#528

1
00:00:01,680 --> 00:00:07,070
foreign

2
00:00:34,630 --> 00:00:13,960
[Music]

3
00:00:40,490 --> 00:00:37,850
well here we are Dean here we are Martin

4
00:00:43,130 --> 00:00:40,500
Dean Martin hello audience it's the Dean

5
00:00:45,410 --> 00:00:43,140
Martin Show there's only certain people

6
00:00:47,750 --> 00:00:45,420
that'll get that reference but

7
00:00:49,190 --> 00:00:47,760
a certainly more than a few people yeah

8
00:00:52,490 --> 00:00:49,200
so welcome

9
00:00:53,690 --> 00:00:52,500
um everyone I am back Dean's gonna help

10
00:00:55,670 --> 00:00:53,700
me

11
00:00:58,850 --> 00:00:55,680
um in this my first show back since open

12
00:01:00,830 --> 00:00:58,860
heart surgery and uh I am feeling great

13
00:01:04,369 --> 00:01:00,840

and again I want to thank everyone out

14

00:01:06,289 --> 00:01:04,379

there for uh the nice emails and

15

00:01:10,190 --> 00:01:06,299

messages and every which way it got to

16

00:01:13,490 --> 00:01:10,200

me so uh somehow some people got my cell

17

00:01:14,929 --> 00:01:13,500

phone were texting me all good I uh it

18

00:01:16,910 --> 00:01:14,939

was all good and Dean I want to thank

19

00:01:19,850 --> 00:01:16,920

you very much for uh filling in for me

20

00:01:22,490 --> 00:01:19,860

you did it excellent job uh last week I

21

00:01:25,910 --> 00:01:22,500

I received a bunch of emails uh what a

22

00:01:27,350 --> 00:01:25,920

stellar job you you did so thank you and

23

00:01:29,450 --> 00:01:27,360

I and I'll pass on the thanks to my

24

00:01:31,789 --> 00:01:29,460

mother for all those emails yeah that's

25

00:01:34,429 --> 00:01:31,799

great what's happening here with me is

26
00:01:37,030 --> 00:01:34,439
this what happens Martin when you work

27
00:01:39,469 --> 00:01:37,040
on the show for 10 years you you yeah

28
00:01:41,330 --> 00:01:39,479
the goatee you get the goatee because

29
00:01:44,390 --> 00:01:41,340
I'm I'm it's happy it's a natural thing

30
00:01:46,490 --> 00:01:44,400
I can't stop this thing yeah

31
00:01:47,450 --> 00:01:46,500
um and it keeps coming right it keeps

32
00:01:49,249 --> 00:01:47,460
coming in

33
00:01:52,310 --> 00:01:49,259
um I just also want to say

34
00:01:54,950 --> 00:01:52,320
um that I am so happy to see uh your

35
00:01:58,550 --> 00:01:54,960
smiling cherubick face back where you

36
00:02:01,249 --> 00:01:58,560
belong in the saddle my friend and um uh

37
00:02:02,210 --> 00:02:01,259
again it was uh it was fun but it was

38
00:02:03,170 --> 00:02:02,220

also

39

00:02:06,770 --> 00:02:03,180

um

40

00:02:08,330 --> 00:02:06,780

experience

41

00:02:10,249 --> 00:02:08,340

um well you know I'd like to invite you

42

00:02:11,150 --> 00:02:10,259

back now and then to co-host us because

43

00:02:13,729 --> 00:02:11,160

of

44

00:02:16,190 --> 00:02:13,739

I think we could have some fun and uh

45

00:02:19,070 --> 00:02:16,200

you know if you get that special guest

46

00:02:21,290 --> 00:02:19,080

that I can't get then you can guilt me

47

00:02:24,530 --> 00:02:21,300

into it anytime oh guilt is a great

48

00:02:26,930 --> 00:02:24,540

motivator I'm it is yes yeah so I want

49

00:02:29,930 --> 00:02:26,940

to say uh this week's blog by Charles

50

00:02:32,869 --> 00:02:29,940

learns part two of behind the scenes of

51
00:02:36,110 --> 00:02:32,879
the UFO cover-up live that was a series

52
00:02:38,270 --> 00:02:36,120
that aired back in the 1980s I also want

53
00:02:40,250 --> 00:02:38,280
to give a shout out because uh when I

54
00:02:42,229 --> 00:02:40,260
was in the hospital

55
00:02:44,089 --> 00:02:42,239
um I shared a room with several

56
00:02:47,449 --> 00:02:44,099
different people but the last guy I

57
00:02:48,890 --> 00:02:47,459
shared a room with name Rick uh the poor

58
00:02:51,110 --> 00:02:48,900
guy is still in there he's had a really

59
00:02:52,790 --> 00:02:51,120
rough go of it and I've been out of the

60
00:02:55,009 --> 00:02:52,800
hospital since I think the 8th of

61
00:02:56,470 --> 00:02:55,019
October I believe that's when I got out

62
00:02:59,990 --> 00:02:56,480
something like that

63
00:03:02,750 --> 00:03:00,000

so anyway uh it's funny I was sitting

64

00:03:05,869 --> 00:03:02,760

there uh I don't reading or something

65

00:03:09,170 --> 00:03:05,879

and I happened to look up over at Rick's

66

00:03:13,009 --> 00:03:09,180

TV and I saw Leslie Kane and then I saw

67

00:03:15,649 --> 00:03:13,019

UFOs flying around and so uh I kind of

68

00:03:17,149 --> 00:03:15,659

interrupted a show and say hey uh you

69

00:03:21,170 --> 00:03:17,159

into UFOs

70

00:03:24,170 --> 00:03:21,180

and by golly he knows every he knows a

71

00:03:26,509 --> 00:03:24,180

lot about UFOs I mean all these cases he

72

00:03:28,790 --> 00:03:26,519

knows about rendelson Forest

73

00:03:31,430 --> 00:03:28,800

um you know he he was very well versed

74

00:03:32,809 --> 00:03:31,440

he's been watching you Dean

75

00:03:34,550 --> 00:03:32,819

um and he's probably watching tonight

76

00:03:36,229 --> 00:03:34,560

right from the hospital so you see the

77

00:03:38,990 --> 00:03:36,239

guy that holds up the scorecards that

78

00:03:41,830 --> 00:03:39,000

says two three out of ten is that him

79

00:03:45,050 --> 00:03:41,840

yeah that's the guy yeah

80

00:03:47,149 --> 00:03:45,060

well it's really funny because uh you

81

00:03:49,550 --> 00:03:47,159

and I have talked about this how we will

82

00:03:52,490 --> 00:03:49,560

be just doing the usual traveling that

83

00:03:54,589 --> 00:03:52,500

our jobs take us and occasionally you

84

00:03:57,649 --> 00:03:54,599

know you're seated next to someone or

85

00:03:59,869 --> 00:03:57,659

it'll come up ideally it's organic

86

00:04:01,970 --> 00:03:59,879

um and and I'm I swear to God I would

87

00:04:04,130 --> 00:04:01,980

say the odds are you know eight out of

88

00:04:06,289 --> 00:04:04,140

ten people I talk to are totally down

89

00:04:07,910 --> 00:04:06,299

with it into it

90

00:04:09,949 --> 00:04:07,920

um and then I have to do I don't know if

91

00:04:12,050 --> 00:04:09,959

you do this but I do like a gauging how

92

00:04:13,789 --> 00:04:12,060

far are they in the rabbit hole what

93

00:04:16,969 --> 00:04:13,799

what side of the rabbit hole are they

94

00:04:18,289 --> 00:04:16,979

and uh and then you know kind of try to

95

00:04:19,789 --> 00:04:18,299

reach out and say oh you might want to

96

00:04:21,770 --> 00:04:19,799

stay a little more in this one than that

97

00:04:23,409 --> 00:04:21,780

one because as you know there's you know

98

00:04:25,850 --> 00:04:23,419

tons of uh yeah because people people

99

00:04:28,490 --> 00:04:25,860

are when they're looking at it from the

100

00:04:31,129 --> 00:04:28,500

outside they can certainly go down the

101
00:04:33,170 --> 00:04:31,139
wrong path and uh take something that's

102
00:04:35,590 --> 00:04:33,180
real we won't have to go into exactly

103
00:04:38,870 --> 00:04:35,600
that right now but

104
00:04:43,070 --> 00:04:38,880
but anyway it feels it feels really good

105
00:04:44,570 --> 00:04:43,080
to be back and again um I'm thrilled to

106
00:04:46,909 --> 00:04:44,580
be back and I feel like I have a new

107
00:04:50,330 --> 00:04:46,919
life and I'm very grateful

108
00:04:52,010 --> 00:04:50,340
um it's I could have actually dropped

109
00:04:55,430 --> 00:04:52,020
um you know and that would have been the

110
00:04:59,270 --> 00:04:55,440
end of it but uh I I was able to catch

111
00:05:02,450 --> 00:04:59,280
something in time a 95 blockage

112
00:05:05,570 --> 00:05:02,460
um with a bypass so I was right there so

113
00:05:07,790 --> 00:05:05,580

uh I'm very very grateful yeah well

114

00:05:10,370 --> 00:05:07,800

again I think all the love that was sent

115

00:05:11,510 --> 00:05:10,380

to you I think that stuff matters I

116

00:05:13,430 --> 00:05:11,520

think it really does all the great

117

00:05:16,310 --> 00:05:13,440

energy that you were getting sent and uh

118

00:05:18,110 --> 00:05:16,320

I I I can see um

119

00:05:19,550 --> 00:05:18,120

I can just see the difference from you

120

00:05:21,230 --> 00:05:19,560

because I've been able to be there right

121

00:05:24,129 --> 00:05:21,240

before you had the operation right after

122

00:05:27,050 --> 00:05:24,139

and judging it and uh

123

00:05:28,490 --> 00:05:27,060

you were doing great my friend yeah well

124

00:05:29,990 --> 00:05:28,500

thank you thank you you know I think we

125

00:05:32,689 --> 00:05:30,000

should probably talk about our guests

126

00:05:35,990 --> 00:05:32,699

that might sure not be a bad idea why

127

00:05:38,510 --> 00:05:36,000

not uh John Burroughs uh he's been on

128

00:05:41,390 --> 00:05:38,520

the show several times but many years

129

00:05:44,990 --> 00:05:41,400

ago and I'm really looking forward uh to

130

00:05:46,550 --> 00:05:45,000

talking to him again tonight and uh as

131

00:05:49,430 --> 00:05:46,560

you know I I shouldn't pick any

132

00:05:52,129 --> 00:05:49,440

favorites on the year but uh as Bill

133

00:05:54,830 --> 00:05:52,139

said earlier John is his favorite in the

134

00:05:57,110 --> 00:05:54,840

uh Bill who works the behind the scenes

135

00:05:58,909 --> 00:05:57,120

of kgra said he's definitely the

136

00:06:00,890 --> 00:05:58,919

favorite of all the people that he's

137

00:06:04,610 --> 00:06:00,900

talked to involved in the renderson

138

00:06:07,550 --> 00:06:04,620

force a solid guy he was I believe the

139

00:06:10,370 --> 00:06:07,560

second person to see the UFO the first

140

00:06:13,010 --> 00:06:10,380

night uh when it was there right back in

141

00:06:14,749 --> 00:06:13,020

1980 the rendition Force I will go into

142

00:06:17,510 --> 00:06:14,759

a nutshell of that it seems like I had

143

00:06:20,390 --> 00:06:17,520

something else to say but uh again I'm

144

00:06:23,150 --> 00:06:20,400

not exactly 100 right there I know James

145

00:06:24,950 --> 00:06:23,160

Fox will be on next week I wanted to and

146

00:06:26,629 --> 00:06:24,960

I'll be in a hotel room but

147

00:06:29,689 --> 00:06:26,639

um it'll be good to have him on to talk

148

00:06:32,150 --> 00:06:29,699

about his new uh uh moment of contact

149

00:06:34,249 --> 00:06:32,160

right and you saw that at the studio uh

150

00:06:36,950 --> 00:06:34,259

you saw it at the theater I saw at the

151
00:06:38,870 --> 00:06:36,960
LA Premiere and uh on the big screen and

152
00:06:41,390 --> 00:06:38,880
if you get a chance to see it um on the

153
00:06:42,890 --> 00:06:41,400
big screen jump at it I know that it's

154
00:06:45,710 --> 00:06:42,900
been playing in

155
00:06:48,230 --> 00:06:45,720
uh South America they had a Premiere in

156
00:06:49,070 --> 00:06:48,240
Brazil and it was this big big news

157
00:06:50,029 --> 00:06:49,080
event

158
00:06:52,309 --> 00:06:50,039
um because all these people that have

159
00:06:54,529 --> 00:06:52,319
been tracking this story are now going

160
00:06:57,350 --> 00:06:54,539
taking ownership you know in Brazil

161
00:06:59,210 --> 00:06:57,360
taking ownership of this and so um it's

162
00:07:01,490 --> 00:06:59,220
really nice to see that recognition and

163
00:07:03,950 --> 00:07:01,500

see those people kind of um transition

164

00:07:06,110 --> 00:07:03,960

from this Mythic thing to credibility

165

00:07:09,050 --> 00:07:06,120

from another country that came in and

166

00:07:12,529 --> 00:07:09,060

and you know gave it a new varnish on it

167

00:07:14,510 --> 00:07:12,539

so yeah it's really really uh good he he

168

00:07:17,090 --> 00:07:14,520

crushed it yeah and there's a lot of

169

00:07:18,770 --> 00:07:17,100

things going on in the UFO World UFO

170

00:07:21,170 --> 00:07:18,780

news lately I don't know if we'll be

171

00:07:22,969 --> 00:07:21,180

able to touch on that or not but I'm

172

00:07:25,370 --> 00:07:22,979

gonna bring him in now John Burroughs

173

00:07:28,189 --> 00:07:25,380

welcome hey thanks for having me back

174

00:07:30,290 --> 00:07:28,199

yeah yeah Ben I I think it's been like

175

00:07:34,210 --> 00:07:30,300

four or five years something I think the

176

00:07:37,510 --> 00:07:34,220

last time I did is your show was in 15.

177

00:07:40,550 --> 00:07:37,520

2015. I think so that was when Halls

178

00:07:42,110 --> 00:07:40,560

joined us yes I do remember that I think

179

00:07:44,749 --> 00:07:42,120

that was the last time I've been out

180

00:07:47,210 --> 00:07:44,759

with you yeah that was a very popular

181

00:07:48,650 --> 00:07:47,220

show it got a lot a lot of hits yeah

182

00:07:50,390 --> 00:07:48,660

when the colonel and I joined up

183

00:07:52,730 --> 00:07:50,400

together it gets interesting I can tell

184

00:07:54,890 --> 00:07:52,740

you that much

185

00:07:57,409 --> 00:07:54,900

that's right and how's everything going

186

00:07:58,909 --> 00:07:57,419

for you John doing well how about you I

187

00:08:00,110 --> 00:07:58,919

mean well obviously you just talked

188

00:08:02,570 --> 00:08:00,120

about it so I'm glad you're getting

189

00:08:04,010 --> 00:08:02,580

better so oh yeah yeah yeah I feel I

190

00:08:06,650 --> 00:08:04,020

feel really great

191

00:08:08,990 --> 00:08:06,660

um so uh John I know you've told the

192

00:08:11,629 --> 00:08:09,000

story a million times but uh we have

193

00:08:14,270 --> 00:08:11,639

this thing happening where there's a lot

194

00:08:17,510 --> 00:08:14,280

of new people that are just because of

195

00:08:19,550 --> 00:08:17,520

all UFOs being more normalized there's

196

00:08:21,890 --> 00:08:19,560

all new people coming in constantly I

197

00:08:24,290 --> 00:08:21,900

get a lot of email so in a nutshell

198

00:08:27,950 --> 00:08:24,300

could you explain what happened and what

199

00:08:31,309 --> 00:08:27,960

you were involved in in uh the incident

200

00:08:34,070 --> 00:08:31,319

um sir it's the it started out being

201
00:08:36,050 --> 00:08:34,080
called the Aria bentwater's incident and

202
00:08:38,810 --> 00:08:36,060
then it went to the Reynolds of forest

203
00:08:40,370 --> 00:08:38,820
it happened over our incident happened

204
00:08:42,949 --> 00:08:40,380
over a three-night period over Christmas

205
00:08:44,750 --> 00:08:42,959
of 1980.

