

# CHRIS LAMBRIGHT

#494

1  
00:00:40,150 --> 00:00:11,780

[Music]

2  
00:00:44,630 --> 00:00:42,229

hello and welcome to the show i'm martin

3  
00:00:47,830 --> 00:00:44,640

willis your host uh we've got a great

4  
00:00:49,350 --> 00:00:47,840

show tonight uh chris lambricht i first

5  
00:00:50,990 --> 00:00:49,360

had on the show i think it was back in

6  
00:00:56,229 --> 00:00:51,000

like

7  
00:00:58,790 --> 00:00:56,239

many times uh he he's become a really

8  
00:01:00,950 --> 00:00:58,800

good friend over the years and always

9  
00:01:04,229 --> 00:01:00,960

has a great view

10  
00:01:05,830 --> 00:01:04,239

on certain topics he's a deep researcher

11  
00:01:09,030 --> 00:01:05,840

has been doing this for

12  
00:01:12,390 --> 00:01:09,040

god i think since the 70s or 80s he'll

13  
00:01:14,390 --> 00:01:12,400

correct me but a long long time and uh

14

00:01:16,870 --> 00:01:14,400

so it's always fun having him on he will

15

00:01:17,990 --> 00:01:16,880

be with us tonight a little uh

16

00:01:20,469 --> 00:01:18,000

announcement

17

00:01:23,190 --> 00:01:20,479

so on the 15th i have been now

18

00:01:25,109 --> 00:01:23,200

announcing 15th of march that is i know

19

00:01:27,109 --> 00:01:25,119

this is a that's one month away from

20

00:01:29,350 --> 00:01:27,119

today um

21

00:01:31,350 --> 00:01:29,360

i've been saying that gary nolan is

22

00:01:33,109 --> 00:01:31,360

going to be on the show which he is

23

00:01:36,310 --> 00:01:33,119

and so i'm excited to have him on but

24

00:01:37,270 --> 00:01:36,320

along with him we have sean cahill

25

00:01:40,149 --> 00:01:37,280

and

26

00:01:41,749 --> 00:01:40,159

lou elizondo sean is going to be at

27

00:01:43,350 --> 00:01:41,759

lou's house they're both going to be on

28

00:01:45,270 --> 00:01:43,360

at the same time we're going to do like

29

00:01:48,630 --> 00:01:45,280

a three hour show should be a fantastic

30

00:01:51,030 --> 00:01:48,640

one so uh watch for that on march

31

00:01:53,190 --> 00:01:51,040

15th a month from today

32

00:01:55,990 --> 00:01:53,200

um the blog this week is

33

00:01:59,590 --> 00:01:56,000

um is the last one of a series of four

34

00:02:01,830 --> 00:01:59,600

that charles has done a 1976 ufo

35

00:02:03,910 --> 00:02:01,840

encounter in kentucky and this one is

36

00:02:06,230 --> 00:02:03,920

all about the evidence it actually ends

37

00:02:08,550 --> 00:02:06,240

up being pretty fascinating

38

00:02:11,430 --> 00:02:08,560

that he's you know he's explored

39

00:02:13,350 --> 00:02:11,440

all different types of uh angles on this

40

00:02:15,750 --> 00:02:13,360

particular case and there was really

41

00:02:17,430 --> 00:02:15,760

quite something to it so and there was

42

00:02:19,350 --> 00:02:17,440

kind of feuding between the different

43

00:02:21,270 --> 00:02:19,360

organizations and a little bit of

44

00:02:23,110 --> 00:02:21,280

backstabbing it's all the great stuff

45

00:02:24,869 --> 00:02:23,120

you look for in these cases

46

00:02:26,630 --> 00:02:24,879

anyway um

47

00:02:29,350 --> 00:02:26,640

hey dave altman how are you thanks for

48

00:02:31,509 --> 00:02:29,360

joining as always so uh dave always

49

00:02:32,949 --> 00:02:31,519

helps out in the chat and tells you if

50

00:02:36,150 --> 00:02:32,959

you have a question put it in caps and

51  
00:02:38,070 --> 00:02:36,160  
things like that and uh he is he's quite

52  
00:02:39,030 --> 00:02:38,080  
a personality he's got

53  
00:02:41,990 --> 00:02:39,040  
um

54  
00:02:44,309 --> 00:02:42,000  
he is a publicist and uh handles a lot

55  
00:02:46,869 --> 00:02:44,319  
of really great people out there a real

56  
00:02:48,630 --> 00:02:46,879  
good guy to know so

57  
00:02:51,030 --> 00:02:48,640  
i want to thank everyone that helps out

58  
00:02:53,670 --> 00:02:51,040  
with the show i do want to say that on

59  
00:02:56,070 --> 00:02:53,680  
the first march first

60  
00:02:57,430 --> 00:02:56,080  
is a pre-recorded show that's one show

61  
00:02:59,830 --> 00:02:57,440  
i'm not going to be doing live but it's

62  
00:03:02,550 --> 00:02:59,840  
going to go live on youtube and on the

63  
00:03:04,710 --> 00:03:02,560

podcast just as if i were there i'm

64

00:03:06,550 --> 00:03:04,720

going to be off the grid i won't even be

65

00:03:09,589 --> 00:03:06,560

able to use my cell phone or anything

66

00:03:12,229 --> 00:03:09,599

for about a week or so so at that point

67

00:03:14,790 --> 00:03:12,239

that show is just going to self populate

68

00:03:16,470 --> 00:03:14,800

and play live here on youtube on march

69

00:03:19,509 --> 00:03:16,480

1st and that has

70

00:03:22,470 --> 00:03:19,519

kevin randle and albert wayne albert

71

00:03:24,309 --> 00:03:22,480

wayne told a fantastic ufo encounter and

72

00:03:26,309 --> 00:03:24,319

he's going to be talking about things

73

00:03:28,630 --> 00:03:26,319

that happened earlier

74

00:03:30,869 --> 00:03:28,640

on when he was nine years old

75

00:03:32,949 --> 00:03:30,879

and also a really weird sighting his

76

00:03:36,070 --> 00:03:32,959

mother had something like i've never

77

00:03:40,149 --> 00:03:36,080

heard before and kind of scary too and

78

00:03:42,309 --> 00:03:40,159

so he's also elaborating on the

79

00:03:44,470 --> 00:03:42,319

ufo encounter that he talked about and

80

00:03:46,949 --> 00:03:44,480

for those of you who have watched it on

81

00:03:49,350 --> 00:03:46,959

youtube uh you'll remember that everyone

82

00:03:53,110 --> 00:03:49,360

went and got ice cream that pulled over

83

00:03:54,630 --> 00:03:53,120

on i-95 and saw this incredible ufo it's

84

00:03:55,830 --> 00:03:54,640

a really bizarre thing he has quite a

85

00:03:59,350 --> 00:03:55,840

take also

86

00:04:01,509 --> 00:03:59,360

on how he thinks these things are

87

00:04:02,789 --> 00:04:01,519

kind of doing what they're doing uh and

88

00:04:04,390 --> 00:04:02,799

i thought it was interesting i sort of

89

00:04:07,030 --> 00:04:04,400

heard similar things to it but check

90

00:04:10,630 --> 00:04:07,040

that out that's march 1st anyway

91

00:04:11,910 --> 00:04:10,640

next week we have ufo jane from texas is

92

00:04:15,110 --> 00:04:11,920

going to be on the show

93

00:04:17,590 --> 00:04:15,120

and i'll be in north carolina i think on

94

00:04:18,710 --> 00:04:17,600

that day anyway i am ready to bring our

95

00:04:20,390 --> 00:04:18,720

guest in

96

00:04:21,990 --> 00:04:20,400

welcome to the show chris

97

00:04:24,230 --> 00:04:22,000

hello martin

98

00:04:26,790 --> 00:04:24,240

always great to have you on chris thanks

99

00:04:28,710 --> 00:04:26,800

so much yes and you are from the great

100

00:04:31,270 --> 00:04:28,720

state of texas you've been there for a

101

00:04:33,830 --> 00:04:31,280

while yeah all your life

102

00:04:35,670 --> 00:04:33,840

no not yet right traveling around from

103

00:04:38,150 --> 00:04:35,680

indonesia to kansas city and ended up

104

00:04:39,909 --> 00:04:38,160

that's right college at baylor and

105

00:04:42,070 --> 00:04:39,919

been in texas pretty much since except

106

00:04:44,629 --> 00:04:42,080

for a little short stint in laguna beach

107

00:04:47,510 --> 00:04:44,639

california which i should have stayed

108

00:04:50,790 --> 00:04:47,520

yeah yeah yeah so but yeah i remember

109

00:04:52,550 --> 00:04:50,800

you you you grew up with your parents uh

110

00:04:54,870 --> 00:04:52,560

missionaries or something medical

111

00:04:58,310 --> 00:04:54,880

missionaries dad was a surgeon and this

112

00:04:59,749 --> 00:04:58,320

was back in uh probably 57 when i went

113

00:05:02,070 --> 00:04:59,759

there so i was there until i was about

114

00:05:03,430 --> 00:05:02,080

10 years old and um

115

00:05:05,830 --> 00:05:03,440

story about

116

00:05:07,430 --> 00:05:05,840

the communists and a communist sign put

117

00:05:09,029 --> 00:05:07,440

in front of the baptist hospital and my

118

00:05:11,029 --> 00:05:09,039

father thought that's not what we're

119

00:05:13,110 --> 00:05:11,039

here for and he took it down and caused

120

00:05:15,110 --> 00:05:13,120

a big roar and we left within

121

00:05:16,629 --> 00:05:15,120

like five hours fast to get out of there

122

00:05:18,629 --> 00:05:16,639

before they pull the

123

00:05:20,870 --> 00:05:18,639

passports and whatnot and i have a vague

124

00:05:22,390 --> 00:05:20,880

memory of everybody standing out in the

125

00:05:23,510 --> 00:05:22,400

front of the house

126

00:05:24,950 --> 00:05:23,520

you know a lot of indonesians were

127

00:05:26,629 --> 00:05:24,960

friends i mean i'm not there was no

128

00:05:28,710 --> 00:05:26,639

issue with the indonesians themselves it

129

00:05:30,469 --> 00:05:28,720

was just some

130

00:05:32,629 --> 00:05:30,479

but you know it's like if somebody puts

131

00:05:34,550 --> 00:05:32,639

a sign up in front of your place that

132

00:05:35,909 --> 00:05:34,560

does not represent what you're what you

133

00:05:37,189 --> 00:05:35,919

think and they're there for i mean we

134

00:05:39,350 --> 00:05:37,199

were just surgeons yes it was the

135

00:05:41,670 --> 00:05:39,360

baptist mission field but

136

00:05:43,350 --> 00:05:41,680

you're there to convey that and not

137

00:05:45,990 --> 00:05:43,360

communism and it was their independence

138

00:05:47,510 --> 00:05:46,000

day that by itself wasn't an issue

139

00:05:49,350 --> 00:05:47,520

but they

140

00:05:51,350 --> 00:05:49,360

took baskets like the kind that you

141

00:05:52,310 --> 00:05:51,360

separate the rice ch wheat from the

142

00:05:54,710 --> 00:05:52,320

chaff

143

00:05:56,870 --> 00:05:54,720

woven bamboo baskets and they painted on

144

00:06:00,950 --> 00:05:56,880

the back of them nasa calm which was i

145

00:06:03,110 --> 00:06:00,960

think nationalism religion and communism

146

00:06:05,110 --> 00:06:03,120

ah that third basket was an issue for my

147

00:06:06,390 --> 00:06:05,120

father and nobody did anything

148

00:06:08,070 --> 00:06:06,400

and he said this

149

00:06:09,749 --> 00:06:08,080

is not what we're here for we can't just

150

00:06:12,070 --> 00:06:09,759

sit by and do nothing and he took that

151  
00:06:13,830 --> 00:06:12,080  
down and it caused a big uproar with

152  
00:06:15,749 --> 00:06:13,840  
some of the sympathizers running to the

153  
00:06:18,710 --> 00:06:15,759  
police and claiming this

154  
00:06:20,550 --> 00:06:18,720  
american guy did this or that and

155  
00:06:22,790 --> 00:06:20,560  
and it's funny not long ago i got a

156  
00:06:24,390 --> 00:06:22,800  
newspaper an old newspaper clipping of

157  
00:06:26,150 --> 00:06:24,400  
when we finally were back in the states

158  
00:06:28,230 --> 00:06:26,160  
at my grandparents home

159  
00:06:29,830 --> 00:06:28,240  
that had my parents and

160  
00:06:31,189 --> 00:06:29,840  
me and my brother and little bitty kids

161  
00:06:32,710 --> 00:06:31,199  
you know but

162  
00:06:34,469 --> 00:06:32,720  
i still remember

163  
00:06:36,150 --> 00:06:34,479

you know that's well probably where i

164

00:06:37,670 --> 00:06:36,160

got my interest in astronomy on the roof

165

00:06:39,749 --> 00:06:37,680

of that house with a little telescope

166

00:06:41,510 --> 00:06:39,759

looking at the southern cross and

167

00:06:43,029 --> 00:06:41,520

playing out in the bamboo fields it was

168

00:06:45,430 --> 00:06:43,039

a trip

169

00:06:47,350 --> 00:06:45,440

wow had an interesting ufo sighting over

170

00:06:48,629 --> 00:06:47,360

there i did not know i remember

171

00:06:51,589 --> 00:06:48,639

something about that let's hear what

172

00:06:53,909 --> 00:06:51,599

that was i had no idea until

173

00:06:55,830 --> 00:06:53,919

probably somewhere in the last

174

00:06:58,710 --> 00:06:55,840

five ten years i

175

00:07:00,790 --> 00:06:58,720

was talking with my mother and somehow i

176

00:07:03,749 --> 00:07:00,800

happened to mention the papua new guinea

177

00:07:05,430 --> 00:07:03,759

case which occurred in 1959

178

00:07:07,029 --> 00:07:05,440

and she said oh well that was about the

179

00:07:09,270 --> 00:07:07,039

same year as

180

00:07:10,870 --> 00:07:09,280

the experience that she and my father

181

00:07:12,390 --> 00:07:10,880

and apparently a lot of other people

182

00:07:14,070 --> 00:07:12,400

including missionaries had there was

183

00:07:16,230 --> 00:07:14,080

some kind of a party going on at one

184

00:07:17,830 --> 00:07:16,240

like the mayor's house and back in those

185

00:07:19,830 --> 00:07:17,840

days you just put up a big screen

186

00:07:21,270 --> 00:07:19,840

outside if you want to shoot a throw a

187

00:07:22,230 --> 00:07:21,280

movie up so everybody's sitting out in

188

00:07:23,749 --> 00:07:22,240

the lawn

189

00:07:26,710 --> 00:07:23,759

apparently from what i recall watching

190

00:07:28,150 --> 00:07:26,720

this movie on you know on the party at

191

00:07:30,870 --> 00:07:28,160

this mayor's house

192

00:07:33,589 --> 00:07:30,880

and while they're sitting out there

193

00:07:36,390 --> 00:07:33,599

my mother's like suddenly this

194

00:07:38,150 --> 00:07:36,400

big glowing object about twice the

195

00:07:40,870 --> 00:07:38,160

height of a coconut tree which if you

196

00:07:43,029 --> 00:07:40,880

think of a telephone pole twice comes

197

00:07:46,150 --> 00:07:43,039

drifting in slowly over everyone's head

198

00:07:47,670 --> 00:07:46,160

and they look up at it and

199

00:07:49,270 --> 00:07:47,680

it was there for a moment and then it

200

00:07:51,189 --> 00:07:49,280

drifted away

201

00:07:52,869 --> 00:07:51,199

and i'm thinking what

202

00:07:55,189 --> 00:07:52,879

and apparently everyone saw it the

203

00:07:56,550 --> 00:07:55,199

strangest thing to me though was even

204

00:07:59,189 --> 00:07:56,560

though she said you know they looked and

205

00:08:01,110 --> 00:07:59,199

said wow that's a flying saucer

206

00:08:03,589 --> 00:08:01,120

or whatever the term was but

207

00:08:05,270 --> 00:08:03,599

afterwards it was as though

208

00:08:07,029 --> 00:08:05,280

i was like wait didn't you talk about

209

00:08:08,550 --> 00:08:07,039

this didn't all the missionaries that

210

00:08:11,189 --> 00:08:08,560

saw this over there there was a couple

211

00:08:13,749 --> 00:08:11,199

they drove home with the apple whites

212

00:08:16,469 --> 00:08:13,759

and it was like no nobody said a word

213

00:08:18,230 --> 00:08:16,479

i just was how come you it's so bizarre

214

00:08:20,550 --> 00:08:18,240

how i mean

215

00:08:23,110 --> 00:08:20,560

because i do this show there's so many

216

00:08:25,350 --> 00:08:23,120

times i've heard that

217

00:08:28,790 --> 00:08:25,360

and it's really bizarre something major

218

00:08:30,869 --> 00:08:28,800

like that happens and uh also you know i

219

00:08:32,870 --> 00:08:30,879

recorded with someone recently

220

00:08:34,630 --> 00:08:32,880

and basically said the same thing him

221

00:08:36,790 --> 00:08:34,640

and his girlfriend witnessed this thing

222

00:08:39,029 --> 00:08:36,800

and they never talked about it

223

00:08:41,430 --> 00:08:39,039

you know i don't i don't get it

224

00:08:44,070 --> 00:08:41,440

if something like that happens you know

225

00:08:46,550 --> 00:08:44,080

and by the way this is a father gill

226

00:08:48,990 --> 00:08:46,560

uh this is just a clip from father gill

227

00:08:52,630 --> 00:08:49,000

and that that uh back in

228

00:08:54,470 --> 00:08:52,640

1959 was that um and by the way there

229

00:08:55,990 --> 00:08:54,480

was a great video of him talking about

230

00:08:57,910 --> 00:08:56,000

it up on youtube and for some reason

231

00:09:00,550 --> 00:08:57,920

it's gone and that was such a great

232

00:09:03,430 --> 00:09:00,560

video not a few years ago

233

00:09:05,269 --> 00:09:03,440

somewhere on ebay

234

00:09:06,710 --> 00:09:05,279

somebody was selling

235

00:09:09,190 --> 00:09:06,720

the notes

236

00:09:10,710 --> 00:09:09,200

that um the other father that was here

237

00:09:12,150 --> 00:09:10,720

that did the investigation afterwards

238

00:09:13,590 --> 00:09:12,160

had come back out of the mountains after

239

00:09:15,110 --> 00:09:13,600

this occurred and heard about it and

240

00:09:16,790 --> 00:09:15,120

began to put it all into the offing of

241

00:09:18,070 --> 00:09:16,800

his name here in a minute but apparently

242

00:09:20,230 --> 00:09:18,080

it was

243

00:09:22,949 --> 00:09:20,240

pages of the sketches interviews with

244

00:09:25,269 --> 00:09:22,959

the natives and i wrote this person on

245

00:09:27,670 --> 00:09:25,279

ebay i said look

246

00:09:29,910 --> 00:09:27,680

i just cannot afford what i know this is

247

00:09:32,230 --> 00:09:29,920

worth especially to someone like me and

248

00:09:34,470 --> 00:09:32,240

he said i'll tell you what before i send

249

00:09:36,949 --> 00:09:34,480

it i'll make a copy and send it to you

250

00:09:39,269 --> 00:09:36,959

and i have a pdf copy of this thing

251  
00:09:40,949 --> 00:09:39,279  
and i'm telling you some of the sketches

252  
00:09:41,750 --> 00:09:40,959  
that are of the objects that people have

253  
00:09:43,430 --> 00:09:41,760  
seen

254  
00:09:44,230 --> 00:09:43,440  
one of them that i remember

255  
00:09:48,230 --> 00:09:44,240  
was

256  
00:09:49,829 --> 00:09:48,240  
you know if you think about we talked

257  
00:09:52,790 --> 00:09:49,839  
about racing but i'm like not the

258  
00:09:54,470 --> 00:09:52,800  
quintessential one but apparently um

259  
00:09:55,829 --> 00:09:54,480  
gosh i'm sorry i can't recall the other

260  
00:09:57,350 --> 00:09:55,839  
man's name right now who actually did

261  
00:09:59,910 --> 00:09:57,360  
this put this all together do you

262  
00:10:02,150 --> 00:09:59,920  
remember this one here the baldwin

263  
00:10:04,630 --> 00:10:02,160

from australia that's amazing right

264

00:10:06,949 --> 00:10:04,640

there yeah yeah but the idea was it was

265

00:10:08,949 --> 00:10:06,959

nice to get my hands on this little

266

00:10:10,550 --> 00:10:08,959

collection that had all those sketches

267

00:10:12,069 --> 00:10:10,560

in it of what the people had drawn so

268

00:10:14,230 --> 00:10:12,079

you have multiple witnesses drawing

269

00:10:15,590 --> 00:10:14,240

their little image of it now i gotta ask

270

00:10:17,750 --> 00:10:15,600

you this

271

00:10:19,670 --> 00:10:17,760

because i'm i i search things all the

272

00:10:23,430 --> 00:10:19,680

time but how on earth did you know that

273

00:10:24,150 --> 00:10:23,440

was on ebay did someone alert you to it

274

00:10:25,430 --> 00:10:24,160

i

275

00:10:28,069 --> 00:10:25,440

you know what

276

00:10:31,269 --> 00:10:28,079

i am no i don't think i can't even

277

00:10:33,750 --> 00:10:31,279

explain just lucky serendipity

278

00:10:35,350 --> 00:10:33,760

uh you know it's almost like uh

279

00:10:36,710 --> 00:10:35,360

you know finding all the blue book files

280

00:10:39,590 --> 00:10:36,720

that somebody was trying to get rid of

281

00:10:42,069 --> 00:10:39,600

yeah in ohio yeah yeah right that guy

282

00:10:44,069 --> 00:10:42,079

i'm trying to remember his name yeah

283

00:10:45,350 --> 00:10:44,079

he wrote dave marlon awesome now

284

00:10:48,389 --> 00:10:45,360

yeah he sent me copies of that

285

00:10:50,389 --> 00:10:48,399

information it's like oh my lord

286

00:10:51,350 --> 00:10:50,399

thank god he found him where would they

287

00:10:52,870 --> 00:10:51,360

have gone

288

00:10:54,550 --> 00:10:52,880

you know if he hadn't that kind of thing

289

00:10:57,509 --> 00:10:54,560

so many things go right in the dumpster

290

00:10:59,990 --> 00:10:57,519

and they're gone forever yeah always but

291

00:11:01,990 --> 00:11:00,000

uh so while that's interesting so is

292

00:11:03,910 --> 00:11:02,000

that kind of what sparked your interest

293

00:11:05,670 --> 00:11:03,920

in this topic to begin with did they

294

00:11:07,430 --> 00:11:05,680

talk about it it's funny it's funny that

295

00:11:09,110 --> 00:11:07,440

just came up the other day

296

00:11:10,470 --> 00:11:09,120

to decide what it was sorry i'm trying

297

00:11:12,790 --> 00:11:10,480

to get rid of that

298

00:11:14,790 --> 00:11:12,800

what it was and

299

00:11:16,150 --> 00:11:14,800

i thought about the times in indonesia

300

00:11:17,750 --> 00:11:16,160

when i used to go out with my little

301  
00:11:19,670 --> 00:11:17,760  
telescope crawl up on the roof where my

302  
00:11:20,870 --> 00:11:19,680  
mother would have killed me and sit up

303  
00:11:23,190 --> 00:11:20,880  
there and

304  
00:11:25,430 --> 00:11:23,200  
but the really the first memory that i

305  
00:11:27,430 --> 00:11:25,440  
have and i'm sure this is boring to your

306  
00:11:29,430 --> 00:11:27,440  
audience everybody's got a story was

307  
00:11:31,350 --> 00:11:29,440  
probably in the seventh grade there was

308  
00:11:33,670 --> 00:11:31,360  
some kind of a debate and for some

309  
00:11:35,990 --> 00:11:33,680  
reason there was about five of us and it

310  
00:11:37,430 --> 00:11:36,000  
was going to be on the subject of ufos

311  
00:11:38,790 --> 00:11:37,440  
flying saucers so i was kind of the

312  
00:11:40,790 --> 00:11:38,800  
moderator and there was the pro and the

313  
00:11:43,110 --> 00:11:40,800

con side back and forth

314

00:11:44,790 --> 00:11:43,120

and i remembered vaguely you know

315

00:11:46,550 --> 00:11:44,800

making up some trick pictures you know

316

00:11:48,310 --> 00:11:46,560

i'd take a frisbee cover with tinfoil my

317

00:11:50,550 --> 00:11:48,320

dad would throw it up we'd take the you

318

00:11:51,430 --> 00:11:50,560

know all that kind of stuff that you did

319

00:11:52,870 --> 00:11:51,440

but then

320

00:11:56,230 --> 00:11:52,880

so you're

321

00:11:58,949 --> 00:11:56,240

you're a hoaxer from the very beginning

322

00:12:00,310 --> 00:11:58,959

i was a moderator and but actually i

323

00:12:01,509 --> 00:12:00,320

think the first time

324

00:12:03,350 --> 00:12:01,519

actually when the first time i ever went

325

00:12:05,509 --> 00:12:03,360

to a conference

326

00:12:07,990 --> 00:12:05,519

was in kansas city this was had to have

327

00:12:10,629 --> 00:12:08,000

been back in the 60s and for some reason

328

00:12:12,550 --> 00:12:10,639

i remember i knew heineck was there i

329

00:12:14,629 --> 00:12:12,560

didn't know him of course and i vaguely

330

00:12:16,550 --> 00:12:14,639

remember seeing him walk by

331

00:12:19,590 --> 00:12:16,560

but somewhere back there

332

00:12:20,870 --> 00:12:19,600

when i was in high school or junior high

333

00:12:22,710 --> 00:12:20,880

seventh grade

334

00:12:24,870 --> 00:12:22,720

it's been since then you know i was in

335

00:12:27,110 --> 00:12:24,880

the rocket club too where you me that's

336

00:12:29,750 --> 00:12:27,120

just rockets and all of that so far i've

337

00:12:31,910 --> 00:12:29,760

done that the whole gamut i guess

338

00:12:34,470 --> 00:12:31,920

just like everybody else

339

00:12:37,269 --> 00:12:34,480

yeah yeah this one so i know

340

00:12:39,350 --> 00:12:37,279

yeah and that's great i'm glad it did um

341

00:12:41,509 --> 00:12:39,360

a lot of people you know that

342

00:12:43,670 --> 00:12:41,519

have never had a sighting that do such

343

00:12:46,389 --> 00:12:43,680

great work you know you think about it i

344

00:12:47,190 --> 00:12:46,399

mean i just happen to have a sighting

345

00:12:49,350 --> 00:12:47,200

but

346

00:12:51,110 --> 00:12:49,360

um i don't know i guess that's really

347

00:12:53,350 --> 00:12:51,120

how i got into it i started looking at

348

00:12:54,790 --> 00:12:53,360

it more and found it interesting but

349

00:12:56,310 --> 00:12:54,800

otherwise i would have just gone through

350

00:12:58,550 --> 00:12:56,320

life and thought it would be an

351

00:13:01,269 --> 00:12:58,560

interesting topic and never really you

352

00:13:02,710 --> 00:13:01,279

know do do anything on it like this but

353

00:13:05,030 --> 00:13:02,720

think of all the people that have never

354

00:13:07,350 --> 00:13:05,040

had a sighting that are just great you

355

00:13:09,910 --> 00:13:07,360

know investigators you know and i mean

356

00:13:11,190 --> 00:13:09,920

there's many many many i've seen and why

357

00:13:12,790 --> 00:13:11,200

i thought was weird but it's not

358

00:13:14,069 --> 00:13:12,800

anything i would talk about because even

359

00:13:15,269 --> 00:13:14,079

i could say it could have been a trick

360

00:13:16,710 --> 00:13:15,279

of my vision

361

00:13:18,310 --> 00:13:16,720

so it wasn't profound i mean it was

362

00:13:19,269 --> 00:13:18,320

nothing close up or anything like that

363

00:13:23,030 --> 00:13:19,279

but

364

00:13:24,550 --> 00:13:23,040

talk to people and

365

00:13:25,829 --> 00:13:24,560

it was a comment i heard on a recent

366

00:13:27,590 --> 00:13:25,839

interview with diana pasoka where

367

00:13:28,949 --> 00:13:27,600

jacques vale had talked to her about

368

00:13:30,710 --> 00:13:28,959

discernment

369

00:13:32,550 --> 00:13:30,720

you don't trust everything don't believe

370

00:13:34,790 --> 00:13:32,560

anything but use your discernment and at

371

00:13:37,110 --> 00:13:34,800

some point just like having a chance

372

00:13:38,710 --> 00:13:37,120

finally to talk to lani zamora and you

373

00:13:40,790 --> 00:13:38,720

cross the facts in the book and you hear

374

00:13:42,310 --> 00:13:40,800

what he said and you discern and

375

00:13:44,069 --> 00:13:42,320

at some point you find there are people

376

00:13:45,750 --> 00:13:44,079

who are

377

00:13:47,030 --> 00:13:45,760

by all accounts of anything telling you

378

00:13:49,670 --> 00:13:47,040

the straight truth of what they

379

00:13:50,790 --> 00:13:49,680

witnessed and you can't set that aside

380

00:13:52,150 --> 00:13:50,800

so

381

00:13:53,829 --> 00:13:52,160

yeah yeah

382

00:13:55,030 --> 00:13:53,839

yeah i love that type of thing and and

383

00:13:56,629 --> 00:13:55,040

that's uh

384

00:13:58,310 --> 00:13:56,639

that's one of the things that keeps me

385

00:14:00,389 --> 00:13:58,320

going i love to talk to people who have

386

00:14:02,069 --> 00:14:00,399

never told their story before that's

387

00:14:04,069 --> 00:14:02,079

always really exciting to me and i've

388

00:14:06,629 --> 00:14:04,079

been in touch with a few people lately

389

00:14:09,030 --> 00:14:06,639

i'm gonna try to get someone on the show

390

00:14:11,509 --> 00:14:09,040

that had a very interesting story

391

00:14:13,110 --> 00:14:11,519

that that to me i mean

392

00:14:14,710 --> 00:14:13,120

another thing i know i've said this a

393

00:14:17,189 --> 00:14:14,720

couple times on the show before but when

394

00:14:19,350 --> 00:14:17,199

something happens that's really weird

395

00:14:21,509 --> 00:14:19,360

i like that even better it seems it

396

00:14:23,509 --> 00:14:21,519

seems even more authentic because it's

397

00:14:25,430 --> 00:14:23,519

there are so many unusual things that

398

00:14:27,430 --> 00:14:25,440

happen in this

399

00:14:29,910 --> 00:14:27,440

i mean these encounters

400

00:14:33,189 --> 00:14:29,920

that's and well when you call it ufos

401

00:14:35,110 --> 00:14:33,199

uaps which is really non-defined

402

00:14:36,870 --> 00:14:35,120

and then it opens up the doors to all

403

00:14:39,189 --> 00:14:36,880

sorts of just

404

00:14:39,829 --> 00:14:39,199

generally weird experiences people have

405

00:14:41,670 --> 00:14:39,839

and

406

00:14:43,110 --> 00:14:41,680

not to discount any of them i mean not

407

00:14:44,550 --> 00:14:43,120

