OF CONTACT'**

1  
00:00:03,990 --> 00:00:02,310  
made it to suggestions uh one of a place

2  
00:00:05,829 --> 00:00:04,000  
was called parachie which is a series of

3  
00:00:07,590 --> 00:00:05,839  
islands off it goes to rio

4  
00:00:09,030 --> 00:00:07,600  
and uh and we're like wow that sounds

5  
00:00:10,629 --> 00:00:09,040  
beautiful yeah he's like it's not too

6  
00:00:12,310 --> 00:00:10,639  
far

7  
00:00:14,950 --> 00:00:12,320  
he goes you know what i'll go with you

8  
00:00:17,349 --> 00:00:14,960  
i'll take you guys there so rebecca and

9  
00:00:20,230 --> 00:00:17,359  
i jumped in his car and we all spent

10  
00:00:22,310 --> 00:00:20,240  
time together a week yeah and then and

11  
00:00:24,150 --> 00:00:22,320  
then we

12  
00:00:26,070 --> 00:00:24,160  
we became partners i mean you know

13  
00:00:28,470 --> 00:00:26,080

investigating the virginia case he'd

14

00:00:30,390 --> 00:00:28,480

been investigated since 2006 already

15

00:00:31,830 --> 00:00:30,400

because as a resilient he remembers the

16

00:00:33,430 --> 00:00:31,840

case when he was a kid

17

00:00:35,830 --> 00:00:33,440

and so he was incredibly passionate

18

00:00:38,150 --> 00:00:35,840

about it so were you uh marco were you

19

00:00:40,950 --> 00:00:38,160

out like an i mean like a move on type

20

00:00:43,110 --> 00:00:40,960

of investigator whatever brazil has yes

21

00:00:45,350 --> 00:00:43,120

like look like a researcher do you know

22

00:00:48,630 --> 00:00:45,360

because when i saw the

23

00:00:52,069 --> 00:00:48,640

on the new the virginia keys in 1996 i

24

00:00:55,029 --> 00:00:52,079

just had 11 years old at the time so i

25

00:00:57,430 --> 00:00:55,039

got shocked you know by the story

26

00:01:00,310 --> 00:00:57,440

and i felt in my heart that i would love

27

00:01:02,869 --> 00:01:00,320

to go investigate this case so when i

28

00:01:05,350 --> 00:01:02,879

got to james in 2011

29

00:01:07,030 --> 00:01:05,360

and i had the opportunity to start a

30

00:01:09,590 --> 00:01:07,040

work with him and

31

00:01:10,830 --> 00:01:09,600

some projects you know for the virginia

32

00:01:12,789 --> 00:01:10,840

business school

33

00:01:14,310 --> 00:01:12,799

we did

34

00:01:18,390 --> 00:01:14,320

all the research

35

00:01:21,510 --> 00:01:18,400

for the last 10 years and i'm always uh

36

00:01:24,630 --> 00:01:21,520

i was talking to james about it the the

37

00:01:28,390 --> 00:01:24,640

cases and he was telling me something

38

00:01:30,710 --> 00:01:28,400

how to do it and so well we we went

39

00:01:33,830 --> 00:01:30,720

together in 2012

40

00:01:34,550 --> 00:01:33,840

with that cheesy tv show oh yeah

41

00:01:42,230 --> 00:01:34,560

we

42

00:01:43,990 --> 00:01:42,240

thirteen thirteen yeah yeah and and

43

00:01:46,310 --> 00:01:44,000

found more witnesses and then he just

44

00:01:49,270 --> 00:01:46,320

kept plowing he just kept going thank

45

00:01:52,310 --> 00:01:49,280

god and then none of it made it into the

46

00:01:54,389 --> 00:01:52,320

phenomenon which was then called 701. i

47

00:01:56,389 --> 00:01:54,399

just couldn't seem to squeeze it in it

48

00:01:57,590 --> 00:01:56,399

just you know it just went happening and

49

00:01:59,910 --> 00:01:57,600

i knew that he was probably going to be

50

00:02:01,910 --> 00:01:59,920

pretty upset when he found out that none

51  
00:02:05,030 --> 00:02:01,920  
of the virginia material ended up the

52  
00:02:06,469 --> 00:02:05,040  
phenomenon oh yeah right yeah then i

53  
00:02:09,430 --> 00:02:06,479  
then i said you know what we need to do

54  
00:02:10,949 --> 00:02:09,440  
a documentary just on this case

55  
00:02:13,030 --> 00:02:10,959  
which was kind of our dream to do it

56  
00:02:15,990 --> 00:02:13,040  
together you know yeah and so i went

57  
00:02:18,070 --> 00:02:16,000  
back uh from how long were you there

58  
00:02:21,350 --> 00:02:18,080  
well i was there for a month uh

59  
00:02:22,710 --> 00:02:21,360  
in 20 last year last year was like from

60  
00:02:24,470 --> 00:02:22,720  
them yeah

61  
00:02:26,150 --> 00:02:24,480  
yeah and then before that

62  
00:02:30,949 --> 00:02:26,160  
we were like i said yeah before that it

63  
00:02:31,750 --> 00:02:30,959

was 2013 13 2012.

64

00:02:36,309 --> 00:02:31,760

yeah

65

00:02:38,070 --> 00:02:36,319

together we want to go hunting for

66

00:02:40,309 --> 00:02:38,080

witnesses i mean we were we're knocking

67

00:02:42,550 --> 00:02:40,319

on doors yeah we're going to the town

68

00:02:44,070 --> 00:02:42,560

square and just asking about strangers

69

00:02:45,990 --> 00:02:44,080

no joke

70

00:02:48,150 --> 00:02:46,000

yeah and we always say magic happens

71

00:02:50,390 --> 00:02:48,160

when we work together right well i think

72

00:02:52,070 --> 00:02:50,400

that for me for the film

73

00:02:54,470 --> 00:02:52,080

um when you were standing out in the

74

00:02:55,830 --> 00:02:54,480

square with the sign yes and all those

75

00:02:57,750 --> 00:02:55,840

people are coming up to you and telling

76

00:02:59,830 --> 00:02:57,760

you about you know what they saw

77

00:03:01,830 --> 00:02:59,840

whatever it was great uh i'm right now

78

00:03:16,790 --> 00:03:01,840

i'm in iceland

79

00:03:20,630 --> 00:03:19,110

space this is our new studio this is

80

00:03:22,390 --> 00:03:20,640

where we're going to turn out a

81

00:03:27,670 --> 00:03:22,400

documentary every 18 months that's my

82

00:03:30,309 --> 00:03:27,680

goal wow wow and uh marco blaspheme is

83

00:03:35,190 --> 00:03:32,710

and i forgot to announce our uh we out

84

00:03:39,110 --> 00:03:35,200

we had our wonderful blogger charles

85

00:03:41,910 --> 00:03:39,120

lear do the blog this week on argina and

86

00:03:45,509 --> 00:03:41,920

it's called the name of it his ufos and

87

00:03:46,470 --> 00:03:45,519

creatures reported in virginia brazil

88

00:03:48,149 --> 00:03:46,480

and

89

00:03:50,229 --> 00:03:48,159

i i hope you get a chance to read

90

00:03:53,270 --> 00:03:50,239

through that and just post it and he did

91

00:03:55,830 --> 00:03:53,280

a really good job with that uh vlog

92

00:03:57,030 --> 00:03:55,840

and back here let's see here we go all

93

00:03:59,670 --> 00:03:57,040

right

94

00:04:02,070 --> 00:03:59,680

i'm sorry i'm trying to run

95

00:04:03,589 --> 00:04:02,080

cameras and everything and i wish i had

96

00:04:04,869 --> 00:04:03,599

closed out a few windows here we go

97

00:04:08,470 --> 00:04:04,879

we're back

98

00:04:10,869 --> 00:04:08,480

to you over here so uh behind you yes is

99

00:04:12,550 --> 00:04:10,879

like a storyboard yes

100

00:04:14,309 --> 00:04:12,560

yeah and we entered

101  
00:04:15,270 --> 00:04:14,319  
your cameras yeah you can't maybe

102  
00:04:16,629 --> 00:04:15,280  
cameras

103  
00:04:18,310 --> 00:04:16,639  
but there's a

104  
00:04:21,349 --> 00:04:18,320  
glass windows and then the actual edit

105  
00:04:22,710 --> 00:04:21,359  
room is inside okay so let's point to

106  
00:04:23,990 --> 00:04:22,720  
the edit

107  
00:04:26,230 --> 00:04:24,000  
yeah that's that's where the magic

108  
00:04:28,469 --> 00:04:26,240  
happens yeah but from that edit room we

109  
00:04:30,710 --> 00:04:28,479  
can look back and see we mapped out the

110  
00:04:31,990 --> 00:04:30,720  
entire film before we started editing

111  
00:04:34,390 --> 00:04:32,000  
and it's not

112  
00:04:36,390 --> 00:04:34,400  
exactly as it went down but it's close

113  
00:04:38,150 --> 00:04:36,400

yeah believe it or not yeah yeah we did

114

00:04:39,670 --> 00:04:38,160

the whole film

115

00:04:42,870 --> 00:04:39,680

in segments

116

00:04:45,110 --> 00:04:42,880

like meeting with the mayor um oh yeah

117

00:04:47,030 --> 00:04:45,120

that was just witness this other witness

118

00:04:48,870 --> 00:04:47,040

the girls the three girls that saw the

119

00:04:51,350 --> 00:04:48,880

creature we did them all in segments

120

00:04:54,230 --> 00:04:51,360

yeah and then mark marco and i went to a

121

00:04:56,390 --> 00:04:54,240

cafe or from here and put it together on

122

00:04:58,070 --> 00:04:56,400

paper

123

00:04:59,990 --> 00:04:58,080

because i kept saying to marco we wanted

124

00:05:01,909 --> 00:05:00,000

to escalate and escalate so we didn't

125

00:05:04,550 --> 00:05:01,919

necessarily do it in chronological order

126

00:05:06,070 --> 00:05:04,560

in the way we filmed it but um

127

00:05:08,070 --> 00:05:06,080

but it was a very good technique and i

128

00:05:09,909 --> 00:05:08,080

was i'm really proud when i stitch it

129

00:05:11,430 --> 00:05:09,919

together finally how how well it

130

00:05:13,670 --> 00:05:11,440

actually worked we only shuffled a

131

00:05:15,350 --> 00:05:13,680

couple things around but that's

132

00:05:17,430 --> 00:05:15,360

that's how we did it trimmed it down and

133

00:05:19,110 --> 00:05:17,440

trimmed it down and um

134

00:05:20,790 --> 00:05:19,120

i think it was like two weeks ago we

135

00:05:21,909 --> 00:05:20,800

were sitting here watching with with

136

00:05:25,510 --> 00:05:21,919

another

137

00:05:26,629 --> 00:05:25,520

actually my other partner boris his wife

138

00:05:28,150 --> 00:05:26,639

and uh

139

00:05:29,029 --> 00:05:28,160

you know i edited the movie and i'm

140

00:05:32,550 --> 00:05:29,039

sitting there

141

00:05:35,029 --> 00:05:32,560

seat and she says something points out

142

00:05:37,029 --> 00:05:35,039

something and i said shh

143

00:05:38,550 --> 00:05:37,039

because i was so

144

00:05:39,909 --> 00:05:38,560

like the second half for me i was just

145

00:05:41,510 --> 00:05:39,919

on the edge of my team thinking myself

146

00:05:43,670 --> 00:05:41,520

wait a minute this has got to be a good

147

00:05:45,350 --> 00:05:43,680

sign well i'm like really getting on my

148

00:05:48,390 --> 00:05:45,360

own

149

00:05:50,390 --> 00:05:48,400

yeah yeah i mean i think we're sitting

150

00:05:52,710 --> 00:05:50,400

on dynamite on this one i really do i

151  
00:05:53,909 --> 00:05:52,720  
really do and you know uh one of the

152  
00:05:55,749 --> 00:05:53,919  
things

153  
00:05:58,309 --> 00:05:55,759  
you think about is the the creatures i

154  
00:05:59,029 --> 00:05:58,319  
want to talk about all that but i don't

155  
00:06:00,550 --> 00:05:59,039  
know

156  
00:06:02,230 --> 00:06:00,560  
both of you want to talk about in a

157  
00:06:03,990 --> 00:06:02,240  
nutshell because a lot of people are not

158  
00:06:05,510 --> 00:06:04,000  
familiar with this taste i heard little

159  
00:06:07,350 --> 00:06:05,520  
bits and pieces of it over the years but

160  
00:06:09,110 --> 00:06:07,360  
i never really looked into it and then i

161  
00:06:11,270 --> 00:06:09,120  
was lucky enough to see your screener

162  
00:06:12,710 --> 00:06:11,280  
and like oh my goodness

163  
00:06:14,469 --> 00:06:12,720

i don't think anyone out there is ever

164

00:06:16,629 --> 00:06:14,479

going to watch that and say nothing

165

00:06:19,350 --> 00:06:16,639

happens yeah i mean the way everything

166

00:06:20,950 --> 00:06:19,360

fits together but which one or both of

167

00:06:22,950 --> 00:06:20,960

you both of you or

168

00:06:25,510 --> 00:06:22,960

back and forth who wants to lay it out

169

00:06:27,270 --> 00:06:25,520

for the listening audience you can

170

00:06:29,830 --> 00:06:27,280

tell them as as a brazilian and a

171

00:06:43,510 --> 00:06:29,840

researcher tell just give a

172

00:06:51,350 --> 00:06:48,230

1996 january 13 of 1996 we had a report

173

00:06:54,710 --> 00:06:51,360

from a witness that he saw

174

00:06:57,430 --> 00:06:54,720

look like a ship uh

175

00:07:00,230 --> 00:06:57,440

the ship has had a problem and

176  
00:07:05,670 --> 00:07:00,240  
some smoke came out from the big star

177  
00:07:07,909 --> 00:07:06,550  
uh

178  
00:07:10,309 --> 00:07:07,919  
like

179  
00:07:11,749 --> 00:07:10,319  
this ship was uh

180  
00:07:14,230 --> 00:07:11,759  
falling down yeah it looked like it was

181  
00:07:17,350 --> 00:07:14,240  
going to crash and it was in distress

182  
00:07:19,270 --> 00:07:17,360  
yeah and then he he saw and but he never

183  
00:07:20,790 --> 00:07:19,280  
thought that it was a ufo you know he

184  
00:07:23,749 --> 00:07:20,800  
thought that it was a

185  
00:07:24,950 --> 00:07:23,759  
conventional airplane smaller plane so

186  
00:07:26,790 --> 00:07:24,960  
he went

187  
00:07:29,270 --> 00:07:26,800  
to check it out

188  
00:07:31,110 --> 00:07:29,280

to help

189

00:07:33,350 --> 00:07:31,120

because he thought there was some people

190

00:07:36,309 --> 00:07:33,360

inside so when he arrived

191

00:07:37,830 --> 00:07:36,319

he saw all the crash like all those

192

00:07:40,150 --> 00:07:37,840

pieces of the

193

00:07:41,589 --> 00:07:40,160

look like aluminium

194

00:07:48,629 --> 00:07:41,599

and

195

00:07:53,430 --> 00:07:49,589

yeah

196

00:07:56,150 --> 00:07:53,440

and then like maybe

197

00:07:59,189 --> 00:07:56,160

four to five minutes later the army

198

00:08:02,070 --> 00:07:59,199

trucks came from the other side of this

199

00:08:05,189 --> 00:08:02,080

field we call it's a farm actually we

200

00:08:06,710 --> 00:08:05,199

call fazendo mayolini newling farm

201  
00:08:08,070 --> 00:08:06,720  
and uh

202  
00:08:10,790 --> 00:08:08,080  
and he

203  
00:08:12,469 --> 00:08:10,800  
he reported that the

204  
00:08:14,790 --> 00:08:12,479  
the militarist came

205  
00:08:15,990 --> 00:08:14,800  
to him and uh

206  
00:08:17,270 --> 00:08:16,000  
they were like

207  
00:08:19,990 --> 00:08:17,280  
uh

208  
00:08:23,189 --> 00:08:20,000  
some militaries got off the trucks and

209  
00:08:26,230 --> 00:08:23,199  
they were picked up some pieces and one

210  
00:08:28,629 --> 00:08:26,240  
military spec especially came to him and

211  
00:08:29,990 --> 00:08:28,639  
point his gun and say hell get out of

212  
00:08:31,990 --> 00:08:30,000  
here you know

213  
00:08:34,469 --> 00:08:32,000

go away go away you know did they have

214

00:08:37,589 --> 00:08:34,479

to drop the pieces i mean did they yeah

215

00:08:40,469 --> 00:08:37,599

anyone get away with anything yeah uh no

216

00:08:42,389 --> 00:08:40,479

and he he headed uh one piece in his

217

00:08:43,990 --> 00:08:42,399

hand that's what he thought it was

218

00:08:47,110 --> 00:08:44,000

incredibly light

219

00:08:49,590 --> 00:08:47,120

and and when he crumpled it up it

220

00:08:51,990 --> 00:08:49,600

took shape again just like yeah the

221

00:08:53,269 --> 00:08:52,000

alleged roswell yeah and this guy gave

222

00:08:58,550 --> 00:08:53,279

one

223

00:09:01,990 --> 00:09:00,230

rodriguez

224

00:09:04,550 --> 00:09:02,000

very prominent norfolk brazilian

225

00:09:07,350 --> 00:09:04,560

researchers and then he went just

226

00:09:08,470 --> 00:09:07,360

gone for the better part of 26 years

227

00:09:10,150 --> 00:09:08,480

marco

228

00:09:12,550 --> 00:09:10,160

tracked him down i remember talking with

229

00:09:14,470 --> 00:09:12,560

marco about this in 2013 and said we've

230

00:09:16,470 --> 00:09:14,480

got to find this guy like we've got to

231

00:09:18,470 --> 00:09:16,480

find the crash the ufo crash witness

232

00:09:20,389 --> 00:09:18,480

that's everything that links

233

00:09:22,949 --> 00:09:20,399

potentially the creatures

234

00:09:26,710 --> 00:09:22,959

that you know clearly were seen in town

235

00:09:28,230 --> 00:09:26,720

in broad daylight to the ufo right

236

00:09:30,070 --> 00:09:28,240

and so marco

237

00:09:33,190 --> 00:09:30,080

tracked him down with a year or two ago

238

00:09:35,509 --> 00:09:33,200

yeah like 2018. me and my partners i

239

00:09:37,829 --> 00:09:35,519

have two partners which was investigated

240

00:09:40,790 --> 00:09:37,839

with me in brazil uh john marcel and

241

00:09:43,590 --> 00:09:40,800

jordan was rich so we were looking for

242

00:09:47,350 --> 00:09:43,600

the other weakness from this case so we

243

00:09:51,509 --> 00:09:47,360

had a very hard time to find them so we

244

00:09:55,590 --> 00:09:51,519

uh our other friend paul pilot he he

245

00:09:58,230 --> 00:09:55,600

reached him out so we found and we just

246

00:10:01,509 --> 00:09:58,240

went to talk to him and he told us

247

00:10:04,710 --> 00:10:01,519

um like the same story kind of the same

248

00:10:07,430 --> 00:10:04,720

story that he he used to

249

00:10:10,230 --> 00:10:07,440

tell in 1996 you know

250

00:10:12,069 --> 00:10:10,240

and uh and then the the thing is uh

251

00:10:13,670 --> 00:10:12,079

there's another couple

252

00:10:17,190 --> 00:10:13,680

which we call

253

00:10:21,750 --> 00:10:20,310

they probably saw like in the same day

254

00:10:25,590 --> 00:10:21,760

as carlos

255

00:10:27,750 --> 00:10:25,600

um this the same form of the same shape

256

00:10:29,670 --> 00:10:27,760

of this object they described the same

257

00:10:31,190 --> 00:10:29,680

thing two weeks

258

00:10:32,949 --> 00:10:31,200

there was about theirs was about two

259

00:10:34,710 --> 00:10:32,959

o'clock in the morning yeah one o'clock

260

00:10:37,269 --> 00:10:34,720

one o'clock in the morning and he saw it

261

00:10:38,949 --> 00:10:37,279

crash around five something a.m we don't

262

00:10:40,710 --> 00:10:38,959

know definitively that it was the same

263

00:10:42,310 --> 00:10:40,720

crap but we're everyone's quite

264

00:10:44,310 --> 00:10:42,320

confident that it was the same craft

265

00:10:52,310 --> 00:10:44,320

they described the exact same thing the

266

00:10:58,310 --> 00:10:55,110

yeah and um makes you wonder like let's

267

00:11:00,870 --> 00:10:58,320

just say this thing came from wherever

268

00:11:02,550 --> 00:11:00,880

wherever it came from of what makes

269

00:11:03,829 --> 00:11:02,560

something like this happen where it

270

00:11:06,389 --> 00:11:03,839

crashes you know i mean this is

271

00:11:09,350 --> 00:11:06,399

speculative but how how could something

272

00:11:12,550 --> 00:11:09,360

like wherever it came from get here and

273

00:11:14,230 --> 00:11:12,560

then have a gash in the side i mean

274

00:11:16,389 --> 00:11:14,240

don't you that i mean that's really

275

00:11:18,790 --> 00:11:16,399

bizarre yeah unless it was shot at in

276

00:11:19,670 --> 00:11:18,800

some space

277

00:11:21,190 --> 00:11:19,680

yeah

278

00:11:22,949 --> 00:11:21,200

it definitely had a gas in the side all

279

00:11:24,870 --> 00:11:22,959

the witnesses said that had a huge gap

280

00:11:26,949 --> 00:11:24,880

in the side white smoke billowing out

281

00:11:28,949 --> 00:11:26,959

the back amazing and it was in distress

282

00:11:30,710 --> 00:11:28,959

the way it was blind it was in distress

283

00:11:32,150 --> 00:11:30,720

it was not going to last long

284

00:11:34,870 --> 00:11:32,160

wow yeah

285

00:11:35,910 --> 00:11:34,880

really something and so all right so

286

00:11:38,389 --> 00:11:35,920

then

287

00:11:40,069 --> 00:11:38,399

uh time go was this like a day or two

288

00:11:43,350 --> 00:11:40,079

when people saw this the creatures

289

00:11:44,069 --> 00:11:43,360

afterwards or what happened a week

290

00:11:46,310 --> 00:11:44,079

so

291

00:11:49,269 --> 00:11:46,320

in the town of virginia was about 15 17

292

00:11:50,870 --> 00:11:49,279

miles away yeah 17 to 18 miles away

293

00:11:52,870 --> 00:11:50,880

nobody knows exactly how the creatures

294

00:11:54,150 --> 00:11:52,880

got whether they they

295

00:11:55,750 --> 00:11:54,160

exited from

296

00:11:57,350 --> 00:11:55,760

a skate pod or

297

00:11:59,430 --> 00:11:57,360

there's a river that connects the two

298

00:12:01,110 --> 00:11:59,440

sites from the crash site to the the

299

00:12:04,069 --> 00:12:01,120

site where the creatures were seen seven

300

00:12:06,310 --> 00:12:04,079

days later and captured um that's all

301  
00:12:08,870 --> 00:12:06,320  
speculation people don't just don't know

302  
00:12:11,030 --> 00:12:08,880  
like how they got there a week later

303  
00:12:13,509 --> 00:12:11,040  
um

304  
00:12:15,190 --> 00:12:13,519  
but anyway yeah so yeah and then the

305  
00:12:17,829 --> 00:12:15,200  
january 20

306  
00:12:19,110 --> 00:12:17,839  
the 20th uh so um

307  
00:12:21,670 --> 00:12:19,120  
some

308  
00:12:22,829 --> 00:12:21,680  
locals from the neighborhood which he

309  
00:12:26,949 --> 00:12:22,839  
calls

310  
00:12:29,910 --> 00:12:26,959  
georgie they saw uh right in the morning

311  
00:12:32,470 --> 00:12:29,920  
like around 10 o'clock some locals

312  
00:12:34,030 --> 00:12:32,480  
reported uh they saw some strange

313  
00:12:35,829 --> 00:12:34,040

creature in some

314

00:12:38,629 --> 00:12:35,839

[Music]

