

1  
00:00:28,550 --> 00:00:16,100

[Music]

2  
00:00:35,190 --> 00:00:31,750

ufo and humanoid by charles lear

3  
00:00:37,430 --> 00:00:35,200

in july of 1967 ronnie hill a 14 year

4  
00:00:39,350 --> 00:00:37,440

old north carolina boy reported that

5  
00:00:41,270 --> 00:00:39,360

he'd taken a picture of a ufo with a

6  
00:00:43,110 --> 00:00:41,280

humanoid in front of it according to

7  
00:00:45,110 --> 00:00:43,120

john keel who wrote about the story in

8  
00:00:47,270 --> 00:00:45,120

his article the little man of north

9  
00:00:50,389 --> 00:00:47,280

carolina published in the january

10  
00:00:52,069 --> 00:00:50,399

february 1969 flying saucer review the

11  
00:00:54,709 --> 00:00:52,079

boy sent the picture off to flying

12  
00:00:56,869 --> 00:00:54,719

saucers ufo reports which had just been

13  
00:00:59,750 --> 00:00:56,879

discontinued by its publisher dell

14

00:01:01,830 --> 00:00:59,760

publishing the editor carmina freeman

15

00:01:04,149 --> 00:01:01,840

sent the picture to keele and he began a

16

00:01:07,590 --> 00:01:04,159

correspondence with hill which continued

17

00:01:10,070 --> 00:01:07,600

throughout 1968 according to keele hill

18

00:01:12,469 --> 00:01:10,080

was agonizingly slow in responding to

19

00:01:14,630 --> 00:01:12,479

his letters keel wrote in his article

20

00:01:16,710 --> 00:01:14,640

that he had the photo blown up to wall

21

00:01:19,030 --> 00:01:16,720

size and that he and several

22

00:01:20,469 --> 00:01:19,040

professional photographers didn't see

23

00:01:22,710 --> 00:01:20,479

anything that made it seem that the

24

00:01:25,429 --> 00:01:22,720

figure was a doll or some other form of

25

00:01:27,270 --> 00:01:25,439

hoax according to keele hill was working

26  
00:01:31,190 --> 00:01:27,280  
in the family garden behind their house

27  
00:01:34,310 --> 00:01:31,200  
on July 21 1967 Kiel then presents the

28  
00:01:36,069 --> 00:01:34,320  
story in Hill's words according to Hill

29  
00:01:38,230 --> 00:01:36,079  
something in the air smelled like gas

30  
00:01:40,870 --> 00:01:38,240  
and caused his eyes to water he also

31  
00:01:42,870 --> 00:01:40,880  
noticed that it was unusually quiet he

32  
00:01:45,429 --> 00:01:42,880  
then heard a buzzing sound and the gas

33  
00:01:47,350 --> 00:01:45,439  
smell got stronger he caught a glimpse

34  
00:01:49,510 --> 00:01:47,360  
of something moving that looked like a

35  
00:01:51,670 --> 00:01:49,520  
black hat he then saw a nine feet

36  
00:01:54,389 --> 00:01:51,680  
diameter white ball shaped object in the

37  
00:01:56,230 --> 00:01:54,399  
air hills said he fell down and then ran

38  
00:01:59,350 --> 00:01:56,240

into the house to get his camera

39

00:02:01,590 --> 00:01:59,360

described by keel as a kodak sabie 620

40

00:02:03,749 --> 00:02:01,600

when he got back the object was on the

41

00:02:05,510 --> 00:02:03,759

ground a loud noise hurt his ears and

42

00:02:07,510 --> 00:02:05,520

then a humanoid about three and a half

43

00:02:08,389 --> 00:02:07,520

to four feet tall came out from behind

44

00:02:10,469 --> 00:02:08,399

the object

45

00:02:12,550 --> 00:02:10,479

it had something in its hand that was

46

00:02:14,710 --> 00:02:12,560

shaped like a black funnel it put it

47

00:02:17,030 --> 00:02:14,720

near to the ground and then lifted it up

48

00:02:19,190 --> 00:02:17,040

to its hip it went back behind the

49

00:02:21,350 --> 00:02:19,200

object there was a loud noise and a

50

00:02:24,470 --> 00:02:21,360

bright blue flare bursted from beneath

51  
00:02:26,869 --> 00:02:24,480  
the ship the object rose up and the big

52  
00:02:29,110 --> 00:02:26,879  
ship reappeared the white spherical

53  
00:02:31,589 --> 00:02:29,120  
object connected itself to a rod that

54  
00:02:34,229 --> 00:02:31,599  
pulled it into a round hole in the big

55  
00:02:37,110 --> 00:02:34,239  
ship the big ship then took off at

56  
00:02:39,670 --> 00:02:37,120  
tremendous speed vincent juan ballister

57  
00:02:44,070 --> 00:02:39,680  
olmos looked into this case for his ufo

58  
00:02:46,550 --> 00:02:44,080  
photo cap blog published may 28 2012. he

59  
00:02:49,430 --> 00:02:46,560  
notes that there is an inset on page 11

60  
00:02:52,710 --> 00:02:49,440  
of the november december 1969 flying

61  
00:02:54,869 --> 00:02:52,720  
saucer review with this update john keel

62  
00:02:57,190 --> 00:02:54,879  
and correspondents of his have kept a

