00:00:41,830 --> 00:00:39,040

ufos and high strangeness in argentina

3  
00:00:44,470 --> 00:00:41,840

by charles lear in mid-december of last

4  
00:00:46,869 --> 00:00:44,480

year we wrote about a woman irma rick in

5  
00:00:49,029 --> 00:00:46,879

the province of la pompa in argentina

6  
00:00:50,950 --> 00:00:49,039

who after seeing a bright light outside

7  
00:00:53,750 --> 00:00:50,960

her house suddenly found herself the

8  
00:00:56,150 --> 00:00:53,760

next morning almost 65 kilometers away

9  
00:00:58,470 --> 00:00:56,160

40 miles sitting on the side of the road

10  
00:01:00,709 --> 00:00:58,480

in the town of getrache with no memory

11  
00:01:02,869 --> 00:01:00,719

of how she got there most of us here in

12  
00:01:05,109 --> 00:01:02,879

the united states got the news from

13  
00:01:07,830 --> 00:01:05,119

inexplicata the journal of hispanic

14

00:01:10,310 --> 00:01:07,840

ufology a recent post on the site on

15

00:01:13,190 --> 00:01:10,320

february 6th tells of another report out

16

00:01:15,749 --> 00:01:13,200

of lapompa that is just as strange the

17

00:01:18,070 --> 00:01:15,759

sources are listed as luis burgos and

18

00:01:21,350 --> 00:01:18,080

the online lapompa news publication

19

00:01:23,590 --> 00:01:21,360

infocuela if ahuela posted an article in

20

00:01:25,670 --> 00:01:23,600

a follow-up covering the story on

21

00:01:27,670 --> 00:01:25,680

february 4th a couple and their adult

22

00:01:29,830 --> 00:01:27,680

son were traveling by truck on their way

23

00:01:31,590 --> 00:01:29,840

home to the town of victoria they were

24

00:01:33,910 --> 00:01:31,600

crossing the border between la pampa

25

00:01:36,149 --> 00:01:33,920

province and san luis province to the

26  
00:01:38,630 --> 00:01:36,159  
east as they passed under the border

27  
00:01:40,550 --> 00:01:38,640  
arch they saw many lights according to

28  
00:01:42,469 --> 00:01:40,560  
one of the witnesses when we saw the

29  
00:01:44,149 --> 00:01:42,479  
lights the first thing we wondered was

30  
00:01:46,630 --> 00:01:44,159  
if it had to do with victoria

31  
00:01:48,870 --> 00:01:46,640  
agriculture school being lit up we then

32  
00:01:51,190 --> 00:01:48,880  
realized this could not be the case as

33  
00:01:52,630 --> 00:01:51,200  
we were far away before they could make

34  
00:01:54,310 --> 00:01:52,640  
sense of what they were seeing they

35  
00:01:56,950 --> 00:01:54,320  
found themselves entering the town of

36  
00:01:59,510 --> 00:01:56,960  
victoria 26 kilometers from where they

37  
00:02:01,190 --> 00:01:59,520  
were a moment ago their gps still

38  
00:02:03,510 --> 00:02:01,200

indicated that they were in their former

39

00:02:05,990 --> 00:02:03,520

position but then zeroed out within a

40

00:02:08,469 --> 00:02:06,000

few blocks they didn't discuss what had

41

00:02:10,389 --> 00:02:08,479

just happened to them until the next day

42

00:02:12,229 --> 00:02:10,399

one of them explained was only on the

43

00:02:14,390 --> 00:02:12,239

following day that we began to wonder

44

00:02:16,630 --> 00:02:14,400

and recall what had happened to us it

45

00:02:18,630 --> 00:02:16,640

was then that we realized how confusing

46

00:02:21,110 --> 00:02:18,640

everything was but we didn't know what

47

00:02:22,869 --> 00:02:21,120

it was or what took place

48

00:02:25,750 --> 00:02:22,879

lapampa has a history of strange

49

00:02:29,030 --> 00:02:25,760

goings-on a case well known in argentina

50

00:02:31,190 --> 00:02:29,040

is the reported 1983 abduction of julio

51  
00:02:33,430 --> 00:02:31,200  
plattner his story starts with him

52  
