00:01:13,590 --> 00:01:09,280

so we're going to have dave beatty on

8  
00:01:15,590 --> 00:01:13,600

about the uss kearsarge ufo encounters

9  
00:01:17,910 --> 00:01:15,600

if you've been paying attention to ufo

10  
00:01:19,670 --> 00:01:17,920

news out there you'll see this breaking

11  
00:01:22,789 --> 00:01:19,680

the last couple of days he's going to be

12  
00:01:25,350 --> 00:01:22,799

on for the first 15 minutes or so

13  
00:01:28,390 --> 00:01:25,360

just a couple of things i am

14

00:01:31,190 --> 00:01:28,400

gonna if you listen to the audio podcast

15

00:01:33,749 --> 00:01:31,200

on your media player check out to see if

16

00:01:37,109 --> 00:01:33,759

this works i'm going to start doing a

17

00:01:38,069 --> 00:01:37,119

video uh podcast so you'll actually see

18

00:01:41,429 --> 00:01:38,079

uh

19

00:01:43,670 --> 00:01:41,439

a video on your media player as well as

20

00:01:45,749 --> 00:01:43,680

the audio uh you don't have to watch it

21

00:01:47,270 --> 00:01:45,759

but i'm just saying it it's going to be

22

00:01:49,749 --> 00:01:47,280

available it's something i'm

23

00:01:51,990 --> 00:01:49,759

experimenting with so um it would be

24

00:01:54,069 --> 00:01:52,000

nice to get feedback from you what you

25

00:01:57,030 --> 00:01:54,079

think of it if you would at

26

00:01:59,749 --> 00:01:57,040

martinettepodcastufo.com

27

00:02:02,310 --> 00:01:59,759

and uh please no more spam i get so much

28

00:02:05,510 --> 00:02:02,320

spam it's unbelievable but uh i can't

29

00:02:07,830 --> 00:02:05,520

stop that uh but anyway uh so it'll be a

30

00:02:10,550 --> 00:02:07,840

fun show this evening we have a stand on

31

00:02:13,030 --> 00:02:10,560

after uh dave beatty to talk about his

32

00:02:16,309 --> 00:02:13,040

latest book creepy cryptids and strange

33

00:02:18,630 --> 00:02:16,319

ufo encounters of pennsylvania he's also

34

00:02:21,510 --> 00:02:18,640

going to be talking about um some recent

35

00:02:23,990 --> 00:02:21,520

ufo cases that have happened as well as

36

00:02:26,309 --> 00:02:24,000

a topic of many ufos i think he's

37

00:02:28,949 --> 00:02:26,319

talking mostly about orbs

38

00:02:30,070 --> 00:02:28,959

so anyway i also want to give a shout

39

00:02:31,990 --> 00:02:30,080

out and

40

00:02:34,070 --> 00:02:32,000

let everyone know to check out a new

41

00:02:35,270 --> 00:02:34,080

podcast from a friend of the show kate

42

00:02:37,910 --> 00:02:35,280

colleen

43

00:02:39,990 --> 00:02:37,920

she has a background in architecture

44

00:02:43,670 --> 00:02:40,000

and she also has an interest in true

45

00:02:45,910 --> 00:02:43,680

crime and also in paranormal so the name

46

00:02:48,830 --> 00:02:45,920

of her podcast is called nightmare

47

00:02:50,550 --> 00:02:48,840

houses check out

48

00:02:52,070 --> 00:02:50,560

nightmarehouses.com uh she's got a

49

00:02:54,229 --> 00:02:52,080

couple of episodes up there i've

50

00:02:56,790 --> 00:02:54,239

listened to two of them and they're

51  
00:02:59,270 --> 00:02:56,800  
great so check that out that's uh link

52  
00:03:02,229 --> 00:02:59,280

give uh that at check out something is

54  
00:03:05,670 --> 00:03:04,720  
happening here

55  
00:03:08,229 --> 00:03:05,680  
one of the

56  
00:03:09,830 --> 00:03:08,239  
feeds is not working and that has to do

57  
00:03:13,190 --> 00:03:09,840  
with you bill sorry about that i'm not

58  
00:03:15,190 --> 00:03:13,200  
sure what's going on with that but uh

59  
00:03:16,470 --> 00:03:15,200  
hang on just a second have to clear that

60  
00:03:20,550 --> 00:03:16,480  
up

61  
00:03:23,110 --> 00:03:20,560  
all right so um without further ado i'm

62  
00:03:25,350 --> 00:03:23,120  
gonna bring our guests dave beatty and

63  
00:03:27,190 --> 00:03:25,360

dave welcome to the show thank you for

64

00:03:30,070 --> 00:03:27,200

short notice joining us

65

00:03:32,869 --> 00:03:30,080

hey martin it's a pleasure to be here as

66

00:03:35,750 --> 00:03:32,879

you know i always like talking ufo so

67

00:03:38,550 --> 00:03:35,760

yeah that's right and uh so i saw your

68

00:03:40,070 --> 00:03:38,560

name listed in the ufo news lately and

69

00:03:42,630 --> 00:03:40,080

that's why i contacted you i've been

70

00:03:44,149 --> 00:03:42,640

driving all day haven't had a chance to

71

00:03:47,430 --> 00:03:44,159

read it but i'm going to pull up your

72

00:03:49,430 --> 00:03:47,440

website to insure that for everyone so

73

00:03:51,509 --> 00:03:49,440

what is going you were contacted from

74

00:03:53,910 --> 00:03:51,519

someone from the uss kearsarge how did

75

00:03:56,949 --> 00:03:53,920

that how did that happen

76

00:03:59,509 --> 00:03:56,959

yeah um recently i was contacted by

77

00:04:01,750 --> 00:03:59,519

a retired marine corps

78

00:04:03,589 --> 00:04:01,760

senior officer um

79

00:04:05,190 --> 00:04:03,599

who is no longer in the marine corps but

80

00:04:07,429 --> 00:04:05,200

he still has

81

00:04:09,429 --> 00:04:07,439

ties to some of his former shipmates and

82

00:04:12,949 --> 00:04:09,439

so on and

83

00:04:16,710 --> 00:04:12,959

he reached out to me to ask me if i was

84

00:04:21,830 --> 00:04:16,720

aware of this uap event on

85

00:04:24,070 --> 00:04:21,840

the uss kearsarge in 2021 and 2022

86

00:04:25,350 --> 00:04:24,080

earlier this year and i said i hadn't he

87

00:04:27,830 --> 00:04:25,360

said well

88

00:04:29,510 --> 00:04:27,840

he goes there's a shipmate of mine that

89

00:04:30,550 --> 00:04:29,520

was on that

90

00:04:33,590 --> 00:04:30,560

ship

91

00:04:37,189 --> 00:04:33,600

and he related to me

92

00:04:39,350 --> 00:04:37,199

a recent ua uap case where the marines

93

00:04:40,469 --> 00:04:39,360

on the deck of that ship had witnessed a

94

00:04:41,990 --> 00:04:40,479

ufo

95

00:04:44,390 --> 00:04:42,000

and so that's kind of like how it

96

00:04:46,230 --> 00:04:44,400

started he basically was um a

97

00:04:48,710 --> 00:04:46,240

second-hand witness kind of relating

98

00:04:50,550 --> 00:04:48,720

what his buddy that was on the ship um

99

00:04:52,950 --> 00:04:50,560

had witnessed or his marines had

100

00:04:55,909 --> 00:04:52,960

witnessed

101  
00:04:57,270 --> 00:04:55,919  
and can you talk about the nature of the

102  
00:04:58,710 --> 00:04:57,280  
encounter

103  
00:05:01,029 --> 00:04:58,720  
sure so

104  
00:05:04,550 --> 00:05:01,039  
the you know the the cure sarge is like

105  
00:05:06,390 --> 00:05:04,560  
a um an amphibious uh transport dock

106  
00:05:07,909 --> 00:05:06,400  
ship so these are you know there was a

107  
00:05:09,670 --> 00:05:07,919  
picture that you just scrolled by that

108  
00:05:12,150 --> 00:05:09,680  
kind of shows the ship it's a big

109  
00:05:14,870 --> 00:05:12,160  
rectangular flat flight deck

110  
00:05:16,870 --> 00:05:14,880  
and they they can launch the osprey tilt

111  
00:05:17,830 --> 00:05:16,880  
rotor crafts from there and helicopters

112  
00:05:23,110 --> 00:05:17,840  
and

113  
00:05:25,510 --> 00:05:23,120

during the workup phase before they

114

00:05:28,469 --> 00:05:25,520

deploy overseas they practice every

115

00:05:30,710 --> 00:05:28,479

single little uh technique uh they they

116

00:05:33,350 --> 00:05:30,720

say it's sort of like they walk skip run

117

00:05:35,510 --> 00:05:33,360

so to speak and they work up to a

118

00:05:37,749 --> 00:05:35,520

full-scale training with many uh units

119

00:05:39,430 --> 00:05:37,759

and so on and in practice real world

120

00:05:41,749 --> 00:05:39,440

events so they were out there with the

121

00:05:44,790 --> 00:05:41,759

navy the navy runs the ship

122

00:05:47,909 --> 00:05:44,800

like the uh navy's uh amphibious group

123

00:05:50,550 --> 00:05:47,919

and then the 22nd marine expeditionary

124

00:05:53,430 --> 00:05:50,560

unit is comprised of land and

125

00:05:55,189 --> 00:05:53,440

air marines that go out on the ship and

126

00:05:57,189 --> 00:05:55,199

practice and fire guns and fly

127

00:05:59,189 --> 00:05:57,199

helicopters and so on and actually even

128

00:06:00,469 --> 00:05:59,199

do amphibious landings on the shore and

129

00:06:02,629 --> 00:06:00,479

this would be right off the east coast

130

00:06:05,350 --> 00:06:02,639

of the united states off their training

131

00:06:08,390 --> 00:06:05,360

areas cherry point north carolina camp

132

00:06:10,309 --> 00:06:08,400

lejeune and so on and there's these uh

133

00:06:11,749 --> 00:06:10,319

naval ranges that are right offshore

134

00:06:13,990 --> 00:06:11,759

that they can go out and practice

135

00:06:16,390 --> 00:06:14,000

without fear of interfering with any

136

00:06:19,749 --> 00:06:16,400

civilian traffic so they were out there

137

00:06:21,189 --> 00:06:19,759

in around october or november of 2021

138

00:06:22,550 --> 00:06:21,199

conducting some of these work-up

139

00:06:24,950 --> 00:06:22,560

trainings and

140

00:06:26,870 --> 00:06:24,960

at one point during the training

141

00:06:29,590 --> 00:06:26,880

one of the marine units um that's like

142

00:06:32,150 --> 00:06:29,600

an air defense unit had a vehicle on the

143

00:06:33,029 --> 00:06:32,160

deck of the the kearsarge so they parked

144

00:06:34,230 --> 00:06:33,039

their

145

00:06:38,309 --> 00:06:34,240

razer

146

00:06:40,309 --> 00:06:38,319

polaris razor style four-wheel atv up on

147

00:06:43,350 --> 00:06:40,319

the deck and this is called an I-matis

148

00:06:45,670 --> 00:06:43,360

or I-mattis uh unit and the I-mattis

149

00:06:48,150 --> 00:06:45,680

unit is like yeah right there you so it

150

00:06:49,990 --> 00:06:48,160

has like a radar system that is on the

151  
00:06:51,670 --> 00:06:50,000  
mounted on there for air defense and

152  
00:06:53,350 --> 00:06:51,680  
tracking airborne air objects

153  
00:06:56,469 --> 00:06:53,360  
specifically this

154  
00:06:58,629 --> 00:06:56,479  
this device is sort of counter uas or

155  
00:07:01,350 --> 00:06:58,639  
unmanned aerial system it's a counter

156  
00:07:04,469 --> 00:07:01,360  
drone system pretty much and they can

157  
00:07:07,029 --> 00:07:04,479  
track these drones and it has a camera

158  
00:07:10,629 --> 00:07:07,039  
system on it it has some type of

159  
00:07:13,350 --> 00:07:10,639  
electronic warfare system that would

160  
00:07:15,990 --> 00:07:13,360  
presumably be able to knock out the

161  
00:07:17,189 --> 00:07:16,000  
control mechanism of a drone if it was

162  
00:07:18,710 --> 00:07:17,199  
coming in

163  
00:07:20,550 --> 00:07:18,720

and so they were on the deck of the ship

164

00:07:23,110 --> 00:07:20,560

practicing that you know that that they

165

00:07:25,270 --> 00:07:23,120

could actually even help protect the uh

166

00:07:27,350 --> 00:07:25,280

the kearsarge and during one of the

167

00:07:29,589 --> 00:07:27,360

nights where this I mattis unit was out

168

00:07:30,469 --> 00:07:29,599

there the marines that were on that

169

00:07:32,469 --> 00:07:30,479

vehicle

170

00:07:35,430 --> 00:07:32,479

noticed that there were these two

171

00:07:37,749 --> 00:07:35,440

objects that were trailing the kearsarge

172

00:07:40,629 --> 00:07:37,759

and they described these things as about

173

00:07:42,629 --> 00:07:40,639

the size of the automobile maybe a half

174

00:07:44,869 --> 00:07:42,639

mile distance

175

00:07:47,670 --> 00:07:44,879

and they were maybe 200 feet off the

176  
00:07:49,510 --> 00:07:47,680  
surface of the water and these guys said

177  
00:07:51,270 --> 00:07:49,520  
well these things are drones and

178  
00:07:52,710 --> 00:07:51,280  
obviously somebody who's testing our

179  
00:07:54,150 --> 00:07:52,720  
capabilities

180  
00:07:55,830 --> 00:07:54,160  
um you know

181  
00:07:58,550 --> 00:07:55,840  
that's what our job is so we better fire

182  
00:08:01,510 --> 00:07:58,560  
this thing up so they try to get radar

183  
00:08:03,510 --> 00:08:01,520  
tracks on it with the almatius truck

184  
00:08:04,950 --> 00:08:03,520  
and according to my source they were

185  
00:08:07,430 --> 00:08:04,960  
unable actually to

186  
00:08:08,469 --> 00:08:07,440  
see any radar returns from from that

187  
00:08:11,430 --> 00:08:08,479  
device

188  
00:08:13,350 --> 00:08:11,440

and they also had some thermal imaging

189

00:08:15,110 --> 00:08:13,360

flear

190

00:08:17,189 --> 00:08:15,120

equipment and they tried to see the

191

00:08:19,270 --> 00:08:17,199

objects with the flare and the same

192

00:08:21,350 --> 00:08:19,280

result like it didn't show up these

193

00:08:23,350 --> 00:08:21,360

lights so then they they just went to a

194

00:08:25,029 --> 00:08:23,360

regular video camera and indeed they

195

00:08:27,270 --> 00:08:25,039

could see it with a video so they could

196

00:08:28,309 --> 00:08:27,280

see i guess with their eyes like as

197

00:08:30,150 --> 00:08:28,319

lights

198

00:08:31,510 --> 00:08:30,160

and they saw it with the video and these

199

00:08:33,350 --> 00:08:31,520

objects were

200

00:08:35,269 --> 00:08:33,360

matching the speed they weren't like

201  
00:08:37,190 --> 00:08:35,279  
overtaking the ship so they weren't

202  
00:08:40,070 --> 00:08:37,200  
going that fast a vessel like that might

203  
00:08:41,190 --> 00:08:40,080  
be going 20 knots or something so these

204  
00:08:42,149 --> 00:08:41,200  
lights were

205  
00:08:44,149 --> 00:08:42,159  
um

206  
00:08:47,030 --> 00:08:44,159  
behind the ship following the ship they

207  
00:08:50,070 --> 00:08:47,040  
could they began recording uh

208  
00:08:51,750 --> 00:08:50,080  
the the event and they were

209  
00:08:54,389 --> 00:08:51,760  
the pilot said that they were actually

210  
00:08:56,470 --> 00:08:54,399  
doing what he called shackle turns

211  
00:08:58,550 --> 00:08:56,480  
and if you scroll down a little bit you

212  
00:09:00,630 --> 00:08:58,560  
see that that shackle turn and that's

213  
00:09:03,190 --> 00:09:00,640

basically where they reverse they

214

00:09:05,350 --> 00:09:03,200

reverse position so they they saw them

215

00:09:07,670 --> 00:09:05,360

as left and right and then the objects

216

00:09:09,190 --> 00:09:07,680

would cross in the center and changed

217

00:09:10,710 --> 00:09:09,200

the position

218

00:09:13,110 --> 00:09:10,720

so to speak and they said that looked

219

00:09:14,150 --> 00:09:13,120

like a shackle turn

220

00:09:16,630 --> 00:09:14,160

but

221

00:09:19,190 --> 00:09:16,640

in all in all events you know led to the

222

00:09:21,670 --> 00:09:19,200

fact that this wasn't a training event

223

00:09:23,829 --> 00:09:21,680

because the marines

224

00:09:26,790 --> 00:09:23,839

went to their higher commands soon

225

00:09:29,190 --> 00:09:26,800

thereafter saying hey we spotted these

226

00:09:31,030 --> 00:09:29,200

drones or these uavs and we're trying to

227

00:09:32,389 --> 00:09:31,040

figure out if you guys sent them out

228

00:09:35,190 --> 00:09:32,399

here to

229

00:09:37,590 --> 00:09:35,200

you know test us or these were navy

230

00:09:39,509 --> 00:09:37,600

devices and the chain of command looked

231

00:09:41,990 --> 00:09:39,519

looked around and they said no it wasn't

232

00:09:43,670 --> 00:09:42,000

us we did not send these out to your

233

00:09:44,550 --> 00:09:43,680

ship and

234

00:09:46,470 --> 00:09:44,560

you know

235

00:09:48,790 --> 00:09:46,480

as well as the navy so

236

00:09:50,389 --> 00:09:48,800

it became this mystery like no one seems

237

00:09:51,670 --> 00:09:50,399

to know what these objects were they

238

00:09:53,590 --> 00:09:51,680

couldn't get them on radar they couldn't

239

00:09:56,470 --> 00:09:53,600

get them on flear they were able to

240

00:09:59,430 --> 00:09:56,480

record the the objects on videotape and

241

00:10:01,750 --> 00:09:59,440

i guess that videotape got sent up

242

00:10:05,509 --> 00:10:01,760

to apparently it would have been like a

243

00:10:08,550 --> 00:10:05,519

uap report now that the dod is accepting

244

00:10:09,910 --> 00:10:08,560

military uap reports of unidentified

245

00:10:11,110 --> 00:10:09,920

aerial phenomena so there would be a

246

00:10:13,829 --> 00:10:11,120

video and

247

00:10:15,829 --> 00:10:13,839

a report that would accompany that so

248

00:10:17,990 --> 00:10:15,839

that's basically the the gist of the

249

00:10:19,910 --> 00:10:18,000

story but i was surprised that that it

250

00:10:21,750 --> 00:10:19,920

hadn't really come out in the media at

251

00:10:23,829 --> 00:10:21,760

all and so this week it's really kind of

252

00:10:26,550 --> 00:10:23,839

picked up a lot of steam martin

253

00:10:29,750 --> 00:10:26,560

right yes well um

254

00:10:32,470 --> 00:10:29,760

i appreciate the the fact that you uh

255

00:10:34,550 --> 00:10:32,480

you know they contacted you and you are

256

00:10:36,949 --> 00:10:34,560

getting it some publicity out there i

257

00:10:37,829 --> 00:10:36,959

mean that's that's really great and

258

00:10:39,269 --> 00:10:37,839

so

259

00:10:42,710 --> 00:10:39,279

did they

260

00:10:44,790 --> 00:10:42,720

it sounds like this is uh again it

261

00:10:47,509 --> 00:10:44,800

sounds like another case of

262

00:10:49,990 --> 00:10:47,519

of like a security issue

263

00:10:51,509 --> 00:10:50,000

um you know if they can't identify it

264

00:10:53,269 --> 00:10:51,519

and

265

00:10:55,350 --> 00:10:53,279

it's kind of funny how they just it's

266

00:10:57,829 --> 00:10:55,360

kind of just left up in the air i guess

267

00:11:00,069 --> 00:10:57,839

there's really nothing left for them to

268

00:11:01,910 --> 00:11:00,079

be able to do with this nothing really

269

00:11:04,710 --> 00:11:01,920

happened or anything right

270

00:11:07,590 --> 00:11:04,720

right so so this you know in the annals

271

00:11:10,069 --> 00:11:07,600

of ufo encounters lights in the sky are

272

00:11:12,470 --> 00:11:10,079

pretty prevalent so this would be one of

273

00:11:14,310 --> 00:11:12,480

those lights in the sky cases but indeed

274

00:11:16,150 --> 00:11:14,320

it was from what i understand a multi

275

00:11:18,310 --> 00:11:16,160

multiple witness case

276

00:11:19,350 --> 00:11:18,320

they the truck itself the I mattis

277

00:11:21,430 --> 00:11:19,360

marines

278

00:11:22,389 --> 00:11:21,440

couldn't see it on radar i'm not aware

279

00:11:25,590 --> 00:11:22,399

if the

280

00:11:27,509 --> 00:11:25,600

kearsarge um the the combat information

281

00:11:29,910 --> 00:11:27,519

center on that vessel which would have

282

00:11:32,069 --> 00:11:29,920

had uh their own radar

283

00:11:35,750 --> 00:11:32,079

that would be operated by navy personnel

284

00:11:37,750 --> 00:11:35,760

actually had contact as well i did uh

285

00:11:39,509 --> 00:11:37,760

send off some foias to both the marine

286

00:11:42,230 --> 00:11:39,519

corps and the navy

287

00:11:44,790 --> 00:11:42,240

inquiring about this communication that

288

00:11:47,190 --> 00:11:44,800

definitely occurred between the ship and

289

00:11:48,949 --> 00:11:47,200

their command that would have been

290

00:11:51,350 --> 00:11:48,959

discussing this and trying to figure it

291

00:11:53,269 --> 00:11:51,360

out now the other the next question that

292

00:11:57,110 --> 00:11:53,279

comes up to me anyway is why are these

293

00:12:00,790 --> 00:11:57,120

uaps seem to be harassing navy ships

294

00:12:04,150 --> 00:12:00,800

again um this is 2021 you know i covered

295

00:12:06,230 --> 00:12:04,160

extensively this case in 2019 off the

296

00:12:07,829 --> 00:12:06,240

the coast of southern california where

297

00:12:10,629 --> 00:12:07,839

you know up to 10 navy ships were

298

00:12:12,710 --> 00:12:10,639

harassed like in the entire month and in

299

00:12:15,269 --> 00:12:12,720

that case as well i don't think we ever

300

00:12:17,670 --> 00:12:15,279

had an answer from the navy or anyone as

301  
00:12:19,350 --> 00:12:17,680  
to what exactly these objects were so it

302  
00:12:20,949 --> 00:12:19,360  
remains a mystery this seems like a very

303  
00:12:23,190 --> 00:12:20,959  
similar case

304  
00:12:26,069 --> 00:12:23,200  
where these these objects seem to be

305  
00:12:28,629 --> 00:12:26,079  
watching or following in a menacing way

306  
00:12:31,670 --> 00:12:28,639  
but not getting too close

307  
00:12:33,990 --> 00:12:31,680  
almost just like an observation so

308  
00:12:36,629 --> 00:12:34,000  
do you think it has anything to do with

309  
00:12:39,670 --> 00:12:36,639  
us being able to observe better than we

310  
00:12:42,629 --> 00:12:39,680  
did in the past or do you think this is

311  
00:12:43,990 --> 00:12:42,639  
just something that is relatively new

312  
00:12:46,550 --> 00:12:44,000  
happening

313  
00:12:48,150 --> 00:12:46,560

i well i mean i would say yes and no i

314

00:12:49,430 --> 00:12:48,160

think in this case these guys saw it

315

00:12:52,389 --> 00:12:49,440

with their eyes because it wasn't that

316

00:12:53,990 --> 00:12:52,399

far away and they were luminous objects

317

00:12:55,990 --> 00:12:54,000

but in general i think there's more

318

00:12:57,910 --> 00:12:56,000

cases being reported because of advanced

319

00:13:01,509 --> 00:12:57,920

sensors that are able to detect at long

320

00:13:03,750 --> 00:13:01,519

range specs specifically on our advanced

321

00:13:05,670 --> 00:13:03,760

fighter aircraft that have these

322

00:13:08,230 --> 00:13:05,680

targeting pods and so on that are meant

323

00:13:09,829 --> 00:13:08,240

to look out for enemy aircraft so that

324

00:13:10,629 --> 00:13:09,839

they can see them at long range and so

325

00:13:12,870 --> 00:13:10,639

on

326

00:13:15,430 --> 00:13:12,880

um in this case you know i think

327

00:13:16,870 --> 00:13:15,440

it kind of to me it begs the question

328

00:13:18,949 --> 00:13:16,880

what exactly

329

00:13:21,030 --> 00:13:18,959

are these objects interested in if

330

00:13:23,750 --> 00:13:21,040

they're man-made obviously we might say

331

00:13:26,069 --> 00:13:23,760

it's surveillance or counter it would be

332

00:13:28,790 --> 00:13:26,079

you know electronic intelligence and

333

00:13:31,509 --> 00:13:28,800

signal intelligence that an adversarial

334

00:13:33,829 --> 00:13:31,519

force would be flying drones looking at

335

00:13:36,150 --> 00:13:33,839

this for the intelligence

336

00:13:38,710 --> 00:13:36,160

aspect since they're not really

337

00:13:40,230 --> 00:13:38,720

being aggressively engaging in a

338

00:13:41,990 --> 00:13:40,240

aggressive manner

339

00:13:43,509 --> 00:13:42,000

so to speak but aside from that then

340

00:13:46,629 --> 00:13:43,519

people might also say well is there

341

00:13:48,389 --> 00:13:46,639

something that the military has that

342

00:13:50,870 --> 00:13:48,399

actually um

343

00:13:53,670 --> 00:13:50,880

causes these objects to appear in other

344

00:13:54,949 --> 00:13:53,680

words is there some type of bait that is

345

00:13:57,030 --> 00:13:54,959

being used

346

00:13:59,189 --> 00:13:57,040

i mean that sounds crazy but i mean luis

347

00:14:01,430 --> 00:13:59,199

elizondo has mentioned that maybe there

348

00:14:03,829 --> 00:14:01,440

is something like that i know the pilot

349

00:14:05,269 --> 00:14:03,839

brought up to me he said you know in my

350

00:14:07,990 --> 00:14:05,279

career um

351

00:14:10,629 --> 00:14:08,000

you know when we flew i didn't fly with

352

00:14:13,350 --> 00:14:10,639

nuclear weapons but he said you know the

353

00:14:15,110 --> 00:14:13,360

navy would transport nuclear weapons

354

00:14:17,430 --> 00:14:15,120

from point a to point b

355

00:14:19,910 --> 00:14:17,440

and i know that's like one of these very

356

00:14:22,230 --> 00:14:19,920

sensitive uh topics it's like don't ask

357

00:14:24,230 --> 00:14:22,240

don't tell it's all classified we're not

358

00:14:26,230 --> 00:14:24,240

supposed to be transporting anything

359

00:14:27,750 --> 00:14:26,240

like that on our navy ships of this

360

00:14:29,750 --> 00:14:27,760

surface fleet

361

00:14:31,030 --> 00:14:29,760

at least as part of the agreements we

362

00:14:32,389 --> 00:14:31,040

have with

363

00:14:33,990 --> 00:14:32,399

other countries

364

00:14:36,310 --> 00:14:34,000

where these ships are kind of pulling

365

00:14:38,629 --> 00:14:36,320

into ports in countries that might have

366

00:14:40,790 --> 00:14:38,639

anti-nuclear

367

00:14:43,590 --> 00:14:40,800

bans you know nuclear bans and treaties

368

00:14:46,310 --> 00:14:43,600

and so on so i don't know that that

369

00:14:48,230 --> 00:14:46,320

would be one case that they're they're

370

00:14:51,590 --> 00:14:48,240

interested in that but i mean as you

371

00:14:54,310 --> 00:14:51,600

know there's a lot of cases where uh

372

00:14:56,949 --> 00:14:54,320

uh ufos are seen over storage areas and

373

00:14:58,389 --> 00:14:56,959

that sort of thing yeah yeah right and

374

00:15:01,750 --> 00:14:58,399

did you mention a

375

00:15:03,189 --> 00:15:01,760

q36 explosive space modulator is that

376

00:15:05,110 --> 00:15:03,199

something you

377

00:15:07,670 --> 00:15:05,120

that's that's something

378

00:15:09,509 --> 00:15:07,680

that had i saw that i i just don't know

379

00:15:12,230 --> 00:15:09,519

where that came up and and how that that

380

00:15:14,470 --> 00:15:12,240

fit in this particular case but uh yeah

381

00:15:15,990 --> 00:15:14,480

interesting dave thank you so much i

382

00:15:17,990 --> 00:15:16,000

really appreciate it it's always great

383

00:15:20,230 --> 00:15:18,000

um seeing you and talking to you each

384

00:15:21,350 --> 00:15:20,240

time i enjoy it and thank you for your

385

00:15:22,790 --> 00:15:21,360

great work

386

00:15:25,350 --> 00:15:22,800

and uh

387

00:15:28,310 --> 00:15:25,360

do you have your uh i did post your

388

00:15:31,189 --> 00:15:28,320

website in the show links down below but

389

00:15:33,670 --> 00:15:31,199

also um the video that you did about the

390

00:15:35,430 --> 00:15:33,680

uss nimitz case how many views is that

391

00:15:38,389 --> 00:15:35,440

up to these days

392

00:15:40,949 --> 00:15:38,399

it's well it's it's just just south of 6

393

00:15:43,350 --> 00:15:40,959

million views and um i know that you

394

00:15:45,629 --> 00:15:43,360

know people love to see that

395

00:15:48,150 --> 00:15:45,639

if you go my website is the

396

00:15:50,550 --> 00:15:48,160

nimitzencounters.com you can go and you

397

00:15:52,790 --> 00:15:50,560

know get a link to to that film and my

398

00:15:56,230 --> 00:15:52,800

youtube channel and you know i'm i'm

399

00:15:58,150 --> 00:15:56,240

also kind of pre previewing and teasing

400

00:16:00,069 --> 00:15:58,160

a case that i'm working on right now

401  
00:16:02,949 --> 00:16:00,079  
this very week i've been working on it

402  
00:16:03,910 --> 00:16:02,959  
today it's it's an incredible case that

403  
00:16:06,629 --> 00:16:03,920  
is

404  
00:16:09,430 --> 00:16:06,639  
relatively has never been heard about

405  
00:16:14,550 --> 00:16:09,440  
and i'm going to be releasing up to like

406  
00:16:16,710 --> 00:16:14,560  
an uh a 48 minute film that investigates

407  
00:16:18,550 --> 00:16:16,720  
uh what happened in this again it's a

408  
00:16:20,069 --> 00:16:18,560  
navy case and that's going to be on the

409  
00:16:22,629 --> 00:16:20,079  
the youtube channel the nimitz

410  
00:16:24,310 --> 00:16:22,639  
encounters youtube channel so stay tuned

411  
00:16:25,749 --> 00:16:24,320  
for that when will that when do you

412  
00:16:28,069 --> 00:16:25,759  
expect that to drop

413  
00:16:30,870 --> 00:16:28,079

i don't have a due date i'm basically

414

00:16:34,069 --> 00:16:30,880

working at it right now we're trying to

415

00:16:36,790 --> 00:16:34,079

identify more primary witnesses

416

00:16:39,110 --> 00:16:36,800

i have i have spoken to two primary

417

00:16:39,990 --> 00:16:39,120

witnesses from this case that saw this

418

00:16:42,629 --> 00:16:40,000

thing

419

00:16:44,389 --> 00:16:42,639

and it's pretty startling and

420

00:16:47,749 --> 00:16:44,399

we have if we can get a few more it'll

421

00:16:49,269 --> 00:16:47,759

even be more like mind-blowing

422

00:16:50,949 --> 00:16:49,279

yeah i can't can't wait to see that

423

00:16:53,350 --> 00:16:50,959

please uh keep in touch with me about

424

00:16:55,829 --> 00:16:53,360

that i'd like to uh like to talk to you

425

00:16:58,470 --> 00:16:55,839

more about that um sounds good when it

426

00:17:01,269 --> 00:16:58,480

gets uh dropped thanks very much you got

427

00:17:03,110 --> 00:17:01,279

440

00:17:28,789 --> 00:17:26,319

thank you

441

00:17:29,909 --> 00:17:28,799

yeah uh your mic sounds a little hot uh

442

00:17:31,669 --> 00:17:29,919

bill i don't know if there's anything

443

00:17:34,230 --> 00:17:31,679

you can do about that sounds a little

444

00:17:37,029 --> 00:17:34,240

hot on this side but um

445

00:17:38,710 --> 00:17:37,039

uh bill hopefully you hear me and uh so

446

00:17:44,630 --> 00:17:38,720

stan um

447

00:17:46,630 --> 00:17:44,640

and it's hasn't it been a while since

448

00:17:49,190 --> 00:17:46,640

you've written a book or do i just have

449

00:17:51,510 --> 00:17:49,200

not seen uh have not seen one's uh

450

00:17:54,390 --> 00:17:51,520

released by you lately

451  
00:17:56,390 --> 00:17:54,400  
yeah it's been several years and um just

452  
00:17:57,990 --> 00:17:56,400  
uh very busy with a lot of family things

453  
00:17:59,830 --> 00:17:58,000  
going on a lot of reports and things

454  
00:18:01,590 --> 00:17:59,840  
going on but finally

455  
00:18:03,669 --> 00:18:01,600  
after a lot of setbacks he finally got

456  
00:18:05,029 --> 00:18:03,679  
this book done and this was

457  
00:18:07,830 --> 00:18:05,039  
made available

458  
00:18:09,909 --> 00:18:07,840  
on amazon on march 2nd it's called

459  
00:18:12,230 --> 00:18:09,919  
creepy cryptids and strange ufo

460  
00:18:14,230 --> 00:18:12,240  
encounters of pennsylvania

461  
00:18:16,710 --> 00:18:14,240  
all right well i'm excited to talk about

462  
00:18:17,669 --> 00:18:16,720  
it and i know that you did some great

463  
00:18:21,270 --> 00:18:17,679

work

464

00:18:24,070 --> 00:18:21,280

years ago back in the 70s i think it was

465

00:18:27,350 --> 00:18:24,080

on the connection between

466

00:18:29,350 --> 00:18:27,360

bigfoot and ufos so i have that right

467

00:18:32,630 --> 00:18:29,360

no that's correct yeah that's uh that's

468

00:18:34,710 --> 00:18:32,640

when i began to notice some very unusual

469

00:18:36,230 --> 00:18:34,720

aspects with with the bigfoot phenomena

470

00:18:37,669 --> 00:18:36,240

and um

471

00:18:38,470 --> 00:18:37,679

before our way get into it i probably

472

00:18:39,750 --> 00:18:38,480

should give you a little bit of

473

00:18:41,590 --> 00:18:39,760

background for the listeners are not

474

00:18:43,750 --> 00:18:41,600

familiar because it's the part of the

475

00:18:46,470 --> 00:18:43,760

story uh you know i started this when i

476

00:18:48,150 --> 00:18:46,480

was 10 years old back in 1959 as a

477

00:18:50,390 --> 00:18:48,160

curious kid interested in science

478

00:18:52,310 --> 00:18:50,400

electronics and i just happened to hear

479

00:18:54,230 --> 00:18:52,320

a radio show talking about unusual

480

00:18:55,830 --> 00:18:54,240

happenings and i

481

00:18:57,110 --> 00:18:55,840

was curious are these people making

482

00:18:59,669 --> 00:18:57,120

these stories up are they telling the

483

00:19:01,270 --> 00:18:59,679

truth and began to make a lot of trips

484

00:19:03,350 --> 00:19:01,280

to the local library

485

00:19:05,350 --> 00:19:03,360

and i was 16 years old when the incident

486

00:19:07,350 --> 00:19:05,360

happened near kecksburg pa

487

00:19:08,789 --> 00:19:07,360

and it was after kecksburg i began to go

488

00:19:10,549 --> 00:19:08,799

out into the field to do first-hand

489

00:19:13,110 --> 00:19:10,559

investigation i've been doing that ever

490

00:19:15,029 --> 00:19:13,120

since uh now going on 63 years of

491

00:19:17,669 --> 00:19:15,039

research and i still have never seen a

492

00:19:19,909 --> 00:19:17,679

ufo or a bigfoot interview thousands of

493

00:19:22,150 --> 00:19:19,919

ufo witnesses interviewed hundreds of

494

00:19:23,909 --> 00:19:22,160

bigfoot encrypted witnesses have seen a

495

00:19:25,350 --> 00:19:23,919

lot of evidence but i've never seen one

496

00:19:27,990 --> 00:19:25,360

personally

497

00:19:30,630 --> 00:19:28,000

but anyhow in 1969 i set up a hotline

498

00:19:33,110 --> 00:19:30,640

for the public to report ufo sightings

499

00:19:34,870 --> 00:19:33,120

and it became apparent very quickly from

500

00:19:37,350 --> 00:19:34,880

the reports coming in that this was a

501  
00:19:39,270 --> 00:19:37,360  
lot more than i could do on my own so i

502  
00:19:40,710 --> 00:19:39,280  
decided i was going to try to set up a

503  
00:19:42,630 --> 00:19:40,720  
research group of volunteers to

504  
00:19:45,110 --> 00:19:42,640  
investigate the reports

505  
00:19:46,950 --> 00:19:45,120  
so in 1970 i founded the first of three

506  
00:19:48,310 --> 00:19:46,960  
volunteer research groups

507  
00:19:50,150 --> 00:19:48,320  
and the first group was called the

508  
00:19:51,590 --> 00:19:50,160  
westmoreland county ufo study group and

509  
00:19:53,190 --> 00:19:51,600  
it was kind of unique in that the

510  
00:19:55,110 --> 00:19:53,200  
majority of people involved were

511  
00:19:57,590 --> 00:19:55,120  
specialists we had

512  
00:20:00,150 --> 00:19:57,600  
scientists engineers technicians police

513  
00:20:01,669 --> 00:20:00,160

officers former military people all kind

514

00:20:03,110 --> 00:20:01,679

of people

515

00:20:04,630 --> 00:20:03,120

volunteering their time we all had

516

00:20:06,630 --> 00:20:04,640

full-time jobs we're doing around our

517

00:20:09,350 --> 00:20:06,640

jobs but i had it set up that we could

518

00:20:10,870 --> 00:20:09,360

respond the cases 24 hours a day

519

00:20:14,470 --> 00:20:10,880

when we were able to and we did have

520

00:20:16,070 --> 00:20:14,480

many cases and by 1973

521

00:20:17,750 --> 00:20:16,080

we had extended the cover of the whole

522

00:20:19,990 --> 00:20:17,760

state of pennsylvania

523

00:20:21,909 --> 00:20:20,000

and it was lucky that we were set up

524

00:20:24,549 --> 00:20:21,919

because none of us could ever imagine

525

00:20:26,549 --> 00:20:24,559

what was about to unfold first we had

526

00:20:29,310 --> 00:20:26,559

the largest outbreak of ufo sightings

527

00:20:31,990 --> 00:20:29,320

ever documented started january 1st of

528

00:20:33,750 --> 00:20:32,000

1973 continued to the last day of the

529

00:20:36,310 --> 00:20:33,760

year there were there were hundreds and

530

00:20:37,669 --> 00:20:36,320

hundreds of ufo reports coming in and

531

00:20:38,630 --> 00:20:37,679

and many of these were daylight

532

00:20:41,750 --> 00:20:38,640

sightings

533

00:20:44,549 --> 00:20:41,760

some very detailed close range reports

534

00:20:46,549 --> 00:20:44,559

uh and back then a lot of the local and

535

00:20:48,230 --> 00:20:46,559

statewide and even national papers were

536

00:20:49,750 --> 00:20:48,240

covering a lot of these incidents as

537

00:20:52,070 --> 00:20:49,760

they were going on

538

00:20:54,590 --> 00:20:52,080

and all this ufo activity in itself was

539

00:20:57,510 --> 00:20:54,600

just amazing but then in the summer of

540

00:20:59,190 --> 00:20:57,520

1973 we had the biggest outbreak of

541

00:21:00,630 --> 00:20:59,200

bigfoot sightings ever documented as

542

00:21:03,029 --> 00:21:00,640

well and that went into

543

00:21:03,909 --> 00:21:03,039

some of 1974.

