2
00:00:38,709 --> 00:00:36,069
multiple witness ufo abduction part two

3
00:00:40,229 --> 00:00:38,719
by charles lear in last week's blog we

4
00:00:43,110 --> 00:00:40,239
wrote about an incident involving

5
00:00:45,910 --> 00:00:43,120
filiberto cardenas a cuban exile living

6
00:00:48,069 --> 00:00:45,920
in hialeah florida cardenas was

7
00:00:49,990 --> 00:00:48,079
reportedly seen by his friend and his

8
00:00:51,910 --> 00:00:50,000
friend's wife and daughter to float up

9
00:00:54,470 --> 00:00:51,920
in a beam of light into some sort of

10
00:00:56,869 --> 00:00:54,480
craft that then flew off two hours later

11
00:00:59,110 --> 00:00:56,879
he was found 16 miles away on his hands

12
00:01:01,349 --> 00:00:59,120
and knees in the middle of the road he

13
00:01:03,910 --> 00:01:01,359

was taken to a hospital and tested for

14

00:01:06,230 --> 00:01:03,920

radiation the test came up negative but

15

00:01:08,789 --> 00:01:06,240

he experienced mysterious symptoms

16

00:01:11,270 --> 00:01:08,799

including an excessive thirst shaking

17

00:01:13,109 --> 00:01:11,280

hands and a sulfurous body odor while

18

00:01:14,950 --> 00:01:13,119

this case might have been held up as an

19

00:01:16,870 --> 00:01:14,960

argument for the reality of the alien

20

00:01:18,950 --> 00:01:16,880

abduction phenomenon it is rarely

21

00:01:21,270 --> 00:01:18,960

discussed and is overshadowed by more

22

00:01:24,149 --> 00:01:21,280

famous cases such as that involving

23

00:01:26,230 --> 00:01:24,159

travis walton a possible reason for this

24

00:01:28,630 --> 00:01:26,240

is that cardenas and then his wife

25

00:01:30,789 --> 00:01:28,640

reported experiences that were similar

26
00:01:32,950 --> 00:01:30,799
to those of contactees who have often

27
00:01:35,109 --> 00:01:32,960
been discounted by many in the ufo

28
00:01:36,950 --> 00:01:35,119
research community this case was

29
00:01:40,310 --> 00:01:36,960
investigated by south american

30
00:01:42,630 --> 00:01:40,320
researcher dr virgilio sanchez oseo a

31
00:01:44,710 --> 00:01:42,640
lawyer and south american representative

32
00:01:47,109 --> 00:01:44,720
for the center for ufo studies and the

33
00:01:50,310 --> 00:01:47,119
mutual ufo network he wrote about the

34
00:01:53,190 --> 00:01:50,320
case in a 1982 book co-authored with ufo

35
00:01:55,749 --> 00:01:53,200
researcher wendell stevens titled ufo

36
00:01:58,230 --> 00:01:55,759
contact from under sea richard hall of

37
00:02:00,389 --> 00:01:58,240
mufon wrote a summary of sanchez osea's

38
00:02:01,350 --> 00:02:00,399

report and stevens wrote an overview of

39

00:02:03,749 --> 00:02:01,360

the case

40

00:02:06,230 --> 00:02:03,759

according to stevens cardenas underwent

41

00:02:08,389 --> 00:02:06,240

four hypnotic regressions with dr jose

42

00:02:10,869 --> 00:02:08,399

yedra a local hypnotherapist

43

00:02:12,790 --> 00:02:10,879

while under hypnosis cardenas described

44

00:02:14,390 --> 00:02:12,800

being taken aboard a craft by three

45

00:02:16,550 --> 00:02:14,400

humanoids wearing tight-fitting

46

00:02:18,070 --> 00:02:16,560

bluish-white one-piece suits he was

47

00:02:20,150 --> 00:02:18,080

taken to a beach where one of the

48

00:02:21,990 --> 00:02:20,160

creatures left the hovering craft and

49

00:02:24,550 --> 00:02:22,000

shot a beam out of a flashlight like

50

00:02:27,270 --> 00:02:24,560

device at a rock the rock opened to

51
00:02:29,830 --> 00:02:27,280
reveal a large tunnel or cavern at this

52
00:02:32,390 --> 00:02:29,840
point craft like the one cardenas was in

53
00:02:34,550 --> 00:02:32,400
flew out went over the ocean tilted down

54
00:02:36,550 --> 00:02:34,560
and went into the water then the craft

55
00:02:38,630 --> 00:02:36,560
carrying cardenas went into the water

56
00:02:40,710 --> 00:02:38,640
and cardenas recalled sitting next to a

57
00:02:42,949 --> 00:02:40,720
window and seeing the water rush by

58
00:02:45,509 --> 00:02:42,959
while not touching the glass one of the

59
00:02:47,750 --> 00:02:45,519
entities spoke to cardenas in spanish

60
00:02:50,550 --> 00:02:47,760
with a portuguese or italian accent that

61
00:02:53,270 --> 00:02:50,560
he found hard to understand the entity

62
00:02:55,670 --> 00:02:53,280
named kiostro gave cardenas a series of

63
00:02:57,750 --> 00:02:55,680

revelations and predictions kyostro

64

00:02:59,910 --> 00:02:57,760

explained that there was a higher energy

65

00:03:01,830 --> 00:02:59,920

in the sex organs and that california

66

00:03:03,670 --> 00:03:01,840

would sink into the ocean one of the

67

00:03:05,990 --> 00:03:03,680

predictions was that there would be a

68

00:03:09,350 --> 00:03:06,000

disastrous end to egyptian president

69

00:03:11,190 --> 00:03:09,360

anwar sadat's term of office in 1981.