315

00:12:41,430 --> 00:12:38,639

some like brush

316

00:12:43,590 --> 00:12:41,440

and uh they called the

317

00:12:45,190 --> 00:12:43,600

the service like the fireman's the

318

00:12:48,230 --> 00:12:45,200

police officers

319

00:12:50,790 --> 00:12:48,240

and the firemen the fire

320

00:12:52,629 --> 00:12:50,800

brigade regret uh they're connected to

321

00:12:54,870 --> 00:12:52,639

the military because it's different in

322

00:12:56,310 --> 00:12:54,880

brazil the firemen are actually part of

323

00:12:58,150 --> 00:12:56,320

the military

324

00:12:59,350 --> 00:12:58,160

so if you're in the fire department

325

00:13:01,670 --> 00:12:59,360

you're connected to the military because

326

00:13:04,230 --> 00:13:01,680

it's different in brazil

327

00:13:06,790 --> 00:13:04,240

yeah so um one thing that really really

328

00:13:08,790 --> 00:13:06,800

fascinated me and i'm trying to find a

329

00:13:10,629 --> 00:13:08,800

depiction online i can't really find

330

00:13:12,629 --> 00:13:10,639

something right now but the description

331

00:13:15,350 --> 00:13:12,639

of what they were seeing the creatures

332

00:13:17,829 --> 00:13:15,360

and and first of all um so let's talk

333

00:13:18,949 --> 00:13:17,839

about when the young girls three uh with

334

00:13:21,509 --> 00:13:18,959

i think there are three young girls

335

00:13:24,230 --> 00:13:21,519

maybe one was a little older yeah but um

336

00:13:26,230 --> 00:13:24,240

they were walking in some like uh not an

337

00:13:28,870 --> 00:13:26,240

abandoned area but what yeah it was

338

00:13:30,949 --> 00:13:28,880

actually was uh very near from the first

339

00:13:31,910 --> 00:13:30,959

capture so the first capture in january

340

00:13:33,030 --> 00:13:31,920

20

341

00:13:37,910 --> 00:13:33,040

uh

342

00:13:40,710 --> 00:13:37,920

firemen

343

00:13:42,870 --> 00:13:40,720

so they found this creature

344

00:13:45,590 --> 00:13:42,880

and they did the first character and

345

00:13:47,189 --> 00:13:45,600

then when they met yeah with that and

346

00:13:49,670 --> 00:13:47,199

then they gave

347

00:13:52,230 --> 00:13:49,680

they gave the creature for the army uh

348

00:13:54,389 --> 00:13:52,240

right in the morning of january 20 so

349

00:13:58,389 --> 00:13:54,399

and then the same day

350

00:13:59,670 --> 00:13:58,399

in through 3 30 uh in the afternoon

351  
00:14:02,310 --> 00:13:59,680  
uh the

352  
00:14:04,710 --> 00:14:02,320  
the three girls was walking in through

353  
00:14:05,990 --> 00:14:04,720  
this field take a little shortcut home

354  
00:14:07,430 --> 00:14:06,000  
yeah yeah yeah

355  
00:14:10,550 --> 00:14:07,440  
and then they

356  
00:14:12,710 --> 00:14:10,560  
lily was a little further

357  
00:14:16,230 --> 00:14:12,720  
and she saw uh

358  
00:14:19,590 --> 00:14:16,240  
this really strange creature and the her

359  
00:14:22,069 --> 00:14:19,600  
sisters of valkyria and karcher javier

360  
00:14:24,870 --> 00:14:22,079  
which was another friend of them

361  
00:14:28,629 --> 00:14:24,880  
the two sisters and a friend yeah katya

362  
00:14:32,310 --> 00:14:28,639  
was 21. liliana was 16 and bulgaria was

363  
00:14:35,189 --> 00:14:32,320

14 years old it was broad daylight yeah

364

00:14:37,670 --> 00:14:35,199

and then they saw this christian and

365

00:14:38,790 --> 00:14:37,680

they never thought that it was a name

366

00:14:40,949 --> 00:14:38,800

because they

367

00:14:43,030 --> 00:14:40,959

they actually they didn't know what was

368

00:14:45,269 --> 00:14:43,040

a name they just described it like a

369

00:14:47,269 --> 00:14:45,279

devil you know

370

00:14:49,509 --> 00:14:47,279

yeah you hear you hear a lot of people

371

00:14:52,310 --> 00:14:49,519

say basically the same thing they they

372

00:14:55,750 --> 00:14:52,320

have no idea a person you think of is

373

00:14:58,230 --> 00:14:55,760

you know evil satanic or or whatever and

374

00:14:59,430 --> 00:14:58,240

this this sort of did but i i think it's

375

00:15:02,550 --> 00:14:59,440

amazing

376

00:15:05,110 --> 00:15:02,560

about the odor and that these that the

377

00:15:07,030 --> 00:15:05,120

odor is stuck with these people they're

378

00:15:09,269 --> 00:15:07,040

all saying the same thing they can't get

379

00:15:11,910 --> 00:15:09,279

it out of their nostrils yeah one woman

380

00:15:14,310 --> 00:15:11,920

is rinsing with alcohol and her nostrils

381

00:15:15,990 --> 00:15:14,320

trying to get this smell out i gotta say

382

00:15:18,550 --> 00:15:16,000

one thing quickly that i neglected to

383

00:15:19,990 --> 00:15:18,560

say earlier on and that is that i didn't

384

00:15:22,470 --> 00:15:20,000

believe this case

385

00:15:24,550 --> 00:15:22,480

when i first heard about it

386

00:15:28,069 --> 00:15:24,560

i was making out of the blue

387

00:15:30,389 --> 00:15:28,079

yep with a guy uh boris and

388

00:15:33,670 --> 00:15:30,399

tim coleman

389

00:15:35,749 --> 00:15:33,680

and um tim had told me about it i think

390

00:15:38,389 --> 00:15:35,759

in the late 90s

391

00:15:40,710 --> 00:15:38,399

and uh and i just completely dismissed

392

00:15:43,590 --> 00:15:40,720

it and it's funny because i was making a

393

00:15:45,749 --> 00:15:43,600

documentary on ufos

394

00:15:47,430 --> 00:15:45,759

when i heard about this case and i just

395

00:15:49,509 --> 00:15:47,440

thought this is no way that that

396

00:15:51,829 --> 00:15:49,519

happened and i completely dismissed it

397

00:15:53,509 --> 00:15:51,839

and i actually laughed with my buddy tim

398

00:15:55,990 --> 00:15:53,519

and i'll get back to the relevance of

399

00:15:58,069 --> 00:15:56,000

this in a minute and then fast forward

400

00:15:59,829 --> 00:15:58,079

probably 10 years

401  
00:16:01,350 --> 00:15:59,839  
i was going to brazil maybe a little

402  
00:16:03,269 --> 00:16:01,360  
more than 10 years i was going to brazil

403  
00:16:05,430 --> 00:16:03,279  
to do this conference

404  
00:16:06,870 --> 00:16:05,440  
and um and i talked to a guy who's high

405  
00:16:09,269 --> 00:16:06,880  
up on the food chain the entertainment

406  
00:16:10,550 --> 00:16:09,279  
industry very respected guy in fact i'll

407  
00:16:12,710 --> 00:16:10,560  
just give his name his name is jeff

408  
00:16:13,990 --> 00:16:12,720  
sieganski and jeff called me he's like

409  
00:16:16,389 --> 00:16:14,000  
oh you're going to brazil you've got to

410  
00:16:18,310 --> 00:16:16,399  
look into the virginia case

411  
00:16:20,150 --> 00:16:18,320  
and i was like you mean with the live

412  
00:16:21,590 --> 00:16:20,160  
aliens walking around the tunnels all

413  
00:16:23,670 --> 00:16:21,600

sure jeff i'll look into it for you

414

00:16:24,870 --> 00:16:23,680

click and i had zero intention of

415

00:16:27,430 --> 00:16:24,880

looking at this i'm not gonna waste my

416

00:16:29,430 --> 00:16:27,440

time on that fantasy right there's no

417

00:16:31,749 --> 00:16:29,440

way that that happened i mean it was so

418

00:16:34,150 --> 00:16:31,759

i can't believe how quickly i dismissed

419

00:16:36,470 --> 00:16:34,160

it and this is after my my third film on

420

00:16:37,829 --> 00:16:36,480

ufos i've done i know what i saw at that

421

00:16:39,509 --> 00:16:37,839

point right

422

00:16:41,350 --> 00:16:39,519

but to me

423

00:16:43,189 --> 00:16:41,360

to have

424

00:16:46,069 --> 00:16:43,199

allegedly

425

00:16:47,670 --> 00:16:46,079

a ufo crash and live

426

00:16:50,230 --> 00:16:47,680

aliens

427

00:16:51,509 --> 00:16:50,240

walking around this town it was like you

428

00:16:52,710 --> 00:16:51,519

got to be kidding me you know what i

429

00:16:54,870 --> 00:16:52,720

mean

430

00:16:56,470 --> 00:16:54,880

and now here i am all these years later

431

00:16:58,389 --> 00:16:56,480

and i'm you know time is the most

432

00:16:59,910 --> 00:16:58,399

precious thing we have in life yeah i

433

00:17:01,430 --> 00:16:59,920

would never waste

434

00:17:02,550 --> 00:17:01,440

years investigating something if i

435

00:17:04,789 --> 00:17:02,560

didn't think there was something to it

436

00:17:05,990 --> 00:17:04,799

yeah and now i'm absolutely convinced

437

00:17:08,549 --> 00:17:06,000

and not only mike

438

00:17:13,829 --> 00:17:08,559

i had a friend of mine

439

00:17:18,390 --> 00:17:16,870

he is a very dear friend highly

440

00:17:21,909 --> 00:17:18,400

skeptical of the whole

441

00:17:23,669 --> 00:17:21,919

subject matter a lot less so recently

442

00:17:25,990 --> 00:17:23,679

he watched it

443

00:17:27,110 --> 00:17:26,000

last week yeah and he called me up and

444

00:17:29,110 --> 00:17:27,120

he said

445

00:17:30,789 --> 00:17:29,120

holy bleep

446

00:17:32,870 --> 00:17:30,799

yeah i think this is the best film

447

00:17:35,190 --> 00:17:32,880

you've ever done because i actually

448

00:17:37,110 --> 00:17:35,200

believe this case now yeah

449

00:17:38,710 --> 00:17:37,120

and this is coming from so i knew i was

450

00:17:40,710 --> 00:17:38,720

like i just wanted to

451  
00:17:42,070 --> 00:17:40,720  
i just wanted your audience to know i

452  
00:17:43,669 --> 00:17:42,080  
get if anyone out there is thinking

453  
00:17:45,669 --> 00:17:43,679  
there's no way this happened and i just

454  
00:17:48,789 --> 00:17:45,679  
can't believe this is too outlandish

455  
00:17:50,789 --> 00:17:48,799  
james has lost his mind you know i get

456  
00:17:52,630 --> 00:17:50,799  
that yeah and i understand exactly how

457  
00:17:54,630 --> 00:17:52,640  
you how you would think that what they

458  
00:17:56,789 --> 00:17:54,640  
just say and i actually had a tv crew

459  
00:17:59,190 --> 00:17:56,799  
here interviewing me months ago i just

460  
00:18:01,110 --> 00:17:59,200  
gotten back from brazil

461  
00:18:02,710 --> 00:18:01,120  
quite mainstream tv crew filming me in

462  
00:18:03,750 --> 00:18:02,720  
the other room over here and they said i

463  
00:18:05,990 --> 00:18:03,760

always want to talk to you about you

464

00:18:07,830 --> 00:18:06,000

took brazil on camera and i said yeah i

465

00:18:10,150 --> 00:18:07,840

know i don't think so whatever you don't

466

00:18:12,150 --> 00:18:10,160

think so i think it's your audience

467

00:18:13,990 --> 00:18:12,160

going to think i'm nuts

468

00:18:15,669 --> 00:18:14,000

and so i said you need to see the film

469

00:18:16,630 --> 00:18:15,679

you need to see the evidence and then

470

00:18:18,470 --> 00:18:16,640

you can

471

00:18:20,549 --> 00:18:18,480

you know draw your inclusion if i just

472

00:18:23,190 --> 00:18:20,559

talk about it now you're going to say

473

00:18:25,669 --> 00:18:23,200

all right this guy's a wacko and uh yeah

474

00:18:26,549 --> 00:18:25,679

yeah so i just had to let your audience

475

00:18:28,390 --> 00:18:26,559

know

476

00:18:30,950 --> 00:18:28,400

that this is not something that i would

477

00:18:32,150 --> 00:18:30,960

just blindly believe happened without

478

00:18:35,029 --> 00:18:32,160

extensive

479

00:18:37,110 --> 00:18:35,039

you know research and and multiple trips

480

00:18:38,390 --> 00:18:37,120

there and talking to the witnesses and

481

00:18:39,430 --> 00:18:38,400

mark and i

482

00:18:40,830 --> 00:18:39,440

you know

483

00:18:45,190 --> 00:18:40,840

um

484

00:18:47,990 --> 00:18:45,200

even times when you

485

00:18:49,990 --> 00:18:48,000

were questioning what a genre did in 180

486

00:18:52,070 --> 00:18:50,000

years yeah

487

00:18:54,870 --> 00:18:52,080

because those guys was the uh the

488

00:19:05,350 --> 00:18:54,880

leading investigators yes exactly so and

489

00:19:08,870 --> 00:19:07,510

and all the media was looking to this

490

00:19:11,909 --> 00:19:08,880

case because

491

00:19:14,390 --> 00:19:11,919

you know the girls very yes you know

492

00:19:16,390 --> 00:19:14,400

very authentic yeah oh yeah and and

493

00:19:17,110 --> 00:19:16,400

speaking of that let me just ask you

494

00:19:19,510 --> 00:19:17,120

this

495

00:19:21,430 --> 00:19:19,520

james when you're a few of these people

496

00:19:23,590 --> 00:19:21,440

wanted to be anonymous and did not want

497

00:19:26,310 --> 00:19:23,600

to be on camera yet you did the behind

498

00:19:27,830 --> 00:19:26,320

shot facing forward i'm trying not to

499

00:19:30,230 --> 00:19:27,840

get too much away yeah

500

00:19:32,310 --> 00:19:30,240

but when you were facing them

501  
00:19:34,630 --> 00:19:32,320  
in the eye and talking to them yes do

502  
00:19:35,430 --> 00:19:34,640  
you just feel like 100

503  
00:19:36,830 --> 00:19:35,440  
oh

504  
00:19:40,310 --> 00:19:36,840  
yeah no doubt

505  
00:19:43,190 --> 00:19:40,320  
absolutely 100 120

506  
00:19:44,230 --> 00:19:43,200  
yeah oh my god yes and what he went

507  
00:19:46,630 --> 00:19:44,240  
through

508  
00:19:48,150 --> 00:19:46,640  
what we when we were in brazil on this

509  
00:19:50,950 --> 00:19:48,160  
on military i'll refer to him as

510  
00:19:52,390 --> 00:19:50,960  
military x he's the most significant

511  
00:19:54,390 --> 00:19:52,400  
eyewitness yeah

512  
00:19:56,630 --> 00:19:54,400  
in the history of the case by a long

513  
00:19:58,230 --> 00:19:56,640

shot his testimony will

514

00:20:01,270 --> 00:19:58,240

just blow your mind

515

00:20:02,870 --> 00:20:01,280

and it does he yeah he

516

00:20:04,549 --> 00:20:02,880

he was like all the money in the world

517

00:20:06,470 --> 00:20:04,559

will not get me to come forward because

518

00:20:08,470 --> 00:20:06,480

he had met him like 10 months earlier or

519

00:20:11,110 --> 00:20:08,480

11 months earlier

520

00:20:13,430 --> 00:20:11,120

slowly just developing a relationship

521

00:20:16,390 --> 00:20:13,440

the the the military weakness was

522

00:20:17,990 --> 00:20:16,400

suspecting that uh that he was like part

523

00:20:20,070 --> 00:20:18,000

of intelligence coming up you know so

524

00:20:23,590 --> 00:20:20,080

just to get a meeting with this guy took

525

00:20:27,430 --> 00:20:23,600

marco a lot and then when when i came

526

00:20:29,029 --> 00:20:27,440

into virginia area marco was like hey

527

00:20:30,950 --> 00:20:29,039

you know wanted to meet this fella we're

528

00:20:33,510 --> 00:20:30,960

doing the movie together but what and he

529

00:20:34,789 --> 00:20:33,520

was like okay well i'll you know

530

00:20:36,710 --> 00:20:34,799

spare you the details on how it

531

00:20:38,870 --> 00:20:36,720

eventually came down i'll eat

532

00:20:40,630 --> 00:20:38,880

a coffee or a drink and we drove hours

533

00:20:42,230 --> 00:20:40,640

into the night and met with him

534

00:20:44,390 --> 00:20:42,240

and looked him in the eyes and you know

535

00:20:47,750 --> 00:20:44,400

talked to him for for several hours yeah

536

00:20:50,149 --> 00:20:47,760

and then um then he was like maybe maybe

537

00:20:52,390 --> 00:20:50,159

i will maybe i won't he was walking back

538

00:20:53,669 --> 00:20:52,400

and forth and it was like

539

00:20:55,909 --> 00:20:53,679

i think it might have been a sunday it

540

00:20:57,669 --> 00:20:55,919

was a couple days later maybe i'll do it

541

00:20:58,789 --> 00:20:57,679

wednesday or i don't know and i was of

542

00:21:01,110 --> 00:20:58,799

course thinking about this guy's

543

00:21:02,310 --> 00:21:01,120

teetering yeah you know and it was like

544

00:21:03,909 --> 00:21:02,320

i think it was like a sunday and i

545

00:21:05,990 --> 00:21:03,919

finally said hey man let's do it right

546

00:21:07,270 --> 00:21:06,000

now yeah right now because i was

547

00:21:08,549 --> 00:21:07,280

thinking by the time wednesday comes

548

00:21:10,149 --> 00:21:08,559

around he's going to change his mind he

549

00:21:11,590 --> 00:21:10,159

might get a phone call he's going to

550

00:21:13,430 --> 00:21:11,600

sleep on it he's going to change his

551  
00:21:14,830 --> 00:21:13,440  
mind i mean this guy was like

552  
00:21:18,470 --> 00:21:14,840  
right

553  
00:21:20,789 --> 00:21:18,480  
yeah super paranoid yeah oh my god super

554  
00:21:22,390 --> 00:21:20,799  
paranoid and then it was like it was

555  
00:21:24,870 --> 00:21:22,400  
just it was

556  
00:21:26,870 --> 00:21:24,880  
right was the most tenuous situation of

557  
00:21:28,310 --> 00:21:26,880  
any interview i've ever done

558  
00:21:29,830 --> 00:21:28,320  
in terms of like it could have fallen

559  
00:21:32,470 --> 00:21:29,840  
apart at any moment we were driving

560  
00:21:34,310 --> 00:21:32,480  
hours to get to his location we had no

561  
00:21:36,230 --> 00:21:34,320  
secure place to film he was terrified of

562  
00:21:38,390 --> 00:21:36,240  
being seen with us with cameras like

563  
00:21:40,310 --> 00:21:38,400

that was going to destroy him he was so

564

00:21:41,590 --> 00:21:40,320

terrified now let me ask you this did

565

00:21:43,430 --> 00:21:41,600

anyone

566

00:21:46,070 --> 00:21:43,440

say something to you

567

00:21:48,390 --> 00:21:46,080

like off the record or off air not being

568

00:21:49,590 --> 00:21:48,400

recorded and they say i don't want to

569

00:21:51,909 --> 00:21:49,600

say that

570

00:21:53,350 --> 00:21:51,919

oh yeah yeah i mean yeah marco and i had

571

00:21:56,789 --> 00:21:53,360

confirmation

572

00:21:59,830 --> 00:21:56,799

nobody i mean i don't know anybody else

573

00:22:02,470 --> 00:21:59,840

has had we we interviewed jose carlos

574

00:22:03,909 --> 00:22:02,480

guerrero who was a general a brigadier

575

00:22:07,909 --> 00:22:03,919

of the year brigade

576

00:22:09,029 --> 00:22:07,919

air force it was like 2013 yeah 2013.