544

00:21:09,350 --> 00:21:03,919

and

545

00:21:11,110 --> 00:21:09,360

hear from the general public

546

00:21:13,430 --> 00:21:11,120

that some very strange things are being

547

00:21:15,430 --> 00:21:13,440

reported with the bigfoot reports

548

00:21:17,909 --> 00:21:15,440

and um

549

00:21:19,590 --> 00:21:17,919

one of the first things that turned up

550

00:21:21,110 --> 00:21:19,600

is that my teams would get out to some

551  
00:21:22,789 --> 00:21:21,120  
of these locations so we would be on the

552  
00:21:24,870 --> 00:21:22,799  
scene sometimes within minutes or hours

553  
00:21:26,390 --> 00:21:24,880  
after these incidents occurred that's

554  
00:21:27,190 --> 00:21:26,400  
why we were able to document them so

555  
00:21:29,669 --> 00:21:27,200  
well

556  
00:21:31,909 --> 00:21:29,679  
and in some cases we would have these

557  
00:21:33,830 --> 00:21:31,919  
very large unusual footprints with very

558  
00:21:35,590 --> 00:21:33,840  
large strides between them under

559  
00:21:37,909 --> 00:21:35,600  
different type of ground conditions and

560  
00:21:39,909 --> 00:21:37,919  
even the winter time in fresh snow

561  
00:21:41,990 --> 00:21:39,919  
that would go for a distance and then

562  
00:21:44,230 --> 00:21:42,000  
just abruptly stop

563  
00:21:46,390 --> 00:21:44,240

with no more tracks and there was no

564

00:21:48,149 --> 00:21:46,400

reason or explanation there was no way

565

00:21:49,190 --> 00:21:48,159

they could fabricate on the conditions

566

00:21:50,950 --> 00:21:49,200

we found

567

00:21:53,270 --> 00:21:50,960

and that by the way is still ongoing in

568

00:21:55,350 --> 00:21:53,280

recent years as well but that was one of

569

00:21:57,430 --> 00:21:55,360

the first things that came up and then

570

00:21:58,789 --> 00:21:57,440

we began to hear some even stranger

571

00:22:00,549 --> 00:21:58,799

things for some of the witnesses there

572

00:22:02,230 --> 00:22:00,559

were people who told us back then that

573

00:22:04,470 --> 00:22:02,240

even in daylight they would see when

574

00:22:06,630 --> 00:22:04,480

these tall hair covered creatures

575

00:22:08,310 --> 00:22:06,640

standing in a certain location and then

576

00:22:10,390 --> 00:22:08,320

suddenly it would physically vanish and

577

00:22:12,390 --> 00:22:10,400

disappear and reappear short distance

578

00:22:15,029 --> 00:22:12,400

away at another spot

579

00:22:17,029 --> 00:22:15,039

and then stranger and stranger as the

580

00:22:18,950 --> 00:22:17,039

weeks went on and again from widespread

581

00:22:20,230 --> 00:22:18,960

areas and you got to remember back in

582

00:22:22,070 --> 00:22:20,240

those days

583

00:22:23,750 --> 00:22:22,080

uh the internet was not the same as it

584

00:22:25,909 --> 00:22:23,760

is today so many people would call the

585

00:22:27,909 --> 00:22:25,919

police departments in the news media and

586

00:22:29,430 --> 00:22:27,919

then we'll quite often get the report so

587

00:22:31,190 --> 00:22:29,440

they would refer them over to us would

588

00:22:32,710 --> 00:22:31,200

follow up and investigate

589

00:22:34,470 --> 00:22:32,720

and um

590

00:22:36,950 --> 00:22:34,480

so all these reports are coming in and

591

00:22:38,789 --> 00:22:36,960

then we see this pattern we have a ufo

592

00:22:40,630 --> 00:22:38,799

sighting in a certain area within

593

00:22:43,350 --> 00:22:40,640

minutes two hours of days later we'd

594

00:22:44,710 --> 00:22:43,360

have a bigfoot signing or a ufo sighting

595

00:22:47,669 --> 00:22:44,720

and vice versa

596

00:22:50,630 --> 00:22:47,679

and uh and then we had those amazing

597

00:22:53,430 --> 00:22:50,640

cases where we had a ufo and a bigfoot

598

00:22:54,390 --> 00:22:53,440

scene together at the same time in place

599

00:22:55,830 --> 00:22:54,400

and

600

00:22:57,510 --> 00:22:55,840

i'll be glad to tell you about some of

601  
00:22:59,510 --> 00:22:57,520  
those accounts and these kind of things

602  
00:23:02,870 --> 00:22:59,520  
are actually still ongoing

603  
00:23:05,350 --> 00:23:02,880  
and a lot of the cases and similarities

604  
00:23:07,830 --> 00:23:05,360  
of what i wrote about back in the 1970s

605  
00:23:09,430 --> 00:23:07,840  
in more recent years we're hearing a lot

606  
00:23:11,669 --> 00:23:09,440  
more of this now from around the country

607  
00:23:14,070 --> 00:23:11,679  
from other researchers from witnesses

608  
00:23:16,549 --> 00:23:14,080  
and it's a the more i know about the

609  
00:23:18,310 --> 00:23:16,559  
subject the stranger it is and it's very

610  
00:23:21,110 --> 00:23:18,320  
very complex but i'll be glad to get

611  
00:23:23,590 --> 00:23:21,120  
into that this evening yeah

612  
00:23:26,149 --> 00:23:23,600  
i i agree with you i i say that quite a

613  
00:23:28,870 --> 00:23:26,159

bit on the show the more i look into

614

00:23:31,510 --> 00:23:28,880

this topic the less i feel i know about

615

00:23:33,909 --> 00:23:31,520

it um it's just really uh very

616

00:23:35,909 --> 00:23:33,919

interesting but i want to focus on just

617

00:23:37,909 --> 00:23:35,919

for a minute what you're talking about

618

00:23:39,110 --> 00:23:37,919

when you're talking about these

619

00:23:41,669 --> 00:23:39,120

footprints

620

00:23:43,830 --> 00:23:41,679

that seem to go for a certain distance

621

00:23:45,990 --> 00:23:43,840

and all of a sudden disappear it seems

622

00:23:46,950 --> 00:23:46,000

like i'm hearing that over and over

623

00:23:48,630 --> 00:23:46,960

again

624

00:23:50,470 --> 00:23:48,640

when people are talking about this

625

00:23:52,789 --> 00:23:50,480

phenomenon and

626

00:23:54,149 --> 00:23:52,799

i just find it so strange

627

00:23:56,390 --> 00:23:54,159

um you know

628

00:23:57,830 --> 00:23:56,400

and and what i find strange about it is

629

00:23:59,190 --> 00:23:57,840

how could this be

630

00:24:00,070 --> 00:23:59,200

and

631

00:24:03,029 --> 00:24:00,080

um

632

00:24:05,510 --> 00:24:03,039

and and that makes you wonder

633

00:24:08,149 --> 00:24:05,520

you know all kinds of you when you try

634

00:24:10,470 --> 00:24:08,159

to make get an answer for it

635

00:24:12,230 --> 00:24:10,480

then these things come up like these

636

00:24:14,549 --> 00:24:12,240

and you talked also about it showing up

637

00:24:18,470 --> 00:24:14,559

in another place it sounds almost

638

00:24:20,310 --> 00:24:18,480

interdimensional or something i mean

639

00:24:22,630 --> 00:24:20,320

what what do you think these crazy

640

00:24:25,909 --> 00:24:22,640

things are when when this type of things

641

00:24:27,669 --> 00:24:25,919

happens any any thoughts

642

00:24:29,909 --> 00:24:27,679

oh yeah well

643

00:24:31,750 --> 00:24:29,919

dealing with so many cases and

644

00:24:34,310 --> 00:24:31,760

in investigating and interviewing so

645

00:24:35,750 --> 00:24:34,320

many people who didn't know each other

646

00:24:37,510 --> 00:24:35,760

and they're telling us the same kind of

647

00:24:39,750 --> 00:24:37,520

details or reluctant to even talk to

648

00:24:41,269 --> 00:24:39,760

about it most of these witnesses

649

00:24:43,510 --> 00:24:41,279

wouldn't even believed it until they had

650

00:24:45,430 --> 00:24:43,520

their own personal experience but um

651  
00:24:47,190 --> 00:24:45,440  
yeah you know when i started years and

652  
00:24:49,029 --> 00:24:47,200  
years ago first of all

653  
00:24:51,669 --> 00:24:49,039  
when i started dealing with ufo cases

654  
00:24:53,190 --> 00:24:51,679  
back in the 60s you know back in those

655  
00:24:55,269 --> 00:24:53,200  
days

656  
00:24:57,510 --> 00:24:55,279  
after examining and interviewing so many

657  
00:24:59,029 --> 00:24:57,520  
people in a lot of low-level close range

658  
00:25:00,789 --> 00:24:59,039  
sites not just lights in the sky but

659  
00:25:03,110 --> 00:25:00,799  
large structured objects so we can talk

660  
00:25:05,190 --> 00:25:03,120  
about some of those older cases as well

661  
00:25:07,990 --> 00:25:05,200  
you know back then many of us in the

662  
00:25:10,230 --> 00:25:08,000  
field were of the opinion that were very

663  
00:25:12,549 --> 00:25:10,240

possibly dealing with

664

00:25:14,870 --> 00:25:12,559

something is extraterrestrial

665

00:25:17,190 --> 00:25:14,880

but i can tell you in in the many many

666

00:25:18,870 --> 00:25:17,200

years i've been doing it since that time

667

00:25:20,470 --> 00:25:18,880

i've learned a lot more about this

668

00:25:23,350 --> 00:25:20,480

whatever we're dealing with it's very

669

00:25:24,630 --> 00:25:23,360

very strange and i as i said long time

670

00:25:26,390 --> 00:25:24,640

ago i think

671

00:25:28,230 --> 00:25:26,400

it's very likely there's more than one

672

00:25:30,870 --> 00:25:28,240

origin to the unknown category of the

673

00:25:32,789 --> 00:25:30,880

ufo phenomenon whatever this might be

674

00:25:35,430 --> 00:25:32,799

and i think maybe a small percentage

675

00:25:37,510 --> 00:25:35,440

might be extraterrestrial but the more i

676  
00:25:39,990 --> 00:25:37,520  
know about this and again what's really

677  
00:25:40,950 --> 00:25:40,000  
interesting is is that i'm i'm seeing

678  
00:25:44,950 --> 00:25:40,960  
some

679  
00:25:46,470 --> 00:25:44,960  
the bigfoot

680  
00:25:48,870 --> 00:25:46,480  
reports coming in some of the other

681  
00:25:51,350 --> 00:25:48,880  
cryptid reports and ufo mystery and the

682  
00:25:53,510 --> 00:25:51,360  
ufo sightings are being reported

683  
00:25:56,630 --> 00:25:53,520  
there is a physical and a non-physical

684  
00:25:58,549 --> 00:25:56,640  
component a lot of these cases so with

685  
00:26:00,390 --> 00:25:58,559  
ufo sightings as you're very much

686  
00:26:02,070 --> 00:26:00,400  
familiar with and i think more and more

687  
00:26:03,830 --> 00:26:02,080  
people hearing about this even in

688  
00:26:05,190 --> 00:26:03,840

daylight these objects could suddenly

689

00:26:06,549 --> 00:26:05,200

just

690

00:26:08,630 --> 00:26:06,559

suddenly appear

691

00:26:10,710 --> 00:26:08,640

yeah and they can eat look physically

692

00:26:12,470 --> 00:26:10,720

solid and then they can either begin to

693

00:26:14,230 --> 00:26:12,480

slowly fade away and disappear or just

694

00:26:16,390 --> 00:26:14,240

suddenly they're gone

695

00:26:18,310 --> 00:26:16,400

they come and they go sometimes they

696

00:26:20,470 --> 00:26:18,320

physically change form

697

00:26:23,029 --> 00:26:20,480

we have reports even in recent years of

698

00:26:24,789 --> 00:26:23,039

large what appear to be a solid outline

699

00:26:27,029 --> 00:26:24,799

of triangular objects moving across the

700

00:26:29,510 --> 00:26:27,039

sky but people can see through them

701  
00:26:31,269 --> 00:26:29,520  
but these things suddenly appear they

702  
00:26:33,669 --> 00:26:31,279  
come and they go they have there's a

703  
00:26:35,830 --> 00:26:33,679  
physical and non-fiscal aspect to it and

704  
00:26:38,310 --> 00:26:35,840  
yeah for lack of a better term i guess

705  
00:26:41,029 --> 00:26:38,320  
we'll call it interdimensional

706  
00:26:43,510 --> 00:26:41,039  
yeah like i i and i also agree

707  
00:26:45,990 --> 00:26:43,520  
with you that they could be a number of

708  
00:26:48,789 --> 00:26:46,000  
things i mean it just seems to point to

709  
00:26:51,510 --> 00:26:48,799  
that um in in so many ways

710  
00:26:53,430 --> 00:26:51,520  
there's not one answer for them all and

711  
00:26:55,830 --> 00:26:53,440  
i always like uh the

712  
00:26:58,310 --> 00:26:55,840  
uh the thought of you know we wouldn't

713  
00:27:00,230 --> 00:26:58,320

even understand it if we knew i

714

00:27:02,070 --> 00:27:00,240

you know and that that's that's also a

715

00:27:04,789 --> 00:27:02,080

possibility

716

00:27:07,350 --> 00:27:04,799

so all right

717

00:27:11,350 --> 00:27:07,360

yeah

718

00:27:13,269 --> 00:27:11,360

more we've learned about this the more

719

00:27:15,750 --> 00:27:13,279

mysterious it is there are so many

720

00:27:17,830 --> 00:27:15,760

aspects of the bigfoot mystery and again

721

00:27:19,110 --> 00:27:17,840

going back years and years ago when i

722

00:27:21,110 --> 00:27:19,120

got involved in this and i was

723

00:27:22,630 --> 00:27:21,120

investigating reports of bigfoot

724

00:27:23,990 --> 00:27:22,640

sightings in pennsylvania back in the

725

00:27:26,389 --> 00:27:24,000

60s

726

00:27:28,389 --> 00:27:26,399

and what i knew about bigfoot was that

727

00:27:30,310 --> 00:27:28,399

it probably if these things are real

728

00:27:31,350 --> 00:27:30,320

people really see these things

729

00:27:33,909 --> 00:27:31,360

it's probably

730

00:27:36,389 --> 00:27:33,919

some type of unknown primate well as

731

00:27:38,549 --> 00:27:36,399

time went on and we learned more and

732

00:27:40,389 --> 00:27:38,559

more about it i started to realize

733

00:27:42,230 --> 00:27:40,399

especially in the last several years and

734

00:27:44,630 --> 00:27:42,240

a lot more data and more information

735

00:27:46,830 --> 00:27:44,640

i've been finding

736

00:27:49,750 --> 00:27:46,840

it's much more complicated there's

737

00:27:51,510 --> 00:27:49,760

similarities again with some of the ufo

738

00:27:54,549 --> 00:27:51,520

uh case has been reported over the years

739

00:27:56,310 --> 00:27:54,559

and here's one example of many many that

740

00:27:57,990 --> 00:27:56,320

many people have never heard of and

741

00:27:59,190 --> 00:27:58,000

you're familiar with the fact that even

742

00:28:01,510 --> 00:27:59,200

going back to

743

00:28:03,669 --> 00:28:01,520

at least the 1950s you've heard many

744

00:28:06,470 --> 00:28:03,679

reports of these unusual objects these

745

00:28:09,029 --> 00:28:06,480

are objects pacing vehicles hovering low

746

00:28:10,870 --> 00:28:09,039

over vehicles and sometimes the motor

747

00:28:12,549 --> 00:28:10,880

began the sputter the headlights would

748

00:28:14,310 --> 00:28:12,559

go very low

749

00:28:15,510 --> 00:28:14,320

uh they would lose power the object

750

00:28:17,590 --> 00:28:15,520

would take off and the power would come

751  
00:28:19,110 --> 00:28:17,600  
back on the headlights will get brighter

752  
00:28:21,269 --> 00:28:19,120  
well what a lot of people have never

753  
00:28:23,029 --> 00:28:21,279  
heard of even though it's rare but they

754  
00:28:25,110 --> 00:28:23,039  
have been reported around the country

755  
00:28:27,909 --> 00:28:25,120  
there are also electromagnetic effect

756  
00:28:30,149 --> 00:28:27,919  
cases with close range incidents with

757  
00:28:31,190 --> 00:28:30,159  
bigfoot so we have incidents where

758  
00:28:34,230 --> 00:28:31,200  
people

759  
00:28:35,750 --> 00:28:34,240  
uh were driving and this creature came

760  
00:28:38,950 --> 00:28:35,760  
past right in front of their vehicle

761  
00:28:41,830 --> 00:28:38,960  
very much near their vehicle and as this

762  
00:28:43,990 --> 00:28:41,840  
happened the car began to lose power and

763  
00:28:45,269 --> 00:28:44,000

as the creature moved off the power came

764

00:28:46,870 --> 00:28:45,279

back on

765

00:28:48,310 --> 00:28:46,880

that's just one thing that's very very

766

00:28:51,029 --> 00:28:48,320

intriguing

767

00:28:53,510 --> 00:28:51,039

wow has this as far as you know

768

00:28:55,990 --> 00:28:53,520

i saw you know the title your book is uh

769

00:28:57,669 --> 00:28:56,000

cryptids has this happened with any

770

00:28:59,510 --> 00:28:57,679

other unusual

771

00:29:01,110 --> 00:28:59,520

animals or

772

00:29:04,789 --> 00:29:01,120

what looks like an animal that people

773

00:29:07,110 --> 00:29:04,799

are seeing as well or is it just bigfoot

774

00:29:09,430 --> 00:29:07,120

oh no uh there and again there's

775

00:29:10,789 --> 00:29:09,440

differences but similarities so another

776

00:29:12,230 --> 00:29:10,799

thing has been showing up and and

777

00:29:15,110 --> 00:29:12,240

something you may have heard about this

778

00:29:17,110 --> 00:29:15,120

too but i noticed this years ago but

779

00:29:18,789 --> 00:29:17,120

it's been happening more and more in in

780

00:29:20,549 --> 00:29:18,799

the last several years

781

00:29:23,269 --> 00:29:20,559

uh people

782

00:29:25,750 --> 00:29:23,279

have attempted with both the old digital

783

00:29:28,549 --> 00:29:25,760

cameras and even with the phone cameras

784

00:29:31,269 --> 00:29:28,559

now people have at times attempted to

785

00:29:32,870 --> 00:29:31,279

take pictures of ufos especially some of

786

00:29:34,710 --> 00:29:32,880

the low level cases

787

00:29:36,630 --> 00:29:34,720

and when they did when they aimed their

788

00:29:38,310 --> 00:29:36,640

cameras at them for example there would

789

00:29:40,549 --> 00:29:38,320

be a malfunction and the camera would

790

00:29:43,350 --> 00:29:40,559

not work it worked fine right before

791

00:29:45,590 --> 00:29:43,360

that it worked fine afterwards but only

792

00:29:47,669 --> 00:29:45,600

during that time and the same thing has

793

00:29:49,590 --> 00:29:47,679

happened with cryptid cases now we're

794

00:29:51,669 --> 00:29:49,600

having people tell us about this in fact

795

00:29:53,909 --> 00:29:51,679

it's even stranger that there have been

796

00:29:55,750 --> 00:29:53,919

incidents where people have right after

797

00:29:57,830 --> 00:29:55,760

the cryptid encounter

798

00:30:00,950 --> 00:29:57,840

they went over to take pictures of the

799

00:30:02,870 --> 00:30:00,960

physical evidence like uh footprints

800

00:30:04,870 --> 00:30:02,880

and the cameras would now function and

801  
00:30:05,750 --> 00:30:04,880  
as soon as they got home cameras working

802  
00:30:08,630 --> 00:30:05,760  
fine

803  
00:30:09,909 --> 00:30:08,640  
i interviewed a fellow a few weeks ago

804  
00:30:11,430 --> 00:30:09,919  
um

805  
00:30:12,630 --> 00:30:11,440  
and again this is something we can talk

806  
00:30:14,950 --> 00:30:12,640  
about more often because we're all

807  
00:30:16,470 --> 00:30:14,960  
familiar with skinwalker wrench but some

808  
00:30:19,029 --> 00:30:16,480  
of the incidents i've been involved with

809  
00:30:20,950 --> 00:30:19,039  
since the early 70s are very very

810  
00:30:23,190 --> 00:30:20,960  
similar and these incidents are going on

811  
00:30:24,870 --> 00:30:23,200  
now at certain areas in pennsylvania

812  
00:30:26,470 --> 00:30:24,880  
which have been active

813  
00:30:28,070 --> 00:30:26,480

i know of many others i've heard of

814

00:30:30,630 --> 00:30:28,080

around the country have similar type

815

00:30:31,830 --> 00:30:30,640

things going on but he's up this fellow

816

00:30:34,070 --> 00:30:31,840

is up on the

817

00:30:36,230 --> 00:30:34,080

pennsylvania new york border

818

00:30:38,549 --> 00:30:36,240

apparently a long history of all kind of

819

00:30:41,269 --> 00:30:38,559

phenomena so you have

820

00:30:43,029 --> 00:30:41,279

um screams and cries and footprints and

821

00:30:45,669 --> 00:30:43,039

bigfoot sightings and other cryptid

822

00:30:48,070 --> 00:30:45,679

reports uh black panther sightings

823

00:30:49,990 --> 00:30:48,080

paranormal phenomena and again we'll get

824

00:30:52,070 --> 00:30:50,000

into what i call many ufos that these

825

00:30:54,149 --> 00:30:52,080

small orbs are small spheres of light

826  
00:30:56,070 --> 00:30:54,159  
low to the ground and areas we have a

827  
00:30:58,070 --> 00:30:56,080  
long history of bigfoot but i just

828  
00:31:00,789 --> 00:30:58,080  
talked to this fellow and this guy is a

829  
00:31:02,710 --> 00:31:00,799  
professional person has some very high

830  
00:31:04,950 --> 00:31:02,720  
tech equipment night vision equipment

831  
00:31:07,350 --> 00:31:04,960  
some very good stuff he's familiar with

832  
00:31:09,990 --> 00:31:07,360  
and as he told me it just recently

833  
00:31:12,389 --> 00:31:10,000  
uh on this one night when these orbs are

834  
00:31:14,870 --> 00:31:12,399  
close by every time

835  
00:31:17,509 --> 00:31:14,880  
he tried to get a still capture or try

836  
00:31:19,110 --> 00:31:17,519  
to take video it would malfunction he

837  
00:31:20,870 --> 00:31:19,120  
would check all the equipment out right

838  
00:31:23,269 --> 00:31:20,880

before that everything was fine

839

00:31:25,269 --> 00:31:23,279

afterwards it was fine but only whenever

840

00:31:27,750 --> 00:31:25,279

he tried to take a picture

841

00:31:29,750 --> 00:31:27,760

it would not function properly

842

00:31:33,590 --> 00:31:29,760

you know you also hear about batteries

843

00:31:35,190 --> 00:31:33,600

on cameras like dying uh when it's fully

844

00:31:37,509 --> 00:31:35,200

charged and there's no

845

00:31:39,750 --> 00:31:37,519

reason for that to happen that's another

846

00:31:42,310 --> 00:31:39,760

one any cases that has that happened

847

00:31:43,750 --> 00:31:42,320

with any cases that you're aware of

848

00:31:45,590 --> 00:31:43,760

yeah that's again that's what's

849

00:31:48,389 --> 00:31:45,600

happening some of these cases that you

850

00:31:51,350 --> 00:31:48,399

have fully charged batteries

851  
00:31:53,110 --> 00:31:51,360  
and uh and and the cameras just when

852  
00:31:54,870 --> 00:31:53,120  
when he tries to take a picture when the

853  
00:31:56,389 --> 00:31:54,880  
witness tried to take a picture the

854  
00:31:58,950 --> 00:31:56,399  
battery was completely dead in some

855  
00:32:02,549 --> 00:31:58,960  
cases i remember work case oh this is

856  
00:32:04,710 --> 00:32:02,559  
probably oh seven eight years ago

857  
00:32:06,549 --> 00:32:04,720  
and this was up um

858  
00:32:08,870 --> 00:32:06,559  
this was up on the fayette county

859  
00:32:11,350 --> 00:32:08,880  
westmoreland county border beautiful

860  
00:32:13,990 --> 00:32:11,360  
morning the stella is sitting there uh

861  
00:32:15,350 --> 00:32:14,000  
at this table next to the window his dog

862  
00:32:18,710 --> 00:32:15,360  
is lying there

863  
00:32:20,549 --> 00:32:18,720

and all of a sudden it got pitch black

864

00:32:22,310 --> 00:32:20,559

it had been sunny moments before and he

865

00:32:24,789 --> 00:32:22,320

thought that's so unusual like was a big

866

00:32:26,950 --> 00:32:24,799

storm coming up so he grabs his fully

867

00:32:28,710 --> 00:32:26,960

charged phone he had just charged he

868

00:32:30,310 --> 00:32:28,720

calls to his dog which goes with him

869

00:32:32,549 --> 00:32:30,320

everywhere and the dog refused to go out

870

00:32:35,190 --> 00:32:32,559

with him so the guy steps outside goes

871

00:32:37,350 --> 00:32:35,200

out on his driveway and about 500 feet

872

00:32:39,350 --> 00:32:37,360

above is this huge silent black

873

00:32:41,190 --> 00:32:39,360

triangular object

874

00:32:43,750 --> 00:32:41,200

and the first thing he does he aims his

875

00:32:45,430 --> 00:32:43,760

camera take a picture and it would not

876

00:32:46,870 --> 00:32:45,440

work and he found the battery was

877

00:32:48,310 --> 00:32:46,880

completely dead

878

00:32:51,350 --> 00:32:48,320

and yeah those are the kind of things

879

00:32:53,029 --> 00:32:51,360

that have been reported more and more

880

00:32:55,789 --> 00:32:53,039