every you know yeah not everything is

408

00:14:46,310 --> 00:14:44,560

part of the same thing

409

00:14:47,670 --> 00:14:46,320

but it certainly does suggest there's a

410

00:14:49,509 --> 00:14:47,680

lot more in this

411

00:14:50,870 --> 00:14:49,519

our reality

412

00:14:52,310 --> 00:14:50,880

than we have

413

00:14:54,550 --> 00:14:52,320

has been dreamt of

414

00:14:57,030 --> 00:14:54,560

so to speak that's right yeah i think we

415

00:14:59,509 --> 00:14:57,040

know just a little tiny bit about

416

00:15:01,750 --> 00:14:59,519

everything you know we're there we still

417

00:15:02,949 --> 00:15:01,760

so much to know um i don't know where

418

00:15:03,670 --> 00:15:02,959

you want to go we're going to be talking

419

00:15:06,150 --> 00:15:03,680

about

420

00:15:08,389 --> 00:15:06,160

several different things tonight and one

421

00:15:09,910 --> 00:15:08,399

of the topics i know that we wanted to

422

00:15:12,310 --> 00:15:09,920

touch on is

423

00:15:13,829 --> 00:15:12,320

kind of the ufo belief system i don't

424

00:15:14,790 --> 00:15:13,839

know if you want to get that out of the

425

00:15:16,790 --> 00:15:14,800

way

426

00:15:17,509 --> 00:15:16,800

yeah i remember i mean i want to talk

427

00:15:19,910 --> 00:15:17,519

about

428

00:15:21,509 --> 00:15:19,920

paul benowitz case i always love talking

429

00:15:24,069 --> 00:15:21,519

about that that's a fascinating one to

430

00:15:26,389 --> 00:15:24,079

me um socorro is another one those are

431

00:15:27,910 --> 00:15:26,399

you did that wonderful book that's how i

432

00:15:29,990 --> 00:15:27,920

first got in touch with you in the very

433

00:15:32,790 --> 00:15:30,000

beginning um that you

434

00:15:34,310 --> 00:15:32,800

um x descending is that the name of that

435

00:15:36,470 --> 00:15:34,320

yes yeah

436

00:15:37,590 --> 00:15:36,480

very well done yeah well i appreciate it

437

00:15:39,350 --> 00:15:37,600

i probably should go try to get that

438

00:15:40,790 --> 00:15:39,360

darn thing printed one of these days

439

00:15:42,710 --> 00:15:40,800

just to have it done but i always want

440

00:15:44,790 --> 00:15:42,720

the pictures to pop you know to look so

441

00:15:47,189 --> 00:15:44,800

good and on a computer or a pdf with the

442

00:15:48,790 --> 00:15:47,199

image you get a chance to zoom in and

443

00:15:50,550 --> 00:15:48,800

that kind of thing so that was yeah it

444

00:15:52,310 --> 00:15:50,560

was one of my drawbacks

445

00:15:54,470 --> 00:15:52,320

but um yeah yeah i remember you

446

00:15:55,829 --> 00:15:54,480

mentioned the beliefs issue after the

447

00:15:57,749 --> 00:15:55,839

anniversary show

448

00:15:59,350 --> 00:15:57,759

as something right and

449

00:16:01,350 --> 00:15:59,360

that

450

00:16:03,430 --> 00:16:01,360

certainly in the last year and a half

451  
00:16:05,189 --> 00:16:03,440  
now we've seen a whole lot of different

452  
00:16:07,110 --> 00:16:05,199  
things about how people's beliefs tend

453  
00:16:08,949 --> 00:16:07,120  
to affect or influence

454  
00:16:10,790 --> 00:16:08,959  
you know their actions

455  
00:16:13,430 --> 00:16:10,800  
even when it's

456  
00:16:15,749 --> 00:16:13,440  
an unfounded belief or in some cases you

457  
00:16:16,790 --> 00:16:15,759  
realize they've not really delved into

458  
00:16:18,389 --> 00:16:16,800  
it

459  
00:16:21,590 --> 00:16:18,399  
and

460  
00:16:23,590 --> 00:16:21,600  
was working on the book

461  
00:16:25,110 --> 00:16:23,600  
i put a chapter in there that no one

462  
00:16:27,430 --> 00:16:25,120  
ever mentions but it was called

463  
00:16:29,430 --> 00:16:27,440

knowledge versus beliefs

464

00:16:31,990 --> 00:16:29,440

and had some information about the

465

00:16:33,110 --> 00:16:32,000

epistemology and how we form what we

466

00:16:36,710 --> 00:16:33,120

considered

467

00:16:37,910 --> 00:16:36,720

you know informed beliefs versus

468

00:16:39,910 --> 00:16:37,920

things that are

469

00:16:41,189 --> 00:16:39,920

not informed but that you prefer

470

00:16:43,590 --> 00:16:41,199

the people want to believe certain

471

00:16:46,230 --> 00:16:43,600

things it's more exciting

472

00:16:47,910 --> 00:16:46,240

and and i get that i mean i do you know

473

00:16:50,150 --> 00:16:47,920

that's why i want to one thing i always

474

00:16:53,189 --> 00:16:50,160

want to make a point of just now up

475

00:16:54,949 --> 00:16:53,199

front is anything i say is my opinion

476

00:16:56,710 --> 00:16:54,959

you don't have to believe any of it in

477

00:16:58,069 --> 00:16:56,720

other words people can choose to believe

478

00:16:59,829 --> 00:16:58,079

whatever they want

479

00:17:01,670 --> 00:16:59,839

um i'm a big

480

00:17:05,189 --> 00:17:01,680

i almost caught myself saying i'm a big

481

00:17:08,390 --> 00:17:05,199

believer i'm a i tend to think that

482

00:17:10,230 --> 00:17:08,400

a person should be willing to at least

483

00:17:12,390 --> 00:17:10,240

you know do a deep dive drill down on

484

00:17:14,069 --> 00:17:12,400

your own beliefs be honest with yourself

485

00:17:16,789 --> 00:17:14,079

about why you hold that

486

00:17:18,309 --> 00:17:16,799

so you can know is it a preference

487

00:17:20,710 --> 00:17:18,319

because some beliefs i think leave it

488

00:17:23,429 --> 00:17:20,720

alone you know but other beliefs

489

00:17:25,669 --> 00:17:23,439

that end up propagating or end up

490

00:17:26,710 --> 00:17:25,679

people act on it because they want it to

491

00:17:27,829 --> 00:17:26,720

be

492

00:17:29,029 --> 00:17:27,839

and

493

00:17:31,430 --> 00:17:29,039

you don't know what's the difference

494

00:17:32,950 --> 00:17:31,440

between somebody who's simply mistaken

495

00:17:34,470 --> 00:17:32,960

or somebody who's

496

00:17:36,630 --> 00:17:34,480

a sociopath

497

00:17:38,470 --> 00:17:36,640

who is really going to just lead you

498

00:17:40,150 --> 00:17:38,480

down to what you want to you know he

499

00:17:41,669 --> 00:17:40,160

wants you to do

500

00:17:44,630 --> 00:17:41,679

because the more people that follow the

501  
00:17:47,750 --> 00:17:44,640  
more he begins securing his own belief

502  
00:17:49,270 --> 00:17:47,760  
and it's kind of a snowball yeah yeah

503  
00:17:51,029 --> 00:17:49,280  
and i said well you know that i'm afraid

504  
00:17:53,909 --> 00:17:51,039  
and ufology perhaps

505  
00:17:55,990 --> 00:17:53,919  
yeah i do too and you know there's

506  
00:17:57,430 --> 00:17:56,000  
i do listen to this podcast it's called

507  
00:17:59,110 --> 00:17:57,440  
the hidden brain

508  
00:18:01,350 --> 00:17:59,120  
and it there's some really great

509  
00:18:04,549 --> 00:18:01,360  
episodes and one of them was on beliefs

510  
00:18:08,070 --> 00:18:04,559  
and ironically it started out about a

511  
00:18:08,870 --> 00:18:08,080  
ufo it started out not about a ufo but

512  
00:18:11,590 --> 00:18:08,880  
that

513  
00:18:14,630 --> 00:18:11,600

the aliens were coming to take

514

00:18:17,470 --> 00:18:14,640

a certain group of people away with them

515

00:18:20,470 --> 00:18:17,480

to a better place and this was in the

516

00:18:21,510 --> 00:18:20,480

1960s and all these people quit their

517

00:18:24,310 --> 00:18:21,520

jobs

518

00:18:25,029 --> 00:18:24,320

and then it was supposed to land at you

519

00:18:26,390 --> 00:18:25,039

know

520

00:18:27,590 --> 00:18:26,400

say march

521

00:18:33,029 --> 00:18:27,600

12th

522

00:18:35,750 --> 00:18:33,039

was an excuse and the people still hang

523

00:18:37,990 --> 00:18:35,760

on to that belief and no matter what was

524

00:18:40,070 --> 00:18:38,000

happening people were just basically

525

00:18:41,669 --> 00:18:40,080

starving they lost everything

526  
00:18:42,390 --> 00:18:41,679  
and they were just waiting to get picked

527  
00:18:44,390 --> 00:18:42,400  
up

528  
00:18:46,549 --> 00:18:44,400  
and it just kept going on and on and

529  
00:18:48,710 --> 00:18:46,559  
every time it didn't show up there was

530  
00:18:51,110 --> 00:18:48,720  
another excuse and everyone believed it

531  
00:18:52,789 --> 00:18:51,120  
was still going to happen

532  
00:18:54,830 --> 00:18:52,799  
it was still going down afraid it's like

533  
00:18:57,029 --> 00:18:54,840  
if you've gone so far the wrong

534  
00:18:58,230 --> 00:18:57,039  
direction it's tough you're afraid to

535  
00:19:00,150 --> 00:18:58,240  
turn around

536  
00:19:01,590 --> 00:19:00,160  
yeah and i'm at some point though you

537  
00:19:03,430 --> 00:19:01,600  
have no choice if you're being honest to

538  
00:19:04,630 --> 00:19:03,440

yourself you don't just keep going

539

00:19:06,390 --> 00:19:04,640

because

540

00:19:08,710 --> 00:19:06,400

but yeah that's

541

00:19:10,310 --> 00:19:08,720

it's a tough call to understand why

542

00:19:11,909 --> 00:19:10,320

people

543

00:19:13,430 --> 00:19:11,919

want to believe the things they want to

544

00:19:15,110 --> 00:19:13,440

believe

545

00:19:17,590 --> 00:19:15,120

and i think it's i think it should be

546

00:19:19,590 --> 00:19:17,600

important that we all admit to ourselves

547

00:19:21,430 --> 00:19:19,600

you know there's three different words

548

00:19:23,110 --> 00:19:21,440

you have things that you know things

549

00:19:24,789 --> 00:19:23,120

that you think and things that you

550

00:19:25,750 --> 00:19:24,799

believe

551  
00:19:27,590 --> 00:19:25,760  
and they're three different words

552  
00:19:29,350 --> 00:19:27,600  
because they're different things

553  
00:19:31,190 --> 00:19:29,360  
and we shouldn't confuse

554  
00:19:32,630 --> 00:19:31,200  
what we believe with what we know i mean

555  
00:19:34,390 --> 00:19:32,640  
i may think a lot of things but then

556  
00:19:36,070 --> 00:19:34,400  
it's safe if i'm wrong because i can

557  
00:19:37,430 --> 00:19:36,080  
always change what i think based on new

558  
00:19:39,029 --> 00:19:37,440  
information

559  
00:19:40,950 --> 00:19:39,039  
things that we know if all you know is

560  
00:19:42,310 --> 00:19:40,960  
what someone else told you

561  
00:19:43,990 --> 00:19:42,320  
you know that's my saying you don't

562  
00:19:45,510 --> 00:19:44,000  
really know anything you have a lot of

563  
00:19:48,310 --> 00:19:45,520

things that you've heard

564

00:19:49,909 --> 00:19:48,320

but belief when it becomes

565

00:19:51,430 --> 00:19:49,919

things that people have committed to so

566

00:19:53,350 --> 00:19:51,440

much i'm afraid

567

00:19:55,430 --> 00:19:53,360

that you don't want to

568

00:19:56,950 --> 00:19:55,440

change or you or you trust your own

569

00:19:57,909 --> 00:19:56,960

opinion and you don't want to be proven

570

00:20:00,150 --> 00:19:57,919

wrong

571

00:20:02,230 --> 00:20:00,160

and so you fight to the wall

572

00:20:04,950 --> 00:20:02,240

and let's just let's just kind of

573

00:20:07,990 --> 00:20:04,960

clarify what we're talking about because

574

00:20:09,350 --> 00:20:08,000

we're we're not talking about um

575

00:20:11,750 --> 00:20:09,360

the the quote

576

00:20:13,510 --> 00:20:11,760

unquote do you believe in ufos we're not

577

00:20:15,430 --> 00:20:13,520

talking about that because there's

578

00:20:18,230 --> 00:20:15,440

enough evidence everyone that's

579

00:20:19,510 --> 00:20:18,240

listening to the show knows that ufos

580

00:20:21,590 --> 00:20:19,520

um

581

00:20:23,590 --> 00:20:21,600

happen but whether

582

00:20:25,909 --> 00:20:23,600

we're going to say what they are or not

583

00:20:29,110 --> 00:20:25,919

you know we're not going to do that but

584

00:20:30,470 --> 00:20:29,120

it's not like we're believing in ufos

585

00:20:31,990 --> 00:20:30,480

that's not what we're talking about

586

00:20:34,070 --> 00:20:32,000

we're talking about when someone goes

587

00:20:37,190 --> 00:20:34,080

down a rabbit hole on a certain

588

00:20:39,750 --> 00:20:37,200

situation and they they just keep going

589

00:20:41,510 --> 00:20:39,760

because they can't turn around uh

590

00:20:43,669 --> 00:20:41,520

they've gone too far there's too much of

591

00:20:45,669 --> 00:20:43,679

themselves invested

592

00:20:47,590 --> 00:20:45,679

that type of thing yeah and two things

593

00:20:48,870 --> 00:20:47,600

two things that i've noticed one is that

594

00:20:50,549 --> 00:20:48,880

quite often

595

00:20:53,270 --> 00:20:50,559

a person who

596

00:20:55,270 --> 00:20:53,280

is insecure in their belief

597

00:20:56,470 --> 00:20:55,280

becomes defensive and begins to feel

598

00:20:58,230 --> 00:20:56,480

challenged if someone does not

599

00:21:00,950 --> 00:20:58,240

immediately go along with it

600

00:21:03,669 --> 00:21:00,960

that's a that's a concern right there

601  
00:21:05,350 --> 00:21:03,679  
but the idea of a conviction

602  
00:21:06,789 --> 00:21:05,360  
like you were bringing up before i've

603  
00:21:08,230 --> 00:21:06,799  
never seen anything that i would tell

604  
00:21:11,190 --> 00:21:08,240  
anybody

605  
00:21:12,390 --> 00:21:11,200  
qualified as what i consider you know a

606  
00:21:17,270 --> 00:21:12,400  
ufo

607  
00:21:21,750 --> 00:21:19,270  
but as best

608  
00:21:23,830 --> 00:21:21,760  
as as well as i've been able to

609  
00:21:25,430 --> 00:21:23,840  
make decisions based on reasonable

610  
00:21:27,110 --> 00:21:25,440  
thinking and decide what's right or

611  
00:21:27,830 --> 00:21:27,120  
wrong like a jury would be required to

612  
00:21:30,390 --> 00:21:27,840  
do

613  
00:21:31,990 --> 00:21:30,400

you develop a conviction and so i have a

614

00:21:33,830 --> 00:21:32,000

conviction that yes there's something to

615

00:21:35,990 --> 00:21:33,840

this i wish we had a better description

616

00:21:39,110 --> 00:21:36,000

than ufo because i'm afraid it's a

617

00:21:40,950 --> 00:21:39,120

catch-all phrase that now like uap

618

00:21:42,870 --> 00:21:40,960

now they can slide drones in there and

619

00:21:44,870 --> 00:21:42,880

that just adds begins to muddy the

620

00:21:45,830 --> 00:21:44,880

waters of what we're talking about

621

00:21:47,029 --> 00:21:45,840

um

622

00:21:48,470 --> 00:21:47,039

i realized you'd need some

623

00:21:50,549 --> 00:21:48,480

characteristics to make a better just

624

00:21:52,549 --> 00:21:50,559

you know a better definition or a better

625

00:21:54,230 --> 00:21:52,559

phrase that you could term it

626  
00:21:56,310 --> 00:21:54,240  
but there should be some way to

627  
00:21:57,750 --> 00:21:56,320  
distinguish between

628  
00:21:59,350 --> 00:21:57,760  
something that

629  
00:22:01,830 --> 00:21:59,360  
looks like a drone could be a drone

630  
00:22:03,190 --> 00:22:01,840  
might be a drone which

631  
00:22:04,549 --> 00:22:03,200  
really does shouldn't necessarily

632  
00:22:07,110 --> 00:22:04,559  
automatically be inserted into the

633  
00:22:09,190 --> 00:22:07,120  
database of ufo phenomena just because

634  
00:22:10,470 --> 00:22:09,200  
you weren't sure what it was

635  
00:22:12,549 --> 00:22:10,480  
but on the other hand there's going to

636  
00:22:14,230 --> 00:22:12,559  
be instances that i've seen a few where

637  
00:22:16,470 --> 00:22:14,240  
you hear the people referring to it well

638  
00:22:18,549 --> 00:22:16,480

it's acting like a drone

639

00:22:20,390 --> 00:22:18,559

wow that might very well cover a whole

640

00:22:22,390 --> 00:22:20,400

lot of things that were genuine ufo

641

00:22:23,909 --> 00:22:22,400

phenomenon so to speak

642

00:22:26,310 --> 00:22:23,919

and it gets dismissed yeah somebody

643

00:22:28,630 --> 00:22:26,320

calls it a drone or a uap or something

644

00:22:30,710 --> 00:22:28,640

like that so it's it's tough right and

645

00:22:33,190 --> 00:22:30,720

um i'm trying to see

646

00:22:35,669 --> 00:22:33,200

no i had my

647

00:22:36,950 --> 00:22:35,679

oh yes i have a i have i'm gonna just

648

00:22:51,750 --> 00:22:36,960

show this clip i've showed it a few

649

00:22:51,760 --> 00:23:02,870

all right

650

00:23:02,880 --> 00:23:11,350

but that's not

651  
00:23:14,710 --> 00:23:13,350

jeez

652  
00:23:16,950 --> 00:23:14,720

this is

653  
00:23:18,870 --> 00:23:16,960

unbelievable

654  
00:23:20,230 --> 00:23:18,880  
those little things moving around that's

655  
00:23:22,390 --> 00:23:20,240  
just the

656  
00:23:24,149 --> 00:23:22,400  
street lights and the lens

657  
00:23:35,029 --> 00:23:24,159  
but this red thing

658  
00:23:38,789 --> 00:23:36,630  
well anyway i'm pretty sure it was a

659  
00:23:41,590 --> 00:23:38,799  
drone

660  
00:23:42,710 --> 00:23:41,600  
but i i ran over to where it should have

661  
00:23:43,669 --> 00:23:42,720  
landed

662  
00:23:45,029 --> 00:23:43,679  
and

663  
00:23:47,110 --> 00:23:45,039

you know there was one car in the

664

00:23:48,710 --> 00:23:47,120

parking lot i didn't see the people

665

00:23:50,630 --> 00:23:48,720

but i don't know

666

00:23:52,310 --> 00:23:50,640

i don't know what it was but that's yeah

667

00:23:53,909 --> 00:23:52,320

to me that's a tough one i was noting

668

00:23:55,430 --> 00:23:53,919

how fast it was going and it was seemed

669

00:23:57,510 --> 00:23:55,440

to be going parallel so you know my

670

00:23:59,750 --> 00:23:57,520

mind's immediately beginning to filter

671

00:24:01,029 --> 00:23:59,760

out potential explanations as it goes

672

00:24:03,029 --> 00:24:01,039

along but you're right i have no idea

673

00:24:05,190 --> 00:24:03,039

what it was and well it was very high

674

00:24:06,789 --> 00:24:05,200

wind that night too and i guess that

675

00:24:07,909 --> 00:24:06,799

doesn't matter if you're flying a drone

676

00:24:09,190 --> 00:24:07,919

i don't know

677

00:24:11,510 --> 00:24:09,200

well it depends on what kind of drone it

678

00:24:13,350 --> 00:24:11,520

might have been was it a yeah standard

679

00:24:15,830 --> 00:24:13,360

four-engine drone was it a

680

00:24:17,430 --> 00:24:15,840

air aircraft flyer trite jones with a

681

00:24:18,789 --> 00:24:17,440

bright but yeah

682

00:24:19,909 --> 00:24:18,799

at the end of the day this is where i

683

00:24:22,070 --> 00:24:19,919

come down and say i'm not going to

684

00:24:24,950 --> 00:24:22,080

dismiss that kind of information at all

685

00:24:26,630 --> 00:24:24,960

you put it in there and hang on to it

686

00:24:28,630 --> 00:24:26,640

but at the end of the day what can you

687

00:24:30,470 --> 00:24:28,640

know you're right you really there's

688

00:24:32,789 --> 00:24:30,480

nothing specific or definitive more you

689

00:24:34,230 --> 00:24:32,799

can do with it so it just kind of

690

00:24:36,630 --> 00:24:34,240

becomes another one of those cases that

691

00:24:37,990 --> 00:24:36,640

you hang on to in case something else

692

00:24:40,390 --> 00:24:38,000

turns up

693

00:24:43,830 --> 00:24:40,400

but when i begin dave altman says it's

694

00:24:45,990 --> 00:24:43,840

aliens he's right yeah

695

00:24:48,070 --> 00:24:46,000

well you know it's i'm glad this is this

696

00:24:49,190 --> 00:24:48,080

is funny because when i had my

697

00:24:52,789 --> 00:24:49,200

um

698

00:24:54,149 --> 00:24:52,799

my first real you know has to be a ufo i

699

00:24:55,110 --> 00:24:54,159

mean i don't know what should we call it

700

00:24:57,669 --> 00:24:55,120

but i

701

00:24:59,990 --> 00:24:57,679

i didn't think it was from here when i

702

00:25:02,870 --> 00:25:00,000

saw it but i if i had a camera then i

703

00:25:05,029 --> 00:25:02,880

would have never even thought to grab it

704

00:25:06,870 --> 00:25:05,039

but this time i feel like

705

00:25:08,789 --> 00:25:06,880

i was ready you know

706

00:25:11,190 --> 00:25:08,799

as soon as i saw it i reached for my for

707

00:25:13,350 --> 00:25:11,200

my uh phone and grabbed my phone and i

708

00:25:15,750 --> 00:25:13,360

think that's you know kind of like ray

709

00:25:18,230 --> 00:25:15,760

you know ray stanford he says he never

710

00:25:19,990 --> 00:25:18,240

goes anywhere without a a camera with

711

00:25:21,029 --> 00:25:20,000

him he has it for years it pays to be

712

00:25:22,149 --> 00:25:21,039

ready i was talking to a friend the

713

00:25:23,269 --> 00:25:22,159

other day thinking you know you need to

714

00:25:25,510 --> 00:25:23,279

program your phone with a voice

715

00:25:27,350 --> 00:25:25,520

recognition where you just say video on

716

00:25:28,789 --> 00:25:27,360

and it immediately starts recording so

717

00:25:30,149 --> 00:25:28,799

i'm not sitting there fumbling with the

718

00:25:32,710 --> 00:25:30,159

buttons trying to get to the video

719

00:25:34,390 --> 00:25:32,720

screen if you can quickly turn it on

720

00:25:35,669 --> 00:25:34,400

but yeah i mean these days especially

721

00:25:37,590 --> 00:25:35,679

with the resolutions of some of the

722

00:25:38,390 --> 00:25:37,600

cameras on the new cell phones coming

723

00:25:40,310 --> 00:25:38,400

out

724

00:25:41,750 --> 00:25:40,320

there's some incredible footage that we

725

00:25:43,750 --> 00:25:41,760

should be able to get

726

00:25:45,350 --> 00:25:43,760

unless the entire sentences are aware in

727

00:25:47,350 --> 00:25:45,360

which case they're just going to stay

728

00:25:49,269 --> 00:25:47,360

too high or at night

729

00:25:50,870 --> 00:25:49,279

or stay in the ocean

730

00:25:52,149 --> 00:25:50,880

too many people with cell phones these

731

00:25:53,590 --> 00:25:52,159

days

732

00:25:55,029 --> 00:25:53,600

well you know it's it's kind of funny

733

00:25:57,350 --> 00:25:55,039

you say that because

734

00:25:59,750 --> 00:25:57,360

sometimes i wonder about that you know

735

00:26:01,669 --> 00:25:59,760

it seems like people are

736

00:26:04,230 --> 00:26:01,679

you know a lot of times people will say

737

00:26:06,549 --> 00:26:04,240

like something happened to their camera

738

00:26:07,909 --> 00:26:06,559

or you know the battery failed or or

739

00:26:10,390 --> 00:26:07,919

something like that

740

00:26:12,549 --> 00:26:10,400

and it really makes you wonder you know

741

00:26:15,110 --> 00:26:12,559

i mean how intelligent would something

742

00:26:17,430 --> 00:26:15,120

have to be to know to disable

743

00:26:19,909 --> 00:26:17,440

something to record them i mean they

744

00:26:21,750 --> 00:26:19,919

would well i mean it's quite incredible

745

00:26:23,750 --> 00:26:21,760

yeah when we're yeah we're going after

746

00:26:25,350 --> 00:26:23,760

bin laden we know right where all the

747

00:26:26,710 --> 00:26:25,360

radars and all the other units are and

748

00:26:28,630 --> 00:26:26,720

you see the helicopter flying this kind

749

00:26:30,070 --> 00:26:28,640

of a path at low altitude to stay away

750

00:26:32,789 --> 00:26:30,080

from the known

751

00:26:34,789 --> 00:26:32,799

places they might be detected so

752

00:26:37,190 --> 00:26:34,799

if you just pure conjecture but if you

753

00:26:39,750 --> 00:26:37,200

have an intelligence that's aware

754

00:26:42,230 --> 00:26:39,760

and for some reason is not wanting to

755

00:26:43,590 --> 00:26:42,240

just be so over the top obvious

756

00:26:45,269 --> 00:26:43,600

at what point might they realize

757

00:26:47,669 --> 00:26:45,279

everybody's carrying a cell phone now

758

00:26:49,029 --> 00:26:47,679

everybody's got that thing ready to go

759

00:26:51,510 --> 00:26:49,039

you're going to get angles from

760

00:26:53,110 --> 00:26:51,520

everywhere so how do you avoid you

761

00:26:55,909 --> 00:26:53,120

being well it's one of the

762

00:26:57,990 --> 00:26:55,919

that's also one of neil degrasse tyson's

763

00:26:59,430 --> 00:26:58,000

things that he always says well you know

764

00:27:02,390 --> 00:26:59,440

we have

765

00:27:03,990 --> 00:27:02,400

60 billion whatever he says cell phones

766

00:27:06,549 --> 00:27:04,000

cameras out there how come we don't have

767

00:27:08,870 --> 00:27:06,559

any good pictures of ufos and why is it

768

00:27:11,029 --> 00:27:08,880

only the military that gets to film you

769

00:27:12,470 --> 00:27:11,039

know he's going on and on and on

770

00:27:14,789 --> 00:27:12,480

you mentioned that because just earlier

771

00:27:16,630 --> 00:27:14,799

this afternoon i i went out and was

772

00:27:18,310 --> 00:27:16,640

listening to this recent interview that

773

00:27:19,430 --> 00:27:18,320

hal put up did with eric weinstein i

774

00:27:21,269 --> 00:27:19,440

think you and i were talking about it

775

00:27:22,070 --> 00:27:21,279

before the show

776

00:27:24,789 --> 00:27:22,080

and

777

00:27:27,029 --> 00:27:24,799

hal himself makes a comment in there

778

00:27:28,789 --> 00:27:27,039

where he says well there were other

779

00:27:29,750 --> 00:27:28,799

videos

780

00:27:32,710 --> 00:27:29,760

and

781

00:27:35,190 --> 00:27:32,720

wait

782

00:27:36,230 --> 00:27:35,200

how good

783

00:27:37,669 --> 00:27:36,240

and how

784

00:27:39,909 --> 00:27:37,679

i'm paraphrasing but i think this is

785

00:27:43,350 --> 00:27:39,919

close he kind of says well

786

00:27:45,269 --> 00:27:43,360

about as good as you could probably want

787

00:27:47,510 --> 00:27:45,279

and i'm like wait a minute make a note

788

00:27:48,389 --> 00:27:47,520

of exactly what minute and seconds he

789

00:27:50,310 --> 00:27:48,399

said that

790

00:27:52,149 --> 00:27:50,320

because to me

791

00:27:54,549 --> 00:27:52,159

of course on the flip side it's okay

792

00:27:55,990 --> 00:27:54,559

where were they you had asap you had two

793

00:27:57,430 --> 00:27:56,000

the stars

794

00:28:00,070 --> 00:27:57,440

why not show us

795

00:28:01,990 --> 00:28:00,080

or at least tell us where those were

796

00:28:03,830 --> 00:28:02,000

but to have him make a statement like

797

00:28:05,669 --> 00:28:03,840

that pretty well goes to exactly the

798

00:28:07,350 --> 00:28:05,679

neil degrasse tyson's you know next time

799

00:28:09,750 --> 00:28:07,360

he's neil degrasse tyson says that just

800

00:28:12,149 --> 00:28:09,760

say maybe you should call hal

801  
00:28:14,149 --> 00:28:12,159  
and ask yeah someone just

802  
00:28:16,630 --> 00:28:14,159  
someone if you look at the comments

803  
00:28:18,070 --> 00:28:16,640  
someone john just posted this at the

804  
00:28:19,830 --> 00:28:18,080  
same time you were talking or just

805  
00:28:21,909 --> 00:28:19,840  
before you talked about it

806  
00:28:22,789 --> 00:28:21,919  
uh about put off

807  
00:28:24,470 --> 00:28:22,799  
um

808  
00:28:26,389 --> 00:28:24,480  
commenting about this which is pretty

809  
00:28:28,870 --> 00:28:26,399  
bizarre you know and unfortunately or

810  
00:28:30,789 --> 00:28:28,880  
fortunately i mean that's a valid point

811  
00:28:32,630 --> 00:28:30,799  
that we're already looking at all sorts

812  
00:28:34,870 --> 00:28:32,640  
of cloaking techniques

813  
00:28:37,430 --> 00:28:34,880

some of them aren't perfect but then

814

00:28:39,190 --> 00:28:37,440

again the general idea that if

815

00:28:41,110 --> 00:28:39,200

you know hal was talking about something

816

00:28:42,870 --> 00:28:41,120

very interesting i thought which was

817

00:28:45,510 --> 00:28:42,880

kind of the dis

818

00:28:47,510 --> 00:28:45,520

the discussion of

819

00:28:49,909 --> 00:28:47,520

different ways or

820

00:28:52,310 --> 00:28:49,919

modes of travel this is my

821

00:28:55,430 --> 00:28:52,320

trying to fumbling way to explain it

822

00:28:58,630 --> 00:28:55,440

that really aren't what you might

823

00:29:00,230 --> 00:28:58,640

consider a simple linear time like speed

824

00:29:02,389 --> 00:29:00,240

to get from point a to point b and we

825

00:29:03,830 --> 00:29:02,399

think of as how fast do you have to go

826

00:29:05,110 --> 00:29:03,840

