6
00:00:47,930 --> 00:00:45,420
Dwight D Eisenhower was in Palm Springs

disappeared from public View and rumors

10
00:00:57,350 --> 00:00:55,020
spread to the point that the headline

11
00:00:59,689 --> 00:00:57,360
President Eisenhower died tonight of a

12
00:01:02,150 --> 00:00:59,699
heart attack in Palm Springs appeared on

the Associated Press newswire the story

14

00:01:07,010 --> 00:01:04,439

was removed two minutes later in the AP

15

00:01:08,810 --> 00:01:07,020

reported that he was still alive he

16

00:01:11,210 --> 00:01:08,820

followed this have speculated on where

17

00:01:13,490 --> 00:01:11,220

he was that day and some have come to

18

00:01:15,230 --> 00:01:13,500

the conclusion that Eisenhower went to

19

00:01:17,690 --> 00:01:15,240

murrock Air Force base for a secret

20

00:01:19,609 --> 00:01:17,700

meeting with alien visitors the earliest

mention of Eisenhower and Aliens being

22

00:01:23,510 --> 00:01:21,360

has preserved the letter and the date on

the link is April 16 1954. the letter

29
00:01:41,810 --> 00:01:39,720
opens with this my my dear friend I've

30
00:01:44,270 --> 00:01:41,820
just returned from muric the report is

31
00:01:46,069 --> 00:01:44,280
true devastatingly true I made the

32
00:01:48,350 --> 00:01:46,079
journey in company with Franklin Allen

33
00:01:50,630 --> 00:01:48,360

Brookings Institute Truman's erstwhile

35
00:01:55,429 --> 00:01:53,159
financial advisor and Bishop McIntyre of

36
00:01:57,770 --> 00:01:55,439
Los Angeles confidential names for the

37
00:02:00,289 --> 00:01:57,780
present please the mention of aliens

38
00:02:03,469 --> 00:02:00,299

referred to as ethereans and their craft

39

00:02:05,630 --> 00:02:03,479

is as follows during my two days visit I

40

00:02:07,609 --> 00:02:05,640

saw five separate and distinct types of

41

00:02:09,469 --> 00:02:07,619

aircraft being studied and handled by

42

00:02:11,029 --> 00:02:09,479

our Air Force officials with the

43

00:02:13,729 --> 00:02:11,039

assistance and permission of the

44

00:02:15,530 --> 00:02:13,739

ethereans I have no words to express my

45

00:02:18,470 --> 00:02:15,540

reactions and the reference to

46

00:02:20,690 --> 00:02:18,480

Eisenhower is this President Eisenhower

47

00:02:22,610 --> 00:02:20,700

as you may already know was Spirited

48

00:02:25,190 --> 00:02:22,620

over to murak one night during his visit

49

00:02:27,890 --> 00:02:25,200

to Palm Springs recently Lane commented

50

00:02:29,510 --> 00:02:27,900

on the letter in 1958 with this the

51
00:02:31,910 --> 00:02:29,520
manner of an alleged visit by President

52
00:02:34,130 --> 00:02:31,920
Eisenhower to muric base is clearly

53
00:02:36,589 --> 00:02:34,140
reported simply as a personal inference

54
00:02:37,970 --> 00:02:36,599
and belief in fact the Probert controls

55
00:02:40,550 --> 00:02:37,980
have said that the presidents and a

56
00:02:42,650 --> 00:02:40,560
person representative but did not go to

57
00:02:44,030 --> 00:02:42,660
the base himself there's much guesswork

58
00:02:46,070 --> 00:02:44,040
also where the writer of the letter

59
00:02:49,369 --> 00:02:46,080
quoted talks about future policies

60
00:02:51,110 --> 00:02:49,379
public reaction Etc is not a prophet and

61
00:02:53,030 --> 00:02:51,120
I quote him only for the interest of the

62
00:02:55,670 --> 00:02:53,040
murak affair concerning which I still

63
00:02:57,770 --> 00:02:55,680

get many inquiries the Probert controls

64

00:03:00,350 --> 00:02:57,780

were the entity's bsra member Mark

65

00:03:02,390 --> 00:03:00,360

Probert channeled as a trans medium he

66

00:03:05,330 --> 00:03:02,400

is referred to as the telegnostic from

67

00:03:07,430 --> 00:03:05,340

San Diego and the bsrf website Michael

68

00:03:09,410 --> 00:03:07,440

Salah explored the manner in a research

69

00:03:12,830 --> 00:03:09,420

study published on the exopolitics

70

00:03:14,330 --> 00:03:12,840

website on January 28 2004 in his

71

00:03:16,309 --> 00:03:14,340

abstract he tells the story of

72

00:03:18,290 --> 00:03:16,319

Eisenhower's disappearance and how

73

00:03:19,970 --> 00:03:18,300

reporters were told that Eisenhower had

74

00:03:22,309 --> 00:03:19,980

gone off to have emergency dental

75

00:03:24,710 --> 00:03:22,319

treatment Cella then tells the reader

76

00:03:27,170 --> 00:03:24,720

that his paper will explore evidence of

77

00:03:29,210 --> 00:03:27,180

first contact with Nordic et's an

78

00:03:31,070 --> 00:03:29,220

agreement made with them and a series of

79

00:03:33,589 --> 00:03:31,080

meetings leading up to a contract being

80

00:03:35,809 --> 00:03:33,599

signed with the Grays Salah brings up

81

00:03:38,690 --> 00:03:35,819

one fact that has helped fuel the alien

82

00:03:40,130 --> 00:03:38,700

meeting Theory and that is that Eisen or

83