that that is amazing and i don't even

881

00:32:58,070 --> 00:32:55,799

know what would do that you know um

882

00:32:59,110 --> 00:32:58,080

electromagnetic possibly but i don't

883

00:33:00,630 --> 00:32:59,120

know

884

00:33:02,389 --> 00:33:00,640

we have a question in chat i'm just

885

00:33:06,389 --> 00:33:02,399

going to run this by you because i hear

886

00:33:08,230 --> 00:33:06,399

this term often spoken lately um

887

00:33:10,710 --> 00:33:08,240

now that we know the hitchhiker

888

00:33:13,110 --> 00:33:10,720

phenomenon is exact as scientifically

889

00:33:15,909 --> 00:33:13,120

verified i didn't really realize that

890

00:33:18,789 --> 00:33:15,919

but uh this is uh jay allen is having

891

00:33:22,230 --> 00:33:18,799

this question here uh skinwalker

892

00:33:24,389 --> 00:33:22,240

pentagon book please ask um

893

00:33:26,870 --> 00:33:24,399

about the hitchhiker effect with when it

894

00:33:29,190 --> 00:33:26,880

comes to bigfoot or cryptid

895

00:33:31,269 --> 00:33:29,200

side are you familiar with that term

896

00:33:32,389 --> 00:33:31,279

stan

897

00:33:34,710 --> 00:33:32,399

uh

898

00:33:37,190 --> 00:33:34,720

so i believe you're talking about people

899

00:33:39,830 --> 00:33:37,200

who got involved investigated at certain

900

00:33:42,710 --> 00:33:39,840

locations and then later various type of

901  
00:33:43,990 --> 00:33:42,720  
after uh paranormal stuff anomalies

902  
00:33:45,350 --> 00:33:44,000  
occurred

903  
00:33:47,750 --> 00:33:45,360  
away from that area is that what we're

904  
00:33:49,669 --> 00:33:47,760  
discussing yeah it kind of follows them

905  
00:33:52,389 --> 00:33:49,679  
follows the person

906  
00:33:54,310 --> 00:33:52,399  
that was uh investigating

907  
00:33:55,750 --> 00:33:54,320  
i've heard that from people from years

908  
00:33:58,630 --> 00:33:55,760  
and years ago

909  
00:34:00,149 --> 00:33:58,640  
and um you know here again it's so

910  
00:34:02,149 --> 00:34:00,159  
complex there's so many different

911  
00:34:03,590 --> 00:34:02,159  
aspects of what we're dealing with here

912  
00:34:05,190 --> 00:34:03,600  
yeah i found that

913  
00:34:06,630 --> 00:34:05,200

many people

914

00:34:08,790 --> 00:34:06,640

just happen to be at the right place at

915

00:34:10,710 --> 00:34:08,800

the right time to see a bigfoot cross

916

00:34:11,829 --> 00:34:10,720

the road see some other type of cryptid

917

00:34:13,109 --> 00:34:11,839

report

918

00:34:15,270 --> 00:34:13,119

um

919

00:34:17,030 --> 00:34:15,280

and and even with ufo sightings the same

920

00:34:18,550 --> 00:34:17,040

thing but then

921

00:34:20,069 --> 00:34:18,560

there's many many people i've

922

00:34:22,550 --> 00:34:20,079

interviewed over here it's very credible

923

00:34:24,710 --> 00:34:22,560

people from all types of backgrounds

924

00:34:26,550 --> 00:34:24,720

and i began to try to study the

925

00:34:28,149 --> 00:34:26,560

background of some of these people and

926  
00:34:31,349 --> 00:34:28,159  
some of these people

927  
00:34:33,270 --> 00:34:31,359  
from the time they were very young

928  
00:34:35,589 --> 00:34:33,280  
they began to experience various type of

929  
00:34:38,069 --> 00:34:35,599  
paranormal experiences other things

930  
00:34:40,950 --> 00:34:38,079  
happen to them throughout their life

931  
00:34:41,909 --> 00:34:40,960  
they had ufo encounters some had missing

932  
00:34:46,149 --> 00:34:41,919  
time

933  
00:34:46,950 --> 00:34:46,159  
later their their spouse would encounter

934  
00:34:48,950 --> 00:34:46,960  
this

935  
00:34:50,550 --> 00:34:48,960  
later on there's one person i've been in

936  
00:34:52,470 --> 00:34:50,560  
touch with now for probably going on

937  
00:34:53,750 --> 00:34:52,480  
well over 45 years

938  
00:34:55,510 --> 00:34:53,760

and um

939

00:34:56,710 --> 00:34:55,520

she was a young child that was missing

940

00:34:58,390 --> 00:34:56,720

and there was a search for and they

941

00:34:59,750 --> 00:34:58,400

found her standing right in the middle

942

00:35:01,990 --> 00:34:59,760

field had been searched many times and

943

00:35:03,910 --> 00:35:02,000

she had no idea she was even missing but

944

00:35:05,270 --> 00:35:03,920

she's had experiences her whole life

945

00:35:06,950 --> 00:35:05,280

than her children and now her

946

00:35:08,310 --> 00:35:06,960

grandchildren

947

00:35:10,710 --> 00:35:08,320

this is something i'm finding with

948

00:35:13,109 --> 00:35:10,720

various other uh people as well in fact

949

00:35:14,790 --> 00:35:13,119

it's so amazing when you interview these

950

00:35:16,870 --> 00:35:14,800

people and they don't know each other

951  
00:35:19,030 --> 00:35:16,880  
and they tell you the little details

952  
00:35:21,109 --> 00:35:19,040  
they keep bringing up almost exactly the

953  
00:35:22,230 --> 00:35:21,119  
same thing uh that they're telling me

954  
00:35:23,750 --> 00:35:22,240  
there's certain things that happened to

955  
00:35:24,710 --> 00:35:23,760  
them throughout their lives experiences

956  
00:35:25,670 --> 00:35:24,720  
they had

957  
00:35:27,910 --> 00:35:25,680  
and

958  
00:35:30,470 --> 00:35:27,920  
could it be that certain people have

959  
00:35:32,710 --> 00:35:30,480  
certain abilities they're able to pursue

960  
00:35:34,390 --> 00:35:32,720  
the perceive this phenomena

961  
00:35:37,349 --> 00:35:34,400  
where other people can't or could the

962  
00:35:39,910 --> 00:35:37,359  
phenomena be attracted to them

963  
00:35:41,750 --> 00:35:39,920

right um you know you mentioned early on

964

00:35:43,589 --> 00:35:41,760

you said that you've never had any type

965

00:35:45,589 --> 00:35:43,599

of you've never seen a bigfoot you've

966

00:35:48,550 --> 00:35:45,599

never seen a ufo

967

00:35:50,950 --> 00:35:48,560

uh but your work is stellar on

968

00:35:52,630 --> 00:35:50,960

on these things i'm really glad that you

969

00:35:55,910 --> 00:35:52,640

do that and

970

00:35:58,630 --> 00:35:55,920

what in what was the biggest inspiration

971

00:36:01,510 --> 00:35:58,640

for you to go down this path and take a

972

00:36:04,310 --> 00:36:01,520

really good look at these things

973

00:36:06,630 --> 00:36:04,320

well i i think what happened was that

974

00:36:08,630 --> 00:36:06,640

as you as i started back so many years

975

00:36:10,550 --> 00:36:08,640

ago and started documenting all these

976  
00:36:11,670 --> 00:36:10,560  
cases here's one of the first things

977  
00:36:13,190 --> 00:36:11,680  
that showed up

978  
00:36:15,750 --> 00:36:13,200  
that there was something unusual going

979  
00:36:17,829 --> 00:36:15,760  
on with bigfoot 1972.

980  
00:36:20,390 --> 00:36:17,839  
uh this actually was only several miles

981  
00:36:22,550 --> 00:36:20,400  
uh from where i live here in outside of

982  
00:36:23,829 --> 00:36:22,560  
greensburg this was a large wooded area

983  
00:36:25,190 --> 00:36:23,839  
where a lot of people lived around there

984  
00:36:27,510 --> 00:36:25,200  
for years and years and nothing ever

985  
00:36:29,190 --> 00:36:27,520  
happened there and all of a sudden i

986  
00:36:31,750 --> 00:36:29,200  
started getting calls from various

987  
00:36:33,829 --> 00:36:31,760  
landowners independently who are talking

988  
00:36:36,230 --> 00:36:33,839

about screams and cries and something

989

00:36:38,950 --> 00:36:36,240

bipedal heavy walking in the woods then

990

00:36:41,190 --> 00:36:38,960

somebody does see a large broad shoulder

991

00:36:43,510 --> 00:36:41,200

creature chasing dogs they're finding

992

00:36:46,150 --> 00:36:43,520

footprints they're seeing strange lights

993

00:36:48,470 --> 00:36:46,160

and they're seeing these very small

994

00:36:50,230 --> 00:36:48,480

little spherical objects

995

00:36:51,510 --> 00:36:50,240

uh in their trees and very close to

996

00:36:53,349 --> 00:36:51,520

their home

997

00:36:55,829 --> 00:36:53,359

so i started documenting all that then

998

00:36:58,550 --> 00:36:55,839

of course next year 1973

999

00:37:01,510 --> 00:36:58,560

all kinds of stuff's happening all kind

1000

00:37:03,109 --> 00:37:01,520

of phenomena is going on uh and you have

1001

00:37:05,349 --> 00:37:03,119

the ufo sightings and the bigfoot

1002

00:37:06,950 --> 00:37:05,359

sightings and all these weird cases are

1003

00:37:08,230 --> 00:37:06,960

showing up and

1004

00:37:09,910 --> 00:37:08,240

let me give you an example of just a

1005

00:37:11,349 --> 00:37:09,920

couple of cases and i'll try to be as

1006

00:37:13,510 --> 00:37:11,359

brief as i can because there's a lot of

1007

00:37:15,589 --> 00:37:13,520

detail but they're so interesting and

1008

00:37:17,510 --> 00:37:15,599

again i thought we don't have time to

1009

00:37:19,510 --> 00:37:17,520

begin to get into all the details of

1010

00:37:21,510 --> 00:37:19,520

even this one case but this is an

1011

00:37:23,349 --> 00:37:21,520

amazing case some of the with

1012

00:37:25,910 --> 00:37:23,359

listeners probably heard it before but

1013

00:37:27,670 --> 00:37:25,920

this was the case that convinced me and

1014

00:37:29,910 --> 00:37:27,680

some of the skeptical research people in

1015

00:37:31,829 --> 00:37:29,920

my team that there was a lot more to the

1016

00:37:34,470 --> 00:37:31,839

ufo and bigfoot phenomena

1017

00:37:38,069 --> 00:37:34,480

and and let me stress this when you hear

1018

00:37:41,910 --> 00:37:38,079

these accounts i am not saying

1019

00:37:44,310 --> 00:37:41,920

that bigfoot for example is a passenger

1020

00:37:45,990 --> 00:37:44,320

or a pilot of a spacecraft from another

1021

00:37:47,670 --> 00:37:46,000

planet because we don't know for sure

1022

00:37:49,589 --> 00:37:47,680

what we're dealing with you know could

1023

00:37:51,349 --> 00:37:49,599

these objects be something other than

1024

00:37:53,430 --> 00:37:51,359

extraterrestrial could be and the

1025

00:37:56,230 --> 00:37:53,440

creatures may well be something else too

1026

00:38:00,310 --> 00:37:56,240

we just don't understand it but

1027

00:38:02,950 --> 00:38:00,320

this particular case october 25th 1973

1028

00:38:05,030 --> 00:38:02,960

my hotline many reports the ufo

1029

00:38:07,030 --> 00:38:05,040

sightings during that 24-hour period

1030

00:38:08,390 --> 00:38:07,040

about 10 30 that night i get a call from

1031

00:38:10,310 --> 00:38:08,400

a state trooper

1032

00:38:12,790 --> 00:38:10,320

from the uniontown barracks in fayette

1033

00:38:15,510 --> 00:38:12,800

county which has had a long history of

1034

00:38:17,670 --> 00:38:15,520

ufos cryptids and ongoing year after

1035

00:38:19,030 --> 00:38:17,680

year including already this year anyhow

1036

00:38:21,990 --> 00:38:19,040

he told me he had just come back from

1037

00:38:23,589 --> 00:38:22,000

investigating this very unusual incident

1038

00:38:25,589 --> 00:38:23,599

he believed it was possible there was

1039

00:38:27,190 --> 00:38:25,599

something still up on the farm he wanted

1040

00:38:29,589 --> 00:38:27,200

me to get my team up there as soon as we

1041

00:38:31,190 --> 00:38:29,599

could so it's already late we did we got

1042

00:38:33,270 --> 00:38:31,200

our team together we got our radiation

1043

00:38:34,630 --> 00:38:33,280

gear our radio equipment and got things

1044

00:38:35,910 --> 00:38:34,640

together and found our way up there and

1045

00:38:37,990 --> 00:38:35,920

spent much of the night and early

1046

00:38:38,950 --> 00:38:38,000

morning hours up in that area

1047

00:38:41,990 --> 00:38:38,960

um

1048

00:38:45,270 --> 00:38:42,000

about 15 people in that rural area

1049

00:38:47,430 --> 00:38:45,280

are observing this barn size red sphere

1050

00:38:49,190 --> 00:38:47,440

about a hundred feet off the ground

1051  
00:38:50,470 --> 00:38:49,200  
slowly moving downward towards the

1052  
00:38:51,990 --> 00:38:50,480  
pasture

1053  
00:38:54,150 --> 00:38:52,000  
and i always center the case on the

1054  
00:38:55,030 --> 00:38:54,160  
former sun who was the

1055  
00:38:56,230 --> 00:38:55,040  
uh

1056  
00:38:57,990 --> 00:38:56,240  
fella who

1057  
00:39:00,069 --> 00:38:58,000  
a lot of the story focus was on he was

1058  
00:39:01,910 --> 00:39:00,079  
coming out to visit his family it was on

1059  
00:39:03,829 --> 00:39:01,920  
his dad's farm with his habit he's

1060  
00:39:06,069 --> 00:39:03,839  
riding down the farm road he sees people

1061  
00:39:08,870 --> 00:39:06,079  
standing outside see this object in the

1062  
00:39:10,710 --> 00:39:08,880  
sky and it's coming down lower so he

1063  
00:39:12,630 --> 00:39:10,720

goes to a better location to get a

1064

00:39:14,150 --> 00:39:12,640

better look at this thing and it looks

1065

00:39:17,030 --> 00:39:14,160

like it's going to land on his dad's

1066

00:39:18,230 --> 00:39:17,040

farm so he and two neighbor boys decide

1067

00:39:19,510 --> 00:39:18,240

that they want to go up and see what

1068

00:39:20,870 --> 00:39:19,520

this thing is

1069

00:39:22,630 --> 00:39:20,880

so before

1070

00:39:25,349 --> 00:39:22,640

going down to the pasture they stop at

1071

00:39:27,270 --> 00:39:25,359

his dad's farm he grabs a 30-yard six

1072

00:39:28,870 --> 00:39:27,280

and a handful of ammunition

1073

00:39:30,950 --> 00:39:28,880

he didn't realize that at the time he

1074

00:39:33,190 --> 00:39:30,960

had two tracer bullets

1075

00:39:35,270 --> 00:39:33,200

and uh so you just get that luminous

1076

00:39:37,510 --> 00:39:35,280

trail when you fire those tracer bullets

1077

00:39:39,349 --> 00:39:37,520

anyhow as they're riding down the farm

1078

00:39:41,510 --> 00:39:39,359

road the dogs around the area are

1079

00:39:43,430 --> 00:39:41,520

carrying on going crazy they hear this

1080

00:39:45,990 --> 00:39:43,440

high-pitched whining noise and these

1081

00:39:47,910 --> 00:39:46,000

loud baby crying sounds

1082

00:39:48,790 --> 00:39:47,920

and they finally make their way down the

1083

00:39:51,510 --> 00:39:48,800

area

1084

00:39:53,750 --> 00:39:51,520

they they angle their vehicle they have

1085

00:39:56,230 --> 00:39:53,760

the headlights on and it looks like

1086

00:39:57,750 --> 00:39:56,240

something's draining the power from the

1087

00:40:00,470 --> 00:39:57,760

headlights they had never noticed that

1088

00:40:03,190 --> 00:40:00,480

before so they walk up to the top of the

1089

00:40:04,630 --> 00:40:03,200

hill to the pasture and they're standing

1090

00:40:07,190 --> 00:40:04,640

there and they can't believe what

1091

00:40:09,349 --> 00:40:07,200

they're seeing about 250 feet away this

1092

00:40:11,430 --> 00:40:09,359

very large object is now on the ground

1093

00:40:14,390 --> 00:40:11,440

or right above it but now it's not a

1094

00:40:16,630 --> 00:40:14,400

complete sphere it's a big white

1095

00:40:18,710 --> 00:40:16,640

dome like a half of the sphere but it's

1096

00:40:20,710 --> 00:40:18,720

about it's big it's about 100 feet or so

1097

00:40:22,470 --> 00:40:20,720

in diameter it's making this a lot of

1098

00:40:25,109 --> 00:40:22,480

pitch winding noise it's illuminating

1099

00:40:26,710 --> 00:40:25,119

much of the area so they're standing in

1100

00:40:28,069 --> 00:40:26,720

this thing and they can't believe what

1101

00:40:29,430 --> 00:40:28,079

they're seeing

1102

00:40:32,390 --> 00:40:29,440

but then

1103

00:40:35,349 --> 00:40:32,400

a few minutes later they look to a

1104

00:40:37,670 --> 00:40:35,359

barbed wire fence about 75 feet away

1105

00:40:39,670 --> 00:40:37,680

and here's these two huge

1106

00:40:42,230 --> 00:40:39,680

bipedal upright creatures covered with

1107

00:40:44,630 --> 00:40:42,240

long dark matted hair

1108

00:40:45,990 --> 00:40:44,640

one behind the other moving very slowly

1109

00:40:48,230 --> 00:40:46,000

along the barbed wire fence in their

1110

00:40:49,270 --> 00:40:48,240

direction the largest one is about eight

1111

00:40:50,950 --> 00:40:49,280

feet tall

1112

00:40:53,430 --> 00:40:50,960

the one behind it's about seven feet

1113

00:40:55,349 --> 00:40:53,440

tall these things are bipedal

1114

00:40:57,910 --> 00:40:55,359

uh they have no neck

1115

00:40:59,670 --> 00:40:57,920

they have very long arms almost they're

1116

00:41:00,870 --> 00:40:59,680

extending way below the knees almost to

1117

00:41:03,030 --> 00:41:00,880

the ground

1118

00:41:04,790 --> 00:41:03,040

they have luminous large luminous

1119

00:41:06,390 --> 00:41:04,800

glowing green eyes

1120

00:41:09,030 --> 00:41:06,400

these things are making this loud

1121

00:41:10,630 --> 00:41:09,040

whining crying baby sound well the one

1122

00:41:11,510 --> 00:41:10,640

boy so frightened he runs out of the

1123

00:41:13,190 --> 00:41:11,520

field

1124

00:41:15,109 --> 00:41:13,200

and the other young boy starts yelling

1125

00:41:17,109 --> 00:41:15,119

at him shoot him shoot him well the guy

1126  
00:41:18,710 --> 00:41:17,119  
fires his first shot over their head

1127  
00:41:20,630 --> 00:41:18,720  
which was that tracer so you just got

1128  
00:41:24,069 --> 00:41:20,640  
that luminous trail

1129  
00:41:26,710 --> 00:41:24,079  
but when he fires that second tracer

1130  
00:41:28,550 --> 00:41:26,720  
the largest of the two creatures reaches

1131  
00:41:30,870 --> 00:41:28,560  
out instead of grabbing that tracer

1132  
00:41:33,270 --> 00:41:30,880  
makes a loud whining crying sound and

1133  
00:41:35,829 --> 00:41:33,280  
that large object in the field

1134  
00:41:37,910 --> 00:41:35,839  
vanishes and disappears it doesn't take

1135  
00:41:40,230 --> 00:41:37,920  
off it's just gone

1136  
00:41:42,550 --> 00:41:40,240  
so most illuminosity is gone the sound

1137  
00:41:44,309 --> 00:41:42,560  
stops it's getting butt dark they turn

1138  
00:41:46,069 --> 00:41:44,319

around the two creeds start walking back

1139

00:41:46,870 --> 00:41:46,079

along the fence line back towards the

1140

00:41:48,950 --> 00:41:46,880

woods

1141

00:41:52,069 --> 00:41:48,960

at that point the guy's firing live ammo

1142

00:41:53,750 --> 00:41:52,079

from his 3006 into the creatures mainly

1143

00:41:55,589 --> 00:41:53,760

aiming at that big one

1144

00:41:56,870 --> 00:41:55,599

and he told me

1145

00:41:58,230 --> 00:41:56,880

i remember he told me for years and

1146

00:42:00,069 --> 00:41:58,240

years until he passed away he said i'll

1147

00:42:02,069 --> 00:42:00,079

never forget how that huge creature with

1148

00:42:03,910 --> 00:42:02,079

his glowing green eyes for staring at me

1149

00:42:06,069 --> 00:42:03,920

as i'm pumping live ammo into it and

1150

00:42:07,829 --> 00:42:06,079

there's no effect on it whatsoever

1151  
00:42:09,430 --> 00:42:07,839  
so they run back to the truck and go

1152  
00:42:10,309 --> 00:42:09,440  
back to the farmhouse and told them what

1153  
00:42:11,670 --> 00:42:10,319  
happened

1154  
00:42:12,710 --> 00:42:11,680  
and they called and they went to a

1155  
00:42:15,270 --> 00:42:12,720  
neighbors and they called the state

1156  
00:42:17,430 --> 00:42:15,280  
police so their trooper arrives about 45

1157  
00:42:18,710 --> 00:42:17,440  
minutes later they go up in the field in

1158  
00:42:20,630 --> 00:42:18,720  
the troop car

1159  
00:42:21,829 --> 00:42:20,640  
and i interviewed the trooper

1160  
00:42:23,510 --> 00:42:21,839  
and he said they're walking around

1161  
00:42:24,790 --> 00:42:23,520  
looking for evidence and they go over to

1162  
00:42:26,790 --> 00:42:24,800  
the air where the object was on the

1163  
00:42:29,589 --> 00:42:26,800

ground and the trooper said the whole

1164

00:42:31,910 --> 00:42:29,599

area was self-luminescent glowing about

1165

00:42:33,670 --> 00:42:31,920

100 feet or more in diameter he said he

1166

00:42:35,910 --> 00:42:33,680

shined his flashlight beam into he could

1167

00:42:37,910 --> 00:42:35,920

barely see the beam the farm animals

1168

00:42:39,670 --> 00:42:37,920

wouldn't go anywhere near it and he said

1169

00:42:41,270 --> 00:42:39,680

if i had a newspaper i'm pretty certain

1170

00:42:43,270 --> 00:42:41,280

i could read the newspaper from the

1171

00:42:45,349 --> 00:42:43,280

light coming off the glow

1172

00:42:46,630 --> 00:42:45,359

and again i'm making the story shorter

1173

00:42:48,550 --> 00:42:46,640

here because there's a lot more to it i

1174

00:42:50,150 --> 00:42:48,560

got strange and stranger during the

1175

00:42:52,550 --> 00:42:50,160

night i read the whole thing up my solid

1176

00:42:54,230 --> 00:42:52,560

invasion book it's very detailed and

1177

00:42:56,309 --> 00:42:54,240

anyhow they went back to the barracks i

1178

00:42:58,150 --> 00:42:56,319

was told both the trooper and the

1179

00:43:00,630 --> 00:42:58,160

witness were separately interviewed then

1180

00:43:03,030 --> 00:43:00,640

they called me to send up my team

1181

00:43:04,150 --> 00:43:03,040

and i can tell you by the when we got

1182

00:43:06,150 --> 00:43:04,160

there

1183

00:43:08,230 --> 00:43:06,160

the glow was gone the radiation levels

1184

00:43:10,870 --> 00:43:08,240

were normal

1185

00:43:12,390 --> 00:43:10,880

it was a very very interesting story

1186

00:43:14,470 --> 00:43:12,400

probably the most one of the most

1187

00:43:15,190 --> 00:43:14,480

interesting things i've ever heard

1188

00:43:16,870 --> 00:43:15,200

and

1189

00:43:19,270 --> 00:43:16,880

during what happened later during the

1190

00:43:21,829 --> 00:43:19,280

night and all it's it's there's no doubt

1191

00:43:24,790 --> 00:43:21,839

that there was something going on there

1192

00:43:27,190 --> 00:43:24,800

and that was one one of numerous cases

1193

00:43:29,589 --> 00:43:27,200

that had some strange elements to it

1194

00:43:33,030 --> 00:43:29,599

but there was another case that happened

1195

00:43:35,589 --> 00:43:33,040

only miles from there in february of 74

1196

00:43:37,349 --> 00:43:35,599

that gave us a clue that whatever these

1197

00:43:38,950 --> 00:43:37,359

creatures are we're dealing with

1198

00:43:40,309 --> 00:43:38,960

something that is not flesh and blood

1199

00:43:41,910 --> 00:43:40,319

and if you'd like i was glad to tell you

1200

00:43:45,750 --> 00:43:41,920

that story

1201  
00:43:49,430 --> 00:43:47,990  
and we do have just to let uh thank you

1202  
00:43:50,950 --> 00:43:49,440  
for those people in chat that are

1203  
00:43:53,750 --> 00:43:50,960  
putting up questions i'll try to get to

1204  
00:43:56,230 --> 00:43:53,760  
them as we get along but as we go along

1205  
00:43:58,069 --> 00:43:56,240  
here but and i'll also try to take calls

1206  
00:44:00,390 --> 00:43:58,079  
at the very end uh the last half hour of

1207  
00:44:02,550 --> 00:44:00,400  
the show a little differently than uh

1208  
00:44:04,630 --> 00:44:02,560  
normally but up normal but i can still

1209  
00:44:06,870 --> 00:44:04,640  
do that here so yes let's hear the

1210  
00:44:10,069 --> 00:44:06,880  
details of that stan

1211  
00:44:12,470 --> 00:44:10,079  
okay so this is this was the case among

1212  
00:44:14,390 --> 00:44:12,480  
others that convinced me that we're

1213  
00:44:18,069 --> 00:44:14,400

dealing with something that's much very

1214

00:44:20,309 --> 00:44:18,079

very strange so this is february 6 1974.

