[Music]

5  
00:00:48,830 --> 00:00:46,670  
this is Martin Willis your host and it

6  
00:00:51,830 --> 00:00:48,840  
feels great to be back I had a lot of

7  
00:00:54,410 --> 00:00:51,840  
fun with Dean last week co-hosting with

8  
00:00:57,830 --> 00:00:54,420  
him and uh it was a lot of fun I'm going

9  
00:00:59,869 --> 00:00:57,840  
to invite him back uh now and then to do

10  
00:01:02,930 --> 00:00:59,879  
some shows together I mean it was great

11  
00:01:05,450 --> 00:01:02,940  
fun and uh I also want to thank him

12  
00:01:08,330 --> 00:01:05,460  
kindly for the wonderful job he did in

13  
00:01:10,310 --> 00:01:08,340

my absence and it feels great to be back

14

00:01:13,070 --> 00:01:10,320

our guest tonight is the one and only

15

00:01:16,070 --> 00:01:13,080

James Fox always loved talking to James

16

00:01:17,990 --> 00:01:16,080

he's got great energy and we're going to

17

00:01:21,770 --> 00:01:18,000

be talking about his movie moment of

18

00:01:23,570 --> 00:01:21,780

contact uh the blog this week it's the

19

00:01:26,749 --> 00:01:23,580

third in this series and it's called

20

00:01:30,230 --> 00:01:26,759

behind the scenes of UFO of UFO cover-up

21

00:01:33,350 --> 00:01:30,240

that was a series uh back in the 1980s

22

00:01:36,170 --> 00:01:33,360

live it was called UFO cover-up question

23

00:01:38,210 --> 00:01:36,180

mark live so this is part three on that

24

00:01:41,149 --> 00:01:38,220

by Charles Lear those are always made

25

00:01:45,130 --> 00:01:41,159

into an audio blog so they're up on

26

00:01:49,490 --> 00:01:45,140

YouTube and I believe Facebook

27

00:01:51,710 --> 00:01:49,500

anyway so I I want to thank everyone for

28

00:01:55,850 --> 00:01:51,720

watching the show tonight I'll try to

29

00:01:57,410 --> 00:01:55,860

keep an eye on uh the chat uh later on

30

00:02:00,770 --> 00:01:57,420

in the show if you'd like to pose a

31

00:02:03,590 --> 00:02:00,780

question please put it in all caps and

32

00:02:04,969 --> 00:02:03,600

right now I would like to play the

33

00:02:06,850 --> 00:02:04,979

trailer for the movie that we're going

34

00:02:16,390 --> 00:02:06,860

to be talking about tonight with James

35

00:02:22,309 --> 00:02:18,890

in 1996

36

00:02:23,869 --> 00:02:22,319

the people of Virginia Brazil witnessed

37

00:02:27,410 --> 00:02:23,879

a UFO event

38

00:02:28,850 --> 00:02:27,420

that would change their lives

39

00:02:33,890 --> 00:02:28,860

forever

40

00:02:39,710 --> 00:02:36,650

followed another rajwal if you will

41

00:02:41,570 --> 00:02:39,720

that is a crashed vehicle that had

42

00:02:48,949 --> 00:02:41,580

beings on board

43

00:02:55,729 --> 00:02:53,030

not that famous don't do it finally the

44

00:02:58,910 --> 00:02:55,739

facts will be revealed the Virginia case

45

00:03:02,330 --> 00:02:58,920

is considered the most well-kept secret

46

00:03:03,770 --> 00:03:02,340

in the military Circles of Brazil

47

00:03:05,630 --> 00:03:03,780

the objective here is to put some

48

00:03:14,930 --> 00:03:05,640

clarity on what took place in Virginia

49

00:03:19,190 --> 00:03:16,850

the Witnesses are some of the most

50

00:03:30,290 --> 00:03:19,200

compelling testimony I've ever heard

51  
00:03:34,390 --> 00:03:32,330  
a lot of people in this town have a

52  
00:03:42,789 --> 00:03:34,400  
little piece of the puzzle

53  
00:03:51,710 --> 00:03:45,890  
he had captured this creature his bare

54  
00:03:59,530 --> 00:03:53,930  
capture the creature he developed his

55  
00:04:04,369 --> 00:04:02,630  
foreign this can no longer be covered up

56  
00:04:10,250 --> 00:04:04,379  
they might shoot us because we're on the

57  
00:04:21,069 --> 00:04:12,490  
this can't be denied

58  
00:04:28,870 --> 00:04:23,330  
it'll be the most compelling testimony

59  
00:04:33,710 --> 00:04:31,909  
this is a level of confirmation that

60  
00:04:38,450 --> 00:04:33,720  
only a handful of people on this planet

61  
00:04:38,460 --> 00:04:45,770  
foreign

62  
00:04:50,870 --> 00:04:49,550  
I gotta see that movie yeah that's what

63  
00:04:54,710 --> 00:04:50,880

it's supposed to do and I think it does

64

00:04:56,749 --> 00:04:54,720

a good job at that yeah so this is great

65

00:04:59,330 --> 00:04:56,759

uh to talk to you once again about this

66

00:05:00,590 --> 00:04:59,340

this movie but now it's in uh you've

67

00:05:03,110 --> 00:05:00,600

been having a couple of premieres you

68

00:05:10,030 --> 00:05:03,120

have one coming up next week and on uh

69

00:05:14,210 --> 00:05:12,290

and I don't know if you could talk about

70

00:05:16,550 --> 00:05:14,220

what you said earlier

71

00:05:18,230 --> 00:05:16,560

um it's being reviewed by a major

72

00:05:21,530 --> 00:05:18,240

theater

73

00:05:26,090 --> 00:05:21,540

oh well uh so Regal

74

00:05:28,249 --> 00:05:26,100

um was I guess somewhat reluctant to

75

00:05:29,930 --> 00:05:28,259

have the premiere at their theater just

76

00:05:32,090 --> 00:05:29,940

because it they weren't sure if there

77

00:05:35,689 --> 00:05:32,100

was a demand for it

78

00:05:38,749 --> 00:05:35,699

um but that was uh put to rest after our

79

00:05:40,070 --> 00:05:38,759

Premiere at LA Live

80

00:05:42,350 --> 00:05:40,080

um they opened up their theater in New

81

00:05:44,409 --> 00:05:42,360

York and they've also talked about the

82

00:05:47,810 --> 00:05:44,419

possibility of doing scattered

83

00:05:51,529 --> 00:05:47,820

screenings Across America so we'll see

84

00:05:53,330 --> 00:05:51,539

one one thing at a time right and do you

85

00:05:55,670 --> 00:05:53,340

like to when they're doing a screening

86

00:05:58,070 --> 00:05:55,680

or Premiere you you are there right I

87

00:06:00,050 --> 00:05:58,080

mean you want yes and do you actually

88

00:06:01,670 --> 00:06:00,060

talk to the people answer questions

89

00:06:04,790 --> 00:06:01,680

anything like that you do absolutely

90

00:06:06,950 --> 00:06:04,800

yeah we do a q a at the end of it we

91

00:06:08,570 --> 00:06:06,960

um we do uh what is a step and repeat

92

00:06:10,670 --> 00:06:08,580

you know people get up and take their

93

00:06:13,370 --> 00:06:10,680

picture with the backdrop of moment of

94

00:06:14,330 --> 00:06:13,380

contact and it's a lot of fun it feels

95

00:06:17,210 --> 00:06:14,340

kind of

96

00:06:18,950 --> 00:06:17,220

you know Hollywood I guess and I'm not a

97

00:06:20,450 --> 00:06:18,960

Hollywood guy you know I mean I've never

98

00:06:22,730 --> 00:06:20,460

lived in Hollywood I've never wanted to

99

00:06:24,050 --> 00:06:22,740

live in Hollywood I've always lived in

100

00:06:25,129 --> 00:06:24,060

the country and kind of away from all

101  
00:06:27,110 --> 00:06:25,139  
that and people are like if you want to

102  
00:06:28,790 --> 00:06:27,120  
be successful you have to move to

103  
00:06:31,010 --> 00:06:28,800  
Hollywood I was like yeah that's not

104  
00:06:33,710 --> 00:06:31,020  
going to happen remember you really live

105  
00:06:35,749 --> 00:06:33,720  
in the country now I was I've had such a

106  
00:06:38,570 --> 00:06:35,759  
great time visiting you there back in

107  
00:06:41,210 --> 00:06:38,580  
June I do beautiful country right yeah

108  
00:06:43,370 --> 00:06:41,220  
it's gorgeous yeah I like rural I like

109  
00:06:46,430 --> 00:06:43,380  
mountains I like nature I like to go out

110  
00:06:49,430 --> 00:06:46,440  
I like to hike I like to see wildlife

111  
00:06:51,469 --> 00:06:49,440  
you're right he grounds me you know and

112  
00:06:53,390 --> 00:06:51,479  
I I have fun in the cities and that's

113  
00:06:55,670 --> 00:06:53,400

great but when it comes to living I like

114

00:06:59,029 --> 00:06:55,680

Serenity and peace and

115

00:07:00,770 --> 00:06:59,039

excellent excellent so how is the uh

116

00:07:03,050 --> 00:07:00,780

well we'll talk about you know the movie

117

00:07:04,969 --> 00:07:03,060

and what it was like to film and I

118

00:07:08,090 --> 00:07:04,979

remember we were in touch when you were

119

00:07:09,590 --> 00:07:08,100

down there uh filming and I believe yeah

120

00:07:11,450 --> 00:07:09,600

you sent me a text right when you

121

00:07:13,790 --> 00:07:11,460

thought you were going to be shot at I

122

00:07:17,330 --> 00:07:13,800

remember that that was that was a crazy

123

00:07:20,450 --> 00:07:17,340

time down there but so but first of all

124

00:07:22,370 --> 00:07:20,460

I'd like to ask you this what what made

125

00:07:23,990 --> 00:07:22,380

you decide you were going to look at

126

00:07:26,689 --> 00:07:24,000

this and look at it deeply the way and

127

00:07:30,110 --> 00:07:26,699

make a a film about it

128

00:07:33,110 --> 00:07:32,150

okay how far do you want me to go back

129

00:07:37,790 --> 00:07:33,120

here

130

00:07:40,010 --> 00:07:37,800

a gentleman that I worked with who was a

131

00:07:41,150 --> 00:07:40,020

co-producer on a film I did called out

132

00:07:43,850 --> 00:07:41,160

of the blue

133

00:07:50,210 --> 00:07:43,860

oh yeah great one yeah and I think we

134

00:07:53,210 --> 00:07:50,220

started concept with that late 90s 98

135

00:07:56,330 --> 00:07:53,220

probably 99 would be my guess probably

136

00:07:58,490 --> 00:07:56,340

99 because I was filming in Russia in 99

137

00:08:01,430 --> 00:07:58,500

so 98.99

138

00:08:03,110 --> 00:08:01,440

and my co-producer one of them was Boris

139

00:08:04,070 --> 00:08:03,120

zuboff and this other guy named Tim

140

00:08:05,629 --> 00:08:04,080

Coleman

141

00:08:08,629 --> 00:08:05,639

and Tim

142

00:08:10,309 --> 00:08:08,639

uh uh said you know when we're sort of

143

00:08:11,950 --> 00:08:10,319

mapping the idea of the concept of the

144

00:08:14,330 --> 00:08:11,960

film out he was like hey there's this

145

00:08:16,610 --> 00:08:14,340

UFO crash in Brazil I don't know if you

146

00:08:18,710 --> 00:08:16,620

heard about it but apparently these live

147

00:08:20,029 --> 00:08:18,720

aunties aliens survived and they were

148

00:08:23,450 --> 00:08:20,039

walking through the town and I was like

149

00:08:26,330 --> 00:08:23,460

oh come on what Fantasy Land are you

150

00:08:27,589 --> 00:08:26,340

living in you know and uh I think it

151

00:08:29,930 --> 00:08:27,599

really kind of

152

00:08:31,129 --> 00:08:29,940

um in fact I know it kind of upset Tim

153

00:08:35,209 --> 00:08:31,139

Coleman

154

00:08:38,389 --> 00:08:35,219

um because uh I dismissed it so quickly

155

00:08:40,010 --> 00:08:38,399

funny enough I gave a if you look at the

156

00:08:41,690 --> 00:08:40,020

credits at the end of special thanks I

157

00:08:43,730 --> 00:08:41,700

give a credit to Tim Coleman because he

158

00:08:46,730 --> 00:08:43,740

was the one that introduced me to this

159

00:08:48,829 --> 00:08:46,740

case so fast forward probably 2010 maybe

160

00:08:51,710 --> 00:08:48,839

2011 at the latest

161

00:08:54,170 --> 00:08:51,720

I'm going to a place called pero IBI in

162

00:08:56,509 --> 00:08:54,180

the South to give a presentation on a

163

00:08:58,990 --> 00:08:56,519

film I did called I know what I saw

164

00:09:02,509 --> 00:08:59,000

where I worked on a Press Club

165

00:09:05,870 --> 00:09:02,519

presentation uh in Washington DC in in

166

00:09:07,370 --> 00:09:05,880

2007 with the help of Leslie Kane and we

167

00:09:09,170 --> 00:09:07,380

flew in all these high-level military

168

00:09:11,750 --> 00:09:09,180

and government officials from seven

169

00:09:13,610 --> 00:09:11,760

countries and they testified as to the

170

00:09:16,070 --> 00:09:13,620

reality of the phenomenon as well as

171

00:09:17,870 --> 00:09:16,080

pushing for more government transparency

172

00:09:22,130 --> 00:09:17,880

yada yada

173

00:09:23,990 --> 00:09:22,140

so any case I'm about to fly down to

174

00:09:25,550 --> 00:09:24,000

Brazil and I get a phone call from a

175

00:09:28,070 --> 00:09:25,560

buddy of mine who's been very

176

00:09:29,750 --> 00:09:28,080

influential uh pulling strings behind

177

00:09:31,550 --> 00:09:29,760

the scenes for me

178

00:09:34,070 --> 00:09:31,560

high up on the sort of entertainment

179

00:09:36,889 --> 00:09:34,080

food chain his name's Jeff saganski

180

00:09:38,750 --> 00:09:36,899

and um I'm I'm sure he doesn't mind me

181

00:09:41,030 --> 00:09:38,760

he's got to credit the movie now as well

182

00:09:42,470 --> 00:09:41,040

he's like oh you're going to Brazil and

183

00:09:45,949 --> 00:09:42,480

I said yeah he goes you got to look into

184

00:09:48,230 --> 00:09:45,959

Virginia I was like oh my God don't tell

185

00:09:49,370 --> 00:09:48,240

me this guy's drank the Kool-Aid too you

186

00:09:50,870 --> 00:09:49,380

know because I'm thinking okay we got

187

00:09:52,610 --> 00:09:50,880

Tim Cole to think about who I have a lot

188

00:09:55,730 --> 00:09:52,620

of respect for very bright guy now I got

189

00:09:57,350 --> 00:09:55,740

you know this guy who's I think he was

190

00:09:58,550 --> 00:09:57,360

head former head of Sony pictures you

191

00:10:00,650 --> 00:09:58,560

can look him up

192

00:10:03,290 --> 00:10:00,660

and uh now he's telling me and I was

193

00:10:05,570 --> 00:10:03,300

like uh sure Jeff I'll look into this

194

00:10:08,090 --> 00:10:05,580

alleged UFO crash yeah I'll do that for

195

00:10:10,670 --> 00:10:08,100

you click and I thought to myself yeah

196

00:10:13,190 --> 00:10:10,680

that's not gonna happen so I went to

197

00:10:15,230 --> 00:10:13,200

Brazil and at the conference I happened

198

00:10:17,269 --> 00:10:15,240

to meet some people that were either

199

00:10:21,590 --> 00:10:17,279

direct Witnesses or Witnesses friends

200

00:10:26,690 --> 00:10:24,710

kind of piqued my interest a little bit

201

00:10:30,230 --> 00:10:26,700

so I started digging into it

202

00:10:33,050 --> 00:10:30,240

and then I went back uh four times each

203

00:10:36,290 --> 00:10:33,060

time for about a month and

204

00:10:40,009 --> 00:10:36,300

um you know in in actuality I was going

205

00:10:42,230 --> 00:10:40,019

to try and put the Virginia case into

206

00:10:45,410 --> 00:10:42,240

the phenomenon and I worked on it

207

00:10:48,050 --> 00:10:45,420

extensively I had probably

208

00:10:51,050 --> 00:10:48,060

I don't know seven to nine months of

209

00:10:53,329 --> 00:10:51,060

work on and off of editing I had the

210

00:10:55,069 --> 00:10:53,339

segment ready to kind of Quasi ready to

211

00:10:58,310 --> 00:10:55,079

go

212

00:11:01,490 --> 00:10:58,320

and at the last minute I thought hmm now

213

00:11:04,490 --> 00:11:01,500

this doesn't quite fit it's too much

214

00:11:06,710 --> 00:11:04,500

it's too much and the story probably

215

00:11:08,269 --> 00:11:06,720

deserves a documentary of its own and

216

00:11:11,650 --> 00:11:08,279

I've been working with this guy fellow

217

00:11:15,350 --> 00:11:11,660

producer a friend of mine Marco Leal

218

00:11:17,449 --> 00:11:15,360

in Brazil for like well over a decade

219

00:11:18,710 --> 00:11:17,459

and he was devastated when the

220

00:11:20,810 --> 00:11:18,720

phenomenon of course he loved the

221

00:11:22,790 --> 00:11:20,820

phenomenon but he was like what happened

222

00:11:25,190 --> 00:11:22,800

to Virginia you didn't include it I said

223

00:11:27,590 --> 00:11:25,200

you know you're going to have to do our

224

00:11:31,610 --> 00:11:27,600

own documentary on just that case

225

00:11:34,550 --> 00:11:31,620

so it was a rather lofty task but um we

226

00:11:36,410 --> 00:11:34,560

you know we'd already had I'd had 10 11

227

00:11:39,650 --> 00:11:36,420

years under my belt with the case and

228

00:11:41,269 --> 00:11:39,660

he's got 15 to 18 years under his belt

229

00:11:43,610 --> 00:11:41,279

and then all the other fellow

230

00:11:44,750 --> 00:11:43,620

researchers in Brazil and we all kind of

231

00:11:47,509 --> 00:11:44,760

huddled and

232

00:11:51,170 --> 00:11:47,519

and uh and and made it happen

233

00:11:55,150 --> 00:11:51,180

and I feel like that there's so much

234

00:11:59,630 --> 00:11:55,160

content so many pieces of the puzzle

235

00:12:00,710 --> 00:11:59,640

that it deserved its own uh it deserved

236

00:12:03,530 --> 00:12:00,720

to be

237

00:12:06,829 --> 00:12:03,540

a film just on that case

238

00:12:09,410 --> 00:12:06,839

you know I when I watch that

239

00:12:11,269 --> 00:12:09,420

um you sent me the uh I forget what you

240

00:12:14,449 --> 00:12:11,279

call it the rough cut

241

00:12:17,630 --> 00:12:14,459

um I don't know way back in

242

00:12:20,389 --> 00:12:17,640

uh may I believe of this year

243

00:12:22,550 --> 00:12:20,399

by the time I got done watching that I

244

00:12:24,710 --> 00:12:22,560

was pretty much convinced that and I had

245

00:12:26,389 --> 00:12:24,720

heard about this case you know years ago

246

00:12:30,110 --> 00:12:26,399

but I was pretty much convinced that

247

00:12:32,690 --> 00:12:30,120

there's no way this didn't happen you

248

00:12:36,530 --> 00:12:32,700

know I mean it just and it's bizarre I

249

00:12:39,710 --> 00:12:36,540

mean uh I remember feeling after

250

00:12:44,030 --> 00:12:39,720

watching this feeling like that poor

251

00:12:45,710 --> 00:12:44,040

alien that was that was so scared uh

252

00:12:49,190 --> 00:12:45,720

according to the two girls uh three

253

00:12:51,410 --> 00:12:49,200

girls and uh you know it just makes you

254

00:12:53,509 --> 00:12:51,420

feel sorry for him and then you know

255

00:12:56,389 --> 00:12:53,519

everybody one of the all right this is

256

00:12:58,490 --> 00:12:56,399

the convincing parts of it to me is

257

00:13:01,550 --> 00:12:58,500

everybody's basically describing the

258

00:13:04,550 --> 00:13:01,560

same thing you know the oily skin the

259

00:13:09,110 --> 00:13:04,560

red eyes the odor sulfur like odor I

260

00:13:10,970 --> 00:13:09,120

believe it is and uh and then there were

261

00:13:13,190 --> 00:13:10,980

the one thing that's a little confusing

262

00:13:16,190 --> 00:13:13,200

to me and you can clear this up was

263

00:13:18,350 --> 00:13:16,200

there two beings and one was found that

264

00:13:21,230 --> 00:13:18,360

was dead or is that the same being that

265

00:13:27,949 --> 00:13:24,110

so there were reports of up to five

266

00:13:31,250 --> 00:13:27,959

beings but we only had credible

267

00:13:34,730 --> 00:13:31,260

testimony enough substantial or

268

00:13:36,650 --> 00:13:34,740

substance on two captures one with the

269

00:13:38,930 --> 00:13:36,660

fire department and one with those two

270

00:13:41,210 --> 00:13:38,940

military police officers Eric Lopes and

271

00:13:44,750 --> 00:13:41,220

and Marco Charisse

272

00:13:47,810 --> 00:13:44,760

so we inherit of accounts P you know

273

00:13:50,750 --> 00:13:47,820

look nobody in the town ever thought

274

00:13:52,610 --> 00:13:50,760

this is an alien from another world

275

00:13:55,730 --> 00:13:52,620

not even the people that captured air

276

00:13:57,230 --> 00:13:55,740

gloves and Marco trees it was like some

277

00:13:59,269 --> 00:13:57,240

of the girls that came within eight to

278

00:14:00,710 --> 00:13:59,279

ten feet of this alive being thought it

279

00:14:04,190 --> 00:14:00,720

was the devil

280

00:14:06,710 --> 00:14:04,200

people were terrified uh they called it

281

00:14:09,350 --> 00:14:06,720

a creature they called it the devil they

282

00:14:11,449 --> 00:14:09,360

called they didn't know you know

283

00:14:14,449 --> 00:14:11,459

but it did have

284

00:14:17,090 --> 00:14:14,459

it did have uh according to the

285

00:14:18,350 --> 00:14:17,100

witnesses feelings

286

00:14:21,889 --> 00:14:18,360

fright

287

00:14:24,110 --> 00:14:21,899

it was it was feeble

288

00:14:29,150 --> 00:14:26,210

it wanted help

289

00:14:30,050 --> 00:14:29,160

one of the

290

00:14:33,650 --> 00:14:30,060

um

291

00:14:37,490 --> 00:14:33,660

aspects of the encounter with the three

292

00:14:40,009 --> 00:14:37,500

girls Katya liliani and valkyria there

293

00:14:42,769 --> 00:14:40,019

were two sisters there were 14 and 16

294

00:14:44,569 --> 00:14:42,779

and then the older one Katya was 21.

