foreign

2
00:00:36,650 --> 00:00:15,680
[Music]

3
00:00:41,090 --> 00:00:38,450
hello and welcome to the show everyone

4
00:00:43,190 --> 00:00:41,100
I'm Martin Wilshire host and before we

5
00:00:45,170 --> 00:00:43,200
get going just a couple of things things

6
00:00:47,450 --> 00:00:45,180
that are coming up well first of all I

7
00:00:50,869 --> 00:00:47,460
should say the blog this week by Charles

8
00:00:53,569 --> 00:00:50,879
Lear is a UFO and creatures in Garson

9
00:00:56,750 --> 00:00:53,579
Ontario and I might as well say that

10
00:00:58,549 --> 00:00:56,760
next week I have Kevin day coming up and

11
00:01:00,049 --> 00:00:58,559
I should always say that in the

12
00:01:03,049 --> 00:01:00,059
beginning of the show because I know not

13
00:01:05,690 --> 00:01:03,059

everyone listens to the full show so but

14

00:01:07,670 --> 00:01:05,700

if anyone wants to know who they uh

15

00:01:09,350 --> 00:01:07,680

guests are in our blogs are and all that

16

00:01:13,550 --> 00:01:09,360

all they have to do is go to our website

17

00:01:15,710 --> 00:01:13,560

podcast ufo.com and on the right sidebar

18

00:01:17,450 --> 00:01:15,720

you can sign up for an email blast it

19

00:01:20,990 --> 00:01:17,460

only comes out once a week and it says

20

00:01:22,850 --> 00:01:21,000

who the guest is so uh and oh it's real

21

00:01:25,929 --> 00:01:22,860

simple put your email address in send it

22

00:01:29,390 --> 00:01:25,939

then you confirm your email that's it so

23

00:01:32,929 --> 00:01:29,400

a lot of things going on for well I just

24

00:01:35,450 --> 00:01:32,939

found out just before the show that

25

00:01:39,289 --> 00:01:35,460

um there's a category 2 storm hitting

26

00:01:40,670 --> 00:01:39,299

Nova Scotia and uh next weekend I'm

27

00:01:42,950 --> 00:01:40,680

going to be heading up that way I'm

28

00:01:46,069 --> 00:01:42,960

going to be talking at shag Harper on

29

00:01:48,350 --> 00:01:46,079

October 1st and shag Harbor Nova Scotia

30

00:01:50,990 --> 00:01:48,360

uh and so that's going to be a lot of

31

00:01:54,530 --> 00:01:51,000

fun hopefully the storm won't be so bad

32

00:01:56,090 --> 00:01:54,540

this weekend up there but so after that

33

00:01:59,510 --> 00:01:56,100

just a lot of things like I said a lot

34

00:02:02,690 --> 00:01:59,520

of things going on I'm coming back and

35

00:02:04,850 --> 00:02:02,700

I'm going to be doing the premiere of

36

00:02:08,089 --> 00:02:04,860

the Ariel school I'm going to be the

37

00:02:10,210 --> 00:02:08,099

podcaster there in that event and that's

38

00:02:13,130 --> 00:02:10,220

going to be live in Northampton

39

00:02:15,589 --> 00:02:13,140

Massachusetts it's a big 800 seat

40

00:02:17,750 --> 00:02:15,599

theater lots of people coming from all

41

00:02:21,650 --> 00:02:17,760

over the country it should be a real

42

00:02:24,110 --> 00:02:21,660

exciting event and uh then uh the week

43

00:02:26,809 --> 00:02:24,120

after that the show on the 11th I'm

44

00:02:29,089 --> 00:02:26,819

going to be in Phoenix and I'm going to

45

00:02:31,910 --> 00:02:29,099

be doing a live show there with uh James

46

00:02:34,309 --> 00:02:31,920

Fox right there in Phoenix and then I'm

47

00:02:35,570 --> 00:02:34,319

going to do a round table I know there's

48

00:02:37,369 --> 00:02:35,580

going to be a lot of people that are the

49

00:02:39,350 --> 00:02:37,379

speakers are going to be involved in

50

00:02:43,009 --> 00:02:39,360

that and it's a really great lineup and

51
00:02:45,530 --> 00:02:43,019
I suggest uh you get your tickets it's

52
00:02:47,290 --> 00:02:45,540
at a beautiful Resort there it's a

53
00:02:51,050 --> 00:02:47,300
wonderful place I can't wait to see it

54
00:02:54,110 --> 00:02:51,060
and it's October 12th I believe it

55
00:02:56,690 --> 00:02:54,120
starts on the 12th and right runs right

56
00:02:58,670 --> 00:02:56,700

and if you're going to be there I am

59
00:03:03,710 --> 00:03:02,040

71

00:03:34,970 --> 00:03:33,360

there so uh Our Guest tonight is Ben

72

00:03:38,570 --> 00:03:34,980

hurl I had the pleasure of meeting him

73

00:03:41,750 --> 00:03:38,580

back in 2019 in Phoenix he's a great guy

74

00:03:44,990 --> 00:03:41,760

he's from Down Under And I just was uh

75

00:03:47,990 --> 00:03:45,000

poking around today and I realized that

76

00:03:51,130 --> 00:03:48,000

he knows something about the uh the

77

00:03:54,710 --> 00:03:51,140

Kelly Cahill case and that has always

78

00:03:57,289 --> 00:03:54,720

intrigued me and so I asked him just

79

00:04:00,350 --> 00:03:57,299

very I think it was just a few minutes

80

00:04:02,449 --> 00:04:00,360

ago if he could talk about that case uh

81

00:04:04,490 --> 00:04:02,459

and then you'll understand why I think

82

00:04:06,170 --> 00:04:04,500

it's such an intriguing case and I'm

83

00:04:09,410 --> 00:04:06,180

going to bring in our guest now welcome

84

00:04:11,990 --> 00:04:09,420

Ben welcome back I should say hi g'day

85

00:04:13,610 --> 00:04:12,000

Martin great to see you yeah we're in

86

00:04:17,150 --> 00:04:13,620

the future you're tomorrow there in

87

00:04:19,069 --> 00:04:17,160

Australia yeah absolutely yes and uh

88

00:04:20,629 --> 00:04:19,079

thank you for showing up it's in the

89

00:04:22,490 --> 00:04:20,639

morning over there uh down there I

90

00:04:24,110 --> 00:04:22,500

should say or is that how you say it I

91

00:04:26,030 --> 00:04:24,120

know they say down under I mean that's

92

00:04:28,010 --> 00:04:26,040

the common term right yeah well

93

00:04:30,050 --> 00:04:28,020

Australians don't sort of generally talk

94

00:04:32,870 --> 00:04:30,060

about that as a term and it's it's kind

95

00:04:34,010 --> 00:04:32,880

of like one of those sort of cliches I

96

00:04:35,450 --> 00:04:34,020

think

97

00:04:37,189 --> 00:04:35,460

um but I mean if you look at Planet

98

00:04:38,749 --> 00:04:37,199

Earth you know is there up or is there a

99

00:04:40,790 --> 00:04:38,759

down I suppose it's us that think about

100

00:04:42,770 --> 00:04:40,800

it in those terms don't we so yeah I

101
00:04:44,210 --> 00:04:42,780
guess we are down under but I mean you

102
00:04:46,189 --> 00:04:44,220
don't have to look up or anything you

103
00:04:47,689 --> 00:04:46,199
know strange like that it's yeah

104
00:04:49,730 --> 00:04:47,699
you're not looking up at the United

105
00:04:52,189 --> 00:04:49,740
States but anyway

106
00:04:54,290 --> 00:04:52,199
um Blood to the Head because our heads

107
00:04:55,969 --> 00:04:54,300
are our heads are on the underside yeah

108
00:04:58,850 --> 00:04:55,979
that's right and I understand the water

109
00:05:00,770 --> 00:04:58,860
drains backwards counterclockwise under

110
00:05:02,689 --> 00:05:00,780
the Equator so I mean we have weird

111
00:05:05,210 --> 00:05:02,699
things like that but I got to tell you

112
00:05:09,110 --> 00:05:05,220
the uh interesting thing about Australia

113
00:05:11,990 --> 00:05:09,120

is when I look at Google uh

114

00:05:13,909 --> 00:05:12,000

uh analytics and I look at my odd

115

00:05:16,129 --> 00:05:13,919

listening audience and and sometimes we

116

00:05:17,990 --> 00:05:16,139

get up to 80 000 downloads per audio

117

00:05:21,249 --> 00:05:18,000

show

118

00:05:23,990 --> 00:05:21,259

um Australia is like the second or third

119

00:05:26,090 --> 00:05:24,000

you know country as far as people

120

00:05:28,370 --> 00:05:26,100

listening you have something like 26

121

00:05:30,770 --> 00:05:28,380

million people it's not a huge country

122

00:05:32,950 --> 00:05:30,780

but a lot of people are into this topic

123

00:05:35,930 --> 00:05:32,960

obviously there

124

00:05:38,990 --> 00:05:35,940

absolutely I mean I think in in the in

125

00:05:42,290 --> 00:05:39,000

the 21st century the the interest in the

126

00:05:44,270 --> 00:05:42,300

UFO phenomenon has exploded yeah and I

127

00:05:46,310 --> 00:05:44,280

think you'll find that you know since

128

00:05:48,469 --> 00:05:46,320

the the coming out of the Tic Tac UFO

129

00:05:51,110 --> 00:05:48,479

and the and the admission from the from

130

00:05:52,670 --> 00:05:51,120

the U.S Navy I think that that has

131

00:05:55,129 --> 00:05:52,680

really made a lot of people who would

132

00:05:58,249 --> 00:05:55,139

have seen it still a marginal uh

133

00:06:00,590 --> 00:05:58,259

interest go wow this really is it really

134

00:06:03,110 --> 00:06:00,600

is a big thing and recently down here

135

00:06:05,930 --> 00:06:03,120

we've had the um Ross cultard Spotlight

136

00:06:08,150 --> 00:06:05,940

special which Oh Yes Channel 7 down here

137

00:06:09,950 --> 00:06:08,160

and that was that was probably one of

138

00:06:11,810 --> 00:06:09,960

the biggest and best moments in

139

00:06:13,730 --> 00:06:11,820

Australia for someone who's been

140

00:06:15,469 --> 00:06:13,740

following UFOs for as long as I have and

141

00:06:17,270 --> 00:06:15,479

a lot of other people that that it's

142

00:06:20,990 --> 00:06:17,280

been taken seriously because all too

143

00:06:24,110 --> 00:06:21,000

often it's a slow news day topic yeah

144

00:06:26,150 --> 00:06:24,120

and they treat it with you know with the

145

00:06:28,189 --> 00:06:26,160

giggle factor and I've been on I've been

146

00:06:29,870 --> 00:06:28,199

on live TV and been treated with giggle

147

00:06:31,430 --> 00:06:29,880

factor and it is absolutely terrible and

148

00:06:35,150 --> 00:06:31,440

I don't I think those days are probably

149

00:06:37,370 --> 00:06:35,160

just about over that's right and uh Ross

150

00:06:42,110 --> 00:06:37,380

is great he's doing this this really

151
00:06:44,870 --> 00:06:42,120
nice uh YouTube uh show with uh Bryce

152
00:06:47,090 --> 00:06:44,880
Sable both great they're highly

153
00:06:49,490 --> 00:06:47,100
intelligent I love to hear them talk and

154
00:06:51,230 --> 00:06:49,500
uh yeah I've been watching that and

155
00:06:54,650 --> 00:06:51,240
there's some great stuff that they do

156
00:06:56,689 --> 00:06:54,660
and uh you know plus he he is you know

157
00:06:59,270 --> 00:06:56,699
he brings a lot of credibility to the

158
00:07:01,430 --> 00:06:59,280
topic whether it's Australia or there

159
00:07:03,469 --> 00:07:01,440
but you know here you have a great

160
00:07:07,010 --> 00:07:03,479
journalist award-winning journalist is

161
00:07:09,290 --> 00:07:07,020
60 Minutes Fame and all that and uh

162
00:07:11,270 --> 00:07:09,300
taking this seriously it is a great it

163
00:07:13,969 --> 00:07:11,280

is a great thing for for UFOs in

164

00:07:15,770 --> 00:07:13,979

Australia it certainly is and and that

165

00:07:17,629 --> 00:07:15,780

interest is just has just exploded and

166

00:07:19,969 --> 00:07:17,639

now you can get this information from so

167

00:07:21,350 --> 00:07:19,979

many sources you know like back when I

168

00:07:23,930 --> 00:07:21,360

started there was you know a couple of

169

00:07:26,689 --> 00:07:23,940

UFO groups around the place and hardly

170

00:07:28,730 --> 00:07:26,699

any podcasts and now it's just is a

171

00:07:29,870 --> 00:07:28,740

complete menu of it out there on the

172

00:07:31,490 --> 00:07:29,880

internet you can get this information

173

00:07:33,710 --> 00:07:31,500

everywhere and I think Australians are

174

00:07:34,969 --> 00:07:33,720

