

OUR 500TH SHOW!

CALL IN!

+1 855-472-5483

1
00:01:02,869 --> 00:00:25,310

[Music]

2
00:01:07,670 --> 00:01:05,030

hello everyone and welcome to the show

3
00:01:09,990 --> 00:01:07,680

i'm martin willis your host and this is

4
00:01:12,070 --> 00:01:10,000

our 500th

5
00:01:13,670 --> 00:01:12,080

show i'm not making a big deal of it

6
00:01:15,670 --> 00:01:13,680

really per se

7
00:01:19,030 --> 00:01:15,680

but um because i had my little 10-year

8
00:01:21,190 --> 00:01:19,040

celebration there you know a uh what was

9
00:01:23,749 --> 00:01:21,200

that a month or two ago but it's funny i

10
00:01:25,429 --> 00:01:23,759

put back on the calendar

11
00:01:27,270 --> 00:01:25,439

two years ago i

12
00:01:29,109 --> 00:01:27,280

counted ahead somewhere around there i

13
00:01:29,990 --> 00:01:29,119

don't know exactly when but i counted

14

00:01:31,350 --> 00:01:30,000

ahead

15

00:01:34,390 --> 00:01:31,360

and got to

16

00:01:37,590 --> 00:01:34,400

this date and i put this is my 500th

17

00:01:40,069 --> 00:01:37,600

show luckily i did my math right and uh

18

00:01:42,149 --> 00:01:40,079

so i put on the calendar like two years

19

00:01:42,950 --> 00:01:42,159

ago that this was going to be a call-in

20

00:01:44,469 --> 00:01:42,960

show

21

00:01:48,149 --> 00:01:44,479

so i'm hoping

22

00:01:50,389 --> 00:01:48,159

that um it i hope you call in we would

23

00:01:52,230 --> 00:01:50,399

like to hear from you uh

24

00:01:54,310 --> 00:01:52,240

we we are actually going to be putting

25

00:01:56,230 --> 00:01:54,320

the number up here in just a minute but

26

00:01:58,149 --> 00:01:56,240

bill bill will be standing by he i'm

27

00:02:00,469 --> 00:01:58,159

going to pull him in until uh and talk

28

00:02:02,310 --> 00:02:00,479

with him until we have you know people

29

00:02:05,510 --> 00:02:02,320

lined up on the phone lines

30

00:02:08,469 --> 00:02:05,520

and so you can call in about

31

00:02:11,190 --> 00:02:08,479

uh basically anything uap related i'd

32

00:02:13,750 --> 00:02:11,200

like to keep it along the lines of ufos

33

00:02:17,030 --> 00:02:13,760

uaps things like that we can touch a

34

00:02:18,869 --> 00:02:17,040

little bit on abductions um but also

35

00:02:21,350 --> 00:02:18,879

feel free to call in and ask me

36

00:02:23,350 --> 00:02:21,360

questions why not um

37

00:02:25,589 --> 00:02:23,360

you know this 500 show you'd think that

38

00:02:26,869 --> 00:02:25,599

i know something about ufos

39

00:02:29,990 --> 00:02:26,879

but i don't

40

00:02:32,470 --> 00:02:30,000

there's uh it's still just a mystery to

41

00:02:35,509 --> 00:02:32,480

me um and i'm still love exploring the

42

00:02:38,150 --> 00:02:35,519

mystery and you know hopefully we'll

43

00:02:40,390 --> 00:02:38,160

find out more as we go along you know

44

00:02:42,470 --> 00:02:40,400

the more i look into this as i've said

45

00:02:43,270 --> 00:02:42,480

many times i feel like it's the less i

46

00:02:47,430 --> 00:02:43,280

know

47

00:02:48,309 --> 00:02:47,440

but it's still really fascinating to me

48

00:02:50,390 --> 00:02:48,319

and

49

00:02:52,470 --> 00:02:50,400

uh let's see bill i'm going to be

50

00:02:53,910 --> 00:02:52,480

bringing you in a minute but i want to

51

00:02:56,309 --> 00:02:53,920

talk first of all

52

00:02:58,630 --> 00:02:56,319

uh charles lear does a great

53

00:03:00,550 --> 00:02:58,640

blog every week plus he does an audio

54

00:03:03,190 --> 00:03:00,560

blog from that that's posted up on

55

00:03:05,750 --> 00:03:03,200

youtube and it's also in the podcast

56

00:03:07,509 --> 00:03:05,760

feed last week in the middle of the week

57

00:03:11,350 --> 00:03:07,519

i did a show with

58

00:03:13,350 --> 00:03:11,360

mark ali about uh crystal skulls and he

59

00:03:15,190 --> 00:03:13,360

is an archaeologist and it was a really

60

00:03:17,190 --> 00:03:15,200

fascinating so that's up on the youtube

61

00:03:19,589 --> 00:03:17,200

channel if you want to check that out if

62

00:03:21,750 --> 00:03:19,599

you haven't watched it yet um he also

63

00:03:24,229 --> 00:03:21,760

talks very casually at the end i said oh

64

00:03:26,470 --> 00:03:24,239

you were going to talk about ufos

65

00:03:27,750 --> 00:03:26,480

and because he has written some books on

66

00:03:30,470 --> 00:03:27,760

that and

67

00:03:32,470 --> 00:03:30,480

he just kind of casually said oh yes

68

00:03:35,110 --> 00:03:32,480

someone has given me crash material it's

69

00:03:37,910 --> 00:03:35,120

in the garage so i have to find out what

70

00:03:39,270 --> 00:03:37,920

that's all about and i'm gonna you know

71

00:03:42,070 --> 00:03:39,280

and

72

00:03:44,949 --> 00:03:42,080

i don't know what i think about crash

73

00:03:47,430 --> 00:03:44,959

material yet um i don't know if there's

74

00:03:49,750 --> 00:03:47,440

enough real strong evidence that

75

00:03:51,750 --> 00:03:49,760

what these things are is

76

00:03:55,509 --> 00:03:51,760

uh that they find materials meta

77

00:03:57,429 --> 00:03:55,519

materials uh is actually from um an

78

00:03:58,869 --> 00:03:57,439

intelligence out there i i don't know

79

00:04:01,910 --> 00:03:58,879

i'm on the fence about it i should put

80

00:04:04,390 --> 00:04:01,920

it that way so anyway i'd still want to

81

00:04:07,030 --> 00:04:04,400

find out what that is so

82

00:04:09,270 --> 00:04:07,040

the blog getting back to what charles

83

00:04:12,070 --> 00:04:09,280

lear did this week a multiple witness

84

00:04:14,149 --> 00:04:12,080

ufo abduction so that's what his blog is

85

00:04:15,830 --> 00:04:14,159

on and it starts out with the travis

86

00:04:20,069 --> 00:04:15,840

wall in the case and more so check that

87

00:04:22,710 --> 00:04:20,079

out over at podcast ufo.com

88

00:04:24,710 --> 00:04:22,720

uh also if you head on over there you

89

00:04:26,629 --> 00:04:24,720

also see that you can support the show

90

00:04:29,030 --> 00:04:26,639

and anything you would like to help out

91

00:04:30,950 --> 00:04:29,040

with two dollars or more a month i'm

92

00:04:33,270 --> 00:04:30,960

grateful for all that thank you for all

93

00:04:36,550 --> 00:04:33,280

the people that do support the show

94

00:04:39,189 --> 00:04:36,560

and uh i do want to tell i'm getting a

95

00:04:42,310 --> 00:04:39,199

text right now from the man himself uh

96

00:04:44,070 --> 00:04:42,320

james fox um i've had a conversation

97

00:04:47,270 --> 00:04:44,080

with him recently and we're going to be

98

00:04:49,830 --> 00:04:47,280

we're going to be uh setting up an on

99

00:04:52,070 --> 00:04:49,840

location at his house he moved from

100

00:04:55,990 --> 00:04:52,080

california to vermont i guess that's no

101
00:04:58,390 --> 00:04:56,000
secret and he bought this big huge mega

102
00:05:01,029 --> 00:04:58,400
place where he can work on his films and

103
00:05:02,550 --> 00:05:01,039
i think it's a farm in a in vermont

104
00:05:04,790 --> 00:05:02,560
really looking forward to going out

105
00:05:07,430 --> 00:05:04,800
there hopefully the first part of may

106
00:05:11,749 --> 00:05:07,440
that will happen but he did send me a

107
00:05:15,670 --> 00:05:11,759
final cut of his video on the vaho

108
00:05:19,590 --> 00:05:17,749
i can't it's the brazil case i've heard

109
00:05:22,790 --> 00:05:19,600
about it for years pardon me for messing

110
00:05:24,469 --> 00:05:22,800
up the name of that the area where this

111
00:05:26,390 --> 00:05:24,479
happened it

112
00:05:28,070 --> 00:05:26,400
it's really an incredible

113
00:05:30,550 --> 00:05:28,080

uh

114

00:05:33,670 --> 00:05:30,560

film that he's created and i gotta tell

115

00:05:36,790 --> 00:05:33,680

you if you watch this when it comes out

116

00:05:39,029 --> 00:05:36,800

you're going to not be able to say that

117

00:05:40,790 --> 00:05:39,039

there's nothing that went on there after

118

00:05:43,110 --> 00:05:40,800

watching it it was like these people are

119

00:05:45,029 --> 00:05:43,120

totally believable like he asked me not

120

00:05:47,909 --> 00:05:45,039

to reveal too much about it

121

00:05:50,950 --> 00:05:47,919

but there is never seen before testimony

122

00:05:52,469 --> 00:05:50,960

that will be in this um that just really

123

00:05:55,110 --> 00:05:52,479

i watched it with a friend and it blew

124

00:05:58,230 --> 00:05:55,120

us both away it's really incredible so i

125

00:06:00,070 --> 00:05:58,240

don't know if we uh even have anyone on

126
00:06:02,710 --> 00:06:00,080
the line yet um

127
00:06:04,150 --> 00:06:02,720
yes i got to put up the call-in number

128
00:06:07,029 --> 00:06:04,160
and

129
00:06:09,590 --> 00:06:07,039
i'll do that just in one second here

130
00:06:14,150 --> 00:06:09,600
and here we go so here is the call-in

131
00:06:18,790 --> 00:06:16,629
uh bill is standing by and until we get

132
00:06:21,350 --> 00:06:18,800
callers in um

133
00:06:22,230 --> 00:06:21,360
again call in about a sighting that you

134
00:06:25,270 --> 00:06:22,240
had

135
00:06:28,469 --> 00:06:25,280
or sightings plural if you'd like um

136
00:06:31,510 --> 00:06:28,479
call in about your experiences

137
00:06:33,830 --> 00:06:31,520
and just the ufo topic whether you've

138
00:06:35,430 --> 00:06:33,840

been looking into it for years how you

139

00:06:37,670 --> 00:06:35,440

feel about it how you feel things are

140

00:06:40,230 --> 00:06:37,680

going i'd like to hear from you

141

00:06:41,749 --> 00:06:40,240

uh also if you would like to talk about

142

00:06:44,629 --> 00:06:41,759

other things as long as it's kind of

143

00:06:46,710 --> 00:06:44,639

related to the ufo world that's uh

144

00:06:48,629 --> 00:06:46,720

that's why we'd like to touch on topics

145

00:06:49,909 --> 00:06:48,639

today it looks like i could see bill in

146

00:06:52,230 --> 00:06:49,919

the background looks like he's already

147

00:06:54,710 --> 00:06:52,240

talking to someone on the phone

148

00:06:56,070 --> 00:06:54,720

so there that's the case uh logan thank

149

00:06:57,029 --> 00:06:56,080

you very much

150

00:06:58,950 --> 00:06:57,039

uh

151
00:07:02,309 --> 00:06:58,960
i always have trouble

152
00:07:06,469 --> 00:07:04,629
i can't pronounce it

153
00:07:08,790 --> 00:07:06,479
any can you help me with that

154
00:07:11,510 --> 00:07:08,800
pronunciation anyway you're right about

155
00:07:14,070 --> 00:07:11,520
that it's up on the screen

156
00:07:16,390 --> 00:07:14,080
and anyway uh and eve thank you i

157
00:07:17,990 --> 00:07:16,400
understand about being shy

158
00:07:19,749 --> 00:07:18,000
about calling in

159
00:07:21,670 --> 00:07:19,759
about your sighting i totally understand

160
00:07:24,070 --> 00:07:21,680
that and you can totally remain

161
00:07:25,110 --> 00:07:24,080
anonymous when you do call in if you

162
00:07:27,029 --> 00:07:25,120
would like

163
00:07:29,029 --> 00:07:27,039

but um

164

00:07:30,469 --> 00:07:29,039

and there's no shame here nothing to be

165

00:07:32,469 --> 00:07:30,479

concerned about

166

00:07:34,629 --> 00:07:32,479

um it's funny i had uh yeah we're

167

00:07:36,469 --> 00:07:34,639

getting calls in so bill thank you for

168

00:07:38,710 --> 00:07:36,479

that i'll i'll get the call in just a

169

00:07:40,950 --> 00:07:38,720

minute um you know there's a ufo

170

00:07:43,350 --> 00:07:40,960

researcher that's out there that's been

171

00:07:46,309 --> 00:07:43,360

on tv and stuff and now he talks about

172

00:07:48,150 --> 00:07:46,319

a ufo sighting that he had and why he's

173

00:07:50,390 --> 00:07:48,160

part of the pack because he had this ufo

174

00:07:52,070 --> 00:07:50,400

sighting when he was on my show you know

175

00:07:54,869 --> 00:07:52,080

years ahead of that and just saying yeah

176

00:07:56,710 --> 00:07:54,879

i've never had a ufo sighting i'm just

177

00:08:00,230 --> 00:07:56,720

interested in the topic you don't need

178

00:08:02,309 --> 00:08:00,240

to go that route if if you don't be uh

179

00:08:04,950 --> 00:08:02,319

what i'm getting at is his excuse

180

00:08:07,510 --> 00:08:04,960

according to him was that he was too shy

181

00:08:09,749 --> 00:08:07,520

to talk about his ufo experience

182

00:08:10,550 --> 00:08:09,759

on a ufo show

183

00:08:12,390 --> 00:08:10,560

so

184

00:08:14,790 --> 00:08:12,400

what i'm getting at is

185

00:08:17,110 --> 00:08:14,800

don't be shy europe you can talk about

186

00:08:20,309 --> 00:08:17,120

ufo experience we'd love to hear from

187

00:08:22,710 --> 00:08:20,319

you and there is no shame nothing to be

188

00:08:24,550 --> 00:08:22,720

worried about and i'm going to bring you

189

00:08:29,510 --> 00:08:24,560

in bill you asked me to bring you in

190

00:08:31,589 --> 00:08:29,520

hi bill and uh also happy 10th year kgra

191

00:08:33,509 --> 00:08:31,599

yes that's where what you see behind me

192

00:08:34,870 --> 00:08:33,519

the balloons obviously they're up there

193

00:08:38,230 --> 00:08:34,880

somewhere you can't quite see if we see

194

00:08:42,469 --> 00:08:40,310

it's actually it's actually my birthday

195

00:08:44,310 --> 00:08:42,479

on april fool's day

196

00:08:46,070 --> 00:08:44,320

well i thought so yeah that makes sense

197

00:08:48,949 --> 00:08:46,080

right yeah

198

00:08:51,509 --> 00:08:48,959

but i want to be sad james fox is always

199

00:08:53,190 --> 00:08:51,519

working hard i mean he is working

200

00:08:55,030 --> 00:08:53,200

extremely hard

201
00:08:57,509 --> 00:08:55,040
around the clock

202
00:08:58,949 --> 00:08:57,519
really really yeah um

203
00:09:00,389 --> 00:08:58,959
because i spoke to him a couple of weeks

204
00:09:01,430 --> 00:09:00,399
ago he says bill i'm just so busy

205
00:09:03,350 --> 00:09:01,440
working on

206
00:09:04,790 --> 00:09:03,360
this project um

207
00:09:06,870 --> 00:09:04,800
but and you know what people don't

208
00:09:10,230 --> 00:09:06,880
realize james as you and i have

209
00:09:12,310 --> 00:09:10,240
discussed he has a great sense of humor

210
00:09:13,910 --> 00:09:12,320
he's really funny great guy he's he's

211
00:09:16,230 --> 00:09:13,920
really a great guy

212
00:09:18,630 --> 00:09:16,240
and martin there's other projects that

213
00:09:21,030 --> 00:09:18,640

are going to be dropping in the next

214

00:09:22,389 --> 00:09:21,040

year or so so i would advise people just

215

00:09:24,310 --> 00:09:22,399

keep an eye out for some of the things

216

00:09:27,590 --> 00:09:24,320

that are coming out obviously there's

217

00:09:30,470 --> 00:09:27,600

end uh ndas involved so it's difficult

218

00:09:32,470 --> 00:09:30,480

for martin or i to discuss anything but

219

00:09:34,389 --> 00:09:32,480

trust me there's going to be a lot of

220

00:09:36,230 --> 00:09:34,399

interesting material

221

00:09:38,710 --> 00:09:36,240

coming out to the public within a year

222

00:09:39,910 --> 00:09:38,720

or so i am i can't emphasize that you

223

00:09:42,389 --> 00:09:39,920

need to be

224

00:09:44,710 --> 00:09:42,399

keeping an eye on all that now

225

00:09:46,470 --> 00:09:44,720

when you call in folks please

226

00:09:48,710 --> 00:09:46,480

mute your backgrounds because i'll be

227

00:09:50,230 --> 00:09:48,720

answering the calls so please meet your

228

00:09:51,750 --> 00:09:50,240

mute your backgrounds when you come on

229

00:09:55,190 --> 00:09:51,760

with martin

230

00:09:57,350 --> 00:09:55,200

and also as always as um there are mods

231

00:10:00,470 --> 00:09:57,360

in there i know dave's probably in there

232

00:10:02,230 --> 00:10:00,480

just pl try to be respectful um

233

00:10:05,670 --> 00:10:02,240

and if there's always the agreement to

234

00:10:08,790 --> 00:10:05,680

disagree with respect that would be my

235

00:10:11,350 --> 00:10:08,800

whole thing yeah martin congratulations

236

00:10:12,710 --> 00:10:11,360

on your 500th

237

00:10:14,230 --> 00:10:12,720

episode

238

00:10:15,750 --> 00:10:14,240

well thank you and like i say i'm not

239

00:10:18,389 --> 00:10:15,760

making really a big deal of it other

240

00:10:20,470 --> 00:10:18,399

than it's a call-in show but

241

00:10:23,110 --> 00:10:20,480

yeah i'm plugging along and next week

242

00:10:24,069 --> 00:10:23,120

will be 501 so

243

00:10:25,590 --> 00:10:24,079

no no

244

00:10:27,110 --> 00:10:25,600

it is kind of a landmark but i'm not

245

00:10:28,949 --> 00:10:27,120

making a big deal of it other than i

246

00:10:31,829 --> 00:10:28,959

just wanted to call in shows james might

247

00:10:33,990 --> 00:10:31,839

make a big deal just he'll freak out at

248

00:10:35,590 --> 00:10:34,000

701 huh

249

00:10:36,389 --> 00:10:35,600

yeah right yeah

250

00:10:38,630 --> 00:10:36,399

yeah

251
00:10:40,310 --> 00:10:38,640
that might break for the guy anyway

252
00:10:41,910 --> 00:10:40,320
folks call in the lines are open we

253
00:10:44,069 --> 00:10:41,920
already have a caller on the line so

254
00:10:44,870 --> 00:10:44,079
martin have a great show i am out of

255
00:10:47,509 --> 00:10:44,880
here

256
00:10:49,190 --> 00:10:47,519
all right very good all right so we have

257
00:10:50,790 --> 00:10:49,200
i and i'll look to your questions too

258
00:10:52,870 --> 00:10:50,800
for those of you that do not want to

259
00:10:55,030 --> 00:10:52,880
call in i understand i'll try to put

260
00:10:57,430 --> 00:10:55,040
some questions if you want to post those

261
00:10:59,670 --> 00:10:57,440
in all caps i would appreciate that so

262
00:11:01,829 --> 00:10:59,680
right now i'm going to be talking to

263
00:11:03,910 --> 00:11:01,839

andy a regular caller andy from

264

00:11:06,230 --> 00:11:03,920

connecticut always fun to hear from you

265

00:11:09,269 --> 00:11:06,240

you are live on the air andy

266

00:11:10,069 --> 00:11:09,279

hi congratulations on uh on your 500th

267

00:11:11,910 --> 00:11:10,079

show

268

00:11:14,630 --> 00:11:11,920

thank you

269

00:11:16,870 --> 00:11:14,640

i just wanted to to mention i had a

270

00:11:18,949 --> 00:11:16,880

crazy sighting i've never brought up

271

00:11:20,790 --> 00:11:18,959

before about two years ago

272

00:11:22,150 --> 00:11:20,800

um watering

273

00:11:24,790 --> 00:11:22,160

my garden

274

00:11:28,150 --> 00:11:24,800

at about eight at night in the summer i

275

00:11:30,630 --> 00:11:28,160

looked up and saw a black dot in the sky

276

00:11:32,949 --> 00:11:30,640

and it stayed stayed in place didn't

277

00:11:35,590 --> 00:11:32,959

move at all like a plane or a bird would

278

00:11:38,310 --> 00:11:35,600

so i took out the phone and uh magnified

279

00:11:39,430 --> 00:11:38,320

in on it and i took 16 pictures in about

280

00:11:41,829 --> 00:11:39,440

one minute

281

00:11:43,030 --> 00:11:41,839

and then i magnified in the photos that

282

00:11:44,710 --> 00:11:43,040

i had taken

283

00:11:46,870 --> 00:11:44,720

and every single photo

284

00:11:47,990 --> 00:11:46,880

is a totally different

285

00:11:49,910 --> 00:11:48,000

shape

286

00:11:52,230 --> 00:11:49,920

uh object

287

00:11:55,430 --> 00:11:52,240

and it leads me to believe that i think

288

00:11:58,310 --> 00:11:55,440

that it's an opening or a portal of some

289

00:12:01,269 --> 00:11:58,320

sort it's not a craft

290

00:12:03,030 --> 00:12:01,279

it's black it has a white kind of energy

291

00:12:06,150 --> 00:12:03,040

perimeter around it

292

00:12:08,710 --> 00:12:06,160

and i i did report it to mufon

293

00:12:10,470 --> 00:12:08,720

that never went anywhere

294

00:12:13,110 --> 00:12:10,480

but i'm happy to provide the photos to

295

00:12:15,030 --> 00:12:13,120

anybody that that's interested in them

296

00:12:17,269 --> 00:12:15,040

uh well i don't know how clear are they

297

00:12:18,949 --> 00:12:17,279

india are they pretty clear

298

00:12:21,190 --> 00:12:18,959

they're pretty clear i mean it's a it's

299

00:12:23,269 --> 00:12:21,200

a it's like an eight megapixel

300

00:12:24,550 --> 00:12:23,279

uh note 20

301
00:12:26,230 --> 00:12:24,560
cell phone

302
00:12:28,069 --> 00:12:26,240
um and they're they're as good as you

303
00:12:30,230 --> 00:12:28,079
you can expect

304
00:12:32,790 --> 00:12:30,240
and the final detail i would give that

305
00:12:34,470 --> 00:12:32,800
convinces me that it was something

306
00:12:36,389 --> 00:12:34,480
bizarre

307
00:12:38,230 --> 00:12:36,399
you know i'm looking at the open sky

308
00:12:39,509 --> 00:12:38,240
this thing might have been at 50 or 60

309
00:12:40,310 --> 00:12:39,519
000 feet

310
00:12:42,310 --> 00:12:40,320
and

311
00:12:45,030 --> 00:12:42,320
all of a sudden it just isn't there

312
00:12:46,150 --> 00:12:45,040
anymore it didn't travel across the sky

313
00:12:47,670 --> 00:12:46,160

anywhere

314

00:12:50,150 --> 00:12:47,680

it's just gone

315

00:12:52,069 --> 00:12:50,160

so that right there leads me to to

316

00:12:53,670 --> 00:12:52,079

believe that uh something truly

317

00:12:55,269 --> 00:12:53,680

extraordinary

318

00:12:56,629 --> 00:12:55,279

well i'll tell you it once you get off

319

00:12:58,949 --> 00:12:56,639

the phone with me

320

00:13:01,269 --> 00:12:58,959

if you would like to email the those to

321

00:13:02,870 --> 00:13:01,279

martinettepodcastufo.com

322

00:13:04,870 --> 00:13:02,880

i'll look for the email and i'll pop

323

00:13:06,550 --> 00:13:04,880

those up in here you know and i don't

324

00:13:08,710 --> 00:13:06,560

know if you want to uh call back in

325

00:13:11,430 --> 00:13:08,720

later but i'll i'll put those up

326

00:13:13,509 --> 00:13:11,440

uh if you just feel free i'm sure the uh

327

00:13:15,670 --> 00:13:13,519

and i'll also put those in the show

328

00:13:17,750 --> 00:13:15,680

notes um for the for this show in

329

00:13:19,030 --> 00:13:17,760

particular if someone would like to

330

00:13:20,790 --> 00:13:19,040

check that out

331

00:13:21,990 --> 00:13:20,800

um anything else andy you always have

332

00:13:24,150 --> 00:13:22,000

really good questions every time you

333

00:13:25,350 --> 00:13:24,160

call in anything else or any comments or

334

00:13:28,949 --> 00:13:25,360

anything

335

00:13:30,710 --> 00:13:28,959

that i love your show i used to live in

336

00:13:31,670 --> 00:13:30,720

maine and i've always been a new england

337

00:13:34,710 --> 00:13:31,680

yankee

338

00:13:37,350 --> 00:13:34,720

and uh i have a certain affinity i i try

339

00:13:38,949 --> 00:13:37,360

to try to listen no matter where i am so

340

00:13:40,629 --> 00:13:38,959

you're doing it excellent well you've

341

00:13:43,269 --> 00:13:40,639

been listening for a long time and i

342

00:13:44,710 --> 00:13:43,279

really appreciate that a lot yeah no

343

00:13:46,310 --> 00:13:44,720

problem right all right all right you

344

00:13:47,509 --> 00:13:46,320

take care

345

00:13:50,470 --> 00:13:47,519

all right

346

00:13:52,629 --> 00:13:50,480

so i see lou from unidentified celebrity

347

00:13:57,790 --> 00:13:52,639

review uh lou

348

00:14:02,629 --> 00:14:01,189

855-472-5483 the line is open and if i

349

00:14:05,670 --> 00:14:02,639

don't hear from someone right away i'm

350

00:14:06,870 --> 00:14:05,680

going to bring back in uh

351

00:14:10,150 --> 00:14:06,880

and bill we're going to be talking a

352

00:14:12,870 --> 00:14:10,160

little bit more and monica uh thank you

353

00:14:13,670 --> 00:14:12,880

monica has been listening forever to the

354

00:14:17,829 --> 00:14:13,680

show

355

00:14:19,350 --> 00:14:17,839

and she also is uh

356

00:14:21,990 --> 00:14:19,360

oh the colin yes i see what you're

357

00:14:24,949 --> 00:14:22,000

saying uh you sure you also are a

358

00:14:27,350 --> 00:14:24,959

moderator on the on the chat and all the

359

00:14:29,110 --> 00:14:27,360

moderators she's the only one left and

360

00:14:30,470 --> 00:14:29,120

it's nothing against

361

00:14:33,670 --> 00:14:30,480

uh we just had a little bit of a

362

00:14:35,750 --> 00:14:33,680

moderator breakdown here so uh we have

363

00:14:38,470 --> 00:14:35,760

just monica in there now and i'll be

364

00:14:41,269 --> 00:14:38,480

slowly adding uh people as we as we come

365

00:14:42,870 --> 00:14:41,279

along so uh bill i'm gonna bring you

366

00:14:45,110 --> 00:14:42,880

back in

367

00:14:47,430 --> 00:14:45,120

unless we have someone

368

00:14:49,350 --> 00:14:47,440

uh someone calling

369

00:14:50,310 --> 00:14:49,360

not right now okay

370

00:14:51,829 --> 00:14:50,320

uh

371

00:14:53,829 --> 00:14:51,839

so bill are you there

372

00:14:57,030 --> 00:14:53,839

yeah but it's weird martin i think oh

373

00:14:59,509 --> 00:14:57,040

there we are oh i did that

374

00:15:01,430 --> 00:14:59,519

it was a little glitch thing going on i

375

00:15:03,910 --> 00:15:01,440

don't know yeah no no it was me i just i

376

00:15:06,790 --> 00:15:03,920

just said the full screen for myself

377

00:15:09,269 --> 00:15:06,800

it's just an ego thing that's all it is

378

00:15:12,389 --> 00:15:09,279

but you know i've had a couple of

379

00:15:15,509 --> 00:15:12,399

actually one was documented in 95

380

00:15:16,629 --> 00:15:15,519

i'll never forget it was june 10th 1995.

