

A close-up portrait of a woman with long, dark, curly hair, smiling slightly. She is wearing a dark top. The background is a dark blue gradient with a bright light source in the upper left, creating a lens flare effect.

**JANE KYLE**

**#495**

1  
00:00:24,920 --> 00:00:09,270  
so

2  
00:01:02,310 --> 00:00:33,480  
[Music]

3  
00:01:06,710 --> 00:01:04,310  
hello everyone how are you i'm on the

4  
00:01:08,070 --> 00:01:06,720  
road as you people are watching video

5  
00:01:09,270 --> 00:01:08,080  
you can see that i'm in a different

6  
00:01:11,190 --> 00:01:09,280  
setting

7  
00:01:12,710 --> 00:01:11,200  
and uh welcome to the show i'm martin

8  
00:01:15,670 --> 00:01:12,720  
willis your host

9  
00:01:18,789 --> 00:01:15,680  
and did you know that today is

10  
00:01:21,190 --> 00:01:18,799  
tuesday yes i'm saying 2

11  
00:01:22,870 --> 00:01:21,200  
because it's

12  
00:01:29,109 --> 00:01:22,880  
2

13  
00:01:31,590 --> 00:01:29,119

everyone's playing the lottery

14

00:01:33,190 --> 00:01:31,600

well if you are doing that good luck

15

00:01:35,190 --> 00:01:33,200

um

16

00:01:37,350 --> 00:01:35,200

we have a great guest today and i kind

17

00:01:39,749 --> 00:01:37,360

of got her all jumbled up because

18

00:01:42,710 --> 00:01:39,759

i'm kind of jumbled up and

19

00:01:45,030 --> 00:01:42,720

she i think i told her to be in

20

00:01:47,350 --> 00:01:45,040

studio in an hour but she's going to be

21

00:01:48,950 --> 00:01:47,360

jumping in any minute i may bring bill

22

00:01:52,710 --> 00:01:48,960

in for a minute to help me out until

23

00:01:55,510 --> 00:01:52,720

then um our blog this week is ufos and

24

00:01:56,709 --> 00:01:55,520

high strangeness in argentina

25

00:02:00,069 --> 00:01:56,719

and

26

00:02:03,270 --> 00:02:00,079

it's uh this is an extra long blog uh

27

00:02:05,030 --> 00:02:03,280

charles did this week a lot of really

28

00:02:06,630 --> 00:02:05,040

do you remember i don't know if you

29

00:02:10,070 --> 00:02:06,640

people follow the blogs and you follow

30

00:02:11,750 --> 00:02:10,080

the audio blogs on this channel

31

00:02:14,869 --> 00:02:11,760

um it had to do with this woman that

32

00:02:16,790 --> 00:02:14,879

ended up like 60 miles away somehow she

33

00:02:18,470 --> 00:02:16,800

doesn't know what happened people are

34

00:02:20,630 --> 00:02:18,480

specula speculating that she was

35

00:02:23,670 --> 00:02:20,640

abducted things like that and but

36

00:02:25,430 --> 00:02:23,680

there's a lot to that story and charles

37

00:02:28,309 --> 00:02:25,440

has been kind of investigating that just

38

00:02:31,030 --> 00:02:28,319

happened a few months ago i believe down

39

00:02:31,910 --> 00:02:31,040

in argentina so another great blog on

40

00:02:38,550 --> 00:02:31,920

that

41

00:02:39,750 --> 00:02:38,560

next week i'm going to be off the grid

42

00:02:41,750 --> 00:02:39,760

and uh

43

00:02:43,030 --> 00:02:41,760

i'm going to be i'm not even going to

44

00:02:45,110 --> 00:02:43,040

say where i'm going to be but i'm not

45

00:02:47,110 --> 00:02:45,120

going to be available for the show so we

46

00:02:49,270 --> 00:02:47,120

have a pre-recorded show that's going to

47

00:02:51,830 --> 00:02:49,280

go live with kevin randle

48

00:02:54,550 --> 00:02:51,840

and albert wayne albert as you remember

49

00:02:56,790 --> 00:02:54,560

had that amazing ufo sighting on the

50

00:02:58,470 --> 00:02:56,800

i-95 corridor and he's had a lot of

51  
00:03:00,630 --> 00:02:58,480  
different things happen really bizarre

52  
00:03:02,309 --> 00:03:00,640  
things happen with his family we talk

53  
00:03:05,350 --> 00:03:02,319  
about that as well and elaborate a

54  
00:03:06,309 --> 00:03:05,360  
little more on that specific case

55  
00:03:08,550 --> 00:03:06,319  
and

56  
00:03:10,949 --> 00:03:08,560  
i think that is about it i do want to

57  
00:03:13,030 --> 00:03:10,959  
thank everyone that supports the show

58  
00:03:15,509 --> 00:03:13,040  
everyone that participates

59  
00:03:18,470 --> 00:03:15,519  
and watches the show

60  
00:03:20,949 --> 00:03:18,480  
live or listens to to it as a podcast i

61  
00:03:23,990 --> 00:03:20,959  
will tell you i have i'm way behind on

62  
00:03:26,789 --> 00:03:24,000  
email i had a business deadline i had to

63  
00:03:29,350 --> 00:03:26,799

finish but i shouldn't have any excuses

64

00:03:31,910 --> 00:03:29,360

i'm just really behind an email i always

65

00:03:33,830 --> 00:03:31,920

caution people if you listen to the show

66

00:03:36,470 --> 00:03:33,840

and you want to send me an email it's

67

00:03:39,030 --> 00:03:36,480

better to do it piecemeal like the one

68

00:03:40,949 --> 00:03:39,040

or two paragraph emails i can read those

69

00:03:41,910 --> 00:03:40,959

fine but when i get the five pagers it's

70

00:03:44,309 --> 00:03:41,920

uh

71

00:03:46,869 --> 00:03:44,319

i i just don't have time to do that and

72

00:03:49,350 --> 00:03:46,879

uh i've been getting a lot of email each

73

00:03:51,830 --> 00:03:49,360

and every day so on this about the show

74

00:03:55,750 --> 00:03:51,840

about ufo sightings and by the way i do

75

00:03:57,350 --> 00:03:55,760

have on my website [podcastufo.com](http://podcastufo.com)

76

00:03:59,190 --> 00:03:57,360

i have a

77

00:04:01,670 --> 00:03:59,200

anonymous posting

78

00:04:04,149 --> 00:04:01,680

a form if you have a ufo sighting on

79

00:04:06,550 --> 00:04:04,159

doing if you had a ufo sighting i do

80

00:04:08,710 --> 00:04:06,560

encourage you to fill out that form and

81

00:04:10,390 --> 00:04:08,720

you have the choice to remain anonymous

82

00:04:11,750 --> 00:04:10,400

or not you can put your information in

83

00:04:13,190 --> 00:04:11,760

there if you want to

84

00:04:15,509 --> 00:04:13,200

but also

85

00:04:16,629 --> 00:04:15,519

i always encourage people to report to

86

00:04:20,390 --> 00:04:16,639

mufon

87

00:04:22,310 --> 00:04:20,400

and to peter davenport's site nycap

88

00:04:24,390 --> 00:04:22,320

narc i always forget the name of that

89

00:04:27,110 --> 00:04:24,400

one but anyway uh

90

00:04:30,150 --> 00:04:27,120

two great places to report ufo sightings

91

00:04:32,790 --> 00:04:30,160

and if you want it investigated mufon is

92

00:04:34,070 --> 00:04:32,800

a place the mutual ufo network is a

93

00:04:35,749 --> 00:04:34,080

place to

94

00:04:37,749 --> 00:04:35,759

uh report it there

95

00:04:38,629 --> 00:04:37,759

so for now i'm going to bring my buddy

96

00:04:39,430 --> 00:04:38,639

bill

97

00:04:44,710 --> 00:04:39,440

in

98

00:04:45,830 --> 00:04:44,720

always

99

00:04:47,510 --> 00:04:45,840

afternoon

100

00:04:49,590 --> 00:04:47,520

when you said when you said you were

101  
00:04:52,710 --> 00:04:49,600  
going to be at another location i said

102  
00:04:55,670 --> 00:04:52,720  
well he can't be on the boat can he

103  
00:04:57,510 --> 00:04:55,680  
my boat no not this time of year yeah i

104  
00:05:00,390 --> 00:04:57,520  
didn't figure that you were on the boat

105  
00:05:02,230 --> 00:05:00,400  
yeah no no no no too cold it was uh when

106  
00:05:04,550 --> 00:05:02,240  
i left new england

107  
00:05:05,990 --> 00:05:04,560  
was it yesterday two days ago it was

108  
00:05:07,590 --> 00:05:06,000  
something like 10 degrees i don't think

109  
00:05:08,469 --> 00:05:07,600  
that's that's not good boating weather

110  
00:05:11,189 --> 00:05:08,479  
yet

111  
00:05:13,270 --> 00:05:11,199  
but but anyway uh bill hey why don't you

112  
00:05:14,710 --> 00:05:13,280  
talk a little bit you're you're really

113  
00:05:16,710 --> 00:05:14,720

involved in the pine bush thing that

114

00:05:19,029 --> 00:05:16,720

happened last year i was out there

115

00:05:20,550 --> 00:05:19,039

uh had a great time and you you have

116

00:05:23,350 --> 00:05:20,560

it's coming up and i know it's in june

117

00:05:26,070 --> 00:05:23,360

june seems like far away but

118

00:05:28,550 --> 00:05:26,080

june 3rd and who's going to be there

119

00:05:31,029 --> 00:05:28,560

this year do you know any any details

120

00:05:32,310 --> 00:05:31,039

yet uh i'm working on

121

00:05:34,230 --> 00:05:32,320

quite a bit

122

00:05:36,950 --> 00:05:34,240

i can't discuss it because it's not

123

00:05:39,749 --> 00:05:36,960

publicized yet on the officially yeah

124

00:05:43,189 --> 00:05:39,759

but a few big names lee spiegel will be

125

00:05:46,230 --> 00:05:43,199

there i can confirm that

126

00:05:47,670 --> 00:05:46,240

yeah mark d'antonio yep

127

00:05:49,990 --> 00:05:47,680

bob spearing

128

00:05:52,550 --> 00:05:50,000

of mufan who's bob he's the

129

00:05:54,070 --> 00:05:52,560

international uh director i believe of

130

00:05:56,710 --> 00:05:54,080

mufon

131

00:05:58,150 --> 00:05:56,720

oh really oh i wrote that you're going

132

00:05:59,830 --> 00:05:58,160

to come hang out but i just want to let

133

00:06:01,590 --> 00:05:59,840

everybody know that's watching and

134

00:06:05,430 --> 00:06:01,600

listening right now

135

00:06:08,309 --> 00:06:05,440

martin was there for the costume ball

136

00:06:10,469 --> 00:06:08,319

and we were all hanging out yeah and

137

00:06:13,350 --> 00:06:10,479

martin got out there and he was dancing

138

00:06:15,749 --> 00:06:13,360

the storm folks

139

00:06:17,670 --> 00:06:15,759

i got more comments about that well i

140

00:06:23,029 --> 00:06:17,680

was doing the john travolta thing i

141

00:06:26,309 --> 00:06:24,390

i know

142

00:06:27,270 --> 00:06:26,319

some young girl said boy you can dance i

143

00:06:30,230 --> 00:06:27,280

couldn't believe it i was pretty

144

00:06:31,670 --> 00:06:30,240

embarrassed but anyway this year

145

00:06:33,749 --> 00:06:31,680

it's gonna be a little bit different

146

00:06:36,150 --> 00:06:33,759

we're gonna have it on friday june 3rd

147

00:06:39,510 --> 00:06:36,160

and we should have six to seven speakers

148

00:06:41,430 --> 00:06:39,520

present presenters doing there yep

149

00:06:42,710 --> 00:06:41,440

now last year was on a saturday right

150

00:06:44,150 --> 00:06:42,720

the speakers were on a saturday this

151

00:06:46,390 --> 00:06:44,160

year it's going to be in the friday

152

00:06:47,270 --> 00:06:46,400

friday during the day or at night time

153

00:06:48,629 --> 00:06:47,280

evening

154

00:06:50,309 --> 00:06:48,639

i would say doors will open

155

00:06:52,790 --> 00:06:50,319

approximately 5 30.

