

#492

THE
**BIGFOOT
ALIEN
CONNECTION
REVEALED**

RON MEYER

ALAN MEGARGLE

1
00:01:00,069 --> 00:00:06,230

[Music]

2
00:01:04,229 --> 00:01:02,470
hello and welcome to the show

3
00:01:06,789 --> 00:01:04,239
my name is martin willis i'm your host

4
00:01:08,710 --> 00:01:06,799
tonight and it's gonna be kind of an

5
00:01:11,190 --> 00:01:08,720
unusual show a lot of times we talk

6
00:01:13,030 --> 00:01:11,200
about like nuts and bolts ufos things

7
00:01:15,030 --> 00:01:13,040
like that we're gonna be talking kind of

8
00:01:17,510 --> 00:01:15,040
a full range

9
00:01:19,990 --> 00:01:17,520
since i've been doing the show i've had

10
00:01:22,230 --> 00:01:20,000
a number of people ask me you know what

11
00:01:24,789 --> 00:01:22,240
is the connection between

12
00:01:27,270 --> 00:01:24,799
ufos and bigfoot because they seem to

13
00:01:29,910 --> 00:01:27,280

happen in the same area

14
00:01:31,749 --> 00:01:29,920
and uh repeat guest stan gordon has been

15
00:01:34,630 --> 00:01:31,759
on the show a number of times back in

16
00:01:37,670 --> 00:01:34,640
1973 did some really good work

17
00:01:40,069 --> 00:01:37,680
on that uh stellar work

18
00:01:42,630 --> 00:01:40,079
and uh so there is has been that

19
00:01:43,590 --> 00:01:42,640
question now um i'd like to keep an open

20
00:01:46,230 --> 00:01:43,600
mind

21
00:01:47,350 --> 00:01:46,240
uh i i never say i know what things are

22
00:01:49,830 --> 00:01:47,360
i never say

23
00:01:52,870 --> 00:01:49,840
you know for sure they're alien for sure

24
00:01:55,270 --> 00:01:52,880
they're this interdimensional that or

25
00:01:56,950 --> 00:01:55,280
whatever i just try to you know hear

26

00:02:00,230 --> 00:01:56,960

people's opinions and things like that

27

00:02:02,230 --> 00:02:00,240

we have two uh very interesting guests

28

00:02:04,069 --> 00:02:02,240

for that tonight ron meyer and alan

29

00:02:05,510 --> 00:02:04,079

mcgargle and they're going to be talking

30

00:02:07,350 --> 00:02:05,520

about they have uh

31

00:02:09,589 --> 00:02:07,360

several films some they're working on

32

00:02:11,510 --> 00:02:09,599

right now

33

00:02:13,910 --> 00:02:11,520

regarding this topic and we're going to

34

00:02:16,949 --> 00:02:13,920

be talking about all that and

35

00:02:18,390 --> 00:02:16,959

it should be a fascinating show our blog

36

00:02:22,070 --> 00:02:18,400

this week is a

37

00:02:24,070 --> 00:02:22,080

19 it's called a 1976 ufo account

38

00:02:26,630 --> 00:02:24,080

encounter in kentucky

39

00:02:29,589 --> 00:02:26,640

and another great well-researched blog

40

00:02:32,070 --> 00:02:29,599

by charles lear who by the way is uh

41

00:02:33,509 --> 00:02:32,080

is i think his book is just about done

42

00:02:34,790 --> 00:02:33,519

and when he gets that completed we're

43

00:02:36,869 --> 00:02:34,800

going to have him on the show to talk

44

00:02:39,350 --> 00:02:36,879

about it help him out with his does such

45

00:02:41,910 --> 00:02:39,360

great work i'm glad to have him and uh

46

00:02:44,070 --> 00:02:41,920

glad to have the great work he does

47

00:02:45,190 --> 00:02:44,080

and it's always put out or most of the

48

00:02:50,670 --> 00:02:45,200

time

49

00:02:53,750 --> 00:02:50,680

blog which if you follow our podcasts on

50

00:02:56,869 --> 00:02:53,760

podcastufo.com you'll get that rss feed

51
00:02:59,910 --> 00:02:56,879
for your uh podcast player or you're on

52
00:03:02,149 --> 00:02:59,920
our youtube channel that's all on there

53
00:03:03,350 --> 00:03:02,159
i believe i have a show coming up not

54
00:03:06,070 --> 00:03:03,360
this

55
00:03:07,270 --> 00:03:06,080
coming sunday but the sunday after

56
00:03:09,190 --> 00:03:07,280
and uh

57
00:03:11,030 --> 00:03:09,200
on the everything else show so if you

58
00:03:12,390 --> 00:03:11,040
want to see what's going on with that i

59
00:03:14,390 --> 00:03:12,400
really don't have a mailing list for

60
00:03:16,550 --> 00:03:14,400
that all you have to do is subscribe to

61
00:03:18,390 --> 00:03:16,560
the youtube channel it's youtube only so

62
00:03:19,990 --> 00:03:18,400
that's where i talk about all kinds of

63
00:03:21,830 --> 00:03:20,000

things on that show

64

00:03:24,149 --> 00:03:21,840

and without further ado i'm going to

65

00:03:26,309 --> 00:03:24,159

bring in my two guests well first of all

66

00:03:28,070 --> 00:03:26,319

i do want to thank you all for listening

67

00:03:30,470 --> 00:03:28,080

to the show or watching it on youtube

68

00:03:32,550 --> 00:03:30,480

however you watch it and thank you for

69

00:03:34,509 --> 00:03:32,560

those of you who support the show uh

70

00:03:36,550 --> 00:03:34,519

anyone can do that over at

71

00:03:38,949 --> 00:03:36,560

podcastufo.com you'll see our patreon

72

00:03:41,190 --> 00:03:38,959

link and i appreciate uh whether you can

73

00:03:43,990 --> 00:03:41,200

or not uh pass the show along if you

74

00:03:47,270 --> 00:03:44,000

find it interesting and again thank you

75

00:03:50,550 --> 00:03:47,280

very much and here we go how you doing i

76
00:03:51,509 --> 00:03:50,560
have ron meyer welcome to the show ron

77
00:03:52,789 --> 00:03:51,519
good evening

78
00:03:55,509 --> 00:03:52,799
and i'm marlon

79
00:03:59,350 --> 00:03:55,519
yes hi ellen uh alan i believe i spoke

80
00:04:01,750 --> 00:03:59,360
with you first when it came to uh this i

81
00:04:03,830 --> 00:04:01,760
i don't remember how we connected

82
00:04:04,710 --> 00:04:03,840
first but i thought it would be it seems

83
00:04:06,309 --> 00:04:04,720
like

84
00:04:07,830 --> 00:04:06,319
you you two and you connecting me with

85
00:04:09,910 --> 00:04:07,840
ron it seems like you two would be the

86
00:04:11,670 --> 00:04:09,920
people to talk to when it comes to the

87
00:04:15,270 --> 00:04:11,680
connection between

88
00:04:16,310 --> 00:04:15,280

uh the ufos and bigfoot that we hear

89

00:04:17,830 --> 00:04:16,320

about oh

90

00:04:19,509 --> 00:04:17,840

and uh i've

91

00:04:21,830 --> 00:04:19,519

talked to you off air about this person

92

00:04:23,350 --> 00:04:21,840

i spoke to they that person also said

93

00:04:25,510 --> 00:04:23,360

they see orbs

94

00:04:28,150 --> 00:04:25,520

and and hopefully that person will be

95

00:04:29,749 --> 00:04:28,160

calling in tonight this is uh someone

96

00:04:32,790 --> 00:04:29,759

just a little backstory about what i'm

97

00:04:33,830 --> 00:04:32,800

talking about i sat next to a lady on a

98

00:04:36,790 --> 00:04:33,840

airplane

99

00:04:37,909 --> 00:04:36,800

and uh we were chatting and i finally

100

00:04:38,790 --> 00:04:37,919

said to her

101
00:04:40,390 --> 00:04:38,800
uh

102
00:04:41,670 --> 00:04:40,400
felt courageous enough that you don't

103
00:04:42,710 --> 00:04:41,680
have to feel so worried about it these

104
00:04:45,590 --> 00:04:42,720
days but

105
00:04:47,110 --> 00:04:45,600
anyway i said i do a show on ufos you

106
00:04:49,270 --> 00:04:47,120
know what do you think of that that

107
00:04:50,790 --> 00:04:49,280
topic and she said well i have i don't

108
00:04:52,629 --> 00:04:50,800
really know it's interesting i really

109
00:04:55,350 --> 00:04:52,639
don't know much about it but i have a

110
00:04:57,270 --> 00:04:55,360
friend that uh has sasquatch

111
00:04:59,110 --> 00:04:57,280
a whole troop of them that come to her

112
00:05:01,510 --> 00:04:59,120
cabin in washington

113
00:05:03,430 --> 00:05:01,520

so today i spoke with that person on the

114

00:05:05,670 --> 00:05:03,440

phone and it's fascinating i hope she

115

00:05:08,070 --> 00:05:05,680

does call in in the last half hour and

116

00:05:09,590 --> 00:05:08,080

explain what what she knows out there so

117

00:05:11,510 --> 00:05:09,600

i'm going to start we'll start with you

118

00:05:13,990 --> 00:05:11,520

alan's as i mentioned you first i want

119

00:05:16,070 --> 00:05:14,000

you to go ahead if you would and uh

120

00:05:19,189 --> 00:05:16,080

give us your background and what got you

121

00:05:20,070 --> 00:05:19,199

interested in this topic to begin with

122

00:05:21,990 --> 00:05:20,080

sure

123

00:05:23,430 --> 00:05:22,000

yeah so um i've been interested in this

124

00:05:25,430 --> 00:05:23,440

kind of stuff since i was a little kid

125

00:05:26,870 --> 00:05:25,440

me and my best friend used to you know

126
00:05:29,110 --> 00:05:26,880
fantasize we saw a bigfoot in the

127
00:05:31,430 --> 00:05:29,120
backyard and then we watched all the tv

128
00:05:33,350 --> 00:05:31,440
shows back in the 90s sightings and

129
00:05:34,950 --> 00:05:33,360
search up and those kinds of things so

130
00:05:37,350 --> 00:05:34,960
i've been interested in it for quite a

131
00:05:39,270 --> 00:05:37,360
while um there was a point where

132
00:05:40,950 --> 00:05:39,280
i did some things in the adirondack

133
00:05:42,070 --> 00:05:40,960
mountains of upstate new york where my

134
00:05:43,590 --> 00:05:42,080
parents live

135
00:05:45,590 --> 00:05:43,600
and had a um

136
00:05:48,150 --> 00:05:45,600
a potential bigfoot encounter and it

137
00:05:49,749 --> 00:05:48,160
sort of sparked my interest even more

138
00:05:51,350 --> 00:05:49,759

when i got back to ohio where i'm

139

00:05:52,469 --> 00:05:51,360

originally from

140

00:05:53,909 --> 00:05:52,479

we

141

00:05:55,510 --> 00:05:53,919

me and my buddy connected with the

142

00:05:57,990 --> 00:05:55,520

bigfoot community there the ohio bigfoot

143

00:06:01,270 --> 00:05:58,000

conference and some some other folks and

144

00:06:03,350 --> 00:06:01,280

it kind of took off from there i i

145

00:06:04,790 --> 00:06:03,360

did a lot of research with some bfro and

146

00:06:08,070 --> 00:06:04,800

eventually became part of the bigfoot

147

00:06:09,990 --> 00:06:08,080

field researchers organization

148

00:06:11,990 --> 00:06:10,000

i ran a campout weekend with my buddy

149

00:06:13,590 --> 00:06:12,000

called bigfoot adventure weekends and

150

00:06:15,430 --> 00:06:13,600

we just had a had a lot of things going

151

00:06:17,510 --> 00:06:15,440

on and then i met ron

152

00:06:19,749 --> 00:06:17,520

who was doing a film project on it and

153

00:06:21,909 --> 00:06:19,759

we sort of connected and ended up moving

154

00:06:23,990 --> 00:06:21,919

out to colorado where he is

155

00:06:25,749 --> 00:06:24,000

and we decided to partner up on some

156

00:06:28,070 --> 00:06:25,759

things and and take a deeper look at

157

00:06:30,309 --> 00:06:28,080

this and and now we're you know putting

158

00:06:31,990 --> 00:06:30,319

some connections together that a lot of

159

00:06:34,230 --> 00:06:32,000

people didn't necessarily want to put

160

00:06:36,309 --> 00:06:34,240

together so we're kind of looking at

161

00:06:37,510 --> 00:06:36,319

things differently now so

162

00:06:39,510 --> 00:06:37,520

how about that

163

00:06:41,749 --> 00:06:39,520

very good and ron how about yourself

164

00:06:43,350 --> 00:06:41,759

what got you interested in this topic

165

00:06:46,469 --> 00:06:43,360

was it meeting up

166

00:06:48,870 --> 00:06:46,479

um wait a minute you met at a conference

167

00:06:51,029 --> 00:06:48,880

so you had an interest in this before

168

00:06:52,710 --> 00:06:51,039

no actually i was hired to do

169

00:06:55,430 --> 00:06:52,720

a series on

170

00:06:56,950 --> 00:06:55,440

the nature of bigfoot but earlier when i

171

00:06:59,189 --> 00:06:56,960

was a kid

172

00:07:00,950 --> 00:06:59,199

i grew up in wisconsin when there was a

173

00:07:03,350 --> 00:07:00,960

little light pollution i was obsessed

174

00:07:06,230 --> 00:07:03,360

with looking to the heavens built myself

175

00:07:07,749 --> 00:07:06,240

a six inch telescope around the mirror

176
00:07:10,790 --> 00:07:07,759
itself

177
00:07:13,189 --> 00:07:10,800
and came within half a day of having a

178
00:07:15,589 --> 00:07:13,199
comet named after me photographed the

179
00:07:18,390 --> 00:07:15,599
first passing of sputnik

180
00:07:19,670 --> 00:07:18,400
and i was obsessed with ufos when i was

181
00:07:22,550 --> 00:07:19,680
a teenager

182
00:07:25,510 --> 00:07:22,560
and i think i had a classic type of

183
00:07:27,990 --> 00:07:25,520
ufo encounter standing on top of my

184
00:07:29,510 --> 00:07:28,000
garage where i built a platform to put

185
00:07:31,749 --> 00:07:29,520
my telescope

186
00:07:33,029 --> 00:07:31,759
falls forward to about seven eight years

187
00:07:35,909 --> 00:07:33,039
ago i was

188
00:07:37,670 --> 00:07:35,919

hired to do a program a series called

189

00:07:39,430 --> 00:07:37,680

chasing bigfoot

190

00:07:41,110 --> 00:07:39,440

about the phenomena of bigfoot which has

191

00:07:42,950 --> 00:07:41,120

done very well

192

00:07:44,790 --> 00:07:42,960

but towards the end of it you know i

193

00:07:47,670 --> 00:07:44,800

never really believed

194

00:07:49,350 --> 00:07:47,680

that there was actually some sort of

195

00:07:52,790 --> 00:07:49,360

advanced

196

00:07:57,510 --> 00:07:52,800

ape you might say running around

197

00:08:02,070 --> 00:07:59,189

keeps itself hidden yet kind of

198

00:08:03,029 --> 00:08:02,080

interacts in in half-assed ways

199

00:08:04,790 --> 00:08:03,039

um

200

00:08:07,110 --> 00:08:04,800

and then somebody somebody i was

201
00:08:09,029 --> 00:08:07,120
interviewing towards the end said well i

202
00:08:12,309 --> 00:08:09,039
think you know that

203
00:08:13,909 --> 00:08:12,319
that bigfoot is actually paraphysical

204
00:08:15,990 --> 00:08:13,919
which would mean

205
00:08:17,830 --> 00:08:16,000
something we could say a non-human

206
00:08:20,390 --> 00:08:17,840
intelligence which

207
00:08:23,430 --> 00:08:20,400
probably would be classified as what

208
00:08:25,830 --> 00:08:23,440
aliens and ufos are about as a non-human

209
00:08:27,430 --> 00:08:25,840
intelligence so that was the beginning

210
00:08:30,230 --> 00:08:27,440
of the merger

211
00:08:32,230 --> 00:08:30,240
and as a result of that i thought well

212
00:08:34,310 --> 00:08:32,240
since i am a film producer of many years

213
00:08:36,230 --> 00:08:34,320

maybe i'll do i'm interested in this i

214

00:08:38,389 --> 00:08:36,240

got to explore

215

00:08:39,269 --> 00:08:38,399

more what the possible connection would

216

00:08:40,870 --> 00:08:39,279

be

217

00:08:43,269 --> 00:08:40,880

and that was the film called the bigfoot

218

00:08:44,949 --> 00:08:43,279

alien connection revealed

219

00:08:47,350 --> 00:08:44,959

which has been

220

00:08:49,190 --> 00:08:47,360

a runaway success i think over 4 million

221

00:08:50,949 --> 00:08:49,200

views across multiple

222

00:08:53,670 --> 00:08:50,959

streaming platforms

223

00:08:56,470 --> 00:08:53,680

and i did that in conjunction with allen

224

00:09:00,150 --> 00:08:56,480

and that became the basis of our new

225

00:09:03,910 --> 00:09:02,310

wow yeah uh i'm not sure if we can do

226

00:09:05,829 --> 00:09:03,920

anything about your audio they're

227

00:09:07,990 --> 00:09:05,839

definitely we're all noticing it it's

228

00:09:10,470 --> 00:09:08,000

it's pretty bad uh maybe yeah maybe if

229

00:09:11,990 --> 00:09:10,480

you're closer try that now

230

00:09:13,910 --> 00:09:12,000

we'll get you right up in the camera but

231

00:09:16,550 --> 00:09:13,920

still it's the audio we're concerned

232

00:09:19,030 --> 00:09:16,560

about the most well the uh

233

00:09:20,710 --> 00:09:19,040

the mic is in the camera or the webcam

234

00:09:21,910 --> 00:09:20,720

is that any better yeah that is better

235

00:09:23,910 --> 00:09:21,920

so we're going to have to have you that

236

00:09:26,710 --> 00:09:23,920

close up throughout the show

237

00:09:28,310 --> 00:09:26,720

um and so that's just that's just fine

238

00:09:30,710 --> 00:09:28,320

thank you for doing that oh that'll work

239

00:09:32,870 --> 00:09:30,720

just fine um because i really do want to

240

00:09:34,470 --> 00:09:32,880

take calls so that's uh the only other

241

00:09:36,790 --> 00:09:34,480

way if your mic fails on you we have to

242

00:09:38,470 --> 00:09:36,800

have you call in and there's only one

243

00:09:42,470 --> 00:09:38,480

one line but you but you're good you're

244

00:09:44,470 --> 00:09:42,480

good so uh let's see so as far as uh

245

00:09:46,949 --> 00:09:44,480

i watched the

246

00:09:49,430 --> 00:09:46,959

the uh bigfoot encounter

247

00:09:51,990 --> 00:09:49,440

uh the what um say the title of that if

248

00:09:56,550 --> 00:09:54,230

the bigfoot alien connection revealed

249

00:09:57,670 --> 00:09:56,560

that's right yeah so i watched that and

250

00:09:59,190 --> 00:09:57,680

i thought it was

251
00:10:01,509 --> 00:09:59,200
you know uh

252
00:10:03,430 --> 00:10:01,519
for the most part really interesting i i

253
00:10:04,710 --> 00:10:03,440
thought you know to be honest with you

254
00:10:06,790 --> 00:10:04,720
there was a couple things that i thought

255
00:10:09,509 --> 00:10:06,800
were reaching a little bit

256
00:10:11,910 --> 00:10:09,519
you know and uh but you know i know that

257
00:10:13,910 --> 00:10:11,920
gets a big audience i know that too

258
00:10:16,389 --> 00:10:13,920
you know people are fascinated by that

259
00:10:17,430 --> 00:10:16,399
and you know i mean we really have to

260
00:10:19,590 --> 00:10:17,440
also

261
00:10:20,470 --> 00:10:19,600
realize

262
00:10:22,069 --> 00:10:20,480
uh

263
00:10:23,430 --> 00:10:22,079

you know when you're talking about this

264

00:10:25,350 --> 00:10:23,440

type of topic

265

00:10:27,110 --> 00:10:25,360

the number one thing people want the

266

00:10:29,750 --> 00:10:27,120

nuts and bolts they want evidence they

267

00:10:32,550 --> 00:10:29,760

want to you know where where is that and

268

00:10:33,430 --> 00:10:32,560

and and just just let me show this uh to

269

00:10:39,430 --> 00:10:33,440

the

270

00:10:40,870 --> 00:10:39,440

on video this is a stabilized video of

271

00:10:41,910 --> 00:10:40,880

the only

272

00:10:45,350 --> 00:10:41,920

really

273

00:10:52,150 --> 00:10:45,360

good video the patterson gimlin 1967.

