00:00:56,389 --> 00:00:19,030

[Music]

2
00:01:01,270 --> 00:00:58,389

hello and welcome to the show i'm martin

3
00:01:03,189 --> 00:01:01,280

willis your host and sometimes i feel

4
00:01:05,670 --> 00:01:03,199

like just a plebeian

5
00:01:08,149 --> 00:01:05,680

on a certiculous drive

6
00:01:10,870 --> 00:01:08,159

through this ufo topic you're gonna have

7
00:01:13,109 --> 00:01:10,880

to google that a friend of mine was uh

8
00:01:14,630 --> 00:01:13,119

and i was talking this weekend and she

9
00:01:15,350 --> 00:01:14,640

had some interesting words so i thought

10
00:01:16,789 --> 00:01:15,360

i'd

11
00:01:19,030 --> 00:01:16,799

look some of them up and that's what i

12
00:01:22,950 --> 00:01:21,030

anyway uh i want to thank you all for

13
00:01:25,030 --> 00:01:22,960

listening we have a fun show this

14

00:01:27,109 --> 00:01:25,040

evening uh we have ron feldberg he's to

15

00:01:28,789 --> 00:01:27,119

be talking about the mojave incident

16

00:01:30,390 --> 00:01:28,799

we're going to be getting into that

17

00:01:31,990 --> 00:01:30,400

we're going to take a little side step

18

00:01:33,190 --> 00:01:32,000

halfway through the show some part way

19

00:01:35,270 --> 00:01:33,200

through the show to talk about another

20

00:01:37,109 --> 00:01:35,280

book he's working on

21

00:01:39,109 --> 00:01:37,119

that's very interesting unfortunately

22

00:01:42,550 --> 00:01:39,119

it's not about ufos don't get mad at me

23

00:01:44,550 --> 00:01:42,560

about that thursday we have paul heineck

24

00:01:46,389 --> 00:01:44,560

on i'm really excited about this show

25

00:01:48,950 --> 00:01:46,399

because it has nothing to do with ufos

26

00:01:52,149 --> 00:01:48,960

we may mention it but he was he was part

27

00:01:55,030 --> 00:01:52,159

of a study out of stanford they did some

28

00:01:57,590 --> 00:01:55,040

gene therapy and he is the first person

29

00:02:00,550 --> 00:01:57,600

tested that's ever tested younger about

30

00:02:02,310 --> 00:02:00,560

four years younger with these therapies

31

00:02:04,149 --> 00:02:02,320

and uh so we're gonna be doing a show on

32

00:02:06,389 --> 00:02:04,159

the everything else show that's this

33

00:02:08,229 --> 00:02:06,399

coming thursday night and that's 8 p.m

34

00:02:11,350 --> 00:02:08,239

eastern time so you may want to check

35

00:02:12,710 --> 00:02:11,360

that out to get to those shows i am uh

36

00:02:14,790 --> 00:02:12,720

when i can i'll put those out in the

37

00:02:16,630 --> 00:02:14,800

mailing list to get on our mailing list

38

00:02:19,270 --> 00:02:16,640

for our weekly newsletter all you have

39

00:02:21,510 --> 00:02:19,280

to do is go to podcastufo.com

40

00:02:23,589 --> 00:02:21,520

and on the sidebar you'll see sign up

41

00:02:25,190 --> 00:02:23,599

for the weekly newsletter

42

00:02:27,190 --> 00:02:25,200

and so when i have those shows i think

43

00:02:29,510 --> 00:02:27,200

i'm going to throw out a newsletter for

44

00:02:30,949 --> 00:02:29,520

that but also you can subscribe to our

45

00:02:32,790 --> 00:02:30,959

youtube channel and just click the

46

00:02:34,150 --> 00:02:32,800

little button the little bell and

47

00:02:36,790 --> 00:02:34,160

that'll give you that will send you

48

00:02:39,110 --> 00:02:36,800

email notifications of when i have a

49

00:02:41,589 --> 00:02:39,120

stream going up because those shows are

50

00:02:43,589 --> 00:02:41,599

going to be done on random nights random

51

00:02:45,350 --> 00:02:43,599

topics about things that i find

52

00:02:47,509 --> 00:02:45,360

interesting you may not so you can skip

53

00:02:49,430 --> 00:02:47,519

the ones you don't find particularly

54

00:02:53,030 --> 00:02:49,440

interesting

55

00:02:54,790 --> 00:02:53,040

the blog this evening is uh by charles

56

00:02:57,190 --> 00:02:54,800

lee or as usual

57

00:02:58,790 --> 00:02:57,200

it's become like a four-part series now

58

00:03:03,110 --> 00:02:58,800

the

59

00:03:05,110 --> 00:03:03,120

1976 ufo encounter in kentucky and this

60

00:03:06,470 --> 00:03:05,120

week he talks about the investigation he

61

00:03:09,990 --> 00:03:06,480

has one more

62

00:03:12,070 --> 00:03:10,000

um let's see in that one i think is the

63

00:03:13,670 --> 00:03:12,080

evidence that is how he's going to top

64

00:03:17,350 --> 00:03:13,680

that one off on the four

65

00:03:19,430 --> 00:03:17,360

part four series of that so uh i want to

66

00:03:21,589 --> 00:03:19,440

thank everyone that supports the show

67

00:03:24,149 --> 00:03:21,599

and anyone that wants to do that all you

68

00:03:26,949 --> 00:03:24,159

have to do is go to patreon or go

69

00:03:29,110 --> 00:03:26,959

through our website podcastufo.com

70

00:03:30,630 --> 00:03:29,120

under support the show

71

00:03:32,949 --> 00:03:30,640

under that tab and you can support the

72

00:03:35,270 --> 00:03:32,959

show there if you'd like i do appreciate

73

00:03:36,470 --> 00:03:35,280

every single listener thank you all i

74

00:03:39,030 --> 00:03:36,480

i've been getting some wonderful

75

00:03:41,509 --> 00:03:39,040

feedback unfortunately i'm getting a lot

76

00:03:43,110 --> 00:03:41,519

of email that i just um and i've said

77

00:03:44,949 --> 00:03:43,120

this a number of times and people kind

78

00:03:46,949 --> 00:03:44,959

of tease me about it but it's much

79

00:03:50,070 --> 00:03:46,959

better to send me brief emails instead

80

00:03:53,110 --> 00:03:50,080

of these four page ones because um i

81

00:03:55,509 --> 00:03:53,120

have uh some type of adhd or something

82

00:03:58,149 --> 00:03:55,519

like that i have a hard time reading

83

00:04:00,229 --> 00:03:58,159

those very long emails a lot of people

84

00:04:01,789 --> 00:04:00,239

are sending me their sightings i do have

85

00:04:04,229 --> 00:04:01,799

on my website

86

00:04:07,030 --> 00:04:04,239

podcastufo.com i have a tab for if

87

00:04:09,670 --> 00:04:07,040

someone would like to anonymously post

88

00:04:10,949 --> 00:04:09,680

their sightings also there's information

89

00:04:13,750 --> 00:04:10,959

for mufon

90

00:04:16,310 --> 00:04:13,760

and peter davenport's site new fork

91

00:04:19,430 --> 00:04:16,320

where you can report your sites as well

92

00:04:21,110 --> 00:04:19,440

either way i welcome your email and i

93

00:04:22,790 --> 00:04:21,120

will try to respond to every one of them

94

00:04:24,710 --> 00:04:22,800

i know i'm behind

95

00:04:26,790 --> 00:04:24,720

it's been pretty busy and i will try to

96

00:04:27,590 --> 00:04:26,800

get to all of your emails

97

00:04:30,310 --> 00:04:27,600

so

98

00:04:32,550 --> 00:04:30,320

that is about enough of me talking and i

99

00:04:35,430 --> 00:04:32,560

think it's time for me to bring in

100

00:04:37,909 --> 00:04:35,440

our guest he's a noted author he used to

101
00:04:40,790 --> 00:04:37,919
be a policeman at one time and he did

102
00:04:42,790 --> 00:04:40,800
some research and a great book on the

103
00:04:44,550 --> 00:04:42,800
mojave incident you're not going to find

104
00:04:45,749 --> 00:04:44,560
a whole lot about it if you're

105
00:04:48,390 --> 00:04:45,759
researching

106
00:04:49,510 --> 00:04:48,400
online so i'd like to have these type of

107
00:04:51,590 --> 00:04:49,520
stories

108
00:04:53,909 --> 00:04:51,600
and to find out more information about

109
00:04:56,469 --> 00:04:53,919
them ron welcome to the show

110
00:04:57,670 --> 00:04:56,479
good to be here martin thank you yes and

111
00:05:01,350 --> 00:04:57,680
uh so

112
00:05:03,110 --> 00:05:01,360
as always i do appreciate um we for you

113
00:05:05,430 --> 00:05:03,120

to come on and talk about this this is

114

00:05:07,350 --> 00:05:05,440

an old book it's not a new book right

115

00:05:10,310 --> 00:05:07,360

yeah actually it was published under the

116

00:05:12,230 --> 00:05:10,320

title searchers uh originally and that

117

00:05:13,670 --> 00:05:12,240

would have been uh you know back a few

118

00:05:16,070 --> 00:05:13,680

years then

119

00:05:18,390 --> 00:05:16,080

it did very well and so we

120

00:05:21,350 --> 00:05:18,400

republished it and uh in some new

121

00:05:23,029 --> 00:05:21,360

editions under the title mojave incident

122

00:05:24,629 --> 00:05:23,039

now did i

123

00:05:25,830 --> 00:05:24,639

i know i haven't talked about this off

124

00:05:28,230 --> 00:05:25,840

here or anything

125

00:05:30,070 --> 00:05:28,240

but do i recall a movie that was

126

00:05:31,749 --> 00:05:30,080

something like this in a desert and

127

00:05:32,629 --> 00:05:31,759

people in a camper or something like

128

00:05:35,749 --> 00:05:32,639

that

129

00:05:38,310 --> 00:05:35,759

well you know paranormal witness did um

130

00:05:40,870 --> 00:05:38,320

did a show an hour documentary on the

131

00:05:42,310 --> 00:05:40,880

mojave incident i guess about uh two or

132

00:05:45,590 --> 00:05:42,320

three years ago

133

00:05:47,909 --> 00:05:45,600

and also um beyond belief

134

00:05:50,710 --> 00:05:47,919

did they uh did an als also an hour

135

00:05:52,629 --> 00:05:50,720

documentary on it so yes oh

136

00:05:55,029 --> 00:05:52,639

before i forgot to do this in my

137

00:05:58,390 --> 00:05:55,039

monologue and that is i wanted to pay

138

00:06:01,029 --> 00:05:58,400

tribute to someone we lost yesterday and

139

00:06:03,749 --> 00:06:01,039

that's donald trump uh i'm sorry douglas

140

00:06:05,350 --> 00:06:03,759

trumbull uh douglas is a past guest on

141

00:06:06,870 --> 00:06:05,360

the show but he's an ama he was an

142

00:06:09,749 --> 00:06:06,880

amazing person

143

00:06:11,990 --> 00:06:09,759

he was a special effects um

144

00:06:14,870 --> 00:06:12,000

producer he's known for the space

145

00:06:16,790 --> 00:06:14,880

odyssey 2001 space odyssey uh that was

146

00:06:18,309 --> 00:06:16,800

one of his big ones

147

00:06:20,390 --> 00:06:18,319

many many through the year real fine

148

00:06:22,550 --> 00:06:20,400

gentlemen a real close to

149

00:06:24,870 --> 00:06:22,560

a real close friend to mark d'antonio i

150

00:06:27,430 --> 00:06:24,880

called him today and uh so he will be

151
00:06:29,430 --> 00:06:27,440
missed and uh so i just wanted to pass

152
00:06:31,510 --> 00:06:29,440
that along um

153
00:06:33,350 --> 00:06:31,520
anyway so as we continue sorry about

154
00:06:35,510 --> 00:06:33,360
that i had just forgotten to talk about

155
00:06:37,430 --> 00:06:35,520
it and uh and

156
00:06:39,510 --> 00:06:37,440
anyway he was a he was a past guest i

157
00:06:42,950 --> 00:06:39,520
got to meet him out in phoenix and and a

158
00:06:43,749 --> 00:06:42,960
real swell real swell gentleman

159
00:06:49,189 --> 00:06:43,759
and

160
00:06:51,510 --> 00:06:49,199
your involvement in i guess i have to

161
00:06:52,950 --> 00:06:51,520
ask you this ron i always ask people to

162
00:06:54,710 --> 00:06:52,960
talk a little bit about their background

163
00:06:56,550 --> 00:06:54,720

and how they got interested in this

164

00:06:58,070 --> 00:06:56,560

topic but

165

00:07:00,790 --> 00:06:58,080

i do want to know

166

00:07:03,830 --> 00:07:00,800

um how you found out about this topic

167

00:07:05,110 --> 00:07:03,840

and you wrote about it and why why isn't

168

00:07:07,350 --> 00:07:05,120

it out there

169

00:07:09,589 --> 00:07:07,360

if for someone to research i mean it's

170

00:07:11,029 --> 00:07:09,599

it's pretty major right i mean as a

171

00:07:13,110 --> 00:07:11,039

matter of fact i mean a lot of people

172

00:07:15,909 --> 00:07:13,120

one of the critics called it the the

173

00:07:18,550 --> 00:07:15,919

most frightening ufo book ever written

174

00:07:19,909 --> 00:07:18,560

and uh you know some others uh have said

175

00:07:22,390 --> 00:07:19,919

that it's uh

176

00:07:24,469 --> 00:07:22,400

it's a must read for anybody not only

177

00:07:26,550 --> 00:07:24,479

interested in the topic but anybody

178

00:07:28,309 --> 00:07:26,560

that's interested in the possibilities

179

00:07:31,589 --> 00:07:28,319

of human existence

180

00:07:32,510 --> 00:07:31,599

and so um the way i came upon it i was

181

00:07:34,150 --> 00:07:32,520

not a

182

00:07:37,189 --> 00:07:34,160

ufologist

183

00:07:38,950 --> 00:07:37,199

i was a writer doing uh thrillers i

184

00:07:41,350 --> 00:07:38,960

wrote the nick carter series i did some

185

00:07:45,110 --> 00:07:41,360

work for true detective magazine

186

00:07:46,469 --> 00:07:45,120

and uh a few novels but uh i was also

187

00:07:48,469 --> 00:07:46,479

running a company

188

00:07:50,189 --> 00:07:48,479

and this would have been back uh

189

00:07:53,110 --> 00:07:50,199

you know back in um

190

00:07:54,629 --> 00:07:53,120

2015 that kind of time time frame maybe

191

00:07:56,390 --> 00:07:54,639

a little before that

192

00:07:57,430 --> 00:07:56,400

and there was a fellow that worked for

193

00:08:02,150 --> 00:07:57,440

me

194

00:08:03,749 --> 00:08:02,160

the west coast i was on the east coast

195

00:08:05,749 --> 00:08:03,759

and so when i went to the west coast on

196

00:08:07,990 --> 00:08:05,759

business i would have a dinner with him

197

00:08:09,110 --> 00:08:08,000

and maybe a drink or two

198

00:08:11,270 --> 00:08:09,120

and um

199

00:08:12,790 --> 00:08:11,280

as we got to be friends he knew i was a

200

00:08:14,150 --> 00:08:12,800

writer of course

201
00:08:16,790 --> 00:08:14,160
and

202
00:08:19,670 --> 00:08:16,800
told me about his best friend

203
00:08:21,909 --> 00:08:19,680
who he had played varsity football with

204
00:08:23,270 --> 00:08:21,919
at the university of redlands

205
00:08:24,070 --> 00:08:23,280
and

206
00:08:25,670 --> 00:08:24,080
the

207
00:08:27,749 --> 00:08:25,680
incident that happened to him that

208
00:08:30,230 --> 00:08:27,759
really changed his life changed his

209
00:08:31,110 --> 00:08:30,240
wife's life and changed his family's

210
00:08:31,990 --> 00:08:31,120
life

211
00:08:33,990 --> 00:08:32,000
um

212
00:08:34,949 --> 00:08:34,000
something that he was you know morbidly

213
00:08:37,350 --> 00:08:34,959

shy

214

00:08:39,350 --> 00:08:37,360

about discussing and very reluctant

215

00:08:40,550 --> 00:08:39,360

because he considered it really deeply

216

00:08:41,670 --> 00:08:40,560

personal

217

00:08:44,230 --> 00:08:41,680

but um

218

00:08:46,550 --> 00:08:44,240

since this was his best friend and i was

219

00:08:48,230 --> 00:08:46,560

a very good friend of his he thought it

220

00:08:51,030 --> 00:08:48,240

would maybe

221

00:08:53,110 --> 00:08:51,040

be therapeutic in some way for this

222

00:08:57,030 --> 00:08:53,120

fellow and his wife this would be

223

00:08:59,030 --> 00:08:57,040

stephen dawn hess to tell me their story

224

00:08:59,910 --> 00:08:59,040

from my standpoint

225

00:09:05,190 --> 00:08:59,920

i

226

00:09:07,430 --> 00:09:05,200

story per se

227

00:09:10,389 --> 00:09:07,440

but because he was my friend

228

00:09:12,949 --> 00:09:10,399

i agreed to meet with them in california

229

00:09:14,630 --> 00:09:12,959

and i was just uh staggered

230

00:09:17,750 --> 00:09:14,640

by the story

231

00:09:19,990 --> 00:09:17,760

and the the uh the depth and the breadth

232

00:09:22,389 --> 00:09:20,000

of the story and how credible these

233

00:09:24,870 --> 00:09:22,399

people were and so i decided to work

234

00:09:26,949 --> 00:09:24,880

with them and uh we worked very hard

235

00:09:29,430 --> 00:09:26,959

enough for a couple of years

236

00:09:31,030 --> 00:09:29,440

putting the story together verifying

237

00:09:32,550 --> 00:09:31,040

things with psychologists and

238

00:09:34,550 --> 00:09:32,560

psychiatrists

239

00:09:36,630 --> 00:09:34,560
and even a polygraph test and

240

00:09:37,430 --> 00:09:36,640
retrogressive hypnosis

241

00:09:39,350 --> 00:09:37,440
so

242

00:09:41,990 --> 00:09:39,360
as you mentioned i was a policeman i was

243

00:09:43,829 --> 00:09:42,000
a a deputy sheriff and i worked with

244

00:09:46,070 --> 00:09:43,839
federal prisoners for

245

00:09:47,829 --> 00:09:46,080
about three years so i approached this

246

00:09:49,590 --> 00:09:47,839
like a detective would

247

00:09:50,470 --> 00:09:49,600
i was going to ask you that

248

00:09:55,990 --> 00:09:50,480
and i

249

00:09:59,030 --> 00:09:56,000
of policemen former policemen retired

250

00:09:59,990 --> 00:09:59,040
on this show over the years every single

251
00:10:02,550 --> 00:10:00,000
one of them

252
00:10:05,350 --> 00:10:02,560
say the same thing it was very helpful

253
00:10:06,790 --> 00:10:05,360
and also observing

254
00:10:09,750 --> 00:10:06,800
the witness

255
00:10:11,750 --> 00:10:09,760
uh testimony yes um you know the the

256
00:10:13,750 --> 00:10:11,760
watching for the for the key

257
00:10:16,470 --> 00:10:13,760
um elements that

258
00:10:18,790 --> 00:10:16,480
look you know real or not so real when

259
00:10:21,269 --> 00:10:18,800
they're uh you know authentic

260
00:10:23,670 --> 00:10:21,279
yeah and the other thing too is just the

261
00:10:25,590 --> 00:10:23,680
backgrounds of of these individuals the

262
00:10:28,470 --> 00:10:25,600
husband was um

263
00:10:31,350 --> 00:10:28,480

was uh a project manager so he was in

264

00:10:33,110 --> 00:10:31,360

charge of construction uh programs like

265

00:10:35,269 --> 00:10:33,120

for shopping malls

266

00:10:37,829 --> 00:10:35,279

and you know so multi-million dollar

267

00:10:39,269 --> 00:10:37,839

budgets a lot of people working under

268

00:10:42,310 --> 00:10:39,279

him and for him

269

00:10:45,350 --> 00:10:42,320

and so he was an incredibly credible you

270

00:10:48,230 --> 00:10:45,360

know very credible individual uh they

271

00:10:50,150 --> 00:10:48,240

had two children and his wife dawn

272

00:10:52,150 --> 00:10:50,160

was equally credible she was a college

273

00:10:54,230 --> 00:10:52,160

graduate they were college sweethearts

274

00:10:55,910 --> 00:10:54,240

and and uh got married

275

00:10:57,509 --> 00:10:55,920

and uh

276

00:10:58,389 --> 00:10:57,519

really from

277

00:11:00,389 --> 00:10:58,399

all

278

00:11:02,470 --> 00:11:00,399

any way you wanted to approach it this

279

00:11:04,630 --> 00:11:02,480

is sort of the backbone of america kind

280

00:11:06,310 --> 00:11:04,640

of people you know very straightforward

281

00:11:08,470 --> 00:11:06,320

very credible

282

00:11:10,310 --> 00:11:08,480

not prone to fantasy or anything like

283

00:11:12,150 --> 00:11:10,320

that you know this is a construction men

284

00:11:16,150 --> 00:11:12,160

involved with construction

285

00:11:18,949 --> 00:11:16,160

so uh and and uh sort of a man's man a

286

00:11:20,550 --> 00:11:18,959

hunter a former uh varsity football

287

00:11:21,430 --> 00:11:20,560

player in college

288

00:11:23,750 --> 00:11:21,440

um

289

00:11:26,829 --> 00:11:23,760

somebody that you had to take seriously

290

00:11:30,230 --> 00:11:26,839

if they say this happened you had to

291

00:11:31,590 --> 00:11:30,240

listen you're right right so let's let's

292

00:11:33,110 --> 00:11:31,600

hear the

293

00:11:34,710 --> 00:11:33,120

their story

294

00:11:35,829 --> 00:11:34,720

and what you got

295

00:11:37,910 --> 00:11:35,839

from them

296

00:11:40,310 --> 00:11:37,920

um set the whole thing up if you would

297

00:11:42,630 --> 00:11:40,320

how it all all began and

298

00:11:44,310 --> 00:11:42,640

and the whole incident yeah i'll i'll do

299

00:11:46,310 --> 00:11:44,320

my best it's

300

00:11:47,509 --> 00:11:46,320

you know i talk about it like it sort of

301
00:11:49,269 --> 00:11:47,519
was

302
00:11:50,790 --> 00:11:49,279
pulling a curtain back on it on a

303
00:11:53,269 --> 00:11:50,800
different reality

304
00:11:55,430 --> 00:11:53,279
it is this isn't like

305
00:11:56,790 --> 00:11:55,440
somebody that's you know in montana or

306
00:11:58,949 --> 00:11:56,800
in the midwest

307
00:12:01,670 --> 00:11:58,959
driving a you know a long distance hall

308
00:12:04,629 --> 00:12:01,680
on in a truck stops and sees something

309
00:12:07,509 --> 00:12:04,639
and takes a picture of it or or you know

310
00:12:08,870 --> 00:12:07,519
tells somebody about it later this was a

311
00:12:11,509 --> 00:12:08,880
full-blown

312
00:12:13,829 --> 00:12:11,519
scenario that took place over the course

313
00:12:15,870 --> 00:12:13,839

of maybe 12 hours

314

00:12:17,910 --> 00:12:15,880

with two individuals

315

00:12:20,389 --> 00:12:17,920

simultaneously witnessing the same

316

00:12:21,190 --> 00:12:20,399

things again with duration

317

00:12:25,829 --> 00:12:21,200

so

318

00:12:27,509 --> 00:12:25,839

a real

319

00:12:30,870 --> 00:12:27,519

being immersed

320

00:12:32,790 --> 00:12:30,880

into another world

321

00:12:34,470 --> 00:12:32,800

it it started out

322

00:12:36,790 --> 00:12:34,480

like a lot of things do i guess with

323

00:12:38,629 --> 00:12:36,800

married couples with new children

324

00:12:40,470 --> 00:12:38,639

so they had uh

325

00:12:42,310 --> 00:12:40,480

two children at the time

326

00:12:43,590 --> 00:12:42,320

and i believe the ages were four and two

327

00:12:44,790 --> 00:12:43,600

and a half

328

00:12:46,790 --> 00:12:44,800

and uh

329

00:12:48,949 --> 00:12:46,800

so the the mom who was a full-time

330

00:12:51,590 --> 00:12:48,959

stay-at-home mom at the time

331

00:12:54,310 --> 00:12:51,600

uh you know wanted to get away

332

00:12:55,670 --> 00:12:54,320

she had her he had he had his parents as

333

00:12:57,670 --> 00:12:55,680

babysitters

334

00:12:58,870 --> 00:12:57,680

so the grandparents offered to babysit

335

00:13:00,710 --> 00:12:58,880

for a weekend

336

00:13:01,430 --> 00:13:00,720

and the wife said you know i just want

337

00:13:06,870 --> 00:13:01,440

to

338

00:13:08,870 --> 00:13:06,880

dinner out

339

00:13:09,990 --> 00:13:08,880

and that's what i'm looking for for the

340

00:13:11,350 --> 00:13:10,000

weekend

341

00:13:12,790 --> 00:13:11,360

in the meantime the husband had

342

00:13:14,870 --> 00:13:12,800

different ideas

343

00:13:17,190 --> 00:13:14,880

this was his vacation too and he'd been

344

00:13:19,750 --> 00:13:17,200

working really hard on the

345

00:13:21,509 --> 00:13:19,760

construction of a of a mall

346

00:13:23,829 --> 00:13:21,519

and so uh

347

00:13:26,550 --> 00:13:23,839

a year prior to that he'd been hunting

348

00:13:28,069 --> 00:13:26,560

with his father and his brother

349

00:13:29,910 --> 00:13:28,079

and he missed

350

00:13:32,150 --> 00:13:29,920

a fairly easy shot

351

00:13:35,430 --> 00:13:32,160

at a mule deer in the mojave desert

352

00:13:38,069 --> 00:13:35,440

where they were hunting the father was

353

00:13:39,110 --> 00:13:38,079

philosophical about it the brother not

354

00:13:41,030 --> 00:13:39,120

so much

355

00:13:43,910 --> 00:13:41,040

he gave him a real hard time about

356

00:13:46,150 --> 00:13:43,920

missing the shot and so he was hell-bent

357

00:13:49,590 --> 00:13:46,160

on going back to the mojave

358

00:13:50,949 --> 00:13:49,600

and getting the mule deer

359

00:13:52,550 --> 00:13:50,959

so

360

00:13:53,150 --> 00:13:52,560

this obviously wasn't in the wife's

361

00:13:55,269 --> 00:13:53,160

plans

362

00:13:57,350 --> 00:13:55,279

[Laughter]