156

00:06:55,110 --> 00:06:52,800

yeah yeah well bill our guest is

157

00:06:57,270 --> 00:06:55,120

weighing wings so thank you very much

158

00:06:59,830 --> 00:06:57,280

for filling in have a great time all

159

00:07:02,390 --> 00:06:59,840

right thank you

160

00:07:04,790 --> 00:07:02,400

jane welcome to the show okay

161

00:07:08,070 --> 00:07:04,800

well i'm finally made it i'm so sorry

162

00:07:10,710 --> 00:07:08,080

i'm late no no it was totally my fault i

163

00:07:13,189 --> 00:07:10,720

i totally messed up on the time and i'm

164

00:07:14,870 --> 00:07:13,199

so lucky you were available and i do i

165

00:07:18,390 --> 00:07:14,880

do

166

00:07:20,950 --> 00:07:18,400

that i told you 550 texas time i said oh

167

00:07:23,749 --> 00:07:20,960

yeah i remember typing that

168

00:07:25,830 --> 00:07:23,759

well yeah i i should i'm i'm also the

169

00:07:28,150 --> 00:07:25,840

worst with time zones as well so i

170

00:07:29,189 --> 00:07:28,160

should have i should have double checked

171

00:07:31,909 --> 00:07:29,199

with you

172

00:07:34,390 --> 00:07:31,919

yeah well but i'm glad i'm glad to be

173

00:07:36,629 --> 00:07:34,400

here i'm excited to be here so

174

00:07:39,430 --> 00:07:36,639

i know you were on quite a while ago i

175

00:07:41,029 --> 00:07:39,440

want to say three or four years ago

176

00:07:42,469 --> 00:07:41,039

it's been some time

177

00:07:44,710 --> 00:07:42,479

i think it was actually before the new

178

00:07:46,950 --> 00:07:44,720

york times article came out and so much

179

00:07:48,710 --> 00:07:46,960

right around there or something yeah

180

00:07:50,390 --> 00:07:48,720

everything's changed so much and i

181

00:07:53,029 --> 00:07:50,400

happened to be on um

182

00:07:54,390 --> 00:07:53,039

lou uh lewis show the unidentified

183

00:07:56,550 --> 00:07:54,400

celebrity review

184

00:07:57,990 --> 00:07:56,560

um and you were on it and i thought hey

185

00:08:01,270 --> 00:07:58,000

that'd be great to have you back on

186

00:08:02,869 --> 00:08:01,280

again so yeah so fun to talk to you

187

00:08:05,029 --> 00:08:02,879

yeah yeah yeah

188

00:08:07,510 --> 00:08:05,039

and so you do a youtube channel where

189

00:08:10,790 --> 00:08:07,520

you you kind of more or less focus on

190

00:08:13,749 --> 00:08:10,800

ufos in texas and how does that rate as

191

00:08:15,990 --> 00:08:13,759

far as you know the reports go in the

192

00:08:17,510 --> 00:08:16,000

country you know how like california is

193

00:08:19,270 --> 00:08:17,520

usually number one

194

00:08:21,990 --> 00:08:19,280

do you know have you ever looked into

195

00:08:23,990 --> 00:08:22,000

that i used to know more about how texas

196

00:08:26,390 --> 00:08:24,000

compared to the country in the world

197

00:08:28,790 --> 00:08:26,400

years ago but in this recent year i've

198

00:08:30,710 --> 00:08:28,800

really decided to laser focus on

199

00:08:33,350 --> 00:08:30,720

sightings here in texas i'd actually

200

00:08:35,750 --> 00:08:33,360

hope to launch something by now

201  
00:08:38,310 --> 00:08:35,760  
uh in february which should be coming

202  
00:08:41,909 --> 00:08:38,320  
soon where people can see

203  
00:08:43,509 --> 00:08:41,919  
seymour in-depth reports than what i'm

204  
00:08:45,509 --> 00:08:43,519  
able to feature

205  
00:08:47,670 --> 00:08:45,519  
on youtube or the website because i know

206  
00:08:50,710 --> 00:08:47,680  
there's a real craving for you know

207  
00:08:52,710 --> 00:08:50,720  
where's the data where's you know

208  
00:08:55,910 --> 00:08:52,720  
uh so

209  
00:08:58,070 --> 00:08:55,920  
i would say i've kind of been enjoyably

210  
00:08:59,350 --> 00:08:58,080  
ignorant of

211  
00:09:01,509 --> 00:08:59,360  
of a lot of what's going on in

212  
00:09:03,829 --> 00:09:01,519  
california and

213  
00:09:06,710 --> 00:09:03,839

new york and yeah i used to love

214

00:09:09,910 --> 00:09:06,720

tracking ufos in japan and all that i

215

00:09:11,670 --> 00:09:09,920

will say it's super darned active here

216

00:09:12,790 --> 00:09:11,680

incredibly active i would say lately

217

00:09:14,150 --> 00:09:12,800

it's been

218

00:09:16,389 --> 00:09:14,160

it's actually been

219

00:09:20,470 --> 00:09:16,399

difficult for me to keep up with

220

00:09:23,110 --> 00:09:20,480

so i would suspect texas rates right up

221

00:09:25,910 --> 00:09:23,120

there with california and maybe that has

222

00:09:27,509 --> 00:09:25,920

to do with just sheer population numbers

223

00:09:29,509 --> 00:09:27,519

the amount of people that are looking up

224

00:09:31,269 --> 00:09:29,519

at the sky to report things it could be

225

00:09:34,470 --> 00:09:31,279

that you're just as likely to see

226

00:09:37,430 --> 00:09:34,480

something in texas as you are arkansas

227

00:09:40,230 --> 00:09:37,440

or ohio or or anywhere i don't know that

228

00:09:42,949 --> 00:09:40,240

i found a great trend

229

00:09:44,870 --> 00:09:42,959

in all my years of reporting of you know

230

00:09:46,630 --> 00:09:44,880

where you're more likely most likely to

231

00:09:49,430 --> 00:09:46,640

see a ufo

232

00:09:50,389 --> 00:09:49,440

well for one thing if you think about

233

00:09:51,269 --> 00:09:50,399

you know that

234

00:09:53,910 --> 00:09:51,279

the

235

00:09:55,110 --> 00:09:53,920

um i had heard i had a friend that did a

236

00:09:57,590 --> 00:09:55,120

report

237

00:09:59,509 --> 00:09:57,600

um you know years ago in high school

238

00:10:02,069 --> 00:09:59,519

and that he figured that he could that

239

00:10:04,630 --> 00:10:02,079

every single person in the world

240

00:10:06,630 --> 00:10:04,640

could fit in the state of texas

241

00:10:09,030 --> 00:10:06,640

and have

242

00:10:10,710 --> 00:10:09,040

six people or eight people per acre or

243

00:10:12,790 --> 00:10:10,720

something ridiculous like that i mean

244

00:10:15,110 --> 00:10:12,800

it's such a landmass

245

00:10:17,670 --> 00:10:15,120

with um you know with not a huge

246

00:10:19,910 --> 00:10:17,680

population but you also have better

247

00:10:22,069 --> 00:10:19,920

weather than we do up in the northeast

248

00:10:24,389 --> 00:10:22,079

so you have outdoor activity more of the

249

00:10:27,350 --> 00:10:24,399

time and that that's one of the reasons

250

00:10:29,430 --> 00:10:27,360

besides california's 20 million people i

251

00:10:31,350 --> 00:10:29,440

think one of the reasons that there are

252

00:10:33,190 --> 00:10:31,360

so many sightings there in particular is

253

00:10:35,750 --> 00:10:33,200

because of the weather you know there's

254

00:10:37,190 --> 00:10:35,760

a lot of really nice nice weather

255

00:10:39,350 --> 00:10:37,200

as in texas

256

00:10:41,590 --> 00:10:39,360

um you know not not quite as nice but

257

00:10:43,110 --> 00:10:41,600

pretty pretty nice most of the year

258

00:10:44,230 --> 00:10:43,120

there

259

00:10:47,750 --> 00:10:44,240

so

260

00:10:49,750 --> 00:10:47,760

as far as numbers go i know that every

261

00:10:51,509 --> 00:10:49,760

year they post you know where something

262

00:10:53,670 --> 00:10:51,519

rates you know in the

263

00:10:55,750 --> 00:10:53,680

scope of things as far as the states go

264

00:10:57,030 --> 00:10:55,760

in the sightings i'm talking about mufon

265

00:11:00,310 --> 00:10:57,040

in particular

266

00:11:02,230 --> 00:11:00,320

is there a good mufon uh group there uh

267

00:11:03,670 --> 00:11:02,240

state state-run group

268

00:11:06,710 --> 00:11:03,680

yeah so

269

00:11:08,870 --> 00:11:06,720

there's a good mufon san antonio group

270

00:11:11,350 --> 00:11:08,880

that i'm well familiar with that have

271

00:11:13,990 --> 00:11:11,360

spoken with and you know i know ken who

272

00:11:15,750 --> 00:11:14,000

runs that group there at least or at

273

00:11:17,829 --> 00:11:15,760

least recently did

274

00:11:19,750 --> 00:11:17,839

uh and i'm sure they have a really great

275

00:11:22,389 --> 00:11:19,760

one in austin so i would imagine all the

276

00:11:24,790 --> 00:11:22,399

big cities here have pretty strong

277

00:11:25,990 --> 00:11:24,800

meetups houston

278

00:11:29,509 --> 00:11:26,000

dallas

279

00:11:32,710 --> 00:11:29,519

i'm i'm guessing though don't quote me

280

00:11:35,990 --> 00:11:32,720

so yeah mufon's pretty i mean there are

281

00:11:38,870 --> 00:11:36,000

mufon's where i see most the reports

282

00:11:42,150 --> 00:11:38,880

here in texas so that's where people

283

00:11:43,670 --> 00:11:42,160

file uh their testimony when they see

284

00:11:45,350 --> 00:11:43,680

something that's most likely where

285

00:11:47,110 --> 00:11:45,360

they're going to go

286

00:11:48,150 --> 00:11:47,120

uh well

287

00:11:50,629 --> 00:11:48,160

there's

288

00:11:52,870 --> 00:11:50,639

of all the different outlets i would say

289

00:11:55,030 --> 00:11:52,880

overall though most reports are ending

290

00:11:57,670 --> 00:11:55,040

up outside of mufon

291

00:12:00,150 --> 00:11:57,680

or nowhere right so but it's just all

292

00:12:03,350 --> 00:12:00,160

it's a hodgepodge right between twitter

293

00:12:06,150 --> 00:12:03,360

or new fork or youtube or and then

294

00:12:07,990 --> 00:12:06,160

people do email me and and message me

295

00:12:10,550 --> 00:12:08,000

with their reports as well

296

00:12:11,509 --> 00:12:10,560

so yeah i would say mufon's very strong

297

00:12:14,870 --> 00:12:11,519

it's

298

00:12:16,550 --> 00:12:14,880

incredible

299

00:12:18,949 --> 00:12:16,560

testimonies and photos and videos that

300

00:12:21,430 --> 00:12:18,959

get submitted there regularly every

301  
00:12:23,269 --> 00:12:21,440  
single week and when when i was doing my

302  
00:12:25,190 --> 00:12:23,279  
monologue before you were in

303  
00:12:27,269 --> 00:12:25,200  
the green room so to speak

304  
00:12:30,069 --> 00:12:27,279  
i had mentioned uh the two different

305  
00:12:32,310 --> 00:12:30,079  
places to report ufos and i forgot new

306  
00:12:34,389 --> 00:12:32,320  
forks yeah another great one yeah yeah

307  
00:12:36,629 --> 00:12:34,399  
that's that's the one i was trying to to

308  
00:12:38,629 --> 00:12:36,639  
think of there peter davenport's behind

309  
00:12:41,110 --> 00:12:38,639  
the wheel on that and what a dedicated

310  
00:12:43,269 --> 00:12:41,120  
man he is he's been at that so long

311  
00:12:44,870 --> 00:12:43,279  
yeah that's a great great database so

312  
00:12:46,230 --> 00:12:44,880  
yeah you can spend you can spend a lot

313  
00:12:47,590 --> 00:12:46,240

of time just

314

00:12:50,069 --> 00:12:47,600

searching through

315

00:12:52,949 --> 00:12:50,079

new fork and coming across all kinds of

316

00:12:54,629 --> 00:12:52,959

um amazing sightings you just never knew

317

00:12:57,110 --> 00:12:54,639

you never knew occurred

318

00:12:59,670 --> 00:12:57,120

right out there out there in the ether

319

00:13:02,150 --> 00:12:59,680

yes now what about um

320

00:13:05,190 --> 00:13:02,160

i would say

321

00:13:07,350 --> 00:13:05,200

when i think about texas ufo

322

00:13:09,829 --> 00:13:07,360

cases in the past you know you think of

323

00:13:11,670 --> 00:13:09,839

the is it the martha lights

324

00:13:13,590 --> 00:13:11,680

you think of um

325

00:13:14,389 --> 00:13:13,600

i'm trying to remember the exact one

326

00:13:16,790 --> 00:13:14,399

where

327

00:13:19,509 --> 00:13:16,800

it went at the bush ranch i mean i'm

328

00:13:22,230 --> 00:13:19,519

talking about historical ones

329

00:13:24,389 --> 00:13:22,240

yes the 2008 stephenville lights yeah

330

00:13:26,389 --> 00:13:24,399

that was a huge

331

00:13:28,790 --> 00:13:26,399

case yes

332

00:13:30,550 --> 00:13:28,800

with radar evidence

333

00:13:33,110 --> 00:13:30,560

and it indeed it was headed toward

334

00:13:35,190 --> 00:13:33,120

crawford ranch was the trajectory it was

335

00:13:37,110 --> 00:13:35,200

on so who knows

336

00:13:37,910 --> 00:13:37,120

what it was up to or

337

00:13:39,829 --> 00:13:37,920

yeah

338

00:13:43,189 --> 00:13:39,839

so do you have the do you

339

00:13:45,509 --> 00:13:43,199

also look into the details of historic

340

00:13:47,509 --> 00:13:45,519

sightings here oh so let's talk a little

341

00:13:49,750 --> 00:13:47,519

bit about that one because that one to

342

00:13:51,670 --> 00:13:49,760

me was really exciting i mean there were

343

00:13:52,870 --> 00:13:51,680

there were fighter jets involved in

344

00:13:54,310 --> 00:13:52,880

everything

345

00:13:56,870 --> 00:13:54,320

so here's the problem with the

346

00:14:01,110 --> 00:13:56,880

stephenville lights in particular

347

00:14:04,629 --> 00:14:01,120

it is increasingly hard to research that

348

00:14:07,030 --> 00:14:04,639

case it used to be much easier to go um

349

00:14:08,150 --> 00:14:07,040

you can go find

350

00:14:17,350 --> 00:14:08,160

i

351  
00:14:18,629 --> 00:14:17,360  
some

352  
00:14:21,110 --> 00:14:18,639  
photos but

353  
00:14:24,470 --> 00:14:21,120  
that that case

354  
00:14:27,910 --> 00:14:24,480  
i feel like i get such major heebie gb

355  
00:14:30,550 --> 00:14:27,920  
cover-up of men in black fives with that

356  
00:14:32,150 --> 00:14:30,560  
case it is so hard to research people

357  
00:14:34,870 --> 00:14:32,160  
still see things

358  
00:14:36,710 --> 00:14:34,880  
in that area today that are kind of

359  
00:14:38,870 --> 00:14:36,720  
similar and and what's interesting is

360  
00:14:39,829 --> 00:14:38,880  
yes there were the v-shaped lights or

361  
00:14:41,829 --> 00:14:39,839  
the lights

362  
00:14:43,670 --> 00:14:41,839  
forming a v-shaped hard to say if they

363  
00:14:47,509 --> 00:14:43,680

were connected or not but there were

364

00:14:50,310 --> 00:14:47,519

also sightings of just flashing orbs of

365

00:14:52,470 --> 00:14:50,320

lights that were really weird that

366

00:14:53,350 --> 00:14:52,480

people still see today

367

00:14:55,750 --> 00:14:53,360

and

368

00:14:56,949 --> 00:14:55,760

i don't really know what to make of it i

369

00:14:59,350 --> 00:14:56,959

think the

370

00:15:01,269 --> 00:14:59,360

uh where it was headed toward crawford

371

00:15:02,629 --> 00:15:01,279

ranch definitely i i feel like there

372

00:15:03,750 --> 00:15:02,639

must be

373

00:15:07,509 --> 00:15:03,760

some

374

00:15:08,470 --> 00:15:07,519

learn more uh

375

00:15:10,790 --> 00:15:08,480

i

376

00:15:12,870 --> 00:15:10,800

probably need to do you know a

377

00:15:14,870 --> 00:15:12,880

fresh foia

378

00:15:16,629 --> 00:15:14,880

foia request on the stephenville lights

379

00:15:18,230 --> 00:15:16,639

of of all the really

380

00:15:19,750 --> 00:15:18,240

crowded you know famous cases here in

381

00:15:22,870 --> 00:15:19,760

texas that's the one that's been the

382

00:15:25,189 --> 00:15:22,880

most elusive to me as a researcher in

383

00:15:27,430 --> 00:15:25,199

trying to to pin it down

384

00:15:29,269 --> 00:15:27,440

um wow yeah

385

00:15:30,629 --> 00:15:29,279

yeah so that um

386

00:15:32,710 --> 00:15:30,639

but

387

00:15:34,949 --> 00:15:32,720

in the ones that they're people are

388

00:15:37,030 --> 00:15:34,959

stating they're seeing now do you have

389

00:15:39,749 --> 00:15:37,040

to know if there's any radar data with

390

00:15:41,749 --> 00:15:39,759

that as well

391

00:15:43,829 --> 00:15:41,759

stephenville was really unique here in

392

00:15:45,350 --> 00:15:43,839

texas i'm trying to think i mean of

393

00:15:46,629 --> 00:15:45,360

course i

394

00:15:49,350 --> 00:15:46,639

i guess you know there could be

395

00:15:51,269 --> 00:15:49,360

classified radar evidence of any number

396

00:15:52,710 --> 00:15:51,279

of these you know amazing sightings that

397

00:15:54,470 --> 00:15:52,720

have happened over the years is what i

398

00:15:56,069 --> 00:15:54,480

would theorize

399

00:15:59,269 --> 00:15:56,079

i'm having trouble thinking of any other

400

00:16:02,710 --> 00:15:59,279

texas cases where you could actually go

401  
00:16:04,790 --> 00:16:02,720  
go investigate the radar evidence

402  
00:16:07,189 --> 00:16:04,800  
but yeah i mean i that's what makes me

403  
00:16:10,069 --> 00:16:07,199  
think it it must be somewhere or you

404  
00:16:11,030 --> 00:16:10,079  
know was somewhere at some point

405  
00:16:16,069 --> 00:16:11,040  
the

406  
00:16:17,910 --> 00:16:16,079  
historic cases where it it appears that

407  
00:16:19,189 --> 00:16:17,920  
maybe even our government our military

408  
00:16:22,550 --> 00:16:19,199  
was aware

409  
00:16:24,790 --> 00:16:22,560  
of of these sightings so it's entirely

410  
00:16:27,509 --> 00:16:24,800  
possible that they were tracking them um

411  
00:16:30,790 --> 00:16:27,519  
this started in actually

412  
00:16:33,749 --> 00:16:30,800  
the 1950s here in texas there were

413  
00:16:35,990 --> 00:16:33,759

a wave of saucer sightings i've have

414

00:16:36,949 --> 00:16:36,000

some recent youtube videos and articles

415

00:16:38,710 --> 00:16:36,959

that

416

00:16:41,430 --> 00:16:38,720

covered this

417

00:16:43,189 --> 00:16:41,440

so people think you know 1947 flying

418

00:16:44,629 --> 00:16:43,199

saucer was really a weather balloon you

419

00:16:47,829 --> 00:16:44,639

know and that's it and actually there

420

00:16:50,550 --> 00:16:47,839

were so many saucer sightings in texas

421

00:16:52,870 --> 00:16:50,560

in the 50s that actually

422

00:16:54,470 --> 00:16:52,880

in waco texas there used to be an air

423

00:16:56,710 --> 00:16:54,480

force base

424

00:16:59,509 --> 00:16:56,720

they actually installed towers

425

00:17:01,670 --> 00:16:59,519

around there to specifically

426

00:17:03,990 --> 00:17:01,680

detect flying saucers

427

00:17:05,990 --> 00:17:04,000

and to capture those capture evidence of

428

00:17:07,270 --> 00:17:06,000

those you know so i i haven't i don't

429

00:17:09,029 --> 00:17:07,280

know where those files are i don't know

430

00:17:10,630 --> 00:17:09,039

if they ever you know captured any

431

00:17:13,029 --> 00:17:10,640

evidence right but we do have a

432

00:17:13,990 --> 00:17:13,039

newspaper article and an eyewitness that

433

00:17:16,710 --> 00:17:14,000

also

434

00:17:19,750 --> 00:17:16,720

uh reported to me who uh worked in the

435

00:17:22,870 --> 00:17:19,760

military and and knew about those powers

436

00:17:24,150 --> 00:17:22,880

and the other another case that comes to

437

00:17:27,270 --> 00:17:24,160

mind where i think the government

438

00:17:30,630 --> 00:17:27,280

military was aware of the ufo was the

439

00:17:33,590 --> 00:17:30,640

cash landrum incident in 1980 which was

440

00:17:37,270 --> 00:17:33,600

texas right and helicopters you know

441

00:17:39,669 --> 00:17:37,280

purportedly swarmed that object so

442

00:17:41,990 --> 00:17:39,679

could could there be

443

00:17:45,029 --> 00:17:42,000

some secret you know radar evidence

444

00:17:47,590 --> 00:17:45,039

secret photos or videos of some of these

445

00:17:49,830 --> 00:17:47,600

craft it's you know i tend to think

446

00:17:54,470 --> 00:17:49,840

maybe

447

00:17:55,430 --> 00:17:54,480

yeah yeah um i i had um

448

00:17:57,590 --> 00:17:55,440

colby

449

00:17:58,630 --> 00:17:57,600

landrum on this show

450

00:18:01,190 --> 00:17:58,640

before

451  
00:18:04,630 --> 00:18:01,200  
and uh and i've had several you know

452  
00:18:08,310 --> 00:18:04,640  
over the years i've had um a number of

453  
00:18:09,909 --> 00:18:08,320  
well three or four total of like

454  
00:18:11,830 --> 00:18:09,919  
um video

455  
00:18:14,070 --> 00:18:11,840  
you know filmmakers trying to get a hold

456  
00:18:15,750 --> 00:18:14,080  
of him through me

457  
00:18:17,909 --> 00:18:15,760  
and i'm still in touch with him and i'm

458  
00:18:20,950 --> 00:18:17,919  
thinking about asking him back on

459  
00:18:23,590 --> 00:18:20,960  
because it's just i i personally

460  
00:18:25,029 --> 00:18:23,600  
think and michael schrad kind of alludes

461  
00:18:27,029 --> 00:18:25,039  
to the fact that it might have been an

462  
00:18:28,549 --> 00:18:27,039  
experimental

463  
00:18:29,510 --> 00:18:28,559

american you know

464

00:18:30,630 --> 00:18:29,520

uh

465

00:18:32,710 --> 00:18:30,640

craft

466

00:18:34,470 --> 00:18:32,720

that and but it may have been using some

467

00:18:36,710 --> 00:18:34,480

type of nuclear technology for

468

00:18:38,710 --> 00:18:36,720

propulsion or something for them to get

469

00:18:40,870 --> 00:18:38,720

all to get the burns but i think i think

470

00:18:43,270 --> 00:18:40,880

i want to get him back on again

471

00:18:44,710 --> 00:18:43,280

because it's such an interesting case in

472

00:18:47,590 --> 00:18:44,720

general

473

00:18:50,950 --> 00:18:47,600

oh it's it's hugely fascinating and well

474

00:18:54,230 --> 00:18:50,960

i mean you could even say that vicki and

475

00:18:56,710 --> 00:18:54,240

becky landrum the the two adult women

476

00:18:58,950 --> 00:18:56,720

that encountered the ufo

477

00:19:00,310 --> 00:18:58,960

that they also even could i don't know

478

00:19:02,470 --> 00:19:00,320

that they subscribed to that theory but

479

00:19:03,990 --> 00:19:02,480

they did sue the government

480

00:19:06,390 --> 00:19:04,000

right they claimed the government knew

481

00:19:09,190 --> 00:19:06,400

about this craft so and they lost that

482

00:19:11,510 --> 00:19:09,200

lawsuit but i always i've brought this

483

00:19:14,150 --> 00:19:11,520

up a few times i wonder in today's

484

00:19:15,990 --> 00:19:14,160

climate in 2022 with these two ufo

485

00:19:18,230 --> 00:19:16,000

offices and this new dedication to

486

00:19:20,230 --> 00:19:18,240

studying anomalous effects on human

487

00:19:21,669 --> 00:19:20,240

witnesses if that

488

00:19:22,710 --> 00:19:21,679

you know what would happen if something

489

00:19:25,669 --> 00:19:22,720

like that

490

00:19:27,510 --> 00:19:25,679

occurred today in 2022 be more likely or

491

00:19:28,710 --> 00:19:27,520

less likely to be covered up now that we

492

00:19:31,430 --> 00:19:28,720

have all this

493

00:19:34,789 --> 00:19:31,440

you know national attention and uh

494

00:19:37,430 --> 00:19:34,799

dedicated efforts to study it so you

495

00:19:39,909 --> 00:19:37,440

bring up a very good point um because i

496

00:19:41,270 --> 00:19:39,919

think now the topic

497

00:19:43,110 --> 00:19:41,280

you know it's almost like i say this on

498

00:19:47,830 --> 00:19:43,120

a weekly basis

499

00:19:53,270 --> 00:19:49,270

or

500

00:19:54,390 --> 00:19:53,280

about ridicule i do have you know

501  
00:19:56,870 --> 00:19:54,400  
someone

502  
00:20:00,070 --> 00:19:56,880  
i had scheduled for the show

503  
00:20:01,909 --> 00:20:00,080  
um coming up in another month or so that

504  
00:20:03,909 --> 00:20:01,919  
wanted to remain anonymous and without

505  
00:20:05,590 --> 00:20:03,919  
any pictures and i said i'm sorry you

506  
00:20:08,149 --> 00:20:05,600  
know there's no real need to do that at

507  
00:20:10,070 --> 00:20:08,159  
this point you know and this person

508  
00:20:11,990 --> 00:20:10,080  
is not purporting to have a high level

509  
00:20:13,430 --> 00:20:12,000  
job or anything you know for the

510  
00:20:14,710 --> 00:20:13,440  
government or anything like that to be

511  
00:20:16,149 --> 00:20:14,720  
worried about so i don't really

512  
00:20:17,510 --> 00:20:16,159  
understand

513  
00:20:20,230 --> 00:20:17,520

that the stigma

514

00:20:21,110 --> 00:20:20,240

is getting less and less as we go along

515

00:20:22,950 --> 00:20:21,120

and

516

00:20:24,789 --> 00:20:22,960

along those lines

517

00:20:26,870 --> 00:20:24,799

do you think that's

518

00:20:28,630 --> 00:20:26,880

probably the reason there's a lot more

519

00:20:30,789 --> 00:20:28,640

sightings in texas

520

00:20:33,430 --> 00:20:30,799

being reported is because more people

521

00:20:35,270 --> 00:20:33,440

are curious or looking up or

522

00:20:38,310 --> 00:20:35,280

or maybe reporting when they normally

523

00:20:40,950 --> 00:20:38,320

wouldn't report in the past

524

00:20:43,190 --> 00:20:40,960

so it's questionable if sightings are up

525

00:20:45,510 --> 00:20:43,200

i think you know if you look at like

526

00:20:47,190 --> 00:20:45,520

let's say the last decade you probably

527

00:20:49,190 --> 00:20:47,200

see you know

528

00:20:51,590 --> 00:20:49,200

you wouldn't see this direct you know

529

00:20:53,909 --> 00:20:51,600

increase in sightings and

530

00:20:55,830 --> 00:20:53,919

there there are ufo flaps there are

531

00:20:58,789 --> 00:20:55,840

waves of sightings i do think the

532

00:21:01,270 --> 00:20:58,799

quantity of reports does correlate

533

00:21:03,510 --> 00:21:01,280

to actual ufo sightings and i don't

534

00:21:05,830 --> 00:21:03,520

think it always correlates oh it's in

535

00:21:07,909 --> 00:21:05,840

the news or people are looking up so i

536

00:21:09,750 --> 00:21:07,919

think that's what probably your your

537

00:21:12,310 --> 00:21:09,760

graph line would would work on and like

