

A hand is pouring beer from a bottle into a glass. The beer is golden and has a thick white head of foam. A cork lies on the surface next to the glass. In the background, a dartboard is visible. The text "THE BASEMENT HANGOUT" is overlaid in a white, distressed, stencil-like font.

# THE BASEMENT HANGOUT

1  
00:00:05,030 --> 00:00:01,750  
hello everyone this is martin willis

2  
00:00:08,150 --> 00:00:05,040  
from podcast ufo and our guest last

3  
00:00:09,830 --> 00:00:08,160  
night did not show up actually and this

4  
00:00:12,709 --> 00:00:09,840  
has only happened

5  
00:00:15,190 --> 00:00:12,719  
two times in a 10 year span

6  
00:00:17,590 --> 00:00:15,200  
it's a live show and so i had to cancel

7  
00:00:19,109 --> 00:00:17,600  
it when she did not show up i heard from

8  
00:00:21,189 --> 00:00:19,119  
her later saying that she was in her

9  
00:00:22,310 --> 00:00:21,199  
kitchen where her clock was

10  
00:00:23,590 --> 00:00:22,320  
one hour

11  
00:00:28,390 --> 00:00:23,600  
behind

12  
00:00:30,470 --> 00:00:28,400  
so be it as it may i decided to post

13  
00:00:31,669 --> 00:00:30,480

this podcast i did with the basement

14

00:00:34,150 --> 00:00:31,679

hangout

15

00:00:36,069 --> 00:00:34,160

this is with chad and bob

16

00:00:38,549 --> 00:00:36,079

they're a lot of fun it's on the lighter

17

00:00:39,990 --> 00:00:38,559

side but i hope you enjoy it they

18

00:00:42,069 --> 00:00:40,000

suggested that

19

00:00:44,790 --> 00:00:42,079

i play this since the guests didn't show

20

00:00:46,869 --> 00:00:44,800

up and i thought it was a great idea our

21

00:00:50,310 --> 00:00:46,879

guests next week there are three of them

22

00:00:53,029 --> 00:00:50,320

there's matthew sedagush kevin knuth and

23

00:00:55,110 --> 00:00:53,039

gary voorhees so that's live next week

24

00:00:58,310 --> 00:00:55,120

at the usual time 7 p.m

25

00:01:00,630 --> 00:00:58,320

eastern on tuesday thank you and enjoy

26

00:01:02,549 --> 00:01:00,640

this show

27

00:01:05,030 --> 00:01:02,559

hi everyone this is martin willis from

28

00:01:06,710 --> 00:01:05,040

podcast ufo hanging out with the

29

00:01:09,920 --> 00:01:06,720

basement hangout with these two

30

00:01:24,230 --> 00:01:09,930

knuckleheads is always a lot of fun

31

00:01:29,270 --> 00:01:26,950

what's up all you ufologists welcome to

32

00:01:31,910 --> 00:01:29,280

the basement hangout coming to you from

33

00:01:34,310 --> 00:01:31,920

somewhere in american suburbia my name

34

00:01:41,010 --> 00:01:34,320

is chad and with me as always is bob and

35

00:01:46,550 --> 00:01:44,310

[Music]

