2  
00:00:40,069 --> 00:00:37,270

a multiple witness ufo abduction by

3  
00:00:42,069 --> 00:00:40,079

charles lear ufo abduction cases have

4  
00:00:44,310 --> 00:00:42,079

been controversial ever since the very

5  
00:00:46,549 --> 00:00:44,320

first cases were reported the main

6  
00:00:48,630 --> 00:00:46,559

factor working against them is that most

7  
00:00:50,869 --> 00:00:48,640

of them are single witness reports there

8  
00:00:54,150 --> 00:00:50,879

are exceptions of course the most famous

9  
00:00:56,790 --> 00:00:54,160

being the 1975 travis walton case in

10  
00:00:58,229 --> 00:00:56,800

this incident six of walton's co-workers

11  
00:01:00,630 --> 00:00:58,239

they were working in sick greaves

12  
00:01:02,549 --> 00:01:00,640

national forest in arizona on a national

13  
00:01:04,789 --> 00:01:02,559

forest service timber stand improvement

14

00:01:07,190 --> 00:01:04,799

contract reported seeing walton knocked

15

00:01:09,510 --> 00:01:07,200

back by a beam of light from a ufo and

16

00:01:11,750 --> 00:01:09,520

then lifted up by the beam walton was

17

00:01:14,230 --> 00:01:11,760

missing for five days and the navajo

18

00:01:16,149 --> 00:01:14,240

county sheriff suspected his co-workers

19

00:01:18,230 --> 00:01:16,159

of murder they were subjected to lie

20

00:01:20,390 --> 00:01:18,240

detector tests at the navajo county

21

00:01:22,710 --> 00:01:20,400

courthouse in holbrook arizona and all

22

00:01:24,390 --> 00:01:22,720

six of them passed this case is still

23

00:01:26,630 --> 00:01:24,400

discussed and held up in support of

24

00:01:28,870 --> 00:01:26,640

abduction claims but another abduction

25

00:01:31,270 --> 00:01:28,880

case with multiple witnesses that also

26  
00:01:33,830 --> 00:01:31,280  
seems worthy of consideration is nowhere

27  
00:01:36,789 --> 00:01:33,840  
near as well known in the january 5th

28  
00:01:39,350 --> 00:01:36,799  
1975 miami herald there is an article

29  
00:01:41,510 --> 00:01:39,360  
headlined snatched by creatures he lives

30  
00:01:44,550 --> 00:01:41,520  
to tell about it the story starts off

31  
00:01:46,469 --> 00:01:44,560  
this way filiberto cardenas says it all

32  
00:01:48,230 --> 00:01:46,479  
began with a buzzing in his head that

33  
00:01:51,109 --> 00:01:48,240  
may be the only part of his story you'll

34  
00:01:53,910 --> 00:01:51,119  
believe cardenas is described as saying

35  
00:01:56,230 --> 00:01:53,920  
that he was abducted by a ufo and taken

36  
00:01:58,950 --> 00:01:56,240  
on a 10-mile trip across west dade

37  
00:02:01,749 --> 00:01:58,960  
florida on wednesday night then there is

38  
00:02:04,389 --> 00:02:01,759

this stranger than fiction or stranger

39

00:02:06,310 --> 00:02:04,399

than fact take your pick while the story

40

00:02:08,630 --> 00:02:06,320

might seem like it's on its way towards

41

00:02:10,869 --> 00:02:08,640

being dismissive and mocking it takes a

42

00:02:13,270 --> 00:02:10,879

turn but understand that there are

43

00:02:15,830 --> 00:02:13,280

witnesses three of them all friends of

44

00:02:18,150 --> 00:02:15,840

cardenas they too talk a buzzing of

45

00:02:20,470 --> 00:02:18,160

blinding red violet colors that lasted a

46

00:02:22,710 --> 00:02:20,480

few minutes of a cardenas who seemed to

47

00:02:25,830 --> 00:02:22,720

be sucked into the light the case was

48

00:02:28,550 --> 00:02:25,840

investigated by dr virgilio sanchez oseo

49

00:02:30,949 --> 00:02:28,560

a lawyer and wendell stevens a ufo

50

00:02:33,350 --> 00:02:30,959

researcher richard hall wrote a summary

51  
