

NATHAN

**UFOs & HIGH
STRANGENESS**

#510

1
00:00:37,670 --> 00:00:09,500

[Music]

2
00:00:41,190 --> 00:00:39,350

hello and welcome to the show i'm martin

3
00:00:43,190 --> 00:00:41,200

willis your host and we have an

4
00:00:46,310 --> 00:00:43,200

interesting show for you tonight there's

5
00:00:48,869 --> 00:00:46,320

a gentleman named nathan he's coming on

6
00:00:50,389 --> 00:00:48,879

and you know uh i only have his first

7
00:00:52,229 --> 00:00:50,399

name so it's kind of like you know

8
00:00:54,950 --> 00:00:52,239

there's madonna cher

9
00:00:56,869 --> 00:00:54,960

uh prince people like that you know so

10
00:00:58,630 --> 00:00:56,879

maybe it's just nathan you know i'll

11
00:01:00,549 --> 00:00:58,640

talk to him a little bit about that but

12
00:01:01,430 --> 00:01:00,559

anyway uh last

13
00:01:03,910 --> 00:01:01,440

uh

14

00:01:06,469 --> 00:01:03,920

i want to say a shout out to aaron who

15

00:01:07,750 --> 00:01:06,479

uh found me somehow found me at the uh

16

00:01:10,310 --> 00:01:07,760

pine bush

17

00:01:12,550 --> 00:01:10,320

uh conference that i was at this end

18

00:01:13,670 --> 00:01:12,560

fair that i was at last weekend that was

19

00:01:15,350 --> 00:01:13,680

a lot of fun

20

00:01:17,910 --> 00:01:15,360

and uh so

21

00:01:20,070 --> 00:01:17,920

uh but you know i made the mistake i

22

00:01:21,350 --> 00:01:20,080

didn't wear a t-shirt or anything like

23

00:01:23,990 --> 00:01:21,360

that so

24

00:01:25,190 --> 00:01:24,000

only nathan i mean aaron found me so

25

00:01:26,469 --> 00:01:25,200

anyway

26

00:01:30,310 --> 00:01:26,479

uh

27

00:01:32,069 --> 00:01:30,320

about this time of year and i i

28

00:01:33,510 --> 00:01:32,079

recommend going it's interesting they

29

00:01:35,190 --> 00:01:33,520

have some good speakers there i was

30

00:01:37,350 --> 00:01:35,200

actually one of the speakers at the last

31

00:01:39,590 --> 00:01:37,360

minute type of thing and that was a lot

32

00:01:42,950 --> 00:01:39,600

of fun and one of the things i i brought

33

00:01:44,870 --> 00:01:42,960

in the topic there was when

34

00:01:46,310 --> 00:01:44,880

the people a lot of people that listened

35

00:01:50,630 --> 00:01:46,320

to the show

36

00:01:52,550 --> 00:01:50,640

i'm saying a lot of people not everyone

37

00:01:55,830 --> 00:01:52,560

but was because you had some type of an

38

00:01:57,270 --> 00:01:55,840

encounter and a while back i

39

00:01:59,030 --> 00:01:57,280

i did this little

40

00:01:59,990 --> 00:01:59,040

shout out to people that listen to the

41

00:02:02,069 --> 00:02:00,000

show

42

00:02:02,950 --> 00:02:02,079

who have had an encounter please if

43

00:02:05,030 --> 00:02:02,960

you'd like

44

00:02:07,190 --> 00:02:05,040

and it's an interesting one

45

00:02:09,190 --> 00:02:07,200

please email me at martinet podcast

46

00:02:11,670 --> 00:02:09,200

ufo.com and i encourage you to do that

47

00:02:12,550 --> 00:02:11,680

again we had some great people uh that

48

00:02:14,150 --> 00:02:12,560

have

49

00:02:15,990 --> 00:02:14,160

contacted me with some really

50

00:02:17,990 --> 00:02:16,000

interesting sightings so that was part

51
00:02:20,550 --> 00:02:18,000
of the talk i did and it went really

52
00:02:22,710 --> 00:02:20,560
well people really loved it so

53
00:02:25,270 --> 00:02:22,720
i encourage you if you had some kind of

54
00:02:27,350 --> 00:02:25,280
incredible ufo encounter please do

55
00:02:28,550 --> 00:02:27,360
contact me and i will talk to you on the

56
00:02:31,430 --> 00:02:28,560
phone first

57
00:02:35,030 --> 00:02:31,440
and we'll go from there so this week's

58
00:02:37,190 --> 00:02:35,040
blog is called a ufo abduction in japan

59
00:02:38,070 --> 00:02:37,200
and by charles lear his book is coming

60
00:02:42,309 --> 00:02:38,080
out

61
00:02:44,150 --> 00:02:42,319
on next week with philip mantle uh

62
00:02:45,509 --> 00:02:44,160
talking about his book and how we put

63
00:02:47,670 --> 00:02:45,519

that together

64

00:02:50,710 --> 00:02:47,680

and it should be another a great show

65

00:02:52,710 --> 00:02:50,720

that same time next week and i think

66

00:02:54,309 --> 00:02:52,720

that is going to do it i can't think of

67

00:02:56,309 --> 00:02:54,319

anything else other than i want to thank

68

00:02:57,990 --> 00:02:56,319

everyone else out there that helps out

69

00:03:00,470 --> 00:02:58,000

with this show i really do appreciate

70

00:03:02,710 --> 00:03:00,480

your support anyone can do that over at

71

00:03:05,350 --> 00:03:02,720

podcastufo.com

72

00:03:06,949 --> 00:03:05,360

and you'll see support the show and for

73

00:03:09,350 --> 00:03:06,959

two dollars or more a month you can help

74

00:03:12,869 --> 00:03:09,360

out and i do appreciate every single

75

00:03:15,030 --> 00:03:12,879

listener so here comes our guest nathan

76

00:03:17,190 --> 00:03:15,040

how are you nathan welcome good martin

77

00:03:19,110 --> 00:03:17,200

good to see you good to see you too

78

00:03:21,030 --> 00:03:19,120

so we have to address just get this out

79

00:03:21,910 --> 00:03:21,040

of the way

80

00:03:24,149 --> 00:03:21,920

um

81

00:03:26,470 --> 00:03:24,159

nathan it's just nathan and i asked your

82

00:03:28,789 --> 00:03:26,480

last name and a lot of times i've turned

83

00:03:31,430 --> 00:03:28,799

many people down but i've been told this

84

00:03:34,869 --> 00:03:31,440

guy's really good get him on the show so

85

00:03:36,789 --> 00:03:34,879

here you are uh but is is it uh it's

86

00:03:38,309 --> 00:03:36,799

it's a delicate situation at work or

87

00:03:40,229 --> 00:03:38,319

something like that

88

00:03:41,589 --> 00:03:40,239

uh it is uh you know you did mention

89

00:03:43,030 --> 00:03:41,599

prince and madonna i think today is

90

00:03:44,630 --> 00:03:43,040

prince's birthday so if i'm in that

91

00:03:46,149 --> 00:03:44,640

company oh there it is

92

00:03:46,949 --> 00:03:46,159

i'll be

93

00:03:50,470 --> 00:03:46,959

but

94

00:03:52,229 --> 00:03:50,480

you know it's an interesting topic of

95

00:03:54,070 --> 00:03:52,239

you know discussion i've thought about

96

00:03:56,070 --> 00:03:54,080

it i've been um

97

00:03:58,149 --> 00:03:56,080

on the fence for a while as far as

98

00:03:59,910 --> 00:03:58,159

whether kind of come fully out and give

99

00:04:01,589 --> 00:03:59,920

my last name i've got a lot of

100

00:04:03,190 --> 00:04:01,599

information about me that's available so

101
00:04:05,429 --> 00:04:03,200
if someone really wants to know who i am

102
00:04:06,229 --> 00:04:05,439
it's probably not that hard to find that

103
00:04:08,789 --> 00:04:06,239
out

104
00:04:11,030 --> 00:04:08,799
um i think i i kind of like to make it a

105
00:04:13,110 --> 00:04:11,040
little bit hard for people to find

106
00:04:14,869 --> 00:04:13,120
just because it's

107
00:04:16,629 --> 00:04:14,879
in my experience with online communities

108
00:04:18,550 --> 00:04:16,639
it's you know once you kind of put it

109
00:04:20,949 --> 00:04:18,560
out there you can't get it back so uh

110
00:04:23,030 --> 00:04:20,959
for now i'm gonna hold on to it and see

111
00:04:24,870 --> 00:04:23,040
how that goes but uh

112
00:04:26,629 --> 00:04:24,880
i do think it's uh

113
00:04:28,230 --> 00:04:26,639

you know it takes a lot of courage you

114

00:04:29,990 --> 00:04:28,240

know to come forward and put your name

115

00:04:31,350 --> 00:04:30,000

out there particularly those that you

116

00:04:32,950 --> 00:04:31,360

know are out there in the world when

117

00:04:34,710 --> 00:04:32,960

corporate world and have to kind of

118

00:04:36,629 --> 00:04:34,720

navigate uh different client

119

00:04:39,430 --> 00:04:36,639

relationships and those kinds of things

120

00:04:41,189 --> 00:04:39,440

to be known as a ufo person you know

121

00:04:43,670 --> 00:04:41,199

that can be interesting but as you

122

00:04:45,670 --> 00:04:43,680

pointed out before we got on the show

123

00:04:46,950 --> 00:04:45,680

more often than not people have a story

124

00:04:49,350 --> 00:04:46,960

and i think that that

125

00:04:50,870 --> 00:04:49,360

in a way gives them permission to open

126

00:04:51,990 --> 00:04:50,880

up to you and i i think you probably

127

00:04:53,670 --> 00:04:52,000

found that to be true in your own

128

00:04:55,909 --> 00:04:53,680

experience that once you

129

00:04:58,310 --> 00:04:55,919

you know so sort of say and make room

130

00:05:00,629 --> 00:04:58,320

for the fact that you're into ufos you

131

00:05:02,870 --> 00:05:00,639

get all kinds of interesting stories uh

132

00:05:04,950 --> 00:05:02,880

not just about ufos but about uh the

133

00:05:07,189 --> 00:05:04,960

paranormal and other strange things that

134

00:05:09,110 --> 00:05:07,199

happen to people so uh that could be a

135

00:05:10,950 --> 00:05:09,120

really good argument for me to just say

136

00:05:12,469 --> 00:05:10,960

you know what this is my thing and

137

00:05:15,749 --> 00:05:12,479

you've got a problem with it let's talk

138

00:05:18,710 --> 00:05:15,759

about it yeah yeah yeah you know i i did

139

00:05:22,469 --> 00:05:18,720

have a situation happen and i think

140

00:05:25,029 --> 00:05:22,479

um you know i i had a an ex an extremely

141

00:05:27,590 --> 00:05:25,039

good job that would that

142

00:05:29,110 --> 00:05:27,600

basically ended and someone called me

143

00:05:30,629 --> 00:05:29,120

later and i've never that's never

144

00:05:33,350 --> 00:05:30,639

happened to me before

145

00:05:35,270 --> 00:05:33,360

um i'm in the antiques and fine arts and

146

00:05:38,629 --> 00:05:35,280

and i'm pretty sure

147

00:05:40,070 --> 00:05:38,639

it's because i had this show on ufos you

148

00:05:42,469 --> 00:05:40,080

know and

149

00:05:44,070 --> 00:05:42,479

because i was uh some

150

00:05:45,830 --> 00:05:44,080

fellow worker

151
00:05:48,150 --> 00:05:45,840
called me like three or four months

152
00:05:49,590 --> 00:05:48,160
after and he said

153
00:05:51,350 --> 00:05:49,600
just a little

154
00:05:52,629 --> 00:05:51,360
caution here you know perhaps you ought

155
00:05:54,469 --> 00:05:52,639
to watch what you do in your private

156
00:05:56,629 --> 00:05:54,479
life and i don't have any skeletons in

157
00:05:57,350 --> 00:05:56,639
the closet other than ufos

158
00:06:01,510 --> 00:05:57,360
so

159
00:06:03,189 --> 00:06:01,520
would be and um

160
00:06:04,230 --> 00:06:03,199
you know he didn't say that's why i lost

161
00:06:05,749 --> 00:06:04,240
my job

162
00:06:08,950 --> 00:06:05,759
but anyway oh you know what i forgot to

163
00:06:12,550 --> 00:06:08,960

do is real quickly i wanted to show that

164

00:06:15,430 --> 00:06:12,560

i was i was at uh also stopped by bill

165

00:06:17,749 --> 00:06:15,440

who's the producer of kgra radios

166

00:06:19,909 --> 00:06:17,759

i was at his house uh the other day when

167

00:06:22,150 --> 00:06:19,919

i was at pinebush and ta-da here's

168

00:06:24,230 --> 00:06:22,160

bill's studio right here that's a

169

00:06:26,070 --> 00:06:24,240

command center that's the command center

170

00:06:28,230 --> 00:06:26,080

right there yeah and you can see there's

171

00:06:30,469 --> 00:06:28,240

a drum set in the back and all that

172

00:06:33,189 --> 00:06:30,479

so amazing yeah

173

00:06:35,350 --> 00:06:33,199

yeah uh so i think

174

00:06:37,749 --> 00:06:35,360

today if that happened

175

00:06:39,270 --> 00:06:37,759

i do believe that there would be much

176
00:06:40,070 --> 00:06:39,280
less of a chance

177
00:06:41,189 --> 00:06:40,080
that

178
00:06:42,950 --> 00:06:41,199
i would

179
00:06:45,270 --> 00:06:42,960
you know be terminated or whatever it

180
00:06:49,909 --> 00:06:47,110
because of that type of situation

181
00:06:51,990 --> 00:06:49,919
because i think the stigma is uh i don't

182
00:06:54,309 --> 00:06:52,000
know did you watch that uap hearing any

183
00:06:57,670 --> 00:06:54,319
part of it i did yes so you heard the

184
00:06:59,990 --> 00:06:57,680
word stigma many times

185
00:07:02,469 --> 00:07:00,000
reducing the stigma for the pilots and i

186
00:07:03,430 --> 00:07:02,479
think in general that that is going to

187
00:07:04,550 --> 00:07:03,440
happen

188
00:07:05,589 --> 00:07:04,560

right and

189

00:07:08,629 --> 00:07:05,599

and i

190

00:07:11,670 --> 00:07:08,639

you know i i welcome that i think it's a

191

00:07:14,950 --> 00:07:11,680

great thing completely agree and i think

192

00:07:16,550 --> 00:07:14,960

we are entering a new time and uh

193

00:07:18,550 --> 00:07:16,560

the fact that we can talk about it in

194

00:07:19,909 --> 00:07:18,560

those places where we haven't talked

195

00:07:22,150 --> 00:07:19,919

about it for quite a long time and the

196

00:07:24,230 --> 00:07:22,160

fact that so many people within our

197

00:07:25,510 --> 00:07:24,240

government and uh

198

00:07:27,189 --> 00:07:25,520

you know not only in the government but

199

00:07:29,110 --> 00:07:27,199

in popular culture are talking about it

200

00:07:31,270 --> 00:07:29,120

so it's it's not like this is just a

201
00:07:32,870 --> 00:07:31,280
crazy thing to to be interested in a lot

202
00:07:34,629 --> 00:07:32,880
of people are interested in this

203
00:07:36,469 --> 00:07:34,639
so you know i think that that is a it's

204
00:07:38,469 --> 00:07:36,479
a great point um

205
00:07:40,309 --> 00:07:38,479
i'm hoping that more more folks feel the

206
00:07:42,870 --> 00:07:40,319
courage to step forward and you know

207
00:07:44,790 --> 00:07:42,880
champion this subject where they can and

208
00:07:46,390 --> 00:07:44,800
so i've tried to do that through the

209
00:07:47,990 --> 00:07:46,400
places that i've found myself through

210
00:07:49,589 --> 00:07:48,000
the shows that i'm involved with and

211
00:07:51,189 --> 00:07:49,599
through social media

212
00:07:53,430 --> 00:07:51,199
to try to make it a more comfortable

213
00:07:54,550 --> 00:07:53,440

place to have this conversation

214

00:07:56,629 --> 00:07:54,560

let's hear a little bit about your

215

00:07:59,510 --> 00:07:56,639

background and what got you interested

216

00:08:01,110 --> 00:07:59,520

in this topic sure yeah so i've been

217

00:08:03,029 --> 00:08:01,120

thinking about i guess you could say

218

00:08:04,629 --> 00:08:03,039

non-human intelligence

219

00:08:06,309 --> 00:08:04,639

my whole life

220

00:08:07,990 --> 00:08:06,319

i grew up in the south i was a

221

00:08:09,350 --> 00:08:08,000

preacher's kid

222

00:08:11,510 --> 00:08:09,360

and so

223

00:08:13,350 --> 00:08:11,520

it wasn't uncommon for me to be

224

00:08:14,550 --> 00:08:13,360

thinking about these sort of ultimate

225

00:08:17,990 --> 00:08:14,560

questions

226

00:08:20,070 --> 00:08:18,000

uh every day of the week for you know my

227

00:08:21,270 --> 00:08:20,080

entire young adult life and childhood

228

00:08:22,629 --> 00:08:21,280

you know so

229

00:08:24,230 --> 00:08:22,639

um

230

00:08:27,189 --> 00:08:24,240

you know obviously engaging that through

231

00:08:29,830 --> 00:08:27,199

the lens of the christian tradition my

232

00:08:31,990 --> 00:08:29,840

father was a christian minister

233

00:08:34,389 --> 00:08:32,000

so you know we kind of

234

00:08:35,909 --> 00:08:34,399

talked about and adopted the language of

235

00:08:37,670 --> 00:08:35,919

christianity

236

00:08:39,589 --> 00:08:37,680

and that was something that obviously

237

00:08:41,829 --> 00:08:39,599

became very important to me

238

00:08:43,589 --> 00:08:41,839

as i got older and when i went off to uh

239

00:08:44,790 --> 00:08:43,599

to college and eventually graduated i

240

00:08:47,430 --> 00:08:44,800

decided to

241

00:08:50,389 --> 00:08:47,440

go to seminary i was going to pursue a

242

00:08:51,910 --> 00:08:50,399

career in ministry

243

00:08:54,550 --> 00:08:51,920

and i finished that degree i have a

244

00:08:56,310 --> 00:08:54,560

seminary degree but uh as i was kind of

245

00:08:57,910 --> 00:08:56,320

completing the degree i basically came

246

00:09:00,710 --> 00:08:57,920

to realization that

247

00:09:03,350 --> 00:09:00,720

that wasn't something for me that uh i

248

00:09:06,310 --> 00:09:03,360

no longer felt the same conviction

249

00:09:09,269 --> 00:09:06,320

of those beliefs that i did when i was

250

00:09:11,829 --> 00:09:09,279

younger and uh and decided to kind of

251
00:09:12,870 --> 00:09:11,839
leave that that world and belief system

252
00:09:14,470 --> 00:09:12,880
behind

253
00:09:16,150 --> 00:09:14,480
uh that said

254
00:09:19,110 --> 00:09:16,160
you know for me the

255
00:09:21,030 --> 00:09:19,120
sort of pursuit of religion the analysis

256
00:09:22,949 --> 00:09:21,040
of our belief systems

257
00:09:24,790 --> 00:09:22,959
those kinds of uh you know sort of

258
00:09:27,509 --> 00:09:24,800
teachings and trainings have helped me

259
00:09:29,670 --> 00:09:27,519
to look at this particular topic

260
00:09:31,910 --> 00:09:29,680
from an interesting perspective i've

261
00:09:35,829 --> 00:09:31,920
never had a phenomenal experience i've

262
00:09:38,310 --> 00:09:35,839
never had a ufo sighting i've never had

263
00:09:39,190 --> 00:09:38,320

anything particularly paranormal happen

264

00:09:41,350 --> 00:09:39,200

to me

265

00:09:43,910 --> 00:09:41,360

i've had some pretty vivid dreams that

266

00:09:45,750 --> 00:09:43,920

have impacted me uh but you know a lot

267

00:09:47,590 --> 00:09:45,760

of folks have dreams and so i try not to

268

00:09:49,990 --> 00:09:47,600

you know place too much importance on

269

00:09:52,630 --> 00:09:50,000

that although i do find it interesting

270

00:09:55,430 --> 00:09:52,640

that uh many people have

271

00:09:57,430 --> 00:09:55,440

really incredible impactful dreams that

272

00:09:59,350 --> 00:09:57,440

often change the course of their lives

273

00:10:01,190 --> 00:09:59,360

and that's something that's uh

274

00:10:03,430 --> 00:10:01,200

you know i think people might find to be

275

00:10:05,670 --> 00:10:03,440

a little bit strange in a world where we

276

00:10:08,310 --> 00:10:05,680

tend to try to make decisions based on

277

00:10:09,990 --> 00:10:08,320

you know kind of logic and reason uh to

278

00:10:12,230 --> 00:10:10,000

to base your decisions on something that

279

00:10:13,910 --> 00:10:12,240

happens to you in a dream is uh you know

280

00:10:15,990 --> 00:10:13,920

it seems a little bit weird although i

281

00:10:17,670 --> 00:10:16,000

think it's probably more common than not

282

00:10:20,069 --> 00:10:17,680

so

283

00:10:22,069 --> 00:10:20,079

that has been my experience with this

284

00:10:25,430 --> 00:10:22,079

topic kind of broadly i've always been

285

00:10:27,509 --> 00:10:25,440

interested in uh ufos science fiction

286

00:10:29,350 --> 00:10:27,519

i'm a kid of the 80s grew up with star

287

00:10:30,550 --> 00:10:29,360

trek watching the next generation with

288

00:10:32,150 --> 00:10:30,560

my family

289

00:10:34,389 --> 00:10:32,160

absolutely loved everything about it

290

00:10:37,030 --> 00:10:34,399

loved star wars i remember popping in

291

00:10:39,030 --> 00:10:37,040

the vhs tape and you know watching those

292

00:10:40,389 --> 00:10:39,040

star wars movies so many times we wore

293

00:10:43,030 --> 00:10:40,399

the tape out

294

00:10:45,350 --> 00:10:43,040

so it's just a part of you know my my

295

00:10:46,870 --> 00:10:45,360

interest in in kind of our culture and

296

00:10:50,150 --> 00:10:46,880

and you know the broader things that are

297

00:10:52,630 --> 00:10:50,160

happening with technology and uh in the

298

00:10:54,630 --> 00:10:52,640

late 20th and 21st century

299

00:10:55,670 --> 00:10:54,640

wow wow interesting

300

00:10:58,790 --> 00:10:55,680

you know the

301
00:11:02,069 --> 00:10:58,800
uh it's funny there's uh a gentleman he

302
00:11:04,069 --> 00:11:02,079
is a friend paul eno he has uh paul and

303
00:11:06,230 --> 00:11:04,079
benino they have the radio station he

304
00:11:07,750 --> 00:11:06,240
went he almost became

305
00:11:09,430 --> 00:11:07,760
he uh

306
00:11:11,509 --> 00:11:09,440
i'm trying to remember what it was a

307
00:11:13,110 --> 00:11:11,519
reverend i think he went

308
00:11:16,389 --> 00:11:13,120
you know he he went all the way through

309
00:11:18,389 --> 00:11:16,399
the school and he changed his mind too

310
00:11:21,110 --> 00:11:18,399
and i think it has helped him he has

311
00:11:23,590 --> 00:11:21,120
mentioned that it helps him you know

312
00:11:26,069 --> 00:11:23,600
look at these things and i you you made

313
00:11:27,750 --> 00:11:26,079

a very good point and i'm glad you you

314

00:11:29,590 --> 00:11:27,760

said what you did

315

00:11:31,269 --> 00:11:29,600

and that is you still have an interest

316

00:11:32,630 --> 00:11:31,279

in this even though nothing has happened

317

00:11:34,790 --> 00:11:32,640

to you

318

00:11:36,949 --> 00:11:34,800

and because a lot of people seem like

319

00:11:38,230 --> 00:11:36,959

they have to embellish their

320

00:11:39,269 --> 00:11:38,240

past

321

00:11:41,670 --> 00:11:39,279

to

322

00:11:44,550 --> 00:11:41,680

become more significant that are

323

00:11:46,150 --> 00:11:44,560

you know that are out there right uh you

324

00:11:47,509 --> 00:11:46,160

know and there's a couple cases i could

325

00:11:48,630 --> 00:11:47,519

i could tell you about

326

00:11:50,389 --> 00:11:48,640

that

327

00:11:51,910 --> 00:11:50,399

all of a sudden they have a sighting

328

00:11:54,470 --> 00:11:51,920

when they never did before that type of

329

00:11:56,230 --> 00:11:54,480

thing right um and it's it's great you

330

00:11:58,949 --> 00:11:56,240

know stanton friedman never had a

331

00:11:59,990 --> 00:11:58,959

sighting and you know he's one of the

332

00:12:02,629 --> 00:12:00,000

greatest

333

00:12:04,389 --> 00:12:02,639

uh in our in our lifetime or in our time

334

00:12:07,350 --> 00:12:04,399

i think of people that have looked into

335

00:12:11,430 --> 00:12:07,360

this topic and so i i think that's

336

00:12:14,150 --> 00:12:11,440

that's a great thing yeah and uh so what

337

00:12:15,590 --> 00:12:14,160

are some of the ways that your training

338

00:12:16,949 --> 00:12:15,600

have helped you is a lot of it the

339

00:12:17,829 --> 00:12:16,959

belief system

340

00:12:19,509 --> 00:12:17,839

is there

341

00:12:21,990 --> 00:12:19,519

something involved in that

342

00:12:23,990 --> 00:12:22,000

yes so i'll start back kind of with uh

343

00:12:27,269 --> 00:12:24,000

the perspective of being a young person

344

00:12:29,829 --> 00:12:27,279

growing up watching a minister uh you

345

00:12:31,190 --> 00:12:29,839

know go about the business of ministry i

346

00:12:33,990 --> 00:12:31,200

think that's really where i kind of

347

00:12:36,069 --> 00:12:34,000

caught this uh analytical perspective

348

00:12:38,470 --> 00:12:36,079

when it comes to belief systems so you

349

00:12:39,750 --> 00:12:38,480

know kind of seeing my dad

350

00:12:40,790 --> 00:12:39,760

go through the

351

00:12:43,590 --> 00:12:40,800

the kind of

352

00:12:46,150 --> 00:12:43,600

steps of managing a congregation of of

353

00:12:48,230 --> 00:12:46,160

uh taking texts and and writing and

354

00:12:49,990 --> 00:12:48,240

preaching sermons and and pouring over

355

00:12:52,470 --> 00:12:50,000

these stories that mean a lot to a

356

00:12:54,310 --> 00:12:52,480

particular community but giving those

357

00:12:55,750 --> 00:12:54,320

stories new meaning you know it really

358

00:12:57,750 --> 00:12:55,760

showed me that

359

00:12:59,750 --> 00:12:57,760

uh you you can take

360

00:13:02,069 --> 00:12:59,760

almost any subject and you can you can

361

00:13:04,550 --> 00:13:02,079

really imbue it with a lot of meaning

362

00:13:06,389 --> 00:13:04,560

provided that you do it in certain ways

363