now seeing that as a as a good thing and

175

00:07:36,830 --> 00:07:34,979

it's not something that and you're not

176

00:07:38,150 --> 00:07:36,840

treated like a you know like some sort

177

00:07:41,270 --> 00:07:38,160

of crazy person when you when you

178

00:07:43,610 --> 00:07:41,280

express an interest in it yeah yeah I

179

00:07:45,770 --> 00:07:43,620

feel much less worried about what people

180

00:07:48,290 --> 00:07:45,780

think when it comes to this topic when

181

00:07:50,270 --> 00:07:48,300

I'm in my professional world I'm not so

182

00:07:53,689 --> 00:07:50,280

worried about it anymore you know I mean

183

00:07:56,029 --> 00:07:53,699

it's it's not it's not a big deal to

184

00:07:58,670 --> 00:07:56,039

even you know broach the subject with a

185

00:08:00,170 --> 00:07:58,680

a client that that I'm appraising you

186

00:08:02,870 --> 00:08:00,180

know furniture and artwork or something

187

00:08:04,610 --> 00:08:02,880

or whatever exactly I've been lad and

188

00:08:07,430 --> 00:08:04,620

proud for years with it you know like

189

00:08:08,930 --> 00:08:07,440

you know you know even even in job

190

00:08:11,150 --> 00:08:08,940

interviews it's come up as an interest

191

00:08:12,650 --> 00:08:11,160

you know like you know I've never never

192

00:08:13,909 --> 00:08:12,660

held back from talking about it because

193

00:08:16,249 --> 00:08:13,919

people are going to accept you for who

194

00:08:18,170 --> 00:08:16,259

you are wow in a job interview that's

195

00:08:19,550 --> 00:08:18,180

awesome I've mentioned it in job

196

00:08:22,930 --> 00:08:19,560

interviews that people say what do you

197

00:08:25,369 --> 00:08:22,940

do for hobbies not golf

198

00:08:27,110 --> 00:08:25,379

oh that's great stuff I know you do

199

00:08:29,350 --> 00:08:27,120

hiking because I've seen pictures that

200

00:08:31,909 --> 00:08:29,360

when you've been out hiking's beautiful

201

00:08:32,750 --> 00:08:31,919

oh yeah a lot a lot of hiking out here

202

00:08:34,130 --> 00:08:32,760

and I'm always

203

00:08:36,230 --> 00:08:34,140

um but but there's but there's an agenda

204

00:08:38,630 --> 00:08:36,240

there Martin I'm either going somewhere

205

00:08:40,130 --> 00:08:38,640

where where yowies have been seen like a

206

00:08:43,490 --> 00:08:40,140

like a Yowie location which is our

207

00:08:45,949 --> 00:08:43,500

Bigfoot version or I'm going to a to a

208

00:08:47,930 --> 00:08:45,959

UFO location so I can you know soak it

209

00:08:49,430 --> 00:08:47,940

all in and take it as a lot of it I base

210

00:08:51,949 --> 00:08:49,440

it around the interest anyway but it's

211

00:08:55,430 --> 00:08:51,959

great to combine the outdoors and UFOs

212

00:08:56,810 --> 00:08:55,440

how about that now the yowie um yeah I

213

00:08:58,370 --> 00:08:56,820

always thought that was a it's kind of

214

00:09:00,230 --> 00:08:58,380

funny there's names for it all Gaddy

215

00:09:02,690 --> 00:09:00,240

your name all over the world different

216

00:09:04,610 --> 00:09:02,700

names for it but are there a lot of you

217

00:09:06,769 --> 00:09:04,620

know I know this this is about UFOs but

218

00:09:08,650 --> 00:09:06,779

are there a lot of people claiming they

219

00:09:12,710 --> 00:09:08,660

see them there

220

00:09:16,190 --> 00:09:12,720

extraordinary record of yowie encounters

221

00:09:19,730 --> 00:09:16,200

just the same as the UFO tapestry really

222

00:09:22,190 --> 00:09:19,740

a great and where I live here in eastern

223

00:09:24,230 --> 00:09:22,200

Victoria it's Wilderness so there's been

224

00:09:26,630 --> 00:09:24,240

some really great encounters just on my

225

00:09:28,610 --> 00:09:26,640

back doorstep but right across Australia

226

00:09:30,350 --> 00:09:28,620

right up the you know even the desert

227

00:09:33,530 --> 00:09:30,360

areas right up through New South Wales

228

00:09:36,590 --> 00:09:33,540

every state has got a Yowie history

229

00:09:38,449 --> 00:09:36,600

how about that amazing now let me ask

230

00:09:40,850 --> 00:09:38,459

you this while we're talking about this

231

00:09:44,269 --> 00:09:40,860

any

232

00:09:46,550 --> 00:09:44,279

um encounters where there's a Yowie and

233

00:09:49,430 --> 00:09:46,560

a UFO together

234

00:09:51,829 --> 00:09:49,440

or some type of event like that not at

235

00:09:53,630 --> 00:09:51,839

all not that I've seen in my research at

236

00:09:55,730 --> 00:09:53,640

this point in time like I've I've

237

00:09:58,009 --> 00:09:55,740

explored a lot of a lot of different

238

00:10:00,829 --> 00:09:58,019

events but I haven't come across

239

00:10:02,690 --> 00:10:00,839

anywhere where that's combined not to

240

00:10:05,389 --> 00:10:02,700

say that they haven't happened or that

241

00:10:07,490 --> 00:10:05,399

if you hopped on to yowie hunters for

242

00:10:09,650 --> 00:10:07,500

example and look through their vast

243

00:10:12,829 --> 00:10:09,660

catalog of reports that you could find

244

00:10:14,990 --> 00:10:12,839

that type of that type of interaction uh

245

00:10:18,230 --> 00:10:15,000

and in my area here it's been people

246

00:10:19,730 --> 00:10:18,240

basically been scared witless by what

247

00:10:22,850 --> 00:10:19,740

they've seen when they've been out in

248

00:10:25,070 --> 00:10:22,860

the uh in in the wilds and that's

249

00:10:27,170 --> 00:10:25,080

something well there was a there's a

250

00:10:30,410 --> 00:10:27,180

case as I was mentioning that I really

251
00:10:32,110 --> 00:10:30,420
would like to talk about and that is and

252
00:10:34,850 --> 00:10:32,120
I know it happened I believe back in

253
00:10:38,509 --> 00:10:34,860
1993 or something like that it's the

254
00:10:40,670 --> 00:10:38,519
Kelly Cahill case I had heard about this

255
00:10:41,630 --> 00:10:40,680
early on when I was looking into the

256
00:10:44,810 --> 00:10:41,640
subject

257
00:10:46,550 --> 00:10:44,820
and I just thought it was just

258
00:10:47,990 --> 00:10:46,560
fascinating and I've talked to a few

259
00:10:49,730 --> 00:10:48,000
people in Australia and I can never

260
00:10:51,769 --> 00:10:49,740
remember the details of the person's

261
00:10:54,230 --> 00:10:51,779
name and then

262
00:10:59,329 --> 00:10:54,240
um today I was like oh that's the name

263
00:11:01,790 --> 00:10:59,339

the Kelly Cahill case so uh for uh we do

264

00:11:03,829 --> 00:11:01,800

have a lot of people that are new to the

265

00:11:06,670 --> 00:11:03,839

subject that are paying attention to

266

00:11:10,130 --> 00:11:06,680

this show now so uh and a lot of people

267

00:11:13,610 --> 00:11:10,140

uh that are in the UFO are researching

268

00:11:15,530 --> 00:11:13,620

UFO topics uh do not know anything about

269

00:11:16,670 --> 00:11:15,540

this case so if you could can you go

270

00:11:19,790 --> 00:11:16,680

through that case

271

00:11:22,550 --> 00:11:19,800

well yeah no no problem at all I sort of

272

00:11:25,550 --> 00:11:22,560

it it came it happened on on the 7th of

273

00:11:27,590 --> 00:11:25,560

August 1993. now first of all August is

274

00:11:29,690 --> 00:11:27,600

deep winter here in Australia that's the

275

00:11:32,810 --> 00:11:29,700

coldest the coldest month of the year

276

00:11:36,889 --> 00:11:32,820

it's freezing here at that at that time

277

00:11:39,650 --> 00:11:36,899

and in 1993 it kind of was around a

278

00:11:41,930 --> 00:11:39,660

similar time to The X-Files so you know

279

00:11:43,610 --> 00:11:41,940

it's sort of it had that wonderful it's

280

00:11:44,750 --> 00:11:43,620

sort of the case occurred at just the

281

00:11:47,210 --> 00:11:44,760

right time because that was another

282

00:11:49,850 --> 00:11:47,220

period in history where UFO's got a vast

283

00:11:52,130 --> 00:11:49,860

amount of interest and I sort of became

284

00:11:55,009 --> 00:11:52,140

interested in it when I had had sort of

285

00:11:57,110 --> 00:11:55,019

seen it in our local media here and then

286

00:12:00,410 --> 00:11:57,120

Kelly had actually written a book about

287

00:12:01,670 --> 00:12:00,420

it and I got the book and I read it from

288

00:12:03,949 --> 00:12:01,680

cover to cover

289

00:12:07,130 --> 00:12:03,959

and I thought to myself this is an

290

00:12:09,290 --> 00:12:07,140

incredible an incredible story uh what's

291

00:12:13,250 --> 00:12:09,300

so special about this case is the fact

292

00:12:17,509 --> 00:12:13,260

that you had independent vehicles to the

293

00:12:20,569 --> 00:12:17,519

same event three cars six people and a

294

00:12:23,269 --> 00:12:20,579

football field size UFO hovering out

295

00:12:26,269 --> 00:12:23,279

over a field that's that's the basics of

296

00:12:28,449 --> 00:12:26,279

it it goes into a lot more so it was a

297

00:12:30,769 --> 00:12:28,459

very very uh

298

00:12:33,050 --> 00:12:30,779

extraordinary case not just in Australia

299

00:12:35,150 --> 00:12:33,060

perhaps even in the world because most

300

00:12:37,130 --> 00:12:35,160

often encounters are usually just a

301
00:12:38,930 --> 00:12:37,140
single vehicle or a single person or a

302
00:12:41,449 --> 00:12:38,940
small group of people all connected to

303
00:12:45,410 --> 00:12:41,459
each other this was the first case that

304
00:12:47,870 --> 00:12:45,420
offered independent Witnesses and that

305
00:12:51,050 --> 00:12:47,880
and that's where the media here really

306
00:12:53,150 --> 00:12:51,060
really got so interested in it and it

307
00:12:55,610 --> 00:12:53,160
became a huge story and overnight Kelly

308
00:12:57,889 --> 00:12:55,620
became this instantly recognizable

309
00:13:00,110 --> 00:12:57,899
person in not just to people who are

310
00:13:02,090 --> 00:13:00,120
into the Paranormal but for even in

311
00:13:03,230 --> 00:13:02,100
general Society this this story became

312
00:13:04,850 --> 00:13:03,240
very big

313
00:13:08,810 --> 00:13:04,860

and

314

00:13:12,230 --> 00:13:08,820

is the the problem with it too because

315

00:13:15,650 --> 00:13:12,240

for all the potential that it offered

316

00:13:17,810 --> 00:13:15,660

it came up short ultimately and we'll

317

00:13:19,190 --> 00:13:17,820

talk about we'll talk about how that how

318

00:13:21,769 --> 00:13:19,200

that happened

319

00:13:25,250 --> 00:13:21,779

so what actually happened

320

00:13:27,710 --> 00:13:25,260

so Kelly lived not far from where I live

321

00:13:29,990 --> 00:13:27,720

actually she's only about an hour and a

322

00:13:31,670 --> 00:13:30,000

half uh west of here is where she was

323

00:13:33,230 --> 00:13:31,680

living in Latrobe Valley

324

00:13:34,970 --> 00:13:33,240

and they'll try Valley's about another

325

00:13:36,829 --> 00:13:34,980

hour and a half outside of Melbourne

326

00:13:37,790 --> 00:13:36,839

which is the the capital city of

327

00:13:40,430 --> 00:13:37,800

Victoria

328

00:13:42,530 --> 00:13:40,440

and on that particular day on the sixth

329

00:13:45,970 --> 00:13:42,540

actually she was driving up with her

330

00:13:48,350 --> 00:13:45,980

husband to visit a friend that's Kelly

331

00:13:49,490 --> 00:13:48,360

and they were driving up in the in the

332

00:13:51,230 --> 00:13:49,500

late evening

333

00:13:53,050 --> 00:13:51,240

and they're heading up into What's

334

00:13:54,949 --> 00:13:53,060

called the Dandenong ranges or the