00:02:36,390 --> 00:02:33,440  
leaving the ranch of antonio fisher at 7

53  
00:02:38,229 --> 00:02:36,400  
30 p.m on august 9th after a day's work

54  
00:02:40,150 --> 00:02:38,239  
he got out of his pickup truck to open

55  
00:02:42,070 --> 00:02:40,160  
the gate and he was hit by a blinding

56  
00:02:44,070 --> 00:02:42,080  
light he then found himself in a

57  
00:02:45,910 --> 00:02:44,080  
spherical room and sitting in what

58  
00:02:48,150 --> 00:02:45,920  
reminded him of a dentist chair that

59  
00:02:50,070 --> 00:02:48,160  
seemed to be floating the walls were not

60  
00:02:52,309 --> 00:02:50,080  
smooth and seemed to be covered with a

61  
00:02:54,470 --> 00:02:52,319  
beige fabric there were four creatures

62  
00:02:56,869 --> 00:02:54,480  
around him a male and female in front of

63  
00:02:58,309 --> 00:02:56,879

him and a male on either side of him he

64

00:03:00,470 --> 00:02:58,319

wasn't sure if they were wearing

65

00:03:02,309 --> 00:03:00,480

uniforms or if it was their skin he was

66

00:03:04,630 --> 00:03:02,319

looking at but they were the same color

67

00:03:06,470 --> 00:03:04,640

as the walls he could however make out

68

00:03:08,949 --> 00:03:06,480

that they were wearing boots he

69

00:03:12,309 --> 00:03:08,959

described them as being about 1.67

70

00:03:14,790 --> 00:03:12,319

meters tall 5.47 feet and that they had

71

00:03:16,229 --> 00:03:14,800

five fingered hands he said he estimated

72

00:03:18,229 --> 00:03:16,239

their height based on the height of a

73

00:03:20,229 --> 00:03:18,239

friend of his he was struck by their

74

00:03:22,949 --> 00:03:20,239

protruding eyes which he described as

75

00:03:24,789 --> 00:03:22,959

being large opaque in black they drew

76  
00:03:26,789 --> 00:03:24,799  
blood from the crook of his arm and when

77  
00:03:28,949 --> 00:03:26,799  
he tried to touch the creatures he was

78  
00:03:31,350 --> 00:03:28,959  
blocked by an invisible force he was

79  
00:03:33,589 --> 00:03:31,360  
then told to stand up and was able to do

80  
00:03:35,670 --> 00:03:33,599  
so he went to walk and suddenly found

81  
00:03:37,750 --> 00:03:35,680  
himself in his truck he turned on the

82  
00:03:40,550 --> 00:03:37,760  
headlights and recognized that he was in

83  
00:03:42,949 --> 00:03:40,560  
an area 19 kilometers away from the gate

84  
00:03:44,949 --> 00:03:42,959  
concerned that he'd left the gate open

85  
00:03:47,670 --> 00:03:44,959  
he felt obligated to drive back and

86  
00:03:49,270 --> 00:03:47,680  
close it before leaving however he noted

87  
00:03:51,910 --> 00:03:49,280  
that there was a scab on the crook of

88  
00:03:53,750 --> 00:03:51,920

his arm as he drove off he wondered

89

00:03:55,830 --> 00:03:53,760

whether he'd had some sort of dream

90

00:03:57,910 --> 00:03:55,840

hallucination or if what he'd seem to

91

00:03:59,910 --> 00:03:57,920

have experienced had actually happened

92

00:04:02,869 --> 00:03:59,920

when he got to the gate he saw that he

93

00:04:05,350 --> 00:04:02,879

had indeed left it open and he closed it

94

00:04:09,190 --> 00:04:05,360

another case from lapampa was posted on

95

00:04:10,949 --> 00:04:09,200

inexplica on march 8 2006. this case

96

00:04:13,509 --> 00:04:10,959

involved the disappearance of general

97

00:04:15,910 --> 00:04:13,519

pico police corporal sergio pucceta

98

00:04:19,670 --> 00:04:15,920

overnight from thursday march 2nd to

99

00:04:21,909 --> 00:04:19,680

friday march 3rd 2006. after a search by

100

00:04:24,310 --> 00:04:21,919

his fellow officers he was found in a

101

00:04:26,870 --> 00:04:24,320

fetal position 20 kilometers away from

