00:00:04,080 --> 00:00:09,160  
foreign

2  
00:00:35,990 --> 00:00:26,640  
[Music]

3  
00:00:36,000 --> 00:00:42,720  
foreign

4  
00:01:03,850 --> 00:00:58,980  
[Music]

5  
00:01:08,570 --> 00:01:06,289  
and welcome to the show on Martin Willis

6  
00:01:10,370 --> 00:01:08,580  
your host and I was on vacation last

7  
00:01:13,789 --> 00:01:10,380  
week I thought the show that I had

8  
00:01:15,710 --> 00:01:13,799  
pre-recorded was was a great one and if

9  
00:01:18,649 --> 00:01:15,720  
you haven't checked it out I love when

10  
00:01:20,929 --> 00:01:18,659  
academics look into this uh so anyway

11  
00:01:23,030 --> 00:01:20,939  
I'm really excited about tonight I have

12  
00:01:25,850 --> 00:01:23,040  
a long time UFO researcher Larry

13  
00:01:29,450 --> 00:01:25,860

holcommon he was on I think eight or

14

00:01:32,210 --> 00:01:29,460

nine years ago and he has been around

15

00:01:34,609 --> 00:01:32,220

and looking at this topic all the way

16

00:01:37,310 --> 00:01:34,619

back I believe since 1960 are

17

00:01:38,990 --> 00:01:37,320

thereabouts and so he's seen all the

18

00:01:41,450 --> 00:01:39,000

changes coming along and we're going to

19

00:01:43,370 --> 00:01:41,460

be talking about that first of all

20

00:01:46,850 --> 00:01:43,380

um I just had something happen I think

21

00:01:49,069 --> 00:01:46,860

it's kind of funny people say uh that

22

00:01:50,510 --> 00:01:49,079

well you'll hear in the in the video a

23

00:01:53,270 --> 00:01:50,520

little bit later on I've been teased a

24

00:01:56,210 --> 00:01:53,280

little bit but anyway uh happened to get

25

00:01:59,389 --> 00:01:56,220

out of the car uh a friend of mine was

26

00:02:02,630 --> 00:01:59,399

looking at real estate uh up in Myrtle

27

00:02:05,389 --> 00:02:02,640

Beach uh Saturday I got out of the car

28

00:02:08,630 --> 00:02:05,399

and and the real estate agent was

29

00:02:11,330 --> 00:02:08,640

meeting us at a location about a mile

30

00:02:13,190 --> 00:02:11,340

from the beach and when I get out of the

31

00:02:16,250 --> 00:02:13,200

car the real estate agent says hey look

32

00:02:18,710 --> 00:02:16,260

up there's the Chinese balloon I said oh

33

00:02:23,089 --> 00:02:18,720

yeah that looks just like it he said uh

34

00:02:26,390 --> 00:02:23,099

that is the Chinese balloon so I said

35

00:02:30,470 --> 00:02:26,400

really so um anyway uh standing there

36

00:02:32,570 --> 00:02:30,480

and I see a jet fighter coming along and

37

00:02:35,330 --> 00:02:32,580

so I'm going to show you this there's a

38

00:02:37,850 --> 00:02:35,340

a really good clip of one of these up on

39  
00:02:39,530 --> 00:02:37,860  
my video shorts on my YouTube channel so

40  
00:02:41,570 --> 00:02:39,540  
check that out you can see it much

41  
00:02:44,150 --> 00:02:41,580  
clearer these videos because they're

42  
00:02:46,369 --> 00:02:44,160  
vertical they come out really small but

43  
00:02:49,190 --> 00:02:46,379  
here it is first of all

44  
00:02:50,809 --> 00:02:49,200  
looking at the Chinese and when it gets

45  
00:02:53,690 --> 00:02:50,819  
over the ocean they're sending one from

46  
00:02:56,509 --> 00:02:53,700  
Virginia that will go on

47  
00:03:03,250 --> 00:02:56,519  
fighter jets coming to look at it from

48  
00:03:09,050 --> 00:03:07,009  
basically I I say that the uh the

49  
00:03:11,030 --> 00:03:09,060  
fighter jet is coming

50  
00:03:13,190 --> 00:03:11,040  
to look at it but that's not what it was

51  
00:03:16,550 --> 00:03:13,200  
coming to do so I started snapping

52  
00:03:18,589 --> 00:03:16,560  
pictures and here's the sequence here it

53  
00:03:21,229 --> 00:03:18,599  
is if you look over to the left of your

54  
00:03:24,170 --> 00:03:21,239  
screen and these images and videos will

55  
00:03:25,729 --> 00:03:24,180  
be uh linked in uh show notes so the

56  
00:03:28,309 --> 00:03:25,739  
first picture it's perfectly round

57  
00:03:30,290 --> 00:03:28,319  
balloon the second one is when it was

58  
00:03:33,649 --> 00:03:30,300  
hit by the missile you can see it's in

59  
00:03:37,850 --> 00:03:33,659  
an oblong like an egg shape and then the

60  
00:03:40,490 --> 00:03:37,860  
third image poof it's uh it's done blown

61  
00:03:43,550 --> 00:03:40,500  
up so I was just shocked that I just got

62  
00:03:51,229 --> 00:03:43,560  
out of the car and five minutes later uh

63  
00:03:56,449 --> 00:03:54,410

yeah I actually am doing this while they

64

00:03:59,270 --> 00:03:56,459

shot the balloon it's coming down they

65

00:04:01,369 --> 00:03:59,280

shot the balloon just live right now and

66

00:04:04,009 --> 00:04:01,379

I caught it on film the Chinese balloon

67

00:04:08,210 --> 00:04:04,019

that's amazing

68

00:04:10,729 --> 00:04:08,220

this is live catching it on film when

69

00:04:13,070 --> 00:04:10,739

they shot it down

70

00:04:14,270 --> 00:04:13,080

the Jack just went by and just shot it

71

00:04:20,449 --> 00:04:14,280

down

72

00:04:22,740 --> 00:04:20,459

right now it's got a long way to go

73

00:04:43,790 --> 00:04:22,750

foreign

74

00:04:51,050 --> 00:04:47,030

we are right now what's the town this is

75

00:04:56,150 --> 00:04:51,060

Surfside Beach near Myrtle Beach

76

00:05:03,010 --> 00:04:59,390

so anyway uh

77

00:05:05,390 --> 00:05:03,020

let's see let me get this image down

78

00:05:07,909 --> 00:05:05,400

so a lot of people have been tease me do

79

00:05:09,950 --> 00:05:07,919

you think they shot it down did are you

80

00:05:12,230 --> 00:05:09,960

sure because I repeated myself so many

81

00:05:14,810 --> 00:05:12,240

times but anyway it's just so shocked I

82

00:05:16,790 --> 00:05:14,820

was actually thrilled to be there just

83

00:05:19,249 --> 00:05:16,800

at that moment I mean I wasn't even out

84

00:05:21,290 --> 00:05:19,259

of the car for five minutes when when

85

00:05:23,150 --> 00:05:21,300

they shot it out of the sky so that was

86

00:05:25,310 --> 00:05:23,160

pretty exciting and now this is a

87

00:05:29,270 --> 00:05:25,320

picture of the recovery effort this

88

00:05:31,490 --> 00:05:29,280

thing was the size of three school buses

89

00:05:34,969 --> 00:05:31,500

um and of course you know China says

90

00:05:36,590 --> 00:05:34,979

that it was a weather balloon but we'll

91

00:05:39,469 --> 00:05:36,600

find out exactly what it is because

92

00:05:42,409 --> 00:05:39,479

we're going to be able to get the uh all

93

00:05:44,930 --> 00:05:42,419

the the equipment that it had a payload

94

00:05:47,510 --> 00:05:44,940

a thousand pound payload or so but

95

00:05:49,909 --> 00:05:47,520

anyway it was it was fun you know I kept

96

00:05:53,150 --> 00:05:49,919

my eyes to the sky like I would say and

97

00:05:55,550 --> 00:05:53,160

uh anyway I got to witness that so thank

98

00:05:57,830 --> 00:05:55,560

you for uh listening to me say that the

99

00:05:59,870 --> 00:05:57,840

balloon was shot down

100

00:06:02,390 --> 00:05:59,880

and here's our guest Larry Holcomb

101  
00:06:05,210 --> 00:06:02,400  
welcome to the show Larry thank you good

102  
00:06:08,150 --> 00:06:05,220  
to be here Martin that's that was uh

103  
00:06:10,969 --> 00:06:08,160  
really fortunate that you uh

104  
