood

2516

01:38:40,310 --> 01:38:37,360

and now i'm seeing

2517

01:38:42,390 --> 01:38:40,320

travis come out and be more open

2518

01:38:43,430 --> 01:38:42,400

about his experience and what happened

2519

01:38:46,070 --> 01:38:43,440

to him

2520

01:38:47,669 --> 01:38:46,080

and relayed to us

2521

01:38:50,550 --> 01:38:47,679

first person

2522

01:38:52,229 --> 01:38:50,560

that it was a movie it was created for

2523

01:38:54,070 --> 01:38:52,239

hollywood and excitement and

2524

01:38:56,790 --> 01:38:54,080

entertainment

2525

01:38:58,390 --> 01:38:56,800

and to actually hear him

2526

01:38:59,189 --> 01:38:58,400

give his own

2527

01:39:00,310 --> 01:38:59,199

uh

2528

01:39:01,669 --> 01:39:00,320

version

2529

01:39:04,229 --> 01:39:01,679

and also

2530

01:39:05,430 --> 01:39:04,239

in my research in the last four years

2531

01:39:07,750 --> 01:39:05,440

because i had to get up to speed i

2532

01:39:09,990 --> 01:39:07,760

didn't even know anything about ufos or

2533

01:39:11,270 --> 01:39:10,000

ets or you know i thought oh you know as

2534

01:39:13,590 --> 01:39:11,280

a scientist

2535

01:39:15,990 --> 01:39:13,600

it's impossible for us to be on this

2536

01:39:18,870 --> 01:39:16,000

planet all by ourselves

2537

01:39:21,910 --> 01:39:18,880

or it's arrogant to think that we we are

2538

01:39:22,950 --> 01:39:21,920

the only species right

2539

01:39:23,910 --> 01:39:22,960

and

2540

01:39:25,830 --> 01:39:23,920

um

2541

01:39:27,830 --> 01:39:25,840

now through personal experience but i'm

2542

01:39:30,709 --> 01:39:27,840

trying to catch up so i don't know

2543

01:39:32,390 --> 01:39:30,719

anything about all these things

2544

01:39:34,790 --> 01:39:32,400

these people that you guys have

2545

01:39:37,430 --> 01:39:34,800

mentioned these encounters

2546

01:39:40,310 --> 01:39:37,440

and so i have a fresh perspective

2547

01:39:43,189 --> 01:39:40,320

and that's what i find so exciting about

2548

01:39:47,109 --> 01:39:43,199

christina so um anyway

2549

01:39:50,149 --> 01:39:47,119

may i may i ask you a question

2550

01:39:52,149 --> 01:39:50,159

sure how how are you sure

2551  
01:39:53,430 --> 01:39:52,159  
whatever it is you're communicating as a

2552  
01:39:55,270 --> 01:39:53,440  
scientist

2553  
01:39:58,229 --> 01:39:55,280  
how are you sure whatever it is you're

2554  
01:40:01,430 --> 01:39:58,239  
communicating with is what you think

2555  
01:40:03,510 --> 01:40:01,440  
they are what you're stating here

2556  
01:40:06,790 --> 01:40:03,520  
i know that's a very good question as a

2557  
01:40:09,109 --> 01:40:06,800  
scientist i want to know the truth and i

2558  
01:40:11,270 --> 01:40:09,119  
research everything um

2559  
01:40:13,910 --> 01:40:11,280  
but when it's happening to you

2560  
01:40:14,950 --> 01:40:13,920  
personally

2561  
01:40:20,229 --> 01:40:14,960  
there's

2562  
01:40:32,310 --> 01:40:20,239  
you

2563  
01:40:34,470 --> 01:40:32,320

it's going to sound crazy and cuckoo

2564

01:40:35,590 --> 01:40:34,480

and how do i know

2565

01:40:38,229 --> 01:40:35,600

um

2566

01:40:39,830 --> 01:40:38,239

that it is

2567

01:40:42,870 --> 01:40:39,840

extraterrestrial

2568

01:40:45,109 --> 01:40:42,880

yes because they told me

2569

01:40:47,189 --> 01:40:45,119

and because i know that this information

2570

01:40:48,790 --> 01:40:47,199

is not coming from me

2571

01:40:51,669 --> 01:40:48,800

it's not something

2572

01:40:54,709 --> 01:40:51,679

i had no experience with ets i had no

2573

01:40:56,229 --> 01:40:54,719

experience with ufos i wasn't

2574

01:40:58,709 --> 01:40:56,239

um

2575

01:41:02,870 --> 01:40:58,719