36

00:01:48,310 --> 00:01:46,560

so that is nice glad to be back in the

37

00:01:50,469 --> 00:01:48,320

basement the basement missed you the

38

00:01:53,749 --> 00:01:50,479

shuffleboard has had no action for two

39

00:01:58,310 --> 00:01:55,590

with us tonight is martin willis from

40

00:01:59,670 --> 00:01:58,320

podcast ufo our old friend martin thank

41

00:02:00,870 --> 00:01:59,680

you for joining us how are you this

42

00:02:03,030 --> 00:02:00,880

evening

43

00:02:05,190 --> 00:02:03,040

i'm doing great hey by the way your

44

00:02:07,270 --> 00:02:05,200

basement looks better than most

45

00:02:09,510 --> 00:02:07,280

apartments

46

00:02:11,510 --> 00:02:09,520

that's very nice well we did just finish

47

00:02:13,830 --> 00:02:11,520

it a few months ago what is that now

48

00:02:15,990 --> 00:02:13,840

like maybe four or five months ago yeah

49

00:02:17,990 --> 00:02:16,000

and we got a shuffle board

50

00:02:20,550 --> 00:02:18,000

so before we uh

51  
00:02:22,390 --> 00:02:20,560  
before we record we play a couple games

52  
00:02:23,830 --> 00:02:22,400  
of shuffleboard bob usually beats me

53  
00:02:26,869 --> 00:02:23,840  
unfortunately

54  
00:02:28,949 --> 00:02:26,879  
um so yeah we're we're upgraded as you

55  
00:02:31,830 --> 00:02:28,959  
can see we have a nice wood paneled wall

56  
00:02:35,030 --> 00:02:31,840  
here behind the big screen tv yeah

57  
00:02:37,190 --> 00:02:35,040  
so well uh i love shuffleboard i'm not

58  
00:02:38,869 --> 00:02:37,200  
gonna say i'm great at it but uh

59  
00:02:40,949 --> 00:02:38,879  
you know it's it's really fun i've

60  
00:02:42,869 --> 00:02:40,959  
played ever since i was a little kid oh

61  
00:02:44,790 --> 00:02:42,879  
cool well next time you're in this area

62  
00:02:47,750 --> 00:02:44,800  
we'll have you over

63  
00:02:49,670 --> 00:02:47,760

yeah we'll we'll we'll do it for money

64

00:02:50,710 --> 00:02:49,680

absolutely chad doesn't like that he

65

00:02:53,910 --> 00:02:50,720

likes that

66

00:02:57,190 --> 00:02:55,270

so martin

67

00:02:59,990 --> 00:02:57,200

the main reason we wanted to have you on

68

00:03:03,670 --> 00:03:00,000

is because you know we wanted to find

69

00:03:05,750 --> 00:03:03,680

out what is going on in the world of ufo

70

00:03:07,110 --> 00:03:05,760

you have people on your show week in

71

00:03:09,750 --> 00:03:07,120

week out

72

00:03:12,630 --> 00:03:09,760

uh reputable people people that are very

73

00:03:13,910 --> 00:03:12,640

much into the topic and not even so much

74

00:03:16,309 --> 00:03:13,920

on the fringe

75

00:03:19,270 --> 00:03:16,319

and so i don't know let's let's pick

76

00:03:22,630 --> 00:03:19,280

your brain what's going on what's new

77

00:03:24,390 --> 00:03:22,640

well you know as we continue on uh since

78

00:03:25,830 --> 00:03:24,400

the last time that we spoke you know

79

00:03:27,750 --> 00:03:25,840

some things have happened that have been

80

00:03:29,830 --> 00:03:27,760

pretty interesting

81

00:03:31,589 --> 00:03:29,840

and that is you know there was uh back i

82

00:03:34,070 --> 00:03:31,599

think it was may 17th

83

00:03:36,550 --> 00:03:34,080

there was a congressional hearing on

84

00:03:39,350 --> 00:03:36,560

they call it uap it's kind of funny

85

00:03:42,070 --> 00:03:39,360

because uh if you if i'm out there and i

86

00:03:43,990 --> 00:03:42,080

say to someone the word i mean the

87

00:03:46,070 --> 00:03:44,000

acronym you uap

88

00:03:49,670 --> 00:03:46,080

they say well what does that mean and i

89

00:03:52,550 --> 00:03:49,680

have to say ufo exactly

90

00:03:55,589 --> 00:03:52,560

yeah and so you know the reason they

91

00:03:59,429 --> 00:03:55,599

they use that word is because they feel

92

00:04:01,750 --> 00:03:59,439

that the acronym ufo has a stigma of

93

00:04:05,030 --> 00:04:01,760

little green men and mars and all that

94

00:04:06,470 --> 00:04:05,040

so um but i disagree with that you know

95

00:04:08,949 --> 00:04:06,480

myself because

96

00:04:11,429 --> 00:04:08,959

you know it's uh unidentified flying

97

00:04:14,949 --> 00:04:11,439

object that's all it really means

98

00:04:18,229 --> 00:04:14,959

so uh in uap is uh oh god

99

00:04:20,469 --> 00:04:18,239

uh unidentified aerial phenomenon yeah i

100

00:04:24,230 --> 00:04:20,479

believe yes that's what it is

101  
00:04:26,629 --> 00:04:24,240  
and so anyway um so the hearing was may

102  
00:04:29,350 --> 00:04:26,639  
17th and there was some interesting

103  
00:04:32,150 --> 00:04:29,360  
things came up they showed a couple of

104  
00:04:34,469 --> 00:04:32,160  
crappy videos which mean nothing and i

105  
00:04:36,390 --> 00:04:34,479  
it's almost like uh

106  
00:04:38,310 --> 00:04:36,400  
it's kind of to muddy the waters or

107  
00:04:40,390 --> 00:04:38,320  
something i don't understand they they

108  
00:04:42,070 --> 00:04:40,400  
must have a lot better videos than what

109  
00:04:43,430 --> 00:04:42,080  
what they showed smoking and one of them

110  
00:04:45,430 --> 00:04:43,440  
might look like it could have been a

111  
00:04:47,270 --> 00:04:45,440  
mylar balloon so they were

112  
00:04:51,510 --> 00:04:47,280  
they were playing it down in in my

113  
00:04:54,150 --> 00:04:51,520

opinion um they were asked about this um

114

00:04:56,950 --> 00:04:54,160

there was a representative gallagher

115

00:04:57,990 --> 00:04:56,960

was there and he asked some really good

116

00:04:58,870 --> 00:04:58,000

questions

117

00:05:02,310 --> 00:04:58,880

he

118

00:05:03,749 --> 00:05:02,320

ever

119

00:05:05,749 --> 00:05:03,759

knew anything about

120

00:05:08,629 --> 00:05:05,759

maelstrom air force base

121

00:05:11,749 --> 00:05:08,639

uh the nuclear warheads in the

122

00:05:13,350 --> 00:05:11,759

ufos you know stopping them you know

123

00:05:16,469 --> 00:05:13,360

things like that disrupting them and all

124

00:05:18,629 --> 00:05:16,479

that and uh they had no clue on that now

125

00:05:21,270 --> 00:05:18,639

this is a military

126  
00:05:23,029 --> 00:05:21,280  
and if anything could ever be classified

127  
00:05:23,830 --> 00:05:23,039  
as national security

128  
00:05:26,870 --> 00:05:23,840  
if

129  
00:05:29,830 --> 00:05:26,880  
ufos are messing with nuclear warheads

130  
00:05:33,270 --> 00:05:29,840  
i would say that would be it now i since

131  
00:05:35,510 --> 00:05:33,280  
that time in the last couple of months i

132  
00:05:38,550 --> 00:05:35,520  
spoke with a gentleman named mario woods

133  
00:05:39,350 --> 00:05:38,560  
he's very interesting now he worked at a

134  
00:05:42,790 --> 00:05:39,360  
uh

135  
00:05:43,990 --> 00:05:42,800  
an air force base in security

136  
00:05:46,790 --> 00:05:44,000  
at uh

137  
00:05:50,390 --> 00:05:46,800  
another nuclear warhead site he was on

138  
00:05:52,150 --> 00:05:50,400

top level uh security for that he got

139

00:05:54,070 --> 00:05:52,160

called out in the middle of the night

140

00:05:56,469 --> 00:05:54,080

and there was an object

141

00:05:59,510 --> 00:05:56,479

that looked like us the sun

142

00:06:01,430 --> 00:05:59,520

over one of the missile sites

143

00:06:03,430 --> 00:06:01,440

and he pulled in

144

00:06:06,790 --> 00:06:03,440

uh this is just a great story you know

145

00:06:08,070 --> 00:06:06,800

uh he pulled in and well he was he was

146

00:06:10,950 --> 00:06:08,080

passenger

147

00:06:13,029 --> 00:06:10,960

and the guy next to him driving just

148

00:06:15,510 --> 00:06:13,039

froze all of a sudden

149

00:06:17,350 --> 00:06:15,520

and like a zombie and wouldn't move or

150

00:06:20,150 --> 00:06:17,360

anything he kept yelling to him

151  
00:06:22,070 --> 00:06:20,160  
and he couldn't get his attention at all

152  
00:06:24,870 --> 00:06:22,080  
and then he saw beings

153  
00:06:26,390 --> 00:06:24,880  
it just gets crazy he saw beings and now

154  
00:06:29,990 --> 00:06:26,400  
the reason he was out there in the first

155  
00:06:31,029 --> 00:06:30,000  
place is because they got a a five uh

156  
00:06:33,909 --> 00:06:31,039  
a five

157  
00:06:36,070 --> 00:06:33,919  
level five alert at the missile site

158  
00:06:38,629 --> 00:06:36,080  
something was messing with it so we had

159  
00:06:41,909 --> 00:06:38,639  
to drive out he was about 20 minutes out

160  
00:06:43,909 --> 00:06:41,919  
and he was armed and all ready to go and

161  
00:06:45,029 --> 00:06:43,919  
he saw these beings and next thing you

162  
00:06:46,550 --> 00:06:45,039  
know

163  
00:06:50,309 --> 00:06:46,560

he wakes up

164

00:06:52,309 --> 00:06:50,319

16 miles later at the base of a dam

165

00:06:54,309 --> 00:06:52,319

looking up at the white wall of the dam

166

00:06:57,189 --> 00:06:54,319

not knowing where he is

167

00:06:59,189 --> 00:06:57,199

he gets up from the ground it's all wet

168

00:07:00,230 --> 00:06:59,199

he gets up from the ground he's not hurt

169

00:07:03,830 --> 00:07:00,240

or anything

170

00:07:06,230 --> 00:07:03,840

several hours have gone by um and he

171

00:07:08,070 --> 00:07:06,240

gets back in the truck and the radio's

172

00:07:09,749 --> 00:07:08,080

going they're looking for him and his

173

00:07:11,510 --> 00:07:09,759

partner is still sitting there like a

174

00:07:13,189 --> 00:07:11,520

zombie

175

00:07:15,830 --> 00:07:13,199

wow

176

00:07:18,469 --> 00:07:15,840

uh so they get they get uh this happened

177

00:07:20,469 --> 00:07:18,479

in 1979 so this is but it's just a great

178

00:07:23,110 --> 00:07:20,479

story so his uh

179

00:07:24,790 --> 00:07:23,120

they radioed that he didn't ha he had no

180

00:07:26,390 --> 00:07:24,800

clue where he was so he had to stay on

181

00:07:27,990 --> 00:07:26,400

the radio so they

182

00:07:29,589 --> 00:07:28,000

they um

183

00:07:33,670 --> 00:07:29,599

triangulated

184

00:07:35,510 --> 00:07:33,680

uh the signal and found him um so anyway

185

00:07:37,110 --> 00:07:35,520

there's lots of stories like that so

186

00:07:38,950 --> 00:07:37,120

where was he though

187

00:07:42,469 --> 00:07:38,960

once they did find him

188

00:07:44,550 --> 00:07:42,479

he was at the base of a reservoir a dam

189

00:07:46,950 --> 00:07:44,560

that he had never been to before

190

00:07:48,790 --> 00:07:46,960

and it was all dirt roads to get there

191

00:07:51,510 --> 00:07:48,800

and it was the road that went down to

192

00:07:53,430 --> 00:07:51,520

the side of the dam the the vehicle of

193

00:07:55,189 --> 00:07:53,440

the four-wheel drive vehicle could just

194

00:07:57,670 --> 00:07:55,199

barely get down there

195

00:07:59,510 --> 00:07:57,680

um and he had just they were in a pickup

196

00:08:01,110 --> 00:07:59,520

truck they did get out of there but it

197

00:08:02,230 --> 00:08:01,120

was you know it was really tough to get

198

00:08:03,990 --> 00:08:02,240

out of there

199

00:08:05,589 --> 00:08:04,000

so he has no idea how they ended up

200

00:08:08,150 --> 00:08:05,599

there never remembers drive you know

201  
00:08:10,390 --> 00:08:08,160  
riding there or anything ever he just

202  
00:08:11,909 --> 00:08:10,400  
has a lot of missing time that's a

203  
00:08:13,510 --> 00:08:11,919  
it's an incredible story and while he's

204  
00:08:16,469 --> 00:08:13,520  
telling me this he's only told it a few

205  
00:08:19,189 --> 00:08:16,479  
times he was on uh unidentified on the

206  
00:08:21,510 --> 00:08:19,199  
history channel they he did a real clip

207  
00:08:23,749 --> 00:08:21,520  
you know a real quick uh overview of

208  
00:08:26,469 --> 00:08:23,759  
that but while he was he and i were

209  
00:08:29,270 --> 00:08:26,479  
talking he was getting really really

210  
00:08:32,149 --> 00:08:29,280  
emotional i mean there was absolutely

211  
00:08:34,949 --> 00:08:32,159  
uh there was no faking of any type and

212  
00:08:37,750 --> 00:08:34,959  
it was uh a great story so

213  
00:08:39,829 --> 00:08:37,760

i digress i've really gone way off

214

00:08:42,389 --> 00:08:39,839

oh that's amazing about the

215

00:08:45,590 --> 00:08:42,399

congressional hearing and that they

216

00:08:48,630 --> 00:08:45,600

never knew about any of these situations

217

00:08:49,670 --> 00:08:48,640

and he said that um there were several

218

00:08:51,269 --> 00:08:49,680

times

219

00:08:52,070 --> 00:08:51,279

where

220

00:08:54,389 --> 00:08:52,080

that

221

00:08:56,790 --> 00:08:54,399

the nukes were in launch mode

222

00:08:59,350 --> 00:08:56,800

and no one put them in launch mode

223

00:09:00,949 --> 00:08:59,360

and they drove a truck on top of the

224

00:09:03,269 --> 00:09:00,959

blast doors

225

00:09:04,550 --> 00:09:03,279

this is a three-ton blast door that's

226

00:09:07,590 --> 00:09:04,560

supposed to

227

00:09:09,590 --> 00:09:07,600

uh blast off so they drove the truck on

228

00:09:11,910 --> 00:09:09,600

top of the blacks glass doors put it in

229

00:09:13,829 --> 00:09:11,920

neutral and then got about about a mile

230

00:09:16,230 --> 00:09:13,839

away hoping that when the blast doors

231

00:09:21,030 --> 00:09:16,240

would go up the truck would fall down

232

00:09:23,110 --> 00:09:21,040

inside and stop the warhead good god

233

00:09:23,910 --> 00:09:23,120

so that happened like three or four

234

00:09:27,670 --> 00:09:23,920

times

235

00:09:30,790 --> 00:09:27,680

and uh involving ufos and nobody

236

00:09:32,870 --> 00:09:30,800

uh at this congress hearing had ever

237

00:09:34,870 --> 00:09:32,880

heard of anything

238

00:09:36,870 --> 00:09:34,880

so but those stories are fascinating

239

00:09:38,470 --> 00:09:36,880

when he was depre debriefed by

240

00:09:42,389 --> 00:09:38,480

leadership

241

00:09:45,190 --> 00:09:42,399

what do they do with that information he

242

00:09:47,910 --> 00:09:45,200

said that he he said everything to them

243

00:09:50,150 --> 00:09:47,920

he didn't hold out for one minute he

244

00:09:51,590 --> 00:09:50,160

told them the exact thing right down to

245

00:09:53,269 --> 00:09:51,600

the beings he wasn't

246

00:09:55,190 --> 00:09:53,279

afraid to tell them

247

00:09:57,350 --> 00:09:55,200

uh because he said it happened so why

248

00:09:59,829 --> 00:09:57,360

should i be afraid to tell them and have

249

00:10:01,030 --> 00:09:59,839

you ever heard of the name richard dodie

250

00:10:02,710 --> 00:10:01,040

yes

251

00:10:06,069 --> 00:10:02,720

don't know what

252

00:10:08,790 --> 00:10:06,079

i have richard dodie shows up now

253

00:10:10,310 --> 00:10:08,800

richard doty is a disinformation he

254

00:10:12,710 --> 00:10:10,320

worked for the air force

255

00:10:13,829 --> 00:10:12,720

uh but he did a lot of disinformation

256

00:10:15,750 --> 00:10:13,839

there's a gentleman there was a

257

00:10:18,630 --> 00:10:15,760

gentleman named paul benowitz

258

00:10:22,069 --> 00:10:18,640

that he basically drove crazy

259

00:10:25,190 --> 00:10:22,079

um who was seeing um ufos

260

00:10:27,829 --> 00:10:25,200

in new mexico and so he's

261

00:10:30,230 --> 00:10:27,839

it and richard dodie now is getting air

262

00:10:32,069 --> 00:10:30,240

time which i i don't like at all because

263

00:10:33,110 --> 00:10:32,079

he's not a nice man he's hurt a lot of

264

00:10:37,990 --> 00:10:33,120

people

265

00:10:40,680 --> 00:10:38,000

telling the truth now out there

266

00:10:42,710 --> 00:10:40,690

anyway um i don't care let him sue me

267

00:10:45,030 --> 00:10:42,720

[Laughter]

