

# KATIE GRIBOSKI

HIGH STRANGENESS  
ON A COLORADO RANCH

1  
00:00:26,230 --> 00:00:24,470

[Music]

2  
00:00:29,029 --> 00:00:26,240

hi this is martin willis and welcome to

3  
00:00:31,029 --> 00:00:29,039

the everything else show everything else

4  
00:00:33,350 --> 00:00:31,039

because it's usually everything else

5  
00:00:35,910 --> 00:00:33,360

besides ufos but we got a little bit of

6  
00:00:38,709 --> 00:00:35,920

a touch of that in tonight's show

7  
00:00:41,510 --> 00:00:38,719

as well and with katie grabowski i met

8  
00:00:44,549 --> 00:00:41,520

her two times out in

9  
00:00:46,069 --> 00:00:44,559

arizona at the mufon boot camp last year

10  
00:00:47,830 --> 00:00:46,079

and also

11  
00:00:49,830 --> 00:00:47,840

at pine bush this year it was a real

12  
00:00:52,950 --> 00:00:49,840

pleasure i heard her story it was

13  
00:00:54,869 --> 00:00:52,960

fascinating and so i invited her on for

14

00:00:57,270 --> 00:00:54,879

tonight's show and it's a great pleasure

15

00:00:58,709 --> 00:00:57,280

for me to introduce katie grabowski

16

00:01:00,790 --> 00:00:58,719

welcome katie

17

00:01:02,630 --> 00:01:00,800

hi martin thank you so much katie

18

00:01:05,590 --> 00:01:02,640

gabrowski paige i'm changing my name

19

00:01:07,910 --> 00:01:05,600

here shortly so oh okay in a mysterious

20

00:01:09,350 --> 00:01:07,920

kool-aid kind of thumbnail yeah

21

00:01:10,630 --> 00:01:09,360

yeah i've have katie paige up there i

22

00:01:12,149 --> 00:01:10,640

didn't want everybody getting confused

23

00:01:13,510 --> 00:01:12,159

but yes katie

24

00:01:16,230 --> 00:01:13,520

paige i'm kind of going by both right

25

00:01:17,990 --> 00:01:16,240

now as i transition into that but yes

26

00:01:19,749 --> 00:01:18,000

it's a pleasure to be on your show and

27

00:01:22,070 --> 00:01:19,759

it was great hanging out hanging out

28

00:01:24,390 --> 00:01:22,080

with you at both places it was it was a

29

00:01:27,350 --> 00:01:24,400

lot of fun yeah um so

30

00:01:29,990 --> 00:01:27,360

i would uh like for you if you would

31

00:01:33,109 --> 00:01:30,000

talk about now i'm a little bit confused

32

00:01:35,190 --> 00:01:33,119

just just enlighten me on this one part

33

00:01:36,870 --> 00:01:35,200

it was a ranch that you stayed on but

34

00:01:38,310 --> 00:01:36,880

you didn't live there is that right is

35

00:01:40,710 --> 00:01:38,320

that how that goes

36

00:01:43,590 --> 00:01:40,720

that's right i spent some times that i

37

00:01:46,389 --> 00:01:43,600

spent uh one really in particular one

38

00:01:49,270 --> 00:01:46,399

evening was quite terrifying but um it

39

00:01:52,230 --> 00:01:49,280

was the late 70s

40

00:01:55,030 --> 00:01:52,240

my mom worked for united airlines and

41

00:01:56,789 --> 00:01:55,040

she had been divorced from my father for

42

00:01:58,230 --> 00:01:56,799

a couple of years and she started dating

43

00:02:01,350 --> 00:01:58,240

this gentleman that owned the ranch

44

00:02:03,990 --> 00:02:01,360

property so this gentleman had three

45

00:02:06,789 --> 00:02:04,000

sons his two youngest sons since this

46

00:02:10,630 --> 00:02:06,799

was a very rural town it was in elbert

47

00:02:13,350 --> 00:02:10,640

county colorado in a town called kiowa

48

00:02:14,949 --> 00:02:13,360

and um you know very small it's like six

49

00:02:16,309 --> 00:02:14,959

in your graduating class so they wanted

50

00:02:19,430 --> 00:02:16,319

the boys to go to a bigger school

51  
00:02:21,270 --> 00:02:19,440  
district which we had a class of 3500

52  
00:02:23,350 --> 00:02:21,280  
you know we had a big big school cherry

53  
00:02:26,070 --> 00:02:23,360  
creek school district so the two younger

54  
00:02:28,070 --> 00:02:26,080  
boys um lived with us during the week so

55  
00:02:30,229 --> 00:02:28,080  
we were taking the boys back and forth

56  
00:02:32,790 --> 00:02:30,239  
to the ranch so we'd always hear about

57  
00:02:35,190 --> 00:02:32,800  
the ongoings that were happening there

58  
00:02:37,910 --> 00:02:35,200  
never knew anybody ever investigated the

59  
00:02:39,830 --> 00:02:37,920  
area or anybody knew anything about it

60  
00:02:42,070 --> 00:02:39,840  
we knew the police were involved we knew

61  
00:02:44,229 --> 00:02:42,080  
a lot of strange things were happening

62  
00:02:46,150 --> 00:02:44,239  
later as i started investigating i

63  
00:02:48,150 --> 00:02:46,160

learned that this is where linda molten

64

00:02:49,910 --> 00:02:48,160

howe actually got her start out there in

65

00:02:51,589 --> 00:02:49,920

colorado she was an investigative

66

00:02:52,630 --> 00:02:51,599

journalist

67

00:02:54,309 --> 00:02:52,640

and actually

68

00:02:56,470 --> 00:02:54,319

during my research too i found out she

69

00:02:58,949 --> 00:02:56,480

really just lived like six miles down

70

00:03:01,110 --> 00:02:58,959

the road where i lived um but yeah she

71

00:03:02,949 --> 00:03:01,120

was investigating the the

72

00:03:04,949 --> 00:03:02,959

literally hundreds of cattle mutilations

73

00:03:06,550 --> 00:03:04,959

out there at this time

74

00:03:08,309 --> 00:03:06,560

and

75

00:03:10,390 --> 00:03:08,319

right did you experience things right

76

00:03:11,830 --> 00:03:10,400

away there or did

77

00:03:14,550 --> 00:03:11,840

things happen over

78

00:03:17,509 --> 00:03:14,560

oh okay yeah the so the family so this

79

00:03:21,270 --> 00:03:17,519

this um ranch property it was 60 acres

80

00:03:22,869 --> 00:03:21,280

it was surrounded by 180

81

00:03:24,470 --> 00:03:22,879

acres as well so it was just a lot of

82

00:03:26,630 --> 00:03:24,480

open space and since i've been

83

00:03:28,949 --> 00:03:26,640

researching the property it actually is

84

00:03:30,390 --> 00:03:28,959

sits at the highest elevation there in

85

00:03:31,509 --> 00:03:30,400

the in the town

86

00:03:35,589 --> 00:03:31,519

and

87

00:03:38,390 --> 00:03:35,599

stories about this particular old

88

00:03:40,630 --> 00:03:38,400

homesteaded ranch that it was um

89  
00:03:42,229 --> 00:03:40,640  
abandoned um from the people before and

90  
00:03:43,990 --> 00:03:42,239  
it just sat vacant for years and years

91  
00:03:45,350 --> 00:03:44,000  
and years which kind of goes into

92  
00:03:48,149 --> 00:03:45,360  
because some of the theories were that

93  
00:03:49,110 --> 00:03:48,159  
we there was a lot of military activity

94  
00:03:50,949 --> 00:03:49,120  
out there

95  
00:03:51,910 --> 00:03:50,959  
in the area at the time

96  
00:03:54,149 --> 00:03:51,920  
and

97  
00:03:56,229 --> 00:03:54,159  
one of my questions have always been

98  
00:03:58,550 --> 00:03:56,239  
like how much of this was military

99  
00:04:00,869 --> 00:03:58,560  
involvement and how much of this was

100  
00:04:01,910 --> 00:04:00,879  
unknown paranormal activity

101  
00:04:04,630 --> 00:04:01,920  
and

102  
00:04:06,789 --> 00:04:04,640  
it's my opinion that if the military

103  
00:04:08,869 --> 00:04:06,799  
wanted to acquire this property they

104  
00:04:11,429 --> 00:04:08,879  
would have done so because it sat vacant

105  
00:04:13,990 --> 00:04:11,439  
for so many years but there was an old

106  
00:04:16,949 --> 00:04:14,000  
story that the people left this property

107  
00:04:18,789 --> 00:04:16,959  
very abruptly that they left the the

108  
00:04:20,150 --> 00:04:18,799  
keys in the ignition to the old pickup

109  
00:04:22,710 --> 00:04:20,160  
truck and i can attest to that there

110  
00:04:24,230 --> 00:04:22,720  
were actually quite a few abandoned cars

111  
00:04:26,469 --> 00:04:24,240  
on this property that were just left

112  
00:04:28,230 --> 00:04:26,479  
there it's like they left in a big hurry

113  
00:04:30,150 --> 00:04:28,240

so so that was kind of part of the

114

00:04:31,030 --> 00:04:30,160

mystery

115

00:04:35,990 --> 00:04:31,040

wow

116

00:04:38,230 --> 00:04:36,000

phone i do some a little bit of

117

00:04:40,870 --> 00:04:38,240

volunteer work for the scu

118

00:04:43,749 --> 00:04:40,880

and um the scientific coalition for uap

119

00:04:46,710 --> 00:04:43,759

studies and i'm a member i'm not a

120

00:04:48,870 --> 00:04:46,720

scientist as you as we all know

121

00:04:52,950 --> 00:04:48,880

that listen to me but anyway what i'm

122

00:04:55,189 --> 00:04:52,960

getting at is um i have access to um

123

00:04:58,469 --> 00:04:55,199

some things that i was reading the other

124

00:05:01,990 --> 00:04:58,479

day and i just want to read you this by

125

00:05:03,029 --> 00:05:02,000

uh eric davis posted this um on the on

126  
00:05:05,670 --> 00:05:03,039  
the uh

127  
00:05:07,270 --> 00:05:05,680  
the private seo facebook but obviously

128  
00:05:10,550 --> 00:05:07,280  
it's for everybody because

129  
00:05:13,110 --> 00:05:10,560  
he wrote it he said we at nids that was

130  
00:05:16,469 --> 00:05:13,120  
at skinwalker ranch prove that cattle

131  
00:05:19,270 --> 00:05:16,479  
mutilations are not caused by ufos

132  
00:05:22,710 --> 00:05:19,280  
they're caused by a covert team that

133  
00:05:26,150 --> 00:05:22,720  
randomly samples ranch cattle to survey

134  
00:05:27,710 --> 00:05:26,160  
the spread of an evolution of a

135  
00:05:31,189 --> 00:05:27,720  
of an

136  
00:05:33,430 --> 00:05:31,199  
anti-livestock bioweapon virus that got

137  
00:05:37,110 --> 00:05:33,440  
loose during a poorly secured government

138  
00:05:40,070 --> 00:05:37,120

livestock experiment in the early 1960s

139

00:05:41,670 --> 00:05:40,080

can you imagine that i mean interesting

140

00:05:44,469 --> 00:05:41,680

so i passed that along to my friend

141

00:05:45,749 --> 00:05:44,479

chris o'brien who has um who has written

142

00:05:48,790 --> 00:05:45,759

that great book

143

00:05:50,629 --> 00:05:48,800

uh right stalking the herd and uh he

144

00:05:52,950 --> 00:05:50,639

said that makes sense except it doesn't

145

00:05:55,029 --> 00:05:52,960

answer what happened in earlier times

146

00:05:58,070 --> 00:05:55,039

that's right and i was just gonna parrot

147

00:06:00,870 --> 00:05:58,080

that actually i think that may solve

148

00:06:03,909 --> 00:06:00,880

some of them maybe 80 85 maybe go up to

149

00:06:05,510 --> 00:06:03,919

90 of them but in my investigation and

150

00:06:07,029 --> 00:06:05,520

the people the ranchers that i've gone

151  
00:06:09,270 --> 00:06:07,039  
out in research

152  
00:06:11,430 --> 00:06:09,280  
that would not fit the narrative

153  
00:06:14,629 --> 00:06:11,440  
one of my my favorite witnesses that i

154  
00:06:17,110 --> 00:06:14,639  
drove out to wyoming she actually

155  
00:06:19,270 --> 00:06:17,120  
had experiences in kiowa with her family

156  
00:06:21,510 --> 00:06:19,280  
as a teenager and was there during you

157  
00:06:24,870 --> 00:06:21,520  
know this high strange's period that

158  
00:06:27,189 --> 00:06:24,880  
seemed to last from 1975 to 1978 was the

159  
00:06:29,270 --> 00:06:27,199  
height of it people asked me is this

160  
00:06:31,430 --> 00:06:29,280  
still going on today and the answer is

161  
00:06:33,270 --> 00:06:31,440  
yes just not to that

162  
00:06:35,830 --> 00:06:33,280  
like craziness where it was happening

163  
00:06:38,309 --> 00:06:35,840

like daily but there are still unusual

164

00:06:39,510 --> 00:06:38,319

things that go on out here out there in

165

00:06:42,469 --> 00:06:39,520

that town

166

00:06:44,150 --> 00:06:42,479

but anyway her name's sheila and she was

167

00:06:46,469 --> 00:06:44,160

married right out of high school and her

168

00:06:49,270 --> 00:06:46,479

and her husband had moved to rhema

169

00:06:51,670 --> 00:06:49,280

colorado which is just borders

170

00:06:53,670 --> 00:06:51,680

it's just you know borders albert county

171

00:06:56,390 --> 00:06:53,680

line and it's right near kiowa and so

172

00:06:59,110 --> 00:06:56,400

they had several acres of ranch property

173

00:07:02,469 --> 00:06:59,120

and it was miles off the county road in

174

00:07:04,710 --> 00:07:02,479

the middle of nowhere and her husband

175

00:07:07,589 --> 00:07:04,720

was actually on horseback checking the

176

00:07:10,629 --> 00:07:07,599

cows for calves and he came across a

177

00:07:13,749 --> 00:07:10,639

dead calf and the calf had four

178

00:07:16,150 --> 00:07:13,759

incisions in a perfect square

179

00:07:17,990 --> 00:07:16,160

with the top of the skin removed the

180

00:07:19,350 --> 00:07:18,000

hair the fur removed but the skin was

181

00:07:21,510 --> 00:07:19,360

still there

182

00:07:24,390 --> 00:07:21,520

and he was like oh my goodness what what

183

00:07:26,309 --> 00:07:24,400

is this so he rides back to the ranch

184

00:07:28,469 --> 00:07:26,319

house and gets sheila and they go back

185

00:07:30,870 --> 00:07:28,479

in the pickup truck she said that took

186

00:07:33,189 --> 00:07:30,880

him about 20-25 minutes to get back to

187

00:07:35,270 --> 00:07:33,199

where the calf was by the time they got

188

00:07:36,870 --> 00:07:35,280

back to that calf

189

00:07:39,749 --> 00:07:36,880

the calf had been

190

00:07:42,150 --> 00:07:39,759

mutilated cauterized blood drained

191

00:07:44,550 --> 00:07:42,160

organs removed and they never heard a

192

00:07:46,550 --> 00:07:44,560

helicopter there were no truck marks

193

00:07:48,869 --> 00:07:46,560

there were no footprints

194

00:07:50,390 --> 00:07:48,879

she said it was very very eerie very

195

00:07:53,830 --> 00:07:50,400

spooky

196

00:07:56,150 --> 00:07:53,840

it felt like they were being watched

197

00:07:59,110 --> 00:07:56,160

it really changed i mean no blood all

198

00:08:01,909 --> 00:07:59,120

around the calf to me that doesn't fit

199

00:08:03,430 --> 00:08:01,919

the that military explanation you they

200

00:08:05,510 --> 00:08:03,440

would have heard copters they would have

201  
00:08:07,830 --> 00:08:05,520  
seen truck marks they would have had and

202  
00:08:08,869 --> 00:08:07,840  
there's so many other unusual things too

203  
00:08:10,790 --> 00:08:08,879  
you know where

204  
00:08:13,670 --> 00:08:10,800  
other animals won't approach these

205  
00:08:15,830 --> 00:08:13,680  
mutilated cows you know if it was just

206  
00:08:17,430 --> 00:08:15,840  
humans doing that

207  
00:08:20,469 --> 00:08:17,440  
you know why would that be that's not

208  
00:08:23,270 --> 00:08:20,479  
true so and there's so many just unusual

209  
00:08:25,270 --> 00:08:23,280  
um stories like that where

210  
00:08:27,430 --> 00:08:25,280  
you know that military explanation

211  
00:08:30,469 --> 00:08:27,440  
doesn't explain all of them away in fact

212  
00:08:32,709 --> 00:08:30,479  
if you pull up picture 14

213  
00:08:34,550 --> 00:08:32,719

there is a picture she actually messaged

214

00:08:37,190 --> 00:08:34,560

me in facebook and said hey kati i

215

00:08:40,870 --> 00:08:37,200

actually found the picture of that calf

216

00:08:43,190 --> 00:08:40,880

now you can see the image on the left is

217

00:08:45,190 --> 00:08:43,200

the cauterized

218

00:08:47,430 --> 00:08:45,200

where they took the organs out and the

219

00:08:49,430 --> 00:08:47,440

blood drained now the one on the right

220

00:08:51,670 --> 00:08:49,440

is also a pitcher she found and that's

221

00:08:55,030 --> 00:08:51,680

what happens when coyotes

222

00:08:57,110 --> 00:08:55,040

jump on a live cap and just eat it alive

223

00:08:59,590 --> 00:08:57,120

it looks very different

224

00:09:01,670 --> 00:08:59,600

um so it's really cool she had those

225

00:09:03,430 --> 00:09:01,680

pictures um to compare

226

00:09:05,670 --> 00:09:03,440

with but yes so

227

00:09:08,310 --> 00:09:05,680

in that instance i i don't believe that

228

00:09:10,070 --> 00:09:08,320

was a military operation

229

00:09:12,550 --> 00:09:10,080

and there's another one

230

00:09:13,509 --> 00:09:12,560

talking early as i mentioned skinwalker

231

00:09:17,350 --> 00:09:13,519

ranch

232

00:09:19,829 --> 00:09:17,360

so the the one of the incidents there it

233

00:09:22,389 --> 00:09:19,839

appeared as if the cow was picked up by

234

00:09:24,070 --> 00:09:22,399

something and it dropped headfirst into

235

00:09:25,190 --> 00:09:24,080

a hole i don't know if you read that

236

00:09:27,030 --> 00:09:25,200

book but

237

00:09:30,070 --> 00:09:27,040

you know so it was like its head was

238

00:09:32,710 --> 00:09:30,080

down inside a hole like it was dropped

239

00:09:34,949 --> 00:09:32,720

from somewhere you know i mean just that

240

00:09:37,670 --> 00:09:34,959

one wouldn't make sense

241

00:09:39,190 --> 00:09:37,680

yeah i've heard that too or or or like

242

00:09:42,310 --> 00:09:39,200

and not only and you know it wasn't just

243

00:09:44,230 --> 00:09:42,320

cows it was sheep and horse so

244

00:09:46,070 --> 00:09:44,240

another

245

00:09:49,030 --> 00:09:46,080

yeah sniffy the horse but there was also

246

00:09:51,030 --> 00:09:49,040

one in kiowa um actually um in the the

247

00:09:52,150 --> 00:09:51,040

film that linda did called a strange

248

00:09:55,670 --> 00:09:52,160

harvest

249

00:09:58,710 --> 00:09:55,680

um the um undersheriff bill whom i flew

250

00:10:01,030 --> 00:09:58,720

out there um and interviewed his widow

251

00:10:03,269 --> 00:10:01,040

and his son out in florida

252

00:10:05,590 --> 00:10:03,279

and he talks about

253

00:10:07,190 --> 00:10:05,600

this this family who you know they

254

00:10:09,030 --> 00:10:07,200

didn't have air conditioning so they

255

00:10:11,269 --> 00:10:09,040

slept with their windows open they had a

256

00:10:13,509 --> 00:10:11,279

horse right outside their kitchen window

257

00:10:15,430 --> 00:10:13,519

two other outbuildings two families dogs

258

00:10:17,750 --> 00:10:15,440

wouldn't bark so there's unusual animal

259

00:10:19,670 --> 00:10:17,760

behaviors they waited they go to bed at

260

00:10:21,750 --> 00:10:19,680

night the horse is fine they wake up the

261

00:10:23,190 --> 00:10:21,760

next morning the horse is mutilated

262

00:10:24,630 --> 00:10:23,200

right outside their windows and they had

263

00:10:25,430 --> 00:10:24,640

all their windows open it's a hot summer

264

00:10:28,150 --> 00:10:25,440

day

265

00:10:30,310 --> 00:10:28,160

um again i don't think military would

266

00:10:32,550 --> 00:10:30,320

pull that off like that so there's a lot

267

00:10:34,949 --> 00:10:32,560

of those yeah yeah

268

00:10:37,670 --> 00:10:34,959

so it had if it had to do especially if

269

00:10:39,350 --> 00:10:37,680

it had to do with a bovine

270

00:10:41,670 --> 00:10:39,360

you know uh

271

00:10:44,069 --> 00:10:41,680

instance uh whatever it was that they

272

00:10:46,630 --> 00:10:44,079

had developed to actually kill them

273

00:10:49,110 --> 00:10:46,640

which is a really silly thing to develop

274

00:10:53,750 --> 00:10:49,120

if you ask me um i guess yeah

275

00:10:56,870 --> 00:10:53,760

it would hurt an adversary by you know

276

00:10:58,150 --> 00:10:56,880

deleting their cows i guess as far as a

277

00:10:59,990 --> 00:10:58,160

food source

278

00:11:01,670 --> 00:11:00,000

you know so but i mean that i can't

279

00:11:03,350 --> 00:11:01,680

other i can't understand what else of

280

00:11:06,790 --> 00:11:03,360

what kind of a weapon other than that it

281

00:11:09,030 --> 00:11:06,800

would be okay so let's talk about

282

00:11:10,710 --> 00:11:09,040

what the first instance that happened

283

00:11:12,150 --> 00:11:10,720

that you were aware of at the ranch when

284

00:11:13,590 --> 00:11:12,160

you were young

285

00:11:15,670 --> 00:11:13,600

yeah the very first thing that was

286

00:11:18,870 --> 00:11:15,680

reported out there were these strange

287

00:11:21,430 --> 00:11:18,880

bangs underground almost like turbines

288

00:11:24,069 --> 00:11:21,440

or something but there was none of that

289

00:11:25,829 --> 00:11:24,079

under the property um and humming sounds

290

00:11:27,750 --> 00:11:25,839

sometimes those humming sounds would get

291

00:11:29,590 --> 00:11:27,760

so loud that you couldn't hear

292

00:11:31,829 --> 00:11:29,600

yourselves talk over it that was the

293

00:11:32,790 --> 00:11:31,839

very first thing reported in the ranch

294

00:11:36,069 --> 00:11:32,800

and

295

00:11:38,150 --> 00:11:36,079

what was so awesome for me so i came in

296

00:11:41,350 --> 00:11:38,160

to mufon right as a field investigator

297

00:11:43,750 --> 00:11:41,360

in 2012 and as hopefully many of your