206
00:08:47,630 --> 00:08:44,760
um

207
00:08:50,329 --> 00:08:47,640
there was stuff that happened prior and

208
00:08:52,310 --> 00:08:50,339
after and the prior stuff could go back

209
00:08:54,949 --> 00:08:52,320
years they actually had

210
00:08:56,870 --> 00:08:54,959
I think in the 50s they had a weird

211
00:09:00,410 --> 00:08:56,880
the incident take place or they actually

212
00:09:02,150 --> 00:09:00,420
chased something with fighter planes but

213
00:09:04,670 --> 00:09:02,160

in a nutshell it was a three-night

214

00:09:06,530 --> 00:09:04,680

period first night I was on duty it was

215

00:09:09,110 --> 00:09:06,540

our last midnight shift we came on at 11

216

00:09:11,930 --> 00:09:09,120

about three o'clock in the morning I was

217

00:09:13,550 --> 00:09:11,940

riding with uh my supervisor who was new

218

00:09:14,630 --> 00:09:13,560

to the base who wanted to talk to me a

219

00:09:17,690 --> 00:09:14,640

little bit about

220

00:09:19,310 --> 00:09:17,700

just meet up and talk so I jumped this

221

00:09:21,530 --> 00:09:19,320

Trail car we were driving around we were

222

00:09:24,350 --> 00:09:21,540

down by the gate you saw some strange

223

00:09:26,449 --> 00:09:24,360

lights in the sky going into the forest

224

00:09:27,710 --> 00:09:26,459

he asked me if I'd see anything like

225

00:09:31,130 --> 00:09:27,720

that I've been there a year and a half

226

00:09:33,470 --> 00:09:31,140

before and I said no so from that point

227

00:09:35,210 --> 00:09:33,480

uh we decided we

228

00:09:36,889 --> 00:09:35,220

take a

229

00:09:38,750 --> 00:09:36,899

I don't know how to put this other way

230

00:09:39,949 --> 00:09:38,760

we just decided to open the gate and go

231

00:09:41,269 --> 00:09:39,959

down to the end of the road to get a

232

00:09:43,070 --> 00:09:41,279

better idea what could be going on

233

00:09:44,269 --> 00:09:43,080

because we really didn't want to call

234

00:09:46,670 --> 00:09:44,279

anything in

235

00:09:49,190 --> 00:09:46,680

until we had a better grasp of it once

236

00:09:51,530 --> 00:09:49,200

we got down to the end of the uh the

237

00:09:53,690 --> 00:09:51,540

road things didn't seem right came back

238

00:09:56,930 --> 00:09:53,700

up called in on the phone at the gate

239

00:10:00,290 --> 00:09:56,940

they said security patrol down they saw

240

00:10:03,170 --> 00:10:00,300

two the uh they did some research from

241

00:10:05,210 --> 00:10:03,180

CSC to with the different Radars and

242

00:10:07,130 --> 00:10:05,220

they came up the uh correlation that

243

00:10:09,350 --> 00:10:07,140

something was on radar over the area and

244

00:10:12,829 --> 00:10:09,360

went down into the forest

245

00:10:15,470 --> 00:10:12,839

we then proceeded the two Security Guys

246

00:10:17,210 --> 00:10:15,480

and I went into the got into the vehicle

247

00:10:19,250 --> 00:10:17,220

and went into the forest to try to see

248

00:10:22,250 --> 00:10:19,260

if we could figure out what was going on

249

00:10:24,889 --> 00:10:22,260

we uh eventually got close to something

250

00:10:26,769 --> 00:10:24,899

the stories all different from there I

251
00:10:30,530 --> 00:10:26,779
remember getting close then it was gone

252
00:10:34,190 --> 00:10:30,540
uh the security supervisor said he went

253
00:10:37,130 --> 00:10:34,200
up to it touched it saw glass got a

254
00:10:40,850 --> 00:10:37,140
binary download walked around it for 45

255
00:10:43,250 --> 00:10:40,860
minutes the third guy who Peterson tried

256
00:10:45,650 --> 00:10:43,260
to out right just right out of the story

257
00:10:47,509 --> 00:10:45,660
but later amenity was there he

258
00:10:51,230 --> 00:10:47,519
remembered getting we got closer and

259
00:10:54,710 --> 00:10:51,240
blacked out at that point we um

260
00:10:56,930 --> 00:10:54,720
it disappeared we went we went on to the

261
00:10:59,569 --> 00:10:56,940
fields and farther out towards the coast

262
00:11:02,329 --> 00:10:59,579
saw some lights again and then it was

263
00:11:05,150 --> 00:11:02,339

gone so that was night one night two

264

00:11:07,009 --> 00:11:05,160

they had uh something seen in the forest

265

00:11:09,350 --> 00:11:07,019

shift Commander went out with the on

266

00:11:11,090 --> 00:11:09,360

duty security uh flight Chief they had

267

00:11:12,710 --> 00:11:11,100

some kind of encounter that's never been

268

00:11:14,329 --> 00:11:12,720

totally

269

00:11:16,610 --> 00:11:14,339

um straightened out just because she's

270

00:11:18,410 --> 00:11:16,620

never willing to talk about it night

271

00:11:20,870 --> 00:11:18,420

three is when I went out

272

00:11:22,370 --> 00:11:20,880

on my own after finding out about 9-2

273

00:11:25,310 --> 00:11:22,380

with a couple other guys we were on

274

00:11:26,990 --> 00:11:25,320

break and met up with the halt party and

275

00:11:28,910 --> 00:11:27,000

that was the night when

276

00:11:31,310 --> 00:11:28,920

um I met up with them in Boston I went

277

00:11:34,850 --> 00:11:31,320

forward and we had some kind of

278

00:11:34,860 --> 00:11:41,389

and um there was uh there was

279

00:11:45,889 --> 00:11:44,329

I remember I I don't know if it was you

280

00:11:48,889 --> 00:11:45,899

that told me or I'm remembering

281

00:11:51,350 --> 00:11:48,899

something where

282

00:11:53,090 --> 00:11:51,360

um you kind of

283

00:11:56,210 --> 00:11:53,100

woke up and

284

00:11:58,790 --> 00:11:56,220

from you were standing and it was like

285

00:12:00,769 --> 00:11:58,800

near it or something well that was like

286

00:12:03,889 --> 00:12:00,779

three when Adrian and I uh when they

287

00:12:06,170 --> 00:12:03,899

came towards us the whole party and for

288

00:12:08,210 --> 00:12:06,180

years a lot of people questioned why I

289

00:12:09,949 --> 00:12:08,220

didn't get talked about very much was

290

00:12:13,190 --> 00:12:09,959

because Colonel Hoff denied any of that

291

00:12:15,410 --> 00:12:13,200

happened he at the beginning denied and

292

00:12:17,690 --> 00:12:15,420

Adrian and I were even involved then the

293

00:12:19,610 --> 00:12:17,700

Bernie tape came out the tape that he

294

00:12:21,650 --> 00:12:19,620

made Bernie got her hands on Georgina

295

00:12:24,050 --> 00:12:21,660

Bruni and it actually modified it

296

00:12:26,930 --> 00:12:24,060

cleaned it up and right there my name of

297

00:12:28,550 --> 00:12:26,940

the stenza's neighbor on the tape so he

298

00:12:30,590 --> 00:12:28,560

couldn't deny we were out there then he

299

00:12:32,810 --> 00:12:30,600

tried to poo-poo what we did but

300

00:12:34,430 --> 00:12:32,820

eventually through different things we

301

00:12:36,710 --> 00:12:34,440

were able to prove not only were we

302

00:12:39,470 --> 00:12:36,720

there but we went we were allowed to go

303

00:12:42,590 --> 00:12:39,480

forward to get close to it and as I was

304

00:12:44,090 --> 00:12:42,600

going towards it Adrian said well we

305

00:12:47,810 --> 00:12:44,100

were running and he went down right

306

00:12:51,769 --> 00:12:47,820

before before I actually came over me

307

00:12:53,210 --> 00:12:51,779

and I disappeared in it so I I just

308

00:12:55,129 --> 00:12:53,220

remember getting close to it and it was

309

00:12:57,590 --> 00:12:55,139

there and gone Adrian actually saw me go

310

00:13:01,430 --> 00:12:57,600

into it and disappeared

311

00:13:06,470 --> 00:13:01,440

um I'm really interested in in the

312

00:13:09,949 --> 00:13:06,480

moment when you and uh uh peniston uh

313

00:13:13,310 --> 00:13:09,959

Jim and uh the third officer it was you

314

00:13:16,730 --> 00:13:13,320

Jim Ed command Zach and and and yeah

315

00:13:18,350 --> 00:13:16,740

yeah when you came across it um Jim

316

00:13:19,970 --> 00:13:18,360

talks about and I've been really curious

317

00:13:22,250 --> 00:13:19,980

and wanted to ask you this

318

00:13:25,370 --> 00:13:22,260

when Jim talks about coming across it he

319

00:13:28,610 --> 00:13:25,380

says it felt like everything in the

320

00:13:31,129 --> 00:13:28,620

forest became quiet all the the insects

321

00:13:33,590 --> 00:13:31,139

all the the night sounds seemed to die

322

00:13:35,569 --> 00:13:33,600

out and then he said at some point he

323

00:13:39,050 --> 00:13:35,579

felt like there was almost like it was

324

00:13:41,389 --> 00:13:39,060

he describes it as walking through

325

00:13:44,509 --> 00:13:41,399

um like water it seemed a little bit

326

00:13:46,430 --> 00:13:44,519

labored to walk through a little bit in

327

00:13:48,410 --> 00:13:46,440

slow motion he was kind of trying to

328

00:13:49,430 --> 00:13:48,420

dial in the right expression and he said

329

00:13:51,110 --> 00:13:49,440

they could see you guys on the

330

00:13:53,870 --> 00:13:51,120

peripheral that you were looking at this

331

00:13:56,509 --> 00:13:53,880

while he went up and got closer and he

332

00:13:59,449 --> 00:13:56,519

describes his experience

333

00:14:00,949 --> 00:13:59,459

um but I'm curious to get what your

334

00:14:02,870 --> 00:14:00,959

experience was because I'm a believer

335

00:14:04,129 --> 00:14:02,880

that you can have different experiences

336

00:14:05,990 --> 00:14:04,139

doesn't mean it cancels out the other

337

00:14:08,030 --> 00:14:06,000

person's experience but I'm curious what

338

00:14:09,769 --> 00:14:08,040

your experience was during that it

339

00:14:13,190 --> 00:14:09,779

doesn't necessarily cancel out the

340

00:14:15,530 --> 00:14:13,200

experience but the issue is this he

341

00:14:16,970 --> 00:14:15,540

tried to write it out completely and

342

00:14:19,190 --> 00:14:16,980

eventually he did an interview where

343

00:14:23,509 --> 00:14:19,200

humidity was out there with us because

344

00:14:25,310 --> 00:14:23,519

Ed and I do not have anything any kind

345

00:14:27,470 --> 00:14:25,320

of recollection of any of that taking

346

00:14:30,290 --> 00:14:27,480

place and you're right it doesn't mean

347

00:14:32,269 --> 00:14:30,300

it didn't happen it's just as that the

348

00:14:34,790 --> 00:14:32,279

story with him has grown over the years

349

00:14:37,190 --> 00:14:34,800

to where at the very beginning he

350

00:14:39,650 --> 00:14:37,200

basically said well statement said we

351

00:14:42,290 --> 00:14:39,660

got closer and that was it what I could

352

00:14:44,269 --> 00:14:42,300

say for clearly what Ed and I remember

353

00:14:47,050 --> 00:14:44,279

was we got close to it he blacked out

354

00:14:50,210 --> 00:14:47,060

his claimed he did that in the James Fox

355

00:14:52,310 --> 00:14:50,220

documentary I know what I saw he said we

356

00:14:55,129 --> 00:14:52,320

got close to it and then he blacked out

357

00:14:57,110 --> 00:14:55,139

we all blacked out is what he remembered

358

00:14:59,030 --> 00:14:57,120

um but he did say I drew my weapon which

359

00:15:01,610 --> 00:14:59,040

I don't remember having a weapon with me

360

00:15:04,069 --> 00:15:01,620

at the time but then I just remember

361

00:15:06,230 --> 00:15:04,079

getting close to it and then it was gone

362

00:15:08,990 --> 00:15:06,240

you know it was like it was it went away

363

00:15:11,569 --> 00:15:09,000

there it was and it was gone so as far

364

00:15:13,790 --> 00:15:11,579

as penance's Story I mean you're right

365

00:15:16,490 --> 00:15:13,800

we can all remember different things but

366

00:15:19,430 --> 00:15:16,500

there are other caveats to it that come

367

00:15:24,009 --> 00:15:19,440

in question a little bit about how he's

368

00:15:26,870 --> 00:15:24,019

raise the bar on what happened so sure

369

00:15:29,090 --> 00:15:26,880

no weren't you not allowed to take

370

00:15:32,750 --> 00:15:29,100

weapons when you went off the base that

371

00:15:34,610 --> 00:15:32,760

was the um okay that was the original

372

00:15:37,490 --> 00:15:34,620

assumption well what I mean by that was

373

00:15:39,110 --> 00:15:37,500

we when he came off the phone he said

374

00:15:41,509 --> 00:15:39,120

for us to leave our we were told to

375

00:15:43,389 --> 00:15:41,519

leave our weapons with stefans at the

376

00:15:48,050 --> 00:15:43,399

patrol car and that's what I remember

377

00:15:50,449 --> 00:15:48,060

but kabansack claims I cut my 38 with me

378

00:15:52,850 --> 00:15:50,459

and I actually drew it so I I don't

379

00:15:55,189 --> 00:15:52,860

remember having my weapon with me or

380

00:15:57,230 --> 00:15:55,199

drawing it and I even joked about it in

381

00:15:58,910 --> 00:15:57,240

the fox documentary I said well what

382

00:16:00,769 --> 00:15:58,920

good it would have been if I had it and

383

00:16:02,569 --> 00:16:00,779

I would have drawn it and fired at it

384

00:16:07,009 --> 00:16:02,579

yeah I don't think it would have went

385

00:16:09,470 --> 00:16:07,019

well for us maybe you know so yeah yeah

386

00:16:11,870 --> 00:16:09,480

I want to um back up when you say that

387

00:16:13,189 --> 00:16:11,880

uh originally Jim had felt that he had

388

00:16:14,930 --> 00:16:13,199

passed out

389

00:16:17,090 --> 00:16:14,940

and was that your recollection as well

390

00:16:20,689 --> 00:16:17,100

and what did that look like did he go no

391

00:16:23,449 --> 00:16:20,699

no no his state right now his statement

392

00:16:26,449 --> 00:16:23,459

was he just said that his statement was

393

00:16:28,850 --> 00:16:26,459

written by performed by somebody else at

394

00:16:31,430 --> 00:16:28,860

the statements got released then this

395

00:16:33,470 --> 00:16:31,440

that was what was going on and then then

396

00:16:35,569 --> 00:16:33,480

he came back and said no I did all this

397

00:16:37,370 --> 00:16:35,579

other stuff and then he said the

398

00:16:40,009 --> 00:16:37,380

statement was written for him and that

399

00:16:41,749 --> 00:16:40,019

wasn't the truth and all I'm saying is

400

00:16:44,329 --> 00:16:41,759

that over the years

401
00:16:46,670 --> 00:16:44,339
is added to the story over and over and

402
00:16:48,949 --> 00:16:46,680
it's hurt the incident because no no

403
00:16:51,530 --> 00:16:48,959
book for 20 years then it shows up on

404
00:16:54,050 --> 00:16:51,540
the 20-year Mark then the notebook has

405
00:16:56,990 --> 00:16:54,060
the glyphs in it and then at the 30-year

406
00:16:58,189 --> 00:16:57,000
Mark then the notebook then he adds the

407
00:17:01,009 --> 00:16:58,199
the binary

408
00:17:02,870 --> 00:17:01,019
so all I'm trying to say is is that Ed

409
00:17:05,630 --> 00:17:02,880
and I got close to it and we don't

410
00:17:07,010 --> 00:17:05,640
really know what happened so all my

411
00:17:09,470 --> 00:17:07,020
question is and there's other things

412
00:17:11,929 --> 00:17:09,480
that we could talk about it but I

413
00:17:14,270 --> 00:17:11,939

questioned some of what he he has said

414

00:17:15,890 --> 00:17:14,280

about what happened to him just from

415

00:17:18,230 --> 00:17:15,900

knowing him being around him in the

416

00:17:21,409 --> 00:17:18,240

event itself

417

00:17:24,409 --> 00:17:21,419

yeah it's uh I mean again we're talking

418

00:17:26,289 --> 00:17:24,419

oh how many years ago uh it's 44 years

419

00:17:29,390 --> 00:17:26,299

two years it'll be yeah

420

00:17:32,030 --> 00:17:29,400

so but this all happened he started

421

00:17:33,710 --> 00:17:32,040

coming out with this in round 2000 and

422

00:17:36,049 --> 00:17:33,720

and the reason why I say some of this if

423

00:17:38,210 --> 00:17:36,059

you do your history of randlesome he we

424

00:17:40,669 --> 00:17:38,220

did a piece halting him in Iowa England

425

00:17:43,850 --> 00:17:40,679

for I know it was called uh

426

00:17:47,150 --> 00:17:43,860

uh this is my senior time we did a piece

427

00:17:48,590 --> 00:17:47,160

over in England where they peniston and

428

00:17:50,750 --> 00:17:48,600

Hall had just gotten out and I was still

429

00:17:53,570 --> 00:17:50,760

in the reserves and we went over there

430

00:17:55,370 --> 00:17:53,580

and we did a piece and he didn't talk

431

00:17:57,529 --> 00:17:55,380

about any of that he didn't talk about

432

00:17:59,930 --> 00:17:57,539

the notebook and when I chounced him on

433

00:18:02,570 --> 00:17:59,940

that he claims that he offered the

434

00:18:03,830 --> 00:18:02,580

notebook to the crew and I'm like Jim I

435

00:18:06,289 --> 00:18:03,840

was there for the production meetings

436

00:18:07,669 --> 00:18:06,299

you did not do that and and he said well

437

00:18:10,010 --> 00:18:07,679

they didn't want they weren't interested

438

00:18:12,049 --> 00:18:10,020

in this they're going to fly us 3000

439

00:18:14,270 --> 00:18:12,059

Miles and you're gonna come up with this

440

00:18:16,610 --> 00:18:14,280

notebook that's going to show what

441

00:18:17,810 --> 00:18:16,620

happened you wrote down all this stuff

442

00:18:20,330 --> 00:18:17,820

and they're not going to be interested

443

00:18:22,430 --> 00:18:20,340

in or to use it in the show you know

444

00:18:24,830 --> 00:18:22,440

what I mean hey you know so there's just

445

00:18:26,990 --> 00:18:24,840

a lot of discrepancies and I I feel it's

446

00:18:29,390 --> 00:18:27,000

hurt the incident because there's a

447

00:18:31,490 --> 00:18:29,400

following behind it but there's nothing

448

00:18:34,730 --> 00:18:31,500

to back up what he said other than what

449

00:18:38,029 --> 00:18:34,740

he said where the rest of us have stuck

450

00:18:40,669 --> 00:18:38,039

to what we remember and stayed that way

451
00:18:43,610 --> 00:18:40,679
from from the beginning I've never tried

452
00:18:45,590 --> 00:18:43,620
to embellish a night one or three I just

453
00:18:47,690 --> 00:18:45,600
said this is what I remember and I got

454
00:18:48,830 --> 00:18:47,700
attacked for that that I was covering up

455
00:18:50,270 --> 00:18:48,840
stuff

456
00:18:52,430 --> 00:18:50,280
so yeah

457
00:18:54,110 --> 00:18:52,440
I could see that happening I want to ask

458
00:18:55,610 --> 00:18:54,120
you this John

459
00:18:57,950 --> 00:18:55,620
um how

460
00:19:00,289 --> 00:18:57,960
much did this look like the craft this

461
00:19:02,990 --> 00:19:00,299
picture there was there was just lights

462
00:19:05,150 --> 00:19:03,000
all I ever saw was lights I see so you

463
00:19:06,890 --> 00:19:05,160

never actually saw a structured crash no

464

00:19:11,210 --> 00:19:06,900

never saw a structure crop now my

465

00:19:14,090 --> 00:19:11,220

hypnosis I do use the word craft but I I

466

00:19:15,770 --> 00:19:14,100

never could describe it and it was not I

467

00:19:17,330 --> 00:19:15,780

never saw anything triangular that's all

468

00:19:19,850 --> 00:19:17,340

I'm going to say never saw anything

469

00:19:21,710 --> 00:19:19,860

triangular so you said did you say

470

00:19:24,289 --> 00:19:21,720

hypnosis yeah

471

00:19:27,110 --> 00:19:24,299

so what was the just what was the

472

00:19:30,370 --> 00:19:27,120

difference between your memory of this

473

00:19:33,770 --> 00:19:30,380

and then the main points and then after

474

00:19:36,950 --> 00:19:33,780

hypnosis well nothing really I mean

475

00:19:40,669 --> 00:19:36,960

hypnosis kind of expanded a little bit

476

00:19:42,950 --> 00:19:40,679

about what took place but it nothing

477

00:19:45,289 --> 00:19:42,960

really changed that was why it was done

478

00:19:47,270 --> 00:19:45,299

in 88 was because I didn't remember what

479

00:19:50,150 --> 00:19:47,280

happened when I got close to it

480

00:19:52,789 --> 00:19:50,160

but then the hypnosis expanded on what

481

00:19:55,730 --> 00:19:52,799

we were dealing with and I've never ever

482

00:19:57,770 --> 00:19:55,740

ever tried to say anything more than if

483

00:20:00,130 --> 00:19:57,780

I'm asked about the hypnosis I'll lay it

484

00:20:02,690 --> 00:20:00,140

out what the hypnosis said but I don't

485

00:20:03,710 --> 00:20:02,700

intermix the hypnosis with what I

486

00:20:07,570 --> 00:20:03,720

remember

487

00:20:10,730 --> 00:20:07,580

yeah yeah I'm always interested how like

488

00:20:13,190 --> 00:20:10,740

gyms in my um uh my new documentary

489

00:20:15,650 --> 00:20:13,200

project and

490

00:20:17,029 --> 00:20:15,660

the way that that he had described it

491

00:20:19,730 --> 00:20:17,039

was kind of like

492

00:20:21,770 --> 00:20:19,740

stuff would come in ways where you would

493

00:20:24,409 --> 00:20:21,780

have this he was up obviously closer

494

00:20:28,090 --> 00:20:24,419

than than you know you guys were

495

00:20:33,470 --> 00:20:30,830

he was maybe a couple feet we were like

496

00:20:35,210 --> 00:20:33,480

in a line staggered line formation he

497

00:20:37,070 --> 00:20:35,220

was there I was there and then Ed was

498

00:20:38,630 --> 00:20:37,080

behind me and if you go back and listen

499

00:20:40,669 --> 00:20:38,640

to the last interview we did with Timmy

500

00:20:42,950 --> 00:20:40,679

church he admitted that but he's always

501
00:20:44,510 --> 00:20:42,960
said otherwise before but Jimmy caught

502
00:20:46,310 --> 00:20:44,520
him off guard he asked him a clear

503
00:20:48,830 --> 00:20:46,320
question he goes so the three of you

504
00:20:50,510 --> 00:20:48,840
when you were coming up on the berm what

505
00:20:51,770 --> 00:20:50,520
happened and then he described exactly

506
00:20:54,110 --> 00:20:51,780
where we were what we were doing and

507
00:20:56,150 --> 00:20:54,120
everything before his eyes tried to deny

508
00:20:58,970 --> 00:20:56,160
it was there because Ed's story of mine

509
00:21:01,970 --> 00:20:58,980
correlate more than his does

510
00:21:03,289 --> 00:21:01,980
both of your guys join us yes

511
00:21:05,630 --> 00:21:03,299
interesting

512
00:21:08,150 --> 00:21:05,640
so and and just look at the binder

513
00:21:11,029 --> 00:21:08,160

itself and this is one of the hours

514

00:21:13,549 --> 00:21:11,039

around when that took place okay it came

515

00:21:14,990 --> 00:21:13,559

out in a shooting in Glendale we were

516

00:21:17,810 --> 00:21:15,000

working with Linda Moulton Howe and

517

00:21:19,070 --> 00:21:17,820

Prometheus entertainment which did which

518

00:21:22,370 --> 00:21:19,080

did the show

519

00:21:24,230 --> 00:21:22,380

um you know uh what is it what is the

520

00:21:26,810 --> 00:21:24,240

Washington aliens Ancient Aliens right

521

00:21:28,549 --> 00:21:26,820

he never showed and hauled it said he'd

522

00:21:30,590 --> 00:21:28,559

handled the remote James Fox and said

523

00:21:32,330 --> 00:21:30,600

he'd handled the notebook never saw the

524

00:21:34,370 --> 00:21:32,340

binary ever in it other people had

525

00:21:36,649 --> 00:21:34,380

looked at that notebook too now when he

526

00:21:39,049 --> 00:21:36,659

brought it out there I questioned he had

527

00:21:41,330 --> 00:21:39,059

the wrong date so he had the date that

528

00:21:43,190 --> 00:21:41,340

Master Hall memo I said bring a notebook

529

00:21:44,810 --> 00:21:43,200

and let's look at it now I thought I'd

530

00:21:46,730 --> 00:21:44,820

get to see it the night before to

531

00:21:49,430 --> 00:21:46,740

understand it didn't spring it up when

532

00:21:51,710 --> 00:21:49,440

we met for a little bit on set we're

533

00:21:53,210 --> 00:21:51,720

sitting there at the table and and he

534

00:21:55,549 --> 00:21:53,220

has me in a notebook and I'm looking at

535

00:21:58,730 --> 00:21:55,559

it and all of a sudden these ones and

536

00:22:01,970 --> 00:21:58,740

zeros are there and it fits perfectly to

537

00:22:03,289 --> 00:22:01,980

the ancient alien hypothesis which at