268

00:10:47,509 --> 00:10:45,040

but uh uh so

269

00:10:49,430 --> 00:10:47,519

getting back to the hearing uh gallagher

270

00:10:51,590 --> 00:10:49,440

also mentioned

271

00:10:54,630 --> 00:10:51,600

the wilson document which is another

272

00:10:56,870 --> 00:10:54,640

rabbit hole and i do not believe there's

273

00:10:58,790 --> 00:10:56,880

uh any credibility to that document at

274

00:11:00,870 --> 00:10:58,800

all there's just it's too

275

00:11:03,350 --> 00:11:00,880

it doesn't make any sense that's that

276

00:11:07,030 --> 00:11:03,360  
was a document basically saying

277

00:11:07,910 --> 00:11:07,040  
that um this admiral wilson

278

00:11:09,110 --> 00:11:07,920  
was

279

00:11:10,870 --> 00:11:09,120  
at in

280

00:11:12,790 --> 00:11:10,880  
las vegas

281

00:11:15,990 --> 00:11:12,800  
talking to some scientists telling them

282

00:11:17,670 --> 00:11:16,000  
all about um you know aliens and ufos

283

00:11:19,590 --> 00:11:17,680  
and all that and

284

00:11:22,710 --> 00:11:19,600  
he says he was never there

285

00:11:25,110 --> 00:11:22,720  
and the notes supposedly taken from eric

286

00:11:26,150 --> 00:11:25,120  
davis who is the scientist that's

287

00:11:28,310 --> 00:11:26,160  
mentioned

288

00:11:31,350 --> 00:11:28,320

are all chaotic they don't make any

289

00:11:33,190 --> 00:11:31,360

sense at all and eric davis i think is

290

00:11:33,990 --> 00:11:33,200

liking the attention because he won't

291

00:11:36,150 --> 00:11:34,000

say

292

00:11:38,230 --> 00:11:36,160

whether he was there or that was his

293

00:11:40,150 --> 00:11:38,240

notes or not he just won't say it to

294

00:11:42,150 --> 00:11:40,160

anyone so it's another one of these

295

00:11:44,389 --> 00:11:42,160

little conspiracy theories and

296

00:11:46,630 --> 00:11:44,399

unfortunately uh representative

297

00:11:48,630 --> 00:11:46,640

gallagher mentioned that as well

298

00:11:50,310 --> 00:11:48,640

during the hearing so

299

00:11:51,910 --> 00:11:50,320

it was kind of discouraging to hear that

300

00:11:53,829 --> 00:11:51,920

because

301

00:11:57,269 --> 00:11:53,839

i just think it uh you know when you

302

00:11:59,590 --> 00:11:57,279

throw in the things that are uh

303

00:12:00,949 --> 00:11:59,600

iffy fringy

304

00:12:03,030 --> 00:12:00,959

um it's gonna

305

00:12:05,190 --> 00:12:03,040

make you know they're gonna say oh yeah

306

00:12:07,110 --> 00:12:05,200

i told you so this is the bunch of ball

307

00:12:09,990 --> 00:12:07,120

just like we all thought it was you know

308

00:12:12,550 --> 00:12:10,000

so there's a plenty of things out there

309

00:12:14,470 --> 00:12:12,560

that are very very credible where they

310

00:12:16,310 --> 00:12:14,480

didn't have to throw this one at them as

311

00:12:17,829 --> 00:12:16,320

well in my opinion so the thing that

312

00:12:20,710 --> 00:12:17,839

fascinates me about congressional

313

00:12:21,750 --> 00:12:20,720

hearings is that based on their lack of

314

00:12:24,629 --> 00:12:21,760

knowledge

315

00:12:27,110 --> 00:12:24,639

and their attempted to discover

316

00:12:29,190 --> 00:12:27,120

there's one of two things right

317

00:12:31,269 --> 00:12:29,200

either they

318

00:12:33,829 --> 00:12:31,279

don't have the information because there

319

00:12:35,590 --> 00:12:33,839

is a group of people inside of the dod

320

00:12:37,509 --> 00:12:35,600

or other federal agencies that have the

321

00:12:38,870 --> 00:12:37,519

information and are not sharing it with

322

00:12:41,670 --> 00:12:38,880

congress

323

00:12:43,670 --> 00:12:41,680

which is supposed to have oversight

324

00:12:45,190 --> 00:12:43,680

right

325

00:12:50,470 --> 00:12:45,200

or

326

00:12:51,910 --> 00:12:50,480

this is a dog and pony show

327

00:12:56,150 --> 00:12:51,920

so yeah

328

00:12:59,030 --> 00:12:56,160

neither of those make me feel very good

329

00:13:00,629 --> 00:12:59,040

i i think the latter makes more sense

330

00:13:03,030 --> 00:13:00,639

myself

331

00:13:05,829 --> 00:13:03,040

um because you know there there's

332

00:13:08,230 --> 00:13:05,839

uh i i just watched something of gary

333

00:13:11,110 --> 00:13:08,240

nolan who's been on my show um

334

00:13:12,949 --> 00:13:11,120

dr gary nolan from stanford

335

00:13:14,710 --> 00:13:12,959

who has an interest in this and he was

336

00:13:16,550 --> 00:13:14,720

basically saying that

337

00:13:19,750 --> 00:13:16,560

um

338

00:13:22,310 --> 00:13:19,760

when they come out of the hearings the

339

00:13:24,389 --> 00:13:22,320

private hearings that they come out

340

00:13:26,470 --> 00:13:24,399

wide-eyed like there's something really

341

00:13:28,470 --> 00:13:26,480

going on pardon me i can't

342

00:13:30,310 --> 00:13:28,480

that's i can't silence my phone no

343

00:13:31,590 --> 00:13:30,320

worries so wide-eyed like they heard

344

00:13:32,829 --> 00:13:31,600

something crazy

345

00:13:34,470 --> 00:13:32,839

yes

346

00:13:35,990 --> 00:13:34,480

yeah

347

00:13:38,230 --> 00:13:36,000

so uh

348

00:13:41,430 --> 00:13:38,240

i think they do know a lot

349

00:13:43,269 --> 00:13:41,440

more and but i alway i think this is

350

00:13:44,710 --> 00:13:43,279

uh a case of a little bit of window

351

00:13:46,150 --> 00:13:44,720

addressing myself

352

00:13:47,829 --> 00:13:46,160

and

353

00:13:50,310 --> 00:13:47,839

you know it's for instance here's a good

354

00:13:51,910 --> 00:13:50,320

here's another thing since that meeting

355

00:13:54,790 --> 00:13:51,920

recently nasa

356

00:13:57,350 --> 00:13:54,800

um is looking uh behind the science of

357

00:13:59,110 --> 00:13:57,360

ufos now i saw it and guess what yeah

358

00:14:00,150 --> 00:13:59,120

guess what their budget is

359

00:14:03,670 --> 00:14:00,160

what

360

00:14:06,470 --> 00:14:03,680

100 thousand dollars jesus

361

00:14:08,389 --> 00:14:06,480

so you couldn't pay the director

362

00:14:10,949 --> 00:14:08,399

that's like uh a hundred thousand

363

00:14:12,069 --> 00:14:10,959

dollars and you're going to sell it okay

364

00:14:13,910 --> 00:14:12,079

so

365

00:14:15,829 --> 00:14:13,920

wow uh they think that they'll find it

366

00:14:17,269 --> 00:14:15,839

they think that it's uh something to do

367

00:14:18,550 --> 00:14:17,279

with science that just hasn't been

368

00:14:20,790 --> 00:14:18,560

discovered yet

369

00:14:23,030 --> 00:14:20,800

uh which you know possibly some of these

370

00:14:26,150 --> 00:14:23,040

ufos could be i agree

371

00:14:27,829 --> 00:14:26,160

um but but not all of them and so i i

372

00:14:28,790 --> 00:14:27,839

think it's uh

373

00:14:30,870 --> 00:14:28,800

well

374

00:14:33,269 --> 00:14:30,880

i'm glad they're looking at it but it

375

00:14:35,189 --> 00:14:33,279

does feel more like

376

00:14:36,230 --> 00:14:35,199

the dog and pony show

377

00:14:38,150 --> 00:14:36,240

and

378

00:14:40,389 --> 00:14:38,160

um you know it's been done before many

379

00:14:42,870 --> 00:14:40,399

times so you know the

380

00:14:45,509 --> 00:14:42,880

the condon report the close of project

381

00:14:47,430 --> 00:14:45,519

blue book nothing to hear you know

382

00:14:49,990 --> 00:14:47,440

nothing to see here

383

00:14:52,710 --> 00:14:50,000

that type of thing yeah uh when secretly

384

00:14:56,069 --> 00:14:52,720

there were they continued on

385

00:14:57,990 --> 00:14:56,079

and uh project blue book was also just

386

00:15:00,470 --> 00:14:58,000

like the cover of everything that's not

387

00:15:03,430 --> 00:15:00,480

where all the really good cases went

388

00:15:05,430 --> 00:15:03,440

so um so i think there is

389

00:15:07,750 --> 00:15:05,440

indeed part of the government that is

390

00:15:09,590 --> 00:15:07,760

has always taken this seriously

391

00:15:11,189 --> 00:15:09,600

but i don't know how much more

392

00:15:12,389 --> 00:15:11,199

information they have

393

00:15:14,230 --> 00:15:12,399

than anyone else

394

00:15:16,389 --> 00:15:14,240

i really don't know they

395

00:15:19,590 --> 00:15:16,399

definitely have more videos

396

00:15:21,829 --> 00:15:19,600

yes they definitely have more data

397

00:15:25,030 --> 00:15:21,839

so let me ask you this because one of

398

00:15:27,269 --> 00:15:25,040

the biggest figures in the ufo world

399

00:15:29,110 --> 00:15:27,279

over the last however long has been lou

400

00:15:30,790 --> 00:15:29,120

elizondo

401  
00:15:31,590 --> 00:15:30,800  
um

402  
00:15:33,990 --> 00:15:31,600  
you know

403  
00:15:36,069 --> 00:15:34,000  
where is he in all of this now i've

404  
00:15:38,069 --> 00:15:36,079  
heard some recent rumblings about he's

405  
00:15:40,949 --> 00:15:38,079  
starting to move towards this is a

406  
00:15:46,629 --> 00:15:40,959  
consciousness

407  
00:15:48,150 --> 00:15:46,639  
projecting or i don't i don't honestly

408  
00:15:49,829 --> 00:15:48,160  
i'm not smart enough to even understand

409  
00:15:52,389 --> 00:15:49,839  
what that means

410  
00:15:54,550 --> 00:15:52,399  
i've had several guests try to explain

411  
00:15:56,389 --> 00:15:54,560  
that to me and i'm still confused yeah

412  
00:15:58,790 --> 00:15:56,399  
so don't feel bad and it's nothing to do

413  
00:16:00,470 --> 00:15:58,800

with smart enough it's just it doesn't

414

00:16:02,389 --> 00:16:00,480

it's one of these things that are so

415

00:16:05,110 --> 00:16:02,399

it's so hard to comprehend i don't

416

00:16:07,269 --> 00:16:05,120

really understand i couldn't go about

417

00:16:10,069 --> 00:16:07,279

trying to explain what people have tried

418

00:16:12,310 --> 00:16:10,079

to explain to me

419

00:16:15,189 --> 00:16:12,320

a lot of a lot of it is

420

00:16:16,470 --> 00:16:15,199

supposedly a manifestation

421

00:16:18,150 --> 00:16:16,480

um

422

00:16:19,910 --> 00:16:18,160

you know but that doesn't make any sense

423

00:16:21,430 --> 00:16:19,920

in so many cases when there's multiple

424

00:16:24,069 --> 00:16:21,440

witnesses and

425

00:16:25,910 --> 00:16:24,079

but the people that talk about this seem

426

00:16:28,230 --> 00:16:25,920

to have an answer for it all i don't

427

00:16:29,910 --> 00:16:28,240

know what the answer is for that look at

428

00:16:31,910 --> 00:16:29,920

the phoenix lights when there's probably

429

00:16:33,910 --> 00:16:31,920

over a thousand people

430

00:16:34,829 --> 00:16:33,920

um that witnessed

431

00:16:36,150 --> 00:16:34,839

that

432

00:16:37,670 --> 00:16:36,160

yeah know

433

00:16:38,550 --> 00:16:37,680

the craft that could have been miles

434

00:16:42,310 --> 00:16:38,560

wide

435

00:16:43,749 --> 00:16:42,320

and uh back in 19 march of 13 1997 was

436

00:16:46,389 --> 00:16:43,759

when that happened

437

00:16:48,230 --> 00:16:46,399

and uh so i mean you can't explain

438

00:16:49,990 --> 00:16:48,240

something like that with consciousness i

439

00:16:51,990 --> 00:16:50,000

don't think

440

00:16:54,069 --> 00:16:52,000

yeah that's i don't even know what it

441

00:16:55,749 --> 00:16:54,079

means consciousness so he's saying like

442

00:16:56,710 --> 00:16:55,759

he's trying to say that people

443

00:16:57,749 --> 00:16:56,720

are

444

00:16:59,430 --> 00:16:57,759

thinking about it and then it's

445

00:17:02,230 --> 00:16:59,440

occurring to them

446

00:17:03,910 --> 00:17:02,240

type thing or not yeah type of thing

447

00:17:06,390 --> 00:17:03,920

maybe not even consciously thinking

448

00:17:08,870 --> 00:17:06,400

about it but it somehow manifests

449

00:17:11,110 --> 00:17:08,880

in in a way and but it's not really

450

00:17:13,270 --> 00:17:11,120

there yeah

451  
00:17:15,029 --> 00:17:13,280  
when they say it's not really there or

452  
00:17:16,470 --> 00:17:15,039  
whatever you know that doesn't make any

453  
00:17:17,669 --> 00:17:16,480  
sense either because there's plenty of

454  
00:17:19,750 --> 00:17:17,679  
data

455  
00:17:21,829 --> 00:17:19,760  
that shows that there is something there

456  
00:17:25,029 --> 00:17:21,839  
but on the other hand elizondo's on the

457  
00:17:26,710 --> 00:17:25,039  
side of that the the phenomenon is real

458  
00:17:29,270 --> 00:17:26,720  
he's not saying that this is fake and

459  
00:17:30,630 --> 00:17:29,280  
it's just humans projecting he's saying

460  
00:17:32,390 --> 00:17:30,640  
something about

461  
00:17:34,710 --> 00:17:32,400  
that the universe

462  
00:17:36,150 --> 00:17:34,720  
is more than we can comprehend

463  
00:17:38,870 --> 00:17:36,160

and these

464

00:17:41,190 --> 00:17:38,880

ufos or uaps

465

00:17:43,190 --> 00:17:41,200

are i don't know if it means dimensional

466

00:17:44,549 --> 00:17:43,200

like i said i don't understand it's an

467

00:17:46,310 --> 00:17:44,559

unknown but it's theirs what are you

468

00:17:49,190 --> 00:17:46,320

saying yeah but somehow our

469

00:17:50,870 --> 00:17:49,200

consciousness is involved and maybe it

470

00:17:51,669 --> 00:17:50,880

goes back to what we hear from preston

471

00:17:52,549 --> 00:17:51,679

and

472

00:17:54,470 --> 00:17:52,559

you know

473

00:17:56,310 --> 00:17:54,480

where it's

474

00:17:58,710 --> 00:17:56,320

i you know what i don't even know how to

475

00:18:01,909 --> 00:17:58,720

verbalize it it's just beyond me so is

476

00:18:03,350 --> 00:18:01,919

he saying like like uh

477

00:18:05,190 --> 00:18:03,360

people take shrooms or something like

478

00:18:08,789 --> 00:18:05,200

that or no

479

00:18:10,470 --> 00:18:08,799

and he did at one point um say that

480

00:18:14,950 --> 00:18:10,480

um

481

00:18:17,110 --> 00:18:14,960

fully understand

482

