MCDONALD, CHT**

#522

1
00:00:06,020 --> 00:00:13,589

[Music]

2
00:00:22,090 --> 00:00:15,110

so

3
00:00:43,110 --> 00:00:38,340

[Music]

4
00:00:46,950 --> 00:00:44,790
hello and welcome to the show i'm martin

5
00:00:51,189 --> 00:00:46,960
willis your host and another great show

6
00:00:53,270 --> 00:00:51,199
for you this evening i was watching a uh

7
00:00:55,830 --> 00:00:53,280
a screener that was later turned into a

8
00:00:57,590 --> 00:00:55,840
movie called aliens abductions and ufos

9
00:00:58,389 --> 00:00:57,600
roswell at 75

10
00:01:02,310 --> 00:00:58,399
and

11
00:01:04,310 --> 00:01:02,320
thought she'd make a good guess so i

12
00:01:07,670 --> 00:01:04,320
reached out to her she's our guest

13
00:01:09,190 --> 00:01:07,680

tonight coming right up uh our

14

00:01:11,429 --> 00:01:09,200

blog this week

15

00:01:14,390 --> 00:01:11,439

from charles lear is called ufos and

16

00:01:16,630 --> 00:01:14,400

tiny creatures in malaysia i don't know

17

00:01:19,350 --> 00:01:16,640

if anyone watched the

18

00:01:21,670 --> 00:01:19,360

uh i know i'm dating myself but the

19

00:01:23,350 --> 00:01:21,680

twilight zone when the little miniature

20

00:01:25,429 --> 00:01:23,360

flying saucer came in and they were

21

00:01:28,550 --> 00:01:25,439

little tiny creatures but they were kind

22

00:01:31,030 --> 00:01:28,560

of they're extremely scary uh it's a

23

00:01:32,950 --> 00:01:31,040

great blog check it out and as always

24

00:01:36,149 --> 00:01:32,960

our blogs are turned into audio blogs

25

00:01:39,350 --> 00:01:36,159

every week so i was uh

26

00:01:41,990 --> 00:01:39,360

i was shared this incredible

27

00:01:44,710 --> 00:01:42,000

i think it's an incredible uh

28

00:01:46,630 --> 00:01:44,720

post on reddit today

29

00:01:48,389 --> 00:01:46,640

and i'm going to read

30

00:01:49,670 --> 00:01:48,399

and then i had someone fact check it

31

00:01:51,510 --> 00:01:49,680

just to make sure

32

00:01:53,749 --> 00:01:51,520

that it was right

33

00:01:55,069 --> 00:01:53,759

and so intelligence authorization act

34

00:01:56,870 --> 00:01:55,079

for

35

00:01:58,350 --> 00:01:56,880

2023.

36

00:02:02,469 --> 00:01:58,360

uh starting in

37

00:02:06,230 --> 00:02:02,479

2023 ufos uh slash uaps will be called

38

00:02:09,669 --> 00:02:06,240

unidentified aerospace slash undersea

39

00:02:11,430 --> 00:02:09,679

phenomena so they're taking the same

40

00:02:14,470 --> 00:02:11,440

acronym and they're changing it for

41

00:02:16,869 --> 00:02:14,480

their liking in in that way to

42

00:02:19,510 --> 00:02:16,879

uh talk about the undersea the usos

43

00:02:22,550 --> 00:02:19,520

which um i think is a very interesting

44

00:02:25,350 --> 00:02:22,560

topic that they're looking into and uh

45

00:02:28,150 --> 00:02:25,360

so many have reported these things

46

00:02:30,630 --> 00:02:28,160

uh in the navy uh you know over 200

47

00:02:32,229 --> 00:02:30,640

knots uh we had mark d'antonio that

48

00:02:33,910 --> 00:02:32,239

witnessed this first hand when he was on

49

00:02:35,910 --> 00:02:33,920

a submarine years ago

50

00:02:37,670 --> 00:02:35,920

uh so it's it's really great that

51
00:02:39,509 --> 00:02:37,680
they're doing that but here is some of

52
00:02:41,830 --> 00:02:39,519
the things that the u.s department of

53
00:02:42,750 --> 00:02:41,840
defense is going to be mandated

54
00:02:45,190 --> 00:02:42,760
in

55
00:02:47,710 --> 00:02:45,200
2023 number one provide a report

56
00:02:50,869 --> 00:02:47,720
starting from january 1st

57
00:02:53,110 --> 00:02:50,879
1947 to present day a list of

58
00:02:56,070 --> 00:02:53,120
intelligence community involvement in

59
00:02:58,470 --> 00:02:56,080
the studying of uap

60
00:03:01,430 --> 00:02:58,480
two provide a report on efforts to track

61
00:03:03,830 --> 00:03:01,440
uap since 1947.

62
00:03:05,190 --> 00:03:03,840
three this is i think the most important

63
00:03:07,509 --> 00:03:05,200

thing right here

64

00:03:09,910 --> 00:03:07,519

provide a list of any intelligence

65

00:03:12,949 --> 00:03:09,920

community efforts to obfuscate

66

00:03:15,589 --> 00:03:12,959

manipulate public opinion hide or

67

00:03:31,509 --> 00:03:15,599

otherwise provide unclassified or

68

00:03:37,190 --> 00:03:34,229

standardize the collection of reporting

69

00:03:39,830 --> 00:03:37,200

analysis of incidents including adverse

70

00:03:42,390 --> 00:03:39,840

psychological effects regarding

71

00:03:47,670 --> 00:03:42,400

unidentified aerospace and undersea

72

00:03:50,910 --> 00:03:47,680

phenomena coordinate with faa fbi and

73

00:03:55,429 --> 00:03:50,920

nasa dhs noaa

74

00:03:58,309 --> 00:03:55,439

nsf and doe for data sharing this is all

75

00:04:01,670 --> 00:03:58,319

such great stuff coming in 2023

76

00:04:04,630 --> 00:04:01,680

so up below this link and reddit there

77

00:04:06,470 --> 00:04:04,640

is a uh also links directly to the

78

00:04:08,869 --> 00:04:06,480

government site where these

79

00:04:11,670 --> 00:04:08,879

where these live so uh i'm going to put

80

00:04:15,350 --> 00:04:11,680

that link in the show notes and just

81

00:04:17,830 --> 00:04:15,360

before uh we we went live we were having

82

00:04:21,110 --> 00:04:17,840

a little bit of audio issues we're going

83

00:04:22,950 --> 00:04:21,120

to check that with our guest

84

00:04:25,110 --> 00:04:22,960

we could hear her fine but she couldn't

85

00:04:26,310 --> 00:04:25,120

hear us and hopefully she has

86

00:04:27,990 --> 00:04:26,320

fixed that

87

00:04:29,909 --> 00:04:28,000

lori wave if you can hear me talking

88

00:04:31,189 --> 00:04:29,919

right now can you hear me ah this looks

89

00:04:32,710 --> 00:04:31,199

good here we go

90

00:04:35,590 --> 00:04:32,720

so you can hear me now

91

00:04:37,749 --> 00:04:35,600

i can but i had to ditch the yeti

92

00:04:40,230 --> 00:04:37,759

oh that's too bad well you still sound

93

00:04:41,749 --> 00:04:40,240

good well yeah some sometimes what

94

00:04:43,590 --> 00:04:41,759

happens is that thing will take over

95

00:04:45,749 --> 00:04:43,600

both audio and

96

00:04:47,990 --> 00:04:45,759

uh speakers as well because you have

97

00:04:49,909 --> 00:04:48,000

that way of tapping through

98

00:04:51,830 --> 00:04:49,919

your with earphones so sometimes it does

99

00:04:55,030 --> 00:04:51,840

that but anyway welcome to the show

100

00:04:57,430 --> 00:04:55,040

thank you very much happy to be here

101
00:04:58,150 --> 00:04:57,440
uh first of all i'd like to find out if

102
00:05:03,110 --> 00:04:58,160
you

103
00:05:04,230 --> 00:05:03,120
background in hypnotherapy therapy to

104
00:05:06,310 --> 00:05:04,240
begin with

105
00:05:08,790 --> 00:05:06,320
i'm a clinical hypnotherapy and have

106
00:05:11,350 --> 00:05:08,800
been since 1994.

