

# CHARLES LEAR

#534

1  
00:00:00,000 --> 00:00:08,970  
foreign

2  
00:00:35,930 --> 00:00:26,450  
[Music]

3  
00:00:35,940 --> 00:00:42,530  
foreign

4  
00:01:05,170 --> 00:00:58,780  
[Music]

5  
00:01:10,130 --> 00:01:08,690  
host and we have a great show I'm really

6  
00:01:12,469 --> 00:01:10,140  
excited to have Charles Lear he's

7  
00:01:15,109 --> 00:01:12,479  
written a wonderful book The Flying

8  
00:01:18,050 --> 00:01:15,119  
Saucer investigators and he has been

9  
00:01:21,950 --> 00:01:18,060  
writing blogs for me for years he wrote

10  
00:01:24,830 --> 00:01:21,960  
recently a series of five uh behind the

11  
00:01:28,070 --> 00:01:24,840  
scionic I get this wrong yeah I behind the

12  
00:01:29,990 --> 00:01:28,080  
scenes of you of UFO cover-up live it

13  
00:01:32,830 --> 00:01:30,000

was about a series that was on TV but

14  
00:01:35,870 --> 00:01:32,840  
behind the scenes on that oh my goodness

15  
00:01:39,050 --> 00:01:35,880  
so there's a lot to talk about again he

16  
00:01:42,230 --> 00:01:39,060  
did a series of five and they've been

17  
00:01:45,109 --> 00:01:42,240  
popular on YouTube as far as the audio

18  
00:01:47,330 --> 00:01:45,119  
blogs which he does as well however I

19  
00:01:50,450 --> 00:01:47,340  
just discovered today with the series of

20  
00:01:52,310 --> 00:01:50,460  
five that number four is missing and

21  
00:01:55,130 --> 00:01:52,320  
that's totally my fault and it will be

22  
00:01:59,030 --> 00:01:55,140  
uh posted in a while I'll try to post it

23  
00:02:01,429 --> 00:01:59,040  
within the next couple of days so uh now

24  
00:02:04,310 --> 00:02:01,439  
a couple of things uh

25  
00:02:06,590 --> 00:02:04,320  
let's see tomorrow night tomorrow night

26

00:02:09,050 --> 00:02:06,600

at uh 8 P.M I'm going to be right here

27

00:02:10,790 --> 00:02:09,060

with Mark d'antonio and it's going to be

28

00:02:12,589 --> 00:02:10,800

a totally different show I do the

29

00:02:15,670 --> 00:02:12,599

everything else show which is usually

30

00:02:19,610 --> 00:02:15,680

topics that I like to do other than UFO

31

00:02:23,150 --> 00:02:19,620

uh topics and I have done uh some

32

00:02:26,210 --> 00:02:23,160

interesting ones one with a uh FBI

33

00:02:30,710 --> 00:02:26,220

whistleblower that spent time in jail uh

34

00:02:32,690 --> 00:02:30,720

reporting uh torture uh and that was

35

00:02:34,369 --> 00:02:32,700

really interesting these are ones I did

36

00:02:37,910 --> 00:02:34,379

years ago one of someone that was

37

00:02:39,650 --> 00:02:37,920

Shipwrecked basically for 86 days and

38

00:02:41,150 --> 00:02:39,660

one on ghosts and all kinds of things

39

00:02:43,190 --> 00:02:41,160

I've done all kinds of different shows

40

00:02:46,070 --> 00:02:43,200

again these are topics that I find

41

00:02:47,750 --> 00:02:46,080

interesting other than UFO so tomorrow

42

00:02:50,390 --> 00:02:47,760

night like I say it's going to be really

43

00:02:53,390 --> 00:02:50,400

different now Mark d'antonio went

44

00:02:55,790 --> 00:02:53,400

through uh a very serious heart surgery

45

00:02:57,650 --> 00:02:55,800

years ago and a lot of things happening

46

00:03:00,290 --> 00:02:57,660

barely uh

47

00:03:01,550 --> 00:03:00,300

he almost didn't make it and so he's

48

00:03:04,369 --> 00:03:01,560

joining me and we're both going to be

49

00:03:06,830 --> 00:03:04,379

talking about our experiences and it

50

00:03:09,170 --> 00:03:06,840

again it's a personal type of situation

51  
00:03:11,509 --> 00:03:09,180  
however there's a lot of things that are

52  
00:03:13,250 --> 00:03:11,519  
actually pretty funny that happened so

53  
00:03:15,350 --> 00:03:13,260  
it might be entertaining for someone to

54  
00:03:18,649 --> 00:03:15,360  
watch again that's tomorrow night at

55  
00:03:22,130 --> 00:03:18,659  
eight o'clock next week we have Avi Loeb

56  
00:03:24,470 --> 00:03:22,140  
on uh from Harvard and

57  
00:03:26,649 --> 00:03:24,480  
let's see this week's blog that Charles

58  
00:03:30,530 --> 00:03:26,659  
uh did was UFOs

59  
00:03:34,430 --> 00:03:30,540  
and uh uh oh yes and the police in Colby

60  
00:03:38,390 --> 00:03:34,440  
Kansas and that was back in I think I

61  
00:03:41,149 --> 00:03:38,400  
did read it I think it was night 1970s I

62  
00:03:44,289 --> 00:03:41,159  
believe when that happened and uh that

63  
00:03:47,509 --> 00:03:44,299

well like he can I think it was uh 1972.

