00:01:10,969 --> 00:01:08,159

until 1960. in 1953 Miller came up with

17

00:01:13,550 --> 00:01:10,979

the idea to organize a convention an FSI

18

00:01:15,890 --> 00:01:13,560

organized what was billed as the world's

19

00:01:17,870 --> 00:01:15,900

first flying saucer convention it was

20

00:01:21,530 --> 00:01:17,880

held at the Hollywood Hotel from August

21

00:01:25,370 --> 00:01:21,540

16th through 18 1953 and was moderated

22

00:01:27,170 --> 00:01:25,380

by FSI member Jerome King Criswell whom

23

00:01:29,749 --> 00:01:27,180

some readers may know as the narrator

00:01:47,210 --> 00:01:45,119

as the some readers but he and his group

31

00:01:49,969 --> 00:01:47,220

were involved in some cases it should be

32

00:01:51,370 --> 00:01:49,979

Hughes passed away in Oklahoma City on

33

00:01:53,990 --> 00:01:51,380

September 13

34

00:01:56,810 --> 00:01:54,000

35

00:01:59,090 --> 00:01:56,820

David Ferris headlined remembering a man

36

00:02:02,510 --> 00:01:59,100

who investigated the unusual that was

37

00:02:04,850 --> 00:02:02,520

posted October 10 2019 on the Edmond

life and Leisure website according to

39

00:02:10,089 --> 00:02:07,259

Ferris Hayden Cooper Hughes was born in

40

00:02:13,550 --> 00:02:10,099

Cape Girardeau Missouri on December 29

41

00:02:14,930 --> 00:02:13,560

1943 his family moved to Oklahoma City

42

00:02:17,630 --> 00:02:14,940

which is where he founded the

43

00:02:20,089 --> 00:02:17,640

international UFO Bureau in 1957.