1215

00:44:23,030 --> 00:44:20,319

this is up towards ohio pile in fayette

1216

00:44:25,109 --> 00:44:23,040

county way up in the mountains and some

1217

00:44:26,470 --> 00:44:25,119

of your listeners will recall the time

1218

00:44:29,109 --> 00:44:26,480

period

1219

00:44:30,470 --> 00:44:29,119

we had a big there was a big national

1220

00:44:32,390 --> 00:44:30,480

trucker strike

1221

00:44:34,790 --> 00:44:32,400

there was gas rationing some people i'm

1222

00:44:36,550 --> 00:44:34,800

sure remember that at the time yeah

1223

00:44:38,390 --> 00:44:36,560

there was some violence going on around

1224

00:44:40,069 --> 00:44:38,400

the country on the highways

1225

00:44:41,589 --> 00:44:40,079

so here in pennsylvania he had the

1226

00:44:44,150 --> 00:44:41,599

national guard and the state police

1227

00:44:45,990 --> 00:44:44,160

patrolling uh and responding to various

1228

00:44:49,270 --> 00:44:46,000

incidents well he had members of both

1229

00:44:52,630 --> 00:44:49,280

units that responded to this case

1230

00:44:54,150 --> 00:44:52,640

and um i i lived in my town there was no

1231

00:44:56,950 --> 00:44:54,160

gas available i couldn't get up to the

1232

00:44:58,390 --> 00:44:56,960

saint early the next morning so anyhow

1233

00:45:00,230 --> 00:44:58,400

that evening

1234

00:45:02,150 --> 00:45:00,240

yeah this woman lived in the mountains

1235

00:45:03,750 --> 00:45:02,160

all her life knew animals very well was

1236

00:45:05,270 --> 00:45:03,760

a very good shot

1237

00:45:07,190 --> 00:45:05,280

she was sitting there in her home like

1238

00:45:09,030 --> 00:45:07,200

normal watching tv

1239

00:45:10,870 --> 00:45:09,040

when she heard this little commotion on

1240

00:45:13,670 --> 00:45:10,880

her little front porch of a cabin home

1241

00:45:15,349 --> 00:45:13,680

she had some empty soda cans out there

1242

00:45:16,550 --> 00:45:15,359

and someone was knocking the soda cans

1243

00:45:18,710 --> 00:45:16,560

around

1244

00:45:21,109 --> 00:45:18,720

so a two three weeks before she had a

1245

00:45:22,550 --> 00:45:21,119

pack of um wild dogs had come through

1246

00:45:24,150 --> 00:45:22,560

and she figured i bet you those dogs are

1247

00:45:26,390 --> 00:45:24,160

back so she thought you know what i'll

1248

00:45:28,630 --> 00:45:26,400

just grab my shotgun and i'll fire over

1249

00:45:30,630 --> 00:45:28,640

their head and scare those dogs away so

1250

00:45:33,589 --> 00:45:30,640

what she does she grabs her 16 gauge

1251  
00:45:36,630 --> 00:45:33,599  
double barrel shotgun loads one chamber

1252  
00:45:38,470 --> 00:45:36,640  
walks up to the door hits the switch

1253  
00:45:40,150 --> 00:45:38,480  
opens the door turns on the light and

1254  
00:45:41,990 --> 00:45:40,160  
steps out

1255  
00:45:43,430 --> 00:45:42,000  
no dogs around but right there in front

1256  
00:45:46,390 --> 00:45:43,440  
of her about

1257  
00:45:48,870 --> 00:45:46,400  
six feet away here's a seven foot tall

1258  
00:45:51,190 --> 00:45:48,880  
hair covered creature described us like

1259  
00:45:53,589 --> 00:45:51,200  
a big hook with long arms raised his arm

1260  
00:45:54,710 --> 00:45:53,599  
straight up over its head

1261  
00:45:56,950 --> 00:45:54,720  
and

1262  
00:45:58,550 --> 00:45:56,960  
what does she do she pulls the trigger

1263  
00:46:01,190 --> 00:45:58,560

and fires right into it

1264

00:46:03,670 --> 00:46:01,200

she said there's a bright flash of light

1265

00:46:06,230 --> 00:46:03,680

like the strobe on a camera and it

1266

00:46:08,870 --> 00:46:06,240

physically vanishes and disappears

1267

00:46:11,589 --> 00:46:08,880

but that's that's not the whole story so

1268

00:46:13,030 --> 00:46:11,599

her emblems live a hundred feet away

1269

00:46:14,470 --> 00:46:13,040

and they heard the gunshot and i call

1270

00:46:15,910 --> 00:46:14,480

and asked her what she should yet she

1271

00:46:18,390 --> 00:46:15,920

explained the story to him her

1272

00:46:20,630 --> 00:46:18,400

son-in-law grabs a sidearm starts

1273

00:46:22,630 --> 00:46:20,640

walking down that dark road

1274

00:46:24,309 --> 00:46:22,640

and as he got close he said he was

1275

00:46:26,069 --> 00:46:24,319

surrounded by i believe was four or five

1276

00:46:28,950 --> 00:46:26,079

hairy people with eyes like coals of

1277

00:46:29,910 --> 00:46:28,960

fire started shooting at randomly

1278

00:46:31,910 --> 00:46:29,920

and the

1279

00:46:34,470 --> 00:46:31,920

short time later here's this large

1280

00:46:36,069 --> 00:46:34,480

object they said like a a large luminous

1281

00:46:38,150 --> 00:46:36,079

christmas ornament hovering over the

1282

00:46:40,069 --> 00:46:38,160

woods at the same time and that's when

1283

00:46:41,510 --> 00:46:40,079

they called the state police

1284

00:46:42,870 --> 00:46:41,520

and i i talked at the primary

1285

00:46:45,030 --> 00:46:42,880

investigator

1286

00:46:46,390 --> 00:46:45,040

and he said by the time they found this

1287

00:46:47,670 --> 00:46:46,400

place way up in the mountains everything

1288

00:46:49,750 --> 00:46:47,680

was done

1289

00:46:51,589 --> 00:46:49,760

but he said something very strange

1290

00:46:53,670 --> 00:46:51,599

happened he said the witnesses he said

1291

00:46:56,309 --> 00:46:53,680

they were very very frightened they were

1292

00:46:59,030 --> 00:46:56,319

very credible but he said what convinced

1293

00:47:02,950 --> 00:46:59,040

him was the animal reactions and that's

1294

00:47:04,470 --> 00:47:02,960

something very common to ufo cases and

1295

00:47:06,150 --> 00:47:04,480

bigfoot cases

1296

00:47:07,670 --> 00:47:06,160

and we found in many cases over the

1297

00:47:09,510 --> 00:47:07,680

years especially with bigfoot that even

1298

00:47:11,430 --> 00:47:09,520

the most vicious dogs

1299

00:47:13,510 --> 00:47:11,440

when they're closing these things

1300

00:47:16,550 --> 00:47:13,520

they're just paralyzed they don't bark

1301

00:47:17,990 --> 00:47:16,560

they they shake they cower they hide

1302

00:47:19,349 --> 00:47:18,000

sometimes they'll lay down their eyes

1303

00:47:21,270 --> 00:47:19,359

will move around but they won't say

1304

00:47:23,030 --> 00:47:21,280

anything they won't make any sound

1305

00:47:25,109 --> 00:47:23,040

sometimes they don't eat properly

1306

00:47:26,790 --> 00:47:25,119

properly for a day or two later

1307

00:47:28,470 --> 00:47:26,800

and that's what the officer told me

1308

00:47:30,710 --> 00:47:28,480

happened he said we get up he said they

1309

00:47:33,270 --> 00:47:30,720

have a number of different large dogs

1310

00:47:35,109 --> 00:47:33,280

and other animals and everything's quiet

1311

00:47:37,030 --> 00:47:35,119

the dogs won't bark

1312

00:47:39,430 --> 00:47:37,040

there was one big dog in a cage i think

1313

00:47:41,030 --> 00:47:39,440

it was eskimo spitz and a guy and the

1314

00:47:43,109 --> 00:47:41,040

trooper actually i believe tried to pull

1315

00:47:44,870 --> 00:47:43,119

the dog out that dog wouldn't even move

1316

00:47:45,750 --> 00:47:44,880

it should have ripped his arm off

1317

00:47:47,430 --> 00:47:45,760

and

1318

00:47:49,670 --> 00:47:47,440

there was other things going on other

1319

00:47:51,589 --> 00:47:49,680

animals were reacting at during the time

1320

00:47:53,430 --> 00:47:51,599

very unusually according to the people

1321

00:47:55,510 --> 00:47:53,440

on on that property

1322

00:47:56,870 --> 00:47:55,520

but um we got there early the next

1323

00:47:59,030 --> 00:47:56,880

morning

1324

00:48:00,790 --> 00:47:59,040

and uh interviewed the people

1325

00:48:01,910 --> 00:48:00,800

by then when i got there all the dogs

1326

00:48:04,230 --> 00:48:01,920

are barking

1327

00:48:05,589 --> 00:48:04,240

but that was a very interesting case and

1328

00:48:07,829 --> 00:48:05,599

there was more than that story than

1329

00:48:09,190 --> 00:48:07,839

meets the eye too but that was the case

1330

00:48:10,950 --> 00:48:09,200

among others

1331

00:48:13,990 --> 00:48:10,960

where people told us that these things

1332

00:48:14,870 --> 00:48:14,000

at times can suddenly disappear

1333

00:48:16,390 --> 00:48:14,880

uh

1334

00:48:17,990 --> 00:48:16,400

i don't recommend people shooting at

1335

00:48:19,349 --> 00:48:18,000

these things that people have over the

1336

00:48:20,549 --> 00:48:19,359

years especially during that event in

1337

00:48:22,150 --> 00:48:20,559

the 70s

1338

00:48:24,230 --> 00:48:22,160

people had different power different

1339

00:48:25,750 --> 00:48:24,240

types of weapons they used and neither

1340

00:48:28,069 --> 00:48:25,760

of the creatures would

1341

00:48:30,630 --> 00:48:28,079

in most cases they would just sometimes

1342

00:48:32,549 --> 00:48:30,640

be completely unharmed so no indication

1343

00:48:35,109 --> 00:48:32,559

of being harmed at all sometimes they

1344

00:48:36,549 --> 00:48:35,119

would fall down and get up and walk away

1345

00:48:39,510 --> 00:48:36,559

and then you had this case where the

1346

00:48:40,870 --> 00:48:39,520

things the creatures just disappeared

1347

00:48:43,430 --> 00:48:40,880

and

1348

00:48:45,109 --> 00:48:43,440

has anybody ever reported like

1349

00:48:46,950 --> 00:48:45,119

you know i mean like i agree i don't

1350

00:48:50,790 --> 00:48:46,960

think it's a good idea to shoot them but

1351

00:48:54,150 --> 00:48:50,800

has anyone ever reported any blood

1352

00:48:55,990 --> 00:48:54,160

uh we had one case where we thought we

1353

00:48:58,549 --> 00:48:56,000

had a blood sample

1354

00:49:00,790 --> 00:48:58,559

uh and if that was up in indiana county

1355

00:49:03,430 --> 00:49:00,800

where in daylight i believe it was

1356

00:49:05,270 --> 00:49:03,440

daylight or just getting dark that these

1357

00:49:07,030 --> 00:49:05,280

it was up on apple orchard we knew these

1358

00:49:08,549 --> 00:49:07,040

things loved apples corn and berries we

1359

00:49:10,150 --> 00:49:08,559

had to report them taking whole apples

1360

00:49:11,829 --> 00:49:10,160

and putting whole apples in their mouths

1361

00:49:13,349 --> 00:49:11,839

and eating them and this thing came

1362

00:49:15,109 --> 00:49:13,359

right up these people just picked a

1363

00:49:16,390 --> 00:49:15,119

bunch of bushel baskets full of apples

1364

00:49:19,030 --> 00:49:16,400

by remember

1365

00:49:20,549 --> 00:49:19,040

and this thing came up was taking apples

1366

00:49:21,349 --> 00:49:20,559

out of the bushel basket and eaten them

1367

00:49:22,950 --> 00:49:21,359

whole

1368

00:49:24,549 --> 00:49:22,960

and it went around to the side of the

1369

00:49:26,630 --> 00:49:24,559

front of the house and the felon house

1370

00:49:28,630 --> 00:49:26,640

grabbed his right rifle

1371

00:49:31,349 --> 00:49:28,640

and he as this thing is crossing the

1372

00:49:33,190 --> 00:49:31,359

road he starts firing into it

1373

00:49:35,750 --> 00:49:33,200

apparently no effect on a whatsoever but

1374

00:49:37,270 --> 00:49:35,760

is making these loud cries and screams

1375

00:49:39,670 --> 00:49:37,280

and other people coming up and it's

1376  
00:49:42,230 --> 00:49:39,680  
running across the road eating an apple

1377  
00:49:43,990 --> 00:49:42,240  
and what looked like blood on the road

1378  
00:49:46,309 --> 00:49:44,000  
so they called the state police and then

1379  
00:49:48,150 --> 00:49:46,319  
the state police had contacted us

1380  
00:49:50,309 --> 00:49:48,160  
and we sent our team up right away this

1381  
00:49:52,230 --> 00:49:50,319  
the troopers got there before we did

1382  
00:49:54,309 --> 00:49:52,240  
they took if i remember some of the

1383  
00:49:56,390 --> 00:49:54,319  
apple samples

1384  
00:49:57,510 --> 00:49:56,400  
but they left what looked like blood for

1385  
00:50:00,230 --> 00:49:57,520  
us

1386  
00:50:02,390 --> 00:50:00,240  
and uh years and years ago

1387  
00:50:04,069 --> 00:50:02,400  
we had access through uh

1388  
00:50:06,309 --> 00:50:04,079

one of the other research groups back in

1389

00:50:07,990 --> 00:50:06,319

the day and they had some of the top i

1390

00:50:10,870 --> 00:50:08,000

one or two of the top anthropologists in

1391

00:50:12,870 --> 00:50:10,880

the country and it took a long long time

1392

00:50:15,270 --> 00:50:12,880

but anyhow it turned out it was not

1393

00:50:16,950 --> 00:50:15,280

blood it was apple juice mixed with

1394

00:50:18,390 --> 00:50:16,960

saliva but that's the best they could do

1395

00:50:21,109 --> 00:50:18,400

at that time

1396

00:50:24,390 --> 00:50:21,119

wow do they happen to did they happen to

1397

00:50:26,309 --> 00:50:24,400

save the samples of that

1398

00:50:28,630 --> 00:50:26,319

if they did we never found we never not

1399

00:50:30,069 --> 00:50:28,640

that i'm aware of now the samples we had

1400

00:50:31,750 --> 00:50:30,079

you know we had we had different types

1401  
00:50:33,750 --> 00:50:31,760  
of testing done at labs over the years

1402  
00:50:35,589 --> 00:50:33,760  
in different cases but back in those

1403  
00:50:37,430 --> 00:50:35,599  
days the testing was much different and

1404  
00:50:39,670 --> 00:50:37,440  
lots of times if i remember was a

1405  
00:50:41,349 --> 00:50:39,680  
destructive type of test so you lost

1406  
00:50:43,349 --> 00:50:41,359  
your samples which was unfortunate

1407  
00:50:45,109 --> 00:50:43,359  
because we had some really good hair

1408  
00:50:46,870 --> 00:50:45,119  
samples from those days

1409  
00:50:49,030 --> 00:50:46,880  
and a couple of some of them actually

1410  
00:50:51,829 --> 00:50:49,040  
mysteriously disappeared in transit

1411  
00:50:53,829 --> 00:50:51,839  
that's another story but

1412  
00:50:55,510 --> 00:50:53,839  
but some of the other samples we had

1413  
00:50:57,270 --> 00:50:55,520

were destroyed during the testing and i

1414

00:50:58,870 --> 00:50:57,280

wish we had them today

1415

00:51:01,349 --> 00:50:58,880

right because you know you have dna

1416

00:51:03,109 --> 00:51:01,359

testing today which would be crucial if

1417

00:51:04,390 --> 00:51:03,119

you could actually get saliva from one

1418

00:51:06,069 --> 00:51:04,400

of those things

1419

00:51:10,470 --> 00:51:06,079

you know uh

1420

00:51:13,109 --> 00:51:10,480

wow yeah and yeah you do hear about um

1421

00:51:15,910 --> 00:51:13,119

things missing you know uh

1422

00:51:18,870 --> 00:51:15,920

evidence missing that seems to

1423

00:51:20,950 --> 00:51:18,880

you know seems to follow the ufo

1424

00:51:22,950 --> 00:51:20,960

field anyway you know like uh for

1425

00:51:24,950 --> 00:51:22,960

instance the socorro

1426

00:51:27,030 --> 00:51:24,960

incident there was a scrape of metal

1427

00:51:29,430 --> 00:51:27,040

scrape on a rock and that somehow

1428

00:51:31,829 --> 00:51:29,440

disappeared when it was in nasa's hands

1429

00:51:34,230 --> 00:51:31,839

to take a look at it um you know that

1430

00:51:36,630 --> 00:51:34,240

that type of thing so it is it is a

1431

00:51:39,510 --> 00:51:36,640

shame when those things happen but a

1432

00:51:41,510 --> 00:51:39,520

fantastic story stan i always always

1433

00:51:44,390 --> 00:51:41,520

love having you on because these stories

1434

00:51:45,190 --> 00:51:44,400

are are quite amazing

1435

00:51:49,670 --> 00:51:45,200

and

1436

00:51:51,910 --> 00:51:49,680

little interesting aspect of that

1437

00:51:54,710 --> 00:51:51,920

october 25th

1438

00:51:55,750 --> 00:51:54,720

ufo landing with the bigfoot so years

1439

00:51:57,670 --> 00:51:55,760

later

1440

00:51:59,910 --> 00:51:57,680

during a follow-up interview at one of

1441

00:52:03,190 --> 00:51:59,920

the the primary witnesses because we did

1442

00:52:07,510 --> 00:52:03,200

that on important cases

1443

00:52:10,069 --> 00:52:07,520

anyhow what we found out was that um

1444

00:52:12,069 --> 00:52:10,079

there about a week or two after

1445

00:52:13,589 --> 00:52:12,079

the incident happened now my team was up

1446

00:52:15,349 --> 00:52:13,599

there numerous times doing follow-up

1447

00:52:16,870 --> 00:52:15,359

investigation there was a big deal it

1448

00:52:18,630 --> 00:52:16,880

was in the you know it was in the news

1449

00:52:19,990 --> 00:52:18,640

whatever not all these details but

1450

00:52:21,589 --> 00:52:20,000

people knew about it

1451  
00:52:23,670 --> 00:52:21,599  
and um

1452  
00:52:24,950 --> 00:52:23,680  
we had never used hypnosis on this

1453  
00:52:26,069 --> 00:52:24,960  
fellow because of some of the things

1454  
00:52:27,750 --> 00:52:26,079  
that happened

1455  
00:52:29,990 --> 00:52:27,760  
and years and years later we're

1456  
00:52:31,510 --> 00:52:30,000  
considering the possibility so we're

1457  
00:52:34,230 --> 00:52:31,520  
we're interviewing

1458  
00:52:35,510 --> 00:52:34,240  
this fellow we call him uh steve uh

1459  
00:52:37,910 --> 00:52:35,520  
pseudonym

1460  
00:52:39,750 --> 00:52:37,920  
and uh we started talking to him about

1461  
00:52:41,829 --> 00:52:39,760  
doing hypno and look at us real funny

1462  
00:52:43,270 --> 00:52:41,839  
about my associate and i and he said

1463  
00:52:44,230 --> 00:52:43,280

well why do you want to hypnotize me

1464

00:52:45,589 --> 00:52:44,240

again

1465

00:52:47,430 --> 00:52:45,599

and we looked at each other because we

1466

00:52:49,109 --> 00:52:47,440

knew none of us and our team had ever

1467

00:52:51,190 --> 00:52:49,119

hypnotized him and he went on to tell us

1468

00:52:52,950 --> 00:52:51,200

that he said it was about a week or two

1469

00:52:55,349 --> 00:52:52,960

after the incident happened he said

1470

00:52:57,829 --> 00:52:55,359

among those that came to him there was a

1471

00:52:59,910 --> 00:52:57,839

man in a dark suit and a man in an air

1472

00:53:02,390 --> 00:52:59,920

force uniform the man in the air force

1473

00:53:03,829 --> 00:53:02,400

uniform had a briefcase with him

1474

00:53:06,150 --> 00:53:03,839

he thought for somehow they were

1475

00:53:07,829 --> 00:53:06,160

connected to my group at that time so he

1476

00:53:08,870 --> 00:53:07,839

never thought much about it

1477

00:53:10,790 --> 00:53:08,880

anyhow

1478

00:53:13,030 --> 00:53:10,800

he said these fellas came there they

1479

00:53:15,349 --> 00:53:13,040

wanted him to tell them all the details

1480

00:53:16,470 --> 00:53:15,359

of what had taken place

1481

00:53:17,430 --> 00:53:16,480

and

1482

00:53:19,990 --> 00:53:17,440

then

1483

00:53:21,510 --> 00:53:20,000

during that time the air force person

1484

00:53:24,150 --> 00:53:21,520

opened his briefcase and took out

1485

00:53:25,829 --> 00:53:24,160

pictures about ufos and bigfoot and i

1486

00:53:28,150 --> 00:53:25,839

remember him telling me there was a

1487

00:53:30,390 --> 00:53:28,160

picture of a bigfoot carrying a dead pig

1488

00:53:32,870 --> 00:53:30,400

under his arm climbing a fence i believe

1489

00:53:35,670 --> 00:53:32,880

in georgia and they wanted him to point

1490

00:53:37,829 --> 00:53:35,680

out the similar ufo pictures and the

1491

00:53:39,750 --> 00:53:37,839

similar bigfoot pictures as to what he

1492

00:53:42,309 --> 00:53:39,760

saw and then apparently they did

1493

00:53:43,670 --> 00:53:42,319

hypnotize him they thanked him very much

1494

00:53:45,910 --> 00:53:43,680

they said they'll be in touch with him

1495

00:53:47,910 --> 00:53:45,920

again and he never heard from him again

1496

00:53:50,710 --> 00:53:47,920

and of course we tried to follow up on

1497

00:53:52,790 --> 00:53:50,720

that but of course now is 1973.

1498

00:53:55,750 --> 00:53:52,800

so blue book closed down in january in

1499

00:53:57,270 --> 00:53:55,760

1970 officially and there was no records

1500

00:53:59,510 --> 00:53:57,280

of anything and we couldn't find out who

1501  
00:54:02,230 --> 00:53:59,520  
it was but there were other mystery men

1502  
00:54:03,990 --> 00:54:02,240  
that showed up during that time period

1503  
00:54:06,870 --> 00:54:04,000  
when some very strange things were going

1504  
00:54:09,510 --> 00:54:06,880  
on 73 and the 74.

