3  
00:00:35,569 --> 00:00:32,880  
UFOs were left to the private

4  
00:00:39,170 --> 00:00:35,579  
investigators by Charles Lear on

5  
00:00:40,790 --> 00:00:39,180  
December 17 1969 the Air Force issued a

6  
00:00:42,709 --> 00:00:40,800  
press release through the office of

7  
00:00:45,110 --> 00:00:42,719  
assistant Secretary of Defense public

8  
00:00:46,850 --> 00:00:45,120  
affairs announcing the termination of

9  
00:00:48,770 --> 00:00:46,860  
the Air Force's UFO investigation

10  
00:00:51,350 --> 00:00:48,780  
Project Blue Book with the end of

11  
00:00:53,510 --> 00:00:51,360  
Project Blue Book UFO investigation was

12  
00:00:55,610 --> 00:00:53,520  
left to private organizations and the

13  
00:00:57,529 --> 00:00:55,620

two most prominent at the time were the

14

00:01:00,349 --> 00:00:57,539

aerial phenomena research organization

15

00:01:02,029 --> 00:01:00,359

run by Jim and Carl Lorensen and the

16

00:01:04,009 --> 00:01:02,039

national investigations committee on

17

00:01:07,010 --> 00:01:04,019

aerial phenomena directed by Major

18

00:01:09,230 --> 00:01:07,020

Donald E Kehoe U.S Marine Corps retired

19

00:01:11,390 --> 00:01:09,240

besides the challenge of now being the

20

00:01:14,090 --> 00:01:11,400

two main places to turn to for Citizens

21

00:01:16,070 --> 00:01:14,100

wanting to make UFO reports both groups

22

00:01:18,109 --> 00:01:16,080

were about to face some major changes in

23

00:01:19,850 --> 00:01:18,119

their organizational structures that

24

00:01:22,070 --> 00:01:19,860

would lead to the demise of one and

25

00:01:25,609 --> 00:01:22,080

create a major rival for the other in

26  
00:01:28,429 --> 00:01:25,619  
the July 1969 Issue Number 20 of Skylake

27  
00:01:31,730 --> 00:01:28,439  
a publication started in September 1960

28  
00:01:34,069 --> 00:01:31,740  
9 by Missouri residents John Coons Norma

29  
00:01:35,749 --> 00:01:34,079  
short and Ted Phillips Jr it has

30  
00:01:38,330 --> 00:01:35,759  
announced that Skylock is now the

31  
00:01:40,670 --> 00:01:38,340  
official publication of the Midwest UFO

32  
00:01:43,370 --> 00:01:40,680  
Network the magazine staff at this point

33  
00:01:46,370 --> 00:01:43,380  
is listed as Norma short Ted Phillips Jr

34  
00:01:48,889 --> 00:01:46,380  
John schussler Walter Andrus and Lucius

35  
00:01:50,870 --> 00:01:48,899  
Farish schuessler is described as an

36  
00:01:53,810 --> 00:01:50,880  
opera consultant and Andrus is

37  
00:01:55,609 --> 00:01:53,820  
co-chairman of Illinois section apro and

38  
00:01:58,069 --> 00:01:55,619

Illinois state director of the Midwest

39

00:02:00,230 --> 00:01:58,079

UFO Network there is a description of

40

00:02:01,850 --> 00:02:00,240

the group's formation process and it is

41

00:02:04,429 --> 00:02:01,860

mentioned that the group would be

42

00:02:06,410 --> 00:02:04,439

affiliated with apro but not controlled

43

00:02:09,410 --> 00:02:06,420

by afro through a dotted line

44

00:02:12,050 --> 00:02:09,420

relationship the affiliation wouldn't

45

00:02:14,809 --> 00:02:12,060

last long according to a brief history

46

00:02:16,610 --> 00:02:14,819

of mufon written by John schussler the

47

00:02:18,589 --> 00:02:16,620

apro management reacted to the

48

00:02:20,750 --> 00:02:18,599

government's words shutting down Project

49

00:02:23,210 --> 00:02:20,760

Blue Book by reinforcing their

50

00:02:25,030 --> 00:02:23,220

centralized management approach one can

51  
00:02:28,190 --> 00:02:25,040  
see a hint of this in the July August

52  
00:02:30,830 --> 00:02:28,200  
1969 April bulletin in an article on

53  
00:02:33,530 --> 00:02:30,840  
page H2 headlined field investigators

54  
00:02:35,330 --> 00:02:33,540  
Network the reader is told this once the

55  
00:02:37,369 --> 00:02:35,340  
field investigator's network is running

56  
00:02:39,410 --> 00:02:37,379  
smoothly apra will notify the

57  
00:02:41,869 --> 00:02:39,420  
investigator closest to the scene of a

58  
00:02:44,270 --> 00:02:41,879  