381

00:15:18,389 --> 00:15:16,639

i lived in

382

00:15:19,750 --> 00:15:18,399

the bronx at the time

383

00:15:23,189 --> 00:15:19,760

um

384

00:15:25,350 --> 00:15:23,199

the north east part of the bronx

385

00:15:27,110 --> 00:15:25,360

and i seen something out my window at

386

00:15:29,430 --> 00:15:27,120

about 11 o'clock at night it was during

387

00:15:32,150 --> 00:15:29,440

a thunderstorm and it was

388

00:15:33,269 --> 00:15:32,160

i it was a dark thing i couldn't see it

389

00:15:37,030 --> 00:15:33,279

but it had

390

00:15:38,230 --> 00:15:37,040

the five boomerang lights look to it

391

00:15:40,150 --> 00:15:38,240

i don't know if it was a trying

392

00:15:41,430 --> 00:15:40,160

triangular but it was boomerang and it

393

00:15:43,350 --> 00:15:41,440

was heading right to central park where

394

00:15:44,949 --> 00:15:43,360

they had been showing pocahontas they

395

00:15:47,269 --> 00:15:44,959

were doing the fireworks and then i

396

00:15:49,269 --> 00:15:47,279

reported it to peter davenport

397

00:15:50,790 --> 00:15:49,279

at the time and he emailed me back a

398

00:15:52,470 --> 00:15:50,800

couple days later he said you're not

399

00:15:55,509 --> 00:15:52,480

alone many people seen it from new york

400

00:15:57,430 --> 00:15:55,519

city up to hudson to canada so i've had

401
00:16:00,150 --> 00:15:57,440
my couple of sites another one in mount

402
00:16:01,990 --> 00:16:00,160
talk i think it was 199 99 which was

403
00:16:04,069 --> 00:16:02,000
really interesting martin because when

404
00:16:07,990 --> 00:16:04,079
chris garatano did the montauk

405
00:16:10,870 --> 00:16:08,000
chronicles film yeah he contacted me he

406
00:16:12,870 --> 00:16:10,880
said because i told him about my story

407
00:16:15,590 --> 00:16:12,880
he says bill i got a clip that was not

408
00:16:16,949 --> 00:16:15,600
in the movie it was a deleted scene

409
00:16:20,629 --> 00:16:16,959
and you're not going to believe it but a

410
00:16:23,269 --> 00:16:20,639
fisherman who's now sadly deceased

411
00:16:24,550 --> 00:16:23,279
he's seen something in the same area

412
00:16:25,910 --> 00:16:24,560
that i was looking but he was cut

413
00:16:28,069 --> 00:16:25,920

looking from the north to the south he

414

00:16:30,150 --> 00:16:28,079

saw the same thing i did so i was blown

415

00:16:31,749 --> 00:16:30,160

away when chris sent me that clip

416

00:16:33,509 --> 00:16:31,759

because it was the same thing that i

417

00:16:35,509 --> 00:16:33,519

seen over the ocean

418

00:16:37,829 --> 00:16:35,519

when i was in mountain fishing

419

00:16:39,350 --> 00:16:37,839

so okay hey guys just let you know could

420

00:16:41,269 --> 00:16:39,360

people be calling someone saying they're

421

00:16:42,629 --> 00:16:41,279

calling in and it just rings yeah i was

422

00:16:44,710 --> 00:16:42,639

looking at the screen and probably

423

00:16:45,590 --> 00:16:44,720

they'll call whoever who was that robert

424

00:16:48,069 --> 00:16:45,600

robert

425

00:16:50,150 --> 00:16:48,079

i'll just i'll i'll jump off but i just

426

00:16:52,710 --> 00:16:50,160

wanted to to say that all right yeah

427

00:16:54,629 --> 00:16:52,720

okay yeah call back in yeah yeah all

428

00:16:59,030 --> 00:16:54,639

right

429

00:17:01,269 --> 00:16:59,040

thing again and we'll keep you there

430

00:17:03,189 --> 00:17:01,279

um and just let me know when they come

431

00:17:05,990 --> 00:17:03,199

in

432

00:17:08,390 --> 00:17:06,000

so yeah so people are

433

00:17:12,549 --> 00:17:10,789

there are you know people that are

434

00:17:14,870 --> 00:17:12,559

watching right now there's

435

00:17:17,029 --> 00:17:14,880

uh that i know you would like to talk

436

00:17:18,870 --> 00:17:17,039

about you're saying again uh it's a safe

437

00:17:21,350 --> 00:17:18,880

place to talk you can just give a first

438

00:17:23,750 --> 00:17:21,360

name it's not a big deal and love i'd

439

00:17:27,110 --> 00:17:23,760

love to hear um your experiences they're

440

00:17:29,029 --> 00:17:27,120

always interesting to me and i i find

441

00:17:33,190 --> 00:17:29,039

people's ufo

442

00:17:35,590 --> 00:17:33,200

stories that are not really involved

443

00:17:37,590 --> 00:17:35,600

in the ufo world so to speak and may

444

00:17:39,590 --> 00:17:37,600

just dabble in it or look into it a

445

00:17:40,470 --> 00:17:39,600

little bit but the reason they're doing

446

00:17:43,190 --> 00:17:40,480

that

447

00:17:45,110 --> 00:17:43,200

in the first place is because they had

448

00:17:47,750 --> 00:17:45,120

a sighting i love to hear those

449

00:17:50,230 --> 00:17:47,760

sightings and it happens quite a bit

450

00:17:52,549 --> 00:17:50,240

when i'm out around talking to people

451
00:17:54,549 --> 00:17:52,559
and somehow the subject comes up that i

452
00:17:56,230 --> 00:17:54,559
do or show in ufos

453
00:17:57,830 --> 00:17:56,240
and i'm going to say nine times out of

454
00:17:59,270 --> 00:17:57,840
ten it seems that way maybe i'm

455
00:18:03,270 --> 00:17:59,280
exaggerating a little

456
00:18:05,909 --> 00:18:03,280
but someone will say oh yeah uh well i

457
00:18:08,710 --> 00:18:05,919
had this happen and some of the most

458
00:18:10,310 --> 00:18:08,720
amazing stories that i've heard is

459
00:18:12,150 --> 00:18:10,320
you know out in a

460
00:18:15,270 --> 00:18:12,160
casual conversation

461
00:18:17,590 --> 00:18:15,280
when you're not expecting anything and i

462
00:18:19,830 --> 00:18:17,600
know i told this story before

463
00:18:22,390 --> 00:18:19,840

uh but i'll i'll tell it again um until

464

00:18:24,950 --> 00:18:22,400

we get another caller is i was out at

465

00:18:27,909 --> 00:18:24,960

the ufo congress

466

00:18:29,430 --> 00:18:27,919

in uh phoenix uh i don't know like four

467

00:18:32,070 --> 00:18:29,440

or five years ago

468

00:18:34,710 --> 00:18:32,080

uh looks like that'll be continued maybe

469

00:18:36,710 --> 00:18:34,720

i don't have to talk about that but we

470

00:18:39,990 --> 00:18:36,720

have uh george

471

00:18:43,909 --> 00:18:40,000

uh george is calling from new york oh

472

00:18:45,990 --> 00:18:43,919

i'm sorry robert he gave both names

473

00:18:48,630 --> 00:18:46,000

robert uh welcome to the show you're

474

00:18:50,630 --> 00:18:48,640

live on the air

475

00:18:53,669 --> 00:18:50,640

oh robert hi martin

476

00:18:55,669 --> 00:18:53,679

thank you for your content and uh

477

00:18:58,870 --> 00:18:55,679

wondering if you've ever taken the

478

00:19:01,750 --> 00:18:58,880

possibility that ancient humanities past

479

00:19:03,669 --> 00:19:01,760

could be related to ufos

480

00:19:05,669 --> 00:19:03,679

and uh we'll take the call off the

481

00:19:06,870 --> 00:19:05,679

answer off there thank you wait a minute

482

00:19:08,470 --> 00:19:06,880

before you go

483

00:19:10,710 --> 00:19:08,480

are you saying kind of like along the

484

00:19:11,909 --> 00:19:10,720

ancient alien type theory is that what

485

00:19:13,190 --> 00:19:11,919

you kind of mean

486

00:19:16,950 --> 00:19:13,200

uh

487

00:19:19,909 --> 00:19:16,960

more along the lines of

488

00:19:22,390 --> 00:19:19,919

humanity has been

489

00:19:25,350 --> 00:19:22,400

around for like hundreds of thousands of

490

00:19:27,430 --> 00:19:25,360

years

491

00:19:28,549 --> 00:19:27,440

and and then have

492

00:19:30,870 --> 00:19:28,559

uh but

493

00:19:32,950 --> 00:19:30,880

in regards to say

494

00:19:34,390 --> 00:19:32,960

extraterrestrials is is there a

495

00:19:37,750 --> 00:19:34,400

connection

496

00:19:39,909 --> 00:19:37,760

that you're you're thinking of here i'm

497

00:19:42,870 --> 00:19:39,919

more thinking of like the theory that

498

00:19:44,549 --> 00:19:42,880

ufos are humanity

499

00:19:46,789 --> 00:19:44,559

that survived the younger drier

500

00:19:50,230 --> 00:19:46,799

cataclysm from

501
00:19:52,070 --> 00:19:50,240
twelve and a half thousand years ago

502
00:19:55,350 --> 00:19:52,080
yeah there's a lot of interesting

503
00:19:59,430 --> 00:19:57,110
there's a you know there's a lot of

504
00:20:02,870 --> 00:19:59,440
interesting theories and um you know

505
00:20:05,669 --> 00:20:02,880
after speaking to an astrophysicist

506
00:20:07,430 --> 00:20:05,679
one time he basically said

507
00:20:11,110 --> 00:20:07,440
um for

508
00:20:13,990 --> 00:20:11,120
a culture uh an intelligent culture

509
00:20:17,750 --> 00:20:14,000
from another planet to line up with

510
00:20:20,149 --> 00:20:17,760
our planet developing as an intelligence

511
00:20:21,909 --> 00:20:20,159
the odds of that are like one in a

512
00:20:23,029 --> 00:20:21,919
billion something like that so not only

513
00:20:24,310 --> 00:20:23,039

do we have

514

00:20:26,149 --> 00:20:24,320

um

515

00:20:29,830 --> 00:20:26,159

not only do we have

516

00:20:33,430 --> 00:20:29,840

life possibly um very of something very

517

00:20:35,909 --> 00:20:33,440

rare to find us here at this time or a

518

00:20:39,669 --> 00:20:35,919

time in the past

519

00:20:41,110 --> 00:20:39,679

it's uh the time is is is just baffling

520

00:20:42,870 --> 00:20:41,120

when it comes to

521

00:20:45,270 --> 00:20:42,880

how things can line up

522

00:20:46,310 --> 00:20:45,280

so i do think that it's very possible

523

00:20:48,470 --> 00:20:46,320

that

524

00:20:49,830 --> 00:20:48,480

we could have been visited by an

525

00:20:51,510 --> 00:20:49,840

intelligence

526
00:20:52,630 --> 00:20:51,520
you know even before we started

527
00:20:57,590 --> 00:20:52,640
developing

528
00:21:00,149 --> 00:20:57,600
of mammal you know it's very possible

529
00:21:01,190 --> 00:21:00,159
that we could have been visited

530
00:21:02,789 --> 00:21:01,200
you know

531
00:21:05,029 --> 00:21:02,799
a million years ago

532
00:21:07,190 --> 00:21:05,039
along the works of like graham hancock

533
00:21:09,510 --> 00:21:07,200
and reynold carlson

534
00:21:12,149 --> 00:21:09,520
they have basically proven that humanity

535
00:21:15,110 --> 00:21:12,159
has been around for a lot longer than

536
00:21:17,909 --> 00:21:15,120
our textbooks tell us they had

537
00:21:20,149 --> 00:21:17,919
i kind of i kind of feel that way myself

538
00:21:22,310 --> 00:21:20,159

but it's only because it just seems like

539

00:21:25,510 --> 00:21:22,320

a very short time that we could have

540

00:21:27,669 --> 00:21:25,520

developed the way we have uh so i kind

541

00:21:30,149 --> 00:21:27,679

of feel that way too but it's not on

542

00:21:32,149 --> 00:21:30,159

based on any science it's just kind of

543

00:21:34,630 --> 00:21:32,159

how it's kind of baffling that we could

544

00:21:37,990 --> 00:21:34,640

only be a species of a hundred thousand

545

00:21:39,750 --> 00:21:38,000

years as some science uh proclaims but

546

00:21:42,149 --> 00:21:39,760

thank you so much i really appreciate

547

00:21:45,510 --> 00:21:42,159

your your call robert we have a a few

548

00:21:46,549 --> 00:21:45,520

people lined up now thank you

549

00:21:50,070 --> 00:21:46,559

take care

550

00:21:56,830 --> 00:21:53,029

blue are you there welcome to the show

551

00:21:59,190 --> 00:21:56,840

hey how are you lou how are you so

552

00:22:00,950 --> 00:21:59,200

congratulations on 500.

553

00:22:02,789 --> 00:22:00,960

yeah again i'm not making a big deal of

554

00:22:05,430 --> 00:22:02,799

it it's just calling show but thank you

555

00:22:08,149 --> 00:22:05,440

very much and uh so lou

556

00:22:10,310 --> 00:22:08,159

uh you have uh your show is doing really

557

00:22:12,390 --> 00:22:10,320

well i'm very happy things have

558

00:22:14,789 --> 00:22:12,400

panned out uh the way they have for you

559

00:22:17,669 --> 00:22:14,799

unidentified celebrity review

560

00:22:21,830 --> 00:22:17,679

is what um lou does and and um you got

561

00:22:23,190 --> 00:22:21,840

over here at kgr a radio as well so uh

562

00:22:25,510 --> 00:22:23,200

so thanks for calling and how's

563

00:22:27,510 --> 00:22:25,520

everything going for you

564

00:22:29,669 --> 00:22:27,520

man everything's going not too shabby i

565

00:22:30,630 --> 00:22:29,679

mean it's it's been a rough couple weeks

566

00:22:31,669 --> 00:22:30,640

over here

567

00:22:35,430 --> 00:22:31,679

um

568

00:22:37,510 --> 00:22:35,440

uh you know after our uh interviews a

569

00:22:39,669 --> 00:22:37,520

couple of interviews we had but uh we're

570

00:22:41,830 --> 00:22:39,679

standing strong we're doing good

571

00:22:44,549 --> 00:22:41,840

well let's uh let's touch on that what's

572

00:22:51,350 --> 00:22:48,470

uh well we recently had an interview uh

573

00:22:53,830 --> 00:22:51,360

almost two weeks ago with uh

574

00:22:56,630 --> 00:22:53,840

with lou elizondo um he's been on the

575

00:22:58,149 --> 00:22:56,640

show many many times um

576
00:22:59,750 --> 00:22:58,159
you know been very friendly with him in

577
00:23:01,350 --> 00:22:59,760
the past and uh

578
00:23:03,990 --> 00:23:01,360
and there was there was a question that

579
00:23:05,909 --> 00:23:04,000
we've had for the last few months and to

580
00:23:08,470 --> 00:23:05,919
be honest we were kind of afraid to ask

581
00:23:09,130 --> 00:23:08,480
it and the question was essentially um

582
00:23:10,789 --> 00:23:09,140
about a

583
00:23:12,310 --> 00:23:10,799
[Music]

584
00:23:14,549 --> 00:23:12,320
twitter account

585
00:23:15,750 --> 00:23:14,559
that was rumored to be his

586
00:23:19,029 --> 00:23:15,760
um

587
00:23:22,310 --> 00:23:19,039
and the twitter account in question

588
00:23:24,070 --> 00:23:22,320

on it for the most part i'd say 95

589

00:23:26,390 --> 00:23:24,080

of these tweets were

590

00:23:28,549 --> 00:23:26,400

pretty mundane very supportive pretty

591

00:23:30,470 --> 00:23:28,559

nice and then about five to six percent

592

00:23:31,909 --> 00:23:30,480

of the tweets weren't so nice and kind

593

00:23:32,789 --> 00:23:31,919

of divisive

594

00:23:35,270 --> 00:23:32,799

um

595

00:23:36,789 --> 00:23:35,280

and uh so we asked them you know if it

596

00:23:39,510 --> 00:23:36,799

was his account

597

00:23:43,269 --> 00:23:39,520

and he didn't deny it uh basically gave

598

00:23:45,669 --> 00:23:43,279

us a soft yes um and then it kind of

599

00:23:49,669 --> 00:23:45,679

spiraled from there

600

00:23:51,990 --> 00:23:49,679

you know it had become this um

601
00:23:54,549 --> 00:23:52,000
you know a point of contention i guess

602
00:23:57,350 --> 00:23:54,559
for the community um

603
00:23:59,110 --> 00:23:57,360
that you know what what does it matter

604
00:23:59,990 --> 00:23:59,120
that he has a socked up in a cow who

605
00:24:04,390 --> 00:24:00,000
cares

606
00:24:05,350 --> 00:24:04,400
on an alternate account or

607
00:24:09,590 --> 00:24:05,360
um

608
00:24:11,990 --> 00:24:09,600
talking against dissension or different

609
00:24:13,590 --> 00:24:12,000
ways of thinking um

610
00:24:15,669 --> 00:24:13,600
and you know it kind of called into

611
00:24:18,630 --> 00:24:15,679
question like you know like

612
00:24:20,230 --> 00:24:18,640
why does he need to do that um you know

613
00:24:21,669 --> 00:24:20,240

and it's like i can understand some

614

00:24:23,990 --> 00:24:21,679

people have alternate accounts they want

615

00:24:25,590 --> 00:24:24,000

to let off steam they get frustrated uh

616

00:24:27,750 --> 00:24:25,600

they don't want to look like jerks

617

00:24:29,029 --> 00:24:27,760

through their you know public blue check

618

00:24:31,110 --> 00:24:29,039

mark account

619

00:24:33,029 --> 00:24:31,120

um but at the same time it's you know

620

00:24:35,830 --> 00:24:33,039

one of the answers he gave us as to why

621

00:24:37,909 --> 00:24:35,840

he has the account is to collect

622

00:24:39,430 --> 00:24:37,919

um intel

623

00:24:41,750 --> 00:24:39,440

and you know we just don't know what

624

00:24:43,430 --> 00:24:41,760

that means so i mean

625

00:24:46,470 --> 00:24:43,440

for part of the community

626

00:24:48,230 --> 00:24:46,480

they don't care but it's okay with him

627

00:24:50,310 --> 00:24:48,240

that someone who's telling a story of

628

00:24:53,190 --> 00:24:50,320

this magnitude has multiple accounts

629

00:24:54,149 --> 00:24:53,200

that kind of trolls other dissenters of

630

00:24:55,269 --> 00:24:54,159

that

631

00:24:57,430 --> 00:24:55,279

opinion

632

00:24:59,029 --> 00:24:57,440

and some people

633

00:25:03,110 --> 00:24:59,039

really do care

634

00:25:05,750 --> 00:25:03,120

that you know this this gentleman has a

635

00:25:06,870 --> 00:25:05,760

alternate accounts that sway opinions

636

00:25:09,950 --> 00:25:06,880

and

637

00:25:11,350 --> 00:25:09,960

you know um

638

00:25:13,190 --> 00:25:11,360

[Music]

639

00:25:15,590 --> 00:25:13,200

flat out

640

00:25:16,789 --> 00:25:15,600

make fun of you know the the people who

641

00:25:19,190 --> 00:25:16,799

have real

642

00:25:20,230 --> 00:25:19,200

questions that that that deserve to be

643

00:25:25,190 --> 00:25:20,240

asked

644

00:25:26,230 --> 00:25:25,200

of malicious intent or or any rudeness

645

00:25:27,830 --> 00:25:26,240

it's just

646

00:25:29,269 --> 00:25:27,840

a question that goes against the

647

00:25:31,750 --> 00:25:29,279

narrative and

648

00:25:34,870 --> 00:25:31,760

and every time even somebody thinks out

649

00:25:35,990 --> 00:25:34,880

loud it's like you get this um

650

00:25:39,029 --> 00:25:36,000

this uh

651

00:25:41,110 --> 00:25:39,039

crew of people that descend upon you and

652

00:25:43,669 --> 00:25:41,120

start calling you a liar calling you

653

00:25:44,789 --> 00:25:43,679

names or trying to dock some of your

654

00:25:47,830 --> 00:25:44,799

fellow

655

00:25:50,230 --> 00:25:47,840

you know co-hosts um or bully people

656

00:25:51,830 --> 00:25:50,240

behind the scenes not to come onto shows

657

00:25:53,750 --> 00:25:51,840

and stuff and it's

658

00:25:56,549 --> 00:25:53,760

pretty wild i mean it's been a pretty

659

00:25:58,230 --> 00:25:56,559

wild two weeks you know um yeah

660

00:26:00,390 --> 00:25:58,240

personally i i

661

00:26:02,390 --> 00:26:00,400

i'm of the belief i'm not ida really

662

00:26:04,149 --> 00:26:02,400

doesn't bother me

663

00:26:06,630 --> 00:26:04,159

all that much that he has altered

664

00:26:08,149 --> 00:26:06,640

accounts i mean i think in in two years

665

00:26:11,430 --> 00:26:08,159

when we're having public hearings

666

00:26:14,230 --> 00:26:11,440

nobody's gonna care about this

667

00:26:15,430 --> 00:26:14,240

but i think there is a section of people

668

00:26:18,870 --> 00:26:15,440

that

669

00:26:19,250 --> 00:26:18,880

are really great thinkers really

670

00:26:20,710 --> 00:26:19,260

um

671

00:26:23,190 --> 00:26:20,720

[Music]