excited about it as a lot of your

2576

01:41:06,790 --> 01:41:04,709

my only

2577

01:41:09,669 --> 01:41:06,800

um

2578

01:41:12,550 --> 01:41:09,679

association with it was carl sagan like

2579

01:41:15,270 --> 01:41:12,560

i love carl sagan

2580

01:41:17,830 --> 01:41:15,280

and he had a lot to teach me

2581

01:41:19,830 --> 01:41:17,840

but other than that no i i wouldn't call

2582

01:41:23,590 --> 01:41:19,840

myself a ufologist

2583

01:41:26,790 --> 01:41:23,600

um in fact i'm still not

2584

01:41:28,229 --> 01:41:26,800

um i don't know how to explain it um

2585

01:41:31,750 --> 01:41:28,239

a fan

2586

01:41:35,109 --> 01:41:31,760

i just know what i've experienced and so

2587

01:41:37,189 --> 01:41:35,119

um i try to be open-minded

2588

01:41:38,790 --> 01:41:37,199

and again so i just want to say thank

2589

01:41:40,390 --> 01:41:38,800

you to both of you

2590

01:41:41,669 --> 01:41:40,400

for doing this

2591

01:41:43,510 --> 01:41:41,679

podcast

2592

01:41:46,390 --> 01:41:43,520

and i look forward to hearing more from

2593

01:41:47,830 --> 01:41:46,400

christina and from you martin as well

2594

01:41:49,430 --> 01:41:47,840

um but

2595

01:41:51,430 --> 01:41:49,440

question

2596

01:41:53,830 --> 01:41:51,440

um

2597

01:41:55,910 --> 01:41:53,840

i don't i don't even know but

2598

01:41:56,870 --> 01:41:55,920

i guess for both of you this is a

2599

01:41:59,350 --> 01:41:56,880

question

2600

01:42:01,109 --> 01:41:59,360

um have you thought that

2601  
01:42:02,870 --> 01:42:01,119  
there are the ets are already

2602  
01:42:05,350 --> 01:42:02,880  
communicating with us

2603  
01:42:08,950 --> 01:42:05,360  
and put those thoughts in our heads

2604  
01:42:09,750 --> 01:42:08,960  
to say oh look up now and you'll see me

2605  
01:42:12,629 --> 01:42:09,760  
or

2606  
01:42:13,750 --> 01:42:12,639  
go to this temple in india

2607  
01:42:15,430 --> 01:42:13,760  
and

2608  
01:42:17,350 --> 01:42:15,440  
knowing ahead of time that you're going

2609  
01:42:19,189 --> 01:42:17,360  
to have that encounter you're going to

2610  
01:42:20,790 --> 01:42:19,199  
have that experience

2611  
01:42:22,470 --> 01:42:20,800  
to then

2612  
01:42:23,990 --> 01:42:22,480  
start a show

2613  
01:42:25,590 --> 01:42:24,000

or a podcast

2614

01:42:28,229 --> 01:42:25,600

or a youtube channel

2615

01:42:30,070 --> 01:42:28,239

to start talking about it so that more

2616

01:42:31,590 --> 01:42:30,080

and more people hear about your

2617

01:42:34,390 --> 01:42:31,600

experience

2618

01:42:37,030 --> 01:42:34,400

have you thought of that

2619

01:42:39,109 --> 01:42:37,040

that's a good question uh leilani and

2620

01:42:41,430 --> 01:42:39,119

first off thank you so much for opening

2621

01:42:42,470 --> 01:42:41,440

up about about what you can do

2622

01:42:44,790 --> 01:42:42,480

and

2623

01:42:46,229 --> 01:42:44,800

just to touch on that you know i i don't

2624

01:42:48,390 --> 01:42:46,239

have that ability that'd be pretty

2625

01:42:50,709 --> 01:42:48,400

awesome if i did but you know i'm i'm

2626

01:42:53,590 --> 01:42:50,719

very open-minded to it and and that is

2627

01:42:55,430 --> 01:42:53,600

your unique story i'll listen to those

2628

01:42:57,750 --> 01:42:55,440

stories but i really can't do anything

2629

01:42:59,590 --> 01:42:57,760

with that it is purely subjective to

2630

01:43:01,109 --> 01:42:59,600

those people out there who say they can

2631

01:43:03,350 --> 01:43:01,119

communicate with entities from other

2632

01:43:04,550 --> 01:43:03,360

dimensions and other dimensions and from

2633

01:43:07,430 --> 01:43:04,560

the stars

2634

01:43:10,310 --> 01:43:07,440