UFO incident and receive a prompt and

59  
00:02:47,150 --> 00:02:44,280  
accurate report according to schustler

60  
00:02:49,070 --> 00:02:47,160  
Andrus was getting a flow of reports and

61  
00:02:51,650 --> 00:02:49,080  
needed to train investigators on his own

62  
00:02:54,589 --> 00:02:51,660  
and oversee investigations in his own

63  
00:02:57,350 --> 00:02:54,599

backyard Andrus pled his case to apro

64

00:02:59,390 --> 00:02:57,360

but they became more determined that the

65

00:03:02,210 --> 00:02:59,400

Midwest contingent was a hindrance

66

00:03:04,369 --> 00:03:02,220

rather than a help to abro in response

67

00:03:06,649 --> 00:03:04,379

address contacted investigators from

68

00:03:09,430 --> 00:03:06,659

Wisconsin Illinois Kansas and Missouri

69

00:03:12,949 --> 00:03:09,440

and held a meeting on May 31

70

00:03:15,290 --> 00:03:12,959

1969. it was there that Alan R Aki an

71

00:03:17,170 --> 00:03:15,300

apro consultant and associate professor

72

00:03:20,270 --> 00:03:17,180

of chemistry at Wisconsin University

73

00:03:22,850 --> 00:03:20,280

proposed the creation of the Midwest UFO

74

00:03:26,509 --> 00:03:22,860

Network the Midwest UFO Network became

75

00:03:28,910 --> 00:03:26,519

the mutual UFO Network in 1973 and

76

00:03:32,030 --> 00:03:28,920

continues under that name as of of this

77

00:03:34,670 --> 00:03:32,040

writing as mufon grew so did a sense of

78

00:03:36,830 --> 00:03:34,680

rivalry between that group and afro this

79

00:03:39,229 --> 00:03:36,840

came to a head during the 1980 cash

80

00:03:42,289 --> 00:03:39,239

Landrum case Kirk Collins wrote about

81

00:03:45,050 --> 00:03:42,299

this in a blog headlined mufon vs afro

allegations accusations and counter

83

blurry limes there he provides links to

86

00:03:57,229 --> 00:03:55,439

documents that give an indication as to

87

00:04:01,250 --> 00:03:57,239

how it odds the two groups have become

88

00:04:03,710 --> 00:04:01,260

in a letter dated July 27 1982 written

89

00:04:06,949 --> 00:04:03,720

by Carl Lorensen to Robert Barrow she

90

00:04:09,649 --> 00:04:06,959

calls Andrus a first-rate liar she then

91

00:04:11,990 --> 00:04:09,659

adds this he is almost single-handedly

92

00:04:14,570 --> 00:04:12,000

responsible for the mongrelization of

93

00:04:16,670 --> 00:04:14,580

UFO research with his promoting of P

94

00:04:19,550 --> 00:04:16,680

brains who do its bidding and add names

95

00:04:22,430 --> 00:04:19,560

to his list of state directors Etc Ad

96

00:04:25,310 --> 00:04:22,440

nauseam Donald E Keo was removed as

97

00:04:27,230 --> 00:04:25,320

director of nycap in 1969. the

98

00:04:29,629 --> 00:04:27,240

organization died a slow death after

99

00:04:32,270 --> 00:04:29,639

that and there has been speculation that

100

00:04:34,909 --> 00:04:32,280

the CIA had a hand in it Todd zachele

101  
00:04:38,270 --> 00:04:34,919  
wrote about the CIA nycop Connection in

102  
00:04:40,189 --> 00:04:38,280  
the January 1979 issue of just cause the

103  
00:04:43,390 --> 00:04:40,199  
newsletter put out by citizens against

104  
00:04:46,790 --> 00:04:43,400  
UFO secrecy nycap was incorporated in

105  
00:04:49,129 --> 00:04:46,800  
1956 and two men's a shell ardues were

106  
00:04:51,170 --> 00:04:49,139  
covert CIA operatives were put into

107  
00:04:54,050 --> 00:04:51,180  
chair positions within the organization

108  
00:04:55,909 --> 00:04:54,060  
one of these men was Bernard J.O

109  
00:04:58,310 --> 00:04:55,919  
Carvalho was made the chairman of

110  
00:05:00,590 --> 00:04:58,320  
nycap's membership committee according

111  
00:05:02,810 --> 00:05:00,600  
to Zay shell Carvalho worked as a

112  
00:05:05,930 --> 00:05:02,820  
frontman for companies secretly run by

113  
00:05:08,029 --> 00:05:05,940

the CIA the other was count Nicholas de

114

00:05:10,850 --> 00:05:08,039

Roquefort who has made Vice chairman of

115

00:05:12,770 --> 00:05:10,860

nicap according to zaychel De Roquefort

116