107
00:05:13,670 --> 00:05:11,360
i originally trained at the alchemical

108
00:05:16,790 --> 00:05:13,680
hypnotherapy institute of sacramento and

109
00:05:19,350 --> 00:05:16,800
then became a clinical hypnotherapist in

110
00:05:22,230 --> 00:05:19,360
santa fe new mexico

111
00:05:25,590 --> 00:05:22,240
so it's been several decades

112
00:05:28,629 --> 00:05:25,600
i work in a clinic here in sacramento

113
00:05:31,430 --> 00:05:28,639

and do quite a bit of my work is in

114

00:05:33,430 --> 00:05:31,440

regression sessions with experiencers or

115

00:05:36,230 --> 00:05:33,440

people looking to retrieve

116

00:05:38,870 --> 00:05:36,240

memory that has been

117

00:05:40,150 --> 00:05:38,880

suppressed due to trauma

118

00:05:43,029 --> 00:05:40,160

ah uh-huh

119

00:05:44,950 --> 00:05:43,039

which is always all very fascinating um

120

00:05:47,670 --> 00:05:44,960

i have a very good friend that you know

121

00:05:49,350 --> 00:05:47,680

does a similar work and she was you know

122

00:05:51,749 --> 00:05:49,360

she started out as a social worker for

123

00:05:55,350 --> 00:05:51,759

many years and and she got into the

124

00:05:58,230 --> 00:05:55,360

clinical uh hypnotherapy uh studied with

125

00:06:00,790 --> 00:05:58,240

uh brian

126

00:06:02,950 --> 00:06:00,800

weiss brian weiss

127

00:06:06,870 --> 00:06:02,960

uh but anyway uh

128

00:06:10,629 --> 00:06:08,950

oh yes and also yvonne smith do you and

129

00:06:12,550 --> 00:06:10,639

yvonne ever cross paths she's a nice

130

00:06:15,350 --> 00:06:12,560

leader oh absolutely

131

00:06:18,710 --> 00:06:15,360

oh yeah i know yvonne very well uh we

132

00:06:21,270 --> 00:06:18,720

did a contract in the desert together uh

133

00:06:23,110 --> 00:06:21,280

we were in switzerland together speaking

134

00:06:26,390 --> 00:06:23,120

at an event and

135

00:06:27,670 --> 00:06:26,400

yeah i know yvonne and that

136

00:06:30,550 --> 00:06:27,680

very well yeah

137

00:06:33,670 --> 00:06:30,560

she's a very nice lady so uh

138

00:06:36,629 --> 00:06:33,680

yes so you know the um

139

00:06:38,230 --> 00:06:36,639

one of the thing i i i'll just be

140

00:06:41,110 --> 00:06:38,240

honest and tell you you know my my

141

00:06:44,150 --> 00:06:41,120

thoughts or whatever that uh

142

00:06:46,230 --> 00:06:44,160

i had a hard time at first believing

143

00:06:48,390 --> 00:06:46,240

that there was anything to this and i

144

00:06:49,189 --> 00:06:48,400

know that can make people upset when i

145

00:06:51,430 --> 00:06:49,199

say

146

00:06:53,589 --> 00:06:51,440

that um i had

147

00:06:55,270 --> 00:06:53,599

but i was like on the fence

148

00:06:57,110 --> 00:06:55,280

and then

149

00:06:59,189 --> 00:06:57,120

i will say that i talked to a few

150

00:07:02,309 --> 00:06:59,199

different people that kind of changed my

151

00:07:05,110 --> 00:07:02,319

mind a little bit to be more open to it

152

00:07:06,870 --> 00:07:05,120

and for one thing um i never say exactly

153

00:07:09,110 --> 00:07:06,880

where i think that

154

00:07:10,629 --> 00:07:09,120

ufos are coming from and

155

00:07:13,830 --> 00:07:10,639

you know the beings that

156

00:07:15,990 --> 00:07:13,840

coming with them are are coming from i i

157

00:07:17,990 --> 00:07:16,000

think we don't have any definitive idea

158

00:07:20,309 --> 00:07:18,000

exactly where these things are coming

159

00:07:23,029 --> 00:07:20,319

from but um

160

00:07:24,629 --> 00:07:23,039

wherever they are coming from

161

00:07:26,790 --> 00:07:24,639

it would you know if you think like a

162

00:07:28,870 --> 00:07:26,800

human i'm thinking like a human but we

163

00:07:30,469 --> 00:07:28,880

wouldn't want to just observe from above

164

00:07:33,830 --> 00:07:30,479

and that's it you know we want to

165

00:07:35,350 --> 00:07:33,840

observe closer like we do anywhere we go

166

00:07:37,270 --> 00:07:35,360

you know we land on the

167

00:07:38,790 --> 00:07:37,280

on the rocks we we get i mean we land on

168

00:07:40,390 --> 00:07:38,800

the moon we want to get moon rocks you

169

00:07:42,309 --> 00:07:40,400

know it's like we're always

170

00:07:45,110 --> 00:07:42,319

wherever we explore

171

00:07:47,749 --> 00:07:45,120

uh we want to know about what's there

172

00:07:49,830 --> 00:07:47,759

and if it comes to life you know when we

173

00:07:51,909 --> 00:07:49,840

explore territories for instance at

174

00:07:53,270 --> 00:07:51,919

alaska upper you know uh near the north

175

00:07:54,629 --> 00:07:53,280

pole or whatever

176

00:07:56,309 --> 00:07:54,639

you know we

177

00:07:58,790 --> 00:07:56,319

target a uh

178

00:08:00,309 --> 00:07:58,800

uh sedative to a a polar bear or

179

00:08:02,390 --> 00:08:00,319

something like that and we we check it

180

00:08:04,550 --> 00:08:02,400

out we look it over so i understand of

181

00:08:07,029 --> 00:08:04,560

course you're going to want to observe

182

00:08:09,270 --> 00:08:07,039

uh so i think that whatever it is that's

183

00:08:11,830 --> 00:08:09,280

coming here it very possibly

184

00:08:15,110 --> 00:08:11,840

could be observing

185

00:08:16,629 --> 00:08:15,120

are many different things coming here

186

00:08:18,790 --> 00:08:16,639

there's been an extraterrestrial

187

00:08:19,830 --> 00:08:18,800

presence on the planet for thousands of

188

00:08:21,230 --> 00:08:19,840

years

189

00:08:24,830 --> 00:08:21,240

one of the

190

00:08:29,110 --> 00:08:24,840

commonalities in all secular

191

00:08:31,670 --> 00:08:29,120

and religious history are two things

192

00:08:35,190 --> 00:08:31,680

one is that a being

193

00:08:38,230 --> 00:08:35,200

came from the stars and two this being

194

00:08:40,709 --> 00:08:38,240

spoke telepathically so we have this

195

00:08:42,230 --> 00:08:40,719

commonality all through every single

196

00:08:43,750 --> 00:08:42,240

religion

197

00:08:48,150 --> 00:08:43,760

that some

198

00:08:50,949 --> 00:08:48,160

unseen entity has brought knowledge to

199

00:08:53,750 --> 00:08:50,959

us to help us improve ourselves

200

00:08:55,990 --> 00:08:53,760

now that's sort of the basis for it when

201
00:08:57,670 --> 00:08:56,000
we begin to see that we've already been

202
00:09:01,350 --> 00:08:57,680
well prepared

203
00:09:03,269 --> 00:09:01,360
in in the acceptance of non-human beings

204
00:09:05,509 --> 00:09:03,279
no matter what religion you might be

205
00:09:08,389 --> 00:09:05,519
taught this is already a given

206
00:09:11,110 --> 00:09:08,399
but the consciousness or the soul of a

207
00:09:14,230 --> 00:09:11,120
human can also communicate

208
00:09:17,829 --> 00:09:14,240
inside or outside of your own body we're

209
00:09:20,150 --> 00:09:17,839
not limited to our understanding by what

210
00:09:22,630 --> 00:09:20,160
the physical body allows the

211
00:09:24,070 --> 00:09:22,640
consciousness can move outside of the

212
00:09:26,230 --> 00:09:24,080
body

213
00:09:28,310 --> 00:09:26,240

when we look at research done in

214

00:09:29,829 --> 00:09:28,320

out-of-body experiences near-death

215

00:09:32,470 --> 00:09:29,839

experiences

216

00:09:35,750 --> 00:09:32,480

or any time there's trauma and the soul

217

00:09:39,190 --> 00:09:35,760

is removed the soul or the

218

00:09:41,509 --> 00:09:39,200

person has a recollection of

219

00:09:43,910 --> 00:09:41,519

who they are they have personality and

220

00:09:46,870 --> 00:09:43,920

identity and they see that they can

221

00:09:49,350 --> 00:09:46,880

travel differently without a body so the

222

00:09:51,190 --> 00:09:49,360

human is the good place to start but

223

00:09:53,030 --> 00:09:51,200

most people don't understand the

224

00:09:56,070 --> 00:09:53,040

definition of human

225

00:09:58,230 --> 00:09:56,080

human does not mean people the actual

226

00:09:59,110 --> 00:09:58,240

definition is hue

227

00:10:01,269 --> 00:09:59,120

is

228

00:10:03,509 --> 00:10:01,279

the word we use to measure the depth or

229

00:10:06,550 --> 00:10:03,519

the saturation of light

230

00:10:09,509 --> 00:10:06,560

man comes from the word manifestation to

231

00:10:12,949 --> 00:10:09,519

come into the physical or to be embodied

232

00:10:14,310 --> 00:10:12,959

a human is a light and body being

233

00:10:16,389 --> 00:10:14,320

gender

234

00:10:19,430 --> 00:10:16,399

race are subcategories of that

235

00:10:21,990 --> 00:10:19,440

definition so when we understand what we

236

00:10:23,350 --> 00:10:22,000

are we can then begin to expand the

237

00:10:26,069 --> 00:10:23,360

consciousness and look into the

238

00:10:28,710 --> 00:10:26,079

multi-dimensional aspect of the self and

239

00:10:31,350 --> 00:10:28,720

we become enlightened in that process

240

00:10:33,990 --> 00:10:31,360

when our conscious mind the unconscious

241

00:10:36,069 --> 00:10:34,000

and subconscious mind become aligned

242

00:10:38,470 --> 00:10:36,079

it's with that alignment

243

00:10:41,509 --> 00:10:38,480

that creates enlightenment or an

244

00:10:44,389 --> 00:10:41,519

expansion of your understanding of this

245

00:10:45,590 --> 00:10:44,399

specific reality in which we live in a

246

00:10:48,230 --> 00:10:45,600

reality

247

00:10:51,190 --> 00:10:48,240

where people claim to have been abducted

248

00:10:54,470 --> 00:10:51,200

by extraterrestrials or inner

249

00:10:56,630 --> 00:10:54,480

dimensionals or a my lab a military

250

00:10:59,430 --> 00:10:56,640

laboratory abduction involving all of

251
00:11:02,230 --> 00:10:59,440
the above we live in a reality that has

252
00:11:04,870 --> 00:11:02,240
to be challenged almost daily and that

253
00:11:07,829 --> 00:11:04,880
information isn't going to come from

254
00:11:10,310 --> 00:11:07,839
anywhere except from within us

255
00:11:13,670 --> 00:11:10,320
it's the exploration

256
00:11:15,750 --> 00:11:13,680
of the true self the spiritual self

257
00:11:18,550 --> 00:11:15,760
that will allow us to see the higher

258
00:11:20,630 --> 00:11:18,560
truths of this entire phenomena the ones

259
00:11:22,389 --> 00:11:20,640
that do come

260
00:11:25,030 --> 00:11:22,399
depending on which

261
00:11:27,030 --> 00:11:25,040
race we're talking about some are just

262
00:11:28,470 --> 00:11:27,040
watchers now the watchers have been

263
00:11:30,870 --> 00:11:28,480

around since

264

00:11:32,630 --> 00:11:30,880

the mesopotamian sumerian time when the

265

00:11:35,030 --> 00:11:32,640

anunnaki were said to have come

266

00:11:36,230 --> 00:11:35,040

according to zechariah sitchin and so

267

00:11:37,030 --> 00:11:36,240

forth

268

00:11:39,110 --> 00:11:37,040

but

269

00:11:41,750 --> 00:11:39,120

there are other entities who are

270

00:11:45,350 --> 00:11:41,760

observing so some of my research

271

00:11:48,190 --> 00:11:45,360

indicates an increased level of psychism

272

00:11:49,829 --> 00:11:48,200

in experiencers we see that some

273

00:11:52,069 --> 00:11:49,839

extraterrestrials are not only

274

00:11:54,389 --> 00:11:52,079

interested in people based on some

275

00:11:58,069 --> 00:11:54,399