00:18:19,350 --> 00:18:17,120

it's not just nuts and bolts basically

483

00:18:20,950 --> 00:18:19,360

it seems that way but right it's not

484

00:18:23,909 --> 00:18:20,960

just craft

485

00:18:25,430 --> 00:18:23,919

i like that phrase you just said that we

486

00:18:27,590 --> 00:18:25,440

we don't think we'll you know humans

487

00:18:28,789 --> 00:18:27,600

could understand it i think that is

488

00:18:32,230 --> 00:18:28,799

probably

489

00:18:35,029 --> 00:18:32,240

very true and um i think that

490

00:18:37,909 --> 00:18:35,039

i also and it's it's hard to

491

00:18:38,789 --> 00:18:37,919

comprehend this what i've heard

492

00:18:39,750 --> 00:18:38,799

and

493

00:18:41,190 --> 00:18:39,760

think of

494

00:18:43,430 --> 00:18:41,200

is that if we

495

00:18:46,070 --> 00:18:43,440

had it explained to us what this ufo

496

00:18:47,270 --> 00:18:46,080

phenomenon is we may not even be able to

497

00:18:48,390 --> 00:18:47,280

understand

498

00:18:50,310 --> 00:18:48,400

you know i mean there are those

499

00:18:52,230 --> 00:18:50,320

possibilities or

500

00:18:55,110 --> 00:18:52,240

you know they could be several different

501  
00:18:57,029 --> 00:18:55,120  
types of things now recently i had

502  
00:18:58,230 --> 00:18:57,039  
just the other day i had dr michael

503  
00:19:01,830 --> 00:18:58,240  
masters on

504  
00:19:04,710 --> 00:19:01,840  
and his theory of what ufos are is

505  
00:19:06,230 --> 00:19:04,720  
us in the future as time travelers oh i

506  
00:19:08,150 --> 00:19:06,240  
like that that's one of my favorite

507  
00:19:08,950 --> 00:19:08,160  
theories to be honest yeah

508  
00:19:11,350 --> 00:19:08,960  
yeah

509  
00:19:12,710 --> 00:19:11,360  
and you know but

510  
00:19:15,190 --> 00:19:12,720  
i think it is

511  
00:19:17,350 --> 00:19:15,200  
if they and that could be part of it

512  
00:19:18,549 --> 00:19:17,360  
that could be one part of the puzzle i

513  
00:19:20,870 --> 00:19:18,559

still think

514

00:19:22,549 --> 00:19:20,880

that there's a a good argument for the

515

00:19:26,310 --> 00:19:22,559

extraterrestrial

516

00:19:29,270 --> 00:19:26,320

um hypothesis of of these or at least

517

00:19:30,870 --> 00:19:29,280

some of these um you know the argument

518

00:19:32,150 --> 00:19:30,880

for that is you know the the great

519

00:19:33,110 --> 00:19:32,160

distances

520

00:19:35,909 --> 00:19:33,120

that

521

00:19:36,870 --> 00:19:35,919

would have to be traveled and you know

522

00:19:38,630 --> 00:19:36,880

to give

523

00:19:40,870 --> 00:19:38,640

a perspective it's really hard to

524

00:19:43,750 --> 00:19:40,880

understand how far four and a half light

525

00:19:46,230 --> 00:19:43,760

years away the near star is

526  
00:19:48,390 --> 00:19:46,240  
i'll put it like this this was told to

527  
00:19:49,750 --> 00:19:48,400  
me by an astronomer

528  
00:19:53,350 --> 00:19:49,760  
if the

529  
00:19:55,430 --> 00:19:53,360  
uh if you were sitting in washington dc

530  
00:19:57,029 --> 00:19:55,440  
and the sun was the size of a a

531  
00:20:00,630 --> 00:19:57,039  
grapefruit

532  
00:20:04,310 --> 00:20:00,640  
um the uh earth would be

533  
00:20:06,310 --> 00:20:04,320  
the size of a ball on a ball of a i'm

534  
00:20:08,789 --> 00:20:06,320  
sorry of a uh

535  
00:20:11,669 --> 00:20:08,799  
a ballpoint pen you know the little tiny

536  
00:20:13,909 --> 00:20:11,679  
minuscule ball and a ballpoint pen

537  
00:20:15,990 --> 00:20:13,919  
and the nearest star would be in san

538  
00:20:17,669 --> 00:20:16,000

francisco yeah

539

00:20:20,070 --> 00:20:17,679

wow so that's to give you some

540

00:20:23,029 --> 00:20:20,080

perspective if you take the earth shrink

541

00:20:24,230 --> 00:20:23,039

it down to the size of the ballpoint pen

542

00:20:27,190 --> 00:20:24,240

um

543

00:20:30,870 --> 00:20:27,200

the distance is vast but i think that

544

00:20:32,870 --> 00:20:30,880

there is some type of way that

545

00:20:35,029 --> 00:20:32,880

we just haven't figured out the physics

546

00:20:37,350 --> 00:20:35,039

yet but there may be some type of way

547

00:20:40,230 --> 00:20:37,360

since space-time is

548

00:20:42,149 --> 00:20:40,240

joined together that they know how to

549

00:20:45,750 --> 00:20:42,159

travel this

550

00:20:48,470 --> 00:20:45,760

uh distance in you know in ways we can't

551  
00:20:49,990 --> 00:20:48,480  
comprehend so i think part of the you

552  
00:20:52,789 --> 00:20:50,000  
know them could be

553  
00:20:55,590 --> 00:20:52,799  
uh extraterrestrial the time travel

554  
00:20:58,549 --> 00:20:55,600  
however a really great conversation i

555  
00:21:00,710 --> 00:20:58,559  
had the other day with michael masters

556  
00:21:04,390 --> 00:21:00,720  
and uh

557  
00:21:06,870 --> 00:21:04,400  
he is an anthropologist so he thinks the

558  
00:21:07,669 --> 00:21:06,880  
way we're evolving could possibly

559  
00:21:08,950 --> 00:21:07,679  
uh

560  
00:21:09,669 --> 00:21:08,960  
go toward

561  
00:21:11,110 --> 00:21:09,679  
the

562  
00:21:12,230 --> 00:21:11,120  
grays that a lot of people are saying

563  
00:21:14,070 --> 00:21:12,240

they're seeing

564

00:21:16,710 --> 00:21:14,080

uh the gray aliens they have the big

565

00:21:20,149 --> 00:21:16,720

black guys their skin is kind of gray uh

566

00:21:21,110 --> 00:21:20,159

no noticeable nose uh or ears a slit for

567

00:21:23,510 --> 00:21:21,120

a mouth

568

00:21:26,789 --> 00:21:23,520

um they're always thin so i don't know

569

00:21:28,630 --> 00:21:26,799

they got their they got fast food

570

00:21:31,750 --> 00:21:28,640

um but uh

571

00:21:33,270 --> 00:21:31,760

so i i said the other day uh last

572

00:21:34,310 --> 00:21:33,280

tuesday when i had him on i said well

573

00:21:40,149 --> 00:21:34,320

what

574

00:21:42,230 --> 00:21:40,159

and could a new you know like in the

575

00:21:44,310 --> 00:21:42,240

millions of years because the humans as

576

00:21:46,549 --> 00:21:44,320

we know them have only been around for

577

00:21:48,149 --> 00:21:46,559

two to three hundred thousand years

578

00:21:48,870 --> 00:21:48,159

um so

579

00:21:53,110 --> 00:21:48,880

and

580

00:21:54,310 --> 00:21:53,120

have had some manipulation myself

581

00:21:57,190 --> 00:21:54,320

possibly

582

00:21:58,390 --> 00:21:57,200

from extraterrestrials possible um but

583

00:21:59,350 --> 00:21:58,400

so anyway

584

00:22:01,270 --> 00:21:59,360

uh

585

00:22:03,510 --> 00:22:01,280

say we wipe ourselves out and there's a

586

00:22:05,909 --> 00:22:03,520

lot of people thinking that we probably

587

00:22:08,149 --> 00:22:05,919

may in the next hundred years um yeah

588

00:22:10,149 --> 00:22:08,159

you know very possible

589

00:22:12,950 --> 00:22:10,159

so this is this is one of my favorite

590

00:22:13,990 --> 00:22:12,960

theories because if you think about

591

00:22:15,830 --> 00:22:14,000

um

592

00:22:17,750 --> 00:22:15,840

i don't know 100 years ago 200 years ago

593

00:22:19,029 --> 00:22:17,760

whatever it is when people were mostly

594

00:22:21,190 --> 00:22:19,039

outside

595

00:22:22,630 --> 00:22:21,200

hunting for food gathering living in

596

00:22:24,710 --> 00:22:22,640

huts whatever

597

00:22:26,630 --> 00:22:24,720

like animals you know more intelligent

598

00:22:28,070 --> 00:22:26,640

obviously but we've moved indoors we're

599

00:22:30,149 --> 00:22:28,080

air conditioned

600

00:22:31,750 --> 00:22:30,159

you know we have heat we're sitting in

601  
00:22:34,549 --> 00:22:31,760  
front of computers that are doing our

602  
00:22:36,950 --> 00:22:34,559  
thinking for us to a large part we don't

603  
00:22:39,029 --> 00:22:36,960  
need our muscles like we used to right

604  
00:22:41,110 --> 00:22:39,039  
yeah we um

605  
00:22:43,110 --> 00:22:41,120  
are i mean they talk about birth rates

606  
00:22:44,789 --> 00:22:43,120  
going down they talk about fertility

607  
00:22:47,990 --> 00:22:44,799  
going down

608  
00:22:49,830 --> 00:22:48,000  
um so you could see us not needing say

609  
00:22:51,510 --> 00:22:49,840  
the the pigment in the skin because

610  
00:22:53,510 --> 00:22:51,520  
we're not gonna be under sun

611  
00:22:54,950 --> 00:22:53,520  
so i thought you're gonna say the penis

612  
00:22:57,510 --> 00:22:54,960  
yeah you're going to say no sex organs i

613  
00:22:59,510 --> 00:22:57,520

always need the penis

614

00:23:00,549 --> 00:22:59,520

no and some people theorize that maybe

615

00:23:01,430 --> 00:23:00,559

we were

616

00:23:03,190 --> 00:23:01,440

very

617

00:23:05,590 --> 00:23:03,200

you know advanced then we were wiped out

618

00:23:07,669 --> 00:23:05,600

and now that's like starting again

619

00:23:09,990 --> 00:23:07,679

300 000 years ago kind of what i'm

620

00:23:11,830 --> 00:23:10,000

thinking could that could happen as well

621

00:23:13,510 --> 00:23:11,840

but and but right now the way we're

622

00:23:15,750 --> 00:23:13,520

going you know we we

623

00:23:17,110 --> 00:23:15,760

to for us to survive we really need like

624

00:23:19,669 --> 00:23:17,120

two earth

625

00:23:21,750 --> 00:23:19,679

earths full of resources to survive as

626

00:23:24,390 --> 00:23:21,760

is if everyone live like americans we

627

00:23:26,870 --> 00:23:24,400

need five earths you know so and we're

628

00:23:28,950 --> 00:23:26,880

going up to near the eight billion mark

629

00:23:30,630 --> 00:23:28,960

but um i did mention that to him and he

630

00:23:32,549 --> 00:23:30,640

said yeah but he believes that that may

631

00:23:34,549 --> 00:23:32,559

be like the tipping point and we'll

632

00:23:37,750 --> 00:23:34,559

start going the other way because sperm

633

00:23:40,549 --> 00:23:37,760

counts down uh there's going to be um

634

00:23:42,950 --> 00:23:40,559

there is this thing called pornography

635

00:23:44,149 --> 00:23:42,960

which uh a lot of people get involved in

636

00:23:45,590 --> 00:23:44,159

and they're i don't know what that is

637

00:23:47,110 --> 00:23:45,600

bob do you know what that is i've never

638

00:23:48,230 --> 00:23:47,120

heard of it i've never watched such

639

00:23:49,990 --> 00:23:48,240

things

640

00:23:51,669 --> 00:23:50,000

but they but they think that actually

641

00:23:53,990 --> 00:23:51,679

that made it that may slow the birth

642

00:23:56,870 --> 00:23:54,000

rate down as well you know i mean it's

643

00:23:57,830 --> 00:23:56,880

uh it's easier i guess um

644

00:23:59,269 --> 00:23:57,840

anyway

645

00:24:01,430 --> 00:23:59,279

uh

646

00:24:03,830 --> 00:24:01,440

it's all fascinating so

647

00:24:06,149 --> 00:24:03,840

he he thinks that it's it's and then i

648

00:24:09,269 --> 00:24:06,159

said well okay so you have the grace

649

00:24:11,110 --> 00:24:09,279

then what about um say at the aerial um

650

00:24:12,710 --> 00:24:11,120

incident aerial school incident back in

651  
00:24:14,870 --> 00:24:12,720  
1994

652  
00:24:17,510 --> 00:24:14,880  
they saw these beings that also had the

653  
00:24:19,029 --> 00:24:17,520  
same type of eyes however their skin was

654  
00:24:20,310 --> 00:24:19,039  
like porcelain one of them had long

655  
00:24:23,029 --> 00:24:20,320  
black hair

656  
00:24:24,710 --> 00:24:23,039  
um these beings were within four feet of

657  
00:24:27,029 --> 00:24:24,720  
one person i talked to i mean they saw

658  
00:24:27,990 --> 00:24:27,039  
them very clearly very closely

659  
00:24:28,789 --> 00:24:28,000  
and

660  
00:24:30,710 --> 00:24:28,799  
uh

661  
00:24:32,390 --> 00:24:30,720  
so i said what about them is it possible

662  
00:24:34,789 --> 00:24:32,400  
that they could be

663  
00:24:39,190 --> 00:24:34,799

millions of years beyond the grace

664

00:24:41,830 --> 00:24:39,200

or less or you know and he has uh yes um

665

00:24:44,390 --> 00:24:41,840

yes to all that it is possible that

666

00:24:45,990 --> 00:24:44,400

these the different types of beings are

667

00:24:49,029 --> 00:24:46,000

uh different involve

668

00:24:50,470 --> 00:24:49,039

of all evolutions of uh you know beings

669

00:24:53,669 --> 00:24:50,480

throughout time

670

00:24:55,110 --> 00:24:53,679

um because just like uh we invented the

671

00:24:56,470 --> 00:24:55,120

wheel we're not gonna stop using the

672

00:24:58,470 --> 00:24:56,480

wheel just like

673

00:25:02,710 --> 00:24:58,480

uh if they invent time travel they

674

00:25:05,510 --> 00:25:02,720

probably keep using time travel so

675

00:25:09,029 --> 00:25:05,520

uh anyway it's all fascinating and so i

676

00:25:10,390 --> 00:25:09,039

said so these ufos we're seeing

677

00:25:12,789 --> 00:25:10,400

um

678

00:25:14,950 --> 00:25:12,799

are they the travel time travel machines

679

00:25:16,870 --> 00:25:14,960

he said yes he said but i don't think

680

00:25:19,190 --> 00:25:16,880

the triangular ones are and i never i

681

00:25:21,110 --> 00:25:19,200

never followed them

682

00:25:22,470 --> 00:25:21,120

i'd like to know why he said that i i

683

00:25:24,149 --> 00:25:22,480

forgot to ask him

684

00:25:26,390 --> 00:25:24,159

exactly why he didn't think triangles

685

00:25:28,390 --> 00:25:26,400

were because that's the us air force

686

00:25:30,549 --> 00:25:28,400

yeah probably so

687

00:25:32,549 --> 00:25:30,559

that that could be except

688

00:25:33,909 --> 00:25:32,559

they've been seeing you know i have a

689

00:25:36,470 --> 00:25:33,919

friend that

690

00:25:38,710 --> 00:25:36,480

found out that i did a show on ufos and

691

00:25:42,390 --> 00:25:38,720

she called me she goes oh my god she

692

00:25:44,549 --> 00:25:42,400

goes i saw a ufo back in 1978.