00:05:15,469 --> 00:05:12,780

worked with the cia's psychological

117

00:05:17,629 --> 00:05:15,479

warfare staff zaychel tells the reader

118

00:05:19,610 --> 00:05:17,639

there is more than ample evidence to

119

00:05:21,770 --> 00:05:19,620

conclusively establish both the

120

00:05:23,510 --> 00:05:21,780

Roquefort and Carvalho or at least

121

00:05:25,670 --> 00:05:23,520

during certain periods of their lives

122

00:05:28,010 --> 00:05:25,680

covert employees of the Central

123

00:05:30,650 --> 00:05:28,020

Intelligence Agency the director of

124

00:05:33,230 --> 00:05:30,660

night for its first year was T Townsend

125

00:05:35,810 --> 00:05:33,240

brown brown was replaced by Kehoe at the

126

00:05:38,450 --> 00:05:35,820

end of 1956 and Carvalho and de

127

00:05:40,490 --> 00:05:38,460

Roquefort left shortly thereafter Keo

128

00:05:43,610 --> 00:05:40,500

had been a classmate of vice admiral

129

00:05:45,529 --> 00:05:43,620

Roscoe hillencoder U.S Navy retired at

130

00:05:47,930 --> 00:05:45,539

the Naval Academy in Annapolis Maryland

131

00:05:49,689 --> 00:05:47,940

and he got Helen cutter to agree to sit

132

00:05:51,830 --> 00:05:49,699

on nikap's Board of Governors

133

00:05:54,110 --> 00:05:51,840

hillencoder was the first director of

134

00:05:56,930 --> 00:05:54,120

the CIA so this is a definite connection

135

00:05:58,969 --> 00:05:56,940

between the CIA and nicap it doesn't

136

00:06:01,309 --> 00:05:58,979

seem as if Helen cutter was under any

137

00:06:03,529 --> 00:06:01,319

direct influence by the CIA while he was

138

00:06:05,570 --> 00:06:03,539

with niccat Hill encoders publicly

139

00:06:07,969 --> 00:06:05,580

stated beliefs aligned with those of

140

00:06:10,070 --> 00:06:07,979

Kehoe and nycap and he openly accused

141

00:06:12,710 --> 00:06:10,080

the air force of misleading the American

142

00:06:15,230 --> 00:06:12,720

public when it came to UFOs and urged

143

00:06:19,070 --> 00:06:15,240

action by Congress to reduce the danger

144

00:06:20,990 --> 00:06:19,080

from secrecy in 1962 hillencoder seems

145

00:06:22,969 --> 00:06:21,000

to have had a change of heart that year

146

00:06:24,830 --> 00:06:22,979

he resigned from the board in the midst

147

00:06:27,230 --> 00:06:24,840

of kehoe's efforts to get Congress to

148

00:06:29,510 --> 00:06:27,240

hold open hearings on UFOs and the Air

149

00:06:31,670 --> 00:06:29,520

Force's handling of the pro problem in

150

00:06:33,590 --> 00:06:31,680

his letter of resignation Helen coder

151

00:06:35,990 --> 00:06:33,600

wrote The Air Force cannot do more under

152

00:06:37,850 --> 00:06:36,000

the circumstances and I believe we

153

00:06:40,370 --> 00:06:37,860

should not continue to criticize their

154

00:06:42,110 --> 00:06:40,380

investigations seychell addresses the

155

00:06:45,350 --> 00:06:42,120

presence on the board at the time of his

156

00:06:47,689 --> 00:06:45,360

writing of Colonel Joseph Bryan III U.S

157

00:06:50,210 --> 00:06:47,699

Air Force retired whom he describes as

158

00:06:53,770 --> 00:06:50,220

the founder and original chief of the

159

00:06:56,870 --> 00:06:53,780

cia's psychological warfare staff

160

00:06:59,029 --> 00:06:56,880

1947-1953 Seychelles says that during

161

00:07:01,670 --> 00:06:59,039

interviews he held with Brian Brian

162

00:07:04,249 --> 00:07:01,680

confirmed his CIA connections Brian

163

00:07:06,950 --> 00:07:04,259

asked that his position as a covert CIA

164

00:07:08,749 --> 00:07:06,960

operative not be made public and denied

165

00:07:11,330 --> 00:07:08,759

having any connection or communication

166

00:07:13,730 --> 00:07:11,340

with the agency while he sat on nycap's

167

00:07:16,249 --> 00:07:13,740

board when it was suggested to Brian the

168

00:07:18,469 --> 00:07:16,259

two CIA covert agents had penetrated

169

00:07:20,570 --> 00:07:18,479

nycap at its very beginning Brian

170

00:07:22,850 --> 00:07:20,580

replied there's nothing to penetrate

171