295

00:14:47,329 --> 00:14:44,579

and they were going through this vacant

296

00:14:50,269 --> 00:14:47,339

lot with a cinder block wall and Tall

297

00:14:52,009 --> 00:14:50,279

Grass and it was about three o'clock in

298

00:14:54,350 --> 00:14:52,019

the afternoon between three and three

299

00:14:58,009 --> 00:14:54,360

Thirty in the afternoon it was January

300

00:14:59,990 --> 00:14:58,019

20th hot in Brazil during this their

301

00:15:03,769 --> 00:15:00,000

Winters are our summers and their

302

00:15:06,350 --> 00:15:03,779

summers are our Winters right so um

303

00:15:08,870 --> 00:15:06,360

uh

304

00:15:12,410 --> 00:15:08,880

I I think it was lilianni the 16 year

305

00:15:14,870 --> 00:15:12,420

old that saw it first and again I remind

306

00:15:16,430 --> 00:15:14,880

your your audience your listeners it was

307

00:15:19,009 --> 00:15:16,440

broad daylight and they came within

308

00:15:21,949 --> 00:15:19,019

eight to ten feet of this thing now

309

00:15:23,810 --> 00:15:21,959

it was somewhat like Frozen in a

310

00:15:25,670 --> 00:15:23,820

position where it had its hands down it

311

00:15:28,129 --> 00:15:25,680

was kind of looking down and kind of

312

00:15:30,530 --> 00:15:28,139

squatting down crouching

313

00:15:35,810 --> 00:15:30,540

and feeble

314

00:15:37,129 --> 00:15:35,820

uh scared uh non-threatening

315

00:15:41,449 --> 00:15:37,139

um suffering

316

00:15:47,389 --> 00:15:41,459

and I think liliani let out a yell of

317

00:15:50,449 --> 00:15:47,399

Terror of you know fright and it turned

318

00:15:52,430 --> 00:15:50,459

so from this position

319

00:15:55,670 --> 00:15:52,440

and it turned and it looked them right

320

00:15:57,230 --> 00:15:55,680

in the eyes okay its eyes were three to

321

00:15:59,810 --> 00:15:57,240

four times bigger than that of a human

322

00:16:05,750 --> 00:16:02,170

Liliana grabs her 14 year old daughter

323

00:16:08,329 --> 00:16:05,760

sorry her 14 year old sister valkyria

324

00:16:09,350 --> 00:16:08,339

and they bolt out of there as fast as

325

00:16:12,110 --> 00:16:09,360

they can

326

00:16:15,590 --> 00:16:12,120

Katya the 21 year old is Frozen in her

327

00:16:17,569 --> 00:16:15,600

tracks locked eyes on this beam right

328

00:16:19,970 --> 00:16:17,579

and there's some level of communication

329

00:16:22,850 --> 00:16:19,980

that's going on during this moment

330

00:16:27,290 --> 00:16:22,860

in fact that's where the the uh title of

331

00:16:29,870 --> 00:16:27,300

the film came from is I as a as as a

332

00:16:31,910 --> 00:16:29,880

filmmaker I'm also an editor I'm always

333

00:16:36,910 --> 00:16:31,920

thinking of

334

00:16:40,249 --> 00:16:36,920

that are engaging and watching the movie

335

00:16:44,269 --> 00:16:40,259

and it's such an extraordinary

336

00:16:48,110 --> 00:16:44,279

potentially once in a lifetime testimony

337

00:16:50,749 --> 00:16:48,120

I want as the Director as as as as an

338

00:16:52,370 --> 00:16:50,759

editor but also as a viewer I want to be

339

00:16:55,370 --> 00:16:52,380

in that

340

00:16:57,650 --> 00:16:55,380

moment that moment of contact locking

341

00:16:59,810 --> 00:16:57,660

eyes with this being okay

342

00:17:01,490 --> 00:16:59,820

put me there and I always want to get as

343

00:17:02,870 --> 00:17:01,500

many details as I possibly can because

344

00:17:04,010 --> 00:17:02,880

even though it's probably only just a

345

00:17:07,370 --> 00:17:04,020

few seconds

346

00:17:09,230 --> 00:17:07,380

time slows down in that moment right and

347

00:17:12,530 --> 00:17:09,240

you have something that's that intense

348

00:17:13,850 --> 00:17:12,540

it's like right and uh and so I said you

349

00:17:15,350 --> 00:17:13,860

know put me there in that moment of

350

00:17:17,150 --> 00:17:15,360

contact what did you feel what did you

351

00:17:19,010 --> 00:17:17,160

see what did you you know and that's

352

00:17:20,569 --> 00:17:19,020

when she said that it was communicating

353

00:17:23,329 --> 00:17:20,579

to her that it wanted help it was scared

354

00:17:25,189 --> 00:17:23,339

it was it was it was weak and it was

355

00:17:29,630 --> 00:17:25,199

suffering

356

00:17:31,430 --> 00:17:29,640

um and and I always think about like

357

00:17:34,549 --> 00:17:31,440

imagine a different case scenario

358

00:17:36,710 --> 00:17:34,559

imagine if these girls had not run off

359

00:17:38,930 --> 00:17:36,720

imagine that they'd provided this being

360

00:17:41,150 --> 00:17:38,940

shelter or imagine if they'd

361

00:17:42,590 --> 00:17:41,160

you know I just seen the film e for the

362

00:17:45,110 --> 00:17:42,600

first time in a long time with my son

363

00:17:46,490 --> 00:17:45,120

you know and I just thought wow the

364

00:17:49,130 --> 00:17:46,500

parallels and I know it sounds like

365

00:17:51,110 --> 00:17:49,140

science fiction I I believe me I know

366

00:17:52,850 --> 00:17:51,120

that as someone who was making a

367

00:17:55,430 --> 00:17:52,860

documentary on the topic of UFOs in the

368

00:17:58,010 --> 00:17:55,440

late 90s and it's made you know four

369

00:17:58,970 --> 00:17:58,020

since

370

00:18:01,430 --> 00:17:58,980

um

371

00:18:04,010 --> 00:18:01,440

I completely understand the level of

372

00:18:05,990 --> 00:18:04,020

skepticism that this film could this

373

00:18:07,610 --> 00:18:06,000

story could be potentially met with and

374

00:18:10,789 --> 00:18:07,620

I don't blame anyone for feeling that

375

00:18:13,250 --> 00:18:10,799

way but you can imagine like

376

00:18:15,710 --> 00:18:13,260

uh had it gone a different route had had

377

00:18:18,350 --> 00:18:15,720

these girls decided to help this

378

00:18:20,049 --> 00:18:18,360

creature and it almost did make me kind

379

00:18:22,430 --> 00:18:20,059

of sad to think about

380

00:18:26,570 --> 00:18:22,440

you know representatives of the

381

00:18:28,310 --> 00:18:26,580

Brazilian military and Army and

382

00:18:29,210 --> 00:18:28,320

fire department

383

00:18:31,070 --> 00:18:29,220

um

384

00:18:32,390 --> 00:18:31,080

you know there was one witness that

385

00:18:34,490 --> 00:18:32,400

heard the capture and he said it was

386

00:18:36,289 --> 00:18:34,500

crying they what and they were asking

387

00:18:38,390 --> 00:18:36,299

this guy he was a construction worker

388

00:18:40,190 --> 00:18:38,400

what was what did you you know it's like

389

00:18:43,070 --> 00:18:40,200

it was crying like a baby when they

390

00:18:45,710 --> 00:18:43,080

captured it oh very very scared it's a

391

00:18:49,190 --> 00:18:45,720

very uh not that many people

392

00:18:51,230 --> 00:18:49,200

that watched this film get that part but

393

00:18:53,029 --> 00:18:51,240

every now and again I'll get someone go

394

00:18:54,950 --> 00:18:53,039

oh that moment that witness said it was

395

00:18:56,630 --> 00:18:54,960

crying like a baby really profoundly

396

00:18:58,970 --> 00:18:56,640

affected me

397

00:19:01,610 --> 00:18:58,980

it did me as well I just thought you

398

00:19:05,210 --> 00:19:01,620

know of course I 12 years into this case

399

00:19:07,610 --> 00:19:05,220

I've talked to all the key Witnesses

400

00:19:09,529 --> 00:19:07,620

um I'm convinced it happened I wouldn't

401  
00:19:11,150 --> 00:19:09,539  
waste it all that time otherwise and

402  
00:19:12,710 --> 00:19:11,160  
certainly put my credibility on the line

403  
00:19:16,549 --> 00:19:12,720  
I get that

404  
00:19:18,409 --> 00:19:16,559  
but uh but I do it does uh

405  
00:19:21,529 --> 00:19:18,419  
bother me a little bit

406  
00:19:24,950 --> 00:19:21,539  
that um how these beans were reportedly

407  
00:19:26,990 --> 00:19:24,960  
treated and and uh

408  
00:19:29,990 --> 00:19:27,000  
you know just what would have happened

409  
00:19:32,750 --> 00:19:30,000  
had the girls and I'm sure look you know

410  
00:19:34,130 --> 00:19:32,760  
they were perfectly Justified to be

411  
00:19:35,150 --> 00:19:34,140  
terrified of this thing I have no doubt

412  
00:19:37,549 --> 00:19:35,160  
that I probably would have done the

413  
00:19:39,770 --> 00:19:37,559

exact same thing but it is makes one

414

00:19:41,870 --> 00:19:39,780

kind of curious to know just to think

415

00:19:43,250 --> 00:19:41,880

about like you know in an alternate

416

00:19:44,330 --> 00:19:43,260

reality what would have happened if they

417

00:19:47,270 --> 00:19:44,340

would have taken this thing in and

418

00:19:49,190 --> 00:19:47,280

provided shelter and helped it uh escape

419

00:19:54,710 --> 00:19:49,200

the uh the capture from the authorities

420

00:19:56,750 --> 00:19:54,720

wow but then again supposedly the I

421

00:19:59,870 --> 00:19:56,760

think it was a military officer was it a

422

00:20:02,390 --> 00:19:59,880

fireman that carried supposedly carried

423

00:20:04,010 --> 00:20:02,400

or captured and carried and he

424

00:20:05,169 --> 00:20:04,020

ultimately died

425

00:20:10,490 --> 00:20:05,179

yeah

426

00:20:12,950 --> 00:20:10,500

um what we did

427

00:20:15,049 --> 00:20:12,960

for the first time according to all the

428

00:20:17,529 --> 00:20:15,059

Brazilian researchers that that I worked

429

00:20:23,450 --> 00:20:17,539

with is I fly a drone

430

00:20:25,730 --> 00:20:23,460

and I like to get up above an area

431

00:20:27,710 --> 00:20:25,740

um you know citing uh maybe whether it's

432

00:20:29,630 --> 00:20:27,720

a crash site or an encounter or capture

433

00:20:31,669 --> 00:20:29,640

or whatever it is and just get some

434

00:20:34,850 --> 00:20:31,679

marital photography

435

00:20:36,710 --> 00:20:34,860

but I did that on a number of pretty

436

00:20:38,630 --> 00:20:36,720

much every scene and everywhere we shot

437

00:20:40,850 --> 00:20:38,640

across Brazil

438

00:20:42,529 --> 00:20:40,860

and one thing we realized

439

00:20:44,690 --> 00:20:42,539

see if I can show your your audience

440

00:20:46,250 --> 00:20:44,700

because this is fascinating this is

441

00:20:49,549 --> 00:20:46,260

something that we've determined kind of

442

00:20:51,950 --> 00:20:49,559

well out in the field but even more so

443

00:20:53,690 --> 00:20:51,960

um in the uh in the edit room

444

00:20:54,830 --> 00:20:53,700

I'll just show you guys really quickly

445

00:20:58,730 --> 00:20:54,840

here

446

00:21:04,190 --> 00:21:02,150

are you drawing something I am so you've

447

00:21:06,409 --> 00:21:04,200

got an area let's say this is like four

448

00:21:09,529 --> 00:21:06,419

square blocks right

449

00:21:11,750 --> 00:21:09,539

maybe two here and four across you know

450

00:21:14,210 --> 00:21:11,760

you've got the military blockade here so

451  
00:21:15,409 --> 00:21:14,220  
we have eyewitness testimony there that

452  
00:21:17,630 --> 00:21:15,419  
the military wouldn't let anybody in

453  
00:21:19,970 --> 00:21:17,640  
then you've got this this

454  
00:21:22,250 --> 00:21:19,980  
one here this is where the girls

455  
00:21:24,350 --> 00:21:22,260  
encountered the creature at three

456  
00:21:26,810 --> 00:21:24,360  
o'clock in the afternoon January 20th

457  
00:21:28,370 --> 00:21:26,820  
and then just a couple blocks away this

458  
00:21:30,409 --> 00:21:28,380  
is where the capture took place and

459  
00:21:31,909 --> 00:21:30,419  
again these are just you know four or

460  
00:21:33,529 --> 00:21:31,919  
five square blocks

461  
00:21:36,590 --> 00:21:33,539  
and we got the whole thing from the air

462  
00:21:39,770 --> 00:21:36,600  
we realized my God this all took place a

463  
00:21:41,750 --> 00:21:39,780

lot of this took place in a rather small

464

00:21:42,970 --> 00:21:41,760

spot

465

00:21:47,930 --> 00:21:42,980

um

466

00:21:50,090 --> 00:21:47,940

at about five o'clock 5 30 p.m a

467

00:21:53,690 --> 00:21:50,100

gentleman by the name of Eric Lopes and

468

00:21:55,610 --> 00:21:53,700

Marco Charisse are on patrol

469

00:21:57,770 --> 00:21:55,620

on the lookout for something strange

470

00:21:59,630 --> 00:21:57,780

something unusual

471

00:22:01,490 --> 00:21:59,640

something like this they didn't know

472

00:22:03,770 --> 00:22:01,500

what they weren't given that kind of

473

00:22:05,930 --> 00:22:03,780

information and they're driving just a

474

00:22:07,850 --> 00:22:05,940

couple blocks away about two hours after

475

00:22:10,370 --> 00:22:07,860

the girls had that encounter with that

476  
00:22:11,990 --> 00:22:10,380  
strange being when this thing apparently

477  
00:22:13,090 --> 00:22:12,000  
runs right across the road in front of

478  
00:22:16,690 --> 00:22:13,100  
them

479  
00:22:19,669 --> 00:22:16,700  
and uh the driver slams his brakes on

480  
00:22:20,510 --> 00:22:19,679  
marker trees in the passenger seat leaps

481  
00:22:23,930 --> 00:22:20,520  
out

482  
00:22:26,029 --> 00:22:23,940  
and uh with very little effort and and

483  
00:22:28,190 --> 00:22:26,039  
very little resistance is able to

484  
00:22:31,430 --> 00:22:28,200  
capture the same with his bare hands

485  
00:22:32,330 --> 00:22:31,440  
now according to the researchers and his

486  
00:22:35,990 --> 00:22:32,340  
family

487  
00:22:38,210 --> 00:22:36,000  
in the process he got a little scratch

488  
00:22:40,730 --> 00:22:38,220

here somewhere around here on his arm

489

00:22:42,710 --> 00:22:40,740

not a big scratch a little scratch but

490

00:22:44,390 --> 00:22:42,720

this creature had this weird oil all

491

00:22:46,010 --> 00:22:44,400

over they all everybody described this

492

00:22:48,770 --> 00:22:46,020

oil even when it was deceased it had

493

00:22:50,450 --> 00:22:48,780

this weird oily brown skin with lots of

494

00:22:54,890 --> 00:22:50,460

oil like silicone

495

00:22:58,970 --> 00:22:54,900

and uh according to uh the researchers

496

00:23:00,730 --> 00:22:58,980

and the family Marco fell ill

497

00:23:03,230 --> 00:23:00,740

um he apparently

498

00:23:05,029 --> 00:23:03,240

within a day or so after he was rubbing

499

00:23:07,850 --> 00:23:05,039

putting rubbing alcohol over to get the

500

00:23:09,890 --> 00:23:07,860

smell and this oil off of him

501  
00:23:14,750 --> 00:23:09,900  
um within a couple of weeks he fell ill

502  
00:23:17,149 --> 00:23:14,760  
he admitted himself to the hospital

503  
00:23:19,310 --> 00:23:17,159  
um he had this uh systematic immune

504  
00:23:20,750 --> 00:23:19,320  
system failure the Doctor Who we

505  