693

00:25:46,710 --> 00:25:44,559

and she described it to me and it was a

694

00:25:48,630 --> 00:25:46,720

perfect triangle back then

695

00:25:50,950 --> 00:25:48,640

so i think if the military was

696

00:25:52,870 --> 00:25:50,960

developing and she said it made no sound

697

00:25:54,789 --> 00:25:52,880

it was right over her car and then it

698

00:25:58,390 --> 00:25:54,799

shot off like a bullet

699

00:26:00,310 --> 00:25:58,400

yeah uh 1978 this happened flies off no

700

00:26:01,990 --> 00:26:00,320

sound i think we'd be using it at warp

701  
00:26:04,950 --> 00:26:02,000  
time if we had something like that yes

702  
00:26:06,230 --> 00:26:04,960  
back in 78 yeah unless the only time

703  
00:26:09,430 --> 00:26:06,240  
you're going to use it is when it's

704  
00:26:11,830 --> 00:26:09,440  
truly existential and we haven't been in

705  
00:26:13,430 --> 00:26:11,840  
any existential war since world war ii

706  
00:26:15,190 --> 00:26:13,440  
right that you know of

707  
00:26:17,750 --> 00:26:15,200  
true you know

708  
00:26:19,269 --> 00:26:17,760  
all right so all right i i thought about

709  
00:26:20,870 --> 00:26:19,279  
that too but

710  
00:26:22,870 --> 00:26:20,880  
do you really think that that could be

711  
00:26:24,950 --> 00:26:22,880  
kept quiet for all these years i mean

712  
00:26:26,549 --> 00:26:24,960  
some people say yeah this is the reason

713  
00:26:28,390 --> 00:26:26,559

why i don't believe in conspiracy

714

00:26:31,669 --> 00:26:28,400

theories in general i don't believe that

715

00:26:34,390 --> 00:26:31,679

911 was an inside job and i have dealt

716

00:26:35,430 --> 00:26:34,400

with government you know in my my real

717

00:26:38,390 --> 00:26:35,440

life

718

00:26:40,710 --> 00:26:38,400

and i know that it's a lumbering you

719

00:26:43,830 --> 00:26:40,720

know inertia ridden

720

00:26:45,669 --> 00:26:43,840

organization and there's loose lips and

721

00:26:49,029 --> 00:26:45,679

all that i don't believe that you could

722

00:26:51,510 --> 00:26:49,039

hold something like 911 is an inside job

723

00:26:53,430 --> 00:26:51,520

the moon landing was faked we have ufo

724

00:26:54,549 --> 00:26:53,440

technologies i i do believe it would

725

00:26:55,430 --> 00:26:54,559

leak

726

00:26:56,950 --> 00:26:55,440

you know

727

00:26:59,190 --> 00:26:56,960

humans being human

728

00:27:01,110 --> 00:26:59,200

i do too eventually you know on deathbed

729

00:27:03,430 --> 00:27:01,120

or whatever you know i mean

730

00:27:04,549 --> 00:27:03,440

um ben hansen a friend of mine i don't

731

00:27:05,990 --> 00:27:04,559

know if you ever heard of him he's been

732

00:27:07,350 --> 00:27:06,000

on a few

733

00:27:09,430 --> 00:27:07,360

fact or fake

734

00:27:12,390 --> 00:27:09,440

uh a few different tv shows he does a

735

00:27:14,950 --> 00:27:12,400

lot with ufos in fact his grandfather

736

00:27:16,470 --> 00:27:14,960

his grandfather was in some every time

737

00:27:18,389 --> 00:27:16,480

something would happen

738

00:27:19,510 --> 00:27:18,399

he would go away and you know be dark

739

00:27:21,110 --> 00:27:19,520

for

740

00:27:23,350 --> 00:27:21,120

however long it took

741

00:27:25,510 --> 00:27:23,360

so on his deathbed

742

00:27:27,269 --> 00:27:25,520

he's holding his thought not ben's hand

743

00:27:29,350 --> 00:27:27,279

but his father's hand

744

00:27:31,430 --> 00:27:29,360

and he says i just have one thing to say

745

00:27:34,549 --> 00:27:31,440

we're not alone yeah that's one of the

746

00:27:36,710 --> 00:27:34,559

last things he said on his deathbed wow

747

00:27:38,710 --> 00:27:36,720

and so uh

748

00:27:39,830 --> 00:27:38,720

i i do believe

749

00:27:42,470 --> 00:27:39,840

that

750

00:27:44,549 --> 00:27:42,480

um things leak they they leak out on

751  
00:27:45,990 --> 00:27:44,559  
death beds a lot of times good people

752  
00:27:48,070 --> 00:27:46,000  
have nothing to lose they already got

753  
00:27:50,389 --> 00:27:48,080  
their pension yeah they're not worried

754  
00:27:52,149 --> 00:27:50,399  
about anything else and so one of the

755  
00:27:53,990 --> 00:27:52,159  
conspiracy theories if i have this

756  
00:27:56,549 --> 00:27:54,000  
correct on the president is it that

757  
00:27:57,830 --> 00:27:56,559  
truman signed a deal with the aliens to

758  
00:28:00,310 --> 00:27:57,840  
allow them

759  
00:28:02,870 --> 00:28:00,320  
to abduct a certain number of people so

760  
00:28:04,470 --> 00:28:02,880  
that they wouldn't just destroy us

761  
00:28:06,470 --> 00:28:04,480  
so that's why

762  
00:28:07,909 --> 00:28:06,480  
was it eisenhower eisenhower maybe it

763  
00:28:09,590 --> 00:28:07,919

was eisenhower i can't remember if it's

764

00:28:11,350 --> 00:28:09,600

eisenhower truman

765

00:28:13,510 --> 00:28:11,360

i think it was eisenhower and i think

766

00:28:15,110 --> 00:28:13,520

it's i think it's another conspiracy

767

00:28:17,830 --> 00:28:15,120

theory myself

768

00:28:19,510 --> 00:28:17,840

i really don't think so but yeah

769

00:28:21,110 --> 00:28:19,520

sounds like i haven't seen anything that

770

00:28:24,389 --> 00:28:21,120

really

771

00:28:25,909 --> 00:28:24,399

leads to make me believe that's that's

772

00:28:33,750 --> 00:28:25,919

so

773

00:28:35,990 --> 00:28:33,760

us from the future traveling back is

774

00:28:37,590 --> 00:28:36,000

that like a school history lesson or are

775

00:28:39,669 --> 00:28:37,600

they coming back to check

776

00:28:41,909 --> 00:28:39,679

like an experiment or

777

00:28:43,669 --> 00:28:41,919

what did he say on that

778

00:28:45,669 --> 00:28:43,679

yeah i mean there's a lot of you know

779

00:28:47,990 --> 00:28:45,679

encounters and abductions and things it

780

00:28:51,110 --> 00:28:48,000

makes you wonder what's going on with

781

00:28:52,230 --> 00:28:51,120

that and are they taking dna um

782

00:28:53,990 --> 00:28:52,240

but you know

783

00:28:55,510 --> 00:28:54,000

you're talking about maybe history i

784

00:28:57,350 --> 00:28:55,520

would think that

785

00:28:58,950 --> 00:28:57,360

um you know abraham lincoln would have

786

00:29:01,110 --> 00:28:58,960

seen a ufo

787

00:29:02,870 --> 00:29:01,120

uh when he was giving the gettysburg

788

00:29:04,470 --> 00:29:02,880

address or you know i mean if they're

789

00:29:05,909 --> 00:29:04,480

doing that type of thing i would think

790

00:29:06,870 --> 00:29:05,919

some real historic things that have

791

00:29:09,110 --> 00:29:06,880

happened

792

00:29:11,990 --> 00:29:09,120

uh you would think that uh they would be

793

00:29:14,070 --> 00:29:12,000

there there are in wartime though as a

794

00:29:16,310 --> 00:29:14,080

matter of fact back in the 1990s before

795

00:29:18,470 --> 00:29:16,320

i was even giving this topic any thought

796

00:29:21,510 --> 00:29:18,480

at all my insurance agent

797

00:29:24,149 --> 00:29:21,520

told me um that he was

798

00:29:25,029 --> 00:29:24,159

in a special air force unit that was

799

00:29:26,789 --> 00:29:25,039

um

800

00:29:30,710 --> 00:29:26,799

that was what did he say researching

801  
00:29:32,710 --> 00:29:30,720  
ufos during uh the vietnam war

802  
00:29:34,470 --> 00:29:32,720  
he was in this special unit

803  
00:29:36,870 --> 00:29:34,480  
and i've been trying to find the guy

804  
00:29:39,190 --> 00:29:36,880  
i've even did some work last week trying

805  
00:29:41,029 --> 00:29:39,200  
to find him uh he may have been he may

806  
00:29:43,669 --> 00:29:41,039  
be passed away by now but

807  
00:29:47,430 --> 00:29:43,679  
um but anyway uh

808  
00:29:49,990 --> 00:29:47,440  
there is a lot going on in war times

809  
00:29:51,510 --> 00:29:50,000  
in the in regards to ufos he said every

810  
00:29:54,789 --> 00:29:51,520  
time they were napalming they would see

811  
00:29:57,750 --> 00:29:54,799  
ufos which is really bizarre um so is

812  
00:29:59,990 --> 00:29:57,760  
that history um i i don't know and then

813  
00:30:02,470 --> 00:30:00,000

there's the foo fighters back during

814

00:30:04,950 --> 00:30:02,480

world war ii that were seen everywhere

815

00:30:08,070 --> 00:30:04,960

they didn't look like discs or anything

816

00:30:10,070 --> 00:30:08,080

that you would think

817

00:30:12,070 --> 00:30:10,080

yeah balls of light

818

00:30:13,990 --> 00:30:12,080

and um there were

819

00:30:17,110 --> 00:30:14,000

i just listened to a report

820

00:30:19,110 --> 00:30:17,120

from a pilot um this is a an old

821

00:30:21,590 --> 00:30:19,120

interview from the 40s

822

00:30:24,149 --> 00:30:21,600

and he's saying that it was on his

823

00:30:26,070 --> 00:30:24,159

starboard wing and then instantly it was

824

00:30:28,470 --> 00:30:26,080

on his port side wing

825

00:30:30,149 --> 00:30:28,480

you know in a flash and you know they

826

00:30:32,870 --> 00:30:30,159

opened up fire on the thing and it

827

00:30:35,430 --> 00:30:32,880

absorbed the 250 rounds of tracer

828

00:30:39,269 --> 00:30:35,440

bullets and did nothing oh wow

829

00:30:41,430 --> 00:30:39,279

so uh quite a story yeah um so you know

830

00:30:42,950 --> 00:30:41,440

maybe they are going back to wartime the

831

00:30:45,190 --> 00:30:42,960

foo fighter thing doesn't really make

832

00:30:46,310 --> 00:30:45,200

any sense because they're not disc

833

00:30:48,789 --> 00:30:46,320

shaped like

834

00:30:49,669 --> 00:30:48,799

uh so the supposed time travel machines

835

00:30:54,389 --> 00:30:49,679

are

836

00:30:56,389 --> 00:30:54,399

so uh yeah it's it's all interesting and

837

00:30:59,750 --> 00:30:56,399

it just seems like if they are if they

838

00:31:01,509 --> 00:30:59,760

had the capability to go back in time

839

00:31:02,950 --> 00:31:01,519

then why didn't we hear about them

840

00:31:04,389 --> 00:31:02,960

throughout history

841

00:31:06,149 --> 00:31:04,399

yeah there'd be more and more viewers

842

00:31:07,909 --> 00:31:06,159

right

843

00:31:10,230 --> 00:31:07,919

you would think unless they just are

844

00:31:13,909 --> 00:31:10,240

only interested in the time we are in

845

00:31:15,269 --> 00:31:13,919

now you know since 1940s

846

00:31:17,029 --> 00:31:15,279

and um

847

00:31:18,789 --> 00:31:17,039

he mentioned something about you know

848

00:31:21,430 --> 00:31:18,799

that's when we're firing off our first

849

00:31:24,230 --> 00:31:21,440

nuclear weapons and maybe they're i mean

850

00:31:25,990 --> 00:31:24,240

they're coming back to kind of slow that

851  
00:31:27,830 --> 00:31:26,000  
down or something i don't know well i

852  
00:31:30,149 --> 00:31:27,840  
don't know i mean um are you familiar

853  
00:31:31,269 --> 00:31:30,159  
with the whole kilian aspect of all of

854  
00:31:33,830 --> 00:31:31,279  
this

855  
00:31:35,750 --> 00:31:33,840  
the what now john keel

856  
00:31:38,070 --> 00:31:35,760  
oh john keel um

857  
00:31:40,870 --> 00:31:38,080  
i yeah a little bit

858  
00:31:43,990 --> 00:31:40,880  
um very interesting character

859  
00:31:47,830 --> 00:31:44,000  
um yes but so his his whole thing was

860  
00:31:49,990 --> 00:31:47,840  
that you know in the 19 early 1900s

861  
00:31:53,110 --> 00:31:50,000  
1910 1920

862  
00:31:55,110 --> 00:31:53,120  
1930 even they were seeing airships

863  
00:31:57,909 --> 00:31:55,120

right that looked like they looked like

864

00:31:59,509 --> 00:31:57,919

floating ships in the sky and they would

865

00:32:00,549 --> 00:31:59,519

land and the people would come talk to

866

00:32:03,350 --> 00:32:00,559

them

867

00:32:04,710 --> 00:32:03,360

uh and then in the 1800s they'd see

868

00:32:06,870 --> 00:32:04,720

something else and it was like the

869

00:32:08,389 --> 00:32:06,880

phenomenon always took

870

00:32:12,149 --> 00:32:08,399

whatever form

871

00:32:13,750 --> 00:32:12,159

you know we would in our current culture

872

00:32:15,430 --> 00:32:13,760

be able to accept

873

00:32:18,710 --> 00:32:15,440

and so they didn't they weren't flying

874

00:32:21,830 --> 00:32:18,720

discs in the 1800s right uh now they've

875

00:32:24,389 --> 00:32:21,840

moved from flying discs to triangles or

876

00:32:26,870 --> 00:32:24,399

tic tacs or whatever whereas in the

877

00:32:30,230 --> 00:32:26,880

1930s 40s and 50s it was always flying

878

00:32:32,310 --> 00:32:30,240

discs so you know what's up with that

879

00:32:34,070 --> 00:32:32,320

and what i saw was a disc you know my

880

00:32:37,029 --> 00:32:34,080

one encounter it was nothing really

881

00:32:38,549 --> 00:32:37,039

special but it was definitely a disc

882

00:32:41,430 --> 00:32:38,559

um now

883

00:32:42,950 --> 00:32:41,440

uh i recently came someone sent me a

884

00:32:44,789 --> 00:32:42,960

great

885

00:32:49,750 --> 00:32:44,799

uh english document

886

00:32:53,430 --> 00:32:50,870

i believe

887

00:32:54,630 --> 00:32:53,440

and uh it's the whole thing is going in

888

00:32:57,029 --> 00:32:54,640

they're out

889

00:32:59,350 --> 00:32:57,039

to see and they're going in this whole

890

00:33:00,870 --> 00:32:59,360

detail of seeing this

891

00:33:03,350 --> 00:33:00,880

um this

892

00:33:05,830 --> 00:33:03,360

ufo basically didn't say they never

893

00:33:08,149 --> 00:33:05,840

never described the object shape but it

894

00:33:11,509 --> 00:33:08,159

did say there were beings on top of it

895

00:33:13,590 --> 00:33:11,519

and flashing lights uh so it's a great

896

00:33:17,269 --> 00:33:13,600

18th century document yeah

897

00:33:19,190 --> 00:33:17,279

and then we have artwork even um

898

00:33:20,950 --> 00:33:19,200

you know artwork that shows

899

00:33:23,029 --> 00:33:20,960

um

900

00:33:25,909 --> 00:33:23,039

it's biblical in nature but then in the

901  
00:33:28,470 --> 00:33:25,919  
background is uh looks like a ship with

902  
00:33:30,789 --> 00:33:28,480  
a being inside of it floating across

903  
00:33:32,950 --> 00:33:30,799  
there's things like that too right

904  
00:33:35,830 --> 00:33:32,960  
renaissance era

905  
00:33:37,590 --> 00:33:35,840  
yes there are some paintings like that

906  
00:33:41,190 --> 00:33:37,600  
there are some scholars that have tried

907  
00:33:43,669 --> 00:33:41,200  
to explain that away but they certainly

908  
00:33:45,909 --> 00:33:43,679  
do not that supposedly that's god up in

909  
00:33:47,029 --> 00:33:45,919  
the sky and all that but i'm telling you

910  
00:33:49,669 --> 00:33:47,039  
it really uh

911  
00:33:51,909 --> 00:33:49,679  
it really does look like uh in several

912  
00:33:53,990 --> 00:33:51,919  
of these paintings that it looks does

913  
00:33:56,149 --> 00:33:54,000

look like a ufo more than

914

00:33:58,389 --> 00:33:56,159

um than you would consider what god

915

00:34:00,950 --> 00:33:58,399

would look like yeah now

916

00:34:03,669 --> 00:34:00,960

just to add to the confusion here

917

00:34:05,350 --> 00:34:03,679

what about the topic of usos

918

00:34:07,590 --> 00:34:05,360

or what do they call it it's not

919

00:34:08,389 --> 00:34:07,600

multimedia what's the word they use for

920

00:34:12,869 --> 00:34:08,399

it

921

00:34:15,030 --> 00:34:12,879

go

922

00:34:16,629 --> 00:34:15,040

and there's a there's a new group i

923

00:34:18,310 --> 00:34:16,639

think operating out of the pentagon that

924

00:34:20,550 --> 00:34:18,320

just changed their name

925

00:34:22,950 --> 00:34:20,560

and they incorporated trans medium into

926  
00:34:26,710 --> 00:34:22,960  
it they call themselves the all domain

927  
00:34:29,030 --> 00:34:26,720  
anomaly resolution office yes

928  
00:34:29,710 --> 00:34:29,040  
i love that that is nice yeah

929  
00:34:33,669 --> 00:34:29,720  
or

930  
00:34:35,349 --> 00:34:33,679  
aaron and i'm really glad that they are

931  
00:34:36,230 --> 00:34:35,359  
looking into that because people have

932  
00:34:38,310 --> 00:34:36,240  
talked

933  
00:34:40,230 --> 00:34:38,320  
for years um

934  
00:34:42,629 --> 00:34:40,240  
even a friend of mine was on board a

935  
00:34:44,149 --> 00:34:42,639  
submarine and what they call the the

936  
00:34:47,349 --> 00:34:44,159  
fast movers

937  
00:34:48,470 --> 00:34:47,359  
and all of a sudden it comes up on ra on

938  
00:34:50,550 --> 00:34:48,480

sonar

939

00:34:52,550 --> 00:34:50,560

where this thing's doing over 200 knots

940

00:34:54,550 --> 00:34:52,560

when this guy was on board and this is

941

00:34:55,510 --> 00:34:54,560

happening a lot try to picture something

942

00:34:59,430 --> 00:34:55,520

going

943

00:35:02,310 --> 00:34:59,440

200 knots which is probably about 225

944

00:35:03,990 --> 00:35:02,320

30 miles an hour yeah in the water with

945

00:35:06,710 --> 00:35:04,000

water pressure around it going that

946

00:35:09,030 --> 00:35:06,720

speed this is going way way back

947

00:35:11,030 --> 00:35:09,040

so a lot of these have been seen

948

00:35:13,030 --> 00:35:11,040

um and you know we know

949

00:35:14,790 --> 00:35:13,040

more about the moon surface than we do

950

00:35:17,030 --> 00:35:14,800

about the ocean floor

951  
00:35:19,750 --> 00:35:17,040  
um you know he goes he goes down to 11

952  
00:35:21,190 --> 00:35:19,760  
000 feet we have no idea what's um you

953  
00:35:23,270 --> 00:35:21,200  
know down

954  
00:35:25,750 --> 00:35:23,280  
in the mariana trench or anywhere else

955  
00:35:28,390 --> 00:35:25,760  
uh in the ocean very little exploration

956  
00:35:30,310 --> 00:35:28,400  
of the ocean so i and a lot of people

957  
00:35:33,030 --> 00:35:30,320  
have reported over the years of seeing

958  
00:35:34,950 --> 00:35:33,040  
things objects in and

959  
00:35:37,030 --> 00:35:34,960  
from way back too people have talked

960  
00:35:38,069 --> 00:35:37,040  
about things coming out of the ocean

961  
00:35:40,230 --> 00:35:38,079  
so

962  
00:35:42,550 --> 00:35:40,240  
um

963  
00:35:44,390 --> 00:35:42,560

people have suggested that

964

00:35:46,230 --> 00:35:44,400

we may have a presence here on earth

965

00:35:47,829 --> 00:35:46,240

hiding in the oceans

966

00:35:49,510 --> 00:35:47,839

um i think it would be awful miserable

967

00:35:51,589 --> 00:35:49,520

to be down there because

968

00:35:53,910 --> 00:35:51,599

you know there's really nothing to see

969

00:35:55,030 --> 00:35:53,920

it's all dark once you get down below so

970

00:35:57,349 --> 00:35:55,040

many feet

971

00:35:58,950 --> 00:35:57,359

um so but uh that's that would be a

972

00:36:02,150 --> 00:35:58,960

really good place to hide considering

973

00:36:03,190 --> 00:36:02,160

you know we're 70 some odd percent ocean

974

00:36:07,670 --> 00:36:03,200

um

975

00:36:09,829 --> 00:36:07,680

i'm sure i'm sorry i'm just sharing my

976

00:36:12,790 --> 00:36:09,839

uh screen with you here real quick

977

00:36:14,630 --> 00:36:12,800

oh okay sure i wanted to uh get your

978

00:36:15,910 --> 00:36:14,640

take on something

979

00:36:20,230 --> 00:36:15,920

um

980

00:36:22,470 --> 00:36:20,240

so you uh famously at least in our eyes

981

00:36:23,990 --> 00:36:22,480

not that many other people know about it

982

00:36:26,790 --> 00:36:24,000

uh debunked

983

00:36:29,270 --> 00:36:26,800

a ufo sighting that uh bob and i had in

984

00:36:31,030 --> 00:36:29,280

in the backyard of the basement hangout

985

00:36:33,510 --> 00:36:31,040

that's right that's true

986

00:36:36,550 --> 00:36:33,520

and we were in awe i don't consider

987

00:36:39,190 --> 00:36:36,560

myself a debunker but yeah okay yeah you

988

00:36:41,109 --> 00:36:39,200

pointed out that uh we saw we saw a

989

00:36:44,069 --> 00:36:41,119

light traveling it was obviously not a

990

00:36:45,750 --> 00:36:44,079

plane it was far off in the distance

991

00:36:48,230 --> 00:36:45,760

and it was moving in one direction and

992

00:36:50,150 --> 00:36:48,240

then it just disappeared and we were

993

00:36:52,230 --> 00:36:50,160

certain that we had just witnessed the

994

00:36:54,550 --> 00:36:52,240

first ufo incident

995

00:36:56,310 --> 00:36:54,560

and you explained to us that satellites

996

00:36:58,310 --> 00:36:56,320

do that as the

997

00:37:00,310 --> 00:36:58,320

reflection of the sun

998

00:37:02,470 --> 00:37:00,320

uh goes behind the earth

999

00:37:03,910 --> 00:37:02,480

and we were very disappointed

1000

00:37:06,470 --> 00:37:03,920

but um

1001  
00:37:08,950 --> 00:37:06,480  
so i wanted to get your take on this

1002  
00:37:11,109 --> 00:37:08,960  
so we were at me and my family were at

1003  
00:37:12,310 --> 00:37:11,119  
virginia beach and we were on the ferris

1004  
00:37:15,430 --> 00:37:12,320  
wheel

1005  
00:37:17,750 --> 00:37:15,440  
and my son was taking he's uh 12 years

1006  
00:37:19,030 --> 00:37:17,760  
old he's got an iphone and he was taking

1007  
00:37:20,390 --> 00:37:19,040  
pictures of

1008  
00:37:22,310 --> 00:37:20,400  
the city

1009  
00:37:25,270 --> 00:37:22,320  
uh at the when we were at the peak of

1010  
00:37:26,310 --> 00:37:25,280  
the ferris wheel as we went around

1011  
00:37:28,470 --> 00:37:26,320  
and

1012  
00:37:30,710 --> 00:37:28,480  
he didn't see any of this that you see

1013  
00:37:32,230 --> 00:37:30,720

up here while we were taking pictures

1014

00:37:34,230 --> 00:37:32,240

and i didn't see it either

1015

00:37:36,790 --> 00:37:34,240

i wasn't looking up there to be honest

1016

00:37:39,190 --> 00:37:36,800

the next day he goes daddy daddy

1017

00:37:41,270 --> 00:37:39,200

uh check out the picture i took last

1018

00:37:43,910 --> 00:37:41,280

night there's these strange lights in

1019

00:37:45,990 --> 00:37:43,920

the sky that i didn't see

1020

00:37:46,790 --> 00:37:46,000

while we were there

1021

00:37:49,510 --> 00:37:46,800

and

1022

00:37:51,109 --> 00:37:49,520

if i zoom in on it so i did think maybe

1023

00:37:53,510 --> 00:37:51,119

this could be

1024

00:37:55,589 --> 00:37:53,520

the uh starlink satellites but those are

1025

00:37:57,990 --> 00:37:55,599

in a row my understanding yeah those are

1026

00:37:59,430 --> 00:37:58,000

very very much in line with each other

1027

00:38:02,230 --> 00:37:59,440

yeah so

1028

00:38:04,790 --> 00:38:02,240

and virginia beach does have a navy base

1029

00:38:06,390 --> 00:38:04,800

nearby where they're always doing uh you

1030

00:38:07,349 --> 00:38:06,400

know you can just be on the beach and

1031

00:38:09,349 --> 00:38:07,359

watch

1032

00:38:11,750 --> 00:38:09,359

the uh fighter jets flying back and

1033

00:38:13,030 --> 00:38:11,760

forth yeah every day but this is not a

1034

00:38:14,390 --> 00:38:13,040

formation

1035

00:38:16,829 --> 00:38:14,400

of

1036

00:38:20,069 --> 00:38:16,839

fighter jets right because this is

1037

00:38:22,150 --> 00:38:20,079

very random so what in the world is that

1038

00:38:23,030 --> 00:38:22,160

zoom in more when you zoom in more what

1039

00:38:25,109 --> 00:38:23,040

do you

1040

00:38:27,349 --> 00:38:25,119

it just kind of fades

1041

00:38:28,950 --> 00:38:27,359

gets blurry yeah unfortunately you know

1042

00:38:30,950 --> 00:38:28,960

with an iphone camera you can only get

1043

00:38:33,349 --> 00:38:30,960

so much but uh you can still see the

1044

00:38:36,230 --> 00:38:33,359

dots there

1045

00:38:39,030 --> 00:38:36,240

yeah i really have no idea i don't know

1046

00:38:40,870 --> 00:38:39,040

uh what to tell you on that because

1047

00:38:43,430 --> 00:38:40,880

a lot of times you can say well you know

1048

00:38:44,230 --> 00:38:43,440

it could be insects some birds fly at

1049

00:38:46,470 --> 00:38:44,240

night

1050

00:38:48,150 --> 00:38:46,480

uh reflecting the the city lights and

1051

00:38:51,510 --> 00:38:48,160

stuff like that but i have

1052

00:38:53,990 --> 00:38:51,520

i have no idea um it's if they're you

1053

00:38:56,150 --> 00:38:54,000

know for the person listening to audio

1054

00:38:57,990 --> 00:38:56,160

uh you may want to put this in the show

1055

00:39:00,950 --> 00:38:58,000

notes or whatever if you do that at that

1056

00:39:03,670 --> 00:39:00,960

time yeah we will absolutely yeah but

1057

00:39:05,589 --> 00:39:03,680

yeah it's uh very interesting and you

1058

00:39:07,349 --> 00:39:05,599

know a lot of things are caught when

1059

00:39:10,150 --> 00:39:07,359

people absolutely have no idea what

1060

00:39:11,510 --> 00:39:10,160

they're they're shooting yeah um a lot

1061

00:39:14,069 --> 00:39:11,520

of times they can be

1062

00:39:15,750 --> 00:39:14,079

uh you know it has to do with the camera

1063

00:39:18,550 --> 00:39:15,760

uh with the lenses

1064

00:39:20,390 --> 00:39:18,560

sometimes you'll get if you can take

1065

00:39:23,109 --> 00:39:20,400

that pattern of lights

1066

00:39:25,349 --> 00:39:23,119

and go down to the city and see if you

1067

00:39:27,670 --> 00:39:25,359

can find make that pattern of lights

1068

00:39:30,069 --> 00:39:27,680

overlap with anything down below

1069

00:39:32,310 --> 00:39:30,079

sometimes what happens is the camera

1070

00:39:34,550 --> 00:39:32,320

will make this effect where it'll show

1071

00:39:36,790 --> 00:39:34,560

the lights that are on the ground um up

1072

00:39:37,210 --> 00:39:36,800

in the sky that has happened in a lot of

1073

00:39:38,390 --> 00:39:37,220

history

1074

00:39:40,630 --> 00:39:38,400

[Music]

1075

00:39:41,750 --> 00:39:40,640

with people taking pictures of it sounds

1076  
00:39:43,270 --> 00:39:41,760  
like we need a basement hanging out

1077  
00:39:46,710 --> 00:39:43,280  
field trip to virginia beach and it's

1078  
00:39:49,750 --> 00:39:46,720  
not debunked that's good news

1079  
00:39:52,390 --> 00:39:51,270  
it is real

1080  
00:39:56,310 --> 00:39:52,400  
martin

1081  
00:39:59,080 --> 00:39:56,320  
this is still unidentified yes correct

1082  
00:40:01,910 --> 00:39:59,090  
yeah no i am identifying it as aliens

1083  
00:40:03,589 --> 00:40:01,920  
[Laughter]

1084  
00:40:05,750 --> 00:40:03,599  
i get it yeah

1085  
00:40:08,069 --> 00:40:05,760  
um no thanks for showing that to me

1086  
00:40:09,430 --> 00:40:08,079  
uh yeah maybe you can send that picture

1087  
00:40:11,109 --> 00:40:09,440  
to me too and

1088  
00:40:13,109 --> 00:40:11,119

i'll look at it really closely and see

1089

00:40:14,630 --> 00:40:13,119

if i can figure out anything i will but

1090

00:40:15,860 --> 00:40:14,640

at first i need to add a copyright

1091

00:40:18,309 --> 00:40:15,870

notice on it

1092

00:40:19,829 --> 00:40:18,319

[Laughter]