1505  
00:54:12,630 --> 00:54:09,520  
i had a i had someone on the show that

1506  
00:54:15,829 --> 00:54:12,640  
was is not in the so-called ufo circuit

1507  
00:54:18,230 --> 00:54:15,839  
i just happened to talk to him um and

1508  
00:54:21,270 --> 00:54:18,240  
uh he told me this amazing story i had

1509  
00:54:24,309 --> 00:54:21,280  
him on i don't know maybe four years ago

1510  
00:54:27,190 --> 00:54:24,319  
and back in the i thought he said the

1511  
00:54:29,270 --> 00:54:27,200  
60s i believe it was he was just a kid

1512  
00:54:32,630 --> 00:54:29,280  
and had a ufo sighting and wrote to the

1513  
00:54:34,549 --> 00:54:32,640

air force and these two people showed up

1514

00:54:36,870 --> 00:54:34,559

at his door and one of them he thought

1515

00:54:40,150 --> 00:54:36,880

was rupaul after all these years you

1516

00:54:42,470 --> 00:54:40,160

know looking into it later on and but

1517

00:54:44,470 --> 00:54:42,480

the the reason i'm bringing this up is

1518

00:54:46,870 --> 00:54:44,480

because they sat with him

1519

00:54:48,630 --> 00:54:46,880

his mother let him sit in a room with

1520

00:54:51,589 --> 00:54:48,640

these two guys one was an air force

1521

00:54:53,750 --> 00:54:51,599

uniform one was in a suit or something

1522

00:54:56,069 --> 00:54:53,760

and they showed him pictures

1523

00:54:58,470 --> 00:54:56,079

of ufos in a book

1524

00:55:00,390 --> 00:54:58,480

and said did it look like this did it

1525

00:55:01,349 --> 00:55:00,400

look like that and it almost sounds

1526  
00:55:03,510 --> 00:55:01,359  
similar

1527  
00:55:06,710 --> 00:55:03,520  
to what you're saying that they showed

1528  
00:55:09,430 --> 00:55:06,720  
him this picture of a bigfoot carrying a

1529  
00:55:12,069 --> 00:55:09,440  
pig as you said i believe you said that

1530  
00:55:13,510 --> 00:55:12,079  
uh yeah that's really really something

1531  
00:55:15,270 --> 00:55:13,520  
how they would

1532  
00:55:17,349 --> 00:55:15,280  
that's the second time i've heard that

1533  
00:55:19,030 --> 00:55:17,359  
type of story

1534  
00:55:21,190 --> 00:55:19,040  
well there there is so much you know

1535  
00:55:23,270 --> 00:55:21,200  
there's so much to these cases we're

1536  
00:55:25,109 --> 00:55:23,280  
dealing with that the public's not aware

1537  
00:55:27,109 --> 00:55:25,119  
of or they really ever hear about the

1538  
00:55:29,030 --> 00:55:27,119

other thing that i think is very

1539

00:55:30,549 --> 00:55:29,040

significant is what i call many ufo

1540

00:55:34,470 --> 00:55:30,559

sightings i think i just

1541

00:55:36,309 --> 00:55:34,480

barely touched on it but since the 1960s

1542

00:55:38,150 --> 00:55:36,319

i've been the best gave these incidents

1543

00:55:40,470 --> 00:55:38,160

of these objects

1544

00:55:42,950 --> 00:55:40,480

that are not high in the sky they're

1545

00:55:44,870 --> 00:55:42,960

very low to the ground they come very

1546

00:55:47,109 --> 00:55:44,880

close to witnesses

1547

00:55:49,510 --> 00:55:47,119

and they're generally pretty small they

1548

00:55:51,510 --> 00:55:49,520

range anywhere the smallest ones look

1549

00:55:52,950 --> 00:55:51,520

like oversized lightning bugs or

1550

00:55:55,430 --> 00:55:52,960

fireflies about an inch or two in

1551  
00:55:57,190 --> 00:55:55,440  
diameter but they go up to about a foot

1552  
00:55:58,870 --> 00:55:57,200  
or two in diameter

1553  
00:56:01,190 --> 00:55:58,880  
gently spherical but not always

1554  
00:56:03,190 --> 00:56:01,200  
spherical objects

1555  
00:56:05,109 --> 00:56:03,200  
some are solid metallic looking other

1556  
00:56:06,630 --> 00:56:05,119  
ones are just brilliant light sources of

1557  
00:56:08,789 --> 00:56:06,640  
various colors

1558  
00:56:11,030 --> 00:56:08,799  
but what's really interesting again

1559  
00:56:12,549 --> 00:56:11,040  
they'll come right up to people at times

1560  
00:56:14,950 --> 00:56:12,559  
even in daylight

1561  
00:56:17,270 --> 00:56:14,960  
i've had them pace vehicles i've had

1562  
00:56:19,510 --> 00:56:17,280  
them enter people's vehicles and homes

1563  
00:56:21,349 --> 00:56:19,520

through open windows and float around

1564

00:56:22,789 --> 00:56:21,359

and then sometimes go out the windows

1565

00:56:24,230 --> 00:56:22,799

sometimes go right through the walls of

1566

00:56:25,750 --> 00:56:24,240

the house or right through the bed of

1567

00:56:28,950 --> 00:56:25,760

the vehicle

1568

00:56:30,950 --> 00:56:28,960

and those cases are very very intriguing

1569

00:56:32,950 --> 00:56:30,960

and these things are they're going on

1570

00:56:35,750 --> 00:56:32,960

more and more over the years

1571

00:56:37,750 --> 00:56:35,760

but also what's fascinating is

1572

00:56:40,150 --> 00:56:37,760

in more recent years not only in

1573

00:56:42,950 --> 00:56:40,160

pennsylvania and ongoing even recent

1574

00:56:44,950 --> 00:56:42,960

weeks reports i'm getting but

1575

00:56:46,390 --> 00:56:44,960

in other parts of the country as well in

1576

00:56:48,549 --> 00:56:46,400

areas where you have a lot of history of

1577

00:56:50,230 --> 00:56:48,559

bigfoot sightings but bigfoot

1578

00:56:52,309 --> 00:56:50,240

researchers

1579

00:56:54,390 --> 00:56:52,319

and witnesses are reporting these

1580

00:56:55,670 --> 00:56:54,400

unusual spheres of light some people

1581

00:56:57,829 --> 00:56:55,680

call them orbs

1582

00:56:59,910 --> 00:56:57,839

uh it lowers the trees sometimes coming

1583

00:57:02,630 --> 00:56:59,920

close to them

1584

00:57:04,870 --> 00:57:02,640

and sometimes these cases you have some

1585

00:57:06,309 --> 00:57:04,880

direct connection with bigfoot as well

1586

00:57:08,309 --> 00:57:06,319

and i'll give you one interesting

1587

00:57:09,990 --> 00:57:08,319

example this occurred

1588

00:57:12,230 --> 00:57:10,000

just

1589

00:57:14,789 --> 00:57:12,240

outside of pittsburgh in a wooded rural

1590

00:57:16,390 --> 00:57:14,799

area in may of 2019

1591

00:57:17,270 --> 00:57:16,400

and it was early morning hours and this

1592

00:57:18,630 --> 00:57:17,280

fella

1593

00:57:20,470 --> 00:57:18,640

i think it was in the kitchen or

1594

00:57:22,549 --> 00:57:20,480

whatever look out the back window that

1595

00:57:24,390 --> 00:57:22,559

whole back area where he lived was well

1596

00:57:26,630 --> 00:57:24,400

illuminated and there was a large wooded

1597

00:57:28,549 --> 00:57:26,640

area and he sees a smaller bigfoot we

1598

00:57:30,630 --> 00:57:28,559

get reports of smaller ones too it's

1599

00:57:32,950 --> 00:57:30,640

four and a half to five feet tall

1600

00:57:34,950 --> 00:57:32,960

it was covered with long dark hair

1601  
00:57:35,910 --> 00:57:34,960  
uh and he was walking upright on two

1602  
00:57:38,230 --> 00:57:35,920  
legs

1603  
00:57:39,750 --> 00:57:38,240  
arms were swinging he got a really good

1604  
00:57:41,430 --> 00:57:39,760  
look at this thing

1605  
00:57:43,750 --> 00:57:41,440  
and it's moving pretty fast and it goes

1606  
00:57:46,390 --> 00:57:43,760  
to a particular area of the woods as it

1607  
00:57:48,470 --> 00:57:46,400  
enters the woods seconds later at the

1608  
00:57:51,190 --> 00:57:48,480  
exact location where it entered the

1609  
00:57:52,870 --> 00:57:51,200  
woods this bright sphere of light about

1610  
00:57:54,950 --> 00:57:52,880  
three to four inches in diameter just

1611  
00:57:56,390 --> 00:57:54,960  
suddenly appeared and he said it was

1612  
00:57:57,990 --> 00:57:56,400  
similar to looking directly into the

1613  
00:58:00,069 --> 00:57:58,000

front of a flashlight but it's only

1614

00:58:01,910 --> 00:58:00,079

about four feet off the ground the light

1615

00:58:03,750 --> 00:58:01,920

then went three seconds and then

1616

00:58:06,150 --> 00:58:03,760

vanished and a few seconds later it

1617

00:58:08,789 --> 00:58:06,160

reappears again about 10 feet away

1618

00:58:10,950 --> 00:58:08,799

this time the small sphere emits a

1619

00:58:13,190 --> 00:58:10,960

bright beam of light about 10 to 12 feet

1620

00:58:15,270 --> 00:58:13,200

long after a few seconds the beam of

1621

00:58:16,950 --> 00:58:15,280

light and the object is gone

1622

00:58:18,470 --> 00:58:16,960

but those are the kind of things that

1623

00:58:21,430 --> 00:58:18,480

are happening and you know we had an

1624

00:58:22,390 --> 00:58:21,440

amazing cave during that 73 wave north

1625

00:58:24,309 --> 00:58:22,400

of pittsburgh

1626  
00:58:26,309 --> 00:58:24,319  
you had two witnesses out in the country

1627  
00:58:29,349 --> 00:58:26,319  
waiting for a friend to pick them up

1628  
00:58:31,510 --> 00:58:29,359  
they see this around the 7 8 foot tall

1629  
00:58:32,710 --> 00:58:31,520  
hair covered bigfoot with white hair you

1630  
00:58:35,190 --> 00:58:32,720  
don't hear about the white ones very

1631  
00:58:37,109 --> 00:58:35,200  
often we get those reports it's strange

1632  
00:58:39,430 --> 00:58:37,119  
enough to see a bigfoot running across

1633  
00:58:42,230 --> 00:58:39,440  
the road towards the woods but in one of

1634  
00:58:43,270 --> 00:58:42,240  
its hand it's carrying a small sphere of

1635  
00:58:45,190 --> 00:58:43,280  
light

1636  
00:58:47,430 --> 00:58:45,200  
and as is walking into the woods a few

1637  
00:58:49,510 --> 00:58:47,440  
minutes later this object comes across

1638  
00:58:50,870 --> 00:58:49,520

the sky projects a beam of light down

1639

00:58:52,630 --> 00:58:50,880

into the woods where the creature went

1640

00:58:53,990 --> 00:58:52,640

into

1641

00:58:55,510 --> 00:58:54,000

geez

1642

00:58:57,349 --> 00:58:55,520

just crazy

1643

00:58:58,710 --> 00:58:57,359

in the the white one

1644

00:59:00,390 --> 00:58:58,720

isn't that what they used to call the

1645

00:59:01,910 --> 00:59:00,400

abominable snowman or something like

1646

00:59:03,589 --> 00:59:01,920

that

1647

00:59:06,549 --> 00:59:03,599

well again when you hear the reports

1648

00:59:07,990 --> 00:59:06,559

from the yeti uh up in the himalayas uh

1649

00:59:09,910 --> 00:59:08,000

a lot of those reports are of something

1650

00:59:12,309 --> 00:59:09,920

white in the united states you do get

1651  
00:59:15,109 --> 00:59:12,319  
some reports most of the bigfoot reports

1652  
00:59:16,789 --> 00:59:15,119  
are generally of a darker color but we

1653  
00:59:20,390 --> 00:59:16,799  
are getting those kind of reports it was

1654  
00:59:23,270 --> 00:59:20,400  
i think it was january of last year

1655  
00:59:25,030 --> 00:59:23,280  
21 up on top of the chestnut ridge which

1656  
00:59:26,710 --> 00:59:25,040  
we'll probably talk about it's one of

1657  
00:59:29,109 --> 00:59:26,720  
those areas where we have consistent

1658  
00:59:31,109 --> 00:59:29,119  
reports year after year uh daylight

1659  
00:59:33,430 --> 00:59:31,119  
sighting fella never believed in these

1660  
00:59:35,349 --> 00:59:33,440  
kind of stories uh lived way up in the

1661  
00:59:37,190 --> 00:59:35,359  
country out in the woods and observes a

1662  
00:59:39,589 --> 00:59:37,200  
seven half to eight foot tall

1663  
00:59:41,270 --> 00:59:39,599

hair covered he said it was dirty white

1664

00:59:43,990 --> 00:59:41,280

matted hair which we've had other

1665

00:59:45,670 --> 00:59:44,000

reports cytosine clearly walking across

1666

00:59:47,430 --> 00:59:45,680

the field and unfortunately he's outside

1667

00:59:49,589 --> 00:59:47,440

he has no camera with them and that

1668

00:59:51,750 --> 00:59:49,599

seems to happen quite a bit

1669

00:59:52,950 --> 00:59:51,760

i got to tell this real quick story i'm

1670

00:59:55,109 --> 00:59:52,960

trying to have this

1671

00:59:57,030 --> 00:59:55,119

um you know my show is basically about

1672

00:59:59,109 --> 00:59:57,040

ufos but this

1673

01:00:02,230 --> 00:59:59,119

this is uh

1674

01:00:04,470 --> 01:00:02,240

another strange like cryptid thing is my

1675

01:00:06,630 --> 01:00:04,480

uh a friend of my son

1676

01:00:08,230 --> 01:00:06,640

was this is his story

1677

01:00:10,470 --> 01:00:08,240

again i'm trying to get him on just to

1678

01:00:13,190 --> 01:00:10,480

talk you know i do my everything else

1679

01:00:14,710 --> 01:00:13,200

show uh maybe get him on that for a few

1680

01:00:18,390 --> 01:00:14,720

minutes but

1681

01:00:19,270 --> 01:00:18,400

he was in a very remote area in maine

1682

01:00:28,390 --> 01:00:19,280

and

1683

01:00:30,069 --> 01:00:28,400

that looked like it had long spider legs

1684

01:00:32,710 --> 01:00:30,079

like several legs

1685

01:00:34,470 --> 01:00:32,720

but sort of like a almost like a human

1686

01:00:35,510 --> 01:00:34,480

head

1687

01:00:36,309 --> 01:00:35,520

and then

1688

01:00:38,549 --> 01:00:36,319

uh

1689

01:00:40,069 --> 01:00:38,559

they like made noise or whatever when

1690

01:00:42,710 --> 01:00:40,079

they saw it like i don't know if they

1691

01:00:45,750 --> 01:00:42,720

screamed or whatever but the thing made

1692

01:00:47,670 --> 01:00:45,760

a scream and ran across the river and

1693

01:00:50,069 --> 01:00:47,680

and they and they followed

1694

01:00:52,150 --> 01:00:50,079

the tracks they saw these like poke

1695

01:00:55,430 --> 01:00:52,160

holes in the in the ground where it was

1696

01:00:56,549 --> 01:00:55,440

running i mean really bizarre story

1697

01:00:58,390 --> 01:00:56,559

do they get

1698

01:01:01,190 --> 01:00:58,400

do you have also

1699

01:01:03,109 --> 01:01:01,200

encounters of really strange i i know

1700

01:01:05,270 --> 01:01:03,119

you wrote in your the title your book is

1701

01:01:06,870 --> 01:01:05,280

creepy cryptids but do you have like

1702

01:01:08,829 --> 01:01:06,880

strange things like anything have you

1703

01:01:12,150 --> 01:01:08,839

ever heard of anything similar to

1704

01:01:13,990 --> 01:01:12,160

that uh somewhat and yeah actually the

1705

01:01:15,589 --> 01:01:14,000

new book is full of cases like that

1706

01:01:18,309 --> 01:01:15,599

there's things in there creatures in

1707

01:01:19,750 --> 01:01:18,319

there that i was even stunned one case

1708

01:01:21,430 --> 01:01:19,760

really stunned me

1709

01:01:23,589 --> 01:01:21,440

among others and there were so many

1710

01:01:26,470 --> 01:01:23,599

different ones because it deals with all

1711

01:01:29,589 --> 01:01:26,480

kind of things uh just bizarre creatures

1712

01:01:31,109 --> 01:01:29,599

a lot of it's not just bigfoot um

1713

01:01:34,470 --> 01:01:31,119

some of the things for example let me

1714

01:01:36,309 --> 01:01:34,480

give you an example of this back in 2017

1715

01:01:38,549 --> 01:01:36,319

and i think i had maybe a reporter to

1716

01:01:40,630 --> 01:01:38,559

prior to that in 2017

1717

01:01:42,789 --> 01:01:40,640

we began to have a serious report of

1718

01:01:44,710 --> 01:01:42,799

these of this tall

1719

01:01:48,069 --> 01:01:44,720

humanoid

1720

01:01:50,150 --> 01:01:48,079

hairless sickly looking creature

1721

01:01:53,030 --> 01:01:50,160

and the first report actually i got was

1722

01:01:55,349 --> 01:01:53,040

uh in the fall of 2017

1723

01:01:56,630 --> 01:01:55,359

uh southwest pga from a police officer

1724

01:01:58,630 --> 01:01:56,640

on patrol

1725

01:02:00,230 --> 01:01:58,640

and he said this is the weirdest thing i

1726

01:02:02,150 --> 01:02:00,240

have ever experienced in my life he said

1727

01:02:03,510 --> 01:02:02,160

i'm on patrol i'm out in the rural area

1728

01:02:05,910 --> 01:02:03,520

that i patrol

1729

01:02:08,230 --> 01:02:05,920

commonly he said i i'm riding down this

1730

01:02:10,630 --> 01:02:08,240

dark road and ahead of me i see this

1731

01:02:12,470 --> 01:02:10,640

this very dull white ball of light low

1732

01:02:14,470 --> 01:02:12,480

to the ground and he's thinking i've

1733

01:02:17,910 --> 01:02:14,480

never seen any lighting like that before

1734

01:02:20,069 --> 01:02:17,920

and he stops his vehicle and suddenly

1735

01:02:21,430 --> 01:02:20,079

this ball of light rises up from the

1736

01:02:23,349 --> 01:02:21,440

ground

1737

01:02:26,069 --> 01:02:23,359

and he realizes actually the head of

1738

01:02:27,190 --> 01:02:26,079

this being that's about six feet tall or

1739

01:02:29,029 --> 01:02:27,200

larger

1740

01:02:31,190 --> 01:02:29,039

and he said it was stolen with skeletal

1741

01:02:33,270 --> 01:02:31,200

thin it was hairless

1742

01:02:35,990 --> 01:02:33,280

and that it's illuminating the upper

1743

01:02:37,750 --> 01:02:36,000

section of the body of this thing

1744

01:02:38,950 --> 01:02:37,760

and he watches this thing it turns to

1745

01:02:41,349 --> 01:02:38,960

the right

1746

01:02:43,190 --> 01:02:41,359

and he can see it's illuminating up

1747

01:02:45,109 --> 01:02:43,200

around the shoulder area

1748

01:02:46,470 --> 01:02:45,119

and it turns and faces him then turns

1749

01:02:48,870 --> 01:02:46,480

his left and he said

1750

01:02:51,029 --> 01:02:48,880

it moved at such an incredible speed he

1751

01:02:53,109 --> 01:02:51,039

said i assume it ran

1752

01:02:55,349 --> 01:02:53,119

but he said it was just seconds he said

1753

01:02:56,710 --> 01:02:55,359

i have never in my life he was it was

1754

01:02:58,549 --> 01:02:56,720

abnormal he said i've never seen

1755

01:03:00,870 --> 01:02:58,559

anything it was fascinating anything

1756

01:03:03,510 --> 01:03:00,880

i've ever seen it was there and then it

1757

01:03:05,510 --> 01:03:03,520

was gone and interestingly that's almost

1758

01:03:07,430 --> 01:03:05,520

the same terms that people used with

1759

01:03:09,270 --> 01:03:07,440

people with with some bigfoot case where

1760

01:03:11,349 --> 01:03:09,280

the thing just suddenly appears out of

1761

01:03:13,910 --> 01:03:11,359

nowhere walk in front of a vehicle they

1762

01:03:15,910 --> 01:03:13,920

see it from head to toe and it's gone

1763

01:03:18,870 --> 01:03:15,920

just like we talk about the traxxas end

1764

01:03:21,510 --> 01:03:18,880

abruptly and that's gone um so within

1765

01:03:22,470 --> 01:03:21,520

weeks other somewhat similar reports

1766

01:03:24,069 --> 01:03:22,480

came in

1767

01:03:25,910 --> 01:03:24,079

these reports by the way or some of

1768

01:03:28,789 --> 01:03:25,920

these are in the new book as well and

1769

01:03:31,430 --> 01:03:28,799

they go in a lot more detail but strange

1770

01:03:33,349 --> 01:03:31,440

strange stuff and then was another case

1771

01:03:35,670 --> 01:03:33,359

uh and this is over towards the

1772

01:03:38,069 --> 01:03:35,680

armstrong county area

1773

01:03:39,510 --> 01:03:38,079

outside of pittsburgh so this would have

1774

01:03:42,710 --> 01:03:39,520

been

1775

01:03:47,109 --> 01:03:42,720

in the fall i'm trying to remember i

1776

01:03:48,950 --> 01:03:47,119

believe was the of 2018 yeah fall 2018.