577

00:22:10,230 --> 00:22:09,039

and he didn't want to talk about

578

00:22:12,310 --> 00:22:10,240

virginia didn't want to talk about

579

00:22:14,230 --> 00:22:12,320

virginia and then after the end of the

580

00:22:16,710 --> 00:22:14,240

interview we talked about some pretty

581

00:22:18,789 --> 00:22:16,720

neat stuff and he's kind of like

582

00:22:19,909 --> 00:22:18,799

speculated

583

00:22:21,270 --> 00:22:19,919

or

584

00:22:23,669 --> 00:22:21,280

gave a

585

00:22:25,590 --> 00:22:23,679

possible scenario of what would happen

586

00:22:27,510 --> 00:22:25,600

if something like that did happen and

587

00:22:29,669 --> 00:22:27,520

they would kind of talk about that way

588

00:22:31,430 --> 00:22:29,679

but after the cameras were off

589

00:22:33,510 --> 00:22:31,440

and i looked in the eye

590

00:22:35,510 --> 00:22:33,520

and i said i swear on my life there are

591

00:22:38,710 --> 00:22:35,520

no recording devices none of this and

592

00:22:39,590 --> 00:22:38,720

please we were both pleased just pleased

593

00:22:41,270 --> 00:22:39,600

you know

594

00:22:43,510 --> 00:22:41,280

did virginia happen

595

00:22:45,430 --> 00:22:43,520

and i wouldn't reveal this he's dead now

596

00:22:46,870 --> 00:22:45,440

but we have the meeting on camera we

597

00:22:49,270 --> 00:22:46,880

don't have that part of the camera we

598

00:22:50,870 --> 00:22:49,280

said please did it happen and he said

599

00:22:52,950 --> 00:22:50,880

it happened

600

00:22:55,909 --> 00:22:52,960

and so mark and i were like

601  
00:22:58,070 --> 00:22:55,919  
oh my gosh it was amazing it was so

602  
00:23:00,390 --> 00:22:58,080  
unbelievable man

603  
00:23:03,190 --> 00:23:00,400  
that kind of kept us both or

604  
00:23:05,270 --> 00:23:03,200  
you know yeah that those kind of

605  
00:23:07,270 --> 00:23:05,280  
um confirmations

606  
00:23:09,110 --> 00:23:07,280  
that are completely off the record no

607  
00:23:10,870 --> 00:23:09,120  
recording devices whatsoever yeah that

608  
00:23:11,909 --> 00:23:10,880  
kind of keeps you going

609  
00:23:14,789 --> 00:23:11,919  
yeah

610  
00:23:16,390 --> 00:23:14,799  
you are asking i was begging you

611  
00:23:18,310 --> 00:23:16,400  
i was on my hands when you're

612  
00:23:19,909 --> 00:23:18,320  
actually looking at the boots i said oh

613  
00:23:21,909 --> 00:23:19,919

here's

614

00:23:24,070 --> 00:23:21,919

like this time you know when you're

615

00:23:27,830 --> 00:23:24,080

learning to come here to go for this

616

00:23:29,909 --> 00:23:27,840

case and he decided to telling you about

617

00:23:33,270 --> 00:23:29,919

it and you yeah yeah

618

00:23:35,029 --> 00:23:33,280

so marco how did you find these people

619

00:23:37,110 --> 00:23:35,039

are it's probably not something you go

620

00:23:39,110 --> 00:23:37,120

on the internet to search someone yeah

621

00:23:41,190 --> 00:23:39,120

no so how do you is it like through

622

00:23:42,950 --> 00:23:41,200

networking like do you know this person

623

00:23:46,070 --> 00:23:42,960

that may know this person that may know

624

00:23:48,710 --> 00:23:46,080

this yes i think like like a

625

00:23:49,510 --> 00:23:48,720

field researcher researcher you know

626  
00:23:52,630 --> 00:23:49,520  
like

627  
00:23:55,350 --> 00:23:52,640  
i went to virginia many times many times

628  
00:23:57,750 --> 00:23:55,360  
in the world i was talking to people and

629  
00:24:00,789 --> 00:23:57,760  
they were connecting us but i have these

630  
00:24:03,029 --> 00:24:00,799  
two very partners friends john and

631  
00:24:04,390 --> 00:24:03,039  
jordan so we were

632  
00:24:06,230 --> 00:24:04,400  
looking into

633  
00:24:10,390 --> 00:24:06,240  
the whole uh

634  
00:24:14,390 --> 00:24:13,029  
and we had all the names of the weakness

635  
00:24:15,669 --> 00:24:14,400  
and we knew

636  
00:24:18,950 --> 00:24:15,679  
uh

637  
00:24:21,029 --> 00:24:18,960  
like all the weakness so we we just

638  
00:24:23,830 --> 00:24:21,039

reached out from the

639

00:24:26,390 --> 00:24:23,840

from this uh witness

640

00:24:28,710 --> 00:24:26,400

and but it was very hard you know very

641

00:24:29,750 --> 00:24:28,720

hard to get all together

642

00:24:36,950 --> 00:24:29,760

and

643

00:24:38,789 --> 00:24:36,960

yeah that guy was like

644

00:24:39,990 --> 00:24:38,799

for years he had a relationship with

645

00:24:41,110 --> 00:24:40,000

this guy he wouldn't do it he wouldn't

646

00:24:43,110 --> 00:24:41,120

do it he wouldn't do it he wouldn't do

647

00:24:47,269 --> 00:24:43,120

it yeah and then finally

648

00:24:49,909 --> 00:24:47,279

he gets uh dr x is retired and he says

649

00:24:51,990 --> 00:24:49,919

i'll do it but you can't fill my face

650

00:24:53,669 --> 00:24:52,000

you have to disguise my voice and she

651  
00:24:54,789 --> 00:24:53,679  
gave us a photograph these are all

652  
00:24:55,909 --> 00:24:54,799  
legitimate

653  
00:24:58,230 --> 00:24:55,919  
bona fide

654  
00:24:59,510 --> 00:24:58,240  
um witnesses like none of these these

655  
00:25:02,390 --> 00:24:59,520  
witnesses are

656  
00:25:03,669 --> 00:25:02,400  
are um what's the word i'm looking for

657  
00:25:04,710 --> 00:25:03,679  
that have been

658  
00:25:06,710 --> 00:25:04,720  
um

659  
00:25:10,470 --> 00:25:06,720  
verified these are not yeah you know

660  
00:25:12,789 --> 00:25:10,480  
what i mean like these are legitimate um

661  
00:25:16,070 --> 00:25:12,799  
witnesses and and

662  
00:25:18,870 --> 00:25:16,080  
that guy's story talking about taking an

663  
00:25:21,430 --> 00:25:18,880

x-ray what was probably the alien like

664

00:25:23,269 --> 00:25:21,440

yes and the smell and like yeah like

665

00:25:25,350 --> 00:25:23,279

that's the doctor that worked on the

666

00:25:27,990 --> 00:25:25,360

military guy who died

667

00:25:30,230 --> 00:25:28,000

marco trumisi yeah

668

00:25:31,750 --> 00:25:30,240

the guy like and he was on camera

669

00:25:33,350 --> 00:25:31,760

talking about like

670

00:25:34,710 --> 00:25:33,360

you know

671

00:25:37,190 --> 00:25:34,720

the guy he worked on he's like i've

672

00:25:39,590 --> 00:25:37,200

never seen in prior 45 years been a

673

00:25:41,990 --> 00:25:39,600

doctor never prior to the incident and

674

00:25:43,590 --> 00:25:42,000

never acted in he's ever seen anything

675

00:25:45,110 --> 00:25:43,600

like in his life he said they were

676  
00:25:47,190 --> 00:25:45,120  
throwing every bit of antibiotics in the

677  
00:25:49,430 --> 00:25:47,200  
sky and his immune system was shutting

678  
00:25:51,110 --> 00:25:49,440  
off he was 23 years old super duper

679  
00:25:53,430 --> 00:25:51,120  
healthy yes

680  
00:25:55,269 --> 00:25:53,440  
he died from him he carried the beast he

681  
00:25:57,590 --> 00:25:55,279  
carried the bean he grabbed it with his

682  
00:25:59,350 --> 00:25:57,600  
own hands and he put it on his lap in

683  
00:26:01,750 --> 00:25:59,360  
the back seat and took it to the local

684  
00:26:02,789 --> 00:26:01,760  
hospital with a guy named eric lopes

685  
00:26:03,830 --> 00:26:02,799  
driving

686  
00:26:05,990 --> 00:26:03,840  
yeah

687  
00:26:08,950 --> 00:26:06,000  
and and then he just became sick right

688  
00:26:13,110 --> 00:26:08,960

away uh what within a week yeah he had

689

00:26:15,350 --> 00:26:13,120

this oily yeah it was like he um

690

00:26:17,190 --> 00:26:15,360

february then he

691

00:26:19,750 --> 00:26:17,200

he went to the

692

00:26:22,470 --> 00:26:19,760

yeah to the hospital so he captured it

693

00:26:25,350 --> 00:26:22,480

on january 20th yeah in the evening yeah

694

00:26:28,149 --> 00:26:25,360

during a major rainstorm oh yeah yeah

695

00:26:29,669 --> 00:26:28,159

and then on february 15 he admitted to

696

00:26:31,590 --> 00:26:29,679

the hospital

697

00:26:32,390 --> 00:26:31,600

night okay yeah so

698

00:26:33,510 --> 00:26:32,400

yeah

699

00:26:35,909 --> 00:26:33,520

three weeks

700

00:26:38,710 --> 00:26:35,919

yeah yeah very very quickly

701  
00:26:39,750 --> 00:26:38,720  
and was did anyone else have any health

702  
00:26:41,590 --> 00:26:39,760  
issues

703  
00:26:43,669 --> 00:26:41,600  
i know that people you know we're

704  
00:26:45,830 --> 00:26:43,679  
talking about and i really love it when

705  
00:26:48,149 --> 00:26:45,840  
you like you talk to this woman i forget

706  
00:26:50,870 --> 00:26:48,159  
where she was or whatever and described

707  
00:26:52,710 --> 00:26:50,880  
it and everyone kind of says the same

708  
00:26:54,870 --> 00:26:52,720  
thing sort of like between ammonia and

709  
00:26:58,390 --> 00:26:54,880  
sulfur yeah or maybe a mixture of the

710  
00:27:00,630 --> 00:26:58,400  
two and oily skin and the worst smell

711  
00:27:03,029 --> 00:27:00,640  
and it would linger for days days and

712  
00:27:05,029 --> 00:27:03,039  
days and days yeah and they didn't they

713  
00:27:07,269 --> 00:27:05,039

say they had to close something because

714

00:27:09,190 --> 00:27:07,279

they just like a hospital or a party

715

00:27:11,269 --> 00:27:09,200

yeah they couldn't they didn't shut off

716

00:27:13,590 --> 00:27:11,279

the wing of the hospital for a long time

717

00:27:15,669 --> 00:27:13,600

because the smell was so

718

00:27:18,950 --> 00:27:15,679

so bad it was unusable they just did all

719

00:27:22,389 --> 00:27:18,960

this disinfecting and that didn't do it

720

00:27:25,269 --> 00:27:22,399

um things must be venusians

721

00:27:27,269 --> 00:27:25,279

well you know i i have to mention dr

722

00:27:30,269 --> 00:27:27,279

roger leader

723

00:27:33,350 --> 00:27:30,279

because in

724

00:27:35,269 --> 00:27:33,360

2014 i'm going to say

725

00:27:37,830 --> 00:27:35,279

uh we were doing

726

00:27:39,190 --> 00:27:37,840

uh which was then kind of 701

727

00:27:41,190 --> 00:27:39,200

uh

728

00:27:43,430 --> 00:27:41,200

and in los angeles we're doing a series

729

00:27:45,990 --> 00:27:43,440

of shoots and i had just gone

730

00:27:47,190 --> 00:27:46,000

with the help of randall nickerson

731

00:27:49,669 --> 00:27:47,200

um

732

00:27:53,430 --> 00:27:49,679

look you got got the witness from rua

733

00:27:56,549 --> 00:27:53,440

the 1994 uh laning case in contact case

734

00:27:57,430 --> 00:27:56,559

in in in zimbabwe rui zimbabwe aerial

735

00:28:00,070 --> 00:27:57,440

school

736

00:28:02,070 --> 00:28:00,080

and um

737

00:28:04,630 --> 00:28:02,080

dr lear and they were all coming in for

738

00:28:06,870 --> 00:28:04,640

interviews and and i was uh you know i

739

00:28:08,710 --> 00:28:06,880

did have virginia on the back burner dr

740

00:28:11,590 --> 00:28:08,720

lear found out i was doing something on

741

00:28:13,510 --> 00:28:11,600

on virginia my focus at the time was rua

742

00:28:15,669 --> 00:28:13,520

but i still was you know investigating

743

00:28:17,909 --> 00:28:15,679

that one as well and he was just adamant

744

00:28:19,350 --> 00:28:17,919

to get on camera unfortunately he didn't

745

00:28:20,630 --> 00:28:19,360

tell me i have cancer and i'm dying

746

00:28:23,590 --> 00:28:20,640

otherwise i would have made it more of a

747

00:28:26,149 --> 00:28:23,600

priority but he did get me these tapes

748

00:28:28,710 --> 00:28:26,159

and i'm kicking myself now that i didn't

749

00:28:32,230 --> 00:28:28,720

get a chance to ask him about specifics

750

00:28:33,750 --> 00:28:32,240

because he traveled to virginia in 2002

751  
00:28:36,149 --> 00:28:33,760  
and he did a bunch of great interviews

752  
00:28:39,510 --> 00:28:36,159  
yeah so this is before

753  
00:28:41,110 --> 00:28:39,520  
the two leading brazilian researchers

754  
00:28:43,510 --> 00:28:41,120  
packaging

755  
00:28:45,350 --> 00:28:43,520  
rodriguez who's also a lawyer in the

756  
00:28:47,750 --> 00:28:45,360  
town of virginia

757  
00:28:49,430 --> 00:28:47,760  
did a 180 he did a 180 either that i

758  
00:28:52,230 --> 00:28:49,440  
just completely won't talk to anybody

759  
00:28:53,830 --> 00:28:52,240  
ever again and that was in about 2005.