00:06:14,749 --> 00:06:10,979  
we're able to see that and get that on

105  
00:06:16,730 --> 00:06:14,759  
film that's that's right it is fun and

106  
00:06:18,110 --> 00:06:16,740  
the BBC called me you know that that

107  
00:06:22,129 --> 00:06:18,120  
night to talk to me because I put it up

108  
00:06:25,129 --> 00:06:22,139  
on Twitter but uh the the thing that's I

109  
00:06:27,469 --> 00:06:25,139  
find out later that people were watching

110  
00:06:29,510 --> 00:06:27,479  
it for like hours you know and got bored

111  
00:06:31,969 --> 00:06:29,520  
and went in and I just happened to step

112  
00:06:34,689 --> 00:06:31,979  
out of the car when it was shot so yeah

113  
00:06:38,990 --> 00:06:34,699

it was uh it was really good timing

114

00:06:41,210 --> 00:06:39,000

good luck good catch yeah so Larry

115

00:06:45,350 --> 00:06:41,220

thanks so much for uh coming back on the

116

00:06:47,809 --> 00:06:45,360

show and uh it's been a while and so

117

00:06:49,550 --> 00:06:47,819

there are uh a lot of new people

118

00:06:51,469 --> 00:06:49,560

especially since then it's been eight or

119

00:06:52,850 --> 00:06:51,479

nine years since you've been on so if

120

00:06:56,330 --> 00:06:52,860

you would please give your background

121

00:06:59,809 --> 00:06:56,340

you got into UFOs way back so uh let's

122

00:07:01,309 --> 00:06:59,819

talk about that yeah uh

123

00:07:05,390 --> 00:07:01,319

goes back

124

00:07:07,189 --> 00:07:05,400

to 1960 when I was a junior in high

125

00:07:07,909 --> 00:07:07,199

school

126

00:07:10,249 --> 00:07:07,919

um

127

00:07:13,850 --> 00:07:10,259

and uh

128

00:07:20,110 --> 00:07:13,860

I had read several of major Donald T

129

00:07:23,689 --> 00:07:20,120

Holmes books uh Kehoe was assigned to

130

00:07:26,570 --> 00:07:23,699

investigate the UFO issue for

131

00:07:28,249 --> 00:07:26,580

true magazine and he didn't really want

132

00:07:30,469 --> 00:07:28,259

any parts of it he thought that the

133

00:07:33,070 --> 00:07:30,479

whole thing was ridiculous

134

00:07:37,490 --> 00:07:33,080

but once he got into it

135

00:07:41,570 --> 00:07:37,500

and uh I think it was Kian W Purdy that

136

00:07:45,050 --> 00:07:41,580

uh assigned him uh who was editor of

137

00:07:48,230 --> 00:07:45,060

true magazine to signed him to the to

138

00:07:51,830 --> 00:07:48,240

the job and uh

139

00:07:55,249 --> 00:07:51,840

Keo took it reluctantly but after he got

140

00:07:59,990 --> 00:07:55,259

into it and started investigating

141

00:08:02,450 --> 00:08:00,000

uh the subject he did a turnaround he

142

00:08:06,430 --> 00:08:02,460

became a believer

143

00:08:09,129 --> 00:08:06,440

that these things were there

144

00:08:13,610 --> 00:08:09,139

and uh existed

145

00:08:16,010 --> 00:08:13,620

and he didn't know what they were and it

146

00:08:20,809 --> 00:08:16,020

was only until

147

00:08:22,850 --> 00:08:20,819

a scientist that he was interviewing

148

00:08:26,270 --> 00:08:22,860

uh

149

00:08:27,890 --> 00:08:26,280

told him well during the interview and

150

00:08:30,710 --> 00:08:27,900

they were talking about what they could

151

00:08:35,029 --> 00:08:30,720

be what are they where do they come from

152

00:08:38,769 --> 00:08:35,039

and the scientists did this

153

00:08:42,230 --> 00:08:38,779

and it's Stern Kehoe

154

00:08:44,769 --> 00:08:42,240

that the scientist was telling him that

155

00:08:48,590 --> 00:08:44,779

he believed that they were

156

00:08:51,530 --> 00:08:48,600

extraterrestrial anyway I was fascinated

157

00:08:54,110 --> 00:08:51,540

by kehoe's books

158

00:08:56,590 --> 00:08:54,120

so I became

159

00:09:01,610 --> 00:08:56,600

involved in the subject

160

00:09:05,449 --> 00:09:01,620

uh it became an advocation with me

161

00:09:09,590 --> 00:09:05,459

and when I took early retirement

162

00:09:11,949 --> 00:09:09,600

I decided that I wanted to write a book

163

00:09:16,329 --> 00:09:11,959

that would address

164

00:09:19,850 --> 00:09:16,339

the population that

165

00:09:21,829 --> 00:09:19,860

has an interest in the subject but no

166

00:09:24,290 --> 00:09:21,839

real deep background

167

00:09:26,350 --> 00:09:24,300

and I wanted to address

168

00:09:31,790 --> 00:09:26,360

how the

169

00:09:41,810 --> 00:09:38,410

the CIA the FBI the all of the the

170

00:09:44,449 --> 00:09:41,820

uh security agencies

171

00:09:47,870 --> 00:09:44,459

were handling this thing and what was

172

00:09:49,970 --> 00:09:47,880

being concealed from the public and how

173

00:09:52,610 --> 00:09:49,980

it was being concealed

174

00:09:54,350 --> 00:09:52,620

so that's how the book came about I

175

00:09:56,570 --> 00:09:54,360

think it's a

176

00:09:58,030 --> 00:09:56,580

I'm proud of it I think it's just a

177

00:10:03,310 --> 00:09:58,040

reasonable job

178

00:10:06,650 --> 00:10:03,320

uh to go into the background of uh

179

00:10:10,310 --> 00:10:06,660

the administration's the various

180

00:10:14,930 --> 00:10:10,320

administrations how they handled it uh

181

00:10:19,250 --> 00:10:14,940

what they were told who was told what uh

182

00:10:21,769 --> 00:10:19,260

and make no mistake uh not all

183

00:10:25,250 --> 00:10:21,779

presidents were given

184

00:10:28,370 --> 00:10:25,260

thorough briefings of it uh they the

185

00:10:30,850 --> 00:10:28,380

presidents were only briefed as far as

186

00:10:33,730 --> 00:10:30,860

the intelligence Community

187

00:10:37,250 --> 00:10:33,740

uh felt they were

188

00:10:38,389 --> 00:10:37,260

worthy if you will for lack of a better

189

00:10:41,769 --> 00:10:38,399

phrase

190

00:10:43,610 --> 00:10:41,779

of uh knowing the facts

191

00:10:48,829 --> 00:10:43,620

so

192

00:10:50,030 --> 00:10:48,839

I Truman knew Eisenhower knew was well

193

00:10:53,410 --> 00:10:50,040

briefed

194

00:11:01,430 --> 00:10:58,569

Kennedy his involvement was

195

00:11:03,110 --> 00:11:01,440

extraordinary which I go into in the

196

00:11:05,690 --> 00:11:03,120

book

197

00:11:13,130 --> 00:11:09,610

the other presidents Lyndon Johnson

198

00:11:16,370 --> 00:11:13,140

uh certainly had an interest in it but

199

00:11:19,670 --> 00:11:16,380

his interest uh

200

00:11:22,449 --> 00:11:19,680

he was I think Lyndon Johnson was afraid

201

00:11:29,509 --> 00:11:25,790

he knew what had happened to

202

00:11:33,889 --> 00:11:29,519

John Kennedy he wasn't sure about

203

00:11:37,550 --> 00:11:33,899

anything and and I think he was

204

00:11:38,990 --> 00:11:37,560

he was very reluctant to even touch on

205

00:11:43,069 --> 00:11:39,000

the subject

206

00:11:45,190 --> 00:11:43,079

uh but anyway we won't don't want to go

207

00:11:48,769 --> 00:11:45,200

into all the presidents but

208

00:11:52,490 --> 00:11:48,779

the presidents that were brief in some

209

00:11:57,069 --> 00:11:52,500

detail were Ronald Reagan of course

210

00:12:01,430 --> 00:11:57,079

George H.W bush as director of the CIA

211

00:12:07,850 --> 00:12:04,990

uh not everything but a great deal of of

212

00:12:09,009 --> 00:12:07,860

uh background

213

00:12:13,009 --> 00:12:09,019

um

214

00:12:15,050 --> 00:12:13,019

uh George W bush

215