1777

01:03:51,270 --> 01:03:48,960

so this guy actually lives deep in the

1778

01:03:53,109 --> 01:03:51,280

woods he knows animals very well

1779

01:03:55,029 --> 01:03:53,119

and he hears this bipedal sound he knew

1780

01:03:55,990 --> 01:03:55,039

it was not deer but it sounded kind of

1781

01:03:57,430 --> 01:03:56,000

odd

1782

01:03:58,630 --> 01:03:57,440

they decided i'm going to get down to

1783

01:04:03,510 --> 01:03:58,640

the house

1784

01:04:05,910 --> 01:04:03,520

he's sitting there about 10 feet away at

1785

01:04:08,390 --> 01:04:05,920

the table from the back door which is a

1786

01:04:10,470 --> 01:04:08,400

big glass door with no drapes on it

1787

01:04:11,589 --> 01:04:10,480

there it's completely open you can see

1788

01:04:13,910 --> 01:04:11,599

right through it

1789

01:04:16,710 --> 01:04:13,920

and all of a sudden he looks and here's

1790

01:04:18,630 --> 01:04:16,720

this humanoid creature again

1791

01:04:20,870 --> 01:04:18,640

he said it looked like skelet like a

1792

01:04:23,029 --> 01:04:20,880

skeleton cover with all gray skin

1793

01:04:25,430 --> 01:04:23,039

gray bony legs the legs looked some of

1794

01:04:27,190 --> 01:04:25,440

the back legs of a greyhound dog the

1795

01:04:28,870 --> 01:04:27,200

arms were long

1796

01:04:31,029 --> 01:04:28,880

were longer than normal bony and

1797

01:04:32,950 --> 01:04:31,039

hairless the head was round the neck was

1798

01:04:35,270 --> 01:04:32,960

small they had appeared to be on their

1799

01:04:37,510 --> 01:04:35,280

shoulders the mouth was closed the eyes

1800

01:04:38,789 --> 01:04:37,520

were glowing a dull yellow color

1801  
01:04:41,349 --> 01:04:38,799  
he said this thing probably would have

1802  
01:04:42,710 --> 01:04:41,359  
stead at least six or seven feet tall

1803  
01:04:45,109 --> 01:04:42,720  
he said he could see its spine

1804  
01:04:46,870 --> 01:04:45,119  
protruding as it moved and was down on

1805  
01:04:48,150 --> 01:04:46,880  
all fours and scampered around the house

1806  
01:04:50,309 --> 01:04:48,160  
and was gone

1807  
01:04:52,309 --> 01:04:50,319  
i mean that's just an example you know i

1808  
01:04:53,670 --> 01:04:52,319  
go into strange things that are being

1809  
01:04:54,950 --> 01:04:53,680  
seen in the rivers the lakes of

1810  
01:04:56,870 --> 01:04:54,960  
pennsylvania

1811  
01:04:58,549 --> 01:04:56,880  
weird things uh

1812  
01:05:00,470 --> 01:04:58,559  
thunderbird sightings reports of these

1813  
01:05:02,390 --> 01:05:00,480

huge flying creatures and we had a

1814

01:05:04,470 --> 01:05:02,400

number of them last year i've been

1815

01:05:06,390 --> 01:05:04,480

investigating them for years and you

1816

01:05:08,069 --> 01:05:06,400

know i've talked to uh people who have

1817

01:05:09,990 --> 01:05:08,079

backgrounds and experience with

1818

01:05:12,390 --> 01:05:10,000

ornithology and the study of birds and

1819

01:05:14,549 --> 01:05:12,400

they these people saw some of these huge

1820

01:05:15,910 --> 01:05:14,559

flying we're talking wingspans from 10

1821

01:05:17,910 --> 01:05:15,920

to 20 feet

1822

01:05:19,990 --> 01:05:17,920

some of these sightings were in daylight

1823

01:05:22,230 --> 01:05:20,000

very low the ground and i had incidents

1824

01:05:24,630 --> 01:05:22,240

where they actually on the ground

1825

01:05:26,470 --> 01:05:24,640

blocking vehicles eating roadkill in

1826

01:05:28,309 --> 01:05:26,480

some cases they had the wings opened up

1827

01:05:30,549 --> 01:05:28,319

so they could see this huge massive

1828

01:05:31,829 --> 01:05:30,559

wingspan one case i looked into happened

1829

01:05:35,270 --> 01:05:31,839

in neighboring west virginia back

1830

01:05:37,349 --> 01:05:35,280

several years ago it was a two-lane road

1831

01:05:39,270 --> 01:05:37,359

and after the incident because the man

1832

01:05:41,029 --> 01:05:39,280

could see this thing flapping its wings

1833

01:05:43,349 --> 01:05:41,039

there was dust and dirt coming up to the

1834

01:05:45,670 --> 01:05:43,359

ends of the wingtips and as it took off

1835

01:05:47,349 --> 01:05:45,680

he looked at the spot very carefully he

1836

01:05:51,270 --> 01:05:47,359

came back the next day and measured it

1837

01:05:53,029 --> 01:05:51,280

it was 21 feet across

1838

01:05:55,190 --> 01:05:53,039

there's nothing that we know about that

1839

01:05:57,990 --> 01:05:55,200

size which is

1840

01:06:00,150 --> 01:05:58,000

not really bizarre and another another

1841

01:06:02,069 --> 01:06:00,160

anomalous creature that's really

1842

01:06:03,829 --> 01:06:02,079

interesting are reports continuous

1843

01:06:05,029 --> 01:06:03,839

reports of black panthers including this

1844

01:06:06,470 --> 01:06:05,039

year already

1845

01:06:08,630 --> 01:06:06,480

and you know when we think of black

1846

01:06:11,109 --> 01:06:08,640

panthers we think uh black leopards

1847

01:06:12,069 --> 01:06:11,119

black jaguars not common to this part of

1848

01:06:13,349 --> 01:06:12,079

the world

1849

01:06:15,029 --> 01:06:13,359

right but they've seen them here in

1850

01:06:16,630 --> 01:06:15,039

pennsylvania and many other parts of the

1851  
01:06:18,630 --> 01:06:16,640  
country for years and years where they

1852  
01:06:19,910 --> 01:06:18,640  
should not be but here's what's

1853  
01:06:22,549 --> 01:06:19,920  
interesting

1854  
01:06:25,510 --> 01:06:22,559  
something again i found years ago

1855  
01:06:28,390 --> 01:06:25,520  
in some cases especially in these areas

1856  
01:06:30,630 --> 01:06:28,400  
where this phenomena seems to focus on

1857  
01:06:32,870 --> 01:06:30,640  
target on particular geographical

1858  
01:06:34,230 --> 01:06:32,880  
locations we have the sometimes long

1859  
01:06:36,230 --> 01:06:34,240  
history of again

1860  
01:06:38,390 --> 01:06:36,240  
paranormal stuff you have the orbs of

1861  
01:06:40,069 --> 01:06:38,400  
light the balls of light you have ufos

1862  
01:06:42,150 --> 01:06:40,079  
you have

1863  
01:06:44,150 --> 01:06:42,160

screams and cries and footprints and

1864

01:06:45,750 --> 01:06:44,160

strange creatures being seen and ufo

1865

01:06:48,710 --> 01:06:45,760

phenomena going on

1866

01:06:50,630 --> 01:06:48,720

in some areas like that you sometimes

1867

01:06:52,150 --> 01:06:50,640

have more than one crypt so not just

1868

01:06:54,069 --> 01:06:52,160

bigfoot sightings

1869

01:06:55,829 --> 01:06:54,079

sometimes you got thunderbirds and then

1870

01:06:57,670 --> 01:06:55,839

you got these black panthers showing up

1871

01:06:59,270 --> 01:06:57,680

at about the same time

1872

01:07:01,990 --> 01:06:59,280

and there have been incidents over the

1873

01:07:04,710 --> 01:07:02,000

years not only in pa but other parts of

1874

01:07:07,029 --> 01:07:04,720

the country we have a bigfoot

1875

01:07:08,470 --> 01:07:07,039

side by side with another cryptid which

1876

01:07:09,910 --> 01:07:08,480

a lot of people never heard about this

1877

01:07:10,950 --> 01:07:09,920

before

1878

01:07:12,950 --> 01:07:10,960

and

1879

01:07:15,270 --> 01:07:12,960

i'm just telling you the more i know

1880

01:07:16,789 --> 01:07:15,280

about it the more bizarre it is and

1881

01:07:18,710 --> 01:07:16,799

again i'm not the only one because other

1882

01:07:20,150 --> 01:07:18,720

researchers around the country have been

1883

01:07:21,670 --> 01:07:20,160

finding more and more of the same type

1884

01:07:24,230 --> 01:07:21,680

of things going on

1885

01:07:25,510 --> 01:07:24,240

and one pattern i found years ago is

1886

01:07:26,829 --> 01:07:25,520

that

1887

01:07:30,309 --> 01:07:26,839

many

1888

01:07:32,150 --> 01:07:30,319

low-level close-range ufo sightings

1889

01:07:34,710 --> 01:07:32,160

and many encounters with bigfoot and

1890

01:07:37,349 --> 01:07:34,720

other cryptids other unusual creatures

1891

01:07:38,390 --> 01:07:37,359

calmly occur in the vicinity of energy

1892

01:07:40,950 --> 01:07:38,400

sources

1893

01:07:43,190 --> 01:07:40,960

so you have many incidents around

1894

01:07:45,910 --> 01:07:43,200

high tension power lines

1895

01:07:47,670 --> 01:07:45,920

uh power plants uh railroad tracks

1896

01:07:49,029 --> 01:07:47,680

bodies of water

1897

01:07:51,829 --> 01:07:49,039

uh radio

1898

01:07:53,750 --> 01:07:51,839

and cell phone communication towers

1899

01:07:55,750 --> 01:07:53,760

uh gas wells gas lines i may have

1900

01:07:57,349 --> 01:07:55,760

mentioned that there's no doubt in my

1901

01:07:59,109 --> 01:07:57,359

mind that whatever we're dealing with

1902

01:08:01,910 --> 01:07:59,119

there's some type of energy connection

1903

01:08:03,750 --> 01:08:01,920

to to whatever it is

1904

01:08:06,470 --> 01:08:03,760

right there was a question that came up

1905

01:08:08,230 --> 01:08:06,480

a while back here i saw and asking

1906

01:08:09,349 --> 01:08:08,240

basically that question

1907

01:08:11,109 --> 01:08:09,359

what do you think it is about

1908

01:08:13,349 --> 01:08:11,119

pennsylvania that attracts these kinds

1909

01:08:15,829 --> 01:08:13,359

of things um but you're you're talking

1910

01:08:18,630 --> 01:08:15,839

about these are man-made things is what

1911

01:08:20,070 --> 01:08:18,640

you're talking about mostly right

1912

01:08:21,189 --> 01:08:20,080

now what i'm saying is there's some

1913

01:08:23,990 --> 01:08:21,199

connection

1914

01:08:25,829 --> 01:08:24,000

between the sightings of low-level ufos

1915

01:08:28,390 --> 01:08:25,839

and these creatures and they seem to be

1916

01:08:31,829 --> 01:08:28,400

attracted to the the man-made energy

1917

01:08:36,950 --> 01:08:34,309

right i got it and so when you're when

1918

01:08:39,829 --> 01:08:36,960

you're citing these uh cases

1919

01:08:41,910 --> 01:08:39,839

um do you do when you go into your book

1920

01:08:44,149 --> 01:08:41,920

do you have more specific

1921

01:08:47,030 --> 01:08:44,159

uh things like for the date and the

1922

01:08:49,510 --> 01:08:47,040

places where things happen

1923

01:08:52,149 --> 01:08:49,520

oh yeah it goes in that there's dates

1924

01:08:53,749 --> 01:08:52,159

there's uh you know i don't give exact

1925

01:08:55,510 --> 01:08:53,759

locations because a lot of these things

1926

01:08:57,990 --> 01:08:55,520

are on private property

1927

01:08:59,669 --> 01:08:58,000

and of course witnesses 99 of them don't

1928

01:09:00,789 --> 01:08:59,679

want their names used

1929

01:09:02,390 --> 01:09:00,799

um

1930

01:09:04,390 --> 01:09:02,400

again i understand that because you know

1931

01:09:05,910 --> 01:09:04,400

i i get calls from people who see these

1932

01:09:07,910 --> 01:09:05,920

things all the time current reports and

1933

01:09:10,149 --> 01:09:07,920

past reports and we didn't even talk

1934

01:09:12,870 --> 01:09:10,159

about some of the more recent sightings

1935

01:09:14,630 --> 01:09:12,880

and uh this stuff is just going on on

1936

01:09:17,030 --> 01:09:14,640

and on you know when we're talking about

1937

01:09:19,669 --> 01:09:17,040

the ufo mystery it's not something that

1938

01:09:21,990 --> 01:09:19,679

happens on a rare occasion i mean i deal

1939

01:09:23,910 --> 01:09:22,000

with these cases every year all year

1940

01:09:25,990 --> 01:09:23,920

round and all type of weather conditions

1941

01:09:28,550 --> 01:09:26,000

daytime as well as at night and if you

1942

01:09:29,990 --> 01:09:28,560

go back on my website and take a look

1943

01:09:31,269 --> 01:09:30,000

there's a lot of information on an

1944

01:09:33,269 --> 01:09:31,279

incident have happened the last several

1945

01:09:36,709 --> 01:09:33,279

years and i can tell you even during the

1946

01:09:39,030 --> 01:09:36,719

pandemic it's i am really surprised

1947

01:09:41,030 --> 01:09:39,040

from the reports have been coming in

1948

01:09:45,590 --> 01:09:41,040

from going back from the time of it even

1949

01:09:47,590 --> 01:09:45,600

prior to the pandemic 2017 2018 2019

1950

01:09:51,189 --> 01:09:47,600

2019 was very active

1951

01:09:53,590 --> 01:09:51,199

20 20 21 last year was steady reports

1952

01:09:55,350 --> 01:09:53,600

coming in a lot of elongated

1953

01:09:57,910 --> 01:09:55,360

cigar-shaped objects even daylight

1954

01:10:00,070 --> 01:09:57,920

reports triangular objects

1955

01:10:02,070 --> 01:10:00,080

low-level reports coming in cryptid

1956

01:10:05,669 --> 01:10:02,080

reports coming in but here's what's

1957

01:10:07,830 --> 01:10:05,679

really fascinating you know generally

1958

01:10:10,229 --> 01:10:07,840

in the fall or winter months every year

1959

01:10:12,310 --> 01:10:10,239

because of the weather changes and all

1960

01:10:14,310 --> 01:10:12,320

reports begin to slow down

1961

01:10:18,310 --> 01:10:14,320

but for whatever reason

1962

01:10:21,669 --> 01:10:18,320

last year 2021 starting in october

1963

01:10:23,990 --> 01:10:21,679

and uh continuing right actually up to

1964

01:10:26,550 --> 01:10:24,000

the last couple weeks

1965

01:10:28,870 --> 01:10:26,560

it's been non-stop reports coming in so

1966

01:10:31,830 --> 01:10:28,880

even this year i mean january february

1967

01:10:33,669 --> 01:10:31,840

march it's been real busy with repo and

1968

01:10:35,990 --> 01:10:33,679

again what's really intriguing is it's

1969

01:10:38,550 --> 01:10:36,000

not just lights in the sky and objects

1970

01:10:40,390 --> 01:10:38,560

making strange movements in the sky but

1971

01:10:42,149 --> 01:10:40,400

some of these are low-level incidents

1972

01:10:44,630 --> 01:10:42,159

which i can give you examples of some of

1973

01:10:46,870 --> 01:10:44,640

these cases that are being reported from

1974

01:10:48,950 --> 01:10:46,880

different areas and again this is not

1975

01:10:50,950 --> 01:10:48,960

making the news because the majority of

1976

01:10:53,350 --> 01:10:50,960

people are not calling into the news

1977

01:10:54,790 --> 01:10:53,360

media and reporting these things

1978

01:10:56,950 --> 01:10:54,800

but i'm getting reports other

1979

01:10:58,709 --> 01:10:56,960

researchers getting reports

1980

01:11:00,149 --> 01:10:58,719

and from what i'm

1981

01:11:02,709 --> 01:11:00,159

being in touch with other researchers

1982

01:11:04,149 --> 01:11:02,719

i'm hearing even in other states over

1983

01:11:06,709 --> 01:11:04,159

the last few months there seems to be

1984

01:11:08,550 --> 01:11:06,719

some activity going on but i don't know

1985

01:11:10,229 --> 01:11:08,560

why it's happening but this is what's

1986

01:11:11,910 --> 01:11:10,239

going on

1987

01:11:14,630 --> 01:11:11,920

right yeah let's get into some of those

1988

01:11:15,669 --> 01:11:14,640

cases uh i'd like to hear more details

1989

01:11:17,590 --> 01:11:15,679

about them

1990

01:11:20,149 --> 01:11:17,600

if i could all right i'm just gonna i'm

1991

01:11:20,870 --> 01:11:20,159

just gonna give you some examples here

1992

01:11:23,189 --> 01:11:20,880

so

1993

01:11:25,270 --> 01:11:23,199

october of last year

1994

01:11:26,870 --> 01:11:25,280

um this would be around the again

1995

01:11:28,070 --> 01:11:26,880

armstrong county area outside of

1996

01:11:31,110 --> 01:11:28,080

pittsburgh

1997

01:11:32,790 --> 01:11:31,120

uh in the evening a very large wingless

1998

01:11:34,310 --> 01:11:32,800

object with red lights along the bottom

1999

01:11:36,630 --> 01:11:34,320

non-flashing

2000

01:11:38,229 --> 01:11:36,640

uh the only sound was just this large

2001  
01:11:41,110 --> 01:11:38,239  
object moving through the air there was

2002  
01:11:43,750 --> 01:11:41,120  
no motor sound there were six smaller or

2003  
01:11:45,510 --> 01:11:43,760  
white objects following the larger

2004  
01:11:47,990 --> 01:11:45,520  
object and then these lights began the

2005  
01:11:49,030 --> 01:11:48,000  
circle of this very large object

2006  
01:11:50,870 --> 01:11:49,040  
and

2007  
01:11:52,470 --> 01:11:50,880  
they moved ahead of the large object

2008  
01:11:54,229 --> 01:11:52,480  
continue off in the distance and then

2009  
01:11:56,229 --> 01:11:54,239  
the large object continued out over the

2010  
01:11:58,229 --> 01:11:56,239  
trees and was gone

2011  
01:12:01,990 --> 01:11:58,239  
in mid-october

2012  
01:12:04,390 --> 01:12:02,000  
this was a major highway around 119

2013  
01:12:07,189 --> 01:12:04,400

near scott delmal pleasant exit

2014

01:12:08,870 --> 01:12:07,199

man contact a very reputable person

2015

01:12:10,630 --> 01:12:08,880

stays riding in his car and all of a

2016

01:12:12,390 --> 01:12:10,640

sudden several cars in front of them all

2017

01:12:14,229 --> 01:12:12,400

hit their brakes at the same time and he

2018

01:12:15,669 --> 01:12:14,239

happens to look up apparently they're

2019

01:12:18,390 --> 01:12:15,679

all seeing the same thing he said it was

2020

01:12:19,669 --> 01:12:18,400

very cloudy and overcast at the time

2021

01:12:24,709 --> 01:12:19,679

and

2022

01:12:25,669 --> 01:12:24,719

gray cloud though that was lighter in

2023

01:12:28,070 --> 01:12:25,679

color

2024

01:12:29,830 --> 01:12:28,080

it was very low in the sky

2025

01:12:32,149 --> 01:12:29,840

and it looked to be the size of a school

2026

01:12:35,030 --> 01:12:32,159

bus but what caused everybody to slow

2027

01:12:36,709 --> 01:12:35,040

down was this strange cloud is making

2028

01:12:38,790 --> 01:12:36,719

these erratic movements right in the

2029

01:12:40,310 --> 01:12:38,800

left up and down in the sky they were

2030

01:12:42,709 --> 01:12:40,320

very easily discernible he said it was

2031

01:12:44,950 --> 01:12:42,719

like similar to a school of fish

2032

01:12:46,550 --> 01:12:44,960

following a lead fish around

2033

01:12:48,709 --> 01:12:46,560

and he watched this thing for about 10

2034

01:12:50,229 --> 01:12:48,719

to 15 seconds and he was he was trying

2035

01:12:52,310 --> 01:12:50,239

to get a cell phone out to get a picture

2036

01:12:54,709 --> 01:12:52,320

of it he was just about to pass

2037

01:12:56,790 --> 01:12:54,719

underneath an overpass it was beginning

2038

01:12:58,709 --> 01:12:56,800

to fade away when he came out of it

2039

01:13:01,030 --> 01:12:58,719

seconds later it was gone

2040

01:13:02,709 --> 01:13:01,040

here's another report from october so

2041

01:13:04,790 --> 01:13:02,719

this was north of pittsburgh butler

2042

01:13:06,550 --> 01:13:04,800

county here's one of these interesting

2043

01:13:09,189 --> 01:13:06,560

cases

2044

01:13:11,430 --> 01:13:09,199

this came in from dan hagner of the boru

2045

01:13:13,350 --> 01:13:11,440

research group on that area this was up

2046

01:13:14,950 --> 01:13:13,360

near a town called meridian

2047

01:13:17,990 --> 01:13:14,960

he said

2048

01:13:19,990 --> 01:13:18,000

a witness that evening reported seeing

2049

01:13:21,669 --> 01:13:20,000

some movement in the bushes near the

2050

01:13:23,430 --> 01:13:21,679

road around dusk

2051  
01:13:25,350 --> 01:13:23,440  
a large hair covered creature about

2052  
01:13:27,669 --> 01:13:25,360  
seven feet tall walking upright moving

2053  
01:13:29,350 --> 01:13:27,679  
fast moved to the right was hairy muddy

2054  
01:13:31,990 --> 01:13:29,360  
and had matted hair

2055  
01:13:34,149 --> 01:13:32,000  
but within hour within the hour in the

2056  
01:13:38,550 --> 01:13:34,159  
same general area other witnesses were

2057  
01:13:40,470 --> 01:13:38,560  
reporting a very large triangular object

2058  
01:13:43,430 --> 01:13:40,480  
about a hundred feet off the ground

2059  
01:13:45,350 --> 01:13:43,440  
about the size of three buses hovering

2060  
01:13:47,030 --> 01:13:45,360  
and he said the object had lights in

2061  
01:13:50,310 --> 01:13:47,040  
each corner and the object was

2062  
01:13:52,390 --> 01:13:50,320  
completely silent and witnesses reported

2063  
01:13:54,630 --> 01:13:52,400

feeling a static electric charge while

2064

01:13:56,709 --> 01:13:54,640

in the vicinity of the object and that's

2065

01:14:00,310 --> 01:13:56,719

really interesting because

2066

01:14:02,630 --> 01:14:00,320

i had two other reports within weeks of

2067

01:14:04,229 --> 01:14:02,640

different areas of people reporting

2068

01:14:08,630 --> 01:14:04,239

being close to

2069

01:14:10,790 --> 01:14:08,640

a ufo and have feeling the static charge

2070

01:14:12,229 --> 01:14:10,800

that's interesting anyhow i'm just going

2071

01:14:14,070 --> 01:14:12,239

down some of the different reports

2072

01:14:16,709 --> 01:14:14,080

coming in here's another one very

2073

01:14:19,189 --> 01:14:16,719

interesting report this was mid-november

2074

01:14:21,189 --> 01:14:19,199

last year this is uh

2075

01:14:23,750 --> 01:14:21,199

along the chestnut ridge up in fayette

2076

01:14:26,470 --> 01:14:23,760

county in the afternoon persons riding

2077

01:14:28,870 --> 01:14:26,480

down the road sees this object

2078

01:14:30,870 --> 01:14:28,880

quite low to the ground three lights and

2079

01:14:33,270 --> 01:14:30,880

around the triangular configuration

2080

01:14:35,750 --> 01:14:33,280

looked similar to a guitar picking shape

2081

01:14:37,910 --> 01:14:35,760

said it looked like a purp um

2082

01:14:40,070 --> 01:14:37,920

it was it was kind of a rounded

2083

01:14:41,990 --> 01:14:40,080

triangular configuration

2084

01:14:44,149 --> 01:14:42,000

and the lights perfectly circular were

2085

01:14:46,470 --> 01:14:44,159

non-blinking orange yellow in color

2086

01:14:49,350 --> 01:14:46,480

about the size of a dinner plate as this

2087

01:14:52,070 --> 01:14:49,360

person got closer the silent object was

2088

01:14:54,310 --> 01:14:52,080

to her left and she had to pass below

2089

01:14:55,750 --> 01:14:54,320

section of it it was only about 30 feet

2090

01:14:58,149 --> 01:14:55,760

above the ground

2091

01:15:00,070 --> 01:14:58,159

and she said this thing was not that big

2092

01:15:02,790 --> 01:15:00,080

it was only about 10 feet long about six

2093

01:15:04,709 --> 01:15:02,800

feet wide got a real good look at it

2094

01:15:06,709 --> 01:15:04,719

happened to have her her dog in the

2095

01:15:08,709 --> 01:15:06,719

vehicle and the dog was moving his head

2096

01:15:10,950 --> 01:15:08,719

around looking right at him and this

2097

01:15:13,110 --> 01:15:10,960

person is touching a dog to comfort it

2098

01:15:15,350 --> 01:15:13,120

and as she touched the dog she got a

2099

01:15:16,630 --> 01:15:15,360

static charge from touching the dog

2100

01:15:18,709 --> 01:15:16,640

while the object's there which he

2101

01:15:20,550 --> 01:15:18,719

generally never did so that was

2102

01:15:21,830 --> 01:15:20,560

interesting other reports around

2103

01:15:22,790 --> 01:15:21,840

pittsburgh

2104

01:15:23,910 --> 01:15:22,800

um

2105

01:15:25,350 --> 01:15:23,920

i'm just going through some of these

2106

01:15:27,830 --> 01:15:25,360

other reports here

2107

01:15:30,550 --> 01:15:27,840

uh in in january at the end of this year

2108

01:15:32,390 --> 01:15:30,560

so this is outside of latrobe a death

2109

01:15:35,189 --> 01:15:32,400

again it's close to that section the

2110

01:15:36,550 --> 01:15:35,199

chestnut ridge which is a it's a

2111

01:15:38,790 --> 01:15:36,560

mountain range it goes through

2112

01:15:41,510 --> 01:15:38,800

westmoreland indiana county and

2113

01:15:43,350 --> 01:15:41,520

southwest pa and extends down into near

2114

01:15:45,590 --> 01:15:43,360

morgantown west virginia

2115

01:15:47,350 --> 01:15:45,600

and it's a hotbed for sightings it's

2116

01:15:48,310 --> 01:15:47,360

it's long it's about 100 miles long

2117

01:15:49,990 --> 01:15:48,320

almost

2118

01:15:51,590 --> 01:15:50,000

and but there's certain areas especially

2119

01:15:53,990 --> 01:15:51,600

along the westmoreland county side up in

2120

01:15:55,430 --> 01:15:54,000

this area where we get reports year

2121

01:15:57,750 --> 01:15:55,440

after year of all kinds of strange

2122

01:16:00,310 --> 01:15:57,760

things going on and i've spent many

2123

01:16:03,350 --> 01:16:00,320

years many nights during the years in

2124

01:16:06,630 --> 01:16:03,360

the past with my teams up there but

2125

01:16:09,030 --> 01:16:06,640

i only saw evidence i never saw anything

2126  
01:16:11,030 --> 01:16:09,040  
and so anyhow on this case this is early

2127  
01:16:12,870 --> 01:16:11,040  
morning hours this is around 4 40 in the

2128  
01:16:14,550 --> 01:16:12,880  
morning person goes outside i think they

2129  
01:16:17,030 --> 01:16:14,560  
get a newspaper

2130  
01:16:19,110 --> 01:16:17,040  
notices these uh two-way and two-wave

2131  
01:16:21,189 --> 01:16:19,120  
lights and a red light

2132  
01:16:23,350 --> 01:16:21,199  
sees an object that can't really discern

2133  
01:16:25,350 --> 01:16:23,360  
the shape but then all of a sudden the

2134  
01:16:27,350 --> 01:16:25,360  
multiple lights come on the underside of

2135  
01:16:29,669 --> 01:16:27,360  
the object it looked like a circuit

2136  
01:16:31,750 --> 01:16:29,679  
board with numerous lights look like

2137  
01:16:33,830 --> 01:16:31,760  
something like solid pipes connected to

2138  
01:16:37,270 --> 01:16:33,840

some of them the object was making a low

2139

01:16:40,149 --> 01:16:37,280

humming sound was very low about 70 feet

2140

01:16:41,910 --> 01:16:40,159

high it was between her yard and the

2141

01:16:42,950 --> 01:16:41,920

neighbor's yard

2142

01:16:45,510 --> 01:16:42,960

and

2143

01:16:48,790 --> 01:16:45,520

again there were numerous white lights

2144

01:16:52,070 --> 01:16:48,800

something connected to them and the sh

2145

01:16:53,910 --> 01:16:52,080

the object was about let me see here

2146

01:16:55,270 --> 01:16:53,920

that's let's see the shape of the object

2147

01:16:57,910 --> 01:16:55,280

was not there but the panel section

2148

01:16:59,669 --> 01:16:57,920

looked about seven eight feet in length

2149

01:17:01,590 --> 01:16:59,679

and then interestingly and i don't have

2150

01:17:03,750 --> 01:17:01,600

this report in front of me right now but

2151  
01:17:05,510 --> 01:17:03,760  
i've got another report weeks later a

2152  
01:17:07,350 --> 01:17:05,520  
few miles away i think it was about an

2153  
01:17:09,350 --> 01:17:07,360  
hour later out in derry again right

2154  
01:17:10,790 --> 01:17:09,360  
around the base of the ridge

2155  
01:17:12,790 --> 01:17:10,800  
and they reported

2156  
01:17:15,110 --> 01:17:12,800  
strange sound and strange lights over

2157  
01:17:16,630 --> 01:17:15,120  
top of their field so it's within miles

2158  
01:17:17,750 --> 01:17:16,640  
of the same area

2159  
01:17:19,830 --> 01:17:17,760  
um

2160  
01:17:21,590 --> 01:17:19,840  
now here's a real interesting report

2161  
01:17:23,830 --> 01:17:21,600  
january and this just gives you an

2162  
01:17:26,310 --> 01:17:23,840  
example of what i deal with sometimes so

2163  
01:17:29,030 --> 01:17:26,320

here's january of this year

2164

01:17:30,630 --> 01:17:29,040

so this is um again we have reports all

2165

01:17:32,790 --> 01:17:30,640

over the counties all through southwest

2166

01:17:34,950 --> 01:17:32,800

pa in other areas too a lot of this was

2167

01:17:37,510 --> 01:17:34,960

a southwest pennsylvania so early

2168

01:17:40,470 --> 01:17:37,520

morning early january

2169

01:17:43,430 --> 01:17:40,480

we had a very long deep freeze going on

2170

01:17:45,270 --> 01:17:43,440

a lot of sub uh subzero temperatures

2171

01:17:46,870 --> 01:17:45,280

people were having their pipes break

2172

01:17:49,030 --> 01:17:46,880

from the uh from the freezing

2173

01:17:51,910 --> 01:17:49,040

temperatures and this fella was very

2174

01:17:54,149 --> 01:17:51,920

concerned that his water line was going

2175

01:17:57,030 --> 01:17:54,159

to be freezing up so early morning after

2176

01:18:00,070 --> 01:17:57,040

three in the morning he's underneath his

2177

01:18:01,030 --> 01:18:00,080

his home in a crawl space he's is partly

2178

01:18:03,669 --> 01:18:01,040

in it

2179

01:18:05,189 --> 01:18:03,679

and he hears a strange humming clicking

2180

01:18:07,189 --> 01:18:05,199

sound behind him but he can't see where

2181

01:18:09,110 --> 01:18:07,199

it's coming from the next day his

2182

01:18:10,630 --> 01:18:09,120

neighbor calls him

2183

01:18:12,310 --> 01:18:10,640

and he knew nothing about his neighbor

2184

01:18:14,070 --> 01:18:12,320

being out there underneath the crawl

2185

01:18:16,229 --> 01:18:14,080

space he said i want to talk about

2186

01:18:18,790 --> 01:18:16,239

something really strange i saw over top

2187

01:18:20,390 --> 01:18:18,800

of my barn and this was during the same

2188

01:18:23,030 --> 01:18:20,400

time period apparently the guy was

2189

01:18:25,430 --> 01:18:23,040

underneath his house and he said

2190

01:18:26,709 --> 01:18:25,440

let awake me was something was upsetting

2191

01:18:30,709 --> 01:18:26,719

the horses

2192

01:18:31,830 --> 01:18:30,719

up and he starts walking towards the

2193

01:18:33,990 --> 01:18:31,840

barn

2194

01:18:36,149 --> 01:18:34,000

and he says as he's getting close to the

2195

01:18:38,149 --> 01:18:36,159

barn he gets i think about 150 feet away

2196

01:18:40,709 --> 01:18:38,159

from the barn this goes closer these

2197

01:18:42,149 --> 01:18:40,719

lights suddenly appear about about 20

2198

01:18:43,910 --> 01:18:42,159

feet over the barn

2199

01:18:45,189 --> 01:18:43,920

and they are and then he sees this

2200

01:18:47,110 --> 01:18:45,199

object

2201

01:18:50,630 --> 01:18:47,120

that he said kind of a teardrop shape

2202

01:18:52,870 --> 01:18:50,640

object about 65 to 70 feet warm smooth

2203

01:18:55,110 --> 01:18:52,880

silver a metallic looks similar to

2204

01:18:57,510 --> 01:18:55,120

stainless or galvanized steel it was

2205

01:18:59,430 --> 01:18:57,520

solid and smooth the object emitted a

2206

01:19:01,270 --> 01:18:59,440

humming buzzing noise there were

2207

01:19:03,430 --> 01:19:01,280

numerous lights across the surface a

2208

01:19:05,590 --> 01:19:03,440

look around approximately eight rows of

2209

01:19:08,790 --> 01:19:05,600

20-30 lights that would change from a

2210

01:19:10,149 --> 01:19:08,800

red to blue and then back to uh red

2211

01:19:11,669 --> 01:19:10,159

and he said he watched this thing hover

2212

01:19:13,669 --> 01:19:11,679

for about five minutes and he didn't

2213

01:19:15,430 --> 01:19:13,679

have his camera with him and he said he

2214

01:19:17,669 --> 01:19:15,440

watched the light suddenly the lights

2215

01:19:20,630 --> 01:19:17,679

went out everything went dark and the

2216

01:19:22,310 --> 01:19:20,640

object just disappeared it never he

2217

01:19:24,470 --> 01:19:22,320

never saw it leaving the area it was

2218

01:19:26,790 --> 01:19:24,480

just gone and moments later all the

2219

01:19:29,270 --> 01:19:26,800

horses went back to normal behavior but

2220

01:19:30,790 --> 01:19:29,280

that's not the end of it so then another

2221

01:19:32,709 --> 01:19:30,800

report comes in

2222

01:19:35,110 --> 01:19:32,719

um when my research says because jim

2223

01:19:36,709 --> 01:19:35,120

brown investigated this same morning

2224

01:19:39,430 --> 01:19:36,719

this now is about seven o'clock in the

2225

01:19:41,189 --> 01:19:39,440

morning on the pa west virginia border

2226

01:19:43,750 --> 01:19:41,199

and uh

2227

01:19:46,550 --> 01:19:43,760

this person's outside early i think

2228

01:19:48,070 --> 01:19:46,560

taking trash out and notices this object

2229

01:19:49,590 --> 01:19:48,080

it's kind of hard to explain it's kind

2230

01:19:51,590 --> 01:19:49,600

of elongated

2231

01:19:53,030 --> 01:19:51,600

dark center with a light in it and

2232

01:19:54,149 --> 01:19:53,040

apparently it's fairly low off the

2233

01:19:55,030 --> 01:19:54,159

ground

2234

01:19:56,790 --> 01:19:55,040

and

2235

01:19:58,149 --> 01:19:56,800

does not have a phone but she thinks i

2236

01:19:59,990 --> 01:19:58,159

want to get a picture of this thing so

2237

01:20:02,550 --> 01:20:00,000

she runs in her house and when she

2238

01:20:04,790 --> 01:20:02,560

touches the door handle guess what she

2239

01:20:07,430 --> 01:20:04,800

gets a static charge which she normally

2240

01:20:09,430 --> 01:20:07,440

never does so she runs in grabs her

2241

01:20:11,750 --> 01:20:09,440

phone touches the door again gets

2242

01:20:13,590 --> 01:20:11,760

another static charge she goes back out

2243

01:20:15,669 --> 01:20:13,600

the object's gone

2244

01:20:18,470 --> 01:20:15,679

so jim who's a real high-tech guy has

2245

01:20:20,790 --> 01:20:18,480

some very high-tech instrumentation got

2246

01:20:22,470 --> 01:20:20,800

there i think within an hour or two

2247

01:20:24,870 --> 01:20:22,480

and uh the lady by the way called her

2248

01:20:27,110 --> 01:20:24,880

neighbor to come over and she also got a

2249

01:20:28,709 --> 01:20:27,120

static charge so here were three cases

2250

01:20:31,669 --> 01:20:28,719

within weeks of this type of thing

2251  
01:20:33,830 --> 01:20:31,679  
happening and then to add to the mystery

2252  
01:20:35,510 --> 01:20:33,840  
the same morning

2253  
01:20:38,470 --> 01:20:35,520  
and i'm not sure if i have it in this

2254  
01:20:39,910 --> 01:20:38,480  
file or not the same morning

2255  
01:20:41,510 --> 01:20:39,920  
hold on a second i'm going to try to

2256  
01:20:43,750 --> 01:20:41,520  
switch and see if i can find this report

2257  
01:20:45,510 --> 01:20:43,760  
i have pages and pages reports just from

2258  
01:20:48,390 --> 01:20:45,520  
this year already which is just pretty

2259  
01:20:49,750 --> 01:20:48,400  
amazing so we're looking january 15th

2260  
01:20:50,790 --> 01:20:49,760  
and

2261  
01:20:52,310 --> 01:20:50,800  
at

2262  
01:20:54,550 --> 01:20:52,320  
a little after nine o'clock in the

2263  
01:20:57,030 --> 01:20:54,560

morning from cambria county so another

2264

01:20:58,950 --> 01:20:57,040

county of you know distance away

2265

01:21:01,350 --> 01:20:58,960

people in daylight see guess what they

2266

01:21:03,750 --> 01:21:01,360

see they see a black panther

2267

01:21:05,510 --> 01:21:03,760

in the daylight very close range they

2268

01:21:07,189 --> 01:21:05,520

did get a picture of it it's not real

2269

01:21:07,990 --> 01:21:07,199

clear but you can see the back section

2270

01:21:09,110 --> 01:21:08,000

of it

2271

01:21:11,750 --> 01:21:09,120

and

2272

01:21:13,430 --> 01:21:11,760

so now you have three really interesting

2273

01:21:15,350 --> 01:21:13,440

new uh cases

2274

01:21:17,510 --> 01:21:15,360

on that day and then you have this uh

2275

01:21:20,070 --> 01:21:17,520

black panther sighting too that's just

2276

01:21:22,229 --> 01:21:20,080

an example what i deal with pretty often

2277

01:21:26,470 --> 01:21:22,239

on the same day

2278

01:21:31,510 --> 01:21:29,510

yeah uh i i have heard people talk about

2279

01:21:32,870 --> 01:21:31,520

a black panther in america you know i

2280

01:21:34,229 --> 01:21:32,880

mean

2281

01:21:36,070 --> 01:21:34,239

which is

2282

01:21:38,870 --> 01:21:36,080

but again it's kind of like

2283

01:21:40,709 --> 01:21:38,880

bigfoot nobody's ever caught one as far

2284

01:21:43,189 --> 01:21:40,719

as i know and you would think that they

2285

01:21:46,310 --> 01:21:43,199

would find remains or something

2286

01:21:49,350 --> 01:21:46,320

um if if they're wandering or you know

2287

01:21:51,990 --> 01:21:49,360

if they're breeding yeah you know they

2288

01:21:53,830 --> 01:21:52,000

bizarre stuff i i love all this i'm

2289

01:21:55,910 --> 01:21:53,840

going to try to uh

2290

01:21:58,470 --> 01:21:55,920

uh there was a let me see there was

2291

01:22:00,390 --> 01:21:58,480

another question up here uh someone want

2292

01:22:04,870 --> 01:22:00,400

to know if there's any bigfoot sightings

2293

01:22:05,669 --> 01:22:04,880

in sarver or lancaster pa

2294

01:22:07,350 --> 01:22:05,679

oh

2295

01:22:09,270 --> 01:22:07,360

sorry if you're talking about sovereign

2296

01:22:11,590 --> 01:22:09,280

armstrong county

2297

01:22:13,990 --> 01:22:11,600

lots of activity even the last few years

2298

01:22:16,470 --> 01:22:14,000

i've written about some of these cases i

2299

01:22:18,390 --> 01:22:16,480

believe i have a several cases

2300

01:22:20,470 --> 01:22:18,400

of different cryptids from the closet

2301  
01:22:21,990 --> 01:22:20,480  
area in my new book actually but anyhow

2302  
01:22:24,390 --> 01:22:22,000  
armstrong county

2303  
01:22:25,510 --> 01:22:24,400  
very active with ufo sightings cryptid

2304  
01:22:28,070 --> 01:22:25,520  
reports

2305  
01:22:29,910 --> 01:22:28,080  
a lot of weird stuff all around there uh

2306  
01:22:32,310 --> 01:22:29,920  
and lancaster county has had incidents

2307  
01:22:34,229 --> 01:22:32,320  
going back to leaks of 70s during that

2308  
01:22:36,070 --> 01:22:34,239  
massive wave of ufo bigfoot sighting

2309  
01:22:37,990 --> 01:22:36,080  
there was incidents going on down around

2310  
01:22:40,310 --> 01:22:38,000  
lancaster county so in eastern pa as

2311  
01:22:42,310 --> 01:22:40,320  
well there is probably not an area in

2312  
01:22:44,229 --> 01:22:42,320  
pennsylvania that something unusual

2313  
01:22:47,270 --> 01:22:44,239

hasn't happened and some areas just have

2314

01:22:49,189 --> 01:22:47,280

a lot of active history some areas have

2315

01:22:50,310 --> 01:22:49,199

more activity than others

2316

01:22:53,750 --> 01:22:50,320

and

2317

01:22:55,750 --> 01:22:53,760

sightings all over the state there have

2318

01:22:57,750 --> 01:22:55,760

been incidents where um

2319

01:22:59,590 --> 01:22:57,760

i could tell you for example in march of

2320

01:23:01,350 --> 01:22:59,600

1983

2321

01:23:03,669 --> 01:23:01,360

see how my memory is doing here there

2322

01:23:06,070 --> 01:23:03,679

was a black panther panther incident in

2323

01:23:07,030 --> 01:23:06,080

a suburb of pittsburgh so a populated

2324

01:23:08,629 --> 01:23:07,040

area

2325

01:23:09,510 --> 01:23:08,639

and this actually made the news by the

2326

01:23:11,110 --> 01:23:09,520

way

2327

01:23:13,110 --> 01:23:11,120

and um

2328

01:23:16,550 --> 01:23:13,120

my team investigated it

2329

01:23:18,229 --> 01:23:16,560

uh this was a large auto dealership

2330

01:23:19,750 --> 01:23:18,239

right near the edge of the big woods was

2331

01:23:21,910 --> 01:23:19,760

a big fence separating the woods from

2332

01:23:23,830 --> 01:23:21,920

the dealership and mechanics putting a

2333

01:23:25,910 --> 01:23:23,840

headlight on the car that morning and

2334

01:23:27,830 --> 01:23:25,920

this huge black panther

2335

01:23:29,750 --> 01:23:27,840

with a dead animal in his mouth dives

2336

01:23:31,030 --> 01:23:29,760

over the car lands a few feet away from

2337

01:23:32,950 --> 01:23:31,040

the mechanic

2338

01:23:35,270 --> 01:23:32,960

i mean it's so close he could smell it

2339

01:23:37,110 --> 01:23:35,280

he can hear it breathing and it turns

2340

01:23:38,310 --> 01:23:37,120

around and jumps back over the car back

2341

01:23:40,229 --> 01:23:38,320

into the woods

2342

01:23:42,790 --> 01:23:40,239

so other people see it there's a big one

2343

01:23:43,990 --> 01:23:42,800

and a small one that led to a big search

2344

01:23:45,669 --> 01:23:44,000

by

2345

01:23:47,910 --> 01:23:45,679

the pittsburgh police

2346

01:23:49,750 --> 01:23:47,920

animal protectors with tranquilizer guns

2347

01:23:51,590 --> 01:23:49,760

they searched and searched they never

2348

01:23:54,310 --> 01:23:51,600

found it there's nothing missing from

2349

01:23:56,229 --> 01:23:54,320

any zoo or any animal uh place around

2350

01:23:58,470 --> 01:23:56,239

the area and it's another one these

2351

01:24:00,870 --> 01:23:58,480

mysteries but what about what about

2352

01:24:03,189 --> 01:24:00,880

footprints

2353

01:24:04,950 --> 01:24:03,199

i believe they found some but not enough

2354

01:24:06,950 --> 01:24:04,960

to track if i remember i in fact i had

2355

01:24:08,550 --> 01:24:06,960

one of my guys was a professional

2356

01:24:10,870 --> 01:24:08,560

tracker my research group now he didn't

2357

01:24:12,870 --> 01:24:10,880

get out there till later but he didn't

2358

01:24:14,790 --> 01:24:12,880

find a path i think for a short distance

2359

01:24:17,350 --> 01:24:14,800

but then that was it so i don't think

2360

01:24:19,030 --> 01:24:17,360

was that conclusive but here's the case

2361

01:24:20,470 --> 01:24:19,040

i'm going to tell you about that once

2362

01:24:21,990 --> 01:24:20,480

again i told you about some of the

2363

01:24:23,350 --> 01:24:22,000

strange elements with black pants

2364

01:24:26,550 --> 01:24:23,360

there's a bigfoot scene in the same

2365

01:24:28,709 --> 01:24:26,560

areas here's another similarity to some

2366

01:24:30,470 --> 01:24:28,719

of the bigfoot cases we talked about and

2367

01:24:32,709 --> 01:24:30,480

this was the case again

2368

01:24:34,390 --> 01:24:32,719

with a black panther that indicated

2369

01:24:36,070 --> 01:24:34,400

we're dealing with something again

2370

01:24:40,310 --> 01:24:36,080

that's very strange

2371

01:24:41,750 --> 01:24:40,320

so this is february of 1983.