335

00:13:57,110 --> 00:13:54,959

dandenongs is what we call it here but

336

00:13:59,629 --> 00:13:57,120

it's basically a mountain range to a

337

00:14:01,790 --> 00:13:59,639

little small town up there called mumbok

338

00:14:03,170 --> 00:14:01,800

and she had a friend up there and

339

00:14:04,850 --> 00:14:03,180

they're going up there to visit her

340

00:14:07,250 --> 00:14:04,860

friend and her friend's daughter was

341

00:14:08,690 --> 00:14:07,260

having a birthday party and Kelly and

342

00:14:11,389 --> 00:14:08,700

her friend were going to go off and play

343

00:14:13,910 --> 00:14:11,399

Bingo and if and her husband was going

344

00:14:16,970 --> 00:14:13,920

to go do visit other friends

345

00:14:20,650 --> 00:14:16,980

but on the way up they were driving

346

00:14:23,990 --> 00:14:20,660

along and she saw a row of orange lights

347

00:14:26,629 --> 00:14:24,000

suspended out over a field in the as in

348

00:14:28,190 --> 00:14:26,639

the late in the late evening she saw it

349

00:14:30,290 --> 00:14:28,200

and she mentioned it to her husband and

350

00:14:31,250 --> 00:14:30,300

he sort of just dismissed it and kept on

351

00:14:33,350 --> 00:14:31,260

driving

352

00:14:35,810 --> 00:14:33,360

and when they got up to her friend's

353

00:14:37,430 --> 00:14:35,820

house the incident sort of like you know

354

00:14:39,650 --> 00:14:37,440

they spoke about you know oh we saw

355

00:14:40,850 --> 00:14:39,660

something haha and then they got on with

356

00:14:43,670 --> 00:14:40,860

their night

357

00:14:45,530 --> 00:14:43,680

and they didn't get home until about 11

358

00:14:47,449 --> 00:14:45,540

30 so they'd had a pretty good night and

359

00:14:49,610 --> 00:14:47,459

the lights had been forgotten about

360

00:14:51,829 --> 00:14:49,620

and at 11 30

361

00:14:53,629 --> 00:14:51,839

and her husband Andrew that that's

362

00:14:56,930 --> 00:14:53,639

that's not his real name

363

00:14:59,389 --> 00:14:56,940

they hopped in the um they hopped in

364

00:15:01,370 --> 00:14:59,399

their car and they started to drive back

365

00:15:03,230 --> 00:15:01,380

down to Maui where they were whether or

366

00:15:05,930 --> 00:15:03,240

from your lawn North which is just North

367

00:15:08,870 --> 00:15:05,940

of mine that's where they were returning

368

00:15:12,769 --> 00:15:08,880

to and as they were going back down

369

00:15:14,810 --> 00:15:12,779

they they both saw the same row of

370

00:15:18,110 --> 00:15:14,820

orange lights in the sky

371

00:15:19,610 --> 00:15:18,120

and this time her husband acknowledged

372

00:15:22,610 --> 00:15:19,620

that he had seen it

373

00:15:25,910 --> 00:15:22,620

and as they drive along they saw this

374

00:15:27,410 --> 00:15:25,920

sheet of brilliant white light across

375

00:15:30,530 --> 00:15:27,420

the road just like think like a bed

376

00:15:33,050 --> 00:15:30,540

sheet but a brilliant white light like

377

00:15:35,389 --> 00:15:33,060

that across the road and as they drove

378

00:15:37,970 --> 00:15:35,399

through it at 100 kilometers an hour

379

00:15:40,250 --> 00:15:37,980

they suddenly found themselves on the

380

00:15:42,889 --> 00:15:40,260

other side of a roundabout which is a

381

00:15:45,290 --> 00:15:42,899

circular thing in the road where the

382

00:15:47,090 --> 00:15:45,300

cars can pass around an easy way to give

383

00:15:48,350 --> 00:15:47,100

way they're on the other side of this

384

00:15:50,930 --> 00:15:48,360

roundabout

385

00:15:52,910 --> 00:15:50,940

and they were now instantly going 40

386

00:15:54,590 --> 00:15:52,920

kilometers an hour so they'd pass

387

00:15:56,629 --> 00:15:54,600

through the sheep from 100 K's and

388

00:15:57,889 --> 00:15:56,639

instantly down to 40 and we're feeling a

389

00:16:00,650 --> 00:15:57,899

bit stunned

390

00:16:01,550 --> 00:16:00,660

and they drive home there's two parts to

391

00:16:04,430 --> 00:16:01,560

this story

392

00:16:07,550 --> 00:16:04,440

they drove home to Maui and when they

393

00:16:08,990 --> 00:16:07,560

got home they discovered that what it

394

00:16:13,610 --> 00:16:09,000

should have been an hour and a half trip

395

00:16:16,790 --> 00:16:13,620

had taken three hours to get home

396

00:16:21,050 --> 00:16:16,800

and when they got home they they noticed

397

00:16:26,030 --> 00:16:21,060

that the car stunk a vomit like a real

398

00:16:27,530 --> 00:16:26,040

putrid sick smell was permeating the car

399

00:16:30,470 --> 00:16:27,540

and she

400

00:16:33,350 --> 00:16:30,480

had a little triangular mark underneath

401
00:16:35,509 --> 00:16:33,360
her navel with a sharp defined cut Edge

402
00:16:37,370 --> 00:16:35,519
on it and she started to feel really

403
00:16:38,150 --> 00:16:37,380
really sick that's the first part of the

404
00:16:40,610 --> 00:16:38,160
story

405
00:16:43,490 --> 00:16:40,620
and that's that's in terms of of what

406
00:16:45,410 --> 00:16:43,500
they experienced consciously so that was

407
00:16:47,090 --> 00:16:45,420
their conscious experience

408
00:16:49,749 --> 00:16:47,100
but

409
00:16:52,490 --> 00:16:49,759
as the as the days and the weeks went on

410
00:16:53,930 --> 00:16:52,500
it started Kelly had a series of

411
00:16:55,670 --> 00:16:53,940
nightmares

412
00:16:58,370 --> 00:16:55,680
um a nightmare about something on top of

413
00:17:01,670 --> 00:16:58,380

her suctioning and a tall being being

414

00:17:03,170 --> 00:17:01,680

nearby and they they had these these

415

00:17:05,270 --> 00:17:03,180

little well she started to have these

416

00:17:06,350 --> 00:17:05,280

little little weird strange things that

417

00:17:09,130 --> 00:17:06,360

were happening

418

00:17:12,949 --> 00:17:09,140

and when it started to come back to them

419

00:17:15,949 --> 00:17:12,959

they so by the 16th of September of that

420

00:17:17,449 --> 00:17:15,959

year so you know just a week week or a

421

00:17:19,429 --> 00:17:17,459

bit later

422

00:17:21,470 --> 00:17:19,439

today we're visiting friends and the

423

00:17:23,510 --> 00:17:21,480

topic of UFOs had come up again

424

00:17:25,549 --> 00:17:23,520

and her husband related with what they

425

00:17:27,110 --> 00:17:25,559

had seen and Kelly at this stage was

426

00:17:29,330 --> 00:17:27,120

still apart from some dreams didn't

427

00:17:32,030 --> 00:17:29,340

really have any details but slowly over

428

00:17:34,250 --> 00:17:32,040

the next week she began to remember

429

00:17:35,690 --> 00:17:34,260

and it wasn't until a trip back up to

430

00:17:38,750 --> 00:17:35,700

her another trip to her friend's house

431

00:17:41,090 --> 00:17:38,760

in monbulk that it all came back in

432

00:17:43,669 --> 00:17:41,100

Vivid details and rather than go to

433

00:17:46,370 --> 00:17:43,679

bingo on the second trip she sat down

434

00:17:48,169 --> 00:17:46,380

with her friend and began to recall what

435

00:17:50,029 --> 00:17:48,179

actually happened so this is the so

436

00:17:52,730 --> 00:17:50,039

that's what they consciously recalled at

437

00:17:54,770 --> 00:17:52,740

the time already this is a com a week

438

00:17:56,510 --> 00:17:54,780

later or you know a few days later she's

439

00:17:58,490 --> 00:17:56,520

at her friend's house and the whole

440

00:18:02,090 --> 00:17:58,500

thing comes flooding back

441

00:18:05,029 --> 00:18:02,100

so she was very uh and that sort of

442

00:18:07,610 --> 00:18:05,039

became very very stressful so what

443

00:18:09,650 --> 00:18:07,620

happened what actually happened on the

444

00:18:11,570 --> 00:18:09,660

7th of August when they rounded the band

445

00:18:13,610 --> 00:18:11,580

after they'd gone through the light

446

00:18:16,370 --> 00:18:13,620

they had seen orange lights in the

447

00:18:18,169 --> 00:18:16,380

middle of the field about 150 meters

448

00:18:21,049 --> 00:18:18,179

back and it was the size of an Olympic

449

00:18:24,110 --> 00:18:21,059

swimming pool and as high as a two-story

450

00:18:26,710 --> 00:18:24,120

house and brightly illuminated

451
00:18:29,090 --> 00:18:26,720
and Andrew pulled the station wagon over

452
00:18:31,310 --> 00:18:29,100
the road was Pitch Black and there was

453
00:18:33,110 --> 00:18:31,320
no moon or anything like that at all

454
00:18:35,150 --> 00:18:33,120
and when he when he turned off the

455
00:18:36,710 --> 00:18:35,160
headlights the only light source was the

456
00:18:39,830 --> 00:18:36,720
craft in the field

457
00:18:42,409 --> 00:18:39,840
and the craft was even bigger than what

458
00:18:44,450 --> 00:18:42,419
they had seen earlier that that night

459
00:18:46,010 --> 00:18:44,460
that when they'd seen it on the way on

460
00:18:48,590 --> 00:18:46,020
the way up on the first trip

461
00:18:50,750 --> 00:18:48,600
and it also had blue and aqua light

462
00:18:53,690 --> 00:18:50,760
coming streaming down from underneath

463
00:18:56,150 --> 00:18:53,700

the craft it was very beautiful and the

464

00:18:58,850 --> 00:18:56,160

lights looked like they had a Mist

465

00:19:00,890 --> 00:18:58,860

around each of the lights now this is

466

00:19:04,850 --> 00:19:00,900

where it gets interesting another car

467

00:19:08,029 --> 00:19:04,860

stopped behind the Cahill's car 110

468

00:19:10,250 --> 00:19:08,039

meters back and a third car 25 meters

469

00:19:13,190 --> 00:19:10,260

behind that also stopped

470

00:19:15,950 --> 00:19:13,200

the Kelly could see two people holding

471

00:19:17,510 --> 00:19:15,960

hands in front of the second car and but

472

00:19:19,190 --> 00:19:17,520

they're only silhouettes

473

00:19:21,529 --> 00:19:19,200

and Andrew and Kelly got out of their

474

00:19:24,230 --> 00:19:21,539

car across the road over a storm water

475

00:19:26,270 --> 00:19:24,240

drain and they walked over to a fence

476

00:19:29,029 --> 00:19:26,280

and I've stood at this exact spot and

477

00:19:31,430 --> 00:19:29,039

they stood there for 30 seconds bathed

478

00:19:35,870 --> 00:19:31,440

in this amazing light and then from

479

00:19:38,570 --> 00:19:35,880

nowhere a tall black figure appeared in

480

00:19:40,310 --> 00:19:38,580

front of the craft really tall skinny

481

00:19:42,830 --> 00:19:40,320

black figure

482

00:19:45,590 --> 00:19:42,840

and it was tall and a little misshapen

483

00:19:48,289 --> 00:19:45,600

and the being began to move towards them

484

00:19:51,409 --> 00:19:48,299

from over 150 meters away

485

00:19:54,049 --> 00:19:51,419

and in her head Kelly heard a suggestion

486

00:19:57,590 --> 00:19:54,059

and the suggestion was in a flat voice

487

00:20:00,250 --> 00:19:57,600

let's kill them and it was a suggestion

488

00:20:02,870 --> 00:20:00,260

that that had no emotion or excitement

489

00:20:05,150 --> 00:20:02,880

and she she said it was more like a

490

00:20:07,130 --> 00:20:05,160

discussion of options

491

00:20:09,169 --> 00:20:07,140

but all of a sudden there was not just

492

00:20:11,570 --> 00:20:09,179

one being underneath the craft

493

00:20:14,090 --> 00:20:11,580

illuminated by the blue light there were

494

00:20:15,950 --> 00:20:14,100

seven to eight beings and possibly more

495

00:20:19,190 --> 00:20:15,960

and this is what happened this is what

496

00:20:22,250 --> 00:20:19,200

happened then a low frequency shock wave

497

00:20:24,049 --> 00:20:22,260

