

The background of the image is a deep space scene. On the left, a large portion of the Earth is visible, showing green continents and brownish-red landmasses. To the right, the Moon is seen in a blue-tinted light against the dark blue and black of space, which is filled with small white stars.

# Need to Know YouTube

with Coulthart and Zabel

1  
00:00:06,650 --> 00:00:03,249  
foreign

2  
00:00:09,589 --> 00:00:06,660  
Martin Willis here I'm doing this little

3  
00:00:13,190 --> 00:00:09,599  
Public Service Announcement there's a

4  
00:00:14,870 --> 00:00:13,200  
wonderful new podcast and show on

5  
00:00:16,609 --> 00:00:14,880  
YouTube that I would love all my

6  
00:00:20,269 --> 00:00:16,619  
listeners who are interested in the UAP

7  
00:00:22,130 --> 00:00:20,279  
UFO topic to check out two past guests

8  
00:00:25,670 --> 00:00:22,140  
who I think are absolutely brilliant in

9  
00:00:28,550 --> 00:00:25,680  
moving the needle forward are a Ross

10  
00:00:31,490 --> 00:00:28,560  
coldheart and Bryce zabel and they have

11  
00:00:34,370 --> 00:00:31,500  
a need to know uh podcast and show in

12  
00:00:36,830 --> 00:00:34,380  
YouTube and check it out the links are

13  
00:00:39,410 --> 00:00:36,840

below in the text I'm going to play this

14

00:00:40,070 --> 00:00:39,420

clip now that they gave me permission to

15

00:00:46,990 --> 00:00:40,080

use

16

00:00:47,000 --> 00:00:52,600

thank you

17

00:00:59,990 --> 00:00:56,689

[Music]

