[Music]

3
00:00:38,810 --> 00:00:36,530
UFOs and the police in Colby Kansas by

4
00:00:41,150 --> 00:00:38,820
Charles Lear when it comes to reporting

5
00:00:42,830 --> 00:00:41,160
UFO sightings it often happens that

6
00:00:45,530 --> 00:00:42,840
local police departments are the first

7
00:00:47,450 --> 00:00:45,540
organizations Witnesses turned to many

8
00:00:49,430 --> 00:00:47,460
times the reports the police take place

9
00:00:51,590 --> 00:00:49,440
while the UFO is still active in the

10
00:00:53,690 --> 00:00:51,600
area and Patrol officers are able to

11
00:00:56,810 --> 00:00:53,700
respond and verify witness accounts

12
00:00:58,670 --> 00:00:56,820
famous examples are the 1966 case

13
00:01:01,430 --> 00:00:58,680

involving Dale Sparr and his partner

14

00:01:03,290 --> 00:01:01,440

Wilbur Barney Neff who chased the UFO

15

00:01:05,990 --> 00:01:03,300

from Portage County Ohio all the way

16

00:01:08,750 --> 00:01:06,000

into Pennsylvania and another Ohio case

17

00:01:11,390 --> 00:01:08,760

this time in Trumbull County in 1994

18

00:01:14,149 --> 00:01:11,400

involving multiple officers chasing and

19

00:01:16,190 --> 00:01:14,159

observing UFOs to radio interactions

20

00:01:18,350 --> 00:01:16,200

have been preserved in the form of a

21

00:01:20,210 --> 00:01:18,360

recording from a police dispatch that

22

00:01:23,090 --> 00:01:20,220

was turned over to researcher Kenny

23

00:01:25,969 --> 00:01:23,100

young this week we'll look at a 1972

24

00:01:28,370 --> 00:01:25,979

case out of Colby Kansas that involved

25

00:01:30,830 --> 00:01:28,380

multiple police Witnesses and multiple

26

00:01:33,469 --> 00:01:30,840

UFOs there is a file in this case

27

00:01:35,569 --> 00:01:33,479

available at UFO history files com

28

00:01:37,429 --> 00:01:35,579

containing newspaper and magazine

29

00:01:39,530 --> 00:01:37,439

articles on sightings reports in the

30

00:01:42,530 --> 00:01:39,540

area leading up to and including the

31

00:01:44,990 --> 00:01:42,540

Colby reports among the clippings is an

32

00:01:47,450 --> 00:01:45,000

article by Hayden C Hughes who founded

33

00:01:51,350 --> 00:01:47,460

the oklahoma-based international UFO

34

00:01:53,090 --> 00:01:51,360

Bureau at the age of 13 in 1957 and had

35

00:01:56,090 --> 00:01:53,100

a long history in ufology in

36

00:01:59,450 --> 00:01:56,100

cryptozoology titled UFOs over Kansas

37

00:02:01,609 --> 00:01:59,460

and published in the March 1973 issue of

38

00:02:04,010 --> 00:02:01,619

Fate magazine the article contains

39

00:02:07,490 --> 00:02:04,020

details of UFO activities starting in

40

00:02:10,190 --> 00:02:07,500

Dighton Kansas in late 1971 according to

41

00:02:11,930 --> 00:02:10,200

Hughes Titan police chief Mr Shelton

42

00:02:13,970 --> 00:02:11,940

said that the first sightings were

43

00:02:16,010 --> 00:02:13,980

thought to be military planes checking

44

00:02:18,350 --> 00:02:16,020

feedlot runoff using infrared

45

00:02:20,949 --> 00:02:18,360

photography and attracted little

46

00:02:23,990 --> 00:02:20,959

interest the sightings continued into

47

00:02:26,270 --> 00:02:24,000

1972 and the department started keeping

48

00:02:29,150 --> 00:02:26,280

records they were contacted by Daniel

49

00:02:31,130 --> 00:02:29,160

Garcia of the international UFO Bureau