298

00:11:46,790 --> 00:11:43,760

listeners know john schussler is one of

299

00:11:49,750 --> 00:11:46,800

the founding fathers of mufon and when

300

00:11:52,949 --> 00:11:49,760

he learned of my um connection to that

301  
00:11:54,069 --> 00:11:52,959  
colorado ranch he bestowed upon me here

302  
00:11:56,150 --> 00:11:54,079  
i have it right here this is the

303  
00:11:58,550 --> 00:11:56,160  
original one right here i had it found

304  
00:11:59,910 --> 00:11:58,560  
the original briefing document

305  
00:12:02,710 --> 00:11:59,920  
of the

306  
00:12:05,750 --> 00:12:02,720  
investigation on the ranch property

307  
00:12:07,829 --> 00:12:05,760  
so in here is this chronicle

308  
00:12:09,110 --> 00:12:07,839  
order of things that were reported on

309  
00:12:11,670 --> 00:12:09,120  
the ranch

310  
00:12:13,590 --> 00:12:11,680  
second thing that was reported the boys

311  
00:12:15,990 --> 00:12:13,600  
the the older boy and the middle boy

312  
00:12:18,470 --> 00:12:16,000  
came across a mutilated cow on their

313  
00:12:21,350 --> 00:12:18,480

property one of two that were on their

314

00:12:23,190 --> 00:12:21,360

particular property now the neighbors

315

00:12:25,590 --> 00:12:23,200

had them and when i went to interview

316

00:12:27,590 --> 00:12:25,600

the sheriff's widow um she said they

317

00:12:29,910 --> 00:12:27,600

were almost occurring daily and i had

318

00:12:31,190 --> 00:12:29,920

pulled up so many newspaper articles if

319

00:12:33,190 --> 00:12:31,200

you go

320

00:12:35,350 --> 00:12:33,200

well let's see that one doesn't oh i

321

00:12:37,590 --> 00:12:35,360

haven't let's let's pull and let's go to

322

00:12:42,230 --> 00:12:37,600

image one

323

00:12:45,910 --> 00:12:42,240

goes over all the similarities for from

324

00:12:48,310 --> 00:12:45,920

the colorado ranch to the um skinwalker

325

00:12:50,710 --> 00:12:48,320

ranch and those newspaper clippings that

326

00:12:54,550 --> 00:12:50,720

you see there are actually when i went

327

00:12:56,949 --> 00:12:54,560

to interview bill was widow jean she had

328

00:12:58,949 --> 00:12:56,959

pulled out a big folder of all these

329

00:13:00,150 --> 00:12:58,959

articles she had saved from back in the

330

00:13:02,389 --> 00:13:00,160

day

331

00:13:04,629 --> 00:13:02,399

and she was gracious enough to let me

332

00:13:06,710 --> 00:13:04,639

take that home with me here to colorado

333

00:13:08,310 --> 00:13:06,720

and copy them all and then i sent them

334

00:13:10,069 --> 00:13:08,320

back to her

335

00:13:11,670 --> 00:13:10,079

and i pulled a lot of information on a

336

00:13:14,150 --> 00:13:11,680

lot of names and got a lot of

337

00:13:16,230 --> 00:13:14,160

information from that some of which

338

00:13:17,829 --> 00:13:16,240

includes like this mysterious blanket of

339

00:13:20,150 --> 00:13:17,839

metal found which we'll get into later

340

00:13:22,150 --> 00:13:20,160

but of course the strange humming sounds

341

00:13:24,470 --> 00:13:22,160

the cattle mutilations the circles on

342

00:13:26,550 --> 00:13:24,480

the ground that's something i personally

343

00:13:28,069 --> 00:13:26,560

witnessed with my sister and was really

344

00:13:31,990 --> 00:13:28,079

cool to find that actually the

345

00:13:33,430 --> 00:13:32,000

dimensions of it here in the um briefing

346

00:13:36,230 --> 00:13:33,440

document

347

00:13:38,470 --> 00:13:36,240

we had the military connection bigfoot

348

00:13:40,870 --> 00:13:38,480

creatures crypto creatures which were

349

00:13:42,790 --> 00:13:40,880

these big bird creatures these menacing

350

00:13:45,750 --> 00:13:42,800

helicopters that would chase people and

351  
00:13:48,150 --> 00:13:45,760  
young people which i found images of and

352  
00:13:50,470 --> 00:13:48,160  
articles about and in fact i was able to

353  
00:13:52,870 --> 00:13:50,480  
get with kloss fawn out in sweden to

354  
00:13:55,110 --> 00:13:52,880  
find this uh yeah kloss is wonderful

355  
00:13:57,829 --> 00:13:55,120  
into the shows here yeah he's amazing

356  
00:13:59,509 --> 00:13:57,839  
and he had a copy of this um

357  
00:14:01,269 --> 00:13:59,519  
kind of a booklet it's like 60 some

358  
00:14:02,389 --> 00:14:01,279  
pages but it's called the choppers and

359  
00:14:05,110 --> 00:14:02,399  
the choppers

360  
00:14:07,990 --> 00:14:05,120  
that did this really investigative study

361  
00:14:10,389 --> 00:14:08,000  
into the me the mutilators and this

362  
00:14:12,629 --> 00:14:10,399  
these strange choppers that were seen

363  
00:14:14,870 --> 00:14:12,639

and it's a fascinating read it's really

364

00:14:16,629 --> 00:14:14,880

really interesting they were e.t being

365

00:14:18,470 --> 00:14:16,639

cited they're two different types they

366

00:14:21,430 --> 00:14:18,480

said they were in conflict with one

367

00:14:23,750 --> 00:14:21,440

another this mysterious metal that was

368

00:14:25,269 --> 00:14:23,760

found out there and strangely enough and

369

00:14:27,189 --> 00:14:25,279

something i didn't talk about for a

370

00:14:28,790 --> 00:14:27,199

while because i thought it was so odd

371

00:14:30,470 --> 00:14:28,800

you know nobody's going to believe this

372

00:14:32,949 --> 00:14:30,480

but were these strange disappearing

373

00:14:35,110 --> 00:14:32,959

boxes and they're also reported in this

374

00:14:38,310 --> 00:14:35,120

briefing document so this ranch was

375

00:14:41,189 --> 00:14:38,320

actually investigated by apro

376

00:14:43,829 --> 00:14:41,199

and it was in this book right here

377

00:14:46,069 --> 00:14:43,839

hunt for the skinwalker that i picked up

378

00:14:48,069 --> 00:14:46,079

and and this was before the skinwalker

379

00:14:49,990 --> 00:14:48,079

ranch was really that well known you

380

00:14:52,230 --> 00:14:50,000

know there was no tv shows about it or

381

00:14:53,910 --> 00:14:52,240

anything like that and i just picked up

382

00:14:55,910 --> 00:14:53,920

the book because i thought oh a ranch

383

00:14:57,509 --> 00:14:55,920

and strange activity maybe i'll learn

384

00:14:58,389 --> 00:14:57,519

something about what happened out in the

385

00:15:01,430 --> 00:14:58,399

ranch

386

00:15:03,030 --> 00:15:01,440

and i get to the chapter other hot spots

387

00:15:05,750 --> 00:15:03,040

and there's several pages about the

388

00:15:07,750 --> 00:15:05,760

colorado ranch and i knew immediately it

389

00:15:09,750 --> 00:15:07,760

had to be the ranch from my childhood

390

00:15:11,670 --> 00:15:09,760

because of the strange family dynamic i

391

00:15:14,470 --> 00:15:11,680

was well aware of the strange family

392

00:15:16,550 --> 00:15:14,480

dynamic there and so in this book it

393

00:15:19,509 --> 00:15:16,560

mentioned the three phds that had

394

00:15:21,590 --> 00:15:19,519

investigated the property one was dr leo

395

00:15:24,230 --> 00:15:21,600

sprinkle who became a dear friend of

396

00:15:27,430 --> 00:15:24,240

mine and sadly we lost last year

397

00:15:29,590 --> 00:15:27,440

one one was um john der phd and i just

398

00:15:31,509 --> 00:15:29,600

recently found him and located him and

399

00:15:34,069 --> 00:15:31,519

i've had interesting conversations with

400

00:15:36,550 --> 00:15:34,079

him and the other one was a man named

401  
00:15:39,350 --> 00:15:36,560  
peter van arsdale all three phds

402  
00:15:40,949 --> 00:15:39,360  
seismologists and they also had a

403  
00:15:43,350 --> 00:15:40,959  
psychic out on the property named

404  
00:15:46,069 --> 00:15:43,360  
clarissa bernhardt which i tracked her

405  
00:15:48,470 --> 00:15:46,079  
down and did an interview with her

406  
00:15:50,710 --> 00:15:48,480  
and so you know as this has been

407  
00:15:52,389 --> 00:15:50,720  
unfolding for the last decade now that

408  
00:15:54,389 --> 00:15:52,399  
i've been researching this i'm just

409  
00:15:56,710 --> 00:15:54,399  
trying to pull names from these articles

410  
00:15:58,790 --> 00:15:56,720  
and reach out to the ranchers and for

411  
00:16:00,870 --> 00:15:58,800  
those of you who know like small town

412  
00:16:02,629 --> 00:16:00,880  
mentality you kind of you know you can't

413  
00:16:03,910 --> 00:16:02,639

just barge in there and go i want to

414

00:16:06,670 --> 00:16:03,920

know everything you know you just have

415

00:16:09,110 --> 00:16:06,680

to you know earn trust earn respect earn

416

00:16:11,110 --> 00:16:09,120

confidentiality with these people and

417

00:16:12,870 --> 00:16:11,120

and you know lucky for me

418

00:16:15,189 --> 00:16:12,880

they've been very forthcoming and

419

00:16:17,990 --> 00:16:15,199

willing to share some of these really

420

00:16:18,949 --> 00:16:18,000

interesting events um

421

00:16:22,310 --> 00:16:18,959

you know

422

00:16:23,350 --> 00:16:22,320

the skinwalker ranch like it's just like

423

00:16:25,990 --> 00:16:23,360

there's

424

00:16:27,110 --> 00:16:26,000

these things no no borders as far as i'm

425

00:16:28,790 --> 00:16:27,120

concerned

426

00:16:30,710 --> 00:16:28,800

like they wouldn't know between the

427

00:16:32,230 --> 00:16:30,720

mexican border and the united states

428

00:16:34,230 --> 00:16:32,240

border or ufo

429

00:16:36,310 --> 00:16:34,240

doesn't care or a bigfoot doesn't care

430

00:16:40,310 --> 00:16:36,320

or whatever unless there's a wall there

431

00:16:43,749 --> 00:16:40,320

of course or whatever but still um

432

00:16:47,189 --> 00:16:43,759

what i'm getting at is what about the um

433

00:16:49,030 --> 00:16:47,199

connecting properties around the ranch

434

00:16:50,710 --> 00:16:49,040

is it it's not just that particular

435

00:16:52,710 --> 00:16:50,720

range we said it's 60 acres that's

436

00:16:54,550 --> 00:16:52,720

that's big but not really big

437

00:16:56,790 --> 00:16:54,560

right and it affected everybody in the

438

00:16:58,949 --> 00:16:56,800

town and neighboring towns as well um

439

00:17:00,870 --> 00:16:58,959

and i'll get into a person i ran across

440

00:17:03,189 --> 00:17:00,880

that was 14 miles away in another little

441

00:17:04,949 --> 00:17:03,199

town that i can't disclose he wrote a

442

00:17:06,470 --> 00:17:04,959

book and he called you know he says it

443

00:17:08,549 --> 00:17:06,480

was in castle rock but i learned the

444

00:17:10,309 --> 00:17:08,559

true location which in fact was 14 miles

445

00:17:12,789 --> 00:17:10,319

away from the ranch but you're right

446

00:17:15,189 --> 00:17:12,799

this is marley woods this is you know

447

00:17:17,669 --> 00:17:15,199

south trey hudson has the south skin

448

00:17:20,150 --> 00:17:17,679

walker where there's activity um and

449

00:17:21,990 --> 00:17:20,160

doing mufon's archive program i ran

450

00:17:25,510 --> 00:17:22,000

across another interesting historical

451

00:17:27,590 --> 00:17:25,520

case called the ufo ohio pile creature

452

00:17:30,549 --> 00:17:27,600

case which i believe stan gordon wrote

453

00:17:32,710 --> 00:17:30,559

about in his book and it's very similar

454

00:17:34,789 --> 00:17:32,720

to a lot of the activities out here in

455

00:17:37,350 --> 00:17:34,799

pennsylvania then of course you know you

456

00:17:40,950 --> 00:17:37,360

have the skin walker and blind frog and

457

00:17:45,270 --> 00:17:43,270

in sedona there

458

00:17:48,070 --> 00:17:45,280

and what i i did is i pulled up the

459

00:17:50,150 --> 00:17:48,080

geological map you know and what all

460

00:17:52,230 --> 00:17:50,160

these properties have in common are

461

00:17:55,510 --> 00:17:52,240

they're very highly highly magnetized

462

00:17:57,830 --> 00:17:55,520

areas and when we had james um keenan on

463

00:17:59,830 --> 00:17:57,840

our show just recently we were he was

464

00:18:02,710 --> 00:17:59,840

talking about how they're learning that

465

00:18:05,270 --> 00:18:02,720

these highly magnetized areas actually

466

00:18:07,990 --> 00:18:05,280

can move you know they're they're not

467

00:18:09,990 --> 00:18:08,000

stagnant per se so and that led us into

468

00:18:13,110 --> 00:18:10,000

this whole mystery of you know david

469

00:18:15,029 --> 00:18:13,120

pilates and missing 411 is that's what's

470

00:18:17,110 --> 00:18:15,039

happening people are hiking in these

471

00:18:19,270 --> 00:18:17,120

national forests they're coming across

472

00:18:21,830 --> 00:18:19,280

this highly magnetized area and james is

473

00:18:23,190 --> 00:18:21,840

saying how the compass will spin

474

00:18:24,549 --> 00:18:23,200

and i was like oh my gosh because i've

475

00:18:25,990 --> 00:18:24,559

been doing a lot of hiking lately i'm

476  
00:18:27,029 --> 00:18:26,000  
going to start carrying a compass with

477  
00:18:28,630 --> 00:18:27,039  
me right

478  
00:18:30,230 --> 00:18:28,640  
you don't want to get too scared

479  
00:18:31,990 --> 00:18:30,240  
yeah yeah

480  
00:18:33,990 --> 00:18:32,000  
i'm already paranoid enough getting

481  
00:18:36,310 --> 00:18:34,000  
involved in all this my strangeness

482  
00:18:38,150 --> 00:18:36,320  
stuff so i'm always like darn it but you

483  
00:18:40,470 --> 00:18:38,160  
know you want to be careful too but is

484  
00:18:43,110 --> 00:18:40,480  
that allowing some sort of

485  
00:18:45,750 --> 00:18:43,120  
portal to open up i don't know you know

486  
00:18:47,430 --> 00:18:45,760  
well um so it's the whole town it's not

487  
00:18:50,470 --> 00:18:47,440  
just the ranch

488  
00:18:53,029 --> 00:18:50,480

yes the whole town town has problems

489

00:18:55,669 --> 00:18:53,039

yeah the whole town had i mean people

490

00:18:57,909 --> 00:18:55,679

the whole town felt eerie everybody had

491

00:18:59,430 --> 00:18:57,919

like loaded shotguns by their door and

492

00:19:02,310 --> 00:18:59,440

there was a heavy military presence

493

00:19:07,830 --> 00:19:02,320

there again um if you pull up

494

00:19:12,549 --> 00:19:10,390

so on this image the the the very big

495

00:19:15,590 --> 00:19:12,559

red star at the top right there that's

496

00:19:17,590 --> 00:19:15,600

where the ranch sat so if you look um

497

00:19:20,310 --> 00:19:17,600

you see the air force academy is not too

498

00:19:23,190 --> 00:19:20,320

far by and in fact in the late 70s they

499

00:19:25,029 --> 00:19:23,200

owned more property than they do now and

500

00:19:28,470 --> 00:19:25,039

it kind of almost butted to where that

501  
00:19:30,390 --> 00:19:28,480  
ranch property was you had um peterson

502  
00:19:32,549 --> 00:19:30,400  
air force base you had shrivener air

503  
00:19:34,230 --> 00:19:32,559  
force base you had fort carson cheyenne

504  
00:19:36,630 --> 00:19:34,240  
mountain and norad

505  
00:19:38,710 --> 00:19:36,640  
and i believe it's in christopher

506  
00:19:40,470 --> 00:19:38,720  
o'brien's book um

507  
00:19:42,950 --> 00:19:40,480  
mystery stocks the prairie that he talks

508  
00:19:45,029 --> 00:19:42,960  
about one of these first mutilations

509  
00:19:46,950 --> 00:19:45,039  
they left the cow the mutilated cow on

510  
00:19:48,549 --> 00:19:46,960  
the doorsteps of norad

511  
00:19:50,630 --> 00:19:48,559  
what is that about if they're the ones

512  
00:19:52,950 --> 00:19:50,640  
doing it why would they do that um and

513  
00:19:54,950 --> 00:19:52,960

then also not on that map in between the

514

00:19:57,350 --> 00:19:54,960

air force academy and cheyenne mountain

515

00:19:59,990 --> 00:19:57,360

is butte which has one of the largest

516

00:20:00,950 --> 00:20:00,000

collections of military helicopters

517

00:20:02,149 --> 00:20:00,960

okay

518

00:20:04,789 --> 00:20:02,159

so there was

519

00:20:07,750 --> 00:20:04,799

there's no question that the military

520

00:20:10,390 --> 00:20:07,760

was aware of this property and in fact

521

00:20:12,789 --> 00:20:10,400

when i was at a conference in laughlin

522

00:20:13,909 --> 00:20:12,799

um richard dodie was there and i know

523

00:20:16,310 --> 00:20:13,919

people oh richard dodie he's

524

00:20:17,909 --> 00:20:16,320

disinformation officer you know whatever

525

00:20:19,750 --> 00:20:17,919

you think of richard dodie i was

526

00:20:21,669 --> 00:20:19,760

interested in knowing whether he was

527

00:20:24,149 --> 00:20:21,679

aware of this property

528

00:20:26,230 --> 00:20:24,159

and he told me that he was and in fact

529

00:20:28,149 --> 00:20:26,240

he's not the only person i was just

530

00:20:30,230 --> 00:20:28,159

recently well with you in new york you

531

00:20:31,830 --> 00:20:30,240

know cheryl costa was there

532

00:20:33,350 --> 00:20:31,840

and we were sitting there at the table

533

00:20:34,950 --> 00:20:33,360

and she goes oh

534

00:20:37,430 --> 00:20:34,960

i know who you are you're the one with

535

00:20:39,669 --> 00:20:37,440

the colorado ranch because you know she

536

00:20:42,070 --> 00:20:39,679

has the military background right she

537

00:20:44,470 --> 00:20:42,080

said we were we were aware of your ranch

538

00:20:47,590 --> 00:20:44,480

property the ranch property in colorado

539

00:20:51,270 --> 00:20:47,600

which is really interesting to me

540

00:20:54,070 --> 00:20:51,280

and in fact and some of dr leo sprinkles

541

00:20:56,390 --> 00:20:54,080

so if so in laramie wyoming is the

542

00:20:58,470 --> 00:20:56,400

heritage center and that's where dr leo

543

00:21:01,270 --> 00:20:58,480

sprinkle has housed all his research so

544

00:21:03,750 --> 00:21:01,280

there's over over 40 years of ufo

545

00:21:05,510 --> 00:21:03,760

research here at the heritage center and

546

00:21:07,590 --> 00:21:05,520

i went there to pull all the original

547

00:21:09,750 --> 00:21:07,600

files and documents which anybody can go

548

00:21:11,909 --> 00:21:09,760

do it's all open to anybody who wants to

549

00:21:13,510 --> 00:21:11,919

go down there and look at this

550

00:21:15,110 --> 00:21:13,520

i went down there immediately when i

551  
00:21:17,510 --> 00:21:15,120  
found out he was

552  
00:21:18,390 --> 00:21:17,520  
one of the investigators at this ranch

553  
00:21:20,950 --> 00:21:18,400  
and

554  
00:21:22,390 --> 00:21:20,960  
in those files i came across some

555  
00:21:25,190 --> 00:21:22,400  
interesting little tidbits of

556  
00:21:26,950 --> 00:21:25,200  
information one of which is

557  
00:21:29,669 --> 00:21:26,960  
image number six if you want to pull

558  
00:21:32,070 --> 00:21:29,679  
that up and the the original note there

559  
00:21:34,230 --> 00:21:32,080  
isn't actually dr leo sprinkle's hand

560  
00:21:36,789 --> 00:21:34,240  
and what it says is bill while the

561  
00:21:39,110 --> 00:21:36,799  
undersheriff wants to talk to someone

562  
00:21:42,310 --> 00:21:39,120  
has seen ships going into the ground

563  
00:21:43,909 --> 00:21:42,320

boxes mutilations being done nobody

564

00:21:46,549 --> 00:21:43,919

nobody will talk don't want

565

00:21:48,230 --> 00:21:46,559

investigation or publicity no stigma

566

00:21:49,830 --> 00:21:48,240

credentials are an important factor

567

00:21:52,390 --> 00:21:49,840

that's why for years it was known as the

568

00:21:54,549 --> 00:21:52,400

clearview ranch said john would go back

569

00:21:56,549 --> 00:21:54,559

norad colonel said bluntly to forget

570

00:21:59,990 --> 00:21:56,559

about it and to shut up and the air

571

00:22:01,350 --> 00:22:00,000

force has a directive to handle ufos and

572

00:22:03,029 --> 00:22:01,360

bigfoot

573

00:22:05,350 --> 00:22:03,039

so right there

574

00:22:07,430 --> 00:22:05,360

um and i heard from genoa the the

575

00:22:09,190 --> 00:22:07,440

sheriff's wall and also there was george

576

00:22:11,510 --> 00:22:09,200

yarnell he was the sheriff of elbert

577

00:22:14,149 --> 00:22:11,520

county at the time and they had

578

00:22:17,029 --> 00:22:14,159

directives directly from norad in the

579

00:22:21,270 --> 00:22:17,039

air force academy to to actually lie

580

00:22:24,549 --> 00:22:21,280

about the mutilations um you know to

581

00:22:26,789 --> 00:22:24,559

say it's religious or satanic cults or

582

00:22:29,270 --> 00:22:26,799

whatever you know and there was a big

583

00:22:31,270 --> 00:22:29,280

uproar in the state i mean you know

584

00:22:32,789 --> 00:22:31,280

the the governor of the state was even

585

00:22:35,029 --> 00:22:32,799

involved because everybody was arming

586

00:22:37,830 --> 00:22:35,039

themselves people were really afraid and

587

00:22:40,950 --> 00:22:37,840