00:12:18,050 --> 00:12:15,060

um Clinton

216

00:12:20,269 --> 00:12:18,060

probably not at first I think Clinton

217

00:12:24,530 --> 00:12:20,279

got into it

218

00:12:26,449 --> 00:12:24,540

later in his Administrations

219

00:12:29,090 --> 00:12:26,459

but uh

220

00:12:33,410 --> 00:12:29,100

and as far as Obama

221

00:12:35,509 --> 00:12:33,420

uh I think that he was brief to some

222

00:12:39,310 --> 00:12:35,519

degree

223

00:12:43,790 --> 00:12:39,320

but as you get into modern times

224

00:12:45,470 --> 00:12:43,800

these uh presidents come under uh well

225

00:12:47,870 --> 00:12:45,480

they're given

226

00:12:50,090 --> 00:12:47,880

background on what they can talk about

227

00:12:51,949 --> 00:12:50,100

what they can't talk about

228

00:12:55,730 --> 00:12:51,959

and uh

229

00:12:59,090 --> 00:12:55,740

how well their verse how well they are

230

00:13:02,590 --> 00:12:59,100

brought into the loop of knowledge uh

231

00:13:06,769 --> 00:13:02,600

just depends on who they are and how the

232

00:13:07,850 --> 00:13:06,779

uh intelligence Community it Embraces

233

00:13:09,110 --> 00:13:07,860

them

234

00:13:11,769 --> 00:13:09,120

so

235

00:13:15,610 --> 00:13:11,779

that's how the book came about

236

00:13:19,569 --> 00:13:15,620

uh I'm getting to the point now where

237

00:13:24,230 --> 00:13:19,579

I've been doing this a long time

238

00:13:27,129 --> 00:13:24,240

and uh I guess you could say um

239

00:13:31,910 --> 00:13:27,139

sort of semi-retired now

240

00:13:32,690 --> 00:13:31,920

uh let the uh the younger folks out

241

00:13:39,310 --> 00:13:32,700

there

242

00:13:41,750 --> 00:13:39,320

take over and do the footwork and and

243

00:13:44,810 --> 00:13:41,760

certainly they're

244

00:13:46,090 --> 00:13:44,820

in today's time there's a great deal to

245

00:13:52,069 --> 00:13:46,100

look at

246

00:13:53,870 --> 00:13:52,079

and uh there have been some remarkable

247

00:13:56,870 --> 00:13:53,880

steps

248

00:13:59,690 --> 00:13:56,880

uh toward disclosure

249

00:14:01,389 --> 00:13:59,700

uh we're certainly not there yet

250

00:14:06,730 --> 00:14:01,399

but uh

251

00:14:10,030 --> 00:14:06,740

we've uh the door has been cracked

252

00:14:14,629 --> 00:14:10,040

uh by the by the federal government so

253

00:14:18,290 --> 00:14:14,639

uh we're at a very unusual time I'm

254

00:14:21,410 --> 00:14:18,300

I'm not old pound in the uh pounding the

255

00:14:24,170 --> 00:14:21,420

ground anymore but I'm keeping a close

256

00:14:26,269 --> 00:14:24,180

eye on things uh

257

00:14:29,509 --> 00:14:26,279

and uh

258

00:14:32,389 --> 00:14:29,519

I'll uh step in every now and then and

259

00:14:35,629 --> 00:14:32,399

shoot my mouth off I guess

260

00:14:38,990 --> 00:14:35,639

um when I found it uh maybe it's

261

00:14:42,650 --> 00:14:39,000

necessary but that's that's basically my

262

00:14:45,410 --> 00:14:42,660

uh my background right thank you and

263

00:14:49,250 --> 00:14:45,420

yeah you're here to show your mouth off

264

00:14:51,410 --> 00:14:49,260

so you can talk because I want to find

265

00:14:54,290 --> 00:14:51,420

out uh you know as you say it has been

266

00:14:58,189 --> 00:14:54,300

kind of remarkable in the last few years

267

00:15:01,069 --> 00:14:58,199

since 2017 late 2017.

268

00:15:02,810 --> 00:15:01,079

um there's been all there's been some

269

00:15:06,650 --> 00:15:02,820

government

270

00:15:09,769 --> 00:15:06,660

action at this point the Pentagon now

271

00:15:12,710 --> 00:15:09,779

um but we've you've seen this before but

272

00:15:15,650 --> 00:15:12,720

not don't you think it's this not to

273

00:15:20,150 --> 00:15:15,660

this extent as it is right now

274

00:15:21,610 --> 00:15:20,160

oh I think uh what's happened since

275

00:15:24,129 --> 00:15:21,620

what

276

00:15:27,889 --> 00:15:24,139

2017 I guess

277

00:15:30,829 --> 00:15:27,899

uh has been remarkable

278

00:15:32,569 --> 00:15:30,839

um the government denied everything up

279

00:15:34,129 --> 00:15:32,579

until then

280

00:15:37,389 --> 00:15:34,139

they just

281

00:15:42,710 --> 00:15:37,399

flattened denied that there was

282

00:15:45,670 --> 00:15:42,720

any unidentified objects in the sky well

283

00:15:49,670 --> 00:15:45,680

now all of a sudden we know they are

284

00:15:53,810 --> 00:15:49,680

uh they have admitted it

285

00:15:54,790 --> 00:15:53,820

they say they don't know what they are

286

00:15:58,610 --> 00:15:54,800

um

287

00:16:00,790 --> 00:15:58,620

certainly it's a matter of National

288

00:16:07,670 --> 00:16:00,800

## Security

289

00:16:11,110 --> 00:16:07,680

uh so that's a big step I mean a huge

290

00:16:15,170 --> 00:16:11,120

step for the government to acknowledge

291

00:16:18,250 --> 00:16:15,180

that our Sovereign airspace

292

00:16:23,470 --> 00:16:18,260

is being overflown

293

00:16:26,710 --> 00:16:23,480

by vehicles of an unknown origin

294

00:16:31,670 --> 00:16:26,720

uh that happened to show

295

00:16:36,530 --> 00:16:31,680

uh particular interest in our nuclear

296

00:16:38,569 --> 00:16:36,540

facilities not only not only nuclear

297

00:16:40,430 --> 00:16:38,579

missile facilities

298

00:16:44,870 --> 00:16:40,440

but uh

299

00:16:49,389 --> 00:16:44,880

uh power plants uh Atomic power plants

300

00:16:54,009 --> 00:16:49,399

they are interested in everything

301  
00:16:58,069 --> 00:16:54,019  
that is being done worldwide

302  
00:17:00,170 --> 00:16:58,079  
uh with nuclear energy

303  
00:17:02,590 --> 00:17:00,180  
um why who knows

304  
00:17:08,390 --> 00:17:04,970  
10 years ago

305  
00:17:12,829 --> 00:17:08,400  
if you ask me what I thought they were

306  
00:17:15,650 --> 00:17:12,839  
for sure I would say extra terrestrial

307  
00:17:18,829 --> 00:17:15,660  
visitors

308  
00:17:20,350 --> 00:17:18,839  
now I'm not so sure I mean we're talking

309  
00:17:23,049 --> 00:17:20,360  
about

310  
00:17:26,350 --> 00:17:23,059  
uh dimensional

311  
00:17:28,970 --> 00:17:26,360  
uh subjects

312  
00:17:31,210 --> 00:17:28,980  
living in a world where there are

313  
00:17:35,270 --> 00:17:31,220

multiple dimensions and

314

00:17:37,990 --> 00:17:35,280

time travels and what have you

315

00:17:41,830 --> 00:17:38,000

um I still think

316

00:17:44,330 --> 00:17:41,840

the extra terrestrial

317

00:17:46,730 --> 00:17:44,340

uh hypothesis

318

00:17:49,390 --> 00:17:46,740

remains

319

00:17:53,090 --> 00:17:49,400

the best

320

00:17:57,830 --> 00:17:53,100

but I'm I'm I don't rule anything out

321

00:18:01,750 --> 00:17:57,840

anymore nothing it's it's everything

322

00:18:05,570 --> 00:18:01,760

when we look at what

323

00:18:08,810 --> 00:18:05,580

uh the web telescope is telling us

324

00:18:12,130 --> 00:18:08,820

of what Hubble is telling us

325

00:18:17,770 --> 00:18:12,140

uh you really get

326

00:18:22,730 --> 00:18:17,780

a concept of how vast

327

00:18:25,850 --> 00:18:22,740

uh the universe is and how little we

328

00:18:28,730 --> 00:18:25,860

know about it it's it's a matter of

329

00:18:30,080 --> 00:18:28,740

everything we learn

330

00:18:31,310 --> 00:18:30,090

we learn how

331

00:18:36,230 --> 00:18:31,320

[Music]