50

00:02:32,750 --> 00:02:31,140

who kept in touch until he was able to

51

00:02:35,570 --> 00:02:32,760

get out to the area and talk to

52

00:02:39,290 --> 00:02:35,580

Witnesses some of whom were police on

53

00:02:41,390 --> 00:02:39,300

August 12th and 13 1972 in the article

54

00:02:43,490 --> 00:02:41,400

Shelton is quoted describing what was

55

00:02:45,589 --> 00:02:43,500

reported as round and red orange in

56

00:02:47,809 --> 00:02:45,599

color hovering off the ground about 10

57

00:02:49,430 --> 00:02:47,819

miles west of Dighton according to

58

00:02:51,589 --> 00:02:49,440

Shelton it seemed to be under

59

00:02:53,930 --> 00:02:51,599

intelligent control as it would be

60

00:02:55,729 --> 00:02:53,940

stationary and then move away whenever

61

00:02:58,550 --> 00:02:55,739

an officer would use their radio to

62

00:03:01,309 --> 00:02:58,560

report it Shelton explains every time we

63

00:03:03,290 --> 00:03:01,319

transmit it moves another officer

64

00:03:05,330 --> 00:03:03,300

Captain John banninger confirmed

65

00:03:07,610 --> 00:03:05,340

Shelton's statements with his reports of

66

00:03:09,729 --> 00:03:07,620

multiple sightings he'd had for the UFO

67

00:03:12,110 --> 00:03:09,739

behaved just as Shelton described

68

00:03:14,809 --> 00:03:12,120

banninger reported a series of five

69

00:03:18,470 --> 00:03:14,819

sightings two in March on the 22nd and

70

00:03:20,930 --> 00:03:18,480

24th at around 10 15 pm and 3 in July

71

00:03:23,750 --> 00:03:20,940

one on the 5th in an unspecified time

72

00:03:27,229 --> 00:03:23,760

and one each on the 7th and 9th at 4 45

73

00:03:29,449 --> 00:03:27,239

AM according to him in all but the July

74

00:03:31,910 --> 00:03:29,459

5th sighting where the UFO took off as

75

00:03:33,649 --> 00:03:31,920

soon as he saw it the UFO took off as

76
00:03:36,290 --> 00:03:33,659
soon as he used his Ray radio to report

77
00:03:38,869 --> 00:03:36,300
it after the UFO went out of sight on

78
00:03:41,330 --> 00:03:38,879
July 9 banninger radioed the Scott City

79
00:03:44,030 --> 00:03:41,340
police stationed 24 miles west of

80
00:03:46,550 --> 00:03:44,040
Dighton according to Hughes Scott City

81
00:03:48,530 --> 00:03:46,560
officer Reginald Ford saw what could

82
00:03:51,110 --> 00:03:48,540
have been the same UFO coming from the

83
00:03:53,930 --> 00:03:51,120
East banninger's description of what he

84
00:03:56,449 --> 00:03:53,940
saw was a blue white cast of an iodine

85
00:03:59,210 --> 00:03:56,459
quartz light varying to a peach-colored

86
00:04:01,250 --> 00:03:59,220
glow while the activities started in the

87
00:04:03,530 --> 00:04:01,260
Dighton area the focus and Hughes

88
00:04:05,690 --> 00:04:03,540

article and the others in the file is on

89

00:04:09,530 --> 00:04:05,700

the sightings in Colby Kansas in August

90

00:04:12,890 --> 00:04:09,540

of 1972 and particularly one by Sergeant

91

00:04:15,229 --> 00:04:12,900

Paul Carter and Officer Dennis Brown his

92

00:04:17,930 --> 00:04:15,239

article begins with Jim Kansas resident

93

00:04:20,830 --> 00:04:17,940

John Calkins being awakened by his dog

94

00:04:23,749 --> 00:04:20,840

sometime after midnight on August 19

95

00:04:26,090 --> 00:04:23,759

1972 and then calling the Colby police

96

00:04:27,890 --> 00:04:26,100