363

00:13:59,189 --> 00:13:57,360

so being the intelligent couple that

364

00:14:00,550 --> 00:13:59,199

they that they are

365

00:14:03,350 --> 00:14:00,560

they made a compromise and the

366

00:14:05,990 --> 00:14:03,360

compromise was that they would uh

367

00:14:09,030 --> 00:14:06,000

it would go to the mojave but on the way

368

00:14:10,710 --> 00:14:09,040

there was a place called whiskey pete's

369

00:14:11,990 --> 00:14:10,720

and they would stop at whiskey pete's

370

00:14:13,670 --> 00:14:12,000

they have a

371

00:14:15,030 --> 00:14:13,680

you know a good dinner

372

00:14:16,870 --> 00:14:15,040

there was a band that would play you

373

00:14:19,189 --> 00:14:16,880

know country music they would do some

374

00:14:21,910 --> 00:14:19,199

dancing they'd have a couple of drinks

375

00:14:23,670 --> 00:14:21,920

and that would be you know her night out

376

00:14:26,550 --> 00:14:23,680

from there they would drive a short

377

00:14:28,710 --> 00:14:26,560

distance to the mid hills campsite

378

00:14:30,870 --> 00:14:28,720

and they would stay there overnight

379

00:14:32,870 --> 00:14:30,880

and then go into the mojave

380

00:14:34,629 --> 00:14:32,880

and do his honey

381

00:14:36,470 --> 00:14:34,639

and they'd camp out in a camper that

382

00:14:38,230 --> 00:14:36,480

they had

383

00:14:40,629 --> 00:14:38,240

so uh

384

00:14:41,910 --> 00:14:40,639

all seemed like it was going well the

385

00:14:44,310 --> 00:14:41,920

the uh

386

00:14:45,670 --> 00:14:44,320

the grandparents came and they were on

387

00:14:47,750 --> 00:14:45,680

their way

388

00:14:49,430 --> 00:14:47,760

and they did go to whiskey pete and they

389

00:14:51,750 --> 00:14:49,440

did the dancing that they wanted to and

390

00:14:53,189 --> 00:14:51,760

had the the dinner that they wanted

391

00:14:55,829 --> 00:14:53,199

but when they got to the mid hills

392

00:14:56,710 --> 00:14:55,839

campsite very much out of

393

00:15:00,069 --> 00:14:56,720

um

394

00:15:03,269 --> 00:15:00,079

the ordinary it was completely sold out

395

00:15:05,269 --> 00:15:03,279

so they had no place to camp

396

00:15:07,030 --> 00:15:05,279

well this was kind of a you know a

397

00:15:08,230 --> 00:15:07,040

disappointment to

398

00:15:10,550 --> 00:15:08,240

to steve

399

00:15:13,430 --> 00:15:10,560

but more than a disappointment to uh

400

00:15:15,030 --> 00:15:13,440

dawn because the alternative was to go

401
00:15:16,629 --> 00:15:15,040
into the desert

402
00:15:17,829 --> 00:15:16,639
where they were going to go hunting in

403
00:15:21,030 --> 00:15:17,839
their camper

404
00:15:23,110 --> 00:15:21,040
into a very you know desolate area

405
00:15:24,629 --> 00:15:23,120
a near tabletop mountain in the new york

406
00:15:27,189 --> 00:15:24,639
mountain range

407
00:15:28,069 --> 00:15:27,199
and she uh

408
00:15:30,310 --> 00:15:28,079
she

409
00:15:32,949 --> 00:15:30,320
had misgivings

410
00:15:35,030 --> 00:15:32,959
she had read articles that you know the

411
00:15:36,870 --> 00:15:35,040
motorcycle gangs

412
00:15:38,629 --> 00:15:36,880
did drugs there and there were drug

413
00:15:39,670 --> 00:15:38,639

transactions and occasionally they'd

414

00:15:41,910 --> 00:15:39,680

find

415

00:15:43,590 --> 00:15:41,920

you know somebody dead a dead body or

416

00:15:45,749 --> 00:15:43,600

something and some kind of

417

00:15:49,350 --> 00:15:45,759

drug deal that went wrong

418

00:15:50,470 --> 00:15:49,360

and she was very uh concerned about that

419

00:15:52,150 --> 00:15:50,480

and so

420

00:15:54,949 --> 00:15:52,160

they went anyway

421

00:15:56,710 --> 00:15:54,959

and steve promised her a nice steak

422

00:15:59,269 --> 00:15:56,720

dinner that they'd make a campfire it

423

00:16:00,949 --> 00:15:59,279

would be romantic etc

424

00:16:03,350 --> 00:16:00,959

and they did

425

00:16:06,230 --> 00:16:03,360

so they went to the uh into the desert

426
00:16:08,550 --> 00:16:06,240
again very desolate area

427
00:16:09,829 --> 00:16:08,560
um surrounded by mountains

428
00:16:11,350 --> 00:16:09,839
and kind of a

429
00:16:12,710 --> 00:16:11,360
a valley

430
00:16:13,910 --> 00:16:12,720
you know with the mountains surrounding

431
00:16:16,870 --> 00:16:13,920
it

432
00:16:19,430 --> 00:16:16,880
and um they made the campfire

433
00:16:21,509 --> 00:16:19,440
they uh had a uh

434
00:16:23,670 --> 00:16:21,519
some wine they

435
00:16:24,629 --> 00:16:23,680
ate a steak or two

436
00:16:27,430 --> 00:16:24,639
and

437
00:16:29,030 --> 00:16:27,440
as the evening started to fall

438
00:16:30,470 --> 00:16:29,040

steve

439

00:16:32,710 --> 00:16:30,480

who had had a

440

00:16:35,749 --> 00:16:32,720

a ufo experience

441

00:16:37,590 --> 00:16:35,759

when he was 12 years old

442

00:16:39,269 --> 00:16:37,600

he'd been fishing and camping with his

443

00:16:41,110 --> 00:16:39,279

parents and another

444

00:16:42,629 --> 00:16:41,120

set of parents and he and his friend

445

00:16:44,470 --> 00:16:42,639

were fishing

446

00:16:48,069 --> 00:16:44,480

and he had this vivid

447

00:16:51,590 --> 00:16:48,079

memory you know etched into his mind

448

00:16:53,269 --> 00:16:51,600

of a ufo that appeared over lake mohave

449

00:16:55,350 --> 00:16:53,279

while they were fishing

450

00:16:57,030 --> 00:16:55,360

and seemed to follow them

451
00:16:58,550 --> 00:16:57,040
and they ran from it they dropped their

452
00:17:00,629 --> 00:16:58,560
fishing rods and ran

453
00:17:02,949 --> 00:17:00,639
they ran back to their parents and told

454
00:17:04,949 --> 00:17:02,959
them that there was a flying saucer

455
00:17:06,710 --> 00:17:04,959
and their parents of course who

456
00:17:07,990 --> 00:17:06,720
were having a good time with their

457
00:17:09,909 --> 00:17:08,000
neighbors

458
00:17:11,510 --> 00:17:09,919
weren't too uh didn't see that as a very

459
00:17:12,470 --> 00:17:11,520
credible thing and sort of laughed it

460
00:17:14,230 --> 00:17:12,480
off

461
00:17:16,789 --> 00:17:14,240
but to steve

462
00:17:19,029 --> 00:17:16,799
it was not a laughing matter

463
00:17:20,789 --> 00:17:19,039

it was something that would really made

464

00:17:23,590 --> 00:17:20,799

an impression on him

465

00:17:25,909 --> 00:17:23,600

so while they're at the campfire and

466

00:17:27,669 --> 00:17:25,919

darkness is starting to fall

467

00:17:30,950 --> 00:17:27,679

he he feels

468

00:17:32,470 --> 00:17:30,960

this sensation of being watched

469

00:17:33,590 --> 00:17:32,480

so he looks to his right over his

470

00:17:36,070 --> 00:17:33,600

shoulder

471

00:17:38,230 --> 00:17:36,080

and almost

472

00:17:39,590 --> 00:17:38,240

like somebody peeking from behind the

473

00:17:42,390 --> 00:17:39,600

mountain

474

00:17:45,750 --> 00:17:42,400

a ufo appears

475

00:17:49,110 --> 00:17:45,760

maybe 30 feet in diameter just

476

00:17:52,070 --> 00:17:49,120

juts out he looks at it it looks at him

477

00:17:53,990 --> 00:17:52,080

or seems to and slips back behind the

478

00:17:56,630 --> 00:17:54,000

mountain

479

00:17:58,150 --> 00:17:56,640

now dawn who is already

480

00:18:00,230 --> 00:17:58,160

nervous

481

00:18:02,950 --> 00:18:00,240

he doesn't want to say anything about it

482

00:18:04,870 --> 00:18:02,960

because the last thing she needs to hear

483

00:18:07,029 --> 00:18:04,880

is that he just saw a ufo

484

00:18:07,990 --> 00:18:07,039

right

485

00:18:11,029 --> 00:18:08,000

so he

486

00:18:12,470 --> 00:18:11,039

he buries it you know himself yeah and

487

00:18:14,470 --> 00:18:12,480

they go on

488

00:18:16,549 --> 00:18:14,480

and uh later in the evening they are

489

00:18:18,950 --> 00:18:16,559

stargazing

490

00:18:22,150 --> 00:18:18,960

so steve uh who it's a really

491

00:18:24,870 --> 00:18:22,160

intelligent guy and very well informed

492

00:18:26,950 --> 00:18:24,880

uh you know knew the constellations and

493

00:18:30,150 --> 00:18:26,960

and how they were set up

494

00:18:32,230 --> 00:18:30,160

and uh he's explaining to his wife well

495

00:18:33,830 --> 00:18:32,240

this is this particular constellation

496

00:18:34,710 --> 00:18:33,840

and you see that see how the stars are

497

00:18:38,390 --> 00:18:34,720

here

498

00:18:40,390 --> 00:18:38,400

double star and you can see that it's

499

00:18:42,950 --> 00:18:40,400

it's brighter than the others and it's

500

00:18:44,390 --> 00:18:42,960

its shape is a little different

501
00:18:47,029 --> 00:18:44,400
so she says

502
00:18:49,909 --> 00:18:47,039
well that's a double star

503
00:18:52,310 --> 00:18:49,919
this one must be a triple star

504
00:18:53,750 --> 00:18:52,320
and uh in the mountain range

505
00:18:57,350 --> 00:18:53,760
um

506
00:19:00,150 --> 00:18:57,360
not far away i would say 400 yards away

507
00:19:01,029 --> 00:19:00,160
500 yards away above the mountain is

508
00:19:06,470 --> 00:19:01,039
this

509
00:19:09,110 --> 00:19:06,480
so steve swallows hard

510
00:19:10,390 --> 00:19:09,120
swallows hard when he sees this

511
00:19:12,230 --> 00:19:10,400
because

512
00:19:13,990 --> 00:19:12,240
all of this starts to come together from

513
00:19:16,470 --> 00:19:14,000

the time he was 12

514

00:19:17,430 --> 00:19:16,480
to the sighting he had just had

515

00:19:19,990 --> 00:19:17,440
to this

516

00:19:22,310 --> 00:19:20,000
which he has no explanation for

517

00:19:25,110 --> 00:19:22,320
it's not a triple star

518

00:19:27,590 --> 00:19:25,120
um

519

00:19:29,510 --> 00:19:27,600
they they talk about that for a moment

520

00:19:30,310 --> 00:19:29,520
and dawn understands that he's a little

521

00:19:32,150 --> 00:19:30,320
bit

522

00:19:34,230 --> 00:19:32,160
shaken now

523

00:19:35,590 --> 00:19:34,240
and as they're watching as they're

524

00:19:38,630 --> 00:19:35,600
observing

525

00:19:39,990 --> 00:19:38,640
the one glowing orb becomes nine glowing

526
00:19:41,510 --> 00:19:40,000
orbs

527
00:19:42,630 --> 00:19:41,520
and over the

528
00:19:43,750 --> 00:19:42,640
mountain

529
00:19:46,470 --> 00:19:43,760
range

530
00:19:48,710 --> 00:19:46,480
again maybe 500 yards from them

531
00:19:53,190 --> 00:19:48,720
the nine glowing orbs

532
00:19:55,350 --> 00:19:53,200
form the configuration of an m

533
00:19:56,710 --> 00:19:55,360
and uh

534
00:19:58,230 --> 00:19:56,720
oh so

535
00:19:59,830 --> 00:19:58,240
dawn looks to him

536
00:20:01,510 --> 00:19:59,840
what you know what's going on what what

537
00:20:03,270 --> 00:20:01,520
what is that

538
00:20:05,110 --> 00:20:03,280

and the only thing he can think of is

539

00:20:06,230 --> 00:20:05,120

maybe it's a

540

00:20:08,149 --> 00:20:06,240

it's uh

541

00:20:10,230 --> 00:20:08,159

that nella's air force base is not too

542

00:20:12,070 --> 00:20:10,240

far away that maybe it's um some

543

00:20:13,350 --> 00:20:12,080

experimental craft

544

00:20:15,909 --> 00:20:13,360

or some

545

00:20:17,270 --> 00:20:15,919

crap that are on a maneuver or or

546

00:20:20,710 --> 00:20:17,280

testing

547

00:20:22,630 --> 00:20:20,720

and so he says that but

548

00:20:24,310 --> 00:20:22,640

while they're saying that

549

00:20:25,510 --> 00:20:24,320

the nine become

550

00:20:31,270 --> 00:20:25,520

dozens

551
00:20:33,190 --> 00:20:31,280
and the noise in the desert at night is

552
00:20:34,950 --> 00:20:33,200
noisy

553
00:20:39,909 --> 00:20:34,960
stops

554
00:20:44,470 --> 00:20:42,789
the valley is capped

555
00:20:47,350 --> 00:20:44,480
as if it's capped

556
00:20:50,390 --> 00:20:47,360
you mean like a vacuum of noise yes no

557
00:20:51,830 --> 00:20:50,400
noise and just the feeling that

558
00:20:57,029 --> 00:20:51,840
that

559
00:20:58,070 --> 00:20:57,039
ceiling almost

560
00:20:59,590 --> 00:20:58,080
so

561
00:21:03,190 --> 00:20:59,600
now they're

562
00:21:07,350 --> 00:21:03,200
moving towards a kind of panic

563
00:21:09,270 --> 00:21:07,360

a voice a telepathic voice very clear

564

00:21:12,149 --> 00:21:09,280

in dawn's head

565

00:21:14,070 --> 00:21:12,159

says don't do anything rash

566

00:21:15,990 --> 00:21:14,080

we're not going to harm you

567

00:21:17,270 --> 00:21:16,000

you know don't do anything rash in the

568

00:21:19,350 --> 00:21:17,280

meantime

569

00:21:20,870 --> 00:21:19,360

steve runs to the uh

570

00:21:22,789 --> 00:21:20,880

camper

571

00:21:24,390 --> 00:21:22,799

gets out a shotgun

572

00:21:26,470 --> 00:21:24,400

and a browning rifle that he was going

573

00:21:30,230 --> 00:21:26,480

to be using for hunting

574

00:21:31,990 --> 00:21:30,240

and and is is ready to defend now they

575

00:21:33,430 --> 00:21:32,000

don't think about a maneuver because

576
00:21:35,830 --> 00:21:33,440
it's so massive

577
00:21:36,950 --> 00:21:35,840
they think it's an invasion

578
00:21:39,430 --> 00:21:36,960
they think

579
00:21:40,950 --> 00:21:39,440
that that maybe

580
00:21:42,870 --> 00:21:40,960
maybe it's a

581
00:21:44,470 --> 00:21:42,880
the russians or that's the first thing

582
00:21:46,310 --> 00:21:44,480
that came to their mind it's it's the

583
00:21:47,190 --> 00:21:46,320
russians this is about

584
00:21:48,630 --> 00:21:47,200
wow

585
00:21:51,510 --> 00:21:48,640
and um

586
00:21:53,350 --> 00:21:51,520
so steve is ready to defend i mean as

587
00:21:55,430 --> 00:21:53,360
ridiculous as that sound people in

588
00:21:56,789 --> 00:21:55,440

moments of panic do things that aren't

589

00:21:59,350 --> 00:21:56,799

necessarily

590

00:22:00,789 --> 00:21:59,360

totally rational but he he picks up the

591

00:22:03,430 --> 00:22:00,799

the guns

592

00:22:04,710 --> 00:22:03,440

and then dawn hears another sort of

593

00:22:07,590 --> 00:22:04,720

voice

594

00:22:13,590 --> 00:22:09,669

put the gun down

595

00:22:15,350 --> 00:22:13,600

don't try to fight us or we'll kill you

596

00:22:17,350 --> 00:22:15,360

oh geez

597

00:22:19,190 --> 00:22:17,360

she she takes the gun and pulls it down

598

00:22:21,270 --> 00:22:19,200

said don't don't do that

599

00:22:23,830 --> 00:22:21,280

and now he hears the voice

600

00:22:25,510 --> 00:22:23,840

and the voice says get in the camper put

601
00:22:27,350 --> 00:22:25,520
the guns down

602
00:22:30,310 --> 00:22:27,360
sit in the camper behind the back of the

603
00:22:33,350 --> 00:22:30,320
camper so almost

604
00:22:36,070 --> 00:22:33,360
almost as if uh in a daze or

605
00:22:38,149 --> 00:22:36,080
in a robotic sort of way

606
00:22:41,029 --> 00:22:38,159
they walk to the back of the camper like

607
00:22:42,710 --> 00:22:41,039
people that are hypnotized and they sit

608
00:22:45,029 --> 00:22:42,720
indian style

609
00:22:46,710 --> 00:22:45,039
him with the guns across his lap

610
00:22:50,070 --> 00:22:46,720
and her next to him

611
00:22:54,149 --> 00:22:51,510
soon after

612
00:22:56,070 --> 00:22:54,159
they look out of the camper window and

613
00:22:57,750 --> 00:22:56,080

they see the

614

00:23:00,710 --> 00:22:57,760

hundreds of

615

00:23:03,110 --> 00:23:00,720

orbs dropping to the ground

616

00:23:05,190 --> 00:23:03,120

and as they drop to the ground

617

00:23:07,350 --> 00:23:05,200

there's an onrushing of what they

618

00:23:09,830 --> 00:23:07,360

describe as gremlins

619

00:23:11,270 --> 00:23:09,840

red eyes and so in the night what they

620

00:23:14,390 --> 00:23:11,280

see are pairs

621

00:23:16,710 --> 00:23:14,400

hundreds of pairs of red eyes

622

00:23:18,470 --> 00:23:16,720

rushing towards them

623

00:23:20,789 --> 00:23:18,480

so

624

00:23:21,830 --> 00:23:20,799

this is of course again they're starting

625

00:23:23,590 --> 00:23:21,840

to feel like they're going to have a

626
00:23:25,430 --> 00:23:23,600
heart attack or something

627
00:23:28,950 --> 00:23:25,440
and they try to move

628
00:23:31,990 --> 00:23:28,960
but again what emerges are two

629
00:23:34,549 --> 00:23:32,000
almost like fire plugs

630
00:23:35,669 --> 00:23:34,559
that are electrified

631
00:23:38,230 --> 00:23:35,679
and so

632
00:23:40,149 --> 00:23:38,240
when they move forward a foot

633
00:23:41,510 --> 00:23:40,159
it moves for these two things move

634
00:23:43,590 --> 00:23:41,520
forward a foot

635
00:23:46,549 --> 00:23:43,600
and there's an electrical charge

636
00:23:49,190 --> 00:23:46,559
so when steve tries to leave the camper

637
00:23:52,470 --> 00:23:49,200
he gets jolted back by this uh by this

638
00:23:53,669 --> 00:23:52,480

tremendous force of electricity

639

00:23:55,190 --> 00:23:53,679

and uh

640

00:23:57,350 --> 00:23:55,200

i guess you don't try that more than

641

00:24:01,190 --> 00:23:57,360

once or twice before you realize you're

642

00:24:03,430 --> 00:24:01,200

trapped can you can you explain that

643

00:24:05,430 --> 00:24:03,440

what you mean exactly like this is

644

00:24:06,390 --> 00:24:05,440

something that came inside the camper

645

00:24:08,070 --> 00:24:06,400

yes

646

00:24:09,830 --> 00:24:08,080

at the library

647

00:24:12,230 --> 00:24:09,840

what did it look like

648

00:24:14,390 --> 00:24:12,240

um they call them like stumps that's

649

00:24:16,630 --> 00:24:14,400

what they call them like stumps that's

650

00:24:19,750 --> 00:24:16,640

the way they describe them

651

00:24:21,669 --> 00:24:19,760

so if you think of maybe a fire hydrant

652

00:24:24,390 --> 00:24:21,679

yeah yeah something you know that maybe

653

00:24:27,110 --> 00:24:24,400

is a a couple of feet high

654

00:24:29,110 --> 00:24:27,120

and uh maybe

655

00:24:31,669 --> 00:24:29,120

eight or ten inches across

656

00:24:33,269 --> 00:24:31,679

but electrified and two of them

657

00:24:36,149 --> 00:24:33,279

so that basically

658

00:24:37,909 --> 00:24:36,159

this is a an electrified fence think of

659

00:24:39,590 --> 00:24:37,919

it that way think of an invisible fence

660

00:24:41,750 --> 00:24:39,600

for a dog

661

00:24:42,789 --> 00:24:41,760

and this thing just popped up in there

662

00:24:44,149 --> 00:24:42,799

yeah

663

00:24:48,630 --> 00:24:44,159

yes

664

00:24:51,350 --> 00:24:48,640

trapped and

665

00:24:53,590 --> 00:24:51,360

obviously this is a terrible feeling

666

00:24:55,669 --> 00:24:53,600

the red eye i'll call them gremlins

667

00:24:57,110 --> 00:24:55,679

because that's the word that they use

668

00:24:59,350 --> 00:24:57,120

are malevolent

669

00:25:01,830 --> 00:24:59,360

they're in a frenzy these things are are

670

00:25:03,909 --> 00:25:01,840

are um

671

00:25:06,870 --> 00:25:03,919

full of energy frenzied

672

00:25:09,510 --> 00:25:06,880

um animalistic they have like leather

673

00:25:11,510 --> 00:25:09,520

kind of faces you know black faces that

674

00:25:14,470 --> 00:25:11,520

are leather that leathery

675

00:25:15,430 --> 00:25:14,480

shiny red eyes like lasers

676
00:25:17,590 --> 00:25:15,440
and

677
00:25:19,110 --> 00:25:17,600
they surround the camper they're on top

678
00:25:20,470 --> 00:25:19,120
of the camper they're in the trees

679
00:25:22,470 --> 00:25:20,480
they're everywhere

680
00:25:24,070 --> 00:25:22,480
and frenetic

681
00:25:25,430 --> 00:25:24,080
frenetic

682
00:25:27,990 --> 00:25:25,440
so

683
00:25:30,070 --> 00:25:28,000
at this point

684
00:25:31,830 --> 00:25:30,080
this would be the first set of

685
00:25:33,510 --> 00:25:31,840
beings if you want to call them that

686
00:25:36,070 --> 00:25:33,520
dwarfish

687
00:25:37,750 --> 00:25:36,080
almost diabolical

688
00:25:39,590 --> 00:25:37,760

and um

689

00:25:40,390 --> 00:25:39,600

what happens next

690

00:25:43,350 --> 00:25:40,400

is

691

00:25:44,310 --> 00:25:43,360

they they look up or look around

692

00:25:45,590 --> 00:25:44,320

and

693

00:25:48,789 --> 00:25:45,600

above them

694

00:25:51,669 --> 00:25:48,799

is a a huge ufo

695

00:25:52,950 --> 00:25:51,679

that literally that they can see now

696

00:25:55,110 --> 00:25:52,960

now wait a minute they're in they're in

697

00:25:57,110 --> 00:25:55,120

the camper how can they see above them

698

00:25:59,590 --> 00:25:57,120

they have the they have um

699

00:26:01,830 --> 00:25:59,600

windows so there's the camper and it has

700

00:26:02,710 --> 00:26:01,840

a window in the front and windows on the

701
00:26:04,470 --> 00:26:02,720
side

702
00:26:06,630 --> 00:26:04,480
so they could see this thing

703
00:26:08,789 --> 00:26:06,640
that it looked like it was over them

704
00:26:11,510 --> 00:26:08,799
like at an angle or something yeah but

705
00:26:13,510 --> 00:26:11,520
it was huge so this thing is so big that

706
00:26:15,909 --> 00:26:13,520
it capped the valley so in other words

707
00:26:18,630 --> 00:26:15,919
if you think of um

708
00:26:20,470 --> 00:26:18,640
if you think of your purview like this

709
00:26:21,830 --> 00:26:20,480
you can look up but this thing they're

710
00:26:24,070 --> 00:26:21,840
talking about something the size of a

711
00:26:25,669 --> 00:26:24,080
football field

712
00:26:28,070 --> 00:26:25,679
and they're talking about it not being

713
00:26:30,149 --> 00:26:28,080

you know uh thousands of feet up you're

714

00:26:33,990 --> 00:26:30,159

talking about something that that maybe

715

00:26:35,990 --> 00:26:34,000

is 100 feet up 150 feet up so i mean

716

00:26:40,230 --> 00:26:36,000

it's very visible to them and not on

717

00:26:42,310 --> 00:26:40,240

that they can feel it um

718

00:26:45,269 --> 00:26:42,320

a beam of light

719

00:26:47,510 --> 00:26:45,279

a probe they called it with a diameter

720

00:26:48,710 --> 00:26:47,520

of about 30 feet

721

00:26:50,710 --> 00:26:48,720

starts to

722

00:26:52,870 --> 00:26:50,720

send things up

723

00:26:55,269 --> 00:26:52,880

pick up things and they see

724

00:26:59,750 --> 00:26:55,279

like um

725

00:27:01,590 --> 00:26:59,760

uh desert animals and uh cactus and

726
00:27:03,430 --> 00:27:01,600
trees and things like being sucked up

727
00:27:04,830 --> 00:27:03,440
into the um

728
00:27:07,260 --> 00:27:04,840
into this huge

729
00:27:08,630 --> 00:27:07,270
ufo and

730
00:27:12,390 --> 00:27:08,640
[Music]