538

00:22:04,909 --> 00:22:03,299

the point they were only going to do a

539

00:22:07,789 --> 00:22:04,919

15-minute segment and then go over and

540

00:22:09,649 --> 00:22:07,799

do a documentary on the 30 years well

541

00:22:12,830 --> 00:22:09,659

they changed the whole show to an hour

542

00:22:14,350 --> 00:22:12,840

long but here's the kicker the uh the

543

00:22:17,990 --> 00:22:14,360

binary codes

544

00:22:20,210 --> 00:22:18,000

identify specific areas okay so like if

545

00:22:22,010 --> 00:22:20,220

you go on the The National skull lines

546

00:22:24,409 --> 00:22:22,020

it's an area on the nazco lines right

547

00:22:26,090 --> 00:22:24,419

well those codes were found because

548

00:22:28,130 --> 00:22:26,100

there was a guy doing an investigation

549

00:22:30,409 --> 00:22:28,140

on this because he was interested in

550

00:22:32,510 --> 00:22:30,419

China that was the weird one right right

551

00:22:34,130 --> 00:22:32,520

he found all the codes on an ancient

552

00:22:36,830 --> 00:22:34,140

website that had been out three years

553

00:22:38,270 --> 00:22:36,840

before peniston even came forward with

554

00:22:41,350 --> 00:22:38,280

the binary

555

00:22:44,510 --> 00:22:41,360

the same exact zeros and ones yes

556

00:22:46,430 --> 00:22:44,520

that's pretty long right yeah no but see

557

00:22:49,970 --> 00:22:46,440

where you put the decimal point is where

558

00:22:52,789 --> 00:22:49,980

the point will be on the site okay so

559

00:22:55,909 --> 00:22:52,799

you could put Sedona could be of the

560

00:22:59,090 --> 00:22:55,919

burial mounds farther down from Sedona

561

00:23:02,690 --> 00:22:59,100

but the exact points on this ancient

562

00:23:04,850 --> 00:23:02,700

site match the sites that they decipher

563

00:23:06,770 --> 00:23:04,860

and stuff and then all the only excuse

564

00:23:09,830 --> 00:23:06,780

they gave was the site had been hacked

565

00:23:11,750 --> 00:23:09,840

and discredit his story they couldn't it

566

00:23:14,470 --> 00:23:11,760

just there's just too many discrepancies

567

00:23:16,970 --> 00:23:14,480

with this whole thing that just

568

00:23:19,130 --> 00:23:16,980

ronaldson doesn't need that Ransom

569

00:23:21,350 --> 00:23:19,140

happened the government

570

00:23:23,570 --> 00:23:21,360

tried to act like they weren't covered

571

00:23:25,430 --> 00:23:23,580

enough but they did and there's so much

572

00:23:27,470 --> 00:23:25,440

more we can go into why I can show you

573

00:23:29,930 --> 00:23:27,480

they covered it up without all this

574

00:23:31,430 --> 00:23:29,940

other stuff coming out which again if

575

00:23:33,529 --> 00:23:31,440

he'd come out with that notebook right

576

00:23:35,810 --> 00:23:33,539

away say he held it until he got out and

577

00:23:38,649 --> 00:23:35,820

then did it all more believable but why

578

00:23:41,210 --> 00:23:38,659

wait for the 20 and 30 year mark

579

00:23:43,730 --> 00:23:41,220

and then the codes being found and the

580

00:23:46,430 --> 00:23:43,740

glycer found on on equipment that was

581

00:23:47,930 --> 00:23:46,440

being sold in Germany see these guys

582

00:23:49,310 --> 00:23:47,940

that when he came out with this there

583

00:23:51,289 --> 00:23:49,320

were some hardcore people that looked

584

00:23:53,750 --> 00:23:51,299

into this stuff and they were just like

585

00:23:55,850 --> 00:23:53,760

wait a minute this stuff this wasn't me

586

00:23:57,409 --> 00:23:55,860

Jordan it's just the facts started

587

00:23:59,630 --> 00:23:57,419

coming out that a lot of this just

588

00:24:01,730 --> 00:23:59,640

doesn't add up but you people can

589

00:24:05,510 --> 00:24:01,740

believe what they want and and there is

590

00:24:08,510 --> 00:24:05,520

a cult following behind the binary but I

591

00:24:10,430 --> 00:24:08,520

I mean that's that's hearing or there I

592

00:24:12,950 --> 00:24:10,440

mean really the the truth of the matter

593

00:24:15,890 --> 00:24:12,960

is our incident and how it affected

594

00:24:17,630 --> 00:24:15,900

people health-wise and what it means in

595

00:24:19,909 --> 00:24:17,640

the grand scheme of what we're dealing

596

00:24:22,190 --> 00:24:19,919

with going forward to include to the

597

00:24:25,669 --> 00:24:22,200

modern day

598

00:24:28,549 --> 00:24:25,679

now about the health effects

599

00:24:31,130 --> 00:24:28,559

um if peniston was the closest one to

600

00:24:34,370 --> 00:24:31,140

the object I've never really heard him

601
00:24:36,830 --> 00:24:34,380
speak of any he did and then he back off

602
00:24:39,409 --> 00:24:36,840
on it um when we did the herrings and

603
00:24:42,230 --> 00:24:39,419
Steve Bassett the the citizens hearings

604
00:24:44,930 --> 00:24:42,240
yeah well that was my Approach I I

605
00:24:47,090 --> 00:24:44,940
didn't go in with the typical approach I

606
00:24:49,490 --> 00:24:47,100
went in with the human factor the

607
00:24:52,610 --> 00:24:49,500
injuries and I had evidence to support

608
00:24:54,950 --> 00:24:52,620
it including that my my document my

609
00:24:56,990 --> 00:24:54,960
files are classified and when they saw

610
00:24:59,029 --> 00:24:57,000
that they really jumped on it and he

611
00:25:01,130 --> 00:24:59,039
even admitted he was getting disability

612
00:25:03,770 --> 00:25:01,140
and had some issues with his heart and

613
00:25:06,110 --> 00:25:03,780

some other things and then when the CIA

614

00:25:08,510 --> 00:25:06,120

guy showed up later after that that's

615

00:25:10,789 --> 00:25:08,520

when he tried to walk a lot of it back

616

00:25:13,490 --> 00:25:10,799

but he's on tape saying that he had

617

00:25:15,590 --> 00:25:13,500

issues health issues from it and not he

618

00:25:17,570 --> 00:25:15,600

wasn't the closest to it and I'm just

619

00:25:19,490 --> 00:25:17,580

going off of the reason why people

620

00:25:22,190 --> 00:25:19,500

question why didn't he get as sick as I

621

00:25:23,570 --> 00:25:22,200

did well if you believe what Adrian said

622

00:25:25,909 --> 00:25:23,580

and I say that not because I don't

623

00:25:29,029 --> 00:25:25,919

believe him but I just got close to it

624

00:25:31,730 --> 00:25:29,039

Adrian saw me go in and disappear now if

625

00:25:34,850 --> 00:25:31,740

that's the case then I went into it I

626

00:25:36,950 --> 00:25:34,860

didn't just get close to it I've got an

627

00:25:38,330 --> 00:25:36,960

eyewitness saying I went into it where

628

00:25:41,149 --> 00:25:38,340

penicillin doesn't have anybody

629

00:25:44,090 --> 00:25:41,159

supporting the story other than himself

630

00:25:46,490 --> 00:25:44,100

well according to his book that I've

631

00:25:47,510 --> 00:25:46,500

been reading a little bit of the recent

632

00:25:49,149 --> 00:25:47,520

really

633

00:25:53,990 --> 00:25:49,159

huge book I got it right over there

634

00:25:55,970 --> 00:25:54,000

Enigma uh yeah all right uh but he he

635

00:25:58,250 --> 00:25:55,980

was saying stating in that book that you

636

00:26:00,230 --> 00:25:58,260

were right behind him

637

00:26:01,909 --> 00:26:00,240

I was I was right behind him I told you

638

00:26:03,890 --> 00:26:01,919

a couple feet you were right behind him

639

00:26:08,390 --> 00:26:03,900

and he's like at the craft and you

640

00:26:10,430 --> 00:26:08,400

didn't see the craft no so wow okay

641

00:26:12,710 --> 00:26:10,440

so it's it's interesting sorry go ahead

642

00:26:14,870 --> 00:26:12,720

Martin no I'm done I was just going to

643

00:26:16,010 --> 00:26:14,880

add that um there have been many times

644

00:26:16,789 --> 00:26:16,020

when

645

00:26:20,029 --> 00:26:16,799

um

646

00:26:21,710 --> 00:26:20,039

when when people have seen craft and

647

00:26:23,390 --> 00:26:21,720

others had have not

648

00:26:26,330 --> 00:26:23,400

and they're standing next to each other

649

00:26:28,430 --> 00:26:26,340

I saw something I I did it in my

650

00:26:30,649 --> 00:26:28,440

statement now the

651
00:26:32,510 --> 00:26:30,659
Challenge and everything you said I'm

652
00:26:34,490 --> 00:26:32,520
just saying you have to look at the

653
00:26:36,830 --> 00:26:34,500
consistency of the notebook the glyphs

654
00:26:39,830 --> 00:26:36,840
the binary and how is its stories

655
00:26:42,350 --> 00:26:39,840
expanded and it's expanded with no

656
00:26:44,390 --> 00:26:42,360
corroborating evidence or anybody else

657
00:26:46,730 --> 00:26:44,400
backing it up right that's all I'm

658
00:26:48,649 --> 00:26:46,740
saying it's another thing was I have

659
00:26:50,390 --> 00:26:48,659
somebody that's not I didn't say I went

660
00:26:53,450 --> 00:26:50,400
into it I have somebody who saw me go

661
00:26:55,789 --> 00:26:53,460
into it you know pennison said I was at

662
00:26:58,070 --> 00:26:55,799
one point he said he testified or didn't

663
00:27:01,190 --> 00:26:58,080

testify but made a statement that he saw

664

00:27:02,990 --> 00:27:01,200

the light come over me and engulf me I

665

00:27:04,669 --> 00:27:03,000

never said any of that okay I don't

666

00:27:06,409 --> 00:27:04,679

remember that I never claimed to

667

00:27:09,169 --> 00:27:06,419

remember that I never changed my story

668

00:27:11,269 --> 00:27:09,179

but when someone starts adding stuff on

669

00:27:14,330 --> 00:27:11,279

and there's nobody else to cooperate it

670

00:27:16,250 --> 00:27:14,340

there should be further investigation on

671

00:27:18,169 --> 00:27:16,260

it and not just taking it

672

00:27:19,909 --> 00:27:18,179

for their word and just like the

673

00:27:22,190 --> 00:27:19,919

notebook notebook would have come out

674

00:27:24,710 --> 00:27:22,200

right away fine or even at the 20-year

675

00:27:26,450 --> 00:27:24,720

Mark the binary end but how come nobody

676

00:27:28,010 --> 00:27:26,460

saw the binary until the 30-year Mark

677

00:27:30,409 --> 00:27:28,020

well he claims because he kept it out

678

00:27:32,269 --> 00:27:30,419

well then if he did want it out why did

679

00:27:34,549 --> 00:27:32,279

he bring in some Prometheus good look at

680

00:27:35,810 --> 00:27:34,559

it which fell right into their own

681

00:27:38,210 --> 00:27:35,820

wheelhouse

682

00:27:40,070 --> 00:27:38,220

right I need an hour piece on him being

683

00:27:42,350 --> 00:27:40,080

the Messiah

684

00:27:44,870 --> 00:27:42,360

when I saw the piece they showed it to

685

00:27:47,450 --> 00:27:44,880

us beforehand I just shook my head I

686

00:27:49,970 --> 00:27:47,460

took Kim's Sharon off I said boy you

687

00:27:52,430 --> 00:27:49,980

screwed this case I said you turned this

688

00:27:55,370 --> 00:27:52,440

guy into the Messiah

689

00:27:57,250 --> 00:27:55,380

you know and it did the whole show was

690

00:28:00,230 --> 00:27:57,260

unbelievable

691

00:28:03,730 --> 00:28:00,240

the story that I had heard was that

692

00:28:05,890 --> 00:28:03,740

he was showing the crew the book

693

00:28:09,890 --> 00:28:05,900

The Notebook

694

00:28:12,529 --> 00:28:09,900

on location right yes and then he was

695

00:28:15,529 --> 00:28:12,539

going through it and then he was rifling

696

00:28:19,610 --> 00:28:15,539

through it and towards the end they had

697

00:28:21,230 --> 00:28:19,620

the the zeros and ones and I think Linda

698

00:28:24,350 --> 00:28:21,240

I'm not sure it was Linda or Jim say

699

00:28:26,450 --> 00:28:24,360

they were like what what's that well I

700

00:28:28,190 --> 00:28:26,460

did I said what is this then they all

701
00:28:30,350 --> 00:28:28,200
jumped on it but see that's even where

702
00:28:31,970 --> 00:28:30,360
he's made up a story on that he claimed

703
00:28:34,549 --> 00:28:31,980
that he was forced into this later

704
00:28:37,070 --> 00:28:34,559
that's not the truth as soon as he saw

705
00:28:39,350 --> 00:28:37,080
it they went back and re-interviewed him

706
00:28:41,210 --> 00:28:39,360
for like two and a half hours he openly

707
00:28:43,789 --> 00:28:41,220
and agreeably went through the interview

708
00:28:45,049 --> 00:28:43,799
and allowed it to go into the show do

709
00:28:46,909 --> 00:28:45,059
you understand what I mean he never

710
00:28:48,230 --> 00:28:46,919
could even get the amount of pages he

711
00:28:51,529 --> 00:28:48,240
had straight forever

712
00:28:53,269 --> 00:28:51,539
it was 13 16 this that whatever there's

713
00:28:55,610 --> 00:28:53,279

people that claim to be added stuff to

714

00:28:57,649 --> 00:28:55,620

it later all I'm getting at is the

715

00:28:59,690 --> 00:28:57,659

incidence real there's a lot of people

716

00:29:00,470 --> 00:28:59,700

that don't like the incident because of

717

00:29:02,750 --> 00:29:00,480

that

718

00:29:04,730 --> 00:29:02,760

and I I don't totally disagree with it

719

00:29:06,470 --> 00:29:04,740

do you know what I mean there's no

720

00:29:09,049 --> 00:29:06,480

supporting evidence other than what he

721

00:29:11,330 --> 00:29:09,059

claims and again why did he put it in

722

00:29:13,789 --> 00:29:11,340

his notebook if he never wanted it out

723

00:29:15,490 --> 00:29:13,799

he put it in there so Prometheus would

724

00:29:19,010 --> 00:29:15,500

see it

725

00:29:20,870 --> 00:29:19,020

that's why Fox and halt never saw it

726

00:29:22,010 --> 00:29:20,880

they never saw it because they went

727

00:29:23,750 --> 00:29:22,020

through the notebook because they never

728

00:29:24,830 --> 00:29:23,760

had it in there because it's a loose

729

00:29:27,049 --> 00:29:24,840

leaf notebook

730

00:29:28,970 --> 00:29:27,059

John what's the book that you wrote I

731

00:29:32,450 --> 00:29:28,980

think you wrote with Nick Pope

732

00:29:33,710 --> 00:29:32,460

right I was in peniston and Penn what

733

00:29:36,289 --> 00:29:33,720

was the name of that book and would you

734

00:29:38,990 --> 00:29:36,299

recommend that book or whatever so for

735

00:29:41,210 --> 00:29:39,000

us um it's a vanilla version

736

00:29:43,130 --> 00:29:41,220

um of what happened uh Nick wanted to

737

00:29:45,289 --> 00:29:43,140

write it that way because he wanted to

738

00:29:47,210 --> 00:29:45,299

follow the Leslie Kingman

739

00:29:50,029 --> 00:29:47,220

um you know method of putting out

740

00:29:52,310 --> 00:29:50,039

generalizations and stuff hoping that if

741

00:29:54,830 --> 00:29:52,320

things move forward with all everything

742

00:29:57,470 --> 00:29:54,840

going on this book would catch on you

743

00:29:59,510 --> 00:29:57,480

know as far as you know and if you

744

00:30:02,269 --> 00:29:59,520

notice there's very little in the binary

745

00:30:04,549 --> 00:30:02,279

about it and even Nick even challenged

746

00:30:07,190 --> 00:30:04,559

the binary in the book so

747

00:30:09,889 --> 00:30:07,200

hmm so

748

00:30:11,990 --> 00:30:09,899

go ahead I'm just saying it it did well

749

00:30:13,970 --> 00:30:12,000

I mean it's so well it was encounters

750

00:30:15,889 --> 00:30:13,980

and Reynolds and forests

751

00:30:17,450 --> 00:30:15,899

um there was too much left out in my

752

00:30:19,970 --> 00:30:17,460

opinion and what I mean by left that was

753

00:30:22,370 --> 00:30:19,980

he didn't Nick refused to really expand

754

00:30:25,610 --> 00:30:22,380

on Project condyn which is a key to a

755

00:30:27,950 --> 00:30:25,620

lot of what is going on to this day

756

00:30:30,350 --> 00:30:27,960

so I didn't like that part of it you

757

00:30:32,149 --> 00:30:30,360

know I just never agreed with the fact

758

00:30:35,090 --> 00:30:32,159

that he always like Nick likes to hold

759

00:30:36,769 --> 00:30:35,100

things in the rears to use it as bait in

760

00:30:40,610 --> 00:30:36,779

my opinion A lot of times

761

00:30:41,990 --> 00:30:40,620

so yeah well I thought I've always said

762

00:30:45,110 --> 00:30:42,000

that this

763

00:30:47,210 --> 00:30:45,120

incident is in my top five incidents

764

00:30:48,950 --> 00:30:47,220

when people ask me you know what what

765

00:30:51,289 --> 00:30:48,960

are your what is what do you think is

766

00:30:53,630 --> 00:30:51,299

the really you know top five incidents

767

00:30:55,430 --> 00:30:53,640

this is one of them and one of the uh

768

00:30:59,330 --> 00:30:55,440

things I'm wondering if you're aware of

769

00:31:04,389 --> 00:30:59,340

supposedly there's a mandate that the uh

770

00:31:07,370 --> 00:31:04,399

what's it called uh Dean that the UFO

771

00:31:08,990 --> 00:31:07,380

help me here the what they're doing the

772

00:31:10,730 --> 00:31:09,000

government research there's a hearing

773

00:31:12,169 --> 00:31:10,740

coming up oh the the Congressional

774

00:31:15,649 --> 00:31:12,179

hearings that have been going on where

775

00:31:17,690 --> 00:31:15,659

they're the UAP task force well that's

776

00:31:21,769 --> 00:31:17,700

the old name for it but anyway it's it's

777

00:31:24,649 --> 00:31:21,779

that that more or less but they have a

778

00:31:27,350 --> 00:31:24,659

mandate that um I saw you know I saw

779

00:31:32,930 --> 00:31:27,360

parts of it in documents for next year

780

00:31:36,649 --> 00:31:32,940

to in 2023 to look at cases from 1940

781

00:31:39,110 --> 00:31:36,659

I think 1940 forward and I think when

782

00:31:41,570 --> 00:31:39,120

this involves a military case they're

783

00:31:44,330 --> 00:31:41,580

definitely going to be uh looking to

784

00:31:46,250 --> 00:31:44,340

that one well here's the thing okay

785

00:31:48,230 --> 00:31:46,260

I I have to be careful what I say

786

00:31:53,269 --> 00:31:48,240

because I've spoken to people inside

787

00:31:55,430 --> 00:31:53,279

Congress about this oh and and um I can

788

00:31:57,549 --> 00:31:55,440

say this they're not getting any

789

00:32:01,250 --> 00:31:57,559

cooperation from intelligence agencies

790

00:32:03,470 --> 00:32:01,260

so there may be a mandate that they're

791

00:32:06,350 --> 00:32:03,480

supposed to release information to them

792

00:32:08,269 --> 00:32:06,360

but at the point when I spoke to them

793

00:32:10,250 --> 00:32:08,279

what they were given was basically

794

00:32:12,830 --> 00:32:10,260

nothing there were there was no

795

00:32:15,830 --> 00:32:12,840

cooperation coming from the intelligence

796

00:32:18,889 --> 00:32:15,840

agencies and the military uh I believe

797

00:32:20,810 --> 00:32:18,899

that Navy was semi-cooperative but the

798

00:32:22,909 --> 00:32:20,820

Air Force was just had dug in their

799

00:32:26,330 --> 00:32:22,919

heels and were refusing then if you

800

00:32:27,649 --> 00:32:26,340

follow this further the uh DoD said

801
00:32:30,409 --> 00:32:27,659
they're not going to release any more

802
00:32:33,710 --> 00:32:30,419
video or anything because it'll give up

803
00:32:36,350 --> 00:32:33,720
means and measures so there's not

804
00:32:37,789 --> 00:32:36,360
there's really nothing that they're

805
00:32:41,389 --> 00:32:37,799
going to get

806
00:32:42,370 --> 00:32:41,399
from these agencies at least at this

807
00:32:46,010 --> 00:32:42,380
point

808
00:32:47,810 --> 00:32:46,020
well the um the the one bit of

809
00:32:50,269 --> 00:32:47,820
legislation that that is The

810
00:32:53,570 --> 00:32:50,279
Whistleblower one as it's referred to in

811
00:32:56,690 --> 00:32:53,580
in as many as uh and other terms as well

812
00:32:58,610 --> 00:32:56,700
is that hasn't been passed yet so well

813
00:33:00,889 --> 00:32:58,620

it was passed it just hadn't been signed

814

00:33:03,350 --> 00:33:00,899

hasn't been signed so that's a weird

815

00:33:06,110 --> 00:33:03,360

thing in itself why is it taking so long

816

00:33:08,090 --> 00:33:06,120

to sign I can tell you this and I'll let

817

00:33:10,370 --> 00:33:08,100

you answer a question the whistle or X

818

00:33:11,990 --> 00:33:10,380

not going to change anything

819

00:33:19,549 --> 00:33:12,000

if

820

00:33:22,310 --> 00:33:19,559

unless the Handler that's handling the

821

00:33:25,250 --> 00:33:22,320

case allows me to talk about it I'm

822

00:33:26,810 --> 00:33:25,260

violating my security oath in

823

00:33:30,289 --> 00:33:26,820

you know as far as national security

824

00:33:32,029 --> 00:33:30,299

goes okay and one of the questions I ask

825

00:33:34,549 --> 00:33:32,039

and I'm not going to go into too much

826

00:33:37,909 --> 00:33:34,559

detail other than I challenge what Lou

827

00:33:40,549 --> 00:33:37,919

has not testified yet to somebody that's

828

00:33:42,830 --> 00:33:40,559

involved and I was told that he's not

829

00:33:44,509 --> 00:33:42,840

going to be allowed to testify because

830

00:33:47,149 --> 00:33:44,519

the people involved with this stuff

831

00:33:49,009 --> 00:33:47,159

aren't going to release allow him to

832

00:33:52,009 --> 00:33:49,019

talk about it they're not going to

833

00:33:54,350 --> 00:33:52,019

release the the a lot of the data that

834

00:33:55,250 --> 00:33:54,360

he's aware of to be Declassified to talk

835

00:33:58,370 --> 00:33:55,260

about

836

00:34:00,049 --> 00:33:58,380

so this whole whistleblower Act if it's

837

00:34:02,149 --> 00:34:00,059

classified you can't just it doesn't

838

00:34:04,430 --> 00:34:02,159

give me a right to just go and talk

839

00:34:07,789 --> 00:34:04,440

about it no and the point I wanted to

840

00:34:10,669 --> 00:34:07,799

make is that as soon as an event happens

841

00:34:11,869 --> 00:34:10,679

they don't go like seti which is

842

00:34:14,510 --> 00:34:11,879

supposed to go to the public because

843

00:34:17,690 --> 00:34:14,520

it's a public basically you know a

844

00:34:20,149 --> 00:34:17,700

sponsored program and so they have and

845

00:34:22,609 --> 00:34:20,159

and Seth uh showstack has talked about

846

00:34:24,470 --> 00:34:22,619

this it it goes right to the media and

847

00:34:26,930 --> 00:34:24,480

the media does their own version of that

848

00:34:28,970 --> 00:34:26,940

and puts her own spin on it whereas if

849

00:34:31,250 --> 00:34:28,980

something happens uh and you're in the

850

00:34:32,810 --> 00:34:31,260

military it goes up to your commander

851
00:34:34,909 --> 00:34:32,820
that's how that happens no matter what

852
00:34:36,889 --> 00:34:34,919
even if it's there's someone's you know

853
00:34:38,810 --> 00:34:36,899
spilled a mop and and you trip you're

854
00:34:41,990 --> 00:34:38,820
not going to go out and say this so it

855
00:34:43,669 --> 00:34:42,000
still is going to be filtered so I that

856
00:34:46,369 --> 00:34:43,679
that wasn't very impressive for me as

857
00:34:49,070 --> 00:34:46,379
far as you know the Whistleblower thing

858
00:34:50,990 --> 00:34:49,080
um you're right we can't and the mop

859
00:34:54,050 --> 00:34:51,000
thing's a little kind of overboard but

860
00:34:56,690 --> 00:34:54,060
like for example when when rendelson

861
00:34:58,370 --> 00:34:56,700
finally got out or Ben what was this and

862
00:35:01,490 --> 00:34:58,380
it's not been out

863
00:35:02,810 --> 00:35:01,500

um I had no idea about it I I was

864

00:35:04,490 --> 00:35:02,820

completely caught off guard my phone

865

00:35:07,970 --> 00:35:04,500

started ringing

866

00:35:10,069 --> 00:35:07,980

um and I I there were like

867

00:35:11,329 --> 00:35:10,079

all of the world was calling me I I

868

00:35:12,950 --> 00:35:11,339

first of all I wasn't how they got my

869

00:35:15,290 --> 00:35:12,960

number because it wasn't even under my

870

00:35:17,870 --> 00:35:15,300

name it was under my roommate's name but

871

00:35:20,089 --> 00:35:17,880

they they've tracked me down and I blew

872

00:35:22,910 --> 00:35:20,099