274

00:10:52,160 --> 00:10:55,750

and you can see you can see that

275

00:11:00,389 --> 00:10:57,829

i know there has been

276
00:11:01,350 --> 00:11:00,399
a lot of this slow motion there's been a

277
00:11:03,190 --> 00:11:01,360
lot of

278
00:11:05,509 --> 00:11:03,200
people that have tried

279
00:11:07,509 --> 00:11:05,519
to analyze this to see if that is

280
00:11:09,269 --> 00:11:07,519
someone in a gorilla suit and you know

281
00:11:11,990 --> 00:11:09,279
what the anatomy

282
00:11:14,870 --> 00:11:12,000
of a human human being does not line up

283
00:11:18,550 --> 00:11:14,880
with the joints and things like that so

284
00:11:20,069 --> 00:11:18,560
it's uh it's fascinating to think that

285
00:11:22,389 --> 00:11:20,079
that that could be the real film now

286
00:11:24,150 --> 00:11:22,399
i've seen you i'm sure you have seen

287
00:11:25,670 --> 00:11:24,160
other films of people

288
00:11:27,190 --> 00:11:25,680

showing

289

00:11:29,269 --> 00:11:27,200

and it's just

290

00:11:30,630 --> 00:11:29,279

i don't know if those are real

291

00:11:32,550 --> 00:11:30,640

you know there's little glimpses and

292

00:11:34,790 --> 00:11:32,560

things like that but for instance you

293

00:11:37,110 --> 00:11:34,800

know my my thought is right now okay

294

00:11:38,550 --> 00:11:37,120

this woman i spoke to earlier and she

295

00:11:41,350 --> 00:11:38,560

had to get off the phone quickly because

296

00:11:44,230 --> 00:11:41,360

she had an appointment but it was

297

00:11:47,670 --> 00:11:44,240

uh why don't we see video why don't we

298

00:11:49,670 --> 00:11:47,680

see pictures of these that's kind of

299

00:11:50,790 --> 00:11:49,680

does either one of you want to connect i

300

00:11:53,350 --> 00:11:50,800

mean uh

301

00:11:55,829 --> 00:11:53,360

uh take that topic

302

00:11:58,870 --> 00:11:55,839

why not really good video i i think that

303

00:12:01,190 --> 00:11:58,880

it's just it's just not possible there's

304

00:12:01,990 --> 00:12:01,200

there's something sort of non-scientific

305

00:12:04,230 --> 00:12:02,000

about

306

00:12:06,470 --> 00:12:04,240

you know the experiences that people are

307

00:12:08,310 --> 00:12:06,480

having with all this that are just

308

00:12:10,550 --> 00:12:08,320

they're they're not tangible in that way

309

00:12:12,870 --> 00:12:10,560

it's not meant for everyone it's meant

310

00:12:15,350 --> 00:12:12,880

for the individual whatever type of

311

00:12:18,870 --> 00:12:15,360

experiences it's been and i can let ron

312

00:12:21,030 --> 00:12:18,880

elaborate on on sort of what i mean

313

00:12:23,110 --> 00:12:21,040

yeah go ahead i mean

314

00:12:25,590 --> 00:12:23,120

i think the same is true for

315

00:12:27,990 --> 00:12:25,600

let's say crap alien craft types of

316

00:12:31,190 --> 00:12:28,000

experiences right there they're not very

317

00:12:34,389 --> 00:12:31,200

many really good pictures or videos of

318

00:12:35,829 --> 00:12:34,399

of alien craft unless you know some that

319

00:12:37,750 --> 00:12:35,839

i don't

320

00:12:39,350 --> 00:12:37,760

you know the tic tac ones are quite

321

00:12:42,069 --> 00:12:39,360

interesting and probably

322

00:12:43,509 --> 00:12:42,079

i've heard that that the um

323

00:12:45,829 --> 00:12:43,519

those are some of the worst pictures so

324

00:12:47,190 --> 00:12:45,839

maybe there are better ones

325

00:12:49,590 --> 00:12:47,200

but

326

00:12:51,990 --> 00:12:49,600

there are multiple ways to experience

327

00:12:54,150 --> 00:12:52,000

paranormal phenomena including bigfoot

328

00:12:55,750 --> 00:12:54,160

they're at least associated with them so

329

00:12:57,670 --> 00:12:55,760

i'm i'm not saying

330

00:12:58,870 --> 00:12:57,680

i don't think we're saying

331

00:13:00,710 --> 00:12:58,880

that

332

00:13:03,910 --> 00:13:00,720

this creature

333

00:13:05,990 --> 00:13:03,920

is something like you could film

334

00:13:07,750 --> 00:13:06,000

you could you like you film a gorilla

335

00:13:08,629 --> 00:13:07,760

because it's not it doesn't have that

336

00:13:13,030 --> 00:13:08,639

nature

337

00:13:14,790 --> 00:13:13,040

it's paraphysical supernatural whatever

338

00:13:17,269 --> 00:13:14,800

you want to call it it doesn't have a

339

00:13:18,949 --> 00:13:17,279

physical existence but it can appear

340

00:13:20,710 --> 00:13:18,959

in a physical way

341

00:13:23,670 --> 00:13:20,720

you know the most common

342

00:13:26,550 --> 00:13:23,680

evidence of bigfoot are footprints

343

00:13:29,110 --> 00:13:26,560

large plaster of pairs cast

344

00:13:30,710 --> 00:13:29,120

but almost in every case

345

00:13:32,310 --> 00:13:30,720

there's only two or three and then they

346

00:13:35,030 --> 00:13:32,320

disappear

347

00:13:36,230 --> 00:13:35,040

so you think if you were tracking

348

00:13:39,030 --> 00:13:36,240

some animal

349

00:13:41,269 --> 00:13:39,040

the tracks would go on and go somewhere

350

00:13:42,550 --> 00:13:41,279

end up somewhere

351
00:13:44,389 --> 00:13:42,560
and but

352
00:13:46,230 --> 00:13:44,399
in almost all cases including our own

353
00:13:47,670 --> 00:13:46,240
cases in our land

354
00:13:49,829 --> 00:13:47,680
they show up they go for a while and

355
00:13:52,150 --> 00:13:49,839
they just seem to disappear into nowhere

356
00:13:54,150 --> 00:13:52,160
and there are plenty of counts of

357
00:13:55,910 --> 00:13:54,160
a bigfoot disappearing in front of

358
00:13:58,389 --> 00:13:55,920
people's eyes

359
00:14:00,150 --> 00:13:58,399
or merging into orbs

360
00:14:02,550 --> 00:14:00,160
or some people even saying being pulled

361
00:14:05,110 --> 00:14:02,560
up into ufos

362
00:14:07,829 --> 00:14:05,120
so they have this quality that's

363
00:14:11,670 --> 00:14:07,839

that's not in some way totally of this

364

00:14:15,509 --> 00:14:13,350

yeah you know

365

00:14:17,350 --> 00:14:15,519

years ago when i started this show i

366

00:14:19,750 --> 00:14:17,360

remember that i had

367

00:14:22,230 --> 00:14:19,760

um someone on that

368

00:14:24,550 --> 00:14:22,240

was actually taking reports it wasn't

369

00:14:26,310 --> 00:14:24,560

mufon i'm not i don't remember

370

00:14:29,110 --> 00:14:26,320

if it was an organization or not but

371

00:14:30,550 --> 00:14:29,120

taking reports of of ufos it might have

372

00:14:32,230 --> 00:14:30,560

been mufon

373

00:14:35,030 --> 00:14:32,240

and

374

00:14:36,389 --> 00:14:35,040

the story of this particular encounter

375

00:14:43,030 --> 00:14:36,399

was

376

00:14:46,230 --> 00:14:43,040

large

377

00:14:47,590 --> 00:14:46,240

orb you know come down behind her

378

00:14:50,550 --> 00:14:47,600

property

379

00:14:53,590 --> 00:14:50,560

and then she sees like an

380

00:14:56,150 --> 00:14:53,600

a big foot appear out of it now this is

381

00:15:00,230 --> 00:14:56,160

going back you know 10 years ago i heard

382

00:15:02,069 --> 00:15:00,240

heard this um and so that makes me think

383

00:15:03,829 --> 00:15:02,079

you know i don't know what i think about

384

00:15:06,470 --> 00:15:03,839

it you know

385

00:15:07,910 --> 00:15:06,480

are they interdimensional is that the is

386

00:15:09,990 --> 00:15:07,920

that the leading is there a leading

387

00:15:13,269 --> 00:15:10,000

theory i should say

388

00:15:15,430 --> 00:15:13,279

i mean what what's their nature besides

389

00:15:16,629 --> 00:15:15,440

not flesh and blood totally is that what

390

00:15:18,389 --> 00:15:16,639

you're asking

391

00:15:19,829 --> 00:15:18,399

yeah i mean are they coming i mean are

392

00:15:22,150 --> 00:15:19,839

people

393

00:15:23,670 --> 00:15:22,160

is like a common theory that they're

394

00:15:25,430 --> 00:15:23,680

coming from another

395

00:15:28,150 --> 00:15:25,440

dimension

396

00:15:29,269 --> 00:15:28,160

or is there no commentary

397

00:15:31,189 --> 00:15:29,279

um

398

00:15:34,389 --> 00:15:31,199

i mean that that's the simplest way

399

00:15:35,829 --> 00:15:34,399

people talk about mystical experiences

400

00:15:37,670 --> 00:15:35,839

is that they're interdimensional but i'm

401
00:15:40,870 --> 00:15:37,680
not quite sure what what that would

402
00:15:45,030 --> 00:15:43,509
so so uh ron just to let you know uh

403
00:15:46,949 --> 00:15:45,040
bill said you can back up just a little

404
00:15:48,710 --> 00:15:46,959
bit i think now right right about right

405
00:15:51,189 --> 00:15:48,720
there that's let's try that

406
00:15:52,870 --> 00:15:51,199
so yeah um

407
00:15:54,870 --> 00:15:52,880
and this thing about orbs you mentioned

408
00:15:56,470 --> 00:15:54,880
that earlier people are mentioning that

409
00:15:57,509 --> 00:15:56,480
they see these things disappear into

410
00:15:59,829 --> 00:15:57,519
orbs and

411
00:16:01,430 --> 00:15:59,839
if they you know is that their way

412
00:16:02,870 --> 00:16:01,440
if it is interdimensional is that the

413
00:16:04,230 --> 00:16:02,880

way they travel

414

00:16:05,350 --> 00:16:04,240

you know

415

00:16:06,389 --> 00:16:05,360

well

416

00:16:08,550 --> 00:16:06,399

um

417

00:16:10,310 --> 00:16:08,560

i i i'm not stuck on the term

418

00:16:11,590 --> 00:16:10,320

interdimensional what do you mean by

419

00:16:17,670 --> 00:16:11,600

that

420

00:16:20,470 --> 00:16:17,680

dimension they come in and out of our

421

00:16:21,910 --> 00:16:20,480

our space from another space i mean

422

00:16:24,310 --> 00:16:21,920

i'm just wondering if that is like a

423

00:16:26,550 --> 00:16:24,320

common theory of what these things are

424

00:16:29,350 --> 00:16:26,560

because there's no remains any no one's

425

00:16:31,350 --> 00:16:29,360

ever found like a bigfoot body or bones

426

00:16:34,310 --> 00:16:31,360

or anything like that that i'm aware of

427

00:16:35,350 --> 00:16:34,320

so so so that they're not at least

428

00:16:37,430 --> 00:16:35,360

totally

429

00:16:39,189 --> 00:16:37,440

flesh and bought or part of our our

430

00:16:40,870 --> 00:16:39,199

natural system they're somewhat somehow

431

00:16:42,790 --> 00:16:40,880

supernatural

432

00:16:44,550 --> 00:16:42,800

but you know

433

00:16:45,509 --> 00:16:44,560

christians talk about god living in

434

00:16:46,949 --> 00:16:45,519

heaven

435

00:16:48,389 --> 00:16:46,959

right and they don't call god

436

00:16:51,350 --> 00:16:48,399

interdimensional

437

00:16:52,949 --> 00:16:51,360

or angels or so on that so so i'm not

438

00:16:55,110 --> 00:16:52,959

sure what the i don't think anybody

439

00:16:56,069 --> 00:16:55,120

really knows what the source is in that

440

00:16:59,430 --> 00:16:56,079

sense

441

00:17:00,230 --> 00:16:59,440

yeah but what about ufos i mean they

442

00:17:01,990 --> 00:17:00,240

uh

443

00:17:05,590 --> 00:17:02,000

some of the occurrences seem to be quite

444

00:17:09,110 --> 00:17:05,600

mystical in that same way yes

445

00:17:13,270 --> 00:17:11,110

if you think about the state of

446

00:17:17,350 --> 00:17:13,280

physics and relativity there's a lot

447

00:17:18,710 --> 00:17:17,360

that's not known right now right and

448

00:17:20,549 --> 00:17:18,720

and i don't think either of those will

449

00:17:22,630 --> 00:17:20,559

give you any answer to that question in

450

00:17:25,510 --> 00:17:22,640

particular i think it's it's open right

451
00:17:26,549 --> 00:17:25,520
now for exploration how this can happen

452
00:17:28,630 --> 00:17:26,559
but

453
00:17:31,190 --> 00:17:28,640
since since since recorded history

454
00:17:33,669 --> 00:17:31,200
people have been having these kinds of

455
00:17:35,669 --> 00:17:33,679
appearances of something supernatural

456
00:17:37,909 --> 00:17:35,679
whether they're bigfoot or

457
00:17:38,710 --> 00:17:37,919
you know angels or

458
00:17:40,870 --> 00:17:38,720
you know

459
00:17:43,350 --> 00:17:40,880
christ went into the mountains and had

460
00:17:45,430 --> 00:17:43,360
some sort of encounter the bible's full

461
00:17:48,230 --> 00:17:45,440
of them so are the

462
00:17:50,070 --> 00:17:48,240
you know muhammad had had a supernatural

463
00:17:52,390 --> 00:17:50,080

encounter and of course eastern

464

00:17:54,470 --> 00:17:52,400

religions are full of them as well these

465

00:17:55,430 --> 00:17:54,480

experiences that are sort of tailored

466

00:17:57,190 --> 00:17:55,440

for you

467

00:17:59,270 --> 00:17:57,200

they show up in a way that

468

00:18:01,350 --> 00:17:59,280

that sort of makes sense for you

469

00:18:02,470 --> 00:18:01,360

in the short term and you can handle

470

00:18:03,350 --> 00:18:02,480

them

471

00:18:04,470 --> 00:18:03,360

so

472

00:18:06,789 --> 00:18:04,480

but

473

00:18:08,950 --> 00:18:06,799

what it's all about is still open right

474

00:18:11,190 --> 00:18:08,960

now

475

00:18:14,070 --> 00:18:11,200

yeah and that's how i feel about

476

00:18:16,310 --> 00:18:14,080

ufos as well you know like where uh

477

00:18:18,710 --> 00:18:16,320

that's why i like to interview different

478

00:18:20,549 --> 00:18:18,720

people that have different theories

479

00:18:21,830 --> 00:18:20,559

on what these are and i've heard i've

480

00:18:23,270 --> 00:18:21,840

heard it all

481

00:18:24,549 --> 00:18:23,280

um and

482

00:18:29,990 --> 00:18:24,559

the best

483

00:18:32,310 --> 00:18:30,000

is maybe there are several different

484

00:18:33,510 --> 00:18:32,320

things you know maybe it's not just one

485

00:18:35,990 --> 00:18:33,520

thing

486

00:18:39,029 --> 00:18:36,000

yeah can we tell you about um

487

00:18:40,470 --> 00:18:39,039

we we got kind of carried away i have

488

00:18:42,870 --> 00:18:40,480

we looked near the rocky mountains

489

00:18:44,789 --> 00:18:42,880

around the edge of the rocky mountains

490

00:18:46,310 --> 00:18:44,799

we opened up we thought we could maybe

491

00:18:48,230 --> 00:18:46,320

open up a portal

492

00:18:50,710 --> 00:18:48,240

on our land

493

00:18:53,190 --> 00:18:50,720

and we actually captured on film

494

00:18:54,950 --> 00:18:53,200

creatures coming through

495

00:18:57,750 --> 00:18:54,960

not bigfoot

496

00:18:58,549 --> 00:18:57,760

brought strange creatures and we we got

497

00:19:01,669 --> 00:18:58,559

them

498

00:19:05,430 --> 00:19:03,350

and you caught it on film

499

00:19:07,590 --> 00:19:05,440

absolutely well you know on a webcam we

500

00:19:08,830 --> 00:19:07,600

don't shoot film anymore but yeah yeah

501
00:19:10,550 --> 00:19:08,840
right right

502
00:19:11,909 --> 00:19:10,560
wow and um

503
00:19:13,190 --> 00:19:11,919
[Music]

