behind the scenes of UFO cover-up live

4  
00:00:41,569 --> 00:00:39,420  
part 4 by Charles Lear in last week's

5  
00:00:44,030 --> 00:00:41,579  
blog we looked at the Majestic 12 papers

6  
00:00:46,190 --> 00:00:44,040  
and how UFO researchers came to believe

7  
00:00:48,170 --> 00:00:46,200  
that they had been hoaxed Air Force

8  
00:00:50,630 --> 00:00:48,180  
office of special investigation special

9  
00:00:52,190 --> 00:00:50,640  
agent Richard Doty was thought to have

10  
00:00:54,410 --> 00:00:52,200  
been responsible for faking the

11  
00:00:56,689 --> 00:00:54,420  
documents an author researcher William

12  
00:00:58,910 --> 00:00:56,699  
Moore introduced them to his fellow

13  
00:01:01,069 --> 00:00:58,920

researchers and then presented them to

14

00:01:03,349 --> 00:01:01,079

the media this week we'll look at how

15

00:01:06,289 --> 00:01:03,359

Morin Doty became involved in the

16

00:01:08,929 --> 00:01:06,299

television production UFO cover-up live

17

00:01:11,870 --> 00:01:08,939

along with the excitement and confusion

18

00:01:13,370 --> 00:01:11,880

generated by the mj-12 documents there

19

00:01:15,890 --> 00:01:13,380

were rumors that there was a modern

20

00:01:17,570 --> 00:01:15,900

version of the mj-12 group leaking

21

00:01:20,510 --> 00:01:17,580

information about the government's

22

00:01:22,609 --> 00:01:20,520

secret UFO program this group reportedly

23

00:01:25,670 --> 00:01:22,619

used the names of birds as code names

24

00:01:27,530 --> 00:01:25,680

and became known as the Aviary this

25

00:01:30,230 --> 00:01:27,540

seems to have come from a UFO working

26  
00:01:32,390 --> 00:01:30,240  
group made up of people who were members

27  
00:01:34,730 --> 00:01:32,400  
of or had connections to the military

28  
00:01:37,370 --> 00:01:34,740  
and intelligence communities and had a

29  
00:01:39,530 --> 00:01:37,380  
genuine interest in the UFO subject this

30  
00:01:42,590 --> 00:01:39,540  
was first written about Howard Blum in

31  
00:01:44,630 --> 00:01:42,600  
his 1990 book out there it also seems

32  
00:01:46,429 --> 00:01:44,640  
that some of the people were open to the

33  
00:01:48,109 --> 00:01:46,439  
new age mystical ideas that had

34  
00:01:50,749 --> 00:01:48,119  
permeated throughout those communities

35  
00:01:53,270 --> 00:01:50,759  
in the 1980s that were the subject of

36  
00:01:55,969 --> 00:01:53,280  
the 2006 book the man who stared at

37

44

00:02:14,210 --> 00:02:12,720

Johnson's words pandolfi said that the

107  
00:05:03,409 --> 00:05:00,300  
Aviary is nothing more than the product

108  
00:05:06,730 --> 00:05:03,419  
of the somewhat dranged mind of Falcon

retired Air Force Captain Robert Collins

pandolfi went on to describe about

111  
00:05:13,129 --> 00:05:10,620  
Collins was discharged from the Air

112  
00:05:14,870 --> 00:05:13,139

115

00:05:21,710 --> 00:05:19,560

according to pandolfi Collins told his

116

00:05:23,689 --> 00:05:21,720

captors that he was there to meet the

117

00:05:25,550 --> 00:05:23,699

President pandolfi also said that

118

00:05:28,249 --> 00:05:25,560

Collins sent him letters with his

119

00:05:30,230 --> 00:05:28,259

pandolfi's real name on the outside we

120

00:05:32,210 --> 00:05:30,240

assumed that meant the envelope and his

121

00:05:34,670 --> 00:05:32,220

code name in the letter and that he

122

00:05:37,550 --> 00:05:34,680

pandolfi put the letters up on the walls

123

00:05:39,409 --> 00:05:37,560

of his office to amuse his colleagues go

124

00:05:41,689 --> 00:05:39,419

125

00:05:43,610 --> 00:05:41,699

black World exempt from disclosure where

126

00:05:45,950 --> 00:05:43,620

Collins describes a meeting at the home

127

00:05:48,830 --> 00:05:45,960

of Ernie Keller Strauss that included

128

00:05:51,469 --> 00:05:48,840