332

00:18:39,070 --> 00:18:36,240

much we don't know it's it's it's an

333

00:18:41,570 --> 00:18:39,080

amazing time uh

334

00:18:44,710 --> 00:18:41,580

uh I'm

335

00:18:48,650 --> 00:18:44,720

I don't know how long I'll be around

336

00:18:50,330 --> 00:18:48,660

uh if I'll see any major developments

337

00:18:55,070 --> 00:18:50,340

but uh

338

00:18:58,510 --> 00:18:55,080

it's uh it certainly uh uh a great time

339

00:19:01,010 --> 00:18:58,520

for younger folks that are coming up

340

00:19:03,049 --> 00:19:01,020

especially scientists that are now

341

00:19:06,770 --> 00:19:03,059

taking this subject

342

00:19:11,150 --> 00:19:06,780

very seriously yes I I love the fact

343

00:19:15,169 --> 00:19:12,169

um

344

00:19:18,850 --> 00:19:15,179

you know taking up you know Harvard PhD

345

00:19:21,770 --> 00:19:18,860

and you know a world-renowned uh Italian

346

00:19:25,190 --> 00:19:21,780

uh astrophysicist uh you know talking

347

00:19:26,450 --> 00:19:25,200

about uh you know that that they've you

348

00:19:29,330 --> 00:19:26,460

know they're they're looking into it

349

00:19:32,270 --> 00:19:29,340

seriously enough to

350

00:19:34,010 --> 00:19:32,280

um you know to even checking out shows

351

00:19:36,110 --> 00:19:34,020

like this and other shows that discuss

352

00:19:39,049 --> 00:19:36,120

the topic you know that would have never

353

00:19:41,870 --> 00:19:39,059

happened before so uh yeah and I agree

354

00:19:46,130 --> 00:19:41,880

with you too you know I mean I think the

355

00:19:48,230 --> 00:19:46,140

most uh logical possibility is that what

356

00:19:50,150 --> 00:19:48,240

we're seeing is extraterrestrial but it

357

00:19:53,029 --> 00:19:50,160

it definitely could be

358

00:19:55,430 --> 00:19:53,039

um something interdimensional as well or

359

00:19:58,990 --> 00:19:55,440

something that we haven't even thought

360

00:20:03,470 --> 00:19:59,000

of you know I mean or a mix

361

00:20:05,630 --> 00:20:03,480

you know that's right you don't rule

362

00:20:07,250 --> 00:20:05,640

anything out that's right

363

00:20:09,409 --> 00:20:07,260

um you know something I neglected to do

364

00:20:12,409 --> 00:20:09,419

real quickly I'm gonna get uh share this

365

00:20:16,070 --> 00:20:12,419

is uh this is this week's blog

366

00:20:19,070 --> 00:20:16,080

um with uh that Charles Lear wrote It's

367

00:20:22,190 --> 00:20:19,080

called when UFO Abduction research

368

00:20:23,510 --> 00:20:22,200

went mainstream and it talks about the

369

00:20:27,470 --> 00:20:23,520

different people that got involved like

370

00:20:29,630 --> 00:20:27,480

Bud Hopkins and uh it goes through John

371

00:20:33,590 --> 00:20:29,640

Mack and all that so check it out over

372

00:20:36,049 --> 00:20:33,600

at podcast ufo.com and I just forgot to

373

00:20:39,409 --> 00:20:36,059

do that in the beginning of the show so

374

00:20:40,970 --> 00:20:39,419

yes I think um I think there's The more

375

00:20:43,190 --> 00:20:40,980

I've looked into I've I've only done

376

00:20:45,409 --> 00:20:43,200

I've done this show a much shorter time

377

00:20:48,890 --> 00:20:45,419

than you've been researching but you

378

00:20:50,930 --> 00:20:48,900

know it's it's over 11 years now and uh

379

00:20:54,590 --> 00:20:50,940

you know I I feel as though I don't know

380

00:20:57,409 --> 00:20:54,600

any any more about what's going on I

381

00:20:59,690 --> 00:20:57,419

just I I may have more questions than I

382

00:21:06,610 --> 00:20:59,700

did in the beginning which I I think

383

00:21:15,409 --> 00:21:10,549

the more you know the more questions you

384

00:21:18,470 --> 00:21:15,419

have yeah and and it's uh I mentioned uh

385

00:21:23,270 --> 00:21:18,480

we were talking before the show started

386

00:21:27,350 --> 00:21:23,280

about uh the History Channel which I

387

00:21:30,730 --> 00:21:27,360

hold at arm's length because I know that

388

00:21:35,149 --> 00:21:30,740

those shows uh can be

389

00:21:37,690 --> 00:21:35,159

uh well the production of the shows can

390

00:21:42,970 --> 00:21:37,700

be uh

391

00:21:47,289 --> 00:21:42,980

somewhat pumped up Beyond reality

392

00:21:51,409 --> 00:21:47,299

so but with that in mind I am

393

00:21:53,510 --> 00:21:51,419

particularly fascinated by the History

394

00:21:57,890 --> 00:21:53,520

Channel's

395

00:22:01,190 --> 00:21:57,900

uh the secret of skin walker Ranch

396

00:22:04,990 --> 00:22:01,200

um it appears to me that there there's

397

00:22:09,470 --> 00:22:05,000

something there there's without question

398

00:22:12,649 --> 00:22:09,480

uh their uh there's something there then

399

00:22:14,930 --> 00:22:12,659

I'm sure the show was being produced so

400

00:22:16,909 --> 00:22:14,940

that it'll bring people back week by

401  
00:22:18,950 --> 00:22:16,919  
week by week

402  
00:22:22,990 --> 00:22:18,960  
but uh

403  
00:22:25,490 --> 00:22:23,000  
there is something going on out there uh

404  
00:22:28,909 --> 00:22:25,500  
I don't think the federal government

405  
00:22:29,950 --> 00:22:28,919  
would have been involved in it like they

406  
00:22:32,870 --> 00:22:29,960  
were

407  
00:22:36,409 --> 00:22:32,880  
uh with Robert Bigelow

408  
00:22:38,810 --> 00:22:36,419  
uh if they didn't think that

409  
00:22:41,770 --> 00:22:38,820  
that was something special going on out

410  
00:22:43,610 --> 00:22:41,780  
there so that's uh

411  
00:22:46,490 --> 00:22:43,620  
I'm

412  
00:22:50,210 --> 00:22:46,500  
fascinated by that who knows it's just

413  
00:22:54,649 --> 00:22:50,220

another piece of the puzzle uh

414

00:22:55,430 --> 00:22:54,659

uh so we'll we'll see but I keep a l

415

00:22:59,510 --> 00:22:55,440

keep

416

00:23:01,250 --> 00:22:59,520

eye on it

417

00:23:01,909 --> 00:23:01,260

yeah yeah

418

00:23:03,950 --> 00:23:01,919

um

419

00:23:05,990 --> 00:23:03,960

what do you think about

420

00:23:09,649 --> 00:23:06,000

um have you looked at all into the

421

00:23:12,289 --> 00:23:09,659

reports that have come out and uh you

422

00:23:14,149 --> 00:23:12,299

know as far as what the government has

423

00:23:17,390 --> 00:23:14,159

actually been looking you know the task

424

00:23:21,669 --> 00:23:17,400

force and then uh these other things

425

00:23:24,710 --> 00:23:21,679

with uh ridiculous acronyms now it's the

426

00:23:26,870 --> 00:23:24,720

aaro or something like that

427

00:23:29,270 --> 00:23:26,880

um but anyway uh that they're actually

428

00:23:32,450 --> 00:23:29,280

looking into UFO cases now supposedly

429

00:23:35,450 --> 00:23:32,460

they're going to start looking from 1940

430

00:23:36,789 --> 00:23:35,460

uh what you call the Golden Ears of UFOs

431

00:23:39,710 --> 00:23:36,799

forward

432

00:23:43,490 --> 00:23:39,720

which before they were only looking at

433

00:23:45,409 --> 00:23:43,500

from 2004 I believe forward and now

434

00:23:47,630 --> 00:23:45,419

they're going all the supposedly going

435

00:23:50,390 --> 00:23:47,640

all the way back to look at cases and a

436

00:23:52,370 --> 00:23:50,400

lot of them will include of course you

437

00:23:54,130 --> 00:23:52,380

know what happened at missile silos and

438

00:23:55,970 --> 00:23:54,140

things like that

439

00:23:59,510 --> 00:23:55,980

well

440

00:24:03,830 --> 00:23:59,520

um yeah I've got mixed emotions about

441

00:24:05,590 --> 00:24:03,840

this side uh if you watch recently

442

00:24:11,330 --> 00:24:05,600

what's happened

443

00:24:13,730 --> 00:24:11,340

uh with the Lewis Alexander and

444

00:24:18,370 --> 00:24:13,740

um the uh

445

00:24:21,890 --> 00:24:18,380

the operation that he headed for a while

446

00:24:23,210 --> 00:24:21,900

uh and uh Christopher melon

447

00:24:26,710 --> 00:24:23,220

I mean

448

00:24:31,669 --> 00:24:26,720

these are pretty big hitters yeah uh

449

00:24:32,630 --> 00:24:31,679

that are now involved in this

450

00:24:34,090 --> 00:24:32,640

um

451  
00:24:52,730 --> 00:24:34,100

a

452  
00:24:54,370 --> 00:24:52,740

thing

453  
00:24:57,649 --> 00:24:54,380

um

454  
00:24:59,210 --> 00:24:57,659

what do we really know

455  
00:25:01,190 --> 00:24:59,220

food

456  
00:25:04,270 --> 00:25:01,200

who

457  
00:25:06,710 --> 00:25:04,280

if we've recovered

458  
00:25:11,029 --> 00:25:06,720

alien spacecraft

459  
00:25:13,029 --> 00:25:11,039  
who knows about it it appears that

460  
00:25:16,370 --> 00:25:13,039

the

461  
00:25:19,669 --> 00:25:16,380  
doesn't make any difference if you have

462  
00:25:21,710 --> 00:25:19,679  
four stars on your shoulder

463  
00:25:23,810 --> 00:25:21,720

uh or not

464

00:25:28,370 --> 00:25:23,820

if you don't have a need to know you

465

00:25:30,190 --> 00:25:28,380

don't know so how confined is the

466

00:25:34,370 --> 00:25:30,200

knowledge

467

00:25:36,850 --> 00:25:34,380

what does our government really know I

468

00:25:44,529 --> 00:25:36,860

mean when you have people

469

00:25:46,610 --> 00:25:44,539

uh that stand up and like Chris melon uh

470

00:25:50,149 --> 00:25:46,620

I don't think she

471

00:25:52,970 --> 00:25:50,159

is in the loop of knowledge uh probably

