

#491

DR. BOB DAVIS

DAVE BEATY

1
00:00:48,790 --> 00:00:20,490

[Music]

2
00:00:52,790 --> 00:00:50,709

hello and welcome to the show i'm martin

3
00:00:54,630 --> 00:00:52,800

wilshere host and we have another great

4
00:00:55,990 --> 00:00:54,640

one for you this evening first of all i

5
00:00:58,790 --> 00:00:56,000

want to say that

6
00:01:01,830 --> 00:00:58,800

i am running the everything else show um

7
00:01:03,910 --> 00:01:01,840

that comes up periodically on it's on

8
00:01:06,630 --> 00:01:03,920

youtube only on this channel it does

9
00:01:09,350 --> 00:01:06,640

have its own separate playlist on

10
00:01:11,270 --> 00:01:09,360

on my youtube channel and uh it's

11
00:01:13,590 --> 00:01:11,280

basically about things that interest

12
00:01:16,630 --> 00:01:13,600

myself and i i got kind of a lot of

13
00:01:18,870 --> 00:01:16,640

flack last week for doing a show on

14

00:01:21,350 --> 00:01:18,880

climate change that i didn't have uh

15

00:01:23,590 --> 00:01:21,360

people on both sides of the so-called

16

00:01:25,350 --> 00:01:23,600

science uh i i

17

00:01:27,749 --> 00:01:25,360

i think the science is on one side

18

00:01:30,710 --> 00:01:27,759

myself but that's my own opinion

19

00:01:32,950 --> 00:01:30,720

um and i i really care a lot for this

20

00:01:35,109 --> 00:01:32,960

planet so that was important to me so

21

00:01:36,710 --> 00:01:35,119

that's what i do the show for i do the

22

00:01:38,149 --> 00:01:36,720

show for things that interest me if

23

00:01:40,310 --> 00:01:38,159

you're not interested it's only on my

24

00:01:41,590 --> 00:01:40,320

youtube channel i don't put it on my

25

00:01:44,550 --> 00:01:41,600

podcast

26

00:01:46,230 --> 00:01:44,560

uh you know audio so um if you're not

27

00:01:48,310 --> 00:01:46,240

interested that's fine it's just the

28

00:01:50,230 --> 00:01:48,320

things that interest me and i do have

29

00:01:54,710 --> 00:01:50,240

some shows coming up i have a paranormal

30

00:01:57,109 --> 00:01:54,720

one coming up on a sunday uh in a week

31

00:01:59,030 --> 00:01:57,119

not next sunday the sunday after

32

00:02:00,469 --> 00:01:59,040

and then i have a couple of other ones

33

00:02:02,469 --> 00:02:00,479

lined up the way you're going to see

34

00:02:04,310 --> 00:02:02,479

that is if you click on subscribe on

35

00:02:05,990 --> 00:02:04,320

this channel and the little bell and

36

00:02:08,309 --> 00:02:06,000

that way you'll get the notifications on

37

00:02:10,790 --> 00:02:08,319

that tonight the guests we have dr bob

38

00:02:13,110 --> 00:02:10,800

davis and dave beatty and both of them

39

00:02:13,910 --> 00:02:13,120

have been on the show before dave has

40

00:02:16,949 --> 00:02:13,920

made

41

00:02:21,270 --> 00:02:16,959

the nimitz film that's on youtube it's

42

00:02:23,589 --> 00:02:21,280

just near cresting 5 million views so he

43

00:02:26,150 --> 00:02:23,599

did a wonderful job with that and he has

44

00:02:27,430 --> 00:02:26,160

uh besides the main topic tonight he's

45

00:02:29,270 --> 00:02:27,440

going to be talking about something i

46

00:02:31,830 --> 00:02:29,280

just he just told me ahead of the show i

47

00:02:33,430 --> 00:02:31,840

had no idea um about this encounter

48

00:02:35,430 --> 00:02:33,440

we're going to be talking about

49

00:02:38,070 --> 00:02:35,440

they have both these gentlemen here are

50

00:02:40,949 --> 00:02:38,080

putting together a film and it's uh

51
00:02:42,869 --> 00:02:40,959
called the consciousness connection

52
00:02:45,830 --> 00:02:42,879
and a lot of people have contacted me in

53
00:02:48,070 --> 00:02:45,840
the over the last year it seems that

54
00:02:50,229 --> 00:02:48,080
want to know more about the ufo and

55
00:02:51,509 --> 00:02:50,239
consciousness i've asked other people

56
00:02:54,309 --> 00:02:51,519
about that

57
00:02:56,710 --> 00:02:54,319
honestly i'll be i really have no exact

58
00:02:59,030 --> 00:02:56,720
idea what that means but it will be

59
00:03:01,350 --> 00:02:59,040
interesting to talk about this um

60
00:03:03,910 --> 00:03:01,360
tonight with them so it's called the

61
00:03:05,589 --> 00:03:03,920
consciousness connection they have some

62
00:03:07,110 --> 00:03:05,599
really great people that are going to be

63
00:03:09,190 --> 00:03:07,120

on this documentary

64

00:03:11,350 --> 00:03:09,200
and they're talking about the ufo

65

00:03:14,070 --> 00:03:11,360
phenomenon of course there's a relation

66

00:03:17,270 --> 00:03:14,080
to that plus near death experiences

67

00:03:19,509 --> 00:03:17,280
experiences out of body body experiences

68

00:03:21,670 --> 00:03:19,519
um healing with intent and all kinds of

69

00:03:23,589 --> 00:03:21,680
interesting things quantum theory

70

00:03:26,789 --> 00:03:23,599
um among others so we're going to go

71

00:03:28,229 --> 00:03:26,799
into that the uh blog this week

72

00:03:29,270 --> 00:03:28,239
you will never hear

73

00:03:31,190 --> 00:03:29,280
another

74

00:03:33,509 --> 00:03:31,200
title like this

75

00:03:37,589 --> 00:03:33,519
anywhere for a blog i don't think it's

76

00:03:40,149 --> 00:03:37,599

ufos and conjunctive conjunctivitis

77

00:03:42,949 --> 00:03:40,159

yes that's the name of it and uh it's

78

00:03:44,949 --> 00:03:42,959

still a really interesting blog

79

00:03:47,030 --> 00:03:44,959

i'm very happy with uh

80

00:03:50,149 --> 00:03:47,040

charles leary does a wonderful job job

81

00:03:52,149 --> 00:03:50,159

and an audio uh blog as well so i'm

82

00:03:55,750 --> 00:03:52,159

going to bring in my guests

83

00:03:59,270 --> 00:03:55,760

uh cotton sipping coffee dr bob davis

84

00:04:03,350 --> 00:04:01,350

thanks so much for being willing to be

85

00:04:04,070 --> 00:04:03,360

on the show before we jump right into

86

00:04:08,149 --> 00:04:04,080

the

87

00:04:10,309 --> 00:04:08,159

movie or whatever just so people know i

88

00:04:11,750 --> 00:04:10,319

don't know who wants to start but um i

89

00:04:13,910 --> 00:04:11,760

think we should we will start with you

90

00:04:15,350 --> 00:04:13,920

bob since you're over here uh your your

91

00:04:17,270 --> 00:04:15,360

background and what what got you

92

00:04:21,030 --> 00:04:17,280

interested in you know the research that

93

00:04:23,749 --> 00:04:21,040

you're doing and kind of in a nutshell

94

00:04:25,350 --> 00:04:23,759

i uh once i retired i saw two orange

95

00:04:27,990 --> 00:04:25,360

robes in the night sky with my wife in

96

00:04:29,830 --> 00:04:28,000

sedona arizona and that lit me up a bit

97

00:04:31,990 --> 00:04:29,840

so i felt the need to express that

98

00:04:34,790 --> 00:04:32,000

because i wrote and lectured all my life

99

00:04:37,749 --> 00:04:34,800

and i couldn't turn it off so i i wrote

100

00:04:39,990 --> 00:04:37,759

the ufo phenomenon kind of a history 101

101

00:04:41,590 --> 00:04:40,000

or intro text for the

102

00:04:43,990 --> 00:04:41,600

newbie into the field trying to be

103

00:04:45,510 --> 00:04:44,000

objective i would write a ufo story

104

00:04:47,510 --> 00:04:45,520

quite differently now

105

00:04:49,189 --> 00:04:47,520

for several reasons but then i had to

106

00:04:51,830 --> 00:04:49,199

share death experience and i wrote life

107

00:04:54,790 --> 00:04:51,840

after death an analysis of the evidence

108

00:04:57,510 --> 00:04:54,800

my new my my colleague and lab assistant

109

00:04:59,830 --> 00:04:57,520

had died and i uh

110

00:05:01,510 --> 00:04:59,840

i knew it after having a lucid dream of

111

00:05:03,189 --> 00:05:01,520

suffocating to death

112

00:05:04,870 --> 00:05:03,199

it was a sense of doing this later that

113

00:05:07,430 --> 00:05:04,880

morning she did so i wrote that book

114

00:05:09,189 --> 00:05:07,440

life after death and that's where you

115

00:05:11,350 --> 00:05:09,199

obviously have to address consciousness

116

00:05:13,189 --> 00:05:11,360

in the brain

117

00:05:15,270 --> 00:05:13,199

and then i wrote on gene force's

118

00:05:17,430 --> 00:05:15,280

integration of science reality in you so

119

00:05:19,430 --> 00:05:17,440

i put the science of my academic

120

00:05:21,990 --> 00:05:19,440

academic background in sensory neuro

121

00:05:24,550 --> 00:05:22,000

neuro sciences

122

00:05:26,950 --> 00:05:24,560

with the experience that people are

123

00:05:28,710 --> 00:05:26,960

having in many different areas

124

00:05:30,469 --> 00:05:28,720

uh from researching

125

00:05:32,390 --> 00:05:30,479

things i've never known before what

126

00:05:35,350 --> 00:05:32,400

turned me on to ufo was listening i

127

00:05:37,270 --> 00:05:35,360

recall a gemini mission one afternoon i

128

00:05:39,990 --> 00:05:37,280

thought it was white mcdivit one of them

129

00:05:41,029 --> 00:05:40,000

said bogey two o'clock or ten o'clock i

130

00:05:41,990 --> 00:05:41,039

don't know if yeah and then you could

131

00:05:44,230 --> 00:05:42,000

find them yeah

132

00:05:46,150 --> 00:05:44,240

i remember that one yeah yeah that lit

133

00:05:48,710 --> 00:05:46,160

me up and then the blackout new york

134

00:05:50,390 --> 00:05:48,720

city 65 when there were articles coming

135

00:05:53,270 --> 00:05:50,400

out right then and there was ufos being

136

00:05:56,070 --> 00:05:53,280

spotted over nuclear plants or elect

137

00:05:58,629 --> 00:05:56,080

major electric uh power

138

00:06:00,790 --> 00:05:58,639

centers in upstate new york uh they've

139

00:06:02,390 --> 00:06:00,800

been documented but again the timing is

140

00:06:05,029 --> 00:06:02,400

unusual who knows

141

00:06:06,550 --> 00:06:05,039

um that as an impressionable young kid

142

00:06:08,390 --> 00:06:06,560

all of us were turned on for so many

143

00:06:10,790 --> 00:06:08,400

different reasons besides star trek and

144

00:06:12,870 --> 00:06:10,800

then some it came with our culture i

145

00:06:14,550 --> 00:06:12,880

think so we're more than caught up and

146

00:06:16,950 --> 00:06:14,560

passionate about this now like we did

147

00:06:19,510 --> 00:06:16,960

dreyfus and uh you know making mashed

148

00:06:21,590 --> 00:06:19,520

potatoes to simulate devil's

149

00:06:23,909 --> 00:06:21,600

close encapsulate the third kind and i'm

150

00:06:26,469 --> 00:06:23,919

advocating we should make t-shirts of

151
00:06:28,950 --> 00:06:26,479
that picture okay and anybody interested

152
00:06:31,510 --> 00:06:28,960
in doing that well we'll hand it out

153
00:06:34,070 --> 00:06:31,520
at some you know washington washington

154
00:06:36,870 --> 00:06:34,080
rally you know for more of a capital d

155
00:06:38,070 --> 00:06:36,880
disclosure which is unlikely anytime

156
00:06:40,550 --> 00:06:38,080
soon at least

157
00:06:42,790 --> 00:06:40,560
uh and the way the public truly wants it

158
00:06:44,230 --> 00:06:42,800
um but nevertheless

159
00:06:46,230 --> 00:06:44,240
things are coming together since

160
00:06:48,309 --> 00:06:46,240
retirement i can do what i want to do

161
00:06:49,589 --> 00:06:48,319
but i can't apply the scientific method

162
00:06:52,070 --> 00:06:49,599
that's not in the nutshell as you

163
00:06:53,589 --> 00:06:52,080

requested so i'm sorry no no that's

164

00:06:55,749 --> 00:06:53,599

that's that's pretty much a nutshell i

165

00:06:58,150 --> 00:06:55,759

know you have an extensive background

166

00:07:00,710 --> 00:06:58,160

too so uh thank you very much for that

167

00:07:03,430 --> 00:07:00,720

now it's your turn dave

168

00:07:05,589 --> 00:07:03,440

hey thanks martin i appreciate it um

169

00:07:08,390 --> 00:07:05,599

yeah so mine was sort of a roundabout

170

00:07:11,589 --> 00:07:08,400

curve to get into this topic field um

171

00:07:13,830 --> 00:07:11,599

you know i i began um out of school in

172

00:07:15,029 --> 00:07:13,840

television journalism and i spent about

173

00:07:17,110 --> 00:07:15,039

10 years

174

00:07:19,990 --> 00:07:17,120

in various markets in the northeast and

175

00:07:22,230 --> 00:07:20,000

i ended up down in south southwest

176
00:07:23,990 --> 00:07:22,240
florida in television

177
00:07:25,189 --> 00:07:24,000
and during that time i

178
00:07:28,230 --> 00:07:25,199
had a

179
00:07:31,270 --> 00:07:28,240
secondary interest in ufo studies

180
00:07:33,830 --> 00:07:31,280
and i eventually became a

181
00:07:36,550 --> 00:07:33,840
move on field investigator down here

182
00:07:39,110 --> 00:07:36,560
and i didn't have any big cases um it

183
00:07:40,150 --> 00:07:39,120
was sort of quiet in the early 90s

184
00:07:42,150 --> 00:07:40,160
and

185
00:07:43,670 --> 00:07:42,160
my mom was living up in gulf breeze so i

186
00:07:45,830 --> 00:07:43,680
got to

187
00:07:48,710 --> 00:07:45,840
take part in some investigations up

188
00:07:50,869 --> 00:07:48,720

there with the the ed walters case and

189

00:07:53,189 --> 00:07:50,879

the ufo that was being spotted on a

190

00:07:54,950 --> 00:07:53,199

nightly basis from shoreline park over

191

00:07:57,110 --> 00:07:54,960

santa rosa sound up there

192

00:07:59,830 --> 00:07:57,120

so that was sort of like the beginning

193

00:08:02,469 --> 00:07:59,840

and i followed the you know the news

194

00:08:05,749 --> 00:08:02,479

when big ufo stories would happen

195

00:08:08,629 --> 00:08:05,759

and in 2017 i got really interested in

196

00:08:10,869 --> 00:08:08,639

the case of the nimitz which um you know

197

00:08:13,830 --> 00:08:10,879

was headlined making stories in

198

00:08:16,469 --> 00:08:13,840

washington post and new york times

199

00:08:19,029 --> 00:08:16,479

and around that time my interest began

200

00:08:20,550 --> 00:08:19,039

growing so i formed some social media

201
00:08:22,790 --> 00:08:20,560
groups and invited people to get

202
00:08:24,390 --> 00:08:22,800
together and discuss this stuff and i

203
00:08:25,189 --> 00:08:24,400
thought it would be a great opportunity

204
00:08:26,950 --> 00:08:25,199
to

205
00:08:29,430 --> 00:08:26,960
you know use some of my television

206
00:08:30,869 --> 00:08:29,440
skills which i had you know

207
00:08:32,709 --> 00:08:30,879
homes since the time when i was a

208
00:08:35,190 --> 00:08:32,719
television journalist i had moved into

209
00:08:37,589 --> 00:08:35,200
television production and you know done

210
00:08:39,909 --> 00:08:37,599
numerous uh documentary films and

211
00:08:42,709 --> 00:08:39,919
commercial productions for you know like

212
00:08:44,550 --> 00:08:42,719
25 years and i decided i was going to

213
00:08:47,350 --> 00:08:44,560

just on my own uh make a short

214

00:08:50,389 --> 00:08:47,360

recreation of that event using some 3d

215

00:08:53,030 --> 00:08:50,399

computer graphics and um so i i

216

00:08:55,030 --> 00:08:53,040

eventually you know launched a short

217

00:08:56,150 --> 00:08:55,040

video and got like a lot of positive

218

00:08:57,990 --> 00:08:56,160

feedback

219

00:09:00,389 --> 00:08:58,000

about the content and people are really

220

00:09:02,710 --> 00:09:00,399

excited to learn more about the case and

221

00:09:05,350 --> 00:09:02,720

including some of the actual witnesses

222

00:09:07,190 --> 00:09:05,360

that were in the navy that had come

223

00:09:09,670 --> 00:09:07,200

forward to that were willing to talk

224

00:09:12,790 --> 00:09:09,680

about what they saw so i was

225

00:09:14,710 --> 00:09:12,800

i was in indeed able to break some more

226
00:09:15,910 --> 00:09:14,720
news about that case that had never been

227
00:09:16,870 --> 00:09:15,920
revealed

228
00:09:18,630 --> 00:09:16,880
um

229
00:09:20,150 --> 00:09:18,640
you know in any of the newspaper

230
00:09:22,790 --> 00:09:20,160
articles so

231
00:09:24,710 --> 00:09:22,800
that was probably around 2018 that i

232
00:09:26,790 --> 00:09:24,720
released um the next iteration that

233
00:09:29,269 --> 00:09:26,800
video that you see today on

234
00:09:31,269 --> 00:09:29,279
on youtube and i continue just to try to

235
00:09:32,790 --> 00:09:31,279
follow up on some of these cases very

236
00:09:35,509 --> 00:09:32,800
interesting

237
00:09:37,430 --> 00:09:35,519
yes and just a couple of things when you

238
00:09:40,630 --> 00:09:37,440

have that kind of

239

00:09:43,670 --> 00:09:40,640

viewer viewership for one video have you

240

00:09:45,910 --> 00:09:43,680

had to fight a lot of copyright issues

241

00:09:47,590 --> 00:09:45,920

like people trying to take clips from it

242

00:09:49,350 --> 00:09:47,600

and things like that

243

00:09:52,470 --> 00:09:49,360

you know in the beginning

244

00:09:54,070 --> 00:09:52,480

i sort of was concerned about it because

245

00:09:55,269 --> 00:09:54,080

um

246

00:09:57,509 --> 00:09:55,279

you know

247

00:10:00,470 --> 00:09:57,519

at because i gave that video away for

248

00:10:03,430 --> 00:10:00,480

free at the time and i let people use it

249

00:10:06,150 --> 00:10:03,440

i was kind of under the impression that

250

00:10:08,630 --> 00:10:06,160

look if you ask me um if you could use

251

00:10:10,389 --> 00:10:08,640

it i would give you permission and

252

00:10:12,230 --> 00:10:10,399

for the most part people did but i think

253

00:10:14,150 --> 00:10:12,240

that you know there was uh the whole

254

00:10:17,190 --> 00:10:14,160

second side of that were there were some

255

00:10:19,509 --> 00:10:17,200

people that were using my material in a

256

00:10:22,310 --> 00:10:19,519

skeptical manner kind of mock the whole

257

00:10:24,470 --> 00:10:22,320

event and and try to show that it was bs

258

00:10:26,150 --> 00:10:24,480

and that sort of thing and for those

259

00:10:27,509 --> 00:10:26,160

people i mean i was you know there was a

260

00:10:29,430 --> 00:10:27,519

couple things where i was able to get

261

00:10:32,069 --> 00:10:29,440

video taken down from a very large

262

00:10:35,430 --> 00:10:32,079

influencer on youtube and him and his

263

00:10:36,790 --> 00:10:35,440

followers were not happy um and

264

00:10:39,350 --> 00:10:36,800

you know he eventually was threatening

265

00:10:41,750 --> 00:10:39,360

me with you know a lawsuit and stuff in

266

00:10:43,910 --> 00:10:41,760

in offline i said look man if he just

267

00:10:45,750 --> 00:10:43,920

asked me permission in the first place i

268

00:10:47,670 --> 00:10:45,760

probably would have let you use it in in

269

00:10:49,269 --> 00:10:47,680

any regard that you wanted and maybe you

270

00:10:50,069 --> 00:10:49,279

could have like at least given me credit

271

00:10:52,069 --> 00:10:50,079

for

272

00:10:54,710 --> 00:10:52,079

using it in your video you know without

273

00:10:57,590 --> 00:10:54,720

but in fact you know i kind of gave up

274

00:10:59,350 --> 00:10:57,600

on that youtube flag so yeah uh he could

275

00:11:01,910 --> 00:10:59,360

put his video back up but for the most

276

00:11:04,470 --> 00:11:01,920

part i let people use it if they want it

277

00:11:05,829 --> 00:11:04,480

yeah so i before we move on i just want

278

00:11:06,790 --> 00:11:05,839

to talk a little bit about the gulf

279

00:11:09,430 --> 00:11:06,800

breeze

280

00:11:12,069 --> 00:11:09,440

because um i've you know there's there's

281

00:11:15,670 --> 00:11:12,079

a little bit of controversy as you know

282

00:11:17,829 --> 00:11:15,680

uh and so what is this what is the story

283

00:11:19,910 --> 00:11:17,839

that uh you know and i'm just touching

284

00:11:22,630 --> 00:11:19,920

the surface because i i haven't done any

285

00:11:25,509 --> 00:11:22,640

deep dive into that case at all but uh

286

00:11:27,350 --> 00:11:25,519

the supposedly they his house was sold

287

00:11:28,710 --> 00:11:27,360

and they found a model of a ufo that

288

00:11:30,790 --> 00:11:28,720

matched something that was in one of the

289

00:11:33,190 --> 00:11:30,800

pictures in the garage underneath some

290

00:11:34,870 --> 00:11:33,200

insulation in the attic or something

291

00:11:38,069 --> 00:11:34,880

so what's what what are your thoughts on

292

00:11:40,710 --> 00:11:38,079

that in general was that particular yeah

293

00:11:43,030 --> 00:11:40,720

so at ed walters i mean the the case

294

00:11:44,230 --> 00:11:43,040

itself emerged i forget which year it

295

00:11:47,430 --> 00:11:44,240

was

296

00:11:49,750 --> 00:11:47,440

late 80s or early 90s and

297

00:11:51,590 --> 00:11:49,760

um ed walters wrote a book

298

00:11:53,110 --> 00:11:51,600

co-authored with his wife about this

299

00:11:56,069 --> 00:11:53,120

experience he had

300

00:11:58,870 --> 00:11:56,079

and um it was being sort of investigated

301
00:12:01,750 --> 00:11:58,880
by at the time retired navy optical

302
00:12:03,829 --> 00:12:01,760
physicist bruce mcavee so bruce mcabee

303
00:12:05,350 --> 00:12:03,839
was up there um providing sort of the

304
00:12:06,790 --> 00:12:05,360
scientific

305
00:12:09,110 --> 00:12:06,800
part of ed's

306
00:12:10,470 --> 00:12:09,120
uh book where ed was taking pictures of

307
00:12:12,389 --> 00:12:10,480
these objects

308
00:12:14,230 --> 00:12:12,399
and having personal experiences with

309
00:12:16,870 --> 00:12:14,240
them and then bruce was sort of helping

310
00:12:17,750 --> 00:12:16,880
him along with the photo analysis and so

311
00:12:18,550 --> 00:12:17,760
on

312
00:12:22,150 --> 00:12:18,560
um

313
00:12:24,550 --> 00:12:22,160

but you know concurrently with this

314

00:12:26,629 --> 00:12:24,560

ed walters stuff there was all this

315

00:12:29,910 --> 00:12:26,639

other stuff going on in gulf breeze with

316

00:12:32,310 --> 00:12:29,920

many numerous multiple witness sightings

317

00:12:34,629 --> 00:12:32,320

in fact you know like i said this was an

318

00:12:37,269 --> 00:12:34,639

ongoing event where people would go down

319

00:12:40,389 --> 00:12:37,279

to shoreline park and gulf breeze

320

00:12:42,550 --> 00:12:40,399

on a nightly basis and see these ufos

321

00:12:44,389 --> 00:12:42,560

they nicknamed it bubba

322

00:12:46,550 --> 00:12:44,399

and usually at night it would appear as

323

00:12:48,069 --> 00:12:46,560

a red light

324

00:12:51,190 --> 00:12:48,079

you know sometimes

325

00:12:52,949 --> 00:12:51,200

making very unusual movements um i don't

326

00:12:55,430 --> 00:12:52,959

know all the specific details and i

327

00:12:57,430 --> 00:12:55,440

never personally when i was up there on

328

00:12:59,670 --> 00:12:57,440

the few occasions visiting my mom i

329

00:13:01,670 --> 00:12:59,680

never got to see it although i did try i

330

00:13:02,550 --> 00:13:01,680

mean it was out there with my camera

331

00:13:05,190 --> 00:13:02,560

um

332

00:13:07,590 --> 00:13:05,200

so yeah so regarding the what i know

333

00:13:09,190 --> 00:13:07,600

about the the model

334

00:13:10,949 --> 00:13:09,200

it seems there's there's some people

335

00:13:13,030 --> 00:13:10,959

that say yeah this smoking gut obviously

336

00:13:14,949 --> 00:13:13,040

was a hoax but then you know mcabee

337

00:13:17,750 --> 00:13:14,959

points out that

338

00:13:20,870 --> 00:13:17,760

that model never appeared in any one of

339

00:13:24,389 --> 00:13:20,880

um ed walters photos and there were some

340

00:13:26,710 --> 00:13:24,399

other circumstances that kind of um shed

341

00:13:29,030 --> 00:13:26,720

some shade on could have this been

342

00:13:31,590 --> 00:13:29,040

planted by somebody that was trying to

343

00:13:33,509 --> 00:13:31,600

debunk his case in a way that would be

344

00:13:34,389 --> 00:13:33,519

you know pretty unprofessional

345

00:13:36,069 --> 00:13:34,399

um

346

00:13:38,710 --> 00:13:36,079

that's the one thing that you know kind

347

00:13:40,470 --> 00:13:38,720

of stands out as oh look here's a model

348

00:13:42,069 --> 00:13:40,480

that some guy made that everything else

349

00:13:43,189 --> 00:13:42,079

he's ever said and did in the whole book

350

00:13:44,550 --> 00:13:43,199

is a hoax

351

00:13:45,829 --> 00:13:44,560

i don't know that that's the case and i

352

00:13:48,069 --> 00:13:45,839

think that there's some pretty strong

353

00:13:50,710 --> 00:13:48,079

counter evidence against it i know that

354

00:13:53,750 --> 00:13:50,720

you know it was

355

00:13:56,629 --> 00:13:53,760

detail of why it couldn't have been um

356

00:13:58,949 --> 00:13:56,639

planted there by walters and so on

357

00:14:01,910 --> 00:13:58,959

huh how about that very interesting all

358

00:14:02,790 --> 00:14:01,920

right well let's do uh let's jump into

359

00:14:04,710 --> 00:14:02,800

uh

360

00:14:06,790 --> 00:14:04,720

bob do you want to handle the

361

00:14:08,949 --> 00:14:06,800

what your your project is and how that

362

00:14:11,910 --> 00:14:08,959

came about

363

00:14:13,990 --> 00:14:11,920

well after uh after i wrote the last

364

00:14:14,949 --> 00:14:14,000

book on scene forces

365

00:14:19,269 --> 00:14:14,959

uh

366

00:14:21,030 --> 00:14:19,279

things about my thoughts of

367

00:14:22,710 --> 00:14:21,040

consciousness and reality and the

368

00:14:23,910 --> 00:14:22,720

complexity of it all

369

00:14:26,069 --> 00:14:23,920

is to

370

00:14:28,150 --> 00:14:26,079

take the chance and send out some

371

00:14:29,990 --> 00:14:28,160

information about what i had in mind to

372

00:14:31,910 --> 00:14:30,000

turn it into a documentary if possible

373

00:14:34,310 --> 00:14:31,920

because during my writings i always felt

374

00:14:36,150 --> 00:14:34,320

for some odd reason that this would be

375

00:14:37,430 --> 00:14:36,160

a good documentary at least a foundation

376
00:14:40,870 --> 00:14:37,440
for one

377
00:14:41,670 --> 00:14:40,880
um so what the first person i sent it to

378
00:14:44,310 --> 00:14:41,680
the

379
00:14:45,990 --> 00:14:44,320
inquiry was believe it or not not

380
00:14:47,430 --> 00:14:46,000
knowing

381
00:14:49,269 --> 00:14:47,440
the outcome

382
00:14:51,030 --> 00:14:49,279
of this individual in the form of a

383
00:14:52,310 --> 00:14:51,040
documentary the nimitz encounter with

384
00:14:54,629 --> 00:14:52,320
dave baby

385
00:14:56,470 --> 00:14:54,639
we had lunch and uh we took it forward

386
00:14:59,030 --> 00:14:56,480
from there and now we've

387
00:15:00,949 --> 00:14:59,040
collected a large group of experts in a

388
00:15:03,829 --> 00:15:00,959

diverse range of fields from medical

389

00:15:05,750 --> 00:15:03,839

doctors psychologists experiencers those

390

00:15:08,710 --> 00:15:05,760

who interact with phenomena of varying

391

00:15:11,030 --> 00:15:08,720

times ufo included and not

392

00:15:13,030 --> 00:15:11,040

like esp alterations of consciousness

393

00:15:15,350 --> 00:15:13,040

near death and out-of-body experiences

394

00:15:18,790 --> 00:15:15,360

