behind the scenes of UFO cover-up live

4  
00:00:41,869 --> 00:00:39,600  
part 2 by Charles Lear in last week's

5  
00:00:43,970 --> 00:00:41,879  
blog we introduced two people Richard

6  
00:00:46,069 --> 00:00:43,980  
Dodie's self-professed Air Force office

7  
00:00:48,830 --> 00:00:46,079  
of special investigations disinformation

8  
00:00:51,290 --> 00:00:48,840  
agent and William Moore a UFO researcher

9  
00:00:53,150 --> 00:00:51,300  
and co-author of the 1980 book the

10  
00:00:55,130 --> 00:00:53,160  
Roswell incident who had a profound

11  
00:00:57,830 --> 00:00:55,140  
influence on the UFO narrative in the

12  
00:01:01,549 --> 00:00:57,840  
1980s that culminated in a television

13  
00:01:04,369 --> 00:01:01,559

presentation UFO cover-up live what was

14

00:01:06,710 --> 00:01:04,379

discussed scripted on the show was the

15

00:01:08,929 --> 00:01:06,720

now familiar Narrative of Gray's flying

16

00:01:11,149 --> 00:01:08,939

saucers government recovery of Crash

17

00:01:13,550 --> 00:01:11,159

debris in alien bodies and subsequent

18

00:01:15,410 --> 00:01:13,560

cover-up more indotive since come

19

00:01:16,490 --> 00:01:15,420

forward as having been Partners in what

20

00:01:18,469 --> 00:01:16,500

they claimed was a government

21

00:01:21,289 --> 00:01:18,479

disinformation program targeting

22

00:01:23,690 --> 00:01:21,299

ufologists we closed with the hypothesis

23

00:01:25,370 --> 00:01:23,700

that Dodie was acting on his own and

24

00:01:27,230 --> 00:01:25,380

that more played along because he had a

25

00:01:29,270 --> 00:01:27,240

need to believe and stood to make some

26

00:01:31,010 --> 00:01:29,280

money from the inside information that

27

00:01:32,929 --> 00:01:31,020

Dodie was feeding him and his fellow

28

00:01:35,090 --> 00:01:32,939

researchers this week we'll look at

29

00:01:37,850 --> 00:01:35,100

evidence to support that hypothesis

30

00:01:39,590 --> 00:01:37,860

because Dodie has never confessed acting

31

00:01:41,990 --> 00:01:39,600

on his own when he spread disinformation

32

00:01:44,149 --> 00:01:42,000

throughout the UFO community and the Air

33

00:01:46,249 --> 00:01:44,159

Force has never confirmed nor denied

34

00:01:47,510 --> 00:01:46,259

that he was acting on orders the

35

00:01:50,149 --> 00:01:47,520

following should be looked at as

36

00:01:52,190 --> 00:01:50,159

speculation or a thought experiment to

37

00:01:54,830 --> 00:01:52,200

begin we need to explore the backgrounds

38

00:01:57,109 --> 00:01:54,840

of Dodie and more more had a history of

39

00:01:59,630 --> 00:01:57,119

promoting fantastic stories based on

40

00:02:01,910 --> 00:01:59,640

questionable anecdotal evidence and one

41

00:02:04,069 --> 00:02:01,920

in particular based on a tale told by a

42

00:02:06,230 --> 00:02:04,079

man who later confessed he made the

43

00:02:09,290 --> 00:02:06,240

story up before the Roswell incident

44

00:02:12,050 --> 00:02:09,300

Moore and Berlitz co-authored the 1979

45

00:02:14,990 --> 00:02:12,060

book The Philadelphia Experiment more is

46

00:02:17,150 --> 00:02:15,000

listed before Berlitz in the byline the

47

00:02:19,190 --> 00:02:17,160

story is that there was an experiment in

48

00:02:21,949 --> 00:02:19,200

Philadelphia Waters the Delaware River

49

00:02:23,510 --> 00:02:21,959

where U.S. Navy ship was instantly

50

00:02:25,970 --> 00:02:23,520

transported from in stock in

51  
00:02:28,670 --> 00:02:25,980  
Philadelphia to a dock in the Norfolk

52  
00:02:30,470 --> 00:02:28,680  
Newport News Portsmouth area the story

53  
00:02:33,410 --> 00:02:30,480  
comes from a letter presented in the

54  
00:02:36,490 --> 00:02:33,420  
book with the date given As Days Later

55  
00:02:39,890 --> 00:02:36,500  