all of them off until CNN called

873

00:35:24,470 --> 00:35:22,920

and then at that point and he told me he

874

00:35:26,510 --> 00:35:24,480

was coming out to Phoenix to interview

875

00:35:27,890 --> 00:35:26,520

me so at that point I had to go to

876

00:35:32,329 --> 00:35:27,900

public affairs

877

00:35:33,890 --> 00:35:32,339

through the Pentagon and I had to speak

878

00:35:36,890 --> 00:35:33,900

to the Pentagon about what I couldn't

879

00:35:38,870 --> 00:35:36,900

could say about the incident before I

880

00:35:42,890 --> 00:35:38,880

could go and talk to him

881

00:35:45,410 --> 00:35:42,900

so there it's not just oh they sign this

882

00:35:48,530 --> 00:35:45,420

thing and now oh John you could come up

883

00:35:51,050 --> 00:35:48,540

and talk to us now no no I can't yeah I

884

00:35:53,329 --> 00:35:51,060

can come up there and if it's a

885

00:35:57,050 --> 00:35:53,339

classified briefing where it's behind

886

00:35:59,030 --> 00:35:57,060

closed doors then I can talk but do go

887

00:36:01,730 --> 00:35:59,040

go in front of the public and the public

888

00:36:03,290 --> 00:36:01,740

hearing no I can't do that and even then

889

00:36:05,990 --> 00:36:03,300

I'm gonna have to get permission to talk

890

00:36:08,690 --> 00:36:06,000

about it inside the classified area you

891

00:36:10,190 --> 00:36:08,700

know on top of in that hearing what did

892

00:36:12,230 --> 00:36:10,200

they ask one of the questions asked was

893

00:36:15,050 --> 00:36:12,240

have we developed technology off of UAP

894

00:36:17,930 --> 00:36:15,060

well we'll take that behind closed doors

895

00:36:20,390 --> 00:36:17,940

so anything of value people think

896

00:36:22,370 --> 00:36:20,400

disclosure is coming anything of value

897

00:36:24,170 --> 00:36:22,380

if it's deemed National Security where

898

00:36:27,349 --> 00:36:24,180

you and I or anybody else agrees with it

899

00:36:29,930 --> 00:36:27,359

if it falls under that and heading it's

900

00:36:31,670 --> 00:36:29,940

good luck trying to get it out

901
00:36:33,170 --> 00:36:31,680
you know what I mean

902
00:36:35,750 --> 00:36:33,180
wow

903
00:36:37,190 --> 00:36:35,760
uh so if you

904
00:36:39,650 --> 00:36:37,200
um

905
00:36:42,589 --> 00:36:39,660
right after this happened

906
00:36:47,390 --> 00:36:42,599
uh what was what was the Fallout like

907
00:36:48,950 --> 00:36:47,400
was there indeed a drug used

908
00:36:51,770 --> 00:36:48,960
um that that that's something I've heard

909
00:36:54,470 --> 00:36:51,780
a lot over the years and was were you

910
00:36:57,109 --> 00:36:54,480
were you I mean can you even talk about

911
00:36:59,750 --> 00:36:57,119
it were you no I for me for me here's

912
00:37:01,910 --> 00:36:59,760
the thing I I remember they eventually

913
00:37:03,470 --> 00:37:01,920

we went home on our three day break when

914

00:37:05,990 --> 00:37:03,480

I came back Monday they had me write a

915

00:37:07,370 --> 00:37:06,000

statement to turn into the wing staff on

916

00:37:10,010 --> 00:37:07,380

Tuesday I would have been the Wing King

917

00:37:11,390 --> 00:37:10,020

the base commander and then Colonel hot

918

00:37:13,550 --> 00:37:11,400

was involved

919

00:37:16,670 --> 00:37:13,560

um went in handed my statement in which

920

00:37:18,950 --> 00:37:16,680

has been made public that got released

921

00:37:21,829 --> 00:37:18,960

um eventually but went in stood there

922

00:37:23,810 --> 00:37:21,839

and and lie me kabansack and Patterson

923

00:37:26,089 --> 00:37:23,820

Patterson was the ranking guy did all

924

00:37:27,890 --> 00:37:26,099

the Talking got told that they were

925

00:37:30,890 --> 00:37:27,900

looking into it they get back to us they

926

00:37:33,290 --> 00:37:30,900

needed anything from us and to go were

927

00:37:35,990 --> 00:37:33,300

dismissed now Henderson's gone on the

928

00:37:38,170 --> 00:37:36,000

record claiming he was interrogated it's

929

00:37:40,670 --> 00:37:38,180

interesting that at first he he never

930

00:37:41,750 --> 00:37:40,680

remembered the the Sony and pedophile

931

00:37:44,390 --> 00:37:41,760

and all that until he went under

932

00:37:46,370 --> 00:37:44,400

hypnosis he just said that halt talked

933

00:37:48,470 --> 00:37:46,380

him quite a bit about it but then after

934

00:37:50,870 --> 00:37:48,480

the hypnosis that he did then his story

935

00:37:53,450 --> 00:37:50,880

started kind of intermixing where it

936

00:37:56,329 --> 00:37:53,460

went from this is hypnosis memory this

937

00:38:00,650 --> 00:37:56,339

is what I remember to this is kind of

938

00:38:03,109 --> 00:38:00,660

the story now you know but in reality

939

00:38:04,430 --> 00:38:03,119

um uh bacinda said he was called in and

940

00:38:07,609 --> 00:38:04,440

interrogated

941

00:38:09,530 --> 00:38:07,619

um so yes there is some

942

00:38:12,290 --> 00:38:09,540

people that have stated they were

943

00:38:13,970 --> 00:38:12,300

intimidated interrogated and possibly

944

00:38:16,670 --> 00:38:13,980

they had

945

00:38:18,109 --> 00:38:16,680

um hypnosis or sodium pedophilus on them

946

00:38:22,250 --> 00:38:18,119

yeah

947

00:38:24,710 --> 00:38:22,260

um if were you told like Point Blank do

948

00:38:27,230 --> 00:38:24,720

not talk about this

949

00:38:28,310 --> 00:38:27,240

I no because I wasn't talking to the

950

00:38:30,170 --> 00:38:28,320

wing staff

951
00:38:33,050 --> 00:38:30,180
do you understand what I mean peniston

952
00:38:35,270 --> 00:38:33,060
was doing the talking and he was told we

953
00:38:37,670 --> 00:38:35,280
were kind of told we were kind of just

954
00:38:40,130 --> 00:38:37,680
told informed that what this is what I

955
00:38:41,510 --> 00:38:40,140
remember we're looking into it if we

956
00:38:43,670 --> 00:38:41,520
need something from me we'll let you

957
00:38:45,470 --> 00:38:43,680
know you're dismissed so you weren't

958
00:38:48,410 --> 00:38:45,480
told like do not talk about this to

959
00:38:51,050 --> 00:38:48,420
anyone no I mean but we weren't going to

960
00:38:53,329 --> 00:38:51,060
talk about it it was a it was already a

961
00:38:55,730 --> 00:38:53,339
cardinal rule do you understand how to

962
00:38:57,109 --> 00:38:55,740
be we were involved in an incident and

963
00:38:58,910 --> 00:38:57,119

we're just not allowed to go out and

964

00:39:00,770 --> 00:38:58,920

talk about an incident there are

965

00:39:02,569 --> 00:39:00,780

ramifications if you're involved in an

966

00:39:04,490 --> 00:39:02,579

incident like it doesn't matter if it's

967

00:39:06,589 --> 00:39:04,500

a UFO it could just be an incident where

968

00:39:09,530 --> 00:39:06,599

I was involved if I go talking about it

969

00:39:11,690 --> 00:39:09,540

I'm I can be held accountable for it

970

00:39:14,930 --> 00:39:11,700

well I'm I'm really curious about the

971

00:39:15,950 --> 00:39:14,940

whole um OSI because yeah you had

972

00:39:19,250 --> 00:39:15,960

mentioned

973

00:39:21,890 --> 00:39:19,260

the Navy I mean every every military

974

00:39:22,970 --> 00:39:21,900

force has their own

975

00:39:25,430 --> 00:39:22,980

um Mountain

976

00:39:27,589 --> 00:39:25,440

that they've claimed you know for

977

00:39:29,630 --> 00:39:27,599

themselves and it's always been a

978

00:39:32,450 --> 00:39:29,640

challenge whenever something happens

979

00:39:34,130 --> 00:39:32,460

where what is the universal agreement on

980

00:39:36,290 --> 00:39:34,140

things I mean it's a long you know

981

00:39:38,089 --> 00:39:36,300

history of this but it seems like the

982

00:39:40,250 --> 00:39:38,099

Air Force has been especially once it

983

00:39:41,810 --> 00:39:40,260

was you know created after World War II

984

00:39:46,310 --> 00:39:41,820

that

985

00:39:49,010 --> 00:39:46,320

presided recited over them the

986

00:39:51,410 --> 00:39:49,020

phenomenon if you will and OSI

987

00:39:52,849 --> 00:39:51,420

specifically keeps coming up time and

988

00:39:56,270 --> 00:39:52,859

time again where they come and do the

989

00:39:58,490 --> 00:39:56,280

questioning and and move on did you when

990

00:40:02,569 --> 00:39:58,500

you were debrief did you talk to anyone

991

00:40:04,970 --> 00:40:02,579

from the that specific office well again

992

00:40:06,589 --> 00:40:04,980

the only debrief if you want to call it

993

00:40:08,750 --> 00:40:06,599

that was we talked to shift Commander

994

00:40:11,750 --> 00:40:08,760

after we got off the first night and I

995

00:40:14,450 --> 00:40:11,760

stood in front of the the wing commander

996

00:40:16,670 --> 00:40:14,460

and a base commander and Kurt Hall and I

997

00:40:19,010 --> 00:40:16,680

wrote a statement I I do not remember

998

00:40:20,270 --> 00:40:19,020

other people claim they saw me get

999

00:40:23,270 --> 00:40:20,280

brought in

1000

00:40:24,950 --> 00:40:23,280

if I'm not denying that it couldn't have

1001
00:40:27,950 --> 00:40:24,960
happened I just don't remember it

1002
00:40:30,349 --> 00:40:27,960
happening you know what I mean so could

1003
00:40:33,470 --> 00:40:30,359
I have been you know worked over maybe

1004
00:40:36,290 --> 00:40:33,480
what I do know is that if the book I

1005
00:40:38,750 --> 00:40:36,300
wrote myself I wrote with James worro

1006
00:40:40,670 --> 00:40:38,760
and uh there was different contributing

1007
00:40:42,349 --> 00:40:40,680
authors in it including the lawyer that

1008
00:40:44,810 --> 00:40:42,359
was involved in my settlement with the

1009
00:40:46,250 --> 00:40:44,820
government the staffer from McCain's

1010
00:40:54,710 --> 00:40:46,260
office

1011
00:40:59,210 --> 00:40:56,329
I don't I don't even know how to explain

1012
00:41:00,530 --> 00:40:59,220
it it's just it's just

1013
00:41:02,210 --> 00:41:00,540

well it's interesting because I'm

1014

00:41:03,589 --> 00:41:02,220

listening to you right now

1015

00:41:05,089 --> 00:41:03,599

and

1016

00:41:11,030 --> 00:41:05,099

you

1017

00:41:13,069 --> 00:41:11,040

um with um such conviction because I

1018

00:41:15,650 --> 00:41:13,079

know that this this experience this part

1019

00:41:17,210 --> 00:41:15,660

of the Journey of your life has been in

1020

00:41:19,190 --> 00:41:17,220

some ways co-opted by people or

1021

00:41:22,430 --> 00:41:19,200

Rewritten Which history that's always

1022

00:41:24,890 --> 00:41:22,440

going on right right and so but there

1023

00:41:26,390 --> 00:41:24,900

are areas that are a little bit kind of

1024

00:41:27,890 --> 00:41:26,400

foggy where there are witnesses that say

1025

00:41:29,630 --> 00:41:27,900

this and even for yourself it's kind of

1026

00:41:31,609 --> 00:41:29,640

like I was there but I'm not sure the

1027

00:41:34,430 --> 00:41:31,619

disappearing thing I don't remember it

1028

00:41:36,109 --> 00:41:34,440

sounds like we're talking 42 years ago

1029

00:41:38,410 --> 00:41:36,119

well yeah but we are but here's the

1030

00:41:41,750 --> 00:41:38,420

thing when I wrote the book weapons

1031

00:41:44,870 --> 00:41:41,760

weaponizations an OSI guy I got through

1032

00:41:47,870 --> 00:41:44,880

another OSI guy wrote a wrote me an

1033

00:41:50,329 --> 00:41:47,880

email it's in the book tell me how he

1034

00:41:51,950 --> 00:41:50,339

this is how when it happened now I

1035

00:41:53,690 --> 00:41:51,960

confirmed this with Colonel halt that

1036

00:41:56,150 --> 00:41:53,700

this OSI guy was there and involved and

1037

00:41:58,750 --> 00:41:56,160

he confirmed it and when I let him read

1038

00:42:01,190 --> 00:41:58,760

the email Halton denied

1039

00:42:03,410 --> 00:42:01,200

you know he didn't deny what the guy

1040

00:42:05,810 --> 00:42:03,420

said took place that there was

1041

00:42:07,609 --> 00:42:05,820

Intelligence agencies brought in they

1042

00:42:09,410 --> 00:42:07,619

were they were concerned about there was

1043

00:42:11,630 --> 00:42:09,420

an anomaly always showed up before our

1044

00:42:13,550 --> 00:42:11,640

events happened they brought the NSA in

1045

00:42:15,349 --> 00:42:13,560

to try to figure out what that anomaly

1046

00:42:17,329 --> 00:42:15,359

was there was all kinds of things going

1047

00:42:18,950 --> 00:42:17,339

on to include that the fact that there

1048

00:42:21,530 --> 00:42:18,960

was all kinds of top secret testing

1049

00:42:23,089 --> 00:42:21,540

going on right outside the back gate to

1050

00:42:24,950 --> 00:42:23,099

include the fact that there was a

1051
00:42:26,030 --> 00:42:24,960
phenomenon being studied by the British

1052
00:42:28,250 --> 00:42:26,040
government

1053
00:42:30,290 --> 00:42:28,260
that that was confirmed by Andrew Pike

1054
00:42:31,790 --> 00:42:30,300
that was involved in the study now he

1055
00:42:34,069 --> 00:42:31,800
gets mad if I say he was doing it with

1056
00:42:35,450 --> 00:42:34,079
the British government but it was funded

1057
00:42:37,790 --> 00:42:35,460
by the British government through the

1058
00:42:40,250 --> 00:42:37,800
university that he was conducting this

1059
00:42:41,810 --> 00:42:40,260
phenomenon he wrote a book about it so

1060
00:42:43,970 --> 00:42:41,820
the point being is is there was all

1061
00:42:47,390 --> 00:42:43,980
kinds of stuff going on there's also the

1062
00:42:48,950 --> 00:42:47,400
Cold War the Russians the The OSI guy

1063
00:42:50,329 --> 00:42:48,960

claimed it was probably they were

1064

00:42:51,530 --> 00:42:50,339

concerned at first it may have been some

1065

00:42:54,770 --> 00:42:51,540

kind of Russian

1066

00:42:56,930 --> 00:42:54,780

thing going on he even stated that the

1067

00:42:58,370 --> 00:42:56,940

Russians we and this was something that

1068

00:43:01,370 --> 00:42:58,380

never went public but there was a couple

1069

00:43:03,470 --> 00:43:01,380

Russians agents that got caught out

1070

00:43:05,510 --> 00:43:03,480

there at the time now handcuffed for me

1071

00:43:07,130 --> 00:43:05,520

that came from the suicide guy so you

1072

00:43:08,450 --> 00:43:07,140

take it from what you want to take well

1073

00:43:12,290 --> 00:43:08,460

just in the context of History we're

1074

00:43:14,630 --> 00:43:12,300

talking December 1980. yeah so that's

1075

00:43:17,150 --> 00:43:14,640

smack dab at the beginning they going

1076

00:43:19,250 --> 00:43:17,160

from first to second gear with Reagan

1077

00:43:22,190 --> 00:43:19,260

who's in office

1078

00:43:24,950 --> 00:43:22,200

and and he throws down you know I'm not

1079

00:43:28,849 --> 00:43:24,960

sure when he made it no no Reagan didn't

1080

00:43:33,050 --> 00:43:30,410

until January okay that's that's an

1081

00:43:35,390 --> 00:43:33,060

important distinction so so at that

1082

00:43:37,130 --> 00:43:35,400

moment it it the relationship hadn't

1083

00:43:39,530 --> 00:43:37,140

been checked like when Reagan came and

1084

00:43:41,809 --> 00:43:39,540

called him the evil empire according to

1085

00:43:43,309 --> 00:43:41,819

the Star Wars uh uh term but it was

1086

00:43:45,530 --> 00:43:43,319

definitely Cold War was definitely hot

1087

00:43:49,670 --> 00:43:45,540

and heavy so that's not out of the realm

1088

00:43:52,250 --> 00:43:49,680

of them being a presence of them being

1089

00:43:55,010 --> 00:43:52,260

there but I'm I'm curious and I asked

1090

00:43:56,690 --> 00:43:55,020

Jim this question and it's why do you

1091

00:43:59,030 --> 00:43:56,700

think this happened and and I'm

1092

00:44:00,950 --> 00:43:59,040

interested in two levels one is just in

1093

00:44:01,849 --> 00:44:00,960

a procedural way of of why this might

1094

00:44:03,890 --> 00:44:01,859

have happened

1095

00:44:06,890 --> 00:44:03,900

and but the second is

1096

00:44:08,390 --> 00:44:06,900

you know looking at it from uh from

1097

00:44:10,670 --> 00:44:08,400

their perspective what would you know

1098

00:44:12,589 --> 00:44:10,680

from from whomever this technology was

1099

00:44:14,750 --> 00:44:12,599

we're going to run out of time here so I

1100

00:44:17,390 --> 00:44:14,760

want to get into the the key part that

1101
00:44:19,130 --> 00:44:17,400
we may not be able to cover is my what

1102
00:44:21,530 --> 00:44:19,140
the way the government had treated me

1103
00:44:23,510 --> 00:44:21,540
with my injuries okay sure now the

1104
00:44:25,490 --> 00:44:23,520
procedural part was people have

1105
00:44:26,809 --> 00:44:25,500
speculated the basement was going on I

1106
00:44:28,609 --> 00:44:26,819
don't think they did at least on the

1107
00:44:31,790 --> 00:44:28,619
first night there's been some stuff

1108
00:44:34,130 --> 00:44:31,800
sustained it later on the Williams may

1109
00:44:36,829 --> 00:44:34,140
have got briefed or not got brief okay

1110
00:44:38,030 --> 00:44:36,839
but at first I don't think they knew so

1111
00:44:40,010 --> 00:44:38,040
they didn't really know what to do with

1112
00:44:41,930 --> 00:44:40,020
it but down the road I think as things

1113
00:44:45,710 --> 00:44:41,940

started happening

1114

00:44:48,829 --> 00:44:45,720

um that the the higher ups in our base

1115

00:44:50,750 --> 00:44:48,839

chain of command started figure you know

1116

00:44:53,030 --> 00:44:50,760

being briefed on what was going place

1117

00:44:55,430 --> 00:44:53,040

you have to look at the bay outside the

1118

00:44:56,990 --> 00:44:55,440

gate what was going on the marlson heath

1119

00:44:58,970 --> 00:44:57,000

Arya bowsey and some of these other

1120

00:45:01,010 --> 00:44:58,980

facilities that were out there including

1121

00:45:03,349 --> 00:45:01,020

Marconi which was a defense contractor

1122

00:45:04,550 --> 00:45:03,359

that was working on stuff out there and

1123

00:45:06,230 --> 00:45:04,560

the fact that there we're actually

1124

00:45:08,329 --> 00:45:06,240

studying this phenomenon that's still

1125

00:45:10,730 --> 00:45:08,339

there to this thing these are things

1126

00:45:12,410 --> 00:45:10,740

that are real I mean you can't I'm not

1127

00:45:14,870 --> 00:45:12,420

telling you exactly what the phenomenon

1128

00:45:16,069 --> 00:45:14,880

is but it was even in condying which was

1129

00:45:18,410 --> 00:45:16,079

part of my settlement with the

1130

00:45:20,630 --> 00:45:18,420

government it stated that we were

1131

00:45:22,609 --> 00:45:20,640

exposed to UAP radiation

1132

00:45:25,370 --> 00:45:22,619

okay so the guy that authored this

1133

00:45:28,790 --> 00:45:25,380

actually was an engineer that worked

1134

00:45:31,069 --> 00:45:28,800

inside the defense industry and the mod

1135

00:45:33,470 --> 00:45:31,079

um said that we were exposed to UAP

1136

00:45:36,349 --> 00:45:33,480

radiation now the interesting thing was

1137

00:45:37,609 --> 00:45:36,359

when I got sick because before I got

1138

00:45:39,250 --> 00:45:37,619

sick I was just trying to get people

1139

00:45:41,990 --> 00:45:39,260

together to see if we could get a better

1140

00:45:44,329 --> 00:45:42,000

piece of the whole the whole thing right

1141

00:45:46,910 --> 00:45:44,339

let's get together 30th let's try to get

1142

00:45:48,530 --> 00:45:46,920

as many people halt didn't want Warren

1143

00:45:50,630 --> 00:45:48,540

Larry Warren evolved and some other

1144

00:45:53,089 --> 00:45:50,640

people so it turned into a big mess but

1145

00:45:56,150 --> 00:45:53,099

pennison and I were working together

1146

00:45:58,849 --> 00:45:56,160

and so we went over there did everything

1147

00:46:01,910 --> 00:45:58,859

some strange things happened which we

1148

00:46:03,410 --> 00:46:01,920

can maybe go in later but when I came

1149

00:46:05,750 --> 00:46:03,420

back I got sick

1150

00:46:07,970 --> 00:46:05,760

and and I gotten sick right after the

1151
00:46:10,790 --> 00:46:07,980
incident when I started having some

1152
00:46:12,770 --> 00:46:10,800
health issues and I ended up going to

1153
00:46:15,349 --> 00:46:12,780
Wright-Patterson afterwards which I

1154
00:46:17,089 --> 00:46:15,359
didn't know the ramifications of it at

1155
00:46:20,030 --> 00:46:17,099
the time but later you find out that's

1156
00:46:22,490 --> 00:46:20,040
where they do a lot of work on you know

1157
00:46:23,870 --> 00:46:22,500
uh technology and all that or stuff but

1158
00:46:27,170 --> 00:46:23,880
that's where they went and they

1159
00:46:29,450 --> 00:46:27,180
discovered some issues and they were

1160
00:46:32,329 --> 00:46:29,460
going to monitor it okay fast forward to

1161
00:46:34,609 --> 00:46:32,339
after 2010 and 11 my heart started

1162
00:46:36,770 --> 00:46:34,619
getting really bad my civilian doctors

1163
00:46:39,410 --> 00:46:36,780

wanted to look at all the testing they

1164

00:46:41,329 --> 00:46:39,420

did back at Wright-Patterson when the

1165

00:46:43,730 --> 00:46:41,339

whole heart issue became identified now

1166

00:46:45,470 --> 00:46:43,740

people say well I would have had a heart

1167

00:46:48,589 --> 00:46:45,480

problem before no you couldn't get in

1168

00:46:50,690 --> 00:46:48,599

the Air Force with the issues I had and

1169

00:46:52,609 --> 00:46:50,700

I actually had a physical a copy of my

1170

00:46:55,670 --> 00:46:52,619

physical store and I was clean bill of

1171

00:46:59,270 --> 00:46:55,680

health when I came in Okay so

1172

00:47:02,329 --> 00:46:59,280

all my records and stuff were denied so

1173

00:47:04,790 --> 00:47:02,339

to access to what did Senator Kyle he

1174

00:47:07,730 --> 00:47:04,800

put a request in they came back to him

1175

00:47:09,589 --> 00:47:07,740

and said my my document my files my

1176
00:47:12,410 --> 00:47:09,599
Personnel files and my medical records

1177
00:47:14,390 --> 00:47:12,420
where they belong okay I've got all

1178
00:47:16,250 --> 00:47:14,400
those proof of this this isn't hearsay

1179
00:47:19,430 --> 00:47:16,260
I've got all the documents supporting

1180
00:47:21,829 --> 00:47:19,440
this so the a came back and said well

1181
00:47:23,930 --> 00:47:21,839
what's going on here is your your files

1182
00:47:25,970 --> 00:47:23,940
are classified I've dealt with this in

1183
00:47:28,970 --> 00:47:25,980
other incidents including agent orange

1184
00:47:31,790 --> 00:47:28,980
which tells me your files are classified

1185
00:47:34,670 --> 00:47:31,800
so you need to go file disability and

1186
00:47:38,270 --> 00:47:34,680
that'll Force an issue so when file

1187
00:47:40,670 --> 00:47:38,280
disability came back went in for my um

1188
00:47:42,170 --> 00:47:40,680

interview for my disability the doctor

1189

00:47:43,670 --> 00:47:42,180

challenged me on everything I said

1190

00:47:46,250 --> 00:47:43,680

happened she says you weren't in the Air

1191

00:47:48,170 --> 00:47:46,260

Force at the time and I'm like what do

1192

00:47:51,230 --> 00:47:48,180

you mean I was she goes your records

1193

00:47:54,470 --> 00:47:51,240

don't show you being in the military and

1194

00:47:56,349 --> 00:47:54,480

sure enough she completed her stuff and

1195

00:47:59,270 --> 00:47:56,359

they came back and I had a little is

1196

00:48:02,770 --> 00:47:59,280

denying my claim because I was not in

1197

00:48:07,609 --> 00:48:02,780

the Air Force in 1979 and 80 81 until

1198

00:48:08,990 --> 00:48:07,619

1982. they used a different dd4214 and

1199

00:48:10,790 --> 00:48:09,000

they claimed there was nothing in my

1200

00:48:12,650 --> 00:48:10,800

medical records or Personnel files which

1201

00:48:14,990 --> 00:48:12,660

by the way what little they could get

1202

00:48:18,530 --> 00:48:15,000

their hands on show that I there was

1203

00:48:21,589 --> 00:48:18,540

nothing in there about from 79 to 82.