the area felt really really frightening

588

00:22:43,029 --> 00:22:40,960

um another theory that i had

589

00:22:45,750 --> 00:22:43,039

is that possibly there were like black

590

00:22:47,750 --> 00:22:45,760

access projects going on out there and i

591

00:22:50,310 --> 00:22:47,760

had a clue into that and that's image

592

00:22:52,870 --> 00:22:50,320

number seven this was also in dr leo

593

00:22:54,630 --> 00:22:52,880

sprinkles files and and this is in his

594

00:22:56,310 --> 00:22:54,640

hand and i think it's interesting

595

00:22:58,070 --> 00:22:56,320

because it says warren and they redacted

596

00:22:59,830 --> 00:22:58,080

his last name from camp carson so

597

00:23:03,350 --> 00:22:59,840

immediately i'm like what is this guy

598

00:23:05,590 --> 00:23:03,360

from a soldier from camp carson be doing

599

00:23:08,070 --> 00:23:05,600

on the ranch property it says he visits

600

00:23:09,669 --> 00:23:08,080

the ranch he felt something wrong he

601  
00:23:12,549 --> 00:23:09,679  
wouldn't go into the woods something

602  
00:23:14,789 --> 00:23:12,559  
took over his mind made him walk towards

603  
00:23:16,870 --> 00:23:14,799  
the woods and released him and he would

604  
00:23:18,789 --> 00:23:16,880  
run back to the ranch house and this did

605  
00:23:20,950 --> 00:23:18,799  
this to him five times was that like an

606  
00:23:22,710 --> 00:23:20,960  
mk ultra mind control or was that like

607  
00:23:24,789 --> 00:23:22,720  
et's doing something to his mind with

608  
00:23:26,789 --> 00:23:24,799  
these weird boxes

609  
00:23:29,590 --> 00:23:26,799  
that's strange huh

610  
00:23:31,029 --> 00:23:29,600  
really weird wow really scary

611  
00:23:32,230 --> 00:23:31,039  
um how far

612  
00:23:34,310 --> 00:23:32,240  
um

613  
00:23:36,630 --> 00:23:34,320

away distance wise or is it right there

614

00:23:39,350 --> 00:23:36,640

in the sam luis valley

615

00:23:40,549 --> 00:23:39,360

oh no um actually where kiowa albert

616

00:23:44,390 --> 00:23:40,559

county is

617

00:23:46,549 --> 00:23:44,400

um it's it's more um it's further east

618

00:23:49,269 --> 00:23:46,559

um it's east of denver so

619

00:23:52,549 --> 00:23:49,279

if anybody like parker it's out it's out

620

00:23:55,590 --> 00:23:52,559

pretty rural but there are like um these

621

00:23:57,669 --> 00:23:55,600

um patches of ponderosa pine so it's not

622

00:23:59,750 --> 00:23:57,679

heavily forested it's actually a very

623

00:24:01,909 --> 00:23:59,760

open ranch area

624

00:24:03,430 --> 00:24:01,919

yeah and it was about an hour away from

625

00:24:05,830 --> 00:24:03,440

my house where we lived where the kids

626

00:24:07,750 --> 00:24:05,840

went to school at cherry creek so

627

00:24:11,110 --> 00:24:07,760

you know it was a two-hour trek back and

628

00:24:12,950 --> 00:24:11,120

forth from the ranch to our house

629

00:24:15,990 --> 00:24:12,960

so what type of effect did this have on

630

00:24:17,190 --> 00:24:16,000

you in in general as a child were you

631

00:24:20,070 --> 00:24:17,200

like

632

00:24:22,070 --> 00:24:20,080

dreading every time you were going there

633

00:24:24,950 --> 00:24:22,080

it was scary um and what's really

634

00:24:27,510 --> 00:24:24,960

fascinating about all of this is

635

00:24:30,789 --> 00:24:27,520

so actually i i actually leave tomorrow

636

00:24:33,590 --> 00:24:30,799

morning to go to david marlar's archives

637

00:24:37,190 --> 00:24:33,600

his house to do some research because

638

00:24:39,830 --> 00:24:37,200

for me ufos and ufology was kind of just

639

00:24:42,230 --> 00:24:39,840

part of my upbringing i'm originally

640

00:24:44,390 --> 00:24:42,240

from illinois my grandparents lived in

641

00:24:46,710 --> 00:24:44,400

wisconsin and lake geneva and my

642

00:24:49,669 --> 00:24:46,720

grandfather actually had a sighting over

643

00:24:52,549 --> 00:24:49,679

lake como of an oblong-shaped craft that

644

00:24:53,990 --> 00:24:52,559

was investigated by jay allen heineck so

645

00:24:56,149 --> 00:24:54,000

i'm going to be looking for a needle in

646

00:24:57,750 --> 00:24:56,159

the haystack at david marlar's this

647

00:24:59,830 --> 00:24:57,760

weekend because if i could find that

648

00:25:01,350 --> 00:24:59,840

original report of my grandfather's just

649

00:25:03,350 --> 00:25:01,360

to have it

650

00:25:05,110 --> 00:25:03,360

would be super cool i'm also working on

651  
00:25:06,870 --> 00:25:05,120  
another project i'll be investigating

652  
00:25:09,830 --> 00:25:06,880  
there as well

653  
00:25:11,909 --> 00:25:09,840  
but and then also my mom talks about two

654  
00:25:14,549 --> 00:25:11,919  
other sightings we had going from

655  
00:25:16,470 --> 00:25:14,559  
illinois or from wisconsin back to her

656  
00:25:18,549 --> 00:25:16,480  
home in illinois in a little town right

657  
00:25:21,029 --> 00:25:18,559  
across the border there called richmond

658  
00:25:23,110 --> 00:25:21,039  
and she said one of them there was just

659  
00:25:25,830 --> 00:25:23,120  
hovering off the ground she said it was

660  
00:25:28,630 --> 00:25:25,840  
a bit larger than a billboard size was

661  
00:25:32,070 --> 00:25:28,640  
another oblong shaped craft i was in the

662  
00:25:33,669 --> 00:25:32,080  
front seat of a 66 buick and she said i

663  
00:25:36,230 --> 00:25:33,679

was after that sighting i was like

664

00:25:39,430 --> 00:25:36,240

catatonic they were like katie you know

665

00:25:41,510 --> 00:25:39,440

you know and so you know i've heard that

666

00:25:43,510 --> 00:25:41,520

story growing up my whole life that you

667

00:25:45,669 --> 00:25:43,520

know we saw this craft and you were

668

00:25:47,350 --> 00:25:45,679

catatonic and then my grandfather's

669

00:25:48,549 --> 00:25:47,360

siding and he was in the navy and he was

670

00:25:50,630 --> 00:25:48,559

a mason i don't know if there's any

671

00:25:52,549 --> 00:25:50,640

connection there but i i do hear a lot

672

00:25:54,390 --> 00:25:52,559

of people that have

673

00:25:57,350 --> 00:25:54,400

sightings or

674

00:25:59,669 --> 00:25:57,360

contact with something that our military

675

00:26:01,190 --> 00:25:59,679

families so i think that's interesting

676  
00:26:03,750 --> 00:26:01,200  
as well and then of course we moved to

677  
00:26:06,149 --> 00:26:03,760  
colorado in 1970 my mom's a computer

678  
00:26:08,630 --> 00:26:06,159  
operator for united and

679  
00:26:11,029 --> 00:26:08,640  
lo and behold in 1975 all this crazy

680  
00:26:12,470 --> 00:26:11,039  
stuff happens and when you ask me how it

681  
00:26:15,990 --> 00:26:12,480  
affected me

682  
00:26:18,710 --> 00:26:16,000  
um all of my life i've had strange and

683  
00:26:20,870 --> 00:26:18,720  
unusual things like you know live in a

684  
00:26:23,350 --> 00:26:20,880  
haunted house or shadow figures in my

685  
00:26:25,350 --> 00:26:23,360  
room and just different things like this

686  
00:26:28,470 --> 00:26:25,360  
um seeing people's lives in pictures

687  
00:26:30,549 --> 00:26:28,480  
which i thought everybody did that um

688  
00:26:32,310 --> 00:26:30,559

and it wasn't until skin walkers at the

689

00:26:34,390 --> 00:26:32,320

pentagon and they started talking about

690

00:26:35,430 --> 00:26:34,400

this hitchhiker phenomenon because i

691

00:26:38,070 --> 00:26:35,440

always kind of

692

00:26:40,710 --> 00:26:38,080

just kind of i always just separated all

693

00:26:42,470 --> 00:26:40,720

of it i compartmentalized it like okay

694

00:26:43,830 --> 00:26:42,480

this weird mutilation thing was

695

00:26:45,669 --> 00:26:43,840

happening these crazy things were

696

00:26:47,190 --> 00:26:45,679

happening at the ranch and the shadow

697

00:26:48,630 --> 00:26:47,200

figures i'm sleeping with my sister and

698

00:26:50,230 --> 00:26:48,640

checking under my bed that's something

699

00:26:51,830 --> 00:26:50,240

different you know and that's something

700

00:26:54,470 --> 00:26:51,840

different and that's something different

701  
00:26:57,269 --> 00:26:54,480  
but now i'm i'm starting to think maybe

702  
00:26:58,230 --> 00:26:57,279  
somehow they're all interconnected

703  
00:26:59,269 --> 00:26:58,240  
um

704  
00:27:00,149 --> 00:26:59,279  
you know

705  
00:27:02,870 --> 00:27:00,159  
yeah

706  
00:27:04,630 --> 00:27:02,880  
so does this happen like we're

707  
00:27:05,590 --> 00:27:04,640  
you said you were like in a haunted

708  
00:27:06,390 --> 00:27:05,600  
house

709  
00:27:08,390 --> 00:27:06,400  
like

710  
00:27:10,070 --> 00:27:08,400  
these things happen to you all the time

711  
00:27:12,230 --> 00:27:10,080  
still

712  
00:27:15,430 --> 00:27:12,240  
yeah you know what's what's happening

713  
00:27:16,390 --> 00:27:15,440

more and more now it almost feels like

714

00:27:19,269 --> 00:27:16,400

um

715

00:27:21,669 --> 00:27:19,279

just weird synchronicities and almost

716

00:27:24,950 --> 00:27:21,679

manifestation is something that happens

717

00:27:27,350 --> 00:27:24,960

like at a shocking rate in my life

718

00:27:29,590 --> 00:27:27,360

i'm like what is this and i'll give you

719

00:27:32,470 --> 00:27:29,600

a good example of this so

720

00:27:35,510 --> 00:27:32,480

about three and a half years ago i was

721

00:27:38,389 --> 00:27:35,520

given a fascinating fascinating case to

722

00:27:42,070 --> 00:27:38,399

start researching and it it ties back to

723

00:27:44,950 --> 00:27:42,080

the actual roswell case of 1947

724

00:27:48,310 --> 00:27:44,960

and there was a brigadier general arthur

725

00:27:50,310 --> 00:27:48,320

exxon and he had said to don schmidt and

726

00:27:52,789 --> 00:27:50,320

kevin randle that one of the roswell

727

00:27:54,789 --> 00:27:52,799

bodies ended up in a mortuary outfit in

728

00:27:55,669 --> 00:27:54,799

denver okay

729

00:27:57,669 --> 00:27:55,679

so

730

00:27:59,909 --> 00:27:57,679

a few years back i get a report from

731

00:28:01,350 --> 00:27:59,919

this very nice couple um out of

732

00:28:03,510 --> 00:28:01,360

california

733

00:28:04,789 --> 00:28:03,520

and they are best friends with a

734

00:28:10,870 --> 00:28:04,799

mortician

735

00:28:12,789 --> 00:28:10,880

denver and for decades this

736

00:28:15,990 --> 00:28:12,799

vault sat in

737

00:28:18,950 --> 00:28:16,000

the basement of this mortuary in denver

738

00:28:21,590 --> 00:28:18,960

interestingly enough downtown not too

739

00:28:24,310 --> 00:28:21,600

far from fitzsimmons and lowry and also

740

00:28:26,870 --> 00:28:24,320

very close to the mason lodge and there

741

00:28:29,510 --> 00:28:26,880

this vault sat and sat and sat and he

742

00:28:31,909 --> 00:28:29,520

the mortician never thought there was a

743

00:28:33,669 --> 00:28:31,919

body even in there why would there be if

744

00:28:36,549 --> 00:28:33,679

it's sitting there for so long

745

00:28:38,549 --> 00:28:36,559

and um finally he inquires about it and

746

00:28:40,710 --> 00:28:38,559

there said you know what there's a judge

747

00:28:42,789 --> 00:28:40,720

that hold has a hold on this on this

748

00:28:44,310 --> 00:28:42,799

body don't touch it

749

00:28:45,669 --> 00:28:44,320

okay and this is where they stored the

750

00:28:48,230 --> 00:28:45,679

chairs and stuff

751

00:28:49,590 --> 00:28:48,240

and um so i get the judge's name i i

752

00:28:50,950 --> 00:28:49,600

actually will be speaking at ufo

753

00:28:52,549 --> 00:28:50,960

congress i don't know if i'm going to be

754

00:28:54,389 --> 00:28:52,559

sharing all these documents and all this

755

00:28:55,990 --> 00:28:54,399

information yet but i'm putting together

756

00:28:58,070 --> 00:28:56,000

a presentation all this because i've

757

00:28:59,990 --> 00:28:58,080

been digging on this and going to the

758

00:29:01,510 --> 00:29:00,000

archives the eisenhower

759

00:29:03,269 --> 00:29:01,520

archives and that but what i find out

760

00:29:05,909 --> 00:29:03,279

the more the

761

00:29:08,149 --> 00:29:05,919

mortuary where this body was held

762

00:29:10,789 --> 00:29:08,159

um the owner of it lived three doors

763

00:29:13,190 --> 00:29:10,799

down from mamie eisenhower okay

764

00:29:15,190 --> 00:29:13,200

and also went to the same lodge the

765

00:29:17,830 --> 00:29:15,200

judge was went to the same lodge and was

766

00:29:20,389 --> 00:29:17,840

a 33 degree mason and one was a he was a

767

00:29:21,590 --> 00:29:20,399

federal judge appointed by nixon

768

00:29:23,350 --> 00:29:21,600

and what's interesting about this

769

00:29:25,190 --> 00:29:23,360

federal judge is he was the crash

770

00:29:27,590 --> 00:29:25,200

retrieval specialist

771

00:29:29,990 --> 00:29:27,600

and the infectious disease specialist

772

00:29:33,350 --> 00:29:30,000

and actually handled the biggest case in

773

00:29:34,950 --> 00:29:33,360

the country on organ transplants so i'm

774

00:29:36,470 --> 00:29:34,960

thinking so when i talk to don schmidt

775

00:29:37,430 --> 00:29:36,480

i'm like okay first i have so many

776  
00:29:40,230 --> 00:29:37,440  
questions

777  
00:29:42,630 --> 00:29:40,240  
so i believe that three of the bodies

778  
00:29:45,269 --> 00:29:42,640  
went to texas okay

779  
00:29:47,590 --> 00:29:45,279  
and i believe possibly one of those

780  
00:29:50,310 --> 00:29:47,600  
ended up at fitzsimmons lowry

781  
00:29:52,310 --> 00:29:50,320  
if there was maybe perhaps some sort of

782  
00:29:56,149 --> 00:29:52,320  
organ or something they wanted to look

783  
00:29:58,630 --> 00:29:56,159  
at so what happens is this mortician

784  
00:30:00,789 --> 00:29:58,640  
the curiosity kills the cat and he pulls

785  
00:30:03,029 --> 00:30:00,799  
his caper what he i went and interviewed

786  
00:30:05,110 --> 00:30:03,039  
him twice and his and his wife is such a

787  
00:30:07,269 --> 00:30:05,120  
sweetheart and just wonderful he has

788  
00:30:10,310 --> 00:30:07,279

since passed also so i'm glad we have

789

00:30:13,750 --> 00:30:10,320

this on film and his his story and and

790

00:30:15,590 --> 00:30:13,760

everything documented but he was curious

791

00:30:18,470 --> 00:30:15,600

about what was in the vault so he opens

792

00:30:21,350 --> 00:30:18,480

the vault he was shocked to see

793

00:30:22,389 --> 00:30:21,360

in there that um it was a child-sized

794

00:30:23,190 --> 00:30:22,399

coffin

795

00:30:25,750 --> 00:30:23,200

um

796

00:30:28,310 --> 00:30:25,760

he opens it up the body is in seven

797

00:30:30,470 --> 00:30:28,320

layers of amelda high cloth all the

798

00:30:33,110 --> 00:30:30,480

visceral is removed genitals are

799

00:30:34,470 --> 00:30:33,120

completely cut out orifices for ears

800

00:30:36,149 --> 00:30:34,480

heavy brow

801  
00:30:37,669 --> 00:30:36,159  
and he thought at the time because my

802  
00:30:39,350 --> 00:30:37,679  
first question was if you thought this

803  
00:30:41,190 --> 00:30:39,360  
was a roswell body why didn't you take

804  
00:30:43,669 --> 00:30:41,200  
pictures why didn't you like you know

805  
00:30:47,830 --> 00:30:43,679  
breaking news and he said

806  
00:30:49,590 --> 00:30:47,840  
he didn't think alien or ufo or anything

807  
00:30:51,590 --> 00:30:49,600  
his mind wasn't there at all first he

808  
00:30:53,350 --> 00:30:51,600  
was you know his eyes are watering and

809  
00:30:55,430 --> 00:30:53,360  
all that from the formaldehyde he was

810  
00:30:56,950 --> 00:30:55,440  
shocked there was a child in there he

811  
00:30:59,830 --> 00:30:56,960  
was shocked that the visceral was gone

812  
00:31:02,870 --> 00:30:59,840  
he was shocked at the condition of the

813  
00:31:05,110 --> 00:31:02,880

gray heavy kind of skin the genitals are

814

00:31:06,630 --> 00:31:05,120

cut out he just was like what the heck

815

00:31:08,710 --> 00:31:06,640

am i looking at and he really felt

816

00:31:11,269 --> 00:31:08,720

mortified that he disturbed this

817

00:31:14,389 --> 00:31:11,279

person's peace so he puts it all

818

00:31:15,909 --> 00:31:14,399

together and it wasn't until years later

819

00:31:19,110 --> 00:31:15,919

that he and his wife they were hang

820

00:31:22,310 --> 00:31:19,120

gliding in roswell and he just for the

821

00:31:24,149 --> 00:31:22,320

fun of it went to the roswell museum and

822

00:31:26,789 --> 00:31:24,159

you know the rest he learned about this

823

00:31:29,190 --> 00:31:26,799

rumor that and he was like oh my gosh

824

00:31:31,269 --> 00:31:29,200

ding ding ding ding ding that's what it

825

00:31:33,509 --> 00:31:31,279

was so i've been investigating like i

826

00:31:35,590 --> 00:31:33,519

said this case and and it has very

827

00:31:37,990 --> 00:31:35,600

interesting connections um to the

828

00:31:39,669 --> 00:31:38,000

eisenhower's two-foot simmons to lowry

829

00:31:42,870 --> 00:31:39,679

and all these people are connecting dots

830

00:31:44,549 --> 00:31:42,880

so back to the sync synchronicity i was

831

00:31:47,190 --> 00:31:44,559

i did circle back around to the

832

00:31:49,590 --> 00:31:47,200

synchronicity my mom was in an

833

00:31:51,830 --> 00:31:49,600

independent living facility here you

834

00:31:55,110 --> 00:31:51,840

know in denver and she asked me she said

835

00:31:57,750 --> 00:31:55,120

hey katie can you come do a ufo's 101

836

00:32:00,070 --> 00:31:57,760

presentation you know and i'm like sure

837

00:32:02,549 --> 00:32:00,080

so i do that and i'm talking with all

838

00:32:04,630 --> 00:32:02,559

the people that were at the presentation

839

00:32:06,870 --> 00:32:04,640  
after it and i was mentioning the

840

00:32:07,830 --> 00:32:06,880  
roswell body and the judge

841

00:32:10,470 --> 00:32:07,840  
and

842

00:32:11,350 --> 00:32:10,480  
one of the residents go oh you mean you

843

00:32:13,269 --> 00:32:11,360  
know

844

00:32:15,190 --> 00:32:13,279  
his widow's on the sixth floor you want

845

00:32:17,269 --> 00:32:15,200  
me to go get her

846

00:32:19,350 --> 00:32:17,279  
and i'm just like you have got to be

847

00:32:21,430 --> 00:32:19,360  
kidding me what are the chances of that

848

00:32:22,870 --> 00:32:21,440  
so i had two interviews with the judge's

849

00:32:24,950 --> 00:32:22,880  
widow

850

00:32:27,430 --> 00:32:24,960  
and she had a lot of revealing things to

851  
00:32:29,509 --> 00:32:27,440  
say that's how i found out you know all

852  
00:32:31,350 --> 00:32:29,519  
the information about he being the

853  
00:32:33,110 --> 00:32:31,360  
infectious disease specialist the crash

854  
00:32:35,190 --> 00:32:33,120  
retrieval specialist how many times he

855  
00:32:36,870 --> 00:32:35,200  
was back and forth to new mexico not

856  
00:32:38,789 --> 00:32:36,880  
only that but i do believe where the

857  
00:32:40,149 --> 00:32:38,799  
body was moved

858  
00:32:43,190 --> 00:32:40,159  
that's a whole thing i'm not ready to

859  
00:32:45,110 --> 00:32:43,200  
disclose it yet but my theory matches

860  
00:32:48,310 --> 00:32:45,120  
with what she said because they were

861  
00:32:50,149 --> 00:32:48,320  
actually in attendance uh i believe a

862  
00:32:52,389 --> 00:32:50,159  
certain body was removed and this body

863  
00:32:54,470 --> 00:32:52,399

was then put in and they were there the

864

00:32:55,990 --> 00:32:54,480

judge and his wife were there and i'm

865

00:32:57,990 --> 00:32:56,000

like why would they be there if there

866

00:32:59,990 --> 00:32:58,000

wasn't a connection so it's really

867

00:33:01,350 --> 00:33:00,000

unfolding and it's really a fascinating

868

00:33:03,750 --> 00:33:01,360

story

869

00:33:05,909 --> 00:33:03,760

did you say that the body was removed

870

00:33:07,830 --> 00:33:05,919

and replaced

871

00:33:09,990 --> 00:33:07,840

yeah i don't want to get into details on

872

00:33:12,149 --> 00:33:10,000

that but a certain body was removed and

873

00:33:14,870 --> 00:33:12,159

this body that was stored in this

874

00:33:16,149 --> 00:33:14,880

mortuary was put in its place so i do

875

00:33:18,389 --> 00:33:16,159

believe i know where this body is

876

00:33:21,029 --> 00:33:18,399

located and in fact i've done soil

877

00:33:22,870 --> 00:33:21,039

samples because around so

878

00:33:25,750 --> 00:33:22,880

if you go to where this

879

00:33:28,149 --> 00:33:25,760

where this body could possibly be and i

880

00:33:30,870 --> 00:33:28,159

have footage of this everything around

881

00:33:33,509 --> 00:33:30,880

it is super green except for right where

882

00:33:35,029 --> 00:33:33,519