760  
00:28:56,070 --> 00:28:53,840  
something like that rightfully

761  
00:28:58,470 --> 00:28:56,080  
came out and so anyway i got these i got

762  
00:29:00,470 --> 00:28:58,480  
these tapes and then i made copies of

763  
00:29:02,070 --> 00:29:00,480

them i sent it back to dr rodrigo and he

764

00:29:03,110 --> 00:29:02,080

died

765

00:29:04,389 --> 00:29:03,120

so

766

00:29:06,389 --> 00:29:04,399

i didn't even have a chance to even go

767

00:29:08,070 --> 00:29:06,399

through the tapes at the time i was so

768

00:29:09,430 --> 00:29:08,080

busy with other things of course but

769

00:29:11,510 --> 00:29:09,440

like i don't know

770

00:29:14,070 --> 00:29:11,520

a couple months ago

771

00:29:16,470 --> 00:29:14,080

i'm like marco i've got these tapes

772

00:29:19,909 --> 00:29:16,480

of roger lear's trip in 2002 and it was

773

00:29:21,430 --> 00:29:19,919

a treasure trove of gold because we had

774

00:29:23,510 --> 00:29:21,440

the participation he had the

775

00:29:25,510 --> 00:29:23,520

participation of the leading brazilian

776

00:29:28,149 --> 00:29:25,520

researchers on camera talking about the

777

00:29:30,710 --> 00:29:28,159

case showing this in great detail going

778

00:29:32,549 --> 00:29:30,720

to the fire department going to the back

779

00:29:34,630 --> 00:29:32,559

side of the humanitarian hospital where

780

00:29:37,110 --> 00:29:34,640

the creatures were taken like

781

00:29:39,110 --> 00:29:37,120

all these amazing details yeah and uh

782

00:29:40,310 --> 00:29:39,120

interviewing his wife me interviewing

783

00:29:42,149 --> 00:29:40,320

democracy

784

00:29:43,990 --> 00:29:42,159

marco truisi the military police officer

785

00:29:46,870 --> 00:29:44,000

was deceased after allegedly capturing

786

00:29:48,950 --> 00:29:46,880

the creature an interview with her like

787

00:29:49,909 --> 00:29:48,960

um and then i also got his book and i

788

00:29:52,070 --> 00:29:49,919

was reading his book and there were

789

00:29:53,190 --> 00:29:52,080

details that i wish i could have i

790

00:29:55,110 --> 00:29:53,200

really wish i could have gotten the

791

00:29:55,909 --> 00:29:55,120

opportunity to interview

792

00:29:57,510 --> 00:29:55,919

um

793

00:30:00,310 --> 00:29:57,520

dr leo because there were details in his

794

00:30:02,389 --> 00:30:00,320

book that were not taped because the

795

00:30:04,149 --> 00:30:02,399

book is basically a transcript of of the

796

00:30:06,230 --> 00:30:04,159

tapes because i watched the tapes and i

797

00:30:08,870 --> 00:30:06,240

read the book but there are some

798

00:30:11,029 --> 00:30:08,880

meetings that he was not allowed to

799

00:30:13,590 --> 00:30:11,039

have recording devices in and he details

800

00:30:17,669 --> 00:30:13,600

those meetings anonymously the doctors

801  
00:30:19,269 --> 00:30:17,679  
from so-and-so uh in his book and

802  
00:30:21,590 --> 00:30:19,279  
subsequently and

803  
00:30:23,990 --> 00:30:21,600  
i can tell you that the details in that

804  
00:30:25,830 --> 00:30:24,000  
book of an alleged encounter with two

805  
00:30:28,310 --> 00:30:25,840  
doctors that apparently worked on one of

806  
00:30:31,029 --> 00:30:28,320  
the live aliens i'm not saying it's true

807  
00:30:33,110 --> 00:30:31,039  
or it's not true according to roger lear

808  
00:30:34,230 --> 00:30:33,120  
it happened and i have no reason not to

809  
00:30:36,230 --> 00:30:34,240  
believe it because we know that one of

810  
00:30:38,470 --> 00:30:36,240  
them survived one of the creatures alive

811  
00:30:40,149 --> 00:30:38,480  
one of them was dead do we know how long

812  
00:30:42,870 --> 00:30:40,159  
that one was living how long went to

813  
00:30:45,350 --> 00:30:42,880

campinas alive right yeah that's what i

814

00:30:46,950 --> 00:30:45,360

would have said

815

00:30:48,470 --> 00:30:46,960

footage but uh there are other people

816

00:31:01,190 --> 00:30:48,480

with witnesses that heard it making a

817

00:31:05,430 --> 00:31:04,149

you know acknowledge uh dr roger laird

818

00:31:07,909 --> 00:31:05,440

if there's anybody out there that

819

00:31:08,630 --> 00:31:07,919

remembers phil sirens i believe his name

820

00:31:11,990 --> 00:31:08,640

is

821

00:31:14,950 --> 00:31:12,000

with the doctors

822

00:31:16,950 --> 00:31:14,960

uber azshara jarro's son and

823

00:31:19,110 --> 00:31:16,960

dr roger lear

824

00:31:20,950 --> 00:31:19,120

dr roger laird is dead phil sarah

825

00:31:22,789 --> 00:31:20,960

tracked him down he's dead

826

00:31:25,029 --> 00:31:22,799

so

827

00:31:26,149 --> 00:31:25,039

phil sirens and roger lear must have

828

00:31:28,630 --> 00:31:26,159

given

829

00:31:30,710 --> 00:31:28,640

detailed accounts to some people that

830

00:31:32,470 --> 00:31:30,720

he's close with because that meeting

831

00:31:33,350 --> 00:31:32,480

with the doctor

832

00:31:35,830 --> 00:31:33,360

uh

833

00:31:38,070 --> 00:31:35,840

if if true is the most extraordinary

834

00:31:40,070 --> 00:31:38,080

thing i've ever heard on the case

835

00:31:41,830 --> 00:31:40,080

and that's the two doctors describing

836

00:31:43,990 --> 00:31:41,840

telepathic communication with the live

837

00:31:46,149 --> 00:31:44,000

being in the hospital while it's in the

838

00:31:48,630 --> 00:31:46,159

hospital with a military blockade on the

839

00:31:50,149 --> 00:31:48,640

outside of the hospital room and

840

00:31:52,950 --> 00:31:50,159

massive military presence during the

841

00:31:55,029 --> 00:31:52,960

time now that's the account in dr roger

842

00:31:56,950 --> 00:31:55,039

lear's book

843

00:31:58,630 --> 00:31:56,960

and i have no reason not to believe it

844

00:32:05,669 --> 00:31:58,640

but i haven't had it verified by anybody

845

00:32:08,470 --> 00:32:07,029

of course he would say that he's denying

846

00:32:11,190 --> 00:32:08,480

pretty much everything on the case now

847

00:32:11,990 --> 00:32:11,200

so i don't know if his testimony is is

848

00:32:14,389 --> 00:32:12,000

still

849

00:32:15,830 --> 00:32:14,399

um to be trustworthy

850

00:32:17,830 --> 00:32:15,840

even though i think his research is the

851  
00:32:18,710 --> 00:32:17,840  
best research on the case that anybody's

852  
00:32:21,029 --> 00:32:18,720  
done

853  
00:32:23,830 --> 00:32:21,039  
oh yeah but unfortunately he said 180

854  
00:32:25,430 --> 00:32:23,840  
and i think somebody got to him in fact

855  
00:32:28,070 --> 00:32:25,440  
somebody must have gone to him

856  
00:32:30,549 --> 00:32:28,080  
he's a really good friend of peter and

857  
00:32:31,669 --> 00:32:30,559  
he he just said that he doesn't have a

858  
00:32:32,870 --> 00:32:31,679  
proof

859  
00:32:35,029 --> 00:32:32,880  
like uh

860  
00:32:36,950 --> 00:32:35,039  
some evidence to prove the case yeah but

861  
00:32:38,470 --> 00:32:36,960  
that's not what he said before

862  
00:32:40,870 --> 00:32:38,480  
is that what he said on camera with dr

863  
00:32:42,230 --> 00:32:40,880

lear yeah yeah

864

00:32:43,190 --> 00:32:42,240

he

865

00:32:48,070 --> 00:32:43,200

yeah

866

00:32:49,669 --> 00:32:48,080

wow interesting so

867

00:32:52,310 --> 00:32:49,679

let's talk about the witnesses the

868

00:32:54,070 --> 00:32:52,320

witnesses from they're all from all over

869

00:32:56,710 --> 00:32:54,080

i mean they're not in one central

870

00:32:58,630 --> 00:32:56,720

location was there ever a time that the

871

00:33:01,029 --> 00:32:58,640

witnesses could have all talked to each

872

00:33:03,029 --> 00:33:01,039

other like were they ever in like a a

873

00:33:05,269 --> 00:33:03,039

group where they could have like

874

00:33:07,269 --> 00:33:05,279

exchanged stories or do you think these

875

00:33:09,350 --> 00:33:07,279

are all like they never had contact with

876

00:33:11,110 --> 00:33:09,360

each other what do we know about that

877

00:33:13,909 --> 00:33:11,120

if i had one

878

00:33:15,830 --> 00:33:13,919

like inkling or even a zero zero zero

879

00:33:17,750 --> 00:33:15,840

one percent chance of that happening i

880

00:33:19,669 --> 00:33:17,760

assume that i would have discounted

881

00:33:22,149 --> 00:33:19,679

their testimony i don't think so for not

882

00:33:24,950 --> 00:33:22,159

even not even a moment yeah not even

883

00:33:27,029 --> 00:33:24,960

like not even on the radar right

884

00:33:29,509 --> 00:33:27,039

so and and what is

885

00:33:31,830 --> 00:33:29,519

what i think is amazing is

886

00:33:33,509 --> 00:33:31,840

them basically all saying

887

00:33:35,190 --> 00:33:33,519

the same thing you know most of these

888

00:33:36,870 --> 00:33:35,200

witnesses didn't want to come forward

889

00:33:37,750 --> 00:33:36,880

don't want to come forward

890

00:33:38,710 --> 00:33:37,760

uh

891

00:33:41,269 --> 00:33:38,720

you know

892

00:33:44,149 --> 00:33:41,279

really haven't benefited in any way in

893

00:33:45,430 --> 00:33:44,159

fact quite the opposite it's had a

894

00:33:48,470 --> 00:33:45,440

really

895

00:33:50,470 --> 00:33:48,480

awful impact on most of their lives it

896

00:33:53,430 --> 00:33:50,480

seems like it has more than an awful

897

00:33:56,070 --> 00:33:53,440

impact like even more threatened yeah it

898

00:33:57,669 --> 00:33:56,080

seems like worse than what you normally

899

00:34:00,470 --> 00:33:57,679

hear about a case

900

00:34:01,269 --> 00:34:00,480

you know like is is brazil generally you

901  
00:34:03,190 --> 00:34:01,279  
know

902  
00:34:06,070 --> 00:34:03,200  
thinking that anything to do with aliens

903  
00:34:08,149 --> 00:34:06,080  
or ufos or anything like that is just

904  
00:34:09,589 --> 00:34:08,159  
not to be talked about no because the

905  
00:34:12,310 --> 00:34:09,599  
brazilian government

906  
00:34:13,829 --> 00:34:12,320  
um i can let him comment on this as well

907  
00:34:15,750 --> 00:34:13,839  
because we've been together for a couple

908  
00:34:16,790 --> 00:34:15,760  
of interviews with generals both an army

909  
00:34:20,790 --> 00:34:16,800  
general

910  
00:34:23,190 --> 00:34:20,800  
um ochoa yes and uh carlos

911  
00:34:24,869 --> 00:34:23,200  
jose carlos pereira the brigadier and

912  
00:34:27,190 --> 00:34:24,879  
they were both completely open about the

913  
00:34:28,790 --> 00:34:27,200

topic of ufos except

914

00:34:30,310 --> 00:34:28,800

that they're real

915

00:34:33,990 --> 00:34:30,320

ufos are real this is their flight

916

00:34:35,750 --> 00:34:34,000

characteristics they exhibit a flight uh

917

00:34:38,069 --> 00:34:35,760

characteristics that are

918

00:34:40,149 --> 00:34:38,079

way beyond anything within conventional

919

00:34:41,510 --> 00:34:40,159

aircraft that ufos are real they're

920

00:34:43,990 --> 00:34:41,520

intelligent control

921

00:34:46,869 --> 00:34:44,000

but when it came to virginia

922

00:34:48,629 --> 00:34:46,879

and i don't know because you've a very

923

00:34:50,869 --> 00:34:48,639

big difference between

924

00:34:54,069 --> 00:34:50,879

you know a craft that you're unable to

925

00:34:56,310 --> 00:34:54,079

identify and beans on the ground yes and

926

00:34:58,150 --> 00:34:56,320

crash recovery debris and

927

00:35:00,390 --> 00:34:58,160

another thing that we learned beyond a

928

00:35:02,710 --> 00:35:00,400

shadow of doubt every single witness we

929

00:35:04,150 --> 00:35:02,720

spoke to is the americans were involved

930

00:35:04,950 --> 00:35:04,160

the americans

931

00:35:06,470 --> 00:35:04,960

yes

932

00:35:08,390 --> 00:35:06,480

even raider operations

933

00:35:11,190 --> 00:35:08,400

military uniforms

934

00:35:12,630 --> 00:35:11,200

civilian like well yeah but they were

935

00:35:14,470 --> 00:35:12,640

dressed civilians united states air

936

00:35:16,470 --> 00:35:14,480

force craft that landed in good penis

937

00:35:18,310 --> 00:35:16,480

that took something on the 22nd of

938

00:35:19,430 --> 00:35:18,320

january yeah

939

00:35:21,430 --> 00:35:19,440

so

940

00:35:22,790 --> 00:35:21,440

if if the

941

00:35:26,630 --> 00:35:22,800

brazilian

942

00:35:29,430 --> 00:35:28,630

is fully transparent on the virginia

943

00:35:30,950 --> 00:35:29,440

base

944

00:35:31,829 --> 00:35:30,960

that's gonna

945

00:35:33,829 --> 00:35:31,839

um

946

00:35:36,150 --> 00:35:33,839

that's gonna expose the u.s enrollment

947

00:35:39,109 --> 00:35:36,160

as well and according to these witnesses

948

00:35:42,470 --> 00:35:39,119

they've got a lot more now to hide so

949

00:35:45,270 --> 00:35:42,480

um there may be

950

00:35:47,990 --> 00:35:45,280

a reason why the brazilian air force the

951  
00:35:49,990 --> 00:35:48,000  
brazilian military has put the kibosh

952  
00:35:51,750 --> 00:35:50,000  
down on this particular case because it

953  
00:35:54,069 --> 00:35:51,760  
would expose the americans as well and

954  
00:35:55,670 --> 00:35:54,079  
why do you think americans got involved

955  
00:35:58,310 --> 00:35:55,680  
in something like this it's just

956  
00:35:59,750 --> 00:35:58,320  
speculation but why would they why would

957  
00:36:02,710 --> 00:35:59,760  
the military

958  
00:36:04,550 --> 00:36:02,720  
get involved in a brazilian case

959  
00:36:05,990 --> 00:36:04,560  
well i mean the americans are involved

960  
00:36:07,670 --> 00:36:06,000  
everywhere so

961  
00:36:09,349 --> 00:36:07,680  
that i've learned firsthand not from

962  
00:36:11,270 --> 00:36:09,359  
reading it out of a book

963  
00:36:14,150 --> 00:36:11,280

you know and i could go i could go on

964

00:36:16,550 --> 00:36:14,160

until your audience uh eyes glazed over

965

00:36:19,349 --> 00:36:16,560

but suffice to say that you know from

966

00:36:21,030 --> 00:36:19,359

tehran to belgium to england to

967

00:36:24,310 --> 00:36:21,040

australia to

968

00:36:26,790 --> 00:36:24,320

uh africa uh to brazil

969

00:36:28,950 --> 00:36:26,800

there's always that's why when

970

00:36:31,990 --> 00:36:28,960

atip got announced on the front page of

971

00:36:33,349 --> 00:36:32,000

the new york times in late 2017

972

00:36:34,870 --> 00:36:33,359

i was like well that's great news and

973

00:36:36,870 --> 00:36:34,880

that's really cool i got some release

974

00:36:38,310 --> 00:36:36,880

from some some

975

00:36:40,710 --> 00:36:38,320

photographic evidence of videotaped

976

00:36:42,390 --> 00:36:40,720

evidence but

977

00:36:43,270 --> 00:36:42,400

this is nothing new to me because i've

978

00:36:45,349 --> 00:36:43,280

known

979

00:36:47,190 --> 00:36:45,359

every military every witness i've talked

980

00:36:49,510 --> 00:36:47,200

to primarily better the case the more

981

00:36:50,950 --> 00:36:49,520

likely that happened that the americans

982

00:36:53,270 --> 00:36:50,960

were involved so i knew they never

983

00:36:55,829 --> 00:36:53,280

stopped investigating and intimidating

984

00:36:57,670 --> 00:36:55,839

witnesses and collecting data

985

00:36:59,990 --> 00:36:57,680

that that's happening all over the world

986

00:37:03,030 --> 00:37:00,000

and i and i didn't

987

00:37:05,190 --> 00:37:03,040

i didn't believe it i learned it from

988

00:37:06,790 --> 00:37:05,200

talking directly to these witnesses they

989

00:37:08,069 --> 00:37:06,800

were yeah the americans came yeah the

990

00:37:09,109 --> 00:37:08,079

americans came it's like they all said

991

00:37:12,150 --> 00:37:09,119

that it's like

992

00:37:15,190 --> 00:37:12,160

really in the 70s in the 80s and the 90s

993

00:37:17,829 --> 00:37:15,200

like in the 2000s so their investigation

994

00:37:19,829 --> 00:37:17,839

never stopped and they have an uncanny

995

00:37:21,829 --> 00:37:19,839

ability and it's just to my surprise as

996

00:37:22,950 --> 00:37:21,839

well they have an uncanny building to

997

00:37:24,710 --> 00:37:22,960

monitor

998

00:37:25,829 --> 00:37:24,720

these things going on all around the

999

00:37:27,910 --> 00:37:25,839

world

1000

00:37:31,510 --> 00:37:27,920

they always show up if it's a good case

1001  
00:37:36,470 --> 00:37:34,470  
about it the american was involved yeah

1002  
00:37:38,630 --> 00:37:36,480  
after the he's been trying to get me to

1003  
00:37:40,390 --> 00:37:38,640  
do something on this 1977 case i guess

1004  
00:37:42,710 --> 00:37:40,400  
it went on to like a year or more yes

1005  
00:37:44,150 --> 00:37:42,720  
more yeah they have got video

1006  
00:37:46,550 --> 00:37:44,160  
evidence or filming this would have been

1007  
00:37:48,790 --> 00:37:46,560  
filmed yes video

1008  
00:37:50,950 --> 00:37:48,800  
of craft coming out of the amazon yeah

1009  
00:37:52,550 --> 00:37:50,960  
and close encounters of the third kind

1010  
00:37:54,230 --> 00:37:52,560  
and uh that's something that we might at

1011  
00:37:56,630 --> 00:37:54,240  
some point marco and i might

1012  
00:37:57,910 --> 00:37:56,640  
might stick our teeth into well i'm

1013  
00:37:59,190 --> 00:37:57,920

going to have to hear a little bit more

1014

00:38:01,670 --> 00:37:59,200

about it oh

1015

00:38:04,230 --> 00:38:01,680

it's an incredible case because we have

1016

00:38:06,310 --> 00:38:04,240

all the air force brazilian air force

1017

00:38:10,150 --> 00:38:06,320

force which was involved

1018

00:38:13,349 --> 00:38:10,160

and they took more than 400 pictures of

1019

00:38:15,750 --> 00:38:13,359

these ufos uh we called the super super

1020

00:38:17,430 --> 00:38:15,760

phenomenon and then

1021

00:38:20,390 --> 00:38:17,440

and then the air force

1022

00:38:22,150 --> 00:38:20,400

went to the small island in

1023

00:38:25,990 --> 00:38:22,160

clara's polaris

1024

00:38:27,829 --> 00:38:26,000

to figure out and other uh cities around

1025

00:38:31,349 --> 00:38:27,839

to figure out what

1026  
00:38:32,630 --> 00:38:31,359  
was uh what's going on you know and

1027  
00:38:34,950 --> 00:38:32,640  
a lot of

1028  
00:38:36,470 --> 00:38:34,960  
reports from the witness like very

1029  
00:38:38,790 --> 00:38:36,480  
simple people

1030  
00:38:41,030 --> 00:38:38,800  
uh we just saw the ufo and they were

1031  
00:38:42,150 --> 00:38:41,040  
full scent look like a

1032  
00:38:44,630 --> 00:38:42,160  
light

1033  
00:38:47,670 --> 00:38:44,640  
and they were believing that they were

1034  
00:38:50,550 --> 00:38:47,680  
sucking the blood or something else

1035  
00:38:52,630 --> 00:38:50,560  
and uh yeah it's really incredible with

1036  
00:38:54,710 --> 00:38:52,640  
a lot of many details how do we know the

1037  
00:38:57,829 --> 00:38:54,720  
americans were involved because i heard

1038  
00:39:00,950 --> 00:38:57,839

from uh the very good researchers

1039

00:39:02,790 --> 00:39:00,960

uh and uh was a conversation by some

1040

00:39:04,950 --> 00:39:02,800

officer that doesn't surprise me but i'm

1041

00:39:06,950 --> 00:39:04,960

just here yeah and then uh there's these

1042

00:39:10,630 --> 00:39:06,960

researchers from para

1043

00:39:13,030 --> 00:39:10,640

they found like a house look like was a

1044

00:39:15,990 --> 00:39:13,040

astronaut american astronaut which was

1045

00:39:17,349 --> 00:39:16,000

living in the area and he were

1046

00:39:19,910 --> 00:39:17,359

they were like

1047

00:39:22,550 --> 00:39:19,920

aspire and they were thinking he was

1048

00:39:25,430 --> 00:39:22,560

yeah he was inspired because he had very

1049

00:39:27,430 --> 00:39:25,440

good votes and people saw

1050

00:39:28,950 --> 00:39:27,440

when wouldn't surprise me it wouldn't

1051  
00:39:30,710 --> 00:39:28,960  
surprise me one bit of course they

1052  
00:39:33,349 --> 00:39:30,720  
wouldn't be involved and jacques volley

1053  
00:39:36,150 --> 00:39:33,359  
investigated yeah

1054  
00:39:37,349 --> 00:39:36,160  
yeah yeah it's anyway

1055  
00:39:38,950 --> 00:39:37,359  
another story altogether but a

1056  
00:39:40,150 --> 00:39:38,960  
fascinating case i'm learning i'm just

1057  
00:39:42,470 --> 00:39:40,160  
learning about it

1058  
00:39:45,190 --> 00:39:42,480  
and it seems like there's definitely

1059  
00:39:46,790 --> 00:39:45,200  
very significant evidence photographic

1060  
00:39:48,710 --> 00:39:46,800  
and filmed evidence yeah and we have

1061  
00:39:51,589 --> 00:39:48,720  
this document by the

1062  
00:39:54,069 --> 00:39:51,599  
brazilian air force telling all

1063  
00:39:56,470 --> 00:39:54,079

they did all the we touched on it very

1064

00:39:58,310 --> 00:39:56,480

briefly in moment of contact the

1065

00:39:59,829 --> 00:39:58,320

diversity in the case we do a snapshot

1066

00:40:02,630 --> 00:39:59,839

history of some of the more prominent

1067

00:40:04,069 --> 00:40:02,640

cases just like just a few like five or

1068

00:40:06,309 --> 00:40:04,079

six right

1069

00:40:08,710 --> 00:40:06,319

and the ubertuba was one of them yes

1070

00:40:12,309 --> 00:40:08,720

yeah which is that was like in the 50s

1071

00:40:13,750 --> 00:40:12,319

or something 57 57 yes yeah

1072

00:40:16,470 --> 00:40:13,760

which is uh

1073

00:40:18,390 --> 00:40:16,480

wasn't that a crush yes yeah

1074

00:40:20,630 --> 00:40:18,400

uh i know we don't have to go

1075

00:40:24,309 --> 00:40:20,640

into those details

1076

00:40:28,710 --> 00:40:25,190

um

1077

00:40:31,990 --> 00:40:28,720

okay the uh i guess i want as far as

1078

00:40:34,870 --> 00:40:32,000

this particular case goes

1079

00:40:36,470 --> 00:40:34,880

um was there did you speak i i've sort

1080

00:40:38,710 --> 00:40:36,480

of said this in a different way but

1081

00:40:40,390 --> 00:40:38,720

there were there are some off the record

1082

00:40:42,870 --> 00:40:40,400

things that you really really wanted to

1083

00:40:44,710 --> 00:40:42,880

be able to share you just could

1084

00:40:47,510 --> 00:40:44,720

were not allowed to well the most

1085

00:40:50,150 --> 00:40:47,520

significant would be the brigadier

1086

00:40:52,150 --> 00:40:50,160

um which is he is that a general yeah he

1087

00:40:55,510 --> 00:40:52,160

was like a brigadier in the highest

1088

00:40:57,190 --> 00:40:55,520

position of our air force he used to

1089

00:40:58,630 --> 00:40:57,200

uh take care

1090

00:40:59,990 --> 00:40:58,640

of our

1091

00:41:02,870 --> 00:41:00,000

aerospace

1092

00:41:04,630 --> 00:41:02,880

defense like he was responsible for our

1093

00:41:17,030 --> 00:41:04,640

security

1094

00:41:20,390 --> 00:41:18,630

if you want to stay alive you don't talk

1095

00:41:23,829 --> 00:41:20,400

about it can they say that yeah you

1096

00:41:26,069 --> 00:41:23,839

realize it says question like report is

1097

00:41:27,589 --> 00:41:26,079

that i say uh say in portuguese and then

1098

00:41:36,630 --> 00:41:27,599

give us the english version yeah let's

1099

00:41:41,030 --> 00:41:39,430

there's something that you can preserve

1100

00:41:43,109 --> 00:41:41,040

a man's life

1101

00:41:45,030 --> 00:41:43,119

is by keeping your mouth shut yeah yeah

1102

00:41:46,630 --> 00:41:45,040

something like that yeah i get it i

1103

00:41:51,030 --> 00:41:46,640

guess i remember when when he said that

1104

00:41:54,950 --> 00:41:52,710

oh my god

1105

00:41:57,109 --> 00:41:54,960

so so james getting back to

1106

00:41:58,630 --> 00:41:57,119

uh let's see we got the sun forget the

1107

00:41:59,990 --> 00:41:58,640

light right and

1108

00:42:01,270 --> 00:42:00,000

somehow you moved a little bit or

1109

00:42:03,990 --> 00:42:01,280

something i'm not sure what's going on

1110

00:42:05,750 --> 00:42:04,000

i'll just use the other camera okay um

1111

00:42:06,550 --> 00:42:05,760

but um

1112

00:42:08,150 --> 00:42:06,560

oh

1113

00:42:10,630 --> 00:42:08,160

yeah

1114

00:42:11,910 --> 00:42:10,640

so thank you

1115

00:42:13,109 --> 00:42:11,920

try that again how's that a little

1116

00:42:15,670 --> 00:42:13,119

better

1117

00:42:17,109 --> 00:42:15,680

it's worse it's really good

1118

00:42:18,230 --> 00:42:17,119

i think james you were blocking the

1119

00:42:20,069 --> 00:42:18,240

light sorry i don't want to spend much

1120

00:42:21,910 --> 00:42:20,079

time at one time but no it's not it's

1121

00:42:24,309 --> 00:42:21,920

good now why don't we shut that off no

1122

00:42:26,550 --> 00:42:24,319

okay no no bueno that's good no pretty

1123

00:42:29,589 --> 00:42:26,560

critical light isn't it

1124

00:42:33,750 --> 00:42:31,670

all right so i'll just use this camera

1125

00:42:36,550 --> 00:42:33,760

for now there we go

1126

00:42:38,550 --> 00:42:36,560

uh so getting back to the air force by

1127

00:42:42,230 --> 00:42:38,560

silhouette that's good yeah that's about

1128

00:42:44,309 --> 00:42:42,240

it yeah the this and showing up

1129

00:42:46,710 --> 00:42:44,319

in every country i've always wondered

1130

00:42:48,069 --> 00:42:46,720

you know as as we went along like i can

1131

00:42:49,589 --> 00:42:48,079

tell you the first time i heard it okay

1132

00:42:50,950 --> 00:42:49,599

you're going to have to move this over

1133

00:42:52,630 --> 00:42:50,960

okay

1134

00:42:54,630 --> 00:42:52,640

yeah well i'm just thinking i've got a

1135

00:42:56,550 --> 00:42:54,640

couple of things yeah like

1136

00:42:58,710 --> 00:42:56,560

someone said to me in one of the shows

1137

00:43:00,390 --> 00:42:58,720

recently um

1138

00:43:01,829 --> 00:43:00,400

well the

1139

00:43:05,109 --> 00:43:01,839

if

1140

00:43:07,750 --> 00:43:05,119

the

1141

00:43:09,910 --> 00:43:07,760

you us air force is not getting involved

1142

00:43:10,829 --> 00:43:09,920

in the uap like the navy is

1143

00:43:12,390 --> 00:43:10,839

you know

1144

00:43:14,790 --> 00:43:12,400

in

1145

00:43:16,390 --> 00:43:14,800

that's christopher millan uh well maybe

1146

00:43:18,790 --> 00:43:16,400

he mentioned that yes but other people

1147

00:43:19,829 --> 00:43:18,800

have been speculating too and so

1148

00:43:24,390 --> 00:43:19,839

but

1149

00:43:26,470 --> 00:43:24,400

to do wouldn't they like if they said oh

1150

00:43:28,390 --> 00:43:26,480

yeah there's something to these

1151

00:43:31,829 --> 00:43:28,400

they've been quietly you know project

1152

00:43:33,829 --> 00:43:31,839

blue book blue book closes in 1969 but

1153

00:43:35,589 --> 00:43:33,839

it didn't really i mean yes it did but

1154

00:43:37,190 --> 00:43:35,599

there's still investigations ongoing

1155

00:43:40,309 --> 00:43:37,200

there always has been

1156

00:43:42,870 --> 00:43:40,319

and it's through the air force but in

1157

00:43:45,349 --> 00:43:42,880

reality my thoughts are and yours can be

1158

00:43:47,190 --> 00:43:45,359

totally different but i still think that

1159

00:43:49,510 --> 00:43:47,200

no one really knows what's going on

1160

00:43:51,910 --> 00:43:49,520

that's my own thoughts like they may

1161

00:43:54,150 --> 00:43:51,920

know more than we know but they don't

1162

00:43:55,750 --> 00:43:54,160

really know exactly what's going on what

1163

00:43:59,190 --> 00:43:55,760

are your thoughts about that well that

1164

00:44:00,309 --> 00:43:59,200

you know i i firmly believe

1165

00:44:02,390 --> 00:44:00,319

that

1166

00:44:04,790 --> 00:44:02,400

they know it's going on

1167

00:44:07,349 --> 00:44:04,800

and they have hard evidence to prove

1168

00:44:09,589 --> 00:44:07,359

that it's going on yeah they've got

1169

00:44:11,109 --> 00:44:09,599