2372

01:24:43,030 --> 01:24:41,760

fayette county around one o'clock in the

2373

01:24:45,910 --> 01:24:43,040

morning the star was coming home from a

2374

01:24:47,910 --> 01:24:45,920

friend's house his car's overheating

2375

01:24:49,510 --> 01:24:47,920

he pulls into his driveway

2376

01:24:52,390 --> 01:24:49,520

opens the garage and gets a can of

2377

01:24:54,310 --> 01:24:52,400

antifreeze he opens the hood and he

2378

01:24:56,070 --> 01:24:54,320

hears this growl

2379

01:24:57,510 --> 01:24:56,080

so he turns around the look and only

2380

01:24:59,189 --> 01:24:57,520

about about 20 feet away here's this

2381

01:25:00,629 --> 01:24:59,199

large black house cat sitting there

2382

01:25:02,070 --> 01:25:00,639

growling at him

2383

01:25:03,590 --> 01:25:02,080

he didn't think much of it because

2384

01:25:05,590 --> 01:25:03,600

there's a lot of cats around that rural

2385

01:25:08,229 --> 01:25:05,600

area he goes back to putting more

2386

01:25:10,709 --> 01:25:08,239

antifreeze in the car seconds later he

2387

01:25:13,110 --> 01:25:10,719

hears a second growl but this time the

2388

01:25:15,510 --> 01:25:13,120

ground is much deeper and much louder

2389

01:25:17,030 --> 01:25:15,520

than the first one he turns around the

2390

01:25:19,510 --> 01:25:17,040

look and now he can't believe what you

2391

01:25:21,750 --> 01:25:19,520

see him that large house cat has now

2392

01:25:22,790 --> 01:25:21,760

physically grown about another foot in

2393

01:25:24,870 --> 01:25:22,800

size

2394

01:25:27,350 --> 01:25:24,880

so he throws the empty antifreeze can

2395

01:25:29,590 --> 01:25:27,360

add and hits it it growls fiercely at

2396

01:25:31,189 --> 01:25:29,600

him and takes a few steps backwards and

2397

01:25:33,669 --> 01:25:31,199

growls again and starts moving up the

2398

01:25:35,590 --> 01:25:33,679

road outside which is well illuminated

2399

01:25:36,550 --> 01:25:35,600

he runs into his garage and grabs his

2400

01:25:38,709 --> 01:25:36,560

pistol

2401

01:25:41,830 --> 01:25:38,719

and when he comes out it's still out

2402

01:25:44,310 --> 01:25:41,840

there but he said now it has physically

2403

01:25:45,750 --> 01:25:44,320

grown that has it looks just like a

2404

01:25:48,390 --> 01:25:45,760

black panther like you would see in the

2405

01:25:50,550 --> 01:25:48,400

zoo and he has brilliant

2406

01:25:52,629 --> 01:25:50,560

yellow eyes staring at him he took a

2407

01:25:54,950 --> 01:25:52,639

shot at it he wasn't sure if he hit it

2408

01:25:56,310 --> 01:25:54,960

but seconds later it physically banished

2409

01:25:59,590 --> 01:25:56,320

and disappeared right in front of what

2410

01:26:03,830 --> 01:26:01,910

these are just just amazing uh

2411

01:26:05,750 --> 01:26:03,840

encounters and i know we're not touching

2412

01:26:09,030 --> 01:26:05,760

a whole lot on ufos in the shows about

2413

01:26:10,470 --> 01:26:09,040

ufos but um i i think

2414

01:26:13,030 --> 01:26:10,480

you know i mean there's just so much

2415

01:26:14,629 --> 01:26:13,040

activity going on it's almost like we

2416

01:26:17,189 --> 01:26:14,639

want to talk about the state of

2417

01:26:19,669 --> 01:26:17,199

pennsylvania but you know paranormal or

2418

01:26:22,790 --> 01:26:19,679

whatever this is doesn't really have any

2419

01:26:25,830 --> 01:26:22,800

boundaries so what about the states that

2420

01:26:28,310 --> 01:26:25,840

um connect new york i'm trying to think

2421

01:26:30,629 --> 01:26:28,320

of uh what's around you there the

2422

01:26:34,070 --> 01:26:30,639

estates that connect or do these things

2423

01:26:35,350 --> 01:26:34,080

trickle into those states as well

2424

01:26:38,550 --> 01:26:35,360

uh yes

2425

01:26:40,390 --> 01:26:38,560

uh ohio west virginia maryland

2426

01:26:41,669 --> 01:26:40,400

up to new york yeah all these areas

2427

01:26:43,270 --> 01:26:41,679

we're hearing reports and again there's

2428

01:26:45,430 --> 01:26:43,280

other researchers in those areas some of

2429

01:26:48,390 --> 01:26:45,440

which i'm in touch with and they're all

2430

01:26:49,669 --> 01:26:48,400

getting similar reports not the extent

2431

01:26:51,430 --> 01:26:49,679

that probably i'm getting here but you

2432

01:26:52,870 --> 01:26:51,440

got to remember now

2433

01:26:55,189 --> 01:26:52,880

this was one the only place in the

2434

01:26:57,270 --> 01:26:55,199

country this is 1969

2435

01:26:59,189 --> 01:26:57,280

that my hotline has been open

2436

01:27:00,709 --> 01:26:59,199

it never stops ringing between email

2437

01:27:02,950 --> 01:27:00,719

reports and phone reports i'm always

2438

01:27:05,430 --> 01:27:02,960

getting current and past reports in

2439

01:27:07,110 --> 01:27:05,440

so this is a place and especially years

2440

01:27:08,870 --> 01:27:07,120

ago when i had my research groups for

2441

01:27:10,229 --> 01:27:08,880

years and years there was a place they

2442

01:27:13,030 --> 01:27:10,239

could report and it would be

2443

01:27:14,550 --> 01:27:13,040

investigated so most other states don't

2444

01:27:16,709 --> 01:27:14,560

have that but you have groups and

2445

01:27:19,750 --> 01:27:16,719

individual researchers they all get

2446

01:27:21,430 --> 01:27:19,760

reports we all get reports

2447

01:27:24,070 --> 01:27:21,440

this whatever we're dealing with but

2448

01:27:26,790 --> 01:27:24,080

ufos and these cryptic cases once again

2449

01:27:28,870 --> 01:27:26,800

it's not a rare thing these things go on

2450

01:27:31,030 --> 01:27:28,880

year after year we're all getting

2451

01:27:33,270 --> 01:27:31,040

reports we can't imagine how much of

2452

01:27:34,790 --> 01:27:33,280

this is going on we don't hear about

2453

01:27:36,790 --> 01:27:34,800

right well you know we have a place to

2454

01:27:39,350 --> 01:27:36,800

report ufos there's

2455

01:27:41,669 --> 01:27:39,360

like a mufon and uh

2456

01:27:44,790 --> 01:27:41,679

uh what am i trying to think of uh

2457

01:27:46,629 --> 01:27:44,800

new fork uh with peter davenport so

2458

01:27:48,870 --> 01:27:46,639

places to report ufos but where do

2459

01:27:51,750 --> 01:27:48,880

people report things that you're talking

2460

01:27:53,350 --> 01:27:51,760

about besides you

2461

01:27:55,510 --> 01:27:53,360

yeah and that's the whole thing a lot of

2462

01:27:57,590 --> 01:27:55,520

people are very reluctant you know to

2463

01:27:58,950 --> 01:27:57,600

call the police department

2464

01:28:01,030 --> 01:27:58,960

and even police officers i've

2465

01:28:03,669 --> 01:28:01,040

interviewed over the years many police

2466

01:28:04,550 --> 01:28:03,679

officers from many departments agencies

2467

01:28:06,629 --> 01:28:04,560

you know who have talked to me

2468

01:28:08,550 --> 01:28:06,639

confidentially about things they saw i

2469

01:28:10,229 --> 01:28:08,560

mean credible people you know you come

2470

01:28:12,310 --> 01:28:10,239

down to pew from all walks of life

2471

01:28:14,470 --> 01:28:12,320

school teachers engineers

2472

01:28:15,669 --> 01:28:14,480

uh pilots i've interviewed numerous

2473

01:28:17,590 --> 01:28:15,679

commercial

2474

01:28:19,350 --> 01:28:17,600

private uh corporate pilots who have

2475

01:28:20,790 --> 01:28:19,360

encountered these objects in the sky for

2476

01:28:23,990 --> 01:28:20,800

years and years

2477

01:28:26,790 --> 01:28:24,000

and uh this stuff is it's not a again

2478

01:28:28,629 --> 01:28:26,800

it's not a rare phenomenon it's ongoing

2479

01:28:30,229 --> 01:28:28,639

there's a lot of activity even like i

2480

01:28:31,189 --> 01:28:30,239

said in this year in recent weeks and

2481

01:28:32,390 --> 01:28:31,199

months

2482

01:28:37,270 --> 01:28:32,400

and

2483

01:28:38,070 --> 01:28:37,280

i don't have the answers

2484

01:28:39,510 --> 01:28:38,080

you know

2485

01:28:40,629 --> 01:28:39,520

over the years you saw different

2486

01:28:43,030 --> 01:28:40,639

patterns

2487

01:28:44,629 --> 01:28:43,040

but the more you knew about it the more

2488

01:28:45,910 --> 01:28:44,639

you began to wonder what was going on

2489

01:28:47,910 --> 01:28:45,920

and then you would have a case who came

2490

01:28:49,510 --> 01:28:47,920

in and just throw a loop into your

2491

01:28:52,470 --> 01:28:49,520

theory from years ago

2492

01:28:54,149 --> 01:28:52,480

but um i'm convinced more and more that

2493

01:28:55,750 --> 01:28:54,159

a lot of what we're dealing with again

2494

01:28:57,030 --> 01:28:55,760

it has a physical and non-physical

2495

01:28:58,790 --> 01:28:57,040

aspect to it

2496

01:28:59,910 --> 01:28:58,800

these things they come and they go they

2497

01:29:01,430 --> 01:28:59,920

hear and they're gone they can leave

2498

01:29:03,030 --> 01:29:01,440

evidence at times

2499

01:29:04,550 --> 01:29:03,040

but whatever we're dealing with i think

2500

01:29:06,390 --> 01:29:04,560

right now is well beyond our presence

2501

01:29:08,790 --> 01:29:06,400

scientific understanding

2502

01:29:10,550 --> 01:29:08,800

when you say non-physical what what

2503

01:29:12,629 --> 01:29:10,560

exactly do you mean

2504

01:29:14,390 --> 01:29:12,639

by that

2505

01:29:16,470 --> 01:29:14,400

well the fact that you've got a creature

2506

01:29:18,870 --> 01:29:16,480

like a bigfoot that looks physically

2507

01:29:20,790 --> 01:29:18,880

solid can leave evidence at times and

2508

01:29:22,709 --> 01:29:20,800

then it's gone

2509

01:29:24,709 --> 01:29:22,719

right

2510

01:29:26,470 --> 01:29:24,719

and again even like black panther

2511

01:29:28,790 --> 01:29:26,480

reports we've had reports i remember

2512

01:29:31,750 --> 01:29:28,800

another uh researcher told me he had a

2513

01:29:33,910 --> 01:29:31,760

report of a this huge flying creature

2514

01:29:35,590 --> 01:29:33,920

a few years ago but the witness said it

2515

01:29:37,430 --> 01:29:35,600

was it was strange enough to see this

2516

01:29:39,510 --> 01:29:37,440

huge flying creature

2517

01:29:40,709 --> 01:29:39,520

but it was transparent you could see

2518

01:29:42,790 --> 01:29:40,719

through it

2519

01:29:45,750 --> 01:29:42,800

and then i had another case of all

2520

01:29:47,910 --> 01:29:45,760

places and again ufo sightings cryptid

2521

01:29:49,750 --> 01:29:47,920

sightings more and more reports in

2522

01:29:51,830 --> 01:29:49,760

populated areas where there's not a lot

2523

01:29:54,310 --> 01:29:51,840

of woods around that's been going on

2524

01:29:56,709 --> 01:29:54,320

more and more over the years uh here in

2525

01:29:58,310 --> 01:29:56,719

south greensburg not far from me it's

2526

01:30:00,629 --> 01:29:58,320

this is the major

2527

01:30:02,229 --> 01:30:00,639

area you know for restaurants a business

2528

01:30:04,310 --> 01:30:02,239

area you have a lot of traffic through

2529

01:30:05,910 --> 01:30:04,320

there for years there's been sightings

2530

01:30:08,070 --> 01:30:05,920

of these huge flying creatures right

2531

01:30:10,550 --> 01:30:08,080

over the tr right over the traffic on

2532

01:30:11,910 --> 01:30:10,560

route 119 these thunderbird sightings

2533

01:30:14,390 --> 01:30:11,920

and um

2534

01:30:16,709 --> 01:30:14,400

and there was a case several years ago

2535

01:30:18,709 --> 01:30:16,719

we had a it was a nice uh

2536

01:30:22,070 --> 01:30:18,719

winter afternoon we had a big snowstorm

2537

01:30:23,830 --> 01:30:22,080

prior to that and two adults and a child

2538

01:30:25,350 --> 01:30:23,840

decided to take a leisurely walk that

2539

01:30:27,590 --> 01:30:25,360

afternoon or walk in this area where

2540

01:30:29,430 --> 01:30:27,600

there had been a history of these huge

2541

01:30:30,709 --> 01:30:29,440

flying creature sightings

2542

01:30:32,550 --> 01:30:30,719

and they were just walking around

2543

01:30:34,709 --> 01:30:32,560

looking at the nice scenery

2544

01:30:36,390 --> 01:30:34,719

the young boy wasn't paying attention

2545

01:30:38,790 --> 01:30:36,400

but the two women yelled the same time

2546

01:30:40,709 --> 01:30:38,800

did you see the size of that bird

2547

01:30:43,270 --> 01:30:40,719

here's this huge bird on the ground to

2548

01:30:46,149 --> 01:30:43,280

open up this massive wingspan it's only

2549

01:30:48,390 --> 01:30:46,159

20-25 feet away it was not that thick

2550

01:30:50,310 --> 01:30:48,400

with trees in that area it starts

2551  
01:30:51,510 --> 01:30:50,320  
walking right behind the trees in the

2552  
01:30:53,590 --> 01:30:51,520  
fresh snow

2553  
01:30:55,669 --> 01:30:53,600  
they immediately run right up to that

2554  
01:30:57,910 --> 01:30:55,679  
area to see what happened to it

2555  
01:30:59,910 --> 01:30:57,920  
it's nowhere in sight there's deer

2556  
01:31:01,910 --> 01:30:59,920  
tracks in the snow there's no other

2557  
01:31:03,590 --> 01:31:01,920  
tracks they would have seen it take off

2558  
01:31:04,870 --> 01:31:03,600  
and there's nowhere to be seen and

2559  
01:31:07,830 --> 01:31:04,880  
they've just scratched your head like

2560  
01:31:09,990 --> 01:31:07,840  
where did this thing go

2561  
01:31:12,950 --> 01:31:10,000  
yeah that is just amazing i've i've

2562  
01:31:16,470 --> 01:31:12,960  
spent up i'd like to visit new hope in

2563  
01:31:18,470 --> 01:31:16,480

that area there it's just a um such a

2564

01:31:20,629 --> 01:31:18,480

pretty area how about that area in

2565

01:31:22,470 --> 01:31:20,639

pennsylvania is there ever any reports

2566

01:31:24,310 --> 01:31:22,480

in that area

2567

01:31:25,830 --> 01:31:24,320

you know i know the name that i i can't

2568

01:31:27,110 --> 01:31:25,840

remember right off here what county is

2569

01:31:28,470 --> 01:31:27,120

do you have no accountability yeah

2570

01:31:30,950 --> 01:31:28,480

that's right it's right on the border of

2571

01:31:33,270 --> 01:31:30,960

uh new jersey um

2572

01:31:35,590 --> 01:31:33,280

and let me just see

2573

01:31:41,590 --> 01:31:39,189

um let's see oh bucks county

2574

01:31:44,070 --> 01:31:41,600

okay i know there have been a number of

2575

01:31:45,350 --> 01:31:44,080

incidents ufo is in bucks county even in

2576

01:31:46,950 --> 01:31:45,360

the last year

2577

01:31:49,990 --> 01:31:46,960

i know there have been bigfoot activity

2578

01:31:51,510 --> 01:31:50,000

around that general area i know um

2579

01:31:53,669 --> 01:31:51,520

i'm trying to think even outside of

2580

01:31:56,310 --> 01:31:53,679

philadelphia i mean going back to

2581

01:31:58,470 --> 01:31:56,320

i think it was early 75

2582

01:32:00,629 --> 01:31:58,480

and this actually made the news

2583

01:32:01,510 --> 01:32:00,639

uh there was a what appeared to be a

2584

01:32:03,750 --> 01:32:01,520

small

2585

01:32:05,830 --> 01:32:03,760

hairy creature like an ape

2586

01:32:08,470 --> 01:32:05,840

and they called a small bigfoot that was

2587

01:32:11,189 --> 01:32:08,480

in daylight walking down the street near

2588

01:32:13,270 --> 01:32:11,199

some apartment complexes not far outside

2589

01:32:15,669 --> 01:32:13,280

of philadelphia

2590

01:32:17,510 --> 01:32:15,679

and i know we've got reports on that and

2591

01:32:19,669 --> 01:32:17,520

they made some i think i actually made a

2592

01:32:22,149 --> 01:32:19,679

national newswire story

2593

01:32:24,550 --> 01:32:22,159

and uh so these things again they're

2594

01:32:26,550 --> 01:32:24,560

appearing not just in wooded areas but

2595

01:32:29,350 --> 01:32:26,560

they're appearing more and more

2596

01:32:31,990 --> 01:32:29,360

in more residential areas and even with

2597

01:32:34,629 --> 01:32:32,000

ufo sightings i mean pittsburgh major

2598

01:32:36,629 --> 01:32:34,639

city i mean we've had so many incidents

2599

01:32:38,149 --> 01:32:36,639

around or even even incidents in last

2600

01:32:41,590 --> 01:32:38,159

year in fact

2601  
01:32:43,350 --> 01:32:41,600  
in more late february and of all march

2602  
01:32:44,950 --> 01:32:43,360  
of last year

2603  
01:32:46,950 --> 01:32:44,960  
an amazing

2604  
01:32:49,189 --> 01:32:46,960  
outbreak of ufo activity went on for

2605  
01:32:51,030 --> 01:32:49,199  
weeks and it and didn't make any news

2606  
01:32:52,390 --> 01:32:51,040  
because apparently these people weren't

2607  
01:32:54,550 --> 01:32:52,400  
calling the newspaper to talk about it

2608  
01:32:55,910 --> 01:32:54,560  
because they were they were just so

2609  
01:32:57,590 --> 01:32:55,920  
amazed at what they were seeing but they

2610  
01:32:59,189 --> 01:32:57,600  
didn't want any publicity

2611  
01:33:00,629 --> 01:32:59,199  
so let me give you an idea and this

2612  
01:33:02,950 --> 01:33:00,639  
report you can find somebody's report

2613  
01:33:04,870 --> 01:33:02,960

store on my website too

2614

01:33:06,790 --> 01:33:04,880

so in march here's a cup here's some

2615

01:33:08,310 --> 01:33:06,800

examples in early march three white

2616

01:33:10,550 --> 01:33:08,320

circle lights triangular formation

2617

01:33:11,750 --> 01:33:10,560

reported from cambria county objects

2618

01:33:14,149 --> 01:33:11,760

were observed for a few minutes and

2619

01:33:15,669 --> 01:33:14,159

suddenly vanished daylight observation

2620

01:33:18,709 --> 01:33:15,679

of a

2621

01:33:19,990 --> 01:33:18,719

large black rectangular object reported

2622

01:33:22,310 --> 01:33:20,000

bedford county

2623

01:33:24,470 --> 01:33:22,320

large glowing spherical objects seem low

2624

01:33:28,149 --> 01:33:24,480

low level and close to homes

2625

01:33:29,990 --> 01:33:28,159

uh spheres of white close to the ground

2626  
01:33:32,629 --> 01:33:30,000  
now here's some from buffler county from

2627  
01:33:34,870 --> 01:33:32,639  
dan hagman again

2628  
01:33:36,709 --> 01:33:34,880  
a witness observed a shiny

2629  
01:33:38,390 --> 01:33:36,719  
cigar shave object in the morning sky

2630  
01:33:40,310 --> 01:33:38,400  
the sky was clear with some fluffy

2631  
01:33:41,990 --> 01:33:40,320  
clouds around does not appear of any

2632  
01:33:43,430 --> 01:33:42,000  
wings or a tail witness indicate the

2633  
01:33:44,950 --> 01:33:43,440  
object was so bright he had to squint

2634  
01:33:46,550 --> 01:33:44,960  
his eyes to view it

2635  
01:33:47,990 --> 01:33:46,560  
witness familiar with aircraft stopped

2636  
01:33:49,270 --> 01:33:48,000  
this vehicle got out to get a better

2637  
01:33:51,430 --> 01:33:49,280  
look at this thing

2638  
01:33:53,510 --> 01:33:51,440

the object moved into a cloud

2639

01:33:55,189 --> 01:33:53,520

but never exited from the cloud which

2640

01:33:57,270 --> 01:33:55,199

again we hear more and more reports i've

2641

01:33:59,350 --> 01:33:57,280

got in recent years even in daylight so

2642

01:34:01,350 --> 01:33:59,360

here's an interesting early march this

2643

01:34:03,189 --> 01:34:01,360

was up in butler county a man is in his

2644

01:34:05,110 --> 01:34:03,199

kitchen during the evening begins to

2645

01:34:06,390 --> 01:34:05,120

throw a strange vibration and heard a

2646

01:34:08,470 --> 01:34:06,400

low rumble

2647

01:34:10,950 --> 01:34:08,480

he realized a sliding glass door to his

2648

01:34:13,350 --> 01:34:10,960

deck was vibrating as he looked out the

2649

01:34:15,510 --> 01:34:13,360

door the man noticed a very bright and

2650

01:34:17,910 --> 01:34:15,520

very large pulsating round object just

2651  
01:34:19,669 --> 01:34:17,920  
above the trees on the edge of his yard

2652  
01:34:21,430 --> 01:34:19,679  
the light from the object illuminated

2653  
01:34:23,510 --> 01:34:21,440  
his backyard as though it was the middle

2654  
01:34:26,310 --> 01:34:23,520  
of the afternoon he stepped out on the

2655  
01:34:28,629 --> 01:34:26,320  
deck and was awestruck by what he saw he

2656  
01:34:30,629 --> 01:34:28,639  
thought a tingling sensation his hair

2657  
01:34:33,030 --> 01:34:30,639  
stood up on end and he had chill bumps

2658  
01:34:34,629 --> 01:34:33,040  
on his body he called to his wife he

2659  
01:34:36,870 --> 01:34:34,639  
heard inside to get a camera when he

2660  
01:34:37,750 --> 01:34:36,880  
came back it was gone

2661  
01:34:39,510 --> 01:34:37,760  
um

2662  
01:34:42,229 --> 01:34:39,520  
and so it reports just four more

2663  
01:34:44,070 --> 01:34:42,239

triangular reports cigar-shaped objects

2664

01:34:46,310 --> 01:34:44,080

and i mean this again a lot of this was

2665

01:34:47,350 --> 01:34:46,320

going on in the populated suburbs of

2666

01:34:48,950 --> 01:34:47,360

pittsburgh

2667

01:34:50,310 --> 01:34:48,960

and

2668

01:34:53,030 --> 01:34:50,320

over the years

2669

01:34:54,870 --> 01:34:53,040

again many sightings we've had reports

2670

01:34:56,550 --> 01:34:54,880

of some of the bridges of objects

2671

01:34:59,430 --> 01:34:56,560

hovering near the bridges

2672

01:35:01,109 --> 01:34:59,440

in pittsburgh over the years

2673

01:35:03,830 --> 01:35:01,119

we had one case up in what they call

2674

01:35:07,350 --> 01:35:03,840

squirrel hill early morning hours of a

2675

01:35:09,830 --> 01:35:07,360

very large oval shaped luminous object

2676

01:35:11,030 --> 01:35:09,840

that was hovering at an intersection

2677

01:35:12,070 --> 01:35:11,040

it was around three o'clock in the

2678

01:35:14,070 --> 01:35:12,080

morning

2679

01:35:15,669 --> 01:35:14,080

and the witnesses actually made a police

2680

01:35:17,669 --> 01:35:15,679

report on which i got a copy of a police

2681

01:35:19,430 --> 01:35:17,679

report so

2682

01:35:21,030 --> 01:35:19,440

we had another case in daylight over one

2683

01:35:23,270 --> 01:35:21,040

of the big malls in monroeville years

2684

01:35:25,350 --> 01:35:23,280

ago of a very large i think it was like

2685

01:35:26,950 --> 01:35:25,360

three school buses in length hovering

2686

01:35:29,270 --> 01:35:26,960

right over top of the mall and different

2687

01:35:30,470 --> 01:35:29,280

people reporting seeing it

2688

01:35:31,590 --> 01:35:30,480

so that's the kind of things that are

2689

01:35:34,310 --> 01:35:31,600

going on

2690

01:35:36,229 --> 01:35:34,320

and there's other very significant

2691

01:35:38,229 --> 01:35:36,239

incidents i've been involved with ufos

2692

01:35:40,629 --> 01:35:38,239

of very large objects very low the

2693

01:35:43,350 --> 01:35:40,639

ground there is no way that they could

2694

01:35:45,990 --> 01:35:43,360

be misidentification and yes over the

2695

01:35:47,189 --> 01:35:46,000

years many ufo reports are investigated

2696

01:35:48,990 --> 01:35:47,199

we track down and there were

2697

01:35:51,270 --> 01:35:49,000

explanations many are determined to be

2698

01:35:53,669 --> 01:35:51,280

misidentifications of natural or

2699

01:35:55,510 --> 01:35:53,679

man-made objects but every year we have

2700

01:35:57,350 --> 01:35:55,520

incidents coming in that you cannot

2701

01:35:59,430 --> 01:35:57,360

easily dismiss

2702

01:36:01,510 --> 01:35:59,440

right yeah that i think that's the case

2703

01:36:03,590 --> 01:36:01,520

a lot of the time um here's another

2704

01:36:06,149 --> 01:36:03,600

question up there in the chat

2705

01:36:08,229 --> 01:36:06,159

are there any interesting ufo

2706

01:36:10,550 --> 01:36:08,239

and bigfoot cases where the witnesses

2707

01:36:12,550 --> 01:36:10,560

have allowed their names to be disclosed

2708

01:36:15,510 --> 01:36:12,560

or do all the witnesses want to be

2709

01:36:20,149 --> 01:36:18,229

oh boy well you know what

2710

01:36:22,149 --> 01:36:20,159

over so many years

2711

01:36:24,790 --> 01:36:22,159

and again a lot of witnesses now a lot

2712

01:36:26,629 --> 01:36:24,800

of these kids are now deceased but still

2713

01:36:28,070 --> 01:36:26,639

they want to know publicity so that's

2714

01:36:29,990 --> 01:36:28,080

that's how it is and again that's what

2715

01:36:31,750 --> 01:36:30,000

the majority of them is uh there are

2716

01:36:34,709 --> 01:36:31,760

some people and there i think there's a

2717

01:36:35,830 --> 01:36:34,719

few names in my book but very rarely

2718

01:36:37,430 --> 01:36:35,840

um

2719

01:36:38,870 --> 01:36:37,440

i can tell you the majority of witnesses

2720

01:36:40,629 --> 01:36:38,880

well i can give you one case and it

2721

01:36:43,189 --> 01:36:40,639

wasn't a ufo bigfoot case but it was a

2722

01:36:44,629 --> 01:36:43,199

bigfoot case and it was a good one

2723

01:36:46,550 --> 01:36:44,639

and this was always one of my favorite

2724

01:36:48,310 --> 01:36:46,560

case i wrote the whole story up in my

2725

01:36:51,350 --> 01:36:48,320

cell invasion book during that massive

2726

01:36:53,590 --> 01:36:51,360

wave of 73 is when this occurred this

2727

01:36:55,109 --> 01:36:53,600

occurred out near the little village of

2728

01:36:57,270 --> 01:36:55,119

what they call whitney which is very

2729

01:36:59,510 --> 01:36:57,280

close to what is now the arnold palmer

2730

01:37:01,669 --> 01:36:59,520

airport outside of latrobe and again

2731

01:37:03,669 --> 01:37:01,679

very active very historically not far

2732

01:37:04,470 --> 01:37:03,679

from the chestnut ridge

2733

01:37:08,070 --> 01:37:04,480

and

2734

01:37:10,310 --> 01:37:08,080

years around that general area but

2735

01:37:12,870 --> 01:37:10,320

anyhow this occurred i believe it was

2736

01:37:14,709 --> 01:37:12,880

the morning of september

2737

01:37:15,590 --> 01:37:14,719

3rd yeah i think it was labor day

2738

01:37:19,669 --> 01:37:15,600

morning

2739

01:37:20,709 --> 01:37:19,679

name this fellow's name was chester

2740

01:37:22,629 --> 01:37:20,719

yathers

2741

01:37:24,070 --> 01:37:22,639

chester did not believe in bigfoot in

2742

01:37:26,229 --> 01:37:24,080

fact the night before there was some

2743

01:37:27,590 --> 01:37:26,239

news stories about it he was laughing

2744

01:37:29,350 --> 01:37:27,600

out loud his neighbors were over there

2745

01:37:31,109 --> 01:37:29,360

visiting and his wife was out there and

2746

01:37:32,470 --> 01:37:31,119

they and they're all pretty much making

2747

01:37:35,030 --> 01:37:32,480

fun of the story

2748

01:37:37,270 --> 01:37:35,040

so anyhow it's about 4 30 in the morning

2749

01:37:39,350 --> 01:37:37,280

and he's in his mobile home in his way

2750

01:37:42,870 --> 01:37:39,360

for sleeping and all of a sudden here's

2751

01:37:44,950 --> 01:37:42,880

this big bump against his trailer

2752

01:37:46,390 --> 01:37:44,960

and he thought he had he had a garage

2753

01:37:47,590 --> 01:37:46,400

behind his house he had a nice antique

2754

01:37:49,910 --> 01:37:47,600

car and he thought somebody was breaking

2755

01:37:51,830 --> 01:37:49,920

in to get his car so he looks out the

2756

01:37:54,470 --> 01:37:51,840

window and he can't believe what he's

2757

01:37:55,910 --> 01:37:54,480

seeing so here's this huge creature on

2758

01:37:58,229 --> 01:37:55,920

the opposite side of the window so this

2759

01:38:00,550 --> 01:37:58,239

thing's no more than maybe two feet in

2760

01:38:01,430 --> 01:38:00,560

front of him but it has his back towards

2761

01:38:03,030 --> 01:38:01,440

him

2762

01:38:04,550 --> 01:38:03,040

he said this thing was at least eight to

2763

01:38:05,669 --> 01:38:04,560

nine feet tall was higher than his

2764

01:38:07,590 --> 01:38:05,679

trailer

2765

01:38:09,590 --> 01:38:07,600

and it has his hands crossed like in

2766

01:38:12,229 --> 01:38:09,600

front of it and it's looking across to

2767

01:38:14,229 --> 01:38:12,239

the house across from him so it's right

2768

01:38:15,109 --> 01:38:14,239

on his patio

2769

01:38:18,470 --> 01:38:15,119

and

2770

01:38:20,550 --> 01:38:18,480

just amazed you couldn't believe we see

2771

01:38:22,070 --> 01:38:20,560

him it's covered with black or dark

2772

01:38:24,629 --> 01:38:22,080

brown hair about two or three inches

2773

01:38:26,470 --> 01:38:24,639

long arms are very very long got a

2774

01:38:28,229 --> 01:38:26,480

really good look at this thing so anyhow

2775

01:38:31,030 --> 01:38:28,239

he goes over

2776

01:38:33,109 --> 01:38:31,040

now this fella was a retired coal miner

2777

01:38:34,629 --> 01:38:33,119

and he had emphysema as i remember and

2778

01:38:36,870 --> 01:38:34,639

he could he was having trouble breathing

2779

01:38:38,629 --> 01:38:36,880

as i remember back in those days you may

2780

01:38:40,709 --> 01:38:38,639

remember we had telephones with girl

2781

01:38:42,470 --> 01:38:40,719

operators and he awakens his wife and he

2782

01:38:44,390 --> 01:38:42,480

said that thing they call bigfoot it's

2783

01:38:45,910 --> 01:38:44,400

out on our patio so the wife goes over

2784

01:38:47,830 --> 01:38:45,920

oh my god oh my god what are we going to

2785

01:38:49,430 --> 01:38:47,840

do so they find their way over to the

2786

01:38:51,270 --> 01:38:49,440

phone they they hit the wall they bump

2787

01:38:53,590 --> 01:38:51,280

the walls they're moving to the thumb he

2788

01:38:55,669 --> 01:38:53,600

dials oprah operator

2789

01:38:56,950 --> 01:38:55,679

and he tells the opry what happens he

2790