472

00:25:56,230 --> 00:25:52,980

Lou Elizondo isn't either

473

00:26:02,169 --> 00:25:56,240

there's a if

474

00:26:04,570 --> 00:26:02,179

in fact we do have our government has

475

00:26:07,269 --> 00:26:04,580

uh

476  
00:26:13,810 --> 00:26:07,279  
alien material

477  
00:26:21,049 --> 00:26:20,029  
there must be a very very small group of

478  
00:26:24,289 --> 00:26:21,059  
people

479  
00:26:28,610 --> 00:26:24,299  
that have this knowledge

480  
00:26:32,810 --> 00:26:28,620  
um so I guess what I'm getting at here

481  
00:26:35,930 --> 00:26:32,820  
is you hear these people that are

482  
00:26:40,970 --> 00:26:39,649  
um that you would think would be on the

483  
00:26:46,070 --> 00:26:40,980  
inside

484  
00:26:47,930 --> 00:26:46,080  
but obviously they're not unless

485  
00:26:49,909 --> 00:26:47,940  
the fact is

486  
00:26:52,370 --> 00:26:49,919  
that we have

487  
00:26:53,870 --> 00:26:52,380  
we don't have this data

488  
00:26:55,190 --> 00:26:53,880

uh

489

00:26:57,710 --> 00:26:55,200

it was

490

00:27:01,570 --> 00:26:57,720

made up we don't

491

00:27:03,169 --> 00:27:01,580

we don't have a spacecraft from Roswell

492

00:27:06,890 --> 00:27:03,179

uh

493

00:27:11,090 --> 00:27:06,900

or alien bodies what have you

494

00:27:15,909 --> 00:27:11,100

um so it's confusing to me to hear these

495

00:27:19,310 --> 00:27:15,919

people that have a great deal of depth

496

00:27:25,130 --> 00:27:19,320

uh and background

497

00:27:27,890 --> 00:27:25,140

that apparently don't know if in fact

498

00:27:29,930 --> 00:27:27,900

uh that exists

499

00:27:33,710 --> 00:27:29,940

the the

500

00:27:35,090 --> 00:27:33,720

evidence exists and is being held

501  
00:27:36,769 --> 00:27:35,100  
somewhere

502  
00:27:39,590 --> 00:27:36,779  
uh

503  
00:27:40,870 --> 00:27:39,600  
these people don't know about it

504  
00:27:45,230 --> 00:27:40,880  
so

505  
00:27:47,269 --> 00:27:45,240  
I you know I waved back and forth

506  
00:27:49,909 --> 00:27:47,279  
sometimes I think well

507  
00:27:53,590 --> 00:27:49,919  
yeah and somebody's got an interlocking

508  
00:27:56,930 --> 00:27:53,600  
key somewhere but how come

509  
00:28:00,590 --> 00:27:56,940  
these people with such great background

510  
00:28:06,049 --> 00:28:00,600  
don't know about it uh and where is it

511  
00:28:10,970 --> 00:28:06,059  
so that's the mystery that I wrestle

512  
00:28:14,049 --> 00:28:10,980  
with today in today's time uh

513  
00:28:15,730 --> 00:28:14,059

uh do we have this uh

514

00:28:21,310 --> 00:28:15,740

material

515

00:28:24,169 --> 00:28:21,320

uh or when I say do we does someone

516

00:28:27,049 --> 00:28:24,179

uh have this

517

00:28:28,370 --> 00:28:27,059

is there really

518

00:28:33,230 --> 00:28:28,380

um

519

00:28:37,730 --> 00:28:33,240

a majestic uh 12 operation or what used

520

00:28:40,669 --> 00:28:37,740

to be a majestic to all operations that

521

00:28:43,789 --> 00:28:40,679

some tiny group of people

522

00:28:47,230 --> 00:28:43,799

are in the know

523

00:28:51,169 --> 00:28:47,240

um but then you have to think that

524

00:28:53,630 --> 00:28:51,179

uh the military-industrial complex would

525

00:28:57,789 --> 00:28:53,640

have to be brought in they would have to

526

00:29:00,409 --> 00:28:57,799

you would have to have uh

527

00:29:02,029 --> 00:29:00,419

uh Sciences

528

00:29:06,470 --> 00:29:02,039

not

529

00:29:08,090 --> 00:29:06,480

from within the government but from a

530

00:29:10,450 --> 00:29:08,100

private industry

531

00:29:12,890 --> 00:29:10,460

that were

532

00:29:17,470 --> 00:29:12,900

researching this stuff

533

00:29:21,230 --> 00:29:17,480

so how do you keep the lid on it I mean

534

00:29:23,090 --> 00:29:21,240

that's that's what troubles me I don't

535

00:29:25,810 --> 00:29:23,100

know if I've made myself clear or not

536

00:29:29,570 --> 00:29:25,820

but that's uh

537

00:29:32,330 --> 00:29:29,580

that's uh that's very troubling to me

538

00:29:34,310 --> 00:29:32,340

when I when I spoke with uh Chris melon

539

00:29:37,190 --> 00:29:34,320

I I was lucky enough to be the first

540

00:29:40,730 --> 00:29:37,200

person to interview him on this topic uh

541

00:29:42,610 --> 00:29:40,740

back in 2015 and when I spoke to him he

542

00:29:46,610 --> 00:29:42,620

said that

543

00:29:48,289 --> 00:29:46,620

if a president wanted direct directly

544

00:29:52,450 --> 00:29:48,299

wanted to know

545

00:29:55,310 --> 00:29:52,460

about UFOs then he would be directly

546

00:29:58,370 --> 00:29:55,320

briefed on it by the information that

547

00:30:00,350 --> 00:29:58,380

they have and so I guess I want to ask

548

00:30:02,690 --> 00:30:00,360

you when you were researching for your

549

00:30:05,389 --> 00:30:02,700

book would you agree with that that

550

00:30:13,370 --> 00:30:07,210

um

551  
00:30:14,750 --> 00:30:13,380  
I I guess for some degree but uh

552  
00:30:20,810 --> 00:30:14,760  
does

553  
00:30:22,029 --> 00:30:20,820  
that you know that that's the question

554  
00:30:24,769 --> 00:30:22,039  
is

555  
00:30:27,289 --> 00:30:24,779  
he can speak

556  
00:30:30,529 --> 00:30:27,299  
with authority

557  
00:30:32,810 --> 00:30:30,539  
but if he doesn't know the hardcore

558  
00:30:36,350 --> 00:30:32,820  
facts himself

559  
00:30:37,190 --> 00:30:36,360  
he can only speculate

560  
00:30:39,889 --> 00:30:37,200  
um

561  
00:30:42,409 --> 00:30:39,899  
I don't know what the what the

562  
00:30:43,269 --> 00:30:42,419  
presidents are told

563  
00:30:49,029 --> 00:30:43,279

um

564

00:30:54,889 --> 00:30:49,039

uh about all of that about

565

00:30:58,070 --> 00:30:54,899

uh Reagan being briefed by uh

566

00:30:59,590 --> 00:30:58,080

uh someone from the CIA called the

567

00:31:01,250 --> 00:30:59,600

caretaker

568

00:31:03,889 --> 00:31:01,260

uh

569

00:31:06,289 --> 00:31:03,899

if that's

570

00:31:10,549 --> 00:31:06,299

has any truth to it

571

00:31:14,990 --> 00:31:10,559

uh he will certainly be briefed in

572

00:31:17,330 --> 00:31:15,000

some pretty uh great detail

573

00:31:20,090 --> 00:31:17,340

uh

574

00:31:23,750 --> 00:31:20,100

I don't think Jimmy Carter was

575

00:31:24,529 --> 00:31:23,760

until perhaps later

576

00:31:27,830 --> 00:31:24,539

um

577

00:31:31,850 --> 00:31:27,840

so I don't know I mean this borders on

578

00:31:35,690 --> 00:31:31,860

what I'm talking about I don't know

579

00:31:38,810 --> 00:31:35,700

what these people these experts the

580

00:31:40,370 --> 00:31:38,820

people that you would think know the

581

00:31:42,289 --> 00:31:40,380

background

582

00:31:44,769 --> 00:31:42,299

I know that

583

00:31:46,570 --> 00:31:44,779

uh

584

00:31:51,289 --> 00:31:46,580

Luis

585

00:31:52,490 --> 00:31:51,299

Elizondo will get to a point where he

586

00:31:54,710 --> 00:31:52,500

says

587

00:31:57,889 --> 00:31:54,720

that's something he really can't get

588

00:31:59,049 --> 00:31:57,899

into except to say thus and so and thus

589

00:32:04,909 --> 00:31:59,059

itself

590

00:32:06,130 --> 00:32:04,919

so there's a line they can't step over

591

00:32:10,549 --> 00:32:06,140

um

592

00:32:13,250 --> 00:32:10,559

that would to me indicate that

593

00:32:15,470 --> 00:32:13,260

they certainly know more than their

594

00:32:18,769 --> 00:32:15,480

able to say

595

00:32:22,070 --> 00:32:18,779

but what's the depth

596

00:32:23,350 --> 00:32:22,080

how deep is their knowledge

597

00:32:27,130 --> 00:32:23,360

um

598

00:32:32,889 --> 00:32:27,140

I don't know and I uh

599

00:32:35,169 --> 00:32:32,899

but I would not be surprised at all

600

00:32:39,529 --> 00:32:35,179

to find out

601  
00:32:44,149 --> 00:32:39,539  
that there is really a

602  
00:32:46,490 --> 00:32:44,159  
uh an organization a group

603  
00:32:48,070 --> 00:32:46,500  
that

604  
00:32:52,909 --> 00:32:48,080  
perhaps

605  
00:32:55,610 --> 00:32:52,919  
knows a part of the real story

606  
00:32:58,690 --> 00:32:55,620  
and another group that knows a part of

607  
00:33:02,769 --> 00:32:58,700  
the real story in other words

608  
00:33:06,710 --> 00:33:02,779  
compartmentalized right and

609  
00:33:09,529 --> 00:33:06,720  
uh in that case I can see

610  
00:33:10,310 --> 00:33:09,539  
how this may work

611  
00:33:14,269 --> 00:33:10,320  
um

612  
00:33:16,789 --> 00:33:14,279  
and and maybe each of these people know

613  
00:33:20,210 --> 00:33:16,799

a bit of the story but not the full

614

00:33:21,710 --> 00:33:20,220

story does anybody know the full story

615

00:33:24,110 --> 00:33:21,720

uh

616

00:33:26,930 --> 00:33:24,120

do you think it's possible that

617

00:33:29,330 --> 00:33:26,940

they're just as baffled as we all are by

618

00:33:30,950 --> 00:33:29,340

the by what's going on or do you you

619

00:33:32,990 --> 00:33:30,960

really do think that they may know a

620

00:33:37,310 --> 00:33:33,000

little bit more

621

00:33:39,289 --> 00:33:37,320

oh I think they know more uh then

622

00:33:41,810 --> 00:33:39,299

they're willing to

623

00:33:45,110 --> 00:33:41,820

talk about how much more I don't know