731
00:27:18,070 --> 00:27:15,830
vehicle that they call a searcher

732
00:27:20,470 --> 00:27:18,080
and the searcher starts to comb the

733
00:27:21,590 --> 00:27:20,480
desert basin

734
00:27:24,470 --> 00:27:21,600
and um

735
00:27:26,230 --> 00:27:24,480
they smell a smell a lot like a burning

736
00:27:27,990 --> 00:27:26,240
rubber

737
00:27:31,029 --> 00:27:28,000
or sulfur

738
00:27:32,549 --> 00:27:31,039

and they feel the ground shaking

739

00:27:35,669 --> 00:27:32,559

and

740

00:27:37,990 --> 00:27:35,679

they think that in retrospect they think

741

00:27:39,350 --> 00:27:38,000

that maybe it's a mining operation of

742

00:27:41,750 --> 00:27:39,360

some kind

743

00:27:43,669 --> 00:27:41,760

that that they're calling the desert for

744

00:27:46,149 --> 00:27:43,679

looking looking for minerals

745

00:27:48,549 --> 00:27:46,159

or um or something

746

00:27:50,950 --> 00:27:48,559

and and it's a search so they called it

747

00:27:52,950 --> 00:27:50,960

their searcher

748

00:27:55,909 --> 00:27:52,960

so they're observing this

749

00:27:58,230 --> 00:27:55,919

this tremendous odor around them

750

00:28:00,950 --> 00:27:58,240

suffocating odor they're trapped in this

751
00:28:05,590 --> 00:28:03,430
they're watching the the searcher comb

752
00:28:06,630 --> 00:28:05,600
comb the uh the basin of the of the

753
00:28:09,750 --> 00:28:06,640
desert

754
00:28:11,350 --> 00:28:09,760
the probe is bringing things up

755
00:28:13,750 --> 00:28:11,360
and uh

756
00:28:15,430 --> 00:28:13,760
in this in this light this incredibly

757
00:28:17,350 --> 00:28:15,440
white light

758
00:28:20,470 --> 00:28:17,360
and what's beamed down then

759
00:28:23,110 --> 00:28:20,480
are nine other beings

760
00:28:24,389 --> 00:28:23,120
and these are what they call illuminated

761
00:28:25,350 --> 00:28:24,399
figures

762
00:28:26,470 --> 00:28:25,360
they're

763
00:28:27,990 --> 00:28:26,480

bright

764

00:28:29,590 --> 00:28:28,000

like white

765

00:28:32,070 --> 00:28:29,600

and um

766

00:28:34,070 --> 00:28:32,080

they are surround the camper

767

00:28:36,070 --> 00:28:34,080

uh when the shades are pulled

768

00:28:38,389 --> 00:28:36,080

the curtains are pulled on the on the

769

00:28:40,149 --> 00:28:38,399

camper window it makes no difference

770

00:28:42,710 --> 00:28:40,159

these things are so

771

00:28:46,870 --> 00:28:42,720

illuminated

772

00:28:49,350 --> 00:28:46,880

and um they talked about this particular

773

00:28:53,750 --> 00:28:51,750

like scientists

774

00:28:55,510 --> 00:28:53,760

they they were studying them

775

00:28:58,710 --> 00:28:55,520

they they were surrounding the camera

776
00:28:59,830 --> 00:28:58,720
and were studying them and they got

777
00:29:01,909 --> 00:28:59,840
mental

778
00:29:03,190 --> 00:29:01,919
telepathic

779
00:29:05,269 --> 00:29:03,200
signals

780
00:29:06,389 --> 00:29:05,279
that they were being studied

781
00:29:09,029 --> 00:29:06,399
and that

782
00:29:10,549 --> 00:29:09,039
they were being observed

783
00:29:12,630 --> 00:29:10,559
and

784
00:29:15,269 --> 00:29:12,640
at that point

785
00:29:16,710 --> 00:29:15,279
there it became i i won't say torture

786
00:29:22,149 --> 00:29:16,720
because

787
00:29:27,510 --> 00:29:24,470
the intent i don't think

788
00:29:28,950 --> 00:29:27,520

was to torture but in in effect that's

789

00:29:31,350 --> 00:29:28,960

what it was

790

00:29:34,230 --> 00:29:31,360

because they were put through a battery

791

00:29:35,269 --> 00:29:34,240

of uh emotions

792

00:29:37,029 --> 00:29:35,279

so would they

793

00:29:41,029 --> 00:29:37,039

pardon me were they ever physically

794

00:29:43,990 --> 00:29:41,039

examined or is this all at a distance uh

795

00:29:45,990 --> 00:29:44,000

we we'll get to that oh okay

796

00:29:48,230 --> 00:29:46,000

well another thing while we're while i'm

797

00:29:49,029 --> 00:29:48,240

pausing you here yeah sure is were they

798

00:29:50,230 --> 00:29:49,039

like

799

00:29:52,789 --> 00:29:50,240

just

800

00:29:55,269 --> 00:29:52,799

absolutely freaking out how are they

801
00:29:56,630 --> 00:29:55,279
handling this that's that's really a

802
00:29:58,310 --> 00:29:56,640
good question

803
00:30:00,549 --> 00:29:58,320
and um

804
00:30:02,470 --> 00:30:00,559
they thought they were in hell

805
00:30:03,430 --> 00:30:02,480
they thought they had died and were in

806
00:30:05,269 --> 00:30:03,440
hell

807
00:30:06,789 --> 00:30:05,279
they thought that um

808
00:30:08,789 --> 00:30:06,799
they were

809
00:30:10,070 --> 00:30:08,799
having heart attacks

810
00:30:12,789 --> 00:30:10,080
and um

811
00:30:15,750 --> 00:30:12,799
they were pinching each other literally

812
00:30:18,230 --> 00:30:15,760
and saying uh tell me exactly what you

813
00:30:20,470 --> 00:30:18,240

see describe to me exactly what you're

814

00:30:21,350 --> 00:30:20,480

seeing to make sure that

815

00:30:24,950 --> 00:30:21,360

that

816

00:30:27,110 --> 00:30:24,960

bizarre dream and they really were

817

00:30:28,310 --> 00:30:27,120

together and they really were seeing the

818

00:30:31,190 --> 00:30:28,320

same things

819

00:30:33,750 --> 00:30:31,200

and so they would describe to each other

820

00:30:35,510 --> 00:30:33,760

the detail of what they were seeing

821

00:30:37,830 --> 00:30:35,520

and of course they realized that it was

822

00:30:39,750 --> 00:30:37,840

more than real it was super real

823

00:30:41,269 --> 00:30:39,760

and um

824

00:30:43,990 --> 00:30:41,279

when they felt

825

00:30:46,950 --> 00:30:44,000

their chests were about to explode

826

00:30:52,470 --> 00:30:46,960

a kind of mist came into the camper

827

00:30:57,990 --> 00:30:53,830

trying to think of the word a

828

00:30:59,269 --> 00:30:58,000

suppressant to uh to calm them

829

00:31:00,789 --> 00:30:59,279

and so

830

00:31:03,430 --> 00:31:00,799

they realized

831

00:31:06,630 --> 00:31:03,440

at some point in time that probably they

832

00:31:09,909 --> 00:31:06,640

would have died were not for this mist

833

00:31:13,190 --> 00:31:09,919

that sedated them or or calmed them like

834

00:31:14,230 --> 00:31:13,200

a tranquilizer effect

835

00:31:17,190 --> 00:31:14,240

um

836

00:31:18,950 --> 00:31:17,200

but they they needed to be kept alive

837

00:31:21,750 --> 00:31:18,960

because

838

00:31:23,830 --> 00:31:21,760

these illuminated beings like scientists

839

00:31:26,149 --> 00:31:23,840

were experimenting on

840

00:31:29,269 --> 00:31:26,159

they didn't want them to die

841

00:31:30,549 --> 00:31:29,279

and so they were kept alive

842

00:31:31,669 --> 00:31:30,559

at that point

843

00:31:34,070 --> 00:31:31,679

as i say

844

00:31:37,110 --> 00:31:34,080

they started praying

845

00:31:39,190 --> 00:31:37,120

uh they worried about gone worried about

846

00:31:41,269 --> 00:31:39,200

their children at home

847

00:31:43,190 --> 00:31:41,279

that that somehow they were involved in

848

00:31:44,389 --> 00:31:43,200

all of this and that they were in grave

849

00:31:45,669 --> 00:31:44,399

danger

850

00:31:49,509 --> 00:31:45,679

uh so

851

00:31:51,029 --> 00:31:49,519

it was a hellish nightmarish

852

00:31:53,909 --> 00:31:51,039

experience

853

00:31:55,750 --> 00:31:53,919

and and even a word like torture

854

00:31:58,230 --> 00:31:55,760

doesn't capture it because

855

00:32:00,389 --> 00:31:58,240

you know torture can be for a period of

856

00:32:02,310 --> 00:32:00,399

time but this was sustained

857

00:32:03,669 --> 00:32:02,320

and what what they were forced to do was

858

00:32:05,350 --> 00:32:03,679

to relive

859

00:32:07,029 --> 00:32:05,360

emotions

860

00:32:08,549 --> 00:32:07,039

so for example i'll give you one i don't

861

00:32:12,710 --> 00:32:08,559

want to dwell on

862

00:32:15,590 --> 00:32:12,720

one of the reasons that dawn was

863

00:32:17,269 --> 00:32:15,600

concerned about going into the desert

864

00:32:20,389 --> 00:32:17,279

was because she had been assaulted

865

00:32:22,470 --> 00:32:20,399

molested as a child

866

00:32:23,750 --> 00:32:22,480

and so she was forced

867

00:32:24,870 --> 00:32:23,760

not to

868

00:32:26,630 --> 00:32:24,880

remember

869

00:32:29,590 --> 00:32:26,640

but to relive

870

00:32:32,710 --> 00:32:29,600

those experiences because they wanted to

871

00:32:35,350 --> 00:32:32,720

evoke the emotion that that

872

00:32:37,990 --> 00:32:35,360

experience created

873

00:32:39,430 --> 00:32:38,000

so if it was terror if it was

874

00:32:43,190 --> 00:32:39,440

humiliation

875

00:32:45,350 --> 00:32:43,200

if it was shame they they wanted

876
00:32:46,549 --> 00:32:45,360
to evoke those emotions

877
00:32:48,950 --> 00:32:46,559
in um

878
00:32:50,630 --> 00:32:48,960
in steve's case and sometimes they were

879
00:32:52,470 --> 00:32:50,640
like joyous moments

880
00:32:55,110 --> 00:32:52,480
sometimes there were moments of triumph

881
00:32:57,269 --> 00:32:55,120
let's say as a football player

882
00:32:58,549 --> 00:32:57,279
since he was a hunter

883
00:33:02,470 --> 00:32:58,559
he

884
00:33:04,230 --> 00:33:02,480
being hunted

885
00:33:06,149 --> 00:33:04,240
like an animal

886
00:33:08,230 --> 00:33:06,159
and hunters were chasing him and he was

887
00:33:11,269 --> 00:33:08,240
in you know a med

888
00:33:12,630 --> 00:33:11,279

dash to get away and to hide and whatnot

889

00:33:14,630 --> 00:33:12,640

and eventually

890

00:33:18,070 --> 00:33:14,640

in this scenario

891

00:33:19,990 --> 00:33:18,080

he's wounded can't go on

892

00:33:22,149 --> 00:33:20,000

the hunters capture him

893

00:33:24,470 --> 00:33:22,159

the hunters gut him

894

00:33:26,870 --> 00:33:24,480

and uh basically and that's that's

895

00:33:30,389 --> 00:33:26,880

another one of the experiences that he

896

00:33:32,549 --> 00:33:30,399

he lived or relived or was forced to but

897

00:33:34,950 --> 00:33:32,559

again the idea

898

00:33:36,789 --> 00:33:34,960

was to evoke emotion

899

00:33:39,430 --> 00:33:36,799

sadness fear

900

00:33:40,630 --> 00:33:39,440

uh joy exaltation

901
00:33:41,669 --> 00:33:40,640
uh so

902
00:33:46,950 --> 00:33:41,679
so

903
00:33:48,389 --> 00:33:46,960
that dawn had was with her child

904
00:33:49,990 --> 00:33:48,399
and the the

905
00:33:53,190 --> 00:33:50,000
vision or the the

906
00:33:55,350 --> 00:33:53,200
vignette that she was forced to live in

907
00:33:56,789 --> 00:33:55,360
was that her child um

908
00:34:01,509 --> 00:33:56,799
uh

909
00:34:03,190 --> 00:34:01,519
with with a defect

910
00:34:05,110 --> 00:34:03,200
and that when she went to see the child

911
00:34:07,669 --> 00:34:05,120
the child was uh

912
00:34:09,909 --> 00:34:07,679
was not normal was a monstrous uh

913
00:34:11,829 --> 00:34:09,919

monstrous child

914

00:34:13,190 --> 00:34:11,839

and so they were envisioning these type

915

00:34:14,869 --> 00:34:13,200

of things

916

00:34:16,790 --> 00:34:14,879

i i you know i

917

00:34:17,909 --> 00:34:16,800

i want to make it clear

918

00:34:19,430 --> 00:34:17,919

more than

919

00:34:22,470 --> 00:34:19,440

envisioning

920

00:34:23,510 --> 00:34:22,480

being in the scenario being in it living

921

00:34:25,829 --> 00:34:23,520

it

922

00:34:26,629 --> 00:34:25,839

okay so

923

00:34:28,550 --> 00:34:26,639

and so

924

00:34:30,790 --> 00:34:28,560

pardon me just just one second i'm just

925

00:34:32,230 --> 00:34:30,800

trying to lay this out and

926

00:34:34,790 --> 00:34:32,240

i think it's important for the listener

927

00:34:38,149 --> 00:34:34,800

that's why of course yes um

928

00:34:40,230 --> 00:34:38,159

these illuminated figures yeah that

929

00:34:41,750 --> 00:34:40,240

i'm picturing them they're outside the

930

00:34:43,589 --> 00:34:41,760

camper are they inside the camper

931

00:34:46,149 --> 00:34:43,599

they're now they're outside

932

00:34:48,470 --> 00:34:46,159

but they're they're all doing this

933

00:34:49,990 --> 00:34:48,480

they're somehow doing this through the

934

00:34:51,669 --> 00:34:50,000

walls of the camper and they're just

935

00:34:53,349 --> 00:34:51,679

fastened right in there

936

00:34:55,270 --> 00:34:53,359

exactly the way they're seated in the

937

00:34:57,109 --> 00:34:55,280

back of their camp with those and again

938

00:34:58,230 --> 00:34:57,119

if you picture the camper the camper had

939

00:35:03,270 --> 00:34:58,240

windows

940

00:35:05,670 --> 00:35:03,280

each side yeah and then the uh the back

941

00:35:07,829 --> 00:35:05,680

of the camper was open

942

00:35:09,589 --> 00:35:07,839

yeah and on the lip of it were these two

943

00:35:12,150 --> 00:35:09,599

uh uh

944

00:35:14,550 --> 00:35:12,160

electrified beings or or devices or

945

00:35:16,310 --> 00:35:14,560

whatever that trap them in there

946

00:35:18,230 --> 00:35:16,320

yeah the illuminated figures they

947

00:35:19,270 --> 00:35:18,240

described very vividly

948

00:35:21,510 --> 00:35:19,280

um

949

00:35:23,750 --> 00:35:21,520

they had uh

950

00:35:25,589 --> 00:35:23,760

a mouth like a slit

951
00:35:27,030 --> 00:35:25,599
two holes for

952
00:35:28,069 --> 00:35:27,040
a nose

953
00:35:29,430 --> 00:35:28,079
um

954
00:35:31,750 --> 00:35:29,440
a uh

955
00:35:34,390 --> 00:35:31,760
they were the grays i mean as you know

956
00:35:35,829 --> 00:35:34,400
people would describe him large eyes

957
00:35:40,550 --> 00:35:35,839
and um

958
00:35:42,470 --> 00:35:40,560
that's what of course was the most

959
00:35:45,030 --> 00:35:42,480
salient feature

960
00:35:45,829 --> 00:35:45,040
and dawn describes looking in the eyes

961
00:35:47,270 --> 00:35:45,839
of

962
00:35:49,829 --> 00:35:47,280
these things and they said they're not

963
00:35:52,230 --> 00:35:49,839

human eyes they they didn't have the

964

00:35:55,670 --> 00:35:52,240

pieces that uh you know the pupil the

965

00:35:57,670 --> 00:35:55,680

the corning etc that a human would have

966

00:35:59,270 --> 00:35:57,680

yeah and um

967

00:36:01,270 --> 00:35:59,280

and so

968

00:36:01,990 --> 00:36:01,280

this was the the scenario that went on

969

00:36:06,950 --> 00:36:02,000

for

970

00:36:08,550 --> 00:36:06,960

and um they were kept alive during all

971

00:36:10,829 --> 00:36:08,560

of this

972

00:36:12,470 --> 00:36:10,839

and um

973

00:36:16,069 --> 00:36:12,480

then

974

00:36:17,910 --> 00:36:16,079

when they think they're they're mad when

975

00:36:21,349 --> 00:36:17,920

they think they're absolutely

976

00:36:24,390 --> 00:36:21,359

insane with with terror and um

977

00:36:26,470 --> 00:36:24,400

and just an adrenaline pumping and uh

978

00:36:28,150 --> 00:36:26,480

you know the brain going a mile a minute

979

00:36:29,990 --> 00:36:28,160

they're heart pounding

980

00:36:33,190 --> 00:36:30,000

um

981

00:36:36,710 --> 00:36:33,200

it seems like they withdraw

982

00:36:39,670 --> 00:36:36,720

so it seems like the gremlin type beings

983

00:36:41,990 --> 00:36:39,680

withdraw when there's an army of them

984

00:36:43,670 --> 00:36:42,000

it seems like the illuminated figures

985

00:36:45,510 --> 00:36:43,680

withdraw

986

00:36:47,670 --> 00:36:45,520

and they they're saying you know

987

00:36:49,589 --> 00:36:47,680

praying literally praying

988

00:36:52,069 --> 00:36:49,599

you know god help us god protect our

989

00:36:54,630 --> 00:36:52,079

children etc

990

00:36:56,870 --> 00:36:54,640

but then they come back again in force

991

00:36:59,190 --> 00:36:56,880

and again this is almost

992

00:37:01,030 --> 00:36:59,200

again a way to play with emotions to

993

00:37:04,069 --> 00:37:01,040

play with their minds

994

00:37:08,069 --> 00:37:04,079

and so that it's totally demoralizing

995

00:37:11,109 --> 00:37:09,670

however

996

00:37:13,750 --> 00:37:11,119

and this is

997

00:37:15,030 --> 00:37:13,760

what almost gives the story

998

00:37:18,310 --> 00:37:15,040

um

999

00:37:19,430 --> 00:37:18,320

a religious context

1000

00:37:21,030 --> 00:37:19,440

what happens

1001
00:37:23,829 --> 00:37:21,040
after this and when they they are

1002
00:37:27,589 --> 00:37:23,839
completely uh out of their minds and

1003
00:37:28,950 --> 00:37:27,599
completely beside themselves with horror

1004
00:37:31,990 --> 00:37:28,960
um

1005
00:37:33,270 --> 00:37:32,000
they they see an angelic presence they

1006
00:37:35,589 --> 00:37:33,280
feel it

1007
00:37:38,710 --> 00:37:35,599
and they see it in the clouds

1008
00:37:40,790 --> 00:37:38,720
and it's it's um

1009
00:37:43,430 --> 00:37:40,800
it's a sort of angel

1010
00:37:46,630 --> 00:37:43,440
they call it their comforter

1011
00:37:47,829 --> 00:37:46,640
because this feminine clearly feminine

1012
00:37:51,190 --> 00:37:47,839
presence

1013
00:37:52,950 --> 00:37:51,200

uh like a a giant angel

1014

00:37:54,630 --> 00:37:52,960

descending

1015

00:37:56,310 --> 00:37:54,640

comforts them

1016

00:37:58,630 --> 00:37:56,320

you're gonna survive this

1017

00:38:01,190 --> 00:37:58,640

your children are okay

1018

00:38:03,349 --> 00:38:01,200

you this will be over soon

1019

00:38:07,589 --> 00:38:03,359

and it seems as if

1020

00:38:12,470 --> 00:38:10,710

is on a different level a higher level

1021

00:38:13,910 --> 00:38:12,480

certainly than the gremlins

1022

00:38:15,270 --> 00:38:13,920

and and

1023

00:38:17,990 --> 00:38:15,280

and the scientific beings the

1024

00:38:19,589 --> 00:38:18,000

illuminated figures as well

1025

00:38:22,230 --> 00:38:19,599

that this is the sort of a more

1026

00:38:24,310 --> 00:38:22,240

commanding presence

1027

00:38:26,310 --> 00:38:24,320

and at that time they start to withdraw

1028

00:38:27,589 --> 00:38:26,320

really withdraw

1029

00:38:29,750 --> 00:38:27,599

and um

1030

00:38:33,750 --> 00:38:29,760

they feel very sleepy almost like

1031

00:38:37,990 --> 00:38:36,550

they they sleep

1032

00:38:42,150 --> 00:38:38,000

however

1033

00:38:43,510 --> 00:38:42,160

just before they actually you know are

1034

00:38:46,630 --> 00:38:43,520

unconscious

1035

00:38:49,190 --> 00:38:46,640

they feel the camper being lifted up

1036

00:38:51,109 --> 00:38:49,200

they hear this sound like like the

1037

00:38:52,950 --> 00:38:51,119

mining operation that i this deep

1038

00:38:55,349 --> 00:38:52,960

rumbling in the ground in this pungent

1039

00:38:57,990 --> 00:38:55,359

odor that that almost the ground is

1040

00:39:00,310 --> 00:38:58,000

being cut out around them and lifted up

1041

00:39:01,910 --> 00:39:00,320

through this beam into the into the

1042

00:39:05,349 --> 00:39:01,920

spaceship

1043

00:39:07,190 --> 00:39:05,359

and that's the last thing they remember

1044

00:39:09,349 --> 00:39:07,200

when they wake up

1045

00:39:11,430 --> 00:39:09,359

in the morning they know now obviously

1046

00:39:13,109 --> 00:39:11,440

time has passed because it was night now

1047

00:39:15,190 --> 00:39:13,119

it's the sun is out

1048

00:39:16,710 --> 00:39:15,200

the campfire is dead they're out of the

1049

00:39:17,990 --> 00:39:16,720

camper

1050

00:39:19,030 --> 00:39:18,000

and they're sort of sprawled on the

1051
00:39:20,710 --> 00:39:19,040
ground

1052
00:39:22,390 --> 00:39:20,720
fully clothed

1053
00:39:26,069 --> 00:39:22,400
and

1054
00:39:27,750 --> 00:39:26,079
you know incredibly totally disoriented

1055
00:39:29,910 --> 00:39:27,760
they um

1056
00:39:31,670 --> 00:39:29,920
they think the the world has ended

1057
00:39:34,069 --> 00:39:31,680
you know they they they can't imagine

1058
00:39:36,150 --> 00:39:34,079
that this just happened to them

1059
00:39:36,870 --> 00:39:36,160
because of the massive scale of all of

1060
00:39:39,030 --> 00:39:36,880
this

1061
00:39:40,390 --> 00:39:39,040
and so uh

1062
00:39:42,710 --> 00:39:40,400
and so

1063
00:39:44,870 --> 00:39:42,720

they put on the radio

1064

00:39:46,710 --> 00:39:44,880

and uh they hear a randy travis song

1065

00:39:47,990 --> 00:39:46,720

country western song

1066

00:39:49,829 --> 00:39:48,000

and they're expecting to hear news

1067

00:39:53,910 --> 00:39:49,839

bulletins you know

1068

00:39:56,550 --> 00:39:53,920

oh the world's ending yeah yeah yeah so

1069

00:39:58,790 --> 00:39:56,560

so they they drive in the camper and

1070

00:40:01,589 --> 00:39:58,800

they're like i said disoriented and

1071

00:40:03,990 --> 00:40:01,599

there's an elderly couple that's uh

1072

00:40:05,750 --> 00:40:04,000

you know not not too far away

1073

00:40:09,430 --> 00:40:05,760

and they stop and ask them you know did

1074

00:40:11,670 --> 00:40:09,440

you see but reluctantly you know did you

1075

00:40:13,589 --> 00:40:11,680

did anything unusual happen did you see

1076

00:40:15,270 --> 00:40:13,599

anything unusual last night

1077

00:40:16,550 --> 00:40:15,280

so the woman says no you know we went to

1078

00:40:19,349 --> 00:40:16,560

bed early and

1079

00:40:20,550 --> 00:40:19,359

no we don't know of anything unusual

1080

00:40:25,510 --> 00:40:20,560

do you know

1081

00:40:28,150 --> 00:40:25,520

about how far away that couple was from

1082

00:40:30,550 --> 00:40:28,160

where they were camping yeah i i

1083

00:40:33,510 --> 00:40:30,560

my my guess i never asked that question

1084

00:40:34,470 --> 00:40:33,520

to them but just the way the context of

1085

00:40:35,990 --> 00:40:34,480

of what

1086

00:40:36,950 --> 00:40:36,000

you know of the story and how they told

1087

00:40:38,710 --> 00:40:36,960

it

1088

00:40:40,870 --> 00:40:38,720

i would say um

1089

00:40:42,870 --> 00:40:40,880

you know five miles three miles

1090

00:40:45,270 --> 00:40:42,880

all right not not total you know not a

1091

00:40:48,230 --> 00:40:45,280

long long distance away

1092

00:40:51,750 --> 00:40:48,240

so they wind up going back to uh

1093

00:40:53,109 --> 00:40:51,760

to their their home in la mirada

1094

00:40:55,430 --> 00:40:53,119

um

1095

00:40:58,150 --> 00:40:55,440

you know it doesn't end there

1096

00:40:59,510 --> 00:40:58,160

it doesn't end there

1097

00:41:01,109 --> 00:40:59,520

wow

1098

00:41:02,950 --> 00:41:01,119

if we were you know we can you want to

1099

00:41:05,030 --> 00:41:02,960

take a break right now and then we can

1100

00:41:07,349 --> 00:41:05,040

come back and continue on i can

1101

00:41:09,990 --> 00:41:07,359

certainly do that but i before we do i

1102

00:41:10,630 --> 00:41:10,000

do have some questions uh that came up

1103

00:41:12,470 --> 00:41:10,640

and

1104

00:41:14,069 --> 00:41:12,480

questions uh i always ask people to put

1105

00:41:16,150 --> 00:41:14,079

them in all caps

1106

00:41:17,510 --> 00:41:16,160

and uh thank you for doing that and some

1107

00:41:19,829 --> 00:41:17,520

of the people here that did that i just

1108

00:41:22,150 --> 00:41:19,839

want to bring up there was

1109

00:41:25,510 --> 00:41:22,160

this one right here has ron ever

1110

00:41:26,630 --> 00:41:25,520

cooperated in the details

1111

00:41:27,349 --> 00:41:26,640

i mean well

1112

00:41:29,190 --> 00:41:27,359

yeah

1113

00:41:30,309 --> 00:41:29,200

this uh this is sort of the second part

1114

00:41:31,990 --> 00:41:30,319

of the story

1115

00:41:34,390 --> 00:41:32,000

is what happens after this and what

1116

00:41:37,430 --> 00:41:34,400

happens after this is a very thorough

1117

00:41:39,510 --> 00:41:37,440

investigation of all the details oh okay

1118

00:41:41,589 --> 00:41:39,520

all right so just going to ask another

1119

00:41:44,710 --> 00:41:41,599

there's a couple more questions

1120

00:41:45,910 --> 00:41:44,720

uh about the orbs yeah do you know

1121

00:41:48,550 --> 00:41:45,920

anything about the colors or the

1122

00:41:50,950 --> 00:41:48,560

properties of the orbs and are you uh

1123

00:41:53,349 --> 00:41:50,960

assuming that these little dwarf-like

1124

00:41:54,790 --> 00:41:53,359

gremlin type things came out of the orbs

1125

00:41:58,470 --> 00:41:54,800

yes

1126
00:42:02,069 --> 00:41:58,480
and you could almost think of them as as

1127
00:42:03,990 --> 00:42:02,079
parachuting down in these orbs

1128
00:42:06,470 --> 00:42:04,000
and i wonder what their purpose was and

1129
00:42:09,030 --> 00:42:06,480
all this and any any description of the

1130
00:42:09,829 --> 00:42:09,040
orbs the colors or properties yeah the

1131
00:42:11,190 --> 00:42:09,839
um

1132
00:42:13,829 --> 00:42:11,200
they were white

1133
00:42:15,510 --> 00:42:13,839
and um the uh the searcher

1134
00:42:16,950 --> 00:42:15,520
the the thing that was combing the

1135
00:42:18,550 --> 00:42:16,960
triangular

1136
00:42:23,190 --> 00:42:18,560
device or

1137
00:42:25,910 --> 00:42:23,200
um

1138
00:42:28,230 --> 00:42:25,920

i i don't know another word for it

1139

00:42:31,829 --> 00:42:28,240

it was uh it was multicolored so it was

1140

00:42:33,910 --> 00:42:31,839

blue red white and it flashed different

1141

00:42:37,190 --> 00:42:33,920

colors as it was prowling around and

1142

00:42:39,190 --> 00:42:37,200

scanning the desert basin

1143

00:42:42,790 --> 00:42:39,200

wow wow amazing

1144

00:42:46,309 --> 00:42:44,550

so this is kind of a long one here i was

1145

00:42:48,309 --> 00:42:46,319

trying to read it while you were talking

1146

00:42:50,710 --> 00:42:48,319

vast majority of the abduction phenomena

1147

00:42:55,270 --> 00:42:50,720

seems to be either scientific

1148

00:42:57,109 --> 00:42:55,280

study and or biological operations

1149

00:42:58,710 --> 00:42:57,119

does ron have

1150

00:42:59,829 --> 00:42:58,720

a comment on that

1151

00:43:02,230 --> 00:42:59,839

and

1152

00:43:05,349 --> 00:43:02,240

please elaborate beyond the basics

1153

00:43:06,710 --> 00:43:05,359

sure you know uh under hypnosis and i

1154

00:43:09,270 --> 00:43:06,720

guess we'll get to this in the second

1155

00:43:12,390 --> 00:43:09,280

half but under hypnosis they have

1156

00:43:14,790 --> 00:43:12,400

incredibly detailed explanations even to

1157

00:43:18,390 --> 00:43:14,800

the point where dawn has

1158

00:43:20,470 --> 00:43:18,400

uh when she's hypnotized in retrogress

1159

00:43:24,470 --> 00:43:20,480

starts talking in a almost a different

1160

00:43:26,390 --> 00:43:24,480

voice as robotic cadence staccato voice

1161

00:43:27,829 --> 00:43:26,400

as if it were being channeled and

1162

00:43:29,349 --> 00:43:27,839

explains uh

1163

00:43:31,670 --> 00:43:29,359

explained

1164

00:43:33,750 --> 00:43:31,680

what the aliens want

1165

00:43:34,870 --> 00:43:33,760

what uh they're here for

1166

00:43:37,510 --> 00:43:34,880

and um

1167

00:43:39,349 --> 00:43:37,520

where it will lead

1168

00:43:41,030 --> 00:43:39,359

she's very interesting

1169

00:43:43,910 --> 00:43:41,040

um let me see

1170

00:43:45,270 --> 00:43:43,920

here's uh another one here please ask

1171

00:43:47,109 --> 00:43:45,280

you if

1172

00:43:48,870 --> 00:43:47,119

to if there's any further detail on the

1173

00:43:51,109 --> 00:43:48,880

communication between these people and

1174

00:43:53,190 --> 00:43:51,119

them or these beings in them which i

1175

00:43:55,030 --> 00:43:53,200

always think is interesting this

1176

00:43:57,109 --> 00:43:55,040

type of telepathy do you know if the

1177

00:44:00,390 --> 00:43:57,119

telepathy was like

1178

00:44:02,390 --> 00:44:00,400

english words or visions or it wasn't

1179

00:44:04,790 --> 00:44:02,400

visions it was like a voice

1180

00:44:05,990 --> 00:44:04,800

like a voice yeah

1181

00:44:08,710 --> 00:44:06,000

amazing

1182

00:44:09,589 --> 00:44:08,720

and uh another one here and this this is

1183

00:44:11,270 --> 00:44:09,599

uh

1184

00:44:13,109 --> 00:44:11,280

you know the gremlins soda sound

1185

00:44:15,270 --> 00:44:13,119

demonica michael wants to know is this

1186

00:44:17,270 --> 00:44:15,280

possible demonic

1187

00:44:19,030 --> 00:44:17,280

this is um actually

1188

00:44:21,430 --> 00:44:19,040

you know again it will get to this i

1189

00:44:22,710 --> 00:44:21,440

think in the second half but

1190

00:44:25,190 --> 00:44:22,720

they um

1191

00:44:27,750 --> 00:44:25,200

they were pretty dysfunctional

1192

00:44:31,270 --> 00:44:27,760

uh after all of this you know

1193

00:44:33,430 --> 00:44:31,280

and um dysfunctional in that it's almost

1194

00:44:34,950 --> 00:44:33,440

like you hear about astronauts the guys

1195

00:44:36,790 --> 00:44:34,960

that went to the moon

1196

00:44:38,309 --> 00:44:36,800

so you go to the moon

1197

00:44:39,829 --> 00:44:38,319

what's next

1198

00:44:40,710 --> 00:44:39,839

how do you follow that up you say what

1199

00:44:42,069 --> 00:44:40,720

are you doing

1200

00:44:44,390 --> 00:44:42,079

what am i going to do

1201
00:44:45,270 --> 00:44:44,400
that's that's greater than being one of

1202
00:44:47,109 --> 00:44:45,280
the first

1203
00:44:48,790 --> 00:44:47,119
you know men on the moon

1204
00:44:51,030 --> 00:44:48,800
and the answer is

1205
00:44:52,550 --> 00:44:51,040
probably nothing and so

1206
00:44:54,950 --> 00:44:52,560
the way uh

1207
00:44:57,349 --> 00:44:54,960
steve in particular felt he had no

1208
00:44:59,589 --> 00:44:57,359
desire to work

1209
00:45:02,870 --> 00:44:59,599
everything became meaningless to him

1210
00:45:04,790 --> 00:45:02,880
everything became trite and and of no

1211
00:45:05,910 --> 00:45:04,800
because

1212
00:45:09,750 --> 00:45:05,920
he

1213
00:45:12,710 --> 00:45:09,760

believe

1214

00:45:15,030 --> 00:45:12,720

that what they saw was another world

1215

00:45:17,270 --> 00:45:15,040

another existence

1216

00:45:20,069 --> 00:45:17,280

bigger than our own

1217

00:45:22,550 --> 00:45:20,079

integrally involved with our own and he

1218

00:45:23,349 --> 00:45:22,560

knows it and no one else does

1219

00:45:25,430 --> 00:45:23,359

yeah

1220

00:45:27,670 --> 00:45:25,440

well you know i totally get

1221

00:45:29,349 --> 00:45:27,680

how that would just make you fall apart

1222

00:45:31,270 --> 00:45:29,359

something like that i totally would i

1223

00:45:33,589 --> 00:45:31,280

would be that person for sure me too i'm

1224

00:45:35,990 --> 00:45:33,599

afraid i think yeah do you get excited

1225

00:45:38,390 --> 00:45:36,000

about them you want to go build them all

1226
00:45:40,630 --> 00:45:38,400
you know it all seems so senseless and

1227
00:45:41,910 --> 00:45:40,640
so pointless right probably about

1228
00:45:43,750 --> 00:45:41,920
eternity

1229
00:45:45,430 --> 00:45:43,760
right right well thank you all right

1230
00:45:46,950 --> 00:45:45,440
we're gonna go into our break uh thank

1231
00:45:49,030 --> 00:45:46,960
you ron we'll be right back in about two

1232
00:45:50,790 --> 00:45:49,040
and a half minutes this is a clip from

1233
00:45:53,589 --> 00:45:50,800
the national archives and it's about the

1234
00:45:55,750 --> 00:45:53,599
gulf breeze incident i just thought it

1235
00:46:07,230 --> 00:45:55,760
was kind of interesting and uh these are

1236
00:46:29,030 --> 00:46:17,250
[Music]