but if there's some other way of doing

827

00:29:07,110 --> 00:29:05,120

this

828

00:29:09,110 --> 00:29:07,120

where you're not necessarily

829

00:29:10,789 --> 00:29:09,120

talking about pure speeds what you know

830

00:29:13,190 --> 00:29:10,799

ray has a picture which i'm sure you've

831

00:29:14,389 --> 00:29:13,200

seen the gort picture that to this day i

832

00:29:16,630 --> 00:29:14,399

can explain

833

00:29:18,950 --> 00:29:16,640

i've looked at it and analyzed it and

834

00:29:20,470 --> 00:29:18,960

all i can imagine is

835

00:29:22,710 --> 00:29:20,480

in my

836

00:29:25,350 --> 00:29:22,720

way of trying to explain it is something

837

00:29:27,590 --> 00:29:25,360

that's able to move and

838

00:29:29,350 --> 00:29:27,600

change direction what what not fast

839

00:29:31,510 --> 00:29:29,360

enough or maybe it's not speed maybe

840

00:29:34,149 --> 00:29:31,520

it's some time fluctuation

841

00:29:35,830 --> 00:29:34,159

that yeah that ends up

842

00:29:37,750 --> 00:29:35,840

being able to come right in front of you

843

00:29:39,750 --> 00:29:37,760

and move around you don't ever see it

844

00:29:42,149 --> 00:29:39,760

you just don't it happened in this

845

00:29:44,230 --> 00:29:42,159

particular instance i think

846

00:29:47,990 --> 00:29:44,240

to change a direction at a moment that

847

00:29:49,750 --> 00:29:48,000

stopped in one frame so rapidly

848

00:29:51,190 --> 00:29:49,760

but you put anybody down let them look

849

00:29:53,190 --> 00:29:51,200

at that thing and in about two seconds

850

00:29:54,950 --> 00:29:53,200

it's going to be whoa

851  
00:29:56,870 --> 00:29:54,960  
so i don't know but there's the point if

852  
00:29:58,310 --> 00:29:56,880  
it's traveling in a way or it's cloaking

853  
00:30:00,149 --> 00:29:58,320  
in a way or if it's just using these

854  
00:30:01,669 --> 00:30:00,159  
techniques then it doesn't matter if

855  
00:30:02,950 --> 00:30:01,679  
you've got a camera or not you won't

856  
00:30:04,950 --> 00:30:02,960  
even know it's there

857  
00:30:07,430 --> 00:30:04,960  
you know yeah and speaking of that you

858  
00:30:09,590 --> 00:30:07,440  
know the the time dilation i think you

859  
00:30:12,389 --> 00:30:09,600  
just said something like that

860  
00:30:13,830 --> 00:30:12,399  
is is really quite an interesting thing

861  
00:30:14,950 --> 00:30:13,840  
and you know what it would answer it

862  
00:30:17,990 --> 00:30:14,960  
would answer

863  
00:30:21,029 --> 00:30:18,000

the reason that there is no

864

00:30:23,830 --> 00:30:21,039

sonic boom when the thing takes off it

865

00:30:26,470 --> 00:30:23,840

uh seems to go several thousand miles an

866

00:30:29,669 --> 00:30:26,480

hour all of a sudden or when it blinks

867

00:30:32,310 --> 00:30:29,679

out and blinks back in another location

868

00:30:34,630 --> 00:30:32,320

instantly you know something like that

869

00:30:37,269 --> 00:30:34,640

the things that people were traveling

870

00:30:39,190 --> 00:30:37,279

at all we think of traveling as going

871

00:30:40,789 --> 00:30:39,200

from point a to point b

872

00:30:42,789 --> 00:30:40,799

but perhaps there's some other process

873

00:30:44,070 --> 00:30:42,799

we're not even aware of eric weinstein

874

00:30:46,470 --> 00:30:44,080

does a really intriguing little

875

00:30:48,310 --> 00:30:46,480

description he draws it on the board of

876

00:30:50,149 --> 00:30:48,320

some of the ideas about time and other

877

00:30:52,070 --> 00:30:50,159

dimensions and how you might be able to

878

00:30:54,870 --> 00:30:52,080

go back which may mean there really is

879

00:30:56,789 --> 00:30:54,880

no past or future it's it's all you know

880

00:30:58,389 --> 00:30:56,799

possibilities there but i'm not an

881

00:31:00,630 --> 00:30:58,399

expert enough to really describe it in

882

00:31:01,830 --> 00:31:00,640

any real adept way so i'll leave it to

883

00:31:03,509 --> 00:31:01,840

those guys

884

00:31:04,470 --> 00:31:03,519

but yeah but yeah i mean all of this

885

00:31:07,430 --> 00:31:04,480

stuff

886

00:31:10,549 --> 00:31:07,440

just once again it's we have ideas

887

00:31:12,789 --> 00:31:10,559

but that's right yeah and we can um you

888

00:31:14,070 --> 00:31:12,799

know i i really have kind of

889

00:31:15,509 --> 00:31:14,080

i don't have

890

00:31:17,669 --> 00:31:15,519

any

891

00:31:19,350 --> 00:31:17,679

maybe this sounds pessimistic but i

892

00:31:20,149 --> 00:31:19,360

really don't have any hope

893

00:31:22,310 --> 00:31:20,159

that

894

00:31:23,830 --> 00:31:22,320

we're going to know in my lifetime

895

00:31:25,750 --> 00:31:23,840

exactly what's going on i mean that's

896

00:31:28,710 --> 00:31:25,760

the thing you always hear people say gee

897

00:31:30,630 --> 00:31:28,720

i hope you know in my lifetime

898

00:31:32,789 --> 00:31:30,640

we'll find out what's going on and i saw

899

00:31:35,509 --> 00:31:32,799

something from the 1950s work i was

900

00:31:36,789 --> 00:31:35,519

talking about ufos saying that very same

901  
00:31:38,310 --> 00:31:36,799

thing

902  
00:31:40,149 --> 00:31:38,320

and you know i think

903  
00:31:43,990 --> 00:31:40,159

you know we may never know and we may

904  
00:31:45,990 --> 00:31:44,000

not even understand if we did know or no

905  
00:31:47,830 --> 00:31:46,000

no more i mean you're absolutely right

906  
00:31:49,430 --> 00:31:47,840

although i think of the analogy of the

907  
00:31:50,789 --> 00:31:49,440

hawaiians out in the hawaiian islands

908  
00:31:52,149 --> 00:31:50,799

that probably thought they were the only

909  
00:31:53,990 --> 00:31:52,159

people around

910  
00:31:55,990 --> 00:31:54,000

until somebody went buying a ship and

911  
00:31:57,909 --> 00:31:56,000

decided to stop it long enough for them

912  
00:31:59,750 --> 00:31:57,919

to roll out there and meet them

913  
00:32:01,190 --> 00:31:59,760

but even then the point was it wasn't in

914

00:32:02,950 --> 00:32:01,200

their control it was in the control of

915

00:32:04,230 --> 00:32:02,960

the person with the better technology

916

00:32:05,029 --> 00:32:04,240

who happened to get out to where they

917

00:32:08,070 --> 00:32:05,039

were

918

00:32:09,909 --> 00:32:08,080

when and if he ever sails by there again

919

00:32:11,830 --> 00:32:09,919

it's pot locks so whether it happens in

920

00:32:13,509 --> 00:32:11,840

their lifetime or not

921

00:32:15,110 --> 00:32:13,519

doesn't may not change the facts of

922

00:32:16,630 --> 00:32:15,120

reality but yeah it's just a

923

00:32:17,909 --> 00:32:16,640

disappointment

924

00:32:19,830 --> 00:32:17,919

and in fact it's funny to say a

925

00:32:21,590 --> 00:32:19,840

disappointment because

926  
00:32:23,669 --> 00:32:21,600

i have thought about

927  
00:32:25,669 --> 00:32:23,679

what is

928  
00:32:26,950 --> 00:32:25,679

the big appeal

929  
00:32:30,070 --> 00:32:26,960  
now i'm not saying it's appealing to

930  
00:32:32,870 --> 00:32:30,080  
everyone i mean i happen to also

931  
00:32:35,029 --> 00:32:32,880  
i'm i'm also able in my own time and

932  
00:32:37,190 --> 00:32:35,039  
with friends that i've talked to

933  
00:32:39,990 --> 00:32:37,200  
consider that

934  
00:32:43,110 --> 00:32:40,000  
what the consequences might be

935  
00:32:45,029 --> 00:32:43,120  
if this suddenly all broke that the news

936  
00:32:47,110 --> 00:32:45,039  
was out there that we aren't the top of

937  
00:32:49,590 --> 00:32:47,120  
the intelligence chain and there are

938  
00:32:53,029 --> 00:32:49,600

other civilizations or any other

939

00:32:54,789 --> 00:32:53,039

civilization that's able to get here

940

00:32:56,230 --> 00:32:54,799

what's that going to do to any number of

941

00:32:57,669 --> 00:32:56,240

institutions we got religious

942

00:33:01,190 --> 00:32:57,679

institutions

943

00:33:03,509 --> 00:33:01,200

financial issues so in a way

944

00:33:04,789 --> 00:33:03,519

it's hard to imagine because

945

00:33:07,830 --> 00:33:04,799

if i was

946

00:33:09,590 --> 00:33:07,840

speculating here whoever's in charge of

947

00:33:11,190 --> 00:33:09,600

and maybe wanting to keep the lid on

948

00:33:13,750 --> 00:33:11,200

this

949

00:33:15,509 --> 00:33:13,760

you might be willing to stop and think

950

00:33:17,990 --> 00:33:15,519

it might be understandable that they

951  
00:33:20,710 --> 00:33:18,000  
might want to do it as long as possible

952  
00:33:23,350 --> 00:33:20,720  
and not necessarily come out and own up

953  
00:33:24,630 --> 00:33:23,360  
to it straight away

954  
00:33:27,430 --> 00:33:24,640  
because you're just not sure what the

955  
00:33:30,310 --> 00:33:27,440  
consequences might be think of not just

956  
00:33:31,750 --> 00:33:30,320  
even the religious groups but cults

957  
00:33:33,509 --> 00:33:31,760  
anyone else who may feel like they're

958  
00:33:34,630 --> 00:33:33,519  
going to come up on the short end or

959  
00:33:37,190 --> 00:33:34,640  
somebody who

960  
00:33:39,269 --> 00:33:37,200  
decides it is demonic or it's not

961  
00:33:41,350 --> 00:33:39,279  
demonic or it's the american you know

962  
00:33:43,669 --> 00:33:41,360  
the public nowadays there's trust a big

963  
00:33:45,430 --> 00:33:43,679

trust issue do we believe it or not

964

00:33:46,870 --> 00:33:45,440

so i can kind of understand why maybe

965

00:33:49,269 --> 00:33:46,880

there might be good reasons that

966

00:33:50,710 --> 00:33:49,279

somebody could come up with to not

967

00:33:51,830 --> 00:33:50,720

let it out if they can avoid it which

968

00:33:53,350 --> 00:33:51,840

means you and i are waiting around

969

00:33:55,509 --> 00:33:53,360

forever

970

00:33:57,350 --> 00:33:55,519

but

971

00:33:59,110 --> 00:33:57,360

then again you know it's all a matter of

972

00:34:00,230 --> 00:33:59,120

if you're waiting for them to come to

973

00:34:01,990 --> 00:34:00,240

you

974

00:34:03,909 --> 00:34:02,000

and i would think maybe it's time to

975

00:34:07,110 --> 00:34:03,919

also be thinking of the

976  
00:34:07,909 --> 00:34:07,120  
altar approach which is

977  
00:34:09,669 --> 00:34:07,919  
if

978  
00:34:11,430 --> 00:34:09,679  
you know you brought up the papua new

979  
00:34:13,109 --> 00:34:11,440  
guinea case

980  
00:34:14,389 --> 00:34:13,119  
it was when the missionaries and the na

981  
00:34:15,990 --> 00:34:14,399  
and the people down on the ground that

982  
00:34:17,750 --> 00:34:16,000  
began to wave

983  
00:34:20,550 --> 00:34:17,760  
that then the guys apparently one of

984  
00:34:22,710 --> 00:34:20,560  
them up on the ship began to wave and i

985  
00:34:24,790 --> 00:34:22,720  
think even father gill mentioned that

986  
00:34:26,710 --> 00:34:24,800  
at some point the object began to

987  
00:34:29,510 --> 00:34:26,720  
actually come a little bit lower now the

988  
00:34:31,270 --> 00:34:29,520

irony is he said but it was getting

989

00:34:33,669 --> 00:34:31,280

close to time for mass or whatever the

990

00:34:35,909 --> 00:34:33,679

prayers were and so they all went inside

991

00:34:38,389 --> 00:34:35,919

yeah and you're like holy cow

992

00:34:39,990 --> 00:34:38,399

but maybe if they were not

993

00:34:42,310 --> 00:34:40,000

the fact that you're waving i don't know

994

00:34:45,589 --> 00:34:42,320

maybe there's some universal thing that

995

00:34:47,510 --> 00:34:45,599

waving at somebody means hey over here

996

00:34:49,430 --> 00:34:47,520

yeah but these things did not seem to be

997

00:34:51,270 --> 00:34:49,440

afraid right so i don't know but maybe

998

00:34:53,510 --> 00:34:51,280

there's a different approach

999

00:34:56,389 --> 00:34:53,520

than just chasing them or trying to wait

1000

00:34:58,710 --> 00:34:56,399

for them to show up if ah anyway

1001  
00:35:01,030 --> 00:34:58,720  
it takes funding right

1002  
00:35:04,390 --> 00:35:01,040  
right right and you know another another

1003  
00:35:06,630 --> 00:35:04,400  
thing i was i was looking into

1004  
00:35:08,870 --> 00:35:06,640  
you know astronomy you know that's one

1005  
00:35:10,390 --> 00:35:08,880  
of my hobbies or whatever to just look

1006  
00:35:11,349 --> 00:35:10,400  
into different things and you think

1007  
00:35:14,230 --> 00:35:11,359  
about

1008  
00:35:17,109 --> 00:35:14,240  
um the known universe you know there's

1009  
00:35:19,670 --> 00:35:17,119  
70 percent out out there is dark matter

1010  
00:35:21,750 --> 00:35:19,680  
we have no idea what it is and you know

1011  
00:35:23,430 --> 00:35:21,760  
maybe that could explain some things

1012  
00:35:27,750 --> 00:35:23,440  
that

1013  
00:35:29,990 --> 00:35:27,760

happening because you think about it

1014

00:35:32,390 --> 00:35:30,000

we're only 30 everything we know that

1015

00:35:35,190 --> 00:35:32,400

exists is only 30 percent of what's

1016

00:35:36,950 --> 00:35:35,200

actually out there in the behavior of

1017

00:35:37,829 --> 00:35:36,960

what's happening with these star systems

1018

00:35:42,710 --> 00:35:37,839

and

1019

00:35:44,790 --> 00:35:42,720

so we just know a very small percentage

1020

00:35:46,310 --> 00:35:44,800

30 is not very much we're not even in

1021

00:35:48,230 --> 00:35:46,320

the middle of things we're out here on

1022

00:35:49,910 --> 00:35:48,240

the yeah one arm of our galaxy out in

1023

00:35:51,589 --> 00:35:49,920

the boonies so to speak

1024

00:35:52,950 --> 00:35:51,599

and who knows what might be going on in

1025

00:35:54,790 --> 00:35:52,960

a places where things are closer

1026

00:35:58,230 --> 00:35:54,800

together and they've been able to

1027

00:36:01,349 --> 00:35:58,240

to move around or get closer and uh but

1028

00:36:02,390 --> 00:36:01,359

i you know the idea of not knowing

1029

00:36:12,790 --> 00:36:02,400

you

1030

00:36:14,550 --> 00:36:12,800

but um well i just want to say to

1031

00:36:15,829 --> 00:36:14,560

rodrigo thank you for checking that out

1032

00:36:17,589 --> 00:36:15,839

because i couldn't find anything that

1033

00:36:18,790 --> 00:36:17,599

has to do with the father gill so i'm

1034

00:36:19,990 --> 00:36:18,800

glad to know that they're still out

1035

00:36:22,950 --> 00:36:20,000

there it's a very

1036

00:36:24,870 --> 00:36:22,960

fascinating case i love that one yeah

1037

00:36:26,550 --> 00:36:24,880

and uh i love when he tells the story

1038

00:36:28,470 --> 00:36:26,560

and at the end he says

1039

00:36:30,550 --> 00:36:28,480

yeah if it's okay if you don't believe

1040

00:36:32,310 --> 00:36:30,560

me i you know

1041

00:36:34,310 --> 00:36:32,320

he yeah he acts like

1042

00:36:36,310 --> 00:36:34,320

i know what i saw but it's okay if you

1043

00:36:37,829 --> 00:36:36,320

don't believe me i understand

1044

00:36:39,670 --> 00:36:37,839

and you know it's an interesting thing

1045

00:36:41,910 --> 00:36:39,680

there's a quote that i heard not long

1046

00:36:44,630 --> 00:36:41,920

ago which was

1047

00:36:46,390 --> 00:36:44,640

the truth does not mind being challenged

1048

00:36:48,470 --> 00:36:46,400

a lie does

1049

00:36:49,990 --> 00:36:48,480

yeah so if you know what you saw

1050

00:36:51,670 --> 00:36:50,000

there's no way you're ever going to be

1051  
00:36:53,109 --> 00:36:51,680  
able to convey the reality to a person

1052  
00:36:54,790 --> 00:36:53,119  
who wasn't there

1053  
00:36:57,270 --> 00:36:54,800  
and you can imagine if you flip if

1054  
00:36:58,150 --> 00:36:57,280  
things were reversed you like i do i'm

1055  
00:37:01,430 --> 00:36:58,160  
about

1056  
00:37:03,829 --> 00:37:01,440  
things i get in arguments with my

1057  
00:37:05,670 --> 00:37:03,839  
friends because i always and then my son

1058  
00:37:07,829 --> 00:37:05,680  
does it to me so i guess he came by

1059  
00:37:09,589 --> 00:37:07,839  
naturally but that's you don't want to

1060  
00:37:12,150 --> 00:37:09,599  
yes man i mean you want somebody to be

1061  
00:37:14,310 --> 00:37:12,160  
sure that you're

1062  
00:37:15,990 --> 00:37:14,320  
these alternate possibilities are being

1063  
00:37:17,990 --> 00:37:16,000

injected so that you consider all of

1064

00:37:21,109 --> 00:37:18,000

them so you're at least getting there

1065

00:37:22,630 --> 00:37:21,119

but yeah yeah so just to answer this

1066

00:37:24,550 --> 00:37:22,640

you know about the father gill again was

1067

00:37:27,750 --> 00:37:24,560

he into ufos i don't know if we know

1068

00:37:30,069 --> 00:37:27,760

enough about him but i know that um as

1069

00:37:32,790 --> 00:37:30,079

uh this one says right here that he

1070

00:37:36,069 --> 00:37:32,800

he actually did meet with uh

1071

00:37:38,390 --> 00:37:36,079

dr j allen heineck paul paul heineck was

1072

00:37:40,710 --> 00:37:38,400

on a few weeks ago talking about that so

1073

00:37:43,750 --> 00:37:40,720

i know that that's true in that uh

1074

00:37:45,670 --> 00:37:43,760

that his father jay allen heineck really

1075

00:37:47,270 --> 00:37:45,680

thought that was quite the case

1076  
00:37:48,630 --> 00:37:47,280  
in particular that's kind of hard to

1077  
00:37:49,349 --> 00:37:48,640  
doubt i mean

1078  
00:37:52,630 --> 00:37:49,359  
in

1079  
00:37:55,670 --> 00:37:52,640  
part of the world

1080  
00:37:57,270 --> 00:37:55,680  
you know i was in indonesia at the time

1081  
00:37:58,710 --> 00:37:57,280  
indonesians

1082  
00:38:01,349 --> 00:37:58,720  
just because somebody might want to say

1083  
00:38:04,630 --> 00:38:01,359  
call them the natives

1084  
00:38:07,109 --> 00:38:04,640  
no these were smart people you had

1085  
00:38:08,870 --> 00:38:07,119  
i mean there's of all every culture has

1086  
00:38:10,790 --> 00:38:08,880  
different people at different levels but

1087  
00:38:12,230 --> 00:38:10,800  
i have no doubt that and especially if

1088  
00:38:14,150 --> 00:38:12,240

you looked at the sketches when i get a

1089

00:38:16,069 --> 00:38:14,160

chance i'll send you that pdf i have the

1090

00:38:17,589 --> 00:38:16,079

sketches that were put together by all

1091

00:38:19,430 --> 00:38:17,599

the different people not just father

1092

00:38:20,950 --> 00:38:19,440

gill but some of the other

1093

00:38:22,390 --> 00:38:20,960

people that were there at the time and

1094

00:38:24,390 --> 00:38:22,400

you'll realize

1095

00:38:25,670 --> 00:38:24,400

like the aerial school case if you look

1096

00:38:26,790 --> 00:38:25,680

at all the sketches eventually you're

1097

00:38:28,790 --> 00:38:26,800

going to look and realize they're all

1098

00:38:30,790 --> 00:38:28,800

pretty well different levels of artistic

1099

00:38:32,790 --> 00:38:30,800

ability or whatever but they're pretty

1100

00:38:34,390 --> 00:38:32,800

well describing the same thing

1101

00:38:36,230 --> 00:38:34,400

so

1102

00:38:38,390 --> 00:38:36,240

a witness is a witness and that's a

1103

00:38:39,829 --> 00:38:38,400

major multiple witness case

1104

00:38:40,630 --> 00:38:39,839

it just happened to have father gill

1105

00:38:42,710 --> 00:38:40,640

there

1106

00:38:44,390 --> 00:38:42,720

uh norman crotwell i think that's the

1107

00:38:45,589 --> 00:38:44,400

other father that was had gone up into

1108

00:38:46,870 --> 00:38:45,599

the mountains when the father bill

1109

00:38:48,230 --> 00:38:46,880

sighting occurred when he came back

1110

00:38:50,150 --> 00:38:48,240

father gill mentioned it to him and i

1111

00:38:51,829 --> 00:38:50,160

think it was father crutwell norman

1112

00:38:54,790 --> 00:38:51,839

crotwell who actually compiled this

1113

00:38:57,190 --> 00:38:54,800

report that i'm talking about

1114

00:38:59,270 --> 00:38:57,200

but there you go so you've got

1115

00:39:01,270 --> 00:38:59,280

pretty well hard to debate whether a

1116

00:39:02,550 --> 00:39:01,280

father is going to a man like that's

1117

00:39:03,829 --> 00:39:02,560

going to actually be trying to mislead

1118

00:39:05,510 --> 00:39:03,839

you on something especially when you've

1119

00:39:07,190 --> 00:39:05,520

got multiple witnesses

1120

00:39:08,950 --> 00:39:07,200

but those are the cases that fascinate

1121

00:39:10,870 --> 00:39:08,960

me most and that

1122

00:39:12,230 --> 00:39:10,880

those kinds of cases with those kinds of

1123

00:39:14,310 --> 00:39:12,240

witnesses

1124

00:39:16,230 --> 00:39:14,320

multiple you know broad daylight

1125

00:39:17,589 --> 00:39:16,240

whatever you want to call it

1126

00:39:19,430 --> 00:39:17,599

where

1127

00:39:21,270 --> 00:39:19,440

that i go back to when i decide okay

1128

00:39:22,710 --> 00:39:21,280

which of these and what's my conviction

1129

00:39:24,230 --> 00:39:22,720

based on

1130

00:39:26,390 --> 00:39:24,240

those are the kinds of cases that i

1131

00:39:30,069 --> 00:39:26,400

consider the the real core of this

1132

00:39:34,950 --> 00:39:33,030

but it's so i i want to play something

1133

00:39:37,510 --> 00:39:34,960

hopefully i'll get this to work

1134

00:39:41,030 --> 00:39:37,520

um let me see here

1135

00:39:42,630 --> 00:39:41,040

hang on just a minute uh um because

1136

00:39:44,230 --> 00:39:42,640

since we're talking about this i might

1137

00:39:46,950 --> 00:39:44,240

as well see if i can

1138

00:39:47,990 --> 00:39:46,960

play that someone in chat alerted me to

1139

00:39:51,190 --> 00:39:48,000

this

1140

00:39:53,990 --> 00:39:51,200

and let's see okay here we go

1141

00:39:56,069 --> 00:39:54,000

just hang in i'm almost there i will get

1142

00:39:58,310 --> 00:39:56,079

to it

1143

00:40:02,310 --> 00:39:58,320

i'm not a real tech whiz but i you know

1144

00:40:04,470 --> 00:40:02,320

i i i try okay here we go

1145

00:40:07,349 --> 00:40:04,480

and here is this

1146

00:40:10,150 --> 00:40:07,359

and we'll go here

1147

00:40:11,990 --> 00:40:10,160

and full full full blast here i

1148

00:40:15,910 --> 00:40:12,000

apologize so all that time i was playing

1149

00:40:19,910 --> 00:40:17,109

hey everyone

1150

00:40:21,510 --> 00:40:19,920

that welcome to live radio

1151  
00:40:23,589 --> 00:40:21,520  
because it's it's the sounds coming

1152  
00:40:25,589 --> 00:40:23,599  
right through on my end so

1153  
00:40:26,710 --> 00:40:25,599  
anyway sorry about that everyone looks

1154  
00:40:28,069 --> 00:40:26,720  
like i'm gonna have to do a little bit

1155  
00:40:30,230 --> 00:40:28,079  
of editing

1156  
00:40:31,270 --> 00:40:30,240  
but anyway uh it was interesting for me

1157  
00:40:34,630 --> 00:40:31,280  
to watch

1158  
00:40:36,550 --> 00:40:34,640  
but that was uh so he had a visual of it

1159  
00:40:39,190 --> 00:40:36,560  
anyway he's saying that uh he's talking

1160  
00:40:42,230 --> 00:40:39,200  
about it having no noise at all and that

1161  
00:40:43,670 --> 00:40:42,240  
it showed up and they waved to it

1162  
00:40:45,670 --> 00:40:43,680  
and they were

1163  
00:40:47,990 --> 00:40:45,680

thinking wow wouldn't that be something

1164

00:40:49,349 --> 00:40:48,000

if they knew that we were trying to

1165

00:40:52,710 --> 00:40:49,359

communicate with them or something like

1166

00:40:54,630 --> 00:40:52,720

that and he said then they waved back

1167

00:40:56,230 --> 00:40:54,640

so

1168

00:40:58,069 --> 00:40:56,240

anyway i should have narrated it as it

1169

00:40:58,790 --> 00:40:58,079

was going along there

1170

00:41:00,150 --> 00:40:58,800

but

1171

00:41:03,349 --> 00:41:00,160

so that's it so all the people that

1172

00:41:07,829 --> 00:41:03,359

wanted to uh know about that uh that

1173

00:41:10,630 --> 00:41:07,839

case i didn't help too much but so let's

1174

00:41:11,750 --> 00:41:10,640

uh let's get into a different topic

1175

00:41:12,950 --> 00:41:11,760

and

1176

00:41:14,630 --> 00:41:12,960

uh

1177

00:41:16,309 --> 00:41:14,640

let's talk about i don't know you want

1178

00:41:18,870 --> 00:41:16,319

to talk about the paul benowitz case

1179

00:41:21,910 --> 00:41:18,880

which is to me that is such a

1180

00:41:24,309 --> 00:41:21,920

it's such a a hard

1181

00:41:27,109 --> 00:41:24,319

the whole thing is so disturbing and one

1182

00:41:29,109 --> 00:41:27,119

of the things i want to ask you is

1183

00:41:29,829 --> 00:41:29,119

i'm sure you know this but it seems to

1184

00:41:31,589 --> 00:41:29,839

me

1185

00:41:34,630 --> 00:41:31,599

that lately

1186

00:41:35,670 --> 00:41:34,640

richard doty is kind of

1187

00:41:39,190 --> 00:41:35,680

like

1188

00:41:41,589 --> 00:41:39,200

kind

1189

00:41:42,710 --> 00:41:41,599

you know he's in several movies

1190

00:41:43,990 --> 00:41:42,720

he

1191

00:41:45,270 --> 00:41:44,000

is uh

1192

00:41:47,670 --> 00:41:45,280

you know people are

1193

00:41:50,390 --> 00:41:47,680

acting like he's some type of expert on

1194

00:41:52,550 --> 00:41:50,400

aliens and he says things about you know

1195

00:41:54,630 --> 00:41:52,560

more disinformation i'm sure which is

1196

00:41:55,990 --> 00:41:54,640

really bizarre

1197

00:41:57,510 --> 00:41:56,000

and before

1198

00:41:59,750 --> 00:41:57,520

you comment on just keep that in the

1199

00:42:01,510 --> 00:41:59,760

back in mind we'll talk about it later

1200

00:42:04,950 --> 00:42:01,520

but let's talk about

1201  
00:42:06,710 --> 00:42:04,960  
um the whole paul benowitz case which

1202  
00:42:08,230 --> 00:42:06,720  
i know we have talked about it before in

1203  
00:42:10,150 --> 00:42:08,240  
the show but i think it's a a

1204  
00:42:13,589 --> 00:42:10,160  
fascinating situation

1205  
00:42:14,710 --> 00:42:13,599  
and it's where um things such as the

1206  
00:42:18,870 --> 00:42:14,720  
dulce

1207  
00:42:20,150 --> 00:42:18,880  
you know came in um again disinformation

1208  
00:42:21,990 --> 00:42:20,160  
things like this

1209  
00:42:23,829 --> 00:42:22,000  
all uh

1210  
00:42:26,550 --> 00:42:23,839  
all to steer his

1211  
00:42:29,990 --> 00:42:26,560  
focus away from what was going on

1212  
00:42:31,270 --> 00:42:30,000  
at the air base

1213  
00:42:34,230 --> 00:42:31,280

well

1214

00:42:35,510 --> 00:42:34,240

it's curious because

1215

00:42:38,870 --> 00:42:35,520

you look at

1216

00:42:39,829 --> 00:42:38,880

and not to bring up the situation with

1217

00:42:41,589 --> 00:42:39,839

you know

1218

00:42:43,750 --> 00:42:41,599

what happened after the scu conference

1219

00:42:45,990 --> 00:42:43,760

where someone's trying to just push out

1220

00:42:46,950 --> 00:42:46,000

information to keep anybody from seeing

1221

00:42:48,390 --> 00:42:46,960

evidence

1222

00:42:49,670 --> 00:42:48,400

but that does

1223

00:42:52,870 --> 00:42:49,680

it is a kind of you can see a

1224

00:42:53,670 --> 00:42:52,880

correlation with what happened with paul

1225

00:42:56,710 --> 00:42:53,680

where

1226  
00:42:59,910 --> 00:42:56,720  
things that were done after the fact or

1227  
00:43:04,470 --> 00:43:01,349  
we're just

1228  
00:43:06,470 --> 00:43:04,480  
swamped to bury him i mean

1229  
00:43:08,870 --> 00:43:06,480  
an interesting case you may have heard

1230  
00:43:11,109 --> 00:43:08,880  
it that erica luke's had martin cannon

1231  
00:43:12,790 --> 00:43:11,119  
on her show recently and he brought up

1232  
00:43:14,790 --> 00:43:12,800  
krista tilton

1233  
00:43:16,870 --> 00:43:14,800  
who had written you know the benowitz

1234  
00:43:18,230 --> 00:43:16,880  
papers and back at that time she'd

1235  
00:43:19,430 --> 00:43:18,240  
gotten involved with

1236  
00:43:21,270 --> 00:43:19,440  
tom

1237  
00:43:22,950 --> 00:43:21,280  
adams and

1238  
00:43:25,430 --> 00:43:22,960

the point was though

1239

00:43:27,510 --> 00:43:25,440

apparently she's no longer with us but

1240

00:43:29,190 --> 00:43:27,520

martin cannon owned up to the fact

1241

00:43:30,390 --> 00:43:29,200

that

1242