ability to harvest genetics but they're

276

00:12:01,910 --> 00:11:58,079

more interested in the person's ability

277

00:12:04,629 --> 00:12:01,920

to move the mind outside of the body or

278

00:12:07,509 --> 00:12:04,639

to tap into both subtle and gross

279

00:12:11,190 --> 00:12:07,519

energies that allow us to perceive

280

00:12:13,750 --> 00:12:11,200

outside of the physical senses that is

281

00:12:17,190 --> 00:12:13,760

innate within the human it's as if there

282

00:12:21,190 --> 00:12:17,200

is a hidden reserve of energy that for

283

00:12:22,710 --> 00:12:21,200

many reasons we've been redirected from

284

00:12:25,590 --> 00:12:22,720

so the human

285

00:12:28,389 --> 00:12:25,600

is a good place to start

286

00:12:30,629 --> 00:12:28,399

one of the things i i think of and uh

287

00:12:32,870 --> 00:12:30,639

you know this is just for an opinion

288

00:12:36,389 --> 00:12:32,880

uh as i think of

289

00:12:38,389 --> 00:12:36,399

all the possibilities of life out there

290

00:12:40,150 --> 00:12:38,399

on planets throughout

291

00:12:41,190 --> 00:12:40,160

the galaxy they're

292

00:12:45,509 --> 00:12:41,200

the

293

00:12:47,670 --> 00:12:45,519

and i'm ju i wonder

294

00:12:50,069 --> 00:12:47,680

um with all first of all let's talk

295

00:12:53,190 --> 00:12:50,079

about there's so many ufo sightings here

296

00:12:54,470 --> 00:12:53,200

uh and some of them are uh there's a a

297

00:12:56,310 --> 00:12:54,480

percentage of them that can't be

298

00:12:58,629 --> 00:12:56,320

explained which would be in the

299

00:13:00,790 --> 00:12:58,639

thousands and thousands and thousands

300

00:13:03,509 --> 00:13:00,800

that have happened over the years

301

00:13:06,710 --> 00:13:03,519

um what makes us so special if life is

302

00:13:08,870 --> 00:13:06,720

everywhere why would they come here

303

00:13:10,949 --> 00:13:08,880

great and that's just an opinion thing

304

00:13:14,550 --> 00:13:10,959

that's a great question uh it's

305

00:13:17,430 --> 00:13:14,560

primarily because what differentiates us

306

00:13:19,110 --> 00:13:17,440

from most extraterrestrials

307

00:13:22,150 --> 00:13:19,120

is a soul

308

00:13:24,389 --> 00:13:22,160

a human has an eternal life

309

00:13:27,509 --> 00:13:24,399

as we are the light

310

00:13:29,509 --> 00:13:27,519

not the vessel and that consciousness or

311

00:13:32,470 --> 00:13:29,519

aspect of the soul moves through an

312

00:13:35,829 --> 00:13:32,480

ascension process a learning process

313

00:13:39,990 --> 00:13:35,839

um many of the abductor races have a

314

00:13:42,069 --> 00:13:40,000

lifespan between 900 and 1100 years and

315

00:13:44,470 --> 00:13:42,079

then they die they can move their

316

00:13:47,110 --> 00:13:44,480

consciousness into say a tall gray might

317

00:13:49,509 --> 00:13:47,120

move it into the hive mind

318

00:13:51,910 --> 00:13:49,519

and they'll use it as general

319

00:13:54,870 --> 00:13:51,920

information or

320

00:13:58,389 --> 00:13:54,880

parts of the consciousness upon death

321

00:14:00,790 --> 00:13:58,399

can be moved into like a small grave a

322

00:14:02,310 --> 00:14:00,800

working force although that would be a

323

00:14:04,230 --> 00:14:02,320

special circumstance for them to

324

00:14:07,269 --> 00:14:04,240

transfer that way because it's all hive

325

00:14:08,550 --> 00:14:07,279

mind connected so there's no

326

00:14:11,189 --> 00:14:08,560

um

327

00:14:13,910 --> 00:14:11,199

ascension process like there is for the

328

00:14:15,350 --> 00:14:13,920

human the human has a very unique

329

00:14:17,030 --> 00:14:15,360

ability

330

00:14:19,189 --> 00:14:17,040

to move

331

00:14:21,509 --> 00:14:19,199

into a higher consciousness

332

00:14:24,550 --> 00:14:21,519

into a higher understanding they're

333

00:14:27,509 --> 00:14:24,560

interested in us because we can do that

334

00:14:30,710 --> 00:14:27,519

and not only can we do that we have this

335

00:14:31,750 --> 00:14:30,720

unique ability to exhibit super human

336

00:14:34,870 --> 00:14:31,760

strength

337

00:14:35,990 --> 00:14:34,880

as when a car is

338

00:14:39,030 --> 00:14:36,000

crushing

339

00:14:41,430 --> 00:14:39,040

a loved one and a woman can just lift

340

00:14:44,629 --> 00:14:41,440

the car with one hand

341

00:14:47,269 --> 00:14:44,639

while holding the car up remove

342

00:14:49,590 --> 00:14:47,279

the child or husband or whoever is

343

00:14:52,150 --> 00:14:49,600

trapped underneath we not only can

344

00:14:56,949 --> 00:14:52,160

exhibit super strength we can exhibit

345

00:15:00,310 --> 00:14:56,959

super clarity of mind where time

346

00:15:03,430 --> 00:15:00,320

slows down actually and we become hyper

347

00:15:06,389 --> 00:15:03,440

aware of every detail moving

348

00:15:07,990 --> 00:15:06,399

we have an enormous ability so i think

349

00:15:10,470 --> 00:15:08,000

that a lot of that

350

00:15:13,350 --> 00:15:10,480

is based on hormones

351
00:15:16,550 --> 00:15:13,360
our ability to use

352
00:15:19,910 --> 00:15:16,560
cortisol and adrenaline

353
00:15:21,509 --> 00:15:19,920
and combining that with the ability to

354
00:15:24,150 --> 00:15:21,519
move out of the conscious critical

355
00:15:26,790 --> 00:15:24,160
thinking mind or the beta brain wave the

356
00:15:29,749 --> 00:15:26,800
critical mind that says you cannot

357
00:15:31,350 --> 00:15:29,759
but moving into a place where i must

358
00:15:33,430 --> 00:15:31,360
and so you do

359
00:15:35,910 --> 00:15:33,440
so the energy now inside the body

360
00:15:37,430 --> 00:15:35,920
becomes active and the limitations have

361
00:15:40,629 --> 00:15:37,440
been removed

362
00:15:44,069 --> 00:15:40,639
because of the situation humans can do

363
00:15:46,310 --> 00:15:44,079

that we can't yet control that

364

00:15:50,470 --> 00:15:46,320

although there was one specific case of

365

00:15:51,430 --> 00:15:50,480

a canadian whose parachutes didn't open

366

00:15:53,350 --> 00:15:51,440

and

367

00:15:55,910 --> 00:15:53,360

neither the backup

368

00:15:58,230 --> 00:15:55,920

shoot or the primary chute and as he's

369

00:16:02,150 --> 00:15:58,240

hurtling to the ground

370

00:16:03,189 --> 00:16:02,160

he just said in his mind he screamed

371

00:16:06,829 --> 00:16:03,199

stop

372

00:16:09,590 --> 00:16:06,839

and at a bite to 18 inches he

373

00:16:12,790 --> 00:16:09,600

hovered stopped

374

00:16:15,269 --> 00:16:12,800

gently came to the ground he was quite

375

00:16:16,829 --> 00:16:15,279

uh the man of interest by

376

00:16:19,509 --> 00:16:16,839

lots of lettered

377

00:16:20,790 --> 00:16:19,519

associations and departments

378

00:16:23,350 --> 00:16:20,800

and

379

00:16:25,990 --> 00:16:23,360

he actually did it again

380

00:16:28,870 --> 00:16:26,000

to see if he could replicate it and he

381

00:16:31,749 --> 00:16:28,880

did because he's still alive

382

00:16:34,230 --> 00:16:31,759

so wow for him but

383

00:16:36,629 --> 00:16:34,240

there are many instances

384

00:16:39,509 --> 00:16:36,639

including near-death experiences

385

00:16:42,069 --> 00:16:39,519

out-of-body experience super psychism

386

00:16:44,389 --> 00:16:42,079

right down to the very subtlest of um

387

00:16:45,990 --> 00:16:44,399

psychic energy when you know

388

00:16:46,949 --> 00:16:46,000

when the phone is going to ring or you

389

00:16:49,030 --> 00:16:46,959

have a

390

00:16:52,069 --> 00:16:49,040

precognitive dream

391

00:16:52,790 --> 00:16:52,079

or it's prophetic and it comes true you

392

00:16:55,350 --> 00:16:52,800

know

393

00:16:58,710 --> 00:16:55,360

we're very interesting and we are far

394

00:17:01,030 --> 00:16:58,720

far more powerful than we know once we

395

00:17:04,150 --> 00:17:01,040

understand and balance the emotional

396

00:17:05,990 --> 00:17:04,160

energy once we propagate the deepest of

397

00:17:08,870 --> 00:17:06,000

internal healings where we can

398

00:17:10,150 --> 00:17:08,880

incorporate higher frequency emotions

399

00:17:12,230 --> 00:17:10,160

like

400

00:17:14,150 --> 00:17:12,240

compassion and

401
00:17:17,110 --> 00:17:14,160
forgiveness and

402
00:17:19,110 --> 00:17:17,120
an understanding that allows

403
00:17:21,350 --> 00:17:19,120
mercy and pity

404
00:17:22,870 --> 00:17:21,360
then the human is freeing themselves

405
00:17:25,510 --> 00:17:22,880
from the energy

406
00:17:28,150 --> 00:17:25,520
that creates war

407
00:17:30,870 --> 00:17:28,160
we don't when an empowered person

408
00:17:32,870 --> 00:17:30,880
doesn't have to change somebody else's

409
00:17:36,789 --> 00:17:32,880
beliefs

410
00:17:40,310 --> 00:17:36,799
allow them

411
00:17:42,470 --> 00:17:40,320
uh when we move into this area

412
00:17:43,350 --> 00:17:42,480
then we're going to naturally take a

413
00:17:45,430 --> 00:17:43,360

step

414

00:17:47,669 --> 00:17:45,440

in the evolution

415

00:17:49,029 --> 00:17:47,679

of humanity and

416

00:17:52,390 --> 00:17:49,039

some of the great

417

00:17:54,710 --> 00:17:52,400

philosophers say that that time is near

418

00:17:57,909 --> 00:17:54,720

they say that when the population of the

419

00:18:00,710 --> 00:17:57,919

planet earth reaches 10 billion

420

00:18:03,029 --> 00:18:00,720

we will take a natural evolutionary step

421

00:18:05,430 --> 00:18:03,039

as we are in the age of confluence and

422

00:18:09,350 --> 00:18:05,440

10 billion creates a quanta

423

00:18:10,789 --> 00:18:09,360

of energy a movement and with that

424

00:18:14,230 --> 00:18:10,799

energy

425

00:18:15,350 --> 00:18:14,240

we are able to see what we might look

426

00:18:17,830 --> 00:18:15,360

like

427

00:18:19,909 --> 00:18:17,840

population is on track for 10 billion

428

00:18:22,630 --> 00:18:19,919

between around um

429

00:18:25,190 --> 00:18:22,640

maybe 20 40 and 2050

430

00:18:28,390 --> 00:18:25,200

if they don't release another pandemic

431

00:18:31,669 --> 00:18:28,400

or something to slow that down

432

00:18:33,350 --> 00:18:31,679

we are on track to hit that and based on

433

00:18:34,870 --> 00:18:33,360

the cosmology

434

00:18:37,990 --> 00:18:34,880

of the universe

435

00:18:40,630 --> 00:18:38,000

and where our planets are cycling

436

00:18:43,909 --> 00:18:40,640

we'll be receiving specific

437

00:18:46,390 --> 00:18:43,919

cosmic energy that may allow the

438

00:18:49,590 --> 00:18:46,400

dissolving of the sheath over the pineal

439

00:18:53,190 --> 00:18:49,600

gland and opening up us to our innate

440

00:18:56,630 --> 00:18:53,200

ability to speak the universal language

441

00:18:58,870 --> 00:18:56,640

of telepathy therefore taking our place

442

00:19:00,150 --> 00:18:58,880

not only in this world but in the

443

00:19:01,270 --> 00:19:00,160

universe

444

00:19:03,990 --> 00:19:01,280

and that's

445

00:19:07,190 --> 00:19:04,000

our next step

446

00:19:10,070 --> 00:19:07,200

here's a question in the chat um let me

447

00:19:11,190 --> 00:19:10,080

see if i can get up here uh stella wants

448

00:19:12,870 --> 00:19:11,200