Came Traveling across the field and it

498

00:20:25,250 --> 00:20:24,059

hit the people standing next to their

499

00:20:27,230 --> 00:20:25,260

extending next to their cars and against

500

00:20:29,090 --> 00:20:27,240

the fence and it was like a base ant at

501
00:20:31,789 --> 00:20:29,100
a rock concert when you're standing at a

502
00:20:35,630 --> 00:20:31,799
rock concert that booming bass which we

503
00:20:37,909 --> 00:20:35,640
all love yeah um but it's not her clean

504
00:20:40,669 --> 00:20:37,919
off her feet and the wave passed through

505
00:20:42,710 --> 00:20:40,679
her body uh and it was more like a

506
00:20:45,110 --> 00:20:42,720
horror-inducing energy that passed

507
00:20:47,870 --> 00:20:45,120
through her body and Terror Rose inside

508
00:20:50,570 --> 00:20:47,880
her in the bed and all at once the beans

509
00:20:52,909 --> 00:20:50,580
eyes lit up a brilliant red they all the

510
00:20:55,850 --> 00:20:52,919
eyes came on brilliant red

511
00:20:58,789 --> 00:20:55,860
and Kelly screamed they have no souls

512
00:21:00,409 --> 00:20:58,799
and the groups split into two groups the

513
00:21:02,690 --> 00:21:00,419

the aliens spitting to split into two

514

00:21:05,029 --> 00:21:02,700

groups and they started charging across

515

00:21:07,370 --> 00:21:05,039

the field towards the witnesses and they

516

00:21:10,130 --> 00:21:07,380

covered the distance of 150 meters in

517

00:21:13,190 --> 00:21:10,140

three seconds not running but floating

518

00:21:15,830 --> 00:21:13,200

and it was an instant reaction and she

519

00:21:17,390 --> 00:21:15,840

described them as moving not moving way

520

00:21:18,770 --> 00:21:17,400

better than organized military unit

521

00:21:20,270 --> 00:21:18,780

would move it was like everyone was

522

00:21:22,549 --> 00:21:20,280

thinking the same thing at the same time

523

00:21:23,810 --> 00:21:22,559

and it just happened in a really instant

524

00:21:25,310 --> 00:21:23,820

kind of a way

525

00:21:26,090 --> 00:21:25,320

and the energy knocked them to the

526

00:21:28,070 --> 00:21:26,100

ground

527

00:21:29,990 --> 00:21:28,080

and

528

00:21:33,529 --> 00:21:30,000

the red eyes were described as being

529

00:21:35,930 --> 00:21:33,539

being horrific and it was the energy

530

00:21:38,450 --> 00:21:35,940

from the eyes that was that that she

531

00:21:40,490 --> 00:21:38,460

remembered very very strongly

532

00:21:42,010 --> 00:21:40,500

and she thought her thoughts were

533

00:21:44,210 --> 00:21:42,020

scrambled at having been knocked over

534

00:21:46,610 --> 00:21:44,220

and uh one of these tall figures

535

00:21:48,409 --> 00:21:46,620

appeared instantly before her and she

536

00:21:51,289 --> 00:21:48,419

felt a blow and she was on the ground

537

00:21:53,210 --> 00:21:51,299

days confused winded all that sort of

538

00:21:55,310 --> 00:21:53,220

thing and she could only hear her

539

00:21:56,570 --> 00:21:55,320

husband telling the creatures to leave

540

00:21:58,070 --> 00:21:56,580

me alone

541

00:22:11,750 --> 00:21:58,080

and

542

00:22:14,570 --> 00:22:11,760

we mean you no harm but she described

543

00:22:16,250 --> 00:22:14,580

the voices dripping with sarcasm and

544

00:22:18,710 --> 00:22:16,260

that this creature was fond of using

545

00:22:21,110 --> 00:22:18,720

cliches and used them throughout its

546

00:22:25,070 --> 00:22:21,120

address with them so it was really

547

00:22:27,649 --> 00:22:25,080

really strange and Andrew asked her

548

00:22:29,630 --> 00:22:27,659

husband asked why did you hit Kelly and

549

00:22:33,110 --> 00:22:29,640

the response was I wouldn't harm her

550

00:22:36,289 --> 00:22:33,120

after all I am her father Kelly she

551
00:22:38,029 --> 00:22:36,299
screamed at the creature she said uh you

552
00:22:40,850 --> 00:22:38,039
are not my father I hate you you were

553
00:22:42,770 --> 00:22:40,860
evil over and over and Kelly said it it

554
00:22:45,649 --> 00:22:42,780
was as if it was as if she was being

555
00:22:48,169 --> 00:22:45,659
mocked and it had its little joke

556
00:22:50,510 --> 00:22:48,179
chuckling and it was

557
00:22:52,430 --> 00:22:50,520
and it was just and after that she

558
00:22:53,570 --> 00:22:52,440
basically blacked out

559
00:22:56,510 --> 00:22:53,580
so

560
00:22:57,710 --> 00:22:56,520
that's the conscious recall that she

561
00:22:59,630 --> 00:22:57,720
actually had

562
00:23:02,690 --> 00:22:59,640
now

563
00:23:04,789 --> 00:23:02,700

so here we've got let me just let me

564

00:23:07,970 --> 00:23:04,799

just interrupt you for a second there so

565

00:23:09,710 --> 00:23:07,980

she had this all through regression or

566

00:23:12,830 --> 00:23:09,720

something like that or how did she

567

00:23:15,830 --> 00:23:12,840

record it and what about Andrew yeah

568

00:23:19,070 --> 00:23:15,840

well it started to come it it all it all

569

00:23:21,830 --> 00:23:19,080

came back to her at this once at this

570

00:23:23,990 --> 00:23:21,840

one session uh at her at her friend's

571

00:23:27,470 --> 00:23:24,000

house when it was like the the memory

572

00:23:30,710 --> 00:23:27,480

blockers had been uh released or almost

573

00:23:32,510 --> 00:23:30,720

away and suddenly this instant recall

574

00:23:34,430 --> 00:23:32,520

came back to her about the horror of the

575

00:23:36,289 --> 00:23:34,440

event now at home she had been really

576

00:23:39,710 --> 00:23:36,299

sick she started bleeding menstrually

577

00:23:42,110 --> 00:23:39,720

out out of the time of her cycle uh very

578

00:23:43,789 --> 00:23:42,120

heavily and she ended up going into into

579

00:23:47,330 --> 00:23:43,799

hospital with the with a uterine

580

00:23:50,390 --> 00:23:47,340

infection so all this had happened as

581

00:23:52,310 --> 00:23:50,400

well prior to prior to the uh The

582

00:23:54,289 --> 00:23:52,320

Awakening which you could call it of of

583

00:23:57,830 --> 00:23:54,299

this of these actual you know what

584

00:24:00,110 --> 00:23:57,840

happened to her so so that's the that's

585

00:24:01,730 --> 00:24:00,120

the that's the brush stroke story of

586

00:24:03,529 --> 00:24:01,740

what of what actually occurred and then

587

00:24:06,110 --> 00:24:03,539

she did do some regressions after that

588

00:24:09,049 --> 00:24:06,120

but that all kind of gets a bit a bit

589

00:24:13,130 --> 00:24:09,059

lost to the to us as being able to

590

00:24:15,590 --> 00:24:13,140

access that side of it and I know a a

591

00:24:19,310 --> 00:24:15,600

lady who who helped her during that time

592

00:24:23,870 --> 00:24:19,320

I know her personally as well and uh and

593

00:24:25,610 --> 00:24:23,880

it was an extremely traumatic experience

594

00:24:28,789 --> 00:24:25,620

but

595

00:24:31,970 --> 00:24:28,799

incredibly this is where the story

596

00:24:36,770 --> 00:24:31,980

starts to derail from from this point

597

00:24:38,930 --> 00:24:36,780

onwards in that she now wanted to try

598

00:24:41,870 --> 00:24:38,940

and get some help and she started

599

00:24:43,669 --> 00:24:41,880

calling universities

600

00:24:46,490 --> 00:24:43,679

um observatories

601
00:24:49,130 --> 00:24:46,500
the civil aviation Authority the Wrath

602
00:24:51,409 --> 00:24:49,140
she's a royal Australian Air Force she

603
00:24:53,750 --> 00:24:51,419
started making phone calls I've got to

604
00:24:55,850 --> 00:24:53,760
try and get tell someone about this

605
00:24:57,770 --> 00:24:55,860
experience and they all told basically

606
00:24:59,810 --> 00:24:57,780
they all pretty much dismissed it as you

607
00:25:02,690 --> 00:24:59,820
could imagine they would back then

608
00:25:05,810 --> 00:25:02,700
but the civil aviation Authority gave

609
00:25:08,330 --> 00:25:05,820
her bill chalker's phone number in

610
00:25:10,070 --> 00:25:08,340
Sydney so Kelly was in Melbourne and

611
00:25:12,169 --> 00:25:10,080
bills based in Sydney long time

612
00:25:13,970 --> 00:25:12,179
Australian researcher many people who

613
00:25:16,250 --> 00:25:13,980

are listening would probably be aware of

614

00:25:17,390 --> 00:25:16,260

bill and his work uh really really good

615

00:25:19,190 --> 00:25:17,400

researcher

616

00:25:20,210 --> 00:25:19,200

but Bill was stuck up there and he knew

617

00:25:23,149 --> 00:25:20,220

that he wouldn't he wasn't going to be

618

00:25:25,070 --> 00:25:23,159

able to handle that case with all its

619

00:25:27,529 --> 00:25:25,080

intricacies you know everything from

620

00:25:29,630 --> 00:25:27,539

what happened to Kelly and Andrew all

621

00:25:32,510 --> 00:25:29,640

the way through to finding the other

622

00:25:34,490 --> 00:25:32,520

Witnesses so he thought who could I who

623

00:25:37,970 --> 00:25:34,500

can I offer this case too so he he

624

00:25:39,409 --> 00:25:37,980

contacted John orcatel I just have to

625

00:25:41,269 --> 00:25:39,419

interrupt you real quickly for a second

626
00:25:43,370 --> 00:25:41,279
there's someone pounding on my studio

627
00:25:44,930 --> 00:25:43,380
outside my pounding trying to get in

628
00:25:46,909 --> 00:25:44,940
they're locked out or something so

629
00:25:50,450 --> 00:25:46,919
please continue on I gotta let them in

630
00:25:54,049 --> 00:25:50,460
and but please continue on yes thank you

631
00:25:56,870 --> 00:25:54,059
so he he passed the the whole uh

632
00:26:01,549 --> 00:25:56,880
responsibility for the investigation on

633
00:26:03,230 --> 00:26:01,559
to uh on to John Alcatel uh for his

634
00:26:06,110 --> 00:26:03,240
group was pra

635
00:26:08,210 --> 00:26:06,120
now John being in Melbourne contacted

636
00:26:11,330 --> 00:26:08,220
Kelly and they started talking about the

637
00:26:13,850 --> 00:26:11,340
events and John also instantly put ads

638
00:26:16,549 --> 00:26:13,860

in the local paper and he worded them in

639

00:26:19,250 --> 00:26:16,559

a very specific way so that people would

640

00:26:20,870 --> 00:26:19,260

understand uh so people who'd been at

641

00:26:23,110 --> 00:26:20,880

that who'd been at that encounter would

642

00:26:25,970 --> 00:26:23,120

know the cues that he'd put into the ad

643

00:26:29,390 --> 00:26:25,980

and he very soon he started to get some

644

00:26:32,269 --> 00:26:29,400

responses and the first car came forward

645

00:26:35,450 --> 00:26:32,279

and those people were known as Bill Jan

646

00:26:38,630 --> 00:26:35,460

and Glenda and later on the third card

647

00:26:42,230 --> 00:26:38,640

was also found with one male in it

648

00:26:45,710 --> 00:26:42,240

now the other Witnesses they all

649

00:26:48,110 --> 00:26:45,720

recounted similar similar experiences

650

00:26:51,049 --> 00:26:48,120

which became interesting

651
00:26:53,570 --> 00:26:51,059
but the problem becomes that none of the

652
00:26:57,289 --> 00:26:53,580
additional Witnesses have ever come

653
00:27:02,330 --> 00:26:57,299
forward publicly so no one has been able

654
00:27:05,149 --> 00:27:02,340
to talk to Bill Jan or Glenda or the

655
00:27:08,450 --> 00:27:05,159
other man they've they've just never

656
00:27:11,630 --> 00:27:08,460
come forward in in the 30 years since

657
00:27:13,070 --> 00:27:11,640
that makes the story hard to actually

658
00:27:16,370 --> 00:27:13,080
verify

659
00:27:19,570 --> 00:27:16,380
but John in his investigation went to

660
00:27:23,390 --> 00:27:19,580