1237
00:46:31,510 --> 00:46:29,040
this is no ordinary sighting of an

1238
00:46:33,589 --> 00:46:31,520

unidentified flying object these

1239

00:46:35,510 --> 00:46:33,599

pictures taken over a six-month period

1240

00:46:37,670 --> 00:46:35,520

in gulf breeze florida are the most

1241

00:46:40,150 --> 00:46:37,680

spectacular evidence of ufos ever

1242

00:46:42,309 --> 00:46:40,160

gathered while some say the photos are

1243

00:46:44,150 --> 00:46:42,319

fakes that would not explain the fact

1244

00:46:46,069 --> 00:46:44,160

that more than 20 people have reported

1245

00:46:47,030 --> 00:46:46,079

seeing these objects on the very same

1246

00:46:49,430 --> 00:46:47,040

nights

1247

00:46:50,710 --> 00:46:49,440

charles somerby describes what he saw in

1248

00:46:52,069 --> 00:46:50,720

the skies

1249

00:46:53,829 --> 00:46:52,079

no sound

1250

00:46:54,870 --> 00:46:53,839

there was no veering it was a straight

1251
00:46:56,390 --> 00:46:54,880
course

1252
00:47:00,630 --> 00:46:56,400
and

1253
00:47:02,710 --> 00:47:00,640
so i've never seen anything like that

1254
00:47:04,550 --> 00:47:02,720
there were portholes we saw portals of

1255
00:47:06,470 --> 00:47:04,560
light coming out of the portholes the

1256
00:47:09,030 --> 00:47:06,480
man who took these pictures insists on

1257
00:47:11,670 --> 00:47:09,040
remaining anonymous so we'll call him

1258
00:47:13,190 --> 00:47:11,680
jim we had a narrator read a transcript

1259
00:47:15,270 --> 00:47:13,200
of our interview

1260
00:47:18,230 --> 00:47:15,280
jim says his most threatening encounter

1261
00:47:20,390 --> 00:47:18,240
with the ufos occurred on this road he

1262
00:47:22,549 --> 00:47:20,400
says an object swooped over his car and

1263
00:47:24,150 --> 00:47:22,559

sent out a beam of light and it came

1264

00:47:26,069 --> 00:47:24,160

through the windshield hit my exposed

1265

00:47:28,710 --> 00:47:26,079

arms and turned my skin to

1266

00:47:30,150 --> 00:47:28,720

like it was asleep but even worse

1267

00:47:30,950 --> 00:47:30,160

and then you don't have any feeling at

1268

00:47:33,589 --> 00:47:30,960

all

1269

00:47:36,069 --> 00:47:33,599

i proceeded to panic forced off the road

1270

00:47:38,630 --> 00:47:36,079

jim fumbled with the camera managing to

1271

00:47:41,190 --> 00:47:38,640

snap this one dramatic picture

1272

00:47:43,190 --> 00:47:41,200

a noted optical physicist calculated the

1273

00:47:44,309 --> 00:47:43,200

object was hovering about three feet off

1274

00:47:46,470 --> 00:47:44,319

the ground

1275

00:47:49,349 --> 00:47:46,480

photography experts say such a picture

1276

00:47:51,109 --> 00:47:49,359

would be virtually impossible to fake

1277

00:47:53,109 --> 00:47:51,119

shooting out of the windshield of the

1278

00:47:57,270 --> 00:47:53,119

car

1279

00:47:59,670 --> 00:47:57,280

and being able to reproduce this object

1280

00:48:01,430 --> 00:47:59,680

down the road reflecting on the surface

1281

00:48:03,109 --> 00:48:01,440

of the road i feel would be very

1282

00:48:05,670 --> 00:48:03,119

difficult to do

1283

00:48:07,829 --> 00:48:05,680

but not everyone buys that argument the

1284

00:48:10,950 --> 00:48:07,839

mayor of gulf breeze is convinced the

1285

00:48:13,430 --> 00:48:10,960

ufo reports are an elaborate hoax that

1286

00:48:16,069 --> 00:48:13,440

are damaging to the image of his city i

1287

00:48:18,230 --> 00:48:16,079

want to go on record as the mayor

1288

00:48:26,470 --> 00:48:18,240

and express to all the population

1289

00:48:31,910 --> 00:48:29,829

well that's it for that break and uh i

1290

00:48:34,870 --> 00:48:31,920

see our guest is that's getting up and

1291

00:48:37,190 --> 00:48:34,880

left uh he should be back in a minute

1292

00:48:39,910 --> 00:48:37,200

and uh so thank you all for for uh

1293

00:48:42,950 --> 00:48:39,920

listening to the show interesting story

1294

00:48:45,670 --> 00:48:42,960

um the second part of the show we're

1295

00:48:47,190 --> 00:48:45,680

gonna be continuing on what happened and

1296

00:48:48,950 --> 00:48:47,200

then we're gonna be taking calls we can

1297

00:48:51,829 --> 00:48:48,960

take calls probably a little bit earlier

1298

00:48:53,030 --> 00:48:51,839

than the typical time which is

1299

00:48:55,829 --> 00:48:53,040

um

1300

00:48:58,230 --> 00:48:55,839

the last half hour of the show and that

1301

00:49:00,150 --> 00:48:58,240

number will be eight five five four

1302

00:49:03,109 --> 00:49:00,160

seven two five four eight three bill

1303

00:49:06,150 --> 00:49:03,119

will be standing by to take a call

1304

00:49:09,190 --> 00:49:06,160

i'm not sure where i guess uh

1305

00:49:10,150 --> 00:49:09,200

our guest went but uh hopefully he will

1306

00:49:12,790 --> 00:49:10,160

be back

1307

00:49:15,030 --> 00:49:12,800

i can see that he's he's gone right now

1308

00:49:16,790 --> 00:49:15,040

so a couple of things in june the first

1309

00:49:18,470 --> 00:49:16,800

part of june this year last year i was

1310

00:49:19,510 --> 00:49:18,480

at the pine bush

1311

00:49:21,190 --> 00:49:19,520

ufo

1312

00:49:23,270 --> 00:49:21,200

uh conference that's going to be the

1313

00:49:25,510 --> 00:49:23,280

first part of june this year i'm looking

1314

00:49:27,589 --> 00:49:25,520

forward to that and i'm going to try to

1315

00:49:29,109 --> 00:49:27,599

do i don't know the timing is off but i

1316

00:49:30,630 --> 00:49:29,119

might do some

1317

00:49:31,910 --> 00:49:30,640

pre-recording

1318

00:49:33,670 --> 00:49:31,920

with some

1319

00:49:35,910 --> 00:49:33,680

guests that are going to be their

1320

00:49:38,309 --> 00:49:35,920

speakers that are going to be there

1321

00:49:40,710 --> 00:49:38,319

and let's see coming up

1322

00:49:44,069 --> 00:49:40,720

um we have next week we have

1323

00:49:45,589 --> 00:49:44,079

chris lambreit he'll be coming up and

1324

00:49:47,190 --> 00:49:45,599

for those of you who

1325

00:49:48,150 --> 00:49:47,200

watch this youtube

1326

00:49:51,030 --> 00:49:48,160

channel

1327

00:49:52,390 --> 00:49:51,040

we had an albert wayne he was on he told

1328

00:49:54,630 --> 00:49:52,400

an incredible

1329

00:49:56,870 --> 00:49:54,640

ufo encounter story

1330

00:49:58,630 --> 00:49:56,880

and i decided to have him on because he

1331

00:50:00,630 --> 00:49:58,640

had some things happen in his family as

1332

00:50:03,109 --> 00:50:00,640

well he's going to be on for a whole

1333

00:50:04,870 --> 00:50:03,119

hour uh kevin randle the first hour this

1334

00:50:07,270 --> 00:50:04,880

is coming up i think the first march

1335

00:50:09,829 --> 00:50:07,280

first or first part of march

1336

00:50:12,790 --> 00:50:09,839

uh kevin randle will be on for the first

1337

00:50:14,549 --> 00:50:12,800

hour and albert wayne will be on he's

1338

00:50:17,510 --> 00:50:14,559

going to elaborate more on to that

1339

00:50:19,430 --> 00:50:17,520

incredible ufo encounter that he had and

1340

00:50:22,230 --> 00:50:19,440

for those of you who watch my channel

1341

00:50:25,589 --> 00:50:22,240

you'll know this when i say this it was

1342

00:50:27,589 --> 00:50:25,599

when everyone that pulled over on i-95

1343

00:50:30,150 --> 00:50:27,599

got off uh they pulled over to watch

1344

00:50:32,710 --> 00:50:30,160

this ufo they ended up getting off in

1345

00:50:34,870 --> 00:50:32,720

the first exit that came up and they all

1346

00:50:37,750 --> 00:50:34,880

pulled in to the howard johnsons

1347

00:50:40,630 --> 00:50:37,760

and most of them got ice cream

1348

00:50:43,190 --> 00:50:40,640

uh that is quite a story anyway uh so

1349

00:50:45,030 --> 00:50:43,200

bringing back our guest tonight hey ron

1350

00:50:47,430 --> 00:50:45,040

uh thanks for coming back so

1351

00:50:48,230 --> 00:50:47,440

my pleasure the yes so

1352

00:50:52,309 --> 00:50:48,240

now

1353

00:50:55,109 --> 00:50:52,319

okay we left off where they are

1354

00:50:56,390 --> 00:50:55,119

they're going home and it sounds like

1355

00:50:58,470 --> 00:50:56,400

something else

1356

00:50:59,430 --> 00:50:58,480

is going to happen

1357

00:51:01,430 --> 00:50:59,440

yeah

1358

00:51:03,670 --> 00:51:01,440

you know um

1359

00:51:05,430 --> 00:51:03,680

i i guess you you hit on it when you

1360

00:51:07,430 --> 00:51:05,440

said you know what were they feeling you

1361

00:51:08,549 --> 00:51:07,440

know so what is their mental state after

1362

00:51:10,549 --> 00:51:08,559

this

1363

00:51:12,790 --> 00:51:10,559

yeah and um

1364

00:51:15,030 --> 00:51:12,800

you know disoriented again is it doesn't

1365

00:51:16,470 --> 00:51:15,040

cover the base you know terrified

1366

00:51:18,390 --> 00:51:16,480

confused

1367

00:51:20,710 --> 00:51:18,400

um

1368

00:51:22,790 --> 00:51:20,720

exalted in a way like why us

1369

00:51:25,349 --> 00:51:22,800

what what is going on and we scenes are

1370

00:51:27,750 --> 00:51:25,359

we special what what is what is going on

1371

00:51:29,750 --> 00:51:27,760

here but you have to realize that even

1372

00:51:32,150 --> 00:51:29,760

from the very beginning this is not

1373

00:51:34,230 --> 00:51:32,160

something they wanted to talk about

1374

00:51:36,230 --> 00:51:34,240

and so reluctantly

1375

00:51:39,109 --> 00:51:36,240

when when the their parents the

1376
00:51:40,390 --> 00:51:39,119
grandparents uh steve's parents seize

1377
00:51:41,910 --> 00:51:40,400
them

1378
00:51:43,510 --> 00:51:41,920
and they come back

1379
00:51:45,190 --> 00:51:43,520
she's really concerned about her

1380
00:51:46,790 --> 00:51:45,200
children

1381
00:51:47,589 --> 00:51:46,800
and he is uh

1382
00:51:49,670 --> 00:51:47,599
you know

1383
00:51:51,990 --> 00:51:49,680
they're like different people

1384
00:51:53,510 --> 00:51:52,000
so the parents know that something has

1385
00:51:56,069 --> 00:51:53,520
happened

1386
00:51:58,790 --> 00:51:56,079
and very reluctantly

1387
00:52:00,549 --> 00:51:58,800
they they tell the story

1388
00:52:01,510 --> 00:52:00,559

and this by the way is a couple days

1389

00:52:03,510 --> 00:52:01,520

later

1390

00:52:05,349 --> 00:52:03,520

that they work up the nerve they discuss

1391

00:52:06,630 --> 00:52:05,359

it you know should we should we tell

1392

00:52:09,589 --> 00:52:06,640

them

1393

00:52:12,309 --> 00:52:09,599

and they do and they're i think uh

1394

00:52:13,589 --> 00:52:12,319

gravely disappointed

1395

00:52:18,390 --> 00:52:13,599

because

1396

00:52:21,589 --> 00:52:19,589

the thing is

1397

00:52:23,750 --> 00:52:21,599

is the kind of thing that you hear

1398

00:52:25,190 --> 00:52:23,760

like i'm sure that you think this

1399

00:52:25,990 --> 00:52:25,200

happened

1400

00:52:29,349 --> 00:52:26,000

yeah

1401

00:52:32,390 --> 00:52:29,359

i think you're a liar

1402

00:52:34,069 --> 00:52:32,400

right right or it's about the same yeah

1403

00:52:36,069 --> 00:52:34,079

because it's such a passive aggressive

1404

00:52:37,910 --> 00:52:36,079

sort of thing i'm sure you think that

1405

00:52:39,030 --> 00:52:37,920

this that this happened

1406

00:52:41,430 --> 00:52:39,040

and so

1407

00:52:43,109 --> 00:52:41,440

uh they're very reluctant to tell anyone

1408

00:52:44,150 --> 00:52:43,119

and that's really when i came onto the

1409

00:52:45,589 --> 00:52:44,160

scene

1410

00:52:47,990 --> 00:52:45,599

maybe

1411

00:52:50,630 --> 00:52:48,000

six months after this happened to them

1412

00:52:52,870 --> 00:52:50,640

they um and again i don't i don't like

1413

00:52:54,549 --> 00:52:52,880

to get into to too many details about

1414

00:52:58,069 --> 00:52:54,559

their personal life but

1415

00:53:00,549 --> 00:52:58,079

uh they can't eat they can't sleep

1416

00:53:02,710 --> 00:53:00,559

sexually dysfunctional they're just just

1417

00:53:04,790 --> 00:53:02,720

not you know nothing

1418

00:53:07,109 --> 00:53:04,800

seems to be the same

1419

00:53:09,670 --> 00:53:07,119

they're terribly paranoid about their

1420

00:53:10,710 --> 00:53:09,680

children uh they're afraid that somehow

1421

00:53:11,750 --> 00:53:10,720

uh

1422

00:53:14,630 --> 00:53:11,760

dawn

1423

00:53:16,870 --> 00:53:14,640

who while she was in the camper one of

1424

00:53:18,309 --> 00:53:16,880

the illuminated beings

1425

00:53:20,630 --> 00:53:18,319

flips a finger

1426
00:53:21,829 --> 00:53:20,640
and something like the the uh the

1427
00:53:23,910 --> 00:53:21,839
burning

1428
00:53:29,349 --> 00:53:23,920
part of the cigarette

1429
00:53:31,430 --> 00:53:29,359
comes off of his fingertip its fingertip

1430
00:53:32,470 --> 00:53:31,440
and into her abdomen

1431
00:53:35,190 --> 00:53:32,480
and so

1432
00:53:37,109 --> 00:53:35,200
she's really concerned that somehow

1433
00:53:39,270 --> 00:53:37,119
something's been taken from her maybe an

1434
00:53:41,190 --> 00:53:39,280
ovary or that somehow this thing went

1435
00:53:43,510 --> 00:53:41,200
right through the window or something

1436
00:53:44,790 --> 00:53:43,520
exactly exactly and that she's been

1437
00:53:46,790 --> 00:53:44,800
impregnated

1438
00:53:48,549 --> 00:53:46,800

she's very concerned about that because

1439

00:53:50,309 --> 00:53:48,559

that's something that that

1440

00:53:51,829 --> 00:53:50,319

she does remember

1441

00:53:52,950 --> 00:53:51,839

um

1442

00:53:55,510 --> 00:53:52,960

so

1443

00:53:57,589 --> 00:53:55,520

when they get home for example uh they

1444

00:53:59,990 --> 00:53:57,599

have terrible nightmares and this of

1445

00:54:03,190 --> 00:54:00,000

course it just uh

1446

00:54:05,349 --> 00:54:03,200

causes them to to to have insomnia to be

1447

00:54:07,990 --> 00:54:05,359

paranoid every creak in the house every

1448

00:54:08,950 --> 00:54:08,000

loud noise their their uh

1449

00:54:10,950 --> 00:54:08,960

it

1450

00:54:11,910 --> 00:54:10,960

the psychiatrist who saw them there were

1451
00:54:16,549 --> 00:54:11,920
two

1452
00:54:22,470 --> 00:54:18,069
and so

1453
00:54:23,589 --> 00:54:22,480
in the middle of the night

1454
00:54:26,470 --> 00:54:23,599
uh they hear

1455
00:54:28,069 --> 00:54:26,480
their their uh oldest child who was four

1456
00:54:29,589 --> 00:54:28,079
and a half at the time

1457
00:54:33,829 --> 00:54:29,599
screaming

1458
00:54:35,510 --> 00:54:33,839
they rush into his room and he's

1459
00:54:36,789 --> 00:54:35,520
spinning like a top

1460
00:54:38,390 --> 00:54:36,799
oh geez

1461
00:54:40,390 --> 00:54:38,400
the mother

1462
00:54:42,789 --> 00:54:40,400
scoops him up in her arms

1463
00:54:44,549 --> 00:54:42,799

and embraces him and he's you know he's

1464

00:54:46,390 --> 00:54:44,559

hysterical

1465

00:54:47,589 --> 00:54:46,400

and uh

1466

00:54:49,349 --> 00:54:47,599

and says

1467

00:54:51,109 --> 00:54:49,359

you know there are monsters they're

1468

00:54:53,670 --> 00:54:51,119

monsters in my room

1469

00:54:55,430 --> 00:54:53,680

and so of course the steve says you know

1470

00:54:57,430 --> 00:54:55,440

there is no such thing as monsters there

1471

00:54:59,190 --> 00:54:57,440

are no monsters he goes oh there are

1472

00:55:01,190 --> 00:54:59,200

there are they're little

1473

00:55:02,470 --> 00:55:01,200

and they're they're mean and they have

1474

00:55:03,990 --> 00:55:02,480

red eyes

1475

00:55:05,270 --> 00:55:04,000

oh god

1476

00:55:08,950 --> 00:55:05,280

so

1477

00:55:10,950 --> 00:55:08,960

you hear this all the time called the

1478

00:55:12,630 --> 00:55:10,960

hitchhiker effect have you ever heard

1479

00:55:16,230 --> 00:55:12,640

that no term

1480

00:55:18,390 --> 00:55:16,240

like something will follow follow you

1481

00:55:19,190 --> 00:55:18,400

and that's what it sounds like happened

1482

00:55:24,069 --> 00:55:19,200

here

1483

00:55:25,990 --> 00:55:24,079

read it if you don't mind can i do that

1484

00:55:27,910 --> 00:55:26,000

yeah as long as it's not real long yeah

1485

00:55:29,030 --> 00:55:27,920

no it's not long at all yeah it's not

1486

00:55:31,990 --> 00:55:29,040

well i just want to give you the

1487

00:55:34,470 --> 00:55:32,000

description of uh it's not long haul

1488

00:55:36,150 --> 00:55:34,480

the description

1489

00:55:38,069 --> 00:55:36,160

of of what

1490

00:55:42,150 --> 00:55:38,079

they look like

1491

00:55:43,990 --> 00:55:42,160

so it's a june 12th 1990 305 a.m it was

1492

00:55:45,990 --> 00:55:44,000

four weeks later in the dead of early

1493

00:55:48,789 --> 00:55:46,000

morning that the dreams recurred with an

1494

00:55:50,069 --> 00:55:48,799

intensity unlike any of the others

1495

00:55:52,069 --> 00:55:50,079

in his

1496

00:55:53,510 --> 00:55:52,079

steve saw himself back in the camper

1497

00:55:55,430 --> 00:55:53,520

trapped and screaming while the

1498

00:55:58,069 --> 00:55:55,440

illuminated creatures encircled him he

1499

00:56:00,549 --> 00:55:58,079

was screaming but there was no sound

1500

00:56:02,470 --> 00:56:00,559

then he saw a flashing image it was of a

1501
00:56:04,549 --> 00:56:02,480
long narrow tunnel with lights running

1502
00:56:06,789 --> 00:56:04,559
along the sides but then it was gone

1503
00:56:09,030 --> 00:56:06,799
again then he saw a being who was all

1504
00:56:11,349 --> 00:56:09,040
white the color of the tunnel light

1505
00:56:13,589 --> 00:56:11,359
again he saw a flashing image and it was

1506
00:56:15,750 --> 00:56:13,599
of several beings like that they were

1507
00:56:17,670 --> 00:56:15,760
trying to restrain him then the vision

1508
00:56:19,030 --> 00:56:17,680
was gone and only the first figure

1509
00:56:21,990 --> 00:56:19,040
remained

1510
00:56:25,109 --> 00:56:22,000
the being is four feet tall he wears a

1511
00:56:27,910 --> 00:56:25,119
white luminous uniform with an upturned

1512
00:56:31,430 --> 00:56:27,920
arrow on the chest he has no facial

1513
00:56:33,750 --> 00:56:31,440

features no mouth or lips only slit he

1514

00:56:36,150 --> 00:56:33,760

passes directly through the wall he

1515

00:56:38,870 --> 00:56:36,160

stands behind the headboard of the bed

1516

00:56:41,589 --> 00:56:38,880

he stays there passes his three long

1517

00:56:43,349 --> 00:56:41,599

fingers over dawn's face

1518

00:56:45,829 --> 00:56:43,359

over and over

1519

00:56:48,470 --> 00:56:45,839

steve can only see the hand

1520

00:56:50,630 --> 00:56:48,480

he opens his eyes and directly above him

1521

00:56:53,750 --> 00:56:50,640

is the face of the white being

1522

00:56:57,109 --> 00:56:53,760

you're dreaming he hears the voice say

1523

00:56:59,270 --> 00:56:57,119

then he looks to elite to uh dawn's face

1524

00:57:02,230 --> 00:56:59,280

and sees the burn marks its fingers have

1525

00:57:05,270 --> 00:57:02,240

left hey wait a minute tom says aloud

1526

00:57:07,910 --> 00:57:05,280

this is no dream he turned to see elyse

1527

00:57:10,789 --> 00:57:07,920

and gaffe he was awake he knew he was

1528

00:57:14,150 --> 00:57:10,799

awake and elite at least dawn had burn

1529

00:57:16,789 --> 00:57:14,160

marks all over her face dawn's eyes open

1530

00:57:18,950 --> 00:57:16,799

the expression on his face scared her

1531

00:57:21,030 --> 00:57:18,960

what what is it go to the mirror he

1532

00:57:23,510 --> 00:57:21,040

urged her go to the mirror

1533

00:57:25,829 --> 00:57:23,520

dawn walked to the wall mirror above the

1534

00:57:27,109 --> 00:57:25,839

chiffon ear my god what is this she

1535

00:57:29,829 --> 00:57:27,119

screamed

1536

00:57:33,190 --> 00:57:29,839

steve steve what have they done they

1537

00:57:36,069 --> 00:57:35,109

so this is the kind of thing

1538

00:57:38,470 --> 00:57:36,079

this is the

1539

00:57:40,549 --> 00:57:38,480

malevolent is is a good word like she

1540

00:57:41,589 --> 00:57:40,559

used yes yeah

1541

00:57:44,390 --> 00:57:41,599

yeah

1542

00:57:45,750 --> 00:57:44,400

so it it so somebody had asked is this

1543

00:57:48,870 --> 00:57:45,760

um

1544

00:57:51,109 --> 00:57:48,880

diabolical but you know

1545

00:57:52,789 --> 00:57:51,119

it's so it's it's it's one of these

1546

00:57:54,710 --> 00:57:52,799

things where

1547

00:57:56,789 --> 00:57:54,720

what do you want to call it

1548

00:57:59,750 --> 00:57:56,799

i mean on the one hand you get these

1549

00:58:05,030 --> 00:58:02,069

dwarf-like beings that are yeah

1550

00:58:07,510 --> 00:58:05,040

malevolent demonic let's say you get the

1551

00:58:09,589 --> 00:58:07,520

others that are are sort of scientists

1552

00:58:11,430 --> 00:58:09,599

and seem to be experimenting but then

1553

00:58:13,829 --> 00:58:11,440

above it all you get this

1554

00:58:16,390 --> 00:58:13,839

clearly angelic presence

1555

00:58:17,510 --> 00:58:16,400

that that comes you know comes down

1556

00:58:20,870 --> 00:58:17,520

upon them

1557

00:58:24,069 --> 00:58:20,880

and and it has this incredibly calming

1558

00:58:27,030 --> 00:58:24,079

effect and that's why they call her

1559

00:58:29,349 --> 00:58:27,040

clearly a feminine uh present

1560

00:58:30,870 --> 00:58:29,359

call her their comforter

1561

00:58:31,910 --> 00:58:30,880

so

1562

00:58:34,150 --> 00:58:31,920

uh

1563

00:58:36,230 --> 00:58:34,160

you could easily see if you wanted to

1564

00:58:37,430 --> 00:58:36,240

look at this from sort of a biblical

1565

00:58:39,589 --> 00:58:37,440

sense

1566

00:58:43,430 --> 00:58:39,599

you could see it taking on a religious

1567

00:58:46,309 --> 00:58:43,440

context you know a higher level of good

1568

00:58:48,870 --> 00:58:46,319

being a lower level of uh

1569

00:58:50,870 --> 00:58:48,880

of diabolical being

1570

00:58:53,510 --> 00:58:50,880

on the other hand on the other hand

1571

00:58:56,390 --> 00:58:53,520

maybe this is just the way it is maybe

1572

00:58:58,150 --> 00:58:56,400

maybe there is a kind of hierarchy of of

1573

00:59:00,390 --> 00:58:58,160

beings maybe

1574

00:59:02,549 --> 00:59:00,400

maybe there's more than one

1575

00:59:05,589 --> 00:59:02,559

visitor maybe there's different kinds of

1576

00:59:07,910 --> 00:59:05,599

aliens and maybe they they do

1577

00:59:11,670 --> 00:59:07,920

combat each other in some way or control

1578

00:59:14,230 --> 00:59:11,680

each other in a kind of hierarchy

1579

00:59:16,710 --> 00:59:14,240

the story is the story

1580

00:59:19,750 --> 00:59:16,720

and and i think you have to interpret it

1581

00:59:20,870 --> 00:59:19,760

on your own yeah i don't know while you

1582

00:59:23,990 --> 00:59:20,880

were

1583

00:59:25,109 --> 00:59:24,000

them

1584

00:59:28,710 --> 00:59:25,119

was

1585

00:59:30,710 --> 00:59:28,720

talk about

1586

00:59:33,030 --> 00:59:30,720

and and how did you did you feel

1587

00:59:34,150 --> 00:59:33,040

comfortable with everything they told

1588

00:59:35,109 --> 00:59:34,160

you

1589

00:59:36,870 --> 00:59:35,119

yeah

1590

00:59:38,549 --> 00:59:36,880

so this is uh this is

1591

00:59:41,430 --> 00:59:38,559

what happened

1592

00:59:43,910 --> 00:59:41,440

i uh i decided to invest

1593

00:59:44,829 --> 00:59:43,920

a lot of my own personal money

1594

00:59:48,150 --> 00:59:44,839

in this

1595

00:59:49,750 --> 00:59:48,160

research so i um

1596

00:59:52,470 --> 00:59:49,760