00:13:08,389 --> 00:13:06,399

and so

364

00:13:10,069 --> 00:13:08,399

i think i

365

00:13:11,350 --> 00:13:10,079

kind of caught that a little bit through

366

00:13:13,350 --> 00:13:11,360

osmosis

367

00:13:15,990 --> 00:13:13,360

just sort of observing what was going on

368

00:13:17,350 --> 00:13:16,000

and then as i got older and decided you

369

00:13:18,790 --> 00:13:17,360

know i really want to

370

00:13:20,710 --> 00:13:18,800

learn more about

371

00:13:22,790 --> 00:13:20,720

this religion thing i really want to

372

00:13:23,829 --> 00:13:22,800

understand if i can just understand it

373

00:13:26,310 --> 00:13:23,839

more

374

00:13:28,310 --> 00:13:26,320

then i will somehow have a i will come

375

00:13:30,629 --> 00:13:28,320

to this in a place of of great

376

00:13:33,190 --> 00:13:30,639

realization i'll be able to change my

377

00:13:35,430 --> 00:13:33,200

life in really powerful ways you know so

378

00:13:38,150 --> 00:13:35,440

that that becomes a motivating factor

379

00:13:40,550 --> 00:13:38,160

for me to go into seminary so in

380

00:13:43,750 --> 00:13:40,560

seminary what really kind of changed for

381

00:13:46,470 --> 00:13:43,760

me from uh going from a real believer to

382

00:13:48,389 --> 00:13:46,480

someone that was much more skeptical

383

00:13:51,269 --> 00:13:48,399

was learning a lot about the the

384

00:13:53,430 --> 00:13:51,279

theologies of christianity over time

385

00:13:56,230 --> 00:13:53,440

uh and so one thing that you'll learn if

386

00:13:57,910 --> 00:13:56,240

you do any kind of study of of religion

387

00:14:00,150 --> 00:13:57,920

is that

388

00:14:02,790 --> 00:14:00,160

over over time century by century there

389

00:14:04,949 --> 00:14:02,800

are there are individuals who will take

390

00:14:07,110 --> 00:14:04,959

religious texts and experience and they

391

00:14:09,430 --> 00:14:07,120

will basically kind of

392

00:14:10,470 --> 00:14:09,440

analyze that and repackage it into a

393

00:14:13,189 --> 00:14:10,480

system

394

00:14:14,710 --> 00:14:13,199

that makes sense for those who live in

395

00:14:16,389 --> 00:14:14,720

in the time that they find themselves

396

00:14:18,310 --> 00:14:16,399

and this is the task of the of the

397

00:14:19,990 --> 00:14:18,320

theologian they're kind of a in a way

398

00:14:21,030 --> 00:14:20,000

they're kind of a scientist right they

399

00:14:23,269 --> 00:14:21,040

take the

400

00:14:26,310 --> 00:14:23,279

the data the hard facts that exist in

401
00:14:28,389 --> 00:14:26,320
the religious tradition yet they uh work

402
00:14:30,470 --> 00:14:28,399
with that they manipulate it they study

403
00:14:33,269 --> 00:14:30,480
it and then they they kind of create a

404
00:14:35,430 --> 00:14:33,279
new thing with it that that is a system

405
00:14:36,150 --> 00:14:35,440
that people can learn and use that gives

406
00:14:38,550 --> 00:14:36,160
them

407
00:14:41,189 --> 00:14:38,560
meaning and structure to their lives so

408
00:14:43,829 --> 00:14:41,199
when i learned that there were

409
00:14:46,230 --> 00:14:43,839
many different theological perspectives

410
00:14:48,949 --> 00:14:46,240
that existed throughout history

411
00:14:51,269 --> 00:14:48,959
uh that there really wasn't one set in

412
00:14:53,590 --> 00:14:51,279
stone way to look at the text

413
00:14:55,350 --> 00:14:53,600

it's at that point where i decided that

414

00:14:57,750 --> 00:14:55,360

you know this wasn't something that i

415

00:15:00,230 --> 00:14:57,760

could really firmly believe in that it

416

00:15:02,790 --> 00:15:00,240

was so it was so malleable

417

00:15:05,110 --> 00:15:02,800

that it just kind of lost it it's it's

418

00:15:06,949 --> 00:15:05,120

sort of a solid meeting

419

00:15:09,110 --> 00:15:06,959

to me um

420

00:15:11,269 --> 00:15:09,120

it's not that i had any kind of disdain

421

00:15:12,629 --> 00:15:11,279

for it though so i did leave that behind

422

00:15:13,910 --> 00:15:12,639

but i still

423

00:15:16,389 --> 00:15:13,920

really uh

424

00:15:18,629 --> 00:15:16,399

appreciate those people who give it who

425

00:15:19,750 --> 00:15:18,639

find that it does give them meaning that

426

00:15:21,590 --> 00:15:19,760

that it does

427

00:15:23,269 --> 00:15:21,600

you know give them purpose i really

428

00:15:25,509 --> 00:15:23,279

think that that that's amazing and i

429

00:15:27,670 --> 00:15:25,519

think we all basically have to

430

00:15:28,870 --> 00:15:27,680

find that thing in our lives that helps

431

00:15:31,749 --> 00:15:28,880

us to

432

00:15:34,470 --> 00:15:31,759

structure our our day-to-day you know we

433

00:15:36,150 --> 00:15:34,480

have a lot of different beliefs um i

434

00:15:38,310 --> 00:15:36,160

know you've interviewed dr hannah

435

00:15:41,030 --> 00:15:38,320

pasulka and she's talked a lot about

436

00:15:43,350 --> 00:15:41,040

belief and religion but really if you

437

00:15:45,269 --> 00:15:43,360

think about the way that we all go about

438

00:15:46,150 --> 00:15:45,279

our day-to-day lives we all carry with

439

00:15:48,629 --> 00:15:46,160

us

440

00:15:49,910 --> 00:15:48,639

a set of beliefs that that structure and

441

00:15:52,069 --> 00:15:49,920

and define

442

00:15:55,749 --> 00:15:52,079

not only who we are but how we engage

443

00:15:58,310 --> 00:15:55,759

with the world and it's that very same

444

00:16:00,949 --> 00:15:58,320

sort of concept that that you can take

445

00:16:02,870 --> 00:16:00,959

and apply to the study of ufos and the

446

00:16:05,590 --> 00:16:02,880

phenomenon you can look at

447

00:16:07,110 --> 00:16:05,600

what people are are experiencing and

448

00:16:08,790 --> 00:16:07,120

people are reading about in the

449

00:16:10,389 --> 00:16:08,800

literature

450

00:16:11,910 --> 00:16:10,399

you can you can see how they're taking

451
00:16:14,389 --> 00:16:11,920
that information

452
00:16:16,629 --> 00:16:14,399
and they're ordering it into a narrative

453
00:16:18,629 --> 00:16:16,639
and that narrative you know can can take

454
00:16:20,310 --> 00:16:18,639
the shape of many different kinds of

455
00:16:21,590 --> 00:16:20,320
hypotheses you know so you can have

456
00:16:23,110 --> 00:16:21,600
people who

457
00:16:25,749 --> 00:16:23,120
really land firmly on the

458
00:16:28,230 --> 00:16:25,759
extraterrestrial hypothesis or

459
00:16:30,389 --> 00:16:28,240
interdimensional or time travel or

460
00:16:31,990 --> 00:16:30,399
there's so many different possibilities

461
00:16:33,110 --> 00:16:32,000
ultimately at the end of the day we have

462
00:16:34,790 --> 00:16:33,120
to sort of

463
00:16:36,710 --> 00:16:34,800

each wrestle with

464

00:16:39,189 --> 00:16:36,720

this set of information

465

00:16:41,189 --> 00:16:39,199

and and decide this is the story that

466

00:16:42,949 --> 00:16:41,199

makes the most sense for me

467

00:16:44,710 --> 00:16:42,959

and then what am i going to do with it

468

00:16:46,710 --> 00:16:44,720

and so you know for me looking at this

469

00:16:48,470 --> 00:16:46,720

topic because i haven't had an

470

00:16:50,710 --> 00:16:48,480

experience and i really appreciate you

471

00:16:53,189 --> 00:16:50,720

you know kind of validating that uh you

472

00:16:55,189 --> 00:16:53,199

know for me it's not it's not what i

473

00:16:57,590 --> 00:16:55,199

can can point to and say you know there

474

00:16:59,990 --> 00:16:57,600

was a ufo that i saw or there was an

475

00:17:01,590 --> 00:17:00,000

experience that i had of an abduction or

476

00:17:03,590 --> 00:17:01,600

whatever it is

477

00:17:04,870 --> 00:17:03,600

instead i can i can study the way in

478

00:17:07,909 --> 00:17:04,880

which

479

00:17:10,470 --> 00:17:07,919

these ideas impact people and so i've

480

00:17:13,590 --> 00:17:10,480

always really been a kind of a student

481

00:17:15,110 --> 00:17:13,600

and a lover of of people uh and that

482

00:17:16,710 --> 00:17:15,120

probably again comes from my my

483

00:17:18,630 --> 00:17:16,720

childhood growing up in a church and

484

00:17:20,309 --> 00:17:18,640

being surrounded by

485

00:17:21,590 --> 00:17:20,319

people from so many different

486

00:17:24,789 --> 00:17:21,600

generations

487

00:17:26,870 --> 00:17:24,799

uh young old and in between who became

488

00:17:29,430 --> 00:17:26,880

kind of an extended family

489

00:17:31,110 --> 00:17:29,440

anyone who's grown up in that kind of

490

00:17:32,789 --> 00:17:31,120

culture and i know in america that's

491

00:17:34,070 --> 00:17:32,799

probably a lot of people

492

00:17:35,430 --> 00:17:34,080

who have at least some kind of

493

00:17:37,270 --> 00:17:35,440

experience with that

494

00:17:39,190 --> 00:17:37,280

they know that uh

495

00:17:41,350 --> 00:17:39,200

you know that that really takes on a

496

00:17:43,430 --> 00:17:41,360

really deep meaning for the way in which

497

00:17:46,150 --> 00:17:43,440

we understand who we are and the way in

498

00:17:47,590 --> 00:17:46,160

which we go about what we do so in much

499

00:17:49,029 --> 00:17:47,600

the same way you can look at ufo

500

00:17:51,430 --> 00:17:49,039

communities you can look at how we

501
00:17:53,909 --> 00:17:51,440
interact with one another um the people

502
00:17:55,750 --> 00:17:53,919
that we look to as kind of the arbiters

503
00:17:57,430 --> 00:17:55,760
of of information you know we kind of

504
00:17:58,789 --> 00:17:57,440
have like a

505
00:18:00,070 --> 00:17:58,799
you know you're you'd be very familiar

506
00:18:02,230 --> 00:18:00,080
with this martin kind of a priestly

507
00:18:03,909 --> 00:18:02,240
class if you will of ufo experts you

508
00:18:05,750 --> 00:18:03,919
know we kind of we go back to them over

509
00:18:07,510 --> 00:18:05,760
and over and say what are they what do

510
00:18:09,510 --> 00:18:07,520
they know and how how do they know it

511
00:18:12,150 --> 00:18:09,520
and i'm going to record that information

512
00:18:14,470 --> 00:18:12,160
in a book basically and and and and

513
00:18:16,470 --> 00:18:14,480

chronicle it and if i if i collect it

514

00:18:18,230 --> 00:18:16,480

all in the right way and apply the right

515

00:18:20,230 --> 00:18:18,240

analysis to it then i'm going to find

516

00:18:22,390 --> 00:18:20,240

out the answer this is exactly the same

517

00:18:23,990 --> 00:18:22,400

thing that happens in religious belief

518

00:18:26,310 --> 00:18:24,000

systems so that there's a really strong

519

00:18:29,190 --> 00:18:26,320

corollary there in my opinion

520

00:18:30,390 --> 00:18:29,200

right right yeah that all makes so much

521

00:18:32,789 --> 00:18:30,400

sense to me

522

00:18:34,630 --> 00:18:32,799

and you know there's

523

00:18:36,310 --> 00:18:34,640

there's a difference

524

00:18:39,110 --> 00:18:36,320

in my opinion

525

00:18:42,789 --> 00:18:39,120

that when someone says do you believe in

526

00:18:44,230 --> 00:18:42,799

ufos that's not really the question

527

00:18:46,870 --> 00:18:44,240

the question is

528

00:18:48,310 --> 00:18:46,880

what do you think ufos are because ufos

529

00:18:49,830 --> 00:18:48,320

are definitely here there's so many

530

00:18:51,270 --> 00:18:49,840

unidentified

531

00:18:54,950 --> 00:18:51,280

things that people have never been able

532

00:18:58,070 --> 00:18:54,960

to explain so you did you went through

533

00:18:59,909 --> 00:18:58,080

the different things that they might be

534

00:19:01,190 --> 00:18:59,919

um one of the things that i add to that

535

00:19:03,350 --> 00:19:01,200

list myself

536

00:19:05,430 --> 00:19:03,360

is something that we may not understand

537

00:19:06,630 --> 00:19:05,440

right you know that's another thing they

538

00:19:08,950 --> 00:19:06,640

they could be

539

00:19:10,950 --> 00:19:08,960

um and or all

540

00:19:13,669 --> 00:19:10,960

or all of the above you know they could

541

00:19:14,630 --> 00:19:13,679

be a mixture of all the above if you

542

00:19:16,549 --> 00:19:14,640

look at

543

00:19:19,510 --> 00:19:16,559

the sightings you know i

544

00:19:21,270 --> 00:19:19,520

if you just i i was at that pine bush

545

00:19:23,430 --> 00:19:21,280

that i was at this weekend

546

00:19:26,070 --> 00:19:23,440

uh cheryl costa did this

547

00:19:27,990 --> 00:19:26,080

she does this great work on

548

00:19:29,990 --> 00:19:28,000

statistics and it might be boring for a

549

00:19:31,270 --> 00:19:30,000

lot of people i like statistics i'd like

550

00:19:33,669 --> 00:19:31,280

to look at them

551
00:19:35,590 --> 00:19:33,679
and basically she said

552
00:19:37,110 --> 00:19:35,600
if we go down to

553
00:19:39,029 --> 00:19:37,120
one percent

554
00:19:40,710 --> 00:19:39,039
uh this was just the state of new york

555
00:19:43,270 --> 00:19:40,720
if we just say that

556
00:19:44,310 --> 00:19:43,280
uh first of all like 30

557
00:19:45,909 --> 00:19:44,320
30

558
00:19:47,669 --> 00:19:45,919
percent of them have not been

559
00:19:49,270 --> 00:19:47,679
explainable all the sightings that's

560
00:19:50,710 --> 00:19:49,280
kind of high

561
00:19:52,630 --> 00:19:50,720
for the most part

562
00:19:54,549 --> 00:19:52,640
a lot of times it's like 10 or you know

563
00:19:57,909 --> 00:19:54,559

12 or something like that so if it goes

564

00:19:59,110 --> 00:19:57,919

down she said even if it goes down to

565

00:20:00,549 --> 00:19:59,120

um

566

00:20:01,909 --> 00:20:00,559

one percent

567

00:20:03,190 --> 00:20:01,919

per year

568

00:20:06,950 --> 00:20:03,200

that's still

569

00:20:08,950 --> 00:20:06,960

sightings a month in just the state of

570

00:20:10,149 --> 00:20:08,960

new york right now the state of new york

571

00:20:12,870 --> 00:20:10,159

is big

572

00:20:14,390 --> 00:20:12,880

but you take that and multiply it

573

00:20:15,909 --> 00:20:14,400

you know land wise all the way around

574

00:20:18,870 --> 00:20:15,919

the world never mind the ocean which

575

00:20:21,190 --> 00:20:18,880

covers 73 of the earth you know you

576
00:20:22,230 --> 00:20:21,200
wonder how many

577
00:20:24,710 --> 00:20:22,240
and that

578
00:20:26,070 --> 00:20:24,720
also something not taken in

579
00:20:28,149 --> 00:20:26,080
to uh

580
00:20:30,390 --> 00:20:28,159
in fact and factoring this in

581
00:20:31,990 --> 00:20:30,400
is that's all the sightings that are

582
00:20:34,390 --> 00:20:32,000
reported

583
00:20:36,149 --> 00:20:34,400
um you know a lot of times when i've

584
00:20:37,510 --> 00:20:36,159
been in different conferences and things

585
00:20:39,270 --> 00:20:37,520
like that

586
00:20:41,350 --> 00:20:39,280
that one of the questions that comes up

587
00:20:43,350 --> 00:20:41,360
okay how many people out here have had a

588
00:20:44,870 --> 00:20:43,360

ufo sighting and when you're going to a

589

00:20:47,990 --> 00:20:44,880

ufo conference it's going to be pretty

590

00:20:50,470 --> 00:20:48,000

heavy a lot of them yes and so a lot of

591

00:20:52,789 --> 00:20:50,480

hands go up in the room and then okay

592

00:20:53,990 --> 00:20:52,799

how many people here reported your ufo

593

00:20:56,789 --> 00:20:54,000

sighting

594

00:20:58,470 --> 00:20:56,799

and there are just a few hands go up and

595

00:21:02,310 --> 00:20:58,480

i'm guilty of that i had a sighting in

596

00:21:03,909 --> 00:21:02,320

2007. i didn't report it at the time i

597

00:21:06,310 --> 00:21:03,919

didn't know how to report it i had no

598

00:21:07,830 --> 00:21:06,320

idea there was anything online right i i

599

00:21:09,029 --> 00:21:07,840

called the police department at the time

600

00:21:10,870 --> 00:21:09,039

because i just had

601
00:21:12,950 --> 00:21:10,880
no idea what to do

602
00:21:14,870 --> 00:21:12,960
i understand i could still report that

603
00:21:17,830 --> 00:21:14,880
at this time that's right and now it's

604
00:21:19,669 --> 00:21:17,840
so sketchy as far as i don't remember

605
00:21:21,909 --> 00:21:19,679
i can't even remember the month

606
00:21:24,870 --> 00:21:21,919
that was you know i'd be guessing right

607
00:21:27,270 --> 00:21:24,880
so so anyway yeah we just interviewed on

608
00:21:29,590 --> 00:21:27,280
our show so i'm a co-host on two shows

609
00:21:31,190 --> 00:21:29,600
one is called calling all beings and

610
00:21:33,270 --> 00:21:31,200
it's a it's a panel show and we do

611
00:21:35,270 --> 00:21:33,280
interviews we just had uh a couple of

612
00:21:37,430 --> 00:21:35,280
gentlemen from the recent documentary

613
00:21:40,710 --> 00:21:37,440

called a terror in the sky oh yes uh

614

00:21:42,789 --> 00:21:40,720

carolyn cory's documentary uh and um

615

00:21:45,190 --> 00:21:42,799

the two gentlemen were david altman and

616

00:21:46,630 --> 00:21:45,200

david mason david mason is the yes

617

00:21:49,669 --> 00:21:46,640

inventor who kind of created some of

618

00:21:51,430 --> 00:21:49,679

that uh surveillance uh equipment right

619

00:21:53,909 --> 00:21:51,440

and uh you know what was really

620

00:21:56,230 --> 00:21:53,919

interesting from that conversation is is

621

00:21:58,710 --> 00:21:56,240

kind of the speculation that really this

622

00:22:00,230 --> 00:21:58,720

is happening everywhere that it's just

623

00:22:02,870 --> 00:22:00,240

that we don't have the kind of

624

00:22:04,310 --> 00:22:02,880

instrumentation to to to see it and

625

00:22:05,909 --> 00:22:04,320

we're starting to get more of that

626
00:22:08,149 --> 00:22:05,919
instrumentation

627
00:22:10,310 --> 00:22:08,159
in place in various places across the

628
00:22:11,510 --> 00:22:10,320
world uh and and that's pretty

629
00:22:13,669 --> 00:22:11,520
interesting if you take the fact that

630
00:22:15,750 --> 00:22:13,679
they were just out there for basically a

631
00:22:17,830 --> 00:22:15,760
week with equipment you know looking

632
00:22:19,270 --> 00:22:17,840
toward the catalina islands and just

633
00:22:21,510 --> 00:22:19,280
seeing what they they could see and they

634
00:22:23,190 --> 00:22:21,520
saw more than one anomalous

635
00:22:25,350 --> 00:22:23,200
interesting thing happen

636
00:22:28,070 --> 00:22:25,360
uh with their equipment so to me that

637
00:22:30,310 --> 00:22:28,080
that says that this kind of thing is is

638
00:22:32,390 --> 00:22:30,320

happening everywhere uh you know maybe

639

00:22:34,789 --> 00:22:32,400

that is probably one of the

640

00:22:36,149 --> 00:22:34,799

uh disturbing qualities of it that if we

641

00:22:38,630 --> 00:22:36,159

talk about

642

00:22:40,630 --> 00:22:38,640

uh the issue of disclosure that could be

643

00:22:42,230 --> 00:22:40,640

one of the reasons why we don't have

644

00:22:44,230 --> 00:22:42,240

full disclosure is that it's it's

645

00:22:47,430 --> 00:22:44,240

literally happening everywhere all the

646

00:22:49,190 --> 00:22:47,440

time uh those of uh folks who are in the

647

00:22:52,390 --> 00:22:49,200

community who identify with being

648

00:22:54,149 --> 00:22:52,400

experiencers often will tell you that

649

00:22:55,750 --> 00:22:54,159

these interaction interactions can

650

00:22:57,430 --> 00:22:55,760

happen whether you want them to or not

651

00:22:59,909 --> 00:22:57,440

they're just going to appear

652

00:23:01,990 --> 00:22:59,919

uh wherever you may find yourself uh

653

00:23:03,669 --> 00:23:02,000

even in some of your most sacred spaces

654

00:23:05,750 --> 00:23:03,679

in your bedroom you know that this can

655

00:23:07,590 --> 00:23:05,760

just appear and so to me that that's

656

00:23:09,909 --> 00:23:07,600

something that we have to wrestle with

657

00:23:11,270 --> 00:23:09,919

if that is the truth that is the reality

658

00:23:12,870 --> 00:23:11,280

uh that's something that we all have to

659

00:23:14,870 --> 00:23:12,880

deal with and how does that impact our

660

00:23:17,270 --> 00:23:14,880

day-to-day life are the way in which we

661

00:23:18,390 --> 00:23:17,280

go about doing what we do and interact

662

00:23:19,190 --> 00:23:18,400

with each other

663

00:23:20,710 --> 00:23:19,200

uh

664

00:23:22,630 --> 00:23:20,720

you know i think the floodgates are

665

00:23:24,789 --> 00:23:22,640

really going to open quite a bit the

666

00:23:25,909 --> 00:23:24,799

more that the stigma does

667

00:23:28,390 --> 00:23:25,919

decrease

668

00:23:31,270 --> 00:23:28,400

um you're going to and so i and for that

669

00:23:34,310 --> 00:23:31,280

reason i think of disclosure is really a

670

00:23:36,630 --> 00:23:34,320

it's a recursive process so you you can

671

00:23:39,430 --> 00:23:36,640

think of it like this that as the

672

00:23:42,310 --> 00:23:39,440

government uh kind of puts forward a

673

00:23:45,110 --> 00:23:42,320

little bit more of a normalized uh

674

00:23:46,950 --> 00:23:45,120

aspect of the phenomenon you know ufos

675

00:23:49,830 --> 00:23:46,960

are real they're in the skies whatever

676
00:23:52,149 --> 00:23:49,840
then the public responds to that

677
00:23:54,310 --> 00:23:52,159
fact by saying yes i have had an

678
00:23:56,390 --> 00:23:54,320
experience that's just like that or i

679
00:23:58,870 --> 00:23:56,400
know someone who's had an experience

680
00:24:02,630 --> 00:23:58,880
just like that that then kind of adds to

681
00:24:04,630 --> 00:24:02,640
the pile of momentum the government then

682
00:24:06,870 --> 00:24:04,640
can respond to that

683
00:24:09,110 --> 00:24:06,880
interaction with okay this is what they

684
00:24:10,870 --> 00:24:09,120
look like or this is how they behave

685
00:24:12,630 --> 00:24:10,880
others then say well yes i know that

686
00:24:14,710 --> 00:24:12,640
that that's true because i have had an

687
00:24:16,630 --> 00:24:14,720
experience in the same way so you can

688
00:24:18,149 --> 00:24:16,640

see that through this it's almost think

689

00:24:20,149 --> 00:24:18,159

of it as a dialogue you know that there

690

00:24:21,269 --> 00:24:20,159

is this kind of dialogue that needs to

691

00:24:24,310 --> 00:24:21,279

take place

692

00:24:26,870 --> 00:24:24,320

in a very public manner for this reality

693

00:24:28,789 --> 00:24:26,880

to be pervasive throughout the world

694

00:24:31,029 --> 00:24:28,799

it's not something where you can

695

00:24:32,789 --> 00:24:31,039

as much as we might want it to really

696

00:24:35,029 --> 00:24:32,799

just kind of print a one-pager and hand

697

00:24:37,029 --> 00:24:35,039

it out to everybody in the globe and say

698

00:24:39,909 --> 00:24:37,039

here are the facts you know kind of deal

699

00:24:42,870 --> 00:24:39,919

with it i think it is much more healthy

700

00:24:45,750 --> 00:24:42,880

to do this in a fashion that is uh you

701
00:24:48,549 --> 00:24:45,760
know relational that that it does honor

702
00:24:50,470 --> 00:24:48,559
the the facts but also is is listening

703
00:24:52,789 --> 00:24:50,480
in response to the facts that are put

704
00:24:55,909 --> 00:24:52,799
forward because if we don't go through

705
00:24:58,070 --> 00:24:55,919
those stages of of really communication

706
00:24:59,990 --> 00:24:58,080
listening understanding i think that

707
00:25:02,470 --> 00:25:00,000
there's a too much in my opinion at

708
00:25:04,549 --> 00:25:02,480
least for a traumatic event to occur for

709
00:25:06,549 --> 00:25:04,559
a lot of people you don't give folks

710
00:25:09,350 --> 00:25:06,559
time to process what is really taking

711
00:25:11,830 --> 00:25:09,360
place and we all need time to process

712
00:25:14,470 --> 00:25:11,840
something that is this significant in

713
00:25:16,630 --> 00:25:14,480

terms of how it impacts our world view

714

00:25:18,310 --> 00:25:16,640

yeah absolutely i mean

715

00:25:19,909 --> 00:25:18,320

one of the things that i've said a

716

00:25:22,470 --> 00:25:19,919

number of times

717

00:25:23,669 --> 00:25:22,480

you know as doing the show while doing

718

00:25:24,640 --> 00:25:23,679

the show is

719

00:25:26,230 --> 00:25:24,650

you know if

720

00:25:28,630 --> 00:25:26,240

[Music]