64  
00:03:50,509 --> 00:03:47,519  
that's when it happened anyway uh we can

65  
00:03:52,850 --> 00:03:50,519  
talk quickly about that and with no

66  
00:03:55,070 --> 00:03:52,860  
further Ado Here Comes Charles welcome

67  
00:03:58,070 --> 00:03:55,080  
to the show Charles hi Martin always

68  
00:04:00,050 --> 00:03:58,080  
good to be here yeah uh thank you for

69  
00:04:02,089 --> 00:04:00,060  
all you do I should say you do so much

70  
00:04:03,470 --> 00:04:02,099  
and I really do appreciate it but uh

71  
00:04:08,210 --> 00:04:03,480  
What uh

72  
00:04:10,190 --> 00:04:08,220  
it was 1972 the latest block uh 7273

73  
00:04:13,089 --> 00:04:10,200  
yeah the actual I think the actual

74  
00:04:16,189 --> 00:04:13,099  
police the sighting was 72 yeah good job

75  
00:04:18,650 --> 00:04:16,199  
and and there was uh multiple Witnesses

76

00:04:21,770 --> 00:04:18,660

I love those uh police sightings you

77

00:04:23,689 --> 00:04:21,780

know I mean you hear uh Skeptics say

78

00:04:26,510 --> 00:04:23,699

well there are no better observers than

79

00:04:28,790 --> 00:04:26,520

anyone else but I kind of tend to

80

00:04:30,230 --> 00:04:28,800

disagree with that I think they're you

81

00:04:32,930 --> 00:04:30,240

know they don't want to come forward

82

00:04:35,570 --> 00:04:32,940

look at Lonnie Zamora you know wished he

83

00:04:37,210 --> 00:04:35,580

never come came forward oh yeah I have

84

00:04:39,230 --> 00:04:37,220

one more announcement I forgot to make

85

00:04:43,850 --> 00:04:39,240

uh last week

86

00:04:46,670 --> 00:04:43,860

uh we had a terrible internet issues and

87

00:04:48,310 --> 00:04:46,680

I had John Ramirez on and I had a lot of

88

00:04:51,110 --> 00:04:48,320

people saying that they were frustrated

89

00:04:53,150 --> 00:04:51,120

uh I didn't do the show that long and

90

00:04:55,850 --> 00:04:53,160

all that and um again the internet

91

00:04:59,390 --> 00:04:55,860

issues were really bad I was in my

92

00:05:02,030 --> 00:04:59,400

office location and I couldn't hear half

93

00:05:03,950 --> 00:05:02,040

of what he was saying so it was a very

94

00:05:06,590 --> 00:05:03,960

disjointed interview and so he's coming

95

00:05:08,870 --> 00:05:06,600

back on December 27th to basically

96

00:05:11,570 --> 00:05:08,880

finish the interview just wanted to make

97

00:05:14,990 --> 00:05:11,580

that announcement and uh let's move on

98

00:05:17,330 --> 00:05:15,000

so uh I was just saying that I think the

99

00:05:19,189 --> 00:05:17,340

policemen are one of the people along

100

00:05:21,830 --> 00:05:19,199

with military people especially when

101  
00:05:24,110 --> 00:05:21,840  
someone's flying in a plane they know

102  
00:05:26,749 --> 00:05:24,120  
what you know enemy aircraft do they

103  
00:05:28,610 --> 00:05:26,759  
really take a lot of study in that so

104  
00:05:29,930 --> 00:05:28,620  
these are what I consider credible

105  
00:05:33,050 --> 00:05:29,940  
Witnesses

106  
00:05:36,710 --> 00:05:33,060  
and I'm just making a point I love the

107  
00:05:39,110 --> 00:05:36,720  
police officers I I do too uh they're I

108  
00:05:42,350 --> 00:05:39,120  
I consider the police uh the uh first

109  
00:05:44,870 --> 00:05:42,360  
line investigators I mean they're very

110  
00:05:46,790 --> 00:05:44,880  
often the first people people uh

111  
00:05:48,170 --> 00:05:46,800  
organizations people turn to when

112  
00:05:50,570 --> 00:05:48,180  
there's a sighting in the neighborhood

113  
00:05:53,930 --> 00:05:50,580

or an area especially you know most

114

00:05:56,810 --> 00:05:53,940

people don't know where to report to a

115

00:05:59,930 --> 00:05:56,820

lot of police have I just wrote a Blog

116

00:06:02,029 --> 00:05:59,940

about new Fork uh and a lot of police

117

00:06:04,550 --> 00:06:02,039

actually do have the new Fork National

118

00:06:07,909 --> 00:06:04,560

UFO Reporting Center number uh you know

119

00:06:09,710 --> 00:06:07,919

at the ready uh but yeah very often uh

120

00:06:11,930 --> 00:06:09,720

the police throughout history police

121

00:06:14,749 --> 00:06:11,940

have been the first people out there and

122

00:06:18,010 --> 00:06:14,759

well when I had my sighting back in 2007

123

00:06:20,689 --> 00:06:18,020

I had no idea there was anything online

124

00:06:22,370 --> 00:06:20,699

and that's what I did I called the

125

00:06:24,529 --> 00:06:22,380

police department exactly yes I didn't

126  
00:06:26,330 --> 00:06:24,539  
know who to call and you know generally

127  
00:06:28,610 --> 00:06:26,340  
because they're uh you know it's their

128  
00:06:30,710 --> 00:06:28,620  
backyard their jurisdiction uh they're

129  
00:06:33,469 --> 00:06:30,720  
yeah they're like for instance the

130  
00:06:36,230 --> 00:06:33,479  
Trumbull County Ohio uh case that was

131  
00:06:38,870 --> 00:06:36,240  
all uh recorded uh at the police

132  
00:06:40,550 --> 00:06:38,880  
dispatchers and they had a uh a

133  
00:06:42,350 --> 00:06:40,560  
recording of that and uh researcher

134  
00:06:44,510 --> 00:06:42,360  
Kenny young reached out to them they

135  
00:06:46,850 --> 00:06:44,520  
handed it over immediately no oh yeah

136  
00:06:48,890 --> 00:06:46,860  
sure no problem you know this is our

137  
00:06:53,930 --> 00:06:48,900  
business this has nothing to do with the

138  
00:06:57,170 --> 00:06:53,940

uh big brother so yeah yeah so this

139

00:06:59,749 --> 00:06:57,180

series you wrote uh the five part series

140

00:07:02,990 --> 00:06:59,759

you kept digging into it and finding out

141

00:07:05,930 --> 00:07:03,000

more and more and boy is that convoluted

142

00:07:09,290 --> 00:07:05,940

when it comes to all the players in that

143

00:07:12,710 --> 00:07:09,300

and I I'm almost more confused after

144

00:07:14,809 --> 00:07:12,720

reading all that than trying to I can't

145

00:07:17,390 --> 00:07:14,819

quite figure the whole thing out it was

146

00:07:19,010 --> 00:07:17,400

uh but why don't you uh first of all I

147

00:07:20,809 --> 00:07:19,020

do have to say this too I was thinking

148

00:07:22,670 --> 00:07:20,819

about this today when we talk about

149

00:07:26,330 --> 00:07:22,680

these characters there's a lot of people

150

00:07:28,790 --> 00:07:26,340

that are new in the UFO world and they

151

00:07:32,510 --> 00:07:28,800

may have no clue who Richard Doty is

152

00:07:34,730 --> 00:07:32,520

Paul benowitz uh Bill Moore well yeah

153

00:07:36,529 --> 00:07:34,740

that's people that's the we have to keep

154

00:07:38,689 --> 00:07:36,539

that in mind well that's a real issue

155

00:07:41,809 --> 00:07:38,699

when I wrote this piece I was like you

156

00:07:44,510 --> 00:07:41,819

know what I got to kind of put UFO one

157

00:07:47,749 --> 00:07:44,520

you followed you 101 on the back burner

158

00:07:49,309 --> 00:07:47,759

and just I I wrote it for people who are

159

00:07:50,870 --> 00:07:49,319

a little more familiar with this stuff

160

00:07:53,650 --> 00:07:50,880

yeah

161

00:07:58,309 --> 00:07:53,660

um and it you know it was

162

00:08:01,070 --> 00:07:58,319

uh an exploration of mine I was the one

163

00:08:04,370 --> 00:08:01,080

exploring I wanted to like really look

164

00:08:05,689 --> 00:08:04,380

into this and know about this and I you

165

00:08:08,629 --> 00:08:05,699

know I

166

00:08:11,570 --> 00:08:08,639

do keep uh the newcomers in mind

167

00:08:14,029 --> 00:08:11,580

most of the time I some to some extent

168

00:08:15,950 --> 00:08:14,039

kept them in mind doing this trying to

169

00:08:18,589 --> 00:08:15,960

you know explain who these people were

170

00:08:21,290 --> 00:08:18,599

and the the back story but it like you

171

00:08:23,749 --> 00:08:21,300

said it's super convoluted

172

00:08:25,969 --> 00:08:23,759

um and it's also a lot of stuff that

173

00:08:29,629 --> 00:08:25,979

um if you didn't grow up you know if you

174

00:08:31,790 --> 00:08:29,639

weren't around during the 80s and then

175

00:08:32,690 --> 00:08:31,800

into the 90s

176

00:08:37,370 --> 00:08:32,700

um

177

00:08:40,070 --> 00:08:37,380

you you know you this stuff

178

00:08:42,529 --> 00:08:40,080

back then this stuff was all over the

179

00:08:45,410 --> 00:08:42,539

place this stuff dominated Roswell a

180

00:08:47,930 --> 00:08:45,420

1947 case pretty much

181

00:08:49,910 --> 00:08:47,940

the entire 80s slammed down our throats

182

00:08:51,769 --> 00:08:49,920

to the point where you know us folks who

183

00:08:54,230 --> 00:08:51,779

went through it we're sick to death of

184

00:08:56,990 --> 00:08:54,240

Roswell you know we're done with it much

185

00:09:00,769 --> 00:08:57,000

like I'm sure this generation is uh

186

00:09:03,410 --> 00:09:00,779

pretty much done with uh uh to the Stars

187

00:09:07,250 --> 00:09:03,420

Academy and the New York Times article

188

00:09:10,009 --> 00:09:07,260

and uh you know it's uh had enough it

189

00:09:13,690 --> 00:09:10,019

sucked the life out of ufology

190

00:09:17,269 --> 00:09:13,700

um but so in writing the the blog I I I

191

00:09:19,850 --> 00:09:17,279

realized that the series what's funny is

192

00:09:22,730 --> 00:09:19,860

I thought it was going to be two parts

193

00:09:28,190 --> 00:09:22,740

maybe three parts and it ended up being

194

00:09:32,509 --> 00:09:29,389

um

195

00:09:33,190 --> 00:09:32,519

it was difficult to dig in deep

196

00:09:38,090 --> 00:09:33,200

um

197

00:09:40,490 --> 00:09:38,100

and I I think it's probably better if uh

198

00:09:42,410 --> 00:09:40,500

it's better red I think than listen to

199

00:09:44,810 --> 00:09:42,420

uh because I'm sure there's a lot of

200

00:09:47,269 --> 00:09:44,820

stuff you got to read twice uh but it's

201

00:09:50,269 --> 00:09:47,279

more of a guide for

202

00:09:53,150 --> 00:09:50,279

the uh anybody who's interested in all

203

00:09:55,370 --> 00:09:53,160

this stuff to look into it themselves

204

00:09:58,790 --> 00:09:55,380

I've got links to

205

00:10:01,430 --> 00:09:58,800

all the pertinent documents

206

00:10:03,290 --> 00:10:01,440

um so somebody who's really interested

207

00:10:06,110 --> 00:10:03,300

in the question that I was interested in

208

00:10:07,970 --> 00:10:06,120

which I'll get to in a moment uh can

209

00:10:11,090 --> 00:10:07,980

look into this for themselves and make

210

00:10:13,430 --> 00:10:11,100

their own decisions I was also you know

211

00:10:15,170 --> 00:10:13,440

careful to say look this is a

212

00:10:17,870 --> 00:10:15,180

speculation it's a thought experiment

213

00:10:19,310 --> 00:10:17,880

I'm trying to find this I'm looking at

214

00:10:22,310 --> 00:10:19,320

it from the point of view of parsimony

215

00:10:23,930 --> 00:10:22,320

the simplest explanation uh if you've

216

00:10:25,970 --> 00:10:23,940

got two what you know

217

00:10:29,410 --> 00:10:25,980

different arguments the simplest

218

00:10:34,250 --> 00:10:29,420

explanation is usually the answer

219

00:10:37,269 --> 00:10:34,260

so anyway with that being said

220

00:10:40,910 --> 00:10:37,279

um what I was looking into

221

00:10:41,930 --> 00:10:40,920

the there was this show called UFO

222

00:10:45,410 --> 00:10:41,940

cover-up

223

00:10:48,530 --> 00:10:45,420

question mark live exclamation point uh

224

00:10:52,009 --> 00:10:48,540

yeah uh UFO cover-up question mark live

225

00:10:54,470 --> 00:10:52,019

exclamation point and it was a pretty

226

00:10:57,829 --> 00:10:54,480

ridiculous show uh with a lot of

227

00:11:01,610 --> 00:10:57,839

outrageous claims and in the end had two

228

00:11:03,829 --> 00:11:01,620

shadowy figures government insiders uh

229

00:11:09,290 --> 00:11:03,839

Falcon and Condor

230

00:11:11,449 --> 00:11:09,300

um talking about uh an alien that uh an

231

00:11:15,230 --> 00:11:11,459