and we've collected a group of

395

00:15:20,629 --> 00:15:18,800

extraordinary scientists uh and again

396

00:15:23,750 --> 00:15:20,639

experiences who will address these

397

00:15:26,069 --> 00:15:23,760

issues the fundamental issue however is

398

00:15:28,550 --> 00:15:26,079

consciousness which seems to tie and not

399

00:15:33,030 --> 00:15:28,560

surprisingly all of the anomalous

400

00:15:34,230 --> 00:15:33,040

experiences that people can't explain so

401
00:15:35,749 --> 00:15:34,240
um

402
00:15:37,430 --> 00:15:35,759
we're doing

403
00:15:39,829 --> 00:15:37,440
fundraising efforts so that we could

404
00:15:42,550 --> 00:15:39,839
interview these individuals

405
00:15:44,230 --> 00:15:42,560
who are all over the world in part uh

406
00:15:46,550 --> 00:15:44,240
largely across the united states but

407
00:15:48,310 --> 00:15:46,560
it's not cheap to move a filming crew a

408
00:15:50,629 --> 00:15:48,320
large distance us that's the the

409
00:15:52,150 --> 00:15:50,639
awkwardness of being a co-producer on

410
00:15:53,670 --> 00:15:52,160
this documentary

411
00:15:55,030 --> 00:15:53,680
which can be found in consciousness

412
00:15:57,030 --> 00:15:55,040
films.info

413
00:15:59,350 --> 00:15:57,040

uh the details of our

414

00:16:01,910 --> 00:15:59,360

people who are involved uh are

415

00:16:04,629 --> 00:16:01,920

noteworthy uh from gary nolan to dean

416

00:16:07,350 --> 00:16:04,639

rayden uh we go into detail as much as

417

00:16:10,389 --> 00:16:07,360

you like about them but we have people

418

00:16:12,389 --> 00:16:10,399

in even the uap fields uh gary

419

00:16:13,749 --> 00:16:12,399

and grant cameron and

420

00:16:16,389 --> 00:16:13,759

kathy martin

421

00:16:18,870 --> 00:16:16,399

um they had other experiences with evan

422

00:16:20,829 --> 00:16:18,880

alexander and dr jeff long

423

00:16:23,509 --> 00:16:20,839

transpersonal events that are altering

424

00:16:25,910 --> 00:16:23,519

people's world views philosophical

425

00:16:27,910 --> 00:16:25,920

values and how best it captured that

426
00:16:29,430 --> 00:16:27,920
but to present it with the professional

427
00:16:31,990 --> 00:16:29,440
filmmaking crew and dreamtime

428
00:16:35,189 --> 00:16:32,000
entertainment and hopefully funding

429
00:16:36,550 --> 00:16:35,199
permitted get it on pbs nova documentary

430
00:16:38,550 --> 00:16:36,560
which is our goal

431
00:16:40,389 --> 00:16:38,560
or at least netflix something like that

432
00:16:43,269 --> 00:16:40,399
fundings

433
00:16:46,710 --> 00:16:43,279
you know provided of course so ideally

434
00:16:47,590 --> 00:16:46,720
organizations uh we're looking at and

435
00:16:49,910 --> 00:16:47,600
have

436
00:16:51,590 --> 00:16:49,920
um and it's interesting but rather

437
00:16:54,629 --> 00:16:51,600
awkward uh

438
00:16:57,509 --> 00:16:54,639

load uh especially during retirement

439

00:16:59,670 --> 00:16:57,519

um but i can't turn it off i have to use

440

00:17:01,189 --> 00:16:59,680

my mind in some way and i

441

00:17:02,790 --> 00:17:01,199

i thought it'd be a little creative you

442

00:17:05,829 --> 00:17:02,800

know the few years i got left whatever

443

00:17:07,669 --> 00:17:05,839

that means you know uh it's complex and

444

00:17:09,270 --> 00:17:07,679

it's more complex in a struggle with

445

00:17:10,870 --> 00:17:09,280

left brain but that's what but

446

00:17:12,309 --> 00:17:10,880

fortunately i have somebody like dave to

447

00:17:15,829 --> 00:17:12,319

work with

448

00:17:17,429 --> 00:17:15,839

yeah yeah top notch uh so what is i i'm

449

00:17:20,390 --> 00:17:17,439

gonna ask probably a kind of a weird

450

00:17:23,110 --> 00:17:20,400

question because i i hear varying

451

00:17:25,750 --> 00:17:23,120

descriptions when someone says the ufo

452

00:17:28,150 --> 00:17:25,760

and consciousness connection or you know

453

00:17:30,549 --> 00:17:28,160

what is what do we

454

00:17:33,270 --> 00:17:30,559

how do we describe consciousness i know

455

00:17:36,470 --> 00:17:33,280

that's probably kind of a lay term but

456

00:17:38,150 --> 00:17:36,480

it's a often misused poorly defined term

457

00:17:40,789 --> 00:17:38,160

uh despite the fact that thousands of

458

00:17:42,789 --> 00:17:40,799

scholars so far far smaller than i uh

459

00:17:44,789 --> 00:17:42,799

ever can ever imagine i'd have addressed

460

00:17:46,470 --> 00:17:44,799

that in the form of hundreds of

461

00:17:48,630 --> 00:17:46,480

thousands of papers and lectures and

462

00:17:51,750 --> 00:17:48,640

scholarly venues and we still don't know

463

00:17:53,590 --> 00:17:51,760

what it is even throwing 2022 at it tom

464

00:17:55,190 --> 00:17:53,600

campbell who was also in a documentary

465

00:17:57,990 --> 00:17:55,200

throughout the simulation virtual

466

00:17:59,909 --> 00:17:58,000

reality system an avatar of some sort is

467

00:18:01,350 --> 00:17:59,919

is creating all of this and with the

468

00:18:02,230 --> 00:18:01,360

players but

469

00:18:04,950 --> 00:18:02,240

um

470

00:18:07,669 --> 00:18:04,960

as a co-founder of the out of monroe

471

00:18:09,270 --> 00:18:07,679

institute who worked with um

472

00:18:11,350 --> 00:18:09,280

bob monroe

473

00:18:13,430 --> 00:18:11,360

uh people don't know that uh and and

474

00:18:15,350 --> 00:18:13,440

wrote the book and in our documentary he

475

00:18:16,870 --> 00:18:15,360

will give you that answer i i talk to a

476

00:18:18,230 --> 00:18:16,880

physician who's going to knock me out

477

00:18:19,510 --> 00:18:18,240

for surgery and it's in the form of

478

00:18:22,470 --> 00:18:19,520

pulpit fall

479

00:18:24,470 --> 00:18:22,480

through an ib uh the psychologist says

480

00:18:27,110 --> 00:18:24,480

something else let alone the philosopher

481

00:18:29,590 --> 00:18:27,120

and the theologian so

482

00:18:31,830 --> 00:18:29,600

it's discipline specific it's fragmented

483

00:18:34,470 --> 00:18:31,840

we have a biases of course but we've

484

00:18:35,990 --> 00:18:34,480

looked at now 2022 comes along we have

485

00:18:38,710 --> 00:18:36,000

quantum physics

486

00:18:40,870 --> 00:18:38,720

newtonian principles can't address this

487

00:18:43,990 --> 00:18:40,880

the aspect of consciousness but we do

488

00:18:45,750 --> 00:18:44,000

know it exists the subjective essence of

489

00:18:46,870 --> 00:18:45,760

life and reality

490

00:18:49,270 --> 00:18:46,880

and

491

00:18:51,110 --> 00:18:49,280

that essence simply can't be captured by

492

00:18:53,669 --> 00:18:51,120

the body although that's conscious too

493

00:18:56,470 --> 00:18:53,679

organs interact with each other and this

494

00:18:57,350 --> 00:18:56,480

is the point information exchange is my

495

00:18:59,270 --> 00:18:57,360

best

496

00:19:02,630 --> 00:18:59,280

guess right now what consciousness is

497

00:19:04,310 --> 00:19:02,640

from a desk in front of us a camera

498

00:19:05,510 --> 00:19:04,320

uh not a lie but it's giving you

499

00:19:07,909 --> 00:19:05,520

information

500

00:19:10,390 --> 00:19:07,919

of some type it could be sensory in

501
00:19:12,549 --> 00:19:10,400
nature of course but but it's necessary

502
00:19:15,510 --> 00:19:12,559
in the 3d world we have however

503
00:19:18,230 --> 00:19:15,520
consciousness may very well exist

504
00:19:19,110 --> 00:19:18,240
far more complex and in degree than just

505
00:19:19,990 --> 00:19:19,120
that

506
00:19:21,750 --> 00:19:20,000
and

507
00:19:23,830 --> 00:19:21,760
we have information exchanged at the

508
00:19:26,470 --> 00:19:23,840
highest level at least like right here

509
00:19:27,669 --> 00:19:26,480
given to human of course we see evidence

510
00:19:29,990 --> 00:19:27,679
of it being

511
00:19:32,950 --> 00:19:30,000
verified in laboratory settings without

512
00:19:34,870 --> 00:19:32,960
question in other words esp is real

513
00:19:37,270 --> 00:19:34,880

which means consciousness is real

514

00:19:39,830 --> 00:19:37,280

non-local communication between two

515

00:19:41,909 --> 00:19:39,840

people despite the physical boundaries

516

00:19:44,310 --> 00:19:41,919

of space and time and this has been

517

00:19:47,270 --> 00:19:44,320

demonstrated time and time again but

518

00:19:48,310 --> 00:19:47,280

it's often statistical in nature you see

519

00:19:50,150 --> 00:19:48,320

and

520

00:19:52,230 --> 00:19:50,160

that raises this important point

521

00:19:53,270 --> 00:19:52,240

consciousness is it a byproduct of the

522

00:19:56,950 --> 00:19:53,280

brain

523

00:19:58,710 --> 00:19:56,960

and now

524

00:20:00,470 --> 00:19:58,720

seem to be shifting along with quantum

525

00:20:01,990 --> 00:20:00,480

mechanics which is what we call a

526

00:20:04,310 --> 00:20:02,000

paranormal today is going to be the

527

00:20:07,029 --> 00:20:04,320

quantum mechanics of the future

528

00:20:09,990 --> 00:20:07,039

the point is science is now

529

00:20:11,830 --> 00:20:10,000

tending to explain the the ignomatic

530

00:20:13,270 --> 00:20:11,840

experiences people are having in the

531

00:20:15,110 --> 00:20:13,280

form of other body and their death

532

00:20:16,470 --> 00:20:15,120

experiences which the medical community

533

00:20:18,390 --> 00:20:16,480

recognizes

534

00:20:22,149 --> 00:20:18,400

this should not be stigmatized in any

535

00:20:24,549 --> 00:20:22,159

way let alone the uap phenomenon esp

536

00:20:26,870 --> 00:20:24,559

apparitions it goes on and on

537

00:20:29,110 --> 00:20:26,880

consciousness seems to be a variable and

538

00:20:31,350 --> 00:20:29,120

probably the most critical one the

539

00:20:32,310 --> 00:20:31,360

foundation upon which all this gives

540

00:20:34,390 --> 00:20:32,320

rise

541

00:20:36,390 --> 00:20:34,400

and that's what the film is about

542

00:20:38,149 --> 00:20:36,400

consciousness the complexity of it is

543

00:20:40,470 --> 00:20:38,159

beyond language

544

00:20:42,149 --> 00:20:40,480

we don't have the concepts criteria to

545

00:20:45,750 --> 00:20:42,159

even define many of these terms

546

00:20:48,390 --> 00:20:45,760

near-death experience nde antibodies

547

00:20:50,630 --> 00:20:48,400

in some ways we do but it since we don't

548

00:20:52,390 --> 00:20:50,640

understand how can language accurately

549

00:20:54,149 --> 00:20:52,400

describe what people are saying when

550

00:20:56,630 --> 00:20:54,159

they interact in an altered state of

551
00:20:58,870 --> 00:20:56,640
consciousness near that and describing

552
00:20:59,990 --> 00:20:58,880
what we all know the unconditional love

553
00:21:02,070 --> 00:21:00,000
the beautiful

554
00:21:03,830 --> 00:21:02,080
environmental landscape that they don't

555
00:21:06,230 --> 00:21:03,840
center around the earth doesn't sense

556
00:21:08,950 --> 00:21:06,240
around them there's ego dissolution and

557
00:21:11,110 --> 00:21:08,960
a transpersonal experience results an

558
00:21:13,990 --> 00:21:11,120
alteration of personal philosophical

559
00:21:16,230 --> 00:21:14,000
values from that moment forward

560
00:21:17,750 --> 00:21:16,240
that's a peak experience and that's what

561
00:21:20,470 --> 00:21:17,760
in part

562
00:21:23,830 --> 00:21:20,480
that film is about so

563
00:21:25,430 --> 00:21:23,840

let the reader figure out or the viewer

564

00:21:27,830 --> 00:21:25,440

makes sense of the information we'll

565

00:21:29,350 --> 00:21:27,840

present about consciousness because it

566

00:21:30,470 --> 00:21:29,360

means so many different things in a

567

00:21:32,630 --> 00:21:30,480

global way

568

00:21:33,750 --> 00:21:32,640

but it's fragmented by discipline and

569

00:21:36,470 --> 00:21:33,760

bias

570

00:21:38,230 --> 00:21:36,480

and religion we incorporate that too

571

00:21:41,190 --> 00:21:38,240

we're not talking about dissimilar

572

00:21:43,590 --> 00:21:41,200

things spirituality and science must be

573

00:21:45,270 --> 00:21:43,600

integrated into coherent whole and

574

00:21:47,669 --> 00:21:45,280

that's the important issue

575

00:21:50,070 --> 00:21:47,679

uh but consciousness is a fundamental

576
00:21:51,669 --> 00:21:50,080
aspect of that

577
00:21:53,110 --> 00:21:51,679
really and

578
00:21:55,270 --> 00:21:53,120
you know there's there's

579
00:21:57,830 --> 00:21:55,280
a lot of times i i'll just have a

580
00:21:59,190 --> 00:21:57,840
feeling that we just know so little

581
00:22:01,190 --> 00:21:59,200
about the world

582
00:22:03,830 --> 00:22:01,200
that's right here around us

583
00:22:05,590 --> 00:22:03,840
you know and and and you know just just

584
00:22:07,270 --> 00:22:05,600
you trying to describe that

585
00:22:10,149 --> 00:22:07,280
it's so complex

586
00:22:11,510 --> 00:22:10,159
um that i still don't know any more than

587
00:22:12,950 --> 00:22:11,520
when you started

588
00:22:14,630 --> 00:22:12,960

you know um

589

00:22:17,909 --> 00:22:14,640

i'm sort of with you martin because i'm

590

00:22:18,950 --> 00:22:17,919

a i'm more of a filmmaker and you know

591

00:22:20,149 --> 00:22:18,960

i'm not a

592

00:22:21,909 --> 00:22:20,159

scientist

593

00:22:23,110 --> 00:22:21,919

and when bob you know first approached

594

00:22:25,830 --> 00:22:23,120

me to

595

00:22:27,909 --> 00:22:25,840

talk about this project and i became

596

00:22:29,909 --> 00:22:27,919

aware of his work in in

597

00:22:34,149 --> 00:22:29,919

reading about this the first thing that

598

00:22:36,870 --> 00:22:34,159

i thought was look i need to um research

599

00:22:39,830 --> 00:22:36,880

some of the scientists that bob is

600

00:22:43,029 --> 00:22:39,840

bringing forward um as as part as this

601
00:22:44,390 --> 00:22:43,039
team of experts and try to find out what

602
00:22:46,310 --> 00:22:44,400
they're saying and the first question i

603
00:22:48,549 --> 00:22:46,320
had was well you know what is

604
00:22:49,510 --> 00:22:48,559
consciousness because obviously

605
00:22:51,590 --> 00:22:49,520
you know

606
00:22:52,549 --> 00:22:51,600
science scientists are teaching their

607
00:22:55,029 --> 00:22:52,559
students

608
00:22:57,510 --> 00:22:55,039
at the college level and graduate level

609
00:23:00,149 --> 00:22:57,520
um that are going into different fields

610
00:23:02,950 --> 00:23:00,159
such as um psychology and you know

611
00:23:05,510 --> 00:23:02,960
neuroscience so what is the leading

612
00:23:07,510 --> 00:23:05,520
theory of what is consciousness and

613
00:23:09,190 --> 00:23:07,520

you know the fact is i think you know

614

00:23:11,510 --> 00:23:09,200

bob was saying well there's lots of

615

00:23:13,590 --> 00:23:11,520

opinions that's true but the main uh

616

00:23:17,029 --> 00:23:13,600

opinion is that

617

00:23:19,430 --> 00:23:17,039

what you would consider you and me the

618

00:23:21,590 --> 00:23:19,440

in our brain what we think of as i being

619

00:23:23,029 --> 00:23:21,600

aware is sort of consciousness and that

620

00:23:24,950 --> 00:23:23,039

they say that

621

00:23:28,549 --> 00:23:24,960

the brain itself

622

00:23:31,029 --> 00:23:28,559

creates consciousness as a electro

623

00:23:32,630 --> 00:23:31,039

chemical process of the brain so in

624

00:23:34,710 --> 00:23:32,640

other words everything that we are

625

00:23:38,549 --> 00:23:34,720

everything we see and experience in our

626

00:23:40,950 --> 00:23:38,559

brain is being created by our brains

627

00:23:43,110 --> 00:23:40,960

and a lot of the people that were on

628

00:23:44,870 --> 00:23:43,120

bob's team seemed to disagree with that

629

00:23:47,269 --> 00:23:44,880

so when i started looking at all of

630

00:23:49,750 --> 00:23:47,279

their work and began reading their books

631

00:23:51,110 --> 00:23:49,760

um you know diane hennessey powell and

632

00:23:53,830 --> 00:23:51,120

tom campbell

633

00:23:56,230 --> 00:23:53,840

and jeffrey long and dean rayden they

634

00:23:58,950 --> 00:23:56,240

all seem to be saying something else

635

00:24:00,789 --> 00:23:58,960

which is there's a lot of evidence

636

00:24:04,870 --> 00:24:00,799

there's a lot of evidence

637

00:24:07,430 --> 00:24:04,880

that consciousness is not being created

638

00:24:10,310 --> 00:24:07,440

by the brain in other words like

639

00:24:12,070 --> 00:24:10,320

we don't exist until we are born

640

00:24:13,909 --> 00:24:12,080

and then consciousness comes out of our

641

00:24:15,669 --> 00:24:13,919

brain we we live our lives and then as

642

00:24:17,029 --> 00:24:15,679

soon as we die consciousness stops and

643

00:24:18,390 --> 00:24:17,039

we're gone

644

00:24:20,950 --> 00:24:18,400

they were saying that there's a lot of

645

00:24:22,710 --> 00:24:20,960

evidence that that science today may

646

00:24:25,269 --> 00:24:22,720

have that wrong and this would be

647

00:24:27,669 --> 00:24:25,279

considered material materialism

648

00:24:29,909 --> 00:24:27,679

materialism say it says that

649

00:24:32,390 --> 00:24:29,919

consciousness arises from

650

00:24:34,870 --> 00:24:32,400

physical matter such as our brain they

651
00:24:36,710 --> 00:24:34,880
were saying specifically that maybe it's

652
00:24:38,470 --> 00:24:36,720
backwards and maybe

653
00:24:41,750 --> 00:24:38,480
consciousness

654
00:24:43,750 --> 00:24:41,760
exists outside of physical reality

655
00:24:45,430 --> 00:24:43,760
so for instance the earth and you know

656
00:24:46,630 --> 00:24:45,440
everything we experience in the universe

657
00:24:49,350 --> 00:24:46,640
that perhaps

658
00:24:50,390 --> 00:24:49,360
in some way consciousness exists outside

659
00:24:52,549 --> 00:24:50,400
of that

660
00:24:54,390 --> 00:24:52,559
you know whether it's a field or whether

661
00:24:55,590 --> 00:24:54,400
it's you know some type of energy they

662
00:24:56,390 --> 00:24:55,600
don't really know but they think that

663
00:25:01,269 --> 00:24:56,400

that

664

00:25:02,789 --> 00:25:01,279

physical matter and reality emerges from

665

00:25:06,230 --> 00:25:02,799

unconsciousness so it would be like our

666

00:25:07,110 --> 00:25:06,240

brains are actually um you know somehow

667

00:25:09,830 --> 00:25:07,120

um

668

00:25:11,990 --> 00:25:09,840

tuning into this consciousness and then

669

00:25:14,070 --> 00:25:12,000

when we die for instance we just kind of

670

00:25:16,070 --> 00:25:14,080

are not our physical bodies are not

671

00:25:19,190 --> 00:25:16,080

tuned in but the consciousness itself

672

00:25:22,070 --> 00:25:19,200

which would be the you me i bob martin

673

00:25:23,510 --> 00:25:22,080

still exists which to me really gave me

674

00:25:25,029 --> 00:25:23,520

some hope when i started reading this

675

00:25:26,950 --> 00:25:25,039

and some of the experiments that they

676

00:25:28,789 --> 00:25:26,960

were doing to try to show

677

00:25:30,549 --> 00:25:28,799

that there's there's these really subtle

678

00:25:31,669 --> 00:25:30,559

effects that where

679

00:25:33,430 --> 00:25:31,679

your

680

00:25:36,470 --> 00:25:33,440

consciousness can affect things

681

00:25:39,430 --> 00:25:36,480

non-locally like say physical systems

682

00:25:40,950 --> 00:25:39,440

so that's what you know the the the

683

00:25:44,029 --> 00:25:40,960

institutes that were set up trying to

684

00:25:46,710 --> 00:25:44,039

study this um esp

685

00:25:48,710 --> 00:25:46,720

parapsychology telekinesis

686

00:25:50,390 --> 00:25:48,720

and these kind of what

687

00:25:52,870 --> 00:25:50,400

some scientists would consider woo

688

00:25:54,870 --> 00:25:52,880

topics they began to

689

00:25:57,990 --> 00:25:54,880

do these experiments over like 20 30

690

00:26:00,149 --> 00:25:58,000

years and we're finding all of these all

691

00:26:02,630 --> 00:26:00,159

this statistical evidence were

692

00:26:04,149 --> 00:26:02,640

repeatable evidence that suggested that

693

00:26:06,870 --> 00:26:04,159

consciousness

694

00:26:09,510 --> 00:26:06,880

may not just be like um something in our

695

00:26:10,789 --> 00:26:09,520

brain that somehow can affect things

696

00:26:12,950 --> 00:26:10,799

outside

697

00:26:14,549 --> 00:26:12,960

um of course in the ufo field i mean

698

00:26:15,909 --> 00:26:14,559

i've always been interested in that too

699

00:26:20,230 --> 00:26:15,919

and i think that

700

00:26:22,870 --> 00:26:20,240

some of the ufo topics that might

701
00:26:25,669 --> 00:26:22,880
be familiar to experiencers would be

702
00:26:27,990 --> 00:26:25,679
perhaps telepathic communication

703
00:26:30,230 --> 00:26:28,000
and that's esp right but a lot of people

704
00:26:32,710 --> 00:26:30,240
that claim to have

705
00:26:35,350 --> 00:26:32,720
experiences with

706
00:26:37,750 --> 00:26:35,360
non-human intelligence or the abduction

707
00:26:39,510 --> 00:26:37,760
phenomena for instance where

708
00:26:41,350 --> 00:26:39,520
over the course of their year over their

709
00:26:43,669 --> 00:26:41,360
lives they've had these repeat

710
00:26:45,990 --> 00:26:43,679
experiences which are very real and they

711
00:26:48,950 --> 00:26:46,000
have communication almost entirely

712
00:26:50,230 --> 00:26:48,960
telepathic in those cases and

713
00:26:53,029 --> 00:26:50,240

you know sometimes

714

00:26:55,110 --> 00:26:53,039

you know the the experiences are so out

715

00:26:56,149 --> 00:26:55,120

outrageously absurd you might think well

716

00:27:00,470 --> 00:26:56,159

maybe

717

00:27:01,909 --> 00:27:00,480

consciousness is somehow leaving their

718

00:27:04,310 --> 00:27:01,919

body and they're having these

719

00:27:06,390 --> 00:27:04,320

experiences which are very real to them

720

00:27:08,310 --> 00:27:06,400

i mean you wouldn't know it to be

721

00:27:11,669 --> 00:27:08,320

different than the physical waking

722

00:27:13,590 --> 00:27:11,679

experience it's so real and i'm i i

723

00:27:15,350 --> 00:27:13,600

believe that that's entirely possible so

724

00:27:18,549 --> 00:27:15,360

that that may be where this

725

00:27:20,950 --> 00:27:18,559

consciousness ufo experience um will

726
00:27:23,269 --> 00:27:20,960
lead us i'm not sure though

727
00:27:25,990 --> 00:27:23,279
so if the conscious

728
00:27:27,990 --> 00:27:26,000
might exist after

729
00:27:31,269 --> 00:27:28,000
we don't physically

730
00:27:33,990 --> 00:27:31,279
does it exist before we exist

731
00:27:36,470 --> 00:27:34,000
i believe it does and you know my entire

732
00:27:38,070 --> 00:27:36,480
life you know from when i first started

733
00:27:41,510 --> 00:27:38,080
looking into the

734
00:27:43,990 --> 00:27:41,520
you know paranormal and ufos

735
00:27:46,630 --> 00:27:44,000
i always had this really strong feeling

736
00:27:48,789 --> 00:27:46,640
that you know and this is not just uh

737
00:27:51,590 --> 00:27:48,799
you know the christian bible beliefs or

738
00:27:54,149 --> 00:27:51,600

other religious texts that all you

739

00:27:56,470 --> 00:27:54,159

uniformly say that that's true

740

00:27:57,510 --> 00:27:56,480

that i believe that yeah that we

741

00:27:59,990 --> 00:27:57,520

probably

742

00:28:02,470 --> 00:28:00,000

our consciousness does exist

743

00:28:04,950 --> 00:28:02,480

that we don't just um you know when we

744

00:28:07,510 --> 00:28:04,960

when we die you know basically a drop of

745

00:28:09,990 --> 00:28:07,520

water into the ocean and we're part of

746

00:28:12,789 --> 00:28:10,000

consciousness but we no longer as an

747

00:28:16,549 --> 00:28:12,799

individual personality no longer exists

748

00:28:18,789 --> 00:28:16,559

i think that he the human soul our souls

749

00:28:19,590 --> 00:28:18,799

you know are eternal and that we are

750

00:28:22,630 --> 00:28:19,600

much

751

00:28:25,990 --> 00:28:22,640

more valid uh in eternal

752

00:28:27,430 --> 00:28:26,000

than we probably even have any idea so i

753

00:28:30,310 --> 00:28:27,440

mean i think so and i think that a lot

754

00:28:31,909 --> 00:28:30,320

of these uh the team of scientists and

755

00:28:33,110 --> 00:28:31,919

you know researchers that we have in

756

00:28:33,909 --> 00:28:33,120

this film

757

00:28:35,669 --> 00:28:33,919

they

758

00:28:38,149 --> 00:28:35,679

have these experiences as well

759

00:28:40,710 --> 00:28:38,159

especially the uh life after death and

760

00:28:43,350 --> 00:28:40,720

near-death experience um

761

00:28:45,110 --> 00:28:43,360

jeff dr jeffrey long and his

762

00:28:47,669 --> 00:28:45,120

studies of like

763

00:28:49,190 --> 00:28:47,679

nearly five i think he's got like 5 000

764

00:28:50,710 --> 00:28:49,200

stories on his

765

00:28:52,909 --> 00:28:50,720

uh website

766

00:28:55,190 --> 00:28:52,919

endurf on

767

00:28:58,070 --> 00:28:55,200

nderf.com i think it is

768

00:29:01,269 --> 00:28:58,080

where they have personal um descriptions

769

00:29:04,230 --> 00:29:01,279

of people that you know have come to the

770

00:29:06,230 --> 00:29:04,240

the edge of death clinical death where

771

00:29:08,389 --> 00:29:06,240

in an emergency room for instance

772

00:29:10,950 --> 00:29:08,399

they've had cardiac arrest

773

00:29:13,350 --> 00:29:10,960

and their brain waves cease to function

774

00:29:15,190 --> 00:29:13,360

in i think that you know at that point

775

00:29:17,350 --> 00:29:15,200

you know when you have no cardiac rhythm

776

00:29:19,750 --> 00:29:17,360

and your brain waves stop you're

777

00:29:21,750 --> 00:29:19,760

clinically dead and some people have

778

00:29:22,630 --> 00:29:21,760

gone to that edge and come back

779

00:29:27,669 --> 00:29:22,640

and

780

00:29:30,470 --> 00:29:27,679

uniformly there's men who's i think jeff

781

00:29:32,149 --> 00:29:30,480

has like a list of ten commonalities

782

00:29:34,070 --> 00:29:32,159

that almost all of these individuals

783

00:29:35,669 --> 00:29:34,080

report and it's actually quite

784

00:29:39,909 --> 00:29:35,679

heartening because you know one of the

785

00:29:41,669 --> 00:29:39,919

key things is like uh you're a universal

786

00:29:43,190 --> 00:29:41,679

feeling of love

787

00:29:44,870 --> 00:29:43,200

like they don't want to come back

788

00:29:46,389 --> 00:29:44,880

because of this feeling

789

00:29:48,230 --> 00:29:46,399

you know ten thousand orgasms or

790

00:29:50,870 --> 00:29:48,240

something like all into one experience

791

00:29:53,269 --> 00:29:50,880

that's what they describe it as and

792

00:29:56,389 --> 00:29:53,279

that you know they see their

793

00:29:59,669 --> 00:29:56,399

deceased loved ones in some cases there

794

00:30:01,990 --> 00:29:59,679

they have reports of communication that

795

00:30:03,750 --> 00:30:02,000

are very meaningful and very um very

796

00:30:06,789 --> 00:30:03,760

deep um

797

00:30:08,630 --> 00:30:06,799

