

1
00:00:35,270 --> 00:00:16,100

[Music]

2
00:00:40,950 --> 00:00:37,510

taken aboard a ufo and turned into a

3
00:00:42,709 --> 00:00:40,960

mutant by charles lear with ufo reports

4
00:00:45,029 --> 00:00:42,719

there are common elements that give one

5
00:00:46,630 --> 00:00:45,039

a sense of the nature of the phenomenon

6
00:00:48,630 --> 00:00:46,640

however there are some reports that

7
00:00:50,310 --> 00:00:48,640

contain elements that are unique to the

8
00:00:52,470 --> 00:00:50,320

point that a researcher might be

9
00:00:55,350 --> 00:00:52,480

inclined to dismiss them the case of

10
00:00:57,670 --> 00:00:55,360

herberto garza is one of these cars case

11
00:01:00,470 --> 00:00:57,680

was written about by scott corrales in

12
00:01:02,790 --> 00:01:00,480

his article abductions the crucible of

13
00:01:05,109 --> 00:01:02,800

nightmares published in the may 2000

14

00:01:07,429 --> 00:01:05,119

issue of fate magazine according to

15

00:01:10,550 --> 00:01:07,439

corrales the case was investigated in

16

00:01:13,910 --> 00:01:10,560

1972 by jorge reichert salvador

17

00:01:15,749 --> 00:01:13,920

fraschito and ian norris garza a mexican

18

00:01:17,590 --> 00:01:15,759

ceramics technician who lived in the

19

00:01:19,429 --> 00:01:17,600

city of puebla claimed to have been

20

00:01:22,070 --> 00:01:19,439

visited by an alien from the planet

21

00:01:24,230 --> 00:01:22,080

aluko and taken aboard a spaceship

22

00:01:26,390 --> 00:01:24,240

according to him he had just gotten into

23

00:01:28,789 --> 00:01:26,400

bed when he heard a noise in the living

24

00:01:31,590 --> 00:01:28,799

room thinking someone had broken in he

25

00:01:33,830 --> 00:01:31,600

went to investigate he came upon a man

26

00:01:35,910 --> 00:01:33,840

that was over two meters tall with a

27

00:01:38,390 --> 00:01:35,920

distinguished almost feminine looking

28

00:01:40,390 --> 00:01:38,400

face garza demanded to know how the

29

00:01:42,149 --> 00:01:40,400

being had gotten in and the being

30

00:01:44,710 --> 00:01:42,159

answered that he could overcome

31

00:01:46,630 --> 00:01:44,720

obstacles and go where he pleased he

32

00:01:49,749 --> 00:01:46,640

said he was there to give garza an

33

00:01:51,270 --> 00:01:49,759

experience many would wish to have garza

34

00:01:53,270 --> 00:01:51,280

said he was then taken aboard a

35

00:01:55,350 --> 00:01:53,280

spaceship where he met other similar

36

00:01:57,590 --> 00:01:55,360

creatures one of them took blood from

37

00:01:59,590 --> 00:01:57,600

the ring finger on garza's left hand and

38

00:02:01,670 --> 00:01:59,600

he then suddenly found himself back in

39

00:02:03,990 --> 00:02:01,680

his apartment with no memory of how he

40

00:02:06,149 --> 00:02:04,000

got there the hallway door was open and

41

00:02:07,910 --> 00:02:06,159

he was sitting in his easy chair soon

42

00:02:09,830 --> 00:02:07,920

after the experience while he was

43

00:02:11,750 --> 00:02:09,840

shaving in front of his bathroom mirror

44

00:02:14,550 --> 00:02:11,760

his reflection faded out and then

45

00:02:16,790 --> 00:02:14,560

reappeared after that he heard alien

46

00:02:19,190 --> 00:02:16,800

voices speaking to him in a language he

47

00:02:21,589 --> 00:02:19,200

couldn't understand later he started

48

00:02:24,150 --> 00:02:21,599

receiving telepathic messages and he was

49

00:02:26,070 --> 00:02:24,160

moved to seek psychiatric help while all

50

00:02:28,390 --> 00:02:26,080

this might seem like another average

51
00:02:30,229 --> 00:02:28,400
abduction case things took a strange

52
00:02:32,710 --> 00:02:30,239
turn when norris and reichert returned

53
00:02:34,630 --> 00:02:32,720
for a follow-up visit garza who had

54
00:02:37,190 --> 00:02:34,640
formerly been articulate was now

55
00:02:39,110 --> 00:02:37,200