1204

00:48:23,870 --> 00:48:21,599

wow so at that point

1205

00:48:24,950 --> 00:48:23,880

um Kyle was retiring and McCain took it

1206

00:48:29,150 --> 00:48:24,960

over

1207

00:48:32,089 --> 00:48:29,160

and so they started working on this and

1208

00:48:34,309 --> 00:48:32,099

then this is in the book The the staffer

1209

00:48:36,050 --> 00:48:34,319

went to frpc and said wait a minute this

1210

00:48:38,089 --> 00:48:36,060

guy was in we have pay records we have

1211

00:48:40,010 --> 00:48:38,099

proof he's got proof they said no he

1212

00:48:41,569 --> 00:48:40,020

wasn't in what about the records he has

1213

00:48:44,870 --> 00:48:41,579

they're not certified we're not going to

1214

00:48:46,730 --> 00:48:44,880

accept them so I got around it by

1215

00:48:49,250 --> 00:48:46,740

calling retirement and said how can I be

1216

00:48:51,410 --> 00:48:49,260

retired if they're claiming I wasn't in

1217

00:48:53,930 --> 00:48:51,420

well the girl helped me got some stuff

1218

00:48:55,550 --> 00:48:53,940

to McCain then they could prove I was in

1219

00:48:58,130 --> 00:48:55,560

then there was supposed to be a

1220

00:48:59,870 --> 00:48:58,140

settlement and then somebody way up

1221

00:49:01,730 --> 00:48:59,880

killed it it's all in the book it was

1222

00:49:03,589 --> 00:49:01,740

all laid out what what happened with the

1223

00:49:04,970 --> 00:49:03,599

staffer and everything and the whole

1224

00:49:07,670 --> 00:49:04,980

thing in the Department of Justice got

1225

00:49:10,069 --> 00:49:07,680

in the middle of and all this so this is

1226

00:49:11,630 --> 00:49:10,079

real they were denials in the Air Force

1227

00:49:12,710 --> 00:49:11,640

they were denying I was injured while I

1228

00:49:14,329 --> 00:49:12,720

was in the Air Force and they were

1229

00:49:17,809 --> 00:49:14,339

denying my injuries

1230

00:49:19,910 --> 00:49:17,819

but eventually through a hard work of

1231

00:49:21,950 --> 00:49:19,920

Senator Kane and his staff and

1232

00:49:23,870 --> 00:49:21,960

everything else I I did get my

1233

00:49:26,030 --> 00:49:23,880

settlement and people claim well that

1234

00:49:27,950 --> 00:49:26,040

wasn't because of the incident my whole

1235

00:49:29,870 --> 00:49:27,960

claim was based off I was visited in the

1236

00:49:32,569 --> 00:49:29,880

line of duty in the forest during the

1237

00:49:34,790 --> 00:49:32,579

event and they acknowledged it and they

1238

00:49:37,550 --> 00:49:34,800

gave me my disability for that incident

1239

00:49:40,210 --> 00:49:37,560

now Adrian vistenza he too has 100

1240

00:49:43,370 --> 00:49:40,220

disability or 95 percent I think it is

1241

00:49:44,450 --> 00:49:43,380

for our event and the injuries he

1242

00:49:47,030 --> 00:49:44,460

sustained

1243

00:49:49,190 --> 00:49:47,040

in the forest with me on night three so

1244

00:49:50,690 --> 00:49:49,200

two of us have been acknowledged by the

1245

00:49:52,790 --> 00:49:50,700

government that were injured in the line

1246

00:49:54,230 --> 00:49:52,800

of duty during the event did that happen

1247

00:49:55,910 --> 00:49:54,240

at the same time

1248

00:49:58,010 --> 00:49:55,920

no but stanza happened afterwards

1249

00:49:59,870 --> 00:49:58,020

because I had all the the documents that

1250

00:50:01,849 --> 00:49:59,880

got him in through real quick his was

1251
00:50:03,829 --> 00:50:01,859
done in less than six months mine took

1252
00:50:07,790 --> 00:50:03,839
two and a half years which is light time

1253
00:50:10,309 --> 00:50:07,800
in VA disability settlements right now

1254
00:50:12,710 --> 00:50:10,319
so there's all kinds of cover-ups going

1255
00:50:14,630 --> 00:50:12,720
on with what happened to us now what

1256
00:50:17,390 --> 00:50:14,640
I've been clear to say which ticks

1257
00:50:19,730 --> 00:50:17,400
people off is I don't know what a UAP is

1258
00:50:22,550 --> 00:50:19,740
I'd like to find out

1259
00:50:25,490 --> 00:50:22,560
I don't know for sure what happened to

1260
00:50:28,250 --> 00:50:25,500
us I'd like to find out but I was made

1261
00:50:32,089 --> 00:50:28,260
clear to me all along by the staffer

1262
00:50:33,770 --> 00:50:32,099
Kyle by the staffers and with uh McCain

1263
00:50:35,569 --> 00:50:33,780

was they're going to give me the care I

1264

00:50:37,069 --> 00:50:35,579

deserve but I was never going to get

1265

00:50:38,690 --> 00:50:37,079

close to what happened

1266

00:50:41,210 --> 00:50:38,700

that was going to stay locked down

1267

00:50:44,270 --> 00:50:42,109

um

1268

00:50:47,089 --> 00:50:44,280

so it's kind of like uh what is the most

1269

00:50:49,130 --> 00:50:47,099

important battle to win here and that is

1270

00:50:51,349 --> 00:50:49,140

getting you health care and the other

1271

00:50:52,910 --> 00:50:51,359

stuff becomes secondary and and that's

1272

00:50:54,890 --> 00:50:52,920

your number one goal for yourself is

1273

00:50:56,150 --> 00:50:54,900

well I was dying I had about a month

1274

00:50:58,430 --> 00:50:56,160

left when I had my open heart surgery

1275

00:51:00,770 --> 00:50:58,440

but the point was is that they're

1276
00:51:03,230 --> 00:51:00,780
covering something up now are you going

1277
00:51:05,510 --> 00:51:03,240
to tell me was it Alias or Zeta reticuli

1278
00:51:07,490 --> 00:51:05,520
or whatever no what I will say is a

1279
00:51:09,349 --> 00:51:07,500
Declassified document from the British

1280
00:51:12,589 --> 00:51:09,359
government says we were exposed to UAP

1281
00:51:14,870 --> 00:51:12,599
radiation what a UAP is now the

1282
00:51:16,670 --> 00:51:14,880
classified normal culture that they use

1283
00:51:19,790 --> 00:51:16,680
or what we're dealing with

1284
00:51:22,250 --> 00:51:19,800
so it seems to kind of overlap into each

1285
00:51:23,990 --> 00:51:22,260
other I've had I've talked to people in

1286
00:51:25,250 --> 00:51:24,000
Congress I've dealt with the group

1287
00:51:27,829 --> 00:51:25,260
behind the scenes and I've never even

1288
00:51:29,630 --> 00:51:27,839

gotten into dealing with how I put off

1289

00:51:32,270 --> 00:51:29,640

kit green and all the other stuff that

1290

00:51:35,030 --> 00:51:32,280

went on to including in my book which

1291

00:51:37,490 --> 00:51:35,040

green openly came out and amenity helped

1292

00:51:40,130 --> 00:51:37,500

me through the process gave a document

1293

00:51:43,190 --> 00:51:40,140

to the dod slash VA that was later

1294

00:51:46,490 --> 00:51:43,200

classified telling them what ha what

1295

00:51:48,770 --> 00:51:46,500

what what damaged my heart and openly

1296

00:51:51,829 --> 00:51:48,780

said that what happened to me was tied

1297

00:51:54,530 --> 00:51:51,839

up in sap programs those are what he

1298

00:51:57,470 --> 00:51:54,540

said and that's all in the book where

1299

00:52:00,650 --> 00:51:57,480

you know where he said it

1300

00:52:03,109 --> 00:52:00,660

that's incredible well I'm gonna pop up

1301

00:52:06,650 --> 00:52:03,119

a question we're going to try to get

1302

00:52:09,950 --> 00:52:06,660

some uh questions when we go off kgra in

1303

00:52:12,589 --> 00:52:09,960

here just a couple of minutes so uh what

1304

00:52:16,549 --> 00:52:12,599

have you been cleared to say

1305

00:52:19,910 --> 00:52:16,559

I thought you weren't told what to say

1306

00:52:20,990 --> 00:52:19,920

uh so do you understand the question I

1307

00:52:24,290 --> 00:52:21,000

guess I'm saying because I made the

1308

00:52:25,670 --> 00:52:24,300

comment that if if if in fact there

1309

00:52:28,370 --> 00:52:25,680

were things that were classified I

1310

00:52:29,990 --> 00:52:28,380

couldn't talk about them okay so I have

1311

00:52:32,569 --> 00:52:30,000

never been told

1312

00:52:34,549 --> 00:52:32,579

anything was classified up until that

1313

00:52:38,390 --> 00:52:34,559

letter that was given from

1314

00:52:40,549 --> 00:52:38,400

from Dr Green to the VA and DOD and

1315

00:52:43,730 --> 00:52:40,559

there was stuff in it that was deemed

1316

00:52:46,970 --> 00:52:43,740

classifiable on technology okay so as

1317

00:52:49,010 --> 00:52:46,980

far as my part of the event itself I

1318

00:52:52,190 --> 00:52:49,020

never was ever told I couldn't talk

1319

00:52:54,710 --> 00:52:52,200

about it other than when the Pentagon

1320

00:52:57,230 --> 00:52:54,720

called me to tell to tell me to talk to

1321

00:53:00,109 --> 00:52:57,240

CNN they told me to stick to the hot

1322

00:53:02,450 --> 00:53:00,119

memo and not go off script so don't

1323

00:53:05,270 --> 00:53:02,460

worry anything else that happened other

1324

00:53:07,549 --> 00:53:05,280

than what the memo said and when I saw

1325

00:53:09,410 --> 00:53:07,559

the memo which I kind of got told I got

1326

00:53:12,170 --> 00:53:09,420

ordered to talk to him because I just

1327

00:53:13,430 --> 00:53:12,180

told the colonel or the general and the

1328

00:53:14,990 --> 00:53:13,440

captain who happened to be a shift

1329

00:53:16,910 --> 00:53:15,000

Commander bent Waters by the name of

1330

00:53:18,710 --> 00:53:16,920

Graham who now is in public affairs at

1331

00:53:20,329 --> 00:53:18,720

the Pentagon I said I don't really want

1332

00:53:22,430 --> 00:53:20,339

to talk to this guy because I don't even

1333

00:53:24,770 --> 00:53:22,440

know what's going on because I had no

1334

00:53:26,750 --> 00:53:24,780

clue to how it got released news of the

1335

00:53:28,309 --> 00:53:26,760

world or anything so when I did meet

1336

00:53:30,230 --> 00:53:28,319

with Chuck to call who turned out to be

1337

00:53:32,270 --> 00:53:30,240

a really good guy I looked at the memo

1338

00:53:34,370 --> 00:53:32,280

and I just said the memo is full of crap

1339

00:53:36,890 --> 00:53:34,380

the dates are on the whole story has

1340

00:53:39,410 --> 00:53:36,900

been jumbled up and everything else but

1341

00:53:42,109 --> 00:53:39,420

ultimately they did not want me to go

1342

00:53:44,809 --> 00:53:42,119

off the map other than the memo so in a

1343

00:53:47,270 --> 00:53:44,819

way I was told not to talk to CNN about

1344

00:53:49,790 --> 00:53:47,280

anything more than the memo but I never

1345

00:53:52,370 --> 00:53:49,800

was told anything in was classified

1346

00:53:54,470 --> 00:53:52,380

other than this letter that I got later

1347

00:53:57,290 --> 00:53:54,480

on okay we're gonna have to jump off

1348

00:53:59,809 --> 00:53:57,300

kgra radio thank you everyone over there

1349

00:54:02,750 --> 00:53:59,819

we'll be back next week with James Fox

1350

00:54:06,349 --> 00:54:02,760

uh the guest tonight is John Burroughs

1351
00:54:08,569 --> 00:54:06,359
we're on uh Dean and I are on with him

1352
00:54:10,670 --> 00:54:08,579
it's been a pleasure so far we'll keep

1353
00:54:13,010 --> 00:54:10,680
going there's uh people may put some

1354
00:54:15,049 --> 00:54:13,020
questions up in chat there was one I saw

1355
00:54:18,049 --> 00:54:15,059
earlier that I'm going to post so we'll

1356
00:54:22,790 --> 00:54:18,059
put those up too

1357
00:54:25,910 --> 00:54:22,800
um so anyway uh so all this time has

1358
00:54:28,010 --> 00:54:25,920
gone by other times that you like you

1359
00:54:31,010 --> 00:54:28,020
don't want to talk about this

1360
00:54:33,049 --> 00:54:31,020
no no not really I just don't

1361
00:54:35,030 --> 00:54:33,059
listen here's my take

1362
00:54:37,370 --> 00:54:35,040
I've turned on a lot of your interviews

1363
00:54:39,049 --> 00:54:37,380

in the last year or two because I'll

1364

00:54:41,630 --> 00:54:39,059

tell them I don't want to just talk

1365

00:54:44,510 --> 00:54:41,640

about generics anymore you want to read

1366

00:54:46,370 --> 00:54:44,520

my book you want to follow the story and

1367

00:54:48,650 --> 00:54:46,380

understand the story and understand what

1368

00:54:50,690 --> 00:54:48,660

I relied in my book I'll do an interview

1369

00:54:53,329 --> 00:54:50,700

with you because I want to talk about

1370

00:54:55,970 --> 00:54:53,339

things that matter not just generic

1371

00:54:56,690 --> 00:54:55,980

stuff you know and I mean tonight I'm

1372

00:54:59,870 --> 00:54:56,700

not

1373

00:55:02,870 --> 00:54:59,880

I talked about it with Penicillin penis

1374

00:55:05,930 --> 00:55:02,880

is irrelevant to me okay his story is

1375

00:55:07,370 --> 00:55:05,940

irrelevant what's relevant to me is I

1376
00:55:09,530 --> 00:55:07,380
definitely was injured the Government

1377
00:55:11,270 --> 00:55:09,540
tried to cover it up they're still

1378
00:55:13,910 --> 00:55:11,280
covering stuff up to this day about the

1379
00:55:17,270 --> 00:55:13,920
incident itself and they're covering up

1380
00:55:19,609 --> 00:55:17,280
what's really going on period and I

1381
00:55:21,049 --> 00:55:19,619
would like as a person and experienced

1382
00:55:23,750 --> 00:55:21,059
something to have a better working

1383
00:55:25,250 --> 00:55:23,760
knowledge now do I think I'm going to

1384
00:55:27,109 --> 00:55:25,260
get that working knowledge probably not

1385
00:55:29,390 --> 00:55:27,119
this is going to keep it all locked down

1386
00:55:31,010 --> 00:55:29,400
in classifications but I can't help but

1387
00:55:32,510 --> 00:55:31,020
tell you I'd like to know

1388
00:55:35,630 --> 00:55:32,520

you know

1389

00:55:39,410 --> 00:55:35,640

what is in your in your best estimation

1390

00:55:42,650 --> 00:55:39,420

because uh you know so far no one in

1391

00:55:44,829 --> 00:55:42,660

this event uh and it's and it it seems

1392

00:55:46,370 --> 00:55:44,839

to be intentional whether it's uh

1393

00:55:48,650 --> 00:55:46,380

extraterrestrial coming from

1394

00:55:51,170 --> 00:55:48,660

extraterrestrials are are the the

1395

00:55:54,710 --> 00:55:51,180

military what is what is your estimation

1396

00:55:57,589 --> 00:55:54,720

of what is going on what was the purpose

1397

00:56:00,049 --> 00:55:57,599

of that whole event in your in your

1398

00:56:02,030 --> 00:56:00,059

opinion well if you go off a Pike's book

1399

00:56:04,309 --> 00:56:02,040

Andrew Pike

1400

00:56:06,349 --> 00:56:04,319

um they were studying this phenomenon if

1401
00:56:08,809 --> 00:56:06,359
you go off condo and it says it should

1402
00:56:10,910 --> 00:56:08,819
be weaponized that's why the title of my

1403
00:56:15,349 --> 00:56:10,920
book is weaponization of an unidentified

1404
00:56:17,089 --> 00:56:15,359
UAP okay now the thing is our government

1405
00:56:19,370 --> 00:56:17,099
and the governments of the world not

1406
00:56:21,650 --> 00:56:19,380
just the American government love

1407
00:56:24,349 --> 00:56:21,660
technology especially if it can be used

1408
00:56:27,109 --> 00:56:24,359
for power okay just plain and simple

1409
00:56:28,609 --> 00:56:27,119
it's all about who it's not it doesn't

1410
00:56:30,410 --> 00:56:28,619
have to be who you know it's what you

1411
00:56:33,530 --> 00:56:30,420
know and what you have at your

1412
00:56:35,089 --> 00:56:33,540
fingertips that you can use okay so they

1413
00:56:37,609 --> 00:56:35,099

clearly have been studying this

1414

00:56:40,309 --> 00:56:37,619

technology or this phenomenon whatever

1415

00:56:41,870 --> 00:56:40,319

it is okay if you listen to what Lou

1416

00:56:43,730 --> 00:56:41,880

talked about some of the other people

1417

00:56:46,130 --> 00:56:43,740

that supposedly were close to different

1418

00:56:48,770 --> 00:56:46,140

programs it's clearly been involved

1419

00:56:51,470 --> 00:56:48,780

Harry Reid said immediately after he got

1420

00:56:54,530 --> 00:56:51,480

the initial brief he wanted to make the

1421

00:56:55,790 --> 00:56:54,540

whole thing an sap program right that's

1422

00:56:58,790 --> 00:56:55,800

what he wanted to do with this whole

1423

00:57:02,450 --> 00:56:58,800

thing so so the the bottom line is

1424

00:57:04,849 --> 00:57:02,460

they're looking at something that

1425

00:57:06,410 --> 00:57:04,859

that they're trying to weaponize what's

1426

00:57:08,230 --> 00:57:06,420

interesting was after I got my

1427

00:57:10,910 --> 00:57:08,240

settlement when McCain was still alive

1428

00:57:12,470 --> 00:57:10,920

the same people involved helping with my