00:23:22,730 --> 00:23:20,760  
interviewed through the book I mean

506  
00:23:25,010 --> 00:23:22,740  
through like the kitchen sink he tried

507  
00:23:26,270 --> 00:23:25,020  
every type of antibiotic and he said his

508  
00:23:29,090 --> 00:23:26,280  
immune system he'd never seen anything

509  
00:23:31,669 --> 00:23:29,100  
like it 20 plus years prior 26 years

510  
00:23:34,090 --> 00:23:31,679  
later after never seen anything like

511  
00:23:39,409 --> 00:23:34,100  
this perfectly healthy 23 year old

512  
00:23:41,870 --> 00:23:39,419  
Soldier dies geez and um and for the for

513  
00:23:44,090 --> 00:23:41,880

the first time in history the Dr Cesario

514

00:23:46,010 --> 00:23:44,100

the very Doctor Who worked on him back

515

00:23:46,669 --> 00:23:46,020

in 1996

516

00:23:48,830 --> 00:23:46,679

um

517

00:23:50,810 --> 00:23:48,840

gave us an on-camera interview and and

518

00:23:52,190 --> 00:23:50,820

revealed his not only his identity his

519

00:23:54,770 --> 00:23:52,200

face is everything

520

00:23:57,890 --> 00:23:54,780

and um it was extraordinary and and we

521

00:24:01,130 --> 00:23:57,900

interviewed the his sister

522

00:24:02,930 --> 00:24:01,140

um uh Marta talks about you know the

523

00:24:06,529 --> 00:24:02,940

visits they got from the military and

524

00:24:09,289 --> 00:24:06,539

what the Brazilian uh military told the

525

00:24:11,270 --> 00:24:09,299

deceased officer's mother

526

00:24:12,590 --> 00:24:11,280

and the family basically that this story

527

00:24:14,570 --> 00:24:12,600

was true that it couldn't come out

528

00:24:16,669 --> 00:24:14,580

because society would collapse that was

529

00:24:18,049 --> 00:24:16,679

the justification that they used back in

530

00:24:19,549 --> 00:24:18,059

1996

531

00:24:24,590 --> 00:24:19,559

um

532

00:24:30,169 --> 00:24:24,600

and uh funny enough I I uh probably

533

00:24:32,029 --> 00:24:30,179

probably back in 2014 I was shooting

534

00:24:35,630 --> 00:24:32,039

um was then called uh it's a working

535

00:24:37,310 --> 00:24:35,640

title 701 It ultimately oh yeah became

536

00:24:40,490 --> 00:24:37,320

the phenomenon

537

00:24:43,010 --> 00:24:40,500

and I was shooting in Los Angeles and I

538

00:24:44,750 --> 00:24:43,020

was had a laser-like focus on Rua at the

539

00:24:46,909 --> 00:24:44,760

time I'd float I was flying in Witnesses

540

00:24:48,470 --> 00:24:46,919

from different corners of the world

541

00:24:50,210 --> 00:24:48,480

um Randall Nickerson was helping me out

542

00:24:54,110 --> 00:24:50,220

with that

543

00:24:58,070 --> 00:24:54,120

and uh Roger Lear found out that I was

544

00:25:01,610 --> 00:24:58,080

doing also working on Virginia

545

00:25:04,789 --> 00:25:01,620

and Dr Roger Lear was adamant and I one

546

00:25:05,930 --> 00:25:04,799

of my biggest regrets he was adamant to

547

00:25:08,029 --> 00:25:05,940

get an interview with me and I had

548

00:25:11,029 --> 00:25:08,039

camera Crews set up and I was so busy

549

00:25:15,770 --> 00:25:11,039

during that time I kept kind of you know

550

00:25:22,310 --> 00:25:17,210

and

551  
00:25:24,049 --> 00:25:22,320  
going to interview me I said no Dr Lira

552  
00:25:26,090 --> 00:25:24,059  
it's not that I don't want to interview

553  
00:25:28,130 --> 00:25:26,100  
you I've just been so busy I you know

554  
00:25:30,289 --> 00:25:28,140  
all the stuff that was happening

555  
00:25:32,350 --> 00:25:30,299  
and uh he's like well at least take my

556  
00:25:37,549 --> 00:25:32,360  
tapes

557  
00:25:38,930 --> 00:25:37,559  
went to Virginia in 2002 and I did

558  
00:25:41,750 --> 00:25:38,940  
extensive

559  
00:25:44,390 --> 00:25:41,760  
uh investigations and interviews and and

560  
00:25:46,370 --> 00:25:44,400  
you can have them all just take my tapes

561  
00:25:49,549 --> 00:25:46,380  
so I took all of his tapes

562  
00:25:51,710 --> 00:25:49,559  
and I transferred them digitally and

563  
00:25:55,370 --> 00:25:51,720

then I sent them back to him

564

00:25:56,210 --> 00:25:55,380

and uh he died right

565

00:25:59,990 --> 00:25:56,220

um yeah

566

00:26:03,110 --> 00:26:00,000

I found out that he died and um and when

567

00:26:05,810 --> 00:26:03,120

I read his book anyway those tapes

568

00:26:09,350 --> 00:26:05,820

contained on-camera testimony that

569

00:26:11,570 --> 00:26:09,360

proved to be invaluable to the

570

00:26:14,330 --> 00:26:11,580

production and we included him in the

571

00:26:15,529 --> 00:26:14,340

film and and all that

572

00:26:17,990 --> 00:26:15,539

um

573

00:26:19,669 --> 00:26:18,000

but he interviewed Marco treesi the

574

00:26:21,890 --> 00:26:19,679

deceased military officer involved in

575

00:26:24,590 --> 00:26:21,900

the capture he interviewed his wife his

576

00:26:27,110 --> 00:26:24,600

wife's never been seen before since in

577

00:26:29,690 --> 00:26:27,120

2002 with the help of the leading

578

00:26:31,490 --> 00:26:29,700

Brazilian UFO researcher Luba dejara

579

00:26:34,370 --> 00:26:31,500

Rodriguez and there was another

580

00:26:36,529 --> 00:26:34,380

gentleman named Hector peccachini who's

581

00:26:39,470 --> 00:26:36,539

come back online in the last couple of

582

00:26:44,029 --> 00:26:39,480

days revealing some pretty astonishing

583

00:26:45,289 --> 00:26:44,039

uh facts about the case but um

584

00:26:48,649 --> 00:26:45,299

um

585

00:26:52,730 --> 00:26:48,659

yeah uh Marco she's wife wasn't ever

586

00:26:54,710 --> 00:26:52,740

given uh any explanation for how exactly

587

00:26:56,690 --> 00:26:54,720

you know why her husband died how he

588

00:26:59,269 --> 00:26:56,700

died they were super secretive on the

589

00:27:01,730 --> 00:26:59,279

autopsy they were super secretive on on

590

00:27:03,590 --> 00:27:01,740

the uh death you know there's tip they

591

00:27:05,090 --> 00:27:03,600

had to like fight to get the death

592

00:27:07,730 --> 00:27:05,100

certificate I mean it was the whole

593

00:27:10,070 --> 00:27:07,740

thing was just shrouded in secrecy and

594

00:27:11,630 --> 00:27:10,080

and just they wanted to put his body in

595

00:27:12,950 --> 00:27:11,640

the ground immediately the moment he

596

00:27:15,169 --> 00:27:12,960

stopped breathing they wanted to bury

597

00:27:18,710 --> 00:27:15,179

that guy and

598

00:27:20,570 --> 00:27:18,720

um no autopsy of course I guess well I'm

599

00:27:23,390 --> 00:27:20,580

not entirely sure they did find some

600

00:27:25,970 --> 00:27:23,400

stuff I they found some there's a report

601  
00:27:29,269 --> 00:27:25,980  
in the in the in the film but in any

602  
00:27:32,930 --> 00:27:29,279  
case Dr Roger Lear

603  
00:27:36,409 --> 00:27:32,940  
he traveled he traveled to

604  
00:27:38,630 --> 00:27:36,419  
Brazil in 2002 with a fellow

605  
00:27:40,310 --> 00:27:38,640  
doctor I have his name I just don't have

606  
00:27:44,930 --> 00:27:40,320  
it at my fingertips

607  
00:27:46,789 --> 00:27:44,940  
and they according to Dr Roger lear's

608  
00:27:55,250 --> 00:27:46,799  
book

609  
00:27:57,649 --> 00:27:55,260  
for the most part is a transcript of the

610  
00:27:59,750 --> 00:27:57,659  
tapes the interviews that he did

611  
00:28:02,930 --> 00:27:59,760  
however there were a couple of meetings

612  
00:28:03,950 --> 00:28:02,940  
that Dr Roger Lear was involved with in

613  
00:28:07,490 --> 00:28:03,960

his book

614

00:28:09,830 --> 00:28:07,500

everything else was accurate because I

615

00:28:13,549 --> 00:28:09,840

had the tapes he met with a couple of

616

00:28:16,090 --> 00:28:13,559

doctors that performed some type of

617

00:28:19,250 --> 00:28:16,100

surgery surgical

618

00:28:20,870 --> 00:28:19,260

procedure on one of these creatures that

619

00:28:22,130 --> 00:28:20,880

was still alive

620

00:28:23,930 --> 00:28:22,140

and there was some level of

621

00:28:26,450 --> 00:28:23,940

communication again this is according to

622

00:28:30,409 --> 00:28:26,460

Dr Roger Lear in his book

623

00:28:33,110 --> 00:28:30,419

and I have yet to get access to these

624

00:28:34,850 --> 00:28:33,120

doctors the other gentleman that was

625

00:28:37,010 --> 00:28:34,860

traveling with Dr Roger unfortunately by

626

00:28:39,529 --> 00:28:37,020

the time I got to him which was last

627

00:28:42,110 --> 00:28:39,539

year he had just died so he was the only

628

00:28:44,750 --> 00:28:42,120

other person in the room other than Uber

629

00:28:46,490 --> 00:28:44,760

genre Rodriguez and he won't talk to me

630

00:28:47,330 --> 00:28:46,500

maybe he'll change his mind but but

631

00:28:49,909 --> 00:28:47,340

again

632

00:28:52,549 --> 00:28:49,919

according to Dr Roger Lear

633

00:28:55,730 --> 00:28:52,559

in his book there was communication with

634

00:28:57,470 --> 00:28:55,740

the live creature in the hospital with a

635

00:29:01,310 --> 00:28:57,480

couple of doctors

636

00:29:03,230 --> 00:29:01,320

wow and let's since since you're talking

637

00:29:05,630 --> 00:29:03,240

about this right now oh let me just pull

638

00:29:08,570 --> 00:29:05,640

up this question here because

639

00:29:10,610 --> 00:29:08,580

um was there footage taken by a fireman

640

00:29:13,730 --> 00:29:10,620

or was this

641

00:29:15,049 --> 00:29:13,740

what is the video that um I know I

642

00:29:19,610 --> 00:29:15,059

talked to you

643

00:29:22,250 --> 00:29:19,620

um offline about this but uh but do you

644

00:29:23,389 --> 00:29:22,260

fourth do you see that that video May

645

00:29:26,690 --> 00:29:23,399

Come

646

00:29:32,029 --> 00:29:26,700

available at some point

647

00:29:35,510 --> 00:29:33,889

I need to be careful with what I say

648

00:29:37,610 --> 00:29:35,520

because I don't want to jeopardize our

649

00:29:39,950 --> 00:29:37,620

efforts right now sure

650

00:29:45,049 --> 00:29:39,960

um let's just put it this way

651  
00:29:52,610 --> 00:29:48,250  
uh just because you

652  
00:29:55,310 --> 00:29:52,620  
definitively locate something

653  
00:30:02,450 --> 00:29:55,320  
it doesn't necessarily mean

654  
00:30:07,190 --> 00:30:04,610  
to say the least

655  
00:30:08,750 --> 00:30:07,200  
um remember not a single witness not a

656  
00:30:11,930 --> 00:30:08,760  
single person

657  
00:30:14,870 --> 00:30:11,940  
that appeared on camera in this film

658  
00:30:16,490 --> 00:30:14,880  
didn't do so

659  
00:30:20,450 --> 00:30:16,500  
very willingly

660  
00:30:21,590 --> 00:30:20,460  
it was a fight sometimes you know over a

661  
00:30:24,370 --> 00:30:21,600  
decade

662  
00:30:27,169 --> 00:30:24,380  
see Marco Leal has been working so hard

663  
00:30:29,029 --> 00:30:27,179

on on getting some of these people that

664

00:30:31,130 --> 00:30:29,039

that testified for the first time in

665

00:30:32,169 --> 00:30:31,140

history on this case

666

00:30:34,130 --> 00:30:32,179

um

667

00:30:35,090 --> 00:30:34,140

most of them were like what's never

668

00:30:36,710 --> 00:30:35,100

going to happen we're never going to

669

00:30:39,769 --> 00:30:36,720

come forward in the process of those

670

00:30:41,330 --> 00:30:39,779

investigations we came across

671

00:30:45,110 --> 00:30:41,340

um

672

00:30:48,409 --> 00:30:45,120

very credible sources to photographic

673

00:30:53,029 --> 00:30:48,419

evidence both photos and video

674

00:30:58,970 --> 00:30:56,149

it's been more difficult because a lot

675

00:31:00,649 --> 00:30:58,980

of the old researchers there was Claudio

676

00:31:03,470 --> 00:31:00,659

kovo

677

00:31:07,490 --> 00:31:03,480

he has since deceased uh there's

678

00:31:09,049 --> 00:31:07,500

ubarajara Rodriguez and in 2004 2005 he

679

00:31:13,070 --> 00:31:09,059

did an about face

680

00:31:14,930 --> 00:31:13,080

and there is uh Victor pacaccini who has

681

00:31:17,510 --> 00:31:14,940

disappeared for 18 years who's just

682

00:31:20,090 --> 00:31:17,520

resurfaced last week that's a very good

683

00:31:23,210 --> 00:31:20,100

sign because pekachini has got his

684

00:31:25,909 --> 00:31:23,220

finger on the pulse he was working with

685

00:31:28,010 --> 00:31:25,919

the Brazilian military back in 1996 even

686

00:31:32,389 --> 00:31:28,020

taking video statements from them

687

00:31:34,850 --> 00:31:32,399

himself as a sort of security for them

688

00:31:37,130 --> 00:31:34,860

the soldiers that if anything should

689

00:31:39,350 --> 00:31:37,140

happen to them those tapes that were

690

00:31:42,649 --> 00:31:39,360

scattered all across the the country

691

00:31:43,690 --> 00:31:42,659

would be released and so

692

00:31:48,230 --> 00:31:43,700

um

693

00:31:50,510 --> 00:31:48,240

yeah and so uh uh he is

694

00:31:53,570 --> 00:31:50,520

decided for whatever reason

695

00:31:56,510 --> 00:31:53,580

uh just last week

696

00:32:00,769 --> 00:31:56,520

um I'm getting back in and I'm going

697

00:32:03,470 --> 00:32:00,779

after uh everything that I know and um

698

00:32:07,490 --> 00:32:03,480

so we now we have him on our on our on

699

00:32:10,190 --> 00:32:07,500

our team and so um and he just spoke

700

00:32:12,289 --> 00:32:10,200

with the New York Post

701  
00:32:13,669 --> 00:32:12,299  
as well as another eyewitness I don't

702  
00:32:15,529 --> 00:32:13,679  
know if you guys managed to catch that

703  
00:32:19,130 --> 00:32:15,539  
New York Post article

704  
00:32:20,570 --> 00:32:19,140  
by Matthew schellenberger I believe it

705  
00:32:22,310 --> 00:32:20,580  
was

706  
00:32:24,470 --> 00:32:22,320  
um

707  
00:32:26,029 --> 00:32:24,480  
those guys actually did due diligence I

708  
00:32:27,889 --> 00:32:26,039  
mean they really they needed to talk to

709  
00:32:30,289 --> 00:32:27,899  
more than just one person who who's seen

710  
00:32:32,870 --> 00:32:30,299  
the footage of the creature and they

711  
00:32:34,610 --> 00:32:32,880  
they they really worked on it for at

712  
00:32:36,529 --> 00:32:34,620  
least a week

713  
00:32:38,450 --> 00:32:36,539

um talking to talking to people in

714

00:32:41,029 --> 00:32:38,460

Brazil and they put that together pretty

715

00:32:45,470 --> 00:32:41,039

nicely and if you read that article that

716

00:32:48,230 --> 00:32:45,480

gives like um unprecedented testimony of

717

00:32:50,750 --> 00:32:48,240

what the videotaped evidence reveals and

718

00:32:52,970 --> 00:32:50,760

it's pretty remarkable I highly suggest

719

00:32:55,130 --> 00:32:52,980

anyone out there to go read that New