721

00:25:30,710 --> 00:25:28,640

if if for some reason

722

00:25:32,950 --> 00:25:30,720

the some part of the government

723

00:25:34,710 --> 00:25:32,960

actually knows what is going on and

724

00:25:36,630 --> 00:25:34,720

hasn't said anything they would have a

725

00:25:37,430 --> 00:25:36,640

lot of explaining to do

726
00:25:38,390 --> 00:25:37,440
and

727
00:25:47,590 --> 00:25:38,400
that

728
00:25:49,590 --> 00:25:47,600
case

729
00:25:51,350 --> 00:25:49,600
uh it would be because they would have

730
00:25:53,190 --> 00:25:51,360
no way to

731
00:25:55,430 --> 00:25:53,200
protect us or

732
00:25:57,750 --> 00:25:55,440
you know have no control over

733
00:25:59,830 --> 00:25:57,760
what's coming into our skies so that

734
00:26:01,110 --> 00:25:59,840
would be you know could be a scary thing

735
00:26:02,710 --> 00:26:01,120
for a lot of people

736
00:26:04,470 --> 00:26:02,720
right whether they're there's nothing

737
00:26:07,430 --> 00:26:04,480
has happened as of yet

738
00:26:09,029 --> 00:26:07,440

or not but uh someone uh jay allen thank

739

00:26:11,789 --> 00:26:09,039

you for putting this in caps here's a

740

00:26:14,549 --> 00:26:11,799

question from the chat room uh given the

741

00:26:16,390 --> 00:26:14,559

phenomenology discussion does nathan

742

00:26:19,029 --> 00:26:16,400

have a comment on the hitchhiker

743

00:26:21,029 --> 00:26:19,039

phenomenon experienced by intel agents

744

00:26:22,149 --> 00:26:21,039

military and scientists at skinwalker

745

00:26:24,950 --> 00:26:22,159

ranch

746

00:26:27,430 --> 00:26:24,960

absolutely so and and this is i think

747

00:26:29,190 --> 00:26:27,440

going to take us uh toward kind of the

748

00:26:31,190 --> 00:26:29,200

the consciousness connection or

749

00:26:34,950 --> 00:26:31,200

conversation which is i think quite

750

00:26:38,710 --> 00:26:34,960

popular now uh in this in this topic so

751

00:26:41,350 --> 00:26:38,720

uh my my take on that is that uh

752

00:26:43,590 --> 00:26:41,360

consciousness is is the sort of

753

00:26:45,190 --> 00:26:43,600

fundamental quality of reality that that

754

00:26:47,510 --> 00:26:45,200

the things that we

755

00:26:49,590 --> 00:26:47,520

think of as as matter

756

00:26:51,510 --> 00:26:49,600

the material that we're all used to that

757

00:26:53,990 --> 00:26:51,520

is a

758

00:26:56,310 --> 00:26:54,000

an epiphenomenon of consciousness

759

00:26:58,950 --> 00:26:56,320

uh if that is the case and i know you

760

00:27:00,149 --> 00:26:58,960

had a show with um dr bob davis and dave

761

00:27:01,909 --> 00:27:00,159

beatty where they talked about this

762

00:27:03,830 --> 00:27:01,919

quite quite a bit uh so i point your

763

00:27:06,230 --> 00:27:03,840

listeners to that show which i think was

764

00:27:09,990 --> 00:27:06,240

really quite well done uh if that is the

765

00:27:13,190 --> 00:27:10,000

case then the the way in which our

766

00:27:15,110 --> 00:27:13,200

our experiences overlap is sort of is

767

00:27:17,750 --> 00:27:15,120

sort of a way that we cannot necessarily

768

00:27:18,950 --> 00:27:17,760

directly perceive so consciousness think

769

00:27:23,269 --> 00:27:18,960

of it as

770

00:27:24,310 --> 00:27:23,279

ocean you know so if we're all part of

771

00:27:27,350 --> 00:27:24,320

the ocean

772

00:27:29,830 --> 00:27:27,360

we manifest in our individual selves as

773

00:27:32,230 --> 00:27:29,840

uh as ripples in the water or you can

774

00:27:34,070 --> 00:27:32,240

think of us as kind of individuated

775

00:27:36,950 --> 00:27:34,080

whirlpools in the water you can't take

776

00:27:38,950 --> 00:27:36,960

the whirlpool or the ripple out of the

777

00:27:40,710 --> 00:27:38,960

water but you can see it it has boundary

778

00:27:43,269 --> 00:27:40,720

it has dead definition it has it has

779

00:27:46,950 --> 00:27:43,279

quality and so what's happening with

780

00:27:49,909 --> 00:27:46,960

this sort of hitchhiker event or effect

781

00:27:52,070 --> 00:27:49,919

is that these individual conscious

782

00:27:54,470 --> 00:27:52,080

agents you know these folks who

783

00:27:57,029 --> 00:27:54,480

went to skinwalker ranch for example

784

00:28:00,070 --> 00:27:57,039

uh their consciousness is essentially

785

00:28:03,190 --> 00:28:00,080

kind of it it's coming into contact with

786

00:28:05,350 --> 00:28:03,200

other conscious agents that exist in in

787

00:28:07,990 --> 00:28:05,360

reality but may not be perceived in the

788

00:28:10,389 --> 00:28:08,000

reality that that we know as

789

00:28:12,870 --> 00:28:10,399

material reality as that as those

790

00:28:14,389 --> 00:28:12,880

conscious agents kind of overlap

791

00:28:17,029 --> 00:28:14,399

uh you know sort of qualities and

792

00:28:18,070 --> 00:28:17,039

characteristics of each of those agents

793

00:28:20,630 --> 00:28:18,080

sort of

794

00:28:22,870 --> 00:28:20,640

intermingle or entwine or you can think

795

00:28:25,350 --> 00:28:22,880

of it as entanglement in a way to use

796

00:28:27,830 --> 00:28:25,360

kind of to borrow a quantum

797

00:28:30,789 --> 00:28:27,840

terminology there and so

798

00:28:33,830 --> 00:28:30,799

that human conscious agent has now been

799

00:28:36,470 --> 00:28:33,840

exposed has been uh

800

00:28:39,269 --> 00:28:36,480

intermingled with a non-human conscious

801
00:28:41,350 --> 00:28:39,279
agent and that impacts that human in

802
00:28:43,110 --> 00:28:41,360
ways that manifest itself

803
00:28:44,870 --> 00:28:43,120
as uh

804
00:28:47,510 --> 00:28:44,880
you know sort of the visions that that

805
00:28:50,710 --> 00:28:47,520
you hear about the poltergeist activity

806
00:28:52,310 --> 00:28:50,720
and and so forth and so it's um

807
00:28:54,549 --> 00:28:52,320
i don't particularly like the kind of

808
00:28:57,590 --> 00:28:54,559
the virology or the or the or the

809
00:28:59,590 --> 00:28:57,600
contamination uh sort of lingo that that

810
00:29:02,549 --> 00:28:59,600
is used to describe it i think of it

811
00:29:03,430 --> 00:29:02,559
more or less as uh these are moments in

812
00:29:05,190 --> 00:29:03,440
which

813
00:29:07,269 --> 00:29:05,200

individuated consciousness human

814

00:29:09,750 --> 00:29:07,279

consciousness is coming into contact

815

00:29:12,789 --> 00:29:09,760

with non-human consciousness and is thus

816

00:29:13,830 --> 00:29:12,799

changed in the process

817

00:29:15,669 --> 00:29:13,840

wow

818

00:29:17,190 --> 00:29:15,679

interesting um

819

00:29:19,110 --> 00:29:17,200

well

820

00:29:21,430 --> 00:29:19,120

as far as

821

00:29:23,830 --> 00:29:21,440

it's still hard for me to understand the

822

00:29:26,789 --> 00:29:23,840

consciousness connection i know you you

823

00:29:27,909 --> 00:29:26,799

did you did a fairly good job

824

00:29:33,190 --> 00:29:27,919

but

825

00:29:34,710 --> 00:29:33,200

understand

826

00:29:37,350 --> 00:29:34,720

how that has

827

00:29:38,830 --> 00:29:37,360

the connection between people seeing

828

00:29:41,750 --> 00:29:38,840

ufos

829

00:29:42,789 --> 00:29:41,760

um also when it comes to

830

00:29:44,389 --> 00:29:42,799

you know if it's something that's

831

00:29:47,590 --> 00:29:44,399

manifested

832

00:29:49,350 --> 00:29:47,600

um from the individual somehow

833

00:29:50,870 --> 00:29:49,360

then what about

834

00:29:52,630 --> 00:29:50,880

um

835

00:29:54,310 --> 00:29:52,640

mass sightings where there's hundreds of

836

00:29:55,350 --> 00:29:54,320

witnesses you know how does how does

837

00:29:57,110 --> 00:29:55,360

that

838

00:29:57,830 --> 00:29:57,120

all work when it comes to this type of

839

00:29:58,950 --> 00:29:57,840

thing

840

00:30:01,909 --> 00:29:58,960

sure so

841

00:30:04,470 --> 00:30:01,919

we are all part of that uh consciousness

842

00:30:05,430 --> 00:30:04,480

substrate you know so we all

843

00:30:07,750 --> 00:30:05,440

even though

844

00:30:10,710 --> 00:30:07,760

you know you are martin and i am nathan

845

00:30:12,630 --> 00:30:10,720

we emerge out of that base layer where

846

00:30:14,389 --> 00:30:12,640

we that we all share

847

00:30:16,389 --> 00:30:14,399

uh and so i think there are a couple of

848

00:30:17,590 --> 00:30:16,399

on-ramps to the this uh the way of

849

00:30:19,750 --> 00:30:17,600

thinking about this i'll give one

850

00:30:21,590 --> 00:30:19,760

analogy i'm gonna steal it from

851

00:30:22,870 --> 00:30:21,600

uh someone that i think if people are

852

00:30:25,590 --> 00:30:22,880

interested in this and learning more

853

00:30:27,510 --> 00:30:25,600

about consciousness and uh you know the

854

00:30:29,750 --> 00:30:27,520

way that it works as a metaphysical

855

00:30:32,149 --> 00:30:29,760

concept i would point them to a man

856

00:30:34,470 --> 00:30:32,159

named dr bernardo castro

857

00:30:36,149 --> 00:30:34,480

so dr castrop is not a ufologist he's

858

00:30:37,590 --> 00:30:36,159

not you know really focusing on this

859

00:30:40,230 --> 00:30:37,600

subject but he is

860

00:30:41,750 --> 00:30:40,240

uh what he calls an analytic idealist

861

00:30:43,590 --> 00:30:41,760

and and so you can you have two sort of

862

00:30:44,950 --> 00:30:43,600

models of reality you have materialism

863

00:30:47,269 --> 00:30:44,960

and you have idealism so he's an

864

00:30:49,190 --> 00:30:47,279

idealist which again believes that

865

00:30:51,269 --> 00:30:49,200

consciousness is at the the base layer

866

00:30:53,110 --> 00:30:51,279

of reality so what the analogy that he

867

00:30:55,269 --> 00:30:53,120

uses what i think is quite useful is the

868

00:30:58,389 --> 00:30:55,279

analogy of flying an airplane

869

00:31:00,470 --> 00:30:58,399

all right so you can fly an airplane uh

870

00:31:02,230 --> 00:31:00,480

really by just looking at the dashboard

871

00:31:03,430 --> 00:31:02,240

of dials in front of you you don't have

872

00:31:06,149 --> 00:31:03,440

to see

873

00:31:08,630 --> 00:31:06,159

the air around you the sky if you if

874

00:31:10,789 --> 00:31:08,640

your instrumentation is good you can

875

00:31:12,870 --> 00:31:10,799

literally fly the airplane through the

876

00:31:14,710 --> 00:31:12,880

atmosphere and they they teach pilots

877

00:31:16,310 --> 00:31:14,720

how to do this because there are moments

878

00:31:18,389 --> 00:31:16,320

where they have very low visibility and

879

00:31:21,750 --> 00:31:18,399

they have to trust their instrumentation

880

00:31:23,909 --> 00:31:21,760

right so just like that is the case

881

00:31:26,149 --> 00:31:23,919

our our perceptions

882

00:31:28,710 --> 00:31:26,159

so all of our sensory perception our

883

00:31:30,310 --> 00:31:28,720

taste our our touch our sight hearing

884

00:31:33,750 --> 00:31:30,320

all the these things they they

885

00:31:35,750 --> 00:31:33,760

compromising and uh and constitute the

886

00:31:37,509 --> 00:31:35,760

dashboard they are the dashboard they

887

00:31:38,549 --> 00:31:37,519

are the way in which we interact with

888

00:31:41,110 --> 00:31:38,559

the world

889

00:31:44,070 --> 00:31:41,120

we don't have direct sight though to the

890

00:31:46,230 --> 00:31:44,080

world as it really is and this is this

891

00:31:47,669 --> 00:31:46,240

is not something that's really hard to

892

00:31:49,830 --> 00:31:47,679

get your mind around because we all

893

00:31:50,950 --> 00:31:49,840

understand this from just a base

894

00:31:53,110 --> 00:31:50,960

scientific

895

00:31:55,909 --> 00:31:53,120

level we know that the light spectrum

896

00:31:57,750 --> 00:31:55,919

that you that we see the the human

897

00:32:00,870 --> 00:31:57,760

range of light that we can actually

898

00:32:03,509 --> 00:32:00,880

perceive is very very small in the large

899

00:32:04,630 --> 00:32:03,519

band that exists and we know that

900

00:32:06,630 --> 00:32:04,640

uh

901
00:32:08,710 --> 00:32:06,640
insects and other animals and you know

902
00:32:10,870 --> 00:32:08,720
our household pets you know they they

903
00:32:12,070 --> 00:32:10,880
perceive reality in in different

904
00:32:13,669 --> 00:32:12,080
spectrums

905
00:32:14,710 --> 00:32:13,679
than we do

906
00:32:17,990 --> 00:32:14,720
and so

907
00:32:21,110 --> 00:32:18,000
what base reality actually looks like

908
00:32:23,110 --> 00:32:21,120
is all filtered through the perceptions

909
00:32:25,590 --> 00:32:23,120
that each of us have so there's human

910
00:32:27,590 --> 00:32:25,600
perception and animal perception and you

911
00:32:29,830 --> 00:32:27,600
know insect perception all of those have

912
00:32:32,630 --> 00:32:29,840
different filters on what is actually

913
00:32:33,830 --> 00:32:32,640

happening at that base reality

914

00:32:35,350 --> 00:32:33,840

level

915

00:32:37,509 --> 00:32:35,360

so if you think of it from that

916

00:32:39,509 --> 00:32:37,519

perspective there's quite a lot that can

917

00:32:42,310 --> 00:32:39,519

be taking place

918

00:32:43,669 --> 00:32:42,320

beyond our ability to perceive it and

919

00:32:45,509 --> 00:32:43,679

and just like we talked about with the

920

00:32:47,750 --> 00:32:45,519

terror in the sky and david mason and

921

00:32:50,149 --> 00:32:47,760

his and his inventions you know he has

922

00:32:51,669 --> 00:32:50,159

inventions that now allow him to see

923

00:32:53,830 --> 00:32:51,679

sort of aspects

924

00:32:55,430 --> 00:32:53,840

of uh things that happen in the in the

925

00:32:58,070 --> 00:32:55,440

light spectrum that we can't see but you

926
00:32:59,750 --> 00:32:58,080
can put it on a screen so just as that

927
00:33:01,669 --> 00:32:59,760
is taking place there there's

928
00:33:03,669 --> 00:33:01,679
phenomenology happening all around us

929
00:33:05,590 --> 00:33:03,679
that we cannot directly perceive

930
00:33:07,509 --> 00:33:05,600
when mass sightings happen it's just

931
00:33:09,269 --> 00:33:07,519
that in those moments

932
00:33:12,070 --> 00:33:09,279
whatever is happening at the layer that

933
00:33:14,789 --> 00:33:12,080
we cannot perceive it it it basically

934
00:33:17,830 --> 00:33:14,799
pops into the layer which we can

935
00:33:20,710 --> 00:33:17,840
and so it comes it emerges out of that

936
00:33:23,029 --> 00:33:20,720
lower layer into a layer which we all

937
00:33:25,669 --> 00:33:23,039
happen to be able to interact with

938
00:33:26,870 --> 00:33:25,679

and so with consciousness

939

00:33:29,830 --> 00:33:26,880

you know kind of coming back back to

940

00:33:31,990 --> 00:33:29,840

that specifically you know we all can

941

00:33:34,789 --> 00:33:32,000

tap into that because we are all part of

942

00:33:35,669 --> 00:33:34,799

that this consciousness helps explain

943

00:33:43,830 --> 00:33:35,679

the

944

00:33:45,750 --> 00:33:43,840

and obes and past life experience

945

00:33:49,190 --> 00:33:45,760

uh remote viewing all of that is

946

00:33:50,789 --> 00:33:49,200

connected via consciousness and so if

947

00:33:52,549 --> 00:33:50,799

you think of it from that perspective

948

00:33:54,470 --> 00:33:52,559

everything that we experience everything

949

00:33:55,509 --> 00:33:54,480

that takes place in our ability to

950

00:33:58,950 --> 00:33:55,519

perceive

951
00:34:02,310 --> 00:33:58,960
is all happening at a at a level that is

952
00:34:04,070 --> 00:34:02,320
emerging from a consciousness layer

953
00:34:06,549 --> 00:34:04,080
and you know it is a difficult concept

954
00:34:08,869 --> 00:34:06,559
because it's not the way in which we are

955
00:34:11,349 --> 00:34:08,879
taught you know we're all born into

956
00:34:13,750 --> 00:34:11,359
a materialist world from the very moment

957
00:34:15,109 --> 00:34:13,760
we enter the you know our our lives we

958
00:34:16,950 --> 00:34:15,119
are taught that

959
00:34:19,829 --> 00:34:16,960
this is how things work and this is how

960
00:34:21,669 --> 00:34:19,839
things are ordered and our science is

961
00:34:23,510 --> 00:34:21,679
structured around this as well

962
00:34:25,270 --> 00:34:23,520
so it's it's a very difficult way to

963
00:34:27,030 --> 00:34:25,280

sort of think about it but more and more

964

00:34:29,669 --> 00:34:27,040

our quantum physics

965

00:34:31,990 --> 00:34:29,679

our neuroscience is pointing toward the

966

00:34:34,470 --> 00:34:32,000

fact that consciousness is not

967

00:34:36,389 --> 00:34:34,480

an emergent property of matter it's not

968

00:34:38,950 --> 00:34:36,399

an emergent property of our brain

969

00:34:43,270 --> 00:34:38,960

activity it's something that happens at

970

00:34:46,829 --> 00:34:45,990

interesting analogies and all that i do

971

00:34:48,389 --> 00:34:46,839

you know

972

00:34:54,790 --> 00:34:48,399

uh

973

00:34:56,790 --> 00:34:54,800

i really you know i i really don't know

974

00:34:59,349 --> 00:34:56,800

uh you know i'm trying to think of what

975

00:35:01,190 --> 00:34:59,359

type of questions for one thing does

976
00:35:02,390 --> 00:35:01,200
this mean that

977
00:35:05,589 --> 00:35:02,400
if uh

978
00:35:08,470 --> 00:35:05,599
you happen to be outside and you see

979
00:35:10,470 --> 00:35:08,480
a bigfoot or you see a ghost or you see

980
00:35:12,069 --> 00:35:10,480
a ufo fly overhead

981
00:35:14,230 --> 00:35:12,079
that it's possible

982
00:35:16,710 --> 00:35:14,240
even if other people see it that that's

983
00:35:18,870 --> 00:35:16,720
not what really is happening

984
00:35:20,390 --> 00:35:18,880
well it is a representation of something

985
00:35:22,470 --> 00:35:20,400
else right so

986
00:35:25,030 --> 00:35:22,480
there it's not that it's not happening

987
00:35:27,190 --> 00:35:25,040
but what bigfoot really is it depends on

988
00:35:30,310 --> 00:35:27,200

your perspective right so

989

00:35:32,470 --> 00:35:30,320

uh for example you and i are made of you

990

00:35:34,150 --> 00:35:32,480

know atoms and molecules and if we go

991

00:35:36,390 --> 00:35:34,160

further and further down

992

00:35:39,109 --> 00:35:36,400

from that we are smaller and smaller you

993

00:35:41,270 --> 00:35:39,119

know sort of particles quantum particles

994

00:35:43,510 --> 00:35:41,280

so it's a matter of perspective who is

995

00:35:44,390 --> 00:35:43,520

martin you know who is nathan these are

996

00:35:46,630 --> 00:35:44,400

things that

997

00:35:49,910 --> 00:35:46,640

from our level of perception are

998

00:35:51,990 --> 00:35:49,920

constituent holes so you have a clearly

999

00:35:53,349 --> 00:35:52,000

defined you know boundary of who martin

1000

00:35:57,270 --> 00:35:53,359

is as do i

1001
00:35:59,750 --> 00:35:57,280
but from other vantage points in reality

1002
00:36:02,870 --> 00:35:59,760
you don't maintain that that same level

1003
00:36:04,950 --> 00:36:02,880
of uh sort of um

1004
00:36:07,030 --> 00:36:04,960
cohesiveness you don't have that same

1005
00:36:10,310 --> 00:36:07,040
martin-ness if you look at martin from

1006
00:36:11,910 --> 00:36:10,320
the vantage point of a microbe

1007
00:36:14,230 --> 00:36:11,920
you know there is no martin at that

1008
00:36:16,710 --> 00:36:14,240
level of awareness you know so

1009
00:36:18,870 --> 00:36:16,720
the bigfoot uh you know it's it's

1010
00:36:21,109 --> 00:36:18,880
exactly the same it's it's yes to you

1011
00:36:23,349 --> 00:36:21,119
and i it is a bigfoot entity what is it

1012
00:36:24,870 --> 00:36:23,359
though at a root level we don't know uh

1013
00:36:27,430 --> 00:36:24,880

another good example of this so i can

1014

00:36:29,589 --> 00:36:27,440

point your listeners to it is uh dr

1015

00:36:31,750 --> 00:36:29,599

donald hoffman he's done a lot of work

1016

00:36:33,670 --> 00:36:31,760

on uh he has a book called the case

1017

00:36:36,069 --> 00:36:33,680

again against reality

1018

00:36:38,390 --> 00:36:36,079

and the analogy that he uses is one of a

1019

00:36:39,510 --> 00:36:38,400

computer screen and so he basically says

1020

00:36:41,589 --> 00:36:39,520

you know we're all familiar with a

1021

00:36:43,910 --> 00:36:41,599

desktop interface we have icons on our

1022

00:36:45,829 --> 00:36:43,920

computer screen we have the trash bin on

1023

00:36:48,310 --> 00:36:45,839

our computer screen if we drag a file

1024

00:36:50,390 --> 00:36:48,320

into the trash bin we know that in the

1025

00:36:52,550 --> 00:36:50,400

computer that's our way of of throwing

1026
00:36:54,710 --> 00:36:52,560
away or discarding or deleting that file

1027
00:36:57,670 --> 00:36:54,720
but we also know that's not literally a

1028
00:37:01,030 --> 00:36:57,680
trash bin it's not literally a trash can

1029
00:37:03,510 --> 00:37:01,040
it is represented as a representation of

1030
00:37:05,349 --> 00:37:03,520
of code that that is in the system but

1031
00:37:07,589 --> 00:37:05,359
it's something that we can interact with

1032
00:37:08,870 --> 00:37:07,599
you and i wouldn't i'm not a coder

1033
00:37:10,710 --> 00:37:08,880
and you probably aren't either martin

1034
00:37:13,030 --> 00:37:10,720
but you know you and i can interact with

1035
00:37:15,190 --> 00:37:13,040
the software that powers our machines

1036
00:37:17,990 --> 00:37:15,200
that's why we have these icons that we

1037
00:37:20,310 --> 00:37:18,000
have created so that we can work with

1038
00:37:22,950 --> 00:37:20,320

these very complex systems that are

1039

00:37:25,670 --> 00:37:22,960

based on this this kind of code and his

1040

00:37:29,030 --> 00:37:25,680

argument is that evolutionarily humans

1041

00:37:31,750 --> 00:37:29,040

are exactly the same we have evolved

1042

00:37:33,270 --> 00:37:31,760

in order to see the world from uh from

1043

00:37:35,030 --> 00:37:33,280

the vantage point of

1044

00:37:36,870 --> 00:37:35,040

of how how we survive in that

1045

00:37:38,710 --> 00:37:36,880

environment we don't need to see the

1046

00:37:41,190 --> 00:37:38,720

world as it really is we only need to

1047

00:37:44,150 --> 00:37:41,200

see the world how it helps us to to

1048

00:37:45,670 --> 00:37:44,160

survive so it's an interesting it's a

1049

00:37:47,829 --> 00:37:45,680

kind of a mind-bending way of thinking

1050

00:37:49,829 --> 00:37:47,839

about things but it really is

1051
00:37:52,069 --> 00:37:49,839
i think something that is uh going to be

1052
00:37:54,230 --> 00:37:52,079
a part of this conversation because it

1053
00:37:56,470 --> 00:37:54,240
does tie into all of the various

1054
00:37:59,030 --> 00:37:56,480
phenomenology that we that we are

1055
00:38:00,390 --> 00:37:59,040
talking about from from the paranormal

1056
00:38:03,990 --> 00:38:00,400
to ufos

1057
00:38:06,230 --> 00:38:04,000
uh to nde obe past life experience to

1058
00:38:07,349 --> 00:38:06,240
psy phenomenon it all really does

1059
00:38:09,270 --> 00:38:07,359
connect

1060
00:38:11,430 --> 00:38:09,280
through this particular

1061
00:38:13,829 --> 00:38:11,440
metaphysical model

1062
00:38:15,270 --> 00:38:13,839
now but you mentioned the spectrum we we

1063
00:38:17,270 --> 00:38:15,280

see a small

1064

00:38:18,950 --> 00:38:17,280

amount of the spectrum

1065

00:38:22,150 --> 00:38:18,960

and

1066

00:38:24,310 --> 00:38:22,160

i wonder also like

1067

00:38:26,069 --> 00:38:24,320

what could you know what

1068

00:38:29,270 --> 00:38:26,079

is it possible there's a lot going

1069

00:38:31,190 --> 00:38:29,280

around us on around us that we're just

1070

00:38:33,030 --> 00:38:31,200

totally unaware of

1071

00:38:34,870 --> 00:38:33,040

in in a way you know we get more

1072

00:38:35,670 --> 00:38:34,880

equipment there's more the military has

1073

00:38:37,670 --> 00:38:35,680

more

1074

00:38:39,670 --> 00:38:37,680

equipment and and different parts of the

1075

00:38:43,430 --> 00:38:39,680

wavelengths that they can

1076

00:38:45,910 --> 00:38:43,440

uh you know report on uh

1077

00:38:46,870 --> 00:38:45,920

get data on stuff like that so i'm just

1078

00:38:48,950 --> 00:38:46,880

wondering

1079

00:38:50,790 --> 00:38:48,960

if there's like a lot going are we going

1080

00:38:53,430 --> 00:38:50,800

to be able to find more

1081

00:38:55,510 --> 00:38:53,440

of what's going on around us

1082

00:38:58,150 --> 00:38:55,520

all the time that we can't see now you

1083

00:38:59,589 --> 00:38:58,160

know in the future technology is that

1084

00:39:02,230 --> 00:38:59,599

do you think it's going to head that way

1085

00:39:03,510 --> 00:39:02,240

i absolutely think so i think that life

1086

00:39:06,710 --> 00:39:03,520

is abundant

1087

00:39:09,109 --> 00:39:06,720

in the universe i think that uh if you

1088

00:39:10,950 --> 00:39:09,119

look at uh things like take what louis

1089

00:39:12,630 --> 00:39:10,960

elizondo himself has said he's talked

1090

00:39:14,550 --> 00:39:12,640

about

1091

00:39:17,109 --> 00:39:14,560

for a very long time we didn't know that

1092

00:39:19,270 --> 00:39:17,119

there was an entire kingdom that existed

1093

00:39:20,870 --> 00:39:19,280

in in you know on the earth and that's

1094

00:39:23,349 --> 00:39:20,880

the kingdom of uh

1095

00:39:24,870 --> 00:39:23,359

the microbiome and uh

1096

00:39:26,710 --> 00:39:24,880

you know all of a sudden we discovered

1097

00:39:28,550 --> 00:39:26,720

that you know here it is and it's

1098

00:39:30,550 --> 00:39:28,560

everywhere it's it's literally

1099

00:39:32,069 --> 00:39:30,560

everywhere it's inside of us it's

1100

00:39:33,270 --> 00:39:32,079

it's there are a few places on earth

1101

00:39:36,550 --> 00:39:33,280

where you can go

1102

00:39:39,109 --> 00:39:36,560

and not find uh them you know microbes

1103

00:39:41,829 --> 00:39:39,119

and so i think in the same way as our

1104

00:39:44,950 --> 00:39:41,839

understanding advances uh we're going to

1105

00:39:47,430 --> 00:39:44,960

find that intelligent life is

1106

00:39:50,150 --> 00:39:47,440

literally everywhere in the cosmos that

1107

00:39:51,670 --> 00:39:50,160

it's uh it takes many different forms

1108

00:39:54,310 --> 00:39:51,680

that we're interacting with a lot of

1109

00:39:55,589 --> 00:39:54,320

different phenomena that you know just

1110

00:39:57,910 --> 00:39:55,599

the way that we

1111

00:40:01,670 --> 00:39:57,920

perceive it has been pretty limited and

1112

00:40:04,550 --> 00:40:01,680

as as you said as our ability to uh to

1113

00:40:06,309 --> 00:40:04,560

analyze it to uh take in more data

1114

00:40:08,309 --> 00:40:06,319

what's happening it's just allowed us to

1115

00:40:11,270 --> 00:40:08,319

kind of open up the aperture of our

1116

00:40:12,870 --> 00:40:11,280

perception to see more of what has been

1117

00:40:15,030 --> 00:40:12,880

there all along

1118

00:40:17,190 --> 00:40:15,040

and so yeah i wholeheartedly agree with

1119

00:40:19,510 --> 00:40:17,200

that and then what and then what follows

1120

00:40:21,030 --> 00:40:19,520

from that understanding right so that

1121

00:40:23,349 --> 00:40:21,040

really is are the questions that i'm

1122

00:40:24,790 --> 00:40:23,359

interested in is that once we come to

1123

00:40:27,990 --> 00:40:24,800

this place that

1124

00:40:30,550 --> 00:40:28,000

we can agree that that is the reality

1125

00:40:31,990 --> 00:40:30,560

you know that that there are et's and

1126

00:40:34,790 --> 00:40:32,000

interdimensionals and everything in

1127

00:40:36,950 --> 00:40:34,800

between you know what does that mean for

1128

00:40:39,349 --> 00:40:36,960

for us as as human beings you know how

1129

00:40:42,069 --> 00:40:39,359

do we go about our lives how do we

1130

00:40:43,430 --> 00:40:42,079

interact how do we advance our science

1131

00:40:45,349 --> 00:40:43,440

um

1132

00:40:46,470 --> 00:40:45,359

it's really going to impact every single

1133

00:40:48,390 --> 00:40:46,480

facet

1134

00:40:50,309 --> 00:40:48,400

of our culture and civilization i think

1135

00:40:52,630 --> 00:40:50,319

we're we're on kind of the cusp of the

1136

00:40:54,390 --> 00:40:52,640

sea change there and a dramatic paradigm

1137

00:40:56,630 --> 00:40:54,400

shift that's going to take place once

1138

00:40:58,870 --> 00:40:56,640

this becomes

1139

00:41:02,150 --> 00:40:58,880

commonly accepted

1140

00:41:06,470 --> 00:41:04,550

there's a question that came up

1141

00:41:08,710 --> 00:41:06,480

can you address the concern that some

1142

00:41:10,470 --> 00:41:08,720

have saying that and i've heard this all

1143

00:41:12,230 --> 00:41:10,480

along you know we can't have disclosure

1144

00:41:13,990 --> 00:41:12,240

because it would destroy our religious

1145

00:41:17,109 --> 00:41:14,000

traditions

1146

00:41:21,190 --> 00:41:17,119

yeah well i would argue that uh

1147

00:41:23,670 --> 00:41:21,200

as as our culture changes over time

1148

00:41:25,030 --> 00:41:23,680

we constantly reinvent our religious

1149

00:41:26,470 --> 00:41:25,040

tradition

1150

00:41:28,309 --> 00:41:26,480

i don't think i don't think people

1151
00:41:30,150 --> 00:41:28,319
perceive it because they're born into it

1152
00:41:31,270 --> 00:41:30,160
and as you're born into something you

1153
00:41:32,950 --> 00:41:31,280
think that that's just the way it's

1154
00:41:34,390 --> 00:41:32,960
always been

1155
00:41:35,990 --> 00:41:34,400
the beliefs that i've been given are the

1156
00:41:37,750 --> 00:41:36,000
way they've always been but the reality

1157
00:41:40,550 --> 00:41:37,760
is they have changed

1158
00:41:43,829 --> 00:41:40,560
uh through every generation that that

1159
00:41:46,950 --> 00:41:43,839
the uh kind of doctrine that your

1160
00:41:49,910 --> 00:41:46,960
religious tradition has adopted uh

1161
00:41:53,109 --> 00:41:49,920
you know is is very dynamic and changes

1162
00:41:55,910 --> 00:41:53,119
based on culture and time

1163
00:41:57,589 --> 00:41:55,920

uh personal experience uh you can and i

1164

00:42:00,069 --> 00:41:57,599

can i can point to the many different

1165

00:42:02,150 --> 00:42:00,079

denominations of the world religions as

1166

00:42:04,230 --> 00:42:02,160

proof of this you know that there's so

1167

00:42:06,390 --> 00:42:04,240

many different interpretations of kind

1168

00:42:08,710 --> 00:42:06,400

of the the core texts or the core

1169

00:42:12,630 --> 00:42:08,720

stories of each tradition that i think

1170

00:42:13,670 --> 00:42:12,640

there's ample room for a reinvention of

1171

00:42:14,950 --> 00:42:13,680

religious

1172

00:42:17,190 --> 00:42:14,960

you know belief

1173

00:42:18,950 --> 00:42:17,200

in in light of in the face of new

1174

00:42:21,510 --> 00:42:18,960

information i think that uh it really

1175

00:42:23,349 --> 00:42:21,520

just then comes down to whether or not

1176

00:42:25,270 --> 00:42:23,359

you you want to you know whether or not

1177

00:42:26,309 --> 00:42:25,280

you think that that narrative still

1178

00:42:28,950 --> 00:42:26,319

holds

1179

00:42:30,630 --> 00:42:28,960

some sort of power or importance for you

1180

00:42:32,950 --> 00:42:30,640

and and for some that it will for some

1181

00:42:35,589 --> 00:42:32,960

that it will make a lot of sense to

1182

00:42:37,589 --> 00:42:35,599

uh to adopt that tradition and language

1183

00:42:39,670 --> 00:42:37,599

and it'll help them make sense of this

1184

00:42:41,510 --> 00:42:39,680

new reality and for some it won't for

1185

00:42:44,390 --> 00:42:41,520

some it'll fall

1186

00:42:45,750 --> 00:42:44,400

really short of helping and and they'll

1187

00:42:47,430 --> 00:42:45,760

you know kind of toss it in the

1188

00:42:49,030 --> 00:42:47,440

waistband and move on and adopt

1189

00:42:51,190 --> 00:42:49,040

something else and we'll see

1190

00:42:52,870 --> 00:42:51,200

i think some new religious uh sort of

1191

00:42:53,910 --> 00:42:52,880

traditions emerge

1192

00:42:56,069 --> 00:42:53,920

from

1193

00:42:58,069 --> 00:42:56,079

this reality as well dot and dr diana

1194

00:43:00,390 --> 00:42:58,079

basulka has talked about that in her

1195

00:43:03,829 --> 00:43:00,400

book american cosmic that this is we're

1196

00:43:05,510 --> 00:43:03,839

kind of witnessing in a way the birth of

1197

00:43:07,670 --> 00:43:05,520

some new religious perspectives and

1198

00:43:09,349 --> 00:43:07,680

beliefs that aren't like what we've seen

1199

00:43:11,750 --> 00:43:09,359

in the past

1200

00:43:14,390 --> 00:43:11,760

right well um you know the

1201
00:43:20,069 --> 00:43:17,270
the catholic church has really changed

1202
00:43:21,670 --> 00:43:20,079
their stance a lot i've seen this

1203
00:43:23,670 --> 00:43:21,680
over the years where

1204
00:43:26,790 --> 00:43:23,680
and i thought one of them was well i

1205
00:43:28,309 --> 00:43:26,800
should never say when it comes to

1206
00:43:31,030 --> 00:43:28,319
something like this that was kind of

1207
00:43:33,270 --> 00:43:31,040
funny but um it was interesting i'll put

1208
00:43:35,990 --> 00:43:33,280
it that way that i believe the pope i

1209
00:43:36,790 --> 00:43:36,000
think it was maybe five years ago

1210
00:43:39,670 --> 00:43:36,800
said

1211
00:43:42,069 --> 00:43:39,680
that uh we we can certainly baptize them

1212
00:43:42,870 --> 00:43:42,079
if they come here and they're friendly

1213
00:43:45,510 --> 00:43:42,880

yeah

1214

00:43:46,870 --> 00:43:45,520

you know uh but

1215

00:43:49,030 --> 00:43:46,880

at least they're

1216

00:43:50,710 --> 00:43:49,040

they're open to

1217

00:43:52,710 --> 00:43:50,720

you know like it's not

1218

00:43:56,069 --> 00:43:52,720

it could be more than just earth

1219

00:43:57,030 --> 00:43:56,079

and i i really i think it would be silly

1220

00:43:59,349 --> 00:43:57,040

today

1221

00:44:01,910 --> 00:43:59,359

to think that we're the only

1222

00:44:03,190 --> 00:44:01,920

kids on the block you know right here

1223

00:44:06,230 --> 00:44:03,200

um i

1224

00:44:09,430 --> 00:44:06,240

i think a life of life

1225

00:44:11,270 --> 00:44:09,440

is is hearty and it wants to be

1226