102

00:04:29,110 --> 00:04:26,880

his motorcycle his walkie-talkie phone

103

00:04:31,189 --> 00:04:29,120

and weapon were found on the ground next

104

00:04:33,590 --> 00:04:31,199

to his motorcycle he was taken to a

105

00:04:36,070 --> 00:04:33,600

local hospital and put under psychiatric

106

00:04:38,550 --> 00:04:36,080

care on monday he spoke with the local

107

00:04:40,310 --> 00:04:38,560

press i was driving a motorcycle and

108

00:04:42,629 --> 00:04:40,320

when i reached the wilderness area we

109

00:04:44,950 --> 00:04:42,639

called la canas i saw a red light

110

00:04:47,350 --> 00:04:44,960

similar to that of a car he said that

111

00:04:49,830 --> 00:04:47,360

when he got closer the light disappeared

112

00:04:52,390 --> 00:04:49,840

then i got off my motorcycle to see if i

113

00:04:54,390 --> 00:04:52,400

could hear any noises when i got back on

114

00:04:56,230 --> 00:04:54,400

the motorcycle and was about to put on

115

00:04:58,310 --> 00:04:56,240

my helmet the red light appeared in

116

00:05:01,110 --> 00:04:58,320

front of me against my face and very

117

00:05:03,510 --> 00:05:01,120

strong according to him he was paralyzed

118

00:05:05,749 --> 00:05:03,520

except for his hands the light rose up

119

00:05:07,990 --> 00:05:05,759

and he experienced a significant ache in

120

00:05:09,909 --> 00:05:08,000

his head and eyes he tried to escape by

121

00:05:12,390 --> 00:05:09,919

running through the fields he then found

122

00:05:14,230 --> 00:05:12,400

himself being pursued by two entities

123

00:05:16,469 --> 00:05:14,240

that were smaller than him with large

124

00:05:18,710 --> 00:05:16,479

heads and red eyes he said he couldn't

125

00:05:20,550 --> 00:05:18,720

recall whether he was walking or running

126  
00:05:23,029 --> 00:05:20,560  
at that point and that he remembered his

127  
00:05:24,550 --> 00:05:23,039  
entire life in a few seconds he said

128  
00:05:27,029 --> 00:05:24,560  
that the creature seemed to be giving

129  
00:05:29,430 --> 00:05:27,039  
him life tests he described one of the

130  
00:05:31,990 --> 00:05:29,440  
tests for example i reached the

131  
00:05:34,390 --> 00:05:32,000  
cornfield and at a distance of some 10

132  
00:05:36,390 --> 00:05:34,400  
meters saw a large figure that appeared

133  
00:05:38,710 --> 00:05:36,400  
to be chewing the corn cobs and was

134  
00:05:40,550 --> 00:05:38,720  
breaking something i felt very scared

135  
00:05:42,469 --> 00:05:40,560  
and stood there staring at it it was

136  
00:05:44,550 --> 00:05:42,479  
getting closer and closer and that's

137  
00:05:46,710 --> 00:05:44,560  
when i felt them tell me either you go

138  
00:05:48,310 --> 00:05:46,720

forward or backward then i stood

139

00:05:50,230 --> 00:05:48,320

thinking and walked right past the

140

00:05:52,870 --> 00:05:50,240

figure and the fear sort of left me at

141

00:05:55,029 --> 00:05:52,880

that moment it seems the experience left

142

00:05:58,309 --> 00:05:55,039

a lasting impression on pachetta in a

143

00:06:00,550 --> 00:05:58,319

may 14 2014 follow-up posting on

144

00:06:02,629 --> 00:06:00,560

inexplicata the writer reports that

145

00:06:04,710 --> 00:06:02,639

buchetta was put into mandatory

146

00:06:06,150 --> 00:06:04,720

retirement due to his inability to

147

00:06:08,629 --> 00:06:06,160

return to work because it was

148

00:06:10,790 --> 00:06:08,639

traumatized by the event with the recent

149

00:06:13,029 --> 00:06:10,800

reports lapampa's history of high

150

00:06:15,110 --> 00:06:13,039

strangeness continues thanks to

151

00:06:17,909 --> 00:06:15,120