to know she'd like to see the

449

00:19:14,870 --> 00:19:12,880

information on that paratrooper who

450

00:19:16,710 --> 00:19:14,880

tried to jump twice is that something

451

00:19:19,669 --> 00:19:16,720

that can be found online

452

00:19:21,190 --> 00:19:19,679

yeah that information i would google go

453

00:19:23,190 --> 00:19:21,200

through google canada because it's

454

00:19:24,789 --> 00:19:23,200

canadian story but

455

00:19:26,310 --> 00:19:24,799

and yeah because google doesn't give you

456

00:19:29,110 --> 00:19:26,320

all the worldwide information like they

457

00:19:32,390 --> 00:19:29,120

claim you can go specific region and

458

00:19:34,310 --> 00:19:32,400

look for it and that probably was in the

459

00:19:37,590 --> 00:19:34,320

70s

460

00:19:43,909 --> 00:19:37,600

yeah

461

00:19:46,070 --> 00:19:43,919

interesting

462

00:19:47,909 --> 00:19:46,080

uh if that could indeed happen i mean

463

00:19:49,669 --> 00:19:47,919

that sounds like

464

00:19:51,190 --> 00:19:49,679

it's it's a hard story to believe you

465

00:19:52,549 --> 00:19:51,200

know i mean that's what it sounds like

466

00:19:54,630 --> 00:19:52,559

uh

467

00:19:57,909 --> 00:19:54,640

so when you were

468

00:19:59,750 --> 00:19:57,919

all hard stories to believe right yeah

469

00:20:01,909 --> 00:19:59,760

yeah when you were talking about you

470

00:20:05,190 --> 00:20:01,919

know a lot of a lot of times it it's

471

00:20:07,990 --> 00:20:05,200

just you know i wonder so is it you say

472

00:20:09,510 --> 00:20:08,000

that humans have this ability and is it

473

00:20:11,510 --> 00:20:09,520

because

474

00:20:14,230 --> 00:20:11,520

what makes us different from the animal

475

00:20:17,190 --> 00:20:14,240

kingdom our intelligence only what else

476
00:20:18,390 --> 00:20:17,200
is it in your opinion

477
00:20:20,549 --> 00:20:18,400
consciousness

478
00:20:21,669 --> 00:20:20,559
an awareness of the self but

479
00:20:23,190 --> 00:20:21,679
you must

480
00:20:25,750 --> 00:20:23,200
admit the

481
00:20:26,630 --> 00:20:25,760
animals are evolving as well

482
00:20:29,510 --> 00:20:26,640
uh

483
00:20:31,510 --> 00:20:29,520
displaying different behaviors

484
00:20:34,470 --> 00:20:31,520
animals are showing

485
00:20:36,310 --> 00:20:34,480
different behaviors right now they're

486
00:20:38,870 --> 00:20:36,320
becoming aware

487
00:20:42,230 --> 00:20:38,880
and they'll take the young of a

488
00:20:45,669 --> 00:20:42,240

different species and nurture it

489

00:20:47,590 --> 00:20:45,679

animals are understanding you know

490

00:20:49,350 --> 00:20:47,600

things are changing now

491

00:20:50,630 --> 00:20:49,360

consciousness is

492

00:20:52,549 --> 00:20:50,640

expanding

493

00:20:54,070 --> 00:20:52,559

and the human is in a very unique

494

00:20:55,990 --> 00:20:54,080

position now

495

00:20:58,390 --> 00:20:56,000

to allow

496

00:21:02,549 --> 00:20:58,400

a balanced energy

497

00:21:06,070 --> 00:21:02,559

to open to a higher understanding that

498

00:21:08,870 --> 00:21:06,080

demonstrates a very specific freedom

499

00:21:10,789 --> 00:21:08,880

of self freedom of expression which we

500

00:21:13,430 --> 00:21:10,799

don't have right now

501
00:21:16,149 --> 00:21:13,440
our world is designed to be motivated

502
00:21:17,830 --> 00:21:16,159
externally but intrinsic motivation

503
00:21:23,110 --> 00:21:17,840
allows us to see

504
00:21:26,149 --> 00:21:24,710
okay and

505
00:21:31,510 --> 00:21:26,159
as far as

506
00:21:32,710 --> 00:21:31,520
regressing

507
00:21:35,990 --> 00:21:32,720
someone

508
00:21:39,990 --> 00:21:37,669
i'm just wondering

509
00:21:42,549 --> 00:21:40,000
how do you start i mean do they come to

510
00:21:45,270 --> 00:21:42,559
you and say hey look i i had i think

511
00:21:46,789 --> 00:21:45,280
i've had an experience i've had some

512
00:21:48,630 --> 00:21:46,799
type of abduction thing and i want to

513
00:21:50,710 --> 00:21:48,640

find out more about it

514

00:21:52,230 --> 00:21:50,720

and is that how it all at all begins

515

00:21:53,430 --> 00:21:52,240

like when you first see someone for the

516

00:21:54,549 --> 00:21:53,440

first time

517

00:21:56,149 --> 00:21:54,559

generally

518

00:21:58,630 --> 00:21:56,159

and they have uh

519

00:22:01,270 --> 00:21:58,640

glimpses of a memory or something an

520

00:22:04,310 --> 00:22:01,280

event that happened maybe in their

521

00:22:06,310 --> 00:22:04,320

teenage years and

522

00:22:08,390 --> 00:22:06,320

just reoccurring something they can't

523

00:22:11,430 --> 00:22:08,400

let go of something that strikes the

524

00:22:13,990 --> 00:22:11,440

most peculiar and they just want to find

525

00:22:17,990 --> 00:22:16,149

and how do you how do you start a

526

00:22:19,590 --> 00:22:18,000

session like that i mean

527

00:22:22,470 --> 00:22:19,600

i know that they they always say that

528

00:22:24,830 --> 00:22:22,480

it's really hard not to lead someone you

529

00:22:29,190 --> 00:22:24,840

know i'm not really worried about that

530

00:22:31,830 --> 00:22:29,200

um we do a very in-depth interview

531

00:22:33,909 --> 00:22:31,840

the information's already agreed upon we

532

00:22:36,070 --> 00:22:33,919

know exactly what we're doing it's an

533

00:22:39,270 --> 00:22:36,080

exploration to retrieve information

534

00:22:43,029 --> 00:22:39,280

regarding a pacifi specific subject

535

00:22:45,110 --> 00:22:43,039

so i'm not going to say you know was was

536

00:22:47,750 --> 00:22:45,120

it a big mantis or playing you know

537

00:22:48,789 --> 00:22:47,760

we're not going to lead in that way

538

00:22:51,270 --> 00:22:48,799

but

539

00:22:53,750 --> 00:22:51,280

people are very concerned about that and

540

00:22:56,710 --> 00:22:53,760

therefore sort of underestimating the

541

00:23:01,029 --> 00:22:56,720

regressed being themselves it's very

542

00:23:02,549 --> 00:23:01,039

hard to trick somebody who is truly in a

543

00:23:05,270 --> 00:23:02,559

deep alpha

544

00:23:07,669 --> 00:23:05,280

brainwave state and to know that we're

545

00:23:09,350 --> 00:23:07,679

there many times we hook the subject up

546

00:23:11,830 --> 00:23:09,360

to an eeg

547

00:23:12,630 --> 00:23:11,840

so that we can monitor their brain waves

548

00:23:15,510 --> 00:23:12,640

now

549

00:23:17,510 --> 00:23:15,520

some of the viewers may have watched the

550

00:23:20,549 --> 00:23:17,520

unidentified

551
00:23:23,510 --> 00:23:20,559
with demi lovato mini series on peacock

552
00:23:25,909 --> 00:23:23,520
and in that first episode i did hook

553
00:23:28,630 --> 00:23:25,919
her up to an eeg

554
00:23:30,710 --> 00:23:28,640
and we did monitor her brave waves and

555
00:23:34,310 --> 00:23:30,720
when she was in

556
00:23:36,950 --> 00:23:34,320
the deeper aspects of the alpha brain

557
00:23:38,390 --> 00:23:36,960
waves then she's able to

558
00:23:41,590 --> 00:23:38,400
perceive

559
00:23:43,029 --> 00:23:41,600
feel and experience the information on a

560
00:23:43,990 --> 00:23:43,039
different level

561
00:23:46,230 --> 00:23:44,000
really

562
00:23:48,070 --> 00:23:46,240
understanding the language of the

563
00:23:50,710 --> 00:23:48,080

subconscious mind because it doesn't

564

00:23:53,350 --> 00:23:50,720

speak english french or chinese

565

00:23:56,310 --> 00:23:53,360

the language of the subconscious is

566

00:23:58,789 --> 00:23:56,320

image and i guess a picture is worth a

567

00:24:00,950 --> 00:23:58,799

thousand words but the

568

00:24:02,710 --> 00:24:00,960

image is what happens and they get

569

00:24:05,830 --> 00:24:02,720

glimpses

570

00:24:07,990 --> 00:24:05,840

and so we have to expand that it doesn't

571

00:24:09,149 --> 00:24:08,000

serve anybody's purpose

572

00:24:10,950 --> 00:24:09,159

to get

573

00:24:13,830 --> 00:24:10,960

misinformation

574

00:24:15,350 --> 00:24:13,840

the idea here is to help people

575

00:24:18,390 --> 00:24:15,360

understand

576
00:24:20,870 --> 00:24:18,400
and move forward and it's really not to

577
00:24:23,110 --> 00:24:20,880
me and maybe it's important to other

578
00:24:25,590 --> 00:24:23,120
researchers but to myself

579
00:24:27,269 --> 00:24:25,600
in regression sessions it's really not

580
00:24:30,870 --> 00:24:27,279
about uh

581
00:24:34,149 --> 00:24:30,880
what ufo whether it was a triangle or a

582
00:24:35,669 --> 00:24:34,159
disc or whether it displayed morphogenic

583
00:24:37,990 --> 00:24:35,679
qualities

584
00:24:40,310 --> 00:24:38,000
it's really not about that it's about

585
00:24:42,070 --> 00:24:40,320
the effects it has on the consciousness

586
00:24:44,710 --> 00:24:42,080
of the human being

587
00:24:47,190 --> 00:24:44,720
and how their reality is challenged how

588
00:24:49,669 --> 00:24:47,200

that affects them in taking their next

589

00:24:51,990 --> 00:24:49,679

empowered step so that they can feel

590

00:24:54,950 --> 00:24:52,000

fully integrated with a higher

591

00:24:57,909 --> 00:24:54,960

understanding of what's happened and we

592

00:24:59,350 --> 00:24:57,919

can do that when we do the sessions in

593

00:25:01,830 --> 00:24:59,360

the way that

594

00:25:03,909 --> 00:25:01,840

follows the right protocol

595

00:25:06,310 --> 00:25:03,919

and there is a protocol there's a

596

00:25:08,149 --> 00:25:06,320

protocol that you must follow and

597

00:25:11,190 --> 00:25:08,159

there's also a protocol that the

598

00:25:13,669 --> 00:25:11,200

experiencers should follow you know i

599

00:25:16,230 --> 00:25:13,679

get a lot of people saying hey

600

00:25:19,750 --> 00:25:16,240

i want to be abducted

601
00:25:20,950 --> 00:25:19,760
uh and i say no no no you don't um

602
00:25:25,190 --> 00:25:20,960
maybe you

603
00:25:27,029 --> 00:25:25,200
would like to

604
00:25:29,350 --> 00:25:27,039
to explore that

605
00:25:32,470 --> 00:25:29,360
but again there's a protocol that needs

606
00:25:34,950 --> 00:25:32,480
to be followed very specific verbiage

607
00:25:37,350 --> 00:25:34,960
that needs to be used don't open

608
00:25:40,390 --> 00:25:37,360
yourself up to anything that can come

609
00:25:43,669 --> 00:25:40,400
through because like you said earlier we

610
00:25:45,590 --> 00:25:43,679
don't definitively have the answers to

611
00:25:49,029 --> 00:25:45,600
anything

612
00:25:52,470 --> 00:25:49,039
we are working in speculation

613
00:25:55,029 --> 00:25:52,480

we are creating lists of commonalities i

614

00:25:57,110 --> 00:25:55,039

personally do psychological profiling

615

00:25:59,430 --> 00:25:57,120

based on the eyewitness accounts of the

616

00:26:01,269 --> 00:25:59,440

experiencer so that we can understand

617

00:26:03,590 --> 00:26:01,279

the entity better

618

00:26:06,789 --> 00:26:03,600

we're doing our best but we don't know

619

00:26:10,230 --> 00:26:06,799

anything i mean we can't say

620

00:26:13,029 --> 00:26:10,240

i have my have had my own experiences so

621

00:26:15,909 --> 00:26:13,039

i feel that i'm in

622

00:26:18,310 --> 00:26:15,919

a pretty good position to understand the

623