alien that was uh part of an exchange

232

00:11:18,230 --> 00:11:15,240

program uh and the kicker was

233

00:11:22,009 --> 00:11:18,240

um Falcon saying that uh this alien

234

00:11:25,250 --> 00:11:22,019

liked to be right yeah yeah Ebe this

235

00:11:27,230 --> 00:11:25,260

this Ebe liked uh Tibet ancient Tibetan

236

00:11:29,509 --> 00:11:27,240

music and

237

00:11:32,449 --> 00:11:29,519

um strawberry ice cream was its favorite

238

00:11:33,170 --> 00:11:32,459

snack so

239

00:11:35,630 --> 00:11:33,180

um

240

00:11:39,710 --> 00:11:35,640

and you also had it was pretty much a

241

00:11:44,030 --> 00:11:39,720

showcase for uh William Moore uh Stanton

242

00:11:45,050 --> 00:11:44,040

Friedman and Jamie chandaray uh for

243

00:11:45,949 --> 00:11:45,060

their

244

00:11:53,030 --> 00:11:45,959

um

245

00:11:57,170 --> 00:11:53,040

Friedman uh actually

246

00:11:59,569 --> 00:11:57,180

said on air that they have proof

247

00:12:01,790 --> 00:11:59,579

um that there actually was a crash at

248

00:12:04,190 --> 00:12:01,800

Roswell and that there were aliens

249

00:12:07,670 --> 00:12:04,200

recovered and that the uh

250

00:12:10,850 --> 00:12:07,680

uh did autopsies on them so

251

00:12:14,329 --> 00:12:10,860

yeah which has turned out not to be the

252

00:12:17,449 --> 00:12:14,339

case the the proof is uh it turns out

253

00:12:20,269 --> 00:12:17,459

the documents are almost certainly fake

254

00:12:22,430 --> 00:12:20,279

uh the mj-12 documents which was a

255

00:12:25,370 --> 00:12:22,440

series of uh eight documents Jamie

256

00:12:29,509 --> 00:12:25,380

chandray received with a Albuquerque

257

00:12:30,410 --> 00:12:29,519

postmark uh in his mailbox on film uh so

258

00:12:32,389 --> 00:12:30,420

you don't even have the original

259

00:12:34,310 --> 00:12:32,399

documents and then when you look at the

260

00:12:38,150 --> 00:12:34,320

documents themselves are crazy but

261

00:12:40,910 --> 00:12:38,160

anyway in order to these characters uh

262

00:12:43,930 --> 00:12:40,920

characters of condor and Falcon the the

263

00:12:47,629 --> 00:12:43,940

mysterious government insiders in Shadow

264

00:12:51,069 --> 00:12:47,639

pretty much people are convinced uh that

265

00:12:55,490 --> 00:12:51,079

this was Richard Doty uh Infamous

266

00:12:57,490 --> 00:12:55,500

uh self-proclaimed CIA trained Air Force

267

00:13:00,710 --> 00:12:57,500

office of special investigations

268

00:13:04,329 --> 00:13:00,720

disinformation agent working on behalf

269

00:13:08,569 --> 00:13:04,339

of the AFS oi and the CIA

270

00:13:11,569 --> 00:13:08,579

uh to uh spread confusion among UFO

271

00:13:13,490 --> 00:13:11,579

researchers via William Moore a

272

00:13:15,290 --> 00:13:13,500

co-author with Charles Berlitz and

273

00:13:19,190 --> 00:13:15,300

Stanton Friedman in the background doing

274

00:13:22,550 --> 00:13:19,200

research on the Roswell incident

275

00:13:24,290 --> 00:13:22,560

um and prior to that uh co-author with

276

00:13:26,569 --> 00:13:24,300

Charles billitz on the Philadelphia

277

00:13:29,509 --> 00:13:26,579

Experiment

278

00:13:32,269 --> 00:13:29,519

um and uh Robert Collins uh was uh

279

00:13:34,850 --> 00:13:32,279

supposedly Condor uh Collins I think was

280

00:13:35,449 --> 00:13:34,860

another afosi guy

281

00:13:39,110 --> 00:13:35,459

um

282

00:13:43,370 --> 00:13:39,120

so in order to the

283

00:13:46,009 --> 00:13:43,380

ACC accusations have come up that uh

284

00:13:48,829 --> 00:13:46,019

this show was used as part of government

285

00:13:52,490 --> 00:13:48,839

this information program uh to spread

286

00:13:55,250 --> 00:13:52,500

these ridiculous stories uh around the

287

00:13:56,769 --> 00:13:55,260

uh UFO community and confused all this

288

00:14:00,650 --> 00:13:56,779

researchers

289

00:14:02,870 --> 00:14:00,660

and it certainly did people were

290

00:14:03,850 --> 00:14:02,880

extremely confused and a lot of time was

291

00:14:07,910 --> 00:14:03,860

spent

292

00:14:11,690 --> 00:14:07,920

uh yeah look the claims figuring out who

293

00:14:14,050 --> 00:14:11,700

Condor and Falcon were uh whether the

294

00:14:18,290 --> 00:14:14,060

mj-12 documents were real

295

00:14:22,670 --> 00:14:18,300

and what was their truth to the fact

296

00:14:24,889 --> 00:14:22,680

that uh the Air Force was operating in

297

00:14:27,290 --> 00:14:24,899

this an actual disinformation Campaign

298

00:14:31,370 --> 00:14:27,300

which had been you know it's a constant

299

00:14:34,370 --> 00:14:31,380

from ufology uh way back in the day

300

00:14:35,329 --> 00:14:34,380

um so I wanted to look into the idea

301  
00:14:37,910 --> 00:14:35,339  
that

302  
00:14:38,509 --> 00:14:37,920  
uh Richard Dodie

303  
00:14:41,150 --> 00:14:38,519  
um

304  
00:14:44,590 --> 00:14:41,160  
was acting on his own

305  
00:14:48,889 --> 00:14:44,600  
um maybe in concert with Robert Collins

306  
00:14:51,410 --> 00:14:48,899  
and that bill Moore uh

307  
00:14:52,930 --> 00:14:51,420  
kind of looked the other way in a lot of

308  
00:14:56,509 --> 00:14:52,940  
stuff and uh

309  
00:15:00,110 --> 00:14:56,519  
uh kind of took the mj-12 documents

310  
00:15:03,470 --> 00:15:00,120  
didn't look into them uh basically kind

311  
00:15:06,290 --> 00:15:03,480  
of uh they were doing him more of a

312  
00:15:09,110 --> 00:15:06,300  
favor if they were he considered them

313  
00:15:11,090 --> 00:15:09,120

real and presented them as real uh it

314

00:15:12,829 --> 00:15:11,100

certainly would help his book sales and

315

00:15:16,730 --> 00:15:12,839

anything else he wanted to do in terms

316

00:15:18,530 --> 00:15:16,740

of writing so I also looked into the

317

00:15:20,030 --> 00:15:18,540

idea that he was somewhat culpable in

318

00:15:20,769 --> 00:15:20,040

this

319

00:15:25,009 --> 00:15:20,779

um

320

00:15:28,310 --> 00:15:25,019

and that UFO cover-up live

321

00:15:30,170 --> 00:15:28,320

wasn't a disinformation program uh so

322

00:15:35,569 --> 00:15:30,180

much as it was a train wreck

323

00:15:39,110 --> 00:15:35,579

uh so that's uh I began with uh you talk

324

00:15:44,090 --> 00:15:40,449

yeah yeah

325

00:15:48,170 --> 00:15:44,100

uh yes that was really something I

326

00:15:54,530 --> 00:15:52,189

yeah it went badly um so there's uh I

327

00:15:56,509 --> 00:15:54,540

think I'm having another issue with my

328

00:15:59,389 --> 00:15:56,519

internet okay

329

00:16:01,370 --> 00:15:59,399

well I'll try to fill in the gaps if I

330

00:16:06,009 --> 00:16:01,380

can uh but

331

00:16:10,850 --> 00:16:06,019

um yeah so uh in order to to begin

332

00:16:14,389 --> 00:16:10,860

uh I looked one of the establish The

333

00:16:15,650 --> 00:16:14,399

credibility of both Dodie and more

334

00:16:17,689 --> 00:16:15,660

um

335

00:16:20,689 --> 00:16:17,699

and so starting with William Moore

336

00:16:22,670 --> 00:16:20,699

William Moore prior to all the Roswell

337

00:16:25,310 --> 00:16:22,680

stuff was a co-author with Charles

338

00:16:26,769 --> 00:16:25,320

berlitz on the book The Philadelphia

339

00:16:32,990 --> 00:16:26,779

Experiment

340

00:16:35,509 --> 00:16:33,000

basically centered around the eye um

341

00:16:36,850 --> 00:16:35,519

uh an episode

342

00:16:41,150 --> 00:16:36,860

um

343

00:16:44,870 --> 00:16:41,160

this guy Carlos alende this gets really

344

00:16:47,030 --> 00:16:44,880

difficult so I need my notes Here We Go

345

00:16:51,710 --> 00:16:49,850

yeah Carlos alende

346

00:16:54,410 --> 00:16:51,720

uh wait a minute

347

00:16:56,150 --> 00:16:54,420

yeah okay that's the part two gave me a

348

00:16:58,610 --> 00:16:56,160

moment

349

00:17:00,290 --> 00:16:58,620

boom

350

00:17:02,150 --> 00:17:00,300

well while you're doing that can you

351

00:17:04,610 --> 00:17:02,160

hear me okay yeah we're all good

352

00:17:06,169 --> 00:17:04,620

unfortunately there's uh I'm at a

353

00:17:08,929 --> 00:17:06,179

different location I'm having a little

354

00:17:10,490 --> 00:17:08,939

bit of issues still it's possible it's

355

00:17:15,049 --> 00:17:10,500

my computer it's something I know we're

356

00:17:17,090 --> 00:17:15,059

going to look into uh right away but um

357

00:17:20,809 --> 00:17:17,100

I just wanted to say a little bit about

358

00:17:24,169 --> 00:17:20,819

Dodie for for it seems to me that you

359

00:17:27,289 --> 00:17:24,179

sort of uncovered that he may be he may

360

00:17:29,810 --> 00:17:27,299

have been working on his own uh you know

361

00:17:32,510 --> 00:17:29,820

his last few years

362

00:17:35,210 --> 00:17:32,520

of service he was working in basically

363

00:17:38,350 --> 00:17:35,220

in the food uh

364

00:17:41,270 --> 00:17:38,360

part of whatever it was Food Service

365

00:17:45,230 --> 00:17:41,280

which is really unusual if he really did

366

00:17:47,570 --> 00:17:45,240

have a high position and he received no

367

00:17:51,230 --> 00:17:47,580

uh

368

00:17:52,850 --> 00:17:51,240

it when he was a police officer he he

369

00:17:54,590 --> 00:17:52,860

just seemed like he was treated like uh

370

00:17:55,909 --> 00:17:54,600

every other person not someone that

371

00:17:59,330 --> 00:17:55,919

would have been in some type of

372

00:18:02,990 --> 00:17:59,340

intelligence so um it does look a little

373

00:18:06,890 --> 00:18:03,000

iffy and um I I had him scheduled for a

374

00:18:09,650 --> 00:18:06,900

show uh about five or six years ago

375

00:18:13,190 --> 00:18:09,660

and I said to him and uh by the way

376

00:18:15,350 --> 00:18:13,200

Alejandro Rojas was pretty upset he he

377

00:18:17,330 --> 00:18:15,360

said uh that I was going to have him on

378

00:18:20,930 --> 00:18:17,340

the show he said don't give that guy any

379

00:18:24,289 --> 00:18:20,940

air time he's a liar that's basically

380

00:18:26,750 --> 00:18:24,299

what he said and uh so uh I hope and

381

00:18:27,370 --> 00:18:26,760

I'll get sued for saying that but anyway

382

00:18:31,789 --> 00:18:27,380

um

383

00:18:34,310 --> 00:18:31,799

the thing of it is is he

384

00:18:37,669 --> 00:18:34,320

um he's now he's glorified in all these

385

00:18:40,909 --> 00:18:37,679

movies and Steven Greer he was just on

386

00:18:44,510 --> 00:18:40,919

in Stephen Greer's yeah so I'm uh going

387

00:18:46,190 --> 00:18:44,520

uh continuing his uh aliens and ice

388

00:18:48,950 --> 00:18:46,200

cream Spiel I don't know if yeah

389

00:18:52,450 --> 00:18:48,960

strawberry ice cream yeah yeah yeah

390

00:18:54,950 --> 00:18:52,460

um but yeah I uh that's the other side

391

00:18:56,930 --> 00:18:54,960

so I'm looking into the credibility of

392

00:18:59,210 --> 00:18:56,940

more and Dodie

393

00:19:02,210 --> 00:18:59,220

um I'll I'll get to Dodie in a second uh

394

00:19:04,490 --> 00:19:02,220

but the story with uh more uh these

395

00:19:07,490 --> 00:19:04,500

Philadelphia Experiment there was an

396

00:19:09,890 --> 00:19:07,500

experiment in uh the Philadelphia Navy

397

00:19:11,930 --> 00:19:09,900

Yard where U.S Navy ship was instantly

398

00:19:14,330 --> 00:19:11,940

transported from its dock in

399

00:19:17,210 --> 00:19:14,340

Philadelphia to a dock in the Norfolk

400

00:19:20,630 --> 00:19:17,220

Newport News Portsmouth area Virginia

401  
00:19:21,549 --> 00:19:20,640  
basically uh so these quotes are from a

402  
00:19:26,150 --> 00:19:21,559  
letter

403  
00:19:30,250 --> 00:19:26,160  
uh from Carl Allen to Morris K Jessup

404  
00:19:32,049 --> 00:19:30,260  
who was a famous uh researcher and um

405  
00:19:35,630 --> 00:19:32,059  
uh

406  
00:19:38,570 --> 00:19:35,640  
they were the Genesis of the story that

407  
00:19:41,150 --> 00:19:38,580  
Moore and berlitz supported

408  
00:19:43,330 --> 00:19:41,160  
um with anecdotal and circumstantial

409  