after a previous letter dated January 13

56  
00:02:43,130 --> 00:02:39,900  
1956 the letters are from Carl Allen

57  
00:02:45,410 --> 00:02:43,140  
also known as Carlos alende to Morris K

58  
00:02:47,509 --> 00:02:45,420  
Jessup and are the Genesis of the story

59  
00:02:50,150 --> 00:02:47,519  
that more in berlitz support with

60  
00:02:52,070 --> 00:02:50,160  
anecdotal and circumstantial evidence I

61  
00:02:53,690 --> 00:02:52,080  
went Allende walked into the

62  
00:02:56,690 --> 00:02:53,700  
headquarters of the aerial phenomena

63  
00:02:58,430 --> 00:02:56,700

research organization in 1969 and

64

00:03:01,210 --> 00:02:58,440

confessed that the letters were a hoax

65

00:03:04,729 --> 00:03:01,220

and this was reported in the July August

66

00:03:06,890 --> 00:03:04,739

1969 apro Borden there's mention of this

67

00:03:09,309 --> 00:03:06,900

in chapter 6 of the book where it is

68

00:03:12,050 --> 00:03:09,319

described as a so-called confession

69

00:03:13,729 --> 00:03:12,060

Dodie's background can be examined by

70

00:03:16,009 --> 00:03:13,739

looking at his U.S Air Force service

71

00:03:18,530 --> 00:03:16,019

records and New Mexico State Police

72

00:03:20,390 --> 00:03:18,540

personnel file his Air Force Duty

73

00:03:22,009 --> 00:03:20,400

history shows he worked in law

74

00:03:24,530 --> 00:03:22,019

enforcement for his entire military

75

00:03:27,530 --> 00:03:24,540

career and spent his final year as a

76  
00:03:29,869 --> 00:03:27,540  
Food Services specialist this seems like

77  
00:03:31,850 --> 00:03:29,879  
an odd assignment for a CIA trained

78  
00:03:34,970 --> 00:03:31,860  
disinformation agent with highly

79  
00:03:36,710 --> 00:03:34,980  
classified information about UFOs his

80  
00:03:39,350 --> 00:03:36,720  
personnel file from his time with the

81  
00:03:41,050 --> 00:03:39,360  
state police shows nothing unusual and

82  
00:03:43,850 --> 00:03:41,060  
includes a reprimand for an accident

83  
00:03:46,610 --> 00:03:43,860  
involving a department vehicle and two

84  
00:03:48,530 --> 00:03:46,620  
notices of suspensions without pay one

85  
00:03:50,750 --> 00:03:48,540  
in two days respectively for the

86  
00:03:52,789 --> 00:03:50,760  
accident mentioned in the reprimand and

87  
00:03:54,890 --> 00:03:52,799  
an additional accident Dodie doesn't

88  
00:03:57,110 --> 00:03:54,900

seem to have received any preferential

89

00:03:59,089 --> 00:03:57,120

treatment from the Department one thing

90

00:04:02,449 --> 00:03:59,099

to consider about Dodie's claim of being

91

00:04:04,190 --> 00:04:02,459

a CIA trained afosi disinformation agent

92

00:04:06,949 --> 00:04:04,200

is that a person in such a position

93

00:04:09,050 --> 00:04:06,959

would be compromising such a program or

94

00:04:11,149 --> 00:04:09,060

future similar efforts and would be

95

00:04:13,190 --> 00:04:11,159

likely breaking a secrecy Oath by

96

00:04:15,530 --> 00:04:13,200

revealing their covert activities in a

97

00:04:17,509 --> 00:04:15,540

public forum the reader is now invited

98

00:04:19,610 --> 00:04:17,519

to consider the following events from

99

00:04:22,009 --> 00:04:19,620

the perspective that Dodie was acting on

100

00:04:24,469 --> 00:04:22,019

his own and feeding more information he

101  
00:04:26,689 --> 00:04:24,479  
invented and that more was less than

102  
00:04:29,090 --> 00:04:26,699  
diligent in his research and possibly

103  
00:04:32,210 --> 00:04:29,100  
culpable in promoting a hoax that put

104  
00:04:35,510 --> 00:04:32,220  
private UFO Research into a tailspin at

105  
00:04:37,850 --> 00:04:35,520  
the 2009 mufon Symposium Brad Sparks and

106  
00:04:40,370 --> 00:04:37,860  
Barry Greenwood presented a paper titled

107  