00:26:19,590 --> 00:26:18,320

emotional ramifications that they

624

00:26:21,590 --> 00:26:19,600

present

625

00:26:24,549 --> 00:26:21,600

and at the same time

626
00:26:27,669 --> 00:26:24,559
since i have had eye to eye face-to-face

627
00:26:31,510 --> 00:26:27,679
contact with a non-human being

628
00:26:34,630 --> 00:26:31,520
multiple types of entities i

629
00:26:38,149 --> 00:26:34,640
feel that i'm beginning to understand

630
00:26:40,950 --> 00:26:38,159
their agendas or what it is they're

631
00:26:43,190 --> 00:26:40,960
trying to do i have just a very little

632
00:26:46,549 --> 00:26:43,200
of understanding

633
00:26:50,230 --> 00:26:46,559
after 30 some years

634
00:26:53,590 --> 00:26:51,669
you can get a little more into that if

635
00:26:55,430 --> 00:26:53,600
you'd like to one of the things uh i

636
00:26:57,669 --> 00:26:55,440
know that i've said on this show a few

637
00:27:01,029 --> 00:26:57,679
times over the years like

638
00:27:03,029 --> 00:27:01,039

i feel as though that if i was having an

639

00:27:05,669 --> 00:27:03,039

abduction experience

640

00:27:08,950 --> 00:27:05,679

that i could absolutely not function in

641

00:27:10,789 --> 00:27:08,960

life i i just can't see having

642

00:27:12,870 --> 00:27:10,799

a normal life

643

00:27:13,909 --> 00:27:12,880

and having something like that happening

644

00:27:16,310 --> 00:27:13,919

i mean

645

00:27:18,630 --> 00:27:16,320

and it certainly would change

646

00:27:20,950 --> 00:27:18,640

a paradigm in your life

647

00:27:23,590 --> 00:27:20,960

you know what everything is but i mean

648

00:27:25,510 --> 00:27:23,600

just the fact of like okay now i'm going

649

00:27:28,310 --> 00:27:25,520

to go to work or i'm going to do this

650

00:27:30,070 --> 00:27:28,320

and that when this is happening i mean i

651
00:27:31,669 --> 00:27:30,080
don't understand how people can move

652
00:27:34,470 --> 00:27:31,679
it's like death

653
00:27:36,870 --> 00:27:34,480
to part of your belief system and

654
00:27:39,430 --> 00:27:36,880
weirdly the world continues to go on and

655
00:27:41,029 --> 00:27:39,440
yeah you have to go to work you have to

656
00:27:42,549 --> 00:27:41,039
make those payments

657
00:27:44,070 --> 00:27:42,559
you have to buy groceries you got to

658
00:27:45,909 --> 00:27:44,080
walk the dog

659
00:27:47,029 --> 00:27:45,919
yep you still have to do all those

660
00:27:50,710 --> 00:27:47,039
things

661
00:27:52,870 --> 00:27:50,720
and so the experiencers who

662
00:27:56,389 --> 00:27:52,880
not only do they have to create some

663
00:27:57,669 --> 00:27:56,399

type of compartment to keep that

664

00:27:59,909 --> 00:27:57,679

contained

665

00:28:02,549 --> 00:27:59,919

they do have to go and do those things

666

00:28:04,230 --> 00:28:02,559

and on top of it to make it even worse

667

00:28:06,710 --> 00:28:04,240

for many of them

668

00:28:08,630 --> 00:28:06,720

for many years they would come forward

669

00:28:11,510 --> 00:28:08,640

with their stories

670

00:28:14,230 --> 00:28:11,520

and they would not be believed

671

00:28:18,630 --> 00:28:14,240

and there is really nothing worse

672

00:28:21,190 --> 00:28:18,640

or disempowering to speak your truth

673

00:28:22,950 --> 00:28:21,200

and have somebody think yeah well maybe

674

00:28:25,990 --> 00:28:22,960

you're on drugs

675

00:28:28,789 --> 00:28:26,000

maybe you're delusional maybe you have a

676

00:28:31,190 --> 00:28:28,799

mental illness no granted all of those

677

00:28:32,630 --> 00:28:31,200

things have come across

678

00:28:34,950 --> 00:28:32,640

my desk

679

00:28:37,029 --> 00:28:34,960

um i've seen all of those things in the

680

00:28:42,149 --> 00:28:37,039

clinic somebody believing that they've

681

00:28:44,149 --> 00:28:42,159

had experiences and and i tell them no

682

00:28:46,470 --> 00:28:44,159

that's not legitimate you're

683

00:28:49,350 --> 00:28:46,480

hallucinating that and

684

00:28:50,630 --> 00:28:49,360

you need to be detoxed from the drugs

685

00:28:52,149 --> 00:28:50,640

that you're on

686

00:28:54,630 --> 00:28:52,159

we've recently

687

00:28:55,669 --> 00:28:54,640

allowed the help of another

688

00:28:59,029 --> 00:28:55,679

clinic

689

00:29:03,430 --> 00:28:59,039

uh we're able to get somebody into rehab

690

00:29:06,230 --> 00:29:03,440

for alcoholism no and so yeah we

691

00:29:09,990 --> 00:29:06,240

it's not as easy as people think

692

00:29:15,909 --> 00:29:13,269

the vast majority of people who come to

693

00:29:17,830 --> 00:29:15,919

me are legitimate

694

00:29:20,310 --> 00:29:17,840

experiencers

695

00:29:22,710 --> 00:29:20,320

and their reality has been challenged

696

00:29:25,190 --> 00:29:22,720

and they're doing their very best to

697

00:29:27,190 --> 00:29:25,200

expand their consciousness so that they

698

00:29:27,990 --> 00:29:27,200

can see a bigger picture and i have to

699

00:29:29,029 --> 00:29:28,000

say

700

00:29:31,909 --> 00:29:29,039

that they're

701
00:29:33,669 --> 00:29:31,919
mostly very successful at that as they

702
00:29:36,070 --> 00:29:33,679
have learned

703
00:29:38,710 --> 00:29:36,080
that it is about their ability and

704
00:29:41,590 --> 00:29:38,720
understanding the knowledge of the human

705
00:29:44,070 --> 00:29:41,600
what the human is capable of

706
00:29:45,990 --> 00:29:44,080
we've had you know paranormal mega

707
00:29:47,510 --> 00:29:46,000
normal interdimensional extra

708
00:29:48,950 --> 00:29:47,520
dimensional multiple types of

709
00:29:51,590 --> 00:29:48,960
experiences

710
00:29:53,590 --> 00:29:51,600
people have had ghost sightings and

711
00:29:55,590 --> 00:29:53,600
spirit sightings and

712
00:29:57,029 --> 00:29:55,600
a lot of these things can be explained

713
00:29:59,590 --> 00:29:57,039

in many ways

714

00:30:01,110 --> 00:29:59,600

but there is a percentage of things that

715

00:30:03,029 --> 00:30:01,120

does happen

716

00:30:05,510 --> 00:30:03,039

that have always happened and i'm

717

00:30:08,149 --> 00:30:05,520

guessing will continue to happen

718

00:30:09,590 --> 00:30:08,159

but there are certain et's that come for

719

00:30:11,990 --> 00:30:09,600

resources

720

00:30:13,830 --> 00:30:12,000

i think they're interested in

721

00:30:16,389 --> 00:30:13,840

specific mineral

722

00:30:17,669 --> 00:30:16,399

i'm not ready to get into that mineral

723

00:30:18,710 --> 00:30:17,679

as of yet

724

00:30:21,190 --> 00:30:18,720

um

725

00:30:23,110 --> 00:30:21,200

and i think water

726

00:30:25,510 --> 00:30:23,120

is also an issue

727

00:30:27,669 --> 00:30:25,520

outside of the

728

00:30:29,510 --> 00:30:27,679

hybridization program of harvesting of

729

00:30:30,870 --> 00:30:29,520

genetics and i don't believe for one

730

00:30:33,590 --> 00:30:30,880

minute

731

00:30:37,269 --> 00:30:33,600

that any person's dna

732

00:30:39,350 --> 00:30:37,279

is going to save the race of some

733

00:30:40,870 --> 00:30:39,360

group of extraterrestrials i think

734

00:30:44,710 --> 00:30:40,880

that's a bunch of

735

00:30:46,789 --> 00:30:44,720

bull and aliens can lie and they do lie

736

00:30:49,350 --> 00:30:46,799

they can be very deceptive

737

00:30:51,350 --> 00:30:49,360

because we're calling them aliens that

738

00:30:53,590 --> 00:30:51,360

simply means foreign

739

00:30:55,190 --> 00:30:53,600

we can call them extraterrestrials not

740

00:30:57,029 --> 00:30:55,200

of this earth

741

00:30:58,149 --> 00:30:57,039

still foreign

742

00:30:59,669 --> 00:30:58,159

you know

743

00:31:02,549 --> 00:30:59,679

but we don't know if say if they're

744

00:31:05,110 --> 00:31:02,559

coming from what planet but outside of

745

00:31:08,870 --> 00:31:05,120

the abductor races there are other forms

746

00:31:11,590 --> 00:31:08,880

of ets and we think that they live in

747

00:31:14,149 --> 00:31:11,600

eco planets that are considered to be

748

00:31:16,470 --> 00:31:14,159

the red dwarf star systems so when we're

749

00:31:18,149 --> 00:31:16,480

outside at night and we're looking at

750

00:31:20,310 --> 00:31:18,159

the stars for every star that you can

751

00:31:22,070 --> 00:31:20,320

see there's three or four red dwarf

752

00:31:23,909 --> 00:31:22,080

stars circling that star that are

753

00:31:26,070 --> 00:31:23,919

outside of our optical ability they just

754

00:31:27,750 --> 00:31:26,080

have a longer slower wave and we're

755

00:31:30,149 --> 00:31:27,760

unable to pick that up

756

00:31:31,590 --> 00:31:30,159

they could very well be m class planets

757

00:31:32,710 --> 00:31:31,600

habitable

758

00:31:36,310 --> 00:31:32,720

and

759

00:31:38,549 --> 00:31:36,320

we see that many 5 000 planets over the

760

00:31:43,269 --> 00:31:38,559

last three to five years

761

00:31:45,190 --> 00:31:43,279

have been identified as possibly

762

00:31:47,990 --> 00:31:45,200

being able to support life

763

00:31:50,789 --> 00:31:48,000

high probabilities on some of them and

764

00:31:53,269 --> 00:31:50,799

that's just on the exterior on the

765

00:31:55,350 --> 00:31:53,279

interior of the planet

766

00:31:58,230 --> 00:31:55,360

there could be another set of

767

00:32:00,870 --> 00:31:58,240

environmental issues that are outside of

768

00:32:03,590 --> 00:32:00,880

our probing as of yet

769

00:32:06,310 --> 00:32:03,600

so just like on our own planet

770

00:32:09,190 --> 00:32:06,320

we have lots of myths and lore

771

00:32:11,029 --> 00:32:09,200

of races that live inside like the talos

772

00:32:13,269 --> 00:32:11,039

under mount shasta

773

00:32:14,389 --> 00:32:13,279

the ant beings that look very much like

774

00:32:16,950 --> 00:32:14,399

the greys

775

00:32:17,830 --> 00:32:16,960

with the hopi indians who said they took

776

00:32:23,590 --> 00:32:17,840

them

777

00:32:25,669 --> 00:32:23,600

so

778

00:32:26,870 --> 00:32:25,679

there's all kinds of life that we're

779

00:32:31,269 --> 00:32:26,880

just you know

780

00:32:32,389 --> 00:32:31,279

busy watching tv and missing out

781

00:32:33,750 --> 00:32:32,399

um

782

00:32:36,070 --> 00:32:33,760

yeah you know the hopi you just

783

00:32:38,549 --> 00:32:36,080

mentioned that uh i've

784

00:32:39,830 --> 00:32:38,559

i i'm in like the fine arts and antiques

785

00:32:43,350 --> 00:32:39,840

and things like that that's what i do

786

00:32:45,990 --> 00:32:43,360

for a real my real life and i've handled

787

00:32:48,070 --> 00:32:46,000

a lot of hopi very interesting kachina

788

00:32:50,230 --> 00:32:48,080

dolls over the years some of them you

789

00:32:51,509 --> 00:32:50,240

know well over 100 years old

790

00:32:53,029 --> 00:32:51,519

and uh

791

00:32:55,509 --> 00:32:53,039

it really makes you wonder when you look

792

00:32:56,950 --> 00:32:55,519

at some of them they're so mysterious

793

00:32:59,430 --> 00:32:56,960

looking and look like what you would

794

00:33:00,870 --> 00:32:59,440

consider aliens

795

00:33:02,950 --> 00:33:00,880

very cool

796

00:33:05,190 --> 00:33:02,960

um so i finished school like i said in

797