00:19:47,930 --> 00:19:43,340  
evidence so if you read The Philadelphia

410  
00:19:51,110 --> 00:19:47,940  
Experiment it's basically Carl Allen uh

411  
00:19:54,049 --> 00:19:51,120  
also known as Carlos alende is the main

412  
00:19:58,430 --> 00:19:54,059  
source for the story this guy came

413  
00:20:00,409 --> 00:19:58,440

forward in 1969 he walked in the to the

414

00:20:02,150 --> 00:20:00,419

headquarters of the Aero phenomena

415

00:20:06,350 --> 00:20:02,160

research organization Jim and Carl

416

00:20:08,090 --> 00:20:06,360

lorenzen's group uh in Arizona and he

417

00:20:11,510 --> 00:20:08,100

confessed that the letters were a hoax

418

00:20:15,710 --> 00:20:11,520

and this was reported in the July August

419

00:20:18,590 --> 00:20:15,720

1969 April bulletin uh when I was down

420

00:20:21,650 --> 00:20:18,600

at the um gray Barker collection the

421

00:20:22,370 --> 00:20:21,660

Harrison Clarksburg Public Library

422

00:20:24,970 --> 00:20:22,380

um

423

00:20:30,650 --> 00:20:24,980

David halchen the curator there

424

00:20:32,810 --> 00:20:30,660

uh gave me a paper that he wrote a

425

00:21:50,930 --> 00:20:32,820

a

426

00:21:52,909 --> 00:21:50,940

Moore's credibility

427

00:21:54,110 --> 00:21:52,919

um and then Dodie who we were just

428

00:21:55,610 --> 00:21:54,120

talking about

429

00:21:58,250 --> 00:21:55,620

uh

430

00:22:02,149 --> 00:21:58,260

his Air Force service records can be

431

00:22:03,289 --> 00:22:02,159

found online it's uh not easily which is

432

00:22:06,049 --> 00:22:03,299

kind of

433

00:22:07,669 --> 00:22:06,059

um I think a bit of uh

434

00:22:10,190 --> 00:22:07,679

uh

435

00:22:12,529 --> 00:22:10,200

it doesn't really reflect well on the

436

00:22:15,409 --> 00:22:12,539

UFO community that these are so hard for

437

00:22:17,649 --> 00:22:15,419

me to find I found them on a UFOs

438

00:22:21,289 --> 00:22:17,659

documenting the evidence

439

00:22:23,690 --> 00:22:21,299

uh that's a blog spot so that that's the

440

00:22:27,070 --> 00:22:23,700

title UFOs documenting the evidence on

441

00:22:30,590 --> 00:22:27,080

uh Blogspot blogspot.com

442

00:22:34,490 --> 00:22:30,600

and uh his his Air Force service records

443

00:22:38,510 --> 00:22:34,500

are there uh and they clearly show this

444

00:22:41,090 --> 00:22:38,520

guy uh was in law enforcement uh with

445

00:22:44,690 --> 00:22:41,100

the Air Force he worked himself up from

446

00:22:50,029 --> 00:22:44,700

being a gate guard uh and uh wise button

447

00:22:54,230 --> 00:22:50,039

uh air base in uh Germany uh up to uh

448

00:22:57,049 --> 00:22:54,240

being a um a detective with the uh Air

449

00:22:58,669 --> 00:22:57,059

Force offense of special intelligence uh

450

00:23:00,950 --> 00:22:58,679

one of his former commanders was

451  
00:23:03,230 --> 00:23:00,960  
actually quoted as calling him uh his

452  
00:23:06,169 --> 00:23:03,240  
drug guy so it seems he was the guy that

453  
00:23:08,630 --> 00:23:06,179  
uh looked into drug issues

454  
00:23:11,289 --> 00:23:08,640  
um but his whole career even after the

455  
00:23:15,890 --> 00:23:11,299  
Air Force was in law enforcement however

456  
00:23:18,169 --> 00:23:15,900  
uh his last two years uh I think it was

457  
00:23:21,409 --> 00:23:18,179  
almost two years of uh service right

458  
00:23:23,270 --> 00:23:21,419  
before he retired his records show him

459  
00:23:27,230 --> 00:23:23,280  
in Food Services

460  
00:23:33,010 --> 00:23:27,240  
uh uh and uh Philip class looked into

461  
00:23:38,930 --> 00:23:36,230  
has stuff around the edges yeah yeah but

462  
00:23:40,130 --> 00:23:38,940  
in this case I I looked at class because

463  
00:23:44,870 --> 00:23:40,140

he

464

00:23:47,510 --> 00:23:44,880

was extremely concise in uh

465

00:23:52,010 --> 00:23:47,520

his reporting of the episodes around

466

00:23:55,130 --> 00:23:52,020

Dodie and more uh basically he specified

467

00:23:58,010 --> 00:23:55,140

that uh Dodie was working as the manager

468

00:23:59,690 --> 00:23:58,020

of the officers mess at Kirtland Air

469

00:24:00,529 --> 00:23:59,700

Force Base

470

00:24:02,770 --> 00:24:00,539

um

471

00:24:07,430 --> 00:24:02,780

so

472

00:24:11,870 --> 00:24:07,440

it just doesn't seem like uh the career

473

00:24:15,049 --> 00:24:11,880

trajectory of a CIA trained

474

00:24:18,710 --> 00:24:15,059

disinformation agent not to mention the

475

00:24:20,870 --> 00:24:18,720

fact that Dodie has been uh you know

476

00:24:23,870 --> 00:24:20,880

publicly proclaimed this in a public

477

00:24:25,730 --> 00:24:23,880

forum you'd think uh somebody in that

478

00:24:27,890 --> 00:24:25,740

position would have had to take a

479

00:24:34,010 --> 00:24:27,900

secrecy oath

480

00:24:36,289 --> 00:24:34,020

unfortunately the Air Forces never come

481

00:24:39,110 --> 00:24:36,299

forward or nor has anybody else say yeah

482

00:24:43,010 --> 00:24:39,120

Dodie worked for us or no Dodie didn't

483

00:24:44,049 --> 00:24:43,020

so you know it it sure the argument's

484

00:24:47,330 --> 00:24:44,059

really good

485

00:24:49,789 --> 00:24:47,340

uh but you know and you know maybe I'm

486

00:24:52,490 --> 00:24:49,799

convinced but I can't say this is

487

00:24:55,750 --> 00:24:52,500

definitely true you know what I'm saying

488

00:24:59,510 --> 00:24:55,760

um so anyway uh so but to begin with so

489

00:25:02,270 --> 00:24:59,520

essentially punched holes in uh more in

490

00:25:07,330 --> 00:25:02,280

Dodie's credibility

491

00:25:11,090 --> 00:25:07,340

um and from then on uh it

492

00:25:11,990 --> 00:25:11,100

more and chandaray

493

00:25:13,789 --> 00:25:12,000

um

494

00:25:16,549 --> 00:25:13,799

well

495

00:25:20,690 --> 00:25:16,559

more

496

00:25:24,070 --> 00:25:20,700

is responsible for getting the mj-12

497

00:25:27,110 --> 00:25:24,080

documents into the public eye

498

00:25:30,049 --> 00:25:27,120

the mj-12 documents were received by a

499

00:25:32,330 --> 00:25:30,059

friend of his Jamie chandaray in the

500

00:25:35,149 --> 00:25:32,340

mail in an envelope with a Albuquerque

501  
00:25:37,070 --> 00:25:35,159  
postmark which kind of points to Richard

502  
00:25:39,710 --> 00:25:37,080  
Doty Richard Doty was stationed at

503  
00:25:41,930 --> 00:25:39,720  
Kirtland Air Force Base in Albuquerque

504  
00:25:42,590 --> 00:25:41,940  
uh Jamie Chandra is the guy in the

505  
00:25:45,649 --> 00:25:42,600  
middle

506  
00:25:49,610 --> 00:25:45,659  
uh Stan Friedman's on the

507  
00:25:51,289 --> 00:25:49,620  
uh my right and more is on the left uh

508  
00:25:52,850 --> 00:25:51,299  
and uh

509  
00:25:55,070 --> 00:25:52,860  
so

510  
00:25:58,669 --> 00:25:55,080  
yeah on film there were

511  
00:26:00,909 --> 00:25:58,679  
um eight documents uh seven were the

512  
00:26:05,570 --> 00:26:00,919  
Eisenhower briefing document

513  
00:26:08,630 --> 00:26:05,580

and one was a uh letter from

514

00:26:15,830 --> 00:26:08,640

Truman to James Forrestal

515

00:26:15,840 --> 00:26:19,730

yeah the um

516

00:26:24,529 --> 00:26:21,769

the first hole that was punched in

517

00:26:26,990 --> 00:26:24,539

basically what these documents set up uh

518

00:26:28,630 --> 00:26:27,000

there was a list of

519

00:26:32,149 --> 00:26:28,640

12 names

520

00:26:35,570 --> 00:26:32,159

uh of this group that

521

00:26:39,649 --> 00:26:35,580

um supposedly had uh briefed every

522

00:26:40,630 --> 00:26:39,659

president from uh Truman to Reagan

523

00:26:44,450 --> 00:26:40,640

um

524

00:26:48,169 --> 00:26:44,460

uh yeah I think it was yeah

525

00:26:51,830 --> 00:26:48,179

um about the government's secret UFO

526

00:26:53,630 --> 00:26:51,840

program uh so officially since the

527

00:26:56,690 --> 00:26:53,640

termination of Project Blue Book there

528

00:26:57,950 --> 00:26:56,700

was no government program so they're

529

00:27:00,409 --> 00:26:57,960

saying there was a secret government

530

00:27:02,570 --> 00:27:00,419

program and that they had alien bodies

531

00:27:05,630 --> 00:27:02,580

and crashed wreckage

532

00:27:10,310 --> 00:27:05,640

um which was uh what Moore was uh

533

00:27:12,289 --> 00:27:10,320

pushing along with uh Friedman uh so

534

00:27:13,970 --> 00:27:12,299

this is the the famous Roswell crash

535

00:27:15,710 --> 00:27:13,980

well

536

00:27:19,250 --> 00:27:15,720

when they started looking at these

537

00:27:22,789 --> 00:27:19,260

documents a lot of researchers uh Brad

538

00:27:23,930 --> 00:27:22,799

Sparks and Barry Greenwood

539

00:27:26,330 --> 00:27:23,940

um

540

00:27:28,430 --> 00:27:26,340

Barry Greenwood who you just had on the

541

00:27:30,350 --> 00:27:28,440

show with David Marler Barry Greenwood's

542

00:27:33,890 --> 00:27:30,360

an old-time UFO researcher he's been

543

00:27:35,330 --> 00:27:33,900

around for a long time and

544

00:27:37,909 --> 00:27:35,340

uh

545

00:27:40,250 --> 00:27:37,919

Greenwood was the first person to get

546

00:27:43,490 --> 00:27:40,260

wind of these documents

547

00:27:47,810 --> 00:27:43,500

um yeah because of a um

548

00:27:50,570 --> 00:27:47,820

a researcher that was

549

00:27:53,690 --> 00:27:50,580

more kind of uh

550

00:27:58,610 --> 00:27:55,669

he was he was getting Snippets of

551  
00:28:01,070 --> 00:27:58,620  
information for more and he was sending

552  
00:28:03,649 --> 00:28:01,080  
in a fo Freedom of Information foia

553  
00:28:06,950 --> 00:28:03,659  
requests trying to get information on uh

554  
00:28:08,870 --> 00:28:06,960  
this strange uh group of people in these

555  
00:28:12,590 --> 00:28:08,880  
documents and so things started getting

556  
00:28:14,750 --> 00:28:12,600  
out that uh these documents exist uh

557  
00:28:16,430 --> 00:28:14,760  
Barry Greenwood was the first person to

558  
00:28:18,710 --> 00:28:16,440  
start writing about this and really

559  
00:28:21,890 --> 00:28:18,720  
looking into this

560  
00:28:24,769 --> 00:28:21,900  
um but he also uh teamed up with a

561  
00:28:27,710 --> 00:28:24,779  
fellow researcher Brad Sparks and uh

562  
00:28:30,409 --> 00:28:27,720  
they presented a paper at the 2007 mufon

563  
00:28:32,870 --> 00:28:30,419

Symposium where they discussed the mj-12

564

00:28:35,990 --> 00:28:32,880

documents and Dodie and Moore's

565

00:28:39,289 --> 00:28:36,000

involvement with them uh Brad Sparks

566

00:28:41,570 --> 00:28:39,299

punched a hole in it from the get-go uh

567

00:28:46,370 --> 00:28:41,580

the the documents were received in the

568

00:28:50,690 --> 00:28:46,380

late 1985. I think as early as 87 uh

569

00:28:53,269 --> 00:28:50,700

Brad Sparks found uh gross errors uh

570

00:28:55,130 --> 00:28:53,279

page three of the Eisenhower briefing

571

00:28:59,149 --> 00:28:55,140

document has a description of Kenneth

572

00:29:01,190 --> 00:28:59,159

Arnold's June 24 1947 sighting there's a

573

00:29:04,450 --> 00:29:01,200

description of a recovery operation

574

00:29:07,490 --> 00:29:04,460

quote in a remote region of New Mexico

575

00:29:11,029 --> 00:29:07,500

located approximately 70 miles Northwest

576

00:29:13,130 --> 00:29:11,039

of our Roswell Army Air Base where

577

00:29:14,269 --> 00:29:13,140

wreckage and four alien bodies were

578

00:29:17,930 --> 00:29:14,279

recovered

579

00:29:21,470 --> 00:29:17,940

now the gross error is that if you're

580

00:29:24,289 --> 00:29:21,480

flying it's 62 miles and if you're

581

00:29:26,450 --> 00:29:24,299

driving it's over a hundred miles so

582

00:29:28,370 --> 00:29:26,460

Sparks pointed that out so you know this

583

00:29:31,490 --> 00:29:28,380

is a briefing document you would think

584

00:29:34,540 --> 00:29:31,500

they'd have their facts straight sure uh

585

00:29:36,049 --> 00:29:34,550

so there are numerous

586

00:29:37,430 --> 00:29:36,059

[Music]