dr eben alexander for instance wrote a

798

00:30:10,389 --> 00:30:08,640

book he and many of these scientists

799

00:30:12,470 --> 00:30:10,399

that write these things didn't start off

800

00:30:14,710 --> 00:30:12,480

believing in this stuff they started out

801
00:30:16,149 --> 00:30:14,720
as materialist scientists that didn't

802
00:30:18,389 --> 00:30:16,159
believe it

803
00:30:21,269 --> 00:30:18,399
and they had experiences like for

804
00:30:23,750 --> 00:30:21,279
instance dr eban alexander he had he was

805
00:30:25,990 --> 00:30:23,760
a neuroscientist he had his own

806
00:30:28,630 --> 00:30:26,000
very in-depth near-death experience that

807
00:30:31,830 --> 00:30:28,640
completely changed his view upon

808
00:30:34,149 --> 00:30:31,840
what consciousness is and what life on

809
00:30:36,230 --> 00:30:34,159
earth is and whether we exist before and

810
00:30:38,070 --> 00:30:36,240
after life and i think almost all of the

811
00:30:39,669 --> 00:30:38,080
people that that have had these

812
00:30:41,110 --> 00:30:39,679
experiences

813
00:30:43,350 --> 00:30:41,120

you know if they didn't before they

814

00:30:45,669 --> 00:30:43,360

changed their belief they're not afraid

815

00:30:47,909 --> 00:30:45,679

of dying anymore because they've had a

816

00:30:49,669 --> 00:30:47,919

glimpse and yeah yeah

817

00:30:51,430 --> 00:30:49,679

yeah i've heard that i read leslie

818

00:30:53,990 --> 00:30:51,440

kane's book i thought that was very good

819

00:30:56,389 --> 00:30:54,000

very interesting a lot of amazing cases

820

00:30:59,029 --> 00:30:56,399

that she explored in there here's a

821

00:31:00,630 --> 00:30:59,039

question up for you um in the chat room

822

00:31:02,149 --> 00:31:00,640

uh bob

823

00:31:04,149 --> 00:31:02,159

uh has

824

00:31:06,470 --> 00:31:04,159

have you explored the actual science

825

00:31:09,190 --> 00:31:06,480

done by stanford research institute on

826

00:31:11,590 --> 00:31:09,200

this topic it's noteworthy and extensive

827

00:31:13,669 --> 00:31:11,600

well well certainly uh it's fascinating

828

00:31:14,870 --> 00:31:13,679

research we're talking about work by hal

829

00:31:17,669 --> 00:31:14,880

pudov

830

00:31:19,669 --> 00:31:17,679

um and a few a few others

831

00:31:21,509 --> 00:31:19,679

have done interesting work on remote

832

00:31:23,750 --> 00:31:21,519

viewing esp

833

00:31:24,710 --> 00:31:23,760

and cyclokinesis among other related

834

00:31:25,590 --> 00:31:24,720

matters

835

00:31:28,630 --> 00:31:25,600

um

836

00:31:31,590 --> 00:31:28,640

you know i hope everything was

837

00:31:33,350 --> 00:31:31,600

studied and utilized to to our advantage

838

00:31:35,669 --> 00:31:33,360

you know the rumor is and it's been

839

00:31:38,070 --> 00:31:35,679

pretty much confirmed that that experts

840

00:31:41,830 --> 00:31:38,080

in remote viewing or who you'd what dave

841

00:31:45,110 --> 00:31:41,840

was talking about esp or non-locality

842

00:31:47,750 --> 00:31:45,120

were able to access information despite

843

00:31:49,509 --> 00:31:47,760

the distance and time associated with

844

00:31:50,470 --> 00:31:49,519

information exchange between russia and

845

00:31:52,549 --> 00:31:50,480

here

846

00:31:54,310 --> 00:31:52,559

information about their

847

00:31:56,230 --> 00:31:54,320

landmarks where the missiles were

848

00:31:57,750 --> 00:31:56,240

located in russia and they supposedly

849

00:31:59,590 --> 00:31:57,760

did the same to us

850

00:32:01,350 --> 00:31:59,600

well i do know

851
00:32:04,230 --> 00:32:01,360
more than two people who are associated

852
00:32:05,029 --> 00:32:04,240
with that research and and the point is

853
00:32:07,669 --> 00:32:05,039
that

854
00:32:09,110 --> 00:32:07,679
here again esp has been studied and we i

855
00:32:11,430 --> 00:32:09,120
think we are all aware of that through

856
00:32:15,029 --> 00:32:11,440
the stanford research institute

857
00:32:17,269 --> 00:32:15,039
um and been verified uh and repeatedly

858
00:32:20,389 --> 00:32:17,279
and more recently by dean reagan and

859
00:32:21,990 --> 00:32:20,399
ions institute for noetic sciences

860
00:32:24,149 --> 00:32:22,000
um but you know we're getting back to

861
00:32:26,389 --> 00:32:24,159
what dave's talking about too that we're

862
00:32:30,230 --> 00:32:26,399
talking about peak experiences

863
00:32:32,149 --> 00:32:30,240

and consciousness and um and and even

864

00:32:34,549 --> 00:32:32,159

people who experiencing

865

00:32:36,389 --> 00:32:34,559

what you've read in leslie kane's book

866

00:32:39,029 --> 00:32:36,399

interacting with this phenomenon believe

867

00:32:41,830 --> 00:32:39,039

such a transpersonal event

868

00:32:44,789 --> 00:32:41,840

where one's viewpoints are altered as as

869

00:32:47,029 --> 00:32:44,799

we mentioned earlier to the extent that

870

00:32:48,549 --> 00:32:47,039

even people who say they see grades

871

00:32:51,750 --> 00:32:48,559

walking through their walls so they have

872

00:32:54,630 --> 00:32:51,760

a near-death experience i get a sense of

873

00:32:56,950 --> 00:32:54,640

reality to them that is real i never had

874

00:32:58,470 --> 00:32:56,960

that kind of experience but when you

875

00:32:59,830 --> 00:32:58,480

talk about millions of individuals

876

00:33:03,110 --> 00:32:59,840

throughout time

877

00:33:05,509 --> 00:33:03,120

even to today have just being

878

00:33:08,230 --> 00:33:05,519

having these kinds of facilitated uh

879

00:33:09,990 --> 00:33:08,240

access to what they described and all to

880

00:33:12,149 --> 00:33:10,000

say that consciousness and another

881

00:33:15,430 --> 00:33:12,159

reality that's as real as the back of

882

00:33:17,110 --> 00:33:15,440

their hand and more so real than real as

883

00:33:18,549 --> 00:33:17,120

we often hear

884

00:33:21,430 --> 00:33:18,559

um that

885

00:33:24,549 --> 00:33:21,440

defies the explanation of course but

886

00:33:26,710 --> 00:33:24,559

quantum mechanics begins to get at it

887

00:33:28,870 --> 00:33:26,720

through non-locality and count the

888

00:33:31,190 --> 00:33:28,880

consciousness brain's distinction

889

00:33:33,509 --> 00:33:31,200

consciousness giving rise to physical

890

00:33:34,870 --> 00:33:33,519

matter and you know take it a step

891

00:33:37,029 --> 00:33:34,880

further

892

00:33:38,870 --> 00:33:37,039

torsion energy

893

00:33:41,509 --> 00:33:38,880

the spin force within the universe

894

00:33:43,750 --> 00:33:41,519

everything spins we know that

895

00:33:44,950 --> 00:33:43,760

we know when we flush the toilet water

896

00:33:46,789 --> 00:33:44,960

spins to

897

00:33:48,710 --> 00:33:46,799

galaxies spinning around each other let

898

00:33:51,190 --> 00:33:48,720

alone any planets spin we understand

899

00:33:53,350 --> 00:33:51,200

that to the subatomic particle where

900

00:33:56,070 --> 00:33:53,360

there's information exchanged and

901
00:33:57,269 --> 00:33:56,080
torsion energy spin like energy the

902
00:33:58,789 --> 00:33:57,279
point is

903
00:34:01,269 --> 00:33:58,799
it gets back to what we would have a

904
00:34:03,509 --> 00:34:01,279
prior discussion scientists many of them

905
00:34:05,029 --> 00:34:03,519
are now looking at this spin force that

906
00:34:07,110 --> 00:34:05,039
integrates believe it or not with the

907
00:34:08,869 --> 00:34:07,120
brain and spinal column

908
00:34:10,230 --> 00:34:08,879
the central nervous system of the human

909
00:34:12,869 --> 00:34:10,240
being

910
00:34:14,310 --> 00:34:12,879
thus is going to bomb this extricate

911
00:34:16,389 --> 00:34:14,320
implicate order

912
00:34:18,069 --> 00:34:16,399
where we are not just

913
00:34:21,270 --> 00:34:18,079

dusted just an answer to ashes

914

00:34:22,149 --> 00:34:21,280

afterwards but uh separate from the body

915

00:34:24,149 --> 00:34:22,159

so

916

00:34:24,950 --> 00:34:24,159

he contends in that theory among many

917

00:34:28,149 --> 00:34:24,960

others

918

00:34:29,349 --> 00:34:28,159

more recent and and abstract and obscure

919

00:34:31,589 --> 00:34:29,359

and people are putting math to it and

920

00:34:32,869 --> 00:34:31,599

come to that conclusion

921

00:34:35,030 --> 00:34:32,879

we are distinctly different

922

00:34:37,430 --> 00:34:35,040

consciousness is and it might

923

00:34:39,750 --> 00:34:37,440

interrelate from the physical be a

924

00:34:42,389 --> 00:34:39,760

physical force that is a missing link in

925

00:34:44,950 --> 00:34:42,399

unified the unified field theory

926
00:34:47,510 --> 00:34:44,960
that might be helped to explain what

927
00:34:49,750 --> 00:34:47,520
people are experiencing when they talk

928
00:34:51,589 --> 00:34:49,760
about that unconditional love the the

929
00:34:55,669 --> 00:34:51,599
altered landscape the interaction with

930
00:34:58,870 --> 00:34:55,679
deceased beings supreme beings greys

931
00:35:01,670 --> 00:34:58,880
and mantids etc

932
00:35:04,230 --> 00:35:01,680
and they're well balanced individuals

933
00:35:06,790 --> 00:35:04,240
so the the question is it's difficult

934
00:35:09,270 --> 00:35:06,800
for me to struggle with and to apply the

935
00:35:11,190 --> 00:35:09,280
research method to because you can't

936
00:35:12,790 --> 00:35:11,200
the way you want to at least in a

937
00:35:14,950 --> 00:35:12,800
laboratory setting

938
00:35:17,510 --> 00:35:14,960

and you have to talk to people who do

939

00:35:20,230 --> 00:35:17,520

interact with this complex phenomena

940

00:35:22,630 --> 00:35:20,240

from the uap to everything else much of

941

00:35:25,670 --> 00:35:22,640

it can be interrelated

942

00:35:27,990 --> 00:35:25,680

but we have no clue and we're scratching

943

00:35:30,470 --> 00:35:28,000

the surface with the stone knives

944

00:35:33,430 --> 00:35:30,480

on the rock wall

945

00:35:35,510 --> 00:35:33,440

uh frustrated and we can't rely on on

946

00:35:37,750 --> 00:35:35,520

the government to give us information

947

00:35:40,310 --> 00:35:37,760

you know about what they know

948

00:35:42,829 --> 00:35:40,320

do you think uh a higher intelligence

949

00:35:44,790 --> 00:35:42,839

out there knows more about

950

00:35:46,630 --> 00:35:44,800

consciousness

951
00:35:49,030 --> 00:35:46,640
i do i i think that

952
00:35:51,510 --> 00:35:49,040
perhaps we ourselves know much more

953
00:35:53,109 --> 00:35:51,520
about it and it's possible that you know

954
00:35:55,990 --> 00:35:53,119
when you talk about the meaning of life

955
00:35:58,390 --> 00:35:56,000
and why we're here it could be that um

956
00:36:01,589 --> 00:35:58,400
our consciousness needs to have these

957
00:36:04,310 --> 00:36:01,599
experiences in physical reality events

958
00:36:06,870 --> 00:36:04,320
so to speak you know

959
00:36:09,750 --> 00:36:06,880
is our lives a series of random events

960
00:36:13,670 --> 00:36:09,760
um or is there you know is there such a

961
00:36:15,510 --> 00:36:13,680
thing as fate our par our milestones in

962
00:36:17,270 --> 00:36:15,520
our lives sort of pre-planned we know

963
00:36:19,270 --> 00:36:17,280

about this is time even real i mean

964

00:36:20,470 --> 00:36:19,280

that's one of the things that physics is

965

00:36:22,150 --> 00:36:20,480

linear time

966

00:36:24,150 --> 00:36:22,160

yeah i mean

967

00:36:26,870 --> 00:36:24,160

how does linear time fit into this

968

00:36:29,030 --> 00:36:26,880

consciousness right i mean in ufo cases

969

00:36:31,109 --> 00:36:29,040

right i mean people experience missing

970

00:36:32,950 --> 00:36:31,119

time they they

971

00:36:34,150 --> 00:36:32,960

they see see

972

00:36:35,829 --> 00:36:34,160

they have an

973

00:36:37,829 --> 00:36:35,839

experience it seems like it took 10

974

00:36:41,990 --> 00:36:37,839

minutes and three hours on their watches

975

00:36:44,470 --> 00:36:42,000

gone by um they you know um

976

00:36:46,310 --> 00:36:44,480

the betty anders andreasson case i

977

00:36:49,910 --> 00:36:46,320

remember reading how

978

00:36:50,950 --> 00:36:49,920

when these beings appeared um at her

979

00:36:53,510 --> 00:36:50,960

house

980

00:36:55,190 --> 00:36:53,520

to her i believe you know every time was

981

00:36:57,589 --> 00:36:55,200

normal but then every everyone in our

982

00:36:59,270 --> 00:36:57,599

house is sort of like a statue

983

00:37:01,670 --> 00:36:59,280

and until they left and then all of a

984

00:37:04,390 --> 00:37:01,680

sudden um they kind of kind of came back

985

00:37:07,109 --> 00:37:04,400

to life and didn't even realize any time

986

00:37:10,390 --> 00:37:07,119

had gone by so is there a manipulation

987

00:37:14,310 --> 00:37:10,400

of time by some a higher intelligence

988

00:37:15,349 --> 00:37:14,320

that's behind some of the ufo stuff

989

00:37:17,270 --> 00:37:15,359

yeah yeah

990

00:37:20,069 --> 00:37:17,280

millennials that's really fascinating

991

00:37:22,390 --> 00:37:20,079

it's a construct because time space is

992

00:37:23,349 --> 00:37:22,400

going to them again who do interact as

993

00:37:24,470 --> 00:37:23,359

they can

994

00:37:26,390 --> 00:37:24,480

portend

995

00:37:29,430 --> 00:37:26,400

with this alternate react coexisting

996

00:37:31,430 --> 00:37:29,440

reality or a non-physical reality in the

997

00:37:34,470 --> 00:37:31,440

sense that you're not using your senses

998

00:37:37,910 --> 00:37:34,480

to detect what is happening around you

999

00:37:39,990 --> 00:37:37,920

basically um so when you had a 360

1000

00:37:42,150 --> 00:37:40,000

degree view when you leave your body as

1001
00:37:44,069 --> 00:37:42,160
they they say or in the form of a

1002
00:37:46,790 --> 00:37:44,079
near-death experience or during even an

1003
00:37:49,109 --> 00:37:46,800
abduction experience where and it's like

1004
00:37:51,670 --> 00:37:49,119
more of a contact d kind of thing than a

1005
00:37:54,150 --> 00:37:51,680
physical relocation from one area to the

1006
00:37:55,430 --> 00:37:54,160
next so linear time

1007
00:37:58,310 --> 00:37:55,440
um

1008
00:38:00,550 --> 00:37:58,320
it it it doesn't really exist other than

1009
00:38:03,030 --> 00:38:00,560
we are bounded by it because of the 3d

1010
00:38:05,990 --> 00:38:03,040
world in which we operate so time is is

1011
00:38:08,230 --> 00:38:06,000
necessity but many sciences are now

1012
00:38:10,310 --> 00:38:08,240
escorting to the fact that you obtain

1013
00:38:11,670 --> 00:38:10,320

information beyond the body you don't

1014

00:38:14,710 --> 00:38:11,680

need the body

1015

00:38:16,950 --> 00:38:14,720

and you can be a little more efficient

1016

00:38:18,470 --> 00:38:16,960

once you shed the suit so they say

1017

00:38:19,829 --> 00:38:18,480

well is that true

1018

00:38:22,870 --> 00:38:19,839

i'd like to see

1019

00:38:24,870 --> 00:38:22,880

absolute proof and and i'm leading it in

1020

00:38:26,230 --> 00:38:24,880

this sense of direction

1021

00:38:27,589 --> 00:38:26,240

in that way

1022

00:38:29,510 --> 00:38:27,599

but um

1023

00:38:31,670 --> 00:38:29,520

until we can prove it we have to we have

1024

00:38:33,030 --> 00:38:31,680

to understand that all these aspects of

1025

00:38:35,750 --> 00:38:33,040

missing time

1026

00:38:37,910 --> 00:38:35,760

uh represent to these individuals true

1027

00:38:40,390 --> 00:38:37,920

reality believe it or not

1028

00:38:42,790 --> 00:38:40,400

and it's hard for me to believe but i i

1029

00:38:44,870 --> 00:38:42,800

i'm almost convinced from the sources

1030

00:38:46,550 --> 00:38:44,880

that i hear it from

1031

00:38:48,230 --> 00:38:46,560

i i've uh

1032

00:38:50,230 --> 00:38:48,240

i'd like to hear

1033

00:38:51,190 --> 00:38:50,240

when people are talking about missing

1034

00:38:51,990 --> 00:38:51,200

time

1035

00:38:54,069 --> 00:38:52,000

that

1036

00:38:56,470 --> 00:38:54,079

it's like the first time they're telling

1037

00:38:58,390 --> 00:38:56,480

their story they never talk about this

1038

00:39:00,950 --> 00:38:58,400

experience before and all of a sudden

1039

00:39:03,510 --> 00:39:00,960

they said oh yeah and by the way um it's

1040

00:39:05,510 --> 00:39:03,520

really strange you know this uh i

1041

00:39:07,750 --> 00:39:05,520

thought it was you know three o'clock in

1042

00:39:08,790 --> 00:39:07,760

the afternoon ended up it was five and i

1043

00:39:11,270 --> 00:39:08,800

don't know

1044

00:39:13,990 --> 00:39:11,280

mean when someone

1045

00:39:15,750 --> 00:39:14,000

is not like you know they have so it

1046

00:39:17,270 --> 00:39:15,760

makes it more real when you hear someone

1047

00:39:20,550 --> 00:39:17,280

talk about right there's a lot of cases

1048

00:39:22,950 --> 00:39:20,560

like that that people that are you know

1049

00:39:24,790 --> 00:39:22,960

they don't have any knowledge of the ufo

1050

00:39:26,390 --> 00:39:24,800

research field they've never read any

1051
00:39:29,190 --> 00:39:26,400
books and they're not have no interest

1052
00:39:30,790 --> 00:39:29,200
in it when they somebody reports

1053
00:39:33,750 --> 00:39:30,800
something like that that they think is

1054
00:39:36,790 --> 00:39:33,760
unusual and all the researchers that

1055
00:39:39,349 --> 00:39:36,800
have looked at you know ce4 type stuff

1056
00:39:41,589 --> 00:39:39,359
all of a sudden go aha see he's you know

1057
00:39:42,390 --> 00:39:41,599
like he he knows exactly what happened

1058
00:39:44,390 --> 00:39:42,400
because

1059
00:39:46,470 --> 00:39:44,400
all those people report that

1060
00:39:47,990 --> 00:39:46,480
but you know it's not i don't think it's

1061
00:39:49,430 --> 00:39:48,000
because they've read a book about it

1062
00:39:50,950 --> 00:39:49,440
it's because they're trying to be honest

1063
00:39:52,790 --> 00:39:50,960

and they looked at their clock and

1064

00:39:55,510 --> 00:39:52,800

they're like wait a second it was how

1065

00:39:57,910 --> 00:39:55,520

did three hours go by you know

1066

00:39:59,430 --> 00:39:57,920

i always ask people when they're telling

1067

00:40:02,230 --> 00:39:59,440

someone that's not

1068

00:40:04,950 --> 00:40:02,240

they're not paying attention to the show

1069

00:40:06,630 --> 00:40:04,960

i mean to the ufo shows at all or ufos

1070

00:40:09,270 --> 00:40:06,640

i'm sorry in general

1071

00:40:11,589 --> 00:40:09,280

and um i end up telling them

1072

00:40:13,910 --> 00:40:11,599

somehow in a conversation that i do a

1073

00:40:16,390 --> 00:40:13,920

show on ufos and they say oh you know i

1074

00:40:19,190 --> 00:40:16,400

had this experience um and this this

1075

00:40:21,910 --> 00:40:19,200

woman told me um she's in the antique

1076
00:40:24,950 --> 00:40:21,920
business which i am in art and antique

1077
00:40:27,990 --> 00:40:24,960
and uh so she's telling me of

1078
00:40:29,910 --> 00:40:28,000
uh she was up in maine where i live in

1079
00:40:31,190 --> 00:40:29,920
the state of maine where i live and on

1080
00:40:34,790 --> 00:40:31,200
an island

1081
00:40:37,109 --> 00:40:34,800
and this ufo flew over her and girl

1082
00:40:38,710 --> 00:40:37,119
scouts they were all on this island and

1083
00:40:40,309 --> 00:40:38,720
then they said and all of a sudden it

1084
00:40:41,270 --> 00:40:40,319
was dark

1085
00:40:43,030 --> 00:40:41,280
you know

1086
00:40:44,309 --> 00:40:43,040
like all of a sudden we realized it was

1087
00:40:46,710 --> 00:40:44,319
dark out

1088
00:40:48,309 --> 00:40:46,720

and the whole group including the leader

1089

00:40:49,910 --> 00:40:48,319

and every everything it was like they

1090

00:40:51,990 --> 00:40:49,920

they couldn't understand why it was dark

1091

00:40:53,910 --> 00:40:52,000

out and she's telling the story like

1092

00:40:55,829 --> 00:40:53,920

she's never told it before

1093

00:40:57,750 --> 00:40:55,839

so i i loved her i tried to get her on

1094

00:40:59,430 --> 00:40:57,760

the show but she i love those stories i

1095

00:41:01,589 --> 00:40:59,440

love the stories and i mean doesn't it

1096

00:41:04,390 --> 00:41:01,599

make you wonder what happened during

1097

00:41:06,230 --> 00:41:04,400

that time and so many of the reports

1098

00:41:09,349 --> 00:41:06,240

they never investigate that i think

1099

00:41:12,069 --> 00:41:09,359

that's kind of where in the research of

1100

00:41:14,790 --> 00:41:12,079

so-called abductions the use of hypnosis

1101
00:41:16,470 --> 00:41:14,800
came into play specifically trying to

1102
00:41:18,309 --> 00:41:16,480
investigate you know kind of what

1103
00:41:19,589 --> 00:41:18,319
happened during those three hours you

1104
00:41:22,550 --> 00:41:19,599
really want to know

1105
00:41:25,349 --> 00:41:22,560
and there's a quite a bit of controversy

1106
00:41:27,109 --> 00:41:25,359
today and um you know i mean i in the

1107
00:41:28,710 --> 00:41:27,119
beginning i thought it was great

1108
00:41:32,150 --> 00:41:28,720
wow this is like they're not leading

1109
00:41:34,390 --> 00:41:32,160
questions and hypnosis is so cool and

1110
00:41:35,670 --> 00:41:34,400
over time i've kind of you know gotten

1111
00:41:38,390 --> 00:41:35,680
to the point where i don't know if it

1112
00:41:41,030 --> 00:41:38,400
was such a good idea that all of the uh

1113
00:41:42,710 --> 00:41:41,040

abduction researchers um you know bud

1114

00:41:45,910 --> 00:41:42,720

hopkins and

1115

00:41:49,109 --> 00:41:45,920

fowler and these guys were utilizing um

1116

00:41:50,550 --> 00:41:49,119

hypnosis on people um bob what do you

1117

00:41:52,950 --> 00:41:50,560

think about that i mean i i don't know

1118

00:41:54,790 --> 00:41:52,960

we've talked about it um your opinion

1119

00:41:57,109 --> 00:41:54,800

about the use of hypnosis

1120

00:41:59,990 --> 00:41:57,119

well it has to be done by someone who's

1121

00:42:01,910 --> 00:42:00,000

very well trained certified uh part of

1122

00:42:04,309 --> 00:42:01,920

the association and even then the

1123

00:42:06,230 --> 00:42:04,319

information derived from as witness

1124

00:42:09,910 --> 00:42:06,240

testimony in the court of law is not

1125

00:42:11,990 --> 00:42:09,920

recognized as as a valid evidence so

1126

00:42:14,550 --> 00:42:12,000

there is question still for a variety of

1127

00:42:16,950 --> 00:42:14,560

reasons as to the the accuracy

1128

00:42:19,030 --> 00:42:16,960

legitimacy of hypnosis and and but

1129

00:42:20,470 --> 00:42:19,040

hopkins um

1130

00:42:23,510 --> 00:42:20,480

uh and the other gentleman i can't

1131

00:42:25,829 --> 00:42:23,520

recall his name but both who who

1132

00:42:27,190 --> 00:42:25,839

were leading experts in that area david

1133

00:42:31,270 --> 00:42:27,200

david jacobs

1134

00:42:33,670 --> 00:42:31,280

did wonderful things for people

1135

00:42:35,510 --> 00:42:33,680

but their methodology their conclusions

1136

00:42:37,750 --> 00:42:35,520

were a little faulty and it kind of

1137

00:42:39,349 --> 00:42:37,760

leads me into the results from the dr

1138

00:42:41,349 --> 00:42:39,359

ricky mentioned research foundation

1139

00:42:43,990 --> 00:42:41,359

which i was a member of

1140

00:42:47,109 --> 00:42:44,000

and we addressed the abduction or

1141

00:42:49,430 --> 00:42:47,119

contact he-like experience that people

1142

00:42:51,190 --> 00:42:49,440

worldwide many hundreds of thousands if

1143

00:42:54,069 --> 00:42:51,200

not millions over time and certainly

1144

00:42:55,670 --> 00:42:54,079

today are claiming to be contacted by a

1145

00:42:57,430 --> 00:42:55,680

non-human intelligence we understand

1146

00:43:03,430 --> 00:42:57,440

that

1147

00:43:04,630 --> 00:43:03,440

level

1148

00:43:05,910 --> 00:43:04,640

um

1149

00:43:10,790 --> 00:43:05,920

so

1150

00:43:13,109 --> 00:43:10,800

it was a lot there was a lot of it was a

1151

00:43:14,230 --> 00:43:13,119

lot of information that has come out

1152

00:43:16,150 --> 00:43:14,240

um

1153

00:43:18,630 --> 00:43:16,160

through hypnosis

1154

00:43:21,109 --> 00:43:18,640

yeah um and commonalities

1155

00:43:22,710 --> 00:43:21,119

it's true but they regarded jacob and

1156

00:43:23,829 --> 00:43:22,720

hopkins there we go as a negative

1157

00:43:28,390 --> 00:43:23,839

experience

1158

00:43:30,630 --> 00:43:28,400

in large part the initial contact of

1159

00:43:32,470 --> 00:43:30,640

course is how can it not be

1160

00:43:34,390 --> 00:43:32,480

but people are saying that with repeated

1161

00:43:36,230 --> 00:43:34,400

experiences over time they benefit and

1162

00:43:38,470 --> 00:43:36,240

they don't want it to end the majority

1163

00:43:39,670 --> 00:43:38,480

of them in our results kathy martin by

1164

00:43:41,589 --> 00:43:39,680

the way who wrote the experience

1165

00:43:45,750 --> 00:43:41,599

research team foundation

1166

00:43:47,190 --> 00:43:45,760

uh or committee for mufon nationally um

1167

00:43:50,870 --> 00:43:47,200

came to the same conclusions in her

1168

00:43:54,069 --> 00:43:50,880

study of 350 or so the the the dr

1169

00:43:55,349 --> 00:43:54,079

mittell foundation utilized over 35 4

1170

00:43:57,510 --> 00:43:55,359

000

1171

00:43:59,510 --> 00:43:57,520

subjects who said it was largely

1172

00:44:01,990 --> 00:43:59,520

positive but of course there's negative

1173

00:44:05,829 --> 00:44:02,000

aspects to it understandably

1174

00:44:07,589 --> 00:44:05,839

um so it you have to be you have to take

1175

00:44:09,829 --> 00:44:07,599

note of the strong suggestions that it

1176
00:44:12,950 --> 00:44:09,839
makes the results suggest that people

1177
00:44:15,750 --> 00:44:12,960
are not generally taken literally locate

1178
00:44:18,230 --> 00:44:15,760
relocated from one area to up to a ship

1179
00:44:20,870 --> 00:44:18,240
body and mind

1180
00:44:22,630 --> 00:44:20,880
the other 80 85 90 percent of the

1181
00:44:25,030 --> 00:44:22,640
individuals say it was more through a

1182
00:44:27,030 --> 00:44:25,040
conscious kind of obe

1183
00:44:30,069 --> 00:44:27,040
interaction with the matrix an alternate

1184
00:44:33,430 --> 00:44:30,079
reality which formed the basis of my

1185
00:44:34,470 --> 00:44:33,440
so-called tantai tea experience alike uh

1186
00:44:36,710 --> 00:44:34,480
event

1187
00:44:38,150 --> 00:44:36,720
uh so we see a differentiation of

1188
00:44:40,069 --> 00:44:38,160

opinion between what we found and what

1189

00:44:40,870 --> 00:44:40,079

hopkins and jacob saying

1190

00:44:43,190 --> 00:44:40,880

um

1191

00:44:45,270 --> 00:44:43,200

and our results being verified by martin

1192

00:44:47,829 --> 00:44:45,280

so i when i saw the data

1193

00:44:50,309 --> 00:44:47,839

i came in late i saw the survey they got

1194

00:44:52,550 --> 00:44:50,319

a lot of data we got some more i was a