1429

00:57:14,990 --> 00:57:12,480

settlement was straight to McCain's

1430

00:57:17,270 --> 00:57:15,000

committee who he was a chair of and

1431

00:57:20,650 --> 00:57:17,280

we're trying to get funding for exotic

1432

00:57:26,030 --> 00:57:23,270

interesting those were those Dia

1433

00:57:28,490 --> 00:57:26,040

documents remember they got they were

1434

00:57:30,710 --> 00:57:28,500

McCain's committee McCain was the one

1435

00:57:32,630 --> 00:57:30,720

that got read into my whole case because

1436

00:57:34,370 --> 00:57:32,640

of the way it was handled and at one

1437

00:57:36,770 --> 00:57:34,380

point threatened open appearance when

1438

00:57:38,870 --> 00:57:36,780

they were still trying to deny my when

1439

00:57:40,790 --> 00:57:38,880

they went through there would offer the

1440

00:57:41,870 --> 00:57:40,800

first time he said either this gets

1441

00:57:45,049 --> 00:57:41,880

taken care of or I'm going to do

1442

00:57:47,630 --> 00:57:45,059

earrings so after I got my settlement he

1443

00:57:50,690 --> 00:57:47,640

did they then went to him for funding

1444

00:57:53,210 --> 00:57:50,700

for exotic technology you tell me his

1445

00:57:56,990 --> 00:57:53,220

name comes up a few times in the in the

1446

00:58:00,950 --> 00:57:57,000

UAP UFO topic over the years he's he's

1447

00:58:03,470 --> 00:58:00,960

uh he's chimed in more than once more

1448

00:58:05,390 --> 00:58:03,480

than your particular case

1449

00:58:07,730 --> 00:58:05,400

I can't tell you what but I have heard

1450

00:58:10,010 --> 00:58:07,740

heard it he was asking on one of the

1451
00:58:12,530 --> 00:58:10,020
local radio stations in Phoenix about it

1452
00:58:14,750 --> 00:58:12,540
and he said that it deserves a closer

1453
00:58:17,150 --> 00:58:14,760
look I think is what will he was asked

1454
00:58:18,410 --> 00:58:17,160
about one time I know he said that but

1455
00:58:22,490 --> 00:58:18,420
again

1456
00:58:24,530 --> 00:58:22,500
I try to go back and be clear about this

1457
00:58:27,890 --> 00:58:24,540
it appears we had in contact with the

1458
00:58:30,349 --> 00:58:27,900
UAP out there now was it all that you

1459
00:58:32,870 --> 00:58:30,359
repeat whatever driven or was it

1460
00:58:34,849 --> 00:58:32,880
something we were doing to the UAP which

1461
00:58:37,250 --> 00:58:34,859
is what Andrew pikes

1462
00:58:39,950 --> 00:58:37,260
stated was going on so was there a

1463
00:58:43,309 --> 00:58:39,960

combination of both I do know that I was

1464

00:58:46,250 --> 00:58:43,319

brought into a hundred people group to

1465

00:58:48,410 --> 00:58:46,260

have my DNA tested with these other 99

1466

00:58:51,170 --> 00:58:48,420

people that was being done through

1467

00:58:54,349 --> 00:58:51,180

Government funding which that results

1468

00:58:55,789 --> 00:58:54,359

have never been released and there was

1469

00:58:59,030 --> 00:58:55,799

also some of those special operations

1470

00:59:01,010 --> 00:58:59,040

people that had an encounter at Bradshaw

1471

00:59:04,430 --> 00:59:01,020

not Bradshaw I'm sorry uh skid Walker

1472

00:59:06,170 --> 00:59:04,440

Ranch so I was logged into that I do

1473

00:59:07,549 --> 00:59:06,180

know they wanted to do an MRI which

1474

00:59:09,770 --> 00:59:07,559

they've done on people that have had

1475

00:59:12,470 --> 00:59:09,780

encounters with uip's but because of my

1476

00:59:14,750 --> 00:59:12,480

pacemaker they couldn't justify it oh

1477

00:59:16,670 --> 00:59:14,760

yeah and then they also wanted to look

1478

00:59:20,030 --> 00:59:16,680

at that the last thing they were looking

1479

00:59:22,849 --> 00:59:20,040

at was hypnosis itself and what the Mind

1480

00:59:25,069 --> 00:59:22,859

remembers clearly and does it what's you

1481

00:59:26,750 --> 00:59:25,079

know interfered with was Gary Nolan

1482

00:59:28,789 --> 00:59:26,760

involved in any of that

1483

00:59:31,910 --> 00:59:28,799

yeah Gary Nola and Nicole and Keller

1484

00:59:33,890 --> 00:59:31,920

were brought down to Flagstaff to try to

1485

00:59:35,210 --> 00:59:33,900

talk me into giving up my DNA for the

1486

00:59:38,450 --> 00:59:35,220

study originally

1487

00:59:38,990 --> 00:59:38,460

ah how about that here's a question that

1488

00:59:40,370 --> 00:59:39,000

um

1489

00:59:42,950 --> 00:59:40,380

I think it's actually a pretty good one

1490

00:59:44,569 --> 00:59:42,960

have you ever had any other other UFO

1491

00:59:47,630 --> 00:59:44,579

sightings or strange things happened

1492

00:59:49,490 --> 00:59:47,640

since that uh I've always said no up

1493

00:59:51,530 --> 00:59:49,500

until when I moved to Sedona for two

1494

00:59:52,569 --> 00:59:51,540

years had some weird stuff happen up

1495

00:59:55,309 --> 00:59:52,579

there

1496

00:59:57,650 --> 00:59:55,319

you went to Sedona Arizona that's your

1497

01:00:00,170 --> 00:59:57,660

fault well I'm just saying when we're

1498

01:00:01,549 --> 01:00:00,180

not over to Brad saw Ranch area on three

1499

01:00:02,630 --> 01:00:01,559

different occasions some weird stuff

1500

01:00:04,910 --> 01:00:02,640

took place

1501
01:00:07,190 --> 01:00:04,920
interesting can you tell us

1502
01:00:09,049 --> 01:00:07,200
strange lights in the sky and stuff like

1503
01:00:10,910 --> 01:00:09,059
that that could be explained

1504
01:00:12,410 --> 01:00:10,920
wow when I when I showed up out there

1505
01:00:13,730 --> 01:00:12,420
with a couple other people some weird

1506
01:00:16,849 --> 01:00:13,740
stuff out

1507
01:00:18,829 --> 01:00:16,859
but I can't verify unfortunately the one

1508
01:00:21,650 --> 01:00:18,839
person will never come forward the other

1509
01:00:23,329 --> 01:00:21,660
person passed away but there was some

1510
01:00:25,130 --> 01:00:23,339
strange stuff could happen on three

1511
01:00:27,170 --> 01:00:25,140
different occasions out there so

1512
01:00:29,569 --> 01:00:27,180
interesting

1513
01:00:32,329 --> 01:00:29,579

um I would really be curious to see what

1514

01:00:34,849 --> 01:00:32,339

are the the similarities with the rate

1515

01:00:37,309 --> 01:00:34,859

type of radiation that you received and

1516

01:00:38,690 --> 01:00:37,319

other experiences uh have received

1517

01:00:41,109 --> 01:00:38,700

people that have witnessed um craft

1518

01:00:43,730 --> 01:00:41,119

before well if you go back to

1519

01:00:46,130 --> 01:00:43,740

when these guys got involved terahertz

1520

01:00:48,829 --> 01:00:46,140

wasn't a big deal but all of a sudden

1521

01:00:50,450 --> 01:00:48,839

they want to tear Hertz out so it has

1522

01:00:54,170 --> 01:00:50,460

something to do with terahertz it

1523

01:00:56,569 --> 01:00:54,180

appears hmm that's that's as much as I

1524

01:00:58,910 --> 01:00:56,579

can say because they went out of their

1525

01:01:01,130 --> 01:00:58,920

way to introduce the public to terahertz

1526

01:01:02,930 --> 01:01:01,140

radiation

1527

01:01:04,970 --> 01:01:02,940

here's an interesting question because

1528

01:01:07,789 --> 01:01:04,980

I've heard things are happening are you

1529

01:01:09,829 --> 01:01:07,799

aware of things that are still going on

1530

01:01:12,349 --> 01:01:09,839

um people are still going out in the

1531

01:01:14,870 --> 01:01:12,359

forest and seeing stories lights

1532

01:01:16,670 --> 01:01:14,880

yeah I've heard I've heard that and I've

1533

01:01:18,829 --> 01:01:16,680

heard that there's

1534

01:01:20,690 --> 01:01:18,839

um people have talked about Cryptids and

1535

01:01:23,030 --> 01:01:20,700

weird other weird happenings not just

1536

01:01:25,069 --> 01:01:23,040

UFOs in that area I don't know if you've

1537

01:01:27,890 --> 01:01:25,079

ever heard any bit of that

1538

01:01:31,010 --> 01:01:27,900

um since since I I was over there in 18

1539

01:01:34,250 --> 01:01:31,020

I really haven't spent a lot of time you

1540

01:01:36,829 --> 01:01:34,260

know what's been going on since 18. so

1541

01:01:38,809 --> 01:01:36,839

it may be I I don't know I just I went

1542

01:01:41,510 --> 01:01:38,819

back up there one more time in 18 and

1543

01:01:44,160 --> 01:01:41,520

then I kind of I wouldn't say I've lost

1544

01:01:46,190 --> 01:01:44,170

interest in all this but I'm bored

1545

01:01:48,829 --> 01:01:46,200

[Laughter]

1546

01:01:51,650 --> 01:01:48,839

yeah now do you communicate with the

1547

01:01:54,530 --> 01:01:51,660

other people on a regular basis that

1548

01:01:56,329 --> 01:01:54,540

were involved is there is or do you kind

1549

01:01:57,650 --> 01:01:56,339

of just all keep to yourself as far as

1550

01:01:59,930 --> 01:01:57,660

you know

1551

01:02:03,589 --> 01:01:59,940

um occasionally I've talked to Adrian

1552

01:02:06,710 --> 01:02:03,599

um other than that no kabansack I guess

1553

01:02:08,990 --> 01:02:06,720

after he did the James Fox stuff the IRS

1554

01:02:10,250 --> 01:02:09,000

came after him and he just didn't want

1555

01:02:14,390 --> 01:02:10,260

to talk anymore

1556

01:02:16,010 --> 01:02:14,400

um so I mean because we try at least I

1557

01:02:18,289 --> 01:02:16,020

shouldn't say we I tried to get him in

1558

01:02:20,150 --> 01:02:18,299

the book and he wouldn't do it so yeah

1559

01:02:21,890 --> 01:02:20,160

people brought that up too why wasn't he

1560

01:02:23,270 --> 01:02:21,900

in the book they didn't want to be in

1561

01:02:26,270 --> 01:02:23,280

the book that's the one thing more scary

1562

01:02:28,190 --> 01:02:26,280

than the Men in Black is the IRS uh yeah

1563

01:02:30,770 --> 01:02:28,200

sure especially if you've done something

1564

01:02:32,870 --> 01:02:30,780

wrong and I'm not implying you did but

1565

01:02:35,329 --> 01:02:32,880

if you're squeaky clean whatever I guess

1566

01:02:36,829 --> 01:02:35,339

they can create something but yeah have

1567

01:02:39,109 --> 01:02:36,839

you ever spoken with because I know that

1568

01:02:42,530 --> 01:02:39,119

whenever I've I've talked to people that

1569

01:02:45,289 --> 01:02:42,540

have come out recently uh in in um in

1570

01:02:46,970 --> 01:02:45,299

the Press about this that they start

1571

01:02:48,470 --> 01:02:46,980

getting people that come to them and

1572

01:02:50,450 --> 01:02:48,480

it's the full spectrum of people that

1573

01:02:53,630 --> 01:02:50,460

are saying I know the truth of what's

1574

01:02:55,609 --> 01:02:53,640

going on to hey I was at another base

1575

01:02:57,289 --> 01:02:55,619

and this happened as well so I'm curious

1576

01:02:59,030 --> 01:02:57,299

was there anyone else that said hey I

1577

01:03:00,770 --> 01:02:59,040

was stationed at this other base same

1578

01:03:02,990 --> 01:03:00,780

type of thing happened to me did anyone

1579

01:03:06,309 --> 01:03:03,000

come to you and sure well from the time

1580

01:03:09,470 --> 01:03:06,319

bentwater's got out in 92 I was in until

1581

01:03:12,589 --> 01:03:09,480

2004 actually six but technically I

1582

01:03:14,210 --> 01:03:12,599

stopped doing any Duty working or

1583

01:03:16,190 --> 01:03:14,220

um there's different people that came up

1584

01:03:17,690 --> 01:03:16,200

with different things yeah they'd come

1585

01:03:19,670 --> 01:03:17,700

to approach me on different things they

1586

01:03:21,589 --> 01:03:19,680

saw what had happened and stuff like

1587

01:03:23,450 --> 01:03:21,599

that yeah how close were they to you're

1588

01:03:26,089 --> 01:03:23,460

on experience

1589

01:03:28,130 --> 01:03:26,099

um not really I mean if you take the

1590

01:03:30,170 --> 01:03:28,140

whole enchilada I mean they just saw

1591

01:03:33,289 --> 01:03:30,180

strange things you know

1592

01:03:35,390 --> 01:03:33,299

stuff but not you know I guess you could

1593

01:03:37,670 --> 01:03:35,400

say we saw strange things but you know

1594

01:03:39,950 --> 01:03:37,680

not really the aftermath I mean honestly

1595

01:03:42,829 --> 01:03:39,960

rendelson is only a big deal because

1596

01:03:44,630 --> 01:03:42,839

according to Dr Green it slipped out it

1597

01:03:46,069 --> 01:03:44,640

never should have gotten out there's a

1598

01:03:48,530 --> 01:03:46,079

lot of stuff that's happened in the

1599

01:03:50,809 --> 01:03:48,540

military over the years that's never saw

1600

01:03:53,390 --> 01:03:50,819

the light of day but Reynolds from got

1601
01:03:55,849 --> 01:03:53,400
leaked out when that memo got released

1602
01:03:58,309 --> 01:03:55,859
you know released by Third Air Force so

1603
01:04:01,849 --> 01:03:58,319
yeah I wonder for every one rental shim

1604
01:04:03,829 --> 01:04:01,859
how many other cases like this are still

1605
01:04:05,630 --> 01:04:03,839
buried I would say there's quite a few

1606
01:04:08,450 --> 01:04:05,640
that you know if you go back from the

1607
01:04:11,809 --> 01:04:08,460
40s going forward there's but you know I

1608
01:04:14,750 --> 01:04:11,819
don't know if it involves as much drama

1609
01:04:16,670 --> 01:04:14,760
as randolson did as far as the you know

1610
01:04:18,829 --> 01:04:16,680
over more than one night the closeness

1611
01:04:21,170 --> 01:04:18,839
and everything else I mean there's no

1612
01:04:22,670 --> 01:04:21,180
doubt you've got what their airplanes

1613
01:04:24,170 --> 01:04:22,680

picked up you know the fighter jets

1614

01:04:26,030 --> 01:04:24,180

picked up is

1615

01:04:28,250 --> 01:04:26,040

you know that's there and I'm sure

1616

01:04:29,870 --> 01:04:28,260

there's plenty of

1617

01:04:34,370 --> 01:04:29,880

camera

1618

01:04:36,370 --> 01:04:34,380

why else would they say they're not

1619

01:04:39,289 --> 01:04:36,380

going to release any more of it you know

1620

01:04:40,609 --> 01:04:39,299

yeah if they didn't have anything else

1621

01:04:42,710 --> 01:04:40,619

they wouldn't really have anything to

1622

01:04:46,730 --> 01:04:42,720

hide now with it there was supposed to

1623

01:04:49,549 --> 01:04:46,740

be a 23 minute movie you know film to

1624

01:04:51,770 --> 01:04:49,559

come out Lou Alexander was saying and it

1625

01:04:54,109 --> 01:04:51,780

like it was going to come out soon and

1626

01:04:56,270 --> 01:04:54,119

it's never happened yet I'm not sure

1627

01:04:57,950 --> 01:04:56,280

what what the deal is with that I don't

1628

01:05:00,950 --> 01:04:57,960

know that you that's why I'm bored I

1629

01:05:02,870 --> 01:05:00,960

mean listen I I I here's how I kind of

1630

01:05:07,250 --> 01:05:02,880

want to sum up how to look at things

1631

01:05:09,170 --> 01:05:07,260

it's it's it's just a Cutthroat world I

1632

01:05:12,049 --> 01:05:09,180

mean Lou just took a swipe at ufology

1633

01:05:14,089 --> 01:05:12,059

what a month ago just basically just

1634

01:05:16,370 --> 01:05:14,099

tore them apart some of it was valid

1635

01:05:18,170 --> 01:05:16,380

some of it wasn't oh like it needs to be

1636

01:05:20,690 --> 01:05:18,180

rebuilt torn down and Rebuilders yeah

1637

01:05:22,970 --> 01:05:20,700

yeah right

1638

01:05:27,049 --> 01:05:22,980

that you know I'm sorry I I know the guy

1639

01:05:31,309 --> 01:05:29,329

that was that he has no right to tell

1640

01:05:33,770 --> 01:05:31,319

people what they can and can't say it's

1641

01:05:35,210 --> 01:05:33,780

it's up to an individual to believe it

1642

01:05:38,089 --> 01:05:35,220

or not believe it you know what I mean

1643

01:05:39,650 --> 01:05:38,099

and and so that it's a Cutthroat world

1644

01:05:42,170 --> 01:05:39,660

there's a lot of crap that comes out

1645

01:05:44,150 --> 01:05:42,180

it's crap I mean and it shouldn't be

1646

01:05:46,069 --> 01:05:44,160

that hard for people to disseminate from

1647

01:05:48,890 --> 01:05:46,079

crap and real stuff you know what I mean

1648

01:05:51,589 --> 01:05:48,900

but the the bottom line is the thing

1649

01:05:53,809 --> 01:05:51,599

that annoys me the most is discloses

1650

01:05:59,450 --> 01:05:53,819

right around the corner

1651

01:06:04,069 --> 01:05:59,460

December of 2017. it's now coming up on

1652

01:06:05,690 --> 01:06:04,079

December 22. oh Lester key 2023 how much

1653

01:06:07,309 --> 01:06:05,700

you want to bet me it then happened in

1654

01:06:08,809 --> 01:06:07,319

2023.