587

00:29:39,769 --> 00:29:37,440

uh

588

00:29:42,649 --> 00:29:39,779

errors in these documents like

589

00:29:45,529 --> 00:29:42,659

grammatical too yeah that that's the

590

00:29:47,690 --> 00:29:45,539

other funny thing yeah uh and this is a

591

00:29:49,190 --> 00:29:47,700

pattern uh before these documents there

592

00:29:50,510 --> 00:29:49,200

were what were called the Aquarius

593

00:29:52,970 --> 00:29:50,520

documents

594

00:29:56,450 --> 00:29:52,980

and this was apparently uh that's

595

00:30:00,049 --> 00:29:56,460

supposed to be a briefing The Carter and

596

00:30:01,970 --> 00:30:00,059

uh the there's a teletype and a an

597

00:30:04,130 --> 00:30:01,980

aquarius document and the Aquarius

598

00:30:05,690 --> 00:30:04,140

document is just a pretty ridiculous

599

00:30:10,430 --> 00:30:05,700

looking

600

00:30:14,149 --> 00:30:10,440

official document

601  
00:30:18,409 --> 00:30:14,159  
um and one of those uh

602  
00:30:20,210 --> 00:30:18,419  
sillier things in that is the idea that

603  
00:30:25,669 --> 00:30:20,220  
um

604  
00:30:27,710 --> 00:30:25,679  
a character essentially uh Jesus they

605  
00:30:29,450 --> 00:30:27,720  
not mentioned by name sent to this

606  
00:30:32,389 --> 00:30:29,460  
planet to uh

607  
00:30:35,090 --> 00:30:32,399  
teach us uh how to be civilized or you

608  
00:30:36,230 --> 00:30:35,100  
know to teach us civilization

609  
00:30:38,510 --> 00:30:36,240  
um

610  
00:30:40,490 --> 00:30:38,520  
so

611  
00:30:42,289 --> 00:30:40,500  
um

612  
00:30:44,090 --> 00:30:42,299  
there were grammatical errors and

613  
00:30:45,769 --> 00:30:44,100

punctuation errors in that as well so

614

00:30:47,990 --> 00:30:45,779

for a briefing document that's pretty

615

00:30:50,210 --> 00:30:48,000

ridiculous as well

616

00:30:53,269 --> 00:30:50,220

um so yeah these these documents ended

617

00:30:55,130 --> 00:30:53,279

up being uh when you if you look at them

618

00:30:57,649 --> 00:30:55,140

I I read them for the very first time

619

00:30:59,330 --> 00:30:57,659

writing this because I grew up with you

620

00:31:01,970 --> 00:30:59,340

know I not grew up but you know I've

621

00:31:05,029 --> 00:31:01,980

been through all this stuff uh lived

622

00:31:06,409 --> 00:31:05,039

with all this for years and back in the

623

00:31:08,750 --> 00:31:06,419

day I wasn't interested enough to

624

00:31:10,490 --> 00:31:08,760

actually read them uh so now I've

625

00:31:13,010 --> 00:31:10,500

actually read them and they're pretty

626

00:31:16,310 --> 00:31:13,020

pretty damn ridiculous

627

00:31:17,570 --> 00:31:16,320

um so uh that's something I learned

628

00:31:19,610 --> 00:31:17,580

along the way

629

00:31:22,669 --> 00:31:19,620

so

630

00:31:25,510 --> 00:31:22,679

now we've punched holes in dodies and

631

00:31:28,190 --> 00:31:25,520

Moore's credibility punched holes the

632

00:31:30,830 --> 00:31:28,200

punched holes in The credibility of the

633

00:31:31,490 --> 00:31:30,840

documents they're presenting

634

00:31:33,110 --> 00:31:31,500

um

635

00:31:35,269 --> 00:31:33,120

and

636

00:31:38,810 --> 00:31:35,279

all this is leading up to this

637

00:31:40,370 --> 00:31:38,820

production of UFO cover-up live

638

00:31:43,430 --> 00:31:40,380

um

639

00:31:45,710 --> 00:31:43,440

but another twist in the road

640

00:31:49,549 --> 00:31:45,720

is this

641

00:31:52,730 --> 00:31:49,559

a group called The aviary

642

00:31:53,630 --> 00:31:52,740

um which is part four

643

00:31:55,370 --> 00:31:53,640

um

644

00:31:56,690 --> 00:31:55,380

and

645

00:32:00,049 --> 00:31:56,700

hmm

646

00:32:02,510 --> 00:32:00,059

the Aviary uh

647

00:32:04,909 --> 00:32:02,520

is you've got the names Falcon and

648

00:32:06,350 --> 00:32:04,919

Condor which uh the guys who were in UFO

649

00:32:08,870 --> 00:32:06,360

cover-up live

650

00:32:10,490 --> 00:32:08,880

their

651

00:32:12,710 --> 00:32:10,500

uh

652

00:32:14,149 --> 00:32:12,720

there was there were rumors going out

653

00:32:16,610 --> 00:32:14,159

that there was this group much like

654

00:32:24,669 --> 00:32:16,620

mj-12 of government insiders military

655

00:32:28,549 --> 00:32:24,679

and intelligence uh that uh were

656

00:32:31,190 --> 00:32:28,559

basically a UFO working group

657

00:32:33,889 --> 00:32:31,200

um and it seems there actually was a UFO

658

00:32:37,549 --> 00:32:33,899

working group and Ralph Blum looked into

659

00:32:40,070 --> 00:32:37,559

it in his 1990 book out there

660

00:32:42,230 --> 00:32:40,080

um and they were made up of people who

661

00:32:44,149 --> 00:32:42,240

were members of or who had connections

662

00:32:46,789 --> 00:32:44,159

to the military and intelligence

663

00:32:50,149 --> 00:32:46,799

community and had a genuine interest in

664

00:32:52,370 --> 00:32:50,159

the UFO subject uh so you know this is

665

00:32:54,289 --> 00:32:52,380

where I get to you know people are

666

00:32:57,110 --> 00:32:54,299

people uh whether they're in the

667

00:32:59,450 --> 00:32:57,120

government or you know in the military

668

00:33:02,510 --> 00:32:59,460

or in intelligence circles there are

669

00:33:06,409 --> 00:33:02,520

people as we know from people like uh

670

00:33:08,269 --> 00:33:06,419

kit green and uh Christopher Mellon who

671

00:33:12,169 --> 00:33:08,279

are genuinely interested in the UFO

672

00:33:14,509 --> 00:33:12,179

subject and try to get information about

673

00:33:16,549 --> 00:33:14,519

it and use their uh use their

674

00:33:17,169 --> 00:33:16,559

connections

675

00:33:18,710 --> 00:33:17,179

um

676

00:33:20,870 --> 00:33:18,720

so

677

00:33:22,730 --> 00:33:20,880

the idea that there was an actual group

678

00:33:24,470 --> 00:33:22,740

called the Aviary was

679

00:33:25,970 --> 00:33:24,480

something to look into it's pretty

680

00:33:27,529 --> 00:33:25,980

tenable

681

00:33:30,169 --> 00:33:27,539

well

682

00:33:31,970 --> 00:33:30,179

it didn't occur to me that this it

683

00:33:35,870 --> 00:33:31,980

occurred to me as I'm writing this that

684

00:33:38,210 --> 00:33:35,880

this was at around the same time

685

00:33:41,210 --> 00:33:38,220

that this group started getting active

686

00:33:43,490 --> 00:33:41,220

was around the same time as

687

00:33:49,970 --> 00:33:47,990

project Stargate was uh running a remote

688

00:33:53,570 --> 00:33:49,980

viewing program

689

00:33:55,310 --> 00:33:53,580

um that was started at um oh where was

690

00:33:56,389 --> 00:33:55,320

that started

691

00:33:59,269 --> 00:33:56,399

um

692

00:34:04,130 --> 00:33:59,279

it's a government-funded remote viewing

693

00:34:05,750 --> 00:34:04,140

program uh actually the DIA under the

694

00:34:08,869 --> 00:34:05,760

DIA

695

00:34:11,950 --> 00:34:08,879

um and it was uh the funding was

696

00:34:15,349 --> 00:34:11,960

eventually pulled because they didn't

697

00:34:16,849 --> 00:34:15,359

seem to be getting a consistent reliable

698

00:34:17,450 --> 00:34:16,859

results

699

00:34:18,770 --> 00:34:17,460

um

700

00:34:20,810 --> 00:34:18,780

so

701  
00:34:22,490 --> 00:34:20,820  
it was at the same time that this was

702  
00:34:26,329 --> 00:34:22,500  
going on not only that the first Earth

703  
00:34:27,369 --> 00:34:26,339  
Army was going on so this was

704  
00:34:33,409 --> 00:34:27,379  
um

705  
00:34:37,490 --> 00:34:33,419  
and a book uh the men are scared the

706  
00:34:40,250 --> 00:34:37,500  
ministeric goats stared at Goats uh and

707  
00:34:43,609 --> 00:34:40,260  
uh written by John Ronson

708  
00:34:45,829 --> 00:34:43,619  
um and the um the documentary version

709  
00:34:47,750 --> 00:34:45,839  
can be seen in the series uh secret

710  
00:34:50,089 --> 00:34:47,760  
rulers of the world

711  
00:34:53,149 --> 00:34:50,099  
uh and so this

712  
00:34:55,250 --> 00:34:53,159  
involved people that some of whom were

713  
00:34:58,790 --> 00:34:55,260

said to have been involved in the okay

714

00:35:01,490 --> 00:34:58,800

there's a list of who this Aviary might

715

00:35:05,089 --> 00:35:01,500

be uh it shows up in Adam go rightly's

716

00:35:08,270 --> 00:35:05,099

book uh saucer Spooks and Kooks uh and

717

00:35:11,270 --> 00:35:08,280

it shows up in other different versions

718

00:35:13,490 --> 00:35:11,280

of this list show up all over the web

719

00:35:16,190 --> 00:35:13,500

um Richard Doty Sparrow Robert Collins

720

00:35:18,589 --> 00:35:16,200

Condor a guy named early Ernie Keller

721

00:35:21,950 --> 00:35:18,599

Strauss Hawk he'll become an important

722

00:35:25,190 --> 00:35:21,960

character in this discussion Jamie uh

723

00:35:27,170 --> 00:35:25,200

chandaray woodpecker John Alexander whom

724

00:35:30,470 --> 00:35:27,180

I'm sure a lot of people have heard of

725

00:35:33,050 --> 00:35:30,480

penguin and then there's a kit green

726

00:35:38,210 --> 00:35:33,060

blue jay how put off we've heard of him

727

00:35:39,170 --> 00:35:38,220

uh owl and Dr Ron pandolfi Pelican

728

00:35:42,710 --> 00:35:39,180

um

729

00:35:49,150 --> 00:35:46,970

these same guys also a lot of them uh I

730

00:35:53,329 --> 00:35:49,160

think Ernie Keller Strauss in particular

731

00:35:57,530 --> 00:35:53,339

uh went to spoon bending parties

732

00:36:00,650 --> 00:35:57,540

um no viewing uh they were interested in

733

00:36:03,349 --> 00:36:00,660

out of body experiences and a lot of new

734

00:36:08,150 --> 00:36:03,359

age mysticism permeated the military

735

00:36:11,870 --> 00:36:08,160