1195

00:44:54,710 --> 00:44:52,560

kid in a candy shop with all that data i

1196

00:44:56,870 --> 00:44:54,720

could apply with what i did as a as a

1197

00:44:58,870 --> 00:44:56,880

neuroscientist of some type with sensory

1198

00:45:01,270 --> 00:44:58,880

systems

1199

00:45:04,710 --> 00:45:01,280

so i had post questions and hypotheses

1200

00:45:06,710 --> 00:45:04,720

to try to answer significant questions

1201

00:45:08,069 --> 00:45:06,720

um i like to think i did so successfully

1202

00:45:10,470 --> 00:45:08,079

most of the time but certainly not

1203

00:45:11,829 --> 00:45:10,480

always and here i can't

1204

00:45:13,750 --> 00:45:11,839

come up with an answer i don't even know

1205

00:45:15,349 --> 00:45:13,760

what questions to ask

1206

00:45:17,270 --> 00:45:15,359

you know and everybody scratch their

1207

00:45:20,550 --> 00:45:17,280

heads trying to figure out something

1208

00:45:22,150 --> 00:45:20,560

that's extraordinarily complex and has

1209

00:45:25,670 --> 00:45:22,160

important implications for reality in

1210

00:45:29,270 --> 00:45:25,680

life i think because it changes people's

1211

00:45:31,430 --> 00:45:29,280

transpersonally in in this way

1212

00:45:33,109 --> 00:45:31,440

the peak experience which alters their

1213

00:45:35,109 --> 00:45:33,119

viewpoints as something that we can't

1214

00:45:37,670 --> 00:45:35,119

ignore and the medical community need to

1215

00:45:40,150 --> 00:45:37,680

be more aware of it and validate them

1216

00:45:43,109 --> 00:45:40,160

for their experiences let them talk

1217

00:45:45,270 --> 00:45:43,119

without being stigmatized and and

1218

00:45:46,390 --> 00:45:45,280

considered as possible bipolar

1219

00:45:48,069 --> 00:45:46,400

delusional

1220

00:45:49,270 --> 00:45:48,079

whatever the psychological term you want

1221

00:45:50,630 --> 00:45:49,280

to use

1222

00:45:52,870 --> 00:45:50,640

uh that's the last thing these

1223

00:45:55,190 --> 00:45:52,880

individuals want to hear and we can't

1224

00:45:58,710 --> 00:45:55,200

forget the experience it's a physical

1225

00:45:59,990 --> 00:45:58,720

phenomenon this ufo stuff it's also

1226

00:46:01,990 --> 00:46:00,000

uh whatever you want to call it

1227

00:46:03,430 --> 00:46:02,000

non-physical in this way

1228

00:46:05,910 --> 00:46:03,440

and the interaction with the beings

1229

00:46:07,829 --> 00:46:05,920

apparently involved non-physical contact

1230

00:46:11,190 --> 00:46:07,839

the majority of the time in thousands of

1231

00:46:15,270 --> 00:46:12,950

here's another question pops up and

1232

00:46:17,670 --> 00:46:15,280

thank you for putting them in caps

1233

00:46:19,349 --> 00:46:17,680

uh so was it at princeton university

1234

00:46:21,349 --> 00:46:19,359

that had the global consciousness

1235

00:46:23,750 --> 00:46:21,359

program with random number

1236

00:46:25,670 --> 00:46:23,760

generating eggs

1237

00:46:27,829 --> 00:46:25,680

i'm not sure what that is exactly yeah

1238

00:46:29,510 --> 00:46:27,839

and in fact we had brenda dunn

1239

00:46:31,990 --> 00:46:29,520

and roger nelson the founder of the

1240

00:46:34,230 --> 00:46:32,000

global consonants project at

1241

00:46:36,630 --> 00:46:34,240

the peer lab

1242

00:46:38,790 --> 00:46:36,640

in the documentary uh here again

1243

00:46:40,790 --> 00:46:38,800

consciousness exists globally not only

1244

00:46:42,870 --> 00:46:40,800

at the sub-atomic level limit to human

1245

00:46:45,109 --> 00:46:42,880

interaction with esp and psychokinesis

1246

00:46:46,630 --> 00:46:45,119

but also globally

1247

00:46:49,990 --> 00:46:46,640

whereby

1248

00:46:51,910 --> 00:46:50,000

the alteration the change dramatically

1249

00:46:54,829 --> 00:46:51,920

statistically significant change in

1250

00:46:58,230 --> 00:46:54,839

random number generators 100 station

1251
00:46:59,910 --> 00:46:58,240
worldwide across the planet

1252
00:47:02,230 --> 00:46:59,920
is altered

1253
00:47:03,670 --> 00:47:02,240
it's changed dramatically again

1254
00:47:04,790 --> 00:47:03,680
whenever a

1255
00:47:07,829 --> 00:47:04,800
pronounced

1256
00:47:10,069 --> 00:47:07,839
event occurs that draws the attention of

1257
00:47:10,950 --> 00:47:10,079
billions of people worldwide to that

1258
00:47:14,150 --> 00:47:10,960
event

1259
00:47:16,790 --> 00:47:14,160
unfortunately examples include 9 11 the

1260
00:47:18,870 --> 00:47:16,800
tsunami disaster even the election of

1261
00:47:21,829 --> 00:47:18,880
obama it's not always a negative

1262
00:47:24,630 --> 00:47:21,839
uh issue but unfortunately is to other

1263
00:47:26,870 --> 00:47:24,640

terrorist attacks where

1264

00:47:29,190 --> 00:47:26,880

where normally in other words these

1265

00:47:31,349 --> 00:47:29,200

these eggs as you call it yes

1266

00:47:35,109 --> 00:47:31,359

should be 50 50

1267

00:47:36,470 --> 00:47:35,119

either positive or negative over time

1268

00:47:38,069 --> 00:47:36,480

as the information is downloaded from

1269

00:47:39,349 --> 00:47:38,079

these eggs were served in princeton new

1270

00:47:40,950 --> 00:47:39,359

jersey

1271

00:47:43,670 --> 00:47:40,960

uh but when it

1272

00:47:45,990 --> 00:47:43,680

deviates significantly to the point of

1273

00:47:47,829 --> 00:47:46,000

hundreds of millions of to one against

1274

00:47:50,870 --> 00:47:47,839

chance that that could have occurred by

1275

00:47:54,230 --> 00:47:50,880

accident and the fact that it did so

1276

00:47:57,030 --> 00:47:54,240

time locked to the event even even a few

1277

00:47:58,549 --> 00:47:57,040

seconds prior to the planes hitting this

1278

00:48:00,630 --> 00:47:58,559

hour

1279

00:48:01,589 --> 00:48:00,640

we start getting

1280

00:48:04,549 --> 00:48:01,599

uh

1281

00:48:07,270 --> 00:48:04,559

this non-random activity

1282

00:48:09,349 --> 00:48:07,280

to put it mildly so we see consciousness

1283

00:48:11,829 --> 00:48:09,359

apparently being altered even at that

1284

00:48:13,910 --> 00:48:11,839

level let alone cosmologically

1285

00:48:17,190 --> 00:48:13,920

and again the documentary is trying to

1286

00:48:20,950 --> 00:48:17,200

emphasize how this information exchange

1287

00:48:22,790 --> 00:48:20,960

from electrons photons biofield torsion

1288

00:48:25,589 --> 00:48:22,800

fields spin energy

1289

00:48:28,309 --> 00:48:25,599

the brain cellular activity dna

1290

00:48:30,870 --> 00:48:28,319

may very well be interrelated

1291

00:48:33,270 --> 00:48:30,880

uh that's how complex it can be and

1292

00:48:35,990 --> 00:48:33,280

we're just only scratching the surface

1293

00:48:38,390 --> 00:48:36,000

at this stage in our evolutionary cycle

1294

00:48:39,750 --> 00:48:38,400

and the documentary is going to

1295

00:48:42,230 --> 00:48:39,760

shift that needle

1296

00:48:43,190 --> 00:48:42,240

from being permitted again

1297

00:48:45,270 --> 00:48:43,200

you know one of the one of the

1298

00:48:48,230 --> 00:48:45,280

interesting things about the princeton

1299

00:48:50,790 --> 00:48:48,240

study is it seemed to um pick up the

1300

00:48:53,910 --> 00:48:50,800

reigns so to speak of what russell targ

1301

00:48:56,230 --> 00:48:53,920

and how put up we're doing out at sri

1302

00:48:59,750 --> 00:48:56,240

and stanford and um

1303

00:49:02,150 --> 00:48:59,760

uh the dr robert john was dean of the

1304

00:49:04,549 --> 00:49:02,160

engineering department at princeton and

1305

00:49:07,750 --> 00:49:04,559

so you can imagine that meeting where he

1306

00:49:10,470 --> 00:49:07,760

went to the president and decided to

1307

00:49:12,230 --> 00:49:10,480

pitch this idea of creating a laboratory

1308

00:49:15,190 --> 00:49:12,240

in the engineering department

1309

00:49:19,030 --> 00:49:15,200

space that was going to be studying

1310

00:49:21,910 --> 00:49:19,040

you know esp spa basically um

1311

00:49:24,470 --> 00:49:21,920

needless to say uh he had to get private

1312

00:49:26,309 --> 00:49:24,480

funding for his laboratory to do to do

1313

00:49:28,870 --> 00:49:26,319

this and um

1314

00:49:31,270 --> 00:49:28,880

the the head of mcdonald douglas

1315

00:49:34,230 --> 00:49:31,280

aircraft company actually provided

1316

00:49:35,190 --> 00:49:34,240

funding for the pear lab the princeton

1317

00:49:37,829 --> 00:49:35,200

uh

1318

00:49:38,950 --> 00:49:37,839

was it the princeton engineering yeah

1319

00:49:41,990 --> 00:49:38,960

yeah

1320

00:49:45,510 --> 00:49:42,000

laboratory which existed uh uh from i

1321

00:49:47,750 --> 00:49:45,520

think 79 until 2007 conducting

1322

00:49:49,109 --> 00:49:47,760

thousands of uh

1323

00:49:52,549 --> 00:49:49,119

laboratory

1324

00:49:56,230 --> 00:49:52,559

controlled experiments which seemed to

1325

00:49:59,510 --> 00:49:56,240

show that this statistically that

1326
00:50:02,390 --> 00:49:59,520
affecting uh random number generators

1327
00:50:05,190 --> 00:50:02,400
really can is true beyond statistical

1328
00:50:07,349 --> 00:50:05,200
chance you know ten thousand to one kind

1329
00:50:10,950 --> 00:50:07,359
of odds and the other thing that they

1330
00:50:13,750 --> 00:50:10,960
picked up um from how put up in uh sri

1331
00:50:15,990 --> 00:50:13,760
was remote viewing and they spent years

1332
00:50:19,750 --> 00:50:16,000
and years and years also having

1333
00:50:21,190 --> 00:50:19,760
significantly uh amazing results i think

1334
00:50:22,870 --> 00:50:21,200
they they changed it i think it was

1335
00:50:24,309 --> 00:50:22,880
called the uh

1336
00:50:26,390 --> 00:50:24,319
what was it called

1337
00:50:27,670 --> 00:50:26,400
i wrote it down here remote perception

1338
00:50:30,309 --> 00:50:27,680

they that's what they called it or

1339

00:50:32,150 --> 00:50:30,319

precognitive remote perception

1340

00:50:34,150 --> 00:50:32,160

that's what they named their protocols

1341

00:50:36,470 --> 00:50:34,160

for remote viewing so

1342

00:50:38,230 --> 00:50:36,480

you know investigating for this film i

1343

00:50:41,349 --> 00:50:38,240

was like trying to learn and i was

1344

00:50:44,230 --> 00:50:41,359

astounded to learn about this whole

1345

00:50:46,950 --> 00:50:44,240

scientific study of it at uh

1346

00:50:49,270 --> 00:50:46,960

princeton university and even cornell

1347

00:50:50,630 --> 00:50:49,280

had programs as well that not many

1348

00:50:53,109 --> 00:50:50,640

people know about this stuff and it

1349

00:50:55,750 --> 00:50:53,119

really is kind of the the study of human

1350

00:50:58,069 --> 00:50:55,760

potential and consciousness by

1351
00:51:00,870 --> 00:50:58,079
academics in a controlled environment

1352
00:51:02,549 --> 00:51:00,880
and you know using the uh scientific

1353
00:51:04,950 --> 00:51:02,559
method and the whole thing and a lot of

1354
00:51:07,030 --> 00:51:04,960
the statistics and research papers that

1355
00:51:09,510 --> 00:51:07,040
they did to this day stand and they're

1356
00:51:11,910 --> 00:51:09,520
very difficult for like skeptical

1357
00:51:14,309 --> 00:51:11,920
scientists that you know want to you

1358
00:51:16,870 --> 00:51:14,319
know ignore all of that as you know

1359
00:51:19,990 --> 00:51:16,880
hogwash so to speak in crackpots that it

1360
00:51:23,270 --> 00:51:20,000
really is there's this really strong uh

1361
00:51:25,349 --> 00:51:23,280
body of evidence for the the reality of

1362
00:51:28,309 --> 00:51:25,359
this stuff that you know a lot of people

1363
00:51:30,470 --> 00:51:28,319

that study ufos also kind of sometimes

1364

00:51:32,950 --> 00:51:30,480

hear about remote viewing and so on and

1365

00:51:34,870 --> 00:51:32,960

there's actual really strong evidence

1366

00:51:37,349 --> 00:51:34,880

that it's real

1367

00:51:39,750 --> 00:51:37,359

wow i i was uh on

1368

00:51:42,069 --> 00:51:39,760

a mac maloney had a has a radio show and

1369

00:51:43,829 --> 00:51:42,079

i was on his show one time and he said

1370

00:51:46,390 --> 00:51:43,839

okay we're going to test your remote

1371

00:51:49,109 --> 00:51:46,400

viewing he said what i what is on my

1372

00:51:50,790 --> 00:51:49,119

desk in the middle of my desk right now

1373

00:51:52,069 --> 00:51:50,800

and so i said

1374

00:51:53,910 --> 00:51:52,079

um

1375

00:51:56,950 --> 00:51:53,920

i'm thinking something that looks like a

1376
00:51:59,109 --> 00:51:56,960
turtle and he picks up this helmet looks

1377
00:52:01,829 --> 00:51:59,119
like a turtle i mean that was that was

1378
00:52:04,150 --> 00:52:01,839
just an odd coincidence um i think that

1379
00:52:05,750 --> 00:52:04,160
was that was

1380
00:52:07,589 --> 00:52:05,760
yeah someone did what on twitter like

1381
00:52:10,230 --> 00:52:07,599
they were doing uh some guy was doing a

1382
00:52:11,910 --> 00:52:10,240
remote thing and he held up a bag what's

1383
00:52:13,670 --> 00:52:11,920
in the bag and then everyone had the gas

1384
00:52:15,510 --> 00:52:13,680
and you know like the next day or

1385
00:52:17,109 --> 00:52:15,520
something and one of the guys said you

1386
00:52:18,630 --> 00:52:17,119
know death head

1387
00:52:20,390 --> 00:52:18,640
and then when he's like this was like

1388
00:52:23,829 --> 00:52:20,400

before the guy revealed it and it really

1389

00:52:25,109 --> 00:52:23,839

was like a like a mexican style um skull

1390

00:52:26,549 --> 00:52:25,119

that had been painted with all kinds of

1391

00:52:28,230 --> 00:52:26,559

colors i forget what they call those it

1392

00:52:30,309 --> 00:52:28,240

is sort of a death head but it's you

1393

00:52:32,950 --> 00:52:30,319

know what i'm like oh my god they sell

1394

00:52:34,870 --> 00:52:32,960

celebrate the yeah whatever i care

1395

00:52:36,630 --> 00:52:34,880

uh what that's called there here's

1396

00:52:39,190 --> 00:52:36,640

another question that came up

1397

00:52:40,549 --> 00:52:39,200

um and i they saying it might be a silly

1398

00:52:42,069 --> 00:52:40,559

question but i don't think so because

1399

00:52:45,190 --> 00:52:42,079

i've had this question in my mind

1400

00:52:47,030 --> 00:52:45,200

because i think way too much and that as

1401

00:52:49,349 --> 00:52:47,040

our population is increasing our new

1402

00:52:51,109 --> 00:52:49,359

souls created when babies are born

1403

00:52:53,030 --> 00:52:51,119

because reincarnation alone can't be

1404

00:52:54,870 --> 00:52:53,040

enough right i know that's

1405

00:52:56,870 --> 00:52:54,880

may sound silly to some but i think of

1406

00:52:59,109 --> 00:52:56,880

stuff like that like you know we're

1407

00:53:00,870 --> 00:52:59,119

having new people born all the time so

1408

00:53:03,190 --> 00:53:00,880

if if these souls are whatever been

1409

00:53:05,190 --> 00:53:03,200

around are they in waiting or or what

1410

00:53:07,430 --> 00:53:05,200

what's going on

1411

00:53:08,630 --> 00:53:07,440

i can tell you my opinion but all right

1412

00:53:10,950 --> 00:53:08,640

let's

1413

00:53:13,270 --> 00:53:10,960

well

1414

00:53:15,510 --> 00:53:13,280

i i believe i do believe in a

1415

00:53:16,950 --> 00:53:15,520

multi-dimensional reality in other words

1416

00:53:19,349 --> 00:53:16,960

that you know

1417

00:53:23,589 --> 00:53:19,359

this reality is not the only one and

1418

00:53:27,270 --> 00:53:23,599

it's possible that our souls or our

1419

00:53:28,950 --> 00:53:27,280

personalities exist outside of time

1420

00:53:31,030 --> 00:53:28,960

in which case

1421

00:53:34,309 --> 00:53:31,040

all time would be

1422

00:53:35,990 --> 00:53:34,319

at once so outside of living if our

1423

00:53:38,150 --> 00:53:36,000

personality and our souls exist outside

1424

00:53:40,870 --> 00:53:38,160

of that it's possible that we

1425

00:53:43,589 --> 00:53:40,880

have multiple souls and that they exist

1426
00:53:45,589 --> 00:53:43,599
across time concurrently even though

1427
00:53:49,349 --> 00:53:45,599
while we're living we experience time in

1428
00:53:50,470 --> 00:53:49,359
a linear you know born live die

1429
00:53:53,670 --> 00:53:50,480
state

1430
00:53:56,390 --> 00:53:53,680
it could also be a case where we are

1431
00:53:59,030 --> 00:53:56,400
actually existing in multiple

1432
00:54:00,870 --> 00:53:59,040
eras of time in the past in the future

1433
00:54:02,630 --> 00:54:00,880
um i know that's kind of if you've never

1434
00:54:04,790 --> 00:54:02,640
thought about that it's kind of hard to

1435
00:54:07,270 --> 00:54:04,800
wrap your mind around it and that comes

1436
00:54:09,990 --> 00:54:07,280
from some of the um

1437
00:54:11,589 --> 00:54:10,000
philosophical works of jane roberts in

1438
00:54:13,829 --> 00:54:11,599

the seth material which has sort of

1439

00:54:16,790 --> 00:54:13,839

shaped some of my beliefs that stuff was

1440

00:54:19,030 --> 00:54:16,800

written in the in the 70s but it's very

1441

00:54:20,870 --> 00:54:19,040

interesting material and when you think

1442

00:54:22,390 --> 00:54:20,880

about it you're like wow that's like

1443

00:54:24,950 --> 00:54:22,400

really cool and that's a different take

1444

00:54:27,670 --> 00:54:24,960

on reincarnation that maybe it's not a

1445

00:54:29,670 --> 00:54:27,680

linear progression of that we dive in

1446

00:54:31,030 --> 00:54:29,680

then you know we're reborn a year later

1447

00:54:32,870 --> 00:54:31,040

or something like that it's kind of

1448

00:54:35,589 --> 00:54:32,880

interesting

1449

00:54:37,190 --> 00:54:35,599

wow that is fascinating i think we we

1450

00:54:38,470 --> 00:54:37,200

sort of talked about this question but

1451

00:54:40,950 --> 00:54:38,480

i'm not i mean

1452

00:54:43,349 --> 00:54:40,960

i'm not 100 sure are we still asking the

1453

00:54:44,309 --> 00:54:43,359

question if consciousness is a brain

1454

00:54:46,069 --> 00:54:44,319

function

1455

00:54:48,789 --> 00:54:46,079

because this seems to have already been

1456

00:54:50,470 --> 00:54:48,799

answered we are way beyond young or

1457

00:54:52,630 --> 00:54:50,480

maslow or groth

1458

00:54:55,190 --> 00:54:52,640

at this point anyone want to well we

1459

00:54:56,710 --> 00:54:55,200

have we have addressed that uh

1460

00:54:59,750 --> 00:54:56,720

okay i thought so

1461

00:55:01,990 --> 00:54:59,760

yeah yep yep okay um

1462

00:55:03,829 --> 00:55:02,000

and let's see so just to let everyone

1463

00:55:05,109 --> 00:55:03,839

know that we're gonna be taking calls it

1464

00:55:07,589 --> 00:55:05,119

seems like we're having a lot of

1465

00:55:09,430 --> 00:55:07,599

activity um so

1466

00:55:11,589 --> 00:55:09,440

uh we're gonna take calls in the last

1467

00:55:13,349 --> 00:55:11,599

half hour or i'm just wondering maybe if

1468

00:55:15,670 --> 00:55:13,359

we should just open the

1469

00:55:17,750 --> 00:55:15,680

the uh oh yeah let's let's talk about

1470

00:55:20,710 --> 00:55:17,760

the synchronicity is it isn't there some

1471

00:55:23,270 --> 00:55:20,720

synchronicity between you two as well

1472

00:55:25,270 --> 00:55:23,280

well there there is um and what do we

1473

00:55:26,870 --> 00:55:25,280

mean by synchronicity the

1474

00:55:28,789 --> 00:55:26,880

number of psychologists call young

1475

00:55:31,349 --> 00:55:28,799

alternative to

1476
00:55:32,710 --> 00:55:31,359
the simultaneous presence of meaning and

1477
00:55:35,349 --> 00:55:32,720
timing

1478
00:55:37,270 --> 00:55:35,359
of of two to six pieces of information

1479
00:55:40,390 --> 00:55:37,280
that one experiences

1480
00:55:41,349 --> 00:55:40,400
that this in that person's mind is

1481
00:55:43,910 --> 00:55:41,359
uh

1482
00:55:44,789 --> 00:55:43,920
goes way beyond chance although we could

1483
00:55:47,109 --> 00:55:44,799
all win

1484
00:55:49,430 --> 00:55:47,119
the million dollar lottery tomorrow but

1485
00:55:51,750 --> 00:55:49,440
nevertheless david and i have something

1486
00:55:53,510 --> 00:55:51,760
like this and you and let you your

1487
00:55:54,309 --> 00:55:53,520
listeners and viewers interpret as they

1488
00:55:57,109 --> 00:55:54,319

may

1489

00:55:59,270 --> 00:55:57,119

uh i mentioned one earlier in fact um

1490

00:56:01,030 --> 00:55:59,280

the first person i sent an inquiry to

1491

00:56:03,270 --> 00:56:01,040

recall at the beginning of the show

1492

00:56:05,670 --> 00:56:03,280

about the possibility of doing some kind

1493

00:56:08,230 --> 00:56:05,680

of film project based on on the book on

1494

00:56:10,470 --> 00:56:08,240

the enforcers with dave baby

1495

00:56:12,470 --> 00:56:10,480

uh so what he invites me to lunch with

1496

00:56:14,470 --> 00:56:12,480

sitting down dave says have you ever

1497

00:56:16,230 --> 00:56:14,480

seen the nimitz encounters

1498

00:56:18,549 --> 00:56:16,240

the film that he successfully produced

1499

00:56:19,670 --> 00:56:18,559

with over five million views so far

1500

00:56:22,950 --> 00:56:19,680

right

1501

00:56:24,789 --> 00:56:22,960

uh i never put credits to a production

1502

00:56:26,870 --> 00:56:24,799

but i said yeah it was a fantastic

1503

00:56:28,710 --> 00:56:26,880

documentary uh you know i enjoyed it

1504

00:56:30,950 --> 00:56:28,720

very much uh

1505

00:56:32,470 --> 00:56:30,960

why why yes well i'm dave betty oh it

1506

00:56:34,390 --> 00:56:32,480

didn't mean anything to me he thought it

1507

00:56:36,549 --> 00:56:34,400

would because i was someone interested

1508

00:56:37,670 --> 00:56:36,559

in ufos right

1509

00:56:39,109 --> 00:56:37,680

think of all the number of producers

1510

00:56:40,870 --> 00:56:39,119

well i thought that's why you contacted

1511

00:56:42,069 --> 00:56:40,880

me bob because you like

1512

00:56:43,589 --> 00:56:42,079

hey this guy

1513

00:56:45,109 --> 00:56:43,599

it was because i mean we're we're

1514

00:56:46,549 --> 00:56:45,119

probably about an hour from each other

1515

00:56:48,789 --> 00:56:46,559

and i was i work for a production

1516

00:56:50,390 --> 00:56:48,799

company in the area that bob lives and

1517

00:56:52,549 --> 00:56:50,400

so he was reaching out to see who could

1518

00:56:54,470 --> 00:56:52,559

do films and he didn't know that i had

1519

00:56:56,230 --> 00:56:54,480

an interest at all in this stuff

1520

00:56:59,589 --> 00:56:56,240

yeah and it doesn't end there just

1521

00:57:02,870 --> 00:56:59,599

warming up you know like uh uh

1522

00:57:06,789 --> 00:57:02,880

then he i speak with gary voorhees who

1523

00:57:09,270 --> 00:57:06,799

was also in in the documentary um radar

1524

00:57:13,030 --> 00:57:09,280

played radar uh you know on the on the

1525

00:57:15,030 --> 00:57:13,040

on the nimitz on the net was and uh he

1526
00:57:17,109 --> 00:57:15,040
tells me hey

1527
00:57:19,750 --> 00:57:17,119
dave called me and said you ever hear

1528
00:57:22,390 --> 00:57:19,760
bob davis and and uh

1529
00:57:24,069 --> 00:57:22,400
and gary said to dave

1530
00:57:27,109 --> 00:57:24,079
did i ever hear about davis i'm reading

1531
00:57:29,349 --> 00:57:27,119
the dude's book right now

1532
00:57:31,030 --> 00:57:29,359
timing and meaning it doesn't indicate

1533
00:57:32,630 --> 00:57:31,040
i think i told him

1534
00:57:34,789 --> 00:57:32,640
here's so here's a good one and i i

1535
00:57:36,309 --> 00:57:34,799
still think this is true the first call

1536
00:57:38,150 --> 00:57:36,319
that i ever had with bob i didn't know

1537
00:57:39,990 --> 00:57:38,160
who he was i was on the phone with him

1538
00:57:41,829 --> 00:57:40,000

and you know he's like i don't have i

1539

00:57:43,670 --> 00:57:41,839

don't have uh you know sponsorship for

1540

00:57:47,030 --> 00:57:43,680

this film dave i don't have any money

1541

00:57:49,510 --> 00:57:47,040

and i go well you know um in some of the

1542

00:57:51,430 --> 00:57:49,520

films that i've done the the people say

1543

00:57:53,030 --> 00:57:51,440

that you know if you have positive

1544

00:57:54,870 --> 00:57:53,040

intent and

1545

00:57:56,549 --> 00:57:54,880

this is a passion thing then unseen

1546

00:57:58,549 --> 00:57:56,559

forces will come to your aid to make

1547

00:57:59,670 --> 00:57:58,559

this whatever you're trying to do um

1548

00:58:01,829 --> 00:57:59,680

happen

1549

00:58:03,109 --> 00:58:01,839

he's like okay dave i'm gonna um this is

1550

00:58:05,670 --> 00:58:03,119

a great conversation i'll send you my

1551
00:58:07,510 --> 00:58:05,680
book okay and so next couple days later

1552
00:58:10,150 --> 00:58:07,520
i open this book and i look at his

1553
00:58:11,670 --> 00:58:10,160
unseen forces and i'm like wait a second

1554
00:58:13,190 --> 00:58:11,680
did he tell me that before because he

1555
00:58:15,030 --> 00:58:13,200
gave me chills i was just like and i

1556
00:58:16,549 --> 00:58:15,040
called him up i go do you even know me

1557
00:58:19,510 --> 00:58:16,559
saying that bob because i don't think i

1558
00:58:21,670 --> 00:58:19,520
knew anything about your work your books

1559
00:58:24,069 --> 00:58:21,680
or anything like that

1560
00:58:25,430 --> 00:58:24,079
so cool it was very meaningful again

1561
00:58:28,710 --> 00:58:25,440
yeah and just like a little that's a

1562
00:58:30,630 --> 00:58:28,720
secret particularly particular time and

1563
00:58:32,710 --> 00:58:30,640

and the last synchronicity i'm sure

1564

00:58:36,150 --> 00:58:32,720

there's this more but the less really

1565

00:58:37,349 --> 00:58:36,160

intense one was when i was on my lanai

1566

00:58:39,829 --> 00:58:37,359

one

1567

00:58:41,670 --> 00:58:39,839

uh hot night in the fall looking

1568

00:58:43,510 --> 00:58:41,680

northwest and i said to myself for the

1569

00:58:44,870 --> 00:58:43,520

first time i'm going to remember a group

1570

00:58:47,349 --> 00:58:44,880

of stars

1571

00:58:50,789 --> 00:58:47,359

and and whatever the reason i just came

1572

00:58:54,950 --> 00:58:50,799

in interstellar nominee uh so i like i

1573

00:58:57,030 --> 00:58:54,960

put my uh sky view on on on the star

1574

00:58:58,950 --> 00:58:57,040

uh and it comes up deneb

1575

00:59:01,670 --> 00:58:58,960

i move it to the left

1576

00:59:04,150 --> 00:59:01,680

uh i believe it's uh athena or altair

1577

00:59:05,670 --> 00:59:04,160

something like that begins with a i move

1578

00:59:07,430 --> 00:59:05,680

it down to the right in the form of a

1579

00:59:10,870 --> 00:59:07,440

triangle vega

1580

00:59:13,589 --> 00:59:10,880

d a v is how i thought i'd best remember

1581

00:59:15,109 --> 00:59:13,599

it an acronym of course you get it

1582

00:59:17,190 --> 00:59:15,119

dav dave

1583

00:59:17,880 --> 00:59:17,200

bob davis sure that wasn't a triangle

1584

00:59:20,230 --> 00:59:17,890

ufo

1585

00:59:21,910 --> 00:59:20,240

[Laughter]