1093

00:40:20,950 --> 00:40:19,839

so do you have a lot of people reach out

1094

00:40:23,030 --> 00:40:20,960

to you with

1095

00:40:24,390 --> 00:40:23,040

uh pictures or

1096

00:40:27,190 --> 00:40:24,400

evidence yes

1097

00:40:29,589 --> 00:40:27,200

yes i have on my website on my website

1098

00:40:30,710 --> 00:40:29,599

i'll throw it out there podcast ufo.com

1099

00:40:33,270 --> 00:40:30,720

i also have

1100

00:40:36,550 --> 00:40:33,280

on that site where people can

1101  
00:40:39,190 --> 00:40:36,560  
anonymously post their ufo sighting and

1102  
00:40:41,510 --> 00:40:39,200  
i have the google uh captcha on that

1103  
00:40:43,349 --> 00:40:41,520  
where you have to you know click

1104  
00:40:45,349 --> 00:40:43,359  
how many boxes you see buses in and

1105  
00:40:47,030 --> 00:40:45,359  
stuff like that yeah but the robots have

1106  
00:40:49,430 --> 00:40:47,040  
figured out how to get around that

1107  
00:40:51,510 --> 00:40:49,440  
really i had russian

1108  
00:40:53,589 --> 00:40:51,520  
russian porn on there

1109  
00:40:57,190 --> 00:40:53,599  
posting like 50 of them the other day

1110  
00:40:59,750 --> 00:40:57,200  
when i woke up vladimir putin

1111  
00:41:03,190 --> 00:40:59,760  
so um i i have to take that i have to

1112  
00:41:06,069 --> 00:41:03,200  
take that post um site down but also if

1113  
00:41:08,870 --> 00:41:06,079

someone i did if anyone wants to you

1114

00:41:09,750 --> 00:41:08,880

know contact me an anonymous anonymously

1115

00:41:11,750 --> 00:41:09,760

post

1116

00:41:12,630 --> 00:41:11,760

all they have to do is go to my contact

1117

00:41:15,990 --> 00:41:12,640

form

1118

00:41:17,910 --> 00:41:16,000

and so um i do have people reach out to

1119

00:41:20,710 --> 00:41:17,920

me all the time and when i can figure

1120

00:41:22,710 --> 00:41:20,720

something out quickly i tell them

1121

00:41:24,950 --> 00:41:22,720

and sometimes i never hear back

1122

00:41:26,870 --> 00:41:24,960

sometimes people are very unhappy about

1123

00:41:28,630 --> 00:41:26,880

it if i can figure it out

1124

00:41:30,790 --> 00:41:28,640

um then

1125

00:41:32,630 --> 00:41:30,800

if it looks really really good like

1126

00:41:35,990 --> 00:41:32,640

something recently looked really really

1127

00:41:38,470 --> 00:41:36,000

good to me um to the point where i said

1128

00:41:39,589 --> 00:41:38,480

i would come down there and i'd like to

1129

00:41:41,109 --> 00:41:39,599

see these things i guess they're

1130

00:41:43,270 --> 00:41:41,119

happening all the time i'd like to see

1131

00:41:46,550 --> 00:41:43,280

them live and already they have a film

1132

00:41:49,030 --> 00:41:46,560

crew from some tv shows showing up there

1133

00:41:51,349 --> 00:41:49,040

oh wow so that's that

1134

00:41:53,670 --> 00:41:51,359

opportunity is gone but for the most

1135

00:41:55,670 --> 00:41:53,680

part um there is there are some

1136

00:41:57,750 --> 00:41:55,680

interesting things sent to me but

1137

00:41:59,990 --> 00:41:57,760

usually it can be explained and when i

1138

00:42:02,950 --> 00:42:00,000

can't figure it out myself i send it

1139

00:42:04,870 --> 00:42:02,960

along to my good friend mark d'antonio

1140

00:42:08,150 --> 00:42:04,880

who is an astronomer but he's also a

1141

00:42:10,390 --> 00:42:08,160

video and photo analyst for mufon

1142

00:42:12,550 --> 00:42:10,400

so i sent it along to him and sometimes

1143

00:42:15,030 --> 00:42:12,560

right away he'll figure it out

1144

00:42:16,550 --> 00:42:15,040

and sometimes i don't hear back from him

1145

00:42:18,710 --> 00:42:16,560

like for instance the last one i was

1146

00:42:20,230 --> 00:42:18,720

just talking about he never got back to

1147

00:42:23,829 --> 00:42:20,240

me i keep saying mark well what do you

1148

00:42:25,829 --> 00:42:23,839

think and so um because he says that he

1149

00:42:27,589 --> 00:42:25,839

has been able to explain just about

1150

00:42:29,270 --> 00:42:27,599

everything he's ever seen

1151

00:42:31,510 --> 00:42:29,280

except for a few

1152

00:42:33,990 --> 00:42:31,520

so so he's the one starting his ntv show

1153

00:42:35,430 --> 00:42:34,000

that means that one is real

1154

00:42:36,950 --> 00:42:35,440

yeah it could very well there's

1155

00:42:39,270 --> 00:42:36,960

something going on i mean it's really

1156

00:42:41,589 --> 00:42:39,280

incredible it's um

1157

00:42:43,430 --> 00:42:41,599

it's a triangle and you know moving in

1158

00:42:45,190 --> 00:42:43,440

formation and

1159

00:42:46,069 --> 00:42:45,200

you know looks looks pretty darn good to

1160

00:42:48,069 --> 00:42:46,079

me

1161

00:42:50,870 --> 00:42:48,079

and no sound

1162

00:42:53,030 --> 00:42:50,880

um and reoccurring he said

1163

00:42:55,430 --> 00:42:53,040

reoccurring this is a funny thing that

1164

00:42:57,750 --> 00:42:55,440

happens it was always a big question

1165

00:43:00,069 --> 00:42:57,760

mark if you ask me

1166

00:43:02,790 --> 00:43:00,079

why does something happen over and over

1167

00:43:04,710 --> 00:43:02,800

and over again in the same location

1168

00:43:06,390 --> 00:43:04,720

you know why is it a hot spot in this

1169

00:43:09,109 --> 00:43:06,400

and the same thing happening over and

1170

00:43:10,790 --> 00:43:09,119

over again uh wouldn't they want to like

1171

00:43:12,550 --> 00:43:10,800

if they're here from wherever they're at

1172

00:43:14,550 --> 00:43:12,560

wouldn't they want to you know explore

1173

00:43:16,230 --> 00:43:14,560

around a little bit check out the grand

1174

00:43:18,470 --> 00:43:16,240

canyon all that

1175

00:43:21,430 --> 00:43:18,480

you know why just show up in a

1176

00:43:23,030 --> 00:43:21,440

pennsylvania corn field and

1177

00:43:24,950 --> 00:43:23,040

over and over and over again it's a

1178

00:43:26,630 --> 00:43:24,960

history class speaking of that how do

1179

00:43:28,710 --> 00:43:26,640

you feel about the whole skinwalker

1180

00:43:30,550 --> 00:43:28,720

ranch deal

1181

00:43:32,870 --> 00:43:30,560

well i've i've had

1182

00:43:35,589 --> 00:43:32,880

the people on from that show on a number

1183

00:43:38,069 --> 00:43:35,599

of times and uh i think it's

1184

00:43:41,349 --> 00:43:38,079

a very interesting

1185

00:43:42,390 --> 00:43:41,359

area i'm not 100 sure if i could tell

1186

00:43:45,270 --> 00:43:42,400

you

1187

00:43:47,430 --> 00:43:45,280

um when it comes to

1188

00:43:48,470 --> 00:43:47,440

all the things that are happening there

1189

00:43:50,550 --> 00:43:48,480

um

1190

00:43:52,150 --> 00:43:50,560

if all of them if some of them might be

1191

00:43:54,630 --> 00:43:52,160

embellished a little bit

1192

00:43:56,710 --> 00:43:54,640

i do believe that that's a possibility

1193

00:43:57,910 --> 00:43:56,720

they have travis taylor who's been on a

1194

00:44:01,190 --> 00:43:57,920

couple of times

1195

00:44:02,150 --> 00:44:01,200

dr travis taylor he has two phds

1196

00:44:04,710 --> 00:44:02,160

um

1197

00:44:07,990 --> 00:44:04,720

he's very good for

1198

00:44:09,990 --> 00:44:08,000

tv he really is very enthusiastic he

1199

00:44:12,870 --> 00:44:10,000

kind of explains things half explains

1200

00:44:14,069 --> 00:44:12,880

them but i have a good friend that is a

1201

00:44:16,069 --> 00:44:14,079

scientist

1202

00:44:17,750 --> 00:44:16,079

and he's he has a real beef with him

1203

00:44:18,470 --> 00:44:17,760

he's saying that's not real science this

1204

00:44:20,390 --> 00:44:18,480

is

1205

00:44:21,990 --> 00:44:20,400

that that uh you know piece of

1206

00:44:24,470 --> 00:44:22,000

equipment's not used for that why are

1207

00:44:27,030 --> 00:44:26,230

so it's uh

1208

00:44:29,030 --> 00:44:27,040

so

1209

00:44:31,109 --> 00:44:29,040

but you know things have definitely

1210

00:44:33,670 --> 00:44:31,119

happened there why there

1211

00:44:36,710 --> 00:44:33,680

i have no idea sometimes i wonder if it

1212

00:44:38,150 --> 00:44:36,720

might have to do with something

1213

00:44:39,829 --> 00:44:38,160

in the ground or something like a

1214

00:44:42,309 --> 00:44:39,839

magnetic field

1215

00:44:43,670 --> 00:44:42,319

yeah uh

1216

00:44:44,550 --> 00:44:43,680

say

1217

00:44:46,309 --> 00:44:44,560

there's

1218

00:44:47,430 --> 00:44:46,319

where things happen like the brown

1219

00:44:51,910 --> 00:44:47,440

lights

1220

00:44:54,230 --> 00:44:51,920

that mountain is half copper

1221

00:44:56,069 --> 00:44:54,240

um and it seems like there there may be

1222

00:44:57,430 --> 00:44:56,079

some minerals and things in certain

1223

00:44:59,430 --> 00:44:57,440

places that

1224

00:45:02,390 --> 00:44:59,440

may draw something

1225

00:45:05,670 --> 00:45:02,400

to it somehow and sometimes explainable

1226

00:45:06,710 --> 00:45:05,680

this has has it has led in

1227

00:45:07,510 --> 00:45:06,720

lights

1228

00:45:09,430 --> 00:45:07,520

and

1229

00:45:10,710 --> 00:45:09,440

uh what am i trying to think is this

1230

00:45:12,630 --> 00:45:10,720

sweden

1231

00:45:16,150 --> 00:45:12,640

somewhere over there

1232

00:45:17,190 --> 00:45:16,160

um in scandinavia there's the hazelden

1233

00:45:19,910 --> 00:45:17,200

lights

1234

00:45:21,190 --> 00:45:19,920

and that's another fascinating

1235

00:45:23,109 --> 00:45:21,200

uh

1236

00:45:25,910 --> 00:45:23,119

anomaly that happens and it may have to

1237

00:45:28,870 --> 00:45:25,920

do it's been seen for over 100 years

1238

00:45:31,109 --> 00:45:28,880

and may have to do with some type of

1239

00:45:32,309 --> 00:45:31,119

geological type of so there's another

1240

00:45:34,069 --> 00:45:32,319

there's a whole way of thinking that

1241

00:45:36,069 --> 00:45:34,079

says that um

1242

00:45:38,950 --> 00:45:36,079

you're familiar with the uh the

1243

00:45:40,230 --> 00:45:38,960

disappearance issues in um

1244

00:45:41,910 --> 00:45:40,240

[Music]