00:43:32,309 --> 00:43:30,400

she was

1243

00:43:33,990 --> 00:43:32,319

picking on the names of people like paul

1244

00:43:36,309 --> 00:43:34,000

benowitz and whatever else

1245

00:43:37,750 --> 00:43:36,319

but basically making up so much

1246

00:43:39,190 --> 00:43:37,760

information that was out there for

1247

00:43:41,430 --> 00:43:39,200

reasons of her own

1248

00:43:43,430 --> 00:43:41,440

and stoking the whole fires in a way

1249

00:43:45,270 --> 00:43:43,440

after the fact of paul benoit's

1250

00:43:47,670 --> 00:43:45,280

underground you know the alien vats at

1251  
00:43:50,230 --> 00:43:47,680  
dulce this type of thing

1252  
00:43:54,230 --> 00:43:51,750  
and

1253  
00:43:55,270 --> 00:43:54,240  
when i first called paul

1254  
00:43:57,670 --> 00:43:55,280  
it was

1255  
00:44:00,069 --> 00:43:57,680  
the mid-80s i guess

1256  
00:44:02,150 --> 00:44:00,079  
and on it frankly by that time when he

1257  
00:44:03,990 --> 00:44:02,160  
began to talk it wasn't very far into

1258  
00:44:06,790 --> 00:44:04,000  
the conversation him talking about alien

1259  
00:44:10,069 --> 00:44:06,800  
pragmatism and things that i'm like

1260  
00:44:11,270 --> 00:44:10,079  
okay whoa you know this is out there but

1261  
00:44:14,150 --> 00:44:11,280  
i just

1262  
00:44:15,910 --> 00:44:14,160  
happened to ask finally i said well okay

1263  
00:44:18,950 --> 00:44:15,920

what

1264

00:44:21,030 --> 00:44:18,960

begin with

1265

00:44:23,109 --> 00:44:21,040

because i just even then i could not

1266

00:44:25,030 --> 00:44:23,119

fathom that if you call the air force

1267

00:44:26,550 --> 00:44:25,040

and say hey

1268

00:44:28,790 --> 00:44:26,560

some of the things he was telling me by

1269

00:44:30,390 --> 00:44:28,800

that time this was several years after

1270

00:44:32,069 --> 00:44:30,400

he had gotten the films

1271

00:44:35,990 --> 00:44:32,079

that they're not going to say

1272

00:44:37,670 --> 00:44:36,000

call mufon or call apro or something

1273

00:44:40,230 --> 00:44:37,680

so when i asked that question the simple

1274

00:44:42,950 --> 00:44:40,240

question and he said oh it was those

1275

00:44:45,190 --> 00:44:42,960

films that i got from my roof

1276

00:44:46,069 --> 00:44:45,200

and that was the first i had really been

1277

00:44:48,390 --> 00:44:46,079

aware

1278

00:44:50,710 --> 00:44:48,400

and i'm like wait what what films oh

1279

00:44:53,109 --> 00:44:50,720

yeah yeah yeah the kind of what started

1280

00:44:54,630 --> 00:44:53,119

it all now he had gotten interest and a

1281

00:44:56,550 --> 00:44:54,640

lot of this is in the book and i know

1282

00:44:58,550 --> 00:44:56,560

i'm probably going over territory a lot

1283

00:44:59,910 --> 00:44:58,560

of people know and have heard but he had

1284

00:45:01,510 --> 00:44:59,920

been interested in the subject for a

1285

00:45:03,270 --> 00:45:01,520

while he had some

1286

00:45:05,670 --> 00:45:03,280

affiliation with apro i think it was a

1287

00:45:07,030 --> 00:45:05,680

member and um was interested because

1288

00:45:08,870 --> 00:45:07,040

back in those days there was a whole lot

1289

00:45:10,630 --> 00:45:08,880

of things going on in the northern new

1290

00:45:12,790 --> 00:45:10,640

mexico area cattle mutilation southern

1291

00:45:14,870 --> 00:45:12,800

colorado snippy the whole thing

1292

00:45:16,309 --> 00:45:14,880

which tom adams gary massey and dave

1293

00:45:17,990 --> 00:45:16,319

perkins a lot of people were really on

1294

00:45:18,790 --> 00:45:18,000

top of that my friend tom was on top of

1295

00:45:20,630 --> 00:45:18,800

that

1296

00:45:22,390 --> 00:45:20,640

and paul was

1297

00:45:23,990 --> 00:45:22,400

like many people right there was there

1298

00:45:26,069 --> 00:45:24,000

was a conference or a

1299

00:45:27,430 --> 00:45:26,079

cbi i think it was maybe

1300

00:45:28,950 --> 00:45:27,440

meeting up in

1301

00:45:30,630 --> 00:45:28,960

northern new mexico somewhere he went to

1302

00:45:32,390 --> 00:45:30,640

that but that i think is where he first

1303

00:45:33,430 --> 00:45:32,400

met gabe valdez

1304

00:45:34,470 --> 00:45:33,440

and

1305

00:45:36,870 --> 00:45:34,480

basically

1306

00:45:38,870 --> 00:45:36,880

the latter part of 1979 he was not

1307

00:45:41,589 --> 00:45:38,880

focused on albuquerque he was going back

1308

00:45:43,910 --> 00:45:41,599

and forth up to the dulce area because

1309

00:45:45,430 --> 00:45:43,920

of something he had seen in a snapshot

1310

00:45:47,430 --> 00:45:45,440

he took when he was with gabe and it got

1311

00:45:49,430 --> 00:45:47,440

his interest on that

1312

00:45:51,670 --> 00:45:49,440

that's really

1313

00:45:53,990 --> 00:45:51,680

i suppose you could say in from paul's

1314

00:45:56,309 --> 00:45:54,000

perspective where the whole dulce angle

1315

00:45:58,150 --> 00:45:56,319

kind of came in but it was also because

1316

00:45:59,670 --> 00:45:58,160

there were any number of unusual things

1317

00:46:01,510 --> 00:45:59,680

going on in that area at the time the

1318

00:46:04,150 --> 00:46:01,520

indian reservation area hickory apache

1319

00:46:06,950 --> 00:46:04,160

what not so paul like a lot of people

1320

00:46:08,230 --> 00:46:06,960

had already been interested in that

1321

00:46:09,589 --> 00:46:08,240

but it's

1322

00:46:11,190 --> 00:46:09,599

he'd been back up there two or three

1323

00:46:12,950 --> 00:46:11,200

times one time i think with his son

1324

00:46:14,470 --> 00:46:12,960

because he sent me pages of his own

1325

00:46:15,910 --> 00:46:14,480

handwritten notes explaining how all

1326

00:46:18,069 --> 00:46:15,920

this began

1327

00:46:19,270 --> 00:46:18,079

and he came back one time because he

1328

00:46:21,430 --> 00:46:19,280

said he wanted to get back before the

1329

00:46:23,109 --> 00:46:21,440

snow season started

1330

00:46:25,589 --> 00:46:23,119

and he came back and his wife mentioned

1331

00:46:27,750 --> 00:46:25,599

having her something over the roof late

1332

00:46:29,670 --> 00:46:27,760

in the wee hours of the early morning

1333

00:46:31,190 --> 00:46:29,680

and i suppose

1334

00:46:32,790 --> 00:46:31,200

if he's going to be stuck in albuquerque

1335

00:46:34,390 --> 00:46:32,800

or i think now it was right near the

1336

00:46:36,630 --> 00:46:34,400

christmas holidays so since he wasn't

1337

00:46:38,630 --> 00:46:36,640

going to be driving back up to dulce

1338

00:46:39,990 --> 00:46:38,640

he just decided well

1339

00:46:41,589 --> 00:46:40,000

hey what if

1340

00:46:44,069 --> 00:46:41,599

you know i

1341

00:46:45,510 --> 00:46:44,079

i cringe to even bring this up but you

1342

00:46:47,829 --> 00:46:45,520

know we've all heard the term hitchhiker

1343

00:46:49,990 --> 00:46:47,839

effect these days i'm just saying paul

1344

00:46:51,990 --> 00:46:50,000

began to speculate

1345

00:46:54,870 --> 00:46:52,000

what if whatever he's been poking around

1346

00:46:56,790 --> 00:46:54,880

in up there in dulce area

1347

00:46:58,390 --> 00:46:56,800

has kind of traced him back to where he

1348

00:47:00,550 --> 00:46:58,400

is so he starts getting up on his

1349

00:47:02,309 --> 00:47:00,560

research staying up on his roof

1350

00:47:04,870 --> 00:47:02,319

just to see what he can see and from his

1351

00:47:07,990 --> 00:47:04,880

rooftop in the four hill section he has

1352

00:47:09,829 --> 00:47:08,000

a clean view south for three four five i

1353

00:47:11,109 --> 00:47:09,839

mean south miles but definitely towards

1354

00:47:13,829 --> 00:47:11,119

the end of the manzano mountains and of

1355

00:47:15,910 --> 00:47:13,839

course now he's two stories up and up on

1356

00:47:19,030 --> 00:47:15,920

the roof so kind of the third floor

1357

00:47:21,510 --> 00:47:19,040

altitude up there looking over the fence

1358

00:47:24,230 --> 00:47:21,520

and that's when all this started he sees

1359

00:47:25,510 --> 00:47:24,240

these objects jump up off the ground and

1360

00:47:26,870 --> 00:47:25,520

take off around the south end of the

1361

00:47:29,109 --> 00:47:26,880

mountain and

1362

00:47:30,470 --> 00:47:29,119

subsequently and i i have to be honest i

1363

00:47:32,630 --> 00:47:30,480

don't know if this was every single

1364

00:47:34,150 --> 00:47:32,640

night but he got camera equipment i

1365

00:47:36,630 --> 00:47:34,160

think at one point he had a hasselblad

1366

00:47:39,030 --> 00:47:36,640

camera he had a another camera mounted

1367

00:47:41,349 --> 00:47:39,040

on a tripod he had one mounted a video

1368

00:47:43,670 --> 00:47:41,359

camera i think mounted to a telescope

1369

00:47:46,150 --> 00:47:43,680

but he had all sorts of you know

1370

00:47:47,589 --> 00:47:46,160

fit for bear out there on his roof

1371

00:47:48,710 --> 00:47:47,599

and he described one instance where they

1372

00:47:50,150 --> 00:47:48,720

were down on the ground out there and

1373

00:47:51,910 --> 00:47:50,160

he's looking at him and his wife comes

1374

00:47:53,750 --> 00:47:51,920

out and they're both watching these

1375

00:47:55,829 --> 00:47:53,760

things and he tells her

1376

00:47:57,589 --> 00:47:55,839

when he began to notice the symptom of a

1377

00:47:59,430 --> 00:47:57,599

flash before they would take off and he

1378

00:48:01,190 --> 00:47:59,440

told her get ready here they go

1379

00:48:02,950 --> 00:48:01,200

they'd jump up about 300 feet

1380

00:48:05,030 --> 00:48:02,960

immediately turned south and zip around

1381

00:48:06,950 --> 00:48:05,040

the end of the montana mountains

1382

00:48:08,790 --> 00:48:06,960

so he had all this stuff that he had on

1383

00:48:10,630 --> 00:48:08,800

film and of course that

1384

00:48:12,309 --> 00:48:10,640

really got my interest

1385

00:48:14,470 --> 00:48:12,319

that's why yeah so let's talk about what

1386

00:48:16,870 --> 00:48:14,480

you what year was that

1387

00:48:19,349 --> 00:48:16,880

chris um the best that i can everybody

1388

00:48:21,589 --> 00:48:19,359

kind of became got to know of paul and

1389

00:48:23,829 --> 00:48:21,599

we could say in 1980 but he was looking

1390

00:48:26,309 --> 00:48:23,839

around the dulce area at the end of from

1391

00:48:28,870 --> 00:48:26,319

say july to the end of 79 and his

1392

00:48:30,390 --> 00:48:28,880

description of the knights when he

1393

00:48:33,589 --> 00:48:30,400

filmed these objects

1394

00:48:35,990 --> 00:48:33,599

was that there was no moon and it was as

1395

00:48:37,670 --> 00:48:36,000

low as 20 degrees

1396

00:48:39,430 --> 00:48:37,680

then i found some other indication

1397

00:48:40,870 --> 00:48:39,440

information that seemed to suggest to me

1398

00:48:43,430 --> 00:48:40,880

that it was within a few weeks in

1399

00:48:45,910 --> 00:48:43,440

january i think it was in a a letter or

1400

00:48:47,670 --> 00:48:45,920

a note that ernest edwards had written

1401

00:48:51,270 --> 00:48:47,680

um where he said first contact with paul

1402

00:48:52,870 --> 00:48:51,280

benoit's january of 1980. so i went back

1403

00:48:54,950 --> 00:48:52,880

and did some checking to look for a time

1404

00:48:56,870 --> 00:48:54,960

period when there was no moon and it was

1405

00:48:59,270 --> 00:48:56,880

down around 20 degrees

1406

00:49:00,829 --> 00:48:59,280

and i kind of narrowed into an area

1407

00:49:03,349 --> 00:49:00,839

around december

1408

00:49:05,109 --> 00:49:03,359

16th maybe in a week or so after that of

1409

00:49:08,630 --> 00:49:05,119

1979

1410

00:49:10,790 --> 00:49:08,640

range

1411

00:49:12,390 --> 00:49:10,800

and the best i can tell it may not have

1412

00:49:14,390 --> 00:49:12,400

been every night but when he went out

1413

00:49:15,510 --> 00:49:14,400

there and would see these things

1414

00:49:16,950 --> 00:49:15,520

first few nights apparently they were

1415

00:49:18,870 --> 00:49:16,960

already on the ground and he was

1416

00:49:20,309 --> 00:49:18,880

wondering he never saw them come in

1417

00:49:21,829 --> 00:49:20,319

but one of the nights he got out there

1418

00:49:23,190 --> 00:49:21,839

early and he saw i don't know if it was

1419

00:49:25,190 --> 00:49:23,200

just one of them or

1420

00:49:27,109 --> 00:49:25,200

all of them at once but he described

1421

00:49:28,230 --> 00:49:27,119

one of them coming around the end of the

1422

00:49:29,829 --> 00:49:28,240

mountain

1423

00:49:31,750 --> 00:49:29,839

coming straight up north and dropping

1424

00:49:34,390 --> 00:49:31,760

straight down

1425

00:49:36,309 --> 00:49:34,400

out lights out within five seconds not

1426

00:49:37,589 --> 00:49:36,319

like a helicopter he said coming in and

1427

00:49:38,950 --> 00:49:37,599

kind of looking for the spot to land

1428

00:49:40,790 --> 00:49:38,960

this thing just was apparently came in

1429

00:49:41,829 --> 00:49:40,800

to drop down lights out

1430

00:49:43,349 --> 00:49:41,839

and

1431

00:49:45,109 --> 00:49:43,359

at that point i guess if you were

1432

00:49:47,829 --> 00:49:45,119

downtown in the main part of albuquerque

1433

00:49:49,349 --> 00:49:47,839

at that day and whatever

1434

00:49:50,549 --> 00:49:49,359

something lower than the altitude of the

1435

00:49:52,069 --> 00:49:50,559

mountains

1436

00:49:53,190 --> 00:49:52,079

you know you people could have written

1437

00:49:55,430 --> 00:49:53,200

it off oh you must have seen a

1438

00:49:57,030 --> 00:49:55,440

helicopter if nobody was really paying

1439

00:49:59,430 --> 00:49:57,040

attention and besides who's out on the

1440

00:50:00,790 --> 00:49:59,440

rooftop in 20 degree weather

1441

00:50:03,270 --> 00:50:00,800

in albuquerque

1442

00:50:04,870 --> 00:50:03,280

very few people i can imagine so

1443

00:50:07,750 --> 00:50:04,880

i think that may have been a significant

1444

00:50:09,589 --> 00:50:07,760

point that whatever was going on

1445

00:50:11,910 --> 00:50:09,599

was going on at a time when nobody wants

1446

00:50:13,190 --> 00:50:11,920

to just walk around outside so whatever

1447

00:50:14,630 --> 00:50:13,200

these things were flying in was at a

1448

00:50:17,190 --> 00:50:14,640

time when presumably there wasn't

1449

00:50:18,790 --> 00:50:17,200

weren't going to be many people watching

1450

00:50:20,710 --> 00:50:18,800

but now do you think they actually we

1451  
00:50:23,829 --> 00:50:20,720  
had some type of tech that would do that

1452  
00:50:27,670 --> 00:50:25,990  
i mean that's that's speculation right

1453  
00:50:29,030 --> 00:50:27,680  
yeah i've never been able to conceive of

1454  
00:50:30,390 --> 00:50:29,040  
anything

1455  
00:50:34,470 --> 00:50:30,400  
that

1456  
00:50:38,390 --> 00:50:34,480  
say

1457  
00:50:42,230 --> 00:50:40,309  
something tells me especially when

1458  
00:50:43,910 --> 00:50:42,240  
they're coming into this area which at

1459  
00:50:46,150 --> 00:50:43,920  
the time this was inside a double

1460  
00:50:47,670 --> 00:50:46,160  
perimeter electrified fence i think a

1461  
00:50:50,309 --> 00:50:47,680  
lot of this is actually department of

1462  
00:50:53,109 --> 00:50:50,319  
energy land but the manzano weapon

1463  
00:50:55,510 --> 00:50:53,119

storage area was a kind of a three mile

1464

00:50:57,750 --> 00:50:55,520

stretch where nuclear weapons or other

1465

00:50:58,950 --> 00:50:57,760

materials what not had been put into

1466

00:51:00,950 --> 00:50:58,960

tunnels you could actually see the

1467

00:51:02,710 --> 00:51:00,960

bunkers in probably google street view

1468

00:51:04,790 --> 00:51:02,720

you can see some of those bunkers

1469

00:51:06,230 --> 00:51:04,800

so these objects were coming down inside

1470

00:51:07,990 --> 00:51:06,240

the fence area

1471

00:51:09,829 --> 00:51:08,000

which was partly why he first called and

1472

00:51:12,150 --> 00:51:09,839

spoke with ernest edwards who was in

1473

00:51:13,670 --> 00:51:12,160

charge of the guards inside this area

1474

00:51:16,790 --> 00:51:13,680

but they were going down and landing in

1475

00:51:18,630 --> 00:51:16,800

this area for hours at a time

1476

00:51:20,150 --> 00:51:18,640

and there's some peculiarities in the

1477

00:51:21,510 --> 00:51:20,160

way they were landing that they weren't

1478

00:51:22,870 --> 00:51:21,520

all landing in a group as though

1479

00:51:24,309 --> 00:51:22,880

everybody's going to get it get out you

1480

00:51:26,470 --> 00:51:24,319

know park your cars close together that

1481

00:51:28,230 --> 00:51:26,480

kind of thing they seem to be landing in

1482

00:51:29,829 --> 00:51:28,240

a stretch and i think paul's estimate

1483

00:51:31,910 --> 00:51:29,839

was maybe

1484

00:51:33,750 --> 00:51:31,920

a couple hundred feet apart

1485

00:51:35,270 --> 00:51:33,760

and you think why would you land that

1486

00:51:36,870 --> 00:51:35,280

far apart

1487

00:51:38,790 --> 00:51:36,880

and it's speculation but someone else

1488

00:51:40,710 --> 00:51:38,800

actually even brought it up to me that

1489

00:51:42,870 --> 00:51:40,720

in that area if you look at the distance

1490

00:51:46,630 --> 00:51:42,880

between those bunkers

1491

00:51:48,790 --> 00:51:46,640

that they're spaced out a distance apart

1492

00:51:50,710 --> 00:51:48,800

and it kind of makes you wonder whether

1493

00:51:53,589 --> 00:51:50,720

there was not something

1494

00:51:55,109 --> 00:51:53,599

targeted or something intended

1495

00:51:56,390 --> 00:51:55,119

having to do maybe with some of those

1496

00:51:57,750 --> 00:51:56,400

bunkers that were down there and that

1497

00:52:00,150 --> 00:51:57,760

these things may have been lined up i

1498

00:52:02,150 --> 00:52:00,160

mean that's sheer speculation but paul

1499

00:52:03,349 --> 00:52:02,160

made the note that they appeared to be

1500

00:52:05,430 --> 00:52:03,359

in a line

1501  
00:52:07,349 --> 00:52:05,440  
separated by you know a couple hundred

1502  
00:52:09,030 --> 00:52:07,359  
feet something like that which is kind

1503  
00:52:11,270 --> 00:52:09,040  
of peculiar in its own way when you

1504  
00:52:12,790 --> 00:52:11,280  
think about it so but to be there for

1505  
00:52:13,829 --> 00:52:12,800  
that length of time

1506  
00:52:15,589 --> 00:52:13,839  
and

1507  
00:52:18,230 --> 00:52:15,599  
he made a note the time that his wife

1508  
00:52:19,430 --> 00:52:18,240  
was with him

1509  
00:52:21,030 --> 00:52:19,440  
there was

1510  
00:52:22,390 --> 00:52:21,040  
they were these things seemed to be down

1511  
00:52:24,150 --> 00:52:22,400  
on the ground and i believe it was the

1512  
00:52:26,710 --> 00:52:24,160  
same night if i'm not mistaken but he

1513  
00:52:29,030 --> 00:52:26,720

made a note at one point he said it sure

1514

00:52:31,430 --> 00:52:29,040

looked like somebody got out and was

1515

00:52:32,950 --> 00:52:31,440

walking around with a flashlight because

1516

00:52:34,630 --> 00:52:32,960

he could just see this light that seemed

1517

00:52:37,349 --> 00:52:34,640

to be being played around on the ground

1518

00:52:38,470 --> 00:52:37,359

below where one of these things was

1519

00:52:39,430 --> 00:52:38,480

um

1520

00:52:40,870 --> 00:52:39,440

obviously would have to have been

1521

00:52:42,549 --> 00:52:40,880

something either what he was seeing it

1522

00:52:44,230 --> 00:52:42,559

through binoculars or his telescope or

1523

00:52:45,430 --> 00:52:44,240

something to see it at you know i think

1524

00:52:46,630 --> 00:52:45,440

i estimated about two two and a half

1525

00:52:47,990 --> 00:52:46,640

miles away

1526  
00:52:49,430 --> 00:52:48,000  
but also

1527  
00:52:50,470 --> 00:52:49,440  
there were some lights that seemed to

1528  
00:52:52,390 --> 00:52:50,480  
come by

1529  
00:52:53,510 --> 00:52:52,400  
that he and his wife i think speculated

1530  
00:52:55,430 --> 00:52:53,520  
this looked like the lights of the

1531  
00:52:57,190 --> 00:52:55,440  
guards that would occasionally there was

1532  
00:52:59,349 --> 00:52:57,200  
a road inside this double perimeter

1533  
00:53:01,829 --> 00:52:59,359  
fence so presumably the guards would do

1534  
00:53:04,470 --> 00:53:01,839  
their duty or their trips around this

1535  
00:53:05,430 --> 00:53:04,480  
whole site during the night

1536  
00:53:06,710 --> 00:53:05,440  
and

1537  
00:53:08,069 --> 00:53:06,720  
they were like at one point it looked

1538  
00:53:10,150 --> 00:53:08,079

like these lights either must have gone

1539

00:53:11,510 --> 00:53:10,160

right by or kind of right below wherever

1540

00:53:15,510 --> 00:53:11,520

these lights would have been how could

1541

00:53:19,829 --> 00:53:18,390

i don't know unless unless

1542

00:53:21,670 --> 00:53:19,839

they knew they were there

1543

00:53:23,109 --> 00:53:21,680

you know unless i don't know unless for

1544

00:53:24,470 --> 00:53:23,119

some reason

1545

00:53:25,510 --> 00:53:24,480

these things can sit down there on the

1546

00:53:26,710 --> 00:53:25,520

ground

1547

00:53:28,630 --> 00:53:26,720

this is the part of the whole thing

1548

00:53:30,470 --> 00:53:28,640

though that got me

1549

00:53:33,190 --> 00:53:30,480

i don't think there's any way anybody

1550

00:53:34,470 --> 00:53:33,200

inside that area who was in any way

1551

00:53:35,990 --> 00:53:34,480

shape or form

1552

00:53:37,430 --> 00:53:36,000

looking there

1553

00:53:38,870 --> 00:53:37,440

could have missed these things coming

1554

00:53:41,589 --> 00:53:38,880

and going

1555

00:53:43,270 --> 00:53:41,599

because paul got him on film

1556

00:53:45,270 --> 00:53:43,280

which means from where he was and he

1557

00:53:47,510 --> 00:53:45,280

wasn't supposed to be there let's just

1558

00:53:49,270 --> 00:53:47,520

take that as maybe a presumption that

1559

00:53:50,790 --> 00:53:49,280

nobody knew he was there so you can't

1560

00:53:51,750 --> 00:53:50,800

say they had their lights on targeting

1561

00:53:53,510 --> 00:53:51,760

on him

1562

00:53:55,349 --> 00:53:53,520

but he got it on film he saw them coming

1563

00:53:57,030 --> 00:53:55,359

in he saw them taken off and going which

1564

00:53:58,309 --> 00:53:57,040

i have to imagine if you're any closer

1565

00:54:00,790 --> 00:53:58,319

than he was

1566

00:54:03,510 --> 00:54:00,800

that's a substantial amount of visible

1567

00:54:04,470 --> 00:54:03,520

light from these objects so if anybody

1568

00:54:06,150 --> 00:54:04,480

was out there on the side of the

1569

00:54:08,069 --> 00:54:06,160

mountain how could you miss it i don't

1570

00:54:09,990 --> 00:54:08,079

know these are questions i have i mean

1571

00:54:11,510 --> 00:54:10,000

i'm somebody that if you know me i have

1572

00:54:13,109 --> 00:54:11,520

questions i don't always

1573

00:54:14,390 --> 00:54:13,119

presume an answer to anything it's just

1574

00:54:15,670 --> 00:54:14,400

these are questions i think are worth

1575

00:54:17,589 --> 00:54:15,680

asking

1576  
00:54:21,270 --> 00:54:17,599  
but you might also

1577  
00:54:23,750 --> 00:54:21,280  
consider the response to paul

1578  
00:54:26,069 --> 00:54:23,760  
when he reported it

1579  
00:54:27,990 --> 00:54:26,079  
there didn't seem

1580  
00:54:30,870 --> 00:54:28,000  
from everything i've seen

1581  
00:54:32,790 --> 00:54:30,880  
there didn't seem to be any real effort

1582  
00:54:34,470 --> 00:54:32,800  
to figure out what went on i mean one

1583  
00:54:36,230 --> 00:54:34,480  
paul i think even said the reason he

1584  
00:54:38,390 --> 00:54:36,240  
called the air force was

1585  
00:54:40,069 --> 00:54:38,400  
because he wondered if they even knew

1586  
00:54:42,069 --> 00:54:40,079  
because there was no reaction he saw no

1587  
00:54:43,670 --> 00:54:42,079  
response out there so he thought he was

1588  
00:54:45,670 --> 00:54:43,680

doing his duty

1589

00:54:47,270 --> 00:54:45,680

to call and say

1590

00:54:49,109 --> 00:54:47,280

these things he saw these things and

1591

00:54:51,030 --> 00:54:49,119

film these things

1592

00:54:52,870 --> 00:54:51,040

but the reaction seemed to be to try to

1593

00:54:55,750 --> 00:54:52,880

shut him up

1594

00:54:57,510 --> 00:54:55,760

not to determine what what was and what

1595

00:54:59,270 --> 00:54:57,520

was going on and

1596

00:55:00,870 --> 00:54:59,280

apparently there was no effort to even

1597

00:55:02,710 --> 00:55:00,880

tell him hey this is a classified

1598

00:55:04,309 --> 00:55:02,720

project we have going on here you

1599

00:55:06,390 --> 00:55:04,319

weren't supposed to see this we'd

1600

00:55:07,589 --> 00:55:06,400

appreciate it you know just a cover

1601  
00:55:10,630 --> 00:55:07,599  
story of

1602  
00:55:12,710 --> 00:55:10,640  
whatever everything seemed to be

1603  
00:55:14,069 --> 00:55:12,720  
they knew he was had at some point knew

1604  
00:55:15,990 --> 00:55:14,079  
he was already looking around in the

1605  
00:55:18,150 --> 00:55:16,000  
dulce area they knew he was interested

1606  
00:55:20,630 --> 00:55:18,160  
in ufos and had gotten these things on

1607  
00:55:22,390 --> 00:55:20,640  
film so like i think it was even bill

1608  
00:55:24,069 --> 00:55:22,400  
moore had kind of implied they just were

1609  
00:55:26,150 --> 00:55:24,079  
going to stuff him with as much

1610  
00:55:27,990 --> 00:55:26,160  
disinformation as they could

1611  
00:55:29,270 --> 00:55:28,000  
to be sure that if he says anything at

1612  
00:55:30,870 --> 00:55:29,280  
all

1613  
00:55:32,470 --> 00:55:30,880

nobody's going to want to

1614

00:55:34,470 --> 00:55:32,480

believe it so they fill him with all the

1615

00:55:35,910 --> 00:55:34,480

woo-woo side of the stuff

1616

00:55:38,710 --> 00:55:35,920

and get other people to come into the

1617

00:55:40,549 --> 00:55:38,720

picture to just foment it i mean

1618

00:55:42,069 --> 00:55:40,559

well let me ask you one of the one of

1619

00:55:44,069 --> 00:55:42,079

the mysteries here

1620

00:55:46,390 --> 00:55:44,079

was he do you think he was actually

1621

00:55:47,589 --> 00:55:46,400

given a computer

1622

00:55:49,750 --> 00:55:47,599

and told

1623

00:55:52,870 --> 00:55:49,760

that you know to to look at it there was

1624

00:55:54,390 --> 00:55:52,880

information on it or whatever it was

1625

00:55:55,829 --> 00:55:54,400

you know the story i'm talking about

1626

00:55:56,950 --> 00:55:55,839

right yeah the story the first that i

1627

00:55:58,549 --> 00:55:56,960

ever heard the story was in greg

1628

00:56:00,150 --> 00:55:58,559

bishop's book

1629

00:56:01,270 --> 00:56:00,160

and i think i may have even asked greg

1630

00:56:02,549 --> 00:56:01,280

about it a time or two when we were

1631

00:56:05,030 --> 00:56:02,559

talking but

1632

00:56:07,270 --> 00:56:05,040

the story seems to have been that greg

1633

00:56:09,910 --> 00:56:07,280

if i go if i'm correct here greg was

1634

00:56:13,190 --> 00:56:09,920

told that by bill moore

1635

00:56:16,870 --> 00:56:13,200

bill moore claimed that

1636

00:56:19,430 --> 00:56:16,880

alan heineck had been given a computer

1637

00:56:21,109 --> 00:56:19,440

apparently pre-loaded with software

1638

00:56:23,910 --> 00:56:21,119

but that the air force had given to

1639

00:56:25,910 --> 00:56:23,920

heinek to give to

1640

00:56:28,150 --> 00:56:25,920

to uh paul

1641

00:56:30,390 --> 00:56:28,160

but don't tell him the air force

1642

00:56:34,150 --> 00:56:30,400

were the ones who were providing it

1643

00:56:40,870 --> 00:56:36,870

i you know i mean i have i have

1644

00:56:45,190 --> 00:56:43,109

i had a lot of respect for alan heineck

1645

00:56:47,829 --> 00:56:45,200

i mean i don't think anybody

1646

00:56:50,230 --> 00:56:47,839

everybody does

1647

00:56:53,349 --> 00:56:50,240

there's no way and i've realized this

1648

00:56:55,589 --> 00:56:53,359