504
00:19:15,110 --> 00:19:13,200
do you want us to

505
00:19:18,070 --> 00:19:15,120
tell you about that yeah sure absolutely

506
00:19:23,590 --> 00:19:19,029
so

507
00:19:26,470 --> 00:19:23,600
not only and of course this goes with

508
00:19:28,230 --> 00:19:26,480
the ufos as well it's not not only

509
00:19:30,230 --> 00:19:28,240
do you have these glimpses but sometimes

510
00:19:33,350 --> 00:19:30,240
you can interact

511
00:19:35,590 --> 00:19:33,360
there's a long history of of people

512
00:19:37,430 --> 00:19:35,600
getting downloads like

513
00:19:38,789 --> 00:19:37,440

newton got a download

514

00:19:40,390 --> 00:19:38,799

about gravity

515

00:19:41,909 --> 00:19:40,400

tying together what happens here on

516

00:19:43,990 --> 00:19:41,919

earth and what the planetary movements

517

00:19:46,470 --> 00:19:44,000

are and after that

518

00:19:49,029 --> 00:19:46,480

he became obsessed with mysticism

519

00:19:50,710 --> 00:19:49,039

so that this is pretty common so anyhow

520

00:19:52,390 --> 00:19:50,720

we we started out seeing if we could

521

00:19:54,310 --> 00:19:52,400

maybe interact with

522

00:19:55,750 --> 00:19:54,320

with what we thought might be bigfoot on

523

00:19:59,029 --> 00:19:55,760

our land

524

00:20:01,110 --> 00:19:59,039

and one of the ways to do that is to

525

00:20:03,590 --> 00:20:01,120

put some sort of object someplace and

526
00:20:05,750 --> 00:20:03,600
see if something could move it or change

527
00:20:06,950 --> 00:20:05,760
it when you go away just to see if it

528
00:20:08,390 --> 00:20:06,960
would happen

529
00:20:10,789 --> 00:20:08,400
so we

530
00:20:12,149 --> 00:20:10,799
our land is very rugged

531
00:20:14,789 --> 00:20:12,159
on

532
00:20:16,470 --> 00:20:14,799
private property close to rocky mountain

533
00:20:19,110 --> 00:20:16,480
national park

534
00:20:20,630 --> 00:20:19,120
and uh alan we tell them about the

535
00:20:21,990 --> 00:20:20,640
feather we put in the bottle and how we

536
00:20:24,390 --> 00:20:22,000
hit it and all that

537
00:20:26,310 --> 00:20:24,400
and then what happened yeah so during

538
00:20:28,230 --> 00:20:26,320

some of our filming for the the bigfoot

539

00:20:30,870 --> 00:20:28,240

alien connection reveal we we talked to

540

00:20:33,270 --> 00:20:30,880

a lot of people um you know on the west

541

00:20:35,110 --> 00:20:33,280

coast and and they told us about you

542

00:20:36,630 --> 00:20:35,120

know sort of gifting and how you can

543

00:20:38,630 --> 00:20:36,640

have these interactions with with a

544

00:20:41,510 --> 00:20:38,640

bigfoot or what they said was bigfoot so

545

00:20:43,590 --> 00:20:41,520

we we tried to do that we took a uh sort

546

00:20:44,789 --> 00:20:43,600

of a glass bottle with a

547

00:20:47,190 --> 00:20:44,799

sort of a thin

548

00:20:48,870 --> 00:20:47,200

top and we put put a feather in there

549

00:20:49,990 --> 00:20:48,880

and we kind of stuck that up underneath

550

00:20:52,470 --> 00:20:50,000

some rocks

551
00:20:54,390 --> 00:20:52,480
just sort of created a a way for an

552
00:20:55,909 --> 00:20:54,400
interaction to happen and and and we did

553
00:20:58,310 --> 00:20:55,919
it in such a way that

554
00:21:00,470 --> 00:20:58,320
someone would have had to you know

555
00:21:02,470 --> 00:21:00,480
found the bottle picked it up and

556
00:21:04,710 --> 00:21:02,480
shook the feather out so it just

557
00:21:07,350 --> 00:21:04,720
tried to make it as as

558
00:21:09,110 --> 00:21:07,360
nature proof as we could um so we we had

559
00:21:09,909 --> 00:21:09,120
that set up for a while and eventually

560
00:21:13,190 --> 00:21:09,919
we

561
00:21:15,029 --> 00:21:13,200
after a couple attempts and and the

562
00:21:16,710 --> 00:21:15,039
feather was out of the bottle and we

563
00:21:17,990 --> 00:21:16,720

found it stuck sort of in this crevice

564

00:21:19,669 --> 00:21:18,000

nearby

565

00:21:21,110 --> 00:21:19,679

so to us that was sort of maybe the

566

00:21:22,789 --> 00:21:21,120

first sign of

567

00:21:24,950 --> 00:21:22,799

actually starting to

568

00:21:28,470 --> 00:21:24,960

make some sort of connection

569

00:21:32,950 --> 00:21:31,110

so what we did next is that we said well

570

00:21:35,270 --> 00:21:32,960

let's set up a trail cam on this

571

00:21:37,190 --> 00:21:35,280

location now we'll consider this

572

00:21:39,110 --> 00:21:37,200

our gifting site

573

00:21:41,029 --> 00:21:39,120

and uh

574

00:21:42,710 --> 00:21:41,039

we did

575

00:21:45,430 --> 00:21:42,720

and uh

576

00:21:47,190 --> 00:21:45,440

we came back one late

577

00:21:49,750 --> 00:21:47,200

late in the fall

578

00:21:52,390 --> 00:21:49,760

and dropped at a gifting site it was a

579

00:21:54,549 --> 00:21:52,400

mutilated deer

580

00:21:56,950 --> 00:21:54,559

you probably heard about mutilations as

581

00:21:58,549 --> 00:21:56,960

some sort of weird paranormal oh yeah

582

00:22:01,430 --> 00:21:58,559

yeah

583

00:22:02,470 --> 00:22:01,440

well that blew our mind

584

00:22:05,110 --> 00:22:02,480

so

585

00:22:07,190 --> 00:22:05,120

in fact you know it's kind of spooky

586

00:22:08,870 --> 00:22:07,200

i actually had a mental experience at

587

00:22:10,070 --> 00:22:08,880

the same time when we discovered that

588

00:22:13,909 --> 00:22:10,080

where

589

00:22:17,270 --> 00:22:16,149

did an open eye meditation i closed my

590

00:22:19,190 --> 00:22:17,280

eyes

591

00:22:21,029 --> 00:22:19,200

and immediately

592

00:22:23,190 --> 00:22:21,039

a parade of about

593

00:22:25,190 --> 00:22:23,200

a hundred weird creatures poured through

594

00:22:26,710 --> 00:22:25,200

in my mind's eye

595

00:22:28,470 --> 00:22:26,720

indicating something like what would

596

00:22:29,830 --> 00:22:28,480

show up eventually

597

00:22:31,510 --> 00:22:29,840

so

598

00:22:33,029 --> 00:22:31,520

when

599

00:22:34,710 --> 00:22:33,039

we talked to some people about

600

00:22:36,230 --> 00:22:34,720

mutilations and

601
00:22:38,310 --> 00:22:36,240
this seemed to fit the bill quite well

602
00:22:40,630 --> 00:22:38,320
and this is all well documented on on

603
00:22:42,870 --> 00:22:40,640
films or tape

604
00:22:45,190 --> 00:22:42,880
and then

605
00:22:47,190 --> 00:22:45,200
when we came back another time to just

606
00:22:48,710 --> 00:22:47,200
check on the trail cam

607
00:22:51,270 --> 00:22:48,720
allen

608
00:22:55,029 --> 00:22:51,280
looked at you know took the

609
00:22:56,470 --> 00:22:55,039
the sd card and uh and look at it on his

610
00:22:57,909 --> 00:22:56,480
computer why don't you tell them what we

611
00:23:00,470 --> 00:22:57,919
found

612
00:23:02,630 --> 00:23:00,480
yeah so we had a a series of one maybe

613
00:23:04,630 --> 00:23:02,640

two or three i think two clips

614

00:23:05,830 --> 00:23:04,640

that were all static it was just white

615

00:23:07,430 --> 00:23:05,840

static

616

00:23:09,430 --> 00:23:07,440

at first glance

617

00:23:10,950 --> 00:23:09,440

which was very unusual never had so

618

00:23:12,950 --> 00:23:10,960

never seen that before especially i've

619

00:23:14,630 --> 00:23:12,960

had that camera for a while but as we

620

00:23:17,190 --> 00:23:14,640

started to sort of look at that footage

621

00:23:20,070 --> 00:23:17,200

you could see some movement in there

622

00:23:21,990 --> 00:23:20,080

so we were able to sort of invert that

623

00:23:24,310 --> 00:23:22,000

image turn the white to black and the

624

00:23:25,909 --> 00:23:24,320

black to white and we could clearly make

625

00:23:28,630 --> 00:23:25,919

out um

626
00:23:30,710 --> 00:23:28,640
these little creatures there was

627
00:23:32,070 --> 00:23:30,720
two or three different videos we have of

628
00:23:35,270 --> 00:23:32,080
these little

629
00:23:38,149 --> 00:23:36,870
at the same time

630
00:23:39,909 --> 00:23:38,159
you can see that

631
00:23:41,590 --> 00:23:39,919
there was like a dome shape to the

632
00:23:46,950 --> 00:23:41,600
static

633
00:23:48,870 --> 00:23:46,960
there was a very clear shape to it all

634
00:23:50,630 --> 00:23:48,880
by the way the camera was working

635
00:23:53,430 --> 00:23:50,640
perfectly when this wasn't happening we

636
00:23:55,909 --> 00:23:53,440
had good night shots of foxes and

637
00:23:57,750 --> 00:23:55,919
daytime shots of magpies

638
00:24:00,310 --> 00:23:57,760

and so we went out and took

639

00:24:02,070 --> 00:24:00,320

and took magnetic readings

640

00:24:04,630 --> 00:24:02,080

to see if we could confirm that dome

641

00:24:06,070 --> 00:24:04,640

shape and for sure sure enough

642

00:24:08,070 --> 00:24:06,080

we got

643

00:24:10,230 --> 00:24:08,080

magnetic fluctuations

644

00:24:12,630 --> 00:24:10,240

corresponding to that dome shape that

645

00:24:16,070 --> 00:24:12,640

we're off the charts at the same time

646

00:24:17,110 --> 00:24:16,080

we could get that any time we wanted

647

00:24:20,950 --> 00:24:17,120

well

648

00:24:21,990 --> 00:24:20,960

interesting so just getting back to the

649

00:24:27,909 --> 00:24:22,000

the

650

00:24:29,909 --> 00:24:27,919

property

651
00:24:31,590 --> 00:24:29,919
and then it showed up after

652
00:24:33,830 --> 00:24:31,600
i mean did you not see it one day and

653
00:24:35,510 --> 00:24:33,840
then it was there

654
00:24:37,029 --> 00:24:35,520
we you know we have we have to drive

655
00:24:39,590 --> 00:24:37,039
about an hour and a half to get to our

656
00:24:42,149 --> 00:24:39,600
site from from where we live

657
00:24:46,630 --> 00:24:44,070
we when we came out there was totally

658
00:24:48,789 --> 00:24:46,640
unexpected i'm sure that the stadium was

659
00:24:50,390 --> 00:24:48,799
in if we had come two days earlier we

660
00:24:52,230 --> 00:24:50,400
went to seen it

661
00:24:53,909 --> 00:24:52,240
and if we had come

662
00:24:56,549 --> 00:24:53,919
maybe a week later

663
00:24:57,590 --> 00:24:56,559

it might have been somewhat devoured

664

00:24:59,269 --> 00:24:57,600

but

665

00:25:01,269 --> 00:24:59,279

again

666

00:25:03,269 --> 00:25:01,279

i don't know what to say it was but this

667

00:25:05,430 --> 00:25:03,279

brand new no blood

668

00:25:09,110 --> 00:25:05,440

there were saw marks cut marks as well

669

00:25:11,590 --> 00:25:09,120

as rip marks no head

670

00:25:13,830 --> 00:25:11,600

um and and

671

00:25:15,190 --> 00:25:13,840

you know we're on the unlocked a gated

672

00:25:17,430 --> 00:25:15,200

community of

673

00:25:19,909 --> 00:25:17,440

large land holders of 40 acres who are

674

00:25:21,669 --> 00:25:19,919

all pretty civilized people so

675

00:25:24,070 --> 00:25:21,679

it's just and there were no drag marks

676

00:25:25,590 --> 00:25:24,080

and this was off the road quite a bit

677

00:25:27,430 --> 00:25:25,600

so

678

00:25:32,549 --> 00:25:27,440

it was a mystery this is all kind of a

679

00:25:37,590 --> 00:25:34,630

i know that you mentioned the

680

00:25:39,190 --> 00:25:37,600

skinwalker ranch phenomenon that's what

681

00:25:41,590 --> 00:25:39,200

you call it and i think

682

00:25:43,110 --> 00:25:41,600

that is a good term because i you know

683

00:25:46,230 --> 00:25:43,120

most people know

684

00:25:47,590 --> 00:25:46,240

uh what that is and so you

685

00:25:49,590 --> 00:25:47,600

are obviously

686

00:25:51,430 --> 00:25:49,600

out there looking for these type of

687

00:25:53,669 --> 00:25:51,440

areas which there seems to be quite a

688

00:25:56,549 --> 00:25:53,679

few of some of them

689

00:25:58,710 --> 00:25:56,559

say there's you know a native american

690

00:25:59,430 --> 00:25:58,720

connection some people say that there's

691

00:26:09,669 --> 00:25:59,440

a

692

00:26:10,870 --> 00:26:09,679

you either one of you

693

00:26:12,310 --> 00:26:10,880

all of that

694

00:26:14,549 --> 00:26:12,320

there's a native american connection

695

00:26:16,310 --> 00:26:14,559

there is uh you know a crystal

696

00:26:17,430 --> 00:26:16,320

connection there's a lot of rose quartz

697

00:26:20,230 --> 00:26:17,440

and things like that in the in the

698

00:26:21,990 --> 00:26:20,240

ground there so i think yeah it it's a

699

00:26:23,590 --> 00:26:22,000

there's a connection to all of that you

700

00:26:25,909 --> 00:26:23,600

know a lot of reports you know it's

701
00:26:27,590 --> 00:26:25,919
around esther's park the gateway to

702
00:26:29,750 --> 00:26:27,600
to the big park

703
00:26:32,789 --> 00:26:29,760
and near the stanley hotel which is

704
00:26:34,310 --> 00:26:32,799
considered to be the most haunted hotel

705
00:26:36,470 --> 00:26:34,320
in the country

706
00:26:39,669 --> 00:26:36,480
you know the place that uh your

707
00:26:42,070 --> 00:26:39,679
boyfriend from maine hung out at he got

708
00:26:42,870 --> 00:26:42,080
his inspiration for the shining

709
00:26:47,590 --> 00:26:42,880
yeah

710
00:26:49,110 --> 00:26:47,600
for three years in the

711
00:26:50,630 --> 00:26:49,120
in the longmont area but i used to

712
00:26:53,830 --> 00:26:50,640
travel all around

713
00:26:55,990 --> 00:26:53,840

i loved it there uh so here's a question

714

00:26:57,750 --> 00:26:56,000

someone wants to know uh please ask

715

00:27:01,110 --> 00:26:57,760

about the possibility of terrestrial

716

00:27:02,149 --> 00:27:01,120

bigfoot as well as e.t they put both are

717

00:27:04,870 --> 00:27:02,159

there both

718

00:27:06,870 --> 00:27:04,880

any comments on that

719

00:27:09,350 --> 00:27:06,880

certainly there are there are

720

00:27:10,230 --> 00:27:09,360

appearances and glimpses of both without

721

00:27:12,390 --> 00:27:10,240

a doubt

722

00:27:14,070 --> 00:27:12,400

and often in these uh

723

00:27:17,029 --> 00:27:14,080

these paranormal hot spots that we've

724

00:27:19,669 --> 00:27:17,039

been investigating both show up

725

00:27:21,750 --> 00:27:19,679

we were one in wisconsin where

726

00:27:24,789 --> 00:27:21,760

we had all sorts of strange things we

727

00:27:26,549 --> 00:27:24,799

were looking for the beast of brave road

728

00:27:27,909 --> 00:27:26,559

and we're kind of hypothesizing that

729

00:27:29,909 --> 00:27:27,919

these beasts

730

00:27:32,470 --> 00:27:29,919

are a group of animals like the beast of

731

00:27:34,549 --> 00:27:32,480

gray road which is a dog man or a goat

732

00:27:36,710 --> 00:27:34,559

man and bigfoot they're probably all the

733

00:27:39,510 --> 00:27:36,720

same phenomenon

734

00:27:40,870 --> 00:27:39,520

in our opinion at the moment

735

00:27:42,950 --> 00:27:40,880

they just show up in different ways for

736

00:27:45,190 --> 00:27:42,960

different people

737

00:27:47,350 --> 00:27:45,200

and and once once the site becomes well

738

00:27:48,789 --> 00:27:47,360

known for more and more people become

739

00:27:51,350 --> 00:27:48,799

aware of it

740

00:27:53,430 --> 00:27:51,360

and they start having experiences

741

00:27:56,070 --> 00:27:53,440

and so we actually captured maybe the

742

00:27:58,630 --> 00:27:56,080

beast of bray rhoden

743

00:28:00,230 --> 00:27:58,640

uh filming it too

744

00:28:02,549 --> 00:28:00,240

mighty strange occurrence there that was

745

00:28:05,029 --> 00:28:02,559

in wisconsin

746

00:28:07,750 --> 00:28:05,039

so but also at this site which we call

747

00:28:10,230 --> 00:28:07,760

our sweet spot out there

748

00:28:12,549 --> 00:28:10,240

it's the best example of um

749

00:28:13,750 --> 00:28:12,559

ufo pencil shape ufos are you familiar

750

00:28:15,269 --> 00:28:13,760

with those

751
00:28:17,430 --> 00:28:15,279
i'm sorry what shape

752
00:28:18,789 --> 00:28:17,440
pencil shaped i thought that's what you

753
00:28:20,630 --> 00:28:18,799
said

754
00:28:22,710 --> 00:28:20,640
no gated ones

755
00:28:25,830 --> 00:28:22,720
like this you know they are

756
00:28:28,549 --> 00:28:25,840
they're like this pencil shape

757
00:28:30,070 --> 00:28:28,559
pencil like a pencil the right one okay

758
00:28:31,510 --> 00:28:30,080
see i'm having a still having a hard

759
00:28:33,510 --> 00:28:31,520
time with that audio it sounded like you

760
00:28:35,669 --> 00:28:33,520
were saying pretzel and that would that

761
00:28:37,110 --> 00:28:35,679
would be a new one to me you know

762
00:28:38,070 --> 00:28:37,120
well they had a little assault on

763
00:28:39,190 --> 00:28:38,080

everything

764

00:28:40,789 --> 00:28:39,200

so

765

00:28:42,549 --> 00:28:40,799

i

766

00:28:45,510 --> 00:28:42,559

the guy who owns the property a capture

767

00:28:47,990 --> 00:28:45,520

on his trail the best pencil shape ufos

768

00:28:49,430 --> 00:28:48,000

i've ever seen moving

769

00:28:52,389 --> 00:28:49,440

moving in

770

00:28:54,870 --> 00:28:52,399

spot to another

771

00:28:57,269 --> 00:28:54,880

and changing the number available right

772

00:29:01,350 --> 00:28:57,279

over the spot where we may have captured

773

00:29:03,669 --> 00:29:01,360

the feast of ray road on on camera

774

00:29:05,269 --> 00:29:03,679

interesting wow uh here's another

775

00:29:07,510 --> 00:29:05,279

question that and people thank you for

776

00:29:10,549 --> 00:29:07,520

putting your questions in all caps so i

777

00:29:12,549 --> 00:29:10,559

don't miss them uh so

778

00:29:14,389 --> 00:29:12,559

what about them do you know i don't i'm

779

00:29:17,269 --> 00:29:14,399

not familiar with this but i have heard

780

00:29:19,669 --> 00:29:17,279

of people suggesting that they hear

781

00:29:21,830 --> 00:29:19,679

something in their mind the so he's

782

00:29:23,430 --> 00:29:21,840

calling this the mind speak phenomenon

783

00:29:27,029 --> 00:29:23,440

many reports have been

784

00:29:28,389 --> 00:29:27,039

uh about that um what do you have to

785

00:29:30,230 --> 00:29:28,399

anything about that

786

00:29:31,590 --> 00:29:30,240

you have any comments on that allen

787

00:29:33,029 --> 00:29:31,600

allen's pretty familiar with that

788

00:29:35,350 --> 00:29:33,039

personally

789

00:29:37,669 --> 00:29:35,360

yeah it's it's not so much um

790

00:29:39,590 --> 00:29:37,679

mind speak for me it's it's more of a

791

00:29:41,909 --> 00:29:39,600

it's been more of a sort of a spiritual

792

00:29:44,710 --> 00:29:41,919

experience is what i liken it to

793

00:29:47,269 --> 00:29:44,720

um where i i feel emotion

794

00:29:48,950 --> 00:29:47,279

but not my emotion and i sense this

795

00:29:49,909 --> 00:29:48,960

presence when i'm

796

00:29:51,669 --> 00:29:49,919

close

797

00:29:54,470 --> 00:29:51,679

along with you know hearing other noises

798

00:29:55,990 --> 00:29:54,480

footsteps and things like that um yeah

799

00:29:57,750 --> 00:29:56,000

there's there's um

800

00:30:00,710 --> 00:29:57,760

i feel this connection

801
00:30:02,710 --> 00:30:00,720
when i'm doing these things like

802
00:30:04,310 --> 00:30:02,720
not only am i looking for them they're

803
00:30:06,310 --> 00:30:04,320
looking for me at the same time that's

804
00:30:07,990 --> 00:30:06,320
what it feels like

805
00:30:09,269 --> 00:30:08,000
um so i think they have a way to

806
00:30:10,630 --> 00:30:09,279
communicate

807
00:30:12,549 --> 00:30:10,640
um

808
00:30:14,230 --> 00:30:12,559
maybe some people can communicate with

809
00:30:16,310 --> 00:30:14,240
words but for me it's

810
00:30:18,710 --> 00:30:16,320
i sort of you know

811
00:30:20,470 --> 00:30:18,720
i feel it

812
00:30:21,350 --> 00:30:20,480
about that

813
00:30:23,510 --> 00:30:21,360

yeah

814

00:30:25,029 --> 00:30:23,520

go ahead well we are in wisconsin where

815

00:30:26,230 --> 00:30:25,039

we were looking at the beast of prairie

816

00:30:28,950 --> 00:30:26,240

road

817

00:30:30,950 --> 00:30:28,960

uh me our host who's a you know

818

00:30:33,990 --> 00:30:30,960

well-experienced uh

819

00:30:35,750 --> 00:30:34,000

desk watcher and kind of going from

820

00:30:37,750 --> 00:30:35,760

the hairy hairy creature in the wood to

821

00:30:39,350 --> 00:30:37,760

something more paranormal

822

00:30:41,510 --> 00:30:39,360

at one point

823

00:30:43,830 --> 00:30:41,520

when i did a meditation

824

00:30:46,149 --> 00:30:43,840

he heard mine speak tell him he usually

825

00:30:46,870 --> 00:30:46,159

goes out armed with tons of equipment

826
00:30:50,389 --> 00:30:46,880
and

827
00:30:52,310 --> 00:30:50,399
looks like he's ready for battle in

828
00:30:54,470 --> 00:30:52,320
afghanistan or something

829
00:30:56,230 --> 00:30:54,480
he heard clearly something in his mind

830
00:30:57,509 --> 00:30:56,240
and felt it at the same time to turn

831
00:30:59,830 --> 00:30:57,519
everything off

832
00:31:01,110 --> 00:30:59,840
and he had never done that before

833
00:31:03,029 --> 00:31:01,120
and he did it

834
00:31:04,549 --> 00:31:03,039
and it put him at ease and made him feel

835
00:31:06,230 --> 00:31:04,559
comfortable in the way he had never felt

836
00:31:07,430 --> 00:31:06,240
in the woods before

837
00:31:09,190 --> 00:31:07,440
yeah that ties back to what we talked

838
00:31:10,870 --> 00:31:09,200

about the beginning of the show where

839

00:31:12,710 --> 00:31:10,880

you know no one ever gets a good picture

840

00:31:15,750 --> 00:31:12,720

i think if you're going to have an

841

00:31:17,190 --> 00:31:15,760

experience of this nature you can't

842

00:31:19,909 --> 00:31:17,200

go in there like that with that

843

00:31:21,509 --> 00:31:19,919

intention with that equipment it just it

844

00:31:23,269 --> 00:31:21,519

doesn't work that way it's not going to

845

00:31:24,870 --> 00:31:23,279

happen for you like that

846

00:31:25,990 --> 00:31:24,880

i've heard i've heard other people say

847

00:31:29,430 --> 00:31:26,000

that

848

00:31:33,509 --> 00:31:29,440

they

849

00:31:37,190 --> 00:31:33,519

have

850

00:31:39,909 --> 00:31:37,200

things with them they won't well the

851
00:31:41,509 --> 00:31:39,919
thing for me that really started to

852
00:31:42,630 --> 00:31:41,519
you know turn up the volume on a lot of

853
00:31:44,950 --> 00:31:42,640
this where now i start to have

854
00:31:47,190 --> 00:31:44,960
experiences more often than not

855
00:31:49,509 --> 00:31:47,200
has been opening my mind to that

856
00:31:51,669 --> 00:31:49,519
and that took a long time for me to do

857
00:31:53,990 --> 00:31:51,679
because i'm not you know that kind of

858
00:31:56,310 --> 00:31:54,000
person i'm i'm an engineer i'm

859
00:31:58,950 --> 00:31:56,320
science-based i i don't think that way

860
00:32:00,310 --> 00:31:58,960
so it it was sort of letting go of all

861
00:32:02,630 --> 00:32:00,320
that when you're when you're in the

862
00:32:04,470 --> 00:32:02,640
woods and letting it letting it happen

863
00:32:06,070 --> 00:32:04,480

but that that's a really hard thing to

864

00:32:07,830 --> 00:32:06,080

do because you don't

865

00:32:09,029 --> 00:32:07,840

it doesn't feel natural you know for me

866

00:32:11,750 --> 00:32:09,039

anyway

867

00:32:14,470 --> 00:32:11,760

what about fear now i think of bigfoot

868

00:32:17,190 --> 00:32:14,480

and i can't help but to think that

869

00:32:18,710 --> 00:32:17,200

if i was in the woods and something was

870

00:32:21,590 --> 00:32:18,720

nine feet tall

871

00:32:23,110 --> 00:32:21,600

and big and hairy and walking

872

00:32:26,310 --> 00:32:23,120

toward me

873

00:32:27,269 --> 00:32:26,320

or away from me or anywhere that i saw i

874

00:32:29,509 --> 00:32:27,279

would be

875

00:32:31,029 --> 00:32:29,519

petrified well that's part of what i'm

876

00:32:33,909 --> 00:32:31,039

talking about you know you have to let

877

00:32:36,070 --> 00:32:33,919

go of all that you have to be receptive

878

00:32:37,509 --> 00:32:36,080

if you panic you're going to just shut

879

00:32:38,549 --> 00:32:37,519

down everything's going to shut down you

880

00:32:40,549 --> 00:32:38,559

need to be

881

00:32:42,630 --> 00:32:40,559

calm and open to that and things will

882

00:32:44,789 --> 00:32:42,640

happen i mean i've had these things

883

00:32:47,350 --> 00:32:44,799

um you know i didn't see them but i

884

00:32:50,070 --> 00:32:47,360

heard them walk right up to me you know

885

00:32:53,669 --> 00:32:50,080