1245

00:45:43,670 --> 00:45:41,920

people go hiking and stuff and then they

1246

00:45:48,069 --> 00:45:43,680

just disappear what's that guy's name

1247

00:45:52,230 --> 00:45:50,390

yeah missing 401 and then sasquatch and

1248

00:45:53,750 --> 00:45:52,240

all that stuff there's a way of thinking

1249

00:45:55,589 --> 00:45:53,760

that says that a lot of that stuff seems

1250

00:45:57,430 --> 00:45:55,599

to happen where there's large granite

1251

00:45:58,630 --> 00:45:57,440

deposits right

1252

00:46:00,710 --> 00:45:58,640

how about that

1253

00:46:04,550 --> 00:46:00,720

which is

1254

00:46:06,870 --> 00:46:04,560

yeah he's a very interesting guy um

1255

00:46:08,710 --> 00:46:06,880

and he's done really really good work on

1256

00:46:11,750 --> 00:46:08,720

that subject

1257

00:46:15,349 --> 00:46:11,760

and it really is amazing how many people

1258

00:46:17,670 --> 00:46:15,359

just vanish yeah and

1259

00:46:20,150 --> 00:46:17,680

and you never heard from again well the

1260

00:46:22,550 --> 00:46:20,160

most fascinating part about it is that a

1261

00:46:23,910 --> 00:46:22,560

child for example will disappear or or

1262

00:46:25,510 --> 00:46:23,920

an adult

1263

00:46:29,750 --> 00:46:25,520

and the

1264

00:46:32,069 --> 00:46:29,760

scour the entire area you know 100

1265

00:46:33,910 --> 00:46:32,079

square miles helicopters everything they

1266

00:46:34,950 --> 00:46:33,920

won't find anybody

1267

00:46:37,910 --> 00:46:34,960

they'll be

1268

00:46:40,069 --> 00:46:37,920

basically written off as as gone

1269

00:46:42,630 --> 00:46:40,079

and then a month later they'll find the

1270

00:46:44,790 --> 00:46:42,640

body in the same spot it disappeared

1271

00:46:46,390 --> 00:46:44,800

which they searched you know hundreds of

1272

00:46:48,390 --> 00:46:46,400

times

1273

00:46:52,309 --> 00:46:48,400

uh that happens a lot

1274

00:46:53,190 --> 00:46:52,319

which is really kind of scary yeah

1275

00:46:55,430 --> 00:46:53,200

you know

1276  
00:46:57,430 --> 00:46:55,440  
so yeah that whole that whole thing is

1277  
00:46:59,750 --> 00:46:57,440  
is kind of scary to me and then we start

1278  
00:47:01,670 --> 00:46:59,760  
getting into the discussion of you know

1279  
00:47:02,790 --> 00:47:01,680  
dimensions

1280  
00:47:04,470 --> 00:47:02,800  
yes

1281  
00:47:07,510 --> 00:47:04,480  
that's another thing that

1282  
00:47:09,270 --> 00:47:07,520  
you know ufos could be from another

1283  
00:47:11,030 --> 00:47:09,280  
dimension right it isn't

1284  
00:47:14,069 --> 00:47:11,040  
there could be inter-dimensional

1285  
00:47:16,870 --> 00:47:14,079  
traveling that could be um what ghosts

1286  
00:47:19,349 --> 00:47:16,880  
are you know they could be

1287  
00:47:20,950 --> 00:47:19,359  
um part of that and i i actually had

1288  
00:47:23,430 --> 00:47:20,960

like a poltergeist

1289

00:47:25,670 --> 00:47:23,440

type of situation in the uh i'm in the

1290

00:47:27,990 --> 00:47:25,680

antiques and auction business

1291

00:47:30,470 --> 00:47:28,000

and i was at a property where some

1292

00:47:31,349 --> 00:47:30,480

crazy things really happened to me and i

1293

00:47:33,589 --> 00:47:31,359

saw

1294

00:47:34,950 --> 00:47:33,599

with my own eyes that things that were

1295

00:47:36,870 --> 00:47:34,960

unexplainable

1296

00:47:38,710 --> 00:47:36,880

and there has to be some type of

1297

00:47:40,390 --> 00:47:38,720

explanation but i have no idea what it

1298

00:47:41,829 --> 00:47:40,400

was oh tell us about that what did you

1299

00:47:45,990 --> 00:47:41,839

see

1300

00:47:48,549 --> 00:47:46,000

me and these things

1301

00:47:51,109 --> 00:47:48,559

they really did happen to me

1302

00:47:53,109 --> 00:47:51,119

so and it isn't i think it's interesting

1303

00:47:55,109 --> 00:47:53,119

okay so i'm cleaning out a house it was

1304

00:47:57,430 --> 00:47:55,119

a real slow time of year in the auction

1305

00:47:59,990 --> 00:47:57,440

business and i'm cleaning out a house in

1306

00:48:02,790 --> 00:48:00,000

portsmouth new hampshire and it was from

1307

00:48:05,510 --> 00:48:02,800

the 1940s i think or 30s it was not like

1308

00:48:07,829 --> 00:48:05,520

a real early house or anything like that

1309

00:48:10,150 --> 00:48:07,839

and i had already taken all the antiques

1310

00:48:11,750 --> 00:48:10,160

out of it and the lawyer said hey look

1311

00:48:13,430 --> 00:48:11,760

is there any way you can go in and you

1312

00:48:15,030 --> 00:48:13,440

know do a sweep down and get it ready to

1313

00:48:16,069 --> 00:48:15,040

sell you know throw get rid of

1314

00:48:18,069 --> 00:48:16,079

everything

1315

00:48:21,670 --> 00:48:18,079

so i said sure you know slow time of

1316

00:48:24,950 --> 00:48:21,680

year it was it was uh winter but

1317

00:48:26,710 --> 00:48:24,960

um it was a nice day in in the winter

1318

00:48:29,349 --> 00:48:26,720

time and so

1319

00:48:32,790 --> 00:48:29,359

there was no wind or anything and

1320

00:48:35,030 --> 00:48:32,800

so i'm working away and i sweep up the

1321

00:48:36,950 --> 00:48:35,040

upper

1322

00:48:39,030 --> 00:48:36,960

floor you know the hallway

1323

00:48:40,630 --> 00:48:39,040

and i slide the broom down because

1324

00:48:42,790 --> 00:48:40,640

everything has to go out so i slide the

1325

00:48:45,030 --> 00:48:42,800

room down the staircase and across from

1326

00:48:47,430 --> 00:48:45,040

the staircase is the main door and i had

1327

00:48:50,309 --> 00:48:47,440

that wide open all the way back

1328

00:48:51,430 --> 00:48:50,319

so um i'm up stairs in one of the

1329

00:48:54,470 --> 00:48:51,440

bedrooms

1330

00:48:56,630 --> 00:48:54,480

and i pull open a closet door and i

1331

00:48:58,390 --> 00:48:56,640

could barely get it open because they

1332

00:49:00,150 --> 00:48:58,400

put in a carpet and they never cut the

1333

00:49:02,710 --> 00:49:00,160

bottom side of the door

1334

00:49:04,710 --> 00:49:02,720

so the door you had to drag it

1335

00:49:06,470 --> 00:49:04,720

by the carpet to open it

1336

00:49:09,750 --> 00:49:06,480

and there was not much in there some

1337

00:49:11,750 --> 00:49:09,760

clothes i tossed into a garbage bag and

1338

00:49:13,430 --> 00:49:11,760

clothes hangers things like that

1339

00:49:15,430 --> 00:49:13,440

so i walk out to the hallway and all of

1340

00:49:18,150 --> 00:49:15,440

a sudden that door slams

1341

00:49:20,230 --> 00:49:18,160

i mean it's slammed hard

1342

00:49:22,630 --> 00:49:20,240

i go and i look and the all the windows

1343

00:49:24,630 --> 00:49:22,640

are down the storm windows are down

1344

00:49:26,950 --> 00:49:24,640

and there's there's no

1345

00:49:29,589 --> 00:49:26,960

force that could have done that

1346

00:49:31,270 --> 00:49:29,599

so then i just to test it i try to open

1347

00:49:33,109 --> 00:49:31,280

the door a closet door again and it's

1348

00:49:35,030 --> 00:49:33,119

really hard to open

1349

00:49:36,950 --> 00:49:35,040

and so there's nothing physically that

1350

00:49:39,829 --> 00:49:36,960

could have done it so

1351

00:49:41,829 --> 00:49:39,839

um all of a sudden the front door slams

1352

00:49:43,670 --> 00:49:41,839

again there's no wind that day

1353

00:49:46,230 --> 00:49:43,680

i walk down the stairs and the broom is

1354

00:49:48,630 --> 00:49:46,240

leaning up against it

1355

00:49:51,829 --> 00:49:48,640

so the door slam front door slams that's

1356

00:49:53,430 --> 00:49:51,839

leaning up against it so i go outside

1357

00:49:55,990 --> 00:49:53,440

there's no way and the guy that i had

1358

00:49:58,710 --> 00:49:56,000

helping me that day he took the truck

1359

00:50:01,430 --> 00:49:58,720

and trailer off to the landfill

1360

00:50:03,910 --> 00:50:01,440

and he came back and he said why aren't

1361

00:50:05,589 --> 00:50:03,920

you working you know finishing you know

1362

00:50:07,829 --> 00:50:05,599

and i'm the boss but he always sees me

1363

00:50:09,589 --> 00:50:07,839

so uh i said

1364

00:50:11,030 --> 00:50:09,599

i'm not going in that house that house

1365

00:50:12,549 --> 00:50:11,040

is haunted

1366

00:50:14,549 --> 00:50:12,559

i got a couple things in there i need

1367

00:50:15,829 --> 00:50:14,559

you to come in with me so we're in there

1368

00:50:18,230 --> 00:50:15,839

and he's going

1369

00:50:20,549 --> 00:50:18,240

you know he's teasing the heck out of me

1370

00:50:21,670 --> 00:50:20,559

so we're cleaning out the garage is the

1371

00:50:23,190 --> 00:50:21,680

last thing

1372

00:50:24,630 --> 00:50:23,200

and he

1373

00:50:26,790 --> 00:50:24,640

he takes off there's just a couple

1374

00:50:28,069 --> 00:50:26,800

things left he takes off

1375

00:50:30,230 --> 00:50:28,079

and um

1376  
00:50:31,829 --> 00:50:30,240  
so i said goodbye to him and but right

1377  
00:50:33,750 --> 00:50:31,839  
before he left he turns and he said oh

1378  
00:50:35,589 --> 00:50:33,760  
that basket in the middle the floor i

1379  
00:50:36,790 --> 00:50:35,599  
see those baskets all the time it's one

1380  
00:50:38,950 --> 00:50:36,800  
with a great big

1381  
00:50:40,230 --> 00:50:38,960  
wicker basket of the big loop he sees

1382  
00:50:42,150 --> 00:50:40,240  
them all the time because he worked at a

1383  
00:50:43,829 --> 00:50:42,160  
funeral parlor and he says they're

1384  
00:50:45,510 --> 00:50:43,839  
always in you know flower arrangements

1385  
00:50:46,870 --> 00:50:45,520  
during those all the time you know at

1386  
00:50:48,230 --> 00:50:46,880  
the funeral power

1387  
00:50:50,230 --> 00:50:48,240  
so um

1388  
00:50:52,710 --> 00:50:50,240

i clean everything out

1389

00:50:54,710 --> 00:50:52,720

and it's all in the back of my truck

1390

00:50:56,470 --> 00:50:54,720

and then the basket is the last thing so

1391

00:50:58,230 --> 00:50:56,480

i go over to the basket

1392

00:50:59,910 --> 00:50:58,240

and i reach down to it

1393

00:51:01,510 --> 00:50:59,920

by the big handle

1394

00:51:04,470 --> 00:51:01,520

and it's stuck

1395

00:51:06,150 --> 00:51:04,480

so i pull on it and i pull on it stuck

1396

00:51:08,950 --> 00:51:06,160

so hard that it breaks in half and the

1397

00:51:10,150 --> 00:51:08,960

bottom stuck on the ground so i toss it

1398

00:51:12,150 --> 00:51:10,160

in the truck and then all of a sudden i

1399

00:51:14,870 --> 00:51:12,160

got this feeling i go oh no

1400

00:51:16,390 --> 00:51:14,880

so i went back and i tapped the base

1401  
00:51:18,309 --> 00:51:16,400  
that stayed on the ground with my foot

1402  
00:51:19,910 --> 00:51:18,319  
and there was nothing holding it there

1403  
00:51:22,630 --> 00:51:19,920  
oh wow that's

1404  
00:51:23,750 --> 00:51:22,640  
it just like slid right across the floor

1405  
00:51:25,670 --> 00:51:23,760  
wow

1406  
00:51:27,349 --> 00:51:25,680  
so that's what happened to me and it

1407  
00:51:29,349 --> 00:51:27,359  
really did happen i would take any type

1408  
00:51:30,150 --> 00:51:29,359  
of lie detector test or anything i would

1409  
00:51:32,950 --> 00:51:30,160  
even

1410  
00:51:34,950 --> 00:51:32,960  
um you know risk all the money i have in

1411  
00:51:37,270 --> 00:51:34,960  
the world if i'm wrong because it really

1412  
00:51:39,510 --> 00:51:37,280  
did happen i can't explain it's nothing

1413  
00:51:41,430 --> 00:51:39,520

you know like i didn't see anything

1414

00:51:43,190 --> 00:51:41,440

uh but i didn't see any being or

1415

00:51:45,750 --> 00:51:43,200

anything but something

1416

00:51:47,270 --> 00:51:45,760

did those things there is some type of

1417

00:51:51,109 --> 00:51:47,280

answer for it and i don't know what the

1418

00:51:53,349 --> 00:51:51,119

answer is yeah for sure so my wife

1419

00:51:54,790 --> 00:51:53,359

was we were visiting her parents house

1420

00:51:57,109 --> 00:51:54,800

my in-laws

1421

00:52:00,069 --> 00:51:57,119

and um her

1422

00:52:02,470 --> 00:52:00,079

dad worked at a church

1423

00:52:05,109 --> 00:52:02,480

and the church would give away donations

1424

00:52:06,390 --> 00:52:05,119

and stuff to people who needed it and

1425

00:52:08,230 --> 00:52:06,400

then every once in a while they'd have

1426  
00:52:10,390 --> 00:52:08,240  
leftover stuff that nobody was getting

1427  
00:52:12,870 --> 00:52:10,400  
or nobody was claiming so he comes home

1428  
00:52:15,270 --> 00:52:12,880  
one day with a suitcase a nice

1429  
00:52:16,790 --> 00:52:15,280  
suitcase that he thought they could use

1430  
00:52:19,829 --> 00:52:16,800  
and my mother-in-law who's very

1431  
00:52:21,430 --> 00:52:19,839  
superstitious they're from south america

1432  
00:52:23,030 --> 00:52:21,440  
she's very superstitious about that kind

1433  
00:52:25,430 --> 00:52:23,040  
of thing and she said

1434  
00:52:27,829 --> 00:52:25,440  
get that thing out of here we do not you

1435  
00:52:29,670 --> 00:52:27,839  
know take other people's

1436  
00:52:31,589 --> 00:52:29,680  
luggage there's a certain energy that

1437  
00:52:33,190 --> 00:52:31,599  
comes with it that we don't want to have

1438  
00:52:35,349 --> 00:52:33,200

here

1439

00:52:37,510 --> 00:52:35,359

so my wife and my mother-in-law are in

1440

00:52:40,390 --> 00:52:37,520

the kitchen and it has one of these

1441

00:52:42,230 --> 00:52:40,400

windows that overlooks the family room

1442

00:52:43,430 --> 00:52:42,240

and so they see out of the corner of

1443

00:52:45,270 --> 00:52:43,440

their eye they're talking they're doing

1444

00:52:47,510 --> 00:52:45,280

dishes they see

1445

00:52:49,190 --> 00:52:47,520

my father-in-law pick the suitcase up

1446

00:52:51,190 --> 00:52:49,200

and walk out

1447

00:52:53,829 --> 00:52:51,200

through the back door the glass sliding

1448

00:52:55,349 --> 00:52:53,839

door to take it out to the shed

1449

00:52:56,470 --> 00:52:55,359

and they think nothing of it whatever

1450

00:52:58,870 --> 00:52:56,480

whatever

1451  
00:53:02,150 --> 00:52:58,880  
and then five minutes later

1452  
00:53:04,309 --> 00:53:02,160  
my father-in-law comes from upstairs

1453  
00:53:06,069 --> 00:53:04,319  
walks into the kitchen and he's like hey

1454  
00:53:08,549 --> 00:53:06,079  
what's up and they say

1455  
00:53:10,630 --> 00:53:08,559  
didn't we just see you walk outside

1456  
00:53:12,870 --> 00:53:10,640  
and he says what are you talking about i

1457  
00:53:15,430 --> 00:53:12,880  
was upstairs and then they look out and

1458  
00:53:18,470 --> 00:53:15,440  
the luggage is still sitting there

1459  
00:53:21,670 --> 00:53:18,480  
it had actually hadn't moved now both my

1460  
00:53:23,910 --> 00:53:21,680  
mother-in-law and my wife saw this

1461  
00:53:27,349 --> 00:53:23,920  
together and so they were freaked out so

1462  
00:53:29,270 --> 00:53:27,359  
my wife came home and told me this story

1463  
00:53:31,430 --> 00:53:29,280

and of course me being me i'm like yeah

1464

00:53:33,430 --> 00:53:31,440

you guys probably were you know just

1465

00:53:35,030 --> 00:53:33,440

imagining or whatever you saw something

1466

00:53:37,349 --> 00:53:35,040

out of the corner your eye

1467

00:53:39,910 --> 00:53:37,359

at that moment i had a piece of luggage

1468

00:53:42,230 --> 00:53:39,920

in my closet in my house

1469

00:53:44,069 --> 00:53:42,240

that had been sitting there for years

1470

00:53:45,670 --> 00:53:44,079

that i had never used

1471

00:53:47,349 --> 00:53:45,680

we heard a bang

1472

00:53:48,950 --> 00:53:47,359

something hit the floor i go in my

1473

00:53:51,430 --> 00:53:48,960

closet and look and that piece of

1474

00:53:52,790 --> 00:53:51,440

luggage fell off

1475

00:53:56,710 --> 00:53:52,800

the closet

1476  
00:53:58,150 --> 00:53:56,720  
top portion whatever and hit the ground

1477  
00:54:00,230 --> 00:53:58,160  
you you officially just gave me

1478  
00:54:01,990 --> 00:54:00,240  
goosebumps

1479  
00:54:04,069 --> 00:54:02,000  
and was that a used luggage or was yours

1480  
00:54:05,109 --> 00:54:04,079  
brand new no mine was mine i'd owned it

1481  
00:54:07,589 --> 00:54:05,119  
always

1482  
00:54:09,109 --> 00:54:07,599  
but it was like something was saying

1483  
00:54:11,430 --> 00:54:09,119  
you don't believe me

1484  
00:54:13,510 --> 00:54:11,440  
you know here it is and that thing that

1485  
00:54:14,790 --> 00:54:13,520  
had been so either it was a massive

1486  
00:54:16,150 --> 00:54:14,800  
coincidence

1487  
00:54:17,910 --> 00:54:16,160  
that that thing had been sitting there

1488  
00:54:20,950 --> 00:54:17,920

for over a year

1489

00:54:22,870 --> 00:54:20,960

yes and just now decided to fall right

1490

00:54:24,549 --> 00:54:22,880

so those are the unexplainable things

1491

00:54:25,990 --> 00:54:24,559

you just walk away from going well

1492

00:54:28,549 --> 00:54:26,000

whatever because what are you going to

1493

00:54:30,549 --> 00:54:28,559

do you know call the

1494

00:54:32,069 --> 00:54:30,559

priest to come and you know

1495

00:54:34,230 --> 00:54:32,079

bless your house

1496

00:54:36,390 --> 00:54:34,240

so in the antique business though did

1497

00:54:37,990 --> 00:54:36,400

you hear stories like that where someone

1498

00:54:39,430 --> 00:54:38,000

thought yeah must have gone across that

1499

00:54:41,190 --> 00:54:39,440

stuff a lot

1500

00:54:44,069 --> 00:54:41,200

yeah there was um you know there was

1501  
00:54:46,069 --> 00:54:44,079  
another situation where i was in a house

1502  
00:54:48,870 --> 00:54:46,079  
uh getting it ready for an auction you

1503  
00:54:51,270 --> 00:54:48,880  
know on location giving all the antiques

1504  
00:54:53,030 --> 00:54:51,280  
all ready to do an on-site auction

1505  
00:54:54,150 --> 00:54:53,040  
and um

1506  
00:54:57,109 --> 00:54:54,160  
i got up

1507  
00:54:59,109 --> 00:54:57,119  
from the couch for a second to do i was

1508  
00:55:00,710 --> 00:54:59,119  
like cataloging or something got up from

1509  
00:55:02,710 --> 00:55:00,720  
the couch for a second

1510  
00:55:04,710 --> 00:55:02,720  
and i saw this

1511  
00:55:07,349 --> 00:55:04,720  
woman like in a

1512  
00:55:10,150 --> 00:55:07,359  
briefly for just an instant like in a

1513  
00:55:12,309 --> 00:55:10,160

black dress with a black hat just for a

1514

00:55:14,470 --> 00:55:12,319

fraction of a second gone

1515

00:55:15,910 --> 00:55:14,480

so i got up the courage to ask the

1516

00:55:19,030 --> 00:55:15,920

family

1517

00:55:21,829 --> 00:55:19,040

i said uh has anyone ever talked about

1518

00:55:26,630 --> 00:55:21,839

strange things happening she goes do you

1519

