2
00:00:38,389 --> 00:00:35,670

violent ufo encounters in brazil by

3
00:00:40,790 --> 00:00:38,399

charles lear there are many ufo reports

4
00:00:43,030 --> 00:00:40,800

that involve injuries to witnesses a

5
00:00:45,670 --> 00:00:43,040

particularly dramatic case from hops new

6
00:00:47,670 --> 00:00:45,680

mexico in 1964 involved an

7
00:00:50,069 --> 00:00:47,680

eight-year-old boy named charles who was

8
00:00:52,389 --> 00:00:50,079

reportedly burned by a black top-shaped

9
00:00:54,950 --> 00:00:52,399

ufo while his face swelled up to where

10
00:00:57,990 --> 00:00:54,960

his nose reportedly disappeared he felt

11
00:01:00,150 --> 00:00:58,000

no pain injury reports come from all

12
00:01:02,790 --> 00:01:00,160

over the world but brazil seems to have

13
00:01:05,189 --> 00:01:02,800

had more than its fair share bob pratt a

14

00:01:07,590 --> 00:01:05,199

ufo investigator who had a long career

15

00:01:09,670 --> 00:01:07,600

as a journalist that included a stint as

16

00:01:12,390 --> 00:01:09,680

the head of the ufo desk at the national

17

00:01:14,789 --> 00:01:12,400

enquirer traveled extensively in brazil

18

00:01:16,710 --> 00:01:14,799

and collected ufo and occupant reports

19

00:01:19,350 --> 00:01:16,720

that have a common thread of violence to

20

00:01:21,749 --> 00:01:19,360

the witnesses pratt wrote a book titled

21

00:01:25,830 --> 00:01:21,759

ufo danger zone terror and death in

22

00:01:27,910 --> 00:01:25,840

brazil where next that was published in

23

00:01:29,510 --> 00:01:27,920

in his acknowledgments he thanks the

24

00:01:31,670 --> 00:01:29,520

many brazilian citizens and

25

00:01:34,149 --> 00:01:31,680

investigators who helped him in his

26

00:01:37,030 --> 00:01:34,159

introduction he describes making over 10

27

00:01:40,069 --> 00:01:37,040

visits to brazil between may 1978 and

28

00:01:42,469 --> 00:01:40,079

july 1993. he lists the elements

29

00:01:44,789 --> 00:01:42,479

peculiarly common in brazilian reports

30

00:01:47,109 --> 00:01:44,799

including the sudden appearance of a ufo

31

00:01:49,590 --> 00:01:47,119

over a witness's head followed by a

32

00:01:52,149 --> 00:01:49,600

burst of sunlight and a subsequent chase

33

00:01:54,230 --> 00:01:52,159

by the ufo as the witness runs attempts

34

00:01:56,310 --> 00:01:54,240

to pull the witness up into the ufo

35

00:01:58,550 --> 00:01:56,320

using an unseen force and sometimes

36

00:02:00,630 --> 00:01:58,560

grappling hooks and ufo occupants

37

00:02:02,230 --> 00:02:00,640

dropping hot liquids on witnesses to

38

00:02:04,149 --> 00:02:02,240

make them let go of whatever they might

39

00:02:06,630 --> 00:02:04,159

have grabbed in an attempt to resist

40

00:02:08,389 --> 00:02:06,640

being taken away according to pratt

41

00:02:11,510 --> 00:02:08,399

brazilian names for the malevolent

42

00:02:13,910 --> 00:02:11,520

entities include the animal the fire and

43

00:02:16,070 --> 00:02:13,920

the worm for ufos with a habit of

44

00:02:18,150 --> 00:02:16,080

sucking blood from the witnesses as was

45

00:02:21,589 --> 00:02:18,160

reported in kolaris starting in july

46

00:02:24,470 --> 00:02:21,599

1977 there are the names chupachupa and

47

00:02:26,869 --> 00:02:24,480

chupa sanguin pratt begins chapter 1

48

00:02:28,790 --> 00:02:26,879

with a case he calls attack on moises

49

00:02:31,270 --> 00:02:28,800

that has elements common to many of the

50

00:02:34,390 --> 00:02:31,280

cases he describes later according to

51
00:02:36,869 --> 00:02:34,400
pratt on sunday evening may 1991 a

52
00:02:39,030 --> 00:02:36,879
farmer named isis campello was on his

53
00:02:41,190 --> 00:02:39,040
way home from his brother's house at the

54
00:02:43,190 --> 00:02:41,200
top of a hill a flash of light over the

55
00:02:45,750 --> 00:02:43,200
crest of a mountain two miles away

56
00:02:47,830 --> 00:02:45,760
caught his eye with a surprising speed

57
00:02:49,830 --> 00:02:47,840
the light was then over him it was big

58
00:02:52,150 --> 00:02:49,840
and bright and hard for kampela to look

59
00:02:54,630 --> 00:02:52,160
at it was about the size of a house made

60
00:02:56,710 --> 00:02:54,640
no noise and seemed to be spinning as

61
00:02:58,869 --> 00:02:56,720
pratt interviewed campello in campello's

62
00:03:00,949 --> 00:02:58,879
living room campello said i was

63
00:03:03,030 --> 00:03:00,959