624

00:33:46,450 --> 00:33:45,120

but I yeah I think they know more

625

00:33:48,970 --> 00:33:46,460

um

626  
00:33:52,549 --> 00:33:48,980  
and uh

627  
00:33:55,570 --> 00:33:52,559  
uh in their particular

628  
00:34:00,009 --> 00:33:55,580  
area of expertise

629  
00:34:02,769 --> 00:34:00,019  
again everything being compartmentalized

630  
00:34:05,389 --> 00:34:02,779  
uh

631  
00:34:08,270 --> 00:34:05,399  
they don't there's a line they don't

632  
00:34:11,329 --> 00:34:08,280  
step over they don't

633  
00:34:13,909 --> 00:34:11,339  
get in meddling into

634  
00:34:15,649 --> 00:34:13,919  
what someone else is doing

635  
00:34:18,109 --> 00:34:15,659  
uh

636  
00:34:20,270 --> 00:34:18,119  
our government

637  
00:34:24,470 --> 00:34:20,280  
is very

638  
00:34:25,329 --> 00:34:24,480

very good at keeping secrets

639

00:34:28,550 --> 00:34:25,339

um

640

00:34:31,310 --> 00:34:28,560

uh not political secrets that's

641

00:34:32,750 --> 00:34:31,320

something else they can't keep political

642

00:34:38,869 --> 00:34:32,760

secrets

643

00:34:40,030 --> 00:34:38,879

Security

644

00:34:44,050 --> 00:34:40,040

um

645

00:34:48,109 --> 00:34:44,060

uh that area

646

00:34:51,290 --> 00:34:48,119

uh they are very good at keeping secrets

647

00:34:55,930 --> 00:34:51,300

and even better

648

00:34:58,970 --> 00:34:55,940

is the military-industrial complex their

649

00:35:02,710 --> 00:34:58,980

really good at keeping

650

00:35:06,170 --> 00:35:02,720

secrets uh

651

00:35:09,710 --> 00:35:06,180

uh probably better than the uh

652

00:35:14,089 --> 00:35:09,720

three letter agencies or

653

00:35:16,690 --> 00:35:14,099

but they're they're very good at it it

654

00:35:19,370 --> 00:35:16,700

the reason is that's their livelihood

655

00:35:20,950 --> 00:35:19,380

they make millions and billions of

656

00:35:22,730 --> 00:35:20,960

dollars

657

00:35:24,589 --> 00:35:22,740

by

658

00:35:28,250 --> 00:35:24,599

developing

659

00:35:38,030 --> 00:35:30,050

uh

660

00:35:41,470 --> 00:35:38,040

were they're very good

661

00:35:45,790 --> 00:35:41,480

at that and and uh

662

00:35:49,329 --> 00:35:45,800

they don't want to disrupt their uh

663

00:35:52,430 --> 00:35:49,339

the Golden Goose so to speak but anyway

664

00:35:53,050 --> 00:35:52,440

uh no the uh

665

00:35:56,349 --> 00:35:53,060

the

666

00:36:01,670 --> 00:35:56,359

military-industrial complex is uh

667

00:36:04,849 --> 00:36:01,680

uh deeply involved in all of this uh

668

00:36:08,750 --> 00:36:04,859

but how much I believe that's the

669

00:36:12,470 --> 00:36:08,760

question we we get bits and pieces of

670

00:36:15,710 --> 00:36:12,480

the puzzle and uh we've been getting a

671

00:36:17,810 --> 00:36:15,720

lot of that recently so we'll see

672

00:36:20,390 --> 00:36:17,820

yeah yep

673

00:36:23,510 --> 00:36:20,400

um so what you know one of the things I

674

00:36:26,569 --> 00:36:23,520

I like to to uh ask someone like you

675

00:36:28,490 --> 00:36:26,579

that's been researching for so long

676

00:36:31,190 --> 00:36:28,500

um the changes that you've seen you used

677

00:36:32,750 --> 00:36:31,200

to talk about the golden years and you

678

00:36:34,910 --> 00:36:32,760

you thought the golden years I do

679

00:36:38,329 --> 00:36:34,920

believe the reason you called them in

680

00:36:40,609 --> 00:36:38,339

that is that there weren't as many um

681

00:36:42,589 --> 00:36:40,619

it was harder to have hoaxes back then

682

00:36:44,150 --> 00:36:42,599

for one right

683

00:36:46,490 --> 00:36:44,160

um you know in the beginning they

684

00:36:48,170 --> 00:36:46,500

couldn't alter the photographs the way

685

00:36:51,109 --> 00:36:48,180

they can now

686

00:36:53,329 --> 00:36:51,119

there's no there wasn't Adobe uh

687

00:36:55,130 --> 00:36:53,339

Photoshop things like that

688

00:36:57,290 --> 00:36:55,140

um back then

689

00:36:59,450 --> 00:36:57,300

um do you think that since the

690

00:37:02,390 --> 00:36:59,460

internet's come along what type of

691

00:37:08,750 --> 00:37:03,790

well

692

00:37:10,990 --> 00:37:08,760

if you go back to the beginning of the

693

00:37:14,150 --> 00:37:11,000

modern era which

694

00:37:17,990 --> 00:37:14,160

I guess you could go back to

695

00:37:19,609 --> 00:37:18,000

even farther but I I think that Roswell

696

00:37:22,569 --> 00:37:19,619

really is

697

00:37:26,329 --> 00:37:22,579

was the beginning of uh

698

00:37:29,829 --> 00:37:26,339

the modern era of what we now

699

00:37:32,690 --> 00:37:29,839

called UFOs or whatever

700

00:37:36,530 --> 00:37:32,700

whatever name the government's applying

701  
00:37:40,910 --> 00:37:36,540  
to them now uh it all boils down to the

702  
00:37:43,670 --> 00:37:40,920  
same thing flying sauces but uh

703  
00:37:46,990 --> 00:37:43,680  
what

704  
00:37:49,030 --> 00:37:47,000  
uh trumanu

705  
00:37:53,329 --> 00:37:49,040  
uh

706  
00:37:55,730 --> 00:37:53,339  
was he knew the whole story as far as it

707  
00:37:56,690 --> 00:37:55,740  
was then

708  
00:38:00,710 --> 00:37:56,700  
um

709  
00:38:03,109 --> 00:38:00,720  
and he put a a clamp on it I mean he

710  
00:38:05,210 --> 00:38:03,119  
clamped down on it and

711  
00:38:12,770 --> 00:38:05,220  
uh

712  
00:38:16,010 --> 00:38:12,780  
Gregory all over and

713  
00:38:18,770 --> 00:38:16,020

uh Eisenhower worked for Truman they had

714

00:38:20,589 --> 00:38:18,780

a pretty good relationship but then

715

00:38:22,910 --> 00:38:20,599

when

716

00:38:26,450 --> 00:38:22,920

Eisenhower started running for the

717

00:38:31,310 --> 00:38:26,460

presidency that uh that relationship

718

00:38:34,430 --> 00:38:31,320

froze over but still uh

719

00:38:38,210 --> 00:38:34,440

uh Truman's uh

720

00:38:42,770 --> 00:38:40,370

the head of the CIA when it was first

721

00:38:45,770 --> 00:38:42,780

set up was uh

722

00:38:50,030 --> 00:38:45,780

oh

723

00:38:53,450 --> 00:38:50,040

what does that name Escape me it happens

724

00:38:55,849 --> 00:38:53,460

when you get older uh

725

00:38:58,510 --> 00:38:55,859

but anyway

726

00:39:01,069 --> 00:38:58,520

he was uh

727

00:39:02,390 --> 00:39:01,079

Eisenhower's Chief of Staff during the

728

00:39:05,630 --> 00:39:02,400

war

729

00:39:09,530 --> 00:39:05,640

and uh then

730

00:39:12,550 --> 00:39:09,540

he became head of the CIA when after the

731

00:39:18,109 --> 00:39:12,560

CIA was formed

732

00:39:22,089 --> 00:39:18,119

and Eisenhower became president well uh

733

00:39:28,730 --> 00:39:26,210

Chief of Staff so now head of the CIA so

734

00:39:31,970 --> 00:39:28,740

I don't think Truman had to pass on

735

00:39:36,109 --> 00:39:31,980

anything guys now uh

736

00:39:38,030 --> 00:39:36,119

his uh Chief of Staff uh very well took

737

00:39:40,190 --> 00:39:38,040

care of them thank you and I remember

738

00:39:41,750 --> 00:39:40,200

that name he said

739

00:39:45,410 --> 00:39:41,760

but anyway

740

00:39:51,589 --> 00:39:49,490

no no no no it was uh

741

00:40:00,829 --> 00:39:55,150

uh Edgar uh what am I thinking of no

742

00:40:00,839 --> 00:40:02,890

um

743

00:40:09,589 --> 00:40:07,730

the uh so these were the what I call the

744

00:40:11,050 --> 00:40:09,599

golden years there was a lot of

745

00:40:16,010 --> 00:40:11,060

knowledge

746

00:40:18,650 --> 00:40:16,020

uh it's best they had then and and

747

00:40:21,050 --> 00:40:18,660

they kept it quiet they denied

748

00:40:25,990 --> 00:40:21,970

um

749

00:40:27,849 --> 00:40:26,000

as time has passed

750

00:40:33,430 --> 00:40:27,859

the internet

751

00:40:38,569 --> 00:40:33,440

uh has made uh keeping secrets very hard

752

00:40:42,670 --> 00:40:38,579

uh finally it was divorced

753

00:40:45,370 --> 00:40:42,680

a place called Area 51 exists

754

00:40:49,670 --> 00:40:45,380

the government finally admitted it

755

00:40:52,910 --> 00:40:49,680

denied it for how many years and then

756

00:40:54,550 --> 00:40:52,920

finally admitted it so it's things like

757

00:40:56,870 --> 00:40:54,560

this that are

758

00:40:59,530 --> 00:40:56,880

uh bubbling

759

00:41:03,109 --> 00:40:59,540

uh to the surface

760

00:41:05,990 --> 00:41:03,119

uh that we wouldn't have had

761

00:41:08,690 --> 00:41:06,000

uh years ago

762

00:41:12,370 --> 00:41:08,700

um there were some dedicated news

763

00:41:17,750 --> 00:41:12,380

reporters newspaper reporters

764

00:41:20,870 --> 00:41:17,760

uh that reported uh various things

765

00:41:23,170 --> 00:41:20,880

but I think in a lot of cases uh

766

00:41:25,550 --> 00:41:23,180

the government had

767

00:41:28,430 --> 00:41:25,560

their thumb

768

00:41:30,470 --> 00:41:28,440

pressing down on these people

769

00:41:33,770 --> 00:41:30,480

so we didn't get a lot of stuff on it

770

00:41:35,150 --> 00:41:33,780

but that that time has passed

771

00:41:39,530 --> 00:41:35,160

um

772

00:41:42,130 --> 00:41:39,540

everything that uh

773

00:41:45,589 --> 00:41:42,140

most things now

774

00:41:46,440 --> 00:41:45,599

uh can be

775

00:41:47,870 --> 00:41:46,450

uh

776  
00:41:51,490 --> 00:41:47,880  
[Music]