672

00:26:24,789 --> 00:26:23,200

you know patient people but

673

00:26:27,269 --> 00:26:24,799

they also have a

674

00:26:28,549 --> 00:26:27,279

very big distrust of our government and

675

00:26:33,350 --> 00:26:28,559

this

676

00:26:35,830 --> 00:26:33,360

distrust for them which sucks

677

00:26:37,269 --> 00:26:35,840

you know um and sort of i guess our

678

00:26:39,430 --> 00:26:37,279

position is you know we're trying to be

679

00:26:41,510 --> 00:26:39,440

as neutral as possible you know i think

680

00:26:43,510 --> 00:26:41,520

people have the right to think whatever

681

00:26:45,029 --> 00:26:43,520

they want you know um

682

00:26:46,950 --> 00:26:45,039

if they like it or they don't like it

683

00:26:48,789 --> 00:26:46,960

it's your right to do so but if you are

684

00:26:50,549 --> 00:26:48,799

the kind of person who

685

00:26:51,430 --> 00:26:50,559

who thinks that's okay

686

00:26:53,909 --> 00:26:51,440

then

687

00:26:55,590 --> 00:26:53,919

cool just so as long as you allow for

688

00:26:57,990 --> 00:26:55,600

other people to have different opinions

689

00:27:00,630 --> 00:26:58,000

to also voice those without you

690

00:27:03,830 --> 00:27:00,640

you know divulging into uh

691

00:27:07,029 --> 00:27:03,840

you know elementary tactics to

692

00:27:09,669 --> 00:27:07,039

to get people to to try and

693

00:27:12,390 --> 00:27:09,679

fall in line to what your opinion is

694

00:27:14,950 --> 00:27:12,400

um now how did uh just out of curiosity

695

00:27:15,909 --> 00:27:14,960

how did someone figure out

696

00:27:17,669 --> 00:27:15,919

that

697

00:27:20,070 --> 00:27:17,679

um and did he

698

00:27:22,789 --> 00:27:20,080

absolutely admit it was his account or

699

00:27:25,990 --> 00:27:22,799

just hint on it did he say flat out yes

700

00:27:28,630 --> 00:27:26,000

this is my other account and then how

701
00:27:32,070 --> 00:27:28,640
the other question is follow-up is that

702
00:27:35,029 --> 00:27:32,080
how on earth did anyone find out

703
00:27:38,789 --> 00:27:35,039
that this account existed

704
00:27:40,230 --> 00:27:38,799
okay so those are great questions he

705
00:27:42,950 --> 00:27:40,240
in the interview

706
00:27:45,190 --> 00:27:42,960
after he gave his answer i said that

707
00:27:47,430 --> 00:27:45,200
sounds like a soft yes

708
00:27:49,430 --> 00:27:47,440
to which he did not

709
00:27:50,230 --> 00:27:49,440
um

710
00:27:52,070 --> 00:27:50,240
uh

711
00:27:53,269 --> 00:27:52,080
um object to

712
00:27:56,710 --> 00:27:53,279
so

713
00:27:59,590 --> 00:27:56,720

you know the the the accounting question

714

00:28:00,870 --> 00:27:59,600

i mean it was this was a rumor that was

715

00:28:04,149 --> 00:28:00,880

just

716

00:28:06,789 --> 00:28:04,159

everybody knew that this account

717

00:28:08,870 --> 00:28:06,799

belonged to louisando i heard it from

718

00:28:11,029 --> 00:28:08,880

people who work closely with him i've

719

00:28:12,149 --> 00:28:11,039

heard it from reporters i've heard it

720

00:28:13,110 --> 00:28:12,159

from

721

00:28:15,510 --> 00:28:13,120

um

722

00:28:17,830 --> 00:28:15,520

uh you know people

723

00:28:20,950 --> 00:28:17,840

who've been in the conversation for a

724

00:28:21,990 --> 00:28:20,960

long time and there were even tweets

725

00:28:25,750 --> 00:28:22,000

that were

726

00:28:30,789 --> 00:28:28,470

how louisando would think about certain

727

00:28:32,789 --> 00:28:30,799

statements made you know saying things

728

00:28:35,510 --> 00:28:32,799

like oh yeah i know lou would support

729

00:28:37,830 --> 00:28:35,520

this as a matter of fact i'm 100

730

00:28:40,070 --> 00:28:37,840

positive he would you know this is from

731

00:28:43,110 --> 00:28:40,080

a different account um

732

00:28:45,029 --> 00:28:43,120

there is no and we've also prefaced this

733

00:28:45,830 --> 00:28:45,039

as well when we when we talked about

734

00:28:47,110 --> 00:28:45,840

this

735

00:28:50,070 --> 00:28:47,120

there is no

736

00:28:51,350 --> 00:28:50,080

concrete 100 percent proof but he didn't

737

00:28:53,510 --> 00:28:51,360

deny it

738

00:28:55,830 --> 00:28:53,520

and um

739

00:28:56,950 --> 00:28:55,840

and it seems like everybody is that

740

00:28:59,590 --> 00:28:56,960

nobody

741

00:29:00,630 --> 00:28:59,600

who is mad about this

742

00:29:06,549 --> 00:29:00,640

is

743

00:29:09,269 --> 00:29:06,559

do you guys even know everybody

744

00:29:11,590 --> 00:29:09,279

it was the worst kept secret on twitter

745

00:29:16,070 --> 00:29:11,600

um everybody pretty much knew this was

746

00:29:16,870 --> 00:29:16,080

him and again he didn't deny it um so

747

00:29:20,549 --> 00:29:16,880

that's

748

00:29:23,750 --> 00:29:20,559

and and so

749

00:29:28,470 --> 00:29:23,760

you know i think the question now is

750

00:29:33,990 --> 00:29:31,190

thinking out loud about how you feel

751
00:29:36,549 --> 00:29:34,000
about this one way or the other

752
00:29:38,950 --> 00:29:36,559
gets you in the hot water with one side

753
00:29:41,909 --> 00:29:38,960
of this community there's

754
00:29:44,310 --> 00:29:41,919
there's no safe space here it's like

755
00:29:45,909 --> 00:29:44,320
you're with blue or you're not and it's

756
00:29:47,909 --> 00:29:45,919
like look i

757
00:29:49,990 --> 00:29:47,919
if there's anybody in this community

758
00:29:52,310 --> 00:29:50,000
that has actually put skin in the game

759
00:29:55,430 --> 00:29:52,320
and trying to organize

760
00:29:57,029 --> 00:29:55,440
uh get in contact with lawmakers tweet

761
00:29:59,669 --> 00:29:57,039
email write

762
00:30:02,470 --> 00:29:59,679
uh to make a substantive change in the

763
00:30:05,669 --> 00:30:02,480

discussion and how it's being discussed

764

00:30:07,430 --> 00:30:05,679

in political circles and on capitol hill

765

00:30:09,669 --> 00:30:07,440

there's no other show in the game that

766

00:30:12,149 --> 00:30:09,679

has much as much

767

00:30:13,269 --> 00:30:12,159

invested time as our show

768

00:30:15,110 --> 00:30:13,279

and so

769

00:30:16,710 --> 00:30:15,120

yeah i'd have to agree with that but i

770

00:30:18,230 --> 00:30:16,720

got to tell you i got to tell you that i

771

00:30:19,830 --> 00:30:18,240

have to cut it a little bit short

772

00:30:22,310 --> 00:30:19,840

because we have like four other people

773

00:30:25,190 --> 00:30:22,320

um online here but i have to tell you

774

00:30:28,070 --> 00:30:25,200

you know i i myself got into trouble a

775

00:30:31,110 --> 00:30:28,080

while back because i had stood right in

776

00:30:33,350 --> 00:30:31,120

front of someone that uh told me a story

777

00:30:35,590 --> 00:30:33,360

like it was public knowledge

778

00:30:39,110 --> 00:30:35,600

uh about the reynolds from forest case

779

00:30:41,269 --> 00:30:39,120

uh that was involved in it and um i

780

00:30:43,430 --> 00:30:41,279

was right there when this person said it

781

00:30:46,549 --> 00:30:43,440

um i mentioned it because i thought it

782

00:30:47,990 --> 00:30:46,559

was public knowledge online on one of my

783

00:30:50,070 --> 00:30:48,000

shows and next thing you know i'm

784

00:30:51,830 --> 00:30:50,080

threatened with a lawsuit and uh these

785

00:30:54,310 --> 00:30:51,840

people are coming down on me in all

786

00:30:56,389 --> 00:30:54,320

different directions and uh

787

00:30:57,350 --> 00:30:56,399

and uh you know someone i was actually a

788

00:30:58,870 --> 00:30:57,360

really good

789

00:31:01,350 --> 00:30:58,880

friend with a really great friend of the

790

00:31:03,509 --> 00:31:01,360

show a excellent researcher has never

791

00:31:05,509 --> 00:31:03,519

spoken to me again and all i was doing

792

00:31:08,470 --> 00:31:05,519

was re repeating the words that came out

793

00:31:10,310 --> 00:31:08,480

of of the person's mouth um anyway

794

00:31:11,830 --> 00:31:10,320

that's just one of those things but so

795

00:31:14,870 --> 00:31:11,840

yeah i can give you a couple of knocks

796

00:31:16,470 --> 00:31:14,880

but you're doing a great job and so just

797

00:31:18,149 --> 00:31:16,480

quickly tell people how they can find

798

00:31:19,990 --> 00:31:18,159

you

799

00:31:22,230 --> 00:31:20,000

yeah well just before i do i just want

800

00:31:23,990 --> 00:31:22,240

to say you were one of the inspirations

801
00:31:26,230 --> 00:31:24,000
as to why we went ahead and asked the

802
00:31:27,909 --> 00:31:26,240
question you know because we've got no

803
00:31:29,509 --> 00:31:27,919
fear and

804
00:31:31,509 --> 00:31:29,519
and i think that

805
00:31:33,669 --> 00:31:31,519
that was inspirational man because we

806
00:31:35,669 --> 00:31:33,679
were afraid to ask the question last

807
00:31:37,190 --> 00:31:35,679
year and the reason why we were afraid

808
00:31:39,830 --> 00:31:37,200
is because we didn't want to lose access

809
00:31:41,750 --> 00:31:39,840
and we didn't want to get yelled at or

810
00:31:43,190 --> 00:31:41,760
and we were afraid of what the reaction

811
00:31:44,630 --> 00:31:43,200
was going to be

812
00:31:47,029 --> 00:31:44,640
but we've gotten to the point where just

813
00:31:48,230 --> 00:31:47,039

like look we can't be afraid of of

814

00:31:51,190 --> 00:31:48,240

engaging

815

00:31:52,710 --> 00:31:51,200

our heroes quote-unquote with these

816

00:31:54,470 --> 00:31:52,720

questions just because they're

817

00:31:56,710 --> 00:31:54,480

uncomfortable doesn't mean they're not

818

00:31:57,909 --> 00:31:56,720

valid so i just want to give you a quick

819

00:31:59,990 --> 00:31:57,919

shout out and thank you for the

820

00:32:02,149 --> 00:32:00,000

inspiration on that and if anybody wants

821

00:32:04,470 --> 00:32:02,159

to come our show or or uh come watch our

822

00:32:06,549 --> 00:32:04,480

show unidentified celebrity review uh

823

00:32:08,149 --> 00:32:06,559

we're gonna be on every friday starting

824

00:32:09,830 --> 00:32:08,159

late april uh we're going down to one

825

00:32:12,389 --> 00:32:09,840

day a week instead of three times a week

826

00:32:14,710 --> 00:32:12,399

but um we're planning to blame you

827

00:32:16,149 --> 00:32:14,720

putting a little documentary together so

828

00:32:17,509 --> 00:32:16,159

we got a lot of stuff planned it's gonna

829

00:32:19,509 --> 00:32:17,519

be a fun year

830

00:32:21,190 --> 00:32:19,519

excellent all right thanks so much

831

00:32:22,950 --> 00:32:21,200

always fun talking to lou

832

00:32:23,909 --> 00:32:22,960

and hang in there buddy

833

00:32:26,789 --> 00:32:23,919

martin

834

00:32:28,549 --> 00:32:26,799

all right take care so mike has gone new

835

00:32:30,549 --> 00:32:28,559

york city welcome you're welcome to call

836

00:32:33,430 --> 00:32:30,559

back mike sorry for the long delay of

837

00:32:36,789 --> 00:32:33,440

steve is next uh i can't remember oh

838

00:32:38,710 --> 00:32:36,799

pasadena steve welcome to the show

839

00:32:41,269 --> 00:32:38,720

thank you martin i want to congratulate

840

00:32:44,630 --> 00:32:41,279

you for uh a great

841

00:32:47,430 --> 00:32:44,640

show that you have and um

842

00:32:48,310 --> 00:32:47,440

i have a platform uh the truth to be

843

00:32:49,990 --> 00:32:48,320

told

844

00:32:52,549 --> 00:32:50,000

where i gather uh

845

00:32:54,870 --> 00:32:52,559

ufo information i've had this platform

846

00:32:57,750 --> 00:32:54,880

for a couple years where i gather ufo

847

00:32:59,830 --> 00:32:57,760

news daily around the world you know

848

00:33:04,549 --> 00:32:59,840

articles uh

849

00:33:06,950 --> 00:33:04,559

podcasts uh from ufo researchers and uh

850

00:33:08,950 --> 00:33:06,960

sightings footage

851
00:33:11,350 --> 00:33:08,960
anything that comes out on a daily basis

852
00:33:12,230 --> 00:33:11,360
uh and uh

853
00:33:14,149 --> 00:33:12,240
i

854
00:33:15,029 --> 00:33:14,159
your show

855
00:33:23,430 --> 00:33:15,039
is

856
00:33:24,789 --> 00:33:23,440
amazing

857
00:33:27,509 --> 00:33:24,799
partner

858
00:33:28,870 --> 00:33:27,519
today has had the history of getting a

859
00:33:32,149 --> 00:33:28,880
true path

860
00:33:33,669 --> 00:33:32,159
satin freedmen i mean just uh everybody

861
00:33:36,389 --> 00:33:33,679
in the field

862
00:33:38,710 --> 00:33:36,399
and um it's amazing uh

863
00:33:40,950 --> 00:33:38,720

that the the history that we have with

864

00:33:41,750 --> 00:33:40,960

some of these researchers

865

00:33:44,070 --> 00:33:41,760

uh

866

00:33:45,990 --> 00:33:44,080

that keeps some of the best researchers

867

00:33:48,470 --> 00:33:46,000

in the field now

868

00:33:50,389 --> 00:33:48,480

and i'm just uh really uh

869

00:33:53,029 --> 00:33:50,399

happy to have you

870

00:33:54,310 --> 00:33:53,039

in the ufo community and sharing your

871

00:33:56,149 --> 00:33:54,320

podcast

872

00:33:58,470 --> 00:33:56,159

i have a room that truth be told where i

873

00:33:59,909 --> 00:33:58,480

have over 2 000 members

874

00:34:02,470 --> 00:33:59,919

an average of

875

00:34:04,470 --> 00:34:02,480

up to 800 daily that come in and

876

00:34:07,029 --> 00:34:04,480

and check out the news and i'm always

877

00:34:10,629 --> 00:34:07,039

posting your podcast

878

00:34:12,230 --> 00:34:10,639

and uh many people really enjoy it

879

00:34:14,629 --> 00:34:12,240

well thanks so much i really appreciate

880

00:34:16,629 --> 00:34:14,639

that very much

881

00:34:17,510 --> 00:34:16,639

and if i made just a few things that

882

00:34:19,109 --> 00:34:17,520

from

883

00:34:21,349 --> 00:34:19,119

um i'm

884

00:34:23,109 --> 00:34:21,359

new that i get um

885

00:34:25,349 --> 00:34:23,119

you know i'm at

886

00:34:28,230 --> 00:34:25,359

since the early 80s i started gathering

887

00:34:30,790 --> 00:34:28,240

ufo footage and uh

888

00:34:32,470 --> 00:34:30,800

and i'm advocate on ufo footage now back

889

00:34:35,750 --> 00:34:32,480

in the early 80s

890

00:34:39,270 --> 00:34:35,760

we had bha bhs

891

00:34:40,950 --> 00:34:39,280

uh video which you couldn't really fake

892

00:34:43,030 --> 00:34:40,960

back in them days you know

893

00:34:45,109 --> 00:34:43,040

uh that's right yes

894

00:34:48,550 --> 00:34:45,119

and so you know we had some wonderful

895

00:34:50,790 --> 00:34:48,560

video tape uh the hudson valley uh uh

896

00:34:54,790 --> 00:34:50,800

footage is really amazing

897

00:34:56,310 --> 00:34:54,800

and a lot of people a lot of

898

00:34:57,270 --> 00:34:56,320

researchers

899

00:34:59,990 --> 00:34:57,280

do not

900

00:35:05,030 --> 00:35:00,000

look at footage as a very you know

901
00:35:07,829 --> 00:35:05,040
important as in solving as evidence i

902
00:35:10,230 --> 00:35:07,839
consider it very important evidence

903
00:35:11,670 --> 00:35:10,240
um it's so mainstream with the footage

904
00:35:14,069 --> 00:35:11,680
now because

905
00:35:15,829 --> 00:35:14,079
it's so much out there that people are

906
00:35:18,150 --> 00:35:15,839
getting that you know people just look

907
00:35:19,670 --> 00:35:18,160
at it and and they look at it while it's

908
00:35:20,870 --> 00:35:19,680
fake or

909
00:35:23,430 --> 00:35:20,880
or they

910
00:35:25,030 --> 00:35:23,440
it's just so a mainstream now

911
00:35:28,230 --> 00:35:25,040
but see the

912
00:35:30,150 --> 00:35:28,240
back in the 40s 50s 60s you catch

913
00:35:31,030 --> 00:35:30,160

footage was so important back in the

914

00:35:33,430 --> 00:35:31,040

days

915

00:35:35,430 --> 00:35:33,440

i mean when something came up footage i

916

00:35:38,790 --> 00:35:35,440

mean it made the headline news

917

00:35:43,990 --> 00:35:41,109

that's how important it was and it was

918

00:35:46,550 --> 00:35:44,000

people were just were amazed by it

919

00:35:48,150 --> 00:35:46,560

and so now since it's so mainstream i i

920

00:35:50,870 --> 00:35:48,160

i feel that

921

00:35:51,990 --> 00:35:50,880

i've been gathering it i'm able to see

922

00:35:55,190 --> 00:35:52,000

where this

923

00:35:56,470 --> 00:35:55,200

how the ufos are appearing where they're

924

00:35:59,109 --> 00:35:56,480

appearing

925

00:36:02,069 --> 00:35:59,119

you know how they look

926
00:36:04,790 --> 00:36:02,079
and uh gathering that kind of data

927
00:36:06,790 --> 00:36:04,800
and um you you know i and i've gotten we

928
00:36:07,829 --> 00:36:06,800
gotten footage some of my favorite

929
00:36:10,390 --> 00:36:07,839
footage

930
00:36:12,630 --> 00:36:10,400
was analyzed and such as the one uh

931
00:36:15,109 --> 00:36:12,640
during the eclipse in mexico where you

932
00:36:16,870 --> 00:36:15,119
know a disc was filmed video and you

933
00:36:18,870 --> 00:36:16,880
could see the disc you can't debate it

934
00:36:20,950 --> 00:36:18,880
you can't say that's frankie

935
00:36:23,030 --> 00:36:20,960
clearly show the disc

936
00:36:24,150 --> 00:36:23,040
you know and against my flying eyes

937
00:36:26,230 --> 00:36:24,160
we've got

938
00:36:27,510 --> 00:36:26,240

proof we've had the evidence right in

939

00:36:29,750 --> 00:36:27,520

front of us

940

00:36:30,870 --> 00:36:29,760

but you know uh people forget about it

941

00:36:32,230 --> 00:36:30,880

you know

942

00:36:35,349 --> 00:36:32,240

and uh

943

00:36:36,710 --> 00:36:35,359

the footage that i i get now i get from

944

00:36:39,910 --> 00:36:36,720

brazil

945

00:36:41,829 --> 00:36:39,920

is some of the amazing footage uh we're

946

00:36:43,670 --> 00:36:41,839

getting footage from many people that

947

00:36:45,990 --> 00:36:43,680

are in their airplanes now you know

948

00:36:48,150 --> 00:36:46,000

taking footage outside their airplanes

949

00:36:50,310 --> 00:36:48,160

this is because technology has changed

950

00:36:52,230 --> 00:36:50,320

when people use the smartphone

951

00:36:55,430 --> 00:36:52,240

phones and they videotape and they

952

00:36:57,270 --> 00:36:55,440

download it rather be youtube or uh or

953

00:36:58,790 --> 00:36:57,280

another ufo site

954

00:37:01,349 --> 00:36:58,800

and uh

955

00:37:04,150 --> 00:37:01,359

i did i just feel it's very important

956

00:37:06,870 --> 00:37:04,160

in the field and i just really wish

957

00:37:08,710 --> 00:37:06,880

it was more more researchers

958

00:37:11,589 --> 00:37:08,720

will

959

00:37:13,589 --> 00:37:11,599

follow this evidence uh jaime massan

960

00:37:14,870 --> 00:37:13,599

does a great job in getting ufo footy

961

00:37:17,109 --> 00:37:14,880

from mexico

962

00:37:19,670 --> 00:37:17,119

and you know and it just

963

00:37:20,950 --> 00:37:19,680

shocks me how it's not talked about more

964

00:37:22,950 --> 00:37:20,960

it's not

965

00:37:25,030 --> 00:37:22,960

you know prove

966

00:37:25,829 --> 00:37:25,040

that we are not alone

967

00:37:26,710 --> 00:37:25,839

and

968

00:37:28,710 --> 00:37:26,720

uh

969

00:37:30,550 --> 00:37:28,720

what you know you can't debate it you

970

00:37:33,670 --> 00:37:30,560

can't argue with it and that

971

00:37:35,430 --> 00:37:33,680

you know i uh we have come now

972

00:37:38,710 --> 00:37:35,440

now to worry

973

00:37:40,390 --> 00:37:38,720

that the world knows that ufos are real

974

00:37:42,870 --> 00:37:40,400

and uh

975

00:37:45,510 --> 00:37:42,880

now everybody's asking the question the

976

00:37:48,390 --> 00:37:45,520

question now you have to speculate well

977

00:37:50,710 --> 00:37:48,400

well who's in these ufos where do they

978

00:37:52,630 --> 00:37:50,720

come from now that's speculation up

979

00:37:54,230 --> 00:37:52,640

because we don't really know who's in it

980

00:37:55,670 --> 00:37:54,240

i'm always talking to john greenwald

981

00:37:57,829 --> 00:37:55,680

john greenwald would

982

00:37:59,670 --> 00:37:57,839

admit yeah ufos are real there's a

983

00:38:01,190 --> 00:37:59,680

cover-up but he won't say the

984

00:38:02,950 --> 00:38:01,200

extraterrestrial

985

00:38:04,630 --> 00:38:02,960

you know because a lot of researchers

986

00:38:07,430 --> 00:38:04,640

don't want to say that but some

987

00:38:09,670 --> 00:38:07,440

researchers will go that far to say yes

988

00:38:10,790 --> 00:38:09,680

you know i know like you mentioned stan

989

00:38:13,109 --> 00:38:10,800

friedman

990

00:38:14,870 --> 00:38:13,119

said you know he that he believed some

991

00:38:17,510 --> 00:38:14,880

of them were and i think it's a very

992

00:38:19,990 --> 00:38:17,520

good possibility but um steve thank you

993

00:38:21,030 --> 00:38:20,000

so much we have quite a few people

994

00:38:23,510 --> 00:38:21,040

uh

995

00:38:25,109 --> 00:38:23,520

quite a few people hanging on so thanks

996

00:38:26,310 --> 00:38:25,119

very much for your your comments and

997

00:38:28,710 --> 00:38:26,320

your call

998

00:38:33,750 --> 00:38:28,720

uh next we have simone calling from

999

00:38:38,790 --> 00:38:37,270

simone how are you um congratulations

1000

00:38:42,550 --> 00:38:38,800

good thank you

1001
00:38:45,109 --> 00:38:42,560
hi congratulations on your 500 so

1002
00:38:50,310 --> 00:38:47,270
so where you're out where are you in uh

1003
00:38:53,510 --> 00:38:52,310
um i live in casa grande arizona it's

1004
00:38:57,109 --> 00:38:53,520
between

1005
00:38:59,750 --> 00:38:57,119
tucson and phoenix

1006
00:39:01,670 --> 00:38:59,760
oh okay yes beautiful areas out there

1007
00:39:03,109 --> 00:39:01,680
just a few months ago really enjoyed it

1008
00:39:05,190 --> 00:39:03,119
it was uh

1009
00:39:07,589 --> 00:39:05,200
spectacular i loved uh going out in the

1010
00:39:09,349 --> 00:39:07,599
desert at night and doing like a sky

1011
00:39:11,109 --> 00:39:09,359
watch that was a lot of fun just

1012
00:39:13,829 --> 00:39:11,119
beautiful

1013
00:39:15,349 --> 00:39:13,839

and yeah the weather's not you can't get

1014

00:39:16,310 --> 00:39:15,359

better weather this time of year than

1015

00:39:18,630 --> 00:39:16,320

out there

1016

00:39:21,990 --> 00:39:20,630

that's correct uh maybe for about

1017

00:39:23,910 --> 00:39:22,000

another month and then we'll be about

1018

00:39:25,270 --> 00:39:23,920

100 degrees plus

1019

00:39:26,829 --> 00:39:25,280

yeah

1020

00:39:32,630 --> 00:39:26,839

the only downside

1021

00:39:35,030 --> 00:39:32,640

yes so uh do you have uh yeah go ahead

1022

00:39:37,750 --> 00:39:35,040

okay i'm sorry a couple of things um i

1023

00:39:39,829 --> 00:39:37,760

have a sighting to share that i've never

1024

00:39:41,030 --> 00:39:39,839

i've not publicly shared um this is the

1025

00:39:42,870 --> 00:39:41,040

first time

1026

00:39:46,230 --> 00:39:42,880

and then i have a question following

1027

00:39:48,550 --> 00:39:46,240

that okay sure so um my family and i

1028

00:39:52,630 --> 00:39:48,560

we're headed this is

1029

00:39:54,390 --> 00:39:52,640

this is in um 2014 on november 9th at 7

1030

00:39:56,790 --> 00:39:54,400

49 p.m

1031

00:39:58,550 --> 00:39:56,800

my family and i were headed eastbound on

1032

00:40:01,589 --> 00:39:58,560

interstate 10

1033

00:40:02,790 --> 00:40:01,599

um back to casa grande and

1034

00:40:04,550 --> 00:40:02,800

we saw

1035

00:40:07,510 --> 00:40:04,560

i happened to look over and off in the

1036

00:40:09,430 --> 00:40:07,520

distance there were

1037

00:40:11,750 --> 00:40:09,440

five but only four showed up in the

1038

00:40:15,190 --> 00:40:11,760

picture of um

1039

00:40:17,190 --> 00:40:15,200

these massive lights that were hanging

1040