720

00:32:57,169 --> 00:32:55,140

York Post article then there was two

721

00:32:59,269 --> 00:32:57,179

one that came out I think on a Friday

722

00:33:01,130 --> 00:32:59,279

the second one that's far more elaborate

723

00:33:02,810 --> 00:33:01,140

with photographs

724

00:33:04,909 --> 00:33:02,820

um I'm so sorry I think it's

725

00:33:07,010 --> 00:33:04,919

shellenberger I I could look it up right

726

00:33:09,110 --> 00:33:07,020

now so you'll know for sure well I'm I'm

727

00:33:12,049 --> 00:33:09,120

gonna pull it right up here in just a

728

00:33:14,509 --> 00:33:12,059

second okay great yeah because uh I'm

729

00:33:17,690 --> 00:33:14,519

telling you these guys did their due

730

00:33:20,690 --> 00:33:17,700

diligence and Michael schellenberger

731

00:33:22,370 --> 00:33:20,700

yeah he did a great job he spoke

732

00:33:23,649 --> 00:33:22,380

directly for the first time in history

733

00:33:26,750 --> 00:33:23,659

yep

734

00:33:28,669 --> 00:33:26,760

uh yes a scroll down on that is that uh

735

00:33:31,070 --> 00:33:28,679

because again there was two

736

00:33:32,289 --> 00:33:31,080

no see that's the wrong one that's the

737

00:33:34,850 --> 00:33:32,299

wrong one

738

00:33:36,409 --> 00:33:34,860

so that's the one that's the one that I

739

00:33:39,230 --> 00:33:36,419

read I didn't read the other one but the

740

00:33:40,909 --> 00:33:39,240

other one is the only one worth reading

741

00:33:44,029 --> 00:33:40,919

no I'm just telling you because he's got

742

00:33:47,029 --> 00:33:44,039

for the first time in history he's got

743

00:33:49,370 --> 00:33:47,039

uh counts as I said

744

00:33:51,110 --> 00:33:49,380

Michael Schellenberg that's it yeah okay

745

00:33:53,509 --> 00:33:51,120

that's the article so that's the one you

746

00:33:55,669 --> 00:33:53,519

guys want to read it's out I will link I

747

00:33:56,509 --> 00:33:55,679

will link this in the show notes for for

748

00:34:00,529 --> 00:33:56,519

everyone

749

00:34:03,710 --> 00:34:00,539

that's not never before seen or heard

750

00:34:05,990 --> 00:34:03,720

testimony detailed testimony of what the

751  
00:34:07,669 --> 00:34:06,000  
photographic evidence reveals and both

752  
00:34:09,710 --> 00:34:07,679  
of the people

753  
00:34:13,730 --> 00:34:09,720  
in the article

754  
00:34:20,450 --> 00:34:16,369  
know where that footage is

755  
00:34:21,710 --> 00:34:20,460  
wow so you've actually personally have

756  
00:34:24,829 --> 00:34:21,720  
spoken

757  
00:34:27,589 --> 00:34:24,839  
to someone that has actually

758  
00:34:30,349 --> 00:34:27,599  
seen the video

759  
00:34:32,149 --> 00:34:30,359  
is three people you've spoken to three

760  
00:34:33,409 --> 00:34:32,159  
people that have seen the video I mean

761  
00:34:36,169 --> 00:34:33,419  
to me that's

762  
00:34:38,030 --> 00:34:36,179  
that's pretty compelling and I remember

763  
00:34:41,149 --> 00:34:38,040

I know you're compelling and pretty

764

00:34:41,750 --> 00:34:41,159

frustrating yeah I remember

765

00:34:45,169 --> 00:34:41,760

um

766

00:34:47,810 --> 00:34:45,179

you mentioned that it's not about a

767

00:34:48,710 --> 00:34:47,820

money thing there's money that will not

768

00:34:51,470 --> 00:34:48,720

change

769

00:34:53,810 --> 00:34:51,480

of the way someone might release that

770

00:34:55,490 --> 00:34:53,820

that has their hands on it I don't know

771

00:34:57,770 --> 00:34:55,500

how much you can say or can't say here

772

00:34:59,930 --> 00:34:57,780

but I remember that was kind of the

773

00:35:01,609 --> 00:34:59,940

theme that you had mentioned what was

774

00:35:03,109 --> 00:35:01,619

going on at the time

775

00:35:04,910 --> 00:35:03,119

so it has to be another type of

776

00:35:08,450 --> 00:35:04,920

motivation for this person to let this

777

00:35:11,390 --> 00:35:08,460

go well you know people that

778

00:35:13,849 --> 00:35:11,400

participated in the film

779

00:35:19,609 --> 00:35:16,430

we're so scared

780

00:35:22,130 --> 00:35:19,619

just eyewitnesses okay not not

781

00:35:24,349 --> 00:35:22,140

eyewitnesses that had evidence but just

782

00:35:26,270 --> 00:35:24,359

eyewitness eyewitnesses to the event

783

00:35:27,950 --> 00:35:26,280

people that participated in one way or

784

00:35:29,450 --> 00:35:27,960

another with the capture of the

785

00:35:31,310 --> 00:35:29,460

transportation anything like that

786

00:35:34,490 --> 00:35:31,320

terrified

787

00:35:37,550 --> 00:35:34,500

I mean look at uh Eric Lopes when we

788

00:35:39,530 --> 00:35:37,560

rolled up on him at his house oh yeah

789

00:35:41,089 --> 00:35:39,540

that was a real scene there wasn't

790

00:35:44,290 --> 00:35:41,099

anything that was staged in there that

791

00:35:48,290 --> 00:35:44,300

happened as it happened and

792

00:35:51,349 --> 00:35:48,300

I said to one of the leading Brazilian

793

00:35:54,589 --> 00:35:51,359

UFO researchers just recently

794

00:35:56,390 --> 00:35:54,599

my God I think we almost got shot when

795

00:35:57,770 --> 00:35:56,400

we went to Eric lopes's place I mean

796

00:36:00,470 --> 00:35:57,780

that was no joke it's a military

797

00:36:01,790 --> 00:36:00,480

intelligence officer

798

00:36:03,109 --> 00:36:01,800

um

799

00:36:05,410 --> 00:36:03,119

he said

800

00:36:09,230 --> 00:36:05,420

to the res the researcher said back in

801  
00:36:11,810 --> 00:36:09,240  
1996 he made it certain to me as clear

802  
00:36:13,790 --> 00:36:11,820  
as day steer clear if you want to stay

803  
00:36:15,770 --> 00:36:13,800  
alive like do not even think of coming

804  
00:36:17,210 --> 00:36:15,780  
near me as as trying to get any

805  
00:36:20,030 --> 00:36:17,220  
statements out of me

806  
00:36:21,410 --> 00:36:20,040  
and this guy could so easily have just

807  
00:36:23,510 --> 00:36:21,420  
come out of the house and said you know

808  
00:36:26,329 --> 00:36:23,520  
this this whole thing is just a bunch of

809  
00:36:29,270 --> 00:36:26,339  
nonsense it's gotten way out of hand

810  
00:36:31,250 --> 00:36:29,280  
there's nothing to any of it

811  
00:36:33,530 --> 00:36:31,260  
I didn't I wasn't driving the car that

812  
00:36:35,510 --> 00:36:33,540  
night of the capture easily you could

813  
00:36:37,730 --> 00:36:35,520

just easily make a statement and be done

814

00:36:39,710 --> 00:36:37,740

with it but instead

815

00:36:41,390 --> 00:36:39,720

he says if you're here to talk about the

816

00:36:43,130 --> 00:36:41,400

ET he's not going to say anything and

817

00:36:45,770 --> 00:36:43,140

bullets are going to start flying if you

818

00:36:47,870 --> 00:36:45,780

don't get out of there yeah you know you

819

00:36:50,089 --> 00:36:47,880

have the translator uh make that pretty

820

00:36:51,910 --> 00:36:50,099

clear well it didn't actually make it

821

00:36:54,609 --> 00:36:51,920

clear in the field that was later

822

00:36:57,410 --> 00:36:54,619

is that right

823

00:36:59,329 --> 00:36:57,420

kind of we're scattering though I had no

824

00:37:00,650 --> 00:36:59,339

idea I mean it was pretty intense I mean

825

00:37:03,410 --> 00:37:00,660

one of the things that I've talked about

826

00:37:06,170 --> 00:37:03,420

on a couple of podcasts that you know

827

00:37:06,890 --> 00:37:06,180

for those of you who've seen the scene

828

00:37:11,450 --> 00:37:06,900

um

829

00:37:12,890 --> 00:37:11,460

I could see Dave Dave West or DP uh said

830

00:37:15,710 --> 00:37:12,900

he had the wrong lens he was not

831

00:37:17,210 --> 00:37:15,720

anticipating that type of encounter he

832

00:37:18,890 --> 00:37:17,220

was expecting the guy to come out and he

833

00:37:21,050 --> 00:37:18,900

could but he was up in a window looking

834

00:37:22,370 --> 00:37:21,060

down at us at a distance at a little bit

835

00:37:25,430 --> 00:37:22,380

of a distance

836

00:37:28,550 --> 00:37:25,440

but I was right across from him and I

837

00:37:31,790 --> 00:37:28,560

and I was look it was Portuguese being

838

00:37:33,589 --> 00:37:31,800

spoken quickly it was very intense I

839

00:37:36,770 --> 00:37:33,599

could feel the atmosphere the tense

840

00:37:37,849 --> 00:37:36,780

atmosphere and I looked this man in the

841

00:37:40,970 --> 00:37:37,859

eyes

842

00:37:44,930 --> 00:37:40,980

and I've never in all my years

843

00:37:47,630 --> 00:37:44,940

Seen A Face like his

844

00:37:51,170 --> 00:37:47,640

like like the

845

00:37:53,450 --> 00:37:51,180

like the eyes and the face

846

00:37:57,230 --> 00:37:53,460

had been harboring

847

00:37:59,510 --> 00:37:57,240

a deep dark secret and that had taken a

848

00:38:02,030 --> 00:37:59,520

toll on him hmm

849

00:38:03,530 --> 00:38:02,040

I've never seen it anything like it if

850

00:38:05,750 --> 00:38:03,540

you could imagine

851

00:38:08,810 --> 00:38:05,760

and look I'm just you know this guy

852

00:38:11,630 --> 00:38:08,820

might not have seen anything but I'm

853

00:38:13,990 --> 00:38:11,640

I I pretty sure he did

854

00:38:17,109 --> 00:38:14,000

but if you can imagine

855

00:38:19,730 --> 00:38:17,119

witnessing an event of that magnitude

856

00:38:20,870 --> 00:38:19,740

having one of your best friends die as a

857

00:38:22,609 --> 00:38:20,880

result of it

858

00:38:23,510 --> 00:38:22,619

in the whole world coming after you for

859

00:38:25,550 --> 00:38:23,520

answers

860

00:38:28,430 --> 00:38:25,560

the military is saying you know God

861

00:38:31,790 --> 00:38:28,440

knows what the military told him

862

00:38:35,690 --> 00:38:31,800

um imagine having to shelter that that

863

00:38:38,210 --> 00:38:35,700

secret for 26 years and imagine how that

864

00:38:40,390 --> 00:38:38,220

might affect I mean look he won't even

865

00:38:44,329 --> 00:38:40,400

give a statement

866

00:38:45,589 --> 00:38:44,339

to his very dear friend Marco trees's

867

00:38:48,650 --> 00:38:45,599

family

868

00:38:50,810 --> 00:38:48,660

okay so he lost a friend during that

869

00:38:53,150 --> 00:38:50,820

after that night

870

00:38:54,890 --> 00:38:53,160

and

871

00:38:56,569 --> 00:38:54,900

Eric Lopes

872

00:38:59,329 --> 00:38:56,579

married

873

00:39:01,730 --> 00:38:59,339

the deceased officer's sister

874

00:39:04,069 --> 00:39:01,740

okay

875

00:39:07,010 --> 00:39:04,079

when after that encounter

876

00:39:09,530 --> 00:39:07,020

we contacted

877

00:39:12,650 --> 00:39:09,540

his wife Eric loves his wife

878

00:39:14,450 --> 00:39:12,660

what is it going to take

879

00:39:15,890 --> 00:39:14,460

to get a statement

880

00:39:17,569 --> 00:39:15,900

on camera

881

00:39:20,150 --> 00:39:17,579

from Eric Lopes

882

00:39:22,370 --> 00:39:20,160

her response was you bring my brother

883

00:39:25,130 --> 00:39:22,380

back to life and he'll talk with you oh

884

00:39:26,030 --> 00:39:25,140

my god wow I swear that's what happened

885

00:39:32,089 --> 00:39:26,040

yeah

886

00:39:32,930 --> 00:39:32,099

um comes to mind uh while we're talking

887

00:39:35,450 --> 00:39:32,940

here

888

00:39:39,230 --> 00:39:35,460

you showed earlier on you showed the

889

00:39:42,589 --> 00:39:39,240

block where you know the the square of

890

00:39:44,990 --> 00:39:42,599

up and where the Witnesses were so that

891

00:39:46,370 --> 00:39:45,000

general area how far

892

00:39:49,490 --> 00:39:46,380

away

893

00:39:52,190 --> 00:39:49,500

as the crow flies would you say the

894

00:39:54,770 --> 00:39:52,200

purported crash was

895

00:39:58,550 --> 00:39:54,780

I think it was about six miles and I'm

896

00:40:00,230 --> 00:39:58,560

always confused with the uh you know I

897

00:40:03,109 --> 00:40:00,240

know I understand kilometers I used to

898

00:40:04,730 --> 00:40:03,119

live in Europe so but I but I think the

899

00:40:06,109 --> 00:40:04,740

researchers said it was roughly 10

900

00:40:09,950 --> 00:40:06,119

kilometers so I'm going to say roughly

901  
00:40:14,030 --> 00:40:09,960  
six miles six miles away now there's a a

902  
00:40:17,210 --> 00:40:14,040  
river near the alleged impact site that

903  
00:40:19,190 --> 00:40:17,220  
leads right to where the entities near

904  
00:40:21,710 --> 00:40:19,200  
where the entities were seen

905  
00:40:23,690 --> 00:40:21,720  
it's just speculation and nobody knows

906  
00:40:25,670 --> 00:40:23,700  
for sure how they got from the impact

907  
00:40:27,410 --> 00:40:25,680  
site to the river some people said maybe

908  
00:40:31,569 --> 00:40:27,420  
they had an escape pod some people said

909  
00:40:34,010 --> 00:40:31,579  
maybe they got in the river nobody knows

910  
00:40:37,250 --> 00:40:34,020  
what about six miles

911  
00:40:41,630 --> 00:40:37,260  
I see yeah as a crow flies has anyone

912  
00:40:45,230 --> 00:40:43,370  
military X

913  
00:40:46,790 --> 00:40:45,240

is the closest we got because he was

914

00:40:48,670 --> 00:40:46,800

that he was stationed at as a military

915

00:40:51,890 --> 00:40:48,680

base

916

00:40:53,510 --> 00:40:51,900

and well we had we had a couple people

917

00:40:56,810 --> 00:40:53,520

that we interviewed from as a military

918

00:40:58,670 --> 00:40:56,820

base and they they had talked about all

919

00:41:01,250 --> 00:40:58,680

this unusual activity at the time like

920

00:41:02,349 --> 00:41:01,260

an activity that's never before or since

921

00:41:06,290 --> 00:41:02,359

happened

922

00:41:07,550 --> 00:41:06,300

secrecy weird activity Americans flying

923

00:41:12,950 --> 00:41:07,560

in

924

00:41:15,650 --> 00:41:12,960

friend who was stationed who's also

925

00:41:17,089 --> 00:41:15,660

at as a military base he was involved

926

00:41:20,450 --> 00:41:17,099

with the um

927

00:41:24,770 --> 00:41:20,460

the ground operation uh the Army had for

928

00:41:26,690 --> 00:41:24,780

the uh for the crashed object

929

00:41:28,550 --> 00:41:26,700

but military X was not involved with

930

00:41:31,670 --> 00:41:28,560

that aspect he just said this is what my

931

00:41:34,970 --> 00:41:31,680

friends said that it all started at

932

00:41:37,390 --> 00:41:34,980

myolini Farm which is where Carlos De

933

00:41:41,270 --> 00:41:37,400

salza the ultralight pilot and and

934

00:41:44,390 --> 00:41:41,280

professor in Sao Paulo uh saw this

935

00:41:48,130 --> 00:41:44,400

strange cigar-shaped object crash on the

936

00:41:51,650 --> 00:41:48,140

morning of January 13 1996.