00:33:06,470 --> 00:33:05,200

santa fe so i've seen a lot of those

798

00:33:07,990 --> 00:33:06,480

kachinas

799

00:33:10,389 --> 00:33:08,000

and uh

800

00:33:12,070 --> 00:33:10,399

some of them are pretty scary

801
00:33:13,750 --> 00:33:12,080
definitely odd but they have very

802
00:33:16,710 --> 00:33:13,760
interesting stories

803
00:33:19,190 --> 00:33:16,720
not only the hopi but the anasazi

804
00:33:20,870 --> 00:33:19,200
indians from that region that lived in

805
00:33:23,590 --> 00:33:20,880
chaco canyon

806
00:33:26,310 --> 00:33:23,600
wow you know do they ever have an

807
00:33:28,149 --> 00:33:26,320
interesting story i mean because just

808
00:33:30,630 --> 00:33:28,159
simply one day

809
00:33:31,990 --> 00:33:30,640
the entire tribe

810
00:33:33,269 --> 00:33:32,000
disappeared

811
00:33:35,269 --> 00:33:33,279
you know

812
00:33:38,149 --> 00:33:35,279
food and cooking pots

813
00:33:40,710 --> 00:33:38,159

valued turquoise and turkey feathers as

814

00:33:42,950 --> 00:33:40,720

turkey feathers repel water and so a

815

00:33:45,350 --> 00:33:42,960

blanket or a garment woven of those

816

00:33:47,669 --> 00:33:45,360

would be priceless right it would be

817

00:33:51,029 --> 00:33:47,679

just uh priceless certainly not

818

00:33:54,470 --> 00:33:51,039

something you flee without or

819

00:33:55,909 --> 00:33:54,480

yeah so look the lure is is that they

820

00:33:57,830 --> 00:33:55,919

went back

821

00:33:59,110 --> 00:33:57,840

to the stars as if there was a mass

822

00:34:01,509 --> 00:33:59,120

abduction

823

00:34:04,549 --> 00:34:01,519

and the one of the roles within the

824

00:34:07,110 --> 00:34:04,559

anasazi is a position

825

00:34:09,669 --> 00:34:07,120

like a chief is the female role is

826

00:34:12,230 --> 00:34:09,679

called she who remembers and she carries

827

00:34:13,909 --> 00:34:12,240

the creation story of the people

828

00:34:15,750 --> 00:34:13,919

and she would tell every night around

829

00:34:18,869 --> 00:34:15,760

the fire the story

830

00:34:21,270 --> 00:34:18,879

of how the people came from the stars

831

00:34:24,230 --> 00:34:21,280

and so she who remembers would teach the

832

00:34:26,470 --> 00:34:24,240

rest of the tribe and they foresaw

833

00:34:27,829 --> 00:34:26,480

a future where they would go back to the

834

00:34:29,430 --> 00:34:27,839

sky

835

00:34:31,589 --> 00:34:29,440

and one day

836

00:34:32,550 --> 00:34:31,599

they may have

837

00:34:33,669 --> 00:34:32,560

wow

838

00:34:36,629 --> 00:34:33,679

never heard that story that's

839

00:34:38,550 --> 00:34:36,639

interesting yeah um so yeah there's been

840

00:34:41,909 --> 00:34:38,560

there's been you know myths over the

841

00:34:43,270 --> 00:34:41,919

years of people showing up at night you

842

00:34:48,470 --> 00:34:43,280

know and

843

00:34:50,230 --> 00:34:48,480

paralysis i know that can make someone

844

00:34:52,470 --> 00:34:50,240

you know think they're seeing someone by

845

00:34:54,470 --> 00:34:52,480

their bed and stuff like that but do you

846

00:34:55,589 --> 00:34:54,480

think that these

847

00:35:00,550 --> 00:34:55,599

in your

848

00:35:03,430 --> 00:35:00,560

these experiences abductions whatever

849

00:35:07,109 --> 00:35:03,440

you'd like to call them have been going

850

00:35:10,069 --> 00:35:07,119

on for a long long time and if so uh why

851
00:35:11,910 --> 00:35:10,079
is it so why has it been so quiet in our

852
00:35:13,270 --> 00:35:11,920
in our culture

853
00:35:15,430 --> 00:35:13,280
overall

854
00:35:18,310 --> 00:35:15,440
well one i think that our government

855
00:35:19,670 --> 00:35:18,320
fears the extraterrestrials as they have

856
00:35:20,790 --> 00:35:19,680
no

857
00:35:22,710 --> 00:35:20,800
weapon

858
00:35:23,670 --> 00:35:22,720
that can defeat them

859
00:35:25,430 --> 00:35:23,680
so

860
00:35:27,750 --> 00:35:25,440
they don't want them

861
00:35:29,990 --> 00:35:27,760
too light on the radar we don't know

862
00:35:32,550 --> 00:35:30,000
what's really happening on the moon the

863
00:35:35,109 --> 00:35:32,560

dark side of the moon we know that in

864

00:35:37,190 --> 00:35:35,119

the apollo missions clearly stated that

865

00:35:39,109 --> 00:35:37,200

there was a craft in a crater and that

866

00:35:41,190 --> 00:35:39,119

they were watching them

867

00:35:42,829 --> 00:35:41,200

um in ghost

868

00:35:45,910 --> 00:35:42,839

swan

869

00:35:48,069 --> 00:35:45,920

the remote viewer who was said to be

870

00:35:51,430 --> 00:35:48,079

recruited by the cia because his

871

00:35:53,430 --> 00:35:51,440

abilities were so good um

872

00:35:54,550 --> 00:35:53,440

he said that

873

00:36:00,550 --> 00:35:54,560

he

874

00:36:02,470 --> 00:36:00,560

coordinates

875

00:36:04,310 --> 00:36:02,480

to view on the moon

876

00:36:08,710 --> 00:36:04,320

and when he got to the dark side of the

877

00:36:12,310 --> 00:36:10,710

entities working

878

00:36:14,550 --> 00:36:12,320

as if they were building something and

879

00:36:17,589 --> 00:36:14,560

that there were several i believe five

880

00:36:18,710 --> 00:36:17,599

or six different uh rounded igloo style

881

00:36:22,069 --> 00:36:18,720

buildings

882

00:36:24,230 --> 00:36:22,079

with low windows he said that the light

883

00:36:26,870 --> 00:36:24,240

had a hazy green

884

00:36:29,349 --> 00:36:26,880

and with his remote viewing he was able

885

00:36:31,109 --> 00:36:29,359

to look and see them he said he was

886

00:36:32,470 --> 00:36:31,119

watching them work and they looked very

887

00:36:36,150 --> 00:36:32,480

much human

888

00:36:37,430 --> 00:36:36,160

and one by one up to 10 or 12 turned and

889

00:36:39,829 --> 00:36:37,440

felt him

890

00:36:41,829 --> 00:36:39,839

remote viewing he said out loud he spoke

891

00:36:44,470 --> 00:36:41,839

the words they can see me

892

00:36:47,270 --> 00:36:44,480

uh the cia operative

893

00:36:47,990 --> 00:36:47,280

who had recruited him to do this told

894

00:36:51,670 --> 00:36:48,000

him

895

00:36:55,270 --> 00:36:51,680

come back to here right now come back

896

00:36:56,230 --> 00:36:55,280

to here please right now and he did

897

00:36:59,109 --> 00:36:56,240

now

898

00:37:01,670 --> 00:36:59,119

he states that uh

899

00:37:02,630 --> 00:37:01,680

there's definitely something happening

900

00:37:03,589 --> 00:37:02,640

there

901
00:37:05,349 --> 00:37:03,599
and

902
00:37:07,990 --> 00:37:05,359
there is

903
00:37:09,750 --> 00:37:08,000
and it has been going on for the longest

904
00:37:12,230 --> 00:37:09,760
of times so the ones that come in the

905
00:37:13,190 --> 00:37:12,240
night and abduct you like a thief in the

906
00:37:14,950 --> 00:37:13,200
night

907
00:37:15,990 --> 00:37:14,960
they're self-serving

908
00:37:17,750 --> 00:37:16,000
and

909
00:37:19,670 --> 00:37:17,760
it's not a type of entity you want to

910
00:37:21,430 --> 00:37:19,680
engage with i know that a lot of people

911
00:37:24,150 --> 00:37:21,440
think they have very happy positive

912
00:37:26,710 --> 00:37:24,160
relationships with the grays and i say

913
00:37:29,270 --> 00:37:26,720

that they're being beguiled

914

00:37:31,030 --> 00:37:29,280

and tricked the reptilians i don't think

915

00:37:31,990 --> 00:37:31,040

are extraterrestrial i think that

916

00:37:34,230 --> 00:37:32,000

they're

917

00:37:36,390 --> 00:37:34,240

subterranean i think that they may been

918

00:37:39,829 --> 00:37:36,400

around as long as dinosaurs

919

00:37:41,190 --> 00:37:39,839

so over 120 million life span from the

920

00:37:42,710 --> 00:37:41,200

beginning of dinosaurs through their

921

00:37:45,829 --> 00:37:42,720

whole extinction

922

00:37:47,190 --> 00:37:45,839

60 65 million on each side about 125

923

00:37:50,390 --> 00:37:47,200

million years

924

00:37:53,190 --> 00:37:50,400

so that i think that some things you

925

00:37:55,190 --> 00:37:53,200

know are kept away from us

926
00:37:57,510 --> 00:37:55,200
because

927
00:37:59,910 --> 00:37:57,520
they don't they can't predict how we'll

928
00:38:01,910 --> 00:37:59,920
react they can't control us

929
00:38:04,710 --> 00:38:01,920
you know since the days of rome they had

930
00:38:06,550 --> 00:38:04,720
people come to the coliseum to watch

931
00:38:08,550 --> 00:38:06,560
fights or to throw christians to the

932
00:38:10,470 --> 00:38:08,560
lions they knew where everybody was on

933
00:38:12,550 --> 00:38:10,480
sunday now they just watch football or

934
00:38:14,550 --> 00:38:12,560
some other sport it's really about

935
00:38:16,950 --> 00:38:14,560
controlling the masses

936
00:38:19,430 --> 00:38:16,960
and keeping them tied into a education

937
00:38:21,109 --> 00:38:19,440
and belief system that serves sort of

938
00:38:22,069 --> 00:38:21,119

the elitists

939

00:38:24,950 --> 00:38:22,079

and

940

00:38:27,670 --> 00:38:24,960

that might be fundamentally changing as

941

00:38:29,510 --> 00:38:27,680

well as we see the patriarch way of

942

00:38:30,550 --> 00:38:29,520

doing things is sort of

943

00:38:33,829 --> 00:38:30,560

suffering

944

00:38:35,589 --> 00:38:33,839

as once again we are on the brink of a

945

00:38:38,670 --> 00:38:35,599

third world war

946

00:38:41,270 --> 00:38:38,680

as we see things heating up so yeah

947

00:38:43,670 --> 00:38:41,280

extraterrestrials and

948

00:38:45,589 --> 00:38:43,680

they're monitoring and watching they're

949

00:38:47,430 --> 00:38:45,599

not going to come down on a warring

950

00:38:50,230 --> 00:38:47,440

planet

951
00:38:52,470 --> 00:38:50,240
right now and try to bring any knowledge

952
00:38:53,670 --> 00:38:52,480
that can't be received because our

953
00:38:56,230 --> 00:38:53,680
hearts and

954
00:38:58,870 --> 00:38:56,240
minds are filled with superior thoughts

955
00:39:01,270 --> 00:38:58,880
and hatred towards others

956
00:39:02,390 --> 00:39:01,280
you know whether the aliens are good or

957
00:39:04,390 --> 00:39:02,400
bad

958
00:39:07,109 --> 00:39:04,400
neither one wants to deal with people

959
00:39:08,630 --> 00:39:07,119
like us now the other ones who see our

960
00:39:11,190 --> 00:39:08,640
potential

961
00:39:14,550 --> 00:39:11,200
and understand that we're light embodied

962
00:39:17,109 --> 00:39:14,560
beings do and do you also think that our

963
00:39:19,910 --> 00:39:17,119

power should be capped

964

00:39:20,870 --> 00:39:19,920

so that we can't continue to progress as

965

00:39:21,990 --> 00:39:20,880

we are

966

00:39:23,510 --> 00:39:22,000

basically

967

00:39:25,349 --> 00:39:23,520

running through the universe right now

968

00:39:27,430 --> 00:39:25,359

with scissors you know we don't really

969

00:39:30,950 --> 00:39:27,440

know what we're doing and we're

970

00:39:32,230 --> 00:39:30,960

moving a lot of energy that

971

00:39:33,750 --> 00:39:32,240

is stirring

972

00:39:36,550 --> 00:39:33,760

or poking

973

00:39:38,470 --> 00:39:36,560

the hornet's nest so to speak

974

00:39:42,950 --> 00:39:38,480

we've had extraterrestrials turn off

975

00:39:47,990 --> 00:39:45,190

[Music]