report that he'd seen a thing or a

97

00:04:30,170 --> 00:04:27,900

couple of things hovering over the

98

00:04:32,629 --> 00:04:30,180

horizon according to Hughes they were

99

00:04:36,170 --> 00:04:32,639

flashing red and green lights at around

100

00:04:38,930 --> 00:04:36,180

207 am Colby police Sergeant Paul Carter

101
00:04:41,090 --> 00:04:38,940
unaware of Culkin's report spotted an

102
00:04:43,310 --> 00:04:41,100
object matching the description given by

103
00:04:45,830 --> 00:04:43,320
Culkin moving from Northeast to

104
00:04:47,870 --> 00:04:45,840
Southwest over Colby he went after it

105
00:04:50,270 --> 00:04:47,880
and followed it for two miles until it

106
00:04:52,249 --> 00:04:50,280
stopped along the way he radioed fellow

107
00:04:53,930 --> 00:04:52,259
Officer Dennis Brown and tried to get a

108
00:04:55,969 --> 00:04:53,940
picture of the object with a Polaroid

109
00:04:58,550 --> 00:04:55,979
camera when the object stopped it was

110
00:05:01,129 --> 00:04:58,560
over a plowed field according to Hughes

111
00:05:04,490 --> 00:05:01,139
Carter stall a huge disc shaped object

112
00:05:07,550 --> 00:05:04,500
30 to 35 feet long hovering 100 yards

113
00:05:10,129 --> 00:05:07,560

away Carter is quoted as saying all the

114

00:05:12,050 --> 00:05:10,139

time it was flashing red and green it

115

00:05:15,290 --> 00:05:12,060

resembled a cereal bowl turned upside

116

00:05:18,290 --> 00:05:15,300

down and it was about 35 feet wide and

117

00:05:20,150 --> 00:05:18,300

18 to 20 feet tall as he watched the

118

00:05:22,310 --> 00:05:20,160

object began to Glow with a light so

119

00:05:24,290 --> 00:05:22,320

bright he couldn't look at it as it got

120

00:05:25,969 --> 00:05:24,300

brighter something white began to drip

121

00:05:28,430 --> 00:05:25,979

from it but Carter didn't see anything

122

00:05:32,210 --> 00:05:28,440

land on the ground after about eight

123

00:05:34,730 --> 00:05:32,220

minutes around 2 15 am the object made a

124

00:05:36,290 --> 00:05:34,740

whooshing sound and went straight up it

125

00:05:38,629 --> 00:05:36,300

was out of sight within three seconds

126

00:05:40,969 --> 00:05:38,639

and brown arrived just in time to see it

127

00:05:42,890 --> 00:05:40,979

take off the object then came back and

128

00:05:44,990 --> 00:05:42,900

brown could clearly see what Carter had

129

00:05:47,390 --> 00:05:45,000

described he had an instamatic camera

130

00:05:49,310 --> 00:05:47,400

with him and took some pictures the

131

00:05:52,010 --> 00:05:49,320

object then took off again and headed

132

00:05:53,990 --> 00:05:52,020

Southeast according to Hughes Carter and

133

00:05:56,570 --> 00:05:54,000

brown contacted the police in Oakley

134

00:05:58,969 --> 00:05:56,580

Kansas 20 miles away and told them there

135

00:06:01,310 --> 00:05:58,979

was a UFO headed towards them in less

136

00:06:03,890 --> 00:06:01,320

than a minute Oakley officer Earl Wood

137

00:06:05,689 --> 00:06:03,900

Jr radioed back saying he had seen an

138

00:06:07,969 --> 00:06:05,699

object with what appeared to be six

139

00:06:09,710 --> 00:06:07,979

lights the three in the rear being white

140

00:06:12,710 --> 00:06:09,720

and the three in the front being either

141

00:06:15,050 --> 00:06:12,720

Amber or red and green wood could see it