that is and everything's dead

883

00:33:40,149 --> 00:33:35,039

and i've gone back year after year and

884

00:33:43,430 --> 00:33:41,590

yeah yep

885

00:33:44,870 --> 00:33:43,440

yeah so now i'm thinking i need to

886

00:33:46,870 --> 00:33:44,880

figure out how to get like ground

887

00:33:48,470 --> 00:33:46,880

penetrating radar like i don't know

888

00:33:49,590 --> 00:33:48,480

handheld or something but it's like in a

889

00:33:52,389 --> 00:33:49,600

place where i don't want to get caught

890

00:33:55,509 --> 00:33:52,399

and i don't want to get in trouble

891

00:33:57,509 --> 00:33:55,519

so yeah but it's been fascinating

892

00:34:00,870 --> 00:33:57,519

if you're going to actually uncover a

893

00:34:07,029 --> 00:34:00,880

real genuine alien body

894

00:34:11,109 --> 00:34:08,629

i'll help we're going in

895

00:34:14,470 --> 00:34:11,119

ninja suits and at night

896

00:34:16,069 --> 00:34:14,480

right we can do a brave rock

897

00:34:17,430 --> 00:34:16,079

drone or something it's really

898

00:34:19,430 --> 00:34:17,440

fascinating i've been that's why i've

899

00:34:22,790 --> 00:34:19,440

been really careful coming public with

900

00:34:25,190 --> 00:34:22,800

the story because i know in this field

901  
00:34:26,629 --> 00:34:25,200  
especially when it comes to roswell um

902  
00:34:28,470 --> 00:34:26,639  
you need to really have your ducks in a

903  
00:34:30,389 --> 00:34:28,480  
row like i have

904  
00:34:32,869 --> 00:34:30,399  
all my theories and all that but i i

905  
00:34:35,349 --> 00:34:32,879  
have documentation and and i'm

906  
00:34:36,790 --> 00:34:35,359  
connecting the dots with certain people

907  
00:34:37,990 --> 00:34:36,800  
that are involved and it's really

908  
00:34:40,149 --> 00:34:38,000  
important to me

909  
00:34:42,230 --> 00:34:40,159  
you know to get you know don schmidt's

910  
00:34:43,829 --> 00:34:42,240  
opinion on this and and see what he

911  
00:34:45,349 --> 00:34:43,839  
thinks of it does it hold water or

912  
00:34:47,030 --> 00:34:45,359  
doesn't it because right now it's just a

913  
00:34:49,750 --> 00:34:47,040

theory and i'm just trying to put these

914

00:34:51,510 --> 00:34:49,760

pieces together i also intentionally and

915

00:34:53,510 --> 00:34:51,520

this may be bad on my part i don't know

916

00:34:57,270 --> 00:34:53,520

maybe it's good maybe it's bad

917

00:34:59,190 --> 00:34:57,280

but i tend to when it comes to roswell

918

00:35:01,430 --> 00:34:59,200

i haven't read all the books they're all

919

00:35:04,310 --> 00:35:01,440

on my shelf back here i have a whole

920

00:35:06,550 --> 00:35:04,320

roswell section but i haven't read them

921

00:35:08,630 --> 00:35:06,560

because i don't want to be biased and

922

00:35:12,470 --> 00:35:08,640

i'm trying to look at the evidence i

923

00:35:14,550 --> 00:35:12,480

have with like fresh eyes

924

00:35:16,950 --> 00:35:14,560

you know what i'm saying and let it lead

925

00:35:18,390 --> 00:35:16,960

me where it leads me and then see if it

926  
00:35:20,870 --> 00:35:18,400  
connects back

927  
00:35:23,430 --> 00:35:20,880  
yeah plus you have to be you have to be

928  
00:35:26,069 --> 00:35:24,950  
you have to realize there's egos

929  
00:35:27,030 --> 00:35:26,079  
involved

930  
00:35:28,470 --> 00:35:27,040  
um

931  
00:35:30,470 --> 00:35:28,480  
when you're looking at something like

932  
00:35:32,310 --> 00:35:30,480  
this too and how

933  
00:35:34,550 --> 00:35:32,320  
people want to

934  
00:35:36,550 --> 00:35:34,560  
control a narrative

935  
00:35:39,030 --> 00:35:36,560  
because of say

936  
00:35:40,790 --> 00:35:39,040  
a book that was written or

937  
00:35:43,510 --> 00:35:40,800  
something else so

938  
00:35:45,270 --> 00:35:43,520

yeah you attack it fresh and

939

00:35:47,430 --> 00:35:45,280

yeah i would love to keep updated on

940

00:35:49,990 --> 00:35:47,440

that because you know yeah it's a what

941

00:35:52,230 --> 00:35:50,000

if type of thing well where if if you're

942

00:35:54,550 --> 00:35:52,240

at ufo congress and i have my ufo

943

00:35:55,349 --> 00:35:54,560

congress hoodie i will be there hold up

944

00:35:57,750 --> 00:35:55,359

here

945

00:35:59,270 --> 00:35:57,760

and if i present on that yeah you know

946

00:36:00,790 --> 00:35:59,280

it's sort of like if you go to ufo

947

00:36:02,230 --> 00:36:00,800

congress you'll be first to hear their

948

00:36:04,230 --> 00:36:02,240

sure i'm not for sure that's what i'm

949

00:36:05,589 --> 00:36:04,240

doing it on and like i said i don't want

950

00:36:06,950 --> 00:36:05,599

to give away the whole farm because

951

00:36:08,870 --> 00:36:06,960

you're right i think when it comes to

952

00:36:11,190 --> 00:36:08,880

books and publishing your work and your

953

00:36:12,470 --> 00:36:11,200

research you do have to be careful

954

00:36:15,030 --> 00:36:12,480

because there are people who will come

955

00:36:16,950 --> 00:36:15,040

in and try and take it or get credit or

956

00:36:18,950 --> 00:36:16,960

whatever and one of the best ways to

957

00:36:21,750 --> 00:36:18,960

protect that is to put it in writing

958

00:36:24,550 --> 00:36:21,760

into a book form so i need to be careful

959

00:36:26,390 --> 00:36:24,560

about what i put out there and that's

960

00:36:28,790 --> 00:36:26,400

why i don't want to give too many names

961

00:36:30,950 --> 00:36:28,800

and all that everything away right up

962

00:36:33,349 --> 00:36:30,960

yeah all that away locations for sure

963

00:36:35,109 --> 00:36:33,359

you don't want to get that away here's a

964

00:36:37,910 --> 00:36:35,119

question i told people they could post

965

00:36:40,470 --> 00:36:37,920

some questions so judy writes has katie

966

00:36:44,150 --> 00:36:40,480

ever felt physically endangered by any

967

00:36:46,710 --> 00:36:44,160

of her encounters yes the answer is yes

968

00:36:48,870 --> 00:36:46,720

and interestingly enough um you know i

969

00:36:52,710 --> 00:36:48,880

had a really interesting talk um with

970

00:36:53,510 --> 00:36:52,720

heidi hollis about this um in oregon at

971

00:36:55,829 --> 00:36:53,520

the

972

00:36:57,430 --> 00:36:55,839

mega conference is that with a scam like

973

00:36:59,589 --> 00:36:57,440

um and um

974

00:37:01,829 --> 00:36:59,599

we talked about how it's interesting how

975

00:37:02,630 --> 00:37:01,839

some contact in

976

00:37:03,990 --> 00:37:02,640

um

977

00:37:05,349 --> 00:37:04,000

some of these really fearful things

978

00:37:06,950 --> 00:37:05,359

because you got to remember when all

979

00:37:09,829 --> 00:37:06,960

this stuff was happening at the ranch

980

00:37:11,750 --> 00:37:09,839

i'm 9 to 12 years old you know i'm just

981

00:37:13,829 --> 00:37:11,760

a little girl and i'm seeing these tall

982

00:37:16,390 --> 00:37:13,839

shadow figures in my room

983

00:37:18,470 --> 00:37:16,400

twos or threes peeking around the door

984

00:37:20,790 --> 00:37:18,480

hovering over me and yeah and i'll get

985

00:37:23,030 --> 00:37:20,800

into my physical symptoms

986

00:37:24,710 --> 00:37:23,040

when i talk about that real scary night

987

00:37:26,150 --> 00:37:24,720

at the ranch property because that's

988

00:37:28,230 --> 00:37:26,160

when a lot of these things really

989

00:37:30,950 --> 00:37:28,240

started kicking in for me

990

00:37:32,950 --> 00:37:30,960

in fact i was so afraid i i walked back

991

00:37:35,270 --> 00:37:32,960

and forth to school from my elementary

992

00:37:37,270 --> 00:37:35,280

school and if a car and especially a

993

00:37:38,790 --> 00:37:37,280

motorcycle was particularly frightening

994

00:37:40,870 --> 00:37:38,800

for me because motorcycles can go up on

995

00:37:42,390 --> 00:37:40,880

the lawn but any time a car or a

996

00:37:43,750 --> 00:37:42,400

motorcycle would pass i would pretend

997

00:37:44,790 --> 00:37:43,760

like i lived at the house that was

998

00:37:47,030 --> 00:37:44,800

closest

999

00:37:49,030 --> 00:37:47,040

because i was always afraid i was always

1000

00:37:50,710 --> 00:37:49,040

afraid of being kidnapped or something

1001

00:37:52,230 --> 00:37:50,720

yeah like i live there like i'd go up to

1002

00:37:53,510 --> 00:37:52,240

these people's stranger's doors like i

1003

00:37:56,310 --> 00:37:53,520

live at this house because i was

1004

00:37:57,910 --> 00:37:56,320

terrified all the time never slept alone

1005

00:38:00,390 --> 00:37:57,920

i always slept with my big sister she

1006

00:38:03,270 --> 00:38:00,400

was six years older than i and um i

1007

00:38:05,190 --> 00:38:03,280

slept with her i never ever slept alone

1008

00:38:06,550 --> 00:38:05,200

always had my bed up against a wall you

1009

00:38:08,069 --> 00:38:06,560

know did the thing you do when you're a

1010

00:38:09,589 --> 00:38:08,079

little kid check under the bed make sure

1011

00:38:12,069 --> 00:38:09,599

your closet's closed sleep with the

1012

00:38:14,069 --> 00:38:12,079

light on all that all that stuff you

1013

00:38:15,750 --> 00:38:14,079

know and you can chalk it up to just

1014

00:38:18,230 --> 00:38:15,760

being afraid of the boogeyman but i

1015

00:38:21,190 --> 00:38:18,240

think there was more to it than that

1016

00:38:24,630 --> 00:38:21,200

yeah yeah and did you did you feel like

1017

00:38:27,030 --> 00:38:24,640

in the house itself did you feel like or

1018

00:38:28,790 --> 00:38:27,040

did other people discuss feeling like a

1019

00:38:31,109 --> 00:38:28,800

presence or something

1020

00:38:34,150 --> 00:38:31,119

well on the racist property yet

1021

00:38:37,589 --> 00:38:34,160

um at the ranch was just eerie oh yeah i

1022

00:38:39,510 --> 00:38:37,599

mean no it was inside too um one of the

1023

00:38:41,990 --> 00:38:39,520

most terrifying nights we had at the

1024

00:38:43,670 --> 00:38:42,000

ranch my sister was there the boys

1025

00:38:45,750 --> 00:38:43,680

i believe it was the boys mother's

1026

00:38:48,150 --> 00:38:45,760

birthday she had a new boyfriend

1027

00:38:49,829 --> 00:38:48,160

interest and so it was the mom the

1028

00:38:51,829 --> 00:38:49,839

boyfriend my mom

1029

00:38:53,589 --> 00:38:51,839

you know her boyfriend their father and

1030

00:38:55,109 --> 00:38:53,599

the boys and my sister and i and they

1031

00:38:56,710 --> 00:38:55,119

were up till we hours in the morning

1032

00:38:58,390 --> 00:38:56,720

playing board games we were hanging out

1033

00:39:00,390 --> 00:38:58,400

in the boys room i'm the youngest of all

1034

00:39:02,870 --> 00:39:00,400

these kids and all the sudden that

1035

00:39:06,550 --> 00:39:02,880

humming noises started up so it was just

1036

00:39:09,109 --> 00:39:07,990

and then all the power in the house goes

1037

00:39:15,510 --> 00:39:09,119

out

1038

00:39:16,870 --> 00:39:15,520

window was the brightest white light i'd

1039

00:39:18,470 --> 00:39:16,880

ever seen in my life it was not a

1040

00:39:19,829 --> 00:39:18,480

helicopter i know that for certain

1041

00:39:22,550 --> 00:39:19,839

because you would he'll hear a

1042

00:39:25,190 --> 00:39:22,560

helicopter and at that moment this

1043

00:39:26,790 --> 00:39:25,200

disembodied electrical sounding voice

1044

00:39:29,270 --> 00:39:26,800

came from like every orifice of the

1045

00:39:31,910 --> 00:39:29,280

house and it basically said like we have

1046

00:39:33,910 --> 00:39:31,920

allowed you to remain your friends will

1047

00:39:35,109 --> 00:39:33,920

be instructed to remain silent

1048

00:39:37,750 --> 00:39:35,119

concerning us

1049

00:39:39,510 --> 00:39:37,760

it was terrifying and when we so my mom

1050

00:39:43,270 --> 00:39:39,520

my sister and i we go back to the ranch

1051  
00:39:45,349 --> 00:39:43,280  
or our house and my house you walk in

1052  
00:39:46,950 --> 00:39:45,359  
and there's a stairway going right up i

1053  
00:39:50,790 --> 00:39:46,960  
get inside the door and i maybe take

1054  
00:39:53,430 --> 00:39:50,800  
four steps and i fall down i collapsed

1055  
00:39:56,310 --> 00:39:53,440  
on the floor and i'm like

1056  
00:39:58,069 --> 00:39:56,320  
paralyzed or catatonic i couldn't talk i

1057  
00:39:59,349 --> 00:39:58,079  
was trying to say my mom and my sister

1058  
00:40:00,470 --> 00:39:59,359  
are going what did you eat what did you

1059  
00:40:01,829 --> 00:40:00,480  
eat and i was trying to say peanut

1060  
00:40:03,910 --> 00:40:01,839  
butter and jelly sandwiches and i

1061  
00:40:07,109 --> 00:40:03,920  
couldn't talk and i stayed like that for

1062  
00:40:09,270 --> 00:40:07,119  
a few minutes came to they got me up to

1063  
00:40:10,950 --> 00:40:09,280

my bedroom and i had the worst migraine

1064

00:40:12,630 --> 00:40:10,960

headache i had ever had in my life with

1065

00:40:14,870 --> 00:40:12,640

the tunnel vision the vomiting all that

1066

00:40:17,670 --> 00:40:14,880

stuff and i suffered severe migraines

1067

00:40:19,030 --> 00:40:17,680

after that like every week for

1068

00:40:20,710 --> 00:40:19,040

years until i finally went through

1069

00:40:22,550 --> 00:40:20,720

biofeedback training

1070

00:40:24,630 --> 00:40:22,560

to get rid of my migraine headaches you

1071

00:40:26,870 --> 00:40:24,640

know nightmare started up shadow figure

1072

00:40:28,710 --> 00:40:26,880

started up all these weird things

1073

00:40:30,550 --> 00:40:28,720

started happening to me after that

1074

00:40:33,190 --> 00:40:30,560

encounter

1075

00:40:34,550 --> 00:40:33,200

so yeah and when was the last time you

1076

00:40:37,670 --> 00:40:34,560

went there

1077

00:40:39,910 --> 00:40:37,680

uh just last summer no i mean uh as as a

1078

00:40:42,150 --> 00:40:39,920

child living there

1079

00:40:45,270 --> 00:40:42,160

oh as a child i was like 12 years old

1080

00:40:47,510 --> 00:40:45,280

yeah yeah um i i can remember my sister

1081

00:40:49,510 --> 00:40:47,520

and i were there one spring day

1082

00:40:51,349 --> 00:40:49,520

we you know in colorado you get like the

1083

00:40:53,109 --> 00:40:51,359

sun shining it's pretty nice but you

1084

00:40:55,030 --> 00:40:53,119

have that wet heavy snow

1085

00:40:57,270 --> 00:40:55,040

and so we were out there yeah it melted

1086

00:40:58,870 --> 00:40:57,280

real fast it melts really fast and we

1087

00:41:00,950 --> 00:40:58,880

were out there flipping the frisbee and

1088

00:41:03,349 --> 00:41:00,960

we happened to look down and we're like

1089

00:41:05,990 --> 00:41:03,359

why is the dirt dry under us but

1090

00:41:08,069 --> 00:41:06,000

everything around us is like wet that

1091

00:41:10,150 --> 00:41:08,079

didn't make any sense to us

1092

00:41:11,990 --> 00:41:10,160

and it was really cool because in this

1093

00:41:13,190 --> 00:41:12,000

in this briefing document it actually

1094

00:41:14,790 --> 00:41:13,200

actually no it wasn't in the briefing

1095

00:41:16,790 --> 00:41:14,800

document some it was in some of the

1096

00:41:18,230 --> 00:41:16,800

letters that were in the file but it

1097

00:41:19,829 --> 00:41:18,240

talks about that they

1098

00:41:21,670 --> 00:41:19,839

there were two of those circles on the

1099

00:41:23,190 --> 00:41:21,680

property and it talks about that when

1100

00:41:24,950 --> 00:41:23,200

the researchers were out there there was

1101  
00:41:28,390 --> 00:41:24,960  
snow on the ground there were drops of

1102  
00:41:30,550 --> 00:41:28,400  
blood in the snow outside the dry

1103  
00:41:32,309 --> 00:41:30,560  
circle and the investigator in me goes

1104  
00:41:33,990 --> 00:41:32,319  
well maybe there was a missile silo or

1105  
00:41:35,910 --> 00:41:34,000  
something sitting there there was never

1106  
00:41:39,109 --> 00:41:35,920  
a silo or anything sitting in these

1107  
00:41:40,470 --> 00:41:39,119  
locations so that's not an explanation i

1108  
00:41:43,109 --> 00:41:40,480  
don't know what those were but it was

1109  
00:41:45,750 --> 00:41:43,119  
really validating for me to actually see

1110  
00:41:48,390 --> 00:41:45,760  
the circumference of those and have them

1111  
00:41:51,670 --> 00:41:48,400  
mentioned in the reports that i found

1112  
00:41:54,470 --> 00:41:51,680  
also in the reports they talk about that

1113  
00:41:56,870 --> 00:41:54,480

night that i remember so vividly from my

1114

00:41:58,230 --> 00:41:56,880

childhood and my sister as well in fact

1115

00:41:59,990 --> 00:41:58,240

my sister came to one of my

1116

00:42:02,069 --> 00:42:00,000

presentations and actually heard me the

1117

00:42:04,309 --> 00:42:02,079

recreation i made of the sound and she

1118

00:42:07,109 --> 00:42:04,319

actually like had a ptsd reaction to it

1119

00:42:09,510 --> 00:42:07,119

started crying and everything it like

1120

00:42:11,750 --> 00:42:09,520

brought her back because here my sister

1121

00:42:13,190 --> 00:42:11,760

and i have these memories

1122

00:42:14,870 --> 00:42:13,200

that we've just kind of kept silent

1123

00:42:16,950 --> 00:42:14,880

because we were told not to ever talk

1124

00:42:18,950 --> 00:42:16,960

about it to anybody we never talked

1125

00:42:20,470 --> 00:42:18,960

about it to anybody

1126

00:42:22,790 --> 00:42:20,480

when you had that bright light

1127

00:42:24,630 --> 00:42:22,800

experience was that the same night that

1128

00:42:26,390 --> 00:42:24,640

you left the property or was that a

1129

00:42:28,309 --> 00:42:26,400

different night

1130

00:42:30,950 --> 00:42:28,319

that was the same night of that voice

1131

00:42:32,790 --> 00:42:30,960

that like your friends will remain

1132

00:42:34,550 --> 00:42:32,800

silent concerning us yeah that was that

1133

00:42:35,750 --> 00:42:34,560

same night and then the other did you

1134

00:42:37,430 --> 00:42:35,760

ever see

1135

00:42:39,430 --> 00:42:37,440

i'm sorry

1136

00:42:41,270 --> 00:42:39,440

i just wondered did you ever see

1137

00:42:43,349 --> 00:42:41,280

anything like a craft or anything or was

1138

00:42:45,990 --> 00:42:43,359

it just the light i just saw the light i

1139

00:42:48,309 --> 00:42:46,000

didn't see a physical craft now and i

1140

00:42:51,349 --> 00:42:48,319

never saw any e.t beans either but they

1141

00:42:53,430 --> 00:42:51,359

were reported now the adults there

1142

00:42:55,990 --> 00:42:53,440

actually there's several witnesses that

1143

00:42:58,230 --> 00:42:56,000

reported seeing e.t beans there

1144

00:43:00,950 --> 00:42:58,240

and i never saw those with my eyes and i

1145

00:43:02,390 --> 00:43:00,960

never saw a bigfoot now my older sister

1146

00:43:04,230 --> 00:43:02,400

actually saw one of the bigfoot

1147

00:43:06,790 --> 00:43:04,240

creatures um she went with the oldest

1148

00:43:07,750 --> 00:43:06,800

son to the prom out there hold on

1149

00:43:09,829 --> 00:43:07,760

um

1150

00:43:11,349 --> 00:43:09,839

but what was fascinating so i don't

1151

00:43:12,950 --> 00:43:11,359

remember how many years ago it's been

1152

00:43:15,990 --> 00:43:12,960

now it's probably been at least six

1153

00:43:16,870 --> 00:43:16,000

years ago now i was the colorado mufon

1154

00:43:18,550 --> 00:43:16,880

um

1155

00:43:20,630 --> 00:43:18,560

guest speaker coordinator and i had

1156

00:43:22,390 --> 00:43:20,640

invited this gentleman to come speak his

1157

00:43:25,349 --> 00:43:22,400

name sean bartok and he wrote a book

1158

00:43:29,030 --> 00:43:25,359

called flashbacks and it was about this

1159

00:43:31,910 --> 00:43:29,040

property he had in castle rock colorado

1160

00:43:34,390 --> 00:43:31,920

and he had almost identical occurrences

1161

00:43:36,230 --> 00:43:34,400

as we we did on the ranch and i'm just

1162

00:43:39,990 --> 00:43:36,240

sitting there in the third row watching

1163

00:43:43,270 --> 00:43:40,000

his presentation and up pops a drawing

1164

00:43:45,910 --> 00:43:43,280

of an et bean that they had seen in the

1165

00:43:47,750 --> 00:43:45,920

early 70s so predates the ones that were

1166

00:43:49,430 --> 00:43:47,760

sketched in the files of dr leo

1167

00:43:51,829 --> 00:43:49,440

sprinkles because when i went and got

1168

00:43:53,510 --> 00:43:51,839

the files they had sketches of

1169

00:43:55,430 --> 00:43:53,520

one of the e.t beans that we're seeing

1170

00:43:56,390 --> 00:43:55,440

there so if you pull up

1171

00:43:59,109 --> 00:43:56,400

um

1172

00:44:01,430 --> 00:43:59,119

let's start with image

1173

00:44:02,790 --> 00:44:01,440

12. i'll start with 12.