00:02:35,509 --> 00:02:33,360  
of sanchez-ocea's investigation and

52  
00:02:38,229 --> 00:02:35,519  
stevens wrote an overview based on his

53  
00:02:41,589 --> 00:02:38,239  
own investigation according to stevens

54  
00:02:45,589 --> 00:02:41,599  
cardenas 46 his friend fernando marti

55  
00:02:48,630 --> 00:02:45,599  
also 46 marty's wife elizabeth 36 and

56  
00:02:50,390 --> 00:02:48,640  
daughter murta 13 were in cardenas car

57  
00:02:54,309 --> 00:02:50,400  
on u.s highway 27

58  
00:02:55,910 --> 00:02:54,319  
at around 6 pm on january 3rd 1979 they

59  
00:02:57,830 --> 00:02:55,920  
were returning home after being

60  
00:03:00,390 --> 00:02:57,840  
unsuccessful in their search for a pig

61  
00:03:03,030 --> 00:03:00,400  
the martis wanted to buy for a pig roast

62  
00:03:04,869 --> 00:03:03,040  
the next day fernando marti was driving

63  
00:03:07,110 --> 00:03:04,879

when the engine stalled marti and

64

00:03:09,430 --> 00:03:07,120

cardenas got out of the car lifted the

65

00:03:11,110 --> 00:03:09,440

hood and looked in as they did so they

66

00:03:13,830 --> 00:03:11,120

saw that the engine was reflecting

67

00:03:16,309 --> 00:03:13,840

different colors red violet blue orange

68

00:03:18,070 --> 00:03:16,319

and bluish white according to cardenas

69

00:03:20,710 --> 00:03:18,080

they then heard a noise like many

70

00:03:22,630 --> 00:03:20,720

thousands of bees cardenas said he was

71

00:03:25,030 --> 00:03:22,640

paralyzed and could hear the women

72

00:03:27,110 --> 00:03:25,040

screaming in the car he then realized he

73

00:03:29,830 --> 00:03:27,120

was rising and when he was five to ten

74

00:03:31,990 --> 00:03:29,840

feet over the car he lost consciousness

75

00:03:34,309 --> 00:03:32,000

when cardenas came to he was on his

76  
00:03:35,750 --> 00:03:34,319  
hands and knees he saw two lights coming

77  
00:03:38,789 --> 00:03:35,760  
towards him and then heard the

78  
00:03:40,550 --> 00:03:38,799  
screeching of tires a man who presumably

79  
00:03:42,630 --> 00:03:40,560  
got out of the car that just avoided

80  
00:03:44,470 --> 00:03:42,640  
hitting him lifted cardenas by his

81  
00:03:47,110 --> 00:03:44,480  
collar and helped him to the side of the

82  
00:03:50,070 --> 00:03:47,120  
road cardenas later learned that this

83  
00:03:52,789 --> 00:03:50,080  
was 16 miles away from his stalled car

84  
00:03:54,710 --> 00:03:52,799  
according to stevens a motorist called

85  
00:03:57,350 --> 00:03:54,720  
the police and patrolman william

86  
00:03:59,830 --> 00:03:57,360  
christian found cardenas at around 8 15

87  
00:04:01,990 --> 00:03:59,840  
pm and took him to the fifth precinct

88  
00:04:04,470 --> 00:04:02,000

station christian told stevens that

89

00:04:06,470 --> 00:04:04,480

cardenas said he had no idea what had

90

00:04:08,869 --> 00:04:06,480

happened to him when stevens interviewed

91

00:04:10,630 --> 00:04:08,879

cardenas cardenas said he didn't say

92

00:04:13,030 --> 00:04:10,640

what really happened because he didn't

93

00:04:15,509 --> 00:04:13,040

want to look crazy while cardenas was

94

00:04:18,069 --> 00:04:15,519

being lifted fernando marti looked up in

95

00:04:20,550 --> 00:04:18,079

time to see cardenas feet in the air

96

00:04:23,189 --> 00:04:20,560

cardenas was shouting let me go let me

97

00:04:25,350 --> 00:04:23,199

go marti then felt weightless himself

98

00:04:27,189 --> 00:04:25,360

and grabbed the engine the light faded

99

00:04:29,510 --> 00:04:27,199

and the feeling of weightlessness faded

100

00:04:31,830 --> 00:04:29,520