six feet behind me and i could i could

886

00:32:55,509 --> 00:32:53,679

feel it there was like a a warm

887

00:32:57,590 --> 00:32:55,519

swirling feeling in my chest i knew

888

00:32:58,789 --> 00:32:57,600

something was right behind me

889

00:33:01,430 --> 00:32:58,799

but it just

890

00:33:03,590 --> 00:33:01,440

you know you have to be calm or or it's

891

00:33:05,830 --> 00:33:03,600

it's over before it even begins

892

00:33:09,350 --> 00:33:05,840

yeah and what about i don't know which

893

00:33:11,990 --> 00:33:09,360

one of you said it but someone said

894

00:33:13,269 --> 00:33:12,000

people witness different things they're

895

00:33:14,950 --> 00:33:13,279

seeing

896

00:33:16,470 --> 00:33:14,960

people is does that mean when they're

897

00:33:18,310 --> 00:33:16,480

seeing this

898

00:33:19,350 --> 00:33:18,320

together they're both seeing something

899

00:33:21,350 --> 00:33:19,360

different

900

00:33:22,549 --> 00:33:21,360

i think it happens both ways

901
00:33:25,350 --> 00:33:22,559
sometimes

902
00:33:26,630 --> 00:33:25,360
people will see the same thing

903
00:33:28,149 --> 00:33:26,640
and sometimes they'll see something

904
00:33:30,070 --> 00:33:28,159
different or one will see something the

905
00:33:32,310 --> 00:33:30,080
other won't say anything at all

906
00:33:33,669 --> 00:33:32,320
yeah we've had experiences where i

907
00:33:35,110 --> 00:33:33,679
clearly heard something and ron's

908
00:33:37,430 --> 00:33:35,120
standing right next to me and he didn't

909
00:33:40,470 --> 00:33:37,440
we've had instances where we've heard

910
00:33:42,149 --> 00:33:40,480
the typical bigfoot wood knocks clear as

911
00:33:43,669 --> 00:33:42,159
day super loud

912
00:33:45,430 --> 00:33:43,679
two cameras rolling and we go back to

913
00:33:47,830 --> 00:33:45,440

review the footage and there's nothing

914

00:33:50,310 --> 00:33:47,840

it's not on there anywhere

915

00:33:52,549 --> 00:33:50,320

so i think i think there is something

916

00:33:55,269 --> 00:33:52,559

to that yeah well it's the same thing

917

00:33:58,230 --> 00:33:55,279

with ufos i've heard a number of people

918

00:34:00,870 --> 00:33:58,240

say that they both you know side by side

919

00:34:02,870 --> 00:34:00,880

saw something different yeah yeah

920

00:34:04,470 --> 00:34:02,880

well you know witness testimony is is

921

00:34:06,950 --> 00:34:04,480

good but it's also

922

00:34:08,389 --> 00:34:06,960

it's it's the hardest piece available

923

00:34:10,629 --> 00:34:08,399

yeah yeah

924

00:34:13,270 --> 00:34:10,639

so so just one more thing on

925

00:34:15,829 --> 00:34:13,280

on the fear business i think

926
00:34:16,629 --> 00:34:15,839
and this i think this is correct

927
00:34:19,030 --> 00:34:16,639
that

928
00:34:21,349 --> 00:34:19,040
the mental state you go in with

929
00:34:24,470 --> 00:34:21,359
whether it's fear-based or something

930
00:34:27,030 --> 00:34:24,480
much more calm or even joyous

931
00:34:27,829 --> 00:34:27,040
your paranormal encounter whichever it

932
00:34:31,109 --> 00:34:27,839
will be

933
00:34:32,829 --> 00:34:31,119
will reflect your mental state

934
00:34:36,550 --> 00:34:32,839
it takes a bit of training and

935
00:34:38,710 --> 00:34:36,560
preparation to open people up i found to

936
00:34:41,270 --> 00:34:38,720
to get out of that fear state into

937
00:34:42,869 --> 00:34:41,280
something more opening and accepting and

938
00:34:45,669 --> 00:34:42,879

then your experience will

939

00:34:47,270 --> 00:34:45,679

will mirror your mental state

940

00:34:49,349 --> 00:34:47,280

yeah i've been in the woods with people

941

00:34:50,710 --> 00:34:49,359

that were armed to the teeth you know

942

00:34:52,710 --> 00:34:50,720

that was the way they went they were

943

00:34:54,230 --> 00:34:52,720

they were afraid and i had experiences

944

00:34:56,389 --> 00:34:54,240

and i was ten feet behind him and they

945

00:34:59,349 --> 00:34:56,399

didn't you know just things like that

946

00:35:00,950 --> 00:34:59,359

yeah isn't that something yeah what well

947

00:35:03,510 --> 00:35:00,960

um here's a

948

00:35:07,270 --> 00:35:03,520

very interesting question

949

00:35:09,910 --> 00:35:07,280

from uh carl bids and uh any connection

950

00:35:11,270 --> 00:35:09,920

to bigfoot and people disappearing in

951

00:35:13,270 --> 00:35:11,280

the wilderness i don't know if either

952

00:35:15,109 --> 00:35:13,280

one of you have ever followed uh david

953

00:35:18,710 --> 00:35:15,119

pilates

954

00:35:20,710 --> 00:35:18,720

4-1-1 all these strange missing people

955

00:35:22,550 --> 00:35:20,720

and you know i think people have asked

956

00:35:23,829 --> 00:35:22,560

him that question as well i believe yeah

957

00:35:25,910 --> 00:35:23,839

i mean for me

958

00:35:27,030 --> 00:35:25,920

the experience of that i have had have

959

00:35:29,349 --> 00:35:27,040

not been

960

00:35:32,069 --> 00:35:29,359

fearful whatsoever and

961

00:35:34,230 --> 00:35:32,079

i don't i don't believe there's

962

00:35:37,670 --> 00:35:34,240

a direct connection not to say that

963

00:35:39,349 --> 00:35:37,680

something couldn't happen um maybe if

964

00:35:40,710 --> 00:35:39,359

those people are threatening them in

965

00:35:42,550 --> 00:35:40,720

some way but

966

00:35:44,630 --> 00:35:42,560

i don't know i'm not i'm not convinced

967

00:35:46,550 --> 00:35:44,640

that that's a normal thing not to say it

968

00:35:47,430 --> 00:35:46,560

hasn't happened

969

00:35:50,550 --> 00:35:47,440

yeah

970

00:35:52,790 --> 00:35:50,560

interesting well when

971

00:35:55,270 --> 00:35:52,800

we think go go ahead ron you look like

972

00:35:57,190 --> 00:35:55,280

you're going to say something yeah so

973

00:35:58,870 --> 00:35:57,200

one of the most important aspects of our

974

00:36:01,109 --> 00:35:58,880

investigation is that

975

00:36:02,550 --> 00:36:01,119

every time we've gone in the field

976
00:36:03,589 --> 00:36:02,560
we've had

977
00:36:04,710 --> 00:36:03,599
some

978
00:36:08,470 --> 00:36:04,720
occurrence

979
00:36:10,470 --> 00:36:08,480
of some force messing with technology

980
00:36:11,430 --> 00:36:10,480
i think gives you gives us some sort of

981
00:36:13,670 --> 00:36:11,440
clue

982
00:36:15,510 --> 00:36:13,680
as to what the nature of these things

983
00:36:16,630 --> 00:36:15,520
might be

984
00:36:18,550 --> 00:36:16,640
um

985
00:36:20,150 --> 00:36:18,560
you want some examples

986
00:36:21,510 --> 00:36:20,160
yes i'd like and i'm going to ask you

987
00:36:23,910 --> 00:36:21,520
right off the bat how about the draining

988
00:36:26,069 --> 00:36:23,920

of batteries that's what i always hear

989

00:36:27,349 --> 00:36:26,079

yeah that we had a spectacular one of

990

00:36:30,310 --> 00:36:27,359

those we were in

991

00:36:33,510 --> 00:36:30,320

we were in arkansas at a crystal mine

992

00:36:36,870 --> 00:36:33,520

and we you know what a rem pod is

993

00:36:40,069 --> 00:36:36,880

rampart a rampard it's a oh no it's a

994

00:36:42,550 --> 00:36:40,079

ghost effect device that puts out a very

995

00:36:45,589 --> 00:36:42,560

weak electromagnetic signal in the radio

996

00:36:47,589 --> 00:36:45,599

wave frequency range

997

00:36:50,550 --> 00:36:47,599

you know it's it's like a little dome

998

00:36:52,310 --> 00:36:50,560

shape and if something gets into that it

999

00:36:54,630 --> 00:36:52,320

disrupts the field and

1000

00:36:56,550 --> 00:36:54,640

it sets off a visual and audio

1001
00:36:58,150 --> 00:36:56,560
type of um

1002
00:37:00,310 --> 00:36:58,160
display

1003
00:37:02,870 --> 00:37:00,320
we set these on a picnic bench

1004
00:37:05,270 --> 00:37:02,880
and my my cameraman

1005
00:37:07,270 --> 00:37:05,280
had a long live

1006
00:37:09,910 --> 00:37:07,280
audio recording device separate

1007
00:37:11,589 --> 00:37:09,920
independent set it next to us

1008
00:37:13,750 --> 00:37:11,599
and we went back and we were on a stage

1009
00:37:14,870 --> 00:37:13,760
looking and all of a sudden the grandpa

1010
00:37:16,710 --> 00:37:14,880
went off

1011
00:37:17,430 --> 00:37:16,720
and it was going crazy and we could see

1012
00:37:24,230 --> 00:37:17,440
it

1013
00:37:25,349 --> 00:37:24,240

through just normal

1014

00:37:26,630 --> 00:37:25,359

camera

1015

00:37:29,510 --> 00:37:26,640

enlargement

1016

00:37:31,510 --> 00:37:29,520

and it lasted for over 12 minutes

1017

00:37:34,710 --> 00:37:31,520

and then stopped

1018

00:37:36,630 --> 00:37:34,720

and when uh alan and the cameraman

1019

00:37:38,550 --> 00:37:36,640

went to uh

1020

00:37:40,069 --> 00:37:38,560

gather the the tools up they had

1021

00:37:42,150 --> 00:37:40,079

multiple experiences why don't you see

1022

00:37:44,150 --> 00:37:42,160

what happened after hours

1023

00:37:46,390 --> 00:37:44,160

yeah so when we we picked up the the rem

1024

00:37:48,069 --> 00:37:46,400

pod it was the batteries were dead and

1025

00:37:49,510 --> 00:37:48,079

then we went to shut off the audio

1026

00:37:51,510 --> 00:37:49,520

recorder that was right next to it and

1027

00:37:52,950 --> 00:37:51,520

the batteries were dead on that too

1028

00:37:54,230 --> 00:37:52,960

and our cameraman said that you know

1029

00:37:56,390 --> 00:37:54,240

that should last

1030

00:37:58,230 --> 00:37:56,400

a day or two that had a plenty of power

1031

00:38:00,150 --> 00:37:58,240

in it so that was very surprising and

1032

00:38:02,310 --> 00:38:00,160

then as soon as we sort of got our hands

1033

00:38:05,510 --> 00:38:02,320

on those things there was just we both

1034

00:38:07,589 --> 00:38:05,520

got hit with this just poor smell

1035

00:38:10,710 --> 00:38:07,599

that came out of nowhere just hit us

1036

00:38:14,069 --> 00:38:10,720

both like a wall of just

1037

00:38:16,150 --> 00:38:14,079

just really nasty putrid smell and then

1038

00:38:19,829 --> 00:38:16,160

as soon as we both sort of discussed it

1039

00:38:22,310 --> 00:38:19,839

for a few seconds it was gone

1040

00:38:23,589 --> 00:38:22,320

isn't that something well speaking of

1041

00:38:24,630 --> 00:38:23,599

odors

1042

00:38:27,589 --> 00:38:24,640

um

1043

00:38:29,670 --> 00:38:27,599

the you hear a lot of people talk about

1044

00:38:33,670 --> 00:38:29,680

the bigfoot odor that

1045

00:38:36,310 --> 00:38:33,680

sort of musky and maybe they

1046

00:38:38,150 --> 00:38:36,320

smell bigfoot before they

1047

00:38:40,150 --> 00:38:38,160

know he's even there is that something

1048

00:38:42,710 --> 00:38:40,160

you hear of when you've investigated

1049

00:38:45,109 --> 00:38:42,720

these things it is i i've experienced

1050

00:38:48,390 --> 00:38:45,119

that too i i don't know if it's a

1051

00:38:50,310 --> 00:38:48,400

you know a defense mechanism or if

1052

00:38:51,990 --> 00:38:50,320

it's a stinky bigfoot or what but it

1053

00:38:54,710 --> 00:38:52,000

doesn't happen you know all the time

1054

00:38:56,550 --> 00:38:54,720

it's not it's not a telltale

1055

00:38:59,990 --> 00:38:56,560

you know part of every sighting but it's

1056

00:39:01,030 --> 00:39:00,000

definitely a thing that people say a lot

1057

00:39:03,030 --> 00:39:01,040

wow

1058

00:39:05,030 --> 00:39:03,040

so what's happening is that in this

1059

00:39:06,069 --> 00:39:05,040

particular incident

1060

00:39:08,550 --> 00:39:06,079

um

1061

00:39:10,069 --> 00:39:08,560

the owners of the property interpreted

1062

00:39:11,750 --> 00:39:10,079

all this as

1063

00:39:14,390 --> 00:39:11,760

some sort of

1064

00:39:15,829 --> 00:39:14,400
encounter with bigfoot that that

1065

00:39:17,430 --> 00:39:15,839
something we couldn't see at least in

1066

00:39:20,550 --> 00:39:17,440
the visual spectrum

1067

00:39:22,870 --> 00:39:20,560
was interfering or moving inside that

1068

00:39:23,750 --> 00:39:22,880
electromagnetic field producing that

1069

00:39:26,390 --> 00:39:23,760
smell

1070

00:39:29,190 --> 00:39:26,400
so a lot of paranormal phenomena which

1071

00:39:30,870 --> 00:39:29,200
probably 50 years ago rene

1072

00:39:33,109 --> 00:39:30,880
would not have been called an encounter

1073

00:39:35,910 --> 00:39:33,119
and interpreted as big for now being

1074

00:39:38,069 --> 00:39:35,920
interpreted as the presence of bigfoot

1075

00:39:39,750 --> 00:39:38,079
just like alan's felt experience in

1076

00:39:41,910 --> 00:39:39,760

multiple places

1077

00:39:43,510 --> 00:39:41,920

he could say that a bigfooter you could

1078

00:39:46,069 --> 00:39:43,520

say it was something else that was

1079

00:39:47,190 --> 00:39:46,079

paranormal maybe alien of a different

1080

00:39:49,589 --> 00:39:47,200

nature

1081

00:39:51,910 --> 00:39:49,599

but more and more

1082

00:39:54,390 --> 00:39:51,920

things that occur that are unusual or

1083

00:39:56,150 --> 00:39:54,400

kind of supernatural are said to be

1084

00:39:57,990 --> 00:39:56,160

attributed to bigfoot for whatever

1085

00:39:59,030 --> 00:39:58,000

reason

1086

00:39:59,990 --> 00:39:59,040

wow

1087

00:40:02,069 --> 00:40:00,000

now

1088

00:40:04,069 --> 00:40:02,079

we we talked earlier about skinwalker

1089

00:40:05,829 --> 00:40:04,079

ranch and i know that there was a

1090

00:40:08,309 --> 00:40:05,839

science team there

1091

00:40:10,470 --> 00:40:08,319

and they actually

1092

00:40:12,550 --> 00:40:10,480

uh were not filming at the time but they

1093

00:40:14,710 --> 00:40:12,560

saw a portal

1094

00:40:16,710 --> 00:40:14,720

and they saw this animal not a bigfoot

1095

00:40:17,990 --> 00:40:16,720

but some type of weird animal come out

1096

00:40:21,030 --> 00:40:18,000

of this portal

1097

00:40:23,670 --> 00:40:21,040

and uh this is uh also this question

1098

00:40:25,109 --> 00:40:23,680

that just popped up here um al jaylen

1099

00:40:28,150 --> 00:40:25,119

wants to know if

1100

00:40:30,950 --> 00:40:28,160

um do you have any comments regarding

1101
00:40:33,349 --> 00:40:30,960
them traveling through portals actually

1102
00:40:35,270 --> 00:40:33,359
i mean i think smaller animals yeah

1103
00:40:37,510 --> 00:40:35,280
that's a real possibility i mean i think

1104
00:40:38,390 --> 00:40:37,520
um your comment about skinwalker ranch

1105
00:40:40,870 --> 00:40:38,400
that's

1106
00:40:42,790 --> 00:40:40,880
i guess what we would classify

1107
00:40:44,630 --> 00:40:42,800
that's the same thing that we had happen

1108
00:40:47,670 --> 00:40:44,640
on bronze property

1109
00:40:49,190 --> 00:40:47,680
so you know we um we were at the montana

1110
00:40:50,150 --> 00:40:49,200
vortex or

1111
00:40:52,630 --> 00:40:50,160
up in

1112
00:40:55,589 --> 00:40:52,640
near glacier national park and they have

1113
00:40:56,710 --> 00:40:55,599

a vortex there and and the owner of the

1114

00:40:58,710 --> 00:40:56,720

property has

1115

00:41:00,950 --> 00:40:58,720

video of what he says is a bigfoot

1116

00:41:03,510 --> 00:41:00,960

coming through a large hairy being sort

1117

00:41:05,430 --> 00:41:03,520

of appears so i think it's it's possible

1118

00:41:07,030 --> 00:41:05,440

if it's if it happens all the time i i

1119

00:41:08,309 --> 00:41:07,040

don't know but i think it's definitely

1120

00:41:10,069 --> 00:41:08,319

possible

1121

00:41:12,630 --> 00:41:10,079

so if you remember that incident at

1122

00:41:14,870 --> 00:41:12,640

skinwalker ranch is that

1123

00:41:17,190 --> 00:41:14,880

these portals

1124

00:41:19,510 --> 00:41:17,200

occur in conjunction with a dramatic

1125

00:41:22,230 --> 00:41:19,520

drop in temperature i mean people who

1126

00:41:24,630 --> 00:41:22,240

you know encounter ghosts and crazy

1127

00:41:26,710 --> 00:41:24,640

buildings it's almost always a felt drop

1128

00:41:28,630 --> 00:41:26,720

in temperature as if

1129

00:41:30,470 --> 00:41:28,640

maybe that can be attributed to a portal

1130

00:41:33,190 --> 00:41:30,480

and something moving through

1131

00:41:34,950 --> 00:41:33,200

so in two of our investigations we had

1132

00:41:37,190 --> 00:41:34,960

clear evidence

1133

00:41:39,190 --> 00:41:37,200

of

1134

00:41:41,829 --> 00:41:39,200

portals that we captured on our thermal

1135

00:41:46,630 --> 00:41:44,230

in some on a summer evening in

1136

00:41:49,990 --> 00:41:46,640

washington state of washington

1137

00:41:51,670 --> 00:41:50,000

we found a cold spot on an area where

1138

00:41:53,829 --> 00:41:51,680

a sensitive said she had plenty of

1139

00:41:55,670 --> 00:41:53,839

paranormal activity and what was the

1140

00:41:58,309 --> 00:41:55,680

temperature below freezing in this

1141

00:41:59,349 --> 00:41:58,319

little portal area was that something

1142

00:42:00,710 --> 00:41:59,359

like that

1143

00:42:01,990 --> 00:42:00,720

yeah we were getting really low

1144

00:42:03,190 --> 00:42:02,000

temperatures i don't remember the exact

1145

00:42:05,270 --> 00:42:03,200

numbers but

1146

00:42:07,349 --> 00:42:05,280

30 and below

1147

00:42:09,510 --> 00:42:07,359

in a small area wow

1148

00:42:11,750 --> 00:42:09,520

and then at our place where we thought

1149

00:42:14,630 --> 00:42:11,760

maybe we had the best temporary road we

1150

00:42:17,030 --> 00:42:14,640

had a similar sort of situation

1151
00:42:18,550 --> 00:42:17,040
where the temperature was

1152
00:42:20,390 --> 00:42:18,560
it was a warm evening and the

1153
00:42:23,109 --> 00:42:20,400
temperature was down into the 30s and

1154
00:42:24,950 --> 00:42:23,119
40s again and it has a physical shape of

1155
00:42:30,550 --> 00:42:24,960
kind of

1156
00:42:32,230 --> 00:42:30,560
rough but the big the biggest experience

1157
00:42:34,069 --> 00:42:32,240
they had at skinwalker ranch staying

1158
00:42:35,990 --> 00:42:34,079
phenomenal for portal when all this

1159
00:42:37,910 --> 00:42:36,000
stuff showed up

1160
00:42:39,750 --> 00:42:37,920
and um

1161
00:42:42,470 --> 00:42:39,760
and in colorado

1162
00:42:44,950 --> 00:42:42,480
we had a situation where

1163
00:42:46,950 --> 00:42:44,960

two guys were out doing big footing

1164

00:42:48,309 --> 00:42:46,960

during the bigfoot weekend

1165

00:42:50,870 --> 00:42:48,319

and we captured

1166

00:42:55,750 --> 00:42:50,880

on film from from each one a different

1167

00:42:59,589 --> 00:42:57,589

and this wasn't you know backscatter

1168

00:43:00,950 --> 00:42:59,599

because they weren't using uh

1169

00:43:02,950 --> 00:43:00,960

infrared

1170

00:43:05,430 --> 00:43:02,960

still cameras shooting you know with

1171

00:43:09,030 --> 00:43:06,950

quite different in shape and very

1172

00:43:10,630 --> 00:43:09,040

interesting

1173

00:43:17,109 --> 00:43:10,640

and one of them said that

1174

00:43:17,119 --> 00:43:20,150

of the um

1175

00:43:23,750 --> 00:43:22,790

or the orb the orbs they all occurred

1176
00:43:26,870 --> 00:43:23,760
together

1177
00:43:29,109 --> 00:43:26,880
we documented that too

1178
00:43:31,190 --> 00:43:29,119
interesting how you know

1179
00:43:33,109 --> 00:43:31,200
another thing that makes you wonder if

1180
00:43:35,510 --> 00:43:33,119
it's

1181
00:43:37,190 --> 00:43:35,520
what makes like say if these things are

1182
00:43:39,030 --> 00:43:37,200
really happening happening in certain

1183
00:43:40,950 --> 00:43:39,040
areas

1184
00:43:43,190 --> 00:43:40,960
um you know i mean they theorize you

1185
00:43:44,790 --> 00:43:43,200
know the minerals they theorize

1186
00:43:48,630 --> 00:43:44,800
you know what we talked about earlier

1187
00:43:50,790 --> 00:43:48,640
native american connection whatever but

1188
00:43:53,190 --> 00:43:50,800

it's not just here in this country you

1189

00:43:55,510 --> 00:43:53,200

know things are happening everywhere you

1190

00:43:57,750 --> 00:43:55,520

know even at rendelsham forest they say

1191

00:44:00,309 --> 00:43:57,760

weird things are happening um you know

1192

00:44:01,430 --> 00:44:00,319

that's known for a 1980 you know ufo

1193

00:44:03,589 --> 00:44:01,440

incident

1194

00:44:05,349 --> 00:44:03,599

at a military base but people are saying

1195

00:44:06,390 --> 00:44:05,359

that they see

1196

00:44:08,710 --> 00:44:06,400

crypto

1197

00:44:10,870 --> 00:44:08,720

animals and things that are just really

1198

00:44:12,550 --> 00:44:10,880

wild you know the dog man and all that

1199

00:44:14,950 --> 00:44:12,560

everything else that they see in this

1200

00:44:16,470 --> 00:44:14,960

whole area and why do you suppose

1201

00:44:20,230 --> 00:44:16,480

it's uh

1202

00:44:24,230 --> 00:44:20,240

they're just in certain areas and

1203

00:44:26,550 --> 00:44:24,240

you know for it does that point more to

1204

00:44:27,430 --> 00:44:26,560

where people might think that this could

1205

00:44:31,030 --> 00:44:27,440

be

1206

00:44:32,390 --> 00:44:31,040

uh travel through some other realm

1207

00:44:34,870 --> 00:44:32,400

so you know

1208

00:44:37,109 --> 00:44:34,880

i think if you look at history

1209

00:44:39,829 --> 00:44:37,119

going way back i think

1210

00:44:42,630 --> 00:44:39,839

all these mystical experiences

1211

00:44:45,190 --> 00:44:42,640

always correspond to some sort of place

1212

00:44:47,430 --> 00:44:45,200

you know jesus had his experiences

1213

00:44:48,710 --> 00:44:47,440

somewhere muhammad had his experiences

1214

00:44:51,430 --> 00:44:48,720

somewhere

1215

00:44:53,510 --> 00:44:51,440

often the people that were in india or

1216

00:44:55,750 --> 00:44:53,520

the buddhists they're all associated

1217

00:44:57,510 --> 00:44:55,760

with places in some way another

1218

00:45:00,309 --> 00:44:57,520

thomas merton the great christian mystic

1219

00:45:03,270 --> 00:45:00,319

said there are places that are thinner

1220

00:45:04,870 --> 00:45:03,280

to the other side whatever that means

1221

00:45:08,390 --> 00:45:04,880

so

1222

00:45:09,910 --> 00:45:08,400

human consciousness is

1223

00:45:11,349 --> 00:45:09,920

joined together

1224

00:45:13,910 --> 00:45:11,359

and there's some evidence like dean

1225

00:45:16,150 --> 00:45:13,920

rayden you know he is

1226

00:45:19,430 --> 00:45:16,160

no i'm not familiar no

1227

00:45:22,150 --> 00:45:19,440

yeah the great psy experimenter

1228

00:45:24,309 --> 00:45:22,160

uh the scientific word that that human

1229

00:45:26,710 --> 00:45:24,319

consciousness has joined together

1230

00:45:28,390 --> 00:45:26,720

can create these places so that people

1231

00:45:30,550 --> 00:45:28,400

are creating them

1232

00:45:31,910 --> 00:45:30,560

and once once it starts it begins to

1233

00:45:33,109 --> 00:45:31,920

build and build and we have some pretty

1234

00:45:34,710 --> 00:45:33,119

good evidence

1235

00:45:35,670 --> 00:45:34,720

that that's the case because everywhere

1236

00:45:37,430 --> 00:45:35,680

we go

1237

00:45:38,710 --> 00:45:37,440

we can kind of pinpoint one or two

1238

00:45:41,829 --> 00:45:38,720

people

1239

00:45:43,829 --> 00:45:41,839

kind of the beginning of it all

1240

00:45:45,670 --> 00:45:43,839

wow interesting well

1241

00:45:48,870 --> 00:45:45,680

last week's show was on the

1242

00:45:50,950 --> 00:45:48,880

consciousness connection with ufos

1243

00:45:53,030 --> 00:45:50,960

last week was that this week is

1244

00:45:55,109 --> 00:45:53,040

bigfoot

1245

00:45:57,829 --> 00:45:55,119

so i just heard it very similar for sure

1246

00:45:58,630 --> 00:45:57,839

i think yeah i guess

1247

00:46:01,430 --> 00:45:58,640

yeah

1248

00:46:04,069 --> 00:46:01,440

um okay i just heard from the person i

1249

00:46:06,390 --> 00:46:04,079

spoke to earlier and uh she's willing to

1250

00:46:07,910 --> 00:46:06,400

call in so uh i might do that a little

1251

00:46:09,589 --> 00:46:07,920

bit early and i'll

1252

00:46:11,030 --> 00:46:09,599

let uh of course bill has to take the

1253

00:46:11,910 --> 00:46:11,040

call and all that here's another

1254

00:46:13,109 --> 00:46:11,920

question

1255

00:46:15,430 --> 00:46:13,119

have either

1256

00:46:17,190 --> 00:46:15,440

of you heard the samurai chatter from

1257

00:46:19,750 --> 00:46:17,200

these creatures