i

1597

00:59:53,349 --> 00:59:52,480

had them uh go to a take a polygraph

1598

00:59:54,870 --> 00:59:53,359

test

1599

00:59:56,870 --> 00:59:54,880

with a

1600

00:59:58,470 --> 00:59:56,880

person that did for police and the fbi

1601
00:59:59,750 --> 00:59:58,480
did polygraphs

1602
01:00:02,309 --> 00:59:59,760
um

1603
01:00:03,990 --> 01:00:02,319
dawn was pregnant at the time

1604
01:00:06,150 --> 01:00:04,000
so she didn't take it because pregnant

1605
01:00:08,710 --> 01:00:06,160
women because of the electrical uh

1606
01:00:10,390 --> 01:00:08,720
impulses that are not uh not supposed to

1607
01:00:12,309 --> 01:00:10,400
take a polygraph this but

1608
01:00:13,510 --> 01:00:12,319
but uh steve did

1609
01:00:15,349 --> 01:00:13,520
and um

1610
01:00:17,430 --> 01:00:15,359
and he passed it

1611
01:00:18,549 --> 01:00:17,440
so once i had sort of the green light on

1612
01:00:21,430 --> 01:00:18,559
that

1613
01:00:24,230 --> 01:00:21,440

i took them to uh a friend i roomed in

1614

01:00:26,390 --> 01:00:24,240

college at georgetown with um a fellow

1615

01:00:28,549 --> 01:00:26,400

that became a surgeon

1616

01:00:31,190 --> 01:00:28,559

so i hadn't talked to him in years

1617

01:00:33,030 --> 01:00:31,200

but i called him and i said uh you know

1618

01:00:35,510 --> 01:00:33,040

this is the story

1619

01:00:39,430 --> 01:00:35,520

and i need the best uh

1620

01:00:43,829 --> 01:00:41,670

that you know of or that you could find

1621

01:00:47,190 --> 01:00:43,839

out about and i needed an introduction

1622

01:00:49,030 --> 01:00:47,200

to them and that was uh dr bernie vatone

1623

01:00:52,309 --> 01:00:49,040

dr bernard raton

1624

01:00:53,430 --> 01:00:52,319

um and he uh actually is a small quote

1625

01:00:54,870 --> 01:00:53,440

from him

1626
01:00:55,990 --> 01:00:54,880
but he is uh

1627
01:00:57,910 --> 01:00:56,000
the uh

1628
01:01:01,430 --> 01:00:57,920
the director of the national center for

1629
01:01:04,870 --> 01:01:01,440
psychiatric disorders in washington dc

1630
01:01:07,670 --> 01:01:04,880
and so he examined them uh tested them

1631
01:01:08,950 --> 01:01:07,680
for days they took tests wow he

1632
01:01:09,750 --> 01:01:08,960
interviewed them

1633
01:01:12,630 --> 01:01:09,760
and

1634
01:01:13,589 --> 01:01:12,640
he said this is what he quoted

1635
01:01:17,030 --> 01:01:13,599
highly

1636
01:01:20,309 --> 01:01:17,040
uh unusual traumatizing events outside

1637
01:01:23,349 --> 01:01:20,319
the realm of normal human experiences

1638
01:01:25,270 --> 01:01:23,359

he compared their condition to that of

1639

01:01:26,950 --> 01:01:25,280

pows

1640

01:01:29,349 --> 01:01:26,960

and um

1641

01:01:31,270 --> 01:01:29,359

and by the way concluded they were not

1642

01:01:33,430 --> 01:01:31,280

prone to fantasy

1643

01:01:35,109 --> 01:01:33,440

they were not neurotic they certainly

1644

01:01:37,190 --> 01:01:35,119

were not psychotic

1645

01:01:38,470 --> 01:01:37,200

um that these were

1646

01:01:40,549 --> 01:01:38,480

normal

1647

01:01:41,349 --> 01:01:40,559

a little bit above intelligent

1648

01:01:42,549 --> 01:01:41,359

uh

1649

01:01:45,270 --> 01:01:42,559

individuals

1650

01:01:47,430 --> 01:01:45,280

who were stable and um

1651
01:01:51,030 --> 01:01:47,440
incredible

1652
01:01:53,270 --> 01:01:51,040
so after that we eliminated a number of

1653
01:01:55,349 --> 01:01:53,280
things one we eliminated

1654
01:01:56,870 --> 01:01:55,359
some psychological condition

1655
01:01:58,789 --> 01:01:56,880
or some

1656
01:02:02,870 --> 01:01:58,799
condition that would make somebody prone

1657
01:02:05,270 --> 01:02:02,880
to to lying or prone to fantasy and and

1658
01:02:08,950 --> 01:02:05,280
they were not those people

1659
01:02:11,910 --> 01:02:08,960
then i took them to uh to asheville

1660
01:02:13,510 --> 01:02:11,920
asheville um north carolina to see dr

1661
01:02:16,950 --> 01:02:13,520
william anixter

1662
01:02:18,630 --> 01:02:16,960
and dr anixter uh worked with the fbi

1663
01:02:20,710 --> 01:02:18,640

on um

1664

01:02:23,190 --> 01:02:20,720

as i said i was i was a former

1665

01:02:25,029 --> 01:02:23,200

uh law enforcement person so i i sort of

1666

01:02:27,270 --> 01:02:25,039

plunged into all that and

1667

01:02:31,029 --> 01:02:27,280

and uh dug out dr

1668

01:02:33,430 --> 01:02:31,039

anixer who agreed to retrogress them

1669

01:02:34,630 --> 01:02:33,440

so we flew them out to north carolina to

1670

01:02:36,710 --> 01:02:34,640

asheville

1671

01:02:39,270 --> 01:02:36,720

and this is what to the mountain

1672

01:02:40,870 --> 01:02:39,280

psychiatric center and this is what dr

1673

01:02:42,950 --> 01:02:40,880

anixer had to say

1674

01:02:45,910 --> 01:02:42,960

this is the most compelling case of its

1675

01:02:48,870 --> 01:02:45,920

kind i have ever encountered

1676
01:02:51,190 --> 01:02:48,880
and during the the uh retrogression to

1677
01:02:57,109 --> 01:02:51,200
answer your question

1678
01:03:02,470 --> 01:02:59,589
they were screaming in terror

1679
01:03:04,549 --> 01:03:02,480
and they relived these experiences

1680
01:03:05,990 --> 01:03:04,559
uh they

1681
01:03:08,309 --> 01:03:06,000
they were

1682
01:03:10,470 --> 01:03:08,319
clearly horrified

1683
01:03:12,630 --> 01:03:10,480
and uh actually in the middle of a lot

1684
01:03:14,950 --> 01:03:12,640
of this i dawn would just say i want to

1685
01:03:16,630 --> 01:03:14,960
go home i want to go home

1686
01:03:17,589 --> 01:03:16,640
you know like a little kid like a little

1687
01:03:19,829 --> 01:03:17,599
kid

1688
01:03:20,789 --> 01:03:19,839

but through that retrogression came out

1689

01:03:23,109 --> 01:03:20,799

um

1690

01:03:24,789 --> 01:03:23,119

some incredible truths about what

1691

01:03:27,109 --> 01:03:24,799

happened to them

1692

01:03:30,789 --> 01:03:27,119

they were taken on the craft

1693

01:03:32,309 --> 01:03:30,799

uh they were experimented on uh i you

1694

01:03:33,109 --> 01:03:32,319

know in the book there's there's a lot

1695

01:03:37,990 --> 01:03:33,119

of

1696

01:03:39,029 --> 01:03:38,000

and um

1697

01:03:41,270 --> 01:03:39,039

and uh

1698

01:03:42,789 --> 01:03:41,280

there were some questions asked

1699

01:03:44,630 --> 01:03:42,799

that that went beyond so they were they

1700

01:03:46,230 --> 01:03:44,640

were experimented on the the kind of

1701
01:03:47,910 --> 01:03:46,240
thing you would you would uh hear about

1702
01:03:50,309 --> 01:03:47,920
abduction cases

1703
01:03:51,510 --> 01:03:50,319
meaning um they were probed

1704
01:03:53,829 --> 01:03:51,520
they were very interested in their

1705
01:03:55,430 --> 01:03:53,839
reproductive systems they were very

1706
01:03:57,190 --> 01:03:55,440
interested as i told you about their

1707
01:04:00,069 --> 01:03:57,200
mental capacity

1708
01:04:02,549 --> 01:04:00,079
now was she pregnant at the time no

1709
01:04:03,510 --> 01:04:02,559
she was not pregnant at that time no

1710
01:04:05,750 --> 01:04:03,520
okay

1711
01:04:08,630 --> 01:04:05,760
so uh

1712
01:04:10,870 --> 01:04:08,640
so one of the questions that um that was

1713
01:04:12,710 --> 01:04:10,880

asked was you know why are they here

1714

01:04:14,549 --> 01:04:12,720

what do they want

1715

01:04:15,670 --> 01:04:14,559

and um

1716

01:04:17,270 --> 01:04:15,680

she said

1717

01:04:19,670 --> 01:04:17,280

and again this wasn't a voice not her

1718

01:04:21,910 --> 01:04:19,680

own this sort of staccato

1719

01:04:23,510 --> 01:04:21,920

voice is this is this uh see up here

1720

01:04:26,549 --> 01:04:23,520

this question someone said there was a

1721

01:04:28,069 --> 01:04:26,559

robotic voice relaying information so

1722

01:04:29,589 --> 01:04:28,079

someone obviously has read your book

1723

01:04:32,789 --> 01:04:29,599

here

1724

01:04:36,150 --> 01:04:32,799

it seems like yeah yeah but um the

1725

01:04:39,270 --> 01:04:36,160

answers were just incredible and um

1726

01:04:41,589 --> 01:04:39,280

may i may i quote from the uh

1727

01:04:43,190 --> 01:04:41,599

go right from the from the transcript

1728

01:04:49,109 --> 01:04:43,200

yeah

1729

01:04:50,950 --> 01:04:49,119

so dawn do you have any idea what these

1730

01:04:53,750 --> 01:04:50,960

beings want or why they're here this is

1731

01:04:55,990 --> 01:04:53,760

the uh the doctor so it was macabre

1732

01:04:58,630 --> 01:04:56,000

watching her spring up in her chair

1733

01:05:00,630 --> 01:04:58,640

suddenly animated and alert her voice

1734

01:05:02,069 --> 01:05:00,640

rather than soft and emotional took on a

1735

01:05:03,829 --> 01:05:02,079

new cadence

1736

01:05:05,270 --> 01:05:03,839

which was clipped and direct quite

1737

01:05:06,829 --> 01:05:05,280

unlike her quote

1738

01:05:09,349 --> 01:05:06,839

they want to make contact with the

1739

01:05:11,829 --> 01:05:09,359

population steve and i are specimens

1740

01:05:13,750 --> 01:05:11,839

imperfect like the human race when we're

1741

01:05:17,510 --> 01:05:13,760

ready to communicate with them face to

1742

01:05:19,750 --> 01:05:17,520

face then possibly the world will be too

1743

01:05:21,349 --> 01:05:19,760

her actions such as edging forward in

1744

01:05:23,190 --> 01:05:21,359

her chair at the moment seemed

1745

01:05:25,510 --> 01:05:23,200

mechanical as did her voice as she

1746

01:05:27,349 --> 01:05:25,520

continued quote they have to study our

1747

01:05:29,990 --> 01:05:27,359

reactions so they know how to approach

1748

01:05:32,390 --> 01:05:30,000

us they don't have emotions like ours so

1749

01:05:40,309 --> 01:05:32,400

they need us to reap to teach them they

1750

01:05:45,109 --> 01:05:43,670

which all makes sense yeah absolutely

1751

01:05:46,230 --> 01:05:45,119

yeah yeah

1752

01:05:48,789 --> 01:05:46,240

uh

1753

01:05:51,029 --> 01:05:48,799

if these beings are in contact with you

1754

01:05:52,390 --> 01:05:51,039

tell me what you know about them this is

1755

01:05:54,789 --> 01:05:52,400

where

1756

01:05:56,470 --> 01:05:54,799

it gets really um

1757

01:05:58,230 --> 01:05:56,480

i guess subjective in terms of

1758

01:05:59,589 --> 01:05:58,240

interpretation but this is what she

1759

01:06:02,390 --> 01:05:59,599

answered

1760

01:06:05,510 --> 01:06:02,400

god created our world in his image but

1761

01:06:08,150 --> 01:06:05,520

not theirs or any of the others are

1762

01:06:10,710 --> 01:06:08,160

there many different kinds of beings yes

1763

01:06:13,029 --> 01:06:10,720

different ones different hybrids when do

1764

01:06:15,670 --> 01:06:13,039

you think this communication will happen

1765

01:06:16,630 --> 01:06:15,680

between the aliens and humans i don't

1766

01:06:20,789 --> 01:06:16,640

know

1767

01:06:23,109 --> 01:06:20,799

in my lifetime how long will you live

1768

01:06:27,270 --> 01:06:23,119

in a normal man's lifetime

1769

01:06:28,069 --> 01:06:27,280

in our children's she said at last

1770

01:06:29,829 --> 01:06:28,079

wow

1771

01:06:32,309 --> 01:06:29,839

stunning don't you think i mean i just

1772

01:06:33,109 --> 01:06:32,319

find the whole thing stunning so when

1773

01:06:37,349 --> 01:06:33,119

they

1774

01:06:39,750 --> 01:06:37,359

that that was videoed

1775

01:06:40,789 --> 01:06:39,760

yes did they video and were you able to

1776

01:06:43,270 --> 01:06:40,799

watch that

1777

01:06:45,670 --> 01:06:43,280

oh yeah sure yeah

1778

01:06:47,589 --> 01:06:45,680

yeah yeah um

1779

01:06:49,029 --> 01:06:47,599

let's just can i i'll read you one last

1780

01:06:51,349 --> 01:06:49,039

thing that i think your listeners would

1781

01:06:53,349 --> 01:06:51,359

be really interested in because

1782

01:06:56,470 --> 01:06:53,359

i don't think that i know of anything

1783

01:06:57,589 --> 01:06:56,480

where the answers are so clear

1784

01:06:59,910 --> 01:06:57,599

you know

1785

01:07:02,069 --> 01:06:59,920

you talked about the universe and the

1786

01:07:05,510 --> 01:07:02,079

and matter earlier you said

1787

01:07:07,190 --> 01:07:05,520

our universe ends where there's begins

1788

01:07:10,870 --> 01:07:07,200

this is what she said

1789

01:07:12,470 --> 01:07:10,880

our universe ends when its matter stops

1790

01:07:16,390 --> 01:07:12,480

matter to us

1791

01:07:18,470 --> 01:07:16,400

and starts mattering to them

1792

01:07:19,430 --> 01:07:18,480

what does that mean she answers i don't

1793

01:07:22,069 --> 01:07:19,440

know

1794

01:07:25,270 --> 01:07:22,079

then she says the missions these aliens

1795

01:07:28,470 --> 01:07:25,280

are on are they friendly or unfriendly

1796

01:07:30,390 --> 01:07:28,480

they're neutral they could care less

1797

01:07:31,990 --> 01:07:30,400

what does the one supreme which she had

1798

01:07:32,950 --> 01:07:32,000

mentioned before

1799

01:07:34,630 --> 01:07:32,960

want

1800

01:07:36,789 --> 01:07:34,640

for all the galaxies to live

1801

01:07:38,870 --> 01:07:36,799

harmoniously together

1802

01:07:40,069 --> 01:07:38,880

do we have a separate god from the one

1803

01:07:40,950 --> 01:07:40,079

supreme

1804

01:07:44,390 --> 01:07:40,960

no

1805

01:07:46,870 --> 01:07:44,400

entity

1806

01:07:49,990 --> 01:07:46,880

is it a being like the others read the

1807

01:07:53,190 --> 01:07:50,950

wow

1808

01:07:55,829 --> 01:07:53,200

i know it to me it's like just really a

1809

01:07:57,990 --> 01:07:55,839

conundrum it's a it's something that

1810

01:07:59,510 --> 01:07:58,000

it's like a gem that you look at from

1811

01:08:01,430 --> 01:07:59,520

different angles

1812

01:08:02,789 --> 01:08:01,440

and and it glistens in different ways

1813

01:08:05,510 --> 01:08:02,799

you know

1814

01:08:07,990 --> 01:08:05,520

right right so are elsie and tom still

1815

01:08:09,589 --> 01:08:08,000

with us that's that's uh someone asking

1816

01:08:11,990 --> 01:08:09,599

right here but i did have some questions

1817

01:08:13,990 --> 01:08:12,000

about them yeah i should mention uh

1818

01:08:16,870 --> 01:08:14,000

originally they didn't want their names

1819

01:08:17,829 --> 01:08:16,880

used and so we uh called it uh elise and

1820

01:08:19,829 --> 01:08:17,839

tom

1821

01:08:21,749 --> 01:08:19,839

but uh their real names and they did you

1822

01:08:24,149 --> 01:08:21,759

know they did come out with this story

1823

01:08:25,669 --> 01:08:24,159

themselves after

1824

01:08:27,829 --> 01:08:25,679

after some time

1825

01:08:28,709 --> 01:08:27,839

and their their name is stephen dawn

1826

01:08:31,110 --> 01:08:28,719

hess

1827

01:08:32,229 --> 01:08:31,120

i was wondering why you mentioned don i

1828

01:08:34,149 --> 01:08:32,239

couldn't understand why you're

1829

01:08:37,189 --> 01:08:34,159

mentioning don instead of elise now i

1830

01:08:39,430 --> 01:08:37,199

understand so uh

1831

01:08:41,829 --> 01:08:39,440

so that was my question are they

1832

01:08:43,269 --> 01:08:41,839

actually talking about this have they

1833

01:08:44,470 --> 01:08:43,279

talked about this

1834

01:08:47,510 --> 01:08:44,480

on

1835

01:08:49,430 --> 01:08:47,520

coast and places like that and talk

1836

01:08:51,269 --> 01:08:49,440

about these incredible stories have they

1837

01:08:53,749 --> 01:08:51,279

done anything like that

1838

01:08:55,189 --> 01:08:53,759

they did um they did an interview with

1839

01:08:57,749 --> 01:08:55,199

jimmy church

1840

01:08:59,749 --> 01:08:57,759

uh where uh they were on and interviewed

1841

01:09:01,030 --> 01:08:59,759

along with me but it was just one and

1842

01:09:04,070 --> 01:09:01,040

that was it

1843

01:09:04,950 --> 01:09:04,080

and and are they

1844

01:09:08,309 --> 01:09:04,960

really

1845

01:09:09,990 --> 01:09:08,319

very uncomfortable in talking about this

1846

01:09:11,269 --> 01:09:10,000

yes or they they

1847

01:09:13,269 --> 01:09:11,279

yeah i mean do they have do they

1848

01:09:16,229 --> 01:09:13,279

basically relive it

1849

01:09:18,390 --> 01:09:16,239

i think i think that um

1850

01:09:20,709 --> 01:09:18,400

you know it's like somebody i'm just

1851

01:09:23,510 --> 01:09:20,719

reading a book about world war one

1852

01:09:25,189 --> 01:09:23,520

now all quiet on the western front

1853

01:09:28,229 --> 01:09:25,199

and you know when these fellows came

1854

01:09:30,149 --> 01:09:28,239

back from these terrible experiences

1855

01:09:31,749 --> 01:09:30,159

they didn't want to talk about it yeah

1856

01:09:33,510 --> 01:09:31,759

and i would say it's very similar i

1857

01:09:35,910 --> 01:09:33,520

don't think this is something that that

1858

01:09:37,269 --> 01:09:35,920

gives them any joy in reliving or

1859

01:09:40,309 --> 01:09:37,279

discussing

1860

01:09:42,390 --> 01:09:40,319

yeah yeah no i i get that it's and a lot

1861

01:09:44,789 --> 01:09:42,400

of people i've talked to over the years

1862

01:09:46,630 --> 01:09:44,799

have to walk away from

1863

01:09:49,110 --> 01:09:46,640

what their experience is

1864

01:09:51,189 --> 01:09:49,120

and revisit it when they feel like like

1865

01:09:52,870 --> 01:09:51,199

it you know for instance you know travis

1866

01:09:55,189 --> 01:09:52,880

walton has talked about

1867

01:09:57,910 --> 01:09:55,199

being away from that whole situation for

1868

01:09:58,709 --> 01:09:57,920

many years because it it just horrified

1869

01:10:00,630 --> 01:09:58,719

him

1870

01:10:02,950 --> 01:10:00,640

and uh you know he didn't

1871

01:10:05,110 --> 01:10:02,960

and there was a lot of negativity

1872

01:10:06,790 --> 01:10:05,120

out there too about his

1873

01:10:08,630 --> 01:10:06,800

his story and he just said i don't need

1874

01:10:09,990 --> 01:10:08,640

this you know i mean

1875

01:10:11,669 --> 01:10:10,000

you don't need when you have something

1876

01:10:13,590 --> 01:10:11,679

like this happen you don't really need

1877

01:10:14,870 --> 01:10:13,600

to convince anyone

1878

01:10:16,229 --> 01:10:14,880

i i think you're i think you're

1879

01:10:18,950 --> 01:10:16,239

absolutely right i think what's

1880

01:10:20,709 --> 01:10:18,960

frustrating is that to them

1881

01:10:22,950 --> 01:10:20,719

is that that

1882

01:10:25,189 --> 01:10:22,960

how do you really explain

1883

01:10:27,110 --> 01:10:25,199

something like this how do you really

1884

01:10:28,950 --> 01:10:27,120

if somebody's skeptical

1885

01:10:30,630 --> 01:10:28,960

i mean it's not their job to convince

1886

01:10:33,189 --> 01:10:30,640

them

1887

01:10:35,430 --> 01:10:33,199

it just isn't they have a it's almost

1888

01:10:37,350 --> 01:10:35,440

like being i i i

1889

01:10:39,030 --> 01:10:37,360

hate to make this religious again i

1890

01:10:41,350 --> 01:10:39,040

don't really want to but it's almost

1891

01:10:44,390 --> 01:10:41,360

like these prophets in the bible

1892

01:10:45,910 --> 01:10:44,400

i mean if you're a believer and and a

1893

01:10:47,350 --> 01:10:45,920

prophet talks to you i guess you say

1894

01:10:49,270 --> 01:10:47,360

this is a prophet

1895

01:10:51,750 --> 01:10:49,280

if you're not a believer and somebody

1896

01:10:53,590 --> 01:10:51,760

talks to you like this you say this is a

1897

01:10:54,470 --> 01:10:53,600

crazy person

1898

01:10:55,669 --> 01:10:54,480

yeah

1899

01:10:58,229 --> 01:10:55,679

and as you say

1900

01:11:01,030 --> 01:10:58,239

who needs that i mean it was bad enough

1901

01:11:02,870 --> 01:11:01,040

that it happened they felt uh in a way

1902

01:11:04,870 --> 01:11:02,880

privileged and in a way

1903

01:11:07,750 --> 01:11:04,880

uh marked

1904

01:11:09,910 --> 01:11:07,760

right so so it's it's a double-edged

1905

01:11:11,990 --> 01:11:09,920

sword and not necessary they wound up

1906

01:11:13,110 --> 01:11:12,000

turning to religion they became devout

1907

01:11:14,950 --> 01:11:13,120

mormon

1908

01:11:18,790 --> 01:11:14,960

and actually

1909

01:11:21,350 --> 01:11:18,800

actually relocated uh to utah but the

1910

01:11:23,669 --> 01:11:21,360

bishop of the of the church

1911

01:11:27,430 --> 01:11:23,679

told them they didn't have a an alien

1912

01:11:31,669 --> 01:11:27,440

encounter they had a uh they they had an

1913

01:11:33,510 --> 01:11:32,470

wow

1914

01:11:35,189 --> 01:11:33,520

oh

1915

01:11:38,630 --> 01:11:35,199

yeah

1916

01:11:40,790 --> 01:11:38,640

so so they went they went to mormon wow

1917

01:11:43,270 --> 01:11:40,800

um and i imagine

1918

01:11:45,990 --> 01:11:43,280

you know this has been years now that

1919

01:11:47,750 --> 01:11:46,000

this has happened yes and

1920

01:11:49,189 --> 01:11:47,760

had they had any other you know you

1921

01:11:51,510 --> 01:11:49,199

talked about their

1922

01:11:54,390 --> 01:11:51,520

three-year-old or however old the child

1923

01:11:55,990 --> 01:11:54,400

was that was spinning yeah any other

1924

01:11:57,669 --> 01:11:56,000

what other anything other things

1925

01:11:59,189 --> 01:11:57,679

happened along the way

1926

01:12:01,189 --> 01:11:59,199

i i think there were those are the two

1927

01:12:02,470 --> 01:12:01,199

that stick out in my mind but nightmares

1928

01:12:05,030 --> 01:12:02,480

and just

1929

01:12:07,270 --> 01:12:05,040

this terrible feeling of being watched

1930

01:12:08,709 --> 01:12:07,280

actually um steve talks about it and

1931

01:12:09,590 --> 01:12:08,719

there's a quote

1932

01:12:12,070 --> 01:12:09,600

and

1933

01:12:13,669 --> 01:12:12,080

it basically says you know

1934

01:12:16,950 --> 01:12:13,679

how would you feel

1935

01:12:18,229 --> 01:12:16,960

if you had a wife and children

1936

01:12:21,270 --> 01:12:18,239

in a house

1937

01:12:22,950 --> 01:12:21,280

in you know in a nice suburban

1938

01:12:24,790 --> 01:12:22,960

town

1939

01:12:26,870 --> 01:12:24,800

and you knew you couldn't protect them

1940

01:12:27,669 --> 01:12:26,880

that you couldn't do anything

1941

01:12:29,990 --> 01:12:27,679

yeah

1942

01:12:32,950 --> 01:12:30,000

to protect them or to keep them out of

1943

01:12:35,270 --> 01:12:32,960

harm's way or to keep these uh these

1944

01:12:37,110 --> 01:12:35,280

beings from meddling in their lives or

1945

01:12:38,149 --> 01:12:37,120

kidnapping them or doing anything they

1946

01:12:41,110 --> 01:12:38,159

wanted

1947

01:12:43,590 --> 01:12:41,120

it it's a terrifying horrible

1948

01:12:48,310 --> 01:12:46,149

and why do you think this

1949

01:12:49,669 --> 01:12:48,320

case isn't you know there's been a lot

1950

01:12:51,750 --> 01:12:49,679

of people in the chat

1951

01:12:53,669 --> 01:12:51,760

that have said something along the lines

1952

01:12:54,950 --> 01:12:53,679

where wow how come i've never heard

1953

01:12:55,910 --> 01:12:54,960

about this one

1954

01:12:58,070 --> 01:12:55,920

and

1955

01:13:00,630 --> 01:12:58,080

why do you suppose i mean it i know

1956

01:13:04,709 --> 01:13:00,640

there was only two people here involved

1957

01:13:07,110 --> 01:13:04,719

so that maybe that may be the issue

1958

01:13:09,510 --> 01:13:07,120

because there's not a lot of cooperation

1959

01:13:12,550 --> 01:13:09,520

and witnesses and things like that but

1960

01:13:14,790 --> 01:13:12,560