back in this time uh in after uh

736

00:36:14,329 --> 00:36:11,880

the military's base humiliation in the

737

00:36:16,370 --> 00:36:14,339

uh Vietnam War there was a big morale

738

00:36:18,710 --> 00:36:16,380

problem

739

00:36:21,410 --> 00:36:18,720

um and

740

00:36:23,390 --> 00:36:21,420

I I forget the guy's name I should know

741

00:36:25,250 --> 00:36:23,400

this but um

742

00:36:26,690 --> 00:36:25,260

basically the guy who started the first

743

00:36:29,750 --> 00:36:26,700

Earth Army

744

00:36:31,910 --> 00:36:29,760

uh he started it because he noted that

745

00:36:35,089 --> 00:36:31,920

his uh

746

00:36:37,730 --> 00:36:35,099

so that soldiers in the in uh during

747

00:36:40,670 --> 00:36:37,740

Vietnam I think he counted something

748

00:36:44,089 --> 00:36:40,680

like 60 of them maybe even higher shoot

749

00:36:45,890 --> 00:36:44,099

over the heads of the enemy

750

00:36:48,170 --> 00:36:45,900

um and

751  
00:36:51,349 --> 00:36:48,180  
he wanted to look into this and try and

752  
00:36:53,210 --> 00:36:51,359  
build a better Soldier and he went off

753  
00:36:54,430 --> 00:36:53,220  
and immersed himself in the New Age

754  
00:36:56,030 --> 00:36:54,440  
movement

755  
00:36:58,609 --> 00:36:56,040  
and

756  
00:37:01,670 --> 00:36:58,619  
so you know did all kinds of meditations

757  
00:37:03,650 --> 00:37:01,680  
and etc etc etc and then came back with

758  
00:37:05,990 --> 00:37:03,660  
this uh

759  
00:37:09,050 --> 00:37:06,000  
first I think it was the uh first Earth

760  
00:37:11,270 --> 00:37:09,060  
Battalion uh he had a manual

761  
00:37:14,390 --> 00:37:11,280  
and this actually shows up in the

762  
00:37:16,250 --> 00:37:14,400  
popular version of the um in the

763  
00:37:18,250 --> 00:37:16,260

fictionalized version of the metasteric

764

00:37:21,170 --> 00:37:18,260

goat starring George Clooney

765

00:37:24,849 --> 00:37:21,180

uh with uh

766

00:37:29,990 --> 00:37:27,710

you oh it doesn't matter yeah yeah yeah

767

00:37:32,089 --> 00:37:30,000

yeah so anyway it this is the time

768

00:37:35,089 --> 00:37:32,099

context where all these guys have this

769

00:37:37,370 --> 00:37:35,099

UFO working group going on

770

00:37:40,069 --> 00:37:37,380

um so

771

00:37:42,530 --> 00:37:40,079

what happened

772

00:37:44,990 --> 00:37:42,540

what seems to have happened is that

773

00:37:46,609 --> 00:37:45,000

these guys are trading stories with

774

00:37:49,370 --> 00:37:46,619

each other

775

00:37:51,470 --> 00:37:49,380

um and because they're government

776

00:37:54,650 --> 00:37:51,480

insiders they say well I heard from this

777

00:37:58,430 --> 00:37:54,660

guy uh and then all these stories

778

00:38:00,310 --> 00:37:58,440

started growing in among members of the

779

00:38:02,329 --> 00:38:00,320

intelligence community and the military

780

00:38:04,790 --> 00:38:02,339

who believed in things like remote

781

00:38:07,609 --> 00:38:04,800

viewing and Spoon bending

782

00:38:10,010 --> 00:38:07,619

um and these stories started taking on a

783

00:38:13,069 --> 00:38:10,020

certain credibility because well I heard

784

00:38:14,810 --> 00:38:13,079

it from uh you know Hal put off and I

785

00:38:18,829 --> 00:38:14,820

heard this from kick green news you know

786

00:38:23,630 --> 00:38:18,839

the UFO weird desk at the CIA

787

00:38:26,150 --> 00:38:23,640

um and so this seems to have been the

788

00:38:27,710 --> 00:38:26,160

Aviary now in terms of whether they

789

00:38:29,930 --> 00:38:27,720

really existed

790

00:38:33,530 --> 00:38:29,940

uh

791

00:38:35,270 --> 00:38:33,540

Dodie and Collins actually wrote a book

792

00:38:36,849 --> 00:38:35,280

called The Black World exempt from

793

00:38:39,950 --> 00:38:36,859

disclosure

794

00:38:43,069 --> 00:38:39,960

and you know they claimed yes there

795

00:38:46,430 --> 00:38:43,079

really was an Aviary and they uh there's

796

00:38:48,109 --> 00:38:46,440

uh one uh part where Collins describes a

797

00:38:50,030 --> 00:38:48,119

meeting at the home of Ernie Keller

798

00:38:52,310 --> 00:38:50,040

Strauss that included more chandaray

799

00:38:54,530 --> 00:38:52,320

Dodie and John Alexander according to

800

00:38:57,050 --> 00:38:54,540

Collins and began talking about the E.T

801  
00:38:58,150 --> 00:38:57,060  
who was an ambassador or liaison to the

802  
00:39:01,670 --> 00:38:58,160  
U.S

803  
00:39:03,829 --> 00:39:01,680  
uh so you know these guys are talking

804  
00:39:06,069 --> 00:39:03,839  
about this but does any of them have any

805  
00:39:09,470 --> 00:39:06,079  
proof is there any documentation

806  
00:39:11,450 --> 00:39:09,480  
uh where does this come from well

807  
00:39:12,410 --> 00:39:11,460  
pandolfi

808  
00:39:22,550 --> 00:39:12,420  
um

809  
00:39:24,829 --> 00:39:22,560  
this guy Vince Johnson wrote an article

810  
00:39:26,150 --> 00:39:24,839  
the Aviary the aquarium there was

811  
00:39:28,370 --> 00:39:26,160  
another group called The Aquarium

812  
00:39:32,329 --> 00:39:28,380  
apparently the fish names and

813  
00:39:34,190 --> 00:39:32,339

eschatology which is a study of end time

814

00:39:38,210 --> 00:39:34,200

prophecies

815

00:39:40,970 --> 00:39:38,220

um and uh in relation to people in the

816

00:39:45,829 --> 00:39:40,980

government interested in this

817

00:39:48,290 --> 00:39:45,839

um so in this article there is also a

818

00:39:51,410 --> 00:39:48,300

list of Aviary members similar to the

819

00:39:53,930 --> 00:39:51,420

one I just read which is in uh go right

820

00:39:57,410 --> 00:39:53,940

ADAM Go rightly's books

821

00:39:58,730 --> 00:39:57,420

um so Johnson

822

00:40:01,069 --> 00:39:58,740

um

823

00:40:03,950 --> 00:40:01,079

interviewed Pam dolfi he omits

824

00:40:06,470 --> 00:40:03,960

pandolfi's name uh but as the Pelican

825

00:40:08,990 --> 00:40:06,480

has the code name Pelican he also

826

00:40:11,329 --> 00:40:09,000

describes pandolfi's position at the CIA

827

00:40:13,069 --> 00:40:11,339

as a physicist with the cia's

828

00:40:16,790 --> 00:40:13,079

directorate of Science and Technology

829

00:40:20,390 --> 00:40:16,800

who managed the weird desk uh UFOs Etc

830

00:40:23,510 --> 00:40:20,400

at the CIA so it's almost certainly

831

00:40:27,050 --> 00:40:23,520

pandolfi and pandolfi was described also

832

00:40:30,650 --> 00:40:27,060

Isaac Coy did a threat of the on this

833

00:40:32,750 --> 00:40:30,660

um on an Above Top Secret Forum

834

00:40:35,270 --> 00:40:32,760

um he called pandolfi the successor of

835

00:40:37,790 --> 00:40:35,280

kick green as The cia's Keeper of the

836

00:40:41,210 --> 00:40:37,800

weird working on the cia's weird desk so

837

00:40:43,910 --> 00:40:41,220

this is almost certainly pandolfi uh and

838

00:40:46,910 --> 00:40:43,920

according to Johnson when he asked uh

839

00:40:48,650 --> 00:40:46,920

about the Aviary

840

00:40:51,190 --> 00:40:48,660

um

841

00:40:54,530 --> 00:40:51,200

uh

842

00:40:56,390 --> 00:40:54,540

pandolfi said the Aviary is nothing more

843

00:40:59,150 --> 00:40:56,400

than the product of the somewhat

844

00:41:02,109 --> 00:40:59,160

deranged mine of Falcon that's confusing

845

00:41:05,870 --> 00:41:02,119

retired uh it's actually Condor but

846

00:41:09,109 --> 00:41:05,880

ranged mind of Falcon retired Air Force

847

00:41:11,270 --> 00:41:09,119

Captain Robert Collins and he went on to

848

00:41:13,849 --> 00:41:11,280

describe how Collins was discharged from

849

00:41:15,710 --> 00:41:13,859

the Air Force after being arrested

850

00:41:17,829 --> 00:41:15,720

inside the security perimeter of the

851  
00:41:20,870 --> 00:41:17,839  
Manzano nuclear weapons storage facility

852  
00:41:23,450 --> 00:41:20,880  
according to pandolfi Collins told his

853  
00:41:24,790 --> 00:41:23,460  
captors that he was there to meet the

854  
00:41:27,050 --> 00:41:24,800  
president

855  
00:41:30,589 --> 00:41:27,060  
and so

856  
00:41:31,609 --> 00:41:30,599  
it looks like Colin was a bit wacky

857  
00:41:35,630 --> 00:41:31,619  
um

858  
00:41:42,710 --> 00:41:39,410  
other uh hole in the whole Aviary thing

859  
00:41:43,550 --> 00:41:42,720  
is or an explanation where some of

860  
00:41:46,790 --> 00:41:43,560  
theirs

861  
00:41:48,829 --> 00:41:46,800  
information was coming from uh can be

862  
00:41:52,030 --> 00:41:48,839  
seen in a

863  
00:41:55,430 --> 00:41:52,040

paper by Bruce mcenbeckby

864

00:41:58,370 --> 00:41:55,440

he interviewed Ernie Keller Strauss Hawk

865

00:42:01,730 --> 00:41:58,380

I was a lieutenant colonel U.S Air Force

866

00:42:04,430 --> 00:42:01,740

retired and he published it in 1985 and

867

00:42:06,349 --> 00:42:04,440

it's called Hawk Tales

868

00:42:08,329 --> 00:42:06,359

um

869

00:42:10,730 --> 00:42:08,339

Keller Strauss describes getting

870

00:42:12,589 --> 00:42:10,740

information from Dale Graf a one-time

871

00:42:16,190 --> 00:42:12,599

director of project Stargate the remote

872

00:42:19,670 --> 00:42:16,200

viewing program about ebes one of whom

873

00:42:22,250 --> 00:42:19,680

liked to go the go to the beach I talked

874

00:42:24,890 --> 00:42:22,260

about recovered craft and a book where

875

00:42:26,870 --> 00:42:24,900

all of this was documented uh Keller

876

00:42:28,910 --> 00:42:26,880

Strauss talks about grass intense

877

00:42:30,349 --> 00:42:28,920

interest in the Paranormal and out of

878

00:42:34,190 --> 00:42:30,359

body experiences

879

00:42:36,710 --> 00:42:34,200