44

00:02:21,890 --> 00:02:20,099

Hughes's organization attracted members

45

00:02:24,110 --> 00:02:21,900

throughout the US and internationally

46

00:02:26,390 --> 00:02:24,120

and included members of the scientific

47

00:02:28,430 --> 00:02:26,400

Community he gained friends among the

48

00:02:30,350 --> 00:02:28,440

police in the media who kept him

49

00:02:32,449 --> 00:02:30,360

informed and referred witnesses to him

50

00:02:34,910 --> 00:02:32,459

an early incident of note is when used

51
00:02:36,890 --> 00:02:34,920
from a letter to Soviet Premier Nikita

52
00:02:39,890 --> 00:02:36,900
Khrushchev asking him for information

53
00:02:41,509 --> 00:02:39,900
about Russian UFOs Khrushchev wrote him

54
00:02:43,910 --> 00:02:41,519
back and told him of his country's

55
00:02:46,490 --> 00:02:43,920
interest in the subject soon after young

56
00:02:48,890 --> 00:02:46,500
Hughes was visited by two FBI agents

57
00:02:52,970 --> 00:02:48,900
he's got the opportunity to witness the

58
00:02:55,970 --> 00:02:52,980
UFO for himself in 1965 at around 9pm on

59
00:02:57,710 --> 00:02:55,980
August 1st local reporter Mike Buchanan

60
00:03:00,470 --> 00:02:57,720
called him to tell him that the Oklahoma

61
00:03:02,570 --> 00:03:00,480
Highway Patrol was responding to calls

62
00:03:05,210 --> 00:03:02,580
from over 20 people who had reported

63
00:03:07,910 --> 00:03:05,220

seeing a UFO Hughes drove to the highway

64
00:03:10,070 --> 00:03:07,920
patrol Communications Tower and watched

65
00:03:12,589 --> 00:03:10,080
the sky while calls continued to come in

66
00:03:14,809 --> 00:03:12,599
at around 11 30 A call came in that

67
00:03:17,089 --> 00:03:14,819
there was a UFO north of El Reno 20

68
00:03:19,550 --> 00:03:17,099
miles from the tower it was then that

69
00:03:21,830 --> 00:03:19,560
Hughes saw his first and only UFO in the

70
00:03:24,350 --> 00:03:21,840
company of six patrolmen as Hughes

71
00:03:26,210 --> 00:03:24,360
recalled I saw a multi-colored flashing

72
00:03:28,790 --> 00:03:26,220
light and it hovered above the Horizon

73
00:03:30,589 --> 00:03:28,800
to the west of Oklahoma City while we

74
00:03:33,229 --> 00:03:30,599
were observing it the highway patrol

75
00:03:35,449 --> 00:03:33,239
north of El Reno were also reporting on

76

00:03:37,970 --> 00:03:35,459

the same object in our Direction so we

77

00:03:40,430 --> 00:03:37,980

had a triangular fix the object flew

78

00:03:42,110 --> 00:03:40,440

over Tulsa and a 14 year old boy got a

79

00:03:44,570 --> 00:03:42,120

picture that Hughes sent in to Project

80

00:03:46,430 --> 00:03:44,580

Blue Book their analysis was that the

81

00:03:49,009 --> 00:03:46,440

photo was authentic and that the image

82

00:03:50,990 --> 00:03:49,019

was unexplained Lauren Coleman wrote a

83

90

00:04:13,130 --> 00:04:11,040

in 1972 there was a rash of sightings of

91

00:04:15,350 --> 00:04:13,140

a sasquatch-like creature along the

92

00:04:18,590 --> 00:04:15,360

94

00:04:23,510 --> 00:04:20,940

became known as Momo and according to

95

00:04:25,790 --> 00:04:23,520

Coleman Hughes was there Coleman

96

00:04:28,189 --> 00:04:25,800

described him as saying he was impressed

97

00:04:29,990 --> 00:04:28,199

with the witness's sincerity there was a

98

00:04:31,909 --> 00:04:30,000

lot of excitement in the media about the

99

00:04:34,730 --> 00:04:31,919

case and Coleman quotes Hughes

100

00:04:37,010 --> 00:04:34,740

describing the same I did close to 75

102
00:04:40,790 --> 00:04:39,000
flew me to Chicago to do some television

103
00:04:43,189 --> 00:04:40,800

1973 from Hughes to then governor of

111
00:05:05,270 --> 00:05:03,300
Georgia Jimmy Carter Hughes wrote to say

112
00:05:07,249 --> 00:05:05,280
that his organization was interested in

113
00:05:09,290 --> 00:05:07,259

sightings recently reported in the area

114

00:05:11,450 --> 00:05:09,300

and that they had field investigators

115

00:05:13,490 --> 00:05:11,460

there looking into them Hughes wrote

116

00:05:16,430 --> 00:05:13,500

that he'd had reports that Carter had

117

00:05:18,350 --> 00:05:16,440

observed the objects himself and asked

118

00:05:21,050 --> 00:05:18,360

if he'd be willing to supply details and

1973. according to the Forum Carter

124

00:05:34,610 --> 00:05:31,860

along with 10 members of the leery