538

00:21:14,390 --> 00:21:12,320

i said i'd hope to launch something more

539

00:21:16,230 --> 00:21:14,400

by this point because i really i like

540

00:21:19,669 --> 00:21:16,240

numbers and i like to be really precise

541

00:21:22,070 --> 00:21:19,679

with them and not necessarily assume i i

542

00:21:23,270 --> 00:21:22,080

don't feel like reports are necessarily

543

00:21:25,909 --> 00:21:23,280

increasing

544

00:21:28,789 --> 00:21:25,919

right now in texas i would say it

545

00:21:30,310 --> 00:21:28,799

actually appears to me that if they are

546

00:21:32,470 --> 00:21:30,320

visiting that they were much more

547

00:21:34,470 --> 00:21:32,480

obvious back in the day

548

00:21:35,750 --> 00:21:34,480

um and it was easier to get a photo of

549

00:21:37,110 --> 00:21:35,760

them and

550

00:21:38,950 --> 00:21:37,120

when people did have abduction

551

00:21:41,590 --> 00:21:38,960

experience there seemed to be more trace

552

00:21:43,830 --> 00:21:41,600

physical evidence or you know other

553

00:21:46,710 --> 00:21:43,840

eye witnesses to back it up like the

554

00:21:49,510 --> 00:21:46,720

1970s travis walton abduction you know

555

00:21:51,750 --> 00:21:49,520

for example so i actually feel like

556

00:21:52,630 --> 00:21:51,760

as time has gone on

557

00:21:54,789 --> 00:21:52,640

they

558

00:21:56,230 --> 00:21:54,799

have become more elusive

559

00:21:57,750 --> 00:21:56,240

and

560

00:22:00,070 --> 00:21:57,760

i don't know that the photos or videos

561

00:22:01,190 --> 00:22:00,080

are quite as good actually as they used

562

00:22:03,510 --> 00:22:01,200

to be

563

00:22:06,630 --> 00:22:03,520

um but yes people are

564

00:22:09,270 --> 00:22:06,640

but people are i mean look

565

00:22:11,590 --> 00:22:09,280

people are saying things all the time

566

00:22:13,830 --> 00:22:11,600

you're maybe i may be you know sightings

567

00:22:15,909 --> 00:22:13,840

of chinese lanterns are increasing right

568

00:22:17,909 --> 00:22:15,919

now because you know more people

569

00:22:19,590 --> 00:22:17,919

are out and about but as far as those

570

00:22:21,990 --> 00:22:19,600

quality reports i don't know that i'm

571

00:22:24,070 --> 00:22:22,000

seeing an increase here in texas so much

572

00:22:27,110 --> 00:22:24,080

of just a trend

573

00:22:29,590 --> 00:22:27,120

you know that's been persistent for

574

00:22:30,870 --> 00:22:29,600

quite quite a while um yeah i remember

575

00:22:32,149 --> 00:22:30,880

summers ago

576

00:22:34,230 --> 00:22:32,159

uh

577

00:22:37,110 --> 00:22:34,240

really um

578

00:22:39,430 --> 00:22:37,120

noticeable triangle waves where there

579

00:22:41,190 --> 00:22:39,440

was definitely you know something going

580

00:22:42,950 --> 00:22:41,200

through the state and i don't know that

581

00:22:44,950 --> 00:22:42,960

i've had you know there's been a big

582

00:22:47,669 --> 00:22:44,960

wave like that recently people are

583

00:22:49,590 --> 00:22:47,679

definitely reporting i would i would say

584

00:22:51,430 --> 00:22:49,600

uh it's more the language that people

585

00:22:52,789 --> 00:22:51,440

are using to report and the more their

586

00:22:56,070 --> 00:22:52,799

interpretation

587

00:22:57,590 --> 00:22:56,080

of it so i didn't get reports of tic tac

588

00:22:59,909 --> 00:22:57,600

ufos

589

00:23:01,990 --> 00:22:59,919

before the new york times story but they

590

00:23:04,390 --> 00:23:02,000

were seen before people you know people

591

00:23:06,870 --> 00:23:04,400

were seeing cylindrical

592

00:23:08,630 --> 00:23:06,880

objects hovering in the sky you know

593

00:23:10,070 --> 00:23:08,640

doing weird things

594

00:23:12,230 --> 00:23:10,080

before

595

00:23:13,510 --> 00:23:12,240

the the navy videos were launched i

596

00:23:14,789 --> 00:23:13,520

think it has more to do with like the

597

00:23:17,669 --> 00:23:14,799

language and the awareness and

598

00:23:20,390 --> 00:23:17,679

interpretation around the experience

599

00:23:22,630 --> 00:23:20,400

um at least here in texas with you know

600

00:23:26,149 --> 00:23:22,640

my my limited lens definitely can't

601  
00:23:28,149 --> 00:23:26,159  
speak to all of reality

602  
00:23:30,149 --> 00:23:28,159  
here's a question up here and and by the

603  
00:23:31,990 --> 00:23:30,159  
way i thank you dave for being in the

604  
00:23:34,549 --> 00:23:32,000  
chat room dave helps out dave altman

605  
00:23:37,350 --> 00:23:34,559  
thank you um it's always a good idea to

606  
00:23:40,149 --> 00:23:37,360  
put your questions in caps so i don't

607  
00:23:41,350 --> 00:23:40,159  
miss them but what about um

608  
00:23:42,789 --> 00:23:41,360  
here's a question

609  
00:23:44,549 --> 00:23:42,799  
you know when was the last subduction

610  
00:23:46,070 --> 00:23:44,559  
case that you know about is that

611  
00:23:48,230 --> 00:23:46,080  
something that is

612  
00:23:49,669 --> 00:23:48,240  
as prevalent in texas as it is other

613  
00:23:51,510 --> 00:23:49,679

part people reporting that in other

614

00:23:53,669 --> 00:23:51,520

parts of the country

615

00:23:55,669 --> 00:23:53,679

so i don't know what it is about the

616

00:23:57,830 --> 00:23:55,679

people who report things to me or the

617

00:23:59,110 --> 00:23:57,840

sources that i look for ufo reports but

618

00:24:02,310 --> 00:23:59,120

i

619

00:24:04,470 --> 00:24:02,320

really tend to get the nuts and bolts

620

00:24:06,310 --> 00:24:04,480

types of reports you know where people

621

00:24:07,990 --> 00:24:06,320

are like i'm not crazy you know but i

622

00:24:09,909 --> 00:24:08,000

saw something weird in the sky you know

623

00:24:10,630 --> 00:24:09,919

i don't even believe in aliens but i saw

624

00:24:13,510 --> 00:24:10,640

this

625

00:24:14,870 --> 00:24:13,520

uh star-like object so that is really

626

00:24:18,549 --> 00:24:14,880

what is

627

00:24:20,230 --> 00:24:18,559

what i am mostly focused on that said

628

00:24:22,950 --> 00:24:20,240

there are other researchers here in

629

00:24:25,430 --> 00:24:22,960

texas and alongside me that seem to only

630

00:24:28,149 --> 00:24:25,440

it's like that's the bulk of what

631

00:24:30,070 --> 00:24:28,159

they're getting or just experiences and

632

00:24:33,510 --> 00:24:30,080

um abduction accounts and things like

633

00:24:36,710 --> 00:24:33,520

that and i do get that it is definitely

634

00:24:37,510 --> 00:24:36,720

rare it is not as common as

635

00:24:38,630 --> 00:24:37,520

uh

636

00:24:42,070 --> 00:24:38,640

just seeing

637

00:24:43,990 --> 00:24:42,080

a weird circular light or or lights

638

00:24:46,149 --> 00:24:44,000

forming a triangle or something like

639

00:24:48,070 --> 00:24:46,159

that it's not as common as actually just

640

00:24:48,950 --> 00:24:48,080

looking at a mufon report where somebody

641

00:24:50,070 --> 00:24:48,960

was

642

00:24:51,990 --> 00:24:50,080

um

643

00:24:53,590 --> 00:24:52,000

claiming to have had experiences with

644

00:24:55,590 --> 00:24:53,600

the reptilian and this apparently just

645

00:24:58,149 --> 00:24:55,600

happened you know in texas right or it

646

00:24:59,350 --> 00:24:58,159

was just reported i haven't have not

647

00:25:01,110 --> 00:24:59,360

vetted that

648

00:25:02,870 --> 00:25:01,120

the problem with those accounts and

649

00:25:05,830 --> 00:25:02,880

again this is this is why i say this

650

00:25:09,269 --> 00:25:05,840

might be a self self-fulfilling prophecy

651  
00:25:10,789 --> 00:25:09,279  
on my end is when i do see those

652  
00:25:13,110 --> 00:25:10,799  
abduction

653  
00:25:14,950 --> 00:25:13,120  
reports and accounts um often the

654  
00:25:16,230 --> 00:25:14,960  
person's not directly coming to me so i

655  
00:25:18,070 --> 00:25:16,240  
have trouble

656  
00:25:20,070 --> 00:25:18,080  
verifying further so i'll see it you

657  
00:25:21,430 --> 00:25:20,080  
know on outlets like move on and things

658  
00:25:22,710 --> 00:25:21,440  
like that

659  
00:25:25,350 --> 00:25:22,720  
and

660  
00:25:26,710 --> 00:25:25,360  
those testimonies are just they're so

661  
00:25:29,350 --> 00:25:26,720  
extraordinary

662  
00:25:31,669 --> 00:25:29,360  
there's so many claims made in them

663  
00:25:34,390 --> 00:25:31,679

and you know there's

664

00:25:37,909 --> 00:25:34,400

never any photo or

665

00:25:40,630 --> 00:25:37,919

videos attached there's never

666

00:25:42,870 --> 00:25:40,640

any elements within the report that i

667

00:25:45,269 --> 00:25:42,880

can or details within the report that i

668

00:25:48,070 --> 00:25:45,279

can then verify

669

00:25:50,870 --> 00:25:48,080

or use to verify it uh you know like

670

00:25:53,029 --> 00:25:50,880

maybe fellow eyewitnesses that also saw

671

00:25:54,830 --> 00:25:53,039

something in the area at that time you

672

00:25:57,909 --> 00:25:54,840

know whatever i can

673

00:26:00,870 --> 00:25:57,919

to bring some credibility to the account

674

00:26:03,350 --> 00:26:00,880

right so just often it is very much

675

00:26:05,269 --> 00:26:03,360

an experience or a testimony in the true

676

00:26:07,430 --> 00:26:05,279

sense of the word and that's not to say

677

00:26:10,390 --> 00:26:07,440

that they're not telling the truth

678

00:26:12,789 --> 00:26:10,400

and um that that's not exactly what

679

00:26:14,630 --> 00:26:12,799

happened and that that might be the most

680

00:26:17,669 --> 00:26:14,640

important thing that's going on right

681

00:26:21,350 --> 00:26:17,679

now beyond triangles and orbs but for me

682

00:26:24,710 --> 00:26:21,360

as a researcher i do not just post

683

00:26:26,710 --> 00:26:24,720

those testimonies i have to

684

00:26:29,430 --> 00:26:26,720

i have to have some you know every once

685

00:26:30,390 --> 00:26:29,440

in a while i will share something that i

686

00:26:31,750 --> 00:26:30,400

i think

687

00:26:34,149 --> 00:26:31,760

is good

688

00:26:36,310 --> 00:26:34,159

good to provoke thoughts you know and i

689

00:26:38,070 --> 00:26:36,320

can do a lot of disclaimers about it

690

00:26:40,549 --> 00:26:38,080

because it does have to be represented

691

00:26:42,310 --> 00:26:40,559

and represented and it's all we really

692

00:26:44,710 --> 00:26:42,320

care about are

693

00:26:47,190 --> 00:26:44,720

the actual aliens right so i'm just

694

00:26:48,950 --> 00:26:47,200

assassinated um so i think it might be

695

00:26:50,950 --> 00:26:48,960

somewhat of a self-fulfilling prophecy

696

00:26:53,590 --> 00:26:50,960

and that i don't necessarily highlight

697

00:26:55,909 --> 00:26:53,600

those accounts very often so i don't get

698

00:26:57,830 --> 00:26:55,919

those accounts as often

699

00:27:00,870 --> 00:26:57,840

and i tend to stick to more the nuts and

700

00:27:02,870 --> 00:27:00,880

bolts the saucers the triangles and the

701  
00:27:05,430 --> 00:27:02,880  
orbs and things like that well here's

702  
00:27:06,950 --> 00:27:05,440  
one other question kind of off the ufo

703  
00:27:10,149 --> 00:27:06,960  
itself topic

704  
00:27:11,750 --> 00:27:10,159  
but i think of texas this person asked i

705  
00:27:12,630 --> 00:27:11,760  
think of texas says

706  
00:27:14,390 --> 00:27:12,640  
you know

707  
00:27:16,950 --> 00:27:14,400  
there's a lot of longhorn there's a lot

708  
00:27:19,350 --> 00:27:16,960  
of cattle what about um

709  
00:27:21,510 --> 00:27:19,360  
cattle mutilations have you ever heard

710  
00:27:24,230 --> 00:27:21,520  
do you ever hear stories about that

711  
00:27:26,149 --> 00:27:24,240  
going on there yeah

712  
00:27:28,230 --> 00:27:26,159  
that's another one that people do not

713  
00:27:29,350 --> 00:27:28,240

get in direct contact with me you know

714

00:27:31,350 --> 00:27:29,360

like that

715

00:27:33,430 --> 00:27:31,360

you know and a great alien has i've not

716

00:27:35,269 --> 00:27:33,440

you know touched a grey alien i haven't

717

00:27:37,110 --> 00:27:35,279

seen a body you know in this whole 10

718

00:27:39,510 --> 00:27:37,120

years you know i haven't

719

00:27:42,070 --> 00:27:39,520

seen you know compelling you know crop

720

00:27:43,750 --> 00:27:42,080

circle or you know cattle mutilation

721

00:27:45,110 --> 00:27:43,760

site in person

722

00:27:46,230 --> 00:27:45,120

personally

723

00:27:55,190 --> 00:27:46,240

i

724

00:27:57,430 --> 00:27:55,200

cover-up

725

00:27:58,950 --> 00:27:57,440

men in black topics out there and i

726  
00:27:59,990 --> 00:27:58,960  
would suspect that those are going to

727  
00:28:00,830 --> 00:28:00,000  
sheriffs

728  
00:28:03,510 --> 00:28:00,840  
and

729  
00:28:04,630 --> 00:28:03,520  
uh remaining in that

730  
00:28:05,430 --> 00:28:04,640  
bucket

731  
00:28:07,750 --> 00:28:05,440  
uh

732  
00:28:09,909 --> 00:28:07,760  
most the time because you know i don't i

733  
00:28:12,070 --> 00:28:09,919  
don't really see those reports it could

734  
00:28:14,950 --> 00:28:12,080  
be that it's not happening as often as

735  
00:28:16,870 --> 00:28:14,960  
it used to i mean i know there was

736  
00:28:18,630 --> 00:28:16,880  
in the 70s there was a huge trend of

737  
00:28:20,230 --> 00:28:18,640  
that and i'll have to say it was

738  
00:28:22,230 --> 00:28:20,240

um there was a lot of research done that

739

00:28:23,669 --> 00:28:22,240

linked that to humans

740

00:28:24,630 --> 00:28:23,679

uh doing

741

00:28:25,510 --> 00:28:24,640

you know

742

00:28:27,990 --> 00:28:25,520

really

743

00:28:29,669 --> 00:28:28,000

disturbing you know satanic rituals and

744

00:28:31,909 --> 00:28:29,679

things like that so we have some

745

00:28:32,950 --> 00:28:31,919

magazine articles here and i have a lot

746

00:28:35,750 --> 00:28:32,960

of old

747

00:28:37,510 --> 00:28:35,760

files and old magazines that i go

748

00:28:38,630 --> 00:28:37,520

through here at the house

749

00:28:39,590 --> 00:28:38,640

uh

750

00:28:42,710 --> 00:28:39,600

so

751

00:28:44,710 --> 00:28:42,720

but yeah i don't nobody's writing to me

752

00:28:46,549 --> 00:28:44,720

about um which is probably good i don't

753

00:28:47,830 --> 00:28:46,559

know if i could handle that i'm i'm an

754

00:28:49,669 --> 00:28:47,840

animal lover

755

00:28:51,909 --> 00:28:49,679

so maybe that's just

756

00:28:53,830 --> 00:28:51,919

maybe that's just destiny and

757

00:28:55,430 --> 00:28:53,840

the universe has spared me from that so

758

00:29:00,389 --> 00:28:55,440

that i stay in

759

00:29:01,350 --> 00:29:00,399

yeah i'm the same way i feel the same

760

00:29:03,750 --> 00:29:01,360

way

761

00:29:05,430 --> 00:29:03,760

now what about um and i'll i'll get this

762

00:29:10,149 --> 00:29:05,440

person's question up there in just a

763

00:29:11,590 --> 00:29:10,159

second but um the lubach lights 1951

764

00:29:14,310 --> 00:29:11,600

right is that right

765

00:29:15,830 --> 00:29:14,320

yeah i i that that one was absolutely

766

00:29:17,269 --> 00:29:15,840

fascinating to me

767

00:29:18,549 --> 00:29:17,279

have you ever looked into that one in

768

00:29:20,870 --> 00:29:18,559

particular

769

00:29:22,389 --> 00:29:20,880

yes the lubbock lights uh

770

00:29:24,470 --> 00:29:22,399

yeah i always play it wrong

771

00:29:26,310 --> 00:29:24,480

it's okay there's some there's so many

772

00:29:28,070 --> 00:29:26,320

cities here that i'm i learn about new

773

00:29:29,269 --> 00:29:28,080

cities and reporting about ufos it's

774

00:29:31,590 --> 00:29:29,279

always fun

775

00:29:33,430 --> 00:29:31,600

you know and i get a report from a

776

00:29:37,029 --> 00:29:33,440

city here in texas i haven't you know

777

00:29:39,830 --> 00:29:37,039

even heard of um but the lubbock lights

778

00:29:42,310 --> 00:29:39,840

are you know again 1950s was just it was

779

00:29:44,470 --> 00:29:42,320

super active in texas it's really hard

780

00:29:46,710 --> 00:29:44,480

to deny that something was going on

781

00:29:48,870 --> 00:29:46,720

there you go there you go you got it

782

00:29:50,310 --> 00:29:48,880

this is also kind of similar not exactly

783

00:29:51,909 --> 00:29:50,320

but you could kind of put it in the

784

00:29:55,750 --> 00:29:51,919

category of the stephenville lights or

785

00:29:57,029 --> 00:29:55,760

phoenix lights or triangle cases uh so a

786

00:29:59,750 --> 00:29:57,039

professor

787

00:30:02,230 --> 00:29:59,760

and i believe in some uh

788

00:30:04,389 --> 00:30:02,240

yeah some professors saw these lights

789

00:30:05,510 --> 00:30:04,399

and but they weren't the only the only

790

00:30:06,789 --> 00:30:05,520

witnesses actually don't know that

791

00:30:08,470 --> 00:30:06,799

they're the ones that took that

792

00:30:10,310 --> 00:30:08,480

particular photo so there were multiple

793

00:30:11,669 --> 00:30:10,320

witnesses you know it definitely

794

00:30:13,750 --> 00:30:11,679

happened so

795

00:30:16,149 --> 00:30:13,760

you know you could theorize what was

796

00:30:18,230 --> 00:30:16,159

this something advanced of our own you

797

00:30:20,710 --> 00:30:18,240

know back in the 50s

798

00:30:23,190 --> 00:30:20,720

what is uh

799

00:30:26,630 --> 00:30:23,200

interesting to think about is it kind of

800

00:30:27,590 --> 00:30:26,640

reminds me of things like the starlink

801  
00:30:30,630 --> 00:30:27,600  
train

802  
00:30:33,029 --> 00:30:30,640  
that elon musk you know has up there in

803  
00:30:35,909 --> 00:30:33,039  
the skies these days that get reported

804  
00:30:37,909 --> 00:30:35,919  
as ufos and so

805  
00:30:39,669 --> 00:30:37,919  
it makes you wonder like could if these

806  
00:30:41,909 --> 00:30:39,679  
have been advanced

807  
00:30:43,590 --> 00:30:41,919  
satellites you know or human satellites

808  
00:30:46,310 --> 00:30:43,600  
even back then because if the lubbock

809  
00:30:49,110 --> 00:30:46,320  
lights were to be reported today

810  
00:30:51,590 --> 00:30:49,120  
um people would say oh it's starlink

811  
00:30:54,389 --> 00:30:51,600  
and so i think that also

812  
00:30:56,310 --> 00:30:54,399  
goes to show how hard ufology is today

813  
00:30:58,789 --> 00:30:56,320

when you have things like starlink up

814

00:31:00,230 --> 00:30:58,799

there and all these advanced drones and

815

00:31:02,549 --> 00:31:00,240

you have all like thousands of

816

00:31:04,950 --> 00:31:02,559

satellites and i and so i kind of hate

817

00:31:07,029 --> 00:31:04,960

it when you know if you see a ufo on a

818

00:31:09,029 --> 00:31:07,039

night that star links out it's just

819

00:31:10,070 --> 00:31:09,039

gonna get called starlink like good luck

820

00:31:11,830 --> 00:31:10,080

you're not gonna be able to prove to

821

00:31:14,230 --> 00:31:11,840

anybody that it wasn't what you're

822

00:31:16,310 --> 00:31:14,240

saying sure right so it goes both ways

823

00:31:18,870 --> 00:31:16,320

right so it's like okay well then if all

824

00:31:20,710 --> 00:31:18,880

of these anomalous lights are startling

825

00:31:22,389 --> 00:31:20,720

well then let's look at all the past and

826

00:31:24,470 --> 00:31:22,399

what were they in the past they couldn't

827

00:31:25,830 --> 00:31:24,480

have been starlink then and if you know

828

00:31:28,230 --> 00:31:25,840

so it's

829

00:31:31,110 --> 00:31:28,240

yeah it's it's really hard it's

830

00:31:33,430 --> 00:31:31,120

increasingly hard these days with all uh

831

00:31:36,310 --> 00:31:33,440

the stuff that we're putting up there in

832

00:31:37,750 --> 00:31:36,320

the sky it's it's really difficult

833

00:31:39,669 --> 00:31:37,760

and it's not going to get it's not going

834

00:31:41,590 --> 00:31:39,679

to get any better

835

00:31:43,190 --> 00:31:41,600

as we go along there's going to be more

836

00:31:44,870 --> 00:31:43,200

advanced drones

837

00:31:47,430 --> 00:31:44,880

and you know it depends on what the

838

00:31:51,029 --> 00:31:47,440

regulations are going to

839

00:31:53,110 --> 00:31:51,039

um you know be enforced on drones the

840

00:31:55,509 --> 00:31:53,120

use of them and things like that but as

841

00:31:56,789 --> 00:31:55,519

we develop more and more

842

00:31:59,190 --> 00:31:56,799

you know it's going to be harder and

843

00:32:01,990 --> 00:31:59,200

harder and i'm still waiting for the

844

00:32:06,149 --> 00:32:04,389

and uh when that's out there yeah then

845

00:32:08,230 --> 00:32:06,159

then it's a real another game changer

846

00:32:10,389 --> 00:32:08,240

yeah then it's over yeah you apologies

847

00:32:12,630 --> 00:32:10,399

over when we've got the flying car right

848

00:32:16,149 --> 00:32:12,640

we are the aliens then so yeah we're the

849

00:32:18,870 --> 00:32:16,159

aliens yeah so i heard you use the term

850

00:32:21,269 --> 00:32:18,880

aliens and do you think uh you know i

851

00:32:22,470 --> 00:32:21,279

always ask people more or less

852

00:32:25,269 --> 00:32:22,480

their opinion

853

00:32:26,870 --> 00:32:25,279

um do you think the answer to what a lot

854

00:32:28,630 --> 00:32:26,880

of people are seeing and and you

855

00:32:29,909 --> 00:32:28,640

mentioned some of it is probably

856

00:32:32,230 --> 00:32:29,919

military or

857

00:32:33,909 --> 00:32:32,240

our own but do you think it's possible

858

00:32:36,310 --> 00:32:33,919

that we're getting

859

00:32:38,789 --> 00:32:36,320

um an extraterrestrial structural

860

00:32:41,029 --> 00:32:38,799

visitation

861

00:32:42,389 --> 00:32:41,039

you know i'm

862

00:32:49,350 --> 00:32:42,399

i haven't

863

00:32:50,630 --> 00:32:49,360

been able to find that

864

00:32:53,549 --> 00:32:50,640

physical

865

00:32:56,310 --> 00:32:53,559

undeniable indisputable proof of

866

00:32:57,509 --> 00:32:56,320

extraterrestrial visitation

867

00:32:58,630 --> 00:32:57,519

dot dot dot

868

00:33:04,070 --> 00:32:58,640

yet

869

00:33:06,710 --> 00:33:04,080

so it's it's and i'm also not an

870

00:33:09,669 --> 00:33:06,720

experiencer you know i kind of saw ufo

871

00:33:10,950 --> 00:33:09,679

one time you know well into being a ufo

872

00:33:14,710 --> 00:33:10,960

reporter

873

00:33:16,870 --> 00:33:14,720

so i really can't you know 100 percent

874

00:33:19,350 --> 00:33:16,880

say that uh what i would say you know if

875

00:33:21,990 --> 00:33:19,360

i had to bet on it i would definitely

876

00:33:22,950 --> 00:33:22,000

put it more than the 50

877

00:33:27,029 --> 00:33:22,960

chance

878

00:33:31,590 --> 00:33:28,710

it's weird i feel like i go back and

879

00:33:33,990 --> 00:33:31,600

forth sometimes

880

00:33:35,350 --> 00:33:34,000

in in this space you know it's like one

881

00:33:38,470 --> 00:33:35,360

day it's like

882

00:33:41,590 --> 00:33:38,480

oh you know all of this is just you know

883

00:33:45,430 --> 00:33:41,600

it's just a big um deception like

884

00:33:46,710 --> 00:33:45,440

self-deception even you know or

885

00:33:49,350 --> 00:33:46,720

or yeah

886

00:33:52,070 --> 00:33:49,360

all of it is just completely true

887

00:33:53,669 --> 00:33:52,080

and why are we doubting the great aliens

888

00:33:55,590 --> 00:33:53,679

still at this point so sometimes i'm

889

00:33:58,230 --> 00:33:55,600

just like it's is it is it just

890

00:34:00,549 --> 00:33:58,240

self-evident like is it just obvious

891

00:34:03,509 --> 00:34:00,559

that the grays are real and we just need

892

00:34:05,669 --> 00:34:03,519

to accept that and not be so surprised

893

00:34:06,789 --> 00:34:05,679

when somebody shares an encounter with

894

00:34:08,790 --> 00:34:06,799

them

895

00:34:10,069 --> 00:34:08,800

so you know sometimes i'm in that camp

896

00:34:12,310 --> 00:34:10,079

where it doesn't even seem that

897

00:34:14,310 --> 00:34:12,320

extraordinary to me and i'm like okay

898

00:34:16,550 --> 00:34:14,320

that makes sense you know that that's i

899

00:34:18,950 --> 00:34:16,560

could live in that reality and then then

900

00:34:21,589 --> 00:34:18,960

other days it's like well

901  
00:34:23,510 --> 00:34:21,599

okay you know um

902  
00:34:24,869 --> 00:34:23,520

well if if you saw a great alien you

903  
00:34:27,109 --> 00:34:24,879

know how do you know you really saw a

904  
00:34:29,349 --> 00:34:27,119

great alien was it something pretending

905  
00:34:31,669 --> 00:34:29,359

to be a great alien you know how can you

906  
00:34:33,190 --> 00:34:31,679

trust the information they're giving you

907  
00:34:35,349 --> 00:34:33,200

and they're telling you they're from

908  
00:34:37,430 --> 00:34:35,359

zeta reticuli you know what if they're

909  
00:34:38,869 --> 00:34:37,440

lying so it's just

910  
00:34:40,950 --> 00:34:38,879

then i kind of realized oh we're never

911  
00:34:43,190 --> 00:34:40,960

gonna we're never gonna figure this out

912  
00:34:45,589 --> 00:34:43,200

like we're never gonna figure out

913  
00:34:48,470 --> 00:34:45,599

if there's extraterrestrials or not even

914

00:34:50,950 --> 00:34:48,480

if even if we think we figured it out so

915

00:34:53,320 --> 00:34:50,960

that's my long long winded rambling

916

00:34:55,190 --> 00:34:53,330

unsatisfying answer

917

00:34:56,950 --> 00:34:55,200

[Music]