142

00:06:16,730 --> 00:06:15,060

was a circular object and reported that

143

00:06:18,710 --> 00:06:16,740

something dripped from it that

144

00:06:22,129 --> 00:06:18,720

disintegrated before it hit the ground

145

00:06:25,010 --> 00:06:22,139

after hovering for five minutes at 2 27

146

00:06:27,110 --> 00:06:25,020

am it moved off towards the north until

147

00:06:28,850 --> 00:06:27,120

it was out of sight as this was

148

00:06:31,189 --> 00:06:28,860

happening the Kobe police received

149

00:06:32,930 --> 00:06:31,199

reports from local citizens and Caulkins

150

00:06:35,629 --> 00:06:32,940

called again to report that he was

151
00:06:38,029 --> 00:06:35,639
seeing two or three objects making weird

152
00:06:40,189 --> 00:06:38,039
noises Carter and brown headed towards

153
00:06:42,050 --> 00:06:40,199
gem to check it out and saw what seemed

154
00:06:44,749 --> 00:06:42,060
to be the same UFO with the same

155
00:06:47,090 --> 00:06:44,759
multi-colored lights it moved off nine

156
00:06:49,129 --> 00:06:47,100
miles to the Northeast and Carter and

157
00:06:51,469 --> 00:06:49,139
brown followed it until it stopped and

158
00:06:53,510 --> 00:06:51,479
hovered Again by now they were far out

159
00:06:55,550 --> 00:06:53,520
of their jurisdiction and stopped the

160
00:06:58,309 --> 00:06:55,560
pursuit they observed it from a distance

161
00:07:00,590 --> 00:06:58,319
for several hours and can also solve

162
00:07:02,749 --> 00:07:00,600
between four and eight objects zipping

163
00:07:05,090 --> 00:07:02,759

through the night sky Carter and brown

164

00:07:06,650 --> 00:07:05,100

talked to a Missouri couple who reported

165

00:07:08,689 --> 00:07:06,660

that they encountered a bright white

166

00:07:10,969 --> 00:07:08,699

light that swept over them as they were

167

00:07:12,409 --> 00:07:10,979

driving on I-70 they thought it might

168

00:07:14,330 --> 00:07:12,419

have been a plane attempting an

169

00:07:16,550 --> 00:07:14,340

emergency landing but a later check

170

00:07:19,309 --> 00:07:16,560

revealed no evidence of a landing in the

171

00:07:21,650 --> 00:07:19,319

area according to Hughes Carter spoke to

172

00:07:23,809 --> 00:07:21,660

the investigators and reported that the

173

00:07:26,089 --> 00:07:23,819

pictures taken by Brown turned out blank

174

00:07:27,529 --> 00:07:26,099

and the Polaroid he took showed only

175

00:07:29,809 --> 00:07:27,539

something that looked like a car

176

00:07:31,550 --> 00:07:29,819

headlight Carter spoke freely to the

177

00:07:32,990 --> 00:07:31,560

press and read a letter in the Selena

178

00:07:36,650 --> 00:07:33,000

Journal that was printed in the

179

00:07:38,270 --> 00:07:36,660

September 12 1972 issue in it he wrote I

180

00:07:40,670 --> 00:07:38,280

am not trying to say that there are

181

00:07:42,770 --> 00:07:40,680

beings and flying saucers up there I'm

182

00:07:44,930 --> 00:07:42,780

trying to point out that until a person

183

00:07:47,510 --> 00:07:44,940

is seen something like this he cannot

184

00:07:50,689 --> 00:07:47,520

possibly explain it he described himself

185

00:07:52,969 --> 00:07:50,699

as being a complete non-believer prior

186

00:07:54,290 --> 00:07:52,979

to his sighting Charles Lear is the

187

00:08:08,400 --> 00:07:54,300

author of The Flying Saucer