00:04:43,189 --> 00:04:40,380  
the secret Pratt tapes and the origins

108  
00:04:45,650 --> 00:04:43,199  
of mj-12 the paper begins with the

109  
00:04:47,990 --> 00:04:45,660  
information that Robert Pratt a reporter

110  
00:04:50,030 --> 00:04:48,000  
author and former mufon journal editor

111  
00:04:52,430 --> 00:04:50,040  
recorded phone conversations with more

112  
00:04:54,110 --> 00:04:52,440  
without telling him they were working on

113  
00:04:56,629 --> 00:04:54,120

a book that would reveal information

114

00:04:58,969 --> 00:04:56,639

more was getting from Dodie Pratt

115

00:05:01,010 --> 00:04:58,979

suggested it be fictionalized and more

116

00:05:03,650 --> 00:05:01,020

begrudgingly went along with that idea

117

00:05:06,230 --> 00:05:03,660

their work on the book fizzled out by

118

00:05:08,150 --> 00:05:06,240

1984 and nothing from it was published

119

00:05:10,550 --> 00:05:08,160

they were discussing Moore's recent

120

00:05:12,710 --> 00:05:10,560

meetings with Dodie Sparks in Greenwood

121

00:05:15,110 --> 00:05:12,720

describe more being in contact with the

122

00:05:18,110 --> 00:05:15,120

mysterious Air Force Colonel codenamed

123

00:05:21,350 --> 00:05:18,120

Falcon and that Dodie codenamed Sparrow

124

00:05:23,810 --> 00:05:21,360

was acting as the middleman according to

125

00:05:26,330 --> 00:05:23,820

Sparks Moore told him he was passing to

126

00:05:28,550 --> 00:05:26,340

Dodie every scrap of information he and

127

00:05:31,249 --> 00:05:28,560

his fellow Roswell investigator nuclear

128

00:05:33,590 --> 00:05:31,259

physicist Stanton T Friedman collected

129

00:05:36,770 --> 00:05:33,600

on their Roswell investigations and on

130

00:05:39,590 --> 00:05:36,780

UFO research and ufologists the readers

131

00:05:42,590 --> 00:05:39,600

told that evidently Dodie the colonel

132

00:05:44,930 --> 00:05:42,600

and the afosi set up a feedback loop

133

00:05:47,090 --> 00:05:44,940

where they gave forged documents to more

134

00:05:49,310 --> 00:05:47,100

that supported the information Moore

135

00:05:51,469 --> 00:05:49,320

gave to Dodie what was being developed

136

00:05:53,510 --> 00:05:51,479

in this Loop was the story that the

137

00:05:55,850 --> 00:05:53,520

government had recovered crash saucers

138

00:05:58,490 --> 00:05:55,860

live and dead aliens and that there was

139

00:06:00,230 --> 00:05:58,500

a secret group known as mj-12 that

140

00:06:02,749 --> 00:06:00,240

prepared briefings for every U.S

141

00:06:04,670 --> 00:06:02,759

president since Harry Truman the first

142

00:06:06,770 --> 00:06:04,680

briefing document was said to have been

143

00:06:09,469 --> 00:06:06,780

updated for each president and one

144

00:06:11,629 --> 00:06:09,479

reportedly prepared by mj-12 according

145

00:06:14,749 --> 00:06:11,639

to the cover page for Jimmy Carter in

146

00:06:16,670 --> 00:06:14,759

June 1977 was called the Aquarius

147

00:06:18,650 --> 00:06:16,680

document because the subject of the

148

00:06:21,830 --> 00:06:18,660

briefing is identified as project

149

00:06:25,029 --> 00:06:21,840

Aquarius the document is included in the

150

00:06:28,070 --> 00:06:25,039

paper and contains this Revelation Ebe

151  
00:06:30,710 --> 00:06:28,080  
reported that two thousand years ago his

152  
00:06:32,870 --> 00:06:30,720  
ancestors planted a human creature on

153  
00:06:35,749 --> 00:06:32,880  
earth to assist the inhabitants of Earth

154  
00:06:37,969 --> 00:06:35,759  
in developing a civilization one thing

155  
00:06:40,370 --> 00:06:37,979  
to notice is that Earth is used as a

156  
00:06:43,010 --> 00:06:40,380  
proper noun in this context and is not

157  
00:06:44,749 --> 00:06:43,020  
capitalized in the document there are

158  