918

00:34:58,710 --> 00:34:56,960

well i agree that

919

00:35:00,710 --> 00:34:58,720

i sometimes you know i mean i know

920

00:35:03,190 --> 00:35:00,720

you're not really asking my opinion but

921

00:35:03,910 --> 00:35:03,200

i'll give it to you anyway um

922

00:35:08,069 --> 00:35:03,920

i

923

00:35:10,470 --> 00:35:08,079

that

924

00:35:11,990 --> 00:35:10,480

at least some of what we're seeing is

925

00:35:14,390 --> 00:35:12,000

extraterrestrial

926

00:35:16,390 --> 00:35:14,400

i also think it's possible

927

00:35:18,870 --> 00:35:16,400

um that it could be

928

00:35:20,310 --> 00:35:18,880

a number of different things that we're

929

00:35:22,630 --> 00:35:20,320

seeing some

930

00:35:25,270 --> 00:35:22,640

um could be of our own

931

00:35:26,390 --> 00:35:25,280

uh our own crafts that were that we're

932

00:35:28,870 --> 00:35:26,400

seeing that

933

00:35:31,349 --> 00:35:28,880

um we just don't know about but i do

934

00:35:34,230 --> 00:35:31,359

think that it is

935

00:35:37,190 --> 00:35:34,240

as crazy as it sounds it's possible it's

936

00:35:39,829 --> 00:35:37,200

an inter-dimensional type of situation

937

00:35:41,109 --> 00:35:39,839

um it's possible it's like i said

938

00:35:42,630 --> 00:35:41,119

multiple things including

939

00:35:43,510 --> 00:35:42,640

extraterrestrial

940

00:35:46,150 --> 00:35:43,520

um

941

00:35:48,630 --> 00:35:46,160

i i i would say that i would think that

942

00:35:49,670 --> 00:35:48,640

is a very likely

943

00:35:53,589 --> 00:35:49,680

um

944

00:35:55,670 --> 00:35:53,599

prospect that we are being visited by

945

00:35:56,710 --> 00:35:55,680

extraterrestrial i think it's very

946

00:35:59,430 --> 00:35:56,720

possible

947

00:36:01,190 --> 00:35:59,440

but i don't know for sure and like you

948

00:36:03,750 --> 00:36:01,200

said i'm not really sure

949

00:36:04,790 --> 00:36:03,760

if we'll ever know

950

00:36:05,990 --> 00:36:04,800

you know

951  
00:36:06,950 --> 00:36:06,000  
i don't know if i'll ever know in my

952  
00:36:08,470 --> 00:36:06,960  
lifetime

953  
00:36:11,190 --> 00:36:08,480  
and i don't know if it's all that

954  
00:36:13,510 --> 00:36:11,200  
necessary to know either

955  
00:36:15,990 --> 00:36:13,520  
you know i mean you know maybe

956  
00:36:17,910 --> 00:36:16,000  
um you know

957  
00:36:20,310 --> 00:36:17,920  
maybe we wouldn't even understand what's

958  
00:36:23,190 --> 00:36:20,320  
going on if we knew

959  
00:36:25,109 --> 00:36:23,200  
and and i don't i'm i'm wondering i do i

960  
00:36:27,190 --> 00:36:25,119  
actually do think

961  
00:36:28,710 --> 00:36:27,200  
that the government probably knows or

962  
00:36:31,190 --> 00:36:28,720  
some part of the government probably

963  
00:36:34,069 --> 00:36:31,200

knows more than we do but i still would

964

00:36:35,990 --> 00:36:34,079

doubt that they know the full story

965

00:36:36,870 --> 00:36:36,000

i highly doubt they full know the full

966

00:36:40,550 --> 00:36:36,880

story

967

00:36:41,910 --> 00:36:40,560

yet either but i do think there are

968

00:36:43,430 --> 00:36:41,920

people that might think that they know

969

00:36:47,030 --> 00:36:43,440

the full story

970

00:36:49,270 --> 00:36:47,040

that are in you know high positions and

971

00:36:51,510 --> 00:36:49,280

keep that story secret and i think

972

00:36:53,349 --> 00:36:51,520

they're fooling themselves

973

00:36:56,390 --> 00:36:53,359

because i think that they would learn

974

00:36:58,390 --> 00:36:56,400

more if they would

975

00:37:01,190 --> 00:36:58,400

disclose all of this and we could all

976  
00:37:02,870 --> 00:37:01,200  
share this information together

977  
00:37:04,390 --> 00:37:02,880  
and yeah it's to your point of many

978  
00:37:05,670 --> 00:37:04,400  
different things going on i mean that

979  
00:37:08,470 --> 00:37:05,680  
100

980  
00:37:10,790 --> 00:37:08,480  
certainly can say as with the ufo

981  
00:37:13,270 --> 00:37:10,800  
phenomenon i don't mean

982  
00:37:14,710 --> 00:37:13,280  
chinese lanterns or fireworks or drones

983  
00:37:17,990 --> 00:37:14,720  
i don't mean that it can be all these

984  
00:37:19,430 --> 00:37:18,000  
man-made boring explanations but there's

985  
00:37:21,349 --> 00:37:19,440  
i would say

986  
00:37:23,349 --> 00:37:21,359  
what i've found more

987  
00:37:25,750 --> 00:37:23,359  
where i've been able to turn over more

988  
00:37:27,829 --> 00:37:25,760

stones and and find and

989

00:37:30,710 --> 00:37:27,839

i think make a little more progress as

990

00:37:32,470 --> 00:37:30,720

in is when we look into the phenomenon

991

00:37:33,270 --> 00:37:32,480

of ball lightning

992

00:37:39,349 --> 00:37:33,280

and

993

00:37:41,829 --> 00:37:39,359

something

994

00:37:43,589 --> 00:37:41,839

really to that and that that's not neces

995

00:37:45,430 --> 00:37:43,599

that may not be an intelligent

996

00:37:47,270 --> 00:37:45,440

extraterrestrial thing but i do think

997

00:37:50,390 --> 00:37:47,280

it's something that's been

998

00:37:52,150 --> 00:37:50,400

really locked down and not okay to study

999

00:37:54,069 --> 00:37:52,160

from a scientific perspective and i

1000

00:37:55,190 --> 00:37:54,079

think there could be a lot of really

1001  
00:37:57,190 --> 00:37:55,200  
powerful

1002  
00:37:59,670 --> 00:37:57,200  
knowledge you know in studying those

1003  
00:38:01,270 --> 00:37:59,680  
types of lights i i'll probably have a

1004  
00:38:04,150 --> 00:38:01,280  
video soon so i don't want to give too

1005  
00:38:05,270 --> 00:38:04,160  
much away but i've been looking into

1006  
00:38:08,310 --> 00:38:05,280  
chernobyl

1007  
00:38:10,069 --> 00:38:08,320  
and uh the effects of radiation and you

1008  
00:38:12,870 --> 00:38:10,079  
know is it possible

1009  
00:38:14,950 --> 00:38:12,880  
that radioactive sites could create

1010  
00:38:16,870 --> 00:38:14,960  
anomalous lights

1011  
00:38:19,670 --> 00:38:16,880  
and that maybe

1012  
00:38:21,670 --> 00:38:19,680  
maybe government doesn't want us to know

1013  
00:38:23,190 --> 00:38:21,680

that there's radioactive

1014

00:38:24,790 --> 00:38:23,200

uh you know there's

1015

00:38:27,109 --> 00:38:24,800

that that's happening

1016

00:38:29,430 --> 00:38:27,119

right so there's all kinds of reasons

1017

00:38:32,390 --> 00:38:29,440

right for the cover-up of ufos and it

1018

00:38:34,550 --> 00:38:32,400

may not all be just you know grey aliens

1019

00:38:37,750 --> 00:38:34,560

and reptilians it's i think if we can be

1020

00:38:40,950 --> 00:38:37,760

open-minded and not afraid of

1021

00:38:43,990 --> 00:38:40,960

the truth period you know any truth

1022

00:38:45,109 --> 00:38:44,000

uh we we will learn we will progress we

1023

00:38:46,950 --> 00:38:45,119

will get

1024

00:38:48,710 --> 00:38:46,960

we will learn a lot of really exciting

1025

00:38:50,550 --> 00:38:48,720

things but

1026

00:38:53,349 --> 00:38:50,560

whether or not we prove

1027

00:38:56,310 --> 00:38:53,359

um inter-dimensional or

1028

00:38:59,270 --> 00:38:56,320

you know physically uh physical aliens

1029

00:39:01,750 --> 00:38:59,280

flying from literally one planet here

1030

00:39:03,510 --> 00:39:01,760

write to us uh without having to warp

1031

00:39:04,870 --> 00:39:03,520

time or whatever maybe they can for all

1032

00:39:07,349 --> 00:39:04,880

we know i don't i don't know if we'll

1033

00:39:09,589 --> 00:39:07,359

get to the bottom of that but we will

1034

00:39:11,670 --> 00:39:09,599

we will make progress we are going to

1035

00:39:13,430 --> 00:39:11,680

find out some cool stuff

1036

00:39:15,270 --> 00:39:13,440

for sure i do remember reading something

1037

00:39:17,990 --> 00:39:15,280

about and i don't know if there was ever

1038

00:39:18,870 --> 00:39:18,000

any truth to it at all about some type

1039

00:39:22,870 --> 00:39:18,880

of

1040

00:39:24,950 --> 00:39:22,880

inter possible intervention at chernobyl

1041

00:39:26,710 --> 00:39:24,960

um when they were doing their

1042

00:39:28,230 --> 00:39:26,720

sarcophagus they were putting over the

1043

00:39:31,430 --> 00:39:28,240

uh

1044

00:39:34,069 --> 00:39:31,440

the you know meltdown reactor

1045

00:39:36,069 --> 00:39:34,079

uh you know i mean you heard about those

1046

00:39:37,990 --> 00:39:36,079

things but i i don't know if there was

1047

00:39:39,670 --> 00:39:38,000

any trouble i actually haven't heard it

1048

00:39:41,270 --> 00:39:39,680

so that's really fun so

1049

00:39:44,230 --> 00:39:41,280

stay tuned for this video i'm going to

1050

00:39:46,870 --> 00:39:44,240

be like super diving into

1051

00:39:49,190 --> 00:39:46,880

chernobyl and it's a whole um what got

1052

00:39:51,670 --> 00:39:49,200

me interested in it is there was

1053

00:39:53,910 --> 00:39:51,680

somebody who went and filmed the cleanup

1054

00:39:56,550 --> 00:39:53,920

of the site and so there was a new story

1055

00:39:59,589 --> 00:39:56,560

out about this recently and the film was

1056

00:40:01,589 --> 00:39:59,599

contaminated right and it created this

1057

00:40:04,470 --> 00:40:01,599

kind of anomalous you know look on the

1058

00:40:05,589 --> 00:40:04,480

film and so i need to dig in more but it

1059

00:40:09,270 --> 00:40:05,599

really just

1060

00:40:10,630 --> 00:40:09,280

kind of you know really woke me up to

1061

00:40:12,230 --> 00:40:10,640

because i've always been fascinated with

1062

00:40:14,710 --> 00:40:12,240

the idea of free energy and ball

1063

00:40:16,710 --> 00:40:14,720

lightning and you know energy within the

1064

00:40:19,670 --> 00:40:16,720

earth itself creating some of these

1065

00:40:21,670 --> 00:40:19,680

fantastical lights that we see that seem

1066

00:40:23,430 --> 00:40:21,680

intelligent uh marfa lights i think

1067

00:40:25,670 --> 00:40:23,440

would be the example here in texas so

1068

00:40:28,790 --> 00:40:25,680

you had mentioned that yeah so you know

1069

00:40:30,950 --> 00:40:28,800

that's an ongoing real time phenomenon

1070

00:40:32,870 --> 00:40:30,960

that has not been debunked and they're

1071

00:40:34,950 --> 00:40:32,880

just like these i haven't gotten to see

1072

00:40:35,829 --> 00:40:34,960

them in person it's a it's definitely a

1073

00:40:38,150 --> 00:40:35,839

goal

1074

00:40:39,270 --> 00:40:38,160

uh but these

1075

00:40:41,910 --> 00:40:39,280

just uh

1076

00:40:44,390 --> 00:40:41,920

orbs of light that appear and disappear

1077

00:40:47,270 --> 00:40:44,400

and seem to dance around people tried to

1078

00:40:49,670 --> 00:40:47,280

debunk them as reflections of car

1079

00:40:51,510 --> 00:40:49,680

headlights uh driving you know on the

1080

00:40:55,109 --> 00:40:51,520

highways there but these were seen you

1081

00:40:57,510 --> 00:40:55,119

know back in the 1800s before cars

1082

00:40:59,109 --> 00:40:57,520

so that's not a likely explanation but

1083

00:41:00,950 --> 00:40:59,119

maybe there's something

1084

00:41:03,990 --> 00:41:00,960

more to this um

1085

00:41:07,109 --> 00:41:04,000

you know think about some of the other

1086

00:41:08,950 --> 00:41:07,119

kind of woo-woo part of

1087

00:41:10,870 --> 00:41:08,960

this field is you know things like ley

1088

00:41:13,190 --> 00:41:10,880

lines and

1089

00:41:15,750 --> 00:41:13,200

and all of that and so i think there's i

1090

00:41:18,950 --> 00:41:15,760

think there's a lot a lot there to

1091

00:41:21,589 --> 00:41:18,960

uncover and that may not be

1092

00:41:23,750 --> 00:41:21,599

a humanoid alien in a spaceship

1093

00:41:25,829 --> 00:41:23,760

abducting us it could be something

1094

00:41:27,750 --> 00:41:25,839

entirely different

1095

00:41:29,750 --> 00:41:27,760

so what um

1096

00:41:33,109 --> 00:41:29,760

i have heard the fact that they're

1097

00:41:34,390 --> 00:41:33,119

saying that the marfa that's m-a-r-f-a

1098

00:41:37,349 --> 00:41:34,400

lights were

1099

00:41:39,190 --> 00:41:37,359

happening all this time were people how

1100

00:41:40,870 --> 00:41:39,200

were they being reported but were they

1101

00:41:42,870 --> 00:41:40,880

in the news here's a

1102

00:41:45,510 --> 00:41:42,880

some of them right here

1103

00:41:46,870 --> 00:41:45,520

and i do understand this is ongoing but

1104

00:41:50,069 --> 00:41:46,880

were they reporting them in the

1105

00:41:51,750 --> 00:41:50,079

newspaper like in the 1800s is that

1106

00:41:53,750 --> 00:41:51,760

how would you know that you know i'd

1107

00:41:56,390 --> 00:41:53,760

have to it's been a while it's been a

1108

00:41:58,950 --> 00:41:56,400

while since i've looked into it so i'd

1109

00:42:01,430 --> 00:41:58,960

have to i'd have to look into it that's

1110

00:42:03,589 --> 00:42:01,440

a good question the very first

1111

00:42:05,589 --> 00:42:03,599

marvellites report

1112

00:42:07,990 --> 00:42:05,599

was i'm not sure yeah i would assume it

1113

00:42:10,470 --> 00:42:08,000

would be the newspapers there's

1114

00:42:11,990 --> 00:42:10,480

the newspapers are littered with ufo

1115

00:42:15,030 --> 00:42:12,000

reports in texas it's some of my

1116

00:42:21,910 --> 00:42:17,910

places to go look are the old newspaper

1117

00:42:24,390 --> 00:42:21,920

archives for um accounts of ufos and

1118

00:42:26,069 --> 00:42:24,400

again those flying saucers you know all

1119

00:42:28,309 --> 00:42:26,079

throughout the 50s so

1120

00:42:29,910 --> 00:42:28,319

1800s i mean there's

1121

00:42:33,349 --> 00:42:29,920

we have a report we have newspaper

1122

00:42:35,349 --> 00:42:33,359

reports of the aurora texas right ufo

1123

00:42:36,790 --> 00:42:35,359

crash you know so it's very possible

1124

00:42:39,109 --> 00:42:36,800

that the marfa lights were also

1125

00:42:41,270 --> 00:42:39,119

documented as well but i'd have to i'd

1126

00:42:43,190 --> 00:42:41,280

have to go dig it up and

1127

00:42:45,430 --> 00:42:43,200

and unearth it so that might be a cool

1128

00:42:48,230 --> 00:42:45,440

article to do soon so good idea so

1129

00:42:49,190 --> 00:42:48,240

getting getting to the aurora now

1130

00:42:51,030 --> 00:42:49,200

that

1131

00:43:05,030 --> 00:42:51,040

i

1132

00:43:07,750 --> 00:43:05,040

was very very flammable

1133

00:43:09,829 --> 00:43:07,760

dirigibles with some type of

1134

00:43:10,710 --> 00:43:09,839

motor prop or something

1135

00:43:13,670 --> 00:43:10,720

for

1136

00:43:15,349 --> 00:43:13,680

and that was a possibility of that i

1137

00:43:17,670 --> 00:43:15,359

know that's been investigated i know

1138

00:43:19,750 --> 00:43:17,680

there's supposed to be a grave that's

1139

00:43:21,030 --> 00:43:19,760

unmarked and

1140

00:43:23,430 --> 00:43:21,040

that is not

1141

00:43:24,790 --> 00:43:23,440

uh there's never going to be permission

1142

00:43:26,390 --> 00:43:24,800

supposedly

1143

00:43:28,870 --> 00:43:26,400

to um

1144

00:43:31,670 --> 00:43:28,880

extricate the body from that

1145

00:43:34,550 --> 00:43:31,680

so um i don't think it's we know for

1146

00:43:36,309 --> 00:43:34,560

sure any unless you look into it more

1147

00:43:38,230 --> 00:43:36,319

it's really interesting so when i

1148

00:43:40,309 --> 00:43:38,240

initially really learned about aurora

1149

00:43:43,109 --> 00:43:40,319

texas this story the the debunking

1150

00:43:44,390 --> 00:43:43,119

effort then if you ask me um there was a

1151

00:43:47,190 --> 00:43:44,400

journalist that said that they had just

1152

00:43:49,109 --> 00:43:47,200

all made it up the town wanted attention

1153

00:43:50,630 --> 00:43:49,119

um and that was the story so if you went

1154

00:43:51,910 --> 00:43:50,640

to wikipedia or you didn't know anything

1155

00:43:54,309 --> 00:43:51,920

about ufos that's what you were told

1156

00:43:56,309 --> 00:43:54,319

back then um so it's interesting now oh

1157

00:43:58,870 --> 00:43:56,319

okay now that's not true okay it did

1158

00:44:01,030 --> 00:43:58,880

happen now now there's a new okay but it

1159

00:44:03,109 --> 00:44:01,040

had you know so that i think that i

1160

00:44:04,550 --> 00:44:03,119

would have i'd be very curious

1161

00:44:06,829 --> 00:44:04,560

martin i haven't heard that latest

1162

00:44:09,750 --> 00:44:06,839

theory it is possible right so there

1163

00:44:11,910 --> 00:44:09,760

were there were lots of airship

1164

00:44:14,230 --> 00:44:11,920

sightings in the late 1800s so this

1165

00:44:15,109 --> 00:44:14,240

wasn't just texas this was california

1166

00:44:16,630 --> 00:44:15,119

and

1167

00:44:20,069 --> 00:44:16,640

more than one of them were associated

1168

00:44:22,390 --> 00:44:20,079

with strange pilots who did not seem

1169

00:44:23,270 --> 00:44:22,400

like your typical men

1170

00:44:25,349 --> 00:44:23,280

uh

1171

00:44:28,630 --> 00:44:25,359

in california there was

1172

00:44:32,150 --> 00:44:28,640

a an airship sighting and the witnesses

1173

00:44:33,270 --> 00:44:32,160

reported seeing naked people singing in

1174

00:44:36,230 --> 00:44:33,280

it okay

1175

00:44:38,230 --> 00:44:36,240

so that's how weird these sightings got

1176  
00:44:40,390 --> 00:44:38,240  
people were accusing thomas edison of

1177  
00:44:42,870 --> 00:44:40,400  
making them so this is very much like

1178  
00:44:44,790 --> 00:44:42,880  
today people accusing like maybe elon

1179  
00:44:47,030 --> 00:44:44,800  
musk or jeff bezos maybe of creating

1180  
00:44:49,270 --> 00:44:47,040  
like rogue ufos possibly right we've

1181  
00:44:51,270 --> 00:44:49,280  
kind of heard that out there

1182  
00:44:53,349 --> 00:44:51,280  
uh so that was happening in the late

1183  
00:44:55,910 --> 00:44:53,359  
1800s right so the people were seeing

1184  
00:44:57,990 --> 00:44:55,920  
these ships this so i that's how i

1185  
00:45:00,230 --> 00:44:58,000  
figure well this case in 1897 was

1186  
00:45:02,950 --> 00:45:00,240  
probably real this craft probably really

1187  
00:45:04,550 --> 00:45:02,960  
did crash you know in texas the timeline

1188  
00:45:06,309 --> 00:45:04,560

everything added up

1189

00:45:07,750 --> 00:45:06,319

and there was no evidence that anybody

1190

00:45:10,069 --> 00:45:07,760

lied this is just literally just

1191

00:45:12,390 --> 00:45:10,079

something a journalist just said so it's

1192

00:45:14,870 --> 00:45:12,400

annoying when you'll see that a lot with

1193

00:45:16,870 --> 00:45:14,880

cases where just somebody says they made

1194

00:45:20,230 --> 00:45:16,880

it up and that's easier for people to

1195

00:45:22,550 --> 00:45:20,240

believe so people hook on to that they

1196

00:45:24,309 --> 00:45:22,560

they retweet that that seems sensible

1197

00:45:26,390 --> 00:45:24,319

that seems logical it seems like an

1198

00:45:27,670 --> 00:45:26,400

easier thing a safer thing to bet on

1199

00:45:30,230 --> 00:45:27,680

right but

1200

00:45:34,630 --> 00:45:30,240

so often you can find out evidence

1201  
00:45:37,109 --> 00:45:34,640  
of that right so yeah i'm curious but

1202  
00:45:41,190 --> 00:45:37,119  
there were um obviously you know there

1203  
00:45:43,030 --> 00:45:41,200  
were uh the big hot air balloons and oh

1204  
00:45:45,030 --> 00:45:43,040  
people were experimenting you know in

1205  
00:45:47,829 --> 00:45:45,040  
the late 1800s it's not like things

1206  
00:45:49,349 --> 00:45:47,839  
weren't flying around so it very well

1207  
00:45:52,790 --> 00:45:49,359  
could have been

1208  
00:45:54,870 --> 00:45:52,800  
a man-made object but then again if

1209  
00:45:56,950 --> 00:45:54,880  
we're gonna say that if we say that this

1210  
00:45:59,109 --> 00:45:56,960  
event really happened then let's maybe

1211  
00:46:01,829 --> 00:45:59,119  
take the witnesses for their word and

1212  
00:46:04,069 --> 00:46:01,839  
that there is a news paper article and

1213  
00:46:06,870 --> 00:46:04,079

and reports and um

1214

00:46:09,270 --> 00:46:06,880

you know memories i guess today

1215

00:46:10,950 --> 00:46:09,280

of uh secondhand you know third hand i

1216

00:46:14,790 --> 00:46:10,960

guess accounts today

1217

00:46:16,870 --> 00:46:14,800

of uh people actually uncovering

1218

00:46:20,230 --> 00:46:16,880

a strange you know

1219

00:46:23,270 --> 00:46:20,240

exotic or alien-like humanoid body that

1220

00:46:25,829 --> 00:46:23,280

was deceased and it actually had papers

1221

00:46:28,950 --> 00:46:25,839

on it that had strange symbols like

1222

00:46:32,870 --> 00:46:28,960

hieroglyphic like symbols on it and they

1223

00:46:34,790 --> 00:46:32,880

gave the body a christian burial and uh

1224

00:46:36,790 --> 00:46:34,800

the story goes that

1225

00:46:39,430 --> 00:46:36,800

move on or you know somebody i don't

1226

00:46:41,190 --> 00:46:39,440

know if not mufon came later but the

1227

00:46:43,670 --> 00:46:41,200

government you know at the time or the

1228

00:46:46,710 --> 00:46:43,680

military at the time came in

1229

00:46:48,230 --> 00:46:46,720

um and confiscated you know all the

1230

00:46:49,829 --> 00:46:48,240

evidence you know says like you know

1231

00:46:52,390 --> 00:46:49,839

nothing happened

1232

00:46:53,670 --> 00:46:52,400

and uh later i think there were reports

1233

00:46:55,510 --> 00:46:53,680

that you know

1234

00:46:57,190 --> 00:46:55,520

mufon also

1235

00:47:00,230 --> 00:46:57,200

came out to the area and did an

1236

00:47:01,670 --> 00:47:00,240

investigation but i don't know what

1237

00:47:02,790 --> 00:47:01,680

quite they found i don't know if that

1238

00:47:04,630 --> 00:47:02,800

was ever

1239

00:47:06,550 --> 00:47:04,640

fully disclosed or if they found

1240

00:47:08,790 --> 00:47:06,560

anything tangible

1241

00:47:11,109 --> 00:47:08,800

um but yeah i think it's just one of

1242

00:47:13,030 --> 00:47:11,119

those it's too long ago

1243

00:47:14,790 --> 00:47:13,040

you know i wasn't there

1244

00:47:16,870 --> 00:47:14,800

um you know people didn't weren't taking

1245

00:47:21,990 --> 00:47:16,880

instagram photos back then so it's kind

1246

00:47:24,710 --> 00:47:23,270

yeah

1247

00:47:26,710 --> 00:47:24,720

sorry i almost had to hit a kiddo

1248

00:47:29,430 --> 00:47:26,720

interruption just now well that's sorry

1249

00:47:31,829 --> 00:47:29,440

but yeah we're good um yeah it's kind of

1250

00:47:34,309 --> 00:47:31,839

it's just it's so lost to history uh so

1251

00:47:36,710 --> 00:47:34,319

we really just have the legends uh i

1252

00:47:39,190 --> 00:47:36,720

don't think there is a gravestone there

1253

00:47:41,589 --> 00:47:39,200

so you can go visit as a tourist and you

1254

00:47:45,030 --> 00:47:41,599

can see uh the

1255

00:47:47,190 --> 00:47:45,040

report of this burial but

1256

00:47:51,109 --> 00:47:47,200

it's not believed that that's actually

1257

00:47:53,670 --> 00:47:51,119

where the body was located so

1258

00:47:56,390 --> 00:47:53,680

i know i think it was uh whatever show

1259

00:47:58,549 --> 00:47:56,400

bill burns was in years ago was it ufo

1260

00:48:01,829 --> 00:47:58,559

hunters maybe

1261

00:48:03,910 --> 00:48:01,839

they did a show on that in particular

1262

00:48:05,349 --> 00:48:03,920

and i know they were trying to get

1263

00:48:06,950 --> 00:48:05,359

some evidence

1264

00:48:09,430 --> 00:48:06,960

and i thought they

1265

00:48:11,990 --> 00:48:09,440

dug somewhere and

1266

00:48:14,870 --> 00:48:12,000

got some aluminum or something

1267

00:48:17,270 --> 00:48:14,880

i knew that they dug but i didn't i

1268

00:48:20,710 --> 00:48:17,280

didn't know if um

1269

00:48:22,630 --> 00:48:20,720

yeah that had they disclosed what they

1270

00:48:24,710 --> 00:48:22,640

dug up so

1271

00:48:27,030 --> 00:48:24,720

you said some aluminum sorry go ahead

1272

00:48:28,710 --> 00:48:27,040

you're saying

1273

00:48:30,710 --> 00:48:28,720

i thought that's what i remember um

1274

00:48:32,710 --> 00:48:30,720

speaking of that in materials and things

1275

00:48:34,630 --> 00:48:32,720

like that i just announcing one more

1276

00:48:35,990 --> 00:48:34,640

time that i have gary nolan

1277

00:48:38,150 --> 00:48:36,000

from stanford

1278

00:48:40,549 --> 00:48:38,160

coming up on march

1279

00:48:44,390 --> 00:48:40,559

15th and he's going to be joined by lou

1280

00:48:45,750 --> 00:48:44,400

elizondo and sean cahill both so that

1281

00:48:47,589 --> 00:48:45,760

should be uh

1282

00:48:49,510 --> 00:48:47,599

that should be one heck of a show so

1283

00:48:52,150 --> 00:48:49,520

just reminding everyone

1284

00:48:54,630 --> 00:48:52,160

that's coming up on the 15th of march

1285

00:48:56,950 --> 00:48:54,640

um so here's a question for you someone

1286

00:48:58,470 --> 00:48:56,960

wants to know about what is what would

1287

00:49:00,470 --> 00:48:58,480

you consider

1288

00:49:02,150 --> 00:49:00,480

uh one or more of your favorite cases

1289

00:49:04,230 --> 00:49:02,160

that you've actually investigated

1290

00:49:05,990 --> 00:49:04,240

yourself

1291

00:49:08,230 --> 00:49:06,000

yeah so if we're looking at modern

1292

00:49:10,390 --> 00:49:08,240

reports i've been lately i've just been

1293

00:49:13,270 --> 00:49:10,400

obsessed with the saucers and i've you

1294

00:49:15,430 --> 00:49:13,280

know tried to do what i can of witnesses

1295

00:49:17,430 --> 00:49:15,440

who've reported to me of the saucers

1296

00:49:18,470 --> 00:49:17,440

they've seen in the 50s but you know i

1297

00:49:20,230 --> 00:49:18,480

can't

1298

00:49:22,710 --> 00:49:20,240

you know i don't have the materials i

1299

00:49:23,670 --> 00:49:22,720

can't you know actively really look into

1300

00:49:27,030 --> 00:49:23,680

that

1301

00:49:29,349 --> 00:49:27,040

so i would say the modern day wave

1302

00:49:31,829 --> 00:49:29,359

i think sometimes i give another again

1303

00:49:33,670 --> 00:49:31,839

an unsatisfying or frustrating answer to

1304

00:49:35,349 --> 00:49:33,680

this question because i think if you

1305

00:49:38,309 --> 00:49:35,359

asked me early on i'd have these like

1306

00:49:39,190 --> 00:49:38,319

really specific cases that like blew me

1307

00:49:41,589 --> 00:49:39,200

away

1308

00:49:44,790 --> 00:49:41,599

but over the years they really all blend

1309

00:49:47,430 --> 00:49:44,800

into more of a pattern um and so i would

1310

00:49:49,030 --> 00:49:47,440

say for me it's the patterns so i would

1311

00:49:50,950 --> 00:49:49,040

say the biggest thing to me is a

1312

00:49:52,150 --> 00:49:50,960

triangle ufos

1313

00:49:53,030 --> 00:49:52,160

so

1314

00:49:56,549 --> 00:49:53,040

uh

1315

00:49:59,190 --> 00:49:56,559

especially now that they've been

1316

00:50:02,150 --> 00:49:59,200

pretty well acknowledged by the

1317

00:50:03,750 --> 00:50:02,160

government as being a real

1318

00:50:05,589 --> 00:50:03,760

you know phenomena that they have been

1319

00:50:09,030 --> 00:50:05,599

secretly looking into

1320

00:50:11,670 --> 00:50:09,040

while i was publicly looking into them

1321

00:50:13,190 --> 00:50:11,680

for years so that was kind of a nice bow

1322

00:50:16,069 --> 00:50:13,200

that was put on

1323

00:50:18,710 --> 00:50:16,079

that conundrum that i would say early on

1324

00:50:21,750 --> 00:50:18,720

in reporting ufos in texas those were

1325

00:50:23,270 --> 00:50:21,760

the most striking reports to me

1326

00:50:25,430 --> 00:50:23,280

sometimes in some cases the most

1327

00:50:26,870 --> 00:50:25,440

unsettling to me because it was just so

1328

00:50:28,549 --> 00:50:26,880

obvious that it was happening just the

1329

00:50:30,150 --> 00:50:28,559

amount of photos and videos and

1330

00:50:32,470 --> 00:50:30,160

testimony

1331

00:50:34,710 --> 00:50:32,480

and um you know people would draw

1332

00:50:37,829 --> 00:50:34,720

pictures you know if they um

1333

00:50:39,270 --> 00:50:37,839

couldn't get good photos or videos and

1334

00:50:44,710 --> 00:50:39,280

it

1335

00:50:47,349 --> 00:50:44,720

videos of anything at night so much of a

1336

00:50:48,950 --> 00:50:47,359

plan so much so as a plane or even a

1337

00:50:51,430 --> 00:50:48,960

full moon right

1338

00:50:54,230 --> 00:50:51,440

so the fact that there was so many

1339

00:50:56,549 --> 00:50:54,240

you know clear photos and videos of

1340

00:50:58,230 --> 00:50:56,559

essentially you know three lights in the

1341

00:50:59,270 --> 00:50:58,240

sky

1342

00:51:01,829 --> 00:50:59,280

um

1343

00:51:03,990 --> 00:51:01,839

hovering silently and

1344

00:51:06,069 --> 00:51:04,000

that was the the main theme of those

1345

00:51:07,030 --> 00:51:06,079

triangles but you know people would see

1346

00:51:08,950 --> 00:51:07,040

them

1347

00:51:11,589 --> 00:51:08,960

as if they were in like a fire fight

1348

00:51:13,430 --> 00:51:11,599

right as you know wobbling or you know

1349

00:51:14,790 --> 00:51:13,440

in distress there was a whole summer

1350

00:51:17,430 --> 00:51:14,800

where there were a number of triangle

1351  
00:51:18,790 --> 00:51:17,440  
ufos and it seemed like there was some

1352  
00:51:21,109 --> 00:51:18,800  
um

1353  
00:51:23,430 --> 00:51:21,119  
maybe alarming activity going on like

1354  
00:51:25,270 --> 00:51:23,440  
right above our heads here in texas you

1355  
00:51:27,270 --> 00:51:25,280  
know for a whole summer so i can't

1356  
00:51:28,470 --> 00:51:27,280  
remember the exact year

1357  
00:51:31,910 --> 00:51:28,480  
um

1358  
00:51:33,829 --> 00:51:31,920  
maybe that was 2014

1359  
00:51:37,030 --> 00:51:33,839  
but there was also um

1360  
00:51:38,870 --> 00:51:37,040  
2014 also there were

1361  
00:51:41,190 --> 00:51:38,880  
a wave of sightings where people were

1362  
00:51:43,430 --> 00:51:41,200  
seeing these you know really ominous

1363  
00:51:45,349 --> 00:51:43,440

looking like ring of lights just like

1364

00:51:47,430 --> 00:51:45,359

hovering in the sky and it was really

1365

00:51:48,309 --> 00:51:47,440

tricky because they looked like those

1366

00:51:50,710 --> 00:51:48,319

big

1367

00:51:51,589 --> 00:51:50,720

street lights that you see here in texas

1368

00:51:56,549 --> 00:51:51,599

so

1369

00:51:58,309 --> 00:51:56,559

know a circular ring of lights but

1370

00:52:00,150 --> 00:51:58,319

um

1371

00:52:02,870 --> 00:52:00,160

those are always here in texas but there

1372

00:52:05,349 --> 00:52:02,880

was one period where i was getting

1373

00:52:06,950 --> 00:52:05,359

reports of those and people were seeing

1374

00:52:09,349 --> 00:52:06,960

them you know where these lights did not

1375

00:52:11,430 --> 00:52:09,359

exist right and they were just

1376

00:52:14,069 --> 00:52:11,440

but it was easy to debunk them

1377

00:52:15,829 --> 00:52:14,079

as street lights but they were not

1378

00:52:17,910 --> 00:52:15,839

they were not and there was a whole you

1379

00:52:19,750 --> 00:52:17,920

know summer of that and what was that

1380

00:52:22,069 --> 00:52:19,760

you know there was never and i'm afraid

1381

00:52:24,470 --> 00:52:22,079

to say i was never able to

1382

00:52:27,030 --> 00:52:24,480

solve those cases all i could really do

1383

00:52:29,349 --> 00:52:27,040

is document the photos and videos and

1384

00:52:31,430 --> 00:52:29,359

the testimonies and you know just try to

1385

00:52:33,430 --> 00:52:31,440

keep on top of it and

1386

00:52:35,030 --> 00:52:33,440

um you know it's helpful to live here in

1387

00:52:37,750 --> 00:52:35,040

texas but

1388

00:52:40,309 --> 00:52:37,760

i can't get to every city

1389

00:52:43,190 --> 00:52:40,319

you know i'm not i'm not um sampling

1390

00:52:45,670 --> 00:52:43,200

soil or

1391

00:52:47,589 --> 00:52:45,680

you know going to the scene of every ufo

1392

00:52:49,910 --> 00:52:47,599

site and taking pictures i mean i just

1393

00:52:52,790 --> 00:52:49,920

can't i literally can't people can give

1394

00:52:54,630 --> 00:52:52,800

you know support with super chat and all

1395

00:52:57,430 --> 00:52:54,640

that and that allows me to do more more

1396

00:52:59,670 --> 00:52:57,440

things like that but for me um

1397

00:53:02,069 --> 00:52:59,680

i would say my strength is the crap is

1398

00:53:04,630 --> 00:53:02,079

is all of you or all the witnesses so

1399

00:53:06,630 --> 00:53:04,640

it's crowdsourcing all the evidence you

1400

00:53:08,870 --> 00:53:06,640

know somebody saw a triangle

1401

00:53:11,030 --> 00:53:08,880

on youtube um

1402

00:53:12,470 --> 00:53:11,040

or they uploaded footage to youtube and

1403

00:53:15,670 --> 00:53:12,480

it matches a report of somebody you

1404

00:53:18,230 --> 00:53:15,680

reported to mufon um matches something

1405

00:53:19,990 --> 00:53:18,240

somebody reported to me so it's a matter

1406

00:53:21,829 --> 00:53:20,000

of aggregating you know all those

1407

00:53:24,230 --> 00:53:21,839

patterns and

1408

00:53:28,470 --> 00:53:24,240

that's how i felt i've been best able to

1409

00:53:29,990 --> 00:53:28,480

contribute to this field because um

1410

00:53:32,230 --> 00:53:30,000

there's already amazing mufon

1411

00:53:35,430 --> 00:53:32,240

investigators and folks who will drop

1412

00:53:38,069 --> 00:53:35,440

everything and you know study one case

1413

00:53:40,150 --> 00:53:38,079

right but if i did that i would study

1414

00:53:41,510 --> 00:53:40,160

one case for two months long and i might

1415

00:53:44,390 --> 00:53:41,520

solve it and that's all i'd have to

1416

00:53:46,630 --> 00:53:44,400

offer the community you know this way i

1417

00:53:48,630 --> 00:53:46,640

can doc you know say hey there was you

1418

00:53:51,510 --> 00:53:48,640

know x amount of triangles

1419

00:53:54,069 --> 00:53:51,520

um in this part of the the states

1420

00:53:56,710 --> 00:53:54,079

um this month and then now we're seeing

1421

00:53:59,190 --> 00:53:56,720

a lot of tic tac ufo reports you know so

1422

00:54:00,950 --> 00:53:59,200

what's going on here so the triangles

1423

00:54:02,630 --> 00:54:00,960

have always haunted me

1424

00:54:05,910 --> 00:54:02,640

and uh

1425

00:54:07,990 --> 00:54:05,920

before 2017 they weren't real right ufos

1426  
00:54:09,430 --> 00:54:08,000  
weren't real you were crazy if you

1427  
00:54:11,190 --> 00:54:09,440  
talked about them

1428  
00:54:14,950 --> 00:54:11,200  
you know the government was not looking

1429  
00:54:16,390 --> 00:54:14,960  
into them and so when 2017 rolled around

1430  
00:54:19,190 --> 00:54:16,400  
and we started getting you know those

1431  
00:54:21,589 --> 00:54:19,200  
official disclosures and acknowledgement

1432  
00:54:23,589 --> 00:54:21,599  
of the triangle ufo phenomenon as well

1433  
00:54:25,109 --> 00:54:23,599  
as the orb phenomenon and other

1434  
00:54:27,349 --> 00:54:25,119  
you know one i'd been

1435  
00:54:31,109 --> 00:54:27,359  
documenting quite prevalently here that

1436  
00:54:33,910 --> 00:54:31,119  
was that was a nice affirmation okay

1437  
00:54:34,790 --> 00:54:33,920  
um this has been worthwhile

1438  
00:54:36,630 --> 00:54:34,800

um

1439

00:54:38,710 --> 00:54:36,640

i you know my judgment is somewhat

1440

00:54:40,950 --> 00:54:38,720

correct here that something's going on

1441

00:54:42,630 --> 00:54:40,960

here so that may not be the ques answer

1442

00:54:44,710 --> 00:54:42,640

people are looking for i think people

1443

00:54:46,470 --> 00:54:44,720

like you know want to hear about

1444

00:54:48,470 --> 00:54:46,480

the praying mantis

1445

00:54:51,829 --> 00:54:48,480

you know that encounter you know that

1446

00:54:53,589 --> 00:54:51,839

abducted somebody and you know i have i

1447

00:54:56,390 --> 00:54:53,599

have reported on that

1448

00:54:58,789 --> 00:54:56,400

but as far as just what i really know to

1449

00:54:59,990 --> 00:54:58,799

be true and happening those triangles

1450

00:55:04,549 --> 00:55:00,000

are real

1451  
00:55:06,390 --> 00:55:04,559  
don't put them in the same category as

1452  
00:55:08,549 --> 00:55:06,400  
the triangles at all they get mixed up

1453  
00:55:10,470 --> 00:55:08,559  
again in the earthquake lights and the

1454  
00:55:12,390 --> 00:55:10,480  
marfa lights and

1455  
00:55:15,030 --> 00:55:12,400  
and that much uh

1456  
00:55:16,230 --> 00:55:15,040  
even to some degree more mysterious

1457  
00:55:19,109 --> 00:55:16,240  
phenomenon

1458  
00:55:20,390 --> 00:55:19,119  
yeah some people have claimed

1459  
00:55:21,829 --> 00:55:20,400  
that they've seen

1460  
00:55:25,430 --> 00:55:21,839  
you know getting back to what you just

1461  
00:55:28,710 --> 00:55:25,440  
said about orbs that people have seem

1462  
00:55:30,069 --> 00:55:28,720  
to claim that they're intelligently

1463  
00:55:32,789 --> 00:55:30,079

controlled

1464

00:55:34,069 --> 00:55:32,799

you know do you ever hear that um you

1465

00:55:35,829 --> 00:55:34,079

know i mean that's that's something you

1466

00:55:38,470 --> 00:55:35,839

do here occasionally

1467

00:55:39,910 --> 00:55:38,480

well that's that's the question the

1468

00:55:40,789 --> 00:55:39,920

curiosity

1469

00:55:43,190 --> 00:55:40,799

that

1470

00:55:44,789 --> 00:55:43,200

drives i guess me even discovering them

1471

00:55:46,710 --> 00:55:44,799

in the first place

1472

00:55:50,309 --> 00:55:46,720

right is that are you know are we alone

1473

00:55:51,910 --> 00:55:50,319

and then and uh when i first got into

1474

00:55:53,829 --> 00:55:51,920

this field or when i first started

1475

00:55:56,230 --> 00:55:53,839

writing about it i guess i should say i

1476

00:55:58,630 --> 00:55:56,240

started learning about it in 2007

1477

00:56:01,510 --> 00:55:58,640

so i didn't grow up uh wasn't born a

1478

00:56:04,069 --> 00:56:01,520

believer you know anything like that

1479

00:56:07,109 --> 00:56:04,079

but uh some of the most compelling

1480

00:56:09,109 --> 00:56:07,119

videos to me early on were the

1481

00:56:13,270 --> 00:56:09,119

orbs that appeared you know before and

1482

00:56:15,270 --> 00:56:13,280

after the japan tsunami in 2011.