1258

00:46:21,670 --> 00:46:19,760

yeah yeah what is happening i i did a

1259

00:46:24,470 --> 00:46:21,680

lot of you know sort of cut my teeth on

1260

00:46:27,030 --> 00:46:24,480

bigfoot at salford state park in

1261

00:46:29,349 --> 00:46:27,040

central ohio which is well well known

1262

00:46:31,829 --> 00:46:29,359

across the country with bigfoot folks

1263

00:46:33,990 --> 00:46:31,839

and uh me and my buddy were we had

1264

00:46:35,750 --> 00:46:34,000

reserved the group campground which is a

1265

00:46:38,069 --> 00:46:35,760

huge area off in the wildlife area of

1266

00:46:39,670 --> 00:46:38,079

the park by itself and we had we gotten

1267

00:46:40,630 --> 00:46:39,680

some special permission to go in there

1268

00:46:42,230 --> 00:46:40,640

after

1269

00:46:44,390 --> 00:46:42,240

the season so it was in march and it was

1270

00:46:45,829 --> 00:46:44,400

really really cold that night in the 20s

1271

00:46:47,430 --> 00:46:45,839

and we had set up our tent and we were

1272

00:46:48,950 --> 00:46:47,440

just sitting by the fire

1273

00:46:50,790 --> 00:46:48,960

um you know

1274

00:46:52,790 --> 00:46:50,800

discussing our plans and how we're gonna

1275

00:46:54,790 --> 00:46:52,800

you know do our investigation and and

1276
00:46:57,270 --> 00:46:54,800
down on the the trail down below as we

1277
00:46:59,910 --> 00:46:57,280
heard what sounded like a a woman

1278
00:47:01,510 --> 00:46:59,920
talking to two kids just soft little

1279
00:47:04,230 --> 00:47:01,520
voices but the more we leaned in and

1280
00:47:07,030 --> 00:47:04,240
listened we're like that's not people

1281
00:47:09,030 --> 00:47:07,040
but it's language and that's that's what

1282
00:47:11,670 --> 00:47:09,040
it sounded like it was that sort of

1283
00:47:13,589 --> 00:47:11,680
chatter noise and uh it went on for a

1284
00:47:17,190 --> 00:47:13,599
couple minutes and and we had a very

1285
00:47:22,230 --> 00:47:18,950
interesting wow that is

1286
00:47:25,109 --> 00:47:22,240
that and i had never heard of that so

1287
00:47:28,390 --> 00:47:25,119
yeah i'm asking i'm asking her name is

1288
00:47:30,710 --> 00:47:28,400

mardi m-a-r-d-i

1289

00:47:33,910 --> 00:47:30,720

i'm asking her to call

1290

00:47:36,470 --> 00:47:33,920

now so uh bill might be uh ready and

1291

00:47:37,510 --> 00:47:36,480

standing by and we'll take her call so

1292

00:47:45,589 --> 00:47:37,520

why

1293

00:47:46,630 --> 00:47:45,599

you two are in colorado but

1294

00:47:48,710 --> 00:47:46,640

you must

1295

00:47:51,430 --> 00:47:48,720

wonder why

1296

00:47:52,950 --> 00:47:51,440

that state is so active

1297

00:47:54,630 --> 00:47:52,960

i mean is it the wilderness does that

1298

00:47:56,150 --> 00:47:54,640

have something to do with it

1299

00:47:58,309 --> 00:47:56,160

it does and i think there's a lot of

1300

00:48:00,230 --> 00:47:58,319

people out there dedicated to

1301
00:48:02,069 --> 00:48:00,240
finding it too so you've got more people

1302
00:48:04,630 --> 00:48:02,079
looking

1303
00:48:06,950 --> 00:48:04,640
but yeah it has it has a a real rich

1304
00:48:09,829 --> 00:48:06,960
history i i'm not sure

1305
00:48:12,549 --> 00:48:09,839
i mean it's it's super remote out there

1306
00:48:16,150 --> 00:48:12,559
but also there's a lot connected to the

1307
00:48:17,829 --> 00:48:16,160
to the volcanoes and the cascades

1308
00:48:20,549 --> 00:48:17,839
a lot of underground

1309
00:48:22,390 --> 00:48:20,559
passageways and strange things connected

1310
00:48:23,670 --> 00:48:22,400
to those volcanoes

1311
00:48:25,990 --> 00:48:23,680
i've heard that and then there's the

1312
00:48:28,230 --> 00:48:26,000
mima mounds have you heard of that

1313
00:48:30,150 --> 00:48:28,240

where's that's there obviously but where

1314

00:48:33,030 --> 00:48:30,160

where in the state

1315

00:48:34,470 --> 00:48:33,040

where the mima mounds around centalia

1316

00:48:37,510 --> 00:48:34,480

there are these

1317

00:48:38,630 --> 00:48:37,520

these conical shaped things that are

1318

00:48:40,710 --> 00:48:38,640

maybe

1319

00:48:42,710 --> 00:48:40,720

six seven feet high and there's

1320

00:48:43,990 --> 00:48:42,720

thousands of them all lined up one after

1321

00:48:46,470 --> 00:48:44,000

another

1322

00:48:47,990 --> 00:48:46,480

one theory is that aliens somehow we're

1323

00:48:50,230 --> 00:48:48,000

digging these tunnels and that's where

1324

00:48:51,589 --> 00:48:50,240

they dump the material

1325

00:48:54,309 --> 00:48:51,599

otherwise if they're totally

1326
00:48:55,349 --> 00:48:54,319
inexplicable there's no no way that they

1327
00:48:56,390 --> 00:48:55,359
could have occurred and they're quite

1328
00:48:58,390 --> 00:48:56,400
ancient

1329
00:48:59,829 --> 00:48:58,400
it's just really bizarre stuff like that

1330
00:49:01,190 --> 00:48:59,839
going on

1331
00:49:03,190 --> 00:49:01,200
now have they ever

1332
00:49:05,030 --> 00:49:03,200
done a radar to try to see what's down

1333
00:49:06,390 --> 00:49:05,040
inside them like a lot of times there'll

1334
00:49:08,790 --> 00:49:06,400
be a burial

1335
00:49:11,430 --> 00:49:08,800
uh you know chambers or something that

1336
00:49:13,510 --> 00:49:11,440
are unusual yeah there's nothing there

1337
00:49:15,349 --> 00:49:13,520
but there's thousands of them all lined

1338
00:49:16,870 --> 00:49:15,359

up in one area one

1339

00:49:18,790 --> 00:49:16,880

there are probably

1340

00:49:20,309 --> 00:49:18,800

five or six football fields across and

1341

00:49:22,309 --> 00:49:20,319

it goes for miles

1342

00:49:23,750 --> 00:49:22,319

wow and ron touched on another you know

1343

00:49:25,750 --> 00:49:23,760

topic that's come up while we've been

1344

00:49:26,549 --> 00:49:25,760

doing this research and talking to

1345

00:49:28,150 --> 00:49:26,559

people

1346

00:49:29,990 --> 00:49:28,160

and there's there's a contingency of

1347

00:49:33,270 --> 00:49:30,000

people that believe that they may be

1348

00:49:35,270 --> 00:49:33,280

subterranean as well and there's a whole

1349

00:49:37,190 --> 00:49:35,280

infrastructure underground somewhere

1350

00:49:39,109 --> 00:49:37,200

that these things could

1351

00:49:42,630 --> 00:49:39,119

come in and out of

1352

00:49:45,190 --> 00:49:42,640

well well i have uh marty is on the line

1353

00:49:46,710 --> 00:49:45,200

i'm going to add her to the show marty

1354

00:49:48,950 --> 00:49:46,720

is uh the person that i was talking

1355

00:49:52,390 --> 00:49:48,960

about earlier i met her friend on a

1356

00:49:54,790 --> 00:49:52,400

plane and started talking uh to her and

1357

00:49:57,030 --> 00:49:54,800

she connected me to her today marty

1358

00:49:58,790 --> 00:49:57,040

welcome to the show hi

1359

00:50:03,829 --> 00:49:58,800

hi

1360

00:50:06,790 --> 00:50:03,839

your your what part you're right on the

1361

00:50:07,589 --> 00:50:06,800

border of oregon right your cabin

1362

00:50:08,710 --> 00:50:07,599

yes

1363

00:50:10,549 --> 00:50:08,720

okay yeah

1364

00:50:13,030 --> 00:50:10,559

so can you explain what what is

1365

00:50:14,549 --> 00:50:13,040

happening

1366

00:50:17,270 --> 00:50:14,559

well um

1367

00:50:19,829 --> 00:50:17,280

for the last three years

1368

00:50:21,910 --> 00:50:19,839

we've developed a relationship with a

1369

00:50:23,349 --> 00:50:21,920

group of sasquatch that live on the

1370

00:50:25,190 --> 00:50:23,359

property

1371

00:50:27,349 --> 00:50:25,200

and

1372

00:50:29,349 --> 00:50:27,359

i realize that sounds

1373

00:50:31,670 --> 00:50:29,359

well to this audience hopefully it

1374

00:50:34,069 --> 00:50:31,680

sounds normal

1375

00:50:36,790 --> 00:50:34,079

to me i'm a skeptic i'm a natural

1376

00:50:39,430 --> 00:50:36,800

skeptic of everything and so

1377

00:50:40,390 --> 00:50:39,440

um but i'm very open-minded about most

1378

00:50:43,190 --> 00:50:40,400

things

1379

00:50:44,790 --> 00:50:43,200

and and and so it's um it started with

1380

00:50:45,750 --> 00:50:44,800

just hearing them

1381

00:50:47,510 --> 00:50:45,760

hearing

1382

00:50:48,950 --> 00:50:47,520

you know them calling to each other at

1383

00:50:51,670 --> 00:50:48,960

night

1384

00:50:54,470 --> 00:50:51,680

which is pretty terrifying

1385

00:50:57,109 --> 00:50:54,480

um really loud screams and and the

1386

00:50:59,349 --> 00:50:57,119

chatter uh i think alan or ron just

1387

00:51:01,109 --> 00:50:59,359

mentioned the chatter noises

1388

00:51:03,270 --> 00:51:01,119

that they heard you know it sounds like

1389

00:51:06,150 --> 00:51:03,280

a group of people talking

1390

00:51:08,069 --> 00:51:06,160

yeah um uh we're hearing that at night

1391

00:51:09,510 --> 00:51:08,079

as well like you you would think that

1392

00:51:11,990 --> 00:51:09,520

there's a group of

1393

00:51:13,910 --> 00:51:12,000

humans on your property we have 30 acres

1394

00:51:17,190 --> 00:51:13,920

it's our own mountains

1395

00:51:19,510 --> 00:51:17,200

and it we are um in what's called high

1396

00:51:21,349 --> 00:51:19,520

prairie washington so we look right out

1397

00:51:22,390 --> 00:51:21,359

at mount adams in the cascades were

1398

00:51:24,710 --> 00:51:22,400

right between

1399

00:51:26,710 --> 00:51:24,720

mount hood and mount adams

1400

00:51:29,349 --> 00:51:26,720

so that would give you an idea of the

1401
00:51:32,150 --> 00:51:29,359
terrain and you know i'm only 20 miles

1402
00:51:36,950 --> 00:51:32,160
away from the esetti ranch

1403
00:51:38,790 --> 00:51:36,960
um ec eti you know with a i

1404
00:51:40,790 --> 00:51:38,800
you're probably the most

1405
00:51:43,030 --> 00:51:40,800
paranormal hot spot in the whole state

1406
00:51:46,230 --> 00:51:43,040
so not surprising

1407
00:51:48,069 --> 00:51:46,240
so so marty before we continue here i i

1408
00:51:50,069 --> 00:51:48,079
have to ask you

1409
00:51:51,829 --> 00:51:50,079
and i want you to continue because it's

1410
00:51:53,270 --> 00:51:51,839
it's fascinating to me but

1411
00:51:56,630 --> 00:51:53,280
what about

1412
00:51:58,069 --> 00:51:56,640
photos and videos

1413
00:52:00,069 --> 00:51:58,079

i've heard other people say they

1414

00:52:01,910 --> 00:52:00,079

disappear when you want to take a

1415

00:52:03,670 --> 00:52:01,920

picture is that what what's going on

1416

00:52:06,390 --> 00:52:03,680

with that yeah

1417

00:52:07,670 --> 00:52:06,400

well um i had one experience just this

1418

00:52:09,349 --> 00:52:07,680

last june

1419

00:52:11,030 --> 00:52:09,359

i would it was

1420

00:52:13,349 --> 00:52:11,040

i'd been um

1421

00:52:15,430 --> 00:52:13,359

i meditate i meditate twice a day every

1422

00:52:16,549 --> 00:52:15,440

day i was meditating outside underneath

1423

00:52:19,829 --> 00:52:16,559

a tree

1424

00:52:20,950 --> 00:52:19,839

um in a meadow where they often come and

1425

00:52:21,829 --> 00:52:20,960

go

1426

00:52:23,990 --> 00:52:21,839

and

1427

00:52:26,630 --> 00:52:24,000

yes i believe that there's a portal here

1428

00:52:27,510 --> 00:52:26,640

or we're in an energetic vortex

1429

00:52:29,190 --> 00:52:27,520

um

1430

00:52:30,630 --> 00:52:29,200

definitely we have a native american

1431

00:52:32,790 --> 00:52:30,640

connection here we have everything all

1432

00:52:35,190 --> 00:52:32,800

of the above check check check for like

1433

00:52:38,870 --> 00:52:35,200

skin walker ranch conditions

1434

00:52:41,190 --> 00:52:38,880

um and so i was meditating and i heard

1435

00:52:43,750 --> 00:52:41,200

them say i heard

1436

00:52:45,510 --> 00:52:43,760

telepathically in my brain

1437

00:52:46,950 --> 00:52:45,520

if you want to see us we'll be out

1438

00:52:49,270 --> 00:52:46,960

tonight

1439

00:52:50,230 --> 00:52:49,280

and i thought

1440

00:52:52,710 --> 00:52:50,240

okay

1441

00:52:54,950 --> 00:52:52,720

and i'm always the disorganized person i

1442

00:52:57,990 --> 00:52:54,960

don't ever have my camera but i had my

1443

00:52:59,750 --> 00:52:58,000

cell phone on i was ready i'm like okay

1444

00:53:01,990 --> 00:52:59,760

well we'll see if that was true if it's

1445

00:53:04,870 --> 00:53:02,000

just my mind you know

1446

00:53:06,950 --> 00:53:04,880

and um that night you know every night

1447

00:53:09,750 --> 00:53:06,960

at 10 o'clock they'd been running by the

1448

00:53:12,150 --> 00:53:09,760

house and hitting the side of the house

1449

00:53:13,510 --> 00:53:12,160

and i mean it's loud you can hear the

1450

00:53:15,510 --> 00:53:13,520

footsteps

1451

00:53:16,790 --> 00:53:15,520

it's it's terrifying

1452

00:53:19,190 --> 00:53:16,800

and um

1453

00:53:21,910 --> 00:53:19,200

and so they ran by hit the house but

1454

00:53:24,069 --> 00:53:21,920

then i heard someone coughing down below

1455

00:53:27,109 --> 00:53:24,079

my window i had my windows open i was

1456

00:53:29,270 --> 00:53:27,119

upstairs i look across the meadow

1457

00:53:31,030 --> 00:53:29,280

and they were trying to get my attention

1458

00:53:33,349 --> 00:53:31,040

and i was like i don't believe this i

1459

00:53:35,030 --> 00:53:33,359

don't believe it until i see you and so

1460

00:53:38,309 --> 00:53:35,040

i stood up and looked and there they

1461

00:53:41,430 --> 00:53:38,319

were there's a group of about 17

1462

00:53:45,829 --> 00:53:41,440

about exactly 17 i counted

1463

00:53:48,150 --> 00:53:45,839

i i was so freaked out i'm like what

1464

00:53:50,309 --> 00:53:48,160

why we have motion sensor lights on the

1465

00:53:52,870 --> 00:53:50,319

house and they couldn't quite reach they

1466

00:53:55,270 --> 00:53:52,880

almost reached right on the edges of it

1467

00:53:58,069 --> 00:53:55,280

but what they were doing was amazing

1468

00:53:59,670 --> 00:53:58,079

um i held up i picked up my phone camera

1469

00:54:01,349 --> 00:53:59,680

i'm looking through the camera and i

1470

00:54:03,750 --> 00:54:01,359

waved because they were looking right at

1471

00:54:06,309 --> 00:54:03,760

me i could see red eyes looking right at

1472

00:54:07,910 --> 00:54:06,319

me across the meadow so they're about

1473

00:54:11,589 --> 00:54:07,920

what

1474

00:54:14,069 --> 00:54:11,599

maybe 200 yards 100 yards away

1475

00:54:16,549 --> 00:54:14,079

not that far but far enough you know

1476
00:54:19,109 --> 00:54:16,559
and um but i could see them clearly and

1477
00:54:21,670 --> 00:54:19,119
they were i could physically see them

1478
00:54:23,030 --> 00:54:21,680
but they sort of looked semi-transparent

1479
00:54:27,589 --> 00:54:23,040
around their

1480
00:54:29,510 --> 00:54:27,599
were semi-transparent

1481
00:54:31,510 --> 00:54:29,520
so they were walking and they were

1482
00:54:33,750 --> 00:54:31,520
walking in a ceremony they were

1483
00:54:35,670 --> 00:54:33,760
following each other in a circle

1484
00:54:37,750 --> 00:54:35,680
and you know what it reminded me of is

1485
00:54:40,309 --> 00:54:37,760
powwows how you know the native

1486
00:54:43,589 --> 00:54:40,319
americans i go to a lot of powwows that

1487
00:54:45,270 --> 00:54:43,599
um they go around in a certain circle

1488
00:54:47,109 --> 00:54:45,280

and i just started wondering like i

1489

00:54:49,190 --> 00:54:47,119

wonder what is this

1490

00:54:52,789 --> 00:54:49,200

well then i started hearing native

1491

00:54:55,670 --> 00:54:52,799

drumming it was like boom boom

1492

00:54:56,870 --> 00:54:55,680

and really loud but it was not made of

1493

00:54:58,789 --> 00:54:56,880

drumming

1494

00:55:00,710 --> 00:54:58,799

how do i know i just know it wasn't it

1495

00:55:02,230 --> 00:55:00,720

was like a mechanical sound coming from

1496

00:55:03,670 --> 00:55:02,240

the earth

1497

00:55:05,510 --> 00:55:03,680

and then

1498

00:55:07,430 --> 00:55:05,520

so i'm watching and i'm i'm filming in

1499

00:55:09,589 --> 00:55:07,440

my camera right i'm like oh my god oh my

1500

00:55:12,150 --> 00:55:09,599

god i'm going to put this video out and

1501

00:55:13,030 --> 00:55:12,160

and the minute i had that thought

1502

00:55:15,829 --> 00:55:13,040

um

1503

00:55:18,630 --> 00:55:15,839

the the the leader who seemed to be the

1504

00:55:20,950 --> 00:55:18,640

largest had to be you know 15 feet tall

1505

00:55:22,870 --> 00:55:20,960

i don't know really tall

1506

00:55:24,470 --> 00:55:22,880

because way across the field really

1507

00:55:25,829 --> 00:55:24,480

really tall taller than one of my

1508

00:55:28,470 --> 00:55:25,839

tallest trees

1509

00:55:31,510 --> 00:55:28,480

looks at me and my camera flew out of my

1510

00:55:33,030 --> 00:55:31,520

hand flew against the window dropped it

1511

00:55:35,430 --> 00:55:33,040

i'm like oh

1512

00:55:37,430 --> 00:55:35,440

oh okay guess not

1513

00:55:38,390 --> 00:55:37,440

and i just kept watching i could still

1514

00:55:40,470 --> 00:55:38,400

see

1515

00:55:42,789 --> 00:55:40,480

but everything the power went out the a

1516

00:55:44,390 --> 00:55:42,799

second later like

1517

00:55:46,470 --> 00:55:44,400

all the power went out

1518

00:55:49,589 --> 00:55:46,480

um and i went well i guess they don't

1519

00:55:51,910 --> 00:55:49,599

want to be filmed and um

1520

00:55:54,230 --> 00:55:51,920

but i i went to look i didn't have it

1521

00:55:56,230 --> 00:55:54,240

but i witnessed it i saw that and then

1522

00:55:57,990 --> 00:55:56,240

ever you know i have many many many more

1523

00:55:59,829 --> 00:55:58,000

experiences ever after but that's the

1524

00:56:00,870 --> 00:55:59,839

first time i physically

1525

00:56:03,510 --> 00:56:00,880

saw them

1526

00:56:05,990 --> 00:56:03,520

on the property doing this ceremony a

1527

00:56:08,950 --> 00:56:06,000

long story short i

1528

00:56:10,390 --> 00:56:08,960

watched on one of the shows you know i'm

1529

00:56:13,030 --> 00:56:10,400

obsessed with all those different

1530

00:56:14,870 --> 00:56:13,040

documentaries on history channel etc

1531

00:56:17,109 --> 00:56:14,880

well there was something about

1532

00:56:19,829 --> 00:56:17,119

washington state in the tri-cities which

1533

00:56:21,990 --> 00:56:19,839

is only 100 miles from here they've got

1534

00:56:24,950 --> 00:56:22,000

a research lab on portals

1535

00:56:27,190 --> 00:56:24,960

and um they said a feature of a portal

1536

00:56:30,309 --> 00:56:27,200

when it opens is that sound

1537

00:56:32,309 --> 00:56:30,319

that something sound it thumps

1538

00:56:33,910 --> 00:56:32,319

and um it does sound like native

1539

00:56:36,069 --> 00:56:33,920

drumming

1540

00:56:38,230 --> 00:56:36,079

so uh scientifically proven they're

1541

00:56:40,549 --> 00:56:38,240

doing experiments at this lab in the

1542

00:56:41,750 --> 00:56:40,559

tri-cities on opening and closing

1543

00:56:42,470 --> 00:56:41,760

portals

1544

00:56:44,549 --> 00:56:42,480

so

1545

00:56:46,870 --> 00:56:44,559

i never knew that i thought well okay

1546

00:56:49,270 --> 00:56:46,880

that's interesting

1547

00:56:52,150 --> 00:56:49,280

well i while you're on don't don't don't

1548

00:56:54,069 --> 00:56:52,160

hang up yet i want to know if

1549

00:56:55,829 --> 00:56:54,079

alan or ron

1550

00:56:56,470 --> 00:56:55,839

do you have some questions i mean this

1551
00:56:57,750 --> 00:56:56,480
is

1552
00:56:59,190 --> 00:56:57,760
what i would consider a pretty good

1553
00:57:00,789 --> 00:56:59,200
witness you have any

1554
00:57:02,710 --> 00:57:00,799
uh questions for

1555
00:57:04,230 --> 00:57:02,720
well it sounds like a lot of stories

1556
00:57:05,190 --> 00:57:04,240
we've heard i mean you have some details

1557
00:57:07,670 --> 00:57:05,200
in there

1558
00:57:09,670 --> 00:57:07,680
that are new but a lot of the there's a

1559
00:57:12,150 --> 00:57:09,680
lot of similarities to your story and

1560
00:57:14,870 --> 00:57:12,160
other people that we've talked to in

1561
00:57:16,630 --> 00:57:14,880
some of our own encounters as well

1562
00:57:19,109 --> 00:57:16,640
they always seem to be

1563
00:57:21,349 --> 00:57:19,119

um just out of reach you know either

1564

00:57:23,750 --> 00:57:21,359

visually or or through the use of

1565

00:57:25,270 --> 00:57:23,760

technology to really view them in a

1566

00:57:27,030 --> 00:57:25,280

clear manner they they know what they're

1567

00:57:27,910 --> 00:57:27,040

doing that's for sure

1568

00:57:28,789 --> 00:57:27,920

yeah

1569

00:57:31,270 --> 00:57:28,799

yes

1570

00:57:34,549 --> 00:57:31,280

like i said that adam's area is

1571

00:57:36,950 --> 00:57:34,559

probably the most paranormal rich spot

1572

00:57:37,910 --> 00:57:36,960

in the oregon washington area

1573

00:57:39,030 --> 00:57:37,920

um

1574

00:57:40,950 --> 00:57:39,040

it is

1575

00:57:44,710 --> 00:57:40,960

there's a guy who we work with his name

1576

00:57:48,230 --> 00:57:45,750

maybe not

1577

00:57:49,990 --> 00:57:48,240

very well not tom powell i think he's

1578

00:57:52,150 --> 00:57:50,000

one oh yeah

1579

00:57:53,829 --> 00:57:52,160

yeah okay uh-huh yeah if there's some

1580

00:57:57,430 --> 00:57:53,839

way we could put you in touch with him

1581

00:57:59,990 --> 00:57:57,440

he he's worked that area quite a bit

1582

00:58:02,789 --> 00:58:00,000

we also got some some interesting stones

1583

00:58:05,510 --> 00:58:02,799

from another sensitive that were

1584

00:58:07,750 --> 00:58:05,520

put out incredible electromagnetic

1585

00:58:10,309 --> 00:58:07,760

activity that lit us all up from that

1586

00:58:12,230 --> 00:58:10,319

area so there's a lot going on there

1587

00:58:15,430 --> 00:58:12,240

all right i i have a a couple of

1588

00:58:18,390 --> 00:58:15,440

questions uh for you marty it's uh

1589

00:58:19,589 --> 00:58:18,400

how close have you ever gotten to the in

1590

00:58:22,549 --> 00:58:19,599

and you said

1591

00:58:24,230 --> 00:58:22,559

that they form different groups

1592

00:58:27,030 --> 00:58:24,240

right but how close have you ever gotten

1593

00:58:31,190 --> 00:58:27,040

to one how how far away was the closest

1594

00:58:33,510 --> 00:58:31,200

one okay so this this is this is one of

1595

00:58:34,549 --> 00:58:33,520

one of the first experiences i had here

1596

00:58:37,270 --> 00:58:34,559

i was

1597

00:58:38,630 --> 00:58:37,280

standing out at 4 00 a.m in are in that

1598

00:58:39,670 --> 00:58:38,640

same field

1599

00:58:40,630 --> 00:58:39,680

um

1600

00:58:41,829 --> 00:58:40,640

and

1601
00:58:43,750 --> 00:58:41,839
i hear

1602
00:58:45,349 --> 00:58:43,760
all around me just like what the guys

1603
00:58:48,309 --> 00:58:45,359
were saying you know i'm not seeing

1604
00:58:50,630 --> 00:58:48,319
anything but i'm feeling them you know

1605
00:58:52,870 --> 00:58:50,640
the thumping footsteps are coming it's

1606
00:58:54,950 --> 00:58:52,880
like elephants thundering all around me

1607
00:58:58,390 --> 00:58:54,960
yeah i have three dogs on a leash i have

1608
00:59:01,030 --> 00:58:58,400
three dogs on a leash out to pee at 4am

1609
00:59:04,390 --> 00:59:01,040
and they wrap around my legs and it was

1610
00:59:05,829 --> 00:59:04,400
probably they surrounded me in a group

1611
00:59:08,870 --> 00:59:05,839
and they were what they were i could

1612
00:59:10,390 --> 00:59:08,880
feel them i could i had i was paralyzed

1613
00:59:13,829 --> 00:59:10,400

i couldn't move

1614

00:59:15,670 --> 00:59:13,839

and that is also a feature i've learned

1615

00:59:17,910 --> 00:59:15,680

um it's uh

1616

00:59:20,630 --> 00:59:17,920

i i was literally paralyzed but i was

1617

00:59:23,510 --> 00:59:20,640

being spun around while my feet were on

1618

00:59:25,510 --> 00:59:23,520

the ground i kid you not so they were

1619

00:59:27,750 --> 00:59:25,520

surrounding me and how i knew they were

1620

00:59:29,589 --> 00:59:27,760

surrounding me was i could feel their

1621

00:59:30,829 --> 00:59:29,599

breath like

1622

00:59:33,670 --> 00:59:30,839

i could hear

1623

00:59:35,430 --> 00:59:33,680

that and and they were going they were

1624

00:59:37,190 --> 00:59:35,440

saying

1625

00:59:39,670 --> 00:59:37,200

[Music]