125

00:05:37,249 --> 00:05:34,620

Georgia lions Club saw an object as

126
00:05:39,770 --> 00:05:37,259
bright as the moon in October of 1969

127
00:05:43,490 --> 00:05:39,780
that moved towards him and then stopped

128
00:05:45,890 --> 00:05:43,500
it moved partially away and then left he

129
00:05:49,189 --> 00:05:45,900
described it as bluish at first then

130
00:05:51,529 --> 00:05:49,199
reddish luminous not solid not long

131
00:05:53,390 --> 00:05:51,539
after this according to Ferris Hughes

132
00:05:55,790 --> 00:05:53,400
met with a man and a woman who called

133
00:05:58,310 --> 00:05:55,800
themselves Herff and Bonnie who were

134
00:05:59,990 --> 00:05:58,320
also known as Beau and Peep they had

135
00:06:02,390 --> 00:06:00,000
been speaking in the area around Dallas

136
00:06:05,870 --> 00:06:02,400
Texas and had stopped by his office in

137
00:06:07,670 --> 00:06:05,880
Oklahoma City on July 13 1974. they

138
00:06:09,710 --> 00:06:07,680

claimed to be aliens whose mission on

139

00:06:12,050 --> 00:06:09,720

Earth was to show us that death could be

140

00:06:14,510 --> 00:06:12,060

overcome and that they were in ferris's

141

00:06:17,210 --> 00:06:14,520

words the two witnesses from Revelations

142

00:06:18,830 --> 00:06:17,220

11 in the Bible who had lied dead for

143

00:06:21,290 --> 00:06:18,840

two and a half days before being

144

00:06:23,150 --> 00:06:21,300

resurrected according to Ferris Hughes

145

00:06:25,010 --> 00:06:23,160

arranged another meeting along with

146

00:06:27,590 --> 00:06:25,020

Bureau member in Oklahoma City police

147

00:06:30,110 --> 00:06:27,600

officer Dan Garcia interviewed the

148

00:06:31,670 --> 00:06:30,120

couple on tape for 90 minutes Hughes

149

00:06:33,469 --> 00:06:31,680

seemed to have had some sort of belief

150

00:06:35,390 --> 00:06:33,479

in the couple's claim times as he

151
00:06:37,189 --> 00:06:35,400
reported that after he walked them out

152
00:06:39,590 --> 00:06:37,199
to the street he turned around after

153
00:06:41,749 --> 00:06:39,600
taking two or three steps and saw the

154
00:06:43,550 --> 00:06:41,759
couple and seemed to have vanished he

155
00:06:45,529 --> 00:06:43,560
also said that herf had given him a

156
00:06:47,510 --> 00:06:45,539
thought code he could use whenever he

157
00:06:50,029 --> 00:06:47,520
wanted to talk to him he said that it

158
00:06:51,770 --> 00:06:50,039
worked on two occasions he used it and

159
00:06:53,390 --> 00:06:51,780
received a phone call from a member of

160
00:06:55,370 --> 00:06:53,400
the group that had gathered around the

161
00:06:57,770 --> 00:06:55,380
couple Hughes along with author Brad

162
00:07:00,290 --> 00:06:57,780
Steiger met with the couple again and in

163
00:07:02,870 --> 00:07:00,300

1976 they co-authored a book about them

164

00:07:05,689 --> 00:07:02,880

titled UFO missionaries extraordinary

165

00:07:09,469 --> 00:07:05,699

peep whose name was Bonnie Nettles died

166

00:07:11,629 --> 00:07:09,479

of cancer on June 19 1985 negating the

167

00:07:13,370 --> 00:07:11,639

claim that she would be resurrected perf

168

00:07:17,689 --> 00:07:13,380

whose name was Marshall Applewhite

169

00:07:20,029 --> 00:07:17,699

negated his claim on March 26 1997 when

170

00:07:21,830 --> 00:07:20,039

he took part in a mass suicide with 38

171

00:07:24,589 --> 00:07:21,840

of his Heaven's Gate group followers

172

00:07:26,570 --> 00:07:24,599

soon after Hughes and steiger's book was

173

00:07:28,850 --> 00:07:26,580

re-released under the title inside

174

00:07:32,150 --> 00:07:28,860

Heaven's Gate another case he is

175

00:07:34,909 --> 00:07:32,160

investigated was the alleged 1897 UFO

176

00:07:37,010 --> 00:07:34,919

crash in Aurora Texas to which the pilot

177

00:07:40,370 --> 00:07:37,020

was said to have died that was described

178

00:07:42,589 --> 00:07:40,380

in the April 19 1897 edition of the

179

00:07:45,110 --> 00:07:42,599

Dallas Morning News according to the

180

00:07:48,290 --> 00:07:45,120

article enough of the pilots badly

181

00:07:50,450 --> 00:07:48,300

disfigured remains were picked up to

182

show that he had not been an inhabitant

183

00:07:54,950 --> 00:07:53,039

of this world the article ends with the

184

00:07:57,710 --> 00:07:54,960

news that a funeral for the pilot was

185