00:03:42,710 --> 00:03:40,140

had just gone on a quail hunting

84

00:03:45,170 --> 00:03:42,720

vacation in Georgia a week before he

85

00:03:46,970 --> 00:03:45,180

credits the letter from light as the

86

00:03:48,949 --> 00:03:46,980

first public Source alleging a meeting

87

00:03:51,649 --> 00:03:48,959

with extraterrestrials but he doesn't

88

00:03:53,630 --> 00:03:51,659

include Lane's comment he cites an essay

89

00:03:55,610 --> 00:03:53,640

by William Cooper as his source for the

90

00:03:57,470 --> 00:03:55,620

letter and includes Cooper in his list

91

00:04:00,410 --> 00:03:57,480

of whistleblowers supporting the story

92

00:04:02,750 --> 00:04:00,420

the others are John Lear Robert Dean and

93

00:04:04,190 --> 00:04:02,760

Phil Schneider what these men have in

94

00:04:05,630 --> 00:04:04,200

common is that they use their

95

00:04:07,850 --> 00:04:05,640

backgrounds in the military and

96

00:04:09,770 --> 00:04:07,860

intelligence communities both real and

97

00:04:12,170 --> 00:04:09,780

with government entities Cooper's essay

100

00:04:20,509 --> 00:04:18,299

is a vivid example also in 2004 Salah

101

00:04:22,730 --> 00:04:20,519

published exopolitics political

102

00:04:25,129 --> 00:04:22,740

105

00:04:31,909 --> 00:04:29,400

106

00:04:34,430 --> 00:04:31,919

about the alien meeting as the story

116

00:04:56,689 --> 00:04:53,820

118

119

00:05:03,290 --> 00:05:01,139

Dental historian James Mixon a history

120

00:05:06,650 --> 00:05:03,300

of Dwight D Eisenhower's oral health

121

00:05:08,510 --> 00:05:06,660

published in the November 1995 issue of

122

00:05:11,150 --> 00:05:08,520

the bulletin of the history of Dentistry

123

00:05:13,370 --> 00:05:11,160

using the U.S surgeon general's records

124

00:05:15,370 --> 00:05:13,380

of Eisenhower's oral history Mixon

125

00:05:17,870 --> 00:05:15,380

determined that on the night in question

126
00:05:20,330 --> 00:05:17,880
Eisenhower chipped the cap on his upper

127
00:05:22,670 --> 00:05:20,340
right central incisor the cap was

128
00:05:26,150 --> 00:05:22,680
reportedly repaired by Dr Francis a

129
00:05:28,730 --> 00:05:26,160
Purcell Purcell died in 1974 and no

130
00:05:30,350 --> 00:05:28,740
record of the repair remains so believed

131
00:05:32,810 --> 00:05:30,360
that the dental emergency was a cover

132
00:05:35,749 --> 00:05:32,820
story Remains the story hit the news

133
00:05:38,270 --> 00:05:35,759
again in 2010 when retired New Hampshire

134
00:05:40,430 --> 00:05:38,280
state representative Henry McElroy

135
00:05:42,170 --> 00:05:40,440
posted a YouTube video where he claims

136
00:05:44,990 --> 00:05:42,180
to have seen a document that supports

137
00:05:47,150 --> 00:05:45,000
the alien theory he says this the

138
00:05:49,430 --> 00:05:47,160

document I saw was an official brief to

139

00:05:51,950 --> 00:05:49,440

President Eisenhower to the best of my

140

00:05:54,350 --> 00:05:51,960

memory Viagra Sands ordinance this brief

141

00:05:56,210 --> 00:05:54,360

was pervaded with a sense of hope and an

142

00:05:58,249 --> 00:05:56,220

informed President Eisenhower of the

143

00:06:00,230 --> 00:05:58,259

continued presence of extraterrestrial

144

00:06:02,270 --> 00:06:00,240

beings here in the United States of

145

00:06:04,070 --> 00:06:02,280

America the brief seemed to indicate

146

00:06:06,110 --> 00:06:04,080

that a meeting between the president and

147

00:06:08,870 --> 00:06:06,120

some of these visitors could be arranged

148

00:06:10,909 --> 00:06:08,880

as appropriate if desired and why would

149

00:06:12,590 --> 00:06:10,919

a state representative have access to

150

00:06:14,570 --> 00:06:12,600

what would likely be a classified

151

00:06:17,629 --> 00:06:14,580

document that originated in a federal

152

00:06:19,610 --> 00:06:17,639

office McElroy claims that as a member

153

00:06:21,409 --> 00:06:19,620

of the state federal relations and

154

00:06:23,689 --> 00:06:21,419

Veterans Affairs committee it was

155

00:06:25,850 --> 00:06:23,699

important that he be updated on a large

156

00:06:28,430 --> 00:06:25,860

number of topics related to the Affairs

157

00:06:31,070 --> 00:06:28,440

of our people and our nation this tale

158

00:06:33,890 --> 00:06:31,080

like many UFO Tales will likely be

159

00:06:36,469 --> 00:06:33,900

repeatedly resurrected and retold and

160

00:06:40,070 --> 00:06:36,479

like many UFO Tales this one has been

161

00:06:41,809 --> 00:06:40,080

added to around 2000 7 researcher art

162

00:06:44,390 --> 00:06:41,819

163

00:06:46,189 --> 00:06:44,400

identified only by a pseudonym wrote him

164

00:06:48,469 --> 00:06:46,199

a seven-page letter saying that

165

00:06:50,870 --> 00:06:48,479

Eisenhower landed at Holloman Air Force

166

00:06:53,409 --> 00:06:50,880

167