70

00:03:13,350 --> 00:03:11,200

according to richard hall's summary

71

00:03:15,589 --> 00:03:13,360

cardenas would often refuse to go into

72

00:03:18,390 --> 00:03:15,599

detail about certain predictions because

73

00:03:20,550 --> 00:03:18,400

he was forbidden from doing so according

74

00:03:23,110 --> 00:03:20,560

to stevens cardenas returned to the

75

00:03:25,190 --> 00:03:23,120

abduction site several times each time

76

00:03:27,670 --> 00:03:25,200

he did so his watch would speed up to

77

00:03:29,910 --> 00:03:27,680

where he could hear it whirring for some

78

00:03:31,670 --> 00:03:29,920

time after his visits he could make the

79

00:03:33,670 --> 00:03:31,680

watch speed up by touching it with his

80

00:03:36,229 --> 00:03:33,680

right index finger he was able to

81

00:03:39,190 --> 00:03:36,239

demonstrate this for his wife iris and

82

00:03:41,110 --> 00:03:39,200

sanchez oseo at the site cardenas heard

83

00:03:42,789 --> 00:03:41,120

the voices of the entities in his head

84

00:03:45,030 --> 00:03:42,799

and would later even hear them when he

85

00:03:46,789 --> 00:03:45,040

was not at the site cardenas began to

86

00:03:49,110 --> 00:03:46,799

ask if he could bring his wife to meet

87

00:03:52,110 --> 00:03:49,120

the entities according to hall's summary

88

00:03:55,110 --> 00:03:52,120

he was told he could and on february 21

89

00:03:57,670 --> 00:03:55,120
1979 filiberto and iris boarded a

90

00:03:59,670 --> 00:03:57,680
mushroom-shaped craft at 3 pm and were

91

00:04:01,429 --> 00:03:59,680
returned the next morning during their

92

00:04:03,350 --> 00:04:01,439
time on the craft they were fully

93

00:04:05,830 --> 00:04:03,360
conscious and were able to recall

94

00:04:07,670 --> 00:04:05,840
everything afterwards iris reported

95

00:04:10,149 --> 00:04:07,680
pinching herself to prove she wasn't

96

00:04:12,309 --> 00:04:10,159
dreaming according to stevens they saw

97

00:04:14,550 --> 00:04:12,319
human-looking entities around four feet

98

00:04:16,469 --> 00:04:14,560
tall they had large oblique eyes that

99

00:04:18,469 --> 00:04:16,479
were larger than human eyes and came

100

00:04:20,310 --> 00:04:18,479
around to the side of the head they had

101
00:04:22,950 --> 00:04:20,320
a straight nose and a small mouth that

102
00:04:25,030 --> 00:04:22,960
never moved at one point iris led a

103
00:04:27,430 --> 00:04:25,040
cigarette and filiberto admonished her

104
00:04:29,670 --> 00:04:27,440
for contaminating the ship's atmosphere

105
00:04:31,909 --> 00:04:29,680
iris asked one of the creatures if she

106
00:04:33,909 --> 00:04:31,919
could touch him and was allowed to she

107
00:04:36,070 --> 00:04:33,919
found that the material of his uniform

108
00:04:38,230 --> 00:04:36,080
was slick in one direction and rough in

109
00:04:41,110 --> 00:04:38,240
the other like going against the scales

110
00:04:43,350 --> 00:04:41,120
of a fish his body felt firm

111
00:04:45,270 --> 00:04:43,360
filiberto and iris described an emblem

112
00:04:47,830 --> 00:04:45,280
on the white chest area of the entity's

113
00:04:50,150 --> 00:04:47,840

uniforms that look like an ex lying down

114

00:04:52,469 --> 00:04:50,160

with a serpent rising up from it this is

115

00:04:54,710 --> 00:04:52,479

similar to what nebraska police officer

116

00:04:57,909 --> 00:04:54,720

herbert shermer described seeing during

117

00:04:59,830 --> 00:04:57,919

his reported encounter in 1967 with

118

00:05:02,230 --> 00:04:59,840

entities that were similar in some ways

119

00:05:04,310 --> 00:05:02,240

to those described by the cardenases

120

00:05:06,469 --> 00:05:04,320

according to stevens the creatures

121

00:05:08,870 --> 00:05:06,479

inserted a small electronic device

122

00:05:11,430 --> 00:05:08,880

behind each of filiburto's ears this

123

00:05:13,830 --> 00:05:11,440

enabled them to project 3d images in

124

00:05:16,150 --> 00:05:13,840

front of him that showed future events

125

00:05:18,390 --> 00:05:16,160

he was told that the only reason he was

126

00:05:19,909 --> 00:05:18,400

being shown these events was so that he

127

00:05:22,070 --> 00:05:19,919

could get people to believe in his

128

00:05:34,020 --> 00:05:22,080

contact experiences and accept the