63  
00:02:59,190 --> 00:02:57,200

watch on this case and now report that

64

00:03:01,670 --> 00:02:59,200

developments have cast doubts on the

65

00:03:03,670 --> 00:03:01,680

authenticity of the photograph almost

66

00:03:06,470 --> 00:03:03,680

wrote that that was the end of it in the

67

00:03:09,190 --> 00:03:06,480

literature for years according to almost

68

00:03:12,229 --> 00:03:09,200

the picture showed up on page 230 in a

69

00:03:15,030 --> 00:03:12,239

1980 book by margaret sachs the ufo

70

00:03:17,350 --> 00:03:15,040

encyclopedia with a caption saying that

71

00:03:19,910 --> 00:03:17,360

the creature has been identified as a

72

00:03:21,990 --> 00:03:19,920

model with an egg in the background

73

00:03:22,830 --> 00:03:22,000

almost wrote that the quote comes from

74

00:03:26,869 --> 00:03:22,840

the

75

00:03:29,030 --> 00:03:26,879

icufon a new york-based ufo organization

76

00:03:31,589 --> 00:03:29,040

under the leadership of megalomaniac

77

00:03:33,990 --> 00:03:31,599

coleman von kavitsky almost points out

78

00:03:35,750 --> 00:03:34,000

that researcher bob richards used the

79

00:03:38,789 --> 00:03:35,760

quote in an article he wrote and had

80

00:03:41,350 --> 00:03:38,799

published in the april may 1995 for teen

81

00:03:44,789 --> 00:03:41,360

times and that james lewis used it in

82

00:03:46,630 --> 00:03:44,799

his 2000 book ufos and popular culture

83

00:03:49,509 --> 00:03:46,640

other researchers also considered the

84

00:03:52,949 --> 00:03:49,519

photo to be a hoax including luis ruiz

85

00:03:55,750 --> 00:03:52,959

nogues who theorized in his 1996 book

86

00:03:58,630 --> 00:03:55,760

100 photos of extraterrestrials that the

87

00:04:01,030 --> 00:03:58,640

photo was of a little model and a fake

88

00:04:03,429 --> 00:04:01,040

made by the typical precocious u.s

89

00:04:05,270 --> 00:04:03,439

teenager almost provides a link to a

90

00:04:08,470 --> 00:04:05,280

site where the photo is displayed under

91

00:04:11,350 --> 00:04:08,480

the heading et's fake under the photo is

92

00:04:13,190 --> 00:04:11,360

this caption a teenager named ron hill

93

00:04:16,949 --> 00:04:13,200

claimed to have taken this photo of an

94

00:04:19,590 --> 00:04:16,959

e.t in his backyard in reality the alien

95

00:04:21,990 --> 00:04:19,600

was a doll wrapped in aluminum foil

96

00:04:23,990 --> 00:04:22,000

according to almas he contacted doug

97

00:04:26,150 --> 00:04:24,000

skinner a friend of john keels who

98

00:04:29,110 --> 00:04:26,160

manages kiehl's archives and runs the

99

00:04:31,430 --> 00:04:29,120

site johnkeel.com and skinner gave him

100

00:04:33,510 --> 00:04:31,440

scans of the original polaroid and the

101  
00:04:35,990 --> 00:04:33,520  
two-page letter hill wrote and sent to

102  
00:04:39,189 --> 00:04:36,000  
dell publishing included in his list of

103  
00:04:42,469 --> 00:04:39,199  
details is this as written but strangest

104  
00:04:45,189 --> 00:04:42,479  
of all there wasn't an animals around

105  
00:04:46,950 --> 00:04:45,199  
almost had a consultant andre duarte

106  
00:04:49,430 --> 00:04:46,960  
examined the picture and the first

107  
00:04:51,749 --> 00:04:49,440  
discrepancy duarte found was with the

108  
00:04:54,550 --> 00:04:51,759  
angle of the light according to him it

109  
00:04:57,350 --> 00:04:54,560  
should have been 75 degrees at 2 pm but

110  
00:04:59,670 --> 00:04:57,360  
was instead 25 degrees in the picture

111  
00:05:02,629 --> 00:04:59,680  
duarte also found that the craft should

112  
00:05:06,390 --> 00:05:02,639  
have appeared much larger if hills

113  
00:05:08,950 --> 00:05:06,400

available june 2022 from flying disc

114

00:05:11,749 --> 00:05:10,710

a book about the people involved in the

115

00:05:13,350 --> 00:05:11,759

mystery

116

00:05:14,870 --> 00:05:13,360

covering the golden age of flying

117

00:05:18,550 --> 00:05:14,880

saucers

118

00:05:20,710 --> 00:05:18,560

using newsletters magazines case files

119

00:05:22,830 --> 00:05:20,720

official documents and more

120

00:05:27,029 --> 00:05:22,840

sure to leave even the die hard skeptic

121

00:05:29,749 --> 00:05:27,039

wandering by charles lehrer new york usa

122

00:05:33,510 --> 00:05:29,759

the flying saucer investigators

123

00:05:36,230 --> 00:05:33,520

available on amazon from june 2022

124

00:05:47,640 --> 00:05:36,240

the flying saucer investigators flying