1586

00:59:24,870 --> 00:59:21,920

you know this is even more exciting than

1587

00:59:26,870 --> 00:59:24,880

a triangle ufo yeah but destiny is

1588

00:59:28,549 --> 00:59:26,880

literally written in the stars you see

1589

00:59:30,789 --> 00:59:28,559

what i mean

1590

00:59:32,789 --> 00:59:30,799

how about that wow i'm gonna i'm gonna

1591

00:59:35,109 --> 00:59:32,799

show you a synchronicity now my own

1592

00:59:37,750 --> 00:59:35,119

personal synchronicity here and that is

1593

00:59:40,150 --> 00:59:37,760

uh i i'm with a friend right now a very

1594

00:59:43,510 --> 00:59:40,160

very close friend and uh

1595

00:59:46,230 --> 00:59:43,520

who we got connected from the ufo world

1596

00:59:48,390 --> 00:59:46,240

or whatever um through facebook and so

1597

00:59:49,430 --> 00:59:48,400

she started out and she said

1598

00:59:50,870 --> 00:59:49,440

um

1599

00:59:53,349 --> 00:59:50,880

it appears that we have the same

1600

00:59:55,829 --> 00:59:53,359

birthday and so i go oh really and uh

1601

00:59:57,750 --> 00:59:55,839

what year she goes no the same birthday

1602

00:59:59,349 --> 00:59:57,760

now i'm gonna show you something one day

1603

01:00:00,950 --> 00:59:59,359

and she calls me

1604

01:00:03,670 --> 01:00:00,960

and she said hey

1605

01:00:06,309 --> 01:00:03,680

um and and and the joke was oh yeah we

1606

01:00:08,470 --> 01:00:06,319

were both born in boston so she

1607

01:00:10,230 --> 01:00:08,480

because my mother was a diabetic i was

1608

01:00:11,750 --> 01:00:10,240

up in new hampshire but my mother had to

1609

01:00:14,630 --> 01:00:11,760

go to boston

1610

01:00:17,750 --> 01:00:14,640

so i'm with my sister and so she calls

1611

01:00:19,349 --> 01:00:17,760

me donna calls me and uh

1612

01:00:20,789 --> 01:00:19,359

asked me hey by the way what hospital

1613

01:00:22,390 --> 01:00:20,799

were you born at we were born at the

1614

01:00:24,950 --> 01:00:22,400

same hospital

1615

01:00:27,510 --> 01:00:24,960

exactly an hour apart

1616

01:00:29,589 --> 01:00:27,520

and uh it's you know we had we have so

1617

01:00:30,870 --> 01:00:29,599

many synchronicities together anyway i i

1618

01:00:32,390 --> 01:00:30,880

just thought that's a fun little tip

1619

01:00:34,150 --> 01:00:32,400

that's so right there

1620

01:00:36,390 --> 01:00:34,160

i love that story really

1621

01:00:38,710 --> 01:00:36,400

yeah and i i always wonder you know i

1622

01:00:40,309 --> 01:00:38,720

always wonder like if if we really are

1623

01:00:42,630 --> 01:00:40,319

like souls in our consciousness

1624

01:00:45,589 --> 01:00:42,640

continues and that you know we were

1625

01:00:47,510 --> 01:00:45,599

before we were born we had some say in

1626
01:00:49,589 --> 01:00:47,520
knowledge of who we were going to be

1627
01:00:52,230 --> 01:00:49,599
when we were going to be born that you

1628
01:00:53,990 --> 01:00:52,240
know our groups of souls kind of you

1629
01:00:56,870 --> 01:00:54,000
know incarnating

1630
01:00:58,549 --> 01:00:56,880
together in like certain locations in

1631
01:01:00,710 --> 01:00:58,559
certain cities and states and areas of

1632
01:01:02,069 --> 01:01:00,720
the globe because they they've lived

1633
01:01:04,309 --> 01:01:02,079
there before that's kind of an

1634
01:01:06,470 --> 01:01:04,319
interesting idea that i have and

1635
01:01:08,950 --> 01:01:06,480
i mean who knows right i mean the same

1636
01:01:10,470 --> 01:01:08,960
hospital on our part

1637
01:01:12,549 --> 01:01:10,480
well that yeah i know it's pretty

1638
01:01:14,710 --> 01:01:12,559

amazing well we certainly a lot of us

1639

01:01:17,109 --> 01:01:14,720

wouldn't pick our parents

1640

01:01:19,349 --> 01:01:17,119

if we if we had you know i mean so i

1641

01:01:21,430 --> 01:01:19,359

don't know about that but um yeah it's

1642

01:01:23,030 --> 01:01:21,440

all it's all fascinating i mean this

1643

01:01:24,630 --> 01:01:23,040

this conversation

1644

01:01:25,430 --> 01:01:24,640

i think you know we're bouncing off of

1645

01:01:28,549 --> 01:01:25,440

you

1646

01:01:29,510 --> 01:01:28,559

out of the ufo topic a lot but uh when

1647

01:01:32,630 --> 01:01:29,520

someone

1648

01:01:34,390 --> 01:01:32,640

has contacted me and they say to me

1649

01:01:36,710 --> 01:01:34,400

um

1650

01:01:38,950 --> 01:01:36,720

there's the connection between ufos and

1651
01:01:40,549 --> 01:01:38,960
consciousness and you and this is a part

1652
01:01:42,630 --> 01:01:40,559
of your movie too

1653
01:01:44,630 --> 01:01:42,640
what does that exactly mean i i had

1654
01:01:47,109 --> 01:01:44,640
someone that was telling me this

1655
01:01:50,150 --> 01:01:47,119
from australia on the show a few months

1656
01:01:52,470 --> 01:01:50,160
ago he tried to explain it but i didn't

1657
01:01:54,789 --> 01:01:52,480
i didn't get exactly what he was saying

1658
01:01:55,990 --> 01:01:54,799
i mean is it that they don't really

1659
01:01:58,870 --> 01:01:56,000
exist

1660
01:02:01,029 --> 01:01:58,880
but they do in our consciousness

1661
01:02:02,630 --> 01:02:01,039
well and if that's so then why is mass

1662
01:02:05,029 --> 01:02:02,640
sightings how does mass sightings work

1663
01:02:06,549 --> 01:02:05,039

in that equation you know that um this

1664

01:02:08,230 --> 01:02:06,559

these are reasonable questions and we

1665

01:02:09,829 --> 01:02:08,240

don't have clear answers obviously

1666

01:02:12,309 --> 01:02:09,839

because of that saying of course but

1667

01:02:15,190 --> 01:02:12,319

even in the dod threat scenario

1668

01:02:17,029 --> 01:02:15,200

uh the eight type sub focus areas they

1669

01:02:18,390 --> 01:02:17,039

they mentioned that the the scientist is

1670

01:02:21,829 --> 01:02:18,400

for an enemy of the united states to

1671

01:02:24,390 --> 01:02:21,839

manipulate both physical and cognitive

1672

01:02:25,670 --> 01:02:24,400

environments in order to penetrate u.s

1673

01:02:27,829 --> 01:02:25,680

facilities

1674

01:02:30,630 --> 01:02:27,839

influence decision makers what is that

1675

01:02:32,390 --> 01:02:30,640

all about they admit to cognitive human

1676

01:02:33,750 --> 01:02:32,400

interface based

1677

01:02:36,789 --> 01:02:33,760

research

1678

01:02:38,549 --> 01:02:36,799

we call it psychic consciousness

1679

01:02:39,910 --> 01:02:38,559

uh you know there's many different ways

1680

01:02:41,670 --> 01:02:39,920

to term it they're not going to say

1681

01:02:43,910 --> 01:02:41,680

exactly that i liked how they did it

1682

01:02:45,510 --> 01:02:43,920

cognitive human interference there's

1683

01:02:48,470 --> 01:02:45,520

interaction of some type and they've

1684

01:02:51,029 --> 01:02:48,480

surely thrown remote viewers at the

1685

01:02:52,230 --> 01:02:51,039

phenomena to see if we could communicate

1686

01:02:54,309 --> 01:02:52,240

possibly

1687

01:02:56,630 --> 01:02:54,319

uh so uh

1688

01:02:58,470 --> 01:02:56,640

it's hard to get at that issue there is

1689

01:03:01,510 --> 01:02:58,480

a conscious component look at look at

1690

01:03:05,910 --> 01:03:01,520

the ce5s we just went up to one dave and

1691

01:03:09,190 --> 01:03:05,920

i we filmed uh mike murnbrook's ce5

1692

01:03:11,510 --> 01:03:09,200

at his doobby ranch in florida uh just

1693

01:03:13,430 --> 01:03:11,520

north of tampa and the point is

1694

01:03:15,910 --> 01:03:13,440

people say they're successful at

1695

01:03:17,510 --> 01:03:15,920

interacting via mental intention

1696

01:03:20,150 --> 01:03:17,520

something that has been demonstrated to

1697

01:03:23,029 --> 01:03:20,160

be valid in in laboratory settings in

1698

01:03:25,109 --> 01:03:23,039

regular scientific well-blinded studies

1699

01:03:26,950 --> 01:03:25,119

and people are saying they are somewhat

1700

01:03:29,270 --> 01:03:26,960

successful maybe not necessarily all the

1701

01:03:32,390 --> 01:03:29,280

time but they're calling them what they

1702

01:03:35,990 --> 01:03:32,400

claim to call down and video it photo it

1703

01:03:37,670 --> 01:03:36,000

in intelligence light orbs

1704

01:03:39,750 --> 01:03:37,680

craft whatever you want to call it

1705

01:03:41,109 --> 01:03:39,760

plasma based intelligence we can even go

1706

01:03:43,430 --> 01:03:41,119

there

1707

01:03:44,870 --> 01:03:43,440

maybe maybe we should the point is what

1708

01:03:47,029 --> 01:03:44,880

is consciousness and

1709

01:03:49,190 --> 01:03:47,039

can people successfully and i think they

1710

01:03:51,670 --> 01:03:49,200

can from what what i see

1711

01:03:54,069 --> 01:03:51,680

and and what they are saying that there

1712

01:03:57,430 --> 01:03:54,079

is telepathy a download or exchange of

1713

01:03:59,190 --> 01:03:57,440

information both between the individual

1714

01:04:01,589 --> 01:03:59,200

and something else something that's

1715

01:04:04,150 --> 01:04:01,599

responsive in some way

1716

01:04:05,829 --> 01:04:04,160

um a subtle possibly uh and more

1717

01:04:07,990 --> 01:04:05,839

pronounced in other ways but the thing

1718

01:04:10,630 --> 01:04:08,000

is what's that all about there's a

1719

01:04:13,349 --> 01:04:10,640

consciousness uap link

1720

01:04:18,789 --> 01:04:13,359

um

1721

01:04:21,190 --> 01:04:18,799

the the gentleman from the fire control

1722

01:04:24,069 --> 01:04:21,200

later men from the uh right uss

1723

01:04:28,230 --> 01:04:24,079

princeton claimed that he had had some

1724

01:04:31,270 --> 01:04:28,240

type of um psychic communication

1725

01:04:33,670 --> 01:04:31,280

occur when he witnessed the objects that

1726

01:04:35,190 --> 01:04:33,680

he saw in my film and i don't go into

1727

01:04:37,829 --> 01:04:35,200

that in my films because i didn't even

1728

01:04:38,870 --> 01:04:37,839

know how to approach it at that time but

1729

01:04:41,430 --> 01:04:38,880

you know

1730

01:04:43,829 --> 01:04:41,440

i was thinking today about uh shot you

1731

01:04:45,670 --> 01:04:43,839

know the kind of one of the grandfathers

1732

01:04:46,630 --> 01:04:45,680

of ufo studies in the united states jack

1733

01:04:49,430 --> 01:04:46,640

valley

1734

01:04:50,950 --> 01:04:49,440

said that the the phenomena exists in a

1735

01:04:53,910 --> 01:04:50,960

physical

1736

01:04:56,309 --> 01:04:53,920

way because it does interact and affect

1737

01:04:58,309 --> 01:04:56,319

the environment and as has been just

1738

01:05:00,069 --> 01:04:58,319

demonstrated by you know these

1739

01:05:01,990 --> 01:05:00,079

researchers that have been studying

1740

01:05:04,230 --> 01:05:02,000

these cases they know that

1741

01:05:06,390 --> 01:05:04,240

that these objects are real objects but

1742

01:05:08,549 --> 01:05:06,400

then there's this other component

1743

01:05:11,670 --> 01:05:08,559

you know that he says could be some type

1744

01:05:13,990 --> 01:05:11,680

of control system that does um interact

1745

01:05:15,910 --> 01:05:14,000

with us on a conscious level

1746

01:05:19,349 --> 01:05:15,920

or a subconscious level that may be

1747

01:05:21,990 --> 01:05:19,359

influencing humanity in some way um over

1748

01:05:24,950 --> 01:05:22,000

you know eons because he goes back to

1749

01:05:26,470 --> 01:05:24,960

you know the stories of elves and so on

1750

01:05:29,670 --> 01:05:26,480

and little people

1751
01:05:31,510 --> 01:05:29,680
and that would um in those days would

1752
01:05:34,309 --> 01:05:31,520
also abduct humans and so on so there

1753
01:05:36,309 --> 01:05:34,319
was these similar things and and that as

1754
01:05:38,150 --> 01:05:36,319
time went on it would change in the

1755
01:05:41,029 --> 01:05:38,160
1800s you had the airships that looked

1756
01:05:43,270 --> 01:05:41,039
like dirtiables um as the 50s came

1757
01:05:46,630 --> 01:05:43,280
around with jet aircraft you had shiny

1758
01:05:49,510 --> 01:05:46,640
silver craft um you know today you have

1759
01:05:52,390 --> 01:05:49,520
these very advanced looking

1760
01:05:55,270 --> 01:05:52,400
devices that do seem to be physical

1761
01:05:58,549 --> 01:05:55,280
objects but then there's this other

1762
01:06:00,230 --> 01:05:58,559
component that you know not surprisingly

1763
01:06:01,589 --> 01:06:00,240

a lot of people kind of ignore that

1764

01:06:03,750 --> 01:06:01,599

because it's just a little bit too

1765

01:06:05,910 --> 01:06:03,760

absurd some of the reports and some of

1766

01:06:06,630 --> 01:06:05,920

the experiences people have

1767

01:06:07,990 --> 01:06:06,640

with

1768

01:06:11,029 --> 01:06:08,000

whatever this

1769

01:06:12,710 --> 01:06:11,039

you know phenomena really is

1770

01:06:14,870 --> 01:06:12,720

yeah um you know you talk about the

1771

01:06:16,150 --> 01:06:14,880

airships i i just want to

1772

01:06:17,589 --> 01:06:16,160

bring up

1773

01:06:19,990 --> 01:06:17,599

something here

1774

01:06:21,750 --> 01:06:20,000

that i just think is fascinating um

1775

01:06:23,510 --> 01:06:21,760

because

1776

01:06:25,910 --> 01:06:23,520

i don't know what this thing is but it's

1777

01:06:29,589 --> 01:06:25,920

very interesting and someone sent this

1778

01:06:31,430 --> 01:06:29,599

to me and it's definitely an 18 century

1779

01:06:34,710 --> 01:06:31,440

log from a ship

1780

01:06:36,549 --> 01:06:34,720

and so it basically says uh um in the

1781

01:06:39,190 --> 01:06:36,559

middle of this

1782

01:06:40,950 --> 01:06:39,200

script it'll say um i'll just read it

1783

01:06:43,029 --> 01:06:40,960

real quickly a strange story is going on

1784

01:06:45,430 --> 01:06:43,039

that a fleet of ships have been seen in

1785

01:06:47,430 --> 01:06:45,440

the air some part of the bay of fundy

1786

01:06:48,710 --> 01:06:47,440

now this is this is the way it's written

1787

01:06:50,549 --> 01:06:48,720

okay so it's

1788

01:06:52,950 --> 01:06:50,559

uh

1789

01:06:55,190 --> 01:06:52,960
m darrow is lately up there and i

1790

01:06:56,230 --> 01:06:55,200
inquired from him basically it was about

1791

01:06:57,829 --> 01:06:56,240
a girl

1792

01:06:59,910 --> 01:06:57,839
about sunrise

1793

01:07:02,630 --> 01:06:59,920
uh being frightened to call out to two

1794

01:07:04,390 --> 01:07:02,640
men and what they saw was ships in the

1795

01:07:06,789 --> 01:07:04,400
air 15 of them

1796

01:07:09,510 --> 01:07:06,799
and they were so near people that they

1797

01:07:11,430 --> 01:07:09,520
could see the sides and ports and there

1798

01:07:12,870 --> 01:07:11,440
seemed to be a man in the front holding

1799

01:07:15,109 --> 01:07:12,880
his arm out

1800

01:07:18,630 --> 01:07:15,119
you know i love that that someone found

1801

01:07:21,190 --> 01:07:18,640

this in an old you know ship's log uh

1802

01:07:23,750 --> 01:07:21,200

and it's it's just another bizarre that

1803

01:07:26,150 --> 01:07:23,760

is crazy and some of the more modern

1804

01:07:28,549 --> 01:07:26,160

ones sound very similar except

1805

01:07:30,630 --> 01:07:28,559

i forget the the case there was a priest

1806

01:07:32,870 --> 01:07:30,640

it was in like the philippines or

1807

01:07:36,390 --> 01:07:32,880

somewhere uh ramon on an island and they

1808

01:07:38,309 --> 01:07:36,400

saw the craft hovering off the beach

1809

01:07:39,910 --> 01:07:38,319

and they noticed that there were men

1810

01:07:41,029 --> 01:07:39,920

that were standing on top of the craft

1811

01:07:43,270 --> 01:07:41,039

and they were they seemed to be

1812

01:07:44,630 --> 01:07:43,280

repairing it and that's a reoccurring

1813

01:07:46,789 --> 01:07:44,640

theme in a lot of these cases of

1814

01:07:48,870 --> 01:07:46,799

humanoids where it seems that there's

1815

01:07:51,670 --> 01:07:48,880

guys that will climb out on top of the

1816

01:07:52,390 --> 01:07:51,680

ufo that's hovering in the sky and like

1817

01:07:59,829 --> 01:07:52,400

in

1818

01:08:01,109 --> 01:07:59,839

native guys on the boat oh yeah yeah

1819

01:08:02,950 --> 01:08:01,119

you're talking about the father gill

1820

01:08:03,910 --> 01:08:02,960

case yeah yeah yeah that one's kind of

1821

01:08:05,270 --> 01:08:03,920

you know

1822

01:08:07,589 --> 01:08:05,280

yeah

1823

01:08:09,589 --> 01:08:07,599

i love that one well you know uh it

1824

01:08:11,990 --> 01:08:09,599

reminds me of what

1825

01:08:13,510 --> 01:08:12,000

what really turned me onto ufology at

1826
01:08:15,750 --> 01:08:13,520
least one of the most important things

1827
01:08:19,189 --> 01:08:15,760
was the discussion by the former

1828
01:08:22,870 --> 01:08:19,199
astronaut gordon cooper as you recall

1829
01:08:25,510 --> 01:08:22,880
um i i remember him succinctly saying he

1830
01:08:27,510 --> 01:08:25,520
wouldn't even either white sands

1831
01:08:29,829 --> 01:08:27,520
proving grounds or something like that

1832
01:08:31,590 --> 01:08:29,839
help me out uh yeah

1833
01:08:34,309 --> 01:08:31,600
it landed a little craft came in they

1834
01:08:35,510 --> 01:08:34,319
filmed yeah and yeah and people came out

1835
01:08:37,430 --> 01:08:35,520
they played around i don't know what

1836
01:08:38,390 --> 01:08:37,440
they did but and then they went back in

1837
01:08:41,269 --> 01:08:38,400
was that

1838
01:08:42,950 --> 01:08:41,279

holloman air force base is that the one

1839

01:08:44,870 --> 01:08:42,960

but martin you must know more about it

1840

01:08:46,630 --> 01:08:44,880

than i but that but the point is it's

1841

01:08:47,430 --> 01:08:46,640

coming from going cooper

1842

01:08:49,430 --> 01:08:47,440

that

1843

01:08:52,229 --> 01:08:49,440

got my attention

1844

01:08:54,390 --> 01:08:52,239

yeah yeah yeah it's amazing and right

1845

01:08:56,470 --> 01:08:54,400

right till his the very end he was

1846

01:08:58,630 --> 01:08:56,480

saying there's really something going on

1847

01:08:59,749 --> 01:08:58,640

here he totally believed it he had two

1848

01:09:01,510 --> 01:08:59,759

encounters

1849

01:09:02,870 --> 01:09:01,520

you know including as a pilot including

1850

01:09:08,630 --> 01:09:02,880

that one

1851
01:09:11,349 --> 01:09:08,640
when that happened and i don't have the

1852
01:09:12,470 --> 01:09:11,359
specifics here but he had the film and

1853
01:09:23,030 --> 01:09:12,480
he

1854
01:09:24,870 --> 01:09:23,040
that went off to washington and that was

1855
01:09:25,749 --> 01:09:24,880
never heard from again which

1856
01:09:27,990 --> 01:09:25,759
you know

1857
01:09:29,110 --> 01:09:28,000
somewhere there's these films

1858
01:09:31,510 --> 01:09:29,120
um

1859
01:09:33,590 --> 01:09:31,520
just they would be so great to to see

1860
01:09:36,070 --> 01:09:33,600
them and know more about them dave i'd

1861
01:09:39,749 --> 01:09:36,080
like to ask you uh before we started the

1862
01:09:40,630 --> 01:09:39,759
show you were telling me about the 2019

1863
01:09:42,870 --> 01:09:40,640

uh

1864

01:09:45,269 --> 01:09:42,880

events out near where the nimitz was i

1865

01:09:47,110 --> 01:09:45,279

believe that's what you said right

1866

01:09:49,269 --> 01:09:47,120

yeah that's right um

1867

01:09:51,749 --> 01:09:49,279

today a lot of people that follow this

1868

01:09:55,350 --> 01:09:51,759

topic are very aware of it especially if

1869

01:09:56,310 --> 01:09:55,360

you're you know following ufo twitter um

1870

01:10:00,830 --> 01:09:56,320

you know

1871

01:10:04,070 --> 01:10:00,840

i think that um

1872

01:10:07,110 --> 01:10:04,080

researcher um jeremy corbell through

1873

01:10:09,510 --> 01:10:07,120

george knapp also released recently uh

1874

01:10:11,189 --> 01:10:09,520

last year i think some footage that was

1875

01:10:13,830 --> 01:10:11,199

like flir footage

1876

01:10:15,990 --> 01:10:13,840

of the uss omaha so that got a lot of

1877

01:10:19,430 --> 01:10:16,000

traction but going and that's the same

1878

01:10:22,070 --> 01:10:19,440

event that that's july 2019 but going

1879

01:10:24,709 --> 01:10:22,080

back a year before that around april of

1880

01:10:25,590 --> 01:10:24,719

2020 no one had ever heard of any of

1881

01:10:26,470 --> 01:10:25,600

that

1882

01:10:28,790 --> 01:10:26,480

event

1883

01:10:30,950 --> 01:10:28,800

it just was unknown but a navy sailor

1884

01:10:34,070 --> 01:10:30,960

that was out there

1885

01:10:36,709 --> 01:10:34,080

during the nimitz encounters in 2004 he

1886

01:10:38,390 --> 01:10:36,719

himself was involved in one of those

1887

01:10:40,390 --> 01:10:38,400

incidents it's not in my film but he

1888

01:10:42,310 --> 01:10:40,400

kind of described it and he asked me

1889

01:10:45,189 --> 01:10:42,320

just off the cuff he's like have you

1890

01:10:47,830 --> 01:10:45,199

heard of the uh you know incident in

1891

01:10:49,750 --> 01:10:47,840

july of 2019 i said no he said well my

1892

01:10:50,550 --> 01:10:49,760

buddy that was on the ship

1893

01:10:53,350 --> 01:10:50,560

now

1894

01:10:54,709 --> 01:10:53,360

um works for a contractor i believe he

1895

01:10:56,470 --> 01:10:54,719

never gave me kind of gave me that

1896

01:10:59,669 --> 01:10:56,480

information he said that he was on the

1897

01:11:01,590 --> 01:10:59,679

uss kid in july of 2019 and they saw the

1898

01:11:02,709 --> 01:11:01,600

same objects and i said well what do you

1899

01:11:04,790 --> 01:11:02,719

mean i didn't heard of these he goes

1900

01:11:06,790 --> 01:11:04,800

yeah they saw these

1901

01:11:08,550 --> 01:11:06,800

he said tic tac objects that's what he

1902

01:11:10,470 --> 01:11:08,560

used his email to me

1903

01:11:13,189 --> 01:11:10,480

and i know this guy i checked out this

1904

01:11:16,310 --> 01:11:13,199

guy's um credentials and he really is

1905

01:11:19,830 --> 01:11:16,320

who he says he was right so

1906

01:11:22,390 --> 01:11:19,840

i did a foia request um on that ship for

1907

01:11:25,350 --> 01:11:22,400

the entire month of july and when i got

1908

01:11:27,030 --> 01:11:25,360

it back i started finding um

1909

01:11:29,510 --> 01:11:27,040

time after time after time it was

1910

01:11:32,390 --> 01:11:29,520

reporting they were using the term uav

1911

01:11:34,790 --> 01:11:32,400

drones uas like it would say spotted

1912

01:11:37,350 --> 01:11:34,800

multiple drones off starboard side you

1913

01:11:38,870 --> 01:11:37,360

know spotted flashing red lights and

1914

01:11:40,149 --> 01:11:38,880

this went on and on and on and there was

1915

01:11:41,510 --> 01:11:40,159

a whole bunch of new stuff that we

1916

01:11:42,390 --> 01:11:41,520

discovered

1917

01:11:43,830 --> 01:11:42,400

and

1918

01:11:46,149 --> 01:11:43,840

a researcher

1919

01:11:48,229 --> 01:11:46,159

dr um mark zuccotti or i'm sorry mark

1920

01:11:51,189 --> 01:11:48,239

zuccotti and dr adam kehoe

1921

01:11:52,950 --> 01:11:51,199

wrote some articles for the drive and in

1922

01:11:54,470 --> 01:11:52,960

their foias and in their research they

1923

01:11:57,350 --> 01:11:54,480

discovered using

1924

01:11:59,830 --> 01:11:57,360

ship transponder data that is public

1925

01:12:02,790 --> 01:11:59,840

domain information about pretty much the

1926

01:12:05,110 --> 01:12:02,800

entire world's ships they zeroed in on

1927

01:12:07,270 --> 01:12:05,120

that area and discovered that there were

1928

01:12:09,990 --> 01:12:07,280

um you know multiple warships that were

1929

01:12:12,790 --> 01:12:10,000

there i think up to maybe 10 or 12. and

1930

01:12:14,390 --> 01:12:12,800

so over the next year we began

1931

01:12:17,110 --> 01:12:14,400

doing foias

1932

01:12:19,750 --> 01:12:17,120

for all of that material and sure enough

1933

01:12:23,350 --> 01:12:19,760

all these ships concurrently that were

1934

01:12:25,750 --> 01:12:23,360

out in so-called social um you know south

1935

01:12:27,750 --> 01:12:25,760

um i guess it would be west of san

1936

01:12:30,149 --> 01:12:27,760

clemente island out there in the ocean

1937

01:12:31,910 --> 01:12:30,159

we're seeing these objects and it didn't

1938

01:12:33,990 --> 01:12:31,920

give too much description in the log it

1939

01:12:35,430 --> 01:12:34,000

would just like i said uh mentioned that

1940

01:12:38,229 --> 01:12:35,440

they were spotted

1941

01:12:40,149 --> 01:12:38,239

lights flashing red lights one says

1942

01:12:41,030 --> 01:12:40,159

white light hovering over the flight

1943

01:12:43,669 --> 01:12:41,040

deck

1944

01:12:46,149 --> 01:12:43,679

and you know after that event the navy

1945

01:12:48,149 --> 01:12:46,159

began conducting some investigations

1946

01:12:50,470 --> 01:12:48,159

which appeared to show that they were

1947

01:12:52,470 --> 01:12:50,480

trying to find out who

1948

01:12:54,229 --> 01:12:52,480

was operating these things like they it

1949

01:12:56,950 --> 01:12:54,239

wasn't a training exercise that they

1950

01:12:59,350 --> 01:12:56,960

didn't know where they came from what

1951

01:13:00,630 --> 01:12:59,360

they were they only appeared to to show

1952

01:13:02,390 --> 01:13:00,640

up at night

1953

01:13:04,950 --> 01:13:02,400

and they showed up for the latter part

1954

01:13:07,189 --> 01:13:04,960

of july almost you know every every few

1955

01:13:08,630 --> 01:13:07,199

nights or every every you know like week

1956

01:13:10,550 --> 01:13:08,640

or whatever until the end of the month

1957

01:13:11,910 --> 01:13:10,560

as far as we know

1958

01:13:13,669 --> 01:13:11,920

they even went you know some of the

1959

01:13:15,830 --> 01:13:13,679

researchers went as far as going up to

1960

01:13:18,070 --> 01:13:15,840

the chief of naval operations and asking

1961

01:13:20,070 --> 01:13:18,080

in a pref conference at the pentagon if

1962

01:13:21,830 --> 01:13:20,080

the navy knew it heard about this and

1963

01:13:24,070 --> 01:13:21,840

that they knew what these were

1964

01:13:25,590 --> 01:13:24,080

and this admiral said

1965

01:13:27,110 --> 01:13:25,600

yeah i know what you're talking about we

1966

01:13:29,350 --> 01:13:27,120

still don't know you know who was

1967

01:13:30,950 --> 01:13:29,360

operating those or what they were in

1968

01:13:32,550 --> 01:13:30,960

other words it's unknown aerial

1969

01:13:33,990 --> 01:13:32,560

phenomena

1970

01:13:37,590 --> 01:13:34,000

that we're operating out there and the

1971

01:13:39,830 --> 01:13:37,600

navy has no absolutely no idea

1972

01:13:42,229 --> 01:13:39,840

what they were or who was operating and

1973

01:13:45,430 --> 01:13:42,239

there's some conjecture that they might

1974

01:13:48,550 --> 01:13:45,440

have been drones operated by russia or

1975

01:13:49,830 --> 01:13:48,560

china for instance um but you know it's

1976

01:13:51,350 --> 01:13:49,840

kind of concerning that that would

1977

01:13:53,669 --> 01:13:51,360

happen right in our own backyard and

1978

01:13:55,510 --> 01:13:53,679

that based on you know the information

1979

01:13:58,149 --> 01:13:55,520

that's out there it's it's pretty

1980

01:13:59,350 --> 01:13:58,159

profound and to this day there's really

1981

01:14:00,630 --> 01:13:59,360

not a good

1982

01:14:02,870 --> 01:14:00,640

answer

1983

01:14:03,750 --> 01:14:02,880

i've been kind of stymied in my research

1984

01:14:05,590 --> 01:14:03,760

because

1985

01:14:08,070 --> 01:14:05,600

after that those first articles and

1986

01:14:11,590 --> 01:14:08,080

national press coverage in like popular

1987

01:14:14,470 --> 01:14:11,600

mechanics and forbes and many newspapers

1988

01:14:16,790 --> 01:14:14,480

around the world that covered the story

1989

01:14:19,669 --> 01:14:16,800

um the pentagon sort of clamped out on

1990

01:14:22,390 --> 01:14:19,679

all research into that specific event

1991

01:14:25,189 --> 01:14:22,400

the first uh foias i did they sent me

1992

01:14:26,950 --> 01:14:25,199

the entire ship log today if you try to

1993

01:14:29,430 --> 01:14:26,960

foia those ships

1994

01:14:31,350 --> 01:14:29,440

the foia gets re-routed to

1995

01:14:32,870 --> 01:14:31,360

like the office of secular defense or

1996

01:14:35,990 --> 01:14:32,880

the top navy

1997

01:14:38,709 --> 01:14:36,000

offices where they're reviewed as uap

1998

01:14:41,030 --> 01:14:38,719

requests so they're actually

1999

01:14:43,590 --> 01:14:41,040

channeling journalists foia requests to

2000

01:14:46,310 --> 01:14:43,600

this office in the pentagon for review

2001
01:14:48,790 --> 01:14:46,320
and you know the the last foia request

2002
01:14:50,950 --> 01:14:48,800
that i had out for this specific case

2003
01:14:51,990 --> 01:14:50,960
was from about a year ago and it's still

2004
01:14:55,030 --> 01:14:52,000
out there

2005
01:14:57,590 --> 01:14:55,040
whereas in before that coverage in that

2006
01:14:59,110 --> 01:14:57,600
kind of national exposure of this when i

2007
01:15:00,709 --> 01:14:59,120
would request a log i'd get it in a

2008
01:15:02,470 --> 01:15:00,719
month or two

2009
01:15:05,350 --> 01:15:02,480
so wow

2010
01:15:06,470 --> 01:15:05,360
wow amazing and you know you hear people

2011
01:15:08,870 --> 01:15:06,480
like

2012
01:15:10,550 --> 01:15:08,880
um neil degrasse tyson

2013
01:15:11,830 --> 01:15:10,560

what did he say why are these things

2014

01:15:14,470 --> 01:15:11,840

only

2015

01:15:15,750 --> 01:15:14,480

seen by military people you know i mean

2016

01:15:18,709 --> 01:15:15,760

that's such a

2017

01:15:21,430 --> 01:15:18,719

uh a weird statement but uh

2018

01:15:23,750 --> 01:15:21,440

because of course that's bs but it is

2019

01:15:25,750 --> 01:15:23,760

pretty interesting that there are so

2020

01:15:28,070 --> 01:15:25,760

many military

2021

01:15:29,910 --> 01:15:28,080

sightings you know there are there's so

2022

01:15:31,030 --> 01:15:29,920

much interaction it seems to be so much

2023

01:15:33,590 --> 01:15:31,040

interaction

2024

01:15:36,229 --> 01:15:33,600

and it's also surprising that because of

2025

01:15:39,510 --> 01:15:36,239

that the air force is is largely silent

2026

01:15:41,830 --> 01:15:39,520

on the issue it's a navy right yeah

2027

01:15:42,709 --> 01:15:41,840

navy test for some reason

2028

01:15:46,790 --> 01:15:42,719

yeah

2029

01:15:48,870 --> 01:15:46,800

right why why the why the like you know

2030

01:15:51,830 --> 01:15:48,880

i don't know if it was because these

2031

01:15:54,709 --> 01:15:51,840

objects were approaching the military

2032

01:15:56,790 --> 01:15:54,719

areas and the objects were interested or

2033

01:15:58,709 --> 01:15:56,800

it was just random you know i i know

2034

01:16:01,830 --> 01:15:58,719

that in the nimitz case

2035

01:16:03,030 --> 01:16:01,840

kevin um who was following them on radar

2036

01:16:04,870 --> 01:16:03,040

thought that they didn't want to have

2037

01:16:07,189 --> 01:16:04,880

anything to do with the navy that they

2038

01:16:08,709 --> 01:16:07,199

were just flying by and mounting their

2039

01:16:11,510 --> 01:16:08,719

own business

2040

01:16:13,270 --> 01:16:11,520

um in this case this in the 2019 case

2041

01:16:14,630 --> 01:16:13,280

now these objects were flying around the

2042

01:16:16,709 --> 01:16:14,640

ship

2043

01:16:18,870 --> 01:16:16,719

the guy that originally

2044

01:16:21,189 --> 01:16:18,880

you know helped me break the story said

2045

01:16:23,590 --> 01:16:21,199

that they were not thrown into the the

2046

01:16:25,669 --> 01:16:23,600

the you know navy guy personnel that

2047

01:16:27,990 --> 01:16:25,679

were on the ships saw them clearly with

2048

01:16:29,590 --> 01:16:28,000

a naked eye and they were not

2049

01:16:30,709 --> 01:16:29,600

you know conventional drones now what

2050

01:16:31,669 --> 01:16:30,719

they saw

2051

01:16:33,430 --> 01:16:31,679

has

2052

01:16:34,390 --> 01:16:33,440

you know not been revealed really

2053

01:16:36,550 --> 01:16:34,400

because

2054

01:16:38,630 --> 01:16:36,560

we've been unable to get anybody to like

2055

01:16:39,990 --> 01:16:38,640

talk like out of all the hundreds and

2056

01:16:42,149 --> 01:16:40,000

hundreds of uh

2057

01:16:44,310 --> 01:16:42,159

people thousands of sailors that would

2058

01:16:45,990 --> 01:16:44,320

have been out there you know one one

2059

01:16:47,669 --> 01:16:46,000

destroyer might have like three or four

2060

01:16:49,270 --> 01:16:47,679

hundred people on it i believe there

2061

01:16:50,630 --> 01:16:49,280

were numerous destroyers it was an

2062

01:16:54,149 --> 01:16:50,640

aircraft carrier

2063

01:16:56,310 --> 01:16:54,159

nobody is talking to say what they saw

2064

01:16:58,470 --> 01:16:56,320

i'm not sure if they were all forced to

2065

01:17:00,630 --> 01:16:58,480

sign some kind of nda or something like

2066

01:17:03,270 --> 01:17:00,640

that but it sure seems like that there

2067

01:17:04,950 --> 01:17:03,280

was a gag order sent down to everybody

2068

01:17:06,709 --> 01:17:04,960

and it's not only right not only that

2069

01:17:08,709 --> 01:17:06,719

exactly exactly look at all the

2070

01:17:09,590 --> 01:17:08,719

astronauts uh

2071

01:17:11,750 --> 01:17:09,600

there's

2072

01:17:13,990 --> 01:17:11,760

gone on record afterwards of course

2073

01:17:15,510 --> 01:17:14,000

we're well aware of that uh then but

2074

01:17:16,390 --> 01:17:15,520

then you start hearing that almost every

2075

01:17:17,750 --> 01:17:16,400

astronaut

2076

01:17:19,350 --> 01:17:17,760

has encountered something that they

2077

01:17:21,910 --> 01:17:19,360

can't explain

2078

01:17:23,910 --> 01:17:21,920

what that means who knows edgar mitchell

2079

01:17:26,550 --> 01:17:23,920

unfortunately didn't get to meet him i

2080

01:17:27,830 --> 01:17:26,560

was going to but he did pass away a few

2081

01:17:29,510 --> 01:17:27,840

years ago

2082

01:17:32,310 --> 01:17:29,520

[Music]