it's a story told by bill moore

1649

00:56:58,549 --> 00:56:55,599

that unless somebody comes out with some

1650

00:57:00,870 --> 00:56:58,559

documentation that attests to it you can

1651  
00:57:03,349 --> 00:57:00,880  
never say i can't i certainly am not

1652  
00:57:05,750 --> 00:57:03,359  
going to just decide that alan heineck

1653  
00:57:07,670 --> 00:57:05,760  
was somehow acting as a mole

1654  
00:57:08,549 --> 00:57:07,680  
you know perpetuating the disinformation

1655  
00:57:11,109 --> 00:57:08,559  
by

1656  
00:57:13,430 --> 00:57:11,119  
knowing and willingly contributing this

1657  
00:57:14,789 --> 00:57:13,440  
computer to paul hoping to just push him

1658  
00:57:17,349 --> 00:57:14,799  
over the edge

1659  
00:57:19,270 --> 00:57:17,359  
that's hard it's hard to me to believe

1660  
00:57:20,789 --> 00:57:19,280  
the same way that i feel nowadays with

1661  
00:57:22,390 --> 00:57:20,799  
everybody that's

1662  
00:57:24,470 --> 00:57:22,400  
involved with the whole

1663  
00:57:26,549 --> 00:57:24,480

asap to a-tip thing

1664

00:57:28,549 --> 00:57:26,559

you know yeah we want to talk about that

1665

00:57:30,390 --> 00:57:28,559

too i forgot about i'm just saying at

1666

00:57:32,230 --> 00:57:30,400

some point i have not had a chance to

1667

00:57:33,349 --> 00:57:32,240

talk to them so i'm certainly not going

1668

00:57:34,710 --> 00:57:33,359

to

1669

00:57:35,910 --> 00:57:34,720

judge anybody

1670

00:57:38,309 --> 00:57:35,920

just because there are things that i

1671

00:57:39,829 --> 00:57:38,319

don't know i don't know what

1672

00:57:42,230 --> 00:57:39,839

they may have had on their plate or what

1673

00:57:43,430 --> 00:57:42,240

the rationale like heineken in this case

1674

00:57:44,710 --> 00:57:43,440

was he

1675

00:57:46,069 --> 00:57:44,720

told

1676

00:57:48,069 --> 00:57:46,079

that the air force had put this

1677

00:57:49,910 --> 00:57:48,079

information maybe he wasn't even aware

1678

00:57:52,150 --> 00:57:49,920

maybe they just said we don't want to be

1679

00:57:53,670 --> 00:57:52,160

known to have handed this to paul but

1680

00:57:55,030 --> 00:57:53,680

we're trying to help him so give this to

1681

00:57:56,150 --> 00:57:55,040

him and maybe heineken was totally

1682

00:57:58,150 --> 00:57:56,160

clueless

1683

00:58:00,069 --> 00:57:58,160

and he thought he was doing a good thing

1684

00:58:01,829 --> 00:58:00,079

i don't know but i've never seen any

1685

00:58:03,750 --> 00:58:01,839

other substantiation for it is all i'm

1686

00:58:05,510 --> 00:58:03,760

saying

1687

00:58:06,710 --> 00:58:05,520

uh these things keep moving while i'm

1688

00:58:09,910 --> 00:58:06,720

trying to

1689

00:58:11,349 --> 00:58:09,920

um let's see there was a point up here

1690

00:58:12,390 --> 00:58:11,359

and

1691

00:58:14,549 --> 00:58:12,400

about

1692

00:58:17,109 --> 00:58:14,559

the computer here it is so in what year

1693

00:58:20,309 --> 00:58:17,119

was the computer not possible um this

1694

00:58:22,470 --> 00:58:20,319

was this was a very early computer

1695

00:58:23,829 --> 00:58:22,480

right i mean it would have to have been

1696

00:58:25,349 --> 00:58:23,839

well there was my friend i mean what

1697

00:58:26,470 --> 00:58:25,359

year did he die

1698

00:58:29,829 --> 00:58:26,480

what year did

1699

00:58:30,710 --> 00:58:29,839

was it 82 or something like that

1700

00:58:32,549 --> 00:58:30,720

yeah

1701

00:58:33,990 --> 00:58:32,559

but my understanding from some people

1702

00:58:35,430 --> 00:58:34,000

who had at least seen some of the

1703

00:58:37,030 --> 00:58:35,440

printouts i think and some of the

1704

00:58:38,710 --> 00:58:37,040

pictures that paul had i think shared

1705

00:58:41,190 --> 00:58:38,720

with gabe valdez

1706

00:58:41,990 --> 00:58:41,200

it seems like and there was a discussion

1707

00:58:43,750 --> 00:58:42,000

of

1708

00:58:45,270 --> 00:58:43,760

some old computer game it may have been

1709

00:58:47,270 --> 00:58:45,280

called like wagon train or something

1710

00:58:49,670 --> 00:58:47,280

very rudimentary pixelated kind of early

1711

00:58:51,829 --> 00:58:49,680

early graphics from back in the day so

1712

00:58:53,750 --> 00:58:51,839

i'm guessing yeah it probably would have

1713

00:58:54,950 --> 00:58:53,760

been in the 1980

1714

00:58:57,910 --> 00:58:54,960

time frame

1715

00:59:00,309 --> 00:58:57,920

uh if not ad81 so

1716

00:59:02,150 --> 00:59:00,319

certainly a rudimentary i don't know

1717

00:59:03,430 --> 00:59:02,160

i don't even think they had windows at

1718

00:59:06,549 --> 00:59:03,440

the time so it may have very well been

1719

00:59:07,750 --> 00:59:06,559

dos mode uh maybe dos 3.1 or something

1720

00:59:09,510 --> 00:59:07,760

like this

1721

00:59:10,710 --> 00:59:09,520

yeah but i don't know i mean i never

1722

00:59:12,309 --> 00:59:10,720

actually

1723

00:59:13,750 --> 00:59:12,319

saw the computer i just have heard

1724

00:59:15,190 --> 00:59:13,760

people who have seen some of the

1725

00:59:16,309 --> 00:59:15,200

printouts and some of the images and

1726

00:59:18,309 --> 00:59:16,319

whatnot

1727

00:59:20,470 --> 00:59:18,319

and talked about so is it is it true

1728

00:59:23,270 --> 00:59:20,480

that the paul benowitz

1729

00:59:25,109 --> 00:59:23,280

lived until 2003 is that right

1730

00:59:27,829 --> 00:59:25,119

uh he may have i honestly right off the

1731

00:59:29,349 --> 00:59:27,839

top of my head i don't recall exactly i

1732

00:59:32,390 --> 00:59:29,359

know when we were in santa fe we went

1733

00:59:34,950 --> 00:59:32,400

and saw where he's buried um

1734

00:59:37,829 --> 00:59:34,960

yeah but i don't know did you you met

1735

00:59:39,670 --> 00:59:37,839

him did did you meet him at one time one

1736

00:59:41,510 --> 00:59:39,680

time i had several phone conversations

1737

00:59:43,430 --> 00:59:41,520

with him i mean and

1738

00:59:44,789 --> 00:59:43,440

if it's matters to anybody i recorded

1739

00:59:47,349 --> 00:59:44,799

quite a few of those

1740

00:59:49,430 --> 00:59:47,359

and he also exchanged plenty of email i

1741

00:59:51,430 --> 00:59:49,440

mean not emails um letters handwritten

1742

00:59:53,510 --> 00:59:51,440

letters back and forth and as i said he

1743

00:59:55,270 --> 00:59:53,520

sent me a whole lot of information and

1744

00:59:56,150 --> 00:59:55,280

the one time i was going to give a talk

1745

00:59:58,870 --> 00:59:56,160

in

1746

01:00:00,390 --> 00:59:58,880

dallas he sent me this is where i got my

1747

01:00:02,549 --> 01:00:00,400

copies or that i've

1748

01:00:04,630 --> 01:00:02,559

been tried to best to enhance of the

1749

01:00:06,630 --> 01:00:04,640

images that he had because he sent me a

1750

01:00:08,230 --> 01:00:06,640

box i told him i would really like to

1751

01:00:10,630 --> 01:00:08,240

talk about his experiences at this

1752

01:00:13,670 --> 01:00:10,640

conference and he sent me a fedex box

1753

01:00:15,510 --> 01:00:13,680

with mounted on blackboard 8 by ten blow

1754

01:00:17,349 --> 01:00:15,520

ups and even the original little

1755

01:00:19,270 --> 01:00:17,359

polaroid image that he had taken after

1756

01:00:21,829 --> 01:00:19,280

his ride with gabe valdez was glued to

1757

01:00:24,150 --> 01:00:21,839

that i was like holy cow he sent me this

1758

01:00:26,069 --> 01:00:24,160

original polaroid on this box

1759

01:00:28,069 --> 01:00:26,079

and i i don't know for sure i've

1760

01:00:30,230 --> 01:00:28,079

wondered whether if that might not have

1761

01:00:31,589 --> 01:00:30,240

been a set that he because i didn't get

1762

01:00:32,950 --> 01:00:31,599

the impression he put them together just

1763

01:00:34,150 --> 01:00:32,960

to send to me

1764

01:00:35,829 --> 01:00:34,160

so it may have been something he had

1765

01:00:37,430 --> 01:00:35,839

already put together and i wondered

1766

01:00:39,910 --> 01:00:37,440

whether he might have put those together

1767

01:00:41,109 --> 01:00:39,920

for that 1980 meeting in kirtland when

1768

01:00:42,549 --> 01:00:41,119

he went down there and met general

1769

01:00:44,710 --> 01:00:42,559

berkshire and some of the other ones

1770

01:00:46,710 --> 01:00:44,720

maybe that he had those already

1771

01:00:48,710 --> 01:00:46,720

to use in the presentation and he just

1772

01:00:50,789 --> 01:00:48,720

had the box and he sent it to me

1773

01:00:52,950 --> 01:00:50,799

and finally you know i had to return

1774

01:00:54,390 --> 01:00:52,960

them but i took slides of every single

1775

01:00:56,549 --> 01:00:54,400

one of those images

1776

01:00:58,789 --> 01:00:56,559

as best i could but some of the images

1777

01:01:00,950 --> 01:00:58,799

actually showed in the old style eight

1778

01:01:02,630 --> 01:01:00,960

millimeter you know reel to reel

1779

01:01:05,510 --> 01:01:02,640

monitors that used to use back in the

1780

01:01:06,950 --> 01:01:05,520

old days that he had taken a picture of

1781

01:01:08,309 --> 01:01:06,960

the little monitor with the slides on it

1782

01:01:11,510 --> 01:01:08,319

and you can see the images on there so

1783

01:01:12,549 --> 01:01:11,520

it was proof for certain he had film

1784

01:01:14,309 --> 01:01:12,559

footage

1785

01:01:16,069 --> 01:01:14,319

of these things and

1786

01:01:18,069 --> 01:01:16,079

probably the main major pictures that i

1787

01:01:19,430 --> 01:01:18,079

did my best to enhance in the book

1788

01:01:22,390 --> 01:01:19,440

were taken

1789

01:01:25,109 --> 01:01:22,400

from that film now where those

1790

01:01:27,270 --> 01:01:25,119

hasselblad pictures went where he had

1791

01:01:28,789 --> 01:01:27,280

that thing with a six degree lens on it

1792

01:01:31,190 --> 01:01:28,799

or the pictures with the telescope you

1793

01:01:33,109 --> 01:01:31,200

know that sort of thing

1794

01:01:35,190 --> 01:01:33,119

there would have to have been some other

1795

01:01:37,829 --> 01:01:35,200

major documentation the photographic

1796

01:01:39,750 --> 01:01:37,839

information records of this stuff but

1797

01:01:41,349 --> 01:01:39,760

all i do you think it's still like do

1798

01:01:42,950 --> 01:01:41,359

you think it still exists in a file

1799

01:01:44,630 --> 01:01:42,960

somewhere

1800

01:01:47,670 --> 01:01:44,640

you know i pray

1801

01:01:49,589 --> 01:01:47,680

that kind of thing i mean i had uh

1802

01:01:52,549 --> 01:01:49,599

at one point

1803

01:01:54,549 --> 01:01:52,559

i actually had written

1804

01:01:55,910 --> 01:01:54,559

this was well into when i had started to

1805

01:01:57,430 --> 01:01:55,920

kind of work on the book i don't recall

1806

01:01:59,029 --> 01:01:57,440

exactly when he died because i know i

1807

01:02:01,910 --> 01:01:59,039

think at one point

1808

01:02:04,549 --> 01:02:01,920

i wrote to his wife actually i wrote to

1809

01:02:06,630 --> 01:02:04,559

his son this was some time after he had

1810

01:02:08,870 --> 01:02:06,640

cut himself off from everyone

1811

01:02:11,349 --> 01:02:08,880

and was just asking and he said you know

1812

01:02:12,470 --> 01:02:11,359

in all honesty if his father wants to

1813

01:02:15,510 --> 01:02:12,480

talk to me

1814

01:02:17,430 --> 01:02:15,520

he could i will admit i

1815

01:02:19,349 --> 01:02:17,440

stunned

1816

01:02:20,630 --> 01:02:19,359

to not understand why paul i really

1817

01:02:22,789 --> 01:02:20,640

believed he would at least call me

1818

01:02:24,309 --> 01:02:22,799

before he just hung up on everybody that

1819

01:02:25,670 --> 01:02:24,319

he would i honestly did i waited and

1820

01:02:27,190 --> 01:02:25,680

just thought he'll call me and say this

1821

01:02:28,789 --> 01:02:27,200

is what's going on never heard from him

1822

01:02:31,109 --> 01:02:28,799

again the phone was disconnected but i

1823

01:02:32,630 --> 01:02:31,119

did write to his wife

1824

01:02:35,589 --> 01:02:32,640

who knows whether he saw it or anybody

1825

01:02:36,710 --> 01:02:35,599

saw it and basically expressed that idea

1826

01:02:38,470 --> 01:02:36,720

i said

1827

01:02:40,789 --> 01:02:38,480

just my

1828

01:02:41,990 --> 01:02:40,799

thinking now from what i know and what i

1829

01:02:43,829 --> 01:02:42,000

found

1830

01:02:45,510 --> 01:02:43,839

if you have any of those films or

1831

01:02:47,750 --> 01:02:45,520

pictures that paul took the original

1832

01:02:49,430 --> 01:02:47,760

ones that he took from his rooftop

1833

01:02:51,349 --> 01:02:49,440

please please

1834

01:02:53,270 --> 01:02:51,359

put them in a safe deposit box do

1835

01:02:54,950 --> 01:02:53,280

something with them just save them

1836

01:02:56,390 --> 01:02:54,960

whatever you want whatever it was i said

1837

01:02:58,150 --> 01:02:56,400

i'm not asking for them to send them to

1838

01:03:00,230 --> 01:02:58,160

me but it would be

1839

01:03:03,349 --> 01:03:00,240

i said i just think they're too valuable

1840

01:03:05,670 --> 01:03:03,359

if anything else lock those things away

1841

01:03:07,670 --> 01:03:05,680

but i never heard from her

1842

01:03:09,589 --> 01:03:07,680

i stopped in santa fe when i was driving

1843

01:03:11,990 --> 01:03:09,599

up there a couple of years back and just

1844

01:03:13,349 --> 01:03:12,000

happened to cold call stopped in thunder

1845

01:03:14,710 --> 01:03:13,359

scientific and

1846

01:03:16,710 --> 01:03:14,720

asked to speak to the son that was there

1847

01:03:18,710 --> 01:03:16,720

i think it was ben he was very very

1848

01:03:20,789 --> 01:03:18,720

polite very nice guy nice looking

1849

01:03:22,710 --> 01:03:20,799

company and i just kind of passed my

1850

01:03:24,390 --> 01:03:22,720

you know respect for his dad and he was

1851

01:03:25,670 --> 01:03:24,400

very nice about it he didn't yell at me

1852

01:03:27,430 --> 01:03:25,680

and run me out the door nothing like

1853

01:03:30,630 --> 01:03:27,440

that you know so

1854

01:03:33,109 --> 01:03:30,640

i just hope if any of them have those

1855

01:03:35,109 --> 01:03:33,119

original films or pictures that paul got

1856

01:03:37,109 --> 01:03:35,119

if they're still there who's to say

1857

01:03:38,870 --> 01:03:37,119

whether they got taken out of his house

1858

01:03:40,630 --> 01:03:38,880

i don't know

1859

01:03:41,589 --> 01:03:40,640

so when you when you stop by and spoke

1860

01:03:43,109 --> 01:03:41,599

to ben

1861

01:03:45,190 --> 01:03:43,119

did you happen to tell them about your

1862

01:03:46,630 --> 01:03:45,200

book um

1863

01:03:48,870 --> 01:03:46,640

you know i'll stop my head right now i

1864

01:03:51,029 --> 01:03:48,880

don't recall i think i just stopped in

1865

01:03:52,630 --> 01:03:51,039

and i said you know believe me i admit i

1866

01:03:55,109 --> 01:03:52,640

was really

1867

01:03:56,549 --> 01:03:55,119

on my nerves

1868

01:03:58,230 --> 01:03:56,559

not wanting to make a big thing and

1869

01:03:59,589 --> 01:03:58,240

speaking you know he didn't ask me back

1870

01:04:01,510 --> 01:03:59,599

to his office or anything i just had

1871

01:04:02,630 --> 01:04:01,520

asked the secretaries up front

1872

01:04:04,870 --> 01:04:02,640

and uh

1873

01:04:06,150 --> 01:04:04,880

they came back i mean he he came out and

1874

01:04:08,309 --> 01:04:06,160

talked to me for a moment and so i tried

1875

01:04:10,390 --> 01:04:08,319

as quiet as i could to just you know pay

1876

01:04:12,069 --> 01:04:10,400

my respects for his dad and you know

1877

01:04:13,510 --> 01:04:12,079

tell him i don't know that i even

1878

01:04:15,349 --> 01:04:13,520

mentioned that i'd written a book at the

1879

01:04:17,109 --> 01:04:15,359

time i just wanted to

1880

01:04:18,789 --> 01:04:17,119

let him know he was very nice and seemed

1881

01:04:20,630 --> 01:04:18,799

very gracious and

1882

01:04:22,069 --> 01:04:20,640

i hope he thought well well of me if

1883

01:04:23,190 --> 01:04:22,079

nothing else right

1884

01:04:24,390 --> 01:04:23,200

but um

1885

01:04:26,069 --> 01:04:24,400

but i don't know whatever happened to

1886

01:04:28,150 --> 01:04:26,079

paul's

1887

01:04:30,309 --> 01:04:28,160

pictures so

1888

01:04:31,270 --> 01:04:30,319

yeah what can you say

1889

01:04:33,349 --> 01:04:31,280

right

1890

01:04:35,670 --> 01:04:33,359

and it's intriguing to me though that to

1891

01:04:37,750 --> 01:04:35,680

this day

1892

01:04:38,870 --> 01:04:37,760

maybe beyond me and i'm maybe people are

1893

01:04:40,710 --> 01:04:38,880

getting tired of hearing about it but

1894

01:04:42,950 --> 01:04:40,720

i'm going to do my best to keep paul's

1895

01:04:46,549 --> 01:04:42,960

name out there the only other person who

1896

01:04:48,069 --> 01:04:46,559

actually is still out here talking paul

1897

01:04:49,589 --> 01:04:48,079

is richard dodie

1898

01:04:50,950 --> 01:04:49,599

and it seems like every opportunity he

1899

01:04:53,349 --> 01:04:50,960

gets

1900

01:04:55,029 --> 01:04:53,359

find another way to just slam the

1901

01:04:55,910 --> 01:04:55,039

lid down a little bit more on it kind of

1902

01:04:58,069 --> 01:04:55,920

like

1903

01:04:59,750 --> 01:04:58,079

this scu situation you know just do

1904

01:05:03,270 --> 01:04:59,760

anything to keep the

1905

01:05:05,270 --> 01:05:03,280

the jack-in-the-box down and i'm like

1906

01:05:07,029 --> 01:05:05,280

it just stuns me you're like you said

1907

01:05:08,470 --> 01:05:07,039

that he seems to be getting celebrity

1908

01:05:11,270 --> 01:05:08,480

status

1909

01:05:12,470 --> 01:05:11,280

yeah and why why do why do you think

1910

01:05:14,870 --> 01:05:12,480

i mean

1911

01:05:15,990 --> 01:05:14,880

to me it would almost seem like he would

1912

01:05:18,230 --> 01:05:16,000

want to

1913

01:05:20,069 --> 01:05:18,240

skip away from that topic now as you

1914

01:05:22,630 --> 01:05:20,079

know you and i had a conversation he was

1915

01:05:26,549 --> 01:05:22,640

going to be on this show

1916

01:05:28,069 --> 01:05:26,559

and at one point and i told him that i

1917

01:05:29,829 --> 01:05:28,079

will have you on the sh i would love to

1918

01:05:31,829 --> 01:05:29,839

have you on the show but you're going to

1919

01:05:33,510 --> 01:05:31,839

have to answer every question i i don't

1920

01:05:35,589 --> 01:05:33,520

want anything off the table and what i'm

1921

01:05:37,750 --> 01:05:35,599

going to talk about and he agreed to it

1922

01:05:39,990 --> 01:05:37,760

at the time but then when it came time

1923

01:05:43,349 --> 01:05:40,000

to do the show i didn't he didn't

1924

01:05:45,349 --> 01:05:43,359

respond and he didn't you know to a date

1925

01:05:47,349 --> 01:05:45,359

so uh but

1926

01:05:49,589 --> 01:05:47,359

you know i would still have him on the

1927

01:05:52,150 --> 01:05:49,599

show but i would have to ask him

1928

01:05:53,910 --> 01:05:52,160

in detail and i'd have to have

1929

01:05:54,950 --> 01:05:53,920

you know i'd have to be prepared for the

1930

01:05:57,750 --> 01:05:54,960

show

1931

01:06:00,950 --> 01:05:57,760

maybe with your help or something to

1932

01:06:03,589 --> 01:06:00,960

ask why he's perpetuating this

1933

01:06:06,470 --> 01:06:03,599

situation you know for one but um you

1934

01:06:09,670 --> 01:06:08,069

i would like to be able to ask him some

1935

01:06:13,430 --> 01:06:09,680

hard questions that i don't think anyone

1936

01:06:17,349 --> 01:06:15,589

you know i mean

1937

01:06:20,950 --> 01:06:17,359

we're all good americans here if i could

1938

01:06:22,870 --> 01:06:20,960

start by saying that and the idea is

1939

01:06:25,109 --> 01:06:22,880

there's no need to speak ill i'm not

1940

01:06:27,750 --> 01:06:25,119

judging anybody whether it's you know if

1941

01:06:30,390 --> 01:06:27,760

if dodie came up and had a perfectly

1942

01:06:33,109 --> 01:06:30,400

understandable rationale for why he had

1943

01:06:34,870 --> 01:06:33,119

to play that part that he played

1944

01:06:36,710 --> 01:06:34,880

i'd be willing to hear it

1945

01:06:38,230 --> 01:06:36,720

i mean in other words

1946

01:06:39,430 --> 01:06:38,240

you know who can say the point is he

1947

01:06:40,309 --> 01:06:39,440

deserves

1948

01:06:42,470 --> 01:06:40,319

his

1949

01:06:44,630 --> 01:06:42,480

chance to explain without just saying it

1950

01:06:46,069 --> 01:06:44,640

was my job or something especially in a

1951

01:06:47,349 --> 01:06:46,079

case like this and when i think most

1952

01:06:49,270 --> 01:06:47,359

other people

1953

01:06:50,630 --> 01:06:49,280

even i think one point john alexander

1954

01:06:51,910 --> 01:06:50,640

was kind of implying if something like

1955

01:06:52,950 --> 01:06:51,920

this really went on somebody should be

1956

01:06:54,710 --> 01:06:52,960

in jail

1957

01:06:56,549 --> 01:06:54,720

now i'm not saying that that's the case

1958

01:06:58,069 --> 01:06:56,559

it's just

1959

01:06:59,670 --> 01:06:58,079

it's kind of the casting stone thing

1960

01:07:00,950 --> 01:06:59,680

would you want someone doing that to you

1961

01:07:02,549 --> 01:07:00,960

your father

1962

01:07:04,630 --> 01:07:02,559

would you want and then coming around

1963

01:07:05,990 --> 01:07:04,640

hanging on for the next 40 years and

1964

01:07:07,670 --> 01:07:06,000

every chance you get you try to just

1965

01:07:09,430 --> 01:07:07,680

drive another nail in the coffin to keep

1966

01:07:10,870 --> 01:07:09,440

the stories shut and make him look like

1967

01:07:13,109 --> 01:07:10,880

an idiot

1968

01:07:14,549 --> 01:07:13,119

yeah and yeah i that

1969

01:07:16,630 --> 01:07:14,559

that irks me

1970

01:07:18,789 --> 01:07:16,640

especially ernest edwards the first

1971

01:07:20,390 --> 01:07:18,799

person that rich that uh paul benoit's

1972

01:07:22,069 --> 01:07:20,400

contacted the person who actually put

1973

01:07:23,670 --> 01:07:22,079

him in touch with dodie ernest edwards

1974

01:07:25,029 --> 01:07:23,680

had been talking to paul a few times but

1975

01:07:26,549 --> 01:07:25,039

like you implied

1976

01:07:29,349 --> 01:07:26,559

now he's out of the service he's retired

1977

01:07:32,309 --> 01:07:29,359

he's gone on with his life other things

1978

01:07:34,230 --> 01:07:32,319

and you would think at some point

1979

01:07:35,910 --> 01:07:34,240

if there was nothing to it you would

1980

01:07:37,109 --> 01:07:35,920

just go on with it you wouldn't keep

1981

01:07:38,390 --> 01:07:37,119

coming out

1982

01:07:40,950 --> 01:07:38,400

but i

1983

01:07:43,430 --> 01:07:40,960

took a bit of offense if i can say it

1984

01:07:44,549 --> 01:07:43,440

that way when the unidentified program

1985

01:07:46,870 --> 01:07:44,559

came out

1986

01:07:49,910 --> 01:07:46,880

and they focused on overflights over

1987

01:07:51,349 --> 01:07:49,920

nuclear you know weapons areas some of

1988

01:07:52,710 --> 01:07:51,359

them up in the northern tier in the

1989

01:07:54,470 --> 01:07:52,720

northern u.s

1990

01:07:56,789 --> 01:07:54,480

and they created i've said the story

1991

01:07:59,510 --> 01:07:56,799

before and and i actually went on when i

1992

01:08:01,109 --> 01:07:59,520

was still doing ufo updates thing on i

1993

01:08:02,150 --> 01:08:01,119

went on there and posted something on

1994

01:08:03,750 --> 01:08:02,160

there

1995

01:08:06,150 --> 01:08:03,760

because

1996

01:08:08,150 --> 01:08:06,160

of all things you have these first two

1997

01:08:10,309 --> 01:08:08,160

episodes where they have a recreation of

1998

01:08:12,549 --> 01:08:10,319

the object they even went to the actual

1999

01:08:14,950 --> 01:08:12,559

witness out of front of his yard where

2000

01:08:17,030 --> 01:08:14,960

he said he saw it they recreated it

2001  
01:08:18,630 --> 01:08:17,040  
showed the whole kind of ufo sequence if

2002  
01:08:20,070 --> 01:08:18,640  
you want to call it that

2003  
01:08:22,309 --> 01:08:20,080  
and then they decide to go and talk

2004  
01:08:24,470 --> 01:08:22,319  
about the incidents of kirtland the paul

2005  
01:08:26,550 --> 01:08:24,480  
benowitz incidents at kirtland

2006  
01:08:28,709 --> 01:08:26,560  
first off

2007  
01:08:31,269 --> 01:08:28,719  
there are no incidents at kirtland of

2008  
01:08:33,990 --> 01:08:31,279  
any consequence involving richard dodie

2009  
01:08:35,910 --> 01:08:34,000  
except the paul benowitz incidents

2010  
01:08:37,910 --> 01:08:35,920  
so right they didn't just say this is

2011  
01:08:40,149 --> 01:08:37,920  
the 1954 incidents they were talking

2012  
01:08:41,829 --> 01:08:40,159  
about these incidents they brought him

2013  
01:08:46,229 --> 01:08:41,839

on

2014

01:08:48,070 --> 01:08:46,239

seemingly

2015

01:08:50,149 --> 01:08:48,080

back up you know just they kind of like

2016

01:08:52,390 --> 01:08:50,159

a tag team is the way i put it not not

2017

01:08:53,749 --> 01:08:52,400

to be you know condescending but that's

2018

01:08:55,349 --> 01:08:53,759

the impression i got because if you

2019

01:08:57,669 --> 01:08:55,359

watch the whole episode

2020

01:08:59,189 --> 01:08:57,679

there's virtually no they mention paul

2021

01:09:00,789 --> 01:08:59,199

well no i take it back i wrote the whole

2022

01:09:01,829 --> 01:09:00,799

thing they never mentioned paul's name

2023

01:09:03,990 --> 01:09:01,839

one time

2024

01:09:05,829 --> 01:09:04,000

they did not do you think that

2025

01:09:08,070 --> 01:09:05,839

do you think there was that's a what

2026

01:09:09,669 --> 01:09:08,080

they say the cutting room floor

2027

01:09:11,189 --> 01:09:09,679

in other words

2028

01:09:13,030 --> 01:09:11,199

part of my point was this if you look at

2029

01:09:14,470 --> 01:09:13,040

that in that segment on the on the

2030

01:09:16,550 --> 01:09:14,480

kirtland incidents

2031

01:09:18,070 --> 01:09:16,560

they showed and discussed really nothing

2032

01:09:20,229 --> 01:09:18,080

about

2033

01:09:21,590 --> 01:09:20,239

ufos

2034

01:09:23,829 --> 01:09:21,600

i think they even started out with a

2035

01:09:25,590 --> 01:09:23,839

clip that may have shown some russian

2036

01:09:27,749 --> 01:09:25,600

move you know movement and almost like

2037

01:09:29,189 --> 01:09:27,759

implying that this was back during the

2038

01:09:30,950 --> 01:09:29,199

cold war the russians may have been

2039

01:09:32,630 --> 01:09:30,960

snooping i don't know what

2040

01:09:34,470 --> 01:09:32,640

they showed nothing at all there was

2041

01:09:35,910 --> 01:09:34,480

only one mention i think by greg bishop

2042

01:09:37,110 --> 01:09:35,920

that you know paul called him and said

2043

01:09:38,550 --> 01:09:37,120

hey you guys know about these little

2044

01:09:39,990 --> 01:09:38,560

lights

2045

01:09:41,910 --> 01:09:40,000

and then richard dodie talking about

2046

01:09:43,669 --> 01:09:41,920

well this that but they showed no

2047

01:09:46,390 --> 01:09:43,679

recreation about anything that would

2048

01:09:49,590 --> 01:09:46,400

suggest there was a ufo involved at all

2049

01:09:51,030 --> 01:09:49,600

so why even have it on that segment

2050

01:09:53,189 --> 01:09:51,040

and then if you're going to put that

2051  
01:09:54,229 --> 01:09:53,199  
segment on there why bring richard dodie

2052  
01:09:56,790 --> 01:09:54,239  
on

2053  
01:09:58,870 --> 01:09:56,800  
and show nothing to at least

2054  
01:10:00,470 --> 01:09:58,880  
seemingly support the whole

2055  
01:10:02,470 --> 01:10:00,480  
point that there were these kirtland

2056  
01:10:04,390 --> 01:10:02,480  
incidents because paul got these films

2057  
01:10:06,310 --> 01:10:04,400  
and what he saw is what he called the

2058  
01:10:08,950 --> 01:10:06,320  
air force about

2059  
01:10:13,030 --> 01:10:08,960  