00:06:46,550 --> 00:06:44,759  
also two punctuation errors in the

159  
00:06:48,890 --> 00:06:46,560  
briefing in the form of a missing

160  
00:06:51,110 --> 00:06:48,900  
apostrophe where aliens is being used in

161  
00:06:52,670 --> 00:06:51,120  
the possessive air years like these have

162  
00:06:55,370 --> 00:06:52,680  
been noted throughout the documents

163  
00:06:58,189 --> 00:06:55,380

related to mk12 by various researchers

164

00:07:00,950 --> 00:06:58,199

such as Jacques valet there is also an

165

00:07:03,230 --> 00:07:00,960

aquarius teletype dated November 80.

166

00:07:06,050 --> 00:07:03,240

near the bottom of section 2 just before

167

00:07:08,450 --> 00:07:06,060

section 4 there is no Section 3 for some

168

00:07:10,550 --> 00:07:08,460

reason there is this line the official

169

00:07:13,309 --> 00:07:10,560

U.S government policy and results of

170

00:07:16,070 --> 00:07:13,319

project Aquarius is note the grammar

171

00:07:18,050 --> 00:07:16,080

error still classified top secret with

172

00:07:19,790 --> 00:07:18,060

no dissemination outside official

173

00:07:22,850 --> 00:07:19,800

intelligence channels and with

174

00:07:25,309 --> 00:07:22,860

restricted access to mj-12 this was a

175

00:07:27,710 --> 00:07:25,319

very early mention of mj-12 and possibly

176

00:07:29,510 --> 00:07:27,720

the first seen by researchers as the

177

00:07:31,490 --> 00:07:29,520

teletype made the rounds before the

178

00:07:33,409 --> 00:07:31,500

briefing document Kevin Randall

179

00:07:35,930 --> 00:07:33,419

describes the teletypes provenance

180

00:07:37,909 --> 00:07:35,940

according to Randall Moore said he had

181

00:07:40,129 --> 00:07:37,919

seen the original document and that he

182

00:07:43,490 --> 00:07:40,139

had been handed a retyped version of the

183

00:07:45,370 --> 00:07:43,500

document on March 2nd 1981 and told to

184

00:07:47,689 --> 00:07:45,380

give it to researcher Paul benowitz

185

00:07:49,909 --> 00:07:47,699

benowitz never showed the document to

186

00:07:52,610 --> 00:07:49,919

anyone so his having it didn't serve any

187

00:07:55,129 --> 00:07:52,620

purpose the document made its way into

188

00:07:58,010 --> 00:07:55,139

the UFO community Through Peter gersten

189

00:07:59,930 --> 00:07:58,020

of citizens against UFO secrecy Moore

190

00:08:01,790 --> 00:07:59,940

claimed that he had three copies and

191

00:08:03,370 --> 00:08:01,800

that one was in a briefcase that was

192

00:08:06,170 --> 00:08:03,380

stolen from his car in San Francisco

193

00:08:09,230 --> 00:08:06,180

after he had had a meeting with Kirsten

194

00:08:11,450 --> 00:08:09,240

according to Moore he never received a

195

00:08:14,210 --> 00:08:11,460

satisfactory explanation of how he

196

00:08:16,670 --> 00:08:14,220

gersten received the document this was

197

00:08:18,770 --> 00:08:16,680

the beginning of the mj-12 Mythos and

198

00:08:21,110 --> 00:08:18,780

just before the Majestic 12 documents

199

00:08:23,809 --> 00:08:21,120

hit the scene these caused a great deal

200

00:08:25,670 --> 00:08:23,819

of excitement among UFO researchers if

201

00:08:27,409 --> 00:08:25,680

these could be shown to be real they

202

00:08:29,749 --> 00:08:27,419

would prove that the government had

203

00:08:31,909 --> 00:08:29,759

recovered saucers and aliens and was

204

00:08:34,010 --> 00:08:31,919

hiding this from the public the first

205

00:08:36,290 --> 00:08:34,020

indication that the documents were

206

00:08:38,810 --> 00:08:36,300

forged is that they came in an envelope

207

00:08:41,149 --> 00:08:38,820

with a postmark from Albuquerque home of

208

00:08:50,889 --> 00:08:41,159

Kirtland Air Force Base where Dodie was

209

00:08:50,899 --> 00:08:55,050

thank you