um any other ideas why this isn't

1961

01:13:17,189 --> 01:13:14,800

more well known than it is i mean it

1962

01:13:19,270 --> 01:13:17,199

seems like a an amazing event

1963

01:13:20,709 --> 01:13:19,280

yeah yeah no it's it's that's an easy

1964

01:13:23,590 --> 01:13:20,719

one to answer

1965

01:13:25,430 --> 01:13:23,600

um let's say in the case of uh travis

1966

01:13:27,430 --> 01:13:25,440

walton or some others

1967

01:13:30,630 --> 01:13:27,440

i mean he's willing to discuss it he's

1968

01:13:32,790 --> 01:13:30,640

been on many shows and and uh

1969

01:13:35,110 --> 01:13:32,800

they don't want to discuss it they were

1970

01:13:37,430 --> 01:13:35,120

on a show just to get it behind them so

1971

01:13:38,630 --> 01:13:37,440

okay we did this they felt like it was

1972

01:13:41,189 --> 01:13:38,640

important

1973

01:13:42,390 --> 01:13:41,199

to the world to tell this story and so

1974

01:13:45,350 --> 01:13:42,400

they told it

1975

01:13:47,910 --> 01:13:45,360

um uh they've been discouraged from

1976

01:13:50,870 --> 01:13:47,920

from involvement as i mentioned they

1977

01:13:53,830 --> 01:13:50,880

became part of the church the bishop

1978

01:13:54,550 --> 01:13:53,840

said you know it happened it's over move

1979

01:13:58,630 --> 01:13:54,560

on

1980

01:14:00,870 --> 01:13:58,640

this was not about fame or celebrity

1981

01:14:02,870 --> 01:14:00,880

this was an incident that happened they

1982

01:14:05,350 --> 01:14:02,880

discussed it a book was written

1983

01:14:06,950 --> 01:14:05,360

and uh and so they left it alone the

1984

01:14:08,790 --> 01:14:06,960

other thing is probably from my

1985

01:14:09,830 --> 01:14:08,800

standpoint

1986

01:14:11,189 --> 01:14:09,840

um

1987

01:14:14,709 --> 01:14:11,199

you know i

1988

01:14:15,590 --> 01:14:14,719

conferences and and those kinds of

1989

01:14:18,709 --> 01:14:15,600

things

1990

01:14:20,550 --> 01:14:18,719

and um as a rule i i don't you know i

1991

01:14:22,550 --> 01:14:20,560

don't do too many interviews about it

1992

01:14:24,630 --> 01:14:22,560

and i i haven't been to any conferences

1993

01:14:26,470 --> 01:14:24,640

even though i've been invited and that

1994

01:14:29,590 --> 01:14:26,480

kind of is because and i've actually

1995

01:14:31,430 --> 01:14:29,600

been asked to write you know a a sequel

1996

01:14:33,669 --> 01:14:31,440

another book uh

1997

01:14:34,550 --> 01:14:33,679

taking this further or a similar kind of

1998

01:14:37,750 --> 01:14:34,560

book

1999

01:14:39,110 --> 01:14:37,760

and and i haven't i haven't because um

2000

01:14:40,950 --> 01:14:39,120

you know

2001

01:14:43,270 --> 01:14:40,960

for me

2002

01:14:45,030 --> 01:14:43,280

i feel pretty much the same way

2003

01:14:45,910 --> 01:14:45,040

i wrote the best book i know how to

2004

01:14:48,310 --> 01:14:45,920

write

2005

01:14:49,350 --> 01:14:48,320

yeah i told the story as best i can tell

2006

01:14:54,229 --> 01:14:49,360

it

2007

01:14:56,630 --> 01:14:54,239

i i don't i don't feel like uh i want to

2008

01:14:58,709 --> 01:14:56,640

you know shout it from the rooftops i

2009

01:15:01,510 --> 01:14:58,719

i've written other books as i mentioned

2010

01:15:03,270 --> 01:15:01,520

i i'm i have a new book that uh it'll be

2011

01:15:04,709 --> 01:15:03,280

out in september

2012

01:15:07,189 --> 01:15:04,719

and uh

2013

01:15:09,030 --> 01:15:07,199

you know i have other stories to tell

2014

01:15:11,590 --> 01:15:09,040

but if you're asking me this is the most

2015

01:15:13,590 --> 01:15:11,600

significant book i've ever written

2016

01:15:15,030 --> 01:15:13,600

right um so

2017

01:15:16,790 --> 01:15:15,040

this is just you know i mean there's

2018

01:15:18,630 --> 01:15:16,800

always uh people

2019

01:15:21,590 --> 01:15:18,640

that are throwing critical

2020

01:15:23,830 --> 01:15:21,600

um things up here and what

2021

01:15:26,310 --> 01:15:23,840

he mean you are asking us to accept

2022

01:15:28,630 --> 01:15:26,320

uncritically what these people say this

2023

01:15:31,270 --> 01:15:28,640

is not the right way to go are we being

2024

01:15:32,709 --> 01:15:31,280

sold a bridge to nowhere type of thing

2025

01:15:35,270 --> 01:15:32,719

and i just thought maybe i'd throw that

2026

01:15:37,030 --> 01:15:35,280

at you as a cop i can address this well

2027

01:15:39,830 --> 01:15:37,040

i'm sure it'd be my pleasure

2028

01:15:41,990 --> 01:15:39,840

um you know at the end of the day i took

2029

01:15:42,709 --> 01:15:42,000

them to the best uh

2030

01:15:44,870 --> 01:15:42,719

the

2031

01:15:46,790 --> 01:15:44,880

center for psychiatry

2032

01:15:47,990 --> 01:15:46,800

in washington dc one of the most

2033

01:15:50,070 --> 01:15:48,000

reputable

2034

01:15:52,790 --> 01:15:50,080

institutions of its kind

2035

01:15:55,350 --> 01:15:52,800

uh an incredibly reputable doctor dr

2036

01:15:56,310 --> 01:15:55,360

bernard vertone examined them they took

2037

01:15:58,229 --> 01:15:56,320

tests

2038

01:16:01,270 --> 01:15:58,239

so that's critical

2039

01:16:03,910 --> 01:16:01,280

uh i took them to uh dr anixter

2040

01:16:05,189 --> 01:16:03,920

uh in uh asheville north carolina flew

2041

01:16:06,790 --> 01:16:05,199

them in

2042

01:16:08,870 --> 01:16:06,800

for days

2043

01:16:11,830 --> 01:16:08,880

and uh they were examined and they were

2044

01:16:12,950 --> 01:16:11,840

retrogressed and it was tape videotaped

2045

01:16:16,310 --> 01:16:12,960

um

2046

01:16:18,390 --> 01:16:16,320

i had them take a uh a polygraph test

2047

01:16:20,709 --> 01:16:18,400

i mean really within the scope of what

2048

01:16:21,750 --> 01:16:20,719

i'm capable of i'm not an institution

2049

01:16:24,709 --> 01:16:21,760

i'm not

2050

01:16:25,990 --> 01:16:24,719

you know the cia or the fbi or

2051

01:16:27,910 --> 01:16:26,000

the nsa

2052

01:16:30,310 --> 01:16:27,920

you know

2053

01:16:32,310 --> 01:16:30,320

i i examine this as closely and as

2054

01:16:34,070 --> 01:16:32,320

thoroughly as i know how

2055

01:16:35,669 --> 01:16:34,080

and yet at the end of the day whatever

2056

01:16:37,990 --> 01:16:35,679

account you have

2057

01:16:41,430 --> 01:16:38,000

uh whether it's from ronald reagan

2058

01:16:44,550 --> 01:16:41,440

who uh who has had ufo experiences from

2059

01:16:45,910 --> 01:16:44,560

jimmy carter who has had ufo experiences

2060

01:16:49,430 --> 01:16:45,920

and reported them

2061

01:16:50,790 --> 01:16:49,440

uh to uh the pilot on the nimitz

2062

01:16:51,910 --> 01:16:50,800

or the uh

2063

01:16:55,030 --> 01:16:51,920

the uh

2064

01:16:57,830 --> 01:16:55,040

uss uh roosevelt i mean

2065

01:16:59,830 --> 01:16:57,840

at the end people tell their story they

2066

01:17:01,189 --> 01:16:59,840

show what evidence they have

2067

01:17:03,270 --> 01:17:01,199

and you believe them or you don't

2068

01:17:04,229 --> 01:17:03,280

believe them i'm not selling anything

2069

01:17:06,070 --> 01:17:04,239

you know

2070

01:17:08,950 --> 01:17:06,080

i'm telling you a story

2071

01:17:10,390 --> 01:17:08,960

and how did they feel about your book

2072

01:17:12,310 --> 01:17:10,400

um

2073

01:17:14,630 --> 01:17:12,320

i think they thought it was uh what's

2074

01:17:16,870 --> 01:17:14,640

the word competently written

2075

01:17:19,669 --> 01:17:16,880

i would say i i don't think you know

2076

01:17:22,229 --> 01:17:19,679

they this came from tape so i taped them

2077

01:17:24,390 --> 01:17:22,239

for hours and hours and hours

2078

01:17:26,950 --> 01:17:24,400

and uh so this most of the book comes

2079

01:17:28,709 --> 01:17:26,960

directly from the tapes that uh that i

2080

01:17:30,470 --> 01:17:28,719

recorded

2081

01:17:32,870 --> 01:17:30,480

when's the last time that you spoke with

2082

01:17:35,910 --> 01:17:32,880

i know you said they moved to utah

2083

01:17:37,350 --> 01:17:35,920

um i i haven't spoken to them

2084

01:17:39,910 --> 01:17:37,360

uh and again probably for all the

2085

01:17:42,070 --> 01:17:39,920

reasons we just discussed um i think

2086

01:17:43,350 --> 01:17:42,080

maybe two or three years ago two and a

2087

01:17:48,630 --> 01:17:43,360

half years

2088

01:17:51,750 --> 01:17:48,640

yeah yeah wow well that is one heck of a

2089

01:17:52,550 --> 01:17:51,760

story and uh and scary i mean you have

2090

01:17:55,990 --> 01:17:52,560

to

2091

01:17:58,950 --> 01:17:56,000

martin yeah

2092

01:18:00,870 --> 01:17:58,960

when i first heard if if you were going

2093

01:18:03,830 --> 01:18:00,880

to lie

2094

01:18:05,669 --> 01:18:03,840

and if you were going to tell a story

2095

01:18:07,430 --> 01:18:05,679

first of all these people are not that

2096

01:18:10,310 --> 01:18:07,440

way so we know that i think i've

2097

01:18:12,390 --> 01:18:10,320

established as best as best i can

2098

01:18:14,070 --> 01:18:12,400

but if you were gonna lie if you were

2099

01:18:17,110 --> 01:18:14,080

gonna tell a story

2100

01:18:19,189 --> 01:18:17,120

would you talk about a ufo the size of

2101

01:18:21,510 --> 01:18:19,199

you know a battleship

2102

01:18:23,830 --> 01:18:21,520

would you talk about these different

2103

01:18:25,669 --> 01:18:23,840

kinds of beings

2104

01:18:27,110 --> 01:18:25,679

to me what makes it credible is the

2105

01:18:29,189 --> 01:18:27,120

detail

2106

01:18:33,590 --> 01:18:29,199

and the unabashed

2107

01:18:39,350 --> 01:18:36,630

it would be easier to make this credible

2108

01:18:41,590 --> 01:18:39,360

if if you took some of it out

2109

01:18:44,709 --> 01:18:41,600

it would be easier to make some of it

2110

01:18:46,630 --> 01:18:44,719

more but this is the unvarnished story

2111

01:18:47,910 --> 01:18:46,640

and i find the fact that it's so

2112

01:18:49,510 --> 01:18:47,920

incredible

2113

01:18:52,070 --> 01:18:49,520

is what makes it so

2114

01:18:56,470 --> 01:18:52,080

likely to be true

2115

01:18:58,550 --> 01:18:56,480

i i kind of i get that um i find myself

2116

01:19:00,310 --> 01:18:58,560

when i just mentioned earlier right

2117

01:19:02,470 --> 01:19:00,320

after the break that i have albert wayne

2118

01:19:05,110 --> 01:19:02,480

coming up and he talks about everyone

2119

01:19:07,030 --> 01:19:05,120

pulled over on i-95 and the l

2120

01:19:09,030 --> 01:19:07,040

uh when they leave after this ufo

2121

01:19:10,950 --> 01:19:09,040

encounter they pull over to the howard

2122

01:19:13,430 --> 01:19:10,960

johnsons and get ice cream exactly you

2123

01:19:15,350 --> 01:19:13,440

know i mean those weird things like that

2124

01:19:19,510 --> 01:19:15,360

i mean exactly

2125

01:19:21,590 --> 01:19:19,520

is just so so bizarre you know

2126

01:19:24,630 --> 01:19:21,600

it feels more credible another thing

2127

01:19:26,310 --> 01:19:24,640

that i found really sort of amazing and

2128

01:19:28,790 --> 01:19:26,320

i didn't know the two things

2129

01:19:29,990 --> 01:19:28,800

to to answer the question

2130

01:19:33,189 --> 01:19:30,000

two things

2131

01:19:35,030 --> 01:19:33,199

one is uh fife simmington

2132

01:19:36,950 --> 01:19:35,040

i'm sure you've seen him interviewed and

2133

01:19:39,030 --> 01:19:36,960

heard what he has to say

2134

01:19:41,750 --> 01:19:39,040

he talked about

2135

01:19:43,830 --> 01:19:41,760

the ufo the size of a football field now

2136

01:19:47,270 --> 01:19:43,840

again another credible guy i mean a

2137

01:19:48,470 --> 01:19:47,280

pilot etc a fighter pilot in vietnam a

2138

01:19:50,390 --> 01:19:48,480

governor

2139

01:19:51,590 --> 01:19:50,400

and he talked about this slowly moving

2140

01:19:53,590 --> 01:19:51,600

overhead

2141

01:19:55,750 --> 01:19:53,600

and again it would probably be a lot

2142

01:19:57,990 --> 01:19:55,760

more credible incredible it would be

2143

01:20:01,270 --> 01:19:58,000

untrue but more credible if he said well

2144

01:20:04,470 --> 01:20:01,280

it was about 50 feet in diameter and you

2145

01:20:05,430 --> 01:20:04,480

know it whished by at some speed

2146

01:20:07,350 --> 01:20:05,440

but no

2147

01:20:09,110 --> 01:20:07,360

it's the size of a football field which

2148

01:20:12,149 --> 01:20:09,120

is exactly the way

2149

01:20:14,390 --> 01:20:12,159

they described the ufo that capped the

2150

01:20:17,990 --> 01:20:14,400

valley about above them

2151
01:20:20,070 --> 01:20:18,000
the other is that there are petroglyphs

2152
01:20:21,350 --> 01:20:20,080
uh cave drawings

2153
01:20:23,189 --> 01:20:21,360
that um

2154
01:20:25,510 --> 01:20:23,199
that are in the um

2155
01:20:28,629 --> 01:20:25,520
the uh mountains there in the caves of

2156
01:20:30,790 --> 01:20:28,639
the mojave it was the paiute indians

2157
01:20:32,629 --> 01:20:30,800
and many of the drawings

2158
01:20:34,709 --> 01:20:32,639
resembled to a t

2159
01:20:35,990 --> 01:20:34,719
the way the illuminated figures are

2160
01:20:38,709 --> 01:20:36,000
described

2161
01:20:41,110 --> 01:20:38,719
and there's a ground drawing that can be

2162
01:20:42,550 --> 01:20:41,120
seen overhead in the mojave called the

2163
01:20:44,310 --> 01:20:42,560

mojave twins

2164

01:20:45,110 --> 01:20:44,320

if you want to chill

2165

01:20:46,790 --> 01:20:45,120

just

2166

01:20:49,030 --> 01:20:46,800

look that up i guess on the internet or

2167

01:20:52,149 --> 01:20:49,040

somewhere mojave twins and what you'll

2168

01:20:55,510 --> 01:20:52,159

see is exactly what they described as

2169

01:20:57,430 --> 01:20:55,520

the illuminated uh figures looking like

2170

01:20:59,270 --> 01:20:57,440

so i find this when you put it all

2171

01:21:01,430 --> 01:20:59,280

together

2172

01:21:04,470 --> 01:21:01,440

uh the uniform described with the arrow

2173

01:21:05,270 --> 01:21:04,480

the truncated arrow pointing up

2174

01:21:07,430 --> 01:21:05,280

um

2175

01:21:09,350 --> 01:21:07,440

i talked to somebody else and in an

2176
01:21:11,669 --> 01:21:09,360
account that they had heard there was

2177
01:21:14,310 --> 01:21:11,679
that same kind of symbol

2178
01:21:16,149 --> 01:21:14,320
so these are little details that as a

2179
01:21:17,910 --> 01:21:16,159
you know as a somebody that it's a

2180
01:21:20,709 --> 01:21:17,920
critical thinker

2181
01:21:21,910 --> 01:21:20,719
it starts it starts to

2182
01:21:24,390 --> 01:21:21,920
coalesce

2183
01:21:26,470 --> 01:21:24,400
into something that's that's just

2184
01:21:27,510 --> 01:21:26,480
i i think it's true that's that's where

2185
01:21:29,110 --> 01:21:27,520
i come out

2186
01:21:30,870 --> 01:21:29,120
and the doctors thought it was true as

2187
01:21:36,149 --> 01:21:30,880
well

2188
01:21:37,189 --> 01:21:36,159

quite amazing that you did go through

2189

01:21:39,030 --> 01:21:37,199

all of that

2190

01:21:41,750 --> 01:21:39,040

you know to to make sure this was a

2191

01:21:45,430 --> 01:21:41,760

credible story before you invested

2192

01:21:47,669 --> 01:21:45,440

all the time you know into this thing so

2193

01:21:49,910 --> 01:21:47,679

and i'm trying to put an image up having

2194

01:21:51,350 --> 01:21:49,920

trouble uh copying an image i thought it

2195

01:21:53,669 --> 01:21:51,360

would be easy to do

2196

01:21:55,590 --> 01:21:53,679

uh the mojave twins uh let me give it

2197

01:21:57,110 --> 01:21:55,600

another shot here i'll try one more time

2198

01:21:58,870 --> 01:21:57,120

here

2199

01:22:00,390 --> 01:21:58,880

because i can pull that right up if it

2200

01:22:02,550 --> 01:22:00,400

comes out here i can pull that right up

2201

01:22:05,910 --> 01:22:02,560

on the screen i think i just did it

2202

01:22:09,430 --> 01:22:05,920

let's see yep i got it it's coming so uh

2203

01:22:12,629 --> 01:22:09,440

yeah i mean that that whole

2204

01:22:13,990 --> 01:22:12,639

story is is just amazing to me here it

2205

01:22:15,750 --> 01:22:14,000

is here

2206

01:22:17,830 --> 01:22:15,760

which is uh that's something you see you

2207

01:22:20,229 --> 01:22:17,840

see from the sky and i'll put that in

2208

01:22:21,990 --> 01:22:20,239

the show notes for the audio listener

2209

01:22:24,709 --> 01:22:22,000

um interesting

2210

01:22:26,550 --> 01:22:24,719

um because yeah i mean people could say

2211

01:22:27,990 --> 01:22:26,560

a lot about that but i mean even how

2212

01:22:29,430 --> 01:22:28,000

would you make something like that when

2213

01:22:31,110 --> 01:22:29,440

you're on the ground that's pretty

2214

01:22:31,990 --> 01:22:31,120

amazing because it's so big

2215

01:22:34,870 --> 01:22:32,000

yeah

2216

01:22:36,629 --> 01:22:34,880

exactly

2217

01:22:39,270 --> 01:22:36,639

well that is a

2218

01:22:41,669 --> 01:22:39,280

a horrific story i now know why that

2219

01:22:44,870 --> 01:22:41,679

person in chat said early on that he

2220

01:22:47,750 --> 01:22:44,880

wasn't going to sleep tonight

2221

01:22:49,910 --> 01:22:47,760

um you know and the funny thing is is

2222

01:22:51,510 --> 01:22:49,920

with that story is all the different

2223

01:22:53,990 --> 01:22:51,520

beings all

2224

01:22:56,070 --> 01:22:54,000

you said like maybe a hierarchy yeah you

2225

01:22:57,990 --> 01:22:56,080

know you have these gremlin type things

2226

01:23:00,229 --> 01:22:58,000

i mean they can't get any scarier than

2227

01:23:01,830 --> 01:23:00,239

that with red eyes small little things

2228

01:23:04,070 --> 01:23:01,840

running around and what was their

2229

01:23:08,550 --> 01:23:04,080

purpose was their purpose to get them

2230

01:23:10,229 --> 01:23:08,560

back into the to the uh camper or what

2231

01:23:11,590 --> 01:23:10,239

honestly i honestly i don't know because

2232

01:23:13,669 --> 01:23:11,600

i think they went back in the camper

2233

01:23:14,470 --> 01:23:13,679

almost uh in a daze

2234

01:23:15,990 --> 01:23:14,480

uh

2235

01:23:18,310 --> 01:23:16,000

you know just like they were ordered to

2236

01:23:19,270 --> 01:23:18,320

do it and sort of zombies that were just

2237

01:23:22,310 --> 01:23:19,280

uh

2238

01:23:24,790 --> 01:23:22,320

yeah um mentally controlled in some way

2239

01:23:28,229 --> 01:23:24,800

i i said their faces pardon me go ahead

2240

01:23:30,550 --> 01:23:28,239

yeah i i think probably i mean

2241

01:23:32,950 --> 01:23:30,560

it seemed like they took great joy in

2242

01:23:34,629 --> 01:23:32,960

scaring the hell out of them yeah

2243

01:23:36,229 --> 01:23:34,639

graphics you said their faces look like

2244

01:23:38,790 --> 01:23:36,239

leather so they obviously saw them

2245

01:23:40,550 --> 01:23:38,800

pretty close yes yeah

2246

01:23:42,470 --> 01:23:40,560

and so was there some type of i mean

2247

01:23:44,310 --> 01:23:42,480

these were on the car climbing on the

2248

01:23:45,189 --> 01:23:44,320

climbing on yeah yeah

2249

01:23:47,110 --> 01:23:45,199

how much

2250

01:23:48,950 --> 01:23:47,120

was this i'm picturing i'm trying to

2251

01:23:50,790 --> 01:23:48,960

picture the time of day

2252

01:23:52,709 --> 01:23:50,800

how they could see these things

2253

01:23:54,550 --> 01:23:52,719

this was they were stargazing so

2254

01:23:56,390 --> 01:23:54,560

obviously it was nighttime yeah yeah

2255

01:23:58,550 --> 01:23:56,400

sure and so how did they see these

2256

01:24:00,790 --> 01:23:58,560

things lit up i mean did they having how

2257

01:24:02,629 --> 01:24:00,800

could they see them yeah over they had

2258

01:24:04,950 --> 01:24:02,639

red

2259

01:24:07,830 --> 01:24:04,960

the vehicle above them had this these

2260

01:24:10,870 --> 01:24:07,840

lights and actually had uh smaller craft

2261

01:24:12,629 --> 01:24:10,880

sort of attached to it the huge ufo

2262

01:24:15,669 --> 01:24:12,639

and so there was a beam of light that

2263

01:24:17,189 --> 01:24:15,679

was uh incredibly illuminated figures

2264

01:24:18,310 --> 01:24:17,199

but these things were all over their

2265

01:24:19,910 --> 01:24:18,320

vehicle

2266

01:24:22,790 --> 01:24:19,920

i mean they were literally in the trees

2267

01:24:24,310 --> 01:24:22,800

and all over yeah like swarming

2268

01:24:26,229 --> 01:24:24,320

the thing you said about sound is

2269

01:24:28,310 --> 01:24:26,239

something i hear all the time you said

2270

01:24:30,629 --> 01:24:28,320

it sounded like the valley was capped

2271

01:24:33,110 --> 01:24:30,639

yeah and a number i mean it goes back to

2272

01:24:35,430 --> 01:24:33,120

the berkshires incident and many other

2273

01:24:37,590 --> 01:24:35,440

incidents where people say that all the

2274

01:24:40,149 --> 01:24:37,600

sound is gone almost like they're under

2275

01:24:41,510 --> 01:24:40,159

water that's kind of the term

2276

01:24:43,750 --> 01:24:41,520

um yes and

2277

01:24:45,590 --> 01:24:43,760

so there's no sound at all all the

2278

01:24:46,870 --> 01:24:45,600

insects everything you hear in the in

2279

01:24:49,189 --> 01:24:46,880

the desert night

2280

01:24:51,590 --> 01:24:49,199

is all of a sudden quieted

2281

01:24:53,590 --> 01:24:51,600

for for no apparent reason other than

2282

01:24:55,669 --> 01:24:53,600

what's going on and and the other thing

2283

01:24:57,270 --> 01:24:55,679

you know i'm sure that um

2284

01:25:00,229 --> 01:24:57,280

people familiar with this topic as your

2285

01:25:01,910 --> 01:25:00,239

listeners and viewers i'm sure are

2286

01:25:04,950 --> 01:25:01,920

um

2287

01:25:08,149 --> 01:25:04,960

the question becomes

2288

01:25:10,229 --> 01:25:08,159

would they sought out

2289

01:25:12,070 --> 01:25:10,239

because stephen had this experience when

2290

01:25:14,470 --> 01:25:12,080

he was 12 and this was some sort of

2291

01:25:16,149 --> 01:25:14,480

follow-up some sort of

2292

01:25:19,110 --> 01:25:16,159

culmination

2293

01:25:21,510 --> 01:25:19,120

or was it just happenstance

2294

01:25:23,510 --> 01:25:21,520

that they stumbled onto this there was a

2295

01:25:24,390 --> 01:25:23,520

mining operation that that maybe you

2296

01:25:26,790 --> 01:25:24,400

know

2297

01:25:29,510 --> 01:25:26,800

aliamax was getting

2298

01:25:32,070 --> 01:25:29,520

various uh

2299

01:25:34,790 --> 01:25:32,080

rare earths they were mining from that

2300

01:25:36,870 --> 01:25:34,800

uh that area from the mojave

2301

01:25:38,790 --> 01:25:36,880

some of it used for laser weaponry and

2302

01:25:41,590 --> 01:25:38,800

satellite technology

2303

01:25:44,709 --> 01:25:41,600

and um maybe you know they were mining

2304

01:25:47,110 --> 01:25:44,719

this uh for themselves and and

2305

01:25:48,629 --> 01:25:47,120

steve and dawn just stumbled onto them

2306

01:25:51,430 --> 01:25:48,639

so the question is is this sort of a

2307

01:25:52,870 --> 01:25:51,440

predestined thing and i'm you know

2308

01:25:55,430 --> 01:25:52,880

meant to be

2309

01:25:57,990 --> 01:25:55,440

or or was it happenstance and now i

2310

01:26:00,790 --> 01:25:58,000

think that's a very interesting question

2311

01:26:03,270 --> 01:26:00,800

because it it bears light then

2312

01:26:05,990 --> 01:26:03,280

on the phenomenon itself

2313

01:26:09,270 --> 01:26:06,000

are people tracked for their are they

2314