777  
00:41:56,349 --> 00:41:51,500  
uh brought to the open can be

778  
00:41:58,250 --> 00:41:56,359  
exposed certainly we have uh

779  
00:41:59,770 --> 00:41:58,260  
oh very

780  
00:42:03,230 --> 00:41:59,780  
Secret

781  
00:42:05,810 --> 00:42:03,240  
uh aerial platforms that are being

782  
00:42:07,430 --> 00:42:05,820  
tested all the time

783  
00:42:09,650 --> 00:42:07,440  
uh

784  
00:42:14,530 --> 00:42:09,660  
that's probably

785  
00:42:16,970 --> 00:42:14,540  
50 years more advanced than we know

786  
00:42:20,930 --> 00:42:16,980  
uh of them

787  
00:42:22,250 --> 00:42:20,940  
but and that's being kept secret it's up

788  
00:42:25,329 --> 00:42:22,260

to a certain degree because that

789

00:42:29,410 --> 00:42:25,339

probably people that know but if you

790

00:42:34,430 --> 00:42:29,420

I don't care how secret you can have

791

00:42:37,990 --> 00:42:34,440

uh airspace now in this country The

792

00:42:41,630 --> 00:42:38,000

Spill people are going to see things and

793

00:42:43,910 --> 00:42:41,640

find out things and nose around so yeah

794

00:42:47,630 --> 00:42:43,920

it's a lot harder now we we certainly

795

00:42:51,710 --> 00:42:47,640

know a lot more than uh we did in those

796

00:42:57,109 --> 00:42:51,720

uh those golden years it was very easy

797

00:42:58,609 --> 00:42:57,119

to conceal uh and certainly not so easy

798

00:43:01,970 --> 00:42:58,619

nowadays

799

00:43:04,550 --> 00:43:01,980

I hope that's a reasonable answer to

800

00:43:07,670 --> 00:43:04,560

your question sure did you ever actually

801  
00:43:10,550 --> 00:43:07,680  
do any investigating yourself you know

802  
00:43:13,490 --> 00:43:10,560  
talk to Witnesses or anything like that

803  
00:43:15,170 --> 00:43:13,500  
oh yeah uh

804  
00:43:22,010 --> 00:43:15,180  
I

805  
00:43:23,030 --> 00:43:22,020  
time as a matter of fact uh spent the

806  
00:43:25,849 --> 00:43:23,040  
night

807  
00:43:29,870 --> 00:43:25,859  
with the Robert emanator

808  
00:43:31,750 --> 00:43:29,880  
and his retirement home in

809  
00:43:35,329 --> 00:43:31,760  
Arkansas

810  
00:43:39,790 --> 00:43:35,339  
disgusting and if you remember Robert

811  
00:43:45,190 --> 00:43:39,800  
Emmanuel I guess he was a

812  
00:43:48,309 --> 00:43:45,200  
co-producer of the extremely

813  
00:43:53,690 --> 00:43:48,319

well-made documentary from

814

00:44:01,670 --> 00:43:57,349

past present and future oh yeah very

815

00:44:06,410 --> 00:44:01,680

well done narrated by Rod Sterling

816

00:44:08,809 --> 00:44:06,420

and uh that's right just a a wonderful

817

00:44:11,150 --> 00:44:08,819

production

818

00:44:12,650 --> 00:44:11,160

and Bob told me sitting at his kitchen

819

00:44:15,970 --> 00:44:12,660

table

820

00:44:21,829 --> 00:44:18,770

they were to be given

821

00:44:25,550 --> 00:44:21,839

35 millimeter film

822

00:44:27,829 --> 00:44:25,560

of a UFO landing in

823

00:44:29,390 --> 00:44:27,839

New Mexico

824

00:44:36,609 --> 00:44:29,400

uh

825

00:44:39,530 --> 00:44:36,619

what Air Force Base again Martin I I

826

00:44:44,650 --> 00:44:39,540

forgive me for my uh

827

00:44:48,470 --> 00:44:44,660

uh lack of recall but uh anyway uh

828

00:44:51,410 --> 00:44:48,480

uh that they were going to be giving us

829

00:44:56,930 --> 00:44:51,420

a 35 millimeter footage

830

00:44:58,329 --> 00:44:56,940

600 feet of it to use as the dramatic

831

00:45:01,930 --> 00:44:58,339

closing

832

00:45:05,589 --> 00:45:01,940

of that program

833

00:45:08,630 --> 00:45:05,599

and that uh

834

00:45:09,849 --> 00:45:08,640

was just before they started production

835

00:45:12,410 --> 00:45:09,859

that

836

00:45:15,650 --> 00:45:12,420

was withdrawn

837

00:45:20,349 --> 00:45:15,660

uh Watergate had just

838

00:45:22,730 --> 00:45:20,359

reared his ugly head oh yeah and

839

00:45:26,630 --> 00:45:22,740

apparently the White House

840

00:45:30,050 --> 00:45:26,640

was behind this production

841

00:45:31,130 --> 00:45:30,060

um according to what Bob emanator told

842

00:45:32,950 --> 00:45:31,140

me

843

00:45:36,710 --> 00:45:32,960

and

844

00:45:39,109 --> 00:45:36,720

so the Nixon White House did not want to

845

00:45:42,849 --> 00:45:39,119

get into anything

846

00:45:48,430 --> 00:45:42,859

uh that was controversial anymore

847

00:45:51,190 --> 00:45:48,440

and so that was uh withdrawn but

848

00:45:53,870 --> 00:45:51,200

uh they continued the government

849

00:45:56,150 --> 00:45:53,880

continued to support

850

00:45:57,530 --> 00:45:56,160

ebeneger

851

00:46:02,750 --> 00:45:57,540

um

852

00:46:05,470 --> 00:46:02,760

in his uh production efforts

853

00:46:08,510 --> 00:46:05,480

so a lot of good things came out of that

854

00:46:11,750 --> 00:46:08,520

uh but uh

855

00:46:14,450 --> 00:46:11,760

uh that's just that's just one example

856

00:46:16,670 --> 00:46:14,460

but yeah I've uh I've done a lot of

857

00:46:18,970 --> 00:46:16,680

footwork uh I've gone to a lot of

858

00:46:23,270 --> 00:46:18,980

presidential libraries

859

00:46:27,530 --> 00:46:23,280

uh which are quite interesting that's

860

00:46:30,010 --> 00:46:27,540

that's uh something I found that's one

861

00:46:34,309 --> 00:46:30,020

part of the government that really works

862

00:46:39,530 --> 00:46:36,950

um they or

863

00:46:43,849 --> 00:46:39,540

are perfectly willing if you say

864

00:46:46,910 --> 00:46:43,859

you want information on UFOs they know

865

00:46:50,349 --> 00:46:46,920

exactly where it is and they can show

866

00:46:54,349 --> 00:46:50,359

you they'll bring all of the files so

867

00:46:55,790 --> 00:46:54,359

carts full of them and uh

868

00:46:59,210 --> 00:46:55,800

just

869

00:47:02,210 --> 00:46:59,220

help anyone they can they that was a

870

00:47:05,510 --> 00:47:02,220

wonderful wonderful experience uh

871

00:47:09,589 --> 00:47:05,520

working with the presidential libraries

872

00:47:14,210 --> 00:47:11,030

but

873

00:47:16,490 --> 00:47:14,220

so yes a lot of leg work involved it's a

874

00:47:18,349 --> 00:47:16,500

lot of money involved you got to spend a

875

00:47:22,370 --> 00:47:18,359

lot of money and

876

00:47:27,250 --> 00:47:22,380

it's uh you know a lot of traveling you

877

00:47:35,270 --> 00:47:32,050

on a shoestring you can it takes money

878

00:47:39,530 --> 00:47:35,280

that's right I used to they used to

879

00:47:41,930 --> 00:47:39,540

fascinate me uh how

880

00:47:44,390 --> 00:47:41,940

um Dr Alan heineck would just show up

881

00:47:46,730 --> 00:47:44,400

like a day after an incident he would

882

00:47:48,890 --> 00:47:46,740

just fly this was after you know Project

883

00:47:51,349 --> 00:47:48,900

Blue Book so he would just jump on a

884

00:47:54,109 --> 00:47:51,359

plane and just go which uh

885

00:47:55,250 --> 00:47:54,119

which was uh expensive even you know at

886

00:47:58,550 --> 00:47:55,260

the time

887

00:48:01,609 --> 00:47:58,560

sure relatively expensive so

888

00:48:04,250 --> 00:48:01,619

but um yeah he went all over the place

889

00:48:07,790 --> 00:48:04,260

and for you to do the research and the

890

00:48:09,470 --> 00:48:07,800