so i thought wait this is a hatchet job

2060  
01:10:14,950 --> 01:10:13,040  
basically to go on there and

2061  
01:10:17,189 --> 01:10:14,960  
if you're not gonna if it was not a ufo

2062  
01:10:18,870 --> 01:10:17,199  
incident why did they spend time and

2063  
01:10:21,350 --> 01:10:18,880

money on a segment on the show there are

2064

01:10:23,350 --> 01:10:21,360

plenty of other really good

2065

01:10:25,110 --> 01:10:23,360

you know cases where you've got ufos

2066

01:10:26,790 --> 01:10:25,120

seen over nuclear weapons storage areas

2067

01:10:28,470 --> 01:10:26,800

or siding they could have like the first

2068

01:10:31,030 --> 01:10:28,480

two segments they had

2069

01:10:33,350 --> 01:10:31,040

so to this day to sit there and just act

2070

01:10:34,790 --> 01:10:33,360

like oh paul was just some guy who

2071

01:10:36,390 --> 01:10:34,800

called and said hey i'm seeing these

2072

01:10:38,149 --> 01:10:36,400

little lights

2073

01:10:39,590 --> 01:10:38,159

when in fact you know it's funny the

2074

01:10:41,430 --> 01:10:39,600

first place i ever heard little lights

2075

01:10:43,110 --> 01:10:41,440

mentioned was first time i'd ever got a

2076

01:10:44,550 --> 01:10:43,120

chance to talk to bill moore way back in

2077

01:10:45,669 --> 01:10:44,560

the day

2078

01:10:47,750 --> 01:10:45,679

when

2079

01:10:49,110 --> 01:10:47,760

i asked him about paul this is before i

2080

01:10:50,630 --> 01:10:49,120

even got involved with paul i asked him

2081

01:10:51,990 --> 01:10:50,640

about what paul saw he says oh it's just

2082

01:10:53,350 --> 01:10:52,000

what paul filmed and he said oh just

2083

01:10:54,149 --> 01:10:53,360

little lights

2084

01:10:55,830 --> 01:10:54,159

oh

2085

01:10:59,030 --> 01:10:55,840

when i got that box of pictures that

2086

01:11:01,030 --> 01:10:59,040

paul sent me and looked at those things

2087

01:11:03,590 --> 01:11:01,040

a friend of mine said these are not just

2088

01:11:06,470 --> 01:11:03,600

little lights you can actually enhance

2089

01:11:08,709 --> 01:11:06,480

even the rudimentary images that i got

2090

01:11:10,310 --> 01:11:08,719

off of the pictures he sent me you can

2091

01:11:12,950 --> 01:11:10,320

enhance and see detail in there that

2092

01:11:15,350 --> 01:11:12,960

tells you right there these are not

2093

01:11:17,750 --> 01:11:15,360

so there's been this effort whether you

2094

01:11:19,110 --> 01:11:17,760

want to say dodie's the main point man

2095

01:11:21,750 --> 01:11:19,120

on it or what

2096

01:11:24,070 --> 01:11:21,760

to really diminish

2097

01:11:27,830 --> 01:11:24,080

any credibility paul might have had by

2098

01:11:28,790 --> 01:11:27,840

putting in a whole lot of other you know

2099

01:11:30,630 --> 01:11:28,800

in the

2100

01:11:32,470 --> 01:11:30,640

the punch bowl so to speak

2101

01:11:34,870 --> 01:11:32,480

and yeah let's let's talk a little bit

2102

01:11:36,390 --> 01:11:34,880

about that let's talk about

2103

01:11:38,790 --> 01:11:36,400

what you know we talked a little bit

2104

01:11:41,350 --> 01:11:38,800

about dulce and

2105

01:11:43,350 --> 01:11:41,360

you know there there is dulce is a very

2106

01:11:45,189 --> 01:11:43,360

strange place i do want to say that

2107

01:11:47,350 --> 01:11:45,199

there's a lot of weird stuff that

2108

01:11:48,229 --> 01:11:47,360

happens there it's a very mysterious

2109

01:11:48,950 --> 01:11:48,239

place

2110

01:11:51,350 --> 01:11:48,960

but

2111

01:11:53,350 --> 01:11:51,360

uh cow mutilations all kinds of things

2112

01:11:56,149 --> 01:11:53,360

but not to say that there's an

2113

01:11:58,390 --> 01:11:56,159

underground base but that was what

2114

01:12:00,870 --> 01:11:58,400

one of the things where that all came

2115

01:12:02,950 --> 01:12:00,880

from was the disinformation so i want to

2116

01:12:04,950 --> 01:12:02,960

go through if you don't mind take a few

2117

01:12:07,270 --> 01:12:04,960

minutes here and go through some of the

2118

01:12:09,750 --> 01:12:07,280

disinformation that that

2119

01:12:12,229 --> 01:12:09,760

paul was fed over the years to get him

2120

01:12:13,350 --> 01:12:12,239

distracted away from kirkland you know

2121

01:12:15,189 --> 01:12:13,360

those uh

2122

01:12:17,430 --> 01:12:15,199

filming there

2123

01:12:20,070 --> 01:12:17,440

to the best of my knowledge and at least

2124

01:12:23,590 --> 01:12:20,080

from the early on

2125

01:12:25,830 --> 01:12:23,600

paul never was focusing on underground

2126

01:12:27,910 --> 01:12:25,840

bases at dulce

2127

01:12:29,830 --> 01:12:27,920

he had been there i think like i said in

2128

01:12:31,590 --> 01:12:29,840

late 79 he'd been there two or three

2129

01:12:33,750 --> 01:12:31,600

times once with a son i remember them

2130

01:12:36,550 --> 01:12:33,760

talking paul wrote a note about

2131

01:12:38,470 --> 01:12:36,560

them seeing some very unusual lights

2132

01:12:40,070 --> 01:12:38,480

that seem to be coming along the edge of

2133

01:12:41,189 --> 01:12:40,080

the canyon around there and his son

2134

01:12:43,030 --> 01:12:41,199

fumbling trying to get the camera to

2135

01:12:44,390 --> 01:12:43,040

work and paul was laughing about her and

2136

01:12:46,070 --> 01:12:44,400

his son cussing about trying to get the

2137

01:12:47,830 --> 01:12:46,080

camera to work at night

2138

01:12:50,310 --> 01:12:47,840

and um

2139

01:12:52,709 --> 01:12:50,320

and at the same time

2140

01:12:54,950 --> 01:12:52,719

i think over the years i've heard you

2141

01:12:56,470 --> 01:12:54,960

know we've all seen or heard reports of

2142

01:12:58,390 --> 01:12:56,480

maybe the uh

2143

01:12:59,910 --> 01:12:58,400

air force or whomever do you know doing

2144

01:13:01,750 --> 01:12:59,920

some of their trainees for parachute

2145

01:13:03,430 --> 01:13:01,760

jumping and whatnot and doing you know

2146

01:13:05,189 --> 01:13:03,440

any kind of tests in areas in the areas

2147

01:13:07,910 --> 01:13:05,199

up in that area so there may be plenty

2148

01:13:10,149 --> 01:13:07,920

of reasons why you would have

2149

01:13:11,910 --> 01:13:10,159

things done at night night you know

2150

01:13:12,950 --> 01:13:11,920

activities and whatnot

2151

01:13:14,550 --> 01:13:12,960

but

2152

01:13:17,110 --> 01:13:14,560

other than those kinds of things and

2153

01:13:18,630 --> 01:13:17,120

what paul saw after he rode around on a

2154

01:13:19,990 --> 01:13:18,640

late one of those nights with gabe

2155

01:13:21,990 --> 01:13:20,000

valdez where they saw all sorts of

2156

01:13:23,270 --> 01:13:22,000

unusual things out there which got his

2157

01:13:24,630 --> 01:13:23,280

interest in it

2158

01:13:26,950 --> 01:13:24,640

but i don't

2159

01:13:29,270 --> 01:13:26,960

recall him you know he was not focused

2160

01:13:30,950 --> 01:13:29,280

in on an underground base

2161

01:13:32,149 --> 01:13:30,960

my belief in from what i believe it's

2162

01:13:34,550 --> 01:13:32,159

correct because i think i even heard

2163

01:13:36,149 --> 01:13:34,560

some comment about this from

2164

01:13:37,750 --> 01:13:36,159

martin cannon as well but in all the

2165

01:13:40,630 --> 01:13:37,760

documentation that i've had and looked

2166

01:13:43,510 --> 01:13:40,640

at it wasn't until after for example

2167

01:13:45,750 --> 01:13:43,520

he'd call the air force

2168

01:13:47,510 --> 01:13:45,760

that then this girl murna hansen came

2169

01:13:49,110 --> 01:13:47,520

into the picture

2170

01:13:51,110 --> 01:13:49,120

and she

2171

01:13:53,350 --> 01:13:51,120

i tried my best to track how that came

2172

01:13:55,030 --> 01:13:53,360

about i'd never been able to talk to her

2173

01:13:57,110 --> 01:13:55,040

i'm not sure

2174

01:13:59,430 --> 01:13:57,120

whether she's still alive or not i mean

2175

01:14:02,950 --> 01:13:59,440

somebody else is is this someone that

2176

01:14:05,510 --> 01:14:02,960

claims she saw the aliens and all that

2177

01:14:07,510 --> 01:14:05,520

something to the effect that the story

2178

01:14:08,790 --> 01:14:07,520

this is the story that i was

2179

01:14:10,070 --> 01:14:08,800

kind of trying to track down and

2180

01:14:11,510 --> 01:14:10,080

everything i've

2181

01:14:13,430 --> 01:14:11,520

been able to come up with any kind of

2182

01:14:15,030 --> 01:14:13,440

information on it was

2183

01:14:16,070 --> 01:14:15,040

she apparently

2184

01:14:18,709 --> 01:14:16,080

had

2185

01:14:20,870 --> 01:14:18,719

been driving through the area of dulce

2186

01:14:22,950 --> 01:14:20,880

across the northern part of new mexico

2187

01:14:25,030 --> 01:14:22,960

going back to where she lived which was

2188

01:14:27,030 --> 01:14:25,040

more towards the east

2189

01:14:29,350 --> 01:14:27,040

but at some point i think when she got

2190

01:14:32,310 --> 01:14:29,360

home she contacted

2191

01:14:36,470 --> 01:14:34,310

i may be paraphrasing this she called

2192

01:14:38,709 --> 01:14:36,480

and contacted someone

2193

01:14:40,470 --> 01:14:38,719

and apparently because her story seemed

2194

01:14:44,149 --> 01:14:40,480

to imply she was in the car with her

2195

01:14:46,310 --> 01:14:44,159

young son and had seen a ufo picking up

2196

01:14:47,910 --> 01:14:46,320

a cow or something to do with abducting

2197

01:14:49,990 --> 01:14:47,920

cattle

2198

01:14:51,430 --> 01:14:50,000

and whoever she contacted knew about

2199

01:14:53,189 --> 01:14:51,440

gabe valdez

2200

01:14:54,470 --> 01:14:53,199

who had been in the cattle mutilation

2201

01:14:56,550 --> 01:14:54,480

and was kind of in the hickory

2202

01:14:58,630 --> 01:14:56,560

reservation over there and put her in

2203

01:15:00,630 --> 01:14:58,640

touch with gabe valdez

2204

01:15:02,709 --> 01:15:00,640

so when she calls and talks to gabe

2205

01:15:04,229 --> 01:15:02,719

valdez

2206

01:15:05,510 --> 01:15:04,239

for whatever reason this must have been

2207

01:15:07,910 --> 01:15:05,520

around the time that he was in

2208

01:15:11,189 --> 01:15:07,920

communication with paul benowitz as well

2209

01:15:12,870 --> 01:15:11,199

because something she described

2210

01:15:15,189 --> 01:15:12,880

made gabe

2211

01:15:17,910 --> 01:15:15,199

either refer it to paul or tell paul

2212

01:15:19,830 --> 01:15:17,920

about it and it piqued paul's interest

2213

01:15:21,990 --> 01:15:19,840

enough that he apparently brought her

2214

01:15:23,669 --> 01:15:22,000

down to his house and she may have been

2215

01:15:25,189 --> 01:15:23,679

there for several days a week something

2216

01:15:27,430 --> 01:15:25,199

like this

2217

01:15:29,030 --> 01:15:27,440

and she apparently stayed at paul's home

2218

01:15:31,990 --> 01:15:29,040

during this time

2219

01:15:33,750 --> 01:15:32,000

and this may also be the time when he

2220

01:15:35,590 --> 01:15:33,760

had leo sprinkle

2221

01:15:38,149 --> 01:15:35,600

down there who was also listening and

2222

01:15:41,430 --> 01:15:38,159

doing some regressive hypnosis on her

2223

01:15:43,590 --> 01:15:41,440

and i i'm not mistaken though

2224

01:15:45,430 --> 01:15:43,600

there was some confusion of whether she

2225

01:15:47,590 --> 01:15:45,440

was talking about some kind of

2226

01:15:49,270 --> 01:15:47,600

underground facilities

2227

01:15:51,189 --> 01:15:49,280

that may have been in the manzano

2228

01:15:53,830 --> 01:15:51,199

mountains

2229

01:15:55,510 --> 01:15:53,840

as opposed to maybe not necessarily this

2230

01:15:57,030 --> 01:15:55,520

place where she said she'd been driving

2231

01:15:58,950 --> 01:15:57,040

through northern new mexico when she

2232

01:16:01,110 --> 01:15:58,960

says she saw had this experience and saw

2233

01:16:02,790 --> 01:16:01,120

this stuff happening but for whatever

2234

01:16:03,830 --> 01:16:02,800

reason it seemed to pique paul's

2235

01:16:05,270 --> 01:16:03,840

interest

2236

01:16:07,270 --> 01:16:05,280

that right in this area he had been

2237

01:16:09,669 --> 01:16:07,280

looking into you know for months after

2238

01:16:11,430 --> 01:16:09,679

meeting gabe and whatnot is the same

2239

01:16:13,590 --> 01:16:11,440

general vicinity she's talking about

2240

01:16:16,310 --> 01:16:13,600

seems seems to be talking about where

2241

01:16:18,950 --> 01:16:16,320

she had seen this experience

2242

01:16:21,270 --> 01:16:18,960

and somewhere in all of this mix

2243

01:16:24,310 --> 01:16:21,280

it came up with the idea that

2244

01:16:27,110 --> 01:16:24,320

and i do think it probably hinged a lot

2245

01:16:29,030 --> 01:16:27,120

on her alleged hypnotic regression or

2246

01:16:31,189 --> 01:16:29,040

whatnot testimony about some underground

2247

01:16:33,350 --> 01:16:31,199

bases seeing aliens being taken into

2248

01:16:35,430 --> 01:16:33,360

some underground facility

2249

01:16:37,590 --> 01:16:35,440

that kinds of laid the groundwork for

2250

01:16:40,470 --> 01:16:37,600

the idea ah maybe there's an underground

2251

01:16:43,030 --> 01:16:40,480

facility up there in the dulce area

2252

01:16:45,030 --> 01:16:43,040

believe me i think i tried to make clear

2253

01:16:46,390 --> 01:16:45,040

in the book

2254

01:16:49,189 --> 01:16:46,400

for my part

2255

01:16:51,990 --> 01:16:49,199

i could not make any clear connection

2256

01:16:54,310 --> 01:16:52,000

definitive connection between what may

2257

01:16:56,149 --> 01:16:54,320

or had been happening in the dulce area

2258

01:16:57,910 --> 01:16:56,159

that paul is interested in

2259

01:17:00,390 --> 01:16:57,920

and his happening gig

2260

01:17:01,910 --> 01:17:00,400

film what he filmed down in albuquerque

2261

01:17:04,149 --> 01:17:01,920

other than the fact that paul was

2262

01:17:06,390 --> 01:17:04,159

involved with both of them

2263

01:17:07,830 --> 01:17:06,400

and he kind of wondered whether or not

2264

01:17:10,550 --> 01:17:07,840

when he came home that night his wife

2265

01:17:13,270 --> 01:17:10,560

had heard some noise going on and he

2266

01:17:14,630 --> 01:17:13,280

speculated gee i wonder if so whatever

2267

01:17:16,709 --> 01:17:14,640

i've been looking at followed me down

2268

01:17:18,550 --> 01:17:16,719

here and so he got up on his roof

2269

01:17:19,990 --> 01:17:18,560

it may have just been

2270

01:17:21,270 --> 01:17:20,000

good luck or bad luck however you want

2271

01:17:24,390 --> 01:17:21,280

to look at it

2272

01:17:27,590 --> 01:17:24,400

but i could not find any real definitive

2273

01:17:31,270 --> 01:17:27,600

reason for me to think that there was a

2274

01:17:34,470 --> 01:17:31,280

real connection between what he saw

2275

01:17:35,990 --> 01:17:34,480

down from his roof over the the base

2276

01:17:38,149 --> 01:17:36,000

and what if anything might have been

2277

01:17:40,870 --> 01:17:38,159

going on in the dulce area

2278

01:17:43,350 --> 01:17:40,880

so well what was some of the other

2279

01:17:45,990 --> 01:17:43,360

disinformation then if not that in

2280

01:17:47,990 --> 01:17:46,000

particular of course

2281

01:17:49,350 --> 01:17:48,000

it seems like pretty much at about the

2282

01:17:51,189 --> 01:17:49,360

time the best that i could tell was

2283

01:17:53,750 --> 01:17:51,199

about the time he began to he called

2284

01:17:55,990 --> 01:17:53,760

edwards he met dodie

2285

01:17:57,110 --> 01:17:56,000

they began to talk to me edwards had

2286

01:17:58,390 --> 01:17:57,120

said there were times he was up at

2287

01:17:59,669 --> 01:17:58,400

paul's house and paul's looking at

2288

01:18:01,590 --> 01:17:59,679

lights out there and saying do you see

2289

01:18:03,270 --> 01:18:01,600

what that is and edward's like calling

2290

01:18:05,110 --> 01:18:03,280

his men and they don't see any things i

2291

01:18:07,189 --> 01:18:05,120

don't know where to go with that but it

2292

01:18:09,510 --> 01:18:07,199

was then then the

2293

01:18:11,510 --> 01:18:09,520

merna hansen story broke

2294

01:18:13,189 --> 01:18:11,520

and the first indication that i could

2295

01:18:13,910 --> 01:18:13,199

find

2296

01:18:15,830 --> 01:18:13,920

that

2297

01:18:18,229 --> 01:18:15,840

later had been

2298

01:18:19,430 --> 01:18:18,239

maybe ascribed or brings dodie into the

2299

01:18:22,550 --> 01:18:19,440

picture

2300

01:18:24,229 --> 01:18:22,560

was what some of your listeners may

2301

01:18:25,350 --> 01:18:24,239

be able to identify as the craig what's

2302

01:18:30,790 --> 01:18:25,360

a letter

2303

01:18:32,470 --> 01:18:30,800

1980 was sent to apro

2304

01:18:34,790 --> 01:18:32,480

now

2305

01:18:36,390 --> 01:18:34,800

this was partly where i began to have

2306

01:18:40,550 --> 01:18:36,400

real doubts

2307

01:18:42,310 --> 01:18:40,560

about whether moore was just some

2308

01:18:44,870 --> 01:18:42,320

the point was moore had moved recently i

2309

01:18:46,470 --> 01:18:44,880

think down to tucson and had become like

2310

01:18:48,470 --> 01:18:46,480

the investigator some special

2311

01:18:50,229 --> 01:18:48,480

investigator with apro

2312

01:18:52,550 --> 01:18:50,239

and just as about the time he becomes

2313

01:18:54,630 --> 01:18:52,560

that this letter shows up

2314

01:18:57,430 --> 01:18:54,640

allegedly from somebody named craig

2315

01:18:59,270 --> 01:18:57,440

wetzel who may very well have existed

2316

01:19:01,030 --> 01:18:59,280

because i actually

2317

01:19:02,709 --> 01:19:01,040

got a chance to speak with him one time

2318

01:19:04,550 --> 01:19:02,719

for shortly i just tracked him down i

2319

01:19:06,390 --> 01:19:04,560

think he was in georgia at the time

2320

01:19:08,470 --> 01:19:06,400

but the point was

2321

01:19:12,390 --> 01:19:08,480

in this letter is the first mention of

2322

01:19:14,709 --> 01:19:12,400

somebody named dodie spelled d-o-d-y

2323

01:19:17,669 --> 01:19:14,719

but this letter for whatever reason is

2324

01:19:20,470 --> 01:19:17,679

sent to apro

2325

01:19:25,270 --> 01:19:22,070

apparently puts it right in the hands of

2326

01:19:28,550 --> 01:19:26,630

and the best i've been able to track

2327

01:19:29,830 --> 01:19:28,560

down it sounds like bill moore didn't do

2328

01:19:31,910 --> 01:19:29,840

anything with it

2329

01:19:34,149 --> 01:19:31,920

the claim is he did nothing with it that

2330

01:19:36,390 --> 01:19:34,159

it wasn't until later a month or two or

2331

01:19:37,590 --> 01:19:36,400

three later when he's promoting his book

2332

01:19:39,030 --> 01:19:37,600

that he begins to get these strange

2333

01:19:41,030 --> 01:19:39,040

phone calls and then finally one point

2334

01:19:42,470 --> 01:19:41,040

when he's in albuquerque he meets the

2335

01:19:44,310 --> 01:19:42,480

man with the red

2336

01:19:45,669 --> 01:19:44,320

flower and later on is introduced to

2337

01:19:48,070 --> 01:19:45,679

richard doty

2338

01:19:50,390 --> 01:19:48,080

but the coincidence

2339

01:19:53,110 --> 01:19:50,400

that somebody right when bill moore ends

2340

01:19:55,590 --> 01:19:53,120

up in apro in this position that

2341

01:19:57,990 --> 01:19:55,600

somebody then writes a letter

2342

01:19:59,430 --> 01:19:58,000

almost pleading you know come look at

2343

01:20:01,669 --> 01:19:59,440

all this weird stuff that's going on and

2344

01:20:03,430 --> 01:20:01,679

here's this guy named dodie who came and

2345

01:20:06,310 --> 01:20:03,440

talked to my friend who took this film

2346

01:20:07,669 --> 01:20:06,320

of now i don't know

2347

01:20:09,030 --> 01:20:07,679

all the rest of the story that was

2348

01:20:11,030 --> 01:20:09,040

actually had occurred but there was a

2349

01:20:12,470 --> 01:20:11,040

guy named craig wetzel so obviously

2350

01:20:14,229 --> 01:20:12,480

somebody knew

2351  
01:20:16,310 --> 01:20:14,239  
a guy named craig wetzel who had been

2352  
01:20:18,950 --> 01:20:16,320  
there and he claimed they were on this

2353  
01:20:20,870 --> 01:20:18,960  
outing up in the hills north of uh the

2354  
01:20:22,390 --> 01:20:20,880  
albuquerque santa fe area and saw an

2355  
01:20:24,870 --> 01:20:22,400  
object that took off as he said

2356  
01:20:26,790 --> 01:20:24,880  
exponentially which was kind of touched

2357  
01:20:29,110 --> 01:20:26,800  
on but this letter goes down there to

2358  
01:20:31,270 --> 01:20:29,120  
bill moore and it's given to bill moore

2359  
01:20:34,550 --> 01:20:31,280  
apparently by

2360  
01:20:35,830 --> 01:20:34,560  
jim lorenzen to investigate

2361  
01:20:37,350 --> 01:20:35,840  
the claim i think seems to have been

2362  
01:20:38,629 --> 01:20:37,360  
that bill never investigated it because

2363  
01:20:39,910 --> 01:20:38,639

you would assume

2364

01:20:41,189 --> 01:20:39,920

you or i would just pick up the phone

2365

01:20:43,030 --> 01:20:41,199

and call the base and say have you got

2366

01:20:44,229 --> 01:20:43,040

somebody named dodie that works there

2367

01:20:45,830 --> 01:20:44,239

and they put you right in touch with

2368

01:20:48,229 --> 01:20:45,840

richard

2369

01:20:50,310 --> 01:20:48,239

but bill never investigates it and later

2370

01:20:51,270 --> 01:20:50,320

on he's introduced to dodie through this

2371

01:20:53,350 --> 01:20:51,280

whole

2372

01:20:55,189 --> 01:20:53,360

story as he's told it

2373

01:20:57,510 --> 01:20:55,199

but obviously it strikes me that that's

2374

01:21:01,110 --> 01:20:57,520

the first effort somebody goes from the

2375

01:21:03,750 --> 01:21:01,120

kirtland area with dodi's name in it

2376

01:21:06,550 --> 01:21:03,760

sent to apro almost

2377

01:21:09,270 --> 01:21:06,560

to give a rationale for somebody bill

2378

01:21:11,110 --> 01:21:09,280

moore in this case eventually to end up

2379

01:21:13,350 --> 01:21:11,120

having meeting richard dodie and knowing

2380

01:21:15,990 --> 01:21:13,360

richard odie and everything else kind of

2381

01:21:17,590 --> 01:21:16,000

you know digress from there

2382

01:21:19,350 --> 01:21:17,600

but speaking of

2383

01:21:21,669 --> 01:21:19,360

yeah everything kind of speaking of bill

2384

01:21:23,910 --> 01:21:21,679

moore you know bill moore is not

2385

01:21:27,189 --> 01:21:23,920

that far off

2386

01:21:28,790 --> 01:21:27,199

from dodie and and what he did

2387

01:21:29,669 --> 01:21:28,800

and you were there i know you were there

2388

01:21:33,510 --> 01:21:29,679

at the

2389

01:21:36,629 --> 01:21:33,520

bill

2390

01:21:39,110 --> 01:21:36,639

actually

2391

01:21:40,470 --> 01:21:39,120

told the truth about what he was doing

2392

01:21:41,830 --> 01:21:40,480

yeah yeah

2393

01:21:44,629 --> 01:21:41,840

just for the person that never heard

2394

01:21:46,470 --> 01:21:44,639

that story is there uh i know we still

2395

01:21:48,470 --> 01:21:46,480

have we're going to be taking calls here

2396

01:21:51,470 --> 01:21:48,480

in a few minutes and i know we said

2397

01:21:53,110 --> 01:21:51,480

we're going to be talking about the

2398

01:21:55,189 --> 01:21:53,120

ousd

2399

01:21:57,430 --> 01:21:55,199

uh i when they stepped in to kill harry

2400

01:21:58,870 --> 01:21:57,440

reid's bill and all that

2401

01:22:00,550 --> 01:21:58,880

we still want to cover that if we can

2402

01:22:02,470 --> 01:22:00,560

get to it but

2403

01:22:04,629 --> 01:22:02,480

can you quickly tell

2404

01:22:07,030 --> 01:22:04,639

who bill moore was he was a great

2405

01:22:09,910 --> 01:22:07,040

researcher but ended up kind of went to

2406

01:22:11,590 --> 01:22:09,920

the other side in disinformation well i

2407

01:22:13,189 --> 01:22:11,600

don't know i mean i had i had my

2408

01:22:14,310 --> 01:22:13,199

questions now but once again you know

2409

01:22:16,390 --> 01:22:14,320

things that you may not get an answer

2410

01:22:18,310 --> 01:22:16,400

for but bill was

2411

01:22:19,990 --> 01:22:18,320

a person who

2412

01:22:22,149 --> 01:22:20,000

apparently trained in russian language

2413

01:22:23,510 --> 01:22:22,159

and was doing i think some teaching up

2414

01:22:24,870 --> 01:22:23,520

north i may have some of this wrong but

2415

01:22:26,149 --> 01:22:24,880

i don't think it's a major part but he

2416

01:22:28,709 --> 01:22:26,159

had begun to write

2417

01:22:30,070 --> 01:22:28,719

books um i believe the first book he

2418

01:22:33,430 --> 01:22:30,080

came out with

2419

01:22:35,430 --> 01:22:33,440

was um with uh

2420

01:22:36,870 --> 01:22:35,440

i think of the roswell book and may

2421

01:22:39,110 --> 01:22:36,880

actually no i take it back

2422

01:22:41,270 --> 01:22:39,120

he missed no he did the roswell book

2423

01:22:42,470 --> 01:22:41,280

yeah his first book may have helped had

2424

01:22:43,750 --> 01:22:42,480

to do with kind of the philadelphia

2425

01:22:45,669 --> 01:22:43,760

experiment if i may have these

2426

01:22:46,790 --> 01:22:45,679

backgrounds but he was becoming known at

2427

01:22:48,470 --> 01:22:46,800

the time

2428

01:22:49,590 --> 01:22:48,480

and he had written the book on roswell

2429

01:22:50,870 --> 01:22:49,600

with uh

2430

01:22:52,550 --> 01:22:50,880

i'll think of the other guy's name right

2431

01:22:54,550 --> 01:22:52,560

now the other guy's name was on this was

2432

01:22:56,149 --> 01:22:54,560

first but i think bill justifiably had

2433

01:22:58,470 --> 01:22:56,159

done all the work

2434

01:22:59,270 --> 01:22:58,480

and so he was making a name for himself

2435

01:23:01,030 --> 01:22:59,280

and

2436

01:23:04,790 --> 01:23:01,040

he was always kind of

2437

01:23:06,310 --> 01:23:04,800

hard to read in my opinion um

2438

01:23:08,310 --> 01:23:06,320

you know personalities are what they are

2439

01:23:10,390 --> 01:23:08,320

but needless to say he was making the

2440

01:23:11,510 --> 01:23:10,400

rounds and becoming popular

2441

01:23:13,110 --> 01:23:11,520

and

2442

01:23:15,110 --> 01:23:13,120

the best i can recall his involvement

2443

01:23:17,270 --> 01:23:15,120

with this was he was on kind of a book

2444

01:23:19,510 --> 01:23:17,280

tour for this book

2445

01:23:21,189 --> 01:23:19,520

and was clear to him

2446

01:23:23,750 --> 01:23:21,199

he was going to a mufon conference at

2447

01:23:25,590 --> 01:23:23,760

some point and would make stops at radio

2448

01:23:27,270 --> 01:23:25,600

stations along the way

2449

01:23:29,590 --> 01:23:27,280

and somewhere along the way this is i

2450

01:23:30,629 --> 01:23:29,600

believe the latter part of 1980 so it

2451

01:23:31,990 --> 01:23:30,639

would have been

2452

01:23:33,750 --> 01:23:32,000

at some point

2453

01:23:36,149 --> 01:23:33,760

right before he meets

2454

01:23:38,229 --> 01:23:36,159

allegedly meets uh richard doty

2455

01:23:39,669 --> 01:23:38,239

and he gets phone calls hey we here

2456

01:23:42,470 --> 01:23:39,679

think you're the guy that we think who

2457

01:23:44,149 --> 01:23:42,480

knows the most about this yada yada yada

2458

01:23:45,669 --> 01:23:44,159

story seemed to be though that he had

2459

01:23:48,550 --> 01:23:45,679

gone okay

2460

01:23:51,110 --> 01:23:48,560

and it come back and was in albuquerque

2461

01:23:53,030 --> 01:23:51,120

doing another radio show it's very and

2462

01:23:55,910 --> 01:23:53,040

somebody arranged to want to meet him or

2463

01:23:58,790 --> 01:23:55,920

something to that oh it's going again

2464

01:24:03,669 --> 01:24:00,070

all right

2465

01:24:05,510 --> 01:24:03,679

yes um we have yeah it's my end for some

2466

01:24:07,750 --> 01:24:05,520

reason the internet's kicking out but

2467

01:24:09,830 --> 01:24:07,760

you'll be able to continue on there if

2468

01:24:11,830 --> 01:24:09,840

that happens um i always

2469

01:24:14,550 --> 01:24:11,840

i can always link to my i can link to my

2470

01:24:16,149 --> 01:24:14,560

phone if i have to but yeah just