00:44:13,670 --> 00:44:11,280

here

1227

00:44:16,309 --> 00:44:13,680

with all the elements that we have that

1228

00:44:18,870 --> 00:44:16,319

support it and i think any place that

1229

00:44:22,309 --> 00:44:18,880

can support life i think life will

1230

00:44:25,109 --> 00:44:22,319

will be there right so hardly agree yeah

1231

00:44:26,150 --> 00:44:25,119

and you know and it's very if you look

1232

00:44:29,109 --> 00:44:26,160

at

1233

00:44:31,750 --> 00:44:29,119

all every species on earth we're

1234

00:44:34,069 --> 00:44:31,760

uh symmetrical you know we have two eyes

1235

00:44:35,670 --> 00:44:34,079

two ears you know uh

1236

00:44:37,030 --> 00:44:35,680

for the most part we're we're all the

1237

00:44:39,750 --> 00:44:37,040

same there's

1238

00:44:42,230 --> 00:44:39,760

uh quarter pad and by pet peedle and you

1239

00:44:43,990 --> 00:44:42,240

know all that but it's all symmetrical

1240

00:44:45,109 --> 00:44:44,000

and that might be

1241

00:44:46,710 --> 00:44:45,119

something that

1242

00:44:49,510 --> 00:44:46,720

happens and

1243

00:44:50,870 --> 00:44:49,520

happens everywhere or maybe not uh

1244

00:44:52,710 --> 00:44:50,880

there's all these things you know

1245

00:44:56,390 --> 00:44:52,720

gravity could change something

1246

00:44:58,309 --> 00:44:56,400

uh the rotation of two stars and a you

1247

00:44:59,430 --> 00:44:58,319

know and a binary system could change

1248

00:45:02,230 --> 00:44:59,440

things

1249

00:45:04,470 --> 00:45:02,240

you know it's all uh air oxygen

1250

00:45:06,790 --> 00:45:04,480

you know whatever it is yeah

1251

00:45:09,349 --> 00:45:06,800

no i i think it could take all kinds of

1252

00:45:11,030 --> 00:45:09,359

forms and uh you know the romantic in me

1253

00:45:13,990 --> 00:45:11,040

is really excited to see what forms it

1254

00:45:16,870 --> 00:45:14,000

may take uh you know so i i do i love

1255

00:45:18,950 --> 00:45:16,880

the e-t hypothesis because

1256

00:45:21,670 --> 00:45:18,960

it is the most familiar in many ways

1257

00:45:23,750 --> 00:45:21,680

it's the most uh easily adoptable you

1258

00:45:25,349 --> 00:45:23,760

know there there are life forms that

1259

00:45:27,670 --> 00:45:25,359

exist in other planets just like we

1260

00:45:30,309 --> 00:45:27,680

exist on this one they're intelligent

1261

00:45:31,750 --> 00:45:30,319

just like we are they're more advanced

1262

00:45:34,470 --> 00:45:31,760

let's learn from them let's have an

1263

00:45:35,990 --> 00:45:34,480

exchange let's have a relationship with

1264

00:45:37,430 --> 00:45:36,000

who they are and what what kind of

1265

00:45:39,349 --> 00:45:37,440

knowledge they can bring to the table

1266

00:45:40,470 --> 00:45:39,359

that that's really you know a very

1267

00:45:42,470 --> 00:45:40,480

alluring

1268

00:45:44,069 --> 00:45:42,480

picture to this whole story and i hope

1269

00:45:46,470 --> 00:45:44,079

that that i hope that that is true i

1270

00:45:48,069 --> 00:45:46,480

hope that that is one of the facets of

1271

00:45:50,790 --> 00:45:48,079

what is going on here

1272

00:45:52,870 --> 00:45:50,800

to me it's exciting to think about being

1273

00:45:56,470 --> 00:45:52,880

part of a larger you know kind of

1274

00:45:59,030 --> 00:45:56,480

galactic uh cosmic family of intelligent

1275

00:46:01,030 --> 00:45:59,040

life and being just one among many

1276

00:46:03,109 --> 00:46:01,040

different species where life has taken

1277

00:46:05,589 --> 00:46:03,119

hold and found ways to

1278

00:46:07,829 --> 00:46:05,599

uh to mature and express itself i think

1279

00:46:09,990 --> 00:46:07,839

that would be an incredible gift to us

1280

00:46:11,910 --> 00:46:10,000

as humanity to be able to have those

1281

00:46:14,550 --> 00:46:11,920

kinds of interactions assuming that they

1282

00:46:16,309 --> 00:46:14,560

aren't here to destroy us of course yeah

1283

00:46:19,190 --> 00:46:16,319

yeah we don't look like food to them we

1284

00:46:22,230 --> 00:46:19,200

don't want that yep yeah or or all our

1285

00:46:24,790 --> 00:46:22,240

you know i mean our resources right also

1286

00:46:25,670 --> 00:46:24,800

you know i mean like oh hey water and uh

1287

00:46:26,470 --> 00:46:25,680

you know

1288

00:46:28,790 --> 00:46:26,480

uh

1289

00:46:31,190 --> 00:46:28,800

oxygen let's suck all that out

1290

00:46:32,470 --> 00:46:31,200

yeah exactly here here's a clip i just

1291

00:46:34,309 --> 00:46:32,480

want to run i i thought it was an

1292

00:46:37,430 --> 00:46:34,319

interesting thing this is part of the

1293

00:46:39,910 --> 00:46:37,440

aerial phenomenon uh trailer

1294

00:46:41,589 --> 00:46:39,920

uh and hopefully this will work right

1295

00:46:43,910 --> 00:46:41,599

i'm gonna try it now

1296

00:46:46,710 --> 00:46:43,920

let's see uh

1297

00:46:49,750 --> 00:46:46,720

here we go here

1298

00:46:52,150 --> 00:46:49,760

angels yes extraterrestrials no

1299

00:46:55,349 --> 00:46:52,160

just that one line

1300

00:46:57,190 --> 00:46:55,359

that was about dr mack yes and alan

1301

00:47:01,430 --> 00:46:57,200

dershowitz wasn't it yeah that's right

1302

00:47:02,630 --> 00:47:01,440

that's exactly what it was yeah so yeah

1303

00:47:05,430 --> 00:47:02,640

like

1304

00:47:07,430 --> 00:47:05,440

you know theology it's it's okay in a

1305

00:47:09,670 --> 00:47:07,440

school like harvard

1306

00:47:11,030 --> 00:47:09,680

and and it's you know believing in

1307

00:47:13,910 --> 00:47:11,040

something that

1308

00:47:14,710 --> 00:47:13,920

there's there's no real evidence for

1309

00:47:16,870 --> 00:47:14,720

right

1310

00:47:18,870 --> 00:47:16,880

you know people say well the bible or

1311

00:47:21,750 --> 00:47:18,880

whatever but you know the bible is it

1312

00:47:23,349 --> 00:47:21,760

was written by people you know i mean

1313

00:47:24,790 --> 00:47:23,359

i think

1314

00:47:26,470 --> 00:47:24,800

as far as i know

1315

00:47:29,349 --> 00:47:26,480

well exactly i mean that's it's an

1316

00:47:31,030 --> 00:47:29,359

excellent point because i think we

1317

00:47:32,870 --> 00:47:31,040

we're so close

1318

00:47:35,510 --> 00:47:32,880

to our traditions that we often can't

1319

00:47:37,109 --> 00:47:35,520

see them you know so the the bible is

1320

00:47:39,829 --> 00:47:37,119

something that's just part of the fabric

1321

00:47:41,829 --> 00:47:39,839

of western culture

1322

00:47:43,109 --> 00:47:41,839

uh you know those who believe in that

1323

00:47:44,549 --> 00:47:43,119

story

1324

00:47:46,150 --> 00:47:44,559

they're they're really close to it and

1325

00:47:48,150 --> 00:47:46,160

they don't can't they can't really take

1326

00:47:49,589 --> 00:47:48,160

a step back and kind of see it as

1327

00:47:51,829 --> 00:47:49,599

something that is

1328

00:47:53,190 --> 00:47:51,839

just another text from from a

1329

00:47:55,349 --> 00:47:53,200

compilation of lots of different

1330

00:47:57,990 --> 00:47:55,359

experiences that is trying to tell a

1331

00:47:59,430 --> 00:47:58,000

certain story about humanity uh and i

1332

00:48:00,870 --> 00:47:59,440

think once you

1333

00:48:03,670 --> 00:48:00,880

take a step back and look at it from

1334

00:48:06,390 --> 00:48:03,680

that vantage point you can easily see

1335

00:48:08,390 --> 00:48:06,400

that it is just a set of of beliefs and

1336

00:48:10,870 --> 00:48:08,400

convictions that p that just a lot of

1337

00:48:13,670 --> 00:48:10,880

people had to adopt you know so that

1338

00:48:15,349 --> 00:48:13,680

makes it a lot more comfortable to to to

1339

00:48:17,430 --> 00:48:15,359

engage with you know because very

1340

00:48:19,349 --> 00:48:17,440

interesting point right i mean it's the

1341

00:48:21,430 --> 00:48:19,359

fabric of our you know you don't have to

1342

00:48:23,430 --> 00:48:21,440

you don't seem like a weirdo if you

1343

00:48:25,990 --> 00:48:23,440

observe you know christmas because

1344

00:48:27,910 --> 00:48:26,000

everybody in you know the us or whatever

1345

00:48:30,630 --> 00:48:27,920

they all observe for christmas or many

1346

00:48:31,829 --> 00:48:30,640

many do so it it

1347

00:48:33,670 --> 00:48:31,839

it becomes

1348

00:48:34,549 --> 00:48:33,680

i think to me it reinforces this idea

1349

00:48:36,470 --> 00:48:34,559

that

1350

00:48:38,870 --> 00:48:36,480

the things in which we all hold in

1351
00:48:41,109 --> 00:48:38,880
common or or the ways in which we hold

1352
00:48:42,710 --> 00:48:41,119
beliefs in common really do in fact

1353
00:48:45,190 --> 00:48:42,720
shape the realities that we find

1354
00:48:47,990 --> 00:48:45,200
ourselves so it is in many ways our our

1355
00:48:51,190 --> 00:48:48,000
beliefs are our ways of thinking our

1356
00:48:53,349 --> 00:48:51,200
mental activity that guide and shape

1357
00:48:55,349 --> 00:48:53,359
everything around us from from how

1358
00:48:57,109 --> 00:48:55,359
things are supposed to work how we're

1359
00:48:58,630 --> 00:48:57,119
supposed to interact the things we're

1360
00:49:00,069 --> 00:48:58,640
supposed to observe who we're supposed

1361
00:49:01,750 --> 00:49:00,079
to be with you know what we're supposed

1362
00:49:03,829 --> 00:49:01,760
to name our children what we're seeing

1363
00:49:06,630 --> 00:49:03,839

all of these things are impacted by

1364

00:49:09,430 --> 00:49:06,640

our set of commonly shared beliefs and

1365

00:49:11,270 --> 00:49:09,440

it just so happens that ufos uh because

1366

00:49:14,230 --> 00:49:11,280

they're just not as widely

1367

00:49:16,790 --> 00:49:14,240

uh you know part of the lexicon that

1368

00:49:18,309 --> 00:49:16,800

they become weird and fringe and you

1369

00:49:20,069 --> 00:49:18,319

know something that you should be that

1370

00:49:22,230 --> 00:49:20,079

that should be shunned

1371

00:49:25,109 --> 00:49:22,240

i i just had something

1372

00:49:27,670 --> 00:49:25,119

it's sort of related to this but i i

1373

00:49:29,750 --> 00:49:27,680

just thought it was uh quite a statement

1374

00:49:31,109 --> 00:49:29,760

um a friend of mine was telling me about

1375

00:49:32,309 --> 00:49:31,119

a relative

1376

00:49:34,470 --> 00:49:32,319

that

1377

00:49:36,790 --> 00:49:34,480

absolutely does not believe in god but

1378

00:49:39,589 --> 00:49:36,800

goes to church every single sunday

1379

00:49:41,349 --> 00:49:39,599

hedging her bet to make sure that she's

1380

00:49:43,270 --> 00:49:41,359

just in case she might be wrong she

1381

00:49:45,109 --> 00:49:43,280

still gets into heaven right how do you

1382

00:49:48,470 --> 00:49:45,119

like that one yeah i mean that's i've

1383

00:49:51,589 --> 00:49:48,480

heard that before um certainly from uh

1384

00:49:53,510 --> 00:49:51,599

some seminarians as well um

1385

00:49:55,109 --> 00:49:53,520

you know i get that i get that you know

1386

00:49:56,549 --> 00:49:55,119

way of approaching it that you want to

1387

00:49:57,670 --> 00:49:56,559

just sort of have all your bases covered

1388

00:49:59,109 --> 00:49:57,680

but if you're really going to go that

1389

00:50:00,549 --> 00:49:59,119

route you're going to have to go to a

1390

00:50:02,870 --> 00:50:00,559

lot of different different services from

1391

00:50:04,150 --> 00:50:02,880

a lot of different religious traditions

1392

00:50:05,910 --> 00:50:04,160

that's right at the end of the day you

1393

00:50:07,349 --> 00:50:05,920

may believe nothing at all and

1394

00:50:09,349 --> 00:50:07,359

everything all at the same time so it's

1395

00:50:11,589 --> 00:50:09,359

it's kind of difficult i think to uh to

1396

00:50:14,069 --> 00:50:11,599

live your life that way but uh i

1397

00:50:15,510 --> 00:50:14,079

understand it makes sense yeah yeah i

1398

00:50:17,750 --> 00:50:15,520

think you're right it would be very

1399

00:50:19,109 --> 00:50:17,760

difficult to put effort into something

1400

00:50:21,750 --> 00:50:19,119

you don't believe in

1401

00:50:24,390 --> 00:50:21,760

just because you think it may serve you

1402

00:50:27,109 --> 00:50:24,400

somehow right yeah here's another

1403

00:50:29,190 --> 00:50:27,119

question from jay allen um

1404

00:50:31,270 --> 00:50:29,200

interesting question is what if aliens

1405

00:50:33,910 --> 00:50:31,280

have their own religion

1406

00:50:36,549 --> 00:50:33,920

would we treat that scenario as well as

1407

00:50:38,710 --> 00:50:36,559

we have in the past the crusades

1408

00:50:40,710 --> 00:50:38,720

do you think they would force it on us

1409

00:50:42,309 --> 00:50:40,720

well you know that would my own opinion

1410

00:50:44,790 --> 00:50:42,319

that would have to be if there's a

1411

00:50:46,630 --> 00:50:44,800

dominating being you know someone that

1412

00:50:47,510 --> 00:50:46,640

would you know intelligence always seems

1413

00:50:53,349 --> 00:50:47,520

to

1414

00:50:55,750 --> 00:50:53,359

uh you know in in the past

1415

00:50:56,870 --> 00:50:55,760

so you know anything stronger or more

1416

00:50:59,589 --> 00:50:56,880

intelligent

1417

00:51:01,109 --> 00:50:59,599

it's it's a possibility yeah i agree and

1418

00:51:03,349 --> 00:51:01,119

i think that's a great it raises a great

1419

00:51:05,910 --> 00:51:03,359

point not just about whether or not they

1420

00:51:07,829 --> 00:51:05,920

have a religious belief system but about

1421

00:51:10,069 --> 00:51:07,839

any knowledge they may provide us or

1422

00:51:10,870 --> 00:51:10,079

share with us just generally you know so

1423

00:51:16,230 --> 00:51:10,880

what

1424

00:51:17,910 --> 00:51:16,240

trust

1425

00:51:20,470 --> 00:51:17,920

uh what should we be adopting what

1426
00:51:22,710 --> 00:51:20,480
should we not be adopting uh you know i

1427
00:51:25,589 --> 00:51:22,720
think a lot of people approach uh the

1428
00:51:28,069 --> 00:51:25,599
topic of aliens and ufos

1429
00:51:30,230 --> 00:51:28,079
in in kind of the way in which uh it's

1430
00:51:32,630 --> 00:51:30,240
like a revelatory moment right there

1431
00:51:35,030 --> 00:51:32,640
will be this moment in time where the

1432
00:51:37,109 --> 00:51:35,040
aliens will arrive they'll impart their

1433
00:51:39,030 --> 00:51:37,119
knowledge on humanity all of our

1434
00:51:41,910 --> 00:51:39,040
questions will be answered our cancers

1435
00:51:44,150 --> 00:51:41,920
will be cured life becomes great and and

1436
00:51:46,069 --> 00:51:44,160
we just move on i think

1437
00:51:48,230 --> 00:51:46,079
the reality is going to be

1438
00:51:49,030 --> 00:51:48,240

far different that whatever they provide

1439

00:51:55,750 --> 00:51:49,040

us

1440

00:51:57,270 --> 00:51:55,760

of questions and unknowns that we have

1441

00:51:59,589 --> 00:51:57,280

to wrestle with

1442

00:52:02,390 --> 00:51:59,599

and you know i for one am not

1443

00:52:05,510 --> 00:52:02,400

necessarily ready to take anything an

1444

00:52:07,430 --> 00:52:05,520

intelligent species that is not human uh

1445

00:52:10,069 --> 00:52:07,440

at face value i would need a lot of i

1446

00:52:12,390 --> 00:52:10,079

think uh you know sort of evidence and

1447

00:52:14,630 --> 00:52:12,400

trust in that relationship for me to

1448

00:52:17,030 --> 00:52:14,640

feel like i could say okay i i really

1449

00:52:18,390 --> 00:52:17,040

believe you now and what you're telling

1450

00:52:20,470 --> 00:52:18,400

me you know if you've proven it to me

1451

00:52:21,910 --> 00:52:20,480

then i can believe it otherwise i think

1452

00:52:23,270 --> 00:52:21,920

we should be a little bit skeptical

1453

00:52:25,910 --> 00:52:23,280

about that

1454

00:52:28,150 --> 00:52:25,920

i wouldn't you know we we may not even

1455

00:52:29,990 --> 00:52:28,160

know right the right questions to ask if

1456

00:52:32,950 --> 00:52:30,000

we had that opportunity

1457

00:52:34,390 --> 00:52:32,960

you know it it would you know of course

1458

00:52:36,390 --> 00:52:34,400

the like

1459

00:52:38,069 --> 00:52:36,400

why why are we here type of thing that

1460

00:52:39,829 --> 00:52:38,079

you know those type of questions whether

1461

00:52:41,990 --> 00:52:39,839

a higher intelligence would even know

1462

00:52:45,349 --> 00:52:42,000

that or not is another question it may

1463

00:52:47,270 --> 00:52:45,359

be of no concern to that intelligence

1464

00:52:48,710 --> 00:52:47,280

uh what if they have no culture at all

1465

00:52:50,309 --> 00:52:48,720

you know what or what if their culture

1466

00:52:52,549 --> 00:52:50,319

looks nothing like ours do they have

1467

00:52:54,069 --> 00:52:52,559

what if they have no art no music

1468

00:52:55,510 --> 00:52:54,079

i mean these are things that i think

1469

00:52:59,510 --> 00:52:55,520

about and i think they're kind of

1470

00:53:04,870 --> 00:53:01,349

i have wondered you know i have wondered

1471

00:53:07,109 --> 00:53:04,880

myself what would be the equivalent of

1472

00:53:10,150 --> 00:53:07,119

the first car or what would be

1473

00:53:12,309 --> 00:53:10,160

uh what would be music um you know music

1474

00:53:15,349 --> 00:53:12,319

seems like it's almost like a unit it

1475

00:53:17,589 --> 00:53:15,359

could be a universal thing you know um

1476
00:53:19,430 --> 00:53:17,599
but but maybe not that's again thinking

1477
00:53:20,309 --> 00:53:19,440
in human terms they're they're thinking

1478
00:53:22,870 --> 00:53:20,319
maybe

1479
00:53:24,630 --> 00:53:22,880
absolutely mechanically different from

1480
00:53:27,510 --> 00:53:24,640
ours and

1481
00:53:29,670 --> 00:53:27,520
music would play no part of it which is

1482
00:53:31,910 --> 00:53:29,680
actually sad when you think about it

1483
00:53:33,589 --> 00:53:31,920
completely yeah what if they are

1484
00:53:35,670 --> 00:53:33,599
you know thousands or millions of years

1485
00:53:38,069 --> 00:53:35,680
ahead of us from a civilizational

1486
00:53:40,150 --> 00:53:38,079
standpoint and they basically evolved

1487
00:53:42,069 --> 00:53:40,160
out of all of that you know how would we

1488
00:53:43,990 --> 00:53:42,079

evaluate it you know what would we what

1489

00:53:46,630 --> 00:53:44,000

would we think about that well did you

1490

00:53:49,430 --> 00:53:46,640

regret that your civilization gave up

1491

00:53:51,670 --> 00:53:49,440

in a sort of music and culture in that

1492

00:53:53,270 --> 00:53:51,680

way uh you know a million years ago

1493

00:53:54,710 --> 00:53:53,280

would you wish that you still had that

1494

00:53:56,950 --> 00:53:54,720

you know what kind of and i think that

1495

00:53:59,030 --> 00:53:56,960

that raises the question that i i find

1496

00:54:01,030 --> 00:53:59,040

interesting as well and that is i often

1497

00:54:02,950 --> 00:54:01,040

talk about disclosure in terms of what

1498

00:54:05,109 --> 00:54:02,960

it means for us

1499

00:54:07,270 --> 00:54:05,119

as human beings but i i think of it too

1500

00:54:10,069 --> 00:54:07,280

in terms of what it means for them

1501
00:54:11,270 --> 00:54:10,079
you know so if we do come into a greater

1502
00:54:13,190 --> 00:54:11,280
awareness

1503
00:54:14,950 --> 00:54:13,200
uh and engagement with

1504
00:54:17,670 --> 00:54:14,960
whatever this phenomenon happens to be

1505
00:54:19,589 --> 00:54:17,680
in all of its different forms

1506
00:54:21,829 --> 00:54:19,599
you know they then have to deal with us

1507
00:54:24,549 --> 00:54:21,839
in a much more direct way than they have

1508
00:54:26,150 --> 00:54:24,559
before if if in fact there is a type of

1509
00:54:27,990 --> 00:54:26,160
relation that is taking place there a

1510
00:54:29,990 --> 00:54:28,000
relationship that is occurring

1511
00:54:31,910 --> 00:54:30,000
um and what will that look like will

1512
00:54:33,829 --> 00:54:31,920
they be really frustrated you know well

1513
00:54:34,870 --> 00:54:33,839

just like if you have small children and

1514

00:54:36,230 --> 00:54:34,880

they don't know what they're doing and

1515

00:54:37,510 --> 00:54:36,240

they get into the kitchen and they make

1516

00:54:39,430 --> 00:54:37,520

a total mess

1517

00:54:40,630 --> 00:54:39,440

you know you're really frustrated as a

1518

00:54:42,630 --> 00:54:40,640

parent that that happened are they going

1519

00:54:44,069 --> 00:54:42,640

to be really frustrated with us if we

1520

00:54:45,349 --> 00:54:44,079

you know learn something new and we just

1521

00:54:46,950 --> 00:54:45,359

don't know how to work work it out and

1522

00:54:48,950 --> 00:54:46,960

we make a total mess of the you know

1523

00:54:51,109 --> 00:54:48,960

alien technology i mean these are all

1524

00:54:52,390 --> 00:54:51,119

things that i think we don't think about

1525

00:54:53,349 --> 00:54:52,400

that often

1526

00:54:56,870 --> 00:54:53,359

but

1527

00:54:59,190 --> 00:54:56,880

the the reality post the disclosure is

1528

00:55:01,990 --> 00:54:59,200

one that is inclusive of

1529

00:55:03,829 --> 00:55:02,000

our existence as the civilization

1530

00:55:06,630 --> 00:55:03,839

and theirs and how they really do

1531

00:55:09,510 --> 00:55:06,640

interact with one another

1532

00:55:11,670 --> 00:55:09,520

um yes and here's here's a comment here

1533

00:55:13,750 --> 00:55:11,680

more meandering conjecture yes that's

1534

00:55:15,829 --> 00:55:13,760

what we're doing um i think it's

1535

00:55:17,910 --> 00:55:15,839

fascinating to do that uh welcome to the

1536

00:55:19,430 --> 00:55:17,920

show i mean we're we're not we're

1537

00:55:21,510 --> 00:55:19,440

definitely

1538

00:55:23,670 --> 00:55:21,520

we're not gonna sit here and tell you uh

1539

00:55:25,510 --> 00:55:23,680

we know what the nuts and bolts of ufos

1540

00:55:28,150 --> 00:55:25,520

are we know what

1541

00:55:31,190 --> 00:55:28,160

what is visiting our skies uh what

1542

00:55:32,870 --> 00:55:31,200

people are seeing we have absolutely

1543

00:55:35,109 --> 00:55:32,880

if either one of us says that then

1544

00:55:37,910 --> 00:55:35,119

change the channel yeah agree

1545

00:55:40,710 --> 00:55:37,920

so that's that's what it unfortunately

1546

00:55:42,950 --> 00:55:40,720

this is what you get and you get uh

1547

00:55:44,630 --> 00:55:42,960

really interesting stories of things

1548

00:55:47,030 --> 00:55:44,640

that have happened to people right and

1549

00:55:51,510 --> 00:55:47,040

i'm also throw this out do you have is

1550

00:55:53,589 --> 00:55:51,520

there a particular case in the ufo world

1551
00:55:54,470 --> 00:55:53,599
that you find more fascinating than

1552
00:55:57,190 --> 00:55:54,480
others

1553
00:55:59,990 --> 00:55:57,200
that's a great question so i i kind of

1554
00:56:02,549 --> 00:56:00,000
waffle on the well-known cases but also

1555
00:56:04,309 --> 00:56:02,559
the ones that i have heard more

1556
00:56:06,150 --> 00:56:04,319
firsthand

1557
00:56:08,789 --> 00:56:06,160
and i find it interesting you know kind

1558
00:56:10,309 --> 00:56:08,799
of how the community does this as well

1559
00:56:12,390 --> 00:56:10,319
you know so

1560
00:56:14,549 --> 00:56:12,400
the more that a case has been written

1561
00:56:17,910 --> 00:56:14,559
about the more that it becomes you know

1562
00:56:20,230 --> 00:56:17,920
kind of canonical important part of the

1563
00:56:22,230 --> 00:56:20,240

the lore you know and and the ones that

1564

00:56:23,750 --> 00:56:22,240

you don't hear often about the ones that

1565

00:56:26,150 --> 00:56:23,760

you know your friend or your neighbor or

1566

00:56:28,390 --> 00:56:26,160

yourself have experienced you know that

1567

00:56:30,470 --> 00:56:28,400

they're they're just not given that much

1568

00:56:32,390 --> 00:56:30,480

attention so if i were to give one that

1569

00:56:33,990 --> 00:56:32,400

i'm interested in as far as the you know

1570

00:56:35,349 --> 00:56:34,000

kind of the broad

1571

00:56:38,470 --> 00:56:35,359

ufo lore

1572

00:56:41,109 --> 00:56:38,480

uh i think of uh fatima which is an

1573

00:56:44,069 --> 00:56:41,119

interesting uh in a situation

1574

00:56:45,829 --> 00:56:44,079

mass sighting uh arguably of a ufo uh

1575

00:56:47,190 --> 00:56:45,839

and also of a being that appeared to

1576

00:56:50,630 --> 00:56:47,200

those children

1577

00:56:53,030 --> 00:56:50,640

um and then the uh i think all the the

1578

00:56:54,309 --> 00:56:53,040

schoolyard cases are fascinating so the

1579

00:56:57,270 --> 00:56:54,319

aerial one

1580

00:57:00,150 --> 00:56:57,280

the uh the wet west tall one and there

1581

00:57:01,670 --> 00:57:00,160

are others as well i think that uh you

1582

00:57:03,829 --> 00:57:01,680

know kids

1583

00:57:05,510 --> 00:57:03,839

because of the way in which they have

1584

00:57:07,510 --> 00:57:05,520

not yet been

1585

00:57:09,430 --> 00:57:07,520

you know kind of

1586

00:57:11,109 --> 00:57:09,440

fully told the ways in which the world

1587

00:57:12,950 --> 00:57:11,119

works and the ways things should be and

1588

00:57:14,549 --> 00:57:12,960

what what what they should be seeing and

1589

00:57:16,150 --> 00:57:14,559

not be seeing i think they're actually

1590

00:57:18,549 --> 00:57:16,160

better observers

1591

00:57:20,630 --> 00:57:18,559

of what is actually happening so i find

1592

00:57:22,309 --> 00:57:20,640

that their accounts to be a lot more

1593

00:57:24,150 --> 00:57:22,319

credible particularly if there are

1594

00:57:25,510 --> 00:57:24,160

several of them so that i would say that

1595

00:57:26,710 --> 00:57:25,520

those are examples of things that i'm

1596

00:57:28,069 --> 00:57:26,720

interested in

1597

00:57:30,150 --> 00:57:28,079

you know from a

1598

00:57:31,670 --> 00:57:30,160

literature standpoint the popular ones

1599

00:57:33,910 --> 00:57:31,680

and then there are those that have been

1600

00:57:35,670 --> 00:57:33,920

shared with me uh that are you know

1601
00:57:39,109 --> 00:57:35,680
quite very you know very very personal

1602
00:57:41,109 --> 00:57:39,119
and impactful you know people who've had

1603
00:57:43,430 --> 00:57:41,119
direct encounters with you know giant

1604
00:57:45,990 --> 00:57:43,440
orbs or you know beings that have

1605
00:57:46,950 --> 00:57:46,000
essentially harassed them or craft that

1606
00:57:49,750 --> 00:57:46,960
have been

1607
00:57:51,190 --> 00:57:49,760
a stone's throw away uh you know

1608
00:57:52,710 --> 00:57:51,200
from them that they can make out you

1609
00:57:55,030 --> 00:57:52,720
know very clear outline and

1610
00:57:56,789 --> 00:57:55,040
characteristics i mean those are

1611
00:57:58,390 --> 00:57:56,799
incredibly compelling stories from

1612
00:58:00,549 --> 00:57:58,400
people who i find to be

1613
00:58:02,470 --> 00:58:00,559

uh you know

1614

00:58:04,549 --> 00:58:02,480

very reputable people people that would

1615

00:58:06,069 --> 00:58:04,559

be your neighbor you know that that you

1616

00:58:08,069 --> 00:58:06,079

would trust

1617

00:58:09,829 --> 00:58:08,079

you know um you know the way you you

1618

00:58:12,950 --> 00:58:09,839

just brought that up i i think i'm gonna

1619

00:58:14,390 --> 00:58:12,960

give us a little treat here it's about

1620

00:58:17,750 --> 00:58:14,400

eight minutes long i'm trying to pull it

1621

00:58:19,829 --> 00:58:17,760

up right now and uh i had a woman named

1622

00:58:22,230 --> 00:58:19,839

deb coyle on my show she may be

1623

00:58:24,870 --> 00:58:22,240

listening tonight uh she does listen to

1624

00:58:27,109 --> 00:58:24,880

the show uh this was a

1625

00:58:29,109 --> 00:58:27,119

a recording that she did

1626
00:58:31,190 --> 00:58:29,119
with me

1627
00:58:33,589 --> 00:58:31,200
and this was prior she did come on my

1628
00:58:35,750 --> 00:58:33,599
show and talk live on my show but i'd

1629
00:58:37,589 --> 00:58:35,760
like to share this video of a recording

1630
00:58:39,510 --> 00:58:37,599
she did with me

1631
00:58:41,430 --> 00:58:39,520
i believe it's about eight minutes long

1632
00:58:43,910 --> 00:58:41,440
and it's it's it's fascinating a

1633
00:58:46,390 --> 00:58:43,920
schoolyard if anyone hasn't seen didn't

1634
00:58:47,589 --> 00:58:46,400
see her live on the show this is her

1635
00:58:51,030 --> 00:58:47,599
original

1636
00:58:54,549 --> 00:58:51,040
me

1637
00:58:58,470 --> 00:58:54,559
right

1638
00:59:01,190 --> 00:58:58,480

back before i had her on on this show

1639

00:59:05,510 --> 00:59:02,630

i'm

1640

00:59:07,589 --> 00:59:05,520

this this happened in in south africa

1641

00:59:10,069 --> 00:59:07,599

here i am just trying to

1642

00:59:12,069 --> 00:59:10,079

trying to pull it up maybe i put it over

1643

00:59:13,910 --> 00:59:12,079

here let's see

1644

00:59:16,309 --> 00:59:13,920

um

1645

00:59:18,150 --> 00:59:16,319

i i have it ready to go so it's just a

1646

00:59:22,309 --> 00:59:18,160

way of finding it so let me figure out

1647

00:59:27,829 --> 00:59:23,510

okay

1648

00:59:34,630 --> 00:59:31,829

and you know randall nickerson's

1649

00:59:36,630 --> 00:59:34,640

is out there ariel phenomenon

1650

00:59:42,789 --> 00:59:36,640

i'm getting

1651
00:59:44,549 --> 00:59:42,799
week i had such great email recently

1652
00:59:46,069 --> 00:59:44,559
from people that have watched that

1653
00:59:48,069 --> 00:59:46,079
a lot of people are complaining of the

1654
00:59:50,230 --> 00:59:48,079
price twenty dollars to watch it and

1655
00:59:52,470 --> 00:59:50,240
it's a rental but i'll tell you the

1656
00:59:54,870 --> 00:59:52,480
people that are emailing me who said

1657
00:59:56,950 --> 00:59:54,880
worth every penny i feel like paying

1658
00:59:59,270 --> 00:59:56,960
more it was such an incredible movie

1659
01:00:01,109 --> 00:59:59,280
agree everybody did you see it and the

1660
01:00:02,069 --> 01:00:01,119
passion that randall nickerson has put

1661
01:00:04,950 --> 01:00:02,079
into that

1662
01:00:07,109 --> 01:00:04,960
yeah over the many many years i mean

1663
01:00:08,950 --> 01:00:07,119

twenty dollars is nothing

1664

01:00:10,789 --> 01:00:08,960

for i know the time and energy that he

1665

01:00:13,270 --> 01:00:10,799

put into that production so thirteen and

1666

01:00:15,030 --> 01:00:13,280

a half years okay here is uh deb coyle

1667

01:00:23,910 --> 01:00:15,040

this is the original that she recorded

1668

01:00:28,789 --> 01:00:27,430

my the experience i had happened

1669

01:00:30,710 --> 01:00:28,799

over my

1670

01:00:34,390 --> 01:00:30,720

elementary school

1671

01:00:37,670 --> 01:00:34,400

in the town of bononi in south africa

1672

01:00:42,390 --> 01:00:40,470

i want to say it probably happened

1673

01:00:44,710 --> 01:00:42,400

somewhere between i was i was trying to

1674

01:00:46,630 --> 01:00:44,720

figure this out because i don't remember

1675

01:00:51,190 --> 01:00:46,640

the exact year

1676

01:00:52,630 --> 01:00:51,200

somewhere between 1975 and 1977.

1677

01:00:54,829 --> 01:00:52,640

um

1678

01:00:58,069 --> 01:00:54,839

so at that time i would have been

1679

01:01:01,910 --> 01:00:58,079

between eight and ten years old

1680

01:01:08,549 --> 01:01:04,630

standing on the corridor

1681

01:01:10,390 --> 01:01:08,559

facing out towards the main playground

1682

01:01:13,829 --> 01:01:10,400

there was a teacher on playground duty i

1683

01:01:15,030 --> 01:01:13,839

still remember who that teacher was

1684

01:01:19,510 --> 01:01:15,040

and

1685

01:01:21,670 --> 01:01:19,520

have had encounters

1686

01:01:23,510 --> 01:01:21,680

and i'm not sure if you experienced this

1687

01:01:26,150 --> 01:01:23,520

when you had your encounter but people

1688

01:01:27,910 --> 01:01:26,160

will talk about experiencing things in a

1689

01:01:29,829 --> 01:01:27,920

certain way

1690

01:01:32,630 --> 01:01:29,839

so

1691

01:01:35,349 --> 01:01:34,390

it was like it wasn't there and all of a

1692

01:01:37,990 --> 01:01:35,359

sudden

1693

01:01:39,589 --> 01:01:38,000

there it was

1694

01:01:40,710 --> 01:01:39,599

sort of

1695

01:01:44,230 --> 01:01:40,720

it just

1696

01:01:47,190 --> 01:01:44,240

you know entered stage right or whatever

1697

01:01:49,430 --> 01:01:47,200

it seemed quite low

1698

01:01:52,549 --> 01:01:49,440

but again i was a little kid it's almost

1699

01:01:54,950 --> 01:01:52,559

like you just like you had a forewarning

1700

01:01:57,910 --> 01:01:54,960

or you were just somehow made aware

1701

01:01:59,670 --> 01:01:57,920

because i was aware of like

1702

01:02:01,430 --> 01:01:59,680

of looking up

1703

01:02:03,990 --> 01:02:01,440

at this thing

1704

01:02:06,390 --> 01:02:04,000

typical ufo saucer shape

1705

01:02:08,470 --> 01:02:06,400

the color red

1706

01:02:10,069 --> 01:02:08,480

stands out in my memory

1707

01:02:11,670 --> 01:02:10,079

and

1708

01:02:14,870 --> 01:02:11,680

i'm pretty sure that's part of the

1709

01:02:17,589 --> 01:02:14,880

original encounter and not a fabrication

1710

01:02:19,910 --> 01:02:17,599

of my memory over time because i do

1711

01:02:21,910 --> 01:02:19,920

remember asking i do remember my dad

1712

01:02:23,270 --> 01:02:21,920

asking me to sketch it for him more than

1713

01:02:27,829 --> 01:02:23,280

once

1714

01:02:31,430 --> 01:02:27,839

and and i do remember like red the color

1715

01:02:33,029 --> 01:02:31,440

red just sticks in my memory

1716

01:02:35,190 --> 01:02:33,039

you know when something heats up like

1717

01:02:37,670 --> 01:02:35,200

when you see iron heated up

1718

01:02:38,630 --> 01:02:37,680

and it changes color and the color seems

1719

01:02:42,230 --> 01:02:38,640

to be

1720

01:02:44,230 --> 01:02:42,240

like throughout that piece of metal

1721

01:02:46,470 --> 01:02:44,240

the red seemed to be through oh like a

1722

01:02:49,270 --> 01:02:46,480

glo almost like a glowing almost like a

1723

01:02:49,620 --> 01:02:49,280

glow from the inside out

1724

01:02:51,190 --> 01:02:49,630

um

1725

01:02:55,270 --> 01:02:51,200

[Music]