with it marti then came out from under

101  
00:04:33,909 --> 00:04:31,840  
the hood and watched as gardenis floated

102  
00:04:36,150 --> 00:04:33,919  
up in a beam of light into a dark

103  
00:04:38,710 --> 00:04:36,160  
bag-shaped form that then flew off to

104  
00:04:40,790 --> 00:04:38,720  
the west marti went to comfort the women

105  
00:04:43,110 --> 00:04:40,800  
who were shouting they took filiberto

106  
00:04:45,189 --> 00:04:43,120  
they took filiberto he then was able to

107  
00:04:46,790 --> 00:04:45,199  
start the car and drive the car

108  
00:04:49,430 --> 00:04:46,800  
sputtered along like it was running out

109  
00:04:50,950 --> 00:04:49,440  
of gas and then smoothed out marti

110  
00:04:53,350 --> 00:04:50,960  
called the police and reported the

111  
00:04:55,830 --> 00:04:53,360  
incident he then called cardenas wife

112  
00:04:58,150 --> 00:04:55,840  
iris who was understandably upset when

113  
00:05:00,550 --> 00:04:58,160

marti told her what had happened when

114

00:05:02,790 --> 00:05:00,560

cardenas was found iris went to the

115

00:05:05,110 --> 00:05:02,800

station and took him to a clinic he was

116

00:05:06,950 --> 00:05:05,120

then taken to jackson memorial hospital

117

00:05:09,430 --> 00:05:06,960

where an air force team from homestead

118

00:05:11,270 --> 00:05:09,440

air force base tested him for radiation

119

00:05:13,270 --> 00:05:11,280

the tests were negative and he was

120

00:05:14,950 --> 00:05:13,280

released the herald reporters

121

00:05:17,590 --> 00:05:14,960

interviewed cardenas in his home the

122

00:05:20,230 --> 00:05:17,600

next day according to the herald article

123

00:05:22,710 --> 00:05:20,240

cardenas was in bed with his wife iris

124

00:05:25,029 --> 00:05:22,720

standing guard according to the article

125

00:05:27,110 --> 00:05:25,039

cardenas hand shook and he had four

126

00:05:29,189 --> 00:05:27,120

small burn marks on his forehead

127

00:05:31,909 --> 00:05:29,199

according to stevens cardenas was

128

00:05:34,310 --> 00:05:31,919

sweating profusely had a short memory a

129

00:05:36,790 --> 00:05:34,320

sulfurous body odor and his urine was a

130

00:05:38,629 --> 00:05:36,800

very dark yellow brown stevens wrote

131

00:05:40,710 --> 00:05:38,639

that homestead air force base reported

132

00:05:43,350 --> 00:05:40,720

nothing unusual on their radar at the

133

00:05:45,430 --> 00:05:43,360

time of the reported incident cardenas

134

00:05:47,990 --> 00:05:45,440

underwent four hypnotic regressions with

135

00:05:49,670 --> 00:05:48,000

dr jose yaedra what he described was a

136

00:05:52,469 --> 00:05:49,680

combination of both an abduction

137

00:05:54,310 --> 00:05:52,479

experience and a contact d experience

138

00:05:56,629 --> 00:05:54,320

later both he and iris claim to have

139

00:05:58,550 --> 00:05:56,639

gone aboard a craft voluntarily and to

140

00:06:00,870 --> 00:05:58,560

have had full conscious recall of their

141

00:06:03,189 --> 00:06:00,880

experience it is perhaps because of the

142

00:06:05,189 --> 00:06:03,199

contact d aspect of this case that it

143

00:06:07,590 --> 00:06:05,199

was overshadowed by the walton case

144

00:06:09,510 --> 00:06:07,600

there was however an intriguing detail

145

00:06:11,510 --> 00:06:09,520

regarding the alien's clothing that

146

00:06:13,990 --> 00:06:11,520

showed up in an earlier case that makes

147

00:06:15,110 --> 00:06:14,000

the cardenas case a little harder to

148

00:06:17,590 --> 00:06:15,120

dismiss

149

00:06:27,750 --> 00:06:17,600

next week what the cardenas said they