976

00:39:49,270 --> 00:39:48,000

a lot more than that

977

00:39:50,870 --> 00:39:49,280

yeah um

978

00:39:53,829 --> 00:39:50,880

you know you you mentioned just a while

979

00:39:56,950 --> 00:39:53,839

ago that you know the uh

980

00:39:58,790 --> 00:39:56,960

the reptilians may be from subterranean

981

00:40:02,310 --> 00:39:58,800

or whatever like that i mean is this

982

00:40:04,309 --> 00:40:02,320

just your speculation i mean

983

00:40:05,910 --> 00:40:04,319

it's that's pretty wild claim you know i

984

00:40:07,670 --> 00:40:05,920

mean

985

00:40:09,270 --> 00:40:07,680

well there's two forms of reptilians the

986

00:40:11,270 --> 00:40:09,280

draco reptilians are said to be

987

00:40:13,030 --> 00:40:11,280

extraterrestrial the reptilians that

988

00:40:15,109 --> 00:40:13,040

interact with humans and have sexual

989

00:40:17,990 --> 00:40:15,119

relations with humans

990

00:40:19,750 --> 00:40:18,000

probably are from earth they certainly

991

00:40:22,710 --> 00:40:19,760

say that they've been here longer than

992

00:40:25,990 --> 00:40:22,720

us there's been talk of an underground

993

00:40:28,470 --> 00:40:26,000

base outside of paradise california

994

00:40:29,430 --> 00:40:28,480

reptilian base for a very long time

995

00:40:31,030 --> 00:40:29,440

which is

996

00:40:32,470 --> 00:40:31,040

interesting when we had our biggest

997

00:40:35,750 --> 00:40:32,480

wildfire

998

00:40:39,109 --> 00:40:35,760

one of my own clients had was on a date

999

00:40:41,829 --> 00:40:39,119

and her boyfriend had flew her to san

1000

00:40:44,790 --> 00:40:41,839

francisco for dinner and a little cessna

1001
00:40:47,910 --> 00:40:44,800
and they saw a blue beam hit that area

1002
00:40:50,550 --> 00:40:47,920
and burst into the biggest wildfire

1003
00:40:52,550 --> 00:40:50,560
other researchers have said that that is

1004
00:40:56,950 --> 00:40:52,560
rate where

1005
00:40:59,349 --> 00:40:56,960
the reptilian bases the reptilians

1006
00:41:03,910 --> 00:40:59,359
could have

1007
00:41:09,910 --> 00:41:05,750
just as they say humans came from

1008
00:41:14,630 --> 00:41:11,910
okay sorry i just had a little bit of a

1009
00:41:17,430 --> 00:41:14,640
tech tech issue here

1010
00:41:20,870 --> 00:41:17,440
can you hear me now i can yes yeah yeah

1011
00:41:23,589 --> 00:41:20,880
sorry about that um

1012
00:41:25,430 --> 00:41:23,599
well it's all it's all interesting i i

1013
00:41:29,030 --> 00:41:25,440

do have to say i'm not really sure how

1014

00:41:32,069 --> 00:41:29,040

much i can it's of this i can swallow

1015

00:41:33,829 --> 00:41:32,079

you know i mean it's interesting um

1016

00:41:36,550 --> 00:41:33,839

and i know you've been doing a lot of

1017

00:41:37,349 --> 00:41:36,560

work it's it's kind of difficult for me

1018

00:41:38,950 --> 00:41:37,359

to

1019

00:41:40,710 --> 00:41:38,960

wrap my head around some of the things

1020

00:41:43,270 --> 00:41:40,720

you're saying

1021

00:41:45,109 --> 00:41:43,280

i'll be honest with you i'm sure it is

1022

00:41:47,829 --> 00:41:45,119

unless you have

1023

00:41:49,589 --> 00:41:47,839

decades of experience

1024

00:41:51,349 --> 00:41:49,599

and understanding

1025

00:41:54,790 --> 00:41:51,359

i've traveled

1026
00:41:55,670 --> 00:41:54,800
to many countries remote islands

1027
00:41:57,990 --> 00:41:55,680
deep

1028
00:42:00,230 --> 00:41:58,000
jungles of cambodia

1029
00:42:03,109 --> 00:42:00,240
vietnam

1030
00:42:05,589 --> 00:42:03,119
spoke traveled through china

1031
00:42:08,950 --> 00:42:05,599
people all over the world

1032
00:42:10,470 --> 00:42:08,960
are having the same experiences

1033
00:42:12,950 --> 00:42:10,480
very similar

1034
00:42:14,470 --> 00:42:12,960
and same sightings and today's

1035
00:42:17,190 --> 00:42:14,480
technology

1036
00:42:19,430 --> 00:42:17,200
allows us to see this

1037
00:42:22,230 --> 00:42:19,440
our own government

1038
00:42:26,390 --> 00:42:22,240

released footage of ufos in the second

1039

00:42:28,390 --> 00:42:26,400

world war they called them foo fighters

1040

00:42:29,510 --> 00:42:28,400

it's not that hard to wrap your head

1041

00:42:30,790 --> 00:42:29,520

around

1042

00:42:33,109 --> 00:42:30,800

if you

1043

00:42:35,270 --> 00:42:33,119

can understand that there is life from

1044

00:42:37,349 --> 00:42:35,280

the bottom of the ocean

1045

00:42:39,829 --> 00:42:37,359

radiating in all directions through

1046

00:42:45,510 --> 00:42:41,750

everything is energy

1047

00:42:49,910 --> 00:42:48,470

okay um getting back to the people that

1048

00:42:52,790 --> 00:42:49,920

you discuss

1049

00:42:56,550 --> 00:42:52,800

abductions with you mentioned something

1050

00:42:58,870 --> 00:42:56,560

about nighttime now i typically think of

1051
00:43:00,790 --> 00:42:58,880
when abductions happen at night time are

1052
00:43:02,390 --> 00:43:00,800
you saying that it's just a percentage

1053
00:43:05,270 --> 00:43:02,400
of them that do

1054
00:43:08,069 --> 00:43:05,280
yeah having these experiences

1055
00:43:10,230 --> 00:43:08,079
broad daylight right

1056
00:43:12,710 --> 00:43:10,240
yeah and so there are multiple there's

1057
00:43:15,030 --> 00:43:12,720
five different sort of categories

1058
00:43:17,829 --> 00:43:15,040
of this there are people who receive

1059
00:43:19,510 --> 00:43:17,839
downloads of information

1060
00:43:20,710 --> 00:43:19,520
people who are abducted against their

1061
00:43:23,349 --> 00:43:20,720
will

1062
00:43:24,309 --> 00:43:23,359
people who feel that they have some form

1063
00:43:26,630 --> 00:43:24,319

of

1064

00:43:29,670 --> 00:43:26,640

relations with uh

1065

00:43:32,470 --> 00:43:29,680

an extraterrestrial race and communicate

1066

00:43:36,150 --> 00:43:32,480

and even are brought on craft

1067

00:43:38,069 --> 00:43:36,160

to work they have jobs

1068

00:43:40,390 --> 00:43:38,079

there are people who are just more

1069

00:43:41,670 --> 00:43:40,400

telepathic and sense

1070

00:43:45,670 --> 00:43:41,680

sort of the

1071

00:43:47,829 --> 00:43:45,680

ever folding of energy outside of life

1072

00:43:50,710 --> 00:43:47,839

they're very unique category of people

1073

00:43:52,470 --> 00:43:50,720

who are like that they're very special

1074

00:43:55,030 --> 00:43:52,480

highly sensitive

1075

00:43:56,390 --> 00:43:55,040

but the experiencers really can be

1076

00:44:03,349 --> 00:43:56,400

anyone

1077

00:44:04,470 --> 00:44:03,359

or have face-to-face contact or spot

1078

00:44:06,390 --> 00:44:04,480

something

1079

00:44:08,390 --> 00:44:06,400

you know it doesn't mean again that

1080

00:44:11,190 --> 00:44:08,400

everything you see is

1081

00:44:13,109 --> 00:44:11,200

you know completely extraterrestrial you

1082

00:44:15,670 --> 00:44:13,119

do have to go through procedures and

1083

00:44:17,349 --> 00:44:15,680

protocols to rule things out

1084

00:44:19,829 --> 00:44:17,359

uh to make sure

1085

00:44:23,910 --> 00:44:19,839

when the stories like you're having

1086

00:44:26,950 --> 00:44:23,920

difficulty with yourself are hard for a

1087

00:44:29,430 --> 00:44:26,960

average person to comprehend

1088

00:44:31,750 --> 00:44:29,440

then imagine

1089

00:44:34,390 --> 00:44:31,760

you know what it might be like

1090

00:44:36,230 --> 00:44:34,400

for the experimenter when they it is

1091

00:44:37,990 --> 00:44:36,240

their reality

1092

00:44:40,630 --> 00:44:38,000

and they have no choice

1093

00:44:44,069 --> 00:44:40,640

but to deal with it but many governments

1094

00:44:44,870 --> 00:44:44,079

actually are quite forthcoming

1095

00:44:48,870 --> 00:44:44,880

with

1096

00:44:51,270 --> 00:44:48,880

their evidence or sightings of ufos it's

1097

00:44:54,069 --> 00:44:51,280

only in the western world

1098

00:44:56,230 --> 00:44:54,079

where we see such a huge suppression

1099

00:44:59,430 --> 00:44:56,240

there are many south american countries

1100

00:45:01,430 --> 00:44:59,440

and indeed asian countries who can talk

1101
00:45:02,829 --> 00:45:01,440
about things like this

1102
00:45:04,470 --> 00:45:02,839
um

1103
00:45:07,190 --> 00:45:04,480
germany uh

1104
00:45:09,829 --> 00:45:07,200
just last month we had a uh

1105
00:45:13,109 --> 00:45:09,839
a german documentary team come in from

1106
00:45:15,510 --> 00:45:13,119
berlin and film a live regression for uh

1107
00:45:17,109 --> 00:45:15,520
german broadcast tv

1108
00:45:19,589 --> 00:45:17,119
and

1109
00:45:21,670 --> 00:45:19,599
they're because they have an interest in

1110
00:45:24,069 --> 00:45:21,680
that people are interested in this

1111
00:45:26,790 --> 00:45:24,079
because it's an interesting subject but

1112
00:45:29,990 --> 00:45:26,800
also because they may be experiencers as

1113
00:45:32,230 --> 00:45:30,000

well they're opening to the idea that

1114

00:45:35,829 --> 00:45:32,240

we're not alone

1115

00:45:42,870 --> 00:45:39,030

um so how many sessions do clients

1116

00:45:45,349 --> 00:45:42,880

undergo uh on the average

1117

00:45:47,750 --> 00:45:45,359

it depends and you know i don't do just

1118

00:45:49,829 --> 00:45:47,760

extraterrestrial work i do a lot of deep

1119

00:45:53,190 --> 00:45:49,839

trauma work inner child work a lot of

1120

00:45:56,150 --> 00:45:53,200

addiction work uh drug and alcohol work

1121

00:45:59,190 --> 00:45:56,160

a lot of stress and anxiety work those

1122

00:46:00,630 --> 00:45:59,200

people come anywhere from six to 15

1123

00:46:02,790 --> 00:46:00,640

times

1124

00:46:04,270 --> 00:46:02,800

some people get huge benefits after

1125

00:46:06,790 --> 00:46:04,280

three sessions

1126

00:46:09,430 --> 00:46:06,800

experiencers i do um

1127

00:46:11,589 --> 00:46:09,440

three hour blocks of time with them

1128

00:46:14,550 --> 00:46:11,599

so that they have more than enough time

1129

00:46:16,230 --> 00:46:14,560

to move through it and depending on the

1130

00:46:18,390 --> 00:46:16,240

experience there they can do one

1131

00:46:19,510 --> 00:46:18,400

three-hour block and be okay

1132

00:46:22,710 --> 00:46:19,520

and feel

1133

00:46:25,030 --> 00:46:22,720

empowered enough to move forward and

1134

00:46:26,870 --> 00:46:25,040

other people will do several depending

1135

00:46:28,790 --> 00:46:26,880

if they're part of a hybridization

1136

00:46:30,950 --> 00:46:28,800

program a lot more information for them

1137

00:46:33,030 --> 00:46:30,960

to find out

1138

00:46:34,950 --> 00:46:33,040

if it was just a one-time occurrence

1139

00:46:36,069 --> 00:46:34,960

then yeah

1140

00:46:39,349 --> 00:46:36,079

oh i see

1141

00:46:40,829 --> 00:46:39,359

and how do they react to regressions