1483

00:56:17,589 --> 00:56:15,280

yeah and i don't know if those are as

1484

00:56:19,430 --> 00:56:17,599

easy to find that these days as that

1485

00:56:21,270 --> 00:56:19,440

footage but that definitely occurred

1486

00:56:23,109 --> 00:56:21,280

there were live news reports that

1487

00:56:24,390 --> 00:56:23,119

featured these orbs i covered them at

1488

00:56:26,549 --> 00:56:24,400

the time

1489

00:56:27,510 --> 00:56:26,559

there were some attempts to debunk them

1490

00:56:28,470 --> 00:56:27,520

as

1491

00:56:29,910 --> 00:56:28,480

um

1492

00:56:31,430 --> 00:56:29,920

like camera effects and stuff like that

1493

00:56:34,069 --> 00:56:31,440

but i've never seen anything like that

1494

00:56:35,510 --> 00:56:34,079

since or before like i and now knowing

1495

00:56:38,710 --> 00:56:35,520

what i know it's like i think i think

1496

00:56:40,390 --> 00:56:38,720

those are just orbs and those were wild

1497

00:56:43,109 --> 00:56:40,400

um they absolutely appeared to be moving

1498

00:56:45,349 --> 00:56:43,119

intelligently um and almost like dancing

1499

00:56:47,430 --> 00:56:45,359

around and things like that and so

1500

00:56:49,510 --> 00:56:47,440

yes i think it's possible

1501  
00:56:50,630 --> 00:56:49,520  
i think if there are intelligent orbs i

1502  
00:56:52,470 --> 00:56:50,640  
do think that

1503  
00:56:53,430 --> 00:56:52,480  
must be a different species must be a

1504  
00:56:54,390 --> 00:56:53,440  
different

1505  
00:56:55,589 --> 00:56:54,400  
thing

1506  
00:56:58,549 --> 00:56:55,599  
um

1507  
00:57:01,030 --> 00:56:58,559  
than some of these nuts and bolts saucer

1508  
00:57:02,230 --> 00:57:01,040  
triangle craft it seems to me you know

1509  
00:57:04,710 --> 00:57:02,240  
when we're talking more

1510  
00:57:06,549 --> 00:57:04,720  
inter-dimensional right like the

1511  
00:57:08,950 --> 00:57:06,559  
appearing and disappearing

1512  
00:57:11,030 --> 00:57:08,960  
right could that be going in and out of

1513  
00:57:13,109 --> 00:57:11,040

a portal

1514

00:57:15,030 --> 00:57:13,119

when these orbs are just hovering or

1515

00:57:17,910 --> 00:57:15,040

wobbling or dancing is is there

1516

00:57:19,349 --> 00:57:17,920

something else going on there they

1517

00:57:24,069 --> 00:57:19,359

um

1518

00:57:24,950 --> 00:57:24,079

i'll have an article up on the website

1519

00:57:27,270 --> 00:57:24,960

soon

1520

00:57:29,430 --> 00:57:27,280

somebody was filming an orb

1521

00:57:32,309 --> 00:57:29,440

i guess in their neighborhood

1522

00:57:34,630 --> 00:57:32,319

uh for over an hour just hovering there

1523

00:57:35,670 --> 00:57:34,640

and it's just sitting there looks like a

1524

00:57:38,870 --> 00:57:35,680

star

1525

00:57:40,870 --> 00:57:38,880

but then it gets really it

1526

00:57:43,589 --> 00:57:40,880

glows gets really big and then gets

1527

00:57:46,390 --> 00:57:43,599

small again and then it starts flying

1528

00:57:47,510 --> 00:57:46,400

away so it's not a star

1529

00:57:49,510 --> 00:57:47,520

so

1530

00:57:51,349 --> 00:57:49,520

wha what on earth

1531

00:57:53,430 --> 00:57:51,359

what earth is going on here that's not a

1532

00:57:54,470 --> 00:57:53,440

satellite that's not a plane

1533

00:57:56,069 --> 00:57:54,480

um

1534

00:57:57,670 --> 00:57:56,079

it does seem like they're it's almost

1535

00:57:59,270 --> 00:57:57,680

watching us it does seem like there's

1536

00:58:01,510 --> 00:57:59,280

some intelligence

1537

00:58:03,750 --> 00:58:01,520

at the same time

1538

00:58:06,710 --> 00:58:03,760

don't want to get too carried away

1539

00:58:12,230 --> 00:58:10,069

we just like we humanize like animals

1540

00:58:14,150 --> 00:58:12,240

right i think we can kind of humanize

1541

00:58:16,710 --> 00:58:14,160

lights right we can

1542

00:58:19,829 --> 00:58:16,720

see more and then that there are you

1543

00:58:23,670 --> 00:58:19,839

know and uh nature can create you know

1544

00:58:25,829 --> 00:58:23,680

quite quite the light show for us and so

1545

00:58:27,990 --> 00:58:25,839

we just we just have to be careful in it

1546

00:58:29,430 --> 00:58:28,000

and i'm not certain that you know all

1547

00:58:32,150 --> 00:58:29,440

the ball lightning accounts are

1548

00:58:33,990 --> 00:58:32,160

intelligent or um some again the most

1549

00:58:37,190 --> 00:58:34,000

fascinating videos for me you can go do

1550

00:58:40,470 --> 00:58:37,200

this you can go watch live earth uh well

1551

00:58:41,990 --> 00:58:40,480

not live earthquake cams thank god

1552

00:58:45,190 --> 00:58:42,000

there's not a bunch of live earthquake

1553

00:58:46,470 --> 00:58:45,200

cams right now um live volcano camps

1554

00:58:48,549 --> 00:58:46,480

yeah um

1555

00:58:49,910 --> 00:58:48,559

and you can see these orbs

1556

00:58:52,230 --> 00:58:49,920

um

1557

00:58:55,910 --> 00:58:52,240

like hovering above the volcano going in

1558

00:58:57,750 --> 00:58:55,920

them going into them coming out of them

1559

00:58:59,670 --> 00:58:57,760

i'm not certain that's intelligent but

1560

00:59:00,950 --> 00:58:59,680

it sure looks like it is

1561

00:59:02,230 --> 00:59:00,960

um

1562

00:59:04,789 --> 00:59:02,240

so

1563

00:59:06,950 --> 00:59:04,799

what is that i i think there's a lot to

1564

00:59:08,150 --> 00:59:06,960

uncover here i sometimes feel like this

1565

00:59:13,109 --> 00:59:08,160

is the

1566

00:59:14,950 --> 00:59:13,119

find more answers uh than with the

1567

00:59:16,630 --> 00:59:14,960

saucers and triangles even though those

1568

00:59:18,870 --> 00:59:16,640

are the most um

1569

00:59:21,270 --> 00:59:18,880

talked about i guess yeah

1570

00:59:23,430 --> 00:59:21,280

yes i say often on the show we probably

1571

00:59:24,549 --> 00:59:23,440

know very little about what's going on

1572

00:59:26,950 --> 00:59:24,559

around us

1573

00:59:28,230 --> 00:59:26,960

all the time i mean we only see so much

1574

00:59:30,710 --> 00:59:28,240

in our spectrum

1575

00:59:32,309 --> 00:59:30,720

you know a very small percentage and

1576

00:59:33,829 --> 00:59:32,319

then we have other ways of detecting

1577

00:59:35,270 --> 00:59:33,839

other things but still

1578

00:59:36,950 --> 00:59:35,280

there's a lot we

1579

00:59:39,270 --> 00:59:36,960

that could be going on all around us

1580

00:59:41,430 --> 00:59:39,280

that we have absolutely no clue

1581

00:59:43,829 --> 00:59:41,440

here's a question up here

1582

00:59:45,750 --> 00:59:43,839

i i never heard of this the meadow it's

1583

00:59:47,589 --> 00:59:45,760

a paranormal spot in the eastern border

1584

00:59:48,390 --> 00:59:47,599

of louisiana do you know anything about

1585

00:59:51,030 --> 00:59:48,400

that

1586

00:59:52,870 --> 00:59:51,040

well louisiana is not i mean it's

1587

00:59:55,190 --> 00:59:52,880

right next door

1588

00:59:58,470 --> 00:59:55,200

um and so

1589

01:00:00,710 --> 00:59:58,480

but i have not heard about it i am super

1590

01:00:01,910 --> 01:00:00,720

i mean i'm googling it right

1591

01:00:04,630 --> 01:00:01,920

right now

1592

01:00:05,750 --> 01:00:04,640

i love it um i love it when people have

1593

01:00:07,030 --> 01:00:05,760

a new

1594

01:00:08,789 --> 01:00:07,040

paranormal

1595

01:00:10,069 --> 01:00:08,799

story or encounter you know that i've

1596

01:00:13,430 --> 01:00:10,079

never heard of

1597

01:00:14,870 --> 01:00:13,440

so no i have not i'm fascinated though

1598

01:00:16,710 --> 01:00:14,880

so i'll be looking into that i don't

1599

01:00:19,190 --> 01:00:16,720

know if anybody else in the chat can

1600

01:00:20,069 --> 01:00:19,200

illuminate on that so

1601

01:00:22,390 --> 01:00:20,079

um

1602

01:00:23,990 --> 01:00:22,400

yep so there's a lot of bordering states

1603

01:00:24,789 --> 01:00:24,000

with a lot of interesting things going

1604

01:00:29,670 --> 01:00:24,799

on

1605

01:00:31,990 --> 01:00:29,680

to keep up with so

1606

01:00:33,910 --> 01:00:32,000

yeah um just a question here someone

1607

01:00:36,150 --> 01:00:33,920

wants to know can we phone in questions

1608

01:00:38,630 --> 01:00:36,160

no but in just about a half hour so we

1609

01:00:39,750 --> 01:00:38,640

will be taking calls and bill will be

1610

01:00:43,750 --> 01:00:39,760

standing by

1611

01:00:45,829 --> 01:00:43,760

um for that um to answer those calls i

1612

01:00:47,990 --> 01:00:45,839

do have you know if you want to

1613

01:00:50,309 --> 01:00:48,000

i i just say if you have a question just

1614

01:00:52,309 --> 01:00:50,319

do what you're doing uh stephen put put

1615

01:00:54,789 --> 01:00:52,319

the question in caps and i'll try to get

1616

01:00:56,390 --> 01:00:54,799

it up for our guest otherwise you can

1617

01:00:58,230 --> 01:00:56,400

wait until our

1618

01:01:00,870 --> 01:00:58,240

phone lines open in about

1619

01:01:01,829 --> 01:01:00,880

right about a half hour from now

1620

01:01:05,030 --> 01:01:01,839

so

1621

01:01:06,549 --> 01:01:05,040

as far as all the historic cases you

1622

01:01:07,829 --> 01:01:06,559

know we we talked

1623

01:01:09,910 --> 01:01:07,839

um

1624

01:01:12,390 --> 01:01:09,920

about the uh i'm going to say it wrong

1625

01:01:13,829 --> 01:01:12,400

the lubbock lights

1626

01:01:17,030 --> 01:01:13,839

and

1627

01:01:19,109 --> 01:01:17,040

i know we talked about that there were

1628

01:01:21,510 --> 01:01:19,119

college professors that

1629

01:01:23,910 --> 01:01:21,520

saw this on this particular

1630

01:01:25,910 --> 01:01:23,920

picture here do you know who took that i

1631

01:01:28,150 --> 01:01:25,920

mean this i i just want to revisit this

1632

01:01:31,750 --> 01:01:30,069

i let's see i'm pulling it up now

1633

01:01:34,630 --> 01:01:31,760

because i don't want to i

1634

01:01:41,829 --> 01:01:37,990

this might shoot this might have been a

1635

01:01:43,430 --> 01:01:41,839

boy that took this particular picture

1636

01:01:44,470 --> 01:01:43,440

um but i

1637

01:01:47,829 --> 01:01:44,480

hmm

1638

01:01:49,430 --> 01:01:47,839

let's see well you think about 1951

1639

01:01:51,430 --> 01:01:49,440

i don't think we had could have had

1640

01:01:53,990 --> 01:01:51,440

anything up in the sky that would

1641

01:01:56,789 --> 01:01:54,000

do this type of thing um you think about

1642

01:01:59,510 --> 01:01:56,799

our technology back then

1643

01:02:01,270 --> 01:01:59,520

and i would be totally shocked if we had

1644

01:02:02,870 --> 01:02:01,280

something that would make this light

1645

01:02:04,390 --> 01:02:02,880

formation

1646

01:02:06,630 --> 01:02:04,400

back then and

1647

01:02:09,430 --> 01:02:06,640

was that so just getting back to that a

1648

01:02:10,549 --> 01:02:09,440

few days later carl hart jr not a boy

1649

01:02:13,190 --> 01:02:10,559

but

1650

01:02:15,349 --> 01:02:13,200

a college student a junior yeah yeah i

1651  
01:02:16,710 --> 01:02:15,359  
guess i'm getting older a freshman texas

1652  
01:02:18,470 --> 01:02:16,720  
tech said he was standing in his parents

1653  
01:02:20,630 --> 01:02:18,480  
backyard when two v-shaped formation of

1654  
01:02:22,150 --> 01:02:20,640  
lights flew over him he grabbed his

1655  
01:02:23,829 --> 01:02:22,160  
camera and set the exposure where i

1656  
01:02:25,430 --> 01:02:23,839  
wanted it and went back outside and

1657  
01:02:27,430 --> 01:02:25,440  
waited and then two more lights came

1658  
01:02:28,710 --> 01:02:27,440  
over said heart junior i think i got two

1659  
01:02:30,630 --> 01:02:28,720  
pictures of one and three of the other

1660  
01:02:32,789 --> 01:02:30,640  
so yeah so the professors i guess are

1661  
01:02:35,510 --> 01:02:32,799  
what gave the credibility

1662  
01:02:37,349 --> 01:02:35,520  
right deciding because they they saw it

1663  
01:02:39,190 --> 01:02:37,359

and there were other witnesses too it

1664

01:02:41,349 --> 01:02:39,200

wasn't just these professors or this

1665

01:02:43,430 --> 01:02:41,359

student but i think that's what made it

1666

01:02:45,990 --> 01:02:43,440

extra believable and then you had this

1667

01:02:49,589 --> 01:02:46,000

picture as well you know to back up what

1668

01:02:51,910 --> 01:02:49,599

everybody saw so yes i mean that should

1669

01:02:56,230 --> 01:02:51,920

not have been flying around in our skies

1670

01:02:58,230 --> 01:02:56,240

back then nope right right in 1951 you

1671

01:03:00,230 --> 01:02:58,240

think about that you know that that

1672

01:03:02,549 --> 01:03:00,240

really is something and

1673

01:03:04,870 --> 01:03:02,559

was it so it was seen more than one day

1674

01:03:06,710 --> 01:03:04,880

obviously as you just mentioned

1675

01:03:09,109 --> 01:03:06,720

but was it seen

1676

01:03:10,710 --> 01:03:09,119

a long time after that i mean were there

1677

01:03:13,910 --> 01:03:10,720

more sightings of that particular

1678

01:03:15,510 --> 01:03:13,920

formation do you know

1679

01:03:18,150 --> 01:03:15,520

i mean i would say

1680

01:03:19,829 --> 01:03:18,160

people see things like that have seen

1681

01:03:22,069 --> 01:03:19,839

continued to see things like that ever

1682

01:03:24,470 --> 01:03:22,079

since so you know it's just like with

1683

01:03:27,190 --> 01:03:24,480

the stephenville lights people still see

1684

01:03:28,789 --> 01:03:27,200

weird lights in stephenville um

1685

01:03:31,029 --> 01:03:28,799

you know it's really just like within

1686

01:03:32,470 --> 01:03:31,039

the last five years so i'd say yeah i

1687

01:03:35,589 --> 01:03:32,480

mean that type of sighting hasn't

1688

01:03:38,309 --> 01:03:35,599

stopped i think though that was

1689

01:03:40,230 --> 01:03:38,319

you know just like a um

1690

01:03:41,750 --> 01:03:40,240

you know high buy

1691

01:03:43,109 --> 01:03:41,760

you know kind of thing

1692

01:03:44,789 --> 01:03:43,119

for sure

1693

01:03:47,910 --> 01:03:44,799

i mean that's definitely

1694

01:03:51,589 --> 01:03:47,920

um a pattern too um you know this was

1695

01:03:53,510 --> 01:03:51,599

maybe a particular ufo that that flew by

1696

01:03:55,510 --> 01:03:53,520

and then you know went on its way and

1697

01:03:58,710 --> 01:03:55,520

maybe others like it have you know shown

1698

01:04:00,870 --> 01:03:58,720

up since um yeah we argue yep

1699

01:04:02,789 --> 01:04:00,880

that's always made me curious you know

1700

01:04:07,510 --> 01:04:02,799

why

1701

01:04:08,710 --> 01:04:07,520

the same ufo is seen in the same

1702

01:04:11,190 --> 01:04:08,720

location

1703

01:04:13,510 --> 01:04:11,200

if you think about it if something can

1704

01:04:15,349 --> 01:04:13,520

is traveling great distances to be here

1705

01:04:18,309 --> 01:04:15,359

why would it focus on

1706

01:04:19,430 --> 01:04:18,319

one particular area and be seen over and

1707

01:04:21,109 --> 01:04:19,440

over again

1708

01:04:23,270 --> 01:04:21,119

you know it's kind of bizarre when you

1709

01:04:26,870 --> 01:04:23,280

think about it but you know maybe

1710

01:04:29,430 --> 01:04:26,880

there's also an answer to that somehow

1711

01:04:32,390 --> 01:04:29,440

yeah i mean i guess for me it it seems

1712

01:04:34,230 --> 01:04:32,400

logical right it's just like if we were

1713

01:04:36,789 --> 01:04:34,240

to i mean look at our

1714

01:04:39,190 --> 01:04:36,799

mars rovers and you know the things we

1715

01:04:41,589 --> 01:04:39,200

send out there you know we have limited

1716

01:04:44,549 --> 01:04:41,599

we're limited and where we can go and

1717

01:04:47,029 --> 01:04:44,559

what we can do and i would suspect

1718

01:04:49,589 --> 01:04:47,039

they are limited too

1719

01:04:51,910 --> 01:04:49,599

and you know who knows how many of them

1720

01:04:53,510 --> 01:04:51,920

are out there how many different crafts

1721

01:04:55,750 --> 01:04:53,520

like we're talking about there's a lot

1722

01:04:57,349 --> 01:04:55,760

of different things going on here it's

1723

01:04:59,670 --> 01:04:57,359

not just one

1724

01:05:01,270 --> 01:04:59,680

phenomenon so i think trying to

1725

01:05:02,069 --> 01:05:01,280

understand

1726

01:05:06,230 --> 01:05:02,079

the

1727

01:05:07,430 --> 01:05:06,240

yeah i mean you really do have to piece

1728

01:05:10,789 --> 01:05:07,440

it out

1729

01:05:12,069 --> 01:05:10,799

um and start categorizing it by ufo type

1730

01:05:14,630 --> 01:05:12,079

and

1731

01:05:16,069 --> 01:05:14,640

um you know what else was you know what

1732

01:05:18,069 --> 01:05:16,079

else was encountered along with the

1733

01:05:19,910 --> 01:05:18,079

sightings and other things like that to

1734

01:05:21,910 --> 01:05:19,920

really try to

1735

01:05:23,029 --> 01:05:21,920

to figure out what the agenda is here i

1736

01:05:25,109 --> 01:05:23,039

guess

1737

01:05:26,630 --> 01:05:25,119

and what they are up to and people do

1738

01:05:28,710 --> 01:05:26,640

talk about how

1739

01:05:30,710 --> 01:05:28,720

ufos apparently show up near nuclear

1740

01:05:33,029 --> 01:05:30,720

sites a lot in um

1741

01:05:34,630 --> 01:05:33,039

air force bases a lot and

1742

01:05:36,390 --> 01:05:34,640

i've had trouble

1743

01:05:38,950 --> 01:05:36,400

corroborating that

1744

01:05:41,270 --> 01:05:38,960

because the problem is um what i see is

1745

01:05:43,029 --> 01:05:41,280

that ufos are reported in in

1746

01:05:45,670 --> 01:05:43,039

populated cities

1747

01:05:48,710 --> 01:05:45,680

and guess what there's air force bases

1748

01:05:50,549 --> 01:05:48,720

near all of them so

1749

01:05:52,549 --> 01:05:50,559

you know that's just that's just the

1750

01:05:55,109 --> 01:05:52,559

nature of it so you know how much of

1751

01:05:55,910 --> 01:05:55,119

that you know is driving

1752

01:05:58,710 --> 01:05:55,920

uh

1753

01:06:01,029 --> 01:05:58,720

the ufo flaps if you will you know they

1754

01:06:02,069 --> 01:06:01,039

could be happening more rural places

1755

01:06:03,910 --> 01:06:02,079

right and

1756

01:06:05,270 --> 01:06:03,920

people just you know aren't reporting on

1757

01:06:06,950 --> 01:06:05,280

it

1758

01:06:09,589 --> 01:06:06,960

yeah well there there could be

1759

01:06:11,510 --> 01:06:09,599

absolutely something to the fact of

1760

01:06:14,470 --> 01:06:11,520

testing equipment

1761

01:06:17,349 --> 01:06:14,480

that is you know secret in nature

1762

01:06:19,190 --> 01:06:17,359

and them not really caring if people

1763

01:06:21,589 --> 01:06:19,200

report it as a ufo

1764

01:06:22,789 --> 01:06:21,599

you know maybe that's even a good thing

1765

01:06:24,710 --> 01:06:22,799

for them

1766

01:06:26,470 --> 01:06:24,720

um when they're testing something you

1767

01:06:28,470 --> 01:06:26,480

know because a lot of times you know

1768

01:06:31,510 --> 01:06:28,480

i've i've kind of argued the point with

1769

01:06:32,789 --> 01:06:31,520

someone saying that you know all the

1770

01:06:34,950 --> 01:06:32,799

because i kind of put it all in one

1771

01:06:37,349 --> 01:06:34,960

category all of the triangle ufos and

1772

01:06:38,470 --> 01:06:37,359

military that's what some people have

1773

01:06:40,549 --> 01:06:38,480

said

1774

01:06:41,829 --> 01:06:40,559

and just secret military that we don't

1775

01:06:44,230 --> 01:06:41,839

know about

1776

01:06:46,230 --> 01:06:44,240

and so the couple of arguments with that

1777

01:06:49,029 --> 01:06:46,240

were has always been well why would it

1778

01:06:50,870 --> 01:06:49,039

be in a populated area why would it be

1779

01:06:53,750 --> 01:06:50,880

in an airspace

1780

01:06:55,270 --> 01:06:53,760

um where there's issues or why

1781

01:06:56,870 --> 01:06:55,280

um

1782

01:06:58,230 --> 01:06:56,880

you know would this be

1783

01:07:00,230 --> 01:06:58,240

happening

1784

01:07:02,150 --> 01:07:00,240

with all these witnesses calling it a

1785

01:07:03,589 --> 01:07:02,160

ufo and you know maybe there is

1786

01:07:05,750 --> 01:07:03,599

something to the fact that they are

1787

01:07:08,069 --> 01:07:05,760

testing and they don't care

1788

01:07:10,150 --> 01:07:08,079

whether it's seen or not but when you go

1789

01:07:12,549 --> 01:07:10,160

back to that the same person that says

1790

01:07:16,390 --> 01:07:12,559

all these are ufos

1791

01:07:18,470 --> 01:07:16,400

then explain them back in 1970 or 1960

1792

01:07:19,270 --> 01:07:18,480

exactly a triangle try to explain that

1793

01:07:21,029 --> 01:07:19,280

one

1794

01:07:22,870 --> 01:07:21,039

as our own

1795

01:07:24,309 --> 01:07:22,880

property that's not gonna that's not

1796

01:07:26,470 --> 01:07:24,319

gonna oh

1797

01:07:27,589 --> 01:07:26,480

phoenix lights right like

1798

01:07:29,510 --> 01:07:27,599

why

1799

01:07:32,870 --> 01:07:29,520

maybe it was our own but you know that's

1800

01:07:37,190 --> 01:07:35,349

you know as it not being um

1801

01:07:38,309 --> 01:07:37,200

yeah

1802

01:07:39,910 --> 01:07:38,319

and

1803

01:07:42,549 --> 01:07:39,920

is it reverse energy i mean it's like

1804

01:07:44,710 --> 01:07:42,559

which came first you know the ufo or you

1805

01:07:46,630 --> 01:07:44,720

know the reverse engineered version of

1806

01:07:48,549 --> 01:07:46,640

it too because there definitely could be

1807

01:07:49,750 --> 01:07:48,559

our own craft up there that we're

1808

01:07:52,630 --> 01:07:49,760

mimicking

1809

01:07:55,829 --> 01:07:52,640

some fancier weirder things you know

1810

01:07:59,990 --> 01:07:55,839

that we've found or seen so it's it's a

1811

01:08:01,510 --> 01:08:00,000

difficult again especially now in 2022

1812

01:08:03,190 --> 01:08:01,520

which you know one could argue maybe

1813

01:08:05,430 --> 01:08:03,200

that's why now

1814

01:08:07,510 --> 01:08:05,440

we have the ufo offices and things like

1815

01:08:09,750 --> 01:08:07,520

that is we do have so much of our own

1816

01:08:12,390 --> 01:08:09,760

advanced stuff up there that we can

1817

01:08:13,430 --> 01:08:12,400

explain things with and

1818

01:08:15,589 --> 01:08:13,440

uh

1819

01:08:18,149 --> 01:08:15,599

and so in many ways i feel it is

1820

01:08:20,950 --> 01:08:18,159

actually easier to debunk ufos today

1821

01:08:23,110 --> 01:08:20,960

than it would have been yeah in 1951

1822

01:08:24,789 --> 01:08:23,120

uh oh yeah yeah that's why i tend to be

1823

01:08:27,269 --> 01:08:24,799

pretty obsessed with those old sightings

1824

01:08:29,510 --> 01:08:27,279

as annoying as it is uh to some folks i

1825

01:08:32,149 --> 01:08:29,520

just want to move on from roswell but i

1826

01:08:33,990 --> 01:08:32,159

feel like a lot of the clues are still

1827

01:08:36,470 --> 01:08:34,000

are still uh um

1828

01:08:38,709 --> 01:08:36,480

in the past

1829

01:08:40,470 --> 01:08:38,719

right right well for one thing we have

1830

01:08:42,070 --> 01:08:40,480

so much information

1831

01:08:43,269 --> 01:08:42,080

available to us

1832

01:08:44,789 --> 01:08:43,279

um you know

1833

01:08:47,990 --> 01:08:44,799

satellite positioning you know

1834

01:08:50,390 --> 01:08:48,000

satellites insert at certain times uh we

1835

01:08:53,189 --> 01:08:50,400

have all that information now we have

1836

01:08:55,829 --> 01:08:53,199

uh weather uh anomalies that you know

1837

01:08:58,950 --> 01:08:55,839

weather situations at our fingertips

1838

01:09:01,749 --> 01:08:58,960

there's all kinds of investigative tools

1839

01:09:03,910 --> 01:09:01,759

for looking into a report in particular

1840

01:09:06,070 --> 01:09:03,920

you're looking into you can even go back

1841

01:09:08,550 --> 01:09:06,080

okay what was the weather back on this

1842

01:09:10,390 --> 01:09:08,560

day in 19 you know 82 or something like

1843

01:09:12,309 --> 01:09:10,400

that i do believe you can find all that

1844

01:09:13,749 --> 01:09:12,319

information out

1845

01:09:15,349 --> 01:09:13,759

yeah yeah there's

1846

01:09:17,510 --> 01:09:15,359

yeah i mean we have

1847

01:09:19,269 --> 01:09:17,520

researchers too have done so much work

1848

01:09:21,430 --> 01:09:19,279

you know over the years so there's also

1849

01:09:22,630 --> 01:09:21,440

a lot of connecting the dots and sharing

1850

01:09:23,829 --> 01:09:22,640

notes and

1851

01:09:28,070 --> 01:09:23,839

um

1852

01:09:30,550 --> 01:09:28,080

together you know and getting getting

1853

01:09:32,789 --> 01:09:30,560

two and getting a new uh

1854

01:09:35,910 --> 01:09:32,799

a new angle on things right

1855

01:09:39,430 --> 01:09:35,920

there's uh a you know an apparent to get

1856

01:09:42,789 --> 01:09:39,440

real like roswelli and you know kind of

1857

01:09:47,430 --> 01:09:42,799

cuckoo a little bit uh there is this you

1858

01:09:49,590 --> 01:09:47,440

know alleged uh recording with um

1859

01:09:51,349 --> 01:09:49,600

a woman who claimed to have been to the

1860

01:09:53,349 --> 01:09:51,359

roswell crash site

1861

01:09:54,390 --> 01:09:53,359

with albert einstein now she has since

1862

01:09:56,950 --> 01:09:54,400

passed

1863

01:09:59,430 --> 01:09:56,960

um but we do have the recording of her

1864

01:10:01,510 --> 01:09:59,440

sharing this testimony and i've i've

1865

01:10:02,630 --> 01:10:01,520

it was in contact with the journalist

1866

01:10:04,870 --> 01:10:02,640

you know who

1867

01:10:08,070 --> 01:10:04,880

released this information and you know

1868

01:10:10,950 --> 01:10:08,080

he i think genuinely tracked down uh