1174

00:44:03,910 --> 00:44:02,800

because these are the concept of the

1175

00:44:06,150 --> 00:44:03,920

faces

1176

00:44:07,829 --> 00:44:06,160

so the one on the left is sean bartox

1177

00:44:09,910 --> 00:44:07,839

and the one on the right is the elbert

1178

00:44:11,589 --> 00:44:09,920

county ranch one that was in the files

1179

00:44:13,349 --> 00:44:11,599

now i don't know about you guys but the

1180

00:44:15,030 --> 00:44:13,359

heavy brow the wrinkles on the foreheads

1181

00:44:17,589 --> 00:44:15,040

the wrinkles around the mouth the shape

1182

00:44:18,950 --> 00:44:17,599

of the eyes and then there's these tube

1183

00:44:20,710 --> 00:44:18,960

things okay

1184

00:44:23,190 --> 00:44:20,720

and what's interesting when sean talked

1185

00:44:25,430 --> 00:44:23,200

about the those tubes in that guy's neck

1186

00:44:28,630 --> 00:44:25,440

on the left they would spread out so if

1187

00:44:30,550 --> 00:44:28,640

you go to image 13

1188

00:44:32,630 --> 00:44:30,560

this is his drawing on the right with

1189

00:44:35,270 --> 00:44:32,640

the tube spread out and then the one on

1190

00:44:36,390 --> 00:44:35,280

the left is the one from kiowa ranch in

1191

00:44:38,630 --> 00:44:36,400

albert county

1192

00:44:41,430 --> 00:44:38,640

and they're so similar

1193

00:44:43,750 --> 00:44:41,440

i i was just flabbergasted to learn that

1194

00:44:45,510 --> 00:44:43,760

these were like 14 miles apart from one

1195

00:44:47,349 --> 00:44:45,520

another and then one day i was at the

1196

00:44:48,630 --> 00:44:47,359

grocery store and there was a

1197

00:44:49,349 --> 00:44:48,640

article

1198

00:44:51,349 --> 00:44:49,359

or

1199

00:44:53,270 --> 00:44:51,359

an article on popular mechanics and they

1200

00:44:54,790 --> 00:44:53,280

talked about a.i

1201  
00:44:56,630 --> 00:44:54,800  
and you know they have like these tube

1202  
00:44:59,589 --> 00:44:56,640  
looking things you know and i thought

1203  
00:45:01,430 --> 00:44:59,599  
could that et being be be like an ai

1204  
00:45:05,589 --> 00:45:01,440  
because it was very strange it was very

1205  
00:45:07,349 --> 00:45:05,599  
boxy had these spindly looking arms

1206  
00:45:09,990 --> 00:45:07,359  
and these weird

1207  
00:45:10,950 --> 00:45:10,000  
mechanical disappearing boxes and that

1208  
00:45:13,349 --> 00:45:10,960  
weird

1209  
00:45:15,510 --> 00:45:13,359  
mechanical sounding voice could that be

1210  
00:45:17,510 --> 00:45:15,520  
an ai type of being

1211  
00:45:20,630 --> 00:45:17,520  
and then the other type of being that

1212  
00:45:21,990 --> 00:45:20,640  
was reported on the property was like a

1213  
00:45:29,349 --> 00:45:22,000

nordic

1214

00:45:31,750 --> 00:45:29,359

report that they were in conflict with

1215

00:45:33,670 --> 00:45:31,760

one another and like we were just like

1216

00:45:36,069 --> 00:45:33,680

in there like just don't mind us and we

1217

00:45:36,950 --> 00:45:36,079

won't mind you kind of deal

1218

00:45:38,230 --> 00:45:36,960

yeah

1219

00:45:39,349 --> 00:45:38,240

like fighting

1220

00:45:41,829 --> 00:45:39,359

yeah quickly

1221

00:45:43,349 --> 00:45:41,839

the palladians and whatever you know

1222

00:45:44,710 --> 00:45:43,359

yeah who knows now i didn't witness any

1223

00:45:46,710 --> 00:45:44,720

of that i'm just saying that's what was

1224

00:45:48,150 --> 00:45:46,720

reported yeah

1225

00:45:49,990 --> 00:45:48,160

yeah there's a couple of questions that

1226

00:45:52,550 --> 00:45:50,000

come in and and uh so have you ever

1227

00:45:55,829 --> 00:45:52,560

encountered the hat man i have i think i

1228

00:45:58,390 --> 00:45:55,839

heard nick redfern speak on that the hat

1229

00:46:00,790 --> 00:45:58,400

man are you familiar with what that is

1230

00:46:03,109 --> 00:46:00,800

i am familiar with you know the hat man

1231

00:46:04,950 --> 00:46:03,119

and no i thankfully haven't encountered

1232

00:46:06,470 --> 00:46:04,960

the hat man now i know there's you know

1233

00:46:07,270 --> 00:46:06,480

i think a lot of times ant-man is

1234

00:46:09,270 --> 00:46:07,280

looking

1235

00:46:10,790 --> 00:46:09,280

as looked at as kind of a negative being

1236

00:46:12,950 --> 00:46:10,800

i don't think that's always been

1237

00:46:14,390 --> 00:46:12,960

reported to be the case but um i've

1238

00:46:16,630 --> 00:46:14,400

always sort of been thankful but i

1239

00:46:19,190 --> 00:46:16,640

haven't had encounters with the hat man

1240

00:46:21,349 --> 00:46:19,200

and in doing you know research you also

1241

00:46:23,430 --> 00:46:21,359

hear of this cloaked being almost like

1242

00:46:25,510 --> 00:46:23,440

the grim reaper type of a being that is

1243

00:46:26,950 --> 00:46:25,520

seen at some people's

1244

00:46:28,710 --> 00:46:26,960

you know foot of their beds or in their

1245

00:46:30,790 --> 00:46:28,720

bedrooms and i haven't seen the cloaked

1246

00:46:33,270 --> 00:46:30,800

one either

1247

00:46:36,069 --> 00:46:33,280

yeah yeah this all sounds scary to me

1248

00:46:37,270 --> 00:46:36,079

yeah it's just very tall shadowy

1249

00:46:38,710 --> 00:46:37,280

um

1250

00:46:39,510 --> 00:46:38,720

figures and

1251

00:46:43,190 --> 00:46:39,520

and i

1252

00:46:45,829 --> 00:46:43,200

i you know my my father um his third

1253

00:46:46,950 --> 00:46:45,839

wife midge passed away in this house and

1254

00:46:49,750 --> 00:46:46,960

that

1255

00:46:51,430 --> 00:46:49,760

and my dad my dad was a person who you

1256

00:46:53,589 --> 00:46:51,440

know when you die you're dirt he really

1257

00:46:55,670 --> 00:46:53,599

didn't believe in anything okay

1258

00:46:58,470 --> 00:46:55,680

and so after his wife passed away in

1259

00:47:00,230 --> 00:46:58,480

this house midge was her name

1260

00:47:01,190 --> 00:47:00,240

she had an asthma attack and passed in

1261

00:47:03,349 --> 00:47:01,200

the house

1262

00:47:05,750 --> 00:47:03,359

things started well here's what my dad

1263

00:47:08,069 --> 00:47:05,760

did my dad loved the ladies so like not

1264

00:47:10,390 --> 00:47:08,079

even a month passed he met another woman

1265

00:47:11,349 --> 00:47:10,400

they actually got married in midge's

1266

00:47:13,829 --> 00:47:11,359

house

1267

00:47:16,309 --> 00:47:13,839

and my dad but yeah my dad would open

1268

00:47:18,309 --> 00:47:16,319

the freezer and he used to frost frost

1269

00:47:19,829 --> 00:47:18,319

his beer mugs he was like a pap's blue

1270

00:47:21,430 --> 00:47:19,839

ribbon drinker right and he would he

1271

00:47:22,790 --> 00:47:21,440

would frost dad if you're listening i'm

1272

00:47:24,549 --> 00:47:22,800

sorry but

1273

00:47:26,950 --> 00:47:24,559

he would frost his mugs and they would

1274

00:47:28,950 --> 00:47:26,960

like fly out and shatter

1275

00:47:31,190 --> 00:47:28,960

he would hear footsteps

1276

00:47:33,030 --> 00:47:31,200

closet doors would open and close light

1277

00:47:35,750 --> 00:47:33,040

bulbs would shatter like i think she was

1278

00:47:37,349 --> 00:47:35,760

like angry so anyway long story short my

1279

00:47:39,270 --> 00:47:37,359

dad moves out of this house we called it

1280

00:47:41,670 --> 00:47:39,280

the ogden house because it was on ogden

1281

00:47:43,349 --> 00:47:41,680

street and me and my husband and my

1282

00:47:45,589 --> 00:47:43,359

young son at the time moved into this

1283

00:47:47,349 --> 00:47:45,599

house for a while nothing happened for a

1284

00:47:49,670 --> 00:47:47,359

while until we had to move out because

1285

00:47:51,670 --> 00:47:49,680

they were going to sell it then things

1286

00:47:53,430 --> 00:47:51,680

started happening and i remember being

1287

00:47:55,430 --> 00:47:53,440

afraid of this closet

1288

00:47:56,790 --> 00:47:55,440

and uh i was trying to get my guts up

1289

00:47:58,630 --> 00:47:56,800

because my son's stuff was in there and

1290

00:48:01,670 --> 00:47:58,640

i walk in the room to open the closet

1291

00:48:02,870 --> 00:48:01,680

door and it just shu opened right for me

1292

00:48:05,030 --> 00:48:02,880

and i was like

1293

00:48:06,390 --> 00:48:05,040

no but so that to me was haunted by like

1294

00:48:09,349 --> 00:48:06,400

a human spirit

1295

00:48:11,270 --> 00:48:09,359

you know and i i i really do like the

1296

00:48:13,510 --> 00:48:11,280

paranormal and i i've done you know the

1297

00:48:14,790 --> 00:48:13,520

stanley hotel and the saint augustine

1298

00:48:16,309 --> 00:48:14,800

lighthouse i've done some of those

1299

00:48:18,790 --> 00:48:16,319

excursions with the ghost hunters and

1300

00:48:21,430 --> 00:48:18,800

stuff which was great

1301  
00:48:24,710 --> 00:48:21,440  
but there's a difference between these

1302  
00:48:26,230 --> 00:48:24,720  
e.t shadow beings whatever they are

1303  
00:48:29,109 --> 00:48:26,240  
and like

1304  
00:48:31,430 --> 00:48:29,119  
human ghost spirits like uncle

1305  
00:48:33,829 --> 00:48:31,440  
joe or brother or dad or you know

1306  
00:48:35,990 --> 00:48:33,839  
whatever to me there's a difference and

1307  
00:48:39,109 --> 00:48:36,000  
you could tell the difference

1308  
00:48:39,910 --> 00:48:39,119  
so is the stanley hotel is that in estes

1309  
00:48:40,710 --> 00:48:39,920  
park

1310  
00:48:43,349 --> 00:48:40,720  
yes

1311  
00:48:44,549 --> 00:48:43,359  
um did that have anything to do with the

1312  
00:48:45,990 --> 00:48:44,559  
shining

1313  
00:48:48,870 --> 00:48:46,000

well they they

1314

00:48:50,710 --> 00:48:48,880

you know stephen it was kind of based

1315

00:48:52,950 --> 00:48:50,720

that he had experiences there in his

1316

00:48:55,910 --> 00:48:52,960

room and they actually filmed it i think

1317

00:48:58,230 --> 00:48:55,920

it was in a hotel in utah actually was

1318

00:48:59,430 --> 00:48:58,240

it in utah um but they didn't film it at

1319

00:49:01,510 --> 00:48:59,440

the stanley but it was definitely

1320

00:49:03,510 --> 00:49:01,520

inspired by the stanley that's right in

1321

00:49:05,190 --> 00:49:03,520

fact yeah and what's what's interesting

1322

00:49:07,109 --> 00:49:05,200

about i have a funny stanley story if i

1323

00:49:08,549 --> 00:49:07,119

could share it sure um

1324

00:49:10,470 --> 00:49:08,559

there's actually on my website katie

1325

00:49:11,990 --> 00:49:10,480

grabowski.com if you go the paranormal

1326

00:49:13,670 --> 00:49:12,000

tab there's some footage interesting

1327

00:49:14,390 --> 00:49:13,680

footage my son took he was there with

1328

00:49:19,910 --> 00:49:14,400

his

1329

00:49:21,430 --> 00:49:19,920

unusual activity but my husband one year

1330

00:49:23,510 --> 00:49:21,440

um

1331

00:49:25,750 --> 00:49:23,520

got us the stanley the stephen king room

1332

00:49:27,190 --> 00:49:25,760

to stay in for our anniversary and i

1333

00:49:28,950 --> 00:49:27,200

thought i would be really terrified of

1334

00:49:31,270 --> 00:49:28,960

it and i wasn't i actually took a bath

1335

00:49:34,309 --> 00:49:31,280

in the claw tub and everything it seemed

1336

00:49:36,309 --> 00:49:34,319

okay to me but i had a blast

1337

00:49:37,829 --> 00:49:36,319

um people would come up to the door and

1338

00:49:40,230 --> 00:49:37,839

they like getting their pictures by the

1339

00:49:41,829 --> 00:49:40,240

door the stephen king and i would jiggle

1340

00:49:44,390 --> 00:49:41,839

the chain or jiggle the handle and

1341

00:49:46,309 --> 00:49:44,400

they'd go

1342

00:49:48,150 --> 00:49:46,319

i had the best time for like two hours

1343

00:49:50,549 --> 00:49:48,160

kind of messing with people at the

1344

00:49:52,470 --> 00:49:50,559

stanley hotel so just know if you ever

1345

00:49:54,309 --> 00:49:52,480

go visit and that happens it could be a

1346

00:49:56,309 --> 00:49:54,319

human person on the other side of that

1347

00:49:58,710 --> 00:49:56,319

door messing with you they had a lot of

1348

00:50:01,270 --> 00:49:58,720

fun you do run it out i can i'm going to

1349

00:50:03,430 --> 00:50:01,280

see if i can actually i might be able to

1350

00:50:06,069 --> 00:50:03,440

pull that up

1351

00:50:08,470 --> 00:50:06,079

let's see if i can do that

1352

00:50:11,270 --> 00:50:08,480

oh yeah this is it so okay yeah so this

1353

00:50:13,190 --> 00:50:11,280

is my son and he noticed that the door

1354

00:50:14,069 --> 00:50:13,200

was kind of open and not a not a windy

1355

00:50:17,349 --> 00:50:14,079

day

1356

00:50:19,109 --> 00:50:17,359

um again my son's a big skeptic too

1357

00:50:20,549 --> 00:50:19,119

and it's weird because i see a shadow

1358

00:50:22,790 --> 00:50:20,559

there at the end almost like it's

1359

00:50:24,790 --> 00:50:22,800

holding the door handle that's what i

1360

00:50:27,349 --> 00:50:24,800

see when i really zoom in and look at it

1361

00:50:29,349 --> 00:50:27,359

closely i almost see

1362

00:50:31,270 --> 00:50:29,359

um what looks to be like somebody

1363

00:50:32,710 --> 00:50:31,280

holding the door handle so we can watch

1364

00:50:38,950 --> 00:50:32,720

this really quick it's kind of cool what

1365

00:50:38,960 --> 00:50:44,230

he's like why isn't that moving anymore

1366

00:50:44,240 --> 00:50:49,670

so he's gonna walk in a little closer

1367

00:50:54,630 --> 00:50:52,470

okay so this is only uh a minute

1368

00:51:04,710 --> 00:50:54,640

video just for those one who may be

1369

00:51:07,830 --> 00:51:06,390

oh there it goes

1370

00:51:13,270 --> 00:51:07,840

wow

1371

00:51:17,670 --> 00:51:15,990

it freaked him out yeah i'll say that's

1372

00:51:19,670 --> 00:51:17,680

great yeah

1373

00:51:22,069 --> 00:51:19,680

interesting wow

1374

00:51:24,390 --> 00:51:22,079

um so someone getting back to those

1375

00:51:25,829 --> 00:51:24,400

rings that you mentioned uh fred wanted

1376  
00:51:28,470 --> 00:51:25,839  
to know what was the condition of the

1377  
00:51:29,910 --> 00:51:28,480  
earth and the bare spots in other words

1378  
00:51:31,829 --> 00:51:29,920  
was it right

1379  
00:51:33,270 --> 00:51:31,839  
it was

1380  
00:51:38,230 --> 00:51:33,280  
undisturbed

1381  
00:51:39,990 --> 00:51:38,240  
circles um but no vegetation and you

1382  
00:51:41,910 --> 00:51:40,000  
know i've looked you know in google

1383  
00:51:44,710 --> 00:51:41,920  
earth you can go back and kind of go

1384  
00:51:46,870 --> 00:51:44,720  
back in time and i'm trying to see if i

1385  
00:51:48,870 --> 00:51:46,880  
could see where they are so eventually

1386  
00:51:50,710 --> 00:51:48,880  
vegetation came back but in these

1387  
00:51:53,430 --> 00:51:50,720  
reports it does state it stayed that way

1388  
00:51:55,270 --> 00:51:53,440

for a few years where nothing would grow

1389

00:51:57,270 --> 00:51:55,280

water wouldn't retain

1390

00:51:58,870 --> 00:51:57,280

and it's interesting too who was i i

1391

00:52:01,270 --> 00:51:58,880

think chris diperno

1392

00:52:03,670 --> 00:52:01,280

uh maybe it was debbie zieglemeyer

1393

00:52:05,109 --> 00:52:03,680

they were talking about this

1394

00:52:08,069 --> 00:52:05,119

basically

1395

00:52:09,349 --> 00:52:08,079

circle in the water like where it's ice

1396

00:52:10,790 --> 00:52:09,359

in the ice

1397

00:52:12,150 --> 00:52:10,800

yeah it spins

1398

00:52:13,430 --> 00:52:12,160