more shandara Dodie and John Alexander

129

00:05:54,469 --> 00:05:51,479

according to Collins they began talking

130

00:05:57,409 --> 00:05:54,479

about the E.T who was an ambassador for

131

00:06:00,050 --> 00:05:57,419

liaison to the U.S looking at various

132

00:06:01,969 --> 00:06:00,060

lists of purported Aviary members one

133

00:06:03,650 --> 00:06:01,979

can see that there are a few names that

134

00:06:06,170 --> 00:06:03,660

have been Associated by their own

135

00:06:08,090 --> 00:06:06,180

admission and documentation that can be

136

00:06:10,730 --> 00:06:08,100

found in koi's thread with a remote

137

00:06:13,430 --> 00:06:10,740

viewing program called project Stargate

138

00:06:16,670 --> 00:06:13,440

set up by the DIA at Fort Meade Maryland

139

00:06:18,830 --> 00:06:16,680

in 1978. go rightly references

140

00:06:20,990 --> 00:06:18,840

interviews that Bruce Maccabee conducted

141

00:06:23,809 --> 00:06:21,000

with Ernie Keller Strauss Lieutenant

142

00:06:27,350 --> 00:06:23,819

Colonel USAF retired and published in

143

00:06:29,809 --> 00:06:27,360

1985 in an article titled Hawk Tales

144

00:06:32,570 --> 00:06:29,819

starting on page 59 of the article

145

00:06:34,309 --> 00:06:32,580

Keller Strauss referred to only as Hawk

146

00:06:36,890 --> 00:06:34,319

by Maccabee describes getting

147

00:06:39,950 --> 00:06:36,900

information from Dale Graf a one-time

148

00:06:41,629 --> 00:06:39,960

director of project Stargate about ebes

149

00:06:44,330 --> 00:06:41,639

one of whom like to go to the beach

150

00:06:46,670 --> 00:06:44,340

recovered craft and a book where all of

151  
00:06:48,950 --> 00:06:46,680  
this was documented Keller Strauss talks

152  
00:06:51,230 --> 00:06:48,960  
about graph's intense interest in the

153  
00:06:55,010 --> 00:06:51,240  
Paranormal and out-of-body experiences

154  
00:06:57,950 --> 00:06:55,020  
on page 62 in his epilogue on page 64

155  
00:07:00,230 --> 00:06:57,960  
Maccabee wrote this one big thing should

156  
00:07:03,529 --> 00:07:00,240  
be mentioned to put this into a special

157  
00:07:06,230 --> 00:07:03,539  
historical context in the middle 1970s

158  
00:07:09,290 --> 00:07:06,240  
the CIA established a top secret program

159  
00:07:11,090 --> 00:07:09,300  
to investigate remote viewing Maccabee

160  
00:07:13,969 --> 00:07:11,100  
describes that some remote viewers

161  
00:07:16,370 --> 00:07:13,979  
reported seeing UFOs and tells the

162  
00:07:18,529 --> 00:07:16,380  
reader that this established a

163  
00:07:20,689 --> 00:07:18,539

connection not an expected or wanted

164

00:07:24,050 --> 00:07:20,699

connection between the remote viewing

165

00:07:27,409 --> 00:07:24,060

program and UFO investigation thus in

166

00:07:30,290 --> 00:07:27,419

1985 at least in part as a result of

167

00:07:33,170 --> 00:07:30,300

Hawk's testimony it became apparent that

168

00:07:35,689 --> 00:07:33,180

these two parallel investigations were

169

00:07:37,850 --> 00:07:35,699

welded together at a highly classified

170

00:07:40,550 --> 00:07:37,860

level what seems to have happened is

171

00:07:43,370 --> 00:07:40,560

that information from remote viewers and

172

00:07:45,650 --> 00:07:43,380

other dubious sources particularly Dodie

173

00:07:47,510 --> 00:07:45,660

took on a life of its own this

174

00:07:50,330 --> 00:07:47,520

information got passed around military

175

00:07:52,730 --> 00:07:50,340

and intelligence circles fed out to UFO

176

00:07:54,830 --> 00:07:52,740

researchers who fed it back to them in a

177

00:07:56,990 --> 00:07:54,840

feedback loop and a lot of outlandish

178

00:07:59,150 --> 00:07:57,000

stories came out of this that some of

179

00:08:01,430 --> 00:07:59,160

those involved in the feedback loop came

180