speaking sluggishly he said i want to

56
00:02:41,270 --> 00:02:39,120
show you what is happening to me he

57
00:02:43,270 --> 00:02:41,280
unbuttoned his shirt and the researchers

58
00:02:45,589 --> 00:02:43,280
saw a number of nipples growing on his

59
00:02:47,990 --> 00:02:45,599
abdomen some were large with a good deal

60
00:02:50,790 --> 00:02:48,000
of hair and some were smaller norris and

61
00:02:53,190 --> 00:02:50,800
reichard concluded that garza's dna had

62
00:02:55,110 --> 00:02:53,200
been tampered with the investigators

63
00:02:57,750 --> 00:02:55,120

attempted to conduct a more detailed

64

00:03:00,470 --> 00:02:57,760

study but according to corrales garza

65

00:03:02,309 --> 00:03:00,480

disappeared corrales wrote that visitors

66

00:03:04,869 --> 00:03:02,319

to garza's apartment building were

67

00:03:07,190 --> 00:03:04,879

angrily sent away by garza's son

68

00:03:09,750 --> 00:03:07,200

corrales speculates that garza may have

69

00:03:12,470 --> 00:03:09,760

been an early casualty of tampering

70

00:03:14,949 --> 00:03:12,480

uncaring non-human entities

71

00:03:17,509 --> 00:03:14,959

update on irma rick we've written two

72

00:03:19,110 --> 00:03:17,519

blogs following the story of irma rick a

73

00:03:21,670 --> 00:03:19,120

woman from the pompous region of

74

00:03:24,149 --> 00:03:21,680

argentina she went missing and was found

75

00:03:26,550 --> 00:03:24,159

the next day in a town around 65

76
00:03:29,030 --> 00:03:26,560
kilometers from where she was last seen

77
00:03:31,750 --> 00:03:29,040
she reported being in her yard in hasito

78
00:03:33,990 --> 00:03:31,760
arrayas seeing a light and then suddenly

79
00:03:36,470 --> 00:03:34,000
finding herself on a road in the town of

80
00:03:39,110 --> 00:03:36,480
cathrache with no memory of how she got

81
00:03:41,509 --> 00:03:39,120
there a local prosecutor opened an

82
00:03:43,110 --> 00:03:41,519
investigation into the case rick was

83
00:03:45,670 --> 00:03:43,120
interviewed by a researcher and a

84
00:03:48,149 --> 00:03:45,680
reporter who both approached her case as

85
00:03:51,110 --> 00:03:48,159
if it was a possible alien abduction

86
00:03:52,789 --> 00:03:51,120
rick notably avoided that conclusion

87
00:03:55,190 --> 00:03:52,799
saying she didn't know what had happened

88
00:03:57,589 --> 00:03:55,200

to her now she's come forward saying she

89

00:03:59,830 --> 00:03:57,599

might be pregnant with an alien baby

90

00:04:03,110 --> 00:03:59,840

rick was interviewed on baha'i ahoy a

91

00:04:05,110 --> 00:04:03,120

program broadcast by la bruhula 24

92

00:04:07,670 --> 00:04:05,120

according to an article on the lapra

93

00:04:10,149 --> 00:04:07,680

hula 24 website at the beginning of the

94

00:04:12,309 --> 00:04:10,159

interview rick asked the interviewer to

95

00:04:14,869 --> 00:04:12,319

throw a peso at me because she was a

96

00:04:17,189 --> 00:04:14,879

poor old woman working in the field she

97

00:04:19,990 --> 00:04:17,199

further explained i am doing studies

98

00:04:22,629 --> 00:04:20,000

because i can have an alien pregnancy i

99

00:04:25,430 --> 00:04:22,639

don't ask for much i have to do a lot of

100

00:04:27,590 --> 00:04:25,440

things i ask for a little help tomorrow

101

00:04:29,670 --> 00:04:27,600

i have to do ultrasounds and stuff

102

00:04:32,310 --> 00:04:29,680

supposedly i got pregnant when they took

103

00:04:34,710 --> 00:04:32,320

me away i don't have a belly yet i feel

104

00:04:36,790 --> 00:04:34,720

discomfort things that happen to me i

105

00:04:38,950 --> 00:04:36,800

have to consult the prosecutor because

106

00:04:40,550 --> 00:04:38,960

she doesn't want me to talk much yet

107

00:04:42,230 --> 00:04:40,560

we'll be sure to keep the listener

108

00:04:51,020 --> 00:04:42,240

updated if there are any further