yeah yeah that's thinner

1399

00:52:15,670 --> 00:52:13,440

phenomenon

1400

00:52:18,630 --> 00:52:15,680

yeah it's something similar to that but

1401

00:52:21,349 --> 00:52:18,640

on dirt so nothing would grow

1402

00:52:22,790 --> 00:52:21,359

no it wouldn't retain water or moisture

1403

00:52:25,270 --> 00:52:22,800

very odd

1404

00:52:27,510 --> 00:52:25,280

very strange so let's talk about you had

1405

00:52:30,710 --> 00:52:27,520

some type of symptoms so what do you

1406

00:52:32,710 --> 00:52:30,720

attribute these symptoms to the to the

1407

00:52:35,030 --> 00:52:32,720

experience at the ranch

1408

00:52:37,910 --> 00:52:35,040

i didn't used to but i do now and in

1409

00:52:39,829 --> 00:52:37,920

that blue orb experience that was really

1410

00:52:41,349 --> 00:52:39,839

fast so that was me during the ranch so

1411

00:52:42,630 --> 00:52:41,359

that those are pictures of me during

1412

00:52:45,190 --> 00:52:42,640

that time

1413

00:52:46,950 --> 00:52:45,200

um that up that one on the far side

1414

00:52:49,589 --> 00:52:46,960

there kind of haunts me a little bit

1415

00:52:51,990 --> 00:52:49,599

because that's kind of how i felt often

1416

00:52:54,950 --> 00:52:52,000

just sort of very pensive there yeah

1417

00:52:58,309 --> 00:52:54,960

yeah exactly but that blue orb incident

1418

00:52:59,829 --> 00:52:58,319

happened so i started kind of reopening

1419

00:53:01,750 --> 00:52:59,839

i you know i hate to use the term

1420

00:53:03,910 --> 00:53:01,760

pandora's box but the pandora's back on

1421

00:53:04,790 --> 00:53:03,920

the ranch in 2013

1422

00:53:08,069 --> 00:53:04,800

and

1423

00:53:09,589 --> 00:53:08,079

um i'm happily i journaled about this

1424

00:53:11,750 --> 00:53:09,599

incident because i had forgotten all the

1425

00:53:13,349 --> 00:53:11,760

pieces of it

1426

00:53:15,670 --> 00:53:13,359

but basically

1427

00:53:17,589 --> 00:53:15,680

i was woken up my boys i have five kids

1428

00:53:21,030 --> 00:53:17,599

four boys and a girl and my boys were in

1429

00:53:23,430 --> 00:53:21,040

their lego years and i had a lego bucket

1430

00:53:24,870 --> 00:53:23,440

in my bedroom the lego bucket fell over

1431

00:53:28,390 --> 00:53:24,880

in the middle of the night and woke me

1432

00:53:31,270 --> 00:53:28,400

up and i wake up and in the corner of my

1433

00:53:33,030 --> 00:53:31,280

room is this basketball sized blue orb

1434

00:53:34,870 --> 00:53:33,040

and i just remember it being lighter on

1435

00:53:37,430 --> 00:53:34,880

the outside and a little more dense on

1436

00:53:38,870 --> 00:53:37,440

the inside and i'm elbowing steve i'm

1437

00:53:40,549 --> 00:53:38,880

like get up get up

1438

00:53:43,349 --> 00:53:40,559

what is this in our room what is this in

1439

00:53:45,589 --> 00:53:43,359

our room he wakes up and is he's kind of

1440

00:53:48,309 --> 00:53:45,599

adjusting like what the heck it just it

1441

00:53:51,190 --> 00:53:48,319

dissipated and what's fascinating about

1442

00:53:52,870 --> 00:53:51,200

that too is as that's occurring the auto

1443

00:53:55,510 --> 00:53:52,880

light from the people that live behind

1444

00:53:57,109 --> 00:53:55,520

us it was going on and of course we're

1445

00:53:58,950 --> 00:53:57,119

getting we could get up or like what the

1446

00:54:00,630 --> 00:53:58,960

heck's going on and it did that like a

1447

00:54:02,230 --> 00:54:00,640

couple times the auto light would go off

1448

00:54:04,309 --> 00:54:02,240

on off

1449

00:54:07,030 --> 00:54:04,319

so i don't know what that basketball

1450

00:54:07,910 --> 00:54:07,040

blue orb was but interesting when i was

1451  
00:54:10,150 --> 00:54:07,920  
reading

1452  
00:54:12,710 --> 00:54:10,160  
skinwalkers at the pentagon i don't know

1453  
00:54:15,670 --> 00:54:12,720  
oh right here i just again synchronicity

1454  
00:54:18,470 --> 00:54:15,680  
i literally just open open to the page i

1455  
00:54:19,670 --> 00:54:18,480  
open to the page and so listen to what

1456  
00:54:21,589 --> 00:54:19,680  
it says here

1457  
00:54:23,349 --> 00:54:21,599  
it says um

1458  
00:54:25,270 --> 00:54:23,359  
it talks about

1459  
00:54:27,990 --> 00:54:25,280  
let's see the air force programs on

1460  
00:54:29,990 --> 00:54:28,000  
micro uavs and how these micro uavs

1461  
00:54:32,309 --> 00:54:30,000  
could easily be mistaken for non-human

1462  
00:54:34,470 --> 00:54:32,319  
technology without divulging any

1463  
00:54:37,030 --> 00:54:34,480

classified information hennessey

1464

00:54:39,990 --> 00:54:37,040

appeared to be warning his

1465

00:54:41,750 --> 00:54:40,000

inter locator not to automatically

1466

00:54:43,670 --> 00:54:41,760

assume that

1467

00:54:45,750 --> 00:54:43,680

that all very advanced looking

1468

00:54:47,910 --> 00:54:45,760

technology was non-human

1469

00:54:50,950 --> 00:54:47,920

and they were warning bass not to over

1470

00:54:53,109 --> 00:54:50,960

interpret the plethora of emergent data

1471

00:54:55,349 --> 00:54:53,119

on orbs and specifically he was talking

1472

00:54:57,510 --> 00:54:55,359

about these blue orbs and

1473

00:54:59,589 --> 00:54:57,520

in other words don't automatically

1474

00:55:01,349 --> 00:54:59,599

assume they're not ours they could be

1475

00:55:03,190 --> 00:55:01,359

something

1476  
00:55:05,109 --> 00:55:03,200  
that we have and if that's the case what

1477  
00:55:06,789 --> 00:55:05,119  
are they doing in my bedroom at night

1478  
00:55:09,270 --> 00:55:06,799  
you know kind of right

1479  
00:55:11,190 --> 00:55:09,280  
it's it's strange how you hear

1480  
00:55:13,349 --> 00:55:11,200  
about the different color orbs the

1481  
00:55:17,109 --> 00:55:13,359  
orange orb is is

1482  
00:55:19,589 --> 00:55:17,119  
pretty popular and uh i had um

1483  
00:55:22,470 --> 00:55:19,599  
a an air force a former air force pilot

1484  
00:55:23,430 --> 00:55:22,480  
of an f-16 at the time

1485  
00:55:25,910 --> 00:55:23,440  
um

1486  
00:55:28,309 --> 00:55:25,920  
i was sitting next to on a flight and

1487  
00:55:30,230 --> 00:55:28,319  
got into the topic of ufos he said he

1488  
00:55:33,109 --> 00:55:30,240

knew that they were real and he was

1489

00:55:35,750 --> 00:55:33,119

followed for over 300 miles

1490

00:55:38,150 --> 00:55:35,760

by a green orb breaker lean orb that lit

1491

00:55:39,990 --> 00:55:38,160

up his whole cockpit yeah i heard that

1492

00:55:42,390 --> 00:55:40,000

too and i've heard too that like the

1493

00:55:44,309 --> 00:55:42,400

blue orb some people say that blue orbs

1494

00:55:46,390 --> 00:55:44,319

can be very healing

1495

00:55:48,309 --> 00:55:46,400

um and and other people say that they

1496

00:55:51,190 --> 00:55:48,319

can harm you so i don't know which is

1497

00:55:53,109 --> 00:55:51,200

true um but i do know i experienced that

1498

00:55:56,390 --> 00:55:53,119

blue orb in my bedroom i'll never forget

1499

00:55:58,150 --> 00:55:56,400

it and i don't know what that was

1500

00:56:00,150 --> 00:55:58,160

i have no idea but i'm glad i had

1501  
00:56:02,950 --> 00:56:00,160  
another witness to it because it's you

1502  
00:56:05,109 --> 00:56:02,960  
know sounds unbelievable it's really you

1503  
00:56:07,670 --> 00:56:05,119  
know one of the things that i i think is

1504  
00:56:09,990 --> 00:56:07,680  
very interesting is that

1505  
00:56:10,710 --> 00:56:10,000  
um we you brought up i can't remember

1506  
00:56:12,710 --> 00:56:10,720  
what

1507  
00:56:13,829 --> 00:56:12,720  
number the map was

1508  
00:56:17,109 --> 00:56:13,839  
number five

1509  
00:56:20,789 --> 00:56:17,119  
and so

1510  
00:56:23,510 --> 00:56:20,799  
uh of all the military bases that are so

1511  
00:56:25,829 --> 00:56:23,520  
close there and that seems like a common

1512  
00:56:27,510 --> 00:56:25,839  
denominator to a lot of these places

1513  
00:56:29,670 --> 00:56:27,520

where a lot of things happen

1514

00:56:33,109 --> 00:56:29,680

i'm not saying that it's necessarily

1515

00:56:34,230 --> 00:56:33,119

military what is going on there but it

1516

00:56:38,870 --> 00:56:34,240

just

1517

00:56:41,589 --> 00:56:38,880

denominator to a lot of these places it

1518

00:56:43,990 --> 00:56:41,599

does and it really makes you wonder and

1519

00:56:45,750 --> 00:56:44,000

as you know when you talk about the

1520

00:56:47,990 --> 00:56:45,760

black helicopters i don't know if you

1521

00:56:50,230 --> 00:56:48,000

said black helicopters but helicopters

1522

00:56:53,190 --> 00:56:50,240

in general you know that makes sense

1523

00:56:55,750 --> 00:56:53,200

that it's you know military can be

1524

00:56:59,990 --> 00:56:55,760

scared up pretty quickly to send out

1525

00:57:02,549 --> 00:57:00,000

those but um it is it is odd

1526

00:57:04,309 --> 00:57:02,559

and i wonder what what the connection is

1527

00:57:06,150 --> 00:57:04,319

is it one

1528

00:57:07,349 --> 00:57:06,160

chasing the other or the other chasing

1529

00:57:09,990 --> 00:57:07,359

the other do you know what i mean is

1530

00:57:13,270 --> 00:57:10,000

that you talked about the magnetic

1531

00:57:16,549 --> 00:57:13,280

um situation there and and by the way is

1532

00:57:18,789 --> 00:57:16,559

that did you say that as a high level

1533

00:57:20,630 --> 00:57:18,799

in that area in particular that yeah

1534

00:57:22,870 --> 00:57:20,640

yeah all of these high strangers

1535

00:57:24,549 --> 00:57:22,880

locations like peak it's like if you go

1536

00:57:26,630 --> 00:57:24,559

to the maps it's the lightest shade of

1537

00:57:28,950 --> 00:57:26,640

pink and they're all highly highly

1538

00:57:30,870 --> 00:57:28,960

highly magnetic areas so

1539

00:57:32,870 --> 00:57:30,880

you know i don't know and that's always

1540

00:57:35,910 --> 00:57:32,880

been my question the chicken or the egg

1541

00:57:39,430 --> 00:57:35,920

are they out there causing investigating

1542

00:57:40,549 --> 00:57:39,440

or or what i mean and i really believe

1543

00:57:42,950 --> 00:57:40,559

and i know

1544

00:57:44,470 --> 00:57:42,960

we're all wanting simple explanations

1545

00:57:48,150 --> 00:57:44,480

but just like with the cattle

1546

00:57:49,829 --> 00:57:48,160

mutilations it's hard to say well yep 80

1547

00:57:51,510 --> 00:57:49,839

of them are this but that leaves some of

1548

00:57:53,670 --> 00:57:51,520

them that aren't and you know not

1549

00:57:56,069 --> 00:57:53,680

everything fits neatly into one little

1550

00:57:58,870 --> 00:57:56,079

basket and i think that's the case out

1551  
00:58:02,309 --> 00:57:58,880  
there on the ranch property i think both

1552  
00:58:03,829 --> 00:58:02,319  
things were happening at the same time

1553  
00:58:05,750 --> 00:58:03,839  
so

1554  
00:58:07,990 --> 00:58:05,760  
and what what about um

1555  
00:58:10,390 --> 00:58:08,000  
you mentioned this bright light were

1556  
00:58:13,030 --> 00:58:10,400  
there other people that talked about

1557  
00:58:15,589 --> 00:58:13,040  
ufos occurring in that general area oh

1558  
00:58:17,430 --> 00:58:15,599  
yeah they talk extensively about the

1559  
00:58:18,789 --> 00:58:17,440  
the neighbor lady had seen light for

1560  
00:58:21,109 --> 00:58:18,799  
years there

1561  
00:58:22,710 --> 00:58:21,119  
um neighbors were reported being chased

1562  
00:58:25,270 --> 00:58:22,720  
by kraft

1563  
00:58:28,309 --> 00:58:25,280

again my witness that i talked to in

1564

00:58:30,630 --> 00:58:28,319

wyoming that had the picture of the calf

1565

00:58:33,030 --> 00:58:30,640

she had a really interesting story and

1566

00:58:36,470 --> 00:58:33,040

as an investigator and for those that

1567

00:58:38,230 --> 00:58:36,480

are out there that are listening um one

1568

00:58:39,349 --> 00:58:38,240

one thing that

1569

00:58:41,030 --> 00:58:39,359

it's

1570

00:58:43,270 --> 00:58:41,040

you could tell if somebody's kind of

1571

00:58:45,109 --> 00:58:43,280

being genuine when they they're like oh

1572

00:58:46,309 --> 00:58:45,119

yeah this is how come i remember this so

1573

00:58:48,150 --> 00:58:46,319

clearly and

1574

00:58:50,390 --> 00:58:48,160

she did not have her driver's license

1575

00:58:52,549 --> 00:58:50,400

yet she had her driver's permit her and

1576

00:58:55,109 --> 00:58:52,559

her friends were coming back from a 4-h

1577

00:58:57,030 --> 00:58:55,119

like a 4-h event or something like that

1578

00:58:58,789 --> 00:58:57,040

it was dark out you know they live out

1579

00:59:01,829 --> 00:58:58,799

there in very rural area out there in

1580

00:59:03,990 --> 00:59:01,839

kiowa and they see what appears to be

1581

00:59:06,870 --> 00:59:04,000

like the sun on the ground it wasn't a

1582

00:59:08,789 --> 00:59:06,880

helicopter no noise no nothing

1583

00:59:09,750 --> 00:59:08,799

kind of like what i saw out the window

1584

00:59:11,589 --> 00:59:09,760

okay

1585

00:59:14,230 --> 00:59:11,599

she described it as the sun sitting on

1586

00:59:16,309 --> 00:59:14,240

the ground her mother pulls the car over

1587

00:59:20,549 --> 00:59:16,319

and is witnessing this thing and this is

1588

00:59:22,549 --> 00:59:20,559

high mutilation time this is you know

1589

00:59:24,870 --> 00:59:22,559

bill wahl's out there in plains all the

1590

00:59:26,789 --> 00:59:24,880

time george yarnell's in out there in

1591

00:59:28,390 --> 00:59:26,799

airplanes people are actively looking

1592

00:59:30,789 --> 00:59:28,400

there's a ten thousand dollar reward

1593

00:59:32,150 --> 00:59:30,799

from the cattlemen's association peop

1594

00:59:33,589 --> 00:59:32,160

this is what another a lot of people

1595

00:59:35,109 --> 00:59:33,599

don't understand too

1596

00:59:37,990 --> 00:59:35,119

with these mutilations that were

1597

00:59:39,430 --> 00:59:38,000

happening people were like actively

1598

00:59:41,190 --> 00:59:39,440

seeking these people out it was

1599

00:59:43,510 --> 00:59:41,200

happening so often people were so

1600

00:59:45,910 --> 00:59:43,520

frightening there's a 10 000 reward this

1601  
00:59:47,750 --> 00:59:45,920  
is in the late 70s that's a lot of money

1602  
00:59:50,069 --> 00:59:47,760  
so people are not sleeping at night

1603  
00:59:52,390 --> 00:59:50,079  
looking for the perpetrators right they

1604  
00:59:55,510 --> 00:59:52,400  
would see military they would see these

1605  
00:59:56,789 --> 00:59:55,520  
people do this right and so she pulls

1606  
00:59:59,750 --> 00:59:56,799  
over the car

1607  
01:00:02,069 --> 00:59:59,760  
and she remembers very vividly this lit

1608  
01:00:05,109 --> 01:00:02,079  
ramp coming out of the craft

1609  
01:00:07,589 --> 01:00:05,119  
okay the the the ramp comes up and in

1610  
01:00:08,870 --> 01:00:07,599  
her mind in her 15 year old mind she's

1611  
01:00:11,109 --> 01:00:08,880  
thinking oh that's how they're taking

1612  
01:00:12,950 --> 01:00:11,119  
the cattle they're taking them on board

1613  
01:00:15,270 --> 01:00:12,960

going up doing surgery and then dropping

1614

01:00:16,950 --> 01:00:15,280

them and they look and the thing just

1615

01:00:18,549 --> 01:00:16,960

shoots off at a 90 degree angle it's

1616

01:00:20,789 --> 01:00:18,559

gone they call bill wall they called the

1617

01:00:23,270 --> 01:00:20,799