01:38:58,870 --> 01:38:56,960

said we have an emergency that thing

2791

01:39:01,109 --> 01:38:58,880

they call bigfoot it's here at my house

2792

01:39:03,830 --> 01:39:01,119

they connect them to the state police

2793

01:39:05,430 --> 01:39:03,840

i heard the radio call go out

2794

01:39:07,590 --> 01:39:05,440

they sent the state police out to the

2795

01:39:09,270 --> 01:39:07,600

location when later the investigating

2796

01:39:10,390 --> 01:39:09,280

officer contacted me to come out to the

2797

01:39:11,510 --> 01:39:10,400

scene

2798

01:39:16,470 --> 01:39:11,520

and

2799

01:39:19,189 --> 01:39:16,480

troopers there as i recall he chester

2800

01:39:21,510 --> 01:39:19,199

had cut his grass that evening so you

2801  
01:39:24,310 --> 01:39:21,520  
had these large fresh impressions in the

2802  
01:39:25,270 --> 01:39:24,320  
wet grass coming across the yard

2803  
01:39:28,629 --> 01:39:25,280  
and

2804  
01:39:30,310 --> 01:39:28,639  
road remember a couple of troopers

2805  
01:39:31,990 --> 01:39:30,320  
followed it for a distance

2806  
01:39:33,430 --> 01:39:32,000  
and i think i lost sight of the tracks i

2807  
01:39:35,030 --> 01:39:33,440  
don't remember exactly what happened but

2808  
01:39:38,070 --> 01:39:35,040  
at one point

2809  
01:39:40,149 --> 01:39:38,080  
the fact suddenly stopped again abruptly

2810  
01:39:42,550 --> 01:39:40,159  
and chester said to me very seriously

2811  
01:39:44,229 --> 01:39:42,560  
said i don't understand how these tracks

2812  
01:39:48,390 --> 01:39:44,239  
could just disappear he said did these

2813  
01:39:53,030 --> 01:39:50,709

that that makes you wonder

2814

01:39:55,990 --> 01:39:53,040

uh you know but you go all the way back

2815

01:39:57,990 --> 01:39:56,000

to the skinwalker ranch and they talk

2816

01:39:59,910 --> 01:39:58,000

about it there too the same thing

2817

01:40:03,430 --> 01:39:59,920

they're tracking someone's very good at

2818

01:40:05,510 --> 01:40:03,440

tracking i had uh i had a

2819

01:40:07,510 --> 01:40:05,520

a native american i'm trying to remember

2820

01:40:10,870 --> 01:40:07,520

it from arizona talk about the same

2821

01:40:12,870 --> 01:40:10,880

thing tracking something and over

2822

01:40:14,870 --> 01:40:12,880

over on the other side of the stream a

2823

01:40:17,990 --> 01:40:14,880

stream and it continues on and all of a

2824

01:40:20,149 --> 01:40:18,000

sudden it's just like they stop the

2825

01:40:21,910 --> 01:40:20,159

footprints stop

2826

01:40:23,910 --> 01:40:21,920

and they don't they're not like

2827

01:40:24,709 --> 01:40:23,920

backtracked upon or anything they're

2828

01:40:25,750 --> 01:40:24,719

just

2829

01:40:27,830 --> 01:40:25,760

playing

2830

01:40:29,990 --> 01:40:27,840

you know vanished

2831

01:40:31,830 --> 01:40:30,000

it's it's so bizarre something could

2832

01:40:33,350 --> 01:40:31,840

have weight they could have like a

2833

01:40:35,109 --> 01:40:33,360

physical being

2834

01:40:37,030 --> 01:40:35,119

and then not

2835

01:40:40,229 --> 01:40:37,040

not have that weight and not be there

2836

01:40:42,229 --> 01:40:40,239

anymore it is really really strange

2837

01:40:44,550 --> 01:40:42,239

i think it it just goes along the the

2838

01:40:48,790 --> 01:40:44,560

lines of we know so little

2839

01:40:50,470 --> 01:40:48,800

about what's going on around us really

2840

01:40:52,070 --> 01:40:50,480

oh there's no doubt and and again here

2841

01:40:54,550 --> 01:40:52,080

in pennsylvania i remember over the

2842

01:40:56,629 --> 01:40:54,560

years i've had some fellows outdoors

2843

01:40:58,310 --> 01:40:56,639

when hunters have come across tracks and

2844

01:41:00,870 --> 01:40:58,320

i remember some of these people saying

2845

01:41:02,950 --> 01:41:00,880

they follow these tracks but then they

2846

01:41:06,709 --> 01:41:02,960

physically change into another type of

2847

01:41:09,430 --> 01:41:08,470

even more bizarre

2848

01:41:11,910 --> 01:41:09,440

even

2849

01:41:14,310 --> 01:41:11,920

there's a question up here are there any

2850

01:41:17,189 --> 01:41:14,320

patterns detected yet when it comes to

2851  
01:41:20,229 --> 01:41:17,199  
the witnesses or the time or locations

2852  
01:41:22,629 --> 01:41:20,239  
in other words commonalities maybe other

2853  
01:41:26,470 --> 01:41:22,639  
commonalities or uh when it comes to

2854  
01:41:30,390 --> 01:41:28,629  
uh there's a well again you know quite

2855  
01:41:32,629 --> 01:41:30,400  
often

2856  
01:41:35,109 --> 01:41:32,639  
there's just like i talked about that uh

2857  
01:41:36,310 --> 01:41:35,119  
incident uh in january of this past year

2858  
01:41:38,229 --> 01:41:36,320  
where you had several instances on the

2859  
01:41:39,990 --> 01:41:38,239  
same day and

2860  
01:41:41,109 --> 01:41:40,000  
quite often you'll have other people

2861  
01:41:43,350 --> 01:41:41,119  
calling in

2862  
01:41:44,870 --> 01:41:43,360  
reporting something similar in the area

2863  
01:41:46,950 --> 01:41:44,880

not knowing about the other reports

2864

01:41:49,109 --> 01:41:46,960

that's one thing that's common and again

2865

01:41:51,350 --> 01:41:49,119

while you have certain areas where you

2866

01:41:52,390 --> 01:41:51,360

have more than normal activity

2867

01:41:54,790 --> 01:41:52,400

and again

2868

01:41:55,750 --> 01:41:54,800

sometimes this phenomena seems to focus

2869

01:41:57,669 --> 01:41:55,760

on

2870

01:42:02,709 --> 01:41:57,679

a particular

2871

01:42:04,709 --> 01:42:02,719

reason some of these have a long history

2872

01:42:06,390 --> 01:42:04,719

of these things happening with all kind

2873

01:42:08,310 --> 01:42:06,400

of anomalies going on just like skin

2874

01:42:09,109 --> 01:42:08,320

watch walker

2875

01:42:10,629 --> 01:42:09,119

but

2876

01:42:13,430 --> 01:42:10,639

let me give you an example here here's

2877

01:42:15,430 --> 01:42:13,440

the case going back something summer of

2878

01:42:18,070 --> 01:42:15,440

1979

2879

01:42:21,030 --> 01:42:18,080

an object falls from the sky into a big

2880

01:42:24,070 --> 01:42:21,040

wooded area and soon after in that area

2881

01:42:26,390 --> 01:42:24,080

people begin to hear screams they see

2882

01:42:29,270 --> 01:42:26,400

small spheres of white excuse me they

2883

01:42:31,830 --> 01:42:29,280

have bigfoot sightings and then in 81

2884

01:42:33,030 --> 01:42:31,840

and 82 a lot of reports going on in

2885

01:42:37,030 --> 01:42:33,040

these areas

2886

01:42:39,350 --> 01:42:37,040

uh black panthers bigfoot sightings ufos

2887

01:42:41,590 --> 01:42:39,360

uh all kind of weird things going on by

2888

01:42:43,750 --> 01:42:41,600

many many different people and actually

2889

01:42:45,270 --> 01:42:43,760

it made the news it was picked up in one

2890

01:42:47,189 --> 01:42:45,280

of the big newspapers and actually one

2891

01:42:48,950 --> 01:42:47,199

the local tv station did a story on and

2892

01:42:50,470 --> 01:42:48,960

did it very seriously

2893

01:42:52,629 --> 01:42:50,480

that was the kind of things were going

2894

01:42:55,430 --> 01:42:52,639

on so you do sometimes have these

2895

01:42:57,430 --> 01:42:55,440

similar patterns there's some areas

2896

01:42:59,510 --> 01:42:57,440

where you have cons i mean again certain

2897

01:43:01,990 --> 01:42:59,520

areas of the chestnut ridge

2898

01:43:04,310 --> 01:43:02,000

uh especially in westmoreland county

2899

01:43:06,229 --> 01:43:04,320

year after year months after months even

2900

01:43:07,669 --> 01:43:06,239

in recent weeks activity going on in

2901

01:43:08,709 --> 01:43:07,679

certain areas

2902

01:43:11,510 --> 01:43:08,719

and

2903

01:43:13,750 --> 01:43:11,520

there there are some reason why

2904

01:43:15,270 --> 01:43:13,760

this phenomena seems to focus on certain

2905

01:43:16,870 --> 01:43:15,280

particular areas and we've been trying

2906

01:43:18,790 --> 01:43:16,880

to figure it out but so far we have not

2907

01:43:21,590 --> 01:43:18,800

been able to

2908

01:43:24,149 --> 01:43:21,600

yeah yeah now you talked earlier about

2909

01:43:26,470 --> 01:43:24,159

the chestnut ridge and i remember when

2910

01:43:28,790 --> 01:43:26,480

i've had you on the show before

2911

01:43:31,750 --> 01:43:28,800

you told me that that was a very very

2912

01:43:32,550 --> 01:43:31,760

active area and someone wanted to know

2913

01:43:34,390 --> 01:43:32,560

here

2914

01:43:36,790 --> 01:43:34,400

um do you believe that

2915

01:43:38,390 --> 01:43:36,800

the chestnut ridge could be some type of

2916

01:43:40,070 --> 01:43:38,400

portal

2917

01:43:41,830 --> 01:43:40,080

i mean your guess is good as anyone

2918

01:43:44,470 --> 01:43:41,840

else's

2919

01:43:46,070 --> 01:43:44,480

yeah and again um that's something i i

2920

01:43:47,669 --> 01:43:46,080

do get into in the new book believe it

2921

01:43:49,030 --> 01:43:47,679

or not there's some really interesting

2922

01:43:50,950 --> 01:43:49,040

pictures in there

2923

01:43:52,390 --> 01:43:50,960

of some of the anomalies that are going

2924

01:43:53,270 --> 01:43:52,400

on up there

2925

01:43:55,189 --> 01:43:53,280

um

2926

01:43:57,189 --> 01:43:55,199

one case

2927

01:43:58,870 --> 01:43:57,199

the landowner had property up there

2928

01:44:00,310 --> 01:43:58,880

where a lot of weird things were going

2929

01:44:02,550 --> 01:44:00,320

on for years

2930

01:44:04,709 --> 01:44:02,560

and they know their trees they walk it

2931

01:44:07,030 --> 01:44:04,719

all the time and there was an old old

2932

01:44:08,950 --> 01:44:07,040

tree that was hollowed out probably from

2933

01:44:11,030 --> 01:44:08,960

lightning strike years before they had

2934

01:44:12,390 --> 01:44:11,040

seen it many times but on this one

2935

01:44:15,350 --> 01:44:12,400

particular day when they called me

2936

01:44:17,990 --> 01:44:15,360

several years ago what baffled them was

2937

01:44:21,910 --> 01:44:18,000

inside of that old tree

2938

01:44:24,629 --> 01:44:21,920

now upside down was a live tree roots of

2939

01:44:27,189 --> 01:44:24,639

stuff deep inside the other tree

2940

01:44:29,030 --> 01:44:27,199

and there's no other trees like that

2941

01:44:31,030 --> 01:44:29,040

there was no indication of any damaging

2942

01:44:32,550 --> 01:44:31,040

area no indication like a micro burst or

2943

01:44:34,229 --> 01:44:32,560

anything along that line

2944

01:44:35,750 --> 01:44:34,239

it's just another one of those things

2945

01:44:37,590 --> 01:44:35,760

that's very very weird there's a pretty

2946

01:44:39,350 --> 01:44:37,600

interesting picture of it in the book

2947

01:44:40,310 --> 01:44:39,360

but other things like that have been

2948

01:44:41,910 --> 01:44:40,320

occurring

2949

01:44:43,990 --> 01:44:41,920

and there are people who claim in

2950

01:44:46,310 --> 01:44:44,000

certain areas they're seeing like some

2951

01:44:48,790 --> 01:44:46,320

they call them portals they've seen some

2952

01:44:50,390 --> 01:44:48,800

type of opening or doorway where they

2953

01:44:52,149 --> 01:44:50,400

believe these things might be coming

2954

01:44:53,590 --> 01:44:52,159

going from so yeah we've been hearing

2955

01:44:56,310 --> 01:44:53,600

those stories for years in different

2956

01:44:59,109 --> 01:44:56,320

areas and up on the ridge

2957

01:45:01,270 --> 01:44:59,119

yeah um this uh one of the people in the

2958

01:45:03,990 --> 01:45:01,280

chat keeps asking about

2959

01:45:06,950 --> 01:45:04,000

spirits if it's possible that these are

2960

01:45:10,550 --> 01:45:06,960

spirits left over from extinct species i

2961

01:45:12,709 --> 01:45:10,560

mean i don't know if anyone's ever uh uh

2962

01:45:14,790 --> 01:45:12,719

you know came up with that thought or

2963

01:45:17,030 --> 01:45:14,800

not have you ever heard of that as a one

2964

01:45:21,189 --> 01:45:17,040

of the

2965

01:45:23,750 --> 01:45:21,199

things may be

2966

01:45:25,990 --> 01:45:23,760

there are many theories out there i keep

2967

01:45:28,390 --> 01:45:26,000

an open mind all possibilities and again

2968

01:45:30,310 --> 01:45:28,400

we have we haven't even touched on some

2969

01:45:32,950 --> 01:45:30,320

of the weird creature cases and things

2970

01:45:35,109 --> 01:45:32,960

we dealt with in and again some of these

2971

01:45:37,590 --> 01:45:35,119

thunderbird reports and again under that

2972

01:45:38,470 --> 01:45:37,600

particular topic you know a lot of these

2973

01:45:39,750 --> 01:45:38,480

things

2974

01:45:41,669 --> 01:45:39,760

a lot of the creatures that people are

2975

01:45:43,750 --> 01:45:41,679

seeing they describe like a huge

2976

01:45:46,390 --> 01:45:43,760

overgrown turkey vulture generally dark

2977

01:45:48,629 --> 01:45:46,400

brown or black in color massive wingspan

2978

01:45:51,750 --> 01:45:48,639

something very low to the ground

2979

01:45:54,790 --> 01:45:51,760

and then others have reported similarly

2980

01:45:58,149 --> 01:45:54,800

large featherless leathery like a huge

2981

01:45:59,990 --> 01:45:58,159

giant gently black giant bat and then

2982

01:46:01,830 --> 01:46:00,000

there's other people and smoothies again

2983

01:46:03,750 --> 01:46:01,840

a very credible witness swear they saw

2984

01:46:05,830 --> 01:46:03,760

something prehistoric that looked like a

2985

01:46:08,550 --> 01:46:05,840

pterodactyl or territory

2986

01:46:09,750 --> 01:46:08,560

so it's very very complex

2987

01:46:11,590 --> 01:46:09,760

and

2988

01:46:13,189 --> 01:46:11,600

besides all those kind of reports you

2989

01:46:15,350 --> 01:46:13,199

know you've got other

2990

01:46:17,910 --> 01:46:15,360

really strange creature sightings and

2991

01:46:19,109 --> 01:46:17,920

things of floating entity reports you

2992

01:46:21,030 --> 01:46:19,119

know we talked about some of the black

2993

01:46:22,550 --> 01:46:21,040

panther stuff there's all kind of weird

2994

01:46:25,109 --> 01:46:22,560

things but

2995

01:46:26,550 --> 01:46:25,119

i i think you told me that a fellow i

2996

01:46:29,030 --> 01:46:26,560

called you earlier wanted to know about

2997

01:46:31,430 --> 01:46:29,040

incidents up around armstrong county

2998

01:46:32,870 --> 01:46:31,440

and um here's an incident that's really

2999

01:46:34,629 --> 01:46:32,880

interesting

3000

01:46:36,790 --> 01:46:34,639

has become well known in this area now

3001

01:46:38,390 --> 01:46:36,800

they call it the butler gargoyle

3002

01:46:39,669 --> 01:46:38,400

and i investigated this case back in

3003

01:46:41,510 --> 01:46:39,679

2011.

3004

01:46:43,109 --> 01:46:41,520

i've interviewed the witness many times

3005

01:46:45,109 --> 01:46:43,119

got to know him very well he's a he's a

3006

01:46:47,750 --> 01:46:45,119

professional businessman

3007

01:46:50,149 --> 01:46:47,760

so this in the morning on march 18 2011

3008

01:46:51,030 --> 01:46:50,159

he's um riding on this rural road it's

3009

01:46:52,830 --> 01:46:51,040

dirk

3010

01:46:55,510 --> 01:46:52,840

between your core and east

3011

01:46:57,750 --> 01:46:55,520

brady he notices to us right in the

3012

01:46:59,030 --> 01:46:57,760

field some movement he thought it was a

3013

01:47:00,950 --> 01:46:59,040

deer

3014

01:47:03,430 --> 01:47:00,960

but suddenly this thing

3015

01:47:05,350 --> 01:47:03,440

just rises up from the ground

3016

01:47:06,709 --> 01:47:05,360

and walks in front of this big yellow

3017

01:47:10,790 --> 01:47:06,719

sign

3018

01:47:13,109 --> 01:47:10,800

at least eight foot tall

3019

01:47:14,950 --> 01:47:13,119

and he realizes this thing is something

3020

01:47:16,629 --> 01:47:14,960

very very unusual

3021

01:47:18,229 --> 01:47:16,639

and he said when i interviewed him he

3022

01:47:20,070 --> 01:47:18,239

said you know people talk about bigfoot

3023

01:47:22,950 --> 01:47:20,080

but he said this thing was not a bigfoot

3024

01:47:25,669 --> 01:47:22,960

he said he had a humanoid figure it's at

3025

01:47:27,590 --> 01:47:25,679

least eight feet tall but it it has a

3026

01:47:29,990 --> 01:47:27,600

smooth level like skin that was either

3027

01:47:31,669 --> 01:47:30,000

dark tan or a light brown color he only

3028

01:47:32,790 --> 01:47:31,679

saw it from the side and never looked at

3029

01:47:34,790 --> 01:47:32,800

him

3030

01:47:35,830 --> 01:47:34,800

the head appeared to be kind of flat and

3031

01:47:38,229 --> 01:47:35,840

it was kind of shaped like an

3032

01:47:40,390 --> 01:47:38,239

aerodynamic helmet as i recall

3033

01:47:43,109 --> 01:47:40,400

and the fact the face was flat the eyes

3034

01:47:44,470 --> 01:47:43,119

were not clearly defined but uh appeared

3035

01:47:46,229 --> 01:47:44,480

to be pointed

3036

01:47:48,470 --> 01:47:46,239

the ear was observed on the left side

3037

01:47:50,790 --> 01:47:48,480

was long flat came up and the back was

3038

01:47:52,950 --> 01:47:50,800

pointed backwards like a flap the arms

3039

01:47:55,510 --> 01:47:52,960

were muscular and a little longer than

3040

01:47:56,870 --> 01:47:55,520

that of a human it had claws

3041

01:47:58,470 --> 01:47:56,880

on his hands

3042

01:48:00,390 --> 01:47:58,480

he said the one thing that really stood

3043

01:48:03,270 --> 01:48:00,400

out was that

3044

01:48:05,590 --> 01:48:03,280

it had extremely muscular legs but the

3045

01:48:06,790 --> 01:48:05,600

legs did not move like that of a human

3046

01:48:09,109 --> 01:48:06,800

they looked like they were bent

3047

01:48:09,990 --> 01:48:09,119

backwards but he said what was really

3048

01:48:12,629 --> 01:48:10,000

weird

3049

01:48:15,030 --> 01:48:12,639

is that it appeared to have wings on its

3050

01:48:16,870 --> 01:48:15,040

back which were tucked into its body

3051  
01:48:18,550 --> 01:48:16,880  
with the wingtips extending towards the

3052  
01:48:20,470 --> 01:48:18,560  
side of the head

3053  
01:48:23,750 --> 01:48:20,480  
and it took three big steps across the

3054  
01:48:26,550 --> 01:48:23,760  
road and was gone within days

3055  
01:48:28,870 --> 01:48:26,560  
uh dan hagman up at the boru group up in

3056  
01:48:31,510 --> 01:48:28,880  
that area had several other sightings by

3057  
01:48:32,709 --> 01:48:31,520  
other people describing the same thing

3058  
01:48:35,830 --> 01:48:32,719  
geez

3059  
01:48:37,750 --> 01:48:35,840  
crazy i i heard someone else talk about

3060  
01:48:39,270 --> 01:48:37,760  
something they had the legs looked

3061  
01:48:40,629 --> 01:48:39,280  
backwards like you're talking about

3062  
01:48:43,189 --> 01:48:40,639  
which is

3063  
01:48:44,390 --> 01:48:43,199

really doesn't even make sense as far as

3064

01:48:47,270 --> 01:48:44,400

something

3065

01:48:48,550 --> 01:48:47,280

you know uh being able to move

3066

01:48:50,310 --> 01:48:48,560

properly

3067

01:48:52,550 --> 01:48:50,320

uh here's a question that comes up a lot

3068

01:48:54,550 --> 01:48:52,560

why is there never been a bigfoot

3069

01:48:57,750 --> 01:48:54,560

skeleton ever

3070

01:48:59,270 --> 01:48:57,760

uh you know discovered anywhere

3071

01:49:00,550 --> 01:48:59,280

and that's exactly what i've been saying

3072

01:49:02,310 --> 01:49:00,560

for years you know if we're dealing with

3073

01:49:04,629 --> 01:49:02,320

some type of unknown animal these

3074

01:49:05,510 --> 01:49:04,639

sightings occur all over many parts of

3075

01:49:07,750 --> 01:49:05,520

the world

3076

01:49:09,430 --> 01:49:07,760

similar type of reports and yet all

3077

01:49:11,270 --> 01:49:09,440

these reports

3078

01:49:13,350 --> 01:49:11,280

you know you hear reports of body sound

3079

01:49:15,189 --> 01:49:13,360

but nobody ever finds the body

3080

01:49:17,750 --> 01:49:15,199

people shooting at it but you never find

3081

01:49:20,070 --> 01:49:17,760

a dead body well i have for so many

3082

01:49:21,910 --> 01:49:20,080

years and so many locations year up here

3083

01:49:23,750 --> 01:49:21,920

why hasn't body never been found but we

3084

01:49:26,310 --> 01:49:23,760

talked about a few of those cases at

3085

01:49:28,709 --> 01:49:26,320

least one earlier this evening about the

3086

01:49:30,629 --> 01:49:28,719

woman shooting one it very close range

3087

01:49:32,709 --> 01:49:30,639

with a shotgun it disappears in a flash

3088

01:49:35,030 --> 01:49:32,719

of light that wasn't the only report

3089

01:49:36,790 --> 01:49:35,040

like that and again it's not just

3090

01:49:38,229 --> 01:49:36,800

reports i've received there are many

3091

01:49:40,470 --> 01:49:38,239

other well-known researchers out there

3092

01:49:42,629 --> 01:49:40,480

and others are not well known who are

3093

01:49:44,470 --> 01:49:42,639

receiving these same type of cases over

3094

01:49:45,750 --> 01:49:44,480

the years from across the country and

3095

01:49:47,830 --> 01:49:45,760

around the world

3096

01:49:49,510 --> 01:49:47,840

these things are very strange whatever

3097

01:49:50,790 --> 01:49:49,520

we're dealing with once again i think

3098

01:49:52,310 --> 01:49:50,800

for a lack of a better term we're

3099

01:49:54,310 --> 01:49:52,320

dealing with something that could be

3100

01:49:56,629 --> 01:49:54,320

interdimensional i don't have the

3101

01:49:58,149 --> 01:49:56,639

answers i don't think anybody does i i

3102

01:50:01,270 --> 01:49:58,159

think the government's been aware for a

3103

01:50:02,870 --> 01:50:01,280

long time that the ufo phenomena

3104

01:50:03,750 --> 01:50:02,880

is much more

3105

01:50:05,910 --> 01:50:03,760

uh

3106

01:50:07,270 --> 01:50:05,920

sophisticated much more unusual than any

3107

01:50:09,030 --> 01:50:07,280

of us understand i don't think the

3108

01:50:10,709 --> 01:50:09,040

government has the answers either they

3109

01:50:12,709 --> 01:50:10,719

know a lot more than telling the public

3110

01:50:14,550 --> 01:50:12,719

they don't have the answers either and i

3111

01:50:16,390 --> 01:50:14,560

think as they've been looking into it i

3112

01:50:18,310 --> 01:50:16,400

think that they're they're finding there

3113

01:50:20,229 --> 01:50:18,320

may well be some association with these

3114

01:50:22,390 --> 01:50:20,239

other anomalies as well

3115

01:50:24,390 --> 01:50:22,400

yes i totally agree with you about that

3116

01:50:26,709 --> 01:50:24,400

uh bill wants to know

3117

01:50:28,709 --> 01:50:26,719

why has a

3118

01:50:31,830 --> 01:50:28,719

why has there never been like a tracking

3119

01:50:33,750 --> 01:50:31,840

dog or hound ever uh cornering a cryptid

3120

01:50:35,830 --> 01:50:33,760

or bigfoot

3121

01:50:39,270 --> 01:50:35,840

or has there been one

3122

01:50:41,910 --> 01:50:39,280

yeah and again in so many cases

3123

01:50:43,669 --> 01:50:41,920

when there's dogs in the area they just

3124

01:50:45,030 --> 01:50:43,679

turn around and run away i mean there

3125

01:50:45,990 --> 01:50:45,040

are so many cases

3126  
01:50:48,629 --> 01:50:46,000

yeah

3127  
01:50:50,629 --> 01:50:48,639

and in particular when they're close by

3128  
01:50:52,629 --> 01:50:50,639

they're just like paralyzed in fear in

3129  
01:50:55,430 --> 01:50:52,639

most cases they won't bark they should

3130  
01:50:57,510 --> 01:50:55,440

they tower they hide they won't move i

3131  
01:50:59,750 --> 01:50:57,520

mean that is very typical i've had so

3132  
01:51:01,830 --> 01:50:59,760

many people who have described this type

3133  
01:51:04,470 --> 01:51:01,840

of thing in this type of response from

3134  
01:51:05,350 --> 01:51:04,480

dogs so that's one reason why that uh

3135  
01:51:07,030 --> 01:51:05,360

this

3136  
01:51:08,709 --> 01:51:07,040

you don't uh have these type of cases

3137  
01:51:11,990 --> 01:51:08,719

that i'm aware of

3138  
01:51:14,709 --> 01:51:12,000

right um another uh question up here is

3139

01:51:17,030 --> 01:51:14,719

has there ever been any bigfoot or any

3140

01:51:19,109 --> 01:51:17,040

cryptid or whatever that kind of

3141

01:51:22,470 --> 01:51:19,119

appeared like uh the mothman you know

3142

01:51:24,709 --> 01:51:22,480

like uh like forewarning of some type of

3143

01:51:25,750 --> 01:51:24,719

incident has has there ever been

3144

01:51:29,350 --> 01:51:25,760

something

3145

01:51:31,589 --> 01:51:29,360

cited around an incident in in the scope

3146

01:51:34,070 --> 01:51:31,599

of time

3147

01:51:36,390 --> 01:51:34,080

uh actually again referring to my new

3148

01:51:37,750 --> 01:51:36,400

book i actually have a case in there

3149

01:51:39,510 --> 01:51:37,760

that has never been talked about

3150

01:51:41,030 --> 01:51:39,520

publicly before

3151

01:51:43,109 --> 01:51:41,040

and it deals with

3152

01:51:44,550 --> 01:51:43,119

something is similar to a mothman so

3153

01:51:46,870 --> 01:51:44,560

yeah the mothman reports in west

3154

01:51:48,950 --> 01:51:46,880

virginia back i believe in november of

3155

01:51:51,910 --> 01:51:48,960

66 and 67

3156

01:51:54,149 --> 01:51:51,920

i had heard rumors during that time that

3157

01:51:55,510 --> 01:51:54,159

something similar

3158

01:51:57,189 --> 01:51:55,520

had been occurring around the greater

3159

01:51:59,589 --> 01:51:57,199

pittsburgh but i could never track it

3160

01:52:01,189 --> 01:51:59,599

down but years later

3161

01:52:03,750 --> 01:52:01,199

i found a witness who had good

3162

01:52:06,229 --> 01:52:03,760

information on one particular incident

3163

01:52:08,229 --> 01:52:06,239

and then years later i found this other

3164

01:52:09,990 --> 01:52:08,239

person who is best friends with a

3165

01:52:13,510 --> 01:52:10,000

witness and he gives a whole story in my

3166

01:52:16,470 --> 01:52:13,520

new book and it's very very fascinating

3167

01:52:18,950 --> 01:52:16,480

and but are they um

3168

01:52:21,109 --> 01:52:18,960

did they forewarn of events i i've heard

3169

01:52:23,270 --> 01:52:21,119

those stories i'm aware of the silver

3170

01:52:24,950 --> 01:52:23,280

bridge tragedy with point pleasant i've

3171

01:52:27,830 --> 01:52:24,960

spoke down there for many times over the

3172

01:52:29,430 --> 01:52:27,840

years of the mockman festival but it's

3173

01:52:31,750 --> 01:52:29,440

not something that's common with the

3174

01:52:33,750 --> 01:52:31,760

cases i have but i'll tell you something

3175

01:52:35,109 --> 01:52:33,760

that is kind of interesting and this

3176  
01:52:37,510 --> 01:52:35,119  
again is something most people never

3177  
01:52:39,270 --> 01:52:37,520  
heard about the bigfoot it's very rare

3178  
01:52:40,790 --> 01:52:39,280  
here in my case in pennsylvania of the

3179  
01:52:42,629 --> 01:52:40,800  
hundreds i work on

3180  
01:52:44,390 --> 01:52:42,639  
but around the country there are

3181  
01:52:46,870 --> 01:52:44,400  
different people who swear

3182  
01:52:49,510 --> 01:52:46,880  
a lot of hunters that bigfoot tried to

3183  
01:52:51,510 --> 01:52:49,520  
telepathically communicate with them

3184  
01:52:52,950 --> 01:52:51,520  
and i can tell you this back years ago

3185  
01:52:55,589 --> 01:52:52,960  
in the 80s

3186  
01:52:57,189 --> 01:52:55,599  
i was out investigating uh with my team

3187  
01:52:59,270 --> 01:52:57,199  
investigating a series of bigfoot

3188  
01:53:01,350 --> 01:52:59,280

sightings down along the uh chestnut

3189

01:53:03,430 --> 01:53:01,360

ridge where people said this creature

3190

01:53:05,109 --> 01:53:03,440

was coming down close to their property

3191

01:53:07,030 --> 01:53:05,119

and i've been interviewing these people

3192

01:53:09,830 --> 01:53:07,040

and one of the people in the group said

3193

01:53:12,629 --> 01:53:09,840

reluctantly and was pretty shook up that

3194

01:53:14,709 --> 01:53:12,639

this thing had tried to communicate

3195

01:53:17,430 --> 01:53:14,719

telepathically information

3196

01:53:19,910 --> 01:53:17,440

while i was there while we were there

3197

01:53:22,629 --> 01:53:19,920

this person is saying this creature is

3198

01:53:24,870 --> 01:53:22,639

telling me that tomorrow morning the

3199

01:53:26,709 --> 01:53:24,880

next morning there will be a ufo

3200

01:53:29,750 --> 01:53:26,719

incident over this certain town in

3201

01:53:32,550 --> 01:53:29,760

indiana county about 15 miles away

3202

01:53:34,470 --> 01:53:32,560

and early the next morning this strange

3203

01:53:37,189 --> 01:53:34,480

unusual sound sounded like this thing

3204

01:53:38,550 --> 01:53:37,199

was very low over top of that particular

3205

01:53:41,430 --> 01:53:38,560

town

3206

01:53:42,870 --> 01:53:41,440

did occur and it was unusual enough that

3207

01:53:44,790 --> 01:53:42,880

the police and the fire department were

3208

01:53:48,070 --> 01:53:44,800

called out and made the news

3209

01:53:50,149 --> 01:53:48,080

how about that stan we are heck

3210

01:53:52,229 --> 01:53:50,159

i can't believe it we're out of time

3211

01:53:55,109 --> 01:53:52,239

right now but it's been a real pleasure

3212

01:53:56,550 --> 01:53:55,119

as always thank you so much

3213

01:53:59,030 --> 01:53:56,560