00:40:18,470 --> 00:40:17,200

you know vertically in the sky so you

1041

00:40:21,109 --> 00:40:18,480

know it wasn't horizontal it was from

1042

00:40:23,109 --> 00:40:21,119

top to bottom and it almost looked

1043

00:40:24,870 --> 00:40:23,119

the object was tipped on its side we

1044

00:40:27,910 --> 00:40:24,880

couldn't fully see

1045

00:40:29,750 --> 00:40:27,920

the outline of it just the lights

1046

00:40:31,349 --> 00:40:29,760

were the thing that you know obviously

1047

00:40:32,630 --> 00:40:31,359

stood out

1048

00:40:35,270 --> 00:40:32,640

so um

1049

00:40:37,750 --> 00:40:35,280

at that time i had an iphone 6 and i

1050

00:40:40,390 --> 00:40:37,760

took a series of pictures

1051

00:40:42,309 --> 00:40:40,400

and to prove you know the time stamp and

1052

00:40:45,670 --> 00:40:42,319

the location you know now i have an

1053

00:40:47,510 --> 00:40:45,680

iphone 12 but it shows up on the um

1054

00:40:49,910 --> 00:40:47,520

storyline of the picture

1055

00:40:51,510 --> 00:40:49,920

of the date time and location of the

1056

00:40:53,910 --> 00:40:51,520

photos

1057

00:40:55,990 --> 00:40:53,920

so to this day you know we we've all

1058

00:40:56,950 --> 00:40:56,000

been perplexed about what the object is

1059

00:40:58,870 --> 00:40:56,960

we weren't

1060

00:40:59,990 --> 00:40:58,880

there you know seriously

1061

00:41:02,790 --> 00:41:00,000

ufo

1062

00:41:04,950 --> 00:41:02,800

believers in the past until that day

1063

00:41:06,870 --> 00:41:04,960

um you know we all have open minds but

1064

00:41:08,790 --> 00:41:06,880

we just didn't really you know pay much

1065

00:41:10,069 --> 00:41:08,800

attention to the subject

1066

00:41:12,390 --> 00:41:10,079

so i mean

1067

00:41:15,190 --> 00:41:12,400

the pictures with you on your web

1068

00:41:16,870 --> 00:41:15,200

website and yeah please do please send

1069

00:41:18,790 --> 00:41:16,880

them and i by the way

1070

00:41:20,470 --> 00:41:18,800

uh our guest that called back andy

1071

00:41:21,910 --> 00:41:20,480

called earlier and he did share the

1072

00:41:23,829 --> 00:41:21,920

images and i'm going to put them up in a

1073

00:41:26,470 --> 00:41:23,839

minute but please do that i'd like to

1074

00:41:28,790 --> 00:41:26,480

i'd like to see that and and i know you

1075

00:41:31,589 --> 00:41:28,800

have a question to ask but i still want

1076

00:41:33,270 --> 00:41:31,599

to just say something about the

1077

00:41:35,030 --> 00:41:33,280

uh what you were talking about this

1078

00:41:37,510 --> 00:41:35,040

thing being vertical

1079

00:41:39,430 --> 00:41:37,520

that is not uncommon i've heard that

1080

00:41:41,670 --> 00:41:39,440

many times where people will say that

1081

00:41:44,550 --> 00:41:41,680

they'll see a ufo doing something

1082

00:41:46,950 --> 00:41:44,560

completely um irrevers you know i mean

1083

00:41:49,430 --> 00:41:46,960

reverse to aerodynamics or whatever

1084

00:41:51,670 --> 00:41:49,440

traveling like sideways against the wind

1085

00:41:53,270 --> 00:41:51,680

or whatever it is uh doesn't make any

1086

00:41:55,829 --> 00:41:53,280

sense to us

1087

00:41:58,630 --> 00:41:55,839

uh what what's going on but i have heard

1088

00:42:00,309 --> 00:41:58,640

of the vertical like lights and vertical

1089

00:42:02,550 --> 00:42:00,319

uh object

1090

00:42:06,150 --> 00:42:02,560

so it's not uh it's not unusual what

1091

00:42:08,950 --> 00:42:06,160

time it was this night time

1092

00:42:10,870 --> 00:42:08,960

this is a night it's at 7 49 and i will

1093

00:42:12,390 --> 00:42:10,880

share i'll screenshot the time stamp and

1094

00:42:13,990 --> 00:42:12,400

send that to you you know included with

1095

00:42:15,430 --> 00:42:14,000

the pictures i can forward it to you but

1096

00:42:16,630 --> 00:42:15,440

it won't show up

1097

00:42:18,550 --> 00:42:16,640

um

1098

00:42:20,630 --> 00:42:18,560

again that's uh just so you know it's

1099

00:42:23,750 --> 00:42:20,640

martin let me show you i'm sorry

1100

00:42:26,309 --> 00:42:23,760

yeah the email address is martin podcast

1101

00:42:27,430 --> 00:42:26,319

ufo.com so if you want to if you want to

1102

00:42:30,390 --> 00:42:27,440

send that and you said you had a

1103

00:42:33,349 --> 00:42:30,400

question as well

1104

00:42:35,430 --> 00:42:33,359

i do so i've never had the pictures you

1105

00:42:37,510 --> 00:42:35,440

know the photos professionally

1106

00:42:39,430 --> 00:42:37,520

professionally analyzed

1107

00:42:42,710 --> 00:42:39,440

which i guess that's what i'm looking to

1108

00:42:45,589 --> 00:42:42,720

do and asking you you know are you or

1109

00:42:47,109 --> 00:42:45,599

anybody in the chat aware of a

1110

00:42:49,190 --> 00:42:47,119

person or group that would look at the

1111

00:42:51,430 --> 00:42:49,200

pictures you know and

1112

00:42:54,710 --> 00:42:51,440

professionally analyze them to see if it

1113

00:42:56,309 --> 00:42:54,720

is and they indeed a uap or if it is not

1114

00:42:58,470 --> 00:42:56,319

um you know

1115

00:43:00,390 --> 00:42:58,480

keep in mind we were going 75-80 miles

1116

00:43:01,670 --> 00:43:00,400

an hour and you can see in the picture

1117

00:43:04,309 --> 00:43:01,680

that i'm going to send you the lights

1118

00:43:05,990 --> 00:43:04,319

the trail of the street lights okay and

1119

00:43:07,910 --> 00:43:06,000

other cars on the highway this is the

1120

00:43:10,870 --> 00:43:07,920

iphone 6 camera so it's obviously not as

1121

00:43:13,510 --> 00:43:10,880

good as the iphone 12. um but the

1122

00:43:15,430 --> 00:43:13,520

pictures of the or the series of photos

1123

00:43:17,670 --> 00:43:15,440

you can see that the

1124

00:43:19,910 --> 00:43:17,680

series of vertical lights in the sky are

1125

00:43:22,309 --> 00:43:19,920

stationary and that's what's you know

1126

00:43:23,349 --> 00:43:22,319

fascinating i guess about the image

1127

00:43:25,030 --> 00:43:23,359

is the

1128

00:43:26,630 --> 00:43:25,040

unidentified lights are stationary and

1129

00:43:28,790 --> 00:43:26,640

the light there's a trail of the stream

1130

00:43:31,510 --> 00:43:28,800

of light you know from the street lights

1131

00:43:33,910 --> 00:43:31,520

and traveling 80 miles an hour

1132

00:43:36,390 --> 00:43:33,920

yeah yeah well that yeah that happens

1133

00:43:39,829 --> 00:43:36,400

but i will i do know someone yes uh mark

1134

00:43:42,069 --> 00:43:39,839

d'antonio he's mufon's video and photo

1135

00:43:44,470 --> 00:43:42,079

analysts and i have his contact

1136

00:43:45,670 --> 00:43:44,480

information and i i could certainly

1137

00:43:49,910 --> 00:43:45,680

connect

1138

00:43:53,430 --> 00:43:49,920

probably find

1139

00:43:55,349 --> 00:43:53,440

his contact information online but uh

1140

00:43:57,349 --> 00:43:55,359

but i just know him because he's been a

1141

00:43:59,030 --> 00:43:57,359

friend of the show for years and so

1142

00:44:02,710 --> 00:43:59,040

that's the person who i would suggest

1143

00:44:06,390 --> 00:44:04,550

awesome thank you so much

1144

00:44:08,950 --> 00:44:06,400

yeah so send that along if you'd like

1145

00:44:13,349 --> 00:44:08,960

and also i can like i said i can connect

1146

00:44:17,670 --> 00:44:15,589

okay all right thank you martin have a

1147

00:44:20,230 --> 00:44:17,680

great all right thanks for the call all

1148

00:44:23,030 --> 00:44:20,240

right nice okay thank you bye now

1149

00:44:28,150 --> 00:44:23,040

all right next we have john from new

1150

00:44:36,309 --> 00:44:30,950

hey john

1151

00:44:37,910 --> 00:44:36,319

john welcome to the show

1152

00:44:40,950 --> 00:44:37,920

how's it going

1153

00:44:44,790 --> 00:44:40,960

i'm doing well how are you

1154

00:44:45,829 --> 00:44:44,800

good congratulations on your 500th

1155

00:44:50,870 --> 00:44:45,839

thank you

1156

00:44:53,430 --> 00:44:50,880

mexico are you john

1157

00:44:56,150 --> 00:44:53,440

um do you know a place called

1158

00:44:57,829 --> 00:44:56,160

oho caliente

1159

00:45:01,109 --> 00:44:57,839

uh no

1160

00:45:02,870 --> 00:45:01,119

no i don't um i i lived for a short time

1161

00:45:04,390 --> 00:45:02,880

believe it or not and las almost my

1162

00:45:06,550 --> 00:45:04,400

sister and brother-in-law and my

1163

00:45:09,270 --> 00:45:06,560

brother-in-law i worked at the lab there

1164

00:45:11,030 --> 00:45:09,280

so i i lived in los alamos so i traveled

1165

00:45:12,069 --> 00:45:11,040

around a bit it's a beautiful state

1166

00:45:13,589 --> 00:45:12,079

again for

1167

00:45:15,990 --> 00:45:13,599

you know the scenery the deserts the

1168

00:45:18,630 --> 00:45:16,000

hiking all that stuff i loved it

1169

00:45:21,510 --> 00:45:18,640

so where can you give uh land landmarks

1170

00:45:23,030 --> 00:45:21,520

near where that is

1171

00:45:25,109 --> 00:45:23,040

um it's

1172

00:45:29,589 --> 00:45:25,119

i'd say

1173

00:45:30,710 --> 00:45:29,599

about 40 miles from los alamos um you

1174

00:45:32,470 --> 00:45:30,720

can see

1175

00:45:33,990 --> 00:45:32,480

the mountains of los alamos in the

1176

00:45:35,990 --> 00:45:34,000

distance and um

1177

00:45:38,630 --> 00:45:36,000

we've kind of had a little bit of

1178

00:45:40,550 --> 00:45:38,640

uranium in our drinking water but

1179

00:45:43,430 --> 00:45:40,560

yeah yeah there's like

1180

00:45:46,470 --> 00:45:43,440

um there's there's some springs uh like

1181

00:45:48,550 --> 00:45:46,480

uh uh it's this area is known for a spa

1182

00:45:49,510 --> 00:45:48,560

called ojo caliente springs their

1183

00:45:51,990 --> 00:45:49,520

natural

1184

00:45:53,510 --> 00:45:52,000

spring okay

1185

00:45:55,670 --> 00:45:53,520

people can hang out but that's pretty

1186

00:45:57,750 --> 00:45:55,680

much all that's in the town it's a real

1187

00:46:00,390 --> 00:45:57,760

rural area but it's it's real pretty

1188

00:46:02,950 --> 00:46:00,400

it's um yeah kind of in between los

1189

00:46:04,470 --> 00:46:02,960

alamos and taos i guess you could say

1190

00:46:07,190 --> 00:46:04,480

and now let me ask you that i may have

1191

00:46:09,829 --> 00:46:07,200

been there i hiked up on some hill and

1192

00:46:11,589 --> 00:46:09,839

and got into these hot springs um

1193

00:46:13,109 --> 00:46:11,599

i don't know of course there's quite

1194

00:46:14,470 --> 00:46:13,119

probably quite a bit of that

1195

00:46:16,230 --> 00:46:14,480

in new mexico

1196

00:46:19,190 --> 00:46:16,240

well yeah there's yeah there's a lot of

1197

00:46:21,750 --> 00:46:19,200

hot springs around um in the area also

1198

00:46:23,270 --> 00:46:21,760

in nevada and some other areas too but

1199

00:46:25,910 --> 00:46:23,280

no yeah there's a lot of hot springs

1200

00:46:27,589 --> 00:46:25,920

kind of out in taos too there's

1201
00:46:29,990 --> 00:46:27,599
there's hot springs that i used to go to

1202
00:46:32,470 --> 00:46:30,000
a lot when i was a kid and stuff and um

1203
00:46:34,390 --> 00:46:32,480
yeah no it's it's it's really beautiful

1204
00:46:36,390 --> 00:46:34,400
out here and yeah it's it's an

1205
00:46:38,390 --> 00:46:36,400
interesting and interesting place

1206
00:46:39,349 --> 00:46:38,400
definitely no i i actually talked to you

1207
00:46:41,910 --> 00:46:39,359
before

1208
00:46:43,589 --> 00:46:41,920
and you and you um on one of the earlier

1209
00:46:46,150 --> 00:46:43,599
shows and you said that you lived in los

1210
00:46:48,069 --> 00:46:46,160
alamos and i and i and i wanted to say

1211
00:46:50,630 --> 00:46:48,079
that's so cool and and there's this

1212
00:46:53,109 --> 00:46:50,640
awesome aspect about that town which is

1213
00:46:55,349 --> 00:46:53,119

the juxtaposition of like

1214

00:46:58,550 --> 00:46:55,359

space age technology

1215

00:46:59,670 --> 00:46:58,560

and ancient ruins you know like yes

1216

00:47:02,150 --> 00:46:59,680

swelling up

1217

00:47:03,510 --> 00:47:02,160

there and and all that and the cliff

1218

00:47:05,430 --> 00:47:03,520

dwellings yeah

1219

00:47:07,430 --> 00:47:05,440

there's a you see the holes up on the

1220

00:47:09,109 --> 00:47:07,440

side of the cliffs where they used to

1221

00:47:11,589 --> 00:47:09,119

climb up and get into these holes i

1222

00:47:13,589 --> 00:47:11,599

actually went into a few of them um and

1223

00:47:16,309 --> 00:47:13,599

uh saw some beads which i thought was

1224

00:47:18,069 --> 00:47:16,319

really amazing one time uh but yeah it's

1225

00:47:21,190 --> 00:47:18,079

a beautiful area so do you have like a

1226

00:47:22,390 --> 00:47:21,200

ufo si have you had ufo sightings

1227

00:47:23,910 --> 00:47:22,400

i'm trying to remember when you called

1228

00:47:26,790 --> 00:47:23,920

before i like

1229

00:47:28,390 --> 00:47:26,800

yeah i well it's okay i mean i grew up

1230

00:47:30,230 --> 00:47:28,400

here and um

1231

00:47:32,630 --> 00:47:30,240

it's interesting

1232

00:47:34,790 --> 00:47:32,640

new mexico and other places too in the

1233

00:47:36,309 --> 00:47:34,800

country it's kind of

1234

00:47:40,150 --> 00:47:36,319

interwoven

1235

00:47:42,870 --> 00:47:40,160

in the fabric of the culture the ufo

1236

00:47:44,870 --> 00:47:42,880

phenomenon and it's like

1237

00:47:47,349 --> 00:47:44,880

you'll see it you'll see it in like

1238

00:47:48,870 --> 00:47:47,359

murals throughout new mexico and of

1239

00:47:51,190 --> 00:47:48,880

course there's roswell and all that

1240

00:47:53,829 --> 00:47:51,200

stuff but that's why it's kind of

1241

00:47:56,630 --> 00:47:53,839

embedded in the culture there's so many

1242

00:47:58,710 --> 00:47:56,640

aspects of the phenomenon out here

1243

00:47:59,510 --> 00:47:58,720

and i was and i grew up here i was born

1244

00:48:02,390 --> 00:47:59,520

here

1245

00:48:04,390 --> 00:48:02,400

and i grew up in taos and taos

1246

00:48:06,950 --> 00:48:04,400

you can see the lights of los alamos in

1247

00:48:08,470 --> 00:48:06,960

the distance from taos and

1248

00:48:10,630 --> 00:48:08,480

it's just always been a part of the

1249

00:48:13,349 --> 00:48:10,640

culture i don't know if it's so active

1250

00:48:14,230 --> 00:48:13,359

nowadays but when i was a kid there was

1251
00:48:19,190 --> 00:48:14,240
people

1252
00:48:20,790 --> 00:48:19,200
stories and i i always wanted to see one

1253
00:48:22,230 --> 00:48:20,800
i was always like oh i want to see what

1254
00:48:24,390 --> 00:48:22,240
i want to see what i'm seeing

1255
00:48:26,630 --> 00:48:24,400
and i never saw one until i got older

1256
00:48:29,349 --> 00:48:26,640
until i was in my 20s

1257
00:48:32,309 --> 00:48:29,359
but ever since then and it was a crazy

1258
00:48:34,390 --> 00:48:32,319
experience but ever since then it's like

1259
00:48:36,150 --> 00:48:34,400
i've seen a bunch but in different

1260
00:48:38,870 --> 00:48:36,160
states too and

1261
00:48:41,510 --> 00:48:38,880
um and i've spent some time over at area

1262
00:48:43,030 --> 00:48:41,520
51 or rachel nevada um camping over

1263
00:48:44,950 --> 00:48:43,040

there and i tried living over there for

1264

00:48:46,150 --> 00:48:44,960

a little bit i'm working at the little

1265

00:48:48,790 --> 00:48:46,160

alien

1266

00:48:51,430 --> 00:48:48,800

um but yeah

1267

00:48:53,349 --> 00:48:51,440

yes i'm the little diner there yeah how

1268

00:48:55,670 --> 00:48:53,359

about that yeah

1269

00:48:57,829 --> 00:48:55,680

yeah yeah and there's yeah i mean it's

1270

00:49:00,230 --> 00:48:57,839

it's it's part of the culture over there

1271

00:49:02,710 --> 00:49:00,240

too in nevada and um

1272

00:49:04,630 --> 00:49:02,720

it's interesting there's a lot of crazy

1273

00:49:06,390 --> 00:49:04,640

aspects to it and i've been into it for

1274

00:49:07,990 --> 00:49:06,400

a really long time and

1275

00:49:09,910 --> 00:49:08,000

it's one of the subjects that i could

1276

00:49:11,829 --> 00:49:09,920

kind of eat for breakfast that i'm like

1277

00:49:13,829 --> 00:49:11,839

just totally but i've figured out a lot

1278

00:49:16,470 --> 00:49:13,839

of stuff so i'm not

1279

00:49:18,069 --> 00:49:16,480

super into it anymore but i am but it's

1280

00:49:20,150 --> 00:49:18,079

like i've already figured out a lot of

1281

00:49:22,950 --> 00:49:20,160

things so i'm like but it's amazing it's

1282

00:49:25,190 --> 00:49:22,960

like it blows me away just like how

1283

00:49:27,630 --> 00:49:25,200

the craft work and what the propulsion

1284

00:49:30,150 --> 00:49:27,640

systems are and what the

1285

00:49:32,870 --> 00:49:30,160

ramifications of all this stuff is but

1286

00:49:35,270 --> 00:49:32,880

also kind of how i believe we've never

1287

00:49:36,309 --> 00:49:35,280

been alone like i think we've always

1288

00:49:39,430 --> 00:49:36,319

been

1289

00:49:40,549 --> 00:49:39,440

watched over or followed or observed or

1290

00:49:42,309 --> 00:49:40,559

whatever

1291

00:49:44,150 --> 00:49:42,319

and it's kind of like i thought about it

1292

00:49:47,109 --> 00:49:44,160

recently it's like an ant do you think

1293

00:49:49,030 --> 00:49:47,119

an ant is aware of a person

1294

00:49:51,430 --> 00:49:49,040

that's walking by the anthill or can

1295

00:49:52,950 --> 00:49:51,440

even like fathom what a human being is

1296

00:49:54,549 --> 00:49:52,960

and i've heard of this kind of on your

1297

00:49:55,910 --> 00:49:54,559

show too it's like we might not even be

1298

00:49:57,750 --> 00:49:55,920

able to fathom

1299

00:49:58,950 --> 00:49:57,760

some of the aspects of the phenomenon

1300

00:50:00,870 --> 00:49:58,960

but it's

1301

00:50:03,270 --> 00:50:00,880

really interesting and there's a lot of

1302

00:50:05,670 --> 00:50:03,280

interesting aspects to it and one

1303

00:50:09,349 --> 00:50:05,680

question i wanted to ask you was did you

1304

00:50:10,790 --> 00:50:09,359

think you'd make it to 500

1305

00:50:13,829 --> 00:50:10,800

i never really thought about it you know

1306

00:50:15,510 --> 00:50:13,839

there was a time when i don't know maybe

1307

00:50:17,589 --> 00:50:15,520

four or five years ago

1308

00:50:19,109 --> 00:50:17,599

where there was some infighting going on

1309

00:50:20,309 --> 00:50:19,119

and i got kind of thrown in the middle

1310

00:50:22,790 --> 00:50:20,319

and i thought you know i'm just gonna

1311

00:50:24,950 --> 00:50:22,800

give this thing up uh it's not worth it

1312

00:50:27,750 --> 00:50:24,960

and i've always felt like you know if

1313

00:50:29,109 --> 00:50:27,760

something's not enjoyable um and you're

1314

00:50:31,589 --> 00:50:29,119

you're not really getting paid for

1315

00:50:33,670 --> 00:50:31,599

anything you know why do it but these

1316

00:50:35,910 --> 00:50:33,680

these uh i got through that and i'm

1317

00:50:40,150 --> 00:50:35,920

really glad i did and i have uh

1318

00:50:43,109 --> 00:50:40,160

absolutely no plans on stopping i just i

1319

00:50:45,349 --> 00:50:43,119

just love the topic and still find it

1320

00:50:47,910 --> 00:50:45,359

fascinating find the people that are

1321

00:50:50,150 --> 00:50:47,920

interested in it uh fascinating so it's

1322

00:50:51,990 --> 00:50:50,160

all really good but we have a ton of

1323

00:50:54,309 --> 00:50:52,000

people stacked up waiting behind you

1324

00:50:56,470 --> 00:50:54,319

here john so thank you so much for the

1325

00:50:58,069 --> 00:50:56,480

call

1326

00:50:59,829 --> 00:50:58,079

yeah you're welcome and um it was

1327

00:51:03,030 --> 00:50:59,839

wonderful to talk to you

1328

00:51:05,430 --> 00:51:03,040

you bet okay and uh take care and talk

1329

00:51:07,750 --> 00:51:05,440

to you again sometime

1330

00:51:09,430 --> 00:51:07,760

all right so next we have jim uh but

1331

00:51:11,270 --> 00:51:09,440

jim's gotta hold on just for a minute

1332

00:51:13,109 --> 00:51:11,280

he's calling from british columbia i

1333

00:51:15,430 --> 00:51:13,119

wanna put up these pictures

1334

00:51:16,950 --> 00:51:15,440

so everyone can see what andy was

1335

00:51:20,069 --> 00:51:16,960

talking about where he thought it might

1336

00:51:22,230 --> 00:51:20,079

be some type of portal or something this

1337

00:51:24,230 --> 00:51:22,240

is up on the screen now and i will put

1338

00:51:26,790 --> 00:51:24,240

these in the show notes for those of you

1339

00:51:29,349 --> 00:51:26,800

listening to the audio part of our show

1340

00:51:31,030 --> 00:51:29,359

you can see here where it does uh

1341

00:51:34,230 --> 00:51:31,040

it does change

1342

00:51:37,349 --> 00:51:34,240

shape whatever it is uh you know i mean

1343

00:51:40,549 --> 00:51:37,359

devil's advocate is it possible that

1344

00:51:42,309 --> 00:51:40,559

it's uh um a black garbage bag i know

1345

00:51:44,710 --> 00:51:42,319

that sounds awful weird but sometimes

1346

00:51:46,710 --> 00:51:44,720

those float in the sky but the thing

1347

00:51:48,950 --> 00:51:46,720

that he did say i do remember him saying

1348

00:51:51,670 --> 00:51:48,960

is that all of a sudden it vanished so i

1349

00:51:52,710 --> 00:51:51,680

don't think that would totally explain

1350

00:51:54,790 --> 00:51:52,720

um

1351

00:51:56,630 --> 00:51:54,800

that especially if he never moved his

1352

00:51:58,069 --> 00:51:56,640

eyes away from it so yeah it's an

1353

00:51:59,430 --> 00:51:58,079

interesting thing i'm not really sure

1354

00:52:02,150 --> 00:51:59,440

what it is

1355

00:52:05,030 --> 00:52:02,160

but uh yeah it's definitely interesting

1356

00:52:07,750 --> 00:52:05,040

so thanks again andy for uh sending that

1357

00:52:10,470 --> 00:52:07,760

in so now we're gonna take in uh jim

1358

00:52:12,790 --> 00:52:10,480

from british columbia i believe yes jim

1359

00:52:14,870 --> 00:52:12,800

welcome to the show

1360

00:52:15,990 --> 00:52:14,880

thanks martin so nice to talk to you

1361

00:52:18,069 --> 00:52:16,000

again

1362

00:52:20,710 --> 00:52:18,079

yes thank you having a wonderful time up

1363

00:52:21,430 --> 00:52:20,720

here in british columbia

1364

00:52:23,589 --> 00:52:21,440

but

1365

00:52:24,549 --> 00:52:23,599

i must say um you know i really favor

1366

00:52:27,270 --> 00:52:24,559

the

1367

00:52:28,549 --> 00:52:27,280

experiencers and i'm an experiencer and

1368

00:52:30,549 --> 00:52:28,559

uh

1369

00:52:31,589 --> 00:52:30,559

i never went looking for anything you

1370

00:52:33,349 --> 00:52:31,599

know

1371

00:52:34,390 --> 00:52:33,359

when my first paranormal experience

1372

00:52:37,109 --> 00:52:34,400

happened

1373

00:52:39,030 --> 00:52:37,119

and then my second one

1374

00:52:40,790 --> 00:52:39,040

and a few other minor ones i probably

1375

00:52:43,510 --> 00:52:40,800

had 40

1376

00:52:46,069 --> 00:52:43,520

paranormal experiences in my life and i

1377

00:52:47,750 --> 00:52:46,079

i never went looking for anything

1378

00:52:50,150 --> 00:52:47,760

but i was having all these experiences

1379

00:52:52,549 --> 00:52:50,160

and i i had to try to put them together

1380

00:52:55,510 --> 00:52:52,559

you know and it's it's a lot like my

1381

00:52:56,710 --> 00:52:55,520

experiences are a lot parallel to blood

1382

00:52:59,190 --> 00:52:56,720

cell

1383

00:53:02,069 --> 00:52:59,200

and people like that

1384

00:53:04,710 --> 00:53:02,079

yeah blood chris bledsoe yeah uh uh when

1385

00:53:06,549 --> 00:53:04,720