01:26:11,830 --> 01:26:09,280

identified at an early stage trackless

2315

01:26:13,590 --> 01:26:11,840

you would track maybe a a shark or an

2316

01:26:15,590 --> 01:26:13,600

animal that's endangered or that you

2317

01:26:18,470 --> 01:26:15,600

want to study closely

2318

01:26:20,149 --> 01:26:18,480

and i don't know the answer to that but

2319

01:26:21,350 --> 01:26:20,159

maybe the answer is both you know maybe

2320

01:26:27,030 --> 01:26:21,360

that

2321

01:26:29,270 --> 01:26:27,040

was destined to have this happen

2322

01:26:30,310 --> 01:26:29,280

and uh that there was this operation

2323

01:26:33,189 --> 01:26:30,320

going on

2324

01:26:34,790 --> 01:26:33,199

simultaneously it's hard to say but i

2325

01:26:37,189 --> 01:26:34,800

think it's an interesting question and

2326

01:26:39,669 --> 01:26:37,199

the answer is an important one

2327

01:26:41,510 --> 01:26:39,679

well you know if he hadn't

2328

01:26:42,470 --> 01:26:41,520

wounded that mule deer and wanted to go

2329

01:26:44,149 --> 01:26:42,480

back

2330

01:26:45,750 --> 01:26:44,159

um if she got her way and they went

2331

01:26:47,750 --> 01:26:45,760

dancing you know there's all these

2332

01:26:50,390 --> 01:26:47,760

little circumstances well look at

2333

01:26:51,590 --> 01:26:50,400

midnight mid-hills campsite

2334

01:26:52,390 --> 01:26:51,600

he said it was

2335

01:26:54,149 --> 01:26:52,400

very

2336

01:26:57,189 --> 01:26:54,159

highly unusual that

2337

01:26:58,790 --> 01:26:57,199

that campsite would be filled up so

2338

01:27:00,790 --> 01:26:58,800

you know

2339

01:27:01,590 --> 01:27:00,800

that's what makes it a fascinating story

2340

01:27:05,430 --> 01:27:01,600

yeah

2341

01:27:07,270 --> 01:27:05,440

you know you you we could go we can look

2342

01:27:07,990 --> 01:27:07,280

at life all of us can look at life like

2343

01:27:10,070 --> 01:27:08,000

this

2344

01:27:13,189 --> 01:27:10,080

if i hadn't gone out to a hot tub in

2345

01:27:14,870 --> 01:27:13,199

carmel valley at exactly the time i did

2346

01:27:16,390 --> 01:27:14,880

and something didn't catch my eye

2347

01:27:19,270 --> 01:27:16,400

wouldn't be sitting here right now

2348

01:27:21,510 --> 01:27:19,280

talking to you exactly so

2349

01:27:23,590 --> 01:27:21,520

it's all those little things and then a

2350

01:27:25,990 --> 01:27:23,600

great connection in my life all happened

2351

01:27:28,470 --> 01:27:26,000

because of that you know all these these

2352

01:27:30,870 --> 01:27:28,480

different things so um

2353

01:27:33,189 --> 01:27:30,880

anyway i i did open the lines that

2354

01:27:35,110 --> 01:27:33,199

number is eight five five four seven two

2355

01:27:36,870 --> 01:27:35,120

five four eight three uh bill is

2356

01:27:37,910 --> 01:27:36,880

standing by to take your call remember

2357

01:27:41,110 --> 01:27:37,920

to mutual

2358

01:27:43,030 --> 01:27:41,120

your sound when you uh when you go go in

2359

01:27:44,870 --> 01:27:43,040

with bill um so we don't have any

2360

01:27:47,590 --> 01:27:44,880

feedback um during the show but the

2361

01:27:49,990 --> 01:27:47,600

lines are open uh we welcome your call

2362

01:27:51,990 --> 01:27:50,000

but let's let's switch gears uh and

2363

01:27:53,830 --> 01:27:52,000

people are welcome to call about that

2364

01:27:56,310 --> 01:27:53,840

but uh we have a half hour left or a

2365

01:27:59,510 --> 01:27:56,320

little bit under that and let's go into

2366

01:28:01,830 --> 01:27:59,520

what your next project is

2367

01:28:02,709 --> 01:28:01,840

well talk about a coincidence since

2368

01:28:04,229 --> 01:28:02,719

since

2369

01:28:05,910 --> 01:28:04,239

we're on that

2370

01:28:09,669 --> 01:28:05,920

line of reasoning

2371

01:28:11,189 --> 01:28:09,679

so i i was a student at uh at georgetown

2372

01:28:14,390 --> 01:28:11,199

university when the filming of the

2373

01:28:16,070 --> 01:28:14,400

exodus exorcist was happening

2374

01:28:17,350 --> 01:28:16,080

so i guess there was a sophomore at the

2375

01:28:19,189 --> 01:28:17,360

time

2376

01:28:20,790 --> 01:28:19,199

and uh all these cameras are there and

2377

01:28:23,430 --> 01:28:20,800

of course the exorcist at the time was

2378

01:28:26,149 --> 01:28:23,440

like a mega hit book i think it was on

2379

01:28:30,070 --> 01:28:26,159

the best seller list for 56 weeks or

2380

01:28:32,149 --> 01:28:30,080

some crazy sold 14 million copies or so

2381

01:28:34,709 --> 01:28:32,159

and uh so they were filming

2382

01:28:36,950 --> 01:28:34,719

so vladimir william peter blatty

2383

01:28:38,790 --> 01:28:36,960

had gone to georgetown and probably said

2384

01:28:42,709 --> 01:28:38,800

it there because of his

2385

01:28:45,270 --> 01:28:42,719

experiences uh as a student and uh and

2386

01:28:47,990 --> 01:28:45,280

said it even though the real case

2387

01:28:49,910 --> 01:28:48,000

happened in uh in maryland

2388

01:28:52,070 --> 01:28:49,920

so anyway one way or the other

2389

01:28:54,709 --> 01:28:52,080

i was a writer i published a bunch of

2390

01:28:56,870 --> 01:28:54,719

short stories and articles and

2391

01:28:58,950 --> 01:28:56,880

and my first novel

2392

01:29:00,229 --> 01:28:58,960

so i said you know this is my

2393

01:29:02,310 --> 01:29:00,239

opportunity

2394

01:29:04,070 --> 01:29:02,320

william peter blatty

2395

01:29:06,070 --> 01:29:04,080

successful author it's not every day i

2396

01:29:08,070 --> 01:29:06,080

get to meet you know published authors

2397

01:29:09,669 --> 01:29:08,080

and i'm gonna i'm gonna

2398

01:29:12,229 --> 01:29:09,679

get this book to him

2399

01:29:15,030 --> 01:29:12,239

and uh come hell her high order well it

2400

01:29:17,189 --> 01:29:15,040

wasn't so easy because uh

2401
01:29:19,430 --> 01:29:17,199
because a lot of people had been sending

2402
01:29:21,030 --> 01:29:19,440
him manuscripts from all over the place

2403
01:29:24,070 --> 01:29:21,040
i found out that he was at the key

2404
01:29:26,070 --> 01:29:24,080
marriott um the key bridge marriott so

2405
01:29:28,310 --> 01:29:26,080
he had an office there at the time along

2406
01:29:30,629 --> 01:29:28,320
with william friedkin the director

2407
01:29:32,709 --> 01:29:30,639
so i went there and there's a secretary

2408
01:29:34,149 --> 01:29:32,719
and they weren't there but the secretary

2409
01:29:35,990 --> 01:29:34,159
was they were filming i guess and

2410
01:29:38,149 --> 01:29:36,000
working on the project

2411
01:29:40,390 --> 01:29:38,159
and so i pretty much plead with this uh

2412
01:29:42,470 --> 01:29:40,400
secretary you know please give him

2413
01:29:45,189 --> 01:29:42,480

my first novel you know

2414

01:29:48,229 --> 01:29:45,199

it was loaded with typos

2415

01:29:50,390 --> 01:29:48,239

you know you can imagine but anyway

2416

01:29:52,390 --> 01:29:50,400

so she said look look behind me and

2417

01:29:53,910 --> 01:29:52,400

there's this big stack of manuscripts

2418

01:29:55,510 --> 01:29:53,920

because they're coming from all over the

2419

01:29:56,709 --> 01:29:55,520

world they're coming from germany

2420

01:29:58,229 --> 01:29:56,719

they're coming from england they're

2421

01:29:59,270 --> 01:29:58,239

coming from israel they're coming from

2422

01:30:02,149 --> 01:29:59,280

everywhere

2423

01:30:04,310 --> 01:30:02,159

uh he you know he's not going to have

2424

01:30:05,430 --> 01:30:04,320

time to read read this and he's

2425

01:30:07,189 --> 01:30:05,440

certainly not going to have time to read

2426

01:30:09,510 --> 01:30:07,199

yours which is you know number

2427

01:30:11,270 --> 01:30:09,520

700 in the list here

2428

01:30:13,590 --> 01:30:11,280

so i said look

2429

01:30:15,110 --> 01:30:13,600

you know i'm just like he was he was a

2430

01:30:16,629 --> 01:30:15,120

student here i'm a student here he

2431

01:30:17,590 --> 01:30:16,639

wanted to be a writer i want to be a

2432

01:30:19,990 --> 01:30:17,600

writer

2433

01:30:21,590 --> 01:30:20,000

i said uh i grew up in newark he grew up

2434

01:30:24,709 --> 01:30:21,600

in in brooklyn

2435

01:30:29,189 --> 01:30:26,950

not a lot of money he came in scholar on

2436

01:30:31,189 --> 01:30:29,199

scholarship i said our backgrounds are

2437

01:30:33,430 --> 01:30:31,199

very similar we're very similar

2438

01:30:36,310 --> 01:30:33,440

just give it to them and tell them

2439

01:30:37,830 --> 01:30:36,320

that i'm just like he was when he was uh

2440

01:30:39,750 --> 01:30:37,840

18 years old

2441

01:30:42,629 --> 01:30:39,760

and he said all right i'll tell you what

2442

01:30:43,910 --> 01:30:42,639

i'll give it to him but

2443

01:30:45,669 --> 01:30:43,920

that's it

2444

01:30:46,709 --> 01:30:45,679

and give it to him and tell him what you

2445

01:30:49,110 --> 01:30:46,719

told me

2446

01:30:51,189 --> 01:30:49,120

and that's that's all i'm asking

2447

01:30:53,270 --> 01:30:51,199

so i went back to new jersey where i

2448

01:30:55,590 --> 01:30:53,280

lived with my parents

2449

01:30:56,709 --> 01:30:55,600

and uh i got a call over thanksgiving

2450

01:30:58,950 --> 01:30:56,719

weekend

2451

01:31:00,470 --> 01:30:58,960

and it's william peter blatty and he

2452

01:31:01,750 --> 01:31:00,480

says i like your book i want to meet

2453

01:31:04,470 --> 01:31:01,760

with you

2454

01:31:06,550 --> 01:31:04,480

so we met and he was just uh he's passed

2455

01:31:08,229 --> 01:31:06,560

away maybe four years ago just a really

2456

01:31:10,149 --> 01:31:08,239

wonderful guy i mean i just have nothing

2457

01:31:12,310 --> 01:31:10,159

but good things to say

2458

01:31:14,149 --> 01:31:12,320

and uh it's very encouraging he read the

2459

01:31:16,790 --> 01:31:14,159

book he said well it's too personal like

2460

01:31:19,030 --> 01:31:16,800

a lot of first novels you know you don't

2461

01:31:21,510 --> 01:31:19,040

have much experience so you write about

2462

01:31:23,510 --> 01:31:21,520

things that maybe aren't so commercial

2463

01:31:26,149 --> 01:31:23,520

he said it's not commercial but

2464

01:31:28,310 --> 01:31:26,159

you have the brains and the will

2465

01:31:29,189 --> 01:31:28,320

to be a fine novelist and i'll tell you

2466

01:31:31,910 --> 01:31:29,199

what

2467

01:31:32,629 --> 01:31:31,920

you write a different kind of book you

2468

01:31:34,950 --> 01:31:32,639

know

2469

01:31:35,990 --> 01:31:34,960

and uh one that that

2470

01:31:38,070 --> 01:31:36,000

that

2471

01:31:40,229 --> 01:31:38,080

people will be more interested in

2472

01:31:42,709 --> 01:31:40,239

and i'll help you get it published

2473

01:31:44,550 --> 01:31:42,719

more than that i move because i'm in

2474

01:31:47,189 --> 01:31:44,560

aspen i have a place i have a place in

2475

01:31:48,790 --> 01:31:47,199

uh in beverly hills and i i'm going to

2476
01:31:50,310 --> 01:31:48,800
be moving quite a bit probably over the

2477
01:31:51,430 --> 01:31:50,320
next couple years

2478
01:31:52,870 --> 01:31:51,440
i'll have

2479
01:31:54,870 --> 01:31:52,880
my secretary

2480
01:31:56,709 --> 01:31:54,880
keep you informed of where i'm living so

2481
01:31:58,870 --> 01:31:56,719
you can contact me

2482
01:32:00,709 --> 01:31:58,880
you don't get a better offer than that

2483
01:32:03,030 --> 01:32:00,719
so i was a policeman at the time after i

2484
01:32:04,310 --> 01:32:03,040
graduated then and and uh i was writing

2485
01:32:06,470 --> 01:32:04,320
this book

2486
01:32:08,390 --> 01:32:06,480
so i i went to the beverly hills hotel

2487
01:32:11,669 --> 01:32:08,400
during oscar week

2488
01:32:13,350 --> 01:32:11,679

to uh turn over the new manuscript

2489

01:32:16,870 --> 01:32:13,360

so i did

2490

01:32:18,470 --> 01:32:16,880

and uh there's a story behind that i

2491

01:32:19,590 --> 01:32:18,480

you know he had death threats so i was

2492

01:32:21,270 --> 01:32:19,600

supposed to meet him at the beverly

2493

01:32:22,870 --> 01:32:21,280

hills hotel and he

2494

01:32:25,669 --> 01:32:22,880

had moved out

2495

01:32:27,270 --> 01:32:25,679

so i panicked i had almost no money

2496

01:32:29,750 --> 01:32:27,280

but finally uh

2497

01:32:31,189 --> 01:32:29,760

i i uh somebody gave me an address one

2498

01:32:32,709 --> 01:32:31,199

of the hotel people gave me an address

2499

01:32:35,030 --> 01:32:32,719

and i met with him

2500

01:32:37,350 --> 01:32:35,040

uh he was true to his word he helped me

2501

01:32:40,790 --> 01:32:37,360

get my first book published

2502

01:32:42,709 --> 01:32:40,800

but we kept had a lifelong friendship

2503

01:32:44,310 --> 01:32:42,719

you know every that's nice so often i'd

2504

01:32:45,830 --> 01:32:44,320

write something and i'd show up on his

2505

01:32:47,750 --> 01:32:45,840

doorstep and he said what are you doing

2506

01:32:48,790 --> 01:32:47,760

here you know

2507

01:32:53,270 --> 01:32:48,800

so

2508

01:32:55,990 --> 01:32:53,280

and it was about uh a woman

2509

01:32:58,550 --> 01:32:56,000

in her name a pseudonym was christine

2510

01:33:01,510 --> 01:32:58,560

beechem and she was uh displayed all the

2511

01:33:03,510 --> 01:33:01,520

signs of demonic possession

2512

01:33:07,350 --> 01:33:03,520

and she was studied

2513

01:33:09,830 --> 01:33:07,360

in 1898 to 1901 by william james the

2514

01:33:12,310 --> 01:33:09,840

famous william james uh his brother was

2515

01:33:14,070 --> 01:33:12,320

henry james the famous author william

2516

01:33:16,470 --> 01:33:14,080

james was the first

2517

01:33:18,950 --> 01:33:16,480

uh professor in harvard medical school

2518

01:33:22,229 --> 01:33:18,960

to teach abnormal psychology

2519

01:33:25,830 --> 01:33:22,239

uh dr morton prince who is uh you know a

2520

01:33:28,870 --> 01:33:25,840

uh uh a peer of sigmund freud

2521

01:33:30,070 --> 01:33:28,880

a dr waterman from the waterman penn uh

2522

01:33:33,030 --> 01:33:30,080

fortune

2523

01:33:35,030 --> 01:33:33,040

and the clever clairvoyant leonora piper

2524

01:33:37,990 --> 01:33:35,040

and they studied uh her from different

2525

01:33:39,990 --> 01:33:38,000

angles for for three or four years

2526

01:33:42,310 --> 01:33:40,000

all the transcripts uh were at the

2527

01:33:44,149 --> 01:33:42,320

harvard medical school library bladdy

2528

01:33:47,750 --> 01:33:44,159

got me access to it

2529

01:33:52,149 --> 01:33:49,350

harrowing

2530

01:33:54,229 --> 01:33:52,159

uh and most incredible

2531

01:33:57,350 --> 01:33:54,239

story you'll ever read because it's

2532

01:33:59,990 --> 01:33:57,360

totally documented letters transcripts

2533

01:34:01,110 --> 01:34:00,000

uh photographs and i wrote this book

2534

01:34:04,470 --> 01:34:01,120

about it

2535

01:34:06,629 --> 01:34:04,480

and uh it took me a long long time to do

2536

01:34:08,950 --> 01:34:06,639

and it's called the unwelcome the

2537

01:34:10,470 --> 01:34:08,960

curious case of clara fowler it'll be

2538

01:34:13,030 --> 01:34:10,480

out in september

2539

01:34:15,990 --> 01:34:13,040

wow great well we have uh

2540

01:34:17,750 --> 01:34:16,000

we have someone on the line uh that is

2541

01:34:20,550 --> 01:34:17,760

going to be talking i'm sure about our

2542

01:34:22,950 --> 01:34:20,560

previous conversation yes and that is

2543

01:34:25,350 --> 01:34:22,960

rob from florida rob you're live on the

2544

01:34:27,350 --> 01:34:25,360

air welcome to the show

2545

01:34:29,110 --> 01:34:27,360

good evening martin it's great to speak

2546

01:34:31,590 --> 01:34:29,120

to you again last time i spoke to you i

2547

01:34:33,270 --> 01:34:31,600

was up in maine and now we are headed to

2548

01:34:35,110 --> 01:34:33,280

new mexico and arizona and our first

2549

01:34:37,430 --> 01:34:35,120

stop's going to be roswell and uh

2550

01:34:39,430 --> 01:34:37,440

looking forward never been out there and

2551

01:34:42,229 --> 01:34:39,440

uh

2552

01:34:44,149 --> 01:34:42,239

very interesting story

2553

01:34:46,550 --> 01:34:44,159

you mentioned i think this is the first

2554

01:34:49,910 --> 01:34:46,560

time i've ever heard this where these

2555

01:34:52,870 --> 01:34:49,920

beings discuss a superior force we call

2556

01:34:54,870 --> 01:34:52,880

it god they call it something else but

2557

01:34:57,669 --> 01:34:54,880

that that's fascinating can you expand

2558

01:35:00,149 --> 01:34:57,679

upon that just a bit because they

2559

01:35:01,990 --> 01:35:00,159

appeared to recognize or some kind of or

2560

01:35:03,750 --> 01:35:02,000

identify there's a superior force over

2561

01:35:05,590 --> 01:35:03,760

the whole universe

2562

01:35:08,310 --> 01:35:05,600

if you could expand on that it'd be very

2563

01:35:09,750 --> 01:35:08,320

interesting sure no i i'd be delighted

2564

01:35:12,070 --> 01:35:09,760

and this is one of the things that makes

2565

01:35:15,189 --> 01:35:12,080

this story sort of an enigma

2566

01:35:17,030 --> 01:35:15,199

the the way that um dawn

2567

01:35:19,510 --> 01:35:17,040

in in this sort of robotic voice i

2568

01:35:21,830 --> 01:35:19,520

talked almost being channeled it seemed

2569

01:35:23,270 --> 01:35:21,840

talked about the one supreme

2570

01:35:25,830 --> 01:35:23,280

and the one of the things that was

2571

01:35:27,350 --> 01:35:25,840

strange but

2572

01:35:29,590 --> 01:35:27,360

over the years

2573

01:35:30,629 --> 01:35:29,600

maybe isn't as strange as as i first

2574

01:35:33,030 --> 01:35:30,639

thought

2575

01:35:35,350 --> 01:35:33,040

they said that is the one supreme like a

2576

01:35:38,709 --> 01:35:35,360

leader of some kind and she says no it's

2577

01:35:39,750 --> 01:35:38,719

a god but very strong it's a god

2578

01:35:41,910 --> 01:35:39,760

and um

2579

01:35:44,390 --> 01:35:41,920

what does the one supreme one he wants

2580

01:35:46,310 --> 01:35:44,400

to unite the five galaxies he talks

2581

01:35:47,270 --> 01:35:46,320

about five galaxies

2582

01:35:49,750 --> 01:35:47,280

um

2583

01:35:51,750 --> 01:35:49,760

the interesting thing too

2584

01:35:54,070 --> 01:35:51,760

he says

2585

01:35:56,870 --> 01:35:54,080

we are made in its image

2586

01:35:59,189 --> 01:35:56,880

but the others aren't meaning the the

2587

01:36:01,030 --> 01:35:59,199

beings that she encountered and why not

2588

01:36:02,870 --> 01:36:01,040

aren't

2589

01:36:05,990 --> 01:36:02,880

but humans are

2590

01:36:07,750 --> 01:36:06,000

and maybe it's because and she said

2591

01:36:08,830 --> 01:36:07,760

that they're exploring and want to know

2592

01:36:11,669 --> 01:36:08,840

about human

2593

01:36:14,070 --> 01:36:11,679

emotions and i wonder if the thing that

2594

01:36:17,430 --> 01:36:14,080

separates humans

2595

01:36:22,830 --> 01:36:17,440

from maybe any other species is the

2596

01:36:27,510 --> 01:36:25,270

fascinating now

2597

01:36:29,830 --> 01:36:27,520

you know this this you hear this on

2598

01:36:31,669 --> 01:36:29,840

these accounts these beings typically

2599

01:36:33,510 --> 01:36:31,679

don't have any emotions

2600

01:36:34,470 --> 01:36:33,520

yeah and we're of course

2601
01:36:36,870 --> 01:36:34,480
you know

2602
01:36:38,870 --> 01:36:36,880
brimming with emotions yeah that's for

2603
01:36:41,669 --> 01:36:38,880
sure sometimes for the good and

2604
01:36:44,550 --> 01:36:41,679
sometimes not for the good right

2605
01:36:47,669 --> 01:36:44,560
oh that's that that's for sure now when

2606
01:36:49,910 --> 01:36:47,679
you say galaxies did you equate that as

2607
01:36:52,149 --> 01:36:49,920
like our milky way galaxy and of course

2608
01:36:54,070 --> 01:36:52,159
there's a million galaxies across our

2609
01:36:56,790 --> 01:36:54,080
entire universe do you think you were

2610
01:36:58,870 --> 01:36:56,800
referring to our galaxies or the entire

2611
01:37:00,709 --> 01:36:58,880
universe

2612
01:37:02,390 --> 01:37:00,719
my guess would be

2613
01:37:03,669 --> 01:37:02,400

and again it's a guess no better than

2614

01:37:05,990 --> 01:37:03,679

yours

2615

01:37:07,750 --> 01:37:06,000

my impression was the entire universe

2616

01:37:09,669 --> 01:37:07,760

and this is what i was getting at a

2617

01:37:11,189 --> 01:37:09,679

little bit when i said my thinking has

2618

01:37:13,830 --> 01:37:11,199

changed when i first

2619

01:37:15,910 --> 01:37:13,840

i'm not a particularly religious guy so

2620

01:37:17,990 --> 01:37:15,920

just put it in that context i'm nothing

2621

01:37:19,430 --> 01:37:18,000

against religion but i'm not a very

2622

01:37:20,870 --> 01:37:19,440

religious fellow

2623

01:37:23,189 --> 01:37:20,880

but

2624

01:37:25,109 --> 01:37:23,199

originally and i heard a physicist an

2625

01:37:27,030 --> 01:37:25,119

astrophysicist talk about this not too

2626
01:37:29,669 --> 01:37:27,040
long ago maybe a month ago something

2627
01:37:30,790 --> 01:37:29,679
like that and it struck a chord with me

2628
01:37:34,310 --> 01:37:30,800
he said

2629
01:37:35,669 --> 01:37:34,320
originally meaning 15 years ago or so

2630
01:37:37,189 --> 01:37:35,679
people thought that there were many

2631
01:37:38,950 --> 01:37:37,199
earths you know that there were

2632
01:37:40,709 --> 01:37:38,960
thousands of earths maybe hundreds of

2633
01:37:42,070 --> 01:37:40,719
thousands of earths

2634
01:37:42,950 --> 01:37:42,080
and and

2635
01:37:44,550 --> 01:37:42,960
and

2636
01:37:46,310 --> 01:37:44,560
perhaps

2637
01:37:48,390 --> 01:37:46,320
human beings or something like human

2638
01:37:50,790 --> 01:37:48,400

beings that existed

2639

01:37:53,350 --> 01:37:50,800

but as they start to study it the

2640

01:37:54,790 --> 01:37:53,360

physicist said more and more the

2641

01:37:56,470 --> 01:37:54,800

uniqueness

2642

01:37:58,870 --> 01:37:56,480

of the earth

2643

01:38:02,470 --> 01:37:58,880

becomes the spotlight of things and the

2644

01:38:04,790 --> 01:38:02,480

uniqueness of human existence

2645

01:38:07,910 --> 01:38:04,800

may be a lot more rare

2646

01:38:09,750 --> 01:38:07,920

than we thought 15 years ago

2647

01:38:10,629 --> 01:38:09,760

so for example

2648

01:38:14,629 --> 01:38:10,639

um

2649

01:38:18,790 --> 01:38:17,750

nobel prize uh for the nobel prize in

2650

01:38:21,990 --> 01:38:18,800

science

2651
01:38:25,430 --> 01:38:22,000
for uh discovering the dna

2652
01:38:26,709 --> 01:38:25,440
he was the co-founder of the dna helix

2653
01:38:29,750 --> 01:38:26,719
and um

2654
01:38:31,750 --> 01:38:29,760
he said i i don't believe in evolution

2655
01:38:34,149 --> 01:38:31,760
i i believe that

2656
01:38:35,590 --> 01:38:34,159
for the human brain to be

2657
01:38:37,189 --> 01:38:35,600
created

2658
01:38:38,870 --> 01:38:37,199
and evolved over the course of 10

2659
01:38:40,709 --> 01:38:38,880
billion years or whatever

2660
01:38:43,189 --> 01:38:40,719
the time frame was

2661
01:38:46,390 --> 01:38:43,199
is it is as likely

2662
01:38:51,189 --> 01:38:46,400
as a tornado going through a junkyard

2663
01:38:53,350 --> 01:38:51,199

leaving behind a 747 jet fully assembled

2664

01:38:54,020 --> 01:38:53,360

that revs up takes off and flies to

2665

01:38:55,669 --> 01:38:54,030

europa

2666

01:38:56,629 --> 01:38:55,679

[Music]