1869

01:10:11,990 --> 01:10:10,960

this recording it was difficult to get

1870

01:10:15,110 --> 01:10:12,000

out and

1871

01:10:17,430 --> 01:10:15,120

if if we could verify any aspects

1872

01:10:19,750 --> 01:10:17,440

you know of her testimony that would be

1873

01:10:20,630 --> 01:10:19,760

a huge new angle

1874

01:10:23,990 --> 01:10:20,640

right

1875

01:10:25,270 --> 01:10:24,000

for for ufology and it would absolutely

1876

01:10:27,830 --> 01:10:25,280

be relevant

1877

01:10:29,990 --> 01:10:27,840

to today and understanding the tic tac

1878

01:10:31,990 --> 01:10:30,000

ufos so even though people might be

1879

01:10:35,270 --> 01:10:32,000

telling me to move on from roswell i'm

1880

01:10:38,070 --> 01:10:35,280

i'm not going to do it i refuse to

1881

01:10:39,350 --> 01:10:38,080

you happen to know what you're doing

1882

01:10:41,270 --> 01:10:39,360

do you have to know what year that was

1883

01:10:43,910 --> 01:10:41,280

recorded

1884

01:10:46,149 --> 01:10:43,920

i do not off the top of my head but i

1885

01:10:48,950 --> 01:10:46,159

can i can look it up for you guys

1886

01:10:50,630 --> 01:10:48,960

probably before the interview is over i

1887

01:10:52,630 --> 01:10:50,640

have a whole youtube video about it i

1888

01:10:55,350 --> 01:10:52,640

just you know shared

1889

01:10:59,030 --> 01:10:55,360

shared highlights from the recording

1890

01:11:01,430 --> 01:10:59,040

and i really tried i've been trying

1891

01:11:03,830 --> 01:11:01,440

um you know whatever what details you

1892

01:11:06,310 --> 01:11:03,840

know from her recording can i then you

1893

01:11:09,110 --> 01:11:06,320

know go look up something new or go you

1894

01:11:10,870 --> 01:11:09,120

know find something new so if anybody

1895

01:11:12,950 --> 01:11:10,880

else you know

1896

01:11:14,550 --> 01:11:12,960

can find some clues you know from that

1897

01:11:16,149 --> 01:11:14,560

recording that would be great i'm trying

1898

01:11:17,270 --> 01:11:16,159

to look it up here

1899

01:11:20,470 --> 01:11:17,280

um

1900

01:11:23,590 --> 01:11:20,480

it's so it's sure it's dr shirley wright

1901  
01:11:25,110 --> 01:11:23,600  
is the woman who apparently gave this

1902  
01:11:26,390 --> 01:11:25,120  
recording

1903  
01:11:31,510 --> 01:11:26,400  
1993

1904  
01:11:33,910 --> 01:11:31,520  
released oh i'd say oh yeah that would

1905  
01:11:35,669 --> 01:11:33,920  
be great if we could

1906  
01:11:37,910 --> 01:11:35,679  
find some new clues in that or or just

1907  
01:11:39,990 --> 01:11:37,920  
totally disprove it right and i couldn't

1908  
01:11:41,750 --> 01:11:40,000  
i can't disprove it either right so

1909  
01:11:43,189 --> 01:11:41,760  
that's the fun part obviously that was

1910  
01:11:44,709 --> 01:11:43,199  
the first thing i tried to do is there

1911  
01:11:47,110 --> 01:11:44,719  
anything i could do

1912  
01:11:48,709 --> 01:11:47,120  
to disprove that this lady existed

1913  
01:11:51,270 --> 01:11:48,719

existed or that this couldn't have

1914

01:11:54,149 --> 01:11:51,280

happened and

1915

01:11:55,910 --> 01:11:54,159

of course you know people doubt that the

1916

01:11:57,350 --> 01:11:55,920

ufo that there was ever a ufo that

1917

01:11:59,430 --> 01:11:57,360

crashed in roswell so that would be a

1918

01:12:01,430 --> 01:11:59,440

reason to doubt her story

1919

01:12:03,669 --> 01:12:01,440

but beyond that you know i couldn't find

1920

01:12:05,990 --> 01:12:03,679

you know any major uh ways to debunk

1921

01:12:09,270 --> 01:12:06,000

this i'm i'm still actively looking into

1922

01:12:10,790 --> 01:12:09,280

that one and and any of again i think

1923

01:12:12,870 --> 01:12:10,800

texas is

1924

01:12:14,470 --> 01:12:12,880

a big clue here as well because if

1925

01:12:16,550 --> 01:12:14,480

roswell was not you know if that wasn't

1926

01:12:18,149 --> 01:12:16,560

a flying saucer what are all these

1927

01:12:21,189 --> 01:12:18,159

saucers doing

1928

01:12:23,590 --> 01:12:21,199

um showing up in texas and you know in

1929

01:12:25,910 --> 01:12:23,600

west all australia in the 60s and you

1930

01:12:27,350 --> 01:12:25,920

know just all over there's so many

1931

01:12:28,390 --> 01:12:27,360

documented

1932

01:12:30,310 --> 01:12:28,400

cases

1933

01:12:33,030 --> 01:12:30,320

of these discs

1934

01:12:35,189 --> 01:12:33,040

so what what's happening that roswell

1935

01:12:37,510 --> 01:12:35,199

was just a fluke and then it just

1936

01:12:39,270 --> 01:12:37,520

doesn't it doesn't make sense to me

1937

01:12:42,149 --> 01:12:39,280

well even if you took if you took

1938

01:12:45,990 --> 01:12:42,159

roswell completely out of the picture

1939

01:12:47,750 --> 01:12:46,000

it's still there's just so many cases

1940

01:12:49,110 --> 01:12:47,760

and we can't

1941

01:12:51,350 --> 01:12:49,120

obviously can't

1942

01:12:53,990 --> 01:12:51,360

discount all these people

1943

01:12:55,350 --> 01:12:54,000

you know i saw something myself that i

1944

01:12:57,830 --> 01:12:55,360

couldn't explain

1945

01:13:00,390 --> 01:12:57,840

but never mind me what about all these

1946

01:13:02,709 --> 01:13:00,400

multiple witness sightings that have

1947

01:13:05,430 --> 01:13:02,719

seen so many incredible things over the

1948

01:13:06,630 --> 01:13:05,440

years you can't just say

1949

01:13:08,709 --> 01:13:06,640

uh

1950

01:13:09,990 --> 01:13:08,719

that there's nothing to it

1951

01:13:12,790 --> 01:13:10,000

and anyone

1952

01:13:15,030 --> 01:13:12,800

that is out there you know that's thinks

1953

01:13:17,189 --> 01:13:15,040

there's nothing to it i challenge you to

1954

01:13:19,510 --> 01:13:17,199

take a look deeply into it

1955

01:13:22,550 --> 01:13:19,520

and i do believe you will change your

1956

01:13:23,910 --> 01:13:22,560

mind i that which kind of this is

1957

01:13:24,870 --> 01:13:23,920

completely

1958

01:13:26,550 --> 01:13:24,880

um

1959

01:13:29,189 --> 01:13:26,560

off topic but i do want to bring it up

1960

01:13:30,870 --> 01:13:29,199

because i get i don't know

1961

01:13:32,550 --> 01:13:30,880

at least one or two emails a week

1962

01:13:36,470 --> 01:13:32,560

sometimes a lot more

1963

01:13:37,510 --> 01:13:36,480

and that is about the aerial phenomenon

1964

01:13:39,510 --> 01:13:37,520

movie

1965

01:13:41,750 --> 01:13:39,520

because i have been

1966

01:13:44,229 --> 01:13:41,760

you know uh in contact with randall

1967

01:13:45,270 --> 01:13:44,239

nickerson the film creator for years and

1968

01:13:47,750 --> 01:13:45,280

years

1969

01:13:49,669 --> 01:13:47,760

i have not uh i've reached out to him a

1970

01:13:51,590 --> 01:13:49,679

number of times i'm not hearing from him

1971

01:13:53,830 --> 01:13:51,600

i do not know

1972

01:13:56,390 --> 01:13:53,840

just to let everyone know

1973

01:14:00,149 --> 01:13:56,400

i do not know what is going on i only

1974

01:14:03,030 --> 01:14:00,159

have heard rumors from people in the

1975

01:14:04,630 --> 01:14:03,040

business the film business more or less

1976

01:14:05,669 --> 01:14:04,640

that it's possible it's going to be

1977

01:14:08,149 --> 01:14:05,679

coming out

1978

01:14:09,830 --> 01:14:08,159

before spring i was told last year it

1979

01:14:12,149 --> 01:14:09,840

was going to come out before the end of

1980

01:14:13,990 --> 01:14:12,159

the year it never happened

1981

01:14:16,950 --> 01:14:14,000

it's going to be most likely on a

1982

01:14:18,950 --> 01:14:16,960

streaming platform as far as i know but

1983

01:14:21,750 --> 01:14:18,960

i really i'm not the all i'm getting at

1984

01:14:23,030 --> 01:14:21,760

is i'm not the person to go to

1985

01:14:24,470 --> 01:14:23,040

to uh

1986

01:14:26,229 --> 01:14:24,480

give you any information on that

1987

01:14:28,310 --> 01:14:26,239

unfortunately i wish i knew

1988

01:14:31,270 --> 01:14:28,320

because i'm i'm waiting just like

1989

01:14:33,669 --> 01:14:31,280

everybody else i can't wait uh knowing

1990

01:14:36,550 --> 01:14:33,679

uh randall nickerson's work

1991

01:14:38,870 --> 01:14:36,560

he's extremely fussy he's extremely good

1992

01:14:39,910 --> 01:14:38,880

when that comes out that is i think it

1993

01:14:41,669 --> 01:14:39,920

will be

1994

01:14:43,830 --> 01:14:41,679

oh it's gonna push the needle a little

1995

01:14:45,590 --> 01:14:43,840

more that's one of that is i consider

1996

01:14:49,669 --> 01:14:45,600

that

1997

01:14:52,630 --> 01:14:49,679

of them all

1998

01:14:55,350 --> 01:14:52,640

think oh gosh

1999

01:14:56,709 --> 01:14:55,360

for sure and and that was also a saucer

2000

01:14:59,669 --> 01:14:56,719

i think i mean if you look at the

2001

01:15:01,910 --> 01:14:59,679

pictures of the ufo so it's like yeah i

2002

01:15:04,709 --> 01:15:01,920

mean what what's going on here um yeah i

2003

01:15:06,709 --> 01:15:04,719

know the the zimbabwe case i've i've

2004

01:15:08,149 --> 01:15:06,719

tried to reach out to some of the

2005

01:15:10,229 --> 01:15:08,159

witnesses in the past to get an

2006

01:15:13,350 --> 01:15:10,239

interview and you know was not able to

2007

01:15:15,910 --> 01:15:13,360

get one so i would yeah i'd love to

2008

01:15:19,910 --> 01:15:15,920

um i can't wait for that to come out i'm

2009

01:15:22,390 --> 01:15:19,920

not a big ufo documentary or book reader

2010

01:15:24,709 --> 01:15:22,400

and some of that's just time and then a

2011

01:15:27,669 --> 01:15:24,719

lot of that is a little bit intentional

2012

01:15:29,590 --> 01:15:27,679

right so i feel like i want to look at

2013

01:15:30,950 --> 01:15:29,600

the files and evidence and the videos

2014

01:15:31,750 --> 01:15:30,960

and the photos

2015

01:15:32,790 --> 01:15:31,760

uh

2016

01:15:40,870 --> 01:15:32,800

as

2017

01:15:43,910 --> 01:15:40,880

kind of avoid it but

2018

01:15:45,990 --> 01:15:43,920

this the aerial school incident

2019

01:15:49,590 --> 01:15:46,000

i yeah i'm i'm going to be watching this

2020

01:15:51,830 --> 01:15:49,600

one so yeah just for the i know

2021

01:15:53,590 --> 01:15:51,840

um the reason i'm saying anything about

2022

01:15:55,030 --> 01:15:53,600

this right now is because there's a lot

2023

01:15:56,790 --> 01:15:55,040

of people that are just

2024

01:16:00,149 --> 01:15:56,800

looking into this topic that have found

2025

01:16:01,669 --> 01:16:00,159

my show and i do appreciate you uh

2026

01:16:04,149 --> 01:16:01,679

watching or listening however you're

2027

01:16:06,470 --> 01:16:04,159

doing it but uh that particular case you

2028

01:16:07,990 --> 01:16:06,480

can just google it the ariel school

2029

01:16:10,709 --> 01:16:08,000

uh info

2030

01:16:12,950 --> 01:16:10,719

incident happened back in 1994

2031

01:16:14,790 --> 01:16:12,960

and uh so i welcome you to look into

2032

01:16:16,870 --> 01:16:14,800

that because that is a fascinating case

2033

01:16:18,950 --> 01:16:16,880

we don't really need to get in to that

2034

01:16:21,750 --> 01:16:18,960

right now but uh it's it's really

2035

01:16:23,350 --> 01:16:21,760

incredible and i have you know one of

2036

01:16:24,470 --> 01:16:23,360

the things that's so compelling about

2037

01:16:26,390 --> 01:16:24,480

that is

2038

01:16:28,630 --> 01:16:26,400

is the john mack interviews with the

2039

01:16:31,110 --> 01:16:28,640

children child psychologist harvard

2040

01:16:33,030 --> 01:16:31,120

trained a harvard professor

2041

01:16:34,950 --> 01:16:33,040

and at the time when he was interviewing

2042

01:16:36,310 --> 01:16:34,960

those kids it was just

2043

01:16:37,990 --> 01:16:36,320

so uh

2044

01:16:40,310 --> 01:16:38,000

boggling the some of the things that

2045

01:16:41,830 --> 01:16:40,320

they were saying so i have not seen

2046

01:16:44,310 --> 01:16:41,840

those films i think a lot of them have

2047

01:16:45,750 --> 01:16:44,320

taken down off of youtube unfortunately

2048

01:16:48,550 --> 01:16:45,760

but

2049

01:16:51,189 --> 01:16:48,560

compelling

2050

01:16:52,709 --> 01:16:51,199

these were like ah oh wait let's put you

2051

01:16:54,470 --> 01:16:52,719

up on the full screen hold on you can't

2052

01:16:57,350 --> 01:16:54,480

see it you can't see it but those were

2053

01:16:59,750 --> 01:16:57,360

the the drawings oh yeah people who are

2054

01:17:01,270 --> 01:16:59,760

not familiar with the zimbabwe incident

2055

01:17:04,870 --> 01:17:01,280

those are the drawings that the children

2056

01:17:06,630 --> 01:17:04,880

drew or some of them yeah

2057

01:17:07,750 --> 01:17:06,640

and that was like immediately right

2058

01:17:11,189 --> 01:17:07,760

after

2059

01:17:12,630 --> 01:17:11,199

yep the the one thing i the teachers had

2060

01:17:16,070 --> 01:17:12,640

the foresight

2061

01:17:17,750 --> 01:17:16,080

to actually have the kids draw what they

2062

01:17:18,630 --> 01:17:17,760

they saw right away which i think that

2063

01:17:20,790 --> 01:17:18,640

is

2064

01:17:22,870 --> 01:17:20,800

that was such a game changer really

2065

01:17:24,229 --> 01:17:22,880

because it was fresh in their minds at

2066

01:17:26,390 --> 01:17:24,239

the time and

2067

01:17:28,950 --> 01:17:26,400

people said

2068

01:17:31,189 --> 01:17:28,960

and they drew something very similar all

2069

01:17:32,550 --> 01:17:31,199

of them especially with the eyes and

2070

01:17:34,470 --> 01:17:32,560

everything

2071

01:17:37,830 --> 01:17:34,480

and i know people have followed this

2072

01:17:40,310 --> 01:17:37,840

show um have seen when i had selma cydic

2073

01:17:43,110 --> 01:17:40,320

she was one of the children there and

2074

01:17:45,590 --> 01:17:43,120

you know she was describing the skin

2075

01:17:48,390 --> 01:17:45,600

to be like porcelain

2076

01:17:51,350 --> 01:17:48,400

and she said when she had to break away

2077

01:17:53,270 --> 01:17:51,360

and go look for her siblings that

2078

01:17:55,590 --> 01:17:53,280

breaking eye contact

2079

01:17:58,390 --> 01:17:55,600

from four feet away about four feet away

2080

01:17:59,910 --> 01:17:58,400

from this being whatever it was that it

2081

01:18:03,669 --> 01:17:59,920

was one of the hardest things she ever

2082

01:18:05,910 --> 01:18:03,679

had to do was to break eye contact

2083

01:18:08,790 --> 01:18:05,920

which i think is another fascinating

2084

01:18:12,070 --> 01:18:08,800

thing it's such an incredible story i

2085

01:18:14,790 --> 01:18:12,080

know we're way off at texas ufos

2086

01:18:17,110 --> 01:18:14,800

i love i mean it's all yeah all relevant

2087

01:18:19,189 --> 01:18:17,120

relevant to my world so michael brown

2088

01:18:21,669 --> 01:18:19,199

wants to know so what's new

2089

01:18:23,270 --> 01:18:21,679

uh is there you you mentioned some of

2090

01:18:25,430 --> 01:18:23,280

the new things that you have been

2091

01:18:29,030 --> 01:18:25,440

looking into but

2092

01:18:30,709 --> 01:18:29,040

um i also saw that you did a jet blue

2093

01:18:32,709 --> 01:18:30,719

uh yeah we go do you want to talk a

2094

01:18:35,750 --> 01:18:32,719

little bit about that yeah that one's an

2095

01:18:37,669 --> 01:18:35,760

interesting one uh so

2096

01:18:38,630 --> 01:18:37,679

yeah so i mean there's always sightings

2097

01:18:43,030 --> 01:18:38,640

you know

2098

01:18:45,830 --> 01:18:43,040

as far as what's new well i mean the

2099

01:18:47,350 --> 01:18:45,840

orbs the triangles even the discs to

2100

01:18:50,070 --> 01:18:47,360

some extent i mean they're all being

2101  
01:18:52,310 --> 01:18:50,080  
seen actively people do report the greys

2102  
01:18:54,470 --> 01:18:52,320  
and the reptilians and even the praying

2103  
01:18:56,229 --> 01:18:54,480  
mantis i mean so in a nutshell it's it's

2104  
01:18:59,910 --> 01:18:56,239  
all happening

2105  
01:19:01,590 --> 01:18:59,920  
uh but yeah so this was a really uh

2106  
01:19:03,910 --> 01:19:01,600  
kind of cool video so it's actually

2107  
01:19:07,669 --> 01:19:03,920  
posted to reddit

2108  
01:19:10,870 --> 01:19:07,679  
and it shows it's taken a poorly taken

2109  
01:19:11,669 --> 01:19:10,880  
outside the cockpit window of a

2110  
01:19:13,110 --> 01:19:11,679  
jet

2111  
01:19:14,709 --> 01:19:13,120  
of a pilot

2112  
01:19:16,310 --> 01:19:14,719  
actually if you would like i didn't mean

2113  
01:19:18,470 --> 01:19:16,320

to interrupt you

2114

01:19:20,070 --> 01:19:18,480

you know how to screen share probably

2115

01:19:21,590 --> 01:19:20,080

because you use this program all the

2116

01:19:22,950 --> 01:19:21,600

time if you'd like to screen share your

2117

01:19:24,790 --> 01:19:22,960

video we could

2118

01:19:27,270 --> 01:19:24,800

post that up i'm not sure if you can

2119

01:19:29,590 --> 01:19:27,280

type the crown through or not

2120

01:19:34,830 --> 01:19:32,310

if you don't know how to do that i i

2121

01:19:37,350 --> 01:19:34,840

can't i can't i just don't have it all

2122

01:19:38,310 --> 01:19:37,360

like set up and i'm afraid we're gonna

2123

01:19:39,510 --> 01:19:38,320

um

2124

01:19:41,350 --> 01:19:39,520

okay

2125

01:19:42,950 --> 01:19:41,360

pull it up shoot shoot i should i should

2126  
01:19:45,430 --> 01:19:42,960  
oh man i should have been better

2127  
01:19:46,550 --> 01:19:45,440  
prepared martin i would have prepared

2128  
01:19:48,630 --> 01:19:46,560  
her

2129  
01:19:50,630 --> 01:19:48,640  
i thought about that um

2130  
01:19:51,510 --> 01:19:50,640  
something i just thought of yeah yeah

2131  
01:19:55,030 --> 01:19:51,520  
yeah

2132  
01:19:57,430 --> 01:19:55,040  
people can check check out the footage

2133  
01:19:58,870 --> 01:19:57,440  
you know on my youtube channel but

2134  
01:20:01,510 --> 01:19:58,880  
essentially you just see this like

2135  
01:20:03,590 --> 01:20:01,520  
little glowing you know white orb just

2136  
01:20:06,310 --> 01:20:03,600  
hovering out there in the sky and then

2137  
01:20:08,950 --> 01:20:06,320  
it's just kind of disappear and it's

2138  
01:20:12,149 --> 01:20:08,960

taken you know allegedly you know out of

2139

01:20:13,910 --> 01:20:12,159

a cockpit window you know of a plane and

2140

01:20:16,229 --> 01:20:13,920

allegedly this footage has been

2141

01:20:19,510 --> 01:20:16,239

circulating with circulating between jet

2142

01:20:22,310 --> 01:20:19,520

blue pilots so who are going over it and

2143

01:20:24,470 --> 01:20:22,320

and back and forth and so

2144

01:20:26,310 --> 01:20:24,480

you know i did you know

2145

01:20:27,990 --> 01:20:26,320

you know light analysis

2146

01:20:29,510 --> 01:20:28,000

on it and it you know it's definitely

2147

01:20:45,590 --> 01:20:29,520

yeah it looks like martin's pulling it

2148

01:20:48,709 --> 01:20:47,590

oh okay i just see a black right now and

2149

01:20:51,189 --> 01:20:48,719

then can hear

2150

01:20:53,110 --> 01:20:51,199

me talking about it all right let me see

2151  
01:20:55,270 --> 01:20:53,120  
what's going on

2152  
01:20:57,350 --> 01:20:55,280  
there we go there we go

2153  
01:20:59,910 --> 01:20:57,360  
so yeah here we go here's the

2154  
01:21:01,990 --> 01:20:59,920  
aspect ratio is a little annoying um

2155  
01:21:05,750 --> 01:21:02,000  
this is vertical

2156  
01:21:08,149 --> 01:21:05,760  
round speed 500 37 000 feet nothing this

2157  
01:21:10,229 --> 01:21:08,159  
was the testimony that sent along with

2158  
01:21:14,310 --> 01:21:10,239  
it

2159  
01:21:16,070 --> 01:21:14,320  
google

2160  
01:21:17,669 --> 01:21:16,080  
see yeah you can clip cord a little bit

2161  
01:21:18,550 --> 01:21:17,679  
well

2162  
01:21:21,030 --> 01:21:18,560  
yeah

2163  
01:21:22,629 --> 01:21:21,040

i'm not sure

2164

01:21:25,030 --> 01:21:22,639

there is a full so there was a full

2165

01:21:27,110 --> 01:21:25,040

testimony that was attached with the

2166

01:21:28,709 --> 01:21:27,120

sighting so the pilot you know is first

2167

01:21:29,830 --> 01:21:28,719

and things that they see in the sky and

2168

01:21:30,950 --> 01:21:29,840

it wasn't

2169

01:21:32,709 --> 01:21:30,960

um

2170

01:21:34,790 --> 01:21:32,719

they weren't able to identify it while

2171

01:21:37,590 --> 01:21:34,800

flying essentially

2172

01:21:38,550 --> 01:21:37,600

yeah well yeah

2173

01:21:40,229 --> 01:21:38,560

bummer

2174

01:21:43,030 --> 01:21:40,239

yeah well i'm on the road and i have

2175

01:21:45,669 --> 01:21:43,040

very uh i have bill working on the other

2176  
01:21:48,709 --> 01:21:45,679  
end because i have very very poor signal

2177  
01:21:51,669 --> 01:21:48,719  
here so i'm really very happy so far

2178  
01:21:53,110 --> 01:21:51,679  
that i haven't crashed

2179  
01:21:54,390 --> 01:21:53,120  
but uh

2180  
01:21:55,510 --> 01:21:54,400  
um

2181  
01:21:57,910 --> 01:21:55,520  
anyway

2182  
01:22:00,470 --> 01:21:57,920  
this uh i think what i'm gonna do at

2183  
01:22:01,830 --> 01:22:00,480  
this point is just open the lines if

2184  
01:22:03,669 --> 01:22:01,840  
someone would like to

2185  
01:22:04,870 --> 01:22:03,679  
call in i'm gonna put the phone number

2186  
01:22:06,470 --> 01:22:04,880  
up here bill

2187  
01:22:07,990 --> 01:22:06,480  
will be standing by

2188  
01:22:09,910 --> 01:22:08,000

and uh

2189

01:22:11,510 --> 01:22:09,920

and i actually do have it up here martin

2190

01:22:13,270 --> 01:22:11,520

real quick if you want me to share real

2191

01:22:14,070 --> 01:22:13,280

quick yeah if you can do it sure go

2192

01:22:15,270 --> 01:22:14,080

ahead

2193

01:22:19,750 --> 01:22:15,280

yeah

2194

01:22:22,070 --> 01:22:19,760

so

2195

01:22:23,590 --> 01:22:22,080

all right can you guys see that

2196

01:22:25,990 --> 01:22:23,600

uh we're not seeing anything on this

2197

01:22:26,950 --> 01:22:26,000

side here oh and i'm not sure if you

2198

01:22:29,189 --> 01:22:26,960

have to

2199

01:22:31,430 --> 01:22:29,199

oh okay let's see let's see let's see

2200

01:22:32,790 --> 01:22:31,440

actually both of you i uploaded the

2201

01:22:33,750 --> 01:22:32,800

video

2202

01:22:35,510 --> 01:22:33,760

oh okay

2203

01:22:38,550 --> 01:22:35,520

yeah so it's you can play it martin

2204

01:22:40,470 --> 01:22:38,560

whenever you're ready

2205

01:22:41,830 --> 01:22:40,480

thank you bill i have bill working

2206

01:22:44,550 --> 01:22:41,840

behind the scenes

2207

01:22:47,030 --> 01:22:44,560

like uh actually taking the position i

2208

01:22:49,270 --> 01:22:47,040

usually do so okay he's able to do all

2209

01:22:51,750 --> 01:22:49,280

these things here we go we're gonna run

2210

01:22:53,189 --> 01:22:51,760

it how about that here we go hey folks

2211

01:22:55,430 --> 01:22:53,199

it's ufo jane and i want to share a

2212

01:22:57,510 --> 01:22:55,440

recent texas ufo sighting with you today

2213

01:22:59,669 --> 01:22:57,520

but before i do this remember you can

2214

01:23:02,229 --> 01:22:59,679

fast forward this part if you want

2215

01:23:04,470 --> 01:23:02,239

yo and subscribe to the channel and turn

2216

01:23:06,709 --> 01:23:04,480

on notifications

2217

01:23:09,590 --> 01:23:06,719

all right so okay you can subscribe it's

2218

01:23:12,550 --> 01:23:09,600

appreciated that was posted by a user

2219

01:23:15,669 --> 01:23:12,560

named offshore attorney

2220

01:23:16,870 --> 01:23:15,679

a pilot saw a ufo while flying over

2221

01:23:18,310 --> 01:23:16,880

texas

2222

01:23:20,950 --> 01:23:18,320

the sighting occurred during the day at

2223

01:23:23,990 --> 01:23:20,960

3 20 central sometime in early to mid

2224

01:23:25,910 --> 01:23:24,000

january a jet blue pilot sent the video

2225

01:23:27,990 --> 01:23:25,920

to their best friend

2226

01:23:31,430 --> 01:23:28,000

with the following description

2227

01:23:33,910 --> 01:23:31,440

ground speed 500 37 000 feet nothing

2228

01:23:37,270 --> 01:23:33,920

showing on radar for atc and nothing

2229

01:23:39,430 --> 01:23:37,280

showing on the tcas now i am a super

2230

01:23:42,470 --> 01:23:39,440

genius when it comes to google so i

2231

01:23:45,189 --> 01:23:42,480

think atc means air traffic control and

2232

01:23:47,510 --> 01:23:45,199

tcas means traffic alert and collision

2233

01:23:49,350 --> 01:23:47,520

avoidance system alright moving on we

2234

01:23:51,270 --> 01:23:49,360

witnessed it for about five minutes at

2235

01:23:53,910 --> 01:23:51,280

which point it disappeared and then came

2236

01:23:55,590 --> 01:23:53,920

back it looked like two boxes melting

2237

01:23:58,550 --> 01:23:55,600

into each other

2238

01:23:59,350 --> 01:23:58,560

i have no idea just imagine that in your

2239

01:24:01,189 --> 01:23:59,360

head

2240

01:24:03,430 --> 01:24:01,199

okay so they then wrote actual sighting

2241

01:24:06,070 --> 01:24:03,440

was spectacular beyond what this video

2242

01:24:07,669 --> 01:24:06,080

shows we were stunned

2243

01:24:09,669 --> 01:24:07,679

alright let's watch the video together

2244

01:24:11,669 --> 01:24:09,679

spoiler alert it does not show two boxes

2245

01:24:17,270 --> 01:24:11,679

melting into each other but it is

2246

01:24:17,280 --> 01:24:32,709

do you see it it's right there

2247

01:24:37,830 --> 01:24:35,590

okay okay okay so we see an orb and it

2248

01:24:41,670 --> 01:24:37,840

seems to mysteriously vanish so let's

2249

01:24:55,440 --> 01:24:41,680

get a closer view

2250

01:25:11,510 --> 01:25:06,840

[Music]