00:07:26,089 --> 00:07:22,860

about it was all overt the whole thing

172

00:07:28,249 --> 00:07:26,099

after Keo was removed as director he was

173

00:07:31,309 --> 00:07:28,259

kicked upstairs and moved to the board

174

00:07:32,990 --> 00:07:31,319

Jack Acuff took over a cuff had been the

175

00:07:35,330 --> 00:07:33,000

head of the Society of photographic

176  
00:07:37,490 --> 00:07:35,340  
scientists and Engineers which according

177  
00:07:40,189 --> 00:07:37,500  
to say shell have been the target of

178  
00:07:42,249 --> 00:07:40,199  
frequent KGB spying attempts due to the

179  
00:07:45,469 --> 00:07:42,259  
fact that many of its members were CIA

180  
00:07:47,930 --> 00:07:45,479  
photoanalysts Seychelles says that Acuff

181  
00:07:50,210 --> 00:07:47,940  
had been approached by Soviet agents on

182  
00:07:52,610 --> 00:07:50,220  
several occasions and reported this to

183  
00:07:55,670 --> 00:07:52,620  
the FBI he began meeting with the

184  
00:07:58,430 --> 00:07:55,680  
Soviets at the behest of the FBI acting

185  
00:08:01,309 --> 00:07:58,440  
in effect as a covert agent another

186  
00:08:04,430 --> 00:08:01,319  
suspected CIA affiliate in the nicap

187  
00:08:08,150 --> 00:08:04,440  
organization was G Stuart Nixon who in

188  
00:08:11,089 --> 00:08:08,160

1973 was assistant to akov say shell

190

00:08:16,730 --> 00:08:13,620

an unnamed person indicates some

191

00:08:19,490 --> 00:08:16,740

familiarity with G Stuart Nixon seychell

192

00:08:22,129 --> 00:08:19,500

also points out that daily Nica blogs

193

00:08:25,249 --> 00:08:22,139

reflect that Nixon met with several past

194

00:08:27,350 --> 00:08:25,259

and present then CIA employees on a

195

00:08:29,990 --> 00:08:27,360

frequent basis at the time of

196

00:08:31,790 --> 00:08:30,000

seychelle's writing nycap was withering

197

00:08:34,490 --> 00:08:31,800

and close to death as an organization

198

00:08:37,969 --> 00:08:34,500

and Acuff had been replaced by Alan C

200

Bethesda seychell concludes this article

201  
00:08:45,130 --> 00:08:42,719  
by bringing up the theory that the CIA

202  
00:08:47,990 --> 00:08:45,140  
had purposely destroyed the leading

203  
00:08:49,970 --> 00:08:48,000  
anti-secrecy organization of the 1960s

204  
00:08:53,090 --> 00:08:49,980  
and stopped short of agreeing with this

205  
00:08:55,610 --> 00:08:53,100  
this possibility was debated online by

206  
00:08:58,550 --> 00:08:55,620  
nycap insiders including Fran Ridge

207  
00:09:02,269 --> 00:08:58,560  
Gordon lore and Jan Aldridge as recently

208  
00:09:04,730 --> 00:09:02,279  
as 2018 and they were unable to agree on

209  
00:09:07,490 --> 00:09:04,740  
whether it was the CIA or just poor

210  
00:09:09,650 --> 00:09:07,500  
management that killed nycap the CIA

211  
00:09:13,250 --> 00:09:09,660  
nycap connection was looked into deeply

212  
00:09:16,310 --> 00:09:13,260  
by Jack Brewer in his 2021 book Wayward

213  
00:09:18,590 --> 00:09:16,320

sons nycap in the IC Brewer did

214

00:09:20,990 --> 00:09:18,600  
extensive research and filed foia

215

00:09:24,170 --> 00:09:21,000  
requests and was unable to positively

216

00:09:26,210 --> 00:09:24,180  
identify any of the suspected CIA covert

217

00:09:28,790 --> 00:09:26,220  
agents as such though the evidence he

218

00:09:30,769 --> 00:09:28,800  
presents appears convincing through or

219

00:09:33,230 --> 00:09:30,779  
leans towards the idea that the CIA

220

00:09:35,150 --> 00:09:33,240  
helped set up the organization and used

221

00:09:37,730 --> 00:09:35,160  
it as an asset for various purposes

222

00:09:39,769 --> 00:09:37,740  
including propaganda leak detection and

223

00:09:42,110 --> 00:09:39,779  
money laundering and then put an end to

224

00:09:44,449 --> 00:09:42,120  
it when it outlived its usefulness he

225

00:09:46,550 --> 00:09:44,459  
likes a shell stopped short of reaching

226

00:09:48,769 --> 00:09:46,560

a final conclusion so the question of

227

00:09:50,990 --> 00:09:48,779