i believe this and you can criticize me

1170

00:44:13,349 --> 00:44:11,119

for believing this and i don't blame you

1171

00:44:15,190 --> 00:44:13,359

one bit but i believe that bodies and

1172

00:44:17,349 --> 00:44:15,200

and debris have been recovered i didn't

1173

00:44:19,510 --> 00:44:17,359

used to believe that yeah i only believe

1174

00:44:21,910 --> 00:44:19,520

that after sticking my teeth into this

1175

00:44:25,190 --> 00:44:21,920

really talking to witnesses and really

1176

00:44:26,710 --> 00:44:25,200

having to set my own like

1177

00:44:30,150 --> 00:44:26,720

uh

1178

00:44:33,910 --> 00:44:32,309

i had a really hard time

1179

00:44:43,030 --> 00:44:33,920

going from crafting this guy to beings

1180

00:44:45,190 --> 00:44:44,069

all i can tell you is you don't have to

1181

00:44:46,630 --> 00:44:45,200

believe anything that's coming out of my

1182

00:44:50,150 --> 00:44:46,640

mouth and i don't blame you if you don't

1183

00:44:51,030 --> 00:44:50,160

i really don't yeah but i am convinced

1184

00:44:54,309 --> 00:44:51,040

now

1185

00:44:55,829 --> 00:44:54,319

that we have recovered debris and bodies

1186

00:44:58,309 --> 00:44:55,839

i'm just convinced of it there's more

1187

00:44:59,510 --> 00:44:58,319

evidence to suggest that we have then

1188

00:45:00,230 --> 00:44:59,520

that we haven't

1189

00:45:01,670 --> 00:45:00,240

and

1190

00:45:02,950 --> 00:45:01,680

but that doesn't mean they have all the

1191

00:45:04,790 --> 00:45:02,960

answers they don't know what their

1192

00:45:07,589 --> 00:45:04,800

agenda is where they come from what do

1193

00:45:08,950 --> 00:45:07,599

they want and i don't believe honestly

1194

00:45:10,710 --> 00:45:08,960

from the highest levels of people that

1195

00:45:12,870 --> 00:45:10,720

i've talked to and believe me i'm asking

1196

00:45:15,030 --> 00:45:12,880

i'm one of the most curious people on

1197

00:45:16,790 --> 00:45:15,040

the planet about this i'm dying to know

1198

00:45:18,150 --> 00:45:16,800

what's going on yeah and i'm coming to

1199

00:45:20,630 --> 00:45:18,160

the realization that i'm probably never

1200

00:45:22,630 --> 00:45:20,640

going to know yeah and that sucks i know

1201

00:45:24,150 --> 00:45:22,640

i've said to have a number for it i go

1202

00:45:26,150 --> 00:45:24,160

after it you know

1203

00:45:27,750 --> 00:45:26,160

i mean i'm learning more and more but

1204

00:45:29,910 --> 00:45:27,760

the more i learn the more i realize i

1205

00:45:31,750 --> 00:45:29,920

don't how much i don't know yeah you

1206

00:45:33,589 --> 00:45:31,760

know yeah and i feel comfortable talking

1207

00:45:35,109 --> 00:45:33,599

about the things that i do know because

1208

00:45:36,950 --> 00:45:35,119

i got a film coming out that'll back up

1209

00:45:39,829 --> 00:45:36,960

everything i'm telling you right now

1210

00:45:42,630 --> 00:45:39,839

but um yeah i believe that

1211

00:45:43,510 --> 00:45:42,640

well look this is what i do believe

1212

00:45:44,829 --> 00:45:43,520

that

1213

00:45:47,990 --> 00:45:44,839

the

1214

00:45:50,069 --> 00:45:48,000

phenomenon is

1215

00:45:52,150 --> 00:45:50,079

omnipresent

1216

00:45:54,950 --> 00:45:52,160

it's around us and all the time

1217

00:45:56,710 --> 00:45:54,960

it has the ability to manifest itself in

1218

00:45:59,910 --> 00:45:56,720

a multitude of ways and i've said this

1219

00:46:01,030 --> 00:45:59,920

before but it's just the best conclusion

1220

00:46:02,710 --> 00:46:01,040

uh

1221

00:46:05,030 --> 00:46:02,720

it's omnipresent

1222

00:46:07,030 --> 00:46:05,040

and it and it and it can manifest itself

1223

00:46:07,910 --> 00:46:07,040

in physically like nuts and bolts but

1224

00:46:10,630 --> 00:46:07,920

also

1225

00:46:12,630 --> 00:46:10,640

telepathically or psychically you know

1226

00:46:14,790 --> 00:46:12,640

i've talked to really like hardcore

1227

00:46:16,870 --> 00:46:14,800

pragmatic nuts and bolts witnesses

1228

00:46:17,910 --> 00:46:16,880

military guys that go i don't want to

1229

00:46:18,630 --> 00:46:17,920

tell you this i don't know what do you

1230

00:46:20,390 --> 00:46:18,640

mean

1231

00:46:22,470 --> 00:46:20,400

i don't i i just i don't want to tell

1232

00:46:24,069 --> 00:46:22,480

you this like well

1233

00:46:25,109 --> 00:46:24,079

you're not going to i said well just try

1234

00:46:30,230 --> 00:46:25,119

me

1235

00:46:33,750 --> 00:46:30,240

i've heard that so yeah yeah and so

1236

00:46:35,990 --> 00:46:33,760

there's that element of it as well

1237

00:46:38,230 --> 00:46:36,000

but who they are

1238

00:46:41,109 --> 00:46:38,240

what they want

1239

00:46:42,710 --> 00:46:41,119

where they come from

1240

00:46:44,870 --> 00:46:42,720

i have no idea and i don't think anybody

1241

00:46:47,270 --> 00:46:44,880

does right

1242

00:46:48,790 --> 00:46:47,280

talking about the telepathic yeah that

1243

00:46:50,630 --> 00:46:48,800

really fascinates me because so many

1244

00:46:51,510 --> 00:46:50,640

people say that a lot of people have

1245

00:46:54,470 --> 00:46:51,520

said

1246

00:46:56,550 --> 00:46:54,480

that um the message comes in about our

1247

00:46:59,030 --> 00:46:56,560

planet taking care of our planet or our

1248

00:47:00,470 --> 00:46:59,040

planet is you know in trouble

1249

00:47:02,790 --> 00:47:00,480

um that type of thing i think it's

1250

00:47:04,870 --> 00:47:02,800

fascinating but didn't take an alien to

1251

00:47:09,510 --> 00:47:04,880

figure that one out

1252

00:47:14,150 --> 00:47:12,230

yeah yeah but i mean going way back you

1253

00:47:15,589 --> 00:47:14,160

know i mean going back you know years of

1254

00:47:16,790 --> 00:47:15,599

course it's always been

1255

00:47:19,270 --> 00:47:16,800

in the news you know what we're

1256

00:47:20,470 --> 00:47:19,280

polluting or whatever but still that

1257

00:47:23,750 --> 00:47:20,480

part and

1258

00:47:25,589 --> 00:47:23,760

um and then you know i had i i had this

1259

00:47:26,790 --> 00:47:25,599

wonderful story i'm not gonna because my

1260

00:47:28,790 --> 00:47:26,800

listeners have already heard it but i'll

1261

00:47:30,630 --> 00:47:28,800

tell you afterwards but uh

1262

00:47:31,910 --> 00:47:30,640

this weird thing happened to this guy

1263

00:47:34,870 --> 00:47:31,920

he's listening to the show and he

1264

00:47:37,109 --> 00:47:34,880

contacted me and i totally believe what

1265

00:47:39,510 --> 00:47:37,119

he's saying in this whole thing but he

1266

00:47:40,470 --> 00:47:39,520

said i didn't want to say this but

1267

00:47:44,309 --> 00:47:40,480

it's

1268

00:47:45,910 --> 00:47:44,319

don't worry we're just observing it

1269

00:47:48,069 --> 00:47:45,920

you know that type of thing and then

1270

00:47:50,069 --> 00:47:48,079

everyone johnson told me that he was an

1271

00:47:51,750 --> 00:47:50,079

airline commercial airline pilot i had a

1272

00:47:53,910 --> 00:47:51,760

number of people but that in particular

1273

00:47:55,349 --> 00:47:53,920

because he didn't want to tell me yeah

1274

00:47:57,190 --> 00:47:55,359

sorry i didn't mean to yeah so it just

1275

00:47:59,910 --> 00:47:57,200

popped in his head but everyone he was

1276

00:48:02,630 --> 00:47:59,920

with we're not here to harm you yes yes

1277

00:48:03,990 --> 00:48:02,640

i do yeah johnson you know exactly where

1278

00:48:05,990 --> 00:48:04,000

it was where i was standing when he said

1279

00:48:08,069 --> 00:48:06,000

it yeah he didn't want to tell me

1280

00:48:09,430 --> 00:48:08,079

because he knew how crazy it sounded

1281

00:48:12,069 --> 00:48:09,440

yeah

1282

00:48:13,910 --> 00:48:12,079

it is it is it is really amazing to

1283

00:48:16,230 --> 00:48:13,920

think that someone community can

1284

00:48:17,510 --> 00:48:16,240

communicate like that his web of

1285

00:48:20,069 --> 00:48:17,520

intelligence it's like all

1286

00:48:22,470 --> 00:48:20,079

interconnected yeah yeah i think edgar

1287

00:48:23,430 --> 00:48:22,480

mitchell was onto something

1288

00:48:25,349 --> 00:48:23,440

institute

1289

00:48:27,430 --> 00:48:25,359

yeah it's all connected yeah the

1290

00:48:29,030 --> 00:48:27,440

intelligence is all connected yeah i

1291

00:48:31,430 --> 00:48:29,040

think it is yes

1292

00:48:34,549 --> 00:48:31,440

yeah yeah that's pretty pretty amazing i

1293

00:48:36,950 --> 00:48:34,559

know we're we're off of the vashima case

1294

00:48:38,309 --> 00:48:36,960

a little bit that's okay

1295

00:48:39,670 --> 00:48:38,319

but i do want to i don't think i've ever

1296

00:48:40,790 --> 00:48:39,680

asked you this any time i've ever talked

1297

00:48:41,670 --> 00:48:40,800

to you

1298

00:48:44,230 --> 00:48:41,680

what

1299

00:48:45,910 --> 00:48:44,240

made you decide to look in the topic of

1300

00:48:47,190 --> 00:48:45,920

ufos i remember you would talk to your

1301  
00:48:50,390 --> 00:48:47,200  
father when you was going to do your

1302  
00:48:51,430 --> 00:48:50,400  
first film and he said don't do it

1303  
00:48:53,670 --> 00:48:51,440  
crazy

1304  
00:48:55,670 --> 00:48:53,680  
but the level of resistance i got for my

1305  
00:48:57,910 --> 00:48:55,680  
friends and family

1306  
00:49:00,470 --> 00:48:57,920  
but but in the beginning what what made

1307  
00:49:02,470 --> 00:49:00,480  
you interested in this topic i don't

1308  
00:49:04,150 --> 00:49:02,480  
think i've ever asked you that question

1309  
00:49:06,630 --> 00:49:04,160  
in the very beginning

1310  
00:49:08,870 --> 00:49:06,640  
well i had a signing when i was 20

1311  
00:49:10,870 --> 00:49:08,880  
with my friend lisa reinhardt

1312  
00:49:12,230 --> 00:49:10,880  
and she actually just you know we talked

1313  
00:49:14,549 --> 00:49:12,240

about it we've talked about it over the

1314

00:49:15,750 --> 00:49:14,559

years recently

1315

00:49:17,670 --> 00:49:15,760

she talked about the telepath the

1316

00:49:20,230 --> 00:49:17,680

communication that we had that was what

1317

00:49:21,750 --> 00:49:20,240

made it so unusual is that we both were

1318

00:49:24,230 --> 00:49:21,760

like

1319

00:49:26,549 --> 00:49:24,240

i don't know what the week that is but

1320

00:49:28,790 --> 00:49:26,559

whatever it is i get the impression it

1321

00:49:31,349 --> 00:49:28,800

knows we're looking at it and i said

1322

00:49:32,549 --> 00:49:31,359

yeah i feel the exact same thing

1323

00:49:33,750 --> 00:49:32,559

and so

1324

00:49:35,430 --> 00:49:33,760

uh

1325

00:49:37,030 --> 00:49:35,440

i don't know if that had anything to do

1326

00:49:38,230 --> 00:49:37,040

with like you know

1327

00:49:39,510 --> 00:49:38,240

five years

1328

00:49:43,109 --> 00:49:39,520

you know

1329

00:49:44,470 --> 00:49:43,119

well three four five years later

1330

00:49:46,549 --> 00:49:44,480

which at the time when i was in early

1331

00:49:48,630 --> 00:49:46,559

20s seemed like a long time but now five

1332

00:49:50,470 --> 00:49:48,640

years is nothing um

1333

00:49:52,870 --> 00:49:50,480

why i would suddenly be obsessed i mean

1334

00:49:54,230 --> 00:49:52,880

i did have a friend of mine talking

1335

00:49:55,510 --> 00:49:54,240

about a really good friend of mine from

1336

00:49:57,190 --> 00:49:55,520

college just coming from high school

1337

00:49:59,670 --> 00:49:57,200

this guy renee harris and he was talking

1338

00:50:01,829 --> 00:49:59,680

to me about you know roswell and he was

1339

00:50:03,750 --> 00:50:01,839

like you got to be kidding me buddy and

1340

00:50:05,190 --> 00:50:03,760

i said well good high school friend of

1341

00:50:07,190 --> 00:50:05,200

mine i'm going to have to write him off

1342

00:50:08,470 --> 00:50:07,200

because he's lost his marks

1343

00:50:10,470 --> 00:50:08,480

and then i

1344

00:50:12,470 --> 00:50:10,480

i did bring it up with a guy named

1345

00:50:15,670 --> 00:50:12,480

richard van sickle at a video production

1346

00:50:18,390 --> 00:50:15,680

company that i was um apprenticing with

1347

00:50:20,549 --> 00:50:18,400

uh and and richard was a very smart guy

1348

00:50:21,270 --> 00:50:20,559

and like a great mainstream smart you

1349

00:50:23,349 --> 00:50:21,280

know

1350

00:50:25,190 --> 00:50:23,359

just he goes oh yeah he even heard about

1351

00:50:26,710 --> 00:50:25,200

roswell it was like in the early 90s i

1352

00:50:29,829 --> 00:50:26,720

don't know

1353

00:50:33,190 --> 00:50:29,839

94 95 94

1354

00:50:35,349 --> 00:50:33,200

you know 93-94 and i was like no i heard

1355

00:50:36,870 --> 00:50:35,359

about roswell yeah i mean the military

1356

00:50:38,950 --> 00:50:36,880

announced it i mean the military is the

1357

00:50:40,710 --> 00:50:38,960

one that said it happened and anyway

1358

00:50:43,910 --> 00:50:40,720

that got me kind of and i went to a

1359

00:50:45,510 --> 00:50:43,920

couple of conferences and i thought wow

1360

00:50:47,190 --> 00:50:45,520

maybe there is something to this this

1361

00:50:48,950 --> 00:50:47,200

seems like a pretty big story this man

1362

00:50:51,430 --> 00:50:48,960

just slipped between the cracks because

1363

00:50:53,829 --> 00:50:51,440

people ask me like you know what keeps

1364

00:50:55,910 --> 00:50:53,839

you going right

1365

00:50:57,670 --> 00:50:55,920

very curious but b

1366

00:50:59,190 --> 00:50:57,680

i feel like

1367

00:51:02,549 --> 00:50:59,200

wow this one really did slip between the

1368

00:51:04,630 --> 00:51:02,559

cracks this is a big story um you know i

1369

00:51:06,230 --> 00:51:04,640

can't simply write off all these great

1370

00:51:08,470 --> 00:51:06,240

incredible witnesses

1371

00:51:10,790 --> 00:51:08,480

you know of course now you know

1372

00:51:14,150 --> 00:51:10,800

now no question might not have a shadow

1373

00:51:16,150 --> 00:51:14,160

of doubt yeah it's all going on um what

1374

00:51:18,150 --> 00:51:16,160

does it all mean

1375

00:51:19,990 --> 00:51:18,160

you know i think if it's if it's even if

1376

00:51:21,109 --> 00:51:20,000

it's a scary reality

1377

00:51:23,109 --> 00:51:21,119

um

1378

00:51:26,390 --> 00:51:23,119

it's it's it's a reality it's part of

1379

00:51:28,870 --> 00:51:26,400

the bigger picture of of who we are and

1380

00:51:30,549 --> 00:51:28,880

and and how we fit into the larger

1381

00:51:32,470 --> 00:51:30,559

picture and i think that's that's

1382

00:51:34,390 --> 00:51:32,480

important and that we should embrace the

1383

00:51:36,309 --> 00:51:34,400

unknown and and

1384

00:51:37,270 --> 00:51:36,319

and and

1385

00:51:39,270 --> 00:51:37,280

and

1386

00:51:41,109 --> 00:51:39,280

see figure smoking out

1387

00:51:42,309 --> 00:51:41,119

because it's like you know it's

1388

00:51:43,190 --> 00:51:42,319

fascinating

1389

00:51:44,390 --> 00:51:43,200

it is

1390

00:51:45,829 --> 00:51:44,400

i mean

1391

00:51:49,829 --> 00:51:45,839

you know we probably learn more about

1392

00:51:51,430 --> 00:51:49,839

our skills right yeah yeah i was i was

1393

00:51:52,950 --> 00:51:51,440

really feeling for so long oh my gosh

1394

00:51:56,309 --> 00:51:52,960

yeah yeah let's talk about that how did

1395

00:51:58,630 --> 00:51:56,319

that oh god people i got i got a poster

1396

00:52:01,589 --> 00:51:58,640

in my office of me back in

1397

00:52:02,710 --> 00:52:01,599

2005

1398

00:52:03,670 --> 00:52:02,720

and it says

1399

00:52:05,349 --> 00:52:03,680

you know

1400

00:52:07,349 --> 00:52:05,359

into the realm of pretty cool even

1401  
00:52:08,870 --> 00:52:07,359  
though everybody reveals that james fox

1402  
00:52:11,910 --> 00:52:08,880  
is still out there looking for the kind

1403  
00:52:14,150 --> 00:52:11,920  
of thing yeah like you know that's just

1404  
00:52:15,589 --> 00:52:14,160  
that's how it was treated yeah you know

1405  
00:52:18,470 --> 00:52:15,599  
but

1406  
00:52:21,430 --> 00:52:18,480  
nobody's laughing now right because you

1407  
00:52:22,390 --> 00:52:21,440  
know 2017 let's change yeah and do you

1408  
00:52:25,750 --> 00:52:22,400  
think

1409  
00:52:27,750 --> 00:52:25,760  
your movie phenomena if 2017 never

1410  
00:52:28,630 --> 00:52:27,760  
happened that never came out the way it

1411  
00:52:29,829 --> 00:52:28,640  
did

1412  
00:52:32,390 --> 00:52:29,839  
do you think it would have gotten

1413  
00:52:34,069 --> 00:52:32,400

anywhere near the attention no i don't i

1414

00:52:34,870 --> 00:52:34,079

believe you i believe you

1415

00:52:36,630 --> 00:52:34,880

yeah

1416

00:52:38,150 --> 00:52:36,640

it would have gotten attention

1417

00:52:38,950 --> 00:52:38,160

out of the blue and i knew what i saw

1418

00:52:46,470 --> 00:52:38,960

yeah

1419

00:52:47,829 --> 00:52:46,480

we got written up in

1420

00:52:49,829 --> 00:52:47,839

you know we got mentioned in like the

1421

00:52:51,589 --> 00:52:49,839

new yorker and

1422

00:52:53,510 --> 00:52:51,599

i mean very mainstream

1423

00:52:57,270 --> 00:52:53,520

you know publications that would never

1424

00:52:59,190 --> 00:52:57,280

ever comment on ufos right right yeah

1425

00:53:00,870 --> 00:52:59,200

and they're

1426  
00:53:03,510 --> 00:53:00,880  
it's funny now actually because i get

1427  
00:53:04,790 --> 00:53:03,520  
calls from some of these people and

1428  
00:53:07,190 --> 00:53:04,800  
and i'm like these guys are actually

1429  
00:53:08,150 --> 00:53:07,200  
taking this stuff seriously i think

1430  
00:53:11,349 --> 00:53:08,160  
uh

1431  
00:53:16,069 --> 00:53:11,359  
senator harry reid yes getting him yeah

1432  
00:53:19,430 --> 00:53:17,030  
um

1433  
00:53:20,790 --> 00:53:19,440  
that was because he's a household name

1434  
00:53:22,710 --> 00:53:20,800  
yes whether you're a democratic

1435  
00:53:24,870 --> 00:53:22,720  
republican the guy's a household name

1436  
00:53:26,950 --> 00:53:24,880  
and he was yeah senate majority yeah

1437  
00:53:28,630 --> 00:53:26,960  
it's kind of a big deal yes having him

1438  
00:53:30,150 --> 00:53:28,640

confirm what we've all suspected all

1439

00:53:32,309 --> 00:53:30,160

these years yeah

1440

00:53:34,710 --> 00:53:32,319

uh and then having the evidence uh from

1441

00:53:36,870 --> 00:53:34,720

the cockpit recordings of these ufos

1442

00:53:42,470 --> 00:53:36,880

yeah and saying yeah this is legit

1443

00:53:45,190 --> 00:53:42,480

military stuff that's a big deal it is

1444

00:53:46,069 --> 00:53:45,200

like skeptical family members were like

1445

00:53:48,790 --> 00:53:46,079

wow

1446

00:53:51,190 --> 00:53:48,800

oh my god we were just maybe maybe you

1447

00:53:52,870 --> 00:53:51,200

were all just you know well that's good

1448

00:53:54,790 --> 00:53:52,880

i like to hear that

1449

00:53:58,150 --> 00:53:54,800

and uh yeah i mean people are coming to

1450

00:54:00,309 --> 00:53:58,160

come i mean look i couldn't believe

1451  
00:54:02,470 --> 00:54:00,319  
was it last year

1452  
00:54:05,270 --> 00:54:02,480  
when right before the report came out

1453  
00:54:09,030 --> 00:54:05,280  
june 24th 2001 right yeah june 30th or

1454  
00:54:13,589 --> 00:54:11,430  
was supposed to yeah made public yeah

1455  
00:54:15,349 --> 00:54:13,599  
and leading up to that there were lots

1456  
00:54:17,030 --> 00:54:15,359  
of articles and leslie kane and

1457  
00:54:18,309 --> 00:54:17,040  
christopher mellon

1458  
00:54:19,829 --> 00:54:18,319  
they talked about

1459  
00:54:22,069 --> 00:54:19,839  
i couldn't believe it's on a podcast as

1460  
00:54:25,349 --> 00:54:22,079  
well as in print they talked about

1461  
00:54:27,829 --> 00:54:25,359  
recovered debris right crash debris yeah

1462  
00:54:30,150 --> 00:54:27,839  
wow yeah mainstream was talking about

1463  
00:54:31,750 --> 00:54:30,160

that i was really shocked i was really

1464

00:54:33,190 --> 00:54:31,760

shocked when i heard lou

1465

00:54:34,950 --> 00:54:33,200

say that

1466

00:54:37,430 --> 00:54:34,960

he was kind of put in a corner where he

1467

00:54:40,950 --> 00:54:37,440

had to say either yes or no that yeah it

1468

00:54:44,630 --> 00:54:40,960

might exist yeah and uh in that he said

1469

00:54:47,109 --> 00:54:44,640

basically yes yeah uh that that he does

1470

00:54:49,030 --> 00:54:47,119

believe there was some crash materials

1471

00:54:51,670 --> 00:54:49,040

recovered yeah i believe i don't know

1472

00:54:53,109 --> 00:54:51,680

exactly you know i'm paraphrasing i

1473

00:54:55,510 --> 00:54:53,119

don't know exactly what he said but it's

1474

00:54:57,190 --> 00:54:55,520

along those lines and that is a big deal

1475

00:55:00,789 --> 00:54:57,200

very very big deal and i and i i've

1476

00:55:04,069 --> 00:55:00,799

talked about this before but

1477

00:55:08,150 --> 00:55:05,990

moments in my career where i'm literally

1478

00:55:10,470 --> 00:55:08,160

pinching myself and i've had a couple of

1479

00:55:12,150 --> 00:55:10,480

those i bet and and uh and i can tell

1480

00:55:14,470 --> 00:55:12,160

you all of them but one of the things i

1481

00:55:16,549 --> 00:55:14,480

have maybe

1482

00:55:18,390 --> 00:55:16,559

maybe four or five in my own career and

1483

00:55:22,069 --> 00:55:18,400

i've been doing this 30 years now 29

1484

00:55:25,030 --> 00:55:23,270

was when

1485

00:55:27,270 --> 00:55:25,040

and i didn't want to push

1486

00:55:27,990 --> 00:55:27,280

senator reid too far i'm going to just

1487

00:55:29,430 --> 00:55:28,000

leave

1488

00:55:31,589 --> 00:55:29,440

center yeah

1489

00:55:35,430 --> 00:55:31,599

okay yeah thank you again george sam

1490

00:55:35,440 --> 00:55:38,230

but uh

1491

00:55:40,789 --> 00:55:39,670

i wasn't sure what his comfort level

1492

00:55:43,670 --> 00:55:40,799

would be

1493

00:55:45,510 --> 00:55:43,680

and and so i i just went kind of on the

1494

00:55:47,990 --> 00:55:45,520

conservative side for the first part and

1495

00:55:49,430 --> 00:55:48,000

then i kind of would feel him out of it

1496

00:55:51,430 --> 00:55:49,440

and i'd push it a little further a

1497

00:55:53,109 --> 00:55:51,440

little further yeah and then i think i

1498

00:55:55,190 --> 00:55:53,119

got why don't you bring it

1499

00:55:56,630 --> 00:55:55,200

um just push that envelope a little bit

1500

00:55:58,309 --> 00:55:56,640

more and that's what i

1501  
00:55:59,349 --> 00:55:58,319  
i had talked about

1502  
00:56:02,230 --> 00:55:59,359  
the

1503  
00:56:04,870 --> 00:56:02,240  
filmed

1504  
00:56:07,750 --> 00:56:04,880  
by yes

1505  
00:56:14,069 --> 00:56:07,760  
uh it was uh

1506  
00:56:14,079 --> 00:56:24,650  
cooper

1507  
00:56:29,510 --> 00:56:27,349  
[Music]

1508  
00:56:31,270 --> 00:56:29,520  
and i brought that story

1509  
00:56:32,470 --> 00:56:31,280  
to these engine of senator reid instead

1510  
00:56:34,549 --> 00:56:32,480  
of refinish

1511  
00:56:35,990 --> 00:56:34,559  
like finnish browns got to say oh they

1512  
00:56:37,670 --> 00:56:36,000  
haven't just never seen her from ever

1513  
00:56:39,589 --> 00:56:37,680

again

1514

00:56:41,190 --> 00:56:39,599

did you guys go after that stuff and he

1515

00:56:42,710 --> 00:56:41,200

said yeah i said well

1516

00:56:44,710 --> 00:56:42,720

and then kind of

1517

00:56:46,470 --> 00:56:44,720

change the direction of the conversation

1518

00:56:47,829 --> 00:56:46,480

i said well hold hold on are you

1519

00:56:49,829 --> 00:56:47,839

suggesting that there's evidence that

1520

00:56:51,829 --> 00:56:49,839

hasn't been a lie today and that's what

1521

00:56:53,910 --> 00:56:51,839

it is

1522

00:56:55,030 --> 00:56:53,920

right there yeah that was like for me

1523

00:56:57,510 --> 00:56:55,040

and i know i've talked about this and

1524

00:57:00,069 --> 00:56:57,520

some of you guys heard he said that was

1525

00:57:02,549 --> 00:57:00,079

wow because

1526

00:57:03,910 --> 00:57:02,559

you could see and it felt much like when

1527

00:57:06,870 --> 00:57:03,920

you watch the camera when you watch the

1528

00:57:09,109 --> 00:57:06,880

cameras rolling after the fact it

1529

00:57:11,109 --> 00:57:09,119

doesn't seem like this

1530

00:57:12,870 --> 00:57:11,119

like pregnant pause

1531

00:57:14,789 --> 00:57:12,880

during that moment of taking this to the

1532

00:57:16,390 --> 00:57:14,799

water but at the time it was like

1533

00:57:18,950 --> 00:57:16,400

you know you're almost sucked out of the

1534

00:57:20,309 --> 00:57:18,960

room yeah and and i was like okay well

1535

00:57:22,230 --> 00:57:20,319

what's he gonna say you know and that's

1536

00:57:24,549 --> 00:57:22,240

what i think he said the heck with this

1537

00:57:33,750 --> 00:57:24,559

yeah so you know i'm saying that mostly

1538

00:57:37,829 --> 00:57:35,109

and

1539

00:57:39,510 --> 00:57:37,839

it frustrates me

1540

00:57:41,270 --> 00:57:39,520

to see how

1541

00:57:43,750 --> 00:57:41,280

you know the mainstream media has been

1542

00:57:45,670 --> 00:57:43,760

playing catch up with this story

1543

00:57:47,750 --> 00:57:45,680

and i'm like you can put me in the room

1544

00:57:49,030 --> 00:57:47,760

with those congressmen and senators i

1545

00:57:51,190 --> 00:57:49,040

know the right questions that's they

1546

00:57:53,190 --> 00:57:51,200

can't yeah they can't be telling me

1547

00:57:55,190 --> 00:57:53,200

china and russia i've been in china i've

1548

00:57:56,630 --> 00:57:55,200

been to russia i've been with generals

1549

00:57:58,549 --> 00:57:56,640

in both places

1550

00:58:01,270 --> 00:57:58,559

they're just baffled by this phenomenon

1551  
00:58:03,349 --> 00:58:01,280  
as we are and that's just like come on

1552  
00:58:04,549 --> 00:58:03,359  
it is supposed to break let's do of

1553  
00:58:07,270 --> 00:58:04,559  
course it's about the right questions

1554  
00:58:08,870 --> 00:58:07,280  
but you can't yeah obviously but it's

1555  
00:58:10,549 --> 00:58:08,880  
like you know you can eliminate do the

1556  
00:58:12,069 --> 00:58:10,559  
process of elimination and that leaves

1557  
00:58:14,950 --> 00:58:12,079  
you with only one thing

1558  
00:58:17,829 --> 00:58:14,960  
alone yeah yeah someone asked me

1559  
00:58:20,710 --> 00:58:17,839  
recently i was getting interviewed

1560  
00:58:26,630 --> 00:58:23,510  
someone said in your ten years uh over

1561  
00:58:28,549 --> 00:58:26,640  
ten years of doing podcasts um what is

1562  
00:58:31,349 --> 00:58:28,559  
the most profound thing

1563  
00:58:34,630 --> 00:58:31,359

that you've learned and i basically

1564

00:58:36,789 --> 00:58:34,640

said is that there is actually really

1565

00:58:40,950 --> 00:58:36,799

something going on

1566

00:58:40,960 --> 00:58:45,540

can you prove it

1567

00:58:51,430 --> 00:58:48,710

[Laughter]

1568

00:58:53,750 --> 00:58:51,440

no but again it's like and i've said

1569

00:58:56,069 --> 00:58:53,760

this a few times on my show it's like

1570

00:58:58,870 --> 00:58:56,079

i feel like over these 10 years of doing

1571

00:59:02,829 --> 00:58:58,880

this i have more questions

1572

00:59:04,470 --> 00:59:02,839

and i know less about what it is

1573

00:59:08,630 --> 00:59:04,480

um ideas

1574

00:59:11,990 --> 00:59:10,390

that i can hear

1575

00:59:14,789 --> 00:59:12,000

different thoughts

1576  
00:59:25,260 --> 00:59:14,799  
but i still think that i still think um

1577  
00:59:25,270 --> 00:59:55,829  
[Music]