1626
00:59:42,069 --> 00:59:39,680
they were doing fake owl calls to each

1627
00:59:43,990 --> 00:59:42,079
other and it was i was in the middle of

1628
00:59:45,589 --> 00:59:44,000
their circle they were circling me they

1629
00:59:47,270 --> 00:59:45,599
were messing with me

1630
00:59:49,670 --> 00:59:47,280
and i was terrified

1631
00:59:51,829 --> 00:59:49,680
and i went i finally found my voice and

1632
00:59:54,549 --> 00:59:51,839
i said hey if you're trying to scare me

1633
00:59:55,349 --> 00:59:54,559
it's working i'm really scared

1634
00:59:57,430 --> 00:59:55,359
and

1635
00:59:59,030 --> 00:59:57,440
it's instantly stopped

1636
01:00:00,710 --> 00:59:59,040
instantly like the minute i said

1637
01:00:03,109 --> 01:00:00,720
something they went oh

1638
01:00:04,789 --> 01:00:03,119

and they just took off down the hill

1639

01:00:06,390 --> 01:00:04,799

calling to each other

1640

01:00:08,870 --> 01:00:06,400

let me let me ask you something when you

1641

01:00:11,910 --> 01:00:08,880

say you felt them what can you describe

1642

01:00:12,950 --> 01:00:11,920

that what did that feel like

1643

01:00:16,870 --> 01:00:12,960

um

1644

01:00:18,230 --> 01:00:16,880

hot uh you know my chest like my my

1645

01:00:20,150 --> 01:00:18,240

whole chest

1646

01:00:21,510 --> 01:00:20,160

was um

1647

01:00:25,349 --> 01:00:21,520

i

1648

01:00:27,109 --> 01:00:25,359

you're um really out of breath

1649

01:00:30,710 --> 01:00:27,119

yeah and um

1650

01:00:31,910 --> 01:00:30,720

it was just frozen i thought with fear

1651
01:00:34,150 --> 01:00:31,920
i've learned

1652
01:00:35,349 --> 01:00:34,160
that's a a sonar

1653
01:00:37,750 --> 01:00:35,359
thing

1654
01:00:40,470 --> 01:00:37,760
um like a infrasound it's called

1655
01:00:47,990 --> 01:00:40,480
infrasound and tiger tigers have it

1656
01:00:52,789 --> 01:00:50,309
and my dogs couldn't move i had one dog

1657
01:00:54,950 --> 01:00:52,799
that ran away early on but the other two

1658
01:00:56,630 --> 01:00:54,960
were frozen and wrapped around my legs

1659
01:00:59,589 --> 01:00:56,640
and so that we're all just standing

1660
01:01:01,990 --> 01:00:59,599
there like what is happening

1661
01:01:03,910 --> 01:01:02,000
now did you actually go go ahead ron go

1662
01:01:06,230 --> 01:01:03,920
ahead ron have you had any did you have

1663
01:01:08,150 --> 01:01:06,240

any experiences as a younger person

1664

01:01:18,549 --> 01:01:08,160

before this that are paranormal in

1665

01:01:22,710 --> 01:01:19,430

yeah

1666

01:01:26,069 --> 01:01:22,720

yes i'm wide open

1667

01:01:28,309 --> 01:01:26,079

and and and so well that's why it's new

1668

01:01:32,549 --> 01:01:28,319

then that's why it's you

1669

01:01:36,710 --> 01:01:34,390

i called the sheriff three times this

1670

01:01:39,910 --> 01:01:36,720

last summer because of them jumping on

1671

01:01:40,789 --> 01:01:39,920

my roof they jumped on my roof and i

1672

01:01:43,510 --> 01:01:40,799

asked

1673

01:01:45,030 --> 01:01:43,520

i i thought well shoot i wonder if

1674

01:01:48,150 --> 01:01:45,040

because they talked to me when i

1675

01:01:49,829 --> 01:01:48,160

meditated i asked telepathically

1676

01:01:51,349 --> 01:01:49,839

why are you doing this are you just

1677

01:01:52,470 --> 01:01:51,359

messing with me because i was really

1678

01:01:56,150 --> 01:01:52,480

scared

1679

01:01:56,950 --> 01:01:56,160

and and they said oh it's just our way

1680

01:02:02,470 --> 01:01:56,960

like

1681

01:02:04,710 --> 01:02:02,480

have a relationship i'm not even kidding

1682

01:02:06,789 --> 01:02:04,720

i i leave food for them i asked them

1683

01:02:09,750 --> 01:02:06,799

what they wanted i have a hidden place

1684

01:02:11,910 --> 01:02:09,760

that i leave it um i they've been

1685

01:02:16,549 --> 01:02:11,920

interacting with me now the closest i've

1686

01:02:19,029 --> 01:02:16,559

gotten is maybe 10 or 15 feet away now

1687

01:02:21,510 --> 01:02:19,039

but they will show themselves but they

1688

01:02:23,510 --> 01:02:21,520

when they do they disappear

1689

01:02:25,109 --> 01:02:23,520

they show themselves physically full on

1690

01:02:26,789 --> 01:02:25,119

and then they go

1691

01:02:29,270 --> 01:02:26,799

into thin air

1692

01:02:32,230 --> 01:02:29,280

uh it's it's very trippy

1693

01:02:33,430 --> 01:02:32,240

and what about orbs

1694

01:02:37,270 --> 01:02:33,440

oh yeah

1695

01:02:38,150 --> 01:02:37,280

uh their trees around here um at night

1696

01:02:40,710 --> 01:02:38,160

um

1697

01:02:41,990 --> 01:02:40,720

usually it's like once a month

1698

01:02:44,390 --> 01:02:42,000

and that's what led me to start

1699

01:02:46,230 --> 01:02:44,400

believing are they just coming here they

1700

01:02:50,230 --> 01:02:46,240

they have a new crew that comes in for

1701

01:02:52,470 --> 01:02:50,240

training i mean i have other people i i

1702

01:02:54,470 --> 01:02:52,480

i know it sounds silly but i have other

1703

01:02:56,470 --> 01:02:54,480

uh witnesses in the family it's not just

1704

01:02:58,309 --> 01:02:56,480

me there's at least four of us that have

1705

01:03:01,190 --> 01:02:58,319

witnessed all of these things

1706

01:03:04,470 --> 01:03:01,200

yeah they're gonna ask for that yeah so

1707

01:03:06,470 --> 01:03:04,480

yeah it's not just wacky marty

1708

01:03:09,270 --> 01:03:06,480

yeah and that place we should go allen

1709

01:03:11,589 --> 01:03:09,280

to investigate yeah definitely it sounds

1710

01:03:13,270 --> 01:03:11,599

up our alley for sure

1711

01:03:14,789 --> 01:03:13,280

when the sheriffs were here when the

1712

01:03:17,190 --> 01:03:14,799

sheriff's deputies were i had him out

1713

01:03:19,829 --> 01:03:17,200

three times last year because i could

1714

01:03:21,589 --> 01:03:19,839

swear it was people and there should be

1715

01:03:23,430 --> 01:03:21,599

no people on my property like i said

1716

01:03:26,390 --> 01:03:23,440

we're very remote we're out in the

1717

01:03:28,150 --> 01:03:26,400

middle of nowhere uh 30 acres our own

1718

01:03:30,870 --> 01:03:28,160

mountain you have to come up a mile

1719

01:03:32,870 --> 01:03:30,880

driveway to get up here so

1720

01:03:35,109 --> 01:03:32,880

you hear people talking you hear

1721

01:03:37,349 --> 01:03:35,119

chattering it sounded like a bunch of

1722

01:03:39,829 --> 01:03:37,359

chinese people that's what i thought i

1723

01:03:40,549 --> 01:03:39,839

thought is this chinese is it japanese

1724

01:03:44,710 --> 01:03:40,559

and

1725

01:03:46,390 --> 01:03:44,720

the window of course there's nothing

1726

01:03:47,910 --> 01:03:46,400

there but my lights were going off all

1727

01:03:49,910 --> 01:03:47,920

night long

1728

01:03:51,589 --> 01:03:49,920

and and um

1729

01:03:53,510 --> 01:03:51,599

the the sheriff when they came i said

1730

01:03:55,029 --> 01:03:53,520

you're gonna think i'm really nuts but

1731

01:03:57,029 --> 01:03:55,039

you know this is what i believe is

1732

01:03:58,870 --> 01:03:57,039

happening and they're like no that's not

1733

01:04:01,029 --> 01:03:58,880

nuts all of us have had our experiences

1734

01:04:03,270 --> 01:04:01,039

here

1735

01:04:04,950 --> 01:04:03,280

it's just it's normal it's just people

1736

01:04:06,549 --> 01:04:04,960

don't talk about it

1737

01:04:08,870 --> 01:04:06,559

yeah

1738

01:04:11,190 --> 01:04:08,880

now why would why would

1739

01:04:13,829 --> 01:04:11,200

it sounds like a semi-remote area maybe

1740

01:04:15,270 --> 01:04:13,839

i'm wrong but a lot of times people will

1741

01:04:17,750 --> 01:04:15,280

spot

1742

01:04:19,349 --> 01:04:17,760

you know bigfoot in an area where it's

1743

01:04:22,710 --> 01:04:19,359

very remote and

1744

01:04:24,829 --> 01:04:22,720

what would be if if like i'm just trying

1745

01:04:28,069 --> 01:04:24,839

to figure out if these things are

1746

01:04:30,069 --> 01:04:28,079

visiting do they not want human re

1747

01:04:32,470 --> 01:04:30,079

uh interaction or

1748

01:04:34,630 --> 01:04:32,480

do they i mean do they wanna i mean why

1749

01:04:36,230 --> 01:04:34,640

are they here no

1750

01:04:38,309 --> 01:04:36,240

okay um

1751

01:04:39,670 --> 01:04:38,319

well if you wanna get into all that i

1752

01:04:41,670 --> 01:04:39,680

i've started

1753

01:04:43,510 --> 01:04:41,680

i've been because i'm a meditator

1754

01:04:46,309 --> 01:04:43,520

because i'm a spiritual person because

1755

01:04:49,349 --> 01:04:46,319

i'm wide open to all of this i started

1756

01:04:51,589 --> 01:04:49,359

talking with tr attempting to talk with

1757

01:04:53,349 --> 01:04:51,599

them telepathically

1758

01:04:57,029 --> 01:04:53,359

it doesn't seem like it's super

1759

01:04:59,750 --> 01:04:57,039

successful like i've had two experiences

1760

01:05:01,349 --> 01:04:59,760

where they responded back but it's never

1761

01:05:03,670 --> 01:05:01,359

been in the moment

1762

01:05:04,950 --> 01:05:03,680

it's been i will pose a question in my

1763

01:05:07,270 --> 01:05:04,960

meditation

1764

01:05:08,950 --> 01:05:07,280

i'll say i asked just that question so

1765

01:05:11,829 --> 01:05:08,960

what's the deal you know you want to

1766

01:05:13,829 --> 01:05:11,839

play around here you want to run by the

1767

01:05:15,510 --> 01:05:13,839

house you want to make noise you want to

1768

01:05:17,270 --> 01:05:15,520

you know mess with me

1769

01:05:19,190 --> 01:05:17,280

but you don't really want to hang out or

1770

01:05:20,390 --> 01:05:19,200

talk or get to know me or

1771

01:05:22,710 --> 01:05:20,400

i just

1772

01:05:25,029 --> 01:05:22,720

what's the deal what is that

1773

01:05:27,829 --> 01:05:25,039

and they said and why can't i take your

1774

01:05:29,829 --> 01:05:27,839

picture and they said because

1775

01:05:32,470 --> 01:05:29,839

it's not what we're here about

1776

01:05:35,990 --> 01:05:32,480

we've lived here for billions of years

1777

01:05:36,950 --> 01:05:36,000

we this is our planet as well as yours

1778

01:05:42,390 --> 01:05:36,960

and

1779

01:05:43,430 --> 01:05:42,400

how they need to for their mission quote

1780

01:05:45,190 --> 01:05:43,440

unquote

1781

01:05:46,230 --> 01:05:45,200

i don't know what is their mission i

1782

01:05:48,710 --> 01:05:46,240

don't know

1783

01:05:51,910 --> 01:05:48,720

but the orbs those blue orbs

1784

01:05:52,950 --> 01:05:51,920

um big blue or uh you'll see them once a

1785

01:05:56,069 --> 01:05:52,960

month here

1786

01:05:57,589 --> 01:05:56,079

and it it it will coincide often with a

1787

01:05:59,270 --> 01:05:57,599

full moon

1788

01:06:01,190 --> 01:05:59,280

so um

1789

01:06:03,190 --> 01:06:01,200

you know i could see why people get all

1790

01:06:06,150 --> 01:06:03,200

freaked out and spooky about it

1791

01:06:08,150 --> 01:06:06,160

i mean i still do it's terrifying

1792

01:06:09,990 --> 01:06:08,160

but it's still cool it's cool it's

1793

01:06:13,109 --> 01:06:10,000

really interesting to me

1794

01:06:15,190 --> 01:06:13,119

but it is scary

1795

01:06:17,910 --> 01:06:15,200

have you ever you said that you

1796

01:06:20,470 --> 01:06:17,920

were horrified uh and

1797

01:06:21,990 --> 01:06:20,480

but do you are you more or less at peace

1798

01:06:22,950 --> 01:06:22,000

now

1799

01:06:24,309 --> 01:06:22,960

with uh

1800

01:06:26,150 --> 01:06:24,319

with these

1801
01:06:27,750 --> 01:06:26,160
and what type of foods do they like by

1802
01:06:29,910 --> 01:06:27,760
the way

1803
01:06:33,029 --> 01:06:29,920
i've just been leaving them i asked i

1804
01:06:34,789 --> 01:06:33,039
asked um because i contacted that

1805
01:06:37,670 --> 01:06:34,799
there's a guy who's written some books

1806
01:06:38,950 --> 01:06:37,680
about this kiwani leipziritis

1807
01:06:41,510 --> 01:06:38,960
and um

1808
01:06:43,990 --> 01:06:41,520
i contacted him and said okay here's

1809
01:06:46,549 --> 01:06:44,000
what's happening to me it's very similar

1810
01:06:49,109 --> 01:06:46,559
to what i've read in some of your books

1811
01:06:50,950 --> 01:06:49,119
and um he said oh give them organic

1812
01:06:54,150 --> 01:06:50,960
almonds in a jar

1813
01:06:55,910 --> 01:06:54,160

i'm like okay what no

1814

01:06:57,829 --> 01:06:55,920

i don't even know where to find that so

1815

01:06:58,870 --> 01:06:57,839

i i was like i don't think they would

1816

01:07:00,630 --> 01:06:58,880

like that

1817

01:07:01,670 --> 01:07:00,640

and and i so i thought well i'll just

1818

01:07:04,309 --> 01:07:01,680

ask

1819

01:07:05,910 --> 01:07:04,319

and so in my meditation i just said hey

1820

01:07:08,950 --> 01:07:05,920

i'm going to leave you i was thinking

1821

01:07:10,549 --> 01:07:08,960

apples oranges maybe some peaches would

1822

01:07:12,789 --> 01:07:10,559

you like those

1823

01:07:15,029 --> 01:07:12,799

yes yes to all of those

1824

01:07:16,950 --> 01:07:15,039

and it took them a while if they i knew

1825

01:07:18,230 --> 01:07:16,960

they heard me i can't tell you how i

1826

01:07:20,230 --> 01:07:18,240

knew i just knew

1827

01:07:23,270 --> 01:07:20,240

and then later that night i was

1828

01:07:25,270 --> 01:07:23,280

literally up at 3 a.m i was going to the

1829

01:07:26,150 --> 01:07:25,280

bathroom and all of a sudden in my head

1830

01:07:28,549 --> 01:07:26,160

i hear

1831

01:07:31,430 --> 01:07:28,559

hello honored friend

1832

01:07:33,029 --> 01:07:31,440

yes on the apples and peaches

1833

01:07:34,150 --> 01:07:33,039

i'm like i mean i thought jumped out of

1834

01:07:36,950 --> 01:07:34,160

my skin

1835

01:07:37,910 --> 01:07:36,960

i was taking a pee i'm like oh my god

1836

01:07:41,589 --> 01:07:37,920

okay

1837

01:07:43,750 --> 01:07:41,599

apples and peaches duly noted so i

1838

01:07:46,710 --> 01:07:43,760

that's what i leave them i i would leave

1839

01:07:48,630 --> 01:07:46,720

them like every friday i go to the store

1840

01:07:51,029 --> 01:07:48,640

and i would bring back a big bag for

1841

01:07:53,029 --> 01:07:51,039

them and hide it in the hiding place and

1842

01:07:55,430 --> 01:07:53,039

that was really cool because to me i'm

1843

01:07:57,589 --> 01:07:55,440

still testing i'm like because i don't

1844

01:07:59,670 --> 01:07:57,599

see them often but you can feel them

1845

01:08:02,549 --> 01:07:59,680

hear them they walk with me up and down

1846

01:08:03,510 --> 01:08:02,559

my mountain uh i had to clear my road of

1847

01:08:07,589 --> 01:08:03,520

rocks

1848

01:08:09,910 --> 01:08:07,599

eroded over time it's just a dirt road

1849

01:08:11,910 --> 01:08:09,920

and so rocks start coming through so i'm

1850

01:08:13,430 --> 01:08:11,920

picking out the big ones so people don't

1851

01:08:15,349 --> 01:08:13,440

pop a tire

1852

01:08:17,829 --> 01:08:15,359

well they would walk with me

1853

01:08:21,110 --> 01:08:17,839

like maybe 15 feet away but i could feel

1854

01:08:21,990 --> 01:08:21,120

them hear them smell yes smell

1855

01:08:25,110 --> 01:08:22,000

and

1856

01:08:26,789 --> 01:08:25,120

they would throw rocks back

1857

01:08:28,550 --> 01:08:26,799

they thought it was a game

1858

01:08:30,070 --> 01:08:28,560

i was throwing rocks over to the side

1859

01:08:32,149 --> 01:08:30,080

like get this out of here i don't want

1860

01:08:33,349 --> 01:08:32,159

that one there and another rock would

1861

01:08:35,269 --> 01:08:33,359

come back

1862

01:08:36,789 --> 01:08:35,279

i'm like from the thin air in my point

1863

01:08:40,070 --> 01:08:36,799

of view i'm like but i can hear them

1864

01:08:41,189 --> 01:08:40,080

crackling along the sticks with me

1865

01:08:45,669 --> 01:08:41,199

so

1866

01:08:48,789 --> 01:08:45,679

because a lot of people

1867

01:08:50,870 --> 01:08:48,799

uh feel this way uh this may be a little

1868

01:08:54,709 --> 01:08:50,880

harsh to hear but you know i'm sorry

1869

01:08:57,669 --> 01:08:54,719

she's a waste of time all this frequency

1870

01:09:00,070 --> 01:08:57,679

and not a bit of evidence um so

1871

01:09:02,870 --> 01:09:00,080

what do you i mean

1872

01:09:05,189 --> 01:09:02,880

it is frustrating because

1873

01:09:06,470 --> 01:09:05,199

everyone wants evidence it's frustrating

1874

01:09:07,430 --> 01:09:06,480

for everyone

1875

01:09:08,950 --> 01:09:07,440

and

1876

01:09:11,349 --> 01:09:08,960

when you're saying you

1877

01:09:13,829 --> 01:09:11,359

you decided you have just given up on

1878

01:09:17,189 --> 01:09:13,839

trying to film or take a picture you've

1879

01:09:19,749 --> 01:09:17,199

just totally given up on that

1880

01:09:22,149 --> 01:09:19,759

me personally yes because committed to

1881

01:09:24,630 --> 01:09:22,159

it i'm a person in my word and i told

1882

01:09:26,950 --> 01:09:24,640

them okay if i promise not to take your

1883

01:09:29,669 --> 01:09:26,960

picture well i'm gonna put cameras up

1884

01:09:31,829 --> 01:09:29,679

here because this is a game trail i

1885

01:09:33,590 --> 01:09:31,839

don't like not knowing what animals are

1886

01:09:35,430 --> 01:09:33,600

surrounding my cabin

1887

01:09:38,070 --> 01:09:35,440

but um

1888

01:09:40,630 --> 01:09:38,080

not intending to take their picture no i

1889

01:09:41,990 --> 01:09:40,640

promised them they said no no pictures

1890

01:09:44,070 --> 01:09:42,000

so all right

1891

01:09:46,829 --> 01:09:44,080

um it's okay to me if people want to

1892

01:09:49,269 --> 01:09:46,839

think i'm wacky i don't care i don't

1893

01:09:51,590 --> 01:09:49,279

whatever it's interesting to me

1894

01:09:53,430 --> 01:09:51,600

it's it's interesting to me because i

1895

01:09:56,950 --> 01:09:53,440

didn't believe in most of this i thought

1896

01:09:59,030 --> 01:09:56,960

oh yeah okay sure sure that happened but

1897

01:10:00,630 --> 01:09:59,040

now when i you know when i called the

1898

01:10:03,510 --> 01:10:00,640

sheriff out here three different

1899

01:10:05,669 --> 01:10:03,520

deputies said to me don't worry about it

1900

01:10:08,790 --> 01:10:05,679

it happens all the time out here we

1901

01:10:09,669 --> 01:10:08,800

understand we've all had our experiences

1902

01:10:12,709 --> 01:10:09,679

so

1903

01:10:15,910 --> 01:10:12,719

that's good enough for me and and um

1904

01:10:17,830 --> 01:10:15,920

i am going to have a crew come out here

1905

01:10:21,189 --> 01:10:17,840

and see if they can get

1906

01:10:24,149 --> 01:10:21,199

evidence but i bet they won't

1907

01:10:25,990 --> 01:10:24,159

they won't because because

1908

01:10:29,270 --> 01:10:26,000

i have a neighbor i have a neighbor

1909

01:10:31,990 --> 01:10:29,280

about a mile up who comes once a year

1910

01:10:34,550 --> 01:10:32,000

and he came and i told him hey just fyi

1911

01:10:37,030 --> 01:10:34,560

there's a whole large group like at

1912

01:10:39,189 --> 01:10:37,040

least 20 that come and go from the

1913

01:10:40,709 --> 01:10:39,199

mountain here and so just in case you

1914

01:10:42,310 --> 01:10:40,719

hear him tonight he's like why would you

1915

01:10:44,470 --> 01:10:42,320

tell me that you're just trying to freak

1916

01:10:46,070 --> 01:10:44,480

me out like no no i was just trying to

1917

01:10:47,189 --> 01:10:46,080

give you a heads up if you're camping

1918

01:10:49,110 --> 01:10:47,199

tonight

1919

01:10:51,270 --> 01:10:49,120

and um

1920

01:10:52,870 --> 01:10:51,280

they didn't hear or see anything

1921

01:10:54,229 --> 01:10:52,880

and then the next morning after those

1922

01:10:56,390 --> 01:10:54,239

guys were gone

1923

01:10:58,390 --> 01:10:56,400

they were at my door they throw pine

1924

01:11:00,630 --> 01:10:58,400

cones at my door

1925

01:11:03,189 --> 01:11:00,640

and and like what was that

1926

01:11:06,470 --> 01:11:03,199

who what was going on why are they here

1927

01:11:10,390 --> 01:11:08,149

so i am going to have a crew come out

1928

01:11:11,510 --> 01:11:10,400

here long story long i've got some

1929

01:11:14,149 --> 01:11:11,520

friends that are paranormal

1930

01:11:15,669 --> 01:11:14,159

investigators and i told them i said you

1931

01:11:17,590 --> 01:11:15,679

guys want to come and camp and use all

1932

01:11:20,870 --> 01:11:17,600

your equipment and take pictures and

1933

01:11:23,110 --> 01:11:20,880

whatnot that's fine because it's not me

1934

01:11:25,270 --> 01:11:23,120

i see well they they may still know you

1935

01:11:27,030 --> 01:11:25,280

have a connection to it but anyway these

1936

01:11:29,830 --> 01:11:27,040

gentlemen above

1937

01:11:32,149 --> 01:11:29,840

the these gentlemen here um will

1938

01:11:33,189 --> 01:11:32,159

probably also be interested in talking

1939

01:11:35,189 --> 01:11:33,199

to you

1940

01:11:37,430 --> 01:11:35,199

yeah well you know i just wanted to add

1941

01:11:39,030 --> 01:11:37,440

one thing to what you said there i uh as

1942

01:11:42,149 --> 01:11:39,040

far as getting evidence and things you

1943

01:11:44,070 --> 01:11:42,159

know i i've found and i believe now that

1944

01:11:46,229 --> 01:11:44,080

these experiences are are for

1945

01:11:47,830 --> 01:11:46,239

individuals they're not

1946

01:11:49,910 --> 01:11:47,840

they're not something you can gather

1947

01:11:51,350 --> 01:11:49,920

evidence if you go out trying to gather

1948

01:11:54,709 --> 01:11:51,360

evidence you're going to have a hard

1949

01:11:57,750 --> 01:11:54,719

time and a lot of these investigators

1950

01:11:59,750 --> 01:11:57,760

they they need to sort of step away from

1951

01:12:02,149 --> 01:11:59,760

that mindset if they want to have their

1952

01:12:03,910 --> 01:12:02,159

own experiences if you get away from

1953

01:12:05,910 --> 01:12:03,920

trying to prove it and just accept that

1954

01:12:08,630 --> 01:12:05,920

it's real and then i'm open to having an

1955

01:12:10,550 --> 01:12:08,640

interaction that it starts to happen if

1956

01:12:12,310 --> 01:12:10,560

you if you let it but going out there

1957

01:12:13,750 --> 01:12:12,320

with with the intent of i'm going to

1958

01:12:15,669 --> 01:12:13,760

share this with the world it's that's

1959

01:12:17,669 --> 01:12:15,679

not what it's for it's for you it's not

1960

01:12:20,229 --> 01:12:17,679

for the world true

1961

01:12:23,350 --> 01:12:20,239

yeah i agree i agree i feel strongly

1962

01:12:26,709 --> 01:12:23,360

about that now too i i really do i i

1963

01:12:30,630 --> 01:12:28,470

it feels sacred to me

1964

01:12:32,630 --> 01:12:30,640

yeah and it's a special thing

1965

01:12:34,310 --> 01:12:32,640

and it's okay to feel that way about it

1966

01:12:36,470 --> 01:12:34,320

and to treat it like that you know i've

1967

01:12:38,310 --> 01:12:36,480

we've met people that have told us about

1968

01:12:39,830 --> 01:12:38,320

these kinds of encounters on their

1969

01:12:41,590 --> 01:12:39,840

property or that they've had and we're

1970

01:12:42,950 --> 01:12:41,600

like hey we're doing a documentary can

1971

01:12:44,550 --> 01:12:42,960

we come you know check it out and

1972

01:12:46,229 --> 01:12:44,560

they're like nope we don't have anything

1973

01:12:47,270 --> 01:12:46,239

going on you know all of a sudden they

1974

01:12:49,030 --> 01:12:47,280

they clam up and they don't want

1975

01:12:51,590 --> 01:12:49,040

anything to do with it because it does

1976

01:12:54,550 --> 01:12:51,600

if you if you're receiving that message

1977

01:12:56,630 --> 01:12:54,560

correctly it should be personal

1978

01:12:59,110 --> 01:12:56,640

uh marty i got a question for you what

1979

01:13:00,310 --> 01:12:59,120

about footprints someone just said put

1980

01:13:02,470 --> 01:13:00,320

flour everywhere and there'll be

1981

01:13:05,270 --> 01:13:02,480

footprints but don't do don't they leave

1982

01:13:08,149 --> 01:13:05,280

impressions in the ground

1983

01:13:10,470 --> 01:13:08,159

no i've never seen a footprint here ever

1984

01:13:13,270 --> 01:13:10,480

um you know what i have seen i was

1985

01:13:16,630 --> 01:13:13,280

sitting i have a window where you know

1986

01:13:19,830 --> 01:13:16,640

i'm i work from home i look out to mount

1987

01:13:21,590 --> 01:13:19,840

adams beautiful view and i saw

1988

01:13:24,790 --> 01:13:21,600

um

1989

01:13:27,430 --> 01:13:24,800

a grizzle ahead i mean i went what

1990

01:13:30,229 --> 01:13:27,440

i saw a bigfoot head

1991

01:13:32,550 --> 01:13:30,239

go floating by the window my window is

1992

01:13:34,550 --> 01:13:32,560

15 feet off the ground

1993

01:13:36,149 --> 01:13:34,560

so i was like what

1994

01:13:38,229 --> 01:13:36,159

i mean it made me laugh really hard

1995

01:13:39,830 --> 01:13:38,239

because they had been throwing pine

1996

01:13:40,630 --> 01:13:39,840

cones at the door and i wouldn't come

1997

01:13:43,110 --> 01:13:40,640

out

1998

01:13:45,750 --> 01:13:43,120

because i was busy i was working

1999

01:13:47,910 --> 01:13:45,760

and so they kept moving around the house

2000

01:13:50,390 --> 01:13:47,920

and finally they floated right by like

2001
01:13:52,790 --> 01:13:50,400
oh there she is they float by the window

2002
01:13:54,709 --> 01:13:52,800
and i went okay i have to go out there

2003
01:13:56,550 --> 01:13:54,719
because this one is very

2004
01:13:58,390 --> 01:13:56,560
wants to engage

2005
01:14:01,189 --> 01:13:58,400
and i took my dog on the leash and he

2006
01:14:03,189 --> 01:14:01,199
went out there and my dog wouldn't go

2007
01:14:05,270 --> 01:14:03,199
the dog's like nope

2008
01:14:07,270 --> 01:14:05,280
first turned back around and ran in the

2009
01:14:09,910 --> 01:14:07,280
house because they smell

2010
01:14:11,910 --> 01:14:09,920
before i did and can you speaking of

2011
01:14:14,709 --> 01:14:11,920
smell what is the type can you describe

2012
01:14:16,870 --> 01:14:14,719
what the odor smells like

2013
01:14:19,510 --> 01:14:16,880

yeah it's very skunky

2014

01:14:21,510 --> 01:14:19,520

yeah it almost smells like like a

2015

01:14:23,910 --> 01:14:21,520

combination of pot

2016

01:14:25,510 --> 01:14:23,920

and a skunk

2017

01:14:28,630 --> 01:14:25,520

you're more

2018

01:14:31,669 --> 01:14:28,640

yeah and a little bit

2019

01:14:34,550 --> 01:14:31,679

yeah yeah but not as strong as um

2020

01:14:35,510 --> 01:14:34,560

uh because skunks last we do have skunks

2021

01:14:37,510 --> 01:14:35,520

here

2022

01:14:40,830 --> 01:14:37,520

and you know what that smells like then

2023

01:14:42,709 --> 01:14:40,840

they it's really hard to get out and

2024

01:14:45,430 --> 01:14:42,719

um like a passing smell it just kind of

2025

01:14:45,440 --> 01:14:48,550

yes exactly

2026

01:14:52,950 --> 01:14:51,030

well i'm i think the thing that's very

2027

01:14:54,709 --> 01:14:52,960

interesting about this is you you claim

2028

01:14:57,430 --> 01:14:54,719

that you actually see them like

2029

01:14:58,470 --> 01:14:57,440

disappear in front of you

2030

01:15:01,270 --> 01:14:58,480

yes

2031

01:15:03,830 --> 01:15:01,280

and that's um one day that's sort of how

2032

01:15:06,070 --> 01:15:03,840

i thought i started noticing i had the

2033

01:15:08,550 --> 01:15:06,080

weird experience with the beings

2034

01:15:10,310 --> 01:15:08,560

surrounding me that were invisible and i

2035

01:15:12,630 --> 01:15:10,320

thought well that was odd but i don't

2036

01:15:14,870 --> 01:15:12,640

really know what was that i felt it was

2037

01:15:15,750 --> 01:15:14,880

sasquatch but i how would i know i don't

2038

01:15:16,950 --> 01:15:15,760

know

2039

01:15:19,750 --> 01:15:16,960

and so

2040

01:15:20,870 --> 01:15:19,760

right after that i had the experience of

2041

01:15:23,350 --> 01:15:20,880

um

2042

01:15:24,709 --> 01:15:23,360

looking out the window at a tree and you

2043

01:15:26,790 --> 01:15:24,719

know you just kind of stand here and

2044

01:15:29,189 --> 01:15:26,800

look out at the view and like oh my god

2045

01:15:31,750 --> 01:15:29,199

that tree is just swaying back and forth

2046

01:15:35,189 --> 01:15:31,760

wildly as if someone's climbing it

2047

01:15:36,149 --> 01:15:35,199

and it's a giant pine tree i mean really

2048

01:15:38,470 --> 01:15:36,159

tall

2049

01:15:40,149 --> 01:15:38,480

and i thought okay how can that be

2050

01:15:42,630 --> 01:15:40,159

happening there's nothing i'm not seeing

2051

01:15:43,669 --> 01:15:42,640
anything else just this tree as if

2052

01:15:46,470 --> 01:15:43,679
someone's

2053

01:15:49,030 --> 01:15:46,480
climbing it and it's wildly bending to

2054

01:15:51,669 --> 01:15:49,040
and fro and all of a sudden

2055

01:15:53,110 --> 01:15:51,679
the tree goes it got bent way over to

2056

01:15:54,709 --> 01:15:53,120
one side like someone's going to

2057

01:15:56,550 --> 01:15:54,719
slingshot off it

2058

01:15:59,030 --> 01:15:56,560
and it went

2059

01:16:02,550 --> 01:15:59,040
and it sling shotted and the guy it was

2060

01:16:04,870 --> 01:16:02,560
a sasquatch it looked like a young one

2061

01:16:07,990 --> 01:16:04,880
uh black fur

2062

01:16:10,870 --> 01:16:08,000
and look like you know a young

2063

01:16:12,229 --> 01:16:10,880

a young younger guy he went flying

2064

01:16:14,070 --> 01:16:12,239

through the air and as he flew through

2065

01:16:16,390 --> 01:16:14,080

the air to the next tree over he was

2066

01:16:17,910 --> 01:16:16,400

flying to a tree like i don't know 20

2067

01:16:18,870 --> 01:16:17,920

feet away

2068

01:16:20,470 --> 01:16:18,880

and

2069

01:16:22,310 --> 01:16:20,480

he disappeared midair

2070

01:16:23,750 --> 01:16:22,320

but you could see the other tree as he

2071

01:16:26,310 --> 01:16:23,760

landed on it

2072

01:16:27,270 --> 01:16:26,320

so i saw him just for a flash in the air

2073

01:16:28,950 --> 01:16:27,280

and then

2074

01:16:32,149 --> 01:16:28,960

lands on the other tree and he's

2075

01:16:34,390 --> 01:16:32,159

disappeared but the tree is going

2076
01:16:36,390 --> 01:16:34,400
like someone just landed on me you do

2077
01:16:37,510 --> 01:16:36,400
realize this this sounds way out there

2078
01:16:39,430 --> 01:16:37,520
you

2079
01:16:43,189 --> 01:16:39,440
but but i mean i do

2080
01:16:48,229 --> 01:16:43,199
i believe that you that's all right

2081
01:16:52,790 --> 01:16:51,110
that's totally understandable i if i was

2082
01:16:53,990 --> 01:16:52,800
listening to someone do this too i'd be

2083
01:16:54,870 --> 01:16:54,000
like okay

2084
01:16:56,550 --> 01:16:54,880
all right

2085
01:16:59,110 --> 01:16:56,560
yeah

2086
01:17:00,630 --> 01:16:59,120
to me we're all in our own journey

2087
01:17:01,669 --> 01:17:00,640
and and so

2088
01:17:20,950 --> 01:17:01,679

i

2089

01:17:21,750 --> 01:17:20,960

to me

2090

01:17:24,149 --> 01:17:21,760

and

2091

01:17:26,310 --> 01:17:24,159

i i do i get choked up when i talk about

2092

01:17:27,430 --> 01:17:26,320

it it's just it's very special it's very

2093

01:17:30,390 --> 01:17:27,440

cool

2094

01:17:32,229 --> 01:17:30,400

and um i don't care i don't care what

2095

01:17:34,229 --> 01:17:32,239

anyone else thinks because i just know

2096

01:17:36,709 --> 01:17:34,239

what i know and and it's my whole family

2097

01:17:38,790 --> 01:17:36,719

too if it was only me and no other

2098

01:17:41,430 --> 01:17:38,800

family members then i'd start doubting

2099

01:17:43,830 --> 01:17:41,440

my insanity so there's a question up

2100

01:17:46,790 --> 01:17:43,840

there for you have you or other guests

2101
01:17:49,750 --> 01:17:46,800
or family members ever considered it's

2102
01:17:52,790 --> 01:17:49,760
something else besides bigfoot

2103
01:17:55,110 --> 01:17:53,590
i mean

2104
01:17:56,950 --> 01:17:55,120
is that the only thing you think it i

2105
01:17:58,470 --> 01:17:56,960
mean it doesn't appear to be anything

2106
01:18:00,550 --> 01:17:58,480
else but what people are claiming

2107
01:18:03,350 --> 01:18:00,560
they're seeing right okay

2108
01:18:03,750 --> 01:18:03,360
well i just saw someone i saw dmt up

2109
01:18:05,910 --> 01:18:03,760
there

2110
01:18:08,070 --> 01:18:05,920
[Laughter]