i listen to him i keep thinking oh yeah

1386

00:53:08,549 --> 00:53:06,559

that happened to me too and then he'll

1387

00:53:09,270 --> 00:53:08,559

say some things that never happened to

1388

00:53:22,630 --> 00:53:09,280

me

1389

00:53:24,870 --> 00:53:22,640

you know when you you have these um

1390

00:53:27,750 --> 00:53:24,880

uh naive people you could call them

1391

00:53:30,230 --> 00:53:27,760

which i am i'm i was a i was a naive

1392

00:53:31,829 --> 00:53:30,240

person myself you know and and and

1393

00:53:33,270 --> 00:53:31,839

they're not looking for anything and

1394

00:53:35,030 --> 00:53:33,280

then all of a sudden something pops up

1395

00:53:37,670 --> 00:53:35,040

right in front of them you know like

1396

00:53:39,670 --> 00:53:37,680

like those guys uh down in the southeast

1397

00:53:42,710 --> 00:53:39,680

who are out fishing in the night at

1398

00:53:44,710 --> 00:53:42,720

night and they talk about calvin parker

1399

00:53:47,430 --> 00:53:44,720

and um

1400

00:53:49,589 --> 00:53:47,440

yeah calvin and i'm trying to remember

1401

00:53:51,030 --> 00:53:49,599

yeah the pascagoula incident

1402

00:53:53,349 --> 00:53:51,040

i can't remember all the names either

1403

00:53:55,030 --> 00:53:53,359

but and then there's that chance landry

1404

00:53:56,390 --> 00:53:55,040

i think his name was

1405

00:53:58,069 --> 00:53:56,400

and these are

1406

00:53:59,510 --> 00:53:58,079

naive witnesses and they weren't looking

1407

00:54:01,670 --> 00:53:59,520

for anything and then all of a sudden

1408

00:54:03,670 --> 00:54:01,680

something happened that wow

1409

00:54:05,510 --> 00:54:03,680

you know i was like that at first too i

1410

00:54:07,190 --> 00:54:05,520

mean i had all these things happening i

1411

00:54:09,510 --> 00:54:07,200

didn't know what the heck was going on

1412

00:54:11,430 --> 00:54:09,520

and uh but but now

1413

00:54:13,589 --> 00:54:11,440

now that i'm older and i'm actually

1414

00:54:15,750 --> 00:54:13,599

trying to put together uh

1415

00:54:18,390 --> 00:54:15,760

an audio book

1416

00:54:20,390 --> 00:54:18,400

uh i'm i'm remembering all these things

1417

00:54:23,670 --> 00:54:20,400

and trying to write them down all steps

1418

00:54:26,069 --> 00:54:23,680

and uh there's a pattern in

1419

00:54:28,309 --> 00:54:26,079

it seems a pattern in my life that

1420

00:54:30,470 --> 00:54:28,319

um it's as if

1421

00:54:32,069 --> 00:54:30,480

something's doing this to me

1422

00:54:33,510 --> 00:54:32,079

there is a they and i don't even know

1423

00:54:35,430 --> 00:54:33,520

who they are

1424

00:54:36,950 --> 00:54:35,440

but they're they're doing it to me you

1425

00:54:39,750 --> 00:54:36,960

know i mean they've led me through

1426

00:54:41,829 --> 00:54:39,760

portals they've

1427

00:54:44,150 --> 00:54:41,839

saved my life

1428

00:54:49,670 --> 00:54:44,160

they've sent

1429

00:54:52,390 --> 00:54:49,680

following me around up in the mountains

1430

00:54:55,349 --> 00:54:52,400

and all these things that are

1431

00:54:57,510 --> 00:54:55,359

uh you know just just

1432

00:55:00,390 --> 00:54:57,520

are uh the only way i can explain them

1433

00:55:02,789 --> 00:55:00,400

all is that you know uh i'm working for

1434

00:55:05,109 --> 00:55:02,799

them apparently i've been employed by

1435

00:55:06,870 --> 00:55:05,119

the aliens or someday who i don't know

1436

00:55:08,950 --> 00:55:06,880

who they are but

1437

00:55:10,870 --> 00:55:08,960

i just pick out the aliens and say okay

1438

00:55:12,789 --> 00:55:10,880

i'm working for the aliens right and i

1439

00:55:15,030 --> 00:55:12,799

have worked very hard too in my life i

1440

00:55:17,030 --> 00:55:15,040

worked very hard as a

1441

00:55:18,470 --> 00:55:17,040

an environmental engineer

1442

00:55:20,870 --> 00:55:18,480

and i had to

1443

00:55:23,270 --> 00:55:20,880

go back to university and take courses

1444

00:55:25,109 --> 00:55:23,280

and study really hard to upgrade my

1445

00:55:27,270 --> 00:55:25,119

engineering degree

1446

00:55:29,829 --> 00:55:27,280

uh to become and to work as an

1447

00:55:32,150 --> 00:55:29,839

environmental engineer and i did this

1448

00:55:34,710 --> 00:55:32,160

and um and i did it for nothing really i

1449

00:55:36,549 --> 00:55:34,720

just did it for my heart and uh

1450

00:55:38,309 --> 00:55:36,559

and i made i got by because i was on a

1451
00:55:40,870 --> 00:55:38,319
disability pitch and i was able to do

1452
00:55:43,750 --> 00:55:40,880
that i was free to do whatever i wanted

1453
00:55:45,990 --> 00:55:43,760
and to be a whistleblower

1454
00:55:49,589 --> 00:55:46,000
in favor of the environment and humanity

1455
00:55:52,150 --> 00:55:49,599
and my values are the human species on

1456
00:55:53,030 --> 00:55:52,160
earth and and all life on earth these

1457
00:55:55,109 --> 00:55:53,040
are my

1458
00:55:56,789 --> 00:55:55,119
my values and

1459
00:55:58,950 --> 00:55:56,799
and

1460
00:56:01,510 --> 00:55:58,960
many experiences say well that's what

1461
00:56:03,430 --> 00:56:01,520
the aliens told them they told them like

1462
00:56:05,270 --> 00:56:03,440
even those kids in africa they were told

1463
00:56:07,349 --> 00:56:05,280

well

1464

00:56:09,750 --> 00:56:07,359

we're here to tell you you're ruining

1465

00:56:10,710 --> 00:56:09,760

your planet you better fix it get off

1466

00:56:13,589 --> 00:56:10,720

you know

1467

00:56:15,750 --> 00:56:13,599

better better fix it right well

1468

00:56:17,510 --> 00:56:15,760

that that was one of the first messages

1469

00:56:19,510 --> 00:56:17,520

i got

1470

00:56:22,710 --> 00:56:19,520

in one of my first early paranormal

1471

00:56:24,309 --> 00:56:22,720

experiences gosh i was only

1472

00:56:26,950 --> 00:56:24,319

21 i think

1473

00:56:29,270 --> 00:56:26,960

and i had my first engineering job up on

1474

00:56:32,390 --> 00:56:29,280

the spooky spooky queen charlotte

1475

00:56:34,470 --> 00:56:32,400

islands in the real rainforest up there

1476
00:56:36,549 --> 00:56:34,480
got a job up there and uh when i finally

1477
00:56:38,390 --> 00:56:36,559
got a day off you know like i worked all

1478
00:56:40,549 --> 00:56:38,400
winter and got one day off and i went

1479
00:56:41,670 --> 00:56:40,559
outside and walked into the old growth

1480
00:56:42,950 --> 00:56:41,680
forest

1481
00:56:44,950 --> 00:56:42,960
and this deer

1482
00:56:47,030 --> 00:56:44,960
appeared beside me in in this

1483
00:56:48,789 --> 00:56:47,040
undergrowth lake i i'd had to push my

1484
00:56:49,589 --> 00:56:48,799
way into this undergrowth it was so

1485
00:56:51,910 --> 00:56:49,599
thick

1486
00:56:53,430 --> 00:56:51,920
and i turned i i pushed my way into the

1487
00:56:55,589 --> 00:56:53,440
undergrowth i turned around looked back

1488
00:56:58,470 --> 00:56:55,599

at the town i was living in

1489

00:57:00,150 --> 00:56:58,480

this mining camp you know and i'm

1490

00:57:02,309 --> 00:57:00,160

looking at the camp and i'm thinking in

1491

00:57:04,789 --> 00:57:02,319

my mind i'm thinking gosh that's ugly we

1492

00:57:07,030 --> 00:57:04,799

are making such a mess here of this this

1493

00:57:08,789 --> 00:57:07,040

beautiful forest eh because we

1494

00:57:10,549 --> 00:57:08,799

uh put a mine

1495

00:57:13,670 --> 00:57:10,559

in the middle of a forest

1496

00:57:15,510 --> 00:57:13,680

and we just spew through our garbage all

1497

00:57:17,510 --> 00:57:15,520

over the place we polluted the ocean so

1498

00:57:19,109 --> 00:57:17,520

you couldn't even catch a fish anymore

1499

00:57:21,910 --> 00:57:19,119

it was horrendous what we were doing

1500

00:57:24,390 --> 00:57:21,920

there and uh and i was participating in

1501
00:57:25,270 --> 00:57:24,400
it i was you know a full participant as

1502
00:57:51,109 --> 00:57:25,280
a

1503
00:57:53,430 --> 00:57:51,119
me in this undergrowth suddenly

1504
00:57:55,750 --> 00:57:53,440
and i looked down at the deer

1505
00:57:57,829 --> 00:57:55,760
and its eye turned and looked up at me

1506
00:58:00,470 --> 00:57:57,839
and i had this big black eye

1507
00:58:02,150 --> 00:58:00,480
all black enormous i mean i was

1508
00:58:04,069 --> 00:58:02,160
captivated by this eye it was so

1509
00:58:07,030 --> 00:58:04,079
beautiful right and the deer was so

1510
00:58:09,270 --> 00:58:07,040
beautiful and it looked up at me

1511
00:58:10,710 --> 00:58:09,280
and i got this message like yeah it's

1512
00:58:11,670 --> 00:58:10,720
really ugly

1513
00:58:13,430 --> 00:58:11,680

right

1514

00:58:16,630 --> 00:58:13,440

because i was looking at the scene and i

1515

00:58:18,309 --> 00:58:16,640

was thinking this is ugly as ugly can be

1516

00:58:20,470 --> 00:58:18,319

the the the

1517

00:58:22,069 --> 00:58:20,480

deer or alien appeared beside me with a

1518

00:58:23,349 --> 00:58:22,079

big black eye looked me right now and

1519

00:58:25,270 --> 00:58:23,359

said yeah

1520

00:58:27,109 --> 00:58:25,280

this is really ugly you got to do

1521

00:58:29,430 --> 00:58:27,119

something about it right

1522

00:58:31,910 --> 00:58:29,440

so then i turned back and i looked at

1523

00:58:33,510 --> 00:58:31,920

the the town and the ugliness and the

1524

00:58:35,109 --> 00:58:33,520

rustiness all that

1525

00:58:36,950 --> 00:58:35,119

i looked at that again and then i looked

1526

00:58:39,270 --> 00:58:36,960

back and the deer was gone

1527

00:58:40,230 --> 00:58:39,280

it just was gone

1528

00:58:42,710 --> 00:58:40,240

and

1529

00:58:44,309 --> 00:58:42,720

it made no sound coming or going

1530

00:58:46,069 --> 00:58:44,319

it was

1531

00:58:48,549 --> 00:58:46,079

right beside me

1532

00:58:51,030 --> 00:58:48,559

you know and i mean

1533

00:58:53,750 --> 00:58:51,040

looking back on that uh i i could

1534

00:58:56,150 --> 00:58:53,760

reanalyze that and say well that was a

1535

00:58:58,069 --> 00:58:56,160

an alien that was uh telling me what i

1536

00:58:59,990 --> 00:58:58,079

got to do and and and so i worked in

1537

00:59:01,829 --> 00:59:00,000

that mine for a while and i had a

1538

00:59:03,349 --> 00:59:01,839

establishment engineering career for

1539

00:59:05,430 --> 00:59:03,359

about 10 years and then i became

1540

00:59:07,910 --> 00:59:05,440

disabled and went on a disability

1541

00:59:09,589 --> 00:59:07,920

pension moved out of the city uh

1542

00:59:10,950 --> 00:59:09,599

went back to university and became an

1543

00:59:12,870 --> 00:59:10,960

environmental engineer and i've worked

1544

00:59:14,230 --> 00:59:12,880

at that i put in

1545

00:59:17,190 --> 00:59:14,240

25

1546

00:59:19,829 --> 00:59:17,200

years of hard work and now that i'm

1547

00:59:22,549 --> 00:59:19,839

retired i'm i'm only working half time

1548

00:59:24,789 --> 00:59:22,559

which for me is like eight hours a day

1549

00:59:27,670 --> 00:59:24,799

on my environmental engineering i'm

1550

00:59:29,589 --> 00:59:27,680

still working on it but um yeah and and

1551

00:59:30,870 --> 00:59:29,599

then and then you see

1552

00:59:32,630 --> 00:59:30,880

now

1553

00:59:34,470 --> 00:59:32,640

and then there was another event that

1554

00:59:36,150 --> 00:59:34,480

occurred that was very significant early

1555

00:59:38,789 --> 00:59:36,160

on in my life and that's

1556

00:59:40,950 --> 00:59:38,799

when i was about 26 i went out for a

1557

00:59:43,430 --> 00:59:40,960

motorcycle ride

1558

00:59:46,390 --> 00:59:43,440

and without going into details my life

1559

00:59:48,390 --> 00:59:46,400

was saved by a paranormal event

1560

00:59:51,430 --> 00:59:48,400

i should have died but i didn't die and

1561

00:59:54,150 --> 00:59:51,440

it was definitely paranormal what

1562

00:59:57,030 --> 00:59:54,160

the paranormal thing about it was that

1563

01:00:00,069 --> 00:59:57,040

a voice yelled in my left ear

1564

01:00:02,630 --> 01:00:00,079

and i've never before or since had a

1565

01:00:03,670 --> 01:00:02,640

voice yelling in my ear ever just that

1566

01:00:05,430 --> 01:00:03,680

one time

1567

01:00:08,230 --> 01:00:05,440

and the voice that yelled in my ear was

1568

01:00:09,430 --> 01:00:08,240

actually my own voice

1569

01:00:11,510 --> 01:00:09,440

that voice

1570

01:00:13,990 --> 01:00:11,520

told me what to do i did it instantly i

1571

01:00:16,069 --> 01:00:14,000

i did i just obeyed the voice without

1572

01:00:18,230 --> 01:00:16,079

thinking and that's what saved my life

1573

01:00:21,750 --> 01:00:18,240

that day or i would have been dead for

1574

01:00:24,069 --> 01:00:21,760

sure uh and uh so i had to after that

1575

01:00:26,230 --> 01:00:24,079

event i i went home

1576

01:00:28,549 --> 01:00:26,240

with my head bowed down

1577

01:00:31,190 --> 01:00:28,559

going over thinking over

1578

01:00:32,470 --> 01:00:31,200

what the heck is going on here you know

1579

01:00:34,630 --> 01:00:32,480

what

1580

01:00:37,430 --> 01:00:34,640

how how can these things happen and i

1581

01:00:40,150 --> 01:00:37,440

had to at that time you see i had to

1582

01:00:42,309 --> 01:00:40,160

uh drop my belief system

1583

01:00:44,870 --> 01:00:42,319

at the time which was scientific atheism

1584

01:00:47,910 --> 01:00:44,880

and i had to drop that down a hole and

1585

01:00:49,430 --> 01:00:47,920

open up my mind to all things you know

1586

01:00:51,349 --> 01:00:49,440

because my life had been saved and i

1587

01:00:53,589 --> 01:00:51,359

mean i

1588

01:00:55,510 --> 01:00:53,599

i felt compelled to work

1589

01:00:57,030 --> 01:00:55,520

for whoever saved my life i mean who

1590

01:00:58,950 --> 01:00:57,040

wouldn't you know

1591

01:01:02,069 --> 01:00:58,960

who want you know who wouldn't want to

1592

01:01:03,990 --> 01:01:02,079

do that and uh and that's kind of what i

1593

01:01:05,190 --> 01:01:04,000

did

1594

01:01:06,069 --> 01:01:05,200

and i

1595

01:01:09,109 --> 01:01:06,079

now

1596

01:01:10,390 --> 01:01:09,119

going to another topic

1597

01:01:11,829 --> 01:01:10,400

i really like to listen to the

1598

01:01:13,589 --> 01:01:11,839

experiencers

1599

01:01:15,109 --> 01:01:13,599

most of all that's the most valuable

1600

01:01:17,349 --> 01:01:15,119

thing to me

1601
01:01:20,069 --> 01:01:17,359
uh because that's uh

1602
01:01:22,870 --> 01:01:20,079
what they're saying their testimony

1603
01:01:24,950 --> 01:01:22,880
is evidence in a court of law

1604
01:01:27,829 --> 01:01:24,960
like bledsoe for example

1605
01:01:29,750 --> 01:01:27,839
if he went into a court of law and and

1606
01:01:31,670 --> 01:01:29,760
and gave testimony

1607
01:01:33,349 --> 01:01:31,680
given his uh

1608
01:01:35,910 --> 01:01:33,359
experience and position in society and

1609
01:01:38,390 --> 01:01:35,920
so on that would be considered

1610
01:01:40,549 --> 01:01:38,400
testimony valid testimony or evidence in

1611
01:01:44,069 --> 01:01:40,559
a court of law and same with me actually

1612
01:01:46,789 --> 01:01:44,079
i have given testimony in a court of law

1613
01:01:49,510 --> 01:01:46,799

as an expert witness as an engineer an

1614

01:01:52,710 --> 01:01:49,520

expert witness i gave testimony into a

1615

01:01:55,589 --> 01:01:52,720

legal proceedings called an inquiry so a

1616

01:01:57,190 --> 01:01:55,599

person's words

1617

01:01:59,750 --> 01:01:57,200

are evidence

1618

01:02:01,829 --> 01:01:59,760

in a court of law maybe not scientific

1619

01:02:04,230 --> 01:02:01,839

evidence maybe not

1620

01:02:06,470 --> 01:02:04,240

but but evidence yes and people throw

1621

01:02:08,470 --> 01:02:06,480

that word evidence around and it's very

1622

01:02:10,150 --> 01:02:08,480

important in these things

1623

01:02:11,670 --> 01:02:10,160

we're talking about here

1624

01:02:13,990 --> 01:02:11,680

and people throw that word around and

1625

01:02:16,230 --> 01:02:14,000

never differentiate between scientific

1626

01:02:18,710 --> 01:02:16,240

evidence and legal evidence but

1627

01:02:21,670 --> 01:02:18,720

both are valid forms of evidence and

1628

01:02:23,430 --> 01:02:21,680

chris bledsoe's testimony is evidence so

1629

01:02:25,430 --> 01:02:23,440

people who say oh there's no evidence

1630

01:02:28,549 --> 01:02:25,440

yes there is evidence i'm sorry i have

1631

01:02:30,549 --> 01:02:28,559

to tell them there is evidence and

1632

01:02:31,589 --> 01:02:30,559

there's a there's a lot more evidence to

1633

01:02:35,670 --> 01:02:31,599

like there's

1634

01:02:38,309 --> 01:02:35,680

i've been watching uh uncharted x on

1635

01:02:39,430 --> 01:02:38,319

on youtube and this is about ancient

1636

01:02:41,750 --> 01:02:39,440

aliens

1637

01:02:43,990 --> 01:02:41,760

but it's done in a very

1638

01:02:45,349 --> 01:02:44,000

scientific way and i would really like

1639

01:02:47,349 --> 01:02:45,359

to go

1640

01:02:49,109 --> 01:02:47,359

go with that guy on his tour there and

1641

01:02:51,750 --> 01:02:49,119

provide

1642

01:02:53,670 --> 01:02:51,760

my input into it because um i'm a

1643

01:02:56,230 --> 01:02:53,680

materials engineer

1644

01:02:58,309 --> 01:02:56,240

and so i look at those materials in

1645

01:03:00,309 --> 01:02:58,319

egypt

1646

01:03:02,870 --> 01:03:00,319

and i have to say we can't make that

1647

01:03:05,829 --> 01:03:02,880

today like for example the stone jars

1648

01:03:07,670 --> 01:03:05,839

are phenomenal we simply could not make

1649

01:03:09,430 --> 01:03:07,680

that today and i'm saying that as a

1650

01:03:11,910 --> 01:03:09,440

materials engineer

1651
01:03:13,750 --> 01:03:11,920
uh with with knowledge of how we make

1652
01:03:14,789 --> 01:03:13,760
stuff out of stuff you know that's what

1653
01:03:17,510 --> 01:03:14,799
i know

1654
01:03:19,349 --> 01:03:17,520
i've been you know upgrading my my my

1655
01:03:20,950 --> 01:03:19,359
original degree in engineering by

1656
01:03:23,750 --> 01:03:20,960
studying um

1657
01:03:27,109 --> 01:03:23,760
the new jet engine materials and the uh

1658
01:03:28,630 --> 01:03:27,119
they called ceramic nano composites

1659
01:03:30,710 --> 01:03:28,640
new materials and i'm wondering i'm

1660
01:03:31,510 --> 01:03:30,720
looking at that i'm wondering could that

1661
01:03:35,270 --> 01:03:31,520
be

1662
01:03:37,990 --> 01:03:35,280
from the back engineering

1663
01:03:40,549 --> 01:03:38,000

from alien materials and this is the

1664

01:03:42,710 --> 01:03:40,559

kind of thing i'm considering

1665

01:03:44,470 --> 01:03:42,720

and it could be or it could not be i

1666

01:03:46,230 --> 01:03:44,480

don't know that that's not

1667

01:03:48,230 --> 01:03:46,240

i can't say for sure

1668

01:03:50,870 --> 01:03:48,240

but but the real evidence are those

1669

01:03:52,470 --> 01:03:50,880

stone jars in egypt because seriously we

1670

01:03:53,910 --> 01:03:52,480

can't make that today

1671

01:03:55,670 --> 01:03:53,920

we just couldn't do it and there's a lot

1672

01:03:59,029 --> 01:03:55,680

of other things they did there in

1673

01:04:00,150 --> 01:03:59,039

earlier egypt that's uh beyond our

1674

01:04:03,109 --> 01:04:00,160

current

1675

01:04:04,630 --> 01:04:03,119

abilities okay and i'll just shut up now

1676

01:04:07,190 --> 01:04:04,640

we're all gone

1677

01:04:10,309 --> 01:04:07,200

all right hey hey jim uh thank thank you

1678

01:04:12,309 --> 01:04:10,319

very much uh for the call uh i really

1679

01:04:13,990 --> 01:04:12,319

appreciate it i'm sorry was it it's not

1680

01:04:16,230 --> 01:04:14,000

jim is it

1681

01:04:18,150 --> 01:04:16,240

i got names fixed up yeah okay jim

1682

01:04:21,430 --> 01:04:18,160

thanks for the call yeah i do have to

1683

01:04:24,390 --> 01:04:21,440

say that the stone uh stone jar would be

1684

01:04:26,950 --> 01:04:24,400

extremely hard to hollow out for sure so

1685

01:04:29,190 --> 01:04:26,960

next uh we have uh mark is on the line

1686

01:04:31,270 --> 01:04:29,200

and i'm hoping that mike and dan call

1687

01:04:33,829 --> 01:04:31,280

back they held for a long time and it'd

1688

01:04:36,069 --> 01:04:33,839

be nice uh please do call back but

1689

01:04:38,630 --> 01:04:36,079

before that i want to just put up these

1690

01:04:39,910 --> 01:04:38,640

pictures that simone who spoke from

1691

01:04:42,710 --> 01:04:39,920

arizona

1692

01:04:45,589 --> 01:04:42,720

she did send these and these are some of

1693

01:04:47,190 --> 01:04:45,599

the pictures that she sent in and again

1694

01:04:48,069 --> 01:04:47,200

i'll put these in the show notes here's

1695

01:04:55,109 --> 01:04:48,079

the

1696

01:04:56,950 --> 01:04:55,119

right here and uh so yeah check that out

1697

01:04:58,710 --> 01:04:56,960

here's a time stamp of when she did that

1698

01:05:01,430 --> 01:04:58,720

but it doesn't really mean too much as

1699

01:05:03,990 --> 01:05:01,440

far as the time but i think if this one

1700

01:05:06,710 --> 01:05:04,000

right here is a pretty interesting image

1701
01:05:09,109 --> 01:05:06,720
to what it was have no idea uh maybe

1702
01:05:12,549 --> 01:05:09,119
mark d'antonio someone like that can

1703
01:05:13,910 --> 01:05:12,559
figure that out so mark uh welcome to

1704
01:05:16,309 --> 01:05:13,920
the show

1705
01:05:18,230 --> 01:05:16,319
up we lost mark

1706
01:05:21,190 --> 01:05:18,240
so everyone hung up we had three people

1707
01:05:22,950 --> 01:05:21,200
on and they all uh they all had it they

1708
01:05:24,470 --> 01:05:22,960
they had to uh

1709
01:05:25,910 --> 01:05:24,480
they didn't want to wait and that's kind

1710
01:05:28,230 --> 01:05:25,920
of what happens when you're calling in

1711
01:05:29,910 --> 01:05:28,240
on these call-in shows unfortunately if

1712
01:05:33,589 --> 01:05:29,920
you're not right up you're going to have

1713
01:05:36,230 --> 01:05:33,599

to be patient and just wait and hang in

1714

01:05:38,309 --> 01:05:36,240

for when you can actually talk so he

1715

01:05:40,710 --> 01:05:38,319

called back we have mark thanks for

1716

01:05:42,470 --> 01:05:40,720

calling back mark uh you are live on the

1717

01:05:44,309 --> 01:05:42,480

air right now

1718

01:05:46,150 --> 01:05:44,319

mr willis how are you

1719

01:05:47,750 --> 01:05:46,160

i'm doing well thank you thank you for

1720

01:05:50,230 --> 01:05:47,760

calling cool

1721

01:05:52,950 --> 01:05:50,240

thank you um so i've been dying to get

1722

01:05:54,950 --> 01:05:52,960

this off my chest you for years um big

1723

01:05:57,430 --> 01:05:54,960

time fan who sure helps me get to sleep

1724

01:06:00,950 --> 01:05:57,440

at night after work i'm not an engineer

1725

01:06:06,630 --> 01:06:04,390

so in 1997 i was 16 years old um i'm

1726

01:06:08,789 --> 01:06:06,640

gonna get right to the point

1727

01:06:11,750 --> 01:06:08,799

we were um i was driving home from

1728

01:06:12,870 --> 01:06:11,760

school with my father you picked me up

1729

01:06:14,950 --> 01:06:12,880

and uh

1730

01:06:17,190 --> 01:06:14,960

it was just getting dark at night this

1731

01:06:19,190 --> 01:06:17,200

was the same night

1732

01:06:20,150 --> 01:06:19,200

is the phoenix lights had happened and

1733

01:06:22,630 --> 01:06:20,160

uh

1734

01:06:24,150 --> 01:06:22,640

i had looked off into the distance

1735

01:06:26,069 --> 01:06:24,160

and can you hear me

1736

01:06:29,430 --> 01:06:26,079

yeah you're saying this is the same like

1737

01:06:31,910 --> 01:06:29,440

march 13th 1997.