the to the location and he also found

661
00:27:26,390 --> 00:27:23,400
burn marks on the ground and they also

662
00:27:27,710 --> 00:27:26,400
found some strange Trace readings in

663
00:27:29,750 --> 00:27:27,720

that location

664

00:27:32,990 --> 00:27:29,760

so as much as we can argue about the

665

00:27:36,110 --> 00:27:33,000

fact is this a genuine case or not there

666

00:27:38,390 --> 00:27:36,120

was physical trace evidence in that

667

00:27:41,029 --> 00:27:38,400

field at that time

668

00:27:42,169 --> 00:27:41,039

so that can't sort of readily be

669

00:27:45,049 --> 00:27:42,179

dismissed

670

00:27:48,890 --> 00:27:45,059

the rest of it after that becomes

671

00:27:50,210 --> 00:27:48,900

a lot more convoluted and and difficult

672

00:27:52,370 --> 00:27:50,220

so

673

00:27:55,190 --> 00:27:52,380

bill

674

00:27:57,590 --> 00:27:55,200

was kind of shut out of it at that point

675

00:27:59,930 --> 00:27:57,600

too so he was never able to get back

676
00:28:01,549 --> 00:27:59,940
into the case

677
00:28:02,750 --> 00:28:01,559
as a result

678
00:28:05,750 --> 00:28:02,760
and

679
00:28:09,169 --> 00:28:05,760
Kelly ultimately the frustration had

680
00:28:12,769 --> 00:28:09,179
come out in her as well with with the

681
00:28:13,610 --> 00:28:12,779
way the case had been had been

682
00:28:16,250 --> 00:28:13,620
um

683
00:28:18,350 --> 00:28:16,260
handled I think she became sort of

684
00:28:19,970 --> 00:28:18,360
disillusioned with the whole thing but

685
00:28:23,330 --> 00:28:19,980
at the same time as that she'd also

686
00:28:26,269 --> 00:28:23,340
become a real public figure and had done

687
00:28:28,970 --> 00:28:26,279
many talking tours in Australia and she

688
00:28:32,269 --> 00:28:28,980

also went to America and she did a tour

689

00:28:34,070 --> 00:28:32,279

over there uh in in the year or so after

690

00:28:35,810 --> 00:28:34,080

that as well

691

00:28:38,690 --> 00:28:35,820

so she was very

692

00:28:41,930 --> 00:28:38,700

very high profile and then all of a

693

00:28:44,029 --> 00:28:41,940

sudden that Fame became way too much for

694

00:28:46,730 --> 00:28:44,039

her and she decided that she was gonna

695

00:28:48,710 --> 00:28:46,740

jettison the whole the whole thing and

696

00:28:51,649 --> 00:28:48,720

she even got rid of her UFO records

697

00:28:53,830 --> 00:28:51,659

everything and she disappeared off the

698

00:28:57,470 --> 00:28:53,840

radar wow

699

00:28:59,570 --> 00:28:57,480

so so that was and you've tried to

700

00:29:02,149 --> 00:28:59,580

you've tried to reach out to her he said

701
00:29:04,610 --> 00:29:02,159
yeah I've reached out to her and I and I

702
00:29:08,390 --> 00:29:04,620
I have met her and I and I know where

703
00:29:10,909 --> 00:29:08,400
she is and I I reached out to her

704
00:29:14,810 --> 00:29:10,919
I mean I have never I'd never met a

705
00:29:16,669 --> 00:29:14,820
Beyond a real brief sort of meeting and

706
00:29:19,430 --> 00:29:16,679
I reached out to her to try and say look

707
00:29:22,130 --> 00:29:19,440
after all these years it'd be fantastic

708
00:29:24,049 --> 00:29:22,140
just to touch base just to see what's

709
00:29:26,690 --> 00:29:24,059
been happening for you over the last 30

710
00:29:27,710 --> 00:29:26,700
years not turn it into a big you know a

711
00:29:30,049 --> 00:29:27,720
big

712
00:29:32,810 --> 00:29:30,059
um song and dance again let's just touch

713
00:29:34,370 --> 00:29:32,820

base on how you're going uh and if and

714

00:29:36,889 --> 00:29:34,380

has anything else happened since that

715

00:29:38,450 --> 00:29:36,899

time and that was that was my intention

716

00:29:40,070 --> 00:29:38,460

and approach with her and I wanted to

717

00:29:43,370 --> 00:29:40,080

approach her from a from a friendly

718

00:29:45,710 --> 00:29:43,380

angle and she hasn't replied to me in

719

00:29:47,450 --> 00:29:45,720

terms of being willing or interested to

720

00:29:50,029 --> 00:29:47,460

come out and and I knew that anyway I

721

00:29:51,710 --> 00:29:50,039

knew that she had that she has disowned

722

00:29:53,149 --> 00:29:51,720

the whole thing and not and is not

723

00:29:55,730 --> 00:29:53,159

interested in talking about it but I

724

00:29:58,190 --> 00:29:55,740

thought if you don't ask you don't know

725

00:30:00,289 --> 00:29:58,200

now what about the other people we only

726

00:30:02,630 --> 00:30:00,299

know their first names right

727

00:30:04,909 --> 00:30:02,640

that's part of the problem too is that

728

00:30:07,130 --> 00:30:04,919

we've only got pseudonyms to deal with

729

00:30:09,049 --> 00:30:07,140

because me as a me as an investigator

730

00:30:12,049 --> 00:30:09,059

you just got to give me something small

731

00:30:15,470 --> 00:30:12,059

tiny a whiff of smoke and I will go out

732

00:30:16,909 --> 00:30:15,480

there and I will dig and turn the Earth

733

00:30:18,789 --> 00:30:16,919

over

734

00:30:21,529 --> 00:30:18,799

to see what I can find

735

00:30:23,470 --> 00:30:21,539

but when you all you've got is three

736

00:30:25,850 --> 00:30:23,480

first names that aren't their real names

737

00:30:27,769 --> 00:30:25,860

you've got nowhere to go

738

00:30:31,490 --> 00:30:27,779

and what about her husband did he ever

739

00:30:34,730 --> 00:30:31,500

talk about what he and what his

740

00:30:38,630 --> 00:30:34,740

experience was that particular night he

741

00:30:40,970 --> 00:30:38,640

was he was actually a Muslim uh and he

742

00:30:43,130 --> 00:30:40,980

was never he never spoke about it

743

00:30:45,649 --> 00:30:43,140

publicly ever

744

00:30:49,310 --> 00:30:45,659

he didn't do a single interview how

745

00:30:51,950 --> 00:30:49,320

about in her book no no because the book

746

00:30:53,810 --> 00:30:51,960

is written purely from Kelly's

747

00:30:55,789 --> 00:30:53,820

perspective it's basically out of print

748

00:30:57,470 --> 00:30:55,799

now and very hard to find I've got two

749

00:31:00,350 --> 00:30:57,480

copies but it's very it's very hard to

750

00:31:02,330 --> 00:31:00,360

track down and the book is written from

751
00:31:03,649 --> 00:31:02,340
her perspective now the book's an

752
00:31:06,830 --> 00:31:03,659
interesting read

753
00:31:10,730 --> 00:31:06,840
but you can't take that book as being

754
00:31:12,230 --> 00:31:10,740
the gospel the reason I say that is

755
00:31:15,769 --> 00:31:12,240
because it's it's written from one

756
00:31:19,669 --> 00:31:15,779
perspective with very little ability to

757
00:31:22,010 --> 00:31:19,679
research and probe into it so I tore

758
00:31:23,750 --> 00:31:22,020
that book apart for for whatever I could

759
00:31:26,570 --> 00:31:23,760
find in there I knew she lived in your

760
00:31:28,970 --> 00:31:26,580
lawn North I Google walked every street

761
00:31:31,070 --> 00:31:28,980
in your lawn North and I had a picture

762
00:31:34,010 --> 00:31:31,080
that she had placed on a local buy Swap

763
00:31:36,710 --> 00:31:34,020

and sell uh for a car that she was

764

00:31:39,830 --> 00:31:36,720

selling and I walked up and down your

765

00:31:41,389 --> 00:31:39,840

lawn mower trying to find mailboxes and

766

00:31:44,330 --> 00:31:41,399

brick patterns and everything that

767

00:31:48,169 --> 00:31:44,340

looked like where she would be and I

768

00:31:50,810 --> 00:31:48,179

didn't have any success so she was very

769

00:31:53,810 --> 00:31:50,820

um you know very very difficult to find

770

00:31:56,330 --> 00:31:53,820

but but funnily enough is that she's not

771

00:31:57,590 --> 00:31:56,340

actually that far away from me so that

772

00:31:59,269 --> 00:31:57,600

was good too she could have moved

773

00:32:02,990 --> 00:31:59,279

anywhere in the world and everybody

774

00:32:05,630 --> 00:32:03,000

moves to Queensland here you know so

775

00:32:07,430 --> 00:32:05,640

um that but that didn't happen so and I

776

00:32:09,710 --> 00:32:07,440

still really would love to have the

777

00:32:11,210 --> 00:32:09,720

opportunity to sit down and have a

778

00:32:13,750 --> 00:32:11,220

discussion with us have to be a podcast

779

00:32:17,210 --> 00:32:13,760

even I'd be happy just to talk to her

780

00:32:19,850 --> 00:32:17,220

one-on-one about the entire the entire

781

00:32:22,430 --> 00:32:19,860

event now I have spoken to both Bill

782

00:32:23,930 --> 00:32:22,440

Chalker and John Alcatel about it as

783

00:32:25,870 --> 00:32:23,940

well at different times over the years

784

00:32:27,950 --> 00:32:25,880

and I know both of them pretty well

785

00:32:29,990 --> 00:32:27,960

uh and

786

00:32:32,149 --> 00:32:30,000

you've still got relatively limited

787

00:32:33,409 --> 00:32:32,159

information as well bills limited from

788

00:32:36,710 --> 00:32:33,419

the fact that he doesn't have the

789

00:32:39,289 --> 00:32:36,720

information and John still because he

790

00:32:41,810 --> 00:32:39,299

wasn't able to complete the report the

791

00:32:44,990 --> 00:32:41,820

way that he wanted to do it he's still

792

00:32:47,450 --> 00:32:45,000

very reluctant to discuss that case and

793

00:32:49,190 --> 00:32:47,460

I've respected that Desiring him to do

794

00:32:51,110 --> 00:32:49,200

that because he doesn't really want to

795

00:32:53,810 --> 00:32:51,120

talk about it hmm

796

00:32:56,029 --> 00:32:53,820

wow so it's another thing it's another

797

00:32:59,090 --> 00:32:56,039

one of those encounters that's a big

798

00:33:02,029 --> 00:32:59,100

huge question mark as a lot of them are

799

00:33:04,850 --> 00:33:02,039

but it had did she ever talk about any

800

00:33:07,250 --> 00:33:04,860

other physical issues

801
00:33:09,950 --> 00:33:07,260
other than what you went through yes so

802
00:33:12,590 --> 00:33:09,960
she had a whole host of strange strange

803
00:33:14,750 --> 00:33:12,600
events that sort of occurred to them

804
00:33:18,289 --> 00:33:14,760
um over the over the time you know like

805
00:33:20,509 --> 00:33:18,299
right back before they actually uh even

806
00:33:22,190 --> 00:33:20,519
had the recollection there was strange

807
00:33:24,110 --> 00:33:22,200
things happening around the house so

808
00:33:28,430 --> 00:33:24,120
there was there was some paranormal

809
00:33:30,409 --> 00:33:28,440
activity that was occurring and so you

810
00:33:33,409 --> 00:33:30,419
said she was having extremely strong

811
00:33:36,130 --> 00:33:33,419
dreams you know loud noises and bright

812
00:33:38,990 --> 00:33:36,140
lights would cause her extreme distress

813
00:33:40,970 --> 00:33:39,000

so she couldn't handle that so you know

814

00:33:43,009 --> 00:33:40,980

if a truck went past or you know

815

00:33:46,610 --> 00:33:43,019

someone's headlights were shining that

816

00:33:48,889 --> 00:33:46,620

was all those PTSD type of effects that

817

00:33:50,990 --> 00:33:48,899

she was that she was actually having you

818

00:33:52,850 --> 00:33:51,000

know the dreams were extremely strange

819

00:33:54,889 --> 00:33:52,860

you know like

820

00:33:57,529 --> 00:33:54,899

um and there was one one incidence that

821

00:34:00,950 --> 00:33:57,539

she had where she went to bed about 3

822

00:34:04,190 --> 00:34:00,960

A.M and she awoke and recalled a dream

823

00:34:05,750 --> 00:34:04,200

involving UFOs and entities and in Her

824

00:34:08,450 --> 00:34:05,760