sheriff they sheriff went actively

1618

01:00:25,670 --> 01:00:23,280

looking didn't find anything and this

1619

01:00:28,309 --> 01:00:25,680

stuck so vividly in her mind because her

1620

01:00:30,470 --> 01:00:28,319

mom was so upset by this encounter she

1621

01:00:32,549 --> 01:00:30,480

had to drive home and she didn't have

1622

01:00:34,230 --> 01:00:32,559

her license it's late at night her mom's

1623

01:00:35,270 --> 01:00:34,240

hysterical her friends are in the back

1624

01:00:37,030 --> 01:00:35,280

of the car

1625

01:00:39,349 --> 01:00:37,040

i mean she will never forget this

1626  
01:00:40,630 --> 01:00:39,359  
experience you know and that was not the

1627  
01:00:43,750 --> 01:00:40,640  
military

1628  
01:00:45,510 --> 01:00:43,760  
that's amazing now um i had

1629  
01:00:47,990 --> 01:00:45,520  
i i just spoke about this gentleman i

1630  
01:00:50,470 --> 01:00:48,000  
think a couple days ago i had mario

1631  
01:00:51,990 --> 01:00:50,480  
woods had an encounter in south dakota

1632  
01:00:54,390 --> 01:00:52,000  
over a missile

1633  
01:00:56,950 --> 01:00:54,400  
site um he was in security in the

1634  
01:00:59,349 --> 01:00:56,960  
military and he said that it looked like

1635  
01:01:01,030 --> 01:00:59,359  
a sun sitting right over the

1636  
01:01:02,950 --> 01:01:01,040  
the missile site

1637  
01:01:05,349 --> 01:01:02,960  
right above it that's how he described

1638  
01:01:07,030 --> 01:01:05,359

it which uh and that's only the second

1639

01:01:07,910 --> 01:01:07,040

time i've heard someone describe it like

1640

01:01:08,829 --> 01:01:07,920

that

1641

01:01:11,190 --> 01:01:08,839

again

1642

01:01:12,870 --> 01:01:11,200

synchronicities yeah

1643

01:01:15,109 --> 01:01:12,880

and that's the other thing you know bill

1644

01:01:16,390 --> 01:01:15,119

wall and george arnell the sheriff's at

1645

01:01:19,270 --> 01:01:16,400

the time and you know i learned this

1646

01:01:21,270 --> 01:01:19,280

from his son and his and his wife um

1647

01:01:23,589 --> 01:01:21,280

gene that you know they they were

1648

01:01:26,069 --> 01:01:23,599

working together with other states this

1649

01:01:27,829 --> 01:01:26,079

was not just exclusively happening in

1650

01:01:31,750 --> 01:01:27,839

colorado

1651  
01:01:33,910 --> 01:01:31,760  
this was happening in montana wyoming

1652  
01:01:35,030 --> 01:01:33,920  
kansas nebraska

1653  
01:01:38,549 --> 01:01:35,040  
texas

1654  
01:01:40,390 --> 01:01:38,559  
utah you know all across the midwest and

1655  
01:01:43,109 --> 01:01:40,400  
so they were working with one another

1656  
01:01:45,270 --> 01:01:43,119  
they had a big map in the police station

1657  
01:01:47,190 --> 01:01:45,280  
and they were tracking you know when

1658  
01:01:49,030 --> 01:01:47,200  
these cattle were found they were trying

1659  
01:01:50,789 --> 01:01:49,040  
to pinpoint it as closely as they could

1660  
01:01:52,230 --> 01:01:50,799  
when they were occurring and they were

1661  
01:01:54,390 --> 01:01:52,240  
often times that these things were

1662  
01:01:56,870 --> 01:01:54,400  
occurring very close to one another in

1663  
01:01:58,150 --> 01:01:56,880

different states um colorado was the

1664

01:02:02,710 --> 01:01:58,160

hardest hit

1665

01:02:05,029 --> 01:02:02,720

still of all these places and same with

1666

01:02:06,710 --> 01:02:05,039

the menacing strange helicopters if you

1667

01:02:08,870 --> 01:02:06,720

get that little book i talked about the

1668

01:02:10,549 --> 01:02:08,880

choppers and the choppers they actually

1669

01:02:12,710 --> 01:02:10,559

look at like

1670

01:02:14,870 --> 01:02:12,720

what what day of the week are these

1671

01:02:17,750 --> 01:02:14,880

occurring in mostly what months of the

1672

01:02:19,990 --> 01:02:17,760

year what states and again these copter

1673

01:02:22,470 --> 01:02:20,000

sightings were clear across the midwest

1674

01:02:23,750 --> 01:02:22,480

and colorado was the hardest hit now why

1675

01:02:26,069 --> 01:02:23,760

i don't know

1676

01:02:28,069 --> 01:02:26,079

same with these saints strange sasquatch

1677

01:02:30,630 --> 01:02:28,079

creatures if you bring up

1678

01:02:33,270 --> 01:02:30,640

um i don't do we need to take a break

1679

01:02:35,190 --> 01:02:33,280

no no no we'll go about another 15 20

1680

01:02:37,510 --> 01:02:35,200

minutes something like that okay so if

1681

01:02:38,710 --> 01:02:37,520

you bring up um

1682

01:02:40,870 --> 01:02:38,720

number 10

1683

01:02:42,150 --> 01:02:40,880

this is really interesting

1684

01:02:44,630 --> 01:02:42,160

again

1685

01:02:46,789 --> 01:02:44,640

the one drawing on the right

1686

01:02:48,549 --> 01:02:46,799

was in dr leo sprinkles files of the

1687

01:02:49,750 --> 01:02:48,559

creatures that were spotted

1688

01:02:51,349 --> 01:02:49,760

um

1689

01:02:54,390 --> 01:02:51,359

out there in kiowa

1690

01:02:56,710 --> 01:02:54,400

and the one on the left was out of

1691

01:02:59,270 --> 01:02:56,720

montana and this is a letter or an email

1692

01:03:01,589 --> 01:02:59,280

i got from bob salas um

1693

01:03:04,230 --> 01:03:01,599

and basically i yeah i saw bob in

1694

01:03:05,670 --> 01:03:04,240

laughlin and he basically and if you can

1695

01:03:08,870 --> 01:03:05,680

leave it up so i can read it it just

1696

01:03:11,270 --> 01:03:08,880

says i will confirm to you that in 1996

1697

01:03:13,510 --> 01:03:11,280

i was in contact with the widow of i

1698

01:03:15,990 --> 01:03:13,520

reduced the name sans sans was a deputy

1699

01:03:18,470 --> 01:03:16,000

sheriff for cascade county montana near

1700

01:03:20,789 --> 01:03:18,480

great falls in the 70s

1701

01:03:23,109 --> 01:03:20,799

in one letter she states he also served

1702

01:03:25,109 --> 01:03:23,119

on a special team secretly funded by the

1703

01:03:27,510 --> 01:03:25,119

department of agriculture which is

1704

01:03:29,510 --> 01:03:27,520

interesting because um dodie mentioned

1705

01:03:31,349 --> 01:03:29,520

that if i need it to foia i should for

1706

01:03:33,349 --> 01:03:31,359

you that the purpose of which was to

1707

01:03:35,270 --> 01:03:33,359

turn to determine the cause of many

1708

01:03:37,829 --> 01:03:35,280

cattle mutilations ufo sightings and

1709

01:03:40,390 --> 01:03:37,839

bigfoot reports he was asked by he was

1710

01:03:42,069 --> 01:03:40,400

asked many times

1711

01:03:45,029 --> 01:03:42,079

to take polygraph tests of airmen

1712

01:03:47,109 --> 01:03:45,039

stationed at melmstrom who had seen ufos

1713

01:03:50,470 --> 01:03:47,119

and one letter she states

1714

01:03:52,710 --> 01:03:50,480

i am an artist and in 1977 so the same

1715

01:03:54,230 --> 01:03:52,720

time as the ranch they were called to

1716

01:03:56,069 --> 01:03:54,240

the sheriff's office to draw a picture

1717

01:03:57,589 --> 01:03:56,079

of the bigfoot from an eyewitness who

1718

01:03:59,910 --> 01:03:57,599

passed the polygraph this is

1719

01:04:02,230 --> 01:03:59,920

confirmation for your story and then he

1720

01:04:04,710 --> 01:04:02,240

recommended the book mystery strikes the

1721

01:04:07,510 --> 01:04:04,720

stocks the prairie which i bought really

1722

01:04:09,829 --> 01:04:07,520

great book um it was great speaking with

1723

01:04:11,270 --> 01:04:09,839

you best wishes bob solis and so the one

1724

01:04:13,750 --> 01:04:11,280

on the left is

1725

01:04:16,390 --> 01:04:13,760

again 1977

1726

01:04:18,069 --> 01:04:16,400

a ufo bigfoot you know connection and

1727

01:04:20,390 --> 01:04:18,079

the one on the right is ufo bigfoot

1728

01:04:22,789 --> 01:04:20,400

connection and to me the noses the eyes

1729

01:04:24,069 --> 01:04:22,799

the the shaggy hair they're very very

1730

01:04:28,870 --> 01:04:24,079

similar

1731

01:04:30,950 --> 01:04:28,880

know um you mentioned stan gordon

1732

01:04:33,829 --> 01:04:30,960

earlier and he does the connection

1733

01:04:35,910 --> 01:04:33,839

between the bigfoot and the ufos all the

1734

01:04:39,109 --> 01:04:35,920

way back from the 1970s when he was

1735

01:04:43,670 --> 01:04:39,119

working on that yeah which is another

1736

01:04:48,230 --> 01:04:45,990

the one question i have now this is just

1737

01:04:50,309 --> 01:04:48,240

something you may or may not know but

1738

01:04:51,829 --> 01:04:50,319

um you know we talk about the united

1739

01:04:53,109 --> 01:04:51,839

states

1740

01:04:56,470 --> 01:04:53,119

there's no

1741

01:04:58,950 --> 01:04:56,480

like skin walker ranch in europe

1742

01:05:01,029 --> 01:04:58,960

type thing is there or do we ever hear

1743

01:05:03,349 --> 01:05:01,039

about anything i know there's a hazelton

1744

01:05:06,309 --> 01:05:03,359

lights but i'm wondering if there's any

1745

01:05:08,390 --> 01:05:06,319

place where all things like this happen

1746

01:05:10,549 --> 01:05:08,400

that you're aware of and i i know

1747

01:05:12,390 --> 01:05:10,559

there's something in georgia someone

1748

01:05:13,990 --> 01:05:12,400

told me about that too but i'm just

1749

01:05:16,390 --> 01:05:14,000

talking in the united states i've never

1750

01:05:17,670 --> 01:05:16,400

heard of other countries canada for

1751  
01:05:20,069 --> 01:05:17,680  
instance or

1752  
01:05:21,190 --> 01:05:20,079  
you know in south america

1753  
01:05:23,430 --> 01:05:21,200  
anywhere

1754  
01:05:25,190 --> 01:05:23,440  
um are you aware of any place like that

1755  
01:05:27,349 --> 01:05:25,200  
outside of the country

1756  
01:05:29,510 --> 01:05:27,359  
i haven't but i've i've there is a

1757  
01:05:30,950 --> 01:05:29,520  
really good film and oh my gosh and i

1758  
01:05:33,190 --> 01:05:30,960  
can't think of the name of it i want to

1759  
01:05:35,510 --> 01:05:33,200  
say it's out of argentina

1760  
01:05:36,549 --> 01:05:35,520  
and there's um what is the name of that

1761  
01:05:41,109 --> 01:05:36,559  
film

1762  
01:05:43,270 --> 01:05:41,119  
brought tears to my eyes because his

1763  
01:05:45,670 --> 01:05:43,280

experiences were almost very very

1764

01:05:47,670 --> 01:05:45,680

similar to my own in high strangeness

1765

01:05:49,670 --> 01:05:47,680

kind of ways and so

1766

01:05:52,630 --> 01:05:49,680

um and i believe that that particular

1767

01:05:53,990 --> 01:05:52,640

one was in argentina so i'm trying to

1768

01:05:57,109 --> 01:05:54,000

think of the name of it i'll i'll try

1769

01:05:58,309 --> 01:05:57,119

and come up with it's a great film

1770

01:06:00,470 --> 01:05:58,319

yeah so

1771

01:06:03,029 --> 01:06:00,480

there must be yeah there must be i just

1772

01:06:04,630 --> 01:06:03,039

haven't delved deep into it that one in

1773

01:06:06,710 --> 01:06:04,640

particular comes to mind

1774

01:06:07,510 --> 01:06:06,720

and it would be interesting if that is

1775

01:06:08,470 --> 01:06:07,520

so

1776

01:06:10,870 --> 01:06:08,480

what the

1777

01:06:12,470 --> 01:06:10,880

commonalities are yeah yeah go ahead

1778

01:06:13,750 --> 01:06:12,480

it's i think the movie's called out of

1779

01:06:15,990 --> 01:06:13,760

this world

1780

01:06:18,230 --> 01:06:16,000

have you seen that one yeah no i have no

1781

01:06:20,309 --> 01:06:18,240

i don't think so but i mean when i say

1782

01:06:21,829 --> 01:06:20,319

the commonalities other military bases

1783

01:06:22,710 --> 01:06:21,839

near these

1784

01:06:24,710 --> 01:06:22,720

you know

1785

01:06:26,630 --> 01:06:24,720

is that near all these hot spots you

1786

01:06:28,549 --> 01:06:26,640

know that's one thing i wonder

1787

01:06:31,349 --> 01:06:28,559

yeah commonalities too i've really

1788

01:06:32,710 --> 01:06:31,359

looked into um the history of the land

1789

01:06:35,109 --> 01:06:32,720

itself and i know that's something they

1790

01:06:37,029 --> 01:06:35,119

talk a lot about in utah you know the

1791

01:06:39,349 --> 01:06:37,039

the native folklore and connections to

1792

01:06:41,510 --> 01:06:39,359

that and that's certainly the case i

1793

01:06:43,990 --> 01:06:41,520

mean one of the greatest massacres was

1794

01:06:46,150 --> 01:06:44,000

really close to kiowa which was the sand

1795

01:06:48,470 --> 01:06:46,160

creek massacre a lot of brutal things

1796

01:06:52,710 --> 01:06:48,480

happen there um heavy you know you

1797

01:06:53,750 --> 01:06:52,720

cheyenne pawnee kiowa comanche so

1798

01:06:55,430 --> 01:06:53,760

there's

1799

01:06:57,349 --> 01:06:55,440

heavily um

1800

01:07:00,470 --> 01:06:57,359

a lot of like trauma to the land i guess

1801

01:07:02,710 --> 01:07:00,480

so if those energies retain in water or

1802

01:07:05,109 --> 01:07:02,720

rocks i don't know you know that these

1803

01:07:07,270 --> 01:07:05,119

are all something to look at

1804

01:07:09,910 --> 01:07:07,280

i don't know it's just it's just very

1805

01:07:11,029 --> 01:07:09,920

mysterious um for sure

1806

01:07:13,829 --> 01:07:11,039

um and

1807

01:07:15,670 --> 01:07:13,839

now what about over the years

1808

01:07:18,150 --> 01:07:15,680

as far as you know

1809

01:07:21,029 --> 01:07:18,160

is the activity on this particular ranch

1810

01:07:23,510 --> 01:07:21,039

in colorado slowed down does it go up

1811

01:07:25,670 --> 01:07:23,520

and down what what do you know about it

1812

01:07:27,829 --> 01:07:25,680

well from what i know it slowed way down

1813

01:07:31,109 --> 01:07:27,839

but talking with james keenan he was

1814

01:07:34,950 --> 01:07:31,119

talking to me about this 11-year kind of

1815

01:07:37,670 --> 01:07:34,960

cycle where activity will rise and fall

1816

01:07:40,309 --> 01:07:37,680

every 11 years and you say why 11 years

1817

01:07:42,470 --> 01:07:40,319

well it kind of corresponds with the

1818

01:07:43,910 --> 01:07:42,480

position of earth in our solar system

1819

01:07:46,150 --> 01:07:43,920

and solar flares

1820

01:07:48,309 --> 01:07:46,160

and this because we we get these solar

1821

01:07:49,190 --> 01:07:48,319

flares and that magnetizes things even

1822

01:07:55,270 --> 01:07:49,200

more

1823

01:07:58,390 --> 01:07:55,280

now is is this is it like a perfect

1824

01:08:00,390 --> 01:07:58,400

storm or melting pot of all these little

1825

01:08:02,309 --> 01:08:00,400

nuances that we're all looking about you

1826

01:08:05,829 --> 01:08:02,319

know these little pieces like uh

1827

01:08:08,150 --> 01:08:05,839

folklore and minerals and land and

1828

01:08:11,109 --> 01:08:08,160

and magnetism and is it just this

1829

01:08:14,069 --> 01:08:11,119

perfect mixture of these things that

1830

01:08:15,109 --> 01:08:14,079

cause this to happen i don't know

1831

01:08:17,829 --> 01:08:15,119

you know and

1832

01:08:19,349 --> 01:08:17,839

also the people like intuitive people

1833

01:08:21,030 --> 01:08:19,359

and that you know seems to make a

1834

01:08:21,910 --> 01:08:21,040

difference too

1835

01:08:25,030 --> 01:08:21,920

right

1836

01:08:26,950 --> 01:08:25,040

i know when nids was at

1837

01:08:29,110 --> 01:08:26,960

skinwalker ranch

1838

01:08:30,789 --> 01:08:29,120

there was some and unfortunately didn't

1839

01:08:32,229 --> 01:08:30,799

catch us on

1840

01:08:33,749 --> 01:08:32,239

film but

1841

01:08:38,900 --> 01:08:33,759

purportedly

1842

01:08:43,110 --> 01:08:40,789

[Music]