but uh i i can really only work on with

2635

01:43:13,430 --> 01:43:10,320

the things in my own field of perception

2636

01:43:15,990 --> 01:43:13,440

now to answer your question

2637

01:43:18,470 --> 01:43:16,000

um it's a really good one and i actually

2638

01:43:20,790 --> 01:43:18,480

had this conversation rather recently

2639

01:43:24,470 --> 01:43:20,800

with a japanese ufo researcher by the

2640

01:43:27,030 --> 01:43:24,480

name of norio hayakawa and he had stated

2641

01:43:29,189 --> 01:43:27,040

based off of his research and from his

2642

01:43:32,070 --> 01:43:29,199

understanding of the last three or four

2643

01:43:35,510 --> 01:43:32,080

decades rather long time he believes

2644

01:43:38,229 --> 01:43:35,520

that people are pre-selected people that

2645

01:43:39,750 --> 01:43:38,239

have ufo sightings ufo encounters or

2646

01:43:41,990 --> 01:43:39,760

things of that nature

2647

01:43:44,790 --> 01:43:42,000

are pre-selected to go ahead and have

2648

01:43:47,669 --> 01:43:44,800

those experiences so for

2649

01:43:49,750 --> 01:43:47,679

these entities that go ahead and say

2650

01:43:51,270 --> 01:43:49,760

telepathically look up into the sky or

2651  
01:43:55,669 --> 01:43:51,280  
you're going to see this if you go there

2652  
01:43:57,510 --> 01:43:55,679  
today it is incredibly possible i i do

2653  
01:44:00,470 --> 01:43:57,520  
not doubt it i'm very open-minded to

2654  
01:44:03,669 --> 01:44:00,480  
that possibility and for those that do

2655  
01:44:05,590 --> 01:44:03,679  
have telepathic powers such as yourself

2656  
01:44:09,189 --> 01:44:05,600  
um it i i think it would simply make

2657  
01:44:12,709 --> 01:44:09,199  
sense but again it would just depend on

2658  
01:44:15,830 --> 01:44:12,719  
people's field of perception and also if

2659  
01:44:18,229 --> 01:44:15,840  
they're even open to that mentally to go

2660  
01:44:20,950 --> 01:44:18,239  
ahead and receive that message

2661  
01:44:23,189 --> 01:44:20,960  
telepathically as well well leilani we

2662  
01:44:24,629 --> 01:44:23,199  
want to thank you for your call and um

2663  
01:44:27,430 --> 01:44:24,639

hopefully you'll call back again next

2664

01:44:29,189 --> 01:44:27,440

week thank you for your call

2665

01:44:31,030 --> 01:44:29,199

i will definitely tune in thank you

2666

01:44:32,709 --> 01:44:31,040

thank you too

2667

01:44:34,390 --> 01:44:32,719

all right it seems like martin willis is

2668

01:44:36,790 --> 01:44:34,400

having an issue technical issue with his

2669

01:44:39,510 --> 01:44:36,800

camera oh no

2670

01:44:41,270 --> 01:44:39,520

we're gonna get to the next call we have

2671

01:44:46,390 --> 01:44:41,280

lee spiegel

2672

01:44:50,470 --> 01:44:46,400

lee are you there

2673

01:44:54,310 --> 01:44:50,480

i am here yes i am and you're wrong

2674

01:44:58,870 --> 01:44:56,790

so good to hear from you my friend

2675

01:45:01,030 --> 01:44:58,880

well well it's so good to see you i'm so

2676

01:45:03,190 --> 01:45:01,040

happy that you're still broadcasting

2677

01:45:09,430 --> 01:45:03,200

from so high above the earth behind you

2678

01:45:13,350 --> 01:45:12,550

i i just want to say in my own opinion

2679

01:45:15,430 --> 01:45:13,360

that

2680

01:45:17,109 --> 01:45:15,440

you have the freshest

2681

01:45:18,709 --> 01:45:17,119

most welcome

2682

01:45:20,390 --> 01:45:18,719

intelligent

2683

01:45:21,669 --> 01:45:20,400

well-versed

2684

01:45:23,830 --> 01:45:21,679

voice now

2685

01:45:26,070 --> 01:45:23,840

in the ufo field especially in

2686

01:45:28,390 --> 01:45:26,080

broadcasting and in wanting to get

2687

01:45:30,310 --> 01:45:28,400