1142

00:46:44,630 --> 00:46:40,839

does that help

1143

00:46:47,430 --> 00:46:44,640

them oh absolutely

1144

00:46:50,069 --> 00:46:47,440

it absolutely helps them it allows them

1145

00:46:51,750 --> 00:46:50,079

to feel more in control

1146

00:46:53,990 --> 00:46:51,760

of themselves it gives them an

1147

00:46:57,910 --> 00:46:54,000

opportunity to feel

1148

00:46:59,510 --> 00:46:57,920

that a process can be facilitated safely

1149

00:47:02,390 --> 00:46:59,520

so that they're in a place where they

1150

00:47:04,950 --> 00:47:02,400

can look at everything

1151
00:47:06,069 --> 00:47:04,960
in a safe environment

1152
00:47:09,030 --> 00:47:06,079
where

1153
00:47:11,349 --> 00:47:09,040
many people are ostracized or ridiculed

1154
00:47:13,190 --> 00:47:11,359
or belittled for expressing anything

1155
00:47:14,950 --> 00:47:13,200
outside of the norm especially in

1156
00:47:17,190 --> 00:47:14,960
abduction

1157
00:47:20,470 --> 00:47:17,200
so having a safe place which is why for

1158
00:47:22,790 --> 00:47:20,480
many years i ran support groups

1159
00:47:25,109 --> 00:47:22,800
providing

1160
00:47:27,030 --> 00:47:25,119
open forum support group for people to

1161
00:47:28,390 --> 00:47:27,040
share their experiences and how they

1162
00:47:31,349 --> 00:47:28,400
deal with it

1163
00:47:34,870 --> 00:47:31,359

and um i am part of the advisory board

1164

00:47:37,190 --> 00:47:34,880

for opus opus is the organization for

1165

00:47:39,990 --> 00:47:37,200

paranormal understanding and support i

1166

00:47:41,990 --> 00:47:40,000

recently stepped down as president

1167

00:47:44,549 --> 00:47:42,000

it's a very old organization it's been

1168

00:47:46,950 --> 00:47:44,559

around for a long time it has a huge

1169

00:47:49,190 --> 00:47:46,960

board of directors that

1170

00:47:50,309 --> 00:47:49,200

definitely

1171

00:47:52,790 --> 00:47:50,319

provide

1172

00:47:54,470 --> 00:47:52,800

support for anybody who needs it

1173

00:47:57,109 --> 00:47:54,480

and um

1174

00:48:01,030 --> 00:47:57,119

there's a 24 hour seven day a week free

1175

00:48:02,390 --> 00:48:01,040

online support group opusnetwork.org

1176

00:48:05,030 --> 00:48:02,400

so is that

1177

00:48:07,270 --> 00:48:05,040

did when covet came along

1178

00:48:09,750 --> 00:48:07,280

and everyone went to zoom is that kind

1179

00:48:12,950 --> 00:48:09,760

what you had to do as well

1180

00:48:15,349 --> 00:48:12,960

they've always done it that way um my

1181

00:48:17,589 --> 00:48:15,359

support groups that i do personally or

1182

00:48:20,630 --> 00:48:17,599

through true hypnotherapy have always

1183

00:48:22,790 --> 00:48:20,640

been in person i per i prefer to do a

1184

00:48:24,549 --> 00:48:22,800

support group in person and i know that

1185

00:48:25,910 --> 00:48:24,559

during code yeah many of the group

1186

00:48:28,710 --> 00:48:25,920

meetings were done

1187

00:48:29,510 --> 00:48:28,720

via zoom it's difficult

1188

00:48:31,910 --> 00:48:29,520

yeah

1189

00:48:33,990 --> 00:48:31,920

i mean i can't unders i i

1190

00:48:36,069 --> 00:48:34,000

i can't believe that you someone could

1191

00:48:37,510 --> 00:48:36,079

be hypnotized or could they be

1192

00:48:39,109 --> 00:48:37,520

hypnotized

1193

00:48:41,190 --> 00:48:39,119

um through

1194

00:48:42,390 --> 00:48:41,200

you know through talking to them through

1195

00:48:44,230 --> 00:48:42,400

online

1196

00:48:45,430 --> 00:48:44,240

absolutely they can

1197

00:48:47,750 --> 00:48:45,440

they can

1198

00:48:48,630 --> 00:48:47,760

listen people are hypnotized all the

1199

00:48:50,470 --> 00:48:48,640

time

1200

00:48:53,349 --> 00:48:50,480

they're hypnotized when they're watching

1201
00:48:54,950 --> 00:48:53,359
tv you're watching they're driving

1202
00:48:57,190 --> 00:48:54,960
and when they're driving well that's the

1203
00:48:59,510 --> 00:48:57,200
unconscious taking over and that's not

1204
00:49:02,230 --> 00:48:59,520
the same as being hypnotized that's just

1205
00:49:03,910 --> 00:49:02,240
going on auto or unconscious but when

1206
00:49:06,470 --> 00:49:03,920
you're watching a movie and you're

1207
00:49:09,750 --> 00:49:06,480
emoting and you're crying or you're

1208
00:49:11,829 --> 00:49:09,760
fear-based you are not operating in the

1209
00:49:14,069 --> 00:49:11,839
beta brain wave the critical thinking

1210
00:49:16,069 --> 00:49:14,079
mind that would tell you

1211
00:49:18,630 --> 00:49:16,079
this isn't real that's not their real

1212
00:49:20,950 --> 00:49:18,640
name this is a set if you are not

1213
00:49:23,430 --> 00:49:20,960

thinking critically

1214

00:49:25,349 --> 00:49:23,440

then you are in the alpha brainwave in

1215

00:49:28,230 --> 00:49:25,359

reception mode and you're receiving it

1216

00:49:31,270 --> 00:49:28,240

and you're experiencing it and you are

1217

00:49:34,150 --> 00:49:31,280

in a light trance combine

1218

00:49:36,790 --> 00:49:34,160

pulsing light and sound as they rev up

1219

00:49:38,470 --> 00:49:36,800

the music for intensity and drama to

1220

00:49:40,390 --> 00:49:38,480

create thrills

1221

00:49:42,230 --> 00:49:40,400

all of these have an emotional impact

1222

00:49:45,109 --> 00:49:42,240

and yes once again

1223

00:49:46,549 --> 00:49:45,119

you are in a light trance it's very easy

1224

00:49:49,349 --> 00:49:46,559

to slip into

1225

00:49:51,270 --> 00:49:49,359

deep relaxation opens the alpha brain

1226

00:49:54,390 --> 00:49:51,280

wave to become more receptive more

1227

00:49:57,829 --> 00:49:54,400

dominant the conscious critical thinking

1228

00:49:59,990 --> 00:49:57,839

beta bane brain wave becomes reduced so

1229

00:50:01,270 --> 00:50:00,000

people are hypnotized all the time it's

1230

00:50:04,309 --> 00:50:01,280

not magic

1231

00:50:06,230 --> 00:50:04,319

it's not anything that is

1232

00:50:08,790 --> 00:50:06,240

hard so yeah it can be done over the tv

1233

00:50:10,309 --> 00:50:08,800

over the computer all the time

1234

00:50:12,470 --> 00:50:10,319

yeah i think there's a there's a lot of

1235

00:50:14,630 --> 00:50:12,480

misconceptions about

1236

00:50:16,710 --> 00:50:14,640

hypnotizing

1237

00:50:18,950 --> 00:50:16,720

that i've learned just by looking into

1238

00:50:20,710 --> 00:50:18,960

it you know i mean the manchurian

1239

00:50:23,109 --> 00:50:20,720

candidate type of thing isn't going to

1240

00:50:24,069 --> 00:50:23,119

happen there there isn't someone that's

1241

00:50:25,750 --> 00:50:24,079

going to

1242

00:50:28,390 --> 00:50:25,760

be out in the street when an accident

1243

00:50:29,430 --> 00:50:28,400

happens 30 years ago and be hypnotized

1244

00:50:31,910 --> 00:50:29,440

and they're going to remember the

1245

00:50:32,870 --> 00:50:31,920

license plate you know that's just not

1246

00:50:34,390 --> 00:50:32,880

that's

1247

00:50:36,150 --> 00:50:34,400

well you look at me is that something

1248

00:50:37,349 --> 00:50:36,160

that could happen that is something that

1249

00:50:40,150 --> 00:50:37,359

can happen

1250

00:50:41,510 --> 00:50:40,160

um i retrieve old information like that

1251
00:50:43,030 --> 00:50:41,520
all the time

1252
00:50:45,910 --> 00:50:43,040
where did my

1253
00:50:49,349 --> 00:50:45,920
yeah even past life regression work

1254
00:50:51,990 --> 00:50:49,359
people can find historical documents

1255
00:50:53,750 --> 00:50:52,000
and verify some of their past life

1256
00:50:55,190 --> 00:50:53,760
information after a session and

1257
00:50:57,750 --> 00:50:55,200
sometimes they bring it to me and it's

1258
00:50:59,270 --> 00:50:57,760
very interesting not my main area of

1259
00:51:02,549 --> 00:50:59,280
interest but very interesting

1260
00:51:05,829 --> 00:51:02,559
nonetheless no yeah absolutely and as

1261
00:51:08,150 --> 00:51:05,839
far as post-hypnotic suggestions i use

1262
00:51:10,870 --> 00:51:08,160
them with my clients in every single

1263
00:51:12,870 --> 00:51:10,880

session i give them their post-hypnotic

1264

00:51:15,349 --> 00:51:12,880

words so that they can use them

1265

00:51:17,349 --> 00:51:15,359

themselves as these are words that are

1266

00:51:20,230 --> 00:51:17,359

going to resonate with particular

1267

00:51:23,910 --> 00:51:20,240

behavioral modification or the ability

1268

00:51:27,109 --> 00:51:23,920

to induce overall state of calm

1269

00:51:29,990 --> 00:51:27,119

and relaxed energy so they can begin to

1270

00:51:31,990 --> 00:51:30,000

master the mind body it's about

1271

00:51:34,309 --> 00:51:32,000

mastering the mind and body

1272

00:51:35,190 --> 00:51:34,319

self-actualization

1273

00:51:37,750 --> 00:51:35,200

and

1274

00:51:39,990 --> 00:51:37,760

through hypnosis we gain a better

1275

00:51:42,230 --> 00:51:40,000

insight into the whole

1276
00:51:44,309 --> 00:51:42,240
we're not just the ten percent of the

1277
00:51:46,150 --> 00:51:44,319
critical thinking

1278
00:51:48,549 --> 00:51:46,160
we're not just the body we're not just

1279
00:51:50,390 --> 00:51:48,559
the mind we're not just the spirit

1280
00:51:53,109 --> 00:51:50,400
we're all those things wrapped up into

1281
00:51:54,150 --> 00:51:53,119
one pretty cool package

1282
00:51:56,309 --> 00:51:54,160
about that

1283
00:51:59,270 --> 00:51:56,319
uh well thank you so much it's been

1284
00:52:01,109 --> 00:51:59,280
really interesting uh it's been

1285
00:52:03,829 --> 00:52:01,119
different than i you know a different

1286
00:52:05,670 --> 00:52:03,839
type of show for me but i i uh your

1287
00:52:07,190 --> 00:52:05,680
opinions are very interesting and i

1288
00:52:09,190 --> 00:52:07,200

really appreciate you coming on this

1289

00:52:10,470 --> 00:52:09,200

show it's been my pleasure thank you for

1290

00:52:13,430 --> 00:52:10,480

having me

1291

00:52:14,309 --> 00:52:13,440

all right thanks and take care you too

1292

00:52:16,630 --> 00:52:14,319

yeah

1293

00:52:19,910 --> 00:52:16,640

all right everyone so we will be back

1294

00:52:22,790 --> 00:52:19,920

next week we have uh ben hurl from

1295

00:52:23,990 --> 00:52:22,800

australia um he's going to be uh talking

1296

00:52:26,470 --> 00:52:24,000

about all

1297

00:52:27,430 --> 00:52:26,480

the work he's doing he's also on kgra

1298

00:52:30,390 --> 00:52:27,440

radio

1299

00:52:32,470 --> 00:52:30,400

and we will be back um at the same time

1300

00:52:34,630 --> 00:52:32,480

seven o'clock next tuesday

1301

00:52:36,630 --> 00:52:34,640

thank you all so much for watching and

1302

00:52:39,460 --> 00:52:36,640

remember to keep your eyes to the sky

1303

00:52:48,770 --> 00:52:39,470

thank you
