3
00:00:35,330 --> 00:00:33,110
Nixon resigned because he saw a UFO by

4
00:00:37,310 --> 00:00:35,340
Charles Lear throughout the history of

5
00:00:39,110 --> 00:00:37,320
UFOs there are stories that become well

6
00:00:41,270 --> 00:00:39,120
known throughout the UFO community and

7
00:00:42,950 --> 00:00:41,280
Beyond and more often than not their

8
00:00:45,889 --> 00:00:42,960
Origins can be found in archives

9
00:00:47,630 --> 00:00:45,899
available online sometimes a story that

10
00:00:49,490 --> 00:00:47,640
becomes popular and accepted as

11
00:00:52,310 --> 00:00:49,500
plausible can be found to have had

12
00:00:54,290 --> 00:00:52,320
dubious Origins if enough people choose

13
00:00:56,389 --> 00:00:54,300

to believe it and trusted researchers

14

00:00:58,430 --> 00:00:56,399

Champion it a story can become so

15

00:01:00,290 --> 00:00:58,440

embedded in the Mythos that it will

16

00:01:02,630 --> 00:01:00,300

repeatedly rise from the dead no matter

17

00:01:04,250 --> 00:01:02,640

how many knives get stuck in it then

18

00:01:06,830 --> 00:01:04,260

there are stories that never go beyond

19

00:01:09,050 --> 00:01:06,840

their original report and remain as a

20

00:01:10,969 --> 00:01:09,060

single mention in the records tucked

21

00:01:13,969 --> 00:01:10,979

away in the archives for The Unexplained

22

00:01:17,149 --> 00:01:13,979

collection is a March 1st 1974 edition

23

00:01:19,670 --> 00:01:17,159

of UFO potpourri a collection of news

24

00:01:22,609 --> 00:01:19,680

clippings put out by John schussler in

25

00:01:26,510 --> 00:01:22,619

cooperation with the mutual UFO Network

26

00:01:29,090 --> 00:01:26,520

Inc mofon and the UFO study group of

27

00:01:32,149 --> 00:01:29,100

Greater St Louis Inc shusler was one of

28

00:01:34,249 --> 00:01:32,159

the founding members of mufon in 1969

29

00:01:36,830 --> 00:01:34,259

and was a principal investigator of the

30

00:01:38,510 --> 00:01:36,840

Cash Land room case in the 1980s he

31

00:01:41,330 --> 00:01:38,520

became the international director of

32

00:01:43,609 --> 00:01:41,340

mufon in 2000 among the news clippings

33

00:01:46,370 --> 00:01:43,619

in that issue of UFO potpourri is an

34

00:01:49,550 --> 00:01:46,380

article from the September 22nd 1974

35

00:01:51,889 --> 00:01:49,560

edition of the Tabloid news extra it's

36

00:01:54,350 --> 00:01:51,899

headlined UFO lands at White House

37

00:01:57,289 --> 00:01:54,360

scares Nixon into quitting the

38

00:01:59,030 --> 00:01:57,299

subheading explains further UFO landed

39

00:02:01,850 --> 00:01:59,040
at White House just before Nixon

40

00:02:04,310 --> 00:02:01,860
resigned citing was last straw for

41

00:02:06,410 --> 00:02:04,320
troubled ex-president the story was

42

00:02:08,210 --> 00:02:06,420
written by Barney Magruder and doesn't

43

00:02:10,690 --> 00:02:08,220
seem to have gone any further Beyond

44

00:02:13,309 --> 00:02:10,700
this one report this might be because

45

00:02:15,110 --> 00:02:13,319
Magruder made the story up from the

46

00:02:17,330 --> 00:02:15,120
first indication of this is that

47

00:02:20,690 --> 00:02:17,340
Magruder cites a highly placed

48

00:02:23,330 --> 00:02:20,700
individual a trusted aide and a White

49

00:02:25,790 --> 00:02:23,340
House guard as a sources but fails to

50

00:02:27,890 --> 00:02:25,800
name them even so this writer finds it

51
00:02:29,930 --> 00:02:27,900
interesting that it hasn't shown up in

52
00:02:32,390 --> 00:02:29,940
the literature regarding UFOs and U.S

53
00:02:35,210 --> 00:02:32,400
residents for this sort of alternate

54
00:02:38,690 --> 00:02:35,220
history abounds according to Magruder in

55
00:02:40,670 --> 00:02:38,700
mid-july of 1974 a UFO was seen flying

56
00:02:43,369 --> 00:02:40,680
towards Washington by a United Airlines

57
00:02:46,009 --> 00:02:43,379
pilot and was tracked by civilian and

58
00:02:49,369 --> 00:02:46,019
Military radar Nixon was working late

59
00:02:51,790 --> 00:02:49,379
and at around 2 am he saw a glowing red

60
00:02:55,070 --> 00:02:51,800
light outside the Oval Office window

61
00:02:57,350 --> 00:02:55,080
according to a White House Source the

62
00:02:58,970 --> 00:02:57,360
site scared the hell out of him and

63
00:03:02,089 --> 00:02:58,980

caused him to drop to the floor and

64

00:03:04,130 --> 00:03:02,099