937

00:41:53,930 --> 00:41:51,660

and was that the same the same day

938

00:41:56,390 --> 00:41:53,940

that's the creatures no no the girls saw

939

00:41:59,050 --> 00:41:56,400

the creatures on the 20th wow so seven

940

00:42:02,210 --> 00:41:59,060

days went by seven days

941

00:42:06,589 --> 00:42:02,220

wow that's amazing I I didn't know that

942

00:42:07,370 --> 00:42:06,599

part of it now out after this happened

943

00:42:10,430 --> 00:42:07,380

um

944

00:42:13,370 --> 00:42:10,440

how long did it stay relevant that

945

00:42:17,210 --> 00:42:13,380

you're aware of like maybe military

946

00:42:19,130 --> 00:42:17,220

interrogations or like the buzz how long

947

00:42:20,990 --> 00:42:19,140

did the buzz last before it just kind of

948

00:42:22,310 --> 00:42:21,000

faded away do you did you look into any

949

00:42:25,250 --> 00:42:22,320

of that

950

00:42:29,030 --> 00:42:25,260

um yeah I would say probably 18 months

951  
00:42:30,650 --> 00:42:29,040  
you know the military uh we we actually

952  
00:42:32,270 --> 00:42:30,660  
have the archive

953  
00:42:37,670 --> 00:42:32,280  
press conference

954  
00:42:40,130 --> 00:42:37,680  
uh that General Lima had given as a

955  
00:42:41,750 --> 00:42:40,140  
military base I don't know if you

956  
00:42:43,310 --> 00:42:41,760  
remember that part of the film or not

957  
00:42:46,790 --> 00:42:43,320  
it's towards the end

958  
00:42:48,530 --> 00:42:46,800  
uh it's it's quite it it speaks volumes

959  
00:42:49,970 --> 00:42:48,540  
not just what he says but what he

960  
00:42:53,270 --> 00:42:49,980  
doesn't say

961  
00:42:54,770 --> 00:42:53,280  
hmm I I do remember I do remember that

962  
00:42:56,390 --> 00:42:54,780  
yes

963  
00:42:58,790 --> 00:42:56,400

um now

964

00:43:03,170 --> 00:42:58,800

as let's just talk about what's been

965

00:43:07,190 --> 00:43:03,180

happening uh since the film has come out

966

00:43:12,950 --> 00:43:07,200

uh and what's been the reaction of the

967

00:43:18,770 --> 00:43:15,069

I know

968

00:43:20,450 --> 00:43:18,780

how skeptical I was in fact I wouldn't

969

00:43:22,250 --> 00:43:20,460

even call it skeptical I would call it

970

00:43:25,190 --> 00:43:22,260

dismissive

971

00:43:28,730 --> 00:43:25,200

as someone who was making their second

972

00:43:31,430 --> 00:43:28,740

documentary on the topic of UFOs

973

00:43:33,829 --> 00:43:31,440

dismissed it so quickly

974

00:43:36,050 --> 00:43:33,839

so I know what we're up against in the

975

00:43:38,809 --> 00:43:36,060

terms of of

976

00:43:41,750 --> 00:43:38,819

um acceptance or even willingness to

977

00:43:43,730 --> 00:43:41,760

look at the the case and I say to people

978

00:43:45,890 --> 00:43:43,740

look I get it

979

00:43:47,510 --> 00:43:45,900

um but I'm asking you just you know and

980

00:43:50,930 --> 00:43:47,520

just imagine just suspend judgment and

981

00:43:52,370 --> 00:43:50,940

imagine if it did happen you know how

982

00:43:55,250 --> 00:43:52,380

significant of a story would it be but

983

00:43:58,849 --> 00:43:55,260

also uh to just listen to the eyewitness

984

00:44:00,650 --> 00:43:58,859

testimony and and uh and draw your own

985

00:44:01,329 --> 00:44:00,660

conclusions

986

00:44:03,829 --> 00:44:01,339

um

987

00:44:06,470 --> 00:44:03,839

remarkably so far

988

00:44:11,170 --> 00:44:06,480

it hasn't gotten the level of mainstream

989

00:44:15,050 --> 00:44:11,180

attention that the phenomenon got hmm

990

00:44:18,650 --> 00:44:15,060

but it's been getting some attention

991

00:44:21,530 --> 00:44:18,660

um we got we're on CNN for I don't know

992

00:44:24,349 --> 00:44:21,540

seven plus minutes the other night that

993

00:44:26,870 --> 00:44:24,359

very rather serious

994

00:44:28,790 --> 00:44:26,880

um show I did Fox News that was rather

995

00:44:31,250 --> 00:44:28,800

serious it wasn't

996

00:44:33,650 --> 00:44:31,260

um ridiculed uh we've been written up in

997

00:44:37,849 --> 00:44:33,660

a few Publications done countless uh you

998

00:44:39,770 --> 00:44:37,859

know radio and a few TV appearances

999

00:44:42,349 --> 00:44:39,780

um getting write-ups all the time it's

1000

00:44:44,809 --> 00:44:42,359

getting great reviews people just saying

1001  
00:44:47,210 --> 00:44:44,819  
look I understand like how this sounds

1002  
00:44:50,210 --> 00:44:47,220  
but but take a moment and look at this

1003  
00:44:51,470 --> 00:44:50,220  
film it's actually you know and um I

1004  
00:44:55,069 --> 00:44:51,480  
understand that there's going to because

1005  
00:44:56,270 --> 00:44:55,079  
I feel like I'm out there a little bit

1006  
00:44:58,069 --> 00:44:56,280  
um

1007  
00:45:00,290 --> 00:44:58,079  
being hung out to dry a little bit you

1008  
00:45:02,270 --> 00:45:00,300  
know you've got all the

1009  
00:45:04,730 --> 00:45:02,280  
um you know the military intelligence

1010  
00:45:07,490 --> 00:45:04,740  
people that I'm sure have a lot more

1011  
00:45:10,130 --> 00:45:07,500  
answers that could uh

1012  
00:45:11,690 --> 00:45:10,140  
they could add Credence to this case and

1013  
00:45:13,430 --> 00:45:11,700

I'm hoping that that

1014

00:45:15,050 --> 00:45:13,440

uh

1015

00:45:17,150 --> 00:45:15,060

is something that's going to occur in

1016

00:45:20,030 --> 00:45:17,160

the not so distant future I'm told that

1017

00:45:22,609 --> 00:45:20,040

it is but we'll see I would feel

1018

00:45:25,490 --> 00:45:22,619

it would be nice to have a little more

1019

00:45:26,630 --> 00:45:25,500

support and I know you know people are

1020

00:45:28,370 --> 00:45:26,640

probably scratching their heads and

1021

00:45:30,470 --> 00:45:28,380

thinking do I want to get into this

1022

00:45:32,690 --> 00:45:30,480

Arena or not and I don't blame them

1023

00:45:33,910 --> 00:45:32,700

particularly the fact that you know we

1024

00:45:37,250 --> 00:45:33,920

do

1025

00:45:39,410 --> 00:45:37,260

uh no uncertain terms point the finger

1026  
00:45:41,450 --> 00:45:39,420  
at the United States involvement here

1027  
00:45:43,609 --> 00:45:41,460  
uh yeah which is really bizarre

1028  
00:45:44,990 --> 00:45:43,619  
according to the Brazil I mean look we

1029  
00:45:46,970 --> 00:45:45,000  
had no intentions when we were in the

1030  
00:45:48,710 --> 00:45:46,980  
field we were just asking these

1031  
00:45:51,589 --> 00:45:48,720  
questions eyewitnesses were telling us

1032  
00:45:53,809 --> 00:45:51,599  
about these men that showed up and dark

1033  
00:45:56,329 --> 00:45:53,819  
spooky men in dark suits and the

1034  
00:45:58,190 --> 00:45:56,339  
intimidation and

1035  
00:45:59,450 --> 00:45:58,200  
and then the flight control guys that

1036  
00:46:01,730 --> 00:45:59,460  
were saying that that you know the

1037  
00:46:03,589 --> 00:46:01,740  
United States Air Force came in so we

1038  
00:46:06,349 --> 00:46:03,599

have like the the people on the ground

1039

00:46:09,829 --> 00:46:06,359

and the army base telling us everywhere

1040

00:46:12,650 --> 00:46:09,839

where these things went right in great

1041

00:46:14,450 --> 00:46:12,660

detail and then we have on the very day

1042

00:46:18,250 --> 00:46:14,460

that those

1043

00:46:21,890 --> 00:46:18,260

you know alleged beans arrive at espyssex

1044

00:46:23,450 --> 00:46:21,900

military base and Campinas we got the

1045

00:46:25,730 --> 00:46:23,460

flight controllers telling us that this

1046

00:46:27,290 --> 00:46:25,740

United States Air Force flight flew in

1047

00:46:28,150 --> 00:46:27,300

unauthorized from the Brazilian

1048

00:46:31,550 --> 00:46:28,160

government

1049

00:46:34,069 --> 00:46:31,560

covert mission that lands and dispatches

1050

00:46:37,930 --> 00:46:34,079

two helicopters those helicopters go to

1051  
00:46:42,050 --> 00:46:37,940  
Virginia hello okay and then come back

1052  
00:46:45,050 --> 00:46:42,060  
to espysex campina's military base

1053  
00:46:47,089 --> 00:46:45,060  
and and back to the United States you

1054  
00:46:48,890 --> 00:46:47,099  
know like boy that's quite a bit quite a

1055  
00:46:51,349 --> 00:46:48,900  
bit of a but a bit of a coincidence

1056  
00:46:53,690 --> 00:46:51,359  
don't you think yeah

1057  
00:46:57,109 --> 00:46:53,700  
wow wow now

1058  
00:46:58,250 --> 00:46:57,119  
how is this impacting in Brazil

1059  
00:47:02,510 --> 00:46:58,260  
is

1060  
00:47:04,069 --> 00:47:02,520  
film there

1061  
00:47:07,970 --> 00:47:04,079  
um it's been

1062  
00:47:11,390 --> 00:47:07,980  
uh it hasn't been it's it's the price

1063  
00:47:14,930 --> 00:47:11,400

point for uh the purchase of the film

1064

00:47:16,849 --> 00:47:14,940

which just changed today or last night

1065

00:47:18,170 --> 00:47:16,859

now it's available to rent which makes

1066

00:47:20,089 --> 00:47:18,180

it a lot more affordable the first

1067

00:47:21,650 --> 00:47:20,099

couple weeks it's a thing they do they

1068

00:47:24,890 --> 00:47:21,660

sell it only and you get the bonus

1069

00:47:28,010 --> 00:47:26,210

um now that price point has jumped down

1070

00:47:31,010 --> 00:47:28,020

but despite that

1071

00:47:34,670 --> 00:47:31,020

it has been trending as uh I think last

1072

00:47:37,190 --> 00:47:34,680

I heard was number 28 of all films on

1073

00:47:39,410 --> 00:47:37,200

the uh Apple T I guess it's apple or

1074

00:47:42,530 --> 00:47:39,420

iTunes I think in in Brazil but that was

1075

00:47:45,290 --> 00:47:42,540

a purchase price but that's gone down as

1076

00:47:47,750 --> 00:47:45,300

of today basically this morning

1077

00:47:50,390 --> 00:47:47,760

um it's been uh performing very very

1078

00:47:52,670 --> 00:47:50,400

well and there's a couple of uh very big

1079

00:47:55,910 --> 00:47:52,680

platforms that are negotiating

1080

00:47:57,109 --> 00:47:55,920

distribution in all of Brazil as of like

1081

00:48:01,790 --> 00:47:57,119

right now

1082

00:48:04,190 --> 00:48:01,800

I see now what is the most common debunk

1083

00:48:07,370 --> 00:48:04,200

no matter what case there is there's

1084

00:48:09,829 --> 00:48:07,380

debunking always and so what is the most

1085

00:48:11,450 --> 00:48:09,839

common theme of

1086

00:48:15,349 --> 00:48:11,460

um a debunker

1087

00:48:18,650 --> 00:48:15,359

so in this case what the uh what the

1088

00:48:22,370 --> 00:48:18,660

Brazilian military was trying to do was

1089

00:48:25,370 --> 00:48:22,380

to get uh the mother of the of the two

1090

00:48:27,589 --> 00:48:25,380

daughters to basically and bribe them

1091

00:48:29,210 --> 00:48:27,599

with money to and I've got their

1092

00:48:31,550 --> 00:48:29,220

testimony on camera talking about this

1093

00:48:33,349 --> 00:48:31,560

and get them to say that it was like a

1094

00:48:35,630 --> 00:48:33,359

deranged man

1095

00:48:37,490 --> 00:48:35,640

who had health issues that was kind of

1096

00:48:40,490 --> 00:48:37,500

homeless and he was curled up in this

1097

00:48:42,829 --> 00:48:40,500

weird position and in actuality was just

1098

00:48:44,089 --> 00:48:42,839

that they have a name for him he's known

1099

00:48:45,710 --> 00:48:44,099

in the town of Virginia I've actually

1100

00:48:47,809 --> 00:48:45,720

seen him

1101

00:48:49,910 --> 00:48:47,819

um and they refused to do it

1102

00:48:51,470 --> 00:48:49,920

so the military put out a statement that

1103

00:48:53,890 --> 00:48:51,480

what the girl saw was just this like

1104

00:48:56,329 --> 00:48:53,900

deranged man and and a you know

1105

00:48:57,950 --> 00:48:56,339

just absolutely absurd and all the

1106

00:49:00,829 --> 00:48:57,960

locals and anyone who had anything to do

1107

00:49:02,569 --> 00:49:00,839

with the case laughed it off but uh you

1108

00:49:05,809 --> 00:49:02,579

know people that are unfamiliar with the

1109

00:49:07,809 --> 00:49:05,819

case yeah oh it added it it muddied the

1110

00:49:11,450 --> 00:49:07,819

waters a little bit

1111

00:49:13,849 --> 00:49:11,460

that's their purpose and uh yeah uh

1112

00:49:16,490 --> 00:49:13,859

everyone also one of the things I

1113

00:49:19,309 --> 00:49:16,500

mentioned you know was the oily skin the

1114

00:49:22,490 --> 00:49:19,319

red eyes but the forked feet that's

1115

00:49:25,490 --> 00:49:22,500

another one that everyone also mentions

1116

00:49:28,069 --> 00:49:25,500

yeah so you know you can't yeah yeah so

1117

00:49:29,870 --> 00:49:28,079

it was like this now we were speculating

1118

00:49:31,430 --> 00:49:29,880

that there was another appendage that

1119

00:49:34,250 --> 00:49:31,440

was usually kind of tucked in like this

1120

00:49:35,750 --> 00:49:34,260

but when they walked it came out which

1121

00:49:37,010 --> 00:49:35,760

would

1122

00:49:39,050 --> 00:49:37,020

um because it'd be much harder to walk

1123

00:49:44,089 --> 00:49:39,060

on this than it would be on this

1124

00:49:45,589 --> 00:49:44,099

um which would explain the uh mother of

1125

00:49:47,569 --> 00:49:45,599

the two girls when she went to the site

1126

00:49:49,609 --> 00:49:47,579

right after the girls had claimed to

1127

00:49:51,829 --> 00:49:49,619

have seen this thing it had an imprint

1128

00:49:53,990 --> 00:49:51,839

in the sand there and the imprint was

1129

00:49:55,430 --> 00:49:54,000

like that she drew it on on paper but

1130

00:49:58,190 --> 00:49:55,440

she said it was clear as day like there

1131

00:50:04,450 --> 00:49:58,200

was that weird footprint

1132

00:50:09,170 --> 00:50:07,069

everyone talks about the smell and how

1133

00:50:11,690 --> 00:50:09,180

they couldn't get rid of the smell and

1134

00:50:14,329 --> 00:50:11,700

they said like you know if you've ever

1135

00:50:16,930 --> 00:50:14,339

been close to a skunk

1136

00:50:20,329 --> 00:50:16,940

like close range

1137

00:50:22,670 --> 00:50:20,339

release it's it's magic

1138

00:50:26,210 --> 00:50:22,680

um they said it was like a hundred times

1139

00:50:29,870 --> 00:50:26,220

stronger than that oh terrible

1140

00:50:32,150 --> 00:50:29,880

crazy right yeah yeah I know now I'm

1141

00:50:34,329 --> 00:50:32,160

gonna post a couple of questions in just

1142

00:50:37,370 --> 00:50:34,339

in uh three minutes here we're going off

1143

00:50:39,490 --> 00:50:37,380

kgra radio and uh if it's okay we'll go

1144

00:50:42,589 --> 00:50:39,500

a little longer okay

1145

00:50:45,530 --> 00:50:42,599

and just uh just to let the people know

1146

00:50:48,530 --> 00:50:45,540

over in kgr a radio next week's going to

1147

00:50:51,109 --> 00:50:48,540

be George Simpson on the valentech uh

1148

00:50:53,990 --> 00:50:51,119

UFO exot in Australia when I was in

1149

00:50:56,569 --> 00:50:54,000

Australia somebody let me hear that

1150

00:51:01,549 --> 00:50:56,579

um oh the tape the original

1151  
00:51:03,589 --> 00:51:01,559  
wow that was spooky man wow I would love

1152  
00:51:06,049 --> 00:51:03,599  
to hear that because he's just what you

1153  
00:51:09,290 --> 00:51:06,059  
can hear on it now right now is uh I

1154  
00:51:11,390 --> 00:51:09,300  
heard it I heard it I heard it yeah no

1155  
00:51:13,190 --> 00:51:11,400  
no I heard it and it was very spooky

1156  
00:51:14,630 --> 00:51:13,200  
because he's describing this object it's

1157  
00:51:16,250 --> 00:51:14,640  
not an aircraft it's not an aircraft

1158  
00:51:17,990 --> 00:51:16,260  
it's getting closer it's getting closer

1159  
00:51:20,210 --> 00:51:18,000  
and then you hear this like metallic

1160  
00:51:23,450 --> 00:51:20,220  
sound and then

1161  
00:51:26,270 --> 00:51:23,460  
gone that's it yeah yeah it's a that's

1162  
00:51:28,970 --> 00:51:26,280  
another really compelling case so here's

1163  
00:51:32,230 --> 00:51:28,980

a question in the chat uh Dr Richard how

1164

00:51:38,390 --> 00:51:35,630

explanation oh it was it's an absolute

1165

00:51:40,130 --> 00:51:38,400

complete and utter joke I mean the

1166

00:51:42,470 --> 00:51:40,140

Witnesses are like I'm not even going to

1167

00:51:44,750 --> 00:51:42,480

answer that that's just absurd

1168

00:51:45,589 --> 00:51:44,760

yeah so I don't even know what does that

1169

00:51:48,710 --> 00:51:45,599

mean

1170

00:51:51,650 --> 00:51:48,720

the medino medino is the little Demi

1171

00:51:52,329 --> 00:51:51,660

small kind of slightly

1172

00:51:56,030 --> 00:51:52,339

um

1173

00:51:57,950 --> 00:51:56,040

disfigured he's he's got uh he's got a

1174

00:52:00,770 --> 00:51:57,960

physical handicap and he's just kind of

1175

00:52:01,910 --> 00:52:00,780