1843

01:08:45,990 --> 01:08:43,120

comes out of it and then it closes

1844

01:08:48,070 --> 01:08:46,000

and uh you know that's another you know

1845

01:08:49,669 --> 01:08:48,080

huge mystery if that indeed really

1846

01:08:51,749 --> 01:08:49,679

happened and

1847

01:08:53,990 --> 01:08:51,759

it's some you know and it it

1848

01:08:55,990 --> 01:08:54,000

probably i mean i i would think that it

1849

01:08:59,910 --> 01:08:56,000

was witness that happened

1850

01:09:01,910 --> 01:08:59,920

i do i i am a believer that yes not all

1851  
01:09:03,349 --> 01:09:01,920  
of them maybe not all bigfoot sasquatch

1852  
01:09:05,829 --> 01:09:03,359  
are connected to craft but i believe

1853  
01:09:06,950 --> 01:09:05,839  
some of them are and in fact i think

1854  
01:09:10,550 --> 01:09:06,960  
they're either

1855  
01:09:13,189 --> 01:09:10,560  
like bodyguards workers um i i think

1856  
01:09:14,630 --> 01:09:13,199  
they have a role to play in this i do

1857  
01:09:17,110 --> 01:09:14,640  
think they're interdimensional some of

1858  
01:09:19,510 --> 01:09:17,120  
them are again not one clean i'm not

1859  
01:09:20,390 --> 01:09:19,520  
claiming i know that's just been my

1860  
01:09:23,030 --> 01:09:20,400  
experience

1861  
01:09:25,910 --> 01:09:23,040  
and people i've talked to witnesses i've

1862  
01:09:26,789 --> 01:09:25,920  
talked to it just adds up to that for me

1863  
01:09:29,030 --> 01:09:26,799

but

1864

01:09:30,789 --> 01:09:29,040

one other thing i would like to share if

1865

01:09:34,390 --> 01:09:30,799

you don't mind what is that interesting

1866

01:09:36,470 --> 01:09:34,400

the two interceptors that crashed

1867

01:09:39,749 --> 01:09:36,480

what okay i'm not i'm not familiar with

1868

01:09:42,229 --> 01:09:39,759

that okay yeah so in the reports um they

1869

01:09:43,990 --> 01:09:42,239

talk about these two in dr leo sprinkles

1870

01:09:46,149 --> 01:09:44,000

files that said there were two

1871

01:09:47,510 --> 01:09:46,159

interceptors that crash in pursuit of a

1872

01:09:49,030 --> 01:09:47,520

ufo

1873

01:09:51,669 --> 01:09:49,040

and i'm like well there's something that

1874

01:09:55,270 --> 01:09:51,679

i could get data on right

1875

01:09:56,630 --> 01:09:55,280

um and so sure enough if you go to image

1876

01:09:58,149 --> 01:09:56,640

eight

1877

01:09:59,910 --> 01:09:58,159

right there

1878

01:10:02,470 --> 01:09:59,920

hang on just a second i found this

1879

01:10:04,870 --> 01:10:02,480

scattered in my thing here oh

1880

01:10:06,390 --> 01:10:04,880

so this the top is actually from the

1881

01:10:09,430 --> 01:10:06,400

briefing document

1882

01:10:10,950 --> 01:10:09,440

um they talk about a newspaper newspaper

1883

01:10:13,750 --> 01:10:10,960

editor that disappeared that's a whole

1884

01:10:15,910 --> 01:10:13,760

other story but it also says i i also

1885

01:10:18,070 --> 01:10:15,920

understand that two national guard

1886

01:10:19,830 --> 01:10:18,080

interceptors were up

1887

01:10:21,350 --> 01:10:19,840

blah blah blah and that's redacted i

1888

01:10:23,910 --> 01:10:21,360

don't know what it says and went down

1889

01:10:25,669 --> 01:10:23,920

while in pursuit of a ufo at night

1890

01:10:27,590 --> 01:10:25,679

all of this was a little unnerving so i

1891

01:10:30,310 --> 01:10:27,600

decided i was going to stop my own

1892

01:10:32,070 --> 01:10:30,320

inquiry i was going to just quietly mind

1893

01:10:35,030 --> 01:10:32,080

my own business that's a quote from the

1894

01:10:37,110 --> 01:10:35,040

undersheriff so i find the article so i

1895

01:10:39,510 --> 01:10:37,120

got the date the time the exact location

1896

01:10:41,189 --> 01:10:39,520

and then i did a foia request

1897

01:10:43,750 --> 01:10:41,199

richard dodie told me where to foia

1898

01:10:45,669 --> 01:10:43,760

which is interesting a whole so

1899

01:10:47,510 --> 01:10:45,679

here i am sitting at the admission

1900

01:10:49,750 --> 01:10:47,520

station getting an admissions test for

1901

01:10:51,830 --> 01:10:49,760

my son's car and the phone my cell phone

1902

01:10:53,990 --> 01:10:51,840

rings and it's the united states air

1903

01:10:54,870 --> 01:10:54,000

force which is now the space force out

1904

01:10:56,709 --> 01:10:54,880

here

1905

01:10:58,470 --> 01:10:56,719

and it's a gentleman who heads up the

1906

01:11:00,149 --> 01:10:58,480

foia request

1907

01:11:03,189 --> 01:11:00,159

and we talked on the phone for 40

1908

01:11:05,350 --> 01:11:03,199

minutes and he's he told me katie if you

1909

01:11:07,990 --> 01:11:05,360

want anything else about kiowa or albert

1910

01:11:10,149 --> 01:11:08,000

county i want you to call me directly

1911

01:11:13,350 --> 01:11:10,159

so he kind of kind of was intimidated so

1912

01:11:15,669 --> 01:11:13,360

if you put up image nine this is part of

1913

01:11:17,270 --> 01:11:15,679

the foia i got a big thick packet it was

1914

01:11:19,510 --> 01:11:17,280

about an inch thick and a lot of it was

1915

01:11:21,910 --> 01:11:19,520

redacted i have the radio transcripts

1916

01:11:23,910 --> 01:11:21,920

from that incident both pilots ejected

1917

01:11:25,990 --> 01:11:23,920

both pilots survived but it's

1918

01:11:28,470 --> 01:11:26,000

interesting because they listed several

1919

01:11:30,870 --> 01:11:28,480

causes of the crash and in one of them

1920

01:11:33,189 --> 01:11:30,880

it said the instructor pilot

1921

01:11:35,270 --> 01:11:33,199

misidentified the rotating beacon of

1922

01:11:38,149 --> 01:11:35,280

another aircraft as the students

1923

01:11:40,229 --> 01:11:38,159

aircraft cause but it never identified

1924

01:11:41,750 --> 01:11:40,239

what the other aircraft was in this big

1925

01:11:43,750 --> 01:11:41,760

thick packet it never said it was a

1926

01:11:45,750 --> 01:11:43,760

cessna another military plane it's the

1927

01:11:48,070 --> 01:11:45,760

only time it's ever mentioned

1928

01:11:50,390 --> 01:11:48,080

and the all the other causes says that

1929

01:11:52,790 --> 01:11:50,400

the student turned off his beacon light

1930

01:11:54,790 --> 01:11:52,800

and so the instructor hit his hit his

1931

01:11:56,870 --> 01:11:54,800

wing and they both ejected and went down

1932

01:11:58,229 --> 01:11:56,880

and they both lost both the other

1933

01:12:01,110 --> 01:11:58,239

interesting thing i got out of this

1934

01:12:03,750 --> 01:12:01,120

document is that this was over civilian

1935

01:12:05,830 --> 01:12:03,760

neighborhoods at night out of buckley

1936

01:12:08,070 --> 01:12:05,840

and they had 255

1937

01:12:09,990 --> 01:12:08,080

live rounds of ammunition on board that

1938

01:12:11,510 --> 01:12:10,000

those craft

1939

01:12:13,189 --> 01:12:11,520

on those fighter jets why would they

1940

01:12:15,270 --> 01:12:13,199

have live rounds

1941

01:12:17,030 --> 01:12:15,280

i don't know strange that is strange and

1942

01:12:18,950 --> 01:12:17,040

when i've talked to other military

1943

01:12:21,669 --> 01:12:18,960

personnel they said especially with a

1944

01:12:23,750 --> 01:12:21,679

student at night over civilian houses

1945

01:12:26,229 --> 01:12:23,760

that is very strange

1946

01:12:28,390 --> 01:12:26,239

very very strange so i think there might

1947

01:12:30,550 --> 01:12:28,400

be truth to old dr leo sprinkles notes

1948

01:12:32,550 --> 01:12:30,560

that they were in pursuit of something

1949

01:12:33,590 --> 01:12:32,560

and in fact the sheriff talks about you

1950

01:12:35,030 --> 01:12:33,600

know that

1951

01:12:37,189 --> 01:12:35,040

because we didn't have dia at the time

1952

01:12:38,950 --> 01:12:37,199

we had stapleton and stapleton was

1953

01:12:40,950 --> 01:12:38,960

picking up things on radar that they

1954

01:12:42,870 --> 01:12:40,960

couldn't understand so unidentified

1955

01:12:43,750 --> 01:12:42,880

craft on radar

1956

01:12:46,470 --> 01:12:43,760

wow

1957

01:12:48,390 --> 01:12:46,480

i had leo on this show in the past he

1958

01:12:51,990 --> 01:12:48,400

was very very nice what a nice man he

1959

01:12:53,350 --> 01:12:52,000

was oh yes love him so much yeah was he

1960

01:12:55,430 --> 01:12:53,360

out your way

1961

01:12:57,270 --> 01:12:55,440

did he live in colorado i mean he's in

1962

01:12:59,350 --> 01:12:57,280

laramie so he's a quick two hours from

1963

01:13:01,189 --> 01:12:59,360

me and just recently i went to his

1964

01:13:02,790 --> 01:13:01,199

memorial service and in fact if i can

1965

01:13:05,189 --> 01:13:02,800

bring up in mitch four

1966

01:13:07,430 --> 01:13:05,199

before the end of the show

1967

01:13:09,669 --> 01:13:07,440

this is a book i wrote called letters of

1968

01:13:12,470 --> 01:13:09,679

love and light it's four decades of ufo

1969

01:13:16,470 --> 01:13:14,229

and sightings shared with ufologist

1970

01:13:18,550 --> 01:13:16,480

arleo sprinkle and it's basically what

1971

01:13:20,709 --> 01:13:18,560

happened is when i was there looking for

1972

01:13:22,390 --> 01:13:20,719

all the information on the ranch i was

1973

01:13:24,630 --> 01:13:22,400

getting lost in all these letters that

1974

01:13:26,709 --> 01:13:24,640

people wrote to dr sprinkle from around

1975

01:13:28,870 --> 01:13:26,719

the world and the cool thing about it he

1976

01:13:30,709 --> 01:13:28,880

kept all his response letters

1977

01:13:32,390 --> 01:13:30,719

so i spent three and a half years going

1978

01:13:34,070 --> 01:13:32,400

back and forth taking pictures of all

1979

01:13:36,310 --> 01:13:34,080

these letters and pulling out the most

1980

01:13:38,870 --> 01:13:36,320

interesting juicy parts i mean from

1981

01:13:43,110 --> 01:13:38,880

everything you know so i put it like

1982

01:13:45,430 --> 01:13:43,120

et descriptions craft descriptions um

1983

01:13:49,990 --> 01:13:45,440

you know people who channel the ets

1984

01:13:51,750 --> 01:13:50,000

implants to motives to hypnosis to

1985

01:13:54,310 --> 01:13:51,760

letters from children

1986

01:13:56,390 --> 01:13:54,320

you know leo's perspective it was just

1987

01:13:58,550 --> 01:13:56,400

this labor of love

1988

01:14:01,189 --> 01:13:58,560

written really for dr sprinkle and i was

1989

01:14:03,990 --> 01:14:01,199

so honored that i had it complete before

1990

01:14:05,910 --> 01:14:04,000

he passed and he was able to read it and

1991

01:14:08,310 --> 01:14:05,920

he was just so proud of that and so

1992

01:14:09,990 --> 01:14:08,320

thankful that i did that so it's like

1993

01:14:11,990 --> 01:14:10,000

really really special to me that i was

1994

01:14:14,390 --> 01:14:12,000

able to do that for him and really

1995

01:14:16,390 --> 01:14:14,400

recognize his body of work

1996

01:14:17,270 --> 01:14:16,400

wow that is that is really a great thing

1997

01:14:19,110 --> 01:14:17,280

you did

1998

01:14:20,149 --> 01:14:19,120

thank you yeah thank you i'm very proud

1999

01:14:22,550 --> 01:14:20,159

of that

2000

01:14:24,550 --> 01:14:22,560

yeah yep and let's see i think we

2001

01:14:27,110 --> 01:14:24,560

covered all the images except i don't

2002

01:14:28,870 --> 01:14:27,120

remember two what this one

2003

01:14:30,630 --> 01:14:28,880

oh this one just kind of showed all the

2004

01:14:33,110 --> 01:14:30,640

different connections that i make the

2005

01:14:35,030 --> 01:14:33,120

strange boxes the bigfoot the orbs the

2006

01:14:36,709 --> 01:14:35,040

shadow figures the craft the helicopters

2007

01:14:38,070 --> 01:14:36,719

the circle on the ground i tried to put

2008

01:14:40,229 --> 01:14:38,080

it all in one image because there was

2009

01:14:41,990 --> 01:14:40,239

just so much so yeah it's just sort of a

2010

01:14:43,830 --> 01:14:42,000

graphic that i made i have my degree in

2011

01:14:46,470 --> 01:14:43,840

graphic design and the other image we

2012

01:14:48,709 --> 01:14:46,480

didn't cover was image 11

2013

01:14:50,870 --> 01:14:48,719

which is fascinating if you read the

2014

01:14:53,189 --> 01:14:50,880

article it talks about that mysterious

2015

01:14:55,110 --> 01:14:53,199

blanket of metal found out there at the

2016

01:14:56,550 --> 01:14:55,120

time and there's a photograph of it and

2017

01:14:58,950 --> 01:14:56,560

they said they took i mean it's very

2018

01:15:01,669 --> 01:14:58,960

unusual looking yeah they took it and

2019

01:15:03,590 --> 01:15:01,679

they had it analyzed and of course

2020

01:15:05,430 --> 01:15:03,600

who knows what happened to this stuff i

2021

01:15:07,510 --> 01:15:05,440

have no idea

2022

01:15:10,550 --> 01:15:07,520

now is it have you heard you must have

2023

01:15:13,110 --> 01:15:10,560

heard of the angel hair cases a little

2024

01:15:15,430 --> 01:15:13,120

bit i i haven't dug too i wondered i

2025

01:15:16,470 --> 01:15:15,440

wondered it like a like a blanketing

2026

01:15:19,110 --> 01:15:16,480

that

2027

01:15:20,950 --> 01:15:19,120

was found on trees almost like a moss

2028

01:15:23,590 --> 01:15:20,960

and but uh

2029

01:15:25,750 --> 01:15:23,600

so this disappeared

2030

01:15:27,990 --> 01:15:25,760

did it get through

2031

01:15:29,830 --> 01:15:28,000

the analytics

2032

01:15:32,709 --> 01:15:29,840

well i mean in the article it says it

2033

01:15:34,070 --> 01:15:32,719

was taken to be tested i don't know i'm

2034

01:15:35,350 --> 01:15:34,080

sure that you know who was heavily

2035

01:15:38,149 --> 01:15:35,360

involved out there as well was the

2036

01:15:40,630 --> 01:15:38,159

colorado bureau of investigation

2037

01:15:42,470 --> 01:15:40,640

and norad and air force academy i'm sure

2038

01:15:44,229 --> 01:15:42,480

they got their hands on this and

2039

01:15:45,669 --> 01:15:44,239

sarinara you know we don't have it

2040

01:15:47,350 --> 01:15:45,679

anymore

2041

01:15:49,189 --> 01:15:47,360

interestingly enough there is something

2042

01:15:50,870 --> 01:15:49,199

called um

2043

01:15:53,189 --> 01:15:50,880

chaff right that

2044

01:15:54,790 --> 01:15:53,199

the military drops it confuses the radar

2045

01:15:57,030 --> 01:15:54,800

so instead of

2046

01:15:59,189 --> 01:15:57,040

if you have one plane out there it'll

2047

01:16:01,590 --> 01:15:59,199

appear that there's several right and it

2048

01:16:03,189 --> 01:16:01,600

looks like christmas tree tinsel and i

2049

01:16:05,430 --> 01:16:03,199

don't think that's what that is in that

2050

01:16:08,149 --> 01:16:05,440

image it's not it's not that it's

2051  
01:16:10,870 --> 01:16:08,159  
something that looks very unusual to me

2052  
01:16:13,590 --> 01:16:10,880  
it does yeah so all these pieces tied

2053  
01:16:15,189 --> 01:16:13,600  
together you know as i again i i didn't

2054  
01:16:17,830 --> 01:16:15,199  
even know anybody knew anything about

2055  
01:16:19,990 --> 01:16:17,840  
this and then to have all these pieces

2056  
01:16:21,510 --> 01:16:20,000  
start coming out and all this evidence

2057  
01:16:24,229 --> 01:16:21,520  
and all these interviews and all this

2058  
01:16:25,830 --> 01:16:24,239  
stuff i'm just like holy cow this is

2059  
01:16:27,110 --> 01:16:25,840  
much bigger than

2060  
01:16:29,110 --> 01:16:27,120  
yeah i thought

2061  
01:16:31,830 --> 01:16:29,120  
how did you first find out the first

2062  
01:16:33,990 --> 01:16:31,840  
tidbit that all this stuff existed hun

2063  
01:16:34,870 --> 01:16:34,000

for the skinwalker in the book

2064

01:16:37,430 --> 01:16:34,880

i read

2065

01:16:40,229 --> 01:16:37,440

that's where you in that book i started

2066

01:16:42,310 --> 01:16:40,239

reading about i was like that's that's

2067

01:16:44,550 --> 01:16:42,320

that's the ranch that you know and i

2068

01:16:46,310 --> 01:16:44,560

learned of dr leo sprinkle and i wrote

2069

01:16:47,990 --> 01:16:46,320

him a letter promptly he wrote me back

2070

01:16:49,510 --> 01:16:48,000

and you know the next week i was down

2071

01:16:51,590 --> 01:16:49,520

there digging in the files and it's just

2072

01:16:53,910 --> 01:16:51,600

been going and going and going and going

2073

01:16:57,189 --> 01:16:53,920

ever since you know yeah yeah wow that's

2074

01:17:00,310 --> 01:16:57,199

amazing i'm pretty doggy i want answers

2075

01:17:01,990 --> 01:17:00,320

yeah yeah it's great that we have people

2076

01:17:02,790 --> 01:17:02,000

out there like you that have a passion

2077

01:17:05,110 --> 01:17:02,800

for

2078

01:17:07,910 --> 01:17:05,120

um that type of work because it's it's

2079

01:17:10,790 --> 01:17:07,920

like like the the book you wrote it's a

2080

01:17:12,870 --> 01:17:10,800

labor of love it can't be anything else

2081

01:17:14,630 --> 01:17:12,880

because it should be burned out and you

2082

01:17:16,550 --> 01:17:14,640

wouldn't be interested in it in five

2083

01:17:18,550 --> 01:17:16,560

minutes you know right so

2084

01:17:20,950 --> 01:17:18,560

uh but i appreciate that you you have

2085

01:17:22,950 --> 01:17:20,960

have done this type of work and thank

2086

01:17:24,630 --> 01:17:22,960

you i appreciate that martin

2087

01:17:25,990 --> 01:17:24,640

yeah and so we're at the end of the show

2088

01:17:28,390 --> 01:17:26,000

and i just want to thank you so much

2089

01:17:31,110 --> 01:17:28,400

it's been fascinating and uh you're

2090

01:17:32,310 --> 01:17:31,120

always a pleasure to talk to talk to oh

2091

01:17:34,550 --> 01:17:32,320

thank you i appreciate it thanks for

2092

01:17:36,390 --> 01:17:34,560

having me on and hope you have a good

2093

01:17:37,990 --> 01:17:36,400

rest of your week and i'm excited to go

2094

01:17:40,070 --> 01:17:38,000

down and do some digging i hope keep

2095

01:17:41,990 --> 01:17:40,080

your fingers crossed i find that family

2096

01:17:45,590 --> 01:17:42,000

history it would be so cool that would

2097

01:17:49,270 --> 01:17:47,669

i'll be talking to him soon but anyway

2098

01:17:50,310 --> 01:17:49,280

all right you take care now all right

2099

01:17:54,550 --> 01:17:50,320

thank you

2100

01:17:57,910 --> 01:17:54,560

you so much for uh watching the show

2101

01:17:59,510 --> 01:17:57,920

tonight and we'll be back i think i it's

2102

01:18:01,350 --> 01:17:59,520

september

2103

01:18:03,350 --> 01:18:01,360

9th or 8th or something like that with

2104

01:18:05,189 --> 01:18:03,360

nick redfern he'll be back on the show