2111
01:18:09,990 --> 01:18:08,080
no never done dmt

2112
01:18:11,030 --> 01:18:10,000
uh never done ayahuasca i've never done

2113
01:18:13,030 --> 01:18:11,040

it but

2114

01:18:15,270 --> 01:18:13,040

one might experience

2115

01:18:17,270 --> 01:18:15,280

um on the on your boards i just i wasn't

2116

01:18:18,310 --> 01:18:17,280

looking at your board until now

2117

01:18:21,590 --> 01:18:18,320

um

2118

01:18:24,470 --> 01:18:21,600

yeah well don't get distracted yeah

2119

01:18:26,470 --> 01:18:24,480

tons of paranormal experiences here to

2120

01:18:29,669 --> 01:18:26,480

be had just like what the guys were

2121

01:18:32,470 --> 01:18:29,679

talking about um portal i'm sure that's

2122

01:18:34,630 --> 01:18:32,480

why i've had a time slip experience

2123

01:18:37,350 --> 01:18:34,640

where i went to the grocery store came

2124

01:18:39,430 --> 01:18:37,360

home i didn't have a driveway to go up

2125

01:18:42,229 --> 01:18:39,440

and i was just panicked going what in

2126

01:18:44,470 --> 01:18:42,239

the hell it doesn't exist and where i

2127

01:18:46,229 --> 01:18:44,480

was dr i drove down the freeway 10

2128

01:18:48,870 --> 01:18:46,239

minutes past my driveway where it should

2129

01:18:49,590 --> 01:18:48,880

have been there's nothing here there was

2130

01:18:51,030 --> 01:18:49,600

no

2131

01:18:53,110 --> 01:18:51,040

um

2132

01:18:55,510 --> 01:18:53,120

not a house nothing

2133

01:18:57,350 --> 01:18:55,520

and and this is you know like every mile

2134

01:18:59,189 --> 01:18:57,360

or so there's a house here

2135

01:19:01,189 --> 01:18:59,199

and so finally i'm like well i know

2136

01:19:02,470 --> 01:19:01,199

where this one neighbor is he's about

2137

01:19:04,950 --> 01:19:02,480

you know

2138

01:19:07,030 --> 01:19:04,960

a couple miles down the road from me

2139

01:19:08,390 --> 01:19:07,040

he was there and so i used his driveway

2140

01:19:10,709 --> 01:19:08,400

as a turnaround

2141

01:19:12,470 --> 01:19:10,719

i came back i'm like man if my

2142

01:19:14,950 --> 01:19:12,480

driveway's not here on this this go

2143

01:19:17,910 --> 01:19:14,960

around i don't know where am i am i just

2144

01:19:19,110 --> 01:19:17,920

in no no man's land and there it was it

2145

01:19:22,229 --> 01:19:19,120

was there

2146

01:19:23,669 --> 01:19:22,239

uh i asked i asked about that in

2147

01:19:26,149 --> 01:19:23,679

meditation

2148

01:19:30,630 --> 01:19:28,550

i was told there was a meeting

2149

01:19:32,229 --> 01:19:30,640

we were having a meeting so they closed

2150

01:19:33,910 --> 01:19:32,239

off you know you don't have a driveway

2151

01:19:35,830 --> 01:19:33,920

you don't have a property no one's

2152

01:19:37,430 --> 01:19:35,840

allowed up here it's like the place

2153

01:19:40,550 --> 01:19:37,440

disappeared

2154

01:19:41,669 --> 01:19:40,560

i thought okay let like a committee and

2155

01:19:44,550 --> 01:19:41,679

and

2156

01:19:47,189 --> 01:19:44,560

listen people have seen physically seen

2157

01:19:48,229 --> 01:19:47,199

little shadow people here like a foot

2158

01:19:49,430 --> 01:19:48,239

high

2159

01:19:51,350 --> 01:19:49,440

they're

2160

01:19:53,669 --> 01:19:51,360

we call them menehones

2161

01:19:54,870 --> 01:19:53,679

and they're these small black shadow

2162

01:19:57,270 --> 01:19:54,880

people

2163

01:19:58,790 --> 01:19:57,280

and you can i've physically seen those

2164

01:20:01,430 --> 01:19:58,800

myself here

2165

01:20:04,790 --> 01:20:01,440

uh i don't know what are they uh

2166

01:20:06,550 --> 01:20:04,800

they're elementals i believe so

2167

01:20:08,629 --> 01:20:06,560

is this something you see like out of

2168

01:20:11,189 --> 01:20:08,639

the out of the corner of your eye or you

2169

01:20:14,310 --> 01:20:11,199

can look right at it no

2170

01:20:17,270 --> 01:20:14,320

no looked right at it it ran right by me

2171

01:20:19,270 --> 01:20:17,280

i i went oh i chased it i it ran

2172

01:20:20,790 --> 01:20:19,280

upstairs and i chased it and it flew out

2173

01:20:22,470 --> 01:20:20,800

the window

2174

01:20:24,310 --> 01:20:22,480

have seen one

2175

01:20:27,350 --> 01:20:24,320

running out of my car engine

2176
01:20:28,149 --> 01:20:27,360
and i thought okay is that a squirrel no

2177
01:20:31,270 --> 01:20:28,159
no

2178
01:20:33,270 --> 01:20:31,280
it was a person with legs and arms

2179
01:20:34,709 --> 01:20:33,280
that i have a picture of a little thing

2180
01:20:36,790 --> 01:20:34,719
with red eyes

2181
01:20:39,350 --> 01:20:36,800
my friend is an orb photographer she

2182
01:20:40,229 --> 01:20:39,360
comes here because she loves it

2183
01:20:42,709 --> 01:20:40,239
and

2184
01:20:44,229 --> 01:20:42,719
we get all kinds of crazy orb

2185
01:20:45,750 --> 01:20:44,239
photos here

2186
01:20:47,430 --> 01:20:45,760
and um

2187
01:20:48,950 --> 01:20:47,440
we have a picture of one of those little

2188
01:20:50,149 --> 01:20:48,960

black shadow people

2189

01:20:51,110 --> 01:20:50,159

i mean

2190

01:20:52,870 --> 01:20:51,120

you know

2191

01:20:55,350 --> 01:20:52,880

well i'm not i'm not going to be in a

2192

01:20:58,550 --> 01:20:55,360

big hurry to move out by you

2193

01:21:00,709 --> 01:20:58,560

there's too much going on

2194

01:21:02,550 --> 01:21:00,719

mom won't come here anymore uh she's too

2195

01:21:05,669 --> 01:21:02,560

scared of it

2196

01:21:07,510 --> 01:21:05,679

yeah yeah i would be uh yeah i may want

2197

01:21:08,950 --> 01:21:07,520

to see some of those pictures well you

2198

01:21:11,510 --> 01:21:08,960

know uh marty i want to tell you it's

2199

01:21:13,350 --> 01:21:11,520

been a real real pleasure having you uh

2200

01:21:15,350 --> 01:21:13,360

for boy you've been on for i think maybe

2201

01:21:16,629 --> 01:21:15,360

half an hour or something

2202

01:21:18,629 --> 01:21:16,639

and uh

2203

01:21:20,470 --> 01:21:18,639

it's it's been great it's been really

2204

01:21:23,830 --> 01:21:20,480

really interesting to hear

2205

01:21:28,550 --> 01:21:23,840

uh you know directly from someone who's

2206

01:21:29,990 --> 01:21:28,560

um experiencing some really weird stuff

2207

01:21:37,750 --> 01:21:30,000

yeah

2208

01:21:38,790 --> 01:21:37,760

crossed in a strange type of way

2209

01:21:42,229 --> 01:21:38,800

kismet

2210

01:21:44,550 --> 01:21:42,239

but uh yes thank you very much

2211

01:21:46,149 --> 01:21:44,560

okay thanks a lot all right

2212

01:21:47,990 --> 01:21:46,159

bye now

2213

01:21:51,189 --> 01:21:48,000

so i'm going to be opening up the lines

2214

01:21:52,790 --> 01:21:51,199

to uh other callers here and that number

2215

01:21:54,229 --> 01:21:52,800

is going to be up

2216

01:21:55,990 --> 01:21:54,239

on the board right here it's eight five

2217

01:21:57,910 --> 01:21:56,000

five four seven two five four eight

2218

01:22:00,709 --> 01:21:57,920

three the lines are open

2219

01:22:01,750 --> 01:22:00,719

and bill is standing by

2220

01:22:03,750 --> 01:22:01,760

um

2221

01:22:05,189 --> 01:22:03,760

so that that was uh

2222

01:22:06,470 --> 01:22:05,199

you probably weren't expecting that

2223

01:22:08,310 --> 01:22:06,480

tonight

2224

01:22:10,870 --> 01:22:08,320

to have someone call in like that you

2225

01:22:12,229 --> 01:22:10,880

never know you never know when we start

2226

01:22:13,590 --> 01:22:12,239

talking about this all kinds of things

2227

01:22:15,430 --> 01:22:13,600

happen so

2228

01:22:17,750 --> 01:22:15,440

yeah that was uh that was great really

2229

01:22:20,229 --> 01:22:17,760

interesting for sure yeah have you ever

2230

01:22:21,350 --> 01:22:20,239

heard most of what she's talking about i

2231

01:22:23,430 --> 01:22:21,360

mean

2232

01:22:25,350 --> 01:22:23,440

yeah about flinging flinging the young

2233

01:22:27,430 --> 01:22:25,360

one in the tree

2234

01:22:29,830 --> 01:22:27,440

yeah yeah yeah

2235

01:22:32,070 --> 01:22:29,840

a lot a lot of times people have

2236

01:22:33,750 --> 01:22:32,080

pretty long-winded stories

2237

01:22:35,189 --> 01:22:33,760

hard to tell whether

2238

01:22:38,149 --> 01:22:35,199

you know the source of them but yeah

2239

01:22:39,750 --> 01:22:38,159

we've heard people go on and on before

2240

01:22:41,430 --> 01:22:39,760

with their stories of encounter with

2241

01:22:42,310 --> 01:22:41,440

particularly a bigfoot

2242

01:22:47,110 --> 01:22:42,320

yeah

2243

01:22:49,510 --> 01:22:47,120

um you know you hear other places in the

2244

01:22:50,830 --> 01:22:49,520

world they have

2245

01:22:53,350 --> 01:22:50,840

different names

2246

01:22:54,470 --> 01:22:53,360

yeti um i i forget all the different

2247

01:22:56,870 --> 01:22:54,480

names

2248

01:22:58,550 --> 01:22:56,880

all but they're in almost every

2249

01:23:00,550 --> 01:22:58,560

continent right

2250

01:23:03,030 --> 01:23:00,560

yeah they become sort of local legends

2251
01:23:05,430 --> 01:23:03,040
in those areas and and you know the the

2252
01:23:07,270 --> 01:23:05,440
elder folks in those places have names

2253
01:23:08,709 --> 01:23:07,280
for these things it's it's part of

2254
01:23:10,229 --> 01:23:08,719
culture now

2255
01:23:11,669 --> 01:23:10,239
these kinds of creatures

2256
01:23:14,310 --> 01:23:11,679
it's a sort of

2257
01:23:15,590 --> 01:23:14,320
it's an archetype you know the wild wise

2258
01:23:17,350 --> 01:23:15,600
man right

2259
01:23:19,189 --> 01:23:17,360
or wise woman

2260
01:23:20,629 --> 01:23:19,199
is a it's a pretty pretty well-known

2261
01:23:23,110 --> 01:23:20,639
archetype

2262
01:23:25,510 --> 01:23:23,120
in the united stands for sure so

2263
01:23:26,790 --> 01:23:25,520

it's not surprising that

2264

01:23:28,790 --> 01:23:26,800

something is going to show up to you

2265

01:23:30,950 --> 01:23:28,800

it'll show up as something that

2266

01:23:33,510 --> 01:23:30,960

you might be able to interpret as

2267

01:23:35,110 --> 01:23:33,520

the wise wild man

2268

01:23:36,629 --> 01:23:35,120

now you mentioned

2269

01:23:38,709 --> 01:23:36,639

at the

2270

01:23:40,550 --> 01:23:38,719

the ranch or wherever the land is that

2271

01:23:43,270 --> 01:23:40,560

you go to

2272

01:23:45,590 --> 01:23:43,280

these little animals is there

2273

01:23:47,270 --> 01:23:45,600

is there other paranormal stuff

2274

01:23:51,590 --> 01:23:47,280

happening

2275

01:23:55,110 --> 01:23:53,350

i i don't know that we've

2276

01:23:56,550 --> 01:23:55,120

gotten to the bottom of all that i don't

2277

01:23:58,709 --> 01:23:56,560

know that we've really

2278

01:24:01,030 --> 01:23:58,719

honed in on the paranormal side most of

2279

01:24:03,189 --> 01:24:01,040

it has been dealing with

2280

01:24:04,790 --> 01:24:03,199

trying to make contact and and dealing

2281

01:24:06,950 --> 01:24:04,800

with sort of the gifting in the in the

2282

01:24:08,470 --> 01:24:06,960

mutilation side of it so

2283

01:24:10,790 --> 01:24:08,480

um

2284

01:24:15,030 --> 01:24:10,800

i don't know everything the estate park

2285

01:24:18,310 --> 01:24:15,040

area is well known for ufo true

2286

01:24:20,629 --> 01:24:18,320

tons of bigfoot reports not on our land

2287

01:24:21,430 --> 01:24:20,639

but in the general area i mean did you

2288

01:24:25,910 --> 01:24:21,440

say

2289

01:24:27,830 --> 01:24:25,920

i know right i've been there many many

2290

01:24:30,629 --> 01:24:27,840

times i used to live out there i used to

2291

01:24:32,390 --> 01:24:30,639

love that area yeah so we're only

2292

01:24:35,350 --> 01:24:32,400

maybe three or four miles from stanley

2293

01:24:37,110 --> 01:24:35,360

hotel the land we're on

2294

01:24:39,189 --> 01:24:37,120

in esther's park

2295

01:24:40,629 --> 01:24:39,199

so you know yeah i know the hotel now

2296

01:24:42,550 --> 01:24:40,639

and everything i know exactly where you

2297

01:24:44,310 --> 01:24:42,560

mean yeah yeah frankly every old

2298

01:24:47,510 --> 01:24:44,320

building in estes park it's got ghosts

2299

01:24:49,830 --> 01:24:47,520

and haunted yeah so it's really a major

2300

01:24:51,669 --> 01:24:49,840

paranormal hotspot and if you look into

2301

01:24:52,950 --> 01:24:51,679

the literature there's a lot of reports

2302

01:24:55,110 --> 01:24:52,960

of ufos

2303

01:24:57,030 --> 01:24:55,120

people seeing them in that area so

2304

01:24:58,709 --> 01:24:57,040

i mean we're just 40 acres in the

2305

01:25:00,950 --> 01:24:58,719

mountains so

2306

01:25:02,950 --> 01:25:00,960

wow and it's isolated and we don't have

2307

01:25:04,870 --> 01:25:02,960

anybody else running around on it so

2308

01:25:06,550 --> 01:25:04,880

yeah that's many reports from our land

2309

01:25:07,590 --> 01:25:06,560

because they're probably the only ones

2310

01:25:09,110 --> 01:25:07,600

there

2311

01:25:11,270 --> 01:25:09,120

beautiful beautiful area love it out

2312

01:25:13,750 --> 01:25:11,280

there we have ken and he's calling from

2313

01:25:17,750 --> 01:25:13,760

your state in colorado ken you're live

2314

01:25:24,830 --> 01:25:20,390

ken you're on

2315

01:25:27,750 --> 01:25:24,840

hey guys from essex park colorado

2316

01:25:29,830 --> 01:25:27,760

calling hello guys yeah yeah we're

2317

01:25:31,030 --> 01:25:29,840

listening yeah hi kenny

2318

01:25:33,110 --> 01:25:31,040

hi kenny

2319

01:25:37,590 --> 01:25:33,120

how you doing guys i'm the first one to

2320

01:25:41,669 --> 01:25:38,830

hi guys

2321

01:25:44,070 --> 01:25:41,679

just just excellent what you guys are

2322

01:25:47,030 --> 01:25:44,080

talking about tonight i can vouch for

2323

01:25:49,510 --> 01:25:47,040

these two gentlemen i love them both uh

2324

01:25:51,830 --> 01:25:49,520

the alien contact in the rockies will be

2325

01:25:54,550 --> 01:25:51,840

coming out and we're gonna talk about

2326

01:25:56,709 --> 01:25:54,560

the orb experience that i've had and

2327

01:25:59,750 --> 01:25:56,719

um with the

2328

01:26:01,510 --> 01:25:59,760

orb and the aliens and bigfoots and all

2329

01:26:03,510 --> 01:26:01,520

kinds of good stuff in this movie coming

2330

01:26:05,430 --> 01:26:03,520

up so be sure to watch that

2331

01:26:08,070 --> 01:26:05,440

and i just love these two they talk

2332

01:26:10,149 --> 01:26:08,080

about the esses park area um i've had

2333

01:26:11,990 --> 01:26:10,159

been up in that area for about 15 years

2334

01:26:13,750 --> 01:26:12,000

doing investigations

2335

01:26:15,910 --> 01:26:13,760

out of esther's park in the rocky

2336

01:26:17,830 --> 01:26:15,920

mountains and sure was privileged to get

2337

01:26:18,709 --> 01:26:17,840

these guys to come up and do some stuff

2338

01:26:21,669 --> 01:26:18,719

up there

2339

01:26:25,750 --> 01:26:21,679

and to bring it to the audience

2340

01:26:27,990 --> 01:26:25,760

more of the inner reactions of this

2341

01:26:30,629 --> 01:26:28,000

film coming up it's going to just

2342

01:26:32,709 --> 01:26:30,639

be another great one that these guys

2343

01:26:34,950 --> 01:26:32,719

have done so yeah

2344

01:26:37,270 --> 01:26:34,960

he's been a big help to us and

2345

01:26:38,870 --> 01:26:37,280

he's sort of uh he's the local bigfoot

2346

01:26:40,950 --> 01:26:38,880

guy there everybody knows kenny is the

2347

01:26:42,709 --> 01:26:40,960

bigfoot guy so he's been a a big part in

2348

01:26:44,229 --> 01:26:42,719

helping us kind of sort of get to the

2349

01:26:45,350 --> 01:26:44,239

bottom of some of this and uncover some

2350

01:26:48,550 --> 01:26:45,360

more evidence

2351
01:26:50,470 --> 01:26:48,560
when you say the word alien i've heard

2352
01:26:52,950 --> 01:26:50,480
heard that

2353
01:26:56,550 --> 01:26:52,960
what do you mean by that

2354
01:26:57,750 --> 01:26:56,560
some form of non human intelligence

2355
01:27:02,790 --> 01:26:57,760
okay

2356
01:27:04,550 --> 01:27:02,800
wondered how

2357
01:27:05,430 --> 01:27:04,560
what what that term meant to you when

2358
01:27:07,430 --> 01:27:05,440
you're

2359
01:27:10,709 --> 01:27:07,440
using that term yeah i'm not narrowing

2360
01:27:12,870 --> 01:27:10,719
it down to any particular technology or

2361
01:27:15,110 --> 01:27:12,880
or any general

2362
01:27:17,189 --> 01:27:15,120
any specific sorts of

2363
01:27:19,750 --> 01:27:17,199

phenomena but in something that's

2364

01:27:21,669 --> 01:27:19,760

non-human and it's intelligent

2365

01:27:23,590 --> 01:27:21,679

because then the lady you were talking

2366

01:27:24,790 --> 01:27:23,600

to it certainly seems that she's

2367

01:27:26,950 --> 01:27:24,800

interacting with something that's

2368

01:27:28,870 --> 01:27:26,960

intelligent and interactive

2369

01:27:30,629 --> 01:27:28,880

probably smarter than her because

2370

01:27:31,430 --> 01:27:30,639

they seem to be messing with her in some

2371

01:27:33,270 --> 01:27:31,440

way

2372

01:27:35,270 --> 01:27:33,280

which is they're kind of playful a lot

2373

01:27:37,990 --> 01:27:35,280

of people have said that before

2374

01:27:40,390 --> 01:27:38,000

yeah hey kenny have you yourself had any

2375

01:27:42,870 --> 01:27:40,400

ufo sightings there in yesterday's park

2376

01:27:45,510 --> 01:27:44,790

yeah uh

2377

01:27:51,830 --> 01:27:45,520

the

2378

01:27:54,390 --> 01:27:51,840

a hop in a skip away

2379

01:27:56,629 --> 01:27:54,400

um one particular sighting is documented

2380

01:27:58,470 --> 01:27:56,639

where we've seen one flying over the

2381

01:28:00,790 --> 01:27:58,480

stanley and

2382

01:28:02,950 --> 01:28:00,800

as it was flying over the stanley was

2383

01:28:05,350 --> 01:28:02,960

headed towards that little town

2384

01:28:08,550 --> 01:28:05,360

called glen haven and down in that area

2385

01:28:11,590 --> 01:28:08,560

i my research area i got a phone call

2386

01:28:13,830 --> 01:28:11,600

uh not too long after that few days and

2387

01:28:16,149 --> 01:28:13,840

i went down and did an investigation of

2388

01:28:18,390 --> 01:28:16,159

a mutilated goat and i called david

2389

01:28:20,390 --> 01:28:18,400

price for missing 4-1-1

2390

01:28:23,030 --> 01:28:20,400

uh he came up and went and spent the day

2391

01:28:25,110 --> 01:28:23,040

and investigated that and david even

2392

01:28:29,189 --> 01:28:25,120

came out saying that he thought it was

2393

01:28:32,390 --> 01:28:29,199

an alien connection type abduction and

2394

01:28:35,750 --> 01:28:32,400

um yes there's plenty of uh

2395

01:28:39,669 --> 01:28:35,760

stories around the rocky mountains of um

2396

01:28:42,310 --> 01:28:40,629

yeah

2397

01:28:44,070 --> 01:28:42,320

i love it out there i'm trying to

2398

01:28:46,070 --> 01:28:44,080

remember that pass that you drive

2399

01:28:47,510 --> 01:28:46,080

through way up above the tundra it's so

2400

01:28:50,550 --> 01:28:47,520

beautiful

2401

01:28:52,629 --> 01:28:50,560

like fourteen thousand feet

2402

01:28:53,669 --> 01:28:52,639

yes that's 12 ridge road goes on over to

2403

01:28:54,709 --> 01:28:53,679

granby

2404

01:28:56,790 --> 01:28:54,719

and uh

2405

01:28:58,310 --> 01:28:56,800

um that's uh yeah so you're talking

2406

01:29:01,110 --> 01:28:58,320

about trail ridge road

2407

01:29:01,830 --> 01:29:01,120

yeah yeah that is just just beautiful up

2408

01:29:02,790 --> 01:29:01,840

there

2409

01:29:04,709 --> 01:29:02,800

love it

2410

01:29:06,550 --> 01:29:04,719

um

2411

01:29:08,470 --> 01:29:06,560

are you familiar with

2412

01:29:11,350 --> 01:29:08,480

the stuff that was that's been going on

2413

01:29:13,510 --> 01:29:11,360

at our nuclear facilities

2414

01:29:15,990 --> 01:29:13,520

the alien contact experience is there we

2415

01:29:18,310 --> 01:29:16,000

just did a short film about this guy who

2416

01:29:20,709 --> 01:29:18,320

had an encounter on yeah hang on just a

2417

01:29:21,750 --> 01:29:20,719

minute uh ken ken thank you very much

2418

01:29:24,709 --> 01:29:21,760

for the call

2419

01:29:27,669 --> 01:29:24,719

thanks kenny thank you thank you

2420

01:29:29,910 --> 01:29:27,679

all right bye yeah go ahead go ahead ron

2421

01:29:32,070 --> 01:29:29,920

so so you familiar with the contact

2422

01:29:35,270 --> 01:29:32,080

experiences with our in our missile

2423

01:29:37,830 --> 01:29:35,280

fields yes uh i i

2424

01:29:39,270 --> 01:29:37,840

had robert hastings on many years ago a

2425

01:29:41,510 --> 01:29:39,280

number of times

2426

01:29:43,110 --> 01:29:41,520

and uh yeah fascinating stuff

2427

01:29:44,550 --> 01:29:43,120

yeah just did it we just did a short

2428

01:29:47,110 --> 01:29:44,560

film called

2429

01:29:48,310 --> 01:29:47,120

nukes and aliens and nukes uh the mario

2430

01:29:50,470 --> 01:29:48,320

woods

2431

01:29:52,870 --> 01:29:50,480

story and he describes his contact

2432

01:29:55,510 --> 01:29:52,880

experience there 2010

2433

01:29:57,270 --> 01:29:55,520

talking about aliens on human

2434

01:30:00,310 --> 01:29:57,280

intelligence and messing with

2435

01:30:02,470 --> 01:30:00,320

electronics they took offline to launch

2436

01:30:04,229 --> 01:30:02,480

facilities at least part of them

2437

01:30:06,709 --> 01:30:04,239

at iffy warren near cheyenne which is

2438

01:30:09,750 --> 01:30:06,719

close to rocky mountains in a way

2439

01:30:11,910 --> 01:30:09,760

and uh people saw ufos over

2440

01:30:13,830 --> 01:30:11,920

over the missile fields at that time

2441

01:30:16,149 --> 01:30:13,840

over over cheyenne

2442

01:30:18,790 --> 01:30:16,159

president obama was informed

2443

01:30:20,390 --> 01:30:18,800

so it's a real experience and the

2444

01:30:21,750 --> 01:30:20,400

question is you know are they

2445

01:30:24,149 --> 01:30:21,760

are they

2446

01:30:25,750 --> 01:30:24,159

showing like hey we can control you

2447

01:30:27,510 --> 01:30:25,760

anytime we want to are they saying we're

2448

01:30:29,510 --> 01:30:27,520

not going to let you screw up the world

2449

01:30:31,750 --> 01:30:29,520

by blowing it up

2450

01:30:33,030 --> 01:30:31,760

yeah that's probably robert hastings

2451
01:30:35,669 --> 01:30:33,040
idea too

2452
01:30:38,550 --> 01:30:35,679
dedicated the movie to robert by the way

2453
01:30:41,430 --> 01:30:38,560
yes yeah you know i think it's

2454
01:30:43,669 --> 01:30:41,440
it really makes you wonder i mean

2455
01:30:46,709 --> 01:30:43,679
that that is a very fascinating topic to

2456
01:30:49,270 --> 01:30:46,719
me in general but you know what stan

2457
01:30:51,750 --> 01:30:49,280
friedman used to say is

2458
01:30:53,350 --> 01:30:51,760
the kids have found the matches you know

2459
01:30:54,870 --> 01:30:53,360
and that's why they're

2460
01:30:56,550 --> 01:30:54,880
you know they're trying to

2461
01:30:58,950 --> 01:30:56,560
they've done these different

2462
01:31:01,189 --> 01:30:58,960
interferences with warheads all the way

2463
01:31:03,430 --> 01:31:01,199

back since the 1960s

2464

01:31:05,669 --> 01:31:03,440

you know when they the first 11 went

2465

01:31:07,830 --> 01:31:05,679

offline robert salas has been on this

2466

01:31:09,910 --> 01:31:07,840

show a number of times and talked about

2467

01:31:11,590 --> 01:31:09,920

that but you're saying the encounter in

2468

01:31:14,709 --> 01:31:11,600

particular that you're talking about

2469

01:31:16,790 --> 01:31:14,719

happened in 2010 is that what you said

2470

01:31:18,310 --> 01:31:16,800

and what exactly happened can you i'm

2471

01:31:19,750 --> 01:31:18,320

unfamiliar with that can you explain

2472

01:31:22,470 --> 01:31:19,760

what happened with that one

2473

01:31:23,590 --> 01:31:22,480

for roughly a half hour

2474

01:31:32,310 --> 01:31:23,600

the

2475

01:31:35,110 --> 01:31:32,320

and

2476

01:31:36,790 --> 01:31:35,120

ufo or uaps were sighted over the

2477

01:31:38,229 --> 01:31:36,800

missile fields and over cheyenne by

2478

01:31:39,910 --> 01:31:38,239

multiple people

2479

01:31:41,270 --> 01:31:39,920

at the same time

2480

01:31:42,310 --> 01:31:41,280

you know and that's a spooky thing to

2481

01:31:45,510 --> 01:31:42,320

happen

2482

01:31:47,830 --> 01:31:45,520

there are earlier reports of such things

2483

01:31:49,350 --> 01:31:47,840

um before 2010 but this is well

2484

01:31:51,430 --> 01:31:49,360

documented one

2485

01:31:53,189 --> 01:31:51,440

and of course as i said

2486

01:31:54,870 --> 01:31:53,199

there's good indication that obama was

2487

01:31:56,629 --> 01:31:54,880

informed of it who was president at the

2488

01:31:58,709 --> 01:31:56,639

time

2489

01:32:00,550 --> 01:31:58,719

and uh did do you know about the

2490

01:32:01,750 --> 01:32:00,560

investigation after

2491

01:32:02,950 --> 01:32:01,760

any of that

2492

01:32:05,189 --> 01:32:02,960

i do not

2493

01:32:06,070 --> 01:32:05,199

it's all hot sauce yeah

2494

01:32:07,590 --> 01:32:06,080

and

2495

01:32:09,750 --> 01:32:07,600

how about uh

2496

01:32:11,430 --> 01:32:09,760

is is so everything's classified is that

2497

01:32:12,950 --> 01:32:11,440

what you're saying basically

2498

01:32:14,790 --> 01:32:12,960

pretty much

2499

01:32:17,830 --> 01:32:14,800

and who was the witness that spoke about

2500

01:32:23,110 --> 01:32:20,310

oh mario woods he had another encounter

2501

01:32:27,590 --> 01:32:23,120

in another missile field

2502

01:32:30,149 --> 01:32:27,600

his mentor is robert hastings by the way

2503

01:32:31,830 --> 01:32:30,159

he was a policeman assigned to

2504

01:32:33,830 --> 01:32:31,840

you know an air force policeman assigned

2505

01:32:36,149 --> 01:32:33,840

to patrolling they're always patrolling

2506

01:32:38,790 --> 01:32:36,159

those missile fields

2507

01:32:39,590 --> 01:32:38,800

all the time 24 7.