00:55:30,630 --> 00:55:28,950

so i had to stay overnight that night at

1520

00:55:32,390 --> 00:55:30,640

that property to make sure no one took

1521

00:55:35,829 --> 00:55:32,400

any of the stuff because it was outside

1522

00:55:37,670 --> 00:55:35,839

under a tent i slept

1523

00:55:42,390 --> 00:55:37,680

not

1524

00:55:44,710 --> 00:55:42,400

awake i was scared to death

1525

00:55:46,230 --> 00:55:44,720

so i never saw her i'm glad she didn't

1526

00:55:48,309 --> 00:55:46,240

crawl in my sleep

1527

00:55:50,789 --> 00:55:48,319

yeah and what what does make something

1528

00:55:54,710 --> 00:55:50,799

antique 25 years old or is it more

1529

00:55:57,030 --> 00:55:54,720

no um well in america uh american you go

1530

00:55:59,990 --> 00:55:57,040

by the insurance rules in america it's

1531

00:56:01,510 --> 00:56:00,000

100 years in england it's 200 years

1532

00:56:04,069 --> 00:56:01,520

wow

1533

00:56:06,470 --> 00:56:04,079

but 100 years you know i mean when i was

1534

00:56:08,870 --> 00:56:06,480

a kid in the business i remember saying

1535

00:56:10,069 --> 00:56:08,880

oh these you know here's the 1920s such

1536

00:56:13,190 --> 00:56:10,079

and such and people are calling it

1537

00:56:14,630 --> 00:56:13,200

antique well now it isn't in no it is

1538

00:56:17,109 --> 00:56:14,640

so for some reason we have a lot of

1539

00:56:19,190 --> 00:56:17,119

antique shops near where we live and

1540

00:56:21,190 --> 00:56:19,200

we've we've i've never really gone in

1541

00:56:22,789 --> 00:56:21,200

but somehow they all stay in business it

1542

00:56:24,470 --> 00:56:22,799

always like shocks

1543

00:56:26,069 --> 00:56:24,480

uh people when they visit they're like

1544

00:56:28,829 --> 00:56:26,079

how did the you know there's say there's

1545

00:56:31,750 --> 00:56:28,839

six antique shops shops in our downtown

1546

00:56:33,750 --> 00:56:31,760

area um so are they antique shops or

1547

00:56:35,430 --> 00:56:33,760

thrift shops i don't know you tell me

1548

00:56:37,430 --> 00:56:35,440

man i think they're thrift shops when

1549

00:56:39,829 --> 00:56:37,440

they have antiques in there that uh

1550

00:56:40,710 --> 00:56:39,839

somebody also antiques yeah well here's

1551  
00:56:43,349 --> 00:56:40,720  
the thing

1552  
00:56:44,710 --> 00:56:43,359  
the antique shops do really well when

1553  
00:56:47,750 --> 00:56:44,720  
there's a whole bunch of them in one

1554  
00:56:49,510 --> 00:56:47,760  
area okay so if you have six antique

1555  
00:56:51,829 --> 00:56:49,520  
shops in a downtown

1556  
00:56:53,990 --> 00:56:51,839  
they they they're all glad they're all

1557  
00:56:55,910 --> 00:56:54,000  
there because people love to go and they

1558  
00:56:58,549 --> 00:56:55,920  
go from one shop to the next to the next

1559  
00:57:01,190 --> 00:56:58,559  
to the next so um they only help each

1560  
00:57:02,470 --> 00:57:01,200  
other when they're in one spot like that

1561  
00:57:04,789 --> 00:57:02,480  
would they make a bunch of money off

1562  
00:57:05,990 --> 00:57:04,799  
like one item to stay in business or is

1563  
00:57:07,589 --> 00:57:06,000

it they have to sell a bunch of stuff

1564

00:57:09,349 --> 00:57:07,599

quickly or what

1565

00:57:11,030 --> 00:57:09,359

well there's a saying that everybody

1566

00:57:12,390 --> 00:57:11,040

makes a little bit of money or nobody

1567

00:57:14,470 --> 00:57:12,400

makes any money in other words if you

1568

00:57:17,270 --> 00:57:14,480

price something too high it won't sell

1569

00:57:18,789 --> 00:57:17,280

so you you know you usually buy and flip

1570

00:57:20,630 --> 00:57:18,799

it by and flip you know that type of

1571

00:57:22,309 --> 00:57:20,640

thing you know and that's a whole

1572

00:57:23,190 --> 00:57:22,319

different topic but i could give you

1573

00:57:24,789 --> 00:57:23,200

some

1574

00:57:26,549 --> 00:57:24,799

just wondering

1575

00:57:29,829 --> 00:57:26,559

situations that have happened that i've

1576

00:57:31,910 --> 00:57:29,839

seen in the business that are just crazy

1577

00:57:33,910 --> 00:57:31,920

um you know a woman that had a

1578

00:57:36,710 --> 00:57:33,920

a painting in her attic for years her

1579

00:57:39,589 --> 00:57:36,720

porch was falling off of her house she

1580

00:57:41,109 --> 00:57:39,599

had no money she was on food stamps and

1581

00:57:43,670 --> 00:57:41,119

she had a million dollar painting in her

1582

00:57:45,670 --> 00:57:43,680

attic she never knew it until uh my

1583

00:57:47,589 --> 00:57:45,680

friend discovered it and sold it for her

1584

00:57:49,589 --> 00:57:47,599

and she's sitting in the audience of the

1585

00:57:51,030 --> 00:57:49,599

auction crying when the thing hits over

1586

00:57:53,030 --> 00:57:51,040

wow

1587

00:57:54,950 --> 00:57:53,040

that's crazy there's a lot of really

1588

00:57:56,950 --> 00:57:54,960

exciting stories like that and what i do

1589

00:57:58,150 --> 00:57:56,960

so it's a lot of fun that is that does

1590

00:57:59,510 --> 00:57:58,160

sound like fun it's like the antique

1591

00:58:01,750 --> 00:57:59,520

road show

1592

00:58:04,069 --> 00:58:01,760

yeah yeah i know i know so many people

1593

00:58:06,950 --> 00:58:04,079

on the antiques roadshow

1594

00:58:08,950 --> 00:58:06,960

yeah and um yeah i'm friends with one by

1595

00:58:11,670 --> 00:58:08,960

the way that had one of the most amazing

1596

00:58:13,430 --> 00:58:11,680

ufo sightings oh wow do we

1597

00:58:15,190 --> 00:58:13,440

can i tell you that story yes please

1598

00:58:16,950 --> 00:58:15,200

please okay

1599

00:58:19,910 --> 00:58:16,960

so my friend i'm going to say who he is

1600

00:58:22,789 --> 00:58:19,920

because he just he just got um

1601  
00:58:24,470 --> 00:58:22,799  
he was the asian expert jim callahan on

1602  
00:58:25,670 --> 00:58:24,480  
on the antiques road show for years he

1603  
00:58:27,750 --> 00:58:25,680  
was a big guy

1604  
00:58:29,750 --> 00:58:27,760  
big guy that looked like uh

1605  
00:58:32,150 --> 00:58:29,760  
brimley whatever the guy's name is

1606  
00:58:34,950 --> 00:58:32,160  
wilfred wilford brimley yeah yeah yeah

1607  
00:58:37,430 --> 00:58:34,960  
he looks a lot like him so if you go

1608  
00:58:39,030 --> 00:58:37,440  
and search james callahan you'll see and

1609  
00:58:41,430 --> 00:58:39,040  
i don't care he can get mad at me for

1610  
00:58:43,750 --> 00:58:41,440  
telling the story

1611  
00:58:45,829 --> 00:58:43,760  
so he's uh he's at amherst college he's

1612  
00:58:48,150 --> 00:58:45,839  
in the tower so the towers are

1613  
00:58:51,510 --> 00:58:48,160

um 20 some odd stories high he's in the

1614

00:58:52,630 --> 00:58:51,520

17th floor with his four buddies and i

1615

00:58:53,589 --> 00:58:52,640

don't know they're playing cards or

1616

00:58:54,870 --> 00:58:53,599

something like that and they were

1617

00:58:56,710 --> 00:58:54,880

drinking he said not gonna say we

1618

00:58:59,030 --> 00:58:56,720

weren't drinking but he says all of a

1619

00:59:00,870 --> 00:58:59,040

sudden he sees this they someone sees

1620

00:59:02,309 --> 00:59:00,880

this and the window

1621

00:59:03,589 --> 00:59:02,319

just you know

1622

00:59:04,630 --> 00:59:03,599

some movement

1623

00:59:08,710 --> 00:59:04,640

and

1624

00:59:11,190 --> 00:59:08,720

box-like craft it's shaped like a

1625

00:59:13,190 --> 00:59:11,200

rectangular box with lights on each

1626  
00:59:15,829 --> 00:59:13,200  
corner and in the middle they're all

1627  
00:59:19,109 --> 00:59:15,839  
like flashing in sequence and it's just

1628  
00:59:20,870 --> 00:59:19,119  
floating on around the 17th floor

1629  
00:59:23,109 --> 00:59:20,880  
not making any noise that they can hear

1630  
00:59:24,230 --> 00:59:23,119  
or anything not moving just stay staying

1631  
00:59:25,829 --> 00:59:24,240  
there

1632  
00:59:26,630 --> 00:59:25,839  
and all of a sudden they see it shoot

1633  
00:59:29,910 --> 00:59:26,640  
off

1634  
00:59:32,789 --> 00:59:29,920  
toward the mountains and at that time

1635  
00:59:35,990 --> 00:59:32,799  
all of a sudden they see a a fighter jet

1636  
00:59:38,069 --> 00:59:36,000  
with its afterburner chasing after it

1637  
00:59:40,549 --> 00:59:38,079  
so it gets it all of a sudden it bursts

1638  
00:59:42,230 --> 00:59:40,559

into five lights

1639

00:59:44,230 --> 00:59:42,240

and then the five lights are flashing

1640

00:59:45,910 --> 00:59:44,240

back and forth to each other

1641

00:59:47,510 --> 00:59:45,920

and then it shoots off and the the

1642

00:59:48,870 --> 00:59:47,520

fighter jet gives up and turns around

1643

00:59:51,430 --> 00:59:48,880

and goes back

1644

00:59:52,309 --> 00:59:51,440

that's his ufo sighting so i said my god

1645

00:59:54,549 --> 00:59:52,319

jim

1646

00:59:56,069 --> 00:59:54,559

i said unbelievable well now you know

1647

00:59:58,950 --> 00:59:56,079

how has that changed your life and he

1648

01:00:00,789 --> 00:59:58,960

said to me can i swear on this yes

1649

01:00:05,829 --> 01:00:00,799

okay well it's not really bad it's weird

1650

01:00:09,670 --> 01:00:07,670

so he does it i said so you don't care

1651  
01:00:11,670 --> 01:00:09,680  
that you possibly saw something from

1652  
01:00:14,789 --> 01:00:11,680  
another planet or anything i could care

1653  
01:00:17,510 --> 01:00:14,799  
less we're all gonna die anyway

1654  
01:00:19,910 --> 01:00:17,520  
screw those aliens yeah yeah

1655  
01:00:22,630 --> 01:00:19,920  
yeah so anyway i thought that was quite

1656  
01:00:24,710 --> 01:00:22,640  
the story and and just the fact that you

1657  
01:00:26,309 --> 01:00:24,720  
know it affects everyone differently and

1658  
01:00:29,030 --> 01:00:26,319  
that's a pretty good case to show that

1659  
01:00:31,270 --> 01:00:29,040  
right there time someone sees something

1660  
01:00:33,510 --> 01:00:31,280  
it either profoundly change their lives

1661  
01:00:35,190 --> 01:00:33,520  
or they just move on and okay i have to

1662  
01:00:37,030 --> 01:00:35,200  
pay the bills and that's what i'm more

1663  
01:00:38,950 --> 01:00:37,040

interested in yeah i mean even for

1664

01:00:41,030 --> 01:00:38,960

people who who if they see if they have

1665

01:00:43,670 --> 01:00:41,040

one massive sighting and it profoundly

1666

01:00:45,109 --> 01:00:43,680

changed their lives but for what because

1667

01:00:47,270 --> 01:00:45,119

there's no that you can't do anything

1668

01:00:48,870 --> 01:00:47,280

about it right you can't the only thing

1669

01:00:49,670 --> 01:00:48,880

that you can do about it is do what i

1670

01:00:51,030 --> 01:00:49,680

did

1671

01:00:53,030 --> 01:00:51,040

well yes

1672

01:00:56,630 --> 01:00:53,040

there's not enough podcasts out there we

1673

01:00:58,710 --> 01:00:56,640

need more podcasts yeah intrigues

1674

01:01:00,870 --> 01:00:58,720

every tom dick and harry has a podcast

1675

01:01:01,990 --> 01:01:00,880

yours is doing very well so

1676

01:01:03,670 --> 01:01:02,000

congratulations

1677

01:01:05,750 --> 01:01:03,680

there's a lot of young people doing

1678

01:01:08,309 --> 01:01:05,760

podcasts on ufos now which i think is

1679

01:01:10,710 --> 01:01:08,319

great that's interesting

1680

01:01:14,069 --> 01:01:10,720

um you know as long as you know they

1681

01:01:16,150 --> 01:01:14,079

really look into the topics i watched a

1682

01:01:17,910 --> 01:01:16,160

uh documentary the other day where they

1683

01:01:19,589 --> 01:01:17,920

had all these newbies

1684

01:01:21,109 --> 01:01:19,599

and they got a lot of stuff wrong but

1685

01:01:22,870 --> 01:01:21,119

that's that's still okay at least

1686

01:01:25,030 --> 01:01:22,880

they're you know fascinated by the topic

1687

01:01:29,270 --> 01:01:26,950

so martin i want to thank you very much

1688

01:01:31,750 --> 01:01:29,280

for coming on yet again

1689

01:01:34,910 --> 01:01:31,760

i want to tell all of the people to go

1690

01:01:37,190 --> 01:01:34,920

to podcast ufo.com

1691

01:01:38,549 --> 01:01:37,200

podcastufo.com let me see that clearly

1692

01:01:40,789 --> 01:01:38,559

yeah you said it very fast yeah it was

1693

01:01:43,190 --> 01:01:40,799

very strange like an auctioneer and then

1694

01:01:45,510 --> 01:01:43,200

t correction yeah you rubbed off on me

1695

01:01:47,510 --> 01:01:45,520

there martin yeah that's right yeah and

1696

01:01:50,309 --> 01:01:47,520

uh just go into your podcast player and

1697

01:01:51,589 --> 01:01:50,319

search for podcast ufo and actually

1698

01:01:54,630 --> 01:01:51,599

i'll go out on a limb and say if you

1699

01:01:57,109 --> 01:01:54,640

just search ufo podcast ufo is going to

1700

01:01:59,109 --> 01:01:57,119

come up yes it will because it is as i

1701

01:02:01,589 --> 01:01:59,119

mentioned the first time you came on

1702

01:02:04,150 --> 01:02:01,599

kind of the gold standard for ufo shows

1703

01:02:05,270 --> 01:02:04,160

so congratulations on that martin well

1704

01:02:07,829 --> 01:02:05,280

thank you

1705

01:02:10,309 --> 01:02:07,839

and uh what was the name of the guy that

1706

01:02:11,670 --> 01:02:10,319

you mentioned that uh we would love to

1707

01:02:13,990 --> 01:02:11,680

have him on the show what was his name

1708

01:02:15,990 --> 01:02:14,000

again yes his name is mac maloney he

1709

01:02:17,190 --> 01:02:16,000

does a radio show the same night that i

1710

01:02:20,230 --> 01:02:17,200

do my show

1711

01:02:22,630 --> 01:02:20,240

and it's called military x-files and

1712

01:02:24,950 --> 01:02:22,640

he's a real character he's really funny

1713

01:02:27,270 --> 01:02:24,960

and he's really smart and he's an author

1714

01:02:28,870 --> 01:02:27,280

of dozens and dozens of books a lot of

1715

01:02:30,870 --> 01:02:28,880

them fictional but he has done some

1716

01:02:32,630 --> 01:02:30,880

books on ufos as well

1717

01:02:34,870 --> 01:02:32,640

and he said boy was that a lot of work

1718

01:02:37,190 --> 01:02:34,880

to do the research and get things right

1719

01:02:38,549 --> 01:02:37,200

awesome so yeah send me his contact info

1720

01:02:41,829 --> 01:02:38,559

and as you know

1721

01:02:44,069 --> 01:02:41,839

we do words of wisdom always

1722

01:02:46,069 --> 01:02:44,079

you're up

1723

01:02:48,390 --> 01:02:46,079

oh i'm supposed to say i forgot about

1724

01:02:49,670 --> 01:02:48,400

that well i don't we like to surprise

1725

01:02:51,589 --> 01:02:49,680

our guests

1726

01:02:53,589 --> 01:02:51,599

yeah just throw me a reminder what are

1727

01:02:56,870 --> 01:02:53,599

you words of wisdom it could be anything

1728

01:02:59,670 --> 01:02:56,880

you want anything like uh yeah there's a

1729

01:03:01,109 --> 01:02:59,680

there's uh you know what you would tell

1730

01:03:02,870 --> 01:03:01,119

your son when you may see him for the

1731

01:03:05,109 --> 01:03:02,880

last time or there's a sale at the local

1732

01:03:06,390 --> 01:03:05,119

grocery store or whatever anything

1733

01:03:07,589 --> 01:03:06,400

what should we look for in an antique

1734

01:03:10,630 --> 01:03:07,599

shop whatever you can think of yeah

1735

01:03:14,789 --> 01:03:10,640

that's good yeah there you go

1736

01:03:18,470 --> 01:03:15,910

you think you're going to watch the

1737

01:03:21,029 --> 01:03:18,480

antiques roadshow see something on there

1738

01:03:23,190 --> 01:03:21,039

that sold for 25 000. don't think you're

1739

01:03:25,430 --> 01:03:23,200

gonna find one okay that's the best

1740

01:03:27,270 --> 01:03:25,440

advice i can give you so it's super rare

1741

01:03:28,470 --> 01:03:27,280

people do make mistakes all the time

1742

01:03:31,190 --> 01:03:28,480

because something will look like

1743

01:03:34,309 --> 01:03:31,200

something else so

1744

01:03:36,150 --> 01:03:34,319

you know you have to really trust people

1745

01:03:37,750 --> 01:03:36,160

that know what they're looking at

1746

01:03:39,430 --> 01:03:37,760

there's a lot of fake

1747

01:03:41,670 --> 01:03:39,440

okay bob your words of wisdom mine is

1748

01:03:43,190 --> 01:03:41,680

more general for you know

1749

01:03:45,029 --> 01:03:43,200

all of you listening

1750

01:03:46,870 --> 01:03:45,039

yesterday is history tomorrow is a

1751

01:03:48,870 --> 01:03:46,880

mystery today is a gift that is why it

1752

01:03:49,829 --> 01:03:48,880

is called a present i'm sorry the

1753

01:03:52,069 --> 01:03:49,839

present

1754

01:03:54,309 --> 01:03:52,079

wow yes deep

1755

01:03:57,029 --> 01:03:54,319

i'm glad you googled your words of

1756

01:03:58,549 --> 01:03:57,039

wisdom no i actually it was actually on

1757

01:04:01,270 --> 01:03:58,559

kung fu panda

1758

01:04:03,589 --> 01:04:01,280

one or two but it sounds very nice it's

1759

01:04:06,069 --> 01:04:03,599

very deep man okay i like that

1760

01:04:07,910 --> 01:04:06,079

my words of wisdom are even more general

1761

01:04:10,630 --> 01:04:07,920

and unuseful

1762

01:04:12,470 --> 01:04:10,640

uh if you're gonna cook wings in uh a

1763

01:04:14,870 --> 01:04:12,480

smoker

1764

01:04:17,510 --> 01:04:14,880

cooked them at 300 degrees for 20

1765

01:04:18,789 --> 01:04:17,520

minutes bob 20. so super short 20

1766

01:04:22,470 --> 01:04:18,799

minutes

1767

01:04:24,630 --> 01:04:22,480

then raise the temperature to 450

1768

01:04:25,750 --> 01:04:24,640

and hit them for seven and a half

1769

01:04:27,510 --> 01:04:25,760

minutes

1770

01:04:29,990 --> 01:04:27,520

then pull them out and immediately sauce

1771

01:04:31,670 --> 01:04:30,000

them so 27 and a half minutes yes those

1772

01:04:34,309 --> 01:04:31,680

are the best wings ever we're going to

1773

01:04:35,670 --> 01:04:34,319

test it tonight starting right now

1774

01:04:37,270 --> 01:04:35,680

perfect wow

1775

01:04:39,670 --> 01:04:37,280

well can i just have one more words of

1776

01:04:42,309 --> 01:04:39,680

wisdom yes please please

1777

01:04:44,150 --> 01:04:42,319

keep your eyes to the sky and your

1778

01:04:45,430 --> 01:04:44,160

curiosity high

1779

01:04:48,150 --> 01:04:45,440

very nice

1780

01:04:51,660 --> 01:04:48,160

not enough people look up i like that

1781

01:05:00,549 --> 01:04:51,670

yeah basement hangout out

1782

01:05:00,559 --> 01:05:04,190

hmm

1783

01:06:03,829 --> 01:05:21,670

[Music]

1784

01:06:03,839 --> 01:06:08,790

hmm

1785

01:06:27,570 --> 01:06:15,790

[Music]

1786

01:06:35,510 --> 01:06:27,580

oh

1787

01:06:38,510 --> 01:06:35,520

[Music]

1788

01:06:51,720 --> 01:06:38,520

hmm

1789

01:07:08,800 --> 01:06:56,630

[Music]

1790

01:07:22,600 --> 01:07:08,810

hmm