Dream she recognized as one of the

825

00:34:10,669 --> 00:34:08,460

beings as someone familiar and trusted

826

00:34:13,070 --> 00:34:10,679

although she did not know who the being

827

00:34:15,710 --> 00:34:13,080

was but she had the idea that this being

828

00:34:18,649 --> 00:34:15,720

was the keeper of her soul and on the

829

00:34:20,510 --> 00:34:18,659

table for the being was a Bible which

830

00:34:22,550 --> 00:34:20,520

she recognized as one of her own Bibles

831

00:34:25,070 --> 00:34:22,560

because she was actually a Pentecostal

832

00:34:28,430 --> 00:34:25,080

Christian and she may still well be and

833

00:34:30,649 --> 00:34:28,440

the being told her that she could come

834

00:34:33,589 --> 00:34:30,659

with him but she had to leave the Bible

835

00:34:35,570 --> 00:34:33,599

behind or she could just leave with the

836

00:34:37,730 --> 00:34:35,580

Bible and this made her distrust The

837

00:34:40,669 --> 00:34:37,740

Entity this is the dream and she thought

838

00:34:43,210 --> 00:34:40,679

that he must be satanic to ask her to

839

00:34:45,349 --> 00:34:43,220

give up the Bible so her whole her whole

840

00:34:48,290 --> 00:34:45,359

framework was was coming from a

841

00:34:50,210 --> 00:34:48,300

Pentecostal background and as if the

842

00:34:52,310 --> 00:34:50,220

entity could read her mind it handed her

843

00:34:54,109 --> 00:34:52,320

the Bible but seemed disappointed by her

844

00:34:57,109 --> 00:34:54,119

decision so that was one of the strange

845

00:34:59,150 --> 00:34:57,119

dreams that she had you know yeah and

846

00:35:02,150 --> 00:34:59,160

plus the suction dream electrical items

847

00:35:04,730 --> 00:35:02,160

TVs behaved oddly turning on and off the

848

00:35:08,390 --> 00:35:04,740

starter motor in the car would turn over

849

00:35:11,030 --> 00:35:08,400

without anybody near it so she received

850

00:35:13,790 --> 00:35:11,040

electric shocks from wood Stones soil

851
00:35:15,770 --> 00:35:13,800
all those type of things so there was a

852
00:35:18,470 --> 00:35:15,780
lot of extra paranormal stuff that was

853
00:35:20,510 --> 00:35:18,480
going around it but again none of this

854
00:35:22,910 --> 00:35:20,520
is verifiable

855
00:35:25,609 --> 00:35:22,920
well you know uh it's funny you hear

856
00:35:28,790 --> 00:35:25,619
about I mean I've heard about things

857
00:35:31,790 --> 00:35:28,800
like that I had Melanie Kirch

858
00:35:33,430 --> 00:35:31,800
kirchendorfer kirchdorfer from the

859
00:35:37,310 --> 00:35:33,440
Berkshires UFO

860
00:35:40,609 --> 00:35:37,320
encounter I've talked to her visited her

861
00:35:42,730 --> 00:35:40,619
at her house with a friend and she has

862
00:35:45,050 --> 00:35:42,740
things like that happening around her

863
00:35:47,990 --> 00:35:45,060

electrical things she actually showed me

864

00:35:49,910 --> 00:35:48,000

a video of her like being near a lamp

865

00:35:51,589 --> 00:35:49,920

and the lamp flashing off and on you

866

00:35:53,569 --> 00:35:51,599

know I mean like all these weird things

867

00:35:55,970 --> 00:35:53,579

happening constantly

868

00:35:59,750 --> 00:35:55,980

um ever since that encounter that's I

869

00:36:01,849 --> 00:35:59,760

mean Heidi just another big mystery you

870

00:36:05,030 --> 00:36:01,859

know how could these things happen

871

00:36:06,530 --> 00:36:05,040

yeah that's that's right and and I just

872

00:36:08,569 --> 00:36:06,540

want to sort of go back to Okay so we've

873

00:36:10,370 --> 00:36:08,579

got this sort of this testimony of

874

00:36:12,530 --> 00:36:10,380

various things that happened and we kind

875

00:36:14,270 --> 00:36:12,540

of have to take it on good faith that

876

00:36:15,710 --> 00:36:14,280

you either believe that it did or it

877

00:36:16,790 --> 00:36:15,720

didn't happen you know like people will

878

00:36:18,109 --> 00:36:16,800

say oh yeah I fully believe that

879

00:36:20,690 --> 00:36:18,119

happened to her up and say no that's all

880

00:36:23,510 --> 00:36:20,700

a bunch of rubbish but the ground trace

881

00:36:26,270 --> 00:36:23,520

evidence sort of does provide some level

882

00:36:29,930 --> 00:36:26,280

of support to that you know so John

883

00:36:32,390 --> 00:36:29,940

searched the searched the field for

884

00:36:34,670 --> 00:36:32,400

traces of chemicals electromagnetic

885

00:36:37,010 --> 00:36:34,680

traces he measured distances and he

886

00:36:39,109 --> 00:36:37,020

photographed everything specialized

887

00:36:42,290 --> 00:36:39,119

aerial photography was used and John

888

00:36:44,150 --> 00:36:42,300

conducted 11 inspections of the site and

889

00:36:46,130 --> 00:36:44,160

Kelly assisted him during two of those

890

00:36:48,530 --> 00:36:46,140

inspections pointing out where everybody

891

00:36:51,109 --> 00:36:48,540

had been including the beings in the UFO

892

00:36:53,450 --> 00:36:51,119

a computer grid image of the magnetic

893

00:36:55,970 --> 00:36:53,460

anomaly at the site showed a

894

00:36:58,010 --> 00:36:55,980

semi-circular impression which matched

895

00:37:01,010 --> 00:36:58,020

the shape of the craft and the ground

896

00:37:02,750 --> 00:37:01,020

had been baked under high pressure and

897

00:37:05,450 --> 00:37:02,760

there was a triangular Mark as well as

898

00:37:07,730 --> 00:37:05,460

the traces corresponding to perceived

899

00:37:10,490 --> 00:37:07,740

Landing tripods so there was marks in

900

00:37:12,230 --> 00:37:10,500

the formation about 18 feet apart and

901
00:37:14,270 --> 00:37:12,240
they corresponded with a tripod that had

902
00:37:16,609 --> 00:37:14,280
been drawn benef actually out in the

903
00:37:19,790 --> 00:37:16,619
field and the whole area was laced with

904
00:37:22,550 --> 00:37:19,800
a sulfur chemical called pyrene mean

905
00:37:25,069 --> 00:37:22,560
often found in coal and it was present

906
00:37:26,770 --> 00:37:25,079
though it should not have been there and

907
00:37:29,150 --> 00:37:26,780
additionally there was tannic acid

908
00:37:31,010 --> 00:37:29,160
contained in some sort of a coating was

909
00:37:33,470 --> 00:37:31,020
present in the semicircle but not

910
00:37:36,109 --> 00:37:33,480
elsewhere and the vegetation in the

911
00:37:39,170 --> 00:37:36,119
Crescent area had shown signs of being

912
00:37:43,490 --> 00:37:39,180
subjected to abrasion

913
00:37:45,290 --> 00:37:43,500

so wow so I take very heavy duty trace

914

00:37:46,670 --> 00:37:45,300

evidence there that's CBG trace evidence

915

00:37:48,770 --> 00:37:46,680

there's only a couple of photographs

916

00:37:51,230 --> 00:37:48,780

that have been released

917

00:37:53,089 --> 00:37:51,240

um that John has released uh not not

918

00:37:55,370 --> 00:37:53,099

many at all but there are photos that

919

00:37:58,849 --> 00:37:55,380

exist of the burnt patches on the ground

920

00:38:00,470 --> 00:37:58,859

and um you know I've been out there many

921

00:38:02,930 --> 00:38:00,480

times to that location I've been at

922

00:38:05,510 --> 00:38:02,940

there so many times now it's completely

923

00:38:07,069 --> 00:38:05,520

built out but back in 1993 it was there

924

00:38:09,230 --> 00:38:07,079

was it was pretty much just Fields but

925

00:38:11,270 --> 00:38:09,240

you go there now and houses have

926

00:38:13,430 --> 00:38:11,280

encroached everywhere out there there's

927

00:38:16,490 --> 00:38:13,440

always little Hobby Farms out there and

928

00:38:17,750 --> 00:38:16,500

it's just not what it was back then but

929

00:38:22,130 --> 00:38:17,760

you can imagine what it must have been

930

00:38:24,770 --> 00:38:22,140

like on a cold August Night in 1993 hmm

931

00:38:26,569 --> 00:38:24,780

wow yeah that's that's pretty that's a

932

00:38:29,089 --> 00:38:26,579

really interesting case I'm glad you

933

00:38:31,730 --> 00:38:29,099

finally talked uh I found someone to

934

00:38:33,530 --> 00:38:31,740

talk about it and uh yeah and I

935

00:38:35,569 --> 00:38:33,540

understand you know this happens a lot

936

00:38:36,589 --> 00:38:35,579

where people they they don't want to

937

00:38:39,650 --> 00:38:36,599

talk about

938

00:38:41,750 --> 00:38:39,660

it anymore they're done and you know but

939

00:38:43,430 --> 00:38:41,760

they sometimes come back I mean Travis

940

00:38:45,170 --> 00:38:43,440

Walton was that way for a while he

941

00:38:46,790 --> 00:38:45,180

didn't ever want to talk about his

942

00:38:49,910 --> 00:38:46,800

encounter he was all done with it and

943

00:38:53,329 --> 00:38:49,920

then he retired and decided okay time to

944

00:38:55,370 --> 00:38:53,339

talk about it exactly and yeah and uh

945

00:38:58,250 --> 00:38:55,380

and and Calvin Calvin Parker that's

946

00:39:01,790 --> 00:38:58,260

right yeah just exactly the same and and

947

00:39:04,849 --> 00:39:01,800

I really because often we've got nothing

948

00:39:07,670 --> 00:39:04,859

except the historical record of of the

949

00:39:09,349 --> 00:39:07,680

UFO phenomenon and when these Witnesses

950

00:39:10,970 --> 00:39:09,359

come out and they discuss it and they're

951
00:39:13,670 --> 00:39:10,980
happy to bring it out and let's revisit

952
00:39:16,609 --> 00:39:13,680
it again that's a really good thing uh

953
00:39:18,829 --> 00:39:16,619
and recently uh on my show I discovered

954
00:39:22,609 --> 00:39:18,839
a uh I've found through a fellow

955
00:39:24,650 --> 00:39:22,619
researcher George Simpson uh he had a

956
00:39:27,410 --> 00:39:24,660
lost tape of another really

957
00:39:28,970 --> 00:39:27,420
extraordinary strange UFO encounter and

958
00:39:30,950 --> 00:39:28,980
we were able to bring that out on my

959
00:39:32,750 --> 00:39:30,960
show and have the first hand witness's

960
00:39:36,290 --> 00:39:32,760
voice had never been heard publicly in

961
00:39:39,050 --> 00:39:36,300
over 50 years he's recorded interview of

962
00:39:41,089 --> 00:39:39,060
of that experience and this is when you

963
00:39:43,730 --> 00:39:41,099

can find this information when there's

964

00:39:45,770 --> 00:39:43,740

Witnesses decide to talk again that's

965

00:39:47,329 --> 00:39:45,780

where we get our out the value out of

966

00:39:50,630 --> 00:39:47,339

the out of the UFO phenomenon because

967

00:39:53,569 --> 00:39:50,640

the record the historical record is

968

00:39:55,130 --> 00:39:53,579

where I believe this the answers lie as

969

00:39:57,710 --> 00:39:55,140

well they lie in the historical record

970

00:40:00,230 --> 00:39:57,720

and they show us what's happened they

971

00:40:02,750 --> 00:40:00,240

also show us that with the historical

972

00:40:05,270 --> 00:40:02,760

record you've got what happens in the

973

00:40:07,250 --> 00:40:05,280

future can relate to the history

974

00:40:10,430 --> 00:40:07,260

right well you know like you just

975

00:40:12,650 --> 00:40:10,440

mentioned the Pascagoula case has now

976

00:40:15,950 --> 00:40:12,660

there's that happened back in 1973 in

977

00:40:17,569 --> 00:40:15,960

Pascagoula and now there's more

978

00:40:20,150 --> 00:40:17,579

witnesses that have actually come

979

00:40:22,490 --> 00:40:20,160

forward and they're they're actually uh

980

00:40:25,670 --> 00:40:22,500

able to document that these people were

981

00:40:27,770 --> 00:40:25,680

in that area at that time and so it's

982

00:40:31,069 --> 00:40:27,780