crawl across the office to telephone the

65

00:03:06,410 --> 00:03:04,140

Secret Service Guard according to

66

00:03:09,050 --> 00:03:06,420

Magruder the guards were already aware

67

00:03:11,690 --> 00:03:09,060

of the UFO having seen it seconds before

68

00:03:14,630 --> 00:03:11,700

Nixon saw it Magruder presents the

69

00:03:16,790 --> 00:03:14,640

testimony of a White House guard as a

70

00:03:19,130 --> 00:03:16,800

detailed witness account according to

71

00:03:22,130 --> 00:03:19,140

the account the incident only lasted

72

00:03:25,070 --> 00:03:22,140

about 10 seconds the UFO came in slowly

73

00:03:27,589 --> 00:03:25,080

low from the West it hovered over the

74

00:03:29,990 --> 00:03:27,599

White House and then dropped light as a

75

00:03:32,570 --> 00:03:30,000

feather to the lawn the guard reportedly

76
00:03:35,149 --> 00:03:32,580
said he drew his pistol but didn't know

77
00:03:37,430 --> 00:03:35,159
if he should shoot it or not according

78
00:03:39,649 --> 00:03:37,440
to the description the UFO was silver

79
00:03:42,350 --> 00:03:39,659
with portals that glowed red all around

80
00:03:44,930 --> 00:03:42,360
it it was about 30 feet in diameter and

81
00:03:47,750 --> 00:03:44,940
10 feet thick it sat silent on the

82
00:03:49,910 --> 00:03:47,760
ground for three to four seconds it then

83
00:03:52,789 --> 00:03:49,920
made a whining sound glowed more

84
00:03:55,009 --> 00:03:52,799
brightly and went straight up just as

85
00:03:57,350 --> 00:03:55,019
fast as Lightning another indication

86
00:03:59,390 --> 00:03:57,360
that Magruder made the story up is that

87
00:04:01,670 --> 00:03:59,400
a UFO and restricted airspace in

88
00:04:04,190 --> 00:04:01,680

Washington DC is a national security

89

00:04:06,289 --> 00:04:04,200

issue and if he was able to find sources

90

00:04:07,850 --> 00:04:06,299

for such a story it's more than likely

91

00:04:11,170 --> 00:04:07,860

that others would have found them as

92

00:04:14,390 --> 00:04:11,180

well in 1952 over two weekends in July

93

00:04:16,610 --> 00:04:14,400

UFOs were seen visually on radar and

94

00:04:18,530 --> 00:04:16,620

were chased by military jets the

95

00:04:21,409 --> 00:04:18,540

incident was carried by papers all over

96

00:04:23,689 --> 00:04:21,419

the country reporters got the story at

97

00:04:26,689 --> 00:04:23,699

the largest Press Conference held in the

98

00:04:29,030 --> 00:04:26,699

United States since World War II that

99

00:04:31,070 --> 00:04:29,040

being said this writer couldn't find any

100

00:04:33,710 --> 00:04:31,080

mention of the in incident involving

101
00:04:35,749 --> 00:04:33,720
Nixon in newspapers or in Publications

102
00:04:37,909 --> 00:04:35,759
put out by The prominent UFO

103
00:04:39,950 --> 00:04:37,919
investigators of the day there were

104
00:04:41,290 --> 00:04:39,960
however two other cases from the

105
00:04:44,890 --> 00:04:41,300
December 16

106
00:04:48,530 --> 00:04:44,900
1973 news extra described in the October

107
00:04:50,990 --> 00:04:48,540
1974 edition of flying saucer review in

108
00:04:53,510 --> 00:04:51,000
the USA section of its World Roundup

109
00:04:55,550 --> 00:04:53,520
this shows that news extra stories

110
00:04:57,770 --> 00:04:55,560
weren't routinely ignored by flying

111
00:04:59,510 --> 00:04:57,780
saucerer View and it's noteworthy that

112
00:05:02,510 --> 00:04:59,520
the one about Nixon from that same

113
00:05:04,610 --> 00:05:02,520

September was arguably the most

114

00:05:08,030 --> 00:05:04,620

prominent UFO organization in the United

115

00:05:10,850 --> 00:05:08,040

States in 1974 was the aerial phenomena

116

00:05:12,890 --> 00:05:10,860

research organization Jim lawrenson was

117

00:05:14,870 --> 00:05:12,900

the director at the time and Magruder

118

00:05:18,350 --> 00:05:14,880

uses quotes from a speech lawrenson gave

119

00:05:20,270 --> 00:05:18,360

at a symposium in Littleton Colorado he

120

00:05:22,550 --> 00:05:20,280

makes note of a statement lawrenson made

121

00:05:25,610 --> 00:05:22,560

that a landing at the White House might

122

00:05:28,850 --> 00:05:25,620

be an overt act by extraterrestrials

123

00:05:31,310 --> 00:05:28,860

seeking official recognition lawrenson

124

00:05:32,930 --> 00:05:31,320

references the Symposium and the

125

00:05:36,529 --> 00:05:32,940