1655

01:06:10,309 --> 01:06:08,819

well it's a long block that you have to

1656

01:06:12,470 --> 01:06:10,319

turn the corner around because it's you

1657

01:06:14,930 --> 01:06:12,480

know it's right around there well it's a

1658

01:06:16,309 --> 01:06:14,940

long walk all right and let me tell you

1659

01:06:17,750 --> 01:06:16,319

these people that are hiding this

1660

01:06:20,690 --> 01:06:17,760

they've been doing this for a long time

1661

01:06:23,030 --> 01:06:20,700

and nothing personal Leslie but you

1662

01:06:25,190 --> 01:06:23,040

don't you don't have the wherewithal to

1663

01:06:26,990 --> 01:06:25,200

deal with these type of people and I'll

1664

01:06:28,309 --> 01:06:27,000

tell you truthfully I wouldn't want to

1665

01:06:30,289 --> 01:06:28,319

deal with these people

1666

01:06:32,890 --> 01:06:30,299

because they're hiding it for whatever

1667

01:06:35,510 --> 01:06:32,900

reason obviously it's National Security

1668

01:06:37,370 --> 01:06:35,520

and the fact that they're working on it

1669

01:06:39,289 --> 01:06:37,380

or have developed weapons and everything

1670

01:06:41,029 --> 01:06:39,299

else I have a flight from the British

1671

01:06:43,730 --> 01:06:41,039

government that said yeah we've

1672

01:06:45,829 --> 01:06:43,740

developed technology off the UAP but

1673

01:06:47,870 --> 01:06:45,839

they're not going to release this and

1674

01:06:50,150 --> 01:06:47,880

those are the kind of things that you

1675

01:06:51,950 --> 01:06:50,160

start going down that road you can get

1676

01:06:54,589 --> 01:06:51,960

yourself into some serious

1677

01:06:56,690 --> 01:06:54,599

issue problems with them I mean look

1678

01:06:58,010 --> 01:06:56,700

they openly don't cooperate with

1679

01:07:00,529 --> 01:06:58,020

progress in the president of the United

1680

01:07:02,930 --> 01:07:00,539

States when they deem it necessary to

1681

01:07:04,670 --> 01:07:02,940

keep it classified the president can

1682

01:07:07,370 --> 01:07:04,680

order it to be Declassified and they can

1683

01:07:08,210 --> 01:07:07,380

tell them no and get away with it yeah

1684

01:07:14,690 --> 01:07:08,220

to

1685

01:07:16,609 --> 01:07:14,700

there have always been people that you

1686

01:07:18,770 --> 01:07:16,619

have contacts and stuff and they'll come

1687

01:07:20,990 --> 01:07:18,780

out and they'll say things like it's

1688

01:07:23,029 --> 01:07:21,000

coming it's coming and then it doesn't

1689

01:07:24,829 --> 01:07:23,039

happen it happened with the producer of

1690

01:07:26,510 --> 01:07:24,839

that UFO documentary that came out in

1691

01:07:29,750 --> 01:07:26,520

the 70s

1692

01:07:31,370 --> 01:07:29,760

um and UFO cover-up live yeah no no oh

1693

01:07:33,410 --> 01:07:31,380

God not that one not that one that was

1694

01:07:35,349 --> 01:07:33,420

the 80s but the one in the 70s which was

1695

01:07:38,950 --> 01:07:35,359

a film that that um

1696

01:07:43,370 --> 01:07:41,809

yeah then last minute supposedly it gets

1697

01:07:44,630 --> 01:07:43,380

yanked and everything and I feel like

1698

01:07:46,549 --> 01:07:44,640

that's kind of part of how the

1699

01:07:48,650 --> 01:07:46,559

government works for they'll give you

1700

01:07:51,529 --> 01:07:48,660

this card and then they'll yank it away

1701

01:07:53,930 --> 01:07:51,539

and you're left standing there going uh

1702

01:07:54,950 --> 01:07:53,940

uh uh and that's not good it doesn't

1703

01:07:57,170 --> 01:07:54,960

look good for you and some of that's

1704

01:07:59,150 --> 01:07:57,180

intentional I think to kind of you know

1705

01:08:00,589 --> 01:07:59,160

help discredit it it gets really Mucky

1706

01:08:05,410 --> 01:08:00,599

and I think that that whole thing I mean

1707

01:08:08,029 --> 01:08:05,420

it's the Richie uh Richard Dodie Factor

1708

01:08:10,490 --> 01:08:08,039

well the interesting Factor about all

1709

01:08:12,650 --> 01:08:10,500

this is this okay I'm going to sum it up

1710

01:08:14,270 --> 01:08:12,660

in my opinion

1711

01:08:17,390 --> 01:08:14,280

how much do we know about National

1712

01:08:19,070 --> 01:08:17,400

Security can you guys answer me how much

1713

01:08:20,030 --> 01:08:19,080

do we really know what's going on right

1714

01:08:22,970 --> 01:08:20,040

now

1715

01:08:25,789 --> 01:08:22,980

very long what weapons we have what

1716

01:08:27,950 --> 01:08:25,799

capabilities we have we know the generic

1717

01:08:30,229 --> 01:08:27,960

stuff we know we have an F-18 we have a

1718

01:08:32,090 --> 01:08:30,239

stealth fighter we have this stuff they

1719

01:08:34,490 --> 01:08:32,100

they leak certain things out about the

1720

01:08:37,010 --> 01:08:34,500

capabilities a lot of times they do that

1721

01:08:39,410 --> 01:08:37,020

to get the attention of a foreign

1722

01:08:41,390 --> 01:08:39,420

government or to get Congress to provide

1723

01:08:44,450 --> 01:08:41,400

them more money right

1724

01:08:46,189 --> 01:08:44,460

so there's no difference in whatever

1725

01:08:48,349 --> 01:08:46,199

we're dealing with

1726
01:08:50,570 --> 01:08:48,359
is the fact that they want to know more

1727
01:08:53,150 --> 01:08:50,580
about it and they want to weaponize it

1728
01:08:54,829 --> 01:08:53,160
so they have to go

1729
01:08:57,950 --> 01:08:54,839
to Congress

1730
01:09:00,289 --> 01:08:57,960
to get the money supposedly if you you

1731
01:09:02,870 --> 01:09:00,299
know Congress is supposed to give them

1732
01:09:05,329 --> 01:09:02,880
the money for the developmental weapons

1733
01:09:07,729 --> 01:09:05,339
system so there are people that are high

1734
01:09:09,769 --> 01:09:07,739
up inside and have these clearances that

1735
01:09:11,930 --> 01:09:09,779
are going to get read in on certain

1736
01:09:14,809 --> 01:09:11,940
things and they're going to make a

1737
01:09:16,789 --> 01:09:14,819
decision based off of what not only the

1738
01:09:19,370 --> 01:09:16,799

intelligence agencies what the military

1739

01:09:21,769 --> 01:09:19,380

wants and what Congress is willing to

1740

01:09:23,570 --> 01:09:21,779

give but none of the stuff that's

1741

01:09:26,689 --> 01:09:23,580

important

1742

01:09:28,070 --> 01:09:26,699

in any aspect forget uaps is ever going

1743

01:09:29,809 --> 01:09:28,080

to come public

1744

01:09:32,630 --> 01:09:29,819

they're not going to go in the inner

1745

01:09:34,370 --> 01:09:32,640

workings of how radar works

1746

01:09:36,169 --> 01:09:34,380

right they're not going to go into their

1747

01:09:38,090 --> 01:09:36,179

workings how these missiles work or

1748

01:09:40,490 --> 01:09:38,100

anything else so why are they going to

1749

01:09:43,669 --> 01:09:40,500

tell us anything about

1750

01:09:46,070 --> 01:09:43,679

what's going on with the UAP

1751

01:09:48,050 --> 01:09:46,080

John do you think the I'm talking about

1752

01:09:50,269 --> 01:09:48,060

your particular case you were involved

1753

01:09:53,749 --> 01:09:50,279

in the rendition force do you think the

1754

01:09:55,370 --> 01:09:53,759

government knows a lot more about what

1755

01:09:57,890 --> 01:09:55,380

was happening or do you think it's a

1756

01:09:59,570 --> 01:09:57,900

mystery to them too

1757

01:10:01,970 --> 01:09:59,580

um I would say that

1758

01:10:06,709 --> 01:10:01,980

you have those papers that they

1759

01:10:08,810 --> 01:10:06,719

Declassified the DIA gave to McCain

1760

01:10:10,010 --> 01:10:08,820

um they're definitely working on exotic

1761

01:10:12,350 --> 01:10:10,020

technology

1762

01:10:15,410 --> 01:10:12,360

the fact that that question was asked

1763

01:10:17,450 --> 01:10:15,420

how we developed technology off of UAP

1764

01:10:19,010 --> 01:10:17,460

and they wouldn't answer it the easy

1765

01:10:21,169 --> 01:10:19,020

answer would have been no

1766

01:10:23,450 --> 01:10:21,179

no we gotta talk behind the closed doors

1767

01:10:25,910 --> 01:10:23,460

so yeah they're they're scientists and

1768

01:10:27,770 --> 01:10:25,920

people working on all this yeah and do

1769

01:10:30,770 --> 01:10:27,780

they know more about it than us sure

1770

01:10:32,330 --> 01:10:30,780

they do well the big question is how

1771

01:10:34,250 --> 01:10:32,340

much do they want to share I don't know

1772

01:10:38,149 --> 01:10:34,260

I mean what would force their hand

1773

01:10:39,830 --> 01:10:38,159

people say well a major encounter will

1774

01:10:42,169 --> 01:10:39,840

there's been stuff that's happened you

1775

01:10:44,270 --> 01:10:42,179

have the gun footage from the two

1776
01:10:46,250 --> 01:10:44,280
different aircraft carriers you have the

1777
01:10:48,709 --> 01:10:46,260
Phoenix Lights you have different

1778
01:10:50,290 --> 01:10:48,719
incidents different testimony has that

1779
01:10:52,910 --> 01:10:50,300
changed anything

1780
01:10:55,070 --> 01:10:52,920
has it related even you talked about

1781
01:10:57,950 --> 01:10:55,080
James Fox's movie what has that changed

1782
01:10:59,930 --> 01:10:57,960
oh the public watches it just like they

1783
01:11:02,810 --> 01:10:59,940
watch any other movie uh that's

1784
01:11:05,990 --> 01:11:02,820
interesting but there's no there's no

1785
01:11:08,450 --> 01:11:06,000
real verification or or

1786
01:11:10,669 --> 01:11:08,460
from the government itself and as long

1787
01:11:12,890 --> 01:11:10,679
as the people of the world believe the

1788
01:11:14,630 --> 01:11:12,900

government has the final say

1789

01:11:16,610 --> 01:11:14,640

directly or indirectly because they

1790

01:11:18,290 --> 01:11:16,620

allow it there's never going to be

1791

01:11:20,510 --> 01:11:18,300

anything about it that's going to

1792

01:11:22,550 --> 01:11:20,520

actually be settled

1793

01:11:25,250 --> 01:11:22,560

yes I love playing the disclosure game

1794

01:11:27,110 --> 01:11:25,260

because it is a game right

1795

01:11:29,149 --> 01:11:27,120

um You go Okay well what does disclosure

1796

01:11:31,430 --> 01:11:29,159

even look like

1797

01:11:32,689 --> 01:11:31,440

um well I think in in the UFO community

1798

01:11:34,669 --> 01:11:32,699

and it might be a little bit different

1799

01:11:36,169 --> 01:11:34,679

than than the general public but

1800

01:11:37,490 --> 01:11:36,179

basically they can agree on it it is

1801

01:11:40,130 --> 01:11:37,500

when they the government comes out and

1802

01:11:41,630 --> 01:11:40,140

says yes we've had relationships with

1803

01:11:44,149 --> 01:11:41,640

them does it mean that we've been

1804

01:11:46,310 --> 01:11:44,159

visited or there's been crash UFOs are

1805

01:11:48,890 --> 01:11:46,320

that there's some kind of agreement you

1806

01:11:52,610 --> 01:11:48,900

know between the two races or other

1807

01:11:54,290 --> 01:11:52,620

races and stuff is it that or is it that

1808

01:11:56,510 --> 01:11:54,300

you know uh

1809

01:11:58,370 --> 01:11:56,520

is it is that disclosure does happen but

1810

01:12:01,910 --> 01:11:58,380

it happens to individuals like yourself

1811

01:12:03,470 --> 01:12:01,920

like experiencers the abductees it's

1812

01:12:05,390 --> 01:12:03,480

happening to them up close and personal

1813

01:12:07,790 --> 01:12:05,400

so is it happening to the people that it

1814

01:12:09,950 --> 01:12:07,800

needs to happen but ultimately whenever

1815

01:12:11,750 --> 01:12:09,960

I play this out as much as I want to see

1816

01:12:13,370 --> 01:12:11,760

this and I write movies that are that

1817

01:12:15,410 --> 01:12:13,380

play it out

1818

01:12:17,390 --> 01:12:15,420

um I I always hit this one stopping

1819

01:12:19,370 --> 01:12:17,400

point which is so they come out and they

1820

01:12:21,830 --> 01:12:19,380

say here they are and they land on the

1821

01:12:23,330 --> 01:12:21,840

White House lawn and they and we see

1822

01:12:25,070 --> 01:12:23,340

them and this is all playing out you

1823

01:12:27,470 --> 01:12:25,080

know if this is the the best version of

1824

01:12:30,229 --> 01:12:27,480

disclosure right they come out climb

1825

01:12:32,630 --> 01:12:30,239

down the ramp and then we see them and

1826
01:12:34,310 --> 01:12:32,640
then everyone goes okay well this is all

1827
01:12:36,350 --> 01:12:34,320
CGI this isn't real this is all

1828
01:12:39,110 --> 01:12:36,360
manufactured it's a red flag a false

1829
01:12:41,149 --> 01:12:39,120
flag Etc then then they have the alien

1830
01:12:43,189 --> 01:12:41,159
go one of the aliens or two of them go

1831
01:12:44,390 --> 01:12:43,199
on a Whistle Stop tour so you can see up

1832
01:12:47,209 --> 01:12:44,400
close and personal

1833
01:12:48,770 --> 01:12:47,219
what does that get oh well that's just

1834
01:12:50,090 --> 01:12:48,780
something that's been engineered you can

1835
01:12:52,669 --> 01:12:50,100
always counter all these things but

1836
01:12:55,250 --> 01:12:52,679
ultimately how does that affect who we

1837
01:12:56,330 --> 01:12:55,260
are and and the one thing that I always

1838
01:12:57,770 --> 01:12:56,340

ask people when they say that

1839

01:13:00,350 --> 01:12:57,780

disclosures come in and they're banging

1840

01:13:01,669 --> 01:13:00,360

that drum hard I say why why do you want

1841

01:13:02,930 --> 01:13:01,679

disclosure what are you hoping to get

1842

01:13:04,610 --> 01:13:02,940

from that if you're hoping that they're

1843

01:13:07,970 --> 01:13:04,620

going to come and clean up all of our

1844

01:13:10,370 --> 01:13:07,980

problems well those are our problems we

1845

01:13:12,950 --> 01:13:10,380

need to clean them up well yeah but

1846

01:13:15,050 --> 01:13:12,960

let's take it a step further what if we

1847

01:13:16,570 --> 01:13:15,060

cleaned up on aisle 12 isn't what we

1848

01:13:20,030 --> 01:13:16,580

want

1849

01:13:22,370 --> 01:13:20,040

you know like okay yeah we'll step in

1850

01:13:24,590 --> 01:13:22,380

now but you're not gonna like it yeah

1851

01:13:27,709 --> 01:13:24,600

we're not we're you've given up your

1852

01:13:30,169 --> 01:13:27,719

rights you know and and and now this is

1853

01:13:32,689 --> 01:13:30,179

the way it's going to be so I mean

1854

01:13:35,390 --> 01:13:32,699

here's the thing guys I mean

1855

01:13:36,590 --> 01:13:35,400

at the end of the day it's great okay

1856

01:13:40,070 --> 01:13:36,600

I'm not

1857

01:13:42,229 --> 01:13:40,080

one of these guys that's a hater on

1858

01:13:43,910 --> 01:13:42,239

most everything has come out and what I

1859

01:13:45,830 --> 01:13:43,920

mean by that is there's some wild

1860

01:13:48,169 --> 01:13:45,840

stories out there that are wild stories

1861

01:13:50,870 --> 01:13:48,179

and if somebody wants to believe it or

1862

01:13:52,550 --> 01:13:50,880

follow it good for that so good for you

1863

01:13:54,350 --> 01:13:52,560

you told that people believe you

1864

01:13:56,689 --> 01:13:54,360

whatever but I think the thing that

1865

01:13:58,430 --> 01:13:56,699

annoys me about all this is when they

1866

01:14:01,669 --> 01:13:58,440

keep making promises that never come

1867

01:14:03,770 --> 01:14:01,679

true yeah wait till next year wait till

1868

01:14:05,750 --> 01:14:03,780

next year Bob Bigelow I think was about

1869

01:14:07,550 --> 01:14:05,760

the most sincere person about all this

1870

01:14:09,649 --> 01:14:07,560

when he did the interview with George

1871

01:14:12,530 --> 01:14:09,659

Knapp several years ago when he talked

1872

01:14:14,630 --> 01:14:12,540

about confirmation he said we're going

1873

01:14:16,310 --> 01:14:14,640

to get to the point where it's going to

1874

01:14:18,050 --> 01:14:16,320

be more openly talked about there's

1875

01:14:19,310 --> 01:14:18,060

something going on and we're going to

1876

01:14:20,870 --> 01:14:19,320

stop right there

1877

01:14:22,250 --> 01:14:20,880

and we're not going to go any further

1878

01:14:24,890 --> 01:14:22,260

with it we're not going to go into the

1879

01:14:27,290 --> 01:14:24,900

nuts and bolts of it and that's kind of

1880

01:14:29,030 --> 01:14:27,300

where we're at right now the media's

1881

01:14:30,709 --> 01:14:29,040

taking it more serious good for them

1882

01:14:32,510 --> 01:14:30,719

they've done that I'm not just taking

1883

01:14:34,310 --> 01:14:32,520

that away from them

1884

01:14:36,050 --> 01:14:34,320

um the uh they'll talk about it more

1885

01:14:38,450 --> 01:14:36,060

openly but there's never been any

1886

01:14:40,490 --> 01:14:38,460

sereness that's done as far as on the

1887

01:14:42,649 --> 01:14:40,500

media end not saying they didn't they

1888

01:14:44,390 --> 01:14:42,659

did project gallero now right so they're

1889

01:14:47,450 --> 01:14:44,400

working on something there's some stuff

1890

01:14:49,790 --> 01:14:47,460

going on with Lou and NORAD right that's

1891

01:14:52,130 --> 01:14:49,800

what Danny Sheehan said okay so there's

1892

01:14:54,649 --> 01:14:52,140

stuff going on behind the scenes but

1893

01:14:56,810 --> 01:14:54,659

people need to realize number one this

1894

01:14:58,370 --> 01:14:56,820

is all being watched over or funded by

1895

01:15:01,490 --> 01:14:58,380

the government

1896

01:15:03,050 --> 01:15:01,500

and they control it

1897

01:15:04,930 --> 01:15:03,060

so what's going to make them tomorrow

1898

01:15:08,270 --> 01:15:04,940

change their mind about everything

1899

01:15:10,149 --> 01:15:08,280

you know and then what I don't like is

1900

01:15:13,669 --> 01:15:10,159

the teasing

1901

01:15:16,669 --> 01:15:13,679

you know I know it keeps you valid it

1902

01:15:19,130 --> 01:15:16,679

keeps you on radio shows it keeps you

1903

01:15:21,350 --> 01:15:19,140

um you know it keeps you in the news but

1904

01:15:23,810 --> 01:15:21,360

ultimately I said all along to the Stars

1905

01:15:26,270 --> 01:15:23,820

was a media company because they could

1906

01:15:28,189 --> 01:15:26,280

lie and I'm not saying they did but they

1907

01:15:30,169 --> 01:15:28,199

attacked a lot of stuff about doing

1908

01:15:31,729 --> 01:15:30,179

things that were proper under

1909

01:15:34,189 --> 01:15:31,739

entertainment it's a whole different way

1910

01:15:35,930 --> 01:15:34,199

you can approach things number one and

1911

01:15:38,750 --> 01:15:35,940

number two they now control the

1912

01:15:42,950 --> 01:15:38,760

narrative whether people like it or not

1913

01:15:45,830 --> 01:15:42,960

and so the thing is is that stop making

1914

01:15:48,110 --> 01:15:45,840

promises that your checkbook can't cover

1915

01:15:52,430 --> 01:15:48,120

right well I I love the the thing that

1916

01:15:54,229 --> 01:15:52,440

you've said which was um that uh no one

1917

01:15:56,090 --> 01:15:54,239

really ever does anything without

1918

01:15:57,709 --> 01:15:56,100

something in return

1919

01:16:00,169 --> 01:15:57,719

that's a really good point I'm not

1920

01:16:02,390 --> 01:16:00,179

really taken that in before the way that

1921

01:16:03,770 --> 01:16:02,400

you phrase that clean up an island aisle

1922

01:16:05,630 --> 01:16:03,780

12 is going to come up with some other

1923

01:16:07,070 --> 01:16:05,640

things it's not going to be a straight

1924

01:16:08,149 --> 01:16:07,080

across thing it usually comes with

1925

01:16:10,070 --> 01:16:08,159

something that's what we do I mean the

1926

01:16:11,630 --> 01:16:10,080

Conquistadors when they came over they

1927

01:16:13,370 --> 01:16:11,640

didn't say hey here's some cool recipes

1928

01:16:14,870 --> 01:16:13,380

or some stuff it's we're going to take

1929

01:16:15,890 --> 01:16:14,880

the gold you don't think it's that

1930

01:16:17,810 --> 01:16:15,900

valuable we're going to take it we're

1931

01:16:19,669 --> 01:16:17,820

going to do this and that so it always

1932

01:16:22,130 --> 01:16:19,679

is that trade-off I'm I'm always kind of

1933

01:16:25,070 --> 01:16:22,140

like be careful

1934

01:16:27,290 --> 01:16:25,080

of what that you know would look like a

1935

01:16:28,790 --> 01:16:27,300

full um disclosure

1936

01:16:31,130 --> 01:16:28,800

um are we ready I mean when we create

1937

01:16:32,270 --> 01:16:31,140

technology we can go out and meet them

1938

01:16:35,090 --> 01:16:32,280

halfway

1939

01:16:38,030 --> 01:16:35,100

then it's then it's an equal footing but

1940

01:16:40,189 --> 01:16:38,040

I would imagine we are millions possibly

1941

01:16:42,530 --> 01:16:40,199

of years away at least hundreds of

1942

01:16:44,450 --> 01:16:42,540

thousands of years away

1943

01:16:46,669 --> 01:16:44,460

I mean okay I'll give you an example I

1944

01:16:50,570 --> 01:16:46,679

always like to use did you see the movie

1945

01:16:53,630 --> 01:16:50,580

The Final Countdown yeah 1980. we went

1946

01:16:56,209 --> 01:16:53,640

back to 40 42. yeah Kirk Douglas yeah

1947

01:16:58,070 --> 01:16:56,219

but the whole the difference just in

1948

01:16:59,350 --> 01:16:58,080

less than 40 Years of Technology

1949

01:17:02,450 --> 01:16:59,360

advancement

1950

01:17:05,870 --> 01:17:02,460

we don't really know how far we are away

1951

01:17:07,910 --> 01:17:05,880

from making that big jump do you know

1952

01:17:10,430 --> 01:17:07,920

what I mean how close we are to AI

1953

01:17:12,649 --> 01:17:10,440

Quantum and everything else it could it

1954

01:17:14,870 --> 01:17:12,659

could it could accelerate it could be

1955

01:17:17,209 --> 01:17:14,880

right around the corner where we could

1956

01:17:20,270 --> 01:17:17,219

be a lot farther along the question is

1957

01:17:22,910 --> 01:17:20,280

and I say this not because I know or I'm

1958

01:17:25,070 --> 01:17:22,920

trying to say this is this is what I

1959

01:17:26,870 --> 01:17:25,080

believe totally is if there is something

1960

01:17:29,689 --> 01:17:26,880

else out there that's controlling some

1961

01:17:31,970 --> 01:17:29,699

other The Narrative they may have a say

1962

01:17:34,669 --> 01:17:31,980

in how far we can go

1963

01:17:37,790 --> 01:17:34,679

they may they may be controlling things

1964

01:17:39,649 --> 01:17:37,800

we don't know the ground rules because

1965

01:17:41,870 --> 01:17:39,659

we're the public we're not allowed to

1966

01:17:43,970 --> 01:17:41,880

know the ground rules we don't lie to

1967

01:17:46,189 --> 01:17:43,980

all the time I mean I'm not trying to

1968

01:17:48,470 --> 01:17:46,199

bring up covet other than this how much

1969

01:17:49,610 --> 01:17:48,480

have we been lied to about covet along

1970

01:17:58,189 --> 01:17:49,620

the way

1971

01:17:59,810 --> 01:17:58,199

to it so the point being is all these

1972

01:18:02,090 --> 01:17:59,820

people sit there and say we're ready for

1973

01:18:05,090 --> 01:18:02,100

this ready for what how can you know

1974

01:18:06,830 --> 01:18:05,100

where if I'd have told you that 9 11 was

1975

01:18:08,630 --> 01:18:06,840

going to happen look at the way that

1976

01:18:09,890 --> 01:18:08,640

went out look at the way coven went down

1977

01:18:12,770 --> 01:18:09,900

look at the way some of the other stuff

1978

01:18:15,590 --> 01:18:12,780

went down we didn't handle it very well

1979

01:18:17,870 --> 01:18:15,600

yeah so why do you think we're ready for

1980

01:18:21,709 --> 01:18:17,880

some kind of interaction from something

1981

01:18:24,050 --> 01:18:21,719

else did you ever see the Twilight

1982

01:18:28,930 --> 01:18:24,060

um the episode called how to serve man

1983

01:18:33,470 --> 01:18:31,430

well that's the interesting thing

1984

01:18:34,910 --> 01:18:33,480

there's so many Avenues you could go

1985

01:18:37,250 --> 01:18:34,920

into about

1986

01:18:38,050 --> 01:18:37,260

how whatever this could affect what you

1987

01:18:40,729 --> 01:18:38,060

remember

1988

01:18:43,370 --> 01:18:40,739

how you deal with it you know what it's

1989

01:18:45,229 --> 01:18:43,380

doing to manipulating us

1990

01:18:47,330 --> 01:18:45,239

um there's so many Avenues in all this

1991

01:18:49,910 --> 01:18:47,340

but the problem is other than some

1992

01:18:51,890 --> 01:18:49,920

Declassified documents that we some of

1993

01:18:54,649 --> 01:18:51,900

what we put in our book that we found

1994

01:18:58,070 --> 01:18:54,659

that there's just a small percentage of

1995

01:19:00,350 --> 01:18:58,080

people probably in the world that have a

1996

01:19:01,610 --> 01:19:00,360

really working knowledge of what's going

1997

01:19:04,370 --> 01:19:01,620

on

1998

01:19:05,209 --> 01:19:04,380

hmm I can't believe that yeah and that's

1999

01:19:12,290 --> 01:19:05,219

power

2000

01:19:13,610 --> 01:19:12,300

and so the bottom line is that's why I'm

2001

01:19:15,890 --> 01:19:13,620

bored

2002

01:19:19,189 --> 01:19:15,900

maybe maybe

2003

01:19:20,689 --> 01:19:19,199

I will find out I don't I would I'd say

2004

01:19:23,030 --> 01:19:20,699

I've got a better chance of whatever it

2005

01:19:25,010 --> 01:19:23,040

is coming back again than I do my

2006

01:19:28,910 --> 01:19:25,020

government telling me the truth

2007

01:19:30,410 --> 01:19:28,920

huh yeah here's a question and I asked

2008

01:19:33,350 --> 01:19:30,420

this person they said that you may have

2009

01:19:36,950 --> 01:19:33,360

spoke about this before can you speak on

2010

01:19:38,510 --> 01:19:36,960

the plasma conscious link with the craft

2011

01:19:41,390 --> 01:19:38,520

is that something you've talked about

2012

01:19:44,209 --> 01:19:41,400

before well it's been touched on in the

2013

01:19:47,330 --> 01:19:44,219

book and um it appears that

2014

01:19:50,149 --> 01:19:47,340

Consciousness is the new weapon if you

2015

01:19:53,209 --> 01:19:50,159

really want to look at Consciousness and

2016

01:19:55,550 --> 01:19:53,219

some of it's come out on TV and then it

2017

01:19:58,010 --> 01:19:55,560