1726

01:02:57,349 --> 01:02:55,280

and at that point i remember

1727

01:02:59,510 --> 01:02:57,359

and i don't remember feeling scared i

1728

01:03:01,829 --> 01:02:59,520

was just gonna ask you yeah

1729

01:03:04,950 --> 01:03:01,839

and it's also that thing where people i

1730

01:03:06,630 --> 01:03:04,960

will hear this over and over again

1731

01:03:09,670 --> 01:03:06,640

and i'll go yeah yeah that's exactly

1732

01:03:11,990 --> 01:03:09,680

what i remember the absence of sound

1733

01:03:13,990 --> 01:03:12,000

right just as if you were for a moment

1734

01:03:15,029 --> 01:03:14,000

we were in this vacuum we were in a

1735

01:03:17,829 --> 01:03:15,039

bubble

1736

01:03:20,549 --> 01:03:17,839

and there was no sounds at all no sound

1737

01:03:23,510 --> 01:03:20,559

no sound we were just like there was a

1738

01:03:24,630 --> 01:03:23,520

complete absence of sound wow

1739

01:03:25,750 --> 01:03:24,640

um

1740

01:03:27,589 --> 01:03:25,760

and

1741

01:03:30,069 --> 01:03:27,599

i remember looking out across the

1742

01:03:33,750 --> 01:03:30,079

playground and seeing the teacher and

1743

01:03:37,589 --> 01:03:33,760

the other kids all looking up at it

1744

01:03:39,430 --> 01:03:37,599

and everything seemed to sort of be in

1745

01:03:42,789 --> 01:03:39,440

not in slow motion

1746

01:03:46,390 --> 01:03:42,799

it's almost like time was frozen

1747

01:03:48,950 --> 01:03:46,400

really uh

1748

01:03:50,630 --> 01:03:48,960

so fear was not a feeling

1749

01:03:52,390 --> 01:03:50,640

do you remember other feelings not at

1750

01:03:55,510 --> 01:03:52,400

all

1751

01:03:59,670 --> 01:03:55,520

if anything it was just like

1752

01:04:03,430 --> 01:03:59,680

a feeling of oh

1753

01:04:04,390 --> 01:04:03,440

and because it was such a quick

1754

01:04:09,109 --> 01:04:04,400

thing

1755

01:04:11,109 --> 01:04:09,119

like it almost seemed it just stopped

1756

01:04:13,029 --> 01:04:11,119

and was there for a split second or at

1757

01:04:15,510 --> 01:04:13,039

least it seemed like it was there for a

1758

01:04:17,589 --> 01:04:15,520

split second and then

1759

01:04:21,109 --> 01:04:17,599

it just

1760

01:04:23,589 --> 01:04:21,119

it exited it was gone and i remember

1761

01:04:30,069 --> 01:04:26,789

wow fast that was fast and even at that

1762

01:04:33,109 --> 01:04:30,079

age i knew that that was

1763

01:04:35,670 --> 01:04:33,119

incredible and just like nothing that my

1764

01:04:38,150 --> 01:04:35,680

brain could make sense of because

1765

01:04:39,990 --> 01:04:38,160

um and i'd said this to you in the email

1766

01:04:42,150 --> 01:04:40,000

in the time it takes to blink it was

1767

01:04:43,349 --> 01:04:42,160

this tiny little red pinprick on the

1768

01:04:46,150 --> 01:04:43,359

horizon

1769

01:04:47,670 --> 01:04:46,160

this pinpoint and then it was gone and

1770

01:04:50,470 --> 01:04:47,680

then

1771

01:04:52,710 --> 01:04:50,480

all the sound came back

1772

01:04:54,390 --> 01:04:52,720

and i saw the teacher and the kids sort

1773

01:04:55,910 --> 01:04:54,400

of talking to each other and maybe they

1774

01:04:59,990 --> 01:04:55,920

were saying oh i wonder what that was

1775

01:05:02,309 --> 01:05:00,000

you know but again because i was a very

1776

01:05:04,069 --> 01:05:02,319

i was i was not the kind of kid who

1777

01:05:05,430 --> 01:05:04,079

would go running up to a teacher and say

1778

01:05:08,789 --> 01:05:05,440

what was that

1779

01:05:11,029 --> 01:05:08,799

um and really spend time with my peers

1780

01:05:13,510 --> 01:05:11,039

i sort of hung back and just watched

1781

01:05:14,710 --> 01:05:13,520

everybody's reaction and then that was

1782

01:05:16,789 --> 01:05:14,720

that

1783

01:05:19,750 --> 01:05:16,799

and i guess at some point i must have

1784

01:05:22,870 --> 01:05:19,760

told my dad maybe it was the same

1785

01:05:25,270 --> 01:05:22,880

afternoon that i went home and said

1786

01:05:27,190 --> 01:05:25,280

i saw something strange

1787

01:05:29,029 --> 01:05:27,200

i really doubt i would have said ufo

1788

01:05:31,990 --> 01:05:29,039

because i didn't know what a ufo was we

1789

01:05:37,190 --> 01:05:32,000

didn't have tv in south africa until

1790

01:05:40,390 --> 01:05:38,069

um

1791

01:05:41,910 --> 01:05:40,400

and then it was only on for an hour to a

1792

01:05:43,510 --> 01:05:41,920

day and the rest of the time it was the

1793

01:05:45,029 --> 01:05:43,520

test pattern

1794

01:05:48,829 --> 01:05:45,039

so there wouldn't have been any

1795

01:05:56,390 --> 01:05:52,230

really know what any of that was i never

1796

01:05:58,069 --> 01:05:56,400

read any material about ufos

1797

01:05:59,829 --> 01:05:58,079

there was nothing that was part of my

1798

01:06:00,710 --> 01:05:59,839

experience

1799

01:06:02,829 --> 01:06:00,720

so

1800

01:06:06,069 --> 01:06:02,839

i've always thought about

1801

01:06:09,430 --> 01:06:06,079

it and

1802

01:06:11,829 --> 01:06:09,440

when you're a child life goes on

1803

01:06:15,270 --> 01:06:11,839

yeah and you sort of put it in the back

1804

01:06:18,390 --> 01:06:15,280

of your mind and

1805

01:06:20,230 --> 01:06:18,400

i'm not sure when i told my husband it

1806

01:06:22,230 --> 01:06:20,240

was probably not long after we were

1807

01:06:24,230 --> 01:06:22,240

married and we've been married for 32

1808

01:06:26,630 --> 01:06:24,240

years so

1809

01:06:27,910 --> 01:06:26,640

so he's known about it for a long time

1810

01:06:29,430 --> 01:06:27,920

and

1811

01:06:31,750 --> 01:06:29,440

but i've always

1812

01:06:34,710 --> 01:06:31,760

you know you know that there's a stigma

1813

01:06:40,950 --> 01:06:38,549

until recently i was a tutor

1814

01:06:43,349 --> 01:06:40,960

in our public schools in the town i live

1815

01:06:47,990 --> 01:06:45,349

so you don't you're not going to mention

1816

01:06:49,670 --> 01:06:48,000

it to people because there's a stigma

1817

01:06:50,549 --> 01:06:49,680

attached to it

1818

01:06:53,349 --> 01:06:50,559

um

1819

01:06:55,190 --> 01:06:53,359

my children know

1820

01:06:57,109 --> 01:06:55,200

and

1821

01:06:58,710 --> 01:06:57,119

they've never doubted me for a second

1822

01:07:01,029 --> 01:06:58,720

and my husband will say to me because

1823

01:07:03,510 --> 01:07:01,039

sometimes i'll talk his ear off about

1824

01:07:05,589 --> 01:07:03,520

ufos and about all the latest

1825

01:07:07,750 --> 01:07:05,599

information that's coming out i get very

1826

01:07:10,470 --> 01:07:07,760

very excited about you know certain

1827

01:07:12,470 --> 01:07:10,480

cases or i'll say that's exactly what

1828

01:07:14,309 --> 01:07:12,480

you know that specific part of their

1829

01:07:16,549 --> 01:07:14,319

experience that's what i experienced and

1830

01:07:18,309 --> 01:07:16,559

he'll he's so patient you know just go

1831

01:07:20,230 --> 01:07:18,319

yep and i'll say

1832

01:07:21,670 --> 01:07:20,240

i know you i know this just doesn't

1833

01:07:23,029 --> 01:07:21,680

excite you the way it excites me and

1834

01:07:26,710 --> 01:07:23,039

he'll say you know what deb at the end

1835

01:07:29,510 --> 01:07:26,720

of the day i still got a job to go to a

1836

01:07:32,710 --> 01:07:29,520

mortgage to pay so yeah it doesn't

1837

01:07:35,270 --> 01:07:32,720

really have an impact on my day to day i

1838

01:07:37,829 --> 01:07:35,280

can't give it as much room

1839

01:07:39,990 --> 01:07:37,839

space in my head as you do

1840

01:07:40,829 --> 01:07:40,000

and i always say to him but if you ever

1841

01:07:43,510 --> 01:07:40,839

have an

1842

01:07:45,510 --> 01:07:43,520

experience that will that'll change

1843

01:07:49,109 --> 01:07:45,520

that'll change

1844

01:07:50,549 --> 01:07:49,119

you can't help it it's just part of

1845

01:07:55,589 --> 01:07:50,559

you know

1846

01:07:57,829 --> 01:07:55,599

can talk you out of it and i always

1847

01:08:01,510 --> 01:07:57,839

think of is it james

1848

01:08:05,589 --> 01:08:01,520

fox's one documentary i know what i saw

1849

01:08:15,349 --> 01:08:05,599

right and those words are so true i know

1850

01:08:20,149 --> 01:08:18,229

that's great isn't it amazing love it uh

1851

01:08:21,510 --> 01:08:20,159

that's that's what you call a credible

1852

01:08:24,789 --> 01:08:21,520

witness

1853

01:08:25,829 --> 01:08:24,799

and totally real nice real nice woman

1854

01:08:26,709 --> 01:08:25,839

and

1855

01:08:28,709 --> 01:08:26,719

uh

1856

01:08:31,189 --> 01:08:28,719

yeah i mean

1857

01:08:33,590 --> 01:08:31,199

that was such a great account directly

1858

01:08:34,390 --> 01:08:33,600

that's that's what i said earlier in the

1859

01:08:37,749 --> 01:08:34,400

show

1860

01:08:39,189 --> 01:08:37,759

there's a percentage of people that

1861

01:08:40,630 --> 01:08:39,199

listen to the show that had something

1862

01:08:42,789 --> 01:08:40,640

incredible happen

1863

01:08:43,910 --> 01:08:42,799

and i want to talk to more of them

1864

01:08:45,189 --> 01:08:43,920

absolutely because

1865

01:08:46,550 --> 01:08:45,199

you know you hear about all these

1866

01:08:48,470 --> 01:08:46,560

sightings but you

1867

01:08:49,749 --> 01:08:48,480

no one's ever heard of that one i think

1868

01:08:52,070 --> 01:08:49,759

those type of

1869

01:08:53,110 --> 01:08:52,080

sightings are very interesting they are

1870

01:08:55,990 --> 01:08:53,120

unique

1871

01:08:58,309 --> 01:08:56,000

well it raises the question too of

1872

01:09:01,110 --> 01:08:58,319

once this becomes a topic that we can

1873

01:09:01,990 --> 01:09:01,120

comfortably talk about in all corners of

1874

01:09:03,269 --> 01:09:02,000

our

1875

01:09:04,870 --> 01:09:03,279

culture

1876
01:09:08,070 --> 01:09:04,880
you know how do we incorporate these

1877
01:09:10,149 --> 01:09:08,080
stories into our into our understanding

1878
01:09:12,630 --> 01:09:10,159
you know so we have these government

1879
01:09:14,070 --> 01:09:12,640
bodies now that are trying to collate

1880
01:09:15,990 --> 01:09:14,080
and analyze

1881
01:09:17,990 --> 01:09:16,000
you know these these incidents these

1882
01:09:20,870 --> 01:09:18,000
events that have occurred in

1883
01:09:22,309 --> 01:09:20,880
military training areas and so you know

1884
01:09:24,870 --> 01:09:22,319
they're doing that work and they're even

1885
01:09:25,990 --> 01:09:24,880
looking at physiological impacts on

1886
01:09:28,789 --> 01:09:26,000
on our

1887
01:09:31,669 --> 01:09:28,799
but

1888
01:09:34,070 --> 01:09:31,679

once that information is

1889

01:09:35,430 --> 01:09:34,080

comfortably a part of our everyday

1890

01:09:36,950 --> 01:09:35,440

conversation

1891

01:09:39,829 --> 01:09:36,960

well then where do these stories fit

1892

01:09:42,709 --> 01:09:39,839

into that as well right so

1893

01:09:44,789 --> 01:09:42,719

you then have to find a way to

1894

01:09:45,510 --> 01:09:44,799

bring these things to the table

1895

01:09:49,110 --> 01:09:45,520

to

1896

01:09:51,030 --> 01:09:49,120

them so that we can have a better

1897

01:09:52,630 --> 01:09:51,040

picture of what is going on

1898

01:09:54,229 --> 01:09:52,640

i'm encouraged by the fact that so many

1899

01:09:56,630 --> 01:09:54,239

people have had these stories because i

1900

01:09:59,510 --> 01:09:56,640

really do think that's going to make

1901

01:10:02,550 --> 01:09:59,520

the acceptance and our path to

1902

01:10:04,950 --> 01:10:02,560

understanding a little bit easier

1903

01:10:06,709 --> 01:10:04,960

you know there might be a lot of

1904

01:10:08,229 --> 01:10:06,719

sort of jockeying for control of the

1905

01:10:10,870 --> 01:10:08,239

narrative there

1906

01:10:12,390 --> 01:10:10,880

you know i could see that happening

1907

01:10:13,669 --> 01:10:12,400

because we all know that governments do

1908

01:10:16,709 --> 01:10:13,679

like to

1909

01:10:20,470 --> 01:10:16,719

put their own kind of spin on things

1910

01:10:23,030 --> 01:10:20,480

but i'm hoping that because it is such a

1911

01:10:25,430 --> 01:10:23,040

you know distributed uh phenomenon at

1912

01:10:26,870 --> 01:10:25,440

least seemingly that it'll be difficult

1913

01:10:28,709 --> 01:10:26,880

for them to

1914

01:10:31,750 --> 01:10:28,719

you know kind of tell everyone

1915

01:10:34,229 --> 01:10:31,760

it is x when so many people have had you

1916

01:10:39,350 --> 01:10:34,239

know their own very personal experiences

1917

01:10:42,229 --> 01:10:39,360

right yeah uh you know we we saw in the

1918

01:10:44,470 --> 01:10:42,239

in the hearing basically

1919

01:10:46,149 --> 01:10:44,480

there was a lot of surprises more or

1920

01:10:48,470 --> 01:10:46,159

less of

1921

01:10:49,270 --> 01:10:48,480

things that you know they were unaware

1922

01:10:52,630 --> 01:10:49,280

of

1923

01:10:53,590 --> 01:10:52,640

you know and yeah when it came to

1924

01:10:55,750 --> 01:10:53,600

to me

1925

01:10:59,030 --> 01:10:55,760

you know of course this is a historic

1926

01:11:00,950 --> 01:10:59,040

case but maelstrom air air base when the

1927

01:11:03,189 --> 01:11:00,960

nuclear warheads were shut down

1928

01:11:04,070 --> 01:11:03,199

you know i mean to me them not knowing

1929

01:11:06,390 --> 01:11:04,080

that

1930

01:11:08,390 --> 01:11:06,400

i think is uh you know it was kind of

1931

01:11:10,390 --> 01:11:08,400

surprising yeah

1932

01:11:12,630 --> 01:11:10,400

because that is if that's not national

1933

01:11:15,350 --> 01:11:12,640

security then what is you know a threat

1934

01:11:16,310 --> 01:11:15,360

to national security yeah so

1935

01:11:18,470 --> 01:11:16,320

yeah

1936

01:11:20,709 --> 01:11:18,480

and to claim that there was no any sort

1937

01:11:23,189 --> 01:11:20,719

of official report you know

1938

01:11:24,310 --> 01:11:23,199

there clearly were reports uh yes

1939

01:11:26,550 --> 01:11:24,320

mountains of

1940

01:11:28,550 --> 01:11:26,560

official government documentation with

1941

01:11:30,229 --> 01:11:28,560

many many reports and incidents that

1942

01:11:32,630 --> 01:11:30,239

should be a part of

1943

01:11:34,470 --> 01:11:32,640

this analysis um and i think we'll get

1944

01:11:36,070 --> 01:11:34,480

there eventually but i agree with you

1945

01:11:39,590 --> 01:11:36,080

martin it was

1946

01:11:40,950 --> 01:11:39,600

um disconcerting it's a word uh to hear

1947

01:11:42,550 --> 01:11:40,960

that they had not heard of that and that

1948

01:11:43,510 --> 01:11:42,560

they'll look into it that they'll you

1949

01:11:45,189 --> 01:11:43,520

know

1950

01:11:47,590 --> 01:11:45,199

i i should hope so

1951

01:11:50,390 --> 01:11:47,600

yeah yeah i mean there are so many cases

1952

01:11:51,910 --> 01:11:50,400

that happen but in particular that one

1953

01:11:52,709 --> 01:11:51,920

in particular that they didn't know

1954

01:11:55,110 --> 01:11:52,719

about

1955

01:11:57,510 --> 01:11:55,120

i mean that

1956

01:11:59,669 --> 01:11:57,520

that is totally uh

1957

01:12:02,790 --> 01:11:59,679

something that they should be

1958

01:12:04,709 --> 01:12:02,800

looking into you know i mean it's just

1959

01:12:06,310 --> 01:12:04,719

the fact that those things could be shut

1960

01:12:07,830 --> 01:12:06,320

down and they have i don't know if you

1961

01:12:09,990 --> 01:12:07,840

know any of the details to them but they

1962

01:12:11,910 --> 01:12:10,000

were all independently operated

1963

01:12:13,830 --> 01:12:11,920

and there was no central location where

1964

01:12:16,310 --> 01:12:13,840

they could have been taken down

1965

01:12:18,470 --> 01:12:16,320

all ten of them the way they were right

1966

01:12:19,270 --> 01:12:18,480

so they were all independent it's a big

1967

01:12:23,910 --> 01:12:19,280

deal

1968

01:12:24,950 --> 01:12:23,920

it's really quite crazy and there was a

1969

01:12:27,669 --> 01:12:24,960

um

1970

01:12:29,990 --> 01:12:27,679

i guess that's coming up on the 21st

1971

01:12:33,430 --> 01:12:30,000

mario woods

1972

01:12:35,990 --> 01:12:33,440

he talks about where they were

1973

01:12:38,709 --> 01:12:36,000

actually activated and they drove a

1974

01:12:41,110 --> 01:12:38,719

truck on top of the

1975

01:12:43,270 --> 01:12:41,120

the doors over the missile head so it

1976

01:12:44,870 --> 01:12:43,280

wouldn't you know and of course you know

1977

01:12:46,950 --> 01:12:44,880

those things are like blown off like

1978

01:12:48,950 --> 01:12:46,960

explosives so they got like a half a

1979

01:12:51,110 --> 01:12:48,960

mile away thinking this thing was just

1980

01:12:54,390 --> 01:12:51,120

to blow and you know that whole thing is

1981

01:12:56,390 --> 01:12:54,400

just totally amazing yeah what a story

1982

01:12:57,830 --> 01:12:56,400

yeah here's another question that came

1983

01:12:59,510 --> 01:12:57,840

up here

1984

01:13:01,990 --> 01:12:59,520

what personal practices would you

1985

01:13:05,189 --> 01:13:02,000

recommend to the ufo community to

1986

01:13:09,189 --> 01:13:05,199

maintain positive mental health while

1987

01:13:10,870 --> 01:13:09,199

while you uh pursue this enigma yeah i

1988

01:13:13,990 --> 01:13:10,880

think that's a good question it is thank

1989

01:13:16,470 --> 01:13:14,000

you tim i know tim he's a good guy um

1990

01:13:19,350 --> 01:13:16,480

so i am very focused on the human

1991

01:13:20,709 --> 01:13:19,360

element here uh and

1992

01:13:23,189 --> 01:13:20,719

to me

1993

01:13:24,630 --> 01:13:23,199

you know regardless of whatever specific

1994

01:13:26,310 --> 01:13:24,640

information

1995

01:13:28,550 --> 01:13:26,320

we may learn

1996

01:13:29,830 --> 01:13:28,560

we still have to deal with our ourselves

1997

01:13:30,790 --> 01:13:29,840

you know we still have to deal with the

1998

01:13:31,590 --> 01:13:30,800

way that

1999

01:13:33,669 --> 01:13:31,600

you know

2000

01:13:35,030 --> 01:13:33,679

we go about our day-to-day and interact

2001

01:13:36,950 --> 01:13:35,040

with people and

2002

01:13:38,709 --> 01:13:36,960

and so for that reason i think you know

2003

01:13:40,149 --> 01:13:38,719

the same advice that i give to someone

2004

01:13:42,070 --> 01:13:40,159

who doesn't believe this at all you know

2005

01:13:43,990 --> 01:13:42,080

and that that is you know spend time

2006

01:13:45,350 --> 01:13:44,000

getting to know yourself

2007

01:13:47,669 --> 01:13:45,360

it doesn't necessarily have to be

2008

01:13:49,510 --> 01:13:47,679

meditation or that's incredibly popular

2009

01:13:51,350 --> 01:13:49,520

you know to take time to meditate i

2010

01:13:53,030 --> 01:13:51,360

don't think you have to do that i just

2011

01:13:55,270 --> 01:13:53,040

think you have to be intentional and

2012

01:13:56,310 --> 01:13:55,280

have to spend time understanding who you

2013

01:13:58,070 --> 01:13:56,320

are and

2014

01:14:01,110 --> 01:13:58,080

the decisions that you've made and what

2015

01:14:03,270 --> 01:14:01,120

your biases are what motivates you

2016

01:14:05,510 --> 01:14:03,280

uh that you need to

2017

01:14:07,350 --> 01:14:05,520

make time for yourself

2018

01:14:08,790 --> 01:14:07,360

and and and take care of those around

2019

01:14:10,149 --> 01:14:08,800

you you know to me that one of the

2020

01:14:12,709 --> 01:14:10,159

greatest things that

2021

01:14:15,110 --> 01:14:12,719

a person can do is to be uh you know a

2022

01:14:16,550 --> 01:14:15,120

servant for another person you know to

2023

01:14:18,550 --> 01:14:16,560

care for someone

2024

01:14:20,229 --> 01:14:18,560

and to be vulnerable with someone i

2025

01:14:22,229 --> 01:14:20,239

think that that's a wonderful thing to

2026

01:14:24,390 --> 01:14:22,239

to be able to do if you don't have that

2027

01:14:26,149 --> 01:14:24,400

opportunity uh i think those

2028

01:14:28,070 --> 01:14:26,159

opportunities exist you know you can

2029

01:14:30,070 --> 01:14:28,080

find you know lots of organizations in

2030

01:14:33,030 --> 01:14:30,080

your community where you can give back

2031

01:14:35,750 --> 01:14:33,040

and and and participate and do some real

2032

01:14:37,990 --> 01:14:35,760

tangible good and doing good for others

2033

01:14:39,750 --> 01:14:38,000

i've always found has been good you know

2034

01:14:41,990 --> 01:14:39,760

for for for me

2035

01:14:43,750 --> 01:14:42,000

um so i don't have any you know crazy

2036

01:14:45,189 --> 01:14:43,760

mantras or anything to provide i just

2037

01:14:47,350 --> 01:14:45,199

think that people you know really just

2038

01:14:49,830 --> 01:14:47,360

need to spend time on on the things that

2039

01:14:51,350 --> 01:14:49,840

we know are positive you know take a

2040

01:14:53,990 --> 01:14:51,360

walk

2041

01:14:55,430 --> 01:14:54,000

uh you know get a little exercise

2042

01:14:56,709 --> 01:14:55,440

i don't i don't talk too much you

2043

01:14:59,030 --> 01:14:56,719

brought it up earlier i don't talk too

2044

01:15:01,510 --> 01:14:59,040

much about the abduction

2045

01:15:03,830 --> 01:15:01,520

part of this and not because uh you know

2046

01:15:05,590 --> 01:15:03,840

that i don't believe

2047

01:15:07,750 --> 01:15:05,600

all these people it's it's it's

2048

01:15:09,990 --> 01:15:07,760

confusing and you know

2049

01:15:12,550 --> 01:15:10,000

um

2050

01:15:15,350 --> 01:15:12,560

and some of the commonalities are very

2051

01:15:16,630 --> 01:15:15,360

very interesting to me on what is

2052

01:15:19,669 --> 01:15:16,640

happening but

2053

01:15:23,830 --> 01:15:19,679

you mentioned you know date day by day

2054

01:15:26,470 --> 01:15:23,840

i i could not function if something like

2055

01:15:29,270 --> 01:15:26,480

that was happening yeah i i just could

2056

01:15:31,350 --> 01:15:29,280

not function in society if you mentioned

2057

01:15:33,669 --> 01:15:31,360

uh i believe you said something like in

2058

01:15:35,110 --> 01:15:33,679

the privacy of your own veteran at their

2059

01:15:38,470 --> 01:15:35,120

will you know these things are happening

2060

01:15:40,630 --> 01:15:38,480

whatever it is right uh you know some

2061

01:15:43,510 --> 01:15:40,640

try to pass it off as

2062

01:15:45,030 --> 01:15:43,520

what is it called uh sleep paralysis

2063

01:15:47,110 --> 01:15:45,040

things like that but not every single

2064

01:15:48,310 --> 01:15:47,120

one of them can be because there's

2065

01:15:50,229 --> 01:15:48,320

so many

2066

01:15:52,550 --> 01:15:50,239

times when things happen during the day

2067

01:15:54,229 --> 01:15:52,560

when there was no sleep involved and you

2068

01:15:56,149 --> 01:15:54,239

know uh

2069

01:15:58,229 --> 01:15:56,159

so that that is something you know i

2070

01:16:01,030 --> 01:15:58,239

have a good friend in the film business

2071

01:16:01,830 --> 01:16:01,040

that is uh doing a film on that aspect

2072

01:16:05,350 --> 01:16:01,840

of it

2073

01:16:07,030 --> 01:16:05,360

separate from you know ufos and

2074

01:16:08,950 --> 01:16:07,040

it it really is

2075

01:16:10,310 --> 01:16:08,960

uh it really is something and you know

2076

01:16:13,350 --> 01:16:10,320

it

2077

01:16:15,750 --> 01:16:13,360

throwing this out there and i'm not

2078

01:16:17,189 --> 01:16:15,760

saying that that's what it is but if it

2079

01:16:19,430 --> 01:16:17,199

happened to be something like

2080

01:16:21,750 --> 01:16:19,440

extraterrestrial or wherever someone is

2081

01:16:23,110 --> 01:16:21,760

visiting from

2082

01:16:24,070 --> 01:16:23,120

they're here

2083