2667

01:38:58,550 --> 01:38:56,639

he thinks

2668

01:39:00,390 --> 01:38:58,560

he believes in transpermia direct

2669

01:39:03,669 --> 01:39:00,400

transpermia and that we are the

2670

01:39:06,470 --> 01:39:03,679

descendants the dna came from other

2671

01:39:09,109 --> 01:39:06,480

another universe

2672

01:39:10,310 --> 01:39:09,119

well that's fascinating

2673

01:39:13,430 --> 01:39:10,320

because you know

2674

01:39:15,669 --> 01:39:13,440

we're the the human body is such a an

2675

01:39:17,669 --> 01:39:15,679

amazing organism when you think about it

2676

01:39:19,990 --> 01:39:17,679

i mean you see you know the the spine

2677

01:39:22,070 --> 01:39:20,000

these weight lifters lifting 700 pounds

2678

01:39:23,750 --> 01:39:22,080

i mean it is a little hard to believe

2679

01:39:26,870 --> 01:39:23,760

the lightning bolt in the primordial

2680

01:39:28,709 --> 01:39:26,880

suit made this incredibly perfect body

2681

01:39:29,990 --> 01:39:28,719

but well thank you so much i'm sure

2682

01:39:31,350 --> 01:39:30,000

there's others that like to ask

2683

01:39:33,430 --> 01:39:31,360

questions and uh

2684

01:39:35,109 --> 01:39:33,440

thank you for coming on thank you martin

2685

01:39:36,070 --> 01:39:35,119

thanks all right thank you very much for

2686

01:39:38,709 --> 01:39:36,080

the call

2687

01:39:42,870 --> 01:39:38,719

so uh yeah that was interesting and i

2688

01:39:45,430 --> 01:39:42,880

was sent this week a scientific paper

2689

01:39:47,270 --> 01:39:45,440

that kind of goes along with that

2690

01:39:48,470 --> 01:39:47,280

theory in a way that it looks like our

2691

01:39:50,629 --> 01:39:48,480

dna

2692

01:39:52,550 --> 01:39:50,639

uh may have been altered there's some

2693

01:39:55,030 --> 01:39:52,560

type of scientific paper

2694

01:39:57,189 --> 01:39:55,040

along the way and and i i have been

2695

01:39:59,590 --> 01:39:57,199

taught i've said a number of times on

2696

01:40:02,070 --> 01:39:59,600

this show that i have to think that you

2697

01:40:03,350 --> 01:40:02,080

know it is kind of unusual that we could

2698

01:40:05,030 --> 01:40:03,360

develop

2699

01:40:07,430 --> 01:40:05,040

um our brains

2700

01:40:11,030 --> 01:40:07,440

the way we did in such a quick fashion

2701
01:40:13,430 --> 01:40:11,040
of only 300 000 years or so or 150 000

2702
01:40:15,590 --> 01:40:13,440
years i mean for evolution to to make

2703
01:40:17,510 --> 01:40:15,600
that happen it just it seems like a big

2704
01:40:19,430 --> 01:40:17,520
jump to me but i mean yeah i'm not a

2705
01:40:21,350 --> 01:40:19,440
scientist i'm not an anthropomorphic but

2706
01:40:23,270 --> 01:40:21,360
what frick was and this is what frick

2707
01:40:25,270 --> 01:40:23,280
you know this was his field of study he

2708
01:40:26,629 --> 01:40:25,280
wrote a book called life

2709
01:40:28,790 --> 01:40:26,639
and that's where he put forward his

2710
01:40:30,950 --> 01:40:28,800
theory by the way it didn't go over well

2711
01:40:31,750 --> 01:40:30,960
a lot like john mack from harvard

2712
01:40:34,390 --> 01:40:31,760
yeah

2713
01:40:35,830 --> 01:40:34,400

so you know you become ostracized and uh

2714

01:40:37,430 --> 01:40:35,840

even though this was a guy that won the

2715

01:40:38,629 --> 01:40:37,440

nobel prize in science people

2716

01:40:41,350 --> 01:40:38,639

pooh-poohed

2717

01:40:43,430 --> 01:40:41,360

this idea of direct transpermia

2718

01:40:45,350 --> 01:40:43,440

you know kind of along the same lines of

2719

01:40:47,030 --> 01:40:45,360

our conversation tonight

2720

01:40:48,709 --> 01:40:47,040

i remember seeing i'm i'm trying to

2721

01:40:51,350 --> 01:40:48,719

remember he's a well-known

2722

01:40:54,070 --> 01:40:51,360

uh a harvard professor

2723

01:40:56,709 --> 01:40:54,080

he's talking about john mack and he says

2724

01:40:59,109 --> 01:40:56,719

yes it's okay for you to believe in the

2725

01:41:01,590 --> 01:40:59,119

spirits in the sky meaning religion but

2726

01:41:03,590 --> 01:41:01,600

he says but don't believe in aliens or

2727

01:41:07,750 --> 01:41:03,600

you'll really get in trouble yeah you

2728

01:41:09,510 --> 01:41:07,760

know um so that and and john mack didn't

2729

01:41:12,790 --> 01:41:09,520

actually say he was believing in aliens

2730

01:41:15,109 --> 01:41:12,800

but he did really take the uh uh

2731

01:41:16,950 --> 01:41:15,119

abduction the people he took them

2732

01:41:20,390 --> 01:41:16,960

serious at their word that they weren't

2733

01:41:21,910 --> 01:41:20,400

psychotic uh we have we have uh a

2734

01:41:24,629 --> 01:41:21,920

regular caller i haven't heard from him

2735

01:41:26,870 --> 01:41:24,639

in a while andy from connecticut you are

2736

01:41:29,270 --> 01:41:26,880

live on the show andy welcome

2737

01:41:32,229 --> 01:41:29,280

hi hi guys yeah um

2738

01:41:33,990 --> 01:41:32,239

i i always i always listen uh either

2739

01:41:35,590 --> 01:41:34,000

later or uh

2740

01:41:37,590 --> 01:41:35,600

live but don't comment because i'm still

2741

01:41:40,229 --> 01:41:37,600

working but uh

2742

01:41:43,030 --> 01:41:40,239

ron great show i read the book and i've

2743

01:41:46,790 --> 01:41:43,040

seen the uh i've seen the paranormal

2744

01:41:49,030 --> 01:41:46,800

witness uh episode a few times um i just

2745

01:41:51,109 --> 01:41:49,040

wanted your thoughts on you know from a

2746

01:41:53,750 --> 01:41:51,119

religious perspective

2747

01:41:58,709 --> 01:41:53,760

what what you think of the uh uh

2748

01:42:00,709 --> 01:41:58,719

hypnosis uh testimony from dawn about

2749

01:42:03,350 --> 01:42:00,719

the aliens saying that our planet is

2750

01:42:05,990 --> 01:42:03,360

special we were created in god's image

2751
01:42:08,229 --> 01:42:06,000
and they weren't or their planet wasn't

2752
01:42:10,790 --> 01:42:08,239
and that uh

2753
01:42:13,109 --> 01:42:10,800
you know what what you think of that um

2754
01:42:15,030 --> 01:42:13,119
i i've always thought that that

2755
01:42:17,430 --> 01:42:15,040
uh that fact or that i've had the

2756
01:42:19,669 --> 01:42:17,440
suspicion that that um

2757
01:42:22,870 --> 01:42:19,679
is why the aliens are so curious about

2758
01:42:25,510 --> 01:42:22,880
us because we we are very unique

2759
01:42:28,550 --> 01:42:25,520
and uh i'll take your answer off the air

2760
01:42:29,750 --> 01:42:28,560
here and let somebody else call in

2761
01:42:31,270 --> 01:42:29,760
thank you andy

2762
01:42:33,990 --> 01:42:31,280
yeah i mean people i guess

2763
01:42:35,990 --> 01:42:34,000

anthropomorphic is is the word you know

2764

01:42:37,350 --> 01:42:36,000

people tend to humanize things so you

2765

01:42:39,350 --> 01:42:37,360

know

2766

01:42:40,870 --> 01:42:39,360

you you are a human and you look at it

2767

01:42:43,669 --> 01:42:40,880

from a human point of view and so what

2768

01:42:44,470 --> 01:42:43,679

you tend to see is greatly influenced by

2769

01:42:46,149 --> 01:42:44,480

that

2770

01:42:50,310 --> 01:42:46,159

um

2771

01:42:51,430 --> 01:42:50,320

i think that like i said what resonated

2772

01:42:53,669 --> 01:42:51,440

with me

2773

01:42:55,109 --> 01:42:53,679

was this astrophysicist and it had

2774

01:42:57,990 --> 01:42:55,119

nothing to do with religion he was

2775

01:42:59,990 --> 01:42:58,000

talking about science and just the the

2776

01:43:02,310 --> 01:43:00,000

evolution the recent evolution of

2777

01:43:03,510 --> 01:43:02,320

people's thinking scientists thinking

2778

01:43:05,910 --> 01:43:03,520

about

2779

01:43:07,430 --> 01:43:05,920

you know at first was oh that there's a

2780

01:43:09,590 --> 01:43:07,440

you know all these places that have the

2781

01:43:10,790 --> 01:43:09,600

same conditions as earth and this could

2782

01:43:11,590 --> 01:43:10,800

happen

2783

01:43:14,149 --> 01:43:11,600

but

2784

01:43:17,109 --> 01:43:14,159

apparently it really isn't that way

2785

01:43:18,790 --> 01:43:17,119

that that a unique set of circumstances

2786

01:43:20,310 --> 01:43:18,800

it isn't just that there's water it

2787

01:43:22,470 --> 01:43:20,320

isn't just that there's oxygen or

2788

01:43:24,870 --> 01:43:22,480

whatever it might be that it isn't just

2789

01:43:27,270 --> 01:43:24,880

that there's carbon available it's it's

2790

01:43:29,830 --> 01:43:27,280

a a incredibly

2791

01:43:30,870 --> 01:43:29,840

unique set of circumstances coming

2792

01:43:33,510 --> 01:43:30,880

together

2793

01:43:36,229 --> 01:43:33,520

in a in a very specific way

2794

01:43:39,109 --> 01:43:36,239

to create a human life and particularly

2795

01:43:40,229 --> 01:43:39,119

the ability to reason and look into the

2796

01:43:42,870 --> 01:43:40,239

future

2797

01:43:45,910 --> 01:43:42,880

and uh and show emotions

2798

01:43:49,350 --> 01:43:45,920

uh emotions generally but particularly i

2799

01:43:52,310 --> 01:43:49,360

suppose emotions that go outside oneself

2800

01:43:54,629 --> 01:43:52,320

so for example if darwin is absolutely

2801
01:43:56,149 --> 01:43:54,639
right and everything's about survival

2802
01:43:59,189 --> 01:43:56,159
how do you explain

2803
01:44:01,910 --> 01:43:59,199
you know somebody sacrificing their life

2804
01:44:03,910 --> 01:44:01,920
for another person

2805
01:44:07,910 --> 01:44:03,920
that shouldn't happen

2806
01:44:09,910 --> 01:44:07,920
how do you explain a you know a soldier

2807
01:44:12,629 --> 01:44:09,920
protecting his platoon

2808
01:44:13,590 --> 01:44:12,639
uh a husband defending his family

2809
01:44:14,470 --> 01:44:13,600
um

2810
01:44:17,990 --> 01:44:14,480
uh

2811
01:44:22,070 --> 01:44:18,000
people doing things that that go way

2812
01:44:24,310 --> 01:44:22,080
outside of the idea of moving

2813
01:44:26,149 --> 01:44:24,320

of their whole logic being for them to

2814

01:44:28,310 --> 01:44:26,159

survive

2815

01:44:30,070 --> 01:44:28,320

so the idea of i don't know a mother

2816

01:44:32,070 --> 01:44:30,080

teresa or whatever

2817

01:44:34,709 --> 01:44:32,080

people that are humanitarians and that

2818

01:44:37,510 --> 01:44:34,719

that prefer giving to taking

2819

01:44:40,390 --> 01:44:37,520

how do you explain that uh if

2820

01:44:42,149 --> 01:44:40,400

if everything is about survival instinct

2821

01:44:44,229 --> 01:44:42,159

so clearly everything isn't about

2822

01:44:46,149 --> 01:44:44,239

survival instinct and this is a unique

2823

01:44:47,669 --> 01:44:46,159

set of experiences

2824

01:44:49,669 --> 01:44:47,679

and um

2825

01:44:52,629 --> 01:44:49,679

and maybe maybe

2826

01:44:55,750 --> 01:44:52,639

it's not so prevalent maybe there aren't

2827

01:44:57,830 --> 01:44:55,760

a million earths and a million

2828

01:44:58,950 --> 01:44:57,840

reasoning feeling

2829

01:45:00,229 --> 01:44:58,960

uh

2830

01:45:01,510 --> 01:45:00,239

beings

2831

01:45:03,830 --> 01:45:01,520

like us

2832

01:45:05,910 --> 01:45:03,840

and like i said it sounds self-centered

2833

01:45:07,590 --> 01:45:05,920

and very anthropomorphic to talk that

2834

01:45:09,109 --> 01:45:07,600

way

2835

01:45:11,189 --> 01:45:09,119

but maybe it's true

2836

01:45:14,310 --> 01:45:11,199

you know i understand that uh that the

2837

01:45:16,470 --> 01:45:14,320

earth goes around the sun not in reverse

2838

01:45:19,030 --> 01:45:16,480

yeah but nevertheless uh sometimes

2839

01:45:21,270 --> 01:45:19,040

things that that seem

2840

01:45:22,390 --> 01:45:21,280

not so likely turn out to be the answer

2841

01:45:23,750 --> 01:45:22,400

you know

2842

01:45:25,510 --> 01:45:23,760

right

2843

01:45:28,149 --> 01:45:25,520

very interesting we have eric on the

2844

01:45:30,790 --> 01:45:28,159

line from boston eric you are live on

2845

01:45:32,629 --> 01:45:30,800

the air welcome to the show

2846

01:45:33,910 --> 01:45:32,639

all right thanks martin

2847

01:45:41,590 --> 01:45:33,920

um

2848

01:45:45,030 --> 01:45:41,600

being

2849

01:45:48,950 --> 01:45:45,040

made in gum god's image and

2850

01:45:50,709 --> 01:45:48,960

am i right in the in that interpretation

2851
01:45:54,070 --> 01:45:50,719
is because

2852
01:45:56,629 --> 01:45:54,080
they're not being seen as um

2853
01:45:58,950 --> 01:45:56,639
positive uh that

2854
01:46:00,229 --> 01:45:58,960
the the the kind of the assumption is

2855
01:46:02,950 --> 01:46:00,239
made that

2856
01:46:05,030 --> 01:46:02,960
they don't have feelings they can't love

2857
01:46:06,950 --> 01:46:05,040
am i getting that wrong

2858
01:46:10,550 --> 01:46:06,960
well i mean what uh dawn says under

2859
01:46:12,790 --> 01:46:10,560
hypnosis is that is that they don't have

2860
01:46:15,270 --> 01:46:12,800
emotions like we do

2861
01:46:18,950 --> 01:46:15,280
and to them it's very curious and

2862
01:46:19,830 --> 01:46:18,960
something uh that warrants study

2863
01:46:25,669 --> 01:46:19,840

and

2864

01:46:27,590 --> 01:46:25,679

communion as they say right like in the

2865

01:46:29,109 --> 01:46:27,600

whitley striper sense if there's going

2866

01:46:32,470 --> 01:46:29,119

to be a communion they have to

2867

01:46:34,950 --> 01:46:32,480

understand human emotions and so that's

2868

01:46:36,390 --> 01:46:34,960

that's sort of a uh

2869

01:46:38,870 --> 01:46:36,400

you know you talk about studying

2870

01:46:40,550 --> 01:46:38,880

reproductive systems and studying the

2871

01:46:42,390 --> 01:46:40,560

physical aspects

2872

01:46:44,550 --> 01:46:42,400

what they're talking about is studying

2873

01:46:46,550 --> 01:46:44,560

the psychological aspects

2874

01:46:48,070 --> 01:46:46,560

because yeah they don't have emotions

2875

01:46:50,390 --> 01:46:48,080

like we do

2876

01:46:52,229 --> 01:46:50,400

this is a curiosity to them

2877

01:46:55,109 --> 01:46:52,239

and in order to

2878

01:46:57,430 --> 01:46:55,119

to communicate in a way that doesn't i

2879

01:46:59,510 --> 01:46:57,440

guess scare the hell out of everybody

2880

01:47:01,910 --> 01:46:59,520

they need to understand how to approach

2881

01:47:02,709 --> 01:47:01,920

this and i think that's uh i think

2882

01:47:05,030 --> 01:47:02,719

that's

2883

01:47:07,030 --> 01:47:05,040

the message that i got from what dawn

2884

01:47:10,149 --> 01:47:07,040

dawn was saying

2885

01:47:13,510 --> 01:47:10,159

yeah anything else eric i think

2886

01:47:14,709 --> 01:47:13,520

i i think um it's uh

2887

01:47:17,270 --> 01:47:14,719

i think it's

2888

01:47:19,990 --> 01:47:17,280

an interpretation on their part

2889

01:47:23,669 --> 01:47:20,000

that the they don't have those feelings

2890

01:47:24,629 --> 01:47:23,679

and stuff um and you know if i'm to go

2891

01:47:25,590 --> 01:47:24,639

with

2892

01:47:27,270 --> 01:47:25,600

who's

2893

01:47:29,830 --> 01:47:27,280

the um

2894

01:47:30,709 --> 01:47:29,840

the higher intelligence

2895

01:47:33,189 --> 01:47:30,719

um

2896

01:47:35,510 --> 01:47:33,199

i'd have to go with them the chances are

2897

01:47:38,229 --> 01:47:35,520

what people don't what people generally

2898

01:47:40,070 --> 01:47:38,239

don't seem to understand is that uh

2899

01:47:43,669 --> 01:47:40,080

extra um

2900

01:47:46,310 --> 01:47:43,679

extra terrestrial intelligence is

2901

01:47:47,590 --> 01:47:46,320

above and beyond our own

2902

01:47:51,270 --> 01:47:47,600

and so

2903

01:47:54,149 --> 01:47:51,280

um okay what i'd also like to know is

2904

01:47:57,030 --> 01:47:54,159

uh if you know the travis walton story

2905

01:47:58,950 --> 01:47:57,040

as years have gone by travis is much

2906

01:48:01,350 --> 01:47:58,960

more comfortable with saying you know it

2907

01:48:03,430 --> 01:48:01,360

was more like an ambulance call

2908

01:48:05,830 --> 01:48:03,440

and they smoked his life and they've got

2909

01:48:07,830 --> 01:48:05,840

more positive things to say about

2910

01:48:11,350 --> 01:48:07,840

do these people have they ever

2911

01:48:15,030 --> 01:48:11,360

considered that their interpretation

2912

01:48:18,070 --> 01:48:15,040

is why they were so fearful that on

2913

01:48:21,109 --> 01:48:18,080

other people there could be other people

2914

01:48:23,189 --> 01:48:21,119

given the situation might actually have

2915

01:48:25,750 --> 01:48:23,199

enjoyed it

2916

01:48:28,550 --> 01:48:25,760

yeah i know i i i take uh what you're

2917

01:48:30,790 --> 01:48:28,560

saying uh seriously i mean i think

2918

01:48:33,270 --> 01:48:30,800

intelligence clearly

2919

01:48:35,189 --> 01:48:33,280

we can't do what they can do

2920

01:48:37,109 --> 01:48:35,199

we're not showing up on their

2921

01:48:39,990 --> 01:48:37,119

planet we're not showing up where they

2922

01:48:41,990 --> 01:48:40,000

live but i think i think more than

2923

01:48:43,270 --> 01:48:42,000

anything i don't think that

2924

01:48:45,189 --> 01:48:43,280

that

2925

01:48:47,189 --> 01:48:45,199

it's necessarily an evil thing i mean

2926

01:48:48,709 --> 01:48:47,199

this is one way of interpreting it but

2927

01:48:49,910 --> 01:48:48,719

the other way of interpreting it look

2928

01:48:52,149 --> 01:48:49,920

what we do

2929

01:48:54,629 --> 01:48:52,159

to chimpanzees

2930

01:48:56,709 --> 01:48:54,639

or what scientists do to animals i mean

2931

01:48:58,310 --> 01:48:56,719

basically it isn't that they hate these

2932

01:49:00,470 --> 01:48:58,320

animals or they're trying to torment

2933

01:49:02,070 --> 01:49:00,480

them they're studying them and so there

2934

01:49:03,270 --> 01:49:02,080

are dissections there's things that you

2935

01:49:05,430 --> 01:49:03,280

do that are

2936

01:49:08,070 --> 01:49:05,440

you know are awful if you look at it

2937

01:49:09,590 --> 01:49:08,080

from the point of view of the animal or

2938

01:49:11,430 --> 01:49:09,600

the test subject

2939

01:49:13,669 --> 01:49:11,440

i think that

2940

01:49:15,910 --> 01:49:13,679

that that's more i mean i i would never

2941

01:49:17,830 --> 01:49:15,920

argue that that we're more intelligent

2942

01:49:19,270 --> 01:49:17,840

than these beings clearly that clearly

2943

01:49:21,189 --> 01:49:19,280

that's not

2944

01:49:24,390 --> 01:49:21,199

not true and not possible

2945

01:49:27,350 --> 01:49:24,400

but it is possible that we have a set of

2946

01:49:29,270 --> 01:49:27,360

uh experiences and maybe a set called

2947

01:49:31,030 --> 01:49:29,280

emotions feelings

2948

01:49:32,390 --> 01:49:31,040

that they don't have

2949

01:49:34,390 --> 01:49:32,400

i mean that that's

2950

01:49:36,470 --> 01:49:34,400

clearly possible as well

2951

01:49:39,189 --> 01:49:36,480

um i don't necessarily think they're

2952

01:49:40,550 --> 01:49:39,199

evil i think that they were scientists

2953

01:49:43,350 --> 01:49:40,560

okay

2954

01:49:45,990 --> 01:49:43,360

could it be that they have just as much

2955

01:49:49,430 --> 01:49:46,000

as emotion as we do

2956

01:49:50,950 --> 01:49:49,440

but they were absolutely perplexed with

2957

01:49:53,750 --> 01:49:50,960

the horror

2958

01:49:56,550 --> 01:49:53,760

the the emotions of horror in these

2959

01:49:57,910 --> 01:49:56,560

people and yes they became more they're

2960

01:49:58,870 --> 01:49:57,920

concerned

2961

01:50:01,669 --> 01:49:58,880

and

2962

01:50:02,790 --> 01:50:01,679

they were very interested in you know

2963

01:50:03,750 --> 01:50:02,800

why

2964

01:50:07,189 --> 01:50:03,760

this

2965

01:50:09,510 --> 01:50:07,199

um reaction of utter horror what is

2966

01:50:10,790 --> 01:50:09,520

going on here with these people that

2967

01:50:12,070 --> 01:50:10,800

they're like

2968

01:50:13,990 --> 01:50:12,080

that i mean that's a really that's

2969

01:50:16,790 --> 01:50:14,000

really an interesting point of view and

2970

01:50:18,149 --> 01:50:16,800

i think that's as likely as as any

2971

01:50:19,910 --> 01:50:18,159

take on it

2972

01:50:22,070 --> 01:50:19,920

thank you very much you know i i did

2973

01:50:23,430 --> 01:50:22,080

want to mention eric i don't claim to

2974

01:50:25,830 --> 01:50:23,440

know

2975

01:50:28,310 --> 01:50:25,840

exactly what this means i i don't i

2976

01:50:29,990 --> 01:50:28,320

don't know what it means i i look at it

2977

01:50:31,750 --> 01:50:30,000

as i mentioned it's like a sort of gem

2978

01:50:33,350 --> 01:50:31,760

you hold it up to the light

2979

01:50:34,870 --> 01:50:33,360

and you see what you see

2980

01:50:36,550 --> 01:50:34,880

and if you hold it from a particular

2981

01:50:38,229 --> 01:50:36,560

angle it looks one way you hold it from

2982

01:50:40,149 --> 01:50:38,239

another angle and it looks quite

2983

01:50:42,070 --> 01:50:40,159

different

2984

01:50:44,310 --> 01:50:42,080

do you think uh you know

2985

01:50:48,310 --> 01:50:44,320

one of the emotions i think of and one

2986

01:50:50,629 --> 01:50:48,320

of the words that seems to come up a lot

2987

01:50:53,589 --> 01:50:50,639

in these conversations with uh with

2988

01:50:55,990 --> 01:50:53,599

people is is is the emotion or

2989

01:50:58,550 --> 01:50:56,000

whatever you would call it of love

2990

01:50:59,589 --> 01:50:58,560

you know is love an evolutionary thing

2991

01:51:00,790 --> 01:50:59,599

so we

2992

01:51:02,950 --> 01:51:00,800

survive

2993

01:51:04,790 --> 01:51:02,960

or is it more than that you know i mean

2994

01:51:06,229 --> 01:51:04,800

i know it's kind of a philosophical

2995

01:51:08,709 --> 01:51:06,239

question i'm asking you but i'm

2996

01:51:10,390 --> 01:51:08,719

wondering if that was ever any part of

2997

01:51:13,910 --> 01:51:10,400

the regression

2998

01:51:15,830 --> 01:51:13,920

talk that happened that particular

2999

01:51:17,350 --> 01:51:15,840

thing

3000

01:51:18,870 --> 01:51:17,360

um

3001

01:51:20,870 --> 01:51:18,880

no

3002

01:51:23,589 --> 01:51:20,880

it wasn't didn't come up as something

3003

01:51:26,229 --> 01:51:23,599

like uh love that word never came up

3004

01:51:29,830 --> 01:51:26,239

emotions came up quite often feelings

3005

01:51:30,950 --> 01:51:29,840

came up quite often um but not love but

3006

01:51:33,430 --> 01:51:30,960

i i would

3007

01:51:35,109 --> 01:51:33,440

venture to say that in retrospect

3008

01:51:37,350 --> 01:51:35,119

what might have also been of great

3009

01:51:39,510 --> 01:51:37,360

interest to these beings is the love a

3010

01:51:41,350 --> 01:51:39,520

mother has for her kids

3011

01:51:43,830 --> 01:51:41,360

right because she was incredibly

3012

01:51:45,830 --> 01:51:43,840

concerned about the well-being of her

3013

01:51:48,550 --> 01:51:45,840

children more than herself

3014

01:51:51,109 --> 01:51:48,560

yes so if they were observing that

3015

01:51:53,750 --> 01:51:51,119

that would be perplexing probably maybe

3016

01:51:54,790 --> 01:51:53,760

not i don't know if what their evolution

3017

01:51:55,750 --> 01:51:54,800

would be

3018

01:51:57,750 --> 01:51:55,760

but uh

3019

01:52:00,229 --> 01:51:57,760

yeah here's an one more question and

3020

01:52:03,750 --> 01:52:00,239

we're just at the end here uh did any of

3021

01:52:06,070 --> 01:52:03,760

the alphabet agencies uh ever contact

3022

01:52:08,229 --> 01:52:06,080

elise or tom or don or steve whatever

3023

01:52:10,229 --> 01:52:08,239

they're gonna be called these days

3024

01:52:12,470 --> 01:52:10,239

um no no

3025

01:52:14,870 --> 01:52:12,480

how about any other people contact them

3026

01:52:16,950 --> 01:52:14,880

any investigators really you know other

3027

01:52:19,030 --> 01:52:16,960

than yourself

3028

01:52:20,229 --> 01:52:19,040

well really their their name was kept

3029

01:52:21,109 --> 01:52:20,239

kept uh

3030

01:52:23,109 --> 01:52:21,119

uh

3031

01:52:25,270 --> 01:52:23,119

you know they were using pseudonyms and

3032

01:52:27,270 --> 01:52:25,280

so so no one really could identify them

3033

01:52:29,910 --> 01:52:27,280

to to track them down if you're asking

3034

01:52:31,589 --> 01:52:29,920

about agencies the cia nsa or whatever

3035

01:52:35,030 --> 01:52:31,599

no the answer is no

3036

01:52:36,790 --> 01:52:35,040

yes yes excellent well uh one more time

3037

01:52:38,629 --> 01:52:36,800

if you would give the name of your book

3038

01:52:40,310 --> 01:52:38,639

that's due out this fall

3039

01:52:42,709 --> 01:52:40,320

yeah it's called the unwelcome

3040

01:52:44,790 --> 01:52:42,719

the curious case of clara fowler and of

3041

01:52:47,510 --> 01:52:44,800

course this is the mojave incident and

3042

01:52:49,430 --> 01:52:47,520

um it's available on amazon or wherever

3043

01:52:50,310 --> 01:52:49,440

yeah i have a website

3044

01:52:52,390 --> 01:52:50,320

ron

3045

01:52:54,550 --> 01:52:52,400

gilbert.com that's simple

3046

01:52:56,470 --> 01:52:54,560

well you know i didn't even find that so

3047

01:52:58,149 --> 01:52:56,480

i can't remember how we connected but i

3048

01:53:00,149 --> 01:52:58,159

will put that in the show notes and down

3049

01:53:01,990 --> 01:53:00,159

in the notes here below this video as

3050

01:53:03,669 --> 01:53:02,000

well thank you so much it's been a real

3051

01:53:06,149 --> 01:53:03,679

pleasure you've been a great guest

3052

01:53:07,830 --> 01:53:06,159

thank you martin a pleasure

3053

01:53:09,510 --> 01:53:07,840

all right take care

3054

01:53:12,310 --> 01:53:09,520

all right everyone as a reminder we'll

3055

01:53:13,430 --> 01:53:12,320

be back next week um with chris

3056

01:53:15,430 --> 01:53:13,440

lambright

3057

01:53:16,950 --> 01:53:15,440

and the following week i don't have any

3058

01:53:19,189 --> 01:53:16,960

of that up in front of me what's going

3059

01:53:20,790 --> 01:53:19,199

on but uh we have some great guests

3060

01:53:23,350 --> 01:53:20,800

coming along the way don't forget this

3061

01:53:25,510 --> 01:53:23,360

thursday night we have the jay allen

3062

01:53:27,430 --> 01:53:25,520

high nick's son paul heineck is going to

3063

01:53:29,990 --> 01:53:27,440

be on talking about

3064

01:53:32,070 --> 01:53:30,000

immortality within our reach which is a

3065

01:53:33,830 --> 01:53:32,080

real interesting i think a really

3066

01:53:35,830 --> 01:53:33,840

interesting topic thank you again

3067

01:53:37,210 --> 01:53:35,840

everyone and remember to keep your eyes

3068

01:53:48,280 --> 01:53:37,220

to the sky