2083

01:17:34,870 --> 01:17:32,320

a very good source a friend of his

2084

01:17:35,750 --> 01:17:34,880

relayed the the information to to me

2085

01:17:38,470 --> 01:17:35,760

that

2086

01:17:43,430 --> 01:17:38,480

on their approach to the moon they saw a

2087

01:17:44,790 --> 01:17:43,440

a uav uh details uh you know i won't get

2088

01:17:47,830 --> 01:17:44,800

into but

2089

01:17:49,110 --> 01:17:47,840

that event more than convinced me that

2090

01:17:50,390 --> 01:17:49,120

that it's not

2091

01:17:53,189 --> 01:17:50,400

human-made

2092

01:17:54,790 --> 01:17:53,199

uh what it was was obviously more than a

2093

01:17:56,709 --> 01:17:54,800

curiosity to him

2094

01:17:59,270 --> 01:17:56,719

that combined with his overview effect

2095

01:18:01,350 --> 01:17:59,280

that we spoke of earlier led him he had

2096

01:18:05,590 --> 01:18:01,360

a peak experience on that how can one

2097

01:18:07,990 --> 01:18:05,600

not like william shatner when he landed

2098

01:18:10,950 --> 01:18:08,000

it led him to develop found at the

2099

01:18:12,790 --> 01:18:10,960

institute for noetic sciences a think

2100

01:18:15,110 --> 01:18:12,800

tank that is ongoing now let the

2101

01:18:16,950 --> 01:18:15,120

research scientists dean reagan who's in

2102

01:18:19,590 --> 01:18:16,960

that documentary is currently doing

2103

01:18:21,990 --> 01:18:19,600

research and has for for decades there

2104

01:18:24,830 --> 01:18:22,000

so isn't that interesting how that peak

2105

01:18:26,550 --> 01:18:24,840

experience altered his viewpoints on

2106

01:18:28,229 --> 01:18:26,560

life uh

2107

01:18:30,709 --> 01:18:28,239

and in many different ways so the point

2108

01:18:32,630 --> 01:18:30,719

where he even helped co-found certainly

2109

01:18:34,390 --> 01:18:32,640

the d the indoctrinated missile

2110

01:18:37,270 --> 01:18:34,400

foundation for research into

2111

01:18:40,550 --> 01:18:37,280

extraterrestrial experiences i mean that

2112

01:18:42,310 --> 01:18:40,560

alone uh he was a believer

2113

01:18:45,350 --> 01:18:42,320

this these kinds of events are happening

2114

01:18:47,350 --> 01:18:45,360

to people in in each different way as

2115

01:18:50,470 --> 01:18:47,360

the number of people exists on this

2116

01:18:52,070 --> 01:18:50,480

planet enough so here again that there's

2117

01:18:54,310 --> 01:18:52,080

ego dissolution

2118

01:18:55,830 --> 01:18:54,320

there's a search for the answer there's

2119

01:18:58,390 --> 01:18:55,840

a feeling of interrelatedness with

2120

01:19:01,270 --> 01:18:58,400

reality than they never had before

2121

01:19:03,510 --> 01:19:01,280

and and we can't dismiss that that

2122

01:19:06,310 --> 01:19:03,520

uh as an as a

2123

01:19:08,550 --> 01:19:06,320

non-existent aspect of ufology because

2124

01:19:10,310 --> 01:19:08,560

it is people are having peak experiences

2125

01:19:11,990 --> 01:19:10,320

when they interact with this phenomena

2126

01:19:12,870 --> 01:19:12,000

and the beings

2127

01:19:16,310 --> 01:19:12,880

in it

2128

01:19:17,189 --> 01:19:16,320

in our survey of over 4 000 people

2129

01:19:19,030 --> 01:19:17,199

um

2130

01:19:21,350 --> 01:19:19,040

of course the grades are commonly seen

2131

01:19:22,550 --> 01:19:21,360

but obviously human looking energy

2132

01:19:24,709 --> 01:19:22,560

beings

2133

01:19:26,390 --> 01:19:24,719

even ghosts

2134

01:19:28,470 --> 01:19:26,400

it's remarkable

2135

01:19:30,709 --> 01:19:28,480

it's not just seeing and interacting

2136

01:19:32,550 --> 01:19:30,719

with the beings but there's a lot more

2137

01:19:34,790 --> 01:19:32,560

associated with the interaction

2138

01:19:36,950 --> 01:19:34,800

experience in general that cyclical

2139

01:19:37,750 --> 01:19:36,960

nature that follows them home whether

2140

01:19:39,590 --> 01:19:37,760

it's from

2141

01:19:41,590 --> 01:19:39,600

hitchhiker effect

2142

01:19:43,830 --> 01:19:41,600

yes and this has been going on for a

2143

01:19:46,149 --> 01:19:43,840

long time you know people have uh

2144

01:19:48,390 --> 01:19:46,159

impending concern

2145

01:19:50,790 --> 01:19:48,400

they know that they're going to have an

2146

01:19:52,950 --> 01:19:50,800

encounter or interact with a being

2147

01:19:55,189 --> 01:19:52,960

before it even happens before the body

2148

01:19:57,270 --> 01:19:55,199

in other words may become aware of it

2149

01:19:59,270 --> 01:19:57,280

whatever that means you know you get you

2150

01:20:00,709 --> 01:19:59,280

get into this area where

2151
01:20:02,790 --> 01:20:00,719
consciousness you know to the point

2152
01:20:04,630 --> 01:20:02,800
where ballet and hynek after years of

2153
01:20:07,350 --> 01:20:04,640
studying the phenomena

2154
01:20:09,830 --> 01:20:07,360
they were on the same page in believing

2155
01:20:12,950 --> 01:20:09,840
that it's of course again a physical but

2156
01:20:15,189 --> 01:20:12,960
also a psychic phenomena and and we're

2157
01:20:17,030 --> 01:20:15,199
in the same place where people yeah off

2158
01:20:19,430 --> 01:20:17,040
the nimitz the kid they're seeing lights

2159
01:20:21,830 --> 01:20:19,440
in the sky but aren't are these not the

2160
01:20:24,390 --> 01:20:21,840
same lights that they saw outside their

2161
01:20:25,990 --> 01:20:24,400
their you know b1 bombers in world war

2162
01:20:28,310 --> 01:20:26,000
ii the foo fighters

2163
01:20:30,229 --> 01:20:28,320

are they not are they not the other

2164

01:20:32,149 --> 01:20:30,239

breadcrumbs that this intelligence seems

2165

01:20:33,510 --> 01:20:32,159

to give us as gary nolan mentioned the

2166

01:20:35,510 --> 01:20:33,520

other day to me

2167

01:20:38,310 --> 01:20:35,520

are they feeding us a little bit here or

2168

01:20:39,590 --> 01:20:38,320

there the airships of the 1890s what's

2169

01:20:43,030 --> 01:20:39,600

that all about

2170

01:20:45,590 --> 01:20:43,040

uh mass hysteria plus you know etc or a

2171

01:20:48,229 --> 01:20:45,600

coexisting intelligent life

2172

01:20:50,390 --> 01:20:48,239

could it be plasma based you know i you

2173

01:20:53,270 --> 01:20:50,400

have to pose that no not all of you of

2174

01:20:54,709 --> 01:20:53,280

uaps please we're probably probably

2175

01:20:57,510 --> 01:20:54,719

talking about many different types of

2176
01:20:59,830 --> 01:20:57,520
uaps different diff from another planet

2177
01:21:02,149 --> 01:20:59,840
to another dimension to plasma base

2178
01:21:04,149 --> 01:21:02,159
that's a co-existing life form or

2179
01:21:05,750 --> 01:21:04,159
whatever my opinion is worth

2180
01:21:07,910 --> 01:21:05,760
and there's evidence for that in the

2181
01:21:10,229 --> 01:21:07,920
laboratory where david baum as well as

2182
01:21:11,590 --> 01:21:10,239
russian plasma physicists say hey you

2183
01:21:14,310 --> 01:21:11,600
know what you add a little bit of

2184
01:21:16,470 --> 01:21:14,320
electron material to it and this planet

2185
01:21:18,550 --> 01:21:16,480
behaves that this is it has some

2186
01:21:20,310 --> 01:21:18,560
intelligence

2187
01:21:23,189 --> 01:21:20,320
that of a living cell

2188
01:21:25,590 --> 01:21:23,199

now combine that basic science lab work

2189

01:21:28,310 --> 01:21:25,600

results with what with the results of

2190

01:21:29,750 --> 01:21:28,320

astrophysicists who studied these orbs

2191

01:21:31,430 --> 01:21:29,760

these lights that people see in the

2192

01:21:34,470 --> 01:21:31,440

hazdalen lights

2193

01:21:36,550 --> 01:21:34,480

um mathematica durrani he came to

2194

01:21:39,189 --> 01:21:36,560

conclusion after a decade plus two

2195

01:21:41,030 --> 01:21:39,199

decades of studying these lights after

2196

01:21:43,030 --> 01:21:41,040

after doing his

2197

01:21:44,229 --> 01:21:43,040

strict scientific mythological

2198

01:21:45,990 --> 01:21:44,239

techniques

2199

01:21:48,550 --> 01:21:46,000

publishing in journals about the

2200

01:21:50,390 --> 01:21:48,560

physical aspect of phenomena

2201
01:21:52,629 --> 01:21:50,400
now coming around to the point where he

2202
01:21:54,149 --> 01:21:52,639
says that you know what

2203
01:21:56,550 --> 01:21:54,159
it's intelligent

2204
01:21:59,669 --> 01:21:56,560
it interacts with you this will willful

2205
01:22:02,470 --> 01:21:59,679
purposeful intention what's that okay

2206
01:22:04,790 --> 01:22:02,480
did he go off his rocker nah nah

2207
01:22:05,990 --> 01:22:04,800
nah ah you can't say for sure but i

2208
01:22:09,750 --> 01:22:06,000
don't think so

2209
01:22:12,070 --> 01:22:09,760
combine that quickly with with uh

2210
01:22:13,550 --> 01:22:12,080
another astrophysicist harvey rutledge

2211
01:22:16,470 --> 01:22:13,560
in missouri in the

2212
01:22:18,629 --> 01:22:16,480
1880s and 90s came to the same

2213
01:22:20,310 --> 01:22:18,639

conclusion after decades of studying a

2214

01:22:22,870 --> 01:22:20,320

decade of studying the lights that were

2215

01:22:25,510 --> 01:22:22,880

unique to that area of missouri

2216

01:22:26,870 --> 01:22:25,520

at a different time different place

2217

01:22:28,629 --> 01:22:26,880

they didn't kind of respond from what

2218

01:22:30,470 --> 01:22:28,639

they understand about it

2219

01:22:32,950 --> 01:22:30,480

they after

2220

01:22:35,590 --> 01:22:32,960

believing it has to be geothermal

2221

01:22:36,950 --> 01:22:35,600

ionizing gas of some type and possibly

2222

01:22:38,470 --> 01:22:36,960

plasma base they can't make inclusion

2223

01:22:41,270 --> 01:22:38,480

that whatever it was

2224

01:22:43,270 --> 01:22:41,280

likely plasma based this electric

2225

01:22:44,709 --> 01:22:43,280

electrostatic force it can have physical

2226

01:22:46,870 --> 01:22:44,719

effects on humans that's why people

2227

01:22:49,110 --> 01:22:46,880

report these burns maybe even memory

2228

01:22:51,910 --> 01:22:49,120

lapses lapses if it interferes with the

2229

01:22:54,229 --> 01:22:51,920

temporal lobe causing these time time

2230

01:22:57,030 --> 01:22:54,239

distortions possibly

2231

01:22:58,070 --> 01:22:57,040

or not you know it's going to conjecture

2232

01:23:00,790 --> 01:22:58,080

uh

2233

01:23:01,669 --> 01:23:00,800

so so um

2234

01:23:03,830 --> 01:23:01,679

uh

2235

01:23:06,709 --> 01:23:03,840

yeah that that's essentially where it's

2236

01:23:10,070 --> 01:23:06,719

at right now and uh and and it presented

2237

01:23:10,870 --> 01:23:10,080

a convoluting variable in it all

2238

01:23:12,550 --> 01:23:10,880

um

2239

01:23:14,629 --> 01:23:12,560

uh you mentioned gary nolan a couple of

2240

01:23:17,350 --> 01:23:14,639

times and i just wanted to say that uh

2241

01:23:19,750 --> 01:23:17,360

gary is coming up on this show dr gary

2242

01:23:21,189 --> 01:23:19,760

nolan should be a great show on

2243

01:23:22,950 --> 01:23:21,199

march 15th

2244

01:23:23,910 --> 01:23:22,960

and so far

2245

01:23:26,629 --> 01:23:23,920

uh

2246

01:23:27,510 --> 01:23:26,639

chris mellon is tentative for the second

2247

01:23:30,229 --> 01:23:27,520

hour

2248

01:23:31,750 --> 01:23:30,239

he says he'd love to come on and

2249

01:23:33,270 --> 01:23:31,760

looks pretty good promising so that

2250

01:23:35,590 --> 01:23:33,280

should be an excellent show when that

2251

01:23:37,910 --> 01:23:35,600

when that happens um so i just wanted to

2252

01:23:39,590 --> 01:23:37,920

mention that that's on the 15th and

2253

01:23:42,310 --> 01:23:39,600

here's a question here

2254

01:23:44,229 --> 01:23:42,320

um do you think we have as a possible

2255

01:23:45,110 --> 01:23:44,239

you know doing a little jag here to the

2256

01:23:47,510 --> 01:23:45,120

side

2257

01:23:50,629 --> 01:23:47,520

do we have anti-gravity tech is do you

2258

01:23:53,910 --> 01:23:52,070

i mean a lot of people are saying hey

2259

01:23:56,390 --> 01:23:53,920

look what we're seeing out there these

2260

01:23:59,189 --> 01:23:56,400

big triangles and stuff are are ours

2261

01:24:00,550 --> 01:23:59,199

anti-gravity um but you know my argument

2262

01:24:03,189 --> 01:24:00,560

to that okay well they've been seeing

2263

01:24:04,709 --> 01:24:03,199

that since 1940 here you know

2264

01:24:06,709 --> 01:24:04,719

1970

2265

01:24:09,110 --> 01:24:06,719

exactly the time that there's a time

2266

01:24:12,070 --> 01:24:09,120

element that that is that's can't be

2267

01:24:13,669 --> 01:24:12,080

explainable uh you know usually what we

2268

01:24:15,430 --> 01:24:13,679

see in the skies is ten years from

2269

01:24:17,510 --> 01:24:15,440

what's made public at least that's what

2270

01:24:19,910 --> 01:24:17,520

the b1 bomber and a few other planes

2271

01:24:21,430 --> 01:24:19,920

have told us where we scratch our head

2272

01:24:22,310 --> 01:24:21,440

but then it's revealed what it really

2273

01:24:24,790 --> 01:24:22,320

was

2274

01:24:26,229 --> 01:24:24,800

uh no this has been like you said to

2275

01:24:29,750 --> 01:24:26,239

people reporting these kinds of

2276

01:24:32,229 --> 01:24:29,760

experiences uh long before

2277

01:24:35,990 --> 01:24:32,239

unified field theory

2278

01:24:37,990 --> 01:24:36,000

gravitational forces acknowledged

2279

01:24:40,229 --> 01:24:38,000

nick cook's book the hunt for zero point

2280

01:24:42,709 --> 01:24:40,239

is a really good primer on that although

2281

01:24:45,189 --> 01:24:42,719

it was written quite a while ago

2282

01:24:47,510 --> 01:24:45,199

when i first read that i mean i was

2283

01:24:49,910 --> 01:24:47,520

blown away by the amount of research he

2284

01:24:51,189 --> 01:24:49,920

did and basically he started off doing

2285

01:24:53,669 --> 01:24:51,199

his research

2286

01:24:56,149 --> 01:24:53,679

as a senior editor for

2287

01:24:58,390 --> 01:24:56,159

jane's defense you know writing about

2288

01:25:00,390 --> 01:24:58,400

military applications somebody put like

2289

01:25:03,270 --> 01:25:00,400

a manila envelope on his desk that had

2290

01:25:05,830 --> 01:25:03,280

all these uh newspaper clippings of

2291

01:25:08,149 --> 01:25:05,840

anti-gravity research in the 1950s that

2292

01:25:10,390 --> 01:25:08,159

was saying that we we are on the brink

2293

01:25:11,830 --> 01:25:10,400

of a discovery we are right you know

2294

01:25:14,390 --> 01:25:11,840

within the next decade we're going to

2295

01:25:17,030 --> 01:25:14,400

have this breakthrough in anti-gravity

2296

01:25:19,430 --> 01:25:17,040

technology so he spends like the next

2297

01:25:21,750 --> 01:25:19,440

number of years trying to track down all

2298

01:25:23,669 --> 01:25:21,760

of these leads he's been given you know

2299

01:25:25,189 --> 01:25:23,679

following it all around the globe and

2300

01:25:27,669 --> 01:25:25,199

you know sort of in the end he doesn't

2301

01:25:29,990 --> 01:25:27,679

he he looks at the german scientists for

2302

01:25:31,990 --> 01:25:30,000

instance the nazis that came out of that

2303

01:25:33,910 --> 01:25:32,000

those aerospace programs and what they

2304

01:25:35,590 --> 01:25:33,920

had he goes to the united states and

2305

01:25:38,229 --> 01:25:35,600

talks with all the defend or the big

2306

01:25:40,310 --> 01:25:38,239

aerospace companies um at one point i

2307

01:25:41,910 --> 01:25:40,320

think that um he says it was an april

2308

01:25:43,350 --> 01:25:41,920

fools joke where

2309

01:25:44,229 --> 01:25:43,360

one i think it was lockheed martin or

2310

01:25:46,390 --> 01:25:44,239

one of the

2311

01:25:48,950 --> 01:25:46,400

defense contractors he was

2312

01:25:50,629 --> 01:25:48,960

with wrote like when he was um out of

2313

01:25:52,310 --> 01:25:50,639

the room they wrote astra on the board

2314

01:25:55,350 --> 01:25:52,320

or something like that and so when he

2315

01:25:58,390 --> 01:25:55,360

came back he he saw it and um then they

2316

01:26:00,470 --> 01:25:58,400

said it was an april fool's joke

2317

01:26:03,270 --> 01:26:00,480

the tr3b or whatever

2318

01:26:06,070 --> 01:26:03,280

the anti-gravity uh spacecraft

2319

01:26:08,070 --> 01:26:06,080

but i mean since that book and um until

2320

01:26:10,550 --> 01:26:08,080

today you know people have asked me

2321

01:26:13,590 --> 01:26:10,560

about the tic tac objects could these be

2322

01:26:15,830 --> 01:26:13,600

us technology black budget programs and

2323

01:26:17,189 --> 01:26:15,840

they're actually they can't reveal this

2324

01:26:18,470 --> 01:26:17,199

technology of the public but they're

2325

01:26:20,470 --> 01:26:18,480

operational

2326

01:26:21,270 --> 01:26:20,480

and that some people know about it i

2327

01:26:23,270 --> 01:26:21,280

mean

2328

01:26:24,149 --> 01:26:23,280

i haven't seen anything to convince me

2329

01:26:26,149 --> 01:26:24,159

of that

2330

01:26:27,669 --> 01:26:26,159

yet i don't i mean i if i had to put my

2331

01:26:31,189 --> 01:26:27,679

money on it i would say that we don't

2332

01:26:33,510 --> 01:26:31,199

have anti-gravity technology

2333

01:26:35,750 --> 01:26:33,520

well um yeah you know i was contacted

2334

01:26:38,709 --> 01:26:35,760

this week from someone that wanted to

2335

01:26:41,189 --> 01:26:38,719

know what i thought about the tr 3b

2336

01:26:43,030 --> 01:26:41,199

is that what it's called yeah right yeah

2337

01:26:45,189 --> 01:26:43,040

um and i said

2338

01:26:47,590 --> 01:26:45,199

yeah and i i said hasn't that been

2339

01:26:50,550 --> 01:26:47,600

disproven i think there's controversy

2340

01:26:52,390 --> 01:26:50,560

about it you know is it um

2341

01:26:53,830 --> 01:26:52,400

there were some videos that were

2342

01:26:56,470 --> 01:26:53,840

released that were kind of leaked to the

2343

01:26:57,910 --> 01:26:56,480

internet that allegedly show this craft

2344

01:27:00,070 --> 01:26:57,920

and floor

2345

01:27:02,310 --> 01:27:00,080

um i'm not sure if the debunking

2346

01:27:04,070 --> 01:27:02,320

attempts have gone with that i know that

2347

01:27:06,390 --> 01:27:04,080

there's a whole there's probably two

2348

01:27:08,550 --> 01:27:06,400

sides of it some people really believe

2349

01:27:10,149 --> 01:27:08,560

that there's uh photographic and video

2350

01:27:11,629 --> 01:27:10,159

evidence of this

2351

01:27:14,550 --> 01:27:11,639

ultra secret

2352

01:27:16,149 --> 01:27:14,560

anti-gravity craft that the us has and

2353

01:27:19,430 --> 01:27:16,159

then people say no that's

2354

01:27:21,430 --> 01:27:19,440

it's just a hoax so

2355

01:27:22,709 --> 01:27:21,440

how about that the phone lines are open

2356

01:27:27,830 --> 01:27:22,719

if you'd like to call in bill is

2357

01:27:33,350 --> 01:27:30,790

you're welcome to call in for uh with a

2358

01:27:34,950 --> 01:27:33,360

question for our guests tonight

2359

01:27:36,870 --> 01:27:34,960

um

2360

01:27:39,510 --> 01:27:36,880

except one particular person i want to

2361

01:27:42,629 --> 01:27:39,520

make sure doesn't call it but uh uh but

2362

01:27:44,070 --> 01:27:42,639

anyway that's a long story

2363

01:27:45,510 --> 01:27:44,080

so uh

2364

01:27:49,750 --> 01:27:45,520

i guess

2365

01:27:52,070 --> 01:27:49,760

when

2366

01:27:54,390 --> 01:27:52,080

someone has told me look you know these

2367

01:27:55,830 --> 01:27:54,400

people are imagining these things it's

2368

01:27:58,830 --> 01:27:55,840

something that they're it's in their

2369

01:28:01,510 --> 01:27:58,840

brain or something like that uh

2370

01:28:03,270 --> 01:28:01,520

so and and they're trying to tell me

2371

01:28:06,709 --> 01:28:03,280

this is the lincoln consciousness the

2372

01:28:07,910 --> 01:28:06,719

consciences is uh manifesting this

2373

01:28:15,110 --> 01:28:07,920

and

2374

01:28:17,270 --> 01:28:15,120

uh statement is well what about mass

2375

01:28:19,669 --> 01:28:17,280

sightings how could mass sightings you

2376

01:28:21,110 --> 01:28:19,679

know happen in that case

2377

01:28:24,070 --> 01:28:21,120

so

2378

01:28:26,629 --> 01:28:24,080

what do you both think about that

2379

01:28:28,470 --> 01:28:26,639

well or one of you

2380

01:28:31,110 --> 01:28:28,480

that's a that's true i mean you could

2381

01:28:33,430 --> 01:28:31,120

come up with some brain brain

2382

01:28:35,189 --> 01:28:33,440

explanations so there's a glitch of some

2383

01:28:37,189 --> 01:28:35,199

type of course uh

2384

01:28:40,709 --> 01:28:37,199

that could account for some of the

2385

01:28:43,189 --> 01:28:40,719

delusions association misinterpretations

2386

01:28:45,830 --> 01:28:43,199

that people are reporting uh they're

2387

01:28:48,790 --> 01:28:45,840

they they want to believe so bad that

2388

01:28:50,870 --> 01:28:48,800

they do and believe a dream is it of

2389

01:28:52,390 --> 01:28:50,880

course we can be easily fooled without

2390

01:28:54,229 --> 01:28:52,400

question but what about those mass

2391

01:28:57,669 --> 01:28:54,239

sightings what about the piracy

2392

01:29:01,910 --> 01:28:59,110

there's more than enough evidence to

2393

01:29:03,750 --> 01:29:01,920

convince us uh that this is a real

2394

01:29:05,750 --> 01:29:03,760

certain phenomenon

2395

01:29:06,870 --> 01:29:05,760

um the question we

2396

01:29:09,189 --> 01:29:06,880

don't have to

2397

01:29:11,350 --> 01:29:09,199

analyze that anymore i think we're way

2398

01:29:14,870 --> 01:29:11,360

beyond that i truly do

2399

01:29:17,669 --> 01:29:14,880

um there's something out there uh

2400

01:29:19,350 --> 01:29:17,679

and more than one something uh that is

2401

01:29:20,870 --> 01:29:19,360

so complex that if we were given the

2402

01:29:23,830 --> 01:29:20,880

answer we couldn't even understand the

2403

01:29:25,669 --> 01:29:23,840

problem but uh yeah you have that desire

2404

01:29:28,870 --> 01:29:25,679

with fierce determination to figure it

2405

01:29:31,350 --> 01:29:28,880

out and uh yeah i i try to turn it off

2406

01:29:33,350 --> 01:29:31,360

sometimes i'm successful sometimes not

2407

01:29:37,030 --> 01:29:33,360

and this this conversation doesn't help

2408

01:29:39,750 --> 01:29:37,040

gentlemen as far as much fun as it is

2409

01:29:41,750 --> 01:29:39,760

getting continually said so

2410

01:29:43,350 --> 01:29:41,760

yeah i mean i think that you know it's

2411

01:29:46,070 --> 01:29:43,360

obviously a real phenomena and there's

2412

01:29:48,950 --> 01:29:46,080

like as we said mass sightings um alone

2413

01:29:51,189 --> 01:29:48,960

and in the last few years the u.s

2414

01:29:53,910 --> 01:29:51,199

government has admitted that uap are

2415

01:29:55,030 --> 01:29:53,920

real they know that they have released

2416

01:29:56,790 --> 01:29:55,040

these

2417

01:29:59,189 --> 01:29:56,800

videos that were

2418

01:30:00,950 --> 01:29:59,199

filmed by you know our top pilots saying