paralyzed almost at once and i thought

64

00:03:05,430 --> 00:03:03,040

it was going to take me away it lit up

65

00:03:07,110 --> 00:03:05,440

everything around me it was very hot and

66

00:03:09,750 --> 00:03:07,120

then i felt like it was being sucked

67

00:03:11,750 --> 00:03:09,760

upwards i got really scared i was raised

68

00:03:13,830 --> 00:03:11,760

about two and a half meters i couldn't

69

00:03:15,910 --> 00:03:13,840

speak or cry for help and i couldn't

70

00:03:18,229 --> 00:03:15,920

move the light was very hot i was

71

00:03:20,229 --> 00:03:18,239

terrified according to him he was let

72

00:03:22,790 --> 00:03:20,239

down gently and the light moved off and

73

00:03:24,630 --> 00:03:22,800

hovered nearby at treetop level campello

74

00:03:26,550 --> 00:03:24,640

said he couldn't walk so he crawled like

75

00:03:28,869 --> 00:03:26,560

a lizard the light came over him and

76

00:03:30,789 --> 00:03:28,879

lifted him up in crawling position he

77

00:03:32,789 --> 00:03:30,799

said that his head hit some branches as

78

00:03:35,509 --> 00:03:32,799

he went up that he was paralyzed and

79

00:03:37,589 --> 00:03:35,519

very cold he said that the thing was

80

00:03:39,430 --> 00:03:37,599

spinning that he couldn't yell for help

81

00:03:41,509 --> 00:03:39,440

and that the light hurt his eyes

82

00:03:44,470 --> 00:03:41,519

according to pratt campello was held up

83

00:03:46,789 --> 00:03:44,480

for about 15 minutes then the ufo flew

84

00:03:49,190 --> 00:03:46,799

off with a low hum and campello dropped

85

00:03:51,270 --> 00:03:49,200

to the ground like dead weight campello

86

00:03:52,949 --> 00:03:51,280

said that his left eye swelled and that

87

00:03:55,429 --> 00:03:52,959

he couldn't see out of it by the time he

88

00:03:57,910 --> 00:03:55,439

got home according to pratt campello

89

00:04:00,470 --> 00:03:57,920

told him i don't go out alone at night

90

00:04:03,030 --> 00:04:00,480

pratt spoke with another man januzzio de

91

00:04:05,030 --> 00:04:03,040

souza the 78 year old he describes as

92

00:04:07,830 --> 00:04:05,040

looking like he walked out of a western

93

00:04:09,750 --> 00:04:07,840

movie in rio grande de norte according

94

00:04:12,229 --> 00:04:09,760

to pratt de souza described an

95

00:04:14,309 --> 00:04:12,239

experience similar to campello's except

96

00:04:16,469 --> 00:04:14,319

that de souza managed to grab onto a

97

00:04:18,870 --> 00:04:16,479

tree de souza told pratt that he was

98

00:04:21,590 --> 00:04:18,880

dragged up the tree five times and that

99

00:04:23,749 --> 00:04:21,600

his chest was scraped raw he described

100

00:04:25,510 --> 00:04:23,759

the light as being so hot he was afraid

101
00:04:27,510 --> 00:04:25,520
he would die if he had to endure it any

102
00:04:30,150 --> 00:04:27,520
longer through a hole in the bottom of

103
00:04:31,830 --> 00:04:30,160
the ufo he saw a man and a woman who

104
00:04:34,230 --> 00:04:31,840
looked like she was wearing a dress

105
00:04:35,909 --> 00:04:34,240
sitting in what looked like car seats he

106
00:04:38,310 --> 00:04:35,919
said that when they saw he wouldn't let

107
00:04:41,270 --> 00:04:38,320
go they dropped something like hot oil

108
00:04:43,189 --> 00:04:41,280
on me d'souza hung on the door closed

109
00:04:45,590 --> 00:04:43,199
the light went out and the craft moved

110
00:04:48,230 --> 00:04:45,600
off like lightning de souza was afraid

111
00:04:50,390 --> 00:04:48,240
of going out at night from then on pratt

112
00:04:52,390 --> 00:04:50,400
tells the reader that desousa's burns

113
00:04:53,990 --> 00:04:52,400

and scrapes had healed by the time he

114

00:04:56,070 --> 00:04:54,000

spoke with him to the point where he

115

00:04:58,230 --> 00:04:56,080

could see no trace of them this sort of

116

00:04:59,909 --> 00:04:58,240

story came up over and over again and

117

00:05:01,830 --> 00:04:59,919

there were accounts where one witness

118

00:05:03,749 --> 00:05:01,840

would be unaffected by whatever was

119

00:05:05,590 --> 00:05:03,759

pulling the other witness up and they

120

00:05:07,510 --> 00:05:05,600

would grab their distressed companion

121

00:05:10,550 --> 00:05:07,520

and pull them back down this was

122

00:05:12,550 --> 00:05:10,560

described by francisca bispo de assis

123

00:05:16,550 --> 00:05:12,560

who was pulled back to earth on january

124