1578  
00:59:55,839 --> 01:00:12,710  
has

1579  
01:00:12,720 --> 01:00:27,589  
yes

1580  
01:00:31,670 --> 01:00:28,630  
best

1581  
01:00:33,190 --> 01:00:31,680  
i mean you know um

1582  
01:00:34,630 --> 01:00:33,200  
yeah

1583  
01:00:36,710 --> 01:00:34,640  
didn't you

1584  
01:00:37,670 --> 01:00:36,720  
talk to you one time

1585  
01:00:39,829 --> 01:00:37,680  
um

1586  
01:01:09,510 --> 01:00:39,839  
james when you said that you saw like a

1587  
01:01:09,520 --> 01:01:12,789  
it's called the

1588  
01:01:17,270 --> 01:01:15,430

hey i might have the handbook andrea 51

1589

01:01:19,190 --> 01:01:17,280

s4 or something like that look it up

1590

01:01:21,670 --> 01:01:19,200

chuck clark on google

1591

01:01:36,390 --> 01:01:21,680

all right so is the shot clock still why

1592

01:01:36,400 --> 01:02:05,670

back in the 90s

1593

01:02:09,670 --> 01:02:08,230

and i was interviewing um

1594

01:02:12,470 --> 01:02:09,680

chuck clark

1595

01:02:15,589 --> 01:02:12,480

and uh for like he's not an unrelated

1596

01:02:17,029 --> 01:02:15,599

thing he had some observations he could

1597

01:02:18,789 --> 01:02:17,039

go to these

1598

01:02:21,109 --> 01:02:18,799

he was very smart guy he was an amateur

1599

01:02:24,309 --> 01:02:21,119

astronomer he was a former military guy

1600

01:02:26,710 --> 01:02:24,319

and he could interpret the maps somehow

1601  
01:02:28,309 --> 01:02:26,720  
and know the areas that the military

1602  
01:02:29,990 --> 01:02:28,319  
didn't want you to go that there were a

1603  
01:02:32,470 --> 01:02:30,000  
couple of little loopholes like you

1604  
01:02:33,910 --> 01:02:32,480  
could somehow jump from one you know you

1605  
01:02:35,430 --> 01:02:33,920  
get to advantage points and look down on

1606  
01:02:37,109 --> 01:02:35,440  
the base with high-powered telescopes

1607  
01:02:39,109 --> 01:02:37,119  
and cameras and he was taking pictures

1608  
01:02:41,270 --> 01:02:39,119  
of stealth secret stuff and he had a

1609  
01:02:43,109 --> 01:02:41,280  
couple of incidents where he saw

1610  
01:02:44,950 --> 01:02:43,119  
objects doing maneuvers that were

1611  
01:02:46,150 --> 01:02:44,960  
impossible and he talked about that it

1612  
01:02:52,789 --> 01:02:46,160  
was

1613  
01:02:59,589 --> 01:02:56,069

and uh one day he calls me up

1614

01:03:01,510 --> 01:02:59,599

and he says uh hey james this is chuck

1615

01:03:04,470 --> 01:03:01,520

this is um i say hey what's going on he

1616

01:03:06,150 --> 01:03:04,480

goes uh i got something you need to see

1617

01:03:07,670 --> 01:03:06,160

and i said okay well

1618

01:03:08,789 --> 01:03:07,680

can you tell me more

1619

01:03:09,910 --> 01:03:08,799

he's like

1620

01:03:11,829 --> 01:03:09,920

no

1621

01:03:13,510 --> 01:03:11,839

but i will tell you this

1622

01:03:14,870 --> 01:03:13,520

when you see it your jaw is going to hit

1623

01:03:16,950 --> 01:03:14,880

the floor

1624

01:03:18,230 --> 01:03:16,960

i said that he goes

1625

01:03:20,630 --> 01:03:18,240

that good

1626

01:03:22,309 --> 01:03:20,640

so i jumped in my car

1627

01:03:25,349 --> 01:03:22,319

in northern california and i drove

1628

01:03:27,430 --> 01:03:25,359

straight to area 51 rachel nevada what

1629

01:03:31,109 --> 01:03:27,440

was that eight hours 10 i thought it was

1630

01:03:33,190 --> 01:03:31,119

like 12 or 14. okay yeah long drive

1631

01:03:34,390 --> 01:03:33,200

and i drove all the way tonight and i

1632

01:03:36,309 --> 01:03:34,400

was like i'm going to see what this

1633

01:03:37,750 --> 01:03:36,319

guy's got to show me

1634

01:03:39,190 --> 01:03:37,760

yeah when i get to this i get to this

1635

01:03:40,150 --> 01:03:39,200

trailer and i i don't know man it was

1636

01:03:41,750 --> 01:03:40,160

like

1637

01:03:49,430 --> 01:03:41,760

i i couldn't tell what time of day it

1638

01:03:54,069 --> 01:03:52,630

he's got a vhf player and uh

1639

01:03:56,150 --> 01:03:54,079

pops tape in

1640

01:03:58,710 --> 01:03:56,160

his play we didn't like stay a whole lot

1641

01:04:01,270 --> 01:03:58,720

prior to that it's like and it's these

1642

01:04:03,750 --> 01:04:01,280

two guys on a road trip but i'd get on

1643

01:04:05,190 --> 01:04:03,760

those road trips they've got goofy music

1644

01:04:07,990 --> 01:04:05,200

playing and they're like hey they're

1645

01:04:10,230 --> 01:04:08,000

posing next to the little alien you know

1646

01:04:11,829 --> 01:04:10,240

inside the little alien with goofing off

1647

01:04:12,950 --> 01:04:11,839

and just

1648

01:04:15,910 --> 01:04:12,960

being

1649

01:04:19,910 --> 01:04:17,750

and then um they had music playing in

1650

01:04:22,950 --> 01:04:19,920

the car and then all of a sudden

1651  
01:04:27,109 --> 01:04:24,549  
they're on a dirt road and they're

1652  
01:04:29,349 --> 01:04:27,119  
stopped and they're filming

1653  
01:04:31,190 --> 01:04:29,359  
and it looks like

1654  
01:04:33,029 --> 01:04:31,200  
if i'm in the driver's seat

1655  
01:04:35,990 --> 01:04:33,039  
and he's in the passenger seat

1656  
01:04:37,910 --> 01:04:36,000  
it looks like someone took the camera

1657  
01:04:38,870 --> 01:04:37,920  
and put it on the arborist in between

1658  
01:04:41,510 --> 01:04:38,880  
the two

1659  
01:04:43,829 --> 01:04:41,520  
and it's not level the camera's cocked

1660  
01:04:47,109 --> 01:04:43,839  
just a little bit a little bit but it's

1661  
01:04:48,549 --> 01:04:47,119  
just it's not low i'm a camera guy

1662  
01:04:50,789 --> 01:04:48,559  
and uh and they're screaming it's

1663  
01:04:53,510 --> 01:04:50,799

filming the dashboard

1664

01:04:55,349 --> 01:04:53,520

the dash the windscreen

1665

01:04:57,190 --> 01:04:55,359

the you know all the knobs and the air

1666

01:04:58,069 --> 01:04:57,200

conditioning in the radio the radio was

1667

01:04:59,589 --> 01:04:58,079

off

1668

01:05:01,190 --> 01:04:59,599

just totally silent

1669

01:05:02,789 --> 01:05:01,200

and they're screaming at each other back

1670

01:05:04,710 --> 01:05:02,799

and forth and it sounded like they're

1671

01:05:06,390 --> 01:05:04,720

trying to crawl under the seats where it

1672

01:05:07,430 --> 01:05:06,400

sounded like okay but they're not being

1673

01:05:09,750 --> 01:05:07,440

filmed so i don't know what they were

1674

01:05:11,349 --> 01:05:09,760

doing but that's what it sounded like

1675

01:05:13,510 --> 01:05:11,359

it's over the top of us it's over the

1676  
01:05:14,710 --> 01:05:13,520  
top of this get down get down it's over

1677  
01:05:16,950 --> 01:05:14,720  
the top of us

1678  
01:05:18,789 --> 01:05:16,960  
and all of a sudden

1679  
01:05:20,870 --> 01:05:18,799  
the inside of this car lights up like a

1680  
01:05:22,549 --> 01:05:20,880  
steven spielberg okay

1681  
01:05:24,789 --> 01:05:22,559  
it was like only

1682  
01:05:27,430 --> 01:05:24,799  
kind of an orange glow what kind of what

1683  
01:05:28,549 --> 01:05:27,440  
time of day was it dusk was done yeah it

1684  
01:05:31,190 --> 01:05:28,559  
wasn't one

1685  
01:05:33,510 --> 01:05:31,200  
dark it wasn't light it was dusk and it

1686  
01:05:35,349 --> 01:05:33,520  
lights up this dashboard like like

1687  
01:05:36,470 --> 01:05:35,359  
orangey light

1688  
01:05:39,109 --> 01:05:36,480

and the whole

1689

01:05:40,069 --> 01:05:39,119

cabin had this light inside

1690

01:05:42,789 --> 01:05:40,079

and

1691

01:05:46,710 --> 01:05:42,799

here's the crazy part

1692

01:05:48,710 --> 01:05:46,720

the shadows on the inside of the car

1693

01:05:51,430 --> 01:05:48,720

were doing this really fluid kind of

1694

01:05:53,910 --> 01:05:51,440

motion where they were kind of just you

1695

01:05:56,069 --> 01:05:53,920

were like what the hell like what the

1696

01:05:57,670 --> 01:05:56,079

hell guaranteed you'd never see anything

1697

01:05:59,589 --> 01:05:57,680

like it because

1698

01:06:01,589 --> 01:05:59,599

the only way that happened

1699

01:06:03,990 --> 01:06:01,599

is that above the car

1700

01:06:05,829 --> 01:06:04,000

there was a light source on a pendulum

1701

01:06:07,270 --> 01:06:05,839

doing this kind of but it wasn't like a

1702

01:06:08,870 --> 01:06:07,280

consistent movement in the sense that it

1703

01:06:10,950 --> 01:06:08,880

was like a pendulum where it would go

1704

01:06:12,950 --> 01:06:10,960

this way like a clock and then back no

1705

01:06:14,630 --> 01:06:12,960

it was more inconsistent than that it

1706

01:06:15,750 --> 01:06:14,640

was like it was like doing something

1707

01:06:17,510 --> 01:06:15,760

like this

1708

01:06:20,870 --> 01:06:17,520

the light inside the car and were

1709

01:06:24,470 --> 01:06:20,880

freaking out okay

1710

01:06:26,870 --> 01:06:24,480

i'm like jesus christ like i'm looking

1711

01:06:29,670 --> 01:06:26,880

shocked he's looking at me and i'm going

1712

01:06:31,109 --> 01:06:29,680

what the hell is going on here then one

1713

01:06:33,589 --> 01:06:31,119

of the guys

1714

01:06:36,150 --> 01:06:33,599

who's like 19 i'm told according to

1715

01:06:37,910 --> 01:06:36,160

chuck he's like i'm getting out

1716

01:06:39,270 --> 01:06:37,920

i'm gonna film this thing

1717

01:06:40,789 --> 01:06:39,280

and the guy is

1718

01:06:41,829 --> 01:06:40,799

dreaming at him not to get out of the

1719

01:07:04,950 --> 01:06:41,839

car

1720

01:07:06,069 --> 01:07:04,960

here and the object here okay

1721

01:07:07,910 --> 01:07:06,079

like here

1722

01:07:09,190 --> 01:07:07,920

he's filming up at the object so you can

1723

01:07:14,150 --> 01:07:09,200

see

1724

01:07:15,589 --> 01:07:14,160

at the top of the graph okay it was kind

1725

01:07:17,349 --> 01:07:15,599

of like an angle i mean it was blowing

1726

01:07:19,750 --> 01:07:17,359

you could have hit it with the rock

1727

01:07:20,950 --> 01:07:19,760

okay something like this and it looked

1728

01:07:22,789 --> 01:07:20,960

like

1729

01:07:24,630 --> 01:07:22,799

the skin of this

1730

01:07:26,630 --> 01:07:24,640

craft was alive

1731

01:07:28,950 --> 01:07:26,640

it looked like phosphorus like you see

1732

01:07:31,270 --> 01:07:28,960

on a beach like it was glowing but there

1733

01:07:34,230 --> 01:07:31,280

were no light sources right

1734

01:07:36,710 --> 01:07:34,240

what color what like a yellowy orange

1735

01:07:40,470 --> 01:07:38,390

if you take a pie like if you have a

1736

01:07:43,190 --> 01:07:40,480

perfect disc like like a pie

1737

01:07:45,750 --> 01:07:43,200

and you have like a long pizza knife

1738

01:07:47,270 --> 01:07:45,760

and you very evenly

1739

01:07:49,349 --> 01:07:47,280

cut

1740

01:07:52,309 --> 01:07:49,359

the thing up but you didn't remove the

1741

01:07:54,150 --> 01:07:52,319

pieces it had like darker seams

1742

01:07:55,510 --> 01:07:54,160

for those they're perfectly symmetrical

1743

01:07:56,789 --> 01:07:55,520

they're beautiful

1744

01:07:58,710 --> 01:07:56,799

and the whole thing was glowing and it

1745

01:08:01,510 --> 01:07:58,720

was just wobbling like

1746

01:08:02,390 --> 01:08:01,520

magic right just like this i swear to

1747

01:08:04,470 --> 01:08:02,400

god

1748

01:08:09,270 --> 01:08:04,480

i swear on my life as i saw this thing

1749

01:08:13,430 --> 01:08:11,029

this is the best footage i've ever seen

1750

01:08:15,670 --> 01:08:13,440

times 100 million yeah

1751

01:08:18,470 --> 01:08:15,680

i looked over at chuck and the kid who's

1752

01:08:21,269 --> 01:08:18,480

filming it goes on oh my god

1753

01:08:22,470 --> 01:08:21,279

and then the camera shuts off

1754

01:08:27,269 --> 01:08:22,480

like he said

1755

01:08:31,590 --> 01:08:29,590

he said exactly what i was saying in my

1756

01:08:33,990 --> 01:08:31,600

head

1757

01:08:47,990 --> 01:08:34,000

oh my god and he couldn't even think he

1758

01:08:52,390 --> 01:08:49,910

he said these kids had come and they had

1759

01:08:54,870 --> 01:08:52,400

dinner whatever at the little alien

1760

01:08:56,390 --> 01:08:54,880

and then they talked they left

1761

01:08:57,990 --> 01:08:56,400

and then they came back

1762

01:08:59,669 --> 01:08:58,000

they went out to the black mailbox

1763

01:09:01,110 --> 01:08:59,679

apparently it was right around there

1764

01:09:03,430 --> 01:09:01,120

they came back and they were freaking

1765

01:09:06,070 --> 01:09:03,440

out oh my god you know you believe what

1766

01:09:07,829 --> 01:09:06,080

we just saw and we videotaped so they

1767

01:09:10,070 --> 01:09:07,839

showed chuck i guess and the patent

1768

01:09:12,950 --> 01:09:10,080

whoever else was there at the time and

1769

01:09:14,149 --> 01:09:12,960

they let chuck make a vhs table

1770

01:09:18,070 --> 01:09:14,159

i mean

1771

01:09:20,950 --> 01:09:18,080

that you know so they're too so i said

1772

01:09:21,829 --> 01:09:20,960

chuck i said chuck

1773

01:09:44,229 --> 01:09:21,839

i

1774

01:09:46,070 --> 01:09:44,239

after about 10 years

1775

01:09:47,510 --> 01:09:46,080

and i'm the most tenacious person that

1776

01:09:49,990 --> 01:09:47,520

you'll ever meet

1777

01:09:51,669 --> 01:09:50,000

he said if you ask me again i'm never

1778

01:09:55,030 --> 01:09:51,679

speaking to you oh

1779

01:09:57,030 --> 01:09:55,040

i went that far and i asked him again

1780

01:09:58,470 --> 01:09:57,040

and and so chuck wouldn't get back to me

1781

01:10:00,630 --> 01:09:58,480

i was caught him i'm tracking out her

1782

01:10:02,870 --> 01:10:00,640

own letters wouldn't get back to me

1783

01:10:05,350 --> 01:10:02,880

so recently

1784

01:10:07,669 --> 01:10:05,360

and i can't really reveal too much this

1785

01:10:08,870 --> 01:10:07,679

but recently i said

1786

01:10:10,470 --> 01:10:08,880

screw it

1787

01:10:12,950 --> 01:10:10,480

i'm talking about this and i'm talking

1788

01:10:15,030 --> 01:10:12,960

about it with his name i've had that

1789

01:10:17,189 --> 01:10:15,040

like you know this guy's gonna die in

1790

01:10:17,990 --> 01:10:17,199

his trailer with his footage

1791

01:10:23,990 --> 01:10:18,000

yeah

1792

01:10:25,750 --> 01:10:24,000

him his word i said honorable put me in

1793

01:10:27,990 --> 01:10:25,760

touch with the people who sought it let

1794

01:10:29,590 --> 01:10:28,000

me at least talk to them yeah he

1795

01:10:31,510 --> 01:10:29,600

wouldn't do it why

1796

01:10:32,790 --> 01:10:31,520

he didn't say

1797

01:10:35,110 --> 01:10:32,800

so

1798

01:10:36,870 --> 01:10:35,120

i mentioned this

1799

01:10:38,550 --> 01:10:36,880

about a year ago

1800

01:10:39,830 --> 01:10:38,560

maybe a little longer i don't know a

1801

01:10:41,990 --> 01:10:39,840

year and a half

1802

01:10:43,830 --> 01:10:42,000

when did the phenomenon come out

1803

01:10:45,669 --> 01:10:43,840

late

1804

01:10:47,990 --> 01:10:45,679

so anyway i mentioned it on the show

1805

01:10:49,830 --> 01:10:48,000

yeah this guy contacts me he's like

1806

01:10:51,990 --> 01:10:49,840

i think he's a private investigator

1807

01:10:54,310 --> 01:10:52,000

he goes i find

1808

01:10:57,189 --> 01:10:54,320

yes you want me to find chocolate yeah

1809

01:10:58,709 --> 01:10:57,199

fine so keep my name out of the mix yeah

1810

01:11:02,070 --> 01:10:58,719

he won't talk to me

1811

01:11:03,990 --> 01:11:02,080

and so he found him he did yes he did

1812

01:11:06,790 --> 01:11:04,000

and he went

1813

01:11:07,910 --> 01:11:06,800

to sea duck in arizona in the middle of

1814

01:11:09,910 --> 01:11:07,920

nowhere

1815

01:11:11,189 --> 01:11:09,920

and shocked on the footage

1816

01:11:13,350 --> 01:11:11,199

and he said it's exactly as you

1817

01:11:17,030 --> 01:11:13,360

described to james however the vhs tape

1818

01:11:17,040 --> 01:11:24,950

so

1819

01:11:30,470 --> 01:11:27,669

10 tells the guy the name of the

1820

01:11:32,229 --> 01:11:30,480

cameraman the production company

1821

01:11:35,750 --> 01:11:32,239

who was at a tv

1822

01:11:52,790 --> 01:11:35,760

news station in los angeles

1823

01:11:55,430 --> 01:11:54,390

and i said george

1824

01:11:57,669 --> 01:11:55,440

i said

1825

01:11:59,110 --> 01:11:57,679

george and i have talked about

1826  
01:12:02,070 --> 01:11:59,120  
what's the most amazing project you've

1827  
01:12:04,950 --> 01:12:02,080  
ever seen was in fact at the time when i

1828  
01:12:07,510 --> 01:12:04,960  
interviewed george in um

1829  
01:12:09,910 --> 01:12:07,520  
in las vegas when i interviewed senator

1830  
01:12:11,510 --> 01:12:09,920  
aaron lee and so i told

1831  
01:12:13,189 --> 01:12:11,520  
george about

1832  
01:12:15,750 --> 01:12:13,199  
you know chuck clark

1833  
01:12:16,950 --> 01:12:15,760  
and jordan george goes oh and last thing

1834  
01:12:18,550 --> 01:12:16,960  
that trump said to me he said i'll

1835  
01:12:19,669 --> 01:12:18,560  
remember talking again

1836  
01:12:49,270 --> 01:12:19,679  
is

1837  
01:12:53,189 --> 01:12:50,790  
i said well chuck

1838  
01:12:55,830 --> 01:12:53,199

apparently you know at the time i didn't

1839

01:12:57,669 --> 01:12:55,840

know that because i you know i hadn't

1840

01:12:59,510 --> 01:12:57,679

made that announcement in public i

1841

01:13:02,229 --> 01:12:59,520

didn't know that chuck still had the

1842

01:13:03,430 --> 01:13:02,239

footage that you know so i called

1843

01:13:05,270 --> 01:13:03,440

george

1844

01:13:07,430 --> 01:13:05,280

and i started putting pressure on him

1845

01:13:09,270 --> 01:13:07,440

right after i found out that the chuck

1846

01:13:10,310 --> 01:13:09,280

had the date and chuck was willing to

1847

01:13:12,149 --> 01:13:10,320

show it

1848

01:13:13,910 --> 01:13:12,159

you know and maybe like

1849

01:13:16,630 --> 01:13:13,920

so what i'm getting at here is that

1850

01:13:30,149 --> 01:13:16,640

jordan is really busy

1851

01:13:30,159 --> 01:13:44,310

you know

1852

01:13:47,669 --> 01:13:45,830

so now he's gone

1853

01:13:49,910 --> 01:13:47,679

so we went and contacted this place at

1854

01:13:52,070 --> 01:13:49,920

work and he's got to have that asp in

1855

01:13:52,950 --> 01:13:52,080

the library somewhere we contacted his

1856

01:13:57,110 --> 01:13:52,960

son

1857

01:14:02,950 --> 01:13:59,750

any lead at all back for the original to

1858

01:14:07,430 --> 01:14:02,960

the asb no the two guys filmed no

1859

01:14:13,990 --> 01:14:10,229

it tears my heart out yeah do you think

1860

01:14:17,750 --> 01:14:14,000

would be able to reach those people

1861

01:14:19,270 --> 01:14:17,760

i don't know i don't know yeah

1862

01:14:22,310 --> 01:14:19,280

i don't know

1863

01:14:23,669 --> 01:14:22,320

so you think that he was

1864

01:14:26,550 --> 01:14:23,679

taken to the right

1865

01:14:28,709 --> 01:14:26,560

i was like no it wasn't oh no it's not

1866

01:14:32,630 --> 01:14:28,719

because it was seen halfway yes

1867

01:14:34,070 --> 01:14:32,640

ah yes so it still exists yes i noticed

1868

01:14:35,189 --> 01:14:34,080

this all right my friend just went

1869

01:14:37,669 --> 01:14:35,199

inside

1870

01:14:39,910 --> 01:14:37,679

like months ago all right so anyone

1871

01:14:41,990 --> 01:14:39,920

listening to this get on this well

1872

01:14:44,229 --> 01:14:42,000

unfortunately the guy that dave chuck

1873

01:14:46,709 --> 01:14:44,239

was now dead and he died

1874

01:14:48,709 --> 01:14:46,719

literally like a month or two after i

1875

01:14:50,390 --> 01:14:48,719

was telling george knapp to go after it

1876

01:14:52,070 --> 01:14:50,400

because george happened after he got his

1877

01:14:54,310 --> 01:14:52,080

anger still alive he would have gotten a

1878

01:14:57,110 --> 01:14:54,320

high resolution quality from being sp

1879

01:15:00,310 --> 01:14:57,120

according to chuck yeah when you saw it

1880

01:15:02,310 --> 01:15:00,320

was it clear it was called yeah

1881

01:15:04,390 --> 01:15:02,320

yeah

1882

01:15:07,030 --> 01:15:04,400

and how about that was there any sound

1883

01:15:08,229 --> 01:15:07,040

or anything yeah

1884

01:15:32,870 --> 01:15:08,239

oh

1885

01:15:35,510 --> 01:15:33,669

yeah

1886

01:15:36,790 --> 01:15:35,520

and the way it glowed

1887

01:15:50,390 --> 01:15:36,800

because you know you feel like a light

1888

01:15:50,400 --> 01:15:57,030

i was speechless

1889

01:15:59,990 --> 01:15:59,189

you know the yeah my

1890

01:16:05,030 --> 01:16:00,000

one

1891

01:16:08,790 --> 01:16:06,790

you know ufo gonna keep the best

1892

01:16:10,870 --> 01:16:08,800

evidence to yourself and your in your

1893

01:16:12,149 --> 01:16:10,880

house and not even try to get the people

1894

01:16:13,430 --> 01:16:12,159

to come forward

1895

01:16:15,189 --> 01:16:13,440

like

1896

01:16:16,310 --> 01:16:15,199

you know that doesn't make any sense you

1897

01:16:19,110 --> 01:16:16,320

know i mean

1898

01:16:20,709 --> 01:16:19,120

so one just like i've been that's why

1899

01:16:22,790 --> 01:16:20,719

like a year ago i saw the nail with it

1900

01:16:23,990 --> 01:16:22,800

i'm talking about it now

1901

01:16:26,550 --> 01:16:24,000

and i talked about it before i don't

1902

01:16:27,750 --> 01:16:26,560

know if i revealed his name or not but

1903

01:16:29,030 --> 01:16:27,760

anyway

1904

01:16:32,390 --> 01:16:29,040

you know

1905

01:16:34,470 --> 01:16:32,400

said why didn't come forward

1906

01:16:36,149 --> 01:16:34,480

yeah you know just give me something not

1907

01:16:37,270 --> 01:16:36,159

i won't talk to you again if you ask me

1908

01:16:39,430 --> 01:16:37,280

why the hell did you show them you know

1909

01:16:40,630 --> 01:16:39,440

who i am you know what exactly you're

1910

01:16:42,229 --> 01:16:40,640

gonna show me that footage and say you

1911

01:16:43,830 --> 01:16:42,239

can't have it the reason i won't even

1912

01:16:46,630 --> 01:16:43,840

make an effort for you to get access to

1913

01:16:48,550 --> 01:16:46,640

it zero

1914

01:16:50,149 --> 01:16:48,560

zero just let me talk to the people

1915

01:16:51,830 --> 01:16:50,159

that's all i wanted if there was

1916

01:16:53,350 --> 01:16:51,840

anything you if you had a chance to do

1917

01:16:55,110 --> 01:16:53,360

everything all over again i grabbed that

1918

01:16:57,110 --> 01:16:55,120

table right out of there

1919

01:16:59,030 --> 01:16:57,120

i wouldn't

1920

01:17:02,470 --> 01:16:59,040

you know

1921

01:17:04,550 --> 01:17:02,480

i don't i would drop that tape

1922

01:17:05,830 --> 01:17:04,560

yeah because that doesn't belong to one

1923

01:17:07,669 --> 01:17:05,840

person that belongs to all of us that's

1924

01:17:09,669 --> 01:17:07,679

the best evidence i've ever seen times

1925

01:17:11,910 --> 01:17:09,679

100 billion yeah

1926

01:17:14,149 --> 01:17:11,920

yeah nothing even close yeah i mean

1927

01:17:16,310 --> 01:17:14,159

imagine the disc in dusk that you can

1928

01:17:17,430 --> 01:17:16,320

hit with a rock and it's several seconds

1929

01:17:19,030 --> 01:17:17,440

long

1930

01:17:21,189 --> 01:17:19,040

this is not like something like there's

1931

01:17:22,950 --> 01:17:21,199

no it's not like oh that could have been

1932

01:17:25,110 --> 01:17:22,960

a stealth aircraft no

1933

01:17:28,390 --> 01:17:25,120

no this was sitting in one place and it

1934

01:17:31,510 --> 01:17:28,400

was doing this weird like very fluid the

1935

01:17:33,110 --> 01:17:31,520

way it was like

1936

01:17:35,590 --> 01:17:33,120

this kind of thing like it was like

1937

01:17:37,270 --> 01:17:35,600

bobbing with water yeah you know and

1938

01:17:39,350 --> 01:17:37,280

probably nothing to do with area do you

1939

01:17:41,590 --> 01:17:39,360

want test equipment

1940

01:17:50,390 --> 01:17:41,600

but i mean well maybe it was but i'll

1941

01:17:55,669 --> 01:17:53,189

off the ground right there yeah okay

1942

01:18:09,590 --> 01:17:55,679

that's what i saw yeah

1943

01:18:13,350 --> 01:18:11,750

yeah and i don't give up easily you can

1944

01:18:14,470 --> 01:18:13,360

ask this guy

1945

01:18:16,229 --> 01:18:14,480

you remember some of the witnesses that

1946

01:18:20,870 --> 01:18:16,239

i want to go talk to you're like

1947

01:18:28,560 --> 01:18:23,350

you know they told you about eric i

1948

01:18:28,570 --> 01:18:52,830

[Music]