uh so it's an open-minded guy

880

00:42:39,530 --> 00:42:36,720

um but an important thing that Maccabee

881

00:42:41,270 --> 00:42:39,540

wrote was in his epilogue he said one

882

00:42:43,010 --> 00:42:41,280

other other thing should be mentioned to

883

00:42:46,190 --> 00:42:43,020

put this into a special historical

884

00:42:48,530 --> 00:42:46,200

context in the middle of the 1970s the

885

00:42:52,250 --> 00:42:48,540

CIA established the top secret program

886

00:42:54,589 --> 00:42:52,260

to investigate remote viewing

887

00:42:57,650 --> 00:42:54,599

um Maccabee describes that some remote

888

00:42:59,329 --> 00:42:57,660

viewers reported seeing UFOs and tells

889

00:43:01,190 --> 00:42:59,339

the reader that this established a

890

00:43:03,470 --> 00:43:01,200

connection not an expected or wanted

891

00:43:06,770 --> 00:43:03,480

connection between the remote viewing

892

00:43:09,349 --> 00:43:06,780

program and UFO investigation

893

00:43:11,750 --> 00:43:09,359

uh it became apparent that these two

894

00:43:14,690 --> 00:43:11,760

parallel investigations were welded

895

00:43:17,690 --> 00:43:14,700

together at a highly classified level

896

00:43:20,109 --> 00:43:17,700

uh so correctly kind of references this

897

00:43:22,550 --> 00:43:20,119

in saucer Spooks and coops

898

00:43:24,650 --> 00:43:22,560

essentially saying that these guys were

899

00:43:27,349 --> 00:43:24,660

getting their UFO and ET information

900

00:43:28,670 --> 00:43:27,359

from remote viewers

901  
00:43:31,849 --> 00:43:28,680  
um

902  
00:43:34,790 --> 00:43:31,859  
so you know so

903  
00:43:38,390 --> 00:43:34,800  
the likelihood is that this was a it

904  
00:43:40,550 --> 00:43:38,400  
that what people you know thought was

905  
00:43:43,730 --> 00:43:40,560  
this you know highly organized uh group

906  
00:43:46,069 --> 00:43:43,740  
called the Aviary uh who were passing

907  
00:43:47,750 --> 00:43:46,079  
along uh UFO information Insider

908  
00:43:50,450 --> 00:43:47,760  
information and getting the dirt and

909  
00:43:51,950 --> 00:43:50,460  
kind of feeding it out to the public and

910  
00:43:54,530 --> 00:43:51,960  
then for some reason Dodie's

911  
00:43:56,270 --> 00:43:54,540  
disinforming the public it really seems

912  
00:43:58,190 --> 00:43:56,280  
to have been an informal UFO working

913  
00:44:00,770 --> 00:43:58,200

group of guys who are interested in this

914

00:44:02,450 --> 00:44:00,780

along with a lot of other esoteric

915

00:44:04,069 --> 00:44:02,460

things

916

00:44:06,710 --> 00:44:04,079

um and they actually they actually

917

00:44:08,990 --> 00:44:06,720

admitted or a few of them like kit green

918

00:44:12,230 --> 00:44:09,000

actually admitted

919

00:44:14,630 --> 00:44:12,240

uh that they were part they did

920

00:44:17,870 --> 00:44:14,640

they were part of the Aviary

921

00:44:19,370 --> 00:44:17,880

uh Collins and Dodie wrote it in their

922

00:44:21,230 --> 00:44:19,380

book

923

00:44:22,730 --> 00:44:21,240

um I don't I don't know about kick green

924

00:44:24,410 --> 00:44:22,740

uh admitting that he was part of the

925

00:44:26,150 --> 00:44:24,420

Aviary

926

00:44:27,109 --> 00:44:26,160

um but

927

00:44:30,290 --> 00:44:27,119

um

928

00:44:33,589 --> 00:44:30,300

you know I I'm actually not to uh too up

929

00:44:35,030 --> 00:44:33,599

on uh kick Green in terms of that uh but

930

00:44:37,670 --> 00:44:35,040

you know Keller Strauss talked about

931

00:44:39,470 --> 00:44:37,680

being you know part of this working

932

00:44:41,329 --> 00:44:39,480

group I don't think Keller Strauss

933

00:44:42,829 --> 00:44:41,339

actually yeah I think Keller Strauss

934

00:44:45,109 --> 00:44:42,839

called himself Hawk as well because this

935

00:44:50,030 --> 00:44:45,119

is called Hawk Tales

936

00:44:53,089 --> 00:44:50,040

um so anyway in into this Miu uh Dodie

937

00:44:55,970 --> 00:44:53,099

got more in touch with Collins and this

938

00:44:57,710 --> 00:44:55,980

UFO working group so Moore and Chandray

939

00:45:00,050 --> 00:44:57,720

as I was mentioned here there was

940

00:45:03,230 --> 00:45:00,060

actually a meeting with more Shandarin

941

00:45:05,750 --> 00:45:03,240

Dodie uh at the home of Keller Strauss

942

00:45:09,050 --> 00:45:05,760

and like I said they they're like uh it

943

00:45:11,630 --> 00:45:09,060

it in uh

944

00:45:13,970 --> 00:45:11,640

Collins said they began talking about

945

00:45:19,250 --> 00:45:13,980

the E.T who was an ambassador or liaison

946

00:45:23,089 --> 00:45:19,260

to the U.S uh so Chandray and more are

947

00:45:25,490 --> 00:45:23,099

privy to this apparently to this uh UFO

948

00:45:28,490 --> 00:45:25,500

working group and getting what they

949

00:45:33,589 --> 00:45:28,500

think is all this inside information

950

00:45:38,630 --> 00:45:34,910

um

951  
00:45:40,609 --> 00:45:38,640  
where the MJ 12 papers likely came from

952  
00:45:42,050 --> 00:45:40,619  
is talked about

953  
00:45:45,349 --> 00:45:42,060  
by

954  
00:45:48,589 --> 00:45:45,359  
um Brad Sparks and Barry Greenwood

955  
00:45:51,170 --> 00:45:48,599  
um and

956  
00:45:53,030 --> 00:45:51,180  
they talk about

957  
00:45:55,190 --> 00:45:53,040  
Stan Friedman was doing a lot of

958  
00:45:57,290 --> 00:45:55,200  
research and he's coming up with names

959  
00:45:59,569 --> 00:45:57,300  
that he thought were likely people if

960  
00:46:02,510 --> 00:45:59,579  
there was some group in the government

961  
00:46:05,050 --> 00:46:02,520  
this is all pre-mj12 these are the

962  
00:46:07,970 --> 00:46:05,060  
people who would be this might be

963  
00:46:09,950 --> 00:46:07,980

more is having discussions with Dodie

964

00:46:13,309 --> 00:46:09,960

because they're trying to write a book

965

00:46:14,809 --> 00:46:13,319

together uh with Robert Pratt as the

966

00:46:15,530 --> 00:46:14,819

author

967

00:46:17,750 --> 00:46:15,540

um

968

00:46:20,450 --> 00:46:17,760

and Robert Pride actually started

969

00:46:22,670 --> 00:46:20,460

recording phone calls from more uh the

970

00:46:25,670 --> 00:46:22,680

book was I think they started in 1982

971

00:46:30,230 --> 00:46:25,680

the the and the the book kind of fizzled

972

00:46:33,170 --> 00:46:30,240

by 1984 they never got it done but

973

00:46:34,970 --> 00:46:33,180

um the idea is that the it was Pratt's

974

00:46:38,390 --> 00:46:34,980

idea that they fictionalized it with

975

00:46:40,970 --> 00:46:38,400

which more begrudgingly went along with

976  
00:46:42,370 --> 00:46:40,980  
and

977  
00:46:47,750 --> 00:46:42,380  
um

978  
00:46:53,809 --> 00:46:49,390  
so

979  
00:46:56,210 --> 00:46:53,819  
Dodie was sitting down with more and

980  
00:46:58,250 --> 00:46:56,220  
um Moore was telling him well you know

981  
00:46:59,870 --> 00:46:58,260  
we found this we found this we you know

982  
00:47:02,390 --> 00:46:59,880  
we think this we think that you know

983  
00:47:05,089 --> 00:47:02,400  
this is giving him everything he found

984  
00:47:06,410 --> 00:47:05,099  
in his research and then Dodie would

985  
00:47:09,770 --> 00:47:06,420  
come around

986  
00:47:10,849 --> 00:47:09,780  
uh and feed him back what he just told

987  
00:47:13,790 --> 00:47:10,859  
him so

988  
00:47:16,730 --> 00:47:13,800

um and eventually in the form of the

989

00:47:18,349 --> 00:47:16,740

mj-12 documents which uh Friedman

990

00:47:19,910 --> 00:47:18,359

actually commented oh these are all the

991

00:47:22,130 --> 00:47:19,920

names we thought they would be well of

992

00:47:25,069 --> 00:47:22,140

course because you gave them the names

993

00:47:29,390 --> 00:47:25,079

uh so there's this feedback loop going

994

00:47:31,250 --> 00:47:29,400

on uh that that Greenwood and uh Sparks

995

00:47:33,530 --> 00:47:31,260

talked about they wrote an extensive

996

00:47:37,430 --> 00:47:33,540

paper that they presented at the 2007

997

00:47:38,329 --> 00:47:37,440

mufon Symposium you can find that online

998

00:47:41,150 --> 00:47:38,339

um

999

00:47:43,849 --> 00:47:41,160

and so yeah they discuss this feedback

1000

00:47:46,670 --> 00:47:43,859

loop and so not only did you have this

1001

00:47:49,069 --> 00:47:46,680

feedback loop going on between you know

1002

00:47:54,349 --> 00:47:49,079

Dodie Moore and Friedman

1003

00:47:57,349 --> 00:47:54,359

um you also had Dodie with his guys uh

1004

00:48:00,050 --> 00:47:57,359

the the UFO working group

1005

00:48:02,270 --> 00:48:00,060

um so all this crazy stuff is just

1006

00:48:04,550 --> 00:48:02,280

spiraling around

1007

00:48:07,130 --> 00:48:04,560

um yeah one one point I'd like to give

1008

00:48:10,309 --> 00:48:07,140

you to talk about real quickly is uh the

1009

00:48:13,930 --> 00:48:10,319

the situation with the mj-12 documents

1010

00:48:17,690 --> 00:48:13,940

they were being uh Timothy good

1011

00:48:19,970 --> 00:48:17,700

was uh was going to publish at the same

1012

00:48:23,510 --> 00:48:19,980

time that bill Moore was going to

1013

00:48:25,970 --> 00:48:23,520

publish and yet Timothy good uh they

1014

00:48:28,490 --> 00:48:25,980

were having a press conference so Bill

1015

00:48:32,030 --> 00:48:28,500

Moore hurriedly uh put something

1016

00:48:33,650 --> 00:48:32,040

together to to make sure that uh there

1017

00:48:35,870 --> 00:48:33,660

was an appearance that these were

1018

00:48:38,210 --> 00:48:35,880

International you know internationally

1019

00:48:39,470 --> 00:48:38,220