was interesting right after

2018

01:20:01,310 --> 01:19:58,020

a TV show did it they admitted we have

2019

01:20:04,130 --> 01:20:01,320

some of it um they we now have drones

2020

01:20:05,570 --> 01:20:04,140

that can be independently controlled by

2021

01:20:08,209 --> 01:20:05,580

AI

2022

01:20:09,830 --> 01:20:08,219

so they just talked about the drones

2023

01:20:12,830 --> 01:20:09,840

that can hover over a target for hours

2024

01:20:17,090 --> 01:20:12,840

identify the Target and hit it well

2025

01:20:22,010 --> 01:20:19,310

any kind of weapon or anything out there

2026

01:20:24,110 --> 01:20:22,020

can be shut down

2027

01:20:26,810 --> 01:20:24,120

from ground air do you understand what I

2028

01:20:29,390 --> 01:20:26,820

mean em the frequencies can be modulated

2029

01:20:31,430 --> 01:20:29,400

and interfered with right but if you

2030

01:20:33,110 --> 01:20:31,440

understand how to manipulate something

2031

01:20:35,290 --> 01:20:33,120

through consciousness

2032

01:20:37,850 --> 01:20:35,300

you could control the whole armor God

2033

01:20:39,890 --> 01:20:37,860

Armageddon of weapons and stuff and it

2034

01:20:41,510 --> 01:20:39,900

would be really hard to stop it

2035

01:20:44,390 --> 01:20:41,520

you know just like drones and everything

2036

01:20:45,590 --> 01:20:44,400

else and Northwest Grumman showed a

2037

01:20:48,350 --> 01:20:45,600

video that I don't know if it's still

2038

01:20:51,050 --> 01:20:48,360

out there but the F-35 helmet the pilot

2039

01:20:53,870 --> 01:20:51,060

is the ability to control the aircraft

2040

01:20:56,870 --> 01:20:53,880

through the helmet which is using AI

2041

01:20:59,510 --> 01:20:56,880

with his mind and stuff outside the

2042

01:21:00,649 --> 01:20:59,520

aircraft like missiles and other drones

2043

01:21:03,770 --> 01:21:00,659

and stuff

2044

01:21:05,450 --> 01:21:03,780

so the new weapon is understanding

2045

01:21:08,510 --> 01:21:05,460

Consciousness itself

2046

01:21:10,729 --> 01:21:08,520

and the plasmas

2047

01:21:11,810 --> 01:21:10,739

um according to kondine they're real and

2048

01:21:13,490 --> 01:21:11,820

they're intelligent they're under

2049

01:21:15,649 --> 01:21:13,500

intelligent control

2050

01:21:18,110 --> 01:21:15,659

so it and

2051
01:21:20,149 --> 01:21:18,120
a step further the plasmas themselves

2052
01:21:22,370 --> 01:21:20,159
could be the new life form

2053
01:21:25,189 --> 01:21:22,380
it could be just an energy form with con

2054
01:21:28,550 --> 01:21:25,199
being the Consciousness energy form

2055
01:21:31,250 --> 01:21:28,560
itself it could it may not be no longer

2056
01:21:32,990 --> 01:21:31,260
need to be in a human container

2057
01:21:36,110 --> 01:21:33,000
I think I had someone else on the show

2058
01:21:37,490 --> 01:21:36,120
that kind of spoke along those lines I

2059
01:21:39,709 --> 01:21:37,500
was trying to understand the whole thing

2060
01:21:41,810 --> 01:21:39,719
it's very well it's being looked at I

2061
01:21:44,570 --> 01:21:41,820
mean just sit there and say how far we

2062
01:21:46,189 --> 01:21:44,580
are I'm not sure but just the fact that

2063
01:21:48,350 --> 01:21:46,199

there are people like musk and stuff

2064

01:21:49,729 --> 01:21:48,360

coming out threatening that AI could be

2065

01:21:52,669 --> 01:21:49,739

our demise

2066

01:21:55,070 --> 01:21:52,679

you know what I mean and and eventually

2067

01:21:57,050 --> 01:21:55,080

the the one of the ways you can control

2068

01:21:59,149 --> 01:21:57,060

everything is imagine if you could take

2069

01:22:02,709 --> 01:21:59,159

somebody's Consciousness take it out of

2070

01:22:08,330 --> 01:22:06,590

or put it in a drone or something

2071

01:22:11,689 --> 01:22:08,340

yeah isn't that what happened to Mark

2072

01:22:15,169 --> 01:22:13,490

um it's interesting because when you're

2073

01:22:17,630 --> 01:22:15,179

talking about Consciousness you can't

2074

01:22:20,870 --> 01:22:17,640

help but wonder you know um are we also

2075

01:22:23,390 --> 01:22:20,880

talking about overlapping of the Soul

2076

01:22:25,850 --> 01:22:23,400

you know what is the Consciousness is

2077

01:22:28,189 --> 01:22:25,860

isn't our thoughts or is it something

2078

01:22:30,290 --> 01:22:28,199

else um you know more powerful the 21

2079

01:22:31,910 --> 01:22:30,300

Grams when someone says no one was

2080

01:22:35,330 --> 01:22:31,920

looking Nolan and his group were looking

2081

01:22:37,610 --> 01:22:35,340

at consciousness yeah Stanford's always

2082

01:22:40,850 --> 01:22:37,620

been Pioneers but not only that they're

2083

01:22:42,770 --> 01:22:40,860

looking at DNA for a reason okay they're

2084

01:22:45,830 --> 01:22:42,780

looking at Bloodlines and they're

2085

01:22:48,229 --> 01:22:45,840

looking at how they're transitioned over

2086

01:22:49,970 --> 01:22:48,239

the years why certain people can do

2087

01:22:52,850 --> 01:22:49,980

things that other people can't

2088

01:22:54,770 --> 01:22:52,860

how to develop those abilities and where

2089

01:22:56,990 --> 01:22:54,780

are we going into the future

2090

01:22:59,209 --> 01:22:57,000

where will you be events they're already

2091

01:23:02,330 --> 01:22:59,219

looking at weapons 50 to 100 years in

2092

01:23:05,090 --> 01:23:02,340

advance think tanks are

2093

01:23:06,590 --> 01:23:05,100

without it it's just the fact yeah I

2094

01:23:08,330 --> 01:23:06,600

mean you could go back and think tanks

2095

01:23:10,010 --> 01:23:08,340

in the 50s and 60s we're talking about

2096

01:23:13,970 --> 01:23:10,020

where we're at today

2097

01:23:17,149 --> 01:23:13,980

hmm so that's what they're doing and so

2098

01:23:21,530 --> 01:23:17,159

Consciousness plays a huge part of it

2099

01:23:23,470 --> 01:23:21,540

interesting here's a a question of what

2100

01:23:27,649 --> 01:23:23,480

we were talking earlier on talking about

2101
01:23:30,110 --> 01:23:27,659
uh you have you have to have read the

2102
01:23:32,330 --> 01:23:30,120
memo it makes no sense why weren't Jets

2103
01:23:34,610 --> 01:23:32,340
scrambled if the UFOs were visible for

2104
01:23:38,750 --> 01:23:34,620
three straight hours

2105
01:23:41,209 --> 01:23:38,760
I mean the interesting thing is is that

2106
01:23:42,890 --> 01:23:41,219
at that point I'm not sure where they

2107
01:23:45,110 --> 01:23:42,900
would have scramble them from I don't

2108
01:23:47,030 --> 01:23:45,120
know I can't tell you what base they

2109
01:23:48,530 --> 01:23:47,040
would have had fighters on alert I would

2110
01:23:50,270 --> 01:23:48,540
assume they had something on alert at

2111
01:23:53,689 --> 01:23:50,280
Lake and Heath

2112
01:23:55,970 --> 01:23:53,699
um and then over in in Europe they've

2113
01:23:57,410 --> 01:23:55,980

supposedly somebody some Pilots came

2114

01:24:00,169 --> 01:23:57,420

forward and said they were scrambled

2115

01:24:03,530 --> 01:24:00,179

from the continent not from England

2116

01:24:05,750 --> 01:24:03,540

themselves how how this is just a story

2117

01:24:07,310 --> 01:24:05,760

that came out I you'd have to look dig

2118

01:24:09,709 --> 01:24:07,320

into it there was a couple guys that

2119

01:24:12,770 --> 01:24:09,719

said they were the 16s were I think it

2120

01:24:14,450 --> 01:24:12,780

was 16 so we're scrambled at some point

2121

01:24:16,910 --> 01:24:14,460

from Denmark or something I don't

2122

01:24:18,770 --> 01:24:16,920

remember but what I exactly where but

2123

01:24:20,630 --> 01:24:18,780

there was a couple pilots and said they

2124

01:24:24,470 --> 01:24:20,640

were sent

2125

01:24:27,350 --> 01:24:24,480

um what I do know is that the 67th

2126

01:24:29,570 --> 01:24:27,360

should have been activated and

2127

01:24:32,149 --> 01:24:29,580

there were reports of helicopters being

2128

01:24:34,430 --> 01:24:32,159

in the air I talked directly in email

2129

01:24:36,770 --> 01:24:34,440

with the 67th air Commander years later

2130

01:24:40,729 --> 01:24:36,780

and he wouldn't either confirm or deny

2131

01:24:44,689 --> 01:24:42,470

Dean you have a question

2132

01:24:47,810 --> 01:24:44,699

well I'm looking four questions right

2133

01:24:49,790 --> 01:24:47,820

now myself uh in the chat so let me just

2134

01:24:51,709 --> 01:24:49,800

say something quickly so anyone that

2135

01:24:53,330 --> 01:24:51,719

wants to post your question please do it

2136

01:24:57,110 --> 01:24:53,340

oh let me bring one option up to that

2137

01:24:59,030 --> 01:24:57,120

point command posts and um what was his

2138

01:25:00,890 --> 01:24:59,040

name Nick Redford got a foia through the

2139

01:25:03,169 --> 01:25:00,900

British government to admit our Command

2140

01:25:05,630 --> 01:25:03,179

Post at zero 320 on the morning of the

2141

01:25:08,209 --> 01:25:05,640

27th I think it would have believed they

2142

01:25:10,790 --> 01:25:08,219

confirmed through foia that our our

2143

01:25:13,669 --> 01:25:10,800

Command Post called Eastern radar for

2144

01:25:16,130 --> 01:25:13,679

verifications of UFOs over our area

2145

01:25:18,290 --> 01:25:16,140

so there was stuff going on back and

2146

01:25:19,430 --> 01:25:18,300

forth through the command post in

2147

01:25:24,110 --> 01:25:19,440

different

2148

01:25:25,490 --> 01:25:24,120

if they scrambled aircraft or not that

2149

01:25:28,189 --> 01:25:25,500

wasn't something that was never

2150

01:25:29,510 --> 01:25:28,199

discussed and if they were we would

2151
01:25:31,729 --> 01:25:29,520
never have probably known about it at

2152
01:25:33,110 --> 01:25:31,739
least I would have the chain of command

2153
01:25:36,770 --> 01:25:33,120
above one of them

2154
01:25:41,030 --> 01:25:36,780
hmm well the most powerful commodity in

2155
01:25:45,010 --> 01:25:41,040
any uh government is secrecy so

2156
01:25:47,810 --> 01:25:45,020
yeah why would they you know

2157
01:25:49,390 --> 01:25:47,820
if you jump up the dates times and

2158
01:25:52,669 --> 01:25:49,400
everything else it takes years to get

2159
01:25:53,810 --> 01:25:52,679
clarified you put out crazy stories and

2160
01:25:54,950 --> 01:25:53,820
you have different people that are

2161
01:25:57,110 --> 01:25:54,960
discredited eventually you have

2162
01:25:58,550 --> 01:25:57,120
infighting going on constantly with

2163
01:26:00,770 --> 01:25:58,560

Colonel hot and other people now

2164

01:26:03,350 --> 01:26:00,780

finished some immigriding

2165

01:26:05,270 --> 01:26:03,360

um Believe It or Not uh halt completely

2166

01:26:07,850 --> 01:26:05,280

went after him last year at the muffin

2167

01:26:10,070 --> 01:26:07,860

conference he did 45 minutes of his

2168

01:26:13,490 --> 01:26:10,080

presentation on why the binary things

2169

01:26:15,350 --> 01:26:13,500

are fraud okay so that constantly goes

2170

01:26:16,610 --> 01:26:15,360

on it's really hard to get move anything

2171

01:26:19,310 --> 01:26:16,620

forward

2172

01:26:21,169 --> 01:26:19,320

with the case itself and never get to

2173

01:26:23,689 --> 01:26:21,179

any kind of closure never mind you're

2174

01:26:25,970 --> 01:26:23,699

fighting the government itself so I

2175

01:26:29,510 --> 01:26:25,980

remember saying way back when I started

2176
01:26:31,610 --> 01:26:29,520
this show in 2011 and whenever

2177
01:26:34,970 --> 01:26:31,620
um I don't know if I said it then but it

2178
01:26:37,490 --> 01:26:34,980
seems like such a convoluted case

2179
01:26:40,729 --> 01:26:37,500
um because of the different things going

2180
01:26:43,669 --> 01:26:40,739
on here and and um and and what you

2181
01:26:45,770 --> 01:26:43,679
mentioned just now right and I still

2182
01:26:48,470 --> 01:26:45,780
feel feel that way

2183
01:26:49,970 --> 01:26:48,480
um and I like the direct approach I feel

2184
01:26:51,590 --> 01:26:49,980
comfortable with what you're talking

2185
01:26:54,470 --> 01:26:51,600
about right

2186
01:26:57,050 --> 01:26:54,480
yeah next question yeah this question

2187
01:26:58,970 --> 01:26:57,060
here uh did I believe you spoke about it

2188
01:27:01,550 --> 01:26:58,980

they want to do an MRI

2189

01:27:03,709 --> 01:27:01,560

um I don't know well it's it's people

2190

01:27:06,110 --> 01:27:03,719

need to understand but a lot of our

2191

01:27:09,050 --> 01:27:06,120

military is no longer military per se

2192

01:27:11,270 --> 01:27:09,060

it's government contracts okay or uh

2193

01:27:12,830 --> 01:27:11,280

Consultants like the people that work

2194

01:27:17,149 --> 01:27:12,840

with me were consultants for the

2195

01:27:18,890 --> 01:27:17,159

government at one point CIA Dia they all

2196

01:27:20,990 --> 01:27:18,900

work for these agencies but they no

2197

01:27:23,689 --> 01:27:21,000

longer do they're consultants for them

2198

01:27:26,629 --> 01:27:23,699

which gives them a bigger

2199

01:27:30,970 --> 01:27:26,639

um span of out of foia and everything

2200

01:27:33,410 --> 01:27:30,980

else and and and you can't get foia

2201

01:27:35,270 --> 01:27:33,420

through because if you ask the military

2202

01:27:37,850 --> 01:27:35,280

were they involved no no no we weren't

2203

01:27:40,189 --> 01:27:37,860

you know what I mean and all you have to

2204

01:27:41,990 --> 01:27:40,199

do is look up Afghanistan at the end

2205

01:27:44,510 --> 01:27:42,000

before we pulled out we have 5 000

2206

01:27:46,850 --> 01:27:44,520

troops over there and 15 000 contractors

2207

01:27:49,310 --> 01:27:46,860

what's that tell you it's all hidden

2208

01:27:51,169 --> 01:27:49,320

inside government contracts now so yes

2209

01:27:52,970 --> 01:27:51,179

there was government interest in me

2210

01:27:56,149 --> 01:27:52,980

through contractors

2211

01:27:57,770 --> 01:27:56,159

it's so ironic because before World War

2212

01:28:00,229 --> 01:27:57,780

II

2213

01:28:02,750 --> 01:28:00,239

um FDR had battled all of the big

2214

01:28:04,310 --> 01:28:02,760

businesses right and they they had the

2215

01:28:05,990 --> 01:28:04,320

New Deal and how it separated that

2216

01:28:08,090 --> 01:28:06,000

Monopoly everything and then when World

2217

01:28:10,430 --> 01:28:08,100

War II happened we were so not not

2218

01:28:12,470 --> 01:28:10,440

prepared unprepared it was insane and

2219

01:28:15,110 --> 01:28:12,480

all of a sudden Ford all these companies

2220

01:28:17,390 --> 01:28:15,120

they were they were given back all of

2221

01:28:18,770 --> 01:28:17,400

these freedoms of control that they

2222

01:28:21,110 --> 01:28:18,780

didn't have before and once that

2223

01:28:22,910 --> 01:28:21,120

happened as Eisenhower is uh often

2224

01:28:27,709 --> 01:28:22,920

quoted you know the military industrial

2225

01:28:29,510 --> 01:28:27,719

complex came in to to power and now it's

2226

01:28:31,310 --> 01:28:29,520

um you know well actually it's farther

2227

01:28:33,709 --> 01:28:31,320

it's the national Securities day now but

2228

01:28:36,410 --> 01:28:33,719

yeah yeah yeah and so it's it's just

2229

01:28:39,169 --> 01:28:36,420

interesting because here we are looking

2230

01:28:42,169 --> 01:28:39,179

at this and and it's attached to such a

2231

01:28:44,030 --> 01:28:42,179

huge apparatus it's just not as clean as

2232

01:28:46,610 --> 01:28:44,040

as the public I think would like it to

2233

01:28:50,030 --> 01:28:46,620

be in its understanding as well well you

2234

01:28:52,490 --> 01:28:50,040

guys asked why this goes on okay

2235

01:28:54,709 --> 01:28:52,500

every one of these people and I'm not

2236

01:28:56,930 --> 01:28:54,719

one of them and when I say this I'm not

2237

01:28:58,189 --> 01:28:56,940

a government agent and I don't like a

2238

01:29:00,050 --> 01:28:58,199

lot of things the government's done

2239

01:29:02,629 --> 01:29:00,060

including the way they treated me right

2240

01:29:06,050 --> 01:29:02,639

I almost died but all these people have

2241

01:29:07,910 --> 01:29:06,060

their own agenda whether it's like for

2242

01:29:09,950 --> 01:29:07,920

example these guys that are working for

2243

01:29:12,050 --> 01:29:09,960

the government which by the way how can

2244

01:29:14,209 --> 01:29:12,060

you be a whistleblower and still be

2245

01:29:16,370 --> 01:29:14,219

working with the government that was one

2246

01:29:18,530 --> 01:29:16,380

of the things I challenged about Lou and

2247

01:29:20,629 --> 01:29:18,540

and she hadn't openly admitted it and

2248

01:29:22,490 --> 01:29:20,639

they didn't like it and even Jimmy

2249

01:29:23,930 --> 01:29:22,500

Church afterwards kind of told me well

2250

01:29:25,790 --> 01:29:23,940

you know we don't really want to dwell

2251

01:29:27,110 --> 01:29:25,800

on that why not how can he be a

2252

01:29:29,629 --> 01:29:27,120

whistleblower but working for the

2253

01:29:32,090 --> 01:29:29,639

government still you know what I mean so

2254

01:29:33,890 --> 01:29:32,100

the government controls all this stuff

2255

01:29:36,470 --> 01:29:33,900

and then all these people in ephology

2256

01:29:39,590 --> 01:29:36,480

are making money off of it they have

2257

01:29:41,870 --> 01:29:39,600

their web pages their own agenda for the

2258

01:29:44,090 --> 01:29:41,880

further their careers the radio shows

2259

01:29:46,310 --> 01:29:44,100

nothing against you Martin I mean it's

2260

01:29:48,950 --> 01:29:46,320

it's your it's your business and your

2261

01:29:51,050 --> 01:29:48,960

two theme but ultimately you have to top

2262

01:29:53,450 --> 01:29:51,060

the latest story whatever the last press

2263

01:29:55,790 --> 01:29:53,460

release to stay relevant you have to top

2264

01:29:57,770 --> 01:29:55,800

it or you no longer use irrelevant

2265

01:29:59,570 --> 01:29:57,780

anymore or you have to get really good

2266

01:30:01,430 --> 01:29:59,580

guests on like Martin you're going to

2267

01:30:03,229 --> 01:30:01,440

have James Fox on next week to talk

2268

01:30:05,270 --> 01:30:03,239

about his movie but what I'm getting at

2269

01:30:08,270 --> 01:30:05,280

is these guys all have their own agendas

2270

01:30:10,370 --> 01:30:08,280

and they don't work together and they

2271

01:30:12,050 --> 01:30:10,380

they counteract because from the start

2272

01:30:14,629 --> 01:30:12,060

when I first got drug into this I could

2273

01:30:17,149 --> 01:30:14,639

see everybody wanted to be the one to be

2274

01:30:20,030 --> 01:30:17,159

the one to break the story to get the

2275

01:30:21,709 --> 01:30:20,040

credit for the story yeah and it's a

2276

01:30:23,570 --> 01:30:21,719

joke you're never going to get the story

2277

01:30:25,550 --> 01:30:23,580

is this the point where you're going to

2278

01:30:26,930 --> 01:30:25,560

give us a big mic drop is that what

2279

01:30:28,010 --> 01:30:26,940

you're setting us up for right now then

2280

01:30:30,709 --> 01:30:28,020

I'm going to tell you what's going on

2281

01:30:33,830 --> 01:30:30,719

yeah

2282

01:30:36,649 --> 01:30:33,840

in fact and now so I don't get any weird

2283

01:30:39,770 --> 01:30:36,659

questions I'm honest I I really don't

2284

01:30:44,510 --> 01:30:39,780

know what we're dealing with I have some

2285

01:30:46,129 --> 01:30:44,520

ideas I have some documents like the guy

2286

01:30:49,310 --> 01:30:46,139

that asked the question about

2287

01:30:52,610 --> 01:30:49,320

Consciousness in UAB I have stuff for my

2288

01:30:55,310 --> 01:30:52,620

for my hypnosis but I don't have access

2289

01:30:58,490 --> 01:30:55,320

to this stuff like like a nola does like

2290

01:31:00,709 --> 01:30:58,500

a green does like a put-off does I know

2291

01:31:02,810 --> 01:31:00,719

these guys have access to it I don't

2292

01:31:05,149 --> 01:31:02,820

know about Lou I don't know what he has

2293

01:31:07,610 --> 01:31:05,159

access to we've never I don't think it's

2294

01:31:09,770 --> 01:31:07,620

ever been verified who he really is and

2295

01:31:11,629 --> 01:31:09,780

what I mean by that is not to say that

2296

01:31:12,590 --> 01:31:11,639

he's lying about anything other than

2297

01:31:14,870 --> 01:31:12,600

just

2298

01:31:17,390 --> 01:31:14,880

we know we have the history of put off

2299

01:31:20,270 --> 01:31:17,400

and he ran Stargate we can prove that

2300

01:31:22,430 --> 01:31:20,280

green was in the CIA and he's done these

2301

01:31:24,050 --> 01:31:22,440

different projects you know we can prove

2302

01:31:26,330 --> 01:31:24,060

that Nolan works for Stanford and he's

2303

01:31:28,790 --> 01:31:26,340

involved in this but all I'm getting at

2304

01:31:31,250 --> 01:31:28,800

is is that they know a lot more and

2305

01:31:32,930 --> 01:31:31,260

they're not talking they'll give you

2306

01:31:34,910 --> 01:31:32,940

little things that half the time you

2307

01:31:37,189 --> 01:31:34,920

walk away more confused from what they

2308

01:31:39,050 --> 01:31:37,199

told you than what you thought you knew

2309

01:31:41,090 --> 01:31:39,060

when you first talked to him

2310

01:31:43,550 --> 01:31:41,100

and those guys aren't at the tip of the

2311

01:31:45,649 --> 01:31:43,560

spears either there's people above them

2312

01:31:47,390 --> 01:31:45,659

buried in government that know a lot

2313

01:31:49,910 --> 01:31:47,400

remember

2314

01:31:54,169 --> 01:31:49,920

oh John um we're going to be wrapping up

2315

01:31:57,050 --> 01:31:54,179

here pretty soon but when this happened

2316

01:31:59,149 --> 01:31:57,060

um did you hear other people talking

2317

01:32:01,310 --> 01:31:59,159

about things on the base you know

2318

01:32:03,410 --> 01:32:01,320

quietly between you in other words like

2319

01:32:05,870 --> 01:32:03,420

the beams coming down on the weapon

2320

01:32:08,629 --> 01:32:05,880

storage area uh other things that you

2321

01:32:11,149 --> 01:32:08,639

weren't aware of yourself I um basically

2322

01:32:13,209 --> 01:32:11,159

I lived up base so I wasn't out there

2323

01:32:17,510 --> 01:32:13,219

for the dorms got a lot of other stuff

2324

01:32:20,689 --> 01:32:17,520

and I really didn't want to press it you

2325

01:32:22,910 --> 01:32:20,699

know you you can tell when when your

2326

01:32:26,629 --> 01:32:22,920

command tells you to

2327

01:32:28,129 --> 01:32:26,639

we'll let you know and I was in E3 I

2328

01:32:30,350 --> 01:32:28,139

didn't have access to even like a

2329

01:32:31,850 --> 01:32:30,360

peniston or above whether or not they

2330

01:32:34,910 --> 01:32:31,860

were talked to and all that you know I

2331

01:32:37,610 --> 01:32:34,920

was just a little worker bee so I there

2332

01:32:39,350 --> 01:32:37,620

was no reason for me to ask questions or

2333

01:32:42,350 --> 01:32:39,360

talk about it

2334

01:32:44,270 --> 01:32:42,360

very good well I really appreciate it

2335

01:32:45,830 --> 01:32:44,280

very much it's been a great show it's

2336

01:32:46,610 --> 01:32:45,840

been a real pleasure talking to you

2337

01:32:49,250 --> 01:32:46,620

again

2338

01:32:51,050 --> 01:32:49,260

right he's talking to you a nice meeting

2339

01:32:54,350 --> 01:32:51,060

you for the first time John and nice to

2340

01:32:56,870 --> 01:32:54,360

meet you and Dave Altman yes I have been

2341

01:33:01,010 --> 01:32:56,880

compared and heard that that I

2342

01:33:02,390 --> 01:33:01,020

sign and look like uh Jeff Goldblum and

2343

01:33:05,090 --> 01:33:02,400

when I see you in person I'll do my

2344

01:33:06,229 --> 01:33:05,100

impersonation that was an important

2345

01:33:08,450 --> 01:33:06,239

question we didn't get to John

2346

01:33:10,790 --> 01:33:08,460

unfortunately and guys good luck with

2347

01:33:13,550 --> 01:33:10,800

this good luck with this and and I I

2348

01:33:15,470 --> 01:33:13,560

I'll never say never that I won't my

2349

01:33:17,629 --> 01:33:15,480

interests won't get peaked again but

2350

01:33:19,310 --> 01:33:17,639

there's nothing going on right now that

2351

01:33:22,370 --> 01:33:19,320

leads me to believe that there's

2352

01:33:23,810 --> 01:33:22,380

anything of value other than yes maybe

2353

01:33:25,790 --> 01:33:23,820

the Press will talk a little bit more

2354

01:33:27,830 --> 01:33:25,800

about his stuff there's nothing on the

2355

01:33:29,510 --> 01:33:27,840

horizon that I can see and I could be

2356

01:33:31,970 --> 01:33:29,520

surprised I've been surprised before

2357

01:33:34,669 --> 01:33:31,980

that a value that's going to really make

2358

01:33:36,470 --> 01:33:34,679

me sit up and listen so and that's me

2359

01:33:39,229 --> 01:33:36,480

personally but keep doing what you're

2360

01:33:41,090 --> 01:33:39,239

doing you never know yeah all right you

2361

01:33:43,370 --> 01:33:41,100

take care John yeah take care guys

2362

01:33:45,770 --> 01:33:43,380

thanks John

2363

01:33:48,290 --> 01:33:45,780

whoops so uh we'll be back next week

2364

01:33:50,990 --> 01:33:48,300

Dean I want to thank you again for uh

2365

01:33:52,610 --> 01:33:51,000

covering and helping me out tonight

2366

01:33:54,229 --> 01:33:52,620

um it's been been a real pleasure you've

2367

01:33:56,870 --> 01:33:54,239

been a lot of fun

2368

01:34:00,410 --> 01:33:56,880

well uh thanks for having me here and

2369

01:34:03,110 --> 01:34:00,420

it's so great to see you and uh uh you

2370

01:34:04,790 --> 01:34:03,120

you you crushed it terrific job and uh

2371

01:34:06,649 --> 01:34:04,800

looking forward to seeing more episodes

2372

01:34:08,270 --> 01:34:06,659

with Morton

2373

01:34:10,189 --> 01:34:08,280

all right you take care all right

2374

01:34:12,590 --> 01:34:10,199

everyone we'll be back next week with

2375

01:34:13,940 --> 01:34:12,600

the James Fox thank you all and keep

2376

01:34:21,110 --> 01:34:13,950

your eyes to the sky

2377

01:34:21,120 --> 01:34:25,210

foreign