it's pretty interesting how when

983

00:40:32,750 --> 00:40:31,079

something gets brought back up again you

984

00:40:35,210 --> 00:40:32,760

know that some people complain like why

985

00:40:37,550 --> 00:40:35,220

do you talk about old cases but a lot of

986

00:40:40,730 --> 00:40:37,560

times when you talk about old cases

987

00:40:43,010 --> 00:40:40,740

something new comes to light and I think

988

00:40:44,329 --> 00:40:43,020

it's important exactly I've just done on

989

00:40:46,069 --> 00:40:44,339

my last episode I've just I've just

990

00:40:47,750 --> 00:40:46,079

recorded this morning is about kempsey

991

00:40:51,290 --> 00:40:47,760

New South Wales which had an

992

00:40:52,670 --> 00:40:51,300

extraordinary flap of UFOs in 1971 and

993

00:40:54,829 --> 00:40:52,680

people say well that's old news who

994

00:40:56,569 --> 00:40:54,839

cares about that and I'll say well it's

995

00:40:58,550 --> 00:40:56,579

not happening now

996

00:41:00,530 --> 00:40:58,560

you know it happened back then but not

997

00:41:02,390 --> 00:41:00,540

now we need to know what happened we

998

00:41:05,569 --> 00:41:02,400

need to know where

999

00:41:07,750 --> 00:41:05,579

where and it's an incredible story it's

1000

00:41:10,430 --> 00:41:07,760

probably I would say go close to saying

1001

00:41:13,849 --> 00:41:10,440

uh from a newspaper perspective probably

1002

00:41:16,250 --> 00:41:13,859

one of the most singly reported uh local

1003

00:41:18,050 --> 00:41:16,260

newspaper investigations done by the

1004

00:41:20,569 --> 00:41:18,060

local paper and they did it from a

1005

00:41:24,050 --> 00:41:20,579

serious and uh level-minded perspective

1006

00:41:26,210 --> 00:41:24,060

so the past is important it's you've got

1007

00:41:28,010 --> 00:41:26,220

to go there because all the stuff that

1008

00:41:29,990 --> 00:41:28,020

happened in the past is brilliant it's

1009

00:41:32,990 --> 00:41:30,000

fantastic I wish I wasn't a child in the

1010

00:41:34,310 --> 00:41:33,000

70s I wish I was an adult so that I

1011

00:41:36,470 --> 00:41:34,320

could have been there in a more

1012

00:41:38,210 --> 00:41:36,480

realistic way to investigate it back at

1013

00:41:40,550 --> 00:41:38,220

that time but now I was you know five

1014

00:41:42,170 --> 00:41:40,560

six seven years old back then and

1015

00:41:44,870 --> 00:41:42,180

nothing you can do at the time when

1016

00:41:46,490 --> 00:41:44,880

these events were occurring but now

1017

00:41:48,050 --> 00:41:46,500

we're not seeing these type of

1018

00:41:50,829 --> 00:41:48,060

encounters occurring now we're not

1019

00:41:53,390 --> 00:41:50,839

seeing these great things from the past

1020

00:41:55,370 --> 00:41:53,400

it just doesn't seem to happen and even

1021

00:41:57,530 --> 00:41:55,380

in in the modern world the 21st century

1022

00:41:59,569 --> 00:41:57,540

with all the phones and the cameras and

1023

00:42:03,050 --> 00:41:59,579

everything out there we're still not

1024

00:42:05,150 --> 00:42:03,060

capturing the level of intensity that

1025

00:42:06,410 --> 00:42:05,160

occurred I would say during the 60s 70s

1026

00:42:08,329 --> 00:42:06,420
and 80s

1027

00:42:09,710 --> 00:42:08,339
do you want to talk about since you just

1028

00:42:12,470 --> 00:42:09,720
touched on that I was going to ask you

1029

00:42:14,030 --> 00:42:12,480
to when to move on I was going to ask

1030

00:42:16,010 --> 00:42:14,040
you you know what's going on currently

1031

00:42:17,750 --> 00:42:16,020
and and maybe we'll get a chance for

1032

00:42:20,810 --> 00:42:17,760
that but since you just mentioned this

1033

00:42:22,970 --> 00:42:20,820
1971 or whatever it is uh flap or

1034

00:42:25,550 --> 00:42:22,980
whatever give us a little more details

1035

00:42:28,550 --> 00:42:25,560
if you would oh no problem at all this

1036

00:42:30,410 --> 00:42:28,560
this is a this is a i well first of all

1037

00:42:33,290 --> 00:42:30,420
how I found it was I've got a heap of

1038

00:42:34,849 --> 00:42:33,300

old records that I've um old newspaper

1039

00:42:36,710 --> 00:42:34,859

clippings that I was fortunate enough to

1040

00:42:38,710 --> 00:42:36,720

be able to get about five or six years

1041

00:42:41,810 --> 00:42:38,720

ago which was remnants of the old

1042

00:42:43,849 --> 00:42:41,820

viewforce the Victorian UFO research

1043

00:42:45,710 --> 00:42:43,859

society's records I managed to get my

1044

00:42:48,230 --> 00:42:45,720

hands on a couple of old filing cabinets

1045

00:42:50,030 --> 00:42:48,240

and I pulled out these and I've got vast

1046

00:42:52,490 --> 00:42:50,040

quantities of yellowing old newspaper

1047

00:42:54,410 --> 00:42:52,500

articles and I found one bunch and it

1048

00:42:56,569 --> 00:42:54,420

was all stapled together and I just

1049

00:42:58,309 --> 00:42:56,579

started reading it and I thought this is

1050

00:43:00,530 --> 00:42:58,319

incredible this is New South Wales

1051
00:43:02,089 --> 00:43:00,540
kempsey kempsey is north of Sydney north

1052
00:43:04,970 --> 00:43:02,099
of Newcastle

1053
00:43:06,170 --> 00:43:04,980
um so North Coast New South Wales and

1054
00:43:10,309 --> 00:43:06,180
just

1055
00:43:12,829 --> 00:43:10,319
in April April 1971. now April is an

1056
00:43:14,150 --> 00:43:12,839
important month as is October because

1057
00:43:16,849 --> 00:43:14,160
with April

1058
00:43:18,890 --> 00:43:16,859
in Victoria not the same year but the

1059
00:43:20,569 --> 00:43:18,900
same month uh we had the West all

1060
00:43:22,010 --> 00:43:20,579
encounter the schoolyard encounter in

1061
00:43:24,950 --> 00:43:22,020
April and we had the Burke's flat

1062
00:43:27,650 --> 00:43:24,960
bending headlights case closer in April

1063
00:43:28,970 --> 00:43:27,660

so so same month not same year but same

1064

00:43:31,309 --> 00:43:28,980

month and I'm always looking for those

1065

00:43:33,589 --> 00:43:31,319

type of type of you know Crossovers and

1066

00:43:36,349 --> 00:43:33,599

things April's a big month for UFOs

1067

00:43:40,190 --> 00:43:36,359

so in April the whole thing kicked off

1068

00:43:43,450 --> 00:43:40,200

with a man complaining that he had been

1069

00:43:46,370 --> 00:43:43,460

sucked out through his kitchen window

1070

00:43:49,790 --> 00:43:46,380

1971 he'd gone to the sink to get a

1071

00:43:52,430 --> 00:43:49,800

drink of water he saw a small face a

1072

00:43:53,809 --> 00:43:52,440

small strange round face pressed up

1073

00:43:55,670 --> 00:43:53,819

against the glass

1074

00:43:59,030 --> 00:43:55,680

and as he saw that

1075

00:44:01,910 --> 00:43:59,040

he was inverted horizontally and he

1076
00:44:04,790 --> 00:44:01,920
passed out through this small window

1077
00:44:06,950 --> 00:44:04,800
and the window broke and he landed on

1078
00:44:10,250 --> 00:44:06,960
the ground seven feet below

1079
00:44:12,109 --> 00:44:10,260
he did not hurt himself from he had a

1080
00:44:14,690 --> 00:44:12,119
cut on the hand and I'm in a minor

1081
00:44:17,450 --> 00:44:14,700
abrasion but he he leaped up instantly

1082
00:44:20,870 --> 00:44:17,460
he didn't have any physical effect other

1083
00:44:23,030 --> 00:44:20,880
than a small cut and he was terrified

1084
00:44:25,190 --> 00:44:23,040
and his wife came running in this is the

1085
00:44:29,450 --> 00:44:25,200
start of this flap right his wife came

1086
00:44:32,030 --> 00:44:29,460
running in and she saw him horizontally

1087
00:44:33,950 --> 00:44:32,040
pass through the window and he fell down

1088
00:44:35,089 --> 00:44:33,960

and he was terrified that kicked the

1089

00:44:37,790 --> 00:44:35,099

whole thing off

1090

00:44:40,130 --> 00:44:37,800

then there was a series of entire

1091

00:44:42,829 --> 00:44:40,140

incidences around the entire kempsey

1092

00:44:44,650 --> 00:44:42,839

district for the rest of that month and

1093

00:44:48,170 --> 00:44:44,660

successive months as well and even into

1094

00:44:50,109 --> 00:44:48,180

1972 to the point where and some other

1095

00:44:52,550 --> 00:44:50,119

examples from that particular flap was

1096

00:44:55,430 --> 00:44:52,560

north of kempsey is another little town

1097

00:44:56,750 --> 00:44:55,440

and three school boys were waiting for

1098

00:44:59,690 --> 00:44:56,760

the post office to open in the morning

1099

00:45:02,630 --> 00:44:59,700

and they saw this silver object descend

1100

00:45:04,550 --> 00:45:02,640

rapidly out of the sky and it came down

1101
00:45:07,730 --> 00:45:04,560
over their heads and they could see a

1102
00:45:09,230 --> 00:45:07,740
row of Windows around it and these legs

1103
00:45:11,390 --> 00:45:09,240
came down from underneath with these

1104
00:45:13,370 --> 00:45:11,400
landing pads on each on these four legs

1105
00:45:16,490 --> 00:45:13,380
and the thing sort of came over the top

1106
00:45:19,430 --> 00:45:16,500
of them banked and and it moved away and

1107
00:45:21,589 --> 00:45:19,440
they were terrified one example another

1108
00:45:23,870 --> 00:45:21,599
example was fishermen standing on the

1109
00:45:25,849 --> 00:45:23,880
coast not far from Kempsey also in the

1110
00:45:27,710 --> 00:45:25,859
same month they had parked their car

1111
00:45:30,230 --> 00:45:27,720
walked two miles up the beach started

1112
00:45:32,930 --> 00:45:30,240
fishing they saw a strange orange light

1113
00:45:36,050 --> 00:45:32,940

out in the sky and they could hear this

1114

00:45:37,190 --> 00:45:36,060

incredible grinding sound like gravel

1115

00:45:38,930 --> 00:45:37,200

being crushed and if you've ever heard

1116

00:45:41,150 --> 00:45:38,940

gravel being crushed it's a very noisy

1117

00:45:44,510 --> 00:45:41,160

process but they describe it as 10 times

1118

00:45:46,430 --> 00:45:44,520

louder than gravel being crushed and

1119

00:45:48,230 --> 00:45:46,440

they were scared and terrified and they

1120

00:45:50,990 --> 00:45:48,240

picked up their fishing rods and they

1121

00:45:53,329 --> 00:45:51,000

ran back to their car and went to the

1122

00:45:55,370 --> 00:45:53,339

car and as they were got to the car they

1123

00:45:56,990 --> 00:45:55,380

could still hear the grinding sound and

1124

00:45:58,309 --> 00:45:57,000

they jumped in the car and they bottled

1125

00:46:00,349 --> 00:45:58,319

off they could still hear the grinding

1126
00:46:02,150 --> 00:46:00,359
sound and that happened twice to one of

1127
00:46:02,990 --> 00:46:02,160
the men he had been fishing in the same

1128
00:46:04,790 --> 00:46:03,000
spot

1129
00:46:06,109 --> 00:46:04,800
at another time and he had a very

1130
00:46:09,170 --> 00:46:06,119
similar experience

1131
00:46:10,730 --> 00:46:09,180
so it was so that's the type of thing

1132
00:46:12,910 --> 00:46:10,740
and there was other sightings around the

1133
00:46:15,349 --> 00:46:12,920
place where people were seeing

1134
00:46:16,910 --> 00:46:15,359
describing brilliant brilliant light

1135
00:46:19,250 --> 00:46:16,920
beautiful colors

1136
00:46:21,530 --> 00:46:19,260
uh traveling around the town across the

1137
00:46:24,770 --> 00:46:21,540
town and it became a really really

1138
00:46:27,890 --> 00:46:24,780

intense flap and I've I've it's going to

1139

00:46:29,510 --> 00:46:27,900

be a two-part show I've done part one uh

1140

00:46:31,670 --> 00:46:29,520

and it's going to be part two when I