01:16:25,990 --> 01:16:24,080

um

2084

01:16:28,149 --> 01:16:26,000

you know they wouldn't just like fly

2085

01:16:30,229 --> 01:16:28,159

over and go away they would want to

2086

01:16:32,229 --> 01:16:30,239

explore i would imagine you know now now

2087

01:16:34,390 --> 01:16:32,239

i'm thinking on human terms again right

2088

01:16:36,070 --> 01:16:34,400

but you know but i would think that

2089

01:16:37,830 --> 01:16:36,080

anyone that's out there exploring to

2090

01:16:40,149 --> 01:16:37,840

begin with is curious

2091

01:16:40,870 --> 01:16:40,159

otherwise why would they be exploring

2092

01:16:43,030 --> 01:16:40,880

so

2093

01:16:44,870 --> 01:16:43,040

uh if they are curious then you know

2094

01:16:45,750 --> 01:16:44,880

perhaps they are

2095

01:16:47,830 --> 01:16:45,760

uh

2096

01:16:49,750 --> 01:16:47,840

tagging and bagging whatever it is that

2097

01:16:52,149 --> 01:16:49,760

they're doing you know maybe

2098

01:16:53,669 --> 01:16:52,159

you know maybe some experimenting or

2099

01:16:57,590 --> 01:16:53,679

something like that yeah it's certainly

2100

01:17:00,149 --> 01:16:57,600

possible i think uh to me i have to uh

2101
01:17:01,830 --> 01:17:00,159
treat these experiences very seriously

2102
01:17:03,669 --> 01:17:01,840
but i don't necessarily have to take

2103
01:17:04,790 --> 01:17:03,679
them literally

2104
01:17:06,870 --> 01:17:04,800
uh

2105
01:17:09,750 --> 01:17:06,880
you know or or even personally have

2106
01:17:12,070 --> 01:17:09,760
believe them you know but i do think

2107
01:17:13,830 --> 01:17:12,080
just like in a a counseling situation if

2108
01:17:15,350 --> 01:17:13,840
someone comes to you and they you know

2109
01:17:17,830 --> 01:17:15,360
they explain something very personal

2110
01:17:20,149 --> 01:17:17,840
that has changed the way that they view

2111
01:17:21,350 --> 01:17:20,159
themselves in their life uh and you're

2112
01:17:22,709 --> 01:17:21,360
you're listening to that story and

2113
01:17:24,870 --> 01:17:22,719

you're thinking yeah this is you know

2114

01:17:26,229 --> 01:17:24,880

this is a psychosis of this kind or this

2115

01:17:27,669 --> 01:17:26,239

is they've interpreted this event in

2116

01:17:29,189 --> 01:17:27,679

their life in this way and if they just

2117

01:17:30,550 --> 01:17:29,199

interpret it differently they would

2118

01:17:32,229 --> 01:17:30,560

never have come to this conclusion about

2119

01:17:33,669 --> 01:17:32,239

themselves you know

2120

01:17:35,270 --> 01:17:33,679

i think that it's the same way you know

2121

01:17:36,709 --> 01:17:35,280

when you're listening to someone share

2122

01:17:38,310 --> 01:17:36,719

their experience they're being very

2123

01:17:40,390 --> 01:17:38,320

vulnerable with you as something

2124

01:17:42,070 --> 01:17:40,400

incredibly personal and yeah i think you

2125

01:17:44,070 --> 01:17:42,080

honor that because

2126
01:17:45,430 --> 01:17:44,080
you know how often are people like that

2127
01:17:46,870 --> 01:17:45,440
how often are people going to be that

2128
01:17:48,470 --> 01:17:46,880
genuine with you

2129
01:17:50,070 --> 01:17:48,480
uh about something that is

2130
01:17:52,310 --> 01:17:50,080
really impacting

2131
01:17:53,830 --> 01:17:52,320
who they are you know and so i think you

2132
01:17:56,149 --> 01:17:53,840
should you know sort of validate that

2133
01:17:57,350 --> 01:17:56,159
experience honor that that experience

2134
01:17:58,790 --> 01:17:57,360
yet also

2135
01:18:01,030 --> 01:17:58,800
you know maybe provide a little bit of

2136
01:18:03,510 --> 01:18:01,040
space to help them explore

2137
01:18:05,110 --> 01:18:03,520
what it means you know because there are

2138
01:18:07,590 --> 01:18:05,120

many different interpretations we've

2139

01:18:09,669 --> 01:18:07,600

talked about interpretations quite a lot

2140

01:18:11,350 --> 01:18:09,679

on the show in fact uh

2141

01:18:13,990 --> 01:18:11,360

you know you can have an experience and

2142

01:18:15,830 --> 01:18:14,000

you can interpret it as an angel you can

2143

01:18:18,470 --> 01:18:15,840

have an experience interpret as a demon

2144

01:18:20,470 --> 01:18:18,480

you could you know as an et as a figment

2145

01:18:22,470 --> 01:18:20,480

of your imagination you know all these

2146

01:18:24,550 --> 01:18:22,480

are different interpretations which one

2147

01:18:26,790 --> 01:18:24,560

is factually valid you know i i don't

2148

01:18:28,950 --> 01:18:26,800

know that that answer

2149

01:18:30,870 --> 01:18:28,960

necessarily even matters because it's

2150

01:18:32,870 --> 01:18:30,880

the way that you interpret it that it

2151
01:18:33,990 --> 01:18:32,880
ends up impacting how you go about your

2152
01:18:35,669 --> 01:18:34,000
day-to-day

2153
01:18:37,350 --> 01:18:35,679
you know i'm sure

2154
01:18:38,950 --> 01:18:37,360
i wanted to ask you this martin just

2155
01:18:40,709 --> 01:18:38,960
because i know you've got so much

2156
01:18:42,070 --> 01:18:40,719
experience with this but you know i'm

2157
01:18:44,310 --> 01:18:42,080
sure you've had someone bring you an

2158
01:18:46,550 --> 01:18:44,320
antique and they've they've they've told

2159
01:18:48,709 --> 01:18:46,560
themselves this story about this antique

2160
01:18:50,950 --> 01:18:48,719
you know it came from so and so and it

2161
01:18:52,709 --> 01:18:50,960
means this to me and my family and you

2162
01:18:54,070 --> 01:18:52,719
know it's it's incredibly valuable or

2163
01:18:55,430 --> 01:18:54,080

whatever and you're looking at it you're

2164

01:18:57,189 --> 01:18:55,440

thinking in your mind before you say

2165

01:18:59,510 --> 01:18:57,199

anything to them this is not at all what

2166

01:19:01,030 --> 01:18:59,520

they're telling me it is uh

2167

01:19:02,870 --> 01:19:01,040

constantly that happens how do you

2168

01:19:04,870 --> 01:19:02,880

navigate that how do you kind of well i

2169

01:19:06,950 --> 01:19:04,880

always try to be in a professional and

2170

01:19:08,870 --> 01:19:06,960

kind way yeah but you know i had a very

2171

01:19:09,750 --> 01:19:08,880

interesting happen thing happened when i

2172

01:19:11,750 --> 01:19:09,760

was

2173

01:19:13,430 --> 01:19:11,760

in california working at an appraisal

2174

01:19:14,229 --> 01:19:13,440

clinic in california

2175

01:19:16,790 --> 01:19:14,239

and

2176

01:19:18,550 --> 01:19:16,800

um there's a famous eagle carver in

2177

01:19:19,830 --> 01:19:18,560

kittery maine back where i used to be

2178

01:19:21,750 --> 01:19:19,840

from

2179

01:19:23,430 --> 01:19:21,760

this woman shows up

2180

01:19:25,669 --> 01:19:23,440

and she

2181

01:19:27,430 --> 01:19:25,679

she's in line it's a appraisal clinic

2182

01:19:28,709 --> 01:19:27,440

and it's a garden center and there's

2183

01:19:31,270 --> 01:19:28,719

hundreds of people wanting to know what

2184

01:19:33,189 --> 01:19:31,280

their things were right so someone comes

2185

01:19:35,510 --> 01:19:33,199

running up to me and and

2186

01:19:37,110 --> 01:19:35,520

says oh there's a woman in line we'd

2187

01:19:39,430 --> 01:19:37,120

like to put her right up here right away

2188

01:19:41,510 --> 01:19:39,440

because she has an eagle that belonged

2189

01:19:43,189 --> 01:19:41,520

to george washington

2190

01:19:45,830 --> 01:19:43,199

wow so

2191

01:19:47,590 --> 01:19:45,840

so i kind of like i try to you know i

2192

01:19:49,110 --> 01:19:47,600

chuckle okay you know i mean if

2193

01:19:51,110 --> 01:19:49,120

everything belonged to george washington

2194

01:19:52,790 --> 01:19:51,120

that people said or whatever you know

2195

01:19:55,030 --> 01:19:52,800

okay bring her up

2196

01:19:57,270 --> 01:19:55,040

so she unwraps this eagle that i know

2197

01:19:58,310 --> 01:19:57,280

was carved in the town

2198

01:20:00,310 --> 01:19:58,320

that

2199

01:20:01,910 --> 01:20:00,320

next door to where i live i grew up in

2200

01:20:04,630 --> 01:20:01,920

elliott maine kittery maine is right next

2201

01:20:06,390 --> 01:20:04,640

to it wow so i look at this eagle

2202

01:20:07,189 --> 01:20:06,400

and i did some quick calculating and i

2203

01:20:10,070 --> 01:20:07,199

said

2204

01:20:11,030 --> 01:20:10,080

george washington was dead about 165

2205

01:20:12,950 --> 01:20:11,040

years

2206

01:20:15,270 --> 01:20:12,960

when this was carved

2207

01:20:17,110 --> 01:20:15,280

and i said but the good news is this

2208

01:20:19,510 --> 01:20:17,120

time i had good news i said this is a

2209

01:20:21,830 --> 01:20:19,520

very valuable eagle it's very very

2210

01:20:23,030 --> 01:20:21,840

highly collectible a ten thousand dollar

2211

01:20:26,390 --> 01:20:23,040

eagle you know

2212

01:20:28,470 --> 01:20:26,400

wow at the time um but you know yes that

2213

01:20:30,790 --> 01:20:28,480

does happen all the time there

2214

01:20:32,470 --> 01:20:30,800

what has passed down and what was the

2215

01:20:33,910 --> 01:20:32,480

relevance of that

2216

01:20:36,149 --> 01:20:33,920

you're mentioning these things that are

2217

01:20:37,910 --> 01:20:36,159

passed down when people think that it's

2218

01:20:39,510 --> 01:20:37,920

their experience is something they think

2219

01:20:40,790 --> 01:20:39,520

that happened that may not have happened

2220

01:20:42,629 --> 01:20:40,800

is that what it was

2221

01:20:45,270 --> 01:20:42,639

yeah when we're talking about abductions

2222

01:20:46,870 --> 01:20:45,280

uh you know it can very well shape their

2223

01:20:49,110 --> 01:20:46,880

their life you know their their their

2224

01:20:51,669 --> 01:20:49,120

story of who they are right and just

2225

01:20:53,750 --> 01:20:51,679

like a prized possession like that they

2226

01:20:55,270 --> 01:20:53,760

think it's uh you know came from george

2227

01:20:56,870 --> 01:20:55,280

washington and it was given to their

2228

01:20:58,550 --> 01:20:56,880

grandmother and it made its way to their

2229

01:21:00,709 --> 01:20:58,560

you know all these things that they

2230

01:21:02,470 --> 01:21:00,719

they've concocted or not that they've

2231

01:21:04,550 --> 01:21:02,480

made it up but they've they've inherited

2232

01:21:06,229 --> 01:21:04,560

a story it's probably likely right

2233

01:21:07,990 --> 01:21:06,239

they've been hearing a story and they

2234

01:21:10,070 --> 01:21:08,000

and they they find it to be true and it

2235

01:21:11,189 --> 01:21:10,080

means something to them and maybe means

2236

01:21:14,629 --> 01:21:11,199

quite a lot

2237

01:21:17,030 --> 01:21:14,639

and so when you know that to be you know

2238

01:21:19,189 --> 01:21:17,040

not factually accurate you know

2239

01:21:21,830 --> 01:21:19,199

you have in some ways

2240

01:21:23,750 --> 01:21:21,840

almost a responsibility to guide them

2241

01:21:25,590 --> 01:21:23,760

into the truth

2242

01:21:26,950 --> 01:21:25,600

without being someone that's going to i

2243

01:21:29,110 --> 01:21:26,960

mean you could do it this way you could

2244

01:21:30,870 --> 01:21:29,120

be a person with a sledgehammer and say

2245

01:21:32,950 --> 01:21:30,880

it's not george washington and you're

2246

01:21:35,270 --> 01:21:32,960

you're an idiot you know but i think the

2247

01:21:37,350 --> 01:21:35,280

human thing to do the humane thing to do

2248

01:21:38,870 --> 01:21:37,360

i should say is to you know guide them

2249

01:21:40,470 --> 01:21:38,880

into the truth and to do what you just

2250

01:21:42,310 --> 01:21:40,480

said and i'd say it's not what you

2251

01:21:44,470 --> 01:21:42,320

thought it was but it's still very

2252

01:21:46,070 --> 01:21:44,480

really valuable even it was even if it

2253

01:21:48,629 --> 01:21:46,080

was worthless you know it's not what you

2254

01:21:50,629 --> 01:21:48,639

thought it was but it means a lot to you

2255

01:21:53,110 --> 01:21:50,639

and and that that there is something

2256

01:21:55,189 --> 01:21:53,120

meaningful in that

2257

01:21:57,910 --> 01:21:55,199

yeah yeah and

2258

01:21:59,669 --> 01:21:57,920

you mentioned lucid dreams yes and

2259

01:22:02,470 --> 01:21:59,679

dreams in general you know i mean you

2260

01:22:04,870 --> 01:22:02,480

think of you you hear sometimes like

2261

01:22:07,110 --> 01:22:04,880

uh one of the beatles dreamt something

2262

01:22:09,350 --> 01:22:07,120

that made him create a song right you

2263

01:22:10,790 --> 01:22:09,360

know and uh but

2264

01:22:12,950 --> 01:22:10,800

do you think they

2265

01:22:14,390 --> 01:22:12,960

and i've heard other people i've heard

2266

01:22:17,030 --> 01:22:14,400

several people over the years and

2267

01:22:18,870 --> 01:22:17,040

recently when i was in pine bush talking

2268

01:22:21,590 --> 01:22:18,880

to someone

2269

01:22:23,669 --> 01:22:21,600

and she seemed like she almost had like

2270

01:22:26,229 --> 01:22:23,679

an experience but she said that might

2271

01:22:28,790 --> 01:22:26,239

have been a dream and i had

2272

01:22:29,750 --> 01:22:28,800

someone else tell me that years ago

2273

01:22:31,590 --> 01:22:29,760

that

2274

01:22:33,590 --> 01:22:31,600

it was an encounter

2275

01:22:35,750 --> 01:22:33,600

but it was so real and it might have

2276

01:22:36,550 --> 01:22:35,760

been a dream and then another person

2277

01:22:42,149 --> 01:22:36,560

that

2278

01:22:43,830 --> 01:22:42,159

happen

2279

01:22:46,790 --> 01:22:43,840

and she's going to know what to do when

2280

01:22:49,350 --> 01:22:46,800

it happens yeah right now she doesn't

2281

01:22:52,629 --> 01:22:49,360

know what it is but she will know right

2282

01:22:54,950 --> 01:22:52,639

you know like from beings this was a

2283

01:22:56,390 --> 01:22:54,960

really strong

2284

01:22:58,870 --> 01:22:56,400

dream right

2285

01:23:01,590 --> 01:22:58,880

and and you know well i i mean to me

2286

01:23:03,910 --> 01:23:01,600

dreams are fascinating um just like a

2287

01:23:05,669 --> 01:23:03,920

near-death experience is a fascinating

2288

01:23:07,750 --> 01:23:05,679

experience this is something that

2289

01:23:09,270 --> 01:23:07,760

feels more real than real that's the

2290

01:23:12,390 --> 01:23:09,280

phrase you often hear them use is it

2291

01:23:14,070 --> 01:23:12,400

feels more real than real um and i have

2292

01:23:16,390 --> 01:23:14,080

a friend who's done a lot of

2293

01:23:18,550 --> 01:23:16,400

experimentation with lucid dreaming he's

2294

01:23:20,390 --> 01:23:18,560

you know he's tried to kind of explore

2295

01:23:23,350 --> 01:23:20,400

believe it or not you can do things to

2296

01:23:25,510 --> 01:23:23,360

kind of induce lucid dreaming uh i have

2297

01:23:27,590 --> 01:23:25,520

not yeah i'm not good i got hallucinogen

2298

01:23:29,110 --> 01:23:27,600

or something uh no there's um there are

2299

01:23:31,189 --> 01:23:29,120

certain kind of uh

2300

01:23:33,669 --> 01:23:31,199

practices that you can follow uh that

2301

01:23:35,669 --> 01:23:33,679

will kind of get you into a state where

2302

01:23:38,310 --> 01:23:35,679

it may be more likely to occur now some

2303

01:23:39,750 --> 01:23:38,320

people lucid dreaming happens

2304

01:23:40,950 --> 01:23:39,760

very frequently there are some people

2305

01:23:43,350 --> 01:23:40,960

it's a smaller percentage of the

2306

01:23:46,229 --> 01:23:43,360

population but they lucid dream often

2307

01:23:48,790 --> 01:23:46,239

but others can be taught to lucid dream

2308

01:23:50,629 --> 01:23:48,800

more regularly and then there are

2309

01:23:53,830 --> 01:23:50,639

there is a chemical supplement that you

2310

01:23:55,669 --> 01:23:53,840

can take um you can get on on amazon

2311

01:23:57,350 --> 01:23:55,679

that uh yeah

2312

01:23:59,830 --> 01:23:57,360

what can't you get on amazon but if you

2313

01:24:02,629 --> 01:23:59,840

take it um you know supposedly it makes

2314

01:24:03,910 --> 01:24:02,639

the likelihood of having a lucid dream

2315

01:24:07,189 --> 01:24:03,920

a lot higher

2316

01:24:09,270 --> 01:24:07,199

um and so anyway his uh experience that

2317

01:24:11,590 --> 01:24:09,280

he he recounts to me

2318

01:24:15,350 --> 01:24:11,600

is uh he had to lucid dream and

2319

01:24:16,390 --> 01:24:15,360

everything was incredibly real um and

2320

01:24:19,590 --> 01:24:16,400

he

2321

01:24:22,229 --> 01:24:19,600

a schoolyard or a school building with a

2322

01:24:24,470 --> 01:24:22,239

brick you know facade and there was a

2323

01:24:26,149 --> 01:24:24,480

grassy field and you know in his dream

2324

01:24:27,990 --> 01:24:26,159

he takes his hand and he rubs it along

2325

01:24:29,669 --> 01:24:28,000

the brick and he feels where it's

2326

01:24:31,510 --> 01:24:29,679

tearing the skin and he

2327

01:24:33,750 --> 01:24:31,520

examines the grass and you know you can

2328

01:24:35,830 --> 01:24:33,760

see the individual blades of grass and

2329

01:24:39,110 --> 01:24:35,840

it it feels very very real but none of

2330

01:24:40,790 --> 01:24:39,120

that's happening in his waking state you

2331

01:24:43,030 --> 01:24:40,800

know so to me

2332

01:24:44,950 --> 01:24:43,040

it it's it's sort of a signpost it's one

2333

01:24:46,629 --> 01:24:44,960

signpost among many you know a

2334

01:24:48,550 --> 01:24:46,639

near-death experience is another one you

2335

01:24:51,270 --> 01:24:48,560

can listen to uh one recently that i

2336

01:24:53,110 --> 01:24:51,280

found great was uh dr eben alexander's

2337

01:24:55,110 --> 01:24:53,120

near-death experience

2338

01:24:57,030 --> 01:24:55,120

here's someone who has no mental

2339

01:24:58,870 --> 01:24:57,040

activity happening at all and there's so

2340

01:25:00,709 --> 01:24:58,880

many examples of near-death experiences

2341

01:25:02,149 --> 01:25:00,719

you know you could just youtube them and

2342

01:25:04,310 --> 01:25:02,159

see a ton of them but you know people

2343

01:25:05,990 --> 01:25:04,320

who are comatose or no brain activity

2344

01:25:08,149 --> 01:25:06,000

yet they recount these

2345

01:25:09,910 --> 01:25:08,159

incredibly rich and detailed experiences

2346

01:25:10,950 --> 01:25:09,920

so what is taking place there you know

2347

01:25:17,990 --> 01:25:10,960

what

2348

01:25:19,750 --> 01:25:18,000

and and that to me also points to

2349

01:25:21,590 --> 01:25:19,760

the experiences that we have in waking

2350

01:25:23,110 --> 01:25:21,600

state you know we just assume that

2351

01:25:25,750 --> 01:25:23,120

because we're all awake what we're

2352

01:25:28,229 --> 01:25:25,760

experiencing is you know is real we call

2353

01:25:30,229 --> 01:25:28,239

that real and we call the dreaming state

2354

01:25:32,229 --> 01:25:30,239

imaginary you know these are interesting

2355

01:25:34,950 --> 01:25:32,239

distinctions that we have kind of just

2356

01:25:36,070 --> 01:25:34,960

arbitrarily drawn in a way on our human

2357

01:25:37,990 --> 01:25:36,080

experience

2358

01:25:40,629 --> 01:25:38,000

um and and think of how many people i

2359

01:25:42,709 --> 01:25:40,639

mean i'll go put myself out there as one

2360

01:25:44,070 --> 01:25:42,719

who have had a dream that has changed

2361

01:25:45,830 --> 01:25:44,080

their their life you know some people

2362

01:25:47,350 --> 01:25:45,840

have had dreams that you know you have a

2363

01:25:48,950 --> 01:25:47,360

premonition and you don't you know you

2364

01:25:50,709 --> 01:25:48,960

don't take the drive you're going to

2365

01:25:51,830 --> 01:25:50,719

take the next day and if you've taken it

2366

01:25:53,910 --> 01:25:51,840

you would have been in an accident you

2367

01:25:56,870 --> 01:25:53,920

know all kinds of different examples for

2368

01:25:58,709 --> 01:25:56,880

me uh when i was a lot younger i had a

2369

01:26:00,070 --> 01:25:58,719

dream that was

2370

01:26:01,990 --> 01:26:00,080

the most vivid dream i've had in my

2371

01:26:03,910 --> 01:26:02,000

entire life and it was uh

2372

01:26:05,990 --> 01:26:03,920

i met with uh

2373

01:26:08,149 --> 01:26:06,000

what i would basically consider to be

2374

01:26:09,830 --> 01:26:08,159

like a wise and old person you know at

2375

01:26:11,510 --> 01:26:09,840

the top of the world and

2376

01:26:13,350 --> 01:26:11,520

essentially they told me that the world

2377

01:26:16,070 --> 01:26:13,360

was ending and then i was transported to

2378

01:26:17,590 --> 01:26:16,080

the uh to the shoreline

2379

01:26:19,669 --> 01:26:17,600

and uh

2380

01:26:22,709 --> 01:26:19,679

the the ocean had receded

2381

01:26:24,870 --> 01:26:22,719

it basically receded from the shore and

2382

01:26:26,550 --> 01:26:24,880

you could see you know kind of the

2383

01:26:28,149 --> 01:26:26,560

the debris and everything that was on

2384

01:26:29,990 --> 01:26:28,159

the at the bottom of the ocean and there

2385

01:26:31,669 --> 01:26:30,000

were these um

2386

01:26:33,910 --> 01:26:31,679

like gigantic

2387

01:26:36,790 --> 01:26:33,920

rings that kind of formed uh almost like

2388

01:26:39,590 --> 01:26:36,800

a tunnel path going into this the depth

2389

01:26:42,070 --> 01:26:39,600

of what was once the ocean in the sky

2390

01:26:43,510 --> 01:26:42,080

there were these swirling orbs you know

2391

01:26:46,229 --> 01:26:43,520

and at the time i wouldn't even used

2392

01:26:48,310 --> 01:26:46,239

orbs because i wasn't as into ufos as i

2393

01:26:51,590 --> 01:26:48,320

am now i just they were just swirling

2394

01:26:54,229 --> 01:26:51,600

balls of light in the sky and i started

2395

01:26:55,270 --> 01:26:54,239

to i felt a compulsion to walk down this

2396

01:26:57,350 --> 01:26:55,280

tunnel

2397

01:26:59,270 --> 01:26:57,360

uh and to go down into these rings into

2398

01:27:00,470 --> 01:26:59,280

this into the depths here and then as

2399

01:27:02,310 --> 01:27:00,480

i'm walking

2400

01:27:04,629 --> 01:27:02,320

i hear this voice behind me and i turn

2401

01:27:06,229 --> 01:27:04,639

around and it's it's this woman

2402

01:27:07,590 --> 01:27:06,239

and uh she's saying you can't you can't

2403

01:27:09,910 --> 01:27:07,600

go you gotta you gotta come back you

2404

01:27:11,830 --> 01:27:09,920

gotta come back and and i say well

2405

01:27:13,830 --> 01:27:11,840

you're right i mean it's like i think

2406

01:27:15,669 --> 01:27:13,840

she shakes me out of my you know sort of

2407

01:27:19,270 --> 01:27:15,679

trance in a way and i come back to the

2408

01:27:20,629 --> 01:27:19,280

shore and that woman is my wife so uh

2409

01:27:22,870 --> 01:27:20,639

she wasn't my wife at the time but she

2410

01:27:23,750 --> 01:27:22,880

was my wife now so that dream in a way

2411

01:27:25,189 --> 01:27:23,760

kind of

2412

01:27:27,189 --> 01:27:25,199

you know if you can interpret it many

2413

01:27:29,350 --> 01:27:27,199

different ways and i have you know so

2414

01:27:32,550 --> 01:27:29,360

but it was for me kind of validation

2415

01:27:34,070 --> 01:27:32,560

that i needed to be with her um so would

2416

01:27:36,310 --> 01:27:34,080

you tell her you're the girl in my

2417

01:27:37,830 --> 01:27:36,320

dreams i do i have i've used that many

2418

01:27:39,750 --> 01:27:37,840

times right it's a great one it's a good

2419

01:27:41,189 --> 01:27:39,760

line yeah it worked i recommend it it

2420

01:27:43,430 --> 01:27:41,199

did work yeah it did work it worked

2421

01:27:46,390 --> 01:27:43,440

you're married you're hitched exactly

2422

01:27:48,790 --> 01:27:46,400

yeah i'm gonna run a quick uh minute um

2423

01:27:50,149 --> 01:27:48,800

this commercial and it's for two friends