known because Timothy Goodson you know

1020

00:48:43,250 --> 00:48:39,480

England

1021

00:48:46,849 --> 00:48:43,260

um so I I think that is really uh quite

1022

00:48:49,550 --> 00:48:46,859

telling and the mj-12 documents kind of

1023

00:48:51,230 --> 00:48:49,560

fit what uh Bill Moore was writing in

1024

00:48:53,569 --> 00:48:51,240

his book about Roswell so everything

1025

00:48:57,650 --> 00:48:53,579

kind of fit together in that way as well

1026

00:49:01,370 --> 00:48:57,660

yeah this is a class uh Philip class uh

1027

00:49:03,650 --> 00:49:01,380

summed up all this uh

1028

00:49:04,490 --> 00:49:03,660

uh yeah

1029

00:49:06,530 --> 00:49:04,500

um

1030

00:49:10,910 --> 00:49:06,540

well one of the things that came up with

1031

00:49:15,770 --> 00:49:13,730

Sparks Brad Sparks

1032

00:49:18,950 --> 00:49:15,780

um Moore actually made a suggestion

1033

00:49:19,670 --> 00:49:18,960

according to uh class

1034

00:49:24,050 --> 00:49:19,680

um

1035

00:49:26,650 --> 00:49:24,060

that uh he told Brad Sparks that he and

1036

00:49:29,750 --> 00:49:26,660

Stan Friedman had run into a dead end

1037

00:49:31,550 --> 00:49:29,760

and Moore made the suggestion to Sparks

1038

00:49:33,589 --> 00:49:31,560

that fake government documents could be

1039

00:49:36,890 --> 00:49:33,599

created this is all before the rods you

1040

00:49:38,569 --> 00:49:36,900

know the this is 1983. uh the fake

1041

00:49:42,050 --> 00:49:38,579

government documents could be created

1042

00:49:43,690 --> 00:49:42,060

that might induce people to come forward

1043

00:49:46,790 --> 00:49:43,700

um

1044

00:49:50,510 --> 00:49:46,800

these Sparks called Friedman and

1045

00:49:53,150 --> 00:49:50,520

according to uh class and was shocked to

1046

00:49:54,890 --> 00:49:53,160

find that Friedman was for the idea

1047

00:50:04,010 --> 00:49:54,900

so

1048

00:50:07,790 --> 00:50:04,020

according class he got together with uh

1049

00:50:10,309 --> 00:50:07,800

Moore had a problem because if he

1050

00:50:13,309 --> 00:50:10,319

released the documents and they found

1051  
00:50:15,050 --> 00:50:13,319  
were found to be faked uh it looks

1052  
00:50:17,770 --> 00:50:15,060  
pretty bad for more because he's the guy

1053  
00:50:22,190 --> 00:50:17,780  
that would profit most from all this

1054  
00:50:24,650 --> 00:50:22,200  
uh so a good solution of the problem was

1055  
00:50:28,010 --> 00:50:24,660  
when he met British UFO researcher

1056  
00:50:29,569 --> 00:50:28,020  
Timothy good in May of 1986. he made an

1057  
00:50:32,690 --> 00:50:29,579  
arrangement with good that good could

1058  
00:50:34,970 --> 00:50:32,700  
publish the papers in the book Above Top

1059  
00:50:37,309 --> 00:50:34,980  
Secret and it would make it look like

1060  
00:50:38,930 --> 00:50:37,319  
both more and good got the documents

1061  
00:50:41,150 --> 00:50:38,940  
independently

1062  
00:50:43,670 --> 00:50:41,160  
um from a source or sources in the

1063  
00:50:44,930 --> 00:50:43,680

intelligence community and the documents

1064

00:50:46,790 --> 00:50:44,940

would also receive immediate

1065

00:50:50,030 --> 00:50:46,800

international coverage

1066

00:50:53,630 --> 00:50:50,040

so Warren Friedman were scheduled to

1067

00:50:56,390 --> 00:50:53,640

speak on June 14 1987 at the 24th annual

1068

00:50:58,490 --> 00:50:56,400

UFO conference in Burbank California

1069

00:51:00,950 --> 00:50:58,500

which was sponsored by more

1070

00:51:02,450 --> 00:51:00,960

uh and they were going to review uh

1071

00:51:05,990 --> 00:51:02,460

release

1072

00:51:08,990 --> 00:51:06,000

reveal some very startling material

1073

00:51:11,890 --> 00:51:09,000

uh unfortunately Goods publisher decided

1074

00:51:16,970 --> 00:51:11,900

to hold a press conference on May 29th

1075

00:51:19,870 --> 00:51:16,980

and feature the books MJ 12 documents

1076

00:51:24,049 --> 00:51:19,880

so good actually uh

1077

00:51:26,630 --> 00:51:24,059

had the good graces to uh tell more of

1078

00:51:28,430 --> 00:51:26,640

his Publisher's plans and more had the

1079

00:51:30,410 --> 00:51:28,440

scramble to release his copies first and

1080

00:51:32,450 --> 00:51:30,420

he got them to the media to the media on

1081

00:51:34,309 --> 00:51:32,460

May 28th just one day before the British

1082

00:51:37,670 --> 00:51:34,319

press conference

1083

00:51:41,870 --> 00:51:37,680

so yeah that's that whole story

1084

00:51:44,390 --> 00:51:41,880

um pretty pretty bizarre yeah yeah a big

1085

00:51:46,309 --> 00:51:44,400

guy that uh was really hammering on

1086

00:51:49,490 --> 00:51:46,319

these people too

1087

00:51:52,430 --> 00:51:49,500

um especially on Warren Dodie uh was

1088

00:51:55,010 --> 00:51:52,440

Robert Hastings and um

1089

00:51:57,170 --> 00:51:55,020

uh he wrote a very early piece on this

1090

00:51:59,210 --> 00:51:57,180

and he he really went to town he went to

1091

00:52:01,130 --> 00:51:59,220

town on Dodie

1092

00:52:02,990 --> 00:52:01,140

um and

1093

00:52:04,670 --> 00:52:03,000

um Dodie

1094

00:52:07,970 --> 00:52:04,680

threatened at least one person with

1095

00:52:09,950 --> 00:52:07,980

litigation back then uh and Hastings

1096

00:52:10,970 --> 00:52:09,960

called him out and basically said if

1097

00:52:12,950 --> 00:52:10,980

you're going to threaten me with

1098

00:52:16,670 --> 00:52:12,960

litigation that means you have to in

1099

00:52:21,470 --> 00:52:16,680

court uh say that you were or were not

1100

00:52:23,870 --> 00:52:21,480

an actual you disinformation agent uh so

1101

00:52:26,390 --> 00:52:23,880

I think that was uh

1102

00:52:30,410 --> 00:52:26,400

Hastings whole card

1103

00:52:33,530 --> 00:52:30,420

um yeah so played it early yeah yeah so

1104

00:52:35,329 --> 00:52:33,540

yeah so this is all the stuff leading up

1105

00:52:36,890 --> 00:52:35,339

to this ridiculous train wreck of a

1106

00:52:39,010 --> 00:52:36,900

program and this is all the stuff that's

1107

00:52:41,750 --> 00:52:39,020

swirling around in ufology at the time

1108

00:52:43,490 --> 00:52:41,760

and to this day there are people out

1109

00:52:45,770 --> 00:52:43,500

there that are still confused about all

1110

00:52:48,730 --> 00:52:45,780

this what to believe what not to believe

1111

00:52:53,890 --> 00:52:48,740

there are people that uh

1112

00:52:56,390 --> 00:52:53,900

you know still will you know probably

1113

00:52:58,849 --> 00:52:56,400

beat you up if you tell them that the

1114

00:53:02,870 --> 00:52:58,859

mj-12 papers are fake

1115

00:53:05,089 --> 00:53:02,880

um I think Stan Stan was

1116

00:53:07,069 --> 00:53:05,099

yeah very much thought they you know he

1117

00:53:09,290 --> 00:53:07,079

was backing them up all the way to you

1118

00:53:11,630 --> 00:53:09,300

know we had conversations right to the

1119

00:53:13,670 --> 00:53:11,640

end and he still thought they were right

1120

00:53:17,030 --> 00:53:13,680

you know he did all that research in the

1121

00:53:19,549 --> 00:53:17,040

archives and he found you know things

1122

00:53:22,490 --> 00:53:19,559

that kind of matched and stuff like that

1123

00:53:24,890 --> 00:53:22,500

but I uh yeah I personally don't have a

1124

00:53:27,049 --> 00:53:24,900

lot of faith in them yeah I think there

1125

00:53:29,450 --> 00:53:27,059

are a few other kind of mainstream

1126  
00:53:30,829 --> 00:53:29,460  
people out there that were touting them

1127  
00:53:33,290 --> 00:53:30,839  
is real

1128  
00:53:35,569 --> 00:53:33,300  
yeah like I said I'm sure there's still

1129  
00:53:37,490 --> 00:53:35,579  
people to this day and uh you know

1130  
00:53:41,030 --> 00:53:37,500  
Stanton Freeman had a lot vested in all

1131  
00:53:43,569 --> 00:53:41,040  
this he had a lot vested in um Roswell

1132  
00:53:47,630 --> 00:53:43,579  
which you know I've said

1133  
00:53:49,130 --> 00:53:47,640  
repeatedly uh on Fair numerous podcasts

1134  
00:53:52,609 --> 00:53:49,140  
that you know that's a real danger in

1135  
00:53:55,250 --> 00:53:52,619  
UFO researcher is to

1136  
00:53:58,069 --> 00:53:55,260  
um invest so much time on a single case

1137  
00:54:00,950 --> 00:53:58,079  
because if things start looking shaky

1138  
00:54:02,870 --> 00:54:00,960

yeah eggs in the basket as they say you

1139

00:54:04,309 --> 00:54:02,880

know what I just I just we're out of

1140

00:54:08,630 --> 00:54:04,319

time can you believe that that went off

1141

00:54:10,670 --> 00:54:08,640

that quick wow and uh and yeah uh Bill's

1142

00:54:12,710 --> 00:54:10,680

gonna run so thank you so much Charles

1143

00:54:14,990 --> 00:54:12,720

and really thank you for everything you

1144

00:54:17,089 --> 00:54:15,000

do which is a lot I really appreciate it

1145

00:54:20,089 --> 00:54:17,099

my pleasure the time went really quick

1146

00:54:21,710 --> 00:54:20,099

it did happy holidays to you as well all

1147

00:54:24,049 --> 00:54:21,720

right YouTube Martin all right have a

1148

00:54:25,910 --> 00:54:24,059

good night yeah all right everyone we'll

1149

00:54:28,849 --> 00:54:25,920

be back with Avi Loeb next week tomorrow

1150

00:54:30,530 --> 00:54:28,859

Mark d'antonio and I will be here at

1151

00:54:33,829 --> 00:54:30,540

eight o'clock so hope to see you there

1152

00:54:36,770 --> 00:54:33,839

thank you very much and I appreciate you

1153

00:54:39,920 --> 00:54:36,780

all uh listening and remember to keep

1154

00:54:43,250 --> 00:54:39,930

your eyes to the sky

1155

00:54:43,260 --> 00:54:49,240

foreign