1738

01:06:34,789 --> 01:06:31,920

i'm 41 years old now yeah march 13th

1739

01:06:36,950 --> 01:06:34,799

1997. i had gotten in trouble at school

1740

01:06:39,670 --> 01:06:36,960

and my father was yelling at me

1741

01:06:41,349 --> 01:06:39,680

uh for getting in trouble and you know i

1742

01:06:43,109 --> 01:06:41,359

got real awkward and quiet in the car

1743

01:06:45,670 --> 01:06:43,119

and i looked off in the distance and i

1744

01:06:47,829 --> 01:06:45,680

go oh look at the ufo now i said that

1745

01:06:50,390 --> 01:06:47,839

because growing up he had me listening

1746

01:06:53,589 --> 01:06:50,400

to art bell coast to coast

1747

01:06:55,670 --> 01:06:53,599

so anytime we saw an airplane or a

1748

01:06:58,630 --> 01:06:55,680

helicopter we'd say it could be a

1749

01:07:00,309 --> 01:06:58,640

balloon and we'd go oh look at the ufo

1750

01:07:02,230 --> 01:07:00,319

and i'll never forget he said now's not

1751

01:07:04,470 --> 01:07:02,240

the time for jokes and i'm looking at

1752

01:07:06,309 --> 01:07:04,480

this and i saw three orange lights

1753

01:07:08,549 --> 01:07:06,319

really low about two miles off in the

1754

01:07:10,150 --> 01:07:08,559

distance and they weren't moving

1755

01:07:12,150 --> 01:07:10,160

and i was like no seriously doesn't that

1756

01:07:13,670 --> 01:07:12,160

look kind of weird and

1757

01:07:15,910 --> 01:07:13,680

you know we were on route 20 in

1758

01:07:17,990 --> 01:07:15,920

massachusetts heading west

1759

01:07:19,029 --> 01:07:18,000

and i know right where it is yeah

1760

01:07:21,270 --> 01:07:19,039

yep

1761

01:07:23,029 --> 01:07:21,280

right right by westfield massachusetts i

1762

01:07:24,390 --> 01:07:23,039

live in russell

1763

01:07:26,630 --> 01:07:24,400

so

1764

01:07:28,390 --> 01:07:26,640

as we're getting closer he's even like

1765

01:07:29,589 --> 01:07:28,400

what the hell is this

1766

01:07:31,670 --> 01:07:29,599

and

1767

01:07:34,710 --> 01:07:31,680

okay so it was definitely a black

1768

01:07:35,430 --> 01:07:34,720

triangle we had drove right underneath

1769

01:07:40,549 --> 01:07:35,440

it

1770

01:07:44,309 --> 01:07:40,559

maybe 150 feet at the most above

1771

01:07:46,950 --> 01:07:44,319

the ground and we were like i said

1772

01:07:48,230 --> 01:07:46,960

driving for about a mile underneath it

1773

01:07:50,230 --> 01:07:48,240

and we got out

1774

01:07:51,510 --> 01:07:50,240

there was three orange lights on each

1775

01:07:53,349 --> 01:07:51,520

tip

1776

01:07:55,270 --> 01:07:53,359

and there was one orange in the middle

1777

01:07:57,670 --> 01:07:55,280

we pulled over and we're directly

1778

01:07:58,710 --> 01:07:57,680

underneath the middle of this thing

1779

01:08:03,029 --> 01:07:58,720

and

1780

01:08:05,029 --> 01:08:03,039

the black part it was a solid craft it

1781

01:08:07,829 --> 01:08:05,039

wasn't just three orange orbs with one

1782

01:08:09,750 --> 01:08:07,839

of them or excuse me four orange orbs

1783

01:08:11,270 --> 01:08:09,760

there was a solid mass to it and it was

1784

01:08:13,190 --> 01:08:11,280

gunmetal black

1785

01:08:15,750 --> 01:08:13,200

but it almost had this like cloaking

1786

01:08:17,510 --> 01:08:15,760

effect where it was trying to mimic the

1787

01:08:20,070 --> 01:08:17,520

sky above it because it blacked out the

1788

01:08:22,309 --> 01:08:20,080

stars it was just the strangest thing

1789

01:08:23,189 --> 01:08:22,319

and i was underneath the middle orange

1790

01:08:24,950 --> 01:08:23,199

light

1791

01:08:27,510 --> 01:08:24,960

and it looked like

1792

01:08:29,349 --> 01:08:27,520

a creamsicle like white and orange but

1793

01:08:32,630 --> 01:08:29,359

it was like alive and it was liquid and

1794

01:08:34,309 --> 01:08:32,640

i remember it didn't cast a shadow on us

1795

01:08:36,229 --> 01:08:34,319

we got we were out of the car looking at

1796

01:08:39,189 --> 01:08:36,239

this thing for a total of five seconds

1797

01:08:40,870 --> 01:08:39,199

and we both had a very uneasy like i was

1798

01:08:42,870 --> 01:08:40,880

scared feeling

1799

01:08:44,950 --> 01:08:42,880

so we looked at each other and let's get

1800

01:08:47,269 --> 01:08:44,960

out of here we got in the car and when

1801

01:08:48,950 --> 01:08:47,279

we looked out the um

1802

01:08:50,550 --> 01:08:48,960

windshield because you could see it we

1803

01:08:51,990 --> 01:08:50,560

were directly underneath it we pulled up

1804

01:08:53,590 --> 01:08:52,000

you could see it from the windshield so

1805

01:08:56,070 --> 01:08:53,600

we instinctively looked out the

1806

01:08:58,070 --> 01:08:56,080

windshield to keep looking at it almost

1807

01:09:00,630 --> 01:08:58,080

and advantage and the fin

1808

01:09:03,269 --> 01:09:00,640

it just completely disappeared

1809

01:09:05,829 --> 01:09:03,279

wow a lot of people talk about that

1810

01:09:08,070 --> 01:09:05,839

something just absolutely disappearing

1811

01:09:09,749 --> 01:09:08,080

not seeing it shoot off in a direction

1812

01:09:10,630 --> 01:09:09,759

or anything just gone

1813

01:09:13,910 --> 01:09:10,640

which is

1814

01:09:17,349 --> 01:09:13,920

another fascinating aspect

1815

01:09:19,430 --> 01:09:17,359

and um the crazy thing about it was

1816

01:09:20,709 --> 01:09:19,440

was the next day on the news

1817

01:09:22,149 --> 01:09:20,719

you know

1818

01:09:23,910 --> 01:09:22,159

there was things about the phoenix

1819

01:09:25,829 --> 01:09:23,920

lights and i remember them hearing there

1820

01:09:27,349 --> 01:09:25,839

was reports of them in the northeast

1821

01:09:29,590 --> 01:09:27,359

that same night

1822

01:09:31,189 --> 01:09:29,600

so i think it was more of and i was i

1823

01:09:32,829 --> 01:09:31,199

listened to your show with tom king the

1824

01:09:34,470 --> 01:09:32,839

other night

1825

01:09:37,269 --> 01:09:34,480

yes

1826

01:09:39,030 --> 01:09:37,279

i remember hearing how he said

1827

01:09:41,110 --> 01:09:39,040

the phoenix lights weren't the major

1828

01:09:42,550 --> 01:09:41,120

event it was the las vegas nights the

1829

01:09:45,189 --> 01:09:42,560

night before

1830

01:09:47,269 --> 01:09:45,199

i've been i've been following foes since

1831

01:09:48,950 --> 01:09:47,279

this happened to me i'm fascinated with

1832

01:09:51,030 --> 01:09:48,960

it i went out to phoenix last year just

1833

01:09:52,789 --> 01:09:51,040

to hope to see another triangle

1834

01:09:54,390 --> 01:09:52,799

i didn't but

1835

01:09:56,709 --> 01:09:54,400

you know i got to watch some cubs

1836

01:09:58,149 --> 01:09:56,719

training at the least but anyway

1837

01:10:00,790 --> 01:09:58,159

um

1838

01:10:03,189 --> 01:10:00,800

it's you know so i have a anytime you

1839

01:10:05,110 --> 01:10:03,199

see these videos that where people

1840

01:10:06,950 --> 01:10:05,120

claim to like

1841

01:10:09,830 --> 01:10:06,960

you know see a triangle all you see in

1842

01:10:12,229 --> 01:10:09,840

the video because is the three points of

1843

01:10:14,950 --> 01:10:12,239

light these things are so dark that even

1844

01:10:16,470 --> 01:10:14,960

a iphone couldn't catch the if they have

1845

01:10:18,790 --> 01:10:16,480

a cloaking device

1846

01:10:21,270 --> 01:10:18,800

how's the cell phone going to catch that

1847

01:10:22,709 --> 01:10:21,280

yeah so the three lights every and i

1848

01:10:24,870 --> 01:10:22,719

always notice you see these lights in

1849

01:10:26,550 --> 01:10:24,880

triangle formation these are these black

1850

01:10:29,669 --> 01:10:26,560

triangles and they are not us they're

1851
01:10:31,590 --> 01:10:29,679
not tr3bs or whatever the hell they are

1852
01:10:33,430 --> 01:10:31,600
this thing was at least two miles in

1853
01:10:35,669 --> 01:10:33,440
diameter

1854
01:10:38,390 --> 01:10:35,679
it was massive that's a massive

1855
01:10:40,229 --> 01:10:38,400
understatement for what i saw like

1856
01:10:41,830 --> 01:10:40,239
massive is small compared to what i've

1857
01:10:44,390 --> 01:10:41,840
experienced

1858
01:10:46,550 --> 01:10:44,400
just so just it's it's so hard to tell

1859
01:10:50,070 --> 01:10:46,560
the size of something without being able

1860
01:10:51,030 --> 01:10:50,080
to triangulate so um how

1861
01:10:52,630 --> 01:10:51,040
were you

1862
01:10:55,510 --> 01:10:52,640
saying that this thing was low enough

1863
01:10:56,390 --> 01:10:55,520

that it felt like it was that big

1864

01:11:08,310 --> 01:10:56,400

i

1865

01:11:09,510 --> 01:11:08,320

hard enough

1866

01:11:10,830 --> 01:11:09,520

yeah

1867

01:11:13,910 --> 01:11:10,840

how about that

1868

01:11:16,470 --> 01:11:13,920

wow every time i drive by that i drive

1869

01:11:17,910 --> 01:11:16,480

on that same stretch of road every day

1870

01:11:19,510 --> 01:11:17,920

in the night time when i'm coming home

1871

01:11:21,830 --> 01:11:19,520

from work

1872

01:11:23,669 --> 01:11:21,840

i kind of want to see it again but

1873

01:11:25,830 --> 01:11:23,679

one thing i've done before in the past

1874

01:11:29,110 --> 01:11:25,840

is i've ran it over so many times in my

1875

01:11:31,910 --> 01:11:29,120

mind that i know where because you know

1876

01:11:34,310 --> 01:11:31,920

it's a triangular shape i remember when

1877

01:11:36,310 --> 01:11:34,320

we were driving towards it it getting

1878

01:11:37,430 --> 01:11:36,320

bigger and bigger and bigger

1879

01:11:42,149 --> 01:11:37,440

and

1880

01:11:44,229 --> 01:11:42,159

where we got out of the car to look at

1881

01:11:46,310 --> 01:11:44,239

is a little convenience store

1882

01:11:48,709 --> 01:11:46,320

nobody else was around it was crazy

1883

01:11:51,110 --> 01:11:48,719

because no one else saw it but

1884

01:11:53,350 --> 01:11:51,120

at that point i was in the middle of it

1885

01:11:55,030 --> 01:11:53,360

so i know where it began

1886

01:11:56,630 --> 01:11:55,040

and i know that where we stopped to get

1887

01:11:57,750 --> 01:11:56,640

out and look at was the middle of it i

1888

01:12:00,149 --> 01:11:57,760

remember

1889

01:12:02,390 --> 01:12:00,159

looking in a 360 expanse

1890

01:12:04,709 --> 01:12:02,400

there was one part of it because where

1891

01:12:07,430 --> 01:12:04,719

the trees you couldn't see

1892

01:12:09,350 --> 01:12:07,440

one of the orange orbs anymore but the

1893

01:12:11,750 --> 01:12:09,360

other one was way out by the turnpike

1894

01:12:13,910 --> 01:12:11,760

bridge and that's another mile so

1895

01:12:15,590 --> 01:12:13,920

i've triangulated it in my head and i'm

1896

01:12:17,990 --> 01:12:15,600

no mathematician

1897

01:12:19,350 --> 01:12:18,000

but i do remember

1898

01:12:21,110 --> 01:12:19,360

specifically

1899

01:12:23,189 --> 01:12:21,120

you know the dimensions of how high

1900

01:12:24,630 --> 01:12:23,199

above it was me and where i began to

1901

01:12:27,430 --> 01:12:24,640

notice it and

1902

01:12:29,750 --> 01:12:27,440

where we began to drive underneath it

1903

01:12:30,709 --> 01:12:29,760

and uh you know

1904

01:12:35,669 --> 01:12:30,719

it's

1905

01:12:36,550 --> 01:12:35,679

what was that pardon me i'm sorry about

1906

01:12:39,830 --> 01:12:36,560

that

1907

01:12:42,870 --> 01:12:39,840

uh yeah i mean it makes you think um

1908

01:12:44,790 --> 01:12:42,880

uh especially back in 1997

1909

01:12:47,110 --> 01:12:44,800

did we have this type of technology if

1910

01:12:49,030 --> 01:12:47,120

we did why wouldn't we know about it now

1911

01:12:50,390 --> 01:12:49,040

type of thing but what happened on the

1912

01:12:52,950 --> 01:12:50,400

ride home from there

1913

01:12:56,390 --> 01:12:52,960

what was the conversation like

1914

01:12:59,430 --> 01:12:56,400

you know what's crazy is that um

1915

01:13:01,110 --> 01:12:59,440

we i we both were like kind of in the

1916

01:13:03,270 --> 01:13:01,120

state of awe

1917

01:13:05,430 --> 01:13:03,280

and he was supposed to be in trouble at

1918

01:13:06,950 --> 01:13:05,440

school i was a little delinquent

1919

01:13:09,270 --> 01:13:06,960

but

1920

01:13:10,550 --> 01:13:09,280

um

1921

01:13:12,870 --> 01:13:10,560

we kind of

1922

01:13:16,149 --> 01:13:12,880

we absorbed it and then

1923

01:13:18,390 --> 01:13:16,159

i i was in so much trouble as a teenager

1924

01:13:19,510 --> 01:13:18,400

that year particularly

1925

01:13:25,189 --> 01:13:19,520

that

1926

01:13:27,910 --> 01:13:25,199

i was i was i'm

1927

01:13:29,910 --> 01:13:27,920

my life is good now but as a kid i was

1928

01:13:31,430 --> 01:13:29,920

in and out of trouble

1929

01:13:33,750 --> 01:13:31,440

so

1930

01:13:35,830 --> 01:13:33,760

i it what's funny is

1931

01:13:38,229 --> 01:13:35,840

20 years gone by and you know i lived a

1932

01:13:41,189 --> 01:13:38,239

very full life i've been around

1933

01:13:44,390 --> 01:13:41,199

and it really didn't start hitting me

1934

01:13:45,910 --> 01:13:44,400

until about maybe 15 years ago like holy

1935

01:13:48,070 --> 01:13:45,920

you know i don't know if you can swear

1936

01:13:50,229 --> 01:13:48,080

on here so i didn't but i was just

1937

01:13:53,189 --> 01:13:50,239

i was amazed that i was able to witness

1938

01:13:54,470 --> 01:13:53,199

something it confirmed

1939

01:13:57,110 --> 01:13:54,480

that there are

1940

01:13:58,870 --> 01:13:57,120

you know we are being visited

1941

01:14:00,790 --> 01:13:58,880

nobody can tell me otherwise so when

1942

01:14:02,950 --> 01:14:00,800

like i when i share this experience with

1943

01:14:05,030 --> 01:14:02,960

people i tell them a lot of people are

1944

01:14:07,030 --> 01:14:05,040

you know the majority of americans

1945

01:14:08,390 --> 01:14:07,040

believe in ufos so i don't really catch

1946

01:14:09,830 --> 01:14:08,400

a lot of flack but you get the

1947

01:14:11,990 --> 01:14:09,840

occasional

1948

01:14:15,030 --> 01:14:12,000

you know hillbilly up here that'll go oh

1949

01:14:17,669 --> 01:14:15,040

you're crazy you don't have people and

1950

01:14:18,550 --> 01:14:17,679

you know i feel sorry for them

1951

01:14:20,470 --> 01:14:18,560

because

1952

01:14:22,470 --> 01:14:20,480

it's unshakable once you really

1953

01:14:23,590 --> 01:14:22,480

experience it

1954

01:14:25,430 --> 01:14:23,600

you know

1955

01:14:27,590 --> 01:14:25,440

and i'm a christian i believe the

1956

01:14:29,990 --> 01:14:27,600

universe works in a million different

1957

01:14:32,149 --> 01:14:30,000

ways so it's it's not a question of god

1958

01:14:34,229 --> 01:14:32,159

and demons it's

1959

01:14:35,669 --> 01:14:34,239

the the universe is big there's a lot of

1960

01:14:37,270 --> 01:14:35,679

mysteries and this is just one of them

1961

01:14:39,270 --> 01:14:37,280

and it's amazing but

1962

01:14:41,510 --> 01:14:39,280

what was crazy was i did have other

1963

01:14:43,669 --> 01:14:41,520

experiences after that

1964

01:14:45,750 --> 01:14:43,679

i've had three experiences but that was

1965

01:14:47,510 --> 01:14:45,760

the one no doubter

1966

01:14:50,070 --> 01:14:47,520

so i don't know i don't want to be doing

1967

01:14:52,310 --> 01:14:50,080

myself cooking dinner and everything too

1968

01:14:53,350 --> 01:14:52,320

but i really just wanted to go and share

1969

01:14:58,870 --> 01:14:53,360

that

1970

01:14:59,590 --> 01:14:58,880

fascinating uh especially the size of it

1971

01:15:02,950 --> 01:14:59,600

and

1972

01:15:09,350 --> 01:15:02,960

just

1973

01:15:11,110 --> 01:15:09,360

much about it but that doesn't and why

1974

01:15:12,709 --> 01:15:11,120

should that surprise me you know i mean

1975

01:15:14,070 --> 01:15:12,719

it seems like that would be all over the

1976

01:15:15,830 --> 01:15:14,080

news when you see something like that

1977

01:15:17,750 --> 01:15:15,840

wouldn't you think that

1978

01:15:20,149 --> 01:15:17,760

well there was actually a little flap

1979

01:15:24,229 --> 01:15:20,159

back in massachusetts again um

1980

01:15:26,149 --> 01:15:24,239

i want to say 2013 a lot there was um a

1981

01:15:29,430 --> 01:15:26,159

huge black triangle was spotted over

1982

01:15:30,630 --> 01:15:29,440

amherst massachusetts by umass

1983

01:15:35,590 --> 01:15:30,640

and

1984

01:15:37,110 --> 01:15:35,600

i could name three people that i know

1985

01:15:38,470 --> 01:15:37,120

right now that have seen these triangles

1986

01:15:40,630 --> 01:15:38,480

out here

1987

01:15:42,550 --> 01:15:40,640

well it's funny that you mentioned that

1988

01:15:45,590 --> 01:15:42,560

because a friend of mine had an

1989

01:15:46,630 --> 01:15:45,600

experience right there at umass um you

1990

01:15:48,709 --> 01:15:46,640

know so

1991

01:15:50,070 --> 01:15:48,719

uh this is i guess there's quite a bit

1992

01:15:51,430 --> 01:15:50,080

going on there from what i've i've

1993

01:15:53,830 --> 01:15:51,440

looked into it there's quite a bit going

1994

01:15:56,790 --> 01:15:53,840

on in that area for some reason

1995

01:15:59,030 --> 01:15:56,800

anyway i've been at hudson valley so you

1996

01:16:00,790 --> 01:15:59,040

know upstate new york's right across

1997

01:16:02,310 --> 01:16:00,800

great barrington so i always head up

1998

01:16:04,790 --> 01:16:02,320

that way and

1999

01:16:07,270 --> 01:16:04,800

it's uh there's definitely some magic up

2000

01:16:09,510 --> 01:16:07,280

here in the skies but anyway hey um

2001

01:16:11,030 --> 01:16:09,520

again thank you for your time man yeah

2002

01:16:13,430 --> 01:16:11,040

thank you

2003

01:16:16,630 --> 01:16:13,440

all right you take care mark all right

2004

01:16:20,149 --> 01:16:16,640

so next take care all right next we have

2005

01:16:22,310 --> 01:16:20,159

adriel uh calling from l.a uh adriel

2006

01:16:24,550 --> 01:16:22,320

welcome to the show

2007

01:16:29,030 --> 01:16:24,560

hi how are you thank you for having me

2008

01:16:33,030 --> 01:16:31,350

it's a daily thing that happens with me

2009

01:16:36,229 --> 01:16:33,040

this uh

2010

01:16:38,149 --> 01:16:36,239

uh let me tell you how it started i

2011

01:16:39,990 --> 01:16:38,159

i was actually praying to god three and

2012

01:16:41,910 --> 01:16:40,000

a half years ago in my garage out loud

2013

01:16:44,390 --> 01:16:41,920

the way i was taught growing up

2014

01:16:46,310 --> 01:16:44,400

asking for guidance and

2015

01:16:47,430 --> 01:16:46,320

i had this overwhelming sensation of

2016

01:16:49,910 --> 01:16:47,440

love

2017

01:16:51,590 --> 01:16:49,920

i mean big time like

2018

01:16:53,110 --> 01:16:51,600

like god was hearing me and was in the

2019

01:16:54,709 --> 01:16:53,120

garage and

2020

01:16:56,709 --> 01:16:54,719

i grew up catholic

2021

01:16:58,070 --> 01:16:56,719

i wasn't like super religious like i

2022

01:16:59,430 --> 01:16:58,080

didn't do that my whole life i just

2023

01:17:01,270 --> 01:16:59,440

started doing that because i wanted to

2024

01:17:03,270 --> 01:17:01,280

start a new career and i was

2025

01:17:04,950 --> 01:17:03,280

i was wondering what i should do and i

2026

01:17:06,870 --> 01:17:04,960

was asking for guidance

2027

01:17:08,390 --> 01:17:06,880

i had this feeling like somebody had

2028

01:17:10,229 --> 01:17:08,400

their hand over my heart and was

2029

01:17:12,709 --> 01:17:10,239

squeezing my heart

2030

01:17:13,669 --> 01:17:12,719

i know now that my phone sends me stuff

2031

01:17:17,750 --> 01:17:13,679

that

2032

01:17:20,470 --> 01:17:17,760

long as i talk about it around the phone

2033

01:17:22,950 --> 01:17:20,480

the phone will send you to

2034

01:17:25,350 --> 01:17:22,960

what you're looking for i know that now

2035

01:17:27,270 --> 01:17:25,360

but then my phone sent me to these

2036

01:17:29,350 --> 01:17:27,280

programs

2037

01:17:31,430 --> 01:17:29,360

that uh

2038

01:17:33,270 --> 01:17:31,440

uh one was called not your everyday

2039

01:17:35,910 --> 01:17:33,280

sunday program and it had a couple

2040

01:17:37,510 --> 01:17:35,920

gentlemen that were

2041

01:17:39,270 --> 01:17:37,520

that were uh

2042

01:17:41,350 --> 01:17:39,280

talking about the same things that i was

2043

01:17:44,070 --> 01:17:41,360

you know uh uh stuff that was happening

2044

01:17:46,950 --> 01:17:44,080

in our in our galaxy with uh the wobble

2045

01:17:48,790 --> 01:17:46,960

of the planet and and uh the kuiper belt

2046

01:17:53,110 --> 01:17:48,800

the asteroid belt all kinds of things

2047

01:17:55,830 --> 01:17:53,120

that the sky was really red 2017-2019

2048

01:17:57,590 --> 01:17:55,840

and i was and i had a friend at the same

2049

01:17:59,830 --> 01:17:57,600

time i'm praying for god and sending me

2050

01:18:01,110 --> 01:17:59,840

to this program where these gentlemen

2051

01:18:03,990 --> 01:18:01,120

are

2052

01:18:05,270 --> 01:18:04,000

using dowsing rods and i was i was

2053

01:18:07,430 --> 01:18:05,280

asking why

2054

01:18:08,870 --> 01:18:07,440

it is that god can hear our thoughts or

2055

01:18:10,470 --> 01:18:08,880

knows what we're thinking

2056

01:18:12,950 --> 01:18:10,480

and we can communicate our prayers to

2057

01:18:14,470 --> 01:18:12,960

god but that god can't answer us we have

2058

01:18:16,630 --> 01:18:14,480

to wait for a sign

2059

01:18:18,229 --> 01:18:16,640

and my phone sent me to this program

2060

01:18:19,990 --> 01:18:18,239

where these gentlemen were using dowsing

2061

01:18:21,350 --> 01:18:20,000

rods and they were getting answers from

2062

01:18:23,350 --> 01:18:21,360

source

2063

01:18:25,189 --> 01:18:23,360

and i kept getting this squeezing around

2064

01:18:26,550 --> 01:18:25,199

my heart like i'm sending you to this

2065

01:18:28,229 --> 01:18:26,560

program to show you how you can

2066

01:18:29,830 --> 01:18:28,239

communicate with me

2067

01:18:31,350 --> 01:18:29,840

and like i said there was this

2068

01:18:32,870 --> 01:18:31,360

overwhelming sensation of love and

2069

01:18:34,870 --> 01:18:32,880

everything happened like in the

2070

01:18:37,910 --> 01:18:34,880

synchronicities were just off the hook

2071

01:18:40,870 --> 01:18:37,920

it was it was too crazy to be true

2072

01:18:42,870 --> 01:18:40,880

almost and uh every single day it was

2073

01:18:45,590 --> 01:18:42,880

something happening and that same

2074

01:18:47,830 --> 01:18:45,600

sensation same feeling i thought i was

2075

01:18:50,470 --> 01:18:47,840

like god was there with me and walking

2076

01:18:52,390 --> 01:18:50,480

with me i had so much love i was like

2077

01:18:53,830 --> 01:18:52,400

tearing up and

2078

01:18:55,590 --> 01:18:53,840

these gentlemen were asking the same

2079

01:18:57,270 --> 01:18:55,600

questions about the skies that i was and

2080

01:18:59,669 --> 01:18:57,280

one of them said you know there ought to

2081

01:19:01,110 --> 01:18:59,679

be somebody talking to the planet

2082

01:19:03,030 --> 01:19:01,120

the native americans believed that

2083

01:19:05,110 --> 01:19:03,040

mother earth was alive and they would

2084

01:19:06,950 --> 01:19:05,120

talk to mother earth and get get answers

2085

01:19:09,110 --> 01:19:06,960

from her and the the egyptians believed

2086

01:19:10,630 --> 01:19:09,120

that the sun was their god

2087

01:19:12,310 --> 01:19:10,640

based on that what if all planets were

2088

01:19:13,430 --> 01:19:12,320

sentient beings somebody ought to be

2089

01:19:15,910 --> 01:19:13,440

talking to the planets because there's

2090

01:19:17,510 --> 01:19:15,920

something going on in our skies

2091

01:19:19,750 --> 01:19:17,520

and

2092

01:19:21,830 --> 01:19:19,760

a little man from the uk his name was

2093

01:19:23,830 --> 01:19:21,840

patrick garrett heard them and i'm

2094

01:19:26,630 --> 01:19:23,840

watching this play out

2095

01:19:28,790 --> 01:19:26,640

and he was working with a pendulum

2096

01:19:30,229 --> 01:19:28,800

and he asked source he was asking source

2097

01:19:32,709 --> 01:19:30,239

as well he asked source if he could talk

2098

01:19:34,470 --> 01:19:32,719

to the planets and did and text in hey i

2099

01:19:35,350 --> 01:19:34,480

just spoke with jupiter

2100

01:19:36,709 --> 01:19:35,360

and

2101

01:19:38,470 --> 01:19:36,719

uh the gentleman said well you got to

2102

01:19:41,270 --> 01:19:38,480

come on the program tomorrow and see you

2103

01:19:43,030 --> 01:19:41,280

know let's check that out and so he did

2104

01:19:44,630 --> 01:19:43,040

and he set up a camera above his

2105

01:19:46,550 --> 01:19:44,640

pendulum and started talking to source

2106

01:19:48,149 --> 01:19:46,560

asking if he had a strong connection

2107

01:19:50,229 --> 01:19:48,159

with source source said yes can i speak

2108

01:19:51,990 --> 01:19:50,239

to the planets source said yes and they

2109

01:19:53,430 --> 01:19:52,000

made a show of it for like three months

2110

01:19:56,310 --> 01:19:53,440

i watched

2111

01:19:57,990 --> 01:19:56,320

answers being put out there that were

2112

01:19:59,669 --> 01:19:58,000

like scientific answers that weren't

2113

01:20:01,830 --> 01:19:59,679

answered yet and then i'd see it in the

2114

01:20:03,430 --> 01:20:01,840

paper in the news a couple of days later

2115

01:20:05,189 --> 01:20:03,440

like i said the synchronicities were off

2116

01:20:07,430 --> 01:20:05,199

the hook and then

2117

01:20:09,430 --> 01:20:07,440

it went from talking with the planets to

2118

01:20:11,510 --> 01:20:09,440

people calling in and asking if source

2119

01:20:12,390 --> 01:20:11,520

had a message for them

2120

01:20:13,910 --> 01:20:12,400

because

2121

01:20:16,950 --> 01:20:13,920

they were having

2122

01:20:18,629 --> 01:20:16,960

experiences is what i what i imagine now

2123

01:20:21,189 --> 01:20:18,639

you know looking back on it

2124

01:20:23,189 --> 01:20:21,199

and and source was telling them yes the

2125

01:20:25,189 --> 01:20:23,199

lady that you see and the red dress in

2126

01:20:27,669 --> 01:20:25,199

your dreams is you in a past life blah

2127

01:20:29,750 --> 01:20:27,679

blah blah blah blah and the people that

2128

01:20:31,430 --> 01:20:29,760

were that were texting in to ask source

2129

01:20:33,830 --> 01:20:31,440

of source had a message for them all of

2130

01:20:35,669 --> 01:20:33,840

them had great reactions there was no

2131

01:20:41,030 --> 01:20:35,679

nothing evil or anything coming through

2132

01:20:44,709 --> 01:20:43,270

whoops

2133

01:20:48,870 --> 01:20:44,719

say that again

2134

01:20:51,830 --> 01:20:50,709

i was filled with so much love and i

2135

01:20:55,270 --> 01:20:51,840

thought that i was chilling with god

2136

01:20:57,189 --> 01:20:55,280

that i skateboard right and uh i'm 52.