1949

01:18:56,229 --> 01:18:54,310

is you said that

1950

01:18:58,550 --> 01:18:56,239

i've ever shot

1951

01:19:00,630 --> 01:18:58,560

yeah i've ever been part of yeah

1952

01:19:03,430 --> 01:19:00,640

he said oh you something was

1953

01:19:05,189 --> 01:19:03,440

too based i could see the stress

1954

01:19:06,310 --> 01:19:05,199

never forget it and why do you think he

1955

01:19:07,990 --> 01:19:06,320

was so

1956

01:19:09,830 --> 01:19:08,000

they told him to shut his pile that's

1957

01:19:12,550 --> 01:19:09,840

why

1958

01:19:14,870 --> 01:19:12,560

no question yeah zero so he's basically

1959

01:19:16,709 --> 01:19:14,880

threatened oh my god i look i can't

1960

01:19:19,350 --> 01:19:16,719

prove that but it was written all over

1961

01:19:21,110 --> 01:19:19,360

his face yeah are you kidding oh yeah

1962

01:19:24,149 --> 01:19:21,120

you say hey guys how you doing it didn't

1963

01:19:26,310 --> 01:19:24,159

happen this is a joke

1964

01:19:28,870 --> 01:19:26,320

that is not what he said and before you

1965

01:19:30,630 --> 01:19:28,880

met you know did he ask him anything if

1966

01:19:32,790 --> 01:19:30,640

you're here to talk about the 18 i'm not

1967

01:19:34,470 --> 01:19:32,800

going to talk or he's not going to talk

1968

01:19:35,990 --> 01:19:34,480

like oh okay it's like the cops going up

1969

01:19:37,590 --> 01:19:36,000

your house oh there's no drugs in here

1970

01:19:43,990 --> 01:19:37,600

officer yeah it's like well we didn't

1971

01:19:47,750 --> 01:19:44,790

yeah

1972

01:19:49,830 --> 01:19:47,760

uh marco i just want to ask

1973

01:19:51,430 --> 01:19:49,840

i'll ask you the same question we'll go

1974

01:19:55,430 --> 01:19:51,440

back and forth between these things but

1975

01:19:57,590 --> 01:19:55,440

this that that footage thing oh man

1976

01:19:59,510 --> 01:19:57,600

uh i really hope that we can all

1977

01:20:02,630 --> 01:19:59,520

experience that someday but i'm

1978

01:20:05,270 --> 01:20:02,640

interested in how you got interested in

1979

01:20:07,270 --> 01:20:05,280

the ufo topic in the beginning yeah so

1980

01:20:10,790 --> 01:20:07,280

how did all that happen with you uh it

1981

01:20:31,110 --> 01:20:10,800

happened like when i was a child yeah

1982

01:20:35,669 --> 01:20:34,070

this is i had 11 years old so when i had

1983

01:20:38,550 --> 01:20:35,679

14 years old

1984

01:20:41,669 --> 01:20:38,560

like three years later i was with my

1985

01:20:42,790 --> 01:20:41,679

friends we went to play a soccer game

1986

01:20:45,590 --> 01:20:42,800

and we

1987

01:20:47,830 --> 01:20:45,600

we saw like my friends called like an

1988

01:20:48,709 --> 01:20:47,840

object like a triangle

1989

01:20:51,669 --> 01:20:48,719

and

1990

01:20:54,390 --> 01:20:51,679

he would they doing he was being

1991

01:20:56,790 --> 01:20:54,400

like this and uh

1992

01:20:59,510 --> 01:20:56,800

and i remember i said

1993

01:21:01,830 --> 01:20:59,520

what is this and no noise

1994

01:21:04,149 --> 01:21:01,840

and uh the this triangle just

1995

01:21:05,990 --> 01:21:04,159

disappeared like very fast

1996

01:21:09,189 --> 01:21:06,000

you know and then that's where you are

1997

01:21:10,149 --> 01:21:09,199

meeting chris did and i went to the

1998

01:21:12,709 --> 01:21:10,159

to the

1999

01:21:15,750 --> 01:21:12,719

magazine places and i bought the ufo

2000

01:21:16,870 --> 01:21:15,760

magazine so i started to read about it

2001

01:21:19,189 --> 01:21:16,880

and i said

2002

01:21:21,510 --> 01:21:19,199

well something's going on you know

2003

01:21:24,229 --> 01:21:21,520

i went through and i knew about even

2004

01:21:25,910 --> 01:21:24,239

from congress around brazil and i used

2005

01:21:30,629 --> 01:21:25,920

to

2006

01:21:33,830 --> 01:21:30,639

congress so

2007

01:21:36,390 --> 01:21:33,840

then i felt really hard in my heart to

2008

01:21:38,149 --> 01:21:36,400

investigate the case with me just

2009

01:21:39,030 --> 01:21:38,159

because i wouldn't know it

2010

01:21:42,790 --> 01:21:39,040

but i

2011

01:21:45,669 --> 01:21:42,800

i don't believe too much like video um

2012

01:21:49,110 --> 01:21:45,679

it's crazy i wanna go investigate you

2013

01:21:51,189 --> 01:21:49,120

want to know yeah i just wanted to know

2014

01:21:51,990 --> 01:21:51,199

you got the blog yeah

2015

01:21:57,590 --> 01:21:52,000

yeah

2016

01:21:59,430 --> 01:21:57,600

crazy that's great i'm glad you

2017

01:22:02,149 --> 01:21:59,440

really attended and you were available

2018

01:22:03,590 --> 01:22:02,159

to work with because you knew that

2019

01:22:05,910 --> 01:22:03,600

that you would have to learn how to be

2020

01:22:08,830 --> 01:22:05,920

poor portuguese contact wouldn't exist

2021

01:22:12,149 --> 01:22:08,840

without this guy yeah

2022

01:22:14,629 --> 01:22:12,159

yeah fellow researchers yeah

2023

01:22:15,990 --> 01:22:14,639

not like these guys yeah these guys

2024

01:22:17,590 --> 01:22:16,000

really got their boots on the ground and

2025

01:22:19,750 --> 01:22:17,600

went after it and when i was there i was

2026

01:22:21,990 --> 01:22:19,760

doing the same thing i was he was there

2027

01:22:24,709 --> 01:22:22,000

all the time yeah for a year

2028

01:22:27,270 --> 01:22:24,719

years yeah and then i had my first

2029

01:22:30,470 --> 01:22:27,280

experience like working with the subject

2030

01:22:34,229 --> 01:22:30,480

with james and then after that uh i met

2031

01:22:36,550 --> 01:22:34,239

a guy fred and he did a show for his

2032

01:22:39,590 --> 01:22:36,560

channel in brazil like it's a series

2033

01:22:42,870 --> 01:22:39,600

that we call the zombies which is a take

2034

01:22:43,910 --> 01:22:42,880

right with ufos two just to show some

2035

01:22:46,070 --> 01:22:43,920

things

2036

01:22:48,629 --> 01:22:46,080

that are happening in brazil so we

2037

01:22:49,990 --> 01:22:48,639

should like creating a plot

2038

01:22:51,510 --> 01:22:50,000

and

2039

01:22:52,390 --> 01:22:51,520

because you know

2040

01:22:53,510 --> 01:22:52,400

he

2041

01:22:55,590 --> 01:22:53,520

like

2042

01:22:57,350 --> 01:22:55,600

he gave me the opportunity to learn a

2043

01:23:01,669 --> 01:22:57,360

little bit about that

2044

01:23:14,790 --> 01:23:01,679

so i used to love to do i'm since uh

2045

01:23:19,830 --> 01:23:17,030

he's actually coming to l.a with me

2046

01:23:21,830 --> 01:23:19,840

to see the sound design work done to see

2047

01:23:23,830 --> 01:23:21,840

the trailer being made

2048

01:23:26,390 --> 01:23:23,840

we got the guy that doesn't sound

2049

01:23:28,229 --> 01:23:26,400

designed with uh james cameron he's

2050

01:23:30,950 --> 01:23:28,239

doing sound design for

2051  
01:23:33,910 --> 01:23:30,960  
modern contacts wow top-notch people man

2052  
01:23:36,229 --> 01:23:33,920  
just professionals again and

2053  
01:23:37,510 --> 01:23:36,239  
it's been nice to see that level of of

2054  
01:23:40,310 --> 01:23:37,520  
treatment to

2055  
01:23:42,310 --> 01:23:40,320  
atomic host right because there's always

2056  
01:23:44,390 --> 01:23:42,320  
like

2057  
01:23:46,790 --> 01:23:44,400  
an accepted level of production values

2058  
01:23:48,790 --> 01:23:46,800  
with ufos that i think is

2059  
01:23:51,030 --> 01:23:48,800  
you know really used to be

2060  
01:23:53,270 --> 01:23:51,040  
standing up and i remember talking to

2061  
01:23:55,830 --> 01:23:53,280  
you and saying that mike who when we

2062  
01:23:57,270 --> 01:23:55,840  
first met my two favorite movies or ones

2063  
01:23:59,590 --> 01:23:57,280

that you did

2064

01:24:08,310 --> 01:23:59,600

and you said well i wish i did this and

2065

01:24:12,310 --> 01:24:09,910

this guy david west

2066

01:24:13,430 --> 01:24:12,320

who's like one of the best photographers

2067

01:24:15,590 --> 01:24:13,440

alive

2068

01:24:17,590 --> 01:24:15,600

he's so into what he does doing so good

2069

01:24:18,950 --> 01:24:17,600

at shooting b-roll the beautiful people

2070

01:24:20,790 --> 01:24:18,960

that he goes after

2071

01:24:21,990 --> 01:24:20,800

he gets he really

2072

01:24:23,990 --> 01:24:22,000

captures

2073

01:24:25,669 --> 01:24:24,000

an atmosphere you know like he would

2074

01:24:27,590 --> 01:24:25,679

think of shots we're interviewing

2075

01:24:29,430 --> 01:24:27,600

somebody he's shooting

2076

01:24:30,629 --> 01:24:29,440

the window outside the windows during

2077

01:24:32,470 --> 01:24:30,639

the interview he's got four or five

2078

01:24:34,310 --> 01:24:32,480

cameras rolling he's got time left over

2079

01:24:36,790 --> 01:24:34,320

the building it's like the guy's just a

2080

01:24:39,030 --> 01:24:36,800

genius you know and he really cares

2081

01:24:40,390 --> 01:24:39,040

about what he does like he puts so much

2082

01:24:43,189 --> 01:24:40,400

thought and

2083

01:24:45,270 --> 01:24:43,199

cares as much as i care about

2084

01:24:47,510 --> 01:24:45,280

ufos and witnesses he cares the same

2085

01:24:49,430 --> 01:24:47,520

about photography the guys in the sound

2086

01:24:51,510 --> 01:24:49,440

the guys that are proposing music these

2087

01:24:53,750 --> 01:24:51,520

are professionals that really care and

2088

01:24:55,669 --> 01:24:53,760

now it's really exciting marco's got to

2089

01:24:58,070 --> 01:24:55,679

see like you're going to see from start

2090

01:24:59,669 --> 01:24:58,080

to finish from tuning to completion all

2091

01:25:01,270 --> 01:24:59,679

the way through yeah

2092

01:25:02,950 --> 01:25:01,280

i mean i haven't even done that this is

2093

01:25:04,870 --> 01:25:02,960

the first time i've done that with boris

2094

01:25:06,470 --> 01:25:04,880

endorsement i've done lots of it but he

2095

01:25:09,510 --> 01:25:06,480

always comes late

2096

01:25:17,990 --> 01:25:09,520

now of course from start to finish

2097

01:25:21,030 --> 01:25:19,669

yeah it's amazing

2098

01:25:22,709 --> 01:25:21,040

yeah

2099

01:25:25,830 --> 01:25:22,719

there's an echo

2100

01:25:27,830 --> 01:25:25,840

and i'm gonna try to fix that as as we

2101

01:25:29,990 --> 01:25:27,840

go along and i apologize that's

2102

01:25:31,830 --> 01:25:30,000

happening we did a sound check in the

2103

01:25:33,750 --> 01:25:31,840

beginning i'm not sure

2104

01:25:37,110 --> 01:25:33,760

uh what

2105

01:25:38,550 --> 01:25:37,120

well we went live like let's say 6 p.m

2106

01:25:41,510 --> 01:25:38,560

and it's getting

2107

01:25:43,590 --> 01:25:41,520

working like tailbone off all day um we

2108

01:25:45,780 --> 01:25:43,600

went live at 6 pm and you showed up at 5

2109

01:25:47,830 --> 01:25:45,790

58 so that's probably why we got an echo

2110

01:25:50,629 --> 01:25:47,840

[Laughter]

2111

01:25:52,790 --> 01:25:50,639

well i just removed two minutes

2112

01:25:55,669 --> 01:25:52,800

i just removed the other camera

2113

01:25:56,870 --> 01:25:55,679

so um i'm thinking was that was live

2114

01:25:58,550 --> 01:25:56,880

still

2115

01:26:00,229 --> 01:25:58,560

this one is a live stream this is not

2116

01:26:01,270 --> 01:26:00,239

the other one yeah so i just removed the

2117

01:26:04,390 --> 01:26:01,280

other camera

2118

01:26:05,910 --> 01:26:04,400

so um uh hopefully okay everyone's

2119

01:26:08,950 --> 01:26:05,920

saying it's way better

2120

01:26:10,629 --> 01:26:08,960

i'm really sorry everyone um i'm really

2121

01:26:12,790 --> 01:26:10,639

sorry everyone it it worked fine in the

2122

01:26:15,270 --> 01:26:12,800

beginning so it should be fine from now

2123

01:26:17,669 --> 01:26:15,280

on without that camera

2124

01:26:19,910 --> 01:26:17,679

can't believe it huh yeah these things

2125

01:26:21,590 --> 01:26:19,920

happen we did peter cavity at this very

2126  
01:26:24,070 --> 01:26:21,600  
table did you really just a couple weeks

2127  
01:26:25,350 --> 01:26:24,080  
ago yeah the computer was remote but we

2128  
01:26:27,189 --> 01:26:25,360  
had an echo too

2129  
01:26:29,030 --> 01:26:27,199  
we finally figured out what was after we

2130  
01:26:30,709 --> 01:26:29,040  
did everything we made we made it work

2131  
01:26:32,629 --> 01:26:30,719  
but we had a weird echo yeah we've got

2132  
01:26:33,510 --> 01:26:32,639  
one half hour left

2133  
01:26:37,669 --> 01:26:33,520  
so

2134  
01:26:42,310 --> 01:26:40,070  
i apologize everyone well i i wouldn't

2135  
01:26:44,550 --> 01:26:42,320  
mind if it's okay with you martin

2136  
01:26:45,990 --> 01:26:44,560  
um without revealing too much i'd like

2137  
01:26:47,750 --> 01:26:46,000  
to know

2138  
01:26:49,590 --> 01:26:47,760

what it was like for you

2139

01:26:52,070 --> 01:26:49,600

to see moment of contact even though

2140

01:26:53,110 --> 01:26:52,080

it's it's fairly rough

2141

01:26:54,870 --> 01:26:53,120

um

2142

01:26:56,790 --> 01:26:54,880

well condition i watched it with my

2143

01:26:57,990 --> 01:26:56,800

friend don in the other room what did

2144

01:27:01,189 --> 01:26:58,000

you know about what did you know about

2145

01:27:04,470 --> 01:27:01,199

the case prior i i heard about the case

2146

01:27:06,550 --> 01:27:04,480

i would say i looked into it probably

2147

01:27:08,310 --> 01:27:06,560

six or seven years ago and i just

2148

01:27:10,229 --> 01:27:08,320

remember either i read something about

2149

01:27:11,590 --> 01:27:10,239

it and i remember the creature for some

2150

01:27:13,910 --> 01:27:11,600

reason i thought a creature was in a

2151  
01:27:16,470 --> 01:27:13,920  
tree i don't remember where i got mixed

2152  
01:27:18,390 --> 01:27:16,480  
up but but i just remembered that there

2153  
01:27:19,990 --> 01:27:18,400  
were girls that saw the creature

2154  
01:27:21,990 --> 01:27:20,000  
and all this and i thought wow what a

2155  
01:27:23,990 --> 01:27:22,000  
weird case that is

2156  
01:27:25,189 --> 01:27:24,000  
but i will tell you after watching the

2157  
01:27:27,350 --> 01:27:25,199  
movie

2158  
01:27:28,470 --> 01:27:27,360  
there's no doubt in my mind that

2159  
01:27:30,950 --> 01:27:28,480  
something

2160  
01:27:33,830 --> 01:27:30,960  
really happened there and i do and it's

2161  
01:27:36,470 --> 01:27:33,840  
funny i was i said this to you you may

2162  
01:27:39,350 --> 01:27:36,480  
think i was joking but i i felt sorry

2163  
01:27:42,629 --> 01:27:39,360

for the creature because it seemed very

2164

01:27:44,790 --> 01:27:42,639

frail and very afraid i mean that's

2165

01:27:47,830 --> 01:27:44,800

that's kind of what was scared it was

2166

01:27:50,390 --> 01:27:47,840

scared like i'm still terrible i'm stuck

2167

01:27:52,470 --> 01:27:50,400

here yep you know i'm not going home

2168

01:27:54,310 --> 01:27:52,480

what's gonna happen to me i mean

2169

01:27:56,310 --> 01:27:54,320

of course i'm thinking in human terms

2170

01:27:58,310 --> 01:27:56,320

but who knows what it was thinking but

2171

01:28:00,390 --> 01:27:58,320

the thing was according to the girls

2172

01:28:01,270 --> 01:28:00,400

acting like it was afraid

2173

01:28:03,510 --> 01:28:01,280

and

2174

01:28:04,950 --> 01:28:03,520

um but i after listening to all the all

2175

01:28:06,149 --> 01:28:04,960

the witnesses

2176

01:28:08,070 --> 01:28:06,159

um

2177

01:28:10,070 --> 01:28:08,080

i have no doubt

2178

01:28:11,030 --> 01:28:10,080

i don't have any doubt that that did

2179

01:28:15,590 --> 01:28:11,040

happen

2180

01:28:18,310 --> 01:28:15,600

but i mean everything follows along

2181

01:28:19,830 --> 01:28:18,320

that's the reason i asked you

2182

01:28:23,350 --> 01:28:19,840

what are the chances that these people

2183

01:28:24,149 --> 01:28:23,360

talked because their stories all line up

2184

01:28:25,910 --> 01:28:24,159

so

2185

01:28:27,510 --> 01:28:25,920

i thought it was great i thought it was

2186

01:28:32,229 --> 01:28:27,520

great and you know

2187

01:28:35,189 --> 01:28:32,239

one one uh aspect that i learned

2188

01:28:37,030 --> 01:28:35,199

kind of after that after the well

2189

01:28:38,470 --> 01:28:37,040

uh it's really funny actually because

2190

01:28:43,750 --> 01:28:38,480

when i was in

2191

01:28:44,550 --> 01:28:43,760

rua case for the phenomenon

2192

01:28:47,030 --> 01:28:44,560

um

2193

01:28:49,430 --> 01:28:47,040

dr john mack right sort of follow me on

2194

01:28:51,430 --> 01:28:49,440

the trail dr john mack

2195

01:28:53,430 --> 01:28:51,440

and all that archive footage and you

2196

01:28:54,229 --> 01:28:53,440

know your audience knows that story

2197

01:28:57,110 --> 01:28:54,239

well

2198

01:28:59,990 --> 01:28:57,120

dr john mack was in virginia

2199

01:29:00,950 --> 01:29:00,000

and was it uber that shot back yeah

2200

01:29:01,830 --> 01:29:00,960

right

2201

01:29:03,990 --> 01:29:01,840

yeah

2202

01:29:07,430 --> 01:29:04,000

so so so john mack

2203

01:29:12,870 --> 01:29:08,390

weeks

2204

01:29:14,790 --> 01:29:12,880

after it happened not long wow fresh wow

2205

01:29:16,709 --> 01:29:14,800

and and there was something that was

2206

01:29:18,070 --> 01:29:16,719

revealed there and i it kind of put the

2207

01:29:18,950 --> 01:29:18,080

pieces together i just didn't have the

2208

01:29:20,709 --> 01:29:18,960

exact

2209

01:29:22,070 --> 01:29:20,719

the level of detail that was revealed

2210

01:29:25,430 --> 01:29:22,080

with dr john mack interview with the

2211

01:29:26,950 --> 01:29:25,440

girls and that is this

2212

01:29:28,629 --> 01:29:26,960

there was

2213

01:29:31,110 --> 01:29:28,639

liliani i think was leading the way she

2214

01:29:32,470 --> 01:29:31,120

was 16. i put yeah i'm wrong here

2215

01:29:34,310 --> 01:29:32,480

liliani

2216

01:29:39,030 --> 01:29:34,320

her sister

2217

01:29:41,030 --> 01:29:39,040

and then i believe katya yeah uh no

2218

01:29:43,510 --> 01:29:41,040

walking together oh yes they were

2219

01:29:46,390 --> 01:29:43,520

welcome when they had the encounter with

2220

01:29:47,750 --> 01:29:46,400

this being

2221

01:29:49,590 --> 01:29:47,760

liliani

2222

01:29:53,270 --> 01:29:49,600

according to the interview that i just

2223

01:29:55,430 --> 01:29:53,280

saw with dr john mack really on he grabs

2224

01:29:57,669 --> 01:29:55,440

the hand of her younger sister and yanks

2225

01:29:59,910 --> 01:29:57,679

her out of there and he's running away

2226

01:30:02,550 --> 01:29:59,920

from this thing freaked out

2227

01:30:04,870 --> 01:30:02,560

well katya they realized stayed back and

2228

01:30:06,550 --> 01:30:04,880

is frozen in her tracks yeah and just

2229

01:30:08,709 --> 01:30:06,560

staring at the eyes of this creature

2230

01:30:10,950 --> 01:30:08,719

from like 10 feet away yeah okay in

2231

01:30:13,510 --> 01:30:10,960

broad daylight

2232

01:30:15,830 --> 01:30:13,520

they liliani is like oh my god i gotta

2233

01:30:18,950 --> 01:30:15,840

go get katya liliani

2234

01:30:20,870 --> 01:30:18,960

runs back and grabs katy by the arm and

2235

01:30:24,149 --> 01:30:20,880

yanks her out of there like breaks that

2236

01:30:26,629 --> 01:30:24,159

trance yeah they have some bags there's

2237

01:30:28,070 --> 01:30:26,639

a bag and they left in the place

2238

01:30:30,870 --> 01:30:28,080

oh my god so

2239

01:30:32,870 --> 01:30:30,880

so this is revealed so

2240

01:30:34,790 --> 01:30:32,880

dr john mack is going

2241

01:30:36,149 --> 01:30:34,800

did you have any communication

2242

01:30:37,990 --> 01:30:36,159

did you feel anything when you made eye

2243

01:30:39,750 --> 01:30:38,000

contact with this creature and

2244

01:30:41,350 --> 01:30:39,760

apparently it was exactly that it's like

2245

01:30:42,870 --> 01:30:41,360

get me out of here

2246

01:30:44,709 --> 01:30:42,880

i'm scared

2247

01:30:46,550 --> 01:30:44,719

for my you know my well-being please

2248

01:30:50,870 --> 01:30:46,560

help me

2249

01:30:52,790 --> 01:30:50,880

i'm in and he felt like he was being

2250

01:30:54,310 --> 01:30:52,800

i mean like you you interpreted like he

2251  
01:30:57,189 --> 01:30:54,320  
felt like he was hiding from people that

2252  
01:30:59,910 --> 01:30:57,199  
wanted to do him harm yeah

2253  
01:31:01,430 --> 01:30:59,920  
crazy which did yeah and i it and you

2254  
01:31:03,110 --> 01:31:01,440  
know cockhead revealed a little that in

2255  
01:31:04,550 --> 01:31:03,120  
the interview with her she's you know

2256  
01:31:06,629 --> 01:31:04,560  
that she did have this communication

2257  
01:31:08,149 --> 01:31:06,639  
with the creature but that level of

2258  
01:31:09,910 --> 01:31:08,159  
detail where she was frozen in her

2259  
01:31:11,910 --> 01:31:09,920  
tracks the two other girls running away

2260  
01:31:14,390 --> 01:31:11,920  
and realized that they left her behind

2261  
01:31:17,110 --> 01:31:14,400  
liliani runs back grabs katya by the

2262  
01:31:23,669 --> 01:31:20,390  
amazing yeah amazing and you know the

2263  
01:31:27,030 --> 01:31:23,679

uh psalm acidic from the ariel's nor

2264

01:31:28,070 --> 01:31:27,040

will yes i mean what she said to me

2265

01:31:29,430 --> 01:31:28,080

is that

2266

01:31:32,070 --> 01:31:29,440

one of the hardest things she ever did

2267

01:31:34,310 --> 01:31:32,080

in her life was to break the eye

2268

01:31:35,189 --> 01:31:34,320

eye contact with the being she was next

2269

01:31:39,430 --> 01:31:35,199

to

2270

01:31:41,350 --> 01:31:39,440

see if they were okay

2271

01:31:42,629 --> 01:31:41,360

and she said you know four feet away

2272

01:31:43,990 --> 01:31:42,639

from this thing

2273

01:31:45,910 --> 01:31:44,000

the hardest thing she could ever do is

2274

01:31:48,149 --> 01:31:45,920

turn away yeah i'm laughing because my

2275

01:31:50,950 --> 01:31:48,159

dog i hear the dog yeah do you want to

2276

01:31:54,709 --> 01:31:50,960

just go kick him in the face i'm kidding

2277

01:31:59,669 --> 01:31:57,110

how could you treat a dog like that

2278

01:32:02,390 --> 01:31:59,679

jesus he's just a little guy

2279

01:32:03,910 --> 01:32:02,400

he's still he's an adorable lady come on

2280

01:32:06,149 --> 01:32:03,920

you could bring him in here communicate

2281

01:32:07,430 --> 01:32:06,159

telepathically with him tell him to

2282

01:32:08,790 --> 01:32:07,440

there we go

2283

01:32:10,550 --> 01:32:08,800

sorry guys

2284

01:32:12,070 --> 01:32:10,560

there's a little feet maybe you can let

2285

01:32:13,750 --> 01:32:12,080

him outside maybe he might need to do

2286

01:32:15,830 --> 01:32:13,760

his business yeah

2287

01:32:17,750 --> 01:32:15,840

yeah thank you a little housekeeping

2288

01:32:19,270 --> 01:32:17,760

here behind the scenes i know i'm sorry

2289

01:32:21,270 --> 01:32:19,280

guys sorry for the interruption here no

2290

01:32:22,709 --> 01:32:21,280

but these things happen yeah i know we

2291

01:32:39,110 --> 01:32:22,719

really want to see can you pick the dog

2292

01:32:42,149 --> 01:32:40,310

actually like when things like this

2293

01:32:42,960 --> 01:32:42,159

happen yeah yeah

2294

01:32:44,550 --> 01:32:42,970

okay

2295

01:32:47,669 --> 01:32:44,560

[Music]