2419

01:30:03,750 --> 01:30:00,960

that these represent unknown aerial

2420

01:30:05,830 --> 01:30:03,760

phenomena so whether that's unknown in

2421

01:30:07,430 --> 01:30:05,840

the sense that it's conventional tech or

2422

01:30:10,709 --> 01:30:07,440

you know advanced technology from our

2423

01:30:12,390 --> 01:30:10,719

adversaries or um it's

2424

01:30:14,870 --> 01:30:12,400

some type of technology that's not a

2425

01:30:17,669 --> 01:30:14,880

rava surge and it's not ours and

2426

01:30:19,990 --> 01:30:17,679

it leaves this kind of question um of

2427

01:30:22,629 --> 01:30:20,000

whose technology it is and then on the

2428

01:30:24,550 --> 01:30:22,639

other part of it is like saying seeing

2429

01:30:26,709 --> 01:30:24,560

an object or filming an object or

2430

01:30:29,189 --> 01:30:26,719

filming the effects with the environment

2431

01:30:30,870 --> 01:30:29,199

such as burn marks on the on the soil

2432

01:30:33,590 --> 01:30:30,880

and that sort of thing there's this

2433

01:30:36,470 --> 01:30:33,600

whole other aspect of human interaction

2434

01:30:37,510 --> 01:30:36,480

with it and it goes beyond i think just

2435

01:30:39,430 --> 01:30:37,520

you know

2436

01:30:41,350 --> 01:30:39,440

being in the proximity of it and getting

2437

01:30:44,470 --> 01:30:41,360

burned it goes to the point of people

2438

01:30:47,750 --> 01:30:44,480

that have claimed that they've had these

2439

01:30:49,750 --> 01:30:47,760

interactions with non-human intelligence

2440

01:30:52,310 --> 01:30:49,760

you know they sometimes report seeing

2441

01:30:55,350 --> 01:30:52,320

these humanoid creatures like the the

2442

01:30:56,950 --> 01:30:55,360

grays and other types of humanoid

2443

01:30:58,870 --> 01:30:56,960

figures that are often

2444

01:31:01,030 --> 01:30:58,880

you know together um

2445

01:31:02,470 --> 01:31:01,040

that this is repetitive in many of the

2446

01:31:04,310 --> 01:31:02,480

cases so it

2447

01:31:07,750 --> 01:31:04,320

it makes you think okay well is that

2448

01:31:10,229 --> 01:31:07,760

part of it not the same as the video

2449

01:31:12,950 --> 01:31:10,239

because we have lots of video of what

2450

01:31:14,950 --> 01:31:12,960

you would say would be uaps but i don't

2451

01:31:17,030 --> 01:31:14,960

think that there's really much video at

2452

01:31:19,990 --> 01:31:17,040

all of any of this other stuff that has

2453

01:31:22,149 --> 01:31:20,000

to do with contactees and these uh

2454

01:31:24,950 --> 01:31:22,159

lifelong experiences and

2455

01:31:26,950 --> 01:31:24,960

messages and communications and you know

2456

01:31:28,550 --> 01:31:26,960

being taken and dna and all of this

2457

01:31:31,110 --> 01:31:28,560

stuff there's really that's all

2458

01:31:32,550 --> 01:31:31,120

subjective stories and

2459

01:31:35,110 --> 01:31:32,560

might that be

2460

01:31:37,189 --> 01:31:35,120

you know consciousness at play is it's

2461

01:31:39,350 --> 01:31:37,199

you know i mean when when i started

2462

01:31:41,030 --> 01:31:39,360

researching some of the out of body uh

2463

01:31:43,750 --> 01:31:41,040

work that scientists were doing for

2464

01:31:46,390 --> 01:31:43,760

instance tom campbell when i was reading

2465

01:31:48,709 --> 01:31:46,400

that today he was saying that they began

2466

01:31:50,790 --> 01:31:48,719

um understanding that

2467

01:31:52,870 --> 01:31:50,800

when you're in physical reality and then

2468

01:31:54,870 --> 01:31:52,880

when you're say in a projective out of

2469

01:31:57,350 --> 01:31:54,880

body state or something along those

2470

01:31:59,110 --> 01:31:57,360

lines that you you're that's just as

2471

01:32:02,149 --> 01:31:59,120

real and the experiences that they were

2472

01:32:03,830 --> 01:32:02,159

having in that kind of out of body mode

2473

01:32:06,550 --> 01:32:03,840

or astral projection that they were

2474

01:32:09,110 --> 01:32:06,560

doing that those experiences were just

2475

01:32:11,270 --> 01:32:09,120

as real they came to believe as the

2476
01:32:13,430 --> 01:32:11,280
physical waking reality it was just

2477
01:32:14,709 --> 01:32:13,440
different so

2478
01:32:16,870 --> 01:32:14,719
is it possible that some of the

2479
01:32:19,350 --> 01:32:16,880
interactions that contactees and

2480
01:32:21,510 --> 01:32:19,360
experiences are having are just as real

2481
01:32:23,590 --> 01:32:21,520
as a physical experience and seeing a

2482
01:32:26,070 --> 01:32:23,600
craft but there's a transition line that

2483
01:32:28,390 --> 01:32:26,080
happens that then it's in a different

2484
01:32:30,790 --> 01:32:28,400
it's a non-physical reality or something

2485
01:32:32,790 --> 01:32:30,800
like that i mean i think that that's

2486
01:32:35,510 --> 01:32:32,800
possible or plausible

2487
01:32:38,390 --> 01:32:35,520
and this makes it so complex yeah

2488
01:32:40,629 --> 01:32:38,400

yeah i want i wanted to show this here

2489

01:32:42,229 --> 01:32:40,639

um just because i think it's fascinating

2490

01:32:44,790 --> 01:32:42,239

someone sent me this

2491

01:32:47,830 --> 01:32:44,800

um let me see if i can make it

2492

01:32:49,830 --> 01:32:47,840

well it doesn't really help any um but

2493

01:32:52,629 --> 01:32:49,840

so this is a uh

2494

01:32:55,430 --> 01:32:52,639

supposed to be a navy uh patent and it

2495

01:32:56,310 --> 01:32:55,440

has to do with a laser beam that would

2496

01:32:58,870 --> 01:32:56,320

um

2497

01:33:00,870 --> 01:32:58,880

laser induce plasma filament

2498

01:33:02,550 --> 01:33:00,880

a lot of people are talking about this

2499

01:33:05,510 --> 01:33:02,560

so it will detract

2500

01:33:06,550 --> 01:33:05,520

um homing missiles and the

2501

01:33:08,709 --> 01:33:06,560

the

2502

01:33:10,629 --> 01:33:08,719

person that sent this to me was saying

2503

01:33:12,870 --> 01:33:10,639

you know this is what people are seeing

2504

01:33:15,669 --> 01:33:12,880

like we see these videos and i i don't

2505

01:33:17,590 --> 01:33:15,679

exactly uh that doesn't really uh work

2506

01:33:18,950 --> 01:33:17,600

for me that those that the government

2507

01:33:20,550 --> 01:33:18,960

would say

2508

01:33:23,110 --> 01:33:20,560

um you know that these videos are

2509

01:33:24,709 --> 01:33:23,120

unexplained when we were using this type

2510

01:33:25,830 --> 01:33:24,719

of technology i don't know if either one

2511

01:33:27,910 --> 01:33:25,840

of you have

2512

01:33:29,590 --> 01:33:27,920

seen this

2513

01:33:31,990 --> 01:33:29,600

yeah i've seen it heard about it yeah i

2514

01:33:35,110 --> 01:33:32,000

mean it's fascinating it's it's amazing

2515

01:33:37,910 --> 01:33:35,120

technology that the navy is planning on

2516

01:33:40,070 --> 01:33:37,920

i believe um for aircraft systems you

2517

01:33:41,350 --> 01:33:40,080

know perhaps the air force as well there

2518

01:33:43,510 --> 01:33:41,360

would be a counter mission

2519

01:33:44,629 --> 01:33:43,520

countermeasure that could defeat an

2520

01:33:45,430 --> 01:33:44,639

incoming

2521

01:33:48,070 --> 01:33:45,440

say

2522

01:33:50,470 --> 01:33:48,080

ir missile that's trying to strike the

2523

01:33:51,350 --> 01:33:50,480

aircraft and they could actually project

2524

01:33:53,830 --> 01:33:51,360

um

2525

01:33:55,830 --> 01:33:53,840

a physical object or like it looks like

2526

01:33:58,229 --> 01:33:55,840

it's a light but it looks like a an

2527

01:34:00,629 --> 01:33:58,239

object to the the radar for instance

2528

01:34:03,430 --> 01:34:00,639

even and it can be picked up on radar

2529

01:34:05,669 --> 01:34:03,440

and also like a homing missile so i mean

2530

01:34:08,390 --> 01:34:05,679

you know i think that that research has

2531

01:34:11,189 --> 01:34:08,400

been going on for a long time um plasma

2532

01:34:13,830 --> 01:34:11,199

beam type um you know

2533

01:34:16,950 --> 01:34:13,840

proton beam plasma generation

2534

01:34:20,709 --> 01:34:16,960

um that can actually produce in the sky

2535

01:34:23,030 --> 01:34:20,719

a luminous object so there could be you

2536

01:34:24,629 --> 01:34:23,040

know in the past um misidentifications

2537

01:34:26,870 --> 01:34:24,639

of these types of tests that were going

2538

01:34:28,310 --> 01:34:26,880

on that's for sure

2539

01:34:29,350 --> 01:34:28,320

are all of them that way i don't think

2540

01:34:30,790 --> 01:34:29,360

so

2541

01:34:32,310 --> 01:34:30,800

right and what you're talking about

2542

01:34:33,430 --> 01:34:32,320

might relate all right

2543

01:34:34,149 --> 01:34:33,440

you're right

2544

01:34:37,189 --> 01:34:34,159

yeah

2545

01:34:39,669 --> 01:34:37,199

it might relate to the uh the the video

2546

01:34:41,350 --> 01:34:39,679

taken by i believe it was the iss which

2547

01:34:43,270 --> 01:34:41,360

shows help me out martin you know you

2548

01:34:45,750 --> 01:34:43,280

know this where you see the streak

2549

01:34:47,990 --> 01:34:45,760

looking at the earth you see this streak

2550

01:34:51,189 --> 01:34:48,000

uh looks could be that laser beam and

2551

01:34:53,350 --> 01:34:51,199

misundertaking mistaken for a uh uap of

2552

01:34:55,189 --> 01:34:53,360

some type who knows the space weapon you

2553

01:34:56,310 --> 01:34:55,199

can't discount that possibility let's

2554

01:34:58,950 --> 01:34:56,320

face it right

2555

01:35:01,270 --> 01:34:58,960

but it was a long time ago

2556

01:35:04,070 --> 01:35:01,280

1990s i believe

2557

01:35:07,109 --> 01:35:04,080

um but um do you think what about what

2558

01:35:09,189 --> 01:35:07,119

fravor saw i mean um yeah obviously

2559

01:35:10,629 --> 01:35:09,199

there's this question that we would test

2560

01:35:11,990 --> 01:35:10,639

something without the knowledge of the

2561

01:35:14,790 --> 01:35:12,000

aviators

2562

01:35:16,310 --> 01:35:14,800

um you know whether the the navy or the

2563

01:35:19,350 --> 01:35:16,320

air force has the capability of

2564

01:35:21,750 --> 01:35:19,360

projecting a 40-foot long capsule

2565

01:35:23,910 --> 01:35:21,760

capsule shape white object that the

2566

01:35:26,149 --> 01:35:23,920

aviators see with their eyes that can

2567

01:35:27,669 --> 01:35:26,159

actually maneuver and

2568

01:35:29,750 --> 01:35:27,679

i don't know i mean do we have that

2569

01:35:31,109 --> 01:35:29,760

technology if we do i'm i'm pretty happy

2570

01:35:33,430 --> 01:35:31,119

and i hope the russians don't but does

2571

01:35:35,270 --> 01:35:33,440

it does it go from uh sixty thousand to

2572

01:35:37,350 --> 01:35:35,280

fifty feet in uh what is it what's the

2573

01:35:40,070 --> 01:35:37,360

time

2574

01:35:41,590 --> 01:35:40,080

fraction of a second projection you know

2575

01:35:45,109 --> 01:35:41,600

uh right well

2576

01:35:48,149 --> 01:35:45,119

lightning can you know lightning can uh

2577

01:35:50,790 --> 01:35:48,159

electrostatic force like plasma and the

2578

01:35:52,709 --> 01:35:50,800

question is can it interact with us uh

2579

01:35:55,350 --> 01:35:52,719

we have to we can't just stamp that

2580

01:35:57,189 --> 01:35:55,360

possibility and i already plain playing

2581

01:35:58,229 --> 01:35:57,199

the pieces in the chess game trying to

2582

01:36:00,390 --> 01:35:58,239

fit them

2583

01:36:02,310 --> 01:36:00,400

that makes sense to me so i can see

2584

01:36:04,629 --> 01:36:02,320

certainly wrong but i don't think i'm

2585

01:36:07,189 --> 01:36:04,639

the only one who thinks that plasma can

2586

01:36:09,750 --> 01:36:07,199

potentially be an intelligent

2587

01:36:11,350 --> 01:36:09,760

life form coexisting on a planet

2588

01:36:13,990 --> 01:36:11,360

interacting with us in part playing

2589

01:36:16,070 --> 01:36:14,000

games in part helping us in some ways

2590

01:36:18,229 --> 01:36:16,080

he's just as people are good and bad

2591

01:36:19,669 --> 01:36:18,239

here here and

2592

01:36:21,590 --> 01:36:19,679

on in

2593

01:36:24,229 --> 01:36:21,600

in right here on the floor that we're

2594

01:36:27,590 --> 01:36:24,239

standing on but we may have the same

2595

01:36:30,870 --> 01:36:27,600

kind of situation as strange as as

2596

01:36:34,709 --> 01:36:30,880

difficult it is to grasp uh that that

2597

01:36:35,990 --> 01:36:34,719

coexists with our universe and and we as

2598

01:36:37,750 --> 01:36:36,000

valerie said

2599

01:36:39,830 --> 01:36:37,760

it's a control system

2600

01:36:41,669 --> 01:36:39,840

at least part of it may be that

2601
01:36:43,510 --> 01:36:41,679
interacts with humans for whatever

2602
01:36:46,870 --> 01:36:43,520
purpose they have in mind

2603
01:36:48,709 --> 01:36:46,880
many scientists using quantum mechanics

2604
01:36:50,830 --> 01:36:48,719
mathematically derived are moving

2605
01:36:53,030 --> 01:36:50,840
believe it or not in that

2606
01:36:54,070 --> 01:36:53,040
direction yeah in general i want to do i

2607
01:36:58,390 --> 01:36:54,080
want to run

2608
01:37:01,270 --> 01:36:58,400
heard because you just kind of sort of

2609
01:37:03,350 --> 01:37:01,280
talked about it just a second ago um lou

2610
01:37:05,270 --> 01:37:03,360
elizondo uh he's going to be on the show

2611
01:37:06,629 --> 01:37:05,280
eventually when he finishes book his

2612
01:37:08,950 --> 01:37:06,639
book i'm in touch

2613
01:37:11,510 --> 01:37:08,960

with his wife and coordinating that but

2614

01:37:14,629 --> 01:37:11,520

i listened to him on um the theories of

2615

01:37:17,109 --> 01:37:14,639

everything with kurt and he said

2616

01:37:19,270 --> 01:37:17,119

something along the lines were

2617

01:37:20,950 --> 01:37:19,280

there what if there's something

2618

01:37:24,070 --> 01:37:20,960

that's here

2619

01:37:27,030 --> 01:37:24,080

that would change our reality

2620

01:37:29,030 --> 01:37:27,040

that um has a higher intelligence and

2621

01:37:30,790 --> 01:37:29,040

it's right with us the whole time yeah

2622

01:37:32,950 --> 01:37:30,800

yeah well i post that question i

2623

01:37:35,189 --> 01:37:32,960

resonate with that well i i didn't hear

2624

01:37:36,870 --> 01:37:35,199

him say that but i i think they know

2625

01:37:38,550 --> 01:37:36,880

that i think they know that that's the

2626

01:37:40,470 --> 01:37:38,560

case and that's what i believe to be the

2627

01:37:42,310 --> 01:37:40,480

case i can't say that i know from like

2628

01:37:45,109 --> 01:37:42,320

the back of my hand please

2629

01:37:47,109 --> 01:37:45,119

that may not be true but he he you see

2630

01:37:49,510 --> 01:37:47,119

it's a process as he says the process is

2631

01:37:52,470 --> 01:37:49,520

not the event the disclosure

2632

01:37:54,470 --> 01:37:52,480

uh that's his words and it is a small

2633

01:37:55,910 --> 01:37:54,480

step-wise process that's going to take

2634

01:37:58,390 --> 01:37:55,920

time to evolve

2635

01:38:02,310 --> 01:37:58,400

uh it's a statement like that is part of

2636

01:38:03,270 --> 01:38:02,320

disclosure he knows i think he knows uh

2637

01:38:06,629 --> 01:38:03,280

obviously

2638

01:38:07,990 --> 01:38:06,639

we have someone but yeah yeah yeah

2639

01:38:09,830 --> 01:38:08,000

that's one of the first questions i'm

2640

01:38:12,070 --> 01:38:09,840

going to ask him when i have them on uh

2641

01:38:14,149 --> 01:38:12,080

we have of someone waiting on the phone

2642

01:38:16,950 --> 01:38:14,159

but i want to pop this question up there

2643

01:38:18,229 --> 01:38:16,960

first this one's for you dave uh what's

2644

01:38:20,709 --> 01:38:18,239

what's the ass

2645

01:38:24,470 --> 01:38:20,719

what's with the atmospheric refraction

2646

01:38:26,629 --> 01:38:24,480

mirage effect around the tick tock

2647

01:38:28,149 --> 01:38:26,639

well you know tic-tac-toe yeah the tic

2648

01:38:30,790 --> 01:38:28,159

tac um

2649

01:38:33,590 --> 01:38:30,800

you know i think that uh jim slate

2650

01:38:35,270 --> 01:38:33,600

mentioned that um in one of the few

2651

01:38:38,310 --> 01:38:35,280

interviews he ever did

2652

01:38:41,350 --> 01:38:38,320

um i believe he described that to

2653

01:38:44,550 --> 01:38:41,360

um researcher robert powell of

2654

01:38:46,390 --> 01:38:44,560

a scientific coalition for ufology um

2655

01:38:48,229 --> 01:38:46,400

at least i i believe that was the first

2656

01:38:50,950 --> 01:38:48,239

time that i heard it and when i was

2657

01:38:52,470 --> 01:38:50,960

doing the film i tried to to

2658

01:38:55,109 --> 01:38:52,480

model that a little bit it was it was

2659

01:38:57,590 --> 01:38:55,119

challenging to kind of um think of what

2660

01:39:00,310 --> 01:38:57,600

he was trying to describe but what he he

2661

01:39:04,070 --> 01:39:00,320

said was that there appeared to be

2662

01:39:06,550 --> 01:39:04,080

um like a mirage effect um a

2663

01:39:09,030 --> 01:39:06,560

distortion of refraction around the

2664

01:39:11,510 --> 01:39:09,040

outside of the craft i don't know that

2665

01:39:13,830 --> 01:39:11,520

he gave it a color that it was glowing i

2666

01:39:16,390 --> 01:39:13,840

think he just said that he it seemed to

2667

01:39:18,390 --> 01:39:16,400

look like a mirage around the the craft

2668

01:39:20,709 --> 01:39:18,400

and you know

2669

01:39:23,430 --> 01:39:20,719

is that part of the propulsion system or

2670

01:39:25,750 --> 01:39:23,440

is that because it's you know a plasma

2671

01:39:27,910 --> 01:39:25,760

projection from a new countermeasure

2672

01:39:29,669 --> 01:39:27,920

system i don't know i mean

2673

01:39:32,229 --> 01:39:29,679

when i brought that up people have said

2674

01:39:34,229 --> 01:39:32,239

oh yeah that's because this is an

2675

01:39:36,390 --> 01:39:34,239

anti-gravity craft and it's basically

2676

01:39:38,310 --> 01:39:36,400

the propulsion system is creating a

2677

01:39:40,950 --> 01:39:38,320

field of energy

2678

01:39:44,709 --> 01:39:40,960

around that craft so that it can do it

2679

01:39:47,109 --> 01:39:44,719

can perform this um you know hypersonic

2680

01:39:49,669 --> 01:39:47,119

uh right angle turns with

2681

01:39:50,629 --> 01:39:49,679

you know real reactionless propulsion

2682

01:39:53,189 --> 01:39:50,639

and that

2683

01:39:56,390 --> 01:39:53,199

field is like a distortion because of

2684

01:39:58,709 --> 01:39:56,400

the bending of light in some way now i'm

2685

01:40:00,149 --> 01:39:58,719

just like you know speculating here

2686

01:40:02,390 --> 01:40:00,159

obviously but

2687

01:40:05,189 --> 01:40:02,400

yeah and we get these mirages on a hot

2688

01:40:06,950 --> 01:40:05,199

hot summer day while driving uh yeah and

2689

01:40:08,790 --> 01:40:06,960

in other in other ways as well we're

2690

01:40:10,310 --> 01:40:08,800

talking about the same thing maybe you

2691

01:40:12,229 --> 01:40:10,320

know it could be heat

2692

01:40:14,550 --> 01:40:12,239

size yeah he's signature of some sort

2693

01:40:15,830 --> 01:40:14,560

sure yeah but it didn't show up as a

2694

01:40:17,510 --> 01:40:15,840

heat signature

2695

01:40:18,790 --> 01:40:17,520

right right yeah i guess

2696

01:40:22,950 --> 01:40:18,800

when you talk about the flare you don't

2697

01:40:25,750 --> 01:40:22,960

see a huge glowing right right yeah

2698

01:40:27,990 --> 01:40:25,760

we have robert on the line from delta

2699

01:40:29,990 --> 01:40:28,000

british columbia robert welcome to the

2700

01:40:31,910 --> 01:40:30,000

show

2701

01:40:34,149 --> 01:40:31,920

thank you for having me

2702

01:40:37,430 --> 01:40:34,159

yes how are you you have a question for

2703

01:40:39,669 --> 01:40:37,440

one or both of our guests tonight

2704

01:40:41,270 --> 01:40:39,679

well i i have a question

2705

01:40:42,950 --> 01:40:41,280

uh for

2706

01:40:44,709 --> 01:40:42,960

uh

2707

01:40:45,990 --> 01:40:44,719

as well as the host

2708

01:40:47,189 --> 01:40:46,000

something i've been wondering for a

2709

01:40:50,870 --> 01:40:47,199

while

2710

01:40:52,470 --> 01:40:50,880

uh my question is um

2711

01:40:53,910 --> 01:40:52,480

now i

2712

01:40:56,870 --> 01:40:53,920

hear how

2713

01:40:59,270 --> 01:40:56,880

one hand is uap phenomenon

2714

01:41:01,270 --> 01:40:59,280

there's a material aspect to it

2715

01:41:03,350 --> 01:41:01,280

and it's real evidence on the other hand

2716

01:41:06,229 --> 01:41:03,360

i hear that

2717

01:41:09,270 --> 01:41:06,239

it often goes beyond corporal material

2718

01:41:09,990 --> 01:41:09,280

to spiritual so i'm wondering

2719

01:41:11,030 --> 01:41:10,000

uh

2720

01:41:13,189 --> 01:41:11,040

even

2721

01:41:14,870 --> 01:41:13,199

um mentioning how they could be related

2722

01:41:15,750 --> 01:41:14,880

to um

2723

01:41:21,109 --> 01:41:15,760

yes

2724

01:41:22,790 --> 01:41:21,119

of um

2725

01:41:23,750 --> 01:41:22,800

uh ancient gods and stuff so i'm

2726

01:41:26,070 --> 01:41:23,760

wondering

2727

01:41:28,070 --> 01:41:26,080

in europe in your opinion and the

2728

01:41:30,709 --> 01:41:28,080

opinion of others

2729

01:41:32,390 --> 01:41:30,719

are these uaps

2730

01:41:34,629 --> 01:41:32,400

is there a remote even a remote

2731

01:41:38,149 --> 01:41:34,639

connection that the user gets

2732

01:41:42,870 --> 01:41:38,159

spirits we're we're dealing with

2733

01:41:47,030 --> 01:41:44,629

it's a good question and raises the

2734

01:41:48,629 --> 01:41:47,040

issue of of our language and what

2735

01:41:50,550 --> 01:41:48,639

criteria we use

2736

01:41:52,629 --> 01:41:50,560

to define what we're talking about and

2737

01:41:54,550 --> 01:41:52,639

and we really aren't very successful

2738

01:41:56,390 --> 01:41:54,560

with that and and the more meaning we

2739

01:41:58,870 --> 01:41:56,400

get from studying the phenomenon we'll

2740

01:42:01,270 --> 01:41:58,880

be able to apply words that make sense

2741

01:42:02,870 --> 01:42:01,280

so it's and i i

2742

01:42:05,270 --> 01:42:02,880

thankfully i thank you for that question

2743

01:42:07,590 --> 01:42:05,280

because people use those same words

2744

01:42:10,870 --> 01:42:07,600

interchangeably spirit maybe that's what

2745

01:42:13,109 --> 01:42:10,880

the the the ufos sometimes you know

2746

01:42:14,550 --> 01:42:13,119

refer to as uh

2747

01:42:16,310 --> 01:42:14,560

call it whatever you want call it

2748

01:42:18,310 --> 01:42:16,320

consciousness call it a physical craft

2749

01:42:19,830 --> 01:42:18,320

from elsewhere there's a conscious

2750

01:42:20,870 --> 01:42:19,840

component but

2751

01:42:22,790 --> 01:42:20,880

uh

2752

01:42:24,470 --> 01:42:22,800

could some of it could be spirit and

2753

01:42:26,310 --> 01:42:24,480

non-spirit and you'd be talking about

2754

01:42:29,270 --> 01:42:26,320