2471

01:24:18,870 --> 01:24:16,159

needless to say the story seems to have

2472

01:24:20,070 --> 01:24:18,880

been that bill moore then arranges to

2473

01:24:22,229 --> 01:24:20,080

meet

2474

01:24:23,510 --> 01:24:22,239

whoever has been calling him saying we

2475

01:24:24,550 --> 01:24:23,520

think you're the guy who sounds like he

2476  
01:24:25,430 --> 01:24:24,560  
knows

2477  
01:24:27,350 --> 01:24:25,440  
the best

2478  
01:24:28,470 --> 01:24:27,360  
attitude about this whatever

2479  
01:24:30,629 --> 01:24:28,480  
and he

2480  
01:24:31,830 --> 01:24:30,639  
goes to a restaurant of some something

2481  
01:24:33,510 --> 01:24:31,840  
in albuquerque and he's waiting in the

2482  
01:24:34,870 --> 01:24:33,520  
car to see who walks in and a guy taps

2483  
01:24:36,950 --> 01:24:34,880  
on his window

2484  
01:24:40,070 --> 01:24:36,960  
with a guy with a flower and they go in

2485  
01:24:41,510 --> 01:24:40,080  
and he has this conversation

2486  
01:24:43,669 --> 01:24:41,520  
but there's some other information i

2487  
01:24:45,189 --> 01:24:43,679  
found that suggested

2488  
01:24:47,110 --> 01:24:45,199

some things may have been coming down

2489

01:24:50,149 --> 01:24:47,120

with bill moore

2490

01:24:52,629 --> 01:24:50,159

back in tucson before all of this other

2491

01:24:55,430 --> 01:24:52,639

you know kind of a cloak and dagger kind

2492

01:24:57,430 --> 01:24:55,440

of story line he meets this guy

2493

01:24:58,950 --> 01:24:57,440

somewhere along the line within a

2494

01:24:59,910 --> 01:24:58,960

few weeks

2495

01:25:01,510 --> 01:24:59,920

he's

2496

01:25:03,030 --> 01:25:01,520

introduced to richard dodie richard

2497

01:25:05,910 --> 01:25:03,040

dodie is kind of now the point of

2498

01:25:07,990 --> 01:25:05,920

contact however it actually occurred you

2499

01:25:09,910 --> 01:25:08,000

know it's not absolutely clear

2500

01:25:11,350 --> 01:25:09,920

but at that point it's bill and richard

2501

01:25:12,950 --> 01:25:11,360

dodie

2502

01:25:14,950 --> 01:25:12,960

so richard dodi is

2503

01:25:16,709 --> 01:25:14,960

bill is reporting back like a mole or

2504

01:25:18,950 --> 01:25:16,719

however you want to call it

2505

01:25:21,350 --> 01:25:18,960

from what's going on and his i think he

2506

01:25:22,629 --> 01:25:21,360

felt that his job would have been to

2507

01:25:24,310 --> 01:25:22,639

pick up on what paul's doing and

2508

01:25:27,110 --> 01:25:24,320

thinking and at least convey the

2509

01:25:29,189 --> 01:25:27,120

information back to doty

2510

01:25:31,430 --> 01:25:29,199

but at some point seems to have

2511

01:25:34,310 --> 01:25:31,440

potentially become a two-way street

2512

01:25:37,030 --> 01:25:34,320

because even what we refer to now as the

2513

01:25:39,350 --> 01:25:37,040

mj-12 telex which not a lot of your

2514

01:25:41,669 --> 01:25:39,360

listeners may realize the first mention

2515

01:25:43,669 --> 01:25:41,679

of mj12

2516

01:25:45,510 --> 01:25:43,679

was in a document

2517

01:25:47,110 --> 01:25:45,520

according to the story

2518

01:25:48,709 --> 01:25:47,120

that doty

2519

01:25:50,229 --> 01:25:48,719

seems to have handed to bill moore

2520

01:25:52,070 --> 01:25:50,239

intending for bill moore to pass it to

2521

01:25:53,510 --> 01:25:52,080

paul benowitz

2522

01:25:55,510 --> 01:25:53,520

it had some other information in it

2523

01:25:57,830 --> 01:25:55,520

including the name of jerry miller

2524

01:25:59,669 --> 01:25:57,840

but bill's the story was bill kind of

2525

01:26:01,990 --> 01:25:59,679

may have told paul hey i'm not sure

2526

01:26:04,310 --> 01:26:02,000

about this you know what this is is it

2527

01:26:07,030 --> 01:26:04,320

disinformation so maybe best to just sit

2528

01:26:09,830 --> 01:26:07,040

on it and it seems like

2529

01:26:11,669 --> 01:26:09,840

paul did sit on it

2530

01:26:13,430 --> 01:26:11,679

then again if it's just information why

2531

01:26:15,430 --> 01:26:13,440

would you put the name mj12 in it if it

2532

01:26:17,430 --> 01:26:15,440

really was anything legitimate why would

2533

01:26:18,629 --> 01:26:17,440

you give that away just to disinform

2534

01:26:20,229 --> 01:26:18,639

paul binowitz

2535

01:26:22,629 --> 01:26:20,239

and then within about two or three years

2536

01:26:25,590 --> 01:26:22,639

1983 i think suddenly

2537

01:26:27,430 --> 01:26:25,600

jamie chandarey is getting in who was

2538

01:26:29,110 --> 01:26:27,440

worked closely with bill at the time is

2539

01:26:31,430 --> 01:26:29,120

getting these rolls of film that had

2540

01:26:32,870 --> 01:26:31,440

these mj-12 documents in it

2541

01:26:34,390 --> 01:26:32,880

but now it's supposed to be a big huge

2542

01:26:37,830 --> 01:26:34,400

thing and ever since then it's taken on

2543

01:26:40,070 --> 01:26:37,840

a life of its own but all of this at the

2544

01:26:41,270 --> 01:26:40,080

time was information that seems to have

2545

01:26:43,350 --> 01:26:41,280

been

2546

01:26:45,350 --> 01:26:43,360

intended targeted to get to paul

2547

01:26:47,189 --> 01:26:45,360

benowitz as though just one more effort

2548

01:26:49,430 --> 01:26:47,199

to shove disinformation into him so if

2549

01:26:51,510 --> 01:26:49,440

he spreads it and that's the story i

2550

01:26:53,750 --> 01:26:51,520

believe is if he spread it then they

2551

01:26:56,149 --> 01:26:53,760

could crush him right he spreads this

2552

01:26:57,990 --> 01:26:56,159

information they prove it's all a bogus

2553

01:27:00,070 --> 01:26:58,000

and once again it just damages his

2554

01:27:01,270 --> 01:27:00,080

reputation even more

2555

01:27:02,550 --> 01:27:01,280

and

2556

01:27:04,470 --> 01:27:02,560

you know i'll mention something on the

2557

01:27:06,229 --> 01:27:04,480

side if you've got two minutes here

2558

01:27:07,110 --> 01:27:06,239

that yeah i had not ever

2559

01:27:09,590 --> 01:27:07,120

before

2560

01:27:12,310 --> 01:27:09,600

and it goes to this idea that

2561

01:27:13,510 --> 01:27:12,320

apparently there are factions or people

2562

01:27:15,830 --> 01:27:13,520

in our

2563

01:27:17,350 --> 01:27:15,840

government military intelligence sources

2564

01:27:19,189 --> 01:27:17,360

or agencies

2565

01:27:21,350 --> 01:27:19,199

who will do this kind of thing and i've

2566

01:27:23,189 --> 01:27:21,360

never heard this story before but it was

2567

01:27:25,350 --> 01:27:23,199

in the interview with eric weinstein

2568

01:27:27,510 --> 01:27:25,360

where he talks about how years ago back

2569

01:27:29,590 --> 01:27:27,520

in the 50s 60s

2570

01:27:31,669 --> 01:27:29,600

the fbi i can't recall her name right

2571

01:27:33,270 --> 01:27:31,679

now i've got it in my notes

2572

01:27:35,430 --> 01:27:33,280

there was a woman who i don't know what

2573

01:27:38,229 --> 01:27:35,440

her pro what the issue was but the fbi

2574

01:27:38,950 --> 01:27:38,239

had apparently made a request

2575

01:27:40,870 --> 01:27:38,960

to

2576

01:27:43,430 --> 01:27:40,880

put out a disinformation through a

2577

01:27:45,189 --> 01:27:43,440

newspaper source they had

2578

01:27:47,510 --> 01:27:45,199

that implicated that her she was

2579

01:27:49,750 --> 01:27:47,520

pregnant that her was her son was not

2580

01:27:52,950 --> 01:27:49,760

the son of her french husband it was the

2581

01:27:55,590 --> 01:27:52,960

son of a black panther party member

2582

01:27:57,430 --> 01:27:55,600

and here's this they show the document

2583

01:27:59,430 --> 01:27:57,440

that the fbi is requesting permission to

2584

01:28:01,830 --> 01:27:59,440

do this to basically

2585

01:28:04,229 --> 01:28:01,840

damage her credibility

2586

01:28:05,510 --> 01:28:04,239

for whatever reason um but isn't that

2587

01:28:07,270 --> 01:28:05,520

crazy

2588

01:28:09,590 --> 01:28:07,280

yeah i mean

2589

01:28:11,990 --> 01:28:09,600

why didn't somebody go to jail for that

2590

01:28:14,870 --> 01:28:12,000

but the point i'm getting at is i think

2591

01:28:16,870 --> 01:28:14,880

the reality is it would be ultimately

2592

01:28:20,390 --> 01:28:16,880

naive

2593

01:28:23,030 --> 01:28:20,400

to not just expect that somewhere

2594

01:28:24,629 --> 01:28:23,040

and i think even in that same interview

2595

01:28:27,430 --> 01:28:24,639

how put off was kind of acknowledging

2596

01:28:29,750 --> 01:28:27,440

that point that there are

2597

01:28:31,750 --> 01:28:29,760

let's just say some people in these lo

2598

01:28:32,950 --> 01:28:31,760

these agencies who feel that that is

2599

01:28:35,110 --> 01:28:32,960

their job

2600

01:28:37,189 --> 01:28:35,120

to spread the stigma or spread the

2601

01:28:37,990 --> 01:28:37,199

disinformation

2602

01:28:39,510 --> 01:28:38,000

and

2603

01:28:41,669 --> 01:28:39,520

honestly our congressmen who are

2604

01:28:43,990 --> 01:28:41,679

supposedly now putting out this need to

2605

01:28:45,669 --> 01:28:44,000

be updated on the uap situation and what

2606

01:28:48,229 --> 01:28:45,679

what's going on

2607

01:28:50,390 --> 01:28:48,239

there needs to be some

2608

01:28:51,910 --> 01:28:50,400

come to jesus moment or somebody needs

2609

01:28:54,149 --> 01:28:51,920

to have an accounting

2610

01:28:56,310 --> 01:28:54,159

where right all of this type of thing is

2611

01:28:58,229 --> 01:28:56,320

brought out because how do you know at

2612

01:28:59,030 --> 01:28:58,239

what point don't you deserve justice for

2613

01:29:00,870 --> 01:28:59,040

that

2614

01:29:03,510 --> 01:29:00,880

you know you all tries to

2615

01:29:05,750 --> 01:29:03,520

so yeah here's a question here are you

2616

01:29:08,390 --> 01:29:05,760

aware why did hal put off

2617

01:29:09,830 --> 01:29:08,400

employee rick dodie are you aware of the

2618

01:29:14,550 --> 01:29:09,840

people that i know of who have asked

2619

01:29:17,590 --> 01:29:15,830

there's a guy who

2620

01:29:19,590 --> 01:29:17,600

knows alan these people far better than

2621

01:29:21,510 --> 01:29:19,600

i do that we all know a very well-known

2622

01:29:22,950 --> 01:29:21,520

person who has expressed the exact same

2623

01:29:25,430 --> 01:29:22,960

kind of shock

2624

01:29:27,910 --> 01:29:25,440

i don't know why i'm not saying

2625

01:29:29,830 --> 01:29:27,920

how has i mean to me

2626

01:29:31,270 --> 01:29:29,840

i don't know how do you escape the

2627

01:29:33,270 --> 01:29:31,280

you know we're all known by the company

2628

01:29:34,870 --> 01:29:33,280

we keep you know birds of a feather how

2629

01:29:36,790 --> 01:29:34,880

do we how do you escape that i don't

2630

01:29:38,390 --> 01:29:36,800

know how unless you come out in it and

2631

01:29:41,189 --> 01:29:38,400

acknowledge why but

2632

01:29:43,110 --> 01:29:41,199

i'm only thing i can say is

2633

01:29:45,430 --> 01:29:43,120

either

2634

01:29:46,950 --> 01:29:45,440

dodie sold himself to somebody for some

2635

01:29:48,390 --> 01:29:46,960

purpose that they thought and they did

2636

01:29:50,149 --> 01:29:48,400

not know

2637

01:29:52,390 --> 01:29:50,159

the you know what the potential

2638

01:29:54,550 --> 01:29:52,400

connections might be or hal had some

2639

01:29:56,390 --> 01:29:54,560

reason of his own you know that's a not

2640

01:29:58,070 --> 01:29:56,400

this to be fair it's something i don't

2641

01:30:00,149 --> 01:29:58,080

really have

2642

01:30:02,149 --> 01:30:00,159

any good answer for it it'd be best to

2643

01:30:02,870 --> 01:30:02,159

ask hal you know or richard dodie what

2644

01:30:08,070 --> 01:30:02,880

was

2645

01:30:10,310 --> 01:30:08,080

put him on your payroll knowing the

2646

01:30:11,750 --> 01:30:10,320

stigma there's that word again right the

2647

01:30:14,070 --> 01:30:11,760

stigma that you're gonna have to your

2648

01:30:16,470 --> 01:30:14,080

reputation i don't know that's another

2649

01:30:18,709 --> 01:30:16,480

question i'm stumped by

2650

01:30:20,310 --> 01:30:18,719

so the number is eight five five four

2651  
01:30:23,910 --> 01:30:20,320  
seven two five four eight three if you'd

2652  
01:30:24,870 --> 01:30:23,920  
like to call in bill is standing by

2653  
01:30:30,709 --> 01:30:24,880  
so

2654  
01:30:33,669 --> 01:30:30,719  
what actually would you say that drove

2655  
01:30:35,510 --> 01:30:33,679  
paul kind of over the edge because he

2656  
01:30:37,350 --> 01:30:35,520  
i believe i i don't want to get this

2657  
01:30:39,270 --> 01:30:37,360  
wrong but i think he eventually had to

2658  
01:30:40,790 --> 01:30:39,280  
be institutionalized

2659  
01:30:44,149 --> 01:30:40,800  
at some point

2660  
01:30:47,430 --> 01:30:44,159  
that's my understanding um

2661  
01:30:50,709 --> 01:30:47,440  
the best as i said uh the

2662  
01:30:51,750 --> 01:30:50,719  
the last that i ever heard from paul

2663  
01:30:54,310 --> 01:30:51,760

was

2664

01:30:56,390 --> 01:30:54,320

sometime shortly after john lear had

2665

01:30:57,510 --> 01:30:56,400

gone to visit him

2666

01:31:00,550 --> 01:30:57,520

and

2667

01:31:01,590 --> 01:31:00,560

i'm not sure what happened at that point

2668

01:31:03,510 --> 01:31:01,600

and this was

2669

01:31:05,430 --> 01:31:03,520

back in the you know late 80s whatever

2670

01:31:06,709 --> 01:31:05,440

when i suddenly got a call linda howe

2671

01:31:08,709 --> 01:31:06,719

actually called me and said have you

2672

01:31:10,470 --> 01:31:08,719

heard from paul lately and i'm like no i

2673

01:31:12,470 --> 01:31:10,480

hadn't you know and she goes well his

2674

01:31:14,070 --> 01:31:12,480

number's been totally disconnected

2675

01:31:16,310 --> 01:31:14,080

unlisted

2676

01:31:18,390 --> 01:31:16,320

and i was like whoa

2677

01:31:20,870 --> 01:31:18,400

well i had gotten a call from paul

2678

01:31:22,070 --> 01:31:20,880

before this i mean in other words it was

2679

01:31:23,430 --> 01:31:22,080

may have been a month or a month and a

2680

01:31:25,830 --> 01:31:23,440

half in between i didn't talk to paul

2681

01:31:27,669 --> 01:31:25,840

every day that wasn't the point but

2682

01:31:30,149 --> 01:31:27,679

but sometime shortly after bill left

2683

01:31:33,350 --> 01:31:30,159

paul called and he was madder than i

2684

01:31:35,270 --> 01:31:33,360

have ever heard him i mean livid it was

2685

01:31:37,430 --> 01:31:35,280

all i could do to just

2686

01:31:38,310 --> 01:31:37,440

i i you know that kind of a thing i like

2687

01:31:40,629 --> 01:31:38,320

well

2688

01:31:42,310 --> 01:31:40,639

what happened in the best time

2689

01:31:43,990 --> 01:31:42,320

best i've been able to determine at

2690

01:31:46,310 --> 01:31:44,000

least the best i ever knew and will ever

2691

01:31:48,149 --> 01:31:46,320

know was there seemed to have been

2692

01:31:51,189 --> 01:31:48,159

something that

2693

01:31:53,110 --> 01:31:51,199

john promised or john was going to do

2694

01:31:54,950 --> 01:31:53,120

that may have had to do with putting

2695

01:31:57,270 --> 01:31:54,960

paul in to connect some connections with

2696

01:31:58,709 --> 01:31:57,280

other people i don't know i wasn't there

2697

01:31:59,669 --> 01:31:58,719

you know i didn't have anything to do

2698

01:32:01,430 --> 01:31:59,679

with

2699

01:32:02,390 --> 01:32:01,440

john going to see paul but he went there

2700

01:32:04,390 --> 01:32:02,400

and

2701  
01:32:06,390 --> 01:32:04,400  
then apparently when he left a week or

2702  
01:32:07,750 --> 01:32:06,400  
so afterwards paul was called me up and

2703  
01:32:09,510 --> 01:32:07,760  
he was livid

2704  
01:32:10,709 --> 01:32:09,520  
but we were on decent terms at that i

2705  
01:32:12,550 --> 01:32:10,719  
mean in other words he was mad about

2706  
01:32:14,790 --> 01:32:12,560  
that but he did call me

2707  
01:32:17,189 --> 01:32:14,800  
and we just talked and i and when i hung

2708  
01:32:19,110 --> 01:32:17,199  
up i thought well wow that was something

2709  
01:32:20,709 --> 01:32:19,120  
but it never i never anticipated it

2710  
01:32:21,990 --> 01:32:20,719  
would go anything more than that and

2711  
01:32:24,229 --> 01:32:22,000  
then linda howe called and said if you

2712  
01:32:26,790 --> 01:32:24,239  
talk to paul no no so then i called this

2713  
01:32:28,149 --> 01:32:26,800

number immediately and it was kind of at

2714

01:32:31,189 --> 01:32:28,159

the request of the family the phone

2715

01:32:33,669 --> 01:32:31,199

numbers now enlisted

2716

01:32:34,629 --> 01:32:33,679

i think i wrote him letters

2717

01:32:41,189 --> 01:32:34,639

i

2718

01:32:42,629 --> 01:32:41,199

and yeah that's too bad

2719

01:32:43,990 --> 01:32:42,639

too bad that was the last time you heard

2720

01:32:45,430 --> 01:32:44,000

from him yeah

2721

01:32:47,110 --> 01:32:45,440

the best that i've been able to pick up

2722

01:32:49,350 --> 01:32:47,120

on and maybe other people can fill in

2723

01:32:51,270 --> 01:32:49,360

the blanks was that maybe the family

2724

01:32:52,470 --> 01:32:51,280

just had some intervention at some point

2725

01:32:53,590 --> 01:32:52,480

and

2726

01:32:55,910 --> 01:32:53,600

that may have been a time when they

2727

01:32:58,070 --> 01:32:55,920

decided he needed something and part of

2728

01:33:00,070 --> 01:32:58,080

it was to not be involved in this but

2729

01:33:02,149 --> 01:33:00,080

then later on i understood he had gone

2730

01:33:03,830 --> 01:33:02,159

into hospice and i don't know if that

2731

01:33:06,470 --> 01:33:03,840

the term institutionalized is

2732

01:33:09,030 --> 01:33:06,480

necessarily the correct word if he's

2733

01:33:10,709 --> 01:33:09,040

simply been ill i do know he smoked a

2734

01:33:13,590 --> 01:33:10,719

lot the one time i went to his house and

2735

01:33:14,950 --> 01:33:13,600

met him my friend tom was with me and

2736

01:33:16,070 --> 01:33:14,960

he thought we were the pizza guy

2737

01:33:17,270 --> 01:33:16,080

otherwise i don't think he would have

2738

01:33:18,709 --> 01:33:17,280

opened the door

2739

01:33:20,229 --> 01:33:18,719

we knocked on the door he opened it and

2740

01:33:22,229 --> 01:33:20,239

he was looking out there he's very

2741

01:33:23,830 --> 01:33:22,239

scruffy looking and smoked a lot he just

2742

01:33:26,070 --> 01:33:23,840

said i thought you were the pizza guy

2743

01:33:27,750 --> 01:33:26,080

and but he let us in a very very very

2744

01:33:29,030 --> 01:33:27,760

nice house i mean i just remember seeing

2745

01:33:30,629 --> 01:33:29,040

his wife in the background and we talked

2746

01:33:32,070 --> 01:33:30,639

to him for a little while

2747

01:33:33,990 --> 01:33:32,080

um

2748

01:33:36,390 --> 01:33:34,000

but as i said this was

2749

01:33:38,070 --> 01:33:36,400

well down the road into where he'd kind

2750

01:33:40,470 --> 01:33:38,080

of gone out

2751  
01:33:41,669 --> 01:33:40,480  
into the nether sphere that reaches of

2752  
01:33:43,910 --> 01:33:41,679  
reality

2753  
01:33:46,149 --> 01:33:43,920  
and i don't know you know going back to

2754  
01:33:47,910 --> 01:33:46,159  
the belief thing

2755  
01:33:49,430 --> 01:33:47,920  
i don't know whether he just at some

2756  
01:33:53,350 --> 01:33:49,440  
point

2757  
01:33:57,110 --> 01:33:55,189  
that

2758  
01:33:58,550 --> 01:33:57,120  
you know something i've heard recently

2759  
01:33:59,990 --> 01:33:58,560  
about the controversy between arthur

2760  
01:34:01,510 --> 01:34:00,000  
conan doyle and houdini over

2761  
01:34:03,910 --> 01:34:01,520  
spiritualism

2762  
01:34:05,510 --> 01:34:03,920  
and how conan doyle believes so strongly

2763  
01:34:07,910 --> 01:34:05,520

that it was real

2764

01:34:10,070 --> 01:34:07,920

that he just anybody who didn't believe

2765

01:34:11,669 --> 01:34:10,080

it was a mortal enemy

2766

01:34:13,910 --> 01:34:11,679

but i've wondered at times can people

2767

01:34:17,350 --> 01:34:13,920

become so convinced that i could not

2768

01:34:20,790 --> 01:34:19,110

that you will never come back

2769

01:34:23,350 --> 01:34:20,800

you know maybe paul was so even when

2770

01:34:24,709 --> 01:34:23,360

richard doty allegedly kind of tried to

2771

01:34:26,070 --> 01:34:24,719

go and say hey you know i was just doing

2772

01:34:27,910 --> 01:34:26,080

my job you know

2773

01:34:29,270 --> 01:34:27,920

and the impression is paul's like hey no

2774

01:34:31,669 --> 01:34:29,280

worries you know

2775

01:34:34,550 --> 01:34:31,679

that maybe paul just really believed so

2776

01:34:36,229 --> 01:34:34,560

strongly in what he had done

2777

01:34:38,709 --> 01:34:36,239

that i don't know is it possible to

2778

01:34:39,910 --> 01:34:38,719

drive somebody so far out in the outer

2779

01:34:42,229 --> 01:34:39,920

limits

2780

01:34:43,270 --> 01:34:42,239

in their own mind that it fragments they

2781

01:34:45,350 --> 01:34:43,280

fracture

2782

01:34:46,709 --> 01:34:45,360

and now there's no coming back because

2783

01:34:47,990 --> 01:34:46,719

they will never

2784

01:34:50,070 --> 01:34:48,000

admit

2785

01:34:51,750 --> 01:34:50,080

they could have been played

2786

01:34:53,510 --> 01:34:51,760

you know it's like at the end of uh

2787

01:34:55,109 --> 01:34:53,520

anyway but anyway the point was i don't

2788

01:34:57,270 --> 01:34:55,119

know it just makes you wonder whether at

2789

01:34:58,470 --> 01:34:57,280

that point you do begin to fracture

2790

01:35:01,030 --> 01:34:58,480

emotionally

2791

01:35:03,270 --> 01:35:01,040

because the conflict between

2792

01:35:05,030 --> 01:35:03,280

one side well it's like that

2793

01:35:06,870 --> 01:35:05,040

yeah it's kind of like the gas lighting

2794

01:35:08,550 --> 01:35:06,880

you know i mean yeah where that term

2795

01:35:09,830 --> 01:35:08,560

comes exactly

2796

01:35:11,910 --> 01:35:09,840

at some point you believe you would

2797

01:35:13,350 --> 01:35:11,920

recognize it if you were being gaslit

2798

01:35:14,950 --> 01:35:13,360

and even when you know you are being

2799

01:35:16,390 --> 01:35:14,960

gaslit and somebody tries to admit it

2800

01:35:17,910 --> 01:35:16,400

then you come up with some explanation

2801  
01:35:20,390 --> 01:35:17,920  
no they're just doing that now because

2802  
01:35:22,070 --> 01:35:20,400  
of you know whatever else and

2803  
01:35:23,510 --> 01:35:22,080  
i don't know it's just a problem that we

2804  
01:35:25,430 --> 01:35:23,520  
all need to

2805  
01:35:28,870 --> 01:35:25,440  
don't hold so tightly you know that you

2806  
01:35:30,870 --> 01:35:28,880  
can't turn around you know and go back

2807  
01:35:32,790 --> 01:35:30,880  
yeah well i would suggest if anyone has

2808  
01:35:34,709 --> 01:35:32,800  
any questions about the paul bennowitz

2809  
01:35:36,629 --> 01:35:34,719  
case if you'd like to call in now

2810  
01:35:40,950 --> 01:35:36,639  
because we're going to change the topic

2811  
01:35:44,310 --> 01:35:42,950  
so it's kind of a you know overall it's

2812  
01:35:46,070 --> 01:35:44,320  
kind of a sad

2813  
01:35:46,870 --> 01:35:46,080

situation if you really think about the

2814

01:35:49,990 --> 01:35:46,880

whole

2815

01:35:52,149 --> 01:35:50,000

trying

2816

01:35:54,070 --> 01:35:52,159

to do something that he thought as a

2817

01:35:56,470 --> 01:35:54,080

patriot he was just trying to do

2818

01:35:59,030 --> 01:35:56,480

something that he thought was right

2819

01:35:59,990 --> 01:35:59,040

and you know he knew something was going

2820

01:36:00,950 --> 01:36:00,000

on

2821

01:36:03,030 --> 01:36:00,960

and

2822

01:36:04,870 --> 01:36:03,040

so he just got

2823

01:36:07,189 --> 01:36:04,880

stirred in a different st you know

2824

01:36:09,510 --> 01:36:07,199

steered in a different direction

2825

01:36:10,709 --> 01:36:09,520

i don't know how harmful it was

2826

01:36:13,510 --> 01:36:10,719

like you said

2827

01:36:14,310 --> 01:36:13,520

we don't really know how harmful it was

2828

01:36:16,310 --> 01:36:14,320

uh

2829

01:36:17,669 --> 01:36:16,320

for what the disinformation that was

2830

01:36:19,669 --> 01:36:17,679

thrown at him

2831

01:36:20,790 --> 01:36:19,679

we don't really know what it did to him

2832

01:36:23,189 --> 01:36:20,800

you know

2833

01:36:25,350 --> 01:36:23,199

uh we weren't there so but you you must

2834

01:36:26,950 --> 01:36:25,360

have you know you're you're one of these

2835

01:36:29,590 --> 01:36:26,960

people that have really looked into this

2836

01:36:31,350 --> 01:36:29,600

deeply so if anyone

2837

01:36:33,750 --> 01:36:31,360

would know anything about it i have to

2838

01:36:35,189 --> 01:36:33,760

think how important

2839

01:36:37,350 --> 01:36:35,199

would it be

2840

01:36:38,950 --> 01:36:37,360

that you could not just go to you know

2841

01:36:40,470 --> 01:36:38,960

over in britain i think they give these

2842

01:36:41,990 --> 01:36:40,480

uh national security letters or

2843

01:36:43,430 --> 01:36:42,000

something that you couldn't just go to

2844

01:36:44,629 --> 01:36:43,440

someone like paul and say dude you saw

2845

01:36:46,709 --> 01:36:44,639

something you're not supposed to see

2846

01:36:49,350 --> 01:36:46,719

this is a very classified project

2847

01:36:51,590 --> 01:36:49,360

your company has got a lot of you know

2848

01:36:54,390 --> 01:36:51,600

contracts with all sorts of military

2849

01:36:56,070 --> 01:36:54,400

locations that we might interfere with

2850

01:36:58,310 --> 01:36:56,080

or we or we'll give you many more you

2851  
01:37:00,470 --> 01:36:58,320  
know and something tells me a patriot

2852  
01:37:02,470 --> 01:37:00,480  
even dodie at one point said paul's very

2853  
01:37:04,470 --> 01:37:02,480  
patriotic you just show him what the

2854  
01:37:06,870 --> 01:37:04,480  
deal is and he'll go oops sorry that's

2855  
01:37:09,189 --> 01:37:06,880  
not what i was looking for why would he

2856  
01:37:10,950 --> 01:37:09,199  
why would you have to go to this extreme

2857  
01:37:12,790 --> 01:37:10,960  
all these years that's right

2858  
01:37:14,070 --> 01:37:12,800  
yeah over something that you'd think if

2859  
01:37:16,070 --> 01:37:14,080  
they just went to either you or me and

2860  
01:37:18,229 --> 01:37:16,080  
said no no this is what you really saw

2861  
01:37:20,229 --> 01:37:18,239  
please help us out we'd be good with it

2862  
01:37:22,070 --> 01:37:20,239  
yeah it'd be i think he would have been

2863  
01:37:23,510 --> 01:37:22,080

i think i think we have uh

2864

01:37:26,629 --> 01:37:23,520

we have andy on the line from

2865

01:37:29,590 --> 01:37:26,639

connecticut andy you're live on the air

2866

01:37:30,629 --> 01:37:29,600

hi uh my question is a two-part question

2867

01:37:31,590 --> 01:37:30,639

for chris

2868

01:37:33,830 --> 01:37:31,600

um

2869

01:37:36,070 --> 01:37:33,840

first uh have you ever heard any

2870

01:37:38,390 --> 01:37:36,080

discussion of uh the

2871

01:37:39,430 --> 01:37:38,400

uh superior office officers to chris

2872

01:37:40,709 --> 01:37:39,440

dodie

2873

01:37:43,590 --> 01:37:40,719

and uh

2874

01:37:46,550 --> 01:37:43,600

what culpability they may bear and what

2875

01:37:49,030 --> 01:37:46,560

happened with paul benowitz and then the

2876

01:37:51,590 --> 01:37:49,040

second question is uh

2877

01:37:53,990 --> 01:37:51,600

how do you square the fact that the air

2878

01:37:55,750 --> 01:37:54,000

force was doing this kind of thing but

2879

01:37:56,709 --> 01:37:55,760

that the same department of defense

2880

01:37:58,390 --> 01:37:56,719

today

2881

01:38:00,149 --> 01:37:58,400

is supposedly

2882

01:38:03,270 --> 01:38:00,159

not going after anyone else who is

2883

01:38:05,510 --> 01:38:03,280

coming forwards and uh i'll take your

2884

01:38:08,790 --> 01:38:05,520