2296

01:32:49,430 --> 01:32:47,679

so james um i remember

2297

01:32:50,950 --> 01:32:49,440

i thought i heard i don't know if you

2298

01:32:53,510 --> 01:32:50,960

said it yourself but i think someone

2299

01:32:55,430 --> 01:32:53,520

else speculated that you had tons and

2300

01:32:57,510 --> 01:32:55,440

tons of footage from when you were doing

2301

01:32:59,750 --> 01:32:57,520

the the phenomenon

2302

01:33:01,590 --> 01:32:59,760

and that you might do something with

2303

01:33:02,390 --> 01:33:01,600

that footage more with that footage is

2304

01:33:04,149 --> 01:33:02,400

that

2305

01:33:06,149 --> 01:33:04,159

is are you just moving forward and doing

2306

01:33:08,870 --> 01:33:06,159

other things or is that still a

2307

01:33:09,910 --> 01:33:08,880

possibility or was it ever a possibility

2308

01:33:12,390 --> 01:33:09,920

um

2309

01:33:15,030 --> 01:33:13,590

i was talking with someone about this

2310

01:33:17,590 --> 01:33:15,040

the other day

2311

01:33:19,590 --> 01:33:17,600

that at some point

2312

01:33:21,189 --> 01:33:19,600

excuse me i need to

2313

01:33:24,229 --> 01:33:21,199

make that footage available whether i

2314

01:33:25,990 --> 01:33:24,239

share with someone like david marlar

2315

01:33:28,550 --> 01:33:26,000

excuse me um

2316

01:33:32,070 --> 01:33:31,350

have a library that could be accessible

2317

01:33:33,990 --> 01:33:32,080

to

2318

01:33:36,870 --> 01:33:34,000

the world basically i think i'm sitting

2319

01:33:39,830 --> 01:33:36,880

on the biggest archive of material

2320

01:33:41,669 --> 01:33:39,840

anybody has i mean i must be

2321

01:33:44,149 --> 01:33:41,679

i mean think of all the content videos

2322

01:33:45,669 --> 01:33:44,159

video archives video archives and and a

2323

01:33:47,590 --> 01:33:45,679

lot of really good stuff and a lot of

2324

01:33:49,189 --> 01:33:47,600

the stuff i have is nobody else has

2325

01:33:51,910 --> 01:33:49,199

because the people are dead

2326

01:33:53,030 --> 01:33:51,920

yet i got so um to answer your question

2327

01:33:54,390 --> 01:33:53,040

i'm going to make it available to

2328

01:33:55,830 --> 01:33:54,400

everybody i just don't know exactly how

2329

01:33:57,430 --> 01:33:55,840

i'm going to go about doing that and

2330

01:33:59,110 --> 01:33:57,440

also

2331

01:34:00,390 --> 01:33:59,120

i'm going to continue shooting new

2332

01:34:02,790 --> 01:34:00,400

material

2333

01:34:04,870 --> 01:34:02,800

i feel like

2334

01:34:06,550 --> 01:34:04,880

i have to put the pressure on

2335

01:34:08,229 --> 01:34:06,560

more than ever before because we're at

2336

01:34:10,310 --> 01:34:08,239

that sort of tipping point yeah right

2337

01:34:11,910 --> 01:34:10,320

now feels like it yeah and then i don't

2338

01:34:15,510 --> 01:34:11,920

want to let up

2339

01:34:17,669 --> 01:34:15,520

narrow window

2340

01:34:19,270 --> 01:34:17,679

um that i can ride the coattails of the

2341

01:34:20,870 --> 01:34:19,280

success of the phenomenon not just

2342

01:34:23,510 --> 01:34:20,880

financially but

2343

01:34:26,629 --> 01:34:23,520

exposure-wise and having um

2344

01:34:29,510 --> 01:34:26,639

yes having access to people

2345

01:34:30,310 --> 01:34:29,520

and uh and so i want to uh that's why

2346

01:34:33,750 --> 01:34:30,320

i'm

2347

01:34:36,950 --> 01:34:33,760

in this barn is that i can i can produce

2348

01:34:37,990 --> 01:34:36,960

documentaries at a at a at a lightning

2349

01:34:41,109 --> 01:34:38,000

speed

2350

01:34:43,030 --> 01:34:41,119

uh self-contained not impact the family

2351

01:34:45,669 --> 01:34:43,040

um you know

2352

01:34:47,590 --> 01:34:45,679

uh and just crank some some some films

2353

01:34:49,669 --> 01:34:47,600

out in the coming years and really put

2354

01:34:51,350 --> 01:34:49,679

the pressure on the government

2355

01:34:53,910 --> 01:34:51,360

and and uh

2356

01:34:56,070 --> 01:34:53,920

that's that's that's what i'm gonna do

2357

01:34:58,070 --> 01:34:56,080

what are some of the other cases like on

2358

01:35:00,629 --> 01:34:58,080

your radar so to speak

2359

01:35:03,990 --> 01:35:00,639

you know you mentioned the one marco

2360

01:35:05,990 --> 01:35:04,000

talked about in the amazon yeah yeah

2361

01:35:08,790 --> 01:35:06,000

that's certainly on the radar right now

2362

01:35:12,790 --> 01:35:10,870

i i i think i'd like to go to washington

2363

01:35:14,390 --> 01:35:12,800

dc for a while

2364

01:35:15,510 --> 01:35:14,400

and start answering and ask some

2365

01:35:17,350 --> 01:35:15,520

questions

2366

01:35:19,510 --> 01:35:17,360

ah yeah

2367

01:35:21,350 --> 01:35:19,520

yeah interesting i think that's probably

2368

01:35:22,470 --> 01:35:21,360

going to be my next move and i'll do

2369

01:35:24,790 --> 01:35:22,480

that soon

2370

01:35:26,709 --> 01:35:24,800

wow yeah yeah and you're not you're in

2371

01:35:28,470 --> 01:35:26,719

proximity you're i am i could drive i

2372

01:35:30,390 --> 01:35:28,480

could drive there yeah eight hours yeah

2373

01:35:31,430 --> 01:35:30,400

no problem yeah and set up camp there

2374

01:35:32,870 --> 01:35:31,440

for a while

2375

01:35:34,470 --> 01:35:32,880

yeah but i'll i'll make some

2376

01:35:36,950 --> 01:35:34,480

arrangements ahead of time for it but

2377

01:35:39,350 --> 01:35:36,960

that's probably my next move

2378

01:35:40,229 --> 01:35:39,360

because uh i uncovered certain things we

2379

01:35:41,910 --> 01:35:40,239

did

2380

01:35:44,390 --> 01:35:41,920

we uncovered certain things in moment of

2381

01:35:45,350 --> 01:35:44,400

contact that lead us back to the united

2382

01:35:48,229 --> 01:35:45,360

states

2383

01:35:51,109 --> 01:35:48,239

evidence-wise so i'd like to as well as

2384

01:35:52,550 --> 01:35:51,119

other evidence stuff that i know exists

2385

01:35:54,149 --> 01:35:52,560

all right let's speaking on on this

2386

01:35:57,189 --> 01:35:54,159

particular topic

2387

01:35:59,030 --> 01:35:57,199

do you think that our

2388

01:36:01,590 --> 01:35:59,040

government or

2389

01:36:03,350 --> 01:36:01,600

segmented part of our government is

2390

01:36:05,350 --> 01:36:03,360

containing this and

2391

01:36:08,390 --> 01:36:05,360

one this type of information they've

2392

01:36:11,350 --> 01:36:08,400

been gathering in one specific area and

2393

01:36:13,350 --> 01:36:11,360

if so how's it generational in other

2394

01:36:15,669 --> 01:36:13,360

words we're going way back

2395

01:36:17,830 --> 01:36:15,679

um do you think that's a possibility or

2396

01:36:20,229 --> 01:36:17,840

do you think it's in the private sector

2397

01:36:21,510 --> 01:36:20,239

pushed into the private sector somehow

2398

01:36:22,870 --> 01:36:21,520

well i mean it would be free from

2399

01:36:24,950 --> 01:36:22,880

oversight if it wasn't the private

2400

01:36:27,350 --> 01:36:24,960

sector so that would make sense yeah but

2401

01:36:29,030 --> 01:36:27,360

i don't know yeah

2402

01:36:31,590 --> 01:36:29,040

yeah but i mean you think you think of

2403

01:36:33,750 --> 01:36:31,600

like the big sur you're the missile you

2404

01:36:35,669 --> 01:36:33,760

know yeah that that thing whenever that

2405

01:36:38,390 --> 01:36:35,679

happened way back then and all these

2406

01:36:40,950 --> 01:36:38,400

things and and uh um

2407

01:36:42,709 --> 01:36:40,960

you talked to gordon cooper's film

2408

01:36:44,950 --> 01:36:42,719

you think of all these things that have

2409

01:36:45,830 --> 01:36:44,960

in the bricks off of the data bricks off

2410

01:36:48,629 --> 01:36:45,840

of the

2411

01:36:51,990 --> 01:36:48,639

princeton yeah oh my god all the stuff

2412

01:36:53,430 --> 01:36:52,000

is going somewhere yeah and um would you

2413

01:36:55,350 --> 01:36:53,440

speculate again i'm asking for

2414

01:36:58,070 --> 01:36:55,360

speculation that it's going to the same

2415

01:37:00,709 --> 01:36:58,080

place or do you think that's it's

2416

01:37:02,790 --> 01:37:00,719

divvied up or something

2417

01:37:05,990 --> 01:37:02,800

i just don't know yeah

2418

01:37:07,109 --> 01:37:06,000

i wish i did now yeah but i i did you

2419

01:37:11,109 --> 01:37:07,119

know

2420

01:37:15,910 --> 01:37:14,310

when i was doing uh 2008 2009 i was

2421

01:37:17,109 --> 01:37:15,920

doing i know what i saw

2422

01:37:18,830 --> 01:37:17,119

yeah

2423

01:37:21,750 --> 01:37:18,840

and i was

2424

01:37:23,910 --> 01:37:21,760

broke to the point where you're so

2425

01:37:26,229 --> 01:37:23,920

you know you ever been so broke you

2426

01:37:29,430 --> 01:37:26,239

can't barely afford to pay attention

2427

01:37:30,790 --> 01:37:29,440

i was like right there right and my

2428

01:37:32,709 --> 01:37:30,800

my uh

2429

01:37:34,310 --> 01:37:32,719

my supporters that you know because you

2430

01:37:35,430 --> 01:37:34,320

get financial support some people have a

2431

01:37:36,790 --> 01:37:35,440

lot of money some people have little

2432

01:37:38,470 --> 01:37:36,800

money they you know they support you and

2433

01:37:39,270 --> 01:37:38,480

then it just drags on and they're like

2434

01:37:41,030 --> 01:37:39,280

yeah

2435

01:37:42,629 --> 01:37:41,040

we're done here like i'm not gonna keep

2436

01:37:45,109 --> 01:37:42,639

you keep saying you know

2437

01:37:47,590 --> 01:37:45,119

and uh and i was at that point with the

2438

01:37:49,430 --> 01:37:47,600

i know what i saw and so i was doing

2439

01:37:50,790 --> 01:37:49,440

uh some production work on the side in

2440

01:37:53,109 --> 01:37:50,800

san diego

2441

01:37:55,270 --> 01:37:53,119

and i worked this woman wanted to hire

2442

01:37:56,790 --> 01:37:55,280

me to do a documentation of her

2443

01:37:58,390 --> 01:37:56,800

husband's life he was about i think he

2444

01:38:01,189 --> 01:37:58,400

was turning 90

2445

01:38:03,109 --> 01:38:01,199

80 or 90. and um

2446

01:38:05,590 --> 01:38:03,119

so i agreed to do it i got all this life

2447

01:38:06,470 --> 01:38:05,600

span of stuff from the 20s all the way

2448

01:38:08,629 --> 01:38:06,480

you know

2449

01:38:10,470 --> 01:38:08,639

and uh she says that was very

2450

01:38:11,510 --> 01:38:10,480

interesting so james what do you do when

2451

01:38:12,950 --> 01:38:11,520

you're not

2452

01:38:15,189 --> 01:38:12,960

working on you know

2453

01:38:16,629 --> 01:38:15,199

and i was like oh boy here we go

2454

01:38:19,510 --> 01:38:16,639

so i told her

2455

01:38:21,510 --> 01:38:19,520

she goes oh my gosh that's fascinating

2456

01:38:24,070 --> 01:38:21,520

you know can i share something with you

2457

01:38:26,470 --> 01:38:24,080

i love that one and i said yeah her name

2458

01:38:29,510 --> 01:38:26,480

will come to me in a minute

2459

01:38:31,510 --> 01:38:29,520

secret it'll come to me in any case

2460

01:38:33,669 --> 01:38:31,520

she said

2461

01:38:35,350 --> 01:38:33,679

when i was in college

2462

01:38:38,870 --> 01:38:35,360

back and i think she said it was the 50s

2463

01:38:42,550 --> 01:38:40,550

she said my

2464

01:38:44,790 --> 01:38:42,560

uh there was a there was a

2465

01:38:46,629 --> 01:38:44,800

a guy either it was across the dorm from

2466

01:38:47,430 --> 01:38:46,639

her but it was

2467

01:38:50,550 --> 01:38:47,440

uh

2468

01:38:52,790 --> 01:38:50,560

general nathan twentynine's son ah

2469

01:38:54,950 --> 01:38:52,800

wow that's what she told me okay yeah

2470

01:38:56,390 --> 01:38:54,960

she said that he came having drinks with

2471

01:38:59,109 --> 01:38:56,400

her and a roommate one night in their

2472

01:39:00,870 --> 01:38:59,119

dorm room she knew the guy was still

2473

01:39:02,470 --> 01:39:00,880

alive

2474

01:39:04,390 --> 01:39:02,480

she tried to she tried to track him down

2475

01:39:05,910 --> 01:39:04,400

for me but anyway she came over and he

2476  
01:39:07,430 --> 01:39:05,920  
said to her

2477  
01:39:08,229 --> 01:39:07,440  
and her roommate

2478  
01:39:09,350 --> 01:39:08,239  
that

2479  
01:39:11,030 --> 01:39:09,360  
he was

2480  
01:39:12,870 --> 01:39:11,040  
taken his dad took him on a tour

2481  
01:39:14,790 --> 01:39:12,880  
underground of the pentagon and that

2482  
01:39:16,709 --> 01:39:14,800  
they had a room filled with photographic

2483  
01:39:18,950 --> 01:39:16,719  
evidence of ufos

2484  
01:39:21,350 --> 01:39:18,960  
and he told her this back in the late

2485  
01:39:24,070 --> 01:39:21,360  
50s or the early 60s and that he had

2486  
01:39:26,229 --> 01:39:24,080  
personally seen it through his father

2487  
01:39:29,910 --> 01:39:26,239  
wow she's like i've been holding on to

2488  
01:39:32,149 --> 01:39:29,920

that story for 50 years wow

2489

01:39:36,070 --> 01:39:32,159

nathan nathan twining memories that

2490

01:39:38,470 --> 01:39:36,080

looked at twining's son yeah

2491

01:39:41,270 --> 01:39:38,480

i'm 99.9 percent sure it was nathan

2492

01:39:42,790 --> 01:39:41,280

dwine's son yeah because i remember i

2493

01:39:44,709 --> 01:39:42,800

remember thinking like oh yeah he would

2494

01:39:47,590 --> 01:39:44,719

definitely position to know but anyway

2495

01:39:49,590 --> 01:39:47,600

yeah so she's he i mean why would he

2496

01:39:51,189 --> 01:39:49,600

you know having a few drinks trying

2497

01:39:52,709 --> 01:39:51,199

impressing the girls but and they

2498

01:39:53,750 --> 01:39:52,719

weren't interested in ufos they didn't

2499

01:39:55,270 --> 01:39:53,760

even ask him about that why would he

2500

01:39:57,669 --> 01:39:55,280

bring he volunteered that information

2501

01:40:00,070 --> 01:39:57,679

that there was a there was a repository

2502

01:40:01,990 --> 01:40:00,080

but underground he said underground to

2503

01:40:04,790 --> 01:40:02,000

her yeah that's what she told me it was

2504

01:40:05,910 --> 01:40:04,800

underground and hidden down below in the

2505

01:40:08,390 --> 01:40:05,920

pentagon

2506

01:40:09,910 --> 01:40:08,400

and it was filled with evidence of ufos

2507

01:40:10,950 --> 01:40:09,920

so they didn't say anything about bodies

2508

01:40:15,030 --> 01:40:10,960

or

2509

01:40:17,510 --> 01:40:15,040

she didn't tell me that part she said

2510

01:40:20,629 --> 01:40:17,520

photographic and stuff like that yeah

2511

01:40:22,070 --> 01:40:20,639

um so if this if that would be the case

2512

01:40:23,990 --> 01:40:22,080

wouldn't you think that could be

2513

01:40:24,790 --> 01:40:24,000

investigated by the

2514

01:40:29,750 --> 01:40:24,800

the

2515

01:40:31,669 --> 01:40:29,760

you know i mean

2516

01:40:33,350 --> 01:40:31,679

one of the things i heard about that is

2517

01:40:36,310 --> 01:40:33,360

they didn't want to look into anything

2518

01:40:38,550 --> 01:40:36,320

before 2004 or something like that

2519

01:40:39,990 --> 01:40:38,560

because of the data not being

2520

01:40:42,390 --> 01:40:40,000

specifically

2521

01:40:43,750 --> 01:40:42,400

you know uh high-end

2522

01:40:44,870 --> 01:40:43,760

what was the name of that guy that wrote

2523

01:40:46,629 --> 01:40:44,880

a book

2524

01:40:48,950 --> 01:40:46,639

recently

2525

01:40:51,910 --> 01:40:48,960

his name i went on larry king live no i

2526

01:40:54,149 --> 01:40:51,920

went on larry king now with him

2527

01:40:56,149 --> 01:40:54,159

and he was based in washington dc and in

2528

01:40:59,750 --> 01:40:56,159

his book he talks about his book was not

2529

01:41:01,350 --> 01:40:59,760

about ufos oh brandon chase yes brandon

2530

01:41:03,430 --> 01:41:01,360

chase brandon chase that was kind of a

2531

01:41:05,750 --> 01:41:03,440

bizarre story whether it was true or not

2532

01:41:07,750 --> 01:41:05,760

i think it was true i talked to him

2533

01:41:09,590 --> 01:41:07,760

i went on larry king now with him you

2534

01:41:10,629 --> 01:41:09,600

did yes i did yeah and i talked to him

2535

01:41:12,229 --> 01:41:10,639

about it he said

2536

01:41:15,109 --> 01:41:12,239

i wasn't but that was in the pentagon as

2537

01:41:17,669 --> 01:41:15,119

well and he opened up a box and he found

2538

01:41:19,669 --> 01:41:17,679

he said he found evidence on roswell and

2539

01:41:20,629 --> 01:41:19,679

i said okay well what did you see he

2540

01:41:23,270 --> 01:41:20,639

goes

2541

01:41:24,629 --> 01:41:23,280

100 confirmation that happened

2542

01:41:26,070 --> 01:41:24,639

and he wrote in his book he just

2543

01:41:27,270 --> 01:41:26,080

mentioned it in his book of course

2544

01:41:29,030 --> 01:41:27,280

nobody wanted to know about anything

2545

01:41:30,950 --> 01:41:29,040

else other than that

2546

01:41:32,790 --> 01:41:30,960

of what he mentioned in his book so you

2547

01:41:34,310 --> 01:41:32,800

talked to him personally oh yeah you met

2548

01:41:35,910 --> 01:41:34,320

him and talked to him

2549

01:41:37,510 --> 01:41:35,920

talked about the phone oh i see and i

2550

01:41:40,470 --> 01:41:37,520

wanted and i said hey let's get together

2551

01:41:42,790 --> 01:41:40,480

for a beer in in dc

2552

01:41:44,709 --> 01:41:42,800

you know after we did the show together

2553

01:41:46,790 --> 01:41:44,719

he goes oh yeah that'd be great so like

2554

01:41:48,709 --> 01:41:46,800

i don't know eight months later i was in

2555

01:41:50,790 --> 01:41:48,719

dc

2556

01:41:51,910 --> 01:41:50,800

wouldn't call me back hmm let's get

2557

01:41:53,030 --> 01:41:51,920

let's get together for that beer we

2558

01:41:53,990 --> 01:41:53,040

talked about i wanted to know what he

2559

01:41:55,830 --> 01:41:54,000

saw

2560

01:41:57,350 --> 01:41:55,840

but i mean i i thought it was kind of

2561

01:41:59,510 --> 01:41:57,360

don't you think it's kind of rare that a

2562

01:42:01,030 --> 01:41:59,520

box would be marked raw as well

2563

01:42:03,189 --> 01:42:01,040

i don't know instead of cases i don't

2564

01:42:04,310 --> 01:42:03,199

know if it was marked roswell oh i see i

2565

01:42:06,229 --> 01:42:04,320

just said he was digging through some

2566

01:42:08,229 --> 01:42:06,239

stuff and he came upon

2567

01:42:09,830 --> 01:42:08,239

a box that had photographic evidence i

2568

01:42:11,669 --> 01:42:09,840

said well what do you see he goes he

2569

01:42:15,270 --> 01:42:11,679

goes definitive evidence that it happens

2570

01:42:17,270 --> 01:42:15,280

which basically is what he said yeah and

2571

01:42:19,030 --> 01:42:17,280

the guy didn't seem like he was lying

2572

01:42:21,510 --> 01:42:19,040

yeah he really didn't

2573

01:42:23,669 --> 01:42:21,520

yeah he wasn't out there selling that

2574

01:42:24,709 --> 01:42:23,679

it was just one little footnote in his

2575

01:42:25,990 --> 01:42:24,719

book

2576

01:42:27,510 --> 01:42:26,000

i don't know man

2577

01:42:29,430 --> 01:42:27,520

but you would think that that would be

2578

01:42:32,470 --> 01:42:29,440

part of an investigation if they

2579

01:42:34,790 --> 01:42:32,480

actually have this information

2580

01:42:37,189 --> 01:42:34,800

or do you think that

2581

01:42:38,709 --> 01:42:37,199

they're not making it accessible to

2582

01:42:40,790 --> 01:42:38,719

anyone well clearly they're not making

2583

01:42:42,229 --> 01:42:40,800

it accessible to anyone i mean even in

2584

01:42:43,669 --> 01:42:42,239

the government is what i mean well well

2585

01:42:44,790 --> 01:42:43,679

yeah and they do i mean you know we

2586

01:42:45,910 --> 01:42:44,800

talked about

2587

01:42:48,390 --> 01:42:45,920

uh

2588

01:42:51,030 --> 01:42:48,400

the the clinton administration's efforts

2589

01:42:53,669 --> 01:42:51,040

to go after roswell

2590

01:42:54,950 --> 01:42:53,679

and they did not like the answers they

2591

01:42:56,790 --> 01:42:54,960

were getting

2592

01:42:57,669 --> 01:42:56,800

they were not happy with the answers

2593

01:42:59,590 --> 01:42:57,679

they were getting they were getting the

2594

01:43:00,629 --> 01:42:59,600

run around steven schiff talked about

2595

01:43:02,070 --> 01:43:00,639

that

2596

01:43:03,750 --> 01:43:02,080

you know the clinton administration

2597

01:43:05,189 --> 01:43:03,760

people talked about it jimmy carter

2598

01:43:10,470 --> 01:43:05,199

talked about that

2599

01:43:12,470 --> 01:43:10,480

you know when i talked to christopher uh

2600

01:43:13,990 --> 01:43:12,480

chris mellon about this

2601  
01:43:15,510 --> 01:43:14,000  
he said that

2602  
01:43:17,030 --> 01:43:15,520  
um

2603  
01:43:21,109 --> 01:43:17,040  
if a president

2604  
01:43:23,270 --> 01:43:21,119  
ask i want to know about aliens or

2605  
01:43:24,870 --> 01:43:23,280  
whatever that they would give him all

2606  
01:43:26,629 --> 01:43:24,880  
the information

2607  
01:43:28,390 --> 01:43:26,639  
that they had

2608  
01:43:30,629 --> 01:43:28,400  
that's what he he claimed you know when

2609  
01:43:32,390 --> 01:43:30,639  
i talked to him in two well funny

2610  
01:43:33,990 --> 01:43:32,400  
actually because one of the things that

2611  
01:43:36,070 --> 01:43:34,000  
mr mellon and i

2612  
01:43:37,830 --> 01:43:36,080  
uh came to the realization of during the

2613  
01:43:39,590 --> 01:43:37,840

making of the phenomenon when i met with

2614

01:43:40,709 --> 01:43:39,600

them is that i was interviewing in the

2615

01:43:43,350 --> 01:43:40,719

90s

2616

01:43:46,070 --> 01:43:43,360

uh gordon cooper about that landing case

2617

01:43:47,189 --> 01:43:46,080

in edwards air force base circa 1957

2618

01:43:48,950 --> 01:43:47,199

right

2619

01:43:50,790 --> 01:43:48,960

and that film footage that was handed

2620

01:43:52,790 --> 01:43:50,800

over well

2621

01:43:54,550 --> 01:43:52,800

paralleling that time

2622

01:43:55,830 --> 01:43:54,560

my interviews with cooper cooper went to

2623

01:43:57,510 --> 01:43:55,840

the white house

2624

01:43:58,550 --> 01:43:57,520

and i guess shared that with with the

2625

01:44:00,550 --> 01:43:58,560

president

2626

01:44:03,030 --> 01:44:00,560

shared that with his people

2627

01:44:04,790 --> 01:44:03,040

and so christopher mellon was tasked

2628

01:44:06,629 --> 01:44:04,800

with going after that footage that

2629

01:44:07,990 --> 01:44:06,639

landing footage really yeah he talks

2630

01:44:10,070 --> 01:44:08,000

about it a little bit in the phenomenon

2631

01:44:11,669 --> 01:44:10,080

yeah he went after it and they said oh

2632

01:44:13,109 --> 01:44:11,679

yeah we just the air force finally said

2633

01:44:14,790 --> 01:44:13,119

oh yeah we destroyed all that evidence

2634

01:44:16,470 --> 01:44:14,800

we had to make space for news it was

2635

01:44:17,990 --> 01:44:16,480

like oh yeah

2636

01:44:19,350 --> 01:44:18,000

you know so it's interesting that

2637

01:44:22,629 --> 01:44:19,360

christopher miller was going after that

2638

01:44:24,310 --> 01:44:22,639

specific footage yeah uh in in when he

2639

01:44:25,990 --> 01:44:24,320

was in you know in somewhat of an

2640

01:44:29,109 --> 01:44:26,000

official capacity i'd imagine because he

2641

01:44:30,550 --> 01:44:29,119

was he was working

2642

01:44:32,149 --> 01:44:30,560

deputy assistant secretary of defense

2643

01:44:34,229 --> 01:44:32,159

for intelligence at the time i guess it

2644

01:44:36,629 --> 01:44:34,239

was like the late 90s or something yeah

2645

01:44:40,149 --> 01:44:36,639

yeah yeah all interesting we have about

2646

01:44:42,390 --> 01:44:40,159

four minutes left and so i asked at one

2647

01:44:44,390 --> 01:44:42,400

point i said and you said you sort of

2648

01:44:46,229 --> 01:44:44,400

have an idea what's going on with your

2649

01:44:48,950 --> 01:44:46,239

with this film

2650

01:44:51,990 --> 01:44:48,960

uh a moment of contact yes um we're

2651  
01:44:54,790 --> 01:44:52,000  
going to la next week yeah

2652  
01:44:56,149 --> 01:44:54,800  
finalizing the sound mix

2653  
01:44:58,550 --> 01:44:56,159  
uh

2654  
01:45:00,470 --> 01:44:58,560  
the music is is going to be done at that

2655  
01:45:02,709 --> 01:45:00,480  
same time and then we turn the film in

2656  
01:45:04,790 --> 01:45:02,719  
and it's ready to be broadcast but it

2657  
01:45:06,870 --> 01:45:04,800  
rolls out so we'll probably deliver the

2658  
01:45:09,030 --> 01:45:06,880  
film complete

2659  
01:45:11,350 --> 01:45:09,040  
at the end of may

2660  
01:45:13,669 --> 01:45:11,360  
really that's soon oh yeah oh wow yeah

2661  
01:45:15,030 --> 01:45:13,679  
in a few weeks yeah the film's done i

2662  
01:45:15,830 --> 01:45:15,040  
mean you know

2663  
01:45:17,430 --> 01:45:15,840

like

2664

01:45:19,990 --> 01:45:17,440

spelling corrections and things of that

2665

01:45:21,830 --> 01:45:20,000

sort of commas and yeah punctuation and

2666

01:45:23,189 --> 01:45:21,840

that sort of thing yeah um that we're

2667

01:45:25,030 --> 01:45:23,199

i've got a couple of copy editors

2668

01:45:27,189 --> 01:45:25,040

working on it as we speak because i'm

2669

01:45:29,750 --> 01:45:27,199

terrible at that so is boris

2670

01:45:33,669 --> 01:45:29,760

um and and then we turn it in probably

2671

01:45:36,149 --> 01:45:33,679

end of may early june and then uh 10 91

2672

01:45:38,229 --> 01:45:36,159

we'll set the release date the trailers

2673

01:45:39,910 --> 01:45:38,239

being made as we speak

2674

01:45:41,189 --> 01:45:39,920

to jones in hollywood we're going to go

2675

01:45:43,510 --> 01:45:41,199

see that too

2676

01:45:45,030 --> 01:45:43,520

uh those announcements will be made

2677

01:45:46,870 --> 01:45:45,040

probably

2678

01:45:48,709 --> 01:45:46,880

early to mid-june

2679

01:45:51,030 --> 01:45:48,719

great and that'll be uh and then the

2680

01:45:52,870 --> 01:45:51,040

trailer will be released at that time

2681

01:45:55,270 --> 01:45:52,880

and then the film will come out usually

2682

01:45:57,430 --> 01:45:55,280

it takes two to three months prep to

2683

01:45:59,030 --> 01:45:57,440

roll it out yeah

2684

01:46:01,430 --> 01:45:59,040

excellent well i'm definitely going to

2685

01:46:03,669 --> 01:46:01,440

let people know on this show

2686

01:46:05,030 --> 01:46:03,679

so and i'll have that up on the web

2687

01:46:06,709 --> 01:46:05,040

website and everything yeah you know we

2688

01:46:08,629 --> 01:46:06,719

can we can do a quick

2689

01:46:10,790 --> 01:46:08,639

follow-up thing when it's ready yeah you

2690

01:46:12,870 --> 01:46:10,800

know just to update your your audience

2691

01:46:14,870 --> 01:46:12,880

yeah that sounds good but as as lou

2692

01:46:17,430 --> 01:46:14,880

elizondo said

2693

01:46:18,709 --> 01:46:17,440

brace yourself yeah where's my phone i

2694

01:46:20,310 --> 01:46:18,719

want to play that can i play that real

2695

01:46:22,229 --> 01:46:20,320

quick do we have enough time you gotta

2696

01:46:23,910 --> 01:46:22,239

hear this oh yeah we gotta hear this

2697

01:46:26,310 --> 01:46:23,920

great yeah no this is lou elizona

2698

01:46:27,910 --> 01:46:26,320

responding to the film and you can solve

2699

01:46:30,470 --> 01:46:27,920

it right up here to the microphone i'll

2700

01:46:32,870 --> 01:46:30,480

do that i'll do that i'll do that

2701

01:46:34,390 --> 01:46:32,880

let me turn this on how long marco how

2702

01:46:36,149 --> 01:46:34,400

long have you been here in the united

2703

01:46:40,390 --> 01:46:36,159

states um

2704

01:46:43,590 --> 01:46:40,400

for for this time since october wow yeah

2705

01:46:44,950 --> 01:46:43,600

so wow it's been six months so what do

2706

01:46:47,109 --> 01:46:44,960

you think of winter

2707

01:46:48,470 --> 01:46:47,119

oh it's very cold

2708

01:46:50,629 --> 01:46:48,480

oh my god yeah i bet you weren't ready

2709

01:46:53,510 --> 01:46:50,639

for that yeah yes all right oh he

2710

01:46:55,590 --> 01:46:53,520

handled like a champ yeah he was great

2711

01:46:56,790 --> 01:46:55,600

here we go well this is lou elizondo

2712

01:46:58,550 --> 01:46:56,800

commenting

2713

01:47:00,629 --> 01:46:58,560

on a podcast just a couple days last

2714

01:47:02,070 --> 01:47:00,639

week or something

2715

01:47:05,990 --> 01:47:02,080

oh

2716

01:47:35,030 --> 01:47:06,000

speakers here we go

2717

01:47:39,750 --> 01:47:37,510

time in a certain country uh

2718

01:47:41,830 --> 01:47:39,760

collecting data very propelling data

2719

01:47:43,669 --> 01:47:41,840

eyewitness testimony military

2720

01:47:46,229 --> 01:47:43,679

intelligence what not

2721

01:47:48,149 --> 01:47:46,239

um excellent

2722

01:47:49,910 --> 01:47:48,159

wait till that comes out

2723

01:47:51,510 --> 01:47:49,920

excellent that's great we are totally

2724

01:47:52,709 --> 01:47:51,520

out of time thank you so much thanks for

2725

01:47:53,990 --> 01:47:52,719

having me thank you both i really

2726

01:47:55,510 --> 01:47:54,000

appreciate it

2727

01:47:57,030 --> 01:47:55,520

all right so much and i gotta switch

2728

01:47:58,390 --> 01:47:57,040

over here since i only have one camera i

2729

01:47:59,990 --> 01:47:58,400

don't know how it's gonna happen but

2730

01:48:02,149 --> 01:48:00,000

thank you everyone and we'll be back

2731

01:48:04,610 --> 01:48:02,159

next week with preston dennett and

2732

01:48:15,640 --> 01:48:04,620

remember to keep your eyes to the sky