2251

01:25:15,830 --> 01:25:13,590

well that i i

2252

01:25:19,350 --> 01:25:15,840

wouldn't normally uh

2253

01:25:21,430 --> 01:25:19,360

drop that off but and it does you go in

2254

01:25:23,189 --> 01:25:21,440

closer and i said it's good work i like

2255

01:25:25,590 --> 01:25:23,199

your sense of humor by the way yeah i

2256

01:25:27,510 --> 01:25:25,600

didn't mean to for you guys to have to

2257

01:25:29,510 --> 01:25:27,520

hear all that but um

2258

01:25:31,430 --> 01:25:29,520

no no it's good it's good

2259

01:25:34,310 --> 01:25:31,440

but um the reason i'm breaking here is

2260

01:25:37,110 --> 01:25:34,320

because we have um we do have some we

2261

01:25:38,950 --> 01:25:37,120

have a couple of callers waiting so i

2262

01:25:42,470 --> 01:25:38,960

thought it would be a good idea to bring

2263

01:25:43,430 --> 01:25:42,480

them in and we are going to start right

2264

01:25:46,149 --> 01:25:43,440

away

2265

01:25:49,510 --> 01:25:46,159

with stephen in michigan stephen you are

2266

01:25:50,950 --> 01:25:49,520

live on the air welcome to the show

2267

01:25:53,350 --> 01:25:50,960

hi martin and jane thank you for an

2268

01:25:55,750 --> 01:25:53,360

amazing show every time i see martin has

2269

01:25:59,830 --> 01:25:55,760

a new guest on uh it it makes my day so

2270

01:26:01,830 --> 01:25:59,840

thank you to both of you well thank you

2271

01:26:05,030 --> 01:26:01,840

yeah my question i have no questions

2272

01:26:07,510 --> 01:26:05,040

yeah i do i'll make it quick um jane i

2273

01:26:10,310 --> 01:26:07,520

like your thoughts on the overall safety

2274

01:26:12,709 --> 01:26:10,320

of investigating these ufo reports

2275

01:26:14,390 --> 01:26:12,719

i just turned 27 um i've been

2276

01:26:16,229 --> 01:26:14,400

researching for about the past five

2277

01:26:18,709 --> 01:26:16,239

years and i've gotten to a point in

2278

01:26:21,270 --> 01:26:18,719

which i truly don't feel safe poking and

2279

01:26:23,270 --> 01:26:21,280

prodding any more than i already have

2280

01:26:25,910 --> 01:26:23,280

to be specific i've gone to a point of

2281

01:26:28,149 --> 01:26:25,920

actively searching and calling for a ufo

2282

01:26:29,990 --> 01:26:28,159

to appear but i've quickly abandoned

2283

01:26:31,830 --> 01:26:30,000

that practice as the majority of

2284

01:26:33,830 --> 01:26:31,840

interactions i've heard discussed are

2285

01:26:35,270 --> 01:26:33,840

quite negative with many people saying

2286

01:26:37,270 --> 01:26:35,280

they wish they never had these

2287

01:26:39,430 --> 01:26:37,280

encounters in the first place

2288

01:26:41,990 --> 01:26:39,440

what are your thoughts on this um also

2289

01:26:45,030 --> 01:26:42,000

quick side note jordan peele has a new

2290

01:26:47,430 --> 01:26:45,040

horror movie called coming out called no

2291

01:26:49,910 --> 01:26:47,440

it's about ufos have you seen that

2292

01:26:51,990 --> 01:26:49,920

trailer i'll take my answer off the air

2293

01:26:53,110 --> 01:26:52,000

thank you and god bless you both

2294

01:26:54,470 --> 01:26:53,120

thank you

2295

01:26:55,830 --> 01:26:54,480

hi stephen

2296

01:26:58,149 --> 01:26:55,840

so

2297

01:26:59,750 --> 01:26:58,159

i have yes i've seen nope

2298

01:27:03,270 --> 01:26:59,760

the trailer it i don't know if you've

2299

01:27:05,830 --> 01:27:03,280

seen it martin but it looks so

2300

01:27:08,470 --> 01:27:05,840

stinking good i cannot wait

2301

01:27:11,110 --> 01:27:08,480

i my first love before ufos was really

2302

01:27:13,430 --> 01:27:11,120

movies and so we actually have um a

2303

01:27:16,229 --> 01:27:13,440

youtube show where we talk about the

2304

01:27:18,149 --> 01:27:16,239

behind the scenes of movies and you know

2305

01:27:19,910 --> 01:27:18,159

the real stuff so you know we just went

2306

01:27:22,149 --> 01:27:19,920

in depth on close encounters of the the

2307

01:27:24,310 --> 01:27:22,159

third kind and nope is gonna be one that

2308

01:27:25,830 --> 01:27:24,320

we'll definitely be talking about for

2309

01:27:27,430 --> 01:27:25,840

weird hollywood this summer when it

2310

01:27:29,510 --> 01:27:27,440

comes out people should check out that

2311

01:27:31,430 --> 01:27:29,520

trailer it's also just a great movie

2312

01:27:33,110 --> 01:27:31,440

trailer because you just don't know

2313

01:27:35,830 --> 01:27:33,120

what's going to happen it's a true

2314

01:27:37,590 --> 01:27:35,840

trailer and it leaves you guessing and

2315

01:27:39,590 --> 01:27:37,600

wanting to know more

2316

01:27:41,990 --> 01:27:39,600

could you say the the title to that one

2317

01:27:44,830 --> 01:27:42,000

more time so it's nope

2318

01:27:46,390 --> 01:27:44,840

there might it might be n-o-p-e

2319

01:27:52,390 --> 01:27:46,400

yeah

2320

01:27:54,950 --> 01:27:52,400

of planet earth i think uh wait not

2321

01:27:56,709 --> 01:27:54,960

yeah yeah not of planet earth i think is

2322

01:28:00,390 --> 01:27:56,719

what it stands for

2323

01:28:01,990 --> 01:28:00,400

oh not a planet yeah yeah and so it yeah

2324

01:28:04,390 --> 01:28:02,000

it looks amazing i don't even want to

2325

01:28:05,750 --> 01:28:04,400

say i just go watch the i mean not now

2326

01:28:09,430 --> 01:28:05,760

later

2327

01:28:11,590 --> 01:28:09,440

trailer and

2328

01:28:13,910 --> 01:28:11,600

yeah yeah and did the other part of the

2329

01:28:16,550 --> 01:28:13,920

question oh my gosh what was the other

2330

01:28:19,350 --> 01:28:16,560

it was a good question oh yes um

2331

01:28:20,950 --> 01:28:19,360

so the whole idea of contacting ufos and

2332

01:28:21,910 --> 01:28:20,960

is this an experience you want to have

2333

01:28:23,990 --> 01:28:21,920

or not

2334

01:28:25,189 --> 01:28:24,000

so for me you know i haven't had an

2335

01:28:27,350 --> 01:28:25,199

experience

2336

01:28:29,510 --> 01:28:27,360

at least as far as i know i also haven't

2337

01:28:30,550 --> 01:28:29,520

done you know hypnotherapy or anything

2338

01:28:33,270 --> 01:28:30,560

who knows

2339

01:28:34,550 --> 01:28:33,280

but i i'm not an experiencer so i can't

2340

01:28:37,030 --> 01:28:34,560

really truly

2341

01:28:39,110 --> 01:28:37,040

i guess give advice from that

2342

01:28:40,950 --> 01:28:39,120

perspective so i can only just really

2343

01:28:44,550 --> 01:28:40,960

look at what i've documented over the

2344

01:28:46,550 --> 01:28:44,560

years and i really struggle to recommend

2345

01:28:47,830 --> 01:28:46,560

trying to contact these things

2346

01:28:51,350 --> 01:28:47,840

so i

2347

01:28:53,830 --> 01:28:51,360

i say if you see a ufo don't go up to it

2348

01:28:56,470 --> 01:28:53,840

and i would say be very careful

2349

01:28:59,030 --> 01:28:56,480

if you are seeking ufo sightings or

2350

01:29:03,669 --> 01:28:59,040

encounters and um i would go into it

2351

01:29:05,910 --> 01:29:03,679

with very open eyes and a safe plan and

2352

01:29:08,830 --> 01:29:05,920

you know maybe maybe some protection you

2353

01:29:11,590 --> 01:29:08,840

know whatever that looks like to you

2354

01:29:14,550 --> 01:29:11,600

because look if this is real and you

2355

01:29:16,950 --> 01:29:14,560

really do believe that they are visiting

2356

01:29:19,669 --> 01:29:16,960

that's a big deal to ask for a ride on

2357

01:29:21,350 --> 01:29:19,679

their ship or invite them into your life

2358

01:29:23,669 --> 01:29:21,360

so if you really do believe that i would

2359

01:29:24,470 --> 01:29:23,679

take it very seriously

2360

01:29:26,629 --> 01:29:24,480

and

2361

01:29:29,430 --> 01:29:26,639

i would just go into it with the right

2362

01:29:33,189 --> 01:29:29,440

attitude and mindset uh maybe with

2363

01:29:34,229 --> 01:29:33,199

others people do see e5 you know group

2364

01:29:39,590 --> 01:29:34,239

um

2365

01:29:41,110 --> 01:29:39,600

ufos that seems to be a safer way to do

2366

01:29:42,790 --> 01:29:41,120

it than just like sitting in front of

2367

01:29:45,030 --> 01:29:42,800

your house

2368

01:29:47,590 --> 01:29:45,040

on a random day right

2369

01:29:49,990 --> 01:29:47,600

as far as the negative experiences so

2370

01:29:53,030 --> 01:29:50,000

yeah i mean the reason i would

2371

01:29:55,350 --> 01:29:53,040

hesitate to recommend to

2372

01:29:56,229 --> 01:29:55,360

try to see a ufo is well because i don't

2373

01:30:02,629 --> 01:29:56,239

know

2374

01:30:04,390 --> 01:30:02,639

or not or if this is positive

2375

01:30:06,709 --> 01:30:04,400

this could be a very dark thing that's

2376

01:30:07,590 --> 01:30:06,719

going on the idea of somebody kidnapping

2377

01:30:13,830 --> 01:30:07,600

you

2378

01:30:15,910 --> 01:30:13,840

mean these are the stories we hear so

2379

01:30:18,310 --> 01:30:15,920

yes they're quite frightening and i

2380

01:30:21,110 --> 01:30:18,320

wouldn't wish this upon somebody

2381

01:30:22,870 --> 01:30:21,120

that said uh

2382

01:30:25,750 --> 01:30:22,880

these could be

2383

01:30:27,990 --> 01:30:25,760

uh a lot of people have very positive

2384

01:30:31,430 --> 01:30:28,000

experiences and

2385

01:30:34,709 --> 01:30:31,440

positive uh interpretations of what has

2386

01:30:36,790 --> 01:30:34,719

happened to them so even travis walton

2387

01:30:39,030 --> 01:30:36,800

who had a very

2388

01:30:41,430 --> 01:30:39,040

negative experience at the time i think

2389

01:30:43,430 --> 01:30:41,440

he felt that way at the time very scared

2390

01:30:45,750 --> 01:30:43,440

i believe in his later years he's come

2391

01:30:47,590 --> 01:30:45,760

to more of a conclusion that when he was

2392

01:30:50,470 --> 01:30:47,600

knocked down by the beam of light that

2393

01:30:52,629 --> 01:30:50,480

he could have been injured and that

2394

01:30:54,950 --> 01:30:52,639

those exams were actually you know the

2395

01:30:57,510 --> 01:30:54,960

aliens fixing him

2396

01:30:59,750 --> 01:30:57,520

so you know it could very well be that

2397

01:31:03,430 --> 01:30:59,760

these visitors have

2398

01:31:05,750 --> 01:31:03,440

you know are helping us or studying us

2399

01:31:07,910 --> 01:31:05,760

do mean well and

2400

01:31:09,750 --> 01:31:07,920

that those that come into contact are

2401  
01:31:11,750 --> 01:31:09,760  
better for it you know people describe

2402  
01:31:13,910 --> 01:31:11,760  
being more psychic after

2403  
01:31:17,110 --> 01:31:13,920  
word or you know maybe not as being

2404  
01:31:17,910 --> 01:31:17,120  
afraid of death or things like that so

2405  
01:31:19,110 --> 01:31:17,920  
i

2406  
01:31:20,790 --> 01:31:19,120  
uh

2407  
01:31:22,709 --> 01:31:20,800  
you know i think attitude is important

2408  
01:31:24,149 --> 01:31:22,719  
and if you've had an experience i

2409  
01:31:28,070 --> 01:31:24,159  
certainly don't think it would be

2410  
01:31:32,390 --> 01:31:29,830  
remember it as a very negative

2411  
01:31:35,750 --> 01:31:32,400  
experience because that's you know

2412  
01:31:37,669 --> 01:31:35,760  
difficult to process and overcome and i

2413  
01:31:40,390 --> 01:31:37,679

think it's probably healthy

2414

01:31:43,830 --> 01:31:40,400

to try to seek some actual logical

2415

01:31:45,030 --> 01:31:43,840

reason for it and there probably is one

2416

01:31:49,350 --> 01:31:45,040

it's hard

2417

01:31:51,830 --> 01:31:49,360

are evil beings you know torturing us i

2418

01:31:52,950 --> 01:31:51,840

don't think that's what's going on here

2419

01:31:54,790 --> 01:31:52,960

um

2420

01:31:59,110 --> 01:31:54,800

but yeah i i'm not one of those people

2421

01:32:00,310 --> 01:31:59,120

that's gonna set up a ce5 group anytime

2422

01:32:01,110 --> 01:32:00,320

soon

2423

01:32:02,629 --> 01:32:01,120

um

2424

01:32:05,350 --> 01:32:02,639

yeah yeah

2425

01:32:07,510 --> 01:32:05,360

yeah well i yeah i have a friend that

2426

01:32:08,950 --> 01:32:07,520

did one of those and it was actually

2427

01:32:10,229 --> 01:32:08,960

pretty comical

2428

01:32:11,590 --> 01:32:10,239

some of the things that happened there

2429

01:32:13,910 --> 01:32:11,600

and i

2430

01:32:16,390 --> 01:32:13,920

don't need to get into it but uh

2431

01:32:18,470 --> 01:32:16,400

but there was some wild imaginations

2432

01:32:21,110 --> 01:32:18,480

i'll just put it that way

2433

01:32:23,350 --> 01:32:21,120

so right now we have ken on the line

2434

01:32:26,629 --> 01:32:23,360

from massachusetts ken welcome to the

2435

01:32:29,110 --> 01:32:26,639

show you're live on the air hey ken hi

2436

01:32:32,310 --> 01:32:29,120

martin and jane another fantastic show

2437

01:32:36,070 --> 01:32:32,320

tonight martin okay my question mr jay

2438

01:32:38,870 --> 01:32:36,080

my question to gene i um research

2439

01:32:40,310 --> 01:32:38,880

old cases of new cases in my home state

2440

01:32:42,070 --> 01:32:40,320

and you know nothing gets the blood

2441

01:32:45,510 --> 01:32:42,080

pumping more like you see a article in

2442

01:32:48,390 --> 01:32:45,520

the newspaper online oh ufo sighted

2443

01:32:50,709 --> 01:32:48,400

and my question to her is what's her

2444

01:32:52,149 --> 01:32:50,719

opinion on then when you get all hyped

2445

01:32:54,390 --> 01:32:52,159

up and read the article and they show

2446

01:32:56,070 --> 01:32:54,400

you a video and it's quite clearly

2447

01:32:57,510 --> 01:32:56,080

chinese lanterns

2448

01:32:59,189 --> 01:32:57,520

or i don't know if you've seen the

2449

01:33:01,990 --> 01:32:59,199

latest one did you see the one from

2450

01:33:04,310 --> 01:33:02,000

hawaii where mysterious object hovers

2451

01:33:07,110 --> 01:33:04,320  
over hawaii two fighter jets are

2452

01:33:08,950 --> 01:33:07,120  
scrambled you can see the picture in two

2453

01:33:11,350 --> 01:33:08,960  
seconds you can see a balloon with a

2454

01:33:13,430 --> 01:33:11,360  
string hanging down holding a payload

2455

01:33:15,830 --> 01:33:13,440  
underneath it you know and so what's

2456

01:33:18,390 --> 01:33:15,840  
your opinion is is

2457

01:33:19,910 --> 01:33:18,400  
reports like that helpful

2458

01:33:23,990 --> 01:33:19,920  
or you know because it's getting

2459

01:33:26,229 --> 01:33:24,000  
exposure to ufo uh subject or hurting it

2460

01:33:29,350 --> 01:33:26,239  
because you know people look into it oh

2461

01:33:30,390 --> 01:33:29,360  
it's a balloon oh it's a chinese land so

2462

01:33:31,669 --> 01:33:30,400  
what's your opinion i'll take the

2463

01:33:32,950 --> 01:33:31,679

interruption

2464

01:33:36,229 --> 01:33:32,960

thank you ken

2465

01:33:37,910 --> 01:33:36,239

that's a great question and early on

2466

01:33:40,390 --> 01:33:37,920

when i saw chinese lanterns i thought

2467

01:33:41,669 --> 01:33:40,400

aliens were invading okay so it's super

2468

01:33:43,590 --> 01:33:41,679

normal

2469

01:33:45,189 --> 01:33:43,600

to be frightened by that and to report

2470

01:33:46,470 --> 01:33:45,199

it you're not crazy you're actually just

2471

01:33:48,229 --> 01:33:46,480

paying attention

2472

01:33:50,229 --> 01:33:48,239

and yeah there are a lot of really

2473

01:33:52,629 --> 01:33:50,239

fantastical things that then become

2474

01:33:54,550 --> 01:33:52,639

quite mundane you know as a researcher

2475

01:33:56,390 --> 01:33:54,560

and you go through those cycles in this

2476  
01:33:58,629 --> 01:33:56,400  
process i mean we were just looking at

2477  
01:34:00,709 --> 01:33:58,639  
some footage that definitely you could

2478  
01:34:02,310 --> 01:34:00,719  
say oh that's just a balloon that that

2479  
01:34:05,430 --> 01:34:02,320  
footage was interesting to me

2480  
01:34:07,669 --> 01:34:05,440  
considering the pilot perspective and

2481  
01:34:09,669 --> 01:34:07,679  
and that and so that's why i wanted to

2482  
01:34:11,750 --> 01:34:09,679  
share that one but i'm regularly

2483  
01:34:13,990 --> 01:34:11,760  
debunking and solving cases so that's

2484  
01:34:16,390 --> 01:34:14,000  
the first thing i'm trying to do with

2485  
01:34:19,590 --> 01:34:16,400  
any ufo case is to

2486  
01:34:21,990 --> 01:34:19,600  
find a very mundane boring explanation

2487  
01:34:24,790 --> 01:34:22,000  
most cases i come across i do not report

2488  
01:34:26,709 --> 01:34:24,800

on it's it looks to be a lens flare

2489

01:34:28,550 --> 01:34:26,719

chinese lanterns i have said that a lot

2490

01:34:30,830 --> 01:34:28,560

but that's just because it's just that's

2491

01:34:33,110 --> 01:34:30,840

probably the most common

2492

01:34:34,709 --> 01:34:33,120

misidentification um so if you're seeing

2493

01:34:36,870 --> 01:34:34,719

orange orbs

2494

01:34:39,669 --> 01:34:36,880

seem forming different formations

2495

01:34:41,430 --> 01:34:39,679

sometimes hovering sometimes moving and

2496

01:34:43,750 --> 01:34:41,440

then gradually disappearing that's

2497

01:34:46,149 --> 01:34:43,760

probably chinese lanterns

2498

01:34:48,149 --> 01:34:46,159

nighttime parachuters that's another

2499

01:34:49,750 --> 01:34:48,159

while yeah right you know if you haven't

2500

01:34:51,270 --> 01:34:49,760

seen that before

2501

01:34:53,189 --> 01:34:51,280

when they have the flare

2502

01:34:55,189 --> 01:34:53,199

they have the flares on their feet yeah

2503

01:34:56,149 --> 01:34:55,199

crazy looking wild looking

2504

01:34:58,310 --> 01:34:56,159

so

2505

01:35:00,310 --> 01:34:58,320

there's a lot of misidentifications i

2506

01:35:02,310 --> 01:35:00,320

don't think that most people are hoaxing

2507

01:35:04,790 --> 01:35:02,320

things or um

2508

01:35:07,510 --> 01:35:04,800

falsely reporting right i think we just

2509

01:35:10,470 --> 01:35:07,520

get carried away uh with these

2510

01:35:11,830 --> 01:35:10,480

unexplained uh lights that we see

2511

01:35:13,750 --> 01:35:11,840

is it hurting

2512

01:35:15,109 --> 01:35:13,760

i mean yeah i guess so

2513

01:35:17,030 --> 01:35:15,119

but

2514

01:35:19,510 --> 01:35:17,040

i think you know the question are we

2515

01:35:21,990 --> 01:35:19,520

alone in the universe that never goes

2516

01:35:23,430 --> 01:35:22,000

away in any time

2517

01:35:27,830 --> 01:35:23,440

that flutter

2518

01:35:29,510 --> 01:35:27,840

alien i think you know you're just

2519

01:35:32,229 --> 01:35:29,520

waiting for the next time to get that

2520

01:35:34,149 --> 01:35:32,239

feeling again so no i don't think you're

2521

01:35:36,310 --> 01:35:34,159

just like oh that was a balloon okay i'm

2522

01:35:38,550 --> 01:35:36,320

just i'm not gonna look again i mean one

2523

01:35:39,990 --> 01:35:38,560

of the most um i had this video guys

2524

01:35:41,590 --> 01:35:40,000

that was

2525

01:35:43,910 --> 01:35:41,600

still deciding what to do with it

2526  
01:35:45,430 --> 01:35:43,920  
because i think i'd almost like to make

2527  
01:35:57,830 --> 01:35:45,440  
a

2528  
01:36:00,070 --> 01:35:57,840  
the best

2529  
01:36:02,629 --> 01:36:00,080  
ufo video i've ever seen in my life and

2530  
01:36:05,910 --> 01:36:02,639  
so i tried and tried and tried to debunk

2531  
01:36:08,229 --> 01:36:05,920  
it and couldn't couldn't couldn't um

2532  
01:36:11,030 --> 01:36:08,239  
couldn't debunk it so you know we're

2533  
01:36:13,430 --> 01:36:11,040  
pretty close you know to traveling and

2534  
01:36:15,030 --> 01:36:13,440  
going out uh to the field for that one

2535  
01:36:15,830 --> 01:36:15,040  
because it was such a big one and thank

2536  
01:36:17,990 --> 01:36:15,840  
god

2537  
01:36:20,790 --> 01:36:18,000  
um was able to

2538  
01:36:23,109 --> 01:36:20,800

solve it you know before that visit and

2539

01:36:25,030 --> 01:36:23,119

that that's just how things go you know

2540

01:36:27,990 --> 01:36:25,040

you're you're about to prove aliens are

2541

01:36:30,149 --> 01:36:28,000

visiting and now um you've just proved a

2542

01:36:32,229 --> 01:36:30,159

hoax essentially yeah somebody was

2543

01:36:33,910 --> 01:36:32,239

pooping with you so

2544

01:36:39,590 --> 01:36:33,920

a lot of times

2545

01:36:41,669 --> 01:36:39,600

times it's just miss you know uh seen as

2546

01:36:43,430 --> 01:36:41,679

something else or you know i mean like

2547

01:36:45,910 --> 01:36:43,440

you mentioned you know the parachuters

2548

01:36:48,149 --> 01:36:45,920

things like that i mean it is so easy

2549

01:36:50,390 --> 01:36:48,159

because a lot of times when we see

2550

01:36:52,390 --> 01:36:50,400

something it is like unbelievable for

2551  
01:36:54,550 --> 01:36:52,400  
instance the failed

2552  
01:36:55,510 --> 01:36:54,560  
missile launchers the failed rocket

2553  
01:36:57,510 --> 01:36:55,520  
launches

2554  
01:36:59,830 --> 01:36:57,520  
those have the most make the most

2555  
01:37:02,550 --> 01:36:59,840  
incredible ufo spirals

2556  
01:37:04,470 --> 01:37:02,560  
they're just amazing we have bill on the

2557  
01:37:08,709 --> 01:37:04,480  
line from florida bill you're live on

2558  
01:37:13,510 --> 01:37:10,629  
bill you're alive on the air welcome to

2559  
01:37:15,430 --> 01:37:14,390  
now

2560  
01:37:19,830 --> 01:37:15,440  
bill

2561  
01:37:21,910 --> 01:37:19,840  
absolutely me then i'm sorry i had that

2562  
01:37:24,950 --> 01:37:21,920  
muted bill sorry about that you you're

2563  
01:37:27,030 --> 01:37:24,960

live now welcome to the show hey thanks

2564

01:37:28,870 --> 01:37:27,040

thank you martin and jane

2565

01:37:32,070 --> 01:37:28,880

um i heard you two talking about the

2566

01:37:33,750 --> 01:37:32,080

aerial school phenomena yeah and uh i'd

2567

01:37:35,270 --> 01:37:33,760

also heard that there were other cases

2568

01:37:39,430 --> 01:37:35,280

at schools like there was one down in

2569

01:37:42,229 --> 01:37:39,440

miami florida yes um and and uh anyway

2570

01:37:43,990 --> 01:37:42,239

and it brought to mind the uh the sandy

2571

01:37:46,629 --> 01:37:44,000

hook school

2572

01:37:48,950 --> 01:37:46,639

and that there were ufo sightings over

2573

01:37:50,870 --> 01:37:48,960

that at about the same time that that

2574

01:37:52,470 --> 01:37:50,880

whole thing happened

2575

01:37:55,590 --> 01:37:52,480

i was just wanting to know what your

2576

01:37:57,750 --> 01:37:55,600

comments were on that

2577

01:37:58,709 --> 01:37:57,760

i've never heard anything about that i

2578

01:38:01,270 --> 01:37:58,719

never

2579

01:38:02,870 --> 01:38:01,280

yeah and i was reporting on

2580

01:38:05,109 --> 01:38:02,880

ufos

2581

01:38:07,430 --> 01:38:05,119

at that time

2582

01:38:08,870 --> 01:38:07,440

man what year was that but i think i

2583

01:38:13,030 --> 01:38:08,880

blocked that out

2584

01:38:18,870 --> 01:38:13,040

it's a horrible place to even remember

2585

01:38:23,990 --> 01:38:21,270

for instance has looked deeply into

2586

01:38:25,669 --> 01:38:24,000

schoolyard ufo sightings and i'm sure he

2587

01:38:28,390 --> 01:38:25,679

would have uncovered i don't know where

2588

01:38:31,189 --> 01:38:28,400

he heard that in particular but i don't

2589

01:38:32,870 --> 01:38:31,199

i do not believe um bill that that's

2590

01:38:34,390 --> 01:38:32,880

anything that i've ever heard about

2591

01:38:36,550 --> 01:38:34,400

before

2592

01:38:38,870 --> 01:38:36,560

is that it bill

2593

01:38:41,109 --> 01:38:38,880

that's it thank you okay thank you

2594

01:38:43,189 --> 01:38:41,119

all right we have steve from

2595

01:38:45,430 --> 01:38:43,199

california steve welcome to the show

2596

01:38:47,990 --> 01:38:45,440

you're live

2597

01:38:50,310 --> 01:38:48,000

hi uh martin hi uh jane

2598

01:38:52,229 --> 01:38:50,320

hi hi

2599

01:38:56,709 --> 01:38:52,239

um i've been following the

2600

01:38:59,990 --> 01:38:56,719

ufo phenomena since the mid 60s

2601  
01:39:01,109 --> 01:39:00,000  
so uh it's progressed through the years

2602  
01:39:04,870 --> 01:39:01,119  
um

2603  
01:39:08,310 --> 01:39:04,880  
i thought gathering data information on

2604  
01:39:10,070 --> 01:39:08,320  
sightings uh documents etc

2605  
01:39:12,390 --> 01:39:10,080  
and then in the early 80s when the

2606  
01:39:14,629 --> 01:39:12,400  
internet went up i started collecting

2607  
01:39:16,950 --> 01:39:14,639  
the ufo footage

2608  
01:39:19,590 --> 01:39:16,960  
and then uh

2609  
01:39:22,229 --> 01:39:19,600  
sharing that on facebook i have a room

2610  
01:39:25,030 --> 01:39:22,239  
called truth be code where i share all

2611  
01:39:27,270 --> 01:39:25,040  
the information daily with the ufo

2612  
01:39:29,270 --> 01:39:27,280  
sightings and news

2613  
01:39:31,109 --> 01:39:29,280

and what i found out is this phenomena

2614

01:39:32,070 --> 01:39:31,119

is around the world

2615

01:39:34,709 --> 01:39:32,080

and it's

2616

01:39:35,590 --> 01:39:34,719