2424

01:27:51,510 --> 01:27:50,159

of the show

2425

01:27:53,990 --> 01:27:51,520

and it's they both have books and here

2426

01:27:56,709 --> 01:27:54,000

we go the believer is the chilling true

2427

01:27:58,950 --> 01:27:56,719

story of dr john mack a renowned harvard

2428

01:28:01,510 --> 01:27:58,960

psychiatrist and pulitzer prize winner

2429

01:28:04,229 --> 01:28:01,520

this is a outreach program from the

2430

01:28:06,629 --> 01:28:04,239

cosmos to the consciously impaired he

2431

01:28:08,390 --> 01:28:06,639

risked it all to investigate human

2432

01:28:09,590 --> 01:28:08,400

encounters with alia

2433

01:28:12,229 --> 01:28:09,600

the believer

2434

01:28:14,470 --> 01:28:12,239

alien encounters hard science and the

2435

01:28:16,390 --> 01:28:14,480

passion of john mack written by

2436

01:28:18,709 --> 01:28:16,400

award-winning former new york times

2437

01:28:20,709 --> 01:28:18,719

journalist and author ralph blumenthal

2438

01:28:27,350 --> 01:28:20,719

now available in paperback from high

2439

01:28:33,669 --> 01:28:31,189

available june 2022 from flying disc

2440

01:28:36,550 --> 01:28:35,510

a book about the people involved in the

2441

01:28:38,070 --> 01:28:36,560

mystery

2442

01:28:39,669 --> 01:28:38,080

covering the golden age of flying

2443

01:28:43,350 --> 01:28:39,679

saucers

2444

01:28:45,510 --> 01:28:43,360

using newsletters magazines case files

2445

01:28:47,510 --> 01:28:45,520

official documents and more

2446

01:28:48,709 --> 01:28:47,520

sure to leave even the die hard skeptic

2447

01:28:51,750 --> 01:28:48,719

wandering

2448

01:28:54,470 --> 01:28:51,760

by charles lehrer new york usa

2449

01:28:58,229 --> 01:28:54,480

the flying saucer investigators

2450

01:29:01,030 --> 01:28:58,239

available on amazon from june 2022

2451
01:29:03,750 --> 01:29:01,040
the flying saucer investigators flying

2452
01:29:07,030 --> 01:29:05,189
i love playing that commercial for

2453
01:29:09,830 --> 01:29:07,040
charles because he has

2454
01:29:10,910 --> 01:29:09,840
written blogs for this um for this

2455
01:29:12,709 --> 01:29:10,920
website

2456
01:29:15,910 --> 01:29:12,719
podcastufo.com

2457
01:29:18,390 --> 01:29:15,920
for i believe four years and he's done

2458
01:29:20,470 --> 01:29:18,400
incredible investigating himself and

2459
01:29:23,510 --> 01:29:20,480
he's worked right out of dave marlar's

2460
01:29:25,910 --> 01:29:23,520
uh archives out in new mexico and he's

2461
01:29:27,750 --> 01:29:25,920
worked through several other archives

2462
01:29:30,870 --> 01:29:27,760
really does some great research

2463
01:29:32,950 --> 01:29:30,880

and he finds some really crazy stories i

2464

01:29:34,390 --> 01:29:32,960

love hearing these stories for the first

2465

01:29:36,149 --> 01:29:34,400

for the first time

2466

01:29:38,070 --> 01:29:36,159

fantastic yeah well i wanted to

2467

01:29:39,189 --> 01:29:38,080

congratulate you martin i did i wanted

2468

01:29:40,870 --> 01:29:39,199

to do at the top of the show and i

2469

01:29:43,669 --> 01:29:40,880

forgot but i wanted to congratulate you

2470

01:29:47,189 --> 01:29:43,679

on over 10 years of shows and over 500

2471

01:29:49,430 --> 01:29:47,199

episodes uh it's absolutely amazing i

2472

01:29:50,470 --> 01:29:49,440

have done about 50 shows in total if you

2473

01:29:52,709 --> 01:29:50,480

think about all the different things

2474

01:29:54,870 --> 01:29:52,719

i've done and it's a lot of work i know

2475

01:29:56,870 --> 01:29:54,880

how much goes into that and uh i just

2476

01:29:58,149 --> 01:29:56,880

want to say that i really appreciate the

2477

01:30:00,550 --> 01:29:58,159

things that you've done

2478

01:30:02,790 --> 01:30:00,560

for this topic and community and um and

2479

01:30:04,149 --> 01:30:02,800

i'm honored that you invited me to talk

2480

01:30:06,790 --> 01:30:04,159

with you i i wanted to ask you a

2481

01:30:08,310 --> 01:30:06,800

question too uh of all the interviews

2482

01:30:09,669 --> 01:30:08,320

that you've done i mean and you've

2483

01:30:10,629 --> 01:30:09,679

interviewed so many different kinds of

2484

01:30:11,590 --> 01:30:10,639

people

2485

01:30:13,990 --> 01:30:11,600

um

2486

01:30:15,430 --> 01:30:14,000

is there any common characteristic that

2487

01:30:17,830 --> 01:30:15,440

you could point to in terms of what

2488

01:30:19,189 --> 01:30:17,840

draws people to this topic like

2489

01:30:21,510 --> 01:30:19,199

is there anything at all or is it

2490

01:30:23,110 --> 01:30:21,520

literally just it's just everybody and

2491

01:30:25,430 --> 01:30:23,120

everyone who's interested in this and

2492

01:30:27,750 --> 01:30:25,440

they find their way to it i i think i

2493

01:30:29,110 --> 01:30:27,760

think that's it it's uh because there's

2494

01:30:30,629 --> 01:30:29,120

so many different

2495

01:30:33,110 --> 01:30:30,639

ways that people

2496

01:30:35,189 --> 01:30:33,120

get involved in this a lot of times it

2497

01:30:36,950 --> 01:30:35,199

is because of a sighting that happened

2498

01:30:38,470 --> 01:30:36,960

to them that they couldn't explain an

2499

01:30:40,310 --> 01:30:38,480

impact of their life

2500

01:30:42,470 --> 01:30:40,320

but not always

2501
01:30:44,870 --> 01:30:42,480
a lot of times you know like you said in

2502
01:30:47,510 --> 01:30:44,880
the 80s you loved watching was it star

2503
01:30:49,270 --> 01:30:47,520
wars star trek well both yeah yeah both

2504
01:30:50,550 --> 01:30:49,280
and you know maybe it was something like

2505
01:30:52,629 --> 01:30:50,560
that that

2506
01:30:54,550 --> 01:30:52,639
sparks an interest well

2507
01:30:56,550 --> 01:30:54,560
you know maybe there's more to it than

2508
01:30:57,590 --> 01:30:56,560
you know maybe there's really something

2509
01:31:00,070 --> 01:30:57,600
to this

2510
01:31:03,590 --> 01:31:00,080
uh type of thing so i would say what

2511
01:31:05,270 --> 01:31:03,600
i've seen is is all all different ways

2512
01:31:08,070 --> 01:31:05,280
that people have

2513
01:31:09,590 --> 01:31:08,080

got into it and the funny thing is when

2514

01:31:11,990 --> 01:31:09,600

i asked stan freeman i mentioned him

2515

01:31:14,229 --> 01:31:12,000

earlier when i asked him what got him

2516

01:31:16,870 --> 01:31:14,239

interested in the topic to begin with

2517

01:31:20,629 --> 01:31:16,880

was uh he said it's because he was cheap

2518

01:31:22,229 --> 01:31:20,639

and uh he was in school in uh in grade

2519

01:31:24,950 --> 01:31:22,239

school i think he said

2520

01:31:27,910 --> 01:31:24,960

and that he was ordering books from the

2521

01:31:29,590 --> 01:31:27,920

book club and he needed to order one

2522

01:31:31,350 --> 01:31:29,600

more book and for a dollar more there

2523

01:31:33,430 --> 01:31:31,360

was one on ufos

2524

01:31:35,110 --> 01:31:33,440

and that that was how he got into the

2525

01:31:37,669 --> 01:31:35,120

topic all the way back then when he was

2526

01:31:39,270 --> 01:31:37,679

that young and went on to you know be a

2527

01:31:42,629 --> 01:31:39,280

nuclear physicist

2528

01:31:45,350 --> 01:31:42,639

so before he jumped out of that and did

2529

01:31:47,430 --> 01:31:45,360

you know over 500 lectures all over the

2530

01:31:49,430 --> 01:31:47,440

all over the world it's incredible i

2531

01:31:51,590 --> 01:31:49,440

mean how do you make sense of

2532

01:31:54,149 --> 01:31:51,600

an event like that that's so

2533

01:31:56,070 --> 01:31:54,159

mundane you know literally transforming

2534

01:31:58,310 --> 01:31:56,080

a person's life and you know

2535

01:32:00,229 --> 01:31:58,320

characterizing their life's work it's

2536

01:32:02,629 --> 01:32:00,239

incredible it's one of the things i

2537

01:32:05,270 --> 01:32:02,639

always ask people when they're when they

2538

01:32:07,030 --> 01:32:05,280

come on the show and i asked you tonight

2539

01:32:09,110 --> 01:32:07,040

you know what got you interested in the

2540

01:32:11,030 --> 01:32:09,120

topic because you never know what you're

2541

01:32:13,669 --> 01:32:11,040

going to hear and

2542

01:32:16,149 --> 01:32:13,679

you know how someone actually did

2543

01:32:18,390 --> 01:32:16,159

and you know sometimes it's a fantastic

2544

01:32:20,149 --> 01:32:18,400

story sometimes it's just

2545

01:32:23,030 --> 01:32:20,159

sometimes they don't really know you

2546

01:32:23,830 --> 01:32:23,040

know exactly how what led them here yeah

2547

01:32:25,910 --> 01:32:23,840

you know

2548

01:32:28,229 --> 01:32:25,920

but it's it is it is always interesting

2549

01:32:30,790 --> 01:32:28,239

as we go along we've got uh we've got

2550

01:32:32,709 --> 01:32:30,800

about let's see about 15

2551

01:32:35,270 --> 01:32:32,719

15 or 16 minutes

2552

01:32:37,510 --> 01:32:35,280

left um so can you talk a little bit

2553

01:32:39,110 --> 01:32:37,520

about what you do on these shows that

2554

01:32:41,189 --> 01:32:39,120

you have you have two different shows

2555

01:32:42,950 --> 01:32:41,199

that's right are you co-hosted with both

2556

01:32:45,590 --> 01:32:42,960

of those shows i am

2557

01:32:47,669 --> 01:32:45,600

yeah and so can you talk about what what

2558

01:32:49,590 --> 01:32:47,679

you explore in those sure absolutely i'd

2559

01:32:51,990 --> 01:32:49,600

love to so uh

2560

01:32:53,910 --> 01:32:52,000

the show that i got started on is called

2561

01:32:54,950 --> 01:32:53,920

calling all beings and i got into that

2562

01:32:56,550 --> 01:32:54,960

show

2563

01:32:58,070 --> 01:32:56,560

in a way by accident

2564

01:33:01,350 --> 01:32:58,080

um

2565

01:33:04,070 --> 01:33:01,360

i'm a fan of uh another podcast called

2566

01:33:05,910 --> 01:33:04,080

that ufo podcast it's uh in the uk and

2567

01:33:07,750 --> 01:33:05,920

it's oh yeah hosted by andy mcgrill and

2568

01:33:10,470 --> 01:33:07,760

you've probably heard of yeah and so i'm

2569

01:33:12,550 --> 01:33:10,480

a supporter of that show and andy uh

2570

01:33:15,270 --> 01:33:12,560

just like yourself has done a great job

2571

01:33:17,910 --> 01:33:15,280

of you know listening to his audience

2572

01:33:19,990 --> 01:33:17,920

and incorporating an audience feedback

2573

01:33:21,510 --> 01:33:20,000

and stories into in his into his

2574

01:33:23,750 --> 01:33:21,520

productions and

2575

01:33:25,350 --> 01:33:23,760

he did some shows uh called listener

2576

01:33:27,270 --> 01:33:25,360

questions so i would call in a couple of

2577

01:33:29,430 --> 01:33:27,280

times and you know ask some questions

2578

01:33:31,110 --> 01:33:29,440

and this was last year

2579

01:33:32,709 --> 01:33:31,120

and uh just get into conversation with

2580

01:33:33,830 --> 01:33:32,719

andy i wanted to talk about this with

2581

01:33:35,030 --> 01:33:33,840

somebody because i was just so

2582

01:33:38,709 --> 01:33:35,040

interested

2583

01:33:41,030 --> 01:33:38,719

and uh through that interaction uh you

2584

01:33:43,669 --> 01:33:41,040

know andy introduced me to

2585

01:33:46,310 --> 01:33:43,679

uh another gentleman who had a podcast

2586

01:33:47,910 --> 01:33:46,320

totally unrelated to ufos his podcast

2587

01:33:51,110 --> 01:33:47,920

was on

2588

01:33:53,430 --> 01:33:51,120

the nba and mma so completely unrelated

2589

01:33:56,390 --> 01:33:53,440

just yeah but he he was in the air force

2590

01:33:57,910 --> 01:33:56,400

and he was a flight engineer uh in the

2591

01:34:01,189 --> 01:33:57,920

air force and and

2592

01:34:04,310 --> 01:34:01,199

on in involved with special operations

2593

01:34:05,350 --> 01:34:04,320

and he and i our paths crossed through

2594

01:34:06,790 --> 01:34:05,360

andy

2595

01:34:08,870 --> 01:34:06,800

and because he was getting into the

2596

01:34:10,229 --> 01:34:08,880

topic at the same time he said you know

2597

01:34:11,510 --> 01:34:10,239

why don't we just uh if you're

2598

01:34:13,669 --> 01:34:11,520

interested why don't we just partner up

2599

01:34:15,669 --> 01:34:13,679

and like let's do a podcast i said well

2600

01:34:17,350 --> 01:34:15,679

you know i'm interested in this i'd like

2601

01:34:18,950 --> 01:34:17,360

to to do that and

2602

01:34:20,709 --> 01:34:18,960

engage with it more directly so let's

2603

01:34:21,830 --> 01:34:20,719

give it a try so we started calling all

2604

01:34:24,310 --> 01:34:21,840

beings

2605

01:34:25,350 --> 01:34:24,320

and that's then morphed into a show that

2606

01:34:27,270 --> 01:34:25,360

now has

2607

01:34:29,830 --> 01:34:27,280

i think we have a total of five uh

2608

01:34:32,629 --> 01:34:29,840

panelists uh we have a couple therapists

2609

01:34:34,790 --> 01:34:32,639

uh on the show we have uh an experiencer

2610

01:34:36,790 --> 01:34:34,800

on the show and so we bring on guests

2611

01:34:38,629 --> 01:34:36,800

and we interview them and we kind of go

2612

01:34:40,390 --> 01:34:38,639

you know roundtable and ask different

2613

01:34:42,709 --> 01:34:40,400

questions from our own different

2614

01:34:45,030 --> 01:34:42,719

perspectives uh we we cut up a little

2615

01:34:46,870 --> 01:34:45,040

bit it's got a little bit of humor uh

2616

01:34:49,189 --> 01:34:46,880

calling all beings is kind of it's a

2617

01:34:51,590 --> 01:34:49,199

very community focused show

2618

01:34:53,910 --> 01:34:51,600

i have a a real heart for

2619

01:34:57,030 --> 01:34:53,920

you know trying to build communities uh

2620

01:34:59,430 --> 01:34:57,040

wherever i find myself um i'm a person

2621

01:35:01,510 --> 01:34:59,440

that wants to be you know positive and

2622

01:35:03,830 --> 01:35:01,520

encouraging and uplifting and

2623

01:35:06,310 --> 01:35:03,840

and uh and validate people wherever they

2624

01:35:08,390 --> 01:35:06,320

may be uh i'm not into doing a show that

2625

01:35:11,350 --> 01:35:08,400

it's uh you know kind of sniping at

2626

01:35:13,030 --> 01:35:11,360

other people's content or uh you know

2627

01:35:15,109 --> 01:35:13,040

being down on everything that somebody

2628

01:35:17,270 --> 01:35:15,119

says i just want to listen to people and

2629

01:35:19,750 --> 01:35:17,280

have good conversation so calling all

2630

01:35:22,070 --> 01:35:19,760

beings is really focused on i think that

2631

01:35:24,709 --> 01:35:22,080

particular aspect

2632

01:35:26,709 --> 01:35:24,719

on the other show that i co-host uh it's

2633

01:35:28,709 --> 01:35:26,719

called liminal frames and you spell

2634

01:35:31,750 --> 01:35:28,719

frames with a ph so that comes from the

2635

01:35:33,990 --> 01:35:31,760

phenomenon so liminal frames

2636

01:35:37,830 --> 01:35:34,000

uh liminal frames is uh a totally

2637

01:35:40,709 --> 01:35:37,840

different animal um my co-host is his

2638

01:35:42,390 --> 01:35:40,719

name is exo academian so he's totally

2639

01:35:44,390 --> 01:35:42,400

synonymous uh you know talk about

2640

01:35:46,709 --> 01:35:44,400

anonymity he's uh i don't you know most

2641

01:35:48,470 --> 01:35:46,719

people don't know anything about him um

2642

01:35:52,149 --> 01:35:48,480

other than his pseudonym

2643

01:35:53,830 --> 01:35:52,159

um but it just so happens that uh

2644

01:35:55,350 --> 01:35:53,840

i'm a fan of his show it's called point

2645

01:35:57,109 --> 01:35:55,360

of convergence

2646

01:35:59,350 --> 01:35:57,119

and uh one day while i'm listening to

2647

01:36:01,750 --> 01:35:59,360

the show you know he kind of signs off

2648

01:36:03,109 --> 01:36:01,760

at the end and says i'm you know

2649

01:36:04,229 --> 01:36:03,119

doing the show from the blue ridge

2650

01:36:05,750 --> 01:36:04,239

mountains and i'm thinking to myself

2651
01:36:07,350 --> 01:36:05,760
well i'm in the blue ridge mountains you

2652
01:36:10,149 --> 01:36:07,360
know like i gotta find this guy how do i

2653
01:36:13,109 --> 01:36:10,159
find this guy so i sent him an email and

2654
01:36:15,350 --> 01:36:13,119
uh eventually our our paths cross and

2655
01:36:17,430 --> 01:36:15,360
and we meet up and and we decide that

2656
01:36:20,149 --> 01:36:17,440
we're going to do a kind of a joint show

2657
01:36:21,669 --> 01:36:20,159
together which is liminal frame so we do

2658
01:36:25,030 --> 01:36:21,679
that show every other week and it's

2659
01:36:26,870 --> 01:36:25,040
published on his exo academian youtube

2660
01:36:28,870 --> 01:36:26,880
channel but but what we're doing there

2661
01:36:31,910 --> 01:36:28,880
is we're really trying to

2662
01:36:33,910 --> 01:36:31,920
go through aspects of the phenomenon of

2663
01:36:34,950 --> 01:36:33,920

uf the ufo

2664

01:36:36,790 --> 01:36:34,960

topic

2665

01:36:39,750 --> 01:36:36,800

and explore those things from a lot of

2666

01:36:41,189 --> 01:36:39,760

different angles um you know we again

2667

01:36:43,350 --> 01:36:41,199

i'm coming back to this notion of

2668

01:36:45,189 --> 01:36:43,360

interpretation right and so

2669

01:36:46,310 --> 01:36:45,199

there are many ways that we can

2670

01:36:47,990 --> 01:36:46,320

interpret

2671

01:36:50,070 --> 01:36:48,000

the things that are happening and things

2672

01:36:52,070 --> 01:36:50,080

we hear about happening in this in this

2673

01:36:55,910 --> 01:36:52,080

topic and we think that it's really

2674

01:36:58,470 --> 01:36:55,920

important for uh people to be able to

2675

01:37:01,830 --> 01:36:58,480

kind of keep in their tools toolkit and

2676

01:37:03,109 --> 01:37:01,840

the the ability to to hold out

2677

01:37:05,189 --> 01:37:03,119

you know one of these

2678

01:37:07,669 --> 01:37:05,199

experiences or incidents or whatever and

2679

01:37:09,750 --> 01:37:07,679

examine it from different aspects so we

2680

01:37:11,510 --> 01:37:09,760

really work hard on that show to take

2681

01:37:13,910 --> 01:37:11,520

things that are familiar to folks who

2682

01:37:15,750 --> 01:37:13,920

are into this topic but you know kind of

2683

01:37:17,910 --> 01:37:15,760

move them around and look at them from

2684

01:37:20,870 --> 01:37:17,920

different perspectives and and and kind

2685

01:37:23,270 --> 01:37:20,880

of find some validity in each of those

2686

01:37:24,229 --> 01:37:23,280

perspectives we find that

2687

01:37:25,910 --> 01:37:24,239

you can

2688

01:37:28,149 --> 01:37:25,920

gain a greater understanding of what

2689

01:37:29,750 --> 01:37:28,159

what's going on if you if you're

2690

01:37:31,910 --> 01:37:29,760

brave enough to ask those different

2691

01:37:35,109 --> 01:37:31,920

questions and and sit with what those

2692

01:37:37,109 --> 01:37:35,119

different conclusions might be uh so

2693

01:37:39,109 --> 01:37:37,119

you know if you're into you know kind of

2694

01:37:40,870 --> 01:37:39,119

more of the consciousness aspect of this

2695

01:37:43,109 --> 01:37:40,880

if you're into you know kind of more of

2696

01:37:45,590 --> 01:37:43,119

the heady or academic sort of side of

2697

01:37:47,430 --> 01:37:45,600

this topic then liminal frames would be

2698

01:37:49,109 --> 01:37:47,440

for you and if you're really into the

2699

01:37:51,669 --> 01:37:49,119

community stuff and kind of positive

2700

01:37:53,990 --> 01:37:51,679

energy then calling all beings would be

2701

01:37:55,430 --> 01:37:54,000

uh your forte as well so two two

2702

01:37:56,470 --> 01:37:55,440

interest that i have that i fortunately

2703

01:37:57,990 --> 01:37:56,480

have the

2704

01:38:00,629 --> 01:37:58,000

ability to

2705

01:38:03,430 --> 01:38:00,639

to do in the in this space

2706

01:38:06,629 --> 01:38:03,440

so the uh liminal frames that's

2707

01:38:09,189 --> 01:38:06,639

p-h-r-a-m that's correct yeah

2708

01:38:11,669 --> 01:38:09,199

and how do you pick your topics and that

2709

01:38:13,990 --> 01:38:11,679

that's a great question so we uh we meet

2710

01:38:17,109 --> 01:38:14,000

in person in the off weeks where we are

2711

01:38:19,510 --> 01:38:17,119

not recording i see and we usually meet

2712

01:38:21,189 --> 01:38:19,520

over a beer or a coffee and we'll talk

2713

01:38:22,790 --> 01:38:21,199

for like three hours it's the beer

2714

01:38:24,310 --> 01:38:22,800

that'll do it it's the beer that'll do

2715

01:38:26,629 --> 01:38:24,320

it but what's funny about it martin is

2716

01:38:27,990 --> 01:38:26,639

like so we'll talk for like three hours

2717

01:38:29,830 --> 01:38:28,000

and we'll basically shut down the

2718

01:38:31,270 --> 01:38:29,840

establishment and you know we have to

2719

01:38:33,270 --> 01:38:31,280

literally leave because they're closing

2720

01:38:34,310 --> 01:38:33,280

the doors and it's at that point where

2721

01:38:35,750 --> 01:38:34,320

we're like what are we going to talk

2722

01:38:38,390 --> 01:38:35,760

about on the next show like we don't

2723

01:38:39,189 --> 01:38:38,400

talk about the show until the very end

2724

01:38:41,590 --> 01:38:39,199

um

2725

01:38:43,590 --> 01:38:41,600

but that's how i research my guest too

2726

01:38:45,750 --> 01:38:43,600

it's crazy it's just you just gotta let

2727

01:38:47,270 --> 01:38:45,760

it happen to you i think um

2728

01:38:49,830 --> 01:38:47,280

but we've had a wonderful time doing

2729

01:38:51,510 --> 01:38:49,840

that and uh we've changed the format a

2730

01:38:53,430 --> 01:38:51,520

little bit um

2731

01:38:54,629 --> 01:38:53,440

and right now our format is we basically

2732

01:38:57,109 --> 01:38:54,639

take like

2733

01:38:58,790 --> 01:38:57,119

a few clips a few audio clips and we'll

2734

01:38:59,830 --> 01:38:58,800

we'll play that audio and and then

2735

01:39:01,430 --> 01:38:59,840

discuss

2736

01:39:03,189 --> 01:39:01,440

you know whatever's whatever happens to

2737

01:39:04,550 --> 01:39:03,199

be in that in that clip so we'll we'll

2738

01:39:06,790 --> 01:39:04,560

pull things from different interviews

2739

01:39:08,870 --> 01:39:06,800

and and go over that material

2740

01:39:11,669 --> 01:39:08,880

and your panel of five on calling all

2741

01:39:14,070 --> 01:39:11,679

beings what do you discuss on

2742

01:39:16,390 --> 01:39:14,080

that in particular again more or less is

2743

01:39:18,470 --> 01:39:16,400

it is it about you said you had an

2744

01:39:20,870 --> 01:39:18,480

experience or as one of the people

2745

01:39:23,109 --> 01:39:20,880

involved is that does that something you

2746

01:39:25,750 --> 01:39:23,119

also explore and talk about

2747

01:39:28,070 --> 01:39:25,760

we do and we give her the space to kind

2748

01:39:31,189 --> 01:39:28,080

of ask the question from

2749

01:39:33,189 --> 01:39:31,199

from her own experience there uh so

2750

01:39:35,910 --> 01:39:33,199

um i think the the strength of our show

2751

01:39:38,070 --> 01:39:35,920

is the diversity of our of our panel um

2752

01:39:40,070 --> 01:39:38,080

it is challenging to host a show

2753

01:39:41,350 --> 01:39:40,080

uh in an hour an hour and a half with uh

2754

01:39:43,669 --> 01:39:41,360

when you have five people asking

2755

01:39:45,510 --> 01:39:43,679

questions but the the the benefit of

2756

01:39:46,950 --> 01:39:45,520

that is that um

2757

01:39:49,109 --> 01:39:46,960

each person really brings something

2758

01:39:51,910 --> 01:39:49,119

special to the conversation whether that

2759

01:39:54,149 --> 01:39:51,920

be a little dash of humor or something

2760

01:39:57,990 --> 01:39:54,159

that's you know really get you thinking

2761

01:40:00,229 --> 01:39:58,000

uh or you know something that is um

2762

01:40:02,070 --> 01:40:00,239

you know validating and nurturing and or

2763

01:40:05,189 --> 01:40:02,080