information out to people you've been

2688

01:45:31,830 --> 01:45:30,320

saying things that i didn't even know

2689

01:45:35,030 --> 01:45:31,840

about and hell i thought i knew

2690

01:45:37,910 --> 01:45:37,030

it's so good to have you here and i

2691

01:45:40,470 --> 01:45:37,920

think

2692

01:45:42,229 --> 01:45:40,480

when you get old geezers like martin

2693

01:45:44,550 --> 01:45:42,239

willis and me

2694

01:45:47,510 --> 01:45:44,560

uh still doing what we do

2695

01:45:50,310 --> 01:45:47,520

after so long i feel

2696

01:45:52,550 --> 01:45:50,320

if we had more people like you around

2697

01:45:54,709 --> 01:45:52,560

doing this kind of work um we're in

2698

01:45:56,870 --> 01:45:54,719

really good hands with you that's that's

2699

01:45:59,189 --> 01:45:56,880

what i wanted to say

2700

01:46:01,910 --> 01:45:59,199

thank you lee

2701

01:46:03,669 --> 01:46:01,920

lee thank you make my heart warm

2702

01:46:05,830 --> 01:46:03,679

can you actually hear me

2703

01:46:07,510 --> 01:46:05,840

yes okay so

2704

01:46:09,430 --> 01:46:07,520

oh martin is is it still your show

2705

01:46:11,669 --> 01:46:09,440

martin no i thought i thought it was

2706

01:46:13,270 --> 01:46:11,679

yours for a minute but uh

2707

01:46:16,470 --> 01:46:13,280

and then i earlier i thought it was

2708

01:46:19,270 --> 01:46:16,480

ken's show for a while but uh

2709

01:46:21,350 --> 01:46:19,280

but anyway my camera blew up and when i

2710

01:46:23,189 --> 01:46:21,360

try to get my camera to work

2711

01:46:25,510 --> 01:46:23,199

the everything blows up so i'm back i

2712

01:46:27,590 --> 01:46:25,520

don't know thanks for filling in for me

2713

01:46:29,350 --> 01:46:27,600

both uh bill and

2714

01:46:31,350 --> 01:46:29,360

and lee we only have two minutes left

2715

01:46:33,590 --> 01:46:31,360

can you believe that we do have one more

2716

01:46:36,070 --> 01:46:33,600

caller lee thank you so much for calling

2717

01:46:38,070 --> 01:46:36,080

in thank you

2718

01:46:39,030 --> 01:46:38,080

uh so i don't have anything all that

2719

01:46:41,430 --> 01:46:39,040

gone

2720

01:46:42,870 --> 01:46:41,440

uh bill so who is it that's in there you

2721

01:46:44,709 --> 01:46:42,880

have ken left if you want to go to ken

2722

01:46:46,790 --> 01:46:44,719

in massachusetts wait wait a minute this

2723

01:46:48,629 --> 01:46:46,800

is a ken from massachusetts right yes

2724

01:46:51,590 --> 01:46:48,639

okay yes all right yeah we have two

2725

01:46:57,669 --> 01:46:55,350

i can't hear it

2726

01:47:01,030 --> 01:46:57,679

yes it was nice to see someone young

2727

01:47:03,030 --> 01:47:01,040

taking up the mantles and ufo

2728

01:47:04,950 --> 01:47:03,040

ufology i just had a quick question i

2729

01:47:07,270 --> 01:47:04,960

know you're limited for time

2730

01:47:09,270 --> 01:47:07,280

what's your personal opinion why the

2731

01:47:11,430 --> 01:47:09,280

government kept it secret for so long

2732

01:47:13,910 --> 01:47:11,440

because obviously they have because they

2733

01:47:15,830 --> 01:47:13,920

admitted that they are real so i'll take

2734

01:47:16,870 --> 01:47:15,840

your answer after you

2735

01:47:19,510 --> 01:47:16,880

thank you again

2736

01:47:21,510 --> 01:47:19,520

there are um i'll let me bring the

2737

01:47:24,390 --> 01:47:21,520

volume back down so there are a lot of

2738

01:47:26,870 --> 01:47:24,400

theories um i i guess for

2739

01:47:28,950 --> 01:47:26,880

mine um it would be kind of hard to say

2740

01:47:30,390 --> 01:47:28,960

but i guess the biggest thing would be

2741

01:47:33,109 --> 01:47:30,400

it's

2742

01:47:35,189 --> 01:47:33,119