2137

01:20:59,030 --> 01:20:57,199

every night from my exercise i go out to

2138

01:21:01,110 --> 01:20:59,040

park and i skate and before my skate

2139

01:21:03,189 --> 01:21:01,120

session i was saying this little prayer

2140

01:21:04,870 --> 01:21:03,199

while i was i was invoking love in favor

2141

01:21:07,189 --> 01:21:04,880

of the universe saying my name is adriel

2142

01:21:08,950 --> 01:21:07,199

galvez i'm sending love and favor to

2143

01:21:10,149 --> 01:21:08,960

everyone out there the good the bad the

2144

01:21:12,629 --> 01:21:10,159

ugly

2145

01:21:15,030 --> 01:21:12,639

god jesus satan the devil everyone

2146

01:21:17,350 --> 01:21:15,040

because i feel that everyone deserves

2147

01:21:19,430 --> 01:21:17,360

love and i think that's what god wants

2148

01:21:21,110 --> 01:21:19,440

wants to have everybody

2149

01:21:22,629 --> 01:21:21,120

you know showing love

2150

01:21:24,390 --> 01:21:22,639

when you get this this is coming to you

2151

01:21:26,950 --> 01:21:24,400

in the form of a wave

2152

01:21:28,709 --> 01:21:26,960

uh you'll see it coming across your your

2153

01:21:30,550 --> 01:21:28,719

to you and when when it gets to you i

2154

01:21:32,229 --> 01:21:30,560

want you to accept it turn your neighbor

2155

01:21:34,950 --> 01:21:32,239

invoke love and favor and then turn back

2156

01:21:36,950 --> 01:21:34,960

this way to mother earth and the sun and

2157

01:21:38,229 --> 01:21:36,960

the milky way galaxy because uh

2158

01:21:40,070 --> 01:21:38,239

we're having some issues here in our

2159

01:21:42,070 --> 01:21:40,080

skies and we might need some help

2160

01:21:44,550 --> 01:21:42,080

i was taking pictures of the skies in

2161

01:21:47,110 --> 01:21:44,560

2019 and it almost looked like there was

2162

01:21:49,110 --> 01:21:47,120

two sunsets the skies were so red i'd

2163

01:21:50,950 --> 01:21:49,120

never seen them that red in my life and

2164

01:21:53,030 --> 01:21:50,960

i mentioned it to a friend and she told

2165

01:21:54,070 --> 01:21:53,040

me maybe it's nibiru coming through or

2166

01:21:57,189 --> 01:21:54,080

nibiru

2167

01:21:58,790 --> 01:21:57,199

and then i started looking it up and it

2168

01:22:01,110 --> 01:21:58,800

sort of went with the kuiper belt the

2169

01:22:04,790 --> 01:22:01,120

asteroid belt the extinction of the

2170

01:22:06,470 --> 01:22:04,800

dinosaurs the glacial impacts no flood

2171

01:22:08,709 --> 01:22:06,480

all of that and it was starting to fall

2172

01:22:10,629 --> 01:22:08,719

into place like like maybe we were lied

2173

01:22:12,709 --> 01:22:10,639

to in religion and things didn't happen

2174

01:22:14,310 --> 01:22:12,719

quite the way they say you know and i

2175

01:22:17,189 --> 01:22:14,320

started putting things together and then

2176

01:22:18,950 --> 01:22:17,199

i i was like i said i was praying to god

2177

01:22:20,790 --> 01:22:18,960

out loud and i started questioning god

2178

01:22:21,990 --> 01:22:20,800

why because it looked like that's what

2179

01:22:24,470 --> 01:22:22,000

was happening

2180

01:22:26,310 --> 01:22:24,480

and uh that that nibiru was coming

2181

01:22:28,629 --> 01:22:26,320

through or something so i started asking

2182

01:22:30,229 --> 01:22:28,639

god why god has to destroy the earth or

2183

01:22:31,350 --> 01:22:30,239

have something run into it every once in

2184

01:22:33,030 --> 01:22:31,360

a while

2185

01:22:39,030 --> 01:22:33,040

and

2186

01:22:41,590 --> 01:22:39,040

uh the gentleman you know i i wanted

2187

01:22:43,350 --> 01:22:41,600

answers so i i text into the program

2188

01:22:45,430 --> 01:22:43,360

after like two months of watching it and

2189

01:22:47,430 --> 01:22:45,440

all of this love and favor and i said

2190

01:22:49,030 --> 01:22:47,440

you know i'm gonna call i'm gonna text

2191

01:22:51,830 --> 01:22:49,040

in and see if you have a message for me

2192

01:22:54,229 --> 01:22:51,840

i'm taking you source as god you know

2193

01:22:55,669 --> 01:22:54,239

because that's what it felt like that

2194

01:22:57,510 --> 01:22:55,679

thing was squeezing my heart like go

2195

01:22:59,430 --> 01:22:57,520

with your heart go with your heart and

2196

01:23:01,590 --> 01:22:59,440

so i text into the show and i says the

2197

01:23:03,430 --> 01:23:01,600

source have a message for me

2198

01:23:05,830 --> 01:23:03,440

and by that time it had turned into ask

2199

01:23:08,629 --> 01:23:05,840

the pendulum and the dowsing rods with

2200

01:23:13,110 --> 01:23:10,629

trick said i was the first one or i was

2201

01:23:14,310 --> 01:23:13,120

the fourth one to ask that that day and

2202

01:23:15,750 --> 01:23:14,320

he goes you know you all ought to make

2203

01:23:18,229 --> 01:23:15,760

your own pendulums we all have the

2204

01:23:20,149 --> 01:23:18,239

ability to do this and i went

2205

01:23:22,310 --> 01:23:20,159

that's why god was leading me to that

2206

01:23:24,790 --> 01:23:22,320

program this is how i can communicate

2207

01:23:26,390 --> 01:23:24,800

with god so i took that and then he

2208

01:23:27,830 --> 01:23:26,400

started the session and said adriel

2209

01:23:30,550 --> 01:23:27,840

you're a good person with a good heart

2210

01:23:32,070 --> 01:23:30,560

and a good soul save your energy you're

2211

01:23:35,030 --> 01:23:32,080

going to be needed to help those less

2212

01:23:37,669 --> 01:23:35,040

fortunate and that's how i

2213

01:23:40,629 --> 01:23:37,679

yeah hey whoops uh i'm not sure what's

2214

01:23:43,030 --> 01:23:40,639

going on here but anyway thank you uh

2215

01:23:45,030 --> 01:23:43,040

thank you very much for the call adriel

2216

01:23:48,470 --> 01:23:45,040

appreciate it

2217

01:23:49,830 --> 01:23:48,480

and okay so the lines are open and the

2218

01:23:52,870 --> 01:23:49,840

lines the phone number is up there eight

2219

01:23:53,750 --> 01:23:52,880

five five four seven two five four eight

2220

01:23:55,030 --> 01:23:53,760

three

2221

01:23:58,629 --> 01:23:55,040

and i'm going to look through the

2222

01:24:01,189 --> 01:23:58,639

comments so we have uh the line is open

2223

01:24:04,470 --> 01:24:01,199

and see if anyone if if you're too shy

2224

01:24:06,470 --> 01:24:04,480

to call as i understand that but do put

2225

01:24:10,229 --> 01:24:06,480

your questions if you have any up in

2226

01:24:12,149 --> 01:24:10,239

caps if you would um and if i don't

2227

01:24:13,510 --> 01:24:12,159

uh if i don't get a call right away here

2228

01:24:16,390 --> 01:24:13,520

i'm gonna bring

2229

01:24:17,910 --> 01:24:16,400

uh bill back into the show and terrorize

2230

01:24:19,830 --> 01:24:17,920

him for a little while

2231

01:24:22,550 --> 01:24:19,840

um let's see

2232

01:24:24,390 --> 01:24:22,560

nothing that i'm seeing here really

2233

01:24:25,669 --> 01:24:24,400

as far as questions but let me just take

2234

01:24:27,669 --> 01:24:25,679

a look here

2235

01:24:29,270 --> 01:24:27,679

um

2236

01:24:32,229 --> 01:24:29,280

looks like we have another caller coming

2237

01:24:33,669 --> 01:24:32,239

in so just hang in there for a second

2238

01:24:36,149 --> 01:24:33,679

and

2239

01:24:38,709 --> 01:24:36,159

again for those of you who

2240

01:24:40,950 --> 01:24:38,719

uh wanted to look at the pictures that

2241

01:24:42,790 --> 01:24:40,960

we talked about and you are not watching

2242

01:24:46,310 --> 01:24:42,800

this live you are listening to the audio

2243

01:24:48,629 --> 01:24:46,320

program every week we have a link to the

2244

01:24:50,390 --> 01:24:48,639

show notes in the audio programs and all

2245

01:24:52,070 --> 01:24:50,400

you have to do is click on that and you

2246

01:24:54,709 --> 01:24:52,080

will get to where those images are that

2247

01:24:55,590 --> 01:24:54,719

we spoke about earlier

2248

01:24:57,350 --> 01:24:55,600

here

2249

01:24:59,270 --> 01:24:57,360

uh bill you said wait does that mean

2250

01:25:00,950 --> 01:24:59,280

wait on you or do we have a caller

2251
01:25:04,149 --> 01:25:00,960
coming in

2252
01:25:07,030 --> 01:25:05,830
next week we have

2253
01:25:10,070 --> 01:25:07,040
stan

2254
01:25:14,390 --> 01:25:10,080
in

2255
01:25:16,149 --> 01:25:14,400
pennsylvania

2256
01:25:18,709 --> 01:25:16,159
and he's always on the phone never never

2257
01:25:20,870 --> 01:25:18,719
does a computer um but he has just come

2258
01:25:22,470 --> 01:25:20,880
out with a very interesting book

2259
01:25:24,229 --> 01:25:22,480
and he had

2260
01:25:25,750 --> 01:25:24,239
uh i'm trying to remember i don't have

2261
01:25:27,830 --> 01:25:25,760
the i don't have that information up

2262
01:25:30,470 --> 01:25:27,840
here in front of me but

2263
01:25:33,110 --> 01:25:30,480

oh let's see

2264

01:25:34,950 --> 01:25:33,120

so i just heard from sam moranto friend

2265

01:25:37,030 --> 01:25:34,960

of the show i'm gonna see if i can get

2266

01:25:38,070 --> 01:25:37,040

him to call in

2267

01:25:41,189 --> 01:25:38,080

uh

2268

01:25:44,629 --> 01:25:41,199

you call he just sent me a text we have

2269

01:25:46,870 --> 01:25:44,639

uh caroline from george roswell georgia

2270

01:25:51,030 --> 01:25:46,880

i know right where that is uh caroline

2271

01:25:55,430 --> 01:25:52,870

caroline you're there you alive on the

2272

01:25:57,590 --> 01:25:55,440

air

2273

01:25:59,110 --> 01:25:57,600

i'm wondering if i there we go caroline

2274

01:26:01,510 --> 01:25:59,120

you there

2275

01:26:04,229 --> 01:26:01,520

yes can you hear me now yeah that was me

2276

01:26:08,229 --> 01:26:04,239

i had i uh yeah that's me and my

2277

01:26:10,149 --> 01:26:08,239

technology so forgive me for that uh but

2278

01:26:11,830 --> 01:26:10,159

but uh thank you thank you for the call

2279

01:26:14,709 --> 01:26:11,840

i know right roswell i have a friend

2280

01:26:17,030 --> 01:26:14,719

that lives there he has a uh he has an

2281

01:26:20,310 --> 01:26:17,040

antique business uh antique online

2282

01:26:23,189 --> 01:26:20,320

business he's been live there for years

2283

01:26:24,950 --> 01:26:23,199

ah yeah actually we had an email

2284

01:26:27,590 --> 01:26:24,960

discussion about that a couple of years

2285

01:26:29,430 --> 01:26:27,600

ago because uh

2286

01:26:31,590 --> 01:26:29,440

i automatically

2287

01:26:33,590 --> 01:26:31,600

send you some money and usually you give

2288

01:26:37,590 --> 01:26:33,600

me a nice thank you note and that was

2289

01:26:39,110 --> 01:26:37,600

that's always very nice i like that um

2290

01:26:41,830 --> 01:26:39,120

anyway uh

2291

01:26:45,030 --> 01:26:41,840

i didn't always live in roswell georgia

2292

01:26:48,149 --> 01:26:45,040

i grew up in seattle and uh

2293

01:26:50,110 --> 01:26:48,159

i was when i was one day in june of 19

2294

01:26:54,149 --> 01:26:50,120

now sorry yeah

2295

01:26:56,070 --> 01:26:54,159

1963 i had just turned 14

2296

01:26:58,550 --> 01:26:56,080

in may which is why i remember the month

2297

01:27:00,550 --> 01:26:58,560

i don't remember the day uh my mother

2298

01:27:02,390 --> 01:27:00,560

came home from work and said there's

2299

01:27:04,310 --> 01:27:02,400

going to be um

2300

01:27:06,310 --> 01:27:04,320

you know a space capsule whatever we

2301

01:27:08,310 --> 01:27:06,320

call them you know going overhead

2302

01:27:09,750 --> 01:27:08,320

tonight around i think she said 10

2303

01:27:11,990 --> 01:27:09,760

o'clock i don't really remember i know

2304

01:27:14,870 --> 01:27:12,000

it had gotten dark by then

2305

01:27:18,470 --> 01:27:14,880

um and uh so

2306

01:27:20,709 --> 01:27:18,480

so my older brother was 20 and my mom

2307

01:27:23,110 --> 01:27:20,719

and i all decided we would go out and

2308

01:27:26,310 --> 01:27:23,120

look for it so we did and

2309

01:27:29,350 --> 01:27:26,320

we eventually saw it coming

2310

01:27:31,990 --> 01:27:29,360

very slowly and it was getting bigger

2311

01:27:34,550 --> 01:27:32,000

and smaller and bigger and smaller and

2312

01:27:36,550 --> 01:27:34,560

my brother who knew everything you know

2313

01:27:37,990 --> 01:27:36,560

as far as i knew said that that was

2314

01:27:40,790 --> 01:27:38,000

because of the way remember the way

2315

01:27:43,030 --> 01:27:40,800

those things were were um

2316

01:27:44,070 --> 01:27:43,040

shaped like acorns

2317

01:27:45,990 --> 01:27:44,080

you know so

2318

01:27:48,070 --> 01:27:46,000

when we would be seeing the small part

2319

01:27:50,310 --> 01:27:48,080

it would be small and then the big part

2320

01:27:53,270 --> 01:27:50,320

would you know so anyway that's

2321

01:27:54,310 --> 01:27:53,280

lumbering along the sky very slowly

2322

01:27:56,070 --> 01:27:54,320

and then

2323

01:27:57,830 --> 01:27:56,080

one of us noticed i don't remember which

2324

01:28:00,950 --> 01:27:57,840

one noticed

2325

01:28:03,430 --> 01:28:00,960

from the opposite direction but a little

2326

01:28:06,149 --> 01:28:03,440

bit this was coming from the

2327

01:28:07,350 --> 01:28:06,159

south to the north and then from the

2328

01:28:08,470 --> 01:28:07,360

north

2329

01:28:09,430 --> 01:28:08,480

east

2330

01:28:10,390 --> 01:28:09,440

um

2331

01:28:13,350 --> 01:28:10,400

another

2332

01:28:14,390 --> 01:28:13,360

smaller light a steady light

2333

01:28:17,110 --> 01:28:14,400

was

2334

01:28:19,830 --> 01:28:17,120

coming really fast

2335

01:28:22,390 --> 01:28:19,840

and then it started to slow down

2336

01:28:25,270 --> 01:28:22,400

and it came right up to the

2337

01:28:26,390 --> 01:28:25,280

to the you know space capsule astronaut

2338

01:28:29,110 --> 01:28:26,400

whatever

2339

01:28:31,750 --> 01:28:29,120
and uh and stopped for about a

2340

01:28:36,390 --> 01:28:31,760
nanosecond and

2341

01:28:39,189 --> 01:28:36,400
slowly faster faster faster faster fast

2342

01:28:39,199 --> 01:28:43,189
are you there

2343

01:28:43,199 --> 01:28:46,550
hello

2344

01:28:49,270 --> 01:28:47,430
um

2345

01:28:51,750 --> 01:28:49,280
caroline are you still there

2346

01:28:53,830 --> 01:28:51,760
carolyn

2347

01:28:57,350 --> 01:28:53,840
hm

2348

01:28:59,110 --> 01:28:57,360
oh carolyn you there i'm here

2349

01:29:01,510 --> 01:28:59,120
you know i don't know how it happened i

2350

01:29:04,149 --> 01:29:01,520
was trying to type something and somehow

2351

01:29:06,229 --> 01:29:04,159

uh somehow it automatically muted you

2352

01:29:09,030 --> 01:29:06,239

and maybe it's just the key keystroke or

2353

01:29:11,350 --> 01:29:09,040

something sorry about that um so you

2354

01:29:13,350 --> 01:29:11,360

were talking about uh sorry you got cut

2355

01:29:15,350 --> 01:29:13,360

off so i don't know

2356

01:29:17,590 --> 01:29:15,360

uh i think this is uh

2357

01:29:19,990 --> 01:29:17,600

this is a program glitch uh according to

2358

01:29:21,270 --> 01:29:20,000

bill that happens so anyway sorry about

2359

01:29:22,790 --> 01:29:21,280

that i don't

2360

01:29:24,790 --> 01:29:22,800

i don't know

2361

01:29:27,030 --> 01:29:24,800

did i think you said it was disappearing

2362

01:29:28,390 --> 01:29:27,040

or something like that or

2363

01:29:30,629 --> 01:29:28,400

well it

2364

01:29:33,270 --> 01:29:30,639

it came up to the

2365

01:29:36,790 --> 01:29:33,280

space capsule thing whoever we called

2366

01:29:38,390 --> 01:29:36,800

them in those days and uh and did a a 90

2367

01:29:40,149 --> 01:29:38,400

degree turn

2368

01:29:45,430 --> 01:29:40,159

on a dime

2369

01:29:50,149 --> 01:29:47,430

first kind of slowly and then faster and

2370

01:29:52,390 --> 01:29:50,159

faster and faster and faster and i don't

2371

01:29:55,189 --> 01:29:52,400

think it was in the that was visible

2372

01:29:56,550 --> 01:29:55,199

more than 30 seconds

2373

01:29:58,229 --> 01:29:56,560

wow

2374

01:29:59,910 --> 01:29:58,239

that yeah that's quite incredible and

2375

01:30:01,669 --> 01:29:59,920

how many of you were watching at this

2376

01:30:03,830 --> 01:30:01,679

time

2377

01:30:06,790 --> 01:30:03,840

three of us three of us

2378

01:30:09,030 --> 01:30:06,800

my mother and my 20 year old college

2379

01:30:11,350 --> 01:30:09,040

student brother

2380

01:30:13,110 --> 01:30:11,360

and did you hear about anyone else

2381

01:30:14,709 --> 01:30:13,120

seeing this no

2382

01:30:17,669 --> 01:30:14,719

no we just

2383

01:30:19,350 --> 01:30:17,679

all through the newspapers the next day

2384

01:30:22,149 --> 01:30:19,360

listen to the news and that sort of

2385

01:30:23,350 --> 01:30:22,159

thing nothing and i've never seen heard

2386

01:30:25,350 --> 01:30:23,360

anything

2387

01:30:26,310 --> 01:30:25,360

like that before

2388

01:30:29,350 --> 01:30:26,320

but

2389

01:30:31,350 --> 01:30:29,360

it was sure obvious that

2390

01:30:34,229 --> 01:30:31,360

that wasn't um

2391

01:30:35,669 --> 01:30:34,239

in the program so yeah doesn't sound

2392

01:30:37,669 --> 01:30:35,679

like it

2393

01:30:40,550 --> 01:30:37,679

no

2394

01:30:41,270 --> 01:30:40,560

yeah i was already interested in in ufos

2395

01:30:43,590 --> 01:30:41,280

but

2396

01:30:46,229 --> 01:30:43,600

i really was more interested then so

2397

01:30:47,910 --> 01:30:46,239

it's been a lifelong interest anyway

2398

01:30:49,030 --> 01:30:47,920

that's that's it that's my little

2399

01:30:51,350 --> 01:30:49,040

sighting

2400

01:30:53,030 --> 01:30:51,360

i love it i love it and i do appreciate

2401
01:30:54,149 --> 01:30:53,040
the call

2402
01:30:57,110 --> 01:30:54,159
all right

2403
01:30:58,229 --> 01:30:57,120
right bye caroline

2404
01:31:00,070 --> 01:30:58,239
bye

2405
01:31:03,110 --> 01:31:00,080
all right next we have

2406
01:31:04,229 --> 01:31:03,120
the one and only sam moronto

2407
01:31:05,110 --> 01:31:04,239
ufo

2408
01:31:06,950 --> 01:31:05,120
oh

2409
01:31:07,990 --> 01:31:06,960
you've ufologist

2410
01:31:09,750 --> 01:31:08,000
from

2411
01:31:11,590 --> 01:31:09,760
the middle of the country sam welcome to

2412
01:31:14,070 --> 01:31:11,600
the show

2413
01:31:15,510 --> 01:31:14,080

from the heartland of the uh wonderful

2414

01:31:18,149 --> 01:31:15,520

u.s right

2415

01:31:21,669 --> 01:31:18,159

that's right how you been sam

2416

01:31:24,310 --> 01:31:21,679

oh i'm kicking and um improving

2417

01:31:26,390 --> 01:31:24,320

and uh just wanted to tell you happy

2418

01:31:29,110 --> 01:31:26,400

500th

2419

01:31:31,990 --> 01:31:29,120

show i can't believe that in fact i was

2420

01:31:35,110 --> 01:31:32,000

so excited uh i have my better half here

2421

01:31:38,189 --> 01:31:35,120

that wants to uh wish you a happy 500th

2422

01:31:40,470 --> 01:31:38,199

too often julie hi julie

2423

01:31:43,430 --> 01:31:40,480

congratulations how are you

2424

01:31:46,470 --> 01:31:43,440

i'm doing well good to hear your voice

2425

01:31:48,470 --> 01:31:46,480

yes same here congratulations

2426

01:31:51,350 --> 01:31:48,480

thank you so many

2427

01:31:53,590 --> 01:31:51,360

wonderful wonderful listeners my gosh

2428

01:31:55,750 --> 01:31:53,600

the questions and things that they were

2429

01:31:58,390 --> 01:31:55,760

bringing up there was a few things i

2430

01:32:00,470 --> 01:31:58,400

wanted to address but i was wondering if

2431

01:32:01,270 --> 01:32:00,480

you had some interesting things that i

2432

01:32:04,229 --> 01:32:01,280

could

2433

01:32:07,110 --> 01:32:04,239

uh maybe talk about

2434

01:32:08,870 --> 01:32:07,120

if i had some interesting things

2435

01:32:11,990 --> 01:32:08,880

yes that you were that you were

2436

01:32:13,669 --> 01:32:12,000

interested in throwing at me

2437

01:32:14,470 --> 01:32:13,679

oh oh you mean throwing a question at

2438

01:32:15,990 --> 01:32:14,480

you

2439

01:32:18,470 --> 01:32:16,000

all right uh

2440

01:32:20,470 --> 01:32:18,480

yeah um so just just let you know this

2441

01:32:22,310 --> 01:32:20,480

is the call-in that we're having here is

2442

01:32:25,350 --> 01:32:22,320

basically you know people calling in

2443

01:32:28,950 --> 01:32:25,360

with their experiences and and whatever

2444

01:32:31,350 --> 01:32:28,960

but uh you know to go uh i i guess uh

2445

01:32:32,709 --> 01:32:31,360

let's uh and we have uh let's see one

2446

01:32:34,229 --> 01:32:32,719

two three

2447

01:32:36,310 --> 01:32:34,239

we have looks like three people behind

2448

01:32:37,350 --> 01:32:36,320

you so we can't keep this too long but

2449

01:32:38,390 --> 01:32:37,360

let's uh

2450

01:32:41,030 --> 01:32:38,400

yeah

2451
01:32:42,149 --> 01:32:41,040
let's talk about um

2452
01:32:47,910 --> 01:32:42,159
the

2453
01:32:49,510 --> 01:32:47,920
tingly park

2454
01:32:53,350 --> 01:32:49,520
um mass

2455
01:32:54,870 --> 01:32:53,360
uh ufo witness sighting i love that one

2456
01:32:57,350 --> 01:32:54,880
yes i was hoping you'd bring that up

2457
01:32:59,430 --> 01:32:57,360
because the gentleman with the triangle

2458
01:33:02,310 --> 01:32:59,440
and in fact hopefully you could find him

2459
01:33:05,189 --> 01:33:02,320
to give my contact information to him

2460
01:33:07,750 --> 01:33:05,199
because i'd love to talk more to him uh

2461
01:33:11,350 --> 01:33:07,760
that was such a

2462
01:33:13,189 --> 01:33:11,360
um uh sighting again we get these large

2463
01:33:15,990 --> 01:33:13,199

objects and we had them in tinley park

2464

01:33:19,030 --> 01:33:16,000

we had an anniversary of course uh the

2465

01:33:21,750 --> 01:33:19,040

october uh uh sighting and that was

2466

01:33:22,390 --> 01:33:21,760

2004. he's talking he was talking about

2467

01:33:23,189 --> 01:33:22,400

the

2468

01:33:26,550 --> 01:33:23,199

uh

2469

01:33:28,790 --> 01:33:26,560

march 13 1997

2470

01:33:30,390 --> 01:33:28,800

we had activity in it about here it

2471

01:33:31,910 --> 01:33:30,400

seemed like there were multiple

2472

01:33:35,030 --> 01:33:31,920

sightings and this happens you have

2473

01:33:37,430 --> 01:33:35,040

these adjunct sightings in other states

2474

01:33:39,510 --> 01:33:37,440

that may not be as significant as the

2475

01:33:42,070 --> 01:33:39,520

mass sightings and that's something as

2476

01:33:44,390 --> 01:33:42,080

you know i love and so do you uh the

2477

01:33:45,590 --> 01:33:44,400

tinley park mass sighting had thousands

2478

01:33:47,830 --> 01:33:45,600

of people

2479

01:33:49,110 --> 01:33:47,840

that seen these objects the three

2480

01:33:51,750 --> 01:33:49,120

triangular

2481

01:33:54,629 --> 01:33:51,760

pattern of lights and an isosceles

2482

01:33:57,430 --> 01:33:54,639

pattern that moved about the sky

2483

01:33:58,709 --> 01:33:57,440

and this was the same scenario as what

2484

01:34:02,709 --> 01:33:58,719

we had up in

2485

01:34:04,470 --> 01:34:02,719

rockford southern illinois in 2000

2486

01:34:06,229 --> 01:34:04,480

and of course you know one thing we kind

2487

01:34:08,390 --> 01:34:06,239

of forget about is the

2488

01:34:10,110 --> 01:34:08,400

uh the carteret sightings

2489

01:34:12,790 --> 01:34:10,120

in july of

2490

01:34:14,470 --> 01:34:12,800

2001. that is something that one of

2491

01:34:16,310 --> 01:34:14,480

these days they got to get on there and

2492

01:34:19,110 --> 01:34:16,320

we could talk about a little bit that's

2493

01:34:21,270 --> 01:34:19,120

a very good math sighting uh but i don't

2494

01:34:23,669 --> 01:34:21,280

want to hold your um your people up one

2495

01:34:25,750 --> 01:34:23,679

thing i did want to address is they can

2496

01:34:27,430 --> 01:34:25,760

always fill out a move on report just go

2497

01:34:29,590 --> 01:34:27,440

to mufon.com

2498

01:34:31,510 --> 01:34:29,600

and i would love to see uh some of the

2499

01:34:34,790 --> 01:34:31,520

detail of those photos

2500

01:34:37,110 --> 01:34:34,800

and marty antonio would do a great job i

2501

01:34:39,270 --> 01:34:37,120

also do some photo analysis

2502

01:34:40,390 --> 01:34:39,280

and if i can't figure it out i pass it

2503

01:34:42,470 --> 01:34:40,400

on him

2504

01:34:44,229 --> 01:34:42,480

but uh excellent i want to thank you

2505

01:34:46,149 --> 01:34:44,239

very much so just just

2506

01:34:47,109 --> 01:34:46,159

sam before you go quickly what is the

2507

01:34:51,590 --> 01:34:47,119

carter

2508

01:34:53,750 --> 01:34:51,600

can you talk about that

2509

01:34:56,669 --> 01:34:53,760

sure the carteret sighting was you know

2510

01:35:00,629 --> 01:34:56,679

the it was back in july of

2511

01:35:03,270 --> 01:35:00,639

2001 and people were seeing these the uh

2512

01:35:06,310 --> 01:35:03,280

uh seeing these triangular patterns and

2513

01:35:08,709 --> 01:35:06,320

singular orange lights coming in uh near

2514

01:35:11,590 --> 01:35:08,719

the newark airport in fact they were

2515

01:35:13,750 --> 01:35:11,600

picked up on radar and they were doing

2516

01:35:16,790 --> 01:35:13,760

some remarkable speeds they were

2517

01:35:18,229 --> 01:35:16,800

actually standing still going very slow

2518

01:35:20,870 --> 01:35:18,239

and going

2519

01:35:22,709 --> 01:35:20,880

at velocities that they were just going

2520

01:35:25,109 --> 01:35:22,719

off the radar in other words the speeds

2521

01:35:27,590 --> 01:35:25,119

would not even be able to record them

2522

01:35:29,750 --> 01:35:27,600

this was investigated by njia which was

2523

01:35:32,470 --> 01:35:29,760

of course national institute discovery

2524

01:35:35,350 --> 01:35:32,480

science by bigelow aerospace and there

2525

01:35:37,030 --> 01:35:35,360

was a very good write-up on that it was

2526

01:35:39,109 --> 01:35:37,040

covered in the newspaper and if they

2527

01:35:42,390 --> 01:35:39,119

could if people are interested go on

2528

01:35:45,189 --> 01:35:42,400

youtube and check up the carteret new

2529

01:35:48,470 --> 01:35:45,199

york or excuse me new jersey sightings

2530

01:35:50,310 --> 01:35:48,480

back in 2001 i believe it was july in

2531

01:35:52,550 --> 01:35:50,320

fact i'm almost positive

2532

01:35:53,990 --> 01:35:52,560

and you could see some very good news

2533

01:35:56,629 --> 01:35:54,000

reel and

2534

01:35:58,390 --> 01:35:56,639

video so get a chance i know there's at

2535

01:36:00,790 --> 01:35:58,400

least two of them up there on youtube

2536

01:36:03,510 --> 01:36:00,800

but we could talk about it some more uh

2537

01:36:05,189 --> 01:36:03,520

and give give you more detail

2538

01:36:08,390 --> 01:36:05,199

excellent well sam thank you for your

2539

01:36:14,629 --> 01:36:08,400

call and thank you julie

2540

01:36:18,310 --> 01:36:17,030

thank you sam all right take care yeah

2541

01:36:21,510 --> 01:36:18,320

bye

2542

01:36:23,750 --> 01:36:21,520

all right next on the line we have brock

2543

01:36:26,149 --> 01:36:23,760

from dayton ohio brock welcome to the

2544

01:36:30,229 --> 01:36:28,629

uh hey martin rock

2545

01:36:32,310 --> 01:36:30,239

i'm doing great

2546

01:36:34,550 --> 01:36:32,320

i just wanted to say uh

2547

01:36:36,229 --> 01:36:34,560

congratulations on 500

2548

01:36:37,270 --> 01:36:36,239

episodes

2549

01:36:43,990 --> 01:36:37,280

and

2550

01:36:45,189 --> 01:36:44,000

my um one of my most recent uh

2551

01:36:48,950 --> 01:36:45,199

sightings

2552

01:36:52,950 --> 01:36:48,960

i guess this was back in like 96 97

2553

01:36:55,750 --> 01:36:52,960

i was living in dayton ohio and uh

2554

01:36:57,830 --> 01:36:55,760

me and a buddy were driving down

2555

01:36:59,440 --> 01:36:57,840

uh route 4

2556

01:37:00,790 --> 01:36:59,450

slash 235

2557

01:37:02,390 --> 01:37:00,800

[Music]