18

00:01:03,170 --> 00:01:00,000

my name is Ross Coulter and my colleague

19

00:01:05,630 --> 00:01:03,180

in crime and good buddy is Grace zabel

20

00:01:07,550 --> 00:01:05,640

in Los Angeles how are you Bryce I'm

21

00:01:08,570 --> 00:01:07,560

doing great it's great to be here and by

22

00:01:10,310 --> 00:01:08,580

the way

23

00:01:13,190 --> 00:01:10,320

um for those of you who are keeping

24

00:01:15,950 --> 00:01:13,200

count this is our fifth uh need to know

25

00:01:18,050 --> 00:01:15,960

podcast and Russ people said it wouldn't

26  
00:01:20,390 --> 00:01:18,060  
last but we've made it a month

27  
00:01:22,730 --> 00:01:20,400  
now Bryce I've got a guilty pleasure to

28  
00:01:25,370 --> 00:01:22,740  
confess in the middle of the night I'm

29  
00:01:28,550 --> 00:01:25,380  
known to go to my computer and look at

30  
00:01:31,210 --> 00:01:28,560  
quite profound images on my computer

31  
00:01:34,910 --> 00:01:31,220  
and it's not what you think I am

32  
00:01:37,910 --> 00:01:34,920  
obsessed absolutely obsessed with the

33  
00:01:40,310 --> 00:01:37,920  
James Webb Telescope oh thank God thank

34  
00:01:45,170 --> 00:01:40,320  
God you said that I was okay all right

35  
00:01:47,749 --> 00:01:45,180  
okay right right now about a 863

36  
00:01:50,630 --> 00:01:47,759  
000 miles away there is this absolute

37  
00:01:53,030 --> 00:01:50,640  
Miracle of human engineering it's a

38  
00:01:56,270 --> 00:01:53,040

Marvel scientific Enterprise power

39

00:01:59,389 --> 00:01:56,280

Excellence it's chugging its way to an

40

00:02:01,310 --> 00:01:59,399

orbit that'll be a Million Miles Away on

41

00:02:02,929 --> 00:02:01,320

the other side of the moon away from the

42

00:02:05,990 --> 00:02:02,939

glare of the sun and the reflection of

43

00:02:08,389 --> 00:02:06,000

the earth and it's going to do amazing

44

00:02:10,850 --> 00:02:08,399

things and I I guess at these somewhat

45

00:02:13,130 --> 00:02:10,860

dark times when we're looking at Putin

46

00:02:16,070 --> 00:02:13,140

amassing troops on the border with the

47

00:02:19,070 --> 00:02:16,080

Ukraine president Z getting increasingly

48

00:02:21,229 --> 00:02:19,080

bellicose over Taiwan I think it's good

49

00:02:23,089 --> 00:02:21,239

to remind ourselves that there are some

50

00:02:25,610 --> 00:02:23,099

pretty amazing things in the world and

51  
00:02:27,949 --> 00:02:25,620  
the James Webb Telescope is just such a

52  
00:02:31,009 --> 00:02:27,959  
miracle of modern engineering and

53  
00:02:33,229 --> 00:02:31,019  
fingers is crust crossed touch wood I

54  
00:02:37,630 --> 00:02:33,239  
hope it gets there and I hope soon we're

55  
00:02:40,550 --> 00:02:37,640  
seeing images that may very well record

56  
00:02:44,390 --> 00:02:40,560  
interesting things perhaps even evidence

57  
00:02:46,210 --> 00:02:44,400  
of other non-intel other intelligent

58  
00:02:48,589 --> 00:02:46,220  
non-human life

59  
00:02:50,630 --> 00:02:48,599  
impossibly in a future podcast we'll get

60  
00:02:53,030 --> 00:02:50,640  
into the Ancient Aliens aspect of all

61  
00:02:56,570 --> 00:02:53,040  
this but for for our purposes I would

62  
00:02:58,910 --> 00:02:56,580  
say 1945 and the Foo Fighters uh and and

63  
00:03:01,130 --> 00:02:58,920

the fact that American Pilots saw these

64

00:03:03,229 --> 00:03:01,140

things and thought that they were German

65

00:03:05,270 --> 00:03:03,239

but after the war we realized the

66

00:03:08,089 --> 00:03:05,280

Germans thought they were ours and

67

00:03:09,710 --> 00:03:08,099

nobody had any idea whose they were that

68

00:03:12,530 --> 00:03:09,720

makes it a pretty profound thing that

69

00:03:15,490 --> 00:03:12,540

was happening even in the final days of

70

00:03:17,809 --> 00:03:15,500

World War II and of course Foo Fighters

71

00:03:20,809 --> 00:03:17,819

also gave us the name of the band so

72

00:03:23,710 --> 00:03:20,819

that was a good added bonus so all good

73

00:03:26,630 --> 00:03:23,720

now I want you to bear in mind listeners

74

00:03:28,550 --> 00:03:26,640

the key observations that were made by

75

00:03:30,229 --> 00:03:28,560

pilots that saw these things the air

76

00:03:32,809 --> 00:03:30,239

crew that saw these things back during

77

00:03:35,210 --> 00:03:32,819

the second world war they were wingless

78

00:03:38,210 --> 00:03:35,220

they were tailless they had no visible

79

00:03:40,729 --> 00:03:38,220

exhaust no visible propulsion system

80

00:03:43,729 --> 00:03:40,739

and then roll forward a year I've been

81

00:03:46,490 --> 00:03:43,739

doing some research Bryce into what were

82

00:03:49,330 --> 00:03:46,500

called ghost Rockets which were these

83

00:03:53,750 --> 00:03:49,340

thousands of objects cited all over

84

00:03:57,050 --> 00:03:53,760

Scandinavia in 1946 a year after the war

85

00:03:59,809 --> 00:03:57,060

ended and all over Scandinavia there was

86

00:04:03,289 --> 00:03:59,819

a almost a public Panic that occurred in

87

00:04:06,830 --> 00:04:03,299

the summer of 1946 across Scandinavia

88

00:04:09,949 --> 00:04:06,840

Sweden Finland Norway people were seeing

89

00:04:14,330 --> 00:04:09,959

these weird objects that were in the sky

90

00:04:17,150 --> 00:04:14,340

no wings no tail same thing again and

91

00:04:19,550 --> 00:04:17,160

they sometimes described them as having

92

00:04:22,310 --> 00:04:19,560

a fiery tale but they were all

93

00:04:26,330 --> 00:04:22,320

consistently described doing incredible

94

00:04:28,010 --> 00:04:26,340

Maneuvers type turns extreme speeds

95

00:04:30,830 --> 00:04:28,020

turning on a dime

96

00:04:33,770 --> 00:04:30,840

that they were never ever properly

97

00:04:36,110 --> 00:04:33,780

explained they never were and in fact

98

00:04:37,850 --> 00:04:36,120

the United States sent some of our top

99

00:04:41,390 --> 00:04:37,860

generals over there including Doolittle

100

00:04:43,310 --> 00:04:41,400

to look into it and uh while the Swedish

101  
00:04:45,170 --> 00:04:43,320  
government did look very heavily into

102  
00:04:46,850 --> 00:04:45,180  
this and there were thousands of these

103  
00:04:49,730 --> 00:04:46,860  
sightings as you mentioned there were

104  
00:04:51,350 --> 00:04:49,740  
even reports of Landings and and all

105  
00:04:53,330 --> 00:04:51,360  
kinds of Maneuvers

106  
00:04:55,370 --> 00:04:53,340  
um the Swedish government at the end of

107  
00:04:57,830 --> 00:04:55,380  
that at least released the announce of

108  
00:04:59,930 --> 00:04:57,840  
their investigation many of our uh memos

109  
00:05:03,710 --> 00:04:59,940  
that were written got classified some of

110  
00:05:03,720 --> 00:05:30,830  
encounters

111  
00:05:30,840 --> 00:05:36,050  
thank you

112  
00:05:36,060 --> 00:05:40,170  
foreign

113  
00:05:40,180 --> 00:05:49,249

[Music]

114

00:05:54,830 --> 00:05:51,890

so again check out the show need to know

115

00:05:56,510 --> 00:05:54,840

with cold heart and Sable and all the

116

00:05:59,210 --> 00:05:56,520

links are right down there in the show

117

00:06:01,230 --> 00:05:59,220

text thank you and remember

118

00:06:08,330 --> 00:06:01,240

Keep Your Eyes to the Sky

119

00:06:08,340 --> 00:06:11,720

foreign