the libraries I'm I'm surprised that I

891

00:48:11,630 --> 00:48:09,480

didn't even realize that that you can

892

00:48:13,790 --> 00:48:11,640

ask where if there's any UFO material

893

00:48:15,650 --> 00:48:13,800

and it's they'll they'll let you know

894

00:48:17,809 --> 00:48:15,660

where it is

895

00:48:18,470 --> 00:48:17,819

yeah

896

00:48:22,069 --> 00:48:18,480

um

897

00:48:25,609 --> 00:48:22,079

I was arrested initially

898

00:48:28,190 --> 00:48:25,619

to go into a Presidential Library

899

00:48:31,550 --> 00:48:28,200

and say uh

900

00:48:34,790 --> 00:48:31,560

well I'm writing a book on

901

00:48:35,870 --> 00:48:34,800

presidents and UFOs

902

00:48:38,030 --> 00:48:35,880

um

903

00:48:41,050 --> 00:48:38,040

what information have you gotten I

904

00:48:44,349 --> 00:48:41,060

thought that you know I would get

905

00:48:49,430 --> 00:48:44,359

eyeballs rolling around and

906

00:48:52,329 --> 00:48:49,440

a pushback but the exact opposite uh was

907

00:48:56,230 --> 00:48:52,339

the case they told me

908

00:49:00,170 --> 00:48:56,240

where I could find the stuff that is

909

00:49:03,349 --> 00:49:00,180

where to look for and when I found

910

00:49:05,770 --> 00:49:03,359

something file wise

911

00:49:08,390 --> 00:49:05,780

that I thought would be interesting

912

00:49:09,950 --> 00:49:08,400

they'd bring it to me

913

00:49:13,730 --> 00:49:09,960

they wouldn't just bring you the file

914

00:49:18,170 --> 00:49:13,740

they'd bring me the whole box of bottles

915

00:49:22,250 --> 00:49:18,180

um rolling remote on a cart you know and

916

00:49:26,210 --> 00:49:22,260

just leave them there at your table and

917

00:49:28,069 --> 00:49:26,220

you could go through these trials pick

918

00:49:30,829 --> 00:49:28,079

one and go through it and see what's in

919

00:49:33,589 --> 00:49:30,839

it uh

920

00:49:35,210 --> 00:49:33,599

put that away and move to another one

921

00:49:38,690 --> 00:49:35,220

it's

922

00:49:42,490 --> 00:49:38,700

and they were they photocopy things for

923

00:49:44,089 --> 00:49:42,500

you because they're charging for that

924

00:49:47,089 --> 00:49:44,099

uh

925

00:49:50,990 --> 00:49:47,099

but that wasn't necessary because I had

926  
00:49:54,109 --> 00:49:51,000  
my iPhone with me so you just leave the

927  
00:49:56,510 --> 00:49:54,119  
document out on the table and take a

928  
00:49:58,390 --> 00:49:56,520  
picture of it I got a whole

929  
00:50:01,390 --> 00:49:58,400  
smooth pictures

930  
00:50:05,990 --> 00:50:01,400  
that I took from

931  
00:50:09,170 --> 00:50:06,000  
files and presidential libraries uh

932  
00:50:10,990 --> 00:50:09,180  
by any number of people well-known

933  
00:50:16,010 --> 00:50:11,000  
people

934  
00:50:22,089 --> 00:50:20,690  
information back and forth discussing

935  
00:50:24,910 --> 00:50:22,099  
uh

936  
00:50:27,410 --> 00:50:24,920  
well in many times

937  
00:50:29,990 --> 00:50:27,420  
the UFO issue

938  
00:50:32,089 --> 00:50:30,000

so the information is out there for

939

00:50:33,410 --> 00:50:32,099

anybody that wants to take the trouble

940

00:50:39,230 --> 00:50:33,420

to

941

00:50:44,450 --> 00:50:40,490

go ahead

942

00:50:46,430 --> 00:50:44,460

I'm uh I I think it'd be very

943

00:50:51,670 --> 00:50:46,440

interesting if anybody wanted to do it

944

00:50:54,290 --> 00:50:51,680

it's it's it's not difficult obviously

945

00:50:57,410 --> 00:50:54,300

uh when you go into a Presidential

946

00:51:01,089 --> 00:50:57,420

Library you can't take a briefcase you

947

00:51:03,829 --> 00:51:01,099

can't yeah you know you got to leave

948

00:51:06,230 --> 00:51:03,839

everything that you've got you have a

949

00:51:08,030 --> 00:51:06,240

jacket they give you a locker to put it

950

00:51:08,930 --> 00:51:08,040

in and all that before you go into the

951  
00:51:12,829 --> 00:51:08,940  
library

952  
00:51:16,190 --> 00:51:12,839  
the only thing you can bring in is uh

953  
00:51:18,290 --> 00:51:16,200  
as I recall a pencil

954  
00:51:21,829 --> 00:51:18,300  
and a legal pad

955  
00:51:23,270 --> 00:51:21,839  
uh uh that's it

956  
00:51:30,530 --> 00:51:23,280  
and your phone

957  
00:51:33,290 --> 00:51:30,540  
we've only got three minutes left so uh

958  
00:51:34,970 --> 00:51:33,300  
if you would what would see if you can

959  
00:51:36,650 --> 00:51:34,980  
wrap it up in three minutes what was the

960  
00:51:38,450 --> 00:51:36,660  
most interesting thing you found in any

961  
00:51:40,089 --> 00:51:38,460  
of the libraries and which library was

962  
00:51:41,690 --> 00:51:40,099  
it

963  
00:51:55,250 --> 00:51:41,700

uh

964

00:51:57,589 --> 00:51:55,260

interesting things in there that led me

965

00:51:59,990 --> 00:51:57,599

to believe

966

00:52:02,870 --> 00:52:00,000

how much Lyndon Johnson wanted to stay

967

00:52:04,670 --> 00:52:02,880

away from this subject huh

968

00:52:08,809 --> 00:52:04,680

certainly

969

00:52:12,069 --> 00:52:08,819

and I can't remember exactly what I got

970

00:52:16,210 --> 00:52:12,079

from the Kennedy Library

971

00:52:18,370 --> 00:52:16,220

but it was clear

972

00:52:21,730 --> 00:52:18,380

that Kennedy

973

00:52:23,270 --> 00:52:21,740

wanted to

974

00:52:28,309 --> 00:52:23,280

divulge

975

00:52:29,829 --> 00:52:28,319

a great deal of our secrets

976  
00:52:32,829 --> 00:52:29,839  
in the

977  
00:52:36,950 --> 00:52:32,839  
UFO field

978  
00:52:39,670 --> 00:52:36,960  
uh not only to the public here

979  
00:52:43,450 --> 00:52:39,680  
but to the Russians

980  
00:52:47,690 --> 00:52:43,460  
and the Russians were supposed to

981  
00:52:52,309 --> 00:52:47,700  
give us all of their information

982  
00:52:55,010 --> 00:52:52,319  
and that really Disturbed uh the

983  
00:52:57,710 --> 00:52:55,020  
intelligence community in the United

984  
00:53:00,970 --> 00:52:57,720  
States they didn't want any parts of

985  
00:53:04,609 --> 00:53:00,980  
this they didn't want anything devolved

986  
00:53:07,490 --> 00:53:04,619  
uh to the Soviet Union and that's why

987  
00:53:10,190 --> 00:53:07,500  
they got Lee Harvey Oswald I'm just

988  
00:53:11,890 --> 00:53:10,200

kidding this starts a conspiracy well

989

00:53:16,370 --> 00:53:11,900

well

990

00:53:18,910 --> 00:53:16,380

that's I cover that in the book

991

00:53:22,450 --> 00:53:18,920

um okay I don't

992

00:53:25,250 --> 00:53:22,460

necessarily buy into it but I don't

993

00:53:28,910 --> 00:53:25,260

disregard it either

994

00:53:30,770 --> 00:53:28,920

um you know it's it's interesting

995

00:53:32,809 --> 00:53:30,780

well thank you so much Larry it's been a

996

00:53:36,609 --> 00:53:32,819

real pleasure Martin it's been a

997

00:53:39,650 --> 00:53:36,619

pleasure and I enjoyed it uh always uh

998

00:53:42,950 --> 00:53:39,660

enjoyed talking with you you bet all

999

00:53:44,510 --> 00:53:42,960

right you take care you too all right

1000

00:53:47,270 --> 00:53:44,520

all right everyone so that's it we'll

1001

00:53:48,680 --> 00:53:47,280

see you next week and remember to keep

1002

00:53:54,770 --> 00:53:48,690

your eyes to the sky

1003

00:53:54,780 --> 00:53:59,940

foreign