2508

01:32:41,830 --> 01:32:39,600

yeah

2509

01:32:43,270 --> 01:32:41,840

and so he had a direct encounter with a

2510

01:32:45,510 --> 01:32:43,280

a craft that

2511

01:32:48,950 --> 01:32:45,520

maybe abducted him maybe not but he

2512

01:32:51,110 --> 01:32:48,960

picked up his vehicle and moved it about

2513

01:32:52,550 --> 01:32:51,120

at least 20 miles away and he had no

2514

01:32:54,629 --> 01:32:52,560

recollection how it got there on the

2515

01:32:55,510 --> 01:32:54,639

edge of a dam it's a pretty incredible

2516

01:32:56,950 --> 01:32:55,520

story

2517

01:32:58,470 --> 01:32:56,960

ah wow

2518

01:32:59,830 --> 01:32:58,480

wow sounds like someone i'd want to talk

2519

01:33:01,590 --> 01:32:59,840

to sometime

2520

01:33:05,590 --> 01:33:01,600

for sure if you want i can give you his

2521

01:33:07,669 --> 01:33:05,600

email yeah yeah yeah so uh so that's a

2522

01:33:10,310 --> 01:33:07,679

film that's out there and

2523

01:33:12,470 --> 01:33:10,320

we just had ken call and talk about

2524

01:33:15,270 --> 01:33:12,480

that film how many films on this topic

2525

01:33:17,189 --> 01:33:15,280

do you have or and you have something in

2526

01:33:18,550 --> 01:33:17,199

post-production as well right

2527

01:33:21,030 --> 01:33:18,560

we have a new series called the

2528

01:33:22,709 --> 01:33:21,040

paranormal highway this is where we went

2529

01:33:25,430 --> 01:33:22,719

out to five

2530

01:33:27,510 --> 01:33:25,440

five paranormal hot spots and did

2531

01:33:29,110 --> 01:33:27,520

investigations and we had

2532

01:33:31,270 --> 01:33:29,120

at least

2533

01:33:33,110 --> 01:33:31,280

these four or five really unusual

2534

01:33:34,870 --> 01:33:33,120

paranormal occurrences

2535

01:33:37,510 --> 01:33:34,880

including some of alan's contact

2536

01:33:39,510 --> 01:33:37,520

experiences they all happen so

2537

01:33:42,310 --> 01:33:39,520

it seems like uh

2538

01:33:44,390 --> 01:33:42,320

whatever these non-human intelligence

2539

01:33:46,550 --> 01:33:44,400

are they seem to be happy with us

2540

01:33:49,110 --> 01:33:46,560

filming and recording this stuff because

2541

01:33:50,790 --> 01:33:49,120

we get stuff all the time

2542

01:33:53,350 --> 01:33:50,800

like i said when we when that those

2543

01:33:55,030 --> 01:33:53,360

creatures we caught on our trail cam

2544

01:33:56,790 --> 01:33:55,040

they're quite interesting

2545

01:33:58,790 --> 01:33:56,800

they're small

2546

01:33:59,669 --> 01:33:58,800

but when when you see them in the trail

2547

01:34:01,030 --> 01:33:59,679

camp

2548

01:34:03,430 --> 01:34:01,040

they're never wholly there they're kind

2549

01:34:04,950 --> 01:34:03,440

of waffling in and out of existence as

2550

01:34:07,350 --> 01:34:04,960

they move around

2551
01:34:08,709 --> 01:34:07,360
which is kind of free keep it cool

2552
01:34:10,550 --> 01:34:08,719
so you're talking about this is through

2553
01:34:11,830 --> 01:34:10,560
your trail cams

2554
01:34:13,830 --> 01:34:11,840
yeah we captured

2555
01:34:16,229 --> 01:34:13,840
live video moving

2556
01:34:17,110 --> 01:34:16,239
coming out of our portal

2557
01:34:23,110 --> 01:34:17,120
wow

2558
01:34:25,669 --> 01:34:23,120
yeah right at night time it's always

2559
01:34:27,750 --> 01:34:25,679
night is it always nighttime

2560
01:34:28,629 --> 01:34:27,760
around the same time yeah

2561
01:34:30,950 --> 01:34:28,639
yeah

2562
01:34:32,629 --> 01:34:30,960
and how far are these how far are these

2563
01:34:33,990 --> 01:34:32,639

apart you know the

2564

01:34:36,470 --> 01:34:34,000

cameras that you have a lot of them out

2565

01:34:37,910 --> 01:34:36,480

there we have one camera on our on our

2566

01:34:40,550 --> 01:34:37,920

mutilation site

2567

01:34:42,870 --> 01:34:40,560

in our gifting site

2568

01:34:45,270 --> 01:34:42,880

oh oh and that's the same site where you

2569

01:34:46,870 --> 01:34:45,280

you found that any other mutilations or

2570

01:34:48,390 --> 01:34:46,880

was it just that

2571

01:34:51,109 --> 01:34:48,400

that one

2572

01:34:53,270 --> 01:34:51,119

surprisingly a year later

2573

01:34:55,189 --> 01:34:53,280

it appeared it appeared like there were

2574

01:34:57,350 --> 01:34:55,199

it was the thing had been picked clean

2575

01:34:58,870 --> 01:34:57,360

right there wasn't hardly anything left

2576

01:35:01,990 --> 01:34:58,880

we hadn't been up there in quite a while

2577

01:35:03,510 --> 01:35:02,000

it was actually um late last year

2578

01:35:05,590 --> 01:35:03,520

and when we did go back up there there

2579

01:35:07,270 --> 01:35:05,600

was there was a what was left of a

2580

01:35:09,350 --> 01:35:07,280

fresher carcass there so there was

2581

01:35:11,350 --> 01:35:09,360

something else but we sort of

2582

01:35:13,750 --> 01:35:11,360

got to we sort of missed that one almost

2583

01:35:15,590 --> 01:35:13,760

anyway we caught the tail end of it but

2584

01:35:17,030 --> 01:35:15,600

we put the camera up again just in case

2585

01:35:18,950 --> 01:35:17,040

but we haven't gone back and looked at

2586

01:35:22,310 --> 01:35:18,960

it yet

2587

01:35:24,229 --> 01:35:22,320

oh wow wow and so

2588

01:35:26,310 --> 01:35:24,239

you know we talk a lot about

2589

01:35:28,790 --> 01:35:26,320

evidence and you heard

2590

01:35:30,550 --> 01:35:28,800

that woman talk about how

2591

01:35:31,510 --> 01:35:30,560

um

2592

01:35:33,350 --> 01:35:31,520

the

2593

01:35:35,270 --> 01:35:33,360

uh

2594

01:35:37,350 --> 01:35:35,280

she just knows that they don't want

2595

01:35:40,310 --> 01:35:37,360

pictures of her

2596

01:35:41,830 --> 01:35:40,320

of them she doesn't want

2597

01:35:43,430 --> 01:35:41,840

she's not able to take pictures of them

2598

01:35:45,990 --> 01:35:43,440

because she told them she wouldn't or

2599

01:35:47,910 --> 01:35:46,000

whatever and and her camera according to

2600

01:35:48,709 --> 01:35:47,920

her you know left her hand stuff like

2601
01:35:52,629 --> 01:35:48,719
that

2602
01:35:54,790 --> 01:35:52,639
heard

2603
01:35:56,870 --> 01:35:54,800
you know similar stories of

2604
01:35:59,590 --> 01:35:56,880
yeah i learned very early on in my

2605
01:36:01,669 --> 01:35:59,600
bigfoot investigating times that

2606
01:36:03,030 --> 01:36:01,679
if uh if you have a lot of bigfoot in an

2607
01:36:04,470 --> 01:36:03,040
area and you want to get a picture and

2608
01:36:06,629 --> 01:36:04,480
you put your trail cams out it's a good

2609
01:36:08,629 --> 01:36:06,639
way to keep them away so we always tell

2610
01:36:10,790 --> 01:36:08,639
people if they're scaring you put some

2611
01:36:13,590 --> 01:36:10,800
cameras up and and all that stuff will

2612
01:36:15,030 --> 01:36:13,600
stop so they do seem to know

2613
01:36:16,149 --> 01:36:15,040

when things like that are happening i

2614

01:36:17,750 --> 01:36:16,159

don't know if it's just to change the

2615

01:36:20,470 --> 01:36:17,760

environment or the frequencies or what

2616

01:36:22,830 --> 01:36:20,480

but um yeah they definitely don't want

2617

01:36:24,470 --> 01:36:22,840

their picture taken

2618

01:36:26,790 --> 01:36:24,480

um

2619

01:36:29,189 --> 01:36:26,800

bill says what about ufologists and

2620

01:36:31,270 --> 01:36:29,199

bigfoot researchers not working together

2621

01:36:33,510 --> 01:36:31,280

since they want to do separate

2622

01:36:34,310 --> 01:36:33,520

cryptid from e.t what do you think of

2623

01:36:35,910 --> 01:36:34,320

that

2624

01:36:38,870 --> 01:36:35,920

well we definitely have been seeing a

2625

01:36:40,390 --> 01:36:38,880

shift in that you know we've been uh

2626
01:36:42,790 --> 01:36:40,400
going around and speaking at different

2627
01:36:44,870 --> 01:36:42,800
places and sharing our films and we get

2628
01:36:47,669 --> 01:36:44,880
larger and larger groups of people that

2629
01:36:49,669 --> 01:36:47,679
are interested in this connection so i

2630
01:36:52,149 --> 01:36:49,679
think it's um it's a it's a way of

2631
01:36:55,030 --> 01:36:52,159
thinking that's starting to shift and

2632
01:36:56,950 --> 01:36:55,040
we're trying to nudge it along if we can

2633
01:36:58,550 --> 01:36:56,960
yeah and you know i mean you there i

2634
01:37:00,790 --> 01:36:58,560
heard you i had never heard that there

2635
01:37:02,470 --> 01:37:00,800
was a bigfoot conference until i heard

2636
01:37:04,550 --> 01:37:02,480
you say say that earlier there's a lot

2637
01:37:06,390 --> 01:37:04,560
of bigfoot conferences is it really oh

2638
01:37:09,109 --> 01:37:06,400

yeah they're all over the country there

2639

01:37:11,590 --> 01:37:09,119

are a lot of ufo conferences right yes

2640

01:37:13,510 --> 01:37:11,600

and so so we're being invited to ufo

2641

01:37:15,830 --> 01:37:13,520

conferences even though

2642

01:37:17,270 --> 01:37:15,840

we're primarily bigfooters so they're

2643

01:37:18,950 --> 01:37:17,280

beginning to merge

2644

01:37:21,030 --> 01:37:18,960

and then the bigfoot conference to start

2645

01:37:23,030 --> 01:37:21,040

having ufo people so

2646

01:37:24,390 --> 01:37:23,040

it's just it's working we're trying to

2647

01:37:25,590 --> 01:37:24,400

be that we're trying to be that olive

2648

01:37:27,270 --> 01:37:25,600

branch to sort of bring those

2649

01:37:28,790 --> 01:37:27,280

conversations together because there's a

2650

01:37:31,109 --> 01:37:28,800

lot of people you know that come to us

2651
01:37:32,550 --> 01:37:31,119
and say i saw bigfoot and then something

2652
01:37:33,830 --> 01:37:32,560
weird happened and i want to talk to you

2653
01:37:35,910 --> 01:37:33,840
about that because some of the other

2654
01:37:38,629 --> 01:37:35,920
bigfoot guys don't want to hear that so

2655
01:37:40,550 --> 01:37:38,639
yeah it's very interesting do you hear

2656
01:37:44,149 --> 01:37:40,560
of other weird things that kind of go

2657
01:37:46,550 --> 01:37:44,159
along with that as well besides ufos

2658
01:37:49,350 --> 01:37:46,560
i mean has anyone ever said they saw a

2659
01:37:51,189 --> 01:37:49,360
ghost and a bigfoot i mean yeah we

2660
01:37:53,910 --> 01:37:51,199
shouldn't be laughing but disembodied

2661
01:37:55,830 --> 01:37:53,920
voices and shadow people and all those

2662
01:37:56,629 --> 01:37:55,840
kinds of things come into play at some

2663
01:37:57,990 --> 01:37:56,639

point

2664

01:38:01,189 --> 01:37:58,000

certainly in these things we call

2665

01:38:04,070 --> 01:38:01,199

paranormal hot spot there are ghosts

2666

01:38:04,950 --> 01:38:04,080

orbs every form of paranormal experience

2667

01:38:06,470 --> 01:38:04,960

there's

2668

01:38:08,870 --> 01:38:06,480

they're all there

2669

01:38:12,229 --> 01:38:08,880

yeah yeah

2670

01:38:14,550 --> 01:38:12,239

right and what about um

2671

01:38:16,390 --> 01:38:14,560

when things i mean the

2672

01:38:18,470 --> 01:38:16,400

she mentioned this she thought she was

2673

01:38:19,590 --> 01:38:18,480

having like missing time is that is that

2674

01:38:21,590 --> 01:38:19,600

ever

2675

01:38:23,830 --> 01:38:21,600

mentioned at all when people are talking

2676

01:38:26,310 --> 01:38:23,840

about this phenomenon oh yeah it

2677

01:38:28,629 --> 01:38:26,320

happened to alan we we had a dramatic

2678

01:38:30,870 --> 01:38:28,639

case of that in wisconsin i could tell

2679

01:38:34,870 --> 01:38:30,880

you about it if you're interested

2680

01:38:36,390 --> 01:38:34,880

yeah yeah yeah go ahead yeah well um

2681

01:38:39,270 --> 01:38:36,400

jay bachokin

2682

01:38:41,430 --> 01:38:39,280

he's that big footer in in

2683

01:38:43,350 --> 01:38:41,440

in the in the southeastern wisconsin and

2684

01:38:45,510 --> 01:38:43,360

the kettle moraine

2685

01:38:48,149 --> 01:38:45,520

and i told you there's this place that's

2686

01:38:50,950 --> 01:38:48,159

kind of the sweet spot next to

2687

01:38:51,990 --> 01:38:50,960

the beast of bray road road have you

2688

01:38:54,229 --> 01:38:52,000

heard of that

2689

01:38:56,629 --> 01:38:54,239

it's probably one of the best known

2690

01:38:58,950 --> 01:38:56,639

cryptid monsters sort of phenomenal yes

2691

01:39:00,709 --> 01:38:58,960

i have i have heard that yes yes yeah

2692

01:39:03,430 --> 01:39:00,719

yeah so we were there

2693

01:39:05,910 --> 01:39:03,440

and there's a guy a gentleman farmer who

2694

01:39:08,470 --> 01:39:05,920

owns a piece of property 35 acres right

2695

01:39:10,470 --> 01:39:08,480

next to bray road and he's he's recorded

2696

01:39:13,350 --> 01:39:10,480

stuff on his trail cam that's

2697

01:39:16,229 --> 01:39:13,360

he's captured ufos probably pictures of

2698

01:39:18,229 --> 01:39:16,239

the beast which is kind of a quasi

2699

01:39:20,870 --> 01:39:18,239

you know bigfoot sort of thing but kind

2700

01:39:23,030 --> 01:39:20,880

of dogman dog manage

2701
01:39:24,950 --> 01:39:23,040
and so we were

2702
01:39:26,629 --> 01:39:24,960
we were out there we noticed there was

2703
01:39:28,709 --> 01:39:26,639
this spot that he wouldn't go into the

2704
01:39:30,870 --> 01:39:28,719
owner of the property he says everything

2705
01:39:33,590 --> 01:39:30,880
where it's going out there so that was

2706
01:39:36,070 --> 01:39:33,600
where we wanted to do our investigation

2707
01:39:37,830 --> 01:39:36,080
and when night set up we were let's call

2708
01:39:41,109 --> 01:39:37,840
that the north fence

2709
01:39:43,350 --> 01:39:41,119
we're on the south side and

2710
01:39:45,350 --> 01:39:43,360
we decided okay it's time to go over to

2711
01:39:47,030 --> 01:39:45,360
to where we wanted to do our primary

2712
01:39:48,629 --> 01:39:47,040
investigation so

2713
01:39:51,030 --> 01:39:48,639

me and the cameraman

2714

01:39:54,629 --> 01:39:51,040

took our vehicle and drove around

2715

01:39:55,910 --> 01:39:54,639

and alan and jay decided to walk across

2716

01:39:57,510 --> 01:39:55,920

the field

2717

01:39:58,870 --> 01:39:57,520

to the to what we thought would be the

2718

01:40:01,270 --> 01:39:58,880

hot spot

2719

01:40:03,669 --> 01:40:01,280

and as they were walking across

2720

01:40:04,870 --> 01:40:03,679

first of all jay said oh turn your

2721

01:40:06,790 --> 01:40:04,880

camera on

2722

01:40:09,590 --> 01:40:06,800

and he did a little interview

2723

01:40:12,390 --> 01:40:09,600

on camera which he said basically

2724

01:40:14,229 --> 01:40:12,400

there's fear here there's flying fear

2725

01:40:16,629 --> 01:40:14,239

and flight he was kind of babbling away

2726

01:40:17,910 --> 01:40:16,639

and it was sort of strange and but that

2727

01:40:19,430 --> 01:40:17,920

was fine

2728

01:40:22,310 --> 01:40:19,440

and then he said turn the camera on

2729

01:40:25,430 --> 01:40:22,320

again and he took a laser you know a

2730

01:40:27,030 --> 01:40:25,440

laser pointer you know what they are

2731

01:40:29,430 --> 01:40:27,040

you know the laser pointer yes yes of

2732

01:40:32,709 --> 01:40:29,440

course yes so

2733

01:40:34,310 --> 01:40:32,719

on the on the film that alan shot

2734

01:40:35,030 --> 01:40:34,320

you could see that we pulled our truck

2735

01:40:38,790 --> 01:40:35,040

off

2736

01:40:39,910 --> 01:40:38,800

and then there was a self-illuminating

2737

01:40:41,430 --> 01:40:39,920

light

2738

01:40:43,270 --> 01:40:41,440

right at the spot where we were going to

2739

01:40:45,750 --> 01:40:43,280

do our investigation

2740

01:40:47,030 --> 01:40:45,760

and jay pulled out his laser

2741

01:40:49,030 --> 01:40:47,040

and hit it

2742

01:40:50,629 --> 01:40:49,040

you know pointed at it touched it that

2743

01:40:52,070 --> 01:40:50,639

spot

2744

01:40:53,750 --> 01:40:52,080

and

2745

01:40:55,430 --> 01:40:53,760

that's all on film we can see him doing

2746

01:40:57,430 --> 01:40:55,440

that

2747

01:40:59,830 --> 01:40:57,440

and then he won't they they walk to the

2748

01:41:02,070 --> 01:40:59,840

spot and that's where we captured the

2749

01:41:05,590 --> 01:41:02,080

maybe the image of the the visa bray

2750

01:41:07,189 --> 01:41:05,600

road but later when we got back i called

2751

01:41:09,669 --> 01:41:07,199

lovejay and said

2752

01:41:11,430 --> 01:41:09,679

what were you thinking when you

2753

01:41:13,669 --> 01:41:11,440

put your

2754

01:41:15,590 --> 01:41:13,679

laser beam on that spot

2755

01:41:17,430 --> 01:41:15,600

and he had no recollection of walking

2756

01:41:21,590 --> 01:41:17,440

across the field doing any of that doing

2757

01:41:25,350 --> 01:41:23,750

and he said normally you know i have a

2758

01:41:27,990 --> 01:41:25,360

photographic memory and he told me

2759

01:41:29,590 --> 01:41:28,000

exactly what happened before he walked

2760

01:41:32,950 --> 01:41:29,600

across and when he arrived on the other

2761

01:41:34,790 --> 01:41:32,960

side but he had no recollection of that

2762

01:41:37,030 --> 01:41:34,800

happening he said yeah it was kind of

2763

01:41:39,910 --> 01:41:37,040

strange because lee said he saw us on

2764

01:41:41,350 --> 01:41:39,920

his trail cam the owner of the property

2765

01:41:44,149 --> 01:41:41,360

and they said well i don't quite

2766

01:41:45,990 --> 01:41:44,159

remember that so he had no memory so he

2767

01:41:48,070 --> 01:41:46,000

so he went someplace maybe he was

2768

01:41:50,310 --> 01:41:48,080

abducted who in the heck knows but isn't

2769

01:41:54,229 --> 01:41:50,320

that darn strange

2770

01:41:55,750 --> 01:41:54,239

very very uh bill just posted something

2771

01:41:58,550 --> 01:41:55,760

and

2772

01:42:01,030 --> 01:41:58,560

i think is do people actually try to

2773

01:42:02,709 --> 01:42:01,040

hunt bigfoot

2774

01:42:03,910 --> 01:42:02,719

you know to kill him

2775

01:42:06,550 --> 01:42:03,920

yeah there are people that believe

2776

01:42:08,470 --> 01:42:06,560

that's the way to sort of bring this to

2777

01:42:09,750 --> 01:42:08,480

to the forefront is to to bring a body

2778

01:42:12,229 --> 01:42:09,760

back

2779

01:42:13,990 --> 01:42:12,239

that's that's horrible i think yeah that

2780

01:42:15,270 --> 01:42:14,000

is you know especially if they're

2781

01:42:17,430 --> 01:42:15,280

they're

2782

01:42:19,910 --> 01:42:17,440

possibly whatever they are seem very

2783

01:42:20,709 --> 01:42:19,920

intelligent i mean not especially i mean

2784

01:42:21,669 --> 01:42:20,719

every

2785

01:42:23,910 --> 01:42:21,679

you know

2786

01:42:25,590 --> 01:42:23,920

every animal really but still i just

2787

01:42:27,910 --> 01:42:25,600

think yeah yeah that almost sounds

2788

01:42:29,350 --> 01:42:27,920

criminal um here's another question do

2789

01:42:34,390 --> 01:42:29,360

you

2790

01:42:37,270 --> 01:42:34,400

might be covering up some evidence of

2791

01:42:38,470 --> 01:42:37,280

bigfoot just like they do similar to ets

2792

01:42:40,790 --> 01:42:38,480

or

2793

01:42:42,550 --> 01:42:40,800

ufos i think it's possible i think

2794

01:42:45,030 --> 01:42:42,560

there's enough

2795

01:42:47,350 --> 01:42:45,040

um you know known stories out there to

2796

01:42:49,109 --> 01:42:47,360

suggest that that may be happening in

2797

01:42:50,310 --> 01:42:49,119

some to some degree

2798

01:42:52,470 --> 01:42:50,320

you know we don't really know what

2799

01:42:54,470 --> 01:42:52,480

happened out in the skinwalker ranch

2800

01:42:56,390 --> 01:42:54,480

either when when the government was sort

2801

01:42:58,229 --> 01:42:56,400

of toying around there so there's

2802

01:42:59,750 --> 01:42:58,239

there's a lot of secrets they have on

2803

01:43:02,310 --> 01:42:59,760

those things i think

2804

01:43:03,590 --> 01:43:02,320

now did they actually say i i read the

2805

01:43:04,870 --> 01:43:03,600

book that

2806

01:43:07,430 --> 01:43:04,880

george knapp and i can't remember who

2807

01:43:09,669 --> 01:43:07,440

else wrote on skinwalker but did they

2808

01:43:11,669 --> 01:43:09,679

actually say they saw a creature like

2809

01:43:14,790 --> 01:43:11,679

bigfoot i know they saw

2810

01:43:16,149 --> 01:43:14,800

cryptids of different types large dogs a

2811

01:43:17,669 --> 01:43:16,159

wolf and

2812

01:43:19,510 --> 01:43:17,679

you know things like that but they did

2813

01:43:20,950 --> 01:43:19,520

they actually see a bigfoot like

2814

01:43:21,990 --> 01:43:20,960

creature

2815

01:43:23,750 --> 01:43:22,000

do you know

2816

01:43:24,790 --> 01:43:23,760

yeah i don't know for sure and you know

2817

01:43:27,270 --> 01:43:24,800

i don't know how some of it was

2818

01:43:28,709 --> 01:43:27,280

interpreted either so

2819

01:43:29,590 --> 01:43:28,719

yeah huh

2820

01:43:32,229 --> 01:43:29,600

so

2821

01:43:33,510 --> 01:43:32,239

okay can i tell yeah sure

2822

01:43:35,590 --> 01:43:33,520

image of the creature one of the

2823

01:43:38,310 --> 01:43:35,600

creatures that came through our portal

2824

01:43:40,229 --> 01:43:38,320

uh uh this is the way to do that are you

2825

01:43:42,310 --> 01:43:40,239

do you know how to screen share down

2826

01:43:44,070 --> 01:43:42,320

below at the bottom of the thing

2827

01:43:45,750 --> 01:43:44,080

it would just be on my

2828

01:43:47,189 --> 01:43:45,760

i'd hold up my uh

2829

01:43:49,109 --> 01:43:47,199

cell phone and stick it in front of the

2830

01:43:51,030 --> 01:43:49,119

camera okay sure we'll give it a try

2831

01:43:53,030 --> 01:43:51,040

yeah go ahead

2832

01:43:55,990 --> 01:43:53,040

uh you're gonna have to do a little

2833

01:43:58,470 --> 01:43:56,000

better than that i think okay

2834

01:44:00,790 --> 01:43:58,480

uh you know if you could we still have

2835

01:44:03,510 --> 01:44:00,800

you know 15 minutes if you have a way to

2836

01:44:04,830 --> 01:44:03,520

email that picture to me i will put that

2837

01:44:06,870 --> 01:44:04,840

up for everyone to

2838

01:44:08,390 --> 01:44:06,880

see so you see that there's something

2839

01:44:10,149 --> 01:44:08,400

there with the head and the tail you can

2840

01:44:11,350 --> 01:44:10,159

see it but i can't really make it out so

2841

01:44:13,270 --> 01:44:11,360

if you don't mind if you can figure out

2842

01:44:16,790 --> 01:44:13,280

a way to email that to me

2843

01:44:18,790 --> 01:44:16,800

um or if you have that same image

2844

01:44:20,870 --> 01:44:18,800

alan and you're able to do that quickly

2845

01:44:22,950 --> 01:44:20,880

feel free to eat send an email and i'll

2846

01:44:24,790 --> 01:44:22,960

put that up for everyone

2847

01:44:25,669 --> 01:44:24,800

yeah i do have it somewhere but not

2848

01:44:26,950 --> 01:44:25,679

handy

2849

01:44:29,189 --> 01:44:26,960

yeah okay

2850

01:44:31,590 --> 01:44:29,199

uh well i'll tell you what why don't you

2851

01:44:33,910 --> 01:44:31,600

do this yeah you try if you can't do it

2852

01:44:37,350 --> 01:44:33,920

then um try to get it to me and i'll put

2853

01:44:39,590 --> 01:44:37,360

it in the in the show notes for everyone

2854

01:44:41,030 --> 01:44:39,600

and what do you mean later

2855

01:44:42,790 --> 01:44:41,040

or no

2856

01:44:45,109 --> 01:44:42,800

yeah if you can just send me an email

2857

01:44:46,470 --> 01:44:45,119

right now if you can't then um then i

2858

01:44:47,990 --> 01:44:46,480

will do

2859

01:44:50,149 --> 01:44:48,000

uh i will put it in the show notes for

2860

01:44:53,510 --> 01:44:50,159

everyone to see

2861

01:44:57,590 --> 01:44:54,310

what's

2862

01:44:59,189 --> 01:44:57,600

what it i showed earlier the patterson

2863

01:45:00,310 --> 01:44:59,199

uh

2864

01:45:01,669 --> 01:45:00,320

gimmel

2865

01:45:04,390 --> 01:45:01,679

i think it's called

2866

01:45:06,229 --> 01:45:04,400

yeah and what are your you know i

2867

01:45:08,229 --> 01:45:06,239

mentioned to you what i thought about it

2868

01:45:10,149 --> 01:45:08,239

um because of

2869

01:45:12,390 --> 01:45:10,159

you know what i've heard about i i saw a

2870

01:45:15,350 --> 01:45:12,400

guy process here it is playing again

2871

01:45:16,790 --> 01:45:15,360

it's stabilized and colorized

2872

01:45:19,830 --> 01:45:16,800

but i saw

2873

01:45:21,510 --> 01:45:19,840

you know someone take it frame by frame

2874

01:45:25,669 --> 01:45:21,520

and

2875

01:45:28,310 --> 01:45:25,679

anatomy

2876

01:45:31,189 --> 01:45:28,320

and how it just didn't work

2877

01:45:32,629 --> 01:45:31,199

okay i think i got that email so i will

2878

01:45:34,390 --> 01:45:32,639

uh

2879

01:45:37,270 --> 01:45:34,400

i will get that up on the screen i see

2880

01:45:39,350 --> 01:45:37,280

it it's not it's not totally clear but i

2881

01:45:40,790 --> 01:45:39,360

see i see something but i'll get that up

2882

01:45:42,870 --> 01:45:40,800

on the screen thank you

2883

01:45:44,390 --> 01:45:42,880

um but so what do you think about that

2884

01:45:46,550 --> 01:45:44,400

film in particular either one of you

2885

01:45:48,310 --> 01:45:46,560

want to talk so i've not sat down and

2886

01:45:50,709 --> 01:45:48,320

analyzed the film but that was one of

2887

01:45:52,390 --> 01:45:50,719

the pieces of evidence that you know

2888

01:45:53,350 --> 01:45:52,400

interested me in this subject to begin

2889

01:45:55,270 --> 01:45:53,360

with and

2890

01:45:57,510 --> 01:45:55,280

since then i've heard a lot of people

2891

01:46:00,229 --> 01:45:57,520

talk about it and i've met bob gimlin

2892

01:46:03,430 --> 01:46:00,239

before and and he's one of the most you

2893

01:46:05,910 --> 01:46:03,440

know stand-up guys i've met so i have no

2894

01:46:08,950 --> 01:46:05,920

reasons to doubt it and and i sort of i

2895

01:46:11,350 --> 01:46:08,960

sort of hold that video in high regard

2896

01:46:13,430 --> 01:46:11,360

yeah yeah it's it's one that

2897

01:46:15,350 --> 01:46:13,440

has kind of stood up to scrutiny as far

2898

01:46:18,390 --> 01:46:15,360

as i know no one's ever been able to

2899

01:46:20,229 --> 01:46:18,400

debunk it yeah yeah so far this is the

2900

01:46:21,430 --> 01:46:20,239

image that they're talking about now i

2901

01:46:23,990 --> 01:46:21,440

can't really

2902

01:46:25,030 --> 01:46:24,000

i'm trying to make exactly what i'm

2903

01:46:27,990 --> 01:46:25,040

seeing

2904

01:46:30,229 --> 01:46:28,000

but i see something

2905

01:46:34,310 --> 01:46:30,239

and what what do you think you're seeing

2906

01:46:36,310 --> 01:46:34,320

there in this image so there's a head

2907

01:46:38,310 --> 01:46:36,320

on the left hand side

2908

01:46:40,790 --> 01:46:38,320

and then there's a neck and then

2909

01:46:43,189 --> 01:46:40,800

like i said the the creature this is a

2910

01:46:45,030 --> 01:46:43,199

screen grab from one particular frame of

2911

01:46:46,550 --> 01:46:45,040

the trail cam right

2912

01:46:48,470 --> 01:46:46,560

but you're actually seeing

2913

01:46:50,870 --> 01:46:48,480

are you actually seeing this thing move

2914

01:46:52,149 --> 01:46:50,880

in the oh yeah yeah it moves off to the

2915

01:46:54,790 --> 01:46:52,159

left side of the

2916

01:46:56,870 --> 01:46:54,800

and off the out of frame

2917

01:46:58,550 --> 01:46:56,880

yeah is it is it does it have a

2918

01:47:01,669 --> 01:46:58,560

gate like a uh

2919

01:47:06,070 --> 01:47:03,669

it's hard to say because it is it's

2920

01:47:08,310 --> 01:47:06,080

never quite all there is you can see

2921

01:47:10,470 --> 01:47:08,320

that it's missing like the like it's not

2922

01:47:12,709 --> 01:47:10,480

all there like it's like you might say

2923

01:47:13,990 --> 01:47:12,719

it's injury happened happened one world

2924

01:47:15,750 --> 01:47:14,000

happened another

2925

01:47:18,149 --> 01:47:15,760

and that's the way they were

2926
01:47:19,910 --> 01:47:18,159
in general just kind of swimming through

2927
01:47:21,830 --> 01:47:19,920
the frame that way

2928
01:47:23,350 --> 01:47:21,840
kind of waffling in and out of existence

2929
01:47:25,510 --> 01:47:23,360
by moving

2930
01:47:27,350 --> 01:47:25,520
in the frame itself as well

2931
01:47:28,870 --> 01:47:27,360
but it looks like a pig sheep kind of

2932
01:47:32,470 --> 01:47:28,880
animal

2933
01:47:34,470 --> 01:47:32,480
but it's small it's about the size of a

2934
01:47:36,070 --> 01:47:34,480
large house cat maybe

2935
01:47:37,750 --> 01:47:36,080
okay so for those of you who are

2936
01:47:39,350 --> 01:47:37,760
listening to the audio podcast that will

2937
01:47:40,390 --> 01:47:39,360
be in the show notes you just click that

2938
01:47:42,709 --> 01:47:40,400

in the uh

2939

01:47:44,709 --> 01:47:42,719

below the text on any app you're

2940

01:47:47,830 --> 01:47:44,719

listening to the show that'll be there

2941

01:47:49,189 --> 01:47:47,840

i'll put that in there tonight um so

2942

01:47:50,790 --> 01:47:49,199

um but you

2943

01:47:53,030 --> 01:47:50,800

are you actually releasing this in a

2944

01:47:55,189 --> 01:47:53,040

film in one of your upcoming videos that

2945

01:47:57,590 --> 01:47:55,199

are coming out yeah alien contact in the

2946

01:47:59,590 --> 01:47:57,600

rockies we actually show how we resolved

2947

01:48:01,750 --> 01:47:59,600

and you can see the dome shape from

2948

01:48:03,350 --> 01:48:01,760

which it emerged and

2949

01:48:05,270 --> 01:48:03,360

the mutilated

2950

01:48:07,510 --> 01:48:05,280

deer that showed up at the site you know

2951

01:48:10,149 --> 01:48:07,520

that triggered it all and alan running

2952

01:48:12,870 --> 01:48:10,159

around measuring the electromagnetic

2953

01:48:14,709 --> 01:48:12,880

distortions and all that it's all there

2954

01:48:17,109 --> 01:48:14,719

now the thing you were talking we had a

2955

01:48:18,709 --> 01:48:17,119

bunch of questions you called it a rim i

2956

01:48:19,830 --> 01:48:18,719

don't know what you call ram not it

2957

01:48:22,070 --> 01:48:19,840

sounds like

2958

01:48:23,510 --> 01:48:22,080

it's a repot r-e-n

2959

01:48:25,910 --> 01:48:23,520

uh someone wanted to know if you could

2960

01:48:27,830 --> 01:48:25,920

describe that exactly what it was

2961

01:48:29,990 --> 01:48:27,840

in the shape of it and all that stuff

2962

01:48:33,030 --> 01:48:30,000

yeah it's a it's a round uh piece of

2963

01:48:34,390 --> 01:48:33,040

paranormal equipment um fairly fairly

2964

01:48:36,790 --> 01:48:34,400

small

2965

01:48:37,669 --> 01:48:36,800

it's made out of some like round pvc

2966

01:48:40,470 --> 01:48:37,679

pipe

2967

01:48:43,669 --> 01:48:40,480

um and then it's got it's got some very

2968

01:48:46,790 --> 01:48:43,679

large leds around the top and it's a

2969

01:48:49,590 --> 01:48:46,800

little chrome antenna that sticks up and

2970

01:48:53,030 --> 01:48:49,600

that antenna emits this emf field and

2971

01:48:54,550 --> 01:48:53,040

when you interact with that emf field

2972

01:48:57,350 --> 01:48:54,560

depending on how close you get to the

2973

01:48:58,709 --> 01:48:57,360

antenna the the lights the frequency of

2974

01:49:00,870 --> 01:48:58,719

the lights

2975

01:49:03,430 --> 01:49:00,880

they speed up and they change colors and

2976

01:49:05,750 --> 01:49:03,440

and the the audible tone gets higher uh

2977

01:49:08,070 --> 01:49:05,760

the more intense that interaction is so

2978

01:49:10,229 --> 01:49:08,080

we use that device in areas that are

2979

01:49:12,550 --> 01:49:10,239

that that you just sort of set it out

2980

01:49:13,669 --> 01:49:12,560

there in in open space

2981

01:49:23,589 --> 01:49:13,679

and

2982

01:49:26,310 --> 01:49:23,599

happen with it

2983

01:49:28,550 --> 01:49:26,320

well not very often a lot of times we we

2984

01:49:30,149 --> 01:49:28,560

don't have anything happening so um when

2985

01:49:32,229 --> 01:49:30,159

it starts going off we usually pay

2986

01:49:34,550 --> 01:49:32,239

attention to it it's not it's not that

2987

01:49:37,189 --> 01:49:34,560

sensitive at advice

2988

01:49:38,709 --> 01:49:37,199

ah interesting well uh so where can

2989

01:49:40,070 --> 01:49:38,719

someone find

2990

01:49:41,910 --> 01:49:40,080

like they want to

2991

01:49:43,589 --> 01:49:41,920

do you have a website or something where

2992

01:49:46,310 --> 01:49:43,599

can they find you and find what you're

2993

01:49:51,430 --> 01:49:48,470

um well we're we're working on all that

2994

01:49:53,510 --> 01:49:51,440

stuff uh right now i guess um your

2995

01:49:55,910 --> 01:49:53,520

youtube channel yeah you can look me up

2996

01:49:58,149 --> 01:49:55,920

on uh on facebook i have a public

2997

01:50:00,229 --> 01:49:58,159

profile page there um i just launched

2998

01:50:02,229 --> 01:50:00,239

the national paranormal network on

2999

01:50:04,390 --> 01:50:02,239

youtube so you can search for national

3000

01:50:05,990 --> 01:50:04,400

paranormal network i'm starting to

3001
01:50:07,589 --> 01:50:06,000
release some films there and we have a

3002
01:50:08,870 --> 01:50:07,599
lot of other videos

3003
01:50:12,709 --> 01:50:08,880
and then

3004
01:50:15,030 --> 01:50:12,719
a lot of our other films are also on on

3005
01:50:15,750 --> 01:50:15,040
youtube that you can look up by name

3006
01:50:18,390 --> 01:50:15,760
yeah

3007
01:50:20,070 --> 01:50:18,400
most our films have regular distributors

3008
01:50:23,669 --> 01:50:20,080
and we don't control

3009
01:50:25,990 --> 01:50:23,679
what happens to them in a way

3010
01:50:27,350 --> 01:50:26,000
so like the bigfoot internet connection

3011
01:50:29,830 --> 01:50:27,360
revealed is

3012
01:50:31,750 --> 01:50:29,840
it's on 2b it's on youtube it's on

3013
01:50:33,669 --> 01:50:31,760

amazon prime

3014

01:50:36,310 --> 01:50:33,679

it's on

3015

01:50:37,910 --> 01:50:36,320

comcast download and a couple other ones

3016

01:50:38,790 --> 01:50:37,920

like pluto i don't even know them all

3017

01:50:42,149 --> 01:50:38,800

but

3018

01:50:43,990 --> 01:50:42,159

so so i really don't control that uh

3019

01:50:46,629 --> 01:50:44,000

that part of it

3020

01:50:48,310 --> 01:50:46,639

the distributor doesn't and one

3021

01:50:51,350 --> 01:50:48,320

the

3022

01:50:54,629 --> 01:50:51,360

have

3023

01:50:56,149 --> 01:50:54,639

dvds will be made as well as the digital

3024

01:50:58,070 --> 01:50:56,159

presence on number of streaming

3025

01:50:58,950 --> 01:50:58,080

platforms but until they're released i

3026

01:51:00,229 --> 01:50:58,960

really don't know what they're going to

3027

01:51:01,990 --> 01:51:00,239

do exactly

3028

01:51:03,910 --> 01:51:02,000

right yeah i unders i understand all

3029

01:51:05,350 --> 01:51:03,920

that well thank you both very much it

3030

01:51:08,229 --> 01:51:05,360

was a real pleasure it was really

3031

01:51:09,830 --> 01:51:08,239

something different for the show and uh

3032

01:51:12,790 --> 01:51:09,840

but i really appreciate you coming on

3033

01:51:15,669 --> 01:51:12,800

and and talking talking to us and i also

3034

01:51:18,229 --> 01:51:15,679

want to thank uh marty for calling in

3035

01:51:21,109 --> 01:51:18,239

from washington as well thank you both

3036

01:51:23,750 --> 01:51:21,119

very much thanks martin

3037

01:51:25,589 --> 01:51:23,760

all right take care

3038

01:51:28,070 --> 01:51:25,599

all right everyone so that is it for the

3039

01:51:31,510 --> 01:51:28,080

show this evening next week we have ron

3040

01:51:33,669 --> 01:51:31,520

ferber on and thank you all and i

3041

01:51:36,310 --> 01:51:33,679

appreciate you watching and hanging in

3042

01:51:38,149 --> 01:51:36,320

for this show tonight and we'll see you

3043

01:51:40,229 --> 01:51:38,159

next week at the same time

3044

01:51:42,900 --> 01:51:40,239

and remember to keep your eyes to the

3045

01:51:52,210 --> 01:51:42,910

sky