to have lied for so long right project

2743

01:47:37,510 --> 01:47:35,199

blue book beforehand and after and then

2744

01:47:39,189 --> 01:47:37,520

all of a sudden saying oh just kidding

2745

01:47:42,390 --> 01:47:39,199

ufos are here they've been here the

2746

01:47:44,790 --> 01:47:42,400

whole time that makes them look really

2747

01:47:47,109 --> 01:47:44,800

bad i mean they already look like they

2748

01:47:48,950 --> 01:47:47,119

look like really really bad so they

2749

01:47:50,950 --> 01:47:48,960

would be constantly digging holes from

2750

01:47:52,629 --> 01:47:50,960

themselves with every let they say and

2751  
01:47:55,270 --> 01:47:52,639  
then saying that it's true and then

2752  
01:47:58,709 --> 01:47:55,280  
going back and you can only tell so many

2753  
01:48:02,310 --> 01:47:58,719  
lies before you trip up you mess up and

2754  
01:48:04,390 --> 01:48:02,320  
then it shows the whole world sees that

2755  
01:48:06,950 --> 01:48:04,400  
you're actually lying so

2756  
01:48:08,790 --> 01:48:06,960  
the fact that they've lied so long i

2757  
01:48:11,030 --> 01:48:08,800  
guess because of their mentality and

2758  
01:48:12,470 --> 01:48:11,040  
this is merely

2759  
01:48:15,109 --> 01:48:12,480  
speculation

2760  
01:48:17,669 --> 01:48:15,119  
that it's easier to constantly tell a

2761  
01:48:19,510 --> 01:48:17,679  
lie then go ahead and tell a lie and

2762  
01:48:21,109 --> 01:48:19,520  
then tell the truth and saying oh just

2763  
01:48:22,950 --> 01:48:21,119

kidding actually this whole time we knew

2764

01:48:25,990 --> 01:48:22,960

everything it does it just doesn't look

2765

01:48:28,790 --> 01:48:26,000

good for them so that would be

2766

01:48:30,790 --> 01:48:28,800

what i would say for the time being i

2767

01:48:33,109 --> 01:48:30,800

would need to do more research on that

2768

01:48:35,030 --> 01:48:33,119

so that answer might change in a few

2769

01:48:38,070 --> 01:48:35,040

months it could change tomorrow to why i

2770

01:48:41,350 --> 01:48:38,080

think that but at this point in time

2771

01:48:42,790 --> 01:48:41,360

that would be my best answer

2772

01:48:44,550 --> 01:48:42,800

all right what i'm doing now christina

2773

01:48:46,870 --> 01:48:44,560

is i'm putting your show in the links

2774

01:48:48,310 --> 01:48:46,880

for the chat thank you so people can go

2775

01:48:50,629 --> 01:48:48,320

right there right now because it's

2776

01:48:52,149 --> 01:48:50,639

coming up right as soon as we end so

2777

01:48:54,149 --> 01:48:52,159

thank you so much it's been a real

2778

01:48:58,149 --> 01:48:54,159

pleasure a lot of fun i'm glad my camera

2779

01:49:00,870 --> 01:48:58,159

unblew up so i'm back but anyway thank

2780

01:49:02,950 --> 01:49:00,880

you so much it was a lot of fun and keep

2781

01:49:04,870 --> 01:49:02,960

doing what you're doing we need you

2782

01:49:08,070 --> 01:49:04,880

we all know i'm not going anywhere all

2783

01:49:09,830 --> 01:49:08,080

right take care bye bye now all right

2784

01:49:12,550 --> 01:49:09,840

everyone as i mentioned earlier we have

2785

01:49:15,430 --> 01:49:12,560

a rendition forced person coming on

2786

01:49:17,189 --> 01:49:15,440

next week his name is monroe neville's

2787

01:49:19,109 --> 01:49:17,199

and he will be on

2788

01:49:20,950 --> 01:49:19,119

the same time and then the day after

2789

01:49:22,870 --> 01:49:20,960

that we have a show on the everything

2790

01:49:24,629 --> 01:49:22,880

else show about the environment thanks

2791

01:49:29,540 --> 01:49:24,639

so much everyone for watching and

2792

01:49:38,860 --> 01:49:29,550

remember to keep your eyes to the skies