different things but what do we mean by

2755

01:42:31,270 --> 01:42:29,280

that term spirit uh even the uap is

2756

01:42:35,189 --> 01:42:31,280

ignomatic what do we mean

2757

01:42:37,270 --> 01:42:35,199

enlighten this guy interact i like in

2758

01:42:39,350 --> 01:42:37,280

aerial interacting phenomena or

2759

01:42:40,870 --> 01:42:39,360

something like that and it does interact

2760

01:42:42,790 --> 01:42:40,880

with us i think that should be part of

2761

01:42:44,149 --> 01:42:42,800

the title so it doesn't really matter

2762

01:42:45,750 --> 01:42:44,159

what we call it

2763

01:42:47,910 --> 01:42:45,760

but we're at the point where it's so

2764

01:42:50,229 --> 01:42:47,920

complex we start playing games with the

2765

01:42:52,229 --> 01:42:50,239

with the minutia of it and we and

2766

01:42:54,870 --> 01:42:52,239

re-examining historical

2767

01:42:56,709 --> 01:42:54,880

evidence to try to get at the truth i

2768

01:42:58,229 --> 01:42:56,719

think we share that all in common

2769

01:42:59,669 --> 01:42:58,239

whether or not we agree on all issues

2770

01:43:02,070 --> 01:42:59,679

that's such another point we're entitled

2771

01:43:03,750 --> 01:43:02,080

to our opinions uh i'm right and wrong

2772

01:43:05,109 --> 01:43:03,760

we all are right and wrong but that's

2773

01:43:07,430 --> 01:43:05,119

part of the issue let's do it

2774

01:43:09,510 --> 01:43:07,440

professionally collegially and for the

2775

01:43:11,669 --> 01:43:09,520

most part you see that within ufology

2776

01:43:13,669 --> 01:43:11,679

but we have to become more more you know

2777

01:43:16,550 --> 01:43:13,679

getting up the spiritual aspect of it

2778

01:43:19,030 --> 01:43:16,560

for just a minute we have to get less

2779

01:43:21,350 --> 01:43:19,040

fragmented and keep looking at that

2780

01:43:22,149 --> 01:43:21,360

public support for

2781

01:43:23,750 --> 01:43:22,159

uh

2782

01:43:25,109 --> 01:43:23,760

studying the phenomenon because we're

2783

01:43:27,590 --> 01:43:25,119

not going to get it from those in the

2784

01:43:29,270 --> 01:43:27,600

know the public housing has to drive it

2785

01:43:31,109 --> 01:43:29,280

if we're going to get any answers we're

2786

01:43:33,750 --> 01:43:31,119

at the same place as we were you know

2787

01:43:35,109 --> 01:43:33,760

decades ago in terms of advancement and

2788

01:43:37,590 --> 01:43:35,119

disclosure

2789

01:43:40,070 --> 01:43:37,600

the hillebrand amendment is great for a

2790

01:43:41,990 --> 01:43:40,080

small very very very small d a small

2791

01:43:44,310 --> 01:43:42,000

initial part of the process we were

2792

01:43:46,709 --> 01:43:44,320

there back in the 60s and 70s the u.n

2793

01:43:48,629 --> 01:43:46,719

hearings and all that it just it just

2794

01:43:49,990 --> 01:43:48,639

said it's deja vu

2795

01:43:51,270 --> 01:43:50,000

deja vu

2796

01:43:54,950 --> 01:43:51,280

and i'm not holding my breath for

2797

01:43:56,870 --> 01:43:54,960

anything you you you you you apx or the

2798

01:43:58,229 --> 01:43:56,880

other societies that looked at excuse me

2799

01:43:59,750 --> 01:43:58,239

for not remembering them but you know

2800

01:44:01,750 --> 01:43:59,760

i'm sorry the side of the coalition

2801

01:44:03,669 --> 01:44:01,760

hoffman's group and i know that i

2802

01:44:07,510 --> 01:44:03,679

congratulate them tremendously gary

2803

01:44:09,510 --> 01:44:07,520

voorhees is group and day uh uapx

2804

01:44:11,390 --> 01:44:09,520

look this is what we have to do but we

2805

01:44:13,189 --> 01:44:11,400

do it in a more less fragmented

2806

01:44:15,510 --> 01:44:13,199

multi-disciplinary way

2807

01:44:17,669 --> 01:44:15,520

we get experts from many many different

2808

01:44:20,149 --> 01:44:17,679

fields anthropology philosophy

2809

01:44:21,750 --> 01:44:20,159

psychology sociology you name it because

2810

01:44:23,990 --> 01:44:21,760

it all interacts like certainly

2811

01:44:25,750 --> 01:44:24,000

psychology and medical medicine

2812

01:44:28,310 --> 01:44:25,760

uh this is where we eventually need to

2813

01:44:30,070 --> 01:44:28,320

go but at the public level they're doing

2814

01:44:31,750 --> 01:44:30,080

that they're light years ahead of us

2815

01:44:34,390 --> 01:44:31,760

somewhere in the pentagon or on the

2816

01:44:35,430 --> 01:44:34,400

balance access program we know that um

2817

01:44:37,590 --> 01:44:35,440

you think you're gonna get that

2818

01:44:40,149 --> 01:44:37,600

information i don't i doubt it

2819

01:44:42,149 --> 01:44:40,159

at least not in my lifetime uh unless i

2820

01:44:44,470 --> 01:44:42,159

land on a white house law i hate to even

2821

01:44:46,830 --> 01:44:44,480

say that term it's how overused that is

2822

01:44:49,590 --> 01:44:46,840

but that's what it's gonna take

2823

01:44:50,470 --> 01:44:49,600

um uh and and when we do whenever that

2824

01:44:53,830 --> 01:44:50,480

is

2825

01:44:55,830 --> 01:44:53,840

with the public i'm getting off the

2826

01:44:57,910 --> 01:44:55,840

topic i know but i think this

2827

01:44:58,530 --> 01:44:57,920

i just have to speak

2828

01:44:59,669 --> 01:44:58,540

um

2829

01:45:02,149 --> 01:44:59,679

[Music]

2830

01:45:05,109 --> 01:45:02,159

people will be ready for it uh you know

2831

01:45:06,629 --> 01:45:05,119

many people aren't i think so yeah not

2832

01:45:08,310 --> 01:45:06,639

they can't be hit over their head with

2833

01:45:10,629 --> 01:45:08,320

everything you know because what they

2834

01:45:11,830 --> 01:45:10,639

know will knock a lot of socks though

2835

01:45:13,830 --> 01:45:11,840

yeah

2836

01:45:14,950 --> 01:45:13,840

in the last the last four years have

2837

01:45:20,070 --> 01:45:14,960

really

2838

01:45:22,070 --> 01:45:20,080

and you see a huge surprise yeah and an

2839

01:45:24,629 --> 01:45:22,080

example of the public look at dave

2840

01:45:26,629 --> 01:45:24,639

a broadcast journalist producer director

2841

01:45:28,390 --> 01:45:26,639

the true professional emmy award winner

2842

01:45:30,229 --> 01:45:28,400

it took him

2843

01:45:32,310 --> 01:45:30,239

to do what he did how many people did he

2844

01:45:34,390 --> 01:45:32,320

wake up look at the positive effects

2845

01:45:35,590 --> 01:45:34,400

he's had look at the number of views the

2846

01:45:37,189 --> 01:45:35,600

interest

2847

01:45:38,390 --> 01:45:37,199

of the passion that people have and he

2848

01:45:40,470 --> 01:45:38,400

expressed it

2849

01:45:41,590 --> 01:45:40,480

you know it's an open free society

2850

01:45:43,270 --> 01:45:41,600

when do you think we get that

2851

01:45:44,870 --> 01:45:43,280

information how long will we have to

2852

01:45:46,629 --> 01:45:44,880

wait from the whatever government's

2853

01:45:48,390 --> 01:45:46,639

official from whatever bill amendment

2854

01:45:50,310 --> 01:45:48,400

whatever you want to call it would say

2855

01:45:51,430 --> 01:45:50,320

would share that information it has to

2856

01:45:52,950 --> 01:45:51,440

come from

2857

01:45:55,510 --> 01:45:52,960

the public

2858

01:45:57,590 --> 01:45:55,520

sometimes just one individual like like

2859

01:45:59,270 --> 01:45:57,600

dave let's not forget the importance of

2860

01:46:01,189 --> 01:45:59,280

the nemesis encounters and and there's

2861

01:46:03,669 --> 01:46:01,199

other fine productions as well you know

2862

01:46:05,430 --> 01:46:03,679

that's contributed and i respect

2863

01:46:07,350 --> 01:46:05,440

all of those who made

2864

01:46:09,109 --> 01:46:07,360

the sacrifice of time and energy to try

2865

01:46:13,990 --> 01:46:09,119

to get at the bottom of it i mean

2866

01:46:18,629 --> 01:46:15,669

and i want to congratulate you for all

2867

01:46:20,550 --> 01:46:18,639

you've done in this arena thank you

2868

01:46:24,070 --> 01:46:20,560

well well that's very kind to you thank

2869

01:46:25,590 --> 01:46:24,080

you uh well thanks for the call robert

2870

01:46:27,590 --> 01:46:25,600

yeah i didn't answer your question but

2871

01:46:29,189 --> 01:46:27,600

thanks for the call

2872

01:46:30,870 --> 01:46:29,199

yeah

2873

01:46:32,790 --> 01:46:30,880

i mean i mean my opinion there are some

2874

01:46:34,709 --> 01:46:32,800

commonalities between some of the

2875

01:46:37,430 --> 01:46:34,719

spiritual um

2876

01:46:39,430 --> 01:46:37,440

observations and miracles and so on um

2877

01:46:40,470 --> 01:46:39,440

my partner's doing a film actually on

2878

01:46:41,910 --> 01:46:40,480

some of the

2879

01:46:44,550 --> 01:46:41,920

sightings such as

2880

01:46:47,750 --> 01:46:44,560

magic warrior where there were mass

2881

01:46:50,390 --> 01:46:47,760

sightings of these objects and

2882

01:46:52,709 --> 01:46:50,400

you know oftentimes communications

2883

01:46:55,510 --> 01:46:52,719

with you know

2884

01:46:57,910 --> 01:46:55,520

the angels so to speak um i think it's

2885

01:46:59,350 --> 01:46:57,920

the perception of the witness that may

2886

01:47:01,270 --> 01:46:59,360

see it that way but there's a lot of

2887

01:47:03,750 --> 01:47:01,280

parallels i think to people that have

2888

01:47:04,629 --> 01:47:03,760

these experiences with non-human you

2889

01:47:06,550 --> 01:47:04,639

know

2890

01:47:08,470 --> 01:47:06,560

some some people say they're aliens

2891

01:47:10,229 --> 01:47:08,480

they're from another planet

2892

01:47:12,310 --> 01:47:10,239

another star system

2893

01:47:13,830 --> 01:47:12,320

but other people look at

2894

01:47:15,750 --> 01:47:13,840

in a more spiritual way i think the

2895

01:47:18,709 --> 01:47:15,760

encounters that they have and the

2896

01:47:20,790 --> 01:47:18,719

communications and messages and you know

2897

01:47:21,750 --> 01:47:20,800

perhaps even precognitive looks at the

2898

01:47:25,430 --> 01:47:21,760

future

2899

01:47:26,709 --> 01:47:25,440

warnings of man's destiny if we don't

2900

01:47:29,189 --> 01:47:26,719

improve our

2901
01:47:31,350 --> 01:47:29,199
state i mean that is part of the ufo

2902
01:47:33,350 --> 01:47:31,360
experience as well so

2903
01:47:35,750 --> 01:47:33,360
you hear that a lot i i talk about that

2904
01:47:38,390 --> 01:47:35,760
a lot because you you know the

2905
01:47:40,390 --> 01:47:38,400
telepathy people seem to have

2906
01:47:42,709 --> 01:47:40,400
seems to all be no i mean i don't want

2907
01:47:45,109 --> 01:47:42,719
to say all but mostly about taking care

2908
01:47:46,270 --> 01:47:45,119
of the planet which is is why i did that

2909
01:47:48,390 --> 01:47:46,280
show on climate change

2910
01:47:51,030 --> 01:47:48,400
[Laughter]

2911
01:47:53,270 --> 01:47:51,040
but but anyway um i i do want to ask

2912
01:47:56,629 --> 01:47:53,280
this question because i heard this term

2913
01:47:58,149 --> 01:47:56,639

mentioned and that is uh a download

2914

01:48:00,070 --> 01:47:58,159

so i don't know if anyone wants to

2915

01:48:02,709 --> 01:48:00,080

tackle that i hear this term a lot

2916

01:48:05,430 --> 01:48:02,719

download i hear grant cameron talk about

2917

01:48:07,750 --> 01:48:05,440

it and yeah you know we hear inventors

2918

01:48:10,070 --> 01:48:07,760

of the past like edison tesla even

2919

01:48:11,430 --> 01:48:10,080

einstein we talked about this phenomenon

2920

01:48:13,270 --> 01:48:11,440

the download i got the scissors

2921

01:48:14,790 --> 01:48:13,280

equipment yeah i wanted this idea for

2922

01:48:16,709 --> 01:48:14,800

the lights

2923

01:48:18,390 --> 01:48:16,719

yeah i wondered about tesla he had to

2924

01:48:21,030 --> 01:48:18,400

have a download well

2925

01:48:23,109 --> 01:48:21,040

yeah and he he admits to it he he says

2926

01:48:24,470 --> 01:48:23,119

uh they're humble in the sense that a

2927

01:48:26,310 --> 01:48:24,480

lot of them get

2928

01:48:28,229 --> 01:48:26,320

the inventors you know come and come

2929

01:48:29,910 --> 01:48:28,239

across his ideas they're very bright

2930

01:48:31,350 --> 01:48:29,920

individuals but they're given

2931

01:48:33,510 --> 01:48:31,360

information they should not have

2932

01:48:35,830 --> 01:48:33,520

obtained utilizing their routine

2933

01:48:37,350 --> 01:48:35,840

traditional senses like an animal

2934

01:48:39,350 --> 01:48:37,360

knowing that there's a predator miles

2935

01:48:41,430 --> 01:48:39,360

away without seeing hearing smelling

2936

01:48:43,270 --> 01:48:41,440

using the senses knowing this and

2937

01:48:44,870 --> 01:48:43,280

knowing this and and maybe that's what

2938

01:48:46,470 --> 01:48:44,880

humans have the potential of we should

2939

01:48:48,870 --> 01:48:46,480

use that more maybe that's not a good

2940

01:48:49,990 --> 01:48:48,880

feeling that sense of um

2941

01:48:51,750 --> 01:48:50,000

i don't know

2942

01:48:53,109 --> 01:48:51,760

again the sciences are subjective it's

2943

01:48:55,030 --> 01:48:53,119

what's needed to be integrated with the

2944

01:48:57,590 --> 01:48:55,040

science of the physical in order to get

2945

01:48:59,109 --> 01:48:57,600

at that that feeling we often have and

2946

01:49:01,109 --> 01:48:59,119

and the fact that we turn around look

2947

01:49:04,470 --> 01:49:01,119

back and say i knew i shouldn't have

2948

01:49:05,910 --> 01:49:04,480

done that i knew it i knew it and and we

2949

01:49:07,510 --> 01:49:05,920

learned through experience unfortunately

2950

01:49:09,270 --> 01:49:07,520

oftentimes the hard way and we all go

2951
01:49:11,109 --> 01:49:09,280
through it you know just think about it

2952
01:49:13,350 --> 01:49:11,119
synchronicities bring us to that area

2953
01:49:14,390 --> 01:49:13,360
too that your insightfulness of looking

2954
01:49:16,310 --> 01:49:14,400
at

2955
01:49:18,070 --> 01:49:16,320
why one should listen a little bit more

2956
01:49:20,550 --> 01:49:18,080
to their gut feeling as we put it but

2957
01:49:22,229 --> 01:49:20,560
the the essence of the truth we often

2958
01:49:24,790 --> 01:49:22,239
ignore that the left brain takes over

2959
01:49:26,310 --> 01:49:24,800
the ego suppresses that we don't go with

2960
01:49:28,390 --> 01:49:26,320
the stomach and we learn the hard way

2961
01:49:30,149 --> 01:49:28,400
whatever way that may be

2962
01:49:32,950 --> 01:49:30,159
you know that night or 10 years down the

2963
01:49:34,709 --> 01:49:32,960

road yeah so right we have a we do have

2964

01:49:39,030 --> 01:49:34,719

a caller another caller rob from

2965

01:49:42,470 --> 01:49:40,830

hi thanks for the

2966

01:49:44,870 --> 01:49:42,480

show

2967

01:49:47,270 --> 01:49:44,880

i was just i was just wondering if um

2968

01:49:49,350 --> 01:49:47,280

and i didn't get to hear the whole uh

2969

01:49:50,390 --> 01:49:49,360

the whole show sorry about that

2970

01:49:51,990 --> 01:49:50,400

but um

2971

01:49:53,430 --> 01:49:52,000

i was wondering if

2972

01:49:56,470 --> 01:49:53,440

there was um

2973

01:49:59,750 --> 01:49:56,480

a lot of cases where people had

2974

01:50:02,629 --> 01:49:59,760

like ufo sightings perhaps uh around the

2975

01:50:04,070 --> 01:50:02,639

time of a loved one's death

2976

01:50:06,070 --> 01:50:04,080

is that something that

2977

01:50:07,270 --> 01:50:06,080

you guys have heard before i never heard

2978

01:50:09,990 --> 01:50:07,280

of that i never heard of that

2979

01:50:12,310 --> 01:50:10,000

association around but what is often

2980

01:50:14,629 --> 01:50:12,320

seen on deathbed visions

2981

01:50:16,950 --> 01:50:14,639

uh associated with the death of a loved

2982

01:50:21,109 --> 01:50:16,960

one when they see a spirit or ghostly

2983

01:50:23,430 --> 01:50:21,119

image fogginess whatever uh leave

2984

01:50:26,870 --> 01:50:23,440

the body you know at the time of

2985

01:50:29,189 --> 01:50:26,880

physical death uh or that or the design

2986

01:50:32,149 --> 01:50:29,199

the dying and the family members as well

2987

01:50:33,030 --> 01:50:32,159

as hospice workers and medical doctors

2988

01:50:34,790 --> 01:50:33,040

see

2989

01:50:36,950 --> 01:50:34,800

other beings

2990

01:50:38,550 --> 01:50:36,960

in the room with the individual who

2991

01:50:41,030 --> 01:50:38,560

report that that

2992

01:50:44,070 --> 01:50:41,040

hospice workers studies dentistry 95 of

2993

01:50:46,310 --> 01:50:44,080

them say it's unusual when when a dying

2994

01:50:48,149 --> 01:50:46,320

patient does not say they see the

2995

01:50:49,430 --> 01:50:48,159

deceased relatives walking up and down

2996

01:50:51,109 --> 01:50:49,440

their other side some of them see

2997

01:50:53,589 --> 01:50:51,119

relatives up and down touching them with

2998

01:50:55,750 --> 01:50:53,599

their hand on one side the body friends

2999

01:50:57,589 --> 01:50:55,760

on the other side yeah and you get these

3000

01:50:58,790 --> 01:50:57,599

reports i'm not saying this is this is

3001
01:51:01,030 --> 01:50:58,800
what's going to happen to you and me

3002
01:51:02,629 --> 01:51:01,040
that'd be nice way to go out yeah with

3003
01:51:04,310 --> 01:51:02,639
the family around and there's some nice

3004
01:51:07,350 --> 01:51:04,320
music in the background that you you're

3005
01:51:09,430 --> 01:51:07,360
choosing right

3006
01:51:11,910 --> 01:51:09,440
yes there's you know there's there's an

3007
01:51:14,149 --> 01:51:11,920
interesting uh um

3008
01:51:17,030 --> 01:51:14,159
amount of research that whitley streiber

3009
01:51:19,350 --> 01:51:17,040
and his wife ann his late wife ann

3010
01:51:21,990 --> 01:51:19,360
conducted after the communion came out

3011
01:51:24,070 --> 01:51:22,000
and they asked people to write them with

3012
01:51:26,070 --> 01:51:24,080
experiences and one of the

3013
01:51:28,870 --> 01:51:26,080

data points that they found was that

3014

01:51:30,390 --> 01:51:28,880

many people that have experienced

3015

01:51:33,189 --> 01:51:30,400

the so-called abduction

3016

01:51:36,470 --> 01:51:33,199

phenomenon would encounter deceased

3017

01:51:37,910 --> 01:51:36,480

loved ones in some cases

3018

01:51:39,669 --> 01:51:37,920

they didn't even they might have been

3019

01:51:42,310 --> 01:51:39,679

friends that they would encounter in

3020

01:51:43,510 --> 01:51:42,320

these experiences so it was pretty

3021

01:51:45,910 --> 01:51:43,520

unique and i don't think that has been

3022

01:51:50,070 --> 01:51:45,920

brought up much in the research

3023

01:51:53,910 --> 01:51:51,990

yeah right we only had just to let you

3024

01:51:56,790 --> 01:51:53,920

know we have two minutes left

3025

01:51:59,189 --> 01:51:56,800

and uh thank you for the call uh rob um

3026

01:52:00,550 --> 01:51:59,199

so we have two minutes left so i'd like

3027

01:52:03,669 --> 01:52:00,560

in these two minutes that we do have

3028

01:52:05,910 --> 01:52:03,679

left if you want to uh talk about the

3029

01:52:07,990 --> 01:52:05,920

film how people can eventually may be

3030

01:52:09,750 --> 01:52:08,000

able to see it but um how they can help

3031

01:52:11,350 --> 01:52:09,760

you out and where to find the links and

3032

01:52:13,750 --> 01:52:11,360

all that i do have a link in my show

3033

01:52:14,870 --> 01:52:13,760

notes to the conscious film i think it's

3034

01:52:16,629 --> 01:52:14,880

called the consciousness films

3035

01:52:18,390 --> 01:52:16,639

film.intros where they could obtain

3036

01:52:20,390 --> 01:52:18,400

information about the experts see the

3037

01:52:23,750 --> 01:52:20,400

concepts involved questions we were

3038

01:52:26,550 --> 01:52:23,760

asking uh and and if people want to uh

3039

01:52:30,070 --> 01:52:26,560

subscribe that would be wonderful uh to

3040

01:52:31,589 --> 01:52:30,080

and and like and uh do all that stuff

3041

01:52:33,589 --> 01:52:31,599

that uh

3042

01:52:35,510 --> 01:52:33,599

you know if they resonate with it that

3043

01:52:38,229 --> 01:52:35,520

you should do share your opinion and

3044

01:52:40,629 --> 01:52:38,239

also financially uh support us if you

3045

01:52:42,709 --> 01:52:40,639

resonate with with the message here we

3046

01:52:43,990 --> 01:52:42,719

don't want to beg and ask for everybody

3047

01:52:46,709 --> 01:52:44,000

please give us money that's not the

3048

01:52:48,310 --> 01:52:46,719

point only if you feel really if you

3049

01:52:50,149 --> 01:52:48,320

want to give us money please do so

3050

01:52:52,870 --> 01:52:50,159

whatever for whatever reason but

3051
01:52:54,229 --> 01:52:52,880
especially is important to us that you

3052
01:52:55,830 --> 01:52:54,239
resonate with it and you feel like

3053
01:52:58,070 --> 01:52:55,840
you're contributing something important

3054
01:53:00,070 --> 01:52:58,080
that we all share too dave and i we want

3055
01:53:01,910 --> 01:53:00,080
to as a passion project we spent a lot

3056
01:53:03,669 --> 01:53:01,920
of money on our own individually because

3057
01:53:05,750 --> 01:53:03,679
we believe with fierce determination

3058
01:53:07,109 --> 01:53:05,760
that this is important for a paradigm

3059
01:53:09,830 --> 01:53:07,119
shift to occur

3060
01:53:12,390 --> 01:53:09,840
and we have a lot of experts on board

3061
01:53:15,109 --> 01:53:12,400
okay well we're out of time and i i do

3062
01:53:16,790 --> 01:53:15,119
want to say that dave makes wonderful

3063
01:53:19,669 --> 01:53:16,800

films so

3064

01:53:20,550 --> 01:53:19,679

the qual quality is top-notch top-notch

3065

01:53:22,149 --> 01:53:20,560

yes

3066

01:53:23,589 --> 01:53:22,159

i'm glad you chose him really glad it

3067

01:53:25,510 --> 01:53:23,599

worked thank you

3068

01:53:27,270 --> 01:53:25,520

so much yeah we appreciate that yeah

3069

01:53:29,030 --> 01:53:27,280

that's right we'll talk about these

3070

01:53:31,189 --> 01:53:29,040

interesting subjects

3071

01:53:34,229 --> 01:53:31,199

thank you so much all right take care

3072

01:53:36,390 --> 01:53:34,239

both of you all right so we will be back

3073

01:53:37,589 --> 01:53:36,400

next week i have to pronounce his name

3074

01:53:40,470 --> 01:53:37,599

and it is

3075

01:53:41,830 --> 01:53:40,480

ooh deuce i just dropped it um

3076

01:53:46,790 --> 01:53:41,840

alan

3077

01:53:49,589 --> 01:53:46,800

it's about uh next week it's about a

3078

01:53:51,589 --> 01:53:49,599

film that he's make made and it's about

3079

01:53:53,669 --> 01:53:51,599

get this the ufo

3080

01:53:55,589 --> 01:53:53,679

bigfoot connection i know that sounds

3081

01:53:57,430 --> 01:53:55,599

really weird but there's a lot of people

3082

01:54:00,149 --> 01:53:57,440

who have talked about that type of

3083

01:54:03,030 --> 01:54:00,159

situation thank you everyone very much

3084

01:54:05,420 --> 01:54:03,040

and again we'll be back next week and

3085

01:54:16,670 --> 01:54:05,430

keep your eyes to the sky