00:05:18,310 --> 00:05:16,560

27 1979 by her daughter josepha pratt

125

00:05:20,629 --> 00:05:18,320

tells the reader that he spoke with the

126

00:05:22,550 --> 00:05:20,639

women 12 days later and that francisca

127

00:05:24,870 --> 00:05:22,560

became more and more agitated as she

128

00:05:26,550 --> 00:05:24,880

told the story many people reported

129

00:05:28,950 --> 00:05:26,560

after effects including headaches

130

00:05:31,110 --> 00:05:28,960

numbness loss of hearing loss of sight

131

00:05:34,629 --> 00:05:31,120

and lack of energy that lasted days

132

00:05:36,950 --> 00:05:34,639

weeks months or years one man lionel dos

133

00:05:38,950 --> 00:05:36,960

santos was so affected that he could no

134

00:05:42,070 --> 00:05:38,960

longer work pratt wrote that he

135

00:05:44,150 --> 00:05:42,080

interviewed him in 1980 and 1991

136

00:05:47,590 --> 00:05:44,160

according to pratt dos santos went

137

00:05:49,909 --> 00:05:47,600

missing on july 27 1979 while looking

138

00:05:51,749 --> 00:05:49,919

for wood with two friends to build a

139

00:05:54,550 --> 00:05:51,759

small house in his

140

00:05:55,749 --> 00:05:54,560

acre farm his friends searched for him

141

00:05:58,309 --> 00:05:55,759

and all they could find were his

142

00:06:00,870 --> 00:05:58,319

footprints which ended abruptly in a dry

143

00:06:03,189 --> 00:06:00,880

riverbed this is where dos santos last

144

00:06:05,350 --> 00:06:03,199

remembered being as a large shadow came

145

00:06:07,749 --> 00:06:05,360

over him he said he seemed kind of

146

00:06:09,749 --> 00:06:07,759

paralyzed felt his eyes rolling back in

147

00:06:12,550 --> 00:06:09,759

his head at his feet go out in front of

148

00:06:14,950 --> 00:06:12,560

him and then passed out he came too on a

149

00:06:17,749 --> 00:06:14,960

friend's farm he was cold had a headache

150

00:06:19,670 --> 00:06:17,759

a bad thirst pains in his chest a bitter

151

00:06:21,830 --> 00:06:19,680

taste in his mouth and couldn't hear

152

00:06:23,990 --> 00:06:21,840

anything in his right ear from then on

153

00:06:25,909 --> 00:06:24,000

he suffered chronic pain dizziness and

154

00:06:28,070 --> 00:06:25,919

lethargy to the point where he could no

155

00:06:29,990 --> 00:06:28,080

longer work he was forced to sell his

156

00:06:32,150 --> 00:06:30,000

farm and was given a job as a night

157

00:06:34,550 --> 00:06:32,160

watchman for the local cemetery so he

158

00:06:36,230 --> 00:06:34,560

could have money to live pratt describes

159

00:06:38,870 --> 00:06:36,240

two others who were disabled by their

160

00:06:41,110 --> 00:06:38,880

encounters one man deteriorated over a

161

00:06:42,230 --> 00:06:41,120

period of six months after his encounter

162

00:06:43,990 --> 00:06:42,240

to where he had the mind of a

163

00:06:46,070 --> 00:06:44,000

one-year-old child he had been

164

00:06:48,390 --> 00:06:46,080

reportedly hit by a beam of light from

165

00:06:50,390 --> 00:06:48,400

the ufo in 1976

166

00:06:52,629 --> 00:06:50,400

while riding his donkey according to

167

00:06:54,790 --> 00:06:52,639

pratt the donkey was in a stupor for a

168

00:06:57,029 --> 00:06:54,800

week wouldn't eat for several weeks and

169

00:07:00,230 --> 00:06:57,039

then recovered the other man was hit by

170

00:07:02,469 --> 00:07:00,240

a beam of light from a ufo in 1979 and

171

00:07:04,950 --> 00:07:02,479

he instantly lost the use of his legs

172

00:07:07,029 --> 00:07:04,960

and had only partial use of his arms he

173

00:07:08,790 --> 00:07:07,039

was unable to move from the spot until

174

00:07:10,790 --> 00:07:08,800

someone found him three days later and

175

00:07:12,629 --> 00:07:10,800

got help to get him home he was still

176

00:07:15,189 --> 00:07:12,639

confined to a wheelchair at the time of

177

00:07:17,749 --> 00:07:15,199

pratt's writing pratt describes case

178

00:07:19,589 --> 00:07:17,759

after case of violent ufo encounters and

179

00:07:22,150 --> 00:07:19,599

has many pictures of those who reported

180

00:07:24,550 --> 00:07:22,160

them along with their names he discusses

181

00:07:26,070 --> 00:07:24,560

the calaris incident and is a principle

182

00:07:28,550 --> 00:07:26,080

source for interested western

183

00:07:31,110 --> 00:07:28,560

researchers the brazilian military

184

00:07:32,950 --> 00:07:31,120

conducted an extensive investigation and