answer off the air thank you

2885

01:38:10,790 --> 01:38:08,800

thank you andy very good questions um

2886

01:38:12,870 --> 01:38:10,800

there were

2887

01:38:14,470 --> 01:38:12,880

some

2888

01:38:16,870 --> 01:38:14,480

stories reports whatever you want to

2889

01:38:19,109 --> 01:38:16,880

call them about

2890

01:38:21,270 --> 01:38:19,119

other people maybe

2891

01:38:24,149 --> 01:38:21,280

above dodie but to my understanding i

2892

01:38:26,709 --> 01:38:24,159

don't think dodie has ever come out and

2893

01:38:28,310 --> 01:38:26,719

flat out laid the names of his superiors

2894

01:38:29,510 --> 01:38:28,320

i called him on the phone

2895

01:38:32,229 --> 01:38:29,520

i actually have spoken with dodie a

2896

01:38:33,910 --> 01:38:32,239

couple of times we're not very long and

2897

01:38:34,950 --> 01:38:33,920

friendly conversations but i called him

2898

01:38:37,430 --> 01:38:34,960

one time

2899

01:38:38,950 --> 01:38:37,440

and he implied especially even in the

2900

01:38:40,790 --> 01:38:38,960

case of when linda howe was there which

2901  
01:38:42,470 --> 01:38:40,800  
was this was well into the whole paul

2902  
01:38:44,390 --> 01:38:42,480  
benoit's time period

2903  
01:38:46,470 --> 01:38:44,400  
and making the statement that well two

2904  
01:38:48,310 --> 01:38:46,480  
of my supervisors

2905  
01:38:49,669 --> 01:38:48,320  
you know were

2906  
01:38:51,590 --> 01:38:49,679  
listening in on this and i said were

2907  
01:38:53,590 --> 01:38:51,600  
they in the room

2908  
01:38:56,629 --> 01:38:53,600  
and he kind of blocks and says

2909  
01:38:58,790 --> 01:38:56,639  
well one of them was outside the door

2910  
01:39:01,270 --> 01:38:58,800  
so clearly dodie was not in this himself

2911  
01:39:03,030 --> 01:39:01,280  
i mean the ideas and stories we've a few

2912  
01:39:05,109 --> 01:39:03,040  
times heard of him being some kind of a

2913  
01:39:06,229 --> 01:39:05,119

rogue person doing this on his own

2914

01:39:08,550 --> 01:39:06,239

accord

2915

01:39:09,830 --> 01:39:08,560

totally fall apart because even from his

2916

01:39:11,350 --> 01:39:09,840

own words there were other people there

2917

01:39:13,750 --> 01:39:11,360

and he's mentioned other stories of

2918

01:39:17,109 --> 01:39:13,760

afosi agents going to you know ufo

2919

01:39:18,790 --> 01:39:17,119

conferences and doing whatnot there was

2920

01:39:20,550 --> 01:39:18,800

one person i don't recall top of my head

2921

01:39:21,910 --> 01:39:20,560

the name of the person somebody up above

2922

01:39:22,950 --> 01:39:21,920

that he had mentioned

2923

01:39:27,590 --> 01:39:22,960

but

2924

01:39:29,590 --> 01:39:27,600

real accounting for who was above dodie

2925

01:39:31,510 --> 01:39:29,600

calling the shots giving him the orders

2926

01:39:33,109 --> 01:39:31,520

and i think dodie's never come out and

2927

01:39:35,270 --> 01:39:33,119

acknowledged it

2928

01:39:36,709 --> 01:39:35,280

um and at the same point

2929

01:39:37,910 --> 01:39:36,719

not to bring up bill moore one more time

2930

01:39:39,109 --> 01:39:37,920

before we get the second part of the

2931

01:39:42,790 --> 01:39:39,119

question

2932

01:39:44,709 --> 01:39:42,800

but if bill had not been a willing and

2933

01:39:47,109 --> 01:39:44,719

willful and joyful participant in all of

2934

01:39:48,310 --> 01:39:47,119

this and he was going to be a writer

2935

01:39:50,229 --> 01:39:48,320

you would think he would have done like

2936

01:39:51,750 --> 01:39:50,239

any number of advisors do after they're

2937

01:39:53,030 --> 01:39:51,760

out of office right to the president you

2938

01:39:54,070 --> 01:39:53,040

write a book

2939

01:39:55,830 --> 01:39:54,080

bill could have come out written a

2940

01:39:57,669 --> 01:39:55,840

tell-all book and just

2941

01:40:00,229 --> 01:39:57,679

explained all of this

2942

01:40:01,990 --> 01:40:00,239

name names name everything

2943

01:40:04,070 --> 01:40:02,000

but to my knowledge bill's never written

2944

01:40:06,390 --> 01:40:04,080

another book at all so if he was an

2945

01:40:08,070 --> 01:40:06,400

artist coming i mean an author coming up

2946

01:40:09,430 --> 01:40:08,080

why didn't he just afterwards if he

2947

01:40:11,590 --> 01:40:09,440

didn't like the way he was treated if he

2948

01:40:13,590 --> 01:40:11,600

felt it was unfair if he didn't like

2949

01:40:15,750 --> 01:40:13,600

that dodie did this to him brought him

2950

01:40:17,590 --> 01:40:15,760

into it and now 10 years later in vegas

2951

01:40:19,990 --> 01:40:17,600

he's got to give this

2952

01:40:21,830 --> 01:40:20,000

supposed you know admission

2953

01:40:23,270 --> 01:40:21,840

and then he ducks out the door quick he

2954

01:40:24,470 --> 01:40:23,280

didn't hang around

2955

01:40:26,310 --> 01:40:24,480

he could have written another tell-all

2956

01:40:28,149 --> 01:40:26,320

book and made a fortune

2957

01:40:30,070 --> 01:40:28,159

but he hasn't so

2958

01:40:32,070 --> 01:40:30,080

i don't know once again there's dodie's

2959

01:40:33,669 --> 01:40:32,080

claimed he was cleared

2960

01:40:35,830 --> 01:40:33,679

a time at some point he apparently went

2961

01:40:37,109 --> 01:40:35,840

before congress years ago and was

2962

01:40:40,709 --> 01:40:37,119

exonerated

2963

01:40:42,709 --> 01:40:40,719

i know nothing about that i wasn't there

2964

01:40:45,350 --> 01:40:42,719

but then to this day

2965

01:40:47,189 --> 01:40:45,360

to go kind of to the second question

2966

01:40:51,270 --> 01:40:47,199

i think it is notable

2967

01:40:53,350 --> 01:40:51,280

that when the whole ufo topic suddenly

2968

01:40:55,430 --> 01:40:53,360

begins to seem legitimate in the last

2969

01:40:57,430 --> 01:40:55,440

four years

2970

01:40:59,430 --> 01:40:57,440

pretty quickly many people have seen the

2971

01:41:01,750 --> 01:40:59,440

letter where i think suga was writing to

2972

01:41:03,830 --> 01:41:01,760

the navy and saying

2973

01:41:06,470 --> 01:41:03,840

sorry i'm touching the table here then

2974

01:41:09,109 --> 01:41:06,480

that the air force has agreed to let

2975

01:41:11,510 --> 01:41:09,119

all their information go through suga

2976

01:41:13,109 --> 01:41:11,520

she'll be their spokesman

2977

01:41:14,470 --> 01:41:13,119

and that they recommend the navy do the

2978

01:41:15,590 --> 01:41:14,480

same thing and i guess the navy has done

2979

01:41:16,950 --> 01:41:15,600

it and now

2980

01:41:18,709 --> 01:41:16,960

both services

2981

01:41:20,709 --> 01:41:18,719

don't have to say a word

2982

01:41:23,109 --> 01:41:20,719

and when they go back and do this recent

2983

01:41:25,430 --> 01:41:23,119

180 day report

2984

01:41:27,189 --> 01:41:25,440

wasn't it convenient that rather than

2985

01:41:28,870 --> 01:41:27,199

looking at the history of this phenomena

2986

01:41:31,430 --> 01:41:28,880

where there is a whole lot that should

2987

01:41:33,910 --> 01:41:31,440

be included valid information

2988

01:41:35,990 --> 01:41:33,920

they just go to the nimitz case 2004 as

2989

01:41:37,910 --> 01:41:36,000

though anything before that

2990

01:41:39,430 --> 01:41:37,920

is somehow

2991

01:41:40,950 --> 01:41:39,440

off the books you're right it doesn't

2992

01:41:43,030 --> 01:41:40,960

need to be touched

2993

01:41:44,310 --> 01:41:43,040

but i do think let's face it in the case

2994

01:41:45,669 --> 01:41:44,320

of

2995

01:41:47,669 --> 01:41:45,679

whoever was

2996

01:41:49,270 --> 01:41:47,679

giving dodie his orders

2997

01:41:51,189 --> 01:41:49,280

and whoever's been giving the orders

2998

01:41:53,830 --> 01:41:51,199

from above so that you have the guy down

2999

01:41:55,750 --> 01:41:53,840

below having to take the heat

3000

01:41:58,470 --> 01:41:55,760

there should be some accounting for that

3001

01:41:59,669 --> 01:41:58,480

and i think congress unfortunately

3002

01:42:01,430 --> 01:41:59,679

i don't know whether the people that are

3003

01:42:02,950 --> 01:42:01,440

really in congress now

3004

01:42:04,870 --> 01:42:02,960

have got a whole lot of background

3005

01:42:06,149 --> 01:42:04,880

information on this subject

3006

01:42:08,149 --> 01:42:06,159

and

3007

01:42:09,590 --> 01:42:08,159

you know so how do they even know

3008

01:42:10,870 --> 01:42:09,600

and if they're going to their advisors

3009

01:42:12,709 --> 01:42:10,880

or people and they're only getting what

3010

01:42:14,149 --> 01:42:12,719

they're getting

3011

01:42:15,430 --> 01:42:14,159

maybe they don't even know you know i

3012

01:42:16,629 --> 01:42:15,440

mean i don't know how many of them would

3013

01:42:18,550 --> 01:42:16,639

really even know what we're talking

3014

01:42:20,070 --> 01:42:18,560

about here

3015

01:42:22,470 --> 01:42:20,080

so i don't know whether there's going to

3016

01:42:24,629 --> 01:42:22,480

be any accounting for it at all

3017

01:42:26,390 --> 01:42:24,639

you know you you wonder if

3018

01:42:29,109 --> 01:42:26,400

any of them

3019

01:42:31,590 --> 01:42:29,119

are looking into this topic

3020

01:42:34,229 --> 01:42:31,600

you know kind of like we do

3021

01:42:37,270 --> 01:42:34,239

if any one of those people involved is

3022

01:42:41,590 --> 01:42:37,280

looking not just at the raw data but

3023

01:42:43,750 --> 01:42:41,600

looking into it in outside sources

3024

01:42:45,109 --> 01:42:43,760

well it seems to me if you've got even

3025

01:42:47,510 --> 01:42:45,119

just this history that we've been

3026

01:42:49,189 --> 01:42:47,520

talking about since 1980

3027

01:42:51,350 --> 01:42:49,199

there's clear evidence

3028

01:42:52,870 --> 01:42:51,360

that somewhere

3029

01:42:55,030 --> 01:42:52,880

behind the scenes

3030

01:42:57,350 --> 01:42:55,040

there have been people calling the shots

3031

01:42:58,229 --> 01:42:57,360

calling the strings giving the orders

3032

01:43:01,430 --> 01:42:58,239

i mean

3033

01:43:02,310 --> 01:43:01,440

and in an effort to defuse or to at

3034

01:43:04,709 --> 01:43:02,320

least

3035

01:43:07,350 --> 01:43:04,719

confuse and obstruct

3036

01:43:08,870 --> 01:43:07,360

people who like me like whoever who are

3037

01:43:11,270 --> 01:43:08,880

making an effort to to find this

3038

01:43:13,109 --> 01:43:11,280

information out there was a famous case

3039

01:43:14,470 --> 01:43:13,119

that i think stan friedman and bill

3040

01:43:16,709 --> 01:43:14,480

moore when bill stan friedman was

3041

01:43:17,830 --> 01:43:16,719

looking into the 1980 cases where he had

3042

01:43:19,590 --> 01:43:17,840

been trying to get information from

3043

01:43:21,030 --> 01:43:19,600

afosi headquarters

3044

01:43:22,790 --> 01:43:21,040

and they said they didn't have anything

3045

01:43:24,550 --> 01:43:22,800

and at one point he decided he's going

3046

01:43:27,270 --> 01:43:24,560

to write to each base because apparently

3047

01:43:28,950 --> 01:43:27,280

all those records were kept on each base

3048

01:43:29,910 --> 01:43:28,960

so he's like well no wonder headquarters

3049

01:43:31,350 --> 01:43:29,920

doesn't have anything they were kind of

3050

01:43:33,430 --> 01:43:31,360

just a clearing house

3051

01:43:35,270 --> 01:43:33,440

so he tells the guy at the base that i'm

3052

01:43:36,229 --> 01:43:35,280

going to write to each of the he tells

3053

01:43:38,390 --> 01:43:36,239

the guy at the headquarters i'm going to

3054

01:43:40,709 --> 01:43:38,400

write to the bases and before he can do

3055

01:43:42,229 --> 01:43:40,719

it it came out through fya the guide

3056

01:43:43,750 --> 01:43:42,239

headquarters writes to the bases and

3057

01:43:46,310 --> 01:43:43,760

says if you get a request from stan

3058

01:43:47,669 --> 01:43:46,320

friedman do not answer him refer him

3059

01:43:50,550 --> 01:43:47,679

back to the base

3060

01:43:52,470 --> 01:43:50,560

so how about direct interference

3061

01:43:54,229 --> 01:43:52,480

and yeah i don't know some something

3062

01:43:56,950 --> 01:43:54,239

tells me the people who've been keeping

3063

01:43:58,629 --> 01:43:56,960

this quiet are either

3064

01:44:00,310 --> 01:43:58,639

making sure they're covered right they

3065

01:44:01,430 --> 01:44:00,320

gotta get out of jail free card when the

3066

01:44:03,910 --> 01:44:01,440

time comes

3067

01:44:05,590 --> 01:44:03,920

or they're wanting some exoneration you

3068

01:44:07,270 --> 01:44:05,600

know statute of limitations whatever you

3069

01:44:09,270 --> 01:44:07,280

can think of

3070

01:44:11,510 --> 01:44:09,280

and i'm not after

3071

01:44:13,830 --> 01:44:11,520

sending anybody you know maybe we need

3072

01:44:14,629 --> 01:44:13,840

to do like south africa and have the you

3073

01:44:16,870 --> 01:44:14,639

know

3074

01:44:19,109 --> 01:44:16,880

the reconciliation kind of thing at

3075

01:44:21,430 --> 01:44:19,119

least be honest tell us what was going

3076

01:44:23,189 --> 01:44:21,440

on and why so we know

3077

01:44:25,990 --> 01:44:23,199

what happened even if you don't send

3078

01:44:27,030 --> 01:44:26,000

anybody to jail because

3079

01:44:28,310 --> 01:44:27,040

maybe they thought it was the right

3080

01:44:29,350 --> 01:44:28,320

thing at the time they did it that's

3081

01:44:32,629 --> 01:44:29,360

fine

3082

01:44:35,669 --> 01:44:32,639

but when you're deceiving and misleading

3083

01:44:37,590 --> 01:44:35,679

the public people out here

3084

01:44:39,030 --> 01:44:37,600

when from what everything i've read most

3085

01:44:40,790 --> 01:44:39,040

people who've been in this know the

3086

01:44:41,990 --> 01:44:40,800

public's not going to just

3087

01:44:43,270 --> 01:44:42,000

flip out

3088

01:44:45,510 --> 01:44:43,280

and most of the public has no idea what

3089

01:44:47,030 --> 01:44:45,520

we're talking about anyway so that's

3090

01:44:48,310 --> 01:44:47,040

right those of us who really care enough

3091

01:44:49,830 --> 01:44:48,320

to know about it that would end up being

3092

01:44:51,109 --> 01:44:49,840

the ones who are told what's going on

3093

01:44:55,669 --> 01:44:51,119

and

3094

01:44:56,870 --> 01:44:55,679

you know a whole lot of let down because

3095

01:44:59,590 --> 01:44:56,880

we just have to sit and wait till the

3096

01:45:01,270 --> 01:44:59,600

next you know incident that occurs

3097

01:45:03,189 --> 01:45:01,280

but i think it would be

3098

01:45:05,109 --> 01:45:03,199

it would behoove the people in congress

3099

01:45:06,550 --> 01:45:05,119

who are now claiming you know gilbert

3100

01:45:08,550 --> 01:45:06,560

some of the others

3101

01:45:10,870 --> 01:45:08,560

to try to reach out to some

3102

01:45:12,390 --> 01:45:10,880

people out here who have these bits of

3103

01:45:13,830 --> 01:45:12,400

information and at least get the

3104

01:45:15,590 --> 01:45:13,840

documentation

3105

01:45:18,149 --> 01:45:15,600

you know to to know to ask about it or

3106

01:45:20,470 --> 01:45:18,159

have something done with it but anyway

3107

01:45:21,830 --> 01:45:20,480

sorry um well i know that we wanted to

3108

01:45:23,830 --> 01:45:21,840

talk about

3109

01:45:25,910 --> 01:45:23,840

uh maybe we just don't have time we have

3110

01:45:27,669 --> 01:45:25,920

another caller on the line we i think we

3111

01:45:29,270 --> 01:45:27,679

only got about five minutes left so we

3112

01:45:30,709 --> 01:45:29,280

don't have a lot of time maybe best not

3113

01:45:32,390 --> 01:45:30,719

to touch that for now

3114

01:45:34,229 --> 01:45:32,400

i guess right because that's a kind of a

3115

01:45:36,709 --> 01:45:34,239

deep subject and i'll just take it out

3116

01:45:39,030 --> 01:45:36,719

of the show information we have johnny

3117

01:45:41,189 --> 01:45:39,040

uh from portland oregon johnny you're

3118

01:45:43,350 --> 01:45:41,199

live on the air

3119

01:45:45,910 --> 01:45:43,360

hi martin hi my christian hi welcome to

3120

01:45:50,390 --> 01:45:48,310

um yeah what do you know if anything

3121

01:45:53,350 --> 01:45:50,400

about phil schneider his story about an

3122

01:45:54,950 --> 01:45:53,360

underground alien base at dulce and

3123

01:45:58,149 --> 01:45:54,960

whatever became of him after he began

3124

01:46:00,790 --> 01:45:58,159

speaking public about the uh if you have

3125

01:46:01,750 --> 01:46:00,800

any knowledge about that thank you

3126

01:46:04,709 --> 01:46:01,760

um

3127

01:46:07,669 --> 01:46:04,719

i actually have kind of

3128

01:46:09,350 --> 01:46:07,679

i kind of go with my own internal radar

3129

01:46:10,950 --> 01:46:09,360

and discernment when i hear some of

3130

01:46:13,590 --> 01:46:10,960

those things that i know a little bit

3131

01:46:15,270 --> 01:46:13,600

about especially the fact that ninety

3132

01:46:17,030 --> 01:46:15,280

percent ninety-nine percent of the whole

3133

01:46:19,430 --> 01:46:17,040

story of underground bases

3134

01:46:21,910 --> 01:46:19,440

dulce was bunk

3135

01:46:23,510 --> 01:46:21,920

but then we have people that come out

3136

01:46:25,189 --> 01:46:23,520

and decide to

3137

01:46:26,390 --> 01:46:25,199

peddle their wares their stories just

3138

01:46:27,430 --> 01:46:26,400

like we have some of them out there

3139

01:46:30,070 --> 01:46:27,440

today

3140

01:46:31,990 --> 01:46:30,080

and capitalize on it and in many cases

3141

01:46:34,629 --> 01:46:32,000

you'll find there's an entire

3142

01:46:35,669 --> 01:46:34,639

underground segment of ufology if i can

3143

01:46:38,950 --> 01:46:35,679

call it that

3144

01:46:42,550 --> 01:46:38,960

that share an interest in that type of

3145

01:46:44,629 --> 01:46:42,560

almost uh malevolent alien

3146

01:46:47,030 --> 01:46:44,639

doing underground body and they have

3147

01:46:48,629 --> 01:46:47,040

their own conferences so

3148

01:46:50,709 --> 01:46:48,639

what can you say right i mean there was

3149

01:46:52,390 --> 01:46:50,719

a woman i can't replace her name right

3150

01:46:54,070 --> 01:46:52,400

now who was actually

3151

01:46:56,550 --> 01:46:54,080

from up here in dallas when i lived in

3152

01:46:58,229 --> 01:46:56,560

denton who went on to become

3153

01:46:59,990 --> 01:46:58,239

one of the women who was frequented

3154

01:47:02,310 --> 01:47:00,000

these kinds of conferences

3155

01:47:04,470 --> 01:47:02,320

and i just stumbled into her before she

3156

01:47:07,109 --> 01:47:04,480

got into any of it but then later on

3157

01:47:09,669 --> 01:47:07,119

when i hear what she's doing and talking

3158

01:47:11,669 --> 01:47:09,679

about and going there

3159

01:47:13,830 --> 01:47:11,679

i realized back when i first met her and

3160

01:47:15,590 --> 01:47:13,840

she was having some kind of experiences

3161

01:47:17,910 --> 01:47:15,600

and i just had asked something as simple

3162

01:47:18,870 --> 01:47:17,920

as did you ever think of just putting a

3163

01:47:20,229 --> 01:47:18,880

camera

3164

01:47:22,310 --> 01:47:20,239

out there where you might get a clip of

3165

01:47:23,109 --> 01:47:22,320

it or you know tie us tie thread to your

3166

01:47:24,950 --> 01:47:23,119

toe

3167

01:47:26,229 --> 01:47:24,960

so if if it's broken in the morning you

3168

01:47:29,189 --> 01:47:26,239

at least you know any little thing you

3169

01:47:31,270 --> 01:47:29,199

can think of to try to substantiate

3170

01:47:32,870 --> 01:47:31,280

is something happening and it was like

3171

01:47:34,310 --> 01:47:32,880

the response is like no you know i never

3172

01:47:36,390 --> 01:47:34,320

really considered that

3173

01:47:38,709 --> 01:47:36,400

and that's when i realized

3174

01:47:41,189 --> 01:47:38,719

it's more exciting to not do that

3175

01:47:42,709 --> 01:47:41,199

to not have to try to verify

3176

01:47:43,910 --> 01:47:42,719

and in the case of phil schneider i

3177

01:47:45,669 --> 01:47:43,920

don't recall what happened to him i'm

3178

01:47:47,669 --> 01:47:45,679

not so sure that i heard her read

3179

01:47:50,870 --> 01:47:47,679

somewhere he'd finally passed away

3180

01:47:53,350 --> 01:47:50,880

but oh yeah he was supposedly yeah under

3181

01:47:54,149 --> 01:47:53,360

suspicious suspicious circumstances but

3182

01:47:56,950 --> 01:47:54,159

you know

3183

01:47:58,790 --> 01:47:56,960

for my part though i think

3184

01:48:01,510 --> 01:47:58,800

it was

3185

01:48:04,390 --> 01:48:01,520

more people who found it exciting to be

3186

01:48:06,390 --> 01:48:04,400

a an experiencer in something you know

3187

01:48:07,830 --> 01:48:06,400

in that pond of people who

3188

01:48:09,669 --> 01:48:07,840

love that kind of thing it's the belief

3189

01:48:11,189 --> 01:48:09,679

thing all over again martin people have

3190

01:48:13,109 --> 01:48:11,199

their own beliefs and it's exciting and

3191

01:48:14,870 --> 01:48:13,119

it gives them something to

3192

01:48:16,229 --> 01:48:14,880

believe they have a purpose in life with

3193

01:48:18,470 --> 01:48:16,239

and

3194

01:48:20,070 --> 01:48:18,480

you know sometimes you just

3195

01:48:22,390 --> 01:48:20,080

i don't go to those conferences let's

3196

01:48:24,070 --> 01:48:22,400

just put it that way yeah

3197

01:48:25,430 --> 01:48:24,080

hey uh johnny thanks so much for the

3198

01:48:27,109 --> 01:48:25,440

call

3199

01:48:29,430 --> 01:48:27,119

thank you gentlemen good night thank you

3200

01:48:31,510 --> 01:48:29,440

all right have a good night yeah

3201

01:48:32,390 --> 01:48:31,520

so yeah we only have we only have about

3202

01:48:35,910 --> 01:48:32,400

three minutes

3203

01:48:37,350 --> 01:48:35,920

so yeah um well it's really fascinating

3204

01:48:39,590 --> 01:48:37,360

and

3205

01:48:41,030 --> 01:48:39,600

you know again we keep going back to

3206

01:48:43,910 --> 01:48:41,040

this belief thing

3207

01:48:46,149 --> 01:48:43,920

you know uh because there are so many

3208

01:48:47,669 --> 01:48:46,159

segments there are i've said this a

3209

01:48:48,870 --> 01:48:47,679

number of times in the show there are so

3210

01:48:52,070 --> 01:48:48,880

many things

3211

01:48:54,390 --> 01:48:52,080

that we can almost make into reality in

3212

01:48:56,950 --> 01:48:54,400

other words there's the false story i i

3213

01:48:58,310 --> 01:48:56,960

use a lot of times alexander the great

3214

01:49:00,629 --> 01:48:58,320

supposedly

3215

01:49:02,550 --> 01:49:00,639

had a ufo sighting

3216

01:49:05,510 --> 01:49:02,560

you know but when you trace it back it

3217

01:49:07,030 --> 01:49:05,520

goes back to 1952 to a book it was in

3218

01:49:09,669 --> 01:49:07,040

and that's as far back as you can go

3219

01:49:12,390 --> 01:49:09,679

with it so but a lot of times these

3220

01:49:15,270 --> 01:49:12,400

things will become reality in a lot of

3221

01:49:17,750 --> 01:49:15,280

people's minds you know as as we go on

3222

01:49:20,629 --> 01:49:17,760

the story over and over again there is a

3223

01:49:21,510 --> 01:49:20,639

big advantage if i can call it that

3224

01:49:23,189 --> 01:49:21,520

with

3225

01:49:25,750 --> 01:49:23,199

having been around

3226  
01:49:27,510 --> 01:49:25,760  
a long time that you've seen a thing too

3227  
01:49:28,390 --> 01:49:27,520  
you've you get better discernment

3228  
01:49:30,149 --> 01:49:28,400  
hopefully

3229  
01:49:32,550 --> 01:49:30,159  
you also have a lot more information

3230  
01:49:33,589 --> 01:49:32,560  
about background incidental things

3231  
01:49:35,750 --> 01:49:33,599  
and

3232  
01:49:38,310 --> 01:49:35,760  
in my case maybe i've got some good

3233  
01:49:40,390 --> 01:49:38,320  
friends who are very insightful

3234  
01:49:43,350 --> 01:49:40,400  
and then it comes we didn't get into the

3235  
01:49:44,470 --> 01:49:43,360  
whole issue with assab a tip o usdi that

3236  
01:49:46,870 --> 01:49:44,480  
sort of thing

3237  
01:49:49,830 --> 01:49:46,880  
but it becomes a matter of if you care

3238  
01:49:52,709 --> 01:49:49,840

enough to dig to just write and ask

3239

01:49:54,709 --> 01:49:52,719

somebody straight up

3240

01:49:56,950 --> 01:49:54,719

then you find information that at least

3241

01:49:58,790 --> 01:49:56,960

gives you a better chance to

3242

01:50:00,870 --> 01:49:58,800

be more certain what you think not

3243

01:50:02,950 --> 01:50:00,880

everybody does that not everybody really

3244

01:50:05,270 --> 01:50:02,960

bothers to decide i'm going to go double

3245

01:50:07,990 --> 01:50:05,280

check my own ideas because maybe they

3246

01:50:09,030 --> 01:50:08,000

don't really care and i get it

3247

01:50:10,709 --> 01:50:09,040

and then

3248

01:50:12,550 --> 01:50:10,719

there's also a block a lot of people

3249

01:50:14,870 --> 01:50:12,560

have a block and i can tend to have a

3250

01:50:15,750 --> 01:50:14,880

block too like oh i don't know how to do

3251

01:50:18,550 --> 01:50:15,760

that

3252

01:50:20,790 --> 01:50:18,560

um but i'm not going to but you can find

3253

01:50:22,390 --> 01:50:20,800

out how to do it all you have to do is

3254

01:50:25,189 --> 01:50:22,400

talk to someone that does you know a

3255

01:50:27,510 --> 01:50:25,199

foyer for instance be kind and i have to

3256

01:50:29,669 --> 01:50:27,520

tell you later you know just ask yeah

3257

01:50:31,350 --> 01:50:29,679

right that's what i do that's right

3258

01:50:33,669 --> 01:50:31,360

that's yeah what i did with douglas

3259

01:50:34,790 --> 01:50:33,679

curth i did that with jesse marcel you

3260

01:50:36,310 --> 01:50:34,800

just

3261

01:50:37,910 --> 01:50:36,320

pick up a phone find their number it's a

3262

01:50:39,669 --> 01:50:37,920

lot easier these days than it was back

3263

01:50:41,270 --> 01:50:39,679

then find the number yeah that's your

3264

01:50:43,669 --> 01:50:41,280

call and be nice and say hey i'm just

3265

01:50:45,270 --> 01:50:43,679

so-and-so i did this with lonnie zamora

3266

01:50:46,470 --> 01:50:45,280

and he said well most people call him

3267

01:50:47,589 --> 01:50:46,480

and they were kind of crazy you didn't

3268

01:50:48,709 --> 01:50:47,599

see it blah blah

3269

01:50:50,629 --> 01:50:48,719

but i

3270

01:50:52,470 --> 01:50:50,639

was at least doing some artwork and i

3271

01:50:54,550 --> 01:50:52,480

talked to him and it turned out terrific

3272

01:50:56,149 --> 01:50:54,560

very very nice most people are willing

3273

01:50:56,870 --> 01:50:56,159

to help and be polite

3274

01:50:58,470 --> 01:50:56,880

you know

3275

01:51:00,470 --> 01:50:58,480

douglas kurth read me the little riot

3276

01:51:02,149 --> 01:51:00,480

act but he was decent i have respect for

3277

01:51:04,550 --> 01:51:02,159

the guy he answered me yeah because i

3278

01:51:05,990 --> 01:51:04,560

just took the chance but you have to ask

3279

01:51:07,430 --> 01:51:06,000

the question if you're going to even ask

3280

01:51:09,510 --> 01:51:07,440

that's right

3281

01:51:11,510 --> 01:51:09,520

chris thank you so much it's been a real

3282

01:51:12,390 --> 01:51:11,520

pleasure as always you're a good friend

3283

01:51:16,470 --> 01:51:12,400

and

3284

01:51:18,390 --> 01:51:16,480

this we'll talk soon

3285

01:51:20,709 --> 01:51:18,400

yeah yeah we'll have it after all the

3286

01:51:22,149 --> 01:51:20,719

others all right thanks take care good

3287

01:51:23,669 --> 01:51:22,159

night all right everyone all right good

3288

01:51:25,910 --> 01:51:23,679

night all right everyone so that's it

3289

01:51:28,709 --> 01:51:25,920

for the show this evening and next week

3290

01:51:30,870 --> 01:51:28,719

as i said we have uh ufo jane from texas

3291

01:51:32,709 --> 01:51:30,880

she's going to be on the show thanks so

3292

01:51:35,590 --> 01:51:32,719

much and remember to keep your eyes to

3293

01:51:44,900 --> 01:51:35,600

the sky