1141

00:46:34,250 --> 00:46:31,680

when I get onto that but that's just a

1142

00:46:37,370 --> 00:46:34,260

brief snapshot of that and you could

1143

00:46:41,630 --> 00:46:37,380

talk for an hour about kempsey alone

1144

00:46:43,370 --> 00:46:41,640

amazing and makes you wonder so it just

1145

00:46:47,750 --> 00:46:43,380

stopped in that area I mean everything

1146

00:46:50,630 --> 00:46:47,760

stopped fizzled out yep as they as these

1147

00:46:51,890 --> 00:46:50,640

flaps do like they they will go for a

1148

00:46:53,870 --> 00:46:51,900

period of time and things will come back

1149

00:46:56,089 --> 00:46:53,880

over repeated nights and people will see

1150

00:46:58,309 --> 00:46:56,099

even see the same light in the same spot

1151
00:47:00,170 --> 00:46:58,319
on successive nights there was Landing

1152
00:47:03,349 --> 00:47:00,180
circles in paddocks or we call them

1153
00:47:05,329 --> 00:47:03,359
paddocks but fields in America I suppose

1154
00:47:07,010 --> 00:47:05,339
um out there though there was uh burnt

1155
00:47:08,450 --> 00:47:07,020
circles found in there was practically

1156
00:47:10,609 --> 00:47:08,460
everything that was dogs upset there

1157
00:47:13,609 --> 00:47:10,619
were ducks and geese upset there was

1158
00:47:15,770 --> 00:47:13,619
there was just a full Gambit of

1159
00:47:18,050 --> 00:47:15,780
everything happening in a concentrated

1160
00:47:21,589 --> 00:47:18,060
area in Northern New South Wales at that

1161
00:47:22,609 --> 00:47:21,599
time now is that happening now no it's

1162
00:47:24,470 --> 00:47:22,619
not

1163
00:47:26,750 --> 00:47:24,480

how about that someone has a question

1164

00:47:28,849 --> 00:47:26,760

here they want to know have you heard of

1165

00:47:31,370 --> 00:47:28,859

the lake Gosford UFO incident in

1166

00:47:34,370 --> 00:47:31,380

Australia 1994. yes that's another

1167

00:47:37,010 --> 00:47:34,380

brilliant brilliant absolutely brilliant

1168

00:47:40,010 --> 00:47:37,020

case and that was covered really well in

1169

00:47:41,569 --> 00:47:40,020

a documentary called Oz encounters so if

1170

00:47:44,690 --> 00:47:41,579

everybody who's listening wants to hop

1171

00:47:49,250 --> 00:47:44,700

onto YouTube and Google Oz encounters

1172

00:47:54,530 --> 00:47:49,260

there was a magnificent OC yeah Oz yeah

1173

00:47:56,450 --> 00:47:54,540

Oz o z as in The Wizard of Oz Oz

1174

00:47:58,550 --> 00:47:56,460

um encounters and you watch that

1175

00:48:01,490 --> 00:47:58,560

documentary it covers the Gosford

1176

00:48:04,370 --> 00:48:01,500

incident and that was a really great

1177

00:48:06,530 --> 00:48:04,380

occurrence because around the the lake

1178

00:48:09,589 --> 00:48:06,540

there there's people living on the lake

1179

00:48:12,109 --> 00:48:09,599

and many witnesses saw this object come

1180

00:48:14,630 --> 00:48:12,119

down out of the sky

1181

00:48:16,490 --> 00:48:14,640

and it hovered over the lake and it

1182

00:48:18,050 --> 00:48:16,500

started sucking water up into it you

1183

00:48:20,030 --> 00:48:18,060

just got to watch the documentary to see

1184

00:48:23,089 --> 00:48:20,040

the even the graphics I know of the one

1185

00:48:25,190 --> 00:48:23,099

I know it's good the 1993. I'm happy

1186

00:48:28,970 --> 00:48:25,200

with those graphics for 1993 you'd kill

1187

00:48:31,309 --> 00:48:28,980

it in two in 2022. yeah yeah there's a

1188

00:48:33,349 --> 00:48:31,319

few cases where people have witnessed

1189

00:48:34,490 --> 00:48:33,359

like water getting sucked up out of a

1190

00:48:38,510 --> 00:48:34,500

lake and

1191

00:48:40,550 --> 00:48:38,520

uh yeah absolutely you know and even in

1192

00:48:43,130 --> 00:48:40,560

my own area there's a famous case called

1193

00:48:44,569 --> 00:48:43,140

The Rosedale water tank incident and

1194

00:48:46,849 --> 00:48:44,579

that was regarded and that's only an

1195

00:48:48,890 --> 00:48:46,859

hour from my house that was regarded as

1196

00:48:50,270 --> 00:48:48,900

one of the singular best UFO Encounters

1197

00:48:52,849 --> 00:48:50,280

in Australia too because it had a

1198

00:48:55,430 --> 00:48:52,859

reliable witness it had spooked animals

1199

00:48:57,470 --> 00:48:55,440

it had ground trace evidence and it had

1200

00:49:00,770 --> 00:48:57,480

a two additional witnesses to it and

1201

00:49:02,510 --> 00:49:00,780

this UFO the short version is this UFO

1202

00:49:04,309 --> 00:49:02,520

uh farmer woke up at one o'clock in the

1203

00:49:06,829 --> 00:49:04,319

morning all these animals were going

1204

00:49:08,270 --> 00:49:06,839

absolutely ape he went outside and he

1205

00:49:10,430 --> 00:49:08,280

saw what he thought was a plane coming

1206

00:49:12,349 --> 00:49:10,440

into land but he noticed that wasn't the

1207

00:49:13,910 --> 00:49:12,359

plane had no wings and it flew out over

1208

00:49:16,250 --> 00:49:13,920

his Paddock and it hovered over one of

1209

00:49:17,930 --> 00:49:16,260

his water tanks open water tank and he

1210

00:49:19,970 --> 00:49:17,940

opted his bike and he drove rode the

1211

00:49:22,309 --> 00:49:19,980

bike out close to it and the object

1212

00:49:24,230 --> 00:49:22,319

landed on top of the water tank it sat

1213

00:49:27,950 --> 00:49:24,240

there for for a few for a few seconds

1214

00:49:30,050 --> 00:49:27,960

not long it took off landed down next to

1215

00:49:32,210 --> 00:49:30,060

the the tank on the ground spinning on

1216

00:49:34,790 --> 00:49:32,220

the ground it sends out a pulse wave

1217

00:49:37,849 --> 00:49:34,800

that that knocks him senseless

1218

00:49:40,430 --> 00:49:37,859

and it takes off and the next day the

1219

00:49:42,890 --> 00:49:40,440

entire water tank 10 000 gallon tank had

1220

00:49:45,290 --> 00:49:42,900

been drained bone dry of water and all

1221

00:49:46,190 --> 00:49:45,300

there was in the bottom was a swirled up

1222

00:49:49,010 --> 00:49:46,200

um

1223

00:49:50,809 --> 00:49:49,020

uh silt had been swirled up about half a

1224

00:49:53,270 --> 00:49:50,819

meter off the bottom of the tank it

1225

00:49:56,569 --> 00:49:53,280

would take 24 hours to empty the tank

1226
00:49:58,010 --> 00:49:56,579
and yes and this object was seen by a

1227
00:49:59,270 --> 00:49:58,020
truck driver on the highway and that's

1228
00:50:00,829 --> 00:49:59,280
right next to the highway past this

1229
00:50:03,349 --> 00:50:00,839
water tank every time I go to Melbourne

1230
00:50:05,210 --> 00:50:03,359
and it was right on there and a girl at

1231
00:50:08,089 --> 00:50:05,220
the local shop had looked out the window

1232
00:50:09,890 --> 00:50:08,099
and seen this object as well the cows

1233
00:50:12,170 --> 00:50:09,900
were spooked for a week they couldn't

1234
00:50:13,910 --> 00:50:12,180
get the cows to do anything after that

1235
00:50:17,510 --> 00:50:13,920
and that was and that's another example

1236
00:50:19,250 --> 00:50:17,520
of a really so is that happening now no

1237
00:50:21,829 --> 00:50:19,260
but you never know someone just just

1238
00:50:25,609 --> 00:50:21,839

wanted to say hi from uh listening in

1239

00:50:28,849 --> 00:50:25,619

Melbourne oh fantastic hello hello to

1240

00:50:31,010 --> 00:50:28,859

Felix yeah hello Felix yeah if you're

1241

00:50:34,309 --> 00:50:31,020

people have uh happened to be in the

1242

00:50:36,230 --> 00:50:34,319

chat from there so yeah uh wow these are

1243

00:50:38,990 --> 00:50:36,240

really great cases in that that water

1244

00:50:41,809 --> 00:50:39,000

tank that is that's a real that's that's

1245

00:50:43,790 --> 00:50:41,819

fantastic amazing the Rosedale water

1246

00:50:45,170 --> 00:50:43,800

tank if you if you see the thing is like

1247

00:50:46,370 --> 00:50:45,180

now that we've got these podcast shows

1248

00:50:48,650 --> 00:50:46,380

we can talk about all these brilliant

1249

00:50:50,569 --> 00:50:48,660

Australian cases that just are not known

1250

00:50:51,950 --> 00:50:50,579

in America they just really aren't known

1251
00:50:53,329 --> 00:50:51,960
you know we all know about the great

1252
00:50:55,849 --> 00:50:53,339
cases that are around the world there's

1253
00:50:58,490 --> 00:50:55,859
a lot of really good high quality High

1254
00:50:59,569 --> 00:50:58,500
strangeness Australian UFO encounters

1255
00:51:02,150 --> 00:50:59,579
and that's that's what I've been working

1256
00:51:04,069 --> 00:51:02,160
on for the last 12 years yeah I like the

1257
00:51:05,930 --> 00:51:04,079
band headlights one but unfortunately

1258
00:51:07,910 --> 00:51:05,940
we're we're just about out of time we

1259
00:51:09,829 --> 00:51:07,920
just have a couple minutes left but that

1260
00:51:11,890 --> 00:51:09,839
one is fantastic

1261
00:51:18,770 --> 00:51:16,970
I think we did before the last time so

1262
00:51:21,109 --> 00:51:18,780
you're actually on a you're on a radio

1263
00:51:23,390 --> 00:51:21,119

another radio so you're streaming live

1264

00:51:25,970 --> 00:51:23,400

on a weekly basis

1265

00:51:27,349 --> 00:51:25,980

uh that's correct yes yes so and you can

1266

00:51:30,650 --> 00:51:27,359

put that plug out there don't don't

1267

00:51:33,170 --> 00:51:30,660

don't be shy well a few years ago I did

1268

00:51:34,849 --> 00:51:33,180

have I did have a show on kgri uh which

1269

00:51:36,589 --> 00:51:34,859

was the Ben Hur show which was doing the

1270

00:51:38,809 --> 00:51:36,599

similar stuff that I'm doing now but but

1271

00:51:41,750 --> 00:51:38,819

now I've got a new show called uh

1272

00:51:44,390 --> 00:51:41,760

unexplained phenomena Australia and the

1273

00:51:47,030 --> 00:51:44,400

good thing about that show is that I

1274

00:51:50,329 --> 00:51:47,040

have expanded it Beyond UFOs so I can

1275

00:51:52,670 --> 00:51:50,339

talk yowies I can talk ghosts I can talk

1276

00:51:54,410 --> 00:51:52,680

yeah anything under the sun and I've and

1277

00:51:57,890 --> 00:51:54,420

I've covered some really strange stuff

1278

00:52:01,309 --> 00:51:57,900

on my show and uh that's that show is on

1279

00:52:04,250 --> 00:52:01,319

the unx network and it's on at 7 pm

1280

00:52:07,190 --> 00:52:04,260

Eastern on Wednesday nights in America

1281

00:52:11,569 --> 00:52:07,200

and it's and for those in Australia it's

1282

00:52:12,950 --> 00:52:11,579

9 A.M Thursday uh which which is and

1283

00:52:15,230 --> 00:52:12,960

you're not that's not a live show that's

1284

00:52:17,210 --> 00:52:15,240

pre-recorded that's pre-record I just do

1285

00:52:19,490 --> 00:52:17,220

pre-records because I work at 50 60 hour

1286

00:52:21,890 --> 00:52:19,500

a week full-time job and you're assume

1287

00:52:25,130 --> 00:52:21,900

I'll have to do pre-records so grateful

1288

00:52:27,349 --> 00:52:25,140

that you actually you ask for time off

1289

00:52:29,569 --> 00:52:27,359

from work to be here and I really do

1290

00:52:31,370 --> 00:52:29,579

appreciate that very much and I wear

1291

00:52:33,410 --> 00:52:31,380

Israel Martin anytime there's lots to

1292

00:52:35,270 --> 00:52:33,420

discuss that's right and it's always fun

1293

00:52:38,329 --> 00:52:35,280

talking to you Ben really enjoyed it a

1294

00:52:41,089 --> 00:52:38,339

lot so you take care yeah no worries

1295

00:52:42,530 --> 00:52:41,099

1296

00:52:45,349 --> 00:52:42,540