constantly ufo sightings every day and

2617

01:39:38,550 --> 01:39:35,600

um

2618

01:39:40,950 --> 01:39:38,560

so there's a lot to share uh there

2619

01:39:44,229 --> 01:39:40,960

and uh i've come to the conclusion i

2620

01:39:45,350 --> 01:39:44,239

come from gathering information um

2621

01:39:47,750 --> 01:39:45,360

data

2622

01:39:50,229 --> 01:39:47,760

that i'm going on that those ufo hot

2623

01:39:51,270 --> 01:39:50,239

spots such as brazil

2624

01:39:53,750 --> 01:39:51,280

um

2625

01:39:55,669 --> 01:39:53,760

and uh and i would consider texas a hot

2626

01:39:58,390 --> 01:39:55,679

spot because i get a lot of beautiful

2627

01:39:59,189 --> 01:39:58,400

footage from texas and sightings

2628

01:40:03,510 --> 01:39:59,199

uh

2629

01:40:06,149 --> 01:40:03,520

do you think texas is a hot spot

2630

01:40:07,750 --> 01:40:06,159

well it's how i got into this field if

2631

01:40:10,229 --> 01:40:07,760

that makes sense so i wouldn't be doing

2632

01:40:13,990 --> 01:40:10,239

this i guess if it wasn't

2633

01:40:16,709 --> 01:40:14,000

um so yeah i do i do think so

2634

01:40:20,149 --> 01:40:16,719

and you know but whether that

2635

01:40:23,189 --> 01:40:20,159

yes maybe population per square footage

2636

01:40:25,430 --> 01:40:23,199

is low but the biggest some like if you

2637

01:40:26,229 --> 01:40:25,440

look at the top 10 cities in america i

2638

01:40:28,550 --> 01:40:26,239

think

2639

01:40:29,990 --> 01:40:28,560

three of them are in texas

2640

01:40:32,870 --> 01:40:30,000

three three or four or something like a

2641

01:40:34,629 --> 01:40:32,880

lot like san antonio houston austin's

2642

01:40:36,950 --> 01:40:34,639

now up there dallas is now there right

2643

01:40:38,470 --> 01:40:36,960

so those cities alone are going to drive

2644

01:40:40,229 --> 01:40:38,480

a ton of reports right because there's

2645

01:40:41,430 --> 01:40:40,239

just so many people

2646

01:40:43,350 --> 01:40:41,440

um

2647

01:40:45,030 --> 01:40:43,360

so whether or not that's being driven

2648

01:40:47,590 --> 01:40:45,040

just by people

2649

01:40:48,950 --> 01:40:47,600

just the number of people um is a

2650

01:40:50,390 --> 01:40:48,960

question i

2651  
01:40:52,229 --> 01:40:50,400  
i don't know i really think that you can

2652  
01:40:55,030 --> 01:40:52,239  
see a ufo anywhere

2653  
01:40:56,390 --> 01:40:55,040  
i really do i think you just have to be

2654  
01:40:59,189 --> 01:40:56,400  
paying attention

2655  
01:41:01,270 --> 01:40:59,199  
and looking up i live in texas and i've

2656  
01:41:03,750 --> 01:41:01,280  
seen one maybe one time

2657  
01:41:05,350 --> 01:41:03,760  
so it seems it has to do almost more

2658  
01:41:06,229 --> 01:41:05,360  
with the person

2659  
01:41:08,149 --> 01:41:06,239  
uh

2660  
01:41:09,430 --> 01:41:08,159  
versus the place you're in you know

2661  
01:41:10,629 --> 01:41:09,440  
whether or not you're gonna see

2662  
01:41:12,790 --> 01:41:10,639  
something

2663  
01:41:15,990 --> 01:41:12,800

so i mean i know people who see things

2664

01:41:18,310 --> 01:41:16,000

all the time or witnesses that report

2665

01:41:20,310 --> 01:41:18,320

multiple encounters

2666

01:41:22,149 --> 01:41:20,320

to me you know i'm not having i'm not

2667

01:41:25,830 --> 01:41:22,159

having that experience you know we live

2668

01:41:27,669 --> 01:41:25,840

in the same state right so it's

2669

01:41:30,149 --> 01:41:27,679

yeah but yeah i mean i do there's a lot

2670

01:41:34,149 --> 01:41:30,159

of activity here for sure i can

2671

01:41:36,870 --> 01:41:34,159

totally uh totally uh corroborate that

2672

01:41:38,870 --> 01:41:36,880

now race stanford are you familiar with

2673

01:41:41,030 --> 01:41:38,880

have you ever heard of ray stanford i

2674

01:41:43,830 --> 01:41:41,040

have not looked i don't i'm not an

2675

01:41:46,470 --> 01:41:43,840

expert on him no i really can't yeah ray

2676

01:41:48,709 --> 01:41:46,480

stanford is a long time ufo researcher

2677

01:41:51,910 --> 01:41:48,719

he wrote a book on the socorro incident

2678

01:41:53,270 --> 01:41:51,920

that was really a very good book um he

2679

01:41:59,350 --> 01:41:53,280

actually had

2680

01:42:02,070 --> 01:41:59,360

station with something like i want to

2681

01:42:05,990 --> 01:42:03,750

maybe a million dollars worth of

2682

01:42:08,870 --> 01:42:06,000

equipment in texas

2683

01:42:10,629 --> 01:42:08,880

in the 19 late 1970s

2684

01:42:13,430 --> 01:42:10,639

and there was a lot of activity then i

2685

01:42:14,470 --> 01:42:13,440

just thought of that we do have another

2686

01:42:16,790 --> 01:42:14,480

on the line

2687

01:42:18,870 --> 01:42:16,800

that's a really nice i love that i love

2688

01:42:21,189 --> 01:42:18,880

every little um

2689

01:42:22,790 --> 01:42:21,199

nugget like that that's beautiful okay

2690

01:42:25,750 --> 01:42:22,800

so okay cool

2691

01:42:28,709 --> 01:42:25,760

yeah so um that is something you may um

2692

01:42:30,390 --> 01:42:28,719

i can't he did there was a name for the

2693

01:42:31,189 --> 01:42:30,400

company that he formed and everything

2694

01:42:33,430 --> 01:42:31,199

but

2695

01:42:36,229 --> 01:42:33,440

okay there was some activity that he

2696

01:42:39,629 --> 01:42:36,239

actually got some some data on at the

2697

01:42:42,629 --> 01:42:39,639

time oh nice okay yeah all right we have

2698

01:42:45,030 --> 01:42:42,639

joanie i think i know who that is

2699

01:42:48,470 --> 01:42:45,040

uh joanie uh welcome to the show you're

2700

01:42:49,990 --> 01:42:48,480

live on the air

2701

01:42:51,830 --> 01:42:50,000

yeah um

2702

01:42:53,590 --> 01:42:51,840

my question is

2703

01:42:56,629 --> 01:42:53,600

does your guest think that there's any

2704

01:43:01,830 --> 01:42:56,639

correlation between ufos and the orb

2705

01:43:07,030 --> 01:43:04,709

so i've definitely heard

2706

01:43:08,950 --> 01:43:07,040

i haven't directly investigated or

2707

01:43:11,430 --> 01:43:08,960

reported on cases where people saw

2708

01:43:14,470 --> 01:43:11,440

bigfoot and ufos at the same time but

2709

01:43:15,669 --> 01:43:14,480

there are absolutely cases like that

2710

01:43:24,790 --> 01:43:15,679

i

2711

01:43:26,629 --> 01:43:24,800

not one of those

2712

01:43:29,270 --> 01:43:26,639

ufo researchers that only researches

2713

01:43:31,350 --> 01:43:29,280

ufos and like you know bigfoot's

2714

01:43:32,310 --> 01:43:31,360

all uh all that that's all crap now i

2715

01:43:35,030 --> 01:43:32,320

think

2716

01:43:38,149 --> 01:43:35,040

bigfoot i've i've interviewed you know a

2717

01:43:39,590 --> 01:43:38,159

few bigfoot hunters and i've looked into

2718

01:43:42,149 --> 01:43:39,600

a little bit

2719

01:43:44,470 --> 01:43:42,159

but i'm not a bigfoot hunter alas myself

2720

01:43:46,950 --> 01:43:44,480

not yet so i can't i don't think

2721

01:43:47,990 --> 01:43:46,960

confidently make that connection i will

2722

01:43:49,990 --> 01:43:48,000

say

2723

01:43:53,510 --> 01:43:50,000

i like to think of bigfoot

2724

01:43:56,709 --> 01:43:53,520

as um chewy like from star wars right

2725

01:43:58,550 --> 01:43:56,719

like an intergalactic space traveler

2726

01:44:00,310 --> 01:43:58,560

right that

2727

01:44:03,350 --> 01:44:00,320

can just disappear you know in an

2728

01:44:05,750 --> 01:44:03,360

instance and not leave any trace behind

2729

01:44:08,149 --> 01:44:05,760

so i mean why not why couldn't there be

2730

01:44:10,870 --> 01:44:08,159

some other interdimensional

2731

01:44:12,149 --> 01:44:10,880

traveler you know connected to ufos

2732

01:44:14,550 --> 01:44:12,159

the uh

2733

01:44:17,270 --> 01:44:14,560

the more i guess you could say

2734

01:44:19,189 --> 01:44:17,280

boring but still really cool theories

2735

01:44:20,790 --> 01:44:19,199

around it simply being

2736

01:44:22,790 --> 01:44:20,800

a biological

2737

01:44:24,550 --> 01:44:22,800

missing link where there's just you know

2738

01:44:26,149 --> 01:44:24,560

a few quantities

2739

01:44:28,629 --> 01:44:26,159

of these like ape

2740

01:44:30,149 --> 01:44:28,639

like you know humanoids essentially

2741

01:44:31,590 --> 01:44:30,159

right remnants from

2742

01:44:33,590 --> 01:44:31,600

i'm going to say it wrong

2743

01:44:35,510 --> 01:44:33,600

you guys know what i mean i can't

2744

01:44:37,590 --> 01:44:35,520

giganta

2745

01:44:39,669 --> 01:44:37,600

you know you you guys know what i mean

2746

01:44:41,830 --> 01:44:39,679

i'm gonna butcher the

2747

01:44:43,590 --> 01:44:41,840

scientific name i think those theories

2748

01:44:46,790 --> 01:44:43,600

are compelling too and you don't have to

2749

01:44:48,629 --> 01:44:46,800

invoke any ufos or

2750

01:44:51,430 --> 01:44:48,639

mystical you know international

2751

01:44:52,390 --> 01:44:51,440

interdimensional travel there i do think

2752

01:44:54,310 --> 01:44:52,400

uh

2753

01:44:55,910 --> 01:44:54,320

bigfoot is kind of like ufos though

2754

01:44:57,990 --> 01:44:55,920

where we use this one term i mean

2755

01:45:00,390 --> 01:44:58,000

there's yeti and sasquatch like there's

2756

01:45:03,830 --> 01:45:00,400

ufos and uap and things like that where

2757

01:45:06,229 --> 01:45:03,840

we do use this one term to explain all

2758

01:45:08,470 --> 01:45:06,239

of this and

2759

01:45:10,870 --> 01:45:08,480

one of the reasons that i

2760

01:45:13,030 --> 01:45:10,880

do feel that extraterrestrials are

2761

01:45:15,189 --> 01:45:13,040

probably visiting is if you just look at

2762

01:45:18,390 --> 01:45:15,199

our own planet earth and

2763

01:45:19,910 --> 01:45:18,400

all the diversity of life here and

2764

01:45:21,910 --> 01:45:19,920

and all the

2765

01:45:25,189 --> 01:45:21,920

you know animals and species we still

2766

01:45:29,189 --> 01:45:25,199

discover every year and um and have yet

2767

01:45:32,790 --> 01:45:29,199

to discover it's absolutely mind-blowing

2768

01:45:35,030 --> 01:45:32,800

so i i think there's all kinds of really

2769

01:45:35,830 --> 01:45:35,040

big animals out there

2770

01:45:36,870 --> 01:45:35,840

that

2771

01:45:38,790 --> 01:45:36,880

do a

2772

01:45:40,870 --> 01:45:38,800

good job at hiding from us i don't think

2773

01:45:43,830 --> 01:45:40,880

you necessarily have to be an advanced

2774

01:45:46,390 --> 01:45:43,840

at species to hide pretty well

2775

01:45:48,550 --> 01:45:46,400

from human beings i was talking to

2776

01:45:50,070 --> 01:45:48,560

cliff brackman who people may know from

2777

01:45:51,430 --> 01:45:50,080

finding bigfoot

2778

01:45:53,510 --> 01:45:51,440

pretty

2779

01:45:55,590 --> 01:45:53,520

entertaining show but cliff actually

2780

01:45:57,669 --> 01:45:55,600

takes a more kind of reasonable you know

2781

01:46:00,629 --> 01:45:57,679

scientific viewpoint and

2782

01:46:02,629 --> 01:46:00,639

he has a lot of really cool insight

2783

01:46:04,070 --> 01:46:02,639

around this um you know people are like

2784

01:46:05,910 --> 01:46:04,080

well bigfoot's

2785

01:46:07,990 --> 01:46:05,920

real you know where are the bones well

2786

01:46:09,750 --> 01:46:08,000

this is also common for other animals

2787

01:46:12,229 --> 01:46:09,760

like bears and things like that you

2788

01:46:14,149 --> 01:46:12,239

don't you don't go find you know they

2789

01:46:15,109 --> 01:46:14,159

they go die and

2790

01:46:18,310 --> 01:46:15,119

um

2791

01:46:20,550 --> 01:46:18,320

you don't like just find their bones

2792

01:46:21,990 --> 01:46:20,560

out in nature and those are you know a

2793

01:46:23,669 --> 01:46:22,000

creature that we know exists there's

2794

01:46:24,790 --> 01:46:23,679

many different species they're you know

2795

01:46:27,189 --> 01:46:24,800

all over

2796

01:46:29,830 --> 01:46:27,199

so i think i think you can look at it

2797

01:46:31,830 --> 01:46:29,840

through the non-ufo lens but why can't

2798

01:46:33,669 --> 01:46:31,840

there be more than one

2799

01:46:36,070 --> 01:46:33,679

bigfoot

2800

01:46:37,109 --> 01:46:36,080

yeah yeah well janie thank you for the

2801

01:46:39,270 --> 01:46:37,119

call

2802

01:46:41,350 --> 01:46:39,280

joni i'm sorry i think

2803

01:46:43,750 --> 01:46:41,360

yeah

2804

01:46:46,470 --> 01:46:43,760

all right bye now thank you

2805

01:46:47,350 --> 01:46:46,480

um yeah we had a we had a show recently

2806

01:46:49,510 --> 01:46:47,360

um

2807

01:46:52,229 --> 01:46:49,520

where there were people

2808

01:46:54,870 --> 01:46:52,239

were that was making the connection

2809

01:46:56,629 --> 01:46:54,880

between in oregon between ufos and

2810

01:46:58,870 --> 01:46:56,639

bigfoot it was it was kind of

2811

01:47:01,910 --> 01:46:58,880

fascinating um i don't know what to

2812

01:47:05,030 --> 01:47:03,189

i mean you've got

2813

01:47:07,109 --> 01:47:05,040

where people have reportedly seen like

2814

01:47:08,950 --> 01:47:07,119

big but like creatures or humanoid like

2815

01:47:11,109 --> 01:47:08,960

creatures and then you also have the orb

2816

01:47:14,149 --> 01:47:11,119

phenomenon going on there

2817

01:47:16,070 --> 01:47:14,159

when when you start to get into

2818

01:47:18,310 --> 01:47:16,080

topics like skinwalker ranch it's where

2819

01:47:20,470 --> 01:47:18,320

a lot of this narrative of okay here's

2820

01:47:21,669 --> 01:47:20,480

the triangle yopos and here's the orbs

2821

01:47:23,910 --> 01:47:21,679

and here's the ghost and here's the

2822

01:47:25,030 --> 01:47:23,920

bigfoot excuse me all of that kind of

2823

01:47:27,590 --> 01:47:25,040

falls apart

2824

01:47:29,430 --> 01:47:27,600

at skinwalker ranch and it's almost like

2825

01:47:31,510 --> 01:47:29,440

you can almost disprove all of it or

2826

01:47:32,550 --> 01:47:31,520

prove all of it at skinwalker ranch and

2827

01:47:34,870 --> 01:47:32,560

so

2828

01:47:37,189 --> 01:47:34,880

i i do feel like that's an under

2829

01:47:39,430 --> 01:47:37,199

underlying you know thing kind of

2830

01:47:40,950 --> 01:47:39,440

bubbling up to the surface challenging

2831

01:47:42,790 --> 01:47:40,960

all of us and there's there's a lot of

2832

01:47:45,189 --> 01:47:42,800

answers there and i do think there's

2833

01:47:48,070 --> 01:47:45,199

more overlap and why we separate ghosts

2834

01:47:50,390 --> 01:47:48,080

from orbs is weird to me you know why we

2835

01:47:51,350 --> 01:47:50,400

separate spirits from aliens it's weird

2836

01:47:54,390 --> 01:47:51,360

to me

2837

01:47:56,950 --> 01:47:54,400

um these are very overlapping

2838

01:47:58,629 --> 01:47:56,960

okay yeah but the one thing i know

2839

01:48:00,390 --> 01:47:58,639

exactly what you're saying

2840

01:48:01,990 --> 01:48:00,400

and i agree with most of it but the one

2841

01:48:05,030 --> 01:48:02,000

thing about

2842

01:48:08,229 --> 01:48:05,040

that where ufos kind of separate from

2843

01:48:10,629 --> 01:48:08,239

those other weird or unusual paranormal

2844

01:48:12,629 --> 01:48:10,639

type things is that we have data you

2845

01:48:15,270 --> 01:48:12,639

know we have data on

2846

01:48:16,310 --> 01:48:15,280

we have not only

2847

01:48:18,950 --> 01:48:16,320

film

2848

01:48:21,830 --> 01:48:18,960

you know which is there can be argued

2849

01:48:24,790 --> 01:48:21,840

that not so great um you know images or

2850

01:48:26,629 --> 01:48:24,800

or film maybe not as much as we do other

2851

01:48:29,030 --> 01:48:26,639

things you know i mean there are a

2852

01:48:30,390 --> 01:48:29,040

couple of known ones that are really

2853

01:48:32,790 --> 01:48:30,400

good of course you know when you look at

2854

01:48:36,229 --> 01:48:32,800

this one here that that is pretty

2855

01:48:38,950 --> 01:48:36,239

amazing the film of the baldwin ufo in

2856

01:48:39,910 --> 01:48:38,960

australia very clear a guy took in his

2857

01:48:40,950 --> 01:48:39,920

garden

2858

01:48:43,590 --> 01:48:40,960

um

2859

01:48:45,189 --> 01:48:43,600

that that's a really interesting one you

2860

01:48:47,910 --> 01:48:45,199

know we have the trent

2861

01:48:49,030 --> 01:48:47,920

ufo these are old pictures of course but

2862

01:48:51,669 --> 01:48:49,040

still

2863

01:48:54,070 --> 01:48:51,679

um we have radar data

2864

01:48:55,910 --> 01:48:54,080

and you know i mean pictures like this

2865

01:48:57,030 --> 01:48:55,920

in 1951

2866

01:49:00,629 --> 01:48:57,040

you know i mean

2867

01:49:02,229 --> 01:49:00,639

there's much more than you know with

2868

01:49:03,669 --> 01:49:02,239

with bigfoot we have the patterson

2869

01:49:06,790 --> 01:49:03,679

gimlin

2870

01:49:09,430 --> 01:49:06,800

film we have ghosts i don't know what we

2871

01:49:11,590 --> 01:49:09,440

have with ghosts um but uh yeah i guess

2872

01:49:13,870 --> 01:49:11,600

it's more it so to me it's a lot of

2873

01:49:16,550 --> 01:49:13,880

language right so you know

2874

01:49:18,950 --> 01:49:16,560

cryptozoology versus like what is the

2875

01:49:20,629 --> 01:49:18,960

difference between interdimensional and

2876  
01:49:23,669 --> 01:49:20,639  
um communicating with the spirit in the

2877  
01:49:26,070 --> 01:49:23,679  
afterlife to me these are all impossible

2878  
01:49:29,350 --> 01:49:26,080  
things right that could all be what's

2879  
01:49:31,350 --> 01:49:29,360  
going on here right so yeah i i i 100

2880  
01:49:33,510 --> 01:49:31,360  
agree there's total difference between

2881  
01:49:35,750 --> 01:49:33,520  
having radar evidence and a photo

2882  
01:49:38,950 --> 01:49:35,760  
of something in the sky

2883  
01:49:41,669 --> 01:49:38,960  
versus um

2884  
01:49:44,229 --> 01:49:41,679  
maybe even having like a an electronic

2885  
01:49:46,550 --> 01:49:44,239  
recording of some static interference

2886  
01:49:48,550 --> 01:49:46,560  
right that suggests some kind of

2887  
01:49:50,470 --> 01:49:48,560  
communication right but it is

2888  
01:49:53,589 --> 01:49:50,480

interesting to me when people theorize

2889

01:49:55,189 --> 01:49:53,599

about the origin you know ufos that all

2890

01:49:57,430 --> 01:49:55,199

that we're really talking about right

2891

01:49:58,390 --> 01:49:57,440

are aliens or ets and it's like that

2892

01:50:01,030 --> 01:49:58,400

seems

2893

01:50:02,950 --> 01:50:01,040

we're making like a lot of assumptions

2894

01:50:04,950 --> 01:50:02,960

right you know we still have a lot to

2895

01:50:07,669 --> 01:50:04,960

learn about how the conscious brain

2896

01:50:09,510 --> 01:50:07,679

works and have thoughts you know

2897

01:50:11,750 --> 01:50:09,520

maybe can transfer

2898

01:50:13,430 --> 01:50:11,760

you know in the atmosphere more than

2899

01:50:15,430 --> 01:50:13,440

more than we realize right like when it

2900

01:50:17,750 --> 01:50:15,440

comes to the psychic phenomenons that's

2901

01:50:19,109 --> 01:50:17,760

why i brought that up right so because

2902

01:50:21,589 --> 01:50:19,119

when we're talking about cases like the

2903

01:50:22,950 --> 01:50:21,599

zimbabwe case where the children

2904

01:50:25,109 --> 01:50:22,960

you know claim to have had these

2905

01:50:27,430 --> 01:50:25,119

messages that were downloaded you know

2906

01:50:29,270 --> 01:50:27,440

during the encounter right you know it's

2907

01:50:31,270 --> 01:50:29,280

interesting that we're

2908

01:50:33,669 --> 01:50:31,280

only allowed to talk about aliens it's

2909

01:50:37,270 --> 01:50:33,679

like well what about ghosts what about

2910

01:50:39,189 --> 01:50:37,280

spirits what about crypto what about

2911

01:50:40,709 --> 01:50:39,199

so there's uh

2912

01:50:41,910 --> 01:50:40,719

i don't think we really know the right

2913

01:50:42,790 --> 01:50:41,920

questions

2914

01:50:49,430 --> 01:50:42,800

yeah

2915

01:50:52,149 --> 01:50:49,440

keep it all on the top top of mind i

2916

01:50:54,070 --> 01:50:52,159

guess yeah i think you how you just

2917

01:50:55,669 --> 01:50:54,080

framed that was very well said

2918

01:50:57,430 --> 01:50:55,679

about the question we don't know what

2919

01:51:00,310 --> 01:50:57,440

the question to ask

2920

01:51:01,910 --> 01:51:00,320

that's what makes it so fascinating and

2921

01:51:04,229 --> 01:51:01,920

and and

2922

01:51:05,270 --> 01:51:04,239

you know we may not even understand the

2923

01:51:07,669 --> 01:51:05,280

answer

2924

01:51:09,669 --> 01:51:07,679

which i think is also fascinating so we

2925

01:51:12,229 --> 01:51:09,679

only have a couple minutes left here and

2926

01:51:14,550 --> 01:51:12,239

i want you to if you would uh tell

2927

01:51:16,709 --> 01:51:14,560

people how they can i think i will i

2928

01:51:19,189 --> 01:51:16,719

believe i have your

2929

01:51:22,310 --> 01:51:19,199

your uh link down in the show notes but

2930

01:51:26,550 --> 01:51:24,070

oh shoot i don't know if that's me or

2931

01:51:30,070 --> 01:51:28,629

i think martin froze for i froze

2932

01:51:36,149 --> 01:51:30,080

somebody froze okay

2933

01:51:40,870 --> 01:51:38,950

yeah so no um we only have well we only

2934

01:51:43,109 --> 01:51:40,880

have two minutes left so how can someone

2935

01:51:44,629 --> 01:51:43,119

find you yeah yeah so you guys were kind

2936

01:51:46,390 --> 01:51:44,639

enough to show like that whole youtube

2937

01:51:48,310 --> 01:51:46,400

video

2938

01:51:50,950 --> 01:51:48,320

during the stream so i appreciate that

2939

01:51:53,109 --> 01:51:50,960

um you know ufo j and on youtube you

2940

01:51:54,870 --> 01:51:53,119

know subscribing there liking that

2941

01:51:56,149 --> 01:51:54,880

content if you're in texas though and

2942

01:51:58,550 --> 01:51:56,159

you're really into those just

2943

01:52:01,350 --> 01:51:58,560

documentary reports texas ufos on

2944

01:52:03,189 --> 01:52:01,360

facebook or textufosightings.com

2945

01:52:05,750 --> 01:52:03,199

and on twitter that's where you'll get

2946

01:52:07,350 --> 01:52:05,760

those just sometimes more boring reports

2947

01:52:09,189 --> 01:52:07,360

but if you're really really trying to

2948

01:52:11,350 --> 01:52:09,199

understand the phenomenon on a regular

2949

01:52:13,510 --> 01:52:11,360

basis and then youtube or do the

2950

01:52:16,229 --> 01:52:13,520

interviews and analysis of some of these

2951  
01:52:18,470 --> 01:52:16,239  
other some sightings sometimes um we

2952  
01:52:20,950 --> 01:52:18,480  
also do weird hollywood where we talking

2953  
01:52:23,990 --> 01:52:20,960  
about the movie predator on thursday

2954  
01:52:25,270 --> 01:52:24,000  
actually and and actually tying it into

2955  
01:52:29,750 --> 01:52:25,280  
real

2956  
01:52:33,109 --> 01:52:29,760  
the predator is that

2957  
01:52:34,470 --> 01:52:33,119  
a feasible alien could could us could we

2958  
01:52:37,350 --> 01:52:34,480  
be hunted

2959  
01:52:40,070 --> 01:52:37,360  
by for sport oh my gosh a little darker

2960  
01:52:42,149 --> 01:52:40,080  
subject for thursday but um

2961  
01:52:43,830 --> 01:52:42,159  
appreciate all the support and so

2962  
01:52:45,910 --> 01:52:43,840  
appreciated being invited on the show

2963  
01:52:48,070 --> 01:52:45,920

i'm sorry i was late

2964

01:52:50,870 --> 01:52:48,080

no that was my fault so

2965

01:52:52,709 --> 01:52:50,880

so but that was totally my my thing and

2966

01:52:55,910 --> 01:52:52,719

me being on the road and

2967

01:52:57,669 --> 01:52:55,920

uh typing wrong numbers to you

2968

01:52:59,750 --> 01:52:57,679

but anyway i appreciate it very much

2969

01:53:01,510 --> 01:52:59,760

it's always a pleasure to talk to you

2970

01:53:03,189 --> 01:53:01,520

this is a blast thank you martin thank

2971

01:53:05,750 --> 01:53:03,199

you everybody in the chat

2972

01:53:06,550 --> 01:53:05,760

all right take care all right bye guys

2973

01:53:08,629 --> 01:53:06,560

bye

2974

01:53:11,830 --> 01:53:08,639

all right everyone so back next week i

2975

01:53:13,750 --> 01:53:11,840

will not be back but you can see uh this

2976

01:53:16,709 --> 01:53:13,760

show will premiere exactly

2977

01:53:19,189 --> 01:53:16,719

at 6 p.m as always every tuesday

2978

01:53:21,830 --> 01:53:19,199

automatically and will be up as a

2979

01:53:24,149 --> 01:53:21,840

podcast as always um

2980

01:53:26,149 --> 01:53:24,159

later on that night so thank you so much

2981

01:53:28,709 --> 01:53:26,159

and next week by the way just to mention

2982

01:53:29,830 --> 01:53:28,719

it again is kevin randall and albert

2983

01:53:33,589 --> 01:53:29,840

wayne

2984

01:53:35,910 --> 01:53:33,599

and i appreciate um all of my listeners

2985

01:53:39,240 --> 01:53:35,920

and watchers on youtube and

2986

01:53:50,490 --> 01:53:39,250

we'll keep your eyes to the sky