inaccuracies in the reporting on his

126

00:05:38,749 --> 00:05:36,539

speech in the July August 1974 April

127

00:05:40,790 --> 00:05:38,759

bulletin he wrote that it was reported

128

00:05:43,610 --> 00:05:40,800

that he had predicted a government

129

00:05:46,010 --> 00:05:43,620

turnaround on the UFO question he

130

00:05:48,170 --> 00:05:46,020

continued some versions had me

131

00:05:51,650 --> 00:05:48,180

predicting a government announcement of

132

00:05:53,810 --> 00:05:51,660

a policy reversal this I did not do I

133

00:05:55,969 --> 00:05:53,820

expect a policy reversal to be

134

00:05:59,029 --> 00:05:55,979

implemented quietly through gradual

135

00:06:01,010 --> 00:05:59,039

release of UFO information Magruder

136

00:06:03,230 --> 00:06:01,020

without directly quoting lawrenson

137

00:06:06,650 --> 00:06:03,240

attributes him as saying the government

138

00:06:08,870 --> 00:06:06,660

caps in original has hard evidence that

139

00:06:10,450 --> 00:06:08,880

flying saucers exist knows where they

140

00:06:12,830 --> 00:06:10,460

are from and why they are here

141

00:06:15,650 --> 00:06:12,840

considering lawrenson's record of making

142

00:06:17,990 --> 00:06:15,660

statements about UFOs only when he had

143

00:06:20,990 --> 00:06:18,000

evidence to support them this seems

144

00:06:23,210 --> 00:06:21,000

highly unlikely a UFO story that has

145

00:06:25,730 --> 00:06:23,220

Nixon taking his golfing buddy Jackie

146

00:06:27,710 --> 00:06:25,740

Gleason to Homestead Air Force Base in

147

00:06:30,469 --> 00:06:27,720

Florida to show him some alien bodies

148

00:06:33,230 --> 00:06:30,479

has stuck around as it saw course was

149

00:06:35,830 --> 00:06:33,240

Gleason's ex-wife Beverly Gleason it

150

00:06:39,529 --> 00:06:35,840

showed up on page two of the August 16

151
00:06:41,629 --> 00:06:39,539
1983 National Enquirer she is attributed

152
00:06:45,469 --> 00:06:41,639
as the author of the article and wrote

153
00:06:47,629 --> 00:06:45,479
that at 11 30 PM One Night in 1973 my

154
00:06:49,790 --> 00:06:47,639
famous husband came home slumped

155
00:06:52,010 --> 00:06:49,800
white-faced in an armchair and Spilled

156
00:06:53,629 --> 00:06:52,020
Out The Incredible story to me according

157
00:06:55,550 --> 00:06:53,639
to her she had been worried about where

158
00:06:57,770 --> 00:06:55,560
he'd been and his story was his

159
00:07:00,650 --> 00:06:57,780
explanation she wrote that he told her

160
00:07:03,050 --> 00:07:00,660
of seeing four tables each supporting a

161
00:07:05,450 --> 00:07:03,060
two feet tall dead alien with a small

162
00:07:08,990 --> 00:07:05,460
bald head and disproportionately large

163
00:07:11,450 --> 00:07:09,000

ears in 2003 Kenny young interviewed

164

00:07:13,309 --> 00:07:11,460

Beverly and she told him that she began

165

00:07:14,990 --> 00:07:13,319

to wonder over the years whether Jackie

166

00:07:16,969 --> 00:07:15,000

might have made up the story because

167

00:07:19,129 --> 00:07:16,979

he'd actually been out with someone

168

00:07:21,650 --> 00:07:19,139

according to her their marriage was

169

00:07:24,050 --> 00:07:21,660

pretty much over by then an article on

170

00:07:26,390 --> 00:07:24,060

snopes.com looks into a more recent

171

00:07:29,089 --> 00:07:26,400

claim that Nixon hit a document proving

172

00:07:31,490 --> 00:07:29,099

the existence of alien life the claim

173

00:07:33,650 --> 00:07:31,500

originated with Robert Merritt who was

174

00:07:35,809 --> 00:07:33,660

according to the Snopes article a

175

00:07:38,150 --> 00:07:35,819

sometime police informant and according

176

00:07:40,430 --> 00:07:38,160

to him covert domestic intelligence

177

00:07:42,890 --> 00:07:40,440

operative for the Nixon Administration

178

00:07:45,050 --> 00:07:42,900

in a phone interview with a writer for

179

00:07:47,029 --> 00:07:45,060

the dark journalist website Merit

180

00:07:49,850 --> 00:07:47,039

described meaning with Nixon three times

181

00:07:51,770 --> 00:07:49,860

in a deep underground location beneath

182

00:07:53,930 --> 00:07:51,780

the White House according to Merit

183

00:07:56,089 --> 00:07:53,940

during the first meeting Nixon read him

184

00:07:58,189 --> 00:07:56,099

a letter stating that a live alien was

185

00:07:59,930 --> 00:07:58,199