small and kind of slightly disfigured

1176

00:52:05,870 --> 00:52:01,920

and

1177

00:52:09,170 --> 00:52:05,880

I've seen him he was pointed out to me

1178

00:52:11,930 --> 00:52:10,609

um you know here's here's a question

1179

00:52:14,270 --> 00:52:11,940

someone wanted to know if you would ever

1180

00:52:16,130 --> 00:52:14,280

make a documentary on the Socorro UFO

1181

00:52:19,569 --> 00:52:16,140

incident but I guess what I'd like to

1182

00:52:25,609 --> 00:52:22,670

and the phenomena yeah but have you have

1183

00:52:27,349 --> 00:52:25,619

do you have something else uh planned

1184

00:52:30,650 --> 00:52:27,359

that's something I have to ask you do

1185

00:52:32,930 --> 00:52:30,660

you have a after this one is there I

1186

00:52:35,410 --> 00:52:32,940

mean you never sit still

1187

00:52:39,049 --> 00:52:35,420

so still now

1188

00:52:41,690 --> 00:52:39,059

I know so do you have something else yes

1189

00:52:44,329 --> 00:52:41,700

I I want to um

1190

00:52:49,549 --> 00:52:44,339

I I want to go after the evidence

1191

00:52:51,170 --> 00:52:49,559

you know I I I had the uh distinct

1192

00:52:53,390 --> 00:52:51,180

um

1193

00:52:55,730 --> 00:52:53,400

honor of

1194

00:52:59,930 --> 00:52:55,740

being able to thank you George Knapp

1195

00:53:04,089 --> 00:52:59,940

interview the late Senator uh Harry Reid

1196

00:53:07,270 --> 00:53:04,099

Perry yeah and when he

1197

00:53:11,210 --> 00:53:07,280

said what he said to me on camera

1198

00:53:13,490 --> 00:53:11,220

regarding the evidence that has

1199

00:53:15,349 --> 00:53:13,500

been revealed to the General Public

1200

00:53:17,930 --> 00:53:15,359

being just the tip of the iceberg it's

1201

00:53:20,030 --> 00:53:17,940

what we kind of all suspected and I'd

1202

00:53:22,250 --> 00:53:20,040

met with a number of military Witnesses

1203

00:53:24,890 --> 00:53:22,260

and civilians too primarily military

1204

00:53:27,710 --> 00:53:24,900

that had handed over very compelling

1205

00:53:29,390 --> 00:53:27,720

evidence of the phenomenon

1206

00:53:31,250 --> 00:53:29,400

and to some unknown government agency

1207

00:53:33,410 --> 00:53:31,260

only to be whisked off and disappeared

1208

00:53:35,150 --> 00:53:33,420

in some Vault somewhere so when he said

1209

00:53:37,430 --> 00:53:35,160

you know look what's been released is

1210

00:53:39,710 --> 00:53:37,440

only the tip of the iceberg

1211

00:53:42,230 --> 00:53:39,720

it makes you want to dig a little deeper

1212

00:53:44,329 --> 00:53:42,240

and then of course when I did this story

1213

00:53:46,010 --> 00:53:44,339

and found out the Americans involvement

1214

00:53:47,690 --> 00:53:46,020

found out the Americans came and took

1215

00:53:50,150 --> 00:53:47,700

the bodies according to all the military

1216

00:53:51,589 --> 00:53:50,160

witnesses that we spoke to James I have

1217

00:53:54,109 --> 00:53:51,599

to do this real quickly we're going off

1218

00:53:55,609 --> 00:53:54,119

kgra radio thank you everyone we'll be

1219

00:53:58,370 --> 00:53:55,619

back next week and go ahead continue

1220

00:54:01,849 --> 00:53:58,380

please okay sorry about that

1221

00:54:04,010 --> 00:54:01,859

um I decided that I I wanted to um

1222

00:54:05,450 --> 00:54:04,020

uh I I want to go after it I want to

1223

00:54:06,650 --> 00:54:05,460

start asking questions I want to walk

1224

00:54:08,990 --> 00:54:06,660

the halls of Congress I want to talk

1225

00:54:11,530 --> 00:54:09,000

people part of the task force I want to

1226

00:54:15,370 --> 00:54:11,540

know where these this evidence is

1227

00:54:17,870 --> 00:54:15,380

and who has the authority to release it

1228

00:54:20,390 --> 00:54:17,880

I would like to know that too because it

1229

00:54:22,430 --> 00:54:20,400

exists we know it's somewhere and

1230

00:54:26,089 --> 00:54:22,440

whether it's

1231

00:54:29,630 --> 00:54:26,099

from oversight

1232

00:54:32,089 --> 00:54:29,640

somehow through you know a private

1233

00:54:34,490 --> 00:54:32,099

entity or something I mean it just seems

1234

00:54:37,010 --> 00:54:34,500

like I mean there's you can go on and on

1235

00:54:38,750 --> 00:54:37,020

how could you do so many cases yeah well

1236

00:54:41,390 --> 00:54:38,760

how can you know it's there like Senator

1237

00:54:44,270 --> 00:54:41,400

Reid and not know where it is so you

1238

00:54:46,490 --> 00:54:44,280

know in other words it has to exist

1239

00:54:48,710 --> 00:54:46,500

because he's talking about it

1240

00:54:51,589 --> 00:54:48,720

he knows it's there and it can't be real

1241

00:54:54,049 --> 00:54:51,599

he's like who can release this stuff

1242

00:54:56,750 --> 00:54:54,059

that's the million dollar question where

1243

00:54:58,790 --> 00:54:56,760

is it and who can release it enough of

1244

00:55:01,549 --> 00:54:58,800

these blurry videos like let's put that

1245

00:55:04,069 --> 00:55:01,559

to rest once and for all

1246

00:55:04,790 --> 00:55:04,079

and and

1247

00:55:06,890 --> 00:55:04,800

um

1248

00:55:08,630 --> 00:55:06,900

hang on just a minute uh question just

1249

00:55:11,089 --> 00:55:08,640

came up here

1250

00:55:13,910 --> 00:55:11,099

um through my text I get uh this is from

1251

00:55:14,829 --> 00:55:13,920

my buddy Dean alioto

1252

00:55:17,809 --> 00:55:14,839

um

1253

00:55:19,190 --> 00:55:17,819

yeah Dean he just text me what do you

1254

00:55:21,530 --> 00:55:19,200

think this is his question where do you

1255

00:55:26,270 --> 00:55:21,540

think the effect on Humanity be would be

1256

00:55:28,670 --> 00:55:26,280

if they were shown such hidden evidence

1257

00:55:33,609 --> 00:55:28,680

the evidence you're talking about well I

1258

00:55:37,370 --> 00:55:36,230

we've already had disclosure with a

1259

00:55:38,770 --> 00:55:37,380

small d

1260

00:55:41,089 --> 00:55:38,780

right

1261

00:55:44,210 --> 00:55:41,099

so it's kind of

1262

00:55:46,190 --> 00:55:44,220

it's kind of unfolding as as we as we

1263

00:55:49,309 --> 00:55:46,200

sit and talk

1264

00:55:51,230 --> 00:55:49,319

um however I think if it was confirmed

1265

00:55:53,089 --> 00:55:51,240

on a global level

1266

00:55:56,450 --> 00:55:53,099

uh with it would have to be in

1267

00:55:57,049 --> 00:55:56,460

cooperation with you know governments

1268

00:55:59,690 --> 00:55:57,059

um

1269

00:56:03,530 --> 00:55:59,700

I I've said this before I've been I'll

1270

00:56:07,370 --> 00:56:03,540

say it again I I'm a firm believer that

1271

00:56:11,750 --> 00:56:07,380

it would have a very unifying effect on

1272

00:56:13,970 --> 00:56:11,760

uh on Humanity that it would

1273

00:56:16,490 --> 00:56:13,980

um kind of force us to see ourselves or

1274

00:56:19,309 --> 00:56:16,500

who we really are and that is uh one

1275

00:56:21,170 --> 00:56:19,319

people one one species One race one

1276

00:56:22,069 --> 00:56:21,180

planet

1277

00:56:25,490 --> 00:56:22,079

um

1278

00:56:28,250 --> 00:56:25,500

and uh I long for that that that

1279

00:56:32,510 --> 00:56:28,260

Revelation that that impact but I'm but

1280

00:56:35,630 --> 00:56:32,520

I'm convinced that it it that it would

1281

00:56:37,370 --> 00:56:35,640

um have that effect on us so

1282

00:56:39,049 --> 00:56:37,380

um you know some people say look or you

1283

00:56:41,150 --> 00:56:39,059

know organized religions would crumble

1284

00:56:43,849 --> 00:56:41,160

and the financial markets I don't think

1285

00:56:45,410 --> 00:56:43,859

so I don't necessarily believe that I

1286

00:56:47,870 --> 00:56:45,420

mean like maybe they know something

1287

00:56:49,670 --> 00:56:47,880

that's truly horrifying that

1288

00:56:52,130 --> 00:56:49,680

that rightfully so they feel they need

1289

00:56:53,990 --> 00:56:52,140

to keep from us but even if it's scary I

1290

00:56:55,309 --> 00:56:54,000

still think that we should know

1291

00:56:58,490 --> 00:56:55,319

it's part of the bigger picture it's

1292

00:57:00,349 --> 00:56:58,500

part of who we are and um

1293

00:57:01,490 --> 00:57:00,359

you know look

1294

00:57:03,589 --> 00:57:01,500

um

1295

00:57:05,030 --> 00:57:03,599

Dr Edgar Mitchell said to me you know we

1296

00:57:06,250 --> 00:57:05,040

still have to take out the garbage and

1297

00:57:08,890 --> 00:57:06,260

yeah

1298

00:57:11,870 --> 00:57:08,900

and I agree with that and I think

1299

00:57:14,530 --> 00:57:11,880

personally I think that um you know

1300

00:57:18,109 --> 00:57:14,540

we're such an ephemeral Society anyway

1301

00:57:19,730 --> 00:57:18,119

like oh that's amazing news and oh my

1302

00:57:22,730 --> 00:57:19,740

God and a month later we'd all be doing

1303

00:57:24,410 --> 00:57:22,740

uh looking at our iPhones and and you

1304

00:57:27,530 --> 00:57:24,420

know I think we would just kind of move

1305

00:57:29,930 --> 00:57:27,540

on just knowing unless you know we knew

1306

00:57:33,410 --> 00:57:29,940

something that they were we're uh we're

1307

00:57:37,309 --> 00:57:33,420

on the menu I had a guy in a parking lot

1308

00:57:40,309 --> 00:57:37,319

just recently this is so bad

1309

00:57:44,049 --> 00:57:40,319

looking at his phone walking

1310

00:57:49,670 --> 00:57:47,390

oh my God you're walking through a

1311

00:57:51,410 --> 00:57:49,680

crowded parking lot with cars and you're

1312

00:57:55,010 --> 00:57:51,420

staring at your phone what are you doing

1313

00:57:59,710 --> 00:57:55,020

yeah okay see that all the time oh my

1314

00:58:01,849 --> 00:57:59,720

God what is going on I know guys yeah

1315

00:58:04,609 --> 00:58:01,859

could you imagine walking across a

1316

00:58:07,849 --> 00:58:04,619

crosswalk I have seen it you know when

1317

00:58:11,569 --> 00:58:07,859

way back I'm talking about over 10 years

1318

00:58:13,069 --> 00:58:11,579

ago I was on a bus at Logan Airport and

1319

00:58:15,109 --> 00:58:13,079

a woman walked right across the street

1320

00:58:16,490 --> 00:58:15,119

looking at her phone and the bus had to

1321

00:58:18,650 --> 00:58:16,500

slam on the brakes

1322

00:58:19,910 --> 00:58:18,660

you know so that that's going way back

1323

00:58:22,510 --> 00:58:19,920

before

1324

00:58:28,190 --> 00:58:25,490

uh so again I'm going to try to put up

1325

00:58:30,049 --> 00:58:28,200

some of these questions yes um did

1326

00:58:31,730 --> 00:58:30,059

Ray wanted to know did they take a skin

1327

00:58:33,309 --> 00:58:31,740

graft do we what do we know that they

1328

00:58:37,609 --> 00:58:33,319

did in the hospital do we know anything

1329

00:58:38,690 --> 00:58:37,619

well from what the doctor told me

1330

00:58:40,430 --> 00:58:38,700

um I should have asked those those

1331

00:58:41,870 --> 00:58:40,440

specific questions that's a good

1332

00:58:44,270 --> 00:58:41,880

question

1333

00:58:50,329 --> 00:58:47,750

and I mentioned in the movie

1334

00:58:52,730 --> 00:58:50,339

there was an unknown substance eight

1335

00:58:55,549 --> 00:58:52,740

percent I don't know I'm sure it was if

1336

00:58:57,289 --> 00:58:55,559

it was a bacteria or what it was it's in

1337

00:58:59,150 --> 00:58:57,299

the autopsy report there was something

1338

00:59:00,710 --> 00:58:59,160

unknown to the doctors they couldn't

1339

00:59:03,470 --> 00:59:00,720

recognize

1340

00:59:06,890 --> 00:59:03,480

that they believe

1341

00:59:09,530 --> 00:59:06,900

caused Marco trees's immune system to

1342

00:59:11,150 --> 00:59:09,540

systematically shut down and that the

1343

00:59:13,549 --> 00:59:11,160

antibiotics

1344

00:59:14,930 --> 00:59:13,559

that they were giving him to treat this

1345

00:59:18,650 --> 00:59:14,940

General infection

1346

00:59:21,890 --> 00:59:18,660

was powerless and wow yeah

1347

00:59:23,690 --> 00:59:21,900

yeah that's that's a shame so this kind

1348

00:59:25,250 --> 00:59:23,700

of goes along with what you've uh were

1349

00:59:27,349 --> 00:59:25,260

talking about earlier did you look up

1350

00:59:28,970 --> 00:59:27,359

anyone in the U.S to see if it was

1351  
00:59:30,890 --> 00:59:28,980  
brought here so that was just basically

1352  
00:59:32,630 --> 00:59:30,900  
a rumor

1353  
00:59:35,030 --> 00:59:32,640  
um you didn't there's no real

1354  
00:59:38,650 --> 00:59:35,040  
confirmation that zeros were brought

1355  
00:59:40,849 --> 00:59:38,660  
yeah zero up here

1356  
00:59:42,410 --> 00:59:40,859  
nothing in America but I haven't stuck

1357  
00:59:45,710 --> 00:59:42,420  
my teeth into this one yet

1358  
00:59:47,870 --> 00:59:45,720  
yeah well it's such a strange thing that

1359  
00:59:49,609 --> 00:59:47,880  
pardon me that we would show up there

1360  
00:59:52,309 --> 00:59:49,619  
the U.S would show up there to begin

1361  
00:59:55,010 --> 00:59:52,319  
with and you know I mean it it's so

1362  
00:59:58,250 --> 00:59:55,020  
bizarre to hear that we would

1363  
01:00:00,710 --> 00:59:58,260

go to a different country yeah well

1364

01:00:05,270 --> 01:00:00,720

something like this you know what I tell

1365

01:00:08,690 --> 01:00:05,280

you pretty much every single case

1366

01:00:11,990 --> 01:00:08,700

that I have personally investigated

1367

01:00:15,650 --> 01:00:12,000

dating back to the 50s

1368

01:00:17,690 --> 01:00:15,660

I have either Witnesses on camera or

1369

01:00:20,750 --> 01:00:17,700

that have told me personally

1370

01:00:24,650 --> 01:00:20,760

that there was an unknown U.S government

1371

01:00:28,549 --> 01:00:24,660

agency a man in a suit plane closed

1372

01:00:31,210 --> 01:00:28,559

they're trying to either sanitize you

1373

01:00:33,849 --> 01:00:31,220

know take the evidence

1374

01:00:35,809 --> 01:00:33,859

influence the witnesses

1375

01:00:38,210 --> 01:00:35,819

uh

1376

01:00:39,530 --> 01:00:38,220

you know both military and civilian I

1377

01:00:40,990 --> 01:00:39,540

mean I could go on until tomorrow

1378

01:00:44,990 --> 01:00:41,000

morning but

1379

01:00:48,289 --> 01:00:45,000

when I came to Brazil

1380

01:00:50,569 --> 01:00:48,299

and when the mother of those two young

1381

01:00:54,470 --> 01:00:50,579

women uh

1382

01:00:58,490 --> 01:00:54,480

was coerced and and tried to be

1383

01:00:59,809 --> 01:00:58,500

manipulated and um bribed

1384

01:01:01,849 --> 01:00:59,819

um by

1385

01:01:03,170 --> 01:01:01,859

um she called them foreigners she was

1386

01:01:05,030 --> 01:01:03,180

pretty convinced that two of them were

1387

01:01:07,910 --> 01:01:05,040

from the United States but they were

1388

01:01:09,470 --> 01:01:07,920

quiet with clipboards uh

1389

01:01:11,030 --> 01:01:09,480

I don't know I felt compelled that I

1390

01:01:12,829 --> 01:01:11,040

could no longer ignore this aspect of

1391

01:01:15,650 --> 01:01:12,839

the phenomenon that there truly is some

1392

01:01:17,390 --> 01:01:15,660

unknown I know it's like such a buzzword

1393

01:01:19,309 --> 01:01:17,400

right you go oh Men In Black you know

1394

01:01:22,789 --> 01:01:19,319

it's like you just want to just go oh

1395

01:01:26,870 --> 01:01:22,799

God not this but I I felt compelled to

1396

01:01:30,589 --> 01:01:26,880

no longer ignore and to actually include

1397

01:01:33,289 --> 01:01:30,599

um the testimony like I said I I've got

1398

01:01:35,210 --> 01:01:33,299

testimony dating back to the 50s of

1399

01:01:37,370 --> 01:01:35,220

people talking about this this unknown

1400

01:01:40,970 --> 01:01:37,380

government agency that's

1401

01:01:43,730 --> 01:01:40,980

um just uh harassing basically harassing

1402

01:01:45,650 --> 01:01:43,740

trying to influence them trying to you

1403

01:01:46,730 --> 01:01:45,660

know take any photographic evidence they

1404

01:01:48,670 --> 01:01:46,740

may have

1405

01:01:51,589 --> 01:01:48,680

digging through their homes

1406

01:01:53,270 --> 01:01:51,599

intimidation that kind of thing the only

1407

01:01:56,410 --> 01:01:53,280

thing I think it could sound like a

1408

01:01:59,510 --> 01:01:56,420

branch of is the CIA you know I mean

1409

01:02:01,130 --> 01:01:59,520

what other group government group would

1410

01:02:03,410 --> 01:02:01,140

be involved in something like this well

1411

01:02:07,190 --> 01:02:03,420

they've got a they've got a

1412

01:02:07,930 --> 01:02:07,200

an uncanny ability to

1413

01:02:12,530 --> 01:02:07,940

um

1414

01:02:14,210 --> 01:02:12,540

monitor all these cases because you know

1415

01:02:18,170 --> 01:02:14,220

I I could tell you an example when I

1416

01:02:21,230 --> 01:02:18,180

interviewed parvi Safari on 2007.