even kind of very data centric you know

2764

01:40:08,229 --> 01:40:05,199

so we have uh one of our panelists deb

2765

01:40:10,229 --> 01:40:08,239

uh has done a ton of work with documents

2766

01:40:11,590 --> 01:40:10,239

since she has a website called the ufo

2767

01:40:12,709 --> 01:40:11,600

connector

2768

01:40:14,470 --> 01:40:12,719

where she just

2769

01:40:16,709 --> 01:40:14,480

it's a wonderful resource for this

2770

01:40:18,629 --> 01:40:16,719

material but she comes at it from a kind

2771

01:40:20,229 --> 01:40:18,639

of research researcher's perspective so

2772

01:40:22,310 --> 01:40:20,239

you get all of these different voices

2773

01:40:23,590 --> 01:40:22,320

engaging with the guests

2774

01:40:25,030 --> 01:40:23,600

trying we do our best to try to make

2775

01:40:26,870 --> 01:40:25,040

them feel at home

2776

01:40:28,629 --> 01:40:26,880

martin we'd love to have you on the show

2777

01:40:30,629 --> 01:40:28,639

and uh and just to have a wonderful

2778

01:40:31,990 --> 01:40:30,639

conversation where we can you know

2779

01:40:34,070 --> 01:40:32,000

hopefully learn a little bit more about

2780

01:40:35,350 --> 01:40:34,080

what's going on uh in

2781

01:40:37,030 --> 01:40:35,360

in an area where there's just not that

2782

01:40:39,590 --> 01:40:37,040

much information right

2783

01:40:42,709 --> 01:40:39,600

yeah yeah there's a lot of speculation

2784

01:40:45,510 --> 01:40:42,719

and no information yes information and

2785

01:40:47,750 --> 01:40:45,520

unfortunately uh yeah and but i still

2786

01:40:48,950 --> 01:40:47,760

find it you know you mentioned how many

2787

01:40:52,629 --> 01:40:48,960

shows and how many years i've been doing

2788

01:40:54,629 --> 01:40:52,639

this i wouldn't be doing it unless i

2789

01:40:57,510 --> 01:40:54,639

you know i wouldn't be doing it for the

2790

01:40:59,830 --> 01:40:57,520

money because there is none so

2791

01:41:01,270 --> 01:40:59,840

it's about it's about the fascination

2792

01:41:05,189 --> 01:41:01,280

you know it's about

2793

01:41:07,590 --> 01:41:05,199

uh i personally think it's the biggest

2794

01:41:09,270 --> 01:41:07,600

topic that we could possibly

2795

01:41:12,149 --> 01:41:09,280

um you know ever

2796

01:41:14,070 --> 01:41:12,159

get an answer to if we ever do i

2797

01:41:16,629 --> 01:41:14,080

i don't have a lot of faith

2798

01:41:18,470 --> 01:41:16,639

in my lifetime that i'll actually know

2799

01:41:21,109 --> 01:41:18,480

what's going on but

2800

01:41:23,189 --> 01:41:21,119

uh but it's possible you know it's

2801
01:41:24,870 --> 01:41:23,199
possible i i do think you know one of

2802
01:41:27,669 --> 01:41:24,880
the things that the hearing that i

2803
01:41:30,229 --> 01:41:27,679
thought was kind of interesting was

2804
01:41:34,629 --> 01:41:30,239
that they i forget who it was that said

2805
01:41:37,350 --> 01:41:34,639
it um i can't remember but it was

2806
01:41:38,470 --> 01:41:37,360
basically along the lines that

2807
01:41:39,350 --> 01:41:38,480
we will

2808
01:41:40,870 --> 01:41:39,360
share

2809
01:41:43,830 --> 01:41:40,880
information

2810
01:41:46,390 --> 01:41:43,840
unless it's something that

2811
01:41:49,510 --> 01:41:46,400
of the methods on how

2812
01:41:52,390 --> 01:41:49,520
um on how we get this information

2813
01:41:54,229 --> 01:41:52,400

would have to be uh you know uh i forget

2814

01:41:57,590 --> 01:41:54,239

exactly what would have to be classified

2815

01:41:58,790 --> 01:41:57,600

or or something like that in other words

2816

01:42:01,350 --> 01:41:58,800

if they found out that their

2817

01:42:03,430 --> 01:42:01,360

extraterrestrial will never know i mean

2818

01:42:06,229 --> 01:42:03,440

i don't know what they was trying to say

2819

01:42:09,189 --> 01:42:06,239

exactly but uh if they said if we found

2820

01:42:12,790 --> 01:42:09,199

out this way or that way we can't reveal

2821

01:42:15,350 --> 01:42:12,800

how we resource these things so you know

2822

01:42:17,350 --> 01:42:15,360

so that wouldn't be known basically yeah

2823

01:42:18,550 --> 01:42:17,360

it's uh i mean we're all watching i

2824

01:42:20,629 --> 01:42:18,560

think with baited breath and what's

2825

01:42:22,470 --> 01:42:20,639

going to happen there um i'm i'm an

2826

01:42:25,510 --> 01:42:22,480

optimist i'm encouraged by the momentum

2827

01:42:28,229 --> 01:42:25,520

that we've seen in the last few years

2828

01:42:29,590 --> 01:42:28,239

um i do think we're going to get this

2829

01:42:30,629 --> 01:42:29,600

a little bit further than we've had it

2830

01:42:32,709 --> 01:42:30,639

before

2831

01:42:34,709 --> 01:42:32,719

um at the same time i i you know i do

2832

01:42:37,910 --> 01:42:34,719

think that we have to be realistic um

2833

01:42:39,109 --> 01:42:37,920

you know as you said we may not uh

2834

01:42:41,109 --> 01:42:39,119

you know we may not really get the

2835

01:42:42,550 --> 01:42:41,119

answers that we think we're going to get

2836

01:42:43,910 --> 01:42:42,560

and that might be okay i mean at the end

2837

01:42:45,750 --> 01:42:43,920

of the day i think we have to realize

2838

01:42:47,350 --> 01:42:45,760

that no matter what we learn

2839

01:42:49,430 --> 01:42:47,360

we're gonna have more questions and

2840

01:42:51,669 --> 01:42:49,440

that's okay you know so we need to be

2841

01:42:53,669 --> 01:42:51,679

comfortable with questions uh we're not

2842

01:42:55,510 --> 01:42:53,679

gonna get all of our answers and just be

2843

01:42:56,390 --> 01:42:55,520

done with it and then somehow reads some

2844

01:42:58,629 --> 01:42:56,400

kind of

2845

01:42:59,990 --> 01:42:58,639

informational nirvana you know it's not

2846

01:43:03,109 --> 01:43:00,000

it's not going to happen

2847

01:43:06,310 --> 01:43:03,119

uh right what was your take on uh

2848

01:43:07,990 --> 01:43:06,320

uh usdi moultrie's uh you know sort of

2849

01:43:09,189 --> 01:43:08,000

admission of his interest in science

2850

01:43:11,270 --> 01:43:09,199

fiction and

2851
01:43:13,430 --> 01:43:11,280
you know did you think how do you like

2852
01:43:15,990 --> 01:43:13,440
that personally i i personally thought

2853
01:43:18,790 --> 01:43:16,000
they were kind of belittling him but

2854
01:43:20,709 --> 01:43:18,800
leslie kane when she was on the show she

2855
01:43:22,950 --> 01:43:20,719
said that uh you know they're more

2856
01:43:24,709 --> 01:43:22,960
humanizing it and i don't think they i

2857
01:43:26,709 --> 01:43:24,719
think she's probably right i don't think

2858
01:43:29,189 --> 01:43:26,719
they were uh you know what i'm gonna

2859
01:43:31,350 --> 01:43:29,199
open the lines i we only have

2860
01:43:33,189 --> 01:43:31,360
uh about 10 minutes we might be able to

2861
01:43:35,030 --> 01:43:33,199
take one call or two

2862
01:43:38,070 --> 01:43:35,040
that phone number is up on the screen

2863
01:43:41,109 --> 01:43:39,510

is standing by

2864

01:43:43,350 --> 01:43:41,119

so if you have a question for our guest

2865

01:43:45,030 --> 01:43:43,360

tonight um like i said we can take one

2866

01:43:47,030 --> 01:43:45,040

or two calls it seems like there's been

2867

01:43:49,830 --> 01:43:47,040

some good activity in the

2868

01:43:51,030 --> 01:43:49,840

in the chat uh tonight as far as people

2869

01:43:52,390 --> 01:43:51,040

wanting to know

2870

01:43:53,910 --> 01:43:52,400

um thanks so

2871

01:43:56,149 --> 01:43:53,920

again that number is up on the screen

2872

01:43:58,870 --> 01:43:56,159

eight five five four seven two five four

2873

01:43:59,990 --> 01:43:58,880

eight three and bill is waiting to take

2874

01:44:01,270 --> 01:44:00,000

your call

2875

01:44:04,470 --> 01:44:01,280

um

2876

01:44:06,790 --> 01:44:04,480

so i agree martin on that uh on your and

2877

01:44:08,709 --> 01:44:06,800

on leslie's sort of comment though i i

2878

01:44:10,310 --> 01:44:08,719

felt that to be

2879

01:44:13,109 --> 01:44:10,320

like you can think about that that

2880

01:44:15,590 --> 01:44:13,119

situation with those military men and uh

2881

01:44:17,750 --> 01:44:15,600

and that that particular setting and it

2882

01:44:19,270 --> 01:44:17,760

feels so very official and stuffy and

2883

01:44:22,229 --> 01:44:19,280

the fact that he was

2884

01:44:23,990 --> 01:44:22,239

you know really kind of uh

2885

01:44:25,990 --> 01:44:24,000

being open about an interest a hobby

2886

01:44:28,550 --> 01:44:26,000

that he has that some people might find

2887

01:44:30,550 --> 01:44:28,560

weird for a serious military person i

2888

01:44:31,510 --> 01:44:30,560

thought that was really great

2889

01:44:33,510 --> 01:44:31,520

yeah

2890

01:44:34,629 --> 01:44:33,520

no it is if you if you think about a lot

2891

01:44:36,709 --> 01:44:34,639

of people

2892

01:44:39,350 --> 01:44:36,719

um you know i had someone from the cia

2893

01:44:42,149 --> 01:44:39,360

that was on a lot of people from the

2894

01:44:44,229 --> 01:44:42,159

cia are interested in the topic that

2895

01:44:46,470 --> 01:44:44,239

doesn't mean that they're wacko right i

2896

01:44:49,350 --> 01:44:46,480

mean it's it's an it's a mystery it's a

2897

01:44:51,270 --> 01:44:49,360

it's it's something and i've mentioned

2898

01:44:52,709 --> 01:44:51,280

on this show before you know i

2899

01:45:26,229 --> 01:44:52,719

i

2900

01:45:28,149 --> 01:45:26,239

answers here and um yes where there may

2901

01:45:30,149 --> 01:45:28,159

be situations where we can't

2902

01:45:31,669 --> 01:45:30,159

reveal everything and and i hope that

2903

01:45:33,030 --> 01:45:31,679

those are there are good reasons for

2904

01:45:34,950 --> 01:45:33,040

that

2905

01:45:36,790 --> 01:45:34,960

right right and uh

2906

01:45:38,070 --> 01:45:36,800

i'm trying to think about let's see i

2907

01:45:39,590 --> 01:45:38,080

had john

2908

01:45:42,149 --> 01:45:39,600

ramirez

2909

01:45:44,870 --> 01:45:42,159

from the retired from the cia and he

2910

01:45:47,910 --> 01:45:44,880

basically said that the

2911

01:45:49,030 --> 01:45:47,920

people that he knew in his office in the

2912

01:45:50,470 --> 01:45:49,040

cia

2913

01:45:53,270 --> 01:45:50,480

were drawn

2914

01:45:56,070 --> 01:45:53,280

they were i was always interested in the

2915

01:45:58,229 --> 01:45:56,080

ufo topic but were drawn to be into this

2916

01:46:00,790 --> 01:45:58,239

in the cia i've heard which i think is

2917

01:46:02,070 --> 01:46:00,800

another another really uh funny

2918

01:46:05,109 --> 01:46:02,080

characteristic

2919

01:46:08,149 --> 01:46:05,119

so uh last call for calls i'll take down

2920

01:46:10,629 --> 01:46:08,159

the sign coming up uh in just about five

2921

01:46:11,669 --> 01:46:10,639

minutes so we only have time for a call

2922

01:46:13,590 --> 01:46:11,679

or two

2923

01:46:15,430 --> 01:46:13,600

the numbers eight five five four seven

2924

01:46:17,750 --> 01:46:15,440

two five four eight three i thought for

2925

01:46:19,270 --> 01:46:17,760

sure we'd get some people calling it

2926

01:46:21,350 --> 01:46:19,280

it's okay i see a lot of folks a lot of

2927

01:46:22,790 --> 01:46:21,360

names that i'm familiar with in uh in

2928

01:46:24,830 --> 01:46:22,800

the social space

2929

01:46:27,590 --> 01:46:24,840

um i do see a question there about bob

2930

01:46:29,109 --> 01:46:27,600

lazar oh do you like that one well every

2931

01:46:31,669 --> 01:46:29,119

time i have potato you get that one

2932

01:46:34,629 --> 01:46:31,679

every episode that's a hot potato

2933

01:46:37,109 --> 01:46:34,639

uh yeah i get i get uh wet i think we're

2934

01:46:38,550 --> 01:46:37,119

saved by the belt looks like we got uh

2935

01:46:40,950 --> 01:46:38,560

we have jeff

2936

01:46:43,750 --> 01:46:40,960

uh let me add this to the stream we have

2937

01:46:46,629 --> 01:46:43,760

jeff calling from indiana jeff you are

2938

01:46:48,070 --> 01:46:46,639

live and on the air welcome to the show

2939

01:46:50,149 --> 01:46:48,080

thank you very much uh good evening

2940

01:46:51,830 --> 01:46:50,159

martin good evening

2941

01:46:54,070 --> 01:46:51,840

and uh

2942

01:46:56,310 --> 01:46:54,080

i uh i just wanted to say that i thought

2943

01:47:01,910 --> 01:46:58,070

the letters

2944

01:47:03,030 --> 01:47:01,920

first uh report to the congress

2945

01:47:04,550 --> 01:47:03,040

and the

2946

01:47:06,709 --> 01:47:04,560

meeting that they had the other day it

2947

01:47:09,030 --> 01:47:06,719

was just a bunch of nothing

2948

01:47:11,750 --> 01:47:09,040

and the fact that those fellows

2949

01:47:13,430 --> 01:47:11,760

knew nothing of the moundstrom

2950

01:47:16,229 --> 01:47:13,440

where they shut our nuclear missiles

2951

01:47:17,750 --> 01:47:16,239

down was just absolutely

2952

01:47:19,990 --> 01:47:17,760

yeah we did we actually talked about

2953

01:47:22,310 --> 01:47:20,000

that earlier yes

2954

01:47:25,590 --> 01:47:22,320

you may be just joining the show uh but

2955

01:47:27,109 --> 01:47:25,600

yeah we talked about that earlier

2956

01:47:29,830 --> 01:47:27,119

i listened to it i was i was seconding

2957

01:47:32,149 --> 01:47:29,840

what you said there it was just oh i see

2958

01:47:33,830 --> 01:47:32,159

if they don't think that was uh

2959

01:47:37,030 --> 01:47:33,840

they should know that when

2960

01:47:39,109 --> 01:47:37,040

that's a matter of national security

2961

01:47:40,870 --> 01:47:39,119

uh that's pathetic that these guys i

2962

01:47:42,390 --> 01:47:40,880

don't believe those guys for one thing

2963

01:47:44,310 --> 01:47:42,400

for what they that they said that they

2964

01:47:46,470 --> 01:47:44,320
never heard that before

2965

01:47:47,750 --> 01:47:46,480
you know i just don't believe it

2966

01:47:49,590 --> 01:47:47,760
and uh

2967

01:47:51,270 --> 01:47:49,600
i i just they're they're still

2968

01:47:54,070 --> 01:47:51,280
stonewalling

2969

01:47:55,990 --> 01:47:54,080
they're not going to tell us

2970

01:47:57,830 --> 01:47:56,000
nothing and and probably the only reason

2971

01:47:59,510 --> 01:47:57,840
they've come this far is i believe the

2972

01:48:01,669 --> 01:47:59,520
pilots

2973

01:48:03,590 --> 01:48:01,679
uh don't want to operate in an unsafe

2974

01:48:05,669 --> 01:48:03,600
atmosphere around their ships they're

2975

01:48:07,189 --> 01:48:05,679
afraid of having collisions

2976

01:48:09,109 --> 01:48:07,199

and i think they were forced more or

2977

01:48:11,030 --> 01:48:09,119

less you know and then along with lou

2978

01:48:14,229 --> 01:48:11,040

d'alessandros would he

2979

01:48:16,629 --> 01:48:14,239

he decided to come out uh but uh

2980

01:48:18,310 --> 01:48:16,639

i i i don't know that was almost too

2981

01:48:19,750 --> 01:48:18,320

good to be true this is almost too good

2982

01:48:20,870 --> 01:48:19,760

to be true

2983

01:48:22,629 --> 01:48:20,880

and we're going oh we're going to get

2984

01:48:24,709 --> 01:48:22,639

disclosure

2985

01:48:27,990 --> 01:48:24,719

but guess what we really aren't getting

2986

01:48:30,310 --> 01:48:28,000

a whole lot of information yet you know

2987

01:48:30,320 --> 01:48:34,550

i've been researching this a long time

2988

01:48:38,229 --> 01:48:35,990

you know you want to know what these

2989

01:48:40,310 --> 01:48:38,239

beings are

2990

01:48:43,109 --> 01:48:40,320

uh dr edgar mitchell said he

2991

01:48:44,229 --> 01:48:43,119

he correlated directly to the bible

2992

01:48:50,149 --> 01:48:44,239

now

2993

01:48:51,910 --> 01:48:50,159

i kind of gotta agree with him and in my

2994

01:48:53,270 --> 01:48:51,920

opinion i believe if you want to think

2995

01:48:54,870 --> 01:48:53,280

of anything

2996

01:48:56,790 --> 01:48:54,880

if you're pertaining to the bible what

2997

01:48:58,390 --> 01:48:56,800

these things would be they are the

2998

01:49:00,310 --> 01:48:58,400

fallen angels

2999

01:49:02,790 --> 01:49:00,320

and supposedly according to the bible

3000

01:49:04,950 --> 01:49:02,800

god cast

3001

01:49:07,030 --> 01:49:04,960

lucifer and a third of the angels it was

3002

01:49:09,830 --> 01:49:07,040

his followers down onto the earth and

3003

01:49:13,750 --> 01:49:09,840

this is now his domain

3004

01:49:20,709 --> 01:49:16,470

it's a it's a uh it's a lottery or it's

3005

01:49:26,310 --> 01:49:23,109

he who ends up with the most souls wins

3006

01:49:28,790 --> 01:49:26,320

either lucifer or or god the creator

3007

01:49:31,030 --> 01:49:28,800

and i think we're in the middle

3008

01:49:32,390 --> 01:49:31,040

but uh this is supposedly lucifer's

3009

01:49:35,030 --> 01:49:32,400

domain

3010

01:49:37,030 --> 01:49:35,040

and he's not a human none of the angels

3011

01:49:37,830 --> 01:49:37,040

were ever human

3012

01:49:40,950 --> 01:49:37,840

uh

3013

01:49:42,709 --> 01:49:40,960

jeff do you have a question for our

3014

01:49:43,910 --> 01:49:42,719

guest

3015

01:49:45,350 --> 01:49:43,920

uh

3016

01:49:48,229 --> 01:49:45,360

well you know he was elaborating while

3017

01:49:50,310 --> 01:49:48,239

ago as being a great being raised in a

3018

01:49:52,390 --> 01:49:50,320

religious setting

3019

01:49:54,390 --> 01:49:52,400

and uh

3020

01:49:56,470 --> 01:49:54,400

i was kind of

3021

01:49:58,629 --> 01:49:56,480

and he drifted off of that you know and

3022

01:50:02,310 --> 01:49:58,639

and i i was uh

3023

01:50:04,550 --> 01:50:02,320

i was kind of giving uh

3024

01:50:05,750 --> 01:50:04,560

i guess i guess i guess i really don't

3025

01:50:07,030 --> 01:50:05,760

you know have a

3026

01:50:08,629 --> 01:50:07,040

question for him i've listened to him

3027

01:50:11,430 --> 01:50:08,639

the whole show and

3028

01:50:12,790 --> 01:50:11,440

and uh he seems very uh

3029

01:50:14,470 --> 01:50:12,800

uh

3030

01:50:16,550 --> 01:50:14,480

interested in this subject i'm an

3031

01:50:18,550 --> 01:50:16,560

experiencer and you know i'll tell you

3032

01:50:19,589 --> 01:50:18,560

what you guys need

3033

01:50:25,030 --> 01:50:19,599

you need

3034

01:50:27,350 --> 01:50:25,040

wife did in broad daylight

3035

01:50:29,189 --> 01:50:27,360

and it went on for quite a while

3036

01:50:31,830 --> 01:50:29,199

and we got about as good a look at these

3037

01:50:33,270 --> 01:50:31,840

machines they are machines

3038

01:50:36,870 --> 01:50:33,280

as you can get

3039

01:50:39,030 --> 01:50:36,880

and when you once you see it you will be

3040

01:50:41,270 --> 01:50:39,040

you will really be

3041

01:50:43,350 --> 01:50:41,280

uh an investigator after that i mean you

3042

01:50:44,390 --> 01:50:43,360

will be you when you know what you see

3043

01:50:45,750 --> 01:50:44,400

like you said

3044

01:50:49,589 --> 01:50:45,760

um

3045

01:50:50,709 --> 01:50:49,599

well we are running out of time just to

3046

01:50:53,109 --> 01:50:50,719

let you know

3047

01:50:57,109 --> 01:50:53,119

oh okay um

3048

01:51:02,149 --> 01:50:59,350

i just don't know

3049

01:51:03,669 --> 01:51:02,159

no i just if

3050

01:51:06,310 --> 01:51:03,679

what would be the pro how could you

3051
01:51:08,149 --> 01:51:06,320
pressure

3052
01:51:09,750 --> 01:51:08,159
congress anymore

3053
01:51:12,310 --> 01:51:09,760
to uh

3054
01:51:14,390 --> 01:51:12,320
to to make these guys come through and

3055
01:51:15,910 --> 01:51:14,400
and tell us the pentagon to tell us

3056
01:51:17,990 --> 01:51:15,920
what's going on you know what could what

3057
01:51:19,750 --> 01:51:18,000
do you think could be done

3058
01:51:21,750 --> 01:51:19,760
because we're not going to get it i can

3059
01:51:23,750 --> 01:51:21,760
tell you right now thanks mark for

3060
01:51:25,350 --> 01:51:23,760
having me sorry all right

3061
01:51:27,830 --> 01:51:25,360
sure thank you

3062
01:51:30,550 --> 01:51:27,840
yeah great question and jeff we have to

3063
01:51:32,790 --> 01:51:30,560

we have less than two minutes okay yeah

3064

01:51:34,709 --> 01:51:32,800

let's let's hit it quick then so jeff uh

3065

01:51:36,790 --> 01:51:34,719

i think it's great the uh passion that

3066

01:51:38,390 --> 01:51:36,800

you have for the topic and and then i

3067

01:51:40,070 --> 01:51:38,400

would love to you know hear about your

3068

01:51:41,189 --> 01:51:40,080

experience it sounds very you know

3069

01:51:42,229 --> 01:51:41,199

impressive

3070

01:51:44,310 --> 01:51:42,239

um

3071

01:51:46,070 --> 01:51:44,320

you know i think i agree with him that

3072

01:51:48,229 --> 01:51:46,080

the the pilots are are incredibly

3073

01:51:49,910 --> 01:51:48,239

compelling and i think that the the the

3074

01:51:51,830 --> 01:51:49,920

congress members

3075

01:51:53,030 --> 01:51:51,840

uh seem to be aware of that as well in

3076

01:51:56,070 --> 01:51:53,040

fact many of them have heard that

3077

01:51:58,149 --> 01:51:56,080

testimony uh in in private briefing so i

3078

01:52:00,629 --> 01:51:58,159

i would hope that we will get some of

3079

01:52:03,270 --> 01:52:00,639

these pilots uh behind the microphone in

3080

01:52:05,589 --> 01:52:03,280

a public fashion in future hearings i'm

3081

01:52:06,950 --> 01:52:05,599

hearing a lot about uh

3082

01:52:08,870 --> 01:52:06,960

hearings that will continue to take

3083

01:52:11,030 --> 01:52:08,880

place i think this is going to be a

3084

01:52:12,629 --> 01:52:11,040

pretty big year for the the the subject

3085

01:52:14,229 --> 01:52:12,639

there's a lot happening

3086

01:52:15,669 --> 01:52:14,239

uh i know people hear this all the time

3087

01:52:17,910 --> 01:52:15,679

but there is quite a lot happening

3088

01:52:18,790 --> 01:52:17,920

behind the scenes uh in pushing this

3089

01:52:20,390 --> 01:52:18,800

forward

3090

01:52:22,390 --> 01:52:20,400

at least for the people that i traffic

3091

01:52:23,990 --> 01:52:22,400

with and and the people that you know

3092

01:52:25,830 --> 01:52:24,000

they are connected to i know that

3093

01:52:27,990 --> 01:52:25,840

there's a lot taking place so

3094

01:52:30,709 --> 01:52:28,000

again i'm an optimist i think that uh

3095

01:52:33,030 --> 01:52:30,719

it's hard to put this sort of uh

3096

01:52:34,470 --> 01:52:33,040

toothpaste back in the tube i think uh

3097

01:52:36,629 --> 01:52:34,480

we're gonna continue to see momentum

3098

01:52:39,109 --> 01:52:36,639

here and you know if with any luck we'll

3099

01:52:41,910 --> 01:52:39,119

all be brushing our teeth with it uh

3100

01:52:43,830 --> 01:52:41,920

eventually so yeah hey nathan it's been

3101

01:52:45,589 --> 01:52:43,840

really a real pleasure talking to you it

3102

01:52:47,589 --> 01:52:45,599

was great i'm glad i took the chance on

3103

01:52:49,510 --> 01:52:47,599

a one namer

3104

01:52:51,350 --> 01:52:49,520

thank you martin and i look forward to

3105

01:52:52,950 --> 01:52:51,360

talking with you in the future all right

3106

01:52:55,270 --> 01:52:52,960

you take care and yeah sure i'll be on

3107

01:52:57,030 --> 01:52:55,280

your show excellent all right take care

3108

01:52:58,790 --> 01:52:57,040

bye

3109

01:53:00,629 --> 01:52:58,800

all right that's it for our show tonight

3110

01:53:03,030 --> 01:53:00,639

thank you everyone very much and we'll

3111

01:53:06,149 --> 01:53:03,040

be back next week with philip mantle and

3112

01:53:09,030 --> 01:53:06,159

charles lear in that order both talking

3113

01:53:10,629 --> 01:53:09,040

about uh their new books and a lot more

3114

01:53:12,170 --> 01:53:10,639

again thank you and remember to keep

3115

01:53:23,210 --> 01:53:12,180

your eyes to the sky