2558

01:37:04,790 --> 01:37:02,400

right next to

2559

01:37:06,390 --> 01:37:04,800

what's known as the huffman dam but

2560

01:37:08,629 --> 01:37:06,400

what's interesting about that is on the

2561

01:37:10,870 --> 01:37:08,639

other side of the huffman dam

2562

01:37:13,109 --> 01:37:10,880

there's several that's right pat

2563

01:37:14,470 --> 01:37:13,119

wright-patterson air force base is there

2564

01:37:17,189 --> 01:37:14,480

and so

2565

01:37:19,510 --> 01:37:17,199

me and my friend were driving along and

2566

01:37:21,430 --> 01:37:19,520

i'm looking out uh

2567

01:37:22,870 --> 01:37:21,440

the right side of the car towards the

2568

01:37:24,390 --> 01:37:22,880

northwest

2569

01:37:26,470 --> 01:37:24,400

and that's um

2570

01:37:29,510 --> 01:37:26,480

the hebrew heights area

2571

01:37:31,350 --> 01:37:29,520

and i see this uh flat disk that's just

2572

01:37:32,709 --> 01:37:31,360

kind of zipping along the tree lines i

2573

01:37:34,790 --> 01:37:32,719

remember thinking

2574

01:37:36,070 --> 01:37:34,800

if that's a pilot

2575

01:37:37,590 --> 01:37:36,080

that guy's going to be in a lot of

2576

01:37:39,669 --> 01:37:37,600

trouble because

2577

01:37:41,109 --> 01:37:39,679

i never see planes flying that low and i

2578

01:37:42,470 --> 01:37:41,119

never see planes flying that fast

2579

01:37:43,990 --> 01:37:42,480

because it was literally just zipping

2580

01:37:45,270 --> 01:37:44,000

along at the top of the

2581

01:37:46,470 --> 01:37:45,280

tree line

2582

01:37:47,990 --> 01:37:46,480

and then

2583

01:37:51,030 --> 01:37:48,000

as i'm sitting there looking at this i'm

2584

01:37:53,669 --> 01:37:51,040

trying to recognize the profile of this

2585

01:37:56,149 --> 01:37:53,679

plane because it was just a flat disc i

2586

01:37:58,070 --> 01:37:56,159

thought well maybe it's an f-16

2587

01:37:59,030 --> 01:37:58,080

and i'm just seeing the profile of it

2588

01:38:01,350 --> 01:37:59,040

it's

2589

01:38:02,950 --> 01:38:01,360

i'm not really seeing and as soon as i'm

2590

01:38:05,590 --> 01:38:02,960

thinking that it suddenly just went

2591

01:38:06,550 --> 01:38:05,600

vertical and just shot up and in the

2592

01:38:09,270 --> 01:38:06,560

sky

2593

01:38:10,390 --> 01:38:09,280

and was gone like in a second

2594

01:38:12,870 --> 01:38:10,400

and um

2595

01:38:14,550 --> 01:38:12,880

i was thinking to myself like okay i've

2596

01:38:16,229 --> 01:38:14,560

never seen anything like that before i

2597

01:38:18,229 --> 01:38:16,239

wonder

2598

01:38:19,910 --> 01:38:18,239

tried to rationalize like what kind of

2599

01:38:22,229 --> 01:38:19,920

plane could that have been and then as

2600

01:38:24,310 --> 01:38:22,239

i'm thinking that to myself i hear my

2601
01:38:25,189 --> 01:38:24,320
buddy next to me he's driving and he's

2602
01:38:28,470 --> 01:38:25,199
like

2603
01:38:32,709 --> 01:38:28,480
that wasn't

2604
01:38:35,030 --> 01:38:32,719
was that was something else and uh

2605
01:38:36,149 --> 01:38:35,040
we were both kind of like in a in a daze

2606
01:38:40,149 --> 01:38:36,159
for

2607
01:38:42,149 --> 01:38:40,159
a good 15 or 20 minutes um

2608
01:38:45,430 --> 01:38:42,159
it's not i think we've talked about that

2609
01:38:48,310 --> 01:38:45,440
maybe one time since then yeah

2610
01:38:49,350 --> 01:38:48,320
it was really pretty shocking yeah

2611
01:38:51,669 --> 01:38:49,360
um

2612
01:38:53,270 --> 01:38:51,679
you know people say like since we were

2613
01:38:55,430 --> 01:38:53,280

right next to ray pat like that could

2614

01:38:56,709 --> 01:38:55,440

have been a some kind of experimental

2615

01:38:59,189 --> 01:38:56,719

plane or something like that and i'm

2616

01:39:00,550 --> 01:38:59,199

like okay yeah that's possible but if

2617

01:39:02,870 --> 01:39:00,560

you've got

2618

01:39:04,229 --> 01:39:02,880

some kind of like uh experimental

2619

01:39:06,950 --> 01:39:04,239

aircraft

2620

01:39:09,109 --> 01:39:06,960

maybe a drone because obviously like

2621

01:39:10,790 --> 01:39:09,119

the way that thing accelerated like

2622

01:39:13,030 --> 01:39:10,800

upwards because it made just a right

2623

01:39:14,629 --> 01:39:13,040

angle turn it just when it was going

2624

01:39:17,030 --> 01:39:14,639

like really fast

2625

01:39:19,109 --> 01:39:17,040

horizontally and then suddenly it just

2626

01:39:23,350 --> 01:39:19,119

shot up vertically

2627

01:39:24,950 --> 01:39:23,360

um and was gone like in a in a second

2628

01:39:27,030 --> 01:39:24,960

um if anybody had been in there they

2629

01:39:28,790 --> 01:39:27,040

would have been liquefied

2630

01:39:31,030 --> 01:39:28,800

so but if they were flying like kind of

2631

01:39:32,390 --> 01:39:31,040

experimental drone or something over a

2632

01:39:33,270 --> 01:39:32,400

populated area that would have been

2633

01:39:37,430 --> 01:39:33,280

super

2634

01:39:38,830 --> 01:39:37,440

because if they lost communication with

2635

01:39:41,109 --> 01:39:38,840

that

2636

01:39:43,750 --> 01:39:41,119

vehicle it would crash it would have

2637

01:39:44,709 --> 01:39:43,760

taken out like a whole neighborhood so

2638

01:39:46,070 --> 01:39:44,719

i mean

2639

01:39:48,390 --> 01:39:46,080

sure that's possible but i don't think

2640

01:39:52,070 --> 01:39:48,400

that's a very good explanation so

2641

01:39:54,709 --> 01:39:52,080

that's my most recent ufo sighting um

2642

01:39:56,229 --> 01:39:54,719

it's a good one the head scratcher yeah

2643

01:39:58,149 --> 01:39:56,239

yeah that's right

2644

01:40:00,550 --> 01:39:58,159

right well hey thanks so much for the

2645

01:40:01,750 --> 01:40:00,560

call i appreciate it

2646

01:40:07,750 --> 01:40:01,760

all right

2647

01:40:10,149 --> 01:40:07,760

michigan and uh johnny welcome to the

2648

01:40:12,709 --> 01:40:10,159

show and also i want to say yuri from

2649

01:40:14,550 --> 01:40:12,719

germany call back hopefully uh you'll

2650

01:40:18,390 --> 01:40:14,560

try us again and we'll be able to get to

2651
01:40:20,149 --> 01:40:18,400
you so uh welcome to the show johnny

2652
01:40:21,510 --> 01:40:20,159
hey martin it's uh actually tony a

2653
01:40:24,229 --> 01:40:21,520
little confusion on the name i spoke

2654
01:40:25,830 --> 01:40:24,239
with you like six months ago maybe on a

2655
01:40:27,350 --> 01:40:25,840
vertical cylinder

2656
01:40:30,310 --> 01:40:27,360
michigan

2657
01:40:32,149 --> 01:40:30,320
oh yes i remember you yes hi yeah

2658
01:40:33,669 --> 01:40:32,159
what was odd about that is that thing

2659
01:40:35,750 --> 01:40:33,679
bugs and it wasn't only myself a

2660
01:40:38,070 --> 01:40:35,760
co-worker stood next to me for probably

2661
01:40:39,830 --> 01:40:38,080
30 minutes and we handed binoculars back

2662
01:40:42,470 --> 01:40:39,840
and forth to look at this thing and it

2663
01:40:44,950 --> 01:40:42,480

was so near metro airport in detroit and

2664

01:40:46,070 --> 01:40:44,960

above landing aircraft on a nice sunny

2665

01:40:48,470 --> 01:40:46,080

day

2666

01:40:51,910 --> 01:40:48,480

i still i i've actually attempted to

2667

01:40:54,229 --> 01:40:51,920

foia the faa to get control tower audio

2668

01:40:57,830 --> 01:40:54,239

and which the reply i got from them was

2669

01:41:00,149 --> 01:40:57,840

uh audio from that time does not exist

2670

01:41:01,510 --> 01:41:00,159

and which is a little little just you

2671

01:41:02,629 --> 01:41:01,520

know disturbing

2672

01:41:04,310 --> 01:41:02,639

but

2673

01:41:05,830 --> 01:41:04,320

both of us cannot rationalize what we

2674

01:41:07,750 --> 01:41:05,840

saw that day and we watched this thing

2675

01:41:09,830 --> 01:41:07,760

for about 30 minutes

2676
01:41:11,750 --> 01:41:09,840
traveled to the southwest against uh 20

2677
01:41:13,830 --> 01:41:11,760
mile an hour wind and never deviated

2678
01:41:16,070 --> 01:41:13,840
course ever

2679
01:41:18,229 --> 01:41:16,080
that is such a fascinating show our

2680
01:41:19,830 --> 01:41:18,239
story i remember you telling me this

2681
01:41:22,470 --> 01:41:19,840
before and

2682
01:41:24,470 --> 01:41:22,480
uh i i love this this story because

2683
01:41:26,229 --> 01:41:24,480
you're someone that really didn't have

2684
01:41:28,229 --> 01:41:26,239
an interest in this topic at all and you

2685
01:41:29,990 --> 01:41:28,239
just happen to witness thing this thing

2686
01:41:31,510 --> 01:41:30,000
as a professional

2687
01:41:33,189 --> 01:41:31,520
so absolutely

2688
01:41:34,950 --> 01:41:33,199

yeah i worked like three miles from the

2689

01:41:36,950 --> 01:41:34,960

airport uh pretty large i'm in charge of

2690

01:41:38,390 --> 01:41:36,960

a pretty large facility and stared on my

2691

01:41:40,390 --> 01:41:38,400

office window and

2692

01:41:42,709 --> 01:41:40,400

saw something it did take the binoculars

2693

01:41:44,870 --> 01:41:42,719

to really get it in focus and uh

2694

01:41:47,350 --> 01:41:44,880

but we both stood there and couldn't

2695

01:41:49,430 --> 01:41:47,360

figure out and my logical the best guess

2696

01:41:50,790 --> 01:41:49,440

would be a balloon but a balloon can't

2697

01:41:52,950 --> 01:41:50,800

maintain course

2698

01:41:55,270 --> 01:41:52,960

against a 20 mile an hour wind

2699

01:41:57,350 --> 01:41:55,280

and this right it looked metallic and it

2700

01:41:59,109 --> 01:41:57,360

looked pretty it looked fairly large but

2701

01:42:01,590 --> 01:41:59,119

that is hard to discern

2702

01:42:03,669 --> 01:42:01,600

you know did you i know i know i asked

2703

01:42:05,669 --> 01:42:03,679

you this last time but did you ever try

2704

01:42:07,590 --> 01:42:05,679

to take pictures i know you you could

2705

01:42:09,030 --> 01:42:07,600

only see through the binocular probably

2706

01:42:11,590 --> 01:42:09,040

is that is that

2707

01:42:13,430 --> 01:42:11,600

the reason why you didn't get that

2708

01:42:15,109 --> 01:42:13,440

yep through the binocular you could make

2709

01:42:17,590 --> 01:42:15,119

the shape out you could tell it was it

2710

01:42:19,350 --> 01:42:17,600

was uh a large cylinder from the looks

2711

01:42:22,070 --> 01:42:19,360

of it metallic from the looks of it it

2712

01:42:24,950 --> 01:42:22,080

glinted light like you wouldn't believe

2713

01:42:27,030 --> 01:42:24,960

and that's what caught our eye and and i

2714

01:42:28,790 --> 01:42:27,040

i always i keep binoculars in my office

2715

01:42:29,830 --> 01:42:28,800

i happened to just grab them walked out

2716

01:42:32,790 --> 01:42:29,840

looked and

2717

01:42:34,629 --> 01:42:32,800

it i just can't understand it and i know

2718

01:42:36,470 --> 01:42:34,639

every aircraft that day even though it

2719

01:42:38,070 --> 01:42:36,480

was well above them had to be concerned

2720

01:42:40,709 --> 01:42:38,080

about what that thing was

2721

01:42:42,470 --> 01:42:40,719

and it also involved towards the end of

2722

01:42:46,629 --> 01:42:42,480

it when it was almost directly over our

2723

01:42:49,030 --> 01:42:46,639

facility uh an f-16 flew from the north

2724

01:42:50,149 --> 01:42:49,040

to the south passing again above landing

2725

01:42:51,910 --> 01:42:50,159

aircraft

2726

01:42:53,430 --> 01:42:51,920

uh right above them and flew to the

2727

01:42:55,270 --> 01:42:53,440

right next to that thing i mean i took

2728

01:42:56,709 --> 01:42:55,280

the binoculars down and saw the f-16 go

2729

01:42:59,669 --> 01:42:56,719

right past it so

2730

01:43:02,070 --> 01:42:59,679

someone was interested in what that was

2731

01:43:04,550 --> 01:43:02,080

and was that a was that in a horizontal

2732

01:43:06,229 --> 01:43:04,560

position vertical what was it doing

2733

01:43:08,550 --> 01:43:06,239

it was vertical it was a vertical

2734

01:43:10,390 --> 01:43:08,560

metallic cylinder i sent you an image

2735

01:43:12,950 --> 01:43:10,400

that's right i do remember

2736

01:43:17,109 --> 01:43:15,109

myself and a co-worker pulled it up it

2737

01:43:18,950 --> 01:43:17,119

was in europe i guess i cuz i googled

2738

01:43:21,270 --> 01:43:18,960

months and months went by after i said

2739

01:43:23,430 --> 01:43:21,280

we cited it and i'm like what was that

2740

01:43:27,030 --> 01:43:23,440

and we started googling it looking at it

2741

01:43:28,790 --> 01:43:27,040

and i i thought ufo was a you know uh

2742

01:43:30,229 --> 01:43:28,800

you know a disc i never heard of a

2743

01:43:32,070 --> 01:43:30,239

cylinder ufo

2744

01:43:34,550 --> 01:43:32,080

do me a favor tony if you would can you

2745

01:43:37,910 --> 01:43:34,560

resend that to me at martinet podcast

2746

01:43:39,430 --> 01:43:37,920

ufo we have uh yuri on from germany and

2747

01:43:41,430 --> 01:43:39,440

i know it's probably costing him some

2748

01:43:43,510 --> 01:43:41,440

money so i'd like to uh

2749

01:43:45,750 --> 01:43:43,520

yeah so anyway thank you so much for the

2750

01:43:47,590 --> 01:43:45,760

call i appreciate it

2751
01:43:48,950 --> 01:43:47,600
and uh and please do send that to me and

2752
01:43:50,629 --> 01:43:48,960
i'll get that into the show notes so

2753
01:43:54,229 --> 01:43:50,639
people can see that image

2754
01:43:56,629 --> 01:43:54,239
so uh yuri we have you from germany

2755
01:43:57,750 --> 01:43:56,639
welcome to the show good and talk

2756
01:44:02,070 --> 01:43:57,760
hi

2757
01:44:03,350 --> 01:44:02,080
in germany because it's

2758
01:44:05,750 --> 01:44:03,360
good

2759
01:44:08,310 --> 01:44:05,760
yeah i had it i had a german stepmother

2760
01:44:10,310 --> 01:44:08,320
that was a long time ago

2761
01:44:11,430 --> 01:44:10,320
so yeah but anyway

2762
01:44:12,390 --> 01:44:11,440
welcome

2763
01:44:14,070 --> 01:44:12,400

yeah

2764

01:44:16,390 --> 01:44:14,080

thank you very much

2765

01:44:18,629 --> 01:44:16,400

yeah so uh what time is it there right

2766

01:44:20,709 --> 01:44:18,639

now

2767

01:44:22,229 --> 01:44:20,719

well it's pretty late it's 15 minutes

2768

01:44:24,470 --> 01:44:22,239

before two

2769

01:44:28,470 --> 01:44:24,480

that's right a.m

2770

01:44:29,830 --> 01:44:28,480

yeah well i thank you for calling

2771

01:44:31,910 --> 01:44:29,840

sure

2772

01:44:36,870 --> 01:44:31,920

i have a pretty interesting story which

2773

01:44:39,990 --> 01:44:38,629

i grew up in germany

2774

01:44:43,350 --> 01:44:40,000

in the countryside in the deep

2775

01:44:47,830 --> 01:44:43,360

countryside and we were country boys

2776

01:44:49,750 --> 01:44:47,840

so i was a 3016 years old and me and one

2777

01:44:52,229 --> 01:44:49,760

of my best friends both of us wanted

2778

01:44:54,550 --> 01:44:52,239

each from school so i told to you know

2779

01:44:56,790 --> 01:44:54,560

my parents that i'm going to sleep by

2780

01:44:58,550 --> 01:44:56,800

his place and he said the same thing and

2781

01:45:00,550 --> 01:44:58,560

we just want to hang out outside in the

2782

01:45:03,109 --> 01:45:00,560

woods and you know taking a walk in

2783

01:45:08,070 --> 01:45:03,119

smoking pots and stuff like that

2784

01:45:09,990 --> 01:45:08,080

okay as we did after i think

2785

01:45:11,750 --> 01:45:10,000

late night it started to be very late we

2786

01:45:15,590 --> 01:45:11,760

just want to stay outside all night this

2787

01:45:19,430 --> 01:45:17,990

there was something above us and i

2788

01:45:20,790 --> 01:45:19,440

noticed that

2789

01:45:22,870 --> 01:45:20,800

there was like

2790

01:45:25,189 --> 01:45:22,880

a shining

2791

01:45:27,030 --> 01:45:25,199

aircraft looks like

2792

01:45:29,109 --> 01:45:27,040

i don't know if you say like a flying

2793

01:45:31,910 --> 01:45:29,119

sorcerer but i could not really say

2794

01:45:34,629 --> 01:45:31,920

because it was uh surrounding by

2795

01:45:36,790 --> 01:45:34,639

like plasma like like not like just a

2796

01:45:40,229 --> 01:45:36,800

regular light but like a liquid like the

2797

01:45:42,950 --> 01:45:40,239

light is by itself is a material

2798

01:45:45,270 --> 01:45:42,960

so we were very stressed out because we

2799

01:45:47,189 --> 01:45:45,280

could we were in my home area and we

2800

01:45:48,550 --> 01:45:47,199

could not go back home

2801
01:45:50,229 --> 01:45:48,560
because then

2802
01:45:52,390 --> 01:45:50,239
my parents knew that i was a teaching

2803
01:45:53,350 --> 01:45:52,400
and i'm not sleeping by his place and

2804
01:45:55,109 --> 01:45:53,360
the same

2805
01:45:56,870 --> 01:45:55,119
with this so we were trying anyway we

2806
01:45:58,470 --> 01:45:56,880
were just walking in the woods and

2807
01:46:00,790 --> 01:45:58,480
trying to get rid of it to see if it's

2808
01:46:02,950 --> 01:46:00,800
following us and it was following us all

2809
01:46:04,390 --> 01:46:02,960
night long

2810
01:46:08,310 --> 01:46:04,400
until the

2811
01:46:13,910 --> 01:46:10,149
all night long so you dealt with this

2812
01:46:15,830 --> 01:46:13,920
thing all night long no

2813
01:46:17,750 --> 01:46:15,840

i didn't i didn't i don't know what to

2814

01:46:19,750 --> 01:46:17,760

expect but i didn't know how to feel

2815

01:46:22,070 --> 01:46:19,760

about it when it was happening yeah it

2816

01:46:25,030 --> 01:46:22,080

was like it was interesting i was

2817

01:46:27,350 --> 01:46:25,040

curious in my mind in his mind both of

2818

01:46:30,629 --> 01:46:27,360

us were it was like something that we

2819

01:46:32,470 --> 01:46:30,639

believed that is existing but

2820

01:46:33,910 --> 01:46:32,480

we understood what's going on what's

2821

01:46:36,149 --> 01:46:33,920

happening but

2822

01:46:38,830 --> 01:46:36,159

since then since the morning with both

2823

01:46:44,390 --> 01:46:38,840

of us lost of memories

2824

01:46:47,990 --> 01:46:46,950

we were speaking about it

2825

01:46:49,590 --> 01:46:48,000

but

2826
01:46:51,430 --> 01:46:49,600
when we were speaking about it it was

2827
01:46:54,950 --> 01:46:51,440
after each one of us is a separate

2828
01:46:57,109 --> 01:46:54,960
experience at night same

2829
01:47:00,229 --> 01:46:57,119
experience but

2830
01:47:02,070 --> 01:47:00,239
in different places so my experience was

2831
01:47:04,070 --> 01:47:02,080
that i was

2832
01:47:06,550 --> 01:47:04,080
living in the countryside for a first

2833
01:47:09,990 --> 01:47:06,560
floor in my room and there is a gap from

2834
01:47:15,430 --> 01:47:12,149
to the garden it's about five

2835
01:47:16,390 --> 01:47:15,440
five or six meters like 15 feet

2836
01:47:18,070 --> 01:47:16,400
and

2837
01:47:20,390 --> 01:47:18,080
i was waking up in the middle of the

2838
01:47:24,390 --> 01:47:20,400

night from my dream and i was waking up

2839

01:47:26,629 --> 01:47:24,400

into a light a very bright light

2840

01:47:29,270 --> 01:47:26,639

that like a

2841

01:47:31,830 --> 01:47:29,280

completely everything bright light and i

2842

01:47:34,070 --> 01:47:31,840

feel like i'm floating in the air

2843

01:47:37,109 --> 01:47:34,080

through my window and then i do not

2844

01:47:38,310 --> 01:47:37,119

remember what happened since then

2845

01:47:40,629 --> 01:47:38,320

i wake up

2846

01:47:43,350 --> 01:47:40,639

in my bed

2847

01:47:45,669 --> 01:47:43,360

the day after and

2848

01:47:47,430 --> 01:47:45,679

and the window was open and i did not

2849

01:47:48,629 --> 01:47:47,440

lift the window open i left the window

2850

01:47:51,030 --> 01:47:48,639

closed

2851
01:47:53,669 --> 01:47:51,040
and then i remember what was happening a

2852
01:47:55,990 --> 01:47:53,679
little bit i have a very blurry memory

2853
01:47:57,830 --> 01:47:56,000
about the pictures i just remember that

2854
01:47:59,030 --> 01:47:57,840
i was like lying on

2855
01:48:00,229 --> 01:47:59,040
some

2856
01:48:02,310 --> 01:48:00,239
metal

2857
01:48:04,950 --> 01:48:02,320
table

2858
01:48:07,350 --> 01:48:04,960
i got through some

2859
01:48:09,669 --> 01:48:07,360
surgical process

2860
01:48:11,430 --> 01:48:09,679
it was probably as i remember from my

2861
01:48:13,109 --> 01:48:11,440
memory it was like painful but i could

2862
01:48:14,149 --> 01:48:13,119
not move i remember i was trying to

2863
01:48:18,629 --> 01:48:14,159

scream

2864

01:48:20,229 --> 01:48:18,639

atmosphere no voice like there is

2865

01:48:22,390 --> 01:48:20,239

nothing like you you try to scream and

2866

01:48:24,950 --> 01:48:22,400

you cannot do anything about it

2867

01:48:27,510 --> 01:48:24,960

and the same experience and my friend

2868

01:48:28,550 --> 01:48:27,520

had we were we were speaking about it

2869

01:48:30,070 --> 01:48:28,560

and

2870

01:48:32,870 --> 01:48:30,080

since then we did not really want to

2871

01:48:34,470 --> 01:48:32,880

think about it but it's met me and four

2872

01:48:35,750 --> 01:48:34,480

other friends

2873

01:48:37,590 --> 01:48:35,760

after

2874

01:48:40,870 --> 01:48:37,600

half about half a year

2875

01:48:42,070 --> 01:48:40,880

at the same area but

2876

01:48:44,629 --> 01:48:42,080

then there was

2877

01:48:47,510 --> 01:48:44,639

no not any interesting experience it was

2878

01:48:49,990 --> 01:48:47,520

about more we went in the woods and then

2879

01:48:50,790 --> 01:48:50,000

we saw that thing the slime sorcerer

2880

01:48:53,350 --> 01:48:50,800

again

2881

01:48:54,070 --> 01:48:53,360

and it looks exactly the same it looks

2882

01:48:56,310 --> 01:48:54,080

just

2883

01:48:58,229 --> 01:48:56,320

more clear because it was not above me

2884

01:49:00,470 --> 01:48:58,239

was in front of us so we can see it like

2885

01:49:02,709 --> 01:49:00,480

what let's say like half a mile in front

2886

01:49:05,109 --> 01:49:02,719

of us and it was like

2887

01:49:07,270 --> 01:49:05,119

eggs egg shaped egg

2888

01:49:09,189 --> 01:49:07,280

i think so because it's like it was very

2889

01:49:10,950 --> 01:49:09,199

hard because it was surrounding material

2890

01:49:13,350 --> 01:49:10,960

which made like of

2891

01:49:15,830 --> 01:49:13,360

kind of lava or plasma or something like

2892

01:49:17,990 --> 01:49:15,840

that which was mesmerizing

2893

01:49:20,149 --> 01:49:18,000

mesmerizing it was like you look at it

2894

01:49:21,990 --> 01:49:20,159

and you cannot stop looking at it it was

2895

01:49:23,270 --> 01:49:22,000

something weird and then i remember one

2896

01:49:26,390 --> 01:49:23,280

of the friends

2897

01:49:28,229 --> 01:49:26,400

were not hypnotized by that we were four

2898

01:49:30,470 --> 01:49:28,239

and he was like let's go let's go and i

2899

01:49:32,149 --> 01:49:30,480

wanted to keep on watching that and

2900

01:49:34,070 --> 01:49:32,159

since then i don't even remember what

2901

01:49:35,990 --> 01:49:34,080

happened at the same night and i don't

2902

01:49:37,350 --> 01:49:36,000

we didn't we never really spoke about it

2903

01:49:39,910 --> 01:49:37,360

anymore so

2904

01:49:42,629 --> 01:49:39,920

yuri if you easily my experience

2905

01:49:45,550 --> 01:49:42,639

yeah yuri when you get off the line if

2906

01:49:47,750 --> 01:49:45,560

you would just email me at

2907

01:49:50,149 --> 01:49:47,760

martinetpodcastufo.com i'd like to like

2908

01:49:52,310 --> 01:49:50,159

to ask you uh you know just uh connect

2909

01:49:54,629 --> 01:49:52,320

with you and and talk with you some more

2910

01:49:56,870 --> 01:49:54,639

and uh we have one other person waiting

2911

01:49:59,109 --> 01:49:56,880

we only have about four minutes left so

2912

01:50:00,950 --> 01:49:59,119

just just a quick question um have you

2913

01:50:02,390 --> 01:50:00,960

ever thought about doing any or your

2914

01:50:04,470 --> 01:50:02,400

friends ever thought about doing any

2915

01:50:07,270 --> 01:50:04,480

type of regression therapy and

2916

01:50:09,350 --> 01:50:07,280

hypnotherapy for you know uh i know it

2917

01:50:11,830 --> 01:50:09,360

can be tricky but i'm just wondering if

2918

01:50:14,070 --> 01:50:11,840

that's something you've ever considered

2919

01:50:16,470 --> 01:50:14,080

well my best friend that i had the

2920

01:50:17,589 --> 01:50:16,480

really intense experience at the same

2921

01:50:20,629 --> 01:50:17,599

night

2922

01:50:22,830 --> 01:50:20,639

not he was suiciding like i don't know

2923

01:50:24,470 --> 01:50:22,840

committed suicide like 10 years

2924

01:50:26,629 --> 01:50:24,480

ago and

2925

01:50:28,470 --> 01:50:26,639

my other friends everybody lives in a

2926

01:50:29,830 --> 01:50:28,480

different area in the world so it's like

2927

01:50:31,430 --> 01:50:29,840

one in canada

2928

01:50:33,189 --> 01:50:31,440

i have one friend maybe in canada i

2929

01:50:34,950 --> 01:50:33,199

remember a lot of stuff

2930

01:50:37,270 --> 01:50:34,960

but yeah i will email you and everything

2931

01:50:39,430 --> 01:50:37,280

and let's see what's going on this is my

2932

01:50:42,149 --> 01:50:39,440

story always stories not something

2933

01:50:43,910 --> 01:50:42,159

something that i live with it's fine

2934

01:50:46,550 --> 01:50:43,920

just it just makes me know that there is

2935

01:50:47,830 --> 01:50:46,560

a lot a lot of more than what we see and

2936

01:50:49,109 --> 01:50:47,840

understanding

2937

01:50:50,629 --> 01:50:49,119

but it also was a little bit

2938

01:50:52,950 --> 01:50:50,639

disappointing because there is no

2939

01:50:53,669 --> 01:50:52,960

answers there's no any answers i don't

2940

01:50:55,830 --> 01:50:53,679

know

2941

01:50:57,189 --> 01:50:55,840

any communication any information

2942

01:50:59,350 --> 01:50:57,199

anything

2943

01:51:00,709 --> 01:50:59,360

that's right i know that is frustrating

2944

01:51:03,189 --> 01:51:00,719

yuri thanks so much for the call that

2945

01:51:05,750 --> 01:51:03,199

was very interesting

2946

01:51:07,910 --> 01:51:05,760

okay thank you all right you take care

2947

01:51:10,070 --> 01:51:07,920

all right we have our last caller for

2948

01:51:12,310 --> 01:51:10,080

the night terry from uh terry from

2949

01:51:14,790 --> 01:51:12,320

kansas city welcome to the show terry we

2950

01:51:16,709 --> 01:51:14,800

have just about three minutes

2951

01:51:19,510 --> 01:51:16,719

well man i'll make it quick

2952

01:51:21,589 --> 01:51:19,520

congratulations your 500.

2953

01:51:23,030 --> 01:51:21,599

thank you and uh

2954

01:51:25,189 --> 01:51:23,040

i have like

2955

01:51:28,870 --> 01:51:25,199

seven observables in the sense that

2956

01:51:30,870 --> 01:51:28,880

they've appeared classic as discs

2957

01:51:33,990 --> 01:51:30,880

in the 50s early

2958

01:51:35,910 --> 01:51:34,000

then there was acorn shape a typical

2959

01:51:38,470 --> 01:51:35,920

triangle shape

2960

01:51:41,510 --> 01:51:38,480

now they've been flying wings

2961

01:51:44,070 --> 01:51:41,520

a lot of people have reported orbs

2962

01:51:46,310 --> 01:51:44,080

but the tic tac or cigar shape has

2963

01:51:48,790 --> 01:51:46,320

seemed to be prevalent no matter what

2964

01:51:51,830 --> 01:51:48,800

decade all the way back to lonnie

2965

01:51:54,310 --> 01:51:51,840

in new mexico as the policeman he saw a

2966

01:51:55,750 --> 01:51:54,320

cigar tic tac shape and of course we

2967

01:51:58,550 --> 01:51:55,760

have that today

2968

01:52:00,070 --> 01:51:58,560

oh and even the navy pilots have seen

2969

01:52:03,350 --> 01:52:00,080

squares with

2970

01:52:05,589 --> 01:52:03,360

translucent circles in the middle

2971

01:52:07,030 --> 01:52:05,599

so yeah the square the squares in box

2972

01:52:09,109 --> 01:52:07,040

shape is another one a friend of mine

2973

01:52:11,030 --> 01:52:09,119

saw a box shaped one yeah

2974

01:52:13,270 --> 01:52:11,040

with a with a trans they could see

2975

01:52:15,189 --> 01:52:13,280

through it what's your theory on all the

2976

01:52:17,350 --> 01:52:15,199

different shapes of different eras

2977

01:52:18,470 --> 01:52:17,360

except for the tic tac or cigar shape

2978

01:52:20,070 --> 01:52:18,480

seems to be

2979

01:52:22,629 --> 01:52:20,080

every decade

2980

01:52:25,350 --> 01:52:22,639

those sightings are prevalent

2981

01:52:27,830 --> 01:52:25,360

yes uh i guess my theory you know people

2982

01:52:29,430 --> 01:52:27,840

jokingly say oh yeah it's a new new year

2983

01:52:31,430 --> 01:52:29,440

model or something you know the triangle

2984

01:52:33,750 --> 01:52:31,440

used to be i mean the saucer used to be

2985

01:52:36,629 --> 01:52:33,760

the only models but uh and i think

2986

01:52:38,629 --> 01:52:36,639

that's you know just out of humor but um

2987

01:52:40,790 --> 01:52:38,639

i tend to think that

2988

01:52:42,390 --> 01:52:40,800

the shape of the objects have really

2989

01:52:44,310 --> 01:52:42,400

nothing to do with

2990

01:52:47,109 --> 01:52:44,320

them moving around you know i may be

2991

01:52:48,950 --> 01:52:47,119

totally off on that but um i i tend to

2992

01:52:50,629 --> 01:52:48,960

think that uh

2993

01:52:53,189 --> 01:52:50,639

well for one thing i have no idea why

2994

01:52:56,310 --> 01:52:53,199

there are different shapes but i

2995

01:52:59,109 --> 01:52:56,320

tend to believe that um shape has little

2996

01:53:01,109 --> 01:52:59,119

to do with anything when it comes to

2997

01:53:03,430 --> 01:53:01,119

wherever they're coming from

2998

01:53:05,510 --> 01:53:03,440

so uh i think they're different

2999

01:53:08,390 --> 01:53:05,520

different different eras

3000

01:53:10,870 --> 01:53:08,400

of people traveling back in time and

3001

01:53:12,629 --> 01:53:10,880

that's the model they're using or

3002

01:53:14,870 --> 01:53:12,639

that's definitely another theory you

3003

01:53:17,270 --> 01:53:14,880

know if uh time travel is definitely

3004

01:53:20,149 --> 01:53:17,280

another theory and i you know i i think

3005

01:53:24,390 --> 01:53:20,159

it's all fascinating again i have really

3006

01:53:27,669 --> 01:53:24,400

no idea of what it is myself but um but

3007

01:53:29,030 --> 01:53:27,679

i i do i i've always wondered a number

3008

01:53:31,430 --> 01:53:29,040

of times

3009

01:53:32,709 --> 01:53:31,440

you know why they are differently shaped

3010

01:53:35,510 --> 01:53:32,719

the things that people are seeing and

3011

01:53:37,510 --> 01:53:35,520

also uh you know why they are showing

3012

01:53:39,030 --> 01:53:37,520

themselves to us with lights at night

3013

01:53:41,669 --> 01:53:39,040

you know that type of thing none of it

3014

01:53:43,589 --> 01:53:41,679

makes sense but um we are totally out of

3015

01:53:45,589 --> 01:53:43,599

time at this point but i do want to

3016

01:53:47,350 --> 01:53:45,599

thank you terry

3017

01:53:49,430 --> 01:53:47,360

all right okay bye-bye now

3018

01:53:50,950 --> 01:53:49,440

bye now thanks all right everyone so

3019

01:53:52,550 --> 01:53:50,960

thank you so much for your calls thank

3020

01:53:55,350 --> 01:53:52,560

you for participating i really

3021

01:53:58,390 --> 01:53:55,360

appreciate it and we'll be not back next

3022

01:54:00,870 --> 01:53:58,400

week as i mentioned uh prior with uh

3023

01:54:02,950 --> 01:54:00,880

stan gordon always a fun guy to have on

3024

01:54:07,130 --> 01:54:02,960

the show and thanks again everyone and

3025

01:54:15,690 --> 01:54:07,140

remember to keep your eyes to the sky