1417

01:02:23,510 --> 01:02:21,240

he was the Iranian pilot that had this

1418

01:02:26,589 --> 01:02:23,520

dramatic encounter with the UFO tried to

1419

01:02:31,970 --> 01:02:26,599

shoot at it in 1970-73

1420

01:02:34,309 --> 01:02:31,980

76 yeah overtake and um

1421

01:02:36,470 --> 01:02:34,319

he said that the very next morning they

1422

01:02:39,109 --> 01:02:36,480

were deep in the debrief there was a a

1423

01:02:41,750 --> 01:02:39,119

man from the United States there asking

1424

01:02:46,089 --> 01:02:41,760

questions and you know when I was

1425

01:02:50,150 --> 01:02:46,099

interviewing uh General William debrauer

1426

01:02:53,329 --> 01:02:50,160

Wilfred Wilfred debrauer yeah I think it

1427

01:02:55,730 --> 01:02:53,339

was uh late 80s early 90s that flap over

1428

01:02:58,190 --> 01:02:55,740

Belgium the big triangular shape you

1429

01:03:00,530 --> 01:02:58,200

know yeah scrambled Jets yada yada

1430

01:03:02,630 --> 01:03:00,540

and Wilford debrauer said that there

1431

01:03:05,329 --> 01:03:02,640

were two men in suits from the U.S some

1432

01:03:08,329 --> 01:03:05,339

unknown government agency and they were

1433

01:03:10,549 --> 01:03:08,339

um they were asking for the videotic the

1434

01:03:12,289 --> 01:03:10,559

cockpit recordings of of these jets that

1435

01:03:14,510 --> 01:03:12,299

were scrambled to intercept

1436

01:03:16,130 --> 01:03:14,520

and Wilfred Dubrow said sure I can make

1437

01:03:18,289 --> 01:03:16,140

copies of those for you but I need an

1438

01:03:19,190 --> 01:03:18,299

official request and they refuse to do

1439

01:03:20,089 --> 01:03:19,200

that because then there'd be a paper

1440

01:03:22,930 --> 01:03:20,099

trail

1441

01:03:26,329 --> 01:03:22,940

and you know you talk to um

1442

01:03:28,130 --> 01:03:26,339

uh uh Deputy base commander Colonel

1443

01:03:31,789 --> 01:03:28,140

Charles halt regarding the the bent

1444

01:03:33,589 --> 01:03:31,799

Waters UFO incident December 1980 and he

1445

01:03:35,809 --> 01:03:33,599

said that men from an unknown government

1446

01:03:37,849 --> 01:03:35,819

agency showed up and

1447

01:03:42,349 --> 01:03:37,859

um basically took over subjected his

1448

01:03:45,109 --> 01:03:42,359

Witnesses his men to uh sodium pentathol

1449

01:03:46,910 --> 01:03:45,119

I guess it is the serum as well as like

1450

01:03:49,370 --> 01:03:46,920

you know just obfuscated whatever

1451

01:03:50,809 --> 01:03:49,380

evidence there was on the base he didn't

1452

01:03:55,210 --> 01:03:50,819

know where they were from they flew in

1453

01:04:01,490 --> 01:03:58,910

think about the the Princeton

1454

01:04:03,710 --> 01:04:01,500

um you know the Tic Tac with the plain

1455

01:04:06,349 --> 01:04:03,720

clothes you know it wasn't a suit but

1456

01:04:09,349 --> 01:04:06,359

still plain clothes two people show up

1457

01:04:11,870 --> 01:04:09,359

and take the data bricks you know the

1458

01:04:13,670 --> 01:04:11,880

release to them and they show up on an

1459

01:04:17,930 --> 01:04:13,680

aircraft carrier not the Princeton the

1460

01:04:20,450 --> 01:04:17,940

uh Nimitz and I mean that's so bizarre

1461

01:04:24,410 --> 01:04:20,460

and it's you know you can go back on

1462

01:04:27,049 --> 01:04:24,420

through time in all kinds of cases and

1463

01:04:29,569 --> 01:04:27,059

someone shows up mysteriously and like

1464

01:04:32,210 --> 01:04:29,579

you said very quickly after

1465

01:04:35,450 --> 01:04:32,220

yeah there was uh the the McMinnville

1466

01:04:40,130 --> 01:04:35,460

Oregon case yeah with Paul and Evelyn

1467

01:04:42,829 --> 01:04:40,140

Trent there was the 1965 Santa Ana Rex

1468

01:04:44,870 --> 01:04:42,839

Heflin with the Polaroids he had

1469

01:04:45,710 --> 01:04:44,880

government agencies showing up harassing

1470

01:04:47,510 --> 01:04:45,720

him

1471

01:04:49,849 --> 01:04:47,520

she took his photographic evidence it

1472

01:04:54,609 --> 01:04:49,859

was returned to him before he died 20

1473

01:04:59,990 --> 01:04:57,710

yes it's in her safe yeah but she's

1474

01:05:02,930 --> 01:05:00,000

deceased yeah but her daughter has it I

1475

01:05:05,809 --> 01:05:02,940

talked to her good good God I loved her

1476

01:05:07,010 --> 01:05:05,819

we did a brilliant interview with her

1477

01:05:08,510 --> 01:05:07,020

on camera

1478

01:05:10,670 --> 01:05:08,520

which at some point I should release

1479

01:05:12,230 --> 01:05:10,680

that with her holding those amazing

1480

01:05:14,870 --> 01:05:12,240

Polaroids I got to hold those in my hand

1481

01:05:18,109 --> 01:05:14,880

but in any case Evelyn Trent in 1950

1482

01:05:19,970 --> 01:05:18,119

McMinnville Oregon she had this guy show

1483

01:05:22,309 --> 01:05:19,980

up in a suit from an unknown government

1484

01:05:24,530 --> 01:05:22,319

agency and ransacked her whole house

1485

01:05:26,569 --> 01:05:24,540

where I know there's negatives here what

1486

01:05:29,210 --> 01:05:26,579

else you got there's more photographs

1487

01:05:31,549 --> 01:05:29,220

this kind of thing and just left her

1488

01:05:34,490 --> 01:05:31,559

house just totally trashed and and

1489

01:05:37,490 --> 01:05:34,500

amazing yeah and yeah it just goes on

1490

01:05:39,530 --> 01:05:37,500

and on and on so you know and it's not

1491

01:05:42,230 --> 01:05:39,540

like a it's not like Project Blue Book I

1492

01:05:44,270 --> 01:05:42,240

mean there are some cases where you know

1493

01:05:47,690 --> 01:05:44,280

someone showed up from there shortly

1494

01:05:50,329 --> 01:05:47,700

after quickly after but uh an incident

1495

01:05:52,309 --> 01:05:50,339

but it's not like uh they're letting

1496

01:05:55,910 --> 01:05:52,319

themselves be known who they are

1497

01:05:58,490 --> 01:05:55,920

well you know it reminds me of the 1964

1498

01:06:00,230 --> 01:05:58,500

Socorro New Mexico case with officer

1499

01:06:01,789 --> 01:06:00,240

Lonnie Zamora somebody had just

1500

01:06:05,089 --> 01:06:01,799

mentioned it earlier on the show right

1501

01:06:09,349 --> 01:06:05,099

and uh I have a tape recording of

1502

01:06:11,089 --> 01:06:09,359

Officer Zamora talking about uh you know

1503

01:06:12,890 --> 01:06:11,099

the Military Officers and the FBI were

1504

01:06:14,690 --> 01:06:12,900

on the scene like lickety-split I mean

1505

01:06:16,789 --> 01:06:14,700

within under an hour I mean the the

1506

01:06:19,190 --> 01:06:16,799

bushes were still smoldering Footprints

1507

01:06:21,309 --> 01:06:19,200

from the creatures all that stuff and he

1508

01:06:24,829 --> 01:06:21,319

said that they took him in

1509

01:06:28,490 --> 01:06:24,839

to a room and basically interrogated him

1510

01:06:31,010 --> 01:06:28,500

for hours hours okay

1511

01:06:33,650 --> 01:06:31,020

they had a book of photographic evidence

1512

01:06:36,410 --> 01:06:33,660

on other similar cases in in and around

1513

01:06:38,329 --> 01:06:36,420

the area yeah and uh basically told them

1514

01:06:40,069 --> 01:06:38,339

don't talk about it and the aspect they

1515

01:06:42,349 --> 01:06:40,079

did that they really didn't want to talk

1516

01:06:45,049 --> 01:06:42,359

about him talking about was the Close

1517

01:06:47,210 --> 01:06:45,059

Encounter of the Third Kind was the fact

1518

01:06:49,309 --> 01:06:47,220

that he claims to have sung to have seen

1519

01:06:52,370 --> 01:06:49,319

entities associated with that landed

1520

01:06:54,230 --> 01:06:52,380

craft which he described as a white egg

1521

01:06:56,270 --> 01:06:54,240

which kind of reminds you of a Tic Tac a

1522

01:06:59,630 --> 01:06:56,280

little bit but he describes it as an egg

1523

01:07:02,809 --> 01:06:59,640

and um but that was one aspect that

1524

01:07:04,670 --> 01:07:02,819

according to officer Zamora that the

1525

01:07:06,829 --> 01:07:04,680

military just absolutely did not want

1526

01:07:09,589 --> 01:07:06,839

him to go into because it's much more

1527

01:07:12,829 --> 01:07:09,599

difficult to explain beans on the ground

1528

01:07:15,770 --> 01:07:12,839

than it is an unknown object in the sky

1529

01:07:18,349 --> 01:07:15,780

I interviewed this guy and I came upon

1530

01:07:19,910 --> 01:07:18,359

Him randomly I remember his first name

1531

01:07:22,970 --> 01:07:19,920

was George and I'd have to look it up

1532

01:07:27,010 --> 01:07:22,980

but he as a child

1533

01:07:30,950 --> 01:07:27,020

back in the uh late 50s I think it was

1534

01:07:33,829 --> 01:07:30,960

uh had quite a UFO sighting and he wrote

1535

01:07:36,109 --> 01:07:33,839

a letter to the Air Force and sent it to

1536

01:07:38,630 --> 01:07:36,119

them his mother let him do it

1537

01:07:42,049 --> 01:07:38,640

and these two guys

1538

01:07:47,089 --> 01:07:42,059

show up uh one in uniform one not in

1539

01:07:49,670 --> 01:07:47,099

uniform uh he later identified as Rupal

1540

01:07:52,730 --> 01:07:49,680

um and so they showed up at his house

1541

01:07:54,950 --> 01:07:52,740

and yeah Rupal from from uh yeah from

1542

01:07:56,049 --> 01:07:54,960

Project Blue Book yeah so they show up

1543

01:07:58,069 --> 01:07:56,059

at his house

1544

01:08:00,650 --> 01:07:58,079

to his room

1545

01:08:02,210 --> 01:08:00,660

into a room talking to him about you

1546

01:08:05,270 --> 01:08:02,220

know exactly what he saw and all this

1547

01:08:07,430 --> 01:08:05,280

and they brought in a photo album and

1548

01:08:09,529 --> 01:08:07,440

showed him pictures and was saying did

1549

01:08:11,329 --> 01:08:09,539

it look like this did it look like this

1550

01:08:13,849 --> 01:08:11,339

and he was here looking at these

1551

01:08:16,249 --> 01:08:13,859

different UFOs and then they kind of

1552

01:08:18,229 --> 01:08:16,259

really interrogated this little kid nine

1553

01:08:20,510 --> 01:08:18,239

years old or something like that it's

1554

01:08:22,430 --> 01:08:20,520

quite a story but you know

1555

01:08:24,890 --> 01:08:22,440

I mean for someone to write a letter and

1556

01:08:28,130 --> 01:08:24,900

someone would show up is well you know

1557

01:08:29,510 --> 01:08:28,140

what's really funny is that I uh got to

1558

01:08:33,050 --> 01:08:29,520

go through

1559

01:08:33,970 --> 01:08:33,060

uh Lonnie zamoras with the um

1560

01:08:37,370 --> 01:08:33,980

um

1561

01:08:40,450 --> 01:08:37,380

his wife Mary agreed uh he was had

1562

01:08:43,430 --> 01:08:40,460

unfortunately uh died in

1563

01:08:45,829 --> 01:08:43,440

2008 I think it was

1564

01:08:49,130 --> 01:08:45,839

um and Mary died his wife died I think

1565

01:08:50,990 --> 01:08:49,140

last year or maybe 2020. covet

1566

01:08:52,729 --> 01:08:51,000

unfortunately she got she got she got

1567

01:08:53,689 --> 01:08:52,739

covered yeah

1568

01:08:56,329 --> 01:08:53,699

um

1569

01:09:01,209 --> 01:08:56,339

bless her heart she let me go through

1570

01:09:07,309 --> 01:09:05,329

material from you know 50 plus years I

1571

01:09:09,470 --> 01:09:07,319

guess from that case wow and he had all

1572

01:09:10,849 --> 01:09:09,480

these letters and I scanned as much as I

1573

01:09:13,309 --> 01:09:10,859

could

1574

01:09:15,829 --> 01:09:13,319

um with her blessing and there was one

1575

01:09:17,570 --> 01:09:15,839

in particular and it was a guy had a

1576

01:09:21,950 --> 01:09:17,580

rather

1577

01:09:23,030 --> 01:09:21,960

one-off name it was something Secret

1578

01:09:26,749 --> 01:09:23,040

anyway

1579

01:09:28,729 --> 01:09:26,759

I just it was clearly a guy I mean a

1580

01:09:31,430 --> 01:09:28,739

young lad that might have been like you

1581

01:09:33,169 --> 01:09:31,440

know seven or eight nine years old who

1582

01:09:36,010 --> 01:09:33,179

writes this letter dear Lonnie you know

1583

01:09:38,570 --> 01:09:36,020

a friend of mine's got these you know

1584

01:09:41,450 --> 01:09:38,580

photographs of something similar to what

1585

01:09:43,550 --> 01:09:41,460

you saw we live over here love to hear

1586

01:09:46,669 --> 01:09:43,560

back from you very curious to what you

1587

01:09:48,229 --> 01:09:46,679

saw and I thought you know this I looked

1588

01:09:50,410 --> 01:09:48,239

at the guy and

1589

01:09:53,209 --> 01:09:50,420

and I found him on Facebook

1590

01:09:55,010 --> 01:09:53,219

50 years later and I I'm amazing

1591

01:09:57,950 --> 01:09:55,020

photographed it I said did you write

1592

01:10:00,830 --> 01:09:57,960

this letter and he said oh my God that's

1593

01:10:04,250 --> 01:10:00,840

me I I can't believe that he said Lonnie

1594

01:10:07,070 --> 01:10:04,260

never wrote me back wow well I found the

1595

01:10:10,669 --> 01:10:07,080

letter at Lonnie's home and uh

1596

01:10:13,250 --> 01:10:10,679

you know I just thought I would uh

1597

01:10:18,350 --> 01:10:15,290

and I think the letter is actually in

1598

01:10:21,470 --> 01:10:18,360

the movie yeah something Seacrest anyway

1599

01:10:23,870 --> 01:10:21,480

yeah isn't that funny well I gotta say

1600

01:10:26,030 --> 01:10:23,880

James you live the life you know you

1601  
01:10:28,189 --> 01:10:26,040  
live the life I would love to live and

1602  
01:10:30,530 --> 01:10:28,199  
and go to these places and talk to these

1603  
01:10:33,350 --> 01:10:30,540  
people and actually you know get this

1604  
01:10:35,570 --> 01:10:33,360  
great stuff and I do have to say my two

1605  
01:10:37,130 --> 01:10:35,580  
favorite movies when I first started

1606  
01:10:39,229 --> 01:10:37,140  
looking into this I've told you this

1607  
01:10:41,810 --> 01:10:39,239  
before was out of the blue and I know

1608  
01:10:43,490 --> 01:10:41,820  
what I saw those are absolutely my

1609  
01:10:46,310 --> 01:10:43,500  
favorite movies when I started looking

1610  
01:10:48,530 --> 01:10:46,320  
into the subject and they still oh they

1611  
01:10:50,570 --> 01:10:48,540  
still hold up thank you you know I

1612  
01:10:52,490 --> 01:10:50,580  
actually watched

1613  
01:10:54,350 --> 01:10:52,500

out of the blue the director's cut

1614

01:10:56,270 --> 01:10:54,360

because I spent another couple years on

1615

01:10:58,250 --> 01:10:56,280

on that film after we finished it and

1616

01:11:01,430 --> 01:10:58,260

sold it to NBC Universal

1617

01:11:04,669 --> 01:11:01,440

I did a lot of work to it wow I mean

1618

01:11:08,870 --> 01:11:04,679

almost made it a new film but uh and I

1619

01:11:13,850 --> 01:11:11,090

maybe seven or eight years ago

1620

01:11:16,790 --> 01:11:13,860

and I thought oh God am I ready for this

1621

01:11:19,490 --> 01:11:16,800

you know but honestly I was shocked at

1622

01:11:23,090 --> 01:11:19,500

how well it I am how much I enjoyed it

1623

01:11:24,649 --> 01:11:23,100

yeah oh it's great and I I suggest to

1624

01:11:27,649 --> 01:11:24,659

any of the listeners out there if you

1625

01:11:29,810 --> 01:11:27,659

haven't watched this it's it's one to

1626  
01:11:31,490 --> 01:11:29,820  
watch it's a great I mean I don't know I

1627  
01:11:32,510 --> 01:11:31,500  
I thought that I know what I saw was a

1628  
01:11:35,090 --> 01:11:32,520  
little better but a lot of people don't

1629  
01:11:37,250 --> 01:11:35,100  
feel that way so I don't know yeah well

1630  
01:11:38,990 --> 01:11:37,260  
they both deserve a look at if you ask

1631  
01:11:40,490 --> 01:11:39,000  
me I mean you can tell the difference

1632  
01:11:42,169 --> 01:11:40,500  
between me

1633  
01:11:45,890 --> 01:11:42,179  
and out of the blue and I know what I

1634  
01:11:49,490 --> 01:11:45,900  
saw and me in moment of contact

1635  
01:11:55,790 --> 01:11:51,709  
probably the better yeah 20 years 20

1636  
01:11:58,310 --> 01:11:55,800  
years on me I had no gray hair I had a

1637  
01:12:01,149 --> 01:11:58,320  
beautiful like you know young youthful

1638  
01:12:07,790 --> 01:12:04,610

well uh well I think your aging really

1639

01:12:09,410 --> 01:12:07,800

well myself but oh no hey I'm not

1640

01:12:12,470 --> 01:12:09,420

complaining at all I'm just it's just

1641

01:12:14,270 --> 01:12:12,480

funny you know it's funny yourself over

1642

01:12:16,490 --> 01:12:14,280

the decades you know especially when

1643

01:12:18,950 --> 01:12:16,500

it's documented like that you know yeah

1644

01:12:21,890 --> 01:12:18,960

that's right so getting back to the case

1645

01:12:25,310 --> 01:12:21,900

here I'm gonna pop up some questions

1646

01:12:27,110 --> 01:12:25,320

um the uh Virginia oh now Ray wanted to

1647

01:12:28,430 --> 01:12:27,120

know why didn't I know you probably

1648

01:12:30,890 --> 01:12:28,440

don't have an answer for this but why

1649

01:12:33,470 --> 01:12:30,900

didn't the x-ray technician ever get the

1650

01:12:34,790 --> 01:12:33,480

substance tested after people left his

1651

01:12:37,310 --> 01:12:34,800

room

1652

01:12:40,010 --> 01:12:37,320

had you ever spoken to the x-ray

1653

01:12:42,890 --> 01:12:40,020

technician I can't remember yeah he went

1654

01:12:44,030 --> 01:12:42,900

on on camera but had you know from the

1655

01:12:46,910 --> 01:12:44,040

back and he had to have his voice

1656

01:12:50,330 --> 01:12:46,920

disguised he was terrified

1657

01:12:52,910 --> 01:12:50,340

and I think Marco layout spent

1658

01:12:56,209 --> 01:12:52,920

seven or eight years

1659

01:12:59,149 --> 01:12:56,219

uh uh convincing him to finally coming

1660

01:13:00,350 --> 01:12:59,159

forward and then doing so look we didn't

1661

01:13:01,490 --> 01:13:00,360

have an option it was like You Know

1662

01:13:02,930 --> 01:13:01,500

You're Gonna Fill Me from the back and

1663

01:13:03,830 --> 01:13:02,940

disguise my voice or I'm not coming in

1664

01:13:05,149 --> 01:13:03,840

this film

1665

01:13:09,590 --> 01:13:05,159

that's it

1666

01:13:11,209 --> 01:13:09,600

he said that the military arrived at the

1667

01:13:16,729 --> 01:13:11,219

hospital

1668

01:13:19,790 --> 01:13:16,739

big military scene trucks Jeeps police

1669

01:13:21,350 --> 01:13:19,800

everybody armed and they wasn't a lot of

1670

01:13:24,110 --> 01:13:21,360

talking this is what you're going to do

1671

01:13:26,149 --> 01:13:24,120

they put this thing in a body bag on the

1672

01:13:27,709 --> 01:13:26,159

table you're going to take these x-rays

1673

01:13:30,890 --> 01:13:27,719

you're not going to look at these x-rays

1674

01:13:33,649 --> 01:13:30,900

you can't you can't even verify that the

1675

01:13:35,930 --> 01:13:33,659

x-rays came out hmm

1676  
01:13:38,510 --> 01:13:35,940  
and he said that smell of that thing was

1677  
01:13:40,430 --> 01:13:38,520  
the so bad they had to close that

1678  
01:13:42,709 --> 01:13:40,440  
section of the hospital off for several

1679  
01:13:46,430 --> 01:13:42,719  
days while they disinfected it and

1680  
01:13:48,830 --> 01:13:46,440  
lingered in his sinuses and and uh I

1681  
01:13:51,830 --> 01:13:48,840  
don't know you know it was in a body bag

1682  
01:13:52,910 --> 01:13:51,840  
so you know he like I said he couldn't I

1683  
01:13:53,990 --> 01:13:52,920  
don't think there was anything to

1684  
01:13:56,930 --> 01:13:54,000  
analyze

1685  
01:13:58,490 --> 01:13:56,940  
they didn't have access to any of it

1686  
01:13:59,750 --> 01:13:58,500  
wouldn't have been cool if he would have

1687  
01:14:01,910 --> 01:13:59,760  
made a couple extra copies and didn't

1688  
01:14:05,630 --> 01:14:01,920

tell them

1689

01:14:09,729 --> 01:14:05,640

yeah no it's it's it seems like you know

1690

01:14:13,850 --> 01:14:09,739

if this video ever comes out I mean

1691

01:14:16,130 --> 01:14:13,860

that and it's considered authentic in

1692

01:14:18,649 --> 01:14:16,140

every which way I mean that seems like a

1693

01:14:20,630 --> 01:14:18,659

game changer for everything I think so

1694

01:14:23,030 --> 01:14:20,640

you know I mean ultimately I would love

1695

01:14:24,950 --> 01:14:23,040

to see it come out in an official

1696

01:14:27,350 --> 01:14:24,960

capacity I mean I'd love the Brazilian

1697

01:14:30,169 --> 01:14:27,360

military to say you know what it's been

1698

01:14:34,729 --> 01:14:30,179

26 years the vast majority of us leaders

1699

01:14:37,370 --> 01:14:34,739

at the time olympio and and Lima uh

1700

01:14:39,890 --> 01:14:37,380

since retired we're

1701

01:14:41,630 --> 01:14:39,900

um in our Twilight years and uh we're

1702

01:14:43,970 --> 01:14:41,640

gonna go ahead and and release it now

1703

01:14:45,290 --> 01:14:43,980

that would be the most legitimate way

1704

01:14:48,110 --> 01:14:45,300

obviously if it's going to have to be

1705

01:14:49,850 --> 01:14:48,120

done anonymously then of course there's

1706

01:14:51,229 --> 01:14:49,860

going to be a lot of people that aren't

1707

01:14:54,709 --> 01:14:51,239

going to believe it and I don't blame

1708

01:14:57,169 --> 01:14:54,719

them yeah um so you know uh we're doing

1709

01:14:59,689 --> 01:14:57,179

the best we can

1710

01:15:01,910 --> 01:14:59,699

um if anybody thinks that uh it's not an

1711

01:15:04,550 --> 01:15:01,920

all hands on deck situation I beg you

1712

01:15:06,110 --> 01:15:04,560

guys to think again if anybody thinks

1713

01:15:07,490 --> 01:15:06,120

that there's anybody out there that

1714

01:15:09,830 --> 01:15:07,500

wants to get their hands on this more

1715

01:15:11,930 --> 01:15:09,840

than me then I I ask you to reconsider

1716

01:15:15,050 --> 01:15:11,940

that as well

1717

01:15:17,270 --> 01:15:15,060

uh you know every time someone creates a

1718

01:15:19,250 --> 01:15:17,280

film of any kind like you have here

1719

01:15:22,189 --> 01:15:19,260

there seems like

1720

01:15:24,229 --> 01:15:22,199

um seems like they get contacted by

1721

01:15:26,330 --> 01:15:24,239

Witnesses has that happened

1722

01:15:28,130 --> 01:15:26,340

like all of a sudden have have new

1723

01:15:31,490 --> 01:15:28,140

Witnesses come forward or anything like

1724

01:15:33,729 --> 01:15:31,500

that or new stories from people too that

1725

01:15:37,370 --> 01:15:33,739

may have been involved too too

1726

01:15:41,330 --> 01:15:37,380

that's just getting started yeah this is

1727

01:15:44,330 --> 01:15:41,340

not Blaze its way across Brazil yet in

1728

01:15:45,350 --> 01:15:44,340

fact the film is just getting out there

1729

01:15:47,450 --> 01:15:45,360

now

1730

01:15:49,970 --> 01:15:47,460

I mean it's going to be a while I mean

1731

01:15:52,010 --> 01:15:49,980

it's only been like what two weeks if

1732

01:15:54,530 --> 01:15:52,020

that yeah probably two weeks

1733

01:15:56,810 --> 01:15:54,540

so there's another premieres that are

1734

01:15:59,270 --> 01:15:56,820

happening in Virginia I think on the

1735

01:16:01,189 --> 01:15:59,280

heck what's the date today

1736

01:16:05,209 --> 01:16:01,199

uh today's the first

1737

01:16:07,130 --> 01:16:05,219

so I think on the eighth there's going

1738

01:16:09,770 --> 01:16:07,140

to be two premieres in the town of

1739

01:16:11,030 --> 01:16:09,780

Virginia with the mayor and wow a whole

1740

01:16:13,130 --> 01:16:11,040

bunch of people it's going to be a kind

1741

01:16:14,149 --> 01:16:13,140

of a big deal the Press is going to be

1742

01:16:16,250 --> 01:16:14,159

there

1743

01:16:18,669 --> 01:16:16,260

um so look this is just getting out

1744

01:16:21,850 --> 01:16:18,679

there I'm

1745

01:16:23,750 --> 01:16:21,860

extremely confident that additional

1746

01:16:25,669 --> 01:16:23,760

eyewitnesses this is what we were hoping

1747

01:16:28,490 --> 01:16:25,679

this film would do its job is to trigger

1748

01:16:31,430 --> 01:16:28,500

further uh you know military to come

1749

01:16:33,770 --> 01:16:31,440

forward encourage further possible uh

1750

01:16:35,990 --> 01:16:33,780

you know United States cooperation for

1751

01:16:38,090 --> 01:16:36,000

them to come for somebody on that side

1752

01:16:40,850 --> 01:16:38,100

to come forward and I'm I'm confident

1753

01:16:45,050 --> 01:16:40,860

that that will it always does happen

1754

01:16:47,810 --> 01:16:45,060

it always does it does and

1755

01:16:51,470 --> 01:16:47,820

um you mentioned earlier that people

1756

01:16:54,229 --> 01:16:51,480

seem to be very cautious and not really

1757

01:16:55,970 --> 01:16:54,239

every person you said was hard to talk

1758

01:16:58,310 --> 01:16:55,980

to about oh did not want to talk about

1759

01:17:01,930 --> 01:16:58,320

almost impossible and is that because of

1760

01:17:04,729 --> 01:17:01,940

intimidation yeah they were terrified

1761

01:17:06,530 --> 01:17:04,739

every single Witness

1762

01:17:08,209 --> 01:17:06,540

and they weren't like I didn't have

1763

01:17:09,410 --> 01:17:08,219

anyone sit there and say to me oh if you

1764

01:17:11,810 --> 01:17:09,420

do this I'm going to shoot you and your

1765

01:17:13,850 --> 01:17:11,820

family that's not what they said

1766

01:17:17,630 --> 01:17:13,860

you know it was like the consequences

1767

01:17:20,570 --> 01:17:17,640

will be very severe do not you know when

1768

01:17:23,330 --> 01:17:20,580

we were in Virginia we had either just

1769

01:17:24,770 --> 01:17:23,340

met with some military guys or we are

1770

01:17:27,890 --> 01:17:24,780

about to meet with them

1771

01:17:29,030 --> 01:17:27,900

and the military base as a started

1772

01:17:32,630 --> 01:17:29,040

calling around

1773

01:17:35,510 --> 01:17:32,640

to the witnesses hey how you doing

1774

01:17:37,810 --> 01:17:35,520

still living over at uh this address oh

1775

01:17:41,330 --> 01:17:37,820

good good good how's the family

1776

01:17:45,050 --> 01:17:41,340

Jesus hey um there's an American

1777

01:17:46,310 --> 01:17:45,060

documentary film crew here now did they

1778

01:17:47,810 --> 01:17:46,320

reach out to you

1779

01:17:49,910 --> 01:17:47,820

have you met with them did you hear

1780

01:17:53,630 --> 01:17:49,920

anything about them kind of thing

1781

01:17:56,570 --> 01:17:53,640

yeah so still ongoing 26 years later

1782

01:17:58,370 --> 01:17:56,580

that was that was spooky yeah that is

1783

01:18:00,290 --> 01:17:58,380

that was spooky to them and it was

1784

01:18:03,050 --> 01:18:00,300

spooky to us because we'd just gotten

1785

01:18:04,490 --> 01:18:03,060

you know threatened at gun you know we

1786

01:18:06,110 --> 01:18:04,500

didn't pull the Gunner out in our face

1787

01:18:07,490 --> 01:18:06,120

but like bullets are going to start

1788

01:18:09,950 --> 01:18:07,500

flying basically if you don't get the

1789

01:18:11,930 --> 01:18:09,960

hell out of here and I asked you know

1790

01:18:13,970 --> 01:18:11,940

people also because people kind of

1791

01:18:15,830 --> 01:18:13,980

criticize like oh you went to the guy's

1792

01:18:19,250 --> 01:18:15,840

house what did you expect I'm like well

1793

01:18:23,149 --> 01:18:19,260

you know every other option had been

1794

01:18:24,649 --> 01:18:23,159

exhausted for 26 years

1795

01:18:27,530 --> 01:18:24,659

so with the help

1796

01:18:30,470 --> 01:18:27,540

of the mayor the current mayor of

1797

01:18:32,050 --> 01:18:30,480

Virginia we located this Witness

1798

01:18:34,370 --> 01:18:32,060

and went to his house

1799

01:18:36,709 --> 01:18:34,380

there was no other option it was either

1800

01:18:38,450 --> 01:18:36,719

that or don't even bother trying so

1801

01:18:40,550 --> 01:18:38,460

naturally

1802

01:18:43,250 --> 01:18:40,560

you know I'm gonna go out there and try

1803

01:18:46,010 --> 01:18:43,260

and we did would you have if you could

1804

01:18:49,189 --> 01:18:46,020

do that whole thing over again would you

1805

01:18:51,709 --> 01:18:49,199

have sent one person or something like

1806

01:18:53,410 --> 01:18:51,719

that that's who that door that had been

1807

01:18:55,910 --> 01:18:53,420

done a thousand times

1808

01:18:58,850 --> 01:18:55,920

the family had done that a thousand

1809

01:19:00,950 --> 01:18:58,860

times yeah the sister had done that a

1810

01:19:02,750 --> 01:19:00,960

thousand times

1811

01:19:04,610 --> 01:19:02,760

well you know that that kind of says

1812

01:19:07,189 --> 01:19:04,620

volumes for

1813

01:19:09,830 --> 01:19:07,199

and I think that I possibly went over

1814

01:19:14,149 --> 01:19:11,810

um and I had I not been with a Brazilian

1815

01:19:16,070 --> 01:19:14,159

you know counterparts particularly that

1816

01:19:18,770 --> 01:19:16,080

guy that we were with homelo who's quite

1817

01:19:21,590 --> 01:19:18,780

famous in Brazil in Virginia he might

1818

01:19:24,050 --> 01:19:21,600

have just shot me on the spot you know

1819

01:19:26,209 --> 01:19:24,060

yeah and well that that speaks to that

1820

01:19:28,490 --> 01:19:26,219

he is really scared you know that's

1821

01:19:30,709 --> 01:19:28,500

that's what that's about there's there's

1822

01:19:32,330 --> 01:19:30,719

no other no other uh reason he would act

1823

01:19:35,570 --> 01:19:32,340

like that

1824

01:19:39,290 --> 01:19:38,030

um let's see uh regarding the crash I

1825

01:19:40,550 --> 01:19:39,300

know I'm just going to go through these

1826

01:19:42,770 --> 01:19:40,560

questions and then we can wrap it up

1827

01:19:45,770 --> 01:19:42,780

basically here but I'm gonna go read to

1828

01:19:47,570 --> 01:19:45,780

my son I'm going to read it okay yeah

1829

01:19:50,229 --> 01:19:47,580

we're ready to wrap up here in just a

1830

01:19:53,450 --> 01:19:50,239

minute but uh so remember every night

1831

01:19:57,229 --> 01:19:53,460

that's awesome yeah Ollie hey Ollie

1832

01:19:59,870 --> 01:19:57,239

hello a little Ollie yeah uh all right

1833

01:20:03,290 --> 01:19:59,880

great kid so what was the evidence for a

1834

01:20:07,130 --> 01:20:03,300

crashed ship was debris ever seen now

1835

01:20:09,250 --> 01:20:07,140

did your witness actually see you saw a

1836

01:20:12,110 --> 01:20:09,260

crash

1837

01:20:14,450 --> 01:20:12,120

yes he held the debris in his hands he

1838

01:20:16,430 --> 01:20:14,460

did oh yeah and it crumpled it up and

1839

01:20:18,530 --> 01:20:16,440

just like Roswell it yeah and we've

1840

01:20:24,410 --> 01:20:18,540

talked to the we also funny actually

1841

01:20:28,010 --> 01:20:24,420

because we interviewed in 2013 the farm

1842

01:20:30,649 --> 01:20:28,020

hand at myolini Farm and he talked about

1843

01:20:34,250 --> 01:20:30,659

the neighbors reporting the big

1844

01:20:36,169 --> 01:20:34,260

boom like a big impact like they heard

1845

01:20:38,209 --> 01:20:36,179

it correct because it crashed at like

1846

01:20:42,590 --> 01:20:38,219

five o'clock in the morning

1847

01:20:44,390 --> 01:20:42,600

so it was dusk hmm and uh or Dawn I'm so

1848

01:20:45,530 --> 01:20:44,400

sorry Dawn and

1849

01:20:49,669 --> 01:20:45,540

um

1850

01:20:51,290 --> 01:20:49,679

scene they knew it was coming down they

1851  
01:20:54,890 --> 01:20:51,300  
were on the scene within five minutes

1852  
01:20:56,330 --> 01:20:54,900  
and Carlos de Souza the ultralight pilot

1853  
01:20:59,930 --> 01:20:56,340  
and professor

1854  
01:21:02,330 --> 01:20:59,940  
had watched it crash and drove up to the

1855  
01:21:03,649 --> 01:21:02,340  
debris Fields never once in a million

1856  
01:21:05,510 --> 01:21:03,659  
years did he think it was an alien

1857  
01:21:07,070 --> 01:21:05,520  
spaceship you thought it was maybe some

1858  
01:21:09,229 --> 01:21:07,080  
prototype something sure I didn't know

1859  
01:21:10,550 --> 01:21:09,239  
what it was but the smell and then the

1860  
01:21:12,950 --> 01:21:10,560  
nature of the debris and then of course

1861  
01:21:14,689 --> 01:21:12,960  
the military pointing guns at him and

1862  
01:21:17,030 --> 01:21:14,699  
ordering him to leave and then the Men

1863  
01:21:19,310 --> 01:21:17,040

in Black that came to visit him and all

1864

01:21:20,630 --> 01:21:19,320

that stuff he's like Jesus they are

1865

01:21:22,970 --> 01:21:20,640

really going out of their way to cover

1866

01:21:24,530 --> 01:21:22,980

this up yeah that's what I see and then

1867

01:21:27,770 --> 01:21:24,540

other reports started coming out of the

1868

01:21:30,709 --> 01:21:27,780

beans and that's okay that's that was a

1869

01:21:34,250 --> 01:21:30,719

vehicle from another another whatever

1870

01:21:37,130 --> 01:21:34,260

somewhere else yeah uh James as always

1871

01:21:38,209 --> 01:21:37,140

it's been a complete pleasure to speak

1872

01:21:40,550 --> 01:21:38,219

with you

1873

01:21:42,590 --> 01:21:40,560

Oh Martin it's always a pleasure to

1874

01:21:46,550 --> 01:21:42,600

speak with you too and it sounds like I

1875

01:21:49,430 --> 01:21:46,560

might see you in New Mexico in March

1876

01:21:51,590 --> 01:21:49,440

maybe I definitely would consider that

1877

01:21:53,570 --> 01:21:51,600

okay it would be great to do some type

1878

01:21:55,370 --> 01:21:53,580

of show or something there too I always

1879

01:21:58,970 --> 01:21:55,380

like to have that so I can write it off

1880

01:22:01,790 --> 01:21:58,980

you know for taxes awesome well it's

1881

01:22:03,709 --> 01:22:01,800

such a pleasure and and uh and and oh I

1882

01:22:05,930 --> 01:22:03,719

ask your audience one thing if you don't

1883

01:22:07,430 --> 01:22:05,940

mind I know some people might consider

1884

01:22:10,490 --> 01:22:07,440

it a bit of a pain in the neck it's

1885

01:22:14,810 --> 01:22:10,500

extremely helpful to me to us is to rate

1886

01:22:16,669 --> 01:22:14,820

the film on iTunes or Amazon if you rent

1887

01:22:19,430 --> 01:22:16,679

it it's very helpful to rate it for us

1888

01:22:22,010 --> 01:22:19,440

if you rent it rent it the cheapest

1889

01:22:24,890 --> 01:22:22,020

place is Amazon if you buy it get it

1890

01:22:26,930 --> 01:22:24,900

from I think Vimeo or iTunes because you

1891

01:22:28,010 --> 01:22:26,940

get like two hours of bonus material at

1892

01:22:30,169 --> 01:22:28,020

the same price

1893

01:22:32,270 --> 01:22:30,179

well if you read it go to Amazon if you

1894

01:22:35,090 --> 01:22:32,280

buy it do it at iTunes and if you could

1895

01:22:37,370 --> 01:22:35,100

rate rate the film on Amazon iTunes that

1896

01:22:40,189 --> 01:22:37,380

would be tremendously helpful with the

1897

01:22:42,470 --> 01:22:40,199

algorithms and and and uh greatly

1898

01:22:44,689 --> 01:22:42,480

appreciated excellent all right James

1899

01:22:46,790 --> 01:22:44,699

you take care and uh we'll talk to you

1900

01:22:49,310 --> 01:22:46,800

soon thanks so much Martin bye all right

1901

01:22:51,050 --> 01:22:49,320

yeah bye all right everyone don't forget

1902

01:22:54,229 --> 01:22:51,060

we'll be back next week with George

1903

01:22:57,229 --> 01:22:54,239

Simpson talking about the valentech uh

1904

01:22:58,710 --> 01:22:57,239

Australian case and remember to keep

1905

01:23:07,250 --> 01:22:58,720

your eyes to the sky
